Revised Code, a civil action pursuant to division (B) of section 25  
2307.52 of the Revised Code for terminating or attempting to 26  
terminate a human pregnancy after viability in violation of 27  
division (A) of section 2919.17 of the Revised Code, and a civil 28

pregnancy of a pain-capable unborn child in violation of 30  
division (E) of section 2919.201 of the Revised Code shall be 31  
commenced within one year after the performance or inducement of 32  
the abortion or within one year after the attempt to perform or 33  
induce the abortion in violation of division (A) of section 34  
2919.17 of the Revised Code or division (E) of section 2919.201 35  
of the Revised Code. 36

(C) A civil action authorized by division (G) of section 37  
2317.58 of the Revised Code shall be commenced within one year 38

woman. 131

(6) "Medical emergency" means a condition which, based on 132  
the physician's reasonable medical judgment, so complicates a 133  
pregnant woman's medical condition as to necessitate the 134

prevent the death of the pregnant woman or a serious risk of the 136  
substantial and irreversible impairment of a major bodily 137

<u>(a) Inform the pregnant woman of any medical assistance</u>	194
<u>benefits that may be available for prenatal care, childbirth,</u>	195

and neonatal care; 196

(b) Except in the case that the pregnancy is the result of 197  
rape or incest, inform the pregnant woman that the unborn 198  
child's father has a child support obligation, even if the 199  
father has offered to pay for the elective abortion; 200

(c) Inform the pregnant woman that she is free to withhold 201  
or withdraw her consent to the abortion at any time without 202  
affecting her right to future care or treatment or the status of 203  
any state or federally funded benefits to which she is or may be 204  
entitled; 205

(d) For an abortion being performed or induced by 206  
abortion-inducing drugs, inform the pregnant woman that it may 207  
be possible to reverse the effects of the abortion-inducing drug 208  
if she changes her mind, but that time is of the essence. 209

(3) Prior to the performance or inducement of the 210  
abortion, the pregnant woman signs a form providing her informed 211  
consent to the abortion and certifies all of the following on 212  
that form: 213

(a) She has received the information described in 214  
divisions (B) (1) and (2) of this section, and her questions 215  
about the abortion that will be performed or induced have been 216  
answered in a complete, accurate, and satisfactory manner and in 217  
a manner that she understands. 218

(b) She consents to the particular abortion voluntarily, 219  
knowingly, intelligently, and without coercion by any person, 220  
and she is not under the influence of any drug of abuse or 221

(4) Prior to the performance or inducement of the 223  
abortion, the physician who is performing or inducing the 224

abortion or the physician's agent must receive a copy of the 225  
pregnant woman's signed form on which she has knowingly and 226  
voluntarily provided her informed consent to the abortion and 227  
that includes the certification required by division (B) (3) of 228  
this section. 229

(C) If a medical emergency compels the performance or 230  
inducement of an abortion, the physician who will perform or 231  
induce the abortion, prior to its performance or inducement if 232  
possible, shall inform the pregnant woman of the medical 233  
indications supporting the physician's judgment that an 234  
immediate abortion is necessary. Any physician who performs or 235  
induces an abortion without the prior satisfaction of the 236  
conditions specified in division (B) of this section because of 237  
a medical emergency shall enter the reasons for the conclusion 238  
that a medical emergency exists in the medical record of the 239  
pregnant woman. 240

(D) If the conditions specified in division (B) of this 241  
section are satisfied, consent to an abortion shall be presumed 242  
to be valid and effective. 243

(E) The performance or inducement of an abortion without 244  
the prior satisfaction of the conditions specified in division 245  
(B) of this section does not constitute, and shall not be 246  
construed as constituting, a violation of division (A) of 247  
section 2919.12 of the Revised Code. The failure of a physician 248  
to satisfy the conditions of division (B) of this section prior 249  
to performing or inducing an abortion upon a pregnant woman may 250  
be the basis of both of the following: 251

(1) A civil action for compensatory and exemplary damages 252  
as described in division (G) of this section; 253

(2) Disciplinary action under section 4731.22 of the 254  
Revised Code. 255

(F) No payment shall be required for any service provided 256  
in relation to an elective abortion until the informed consent 257  
requirements are met in accordance with this section. 258

(G) (1) Subject to divisions (G) (3) and (4) of this 259  
section, any physician who performs or induces an abortion with 260  
actual knowledge that the conditions specified in division (B) 261  
of this section have not been satisfied or with a heedless 262  
indifference as to whether those conditions have been satisfied 263  
or who causes any person to sustain injury, death, or loss to 264  
person or property as a result of negligent, reckless, or 265  
intentional conduct is liable in statutory, compensatory, and 266  
exemplary damages, court costs, and attorney's fees in a civil 267  
action to any interested party. 268

(2) (a) In the event the claimant prevails in an action 269  
brought under this section, the court shall award the following: 270

(i) Statutory damages in the amount of at least one 271  
hundred thousand dollars for each claim brought by the 272  
interested party in which the interested party prevailed; 273

(ii) Compensatory damages authorized under section 2315.18 274  
of the Revised Code; 275

(iii) Punitive or exemplary damages authorized under 276  
section 2315.21 of the Revised Code; 277

(iv) Court costs and attorney's fees. 278

(b) The court additionally may enter any injunctive or 279  
other equitable relief that it considers appropriate. 280

(c) Notwithstanding any other provision of law to the 281

contrary, no court shall award costs or attorney's fees to a 282  
defendant in an action brought under this section. 283

(3) The following shall be affirmative defenses in a civil 284  
action authorized under this section: 285

(a) The physician performed or induced the abortion under 286  
the circumstances described in division (C) of this section. 287

(b) The physician made an objectively reasonable and good 288  
faith effort to satisfy the conditions specified in division (B) 289  
of this section. 290

(c) For an action brought in relation to a drug-induced 291  
abortion in which informed consent requirements were not met, 292  
the defendant reasonably believed, after conducting a reasonable 293  
investigation, that the drug was intended for lawful, on-label 294  
use rather than for the purpose of inducing an abortion. 295

(4) The following are not affirmative defenses in a civil 296  
action authorized under this section: 297

(a) Ignorance or mistake of the law; 298

(b) A defendant's belief that the requirements under this 299  
section are or were unconstitutional; 300

(c) A defendant's reliance on any state or federal court 301  
decision that is not binding on the court in which the action 302  
has been brought; 303

(d) Non-mutual issue preclusion or non-mutual claim 304  
preclusion; 305

(e) If the informed consent requirements have not been 306  
met, the voluntary consent of the unborn child's mother to the 307  
elective abortion; 308

(f) Any claim that the enforcement of this chapter or the 309  
imposition of civil liability against the defendant violates a 310  
third party's constitutional rights. 311

(5) Nothing in this section shall preclude an interested 312  
party from either of the following: 313

(a) Bringing any additional civil action or claim arising 314  
out of the circumstances that are the basis for an action under 315  
this section; 316

(b) Being awarded statutory damages pursuant to additional 317  
civil actions or claims. 318

(6) Nothing in this section shall be construed to impose 319  
liability on any speech or conduct protected by the first 320  
amendment to the United States Constitution, as made applicable 321  
to the states through interpretation of the Fourteenth Amendment 322  
to the United States Constitution by the supreme court of the 323  
United States, or by the Ohio Constitution. 324

(7) A pregnant woman on whom an elective abortion is 325  
performed or induced or attempted to be performed or induced is 326  
not liable under this section. 327

(H) Any provision of this section held to be invalid or 328  
unenforceable by its terms, or as applied to any person or 329  
circumstance held invalid or unenforceable by its terms, shall 330  
be construed so as to give it the maximum effect permitted by 331  
law. If such holding wholly invalidates or renders the provision 332  
unenforceable, the provision is severable and does not affect 333  
the remainder of the provisions of this section or how the 334  
remainder of the provisions in this section apply to any other 335  
person not similarly situated or to other, dissimilar 336  
circumstances. 337

(I) To the extent that the provisions in section 2317.56 338  
of the Revised Code conflict with this section, the provisions 339  
of this section supersede the provisions under section 2317.56 340  
of the Revised Code. 341

(J) The state medical board may adopt rules in accordance 342  
with Chapter 119. of the Revised Code to specify any adverse 343  
physical or psychological condition arising from the performance 344  
or inducement of an abortion for the purpose of the definition 345  
of complications as set forth in division (A) (2) of this 346  
section. 347

**Section 2.** That existing sections 2305.11 and 2307.46 of 348  
the Revised Code are hereby repealed. 349

**Section 3.** This act shall be known as the Share the Health 350  
and Empower With Informed Notices (SHE WINS) Act. 351
