R.C. 9.89   12

  Specifies that the term "compelling governmental interest"   13
includes an interest in protecting the public.   14

  Removes preventing public nuisances from the category of   15
interests that are explicit "compelling governmental interests"   16
under the bill.   17

  Expands from "physical data center" to "computational   18
resource" the category of things causing public nuisances that a   19
state agency or political subdivision can have a "compelling   20
governmental interest" to remediate.   21
