SYNOPSIS 12

Late-payment penalties and administrative fees	13
R.C. 4521.02	14
Increases the maximum secondary late-payment penalty from up to \$10 to up to \$15.	15 16
Thus, increases the maximum total late-payment penalties imposed for a single parking infraction to \$25, instead of a maximum of \$20 as under the current bill.	17 18 19
Clarifies that a local authority is not required to impose a late-payment penalty or administrative fee, but may impose either no penalty/fee or a lower penalty/fee, provided that any penalty or administrative fee does not exceed the maximum amounts established by the bill.	20 21 22 23 24
