SYNOPSIS 4

**PPECC enrollment and treatment plan** 5

**R.C. 3724.08** 6

Replaces references to physicians with references to  
providers in the following requirements established under the  
bill: 7  
8  
9

(1) That the parent or legal guardian of a child submit to 10  
the prescribed pediatric extended care center (PPECC) a 11

physician referral, as a condition of the child's enrollment;	12
(2) That the child remain under the care of a physician	13
other than the PPECC medical director while enrolled at the	14
PPECC;	15
(3) That the PPECC medical director consult with the	16
child's physician when developing the child's PPECC treatment	17
plan.	18
(Maintains the bill's requirement that a PPECC employ a	19
medical director who is a physician specializing in pediatric	20
medicine with at least three years of clinical practice.)	21
