"Sec. 3335.02. (A) The government of the Ohio state university shall be vested in a board of fourteen trustees in 2005, and seventeen trustees beginning in 2006, who shall be appointed by the governor, with the advice and consent of the senate. Two of the seventeen trustees shall be students at the Ohio state university, and their selection and terms shall be in accordance with division (B) of this section. ~~Except-~~

(1) For trustees appointed prior to July 1, 2025, except as provided in division (D) of this section and except for the terms of student members, terms of office shall be for nine years, commencing on the fourteenth day of May and ending on the thirteenth day of May.

(2) For trustees appointed on or after July 1, 2025, except for the terms of student members, terms of office shall be for six years, commencing on the fourteenth day of May and ending on the thirteenth day of May.

Each trustee shall hold office from the date of appointment until the end of the term for which the trustee was appointed. Any trustee appointed to fill a vacancy occurring prior to the expiration of the term for which the trustee's predecessor was appointed shall hold office for the remainder of such term. Any trustee shall continue in office subsequent to the expiration

date of the trustee's term until the trustee's successor takes office, or until a period of sixty days has elapsed, whichever occurs first. ~~No person who has served a full nine-year term or more than six years of such a term shall be eligible for reappointment until a period of four years has elapsed since the last day of the term for which the person previously served.~~ The trustees shall not receive compensation for their services, but shall be paid their reasonable necessary expenses while engaged in the discharge of their official duties.

(B) The student members of the board of trustees of the Ohio state university shall be students at the Ohio state university. Unless student members have been granted voting power under division (C) of this section, they shall have no voting power on the board, shall not be considered as members of the board in determining whether a quorum is present, and shall not be entitled to attend executive sessions of the board. The student members of the board shall be appointed by the governor, with the advice and consent of the senate, from a group of five candidates selected pursuant to a procedure adopted by the university's student governments and approved by the university's board of trustees. The initial term of office of one of the student members shall commence on May 14, 1988, and shall expire on May 13, 1989, and the initial term of office of the other student member shall commence on May 14, 1988, and expire on May 13, 1990. Thereafter, terms of office of student members shall be for two years, each term ending on the same day of the same month of the year as the term it succeeds. In the event a student member cannot fulfill a two-year term, a replacement shall be selected to fill the unexpired term in the same manner used to make the original selection.

(C) Not later than ninety days after the effective date of this amendment, the board of trustees shall adopt a resolution that does one of the following:

(1) Grants the student members of the board voting power on the board. If so granted, in addition to having voting power, the student members shall be considered as members of the board in determining whether a quorum is present and shall be entitled to attend executive sessions of the board.

(2) Declares that student members do not have voting power on the board.

Thereafter, the board may change the voting status of student trustees by adopting a subsequent resolution. Each resolution adopted under this division shall take effect on the fourteenth day of May following the adoption of the resolution. All members with voting power at the time of the adoption of a resolution may vote on the resolution.

If student members are granted voting power under this division, no student shall be disqualified from membership on the board of trustees

because the student receives a scholarship, grant, loan, or any other financial assistance payable out of the state treasury or a university fund, or because the student is employed by the university in a position pursuant to a work-study program or other student employment, including as a graduate teaching assistant, graduate administrative assistant, or graduate research assistant, the compensation for which is payable out of the state treasury or a university fund.

Acceptance of such financial assistance or employment by a student trustee shall not be considered a violation of Chapter 102. or section 2921.42 or 2921.43 of the Revised Code.

(D)(1) The initial terms of office for the three additional trustees appointed in 2005 shall commence on a date in 2005 that is selected by the governor with one term of office expiring on May 13, 2009, one term of office expiring on May 13, 2010, and one term of office expiring on May 13, 2011, as designated by the governor upon appointment. Thereafter terms of office for trustees appointed prior to July 1, 2025, shall be for nine years, as provided in division ~~(A)~~~~(A)~~(1) of this section. Terms of office for trustees appointed on or after July 1, 2025, shall be for six years, as provided in division (A)(2) of this section.

(2) The initial terms of office for the three additional trustees appointed in 2006 shall commence on May 14, 2006, with one term of office expiring on May 13, 2012, one term of office expiring on May 13, 2013, and one term of office expiring on May 13, 2014, as designated by the governor upon appointment. Thereafter terms of office for trustees appointed prior to July 1, 2025, shall be for nine years, as provided in division ~~(A)~~~~(A)~~(1) of this section. "Sec. 5705.03. (A) The taxing authority of each subdivision may levy taxes annually, subject to the limitations of sections 5705.01 to 5705.47 of the Revised Code, on the real and personal property within the subdivision for the purpose of paying the current operating expenses of the subdivision and acquiring or constructing permanent improvements. The taxing authority of each subdivision and taxing unit shall, subject to the limitations of such

sections, levy such taxes annually as are necessary to pay the interest and sinking fund on and retire at maturity the bonds, notes, and certificates of indebtedness of such subdivision and taxing unit, including levies in anticipation of which the subdivision or taxing unit has incurred indebtedness.

(B)(1) When a taxing authority determines that it is necessary to levy a tax outside the ten-mill limitation for any purpose authorized by the Revised Code, the taxing authority shall certify to the county auditor a resolution or ordinance requesting that the county auditor certify to the taxing authority the amounts described in division (B)(2) of this section. The resolution or ordinance shall state all of the following:

(a) The proposed rate of the tax, expressed in mills for each one dollar of taxable value, or the dollar amount of revenue to be generated by the proposed tax;

(b) The purpose of the tax;

(c) Whether the tax is an additional levy, a renewal or a replacement of an existing tax, a renewal or replacement of an existing tax with an increase or a decrease, a reduction or decrease of an existing tax, or an extension of an existing tax to additional territory;

(d) The section of the Revised Code authorizing submission of the question of the tax;

(e) The term of years of the tax or if the tax is for a continuing period of time;

(f) That the tax is to be levied upon the entire territory of the subdivision or, if authorized by the Revised Code, a description of the portion of the territory of the subdivision in which the tax is to be levied;

(g) The date of the election at which the question of the tax shall appear on the ballot;

(h) That the ballot measure shall be submitted to the entire territory of the subdivision or, if authorized by the Revised Code, a description of the portion of the territory of the subdivision to which the ballot measure shall be submitted;

(i) The tax year in which the tax will first be levied and the calendar year in which the tax will first be collected;

(j) Each such county in which the subdivision has territory.

(2) Upon receipt of a resolution or ordinance certified under division (B)(1) of this section, the county auditor shall certify to the taxing authority each of the following, as applicable to that levy:

(a) The total current tax valuation of the subdivision.

(b) The number of mills for each one dollar of taxable value that is

required to generate a specified amount of revenue.

(c) ~~Either One~~ of the following:

(i) If the levy is to renew, renew and increase, renew and decrease, reduce or decrease, or extend to additional territory an existing levy that is subject to reduction under section 319.301 of the Revised Code, the levy's effective rate, expressed in dollars, rounded to the nearest dollar, for each one hundred thousand dollars of the county auditor's appraised value;

(ii) If the levy is a replacement levy, the effective tax rate, as defined in section 323.08 of the Revised Code, of the existing tax levied on property classified as residential or agricultural under section 5713.041 of the Revised Code, expressed in dollars, rounded to the nearest dollar, for each one hundred thousand dollars of the county auditor's appraised value and whether the proposed rate is less than, equal to, or greater than that effective tax rate;

(iii) For all other levies, the levy's rate, described in division (B)(2)(b) or (d) of this section, expressed in dollars, rounded to the nearest dollar, for each one hundred thousand dollars of the county auditor's appraised value.

(d) The dollar amount of revenue, rounded to the nearest dollar, that would be generated by a specified number of mills for each one dollar of taxable value.

(e) For any levy or portion of a levy except a levy or portion of a levy to pay debt charges, an estimate of the levy's annual collections, rounded to the nearest dollar, which shall be calculated assuming that the amount of the tax list of the taxing authority remains throughout the life of the levy the same as the amount of the tax list most recently certified by the auditor under division (A) of section 319.28 of the Revised Code.

If a subdivision is located in more than one county, the county auditor shall obtain from the county auditor of each other county in which the subdivision is located the current tax valuation for the portion of the subdivision in that county. The county auditor shall issue the certification to the taxing authority within ten days after receiving the taxing authority's resolution or ordinance requesting it.

(3) Upon receiving the certification from the county auditor under division (B)(2) of this section, the taxing authority may adopt a resolution or ordinance stating the rate of the tax levy, expressed in mills for each one dollar of taxable value and the rate or effective rate, as applicable, in dollars for each one hundred thousand dollars of the county auditor's appraised value, as estimated by the county auditor, and that the taxing authority will proceed with the submission of the question of the tax to electors. The taxing authority shall certify this resolution or ordinance, a copy of the county auditor's certifications, and the resolution or ordinance the taxing authority adopted under division (B)(1) of this section to the proper county board of

elections in the manner and within the time prescribed by the section of the Revised Code governing submission of the question. The county board of elections shall not submit the question of the tax to electors unless a copy of the county auditor's certification accompanies the resolutions or ordinances the taxing authority certifies to the board. Before requesting a taxing authority to submit a tax levy, any agency or authority authorized to make that request shall first request the certification from the county auditor provided under this section.

(4) This division is supplemental to, and not in derogation of, any similar requirement governing the certification by the county auditor of the tax valuation of a subdivision or necessary tax rates for the purposes of the submission of the question of a tax in excess of the ten-mill limitation, including sections 133.18 and 5705.195 of the Revised Code.

(C) All taxes levied on property shall be extended on the tax list and duplicate by the county auditor of the county in which the property is located, and shall be collected by the county treasurer of such county in the same manner and under the same laws and rules as are prescribed for the assessment and collection of county taxes. The proceeds of any tax levied by or for any subdivision when received by its fiscal officer shall be deposited in its treasury to the credit of the appropriate fund.

Sec. 5705.192. (A) For the purposes of this section ~~only~~, "taxing:

(1) "Taxing authority" includes a township board of park commissioners appointed under section 511.18 of the Revised Code.

(2) "Effective rate" means the effective tax rate, as defined in section 323.08 of the Revised Code, of a tax levied on property classified as residential or agricultural under section 5713.041 of the Revised Code.

(B) A taxing authority may propose to replace an existing levy that the taxing authority is authorized to levy, regardless of the section of the Revised Code under which the authority is granted, except a school district emergency levy proposed pursuant to sections 5705.194 to 5705.197 of the Revised Code. The taxing authority may propose to replace the existing levy in its entirety at the rate at which it is authorized to be levied; may propose to replace a portion of the existing levy at a lesser rate; or may propose to replace the existing levy in its entirety and increase the rate at which it is levied. If the taxing authority proposes to replace an existing levy, the proposed levy shall be called a replacement levy and shall be so designated on the ballot. Except as otherwise provided in this division, a replacement levy shall be limited to the purpose of the existing levy, and shall appear separately on the ballot from, and shall not be conjoined with, the renewal of any other existing levy. In the case of an existing school district levy imposed under section 5705.21 of the Revised Code for the purpose specified in division (F) of section 5705.19 of the Revised Code, or in the case of an

existing school district levy imposed under section 5705.217 of the Revised Code for the acquisition, construction, enlargement, renovation, and financing of permanent improvements, the replacement for that existing levy may be for the same purpose or for the purpose of general permanent improvements as defined in section 5705.21 of the Revised Code. The replacement for an existing levy imposed under division (L) of section 5705.19 or section 5705.222 of the Revised Code may be for any purpose authorized for a levy imposed under section 5705.222 of the Revised Code.

The resolution proposing a replacement levy shall specify the purpose of the levy; its proposed rate expressed in mills for each one dollar of taxable value and in dollars for each one hundred thousand dollars of the county auditor's appraised value; whether the proposed rate is ~~the same as the rate of the existing levy, a reduction, or an increase~~ less than, equal to, or greater than the effective rate of the existing tax; the extent of ~~any~~ the reduction or increase, ~~if any~~, expressed in mills for each one dollar of taxable value and in dollars for each one hundred thousand dollars of the county auditor's appraised value; the first calendar year in which the levy will be due; and the term of the levy, expressed in years or, if applicable, that it will be levied for a continuing period of time.

(C) The sections of the Revised Code governing the maximum rate and term of the existing levy, the contents of the resolution that proposed the levy, the adoption of the resolution, the arrangements for the submission of the question of the levy, and notice of the election also govern the respective provisions of the proposal to replace the existing levy, except as provided in divisions ~~(B)(4)~~ (C)(1) to (5) of this section:

(1) In the case of an existing school district levy that is imposed under section 5705.21 of the Revised Code for the purpose specified in division (F) of section 5705.19 of the Revised Code or under section 5705.217 of the Revised Code for the acquisition, construction, enlargement, renovation, and financing of permanent improvements, and that is to be replaced by a levy for general permanent improvements, the term of the replacement levy may be for a continuing period of time.

(2) The date on which the election is held shall be as follows:

(a) For the replacement of a levy with a fixed term of years, the date of the general election held during the last year the existing levy may be extended on the real and public utility property tax list and duplicate, or the date of any election held in the ensuing year;

(b) For the replacement of a levy imposed for a continuing period of time, the date of any election held in any year after the year the levy to be replaced is first approved by the electors, except that only one election on the question of replacing the levy may be held during any calendar year.

The failure by the electors to approve a proposal to replace a levy

imposed for a continuing period of time does not terminate the existing continuing levy.

(3) In the case of an existing school district levy imposed under division (B) of section 5705.21, division (C) of section 5705.212, or division (J) of section 5705.218 of the Revised Code, the rates allocated to the qualifying school district and to partnering community schools each may be increased or decreased or remain the same, and the total rate may be increased, decreased, or remain the same.

(4) In the case of an existing levy imposed under division (L) of section 5705.19 of the Revised Code, the term may be for any number of years not exceeding ten or for a continuing period of time.

~~(5) In addition to other required information, the election notice shall express~~ Section 5705.25 of the Revised Code does not apply to this section to the extent that section governs the content of the election notice. The notice of election shall state the following: the purpose of the levy; the proposed rate expressed in mills for each dollar of taxable value and in dollars for each one hundred thousand dollars of the county auditor's appraised value; whether the proposed rate is less than, equal to, or greater than the effective rate of the existing tax; the extent of the reduction or increase, if any, for each class of property as expressed in dollars for each one hundred thousand dollars of the county auditor's appraised value; the levy's annual collections, as estimated and certified by the county auditor under section 5705.03 of the Revised Code; the first calendar year in which the levy will be due; and the term of the levy, expressed in years or, if applicable, that it will be levied for a continuing period of time.

~~(C)-(D)~~ The form of the ballot at the election on the question of a replacement levy shall be as follows:

"A replacement of a tax for the benefit of _____ (name of subdivision or public library) for the purpose of _____ (the purpose stated in the resolution), that the county auditor estimates will collect \$ _____ annually, at a rate not exceeding _____ mills for each \$1 of taxable value, which amounts to \$ _____ for each \$100,000 of the county auditor's appraised value, and which, compared to the effective rate of the tax to be replaced, amounts to _____ (an increase/a decrease) of \$ _____ for each \$100,000 of the county auditor's appraised value on residential and agricultural property, for _____ (number of years levy is to run, or that it will be levied for a continuous period of time), commencing in _____ (first year the replacement tax is to be levied), first due in calendar year _____ (first calendar year in which the replacement tax shall be due).

	FOR THE TAX LEVY	
	AGAINST THE TAX LEVY	"

If the proposed rate of the replacement levy equals the effective rate of the existing tax, the ballot language shall be changed to reflect that fact.

If the replacement levy is proposed by a qualifying school district to replace an existing tax levied under division (B) of section 5705.21, division (C)(1) of section 5705.212, or division (J) of section 5705.218 of the Revised Code, the form of the ballot shall be modified by adding, after the phrase "each \$1 of taxable value," the following: "(of which _____ mills is to be allocated to partnering community schools)."

~~If the proposal is to replace an existing levy and increase the rate of the existing levy, the form of the ballot shall be changed by adding the words "_____ mills of an existing levy and an increase of _____ mills, to constitute" after the words "a replacement of." If the proposal is to replace only a portion of an existing levy, the form of the ballot shall be changed by adding the words "a portion of an existing levy, being a reduction of _____ mills, to constitute" after the words "a replacement of." If the existing levy is imposed under division (B) of section 5705.21, division (C) (1) of section 5705.212, or division (J) of section 5705.218 of the Revised Code, the form of the ballot also shall state the portion of the total increased rate or of the total rate as reduced that is to be allocated to partnering community schools.~~

~~If the tax is to be placed on the tax list of the current tax year, the form of the ballot shall be modified by adding at the end of the form the phrase ", commencing in _____ (first year the replacement tax is to be levied), first due in calendar year _____ (first calendar year in which the tax shall be due)."~~

The question covered by the resolution shall be submitted as a separate proposition, but may be printed on the same ballot with any other proposition submitted at the same election, other than the election of officers. More than one such question may be submitted at the same election.

~~(D)~~(E) Two or more existing levies, or any portion of those levies, may be combined into one replacement levy, so long as all of the existing levies are for the same purpose and either all are due to expire the same year or all are for a continuing period of time. The question of combining all or portions of those existing levies into the replacement levy shall appear as one ballot proposition before the electors. If the electors approve the ballot proposition, all or the stated portions of the existing levies are replaced by one replacement levy. The form of the ballot prescribed by division (D) of this section shall be modified to reflect the replacement of more than one

existing levy; to reflect whether the proposed rate is less than, equal to, or greater than the effective rate of the combined existing levies; and to reflect the extent of the reduction or increase, if any, expressed in dollars for each one hundred thousand dollars of the county auditor's appraised value.

~~(E)~~(F) A levy approved in excess of the ten-mill limitation under this section shall be certified to the tax commissioner. In the first year of a levy approved under this section, the levy shall be extended on the tax lists after the February settlement succeeding the election at which the levy was approved. If the levy is to be placed on the tax lists of the current year, as specified in the resolution providing for its submission, the result of the election shall be certified immediately after the canvass by the board of elections to the taxing authority, which shall forthwith make the necessary levy and certify it to the county auditor, who shall extend it on the tax lists for collection. After the first year, the levy shall be included in the annual tax budget that is certified to the county budget commission.

If notes are authorized to be issued in anticipation of the proceeds of the existing levy, notes may be issued in anticipation of the proceeds of the replacement levy, and such issuance is subject to the terms and limitations governing the issuance of notes in anticipation of the proceeds of the existing levy.

~~(F)~~(G) This section does not authorize a tax to be levied in any year after the year in which revenue is not needed for the purpose for which the tax is levied."
