H.B. 379
136th General Assembly

Fiscal Note & Local Impact Statement

[Click here for H.B. 379's Bill Analysis](#)

Version: As Introduced

Primary Sponsor: Rep. Salvo

Local Impact Statement Procedure Required: No

Tom Wert, Senior Budget Analyst

Highlights

- The bill authorizes the conveyance of 14 state-owned properties to various entities. The proceeds from these transactions would be deposited into the GRF and other state funds.

Detailed Analysis

The bill authorizes the conveyance of 14 properties owned by state agencies to various entities. Under the bill, two properties owned by the Adjutant General (ADJ) would be sold via sealed bid public auctions. Additionally, two school lands properties currently titled to the state but overseen by school districts in Franklin County would transfer to the school districts via title cures. Direct sales of one property owned by the Department of Rehabilitation and Correction (DRC) and two owned by the Ohio Rail Development Commission (ORDC) would be made to Madison County and metroparks districts in Ashtabula and Trumbull counties, respectively. The bill also transfers a building housing the National Aviation Hall of Fame, overseen by the Ohio Facilities Construction Commission (OFCC) to the United States Air Force. Finally, the bill grants six perpetual easements on properties owned by the Ohio State University (OSU). Five of the easements would be granted to the city of Columbus and one to Columbia Gas of Ohio for various sewer and pipeline infrastructure improvements. The table on the following pages provides additional details about the conveyances, including for most but not all, where the proceeds from these transactions would go.

Summary of Land Conveyances in H.B. 379 of the 136 th General Assembly
