Dear Senators:

I am a constituent in favor of House Bill 148, a voluntary check-off box that allows Ohioans to donate their state tax refunds to spay-neuter. The Ohio Pet Fund grants funds to organizations like ours that desperately require funds for sterilization surgeries to battle the overpopulation crisis. The people who care for dogs in our county would appreciate your support.

We are asking for support for spay-neuter so that we can find a home for every dog. HB 148 will benefit our county dog wardens by increasing our funding in a way that is no cost to the state. We hope that you will pass HB 148 quickly.

Sincerely,
Chief Kelly Pocock
Sandusky County Dog Warden/Humane Agent
