<u>response program to reduce a customer's load at peak times if</u> 7
<u>the customer did not opt in to the program.</u>" 8

In line 80, delete "<u>reduction</u>" and insert "<u>response</u>" 9

The motion was _____ agreed to.

<u>**SYNOPSIS**</u> 10

Demand response program opt in 11

j56xxxpkchrutvxqscodjr

R.C. 4928.106(E) 12

Provides that customers may *opt in to*, rather than 13
participate in, an electric distribution utility's (EDU's) 14
demand response program. 15

Prohibits an EDU from taking actions pursuant to its 16
demand response program to reduce a customer's load if the 17
customer did not opt in to the program. 18

Demand response 19

R.C. 4909.192(C) and 4928.106(C)(2) and (J) 20

Changes references to "demand reduction programs" to 21
instead be to "demand response programs." 22
