### SUMMARY

- Limits municipal shade tree assessment exemptions to nonprofit land conservation organizations.

### DETAILED ANALYSIS

#### Shade tree assessments

Continuing law allows a municipal corporation to levy special assessments for right-of-way shade trees. Currently, a municipal corporation can exempt a 501(c)(3) nonprofit landowner from the assessment. The bill limits the exemption to nonprofit land conservation organizations, which the bill defines as a nonprofit organization described in section 170(c)(2) of the Internal Revenue Code that is dedicated to land conservation purposes.<sup>1</sup>
