SYNOPSIS

Personal needs allowance

R.C. 173.541 and 5163.33

Modifies the bill's increase of the personal needs allowance for an individual (1) participating in the assisted living program, (2) residing in a nursing facility, or (3) residing in an intermediate care facility for individual with intellectual disabilities to $75 (rather than $100 for an individual and $200 for a married couple).

In doing so, eliminates language specifically providing for a personal needs allowance of $200 for a married couple both participating in the program or residing in the facility.
