In line 11, after "3505.20" insert ", 3505.31"; after "3509.05" insert ", 3511.09, 3511.11"

After line 944, insert:

"(C) When an elector or a person who is authorized under division (C)(1)(a) of section 3509.05 of the Revised Code to do so delivers the elector's marked absent voter's ballots in a return envelope to the precinct election officials during the time that the polls are open, the precinct election officials shall place the return envelope in a secure container designated solely for the purpose of collecting marked absent voter's ballots and shall deliver the container to the board of elections after the close of the polls along with the sealed pollbook, poll list, and tally sheet, as described in section 3505.31 of the Revised Code."

After line 1653, insert:

"Sec. 3505.31. When the results of the voting in a polling place on the day of an election have been determined and entered upon the proper forms and the certifications of those results have been signed by the precinct officials, those officials, before leaving the polling place, shall place all ballots that they have counted in containers provided for that purpose by the board of elections, and shall seal each container in a manner that it cannot be opened without breaking the seal or the material of which the container is made. They shall also seal the pollbook, poll list or signature pollbook, and tally sheet in a manner that the data contained in these items cannot be seen without breaking the seals. On the outside of these items shall be a plain indication that they are to be filed with the board. The voting location manager and an employee or appointee of the board of elections who has taken an oath to uphold the laws and constitution of this state, including an oath that the person will promptly and securely perform the duties required under this section and who is a member of a different political party than the voting location manager, shall then deliver to the board the containers of ballots and the sealed pollbook, poll list, and tally sheet, together with all other election reports, materials, and supplies required to be delivered to the board, including the container of marked absent voter's ballots described in

division (C) of section 3505.18 of the Revised Code.

The board shall carefully preserve all ballots prepared and provided by it for use in an election, whether used or unused, including any electronic images of ballots, for at least eighty-one days after the day of the election, except that, if an election includes the nomination or election of candidates for any of the offices of president, vice-president, presidential elector, member of the senate of the congress of the United States, or member of the house of representatives of the congress of the United States, the board shall carefully preserve all ballots prepared and provided by it for use in that election, whether used or unused, for twenty-two months after the day of the election. If an election is held within that eighty-one-day period, the board shall have authority to transfer those ballots to other containers to preserve them until the eighty-one-day period has expired. After that eighty-one-day period, the ballots shall be disposed of by the board in a manner that the board orders, or where voting machines have been used the counters may be turned back to zero; provided that the secretary of state, within that eighty-one-day period, may order the board to preserve the ballots or any part of the ballots for a longer period of time, in which event the board shall preserve those ballots for that longer period of time.

In counties where voting machines are used, if an election is to be held within the eighty-one days immediately following a primary, general, or special election or within any period of time within which the ballots have been ordered preserved by the secretary of state or a court of competent jurisdiction, the board, after giving notice to all interested parties and affording them an opportunity to have a representative present, shall open the compartments of the machines and, without unlocking the machines, shall recanvass the vote cast in them as if a recount were being held. The results shall be certified by the board, and this certification shall be filed in the board's office and retained for the remainder of the period for which ballots must be kept. After preparation of the certificate, the counters may be turned back to zero, and the machines may be used for the election.

The board shall carefully preserve the pollbook, poll list or signature pollbook, and tally sheet delivered to it from each polling place until it has completed the official canvass of the election returns from all precincts in which electors were entitled to vote at an election, and has prepared and certified the abstracts of election returns, as required by law. The board shall not break, or permit anyone to break, the seals upon the pollbook, poll list or signature pollbook, and tally sheet, or make, or permit any one to make, any changes or notations in these items, while they are in its custody, except as provided by section 3505.32 of the Revised Code.

Pollbooks and poll lists or signature pollbooks of a party primary election delivered to the board from polling places shall be carefully preserved by it for two years after the day of election in which they were

used, and shall then be disposed of by the board in a manner that the board orders.

Pollbooks, poll lists or signature pollbooks, tally sheets, summary statements, and other records and returns of an election delivered to it from polling places shall be carefully preserved by the board for two years after the day of the election in which they were used, and shall then be disposed of by the board in a manner that the board orders."

the day of the election, to the precinct election officials at a polling place in a county in this state other than the county in which the elector resides, both of the following apply:

(1) The board of elections that receives the ballots immediately shall deliver them to the board of elections of the county in which the elector resides.

(2) The ballots are not ineligible to be counted on the ground that they were delivered to a location in a county in which the elector does not reside.

Sec. 3511.09. (A) Upon receiving uniformed services or overseas absent voter's ballots, the elector shall cause the questions on the face of the identification envelope to be answered, and, by writing the elector's usual signature in the proper place on the identification envelope, the elector shall declare under penalty of election falsification that the answers to those questions are true and correct to the best of the elector's knowledge and belief. The elector shall sign the identification envelope not later than the close of the polls on the day of the election. The elector then shall cause the identification envelope to be placed within the return envelope, sealed in the return envelope, and mailed to the board of elections to which it is addressed.

(B) The elector shall provide one of the following:

(D) The elector shall cause the uniformed services or overseas absent voter's ballots to be returned ~~to the office of the board of elections~~ in a manner described in division (C) of section 3509.05 of the Revised Code, provided that the elector shall not be required to prepay the postage on the return envelope if, under 39 U.S.C. 3406, no postage is required.

Sec. 3511.11. (A) Uniformed services or overseas absent voter's

ballots delivered to the office of the board of elections not later than the close of the polls on election day shall be processed and counted in the manner provided in section 3509.06 of the Revised Code.

(B) A return envelope is not required to be postmarked in order for a uniformed services or overseas absent voter's ballot contained in it to be valid. Except as otherwise provided in this division, whether or not the return envelope containing the ballot is postmarked, contains a late postmark, or contains an illegible postmark, a uniformed services or overseas absent voter's ballot that is received by mail after the close of the polls on election day through the fourth day after the election day shall be processed and counted on the fifth day after the election day at the office of the board of elections in the manner provided in section 3509.06 of the Revised Code if the voter signed the identification envelope by the close of the polls on election day. However, if a return envelope containing a uniformed services or overseas absent voter's ballot is so received, but the identification envelope in it is signed after the close of the polls on election day, the uniformed services or overseas absent voter's ballot shall not be counted.

(C) The following types of uniformed services or overseas absent voter's ballots shall not be counted:

(1) Uniformed services or overseas absent voter's ballots that are received by the board of elections by mail after the close of the polls on the day of the election, and that contain an identification envelope that is signed after the close of the polls on election day;

In particular, it is the intent of the general assembly that any invalidity or potential invalidity of a provision of this section is not to impair the immediate and continuing enforceability of any other provisions of this section and sections 2919.11 to ~~2919.193-2919.18~~ of the Revised Code. It is furthermore the intent of the general assembly that the provisions of this section are not to have the effect of repealing or limiting any other laws of this state.

~~(H) The general assembly may, by joint resolution, appoint one or more of its members who sponsored or cosponsored ____B____ of the 132nd general assembly to intervene as a matter of right in any case in which the constitutionality of this section is challenged.~~

(i) Subject to division (B)(2) of this section, the person has given ~~at least twenty-four hours~~ actual notice, in person or by telephone, to one of the woman's parents, her guardian, or her custodian as to the intention to perform or induce the abortion, provided that if the woman has requested, in accordance with division (B)(1)(b) of this section, that notice be given to a specified brother or sister of the woman who is twenty-one years of age or older or to a specified stepparent or grandparent of the woman instead of to one of her parents, her guardian, or her custodian, and if the person is notified by a juvenile court that affidavits of the type described in that division have been filed with that court, the ~~twenty-four hours~~ actual notice described in this division as to the intention to perform or induce the abortion shall be given, in person or by telephone, to the specified brother, sister, stepparent, or grandparent instead of to the parent, guardian, or custodian;

(ii) One of the woman's parents, her guardian, or her custodian has consented in writing to the performance or inducement of the abortion;

(iii) A juvenile court pursuant to section 2151.85 of the Revised Code issues an order authorizing the woman to consent to the abortion without notification of one of her parents, her guardian, or her custodian;

(b) If a woman who is pregnant, unmarried, under eighteen years of age, and unemancipated desires notification as to a person's intention to perform or induce an abortion on the woman to be given to a specified brother or sister of the woman who is twenty-one years of age or older or to a specified stepparent or grandparent of the woman instead of to one of her parents, her guardian, or her custodian, the person who intends to perform or induce the abortion shall notify the specified brother, sister, stepparent, or grandparent instead of the parent, guardian, or custodian for purposes of division (B)(1)(a)(i) of this section if all of the following apply:

(i) The woman has requested the person to provide the notification to the specified brother, sister, stepparent, or grandparent, clearly has identified the specified brother, sister, stepparent, or grandparent and her relation to that person, and, if the specified relative is a brother or sister, has indicated the age of the brother or sister;

(ii) The woman has executed an affidavit stating that she is in fear of physical, sexual, or severe emotional abuse from the parent, guardian, or custodian who otherwise would be notified under division (B)(1)(a)(i) of this section, and that the fear is based on a pattern of physical, sexual, or severe emotional abuse of her exhibited by that parent, guardian, or custodian, has filed the affidavit with the juvenile court of the county in which the woman has a residence or legal settlement, the juvenile court of any county that borders to any extent the county in which she has a residence or legal settlement, or the juvenile court of the county in which the hospital, clinic, or other facility in which the abortion would be performed or induced is located, and has given the court written notice of the name and address of the person who intends to perform or induce the abortion;

(iii) The specified brother, sister, stepparent, or grandparent has executed an affidavit stating that the woman has reason to fear physical, sexual, or severe emotional abuse from the parent, guardian, or custodian who otherwise would be notified under division (B)(1)(a)(i) of this section, based on a pattern of physical, sexual, or severe emotional abuse of her by that parent, guardian, or custodian, and the woman or the specified brother, sister, stepparent, or grandparent has filed the affidavit with the juvenile court in which the affidavit described in division (B)(1)(b)(ii) of this section was

filed;

(iv) The juvenile court in which the affidavits described in divisions (B)(1)(b)(ii) and (iii) of this section were filed has notified the person that both of those affidavits have been filed with the court.

(c) If an affidavit of the type described in division (B)(1)(b)(ii) of this section and an affidavit of the type described in division (B)(1)(b)(iii) of this section are filed with a juvenile court and the court has been provided with written notice of the name and address of the person who intends to perform or induce an abortion upon the woman to whom the affidavits pertain, the court promptly shall notify the person who intends to perform or induce the abortion that the affidavits have been filed. If possible, the notice to the person shall be given in person or by telephone.

(2) If division (B)(1)(a)(ii), (iii), or (iv) of this section does not apply, and if no parent, guardian, or custodian can be reached for purposes of division (B)(1)(a)(i) of this section after a reasonable effort, or if notification is to be given to a specified brother, sister, stepparent, or grandparent under that division and the specified brother, sister, stepparent, or grandparent cannot be reached for purposes of that division after a reasonable effort, no person shall perform or induce such an abortion without giving at least forty-eight hours constructive notice to one of the woman's parents, her guardian, or her custodian, by both certified and ordinary mail sent to the last known address of the parent, guardian, or custodian, or if notification for purposes of division (B)(1)(a)(i) of this section is to be given to a specified brother, sister, stepparent, or grandparent, without giving at least forty-eight hours constructive notice to that specified brother, sister, stepparent, or grandparent by both certified and ordinary mail sent to the last known address of that specified brother, sister, stepparent, or grandparent. The forty-eight-hour period under this division begins when the certified mail notice is mailed. If a parent, guardian, or custodian of the woman, or if notification under division (B)(1)(a)(i) of this section is to be given to a specified brother, sister, stepparent, or grandparent, the specified brother, sister, stepparent, or grandparent, is not reached within the forty-eight-hour period, the abortion may proceed even if the certified mail notice is not received.

(3) If a parent, guardian, custodian, or specified brother, sister, stepparent, or grandparent who has been notified in accordance with division (B)(1) or (2) of this section clearly and unequivocally expresses that ~~he or she~~ such person does not wish to consult with a pregnant woman prior to her abortion, then the abortion may proceed without any further waiting period.

(4) For purposes of prosecutions for a violation of division (B)(1) or (2) of this section, it shall be a rebuttable presumption that a woman who is unmarried and under eighteen years of age is unemancipated.

(C)(1) It is an affirmative defense to a charge under division (B)(1) or

(2) of this section that the pregnant woman provided the person who performed or induced the abortion with false, misleading, or incorrect information about her age, marital status, or emancipation, about the age of a brother or sister to whom she requested notice be given as a specified relative instead of to one of her parents, her guardian, or her custodian, or about the last known address of either of her parents, her guardian, her custodian, or a specified brother, sister, stepparent, or grandparent to whom she requested notice be given and the person who performed or induced the abortion did not otherwise have reasonable cause to believe the pregnant woman was under eighteen years of age, unmarried, or unemancipated, to believe that the age of a brother or sister to whom she requested notice be given as a specified relative instead of to one of her parents, her guardian, or her custodian was not twenty-one years of age, or to believe that the last known address of either of her parents, her guardian, her custodian, or a specified brother, sister, stepparent, or grandparent to whom she requested notice be given was incorrect.

(2) It is an affirmative defense to a charge under this section that compliance with the requirements of this section was not possible because an immediate threat of serious risk to the life or physical health of the pregnant woman from the continuation of her pregnancy created an emergency necessitating the immediate performance or inducement of an abortion.

(D) Whoever violates this section is guilty of unlawful abortion. A violation of division (A) of this section is a misdemeanor of the first degree on the first offense and a felony of the fourth degree on each subsequent offense. A violation of division (B) of this section is a misdemeanor of the first degree on a first offense and a felony of the fifth degree on each subsequent offense.

(E) Whoever violates this section is liable to the pregnant woman and her parents, guardian, or custodian for civil compensatory and exemplary damages.

(F) As used in this section "unemancipated" means that a woman who is unmarried and under eighteen years of age has not entered the armed services of the United States, has not become employed and self-subsisting, or has not otherwise become independent from the care and control of her parent, guardian, or custodian.

(b) The department of rehabilitation and correction may establish criteria by rule adopted under Chapter 119. of the Revised Code that, if satisfied by an individual, would allow the individual to file a petition before the expiration of six months or one year from the date of final release, whichever is applicable under division (B)(4)(a) of this section.

(5)(a) A designee that receives a petition for a certificate of qualification for employment from an individual under division (B)(1) or (2) of this section shall review the petition to determine whether it is complete. If

(C)(1) Upon receiving a petition for a certificate of qualification for employment filed by an individual under division (B)(2) of this section or

being forwarded a petition for such a certificate under division (B)(5)(a) of this section, the court shall review the individual's petition, the individual's criminal history, except for information contained in any record that has been sealed under section 2953.32 of the Revised Code, all filings submitted by the prosecutor or by the victim in accordance with rules adopted by the division of parole and community services, the applicant's military service record, if applicable, and whether the applicant has an emotional, mental, or physical condition that is traceable to the applicant's military service in the armed forces of the United States and that was a contributing factor in the commission of the offense or offenses, and all other relevant evidence. The court may order any report, investigation, or disclosure by the individual that the court believes is necessary for the court to reach a decision on whether to approve the individual's petition for a certificate of qualification for employment, except that the court shall not require an individual to disclose information about any record sealed under section 2953.32 of the Revised Code.

(2) Upon receiving a petition for a certificate of qualification for employment filed by an individual under division (B)(2) of this section or being forwarded a petition for such a certificate under division (B)(5)(a) of this section, except as otherwise provided in this division, the court shall decide whether to issue the certificate within sixty days after the court receives or is forwarded the completed petition and all information requested for the court to make that decision. Upon request of the individual who filed the petition, the court may extend the sixty-day period specified in this division.

(3) Except as provided in division (C)(5) of this section and subject to division (C)(7) of this section, a court that receives an individual's petition for a certificate of qualification for employment under division (B)(2) of this section or that is forwarded a petition for such a certificate under division (B)(5)(a) of this section may issue a certificate of qualification for employment, at the court's discretion, if the court finds that the individual has established all of the following by a preponderance of the evidence:

(a) Granting the petition will materially assist the individual in obtaining employment or occupational licensing.

(b) The individual has a substantial need for the relief requested in order to live a law-abiding life.

(c) Granting the petition would not pose an unreasonable risk to the safety of the public or any individual.

(4) The submission of an incomplete petition by an individual shall not be grounds for the designee or court to deny the petition.

(5) Subject to division (C)(6) of this section, an individual is rebuttably presumed to be eligible for a certificate of qualification for

employment if the court that receives the individual's petition under division (B)(2) of this section or that is forwarded a petition under division (B)(5)(a) of this section finds all of the following:

(a) The application was filed after the expiration of the applicable waiting period prescribed in division (B)(4) of this section;

(b) If the offense that resulted in the collateral sanction from which the individual seeks relief is a felony, at least three years have elapsed since the date of release of the individual from any period of incarceration in a state or local correctional facility that was imposed for that offense and all periods of supervision imposed after release from the period of incarceration or, if the individual was not incarcerated for that offense, at least three years have elapsed since the date of the individual's final release from all other sanctions imposed for that offense;

(c) If the offense that resulted in the collateral sanction from which the individual seeks relief is a misdemeanor, at least one year has elapsed since the date of release of the individual from any period of incarceration in a local correctional facility that was imposed for that offense and all periods of supervision imposed after release from the period of incarceration or, if the individual was not incarcerated for that offense, at least one year has elapsed since the date of the final release of the individual from all sanctions imposed for that offense including any period of supervision.

(6) An application that meets all of the requirements for the presumption under division (C)(5) of this section shall be denied only if the court that receives the petition finds that the evidence reviewed under division (C)(1) of this section rebuts the presumption of eligibility for issuance by establishing, by clear and convincing evidence, that the applicant has not been rehabilitated.

(7) A certificate of qualification for employment shall not create relief from any of the following collateral sanctions:

(a) Requirements imposed by Chapter 2950. of the Revised Code and rules adopted under sections 2950.13 and 2950.132 of the Revised Code;

(b) A driver's license, commercial driver's license, or probationary license suspension, cancellation, or revocation pursuant to section 4510.037, 4510.07, 4511.19, or 4511.191 of the Revised Code if the relief sought is available pursuant to section 4510.021 or division (B) of section 4510.13 of the Revised Code;

(c) Restrictions on employment as a prosecutor or law enforcement officer;

(d) The denial, ineligibility, or automatic suspension of a license that is imposed upon an individual applying for or holding a license as a health care professional under Title XLVII of the Revised Code if the individual is

convicted of, pleads guilty to, is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state under section 2951.041 of the Revised Code, or is subject to treatment or intervention in lieu of conviction for a violation of section 2903.01, 2903.02, 2903.03, 2903.11, 2905.01, 2907.02, 2907.03, 2907.05, 2909.02, 2911.01, 2911.11, or 2919.123, ~~or 2919.124~~ of the Revised Code;

(e) The immediate suspension of a license, certificate, or evidence of registration that is imposed upon an individual holding a license as a health care professional under Title XLVII of the Revised Code pursuant to division (C) of section 3719.121 of the Revised Code;

(f) The denial or ineligibility for employment in a pain clinic under division (B)(4) of section 4729.552 of the Revised Code;

(g) The mandatory suspension of a license that is imposed on an individual applying for or holding a license as a health care professional under Title XLVII of the Revised Code pursuant to section 3123.43 of the Revised Code.

(8) If a court that receives an individual's petition for a certificate of qualification for employment under division (B)(2) of this section or that is forwarded a petition for such a certificate under division (B)(5)(a) of this section denies the petition, the court shall provide written notice to the individual of the court's denial. The court may place conditions on the individual regarding the individual's filing of any subsequent petition for a certificate of qualification for employment. The written notice must notify the individual of any conditions placed on the individual's filing of a subsequent petition for a certificate of qualification for employment.

If a court of common pleas that receives an individual's petition for a certificate of qualification for employment under division (B)(2) of this section or that is forwarded a petition for such a certificate under division (B)(5)(a) of this section denies the petition, the individual may appeal the decision to the court of appeals only if the individual alleges that the denial was an abuse of discretion on the part of the court of common pleas.

(D)(1) A certificate of qualification for employment issued to an individual lifts the automatic bar of a collateral sanction, and a decision-maker shall consider on a case-by-case basis whether to grant or deny the issuance or restoration of an occupational license or an employment opportunity, notwithstanding the individual's possession of the certificate, without, however, reconsidering or rejecting any finding made by a designee or court under division (C)(3) of this section.

(2) The certificate constitutes a rebuttable presumption that the person's criminal convictions are insufficient evidence that the person is unfit for the license, employment opportunity, or certification in question. Notwithstanding the presumption established under this division, the agency

may deny the license or certification for the person if it determines that the person is unfit for issuance of the license.

(3) If an employer that has hired a person who has been issued a certificate of qualification for employment applies to a licensing agency for a license or certification and the person has a conviction or guilty plea that otherwise would bar the person's employment with the employer or licensure for the employer because of a mandatory civil impact, the agency shall give the person individualized consideration, notwithstanding the mandatory civil impact, the mandatory civil impact shall be considered for all purposes to be a discretionary civil impact, and the certificate constitutes a rebuttable presumption that the person's criminal convictions are insufficient evidence that the person is unfit for the employment, or that the employer is unfit for the license or certification, in question.

(E) A certificate of qualification for employment does not grant the individual to whom the certificate was issued relief from the mandatory civil impacts identified in division (A)(1) of section 2961.01 or division (B) of section 2961.02 of the Revised Code.

(F) A petition for a certificate of qualification for employment filed by an individual under division (B)(1) or (2) of this section shall include all of the following:

- (1) The individual's name, date of birth, and social security number;
- (2) All aliases of the individual and all social security numbers associated with those aliases;
- (3) The individual's residence address, including the city, county, and state of residence and zip code;
- (4) The length of time that the individual has resided in the individual's current state of residence, expressed in years and months of residence;
- (5) A general statement as to why the individual has filed the petition and how the certificate of qualification for employment would assist the individual;
- (6) A summary of the individual's criminal history, except for information contained in any record that has been sealed or expunged under section 2953.32 or 2953.39 of the Revised Code, with respect to each offense that is a disqualification from employment or licensing in an occupation or profession, including the years of each conviction or plea of guilty for each of those offenses;
- (7) A summary of the individual's employment history, specifying the name of, and dates of employment with, each employer;
- (8) Verifiable references and endorsements;

(9) The name of one or more immediate family members of the individual, or other persons with whom the individual has a close relationship, who support the individual's reentry plan;

(10) A summary of the reason the individual believes the certificate of qualification for employment should be granted;

(11) Any other information required by rule by the department of rehabilitation and correction.

(G)(1) In a judicial or administrative proceeding alleging negligence or other fault, a certificate of qualification for employment issued to an individual under this section may be introduced as evidence of a person's due care in hiring, retaining, licensing, leasing to, admitting to a school or program, or otherwise transacting business or engaging in activity with the individual to whom the certificate of qualification for employment was issued if the person knew of the certificate at the time of the alleged negligence or other fault.

(2) In any proceeding on a claim against an employer for negligent hiring, a certificate of qualification for employment issued to an individual under this section shall provide immunity for the employer as to the claim if the employer knew of the certificate at the time of the alleged negligence.

(3) If an employer hires an individual who has been issued a certificate of qualification for employment under this section, if the individual, after being hired, subsequently demonstrates dangerousness or is convicted of or pleads guilty to a felony, and if the employer retains the individual as an employee after the demonstration of dangerousness or the conviction or guilty plea, the employer may be held liable in a civil action that is based on or relates to the retention of the individual as an employee only if it is proved by a preponderance of the evidence that the person having hiring and firing responsibility for the employer had actual knowledge that the employee was dangerous or had been convicted of or pleaded guilty to the felony and was willful in retaining the individual as an employee after the demonstration of dangerousness or the conviction or guilty plea of which the person has actual knowledge.

(H) A certificate of qualification for employment issued under this section shall be revoked if the individual to whom the certificate of qualification for employment was issued is convicted of or pleads guilty to a felony offense committed subsequent to the issuance of the certificate of qualification for employment. The department of rehabilitation and correction shall periodically review the certificates listed in the database described in division (K) of this section to identify those that are subject to revocation under this division. Upon identifying a certificate of qualification for employment that is subject to revocation, the department shall note in the database that the certificate has been revoked, the reason for revocation, and

the effective date of revocation, which shall be the date of the conviction or plea of guilty subsequent to the issuance of the certificate.

(I) A designee's forwarding, or failure to forward, a petition for a certificate of qualification for employment to a court or a court's issuance, or failure to issue, a petition for a certificate of qualification for employment to an individual under division (B) of this section does not give rise to a claim for damages against the department of rehabilitation and correction or court.

(J) The division of parole and community services shall adopt rules in accordance with Chapter 119. of the Revised Code for the implementation and administration of this section and shall prescribe the form for the petition to be used under division (B)(1) or (2) of this section. The form for the petition shall include places for all of the information specified in division (F) of this section.

(K) The department of rehabilitation and correction shall maintain a database that identifies granted certificates and revoked certificates and tracks the number of certificates granted and revoked, the industries, occupations, and professions with respect to which the certificates have been most applicable, and the types of employers that have accepted the certificates. The department shall annually create a report that summarizes the information maintained in the database and shall make the report available to the public on its internet web site.

The physician shall submit the completed form to the department of health not later than fifteen days after the woman is discharged from the facility.

A completed child survival form is confidential and not a public record under section 149.43 of the Revised Code.

(C) A copy of the child survival form completed under this section shall be made part of the medical record maintained for the woman by the facility in which the abortion was performed or attempted.

(D) Each facility in which an abortion was performed or attempted and in which a child was born alive after that event shall submit monthly and annual reports to the department of health listing the total number of women on whom an abortion was performed or attempted at the facility and in which a child was born alive after that event, delineated by the type of abortion procedure that was performed or attempted. (ii) Agreeing to restore at the end of the tenancy the interior of the housing accommodations to the condition they were in prior to the proposed modification, but subject to reasonable wear and tear during the period of occupancy, if it is reasonable for the landlord to condition permission for the proposed modification upon the agreement;

(iii) Paying into an interest-bearing escrow account that is in the landlord's name, over a reasonable period of time, a reasonable amount of money not to exceed the projected costs at the end of the tenancy of the restoration of the interior of the housing accommodations to the condition they were in prior to the proposed modification, but subject to reasonable wear and tear during the period of occupancy, if the landlord finds the account reasonably necessary to ensure the availability of funds for the restoration work. The interest earned in connection with an escrow account described in this division shall accrue to the benefit of the tenant with a disability who makes payments into the account.

(b) A landlord shall not condition permission for a proposed

modification upon a tenant with a disability's payment of a security deposit that exceeds the customarily required security deposit of all tenants of the particular housing accommodations.

(19) Refuse to make reasonable accommodations in rules, policies, practices, or services when necessary to afford a person with a disability equal opportunity to use and enjoy a dwelling unit, including associated public and common use areas;

(20) Fail to comply with the standards and rules adopted under division (A) of section 3781.111 of the Revised Code;

(21) Discriminate against any person in the selling, brokering, or appraising of real property because of race, color, religion, sex, military status, familial status, ancestry, disability, or national origin;

(22) Fail to design and construct covered multifamily dwellings for first occupancy on or after June 30, 1992, in accordance with the following conditions:

(a) The dwellings shall have at least one building entrance on an accessible route, unless it is impractical to do so because of the terrain or unusual characteristics of the site.

(b) With respect to dwellings that have a building entrance on an accessible route, all of the following apply:

(i) The public use areas and common use areas of the dwellings shall be readily accessible to and usable by persons with a disability.

(ii) All the doors designed to allow passage into and within all premises shall be sufficiently wide to allow passage by persons with a disability who are in wheelchairs.

(iii) All premises within covered multifamily dwelling units shall contain an accessible route into and through the dwelling; all light switches, electrical outlets, thermostats, and other environmental controls within such units shall be in accessible locations; the bathroom walls within such units shall contain reinforcements to allow later installation of grab bars; and the kitchens and bathrooms within such units shall be designed and constructed in a manner that enables an individual in a wheelchair to maneuver about such rooms.

For purposes of division (H)(22) of this section, "covered multifamily dwellings" means buildings consisting of four or more units if such buildings have one or more elevators and ground floor units in other buildings consisting of four or more units.

(I) For any person to discriminate in any manner against any other person because that person has opposed any unlawful discriminatory practice defined in this section or because that person has made a charge, testified, assisted, or participated in any manner in any investigation, proceeding, or

hearing under sections 4112.01 to 4112.07 of the Revised Code.

(J) For any person to aid, abet, incite, compel, or coerce the doing of any act declared by this section to be an unlawful discriminatory practice, to obstruct or prevent any person from complying with this chapter or any order issued under it, or to attempt directly or indirectly to commit any act declared by this section to be an unlawful discriminatory practice.

(K) Nothing in divisions (A) to (E) of this section shall be construed to require a person with a disability to be employed or trained under circumstances that would significantly increase the occupational hazards affecting either the person with a disability, other employees, the general public, or the facilities in which the work is to be performed, or to require the employment or training of a person with a disability in a job that requires the person with a disability routinely to undertake any task, the performance of which is substantially and inherently impaired by the person's disability.

(L) With regard to age, it shall not be an unlawful discriminatory practice and it shall not constitute a violation of division (A) of section 4112.14 of the Revised Code for any employer, employment agency, joint labor-management committee controlling apprenticeship training programs, or labor organization to do any of the following:

(1) Establish bona fide employment qualifications reasonably related to the particular business or occupation that may include standards for skill, aptitude, physical capability, intelligence, education, maturation, and experience;

(2) Observe the terms of a bona fide seniority system or any bona fide employee benefit plan, including, but not limited to, a retirement, pension, or insurance plan, that is not a subterfuge to evade the purposes of this section. However, no such employee benefit plan shall excuse the failure to hire any individual, and no such seniority system or employee benefit plan shall require or permit the involuntary retirement of any individual, because of the individual's age except as provided for in the "Age Discrimination in Employment Act Amendment of 1978," 92 Stat. 189, 29 U.S.C.A. 623, as amended by the "Age Discrimination in Employment Act Amendments of 1986," 100 Stat. 3342, 29 U.S.C.A. 623, as amended.

Act Amendments of 1986," 100 Stat. 3342, 29 U.S.C.A. 631, as amended;

(4) Observe the terms of any bona fide apprenticeship program if the program is registered with the Ohio apprenticeship council pursuant to sections 4139.01 to 4139.06 of the Revised Code and is approved by the federal committee on apprenticeship of the United States department of labor.

(M) Nothing in this chapter prohibiting age discrimination and nothing in division (A) of section 4112.14 of the Revised Code shall be construed to prohibit the following:

(1) The designation of uniform age the attainment of which is necessary for public employees to receive pension or other retirement benefits pursuant to Chapter 145., 742., 3307., 3309., or 5505. of the Revised Code;

(2) The mandatory retirement of uniformed patrol officers of the state highway patrol as provided in section 5505.16 of the Revised Code;

(7) Until January 1, 1994, the mandatory retirement of any employee who has attained seventy years of age and who is serving under a contract of unlimited tenure, or similar arrangement providing for unlimited tenure, at an institution of higher education as defined in the "Education Amendments of 1980," 94 Stat. 1503, 20 U.S.C.A. 1141(a).

(N)(1)(a) Except as provided in division (N)(1)(b) of this section, for purposes of divisions (A) to (E) of this section, a disability does not include any physiological disorder or condition, mental or psychological disorder, or disease or condition caused by an illegal use of any controlled substance by an employee, applicant, or other person, if an employer, employment agency, personnel placement service, labor organization, or joint labor-management committee acts on the basis of that illegal use.

(b) Division (N)(1)(a) of this section does not apply to an employee, applicant, or other person who satisfies any of the following:

(i) The employee, applicant, or other person has successfully completed a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance, or the employee, applicant, or other person otherwise successfully has been rehabilitated and no longer is engaging in that illegal use.

(ii) The employee, applicant, or other person is participating in a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance.

(iii) The employee, applicant, or other person is erroneously regarded as engaging in the illegal use of any controlled substance, but the employee, applicant, or other person is not engaging in that illegal use.

(2) Divisions (A) to (E) of this section do not prohibit an employer, employment agency, personnel placement service, labor organization, or joint labor-management committee from doing any of the following:

(a) Adopting or administering reasonable policies or procedures, including, but not limited to, testing for the illegal use of any controlled substance, that are designed to ensure that an individual described in division (N)(1)(b)(i) or (ii) of this section no longer is engaging in the illegal use of any controlled substance;

(b) Prohibiting the illegal use of controlled substances and the use of alcohol at the workplace by all employees;

(c) Requiring that employees not be under the influence of alcohol or not be engaged in the illegal use of any controlled substance at the workplace;

(e) Holding an employee who engages in the illegal use of any controlled substance or who has alcoholism to the same qualification standards for employment or job performance, and the same behavior, to which the employer, employment agency, personnel placement service, labor organization, or joint labor-management committee holds other employees, even if any unsatisfactory performance or behavior is related to an employee's illegal use of a controlled substance or alcoholism;

(f) Exercising other authority recognized in the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101, as amended, including, but not limited to, requiring employees to comply with any applicable federal standards.

(3) For purposes of this chapter, a test to determine the illegal use of any controlled substance does not include a medical examination.

(4) Division (N) of this section does not encourage, prohibit, or

authorize, and shall not be construed as encouraging, prohibiting, or authorizing, the conduct of testing for the illegal use of any controlled substance by employees, applicants, or other persons, or the making of employment decisions based on the results of that type of testing.

(O) This section does not apply to a religious corporation, association, educational institution, or society with respect to the employment of an individual of a particular religion to perform work connected with the carrying on by that religious corporation, association, educational institution, or society of its activities.

The unlawful discriminatory practices defined in this section do not make it unlawful for a person or an appointing authority administering an examination under section 124.23 of the Revised Code to obtain information about an applicant's military status for the purpose of determining if the applicant is eligible for the additional credit that is available under that section.

Sec. 4729.291. (A) Except when provided under section 4731.97 of the Revised Code, when a licensed health professional authorized to prescribe drugs personally furnishes drugs to a patient pursuant to division (B) of section 4729.29 of the Revised Code, the prescriber shall ensure that the drugs are labeled and packaged in accordance with state and federal drug laws and any rules and regulations adopted pursuant to those laws. Records of purchase and disposition of all drugs personally furnished to patients shall be maintained by the prescriber in accordance with state and federal drug statutes and any rules adopted pursuant to those statutes.

(B) When personally furnishing to a patient RU-486 (mifepristone), a prescriber is subject to ~~sections-section~~ 2919.123 and 2919.124 of the Revised Code.

(C)(1) Except as provided in divisions (D) and (E) of this section, no prescriber shall do either of the following:

(a) In any thirty-day period, personally furnish to or for patients, taken as a whole, controlled substances in an amount that exceeds a total of two thousand five hundred dosage units;

(b) In any seventy-two-hour period, personally furnish to or for a patient an amount of a controlled substance that exceeds the amount necessary for the patient's use in a seventy-two-hour period.

(2) The state board of pharmacy may impose a fine of not more than five thousand dollars on a prescriber who fails to comply with the limits established under division (C)(1) of this section. A separate fine may be imposed for each instance of failing to comply with the limits. In imposing the fine, the board's actions shall be taken in accordance with Chapter 119. of the Revised Code.

(D) None of the following shall be counted in determining whether the amounts specified in division (C)(1) of this section have been exceeded:

(1) Methadone personally furnished to patients for the purpose of treating drug dependence or addiction, if the prescriber meets the conditions specified in 21 C.F.R. 1306.07;

(2) Buprenorphine personally furnished to patients for the purpose of treating drug dependence or addiction as part of an opioid treatment program licensed under section 5119.37 of the Revised Code.

(3) Controlled substances personally furnished to research subjects by a facility conducting clinical research in studies approved by a hospital-based institutional review board or an institutional review board accredited by the association for the accreditation of human research protection programs.

(E) Division (C)(1) of this section does not apply to a prescriber who is a veterinarian.

Sec. 4731.22. (A) The state medical board, by an affirmative vote of not fewer than six of its members, may limit, revoke, or suspend a license or certificate to practice or certificate to recommend, refuse to grant a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate if the individual applying for or holding the license or certificate is found by the board to have committed fraud during the administration of the examination for a license or certificate to practice or to have committed fraud, misrepresentation, or deception in applying for, renewing, or securing any license or certificate to practice or certificate to recommend issued by the board.

(B) Except as provided in division (P) of this section, the board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend a license or certificate to practice or certificate to recommend, refuse to issue a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate for one or more of the following reasons:

(1) Permitting one's name or one's license or certificate to practice to be used by a person, group, or corporation when the individual concerned is not actually directing the treatment given;

(2) Failure to maintain minimal standards applicable to the selection or administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease;

(3) Except as provided in section 4731.97 of the Revised Code, selling, giving away, personally furnishing, prescribing, or administering drugs for other than legal and legitimate therapeutic purposes or a plea of

guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction of, a violation of any federal or state law regulating the possession, distribution, or use of any drug;

(4) Willfully betraying a professional confidence.

For purposes of this division, "willfully betraying a professional confidence" does not include providing any information, documents, or reports under sections 307.621 to 307.629 of the Revised Code to a child fatality review board; does not include providing any information, documents, or reports under sections 307.631 to 307.6410 of the Revised Code to a drug overdose fatality review committee, a suicide fatality review committee, or hybrid drug overdose fatality and suicide fatality review committee; does not include providing any information, documents, or reports under sections 307.651 to 307.659 of the Revised Code to a domestic violence fatality review board; does not include providing any information, documents, or reports to the director of health pursuant to guidelines established under section 3701.70 of the Revised Code; does not include written notice to a mental health professional under section 4731.62 of the Revised Code; does not include making a report as described in division (F) of section 2921.22 and section 4731.224 of the Revised Code; and does not include the making of a report of an employee's use of a drug of abuse, or a report of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by section 2305.33 or 4731.62 of the Revised Code upon a physician who makes a report in accordance with section 2305.33 or notifies a mental health professional in accordance with section 4731.62 of the Revised Code. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(5) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine; or in securing or attempting to secure any license or certificate to practice issued by the board.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(6) A departure from, or the failure to conform to, minimal standards

of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(7) Representing, with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(8) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(9) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Violation of the conditions of limitation placed by the board upon a license or certificate to practice;

(16) Failure to pay license renewal fees specified in this chapter;

(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service or business;

(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose license or certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a

national professional organization" does not include any provision that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(19) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.

In enforcing this division, the board, upon a showing of a possible violation, shall refer any individual who is authorized to practice by this chapter or who has submitted an application pursuant to this chapter to the monitoring organization that conducts the confidential monitoring program established under section 4731.25 of the Revised Code. The board also may compel the individual to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except as provided in division (F)(1)(b) of section 4731.282 of the Revised Code or when civil penalties are imposed under section 4731.225 of the Revised Code, and subject to section 4731.226 of the Revised Code,

violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of ~~section 3701.79 of the Revised Code or of any~~ abortion rule adopted by the director of health pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(23) The violation of ~~section 2919.12 of the Revised Code or the performance or inducement of an abortion upon a pregnant woman with actual knowledge that the conditions specified in division (B) of section 2317.56 of the Revised Code have not been satisfied or with a heedless indifference as to whether those conditions have been satisfied, unless an affirmative defense as specified in division (H)(2) of that section would apply in a civil action authorized by division (H)(1) of that section;~~

(24) The revocation, suspension, restriction, reduction, or termination of clinical privileges by the United States department of defense or department of veterans affairs or the termination or suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice;

(25) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency;

(26) Impairment of ability to practice according to acceptable and prevailing standards of care because of substance use disorder or excessive

use or abuse of drugs, alcohol, or other substances that may impair ability to practice.

For the purposes of this division, any individual authorized to practice by this chapter accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a license or certificate to practice under this chapter, an individual shall be deemed to have given consent to submit to a mental or physical examination when ordered to do so by the board in writing, and to have waived all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If it has reason to believe that any individual authorized to practice by this chapter or any applicant for licensure or certification to practice suffers such impairment, the board shall refer the individual to the monitoring organization that conducts the confidential monitoring program established under section 4731.25 of the Revised Code. The board also may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician who is qualified to conduct the examination and who is approved under section 4731.251 of the Revised Code.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or certificate or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure or certification to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license or certificate suspended under this division, the impaired practitioner shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care under the provisions of the practitioner's license or certificate. The demonstration shall include, but shall not be limited to, the following:

(a) Certification from a treatment provider approved under section 4731.251 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to

practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or certificate suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(27) A second or subsequent violation of section 4731.66 or 4731.69 of the Revised Code;

(28) Except as provided in division (N) of this section:

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(32) Failure of a physician or podiatrist to enter into a standard care arrangement with a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner with whom the physician or podiatrist is in collaboration pursuant to section 4731.27 of the Revised Code or failure to fulfill the responsibilities of collaboration after entering into a standard care arrangement;

(35) Failure to supervise an anesthesiologist assistant in accordance with Chapter 4760. of the Revised Code and the board's rules for supervision of an anesthesiologist assistant;

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or certificate to practice or certificate to recommend. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual under division (B) of this section for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 ~~or 2919.124~~ of the Revised Code, the disciplinary action shall consist of a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice. Any consent agreement entered into under this division with an individual that pertains to a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of that section shall provide for a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice.

(D) For purposes of divisions (B)(10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing or expungement of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal or expunge the records. The board shall not be required to seal, expunge, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board

shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. Upon a vote of the majority of the board to authorize the addition of a consumer member in the supervision of any part of any investigation, the president shall designate a consumer member for supervision of investigations as determined by the president. The authorization of consumer member participation in investigation supervision may be rescinded by a majority vote of the board. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary of the board.

(a) Before issuance of a subpoena for patient record information, the secretary shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee or agent designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a license or certificate issued under this chapter, service of the subpoena may be made by certified mail, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the

person refuses to accept delivery. If the person being served refuses to accept the subpoena or is not located, service may be made to an attorney who notifies the board that the attorney is representing the person.

(d) A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

No person shall knowingly access, use, or disclose confidential investigatory information in a manner prohibited by law.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

- (a) The case number assigned to the complaint or alleged violation;
- (b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;
- (c) A description of the allegations contained in the complaint;
- (d) Whether witnesses were interviewed;
- (e) Whether the individual against whom the complaint is directed is the subject of any pending complaints;
- (f) The disposition of the case.

The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.

(7) The board may provide a status update regarding an investigation to a complainant on request if the board verifies the complainant's identity.

(G)(1) If either of the following circumstances occur, the secretary and supervising member may recommend that the board suspend an individual's license or certificate to practice or certificate to recommend without a prior hearing:

(a) The secretary and supervising member determine both of the following:

- (i) That there is clear and convincing evidence that an individual has violated division (B) of this section;
- (ii) That the individual's continued practice presents a danger of immediate and serious harm to the public.

(b) The board receives verifiable information that a licensee has been charged in any state or federal court with a crime classified as a felony under the charging court's law and the conduct constitutes a violation of division (B) of this section.

(2) If a recommendation is made to suspend without a prior hearing pursuant to division (G)(1) of this section, written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or

certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall serve a written order of suspension in accordance with sections 119.05 and 119.07 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

(3) Any summary suspension imposed under division (G)(2) of this section is not a final appealable order and is not an adjudication that may be appealed under section 119.12 of the Revised Code. The summary suspension shall remain in effect until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. Once a final adjudicative order has been issued by the board, any party adversely affected by it may file an appeal in accordance with the requirements of Chapter 119. of the Revised Code.

The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(9), (11), or (13) of this section and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition of that nature and supporting court documents, the board shall reinstate the individual's license or certificate to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (B) of this section.

(I) The license or certificate to practice issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date of the individual's second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 ~~or~~ 2919.124 of the Revised Code. In addition, the license or certificate to practice or certificate to recommend issued to an individual under this chapter and the individual's practice in this state are automatically suspended

as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, trafficking in persons, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a license or certificate.

The board shall notify the individual subject to the suspension in accordance with sections 119.05 and 119.07 of the Revised Code. If an individual whose license or certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 ~~or 2919.124~~ of the Revised Code, the board shall enter an order suspending the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's license or certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to

practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or certificate to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code does not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) The placement of an individual's license on retired status, as described in section 4731.283 of the Revised Code, does not remove or limit the board's jurisdiction to take any disciplinary action against the individual with regard to the license as it existed before being placed on retired status.

(5) At the request of the board, a license or certificate holder shall immediately surrender to the board a license or certificate that the board has suspended, revoked, or permanently revoked.

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized

to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.

(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter to practice medicine and surgery, osteopathic medicine and surgery, and podiatric medicine and surgery. In developing and implementing the quality intervention program, the board may do all of the following:

(1) Offer in appropriate cases as determined by the board an educational and assessment program pursuant to an investigation the board conducts under this section;

(2) Select providers of educational and assessment services, including a quality intervention program panel of case reviewers;

(3) Make referrals to educational and assessment service providers and approve individual educational programs recommended by those providers. The board shall monitor the progress of each individual undertaking a recommended individual educational program.

(4) Determine what constitutes successful completion of an individual educational program and require further monitoring of the individual who completed the program or other action that the board determines to be appropriate;

(5) Adopt rules in accordance with Chapter 119. of the Revised Code to further implement the quality intervention program.

An individual who participates in an individual educational program pursuant to this division shall pay the financial obligations arising from that educational program.

(P) The board shall not refuse to issue a license to an applicant because of a conviction, plea of guilty, judicial finding of guilt, judicial finding of eligibility for intervention in lieu of conviction, or the commission of an act that constitutes a criminal offense, unless the refusal is in accordance with section 9.79 of the Revised Code.

(Q) A license or certificate to practice or certificate to recommend issued to an individual under this chapter and an individual's practice under this chapter in this state are automatically suspended if the individual's license or certificate to practice a health care occupation or provide health care services is suspended, revoked, or surrendered or relinquished in lieu of discipline by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction. The automatic suspension begins

immediately upon entry of the order by the agency and lasts for ninety days to permit the board to investigate the basis for the action under this chapter. Continued practice during the automatic suspension shall be considered practicing without a license or certificate.

The board shall notify the individual subject to the automatic suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual subject to an automatic suspension under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

Sec. 4731.223. (A) As used in this section, "prosecutor" has the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid license or certificate issued pursuant to this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, or for a second or subsequent time pleads guilty to, or is subject to a judicial finding of guilt of, a violation of section 2919.123 ~~or 2919.124~~ of the Revised Code, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction or guilty plea. Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the license or certificate under section 4731.22 of the Revised Code.

(C) The prosecutor in any case against any person holding a valid license or certificate issued pursuant to this chapter, on forms prescribed and provided by the state medical board, shall notify the board of any of the following:

(1) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a felony, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a felony charge;

(2) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor committed in the course of practice, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor, if the alleged act was committed in the course of

practice;

(3) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor involving moral turpitude, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor involving moral turpitude.

The report shall include the name and address of the license or certificate holder, the nature of the offense for which the action was taken, and the certified court documents recording the action.

Sec. 4731.281. (A)(1) A license issued under this chapter to practice medicine and surgery, osteopathic medicine and surgery, or podiatric medicine and surgery shall be valid for a two-year period unless revoked or suspended. A license shall expire on the date that is two years from the date of issuance and may be renewed for additional two-year periods. Applications for renewal shall be submitted to the state medical board in a manner prescribed by the board.

Each application shall be accompanied by a biennial renewal fee of three hundred five dollars.

The board shall deposit the fee in accordance with section 4731.24 of the Revised Code, except that the board shall deposit twenty dollars of the fee into the state treasury to the credit of the physician loan repayment fund created by section 3702.78 of the Revised Code.

(2) The board shall provide a renewal notice to every person holding a license to practice medicine and surgery, osteopathic medicine and surgery, or podiatric medicine and surgery, a renewal notice. The board may provide the notice to the person through the secretary of any recognized medical, osteopathic, or podiatric society. The notice shall be provided to the person at least one month prior to the date on which the person's license expires.

(3) Failure of any person to receive a notice of renewal from the board shall not excuse the person from the requirements contained in this section.

(4) The board's notice shall inform the applicant of the renewal procedure. The board shall provide the application for renewal in a form determined by the board.

(5) The applicant shall provide in the application the applicant's full name; the applicant's residence address, business address, and electronic mail address; the number of the applicant's license to practice; and any other information required by the board.

(6)(a) Except as provided in division (A)(6)(b) of this section, in the case of an applicant who prescribes or personally furnishes opioid analgesics or benzodiazepines, as defined in section 3719.01 of the Revised Code, the

applicant shall certify to the board whether the applicant has been granted access to the drug database established and maintained by the state board of pharmacy pursuant to section 4729.75 of the Revised Code.

(b) The requirement described in division (A)(6)(a) of this section does not apply if any of the following is the case:

(i) The state board of pharmacy notifies the state medical board pursuant to section 4729.861 of the Revised Code that the applicant has been restricted from obtaining further information from the drug database.

(ii) The state board of pharmacy no longer maintains the drug database.

(iii) The applicant does not practice medicine and surgery, osteopathic medicine and surgery, or podiatric medicine and surgery in this state.

(c) If an applicant certifies to the state medical board that the applicant has been granted access to the drug database and the board finds through an audit or other means that the applicant has not been granted access, the board may take action under section 4731.22 of the Revised Code.

(7) The applicant shall indicate whether the applicant currently collaborates, as that term is defined in section 4723.01 of the Revised Code, with any clinical nurse specialists, certified nurse-midwives, or certified nurse practitioners.

(8) The applicant shall report any criminal offense to which the applicant has pleaded guilty, of which the applicant has been found guilty, or for which the applicant has been found eligible for intervention in lieu of conviction, since last submitting an application for a license to practice or renewal of a license.

(9) The applicant shall execute and deliver the application to the board in a manner prescribed by the board.

(B) The board shall renew a license under this chapter to practice medicine and surgery, osteopathic medicine and surgery, or podiatric medicine and surgery upon application and qualification therefor in accordance with this section. A renewal shall be valid for a two-year period.

(C) Failure of any license holder to renew and comply with this section shall operate automatically to suspend the holder's license to practice and if applicable, the holder's certificate to recommend issued under section 4731.30 of the Revised Code. Continued practice after the suspension shall be considered as practicing in violation of section 4731.41, 4731.43, or 4731.60 of the Revised Code.

If the license has been suspended pursuant to this division for two years or less, it may be reinstated. The board shall reinstate a license to practice suspended for failure to renew upon an applicant's submission of a

renewal application and payment of a reinstatement fee of four hundred five dollars.

If the license has been suspended pursuant to this division for more than two years, it may be restored. Subject to section 4731.222 of the Revised Code, the board may restore a license to practice suspended for failure to renew upon an applicant's submission of a restoration application, payment of a restoration fee of five hundred five dollars, and compliance with sections 4776.01 to 4776.04 of the Revised Code. The board shall not restore to an applicant a license unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4731.14 or 4731.56 of the Revised Code.

Any reinstatement or restoration of a license to practice under this section shall operate automatically to renew the holder's certificate to recommend.

(D) The state medical board may obtain information not protected by statutory or common law privilege from courts and other sources concerning malpractice claims against any person holding a license to practice under this chapter or practicing as provided in section 4731.36 of the Revised Code.

~~(E) Each renewal notice provided by the board under division (A)(2) of this section to a person holding a license to practice medicine and surgery or osteopathic medicine and surgery shall inform the applicant of the reporting requirement established by division (H) of section 3701.79 of the Revised Code. At the discretion of the board, the information may be included on the application for renewal or on an accompanying page.~~

~~(F)~~ Each person holding a license to practice medicine and surgery, osteopathic medicine and surgery, or podiatric medicine and surgery shall give notice to the board of a change in the license holder's residence address, business address, or electronic mail address not later than thirty days after the change occurs.

Sec. 4731.293. (A) The state medical board shall issue, without examination, a clinical research faculty certificate to practice medicine and surgery, osteopathic medicine and surgery, or podiatric medicine and surgery to any person who applies for the certificate and provides to the board satisfactory evidence of both of the following:

(1) That the applicant holds a current, unrestricted license to practice medicine and surgery, osteopathic medicine and surgery, or podiatric medicine and surgery issued by another state or country;

(2) That the applicant has been appointed to serve in this state on the academic staff of a medical school accredited by the liaison committee on medical education, an osteopathic medical school accredited by the American

osteopathic association, or a college of podiatric medicine and surgery in good standing with the board.

(B) The holder of a clinical research faculty certificate may do one of the following, as applicable:

(1) Practice medicine and surgery or osteopathic medicine and surgery only as is incidental to the certificate holder's teaching or research duties at the medical school or a teaching hospital affiliated with the school;

(2) Practice podiatric medicine and surgery only as is incidental to the certificate holder's teaching or research duties at the college of podiatric medicine and surgery or a teaching hospital affiliated with the college.

(C) The board may revoke a certificate on receiving proof satisfactory to the board that the certificate holder has engaged in practice in this state outside the scope of the certificate or that there are grounds for action against the certificate holder under section 4731.22 of the Revised Code.

(D) A clinical research faculty certificate is valid for three years, except that the certificate ceases to be valid if the holder's academic staff appointment described in division (A)(2) of this section is no longer valid or the certificate is revoked pursuant to division (C) of this section.

(E)(1) The board shall provide a renewal notice to the certificate holder at least one month before the certificate expires. Failure of a certificate holder to receive a notice of renewal from the board shall not excuse the certificate holder from the requirements contained in this section. The notice shall inform the certificate holder of the renewal procedure. ~~The notice also shall inform the certificate holder of the reporting requirement established by division (H) of section 3701.79 of the Revised Code.~~ At the discretion of the board, the information may be included on the application for renewal or on an accompanying page.

(2) A clinical research faculty certificate may be renewed for an additional three-year period. There is no limit on the number of times a certificate may be renewed. A person seeking renewal of a certificate shall apply to the board. The board shall provide the application for renewal in a form determined by the board.
