

As Referred by the House Rules and Reference Committee

136th General Assembly

Regular Session

2025-2026

H. B. No. 646

Representatives Click, Deeter

Cosponsors: Representatives Pizzulli, Thomas, D., Salvo, Daniels, Workman, Mathews, T., Richardson, Stephens, Newman, Barhorst, Williams, Brennan, King, Plummer, Ghanbari, Hall, T., Lorenz, Gross, Bird, Manning, Stewart

To create the Data Center Study Commission, and to	1
declare an emergency.	2

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. (A) As used in this section:	3
(1) "Commission" means the Data Center Study Commission.	4
(2) "Data center" means a physical facility equipped with,	5
or connected to, one or more computers that is used for	6
processing or transmitting data.	7
(B) (1) There is created, within the Department of	8
Development, the Data Center Study Commission, which shall	9
consist of the following members:	10
(a) Three members appointed by the Governor;	11
(b) Three members appointed by the Speaker of the House of	12
Representatives;	13
(c) Three members appointed by the President of the	14
Senate;	15
(d) Two members appointed by the Minority Leader of the	16

House of Representatives; 17

(e) Two members appointed by the Minority Leader of the 18
Senate. 19

(2) The members of the Commission shall be appointed not 20
more than thirty days after the effective date of this section. 21

(3) Members shall serve until any of the following occur, 22
as applicable: 23

(a) The member resigns or is no longer able to fulfill the 24
duties of the Commission; 25

(b) The member is removed from the Commission by the 26
officer that appointed that member; 27

(c) The Commission is dissolved under this section. 28

(4) Vacancies shall be filled in the same manner as for 29
original appointments. 30

(5) Members of the Commission shall receive compensation 31
at the rate of two hundred fifty dollars per Commission meeting. 32

(C) (1) The first meeting of the Commission shall occur not 33
more than forty-five days after the effective date of this 34
section, at a date and time set by the Governor. At the first 35
meeting, the members of the Commission shall elect a 36
chairperson, vice chairperson, and secretary. The first meeting 37
shall be for organizational purposes only. 38

(2) The Commission shall hold not less than four public 39
meetings as follows: 40

(a) Not less than two public meetings shall be held for 41
hearing public testimony regarding the topics described in 42
division (D) of this section. 43

(b) Not less than two public meetings shall be held for 44
hearing invited testimony from experts regarding the topics 45
described in division (D) of this section. 46

(D) The Commission shall examine all of the following 47
concerning data centers: 48

(1) Environmental impact; 49

(2) Effect on the electrical grid, including on behind the 50
meter electric supply and on consumer utility rates; 51

(3) Water usage and impact on the local water supply; 52

(4) Noise pollution; 53

(5) Light pollution; 54

(6) Impact on the local economy; 55

(7) Impact on farmland; 56

(8) Value to national security and the development of 57
artificial intelligence; 58

(9) Reports of foreign propaganda intended to create 59
opposition to data centers; 60

(10) Any other relevant topics determined by the 61
Commission. 62

(E) The Commission shall submit a report of its findings 63
and any legislative recommendations to the Governor and the 64
General Assembly not more than six months after the effective 65
date of this section. 66

(F) The Commission terminates after issuing the report 67
required by this section. 68

Section 2. This act is hereby declared to be an emergency 69

measure necessary for the immediate preservation of the public 70
peace, health, and safety. The reason for such necessity is that 71
data centers are proliferating rapidly in the absence of a 72
specific regulatory structure, or historical precedent, which is 73
generating serious concerns among the citizens of this state and 74
creating an unstable environment for local decision making. 75
Verifiable information is crucial to such citizens when facing 76
new development within their communities and local political 77
subdivisions tasked with approving such development, as well as 78
investors who wish to site data centers throughout Ohio. 79
Verifiable information benefits all concerned parties and is 80
urgently needed due to the rapid development of this emerging 81
technology and the lack of general knowledge concerning data 82
centers in Ohio. Therefore, this act shall go into immediate 83
effect. 84
