The actuary shall prepare a report of the actuarial investigation. (D) The board shall have prepared by or under the supervision of an actuary an actuarial analysis of any introduced legislation expected to have a measurable financial impact on the retirement system. The actuarial analysis shall be completed in accordance with the actuarial standards of practice promulgated by the actuarial standards board of the American academy of actuaries. The actuary shall prepare a report of the actuarial analysis, which shall include all of the following:

(1) A summary of the statutory changes that are being evaluated;

(2) A description of or reference to the actuarial assumptions and actuarial cost method used in the report;

(5) A statement of whether the scheduled contributions to the system after the proposed change is enacted are expected to

be sufficient to satisfy the funding objectives established by 105  
the board. 106

the legislation, the board shall submit a copy of the actuarial 108

Revised Code. The report shall be made as of December 31, 1997, 116  
and the thirty-first day of December of each year thereafter. 117  
The report shall include the following: 118

benefits; 123

(4) A statement of the number of participants eligible for 124  
the benefits; 125

(5) A description of the accounting, asset valuation, and 126

day of the fiscal year; 134

(8) For the last six consecutive fiscal years, a schedule 135  
of the net assets available for the benefits, the annual cost of 136  
benefits, administrative expenses incurred, and annual employer 137  
contributions allocated for the provision of benefits; 138

(9) A description of any significant changes that affect 139  
the comparability of the report required under this division; 140

(10) A statement of the amount paid under division (C) of 141

The board shall submit the report to the Ohio retirement 143  
study council, the director of budget and management, and the 144  
standing committees of the house of representatives and the 145  
senate with primary responsibility for retirement legislation 146  
immediately upon its availability and not later than the 147  
thirtieth day of June following the year for which the report 148  
was made. 149

(F) At least once in each five-year period, the board 150  
shall have prepared by or under the supervision of an actuary an 151  
actuarial investigation of the deferred retirement option plan 152  
established under section 145.71 of the Revised Code. The 153  
investigation shall include an examination of the financial 154  
impact, if any, on the retirement system of offering the plan to 155  
members. 156

The actuary shall prepare a report of the actuarial 157  
investigation. The report shall include a determination of 158  
whether the plan, as established or modified, has a negative 159  
financial impact on the retirement system and, if so, 160  
recommendations on how to modify the plan to eliminate the 161

negative financial impact. If the actuarial report indicates 162  
that the plan has a negative financial impact on the retirement 163  
system, the board shall modify the plan. If the board modifies 164  
the plan, the rights and obligations of members who have already 165  
elected to participate shall not be altered. 166

The employer contributions to the employers' accumulation 167  
fund shall not be increased to offset any negative financial 168  
impact of the deferred retirement option plan. 169

The board may include the actuarial investigation required 170  
under this division as part of the actuarial investigation 171  
required under division (B) of this section. If the report of 172  
the actuarial investigation required by this division is not 173  
included in the report required by division (B) of this section, 174  
the board shall submit the report required by this division to 175  
the Ohio retirement study council and the standing committees of 176  
the house of representatives and the senate with primary 177  
responsibility for retirement legislation not later than the 178  
first day of November following the last fiscal year of the 179  
period the report covers. 180

savings fund, the employers' accumulation fund, the annuity and 182

fund, the defined contribution fund, and the expense fund. 184

(A) The employees' savings fund is the fund in which shall 185  
be accumulated contributions from the earnable salaries of 186  
contributors, except as provided in division (B) (1) (b) of 187  
section 145.73 of the Revised Code, for the purchase of 188  
annuities or retirement allowances. 189

The accumulated contributions of a contributor returned to 190

the contributor upon withdrawal, or paid to the contributor's 191  
estate or designated beneficiary in the event of death, shall be 192  
paid from the employees' savings fund. Any accumulated 193  
contributions forfeited by failure of a member, or a member's 194  
estate, to claim the same, shall remain in the employees' 195  
savings fund or may be transferred to the income fund. The 196  
accumulated contributions of a contributor shall be transferred 197  
from the employees' savings fund to the annuity and pension 198  
reserve fund in the event of the contributor's retirement. 199

(B) The employers' accumulation fund is the fund in which 200  
shall be accumulated the reserves for the payment of all 201  
pensions and disability benefits payable as provided in this 202  
chapter. The amounts paid by any employer under section 145.48 203  
of the Revised Code and the amounts contributed under division 204  
(B) (1) (b) of section 145.73 of the Revised Code shall be 205  
credited to the employers' accumulation fund. Amounts paid by an 206  
employer under section 145.483 of the Revised Code shall be 207  
credited to the employers' accumulation fund, except that if the 208  
amounts paid by the employer are for members participating in a 209  
PERS defined contribution plan those amounts may be credited to 210  
the defined contribution fund. 211

Amounts paid by an employer under section 145.86 of the 212  
Revised Code may be credited to the employers' accumulation 213  
fund. 214

Any payments made into the employers' accumulation fund by 215  
a member as provided in section 145.31 of the Revised Code shall 216  
be refunded to such member under the conditions specified in 217  
section 145.40 of the Revised Code. 218

Upon the retirement of a contributor, the full amount of 219  
the contributor's pension reserve shall be transferred from the 220

employers' accumulation fund to the annuity and pension reserve 221  
fund. 222

(C) The annuity and pension reserve fund is the fund from 223  
which shall be paid all pensions, disability benefits, 224  
annuities, and benefits in lieu thereof, because of which 225  
reserves have been transferred from the employees' savings fund 226  
and the employers' accumulation fund. The annuity and pension 227  
reserve fund is also the fund from which shall be paid all 228  
pensions, disability benefits, annuities, and benefits in lieu 229  
thereof under a PERS defined contribution plan, if reserves have 230  
been transferred to the fund for that purpose. 231

(D) The income fund is the fund from which interest is 232  
transferred and credited on the amounts in the funds described 233  
in divisions (B), (C), and (F) of this section, and is a 234  
contingent fund from which the special requirements of the funds 235  
may be paid by transfer from this fund. All income derived from 236  
the investment of the funds of the system, together with all 237  
gifts and bequests, or the income therefrom, shall be paid into 238  
this fund. 239

Any deficit occurring in any other fund that will not be 240  
covered by payments to that fund, as otherwise provided in 241  
Chapter 145. of the Revised Code, shall be paid by transfers of 242  
amounts from the income fund to such fund or funds. If the 243  
amount in the income fund is insufficient at any time to meet 244  
the amounts payable to the funds described in divisions (C) and 245  
(F) of this section, the amount of the deficiency shall be 246  
transferred from the employers' accumulation fund. 247

The system may accept gifts and bequests. Any gifts or 248  
bequests, any funds which may be transferred from the employees' 249  
savings fund by reason of lack of a claimant, any surplus in any 250

fund created by this section, or any other funds whose 251  
disposition is not otherwise provided for, shall be credited to 252  
the income fund. 253

(E) Except as provided in division (G) of this section, 254  
the expense fund is the fund from which shall be paid the 255  
expenses of the administration of this chapter, exclusive of 256  
amounts payable as retirement allowances and as other benefits. 257

(F) The survivors' benefit fund is the fund from which 258  
shall be paid dependent survivor benefits provided by section 259  
145.45 of the Revised Code. 260

(G) The defined contribution fund is the fund in which 261  
shall be accumulated the contributions deducted from the 262  
earnable salary of members participating in a PERS defined 263  
contribution plan, as provided in section 145.85 of the Revised 264  
Code, together with any earnings credited thereon. The defined 265  
contribution fund is the fund in which may be accumulated the 266  
contributions under section 145.86 of the Revised Code, together 267  
with any earnings credited thereon. Except as provided in 268  
division (C) of this section, the defined contribution fund is 269  
the fund from which shall be paid all benefits provided under a 270  
PERS defined contribution plan and from which may be paid 271  
administrative expenses of the plan. 272

**Sec. 145.35.** (A) As used in this section and sections 273  
145.362 and 145.363 of the Revised Code: 274

(1) "Examining physician" means a physician appointed by 275  
the public employees retirement board to conduct a medical 276  
examination of a disability benefit applicant or recipient. 277

(2) "Medical consultant" means a physician appointed by 278  
the board to review a member's application for a disability 279

benefit or an appeal of a denial or termination of a benefit. 280

(3) "On-duty illness or injury" means an illness or injury 281  
that occurred during or resulted from performance of duties 282  
under the direct supervision of a public employer. 283

(B) The public employees retirement system shall provide 284  
disability coverage to each member who has at least five years 285  
of total service credit and disability coverage for on-duty 286  
illness or injury to each member who is a PERS law enforcement 287  
officer or PERS public safety officer, regardless of length of 288  
service. 289

The coverage shall extend only to illness or injury that 290  
occurs before the member's contributing service terminates or, 291  
in the case of illness or injury that results from contributing 292  
service, becomes evident not later than two years after the date 293  
the contributing service ends. The coverage shall not extend to 294  
disability resulting from elective cosmetic surgery other than 295  
reconstructive surgery. 296

Not later than October 16, 1992, the public employees 297  
retirement board shall give each person who is a member on July 298  
29, 1992, the opportunity to elect disability coverage either 299  
under section 145.36 of the Revised Code or under section 300  
145.361 of the Revised Code. The board shall mail notice of the 301  
election, accompanied by an explanation of the coverage under 302  
each of the Revised Code sections and a form on which the 303  
election is to be made, to each member at the member's last 304  
known address. The board shall also provide the explanation and 305  
form to any member on request. 306

Regardless of whether the member actually receives notice 307  
of the right to make an election, a member who fails to file a 308

valid election under this section shall be considered to have 309  
elected disability coverage under section 145.36 of the Revised 310  
Code. To be valid, an election must be made on the form provided 311  
by the retirement board, signed by the member, and filed with 312  
the board not later than one hundred eighty days after the date 313  
the notice was mailed, or, in the case of a form provided at the 314  
request of a member, a date specified by rule of the retirement 315  
board. Once made, an election is irrevocable, but if the member 316  
ceases to be a member of the retirement system, the election is 317  
void. If a person who makes an election under this section also 318  
makes an election under section 3307.62 or 3309.39 of the 319  
Revised Code, the election made for the system that pays a 320  
disability benefit to that person shall govern the benefit. 321

Disability coverage shall be provided under section 322  
145.361 of the Revised Code for persons who become members after 323  
July 29, 1992, and for members who elect under this division to 324  
be covered under section 145.361 of the Revised Code. 325

The retirement board may adopt rules governing elections 326  
made under this division. 327

(C) Application for a disability benefit may be made by a 328  
member, by a person acting in the member's behalf, or by the 329  
member's employer, provided the member has disability coverage 330  
under section 145.36 or 145.361 of the Revised Code and is not 331  
receiving a disability benefit under any other Ohio state or 332  
municipal retirement program. Application must be made within 333  
two years from the date the member's contributing service under 334  
the PERS defined benefit plan terminated or the date the member 335  
ceased to make contributions to the PERS defined benefit plan 336  
under section 145.814 of the Revised Code, unless the board's 337  
medical consultant determines that the member's medical records 338

demonstrate conclusively that at the time the two-year period 339  
expired, the member was physically or mentally incapacitated for 340  
duty and unable to make an application. Application may not be 341  
made by or for any person receiving age and service retirement 342  
benefits under section 145.33, 145.331, 145.332, 145.335, or 343  
145.37 or former section 145.34 of the Revised Code or any 344  
person who, pursuant to section 145.40 of the Revised Code, has 345  
been paid the accumulated contributions standing to the credit 346  
of the person's individual account in the employees' savings 347  
fund. The application shall be made on a form provided by the 348  
retirement board. 349

(D) The benefit payable to any member who is approved for 350  
a disability benefit shall become effective on the first day of 351  
the month immediately following the later of the following: 352

(1) The last day for which compensation was paid; 353

(2) The attainment of eligibility for a disability 354  
benefit. 355

(E) Medical examination of a member who has applied for a 356  
disability benefit shall be conducted by a competent 357  
disinterested examining physician to determine whether the 358  
member is mentally or physically incapacitated for the 359  
performance of duty by a disabling condition either permanent or 360  
presumed to be permanent. The disability must have occurred 361  
since last becoming a member or have increased since last 362  
becoming a member to such extent as to make the disability 363  
permanent or presumed to be permanent. A disability is presumed 364  
to be permanent if it is expected to last for a continuous 365  
period of not less than twelve months following the filing of 366  
the application. 367

The standard used to determine whether a member is 368  
incapacitated for duty is that the member is mentally or 369  
physically incapable of performing the duties of the most recent 370  
public position held by the member. 371

~~A~~ Except as provided in section 145.76 of the Revised 372  
Code, a member shall receive a disability benefit under section 373  
145.36 or 145.361 of the Revised Code if all of the following 374  
apply: 375

(1) The board's examining physician determines that the 376  
member qualifies for a disability benefit and the board's 377  
medical consultant concurs with the determination; 378

(2) The board concurs with the medical consultant's 379  
determination; 380

(3) The member agrees to medical treatment as specified in 381  
division (F) of this section. 382

A disability benefit described in this division may be 383  
commenced prior to the board's concurrence with the 384  
determination if the conditions specified in divisions (E) (1) 385  
and (3) of this section are met. 386

The action of the board shall be final. 387

(F) The public employees retirement board shall adopt 388  
rules requiring a disability benefit recipient, as a condition 389  
of continuing to receive a disability benefit, to agree in 390  
writing to obtain any medical treatment recommended by the 391  
board's medical consultant and submit medical reports regarding 392  
the treatment. If the board determines that a disability benefit 393  
recipient is not obtaining the medical treatment or the board 394  
does not receive a required medical report, the disability 395  
benefit shall be suspended until the treatment is obtained, the 396

report is received by the board, or the board's medical 397  
consultant certifies that the treatment is no longer helpful or 398  
advisable. Should the recipient's failure to obtain treatment or 399  
submit a medical report continue for one year, the recipient's 400  
right to the disability benefit shall be terminated as of the 401  
effective date of the original suspension. 402

The board shall require the recipient of a disability 403  
benefit who is described in section 145.363 of the Revised Code 404  
to comply with that section. 405

(G) A disability benefit that has been granted a member 406  
but has not commenced shall not be paid if the member continues 407  
in or returns to employment with the same employer in the same 408  
position or in a position with duties similar to those of the 409  
position the member held at the time the benefit was granted. 410

(H) In the event an employer files an application for a 411  
disability benefit as a result of a member having been separated 412  
from service because the member is considered to be mentally or 413  
physically incapacitated for the performance of the member's 414  
present duty, and the board's medical consultant reports to the 415  
board that the member is physically and mentally capable of 416  
performing service similar to that from which the member was 417  
separated and the board concurs in the report, the board shall 418  
so certify to the employer and the employer shall restore the 419  
member to the member's previous position and salary or to a 420  
similar position and salary. 421

**Sec. 145.46.** (A) A retirement allowance calculated under 422  
section 145.33, 145.331, 145.332, or 145.335 of the Revised Code 423  
shall be paid as provided in this section. 424

Unless the member is required by division (C) of this 425

section to select a specified plan of payment, a member may 426  
elect a plan of payment as provided in division (B) (1), (2), or 427  
(3) of this section. An election shall be made at the time the 428  
member makes application for retirement or makes an election to 429  
participate in the deferred retirement option plan established 430  
under section 145.71 of the Revised Code and on a form provided 431  
by the public employees retirement board. A plan of payment 432  
elected under this section shall be effective only if approved 433  
by the board, which shall approve it only if it is certified by 434  
an actuary engaged by the board to be the actuarial equivalent 435  
of the retirement allowance calculated under section 145.33, 436  
145.331, 145.332, or 145.335 of the Revised Code. 437

(B) The following plans of payment shall be offered by the 438  
public employees retirement system: 439

(1) "Joint-life plan," an allowance that consists of the 440  
actuarial equivalent of the member's retirement allowance 441  
determined under section 145.33, 145.331, 145.332, or 145.335 of 442  
the Revised Code in a lesser amount payable for life and one- 443  
half or some other portion equal to ten per cent or more of the 444  
allowance continuing after death to the member's designated 445  
beneficiary for the beneficiary's life. The beneficiary shall be 446  
nominated by written designation filed with the retirement 447  
board. The amount payable to the beneficiary shall not exceed 448  
the amount payable to the member. 449

(2) "Single-life plan," the member's retirement allowance 450  
determined under section 145.33, 145.331, 145.332, or 145.335 of 451  
the Revised Code; 452

(3) "Multiple-life plan," an allowance that consists of 453  
the actuarial equivalent of the member's retirement allowance 454  
determined under section 145.33, 145.331, 145.332, or 145.335 of 455

the Revised Code in a lesser amount payable to the retirant for 456  
life and some portion of the lesser amount continuing after 457  
death to two, three, or four surviving beneficiaries designated 458  
at the time of the member's retirement. Unless required under 459  
division (C) of this section, no portion allocated under this 460  
plan of payment shall be less than ten per cent. The total of 461  
the portions allocated shall not exceed one hundred per cent of 462  
the member's lesser allowance. 463

(C) A member shall select a plan of payment as follows: 464

(1) Subject to division (C)(2) of this section, if the 465  
member is married at the time of retirement, the member shall 466  
select a joint-life plan and receive a plan of payment that 467  
consists of the actuarial equivalent of the member's retirement 468  
allowance determined under section 145.33, 145.331, 145.332, or 469  
145.335 of the Revised Code in a lesser amount payable for life 470  
and one-half of such allowance continuing after death to the 471  
member's surviving spouse for the life of the spouse. A married 472  
member is not required to select this plan of payment if the 473  
member's spouse consents in writing to the member's election of 474  
a plan of payment other than described in this division or the 475  
board waives the requirement that the spouse consent; 476

(2) If prior to the effective date of the member's 477  
retirement, the public employees retirement board receives a 478  
copy of a court order issued under section 3105.171 or 3105.65 479  
of the Revised Code or the laws of another state regarding 480  
division of marital property the board shall accept the member's 481  
election of a plan of payment under this section only if the 482  
member complies with both of the following: 483

(a) The member elects a plan of payment that is in 484  
accordance with the order. 485

(b) If the member is married, the member elects a multiple-life plan and designates the member's current spouse as a beneficiary under that plan unless that spouse consents in writing to not being designated a beneficiary under any plan of payment or the board waives the requirement that the current spouse consent.

(D) An application for retirement shall include an explanation of all of the following:

(1) That, if the member is married, unless the spouse consents to another plan of payment or there is a court order dividing marital property issued under section 3105.171 or 3105.65 of the Revised Code or the laws of another state regarding the division of marital property that provides for payment in a specified amount, the member's retirement allowance will be paid under a joint-life plan and consist of the actuarial equivalent of the member's retirement allowance in a lesser amount payable for life and one-half of the allowance continuing after death to the surviving spouse for the life of the spouse;

(2) A description of the alternative plans of payment, including all plans described in division (B) of this section, available with the consent of the spouse;

(3) That the spouse may consent to another plan of payment and the procedure for giving consent;

(4) That consent is irrevocable once notice of consent is filed with the board.

Consent shall be valid only if it is signed, in writing, and witnessed by a notary public. The board may waive the requirement of consent if the spouse is incapacitated or cannot

be located or for any other reason specified by the board. 515  
Consent or waiver is effective only with regard to the spouse 516  
who is the subject of the consent or waiver. 517

(E) (1) Beginning on a date selected by the retirement 518  
board, which shall be not later than July 1, 2004, a member may 519  
elect to receive a retirement allowance under a plan of payment 520  
consisting of both a lump sum in an amount the member designates 521  
that constitutes a portion of the member's retirement allowance 522  
under a plan described in division (B) of this section and the 523  
remainder as a monthly allowance under that plan. 524

The total amount paid as a lump sum and a monthly benefit 525  
shall be the actuarial equivalent of the amount that would have 526  
been paid had the lump sum not been selected. 527

(2) The lump sum designated by a member shall be not less 528  
than six times and not more than thirty-six times the monthly 529  
amount that would be payable to the member under the plan of 530  
payment elected under division (B) of this section had the lump 531  
sum not been elected and shall not result in a monthly allowance 532  
that is less than fifty per cent of that monthly amount. 533

(F) If the retirement allowances, as a single life annuity 534  
or payment plan as provided in this section, due and paid are in 535  
a total amount less than (1) the accumulated contributions, and 536  
(2) other deposits made by the member as provided by this 537  
chapter, standing to the credit of the member at the time of 538  
retirement, then the difference between the total amount of the 539  
allowances paid and the accumulated contributions and other 540  
deposits shall be paid to the beneficiary provided under 541  
division (D) of section 145.43 of the Revised Code. 542

(G) (1) The death of a spouse or any designated beneficiary 543

following retirement shall cancel the portion of the plan of 544  
payment providing continuing lifetime benefits to the deceased 545  
spouse or deceased designated beneficiary. The retirant shall 546  
receive the actuarial equivalent of the retirant's single 547  
lifetime benefit, as determined by the board, based on the 548  
number of remaining beneficiaries, with no change in the amount 549  
payable to any remaining beneficiary. The change shall be 550  
effective the month following the date of death. 551

(2) On divorce, annulment, or marriage dissolution, a 552  
retirant receiving a retirement allowance under a plan that 553  
provides for continuation of all or part of the allowance after 554  
death for the lifetime of the retirant's surviving spouse may, 555  
with the written consent of the spouse or pursuant to an order 556  
of the court with jurisdiction over the termination of the 557  
marriage, elect to cancel the portion of the plan providing 558  
continuing lifetime benefits to that spouse. The retirant shall 559  
receive the actuarial equivalent of the retirant's single 560  
lifetime benefit as determined by the retirement board based on 561  
the number of remaining beneficiaries, with no change in amount 562  
payable to any remaining beneficiary. The election shall be made 563  
on a form provided by the board and shall be effective the month 564  
following its receipt by the board. 565

(H) (1) Following a marriage or remarriage, both of the 566  
following apply: 567

(a) A retirant who is receiving the retirant's retirement 568  
allowance under a single-life plan may elect a new plan of 569  
payment under division (B) (1) of this section based on the 570  
actuarial equivalent of the retirant's single lifetime benefit 571  
as determined by the board. 572

(b) A retirant who is receiving a retirement allowance 573

pursuant to a plan of payment providing for payment to a former spouse pursuant to a court order described in division (C) (2) of this section may elect a new plan of payment in the form of a multiple-life plan based on the actuarial equivalent of the retirant's single lifetime retirement allowance as determined by the board if the new plan of payment elected does not reduce the payment to the former spouse.

(2) If the marriage or remarriage occurs on or after June 6, 2005, the election must be made not later than one year after the date of the marriage or remarriage.

The plan elected under this division shall become effective on the date of receipt by the board of an application on a form approved by the board, but any change in the amount of the retirement allowance shall commence on the first day of the month following the effective date of the plan.

(I) Any person who, prior to July 24, 1990, selected an optional plan of payment at retirement that provided for a return to the single life benefit after the designated beneficiary's death shall have the retirant's benefit adjusted to the optional plan equivalent without such provision.

(J) A retirant's receipt of the first month's retirement allowance constitutes the retirant's final acceptance of the plan of payment and may be changed only as provided in this chapter.

**Sec. 145.561.** (A) Except as provided in division (B) of this section and section 145.363, 145.573, or 145.574 of the Revised Code, the granting of a retirement allowance, annuity, pension, or other benefit to any person, other than a person participating in the deferred retirement option plan established

under section 145.71 of the Revised Code, pursuant to action of 603  
the public employees retirement board vests a right in such 604  
person, so long as the person remains the recipient of any 605  
benefit of the funds established by section 145.23 of the 606  
Revised Code, to receive such retirement allowance, annuity, 607  
pension, or other benefit at the rate fixed at the time of 608  
granting such retirement allowance, annuity, pension, or other 609  
benefit. Such right shall also be vested with equal effect in 610  
the recipient of a grant heretofore made from any of the funds 611  
named in section 145.23 of the Revised Code. Subject to sections 612  
145.75 and 145.76 of the Revised Code, a person participating in 613  
the deferred retirement option plan vests in the right to obtain 614  
and receive the amount accrued to the benefit of the person when 615  
the person ceases participating in the plan. 616

(B) This section does not apply to an increase made under 617  
section 145.323 of the Revised Code for a recipient whose 618  
benefit effective date is on or after ~~the effective date of this~~ 619  
~~amendment~~ January 7, 2013. 620

**Sec. 145.71.** (A) As used in sections 145.71 to 145.77 of 621  
the Revised Code, "deferred retirement option plan" means the 622  
deferred retirement option plan established under this section. 623

(B) The public employees retirement board shall establish 624  
and administer a deferred retirement option plan for PERS law 625  
enforcement officers. In establishing and administering the 626  
plan, the board shall comply with sections 145.72 to 145.77 of 627  
the Revised Code and may do all things necessary to meet the 628  
requirements of section 401(a) of the "Internal Revenue Code of 629  
1986," 26 U.S.C. 401(a), applicable to governmental plans. 630

(C) The board shall adopt rules to implement this section 631  
and sections 145.72 to 145.77 of the Revised Code. The board 632

shall specify in the rules the date of initial implementation of 633  
the deferred retirement option plan. The board may specify in 634  
the rules a period during which an election made under section 635  
145.72 of the Revised Code may be rescinded. 636

**Sec. 145.72.** (A) A PERS law enforcement officer who is 637  
eligible to apply for retirement under section 145.332 of the 638  
Revised Code, at any time before applying for retirement under 639  
that section, may elect to participate in the deferred 640  
retirement option plan. However, eligibility to apply for a 641  
reduced benefit under division (E) of section 145.332 of the 642  
Revised Code does not make a PERS law enforcement officer 643  
eligible to elect to participate in the plan. 644

(B) The PERS law enforcement officer shall make the 645  
election by filing with the public employees retirement board an 646  
election form provided by the board. The election is effective 647  
on the first day of the employer's first payroll period 648  
immediately following the board's receipt of the notice of 649  
election. 650

(C) At the time of electing to participate, the PERS law 651  
enforcement officer also shall make an election under section 652  
145.46 of the Revised Code. Except as provided in that section, 653  
the election under section 145.46 of the Revised Code is 654  
irrevocable from the date it is received by the board. 655

(D) A PERS law enforcement officer electing to participate 656  
in the deferred retirement option plan must agree to terminate 657  
active service as a PERS law enforcement officer and begin 658  
receiving the officer's retirement allowance not later than the 659  
date that is eight years after the effective date of the 660  
election to participate. If the officer refuses or neglects to 661  
terminate active service in accordance with the agreement, the 662

board shall consider the officer's service terminated for 663  
purposes of sections 145.71 to 145.77 of the Revised Code. 664

(E) While participating in the deferred retirement option 665  
plan, a PERS law enforcement officer shall not be considered to 666  
have elected retirement under section 145.332 of the Revised 667  
Code. 668

**Sec. 145.721.** (A) A PERS law enforcement officer who 669  
elects to participate in the deferred retirement option plan 670  
shall continue in active service as a PERS law enforcement 671  
officer but shall not be granted service credit under this 672  
chapter for employment after the election's effective date. 673  
While the officer is in active service as a PERS law enforcement 674  
officer, the officer shall contribute, and the employer shall 675  
contribute and report, to the public employees retirement system 676  
in accordance with section 145.49 of the Revised Code. 677

(B) On and after the effective date of the PERS law 678  
enforcement officer's election to participate in the deferred 679  
retirement option plan, the officer is ineligible to purchase 680  
service credit under this chapter or transfer to this system 681  
service credit earned under Chapter 742., 3307., 3309., or 5505. 682  
of the Revised Code or under the Cincinnati retirement system. 683

(C) Neither the PERS law enforcement officer nor the 684  
officer's spouse and dependents are eligible for any benefit 685  
under section 145.58 of the Revised Code while the officer is 686  
participating in the deferred retirement option plan. 687

(D) A PERS law enforcement officer participating in the 688  
deferred retirement option plan is eligible to vote in elections 689  
for the employee members of the public employees retirement 690  
board, but the officer is not eligible to vote in elections for 691

the retirant members of the board. 692

Sec. 145.722. For each PERS law enforcement officer who 693  
elects to participate in the deferred retirement option plan, 694  
the public employees retirement board shall determine the 695  
officer's retirement allowance under section 145.332 of the 696  
Revised Code. In determining the retirement allowance, the board 697  
shall use the officer's total service credit and final average 698  
salary as of the last day of the employer's payroll period 699  
immediately before the effective date of the officer's election 700  
to participate in the plan. The retirement allowance shall be 701  
calculated using the election made by the officer under section 702  
145.46 of the Revised Code. 703

Sec. 145.73. (A) During the period beginning on the 704  
effective date of an election to participate in the deferred 705  
retirement option plan and ending on the date participation 706  
ceases, a PERS law enforcement officer's monthly retirement 707  
allowance amount determined under section 145.722 of the Revised 708  
Code shall accrue to the officer's benefit. To this amount shall 709  
be added any benefit increases the officer would be eligible for 710  
under section 145.323 of the Revised Code had the officer, on 711  
the effective date of the officer's election, retired under 712  
section 145.332 of the Revised Code. 713

(B) (1) The amounts contributed under division (A) (2) of 714  
section 145.49 of the Revised Code by a PERS law enforcement 715  
officer participating in the deferred retirement option plan 716  
shall be credited as follows: 717

(a) Ten per cent of the officer's earnable salary accrues 718  
to the officer's benefit; 719

(b) Any amount of the officer's earnable salary that is in 720

excess of ten per cent shall be credited to the employers' accumulation fund. 721  
722

(2) The public employees retirement system shall credit to the employers' accumulation fund the amounts contributed by employers under division (B) of section 145.49 of the Revised Code on behalf of an officer participating in the deferred retirement option plan. 723  
724  
725  
726  
727

(C) During the period beginning on the election's effective date and ending on the date the PERS law enforcement officer ceases participation in the deferred retirement option plan, the amounts described in divisions (A) and (B) (1) (a) of this section earn interest at an annual rate established by the public employees retirement board and compounded annually using a method established by rule adopted under section 145.71 of the Revised Code. 728  
729  
730  
731  
732  
733  
734  
735

**Sec. 145.74.** A PERS law enforcement officer's participation in the deferred retirement option plan ceases on the occurrence of the earliest of the following: 736  
737  
738

(A) Termination of the officer's active service as a PERS law enforcement officer; 739  
740

(B) The last day of the eight-year period that begins on the effective date of the officer's election to participate in the plan; 741  
742  
743

(C) Acceptance by the officer of a disability benefit awarded by the public employees retirement board under section 145.36 or 145.361 of the Revised Code; 744  
745  
746

(D) The officer's death. 747

**Sec. 145.75.** (A) A PERS law enforcement officer 748

participating in the deferred retirement option plan who 749  
terminates active service as a PERS law enforcement officer 750  
shall notify the public employees retirement board of the date 751  
of termination on a form prescribed by the board. The officer is 752  
not eligible to make another election under section 145.72 of 753  
the Revised Code. 754

(B) (1) With regard to a PERS law enforcement officer who 755  
was younger than fifty-two years of age on the effective date of 756  
the election to participate in the deferred retirement option 757  
plan, if the date of termination of the officer's active service 758  
occurs on or after the first day of the fourth year after the 759  
effective date of the election, the entire amount that has 760  
accrued to the officer's benefit under the plan shall be 761  
distributed to the officer pursuant to the officer's selection 762  
under section 145.751 of the Revised Code. 763

If the date of termination occurs earlier than four years 764  
after the effective date of the election to participate, the 765  
officer forfeits the interest credited under division (C) of 766  
section 145.73 of the Revised Code. 767

(2) With regard to a PERS law enforcement officer who, on 768  
the effective date of the election to participate in the 769  
deferred retirement option plan, was fifty-two years of age or 770  
older, if the date of termination of the officer's active 771  
service occurs on or after the first day of the third year after 772  
the effective date of the election, the entire amount that has 773  
accrued to the officer's benefit under the plan shall be 774  
distributed to the officer pursuant to the officer's selection 775  
under section 145.751 of the Revised Code. 776

If the date of termination occurs earlier than three years 777  
after the effective date of the election to participate, the 778

officer forfeits the interest credited under division (C) of 779  
section 145.73 of the Revised Code. 780

(C) Once a PERS law enforcement officer ceases 781  
participation in the deferred retirement option plan as 782  
described in division (A) or (B) of section 145.74 of the 783  
Revised Code, the officer's retirement allowance determined 784  
under section 145.722 of the Revised Code shall be paid to the 785  
officer, commencing the day following the officer's last day of 786  
active service as a PERS law enforcement officer. 787

**Sec. 145.751.** (A) On ceasing participation in the deferred 788  
retirement option plan as described in division (A) or (B) of 789  
section 145.74 of the Revised Code, a PERS law enforcement 790  
officer shall select as the method of distribution of the amount 791  
accrued to the officer under the plan one of the distribution 792  
options provided under section 401(a) of the "Internal Revenue 793  
Code of 1986," 26 U.S.C. 401(a), applicable to governmental 794  
plans. 795

(B) The public employees retirement system shall 796  
distribute the amount accrued to a PERS law enforcement 797  
officer's benefit under the deferred retirement option plan as 798  
follows: 799

(1) For an officer who was younger than fifty-two years of 800  
age on the date of the election to participate in the plan, 801  
distribution shall not commence until the first day of the 802  
fourth year after the effective date of the officer's election 803  
to participate in the plan. 804

(2) For an officer who was fifty-two years of age or older 805  
on the date of the election to participate in the plan, 806  
distribution shall not commence until the first day of the third 807

year after the effective date of the officer's election to 808  
participate in the plan. 809

**Sec. 145.76.** (A) A PERS law enforcement officer 810  
participating in the deferred retirement option plan who 811  
qualifies for a disability benefit under section 145.35 of the 812  
Revised Code and whose disabling condition was incurred in the 813  
line of duty shall elect to receive one of the following: 814

(1) The applicable retirement allowance determined under 815  
section 145.722 of the Revised Code, plus any amounts that have 816

officer's benefit under the plan. 818

(2) The disability benefit provided for by section 145.36 819  
or 145.361 of the Revised Code. 820

(B) For purposes of division (A) (2) of this section, 821  
acceptance of a disability benefit requires forfeiture of all 822  
amounts accrued under section 145.73 of the Revised Code to the 823  
officer's benefit under the deferred retirement option plan, and 824  
those amounts shall be treated as if the officer had continued 825  
in the active service as a PERS law enforcement officer and not 826  
participated in the plan. The officer shall be granted service 827  
credit for the period the officer was participating in the plan. 828

(C) A PERS law enforcement officer participating in the 829  
deferred retirement option plan who qualifies for a disability 830  
benefit under section 145.35 of the Revised Code and whose 831  
disabling condition was incurred not in the line of duty shall 832  
receive the applicable retirement allowance determined under 833  
section 145.722 of the Revised Code, plus any amounts that have 834  
accrued under section 145.73 of the Revised Code to the 835  
officer's benefit under the plan. 836

Sec. 145.77. If a PERS law enforcement officer dies while 837  
participating in the deferred retirement option plan, all of the 838  
following apply: 839

(A) The amounts accrued to the officer's benefit under the 840  
plan shall be paid to the officer's surviving spouse or, if 841  
there is no surviving spouse, the beneficiary designated by the 842  
officer on a form provided by the public employees retirement 843  
board. An officer may designate an individual or a trust as a 844  
beneficiary. If there is no surviving spouse or designated 845  
beneficiary, the amounts accrued to the officer's benefit shall 846  
be paid to the officer's estate. 847

Any payment made under this division to an officer's 848  
estate shall be made in the form of a single lump sum payment. A 849  
surviving spouse or designated beneficiary may select as the 850  
method of distribution of the amount accrued to the officer 851  
under the plan one of the distribution options provided under 852  
section 401(a) of the "Internal Revenue Code of 1986," 26 U.S.C. 853  
401(a), applicable to governmental plans. 854

the order and in the amounts prescribed under that section. 859

**Sec. 742.63.** The board of trustees of the Ohio police and 860  
fire pension fund shall adopt rules for the management of the 861  
Ohio public safety officers death benefit fund and for 862  
disbursements of benefits as set forth in this section. 863

(A) As used in this section: 864

(1) "Member" means all of the following: 865

- (a) A member of the Ohio police and fire pension fund, 866
