transformation. 33

(d) The individual has not accumulated ninety-six 34
eligibility units under division (E) of this section. 35

(3) "State institution of higher education" means any 36

(5) "Tuition" means the charges imposed to attend an 53

(B) There is hereby created a scholarship program to be 57
known as the Ohio national guard scholarship program. 58

(C) (1) The adjutant general shall approve scholarships for 59
all eligible applicants. The adjutant general shall process all 60
applications for scholarships for each academic term in the 61
order in which they are received. The scholarships shall be made 62
without regard to financial need. At no time shall one person be 63
placed in priority over another because of sex, race, or 64
religion. 65

(2) The adjutant general shall develop and provide a 66
written explanation that informs all eligible scholarship 67
recipients that the recipient may become ineligible and liable 68
for repayment for an amount of scholarship payments received in 69
accordance with division (G) of this section. The written 70
explanation shall be reviewed by the scholarship recipient 71
before acceptance of the scholarship and before acceptance of an 72
enlistment, warrant, commission, or appointment for a term not 73
less than the recipient's remaining term in the national guard 74
or in the active duty component of the United States armed 75
forces. 76

(D) (1) Except as provided in divisions (I) and (J) of this 77
section, for each academic term that an eligible applicant is 78
approved for a scholarship under this section and either remains 79
a current member in good standing of the Ohio national guard or 80
is eligible for a scholarship under division (F) (1) of this 81
section, the institution of higher education in which the 82
applicant is enrolled shall, if the applicant's enlistment 83
obligation extends beyond the end of that academic term or if 84
division (F) (1) of this section applies, be paid on the 85
applicant's behalf the applicable one of the following amounts: 86

(a) If the institution is a state institution of higher 87
education, an amount equal to one hundred per cent of the 88
institution's tuition charges; 89

(b) If the institution is a nonprofit private institution 90
or a private institution exempt from regulation under Chapter 91
3332. of the Revised Code as prescribed in section 3333.046 of 92
the Revised Code, an amount equal to one hundred per cent of the 93
average tuition charges of all state universities; 94

(c) If the institution is an institution that holds a 95
certificate of registration from the state board of career 96
colleges and schools, the lesser of the following: 97

(i) An amount equal to one hundred per cent of the 98
institution's tuition; 99

(ii) An amount equal to one hundred per cent of the 100
average tuition charges of all state universities, as that term 101
is defined in section 3345.011 of the Revised Code. 102

(2) The adjutant general and the chancellor may jointly 103
adopt rules to require the use of other federal educational 104
financial assistance programs, including such programs offered 105

by the United States department of defense, for which an 106
applicant is eligible based on the applicant's military service. 107
If such rules are adopted, the rules shall require that 108
financial assistance received by a scholarship recipient under 109
those programs be applied to all eligible expenses prior to the 110
use of scholarship funds awarded under this section. Scholarship 111
funds awarded under this section shall then be applied to the 112
recipient's remaining eligible expenses. 113

(3) An eligible applicant's scholarship shall not be 114
reduced by the amount of that applicant's benefits under "the 115
Montgomery G.I. Bill Act of 1984," Pub. L. No. 98-525, 98 Stat. 116
2553 (1984). 117

(E) A scholarship recipient under this section shall be 118
entitled to receive scholarships under this section for the 119
number of quarters or semesters it takes the recipient to 120
accumulate ninety-six eligibility units as determined under 121
divisions (E) (1) to (3) of this section. 122

(1) To determine the maximum number of semesters or 123
quarters for which a recipient is entitled to a scholarship 124
under this section, the adjutant general shall convert a 125
recipient's credit hours of enrollment for each academic term 126
into eligibility units in accordance with the following table: 127
128

	1	2	3	4	5
A	Number of	equals	The	or	The
	credit hours of		following		following
	enrollment in		number of		number of
	an academic		eligibility		eligibility
	term		units if a		units if a

		semester	quarter
B	12 or more hours	12 units	8 units
C	9 but less than 12	9 units	6 units
D	6 but less than 9	6 units	4 units
E	3 but less than 6	3 units	2 units

(2) A scholarship recipient under this section may 129
continue to apply for scholarships under this section until the 130
recipient has accumulated ninety-six eligibility units. 131

(3) If a scholarship recipient withdraws from courses 132
prior to the end of an academic term so that the recipient's 133
enrollment for that academic term is less than three credit 134
hours, no scholarship shall be paid on behalf of that person for 135
that academic term. Except as provided in division (F) (3) of 136
this section, if a scholarship has already been paid on behalf 137
of the person for that academic term, the adjutant general shall 138
add to that person's accumulated eligibility units the number of 139
eligibility units for which the scholarship was paid. 140

(F) This division applies to any eligible applicant called 141
into active duty on or after September 11, 2001. As used in this 142
division, "active duty" means active duty pursuant to an 143
executive order of the president of the United States, an act of 144
the congress of the United States, or section 5919.29 or 5923.21 145
of the Revised Code. 146

(1) For a period of up to five years from when an individual's enlistment obligation in the Ohio national guard ends, an individual to whom this division applies is eligible for scholarships under this section for those academic terms that were missed or could have been missed as a result of the individual's call into active duty. Scholarships shall not be paid for the academic term in which an eligible applicant's enlistment obligation ends unless an applicant is eligible under this division for a scholarship for such academic term due to previous active duty.

(2) When an individual to whom this division applies withdraws or otherwise fails to complete courses, for which scholarships have been awarded under this section, because the individual was called into active duty, the institution of higher education shall grant the individual a leave of absence from the individual's education program and shall not impose any academic penalty for such withdrawal or failure to complete courses. Division (F)(2) of this section applies regardless of whether or not the scholarship amount was paid to the institution of higher education.

(3) If an individual to whom this division applies withdraws or otherwise fails to complete courses because the individual was called into active duty, and if scholarships for those courses have already been paid, either:

(a) The adjutant general shall not add to that person's accumulated eligibility units calculated under division (E) of this section the number of eligibility units for the academic courses or term for which the scholarship was paid and the institution of higher education shall repay the scholarship amount to the state.

(b) The adjutant general shall add to that individual's 177
accumulated eligibility units calculated under division (E) of 178
this section the number of eligibility units for the academic 179
courses or term for which the scholarship was paid if the 180
institution of higher education agrees to permit the individual 181
to complete the remainder of the academic courses in which the 182
individual was enrolled at the time the individual was called 183
into active duty. 184

(4) No individual who is discharged from the Ohio national 185
guard under other than honorable conditions shall be eligible 186
for scholarships under this division. 187

(G) A scholarship recipient under this section who fails 188
to complete the term of enlistment, re-enlistment, or extension 189
of current enlistment the recipient was serving at the time a 190
scholarship was paid on behalf of the recipient under this 191
section is liable to the state for repayment of a percentage of 192
all Ohio national guard scholarships paid on behalf of the 193
recipient under this section. Such a scholarship recipient is 194
also liable for interest at the rate of ten per cent per annum 195
calculated from the dates the scholarships were paid, unless the 196
reason the recipient failed to complete the term of enlistment, 197
re-enlistment, or extension of enlistment was due to enlistment, 198
warrant, commission, or appointment to an active duty or reserve 199
component of the armed forces of the United States. As used in 200
this division, "armed forces" has the same meaning as in section 201
5903.01 of the Revised Code. This repayment percentage shall 202
equal the percentage of the current term of enlistment, re- 203
enlistment, or extension of enlistment a recipient has not 204
completed as of the date the recipient is discharged from the 205
Ohio national guard. 206

A scholarship recipient who is liable under this division 207
due to enlistment, warrant, commission, or appointment to an 208
active duty or reserve component of the armed forces of the 209
United States may defer repayment to the state for the amount 210
owed under this division until either the completion of the 211
recipient's service in the armed forces or ten years after that 212
enlistment, warrant, commission, or appointment, whichever is 213
earlier. If, after completing the terms of enlistment, warrant, 214
commission, or appointment to the armed forces of the United 215
States and less than ten years has passed since that enlistment, 216
warrant, commission, or appointment, the recipient returns to 217
the Ohio national guard and serves for the remainder of the 218
duration of the enlistment required under the terms of the 219
scholarship, the recipient is not liable for repayment. 220

The attorney general may commence a civil action on behalf 221
of the chancellor to recover the amount of the scholarships and 222
the interest provided for in this division and the expenses 223
incurred in prosecuting the action, including court costs and 224
reasonable attorney's fees. A scholarship recipient is not 225
liable under this division if the recipient's failure to 226
complete the term of enlistment being served at the time a 227
scholarship was paid on behalf of the recipient under this 228
section is due to the recipient's death or discharge from the 229
national guard due to disability. 230

(H) On or before the first day of each academic term, the 231
adjutant general shall provide an eligibility roster to the 232
chancellor and to each institution of higher education at which 233
one or more scholarship recipients have applied for enrollment. 234
The institution shall use the roster to certify the actual full- 235
time or part-time enrollment of each scholarship recipient 236
listed as enrolled at the institution and return the roster to 237

the adjutant general and the chancellor. Except as provided in 238
division (J) of this section, the chancellor shall provide for 239
payment of the appropriate number and amount of scholarships to 240
each institution of higher education pursuant to division (D) of 241
this section. If an institution of higher education fails to 242
certify the actual enrollment of a scholarship recipient listed 243
as enrolled at the institution within thirty days of the end of 244
an academic term, the institution shall not be eligible to 245
receive payment from the Ohio national guard scholarship program 246
or from the individual enrollee. The adjutant general shall 247
report on a semiannual basis to the director of budget and 248
management, the speaker of the house of representatives, the 249
president of the senate, and the chancellor the number of Ohio 250
national guard scholarship recipients, the size of the 251
scholarship-eligible population, and a projection of the cost of 252
the program for the remainder of the biennium. 253

(I) The chancellor and the adjutant general may adopt 254
rules pursuant to Chapter 119. of the Revised Code governing the 255
administration and fiscal management of the Ohio national guard 256
scholarship program and the procedure by which the chancellor 257
and the department of the adjutant general may modify the amount 258
of scholarships a member receives based on the amount of other 259
state financial aid a member receives. 260

(J) The adjutant general, the chancellor, and the 261
director, or their designees, shall jointly estimate the costs 262
of the Ohio national guard scholarship program for each upcoming 263
fiscal biennium, and shall report that estimate prior to the 264
beginning of the fiscal biennium to the chairpersons of the 265
finance committees in the general assembly. During each fiscal 266
year of the biennium, the adjutant general, the chancellor, and 267
the director, or their designees, shall meet regularly to 268

monitor the actual costs of the Ohio national guard scholarship 269
program and update cost projections for the remainder of the 270
biennium as necessary. If the amounts appropriated for the Ohio 271
national guard scholarship program and any funds in the Ohio 272
national guard scholarship reserve fund and the Ohio national 273
guard scholarship donation fund are not adequate to provide 274
scholarships in the amounts specified in division (D)(1) of this 275
section for all eligible applicants, the chancellor shall do all 276
of the following: 277

(1) Notify each private institution of higher education, 278
where a scholarship recipient is enrolled, that, by accepting 279
the Ohio national guard scholarship program as payment for all 280
or part of the institution's tuition, the institution agrees 281
that if the chancellor reduces the amount of each scholarship, 282
the institution shall provide each scholarship recipient a grant 283
or tuition waiver in an amount equal to the amount the 284
recipient's scholarship was reduced by the chancellor. 285

(2) Reduce the amount of each scholarship under division 286
(D)(1)(a) of this section proportionally based on the amount of 287
remaining available funds. Each state institution of higher 288
education shall provide each scholarship recipient under 289
division (D)(1)(a) of this section a grant or tuition waiver in 290
an amount equal to the amount the recipient's scholarship was 291
reduced by the chancellor. 292

(K) Notwithstanding division (A) of section 127.14 of the 293
Revised Code, the controlling board shall not transfer all or 294
part of any appropriation for the Ohio national guard 295
scholarship program. 296

(L) The chancellor and the adjutant general may apply for, 297
and may receive and accept grants, and may receive and accept 298

gifts, bequests, and contributions, from public and private 299
sources, including agencies and instrumentalities of the United 300
States and this state, and shall deposit the grants, gifts, 301
bequests, or contributions into the national guard scholarship 302
donation fund. 303

Section 2. That existing section 5919.34 of the Revised 304
Code is hereby repealed. 305
