Code to levy a transfer fee on money 3
transmissions, to authorize an income tax credit 4
based on the amount of the transfer fees paid, 5
and to name this act Ohio's Withholding Illegal 6
Revenue Entering Drug Markets (WIRED) Act. 7

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 5747.98 be amended and sections 8
1315.131, 5502.80, and 5747.87 of the Revised Code be enacted to 9
read as follows: 10

Sec. 1315.131. (A) To provide revenue for local law 11
enforcement, a transfer fee is imposed on licensees and 12
authorized delegates that transmit money from a customer in this 13
state. The amount of the transfer fee equals three per cent of 14
the amount of money, or its equivalent, transmitted by the 15
licensee or authorized delegate in the transaction. 16

(B) A licensee or authorized delegate may bill or invoice 17

the transfer fee imposed by this section to the customer from 18
which the money is transmitted, but shall provide that customer 19
with an itemized receipt that lists the amount of the transfer 20
fee as a separate line item from any other amounts charged by 21
the licensee or authorized delegate in connection with the 22
transaction. 23

(C) A person that transmitted money from a customer in 24
this state shall file a quarterly report and pay the aggregate 25
amount of transfer fees due on all such transactions during the 26
previous quarter to the superintendent of financial institutions 27
in a form and manner prescribed by the superintendent. If the 28
report is filed and the amount of the transfer fees shown on the 29
report to be due is paid on or before the date the report is 30
required to be filed, the person is entitled to a discount equal 31
to three-fourths of one per cent of the amount otherwise shown 32
to be due on the report. 33

(D) The withholding illegal revenue entering drug markets 34
fund is created in the state treasury. All transfer fees 35
collected by the superintendent under this section shall be 36
deposited into the fund. All investment earnings of the fund 37
shall be credited to the fund. The superintendent and the 38
director of public safety shall use the moneys in the fund to 39
make transfers as required by section 5747.87 of the Revised 40
Code and for the purposes described in section 5502.80 of the 41
Revised Code. 42

(E) Every licensee and authorized delegate that transfers 43
money from customers in this state shall conspicuously post a 44
notice in the licensee's or authorized delegate's place of 45
business, in a form prescribed by the superintendent, that 46
informs customers of the tax credit authorized by section 47

5747.87 of the Revised Code for transfer fees imposed by this 48
section that are billed or invoiced to the customer. 49

Sec. 5502.80. (A) As used in this section, "law 50
enforcement agency" means an organized police department, 51
sheriff's office, or marshal's office of any county, municipal 52
corporation, or township. 53

(B) The department of public safety shall use moneys 54
deposited to the withholding illegal revenue entering drug 55
markets fund, under section 1315.131 of the Revised Code, to 56
award grants to law enforcement agencies to defray costs 57
incurred by those agencies for investigation of human 58
trafficking and drug trafficking, and enforcement of related 59
laws. 60

(C) The director of public safety, in administering the 61
grants, shall do both of the following: 62

(1) Ensure that funds are distributed equitably to 63
jurisdictions throughout the state and among law enforcement 64
agencies of varying sizes. 65

(2) Allow more than one law enforcement agency to apply 66
collectively for a grant to fund cooperative efforts to 67
investigate human trafficking and drug trafficking and enforce 68
related laws, including efforts conducted through a drug task 69
force, as defined in section 5502.68 of the Revised Code. 70

(D) The director of public safety, in consultation with 71
the superintendent of financial institutions, shall adopt rules 72
under Chapter 119. of the Revised Code to establish guidelines 73
for the grant program and for administering the fund and to 74
establish application procedures for law enforcement agencies 75
seeking a grant under this section. 76

Sec. 5747.87. (A) As used in this section, "authorized 77
delegate," "licensee," and "transmit money" have the same 78
meanings as in section 1315.01 of the Revised Code. 79

(B) A refundable credit is allowed against a taxpayer's 80
aggregate tax liability under section 5747.02 of the Revised 81
Code. The credit shall equal the amount of transfer fees imposed 82
by section 1315.131 of the Revised Code that are billed or 83
invoiced to, and paid by, a taxpayer in the taxable year, but 84
the amount of credit allowed shall not exceed, for any taxable 85
year, three hundred dollars, including any credit amounts 86
apportioned or allocated to the taxpayer by a pass-through 87
entity. The credit applies only to transfer fees paid for 88
transactions in which the taxpayer is the customer of a licensee 89
or authorized delegate. The credit is not available for transfer 90
fees paid by a taxpayer acting as a licensee or authorized 91
delegate by transmitting money on behalf of another customer. 92

The credit shall be claimed in the order required under 93
section 5747.98 of the Revised Code. If the amount of the credit 94
under this section exceeds the aggregate amount of tax otherwise 95
due under section 5747.02 of the Revised Code after deduction of 96
all other credits in that order, the taxpayer is entitled to a 97
refund of the excess. 98

If the taxpayer is a direct or indirect investor in a 99
pass-through entity that paid transfer fees under section 100
1315.131 of the Revised Code during the taxpayer's taxable year 101
that would have qualified the entity for the credit if the 102
entity was a taxpayer, the taxpayer may claim its proportionate 103
or distributive share of the credit allowed under this section. 104

(C) The tax commissioner may require the taxpayer to 105
furnish proof of payment of transfer fees under section 1315.131 106

of the Revised Code as a condition of obtaining the credit 107
authorized under this section. 108

(D) On or before the thirtieth day of July of each year, 109
the tax commissioner shall certify to the superintendent of the 110
division of financial institutions and the director of budget 111
and management the amount of tax credits claimed under this 112
section in the preceding fiscal year. Within fifteen days after 113
receipt of this certification, the director of budget and 114
management shall transfer money equal to the certified amount to 115
the general revenue fund from the withholding illegal revenue 116
entering drug markets fund created in section 1315.131 of the 117
Revised Code. 118

Sec. 5747.98. (A) To provide a uniform procedure for 119
calculating a taxpayer's aggregate tax liability under section 120
5747.02 of the Revised Code, a taxpayer shall claim any credits 121
to which the taxpayer is entitled in the following order: 122
