

H. B. No. 127

As Introduced

_____ moved to amend as follows:

After line 1343, insert:

"(I) Nothing in this section shall require a school
district board of education to take any action to elect to
release directory information to an entity if the entity and
school district have entered into an agreement that authorizes
the release of directory information to the entity."

The motion was _____ agreed to.

SYNOPSIS

Agreements to release student directory information

R.C. 3319.321

States that nothing in the provision regarding the release
of student directory information requires a school district
board of education to take any action to elect to release

directory information to an entity if the entity and school	13
district have entered into an agreement that authorizes the	14
release of directory information to the entity.	15
