sandbox program. 235

(C) The governor may require an application fee to offset 236

that the regulatory relief division determines is necessary. 254

(F) Not later than five business days after the date a 255

(1) Review the application and refer it to each applicable 258
state agency that regulates the applicant's business; 259

(2) Provide the applicant with an acknowledgment of 260
receipt of the application and the identity and contact 261

public records for the purposes of Chapter 149. of the Revised 265
Code. 266

Sec. 1357.06. (A) (1) Subject to division (A) (2) of this 267

which an applicable agency receives a complete application under 269
section 1357.05 of the Revised Code for review, the applicable 270

division of the applicable agency's findings. The report shall 272

include both of the following: 273

(b) A recommendation to the regulatory relief division 278
that the applicant either be admitted or denied entrance into 279
the universal regulatory sandbox. 280

(2) The applicable agency may extend the deadline for 281

this section by an additional five business days by providing 283
notice of the extension to the regulatory relief division. The 284
applicable agency shall not extend the deadline more than once 285
for each application. 286

(3) If the applicable agency recommends an applicant under 287
this section be denied entrance into the universal regulatory 288
sandbox, the written report shall include a description of the 289
reasons for the recommendation, including why a temporary waiver 290
or suspension of the relevant laws or regulations would 291
potentially significantly harm the health, safety, or financial 292
well-being of consumers or the public, or create unreasonable 293
expenses for the taxpayers of this state, and the likelihood of 294
such harm or expenses. 295

(4) If the applicable agency determines that the 296
consumer's or public's health, safety, or financial well-being 297
can be protected through less restrictive means than the 298
existing relevant laws or regulations, then the applicable 299
agency shall provide a recommendation of how that may be 300
achieved. 301

(5) If an applicable agency fails to deliver a written 302
report as required by this section, the regulatory relief 303
division shall proceed as though the applicable agency does not 304
object to the temporary waiver or suspension of the relevant 305
laws or regulations for an applicant seeking to participate in 306
the universal regulatory sandbox. 307

(B) The regulatory relief division shall immediately 308
reject an application if any of the following apply: 309

discretion, that the applicant's offering fails to comply with 311
standards or specifications required by federal law or 312
regulations; 313

(2) An applicable agency timely recommends that the 314
applicant be denied entrance to the universal regulatory sandbox 315

applicant is better suited for the regulatory sandbox program 320
authorized by Chapter 1355. of the Revised Code; 321

(4) The applicant or any person who seeks to participate 322
with the applicant in demonstrating an offering has been 323
convicted, entered a plea of nolo contendere, or entered a plea 324
of guilty or nolo contendere held in abeyance, for any crime 325
involving significant theft, fraud, or dishonesty. 326

(C) (1) The regulatory relief division shall provide all 327
applications received under section 1357.05 of the Revised Code 328
and written reports received under this section, other than 329
those rejected under division (B) of this section, to the 330

universal regulatory sandbox program advisory committee. 331

(2) The universal regulatory sandbox program advisory 332
committee shall meet to review an application and any 333
corresponding reports not less than thirty days, and not more 334
than one hundred twenty days, after receiving the application 335
from the regulatory relief division under division (C) (1) of 336
this section. 337

the universal regulatory sandbox program advisory committee 339

by division (C) (3) of this section if no applications are 342
available for review. 343

reports of applicable agencies, the committee shall provide the 345
governor and the common sense initiative office the committee's 346
recommendation that the applicant either be admitted or denied 347
entrance into the universal regulatory sandbox. 348

(D) The universal regulatory sandbox program advisory 349
committee shall consider all of the following in determining 350
whether to recommend that an applicant be admitted to the 351
universal regulatory sandbox: 352

(1) Whether the applicable agency has previously issued a 353
license or other authorization to the applicant; 354

(2) Whether the applicable agency has previously 355
investigated, sanctioned, or pursued legal action against the 356
applicant; 357

(3) Whether a competitor to the applicant is or has been a 358

universal regulatory sandbox participant; 359

(4) Whether the applicant's plan adequately protects 360
consumers from potential harm; 361

(5) The risk of harm to consumers as compared to the 362
potential benefits of the applicant's participation in the 363
universal regulatory sandbox. 364

(E) (1) The regulatory relief division, the common sense 365
initiative office, or the governor may deny any application 366
submitted under this chapter for any reason, including if the 367
division, office, or governor determines that the preponderance 368
of evidence demonstrates that suspending or waiving enforcement 369
of a law or regulation would cause a significant risk of harm to 370
consumers or residents of the state. 371

(2) If the division, office, or governor denies an 372
application under division (E) (1) or (B) of this section, the 373
division shall provide to the applicant a written description of 374
the reasons for not allowing the applicant to participate in the 375
universal regulatory sandbox. 376

(3) The division's, office's, or governor's determination 377
to deny an application is final. 378

Sec. 1357.07. (A) (1) Subject to division (B) of section 379
1357.06 of the Revised Code, upon receiving a recommendation to 380
approve an application from the universal regulatory sandbox 381
program advisory committee, the regulatory relief division, in 382
consultation with the governor, may enter into a written 383
agreement with the applicant admitting the applicant to the 384
universal regulatory sandbox and describing the specific laws 385
and regulations that are waived or suspended as part of the 386
applicant's participation therein. 387

(2) The sandbox participant may demonstrate the offering 388
described in the sandbox participant's application, as described 389
in the agreement, for five years following the date the 390
agreement is entered. 391

(3) An agreement under this section that waives or 392
suspends a law or regulation does so only with respect to 393
consumers who are residents of this state. 394

(4) An agreement under this section does not restrict a 395
sandbox participant that holds a license or other authorization 396
in another state or jurisdiction from acting in accordance with 397
that license or other authorization. 398

(B) The regulatory relief division shall not enter into a 399
written agreement with an applicant that waives or suspends 400

this state, as defined in section 5705.01 of the Revised Code; 403

(2) A law or regulation that allows a consumer to seek 404
restitution in the event that the consumer is harmed. 405

(C) A sandbox participant is deemed to possess an 406
appropriate license or other authorization under the laws of 407
this state for the purposes of any provision of federal law 408
requiring licensure or other authorization by the state. 409

(D) Subject to division (E) of this section, all of the 410
following apply: 411

(1) During the demonstration period, a sandbox participant 412
is not subject to the enforcement of state laws or regulations 413
waived or suspended pursuant to the written agreement between 414
the regulatory relief division and the sandbox participant. 415

(2) A prosecutor shall not file or pursue charges 416
pertaining to a law or regulation waived or suspended pursuant 417
to that agreement that occurs during the demonstration period. 418

(3) A state agency shall not file or pursue any punitive 419
action against a sandbox participant, including a fine or 420
license suspension or revocation, for the violation of a law or 421
regulation waived or suspended pursuant to that agreement that 422
occurs during the demonstration period. 423

(E) A sandbox participant does not have immunity related 424
to any criminal offense committed during the sandbox 425
participant's participation in the universal regulatory sandbox. 426

(F) By written notice, the regulatory relief division may 427
end a sandbox participant's participation in the universal 428
regulatory sandbox at any time and for any reason, including if 429
the division, the common sense initiative office, or the 430
governor determines that a sandbox participant is not operating 431
in good faith to bring an innovative offering to market. 432

(G) Neither the regulatory relief division nor its 433
employees are liable for any business losses or the recouping of 434
application expenses or other expenses related to the regulatory 435

following to the consumer: 443

- (1) The name and contact information of the sandbox participant; 444
445
- (2) That the offering is authorized pursuant to the universal regulatory sandbox and, if applicable, that the sandbox participant does not have a license or other authorization to provide an offering under state laws that regulate offerings outside of the universal regulatory sandbox; 446
447
448
449
450
- (3) That the offering is undergoing testing and may not function as intended and may expose the consumer to certain risks as identified by the applicable agency's written report; 451
452
453
- (4) That the provider of the offering is not immune from civil liability for any losses or damages caused by the offering; 454
455
456

465
466
467
468
- (B) The disclosures required by division (A) of this section shall be provided to a consumer in a clear and conspicuous form and, for an internet or application-based 469

471

offering, a consumer shall acknowledge receipt of the disclosure
before any transaction may be completed.

(C) The regulatory relief division may require that a
sandbox participant make additional disclosures to a consumer.

Sec. 1357.09. (A) At least thirty days before the end of
the demonstration period, a sandbox participant shall either
seek an extension in accordance with section 1357.10 of the
Revised Code or notify the regulatory relief division that the
sandbox participant will exit the regulatory sandbox and
discontinue the sandbox participant's demonstration after the
day on which the demonstration period ends.

(B) Subject to division (C) of this section, if the
regulatory relief division does not receive the notification
required by division (A) of this section, the regulatory sandbox
demonstration period ends five years following the date the
agreement described under section 1357.07 of the Revised Code is
entered.

(C) If a demonstration includes an offering that requires

extension of the universal regulatory sandbox demonstration
period not later than thirty days before the end of that period.
The regulatory relief division shall grant or deny a request for
an extension before the end of the demonstration period. If the

demonstration period would have otherwise ended. The regulatory 501
relief division shall not approve more than three extensions, 502
each having a duration of not more than twelve months, for the 503
same sandbox participant respecting the same demonstration. 504

Sec. 1357.11. (A) A sandbox participant shall retain 505
records, documents, and data produced in the ordinary course of 506
business regarding an offering demonstrated in the universal 507
regulatory sandbox. 508

(B) If a sandbox participant ceases to provide an offering 509
before the end of a demonstration period, the sandbox 510
participant shall notify the regulatory relief division and each 511
applicable agency and report on actions taken by the sandbox 512
participant to ensure consumers have not been harmed as a 513
result. The regulatory relief division shall establish quarterly 514
reporting requirements for a sandbox participant, including 515
information about any consumer complaints. 516

(C) The regulatory relief division may request records, 517
documents, and data from a sandbox participant and, upon the 518
regulatory relief division's request, the sandbox participant 519
shall make such records, documents, and data available for 520
inspection by the regulatory relief division. 521

(D) The sandbox participant shall notify the regulatory 522
relief division and each applicable agency of any incidents that 523
result in harm to the health, safety, or financial well-being of 524
a consumer. If a sandbox participant fails to notify the 525
regulatory relief division and each applicable agency of any 526
incidents as described in division (D) (1) of this section, or 527
the regulatory relief division or an applicable agency has 528
evidence that significant harm to a consumer has occurred, the 529
regulatory relief division may immediately remove the sandbox 530

participant from the universal regulatory sandbox. 531

(E) Not later than thirty days after the date on which a 532
sandbox participant exits the regulatory sandbox, the sandbox 533
participant shall submit a written report to the regulatory 534
relief division and each applicable agency describing the 535
sandbox participant's demonstration, including all of the 536
following: 537

(1) Any incidents of harm to consumers; 538

(2) Any legal action filed against the sandbox participant 539
as a result of the participant's demonstration; 540

(3) Any complaints filed with an applicable agency as a 541
result of the sandbox participant's demonstration. 542

(F) Not later than thirty days after the date on which an 543
applicable agency receives a quarterly reporting or written 544
report from a sandbox participant as required by this section, 545
the applicable agency shall provide a written report to the 546
regulatory relief division on the demonstration that describes 547
any statutory or regulatory reform the applicable agency 548
recommends as a result of the demonstration. 549

(G) The regulatory relief division may remove a sandbox 550
participant from the universal regulatory sandbox at any time if 551
the regulatory relief division determines that a sandbox 552
participant has engaged in, is engaging in, or is about to 553
engage in any practice or transaction that is in violation of 554
this chapter or that constitutes a violation of a law or 555
regulation for which suspension or waiver has not been granted. 556

Sec. 1357.12. (A) The regulatory relief division shall 557
create and maintain a publicly accessible page on the common 558
sense initiative office's web site that invites residents and 559

businesses in this state to make suggestions regarding laws and 560
regulations that could be modified or eliminated to reduce the 561
regulatory burden of residents and businesses in the state. 562

(B) On at least a quarterly basis, the regulatory relief 563
division shall compile the results of suggestions from the web 564
page and provide a written report to the governor and the 565
general assembly, in accordance with section 101.68 of the 566
Revised Code, that describes the most common suggestions. 567

(C) In creating the report, the regulatory relief division 568
and the advisory committee shall ensure that private information 569
of residents and businesses that make suggestions on the web 570
page is not made public. The regulatory relief division may 571
evaluate the suggestions and provide analysis and suggestions 572
regarding which state laws and regulations could be modified or 573
eliminated to reduce the regulatory burden of residents and 574
businesses in the state while still protecting consumers. 575
