A BILL

To amend section 3321.01 of the Revised Code 1
regarding age requirements for kindergarten 2
admission. 3

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3321.01 of the Revised Code be 4
amended to read as follows: 5

Sec. 3321.01. (A) (1) As used in this chapter, "parent," 6
"guardian," or "other person having charge or care of a child" 7
means either parent unless the parents are separated or divorced 8
or their marriage has been dissolved or annulled, in which case 9
"parent" means the parent who is the residential parent and 10
legal custodian of the child. If the child is in the legal or 11
permanent custody of a person or government agency, "parent" 12
means that person or government agency. When a child is a 13
resident of a home, as defined in section 3313.64 of the Revised 14
Code, and the child's parent is not a resident of this state, 15

"parent," "guardian," or "other person having charge or care of
a child" means the head of the home. 16

A child between six and eighteen years of age is "of 18
compulsory school age" for the purpose of sections 3321.01 to 19
3321.13 of the Revised Code. A child under six years of age who 20
has been enrolled in kindergarten also shall be considered "of 21
compulsory school age" for the purpose of sections 3321.01 to 22
3321.13 of the Revised Code unless at any time the child's 23
parent or guardian, at the parent's or guardian's discretion and 24
in consultation with the child's teacher and principal, formally 25
withdraws the child from kindergarten. The compulsory school age 26
of a child shall not commence until the beginning of the term of 27
such schools, or other time in the school year fixed by the 28
rules of the board of the district in which the child resides. 29

(2) Each school district board of education shall admit to 30
kindergarten any student who is five or, for a student who has 31
not completed first grade, six years of age by the first day of 32
instruction of the school year of admittance. 33

In a district in which all children are admitted to 34
~~kindergarten and~~ the first grade in August or September, a child 35
shall be admitted if the child is ~~five or six~~ years of age, ~~—~~ 36
~~respectively,~~ by the thirtieth day of September of the year of 37

one beginning in August or September in school districts 39
granting admittance at the beginning of such term or semester. A 40

is requested, shall be evaluated for early admittance in 45

accordance with district policy upon referral by the child's parent or guardian, an educator employed by the district, a preschool educator who knows the child, or a pediatrician or psychologist who knows the child. Following an evaluation in accordance with a referral under this section, the district board shall decide whether to admit the child. If a child for whom admission to kindergarten or first grade is requested will not be five or six years of age, respectively, prior to the first day of January of the school year in which admission is requested, the child shall be admitted only in accordance with the district's acceleration policy adopted under section 3324.10 of the Revised Code.

(3) Notwithstanding division (A)(2) of this section, beginning with the school year that starts in 2001 and continuing thereafter the board of education of any district may adopt a resolution establishing the first day of August in lieu of the thirtieth day of September as the required date by which students must have attained the age specified in that division for admittance to first grade.

(4) After a student has been admitted to kindergarten in a school district or chartered nonpublic school, no board of education of a school district to which the student transfers shall deny that student admission based on the student's age.
