BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3365.05 and 3365.07 be amended 4
and section 3365.072 of the Revised Code be enacted to read as 5
follows: 6

Sec. 3365.05. Each public and participating private 7
college shall do all of the following with respect to the 8
college credit plus program: 9

(A) Apply established standards and procedures for 10
admission to the college and for course placement for 11
participants. When determining admission and course placement, 12
the college shall do all of the following: 13

(1) Consider all available student data that may be an 14
indicator of college readiness, including grade point average 15
and end-of-course examination scores, if applicable; 16

(2) Give priority to its current students regarding 17
enrollment in courses. However, once a participant has been 18
accepted into a course, the college shall not displace the 19
participant for another student. 20

(3) Adhere to any capacity limitations that the college 21
has established for specified courses. 22

(B) Send written notice to the participant, the 23
participant's parent, and the participant's secondary school, 24
not later than fourteen calendar days prior to the first day of 25
classes for that term, of the participant's admission to the 26
college and to specified courses under the program. 27

(C) Provide both of the following, not later than twenty- 28
one calendar days after the first day of classes for that term, 29
to each participant and the participant's secondary school: 30

(1) The courses and hours of enrollment of the 31
participant; 32

(2) The option elected by the participant under division 33
(A) or (B) of section 3365.06 of the Revised Code for each 34
course. 35

The college shall also provide to each partnering school a 36
roster of participants from that school that are enrolled in the 37
college and a list of course assignments for each participant. 38

(D) Promote the program on the college's web site, 39
including the details of the college's current agreements with 40
partnering secondary schools. 41

(E) Coordinate with each partnering secondary school that 42
is located within thirty miles of the college to present at 43
least one informational session per school year for interested 44

students and parents. The session shall include the benefits and 45
consequences of participation and shall outline any changes or 46
additions to the requirements of the program. If there are no 47
partnering schools located within thirty miles of the college, 48
the college shall coordinate with the closest partnering school 49
to offer an informational session. 50

(F) Assign an academic advisor that is employed by the 51
college to each participant enrolled in that college. Prior to 52
the date on which a withdrawal from a course would negatively 53
affect a participant's transcribed grade, as prescribed by the 54
college's established withdrawal policy, the college shall 55
ensure that the academic advisor and the participant meet at 56
least once to discuss the program and the courses in which the 57
participant is enrolled. 58

(G) Do both of the following with regard to high school 59
teachers that are teaching courses for the college at a 60
secondary school under the program: 61

(1) Provide at least one professional development session 62
per school year; 63

(2) Conduct at least one classroom observation per school 64
year for each course that is authorized by the college and 65
taught by a high school teacher to ensure that the course meets 66
the quality of a college-level course. 67

(H) Annually collect, report, and track specified data 68
related to the program according to data reporting guidelines 69
adopted by the chancellor of higher education and the department 70
of education and workforce pursuant to section 3365.15 of the 71
Revised Code. 72

(I) Require each participant to complete an orientation 73

that meets guidelines issued by the chancellor and the 74
department. The chancellor and the department shall make those 75
guidelines as concise as is practicable. 76

(J) Provide notice to the secondary school of a 77
participant who withdraws from a course. 78

(K) With the exception of divisions (D) and (E) of this 79
section, any eligible out-of-state college participating in the 80
college credit plus program shall be subject to the same 81
requirements as a participating private college under this 82
section. 83
