Ross County Humane Society

February 3, 2026

Dear Senators:

My name is Jenn Thomas, and I am the Executive Director of the Ross County Humane Society in Chillicothe, Ohio.

Our organization has been very fortunate to receive funding from the Ohio Pet Fund, and those dollars have made a direct impact in our community. One of the greatest hurdles to getting pets sterilized in our area is cost. Additional funding made available through House Bill 148 would be a tremendous benefit to the people, the pets, and the programs that serve them.

Thank you for considering this important legislation.

Sincerely,

Jenn Thomas, Executive Director

Ross County Humane Society
