(A) The individual right to keep and bear arms, being a fundamental individual right that predates the United States Constitution and Ohio Constitution, and being a constitutionally protected right in every part of Ohio, the general assembly finds the need to provide uniform laws throughout the state regulating the ownership, possession, purchase, other acquisition, transport, storage, carrying, sale, other transfer, manufacture, taxation, keeping, and reporting of loss or theft of deadly weapons, including firearms, and their components, accessories, attachments, and their ammunition, and knives. The general assembly also finds and declares that it is proper for law-abiding people to protect themselves, their families, and others from intruders and attackers without fear of prosecution or civil action for acting in defense of themselves or others. Except as specifically provided by the United States Constitution, Ohio Constitution, state law, or federal law, a person, without further license, permission, restriction, delay, or process, including by any ordinance, rule, regulation, resolution, practice, or other action or any threat of citation, prosecution, or other legal process, may own, possess, purchase, acquire, transport, store, carry, sell, transfer, manufacture, or keep any deadly weapon, including any firearm, part of a firearm, and its components, accessories, attachments, and its ammunition, and any knife, without being required to have firearm liability insurance, and without being required to pay a fee for the possession of a deadly weapon, including any firearm, part of a firearm, and its components, ~~its accessories, attachments, and~~ ammunition, or a knife. Any such further license, permission, restriction, delay, or process interferes with the fundamental individual right described in this division and unduly inhibits law-abiding people from protecting themselves, their families, and others from intruders and attackers and from other legitimate uses of constitutionally protected arms, including hunting and sporting activities, and the state by this section

preempts, supersedes, and declares null and void any such further license, permission, restriction, delay, or process.

(B) A person, group, or entity adversely affected by any manner of ordinance, rule, regulation, resolution, practice, or other action enacted or enforced by a political subdivision in conflict with division (A) of this section may bring a civil action against the political subdivision seeking damages from the political subdivision, declaratory relief, injunctive relief, or a combination of those remedies. Any damages awarded shall be awarded against, and paid by, the political subdivision. In addition to any actual damages awarded against the political subdivision and other relief provided with respect to such an action, the court shall award reasonable expenses to any person, group, or entity that brings the action, to be paid by the political subdivision, if either of the following applies:

(1) The person, group, or entity prevails in a challenge to the ordinance, rule, regulation, resolution, practice, or action as being in conflict with division (A) of this section.

(2) The ordinance, rule, regulation, resolution, practice, or action or the manner of its enforcement is repealed or rescinded after the civil action was filed but prior to a final court determination of the action.

(C) As used in this section:

(1) The possession, transporting, or carrying of deadly weapons, including firearms, and their components, ~~their accessories, attachments, and~~ ammunition, or knives include, but are not limited to, the possession, transporting, or carrying, openly or concealed on a person's person or concealed ready at hand, of deadly weapons, including firearms, and their components, ~~their accessories, attachments, and~~ ammunition, or knives.

(2) "Firearm" has "Deadly weapon" and "firearm" have the same meaning-meanings as in section 2923.11 of the Revised Code.

(3) "Reasonable expenses" include, but are not limited to, reasonable attorney's fees, court costs, expert witness fees, and compensation for loss of income.

(4) "Knife" means a cutting instrument and includes a sharpened or pointed blade.

(5) "Arms" includes firearms and knives.

(6) "Firearm liability insurance" means a policy of liability insurance covering losses resulting from the use of a deadly weapon, including a firearm and its components, accessories, attachments, or ammunition owned by the person covered by the policy.

(D) This section does not apply to either of the following:

(1) A zoning ordinance that regulates or prohibits the commercial sale

of ~~knives~~ deadly weapons, including firearms, firearm and their components, accessories, attachments, or ammunition for firearms or knives in areas zoned for residential or agricultural uses;

(2) A zoning ordinance that specifies the hours of operation or the geographic areas where the commercial sale of ~~knives~~ deadly weapons, including firearms, firearm and their components, accessories, attachments, or ammunition for firearms or knives may occur, provided that the zoning ordinance is consistent with zoning ordinances for other retail establishments in the same geographic area and does not result in a de facto prohibition of the commercial sale of ~~knives~~ deadly weapons, including firearms, firearm and their components, accessories, attachments, or ammunition for firearms or knives in areas zoned for commercial, retail, or industrial uses.

Sec. 109.69. (A)(1) The attorney general shall negotiate and enter into a reciprocity agreement with any other license-issuing state under which a ~~concealed handgun~~ license that is issued by the other state and that authorizes the carrying of concealed handguns, firearms, or deadly weapons is recognized in this state, except as provided in division (B) of this section, if the attorney general determines that both of the following apply:

(a) The eligibility requirements imposed by that license-issuing state for that license are substantially comparable to the eligibility requirements for a ~~concealed handgun~~ weapons license issued under section 2923.125 of the Revised Code.

(b) That license-issuing state recognizes a ~~concealed handgun~~ weapons license issued under section 2923.125 of the Revised Code.

If the person was under arrest as described in division (A)(5) of section 4511.191 of the Revised Code, the arresting officer shall advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. If the person was under arrest other than described in division (A)(5) of section 4511.191 of the Revised Code, the form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

The court may warn the person of the

applicable penalties for that violation under sections 2903.06 and 2929.142 of the Revised Code.

(2) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one or more violations of division (A) of this section or other equivalent offenses, the offender is guilty of a misdemeanor of the third degree. In addition to any other sanction imposed for the offense, the court shall impose a class four suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of section 4510.02 of the Revised Code. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

(3) The offender shall provide the court with proof of financial responsibility as defined in section 4509.01 of the Revised Code. If the offender fails to provide that proof of financial responsibility, then, in addition to any other penalties provided by law, the court may order restitution pursuant to section 2929.28 of the Revised Code in an amount not exceeding five thousand dollars for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during, or after committing the violation of division (B) of this section.

(J) If a person whose driver's or commercial driver's license or permit or nonresident operating privilege is suspended under this section files an appeal regarding any aspect of the person's trial or sentence, the appeal itself does not stay the operation of the suspension.

(K) Division (A)(1)(j) of this section does not apply to a person who operates a vehicle, streetcar, or trackless trolley while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:
