SYNOPSIS

Accessible Parking Violations Fund distribution

R.C. 4511.693

Modifies the Accessible Parking Violations Fund's distribution as follows:

- 50% to the Director of Public Safety, rather than 25% as under the bill; and

- 50% to the Director of Education and Workforce, rather than 75% as under the bill.

Requires the Director of Public Safety to use part of its distribution for a public awareness campaign on the accessible parking laws.

Requires the Director of Education and Workforce to use its distribution for multiple grants to multiple organizations that assist individuals with mobility impairments or physical disabilities, rather than only one organization that creates, expands, and oversees interscholastic adaptive sports as under the bill.
