February 8, 2026

Dear Chairman Blessing, Vice Chair Roegner, Ranking Member DeMora and members of the committee,

I appreciate the opportunity to write in favor of House Bill 148.

JJ's Ruff Roads Lost Dog Search and Rescue has received grant funding in the past several years from the Ohio Pet Fund. All monies received have gone towards the prevention of pet overpopulation through spay/neuter procedures of dogs in our care. A quick glance at social media posts from animal rescue organizations in the state show that overpopulation is a problem. This bill will make it easier for Ohio residents to designate funds to go towards this cause and limit further unwanted litters.

Please support House Bill 148 with a yes vote.

Thank you,

JJ's Ruff Roads Lost Dog Search and Rescue
