Penetration, however slight, is sufficient to complete vaginal or anal intercourse.

(B) "Sexual contact" means any touching of an erogenous zone of another, including without limitation the thigh, genitals, buttock, pubic region, or, if the person is a female, a breast, for the purpose of sexually arousing or gratifying either person.

(C) "Sexual activity" means sexual conduct or sexual contact, or both.

(D) "Prostitute" means a male or female who promiscuously engages in sexual activity for hire, regardless of whether the hire is paid to the prostitute or to another.

(G) "Sexual excitement" means the condition of human male or female genitals when in a state of sexual stimulation or arousal.

(H) "Nudity" means the showing, representation, or depiction of human male or female genitals, pubic area, or buttocks with less than a full, opaque covering, or of a female breast with less than a full, opaque covering of any portion thereof below the top of the nipple, or of covered male genitals in a discernibly turgid state.

(1) All of the moneys in the fund from the tax levied in division (A) (1) of this section shall be credited to the mining regulation and safety fund created in section 1513.30 of the Revised Code.

(2) The money in the fund from the tax levied in division (A)(2) of this section shall be credited to the mining regulation and safety fund.

(3) Of the moneys in the fund from the tax levied in divisions (A)(3) and (4) of this section, seven and five-tenths per cent shall be credited to the geological mapping fund and the remainder shall be credited to the mining regulation and safety fund created in section 1513.30 of the Revised Code.

(4) Of the moneys in the fund from the tax levied in divisions (A)(5) and (6) of this section, ninety-eighty-five and seven-tenths per cent shall be credited to the Ohio energy credit fund created in section 4928.57 of the Revised Code, twelve and nine-tenths per cent shall be credited to the oil and gas well fund, and ten-one and four-tenths per cent shall be credited to the geological mapping fund.

(5) All of the moneys in the fund from the tax levied in division (A) (7) of this section shall be credited to the mining regulation and safety fund.

(6) All of the moneys in the fund from the tax levied in division (A) (8) of this section shall be credited to the reclamation forfeiture fund.

(7) All of the moneys in the fund from the tax levied in division (A) (9) of this section shall be credited to the mining regulation and safety fund.

(C) When, at the close of any fiscal year, the chief finds that the balance of the reclamation forfeiture fund, plus the estimated revenues from the tax levied by division (A)(8) of this section for the remainder of the calendar year that includes the close of the fiscal year, are sufficient to complete the reclamation of all lands for which the performance security has been provided under division (C)(2) of section 1513.08 of the Revised Code, the purposes for which the tax under division (A)(8) of this section is levied shall be deemed accomplished at the end of that calendar year. The chief, within thirty days after the close of the fiscal year, shall certify those findings to the tax commissioner, and the tax levied under division (A)(8) of this section shall cease to be imposed for the subsequent calendar year after the last day of that calendar year on coal produced under a coal mining and reclamation permit issued under Chapter 1513. of the Revised Code if the

permittee has made tax payments under division (A)(8) of this section during each of the preceding five full calendar years. Not later than thirty days after the close of a fiscal year, the chief shall certify to the tax commissioner the identity of any permittees who accordingly no longer are required to pay the tax levied under division (A)(8) of this section for the subsequent calendar year.

(D) On or before the last day of the first month of each calendar quarter, the tax commissioner shall certify and post to the department of taxation's web site the average quarterly spot price applicable to oil and natural gas for that quarter.

(E) The tax imposed by division (A)(5) or (6) of this section is a tax on the severer and shall not be billed or invoiced to another person. No severer shall include in the price charged for natural gas or oil an additional amount sufficient to recover that tax.

Sec. 5749.04. No severer shall sever or sell a natural resource in this state without first having obtained a permit from or having registered with the department of natural resources.

The commissioner may request that the department of natural resources revoke the permit or registration of a severer or owner if the commissioner finds that the severer or owner has failed to comply with former section 1509.50 or Chapter 5749. of the Revised Code.

Upon receipt of such a request, that officer may revoke the permit or registration.

Except as provided in section 5749.03 of the Revised Code, before severing a natural resource each severer shall file an application with the commissioner on a form prescribed by the commissioner to establish a severance tax account. The application may require the severer to disclose any information the commissioner considers necessary to establish that account.

Sec. 5749.06. (A)(1) Each severer liable for the tax imposed by section 5749.02 of the Revised Code ~~and each severer or owner liable for the amounts due under section 1509.50 of the Revised Code, except for any amount due under division (B)(2) of that section,~~ shall make and file returns with the tax commissioner in the prescribed form and at the prescribed times, computing and reflecting therein the tax as required by this chapter ~~and amounts due under section 1509.50 of the Revised Code.~~

(2) The returns shall be filed for every calendar quarter, as required by this section, unless a different return period is prescribed for a taxpayer by the commissioner.

(B)(1) A separate return shall be filed for each calendar quarter, or other period, or any part thereof, during which the severer holds a permit or

has registered as provided by section 5749.04 of the Revised Code, or is required to hold the permit or registration, or during which an owner is required to file a return. The return shall be filed on or before the fifteenth day of the second month following the end of each return period. The tax due is payable along with the return. All such returns shall contain such information as the commissioner may require to fairly administer the tax.

(2) All returns shall be signed by the severer ~~or owner, as applicable,~~ shall contain the full and complete information requested, and shall be made under penalty of perjury.

(C) If the commissioner believes that quarterly payments of tax would result in a delay that might jeopardize the collection of such tax payments, the commissioner may order that such payments be made weekly, or more frequently if necessary, such payments to be made not later than seven days following the close of the period for which the jeopardy payment is required. Such an order shall be delivered to the taxpayer in the manner provided in section 5703.37 of the Revised Code and shall remain in effect until the commissioner notifies the taxpayer to the contrary.

(D) Upon good cause the commissioner may extend for thirty days the period for filing any notice or return required to be filed under this section, and may remit all or a part of penalties that may become due under this chapter.

(E) Any tax ~~and any amount due under section 1509.50 of the Revised Code~~ not paid by the day the tax ~~or amount~~ is due shall bear interest computed at the rate per annum prescribed by section 5703.47 of the Revised Code ~~on that amount due~~ from the day that the amount tax was originally required to be paid to the day of actual payment or to the day an assessment was issued under section 5749.07 or 5749.10 of the Revised Code, whichever occurs first.

(F) A severer ~~or owner, as applicable,~~ that fails to file a complete return or pay the full amount due under this chapter within the time prescribed, including any extensions of time granted by the commissioner, shall be subject to a penalty not to exceed the greater of fifty dollars or ten per cent of the amount due for the period.

(G)(1) A severer ~~or owner, as applicable,~~ shall remit payments electronically and, if required by the commissioner, file each return electronically. The commissioner may require that the severer ~~or owner~~ use the Ohio business gateway, as defined in section 718.01 of the Revised Code, or another electronic means to file returns and remit payments electronically.

(2) A severer ~~or owner~~ that is required to remit payments electronically under this section may apply to the commissioner, in the manner prescribed by the commissioner, to be excused from that requirement. The commissioner may excuse a severer ~~or owner~~ from the

requirements of division (G) of this section for good cause.

(3) If a severer ~~or owner~~ that is required to remit payments or file returns electronically under this section fails to do so, the commissioner may impose a penalty on the severer ~~or owner~~ not to exceed the following:

(a) For the first or second payment or return the severer ~~or owner~~ fails to remit or file electronically, the greater of five per cent of the amount of the payment that was required to be remitted or twenty-five dollars;

(b) For every payment or return after the second that the severer ~~or owner~~ fails to remit or file electronically, the greater of ten per cent of the amount of the payment that was required to be remitted or fifty dollars.

(H)(1) All amounts that the commissioner receives under this section shall be deemed to be revenue from taxes imposed under this chapter or from the amount due under section 1509.50 of the Revised Code, as applicable, and shall be deposited in the severance tax receipts fund, which is hereby created in the state treasury.

(2) The director of budget and management shall transfer from the severance tax receipts fund, as necessary, to the tax refund fund amounts equal to the refunds certified by the commissioner under section 5749.08 of the Revised Code. Any amount transferred under division (H)(2) of this section shall be derived from receipts of the same tax or other amount from which the refund arose.

(3) After the director of budget and management makes any transfer required by division (H)(2) of this section, but not later than the twenty-fifth day of each month, the commissioner shall certify to the director the total amount remaining in the severance tax receipts fund organized according to the amount attributable to each natural resource and according to the amount attributable to a tax imposed by this chapter ~~and the amounts due under section 1509.50 of the Revised Code~~, and shall provide for payment to the funds specified in division (B) of section 5749.02 of the Revised Code.

(I) Penalties imposed under this section are in addition to any other penalty imposed under this chapter and shall be considered as revenue arising from the tax levied under this chapter or the amount due under former section 1509.50 of the Revised Code, as applicable. The commissioner may collect any penalty or interest imposed under this section in the same manner as provided for the making of an assessment in section 5749.07 of the Revised Code. The commissioner may abate all or a portion of such interest or penalties and may adopt rules governing such abatements.

(J) For purposes of this section:

(1) "Tax imposed by section 5749.02 of the Revised Code" or "tax" includes amounts due under former section 1509.50 of the Revised Code.

(2) "Severer" includes an owner as defined in section 1509.01 of the

Revised Code, with regard to amounts due from an owner under former section 1509.50 of the Revised Code.

Sec. 5749.07. (A) If any severer required by this chapter to make and file returns and pay the tax ~~levied~~ imposed by section 5749.02 of the Revised Code, ~~or any severer or owner liable for the amounts due under section 1509.50 of the Revised Code,~~ fails to make such return or pay such tax ~~or amounts,~~ the tax commissioner may make an assessment against the severer ~~or owner~~ based upon any information in the commissioner's possession.

No assessment shall be made or issued against any severer for any tax imposed by section 5749.02 of the Revised Code ~~or against any severer or owner for any amount due under section 1509.50 of the Revised Code~~ more than four years after the return was due or was filed, whichever is later. This section does not bar an assessment against a severer ~~or owner~~ who fails to file a return as required by this chapter, or who files a fraudulent return.

The commissioner shall give the party assessed written notice of such assessment in the manner provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the party assessed files with the commissioner within sixty days after service of the notice of assessment a written petition for reassessment signed by the party assessed or that party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due and payable from the party assessed to the treasurer of state. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the party assessed resides or in which the party's business is conducted. Such filing shall include the debtor's name and last known address. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of such entry, the clerk shall enter a judgment for the state against the party assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state severance tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of

the commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment is issued, the portion of the assessment consisting of tax due ~~or amounts due under section 1509.50 of the Revised Code~~ shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) All money collected by the commissioner under this section shall be paid to the treasurer of state, and when paid shall be considered as revenue arising from the tax imposed by section 5749.02 of the Revised Code ~~and the amount due under section 1509.50 of the Revised Code~~, as applicable.

(E) For purposes of this section:

(1) "Tax imposed by section 5749.02 of the Revised Code" or "tax" includes amounts due under former section 1509.50 of the Revised Code.

(2) "Severer" includes an owner as defined in section 1509.01 of the Revised Code, with regard to amounts due from an owner under former section 1509.50 of the Revised Code.

Sec. 5749.08. The tax commissioner shall refund ~~to taxpayers~~ amounts paid under this chapter or former section 1509.50 of the Revised Code that were paid illegally or erroneously or paid on an illegal or erroneous assessment. Applications for refund shall be filed with the commissioner, on the form prescribed by the commissioner, within four years from the date of the illegal or erroneous payment. On the filing of the application, the commissioner shall determine the amount of refund to which the applicant is entitled, plus interest computed in accordance with section 5703.47 of the Revised Code from the date of the payment of an erroneous or illegal assessment until the date the refund is paid. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

Sec. 5749.10. If the tax commissioner finds that a ~~taxpayer, person~~ liable for tax under this chapter or for any amount due under former section

1509.50 of the Revised Code is about to depart from the state, or remove the ~~taxpayer's~~ person's property therefrom, or conceal ~~the taxpayer's~~ its person or property, or do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect such tax or other amount due unless such proceedings are brought without delay, or if the commissioner believes that the collection of the tax or amount due from any ~~taxpayer~~ person will be jeopardized by delay, the commissioner shall give notice of such findings to ~~such taxpayer~~ the person together with the demand for an immediate return and immediate payment of such tax or other amount due, with penalty as provided in section 5749.15 of the Revised Code, whereupon such tax or other amount due shall become immediately due and payable. In such cases the commissioner may immediately file an entry with the clerk of the court of common pleas in the same manner and with the same effect as provided in section 5749.07 of the Revised Code, provided that if ~~such taxpayer~~ the person, within five days from notice of the assessment, furnishes evidence satisfactory to the commissioner, under ~~the regulations prescribed~~ rules adopted by the commissioner, that the ~~taxpayer~~ person is not in default in making returns or paying any tax prescribed by this chapter or amount due under former section 1509.50 of the Revised Code, or that the ~~taxpayer~~ person will duly return and pay, or post bond satisfactory to the commissioner conditioned upon payment of the tax or other amount finally determined to be due, then such tax or other amount due shall not be payable prior to the time and manner otherwise fixed for payment under section 5749.07 of the Revised Code, and the person assessed shall be restored the rights granted under such section. Upon satisfaction of the assessment the commissioner shall order the bond cancelled, securities released, and judgment vacated.

Any assessment issued under this section shall bear interest as prescribed under section 5749.07 of the Revised Code.

Sec. 5749.12. Any nonresident of this state who accepts the privilege extended by the laws of this state to nonresidents severing natural resources in this state, and any resident of this state who subsequently becomes a nonresident or conceals the resident's whereabouts, makes the secretary of state of Ohio the person's agent for the service of process or notice in any assessment, action, or proceedings instituted in this state against such person under this chapter or for purposes of amounts due under former section 1509.50 of the Revised Code.

Such process or notice shall be served as provided under section 5703.37 of the Revised Code.

Sec. 5749.13. The tax commissioner may prescribe requirements as to the keeping of records and other pertinent documents and the filing of copies of federal income tax returns and determinations. The commissioner may require any person, by rule or by notice served on that person, to keep such

records as the commissioner considers necessary to show whether that person is liable, and the extent of liability, for the tax imposed under this chapter and the amount due under former section 1509.50 of the Revised Code. Such records and other documents shall be open during business hours to the inspection of the commissioner, and shall be preserved for a period of four years after the date the return was required to be filed or actually was filed, whichever is later, unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer.

Sec. 5749.14. The tax commissioner shall enforce and administer this chapter and applicable provisions of section 1509.50 of the Revised Code. In addition to any other powers conferred upon the commissioner by law, the commissioner may:

(A) Prescribe all forms required to be filed pursuant to this chapter;

(B) ~~Promulgate~~ Adopt such rules as the commissioner finds necessary to carry out this chapter and applicable provisions of section 1509.50 of the Revised Code;

(C) Appoint and employ such personnel as may be necessary to carry out the duties imposed upon the commissioner by this chapter.

Sec. 5749.15. Any person who fails to file a return or pay the tax as required under this chapter or other amount due under former section 1509.50 of the Revised Code who is assessed such taxes or other amount due pursuant to section 5749.07 or 5749.10 of the Revised Code may be liable for a penalty of up to twenty-five per cent of the amount assessed. The tax commissioner may adopt rules relating to the imposition and remission of penalties imposed under this section. "
