rehabilitate the building. "Qualified rehabilitation 121
expenditures" includes architectural or engineering fees paid or 122
incurred in connection with the rehabilitation, and expenses 123
incurred in the preparation of nomination forms for listing on 124
the national register of historic places. "Qualified 125
rehabilitation expenditures" does not include any of the 126
following: 127

(a) The cost of acquiring, expanding, or enlarging an 128
historic building; 129

(b) Expenditures attributable to work done to facilities 130

(3) "Owner" of an historic building means a person holding	134

include the state or a state agency, or any political	136
subdivision as defined in section 9.23 of the Revised Code.	137
(4) "Qualified lessee" means a person subject to a lease	138

(6) "Registered historic district" means an historic	146

(8) "Rehabilitation period" means one of the following:	156
(a) If the rehabilitation initially was not planned to be	157
completed in stages, a period chosen by the owner or qualified	158

rehabilitation occurs; 160

(b) If the rehabilitation initially was planned to be 161
completed in stages, a period chosen by the owner or qualified 162
lessee not to exceed sixty months during which rehabilitation 163
occurs. Each stage shall be reviewed as a phase of a 164
rehabilitation as determined under 26 C.F.R. 1.48-12 or a 165
successor to that section. 166

(9) "State historic preservation officer" or "officer" 167
means the state historic preservation officer appointed by the 168
governor under 16 U.S.C. 470a. 169

(10) "Catalytic project" means the rehabilitation of an 170
historic building, the rehabilitation of which will foster 171
economic development within two thousand five hundred feet of 172
the historic building. 173

(B) The owner or qualified lessee of an historic building 174
may apply to the director of development for a rehabilitation 175
tax credit certificate for qualified rehabilitation expenditures 176
paid or incurred by such owner or qualified lessee after April 177
4, 2007, for rehabilitation of an historic building. If the 178
owner of an historic building enters a pass-through agreement 179
with a qualified lessee for the purposes of the federal 180
rehabilitation tax credit under 26 U.S.C. 47, the qualified 181
rehabilitation expenditures paid or incurred by the owner after 182
April 4, 2007, may be attributed to the qualified lessee. 183

The form and manner of filing such applications shall be 184
prescribed by rule of the director. Each application shall state 185
the amount of qualified rehabilitation expenditures the 186
applicant estimates will be paid or incurred and shall indicate 187
whether the historic building was used as a theater before, and 188

is intended to be used as a theater after, the rehabilitation. 189
The director may require applicants to furnish documentation of 190
such estimates. 191

The director, after consultation with the tax commissioner 192
and in accordance with Chapter 119. of the Revised Code, shall 193
adopt rules that establish all of the following: 194

(1) Forms and procedures by which applicants may apply for 195
rehabilitation tax credit certificates; 196

(2) Criteria for reviewing, evaluating, and approving 197
applications for certificates within the limitations under 198
division (D) of this section, criteria for assuring that the 199
certificates issued encompass a mixture of high and low 200
qualified rehabilitation expenditures, and criteria for issuing 201
certificates under division (C) (3) (b) of this section; 202

(3) Eligibility requirements for obtaining a certificate 203
under this section; 204

(4) The form of rehabilitation tax credit certificates; 205

(5) Reporting requirements and monitoring procedures; 206

(6) Procedures and criteria for conducting cost-benefit 207
analyses of historic buildings that are the subjects of 208
applications filed under this section. The purpose of a cost- 209
benefit analysis shall be to determine whether rehabilitation of 210
the historic building will result in a net revenue gain in state 211
and local taxes once the building is used. 212

(7) Any other rules necessary to implement and administer 213
this section. 214

(C) The director shall review the applications with the 215
assistance of the state historic preservation officer and 216

determine whether all of the following criteria are met: 217

(1) That the building that is the subject of the 218
application is an historic building and the applicant is the 219
owner or qualified lessee of the building; 220

(2) That the rehabilitation will satisfy standards 221
prescribed by the United States secretary of the interior under 222
16 U.S.C. 470, et seq., as amended, and 36 C.F.R. 67.7 or a 223
successor to that section; 224

(3) That receiving a rehabilitation tax credit certificate 225
under this section is a major factor in: 226

(a) The applicant's decision to rehabilitate the historic 227
building; or 228

(b) To increase the level of investment in such 229
rehabilitation. 230

(4) The historic building that is the subject of the 231
application is not, and will not upon completion of the 232
rehabilitation project be, part of a qualified low-income 233
housing project allocated a tax credit pursuant to section 42 of 234
the Internal Revenue Code. 235

An applicant shall demonstrate to the satisfaction of the 236
state historic preservation officer and director that the 237
rehabilitation will satisfy the standards described in division 238
(C) (2) of this section before the applicant begins the physical 239
rehabilitation of the historic building. 240

(D) (1) If the director determines that an application 241
meets the criteria in division (C) of this section, the director 242
shall conduct a cost-benefit analysis for the historic building 243
that is the subject of the application to determine whether 244

rehabilitation of the historic building will result in a net 245
revenue gain in state and local taxes once the building is used. 246
The director shall consider the results of the cost-benefit 247
analysis in determining whether to approve the application. The 248
director shall also consider the potential economic impact and 249
the regional distributive balance of the credits throughout the 250
state. The director shall not consider whether the historic 251
building is located in or will benefit an economically 252
distressed area, including by weighting preference based on the 253
poverty rate in the jurisdiction or census tract in which the 254
building is located, nor shall the director consider or give 255
weighted preference based on vacancy or underutilization of the 256
building. The director may approve an application only after 257
completion of the cost-benefit analysis. 258

(2) A rehabilitation tax credit certificate shall not be 259
issued for an amount greater than the estimated amount furnished 260
by the applicant on the application for such certificate and 261
approved by the director. The director shall not approve more 262
than a total of seventy-five million dollars of rehabilitation 263
tax credits for each of fiscal years 2023 and 2024, and for each 264
fiscal year thereafter, but the director may reallocate unused 265
tax credits from a prior fiscal year for new applicants and such 266
reallocated credits shall not apply toward the dollar limit of 267
this division. 268

(3) For rehabilitations with a rehabilitation period not 269
exceeding twenty-four months as provided in division (A) (8) (a) 270
of this section, a rehabilitation tax credit certificate shall 271
not be issued before the rehabilitation of the historic building 272
is completed. 273

(4) For rehabilitations with a rehabilitation period not 274

exceeding sixty months as provided in division (A) (8) (b) of this 275
section, a rehabilitation tax credit certificate shall not be 276
issued before a stage of rehabilitation is completed. After all 277
stages of rehabilitation are completed, if the director cannot 278
determine that the criteria in division (C) of this section are 279
satisfied for all stages of rehabilitations, the director shall 280
certify this finding to the tax commissioner, and any 281
rehabilitation tax credits received by the applicant shall be 282
repaid by the applicant and may be collected by assessment as 283
unpaid tax by the commissioner. 284

(5) The director shall require the applicant to provide a 285
third-party cost certification by a certified public accountant 286
of the actual costs attributed to the rehabilitation of the 287
historic building when qualified rehabilitation expenditures 288
exceed two hundred thousand dollars. 289

If an applicant whose application is approved for receipt 290
of a rehabilitation tax credit certificate fails to provide to 291
the director sufficient evidence of reviewable progress, 292
including a viable financial plan, copies of final construction 293
drawings, and evidence that the applicant has obtained all 294
historic approvals within twelve months after the date the 295
applicant received notification of approval, and if the 296
applicant fails to provide evidence to the director that the 297
applicant has secured and closed on financing for the 298
rehabilitation within eighteen months after receiving 299
notification of approval, the director may rescind the approval 300
of the application. The director shall notify the applicant if 301
the approval has been rescinded. Credits that would have been 302
available to an applicant whose approval was rescinded shall be 303
available for other qualified applicants. Nothing in this 304
division prohibits an applicant whose approval has been 305

rescinded from submitting a new application for a rehabilitation
tax credit certificate.

(6) The director may approve the application of, and issue
a rehabilitation tax credit certificate to, the owner of a
catalytic project, provided the application otherwise meets the
criteria described in divisions (C) and (D) of this section. The
director may not approve more than one application for a
rehabilitation tax credit certificate under division (D) (6) of
this section during each state fiscal biennium. The director
shall not approve an application for a rehabilitation tax credit
certificate under division (D) (6) of this section during the
state fiscal biennium beginning July 1, 2017, or during any
state fiscal biennium thereafter. The director shall consider
the following criteria in determining whether to approve an
application for a certificate under division (D) (6) of this
section:

(a) Whether the historic building is a catalytic project;

(b) The effect issuance of the certificate would have on
the availability of credits for other applicants that qualify
for a credit certificate within the credit dollar limit
described in division (D) (2) of this section;

(c) The number of jobs, if any, the catalytic project will
create.

(7) (a) The owner or qualified lessee of a historic
building may apply for a rehabilitation tax credit certificate
under both divisions (B) and (D) (6) of this section. In such a
case, the director shall consider each application at the time
the application is submitted.

(b) The director shall not issue more than one certificate

under this section with respect to the same qualified 335
rehabilitation expenditures. 336

(8) The director shall give consideration for tax credits 337
awarded under this section to rehabilitations of historic 338
buildings used as a theater before, and intended to be used as a 339
theater after, the rehabilitation. In determining whether to 340
approve an application for such a rehabilitation, the director 341
shall consider the extent to which the rehabilitation will 342
increase attendance at the theater and increase the theater's 343
gross revenue. 344

(9) The director shall rescind the approval of any 345
application if the building that is the subject of the 346
application is part of a qualified low-income housing project 347
allocated a tax credit pursuant to section 42 of the Internal 348
Revenue Code at any time before the building's rehabilitation is 349
complete. 350

(E) Issuance of a certificate represents a finding by the 351
director of the matters described in divisions (C) (1), (2), and 352
(3) of this section only; issuance of a certificate does not 353
represent a verification or certification by the director of the 354
amount of qualified rehabilitation expenditures for which a tax 355
credit may be claimed under section 5725.151, 5725.34, 5726.52, 356
5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of 357
qualified rehabilitation expenditures for which a tax credit may 358
be claimed is subject to inspection and examination by the tax 359
commissioner or employees of the commissioner under section 360
5703.19 of the Revised Code and any other applicable law. Upon 361
the issuance of a certificate, the director shall certify to the 362
tax commissioner, in the form and manner requested by the tax 363
commissioner, the name of the applicant, the amount of qualified 364

rehabilitation expenditures shown on the certificate, and any 365
other information required by the rules adopted under this 366
section. 367

(F) (1) On or before the first day of August each year, the 368
director and tax commissioner jointly shall submit to the 369
president of the senate and the speaker of the house of 370
representatives a report on the tax credit program established 371
under this section and sections 5725.151, 5725.34, 5726.52, 372
5729.17, 5733.47, and 5747.76 of the Revised Code. The report 373
shall present an overview of the program and shall include 374
information on the number of rehabilitation tax credit 375
certificates issued under this section during the preceding 376
fiscal year, an update on the status of each historic building 377
for which an application was approved under this section, the 378
dollar amount of the tax credits granted under sections 379
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the 380
Revised Code, and any other information the director and 381
commissioner consider relevant to the topics addressed in the 382
report. 383

(2) On or before December 1, 2015, the director and tax 384
commissioner jointly shall submit to the president of the senate 385
and the speaker of the house of representatives a comprehensive 386
report that includes the information required by division (F) (1) 387
of this section and a detailed analysis of the effectiveness of 388
issuing tax credits for rehabilitating historic buildings. The 389
report shall be prepared with the assistance of an economic 390
research organization jointly chosen by the director and 391
commissioner. 392

(G) There is hereby created in the state treasury the 393
historic rehabilitation tax credit operating fund. The director 394

is authorized to charge reasonable application and other fees in 395
connection with the administration of tax credits authorized by 396
this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 397
5733.47, and 5747.76 of the Revised Code. Any such fees 398
collected shall be credited to the fund and used to pay 399
reasonable costs incurred by the department of development in 400
administering this section and sections 5725.151, 5725.34, 401
5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code. 402

The Ohio historic preservation office is authorized to 403
charge reasonable fees in connection with its review and 404
approval of applications under this section. Any such fees 405
collected shall be credited to the fund and used to pay 406
administrative costs incurred by the Ohio historic preservation 407
office pursuant to this section. 408

(H) Notwithstanding sections 5725.151, 5725.34, 5726.52, 409
5729.17, 5733.47, and 5747.76 of the Revised Code, the 410
certificate owner of a tax credit certificate issued under 411
division (D)(6) of this section may claim a tax credit equal to 412
twenty-five per cent of the dollar amount indicated on the 413
certificate for a total credit of not more than twenty-five 414
million dollars. The credit claimed by such a certificate owner 415
for any calendar year, tax year, or taxable year under section 416
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the 417
Revised Code shall not exceed five million dollars. If the 418
certificate owner is eligible for more than five million dollars 419
in total credits, the certificate owner may carry forward the 420
balance of the credit in excess of the amount claimed for that 421
year for not more than five ensuing calendar years, tax years, 422
or taxable years. If the credit claimed in any calendar year, 423
tax year, or taxable year exceeds the tax otherwise due, the 424
excess shall be refunded to the taxpayer. 425

(I) Notwithstanding sections 5725.151, 5725.34, 5726.52, 426
5729.17, 5733.47, and 5747.76 of the Revised Code, the following 427
apply to a tax credit approved under this section after 428
September 13, 2022, and before July 1, 2024: 429

(1) The certificate holder may claim a tax credit equal to 430

that there will be little opportunity for public appreciation of 1061
works of art in or on the public building, that the value of 1062
some features or characteristics inherent in the architectural 1063
design of the public building should apply toward the one per 1064
cent requirement, or that the public building is or will be 1065
amply supplied with works of art even without works of art 1066
purchased from the council under division (C) of this section. 1067
The director shall make all final decisions with regard to 1068
whether and to what extent a construction or renovation project 1069
is subject to division (C) or ~~(D)~~ (E) of this section. 1070

(2) Not later than forty-five days after the effective 1071

million dollars of state money is to be spent by a state agency 1073
on the construction or renovation of a public building, the 1074
director of budget and management shall prepare a preliminary 1075
report listing each appropriation and each designation of 1076
nonappropriated state proceeds of more than four million dollars 1077
for the construction or renovation of a public building, and 1078

send a copy of the preliminary report to the council and to each 1084
state agency that received an appropriation or nonappropriated 1085
state proceeds of more than four million dollars for the 1086
construction or renovation of a public building under the act. 1087

(3) Not later than thirty days after the director sends 1088
the preliminary report required under division ~~(D)~~ (2) ~~(E)~~ (2) of 1089
this section, a state agency may deliver to the director of 1090
budget and management a request for the director to make a 1091

determination under division ~~(D) (1)~~ (E) (1) of this section or to 1092
reconsider a determination made under that division. If the 1093
director approves the request, the director shall revise the 1094
preliminary report consistent with the approved request. Not 1095
later than forty-five days after sending a preliminary report, 1096
the director shall send a final report to the council and to 1097
each state agency referred to in division ~~(D) (2)~~ (E) (2) of this 1098
section. 1099

the works of art and related costs as follows: 1104

(a) The state agency shall encumber sufficient money to 1105
pay for the purchase and installation of the works of art and 1106
shall authorize the council to make payments against those 1107
encumbrances for the purchase and installation of the works of 1108
art. The council shall use the encumbered money to acquire and 1109
install the works of art. 1110

(b) If the council expects to make expenditures in 1111
connection with the selection of artists for a specific project, 1112
including expenditures for printing or for jurors, the council 1113
shall estimate the amount of such expenditures it expects to 1114
make and certify that amount to the state agency and to the 1115
director of budget and management. Upon determining that there 1116
is an unobligated balance in an appropriation for the state 1117
agency that may be used for the purpose, the director of budget 1118
and management shall transfer the amount certified from the 1119
appropriation to the per cent for art acquisitions fund, which 1120
is hereby created in the state treasury, on an intrastate 1121

transfer voucher. The fund shall be used by the council to pay 1122
costs it incurs in connection with the selection of artists for 1123
specific projects, including costs for printing and for jurors. 1124

All amounts encumbered or transferred under division ~~(E)~~ 1125
~~(1)~~ ~~(a)~~ (F) (1) (a) or (b) of this section shall be applied toward 1126
the percentage requirement of division (C) or ~~(D)~~ (E) of this 1127
section. 1128

(2) Where nonappropriated state proceeds of bonds, notes, 1129
or other obligations will be used to purchase works of art from 1130
the council under division (C) or ~~(D)~~ (E) of this section, the 1131
state agency that has contracted to purchase the works of art 1132
shall make payment to the council for the works of art and 1133
related costs as follows: 1134

(a) The council shall submit to the state agency invoices 1135
requesting payment for the purchase and installation of the 1136
works of art. 1137

(b) If the council expects to make expenditures in 1138
connection with the selection of artists for a specific project, 1139
including expenditures for printing or for jurors, the council 1140
shall estimate the amount of such expenditures it expects to 1141
make and submit to the state agency invoices requesting payment 1142
in that amount. The state agency shall promptly remit payment to 1143
the council in the amounts of all such invoices. Such 1144
remittances shall be deposited in the state treasury to the 1145
credit of the per cent for art acquisitions fund. 1146

All amounts remitted under this division shall be applied 1147
toward the percentage requirement of division (C) or ~~(D)~~ (E) of 1148
this section. 1149

~~(F)~~ (G) The council shall consult with the chief executive 1150

sites they will be placed; 1157

(2) Which artists, if any, will be commissioned to create 1158
a work of art; 1159

(3) The sale, exchange, and disposition of works of art 1160
used in the program. 1161

~~(G)~~(H) The council shall make all final decisions in 1162
regard to the matters described in divisions ~~(F)~~~~(1)~~(G) (1) to (3) 1163
of this section. 1164

~~(H)~~(I) Each state agency that has purchased works of art 1165
from the council under division (C) or ~~(D)~~(E) of this section 1166
shall maintain the works of art and pay the costs of 1167
maintenance. Money spent by the agency for maintenance of the 1168
works of art shall not be applied toward the percentage 1169
requirement of division (C) or ~~(D)~~(E) of this section. 1170

quarters in the case of successor metrics, available in the 2275
database maintained by CMS and known as nursing home compare in 2276
the most recent month of the calendar year during which the 2277
fiscal year for which the rate is determined begins: 2278

(i) The percentage of the nursing facility's long-stay 2279

residents at high risk for pressure ulcers who had pressure 2280
ulcers; 2281

(ii) The percentage of the nursing facility's long-stay 2282
residents who had a urinary tract infection; 2283

(iii) The percentage of the nursing facility's long-stay 2284
residents whose ability to move independently worsened; 2285

(iv) The percentage of the nursing facility's long-stay 2286
residents who had a catheter inserted and left in their bladder. 2287

If CMS ceases to publish any of the metrics specified in 2288
division (C)(1)(a) of this section, the department shall use the 2289
nursing facility quality metrics on the same topics that CMS 2290
subsequently publishes. 2291

(b) Seven and five-tenths points for fiscal year 2024 and 2292
three points for fiscal year 2025 and subsequent fiscal years if 2293
the nursing facility's occupancy rate is greater than seventy- 2294
five per cent. For purposes of this division, the department 2295
shall utilize the facility's occupancy rate for licensed beds 2296
reported on its cost report for the calendar year preceding the 2297
fiscal year for which the rate is determined or, if the facility 2298
is not required to be licensed, the facility's occupancy rate 2299
for certified beds. If the facility surrenders licensed or 2300
certified beds before the first day of July of the calendar year 2301
in which the fiscal year begins, the department shall calculate 2302
a nursing facility's occupancy rate by dividing the inpatient 2303
days reported on the facility's cost report for the calendar 2304
year preceding the fiscal year for which the rate is determined 2305
by the product of the number of days in the calendar year and 2306
the facility's number of licensed, or if applicable, certified 2307
beds on the first day of July of the calendar year in which the 2308

fiscal year begins. 2309

(c) Beginning with state fiscal year 2025, the total 2310
number of points that CMS assigned to the nursing facility under 2311
CMS's nursing facility five-star quality rating system for the 2312
following quality metrics, or successor metrics designated by 2313
CMS, based on the most recent four-quarter average data 2314
available in the database maintained by CMS and known as nursing 2315
home compare in the most recent month of the calendar year 2316
during which the fiscal year for which the rate is determined 2317
begins: 2318

(i) The percentage of the nursing facility's long-stay 2319
residents whose need for help with daily activities has 2320
increased; 2321

(ii) The percentage of the nursing facility's long-stay 2322
residents experiencing one or more falls with major injury; 2323

(iii) The percentage of the nursing facility's long-stay 2324
residents who were administered an antipsychotic medication; 2325

(iv) Adjusted total nurse staffing hours per resident per 2326
day using quintiles instead of deciles by using the points 2327
assigned to the higher of the two deciles that constitute the 2328
quintile. 2329

If CMS ceases to publish any of the metrics specified in 2330
division (C)(1)(c) of this section, the department shall use the 2331
nursing facility quality metrics on the same topics CMS 2332
subsequently publishes. 2333

(2) In determining a nursing facility's quality score for 2334
a state fiscal year, the department shall make the following 2335
adjustment to the number of points that CMS assigned to the 2336
nursing facility for each of the quality metrics specified in 2337

divisions (C) (1) (a) and (c) of this section: 2338

(a) Unless division (C) (2) (b) or (c) of this section 2339
applies, divide the number of the nursing facility's points for 2340
the quality metric by twenty. 2341

(b) If CMS assigned the nursing facility to the lowest 2342
percentile for the quality metric, reduce the number of the 2343
nursing facility's points for the quality metric to zero. 2344

(c) If the nursing facility's total number of points 2345
calculated for or during a state fiscal year for all of the 2346
quality metrics specified in divisions (C) (1) (a), and if 2347
applicable, division (C) (1) (c) of this section is less than a 2348
number of points that is equal to the twenty-fifth percentile of 2349
all nursing facilities, calculated using the points for the July 2350
1 rate setting of that fiscal year reduce the nursing facility's 2351
points to zero until the next point calculation. If a facility's 2352
recalculated points under division (C) (3) of this section are 2353
below the number of points determined to be the twenty-fifth 2354
percentile for that fiscal year, the facility shall receive zero 2355
points for the remainder of that fiscal year. 2356

(3) A nursing facility's quality score shall be 2357
recalculated for the second half of the state fiscal year based 2358
on the most recent four quarter average data, or the average 2359
data for fewer quarters in the case of successor metrics, 2360
available in the database maintained by CMS and known as the 2361
care compare, in the most recent month of the calendar year 2362
during which the fiscal year for which the rate is determined 2363
begins. The metrics specified by division (C) (1) (b) of this 2364
section shall not be recalculated. In redetermining the quality 2365
payment for each facility based on the recalculated points, the 2366
department shall use the same per point value determined for the 2367

quality payment at the start of the fiscal year. 2368

(D) A nursing facility shall not receive a quality 2369
incentive payment if the Department of Health assigned the 2370
nursing facility to the SFF list under the special focus 2371
facility program and the nursing facility is listed in table A, 2372
on the first day of May of the calendar year for which the rate 2373
is being determined. 2374

(E) The total amount to be spent on quality incentive 2375
payments under division (B) of this section for a fiscal year 2376
shall be determined as follows: 2377

(1) Determine the following amount for each nursing 2378
facility: 2379

(a) The amount that is five and two-tenths per cent of the 2380
nursing facility's base rate for nursing facility services 2381
provided on the first day of the state fiscal year plus one 2382
dollar and seventy-nine cents plus sixty per cent of the per 2383
diem amount by which the nursing facility's ~~rate for direct care~~ 2384
~~costs determined for the fiscal year under section 5165.19 of~~ 2385
~~the Revised Code~~ cost per case-mix unit changed as a result of 2386
the rebasing conducted under section 5165.36 of the Revised 2387
Code. The nursing facility's cost per case-mix unit is 2388
determined under division (C) of section 5165.19 of the Revised 2389
Code and for purposes of this division shall not be multiplied 2390
by the facility's semiannual case-mix score determined under 2391
section 5165.192 of the Revised Code. 2392

(b) Multiply the amount determined under division (E) (1) 2393
(a) of this section by the number of the nursing facility's 2394
medicaid days for the calendar year preceding the fiscal year 2395
for which the rate is determined. 2396

(2) Determine the sum of the products determined under 2397
division (E) (1) (b) of this section for all nursing facilities 2398
for which the product was determined for the state fiscal year. 2399

(3) To the sum determined under division (E) (2) of this 2400
section, add one hundred twenty-five million dollars. 2401

(F) (1) Beginning July 1, 2023, a new nursing facility 2402
shall receive a quality incentive payment for the fiscal year in 2403
which the new facility obtains an initial provider agreement and 2404
the immediately following fiscal year equal to the median 2405
quality incentive payment determined for nursing facilities for 2406
the fiscal year. For the state fiscal year after the immediately 2407
following fiscal year and subsequent fiscal years, the quality 2408
incentive payment shall be determined under division (C) of this 2409
section. 2410

(2) A nursing facility that undergoes a change of operator 2411
with an effective date of July 1, 2025, or later shall not 2412
receive a quality incentive payment until the earlier of the 2413
first day of January or the first day of July that is at least 2414
six months after the effective date of the change of operator. 2415
Thereafter any quality incentive payment shall be determined 2416
under division (C) of this section. 2417

(G) The intent of the general assembly, in amending this 2418
section, is to clarify statutory language in response to the 2419
decision of the Ohio Supreme Court in the case *State ex rel.* 2420
LeadingAge Ohio v. Ohio Dept. of Medicaid, Slip Opinion No. 2421
2025-Ohio-3066 and to require the department to continue 2422
calculating and paying the quality incentive payments in the 2423
manner they were actually paid in state fiscal years 2024 and 2424
2025. The general assembly acknowledges that the department 2425
calculated the quality incentive pool in the way the general 2426

assembly originally intended. 2427

under division (D) of section 5517.011 of the Revised Code. 2712

(5) If the surety fails to pay ~~such~~ the amount computed by 2713
the director under division (A) (3) or (4) of this section, the 2714
director shall certify the facts to the attorney general, who 2715
shall proceed to collect such additional costs from the surety 2716

and the amount so collected shall be paid into the state 2717
treasury to the credit of the fund from which the excess cost 2718
was originally paid. 2719

(B) If, after receiving notice of the action of the 2720
director in terminating the control of the contractor over the 2721
work covered by ~~his~~ the contract, the sureties on such contract 2722
performance bond do not within ten days give the director the 2723
written notice provided for in this section, the director shall 2724
cause that portion of the work which remains uncompleted to be 2725
re-estimated and relet in accordance with the requirements 2726
applicable to original bids; or in the event the director 2727
determines with the approval of the controlling board that an 2728
extraordinary emergency exists, ~~he~~ the director may contract for 2729
the completion of the work without advertising for bids, if ~~he~~ the 2730
director considers it to be in the best public interest. 2731

(C) Before entering into a contract for the completion of 2732
any such improvement in accordance with division (B) of this 2733
section, the director shall require a contract performance bond 2734
and a payment bond with sufficient sureties each in an amount 2735
equal to one hundred per cent of the estimated cost of 2736
completing the work, and conditions relating to the bonds of 2737
original contractors shall apply to such bonds. 2738

(D) (1) If the cost of completing such work under division 2739
(C) of this section exceeds the amount set aside or apportioned 2740
therefor, the remainder of the cost shall be paid from the 2741
appropriations from the state highway operating fund available 2742
for the use of the department of transportation and against 2743
which no contractual obligations exist. 2744

~~If~~ (2) Subject to the limitation specified in division (A) 2745
(4) of this section, if the cost of completing any such 2746

improvement exceeds the portion of the contract price remaining 2747
unpaid to the original contractor at the time of ~~his~~ default, 2748
such excess shall be computed by the director and becomes the 2749
liability of such contractor or surety or both. If either the 2750
contractor or surety fails to pay such amount, the director 2751
shall certify the facts to the attorney general, who shall 2752
proceed to collect such excess cost from the contractor and the 2753
sureties upon ~~his~~ the contract performance bond, and the amount 2754
so collected shall be paid into the state treasury to the credit 2755
of the fund from which the excess cost was originally paid. 2756

(E) Where the estimated cost of completing a defaulted 2757
contract does not exceed five thousand dollars, the director may 2758
complete the same by force account, or by a contract let without 2759
advertisement. 2760

renewal plan for the district that has been adopted by the 2800
legislative authority of the subdivision. 2801

delineates on a map of a proposed incentive district. 2809

(7) "Project" means development activities undertaken on 2810

waterways through improvements that allow for greater public 2830
access; and off-street parking facilities, including those in 2831
which all or a portion of the parking spaces are reserved for 2832
specific uses when determined to be necessary for economic 2833
development purposes. 2834

(9) "Nonperforming parcel" means a parcel to which all of the following apply:

(a) The parcel is exempted from taxation under division (B) of this section or has been included in a district created under division (C) of this section.

(b) The parcel's owner is required to make payments in lieu of taxes in accordance with section 5709.42 of the Revised Code.

(c) No such payments have been remitted to the county treasurer since the inception of the exemption or district.

(B) The legislative authority of a municipal corporation, by ordinance, may declare improvements to certain parcels of real property located in the municipal corporation to be a public purpose. Improvements with respect to a parcel that is used or to be used for residential purposes may be declared a public purpose under this division only if the parcel is located in a blighted area of an impacted city. For this purpose, "parcel that is used or to be used for residential purposes" means a parcel that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the parcel as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code. Except as otherwise provided under division (D) of this section or section 5709.51 or 5709.511 of the Revised Code, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation for a period of not more than ten years. The ordinance shall specify the percentage of the improvement to be exempted from taxation and the life of the exemption.

An ordinance adopted or amended under this division shall
designate the specific public infrastructure improvements made,
to be made, or in the process of being made by the municipal
corporation that directly benefit, or that once made will
directly benefit, the parcels for which improvements are
declared to be a public purpose. The service payments provided
for in section 5709.42 of the Revised Code shall be used to
finance the public infrastructure improvements designated in the
ordinance, for the purpose described in division (D) (1) of this
section or as provided in section 5709.43 of the Revised Code.

(C) (1) The legislative authority of a municipal
corporation may adopt an ordinance creating an incentive
district and declaring improvements to parcels within the
district to be a public purpose and, except as provided in
division (C) (2) of this section, exempt from taxation as
provided in this section, but no legislative authority of a
municipal corporation that has a population that exceeds twenty-
five thousand, as shown by the most recent federal decennial
census, shall adopt an ordinance that creates an incentive
district if the sum of the taxable value of real property in the
proposed district for the preceding tax year and the taxable
value of all real property in the municipal corporation that
would have been taxable in the preceding year were it not for
the fact that the property was in an existing incentive district
and therefore exempt from taxation exceeds twenty-five per cent
of the taxable value of real property in the municipal
corporation for the preceding tax year. The ordinance shall
delineate the boundary of the proposed district and specifically
identify each parcel within the district. A proposed district
may not include any parcel, other than a nonperforming parcel,
that is or has been exempted from taxation under division (B) of

this section or that is or has been within another district 2895
created under this division. On and after the effective date of 2896
the district, a nonperforming parcel within the district is no 2897
longer exempted from taxation under division (B) of this section 2898
or included within an incentive district under any previous 2899
ordinance, and the parcel's owner is no longer required to make 2900
payments in lieu of taxes under such a previous ordinance in 2901
accordance with section 5709.42 of the Revised Code. Any 2902
exemption application filed with the tax commissioner under 2903
section 5715.27 of the Revised Code under the second ordinance 2904
shall identify the nonperforming parcels included in the second 2905
district, the original ordinance under which the nonperforming 2906
parcels were originally exempted, and the value history of each 2907
nonperforming parcel since the enactment of the original 2908
ordinance. An ordinance may create more than one such district, 2909
and more than one ordinance may be adopted under division (C) (1) 2910
of this section. 2911

(2) (a) Not later than thirty days prior to adopting an 2912
ordinance under division (C) (1) of this section, if the 2913
municipal corporation intends to apply for exemptions from 2914
taxation under section 5709.911 of the Revised Code on behalf of 2915
owners of real property located within the proposed incentive 2916
district, the legislative authority of the municipal corporation 2917
shall conduct a public hearing on the proposed ordinance. Not 2918
later than thirty days prior to the public hearing, the 2919
legislative authority shall give notice of the public hearing 2920
and the proposed ordinance by first class mail to every real 2921
property owner whose property is located within the boundaries 2922
of the proposed incentive district that is the subject of the 2923
proposed ordinance. The notice shall include a map of the 2924
proposed incentive district on which the legislative authority 2925

of the municipal corporation shall have delineated an overlay. 2926
The notice shall inform the property owner of the owner's right 2927
to exclude the owner's property from the incentive district if 2928
the owner's entire parcel of property will not be located within 2929
the overlay, by submitting a written response in accordance with 2930
division (C) (2) (b) of this section. The notice also shall 2931
include information detailing the required contents of the 2932
response, the address to which the response may be mailed, and 2933
the deadline for submitting the response. 2934

(b) Any owner of real property located within the 2935
boundaries of an incentive district proposed under division (C) 2936
(1) of this section whose entire parcel of property is not 2937
located within the overlay may exclude the property from the 2938
proposed incentive district by submitting a written response to 2939
the legislative authority of the municipal corporation not later 2940
than forty-five days after the postmark date on the notice 2941
required under division (C) (2) (a) of this section. The response 2942
shall be sent by first class mail or delivered in person at a 2943
public hearing held by the legislative authority under division 2944
(C) (2) (a) of this section. The response shall conform to any 2945
content requirements that may be established by the municipal 2946
corporation and included in the notice provided under division 2947
(C) (2) (a) of this section. In the response, property owners may 2948
identify a parcel by street address, by the manner in which it 2949
is identified in the ordinance, or by other means allowing the 2950
identity of the parcel to be ascertained. 2951

(c) Before adopting an ordinance under division (C) (1) of 2952
this section, the legislative authority of a municipal 2953
corporation shall amend the ordinance to exclude any parcel 2954
located wholly or partly outside the overlay for which a written 2955
response has been submitted under division (C) (2) (b) of this 2956

section. A municipal corporation shall not apply for exemptions 2957
from taxation under section 5709.911 of the Revised Code for any 2958
such parcel, and service payments may not be required from the 2959
owner of the parcel. Improvements to a parcel excluded from an 2960
incentive district under this division may be exempted from 2961
taxation under division (B) of this section pursuant to an 2962
ordinance adopted under that division or under any other section 2963
of the Revised Code under which the parcel qualifies. 2964

(3) (a) An ordinance adopted under division (C) (1) of this 2965
section shall specify the life of the incentive district and the 2966
percentage of the improvements to be exempted, shall designate 2967
the public infrastructure improvements made, to be made, or in 2968
the process of being made, that benefit or serve, or, once made, 2969
will benefit or serve parcels in the district. The ordinance 2970
also shall identify one or more specific projects being, or to 2971
be, undertaken in the district that place additional demand on 2972
the public infrastructure improvements designated in the 2973
ordinance. The project identified may, but need not be, the 2974
project under division (C) (3) (b) of this section that places 2975
real property in use for commercial or industrial purposes. 2976
Except as otherwise permitted under that division, the service 2977
payments provided for in section 5709.42 of the Revised Code 2978
shall be used to finance the designated public infrastructure 2979
improvements, for the purpose described in division (D) (1), (E), 2980
or (F) of this section, or as provided in section 5709.43 of the 2981
Revised Code. 2982

An ordinance adopted under division (C) (1) of this section 2983
on or after March 30, 2006, shall not designate police or fire 2984
equipment as public infrastructure improvements, and no service 2985
payment provided for in section 5709.42 of the Revised Code and 2986
received by the municipal corporation under the ordinance shall 2987

be used for police or fire equipment. 2988

(b) An ordinance adopted under division (C) (1) of this 2989
section may authorize the use of service payments provided for 2990
in section 5709.42 of the Revised Code for the purpose of 2991
housing renovations within the incentive district, provided that 2992
the ordinance also designates public infrastructure improvements 2993
that benefit or serve the district, and that a project within 2994
the district places real property in use for commercial or 2995
industrial purposes. Service payments may be used to finance or 2996
support loans, deferred loans, and grants to persons for the 2997
purpose of housing renovations within the district. The 2998
ordinance shall designate the parcels within the district that 2999
are eligible for housing renovation. The ordinance shall state 3000
separately the amounts or the percentages of the expected 3001
aggregate service payments that are designated for each public 3002
infrastructure improvement and for the general purpose of 3003
housing renovations. 3004

(4) Except with the approval of the board of education of 3005
each city, local, or exempted village school district within the 3006
territory of which the incentive district is or will be located, 3007
and subject to division (E) of this section, the life of an 3008
incentive district shall not exceed ten years, and the 3009
percentage of improvements to be exempted shall not exceed 3010
seventy-five per cent. With approval of the board of education, 3011
the life of a district may be not more than thirty years, and 3012
the percentage of improvements to be exempted may be not more 3013
than one hundred per cent. The approval of a board of education 3014
shall be obtained in the manner provided in division (D) of this 3015
section. 3016

(D) (1) If the ordinance declaring improvements to a parcel 3017

to be a public purpose or creating an incentive district 3018
specifies that payments in lieu of taxes provided for in section 3019
5709.42 of the Revised Code shall be paid to the city, local, or 3020
exempted village, and joint vocational school district in which 3021
the parcel or incentive district is located in the amount of the 3022
taxes that would have been payable to the school district if the 3023
improvements had not been exempted from taxation, the percentage 3024
of the improvement that may be exempted from taxation may exceed 3025
seventy-five per cent, and the exemption may be granted for up 3026
to thirty years, without the approval of the board of education 3027
as otherwise required under division (D) (2) of this section. 3028

(2) Improvements with respect to a parcel may be exempted 3029
from taxation under division (B) of this section, and 3030
improvements to parcels within an incentive district may be 3031
exempted from taxation under division (C) of this section, for 3032
up to ten years or, with the approval under this paragraph of 3033
the board of education of the city, local, or exempted village 3034
school district within which the parcel or district is located, 3035
for up to thirty years. The percentage of the improvement 3036
exempted from taxation may, with such approval, exceed seventy- 3037
five per cent, but shall not exceed one hundred per cent. Not 3038
later than forty-five business days prior to adopting an 3039
ordinance under this section declaring improvements to be a 3040
public purpose that is subject to approval by a board of 3041
education under this division, the legislative authority shall 3042
deliver to the board of education a notice stating its intent to 3043
adopt an ordinance making that declaration. The notice regarding 3044
improvements with respect to a parcel under division (B) of this 3045
section shall identify the parcels for which improvements are to 3046
be exempted from taxation, provide an estimate of the true value 3047
in money of the improvements, specify the period for which the 3048

improvements would be exempted from taxation and the percentage 3049
of the improvement that would be exempted, and indicate the date 3050
on which the legislative authority intends to adopt the 3051
ordinance. The notice regarding improvements to parcels within 3052
an incentive district under division (C) of this section shall 3053
delineate the boundaries of the district, specifically identify 3054
each parcel within the district, identify each anticipated 3055
improvement in the district, provide an estimate of the true 3056
value in money of each such improvement, specify the life of the 3057
district and the percentage of improvements that would be 3058
exempted, and indicate the date on which the legislative 3059
authority intends to adopt the ordinance. The board of 3060
education, by resolution adopted by a majority of the board, may 3061
approve the exemption for the period or for the exemption 3062
percentage specified in the notice; may disapprove the exemption 3063
for the number of years in excess of ten, may disapprove the 3064
exemption for the percentage of the improvement to be exempted 3065
in excess of seventy-five per cent, or both; or may approve the 3066
exemption on the condition that the legislative authority and 3067
the board negotiate an agreement providing for compensation to 3068
the school district equal in value to a percentage of the amount 3069
of taxes exempted in the eleventh and subsequent years of the 3070
exemption period or, in the case of exemption percentages in 3071
excess of seventy-five per cent, compensation equal in value to 3072
a percentage of the taxes that would be payable on the portion 3073
of the improvement in excess of seventy-five per cent were that 3074
portion to be subject to taxation, or other mutually agreeable 3075
compensation. If an agreement is negotiated between the 3076
legislative authority and the board to compensate the school 3077
district for all or part of the taxes exempted, including 3078
agreements for payments in lieu of taxes under section 5709.42 3079
of the Revised Code, the legislative authority shall compensate 3080

the joint vocational school district within which the parcel or 3081
district is located at the same rate and under the same terms 3082
received by the city, local, or exempted village school 3083
district. 3084

(3) The board of education shall certify its resolution to 3085
the legislative authority not later than fourteen days prior to 3086
the date the legislative authority intends to adopt the 3087
ordinance as indicated in the notice. If the board of education 3088
and the legislative authority negotiate a mutually acceptable 3089
compensation agreement, the ordinance may declare the 3090
improvements a public purpose for the number of years specified 3091
in the ordinance or, in the case of exemption percentages in 3092
excess of seventy-five per cent, for the exemption percentage 3093
specified in the ordinance. In either case, if the board and the 3094
legislative authority fail to negotiate a mutually acceptable 3095
compensation agreement, the ordinance may declare the 3096
improvements a public purpose for not more than ten years, and 3097
shall not exempt more than seventy-five per cent of the 3098
improvements from taxation. If the board fails to certify a 3099
resolution to the legislative authority within the time 3100
prescribed by this division, the legislative authority thereupon 3101
may adopt the ordinance and may declare the improvements a 3102
public purpose for up to thirty years, or, in the case of 3103
exemption percentages proposed in excess of seventy-five per 3104
cent, for the exemption percentage specified in the ordinance. 3105
The legislative authority may adopt the ordinance at any time 3106
after the board of education certifies its resolution approving 3107
the exemption to the legislative authority, or, if the board 3108
approves the exemption on the condition that a mutually 3109
acceptable compensation agreement be negotiated, at any time 3110
after the compensation agreement is agreed to by the board and 3111

the legislative authority. 3112

(4) If a board of education has adopted a resolution 3113
waiving its right to approve exemptions from taxation under this 3114
section and the resolution remains in effect, approval of 3115
exemptions by the board is not required under division (D) of 3116
this section. If a board of education has adopted a resolution 3117
allowing a legislative authority to deliver the notice required 3118
under division (D) of this section fewer than forty-five 3119
business days prior to the legislative authority's adoption of 3120
the ordinance, the legislative authority shall deliver the 3121
notice to the board not later than the number of days prior to 3122
such adoption as prescribed by the board in its resolution. If a 3123
board of education adopts a resolution waiving its right to 3124
approve agreements or shortening the notification period, the 3125
board shall certify a copy of the resolution to the legislative 3126
authority. If the board of education rescinds such a resolution, 3127
it shall certify notice of the rescission to the legislative 3128
authority. 3129

(5) If the legislative authority is not required by 3130
division (D) of this section to notify the board of education of 3131
the legislative authority's intent to declare improvements to be 3132
a public purpose, the legislative authority shall comply with 3133
the notice requirements imposed under section 5709.83 of the 3134
Revised Code, unless the board has adopted a resolution under 3135
that section waiving its right to receive such a notice. 3136

(6) Nothing in division (D) of this section prohibits the 3137
legislative authority of a municipal corporation from amending 3138
the ordinance or resolution under section 5709.51 or 5709.511 of 3139
the Revised Code to extend the term of the exemption. 3140

(E) (1) If a proposed ordinance under division (C) (1) of 3141

this section exempts improvements with respect to a parcel 3142
within an incentive district for more than ten years, or the 3143
percentage of the improvement exempted from taxation exceeds 3144
seventy-five per cent, not later than forty-five business days 3145
prior to adopting the ordinance the legislative authority of the 3146
municipal corporation shall deliver to the board of county 3147
commissioners of the county within which the incentive district 3148
will be located a notice that states its intent to adopt an 3149
ordinance creating an incentive district. The notice shall 3150
include a copy of the proposed ordinance, identify the parcels 3151
for which improvements are to be exempted from taxation, provide 3152
an estimate of the true value in money of the improvements, 3153
specify the period of time for which the improvements would be 3154
exempted from taxation, specify the percentage of the 3155
improvements that would be exempted from taxation, and indicate 3156
the date on which the legislative authority intends to adopt the 3157
ordinance. 3158

(2) The board of county commissioners, by resolution 3159
adopted by a majority of the board, may object to the exemption 3160
for the number of years in excess of ten, may object to the 3161
exemption for the percentage of the improvement to be exempted 3162
in excess of seventy-five per cent, or both. If the board of 3163
county commissioners objects, the board may negotiate a mutually 3164
acceptable compensation agreement with the legislative 3165
authority. In no case shall the compensation provided to the 3166
board exceed the property taxes forgone due to the exemption. If 3167
the board of county commissioners objects, and the board and 3168
legislative authority fail to negotiate a mutually acceptable 3169
compensation agreement, the ordinance adopted under division (C) 3170
(1) of this section shall provide to the board compensation in 3171
the eleventh and subsequent years of the exemption period equal 3172

in value to not more than fifty per cent of the taxes that would 3173
be payable to the county or, if the board's objection includes 3174
an objection to an exemption percentage in excess of seventy- 3175
five per cent, compensation equal in value to not more than 3176
fifty per cent of the taxes that would be payable to the county, 3177
on the portion of the improvement in excess of seventy-five per 3178
cent, were that portion to be subject to taxation. The board of 3179
county commissioners shall certify its resolution to the 3180
legislative authority not later than thirty days after receipt 3181
of the notice. 3182

(3) If the board of county commissioners does not object 3183
or fails to certify its resolution objecting to an exemption 3184
within thirty days after receipt of the notice, the legislative 3185
authority may adopt the ordinance, and no compensation shall be 3186
provided to the board of county commissioners. If the board 3187
timely certifies its resolution objecting to the ordinance, the 3188
legislative authority may adopt the ordinance at any time after 3189
a mutually acceptable compensation agreement is agreed to by the 3190
board and the legislative authority, or, if no compensation 3191
agreement is negotiated, at any time after the legislative 3192
authority agrees in the proposed ordinance to provide 3193
compensation to the board of fifty per cent of the taxes that 3194
would be payable to the county in the eleventh and subsequent 3195
years of the exemption period or on the portion of the 3196
improvement in excess of seventy-five per cent, were that 3197
portion to be subject to taxation. 3198

(F) Service payments in lieu of taxes that are 3199
attributable to any amount by which the effective tax rate of 3200
either a renewal levy with an increase or a replacement levy 3201
exceeds the effective tax rate of the levy renewed or replaced, 3202
or that are attributable to an additional levy, for a levy 3203

authorized by the voters for any of the following purposes on or 3204
after January 1, 2006, and which are provided pursuant to an 3205
ordinance creating an incentive district under division (C) (1) 3206
of this section that is adopted on or after January 1, 2006, or 3207
a later date as specified in this division, shall be distributed 3208
to the appropriate taxing authority as required under division 3209
(C) of section 5709.42 of the Revised Code in an amount equal to 3210
the amount of taxes from that additional levy or from the 3211
increase in the effective tax rate of such renewal or 3212
replacement levy that would have been payable to that taxing 3213
authority from the following levies were it not for the 3214
exemption authorized under division (C) of this section: 3215

(1) A tax levied under division (L) of section 5705.19 or 3216
section 5705.191 or 5705.222 of the Revised Code for community 3217
developmental disabilities programs and services pursuant to 3218
Chapter 5126. of the Revised Code; 3219

(2) A tax levied under division (Y) of section 5705.19 of 3220
the Revised Code for providing or maintaining senior citizens 3221
services or facilities; 3222

(3) A tax levied under section 5705.22 of the Revised Code 3223
for county hospitals; 3224

(4) A tax levied by a joint-county district or by a county 3225
under section 5705.19, 5705.191, or 5705.221 of the Revised Code 3226
for alcohol, drug addiction, and mental health services or 3227
facilities; 3228

(5) A tax levied under section 5705.23 of the Revised Code 3229
for library purposes; 3230

(6) A tax levied under section 5705.24 of the Revised Code 3231
for the support of children services and the placement and care 3232

of children; 3233

(7) A tax levied under division (Z) of section 5705.19 of 3234
the Revised Code for the provision and maintenance of zoological 3235
park services and facilities under section 307.76 of the Revised 3236
Code; 3237

(8) A tax levied under section 511.27 or division (H) of 3238
section 5705.19 of the Revised Code for the support of township 3239
park districts; 3240

(9) A tax levied under division (A), (F), or (H) of 3241
section 5705.19 of the Revised Code for parks and recreational 3242
purposes of a joint recreation district organized pursuant to 3243
division (B) of section 755.14 of the Revised Code; 3244

(10) A tax levied under section 1545.20 or 1545.21 of the 3245
Revised Code for park district purposes; 3246

(11) A tax levied under section 5705.191 of the Revised 3247
Code for the purpose of making appropriations for public 3248
assistance; human or social services; public relief; public 3249
welfare; public health and hospitalization; and support of 3250
general hospitals; 3251

(12) A tax levied under section 3709.29 of the Revised 3252
Code for a general health district program. 3253

(13) A tax levied by a township under section 505.39, 3254
division (I) of section 5705.19, or division (JJ) of section 3255
5705.19 of the Revised Code to the extent the proceeds are used 3256
for the purposes described in division (I) of that section, for 3257
the purpose of funding fire, emergency medical, and ambulance 3258
services as described in that section and those divisions. 3259
Division (F) (13) of this section applies only if the township 3260
levying the tax provides fire, emergency medical, or ambulance 3261

services in the incentive district, and only to incentive 3262
districts created by an ordinance adopted on or after the 3263
effective date of the amendment of this section by H.B. 69 of 3264
the 132nd general assembly, March 23, 2018. The board of 3265
township trustees may, by resolution, waive the application of 3266
this division or negotiate with the municipal corporation that 3267
created the district for a lesser amount of payments in lieu of 3268
taxes. 3269

(G) An exemption from taxation granted under this section 3270
commences with the tax year specified in the ordinance so long 3271
as the year specified in the ordinance commences after the 3272
effective date of the ordinance. If the ordinance specifies a 3273
year commencing before the effective date of the resolution or 3274
specifies no year whatsoever, the exemption commences with the 3275
tax year in which an exempted improvement first appears on the 3276
tax list and duplicate of real and public utility property and 3277
that commences after the effective date of the ordinance. In 3278
lieu of stating a specific year, the ordinance may provide that 3279
the exemption commences in the tax year in which the value of an 3280
improvement exceeds a specified amount or in which the 3281
construction of one or more improvements is completed, provided 3282
that such tax year commences after the effective date of the 3283
ordinance. With respect to the exemption of improvements to 3284
parcels under division (B) of this section, the ordinance may 3285
allow for the exemption to commence in different tax years on a 3286
parcel-by-parcel basis, with a separate exemption term specified 3287
for each parcel. 3288

Except as otherwise provided in this division or section 3289
5709.51 or 5709.511 of the Revised Code, the exemption ends on 3290
the date specified in the ordinance as the date the improvement 3291
ceases to be a public purpose or the incentive district expires, 3292

or ends on the date on which the public infrastructure 3293
improvements and housing renovations are paid in full from the 3294
municipal public improvement tax increment equivalent fund 3295
established under division (A) of section 5709.43 of the Revised 3296
Code, whichever occurs first. The exemption of an improvement 3297
with respect to a parcel or within an incentive district may end 3298
on a later date, as specified in the ordinance, if the 3299
legislative authority and the board of education of the city, 3300
local, or exempted village school district within which the 3301
parcel or district is located have entered into a compensation 3302
agreement under section 5709.82 of the Revised Code with respect 3303
to the improvement, and the board of education has approved the 3304
term of the exemption under division (D)(2) of this section, but 3305
in no case shall the improvement be exempted from taxation for 3306
more than thirty years. Exemptions shall be claimed and allowed 3307
in the same manner as in the case of other real property 3308
exemptions. If an exemption status changes during a year, the 3309
procedure for the apportionment of the taxes for that year is 3310
the same as in the case of other changes in tax exemption status 3311
during the year. 3312

(H) Additional municipal financing of public 3313
infrastructure improvements and housing renovations may be 3314
provided by any methods that the municipal corporation may 3315
otherwise use for financing such improvements or renovations. If 3316
the municipal corporation issues bonds or notes to finance the 3317
public infrastructure improvements and housing renovations and 3318
pledges money from the municipal public improvement tax 3319
increment equivalent fund to pay the interest on and principal 3320
of the bonds or notes, the bonds or notes are not subject to 3321
Chapter 133. of the Revised Code. 3322

(I) The municipal corporation, not later than fifteen days 3323

after the adoption of an ordinance under this section, shall 3324
submit to the director of development a copy of the ordinance. 3325
On or before the thirty-first day of March of each year, the 3326
municipal corporation shall submit a status report to the 3327
director. The report shall indicate, in the manner prescribed by 3328
the director, the progress of the project during each year that 3329
an exemption remains in effect, including a summary of the 3330
receipts from service payments in lieu of taxes; expenditures of 3331
money from the funds created under section 5709.43 of the 3332
Revised Code; a description of the public infrastructure 3333
improvements and housing renovations financed with such 3334
expenditures; and a quantitative summary of changes in 3335
employment and private investment resulting from each project. 3336

(J) Nothing in this section shall be construed to prohibit 3337
a legislative authority from declaring to be a public purpose 3338
improvements with respect to more than one parcel. 3339

(K) If a parcel is located in a new community district in 3340
which the new community authority imposes a community 3341
development charge on the basis of rentals received from leases 3342
of real property as described in division (L) (2) of section 3343
349.01 of the Revised Code, the parcel may not be exempted from 3344
taxation under this section. 3345

(L) (1) Notwithstanding the limitations on the life of an 3346
incentive district and the number of years that improvements to 3347
a parcel or parcels within an incentive district may be exempted 3348
from taxation prescribed by divisions (C) and (D) of this 3349
section, the legislative authority of a municipal corporation 3350
may amend an ordinance originally adopted under division (C) of 3351
this section before January 1, 2006, to extend the life of an 3352
incentive district created by that ordinance. The extension 3353

shall be for a period not to exceed fifteen years and shall not 3354
increase the percentage of the value of improvements exempted 3355
from taxation. 3356

(2) Before adopting an amendment authorized by division 3357
(L) (1) of this section, the legislative authority of the 3358
municipal corporation shall provide notice of the amendment to 3359
each board of education of the city, local, or exempted village 3360
school district in which the incentive district is located, in 3361
the same manner as provided under division (D) of this section, 3362
and shall obtain the approval of each such board in the manner 3363
required under that division, except both of the following 3364
apply: 3365

(a) The board of education may approve the exemption on 3366
the condition that the legislative authority and the board 3367
negotiate an agreement providing for mutually agreeable 3368
compensation to the school district. 3369

(b) If the board of education fails to certify a 3370
resolution approving the amendment to the legislative authority 3371
within the time prescribed by division (D) of this section, the 3372
legislative authority shall not adopt the amendment authorized 3373
under division (L) of this section. 3374

(3) No approval otherwise required by division (L) (2) of 3375
this section shall be required from a board of education if 3376
either of the following apply: 3377

(a) The amendment provides for compensation to the city, 3378
local, or exempted village school district in which the 3379
incentive district is located equal in value to the amount of 3380
taxes that would be payable to the school district if the 3381
improvements exempted from taxation had not been exempted for 3382

the additional period. 3383

(b) The board of education has adopted a resolution 3384
waiving its right to approve exemptions from taxation pursuant 3385
to division (D)(4) of this section. If the board has adopted 3386
such a resolution, the municipal corporation shall comply with 3387
the notice requirements imposed by section 5709.83 of the 3388
Revised Code before taking formal action to adopt an amendment 3389
authorized under division (L)(1) of this section unless the 3390
board has adopted a resolution under that section waiving its 3391
right to receive that notice. 3392

(4) Not later than fourteen days before adopting an 3393
amendment authorized by division (L)(1) of this section, the 3394
legislative authority of the municipal corporation shall deliver 3395
a notice identical to a notice required under section 5709.83 of 3396
the Revised Code to the board of county commissioners of each 3397
county in which the incentive district is located. 3398

Sec. 5709.41. (A) As used in this section: 3399

(1) "Business day" means a day of the week excluding 3400
Saturday, Sunday, and a legal holiday as defined under section 3401
1.14 of the Revised Code. 3402

(2) "Improvement" means the increase in assessed value of 3403
any parcel of property subsequent to the acquisition of the 3404
parcel by a municipal corporation engaged in urban redevelopment 3405
or by a township engaged in redevelopment. 3406

(B) The legislative authority of a municipal corporation 3407
or township, by ordinance or resolution, may declare to be a 3408
public purpose any improvement to a parcel of real property if 3409
both of the following apply: 3410

(1) The municipal corporation or township held fee title 3411

to the parcel prior to the adoption of the ordinance or 3412
resolution; 3413

(2) The parcel is leased, or the fee of the parcel is 3414
conveyed, to any person either before or after adoption of the 3415
ordinance or resolution. 3416

Improvements used or to be used for residential purposes 3417
may be declared a public purpose under this section only if the 3418
parcel is located in a blighted area of an impacted city, in the 3419
case of a municipal corporation, or in a blighted area, in the 3420
case of a township, as those terms are defined in section 3421
1728.01 of the Revised Code. For this purpose, "parcel that is 3422
used or to be used for residential purposes" means a parcel 3423
that, as improved, is used or to be used for purposes that would 3424
cause the tax commissioner to classify the parcel as residential 3425
property in accordance with rules adopted by the commissioner 3426
under section 5713.041 of the Revised Code. 3427

(C) Except as otherwise provided in division (C) (1), (2), 3428
or (3) of this section, not more than seventy-five per cent of 3429
an improvement thus declared to be a public purpose may be 3430
exempted from real property taxation. The ordinance or 3431
resolution shall specify the percentage of the improvement to be 3432
exempted from taxation. If a parcel is located in a new 3433
community district in which the new community authority imposes 3434
a community development charge on the basis of rentals received 3435
from leases of real property as described in division (L) (2) of 3436
section 349.01 of the Revised Code, the parcel may not be 3437
exempted from taxation under this section. 3438

(1) If the ordinance or resolution declaring improvements 3439
to a parcel to be a public purpose specifies that payments in 3440
lieu of taxes provided for in section 5709.42 or 5709.74 of the 3441

Revised Code shall be paid to the city, local, or exempted 3442
village school district in which the parcel is located in the 3443
amount of the taxes that would have been payable to the school 3444
district if the improvements had not been exempted from 3445
taxation, the percentage of the improvement that may be exempted 3446
from taxation may exceed seventy-five per cent, and the 3447
exemption may be granted for up to thirty years, without the 3448
approval of the board of education as otherwise required under 3449
division (C) (2) of this section. 3450

(2) Improvements may be exempted from taxation for up to 3451
ten years or, with the approval of the board of education of the 3452
city, local, or exempted village school district within the 3453
territory of which the improvements are or will be located, for 3454
up to thirty years. The percentage of the improvement exempted 3455
from taxation may, with such approval, exceed seventy-five per 3456
cent, but shall not exceed one hundred per cent. Not later than 3457
forty-five business days prior to adopting an ordinance or 3458
resolution under this section, the legislative authority shall 3459
deliver to the board of education a notice stating its intent to 3460
declare improvements to be a public purpose under this section. 3461
The notice shall describe the parcel and the improvements, 3462
provide an estimate of the true value in money of the 3463
improvements, specify the period for which the improvements 3464
would be exempted from taxation and the percentage of the 3465
improvements that would be exempted, and indicate the date on 3466
which the legislative authority intends to adopt the ordinance 3467
or resolution. The board of education, by resolution adopted by 3468
a majority of the board, may approve the exemption for the 3469
period or for the exemption percentage specified in the notice, 3470
may disapprove the exemption for the number of years in excess 3471
of ten, may disapprove the exemption for the percentage of the 3472

improvements to be exempted in excess of seventy-five per cent, 3473
or both, or may approve the exemption on the condition that the 3474
legislative authority and the board negotiate an agreement 3475
providing for compensation to the school district equal in value 3476
to a percentage of the amount of taxes exempted in the eleventh 3477
and subsequent years of the exemption period, or, in the case of 3478
exemption percentages in excess of seventy-five per cent, 3479
compensation equal in value to a percentage of the taxes that 3480
would be payable on the portion of the improvement in excess of 3481
seventy-five per cent were that portion to be subject to 3482
taxation. The board of education shall certify its resolution to 3483
the legislative authority not later than fourteen days prior to 3484
the date the legislative authority intends to adopt the 3485
ordinance or resolution as indicated in the notice. If the board 3486
of education approves the exemption on the condition that a 3487
compensation agreement be negotiated, the board in its 3488
resolution shall propose a compensation percentage. If the board 3489
of education and the legislative authority negotiate a mutually 3490
acceptable compensation agreement, the ordinance or resolution 3491
may declare the improvements a public purpose for the number of 3492
years specified in the ordinance or resolution or, in the case 3493
of exemption percentages in excess of seventy-five per cent, for 3494
the exemption percentage specified in the ordinance or 3495
resolution. In either case, if the board and the legislative 3496
authority fail to negotiate a mutually acceptable compensation 3497
agreement, the ordinance or resolution may declare the 3498
improvements a public purpose for not more than ten years, but 3499
shall not exempt more than seventy-five per cent of the 3500
improvements from taxation. If the board fails to certify a 3501
resolution to the legislative authority within the time 3502
prescribed by this division, the legislative authority thereupon 3503
may adopt the ordinance or resolution and may declare the 3504

improvements a public purpose for up to thirty years. The 3505
legislative authority may adopt the ordinance or resolution at 3506
any time after the board of education certifies its resolution 3507
approving the exemption to the legislative authority, or, if the 3508
board approves the exemption on the condition that a mutually 3509
acceptable compensation agreement be negotiated, at any time 3510
after the compensation agreement is agreed to by the board and 3511
the legislative authority. If a mutually acceptable compensation 3512
agreement is negotiated between the legislative authority and 3513
the board, including agreements for payments in lieu of taxes 3514
under section 5709.42 or 5709.74 of the Revised Code, the 3515
legislative authority shall compensate the joint vocational 3516
school district within the territory of which the improvements 3517
are or will be located at the same rate and under the same terms 3518
received by the city, local, or exempted village school 3519
district. 3520

(3) If a board of education has adopted a resolution 3521
waiving its right to approve exemptions from taxation and the 3522
resolution remains in effect, approval of exemptions by the 3523
board is not required under this division. If a board of 3524
education has adopted a resolution allowing a legislative 3525
authority to deliver the notice required under this division 3526
fewer than forty-five business days prior to the legislative 3527
authority's adoption of the ordinance or resolution, the 3528
legislative authority shall deliver the notice to the board not 3529
later than the number of days prior to such adoption as 3530
prescribed by the board in its resolution. If a board of 3531
education adopts a resolution waiving its right to approve 3532
exemptions or shortening the notification period, the board 3533
shall certify a copy of the resolution to the legislative 3534
authority. If the board of education rescinds such a resolution, 3535

it shall certify notice of the rescission to the legislative 3536
authority. 3537

(4) If the legislative authority is not required by 3538
division (C)(1), (2), or (3) of this section to notify the board 3539
of education of the legislative authority's intent to declare 3540
improvements to be a public purpose, the legislative authority 3541
shall comply with the notice requirements imposed under section 3542
5709.83 of the Revised Code, unless the board has adopted a 3543
resolution under that section waiving its right to receive such 3544
a notice. 3545

(5) Nothing in division (C) of this section prohibits the 3546
legislative authority of a municipal corporation or township 3547
from amending the ordinance or resolution under section 5709.51 3548
or 5709.511 of the Revised Code to extend the term of the 3549
exemption. 3550

(D) An exemption granted under this section commences with 3551
the tax year specified in the ordinance or resolution so long as 3552
the year specified in the ordinance or resolution commences 3553
after the effective date of the ordinance or resolution. If the 3554
ordinance or resolution specifies a year commencing before the 3555
effective date of the ordinance or resolution or specifies no 3556
year, the exemption commences with the tax year in which an 3557
exempted improvement first appears on the tax list and that 3558
commences after the effective date of the ordinance or 3559
resolution. In lieu of stating a specific year, the ordinance or 3560
resolution may provide that the exemption commences in the tax 3561
year in which the value of an improvement exceeds a specified 3562
amount or in which the construction of one or more improvements 3563
is completed, provided that such tax year commences after the 3564
effective date of the ordinance or resolution. In lieu of 3565

stating a specific year, the ordinance or resolution may allow 3566
for the exemption to commence in different tax years on a 3567
parcel-by-parcel basis, with a separate exemption term specified 3568
for each parcel. The exemption ends on the date specified in the 3569
ordinance or resolution as the date the improvement ceases to be 3570
a public purpose. The exemption shall be claimed and allowed in 3571
the same or a similar manner as in the case of other real 3572
property exemptions. If an exemption status changes during a tax 3573
year, the procedure for the apportionment of the taxes for that 3574
year is the same as in the case of other changes in tax 3575
exemption status during the year. 3576

(E) A municipal corporation or township, not later than 3577
fifteen days after the adoption of an ordinance or resolution 3578
granting a tax exemption under this section, shall submit to the 3579
director of development a copy of the ordinance or resolution. 3580
On or before the thirty-first day of March each year, the 3581
municipal corporation or township shall submit a status report 3582
to the director of development outlining the progress of the 3583
project during each year that the exemption remains in effect. 3584

Sec. 5709.511. (A) As used in this section, "multinational 3585
for-profit entity" means an entity that is organized for profit, 3586
headquartered in Ohio, and has business operations in both the 3587
United States and other countries. 3588

(B) The legislative authority of a municipal corporation, 3589
a board of township trustees, or a board of county commissioners 3590
may amend, or provide in, an ordinance or resolution adopted in 3591
accordance with division (B) of section 5709.40, section 3592
5709.41, division (B) of section 5709.73, or division (A) of 3593
section 5709.78 of the Revised Code, as applicable, to extend 3594
the exemption from taxation of improvements to the parcel or 3595

parcels designated in the ordinance or resolution for an 3596
additional period of not more than thirty years if all of the 3597
following conditions are met: 3598

(1) The buildings and structures on the parcels are owned 3599
by a multinational for-profit entity. 3600

(2) The multinational for-profit entity has maintained a 3601
presence on the site for more than twenty-five years. 3602

(3) The multinational for-profit entity will commit to 3603
investing at least one hundred million dollars at the location 3604
over the period of the extended exemption authorized by this 3605
section. 3606

(4) The multinational for-profit entity will commit to 3607
retaining at least one thousand jobs related to the parcels over 3608
the period of the extended exemption authorized by this section. 3609

(5) The improvements were previously subject to an 3610
exemption from taxation pursuant to an ordinance or resolution 3611
adopted in accordance with division (B) of section 5709.40, 3612
section 5709.41, division (B) of section 5709.73, or division 3613
(A) of section 5709.78 of the Revised Code and that exemption 3614
expired after tax year 2024. 3615

(C) Not later than fifteen days after adopting or amending 3616
an ordinance or resolution under this section, the legislative 3617
authority of the municipal corporation, board of township 3618
trustees, or board of county commissioners shall send a copy of 3619
the amendment to the director of development. 3620

(D) The extension of a tax exemption under division (B) of 3621
this section may, as provided in the ordinance or resolution 3622
authorizing the extension, commence in tax year 2025 or any 3623
succeeding tax year and apply as applicable to succeeding tax 3624

years regardless of the effective date of this section. 3625

Sec. 5709.73. (A) As used in this section and section 3626
5709.74 of the Revised Code: 3627

(1) "Business day" means a day of the week excluding 3628
Saturday, Sunday, and a legal holiday as defined in section 1.14 3629
of the Revised Code. 3630

(2) "Further improvements" or "improvements" means the 3631
increase in the assessed value of real property that would first 3632
appear on the tax list and duplicate of real and public utility 3633
property after the effective date of a resolution adopted under 3634
this section were it not for the exemption granted by that 3635
resolution. For purposes of division (B) of this section, 3636
"improvements" do not include any property used or to be used 3637
for residential purposes. For this purpose, "property that is 3638
used or to be used for residential purposes" means property 3639
that, as improved, is used or to be used for purposes that would 3640
cause the tax commissioner to classify the property as 3641
residential property in accordance with rules adopted by the 3642
commissioner under section 5713.041 of the Revised Code. 3643

(3) "Housing renovation" means a project carried out for 3644
residential purposes. 3645

(4) "Incentive district" has the same meaning as in 3646
section 5709.40 of the Revised Code, except that a blighted area 3647
is in the unincorporated area of a township. 3648

(5) "Overlay" has the same meaning as in section 5709.40 3649
of the Revised Code, except that the overlay is delineated by 3650
the board of township trustees. 3651

(6) "Project" and "public infrastructure improvement" have 3652
the same meanings as in section 5709.40 of the Revised Code. 3653

(7) "Urban township" has the same meaning as in section 3654
504.01 of the Revised Code. 3655

(8) "Nonperforming parcel" means a parcel to which all of 3656
the following apply: 3657

(a) The parcel is exempted from taxation under division 3658
(B) of this section or has been included in a district created 3659
under division (C) of this section. 3660

(b) The parcel's owner is required to make payments in 3661
lieu of taxes in accordance with section 5709.74 of the Revised 3662
Code. 3663

(c) No such payments have been remitted to the county 3664
treasurer since the inception of the exemption or district. 3665

(B) A board of township trustees may adopt a resolution 3666
that declares to be a public purpose any public infrastructure 3667
improvements made that are necessary for the development of 3668
certain parcels of land located in the unincorporated area of 3669
the township. Except for a resolution adopted by the board of an 3670
urban township, the resolution shall be adopted by a unanimous 3671
vote of the board. Except as otherwise provided under division 3672
(D) of this section or section 5709.51 or 5709.511 of the 3673
Revised Code, the resolution may exempt from real property 3674
taxation not more than seventy-five per cent of further 3675
improvements to a parcel of land that directly benefits from the 3676
public infrastructure improvements, for a period of not more 3677
than ten years. The resolution shall specify the percentage of 3678
the further improvements to be exempted and the life of the 3679
exemption. 3680

(C) (1) A board of township trustees may adopt a resolution 3681
creating an incentive district and declaring improvements to 3682

parcels within the district to be a public purpose and, except 3683
as provided in division (C) (2) of this section, exempt from 3684
taxation as provided in this section. Except for a resolution 3685
adopted by the board of an urban township, the resolution shall 3686
be adopted by a unanimous vote of the board. A board of township 3687
trustees of a township that has a population that exceeds 3688
twenty-five thousand, as shown by the most recent federal 3689
decennial census, may not adopt a resolution that creates an 3690
incentive district if the sum of the taxable value of real 3691
property in the proposed district for the preceding tax year and 3692
the taxable value of all real property in the township that 3693
would have been taxable in the preceding year were it not for 3694
the fact that the property was in an existing incentive district 3695
and therefore exempt from taxation exceeds twenty-five per cent 3696
of the taxable value of real property in the township for the 3697
preceding tax year. The district shall be located within the 3698
unincorporated area of the township and shall not include any 3699
territory that is included within a district created under 3700
division (B) of section 5709.78 of the Revised Code. The 3701
resolution shall delineate the boundary of the proposed district 3702
and specifically identify each parcel within the district. A 3703
proposed district may not include any parcel, other than a 3704
nonperforming parcel, that is or has been exempted from taxation 3705
under division (B) of this section or that is or has been within 3706
another district created under this division. On and after the 3707
effective date of the district, a nonperforming parcel within 3708
the district is no longer exempted from taxation under division 3709
(B) of this section or included within an incentive district 3710
under any previous resolution, and the parcel's owner is no 3711
longer required to make payments in lieu of taxes under such a 3712
previous resolution in accordance with section 5709.74 of the 3713
Revised Code. Any exemption application filed with the tax 3714

commissioner under section 5715.27 of the Revised Code under the 3715
second resolution shall identify the nonperforming parcels 3716
included in the second district, the original resolution under 3717
which the nonperforming parcels were originally exempted, and 3718
the value history of each nonperforming parcel since the 3719
enactment of the original resolution. A resolution may create 3720
more than one such district, and more than one resolution may be 3721
adopted under division (C) (1) of this section. 3722

(2) (a) Not later than thirty days prior to adopting a 3723
resolution under division (C) (1) of this section, if the 3724
township intends to apply for exemptions from taxation under 3725
section 5709.911 of the Revised Code on behalf of owners of real 3726
property located within the proposed incentive district, the 3727
board shall conduct a public hearing on the proposed resolution. 3728
Not later than thirty days prior to the public hearing, the 3729
board shall give notice of the public hearing and the proposed 3730
resolution by first class mail to every real property owner 3731
whose property is located within the boundaries of the proposed 3732
incentive district that is the subject of the proposed 3733
resolution. The notice shall include a map of the proposed 3734
incentive district on which the board of township trustees shall 3735
have delineated an overlay. The notice shall inform the property 3736
owner of the owner's right to exclude the owner's property from 3737
the incentive district if both of the following conditions are 3738
met: 3739

(i) The owner's entire parcel of property will not be 3740
located within the overlay. 3741

(ii) The owner has submitted a statement to the board of 3742
county commissioners of the county in which the parcel is 3743
located indicating the owner's intent to seek a tax exemption 3744

for improvements to the owner's parcel under division (A) or (B) 3745
of section 5709.78 of the Revised Code within the next five 3746
years. 3747

When both of the preceding conditions are met, the owner 3748
may exclude the owner's property from the incentive district by 3749
submitting a written response in accordance with division (C) (2) 3750
(b) of this section. The notice also shall include information 3751
detailing the required contents of the response, the address to 3752
which the response may be mailed, and the deadline for 3753
submitting the response. 3754

(b) Any owner of real property located within the 3755
boundaries of an incentive district proposed under division (C) 3756
(1) of this section who meets the conditions specified in 3757
divisions (C) (2) (a) (i) and (ii) of this section may exclude the 3758
property from the proposed incentive district by submitting a 3759
written response to the board not later than forty-five days 3760
after the postmark date on the notice required under division 3761
(C) (2) (a) of this section. The response shall include a copy of 3762
the statement submitted under division (C) (2) (a) (ii) of this 3763
section. The response shall be sent by first class mail or 3764
delivered in person at a public hearing held by the board under 3765
division (C) (2) (a) of this section. The response shall conform 3766
to any content requirements that may be established by the board 3767
and included in the notice provided under division (C) (2) (a) of 3768
this section. In the response, property owners may identify a 3769
parcel by street address, by the manner in which it is 3770
identified in the resolution, or by other means allowing the 3771
identity of the parcel to be ascertained. 3772

(c) Before adopting a resolution under division (C) (1) of 3773
this section, the board shall amend the resolution to exclude 3774

any parcel for which a written response has been submitted under 3775
division (C) (2) (b) of this section. A township shall not apply 3776
for exemptions from taxation under section 5709.911 of the 3777
Revised Code for any such parcel, and service payments may not 3778
be required from the owner of the parcel. Improvements to a 3779
parcel excluded from an incentive district under this division 3780
may be exempted from taxation under division (B) of this section 3781
pursuant to a resolution adopted under that division or under 3782
any other section of the Revised Code under which the parcel 3783
qualifies. 3784

(3) (a) A resolution adopted under division (C) (1) of this 3785
section shall specify the life of the incentive district and the 3786
percentage of the improvements to be exempted, shall designate 3787
the public infrastructure improvements made, to be made, or in 3788
the process of being made, that benefit or serve, or, once made, 3789
will benefit or serve parcels in the district. The resolution 3790
also shall identify one or more specific projects being, or to 3791
be, undertaken in the district that place additional demand on 3792
the public infrastructure improvements designated in the 3793
resolution. The project identified may, but need not be, the 3794
project under division (C) (3) (b) of this section that places 3795
real property in use for commercial or industrial purposes. 3796

A resolution adopted under division (C) (1) of this section 3797
on or after March 30, 2006, shall not designate police or fire 3798
equipment as public infrastructure improvements, and, except as 3799
provided in division (F) of this section, no service payment 3800
provided for in section 5709.74 of the Revised Code and received 3801
by the township under the resolution shall be used for police or 3802
fire equipment. 3803

(b) A resolution adopted under division (C) (1) of this 3804

section may authorize the use of service payments provided for 3805
in section 5709.74 of the Revised Code for the purpose of 3806
housing renovations within the incentive district, provided that 3807
the resolution also designates public infrastructure 3808
improvements that benefit or serve the district, and that a 3809
project within the district places real property in use for 3810
commercial or industrial purposes. Service payments may be used 3811
to finance or support loans, deferred loans, and grants to 3812
persons for the purpose of housing renovations within the 3813
district. The resolution shall designate the parcels within the 3814
district that are eligible for housing renovations. The 3815
resolution shall state separately the amount or the percentages 3816
of the expected aggregate service payments that are designated 3817
for each public infrastructure improvement and for the purpose 3818
of housing renovations. 3819

(4) Except with the approval of the board of education of 3820
each city, local, or exempted village school district within the 3821
territory of which the incentive district is or will be located, 3822
and subject to division (E) of this section, the life of an 3823
incentive district shall not exceed ten years, and the 3824
percentage of improvements to be exempted shall not exceed 3825
seventy-five per cent. With approval of the board of education, 3826
the life of a district may be not more than thirty years, and 3827
the percentage of improvements to be exempted may be not more 3828
than one hundred per cent. The approval of a board of education 3829
shall be obtained in the manner provided in division (D) of this 3830
section. 3831

(D) Improvements with respect to a parcel may be exempted 3832
from taxation under division (B) of this section, and 3833
improvements to parcels within an incentive district may be 3834
exempted from taxation under division (C) of this section, for 3835

up to ten years or, with the approval of the board of education 3836
of the city, local, or exempted village school district within 3837
which the parcel or district is located, for up to thirty years. 3838
The percentage of the improvements exempted from taxation may, 3839
with such approval, exceed seventy-five per cent, but shall not 3840
exceed one hundred per cent. Not later than forty-five business 3841
days prior to adopting a resolution under this section declaring 3842
improvements to be a public purpose that is subject to approval 3843
by a board of education under this division, the board of 3844
township trustees shall deliver to the board of education a 3845
notice stating its intent to adopt a resolution making that 3846
declaration. The notice regarding improvements with respect to a 3847
parcel under division (B) of this section shall identify the 3848
parcels for which improvements are to be exempted from taxation, 3849
provide an estimate of the true value in money of the 3850
improvements, specify the period for which the improvements 3851
would be exempted from taxation and the percentage of the 3852
improvements that would be exempted, and indicate the date on 3853
which the board of township trustees intends to adopt the 3854
resolution. The notice regarding improvements made under 3855
division (C) of this section to parcels within an incentive 3856
district shall delineate the boundaries of the district, 3857
specifically identify each parcel within the district, identify 3858
each anticipated improvement in the district, provide an 3859
estimate of the true value in money of each such improvement, 3860
specify the life of the district and the percentage of 3861
improvements that would be exempted, and indicate the date on 3862
which the board of township trustees intends to adopt the 3863
resolution. The board of education, by resolution adopted by a 3864
majority of the board, may approve the exemption for the period 3865
or for the exemption percentage specified in the notice; may 3866
disapprove the exemption for the number of years in excess of 3867

ten, may disapprove the exemption for the percentage of the 3868
improvements to be exempted in excess of seventy-five per cent, 3869
or both; or may approve the exemption on the condition that the 3870
board of township trustees and the board of education negotiate 3871
an agreement providing for compensation to the school district 3872
equal in value to a percentage of the amount of taxes exempted 3873
in the eleventh and subsequent years of the exemption period or, 3874
in the case of exemption percentages in excess of seventy-five 3875
per cent, compensation equal in value to a percentage of the 3876
taxes that would be payable on the portion of the improvements 3877
in excess of seventy-five per cent were that portion to be 3878
subject to taxation, or other mutually agreeable compensation. 3879

The board of education shall certify its resolution to the 3880
board of township trustees not later than fourteen days prior to 3881
the date the board of township trustees intends to adopt the 3882
resolution as indicated in the notice. If the board of education 3883
and the board of township trustees negotiate a mutually 3884
acceptable compensation agreement, the resolution may declare 3885
the improvements a public purpose for the number of years 3886
specified in the resolution or, in the case of exemption 3887
percentages in excess of seventy-five per cent, for the 3888
exemption percentage specified in the resolution. In either 3889
case, if the board of education and the board of township 3890
trustees fail to negotiate a mutually acceptable compensation 3891
agreement, the resolution may declare the improvements a public 3892
purpose for not more than ten years, and shall not exempt more 3893
than seventy-five per cent of the improvements from taxation. If 3894
the board of education fails to certify a resolution to the 3895
board of township trustees within the time prescribed by this 3896
section, the board of township trustees thereupon may adopt the 3897
resolution and may declare the improvements a public purpose for 3898

up to thirty years or, in the case of exemption percentages 3899
proposed in excess of seventy-five per cent, for the exemption 3900
percentage specified in the resolution. The board of township 3901
trustees may adopt the resolution at any time after the board of 3902
education certifies its resolution approving the exemption to 3903
the board of township trustees, or, if the board of education 3904
approves the exemption on the condition that a mutually 3905
acceptable compensation agreement be negotiated, at any time 3906
after the compensation agreement is agreed to by the board of 3907
education and the board of township trustees. If a mutually 3908
acceptable compensation agreement is negotiated between the 3909
board of township trustees and the board of education, including 3910
agreements for payments in lieu of taxes under section 5709.74 3911
of the Revised Code, the board of township trustees shall 3912
compensate the joint vocational school district within which the 3913
parcel or district is located at the same rate and under the 3914
same terms received by the city, local, or exempted village 3915
school district. 3916

If a board of education has adopted a resolution waiving 3917
its right to approve exemptions from taxation under this section 3918
and the resolution remains in effect, approval of such 3919
exemptions by the board of education is not required under 3920
division (D) of this section. If a board of education has 3921
adopted a resolution allowing a board of township trustees to 3922
deliver the notice required under division (D) of this section 3923
fewer than forty-five business days prior to adoption of the 3924
resolution by the board of township trustees, the board of 3925
township trustees shall deliver the notice to the board of 3926
education not later than the number of days prior to the 3927
adoption as prescribed by the board of education in its 3928
resolution. If a board of education adopts a resolution waiving 3929

its right to approve exemptions or shortening the notification 3930
period, the board of education shall certify a copy of the 3931
resolution to the board of township trustees. If the board of 3932
education rescinds the resolution, it shall certify notice of 3933
the rescission to the board of township trustees. 3934

If the board of township trustees is not required by 3935
division (D) of this section to notify the board of education of 3936
the board of township trustees' intent to declare improvements 3937
to be a public purpose, the board of township trustees shall 3938
comply with the notice requirements imposed under section 3939
5709.83 of the Revised Code before taking formal action to adopt 3940
the resolution making that declaration, unless the board of 3941
education has adopted a resolution under that section waiving 3942
its right to receive the notice. 3943

Nothing in this division prohibits the board of township 3944
trustees from amending the resolution under section 5709.51 or 3945
5709.511 of the Revised Code to extend the term of the 3946
exemption. 3947

(E) (1) If a proposed resolution under division (C) (1) of 3948
this section exempts improvements with respect to a parcel 3949
within an incentive district for more than ten years, or the 3950
percentage of the improvement exempted from taxation exceeds 3951
seventy-five per cent, not later than forty-five business days 3952
prior to adopting the resolution the board of township trustees 3953
shall deliver to the board of county commissioners of the county 3954
within which the incentive district is or will be located a 3955
notice that states its intent to adopt a resolution creating an 3956
incentive district. The notice shall include a copy of the 3957
proposed resolution, identify the parcels for which improvements 3958
are to be exempted from taxation, provide an estimate of the 3959

true value in money of the improvements, specify the period of 3960
time for which the improvements would be exempted from taxation, 3961
specify the percentage of the improvements that would be 3962
exempted from taxation, and indicate the date on which the board 3963
of township trustees intends to adopt the resolution. 3964

(2) The board of county commissioners, by resolution 3965
adopted by a majority of the board, may object to the exemption 3966
for the number of years in excess of ten, may object to the 3967
exemption for the percentage of the improvement to be exempted 3968
in excess of seventy-five per cent, or both. If the board of 3969
county commissioners objects, the board may negotiate a mutually 3970
acceptable compensation agreement with the board of township 3971
trustees. In no case shall the compensation provided to the 3972
board of county commissioners exceed the property taxes foregone 3973
due to the exemption. If the board of county commissioners 3974
objects, and the board of county commissioners and board of 3975
township trustees fail to negotiate a mutually acceptable 3976
compensation agreement, the resolution adopted under division 3977
(C) (1) of this section shall provide to the board of county 3978
commissioners compensation in the eleventh and subsequent years 3979
of the exemption period equal in value to not more than fifty 3980
per cent of the taxes that would be payable to the county or, if 3981
the board of county commissioner's objection includes an 3982
objection to an exemption percentage in excess of seventy-five 3983
per cent, compensation equal in value to not more than fifty per 3984
cent of the taxes that would be payable to the county, on the 3985
portion of the improvement in excess of seventy-five per cent, 3986
were that portion to be subject to taxation. The board of county 3987
commissioners shall certify its resolution to the board of 3988
township trustees not later than thirty days after receipt of 3989
the notice. 3990

(3) If the board of county commissioners does not object 3991
or fails to certify its resolution objecting to an exemption 3992
within thirty days after receipt of the notice, the board of 3993
township trustees may adopt its resolution, and no compensation 3994
shall be provided to the board of county commissioners. If the 3995
board of county commissioners timely certifies its resolution 3996
objecting to the trustees' resolution, the board of township 3997
trustees may adopt its resolution at any time after a mutually 3998
acceptable compensation agreement is agreed to by the board of 3999
county commissioners and the board of township trustees, or, if 4000
no compensation agreement is negotiated, at any time after the 4001
board of township trustees agrees in the proposed resolution to 4002
provide compensation to the board of county commissioners of 4003
fifty per cent of the taxes that would be payable to the county 4004
in the eleventh and subsequent years of the exemption period or 4005
on the portion of the improvement in excess of seventy-five per 4006
cent, were that portion to be subject to taxation. 4007

(F) Service payments in lieu of taxes that are 4008
attributable to any amount by which the effective tax rate of 4009
either a renewal levy with an increase or a replacement levy 4010
exceeds the effective tax rate of the levy renewed or replaced, 4011
or that are attributable to an additional levy, for a levy 4012
authorized by the voters for any of the following purposes on or 4013
after January 1, 2006, and which are provided pursuant to a 4014
resolution creating an incentive district under division (C)(1) 4015
of this section that is adopted on or after January 1, 2006, or 4016
a later date as specified in this division, shall be distributed 4017
to the appropriate taxing authority as required under division 4018
(C) of section 5709.74 of the Revised Code in an amount equal to 4019
the amount of taxes from that additional levy or from the 4020
increase in the effective tax rate of such renewal or 4021

replacement levy that would have been payable to that taxing 4022
authority from the following levies were it not for the 4023
exemption authorized under division (C) of this section: 4024

(1) A tax levied under division (L) of section 5705.19 or 4025
section 5705.191 or 5705.222 of the Revised Code for community 4026
developmental disabilities programs and services pursuant to 4027
Chapter 5126. of the Revised Code; 4028

(2) A tax levied under division (Y) of section 5705.19 of 4029
the Revised Code for providing or maintaining senior citizens 4030
services or facilities; 4031

(3) A tax levied under section 5705.22 of the Revised Code 4032
for county hospitals; 4033

(4) A tax levied by a joint-county district or by a county 4034
under section 5705.19, 5705.191, or 5705.221 of the Revised Code 4035
for alcohol, drug addiction, and mental health services or 4036
families; 4037

(5) A tax levied under section 5705.23 of the Revised Code 4038
for library purposes; 4039

(6) A tax levied under section 5705.24 of the Revised Code 4040
for the support of children services and the placement and care 4041
of children; 4042

(7) A tax levied under division (Z) of section 5705.19 of 4043
the Revised Code for the provision and maintenance of zoological 4044
park services and facilities under section 307.76 of the Revised 4045
Code; 4046

(8) A tax levied under section 511.27 or division (H) of 4047
section 5705.19 of the Revised Code for the support of township 4048
park districts; 4049

(9) A tax levied under division (A), (F), or (H) of 4050
section 5705.19 of the Revised Code for parks and recreational 4051
purposes of a joint recreation district organized pursuant to 4052
division (B) of section 755.14 of the Revised Code; 4053

(10) A tax levied under section 1545.20 or 1545.21 of the 4054
Revised Code for park district purposes; 4055

(11) A tax levied under section 5705.191 of the Revised 4056
Code for the purpose of making appropriations for public 4057
assistance; human or social services; public relief; public 4058
welfare; public health and hospitalization; and support of 4059
general hospitals; 4060

(12) A tax levied under section 3709.29 of the Revised 4061
Code for a general health district program; 4062

(13) A tax levied by a township under section 505.39, 4063
505.51, or division (I), (J), (U), or (JJ) of section 5705.19 of 4064
the Revised Code for the purpose of funding fire, police, 4065
emergency medical, or ambulance services as described in those 4066
sections. Division (F)(13) of this section applies only to 4067
incentive districts created by a resolution adopted on or after 4068
March 22, 2019, the effective date of the amendment of this 4069
section by H.B. 500 of the 132nd general assembly, and only if 4070
that resolution specifies that division (F) of this section 4071
shall apply to such a tax. 4072

(G) An exemption from taxation granted under this section 4073
commences with the tax year specified in the resolution so long 4074
as the year specified in the resolution commences after the 4075
effective date of the resolution. If the resolution specifies a 4076
year commencing before the effective date of the resolution or 4077
specifies no year whatsoever, the exemption commences with the 4078

tax year in which an exempted improvement first appears on the 4079
tax list and duplicate of real and public utility property and 4080
that commences after the effective date of the resolution. In 4081
lieu of stating a specific year, the resolution may provide that 4082
the exemption commences in the tax year in which the value of an 4083
improvement exceeds a specified amount or in which the 4084
construction of one or more improvements is completed, provided 4085
that such tax year commences after the effective date of the 4086
resolution. With respect to the exemption of improvements to 4087
parcels under division (B) of this section, the resolution may 4088
allow for the exemption to commence in different tax years on a 4089
parcel-by-parcel basis, with a separate exemption term specified 4090
for each parcel. 4091

Except as otherwise provided in this division and ~~section~~ 4092
sections 5709.51 and 5709.511 of the Revised Code, the exemption 4093
ends on the date specified in the resolution as the date the 4094
improvement ceases to be a public purpose or the incentive 4095
district expires, or ends on the date on which the public 4096
infrastructure improvements and housing renovations are paid in 4097
full from the township public improvement tax increment 4098
equivalent fund established under section 5709.75 of the Revised 4099
Code, whichever occurs first. The exemption of an improvement 4100
with respect to a parcel or within an incentive district may end 4101
on a later date, as specified in the resolution, if the board of 4102
township trustees and the board of education of the city, local, 4103
or exempted village school district within which the parcel or 4104
district is located have entered into a compensation agreement 4105
under section 5709.82 of the Revised Code with respect to the 4106
improvement and the board of education has approved the term of 4107
the exemption under division (D) of this section, but in no case 4108
shall the improvement be exempted from taxation for more than 4109

thirty years. The board of township trustees may, by majority
vote, adopt a resolution permitting the township to enter into
such agreements as the board finds necessary or appropriate to
provide for the construction or undertaking of public
infrastructure improvements and housing renovations. Any
exemption shall be claimed and allowed in the same or a similar
manner as in the case of other real property exemptions. If an
exemption status changes during a tax year, the procedure for
the apportionment of the taxes for that year is the same as in
the case of other changes in tax exemption status during the
year.

(H) The board of township trustees may issue the notes of
the township to finance all costs pertaining to the construction
or undertaking of public infrastructure improvements and housing
renovations made pursuant to this section. The notes shall be
signed by the board and attested by the signature of the
township fiscal officer, shall bear interest not to exceed the
rate provided in section 9.95 of the Revised Code, and are not
subject to Chapter 133. of the Revised Code. The resolution
authorizing the issuance of the notes shall pledge the funds of
the township public improvement tax increment equivalent fund
established pursuant to section 5709.75 of the Revised Code to
pay the interest on and principal of the notes. The notes, which
may contain a clause permitting prepayment at the option of the
board, shall be offered for sale on the open market or given to
the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the
adoption of a resolution under this section, shall submit to the
director of development a copy of the resolution. On or before
the thirty-first day of March of each year, the township shall
submit a status report to the director. The report shall

indicate, in the manner prescribed by the director, the progress 4141
of the project during each year that the exemption remains in 4142
effect, including a summary of the receipts from service 4143
payments in lieu of taxes; expenditures of money from the fund 4144
created under section 5709.75 of the Revised Code; a description 4145
of the public infrastructure improvements and housing 4146
renovations financed with the expenditures; and a quantitative 4147
summary of changes in private investment resulting from each 4148
project. 4149

(J) Nothing in this section shall be construed to prohibit 4150
a board of township trustees from declaring to be a public 4151
purpose improvements with respect to more than one parcel. 4152

If a parcel is located in a new community district in 4153
which the new community authority imposes a community 4154
development charge on the basis of rentals received from leases 4155
of real property as described in division (L) (2) of section 4156
349.01 of the Revised Code, the parcel may not be exempted from 4157
taxation under this section. 4158

(K) A board of township trustees that adopted a resolution 4159
under this section prior to July 21, 1994, may amend that 4160
resolution to include any additional public infrastructure 4161
improvement. A board of township trustees that seeks by the 4162
amendment to utilize money from its township public improvement 4163
tax increment equivalent fund for land acquisition in aid of 4164
industry, commerce, distribution, or research, demolition on 4165
private property, or stormwater and flood remediation projects 4166
may do so provided that the board currently is a party to a 4167
hold-harmless agreement with the board of education of the city, 4168
local, or exempted village school district within the territory 4169
of which are located the parcels that are subject to an 4170

exemption. For the purposes of this division, a "hold-harmless
agreement" means an agreement under which the board of township
trustees agrees to compensate the school district for one
hundred per cent of the tax revenue that the school district
would have received from further improvements to parcels
designated in the resolution were it not for the exemption
granted by the resolution.

(L) (1) Notwithstanding the limitation prescribed by
division (D) of this section on the number of years that
improvements to a parcel or parcels may be exempted from
taxation, and subject to division (L) (3) of this section, a
board of trustees of a township with a population of fifteen
thousand or more may amend a resolution originally adopted under
this section before December 31, 1994, to extend the exemption
of improvements to the parcel or parcels included in such
resolution for an additional period not to exceed fifteen years.
The amendment shall not increase the percentage of improvements
to the parcel or parcels exempted from taxation.

(2) Notwithstanding the limitations prescribed by
divisions (C) and (D) of this section on the life of an
incentive district and the number of years that improvements to
a parcel or parcels within an incentive district may be exempted
from taxation, and subject to division (L) (3) of this section, a
board of township trustees may amend a resolution originally
adopted under division (C) of this section before January 1,
2006, to extend the life of an incentive district created by
that resolution. The extension shall be for a period not to
exceed fifteen years and shall not increase the percentage of
the value of improvements exempted from taxation.

(3) Before adopting an amendment authorized under division

(L) (1) or (2) of this section, the board of township trustees 4201
shall provide notice of the amendment to each board of education 4202
of the city, local, or exempted village school district in which 4203
the exempted parcels or incentive district are located, in the 4204
same manner as provided under division (D) of this section, and 4205
shall obtain the approval of each such board of education in the 4206
manner required under that division, except that (a) the board 4207
of education may approve the exemption on the condition that the 4208
board of township trustees and the board of education negotiate 4209
an agreement providing for compensation to the school district 4210
equal in value to the amount of taxes the district forgoes in 4211
each year the exemption is extended or any other mutually 4212
agreeable compensation and (b) if the board of education fails 4213
to certify a resolution approving the amendment to the board of 4214
township trustees within the time prescribed by division (D) of 4215
this section, the board of township trustees shall not adopt the 4216
amendment. 4217

No approval under division (L) (3) of this section shall be 4218
required for an amendment authorized under division (L) (2) of 4219
this section if the amendment provides for compensation to the 4220
city, local, or exempted village school district in which the 4221
incentive district is located equal in value to the amount of 4222
taxes that would be payable to the school district if the 4223
improvements exempted from taxation had not been exempted for 4224
the additional period. Approval is also not required for an 4225
amendment authorized under either division (L) (1) or (2) of this 4226
section from a board of education that has adopted a resolution 4227
waiving its right to approve exemptions from taxation pursuant 4228
to division (D) of this section. If the board of education has 4229
adopted such a resolution, the board of township trustees shall 4230
comply with the notice requirements imposed under section 4231

5709.83 of the Revised Code before taking formal action to adopt 4232
the amendment unless the board of education has adopted a 4233
resolution under that section waiving its right to receive the 4234
notice. Not later than fourteen days before adopting an 4235
amendment authorized under division (L) (1) or (2) of this 4236
section, the board of township trustees shall deliver a notice 4237
identical to a notice required under section 5709.83 of the 4238
Revised Code to the board of county commissioners of each county 4239
in which the exempted parcels or incentive district are located. 4240

Sec. 5709.78. (A) A board of county commissioners may, by 4241
resolution, declare improvements to certain parcels of real 4242
property located in the unincorporated territory of the county 4243
to be a public purpose. Except as otherwise provided under 4244
division (C) of this section or section 5709.51 or 5709.511 of 4245
the Revised Code, not more than seventy-five per cent of an 4246
improvement thus declared to be a public purpose may be exempted 4247
from real property taxation, for a period of not more than ten 4248
years. The resolution shall specify the percentage of the 4249
improvement to be exempted and the life of the exemption. 4250

A resolution adopted under this division shall designate 4251
the specific public infrastructure improvements made, to be 4252
made, or in the process of being made by the county that 4253
directly benefit, or that once made will directly benefit, the 4254
parcels for which improvements are declared to be a public 4255
purpose. The service payments provided for in section 5709.79 of 4256
the Revised Code shall be used to finance the public 4257
infrastructure improvements designated in the resolution, or as 4258
provided in section 5709.80 of the Revised Code. 4259

(B) (1) A board of county commissioners may adopt a 4260
resolution creating an incentive district and declaring 4261

improvements to parcels within the district to be a public 4262
purpose and, except as provided in division (B) (2) of this 4263
section, exempt from taxation as provided in this section, but 4264
no board of county commissioners of a county that has a 4265
population that exceeds twenty-five thousand, as shown by the 4266
most recent federal decennial census, shall adopt a resolution 4267
that creates an incentive district if the sum of the taxable 4268
value of real property in the proposed district for the 4269
preceding tax year and the taxable value of all real property in 4270
the county that would have been taxable in the preceding year 4271
were it not for the fact that the property was in an existing 4272
incentive district and therefore exempt from taxation exceeds 4273
twenty-five per cent of the taxable value of real property in 4274
the county for the preceding tax year. The district shall be 4275
located within the unincorporated territory of the county and 4276
shall not include any territory that is included within a 4277
district created under division (C) of section 5709.73 of the 4278
Revised Code. The resolution shall delineate the boundary of the 4279
proposed district and specifically identify each parcel within 4280
the district. A proposed district may not include any parcel 4281
that is or has been exempted from taxation under division (A) of 4282
this section or that is or has been within another district 4283
created under this division. A resolution may create more than 4284
one such district, and more than one resolution may be adopted 4285
under division (B) (1) of this section. 4286

(2) (a) Not later than thirty days prior to adopting a 4287
resolution under division (B) (1) of this section, if the county 4288
intends to apply for exemptions from taxation under section 4289
5709.911 of the Revised Code on behalf of owners of real 4290
property located within the proposed incentive district, the 4291
board of county commissioners shall conduct a public hearing on 4292

the proposed resolution. Not later than thirty days prior to the 4293
public hearing, the board shall give notice of the public 4294
hearing and the proposed resolution by first class mail to every 4295
real property owner whose property is located within the 4296
boundaries of the proposed incentive district that is the 4297
subject of the proposed resolution. The board also shall provide 4298
the notice by first class mail to the clerk of each township in 4299
which the proposed incentive district will be located. The 4300
notice shall include a map of the proposed incentive district on 4301
which the board of county commissioners shall have delineated an 4302
overlay. The notice shall inform property owners of the owner's 4303
right to exclude the owner's property from the incentive 4304
district if both of the following conditions are met: 4305

(i) The owner's entire parcel of property will not be 4306
located within the overlay. 4307

(ii) The owner has submitted a statement to the board of 4308
township trustees of the township in which the parcel is located 4309
indicating the owner's intent to seek a tax exemption for 4310
improvements to the owner's parcel under section 5709.41 or 4311
division (B) or (C) of section 5709.73 of the Revised Code 4312
within the next five years. 4313

When both of the preceding conditions are met, the owner 4314
may exclude the owner's property from the incentive district by 4315
submitting a written response in accordance with division (B) (2) 4316
(b) of this section. The notice also shall include information 4317
detailing the required contents of the response, the address to 4318
which the response may be mailed, and the deadline for 4319
submitting the response. 4320

(b) Any owner of real property located within the 4321
boundaries of an incentive district proposed under division (B) 4322

(1) of this section who meets the conditions specified in 4323
divisions (B) (2) (a) (i) and (ii) of this section may exclude the 4324
property from the proposed incentive district by submitting a 4325
written response to the board not later than forty-five days 4326
after the postmark date on the notice required under division 4327
(B) (2) (a) of this section. The response shall include a copy of 4328
the statement submitted under division (B) (2) (a) (ii) of this 4329
section. The response shall be sent by first class mail or 4330
delivered in person at a public hearing held by the board under 4331
division (B) (2) (a) of this section. The response shall conform 4332
to any content requirements that may be established by the board 4333
and included in the notice provided under division (B) (2) (a) of 4334
this section. In the response, property owners may identify a 4335
parcel by street address, by the manner in which it is 4336
identified in the resolution, or by other means allowing the 4337
identity of the parcel to be ascertained. 4338

(c) Before adopting a resolution under division (B) (1) of 4339
this section, the board shall amend the resolution to exclude 4340
any parcel for which a written response has been submitted under 4341
division (B) (2) (b) of this section. A county shall not apply for 4342
exemptions from taxation under section 5709.911 of the Revised 4343
Code for any such parcel, and service payments may not be 4344
required from the owner of the parcel. Improvements to a parcel 4345
excluded from an incentive district under this division may be 4346
exempted from taxation under division (A) of this section 4347
pursuant to a resolution adopted under that division or under 4348
any other section of the Revised Code under which the parcel 4349
qualifies. 4350

(3) (a) A resolution adopted under division (B) (1) of this 4351
section shall specify the life of the incentive district and the 4352
percentage of the improvements to be exempted, shall designate 4353

the public infrastructure improvements made, to be made, or in 4354
the process of being made, that benefit or serve, or, once made, 4355
will benefit or serve parcels in the district. The resolution 4356
also shall identify one or more specific projects being, or to 4357
be, undertaken in the district that place additional demand on 4358
the public infrastructure improvements designated in the 4359
resolution. The project identified may, but need not be, the 4360
project under division (B) (3) (b) of this section that places 4361
real property in use for commercial or industrial purposes. 4362

A resolution adopted under division (B) (1) of this section 4363
on or after March 30, 2006, shall not designate police or fire 4364
equipment as public infrastructure improvements, and no service 4365
payment provided for in section 5709.79 of the Revised Code and 4366
received by the county under the resolution shall be used for 4367
police or fire equipment. 4368

(b) A resolution adopted under division (B) (1) of this 4369
section may authorize the use of service payments provided for 4370
in section 5709.79 of the Revised Code for the purpose of 4371
housing renovations within the incentive district, provided that 4372
the resolution also designates public infrastructure 4373
improvements that benefit or serve the district, and that a 4374
project within the district places real property in use for 4375
commercial or industrial purposes. Service payments may be used 4376
to finance or support loans, deferred loans, and grants to 4377
persons for the purpose of housing renovations within the 4378
district. The resolution shall designate the parcels within the 4379
district that are eligible for housing renovations. The 4380
resolution shall state separately the amount or the percentages 4381
of the expected aggregate service payments that are designated 4382
for each public infrastructure improvement and for the purpose 4383
of housing renovations. 4384

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (D) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (C) of this section.

(C) (1) Improvements with respect to a parcel may be exempted from taxation under division (A) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (B) of this section, for up to ten years or, with the approval of the board of education of each city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to the approval of a board of education under this division, the board of county commissioners shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (A) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the

improvements, specify the period for which the improvements 4416
would be exempted from taxation and the percentage of the 4417
improvements that would be exempted, and indicate the date on 4418
which the board of county commissioners intends to adopt the 4419
resolution. The notice regarding improvements to parcels within 4420
an incentive district under division (B) of this section shall 4421
delineate the boundaries of the district, specifically identify 4422
each parcel within the district, identify each anticipated 4423
improvement in the district, provide an estimate of the true 4424
value in money of each such improvement, specify the life of the 4425
district and the percentage of improvements that would be 4426
exempted, and indicate the date on which the board of county 4427
commissioners intends to adopt the resolution. The board of 4428
education, by resolution adopted by a majority of the board, may 4429
approve the exemption for the period or for the exemption 4430
percentage specified in the notice; may disapprove the exemption 4431
for the number of years in excess of ten, may disapprove the 4432
exemption for the percentage of the improvements to be exempted 4433
in excess of seventy-five per cent, or both; or may approve the 4434
exemption on the condition that the board of county 4435
commissioners and the board of education negotiate an agreement 4436
providing for compensation to the school district equal in value 4437
to a percentage of the amount of taxes exempted in the eleventh 4438
and subsequent years of the exemption period or, in the case of 4439
exemption percentages in excess of seventy-five per cent, 4440
compensation equal in value to a percentage of the taxes that 4441
would be payable on the portion of the improvements in excess of 4442
seventy-five per cent were that portion to be subject to 4443
taxation, or other mutually agreeable compensation. 4444

(2) The board of education shall certify its resolution to 4445
the board of county commissioners not later than fourteen days 4446

prior to the date the board of county commissioners intends to 4447
adopt its resolution as indicated in the notice. If the board of 4448
education and the board of county commissioners negotiate a 4449
mutually acceptable compensation agreement, the resolution of 4450
the board of county commissioners may declare the improvements a 4451
public purpose for the number of years specified in that 4452
resolution or, in the case of exemption percentages in excess of 4453
seventy-five per cent, for the exemption percentage specified in 4454
the resolution. In either case, if the board of education and 4455
the board of county commissioners fail to negotiate a mutually 4456
acceptable compensation agreement, the resolution may declare 4457
the improvements a public purpose for not more than ten years, 4458
and shall not exempt more than seventy-five per cent of the 4459
improvements from taxation. If the board of education fails to 4460
certify a resolution to the board of county commissioners within 4461
the time prescribed by this section, the board of county 4462
commissioners thereupon may adopt the resolution and may declare 4463
the improvements a public purpose for up to thirty years or, in 4464
the case of exemption percentages proposed in excess of seventy- 4465
five per cent, for the exemption percentage specified in the 4466
resolution. The board of county commissioners may adopt the 4467
resolution at any time after the board of education certifies 4468
its resolution approving the exemption to the board of county 4469
commissioners, or, if the board of education approves the 4470
exemption on the condition that a mutually acceptable 4471
compensation agreement be negotiated, at any time after the 4472
compensation agreement is agreed to by the board of education 4473
and the board of county commissioners. If a mutually acceptable 4474
compensation agreement is negotiated between the board of county 4475
commissioners and the board of education, including agreements 4476
for payments in lieu of taxes under section 5709.79 of the 4477
Revised Code, the board of county commissioners shall compensate 4478

the joint vocational school district within which the parcel or 4479
district is located at the same rate and under the same terms 4480
received by the city, local, or exempted village school 4481
district. 4482

(3) If a board of education has adopted a resolution 4483
waiving its right to approve exemptions from taxation under this 4484
section and the resolution remains in effect, approval of such 4485
exemptions by the board of education is not required under 4486
division (C) of this section. If a board of education has 4487
adopted a resolution allowing a board of county commissioners to 4488
deliver the notice required under division (C) of this section 4489
fewer than forty-five business days prior to approval of the 4490
resolution by the board of county commissioners, the board of 4491
county commissioners shall deliver the notice to the board of 4492
education not later than the number of days prior to such 4493
approval as prescribed by the board of education in its 4494
resolution. If a board of education adopts a resolution waiving 4495
its right to approve exemptions or shortening the notification 4496
period, the board of education shall certify a copy of the 4497
resolution to the board of county commissioners. If the board of 4498
education rescinds such a resolution, it shall certify notice of 4499
the rescission to the board of county commissioners. 4500

(4) Nothing in division (C) of this section prohibits the 4501
board of county commissioners from amending the resolution under 4502
section 5709.51 or 5709.511 of the Revised Code to extend the 4503
term of the exemption. 4504

(D) (1) If a proposed resolution under division (B) (1) of 4505
this section exempts improvements with respect to a parcel 4506
within an incentive district for more than ten years, or the 4507
percentage of the improvement exempted from taxation exceeds 4508

seventy-five per cent, not later than forty-five business days 4509
prior to adopting the resolution the board of county 4510
commissioners shall deliver to the board of township trustees of 4511
any township within which the incentive district is or will be 4512
located a notice that states its intent to adopt a resolution 4513
creating an incentive district. The notice shall include a copy 4514
of the proposed resolution, identify the parcels for which 4515
improvements are to be exempted from taxation, provide an 4516
estimate of the true value in money of the improvements, specify 4517
the period of time for which the improvements would be exempted 4518
from taxation, specify the percentage of the improvements that 4519
would be exempted from taxation, and indicate the date on which 4520
the board intends to adopt the resolution. 4521

(2) The board of township trustees, by resolution adopted 4522
by a majority of the board, may object to the exemption for the 4523
number of years in excess of ten, may object to the exemption 4524
for the percentage of the improvement to be exempted in excess 4525
of seventy-five per cent, or both. If the board of township 4526
trustees objects, the board of township trustees may negotiate a 4527
mutually acceptable compensation agreement with the board of 4528
county commissioners. In no case shall the compensation provided 4529
to the board of township trustees exceed the property taxes 4530
forgone due to the exemption. If the board of township trustees 4531
objects, and the board of township trustees and the board of 4532
county commissioners fail to negotiate a mutually acceptable 4533
compensation agreement, the resolution adopted under division 4534
(B) (1) of this section shall provide to the board of township 4535
trustees compensation in the eleventh and subsequent years of 4536
the exemption period equal in value to not more than fifty per 4537
cent of the taxes that would be payable to the township or, if 4538
the board of township trustee's objection includes an objection 4539

to an exemption percentage in excess of seventy-five per cent, 4540
compensation equal in value to not more than fifty per cent of 4541
the taxes that would be payable to the township on the portion 4542
of the improvement in excess of seventy-five per cent, were that 4543
portion to be subject to taxation. The board of township 4544
trustees shall certify its resolution to the board of county 4545
commissioners not later than thirty days after receipt of the 4546
notice. 4547

(3) If the board of township trustees does not object or 4548
fails to certify a resolution objecting to an exemption within 4549
thirty days after receipt of the notice, the board of county 4550
commissioners may adopt its resolution, and no compensation 4551
shall be provided to the board of township trustees. If the 4552
board of township trustees certifies its resolution objecting to 4553
the commissioners' resolution, the board of county commissioners 4554
may adopt its resolution at any time after a mutually acceptable 4555
compensation agreement is agreed to by the board of county 4556
commissioners and the board of township trustees. If the board 4557
of township trustees certifies a resolution objecting to the 4558
commissioners' resolution, the board of county commissioners may 4559
adopt its resolution at any time after a mutually acceptable 4560
compensation agreement is agreed to by the board of county 4561
commissioners and the board of township trustees, or, if no 4562
compensation agreement is negotiated, at any time after the 4563
board of county commissioners in the proposed resolution to 4564
provide compensation to the board of township trustees of fifty 4565
per cent of the taxes that would be payable to the township in 4566
the eleventh and subsequent years of the exemption period or on 4567
the portion of the improvement in excess of seventy-five per 4568
cent, were that portion to be subject to taxation. 4569

(E) Service payments in lieu of taxes that are 4570

attributable to any amount by which the effective tax rate of 4571
either a renewal levy with an increase or a replacement levy 4572
exceeds the effective tax rate of the levy renewed or replaced, 4573
or that are attributable to an additional levy, for a levy 4574
authorized by the voters for any of the following purposes on or 4575
after January 1, 2006, and which are provided pursuant to a 4576
resolution creating an incentive district under division (B)(1) 4577
of this section that is adopted on or after January 1, 2006, 4578
shall be distributed to the appropriate taxing authority as 4579
required under division (D) of section 5709.79 of the Revised 4580
Code in an amount equal to the amount of taxes from that 4581
additional levy or from the increase in the effective tax rate 4582
of such renewal or replacement levy that would have been payable 4583
to that taxing authority from the following levies were it not 4584
for the exemption authorized under division (B) of this section: 4585

(1) A tax levied under division (L) of section 5705.19 or 4586
section 5705.191 or 5705.222 of the Revised Code for community 4587
developmental disabilities programs and services pursuant to 4588
Chapter 5126. of the Revised Code; 4589

(2) A tax levied under division (Y) of section 5705.19 of 4590
the Revised Code for providing or maintaining senior citizens 4591
services or facilities; 4592

(3) A tax levied under section 5705.22 of the Revised Code 4593
for county hospitals; 4594

(4) A tax levied by a joint-county district or by a county 4595
under section 5705.19, 5705.191, or 5705.221 of the Revised Code 4596
for alcohol, drug addiction, and mental health services or 4597
facilities; 4598

(5) A tax levied under section 5705.23 of the Revised Code 4599

for library purposes; 4600

(6) A tax levied under section 5705.24 of the Revised Code 4601
for the support of children services and the placement and care 4602
of children; 4603

(7) A tax levied under division (Z) of section 5705.19 of 4604
the Revised Code for the provision and maintenance of zoological 4605
park services and facilities under section 307.76 of the Revised 4606
Code; 4607

(8) A tax levied under section 511.27 or division (H) of 4608
section 5705.19 of the Revised Code for the support of township 4609
park districts; 4610

(9) A tax levied under division (A), (F), or (H) of 4611
section 5705.19 of the Revised Code for parks and recreational 4612
purposes of a joint recreation district organized pursuant to 4613
division (B) of section 755.14 of the Revised Code; 4614

(10) A tax levied under section 1545.20 or 1545.21 of the 4615
Revised Code for park district purposes; 4616

(11) A tax levied under section 5705.191 of the Revised 4617
Code for the purpose of making appropriations for public 4618
assistance; human or social services; public relief; public 4619
welfare; public health and hospitalization; and support of 4620
general hospitals; 4621

(12) A tax levied under section 3709.29 of the Revised 4622
Code for a general health district program. 4623

(F) An exemption from taxation granted under this section 4624
commences with the tax year specified in the resolution so long 4625
as the year specified in the resolution commences after the 4626
effective date of the resolution. If the resolution specifies a 4627

year commencing before the effective date of the resolution or 4628
specifies no year whatsoever, the exemption commences with the 4629
tax year in which an exempted improvement first appears on the 4630
tax list and duplicate of real and public utility property and 4631
that commences after the effective date of the resolution. In 4632
lieu of stating a specific year, the resolution may provide that 4633
the exemption commences in the tax year in which the value of an 4634
improvement exceeds a specified amount or in which the 4635
construction of one or more improvements is completed, provided 4636
that such tax year commences after the effective date of the 4637
resolution. With respect to the exemption of improvements to 4638
parcels under division (A) of this section, the resolution may 4639
allow for the exemption to commence in different tax years on a 4640
parcel-by-parcel basis, with a separate exemption term specified 4641
for each parcel. 4642

Except as otherwise provided in this division, the 4643
exemption ends on the date specified in the resolution as the 4644
date the improvement ceases to be a public purpose or the 4645
incentive district expires, or ends on the date on which the 4646
county can no longer require annual service payments in lieu of 4647
taxes under section 5709.79 of the Revised Code, whichever 4648
occurs first. The exemption of an improvement with respect to a 4649
parcel or within an incentive district may end on a later date, 4650
as specified in the resolution, if the board of commissioners 4651
and the board of education of the city, local, or exempted 4652
village school district within which the parcel or district is 4653
located have entered into a compensation agreement under section 4654
5709.82 of the Revised Code with respect to the improvement, and 4655
the board of education has approved the term of the exemption 4656
under division (C)(1) of this section, but in no case shall the 4657
improvement be exempted from taxation for more than thirty 4658

years. Exemptions shall be claimed and allowed in the same or a 4659
similar manner as in the case of other real property exemptions. 4660
If an exemption status changes during a tax year, the procedure 4661
for the apportionment of the taxes for that year is the same as 4662
in the case of other changes in tax exemption status during the 4663
year. 4664

(G) If the board of county commissioners is not required 4665
by this section to notify the board of education of the board of 4666
county commissioners' intent to declare improvements to be a 4667
public purpose, the board of county commissioners shall comply 4668
with the notice requirements imposed under section 5709.83 of 4669
the Revised Code before taking formal action to adopt the 4670
resolution making that declaration, unless the board of 4671
education has adopted a resolution under that section waiving 4672
its right to receive such a notice. 4673

(H) The county, not later than fifteen days after the 4674
adoption of a resolution under this section, shall submit to the 4675
director of development a copy of the resolution. On or before 4676
the thirty-first day of March of each year, the county shall 4677
submit a status report to the director. The report shall 4678
indicate, in the manner prescribed by the director, the progress 4679
of the project during each year that an exemption remains in 4680
effect, including a summary of the receipts from service 4681
payments in lieu of taxes; expenditures of money from the fund 4682
created under section 5709.80 of the Revised Code; a description 4683
of the public infrastructure improvements and housing 4684
renovations financed with such expenditures; and a quantitative 4685
summary of changes in employment and private investment 4686
resulting from each project. 4687

(I) Nothing in this section shall be construed to prohibit 4688

a board of county commissioners from declaring to be a public 4689
purpose improvements with respect to more than one parcel. 4690

(J) If a parcel is located in a new community district in 4691
which the new community authority imposes a community 4692
development charge on the basis of rentals received from leases 4693
of real property as described in division (L) (2) of section 4694
349.01 of the Revised Code, the parcel may not be exempted from 4695
taxation under this section. 4696

Section 2. That existing sections 9.66, 126.65, 149.311, 4697
718.13, 718.84, 3313.6028, 3315.063, 3327.017, 3333.133, 4698
3333.97, 3345.89, 3376.01, 3379.10, 4503.44, 4506.11, 4507.05, 4699
4507.21, 4507.23, 4771.12, 5104.32, 5104.53, 5165.26, 5502.262, 4700
5525.17, 5709.40, 5709.41, 5709.73, and 5709.78 of the Revised 4701
Code are hereby repealed. 4702

Section 3. The amendment or enactment by this act of 4703
sections 3376.01, 3376.14, 4771.021, and 4771.12 of the Revised 4704
Code applies to contracts and agreements entered into on or 4705
after the effective date of this section. 4706

Section 4. (A) As used in this section, "qualified 4707
property" means property that satisfies the qualifications for 4708
tax exemption under section 717.051 of the Revised Code and that 4709
is owned or leased by a municipal corporation, county, new 4710
community authority, or port authority situated within a county 4711
having a population of greater than one million three hundred 4712
thousand. 4713

(B) Notwithstanding sections 5713.08, 5713.081, and 4714
5715.27 of the Revised Code, and without regard to any time or 4715
payment limitations under any section of the Revised Code, the 4716
municipal corporation, county, new community authority, or port 4717

authority that owns or leases qualified property at any time 4718
within twelve months after the effective date of this section 4719
may file an application with the Tax Commissioner requesting 4720
that the qualified property be placed on the exempt list and 4721
that all unpaid taxes, penalties, and interest on the property 4722
be abated. 4723

(C) The application shall be made on the form prescribed 4724
by the Tax Commissioner under section 5715.27 of the Revised 4725
Code and shall list the name of the county in which the property 4726
is located; the property's legal description, taxable value, and 4727
the amount, in dollars, of the unpaid taxes, penalties, and 4728
interest; the date of acquisition of title to the property or 4729
the effective date of the lease of the property; the use of the 4730
property during any time that the unpaid taxes accrued; and any 4731
other information required by the Commissioner. The county 4732
auditor shall supply the required information upon request of 4733
the applicant. 4734

(D) Upon request of the applicant, the county treasurer 4735
shall determine if all taxes, penalties, and interest that 4736
became a lien on the qualified property before it was first used 4737
by the property's owner or a prior owner for an exempt purpose 4738
have been paid in full. If so, the county treasurer shall issue 4739
a certificate to the applicant stating that all such taxes, 4740
penalties, and interest have been paid in full. The applicant 4741
shall attach the county treasurer's certificate to the 4742
application filed with the Tax Commissioner under this section. 4743
The Commissioner shall not consider an application filed under 4744
this section unless such a certificate is attached to it. 4745

(E) Upon receipt of an application, the Tax Commissioner 4746
shall determine if the qualified property meets the 4747

qualifications set forth in this section and if so shall issue 4748
an order directing that the property be placed on the exempt 4749
list of the county in which it is located and that all unpaid 4750
taxes, penalties, and interest for each year that the property 4751
met the qualifications for exemption described in section 4752
717.051 of the Revised Code be abated. If the Commissioner finds 4753
that the property is or previously was being used for a purpose 4754
that would disqualify it for such exemption, the Tax 4755
Commissioner shall issue an order denying the application with 4756
respect to such tax years where the Commissioner finds that 4757
disqualifying use. 4758

(F) If the Tax Commissioner finds that the property is not 4759
entitled to the tax exemption and abatement of unpaid taxes, 4760
penalties, and interest for any of the years for which the 4761
applicant claims an exemption or abatement, the Commissioner 4762
shall order the county treasurer of the county in which the 4763
property is located to collect all taxes, penalties, and 4764
interest on the property for those years as required by law. 4765

(G) The Tax Commissioner may apply this section to any 4766
qualified property that is the subject of an application for 4767
exemption pending before the Commissioner on the effective date 4768
of this section, without requiring the property owner to file an 4769
additional application. The Commissioner may also apply this 4770
section to any qualified property that is the subject of an 4771
application for exemption filed on or after the effective date 4772
of this section and on or before twelve months after that 4773
effective date, even though the application does not expressly 4774
request abatement of unpaid taxes, penalties, and interest. 4775

Section 5. That Section 265.550 of H.B. 33 of the 135th 4776
General Assembly (as amended by H.B. 96 of the 136th General 4777

Assembly) be amended to read as follows:

Sec. 265.550. PUPIL TRANSPORTATION PILOT PROGRAMS

(A) The Department of Education and Workforce shall establish two pilot programs under which two educational service centers shall provide transportation to students in lieu of the students receiving transportation from their resident school district. Not later than October 15, 2023, the Department shall select both of the following to participate in a pilot program under this section:

(1) One service center that is in a county located in central Ohio with a population of 1,323,807, according to the 2020 United States census;

(2) One service center that is in a county located in southwest Ohio with a population of 537,309, according to the 2020 United States census.

(B) (1) The service center selected under division (A) (1) of this section shall identify students who are struggling with transportation issues, as determined by their resident school district, and are served by the service center, community schools, or chartered nonpublic schools that enroll students from the district or districts for whom the service center will provide transportation during the 2024-2025 school year.

(2) The service center selected under division (A) (2) of this section shall provide transportation during the 2024-2025, 2025-2026, and 2026-2027 school years to any student whom the district and the educational service center determine is struggling with transportation issues that meets either of the following criteria:

(a) The student attends a school different from the one to

which the student would be assigned in the student's resident 4807
school district. 4808

(b) The student is a child with a disability for whom the 4809
student's resident school district is required to provide 4810
transportation as a related service. 4811

(3) In addition to providing transportation to and from a 4812
student's place of residence, the service center selected under 4813
division (A) (2) of this section also may provide transportation 4814
to and from a student's workplace learning experiences. 4815

(4) Both service centers shall report to the Department, 4816
in the manner prescribed by the Department, students who are 4817
transported by the service center. 4818

(C) No community school or chartered nonpublic school 4819

approved vehicles, to transport students from participating 4827
schools who qualify for transportation under section 3327.01 of 4828
the Revised Code and the school district's transportation 4829
policy. However, nothing shall preclude the service center from 4830
providing transportation to other students enrolled in the 4831
schools. 4832

(2) Collaborate with participating schools to designate 4833
daily start and end times for each applicable school year that 4834
will enable timely and efficient transportation of the schools' 4835

students; 4836

(3) On behalf of participating schools, notify the school 4837
district of the students that they will not require 4838
transportation for the applicable school year. 4839

(E) (1) Except as described in division (E) (2) of this 4840
section, the Department shall deduct from the school district's 4841
transportation payment under section 3317.0212 of the Revised 4842
Code and pay to the educational service center the statewide 4843
average cost per student for the qualifying ridership, under 4844
section 3317.0212 of the Revised Code, for each student 4845
transported by the service center in compliance with this 4846
section. 4847

(2) In the case of a student described in division (C) (1) 4848
of section 3317.024 of the Revised Code, the service center 4849
shall not receive a payment under division (E) (1) of this 4850
section. Instead, the department shall make a payment to the 4851
service center for such student in the manner prescribed under 4852
division (C) of section 3317.024 of the Revised Code. 4853

(F) The educational service centers and the school 4854
districts shall not be subject to section 3327.021 of the 4855
Revised Code during each school year in which the pilot program 4856
they participate in operates with regard to students enrolled in 4857
participating schools. Notwithstanding section 3314.46 of the 4858
Revised Code, the service centers may provide transportation to 4859
any participating community school they sponsor. 4860

(G) The educational service centers shall comply with all 4861
transportation requirements for students with disabilities as 4862
specified in the individualized education programs developed for 4863
the students pursuant to Chapter 3323. of the Revised Code. 4864

(H) The Department shall evaluate the pilot program in 4865
which the service center selected under division (A)(1) of this 4866
section participates and issue a report of its findings not 4867
later than September 15, 2025. The Department shall evaluate the 4868
pilot program in which the service center selected under 4869
division (A)(2) of this section participates and issue a report 4870
of its findings not later than September 15, 2027. The 4871
educational service centers and participating schools shall 4872
submit data and other information to the Department, in a manner 4873
determined by the Department, for the purpose of conducting the 4874
evaluation. 4875

Section 6. That existing Section 265.550 of H.B. 33 of the 4876
135th General Assembly (as amended by H.B. 96 of the 136th 4877
General Assembly) is hereby repealed. 4878

Section 7. That Sections 200.30 (as amended by H.B. 96 of 4879
the 136th General Assembly), 221.10 (as amended by S.B. 54 of 4880
the 135th General Assembly), 221.15 (as amended by H.B. 96 of 4881
the 136th General Assembly), 229.10, and 373.15 (as amended by 4882
H.B. 96 of the 136th General Assembly) of H.B. 2 of the 135th 4883
General Assembly be amended to read as follows: 4884

If the joint applicants cannot agree how the grant equipment is to be maintained, operated, stored, disposed of, or owned, the State Fire Marshal may, in its discretion, require all of the equipment acquired by the joint applicants with grant funds to be returned to the State Fire Marshal. The State Fire Marshal may then award the returned equipment to any eligible recipients. For this paragraph only, an "equipment grant" also includes a MARCS Grant.

OAJF UNCLAIMED FUNDS 5559

The foregoing appropriation item 800664, Access to Justice 5560
Unclaimed Funds, shall be distributed to Ohio Access to Justice 5561
Foundation (OAJF), in accordance with section 169.081 of the 5562
Revised Code, to offset escheatments to which OAJF is subject 5563
under H.B. 96 of the 136th General Assembly. 5564

On the effective date of this section, or as soon as 5565
possible thereafter, the Director of Budget and Management shall 5566

in effect prior to the effective date of the section as 5585
presented in this act. 5586
