BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 5739.02, 5747.01, and 5747.025 of the Revised Code be amended to read as follows:

Sec. 5739.02. For the purpose of providing revenue with which to meet the needs of the state, for the use of the general revenue fund of the state, for the purpose of securing a thorough and efficient system of common schools throughout the state, for the purpose of affording revenues, in addition to those from general property taxes, permitted under constitutional limitations, and from other sources, for the support of local governmental functions, and for the purpose of reimbursing the state for the expense of administering this chapter, an excise tax is hereby levied on each retail sale made in this state.

(A)(1) The tax shall be collected as provided in section 5739.025 of the Revised Code. The rate of the tax shall be five and three-fourths per cent. The tax applies and is collectible when the sale is made, regardless of the time when the price is paid or delivered.

(2) In the case of the lease or rental, with a fixed term of more than thirty days or an indefinite term with a minimum period of more than thirty days, of any motor vehicles designed by the manufacturer to carry a load of not more than one ton, watercraft, outboard motor, or aircraft, or of any tangible personal property, other than motor vehicles designed by the manufacturer to carry a load of more than one ton, to be used by the lessee or renter primarily for business purposes, the tax shall be collected by the vendor at the time the lease or rental is consummated and shall be calculated by the vendor on the basis of the total amount to be paid by the lessee or renter under the lease agreement. If the total amount of the consideration for the lease or rental includes amounts that are not calculated at the time the lease or rental is executed, the tax shall be calculated and collected by the vendor at the time such amounts are billed to the lessee or renter. In the case of an open-end lease or rental, the tax shall be calculated by the vendor on the basis of the total amount to be paid during the initial fixed term of the lease or rental, and for each subsequent renewal period as it comes due. As used in this division, "motor vehicle" has the same meaning as in section 4501.01 of the Revised Code, and "watercraft" includes an outdrive unit attached to the watercraft.

A lease with a renewal clause and a termination penalty or similar provision that applies if the renewal clause is not exercised is presumed to be a sham transaction. In such a case,

the tax shall be calculated and paid on the basis of the entire length of the lease period, including any renewal periods, until the termination penalty or similar provision no longer applies. The taxpayer shall bear the burden, by a preponderance of the evidence, that the transaction or series of transactions is not a sham transaction.

(3) Except as provided in division (A)(2) of this section, in the case of a sale, the price of which consists in whole or in part of the lease or rental of tangible personal property, the tax shall be measured by the installments of that lease or rental.

(4) In the case of a sale of a physical fitness facility service or recreation and sports club service, the price of which consists in whole or in part of a membership for the receipt of the benefit of the service, the tax applicable to the sale shall be measured by the installments thereof.

(B) The tax does not apply to the following:

(1) Sales to the state or any of its political subdivisions, or to any other state or its political subdivisions if the laws of that state exempt from taxation sales made to this state and its political subdivisions including either of the following:

which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

(iii) For the purposes of division (AA)(5)(a)(iii) of this section, "upper level pass-through entity" means a pass-through entity directly or indirectly owning any equity of another pass-through entity, and "lower level pass-through entity" means that other pass-through entity.

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust amount, the upper level pass-through entity shall be deemed as owning no equity of the lower level pass-through entity for each day during the upper level

pass-through entity's calendar or fiscal year in which or with which ends the lower level pass-through entity's calendar or fiscal year. Nothing in division (AA)(5)(a)(iii) of this section shall be construed to provide for any deduction or exclusion in computing any trust's Ohio taxable income.

(b) With respect to a trust that is not a resident for the taxable year and with respect to a part of a trust that is not a resident for the taxable year, "qualifying investee" for that taxable year does not include a C corporation if both of the following apply:

(i) During the taxable year the trust or part of the trust recognizes a gain or loss from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, the C corporation.

(ii) Such gain or loss constitutes nonbusiness income.

(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.

(BB) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code.

(CC) "Related member" has the same meaning as in section 5733.042 of the Revised Code.

(DD)(1) For the purposes of division (DD) of this section:

(a) "Qualifying person" means any person other than a qualifying corporation.

corporation, except either of the following:

(i) A corporation that has made an election under subchapter S, chapter one, subtitle A, of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year;

(ii) A subsidiary that is wholly owned by any corporation that has made an election under subchapter S, chapter one, subtitle A of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year.

(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.

(EE) For purposes of this chapter and Chapter 5751. of the Revised Code:

(1) "Trust" does not include a qualified pre-income tax trust.

(2) A "qualified pre-income tax trust" is any pre-income tax trust that makes a qualifying pre-income tax trust election as described in division (EE)(3) of this section.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after

January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust.

(4) A "pre-income tax trust" is a trust that satisfies all of the following requirements:

(a) The document or instrument creating the trust was executed by the grantor before January 1, 1972;

(b) The trust became irrevocable upon the creation of the trust; and

(c) The grantor was domiciled in this state at the time the trust was created.

(GG) "Taxable business income" means the amount by which an individual's business income that is included in federal adjusted gross income exceeds the amount of business income the individual is authorized to deduct under division (A)(28) of this section for the taxable year.

(HH) "Employer" does not include a franchisor with respect to the franchisor's relationship with a franchisee or an employee of a franchisee, unless the franchisor agrees to assume that role in writing or a court of competent jurisdiction determines that the franchisor exercises a type or degree of control over the franchisee or the franchisee's employees that

is not customarily exercised by a franchisor for the purpose of protecting the franchisor's trademark, brand, or both. For purposes of this division, "franchisor" and "franchisee" have the same meanings as in 16 C.F.R. 436.1.

(II) "Modified adjusted gross income" means Ohio adjusted gross income plus any amount deducted under divisions (A)(28) and (34) of this section for the taxable year.

(JJ) "Qualifying Ohio educator" means an individual who, for a taxable year, qualifies as an eligible educator, as that term is defined in section 62 of the Internal Revenue Code, and who holds a certificate, license, or permit described in Chapter 3319. or section 3301.071 of the Revised Code.

Sec. 5747.025. (A) The personal exemption for the taxpayer, the taxpayer's spouse, and each dependent shall be one of the following amounts:

(1) Two thousand three hundred fifty dollars if the taxpayer's modified adjusted gross income for the taxable year as shown on an individual or joint annual return is less than or equal to forty thousand dollars;

(2) Two thousand one hundred dollars if the taxpayer's modified adjusted gross income for the taxable year as shown on an individual or joint annual return is greater than forty thousand dollars but less than or equal to eighty thousand dollars;

(3) One thousand eight hundred fifty dollars if the taxpayer's modified adjusted gross income for the taxable year as shown on an individual or joint annual return is greater than eighty thousand dollars.

(B) For taxable years beginning in 2020 and thereafter,

the personal exemption amounts prescribed in division (A) of this section shall be adjusted each year in the manner prescribed in division (C) of this section. In the case of an individual with respect to whom an exemption under section 5747.02 of the Revised Code is allowable to another taxpayer for a taxable year beginning in the calendar year in which the individual's taxable year begins, the exemption amount applicable to such individual for such individual's taxable year shall be zero.

(C) Except as otherwise provided in this division, in August of each year, the tax commissioner shall determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the preceding calendar year to the last day of December of the preceding year, and make a new adjustment to the personal exemption amount for taxable years beginning in the current calendar year by multiplying that amount by the percentage increase in the gross domestic product deflator for that period; adding the resulting product to the personal exemption amount for taxable years beginning in the preceding calendar year; and rounding the resulting sum upward to the nearest multiple of fifty dollars. The adjusted amount applies to taxable years beginning in the calendar year in which the adjustment is made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The commissioner shall not make a new adjustment in any calendar year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding calendar year.

(D) If the taxpayer and the taxpayer's spouse file

separate returns, the exemption authorized under division (A) of this section for a conceived child may only be claimed by the expecting mother.

Section 2. That existing sections 5739.02, 5747.01, and 5747.025 of the Revised Code are hereby repealed.

Section 3. (A) The amendment by this act of sections 5747.01 and 5747.025 of the Revised Code applies to taxable years ending on or after January 1, 2026.

(B) The amendment by this act of section 5739.02 of the Revised Code applies on and after January 1, 2026.

Section 4. This act shall be known as the Strategic Tax Opportunities for Raising Kids (STORK) Act.

Section 5. Section 5747.01 of the Revised Code is presented in this act as a composite of the section as amended by both H.B. 101 and S.B. 154 of the 135th General Assembly. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the composite is the resulting version of the section in effect prior to the effective date of the section as presented in this act.
