the board is not required to hold a hearing, but may adopt a 68372
final order that contains the board's findings. In the final 68373
order, the board may impose any of the sanctions listed in 68374
division (A) of this section. 68375

Revised Code specifying that if records pertaining to a criminal 68378
case are sealed or expunged under that section the proceedings 68379
in the case must be deemed not to have occurred, sealing or 68380
expungement of the following records on which the board has 68381
based an action under this section shall have no effect on the 68382
board's action or any sanction imposed by the board under this 68383
section: records of any conviction, guilty plea, judicial 68384
finding of guilt resulting from a plea of no contest, or a 68385
judicial finding of eligibility for a pretrial diversion program 68386
or intervention in lieu of conviction. The board shall not be 68387

records to reflect the court's sealing or expungement of 68389
conviction records. 68390

section ~~4729.26 of the Revised Code,~~ no person who is not a 68409
pharmacist shall dispense dangerous drugs. 68410

(C) The board shall adopt rules in accordance with Chapter 68411
119. of the Revised Code to implement divisions (A) and (B) (2) 68412

autoinjector" means a device used to administer epinephrine only 68415
in a manufactured dosage form. 68416

(B) Subject to division (C) of this section, a pharmacist dispensing an epinephrine autoinjector pursuant to a prescription that identifies a specific type of epinephrine autoinjector may substitute the prescribed autoinjector with another epinephrine autoinjector, but only if the form of epinephrine contained in the autoinjector to be dispensed by substitution meets either of the following conditions:

(1) It is identical to the form of epinephrine in the type of autoinjector that was prescribed.

(2) It is a pharmaceutical equivalent of the form of epinephrine in the type of autoinjector that was prescribed in that it contains identical amounts of the identical active ingredients, but not necessarily the same inactive ingredients; it has been approved by the United States food and drug administration; and it has not been excluded from recognition as a pharmaceutical equivalent form of epinephrine by rules adopted under division (H) of this section.

(C) All of the following conditions apply with respect to a pharmacist's authority to dispense an epinephrine autoinjector by substitution:

(1) The pharmacist shall not make the substitution if the person receiving the autoinjector pursuant to the prescription instructs otherwise.

(2) The pharmacist shall not make the substitution if either of the following applies to the prescription:

(a) In the case of a written or electronic prescription, including a computer-generated prescription, the prescriber handwrites or actively causes to display on the prescription "dispense as written," "D.A.W.," "do not substitute," "medically

necessary as prescribed," or any other statement or numerical 68446
code that indicates the prescriber's intent to prevent 68447
substitution. Such a designation shall not be preprinted or 68448
stamped on the prescription, but a reminder to the prescriber of 68449
the designation procedure may be preprinted or displayed on the 68450
prescription form or electronic system the prescriber uses to 68451
issue the prescription. 68452

(b) In the case of an oral prescription, the prescriber 68453
specifies that the epinephrine autoinjector as prescribed is 68454
medically necessary or otherwise indicates the prescriber's 68455
intent to prevent substitution. 68456

(3) The pharmacist shall not make the substitution unless 68457
its price to the patient is less than or equal to the price of 68458
the prescribed epinephrine autoinjector, except that a 68459
pharmacist may substitute an epinephrine autoinjector with a 68460
price to the patient that is greater than the prescribed 68461
autoinjector if the patient specifically requests the more 68462
expensive autoinjector. 68463

(4) The pharmacist, or a pharmacy intern or agent of the 68464
pharmacist, shall make a reasonable attempt to inform the 68465
patient or the patient's representative if a type of epinephrine 68466
autoinjector is available at a lower or equal cost. 68467

(5) The pharmacist, or a pharmacy intern or agent of the 68468
pharmacist, shall inform the patient or the patient's 68469
representative of the person's right to refuse substitution of 68470
the prescribed epinephrine autoinjector. 68471

(D) (1) Unless the prescriber instructs otherwise, the 68472
label for every epinephrine autoinjector dispensed shall include 68473
the epinephrine autoinjector's name, if any, and the distributor 68474

of the autoinjector. Abbreviations may be used as necessary. 68475

by substitution, the pharmacist shall indicate on the 68477
autoinjector's label or container that a substitution was made. 68478

(1) and (2) of this section are in addition to all other 68480
labeling requirements as required in rules adopted by the state 68481

autoinjector by substitution, the pharmacist or a pharmacy 68484
intern shall provide to the person receiving the device 68485
instruction on the proper method of administering epinephrine 68486
with the device, except that the instruction does not have to be 68487
provided if the person is receiving the same device that was 68488
dispensed when the person last received the device by having a 68489
prescription filled or refilled. 68490

(F) A pharmacist who dispenses an epinephrine autoinjector 68491
pursuant to this section assumes no greater liability for 68492
dispensing the autoinjector by substitution than would be 68493
incurred for dispensing the autoinjector identified on the 68494
prescription. 68495

(G) The failure of a prescriber to restrict a prescription 68496
by indicating an intent to prevent substitution pursuant to this 68497
section shall not constitute evidence of the prescriber's 68498
negligence unless the prescriber had reasonable cause to believe 68499
that the health condition of the patient for whom the 68500
epinephrine autoinjector was intended warranted the prescription 68501
of a specific type of epinephrine autoinjector and no other. No 68502
prescriber shall be liable for civil damages or in any criminal 68503

prosecution arising from a pharmacist dispensing an epinephrine 68504
autoinjector by substitution, unless the type of autoinjector 68505
prescribed would have reasonably caused the same loss, damage, 68506
injury, or death. 68507

(H) The state board of pharmacy may adopt rules in 68508
accordance with Chapter 119. of the Revised Code ~~to implement~~ 68509

(B) Except as provided in division (P) of this section, 70759
the board, by an affirmative vote of not fewer than six members, 70760

professional under section 4731.62 of the Revised Code; does not 70799

involving the use of a drug of abuse, to the employer of the 70804
employee as described in division (B) of section 2305.33 of the 70805
Revised Code. Nothing in this division affects the immunity from 70806
civil liability conferred by section 2305.33 or 4731.62 of the 70807
Revised Code upon a physician who makes a report in accordance 70808
with section 2305.33 or notifies a mental health professional in 70809

misrepresentation of fact, is likely to mislead or deceive 70822
because of a failure to disclose material facts, is intended or 70823
is likely to create false or unjustified expectations of 70824
favorable results, or includes representations or implications 70825
that in reasonable probability will cause an ordinarily prudent 70826
person to misunderstand or be deceived. 70827

(6) A departure from, or the failure to conform to, 70828

this state, regardless of the jurisdiction in which the act was 70843
committed; 70844

or a judicial finding of eligibility for intervention in lieu of 70853
conviction for, a misdemeanor involving moral turpitude; 70854

(14) Commission of an act involving moral turpitude that 70855

the board upon a license or certificate to practice; 70859

(16) Failure to pay license renewal fees specified in this 70860

specific referral of a patient to utilize a particular service 70865
or business; 70866

(18) Subject to section 4731.226 of the Revised Code, 70867
violation of any provision of a code of ethics of the American 70868
medical association, the American osteopathic association, the 70869
American podiatric medical association, or any other national 70870
professional organizations that the board specifies by rule. The 70871
state medical board shall obtain and keep on file current copies 70872
of the codes of ethics of the various national professional 70873
organizations. The individual whose license or certificate is 70874
being suspended or revoked shall not be found to have violated 70875
any provision of a code of ethics of an organization not 70876

appropriate to the individual's profession. 70877

For purposes of this division, a "provision of a code of 70878
ethics of a national professional organization" does not include 70879
any provision that would preclude the making of a report by a 70880
physician of an employee's use of a drug of abuse, or of a 70881
condition of an employee other than one involving the use of a 70882
drug of abuse, to the employer of the employee as described in 70883
division (B) of section 2305.33 of the Revised Code. Nothing in 70884
this division affects the immunity from civil liability 70885
conferred by that section upon a physician who makes either type 70886
of report in accordance with division (B) of that section. As 70887
used in this division, "employee," "employer," and "physician" 70888
have the same meanings as in section 2305.33 of the Revised 70889
Code. 70890

(19) Inability to practice according to acceptable and 70891
prevailing standards of care by reason of mental illness or 70892
physical illness, including, but not limited to, physical 70893
deterioration that adversely affects cognitive, motor, or 70894
perceptive skills. 70895

In enforcing this division, the board, upon a showing of a 70896
possible violation, shall refer any individual who is authorized 70897
to practice by this chapter or who has submitted an application 70898
pursuant to this chapter to the monitoring organization that 70899
conducts the confidential monitoring program established under 70900
section 4731.25 of the Revised Code. The board also may compel 70901
the individual to submit to a mental examination, physical 70902
examination, including an HIV test, or both a mental and a 70903
physical examination. The expense of the examination is the 70904
responsibility of the individual compelled to be examined. 70905
Failure to submit to a mental or physical examination or consent 70906

to an HIV test ordered by the board constitutes an admission of 70907
the allegations against the individual unless the failure is due 70908
to circumstances beyond the individual's control, and a default 70909
and final order may be entered without the taking of testimony 70910
or presentation of evidence. If the board finds an individual 70911
unable to practice because of the reasons set forth in this 70912
division, the board shall require the individual to submit to 70913
care, counseling, or treatment by physicians approved or 70914
designated by the board, as a condition for initial, continued, 70915
reinstated, or renewed authority to practice. An individual 70916
affected under this division shall be afforded an opportunity to 70917
demonstrate to the board the ability to resume practice in 70918
compliance with acceptable and prevailing standards under the 70919
provisions of the individual's license or certificate. For the 70920
purpose of this division, any individual who applies for or 70921
receives a license or certificate to practice under this chapter 70922
accepts the privilege of practicing in this state and, by so 70923
doing, shall be deemed to have given consent to submit to a 70924
mental or physical examination when directed to do so in writing 70925
by the board, and to have waived all objections to the 70926
admissibility of testimony or examination reports that 70927
constitute a privileged communication. 70928

(20) Except as provided in division (F) (1) (b) of section 70929
4731.282 of the Revised Code or when civil penalties are imposed 70930
under section 4731.225 of the Revised Code, and subject to 70931
section 4731.226 of the Revised Code, violating or attempting to 70932
violate, directly or indirectly, or assisting in or abetting the 70933
violation of, or conspiring to violate, any provisions of this 70934
chapter or any rule promulgated by the board. 70935

This division does not apply to a violation or attempted 70936
violation of, assisting in or abetting the violation of, or a 70937

conspiracy to violate, any provision of this chapter or any rule 70938
adopted by the board that would preclude the making of a report 70939
by a physician of an employee's use of a drug of abuse, or of a 70940
condition of an employee other than one involving the use of a 70941
drug of abuse, to the employer of the employee as described in 70942
division (B) of section 2305.33 of the Revised Code. Nothing in 70943
this division affects the immunity from civil liability 70944
conferred by that section upon a physician who makes either type 70945
of report in accordance with division (B) of that section. As 70946
used in this division, "employee," "employer," and "physician" 70947
have the same meanings as in section 2305.33 of the Revised 70948
Code. 70949

(21) The violation of section 3701.79 of the Revised Code 70950
or of any abortion rule adopted by the director of health 70951
pursuant to section 3701.341 of the Revised Code; 70952

(22) Any of the following actions taken by an agency 70953
responsible for authorizing, certifying, or regulating an 70954
individual to practice a health care occupation or provide 70955
health care services in this state or another jurisdiction, for 70956
any reason other than the nonpayment of fees: the limitation, 70957
revocation, or suspension of an individual's license to 70958
practice; acceptance of an individual's license surrender; 70959
denial of a license; refusal to renew or reinstate a license; 70960
imposition of probation; or issuance of an order of censure or 70961
other reprimand; 70962

(23) The violation of section 2919.12 of the Revised Code 70963
or the performance or inducement of an abortion upon a pregnant 70964
woman with actual knowledge that the conditions specified in 70965
division (B) of section 2317.56 of the Revised Code have not 70966
been satisfied or with a heedless indifference as to whether 70967

those conditions have been satisfied, unless an affirmative 70968
defense as specified in division (H) (2) of that section would 70969
apply in a civil action authorized by division (H) (1) of that 70970
section; 70971

(24) The revocation, suspension, restriction, reduction, 70972
or termination of clinical privileges by the United States 70973
department of defense or department of veterans affairs or the 70974
termination or suspension of a certificate of registration to 70975
prescribe drugs by the drug enforcement administration of the 70976
United States department of justice; 70977

(25) Termination or suspension from participation in the 70978
medicare or medicaid programs by the department of health and 70979
human services or other responsible agency; 70980

(26) Impairment of ability to practice according to 70981
acceptable and prevailing standards of care because of substance 70982
use disorder or excessive use or abuse of drugs, alcohol, or 70983
other substances that may impair ability to practice. 70984

For the purposes of this division, any individual 70985
authorized to practice by this chapter accepts the privilege of 70986
practicing in this state subject to supervision by the board. By 70987
filing an application for or holding a license or certificate to 70988
practice under this chapter, an individual shall be deemed to 70989
have given consent to submit to a mental or physical examination 70990
when ordered to do so by the board in writing, and to have 70991
waived all objections to the admissibility of testimony or 70992
examination reports that constitute privileged communications. 70993

If it has reason to believe that any individual authorized 70994
to practice by this chapter or any applicant for licensure or 70995
certification to practice suffers such impairment, the board 70996

shall refer the individual to the monitoring organization that 70997
conducts the confidential monitoring program established under 70998
section 4731.25 of the Revised Code. The board also may compel 70999
the individual to submit to a mental or physical examination, or 71000
both. The expense of the examination is the responsibility of 71001
the individual compelled to be examined. Any mental or physical 71002
examination required under this division shall be undertaken by 71003
a treatment provider or physician who is qualified to conduct 71004
the examination and who is approved under section 4731.251 of 71005
the Revised Code. 71006

Failure to submit to a mental or physical examination 71007
ordered by the board constitutes an admission of the allegations 71008
against the individual unless the failure is due to 71009
circumstances beyond the individual's control, and a default and 71010
final order may be entered without the taking of testimony or 71011
presentation of evidence. If the board determines that the 71012
individual's ability to practice is impaired, the board shall 71013
suspend the individual's license or certificate or deny the 71014
individual's application and shall require the individual, as a 71015
condition for initial, continued, reinstated, or renewed 71016
licensure or certification to practice, to submit to treatment. 71017

Before being eligible to apply for reinstatement of a 71018
license or certificate suspended under this division, the 71019
impaired practitioner shall demonstrate to the board the ability 71020
to resume practice in compliance with acceptable and prevailing 71021
standards of care under the provisions of the practitioner's 71022
license or certificate. The demonstration shall include, but 71023
shall not be limited to, the following: 71024

(a) Certification from a treatment provider approved under 71025
section 4731.251 of the Revised Code that the individual has 71026

successfully completed any required inpatient treatment; 71027

(b) Evidence of continuing full compliance with an 71028
aftercare contract or consent agreement; 71029

(c) Two written reports indicating that the individual's 71030
ability to practice has been assessed and that the individual 71031
has been found capable of practicing according to acceptable and 71032
prevailing standards of care. The reports shall be made by 71033
individuals or providers approved by the board for making the 71034
assessments and shall describe the basis for their 71035
determination. 71036

The board may reinstate a license or certificate suspended 71037
under this division after that demonstration and after the 71038
individual has entered into a written consent agreement. 71039

When the impaired practitioner resumes practice, the board 71040
shall require continued monitoring of the individual. The 71041
monitoring shall include, but not be limited to, compliance with 71042
the written consent agreement entered into before reinstatement 71043
or with conditions imposed by board order after a hearing, and, 71044
upon termination of the consent agreement, submission to the 71045
board for at least two years of annual written progress reports 71046
made under penalty of perjury stating whether the individual has 71047
maintained sobriety. 71048

or copayment that a patient, pursuant to a health insurance or 71053
health care policy, contract, or plan that covers the 71054
individual's services, otherwise would be required to pay if the 71055

waiver is used as an enticement to a patient or group of patients to receive health care services from that individual; 71056
71057

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay. 71058

in an investigative interview, an investigative office	71089

(D) For purposes of divisions (B) (10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing or expungement of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal or expunge the records. The board shall not be required to seal, expunge, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) (1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board

shall be assigned a case number and shall be recorded by the board. 71232
71233

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. Upon a vote of the majority of the board to authorize the addition of a consumer member in the supervision of any part of any investigation, the president shall designate a consumer member for supervision of investigations as determined by the president. The authorization of consumer member participation in investigation supervision may be rescinded by a majority vote of the board. (3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary of the board. 71250

(a) Before issuance of a subpoena for patient record 71261

information, the secretary shall determine whether there is 71262
probable cause to believe that the complaint filed alleges a 71263
violation of this chapter or any rule adopted under it and that 71264
the records sought are relevant to the alleged violation and 71265
material to the investigation. The subpoena may apply only to 71266
records that cover a reasonable period of time surrounding the 71267
alleged violation. 71268

(b) On failure to comply with any subpoena issued by the 71269
board and after reasonable notice to the person being 71270
subpoenaed, the board may move for an order compelling the 71271
production of persons or records pursuant to the Rules of Civil 71272
Procedure. 71273

(c) A subpoena issued by the board may be served by a 71274
sheriff, the sheriff's deputy, or a board employee or agent 71275
designated by the board. Service of a subpoena issued by the 71276
board may be made by delivering a copy of the subpoena to the 71277
person named therein, reading it to the person, or leaving it at 71278
the person's usual place of residence, usual place of business, 71279
or address on file with the board. When serving a subpoena to an 71280
applicant for or the holder of a license or certificate issued 71281
under this chapter, service of the subpoena may be made by 71282
certified mail, return receipt requested, and the subpoena shall 71283
be deemed served on the date delivery is made or the date the 71284
person refuses to accept delivery. If the person being served 71285
refuses to accept the subpoena or is not located, service may be 71286
made to an attorney who notifies the board that the attorney is 71287
representing the person. 71288

(d) A sheriff's deputy who serves a subpoena shall receive 71289
the same fees as a sheriff. Each witness who appears before the 71290
board in obedience to a subpoena shall receive the fees and 71291

mileage provided for under section 119.094 of the Revised Code. 71292

(4) All hearings, investigations, and inspections of the 71293
board shall be considered civil actions for the purposes of 71294
section 2305.252 of the Revised Code. 71295

(5) A report required to be submitted to the board under 71296
this chapter, a complaint, or information received by the board 71297
pursuant to an investigation or pursuant to an inspection under 71298
division (E) of section 4731.054 of the Revised Code is 71299
confidential and not subject to discovery in any civil action. 71300

The board shall conduct all investigations or inspections 71301
and proceedings in a manner that protects the confidentiality of 71302
patients and persons who file complaints with the board. The 71303
board shall not make public the names or any other identifying 71304
information about patients or complainants unless proper consent 71305
is given or, in the case of a patient, a waiver of the patient 71306
privilege exists under division (B) of section 2317.02 of the 71307
Revised Code, except that consent or a waiver of that nature is 71308
not required if the board possesses reliable and substantial 71309
evidence that no bona fide physician-patient relationship 71310
exists. 71311

The board may share any information it receives pursuant 71312
to an investigation or inspection, including patient records and 71313
patient record information, with law enforcement agencies, other 71314
licensing boards, and other governmental agencies that are 71315
prosecuting, adjudicating, or investigating alleged violations 71316
of statutes or administrative rules. An agency or board that 71317
receives the information shall comply with the same requirements 71318
regarding confidentiality as those with which the state medical 71319
board must comply, notwithstanding any conflicting provision of 71320
the Revised Code or procedure of the agency or board that 71321

applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

No person shall knowingly access, use, or disclose confidential investigatory information in a manner prohibited by law.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(a) The case number assigned to the complaint or alleged violation;

(b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;

(c) A description of the allegations contained in the complaint;

(d) Whether witnesses were interviewed;

(e) Whether the individual against whom the complaint is directed is the subject of any pending complaints;

(f) The disposition of the case. 71351

The report shall state how many cases are still pending 71352
and shall be prepared in a manner that protects the identity of 71353
each person involved in each case. The report shall be a public 71354
record under section 149.43 of the Revised Code. 71355

(7) The board may provide a status update regarding an 71356
investigation to a complainant on request if the board verifies 71357
the complainant's identity. 71358

(G) (1) If either of the following circumstances occur, the 71359
secretary and supervising member may recommend that the board 71360
suspend an individual's license or certificate to practice or 71361
certificate to recommend without a prior hearing: 71362

(a) The secretary and supervising member determine both of 71363
the following: 71364

(i) That there is clear and convincing evidence that an 71365
individual has violated division (B) of this section; 71366

(ii) That the individual's continued practice presents a 71367
danger of immediate and serious harm to the public. 71368

(b) The board receives verifiable information that a 71369
licensee has been charged in any state or federal court with a 71370
crime classified as a felony under the charging court's law and 71371
the conduct constitutes a violation of division (B) of this 71372
section. 71373

(2) If a recommendation is made to suspend without a prior 71374
hearing pursuant to division (G) (1) of this section, written 71375
allegations shall be prepared for consideration by the board. 71376
The board, upon review of those allegations and by an 71377
affirmative vote of not fewer than six of its members, excluding 71378

the secretary and supervising member, may suspend a license or 71379
certificate without a prior hearing. A telephone conference call 71380
may be utilized for reviewing the allegations and taking the 71381
vote on the summary suspension. 71382

The board shall serve a written order of suspension in 71383
accordance with sections 119.05 and 119.07 of the Revised Code. 71384
If the individual subject to the summary suspension requests an 71385
adjudicatory hearing by the board, the date set for the hearing 71386
shall be within fifteen days, but not earlier than seven days, 71387
after the individual requests the hearing, unless otherwise 71388
agreed to by both the board and the individual. 71389

(3) Any summary suspension imposed under division (G) (2) 71390
of this section is not a final appealable order and is not an 71391
adjudication that may be appealed under section 119.12 of the 71392
Revised Code. The summary suspension shall remain in effect 71393
until a final adjudicative order issued by the board pursuant to 71394
this section and Chapter 119. of the Revised Code becomes 71395
effective. Once a final adjudicative order has been issued by 71396
the board, any party adversely affected by it may file an appeal 71397
in accordance with the requirements of Chapter 119. of the 71398
Revised Code. 71399

The board shall issue its final adjudicative order within 71400
seventy-five days after completion of its hearing. A failure to 71401
issue the order within seventy-five days shall result in 71402
dissolution of the summary suspension order but shall not 71403
invalidate any subsequent, final adjudicative order. 71404

(H) If the board takes action under division (B) (9), (11), 71405
or (13) of this section and the judicial finding of guilt, 71406
guilty plea, or judicial finding of eligibility for intervention 71407
in lieu of conviction is overturned on appeal, upon exhaustion 71408

of the criminal appeal, a petition for reconsideration of the 71409
order may be filed with the board along with appropriate court 71410
documents. Upon receipt of a petition of that nature and 71411
supporting court documents, the board shall reinstate the 71412
individual's license or certificate to practice. The board may 71413
then hold an adjudication under Chapter 119. of the Revised Code 71414
to determine whether the individual committed the act in 71415
question. Notice of an opportunity for a hearing shall be given 71416
in accordance with Chapter 119. of the Revised Code. If the 71417
board finds, pursuant to an adjudication held under this 71418
division, that the individual committed the act or if no hearing 71419
is requested, the board may order any of the sanctions 71420
identified under division (B) of this section. 71421

(I) The license or certificate to practice issued to an 71422
individual under this chapter and the individual's practice in 71423
this state are automatically suspended as of the date of the 71424
individual's second or subsequent plea of guilty to, or judicial 71425
finding of guilt of, a violation of section 2919.123 or 2919.124 71426
of the Revised Code. In addition, the license or certificate to 71427
practice or certificate to recommend issued to an individual 71428
under this chapter and the individual's practice in this state 71429
are automatically suspended as of the date the individual pleads 71430
guilty to, is found by a judge or jury to be guilty of, or is 71431
subject to a judicial finding of eligibility for intervention in 71432
lieu of conviction in this state or treatment or intervention in 71433
lieu of conviction in another jurisdiction for any of the 71434
following criminal offenses in this state or a substantially 71435

the board is not required to hold a hearing, but may adopt, by 71464
an affirmative vote of not fewer than six of its members, a 71465
final order that contains the board's findings. In that final 71466
order, the board may order any of the sanctions identified under 71467

certificate to practice in accordance with this chapter or a 71504

the board's jurisdiction to take any disciplinary action under 71507
this section against the individual. 71508

(4) The placement of an individual's license on retired 71509
status, as described in section 4731.283 of the Revised Code, 71510

testifies before the board in any adjudication conducted under 74713
Chapter 119. of the Revised Code shall not be liable in damages 74714

without consultation with the attorney general's office and 74743

Before issuance of a subpoena for patient record 74745
information, the secretary shall determine whether there is 74746

violation of this chapter or any rule adopted under it and that 74748
the records sought are relevant to the alleged violation and 74749

file with the board. When serving a subpoena to an applicant for 74763
or the holder of a license or limited permit issued under this 74764
chapter, service of the subpoena may be made by certified mail, 74765
return receipt requested, and the subpoena shall be deemed 74766
served on the date delivery is made or the date the person 74767
refuses to accept delivery. If the person being served refuses 74768
to accept the subpoena or is not located, service may be made to 74769
an attorney who notifies the board that the attorney is 74770
representing the person. 74771

same fees as a sheriff. Each witness who appears before the 74773

patient record information, with law enforcement agencies, other 74791
licensing boards, and other governmental agencies that are 74792
prosecuting, adjudicating, or investigating alleged violations 74793
of statutes or administrative rules. An agency or board that 74794
receives the information shall comply with the same requirements 74795
regarding confidentiality as those with which the state medical 74796
board must comply, notwithstanding any conflicting provision of 74797
the Revised Code or procedure of the agency or board that 74798
applies when it is dealing with other information in its 74799
possession. In a judicial proceeding, the information may be 74800
admitted into evidence only in accordance with the Rules of 74801
Evidence, but the court shall require that appropriate measures 74802
are taken to ensure that confidentiality is maintained with 74803
respect to any part of the information that contains names or 74804
other identifying information about patients or complainants 74805
whose confidentiality was protected by the state medical board 74806
when the information was in the board's possession. Measures to 74807
ensure confidentiality that may be taken by the court include 74808
sealing its records or deleting specific information from its 74809
records. 74810

violation; 74819

(b) The type of license, if any, held by the individual 74820

(c) A description of the allegations contained in the 74822

(d) Whether witnesses were interviewed; 74824

(e) Whether the individual against whom the complaint is 74825
directed is the subject of any pending complaints; 74826

(f) The disposition of the case. 74827

The report shall state how many cases are still pending 74828

each person involved in each case. The report shall be a public 74830
record under section 149.43 of the Revised Code. 74831

this division. On receipt of a fee, the board shall deposit the 75080
fee in accordance with section 4731.24 of the Revised Code. 75081

(F) The board shall reactivate a license placed on retired 75082
status if the conditions of division (E) of this section have 75083
been satisfied and the board, in its discretion, determines that 75084
the results of the criminal records check conducted pursuant to 75085
sections 4776.01 to 4776.04 of the Revised Code do not make the 75086
applicant ineligible for active status. 75087

(G) The board may take disciplinary action against an 75088
applicant who is seeking to place a license on retired status or 75089
to reactivate the license if the applicant commits fraud, 75090
misrepresentation, or deception in applying for or securing the 75091
retired status or reactivation. 75092

The board also may take disciplinary action against the 75093
holder of a license placed on retired status if the holder 75094
practices under the license, uses the license to obtain 75095
licensure as an anesthesiologist assistant in another state, or 75096
uses a title that does not reflect the holder's retired status. 75097

In taking disciplinary action under this section, the 75098
board may impose on the applicant or holder any sanction 75099
described in section 4760.13 of the Revised Code, but shall do 75100
so in accordance with the procedures described in that section. 75101

~~(H) The board may adopt rules to implement and enforce
this section. The rules shall be adopted in accordance with

required to qualify for licensure and approval of continuing

reductions by month of the number of hours of continuing 75131
education that must be completed for license holders who are in 75132
their first renewal period, have been disabled by illness or 75133
accident, or have been absent from the country; 75134

(5) Procedures for the issuance and renewal of licenses 75135
and limited permits, including the duties that may be fulfilled 75136
by the board's executive director and other board employees; 75137

(6) Procedures for the limitation, suspension, and 75138
revocation of licenses and limited permits, the refusal to 75139

the Revised Code; 75142

(7) Standards of ethical conduct for the practice of 75143
respiratory care; 75144

(8) The respiratory care tasks that may be performed by an 75145
individual practicing as a polysomnographic technologist 75146
pursuant to division (B) (3) of section 4761.10 of the Revised 75147
Code; 75148

(9) Requirements for criminal records checks of applicants 75149
under section 4776.03 of the Revised Code. 75150

(C) The board shall determine the sufficiency of an 75151
applicant's qualifications for admission to the licensing 75152
examination or a reexamination, and for the issuance or renewal 75153
of a license or limited permit. 75154

(D) The board shall determine the respiratory care 75155
educational programs that are acceptable for fulfilling the 75156
requirements of division (A) of section 4761.04 of the Revised 75157
Code. 75158

(E) (1) The board shall investigate evidence that appears 75159
to show that a person has violated any provision of this chapter 75160
or any rule adopted under it. Any person may report to the board 75161
in a signed writing any information that the person may have 75162
that appears to show a violation of any provision of this 75163
chapter or any rule adopted under it. In the absence of bad 75164
faith, any person who reports information of that nature or who 75165
testifies before the board in any adjudication conducted under 75166
Chapter 119. of the Revised Code shall not be liable in damages 75167
in a civil action as a result of the report or testimony. Each 75168
complaint or allegation of a violation received by the board 75169
shall be assigned a case number and shall be recorded by the 75170
board. 75171

(2) Investigations of alleged violations of this chapter 75172
or any rule adopted under it shall be supervised by the 75173
supervising member elected by the board in accordance with 75174
section 4731.02 of the Revised Code and by the secretary as 75175
provided in section 4761.012 of the Revised Code. The president 75176

investigation in place of the supervising member. Upon a vote of 75178
the majority of the board to authorize the addition of a 75179
consumer member in the supervision of any part of any 75180
investigation, the president shall designate a consumer member 75181
for supervision of investigations as determined by the 75182
president. The authorization of consumer member participation in 75183
investigation supervision may be rescinded by a majority vote of 75184
the board. No member of the board who supervises the 75185
investigation of a case shall participate in further 75186
adjudication of the case. 75187

(3) In investigating a possible violation of this chapter 75188
or any rule adopted under it, the board may issue subpoenas, 75189

administer oaths, question witnesses, conduct interviews, order 75190
the taking of depositions, inspect and copy any books, accounts, 75191
papers, records, or documents, and compel the attendance of 75192
witnesses and production of books, accounts, papers, records, 75193
documents, and testimony, except that a subpoena for patient 75194
record information shall not be issued without consultation with 75195
the attorney general's office and approval of the secretary of 75196
the board. 75197

Before issuance of a subpoena for patient record 75198
information, the secretary shall determine whether there is 75199
probable cause to believe that the complaint filed alleges a 75200
violation of this chapter or any rule adopted under it and that 75201
the records sought are relevant to the alleged violation and 75202
material to the investigation. The subpoena may apply only to 75203
records that cover a reasonable period of time surrounding the 75204
alleged violation. 75205

On failure to comply with any subpoena issued by the board 75206
and after reasonable notice to the person being subpoenaed, the 75207
board may move for an order compelling the production of persons 75208
or records pursuant to the Rules of Civil Procedure. 75209

A subpoena issued by the board may be served by a sheriff, 75210
the sheriff's deputy, or a board employee or agent designated by 75211
the board. Service of a subpoena issued by the board may be made 75212
by delivering a copy of the subpoena to the person named 75213
therein, reading it to the person, or leaving it at the person's 75214
usual place of residence, usual place of business, or address on 75215
file with the board. When serving a subpoena to an applicant for 75216
or the holder of a license or limited permit issued under this 75217
chapter, service of the subpoena may be made by certified mail, 75218
return receipt requested, and the subpoena shall be deemed 75219

served on the date delivery is made or the date the person 75220
refuses to accept delivery. If the person being served refuses 75221
to accept the subpoena or is not located, service may be made to 75222
an attorney who notifies the board that the attorney is 75223
representing the person. 75224

A sheriff's deputy who serves a subpoena shall receive the 75225
same fees as a sheriff. Each witness who appears before the 75226
board in obedience to a subpoena shall receive the fees and 75227
mileage provided for under section 119.094 of the Revised Code. 75228

board shall be considered civil actions for the purposes of 75230
section 2305.252 of the Revised Code. 75231

(5) A report required to be submitted to the board under 75232
this chapter, a complaint, or information received by the board 75233
pursuant to an investigation is confidential and not subject to 75234
discovery in any civil action. 75235

The board shall conduct all investigations or inspections 75236
and proceedings in a manner that protects the confidentiality of 75237
patients and persons who file complaints with the board. The 75238
board shall not make public the names or any other identifying 75239
information about patients or complainants unless proper consent 75240
is given. 75241

The board may share any information it receives pursuant 75242
to an investigation or inspection, including patient records and 75243
patient record information, with law enforcement agencies, other 75244
licensing boards, and other governmental agencies that are 75245
prosecuting, adjudicating, or investigating alleged violations 75246
of statutes or administrative rules. An agency or board that 75247
receives the information shall comply with the same requirements 75248

regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

No person shall knowingly access, use, or disclose confidential investigatory information in a manner prohibited by law.

The report shall state how many cases are still pending 75281
and shall be prepared in a manner that protects the identity of 75282
each person involved in each case. The report shall be a public 75283
record under section 149.43 of the Revised Code. 75284

(7) The board may provide a status update regarding an 75285
investigation to a complainant on request if the board verifies 75286
the complainant's identity. 75287

(F) The board shall keep records of its proceedings and do 75288
other things as are necessary and proper to carry out and 75289
enforce the provisions of this chapter. 75290

This section does not authorize an individual who holds a 75368
limited permit issued under section 4761.05 of the Revised Code 75369
to request that the board place the individual's permit on 75370
retired status. 75371

classification of a cost described in division (C) of this 77171
section as a regulatory asset is not practical or that deferred 77172

Sec. 4909.172. (A) A waterworks company, or a sewage 77490
disposal system company, that is a public utility may file an 77491
application with the public utilities commission for approval to 77492
collect an infrastructure improvement surcharge, determined in 77493
accordance with this section, from customers located in the 77494
company's affected service areas and subject to affected 77495
schedules filed by the company under section 4905.32 of the 77496
Revised Code. The application shall be in such form and contain 77497
such information as the commission prescribes. At the time of 77498
filing, the company shall serve a copy of the application upon 77499
the chief executive of each municipal corporation, the board of 77500
township trustees of each township, and the board of county 77501
commissioners of each county in which affected customers are 77502
located. A company for which an infrastructure improvement 77503
surcharge is authorized under this section may file an 77504
application for another such surcharge not sooner than twelve 77505
months after the filing date of its most recent infrastructure 77506
improvement surcharge application. 77507

(B) The commission shall provide an opportunity for the 77508
filing of comments on an application filed under division (A) of 77509
this section. After considering those comments, the commission 77510
may authorize an infrastructure improvement surcharge for the 77511
company that is just and reasonable and is sufficient, but does 77512
not exceed, the revenue requirement necessary to do both of the 77513
following: 77514

(1) Cover such infrastructure plant costs of the company 77515
as are described in division (C) of this section, incurred after 77516
March 1, 2003, and before the date of filing, and not already 77517
reflected in the affected schedules filed by the company under 77518
section 4905.32 of the Revised Code; 77519

(2) Provide a fair and reasonable rate of return on the 77520
filing date valuation of that particular infrastructure plant. 77521

Each infrastructure improvement surcharge chargeable to 77522
each affected customer class within any single tariff of the 77523
company shall not exceed three per cent, for a sewage disposal 77524
system company, and four and one-quarter per cent, for a 77525
waterworks company, of the rates and charges applicable to the 77526
class and for the tariff in effect on the date the application 77527
was filed and, as to the allowed percentage increase, shall be 77528
uniform for each such class. The commission shall not authorize 77529
a company to have more than three infrastructure improvement 77530
surcharges for any single company tariff in effect at any time. 77531

Additionally, the commission shall not authorize an 77532
infrastructure improvement surcharge under this section if it 77533
determines that the surcharge causes the company to earn an 77534
excessive rate of return on its valuation under section 4909.15 77535
of the Revised Code. 77536

(C) For purposes of this section, a company's costs of 77537
infrastructure plant may include depreciation expenses. Such 77538
infrastructure plant may consist of the following capital 77539
improvements that the commission determines are prudent and used 77540
and useful in rendering public utility service and that are 77541
properly classified in the uniform system of accounts adopted by 77542
the National Association of Regulatory Utility Commissioners as 77543
identified in rule 4901:1-15-32 of the Administrative Code: 77544

(1) In the case of a waterworks company, replacement of an existing plant included in accounts 323, 324, 325, 326, 327, 328, 332, 342, 343, 345, 346, 347, and 348, as well as main extensions that eliminate dead ends to resolve documented water supply problems presenting significant health or safety issues to then existing customers, and main cleaning or relining;

(2) In the case of a sewage disposal system company, replacement of an existing plant included in accounts 352, 352.1, 352.2, 353, 354, 355, 356, 362, 363, 364, 365, 372, 373, 374, and 375, as well as main extensions that resolve documented sewage disposal problems presenting significant health or safety issues to then existing customers, and main cleaning, inflow and infiltration elimination, or relining;

(3) Unreimbursed capital expenditures made by the waterworks company, or the sewage disposal system company, for waterworks, or sewage disposal, facility relocation required by a governmental entity due to a street or highway project;

(4) Capital expenditures made by the waterworks company or sewage disposal system company to comply with any consent decree, final order, or final rule of the United States environmental protection agency or the Ohio environmental protection agency-;

(5) Minimum land or land rights acquired by the company as necessary for any service line, equipment, or facility described in divisions (C) (1) to (4) of this section.

As used in divisions (C) (1) and (2) of this section, "replacement of an existing plant" includes replacements that result in an upgrade or improvement of the previously existing plant, provided that the replacement plant is prudent, qualifies

for recovery under this section, and performs the same or 77574
similar function or purpose as it did prior to the replacement. 77575

(D) (1) If the commission fails to issue a final order 77576
within one hundred eighty days after the date the application is 77577
filed under this section, and at the waterworks or sewage 77578
disposal company's discretion, a surcharge not to exceed the 77579
proposed surcharge shall go into effect upon the filing of the 77580
revised affected rate schedules by the company, subject to 77581
refund of amounts collected that exceed those authorized by the 77582
final order of the commission. 77583

(2) All refunds shall include interest at the rate stated 77584
in section 1343.03 of the Revised Code and shall be accomplished 77585
in a manner as prescribed by the commission in its final order. 77586
The commission may require an undertaking to secure the refund 77587
under this division if it finds it is warranted by the financial 77588
condition of the waterworks or sewage disposal system company. 77589

(3) This division shall only apply to applications filed 77590
by a waterworks or sewage disposal system company that has 77591
annual operating revenues of two hundred fifty thousand dollars 77592
or more. 77593

(E) During the period that an authorized infrastructure 77594
improvement surcharge is in effect, the commission, by order and 77595
on its own motion or upon good cause shown, may reduce the 77596
amount of or terminate an infrastructure improvement surcharge 77597
if it determines that the surcharge causes the company to earn 77598
an excessive rate of return on its valuation under section 77599
4909.15 of the Revised Code. 77600

(F) An order issued by the commission deciding an 77601
application by a waterworks company or a sewage disposal system 77602

company for an increase in rates and charges pursuant to an 77603
application filed by the company under section 4909.18 of the 77604
Revised Code shall provide for the termination, as of the 77605
earlier of the effective date of the increase or the date 77606
specified in division (F) of this section, of any infrastructure 77607
improvement surcharges of the company authorized under this 77608
section. 77609

(G) All surcharges authorized under this section shall 77610
terminate by operation of law not later than December 31, 2036. 77611

(H) The company shall provide notice of any infrastructure 77612
improvement surcharge authorized under this section to each 77613
affected customer with or on the customer's first bill 77614
containing the surcharge. 77615

~~(I) The commission may adopt such rules as it considers 77616
necessary to carry out this section. 77617~~

Sec. 4921.25. (A) Any person, firm, copartnership, 77618
voluntary association, joint-stock association, company, or 77619

the Revised Code that do all of the following: 77625

(1) Establish the acceptable scope of public safety 77626
regulations applicable to a for-hire motor carrier engaged in 77627
the towing of motor vehicles under section 4513.60, 4513.601, or 77628
4513.61 of the Revised Code that a county or township may adopt 77629
pursuant to a resolution; 77630

(2) Establish safety standards for the type of equipment 77631

necessary to safely remove and tow vehicles based on the type of 77632
vehicle being removed or towed; 77633

(3) Establish standards for the removal of a vehicle from 77634
a private tow-away zone by a for-hire motor carrier engaged in 77635
the towing of motor vehicles in addition to standards and 77636
requirements established under section 4513.601 of the Revised 77637
Code. The standards may vary based on whether the private tow- 77638
away zone is located on residential, retail, or other commercial 77639
property. 77640

(4) Within one year of ~~the effective date of this~~ 77641
~~amendment~~ April 6, 2017, establish maximum fees that may be 77642
charged by a for-hire motor carrier engaged in the towing of 77643
motor vehicles or a storage facility that accepts such vehicles 77644
under sections 4513.60 and 4513.601 of the Revised Code. 77645

With respect to vehicles removed under section 4513.60 of 77646
the Revised Code, the fees established under division (B)(4) of 77647
this section do not apply to a vehicle that is removed or stored 77648

under division (B)(4) of this section every five years, 77652
beginning on the five-year anniversary of the date the initial 77653
rules are adopted, to determine whether the fees are just, 77654
reasonable, and compensatory. If the commission determines that 77655
any existing fee is not just, reasonable, or compensatory, the 77656
commission shall, by rule, adjust the fee so that it is equal to 77657
an amount that the commission determines to be appropriate. 77658

(6) Establish an after-hours retrieval fee that may be 77659
charged for purposes of retrieving a vehicle under section 77660

4513.69 of the Revised Code or retrieving personal items under 77661
section 4513.60 or 4513.61 of the Revised Code. The rules shall 77662
permit an after-hours retrieval fee to be charged only if the 77663
entity in possession of a vehicle is not open to the public and 77664
is not required to be open under division (A) of section 4513.69 77665
of the Revised Code. 77666

~~(7) Adopt any other rules necessary to carry out the 77667

conditions of telecommunications service provided to end users 77743
by a telephone company. 77744

(E) The commission shall initially adopt the rules 77745
required by this chapter not later than one hundred twenty days 77746
after September 13, 2010. Subject to the authority granted to 77747

the commission under this chapter, the commission may adopt 77748

~~chapter.~~ 77752

Sec. 4927.06. (A) No telephone company shall commit any 77753
unfair or deceptive act or practice in connection with the 77754
offering or provision of any telecommunications service in this 77755
state. A failure to comply with any of the following 77756
requirements shall constitute an unfair or deceptive act or 77757
practice by a telephone company: 77758

(1) Any communication by the company, including, but not 77759
limited to, a solicitation, offer, or contract term or 77760
condition, shall be truthful, clear, conspicuous, and accurate 77761
in disclosing any material terms and conditions of service and 77762
any material exclusions or limitations. The public utilities 77763
commission may prescribe, by rule, a commission review process 77764
to determine when disclosing such information is not 77765
practicable, and therefore nondisclosure does not result in an 77766
unfair or deceptive act or practice. 77767

(2) Any written service solicitation, marketing material, 77768
offer, contract, or agreement, as well as any written response 77769
from the company to a service-related inquiry or complaint that 77770
the company receives from a customer or others, shall disclose 77771
the company's name and contact information. The commission may 77772
prescribe, by rule, a commission review process to determine 77773
when disclosing such information is not practicable, and 77774
therefore nondisclosure does not result in an unfair or 77775
deceptive act or practice. 77776

(3) The company shall inform its customers, as applicable 77777

and in any reasonable manner, of their rights and 77778
responsibilities concerning inside wire, the repair and 77779
maintenance of customer-owned equipment, and the use of a 77780
network interface device, and of any charges that the company 77781
imposes for a diagnostic visit, consistent with rules adopted by 77782
the public utilities commission. 77783

(4) The company shall not commit any act, practice, or 77784
omission that the commission determines, by rulemaking ~~under~~ 77785
~~section 4927.03 of the Revised Code~~ or adjudication under 77786
section 4927.21 of the Revised Code, constitutes an unfair or 77787
deceptive act or practice in connection with the offering or 77788
provision of telecommunications service in this state. 77789

(B) The commission shall provide notice to all telephone 77790
companies specifying any act, practice, or omission that it 77791
prescribes pursuant to division (A) (4) of this section. No 77792
telephone company is liable for any act, practice, or omission 77793
absent that notice and adequate time for implementation. 77794

(C) This section does not apply to wireless service. A 77795
consumer purchase of wireless service or a related product shall 77796
constitute a consumer transaction for purposes of sections 77797
1345.01 to 1345.13 of the Revised Code, notwithstanding any 77798
provision of those sections to the contrary. 77799

Sec. 4928.06. (A) Beginning on the starting date of 77800
competitive retail electric service, the public utilities 77801
commission shall ensure that the policy specified in section 77802
4928.02 of the Revised Code is effectuated. ~~To the extent~~ 77803
~~necessary, the commission shall adopt rules to carry out this~~ 77804
~~chapter.~~ Initial rules necessary for the commencement of the 77805
competitive retail electric service under this chapter shall be 77806
adopted within one hundred eighty days after the effective date 77807

of this section. Except as otherwise provided in this chapter, 77808
the proceedings and orders of the commission under the chapter 77809
shall be subject to and governed by Chapter 4903. of the Revised 77810
Code. 77811

(B) If the commission determines, on or after the starting 77812
date of competitive retail electric service, that there is a 77813
decline or loss of effective competition with respect to a 77814
competitive retail electric service of an electric utility, 77815
which service was declared competitive by commission order 77816
issued pursuant to division (A) of section 4928.04 of the 77817
Revised Code, the commission shall ensure that that service is 77818
provided at compensatory, fair, and nondiscriminatory prices and 77819
terms and conditions. 77820

(C) In addition to its authority under section 4928.04 of 77821
the Revised Code and divisions (A) and (B) of this section, the 77822
commission, on an ongoing basis, shall monitor and evaluate the 77823
provision of retail electric service in this state for the 77824
purpose of discerning any noncompetitive retail electric service 77825
that should be available on a competitive basis on or after the 77826
starting date of competitive retail electric service pursuant to 77827
a declaration in the Revised Code, and for the purpose of 77828
discerning any competitive retail electric service that is no 77829
longer subject to effective competition on or after that date. 77830
Upon such evaluation, the commission periodically shall report 77831
its findings and any recommendations for legislation to the 77832
standing committees of both houses of the general assembly that 77833
have primary jurisdiction regarding public utility legislation. 77834

(D) In determining, for purposes of division (B) or (C) of 77835
this section, whether there is effective competition in the 77836
provision of a retail electric service or reasonably available 77837

alternatives for that service, the commission shall consider 77838
factors including, but not limited to, all of the following: 77839

(1) The number and size of alternative providers of that 77840
service; 77841

(2) The extent to which the service is available from 77842
alternative suppliers in the relevant market; 77843

(3) The ability of alternative suppliers to make 77844
functionally equivalent or substitute services readily available 77845
at competitive prices, terms, and conditions; 77846

(4) Other indicators of market power, which may include 77847
market share, growth in market share, ease of entry, and the 77848
affiliation of suppliers of services. 77849

The burden of proof shall be on any entity requesting, 77850
under division (B) or (C) of this section, a determination by 77851
the commission of the existence of or a lack of effective 77852
competition or reasonably available alternatives. 77853

(E) (1) Beginning on the starting date of competitive 77854
retail electric service, the commission has authority under 77855
Chapters 4901. to 4909. of the Revised Code, and shall exercise 77856
that authority, to resolve abuses of market power by any 77857
electric utility that interfere with effective competition in 77858
the provision of retail electric service. 77859

(2) In addition to the commission's authority under 77860
division (E) (1) of this section, the commission, beginning the 77861
first year after the market development period of a particular 77862
electric utility and after reasonable notice and opportunity for 77863
hearing, may take such measures within a transmission 77864
constrained area in the utility's certified territory as are 77865
necessary to ensure that retail electric generation service is 77866

provided at reasonable rates within that area. The commission 77867
may exercise this authority only upon findings that an electric 77868
utility is or has engaged in the abuse of market power and that 77869
that abuse is not adequately mitigated by rules and practices of 77870
any independent transmission entity controlling the transmission 77871
facilities. Any such measure shall be taken only to the extent 77872
necessary to protect customers in the area from the particular 77873
abuse of market power and to the extent the commission's 77874
authority is not preempted by federal law. The measure shall 77875
remain in effect until the commission, after reasonable notice 77876
and opportunity for hearing, determines that the particular 77877
abuse of market power has been mitigated. 77878

(F) An electric utility, electric services company, 77879
electric cooperative, or governmental aggregator subject to 77880
certification under section 4928.08 of the Revised Code shall 77881
provide the commission with such information, regarding a 77882
competitive retail electric service for which it is subject to 77883
certification, as the commission considers necessary to carry 77884
out this chapter. An electric utility shall provide the 77885
commission with such information as the commission considers 77886
necessary to carry out divisions (B) to (E) of this section. The 77887
commission shall take such measures as it considers necessary to 77888
protect the confidentiality of any such information. 77889

The commission shall require each electric utility to file 77890
with the commission on and after the starting date of 77891
competitive retail electric service an annual report of its 77892
intrastate gross receipts and sales of kilowatt hours of 77893
electricity, and shall require each electric services company, 77894
electric cooperative, and governmental aggregator subject to 77895
certification to file an annual report on and after that 77896
starting date of such receipts and sales from the provision of 77897

those retail electric services for which it is subject to 77898
certification. For the purpose of the reports, sales of kilowatt 77899
hours of electricity are deemed to occur at the meter of the 77900
retail customer. 77901

Sec. 4928.10. For the protection of consumers in this 77902
state, the public utilities commission shall adopt rules ~~under~~ 77903
~~division (A) of section 4928.06 of the Revised Code~~ specifying 77904
the necessary minimum service requirements, on or after the 77905
starting date of competitive retail electric service, of an 77906
electric utility, electric services company, electric 77907
cooperative, or governmental aggregator subject to certification 77908
under section 4928.08 of the Revised Code regarding the 77909
provision directly or through its billing and collection agent 77910
of competitive retail electric services for which it is subject 77911
to certification. Rules adopted under this section shall include 77912
a prohibition against unfair, deceptive, and unconscionable acts 77913
and practices in the marketing, solicitation, and sale of such a 77914
competitive retail electric service and in the administration of 77915
any contract for service, and also shall include additional 77916
consumer protections concerning all of the following: 77917

(A) Contract disclosure. The rules shall include 77918
requirements that an electric utility, electric services 77919
company, electric cooperative, or governmental aggregator 77920
subject to certification under section 4928.08 of the Revised 77921
Code do both of the following: 77922

(1) Provide consumers with adequate, accurate, and 77923
understandable pricing and terms and conditions of service, 77924
including any switching fees, and with a document containing the 77925
terms and conditions of pricing and service before the consumer 77926
enters into the contract for service; 77927

(2) Disclose the conditions under which a customer may rescind a contract without penalty. 77928
77929

(B) Service termination. The rules shall include disclosure of the terms identifying how customers may switch or terminate service, including any required notice and any penalties. 77930
77931
77932
77933

(C) Minimum content of customer bills. The rules shall include all of the following requirements, which shall be standardized: 77934
77935
77936

(1) Price disclosure and disclosures of total billing units for the billing period and historical annual usage; 77937
77938

(2) To the maximum extent practicable, separate listing of each service component to enable a customer to recalculate its bill for accuracy; 77939
77940
77941

(3) Identification of the supplier of each service; 77942

(4) Statement of where and how payment may be made and provision of a toll-free or local customer assistance and complaint number for the electric utility, electric services company, electric cooperative, or governmental aggregator, as well as a consumer assistance telephone number or numbers for state agencies, such as the commission, the office of the consumers' counsel, and the attorney general's office, with the available hours noted; 77943
77944
77945
77946
77947
77948
77949
77950

(5) Other than for the first billing after the starting date of competitive retail electric service, highlighting and clear explanation on each customer bill, for two consecutive billing periods, of any changes in the rates, terms, and conditions of service. 77951
77952
77953
77954
77955

(D) Disconnection and service termination, including 77956
requirements with respect to master-metered buildings. The rules 77957
shall include policies and procedures that are consistent with 77958
sections 4933.121 and 4933.122 of the Revised Code and the 77959
commission's rules adopted under those sections, and that 77960
provide for all of the following: 77961

(1) Coordination between suppliers for the purpose of 77962
maintaining service; 77963

(2) The allocation of partial payments between suppliers 77964
when service components are jointly billed; 77965

(3) A prohibition against blocking, or authorizing the 77966
blocking of, customer access to a noncompetitive retail electric 77967
service when a customer is delinquent in payments to the 77968
electric utility or electric services company for a competitive 77969
retail electric service; 77970

(4) A prohibition against switching, or authorizing the 77971
switching of, a customer's supplier of competitive retail 77972
electric service without the prior consent of the customer in 77973
accordance with appropriate confirmation practices, which may 77974
include independent, third-party verification procedures. 77975

(5) A requirement of disclosure of the conditions under 77976
which a customer may rescind a decision to switch its supplier 77977
without penalty; 77978

(6) Specification of any required notice and any penalty 77979
for early termination of contract. 77980

(E) Minimum service quality, safety, and reliability. 77981
However, service quality, safety, and reliability requirements 77982
for electric generation service shall be determined primarily 77983
through market expectations and contractual relationships. 77984

(F) Generation resource mix and environmental characteristics of power supplies. The rules shall include requirements for determination of the approximate generation resource mix and environmental characteristics of the power supplies and disclosure to the customer prior to the customer entering into a contract to purchase and four times per year under the contract. The rules also shall require that the electric utility, electric services company, electric cooperative, or governmental aggregator provide, or cause its billing and collection agent to provide, a customer with standardized information comparing the projected, with the actual and verifiable, resource mix and environmental characteristics. This disclosure shall occur not less than annually or not less than once during the contract period if the contract period is less than one year, and prior to any renewal of a contract.

(G) Customer information. The rules shall include requirements that the electric utility, electric services company, electric cooperative, or governmental aggregator make generic customer load pattern information available to other electric light companies on a comparable and nondiscriminatory basis, and make customer-specific information available to other electric light companies on a comparable and nondiscriminatory basis unless, as to customer-specific information, the customer objects. The rules shall ensure that each such utility, company, cooperative, or aggregator provide clear and frequent notice to its customers of the right to object and of applicable procedures. The rules shall establish the exact language that shall be used in all such notices.

Sec. 4928.11. (A) For the protection of consumers in this state, the public utilities commission shall adopt rules ~~under~~

~~division (A) of section 4928.06 of the Revised Code~~ that specify 78016
minimum service quality, safety, and reliability requirements 78017
for noncompetitive retail electric services supplied by an 78018
electric utility in this state, to the extent such authority is 78019
not preempted by federal law. The rules shall include 78020
prescriptive standards for inspection, maintenance, repair, and 78021
replacement of the transmission and distribution systems of 78022
electric utilities; shall apply to each substantial type of 78023
transmission or distribution equipment or facility; shall 78024
establish uniform interconnection standards to ensure 78025
transmission and distribution system safety and reliability and 78026
shall otherwise provide for high quality, safe, and reliable 78027
electric service; shall include standards for operation, 78028
reliability, and safety during periods of emergency and 78029
disaster; and shall include voltage standards for efficient 78030
operation of single-phase motors. The rules regarding 78031
interconnection shall seek to prevent barriers to new technology 78032
and shall not make compliance unduly burdensome or expensive. 78033
When questions arise about specific equipment to meet 78034
interconnection standards, the commission shall initiate 78035
proceedings open to the public to solicit comments from all 78036
interested parties. Additionally, rules under this division 78037
shall include nondiscriminatory metering standards. 78038

(B) The commission shall require each electric utility to 78039
report annually to the commission on and after the starting date 78040
of competitive retail electric service, regarding its compliance 78041
with the rules required under division (A) of this section. The 78042
commission shall make the filed reports available to the public. 78043
Periodically as determined by commission rule ~~under division (A)~~ 78044
~~of section 4928.06 of the Revised Code~~ and in a proceeding 78045
initiated under division (B) of section 4928.16 of the Revised 78046

Code, the commission shall review a utility's report to 78047
determine the utility's compliance and may act pursuant to 78048
division (B) of section 4928.16 of the Revised Code to enforce 78049
compliance. 78050

Sec. 4928.12. (A) Except as otherwise provided in sections 78051
4928.31 to 4928.40 of the Revised Code, no entity shall own or 78052
control transmission facilities as defined under federal law and 78053
located in this state on or after the starting date of 78054
competitive retail electric service unless that entity is a 78055
member of, and transfers control of those facilities to, one or 78056
more qualifying transmission entities, as described in division 78057
(B) of this section, that are operational. 78058

(B) An entity that owns or controls transmission 78059
facilities located in this state complies with division (A) of 78060
this section if each transmission entity of which it is a member 78061
meets all of the following specifications: 78062

(1) The transmission entity is approved by the federal 78063
energy regulatory commission. 78064

(2) The transmission entity effects separate control of 78065
transmission facilities from control of generation facilities. 78066

(3) The transmission entity implements, to the extent 78067
reasonably possible, policies and procedures designed to 78068
minimize pancaked transmission rates within this state. 78069

(4) The transmission entity improves service reliability 78070
within this state. 78071

(5) The transmission entity achieves the objectives of an 78072
open and competitive electric generation marketplace, 78073
elimination of barriers to market entry, and preclusion of 78074
control of bottleneck electric transmission facilities in the 78075

provision of retail electric service. 78076

(6) The transmission entity is of sufficient scope or 78077
otherwise operates to substantially increase economical supply 78078
options for consumers. 78079

(7) The governance structure or control of the 78080
transmission entity is independent of the users of the 78081
transmission facilities, and no member of its board of directors 78082
has an affiliation, with such a user or with an affiliate of a 78083
user during the member's tenure on the board, such as to unduly 78084
affect the transmission entity's performance. For the purpose of 78085
division (B) (7) of this section, a "user" is any entity or 78086
affiliate of that entity that buys or sells electric energy in 78087
the transmission entity's region or in a neighboring region. 78088

(8) The transmission entity operates under policies that 78089
promote positive performance designed to satisfy the electricity 78090
requirements of customers. 78091

(9) The transmission entity is capable of maintaining 78092
real-time reliability of the electric transmission system, 78093
ensuring comparable and nondiscriminatory transmission access 78094
and necessary services, minimizing system congestion, and 78095
further addressing real or potential transmission constraints. 78096

(C) To the extent that a transmission entity under 78097
division (A) of this section is authorized to build transmission 78098
facilities, that transmission entity has the powers provided in 78099
and is subject to sections 1723.01 to 1723.08 of the Revised 78100
Code. 78101

(D) For the purpose of forming or participating in a 78102
regional regulatory oversight body or mechanism developed for 78103
any transmission entity under division (A) of this section that 78104

is of regional scope and operates within this state: 78105

(1) The commission shall make joint investigations, hold 78106
joint hearings, within or outside this state, and issue joint or 78107
concurrent orders in conjunction or concurrence with any 78108
official or agency of any state or of the United States, whether 78109
in the holding of those investigations or hearings, or in the 78110
making of those orders, the commission is functioning under 78111
agreements or compacts between states, under the concurrent 78112
power of states to regulate interstate commerce, as an agency of 78113
the United States, or otherwise. 78114

(2) The commission shall negotiate and enter into 78115
agreements or compacts with agencies of other states for 78116
cooperative regulatory efforts and for the enforcement of the 78117
respective state laws regarding the transmission entity. 78118

(E) If a qualifying transmission entity is not operational 78119
as contemplated in division (A) of this section, division ~~(A)~~ 78120
~~(13)~~ (12) of section 4928.34 of the Revised Code, or division 78121
(G) of section 4928.35 of the Revised Code, the commission by 78122
rule or order shall take such measures or impose such 78123
requirements on all for-profit entities that own or control 78124
electric transmission facilities located in this state as the 78125
commission determines necessary and proper to achieve 78126
independent, nondiscriminatory operation of, and separate 78127
ownership and control of, such electric transmission facilities 78128
on or after the starting date of competitive retail electric 78129
service. 78130

Sec. 4928.13. Through a periodic filing with the public 78131
utilities commission in such form as the commission shall 78132
prescribe by rule ~~under division (A) of section 4928.06 of the~~ 78133
~~Revised Code~~, each electric utility that owns nuclear generation 78134

facilities located in this state shall demonstrate compliance 78135
with decommissioning requirements of the nuclear regulatory 78136
commission and public utilities commission and shall demonstrate 78137
adequate financing mechanisms to fund facility decommissioning. 78138

Sec. 4928.14. (A) Except as provided in division (C) of 78139
this section, the failure of a supplier to provide retail 78140
electric generation service to customers within the certified 78141
territory of an electric distribution utility shall result in 78142
the supplier's customers, after reasonable notice, defaulting to 78143
the utility's standard service offer under sections 4928.141 and 78144
4928.142 of the Revised Code until the customer chooses an 78145
alternative supplier. 78146

(B) A supplier is deemed under this section to have failed 78147
to provide retail electric generation service if the commission 78148
finds, after reasonable notice and opportunity for hearing, that 78149
any of the following conditions are met: 78150

(1) The supplier has defaulted on its contracts with 78151
customers, is in receivership, or has filed for bankruptcy. 78152

(2) The supplier is no longer capable of providing the 78153
service. 78154

(3) The supplier is unable to provide delivery to 78155
transmission or distribution facilities for such period of time 78156
as may be reasonably specified by commission rule ~~adopted under~~ 78157
~~division (A) of section 4928.06 of the Revised Code.~~ 78158

(4) The supplier's certification has been suspended, 78159
conditionally rescinded, or rescinded under division (D) of 78160
section 4928.08 of the Revised Code. 78161

(C) If an electric distribution utility has an electric 78162
security plan that was approved under section 4928.143 of the 78163

Revised Code as that section existed prior to the amendments to 78164
this section by ~~this act~~ H.B. 15 of the 136th general assembly, 78165
the failure of a supplier to provide retail electric generation 78166
service to customers within the certified territory of that 78167
utility shall result in the supplier's customers, after 78168
reasonable notice, defaulting to the utility's standard service 78169
offer under that electric security plan until the customer 78170
chooses an alternative supplier or until the utility's standard 78171
service offer is authorized under section 4928.142 of the 78172
Revised Code. 78173

Sec. 4928.16. (A) (1) The public utilities commission has 78174
jurisdiction under section 4905.26 of the Revised Code, upon 78175
complaint of any person or upon complaint or initiative of the 78176
commission on or after the starting date of competitive retail 78177
electric service, regarding the provision by an electric 78178
utility, electric services company, electric cooperative, or 78179
governmental aggregator subject to certification under section 78180
4928.08 of the Revised Code of any service for which it is 78181
subject to certification. 78182

(2) The commission also has jurisdiction under section 78183
4905.26 of the Revised Code, upon complaint of any person or 78184
upon complaint or initiative of the commission on or after the 78185
starting date of competitive retail electric service, to 78186
determine whether an electric utility has violated or failed to 78187
comply with any provision of sections 4928.01 to 4928.15, any 78188
provision of divisions (A) to (D) of section 4928.35 of the 78189
Revised Code, or any rule or order adopted or issued under those 78190
sections; or whether an electric services company, electric 78191
cooperative, or governmental aggregator subject to certification 78192
under section 4928.08 of the Revised Code has violated or failed 78193
to comply with any provision of sections 4928.01 to 4928.10 of 78194

the Revised Code regarding a competitive retail electric service 78195
for which it is subject to certification or any rule or order 78196
adopted or issued under those sections. 78197

(3) If a contract between a mercantile commercial customer 78198
and an electric services company states that the forum for a 78199
commercial dispute involving that company is through a certified 78200
commercial arbitration process, that process set forth in the 78201
contract and agreed to by the signatories shall be the exclusive 78202
forum unless all parties to the contract agree in writing to an 78203
amended process. The company shall notify the commission for 78204
informational purposes of all matters for which a contract 78205
remedy is invoked to resolve a dispute. 78206

(4) The commission, by rule ~~adopted pursuant to division~~ 78207
~~(A) of section 4928.06 of the Revised Code~~, shall adopt 78208
alternative dispute resolution procedures for complaints by 78209
nonmercantile, nonresidential customers, including arbitration 78210
through a certified commercial arbitration process and at the 78211
commission. The commission also by such rule may adopt 78212
alternative dispute resolution procedures for complaints by 78213
residential customers. 78214

(B) In addition to its authority under division (C) of 78215
section 4928.08 of the Revised Code and to any other remedies 78216
provided by law, the commission, after reasonable notice and 78217
opportunity for hearing in accordance with section 4905.26 of 78218
the Revised Code, may do any of the following: 78219

(1) Order rescission of a contract, or restitution to 78220
customers including damages due to electric power fluctuations, 78221
in any complaint brought pursuant to division (A)(1) or (2) of 78222
this section; 78223

(2) Order any remedy or forfeiture provided under sections 78224
4905.54 to 4905.60 and 4905.64 of the Revised Code upon a 78225
finding under division (A) (2) of this section that the electric 78226
utility has violated or failed to comply with any provision of 78227
sections 4928.01 to 4928.15, any provision of divisions (A) to 78228
(D) of section 4928.35 of the Revised Code, or any rule or order 78229
adopted or issued under those sections. in addition, the 78230
commission may order any remedy provided under section 4905.22, 78231
4905.37, or 4905.38 of the Revised Code if the violation or 78232
failure to comply by an electric utility related to the 78233
provision of a noncompetitive retail electric service. 78234

(3) Order any remedy or forfeiture provided under sections 78235
4905.54 to 4905.60 and 4905.64 of the Revised Code upon a 78236
finding under division (A) (2) of this section that the electric 78237
services company, electric cooperative, or governmental 78238
aggregator subject to certification under section 4928.08 of the 78239
Revised Code has violated or failed to comply, regarding a 78240
competitive retail electric service for which it is subject to 78241
certification, with any provision of sections 4928.01 to 4928.10 78242
of the Revised Code or any rule or order adopted or issued under 78243
those sections. 78244

(C) (1) In addition to the authority conferred under 78245
section 4911.15 of the Revised Code, the consumers' counsel may 78246
file a complaint under division (A) (1) or (2) of this section on 78247
behalf of residential consumers in this state or appear before 78248
the commission as a representative of those consumers pursuant 78249
to any complaint filed under division (A) (1) or (2) of this 78250
section. 78251

(2) In addition to the authority conferred under section 78252
4911.19 of the Revised Code, the consumers' counsel, upon 78253

reasonable grounds on and after the starting date of competitive retail electric service, may file with the commission under section 4905.26 of the Revised Code a complaint for discovery if the recipient of an inquiry under section 4911.19 of the Revised Code fails to provide a response within the time specified in that section.

(D) Section 4905.61 of the Revised Code applies to a violation by an electric utility of, or to a failure of an electric utility to comply with, any provision of sections 4928.01 to 4928.15, any provision of divisions (A) to (D) of section 4928.35 of the Revised Code, or any rule or order adopted or issued under those sections.

Sec. 4928.17. (A) Except as otherwise provided in sections 4928.141 or 4928.142 or 4928.31 to 4928.40 of the Revised Code, no electric utility shall engage in this state, either directly or through an affiliate, in the businesses of supplying a noncompetitive retail electric service and supplying a product or service other than retail electric service, unless the utility implements and operates under a corporate separation plan that is approved by the public utilities commission under this section, is consistent with the policy specified in section 4928.02 of the Revised Code, and achieves all of the following:

(1) The plan provides, at minimum, for the provision of the nonelectric product or service through a fully separated affiliate of the utility, and the plan includes separate accounting requirements, the code of conduct as ordered by the commission pursuant to a rule it shall adopt ~~under division (A) of section 4928.06 of the Revised Code,~~ and such other measures as are necessary to effectuate the policy specified in section 4928.02 of the Revised Code.

(2) The plan satisfies the public interest in preventing 78284
the abuse of market power. 78285

(3) The plan is sufficient to ensure that the utility will 78286
not extend any undue preference or advantage to any affiliate, 78287
division, or part of its own business engaged in the business of 78288
supplying the nonelectric product or service, including, but not 78289
limited to, utility resources such as trucks, tools, office 78290
equipment, office space, supplies, customer and marketing 78291
information, advertising, billing and mailing systems, 78292
personnel, and training, without compensation based upon fully 78293
loaded embedded costs charged to the affiliate; and to ensure 78294
that any such affiliate, division, or part will not receive 78295
undue preference or advantage from any affiliate, division, or 78296
part of the business engaged in business of supplying the 78297
noncompetitive retail electric service. No such utility, 78298
affiliate, division, or part shall extend such undue preference. 78299

(B) The commission may approve, modify and approve, or 78300
disapprove a corporate separation plan filed with the commission 78301
under division (A) of this section. As part of the code of 78302
conduct required under division (A) (1) of this section, the 78303
commission shall adopt rules ~~pursuant to division (A) of section~~ 78304
~~4928.06 of the Revised Code~~ regarding corporate separation and 78305
procedures for plan filing and approval. The rules shall include 78306
limitations on affiliate practices solely for the purpose of 78307
maintaining a separation of the affiliate's business from the 78308
business of the utility to prevent abuse of market power by 78309
virtue of that relationship. The rules also shall include an 78310
opportunity for any person having a real and substantial 78311
interest in the corporate separation plan to file specific 78312
objections to the plan and propose specific responses to issues 78313
raised in the objections, which objections and responses the 78314

commission shall address in its final order. Prior to commission 78315
approval of the plan, the commission shall afford a hearing upon 78316
those aspects of the plan that the commission determines 78317
reasonably require a hearing. The commission may reject and 78318
require refiling of a substantially inadequate plan under this 78319
section. 78320

(C) The commission shall issue an order approving or 78321
modifying and approving a corporate separation plan under this 78322
section, to be effective on the date specified in the order, 78323
only upon findings that the plan reasonably complies with the 78324
requirements of division (A) of this section and will provide 78325
for ongoing compliance with the policy specified in section 78326
4928.02 of the Revised Code. However, for good cause shown, the 78327
commission may issue an order approving or modifying and 78328
approving a corporate separation plan under this section that 78329
does not comply with division (A) (1) of this section but 78330
complies with such functional separation requirements as the 78331
commission authorizes to apply for an interim period prescribed 78332
in the order, upon a finding that such alternative plan will 78333
provide for ongoing compliance with the policy specified in 78334
section 4928.02 of the Revised Code. 78335

(D) Any party may seek an amendment to a corporate 78336
separation plan approved under this section, and the commission, 78337
pursuant to a request from any party or on its own initiative, 78338
may order as it considers necessary the filing of an amended 78339
corporate separation plan to reflect changed circumstances. 78340

Sec. 4928.31. (A) Not later than ninety days after the 78341
effective date of this section, an electric utility supplying 78342
retail electric service in this state on that date shall file 78343
with the public utilities commission a plan for the utility's 78344

provision of retail electric service in this state during the 78345
market development period. This transition plan shall be in such 78346
form as the commission shall prescribe by rule ~~adopted under~~ 78347
~~division (A) of section 4928.06 of the Revised Code~~ and shall 78348
include all of the following: 78349

(1) A rate unbundling plan that specifies, consistent with 78350
divisions (A) (1) to ~~(7)~~(6) of section 4928.34 of the Revised 78351
~~Code and any rules adopted by the commission under division (A)~~ 78352
~~of section 4928.06 of the Revised Code, the unbundles~~ unbundled 78353
components for electric generation, transmission, and 78354
distribution service and such other unbundled service components 78355
as the commission requires, to be charged by the utility 78356
beginning on the starting date of competitive retail electric 78357
service and that includes information the commission requires to 78358
fix and determine those components; 78359

(2) A corporate separation plan consistent with section 78360
4928.17 of the Revised Code ~~and any rules adopted by the~~ 78361
~~commission under division (A) of section 4928.06 of the Revised~~ 78362
~~Code;~~ 78363

(3) Such plan or plans as the commission requires to 78364
address operational support systems and any other technical 78365
implementation issues pertaining to competitive retail electric 78366
service ~~consistent with any rules adopted by the commission~~ 78367
~~under division (A) of section 4928.06 of the Revised Code;~~ 78368

(4) An employee assistance plan for providing severance, 78369
retraining, early retirement, retention, outplacement, and other 78370
assistance for the utility's employees whose employment is 78371
affected by electric industry restructuring under this chapter; 78372

(5) A consumer education plan consistent with former 78373

section 4928.42 of the Revised Code ~~and any rules adopted by the~~ 78374
~~commission under division (A) of section 4928.06 of the Revised~~ 78375
~~Code.~~ 78376

A transition plan under this section may include tariff 78377
terms and conditions to address reasonable requirements for 78378
changing suppliers, length of commitment by a customer for 78379
service, and such other matters as are necessary to accommodate 78380
electric restructuring. Additionally, a transition plan under 78381
this section may include an application for the opportunity to 78382
receive transition revenues as authorized under sections 4928.31 78383
to 4928.40 of the Revised Code, which application shall be 78384
consistent with those sections ~~and any rules adopted by the~~ 78385
~~commission under division (A) of section 4928.06 of the Revised~~ 78386
~~Code.~~ The transition plan also may include a plan for the 78387
independent operation of the utility's transmission facilities 78388
consistent with section 4928.12 of the Revised Code, and 78389
division ~~(A) (13)~~ (A) (12) of section 4928.34 of the Revised Code, ~~and~~ 78390
~~and any rules adopted by the commission under division (A) of~~ 78391
~~section 4928.06 of the Revised Code.~~ 78392

The commission may reject and require refileing, in whole 78393
or in part, of any substantially inadequate transition plan. 78394

(B) The electric utility shall provide public notice of 78395
its filing under division (A) of this section, in a form and 78396
manner that the commission shall prescribe by rule adopted under 78397
division (A) of section 4928.06 of the Revised Code. However, 78398
the adoption of rules regarding the public notice under this 78399
division, regarding the form of the transition plan under 78400
division (A) of this section, and regarding procedures for 78401
expedited discovery under division (A) of section 4928.32 of the 78402
Revised Code are not subject to division (D) of section 111.15 78403

of the Revised Code. 78404

Sec. 4928.34. (A) The public utilities commission shall 78405
not approve or prescribe a transition plan under division (A) or 78406
(B) of section 4928.33 of the Revised Code unless the commission 78407
first makes all of the following determinations: 78408

(1) The unbundled components for the electric transmission 78409
component of retail electric service, as specified in the 78410
utility's rate unbundling plan required by division (A)(1) of 78411
section 4928.31 of the Revised Code, equal the tariff rates 78412
determined by the federal energy regulatory commission that are 78413
in effect on the date of the approval of the transition plan 78414
under sections 4928.31 to 4928.40 of the Revised Code, as each 78415
such rate is determined applicable to each particular customer 78416
class and rate schedule by the commission. The unbundled 78417
transmission component shall include a sliding scale of charges 78418
under division (B) of section 4905.31 of the Revised Code to 78419
ensure that refunds determined or approved by the federal energy 78420
regulatory commission are flowed through to retail electric 78421
customers. 78422

(2) The unbundled components for retail electric 78423
distribution service in the rate unbundling plan equal the 78424
difference between the costs attributable to the utility's 78425
transmission and distribution rates and charges under its 78426
schedule of rates and charges in effect on the effective date of 78427
this section, based upon the record in the most recent rate 78428
proceeding of the utility for which the utility's schedule was 78429
established, and the tariff rates for electric transmission 78430
service determined by the federal energy regulatory commission 78431
as described in division (A)(1) of this section. 78432

(3) All other unbundled components required by the 78433

commission in the rate unbundling plan equal the costs 78434
attributable to the particular service as reflected in the 78435
utility's schedule of rates and charges in effect on the 78436
effective date of this section. 78437

(4) The unbundled components for retail electric 78438
generation service in the rate unbundling plan equal the 78439
residual amount remaining after the determination of the 78440
transmission, distribution, and other unbundled components, and 78441
after any adjustments necessary to reflect the effects of the 78442
amendment of section 5727.111 of the Revised Code by Sub. S.B. 78443
No. 3 of the 123rd general assembly. 78444

(5) All unbundled components in the rate unbundling plan 78445
have been adjusted to reflect any base rate reductions on file 78446
with the commission and as scheduled to be in effect by December 78447
31, 2005, under rate settlements in effect on the effective date 78448
of this section. However, all earnings obligations, 78449
restrictions, or caps imposed on an electric utility in a 78450
commission order prior to the effective date of this section are 78451
void. 78452

(6) Subject to division (A)(5) of this section, the total 78453
of all unbundled components in the rate unbundling plan are 78454
capped and shall equal during the market development period, 78455
except as specifically provided in this chapter, the total of 78456
all rates and charges in effect under the applicable bundled 78457
schedule of the electric utility pursuant to section 4905.30 of 78458
the Revised Code in effect on the day before the effective date 78459
of this section, including the transition charge determined 78460
under section 4928.40 of the Revised Code, adjusted for any 78461
changes in the taxation of electric utilities and retail 78462
electric service under Sub. S.B. No. 3 of the 123rd General 78463

Assembly and the percentage of income payment plan rider 78464
authorized by section 4928.52 of the Revised Code. For the 78465
purpose of this division, the rate cap applicable to a customer 78466
receiving electric service pursuant to an arrangement approved 78467
by the commission under section 4905.31 of the Revised Code is, 78468
for the term of the arrangement, the total of all rates and 78469
charges in effect under the arrangement. For any rate schedule 78470
filed pursuant to section 4905.30 of the Revised Code or any 78471
arrangement subject to approval pursuant to section 4905.31 of 78472
the Revised Code, the initial tax-related adjustment to the rate 78473
cap required by this division shall be equal to the rate of 78474
taxation specified in section 5727.81 of the Revised Code and 78475
applicable to the schedule or arrangement. To the extent such 78476
total annual amount of the tax-related adjustment is greater 78477
than or less than the comparable amount of the total annual tax 78478
reduction experienced by the electric utility as a result of the 78479
provisions of Sub. S.B. No. 3 of the 123rd general assembly, 78480
such difference shall be addressed by the commission through 78481
accounting procedures, refunds, or an annual surcharge or credit 78482
to customers, or through other appropriate means, to avoid 78483
placing the financial responsibility for the difference upon the 78484
electric utility or its shareholders. Any adjustments in the 78485
rate of taxation specified in section 5727.81 of the Revised 78486
Code shall not occur without a corresponding adjustment to the 78487
rate cap for each such rate schedule or arrangement. The 78488
department of taxation shall advise the commission and self- 78489
assessors under section 5727.81 of the Revised Code prior to the 78490
effective date of any change in the rate of taxation specified 78491
under that section, and the commission shall modify the rate cap 78492
to reflect that adjustment so that the rate cap adjustment is 78493
effective as of the effective date of the change in the rate of 78494
taxation. This division shall be applied, to the extent 78495

possible, to eliminate any increase in the price of electricity 78496
for customers that otherwise may occur as a result of 78497
establishing the taxes contemplated in section 5727.81 of the 78498
Revised Code. 78499

~~(7) The rate unbundling plan complies with any rules 78500
adopted by the commission under division (A) of section 4928.06 78501
of the Revised Code. 78502~~

~~(8) The corporate separation plan required by division (A) 78503
(2) of section 4928.31 of the Revised Code complies with section 78504
4928.17 of the Revised Code and any rules adopted by the 78505
commission under division (A) of section 4928.06 of the Revised 78506
Code. 78507~~

~~(9)~~ (8) Any plan or plans the commission requires to 78508
address operational support systems and any other technical 78509
implementation issues pertaining to competitive retail electric 78510
service comply with ~~any rules adopted by the commission under 78511
division (A) of section 4928.06 of the Revised Code~~ requirements. 78512

~~(10)~~ (9) The employee assistance plan required by division 78513
(A) (4) of section 4928.31 of the Revised Code sufficiently 78514
provides severance, retraining, early retirement, retention, 78515
outplacement, and other assistance for the utility's employees 78516
whose employment is affected by electric industry restructuring 78517
under this chapter. 78518

~~(11)~~ (10) The consumer education plan required under 78519
division (A) (5) of section 4928.31 of the Revised Code complies 78520
with former section 4928.42 of the Revised Code and any rules 78521
adopted by the commission under division (A) of section 4928.06 78522
of the Revised Code. 78523

~~(12)~~ (11) The transition revenues for which an electric 78524

utility is authorized a revenue opportunity under sections 78525
4928.31 to 4928.40 of the Revised Code are the allowable 78526
transition costs of the utility as such costs are determined by 78527
the commission pursuant to section 4928.39 of the Revised Code, 78528
and the transition charges for the customer classes and rate 78529
schedules of the utility are the charges determined pursuant to 78530
section 4928.40 of the Revised Code. 78531

~~(13)~~ (12) Any independent transmission plan included in the 78532
transition plan filed under section 4928.31 of the Revised Code 78533

~~any rules adopted by the commission under division (A) of~~ 78535
~~section 4928.06 of the Revised Code~~, unless the commission, for 78536
good cause shown, authorizes the utility to defer compliance 78537
until an order is issued under division (G) of section 4928.35 78538
of the Revised Code. 78539

~~(14)~~ (13) The utility is in compliance with sections 78540
4928.01 to 4928.11 of the Revised Code and any rules or orders 78541
of the commission adopted or issued under those sections. 78542

~~(15)~~ (14) All unbundled components in the rate unbundling 78543
plan have been adjusted to reflect the elimination of the tax on 78544
gross receipts imposed by section 5727.30 of the Revised Code. 78545

In addition, a transition plan approved by the commission 78546
under section 4928.33 of the Revised Code but not containing an 78547
approved independent transmission plan shall contain the express 78548
conditions that the utility will comply with an order issued 78549
under division (G) of section 4928.35 of the Revised Code. 78550

(B) If the commission finds that any part of the 78551
transition plan would constitute an abandonment under sections 78552
4905.20 and 4905.21 of the Revised Code, the commission shall 78553

not approve that part of the transition plan unless it makes the finding required for approval of an abandonment application under section 4905.21 of the Revised Code. Sections 4905.20 and 4905.21 of the Revised Code otherwise shall not apply to a transition plan under sections 4928.31 to 4928.40 of the Revised Code.

Sec. 4928.35. (A) Upon approval of its transition plan under sections 4928.31 to 4928.40 of the Revised Code, an electric utility shall file in accordance with section 4905.30 of the Revised Code schedules containing the unbundled rate components set in the approved plan in accordance with section 4928.34 of the Revised Code. The schedules shall be in effect for the duration of the utility's market development period, shall be subject to the cap specified in division (A) (6) of section 4928.34 of the Revised Code, and shall not be adjusted during that period by the public utilities commission except as otherwise authorized by division (B) of this section or as otherwise authorized by federal law or except to reflect any change in tax law or tax regulation that has a material effect on the electric utility.

(B) Efforts shall be made to reach agreements with electric utilities in matters of litigation regarding property valuation issues. Irrespective of those efforts, the unbundled components for an electric utility's retail electric generation service and distribution service, as provided in division (A) of this section, are not subject to adjustment for the utility's market development period, except that the commission shall order an equitable reduction in those components for all customer classes to reflect any refund a utility receives as a result of the resolution of utility personal property tax valuation litigation that is resolved on or after the effective

date of this section and not later than December 31, 2005. 78585
Immediately upon the issuance of that order, the electric 78586
utility shall file revised rate schedules under section 4909.18 78587
of the Revised Code to effect the order. 78588

(C) The schedule under division (A) of this section 78589
containing the unbundled distribution components shall provide 78590
that electric distribution service under the schedule will be 78591
available to all retail electric service customers in the 78592
electric utility's certified territory and their suppliers on a 78593
nondiscriminatory and comparable basis on and after the starting 78594
date of competitive retail electric service. The schedule also 78595
shall include an obligation to build distribution facilities 78596
when necessary to provide adequate distribution service, 78597
provided that a customer requesting that service may be required 78598
to pay all or part of the reasonable incremental cost of the new 78599
facilities, in accordance with rules, policy, precedents, or 78600
orders of the commission. 78601

(D) During the market development period, an electric 78602
distribution utility shall provide consumers on a comparable and 78603
nondiscriminatory basis within its certified territory a 78604
standard service offer of all competitive retail electric 78605
services necessary to maintain essential electric service to 78606
consumers, including a firm supply of electric generation 78607
service priced in accordance with the schedule containing the 78608
utility's unbundled generation service component. Immediately 78609
upon approval of its transition plan, the utility shall file the 78610
standard service offer with the commission under section 4909.18 78611
of the Revised Code, during the market development period. The 78612
failure of a supplier to deliver retail electric generation 78613
service shall result in the supplier's customers, after 78614
reasonable notice, defaulting to the utility's standard service 78615

offer filed under this division until the customer chooses an 78616
alternative supplier. A supplier is deemed under this section to 78617
have failed to deliver such service if any of the conditions 78618
specified in section 4928.14 of the Revised Code is met. 78619

(E) An amendment of a corporate separation plan contained 78620
in a transition plan approved by the commission under section 78621
4928.33 of the Revised Code shall be filed and approved as a 78622
corporate separation plan pursuant to section 4928.17 of the 78623
Revised Code. 78624

(F) Any change to an electric utility's opportunity to 78625
receive transition revenues under a transition plan approved in 78626
accordance with section 4928.33 of the Revised Code shall be 78627
authorized only as provided in sections 4928.31 to 4928.40 of 78628
the Revised Code. 78629

(G) The commission, by order, shall require each electric 78630
utility whose approved transition plan did not include an 78631
independent transmission plan as described in division ~~(A)(13)~~ 78632
(A) (12) of section 4928.34 of the Revised Code to be a member 78633
of, and transfer control of transmission facilities it owns or 78634
controls in this state to, one or more qualifying transmission 78635
entities, as described in division (B) of section 4928.12 of the 78636
Revised Code, that are planned to be operational on and after 78637
December 31, 2003. However, the commission may extend that date 78638
if, for reasons beyond the control of the utility, a qualifying 78639
transmission entity is not planned to be operational on that 78640
date. The commission's order may specify an earlier date on 78641
which the transmission entity or entities are planned to be 78642
operational if the commission considers it necessary to carry 78643
out the policy specified in section 4928.02 of the Revised Code 78644
or to encourage effective competition in retail electric service 78645

in this state. 78646

Upon the issuance of the order, each such utility shall 78647
file with the commission a plan for such independent operation 78648
of the utility's transmission facilities consistent with this 78649
division. The commission may reject and require refiling of any 78650
substantially inadequate plan submitted under this division. 78651

After reasonable notice and opportunity for hearing, the 78652
commission shall approve the plan upon a finding that the plan 78653
will result in the utility's compliance with the order, this 78654
division, and any rules adopted under division (A) of section 78655
4928.06 of the Revised Code. The approved independent 78656
transmission plan shall be deemed a part of the utility's 78657
transition plan for purposes of sections 4928.31 to 4928.40 of 78658
the Revised Code. 78659

Sec. 4928.37. (A) (1) Sections 4928.31 to 4928.40 of the 78660
Revised Code provide an electric utility the opportunity to 78661
receive transition revenues that may assist it in making the 78662
transition to a fully competitive retail electric generation 78663
market. An electric Utility for which transition revenues are 78664
approved pursuant to sections 4928.31 to 4928.40 of the Revised 78665
Code shall receive those revenues through both of the following 78666
mechanisms beginning on the starting date of competitive retail 78667
electric service and ending on the expiration date of its market 78668
development period as determined under section 4928.40 of the 78669
Revised Code: 78670

(a) Payment of unbundled rates for retail electric 78671
services by each customer that is supplied retail electric 78672
generation service during the market development period by the 78673
customer's electric distribution utility, which rates shall be 78674
specified in schedules filed under section 4928.35 of the 78675

Revised Code; 78676

(b) Payment of a nonbypassable and competitively neutral 78677
transition charge by each customer that is supplied retail 78678
electric generation service during the market development period 78679
by an entity other than the customer's electric distribution 78680
utility, as such transition charge is determined under section 78681
4928.40 of the Revised Code. The transition charge shall be 78682
payable by each such retail electric distribution service 78683
customer in the certified territory of the electric utility for 78684
which the transition revenues are approved and shall be billed 78685
on each kilowatt hour of electricity delivered to the customer 78686
by the electric distribution utility as registered on the 78687
customer's meter during the utility's market development period 78688
as kilowatt hour is defined in section 4909.161 of the Revised 78689
Code or, if no meter is used, as based on an estimate of 78690
kilowatt hours used or consumed by the customer. The transition 78691
charge for each customer class shall reflect the cost allocation 78692
to that class as provided under bundled rates and charges in 78693
effect on the day before the effective date of this section. 78694
Additionally, as reflected in section 4928.40 of the Revised 78695
Code, the transition charges shall be structured to provide 78696
shopping incentives to customers sufficient to encourage the 78697
development of effective competition in the supply of retail 78698
electric generation service. To the extent possible, the level 78699
and structure of the transition charge shall be designed to 78700
avoid revenue responsibility shifts among the utility's customer 78701
classes and rate schedules. 78702

(2) (a) Notwithstanding division (A) (1) (b) of this section, 78703
the transition charge shall not be payable on electricity 78704
supplied by a municipal electric utility to a retail electric 78705
distribution service customer in the certified territory of the 78706

electric utility for which the transition revenues are approved, 78707
if the municipal electric utility provides electric transmission 78708
or distribution service, or both services, through transmission 78709
or distribution facilities singly or jointly owned or operated 78710
by the municipal electric utility, and if the municipal electric 78711
utility was in existence, operating, and providing service as of 78712
January 1, 1999. 78713

(b) The transition charge shall not be payable on 78714
electricity supplied or consumed in this state except such 78715
electricity as is delivered to a retail customer by an electric 78716
distribution utility and is registered on the customer's meter 78717
during the utility's market development period or, if no meter 78718
is used, is based on an estimate of kilowatt hours used or 78719
consumed by the customer. However, no transition charge shall be 78720
payable on electricity that is both produced and consumed in 78721
this state by a self-generator. 78722

(3) The transition charge shall not be discounted by any 78723
party. 78724

(4) Nothing prevents payment of all or part of the 78725
transition charge by another party on a customer's behalf if 78726
that payment does not contravene sections 4905.33 to 4905.35 of 78727
the Revised Code or this chapter. 78728

(B) The electric utility shall separately itemize and 78729
disclose, or cause its billing and collection agent to 78730
separately itemize and disclose, the transition charge on the 78731
customer's bill in accordance with reasonable specifications the 78732
commission shall prescribe by rule ~~under division (A) of section~~ 78733
~~4928.06 of the Revised Code.~~ 78734

Sec. 4928.543. The public utilities commission shall adopt 78735

rules to ~~implement sections 4928.54, 4928.541, and 4928.542 of~~ 78736
~~the Revised Code. The rules shall ensure a fair and unbiased~~ 78737
auction process and the performance of the winning bidder or 78738
bidders under sections 4928.54, 4928.541, and 4928.542 of the 78739
Revised Code. 78740

Sec. 4928.62. (A) There is hereby created the advanced 78741
energy program, which shall be administered by the director of 78742
development. Under the program, the director may authorize the 78743
use of moneys in the advanced energy fund for financial, 78744
technical, and related assistance for advanced energy projects 78745
in this state or for economic development assistance, in 78746
furtherance of the purposes set forth in section 4928.63 of the 78747
Revised Code. 78748

(1) To the extent feasible given approved applications for 78749
assistance, the assistance shall be distributed among the 78750
certified territories of electric distribution utilities and 78751
participating electric cooperatives, and among the service areas 78752
of participating municipal electric utilities, in amounts 78753
proportionate to the remittances of each utility and cooperative 78754
under division (B) (2) of section 4928.61 of the Revised Code. 78755

(2) The funds described in division (B) (5) of section 78756
4928.61 of the Revised Code shall not be subject to the 78757
territorial requirements of division (A) (1) of this section. 78758

(3) The director shall not authorize financial assistance 78759
for an advanced energy project under the program unless the 78760
director first determines that the project will create new jobs 78761
or preserve existing jobs in this state or use innovative 78762
technologies or materials. 78763

(B) In carrying out sections 4928.61 to 4928.63 of the 78764

Revised Code, the director may do all of the following to 78765
further the public interest in advanced energy projects and 78766
economic development: 78767

(1) Award grants, contracts, loans, loan participation 78768
agreements, linked deposits, and energy production incentives; 78769

(2) Acquire in the name of the director any property of 78770
any kind or character in accordance with this section, by 78771
purchase, purchase at foreclosure, or exchange, on such terms 78772
and in such manner as the director considers proper; 78773

(3) Make and enter into all contracts and agreements 78774
necessary or incidental to the performance of the director's 78775
duties and the exercise of the director's powers under sections 78776
4928.61 to 4928.63 of the Revised Code; 78777

(4) Employ or enter into contracts with financial 78778
consultants, marketing consultants, consulting engineers, 78779
architects, managers, construction experts, attorneys, technical 78780
monitors, energy evaluators, or other employees or agents as the 78781
director considers necessary, and fix their compensation; 78782

(5) Adopt rules prescribing the application procedures for 78783
financial assistance under the advanced energy program; the 78784
fees, charges, interest rates, payment schedules, local match 78785
requirements, and other terms and conditions of any grants, 78786
contracts, loans, loan participation agreements, linked 78787
deposits, and energy production incentives; and criteria 78788
pertaining to the eligibility of participating lending 78789
institutions; ~~and any other matters necessary for the~~ 78790
~~implementation of the program;~~ 78791

(6) Do all things necessary and appropriate for the 78792
operation of the program. 78793

(C) The department of development may hold ownership to 78794
any unclaimed energy efficiency and renewable energy emission 78795
allowances provided for in Chapter 3745-14 of the Administrative 78796
Code or otherwise, that result from advanced energy projects 78797
that receive funding from the advanced energy fund, and it may 78798
use the allowances to further the public interest in advanced 78799
energy projects or for economic development. 78800

(D) Financial statements, financial data, and trade 78801
secrets submitted to or received by the director from an 78802
applicant or recipient of financial assistance under sections 78803
4928.61 to 4928.63 of the Revised Code, or any information taken 78804
from those statements, data, or trade secrets for any purpose, 78805
are not public records for the purpose of section 149.43 of the 78806
Revised Code. 78807

4928.62, and 4928.63 of the Revised Code by Sub. H.B. 251 of the 78809
126th general assembly shall affect any pending or effected 78810
assistance, pending or effected purchases or exchanges of 78811
property made, or pending or effected contracts or agreements 78812

the section existed prior to the effective date of those 78814
amendments, January 4, 2007, or shall affect the exemption 78815
provided under division (C) of this section as the section 78816
existed prior to that effective date. 78817

(F) Any assistance a school district receives for an 78818
advanced energy project, including a geothermal heating, 78819
ventilating, and air conditioning system, shall be in addition 78820
to any assistance provided under Chapter 3318. of the Revised 78821
Code and shall not be included as part of the district or state 78822
portion of the basic project cost under that chapter. 78823

Sec. 4928.70. ~~(A)~~ The public utilities commission may 78824

also include a cost evaluation comparing costs of traditional 78995
transmission investments and costs of advanced transmission 78996
technologies for the projects considered on the major utility 78997
facilities applied individually, together, or in sequence. The 78998
report shall also include an advanced transmission technology 78999
congestion mitigation study to cost-effectively maximize the 79000

will provide service during the period covered by the report. 79049
The notice shall be published not less than fifteen nor more 79050
than thirty days before the hearing and shall state the matters 79051

shall determine if: 79081

(1) All information relating to current activities, 79082

state has been completely and accurately represented; 79084

(2) The load requirements are based on substantially 79085

(4) The report identifies and projects reductions in 79089
energy demands due to energy conservation measures in the 79090
industrial, commercial, residential, transportation, and energy 79091
production sectors in the service area; 79092

(5) Utility company forecasts of loads and resources are 79093
reasonable in relation to population growth estimates made by 79094
state and federal agencies, transportation, and economic 79095

and adequately documented. 79103

(G) The commission shall adopt rules under section 111.15 79104
of the Revised Code to establish criteria for evaluating the 79105
long-term forecasts of needs for gas and electric transmission 79106

~~necessary and convenient to implement this section.~~ 79110

(H) The hearing record produced under this section and the 79111
determinations of the commission shall be introduced into 79112
evidence and shall be considered in determining the basis of 79113
need for power siting board deliberations under division (A) (1) 79114
of section 4906.10 of the Revised Code. The hearing record 79115
produced under this section shall be introduced into evidence 79116
and shall be considered by the commission in its initiation of 79117
programs, examinations, and findings under section 4905.70 of 79118
the Revised Code, and shall be considered in the commission's 79119
determinations with respect to the establishment of just and 79120
reasonable rates under section 4909.15 of the Revised Code and 79121
financing utility facilities and authorizing issuance of all 79122
securities under sections 4905.40, 4905.401, 4905.41, and 79123
4905.42 of the Revised Code. The forecast findings also shall 79124
serve as the basis for all other energy planning and development 79125
activities of the state government where electric and gas data 79126
are required. 79127

(I) (1) No court other than the supreme court shall have 79128
power to review, suspend, or delay any determination made by the 79129
commission under this section, or enjoin, restrain, or interfere 79130
with the commission in the performance of official duties. A 79131
writ of mandamus shall not be issued against the commission by 79132
any court other than the supreme court. 79133

(2) A final determination made by the commission shall be 79134
reversed, vacated, or modified by the supreme court on appeal, 79135
if, upon consideration of the record, such court is of the 79136
opinion that such determination was unreasonable or unlawful. 79137

The proceeding to obtain such reversal, vacation, or 79138

modification shall be by notice of appeal, filed with the 79139
commission by any party to the proceeding before it, against the 79140
commission, setting forth the determination appealed from and 79141
errors complained of. The notice of appeal shall be served, 79142
unless waived, upon the commission by leaving a copy at the 79143
office of the chairperson of the commission at Columbus. The 79144
court may permit an interested party to intervene by cross- 79145
appeal. 79146

(3) No proceeding to reverse, vacate, or modify a 79147
determination of the commission is commenced unless the notice 79148
of appeal is filed within sixty days after the date of the 79149
determination. 79150

Sec. 4939.07. (A) As used in this section, "most recent," 79151
with respect to any rate proceeding, means the rate proceeding 79152
most immediately preceding the date of any final order issued by 79153
the public utilities commission under this section. 79154

(B) (1) Notwithstanding any other provision of law or any 79155
agreement establishing price caps, rate freezes, or rate 79156
increase moratoria, a public utility subject to the rate-making 79157
jurisdiction of the commission may file an application with the 79158
commission for, and the commission shall then authorize by 79159
order, timely and full recovery of a public way fee levied upon 79160
and payable by the public utility both after January 1, 2002, 79161
and after the test year of the public utility's most recent rate 79162
proceeding or the initial effective date of rates in effect but 79163
not established through a proceeding for an increase in rates. 79164

(2) Any order issued by the commission pursuant to its 79165
consideration of an application under division (B) (1) of this 79166
section shall establish a cost recovery mechanism including, but 79167
not limited to, an adder, tracker, rider, or percentage 79168

surcharge, for recovering the amount to be recovered; specify 79169
that amount; limit the amount to not more and not less than the 79170
amount of the total public way fee incurred; and require 79171
periodic adjustment of the mechanism based on revenues 79172
recovered. 79173

(a) In the case of a cost recovery mechanism for a public 79174
way fee levied on and payable by a public utility but determined 79175
unreasonable, unjust, unjustly discriminatory, or unlawful by 79176
the commission pursuant to division (C) of section 4939.06 of 79177
the Revised Code, the mechanism shall provide for recovery, only 79178
from those customers of the public utility that receive its 79179
service within the municipal corporation, of the difference 79180
between that public way fee and the just and reasonable public 79181
way fee determined by the commission under division (C) of 79182
section 4939.06 of the Revised Code. 79183

(b) In all other cases, recovery shall be from all 79184
customers of the public utility generally. 79185

(c) In the case of recovery under division (B) (2) (a) or 79186
(b) of this section, the recovery mechanism payable by sale-for- 79187
resale or wholesale telecommunications customers shall provide 79188
for recovery limited to any public way fee not included in 79189
established rates and prices for those customers and to the pro 79190
rata share of the public way fee applicable to the portion of 79191
the facilities that are sold, leased, or rented to the customers 79192
and are located in the public way. The recovery shall be in a 79193
nondiscriminatory and competitively neutral manner and prorated 79194
on a per-line or per-line equivalent basis among all retail, 79195
sale-for-resale, and wholesale telecommunications customers 79196
subject to the recovery. 79197

(D) (1) Notwithstanding any other provision of law or any 79198

agreement establishing price caps, rate freezes, or rate 79199
increase moratoria, a public utility subject to the rate-making 79200
jurisdiction of the commission may file an application with the 79201
commission for, and the commission by order shall authorize, 79202
such accounting authority as may be reasonably necessary to 79203
classify any cost described in division (D)(2) of this section 79204
as a regulatory asset for the purpose of recovering that cost. 79205

(2) A cost eligible for recovery under division (D) of 79206
this section shall be only such cost as meets both of the 79207
following: 79208

(a) The cost is directly incurred by the public utility as 79209
a result of municipal corporation regulation of its occupancy or 79210
use of a public way or an appropriate allocation and assignment 79211
of costs related to implementation of this section, excluding 79212
any cost arising from a public way fee levied upon and payable 79213
by the public utility. 79214

(b) The cost is incurred by the public utility both after 79215
January 1, 2002, and after the test year of the public utility's 79216
most recent rate proceeding or the initial effective date of 79217
rates in effect but not established through a proceeding for an 79218
increase in rates. 79219

(3) If the commission determines, upon an application 79220
under division (D)(1) of this section or its own initiative, 79221
that classification of a cost described in division (D)(2) of 79222
this section as a regulatory asset is not practical or that 79223
deferred recovery of that cost would impose a hardship on the 79224
public utility or its customers, the commission shall establish 79225
a charge and collection mechanism to permit the public utility 79226
full recovery of that cost. A hardship shall be presumed for any 79227
public utility with less than fifteen thousand bundled sales 79228

service customers in this state and for any public utility for 79229
which the annualized aggregate amount of additional cost that 79230
otherwise may be eligible for such classification exceeds the 79231
greater of five hundred thousand dollars or fifteen per cent of 79232
the total costs that are described in division (D) (2) (a) of this 79233
section and were considered by the commission for the purpose of 79234
establishing rates in the public utility's most recent rate 79235
increase proceeding or the rate increase proceeding of the 79236
public utility's predecessor, whichever is later. 79237

(E) Any application submitted to the commission under 79238
divisions (B) to (D) of this section shall be processed by the 79239
commission as an application not for an increase in rates under 79240
section 4909.18 of the Revised Code. The application shall 79241
include such information as the commission reasonably requires. 79242
The commission shall conclude its consideration of the 79243
application and issue a final order not later than one hundred 79244
twenty days after the date that the application was submitted to 79245
the commission. A final order regarding a recovery mechanism 79246
authorized pursuant to this section shall provide for such 79247
retroactive adjustment as the commission determines appropriate. 79248

(F) A public utility shall not be required to waive any 79249
rights under this section as a condition of occupancy or use of 79250
a public way. 79251

~~(G) The commission may issue such rules as it considers~~ 79252
~~necessary to carry out this section.~~ 79253

79484
- (6) "Title IV-A program" has the same meaning as in section 5101.80 of the Revised Code. 79485
79486
- (B) Each board of county commissioners shall pay the county share of public assistance expenditures in accordance 79487
79488

with section 5101.161 of the Revised Code. Except as provided in 79489
division (C) of this section, a county's share of public 79490
assistance expenditures is the sum of all of the following for 79491
state fiscal year 1998 and each state fiscal year thereafter: 79492

(1) The amount that is twenty-five per cent of the 79493
county's total expenditures for disability financial assistance 79494
and county administration of that program during the state 79495
fiscal year ending in the previous calendar year that the 79496
department of job and family services determines are allowable. 79497

(2) The amount that is ten per cent, or other percentage 79498
determined under division (D) of this section, of the county's 79499
total expenditures for county administration of the supplemental 79500
nutrition assistance program and medicaid (excluding 79501
administrative expenditures for transportation services covered 79502
by the medicaid program) during the state fiscal year ending in 79503
the previous calendar year that the department determines are 79504
allowable, less the amount of federal reimbursement credited to 79505
the county under division (E) of this section for the state 79506
fiscal year ending in the previous calendar year; 79507

(3) A percentage of the actual amount of the county share 79508
of program and administrative expenditures during federal fiscal 79509
year 1994 for assistance and services, other than child care, 79510
provided under Titles IV-A and IV-F of the "Social Security 79511
Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as those titles 79512
existed prior to the enactment of the "Personal Responsibility 79513
and Work Opportunity Reconciliation Act of 1996," 110 Stat. 79514
2105. The department of job and family services shall determine 79515
the actual amount of the county share from expenditure reports 79516
submitted to the United States department of health and human 79517
services. The percentage shall be the percentage established in 79518

rules adopted under division (F) of this section. 79519

(C) (1) If a county's share of public assistance 79520
expenditures determined under division (B) of this section for a 79521
state fiscal year exceeds one hundred five per cent of the 79522
county's share for those expenditures for the immediately 79523
preceding state fiscal year, the department of job and family 79524
services shall reduce the county's share for expenditures under 79525
divisions (B) (1) and (2) of this section so that the total of 79526
the county's share for expenditures under division (B) of this 79527
section equals one hundred five per cent of the county's share 79528
of those expenditures for the immediately preceding state fiscal 79529
year. 79530

(2) A county's share of public assistance expenditures 79531
determined under division (B) of this section may be increased 79532
pursuant to section 5101.163 of the Revised Code and a sanction 79533
under section 5101.24 of the Revised Code. An increase made 79534
pursuant to section 5101.163 of the Revised Code may cause the 79535
county's share to exceed the limit established by division (C) 79536
(1) of this section. 79537

(D) (1) If the per capita tax duplicate of a county is less 79538
than the per capita tax duplicate of the state as a whole and 79539
division (D) (2) of this section does not apply to the county, 79540
the percentage to be used for the purpose of division (B) (2) of 79541
this section is the product of ten multiplied by a fraction of 79542
which the numerator is the per capita tax duplicate of the 79543
county and the denominator is the per capita tax duplicate of 79544
the state as a whole. The department of job and family services 79545
shall compute the per capita tax duplicate for the state and for 79546
each county by dividing the tax duplicate for the most recent 79547
available year by the current estimate of population prepared by 79548

the development services agency. 79549

(2) If the percentage of families in a county with an 79550
annual income of less than three thousand dollars is greater 79551
than the percentage of such families in the state and division 79552
(D) (1) of this section does not apply to the county, the 79553
percentage to be used for the purpose of division (B) (2) of this 79554
section is the product of ten multiplied by a fraction of which 79555
the numerator is the percentage of families in the state with an 79556
annual income of less than three thousand dollars a year and the 79557
denominator is the percentage of such families in the county. 79558
The department of job and family services shall compute the 79559
percentage of families with an annual income of less than three 79560
thousand dollars for the state and for each county by 79561
multiplying the most recent estimate of such families published 79562
by the development services agency, by a fraction, the numerator 79563
of which is the estimate of average annual personal income 79564
published by the bureau of economic analysis of the United 79565
States department of commerce for the year on which the census 79566
estimate is based and the denominator of which is the most 79567
recent such estimate published by the bureau. 79568

(3) If the per capita tax duplicate of a county is less 79569
than the per capita tax duplicate of the state as a whole and 79570
the percentage of families in the county with an annual income 79571
of less than three thousand dollars is greater than the 79572
percentage of such families in the state, the percentage to be 79573
used for the purpose of division (B) (2) of this section shall be 79574
determined as follows: 79575

(a) Multiply ten by the fraction determined under division 79576
(D) (1) of this section; 79577

(b) Multiply the product determined under division (D) (3) 79578

(a) of this section by the fraction determined under division 79579
(D) (2) of this section. 79580

(4) The department of job and family services shall 79581
determine, for each county, the percentage to be used for the 79582
purpose of division (B) (2) of this section not later than the 79583
first day of July of the year preceding the state fiscal year 79584
for which the percentage is used. 79585

(E) The department of job and family services shall credit 79586
to a county the amount of federal reimbursement the department 79587
receives from the United States departments of agriculture and 79588
health and human services for the county's expenditures for 79589
administration of the supplemental nutrition assistance program 79590
and medicaid (excluding administrative expenditures for 79591
transportation services covered by the medicaid program) that 79592
the department determines are allowable administrative 79593
expenditures. 79594

(F) (1) The director of job and family services shall adopt 79595
rules in accordance with section 111.15 of the Revised Code to 79596
establish all of the following: 79597

(a) The method the department is to use to change a 79598
county's share of public assistance expenditures determined 79599
under division (B) of this section as provided in division (C) 79600
of this section; 79601

(b) The allocation methodology and formula the department 79602
will use to determine the amount of funds to credit to a county 79603
under this section; 79604

(c) The method the department will use to change the 79605
payment of the county share of public assistance expenditures 79606
from a calendar-year basis to a state fiscal year basis; 79607

(d) The percentage to be used for the purpose of division 79608
(B) (3) of this section, which shall, except as provided in 79609
section 5101.163 of the Revised Code, meet both of the following 79610
requirements: 79611

(i) The percentage shall not be less than seventy-five per 79612
cent nor more than eighty-two per cent; 79613

(ii) The percentage shall not exceed the percentage that 79614
the state's qualified state expenditures is of the state's 79615
historic state expenditures as those terms are defined in 42 79616
U.S.C. 609(a) (7). 79617

~~(e) Other procedures and requirements necessary to 79618
implement this section. 79619~~

(2) The director of job and family services may amend the 79620
rule adopted under division (F) (1) (d) of this section to modify 79621
the percentage on determination that the amount the general 79622
assembly appropriates for Title IV-A programs makes the 79623
modification necessary. The rule shall be adopted and amended as 79624
if an internal management rule and in consultation with the 79625
director of budget and management. 79626

Sec. 5101.214. The director of job and family services and 79627

workforce development activities of a local board, as defined in 79633
section 6301.01 of the Revised Code. The directors also may 79634
enter into written agreements or contracts with, or issue grants 79635
to, private and government entities under which funds are 79636

provided for the enhancement or innovation of family services 79637
duties or workforce development activities on the state or local 79638

~~The directors may adopt internal management rules in 79640
accordance with section 111.15 of the Revised Code to implement 79641
this section. 79642~~

Sec. 5101.24. (A) As used in this section, "responsible 79643
county grantee" means whichever county grantee, as defined in 79644

Revised Code; 79669

(3) A requirement for the family services duty established 79670

county grantee wants the department to consider; 79763

(d) The name of the person who will serve as the 79764

specified in the request shall not be subject to administrative 79770
review and the parts of the notice regarding those proposed 79771
actions shall be final and binding on the responsible county 79772
grantee. 79773

(3) In the case of a proposed action under division (C)(1) 79774
of this section, the responsible county grantee shall have 79775
fifteen calendar days after the department mails the notice to 79776
the responsible county grantee to send a written request to the 79777
department for an administrative review. If it receives such a 79778
request within the required time, the department shall postpone 79779
taking action under division (C)(1) of this section for fifteen 79780
calendar days following the day it receives the request or 79781

extended period of time provided for in division (D) (5) of this section to allow a representative of the department and a representative of the responsible county grantee an informal opportunity to resolve any dispute during that fifteen-day or extended period.

(4) In the case of a proposed action under division (C) (2), (3), (4), (5), or (7) of this section, the responsible county grantee shall have thirty calendar days after the department mails the notice to the responsible county grantee to send a written request to the department for an administrative review. If it receives such a request within the required time, the department shall postpone taking action under division (C) (2), (3), (4), (5), or (7) of this section for thirty calendar days following the day it receives the request or extended period of time provided for in division (D) (5) of this section to allow a representative of the department and a representative of the responsible county grantee an informal opportunity to resolve any dispute during that thirty-day or extended period.

(5) If the informal opportunity provided in division (D) (3) or (4) of this section does not result in a written resolution to the dispute within the fifteen- or thirty-day period, the director of job and family services or the director of children and youth and representative of the responsible county grantee may enter into a written agreement extending the time period for attempting an informal resolution of the dispute under division (D) (3) or (4) of this section.

(6) In the case of a proposed action under division (C) (3) of this section, the responsible county grantee may not include in its request disputes over a finding, final disallowance of federal financial participation, or other sanction or penalty

issued by the federal government, auditor of state, or entity 79812
other than the department. 79813

(7) If the responsible county grantee fails to request an 79814
administrative review within the required time, the responsible 79815
county grantee loses the right to request an administrative 79816
review of the proposed actions specified in the notice and the 79817
notice becomes final and binding on the responsible county 79818
grantee. 79819

(8) If the informal opportunity provided in division (D) 79820
(3) or (4) of this section does not result in a written 79821
resolution to the dispute within the time provided by division 79822
(D) (3), (4), or (5) of this section, the director shall appoint 79823
an administrative review panel to conduct the administrative 79824
review. The review panel shall consist of department employees 79825
and one director or other representative of the type of county 79826
family services agency that is responsible for the kind of 79827
family services duty that is the subject of the dispute and 79828
serves a different county than the county served by the 79829
responsible county grantee. No individual involved in the 79830
department's proposal to take action against the responsible 79831
county grantee may serve on the review panel. The review panel 79832
shall review the responsible county grantee's request. The 79833
review panel may require that the department or responsible 79834
county grantee submit additional information and schedule and 79835
conduct an informal hearing to obtain testimony or additional 79836
evidence. A review of a proposal to take action under division 79837
(C) (3) of this section shall be limited solely to the issue of 79838
the amount the responsible county grantee shall share with the 79839
department, reimburse the department, or pay to the federal 79840
government, department, or other entity under division (C) (3) of 79841
this section. The review panel is not required to make a 79842

stenographic record of its hearing or other proceedings. 79843

(9) After finishing an administrative review, an 79844
administrative review panel appointed under division (D) (8) of 79845
this section shall submit a written report to the director 79846
setting forth its findings of fact, conclusions of law, and 79847
recommendations for action. The director may approve, modify, or 79848
disapprove the recommendations. If the director modifies or 79849
disapproves the recommendations, the director shall state the 79850
reasons for the modification or disapproval and the actions to 79851
be taken against the responsible county grantee. 79852

(10) The director's approval, modification, or disapproval 79853
under division (D) (9) of this section shall be final and binding 79854
on the responsible county grantee and shall not be subject to 79855
further departmental review. 79856

(E) The responsible county grantee is not entitled to an 79857
administrative review under division (D) of this section for any 79858
of the following: 79859

(1) An action taken under division (C) (6) of this section; 79860

(2) An action taken under section 5101.242 of the Revised 79861

than the department has identified the responsible county 79865
grantee as being solely or partially responsible for an adverse 79866
audit finding, adverse quality control finding, final 79867
disallowance of federal financial participation, or other 79868
sanction or penalty; 79869

(4) An adjustment to an allocation, cash draw, advance, or 79870
reimbursement to a responsible county grantee that the 79871

department determines necessary for budgetary reasons; 79872

(5) Withholding of a cash draw or reimbursement due to 79873
noncompliance with a reporting requirement established in rules 79874
adopted under section 5101.243 of the Revised Code; 79875

(6) An action taken under division (C) (5) of this section 79876
if the department determines that an emergency exists. 79877

(F) This section does not apply to other actions the 79878
department takes against the responsible county grantee pursuant 79879
to authority granted by another state law unless the other state 79880
law requires the department to take the action in accordance 79881
with this section. 79882

(4) The accreditation requirements of divisions (B) (1) and (2) of this section do not apply to an applicant seeking an initial or renewed certification to provide prevention services,

as that term is defined in rules adopted under this section. For 83505
such applicants, accreditation is optional. 83506

(C) (1) Except as provided in division (C) (2) of this 83507
section, if the director determines that an applicant has paid 83508
any required certification fee, that the applicant's 83509
accreditation of certifiable services and supports is current 83510
and appropriate for the services and supports for which the 83511
applicant is seeking initial or renewed certification, and that 83512
the applicant meets any other requirements established by this 83513
section or rules adopted under it, the director shall certify 83514

the certification without further evaluation of the services and 83518

(2) Prior to October 1, 2025, if an applicant that seeks 83520
to renew certification of certifiable services and supports is 83521
not accredited to provide those services and supports by one or 83522
more national accrediting organizations specified in division 83523
(B) (3) of this section, the director shall conduct an evaluation 83524
of the applicant to determine whether the applicant's 83525
certifiable services and supports satisfy the standards for 83526
certification. The evaluation is in addition to any on-site 83527
review conducted under division (A) of this section and shall be 83528
performed in cooperation with a board of alcohol, drug 83529
addiction, and mental health services that seeks to contract or 83530
has a contract with the applicant under section 340.036 of the 83531
Revised Code. If the director determines that an applicant has 83532
paid any required certification fee, that the applicant's 83533
certifiable services and supports satisfy the standards for 83534
renewed certification, and that the applicant meets any other 83535

requirements established by this section or the rules adopted 83536
under it, the director shall certify the certifiable services 83537

(D) For purposes of the accreditation requirements of this 83539
section, both of the following apply: 83540

(1) The director may review the accrediting organizations 83541
specified in division (B) (3) of this section to evaluate whether 83542
the accreditation standards and processes used by the 83543
organizations are consistent with service delivery models the 83544
director considers appropriate for mental health services, 83545
alcohol and drug addiction services, or physical health 83546
services. The director may communicate to an accrediting 83547
organization any identified concerns, trends, needs, and 83548
recommendations. 83549

(2) The director shall require a community mental health 83550
services provider and a community addiction services provider to 83551
notify the director not later than ten days after any change in 83552
the provider's accreditation status. The provider may notify the 83553
director by providing a copy of the relevant document the 83554
provider received from the accrediting organization. 83555

(E) The director may require a community mental health 83556
services provider or a community addiction services provider to 83557
submit to the director cost reports pertaining to the provider. 83558

(F) The director may refuse to certify certifiable 83559

certification if any of the following apply to an applicant for 83561
certification or the holder of the certification: 83562

(1) The applicant or holder is not in compliance with 83563
rules adopted under this section. 83564

If an order has been issued suspending admissions to a community addiction services provider, as provided in division (L) of this section, the order remains in effect during the pendency of those proceedings.

(H) The director may conduct an on-site review or otherwise evaluate a community mental health services provider or a community addiction services provider at any time based on cause, including complaints made by or on behalf of persons

receiving mental health services or alcohol and drug addiction 83594
services and confirmed or alleged deficiencies brought to the 83595
attention of the director. This authority does not affect the 83596
director's duty to conduct the inspections required by section 83597
5119.37 of the Revised Code. 83598

In conducting an on-site review under this division, the 83599
director may do so in cooperation with a board of alcohol, drug 83600
addiction, and mental health services that seeks to contract or 83601
has a contract with the applicant under section 340.036 of the 83602
Revised Code. In conducting any other evaluation under this 83603
division, the director shall do so in cooperation with such a 83604
board. 83605

(I) If the director proposes to take action under division 83606
(F) of this section, the director shall notify the board of 83607
alcohol, drug addiction, and mental health services serving the 83608
alcohol, drug addiction, and mental health service district in 83609
which the certifiable services and supports will be or were 83610
provided, and provide the board opportunity to respond as 83611
specified in division (A) of this section with respect to 83612
initial or renewal applications. 83613

When a final order is issued by the director under 83614
division (F) of this section, the director may request that the 83615
appropriate board of alcohol, drug addiction, and mental health 83616
services reallocate any funds for the certifiable services and 83617
supports the applicant was to provide to a community mental 83618
health services provider or community addiction services 83619
provider whose certifiable services and supports satisfy the 83620
standards. If the board does not reallocate such funds in a 83621
reasonable period of time, the director may withhold state and 83622
federal funds for the certifiable services and supports and 83623

allocate those funds directly to a community mental health 83624
services provider or community addiction services provider whose 83625
certifiable services and supports satisfy the standards. 83626

(J) Each applicant seeking initial or renewed 83627
certification of its certifiable services and supports shall pay 83628
a fee for the certification required by this section, unless the 83629
applicant is exempt under rules adopted under this section. Fees 83630

of goods and services fund created pursuant to section 5119.45 83632

for placement in a program of shock incarceration under this 84051
section, the department may permit the eligible offender to 84052

accordance with division (I) of section 2929.14 of the Revised 84054

placement of the offender in the program and shall include with 84082
the notice a brief description of the placement. The court shall 84083

If the department determines that the offender is not 84091
eligible for placement in a program of shock incarceration, the 84092

described in division (B) (2) (a) of this section, the offender 84099
shall be removed from the pilot program for shock incarceration 84100
and shall be required to serve the remainder of the offender's 84101

exchanged to another country pursuant to a treaty of the type 84366
described in division (A) of this section. 84367

(2) If a convicted offender is serving a term of 84368
imprisonment in this state and the offender is a citizen or 84369

type described in division (A) of this section, if the governor 84371
has granted the director of rehabilitation and correction the 84372

85350
85351
85352
85353

85357
85358
85359

providing an opportunity for an adjudication under Chapter 119. 85371

of the initiation of the proceedings. The letter shall list the 85385
deficiencies of the residential facility and inform the licensee 85386
that no plan of correction will be accepted. The director shall 85387
also send a copy of the letter to the county board of 85388
developmental disabilities. Except in the case of a licensee 85389

with Chapter 119. of the Revised Code, the director may order 85398
the immediate removal of residents from a residential facility 85399
whenever conditions at the facility present an immediate danger 85400
of physical or psychological harm to the residents. 85401

(7) In determining whether a residential facility is being 85402
operated in compliance with a provision of this chapter that 85403
applies to residential facilities or the rules adopted under 85404
such a provision, or whether conditions at a residential 85405
facility present an immediate danger of physical or 85406
psychological harm to the residents, the director may rely on 85407
information obtained by a county board of developmental 85408
disabilities or other governmental agencies. 85409

(8) In proceedings initiated to deny, refuse to renew, or 85410
revoke licenses, the director may deny, refuse to renew, or 85411
revoke a license regardless of whether some or all of the 85412
deficiencies that prompted the proceedings have been corrected 85413
at the time of the hearing. 85414

(E) (1) Except as provided in division (E) (2) of this 85415
section, appeals from proceedings initiated to impose a sanction 85416
under division (D) of this section shall be conducted in 85417
accordance with Chapter 119. of the Revised Code. 85418

(2) Appeals from proceedings initiated to order the 85419
suspension of admissions to a facility shall be conducted in 85420
accordance with Chapter 119. of the Revised Code, unless the 85421
order was issued before providing an opportunity for an 85422
adjudication, in which case all of the following apply: 85423

(a) The licensee may request a hearing not later than ten 85424

request. 85430

(c) After commencing, the hearing shall continue 85431
uninterrupted, except for Saturdays, Sundays, and legal 85432
holidays, unless other interruptions are agreed to by the 85433
licensee and the director. 85434

files the report and recommendations, the licensee may file 85448
objections to the report and recommendations. 85449

(g) Not later than fifteen days after the hearing examiner 85450
files the report and recommendations, the director shall issue 85451
an order approving, modifying, or disapproving the report and 85452

recommendations. 85453

(h) Notwithstanding the pendency of the hearing, the 85454
director shall lift the order for the suspension of admissions 85455
when the director determines that the violation that formed the 85456
basis for the order has been corrected. 85457

(F) Neither a person or government agency whose 85458
application for a license to operate a residential facility is 85459
denied nor a related party of the person or government agency 85460
may apply for a license to operate a residential facility before 85461
the date that is five years after the date of the denial. 85462
Neither a licensee whose residential facility license is revoked 85463
nor a related party of the licensee may apply for a residential 85464
facility license before the date that is five years after the 85465
date of the revocation. 85466

(G) In accordance with Chapter 119. of the Revised Code, 85467
the director shall adopt and may amend and rescind rules ~~for~~ 85468
~~licensing and regulating the operation of residential~~ 85469
~~facilities. The rules for residential facilities that are~~ 85470

(3) Following each survey, the director shall provide the 85519
licensee with a report listing the date of the survey, any 85520
citations issued as a result of the survey, and the statutes or 85521
rules that purportedly have been violated and are the bases of 85522
the citations. The director shall also do both of the following: 85523

(a) Specify a date by which the licensee may appeal any of 85524
the citations; 85525

(b) When appropriate, specify a timetable within which the 85526
licensee must submit a plan of correction describing how the 85527
problems specified in the citations will be corrected and, the 85528

corrected. 85530

(4) If the director initiates a proceeding to revoke a 85531
license, the director shall include the report required by 85532
division (H) (3) of this section with the notice of the proposed 85533

circumstance, the licensee may not submit a plan of correction. 85535

(5) After a plan of correction is submitted, the director 85536
shall approve or disapprove the plan. If the plan of correction 85537
is approved, a copy of the approved plan shall be provided, not 85538

later than five business days after it is approved, to any 85539
person or government entity who requests it and made available 85540
on the internet web site maintained by the department of 85541
developmental disabilities. If the plan of correction is not 85542
approved and the director initiates a proceeding to revoke the 85543
license, a copy of the survey report shall be provided to any 85544
person or government entity that requests it and shall be made 85545
available on the internet web site maintained by the department. 85546

(6) The director shall initiate disciplinary action 85547
against any department employee who notifies or causes the 85548
notification to any unauthorized person of an unannounced survey 85549
of a residential facility by an authorized representative of the 85550
department. 85551

(I) In addition to any other information which may be 85552
required of applicants for a license pursuant to this section, 85553
the director shall require each applicant to provide a copy of 85554
an approved plan for a proposed residential facility pursuant to 85555
section 5123.042 of the Revised Code. This division does not 85556

(J) (1) A licensee shall notify the owner of the building 85560
in which the licensee's residential facility is located of any 85561

licensee is not the owner of the building. 85564

(2) Pursuant to rules, which shall be adopted in 85565
accordance with Chapter 119. of the Revised Code, the director 85566
may require notification to the department of any significant 85567
change in the ownership of a residential facility or in the 85568

identity of the licensee or management contractor. If the 85569
director determines that a significant change of ownership is 85570
proposed, the director shall consider the proposed change to be 85571
an application for development by a new operator pursuant to 85572
section 5123.042 of the Revised Code and shall advise the 85573
applicant within sixty days of the notification that the current 85574
license shall continue in effect or a new license will be 85575
required pursuant to this section. If the director requires a 85576
new license, the director shall permit the facility to continue 85577
to operate under the current license until the new license is 85578
issued, unless the current license is revoked, refused to be 85579
renewed, or terminated in accordance with Chapter 119. of the 85580
Revised Code. 85581

(3) A licensee shall transfer to the new licensee or 85582
management contractor all records related to the residents of 85583
the facility following any significant change in the identity of 85584
the licensee or management contractor. 85585

(K) A county board of developmental disabilities and any 85586
interested person may file complaints alleging violations of 85587
statute or department rule relating to residential facilities 85588
with the department. All complaints shall state the facts 85589
constituting the basis of the allegation. The department shall 85590
not reveal the source of any complaint unless the complainant 85591
agrees in writing to waive the right to confidentiality or until 85592
so ordered by a court of competent jurisdiction. 85593

The department shall adopt rules in accordance with 85594
Chapter 119. of the Revised Code establishing procedures for the 85595
receipt, referral, investigation, and disposition of complaints 85596
filed with the department under this division. 85597

(L) Before issuing a license under this section to a 85598

residential facility that will accommodate at any time more than 85599
one individual with a developmental disability, the director 85600
shall, by first class mail, notify the following: 85601

(1) If the facility will be located in a municipal 85602
corporation, the clerk of the legislative authority of the 85603
municipal corporation; 85604

(2) If the facility will be located in unincorporated 85605
territory, the clerk of the appropriate board of county 85606
commissioners and the fiscal officer of the appropriate board of 85607
township trustees. 85608

The director shall not issue the license for ten days 85609
after mailing the notice, excluding Saturdays, Sundays, and 85610
legal holidays, in order to give the notified local officials 85611
time in which to comment on the proposed issuance. 85612

Any legislative authority of a municipal corporation, 85613
board of county commissioners, or board of township trustees 85614
that receives notice under this division of the proposed 85615
issuance of a license for a residential facility may comment on 85616
it in writing to the director within ten days after the director 85617
mailed the notice, excluding Saturdays, Sundays, and legal 85618
holidays. If the director receives written comments from any 85619
notified officials within the specified time, the director shall 85620
make written findings concerning the comments and the director's 85621
decision on the issuance of the license. If the director does 85622
not receive written comments from any notified local officials 85623
within the specified time, the director shall continue the 85624
process for issuance of the license. 85625

(M) Any person may operate a licensed residential facility 85626
that provides room and board, personal care, habilitation 85627

services, and supervision in a family setting for at least six 85628
but not more than eight individuals with developmental 85629
disabilities as a permitted use in any residential district or 85630
zone, including any single-family residential district or zone, 85631
of any political subdivision. These residential facilities may 85632
be required to comply with area, height, yard, and architectural 85633
compatibility requirements that are uniformly imposed upon all 85634
single-family residences within the district or zone. 85635

(N) Any person may operate a licensed residential facility 85636
that provides room and board, personal care, habilitation 85637
services, and supervision in a family setting for at least nine 85638
but not more than sixteen individuals with developmental 85639
disabilities as a permitted use in any multiple-family 85640
residential district or zone of any political subdivision, 85641
except that a political subdivision that has enacted a zoning 85642
ordinance or resolution establishing planned unit development 85643
districts may exclude these residential facilities from those 85644
districts, and a political subdivision that has enacted a zoning 85645
ordinance or resolution may regulate these residential 85646
facilities in multiple-family residential districts or zones as 85647
a conditionally permitted use or special exception, in either 85648
case, under reasonable and specific standards and conditions set 85649
out in the zoning ordinance or resolution to: 85650

(1) Require the architectural design and site layout of 85651
the residential facility and the location, nature, and height of 85652
any walls, screens, and fences to be compatible with adjoining 85653
land uses and the residential character of the neighborhood; 85654

(2) Require compliance with yard, parking, and sign 85655
regulation; 85656

(3) Limit excessive concentration of these residential 85657

facilities. 85658

(O) This section does not prohibit a political subdivision 85659
from applying to residential facilities nondiscriminatory 85660
regulations requiring compliance with health, fire, and safety 85661
regulations and building standards and regulations. 85662

(P) Divisions (M) and (N) of this section are not 85663
applicable to municipal corporations that had in effect on June 85664
15, 1977, an ordinance specifically permitting in residential 85665
zones licensed residential facilities by means of permitted 85666
uses, conditional uses, or special exception, so long as such 85667
ordinance remains in effect without any substantive 85668
modification. 85669

(Q) (1) The director may issue an interim license to 85670
operate a residential facility to an applicant for a license 85671
under this section if either of the following is the case: 85672

(a) The director determines that an emergency exists 85673
requiring immediate placement of individuals in a residential 85674
facility, that insufficient licensed beds are available, and 85675
that the residential facility is likely to receive a permanent 85676
license under this section within thirty days after issuance of 85677
the interim license. 85678

(b) The director determines that the issuance of an 85679
interim license is necessary to meet a temporary need for a 85680
residential facility. 85681

(2) To be eligible to receive an interim license, an 85682
applicant must meet the same criteria that must be met to 85683
receive a permanent license under this section, except for any 85684
differing procedures and time frames that may apply to issuance 85685
of a permanent license. 85686

(3) An interim license shall be valid for thirty days and 85687
may be renewed by the director for a period not to exceed one 85688
hundred eighty days. 85689

(4) The director shall adopt rules in accordance with 85690
Chapter 119. of the Revised Code ~~as the director considers~~ 85691
~~necessary to administer~~ regarding the issuance of interim 85692
licenses. 85693

(R) Notwithstanding rules adopted pursuant to this section 85694
establishing the maximum number of individuals who may be served 85695
in a particular type of residential facility, a residential 85696
facility shall be permitted to serve the same number of 85697
individuals being served by the facility on the effective date 85698
of the rules or the number of individuals for which the facility 85699
is authorized pursuant to a current application for a 85700
certificate of need with a letter of support from the department 85701
of developmental disabilities and which is in the review process 85702
prior to April 4, 1986. 85703

This division does not preclude the department from 85704
suspending new admissions to a residential facility pursuant to 85705
a written order issued under section 5124.70 of the Revised 85706
Code. 85707

(S) The director may enter at any time, for purposes of 85708
investigation, any home, facility, or other structure that has 85709
been reported to the director or that the director has 85710
reasonable cause to believe is being operated as a residential 85711
facility without a license issued under this section. 85712

The director may petition the court of common pleas of the 85713
county in which an unlicensed residential facility is located 85714
for an order enjoining the person or governmental agency 85715

operating the facility from continuing to operate without a 85716
license. The court may grant the injunction on a showing that 85717
the person or governmental agency named in the petition is 85718
operating a residential facility without a license. The court 85719
may grant the injunction, regardless of whether the residential 85720
facility meets the requirements for receiving a license under 85721
this section. 85722

Sec. 5123.194. In the case of an individual who resides in 85723
a residential facility and is preparing to move into an 85724
independent living arrangement and the individual's liable 85725
relative, the department of developmental disabilities may waive 85726
the support collection requirements of sections 5121.04 and 85727
5123.122 of the Revised Code for the purpose of allowing income 85728
or resources to be used to acquire items necessary for 85729
independent living. The department shall adopt rules in 85730
accordance with section 111.15 of the Revised Code ~~to implement~~ 85731
~~this section, including rules~~ that establish the method the 85732
department shall use to determine when an individual is 85733
preparing to move into an independent living arrangement. 85734

Sec. 5123.196. (A) Except as provided in division (E) of 85735
this section, the director of developmental disabilities shall 85736
not issue a license under section 5123.19 of the Revised Code on 85737
or after July 1, 2003, if issuance will result in there being 85738
more beds in all residential facilities licensed under that 85739
section than is permitted under division (B) of this section. 85740

(B) The maximum number of beds for the purpose of division 85741
(A) of this section shall not exceed ten thousand eight hundred 85742
thirty-eight minus, except as provided in division (C) of this 85743
section, both of the following: 85744

(1) The number of such beds that cease to be residential 85745

facility beds on or after July 1, 2003, because a residential 85746
facility license is revoked, terminated, or not renewed for any 85747
reason or is surrendered in accordance with section 5123.19 of 85748
the Revised Code; 85749

(2) The number of such beds for which a licensee 85750
voluntarily converts to use for supported living on or after 85751
July 1, 2003. 85752

(C) The director is not required to reduce the maximum 85753
number of beds pursuant to division (B) of this section by a bed 85754
that ceases to be a residential facility bed if the director 85755
determines that the bed is needed to provide services to an 85756
individual with a developmental disability who resided in the 85757
residential facility in which the bed was located. 85758

(D) The director shall maintain an up-to-date written 85759
record of the maximum number of residential facility beds 85760
provided for by division (B) of this section. 85761

(E) The director may issue an interim license under 85762
division (Q) of section 5123.19 of the Revised Code and issue, 85763
pursuant to rules adopted under division ~~(G) (9)~~ (G) (8) of that 85764
section, a waiver allowing a residential facility to admit more 85765
residents than the facility is licensed to admit regardless of 85766
whether the interim license or waiver will result in there being 85767
more beds in all residential facilities licensed under that 85768
section than is permitted under division (B) of this section. 85769

Sec. 5123.35. (A) There is hereby created the Ohio 85770
developmental disabilities council, which shall serve as an 85771
advocate for all persons with developmental disabilities. The 85772
council shall act in accordance with the "Developmental 85773
Disabilities Assistance and Bill of Rights Act of 2000," 42 85774

U.S.C. 15001. The governor shall appoint the members of the council in accordance with 42 U.S.C. 15025. 85775

or portion of the calendar year, that the cost report covers. 86796

(B) (1) If an ICF/IID undergoes a change of provider that 86797
the department determines, in accordance with rules adopted 86798
under this section ~~5124.03 of the Revised Code~~, is not an arms 86799
length transaction, the new provider shall file the ICF/IID's 86800
cost report in accordance with division (A) of this section and 86801
the cost report shall cover the portion of the calendar year 86802
during which the new provider operated the ICF/IID and the 86803
portion of the calendar year during which the previous provider 86804

transaction, the new provider shall file with the department a 86809
cost report for the ICF/IID not later than, except as provided 86810

following the first three full months of operation under the new 86816
provider. 86817

(C) If the medicaid payment rate for a new ICF/IID was 86818
most recently determined in accordance with section 5124.151 of 86819
the Revised Code, the provider shall file with the department a 86820
cost report for the new ICF/IID not later than, except as 86821
provided in division (E) of this section, ninety days after the 86822

end of the new ICF/IID's first three full calendar months of 86823
operation. The cost report shall cover the period that begins 86824
with the ICF/IID's first day of operation and ends on the first 86825
day of the month immediately following the first three full 86826
months of operation. 86827

(D) An ICF/IID provider is not required to file a cost 86828
report for an ICF/IID for a calendar year in accordance with 86829
division (A) of this section if the provider files a cost report 86830
for the ICF/IID under division (B) (2) or (C) of this section and 86831
that cost report covers a period that begins after the first day 86832
of October of that calendar year. The provider shall file a cost 86833
report for the ICF/IID in accordance with division (A) of this 86834
section for the immediately following calendar year. 86835

(E) The department may grant to a provider a fourteen-day 86836
extension to file a cost report under this section or section 86837
5124.101 of the Revised Code if the provider provides the 86838
department a written request for the extension and the 86839
department determines that there is good cause for the 86840
extension. 86841

(F) To the extent authorized by section 5162.021 of the 86842
Revised Code, the director of developmental disabilities shall 86843
adopt rules in accordance with Chapter 119. of the Revised Code 86844
regarding how the department will determine if a change of 86845
provider is an arms length transaction for the purposes of 86846
division (B) of this section. 86847

Sec. 5124.105. (A) The department of developmental 86848
disabilities shall develop an addendum to the cost report form 86849
that an ICF/IID provider may use to set forth costs that the 86850
provider believes the department may dispute. The department may 86851
consider such costs in determining an ICF/IID's medicaid payment 86852

rate. If the department does not consider such costs in 86853
determining an ICF/IID's medicaid payment rate, the provider may 86854
seek reconsideration of the determination in accordance with 86855
section 5124.38 of the Revised Code. If the department 86856
subsequently includes such costs in an ICF/IID's medicaid 86857
payment rate, the department shall pay the provider interest at 86858
a reasonable rate established in rules adopted under this 86859
~~section 5124.03 of the Revised Code~~ for the period that the rate 86860
excluded the costs. 86861

(B) To the extent authorized by section 5162.021 of the 86862
Revised Code, the director of developmental disabilities shall 86863
adopt rules in accordance with Chapter 119. of the Revised Code 86864
establishing a reasonable interest rate to pay a provider in the 86865
circumstances described in division (A) of this section. 86866

Sec. 5124.109. (A) The department of developmental 86867
disabilities may conduct an audit, as defined in rules adopted 86868
under this ~~section 5124.03 of the Revised Code~~, of any cost 86869
report filed under section 5124.10, 5124.101, or 5124.522 of the 86870
Revised Code. The decision whether to conduct an audit and the 86871
scope of the audit, which may be a desk or field audit, may be 86872
determined based on prior performance of the provider, a risk 86873
analysis, or other evidence that gives the department reason to 86874
believe that the provider has reported costs improperly. A desk 86875
or field audit may be performed annually, but is required 86876
whenever a provider does not pass the risk analysis tolerance 86877
factors. 86878

(B) Audits shall be conducted by auditors under contract 86879
with the department, auditors working for firms under contract 86880
with the department, or auditors employed by the department. 86881

The department may establish a contract for the auditing 86882

of ICFs/IID by outside firms. Each contract entered into by 86883
bidding shall be effective for one to two years. 86884

(C) The department shall notify a provider of the findings 86885
of an audit of a cost report by issuing an audit report. The 86886
department shall issue the audit report not later than three 86887
years after the earlier of the following: 86888

(1) The date the cost report is filed; 86889

(2) The date a desk or field audit of the cost report or a 86890
cost report for a subsequent cost reporting period is completed. 86891

(D) The department shall prepare a written summary of any 86892
audit disallowance that is made after the effective date of the 86893
rate that is based on the cost. Where the provider is pursuing 86894
judicial or administrative remedies in good faith regarding the 86895
disallowance, the department shall not withhold from the 86896
provider's current payments any amounts the department claims to 86897
be due from the provider pursuant to section 5124.41 of the 86898
Revised Code. 86899

(E) (1) The department shall establish an audit manual and 86900
program for field audits conducted under this section. Each 86901
auditor conducting a field audit under this section shall follow 86902
the audit manual and program, regardless of whether the auditor 86903
is under contract with the department, works for a firm under 86904
contract with the department, or is employed by the department. 86905
The manual and program shall do both of the following: 86906

(a) Require each field audit to be conducted by an auditor 86907
to whom all of the following apply: 86908

(i) During the period of the auditor's contract, firm's 86909
contract, or auditor's employment with the department, the 86910

any direct or indirect financial interest in the ownership, 86912
financing, or operation of ICFs/IID in this state. 86913

(ii) The auditor does not audit any provider that has been 86914
a client of the auditor or the auditor's firm. 86915

(iii) The auditor is otherwise independent as determined 86916
by the standards of independence included in the government 86917
auditing standards produced by the United States government 86918
accountability office. 86919

(b) Require each auditor conducting a field audit to do 86920
all of the following: 86921

(i) Comply with applicable rules prescribed pursuant to 86922
Title XIX; 86923

(ii) Consider generally accepted auditing standards 86924
prescribed by the American institute of certified public 86925
accountants; 86926

(iii) Include a written summary as to whether the costs 86927
included in the cost report examined during the audit are 86928
allowable and are presented in accordance with state and federal 86929
laws and regulations, and whether, in all material respects, 86930
allowable costs are documented, reasonable, and related to 86931
patient care; 86932

(iv) Complete the audit within the time period specified 86933
by the department; 86934

(v) Provide to the provider complete written 86935
interpretations that explain in detail the application of all 86936
relevant contract provisions, regulations, auditing standards, 86937
rate formulae, and departmental policies, with explanations and 86938
examples, that are sufficient to permit the provider to 86939

calculate with reasonable certainty those costs that are 86940
allowable and the rate to which the provider's ICF/IID is 86941
entitled. 86942

(2) For the purpose of division (E) (1) (a) (i) of this 86943
section, employment of a member of an auditor's family by an 86944
ICF/IID that the auditor does not audit does not constitute a 86945
direct or indirect financial interest in the ownership, 86946
financing, or operation of the ICF/IID. 86947

(F) To the extent authorized by section 5162.021 of the 86948
Revised Code, the director of developmental disabilities shall 86949
adopt rules in accordance with Chapter 119. of the Revised Code 86950
establishing a definition of cost report audits pursuant to 86951
division (A) of this section. 86952

Sec. 5124.15. (A) Except as otherwise provided by section 86953

as determined under division (C) of this section. 87559

(2) Adjust the product determined under division (A)(1) of 87560
this section by the inflation rate estimated under division (D) 87561
of this section. 87562

(B) To determine an ICF/IID's cost per case-mix unit for a 87563
cost report year, the department shall determine the quotient of 87564
the following: 87565

(1) The ICF/IID's desk-reviewed, actual, allowable, per 87566
diem direct care costs for the cost report year; 87567

(2) The ICF/IID's annual average case-mix score as 87568
determined under section 5124.193 of the Revised Code for the 87569
fiscal year for which the rate is determined. 87570

(C)(1) The maximum cost per case-mix unit for a peer group 87571
for a fiscal year, other than peer group 5, is the following 87572

percentage above the peer group's median cost per case-mix unit 87573

(d) For peer group 4, twenty-two per cent. 87578

(2) The maximum cost per case-mix unit for peer group 5 87579
for a fiscal year is the ninety-fifth percentile of all ICFs/IID 87580
in peer group 5 for the applicable cost report year. 87581

(3) In determining the maximum cost per case-mix unit for 87582
a peer group under division (C)(1) of this section, the 87583
department shall exclude from its determination the cost per 87584
case-mix unit of any ICF/IID in the peer group that participated 87585
in the medicaid program under the same provider for less than 87586
twelve months during the applicable cost report year. 87587

(4) In determining the maximum cost per case-mix unit for 87588
a peer group under division (C)(1) or (2) of this section, the 87589
department shall exclude from its determination the cost per 87590
case-mix unit of any ICF/IID in the peer group that has a case- 87591
mix score that was assigned by the department to the ICF/IID 87592
under division (B) of section 5124.193 of the Revised Code. 87593

(5) The department shall not reset a peer group's maximum 87594
cost per case-mix unit for a fiscal year under division (C)(1) 87595
or (2) of this section based on additional information that the 87596
department receives after it sets the maximum for that fiscal 87597
year. The department shall reset a peer group's maximum cost per 87598
case-mix unit for a fiscal year only if it made an error in 87599
setting the maximum for that fiscal year based on information 87600

available to the department at the time it originally sets the 87601
maximum for that fiscal year. 87602

(D) The department shall estimate the rate of inflation 87603
for the eighteen-month period beginning on the first day of July 87604
of the applicable cost report year and ending on the last day of 87605
December of the fiscal year for which the rate is determined, 87606
using the following: 87607

(1) Subject to division (D)(2) of this section, the 87608
employment cost index for total compensation, health care and 87609
social assistance component, published by the United States 87610
bureau of labor statistics; 87611

(2) If the United States bureau of labor statistics ceases 87612
to publish the index specified in division (D)(1) of this 87613
section, the index that is subsequently published by the bureau 87614
and covers the staff costs of ICFs/IID. 87615

(E) To the extent authorized by section 5162.021 of the 87616
Revised Code, the director of developmental disabilities may 87617
adopt rules in accordance with Chapter 119. of the Revised Code 87618
establishing the following: 87619

(1) Costs related to training and staff development, 87620
employee benefits, payroll taxes, and workers' compensation 87621

Revised Code to be included in calculations of direct care 87624
costs; 87625

(2) Direct-care resources that are not listed in division 87626
(N) of section 5124.01 of the Revised Code but are to be 87627
included in calculations of direct care costs. 87628

Sec. 5124.191. (A) As used in sections 5124.191 to 87629

5124.193 of the Revised Code, "ICF/IID resident" includes an 87630
individual who is on hospital or therapeutic leave from an 87631
ICF/IID. 87632

~~(B) In accordance with rules adopted under section 5124.03~~ 87633
~~of the Revised Code, the~~ The department of developmental 87634
disabilities shall assess each ICF/IID resident regardless of 87635
payment source and compile complete assessment data on the 87636
residents. The department shall perform the initial assessment 87637
of an ICF/IID resident. The department may perform a subsequent 87638
assessment of an ICF/IID resident under any of the following 87639
circumstances: 87640

(1) The provider of the ICF/IID in which the resident 87641
resides or from which the resident is on hospital or therapeutic 87642
leave has submitted to the department under division (D) of this 87643
section revised assessment data for the resident or an 87644
attestation of no changes in the resident's assessment data and 87645
the department has reason to believe that the revised assessment 87646
data or attestation is inaccurate; 87647

(2) The department has reason to believe that the 87648
resident's most recent assessment no longer accurately reflects 87649
the resident's condition; 87650

(3) The department determines that the resident's most 87651
recent assessment should be updated because of the passage of 87652
time since that assessment was performed. 87653

(C) If an ICF/IID provider disagrees with the results of 87654
an assessment performed by the department under this section, 87655
the provider may request that the department reconsider the 87656
results in accordance with rules adopted under this section- 87657
~~5124.03 of the Revised Code.~~ 87658

(D) After the department assesses an ICF/IID resident under this section, the provider of the ICF/IID in which the resident resides or from which the resident is on hospital or therapeutic leave shall submit to the department, not later than fifteen days after the end of each subsequent calendar quarter and through the medium or media specified in rules adopted under this section 5124.03 of the Revised Code, either of the following:

(B) The department shall place each ICF/IID resident into 87695
one of the acuity groups. In determining which acuity group an 87696
ICF/IID resident is to be placed into, the department shall do 87697
all of the following: 87698

(1) In accordance with rules authorized by this section 87699

resident an assessment score for each of the medical, 87702
behavioral, and adaptive skills domains on the resident 87703
assessment instrument used to compile or revise assessment data 87704
for ICF/IID residents under section 5124.191 of the Revised 87705
Code; 87706

(2) For each of the ICF/IID resident's domain assessment 87707
scores and using values specified in rules authorized by this 87708
section, assign the following points: 87709

(a) If the resident's assessment score for the domain is 87710
more than one standard deviation above the mean assessment score 87711
for the domain for all ICF/IID residents as of December 31, 87712
2017, one point; 87713

(b) If the resident's assessment score for the domain is 87714
more than one-half standard deviation above the mean assessment 87715

31, 2017, and not more than one standard deviation above that mean, two points; 87717
87718

(c) If the resident's assessment score for the domain is more than the mean assessment score for the domain for all ICF/IID residents as of December 31, 2017, and not more than one-half standard deviation above that mean, three points; 87719
87720
87721
87722

(d) If the resident's assessment score for the domain is not more than the mean assessment score for the domain for all ICF/IID residents as of December 31, 2017, and not more than one-half standard deviation below that mean, four points; 87723
87724
87725
87726

(e) If the resident's assessment score for the domain is more than one-half standard deviation below the mean assessment score for the domain for all ICF/IID residents as of December 31, 2017, and not more than one standard deviation below that mean, five points; 87727
87728
87729
87730
87731

(f) If the resident's assessment score for the domain is more than one standard deviation below the mean assessment score for the domain for all ICF/IID residents as of December 31, 2017, six points. 87732
87733
87734
87735

(3) Using the following weights, determine the weighted sum of the points assigned under division (B) (2) of this section to each of the ICF/IID resident's domain assessment scores and round the weighted sum to the nearest whole number: 87736
87737
87738
87739

(a) Points assigned to the resident's assessment score for the medical domain shall be weighted at thirty-five per cent. 87740

(b) Points assigned to the resident's assessment score for the behavioral domain shall be weighted at thirty per cent. 87742
87743

(c) Points assigned to the resident's assessment score for 87744

the adaptive skills domain shall be weighted at thirty-five per cent. 87745
87746

(4) Place the ICF/IID resident into the following acuity group: 87747
87748

87750

(b) If the resident's weighted sum of points is at least six and not more than eight, group two; 87751
87752

(c) If the resident's weighted sum of points is nine or ten, group three; 87753

87756

(e) If the resident's weighted sum of points is at least thirteen and not more than fifteen, group five; 87757
87758

(f) If the resident's weighted sum of points is sixteen or higher, group six. 87759

domain assessment scores. 87776

(2) The case-mix score specified for an acuity group shall 87777
be based on relative resource use by ICF/IID residents who are 87778
placed in the group and were included in a time study of ICF/IID 87779
residents performed by the department. 87780

Sec. 5124.193. (A) Except as provided in division (B) of 87781
this section, the department of developmental disabilities shall 87782
do both of the following: 87783

annual average case-mix score for each ICF/IID using the 87792
ICF/IID's quarterly case-mix scores for that calendar year. 87793

(B) (1) Subject to divisions (B) (2) and (3) of this 87794
section, the department, for one or more months of a calendar 87795
quarter, may assign to an ICF/IID a case-mix score that is five 87796
per cent less than the ICF/IID's case-mix score as of the day 87797
immediately preceding the day on which the reduction takes 87798
effect if the provider does not timely comply with division (D) 87799

of section 5124.191 of the Revised Code. 87800

(2) Subject to division (B)(3) of this section, before 87801
assigning a case-mix score to an ICF/IID under division (B)(1) 87802
of this section, the department shall permit the provider to 87803
come into compliance with division (D) of section 5124.191 of 87804
the Revised Code. The department may assign the case-mix score 87805
if the provider fails to comply not later than forty-five days 87806
after the end of the calendar quarter to which the noncompliance 87807
pertains or a later date specified in rules authorized by this 87808
section. 87809

(3) The department shall take action under division (B)(1) 87810
or (2) of this section only in accordance with rules authorized 87811

Code pursuant to division (B)(2) of this section. 87823

Sec. 5124.21. (A) For each fiscal year, the department of 87824
developmental disabilities shall determine each ICF/IID's per 87825
medicaid day indirect care costs component rate. An ICF/IID's 87826
rate shall be the lesser of the individual rate determined under 87827
division (B) of this section and the maximum rate determined for 87828
the ICF/IID's peer group under division (C) of this section. 87829

(B) An ICF/IID's individual rate is the sum of the 87830
following: 87831

this section; 87835

(2) Subject to division (D) of this section, an efficiency 87836
incentive equal to the difference between the amount of the per 87837
diem indirect care costs for the applicable cost report year 87838
determined for the ICF/IID under division (B)(1) of this section 87839

maximum rate under division (C)(1) of this section based on 87851
additional information that it receives after the maximum rate 87852
is set. The department shall redetermine a peer group's maximum 87853
rate only if the department made an error in computing the 87854
maximum rate based on the information available to the 87855
department at the time of the original calculation. 87856

(D) The efficiency incentive for an ICF/IID shall not 87857

exceed the following: 87858

department determines is appropriate. 87880

(F) To the extent authorized by section 5162.021 of the 87881
Revised Code, the director of developmental disabilities may 87882
adopt rules in accordance with Chapter 119. of the Revised Code 87883
establishing costs related to the indirect care costs specified 87884
in division (AA) of section 5124.01 of the Revised Code to be 87885
included in calculations of indirect care costs. 87886

An ICF/IID's rate shall be the ICF/IID's desk-reviewed, actual, allowable, per diem other protected costs from the applicable cost report year, adjusted for inflation using the following:

~~(A)~~ (1) Subject to division (B) of this section, the consumer price index for all urban consumers for nonprescription drugs and medical supplies, as published by the United States bureau of labor statistics;

~~(B)~~ (2) If the United States bureau of labor statistics ceases to publish the index specified in division (A) of this section, the index that is subsequently published by the bureau and covers nonprescription drugs and medical supplies.

determined under division (D) of this section; 87925

(2) The number of points the ICF/IID was awarded under 87926
division (B) of this section for the fiscal year. 87927

(D) The relative weight point value for a fiscal year 87928
shall be determined as follows: 87929

by which the report of the data must be submitted to the 87954
department; 87955

(2) Satisfactory evidence needed to determine that an 87956
ICF/IID has met the quality indicators; 87957

each quality indicator is worth based on the quality indicator's 87960
relative importance compared to the other quality indicators. 87961

Sec. 5124.26. (A) Subject to division (D) of this section, 87962
the department of developmental disabilities may pay a medicaid 87963
rate add-on to an ICF/IID provider for outlier ICF/IID services 87964
the ICF/IID provides to residents identified as needing 87965
intensive behavioral support services, if the provider applies 87966

this section and the department determines that the protocol is acceptable; 87972
87973

(1) The best practices protocol described in division (A) 87980
(1) of this section; 87981

(2) Requirements regarding the services established in 87982
rules adopted under this ~~section 5124.03 of the Revised Code.~~ 87983

(C) To qualify to receive outlier ICF/IID services from an 87984
ICF/IID under this section, a resident of the ICF/IID must be a 87985
medicaid recipient, be determined to need intensive behavioral 87986
support services, and meet all other eligibility requirements 87987
established in rules adopted under this ~~section 5124.03 of the~~ 87988
~~Revised Code.~~ 87989

(D) The department shall negotiate with the department of 87990
medicaid the amount of the medicaid payment rate add-on, if any, 87991
to be paid under this section or the method by which that amount 87992
is to be determined. 87993

(E) To the extent authorized by section 5162.021 of the 87994
Revised Code, the director of developmental disabilities shall 87995
adopt rules in accordance with Chapter 119. of the Revised Code 87996
that establish all of the following: 87997

(1) Eligibility requirements for the rate add-on to an 87998
ICF/IID provider for outlier ICF/IID services the ICF/IID 87999

provides to residents identified as needing intensive behavioral 88000
support services pursuant to division (A) (2) of this section; 88001

(2) Requirements for the provision of outlier ICF/IID 88002
services pursuant to division (B) (2) of this section; 88003

(3) Eligibility requirements to receive outlier ICF/IID 88004
services from an ICF/IID pursuant to division (C) of this 88005
section. 88006

Sec. 5124.29. Except as otherwise provided in section 88007
5124.30 of the Revised Code, the department of developmental 88008
disabilities, in determining whether an ICF/IID's direct care 88009
costs and indirect care costs are allowable, shall place no 88010
limit on specific categories of reasonable costs other than 88011
compensation of owners, compensation of relatives of owners, and 88012
compensation of administrators. 88013

Compensation cost limits for owners and relatives of 88014
owners shall be based on compensation costs for individuals who 88015
hold comparable positions but who are not owners or relatives of 88016
owners, as reported on ICFs/IID's cost reports. As used in this 88017
section, "comparable position" means the position that is held 88018
by the owner or the owner's relative, if that position is listed 88019
separately on the cost report form, or if the position is not 88020
listed separately, the group of positions that is listed on the 88021
cost report form and that includes the position held by the 88022
owner or the owner's relative. ~~In~~ 88023

Based on civil service equivalents and to the extent 88024
authorized by section 5162.021 of the Revised Code, the director 88025
of developmental disabilities shall adopt rules in accordance 88026
with Chapter 119. of the Revised Code establishing the 88027
compensation cost limit in the case of an owner or owner's 88028

relative who serves the ICFs/IID in a capacity such as corporate officer, proprietor, or partner for which no comparable position or group of positions is listed on the cost report form, ~~the compensation cost limit shall be based on civil service equivalents and shall be specified in rules adopted under section 5124.03 of the Revised Code.~~

Compensation cost limits for administrators shall be based on compensation costs for administrators who are not owners or relatives of owners, as reported on ICFs/IID's cost reports.

Sec. 5124.34. (A) As used in this section, "participation in therapeutic programs" includes visits to potential new residential settings.

(B) The department of developmental disabilities shall pay an ICF/IID provider one hundred per cent of the total per medicaid day payment rate determined for the ICF/IID under this chapter to reserve a bed for a resident who is a medicaid recipient if all of the following apply:

(1) The recipient is temporarily absent from the ICF/IID for a reason that makes the absence qualified for payments under this section as specified in rules authorized by this section;

(2) The resident's plan of care provides for the absence;

(3) Federal financial participation is available for the payments.

(C) The maximum period during which medicaid payments may be made to reserve a bed shall not exceed the maximum period specified in federal regulations and shall not be more than thirty days during any calendar year for hospital stays, visits with relatives and friends, and participation in therapeutic programs. However, a resident shall not be subject to a maximum

period during which payments may be made to reserve a bed if 88058
prior authorization of the department is obtained for hospital 88059
stays, visits with relatives and friends, and participation in 88060
therapeutic programs. 88061

(D) (1) ~~The~~ To the extent authorized by section 5162.021 of 88062
the Revised Code, the director of developmental disabilities 88063
shall adopt ~~rules under section 5124.03 of the Revised Code as~~ 88064
~~necessary to implement this section, including rules in~~ 88065
accordance with Chapter 119. of the Revised Code that do the 88066
following: 88067

(a) Specify the reasons for which a temporary absence from 88068
an ICF/IID makes the absence qualify for payments under this 88069
section; 88070

(b) Establish conditions under which prior authorization 88071
may be obtained for the purpose of division (C) of this section. 88072

(2) The rules authorized by division (D) (1) (a) of this 88073
section shall include the following as reasons for which a 88074
temporary absence from an ICF/IID qualifies for payments under 88075
this section: 88076

(a) Hospitalization for acute conditions; 88077

(b) Visits with relatives and friends; 88078

(c) Participation in therapeutic programs outside the 88079
ICF/IID. 88080

Sec. 5124.38. (A) The director of developmental 88081
disabilities shall establish a process under which an ICF/IID 88082
provider, or a group or association of ICF/IID providers, may 88083
seek reconsideration of medicaid payment rates established under 88084
this chapter. Except as provided in divisions (B) to (E) of this 88085

section, the only issue that a provider, group, or association 88086
may raise in the rate reconsideration is whether the rate was 88087
calculated in accordance with this chapter and the rules adopted 88088
under this section ~~5124.03 of the Revised Code~~. The provider, 88089
group, or association may submit written arguments or other 88090
materials that support its position. The provider, group, or 88091
association and department shall take actions regarding the rate 88092
reconsideration within time frames specified in rules authorized 88093
by this section. 88094

If the department determines, as a result of the rate 88095
reconsideration, that the rate established for one or more 88096
ICFs/IID is less than the rate to which the ICF/IID is entitled, 88097
the department shall increase the rate. If the department has 88098
paid the incorrect rate for a period of time, the department 88099
shall pay the provider of the ICF/IID the difference between the 88100
amount the provider was paid for that period for the ICF/IID and 88101
the amount the provider should have been paid for the ICF/IID. 88102

(B) (1) The department, through the rate reconsideration 88103
process, may increase during a fiscal year the medicaid payment 88104
rate determined for an ICF/IID under this chapter if the 88105
provider demonstrates that the ICF/IID's actual, allowable costs 88106
have increased because of any of the following extreme 88107
circumstances: 88108

(a) A natural disaster; 88109

(b) If the ICF/IID has an appropriate claims management 88110
program, an increase in the ICF/IID's workers' compensation 88111
experience rating of greater than five per cent; 88112

(c) If the ICF/IID is an inner-city ICF/IID, increased 88113
security costs; 88114

(d) A change of ownership that results from bankruptcy, 88115
foreclosure, or findings by the department of health of 88116
violations of medicaid certification requirements; 88117

(e) Other extreme circumstances specified in rules 88118
authorized by this section. 88119

(2) An ICF/IID may qualify for a rate increase under this 88120
division only if its per diem, actual, allowable costs have 88121
increased to a level that exceeds its total rate. An increase 88122
under this division is subject to any rate limitations or 88123
maximum rates established by this chapter for specific cost 88124
centers. Any rate increase granted under this division shall 88125
take effect on the first day of the first month after the 88126
department receives the request. 88127

(C) The department, through the rate reconsideration 88128
process, may increase an ICF/IID's rate as determined under this 88129
chapter if the department, in the department's sole discretion, 88130
determines that the rate as determined under those sections 88131
works an extreme hardship on the ICF/IID. 88132

(D) (1) Subject to any applicable limitation under section 88133
5124.17 of the Revised Code, when beds certified for the 88134
medicaid program are added to an existing ICF/IID or replaced at 88135
the same site, the department, through the rate reconsideration 88136
process, may proportionately increase the ICF/IID's per medicaid 88137
day capital component rate determined under that section to 88138
account for the costs of the beds that are added or replaced. 88139

(2) If the department grants an increase under division 88140
(D) (1) of this section, the increase shall go into effect one 88141
month after the first day of the month after the department 88142
receives sufficient documentation needed to determine the amount 88143

of the increase. 88144

(3) The provider of an ICF/IID that has its per medicaid 88145
day payment rate for reasonable capital costs increased under 88146
division (D)(1) of this section shall report double accumulated 88147
depreciation in an amount equal to the depreciation included in 88148
the rate adjustment on its cost report for the first year of 88149
operation. During the term of any loan used to finance a project 88150
for which the rate increase is granted, the provider, if the 88151
ICF/IID is operated by the same provider, shall subtract from 88152
the interest costs it reports on the ICF/IID's cost report an 88153
amount equal to the difference between the following: 88154

(a) The actual, allowable interest costs for the loan 88155
during the calendar year for which the costs are being reported; 88156

(b) The actual, allowable interest costs attributable to 88157
the loan that were used to calculate the rates paid to the 88158
provider for the ICF/IID during the same calendar year. 88159

(E) If the provider of an ICF/IID submits to the 88160
department revised assessment data for a resident of the ICF/IID 88161
under division (D) of section 5124.191 of the Revised Code and 88162
the revised assessment data results in at least a fifteen per 88163
cent increase in the ICF/IID's case-mix score determined under 88164
section 5124.193 of the Revised Code, the provider may request 88165
that the department, through the rate reconsideration process, 88166
increase the ICF/IID's per medicaid day direct care costs 88167
component rate determined under section 5124.19 of the Revised 88168
Code to account for the increase in the ICF/IID's case-mix 88169
score. If the department determines that the revised assessment 88170
data so increases the ICF/IID's case-mix score, the department 88171
shall grant the rate increase. The increase shall go into effect 88172
one month after the first day of the month after the department 88173

receives sufficient documentation needed to determine the amount of the increase. 88174
88175

(F) The department's decision at the conclusion of a rate reconsideration process is not subject to any administrative proceedings under Chapter 119. or any other provision of the Revised Code. 88176

88179

to be provided; 88213

(B) The forms and documents that are to be provided to the 88214
department under sections 5124.511 and 5124.512 of the Revised 88215
Code, which shall include, in the case of such forms and 88216
documents provided by entering operators, all the fully executed 88217
leases, management agreements, merger agreements and supporting 88218
documents, and fully executed sales contracts and any other 88219

of developmental disabilities shall do all of the following: 88225

(1) Administer the work of the board, ~~subject to the~~ 88226
~~board's rules;~~ 88227

(3) Employ persons for all positions authorized by the 88231

board, approve contracts of employment for management employees 88232

as may be necessary for the work of the board; 88235

(4) Approve compensation for employees within the limits 88236
set by the salary schedule and budget set by the board, and 88237
ensure that all employees and consultants are properly 88238
reimbursed for actual and necessary expenses incurred in the 88239
performance of official duties; 88240

(5) Provide consultation to public agencies as defined in 88241
division (C) of section 102.01 of the Revised Code, including 88242
other county boards of developmental disabilities, and to 88243
individuals, agencies, or organizations providing services 88244
supported by the board. 88245

(B) The superintendent may authorize the payment of board 88246
obligations by the county auditor. 88247

Sec. 5126.04. (A) Each county board of developmental 88248
disabilities shall plan and set priorities based on available 88249
resources for the provision of facilities, programs, and other 88250
services to meet the needs of county residents who are 88251
individuals with developmental disabilities, former residents of 88252
the county residing in state institutions or, before September 88253

Code. 88257

Each county board shall assess the facility and service 88258

residents of the county or former residents of the county 88260

residing in state institutions or, before September 29, 2011, 88261
placed under purchase of service agreements under section 88262
5123.18 of the Revised Code. 88263

Each county board shall require individual habilitation or 88264
service plans for individuals with developmental disabilities 88265
who are being served or who have been determined eligible for 88266
services and are awaiting the provision of services. Each board 88267
shall ensure that methods of having their service needs 88268
evaluated are available. 88269

(B) (1) If a foster child is in need of assessment for 88270
eligible services or is receiving services from a county board 88271
of developmental disabilities and that child is placed in a 88272
different county, the agency that placed the child, immediately 88273
upon placement, shall inform the county board in the new county 88274
all of the following: 88275

of this section or otherwise learning that the child was in need 88285
of assessment for eligible services or was receiving services 88286
from a county board of developmental disabilities in the 88287
previous county, the county board in the new county shall 88288
communicate with the county board of the previous county to 88289

determine how services for the foster child shall be provided in accordance with each board's plan and priorities as described in division (A) of this section.

If the two county boards are unable to reach an agreement within ten days of the child's placement, the county board in the new county shall send notice to the Ohio department of developmental disabilities of the failure to agree. The department shall decide how services shall be provided for the foster child within ten days of receiving notice that the county boards could not reach an agreement. The department may decide that one, or both, of the county boards shall provide services. The services shall be provided in accordance with the board's plan and priorities as described in division (A) of this section.

~~(C) The department of developmental disabilities may adopt rules in accordance with Chapter 119. of the Revised Code as necessary to implement this section. To the extent that rules adopted under this section apply to the identification and placement of children with disabilities under Chapter 3323. of the Revised Code, the rules shall be consistent with the standards and procedures established under sections 3323.03 to 3323.05 of the Revised Code.~~

~~(D)~~ The responsibility or authority of a county board to provide services under this chapter does not affect the responsibility of any other entity of state or local government to provide services to individuals with developmental disabilities.

~~(E)~~ (D) On or before the first day of February prior to a school year, a county board of developmental disabilities may elect not to participate during that school year in the

provision of or contracting for educational services for 88320
children ages six through twenty-one years of age, provided that 88321
on or before that date the board gives notice of this election 88322
to the director of education and workforce, each school district 88323
in the county, and the educational service center serving the 88324
county. If a board makes this election, it shall not have any 88325
responsibility for or authority to provide educational services 88326
that school year for children ages six through twenty-one years 88327
of age. If a board does not make an election for a school year 88328
in accordance with this division, the board shall be deemed to 88329
have elected to participate during that school year in the 88330
provision of or contracting for educational services for 88331
children ages six through twenty-one years of age. 88332

~~(F)~~ (E) If a county board of developmental disabilities 88333
elects to provide educational services during a school year to 88334
individuals six through twenty-one years of age who have 88335
multiple disabilities, the board may provide these services to 88336
individuals who are appropriately identified and determined 88337
eligible pursuant to Chapter 3323. of the Revised Code, and in 88338
accordance with applicable rules of the department of education 88339
and workforce. The county board may also provide related 88340

section 3317.20 and Chapter 3323. of the Revised Code and 88343
applicable rules of the department of education and workforce. 88344

Sec. 5126.08. (A) The director of developmental 88345
disabilities shall adopt rules in accordance with Chapter 119. 88346
of the Revised Code ~~for all programs and services offered by a~~ 88347
~~county board of developmental disabilities. Such rules shall~~ 88348
~~include, but are not limited to,~~ establish the following: 88349

(1) Determination of what constitutes a program or service offered by a county board of developmental disabilities;	88350 88351
(2) Standards to be followed by a board in administering, providing, arranging, or operating programs and services;	88352 88353
(3) Standards for determining the nature and degree of developmental disability;	88354 88355
(4) Standards and procedures for making eligibility determinations for the programs and services;	88356 88357
(5) Procedures for obtaining consent for the arrangement of services under section 5126.31 of the Revised Code and for obtaining signatures on individualized service plans under that section;	88358 88359 88360 88361
(6) Specification of the service and support administration to be provided by a county board and standards for resolving grievances in connection with service and support administration.	88362 88363 88364 88365
(B) The director shall be the final authority in determining the nature and degree of developmental disability.	88366 88367
Sec. 5126.081. (A) In addition to the rules adopted under division (A) (2) of section 5126.08 of the Revised Code establishing standards for the administration, provision, arrangement, and operation of programs and services by county boards of developmental disabilities, the department of developmental disabilities shall establish a system of accreditation for county boards of developmental disabilities to ensure that the boards are in compliance with federal and state statutes and rules. The department shall adopt rules in accordance with Chapter 119. of the Revised Code governing the system of accreditation. The rules shall include specifying	88368 88369 88370 88371 88372 88373 88374 88375 88376 88377 88378

appropriate timelines for compliance when a board is found to be 88379
not in compliance and appropriate actions to be taken by boards 88380
in complying with the accreditation requirements. 88381

(B) Prior to accrediting a board, the department shall 88382
conduct a comprehensive, on-site review of the board. During the 88383
review, the department shall document the board's compliance 88384
with the department's accreditation requirements. After 88385
completing the review, the department shall conduct an exit 88386
conference with the president of the board, the superintendent 88387
of the board, and any other officials the board asks to have 88388
present. The department shall discuss its findings from the 88389
review with the board's representatives and provide a written 88390
report of its findings not later than thirty days following the 88391
exit conference. If the department finds that the board is in 88392
compliance with the requirements for accreditation, the 88393
department shall issue evidence of accreditation to the board. 88394

Accreditation may be granted for periods of up to five 88395
years and may be renewed. Not less than once prior to the date a 88396
board's accreditation is scheduled to expire, the department 88397
shall conduct a comprehensive, on-site review of the board. 88398

Each board shall conduct an annual audit of itself to 88399
evaluate its compliance with the requirements for accreditation. 88400
The department may conduct an interim review of any new program 88401
or service initiated by a board after its last comprehensive 88402
review. The department may conduct other reviews and 88403
investigations as necessary to enforce this section. 88404

(C) If the department determines through its review of a 88405
board that the board is not in compliance with the requirements 88406
for accreditation, the department shall, except as provided in 88407
division (F) of this section, grant the board an opportunity to 88408

correct the matters in which it is not in compliance. The 88409
department shall grant the board an appropriate length of time 88410
to comply with the requirements prior to taking any action to 88411
deny accreditation to the board. To avoid denial of 88412
accreditation, the board superintendent shall prepare a plan of 88413
correction to remediate the matters specified in the 88414
department's written report as not being in compliance with the 88415
requirements for accreditation. The superintendent shall submit 88416
the plan to the board for review, and the board shall review the 88417
plan. If the board believes that the plan is sufficient to 88418
correct the matters, the board shall approve the plan by 88419
resolution and submit the plan to the department for its review. 88420
The department shall review the plan of correction. If the 88421
department approves the plan, the board shall commence action to 88422
implement the plan. The department shall, as necessary, conduct 88423
follow-up reviews of the board to determine whether it has met 88424
the requirements for accreditation. If the plan of correction 88425
submitted by a board is disapproved, the department shall inform 88426
the board of the reasons for disapproval and may grant the board 88427
an opportunity to submit a revised plan of correction. 88428

A board may request technical assistance from the 88429
department, other boards, or professional organizations in 88430
preparing plans of correction and in implementing plans of 88431
correction. 88432

(D) If, after being given the opportunity to implement a 88433
plan of correction, a board continues to fail to meet the 88434
requirements for accreditation, the department shall issue an 88435
order denying accreditation to the board. The department may 88436
deny accreditation to the board for all or part of the programs 88437
or services offered by the board. 88438

The department shall simultaneously notify all of the 88439
following officials in the county: the members of the board of 88440
county commissioners, the senior probate judge, the county 88441
auditor, and the president and superintendent of the county 88442
board of developmental disabilities. The notice shall identify 88443
the programs and services that have been denied accreditation, 88444
the requirements for accreditation with which the board is not 88445
in compliance, and the responsibilities of the county officials 88446
to contract under division (E) (1) of this section to have the 88447
board's programs and services administered by another party or 88448
become subject to administrative receivership under division (E) 88449
(2) of this section. 88450

(E) (1) When a board is denied accreditation, the 88451
department shall first give the board the option of contracting 88452
to have the board's programs and services that were denied 88453
accreditation administered by an accredited county board of 88454
developmental disabilities or another qualified entity subject 88455
to the approval of the department. The board may contract with 88456
more than one board that has been accredited. When a board 88457
enters into a contract, the board shall, by resolution, give the 88458
contractor full administrative authority over the programs and 88459
services that the contractor will administer. 88460

(2) If a board fails to exercise its option of entering 88461
into a contract under division (E) (1) of this section sooner 88462
than thirty days after the department denies accreditation, the 88463
department shall appoint an administrative receiver of the 88464
board's programs and services that were denied accreditation. 88465
The department may appoint employees of the department, 88466
management personnel from county boards of developmental 88467
disabilities, or individuals from other entities as necessary to 88468
meet its needs for appointing an administrative receiver, except 88469

that individuals from other entities may be appointed only when 88470
qualified department employees or board management personnel are 88471
unavailable. The department may not appoint an individual who is 88472
employed by or affiliated with an entity that is under contract 88473
with the board. The administrative receiver shall assume full 88474
administrative responsibility for the board's programs and 88475
services that were denied accreditation. 88476

(3) The board or entity that contracts with a board under 88477
division (E) (1) of this section, or the administrative receiver 88478
appointed under division (E) (2) of this section, shall develop 88479
and implement a plan of correction to remediate the matters that 88480
caused the department to deny accreditation. The contractor or 88481
administrative receiver shall submit the plan to the department, 88482
and the department shall review the plan. If the plan is 88483
approved by the department, the contractor or administrative 88484
receiver shall commence action to implement the plan. The 88485
contractor or administrative receiver shall report to the 88486
department any findings it can make pertaining to issues or 88487
circumstances that are beyond the control of the board and 88488
result in the unlikelihood that compliance with the requirements 88489
for accreditation can be achieved unless the issues or 88490
circumstances are remediated. 88491

(4) For purposes of divisions (E) (1) and (2) of this 88492
section, the department shall require the board that has been 88493
denied accreditation to transfer control of state and federal 88494
funds it is eligible to receive for the board's programs and 88495
services that have been denied accreditation in an amount 88496
necessary for the contractor or administrative receiver to 88497
fulfill its duties in administering the programs and services 88498
for the board. The transfer of control of funds does not cause 88499
any programs and services of the board that are accredited to 88500

lose their accreditation. If the board refuses to transfer 88501
control of funds, the department may withhold state and federal 88502
funds from the board in an amount necessary for the contractor 88503
or administrative receiver to fulfill its duties. The amount 88504
transferred or withheld from a board shall include 88505
reimbursements for the personnel of the contractor or 88506
administrative receiver, including amounts for time worked, 88507
travel, and related expenses. 88508

A contractor or administrative receiver that has assumed 88509
the administration of a board's programs and services has the 88510
right to authorize the payment of bills in the same manner that 88511
a board may authorize payment of bills under this chapter and 88512
section 319.16 of the Revised Code. 88513

(F) When the department's review of a board reveals 88514
serious health and safety issues within the programs and 88515
services offered by the board, the department shall order the 88516
board to correct the violations immediately or appoint an 88517
administrative receiver. 88518

(G) At any time a board can demonstrate that it is capable 88519
of assuming its duties in compliance with the department's 88520
requirements for accreditation, the department shall reverse its 88521
order denying accreditation and issue evidence of accreditation 88522
to the board. 88523

A board may appeal the department's denial of 88524
accreditation or refusal to reverse a denial of accreditation 88525
only by filing a complaint under section 5123.043 of the Revised 88526
Code. If in its appeal the board can demonstrate that it is 88527
capable of assuming its duties in compliance with the 88528
department's requirements for accreditation, the department 88529
shall reverse its order denying accreditation and shall issue 88530

evidence of accreditation to the board. 88531

(H) All notices issued to a board by the department under 88532
this section shall be delivered to the board's president and 88533
superintendent. 88534

(I) A board's president may designate another member of 88535
the board as the individual to be responsible for fulfilling all 88536
or part of the president's responsibilities established under 88537
this section. 88538

Sec. 5126.11. (A) As used in this section, "respite care" 88539
means appropriate, short-term, temporary care that is provided 88540
to an individual with a developmental disability to sustain the 88541
family structure or to meet planned or emergency needs of the 88542
family. 88543

(B) Subject to rules adopted by the director of 88544
developmental disabilities, and subject to the availability of 88545
money from state and federal sources, the county board of 88546
developmental disabilities shall establish a family support 88547
services program. Under such a program, the board shall make 88548
payments to an individual with a developmental disability or the 88549
family of an individual with a developmental disability who 88550
desires to remain in and be supported in the family home. 88551
Payments shall be made for all or part of costs incurred or 88552
estimated to be incurred for services that would promote self- 88553
sufficiency and normalization, prevent or reduce inappropriate 88554
institutional care, and further the unity of the family by 88555
enabling the family to meet the special needs of the individual 88556
and to live as much like other families as possible. Payments 88557
may be made in the form of reimbursement for expenditures or in 88558
the form of vouchers to be used to purchase services. 88559

(C) Payment shall not be made under this section to an individual or the individual's family if the individual is living in a residential facility that is providing residential services under contract with the department of developmental disabilities or a county board.

(D) Payments may be made for the following services:

(1) Respite care, in or out of the home;

(2) Counseling, supervision, training, and education of the individual, the individual's caregivers, and members of the individual's family that aid the family in providing proper care for the individual, provide for the special needs of the family, and assist in all aspects of the individual's daily living;

(3) Special diets, purchase or lease of special equipment, or modifications of the home, if such diets, equipment, or modifications are necessary to improve or facilitate the care and living environment of the individual;

(4) Providing support necessary for the individual's continued skill development, including such services as development of interventions to cope with unique problems that may occur within the complexity of the family, enrollment of the individual in special summer programs, provision of appropriate leisure activities, and other social skills development activities;

(5) Any other services that are consistent with the purposes specified in division (B) of this section and specified in the individual's service plan.

(E) In order to be eligible for payments under a family support services program, the individual or the individual's family must reside in the county served by the county board, and

the individual must be in need of habilitation. Payments shall 88589
be adjusted for income in accordance with the payment schedule 88590
established in rules adopted under this section. Payments shall 88591
be made only after the county board has taken into account all 88592
other available assistance for which the individual or family is 88593
eligible. 88594

(F) Before incurring expenses for a service for which 88595
payment will be sought under a family support services program, 88596
the individual or family shall apply to the county board for a 88597
determination of eligibility and approval of the service. The 88598
service need not be provided in the county served by the county 88599
board. After being determined eligible and receiving approval 88600
for the service, the individual or family may incur expenses for 88601
the service or use the vouchers received from the county board 88602
for the purchase of the service. 88603

If the county board refuses to approve a service, an 88604
appeal may be made in accordance with rules adopted by the 88605
department under this section. 88606

(G) To be reimbursed for expenses incurred for approved 88607
services, the individual or family shall submit to the county 88608
board a statement of the expenses incurred accompanied by any 88609
evidence required by the board. To redeem vouchers used to 88610
purchase approved services, the entity that provided the service 88611
shall submit to the county board evidence that the service was 88612
provided and a statement of the charges. The county board shall 88613
make reimbursements and redeem vouchers not later than forty- 88614
five days after it receives the statements and evidence required 88615
by this division. 88616

(H) A county board shall consider the following objectives 88617
in carrying out a family support services program: 88618

(1) Enabling individuals to return to their families from 88619
an institution under the jurisdiction of the department of 88620
developmental disabilities; 88621

(2) Enabling individuals found to be subject to 88622
institutionalization by court order under section 5123.76 of the 88623
Revised Code to remain with their families with the aid of 88624
payments provided under this section; 88625

(3) Providing services to eligible children and adults 88626
currently residing in the community; 88627

(4) Providing services to individuals with developmental 88628
disabilities who are not receiving other services from the 88629
board. 88630

(I) The director shall adopt, and may amend and rescind, 88631
~~rules for the implementation of family support services programs~~ 88632
~~by county boards. The rules shall include specifying all of the~~ 88633
~~following regarding family support services programs by county~~ 88634
~~boards:~~ 88635

(2) Standards for supervision, training, and quality 88637
control in the provision of respite care services; 88638

(3) Eligibility standards and procedures for providing 88639
temporary emergency respite care; 88640

(4) Procedures for hearing and deciding appeals made under 88641
division (F) of this section. 88642

Rules adopted under division (I)(1) of this section shall 88643
be adopted in accordance with section 111.15 of the Revised 88644
Code. Rules adopted under divisions (I)(2) to (4) of this 88645
section shall be adopted in accordance with Chapter 119. of the 88646

Revised Code. 88647

(J) All individuals certified by the superintendent of the 88648
county board as eligible for temporary emergency respite care in 88649
accordance with rules adopted under this section shall be 88650
considered eligible for temporary emergency respite care for not 88651
more than five days to permit the determination of eligibility 88652
for family support services. The requirements of divisions (E) 88653
and (F) of this section do not apply to temporary emergency 88654
respite care. 88655

(K) The county board shall not be required to make 88656
payments for family support services at a level that exceeds 88657
available state and federal funds for such payments. 88658

Sec. 5126.131. (A) (1) Each regional council established 88659
under section 5126.13 of the Revised Code shall file with the 88660
department of developmental disabilities an annual cost report 88661
detailing the regional council's income and expenditures. 88662

(2) Each county board of developmental disabilities shall 88663
file with the department an annual cost report detailing the 88664
board's income and expenditures. 88665

(B) (1) (a) Unless the department establishes a later date 88666
for all regional council cost reports, each council shall file 88667
its cost report not later than the last day of April. At the 88668
written request of a regional council, the department may grant 88669
a fourteen-day extension for filing the cost report. 88670

(b) Unless the department establishes a later date for all 88671
county board cost reports, each board shall file its cost report 88672
not later than the last day of May. At the written request of a 88673
board, the department may grant a fourteen-day extension for 88674
filing the board's cost report. 88675

(2) The cost report shall contain information on the 88676
previous calendar year's income and expenditures. Once filed by 88677
a regional council or board, no changes may be made to the cost 88678
report, including the submission of additional documentation, 88679
except as otherwise provided in this section. 88680

(C) Each cost report filed under this section by a 88681
regional council or board may be audited by the department or an 88682
entity designated by the department, utilizing methodology 88683
approved by the United States centers for medicare and medicaid 88684

regional council or board of the date on which the audit is to 88686
begin. The department may permit a regional council or board to 88687
submit changes to the cost report before the audit begins. 88688

If the department or designated entity determines that a 88689
filed cost report is not auditable, it shall provide written 88690
notification to the regional council or board of the cost 88691
report's deficiencies and may request additional documentation. 88692
If the department or designated entity requests additional 88693
documentation, the regional council or board shall be given 88694
sixty days after the request is made to provide the additional 88695
documentation. After sixty days, the department or designated 88696
entity shall determine whether the cost report is auditable with 88697
any additional documentation provided and shall notify the 88698
regional council or board of its determination. The 88699
determination of the department or designated entity is final. 88700

(D) The department or designated entity shall certify its 88701
audit as complete and file a copy of the certified audit in the 88702
office of the clerk of the governing body, executive officer of 88703
the governing body, and chief fiscal officer of the audited 88704
regional council or board. Changes may not be made to a cost 88705

report once the department or designated entity files the 88706
certified audit. The cost report is not a public record under 88707
section 149.43 of the Revised Code until copies of the cost 88708
report are filed pursuant to this section. 88709

The department of youth services shall adopt rules prescribing the manner of application for financial assistance under this section for the operation and maintenance of a detention facility provided, or district detention facility established, under section 2151.41 of the Revised Code and prescribing minimum standards of operation, including criteria 88902

for programs of education, training, counseling, recreation, 88908
health, and safety, and qualifications of personnel with which a 88909
facility shall comply as a condition of eligibility for 88910
assistance under this section. If the board of county 88911
commissioners providing a detention facility or the board of 88912
trustees of a district detention facility applies to the 88913
department for assistance and if the department finds that the 88914
application is in accordance with the rules adopted under this 88915
section and that the facility meets the minimum standards 88916
adopted under this section, the department may grant assistance 88917
to the applicant board for the operation and maintenance of each 88918
facility in an amount not to exceed fifty per cent of the 88919
approved annual operating cost. The board shall make a separate 88920
application for each year for which assistance is requested. 88921

The department shall adopt ~~any necessary~~ rules for the 88922
care, treatment, and training in a district detention facility 88923
of children found to be delinquent children and committed to the 88924
facility by the juvenile court under section 2151.19 of the 88925
Revised Code and may approve for this purpose any facility that 88926
is found to be in compliance with the rules it adopts. 88927

The department shall fund, at least once every six months, 88928
in-service training programs approved by the department for 88929
staff members of detention facilities or district detention 88930
facilities. 88931

Sec. 5139.33. (A) The department of youth services shall 88932
make grants in accordance with this section to encourage 88933
counties to use community-based programs and services for 88934
juveniles who are adjudicated delinquent children for the 88935
commission of acts that would be felonies if committed by an 88936
adult. 88937

(B) Each county seeking a grant under this section shall 88938
file an application with the department of youth services. The 88939
application shall be filed at the time and in accordance with 88940
procedures established by the department in rules adopted under 88941
this section. Each application shall be accompanied by a plan 88942
designed to reduce the county's commitment percentage, or to 88943
enable it to maintain or attain a commitment percentage that is 88944
equal to or below the statewide average commitment percentage. A 88945
county's commitment percentage is the percentage determined by 88946
dividing the number of juveniles the county committed to the 88947
department during the year by the number of juveniles who were 88948
eligible to be committed. The statewide average commitment 88949
percentage is the percentage determined by dividing the number 88950
of juveniles in the state committed to the department during the 88951
year by the number of juveniles who were eligible to be 88952
committed. These percentages shall be determined by the 88953
department using the most reliable data available to it. 88954

Each plan shall include a method of ensuring equal access 88955
for minority youth to the programs and services for which the 88956
grant will be used. 88957

The department shall review each application and plan to 88958
ensure that the requirements of this division are satisfied. Any 88959
county applying for a grant under this section that received a 88960
grant under this section during the preceding year and that 88961
failed to meet its commitment goals for that year shall make the 88962
changes in its plan that the department requires in order to 88963
continue to be eligible for grants under this section. 88964

(C) Subject to division (E) of this section, the amounts 88965
appropriated for the purpose of making grants under this section 88966
shall be distributed annually on a per capita basis among the 88967

counties that have complied with division (B) of this section. 88968

89052 (B) The department of youth services shall apply the
89053 following formula to determine the amount of the annual grant

89055 section, subject to the appropriation for this purpose to the
89056 department made by the general assembly:

(1) Each county shall receive a basic annual grant of 89057
fifty thousand dollars. 89058

(2) The sum of the basic annual grants provided under 89059

payment that shall be made in July of each calendar year. 89092

(3) Upon an order of the juvenile court that serves a 89093
county and subject to appropriation by the board of county 89094

Sec. 5139.43. (A) The department of youth services shall 89131

providing a health care service, device, or drug. 90568

(5) "Urgent care services" means a medical care or other 90569

(3) On or before January 1, 2018, a health care provider 90608
and the department of medicaid or its designee may enter into a 90609
contractual arrangement under which the department or its 90610

create for the provider or if internet connectivity is limited 90614
or unavailable where the provider is located. 90615

(4) (a) On or before January 1, 2018, if the health care 90616
provider submits the request for prior authorization 90617

not apply to emergency services. 90624

(b) The response required under division (B) (4) (a) of this 90625
section shall indicate whether the request is approved or 90626
denied. If the prior authorization is denied, the department or 90627
its designee shall provide the specific reason for the denial. 90628

(c) If the prior authorization request is incomplete, the 90629

(ii) The frequency of the submission of requested 90662
information shall be consistent with medical or scientific 90663
evidence as defined in section 3922.01 of the Revised Code, but 90664
shall not be required more frequently than quarterly. 90665

(iii) If the health care provider does not respond within 90666
five calendar days from the date the request was received, the 90667
insurer or plan may terminate the twelve-month approval. 90668

(d) A twelve-month approval provided under division (B) (6) 90669
(a) of this section is no longer valid and automatically 90670
terminates if there are changes to federal or state laws or 90671
federal regulatory guidance or compliance information 90672
prescribing that the drug in question is no longer approved or 90673
safe for the intended purpose. 90674

(8) Nothing in division (B) (6) or (7) of this section prohibits the substitution, in accordance with section 4729.38	90706 90707

(b) An interchangeable biological product, as defined in 90716
section 3715.01 of the Revised Code. 90717

(9)(a) On or after January 1, 2017, upon written request, 90718
the department or its designee shall permit a retrospective 90719

authorization was required, but not obtained if the service in 90721
question meets all of the following: 90722

time the original prior authorized service was performed. 90727

(iii) The need for the new service was revealed at the 90728
time the original authorized service was performed. 90729

(b) Once the written request and all necessary information 90730
is received, the department or its designee shall review the 90731
claim for coverage and medical necessity. The department or its 90732
designee shall not deny a claim for such a new service based 90733
solely on the fact that a prior authorization approval was not 90734
received for the new service in question. 90735

(10) (a) On or before January 1, 2017, disclose to all participating health care providers any new prior authorization requirement at least thirty days prior to the effective date of the new requirement.

(b) The notice may be sent via electronic mail or standard mail and shall be conspicuously entitled "Notice of Changes to Prior Authorization Requirements." receives the appeal. 90769

(c) The appeal shall be between the health care provider 90770
requesting the service in question and a clinical peer appointed 90771
by or contracted by the department or the department's designee. 90772

(d) If the appeal does not resolve the disagreement, the 90773
appeal procedures shall permit the recipient to further appeal 90774
in accordance with section 5160.31 of the Revised Code. 90775

(C) Beginning January 1, 2017, except in cases of 90776
fraudulent or materially incorrect information, the department 90777
or its designee shall not retroactively deny a prior 90778
authorization for a health care service, drug, or device when 90779
all of the following are met: 90780

(1) The health care provider submits a prior authorization 90781
request to the department or its designee for a health care 90782
service, drug, or device. 90783

(2) The department or its designee approves the prior 90784
authorization request after determining that all of the 90785
following are true: 90786

(a) The recipient is eligible for the health care service, 90787
drug, or device under the medical assistance program. 90788

(b) The health care service, drug, or device is covered by 90789
the medical assistance program. 90790

(c) The health care service, drug, or device meets the 90791
department's standards for medical necessity and prior 90792

authorization. 90793

(3) The health care provider renders the health care 90794
service, drug, or device pursuant to the approved prior 90795
authorization request and all of the terms and conditions of the 90796
health care provider's contract with the department or the 90797
department's designee. 90798

(4) On the date the health care provider renders the prior 90799
approved health care service, drug, or device, all of the 90800
following are true: 90801

(a) The recipient is eligible for the medical assistance 90802
program. 90803

(b) The recipient's condition or circumstances related to 90804
the recipient's care has not changed. 90805

(c) The health care provider submits an accurate claim 90806
that matches the information submitted by the health care 90807
provider in the approved prior authorization request. 90808

(5) If the health care provider submits a claim that 90809
includes an unintentional error and the error results in a claim 90810
that does not match the information originally submitted by the 90811
health care provider in the approved prior authorization 90812
request, upon receiving a denial of services from the department 90813
or its designee, the health care provider may resubmit the claim 90814
pursuant to division (C) of this section with the information 90815
that matches the information included in the approved prior 90816
authorization. 90817

(D) Any provision of a contractual arrangement entered 90818
into between the department or its designee and a health care 90819
provider or recipient that is contrary to divisions (A) to (C) 90820
of this section is unenforceable. 90821

(E) The medicaid director ~~of medicaid~~ may adopt rules in 90822
accordance with Chapter 119. of the Revised Code ~~as necessary to~~ 90823
~~implement the provisions of this section~~ regarding prior 90824
authorization under the medical assistance program. 90825

Sec. 5160.37. (A) A medical assistance recipient's 90826
enrollment in a medical assistance program gives an automatic 90827
right of recovery to the department of medicaid and a county 90828
department of job and family services against the liability of a 90829
third party for the cost of medical assistance paid on behalf of 90830
the recipient. When an action or claim is brought against a 90831
third party by a medical assistance recipient, any payment, 90832
settlement or compromise of the action or claim, or any court 90833
award or judgment, is subject to the recovery right of the 90834
department of medicaid or county department. Except in the case 90835
of a medical assistance recipient who receives medical 90836
assistance through a medicaid managed care organization, the 90837
department's or county department's claim shall not exceed the 90838
amount of medical assistance paid by the department or county 90839
department on behalf of the recipient. A payment, settlement, 90840
compromise, judgment, or award that excludes the cost of medical 90841
assistance paid for by the department or county department shall 90842
not preclude a department from enforcing its rights under this 90843
section. 90844

(B) (1) In the case of a medical assistance recipient who 90845
receives medical assistance through a medicaid managed care 90846
organization that has a capitation agreement with a provider, 90847
the amount of the department's or county department's claim 90848
shall be the amount the medicaid managed care organization would 90849
have paid in the absence of a capitation agreement. 90850

(2) In the case of a medical assistance recipient who 90851

receives medical assistance through a medicaid managed care 90852
organization that does not have a capitation agreement with a 90853
provider, the amount of the department's or county department's 90854
claim shall be the amount the medicaid managed care organization 90855
pays for medical assistance rendered to the recipient, even if 90856
that amount is more than the amount the department or county 90857
department pays to the medicaid managed care organization for 90858
the recipient's medical assistance. 90859

(C) A medical assistance recipient, and the recipient's 90860
attorney, if any, shall cooperate with the departments. In 90861
furtherance of this requirement, the medical assistance 90862
recipient, or the recipient's attorney, if any, shall, not later 90863
than thirty days after initiating informal recovery activity or 90864
filing a legal recovery action against a third party, provide 90865
written notice of the activity or action to the department of 90866
medicaid or county department if it has paid for medical 90867
assistance under a medical assistance program. 90868

(D) The written notice that must be given under division 90869
(C) of this section shall disclose the identity and address of 90870
any third party against whom the medical assistance recipient 90871
has or may have a right of recovery. 90872

(E) No settlement, compromise, judgment, or award or any 90873
recovery in any action or claim by a medical assistance 90874
recipient where the department or county department has a right 90875
of recovery shall be made final without first giving the 90876
department or county department written notice as described in 90877
division (C) of this section and a reasonable opportunity to 90878
perfect its rights of recovery. If the department or county 90879
department is not given the appropriate written notice, the 90880
medical assistance recipient and, if there is one, the 90881

recipient's attorney, are liable to reimburse the department or 90882
county department for the recovery received to the extent of 90883
medical assistance payments made by the department or county 90884
department. 90885

(F) The department or county department shall be permitted 90886
to enforce its recovery rights against the third party even 90887
though it accepted prior payments in discharge of its rights 90888
under this section if, at the time the department or county 90889
department received such payments, it was not aware that 90890
additional medical expenses had been incurred but had not yet 90891
been paid by the department or county department. The third 90892
party becomes liable to the department or county department as 90893
soon as the third party is notified in writing of the valid 90894
claims for recovery under this section. 90895

(G) (1) Subject to division (G) (2) of this section, the 90896
right of recovery of the department or county department does 90897
not apply to that portion of any judgment, award, settlement, or 90898
compromise of a claim, to the extent of attorneys' fees, costs, 90899
or other expenses incurred by a medical assistance recipient in 90900
securing the judgment, award, settlement, or compromise, or to 90901
the extent of medical, surgical, and hospital expenses paid by 90902
such recipient from the recipient's own resources. 90903

(2) Reasonable attorneys' fees, not to exceed one-third of 90904
the total judgment, award, settlement, or compromise, plus costs 90905
and other expenses incurred by the medical assistance recipient 90906
in securing the judgment, award, settlement, or compromise, 90907
shall first be deducted from the total judgment, award, 90908
settlement, or compromise. After fees, costs, and other expenses 90909
are deducted from the total judgment, award, settlement, or 90910
compromise, there shall be a rebuttable presumption that the 90911

department of medicaid or county department shall receive no 90912
less than one-half of the remaining amount, or the actual amount 90913
of medical assistance paid, whichever is less. A party may rebut 90914
the presumption in accordance with division (L)(1), (2), or (3) 90915
of this section, as applicable. 90916

(H) A right of recovery created by this section may be 90917
enforced separately or jointly by the department of medicaid or 90918
county department. To enforce its recovery rights, the 90919
department or county department may do any of the following: 90920

(1) Intervene or join in any action or proceeding brought 90921
by the medical assistance recipient or on the recipient's behalf 90922
against any third party who may be liable for the cost of 90923
medical assistance paid; 90924

(2) Institute and pursue legal proceedings against any 90925
third party who may be liable for the cost of medical assistance 90926
paid; 90927

(3) Initiate legal proceedings in conjunction with any 90928
injured, diseased, or disabled medical assistance recipient or 90929
the recipient's attorney or representative. 90930

(I) A medical assistance recipient shall not assess 90931
attorney fees, costs, or other expenses against the department 90932
of medicaid or a county department when the department or county 90933
department enforces its right of recovery created by this 90934
section. 90935

(J) The right of recovery given to the department under 90936
this section includes payments made by a third party under 90937
contract with a person having a duty to support. 90938

(K) The department of medicaid may assign to a medical 90939
assistance provider the right of recovery given to the 90940

department under this section with respect to any claim for 90941
which the department has notified the provider that the 90942
department intends to recoup the department's prior payment for 90943
the claim. 90944

(L) (1) Prior to any payment to the department or a county 90945
department pursuant to the department's or county department's 90946
right of recovery under this section, a party that desires to 90947
rebut the presumption in division (G) of this section shall 90948
submit to the department or county department a request for a 90949
hearing in accordance with the procedure the department 90950
establishes in rules required by division (O) of this section. 90951
The amount sought by the department or county department shall 90952
be held in escrow or in an interest on lawyers' trust account 90953
until the hearing examiner renders a decision or the case is 90954
otherwise concluded. A party successfully rebuts the presumption 90955
by a showing of clear and convincing evidence that a different 90956
allocation is warranted. 90957

(2) A medical assistance recipient who has repaid money, 90958
on or after September 29, 2007, to the department or a county 90959
department pursuant to the department's or county department's 90960
right of recovery under this section, section 5160.38 of the 90961
Revised Code, or former section 5101.58 or 5101.59 of the 90962
Revised Code may request a hearing to rebut the presumption in 90963
division (G) of this section. The request shall be made in 90964
accordance with the procedure the department establishes for 90965
this purpose in rules required by division (O) of this section. 90966
It must be made not later than one hundred eighty days after 90967
September 29, 2015, or ninety days after the payment is made, 90968
whichever is later. A party successfully rebuts the presumption 90969
by a showing of clear and convincing evidence that a different 90970
allocation is warranted. 90971

(3) A medical assistance recipient who has repaid money, 90972
between April 6, 2007 and September 28, 2007, to the department 90973
or a county department pursuant to the department's or county 90974
department's right of recovery under this section, section 90975
5160.38 of the Revised Code, or former section 5101.58 or 90976
5101.59 of the Revised Code may request a hearing to rebut the 90977
presumption in division (G) of this section. The request shall 90978
be made not later than one hundred eighty days after ~~the~~ 90979
~~effective date of this amendment~~ September 30, 2025, in 90980
accordance with the procedure the department establishes for 90981
this purpose in rules required by division (O) of this section. 90982
The presumption is successfully rebutted if the requestor 90983
demonstrates by clear and convincing evidence that a different 90984
allocation is warranted. 90985

(4) With respect to a hearing requested under division (L) 90986
(1), (2), or (3) of this section, all of the following are the 90987
case: 90988

(a) The hearing examiner may consider, but is not bound by 90989
the allocation of, medical expenses specified in a settlement 90990
agreement between the medical assistance recipient and the 90991
relevant third party; 90992

(b) The department or county department may raise 90993
affirmative defenses during the hearing, including the existence 90994
of a prior settlement with the medical assistance recipient, the 90995
doctrine of accord and satisfaction, or the common law principle 90996
of res judicata; 90997

(c) If the parties agree, live testimony shall not be 90998
presented at the hearing; 90999

(d) ~~The hearing may be governed by rules adopted under~~ 91000

~~section 5160.02 of the Revised Code. If such rules are adopted,~~ 91001
~~Chapter 119. of the Revised Code applies to the hearing only to~~ 91002
~~the extent specified in those rules;~~ 91003

~~(e)~~ The hearing examiner's decision is binding on the 91004

for information from the federal bureau of investigation, are 93091
not obtained within the period ending sixty days after the date 93092
the request for the criminal records check is made. Regardless 93093
of when the results of the criminal records check are obtained, 93094
if the results indicate that the applicant has been convicted of 93095

(D) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using the straight-line method over a period designated in rules adopted ~~under section 5165.02 of the Revised Code~~ by the medicaid director, consistent with the guidelines of the American hospital association, or over a different period approved by the department. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be 94526

included in capital costs unless that part of the payment under 94537
this chapter is used to reimburse the government agency. 94538

(E) The capital cost basis of nursing facility assets 94539
shall be determined in the following manner: 94540

(1) Except as provided in division (E) (3) of this section, 94541
for purposes of calculating the rates to be paid for facilities 94542
with dates of licensure on or before June 30, 1993, the capital 94543
cost basis of each asset shall be equal to the desk-reviewed, 94544
actual, allowable, capital cost basis that is listed on the 94545
facility's cost report for the calendar year preceding the state 94546
fiscal year during which the rate will be paid. 94547

(2) For facilities with dates of licensure after June 30, 94548
1993, the capital cost basis shall be determined in accordance 94549
with the principles of the medicare program, except as otherwise 94550
provided in this chapter. 94551

(3) Except as provided in division (E) (4) of this section, 94552
if a provider transfers an interest in a facility to another 94553
provider after June 30, 1993, there shall be no increase in the 94554
capital cost basis of the asset if the providers are related 94555
parties or the provider to which the interest is transferred 94556
authorizes the provider that transferred the interest to 94557
continue to operate the facility under a lease, management 94558
agreement, or other arrangement. If the previous sentence does 94559
not prohibit the adjustment of the capital cost basis under this 94560
division, the basis of the asset shall be adjusted by one-half 94561
of the change in the consumer price index for all items for all 94562
urban consumers, as published by the United States bureau of 94563
labor statistics, during the time that the transferor held the 94564
asset. 94565

(4) If a provider transfers an interest in a facility to another provider who is a related party, the capital cost basis of the asset shall be adjusted as specified in division (E) (3) of this section if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) Except as provided in division (E) (4) (c) (ii) of this section, the provider making the transfer retains no ownership interest in the facility;

(c) The department determines that the transfer is an arm's length transaction pursuant to rules adopted ~~under section 5165.02 of the Revised Code~~ by the medicaid director. The rules shall provide that a transfer is an arm's length transaction if all of the following apply:

(i) Once the transfer goes into effect, the provider that made the transfer has no direct or indirect interest in the provider that acquires the facility or the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a creditor.

(ii) The provider that made the transfer does not reacquire an interest in the facility except through the exercise of a creditor's rights in the event of a default. If the provider reacquires an interest in the facility in this manner, the department shall treat the facility as if the transfer never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The transfer satisfies any other criteria specified in the rules.

(d) Except in the case of hardship caused by a

catastrophic event, as determined by the department, or in the case of a provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (E) (4) of this section or actual, allowable capital costs was determined most recently under division (F) (9) of this section.

(F) As used in this division:

"Imputed interest" means the lesser of the prime rate plus two per cent or ten per cent.

"Lease expense" means lease payments in the case of an operating lease and depreciation expense and interest expense in the case of a capital lease.

"New lease" means a lease, to a different lessee, of a nursing facility that previously was operated under a lease.

(1) Subject to division (A) of this section, for a lease of a facility that was effective on May 27, 1992, the entire lease expense is an actual, allowable capital cost during the term of the existing lease. The entire lease expense also is an actual, allowable capital cost if a lease in existence on May 27, 1992, is renewed under either of the following circumstances:

(a) The renewal is pursuant to a renewal option that was in existence on May 27, 1992;

(b) The renewal is for the same lease payment amount and between the same parties as the lease in existence on May 27, 1992.

(2) Subject to division (A) of this section, for a lease

of a facility that was in existence but not operated under a 94623
lease on May 27, 1992, actual, allowable capital costs shall 94624
include the lesser of the annual lease expense or the annual 94625
depreciation expense and imputed interest expense that would be 94626
calculated at the inception of the lease using the lessor's 94627
entire historical capital asset cost basis, adjusted by one-half 94628
of the change in the consumer price index for all items for all 94629
urban consumers, as published by the United States bureau of 94630
labor statistics, during the time the lessor held each asset 94631
until the beginning of the lease. 94632

(3) Subject to division (A) of this section, for a lease 94633
of a facility with a date of licensure on or after May 27, 1992, 94634
that is initially operated under a lease, actual, allowable 94635
capital costs shall include the annual lease expense if there 94636
was a substantial commitment of money for construction of the 94637
facility after December 22, 1992, and before July 1, 1993. If 94638
there was not a substantial commitment of money after December 94639
22, 1992, and before July 1, 1993, actual, allowable capital 94640
costs shall include the lesser of the annual lease expense or 94641
the sum of the following: 94642

(a) The annual depreciation expense that would be 94643
calculated at the inception of the lease using the lessor's 94644
entire historical capital asset cost basis; 94645

(b) The greater of the lessor's actual annual amortization 94646
of financing costs and interest expense at the inception of the 94647
lease or the imputed interest expense calculated at the 94648
inception of the lease using seventy per cent of the lessor's 94649
historical capital asset cost basis. 94650

(4) Subject to division (A) of this section, for a lease 94651
of a facility with a date of licensure on or after May 27, 1992, 94652

that was not initially operated under a lease and has been in 94653
existence for ten years, actual, allowable capital costs shall 94654
include the lesser of the annual lease expense or the annual 94655
depreciation expense and imputed interest expense that would be 94656
calculated at the inception of the lease using the entire 94657
historical capital asset cost basis of one-half of the change in 94658
the consumer price index for all items for all urban consumers, 94659
as published by the United States bureau of labor statistics, 94660
during the time the lessor held each asset until the beginning 94661
of the lease. 94662

(5) Subject to division (A) of this section, for a new 94663
lease of a facility that was operated under a lease on May 27, 94664
1992, actual, allowable capital costs shall include the lesser 94665
of the annual new lease expense or the annual old lease payment. 94666
If the old lease was in effect for ten years or longer, the old 94667
lease payment from the beginning of the old lease shall be 94668
adjusted by one-half of the change in the consumer price index 94669
for all items for all urban consumers, as published by the 94670
United States bureau of labor statistics, from the beginning of 94671
the old lease to the beginning of the new lease. 94672

(6) Subject to division (A) of this section, for a new 94673
lease of a facility that was not in existence or that was in 94674
existence but not operated under a lease on May 27, 1992, 94675
actual, allowable capital costs shall include the lesser of 94676
annual new lease expense or the annual amount calculated for the 94677
old lease under division (F) (2), (3), (4), or (6) of this 94678
section, as applicable. If the old lease was in effect for ten 94679
years or longer, the lessor's historical capital asset cost 94680
basis shall be, for purposes of calculating the annual amount 94681
under division (F) (2), (3), (4), or (6) of this section, 94682
adjusted by one-half of the change in the consumer price index 94683

for all items for all urban consumers, as published by the 94684
United States bureau of labor statistics, from the beginning of 94685
the old lease to the beginning of the new lease. 94686

In the case of a lease under division (F)(3) of this 94687
section of a facility for which a substantial commitment of 94688
money was made after December 22, 1992, and before July 1, 1993, 94689
the old lease payment shall be adjusted for the purpose of 94690
determining the annual amount. 94691

(7) For any revision of a lease described in division (F) 94692
(1), (2), (3), (4), (5), or (6) of this section, or for any 94693
subsequent lease of a facility operated under such a lease, 94694
other than execution of a new lease, the portion of actual, 94695
allowable capital costs attributable to the lease shall be the 94696
same as before the revision or subsequent lease. 94697

(8) Except as provided in division (F)(9) of this section, 94698
if a provider leases an interest in a facility to another 94699
provider who is a related party or previously operated the 94700
facility, the related party's or previous operator's actual, 94701
allowable capital costs shall include the lesser of the annual 94702
lease expense or the reasonable cost to the lessor. 94703

(9) If a provider leases an interest in a facility to 94704
another provider who is a related party, regardless of the date 94705
of the lease, the related party's actual, allowable capital 94706
costs shall include the annual lease expense, subject to the 94707
limitations specified in divisions (F)(1) to (7) of this 94708
section, if all of the following conditions are met: 94709

(a) The related party is a relative of owner; 94710

(b) If the lessor retains an ownership interest, it is, 94711
except as provided in division (F)(9)(c)(ii) of this section, in 94712

only the real property and any improvements on the real property; 94713
94714

(c) The department determines that the lease is an arm's length transaction pursuant to rules adopted ~~under section 5165.02 of the Revised Code~~ by the medicaid director. The rules shall provide that a lease is an arm's length transaction if all of the following apply: 94715
94716
94717
94718
94719

(i) Once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division (F) (9) (b) of this section, the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a lessor. 94720
94721
94722
94723
94724
94725

(ii) The lessor does not reacquire an interest in the facility except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the facility in this manner, the department shall treat the facility as if the lease never occurred when the department calculates its reimbursement rates for capital costs. 94726

94729
94730

Sec. 5165.191. Each calendar quarter, each nursing facility provider shall compile complete assessment data for each resident of each of the provider's nursing facilities, regardless of payment source, who is in the nursing facility, or on hospital or therapeutic leave from the nursing facility, on the last day of the quarter. A resident assessment instrument specified in rules authorized by this section shall be used to compile the resident assessment data. Each provider shall submit the resident assessment data to the department of health and, if required by the rules, the department of medicaid. The resident assessment data shall be submitted not later than fifteen days after the end of the calendar quarter for which the data is compiled. If the resident assessment data is to be submitted to the department of medicaid, it shall be submitted to the department through the medium or media specified in the rules. 94744

~~Rules adopted under section 5165.02 of the Revised Code—~~ 94759
The medicaid director shall adopt rules that do all of the 94760
following: 94761

(A) In a manner consistent with the "Social Security Act," section 1919(e) (5), 42 U.S.C. 1396r(e) (5), specify a resident assessment instrument to be used by nursing facility providers under this section; 94762
94763
94764
94765

(B) Specify whether nursing facility providers must submit the resident assessment data to the department of medicaid; 94766
94767

(C) Specify any resident assessment data that is excluded from the case mix calculation made under section 5165.192 of the Revised Code; 94768
94769
94770

(D) If the rules specify that nursing facility providers must submit the resident assessment data to the department, specify the medium or media through which the data is to be submitted.

Sec. 5165.192. (A) (1) Except as provided in division (B) of this section and in accordance with the process specified in rules authorized by this section, the department of medicaid shall do all of the following:

(a) Every quarter, determine the following two case-mix scores for each nursing facility:

(i) A quarterly case-mix score that includes each resident who is a medicaid recipient and is not a low case-mix resident;

(ii) A quarterly case-mix score that includes each resident regardless of payment source.

(b) Every six months, determine a semiannual average case-mix score for each nursing facility by using the quarterly case-mix scores determined for the nursing facility pursuant to division (A) (1) (a) (i) of this section;

(c) After the end of each calendar year, determine an annual average case-mix score for each nursing facility by using the quarterly case-mix scores determined for the nursing facility pursuant to division (A) (1) (a) (ii) of this section.

(2) When determining case-mix scores under division (A) (1) of this section, the department shall use all of the following:

(a) Data from a resident assessment instrument specified in rules authorized by section 5165.191 of the Revised Code;

(b) Except as provided in rules authorized by this section, the case-mix values established by the United States

department of health and human services; 94799

(c) Except as modified in rules authorized by this 94800
section, the grouper methodology used on October 1, 2019, for 94801
the patient driven payment model nursing index, by the United 94802
States department of health and human services for prospective 94803
payment of skilled nursing facilities under the medicare 94804
program. 94805

(B) (1) Subject to division (B) (2) of this section, the 94806
department, for one or more months of a calendar quarter, may 94807
assign to a nursing facility a case-mix score that is five per 94808
cent less than the nursing facility's case-mix score for the 94809
immediately preceding calendar quarter if any of the following 94810
apply: 94811

(a) The provider does not timely submit complete and 94812
accurate resident assessment data necessary to determine the 94813
nursing facility's case-mix score for the calendar quarter; 94814

(b) The nursing facility was subject to an exception 94815
review under section 5165.193 of the Revised Code for the 94816
immediately preceding calendar quarter; 94817

(c) The nursing facility was assigned a case-mix score for 94818
the immediately preceding calendar quarter. 94819

(2) Before assigning a case-mix score to a nursing 94820
facility due to the submission of incorrect resident assessment 94821
data, the department shall permit the provider to correct the 94822
data. The department may assign the case-mix score if the 94823
provider fails to submit the corrected resident assessment data 94824
not later than the earlier of the forty-fifth day after the end 94825
of the calendar quarter to which the data pertains or the 94826
deadline for submission of such corrections established by 94827

regulations adopted by the United States department of health 94828
and human services under Title XVIII and Title XIX. 94829

(3) If, for more than six months in a calendar year, a 94830
provider is paid a rate determined for a nursing facility using 94831
a case-mix score assigned to the nursing facility under division 94832
(B) (1) of this section, the department may assign the nursing 94833
facility a cost per case-mix unit that is five per cent less 94834
than the nursing facility's actual or assigned cost per case-mix 94835
unit for the immediately preceding calendar year. The department 94836
may use the assigned cost per case-mix unit, instead of 94837
determining the nursing facility's actual cost per case-mix unit 94838
in accordance with section 5165.19 of the Revised Code, to 94839
establish the nursing facility's rate for direct care costs for 94840
the fiscal year immediately following the calendar year for 94841
which the cost per case-mix unit is assigned. 94842

(4) The department shall take action under division (B) 94843
(1), (2), or (3) of this section only in accordance with rules 94844
authorized by this section. The department shall not take an 94845
action that affects rates for prior payment periods except in 94846
accordance with sections 5165.41 and 5165.42 of the Revised 94847
Code. 94848

~~(C) (C) (1) The medicaid director shall adopt rules under~~ 94849
~~section 5165.02 of the Revised Code as necessary to implement~~ 94850
~~this section.~~ 94851

~~(1) The rules shall that~~ do all of the following: 94852

(a) Specify the process for determining the semiannual and 94853
annual average case-mix scores for nursing facilities; 94854

(b) Modify the grouper methodology specified in division 94855
(A) (2) (c) of this section as follows: 94856

(i) Incorporate the grouper methodology for the patient 94857
driven payment model nursing index used by the United States 94858
department of health and human services on October 1, 2019, for 94859
prospective payment of skilled nursing facilities under the 94860
medicare program; 94861

(ii) Make other changes the department determines are 94862
necessary. 94863

(c) Establish procedures under which resident assessment 94864
data shall be reviewed for accuracy and providers shall be 94865
notified of any data that requires correction; 94866

(d) Establish procedures for providers to correct resident 94867
assessment data and specify a reasonable period of time by which 94868
providers shall submit the corrections. The procedures may limit 94869
the content of corrections in the manner required by regulations 94870
adopted by the United States department of health and human 94871
services under Title XVIII and Title XIX. 94872

(e) Specify when and how the department will assign case- 94873
mix scores or costs per case-mix unit to a nursing facility 94874
under division (B) of this section if information necessary to 94875
calculate the nursing facility's case-mix score is not provided 94876
or corrected in accordance with the procedures established by 94877
the rules. 94878

(2) Notwithstanding any other provision of this chapter, 94879
the rules may provide for the exclusion of case-mix scores 94880
assigned to a nursing facility under division (B) of this 94881
section from the determination of the nursing facility's 94882
semiannual or annual average case-mix score and the cost per 94883
case-mix unit for the nursing facility's peer group. 94884

Sec. 5165.193. (A) The department of medicaid may, 94885

pursuant to rules authorized by this section, conduct an 94886
exception review of resident assessment data submitted by a 94887
nursing facility provider under section 5165.191 of the Revised 94888
Code. The department may conduct an exception review based on 94889
the findings of a medicaid certification survey conducted by the 94890
department of health, a risk analysis, or prior performance of 94891
the provider. 94892

Exception reviews shall be conducted by appropriate health 94893
professionals under contract with or employed by the department. 94894
The professionals may review resident assessment forms and 94895
supporting documentation, conduct interviews, and observe 94896
residents to identify any patterns or trends of inaccurate 94897
resident assessments and resulting inaccurate case-mix scores. 94898

(B) If an exception review is conducted before the 94899
effective date of a nursing facility's rate for direct care 94900
costs that is based on the resident assessment data being 94901
reviewed and the review results in findings that exceed 94902
tolerance levels specified in the rules authorized by this 94903
section, the department, in accordance with those rules, may use 94904
the findings to redetermine individual resident case-mix scores, 94905
the nursing facility's case-mix score for the quarter, and the 94906
nursing facility's annual average case-mix score. The department 94907
may use the nursing facility's redetermined quarterly and annual 94908
average case-mix scores to determine the nursing facility's rate 94909
for direct care costs for the appropriate calendar quarter or 94910
quarters. 94911

(C) The department shall prepare a written summary of any 94912
exception review finding that is made after the effective date 94913
of a nursing facility's rate for direct care costs that is based 94914
on the resident assessment data that was reviewed. Where the 94915

provider is pursuing judicial or administrative remedies in good 94916
faith regarding the finding, the department shall not withhold 94917
from the provider's current payments any amounts the department 94918
claims to be due from the provider pursuant to section 5165.41 94919
of the Revised Code. 94920

(D) (1) The medicaid director shall adopt rules ~~under~~ 94921
~~section 5165.02 of the Revised Code as necessary to implement~~ 94922
~~this section. The rules shall to~~ establish an exception review 94923
program that does all of the following: 94924

(a) Requires each exception review to comply with Title 94925
XVIII and Title XIX; 94926

(b) Requires a written summary for each exception review 94927
that states whether resident assessment forms have been 94928
completed accurately; 94929

(c) Prohibits each health professional who conducts an 94930
exception review from doing either of the following: 94931

(i) During the period of the professional's contract or 94932
employment with the department, having or being committed to 94933
acquire any direct or indirect financial interest in the 94934
ownership, financing, or operation of nursing facilities in this 94935
state; 94936

(ii) Reviewing any provider that has been a client of the 94937
professional. 94938

(2) For the purposes of division (D) (1) (c) (i) of this 94939
section, employment of a member of a health professional's 94940
family by a nursing facility that the professional does not 94941
review does not constitute a direct or indirect financial 94942
interest in the ownership, financing, or operation of the 94943
nursing facility. 94944

Sec. 5165.38. The medicaid director shall adopt rules 94945
~~under section 5165.02 of the Revised Code~~ that establish a 94946
process under which a nursing facility provider, or a group or 94947
association of nursing facility providers, may seek 94948
reconsideration of medicaid payment rates established under this 94949
chapter, including a rate for direct care costs recalculated 94950
before the effective date of the rate as a result of an 94951
exception review of resident assessment data conducted under 94952
section 5165.193 of the Revised Code. The only issue that a 94953
provider, group, or association may raise in the rate 94954
reconsideration shall be whether the rate was calculated in 94955
accordance with this chapter and the rules adopted under ~~section~~ 94956
~~5165.02 of the Revised Code~~it. The provider, group, or 94957

department of medicaid shall take actions regarding the rate 94960
reconsideration within time frames specified in rules authorized 94961
by this section. 94962

If the department determines, as a result of the rate 94963

facility is entitled, the department shall increase the rate. If 94966
the department has paid the incorrect rate for a period of time, 94967
the department shall pay the provider the difference between the 94968
amount the provider was paid for that period for the nursing 94969

the nursing facility who, under federal law, is eligible to have 94975

the medicaid program pay for a part of the cost-sharing expenses 94976
if the provider determines that, ~~under rules adopted under~~ 94977
~~section 5165.02 of the Revised Code,~~ the nursing facility would 94978
not receive a medicaid payment for any part of the medicare 94979
cost-sharing expenses. In such a situation, a claim for the 94980
medicare cost-sharing expenses shall be considered to have been 94981
adjudicated at no payment. 94982

~~section 5165.02 of the Revised Code~~ governing adjustments to the 94984
medicaid payment rate for a nursing facility that undergoes a 94985

entering operator's provider agreement. This is the case 94988
regardless of whether the provider agreement is entered into 94989
under section 5165.511, section 5165.512, or, pursuant to 94990
section 5165.515, section 5165.07 of the Revised Code. 94991

Sec. 5165.53. The medicaid director shall adopt rules 94992

case of a voluntary withdrawal of participation. The rules may 95001
prescribe a medicaid payment methodology and other procedures 95002
that are applicable after the effective date of a voluntary 95003
withdrawal of participation that differ from the payment 95004
methodology and other procedures that would otherwise apply. The 95005
rules shall specify all of the following: 95006

(A) The method by which written notices to the department 95007
required by sections 5165.50 to 5165.53 of the Revised Code are 95008

of the Revised Code. The pension shall be an amount equal to the 98023
amount the surviving spouse would have been entitled to receive 98024
had the member retired effective the day following the date of 98025
death having selected an option 2 plan under division (A) (2) (b) 98026
of section 5505.162 of the Revised Code providing for one-half 98027
of the member's lesser pension to be paid to the surviving 98028

section effective the first day of the first month following 98033
June 5, 1996. The pension shall be computed under division (A) 98034

be paid by the system to or for the benefit of each child of a 98041
deceased member or retirant until the child attains the age of 98042
eighteen years or marries, whichever event occurs first, or 98043
until the child attains twenty-three years of age if the child 98044
is a student in and attending an institution of learning or 98045
training pursuant to a program designed to complete in each 98046
school year the equivalent of at least two-thirds of the full- 98047
time curriculum requirements of the institution, as determined 98048
by the retirement board. If any surviving child, regardless of 98049
age at the time of the member's or retirant's death, because of 98050
physical or mental disability, was totally dependent upon the 98051
deceased member or retirant for support at the time of death, a 98052
pension of one hundred fifty dollars per month shall be paid by 98053
the system to or for the benefit of the child during the child's 98054
natural life or until the child recovers from the disability. 98055

spouse shall receive a pension of the greater of four hundred 98059
twenty-five dollars per month or fifty per cent of the computed 98060
monthly pension the retirant was receiving. 98061

(b) If the pension payable to a person receiving a pension 98062
under division (A) (5) (a) of this section on June 30, 2000, is 98063
less than nine hundred dollars per month, the pension shall be 98064
increased to nine hundred dollars per month. 98065

surviving children, but leaves two parents depending solely upon 98067
the deceased member or retirant for support, each parent shall 98068
be paid a monthly pension of one hundred fifty-four dollars. If 98069

in such case there is only one parent dependent solely upon the 98070
deceased member or retirant for support, such parent shall be 98071
paid a monthly pension of one hundred fifty-four dollars. Such 98072
pension shall be paid during the life of the surviving parents, 98073
or until dependency ceases, or until remarriage, whichever event 98074
occurs first. 98075

(7) Any amount remaining as accumulated contributions at 98076
the time of death of a retirant who leaves no surviving spouse 98077
or dependent children or parents shall be paid to the 98078
beneficiary or beneficiaries the retirant has nominated by 98079
written designation duly executed and filed with the board. A 98080
retirant may designate an individual or a trust as a 98081
beneficiary. If there is no designated beneficiary surviving the 98082
retirant, the retirant's accumulated contributions shall be paid 98083
according to the state law of descent and distribution; provided 98084
that, if the retirant's accumulated contributions are not 98085

within seven years, they shall be transferred to the income fund 98087
of the system and after that shall be paid from that fund to 98088
such person or estate upon application to the board. 98089

(8) The increase provided for by division (A) (5) of this 98090
section shall be included in the calculation of the additional 98091
benefit paid under section 5505.174 of the Revised Code. 98092

~~(B) The board shall adopt, and may amend or rescind, the~~ 98093
~~necessary rules for the administration of this section and~~ 98094
~~all~~All decisions of the board shall be final. Any payment of a 98095
pension or benefit under this section is subject to the 98096
provisions of section 5505.26 of the Revised Code. 98097

(C) A member's total service credit may include periods 98098
during which the member's employment with the state highway 98099

patrol is interrupted by a leave of absence, when requested by the governor, to accept employment with another agency of the state, provided that:

(1) The member is reemployed by the state highway patrol within thirty days following termination of such other employment;

(2) The member pays into the retirement system, to the credit of the employees' savings fund, an amount equal to the total contributions the member would have paid had the state highway patrol employment not been so interrupted. Such repayment shall begin within ninety days after the member's return to duty with the state highway patrol and be completed within a period equal to that of the leave of absence.

(D) Service credits granted under division (C) of this section shall not include any duplications of credits for which a pension is payable by the public employees retirement system.

(3) The date of the first increase paid under this section 98171
shall be the anniversary date for future increases. The pension 98172
used in the first calculation of an increase under this section 98173

this section, unless a new base is established. 98175

(C) If payment of a portion of a benefit is made to an 98176

increases under this section granted while the order is in 98178
effect shall be apportioned between the alternate payee and the 98179
eligible person in the same proportion that the amount being 98180

If payment of a portion of a benefit is made to one or 98183
more beneficiaries under "option 4" under division (A)(4) of 98184
section 5505.162 of the Revised Code, each increase under this 98185
section granted while the plan of payment is in effect shall be 98186

divided among the designated beneficiaries in accordance with 98187
the portion each beneficiary has been allocated. 98188

~~(D) The board shall adopt, and may amend or rescind, any 98189

Sec. 5505.177. The state highway patrol retirement board 98191
may establish and maintain a qualified governmental excess 98192

of section 415 of the "Internal Revenue Code of 1986," 100 Stat. 98194
2085, 26 U.S.C.A. 415, as amended, and any regulations adopted 98195
thereunder. If established, the arrangement shall be a separate 98196
portion of the state highway patrol retirement system and be 98197
maintained solely for the purpose of providing to retired 98198
members that part of a benefit otherwise payable under this 98199
chapter that exceeds the limits established by section 415 of 98200
the "Internal Revenue Code of 1986," as amended. 98201

Members participating in an arrangement established under 98202
this section shall not be permitted to elect to defer 98203
compensation to the arrangement. Contributions to and benefits 98204
paid under an arrangement shall not be payable from a trust that 98205
is part of the system unless the trust is maintained solely for 98206
the purpose of providing such benefits. 98207

~~The board shall adopt rules to administer an arrangement 98208
established under this section. 98209~~

Sec. 5505.18. As used in this section, "member" does not 98210
include state highway patrol cadets attending training schools 98211
pursuant to section 5503.05 of the Revised Code. 98212

(A) Upon the application of a member of the state highway 98213
patrol retirement system, a person acting on behalf of a member, 98214
or the superintendent of the state highway patrol on behalf of a 98215

member, a member who becomes totally and permanently 98216
incapacitated for duty in the employ of the state highway patrol 98217

retirement on account of disability incurred not in the line of 98219
duty, a member must have five or more years of service credit 98220
according to rules adopted by the board. 98221

The medical or psychological examination of a member who 98222
has applied for disability retirement shall be conducted by a 98223
competent health-care professional or professionals appointed by 98224
the board. The health-care professional or professionals shall 98225
file a written report with the board containing the following 98226

in the employ of the patrol; 98229

(2) Whether the incapacity is expected to be permanent; 98230

(3) The cause of the member's incapacity. 98231

The board shall determine whether the member qualifies for 98232
disability retirement and its decision shall be final. The board 98233
shall consider the written medical or psychological report, 98234
opinions, statements, and other competent evidence in making its 98235
determination. If the incapacity is a result of heart disease or 98236
any cardiovascular disease of a chronic nature, which disease or 98237
any evidence of which was not revealed by the physical 98238
examination passed by the member on entry into the patrol, the 98239
member is presumed to have incurred the disease in the line of 98240
duty as a member of the patrol, unless the contrary is shown by 98241
competent evidence. 98242

(B) (1) Except as provided under division (A) of section 98243
5505.58 of the Revised Code, a member whose retirement on 98244

account of disability incurred in the line of duty shall receive 98245
the applicable pension provided for in section 5505.17 of the 98246
Revised Code, except that if the member has less than twenty- 98247
five years of contributing service, the member's service credit 98248
shall be deemed to be twenty-five years for the purpose of this 98249
provision. In no case shall the member's disability pension be 98250
less than sixty-one and one-quarter per cent or exceed the 98251
lesser of seventy-nine and one-quarter per cent of the member's 98252
final average salary or the limit established by section 415 of 98253
the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 98254
415, as amended. 98255

(2) Except as provided under division (B) of section 98256
5505.58 of the Revised Code, a member whose retirement on 98257
account of disability incurred not in the line of duty shall 98258
receive the applicable pension provided for in section 5505.17 98259
of the Revised Code, except that if the board's determination 98260
that the member qualifies for disability retirement was made 98261
~~before the effective date of this amendment~~ May 11, 2018, and 98262
the member has less than twenty years of contributing service, 98263
the member's service credit shall be deemed to be twenty years 98264
for the purpose of this provision. If the board's determination 98265
that the member qualifies for disability retirement is made on 98266
~~or after the effective date of this amendment~~ May 11, 2018, and 98267
the member has less than twelve years of contributing service, 98268
the member's service credit shall be deemed to be twelve years 98269
for the purpose of this provision. 98270

In no case shall the member's disability pension under 98271
this division exceed the lesser of seventy-nine and one-quarter 98272
per cent of the member's final average salary or the limit 98273
established by section 415 of the "Internal Revenue Code of 98274
1986," 100 Stat. 2085, 26 U.S.C.A. 415, as amended. 98275

(C) The state highway patrol retirement board shall adopt 98276
rules requiring a disability retirant, as a condition of 98277
continuing to receive a disability pension, to agree in writing 98278
to obtain any medical or psychological treatment recommended by 98279
the board's health-care professional and submit medical or 98280
psychological reports regarding the treatment. If the board 98281
determines that a disability retirant is not obtaining the 98282
medical or psychological treatment or the board does not receive 98283
a required medical or psychological report, the disability 98284
pension shall be suspended until the treatment is obtained, the 98285
report is received by the board, or the board's health-care 98286
professional certifies that the treatment is no longer helpful 98287
or advisable. Should the retirant's failure to obtain treatment 98288
or submit a medical or psychological report continue for one 98289
year, the recipient's right to the disability pension shall be 98290
terminated as of the effective date of the original suspension. 98291

(D) A disability retirant who has not attained the age of 98292
sixty years shall be subject to an annual medical or 98293
psychological re-examination by health-care professionals 98294
appointed by the board, except that the board may waive the re- 98295
examination if the board's health-care professionals certify 98296
that the retirant's disability is ongoing. If any retirant 98297
refuses to submit to a medical or psychological re-examination, 98298
the retirant's disability pension shall be suspended until the 98299
retirant withdraws the refusal. If the refusal continues for one 98300
year, all the retirant's rights under and to the disability 98301
pension shall be terminated as of the effective date of the 98302
original suspension. 98303

(E) Each disability retirant who has not attained the age 98304
of sixty years shall file with the board an annual statement of 98305
earnings, current medical or psychological information on the 98306

recipient's condition, and any other information required in 98307
rules adopted by the board. The board may waive the requirement 98308
that a disability retirant file an annual statement of earnings 98309
or current medical or psychological information if the board's 98310
health-care professional certifies that the retirant's 98311
disability is ongoing. 98312

The board shall annually examine the information submitted 98313
by the retirant. If a retirant refuses to file the statement or 98314
information, the disability pension shall be suspended until the 98315
statement and information are filed. If the refusal continues 98316
for one year, the right to the pension shall be terminated as of 98317
the effective date of the original suspension. 98318

(F) (1) Except as provided in division (F) (2) of this 98319
section, a disability retirant who has been physically or 98320
psychologically examined and found no longer incapable of 98321
performing the retirant's duties, or who becomes employed as a 98322
law enforcement officer, shall have the right to be restored to 98323
the rank the retirant held at the time the retirant was 98324
pensioned and the right to have all previous rights restored, 98325
including the retirant's civil service status, and the 98326
disability pension shall terminate. Upon return to employment in 98327
the patrol, the retirant shall again become a contributing 98328
member of the retirement system, the total service at the time 98329
of the retirant's retirement shall be restored to the retirant's 98330
credit, and the retirant shall be given service credit for the 98331
period the retirant was in receipt of a disability pension. 98332

(2) The state highway patrol is not required to take 98333
action under division (F) (1) of this section if the retirant was 98334
dismissed or resigned in lieu of dismissal for dishonesty, 98335
misfeasance, malfeasance, or conviction of a felony. 98336

(G) The board shall adopt a rule to define "law enforcement officer" for purposes of division (F)(1) of this section, and may adopt ~~other rules to carry out this section,~~ including rules that specify the types of health-care professionals the board may appoint for the purpose of this section.

Sec. 5505.28. (A) The state highway patrol retirement board may enter into an agreement with insurance companies, health insuring corporations, or government agencies authorized to do business in the state for issuance of a policy or contract of health, medical, hospital, or surgical benefits, or any combination thereof, for those persons receiving pensions and subscribing to the plan. Notwithstanding any other provision of this chapter, the policy or contract may also include coverage for any eligible individual's spouse and dependent children and for any of the individual's sponsored dependents as the board considers appropriate.

If all or any portion of the policy or contract premium is to be paid by any individual receiving a service, disability, or survivor pension or benefit, the individual shall, by written authorization, instruct the board to deduct from the individual's pension or benefit the premium agreed to be paid by the individual to the company, corporation, or agency.

The board may contract for coverage on the basis of part or all of the cost of the coverage to be paid from appropriate funds of the state highway patrol retirement system. The cost paid from the funds of the system shall be included in the employer's contribution rate as provided by section 5505.15 of the Revised Code.

(B) The board shall, beginning the month following receipt

of satisfactory evidence of the payment for coverage, pay 98367
monthly to each recipient of a pension under the state highway 98368
patrol retirement system who is eligible for coverage under part 98369

U.S.C.A. 1395j, as amended, an amount ~~established by board rule~~ 98372
not exceeding the basic premium for such coverage. 98373

(C) The board shall establish by rule requirements for the 98374
coordination of any coverage, payment, or benefit provided under 98375
this section with any similar coverage, payment, or benefit made 98376
available to the same individual by the public employees 98377
retirement system, Ohio police and fire pension fund, state 98378
teachers retirement system, or school employees retirement 98379

~~pursuant to the purpose and intent of this section.~~ 98382

Sec. 5505.281. The state highway patrol retirement board 98383
may establish a program under which a member or a member's 98384
employer is permitted to make additional deposits for the 98385
purpose of providing funds for the payment of health, medical, 98386
hospital, surgical, dental, or vision care expenses, including 98387
insurance premiums, deductible amounts, or copayments. The 98388
program may be a voluntary employees' beneficiary association, 98389
as described in section 501(c)(9) of the Internal Revenue Code, 98390
26 U.S.C. 501(c)(9), as amended; an account described in section 98391
401(h) of the Internal Revenue Code, 26 U.S.C. 401(h), as 98392
amended; a medical savings account; or a similar type of program 98393
under which an individual may accumulate funds for the purpose 98394
of paying such expenses. To implement the program, the board may 98395
enter into agreements with insurance companies or other entities 98396

authorized to conduct business in this state. 98397

~~If the board establishes a program under this section, it shall adopt rules to administer the program.~~ 98398

or public-private agreement or required by that department or 98833
office. Bond service charges, costs of credit enhancement 98834
facilities, other financing costs, and any other amounts 98835
required under the applicable bond proceedings and all amounts 98836

set forth separately in each certification. Money received from 98838
user fees and other pledged receipts shall be deposited to the 98839
credit of the bond service fund at such times and in such 98840
amounts as are necessary to satisfy all those payment 98841
requirements of the applicable bond proceedings or to the credit 98842

taxpayer during calendar years 2005, 2006, and 2007, not to 100147
exceed one thousand dollars for each eligible employee on 100148
account of whom eligible training costs were paid or incurred by 100149
the taxpayer during those calendar years. 100150

The credit claimed by a taxpayer each tax year shall not 100151
exceed one hundred thousand dollars. 100152

(C) A taxpayer who proposes to conduct an eligible 100153
training program may apply to the director of job and family 100154
services for a tax credit certificate under this section. The 100155
taxpayer may apply for such a certificate for tax years 2004, 100156
2005, 2006, 2007, and 2008 subject to division (L) of this 100157
section. The director shall prescribe the form of the 100158
application, which shall require a detailed description of the 100159
proposed training program. The director may require applicants 100160
to remit an application fee with each application filed with the 100161
director. The fee shall not exceed the reasonable and necessary 100162
expenses incurred by the director in receiving, reviewing, and 100163
approving such applications and issuing tax credit certificates. 100164
Proceeds from fees shall be used solely for the purpose of 100165
receiving, reviewing, and approving such applications and 100166
issuing such certificates. 100167

After receipt of an application, the director shall 100168
authorize a credit under this section by issuing a tax credit 100169
certificate, in the form prescribed by the director, if the 100170
director determines all of the following: 100171

(1) The proposed training program is an eligible training 100172
program under this section; 100173

(2) The proposed training program is economically sound 100174
and will benefit the people of this state by improving workforce 100175
skills and strengthening the economy of this state; 100176

(3) Receiving the tax credit is a major factor in the 100177
taxpayer's decision to go forward with the training program; 100178

(4) Authorization of the credit is consistent with 100179
division (H) of this section. 100180

The credit also is allowed for a taxpayer that is a 100181
partner in a partnership that pays or incurs eligible training 100182
costs. Such a taxpayer shall determine the taxpayer's credit 100183
amount in the manner prescribed by division (K) of this section. 100184

(D) If the director of job and family services denies an 100185
application for a tax credit certificate, the director shall 100186
send notice of the denial and the reason for denial to the 100187
applicant by certified mail, return receipt requested. If the 100188
director determines that an authorized training program, as 100189
actually conducted, fails to meet the requirements of this 100190
section or to comply with any condition set forth in the 100191
authorization, the director may reduce the amount of the tax 100192
credit previously granted. If the director reduces a tax credit, 100193
the director shall send notice of the reduction and the reason 100194
for the reduction to the taxpayer by certified mail, return 100195
receipt requested, and shall certify the reduction to the tax 100196

commissioner or, in the case of the reduction of a credit 100197
claimed by an insurance company, the superintendent of 100198
insurance. The tax commissioner or superintendent of insurance 100199
shall reduce the credit that may be claimed by the taxpayer 100200
accordingly. Within sixty days after receiving a notice of 100201
denial or notice of reduction of the tax credit, an applicant or 100202
taxpayer may request, in writing, a hearing before the director 100203
to review the denial or reduction. Within sixty days after 100204
receiving a request that is filed within the prescribed time, 100205
the director shall hold such a hearing at a location to be 100206
determined by the director. Within thirty days after the hearing 100207
is adjourned, the director shall issue a redetermination 100208
affirming, reversing, or modifying the denial or reduction of 100209
the tax credit and send notice of the redetermination to the 100210
applicant or taxpayer by certified mail, return receipt 100211
requested, and shall issue a notice of the redetermination to 100212
the tax commissioner or superintendent of insurance. If an 100213
applicant or taxpayer is aggrieved by the director's 100214
redetermination, the applicant or taxpayer may appeal the 100215
redetermination to the board of tax appeals in the manner 100216
prescribed by section 5717.02 of the Revised Code. 100217

(E) A taxpayer to which a tax credit certificate is issued 100218
shall retain records indicating the eligible training costs it 100219
pays or incurs for the eligible training program for which the 100220
certificate is issued for four years following the end of the 100221
tax year for which the credit is claimed. Such records shall be 100222
open to inspection by the director of job and family services 100223
upon the director's request during business hours. 100224

Financial statements and other information submitted by an 100225
applicant to the director of job and family services for a tax 100226
credit under this section, and any information taken for any 100227

the director of job and family services, the tax commissioner, 100230
or superintendent of insurance may make use of the statements 100231
and other information for purposes of issuing public reports or 100232
in connection with court proceedings concerning tax credits 100233
allowed under this section and sections 5725.31 and 5729.07 of 100234

	100545
	100546
The commissioner shall notify each dealer required to remit taxes electronically of the dealer's obligation to do so. Failure by the commissioner to notify a dealer subject to this section to remit taxes electronically does not relieve the dealer of its obligation to remit taxes electronically.	100547
	100548
	100549
	100550
	100551
(B) Dealers required by division (A) of this section to remit payments electronically shall remit such payments through the Ohio business gateway, as defined in section 718.01 of the Revised Code, or in another manner as prescribed by the commissioner. Required payments shall be remitted on or before the dates specified under section 5735.06 of the Revised Code. The payment of taxes electronically does not affect a dealer's	100552

obligation to file the monthly return as required under section 100559
5735.06 of the Revised Code. 100560

A dealer required by this section to remit taxes 100561
electronically may apply to the commissioner to be excused from 100562
that requirement. The commissioner may excuse the dealer from 100563
the electronic remittance requirement for good cause shown for 100564
the period of time requested by the dealer or for a portion of 100565
that period. 100566

(C) If a dealer required by this section to remit taxes 100567
electronically fails to do so, the commissioner may impose a 100568
penalty on the dealer not to exceed one of the following: 100569

(1) For the first return period the dealer fails to remit 100570
taxes electronically, the greater of twenty-five dollars or five 100571
per cent of the amount of the payment required to be remitted; 100572

(2) For the second or any subsequent return period the 100573
dealer fails to remit taxes electronically, the greater of fifty 100574
dollars or ten per cent of the amount of the payment required to 100575
be remitted. 100576

The penalty imposed under division (C) of this section is 100577
in addition to any other penalty imposed under this chapter and 100578
shall be considered as revenue arising from the taxes imposed 100579
under this chapter. A penalty may be collected by assessment in 100580
the manner prescribed by section 5735.12 of the Revised Code. 100581
The commissioner may abate all or a portion of a penalty. 100582

~~(D) The commissioner may adopt rules necessary to 100583
administer this section. 100584~~

Sec. 5736.03. (A) No person shall avoid the tax imposed by 100585
this chapter by receiving motor fuel outside of this state and 100586
transferring the motor fuel into this state within one year. Any 100587

such person shall be considered to have received the fuel in 100588
this state and shall include, in the calculation of calculated 100589
gross receipts, the number of gallons of motor fuel the person 100590
transfers into this state within one year after the person 100591
receives the property outside of this state. 100592

(B) Any person that knowingly receives motor fuel from a 100593
supplier that is not licensed as required by section 5736.06 of 100594
the Revised Code shall include in the calculation of the 100595
person's calculated gross receipts the number of gallons of 100596
motor fuel the person received in this state or transported into 100597
this state from the unlicensed supplier. 100598

~~(C) The tax commissioner may adopt rules necessary to 100599
administer this section. 100600~~

Sec. 5739.05. (A) (1) The tax commissioner shall enforce 100601
and administer sections 5739.01 to 5739.31 of the Revised Code, 100602
which are hereby declared to be sections which the commissioner 100603
is required to administer within the meaning of sections 5703.17 100604
to 5703.37, 5703.39, 5703.41, and 5703.45 of the Revised Code. 100605
~~The commissioner may adopt and promulgate, in accordance with 100606
sections 119.01 to 119.13 of the Revised Code, such rules as the 100607
commissioner deems necessary to administer sections 5739.01 to 100608
5739.31 of the Revised Code. 100609~~

(2) On or before the first day of May of each year, the 100610
commissioner shall make available to vendors a notice explaining 100611
the three-day exemption period required under division (B) (55) 100612
of section 5739.02 of the Revised Code. 100613

(B) Upon application, the commissioner may authorize a 100614
vendor to pay on a predetermined basis the tax levied by or 100615
pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of 100616

the Revised Code upon sales of things produced or distributed or 100617
services provided by such vendor, and the commissioner may waive 100618
the collection of the tax from the consumer. The commissioner 100619
shall not grant such authority unless the commissioner finds 100620
that the granting of the authority would improve compliance and 100621
increase the efficiency of the administration of the tax. The 100622
person to whom such authority is granted shall post a notice, if 100623
required by the commissioner, at the location where the product 100624
is offered for sale that the tax is included in the selling 100625
price. ~~The commissioner may adopt rules to administer this~~ 100626
~~division.~~ 100627

(C) Upon application, the commissioner may authorize a 100628
vendor to remit, on the basis of a prearranged agreement under 100629
this division, the tax levied by section 5739.02 or pursuant to 100630
section 5739.021, 5739.023, or 5739.026 of the Revised Code. The 100631
proportions and ratios in a prearranged agreement shall be 100632
determined either by a test check conducted by the commissioner 100633
under terms and conditions agreed to by the commissioner and the 100634
vendor or by any other method agreed upon by the vendor and the 100635
commissioner. If the parties are unable to agree to the terms 100636
and conditions of the test check or other method, the 100637
application shall be denied. 100638

If used, the test check shall determine the proportion 100639
that taxable retail sales bear to all of the vendor's retail 100640
sales and the ratio which the tax required to be collected under 100641
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the 100642
Revised Code bears to the receipts from the vendor's taxable 100643
retail sales. 100644

The vendor's liability for remitting the tax shall be 100645
based solely upon the proportions and ratios established in the 100646

agreement until such time that the vendor or the commissioner 100647
believes that the nature of the vendor's business has so changed 100648
as to make the agreement no longer representative. The 100649
commissioner may give notice to the vendor at any time that the 100650
authorization is revoked or the vendor may notify the 100651
commissioner that the vendor no longer elects to report under 100652
the authorization. Such notice shall be delivered to the other 100653
party in the manner provided in section 5703.37 of the Revised 100654
Code. The revocation or cancellation is effective the last day 100655
of the month in which the vendor or the commissioner receives 100656
the notice. 100657

Sec. 5739.121. (A) As used in this section: 100658

(1) "Bad debt" means any debt that has become worthless or 100659
uncollectible in the time period between a vendor's preceding 100660
return and the present return, has been uncollected for at least 100661
six months, and that may be claimed as a deduction pursuant to 100662
the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 100663
166, as amended, and regulations adopted pursuant thereto, or 100664
that could be claimed as such a deduction if the vendor kept 100665
accounts on an accrual basis. "Bad debt" does not include any 100666
interest or sales tax on the purchase price, uncollectible 100667
amounts on property that remains in the possession of the vendor 100668
until the full purchase price is paid, expenses incurred in 100669
attempting to collect any account receivable or for any portion 100670
of the debt recovered, and repossessed property. 100671

(2) "Lender" means a person or an affiliate, assignee, or 100672
transferee of a person that owns a private label credit account, 100673
or an interest in a private label credit account receivable, 100674
provided that interest was any of the following: 100675

(a) Transferred from a third party; 100676

(b) Purchased directly from a vendor that remitted tax 100677
imposed under this chapter or from an affiliate of the vendor; 100678

(c) Originated according to a written agreement between 100679
the person and a vendor that remitted tax imposed under this 100680
chapter or an affiliate of the vendor. 100681

(3) "Private label credit account" means a credit account 100682
that carries, refers to, or is branded with the name of a vendor 100683
and for which the lender, when establishing the consumer's 100684
credit limit, complied with all applicable Ohio and federal laws 100685
that are intended to protect consumers, including all of the 100686
following: 100687

(a) The "Credit Card Accountability Responsibility and 100688
Disclosure Act of 2009," 15 U.S.C. 1601 et seq.; 100689

(b) The "Equal Credit Opportunity Act," 15 U.S.C. 1691 et 100690
seq.; 100691

(c) The "Fair Credit Reporting Act," 15 U.S.C. 1681. 100692

(4) "Accounts or receivables bad debt" means the unpaid 100693
balance on private label credit accounts or private label credit 100694
account receivables that are bad debt and are charged off as 100695
uncollectible on the books of a lender on or after July 1, 2023, 100696
and against which a deduction has not previously been taken 100697
under this section. For the purposes of division (A) (4) of this 100698
section only, "bad debt" shall be determined without regard to 100699
when the debt has become worthless or uncollectible relative to 100700
the period between a vendor's returns, and the deductibility of 100701
the debt for federal income tax purposes shall be determined 100702
with respect to the lender instead of the vendor. 100703

(5) "Affiliate" means any person that is a member of an 100704
affiliated group or that would be a member of an affiliated 100705

group if the person was a corporation. 100706

(6) "Affiliated group" has the same meaning as in section 100707
1504 of the Internal Revenue Code. 100708

(B) In computing taxable receipts for purposes of this 100709
chapter, a vendor may deduct the amount of bad debts. Except as 100710
provided in division (F) of this section, the amount deducted 100711
must be charged off as uncollectible on the books of the vendor. 100712
A deduction may be claimed only with respect to bad debts on 100713
which the taxes pursuant to sections 5739.10 and 5739.12 of the 100714
Revised Code were paid in a preceding tax period. If the 100715
vendor's business consists of taxable and nontaxable 100716
transactions, the deduction shall equal the full amount of the 100717
debt if the debt is documented as a taxable transaction in the 100718
vendor's records. If no such documentation is available, the 100719
maximum deduction on any bad debt shall equal the amount of the 100720
bad debt multiplied by the quotient obtained by dividing the 100721
sales taxed pursuant to this chapter during the preceding 100722
calendar year by all sales during the preceding calendar year, 100723
whether taxed or not. If a consumer or other person pays all or 100724
part of a bad debt with respect to which a vendor claimed a 100725
deduction under this section, the vendor shall be liable for the 100726
amount of taxes deducted in connection with that portion of the 100727
debt for which payment is received and shall remit such taxes in 100728
the vendor's next payment to the tax commissioner. 100729

(C) Any claim for a bad debt deduction under this section 100730
shall be supported by such evidence as the tax commissioner by 100731
rule requires. The commissioner shall review any change in the 100732
rate of taxation applicable to any taxable sales by a vendor 100733
claiming a deduction pursuant to this section and adopt rules 100734
for altering the deduction in the event of such a change in 100735

order to ensure that the deduction on any bad debt does not 100736
result in the vendor claiming the deduction recovering any more 100737
or less than the taxes imposed on the sale that constitutes the 100738
bad debt. 100739

(D) In any reporting period in which the amount of bad 100740
debt other than the accounts or receivables bad debt exceeds the 100741
amount of taxable sales for the period, the vendor may file a 100742
refund claim for any tax collected on the bad debt in excess of 100743
the tax reported on the return. The refund claim shall be filed 100744
in the manner provided in section 5739.07 of the Revised Code, 100745
except that the claim may be filed within four years of the due 100746
date of the return on which the bad debt first could have been 100747
claimed. 100748

(E) When the filing responsibilities of a vendor have been 100749
assumed by a certified service provider, the certified service 100750
provider shall claim the bad debt allowance provided by this 100751
section on behalf of the vendor. The certified service provider 100752
shall credit or refund to the vendor the full amount of any bad 100753
debt allowance or refund. 100754

(F) (1) A vendor may deduct on a return accounts or 100755
receivables bad debt. 100756

A vendor taking a deduction under division (F) (1) of this 100757
section shall include all credit sale transactions outstanding 100758
in the account or receivable at the time the account or 100759
receivable is charged off as uncollectible on the books of a 100760
lender in calculating the deduction, regardless of the date on 100761
which the credit sale transaction occurs. 100762

(2) The deduction authorized under division (F) (1) of this 100763
section may be taken by the vendor only on the basis of accounts 100764

or receivables bad debt from purchases from the vendor whose name is carried, referred to, or branded on the private label credit account or from purchases from any of the vendor's affiliates or franchisees.

(3) A vendor taking a deduction under division (F) (1) of this section shall maintain books, records, or other documents verifying the accounts or receivables bad debt, which shall be open to inspection by the commissioner upon request.

(4) If the lender collects in whole or part any accounts or receivables bad debt on the basis of which the vendor took a deduction under division (F) of this section, the vendor shall include the amount collected in the vendor's first return filed after the collection and pay tax on the portion of that amount with respect to which the vendor took the deduction.

(5) If the total amount of accounts or receivables bad debt for a month exceeds a vendor's taxable sales for that month, the vendor may carry forward and deduct the excess on succeeding tax returns until the total amount of accounts or receivables bad debt has been deducted.

(6) Unless otherwise agreed to by the lender and vendor, the economic benefit of the deduction permitted under division (F) (1) of this section shall inure to the benefit of the party that suffered the economic burden of the accounts or receivables bad debt.

~~(G) The tax commissioner may adopt rules necessary to administer this section.~~

Sec. 5739.36. (A) For the purpose of tracking the growth and overall economic impact of the travel and tourism industry in this state, the tax commissioner shall prepare a report

summarizing the amount of tax revenue collected during each 100794
semiannual period ending on the last day of June or December, 100795
annually. The commissioner shall prepare the report by industry 100796
classification using business activity codes. The report shall 100797
include the combined total statewide collections from the taxes 100798
levied under sections 5739.02, 5739.021, 5739.023, 5739.026, 100799
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code as 100800
reported by taxpayers with respect to collections during the 100801
semiannual period. The report shall reflect all industries 100802
included in the industrial classification system used by the 100803
commissioner the activities of which relate in any way to travel 100804
and tourism, including, but not limited to, industries such as 100805
bars and restaurants; hotels, motels, and other lodging 100806
establishments; and other industries related to travel and 100807
tourism. The first report shall be for the semiannual period 100808
ending December 31, 2005. 100809

(B) The tax commissioner shall file a copy of the report 100810
required under this section with the governor, the president of 100811
the senate, the speaker of the house of representatives, and the 100812
legislative service commission. The reports shall be filed on or 100813
before the first day of May or November, annually, that 100814
immediately follows the semiannual period to which the report 100815
relates. A copy of the commissioner's most recent report shall 100816
be made available to the public through the department of 100817
taxation's official internet web site. 100818

~~(C) The commissioner shall adopt rules that are necessary~~ 100819
~~to administer this section.~~ 100820

Sec. 5741.06. The tax commissioner shall enforce and 100821
administer sections 5741.01 to 5741.22 of the Revised Code, 100822
which are hereby declared to be laws which he the commissioner 100823

is required to administer within the meaning of sections 5703.17 100824
to 5703.39 and 5703.45 of the Revised Code. The commissioner may 100825

to section 5741.02, 5741.021, 5741.022, or 5741.023 of the 100829
Revised Code upon storage, use, or consumption of things 100830
produced or distributed by such seller, and he the commissioner 100831
may waive the collection of the tax from the consumer; but no 100832
such authority shall be granted or exercised, except upon 100833
application to the commissioner and unless he the commissioner 100834
finds, that the conditions of the applicant's business are such 100835
as to render impracticable the collection of the tax by the 100836
seller in the manner otherwise provided by such sections; nor 100837
shall the authority so granted be exercised, nor the seller 100838
actually selling such products be exempted from sections 5741.01 100839
to 5741.22 of the Revised Code, by virtue of such an 100840
authorization, unless the person to whom such authority is 100841
granted prints plainly upon the product sold, or offered for 100842
sale, a statement to the effect that the tax has been paid in 100843
advance, or otherwise conveys said information to the consumer 100844
by written notice. The commissioner may require security to his 100845
the commissioner's satisfaction to be filed with him the 100846
commissioner, in such amount as he the commissioner determines 100847
to be sufficient to secure the prepayment under the provisions 100848
of this section of the taxes levied by or pursuant to section 100849
5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code in 100850
the manner desired. 100851

Sec. 5741.071. (A) A marketplace seller may request and 100852
shall obtain a waiver from the tax commissioner for a 100853
marketplace facilitator not to be treated as a seller pursuant 100854

to division (E) of section 5741.01 of the Revised Code with 100855
respect to a specific marketplace seller if the following 100856
conditions are met: 100857

(1) The marketplace seller certifies it has annual gross 100858
receipts within the United States, including the gross receipts 100859
of any affiliate, as defined in section 122.15 of the Revised 100860
Code, of at least one billion dollars; 100861

(2) The marketplace seller or its affiliate, as defined in 100862
section 122.15 of the Revised Code, is publicly traded on at 100863

(4) The marketplace seller has not, within the past twelve 100868

is granted by the commissioner or deemed to be granted is 100880
effective on and after the first day of the first month that 100881
begins at least thirty days after the commissioner grants the 100882

notify the marketplace seller and the marketplace facilitator 100905
upon revoking a waiver. 100906

(D) Notwithstanding section 5703.21 of the Revised Code, 100907
the commissioner may divulge information related to the status 100908

division (E) of section 5741.01 of the Revised Code that a 100917

previously granted waiver be canceled or had a previously 100925
granted waiver revoked by the commissioner. 100926

(3) The delivery network company has not violated division 100927
(B) of section 5739.30 of the Revised Code. 100928

A waiver granted under this section does not affect the 100929
delivery network company's status as the seller of its delivery 100930
network services. 100931

(B) A delivery network company that requests a waiver 100932
pursuant to this section shall make the request to the tax 100933
commissioner on a form prescribed by the commissioner. A waiver 100934
that is not affirmatively granted or denied by the commissioner 100935
within thirty days of the date it was filed with the 100936
commissioner is automatically granted. A waiver that is granted 100937
by the commissioner or granted automatically is effective on and 100938
after the first day of the first month that begins at least 100939
thirty days after the commissioner grants the waiver or the 100940
waiver is automatically granted. The waiver is valid until the 100941

first day of the first month that begins at least sixty days 100942
after it is revoked by the commissioner or canceled by the 100943
delivery network company. 100944

(C) (1) When a waiver is granted pursuant to division (B) 100945
of this section, the commissioner shall notify the delivery 100946
network company, which shall then notify each local merchant 100947
operating on the delivery network company's physical or 100948
electronic marketplace that the local merchant shall be 100949

to the local products sold by the seller through the delivery 100953
network company's physical or electronic marketplace. 100954

(2) A delivery network company that has been granted a 100955
waiver under this section may cancel the waiver by sending 100956
notice to the commissioner. The commissioner may revoke a waiver 100957
if the commissioner determines that any of the conditions 100958
described in divisions (A) (1) to (3) of this section are no 100959
longer met by the delivery network company. The commissioner 100960
shall notify the delivery network company upon revoking a 100961
waiver. A delivery network for which a waiver has been canceled 100962
or revoked shall promptly notify each local merchant operating 100963
on the delivery network company's physical or electronic 100964
marketplace that its waiver has been canceled or revoked. 100965

(D) Notwithstanding section 5703.21 of the Revised Code, 100966

by a local merchant operating on the delivery network company's 100969
physical or electronic marketplace. 100970

having a license to conduct each such activity issued by a 100977
county auditor under division (B) of this section or the tax 100978
commissioner under divisions (C) and (F) of this section. On 100979
dissolution of a partnership by death, the surviving partner may 100980
operate under the license of the partnership until expiration of 100981
the license, and the heirs or legal representatives of deceased 100982
persons, and receivers and trustees in bankruptcy appointed by 100983
any competent authority, may operate under the license of the 100984
person succeeded in possession by such heir, representative, 100985

notifies the issuer of the license of the dissolution or 100987
succession within thirty days after the dissolution or 100988
succession. 100989

(B) (1) Each applicant for a license to engage in the 100990
retail business of trafficking in cigarettes under this section, 100991

form of statement prescribed by the commissioner. If the 101000
applicant is a firm, partnership, or association other than a 101001
corporation, the application shall state the name and address of 101002

each of its members. If the applicant is a corporation, the 101003
application shall state the name and address of each of its 101004
officers. At the time of making the application required by this 101005
section, every person desiring to engage in the retail business 101006
of trafficking in cigarettes shall pay an application fee in the 101007
sum of one hundred twenty-five dollars for each physical place 101008
where the person proposes to carry on such business. Each place 101009
of business shall be deemed such space, under lease or license 101010
to, or under the control of, or under the supervision of the 101011
applicant, as is contained in one or more contiguous, adjacent, 101012
or adjoining buildings constituting an industrial plant or a 101013
place of business operated by, or under the control of, one 101014

(2) Upon receipt of the application and exhibition of the 101020
county treasurer's receipt showing the payment of the 101021
application fee, the county auditor shall issue to the applicant 101022
a license for each place of business designated in the 101023
application, authorizing the applicant to engage in such 101024
business at such place for one year commencing on the first day 101025
of June. The form of the license shall be prescribed by the 101026
commissioner. A duplicate license may be obtained from the 101027
county auditor upon payment of a five-dollar fee if the original 101028
license is lost, destroyed, or defaced. When an application is 101029
filed after the first day of June, the application fee required 101030
to be paid shall be proportioned in amount to the remainder of 101031
the license year, except that it shall not be less than twenty- 101032
five dollars in any one year. 101033

(3) The holder of a retail dealer's cigarette license may 101034
transfer the license to a place of business within the same 101035
county other than that designated on the license on condition 101036
that the licensee's ownership interest and business structure 101037
remain unchanged, and that the licensee applies to the county 101038
auditor therefor, upon forms approved by the commissioner and 101039
the payment of a fee of five dollars into the county treasury. 101040

association other than a corporation, the applicant shall state 101050
the name and address of each of its members. If the applicant is 101051
a corporation, the applicant shall state the name and address of 101052
each of its officers. At the time of making the application 101053
required by this section, every person desiring to engage in the 101054
wholesale business of trafficking in cigarettes shall pay an 101055
application fee of one thousand dollars for each physical place 101056
where the person proposes to carry on such business. Each place 101057
of business shall be deemed such space, under lease or license 101058
to, or under the control of, or under the supervision of the 101059
applicant, as is contained in one or more contiguous, adjacent, 101060
or adjoining buildings constituting an industrial plant or a 101061
place of business operated by, or under the control of, one 101062
person, or under one roof and connected by doors, halls, 101063
stairways, or elevators. A duplicate license may be obtained 101064

from the commissioner upon payment of a twenty-five-dollar fee 101065
if the original license is lost, destroyed, or defaced. 101066

(2) Upon receipt of the application and payment of any 101067

verify that the applicant is not in violation of any provision 101069
of Chapter 1346. or Title LVII of the Revised Code. The 101070
commissioner shall also verify that the applicant has filed any 101071
returns, submitted any information, and paid any outstanding 101072

administered by the commissioner, to the extent that the 101074
commissioner is aware of the returns, information, or payments 101075
at the time of the application. Upon approval, the commissioner 101076
shall issue to the applicant a license for each physical place 101077
of business designated in the application authorizing the 101078
applicant to engage in business at that location for one year 101079
commencing on the first day of June. For licenses issued after 101080
the first day of June, the application fee shall be reduced 101081
proportionately by the remainder of the twelve-month period for 101082
which the license is issued, except that the application fee 101083
required to be paid under this section shall be not less than 101084
two hundred dollars in any one year. 101085

(3) The holder of a wholesale dealer cigarette license may 101086
transfer the license to a place of business other than that 101087
designated on the license on condition that the licensee's 101088
ownership or business structure remains unchanged, and that the 101089
licensee applies to the commissioner for such a transfer upon a 101090
form promulgated by the commissioner and pays a fee of twenty- 101091
five dollars, which shall be deposited into the cigarette tax 101092
enforcement fund created in division (E) of this section. 101093

the tax commissioner by the thirtieth day of June each year 101124
accompanied by the form prescribed by the tax commissioner. The 101125

Each distributor or vapor distributor who brings tobacco products or vapor products, or causes tobacco products or vapor products to be brought, into this state for distribution within this state, or any out-of-state distributor or vapor distributor who sells tobacco products or vapor products to wholesale or retail dealers located in this state for resale by those wholesale or retail dealers is liable for the tax imposed by this section. Only one sale of the same article shall be used in computing the amount of the tax due. If a vapor product is repackaged, reconstituted, diluted, or reprocessed, the subsequent sale of that vapor product shall be considered another sale of the same article for purposes of computing the amount of tax due.

(B) The treasurer of state shall place to the credit of the tax refund fund created by section 5703.052 of the Revised Code, out of the receipts from the tax levied by this section, amounts equal to the refunds certified by the tax commissioner pursuant to section 5743.53 of the Revised Code. with the manufacturer in which the retail dealer agrees to pay 101213
and be liable for the tax, as long as the manufacturer has 101214
provided a copy of the statement to the tax commissioner. 101215

Sec. 5745.15. (A) Each taxpayer shall make its records, 101216
documents, returns, and reports open to inspection by the tax 101217
commissioner during normal business hours, and shall preserve 101218
those records, documents, returns, and reports for a period of 101219
three years after the date the return or report, or return or 101220
report to which such a record or document pertains, was required 101221
to be filed or actually was filed, whichever is later. The tax 101222
commissioner may consent in writing to the destruction of such 101223
records, documents, returns, or reports within that three-year 101224
period. 101225

(B) The tax commissioner shall administer and enforce this 101226
chapter. In addition to any other powers conferred by law on the 101227
tax commissioner, the tax commissioner may prescribe all forms 101228

~~the opinion of the tax commissioner, are necessary to carry out~~ 101230
~~those sections,~~ and appoint and employ such personnel as may be 101231
necessary to carry out the tax commissioner's duties under those 101232
sections. 101233

Sec. 5747.026. (A) For taxable years beginning on or after 101234
January 1, 2002, each member of the national guard and each 101235
member of a reserve component of the armed forces of the United 101236
States called to active duty pursuant to an executive order 101237
issued by the president of the United States or an act of the 101238
congress of the United States may apply to the tax commissioner 101239
for both an extension for filing of the return and an extension 101240
of time for payment of taxes required under this chapter and 101241
under Chapter 5748. of the Revised Code during the period of the 101242

member's duty service and for sixty days thereafter. The 101243
application shall be filed on or before the sixtieth day after 101244
the member's duty terminates. An applicant shall provide such 101245
evidence as the tax commissioner considers necessary to 101246
demonstrate eligibility for the extension. 101247

(B) (1) If the tax commissioner ascertains that an 101248
applicant is qualified for an extension under this section, the 101249
tax commissioner shall enter into a contract with the applicant 101250
for the payment of the tax in installments that begin on the 101251
sixty-first day after the applicant's active duty terminates. 101252

commissioner may prescribe such contract terms as the tax 101254
commissioner considers appropriate. If the amount owed is two 101255
thousand four hundred dollars or less, the contract shall be for 101256
not longer than twelve months. If the amount owed is more than 101257
two thousand four hundred dollars, the contract shall be for not 101258
longer than twenty-four months. 101259

(2) If the tax commissioner ascertains that an applicant 101260
is qualified for an extension under this section, the applicant 101261
shall neither be required to file any return, report, or other 101262
tax document nor be required to pay any tax otherwise due under 101263
this chapter and Chapter 5748. of the Revised Code before the 101264
sixty-first day after the applicant's active duty terminates. 101265

(3) Taxes paid pursuant to a contract entered into under 101266
division (B) (1) of this section are not delinquent. The tax 101267
commissioner shall not require any payments of penalties, 101268
interest penalties, or interest in connection with those taxes 101269
for the extension period. 101270

(C) (1) Nothing in this division denies to any person 101271
described in this division the application of divisions (A) and 101272

(B) of this section. 101273

(2) (a) A qualifying taxpayer who is eligible for an 101274

chapter and Chapter 5748. of the Revised Code. The length of any 101279

be equal to the length of the corresponding extension that the 101281
taxpayer receives under the Internal Revenue Code. As used in 101282
this section, "qualifying taxpayer" means a member of the 101283
national guard, or a member of the reserve component of the 101284

pursuant to either an executive order issued by the president of 101286
the United States or an act of the congress of the United 101287
States. 101288

(b) Taxes whose payment is extended in accordance with 101289
division (C) (2) (a) of this section are not delinquent during the 101290
extension period. The tax commissioner shall not require any 101291
payment of penalties, interest penalties, or interest in 101292
connection with those taxes for the extension period. The tax 101293
commissioner shall not include any period of extension granted 101294
under division (C) (2) (a) of this section in calculating the 101295
penalty, interest penalty, or interest due on any unpaid tax. 101296

(D) For each taxable year to which division (A), (B), or 101297
(C) of this section applies to a taxpayer, the provisions of 101298
divisions (B) (2) and (3) or (C) of this section, as applicable, 101299
apply to the spouse of that taxpayer if the filing status of the 101300
spouse and the taxpayer is married filing jointly for that year. 101301

(E) The tax commissioner may adopt rules ~~necessary to~~ 101302

~~administer this section, including rules~~ establishing the 101303

requirements under section 718.031 of the Revised Code. As used 101311
in this section, "sports gaming proprietor" and "sports gaming 101312
facility" have the same meanings as in section 3775.01 of the 101313
Revised Code. 101314

division (A) (1) of this section, the casino operator or sports 101337
gaming proprietor also shall require the person to state in 101338
writing, under penalty of falsification, whether the person is 101339
in default under a support order. 101340

(B) Amounts deducted and withheld by a casino operator or 101341

the state. 101343

(1) On or before the tenth day of each month, the casino 101344
operator or sports gaming proprietor shall file a return 101345
electronically with the tax commissioner identifying the persons 101346
from whose winnings amounts were deducted and withheld, the 101347

preceding calendar month, the amount of the winnings from which 101349
each such amount was withheld, the type of casino gaming or 101350
sports gaming that resulted in such winnings, and any other 101351
information required by the tax commissioner. With the return, 101352
the casino operator or sports gaming proprietor shall remit 101353
electronically to the commissioner all the amounts deducted and 101354
withheld during the preceding month. 101355

(2) (a) A casino operator or sports gaming proprietor shall 101356
maintain a record of each written statement provided under 101357
division (A) (2) of this section in which a person admits to 101358
being in default under a support order. The casino operator or 101359
sports gaming proprietor shall make these records available to 101360
the director of job and family services upon request. 101361

(b) A casino operator or sports gaming proprietor shall 101362
maintain copies of receipts issued under division (A) (1) of this 101363
section and of written statements provided under division (A) (2) 101364

(b) of this section in accordance with section 5747.17 of the 101369
Revised Code and any rules adopted pursuant thereto. 101370

(3) Annually, on or before the thirty-first day of 101371
January, a casino operator or sports gaming proprietor shall 101372
file an annual return electronically with the tax commissioner 101373
indicating the total amount deducted and withheld during the 101374
preceding calendar year. The casino operator or sports gaming 101375
proprietor shall remit electronically with the annual return any 101376
amount that was deducted and withheld and that was not 101377
previously remitted. If the identity of a person and the amount 101378
deducted and withheld with respect to that person were omitted 101379
on a monthly return, that information shall be indicated on the 101380
annual return. 101381

(4) (a) A casino operator or sports gaming proprietor who 101382
fails to file a return and remit the amounts deducted and 101383
withheld is personally liable for the amount deducted and 101384
withheld and not remitted. The commissioner may impose a penalty 101385
up to one thousand dollars if a return is filed late, if amounts 101386
deducted and withheld are remitted late, if a return is not 101387
filed, or if amounts deducted and withheld are not remitted. 101388
Interest accrues on past due amounts deducted and withheld at 101389
the rate prescribed in section 5703.47 of the Revised Code. The 101390
commissioner may collect past due amounts deducted and withheld 101391

and penalties and interest thereon by assessment under section 101392
5747.13 of the Revised Code as if they were income taxes 101393
collected by an employer. 101394

(b) If a casino operator or sports gaming proprietor sells 101395
the casino facility or sports gaming facility, or otherwise 101396
quits the casino or sports gaming business, the amounts deducted 101397
and withheld and any penalties and interest thereon are 101398
immediately due and payable. The successor shall withhold an 101399
amount of the purchase money that is sufficient to cover the 101400
amounts deducted and withheld and penalties and interest thereon 101401
until the predecessor casino operator or sports gaming 101402
proprietor produces either a receipt from the commissioner 101403
showing that the amounts deducted and withheld and penalties and 101404
interest thereon have been paid or a certificate from the 101405
commissioner indicating that no amounts deducted and withheld or 101406
penalties and interest thereon are due. If the successor fails 101407

for payment of the amounts deducted and withheld and penalties 101409
and interest thereon, up to the amount of the purchase money. 101410

(C) Annually, on or before the thirty-first day of 101411

amount deducted from the person's winnings by the casino 101416
operator or sports gaming proprietor during the preceding 101417
calendar year. 101418

(D) Amounts deducted and withheld shall be allowed as a 101419
credit against payment of the tax imposed by section 5747.02 of 101420
the Revised Code and shall be treated as taxes paid for purposes 101421

of section 5747.09 of the Revised Code. This division applies 101422
only to the person for whom the amount is deducted and withheld. 101423

(E) The failure of a casino operator or sports gaming 101424
proprietor to deduct and withhold the required amount from a 101425
person's winnings does not relieve the person from liability for 101426
the tax imposed by section 5747.02 of the Revised Code with 101427
respect to those winnings. And compliance with this section does 101428
not relieve a casino operator or sports gaming proprietor or a 101429
person who has winnings from casino gaming or sports gaming from 101430
compliance with relevant provisions of federal tax laws. 101431

(F) A sports gaming proprietor that offers lottery sports 101432
gaming through a terminal described in division (B) (3) of 101433
section 3770.24 of the Revised Code shall not withhold amounts 101434
under this section from winnings from wagers placed through that 101435
terminal. The state lottery commission shall withhold amounts 101436
from those winnings under section 5747.062 of the Revised Code. 101437

(G) The commissioner shall prescribe the form of the 101438
receipt and returns required by this section. The director of 101439
job and family services shall prescribe the form of the 101440
statement required by this section. 101441

~~(H) The commissioner may adopt rules that are necessary to 101442
administer this section. 101443~~

Sec. 5747.064. The requirements imposed under this section 101444
are in addition to the municipal income tax withholding 101445
requirements under section 718.031 of the Revised Code. 101446

(A) As used in this section, "video lottery sales agent" 101447
has the same meaning as in section 3770.10 of the Revised Code. 101448

(B) If a person's prize award from a video lottery 101449
terminal is an amount for which reporting to the internal 101450

revenue service of the amount is required by section 6041 of the 101451
Internal Revenue Code, as amended, the video lottery sales agent 101452
shall deduct and withhold Ohio income tax from the person's 101453
prize award at a rate of three and one-eighth per cent for 101454
calendar year 2025, after ~~the effective date of this~~ 101455
~~amendment~~ September 30, 2025, and two and three-quarters per cent 101456
for calendar year 2026 and thereafter of the amount won. The 101457
video lottery sales agent shall issue, to a person from whose 101458
prize award an amount has been deducted or withheld, a receipt 101459
for the amount deducted and withheld, and also shall obtain from 101460
the person additional information that will be necessary for the 101461
video lottery sales agent to prepare the returns required by 101462
this section. 101463

(C) Amounts deducted and withheld by a video lottery sales 101464
agent are held in trust for the benefit of the state. 101465

(1) On or before the tenth day of each month, the video 101466
lottery sales agent shall file a return electronically with the 101467
tax commissioner identifying the persons from whose prize awards 101468
amounts were deducted and withheld, the amount of each such 101469
deduction and withholding during the preceding month, the amount 101470
of the prize award from which each such amount was withheld, and 101471
any other information required by the commissioner. With the 101472
return, the video lottery sales agent shall remit electronically 101473
to the commissioner all the amounts deducted and withheld during 101474
the preceding month. 101475

(2) A video lottery sales agent shall maintain a record of 101476
all receipts issued under division (B) of this section and shall 101477
make those records available to the commissioner upon request. 101478
Such records shall be maintained in accordance with section 101479
5747.17 of the Revised Code and any rules adopted pursuant 101480

thereto. 101481

(3) Annually, on or before the thirty-first day of 101482
January, a video lottery sales agent shall file an annual return 101483
electronically with the tax commissioner indicating the total 101484
amount deducted and withheld during the preceding calendar year. 101485
The video lottery sales agent shall remit electronically with 101486
the annual return any amount that was deducted and withheld and 101487
that was not previously remitted. If the identity of a person 101488
and the amount deducted and withheld with respect to that person 101489
were omitted on a monthly return, that information shall be 101490
indicated on the annual return. 101491

(4) (a) A video lottery sales agent who fails to file a 101492
return and remit the amounts deducted and withheld is personally 101493
liable for the amount deducted and withheld and not remitted. 101494
The commissioner may impose a penalty of up to one thousand 101495
dollars if a return is filed late, if amounts deducted and 101496
withheld are remitted late, if a return is not filed, or if 101497
amounts deducted and withheld are not remitted. Interest accrues 101498
on past due amounts deducted and withheld at the rate prescribed 101499
in section 5703.47 of the Revised Code. The commissioner may 101500
collect past due amounts deducted and withheld and penalties and 101501
interest thereon by assessment under section 5747.13 of the 101502
Revised Code as if they were income taxes collected by an 101503
employer. 101504

(b) If a video lottery sales agent ceases to operate video 101505
lottery terminals, the amounts deducted and withheld and any 101506
penalties and interest thereon are immediately due and payable. 101507
A successor of the video lottery sales agent that purchases the 101508
video lottery terminals from the agent shall withhold an amount 101509
of the purchase money that is sufficient to cover the amounts 101510

deducted and withheld and penalties and interest thereon until 101511
the predecessor video lottery sales agent produces either a 101512
receipt from the tax commissioner showing that the amounts 101513
deducted and withheld and penalties and interest thereon have 101514
been paid or a certificate from the commissioner indicating that 101515
no amounts deducted and withheld or penalties and interest 101516
thereon are due. If the successor fails to withhold purchase 101517
money, the successor is personally liable for payment of the 101518
amounts deducted and withheld and penalties and interest 101519
thereon, up to the amount of the purchase money. 101520

(D) Annually, on or before the thirty-first day of 101521
January, a video lottery sales agent shall issue an information 101522
return to each person with respect to whom an amount has been 101523
deducted and withheld during the preceding calendar year. The 101524
information return shall show the total amount deducted from the 101525
person's prize award by the video lottery sales agent during the 101526
preceding year. 101527

(E) Amounts deducted and withheld shall be allowed as a 101528
credit against payment of the tax imposed by section 5747.02 of 101529
the Revised Code and shall be treated as taxes paid for purposes 101530
of section 5747.09 of the Revised Code. This division applies 101531
only to the person for whom the amount is deducted and withheld. 101532

(F) The failure of a video lottery sales agent to deduct 101533
and withhold the required amount from a person's prize award 101534
does not relieve the person from liability for the tax imposed 101535
by section 5747.02 of the Revised Code with respect to that 101536
income. Compliance with this section does not relieve a video 101537
lottery sales agent or a person who has a prize award from 101538
compliance with relevant provisions of federal tax laws. 101539

(G) The commissioner shall prescribe the form of the 101540

receipt and returns required by this section ~~and may promulgate~~ 101541
~~any rules necessary to administer the section.~~ 101542

Sec. 5747.065. (A) If a taxpayer has elected under section 101543
4141.321 of the Revised Code to have the director of job and 101544
family services deduct and withhold state income tax from the 101545
unemployment compensation benefits payable to the taxpayer, the 101546
director shall deduct and withhold such tax at the rate or rates 101547
that the director shall prescribe in consultation with the tax 101548
commissioner. 101549

(B) (1) On or before the tenth day of each month, the 101550
director of job and family services shall file a return 101551
electronically with the tax commissioner, in the form prescribed 101552
by the commissioner. With the return, the director shall remit 101553
electronically to the commissioner all the amounts deducted and 101554
withheld under this section during the preceding month. 101555

(2) On or before the thirty-first day of January of each 101556
year, beginning in 2026, the director shall electronically file 101557
an annual return with the commissioner, in the form prescribed 101558
by the commissioner, indicating the total amount deducted and 101559
withheld under this section during the preceding calendar year. 101560
At the time of filing that return, the director shall remit any 101561
amount deducted and withheld during the preceding calendar year 101562
that was not previously remitted. 101563

(3) Annually, on or before the thirty-first day of 101564
January, the director shall issue an information return to each 101565
taxpayer with respect to whom an amount has been deducted and 101566
withheld under this section during the preceding calendar year. 101567
The information return shall show the total amount deducted from 101568
the taxpayer's unemployment compensation benefits during the 101569
preceding calendar year and any other information the tax 101570

commissioner requires. If the director is required under the 101571
Internal Revenue Code to report federal income tax deducted and 101572
withheld from unemployment compensation benefits, then the 101573
director may report the information required under this section 101574
on that report, as authorized by the Internal Revenue Code. 101575

(4) Annually, on or before the thirty-first day of 101576
January, beginning in 2026, the director shall provide to the 101577
commissioner a copy of each information return issued under 101578
division (B) (3) of this section for the preceding calendar year. 101579
The commissioner may require that the copies be transmitted 101580
electronically. 101581

(C) Failure of the director to deduct and withhold the 101582
required amounts from unemployment compensation benefits or to 101583
remit amounts withheld as required by this section does not 101584
relieve a taxpayer from liability for the tax imposed by section 101585
5747.02 of the Revised Code. 101586

~~(D) The director of job and family services may adopt 101587
rules as necessary to administer this section. 101588~~

If the taxpayer is a direct or indirect investor in a 101819

its proportionate or distributive share of the credit allowed 101822
under this section, except that the share that may be claimed by 101823
all such investors may not exceed seven hundred fifty dollars 101824
for any taxable year. 101825

The credit authorized by this section is not allowed 101826
unless the taxpayer claiming the credit provides to the tax 101827
commissioner, in the form and manner required by the 101828
commissioner, a copy of a receipt or other document issued by 101829

the credit. No credit shall be allowed unless a copy of such 101834
document or other required information is provided. 101835

(C) An entity may apply to the attorney general, on forms 101836
and in the manner prescribed by the attorney general, to be 101837

attorney general receives the application. The attorney general 101854
shall maintain a list of all scholarship granting organizations. 101855
As soon as is practicable after compiling or updating this list, 101856
the attorney general shall furnish the list to the tax 101857
commissioner, who shall post the list or updated list to the 101858
department of taxation's web site. 101859

the Revised Code for a taxpayer that is allocated a credit 101867
issued by the executive director of the Ohio housing finance 101868
agency under section 175.16 of the Revised Code. The credit 101869

reporter files the form prescribed by division ~~(I)~~(H) of section 101872
175.16 of the Revised Code. 101873

The credit shall be claimed in the order required under 101874
section 5747.98 of the Revised Code. If the credit exceeds the 101875
taxpayer's aggregate tax due under section 5747.02 of the 101876
Revised Code for that taxable year after allowing for credits 101877
that precede the credit under this section in that order, such 101878
excess shall be allowed as a credit in each of the ensuing five 101879
taxable years, but the amount of any excess credit allowed in 101880
any such taxable year shall be deducted from the balance carried 101881
forward to the ensuing taxable year. 101882

No credit shall be claimed under this section to the 101883
extent the credit was claimed under section 5725.36, 5726.58, or 101884
5729.19 of the Revised Code. 101885

than required under the Safe Drinking Water Act. 102458

(B) The director shall post information on the 102459
environmental protection agency's web site about sources of 102460

fountain and water-service fixture replacement. 102463

(C) As required by the director, an owner or operator of a 102464
nontransient noncommunity water system that is a school or child 102465
care center shall collect additional tap water samples in 102466

rules adopted under division (A) (18) of this section. 102468

(D) As used in this section: 102469

(1) "Child care center" has the same meaning as in section 102470
5104.01 of the Revised Code. 102471

(2) "School" means a school operated by the board of education of a city, local, exempted village, or joint vocational school district, the governing board of an educational service center, the governing authority of a community school established under Chapter 3314. of the Revised Code, the governing body of a science, technology, engineering, and mathematics school established under Chapter 3326. of the Revised Code, the board of trustees of a college-preparatory boarding school established under Chapter 3328. of the Revised Code, or the governing authority of a chartered or nonchartered nonpublic school.

(3) "Local board of health" means the applicable board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code.

Sec. 6111.035. (A) The director of environmental protection, consistent with the Federal Water Pollution Control Act and the regulations adopted thereunder, without application therefor, may issue, modify, revoke, or terminate a general permit under this chapter for both of the following:

(1) Discharge of stormwater; the discharge of liquids, sediments, solids, or water-borne mining related waste, such as, but not limited to, acids, metallic cations, or their salts, from coal mining and reclamation operations; or treatment works whose discharge would have de minimis impact on the waters of the state receiving the discharge;

(2) Installation or modification of disposal systems or any parts thereof, including disposal systems for stormwater or for coal mining and reclamation operations.

A general permit shall apply to a class or category of discharges or disposal systems or to persons conducting similar activities, within any area of the state, including the entire state.

A general permit shall not be issued unless the director determines that the discharges authorized by the permit will have only minimal cumulative adverse effects on the environment when the discharges are considered collectively and individually and if, in the opinion of the director, the discharges, installations, or modifications authorized by the permit are more appropriately authorized by a general permit than by an individual permit.

A general permit shall be issued subject to applicable mandatory provisions and may be issued subject to any applicable permissive provision of the Federal Water Pollution Control Act and the regulations adopted thereunder.

The director, at the director's discretion, may require any person authorized to discharge or to install or modify a disposal system under a general permit to apply for and obtain an individual permit for the discharge, installation, or modification. When a particular discharge, installation, or modification is subject to an individual permit, a general permit shall not apply to that discharge, installation, or modification until the individual permit is revoked, terminated, or modified to exclude the discharge, installation, or modification.

In the case of a general permit issued by the director under this section for coal mining and reclamation operations, a person seeking coverage under such a general permit shall submit a notice of intent to be covered by the general permit and to be

subject to the terms and conditions of the general permit. The 102531
notice of intent shall be submitted in accordance with the forms 102532
and deadlines specified for the applicable general permit for 102533
which coverage is sought. If the director has not granted or 102534
denied coverage under the general permit within forty-five days 102535
after receipt of the notice of intent, the person seeking 102536
coverage shall submit written notice to the director restating 102537
the person's request for coverage under the general permit. The 102538
director shall grant or deny coverage under the general permit 102539
not later than sixty days after receipt of the notice of intent. 102540
If, not later than fifteen days after receipt of the person's 102541
written notice restating the person's request for coverage, but 102542
not earlier than sixty days after receipt of the original notice 102543
of intent for coverage under the general permit, the director 102544
fails to act on the notice of intent, the discharge that is the 102545
subject of the notice of intent is deemed to be permitted and 102546
covered by the general permit related to coal mining and 102547
reclamation operations. Nothing in this section alters or limits 102548
the authority of the director to enforce the terms and 102549
conditions of the general permit or limits the director's 102550
authority to issue or deny other required permits. 102551

As used in this division, "coal mining and reclamation 102552
operations" has the same meaning as in section 1513.01 of the 102553
Revised Code. 102554

(B) Notwithstanding any requirement under Chapter 119. of 102555
the Revised Code concerning the manner in which notice of a 102556
permit action is provided, the director shall not be required to 102557
provide certified mail notice to persons subject to the 102558
issuance, modification, revocation, or termination of a general 102559
permit under division (A) of this section. 102560

Notwithstanding section 3745.07 of the Revised Code 102561
concerning the location of newspapers in which notices of permit 102562
actions are published, the director shall cause notice of the 102563
issuance, modification, revocation, or termination of a general 102564
permit to be published in the newspapers of general circulation 102565
determined by the director to provide reasonable notice to 102566
persons affected by the permit action in the geographic area 102567
covered by the general permit within the time periods prescribed 102568
by section 3745.07 of the Revised Code. Any notice under this 102569
section or section 3745.07 of the Revised Code concerning the 102570
issuance, modification, revocation, or termination of a general 102571
permit shall include a summary of the permit action and 102572
instructions on how to obtain a copy of the full text of the 102573
permit action. The director may take other appropriate measures, 102574
such as press releases and notice to trade journals, 102575
associations, and other persons known to the director to desire 102576
notification, in order to provide notice of the director's 102577
actions concerning the issuance, modification, revocation, or 102578
termination of a general permit; however, the failure to provide 102579
such notice shall not invalidate any general permit. 102580

(C) Notwithstanding any other provision of the Revised 102581
Code, a person subject to the proposed issuance, modification, 102582
revocation, or termination of a general permit under division 102583
(A) of this section may request an adjudication hearing pursuant 102584
to section 119.07 of the Revised Code concerning the proposed 102585
action within thirty days after publication of the notice of the 102586
proposed action in newspapers of general circulation pursuant to 102587
division (B) of this section. This division shall not be 102588
interpreted to affect the authority of the director to take 102589
actions on general permits in forms other than proposed general 102590
permits. 102591

~~(D) The director may exercise all incidental powers required to carry out this section, including, without limitation, the adoption, amendment, and rescission of rules to implement a general permit program for classes or categories of dischargers or disposal systems.~~

~~(E)~~ On and after the date on which the United States environmental protection agency approves the NPDES program submitted by the director of agriculture under section 903.08 of the Revised Code, this section does not apply to storm water from an animal feeding facility, as defined in section 903.01 of the Revised Code, or to manure, as defined in that section.

~~(F)~~ (E) As used in this section, "Federal Water Pollution Control Act" means the "Federal Water Pollution Control Act Amendments of 1972," 86 Stat. 886, 33 U.S.C.A. 1251, as amended by the "Clean Water Act of 1977," 91 Stat. 1566, 33 U.S.C.A. 1251, the "Act of October 21, 1980," 94 Stat. 2360, 33 U.S.C.A. 1254, the "Municipal Wastewater Treatment Construction Grant Amendments of 1981," 95 Stat. 1623, 33 U.S.C.A. 1281, and the "Water Quality Act of 1987," 101 Stat. 7, 33 U.S.C.A. 1251.

Sec. 6111.043. (A) As used in this section and sections 6111.044 to 6111.047 of the Revised Code, "area of review" means the area of review of an injection well as determined under regulations adopted under the "Safe Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as amended, or under rules adopted under this section.

(B) This section and sections 6111.044 to 6111.049 of the Revised Code establish a program for regulation of the injection of sewage, industrial waste, hazardous waste, and other wastes into wells in order to control pollution of the waters of the state, to prevent contamination of underground sources of

drinking water, and to satisfy all requirements of the "Safe 102622
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), 102623
as amended, regarding injection wells as defined in regulations 102624
adopted under that act. This section and sections 6111.044 to 102625
6111.049 of the Revised Code do not apply to the drilling, 102626
conversion, and operation of wells that are subject to Chapter 102627
1509. of the Revised Code. 102628

The director of environmental protection, in consultation 102629
with the director of natural resources, shall adopt rules in 102630
accordance with Chapter 119. of the Revised Code governing the 102631
injection of sewage, industrial waste, hazardous waste, and 102632
other wastes into wells. The rules shall ~~include~~have provisions 102633
regarding all of the following: 102634

(1) Applications for and issuance and renewal of injection 102635
well drilling and injection well operating permits. The term of 102636
an injection well operating permit shall be five years, except 102637
that in the case of the injection well drilling permit or 102638
renewal of an injection well operating permit, as appropriate, 102639
that is first issued on or after the effective date of this 102640
amendment for a class I injection well that is in operation on 102641
that date, the term of the permit shall be not less than four 102642
nor more than six years as determined by the director. 102643

(2) ~~Terms and conditions of such permits;~~ 102644

~~(3)~~ Entry to conduct inspections to ascertain compliance 102645
with this section, sections 6111.044, 6111.045, and 6111.047 of 102646
the Revised Code, and rules adopted and orders and terms and 102647
conditions of permits issued thereunder; 102648

~~(4)~~(3) Contingencies involving the mechanical integrity of 102649
class I injection wells, including requirements for the 102650

automatic shutdown of an injection well if pressures or the 102651
temperature or specific gravity of the sewage, industrial waste, 102652
hazardous waste, or other wastes differs from prescribed 102653
allowances; 102654

~~(5)~~(4) A requirement that a seismic reflection data survey 102655
be conducted at each injection site where a class I injection 102656
well is located or proposed to be located in order to determine 102657
the presence or absence of such geologic faults or fractures as 102658
may be identified by seismic reflection survey data within or 102659
near the area around the well where formation pressures may be 102660
increased due to the operation of the well. If, prior to the 102661
effective date of division ~~(B) (5)~~(B) (4) of this section, a 102662
seismic reflection data survey was conducted at an injection 102663
site in accordance with a work plan approved by the director or 102664
a seismic reflection data survey was conducted at an injection 102665
site and the results were approved in writing by the director, 102666
the rules adopted under that division shall not require that a 102667
new survey be conducted. If there is a change in the area of 102668
review of an injection well that is located at an injection site 102669
for which a seismic reflection data survey has been conducted, 102670
or if a new injection well is proposed to be located at such an 102671
injection site, the rules shall require that the owner or 102672
operator of the injection site reevaluate the data obtained from 102673
the survey. The rules shall require that if, after a 102674
reevaluation of the existing survey data, the director 102675
determines that the existing data are inadequate to determine 102676
the presence or absence of geologic faults or fractures within 102677
the altered area of review or to determine the presence or 102678
absence of geologic faults or fractures within the area of 102679
pressure buildup of the new well, the director may require the 102680
owner or operator to submit such additional seismic reflection 102681

data as the director considers necessary or appropriate. All 102682
seismic reflection data surveys shall be conducted in accordance 102683
with the standards established in rules adopted by the director. 102684

~~(6)~~(5) A requirement that when the director has reason to 102685
believe that the operation of a class I injection well may cause 102686
seismic disturbances, a passive seismicity monitoring program be 102687
maintained at or near the injection site. The rules adopted 102688
under division ~~(B)~~(6)(B)(5) of this section may require that a 102689
microseismicity monitoring program be maintained at an injection 102690
site when determined to be necessary or appropriate by the 102691
director. All seismicity monitoring programs shall be conducted 102692
in accordance with standards established in rules adopted by the 102693
director. 102694

~~(7)~~(6) Definitions of the various classes of injection 102695
wells; 102696

~~(8)~~(7) A determination of the areas of review of injection 102697
wells; 102698

~~(9) Other provisions in furtherance of the goals of this~~ 102699
~~section and the "Safe Drinking Water Act," 88 Stat. 1661 (1974),~~ 102700
~~42 U.S.C.A. 300(f), as amended. The rules adopted under this~~ 102701
section shall be consistent with that act and the regulations 102702
adopted under it, except that the director may adopt rules under 102703
this section that are more stringent than that act and the 102704
regulations adopted under it when ~~he~~the director determines 102705
that they are inadequate to protect human health or the 102706
environment. 102707

(C) Unless otherwise authorized by rule of the director, 102708
no person shall drill a new well or convert an existing well for 102709
the purpose of injecting sewage, industrial waste, hazardous 102710

waste, or other wastes, without having obtained an injection well drilling permit issued by the director of environmental protection. The original permit or a true copy thereof shall be displayed in a conspicuous and easily accessible place at the well site. An application for an injection well drilling permit shall be filed with the director upon such form as the director prescribes and shall contain ~~such information as the director requires by rule, including~~ all of the following information:

(1) The name and address of the owner and, if a corporation, the name and address of the statutory agent;

(2) In the case of an applicant for a permit to drill a class I injection well who, at the time of submitting the application, does not hold an injection well operating permit or renewal of such a permit issued under section 6111.044 of the Revised Code, a statement of all relevant expertise of the owner or, if the well is to be operated by a person other than the owner, of the operator, in the operation of class I injection wells and a listing of all class I injection wells that the owner or operator has operated and is operating; the date that each such well was first placed in service or, if the well was first placed in service before the applicant acquired the well, the date that the applicant acquired the well; and the date of issuance, identification number, and expiration date of the permits issued for each such well by the United States or the state in which the injection well is located and, for each such permit, the name and address of the federal or state agency that issued the permit;

appointment as such agent. 102741

(4) The proposed well location identified by latitude and 102742
longitude, and the location of the tract on which the well is to 102743
be drilled identified by latitudes and longitudes, section or 102744
lot number, city, village, or township, as applicable, and 102745
county; 102746

(5) Designation of the well by name and number; 102747

(6) The name of the geological formation and the 102748
approximate depth interval to be tested or used and the proposed 102749
total depth of the well; 102750

(7) The type of drilling, completion, and injection 102751
equipment proposed to be used; 102752

(8) The plan for disposal of water and other waste 102753
substances resulting from or obtained or produced in connection 102754
with the drilling, conversion, or testing of the well; 102755

(9) The chemical composition and physical properties of 102756
the substance proposed to be injected. 102757

(D) Based upon conditions observed by the director or 102758
~~his~~ the director's authorized representative during drilling or 102759
completion of a class I injection well, the director may request 102760
the holder of an injection well drilling permit issued under 102761
section 6111.044 of the Revised Code to submit to the director 102762
such information and test results in addition to those submitted 102763
with the application as the director considers necessary to more 102764
adequately define hydrogeologic conditions at the site of the 102765
well and to protect the lowermost underground source of drinking 102766
water near the injection well. The director shall include in 102767
each injection well drilling permit issued under section 102768
6111.044 of the Revised Code the condition that, upon receiving 102769

such a request from the director, the permit holder promptly 102770
submit the additional information or test results to the 102771
director. 102772

(E) Unless otherwise authorized by rule of the director, 102773
no person shall use a well for the injection of sewage, 102774
industrial waste, hazardous waste, or other wastes without first 102775
obtaining an injection well operating permit issued by the 102776
director. An application for an injection well operating permit 102777
or a renewal of such a permit shall be filed on such form as the 102778
director prescribes and shall contain the information prescribed 102779
in the applicable provisions of divisions (C) (1) to (9) of this 102780
section. In addition, an application for an injection well 102781
operating permit or renewal of such a permit for a class I 102782
injection well shall contain ~~such information as the director~~ 102783
~~requires by rule, including~~ all of the following: 102784

(1) The results of such seismic reflection data surveys, 102785
seismic monitoring, and geophysical testing surveys in and 102786
surrounding the injection area as are required pursuant to rules 102787
adopted under divisions ~~(B) (5)~~ (B) (4) and ~~(6) (5)~~ of this section; 102788

(2) A plan for ensuring the annual review and testing of 102789
the integrity of the well casing and associated well features 102790
and, if the application is for a renewal, the results of all 102791
such testing since the issuance of the current permit or renewal 102792
permit. If this information has been submitted to the director 102793
previously as required by rule or applicable technical guidance, 102794
it may be included in the application by reference. 102795

(3) A plan for monitoring the lowermost underground source 102796
of drinking water near the injection well. When determined to be 102797
necessary by the director, the application also shall include a 102798
plan for monitoring conditions of other formations within the 102799

area of review of the well, including formation pressures, 102800
formation transmissivity, or the vertical or horizontal 102801
migration of the injected fluids. If the application is for the 102802
renewal of an injection well operating permit, it shall be 102803
accompanied by all of the results from the monitoring of the 102804
lowermost underground source of drinking water near the well, 102805
and from other formation monitoring activities, conducted during 102806
the term of the current permit or renewal that had not been 102807
submitted to the director previously in accordance with rules 102808
adopted under this section, the terms and conditions of the 102809
current permit or renewal, or applicable technical guidance. 102810

(4) A plan for conducting a seismicity monitoring program 102811
at the injection site when such a monitoring program is required 102812

section; 102814

(5) The results of downhole monitoring; geophysical logs; 102815
core samples, to the extent that they are available; results of 102816
laboratory tests of core samples, to the extent that they are 102817
available; results of laboratory tests of formation fluids from 102818
the injection zone; and such other data or samples as the 102819
director may require to be submitted. If any such information, 102820
test results, or samples have been submitted to the director 102821
previously upon the request of the director or as required by 102822
rule, the terms and conditions of the injection well drilling 102823
permit or injection well operating permit or renewal of that 102824
operating permit for the well, or applicable technical guidance, 102825
the information, test results, or results of the analysis or 102826
evaluation of the samples may be included in the application by 102827
reference. 102828

(6) A determination accompanied by supporting 102829

documentation describing all areas around the well where 102830
formation pressures are predicted by the applicant to be 102831
increased due to the operation of the well and an evaluation of 102832
whether any resulting potential exists for contamination of any 102833
underground source of drinking water or migration of substances 102834
injected into the well outside of the anticipated injection 102835
zone. The determination shall be made through the use of an 102836
hydraulic model acceptable to the director. 102837

(7) An evaluation of all artificial penetrations through 102838
the base of any underground source of drinking water within the 102839
area of review of the well and a determination of whether the 102840
wells are completed or plugged in accordance with the applicable 102841
rules adopted under this section or section 1509.15 of the 102842
Revised Code. 102843

~~(8) Such additional information as the director determines 102844
to be necessary to carry out his responsibilities under this 102845
section and section 6111.044 of the Revised Code. 102846~~

(F) Unless otherwise authorized by rule of the director, 102847
each application for an injection well drilling or operating 102848
permit or renewal of an injection well operating permit shall be 102849
accompanied by a map, on a scale not smaller than four hundred 102850
feet to the inch, prepared by an Ohio registered surveyor, 102851
showing the location of the well and containing such other data 102852
as may be prescribed by the director. If the well is or is to be 102853
located within the excavations and workings of an active mine, 102854
the map also shall include the location of the mine, the name of 102855
the mine, and the name of the person operating the mine. If the 102856
well is or is to be located within the excavations of an 102857
abandoned mine, the map also shall include the location of the 102858
mine and, to the extent that the information is available, the 102859

name of the mine and approximate dates when mining activities 102860
occurred at the mine. 102861

(G) Each application for an injection well drilling 102862
permit, an injection well operating permit, a renewal of an 102863
injection well operating permit, or a modification of an 102864
injection well drilling or operating permit or renewal permit 102865
shall be accompanied by a nonrefundable fee prescribed by the 102866
director by rule as necessary to defray the cost of processing 102867
the application. 102868

Sec. 6111.047. (A) For the purpose of defraying the costs 102869
to the environmental protection agency of implementing, 102870
administering, and enforcing sections 6111.043 to 6111.047 of 102871
the Revised Code pertaining to class I injection wells, a fee of 102872
one dollar per ton is hereby levied on the injection of 102873
industrial waste or other wastes into a class I injection well. 102874
The fee levied by this division does not apply to the injection 102875
into such a well of any hazardous waste identified or listed in 102876
rules adopted under section 3734.12 of the Revised Code. The 102877
maximum annual fee for wastes injected at a class I injection 102878
facility shall be twenty-five thousand dollars regardless of the 102879
number of wells being used at the facility. 102880

The owner or operator of the class I injection facility, 102881
as a trustee for the state, shall collect the fee levied under 102882
this division and forward it to the director of environmental 102883
protection in accordance with the rules adopted under division 102884
(C) of this section. The owner or operator shall remit the fee 102885
collected under this division to the director upon the 102886
anniversary of the date of issuance of ~~his~~the owner's or 102887
operator's injection well operating permit or renewal of such a 102888
permit, as appropriate. If the class I injection facility 102889

consists of more than one injection well, the owner or operator 102890
shall remit the fee to the director on the anniversary of the 102891
date of issuance of the injection well operating permit or 102892
renewal of such a permit for which the anniversary of the date 102893
of issuance next succeeds the first day of January. If payment 102894
is late, the owner or operator shall pay to the director a 102895
penalty of ten per cent of the amount of the fee for each month 102896
that it is late. 102897

(B) The director shall credit the moneys received under 102898
division (A) of this section to the underground injection 102899
control fund created in section 6111.046 of the Revised Code. 102900

(C) The director, by rules adopted in accordance with 102901
Chapter 119. of the Revised Code, shall prescribe any dates not 102902
specified in this section and procedures for collecting and 102903
forwarding the fee levied by this section. ~~The rules may~~ 102904
~~prescribe other requirements for implementing and administering~~ 102905
~~this section.~~ 102906

(D) No person shall fail to comply with this section or a 102907
rule adopted under it. 102908

Sec. 6111.049. Section 6111.047 and rules adopted under 102909
division ~~(B) (5)~~ (B) (4) of section 6111.043 of the Revised Code do 102910
not apply to any nonhazardous class I injection well that 102911
disposes of naturally occurring formation fluids extracted 102912
during salt mining processes into an injection zone consisting 102913
of the Oriskany sandstone at depths of not more than one 102914
thousand five hundred feet. 102915

Sec. 6111.32. (A) In order to ensure the regular and 102916
orderly maintenance of federal navigation channels and ports in 102917
this state, the director of environmental protection shall 102918

endeavor to work with the United States army corps of engineers 102919
on a dredging plan that focuses on long-term planning for the 102920
disposition of dredged material consistent with the requirements 102921
established in this section. 102922

(B) On and after July 1, 2020, no person shall deposit 102923
dredged material in the portion of Lake Erie that is within the 102924
jurisdictional boundaries of this state or in the direct 102925
tributaries of Lake Erie within this state that resulted from 102926
harbor or navigation maintenance activities unless the director 102927
has determined that the dredged material is suitable for one of 102928
the locations, purposes, or activities specified in division (C) 102929
of this section and has issued a section 401 water quality 102930
certification authorizing the deposit. 102931

(C) The director may authorize the deposit of dredged 102932
material in the portion of Lake Erie that is within the 102933
jurisdictional boundaries of this state or in the direct 102934
tributaries of Lake Erie within this state that resulted from 102935
harbor or navigation maintenance activities for any of the 102936
following: 102937

(1) Confined disposal facilities; 102938

(2) Beneficial use projects; 102939

(3) Beach nourishment projects if at least eighty per cent 102940
of the dredged material is sand; 102941

(4) Placement in the littoral drift if at least sixty per 102942
cent of the dredged material is sand; 102943

(5) Habitat restoration projects; 102944

(6) Projects involving amounts of dredged material that do 102945
not exceed ten thousand cubic yards, including material 102946

associated with dewatering operations related to dredging 102947
operations. 102948

(D) In order to coordinate the activities and 102949
responsibilities established under this chapter and Chapter 102950
1506. of the Revised Code, the director shall consult with the 102951
director of natural resources when approving the location in 102952
which dredged material is proposed to be deposited in the 102953
portion of Lake Erie that is within the jurisdictional 102954
boundaries of this state or in the direct tributaries of Lake 102955
Erie within this state. 102956

(E) The director of environmental protection, in 102957
consultation with the director of natural resources, may 102958
determine that financial, environmental, regulatory, or other 102959
factors exist that result in the inability to comply with this 102960
section. After making that determination, the director of 102961
environmental protection, through the issuance of a section 401 102962
water quality certification, may allow for open lake placement 102963
of dredged material from the Maumee river, Maumee bay federal 102964
navigation channel, and Toledo harbor. 102965

~~(F) The director may adopt rules in accordance with 102966
Chapter 119. of the Revised Code that are necessary for the 102967
implementation of this section. 102968~~

Sec. 6111.451. Not later than one hundred eighty days 102969
after ~~the effective date of this section~~ March 29, 2007, the 102970
director of environmental protection shall adopt rules in 102971
accordance with Chapter 119. of the Revised Code specifying 102972
construction activities that do not, by themselves, constitute 102973
installing works for the treatment or disposal of sewage or 102974
other waste for which approval of plans is required under 102975
section 6111.44 or 6111.45 of the Revised Code. The activities 102976

shall include the grading and clearing of land, on-site storage 102977
of portable parts and equipment, and the construction of 102978
foundations or buildings that are not directly related to the 102979
installation of treatment or disposal works. The rules also 102980
shall allow specified initial activities that are part of the 102981
installation of treatment or disposal works, such as the 102982
installation of electrical and other utilities for the works, 102983
prior to the approval of the plans for the works, provided that 102984
the owner or operator of the works has submitted the complete 102985
plans for the works to the director and has notified the 102986
director that this activity will be undertaken prior to the 102987
approval of the plans. Any activity that is undertaken under the 102988
rules adopted under this section shall be at the risk of the 102989
owner or operator. The rules adopted under this section, to the 102990
extent possible, shall be consistent with rules adopted under 102991
division ~~(F) (5)~~ (E) (5) of section 3704.03 of the Revised Code. 102992

Sec. 6115.51. The treasurer of a sanitary district shall, 102993
at the time of taking office, execute and deliver to the 102994
president of the board of directors of the sanitary district, a 102995
bond with good and sufficient sureties, to be approved by the 102996
board, conditioned that the treasurer shall account for and pay 102997
over as required by law, and as ordered by the board, all money 102998
received by ~~him~~ the treasurer on the sale of any of such bonds or 102999
from any other source, and that ~~he~~ the treasurer will only sell 103000
and deliver such bonds to the purchasers thereof under and 103001
according to the terms prescribed in this section and section 103002
6115.50 of the Revised Code. The treasurer of the district shall 103003
promptly report all sales of bonds to the board, and the board 103004
shall issue warrants at the proper time for the payment of the 103005
principal, including mandatory sinking fund payments, and 103006
premium, if any, and the interest payments coming due on all 103007

bonds sold, and the treasurer shall place sufficient funds at 103008
the place of payment to pay the bonds. In case proper warrants 103009
are not issued by the board as provided in this section, the 103010
treasurer of the district shall ~~of his own accord~~ place funds at 103011
the place of payment. 103012

The successor in office of any treasurer of a sanitary 103013
district is not entitled to the bonds or the proceeds thereof 103014
until ~~he~~ the successor has complied with this section. If it is 103015
deemed more expedient by the board, as to moneys derived from 103016
the sale of bonds issued or from any other source, the board may 103017
by resolution select some suitable bank or banks or other 103018
depository, which depository shall be a qualified trustee as 103019
provided in section 135.18 of the Revised Code to hold and 103020
disburse such moneys on the orders of the board as the work 103021
progresses, until such fund is exhausted or transferred to the 103022
treasurer of the district by order of the board. The funds 103023
derived from the sale of any of such bonds shall be used only 103024
for paying the cost of the works and improvements and such 103025
costs, expenses, fees, and salaries, including financing costs, 103026
as are authorized by law. 103027

The district may secure the payment of loans authorized by 103028

bonds, ~~and the board may make any necessary rules to provide for~~ 103030
~~such payment~~. A party who has not sought a remedy against any 103031

purchasers or holders thereof for value. No proceedings in 103043
respect to the issuance of any such bonds shall be necessary 103044
except such as are required by this chapter. 103045

investment of its funds. Income from all such investments of 103052
moneys in any fund shall be credited to such funds as the board 103053
determines, subject to any such resolution or trust agreement, 103054
and such investments may be sold at such times as the treasurer 103055
determines. 103056
