To enact section 5721.51 of the Revised Code to
allow local governments to request unclaimed
funds to temporarily cover the revenue lost from
delinquent property taxes and to make an
appropriation.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 5721.51 of the Revised Code be
enacted to read as follows:

Sec. 5721.51. (A) As used in this section:

(1) "Eligible delinquent land" means delinquent land,
provided that the value of all delinquent taxes charged against
the land does not exceed twenty-five per cent of the auditor's
fair market value.

(2) "Delinquent taxes" has the same meaning as in section
323.01 of the Revised Code.

(B) A county auditor may apply to the director of budget
and management for payments based upon the amount of delinquent
taxes charged against eligible delinquent land in the county.
The application may be made once per year, on or before the
first day of October. To receive a payment, the auditor shall

certify to the director the amount requested, which shall not 20
exceed the amount of delinquent taxes that remain uncollected 21
against such land and that have not previously been the basis 22
for a payment under this section. 23

(C) The director shall review the applications submitted 24
each year under this section and approve payments on or before 25
the thirty-first day of October. The director, at the director's 26
discretion and subject to division (G) of this section, may 27
approve a request, deny a request, or approve the payment of an 28
amount lesser than that requested. If a payment is approved, the 29
director shall order the director of commerce to transfer the 30
amount of the payment from the unclaimed funds trust fund 31
created under section 169.05 of the Revised Code to the 32
delinquent tax reimbursement fund, which is created in the state 33
treasury. Following that transfer, the director shall then 34
disburse the amount of the payment from the delinquent tax 35
reimbursement fund to the county auditor for deposit in a 36
special fund of the county treasury. 37

(D) The county auditor shall distribute any funds received 38
pursuant to division (C) of this section to local taxing 39
districts in the same manner as if the funds had been collected 40
as delinquent taxes. 41

(E) If a county treasurer or prosecuting attorney recovers 42
delinquent taxes upon which a payment was based under this 43
section, the county auditor shall deposit the taxes, up to the 44
amount upon which the payment was based, in the special fund of 45
the county treasury created under division (C) of this section 46
and remit the amount from that fund to the treasurer of state, 47
for deposit in the unclaimed funds trust fund. 48

(F) A county auditor shall repay the treasurer of state, 49

to the credit of the unclaimed funds trust fund, from the 50
county's general fund, any payment received under this section 51
within six years after the payment was made. 52

(G) The total amount of payments approved by the director 53
of budget and management under this section shall not exceed one 54
hundred fifty million dollars, plus any amounts repaid under 55
divisions (E) and (F) of this section. The director also shall 56
not approve any payments that would cause the balance of the 57
unclaimed funds trust fund to be insufficient to pay pending and 58
anticipated claims under Chapter 169. of the Revised Code. 59

Section 2. All items in this act are hereby appropriated 60
as designated out of any moneys in the state treasury to the 61
credit of the designated fund. For all operating appropriations 62
made in this act, those in the first column are for fiscal year 63
2026 and those in the second column are for fiscal year 2027. 64
The operating appropriations made in this act are in addition to 65
any other operating appropriations made for these fiscal years. 66
