<b><u>SYNOPSIS</u></b>	14
<b>Parental notification and minor patient consent</b>	15
<b>R.C. 3798.05</b>	16
Specifies that the bill's requirement that a health care	17
provider annually inform a minor patient's parent or legal	18
guardian about circumstances in which a minor is permitted to	19
receive health care without parental consent and that disclosure	20
of medical records may not be made without the minor's consent,	21
does not apply when the provider renders services to the minor	22
patient on an episodic basis or in an emergency department or	23
urgent care center, when it should not be reasonably expected	24
that services will continue.	25
Requires that the annual notice described above include	26
notifying the parent that the minor patient's consent for	27
parental access to medical records applies only to records	28
regarding care provided by the health care provider that	29
obtained the consent.	30
