the peace officer's duties. 463

(17) "Restricted portions of a body-worn camera or 464

(b) The death of a person or a deceased person's body, 475

administrator has been obtained; 479

(c) The death of a correctional employee, youth services 480
employee, peace officer, firefighter, paramedic, or other first 481
responder, occurring while the decedent was engaged in the 482
performance of official duties, unless, subject to division (H) 483
(1) of this section, the consent of the decedent's executor or 484
administrator has been obtained; 485

(d) Grievous bodily harm, unless the injury was effected 486
by a correctional employee, youth services employee, or peace 487

(1) of this section, the consent of the injured person or the 495
injured person's guardian has been obtained; 496

(f) Grievous bodily harm to a correctional employee, youth 497
services employee, peace officer, firefighter, paramedic, or 498

engaged in the performance of official duties, unless, subject 500
to division (H) (1) of this section, the consent of the injured 501
person or the injured person's guardian has been obtained; 502

(g) An act of severe violence resulting in serious 503
physical harm against a correctional employee, youth services 504
employee, peace officer, firefighter, paramedic, or other first 505

responder, occurring while the injured person was engaged in the 506
performance of official duties, unless, subject to division (H) 507
(1) of this section, the consent of the injured person or the 508
injured person's guardian has been obtained; 509

(h) A person's nude body, unless, subject to division (H) 510
(1) of this section, the person's consent has been obtained; 511

(i) Protected health information, the identity of a person 512

(j) Information that could identify the alleged victim of 518
a sex offense, menacing by stalking, or domestic violence; 519

(k) Information, that does not constitute a confidential 520
law enforcement investigatory record, that could identify a 521
person who provides sensitive or confidential information to the 522
department of rehabilitation and correction, the department of 523
youth services, or a law enforcement agency when the disclosure 524
of the person's identity or the information provided could 525

As used in division (A) (17) of this section: 550

"Grievous bodily harm" has the same meaning as in section 551
5924.120 of the Revised Code. 552

"Health care facility" has the same meaning as in section 553
1337.11 of the Revised Code. 554

"Protected health information" has the same meaning as in 555
45 C.F.R. 160.103. 556

"Law enforcement agency" means a government entity that 557
employs peace officers to perform law enforcement duties. 558

"Personal information" means any government-issued 559
identification number, date of birth, address, financial 560
information, or criminal justice information from the law 561
enforcement automated data system or similar databases. 562

"Sex offense" has the same meaning as in section 2907.10 563
of the Revised Code. 564

"Firefighter," "paramedic," and "first responder" have the 565
same meanings as in section 4765.01 of the Revised Code. 566

(B) (1) Upon request by any person and subject to division 567
(B) (8) of this section, all public records responsive to the 568
request shall be promptly prepared and made available for 569
inspection to the requester at all reasonable times during 570
regular business hours. Subject to division (B) (8) of this 571
section, upon request by any person, a public office or person 572
responsible for public records shall make copies of the 573
requested public record available to the requester at cost and 574
within a reasonable period of time. 575

When considering whether a state or local law enforcement 576
agency promptly prepared a video record for inspection or 577
provided a video record for production within a reasonable 578
period of time, in addition to any other factors, a court shall 579
consider the time required for a state or local law enforcement 580
agency to retrieve, download, review, redact, seek legal advice 581
regarding, and produce the video record. Notwithstanding any 582
other requirement set forth in Chapter 149. of the Revised Code, 583
a state or local law enforcement agency may charge a requester 584
the actual cost associated with preparing a video record for 585
inspection or production, not to exceed seventy-five dollars per 586
hour of video produced, nor seven hundred fifty dollars total. 587
As used in this division, "actual cost," with respect to video 588
records only, means all costs incurred by the state or local law 589
enforcement agency in reviewing, blurring or otherwise 590
obscuring, redacting, uploading, or producing the video records, 591
including but not limited to the storage medium on which the 592

record is produced, staff time, and any other relevant overhead 593
necessary to comply with the request. A state or local law 594
enforcement agency may include in its public records policy the 595
requirement that a requester pay the estimated actual cost 596
before beginning the process of preparing a video record for 597
inspection or production. Where a state or local law enforcement 598
agency imposes such a requirement, its obligation to produce a 599
video or make it available for inspection begins once the 600
estimated actual cost is paid in full by the requester. A state 601
or local law enforcement agency shall provide the requester with 602
the estimated actual cost within five business days of receipt 603
of the public records request. If the actual cost exceeds the 604
estimated actual cost, a state or local law enforcement agency 605
may charge a requester for the difference upon fulfilling a 606
request for video records if the requester is notified in 607
advance that the actual cost may be up to twenty per cent higher 608
than the estimated actual cost. A state or local law enforcement 609
agency shall not charge a requester a difference that exceeds 610
twenty per cent of the estimated actual cost. 611

If a public record contains information that is exempt 612
from the duty to permit public inspection or to copy the public 613
record, the public office or the person responsible for the 614
public record shall make available all of the information within 615
the public record that is not exempt. When making that public 616
record available for public inspection or copying that public 617
record, the public office or the person responsible for the 618
public record shall notify the requester of any redaction or 619
make the redaction plainly visible. A redaction shall be deemed 620
a denial of a request to inspect or copy the redacted 621
information, except if federal or state law authorizes or 622
requires a public office to make the redaction. When the auditor 623

of state receives a request to inspect or to make a copy of a 624
record that was provided to the auditor of state for purposes of 625
an audit, but the original public office has asserted to the 626
auditor of state that the record is not a public record, the 627
auditor of state may handle the requests by directing the 628
requestor to the original public office that provided the record 629
to the auditor of state. 630

(2) To facilitate broader access to public records, a 631
public office or the person responsible for public records shall 632
organize and maintain public records in a manner that they can 633
be made available for inspection or copying in accordance with 634
division (B) of this section. A public office also shall have 635
available a copy of its current records retention schedule at a 636
location readily available to the public. If a requester makes 637
an ambiguous or overly broad request or has difficulty in making 638
a request for copies or inspection of public records under this 639
section such that the public office or the person responsible 640
for the requested public record cannot reasonably identify what 641
public records are being requested, the public office or the 642
person responsible for the requested public record may deny the 643
request but shall provide the requester with an opportunity to 644
revise the request by informing the requester of the manner in 645
which records are maintained by the public office and accessed 646
in the ordinary course of the public office's or person's 647
duties. 648

(3) If a request is ultimately denied, in part or in 649
whole, the public office or the person responsible for the 650
requested public record shall provide the requester with an 651
explanation, including legal authority, setting forth why the 652
request was denied. If the initial request was provided in 653
writing, the explanation also shall be provided to the requester 654

in writing. The explanation shall not preclude the public office 655
or the person responsible for the requested public record from 656
relying upon additional reasons or legal authority in defending 657
an action commenced under division (C) of this section. 658

(4) Unless specifically required or authorized by state or 659
federal law or in accordance with division (B) of this section, 660
no public office or person responsible for public records may 661
limit or condition the availability of public records by 662
requiring disclosure of the requester's identity or the intended 663
use of the requested public record. Any requirement that the 664
requester disclose the requester's identity or the intended use 665
of the requested public record constitutes a denial of the 666
request. 667

(5) A public office or person responsible for public 668
records may ask a requester to make the request in writing, may 669
ask for the requester's identity, and may inquire about the 670
intended use of the information requested, but may do so only 671
after disclosing to the requester that a written request is not 672
mandatory, that the requester may decline to reveal the 673
requester's identity or the intended use, and when a written 674
request or disclosure of the identity or intended use would 675
benefit the requester by enhancing the ability of the public 676
office or person responsible for public records to identify, 677
locate, or deliver the public records sought by the requester. 678

(6) If any person requests a copy of a public record in 679
accordance with division (B) of this section, the public office 680
or person responsible for the public record may require the 681
requester to pay in advance the cost involved in providing the 682
copy of the public record in accordance with the choice made by 683
the requester under this division. The public office or the 684

person responsible for the public record shall permit the 685
requester to choose to have the public record duplicated upon 686
paper, upon the same medium upon which the public office or 687
person responsible for the public record keeps it, or upon any 688
other medium upon which the public office or person responsible 689
for the public record determines that it reasonably can be 690
duplicated as an integral part of the normal operations of the 691
public office or person responsible for the public record. When 692
the requester makes a choice under this division, the public 693
office or person responsible for the public record shall provide 694
a copy of it in accordance with the choice made by the 695
requester. Nothing in this section requires a public office or 696
person responsible for the public record to allow the requester 697
of a copy of the public record to make the copies of the public 698
record. 699

(7) (a) Upon a request made in accordance with division (B) 700
of this section and subject to division (B) (6) of this section, 701
a public office or person responsible for public records shall 702
transmit a copy of a public record to any person by United 703
States mail or by any other means of delivery or transmission 704
within a reasonable period of time after receiving the request 705
for the copy. The public office or person responsible for the 706
public record may require the person making the request to pay 707
in advance the cost of postage if the copy is transmitted by 708
United States mail or the cost of delivery if the copy is 709
transmitted other than by United States mail, and to pay in 710
advance the costs incurred for other supplies used in the 711
mailing, delivery, or transmission. 712

(b) Any public office may adopt a policy and procedures 713
that it will follow in transmitting, within a reasonable period 714
of time after receiving a request, copies of public records by 715

United States mail or by any other means of delivery or 716
transmission pursuant to division (B) (7) of this section. A 717
public office that adopts a policy and procedures under division 718
(B) (7) of this section shall comply with them in performing its 719
duties under that division. 720

(c) In any policy and procedures adopted under division 721
(B) (7) of this section: 722

(i) A public office may limit the number of records 723
requested by a person that the office will physically deliver by 724
United States mail or by another delivery service to ten per 725
month, unless the person certifies to the office in writing that 726
the person does not intend to use or forward the requested 727
records, or the information contained in them, for commercial 728
purposes; 729

(ii) A public office that chooses to provide some or all 730
of its public records on a web site that is fully accessible to 731
and searchable by members of the public at all times, other than 732
during acts of God outside the public office's control or 733
maintenance, and that charges no fee to search, access, 734
download, or otherwise receive records provided on the web site, 735
may limit to ten per month the number of records requested by a 736
person that the office will deliver in a digital format, unless 737
the requested records are not provided on the web site and 738
unless the person certifies to the office in writing that the 739
person does not intend to use or forward the requested records, 740
or the information contained in them, for commercial purposes. 741

(iii) For purposes of division (B) (7) of this section, 742
"commercial" shall be narrowly construed and does not include 743
reporting or gathering news, reporting or gathering information 744
to assist citizen oversight or understanding of the operation or 745

activities of government, or nonprofit educational research. 746

(8) A public office or person responsible for public 747
records is not required to permit a person who is incarcerated 748
pursuant to a criminal conviction or a juvenile adjudication to 749
inspect or to obtain a copy of any public record concerning a 750
criminal investigation or prosecution or concerning what would 751
be a criminal investigation or prosecution if the subject of the 752
investigation or prosecution were an adult, unless the request 753
to inspect or to obtain a copy of the record is for the purpose 754
of acquiring information that is subject to release as a public 755
record under this section and the judge who imposed the sentence 756
or made the adjudication with respect to the person, or the 757
judge's successor in office, finds that the information sought 758
in the public record is necessary to support what appears to be 759
a justiciable claim of the person. As used in this division, 760
"public record concerning a criminal investigation or 761
prosecution or concerning what would be a criminal investigation 762
or prosecution if the subject of the investigation were an 763
adult" includes, but is not limited to, personnel files and 764
payroll and attendance records of designated public service 765
workers. 766

(9) (a) Upon written request made and signed by a 767
journalist, a public office, or person responsible for public 768
records, having custody of the records of the agency employing a 769
specified designated public service worker shall disclose to the 770
journalist the address of the actual personal residence of the 771
designated public service worker and, if the designated public 772
service worker's spouse, former spouse, or child is employed by 773
a public office, the name and address of the employer of the 774
designated public service worker's spouse, former spouse, or 775
child, and any past, current, and future work schedules of the 776

designated public service worker. The request shall include the 777
journalist's name and title and the name and address of the 778
journalist's employer and shall state that disclosure of the 779
information sought would be in the public interest. 780

(b) Division (B) (9) (a) of this section also applies to 781
journalist requests for: 782

(i) Customer information maintained by a municipally owned 783
or operated public utility, other than social security numbers 784
and any private financial information such as credit reports, 785
payment methods, credit card numbers, and bank account 786
information; 787

(ii) Information about minors involved in a school vehicle 788
accident as provided in division (A) (1) (gg) of this section, 789
other than personal information as defined in section 149.45 of 790
the Revised Code; 791

(iii) A request form submitted to a public office under 792
section 149.45 of the Revised Code; 793

(iv) An affidavit submitted under section 319.28 of the 794
Revised Code. 795

(c) As used in division (B) (9) of this section, 796
"journalist" means a person engaged in, connected with, or 797
employed by any news medium, including a newspaper, magazine, 798
press association, news agency, or wire service, a radio or 799
television station, or a similar medium, for the purpose of 800
gathering, processing, transmitting, compiling, editing, or 801
disseminating information for the general public. 802

(10) Upon a request made by a victim, victim's attorney, 803
or victim's representative, as that term is used in section 804
2930.02 of the Revised Code, a public office or person 805

responsible for public records shall transmit a copy of a 806
depiction of the victim as described in division (A) (1) (ii) of 807
this section to the victim, victim's attorney, or victim's 808
representative. 809

(C) (1) If a person allegedly is aggrieved by the failure 810
of a public office or the person responsible for public records 811
to promptly prepare a public record and to make it available to 812
the person for inspection in accordance with division (B) of 813
this section or by any other failure of a public office or the 814
person responsible for public records to comply with an 815
obligation in accordance with division (B) of this section, the 816
person allegedly aggrieved may serve pursuant to Rule 4 of the 817
Ohio Rules of Civil Procedure a complaint, on a form prescribed 818
by the clerk of the court of claims, to the public office or 819
person responsible for public records allegedly responsible for 820
the alleged failure. Upon receipt of the complaint of the person 821
allegedly aggrieved, the public office or person responsible for 822
public records has three business days to cure or otherwise 823
address the failure alleged in the complaint. The person 824
allegedly aggrieved shall not file a complaint with a court or 825
commence a mandamus action under this section within the three- 826
day period. Upon the expiration of the three-day period, the 827
person allegedly aggrieved may, subject to the requirements of 828
division (C) (2) of this section, do only one of the following, 829
and not both: 830

(a) File a complaint with the clerk of the court of claims 831
or the clerk of the court of common pleas under section 2743.75 832
of the Revised Code; 833

(b) Commence a mandamus action to obtain a judgment that 834
orders the public office or the person responsible for the 835

public record to comply with division (B) of this section, that 836
awards court costs and reasonable attorney's fees to the person 837
that instituted the mandamus action, and, if applicable, that 838
includes an order fixing statutory damages under division (C) (3) 839
of this section. The mandamus action may be commenced in the 840
court of common pleas of the county in which division (B) of 841
this section allegedly was not complied with, in the supreme 842
court pursuant to its original jurisdiction under Section 2 of 843
Article IV, Ohio Constitution, or in the court of appeals for 844
the appellate district in which division (B) of this section 845
allegedly was not complied with pursuant to its original 846
jurisdiction under Section 3 of Article IV, Ohio Constitution. 847

(2) Upon filing a complaint or mandamus action with a 848
court under divisions (C) (1) (a) or (b) of this section, a person 849
allegedly aggrieved shall file with the court, in conjunction 850
with the person's complaint or petition, a written affirmation 851
stating that the person properly transmitted a complaint to the 852
public office or person responsible for public records, the 853
failure alleged in the complaint has not been cured or otherwise 854
resolved to the person's satisfaction, and that the complaint 855
was transmitted to the public office or person responsible for 856
public records at least three business days before the filing of 857
the suit. If the person fails to file an affirmation pursuant to 858
this division, the suit shall be dismissed. 859

(3) If a requester transmits a written request by hand 860
delivery, electronic submission, or certified mail to inspect or 861
receive copies of any public record in a manner that fairly 862
describes the public record or class of public records to the 863
public office or person responsible for the requested public 864
records, except as otherwise provided in this section, the 865
requester shall be entitled to recover the amount of statutory 866

damages set forth in this division if a court determines that 867
the public office or the person responsible for public records 868
failed to comply with an obligation in accordance with division 869
(B) of this section. Statutory damages are not available 870
pursuant to this section to a person committed to the custody of 871
the department of rehabilitation and correction or the United 872
States bureau of prisons, or a child committed to the department 873
of youth services as permitted in Chapter 2152. of the Revised 874
Code. 875

The amount of statutory damages shall be fixed at one 876
hundred dollars for each business day during which the public 877
office or person responsible for the requested public records 878
failed to comply with an obligation in accordance with division 879
(B) of this section, beginning with the day on which the 880
requester files a mandamus action to recover statutory damages, 881
up to a maximum of one thousand dollars. The award of statutory 882
damages shall not be construed as a penalty, but as compensation 883
for injury arising from lost use of the requested information. 884
The existence of this injury shall be conclusively presumed. The 885
award of statutory damages shall be in addition to all other 886
remedies authorized by this section. 887

The court may reduce an award of statutory damages or not 888
award statutory damages if the court determines both of the 889
following: 890

(a) That, based on the ordinary application of statutory 891
law and case law as it existed at the time of the conduct or 892
threatened conduct of the public office or person responsible 893
for the requested public records that allegedly constitutes a 894
failure to comply with an obligation in accordance with division 895
(B) of this section and that was the basis of the mandamus 896

action, a well-informed public office or person responsible for 897
the requested public records reasonably would believe that the 898
conduct or threatened conduct of the public office or person 899
responsible for the requested public records did not constitute 900
a failure to comply with an obligation in accordance with 901
division (B) of this section; 902

(b) That a well-informed public office or person 903
responsible for the requested public records reasonably would 904
believe that the conduct or threatened conduct of the public 905
office or person responsible for the requested public records 906
would serve the public policy that underlies the authority that 907
is asserted as permitting that conduct or threatened conduct. 908

(4) In a mandamus action filed under division (C) (1) of 909
this section, the following apply: 910

(a) (i) If the court orders the public office or the person 911
responsible for the public record to comply with division (B) of 912
this section, the court shall determine and award to the relator 913
all court costs, which shall be construed as remedial and not 914
punitive. 915

(ii) If the court makes a determination described in 916
division (C) (4) (b) (iii) of this section, the court shall 917
determine and award to the relator all court costs, which shall 918
be construed as remedial and not punitive. 919

(b) If the court renders a judgment that orders the public 920
office or the person responsible for the public record to comply 921
with division (B) of this section or if the court determines any 922
of the following, the court may award reasonable attorney's fees 923
to the relator, subject to division (C) (5) of this section: 924

(i) The public office or the person responsible for the 925

public records failed to respond affirmatively or negatively to 926
the public records request in accordance with the time allowed 927
under division (B) of this section. 928

(ii) The public office or the person responsible for the 929
public records promised to permit the relator to inspect or 930
receive copies of the public records requested within a 931
specified period of time but failed to fulfill that promise 932
within that specified period of time. 933

(iii) The public office or the person responsible for the 934
public records acted in bad faith when the office or person 935
voluntarily made the public records available to the relator for 936
the first time after the relator commenced the mandamus action, 937
but before the court issued any order concluding whether or not 938
the public office or person was required to comply with division 939
(B) of this section. No discovery may be conducted on the issue 940
of the alleged bad faith of the public office or person 941
responsible for the public records. This division shall not be 942
construed as creating a presumption that the public office or 943
the person responsible for the public records acted in bad faith 944
when the office or person voluntarily made the public records 945
available to the relator for the first time after the relator 946
commenced the mandamus action, but before the court issued any 947
order described in this division. 948

(c) The court shall not award attorney's fees to the 949
relator if the court determines both of the following: 950

(i) That, based on the ordinary application of statutory 951
law and case law as it existed at the time of the conduct or 952
threatened conduct of the public office or person responsible 953
for the requested public records that allegedly constitutes a 954
failure to comply with an obligation in accordance with division 955

(B) of this section and that was the basis of the mandamus 956
action, a well-informed public office or person responsible for 957
the requested public records reasonably would believe that the 958
conduct or threatened conduct of the public office or person 959
responsible for the requested public records did not constitute 960
a failure to comply with an obligation in accordance with 961
division (B) of this section; 962

(ii) That a well-informed public office or person 963
responsible for the requested public records reasonably would 964
believe that the conduct or threatened conduct of the public 965
office or person responsible for the requested public records 966
would serve the public policy that underlies the authority that 967
is asserted as permitting that conduct or threatened conduct. 968

(5) All of the following apply to any award of reasonable 969
attorney's fees awarded under division (C) (4) (b) of this 970
section: 971

(a) The fees shall be construed as remedial and not 972
punitive. 973

(b) The fees awarded shall not exceed the total of the 974
reasonable attorney's fees incurred before the public record was 975
made available to the relator and the fees described in division 976
(C) (5) (c) of this section. 977

(c) Reasonable attorney's fees shall include reasonable 978
fees incurred to produce proof of the reasonableness and amount 979
of the fees and to otherwise litigate entitlement to the fees. 980

(d) The court may reduce the amount of fees awarded if the 981
court determines that, given the factual circumstances involved 982
with the specific public records request, an alternative means 983
should have been pursued to more effectively and efficiently 984

resolve the dispute that was subject to the mandamus action 985
filed under division (C) (1) of this section. 986

(6) If the court does not issue a writ of mandamus under 987
division (C) of this section and the court determines at that 988
time that the bringing of the mandamus action was frivolous 989
conduct as defined in division (A) of section 2323.51 of the 990
Revised Code, the court may award to the public office all court 991
costs, expenses, and reasonable attorney's fees, as determined 992
by the court. 993

(D) Chapter 1347. of the Revised Code does not limit the 994
provisions of this section. 995

(E) (1) To ensure that all employees of public offices are 996
appropriately educated about a public office's obligations under 997
division (B) of this section, all elected officials or their 998
appropriate designees shall attend training approved by the 999
attorney general as provided in section 109.43 of the Revised 1000
Code. A future official may satisfy the requirements of this 1001
division by attending the training before taking office, 1002
provided that the future official may not send a designee in the 1003
future official's place. 1004

(2) All public offices shall adopt a public records policy 1005
in compliance with this section for responding to public records 1006
requests. In adopting a public records policy under this 1007
division, a public office may obtain guidance from the model 1008
public records policy developed and provided to the public 1009
office by the attorney general under section 109.43 of the 1010
Revised Code. Except as otherwise provided in this section, the 1011
policy may not limit the number of public records that the 1012
public office will make available to a single person, may not 1013
limit the number of public records that it will make available 1014

during a fixed period of time, and may not establish a fixed 1015
period of time before it will respond to a request for 1016
inspection or copying of public records, unless that period is 1017
less than eight hours. 1018

The public office shall distribute the public records 1019
policy adopted by the public office under this division to the 1020
employee of the public office who is the records custodian or 1021
records manager or otherwise has custody of the records of that 1022
office. The public office shall require that employee to 1023
acknowledge receipt of the copy of the public records policy. 1024
The public office shall create a poster that describes its 1025
public records policy and shall post the poster in a conspicuous 1026
place in the public office and in all locations where the public 1027
office has branch offices. The public office may post its public 1028
records policy on the internet web site of the public office if 1029
the public office maintains an internet web site. A public 1030
office that has established a manual or handbook of its general 1031
policies and procedures for all employees of the public office 1032
shall include the public records policy of the public office in 1033
the manual or handbook. 1034

(F) (1) The bureau of motor vehicles may adopt rules 1035
pursuant to Chapter 119. of the Revised Code to reasonably limit 1036
the number of bulk commercial special extraction requests made 1037
by a person for the same records or for updated records during a 1038
calendar year. The rules may include provisions for charges to 1039
be made for bulk commercial special extraction requests for the 1040
actual cost of the bureau, plus special extraction costs, plus 1041
ten per cent. The bureau may charge for expenses for redacting 1042

records storage media costs, actual mailing and alternative 1046
delivery costs, or other transmitting costs, and any direct 1047

costs paid to private contractors for copying services. 1049

(b) "Bulk commercial special extraction request" means a 1050
request for copies of a record for information in a format other 1051
than the format already available, or information that cannot be 1052
extracted without examination of all items in a records series, 1053
class of records, or database by a person who intends to use or 1054
forward the copies for surveys, marketing, solicitation, or 1055
resale for commercial purposes. "Bulk commercial special 1056
extraction request" does not include a request by a person who 1057
gives assurance to the bureau that the person making the request 1058
does not intend to use or forward the requested copies for 1059
surveys, marketing, solicitation, or resale for commercial 1060
purposes. 1061

(c) "Commercial" means profit-seeking production, buying, 1062
or selling of any good, service, or other product. 1063

programs to make the special extraction. "Special extraction 1068
costs" include any charges paid to a public agency for computer 1069
or records services. 1070

(3) For purposes of divisions (F) (1) and (2) of this 1071
section, "surveys, marketing, solicitation, or resale for 1072
commercial purposes" shall be narrowly construed and does not 1073
include reporting or gathering news, reporting or gathering 1074

information to assist citizen oversight or understanding of the 1075
operation or activities of government, or nonprofit educational 1076
research. 1077

(G) A request by a defendant, counsel of a defendant, or 1078
any agent of a defendant in a criminal action that public 1079
records related to that action be made available under this 1080
section shall be considered a demand for discovery pursuant to 1081
the Criminal Rules, except to the extent that the Criminal Rules 1082
plainly indicate a contrary intent. The defendant, counsel of 1083
the defendant, or agent of the defendant making a request under 1084
this division shall serve a copy of the request on the 1085
prosecuting attorney, director of law, or other chief legal 1086
officer responsible for prosecuting the action. 1087

camera recording described in divisions (A) (17) (b) to (h) of 1089
this section may be released by consent of the subject of the 1090

those divisions, only if either of the following applies: 1092

(a) The recording will not be used in connection with any 1093
probable or pending criminal proceedings; 1094

(b) The recording has been used in connection with a 1095
criminal proceeding that was dismissed or for which a judgment 1096
has been entered pursuant to Rule 32 of the Rules of Criminal 1097
Procedure, and will not be used again in connection with any 1098
probable or pending criminal proceedings. 1099

(2) If a public office denies a request to release a 1100
restricted portion of a body-worn camera or dashboard camera 1101
recording, as defined in division (A) (17) of this section, any 1102
person may file a mandamus action pursuant to this section or a 1103

complaint with the clerk of the court of claims pursuant to 1104
section 2743.75 of the Revised Code, requesting the court to 1105
order the release of all or portions of the recording. If the 1106
court considering the request determines that the filing 1107
articulates by clear and convincing evidence that the public 1108
interest in the recording substantially outweighs privacy 1109
interests and other interests asserted to deny release, the 1110
court shall order the public office to release the recording. 1111

prior to the expiration date of the term for which the member's 1190
predecessor was appointed shall hold office as a member for the 1191
remainder of that term. The member appointed under this division 1192

until a period of sixty days has elapsed, whichever occurs 1195
first. 1196

The member appointed under this division shall be 1197

offender's service of the prison term during the entire term 1220
unless the board terminates its control in accordance with 1221

section 2971.04 of the Revised Code. The parole board may 1222

entitled to receive the electronic recording of other parole 1250

Section 2. That existing sections 149.43 and 5149.10 of	1282
the Revised Code are hereby repealed.	1283
Section 3. Section 149.43 of the Revised Code is presented	1284

265, H.B. 315, S.B. 29, and S.B. 109 all of the 135th General	1286
Assembly. The General Assembly, applying the principle stated in	1287
division (B) of section 1.52 of the Revised Code that amendments	1288
are to be harmonized and reconciled if reasonably capable of	1289
simultaneous operation, finds that the composite is the	1290
resulting version of the section in effect prior to the	1291
effective date of the section as presented in this act.	1292
