136th General Assembly

Fiscal Note & Local Impact Statement

Click here for H.B. 391's Bill Analysis

Version: In House Ways and Means

Primary Sponsors: Reps. Daniels and Workman

Local Impact Statement Procedure Required: No

Joyce Chang, Economist

The bill has no direct fiscal effect on the state and local subdivisions. Beginning with elections occurring on or after November 1, 2027, the bill requires property tax rates to be expressed both in mills and as a percentage of true value in property tax bills, election notices, and ballot language. To implement this requirement, the bill requires the Secretary of State to prescribe the form of the notice and ballot to incorporate this information and that the county auditors include this information in the certification it makes to the taxing authority. The bill also requires ballot language for municipal corporation and school district income tax levies to include the estimated annual revenue the income tax will generate in its first year.
