February 4, 2026

Dear Senators:

We are asking for your support for spay-neuter. House Bill 148 is a voluntary check-off box that allows taxpayers to donate their state tax refunds to spay-neuter. The Ohio Pet Fund grants funds to organizations like ours that desperately want to help the Ohio cats. Support of spay-neuter is the best way forward to help the homeless cats and dogs in our state.

Please support HB 148. Passage of House Bill 148 will benefit rescues like ours and dog shelters and humane societies around Ohio. We hope that you will act on passing HB 148.

Sincerely,

Amy E. Siefer
Director, Colony Cats (& dogs)

Colony Cats (& Dogs) is an all-volunteer, nonprofit, no-kill organization located in Columbus, Ohio. Our mission is to reduce feline and canine overpopulation in Columbus through spay and neuter programs, adoption, and community education. We provide important and life-saving services to the stray and feral cat population of the Columbus, Ohio metropolitan area.
