disabled children and to name the alert the 4
Joshua Alert. 5

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 5502.522 of the Revised Code be 6
amended to read as follows: 7

Sec. 5502.522. (A) There is hereby created the statewide 8
emergency alert program to aid in the identification and 9
location of any individual who has a mental impairment, has 10
autism spectrum disorder or another developmental disability, or 11
is sixty-five years of age or older, who is or is believed to be 12
a temporary or permanent resident of this state, is at a 13
location that cannot be determined by an individual familiar 14
with the missing individual, and is incapable of returning to 15
the missing individual's residence without assistance, and whose 16
disappearance, as determined by a law enforcement agency, poses 17

a credible threat of immediate danger of serious bodily harm or death to the missing individual. The program shall be a coordinated effort among the governor's office, the department of public safety, the attorney general, law enforcement agencies, the state's public and commercial television and radio broadcasters, and others as determined necessary by the governor. No name shall be given to the program created under this division that conflicts with any alert code standards that are required by federal law and that govern the naming of emergency alert programs.

(B) The statewide emergency alert program shall not be implemented unless all of the following activation criteria are met:

(1) The local investigating law enforcement agency confirms that the individual is missing.

(2) The individual meets at least one of the following criteria:

(a) Is sixty-five years of age or older;

(b) Has a mental impairment;

(c) Has either autism spectrum disorder or another developmental disability.

(3) The disappearance of the individual poses a credible threat of immediate danger of serious bodily harm or death to the individual.

(4) There is sufficient descriptive information about the individual and the circumstances surrounding the individual's disappearance to indicate that activation of the alert will help locate the individual.

(C) Nothing in division (B) of this section prevents the
activation of a local or regional emergency alert program that
may impose different criteria for the activation of a local or
regional plan.

(D) Any radio broadcast station, television broadcast
station, or cable system participating in the statewide
emergency alert program or in any local or regional emergency
alert program, and any director, officer, employee, or agent of
any station or system participating in either type of alert
program, shall not be liable to any person for damages for any
loss allegedly caused by or resulting from the station's or
system's broadcast or cablecast of, or failure to broadcast or
cablecast, any information pursuant to the statewide emergency
alert program or the local or regional emergency alert program.

~~(E) A~~ (E) (1) Subject to division (E) (2) of this section, a
local investigating law enforcement agency shall not be required
to notify the statewide emergency alert program that the law
enforcement agency has received information that meets the
activation criteria set forth in division (B) of this section
during the first twenty-four hours after the law enforcement
agency receives the information.

(2) If the missing individual under division (B) of this
section is under eighteen years of age and has either autism
spectrum disorder or another developmental disability, the local
investigating law enforcement agency shall notify the statewide
emergency alert program that the law enforcement agency has
received information that meets the activation criteria set
forth in that division immediately.

authorize the use of the federal emergency alert system unless

otherwise authorized by federal law.	76
