Highlights

- The bill appropriates \$5.0 million in each fiscal year of the FY 2026-FY 2027 biennium under GRF appropriation line item (ALI) 195593, Nonprofit Workforce Grant, for the Department of Development to administer a new workforce development grant program targeted toward job training and placement services.

Detailed Analysis

The bill appropriates \$5.0 million in each fiscal year of the FY 2026-FY 2027 biennium under GRF ALI 195593, Nonprofit Workforce Grant, to support a new grant program administered by the Department of Development (DEV). Specifically, this ALI will be used to administer grants to certain 501(c)(3) retailers that sell donated goods to support job training and placement services for individuals with workplace disadvantages.

The maximum allowable grant award under the bill is the lesser of \$1.0 million in a fiscal year or an amount equal to 25% of state sales taxes collected by the retailer in the preceding fiscal year. Each grant recipient must file a report accounting for the use of funds and number of people supported by the retailer's workforce programs in that year. Overall, DEV will incur some administrative costs to oversee the program; however, these costs are likely to be fairly small considering the limited number of retailers eligible for grants under the program. Finally, the bill allows DEV to recover any portion of funding used for unauthorized purposes under the program.
