SYNOPSIS

Prohibited actions

R.C. 3792.09(B) (6)

Revises one of the actions that an entity is prohibited
from taking against an adult individual for refusing a facial
covering or specified medical intervention, by prohibiting the
entity from *treating or labeling the individual in a way that*
indicates that the individual did not accept the facial 8 9 10 11 12

covering or medical intervention rather than treating the 13
individual differently than an individual who accepted the 14
facial covering or medical intervention (as under the bill). 15

Surgical masks worn 16

R.C. 3792.09(E) 17

With respect to the provision specifying that a surgical 18
mask worn during the performance of a surgical procedure is not 19
a facial covering for purposes of the bill's prohibition, 20
expands the provision to include a surgical mask worn during a 21
surgical, *medical, or dental* procedure. 22
