

_____ moved to amend as follows:

In line 135, after the first "a" insert "shelter"; after the second
"a" insert "shelter"

The motion was _____ agreed to.

SYNOPSIS

Covered animals

R.C. 4741.191

Defines "covered animal" to mean a shelter dog or cat,
thus limiting a registered veterinary technician to dispense and
administer vaccines and antiparasitic medication to only shelter
dogs and cats instead of all dogs and cats.
