Specifies that the bill's new limits on property tax	13
counter-complaints and appeals by a subdivision may apply	14
retrospectively to tax year 2022 only if the counter-complaint	15
or appeal is still pending on the bill's effective date.	16
Currently, the retrospective provisions apply to any counter-	17
complaints or appeals filed for 2022 or after, regardless of	18
whether the case is still pending.	19
