(j) One individual representing Ohio businesses;	40
(k) One individual representing home care services for older adults;	41 42
(l) One individual representing rural or Appalachian aging perspectives.	43 44

(B) When making appointments to the task force pursuant to 45
division (A) (7) of this section, the Director of Aging shall 46
consider geographic, professional, and experiential diversity 47
and shall make appointments that reflect a balance of 48
perspectives from the public and private sectors. 49

(C) Appointments to the task force shall be made within 50
thirty days after the effective date of this section, and the 51
task force shall meet not later than thirty days after all 52
members have been appointed. The Director of Aging or the 53
Director's designee shall serve as the chairperson. Thereafter, 54
the task force shall meet at the call of the chairperson. 55

(D) Members of the task force shall serve without 56
compensation, except that members who are not officers or 57
employees of a public agency shall be reimbursed for mileage 58
expenses incurred pursuant to fulfilling the member's task force 59
duties. 60

(E) The task force shall evaluate evidence and develop 61
legislative recommendations for short-term and long-term actions 62
to promote healthy aging and improve outcomes for Ohioans in 63
response to the state's changing demographic trends by focusing 64
on the following five dimensions of healthy aging: 65

(1) The empowerment of Ohioans to live healthier lives 66
across the lifespan by utilizing strategies that do the 67
following: 68

(a) Promote physical, mental, and social well-being; 69

(b) Prevent or delay chronic disease; 70

(c) Reduce social isolation; 71

(d) Support healthy behaviors; 72

(e) Enable individuals to maintain independence and functional ability as they age.	73 74
(2) The potential impact of population aging on housing, transportation, recreation, community design, and other infrastructure and environmental factors that affect mobility, accessibility, safety, social connection, and the ability of Ohioans to age in place;	75 76 77 78 79
(3) The potential impact of population aging on the state's economy and workforce, including labor force participation, unpaid caregiving, workforce availability, productivity, employer impacts, and the broader economic implications of an aging population;	80 81 82 83 84
(4) The potential impact of population aging on the state's health care system including access to care, quality of care, system capacity, workforce availability, coordination of services, and the cost and sustainability of health care delivery;	85 86 87 88 89
(5) The potential impact of population aging on the state's long-term care system including nursing facilities, residential care facilities, home- and community-based supports, workforce capacity, transitions of care, and quality outcomes.	90 91 92 93
(F) In carrying out its duties pursuant to division (E) of this section, the task force shall do both of the following:	94 95
(1) Obtain and summarize expert and public perspectives on strategies and short-term and long-term actions to improve nursing home quality, safety, accountability, and resident outcomes;	96 97 98 99
(2) Provide opportunities for public testimony and stakeholder input, including public hearings or listening	100 101

sessions, to inform its work. 102

(G) Not later than September 30, 2027, the task force 103
shall prepare and submit a report to the President of the 104
Senate, Speaker of the House of Representatives, and 105
chairpersons of any committees that consider legislation 106
regarding aging detailing the task force's findings and 107
legislative recommendations. Upon submission of the report the 108
task force may continue to meet and provide guidance regarding 109
the implementation of its recommendations at the discretion of 110
the chairperson of the task force through December 31, 2027, 111
after which the task force ceases to exist. 112

(H) The Department of Aging shall provide staffing, 113
meeting space, and administrative support required by the task 114
force to carry out its duties. 115
