

Hello Chair O'Brien

I am a small business owner from a little town called Reminderville, Ohio. I own and manage two properties as short term rentals in Port Clinton, Ohio. I take pride in my work and strive to provide the best hospitality possible. I truly believe my properties help tourism in the area and my guests rave about my places, many of whom return each year.

This small business helps me to provide for my family while still being able to get my 3 girls to and from school each day, participate in volunteer opportunities and care for them at home during the summer months and school breaks.

Please vote YES on SB 104!

Sincerely,

Jessica Weisenburger
