authority to establish positions in the unclassified service	166
under division (A) (26) of this section is in addition to and	167

(32) <u>Employees appointed to participate in a prospective</u>	187

<u>Revised Code;</u>	189
<u>(33)</u> Employees placed in the unclassified service by	190
another section of the Revised Code.	191
(B) The classified service shall comprise all persons in	192
the employ of the state and the several counties, cities, city	193

health districts, general health districts, and city school 194
districts of the state, not specifically included in the 195
unclassified service. Upon the creation by the board of trustees 196
of a civil service township civil service commission, the 197
classified service shall also comprise, except as otherwise 198
provided in division (A) (17) or (C) of this section, all persons 199
in the employ of a civil service township police or fire 200
department having ten or more full-time paid employees. The 201
classified service consists of two classes, which shall be 202
designated as the competitive class and the unskilled labor 203
class. 204

(1) The competitive class shall include all positions and 205
employments in the state and the counties, cities, city health 206
districts, general health districts, and city school districts 207
of the state, and, upon the creation by the board of trustees of 208
a civil service township of a township civil service commission, 209
all positions in a civil service township police or fire 210
department having ten or more full-time paid employees, for 211
which it is practicable to determine the merit and fitness of 212
applicants by competitive examinations. Appointments shall be 213
made to, or employment shall be given in, all positions in the 214
competitive class that are not filled by promotion, 215
reinstatement, transfer, or reduction, as provided in this 216
chapter, and the rules of the director of administrative 217
services, by appointment from those certified to the appointing 218
officer in accordance with this chapter. 219

(2) The unskilled labor class shall include ordinary 220
unskilled laborers. Vacancies in the labor class for positions 221
in service of the state shall be filled by appointment from 222
lists of applicants registered by the director or the director's 223
designee. Vacancies in the labor class for all other positions 224

shall be filled by appointment from lists of applicants 225
registered by a commission. The director or the commission, as 226
applicable, by rule, shall require an applicant for registration 227
in the labor class to furnish evidence or take tests as the 228
director or commission considers proper with respect to age, 229
residence, physical condition, ability to labor, honesty, 230
sobriety, industry, capacity, and experience in the work or 231
employment for which application is made. Laborers who fulfill 232
the requirements shall be placed on the eligible list for the 233
kind of labor or employment sought, and preference shall be 234
given in employment in accordance with the rating received from 235
that evidence or in those tests. Upon the request of an 236
appointing officer, stating the kind of labor needed, the pay 237
and probable length of employment, and the number to be 238
employed, the director or commission, as applicable, shall 239
certify from the highest on the list double the number to be 240
employed; from this number, the appointing officer shall appoint 241
the number actually needed for the particular work. If more than 242
one applicant receives the same rating, priority in time of 243
application shall determine the order in which their names shall 244
be certified for appointment. 245

(C) A municipal or civil service township civil service 246
commission may place volunteer firefighters who are paid on a 247
fee-for-service basis in either the classified or the 248
unclassified civil service. 249

(D) (1) This division does not apply to persons in the 250
unclassified service who have the right to resume positions in 251
the classified service under sections 4121.121, 5119.18, 252
5120.38, 5120.381, 5120.382, 5123.08, and 5139.02 of the Revised 253
Code or to cities, counties, or political subdivisions of the 254
state. 255

(2) A person who holds a position in the classified service of the state and who is appointed to a position in the unclassified service shall retain the right to resume the position and status held by the person in the classified service immediately prior to the person's appointment to the position in the unclassified service, regardless of the number of positions the person held in the unclassified service. An employee's right to resume a position in the classified service may only be exercised when an appointing authority demotes the employee to a pay range lower than the employee's current pay range or revokes the employee's appointment to the unclassified service and any of the following apply:

(a) That person held a certified position prior to July 1, 2007, in the classified service within the appointing authority's agency;

(b) That person held a permanent position on or after July 1, 2007, in the classified service within the appointing authority's agency, and was appointed to the position in the unclassified service prior to January 1, 2016;

(c) That person held a permanent position on or after January 1, 2016, in the classified service within the appointing authority's agency, and is within five years from the effective date of the person's appointment in the unclassified service.

(3) An employee forfeits the right to resume a position in the classified service when:

(a) The employee is removed from the position in the unclassified service due to incompetence, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, violation

of this chapter or the rules of the director of administrative services, any other failure of good behavior, any other acts of misfeasance, malfeasance, or nonfeasance in office, or conviction of a felony while employed in the civil service; or

(b) Upon transfer to a different agency.

(4) Reinstatement to a position in the classified service shall be to a position substantially equal to that position in the classified service held previously, as certified by the director of administrative services. If the position the person previously held in the classified service has been placed in the unclassified service or is otherwise unavailable, the person shall be appointed to a position in the classified service within the appointing authority's agency that the director of administrative services certifies is comparable in compensation to the position the person previously held in the classified service. Service in the position in the unclassified service shall be counted as service in the position in the classified service held by the person immediately prior to the person's appointment to the position in the unclassified service. When a person is reinstated to a position in the classified service as provided in this division, the person is entitled to all rights, status, and benefits accruing to the position in the classified service during the person's time of service in the position in the unclassified service.

Sec. 124.30. (A) Classified positions in the civil service may be filled without competition as follows:

(1) Whenever there are urgent reasons for filling a vacancy in any position in the classified civil service and the director of administrative services is unable to certify to the appointing authority, upon its request, a list of persons

eligible for appointment to the position after a competitive 315
examination, the appointing authority may fill the position by 316
noncompetitive examination. 317

A temporary appointment may be made without regard to the 318
rules of sections 124.01 to 124.64 of the Revised Code. Except 319
as otherwise provided in this division, the temporary 320
appointment may not continue longer than one hundred twenty 321
days, and in no case shall successive temporary appointments be 322
made. A temporary appointment longer than one hundred twenty 323
days may be made if necessary by reason of sickness, disability, 324
or other approved leave of absence of regular officers or 325
employees, in which case it may continue during the period of 326
sickness, disability, or other approved leave of absence, 327
subject to the rules of the director. 328

(2) In case of a vacancy in a position in the classified 329
civil service where peculiar and exceptional qualifications of a 330
scientific, managerial, professional, or educational character 331
are required, and upon satisfactory evidence that for specified 332
reasons competition in this special case is impracticable and 333
that the position can best be filled by a selection of some 334
designated person of high and recognized attainments in those 335
qualities, the director may suspend the provisions of sections 336
124.01 to 124.64 of the Revised Code that require competition in 337
this special case, but no suspension shall be general in its 338
application. All such cases of suspension shall be reported in 339
the annual report of the director with the reasons for each 340
suspension. The director shall suspend the provisions when 341
either of the following applies: 342

(a) The director of job and family services provides the 343
certification under section 5101.051 of the Revised Code that a 344

position with the department of job and family services can best 345
be filled if the provisions are suspended; 346

(b) The medicaid director provides the certification under 347
section 5160.051 of the Revised Code that a position with the 348
department of medicaid can best be filled if the provisions are 349
suspended. 350

(3) Except as provided in division (D) of this section, in 351
case of a vacancy in a position in the classified civil service 352
in a police department, on satisfactory evidence that for 353
specified reasons competition in this special case is 354
impracticable and that the position can best be filled by a 355
selection of some designated person holding a specialized 356
certification, possessing peculiar and exceptional 357
qualifications, or having completed a police cadet training 358
program through the police department, the director of 359
administrative services may suspend the provisions of sections 360
124.01 to 124.64 of the Revised Code that require competition in 361
this special case, but no suspension shall be general in its 362
application. 363

(B) The acceptance or refusal by an eligible person of a 364
temporary appointment under division (A) (1) of this section 365
shall not affect the person's standing on the eligible list for 366
permanent appointment, nor shall the period of temporary service 367
be counted as a part of the probationary service in case of 368
subsequent appointment to a permanent position. 369

~~(B)~~ (C) Persons who receive temporary or intermittent 370
appointments under division (A) (1) of this section are in the 371
unclassified civil service and serve at the pleasure of their 372
appointing authority. 373

(D) Division (A) (3) of this section does not apply to a 374
vacancy in a position in the classified civil service in a 375
police department that must be filled by promotion as prescribed 376
in section 124.44 of the Revised Code. 377

Sec. 737.061. (A) The chief of police of a municipal 378
corporation may conduct training schools for prospective law 379
enforcement officers. The training school programs shall align 380
with Ohio peace officer training academy standards and cadet 381
qualifications. The prospective officers, during the period of 382
training and as members of the training school, may be paid a 383
reasonable salary. The chief of police may furnish the necessary 384
supplies and equipment for the use of the prospective officers 385
during the training period. 386

(B) The chief of police may establish rules governing the 387
qualifications for admission to training schools for prospective 388
officers and provide for competitive examinations to determine 389
the fitness of the students and prospective officers, not 390
inconsistent with the rules of the director of administrative 391
services. 392

(C) Upon completion of a training school program 393
established under this section, a program graduate may be hired 394
directly by the relevant department, provided the graduate also 395
satisfies the requirements for original appointment under 396
section 109.77 of the Revised Code. 397

Section 2. That existing sections 124.11 and 124.30 of the 398
Revised Code are hereby repealed. 399
