authority may select additional construction managers at risk to 1556  
provide pricing proposals to the public authority pursuant to 1557  
this section or may select an alternative delivery method for 1558

**Sec. 9.821.** (A) The department of administrative services 1568

(D) No state agency, except a state agency exempted under section 125.02 or 125.04 of the Revised Code from the department's purchasing authority, shall purchase any insurance described in this section except as authorized by the department, when the office of risk management determines that the purchase is in the best interest of the state pursuant to division (C)(1) of this section, and in accordance with terms, conditions, and procurement methods established by the department.

(E) With respect to any civil action, demand, or claim against the state that could be filed in the court of claims, nothing in sections 9.82 to 9.823 of the Revised Code shall be interpreted to permit the settlement or compromise of those civil actions, demands, or claims, except in the manner provided in Chapter 2743. of the Revised Code.

**Sec. 101.352.** If the joint committee on agency rule review 1629  
becomes aware that an agency subject to its jurisdiction is 1630  
relying upon a principle of law or policy that, under section 1631  
121.93 of the Revised Code, should have been supplanted by its 1632  
restatement in a rule, the chairperson of the joint committee 1633  
responsible for calling and conducting meetings under section 1634  
101.35 of the Revised Code, in that chairperson's sole 1635  
discretion, may request the agency to appear before the joint 1636  
committee to address why, notwithstanding section 121.93 of the 1637  
Revised Code, it is so relying. The request shall specify the 1638  
time and place at which a designee of the agency is to appear 1639  
before the joint committee to address, and to answer the joint 1640  
committee's questions concerning, the agency's reliance. The 1641  
date set for the appearance shall be not earlier than thirty 1642  
days after the joint committee transmits the request to the 1643  
agency. The joint committee shall transmit the request to the 1644  
agency electronically. The joint committee also shall publish 1645  
the request on its web site, as part of the relevant meeting 1646  
agenda, and shall indicate in conjunction with the published 1647  
request that any person is invited to appear before the joint 1648  
committee when the agency appears to offer and make comments to 1649  
the joint committee concerning the agency's reliance. 1650

Upon receiving the request, the agency shall designate a 1651  
suitable agency officer or employee to appear on behalf of the 1652  
agency before the joint committee as directed in the request. 1653  
The agency electronically shall notify the joint committee of 1654  
the name, title, telephone number, and electronic mail address 1655  
of the officer or employee who has been designated to appear 1656

before the joint committee in response to the request. 1657

Upon appearing before the joint committee, the agency's 1658  
designee shall address why the agency is relying upon a 1659  
principle of law or policy that, notwithstanding section 121.93 1660  
of the Revised Code, has not been supplanted by its restatement 1661  
in a rule. The members of the joint committee may question the 1662  
agency's designee concerning the agency's reliance. Any person 1663  
may offer and make comments to the joint committee concerning 1664  
the agency's reliance. 1665

After the appearance has concluded, the joint committee, 1666  
by vote of a majority of its members, in writing may recommend 1667  
to the agency that it supplant the principle of law or policy 1668  
that it is relying upon by its restatement in a rule. The joint 1669  
committee shall support its recommendation with a brief 1670  
rationale of why, under section 121.93 of the Revised Code, the 1671  
principle of law or policy should be supplanted by its 1672  
restatement in a rule. The joint committee shall transmit the 1673  
recommendation electronically to the agency. 1674

After receiving the recommendation from the joint 1675  
committee, the agency shall commence the rule-making process as 1676  
soon as it is reasonably feasible to do so, but not later than 1677  
the date that is ~~six~~ three months after the recommendation was 1678  
received. The principle of law or policy as it is restated in a 1679  
rule does not need to be wholly congruent with the supplanted 1680  
principle of law or policy. The agency lawfully may improve or 1681  
develop further the supplanted principle of law or policy as it 1682  
is restated in a rule. 1683

The agency may continue to rely upon the principle of law 1684  
or policy, but only while it is complying with the preceding 1685  
paragraph. The agency may not rely upon the principle of law or 1686

policy in advising with regard to or in determining the rights 1687  
or liabilities of a person if ~~the~~ any of the following apply: 1688

(A) The agency fails to commence the rule-making process 1689  
by the deadline specified in the preceding paragraph, ~~or if,~~ 1690  
~~after.~~ 1691

(B) After commencing the rule-making process, the agency 1692  
neglects or abandons the rule-making process before it is 1693  
completed. 1694

(C) The agency fails to file a rule recommended under this 1695  
section in final form within one year of receiving a written 1696  
recommendation from the joint committee in accordance with this 1697  
section. 1698

(D) After filing a proposed rule and rule summary and 1699  
fiscal analysis with the joint committee, the agency notifies 1700  
the joint committee of the agency's intention to file a revised 1701  
proposed rule as described in division (B) of section 106.02 of 1702  
the Revised Code. 1703

(G) Except as provided in divisions (G)(8) and (J) of this 3981  
section, the members of a public body may hold an executive 3982  
session only after a majority of a quorum of the public body 3983  
determines, by a roll call vote, to hold an executive session 3984  
and only at a regular or special meeting for the sole purpose of 3985  
the consideration of any of the following matters: 3986

(1) To consider the appointment, employment, dismissal, 3987  
discipline, promotion, demotion, or compensation of a public 3988  
employee or official, or the investigation of charges or 3989  
complaints against a public employee, official, licensee, or 3990  
regulated individual, unless the public employee, official, 3991  
licensee, or regulated individual requests a public hearing. 3992  
Except as otherwise provided by law, no public body shall hold 3993  
an executive session for the discipline of an elected official 3994  
for conduct related to the performance of the elected official's 3995  
official duties or for the elected official's removal from 3996  
office. If a public body holds an executive session pursuant to 3997  
division (G)(1) of this section, the motion and vote to hold 3998  
that executive session shall state which one or more of the 3999  
approved purposes listed in division (G)(1) of this section are 4000  
the purposes for which the executive session is to be held, but 4001  
need not include the name of any person to be considered at the 4002  
meeting. 4003

(2) To consider the purchase of property for public 4004  
purposes, the sale of property at competitive bidding, or the 4005  
sale or other disposition of unneeded, obsolete, or unfit-for- 4006

Code, if premature disclosure of information would give an 4008  
unfair competitive or bargaining advantage to a person whose 4009  
personal, private interest is adverse to the general public 4010  
interest. No member of a public body shall use division (G) (2) 4011  
of this section as a subterfuge for providing covert information 4012  
to prospective buyers or sellers. A purchase or sale of public 4013  
property is void if the seller or buyer of the public property 4014  
has received covert information from a member of a public body 4015  
that has not been disclosed to the general public in sufficient 4016  
time for other prospective buyers and sellers to prepare and 4017  
submit offers. 4018

If the minutes of the public body show that all meetings 4019  
and deliberations of the public body have been conducted in 4020  
compliance with this section, any instrument executed by the 4021  
public body purporting to convey, lease, or otherwise dispose of 4022  
any right, title, or interest in any public property shall be 4023  
conclusively presumed to have been executed in compliance with 4024

purchasers, lessees, or transferees of the property is 4026  
concerned. 4027

subject of pending or imminent court action; 4030

(4) Preparing for, conducting, or reviewing negotiations 4031  
or bargaining sessions with public employees concerning their 4032

(5) Matters required to be kept confidential by federal 4034  
law or regulations or state statutes; 4035

(8) To consider confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following conditions apply:

(a) The information is directly related to a request for economic development assistance that is to be provided or administered under any provision of Chapter 715., 725., 1724., or 1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of the Revised Code, or that involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project.

(b) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in connection with the economic development project.

If a public body holds an executive session to consider 4067  
any of the matters listed in divisions (G) (2) to (8) of this 4068  
section, the motion and vote to hold that executive session 4069  
shall state which one or more of the approved matters listed in 4070  
those divisions are to be considered at the executive session. 4071

A public body specified in division (B) (1) (c) of this 4072  
section shall not hold an executive session when meeting for the 4073  
purposes specified in that division. 4074

(H) A resolution, rule, or formal action of any kind is 4075  
invalid unless adopted in an open meeting of the public body. A 4076  
resolution, rule, or formal action adopted in an open meeting 4077  
that results from deliberations in a meeting not open to the 4078  
public is invalid unless the deliberations were for a purpose 4079  
specifically authorized in division (G) or (J) of this section 4080  
and conducted at an executive session held in compliance with 4081  
this section. A resolution, rule, or formal action adopted in an 4082  
open meeting is invalid if the public body that adopted the 4083  
resolution, rule, or formal action violated division (F) of this 4084  
section. 4085

(I) (1) Any person may bring an action to enforce this 4086  
section. An action under division (I) (1) of this section shall 4087  
be brought within two years after the date of the alleged 4088  
violation or threatened violation. Upon proof of a violation or 4089  
threatened violation of this section in an action brought by any 4090  
person, the court of common pleas shall issue an injunction to 4091  
compel the members of the public body to comply with its 4092  
provisions. 4093

(2) (a) If the court of common pleas issues an injunction 4094  
pursuant to division (I) (1) of this section, the court shall 4095  
order the public body that it enjoins to pay a civil forfeiture 4096

of five hundred dollars to the party that sought the injunction 4097  
and shall award to that party all court costs and, subject to 4098  
reduction as described in division (I) (2) of this section, 4099  
reasonable attorney's fees. The court, in its discretion, may 4100  
reduce an award of attorney's fees to the party that sought the 4101  
injunction or not award attorney's fees to that party if the 4102  
court determines both of the following: 4103

(i) That, based on the ordinary application of statutory 4104  
law and case law as it existed at the time of violation or 4105  
threatened violation that was the basis of the injunction, a 4106  
well-informed public body reasonably would believe that the 4107  
public body was not violating or threatening to violate this 4108  
section; 4109

(ii) That a well-informed public body reasonably would 4110  
believe that the conduct or threatened conduct that was the 4111  
basis of the injunction would serve the public policy that 4112  
underlies the authority that is asserted as permitting that 4113  
conduct or threatened conduct. 4114

(b) If the court of common pleas does not issue an 4115  
injunction pursuant to division (I) (1) of this section and the 4116  
court determines at that time that the bringing of the action 4117  
was frivolous conduct, as defined in division (A) of section 4118  
2323.51 of the Revised Code, the court shall award to the public 4119  
body all court costs and reasonable attorney's fees, as 4120  
determined by the court. 4121

(3) Irreparable harm and prejudice to the party that 4122  
sought the injunction shall be conclusively and irrebuttably 4123  
presumed upon proof of a violation or threatened violation of 4124  
this section. 4125

(4) A member of a public body who knowingly violates an injunction issued pursuant to division (I) (1) of this section may be removed from office by an action brought in the court of common pleas for that purpose by the prosecuting attorney or the attorney general.

(J) (1) Pursuant to division (C) of section 5901.09 of the Revised Code, a veterans service commission shall hold an executive session for one or more of the following purposes unless an applicant requests a public hearing:

was granted or denied, the amount of the assistance if 4156  
assistance is granted, and the votes for and against the 4157  
granting of assistance. 4158

(B) In revising eligibility standards and eligibility 4176  
determination procedures, a state agency shall not make any 4177  
program's eligibility standards or eligibility determination 4178  
procedures inconsistent with state or federal law. To the extent 4179  
authorized by state and federal law, the revisions may provide 4180  
for the state agencies to share administrative operations. 4181

home or other noninstitutional and unlicensed living

agent shall ensure that all expenditures are handled in 4557  
accordance with policies, procedures, and activities prescribed 4558

of the gift, grant, devise, or bequest. Any interest or earnings 4599  
shall be treated in the same manner and are subject to the same 4600  
terms as the gift, grant, devise, or bequest from which it 4601  
accrues. 4602

or repeal the resolution that delegated to the executive 4624  
committee its authority as the county council's administrative 4625  
agent. 4626

~~(6)~~(8) Two or more county councils may enter into an 4627  
agreement to administer their county councils jointly by 4628  
creating a regional family and children first council. A 4629  
regional council possesses the same duties and authority 4630  
possessed by a county council, except that the duties and 4631  
authority apply regionally rather than to individual counties. 4632  
Prior to entering into an agreement to create a regional 4633  
council, the members of each county council to be part of the 4634  
regional council shall meet to determine whether all or part of 4635  
the members of each county council will serve as members of the 4636  
regional council. 4637

a plan, or make a decision, other than a decision pursuant to 4642  
section 121.38 of the Revised Code, that requires the 4643  
expenditure of funds for two or more families. The statement 4644  
shall describe the proposed agreement, plan, or decision. 4645

Not later than fifteen days after the board receives the 4646  
statement, it shall, by resolution approved by a majority of its 4647  
members, approve or disapprove the agreement, plan, or decision. 4648  
Failure of the board to pass a resolution during that time 4649

period shall be considered approval of the agreement, plan, or decision. 4650  
4651

An agreement, plan, or decision for which a statement is required to be submitted to the board shall be implemented only if it is approved by the board. 4652  
4653  
4654

(C) Each county shall develop a county service coordination mechanism. The county service coordination mechanism shall serve as the guiding document for coordination of services in the county. For children who also receive services under the early intervention program, the main provider of service coordination shall be an early intervention service coordinator to ensure compliance with section ~~5123.02~~ 5180.30 of the Revised Code. county council regarding service coordination. The county 4731  
council shall inform the parents or custodians of their right to 4732  
use the dispute resolution process. Parents or custodians shall 4733  
use existing local agency grievance procedures to address 4734

disability and the child's family to receive the services and 4825  
rights, including procedural safeguards, required under part C 4826

U.S.C. 1400, as amended. 4828

**Sec. 121.93.** (A) Except as provided in division (E) of 4829  
this section, an agency shall review its operations to identify 4830  
principles of law or policy that have not been stated in a rule 4831  
and that the agency is relying upon in conducting adjudications 4832  
or other determinations of rights and liabilities or in issuing 4833  
writings and other materials, such as instructions, directives, 4834  
policy statements, guidelines, handbooks, manuals, advisories, 4835  
notices, circulars, advertisements, forms, letters, and 4836  
opinions. An agency is not required to identify principles of 4837  
law or policy relied upon in issuing internal management rules 4838  
as defined in section 111.15 of the Revised Code. The agency 4839  
shall complete at least one of the reviews during a governor's 4840  
term. 4841

Within six months after the expiration of a governor's 4842  
term, the agency electronically shall transmit a report to the 4843  
joint committee on agency rule review containing the following: 4844

(1) A statement that the agency has completed one or more 4845  
of the reviews, specifying the exact number of reviews completed 4846  
during the governor's expired term; 4847

(2) The principles of law or policies identified under 4848  
this division; 4849

(3) The agency's considerations regarding the identified 4850  
principles of law or policies under division (B) of this 4851  
section; 4852

(4) Any principles of law or policies for which the agency 4853

determines rulemaking is indicated or for which the agency has 4854  
commenced the rule-making process under division (C) of this 4855  
section. 4856

The joint committee on agency rule review shall make the 4857  
reports available on its web site. 4858

(B) The agency shall determine whether a principle of law 4859  
or policy thus identified has a general and uniform operation 4860  
and establishes a legal regulation or standard that would not 4861  
exist in its absence. If the principle of law or policy has 4862  
these characteristics, the agency shall determine whether the 4863  
principle of law or policy should be supplanted by its 4864  
restatement in a rule to achieve one or more of the following as 4865  
they are relevant to the principle of law or policy: 4866

(1) Assert the general and uniform operation of the 4867  
principle of law or policy; 4868

(2) Make the principle of law or policy more readily 4869  
available to the public; 4870

(3) Make the principle of law or policy more readily 4871  
available to persons who specifically are affected by the 4872  
principle of law or policy; 4873

(4) Enable the principle of law or policy to be better 4874  
known in advance of its application; 4875

(5) Enable greater public participation in improvement and 4876  
further development of the principle of law or policy; 4877

(6) Enable greater participation by persons specifically 4878  
affected by the principle of law or policy in the improvement 4879  
and further development of the principle of law or policy; 4880

(7) Make the principle of law or policy more easily 4881

understandable; or 4882

(8) Make the principle of law or policy more readily 4883  
available to those legally charged with monitoring or reviewing 4884  
the agency's operations. 4885

If a principle of law or policy aids in the interpretation 4886  
of an existing rule or statute, the agency shall consider 4887  
whether the aiding effect clarifies or otherwise resolves an 4888  
uncertainty in the existing rule or statute. If the principle of 4889  
law or policy can be so characterized, the agency shall consider 4890  
whether the principle of law or policy should be supplanted by 4891  
its restatement in an interpretive rule. The agency may not 4892  
presume that a principle of law or policy that aids in the 4893  
interpretation of an existing rule or statute is simply a 4894  
reiteration of the existing rule or statute. 4895

(C) If the agency determines, in light of the foregoing 4896  
standards, that rulemaking is indicated, the agency shall 4897  
commence the rule-making process as soon as it is reasonably 4898  
feasible to do so, but not later than the date that is ~~six~~three 4899  
months after the determination was made. The principle of law or 4900  
policy as it is restated in a rule does not need to be wholly 4901  
congruent with the supplanted principle of law or policy. The 4902  
agency lawfully may improve or develop further the supplanted 4903  
principle of law or policy as it is restated in a rule. 4904

The agency may continue to rely upon the principle of law 4905  
or policy, but only while it is complying with the preceding 4906  
paragraph. The agency may not rely upon the principle of law or 4907  
policy in advising with regard to or in determining the rights 4908  
or liabilities of a person if ~~the~~any of the following apply: 4909

(1) The agency fails to commence the rule-making process 4910

by the deadline specified in the preceding paragraph,~~or if,~~ 4911  
~~after~~. 4912

(2) After commencing the rule-making process, the agency 4913  
neglects or abandons the rule-making process before it is 4914  
completed. 4915

(3) The agency fails to file a rule for which rulemaking 4916  
is indicated under this section in final form within one year of 4917  
the agency making a determination under this section. 4918

(4) After filing a proposed rule and rule summary and 4919  
fiscal analysis with the joint committee, the agency notifies 4920  
the joint committee of the agency's intention to file a revised 4921  
proposed rule as described in division (B) of section 106.02 of 4922  
the Revised Code. 4923

(D) A principle of law or policy that is relied upon 4924  
directly or by clear implication from a statute applying to the 4925  
agency does not need to be supplanted by rule. 4926

(E) This section does not apply to an agency, commission, 4927  
or committee created in the legislative branch of government or 4928  
to serve the general assembly including, but not limited to, all 4929  
of the following: 4930

(1) The joint legislative ethics committee; 4931

(2) The joint medicaid oversight committee; 4932

(3) The correctional institution inspection committee; 4933

(4) The legislative service commission; 4934

(5) The legislative information services; 4935

(6) The capitol square review and advisory board. 4936

**Sec. 121.931.** (A) A person may petition an agency in 4937

writing to restate a principle of law or policy in a rule if (1) 4938  
the person was a party to an adjudication or other determination 4939  
before an agency that has resulted in an order or other 4940  
disposition or was a party to a civil action in which judgment 4941  
has been entered, and (2) the adjudication or other 4942  
determination, or the civil action, involved a principle of law 4943  
or policy relied upon by the agency that, under section 121.93 4944  
of the Revised Code, should have been supplanted by its 4945  
restatement in a rule but has not been so supplanted. The 4946  
petition shall briefly explain why the principle of law or 4947  
policy should, under section 121.93 of the Revised Code, be 4948  
supplanted by its restatement in a rule. The person shall send 4949  
the petition to the agency not later than the ninetieth day 4950  
after the order or other disposition was issued or the judgment 4951  
was entered. The person also shall send a copy of the petition 4952  
to the joint committee on agency rule review. 4953

(B) The agency, not later than the thirtieth day after 4954  
receiving a timely petition, shall consider the petition in 4955  
light of section 121.93 of the Revised Code, and shall notify 4956  
the petitioner in writing, by certified mail, return receipt 4957  
requested, whether it grants or intends to deny the petition. 4958

(1) If the agency grants the petition, it shall commence 4959  
the rule-making process as soon as it is reasonably feasible to 4960  
do so, but not later than the date that is ~~six~~three months 4961  
after the petition was granted. The principle of law or policy 4962  
as it is restated in a rule does not need to be wholly congruent 4963  
with the supplanted principle of law or policy. The agency 4964  
lawfully may improve or develop further the supplanted principle 4965  
of law or policy. 4966

The agency may continue to rely upon the principle of law 4967

or policy, but only while it is complying with the preceding 4968  
paragraph. The agency may not rely upon the principle of law or 4969  
policy in advising with regard to or in determining the rights 4970  
or liabilities of a person if ~~the~~ any of the following apply: 4971

(a) The agency fails to commence the rule-making process 4972  
by the deadline specified in the preceding paragraph, ~~or if,~~ 4973  
~~after.~~ 4974

(b) After commencing the rule-making process, the agency 4975  
neglects or abandons the rule-making process before it is 4976  
completed. 4977

(c) The agency fails to file a rule for which rulemaking 4978  
is required under this section in final form within one year of 4979  
the agency granting a petition under this division. 4980

(d) After filing a proposed rule and rule summary and 4981  
fiscal analysis with the joint committee, the agency notifies 4982  
the joint committee of the agency's intention to file a revised 4983  
proposed rule as described in division (B) of section 106.02 of 4984  
the Revised Code. 4985

(2) If the agency intends to deny the petition, it shall 4986  
send the petitioner a notice affording the petitioner an 4987  
opportunity for a hearing on the petition and briefly explaining 4988  
why the agency intends to deny the petition. If the petitioner 4989  
does not in writing request a hearing within fifteen days after 4990  
receiving the notice, the agency shall deny the petition and 4991  
notify the petitioner in writing. If the petitioner responds in 4992  
writing within the fifteen-day period requesting a hearing, the 4993  
agency, by certified mail, return receipt requested, promptly 4994  
shall notify the petitioner of the time and place for the 4995  
hearing, which shall be not earlier than the thirtieth day after 4996

the notice was sent to the petitioner. 4997

(C) At the hearing, the agency shall explain why, 4998  
notwithstanding section 121.93 of the Revised Code, it intends 4999  
to deny the petition, and the petitioner shall explain why under 5000  
that section the petitioner believes the agency's intention to 5001  
be erroneous. The hearing shall be informal. The petitioner may 5002  
be assisted by counsel at the hearing. 5003

(D) Not later than the thirtieth day after the hearing 5004  
concludes, the agency shall grant or deny the petition. 5005

(1) If the agency grants the petition, it shall commence 5006  
the rule-making process as soon as it is reasonably feasible to 5007  
do so, but not later than the date that is ~~six~~three months 5008  
after the determination was made. The principle of law or policy 5009  
as it is restated in a rule does not need to be wholly congruent 5010  
with the supplanted principle of law or policy. The agency 5011  
lawfully may improve or develop further the supplanted principle 5012  
of law or policy as it is restated in a rule. 5013

The agency may continue to rely upon the principle of law 5014  
or policy, but only while it is complying with the preceding 5015  
paragraph. The agency may not rely upon the principle of law or 5016  
policy in advising with regard to or in determining the rights 5017  
or liabilities of a person if ~~the~~any of the following apply: 5018

(a) The agency fails to commence the rule-making process 5019  
by the deadline specified in the preceding paragraph, ~~or if,~~ 5020  
~~after~~. 5021

(b) After commencing the rule-making process, the agency 5022  
neglects or abandons the rule-making process before it is 5023  
completed. 5024

(c) The agency fails to file a rule for which rulemaking 5025

is required under this section in final form within one year of 5026  
the agency granting a petition under this division. 5027

(d) After filing a proposed rule and rule summary and 5028  
fiscal analysis with the joint committee, the agency notifies 5029  
the joint committee of the agency's intention to file a revised 5030  
proposed rule as described in division (B) of section 106.02 of 5031  
the Revised Code. 5032

(2) If the petitioner failed to appear at the hearing, or 5033  
if the petitioner failed to persuade the agency that its 5034  
intention to deny the petition is erroneous, the agency shall 5035  
deny the petition. 5036

The agency shall send notice in writing to the petitioner 5037  
of the outcome. If the outcome is denial of the petition, the 5038  
notice shall explain briefly why the agency is denying the 5039  
petition. The petitioner is not entitled to appeal the outcome. 5040

**Sec. 122.04.** The department of development shall do the 5041  
following: 5042

industrial and commercial facilities in this state through both 5045  
public and private agencies; 5046

with the project and expenses incurred before the date the 5078  
project is certified by the tax credit authority under division 5079  
(C) of this section. In the case of a certified transformational 5080  
mixed use development project that is part of a larger 5081  
contiguous project that is planned to be completed in phases, 5082

"development costs" include only expenditures associated with 5083  
the portion of the project that is certified by the tax credit 5084  
authority and do not include expenditures incurred for other 5085  
phases of the project. 5086

(2) "Owner" means a person or persons holding a fee simple 5087

(3) "Transformational mixed use development" means a 5095  
project that consists of new construction or the redevelopment, 5096  
rehabilitation, expansion, or other improvement of vacant 5097  
buildings or structures, or a combination of the foregoing, and 5098  
that: 5099

(a) Will have a transformational economic impact on the 5100  
development site and the surrounding area; 5101

residential, recreation, structured parking, and other similar 5103

(c) Satisfies one of the following criteria: 5105

(i) If the development site is located within ten miles of 5106  
a major city, the project includes at least one new or 5107  
previously vacant building that is fifteen or more stories in 5108  
height or has a floor area of at least three hundred fifty 5109  
thousand square feet, or after completion will be the site of 5110  
employment accounting for at least four million dollars in 5111

annual payroll, or includes two or more buildings that are 5112  
connected to each other, are located on the same parcel or on 5113  
contiguous parcels, and that collectively have a floor area of 5114  
at least three hundred fifty thousand square feet; 5115

(ii) If the development site is not located within ten 5116  
miles of a major city, the project includes at least one new or 5117  
previously vacant building that is two or more stories in height 5118

floor area of at least seventy-five thousand square feet. 5122

"Transformational mixed use development" may include a 5123  
portion of a larger contiguous project that is planned to be 5124  
completed in phases as long as the phases collectively meet the 5125  
criteria described in division (A) (3) of this section. 5126

(4) "Increase in tax collections" means the difference, if 5127  
positive, of the amount of state and local taxes derived from 5128  
economic activity occurring within the development site and the 5129  
surrounding area during a period of time minus the amount of 5130  
such taxes that are estimated to be derived from such economic 5131  
activity in that site and surrounding area during the same 5132  
period if the transformational mixed use project were not 5133  
completed. 5134

(5) "Completion period" means the time period beginning on 5135

development project minus the sum of the capital contributions 5150  
of any insurance companies that are preliminarily approved for a 5151  
tax credit in connection with the same project. 5152

(11) A "property owner's share" of the increase in tax 5153  
collections equals the product obtained by multiplying the total 5154  
increase in tax collections since the date the transformational 5155  
mixed use development project was certified by a fraction, the 5156  
numerator of which is the adjusted development costs and the 5157  
denominator of which is the actual development costs attributed 5158  
to the project. 5159

(12) An "insurance company's share" of the increase in tax 5160  
collections equals the product obtained by multiplying the total 5161  
increase in tax collections since the date the transformational 5162  
mixed use development project was certified by a fraction, the 5163  
numerator of which is the insurance company's capital 5164  
contribution to the project and the denominator of which is the 5165  
actual development costs attributed to the project. 5166

(B) The owner of one or more parcels of land in this state 5167  
within which a transformational mixed use development is planned 5168  
or an insurance company that contributes capital to be used in 5169

be filed in the form and manner prescribed by the director of 5173  
development and shall, at minimum, include a development plan 5174  
comprised of all of the following information: 5175

(1) The location of the development site and an indication 5176  
of whether it is located within ten miles of a major city; 5177

(2) A detailed description of the proposed 5178  
transformational mixed use development including site plans, 5179  
construction drawings, architectural renderings, or other means 5180  
sufficient to convey the appearance, size, purposes, capacity, 5181  
and scope of the project and, if applicable, previously 5182  
completed and future phases of the project; 5183

(3) A viable financial plan that estimates the development 5184

the project and that designates a source of financing or a 5186

(6) Evidence that the increase in tax collections during 5193  
the completion period will exceed ten per cent of the estimated 5194  
development costs reported under division (B) (3) of this 5195  
section; 5196

(7) If the applicant is an insurance company that is not 5197

capital contribution to the development and the date on which it 5199  
was or will be made; 5200

(8) Evidence that the project will not be completed unless 5201  
the applicant receives the credit. 5202

(C) (1) In determining whether to certify a project that is 5203  
the subject of an application submitted under division (B) of 5204  
this section, the tax credit authority shall consider the 5205  
potential impact of the transformational mixed use development 5206  
on the development site and the surrounding area in terms of 5207  
architecture, accessibility to pedestrians, retail entertainment 5208  
and dining sales, job creation, property values, connectivity, 5209  
and revenue from sales, income, lodging, and property taxes. The 5210  
tax credit authority shall not certify a project unless it 5211  
satisfies the following conditions: 5212

(a) The project qualifies as a transformational mixed use 5213  
development and satisfies all other criteria prescribed by this 5214  
section or by rule of the director of development; 5215

(b) The estimated increase in tax collections during the 5216  
completion period exceeds ten per cent of the estimated 5217

of this section; 5219

(c) The project will not be completed unless the applicant 5220  
receives the credit; 5221

(d) If the development site is located within ten miles of 5222  
a major city, the estimated development costs to complete the 5223  
project plus, if applicable, the estimated expenditures that 5224  
have been or will be incurred to complete all other contiguous 5225  
phases of the project, exceed fifty million dollars. 5226

In making its determination of whether or not to approve 5227

an application, the tax credit authority may conduct an 5228  
interview of the applicant. 5229

(2) If the tax credit authority approves an application, 5230  
the authority shall issue a statement certifying the associated 5231  
transformational mixed use development project and preliminarily 5232  
approving a tax credit. The statement shall stipulate that 5233  
receipt of a tax credit certificate is contingent upon 5234  
completion of the transformational mixed use development as 5235  
described in the development plan. The statement shall specify 5236  
the estimated amount of the tax credit, but state that the 5237  
amount of the credit is dependent upon determination of the 5238  
actual development costs attributed to the project and, unless 5239  
the tax credit authority grants a request by the property owner 5240  
under division (F) of this section, of the increase in tax 5241  
collections during the completion period. 5242

(3) Except as otherwise provided in this division, if the 5243  
applicant is an insurance company that is not the property 5244  
owner, the estimated amount of the tax credit shall equal ten 5245  
per cent of the insurance company's capital contribution to the 5246  
project as reported in the development plan pursuant to division 5247  
(B) (7) of this section. Except as otherwise provided in this 5248  
division, if the applicant is the property owner, the estimated 5249  
amount of the tax credit shall equal ten per cent of the 5250  
estimated development costs for the project as reported in the 5251  
development plan pursuant to division (B) (3) of this section 5252  
minus any estimated credit amounts that have been preliminarily 5253  
approved for insurance companies contributing capital to the 5254  
project. The estimated credit amounts may be reduced by the tax 5255  
credit authority as a condition of certifying the project if 5256  
such a reduction is necessary to comply with the limitations on 5257  
the amount of credits that may be preliminarily approved as 5258

prescribed by division (C) (5) of this section. The estimated 5259  
credit amounts shall not be adjusted after the statement 5260  
described in division (C) (2) of this section has been issued. 5261

(4) If the tax credit authority denies an application, the 5262  
authority shall notify the applicant of the reason or reasons 5263  
for such determination. The authority's determination is final, 5264  
but an applicant may revise and resubmit a previously denied 5265  
application. 5266

~~(5) (a) The tax credit authority shall not certify any 5267  
transformational mixed use development projects after June 30, 5268  
2025. 5269~~

~~(b) The tax credit authority may not preliminarily approve 5270  
more than one hundred million dollars of estimated tax credits 5271  
in each of fiscal years 2022, 2023, 2024, and 2025 any fiscal 5272  
year. 5273~~

~~(e) (b) Not more than eighty million dollars of estimated 5274  
tax credits in each such fiscal year may be preliminarily 5275  
approved in connection with projects that are located within ten 5276  
miles of a major city. 5277~~

~~(d) (c) Not more than forty million dollars of estimated 5278  
tax credits may be preliminarily approved in connection with the 5279  
same transformational mixed use development project. 5280~~

(6) If the dollar amount of tax credits applied for under 5281  
division (B) of this section in connection with projects that 5282  
are located within ten miles of a major city exceeds eighty 5283  
million dollars for a fiscal year, the tax credit authority 5284  
shall rank those applications and certify the associated 5285  
projects in order, starting with the project that presents the 5286  
best combination of economic value and transformational impact. 5287

If the dollar amount of tax credits applied for in connection 5288  
with projects not located within ten miles of a major city 5289  
exceeds twenty million dollars for a fiscal year, the tax credit 5290  
authority shall rank those applications and certify the 5291  
associated projects in order, starting with the project that 5292  
presents the best combination of economic value and 5293  
transformational impact. In either case, the authority shall 5294  
consider the following factors in ranking the applications: 5295

(a) The projected increase in tax collections during the 5296  
completion period as a percentage of the total amount of 5297  
estimated tax credits that would be preliminarily approved in 5298  
connection with the project; 5299

(b) The economic impact of the project on the development 5300  
site and the surrounding area and the impact of the project in 5301  
terms of architecture, accessibility to pedestrians, retail 5302  
entertainment and dining sales, job creation, property values, 5303  
and connectivity; 5304

(c) The expeditiousness of the schedule for completing the 5305  
project, realizing the increase in tax collections, and 5306  
attaining the economic and other impacts on the development site 5307  
and the surrounding area. 5308

(D) Within twelve months of the date a project is 5309  
certified, the property owner shall provide the tax credit 5310  
authority with an updated schedule for the progression and 5311  
completion of the project and documentation sufficient to 5312  
demonstrate that construction of the project has begun. If the 5313  
property owner does not provide the schedule and documentation 5314  
or if construction of the project has not begun within the time 5315  
prescribed by this division, the tax credit authority shall 5316  
rescind certification of the project and send notice of the 5317

rescission to the property owner and each insurance company that 5318  
is preliminarily approved for a tax credit in connection with 5319  
the project. A property owner that receives notice of rescission 5320  
may submit a new application concerning the same project under 5321  
division (B) of this section. 5322

(E) An applicant that is the property owner and is 5323  
preliminarily approved for a tax credit under this section may 5324  
sell or transfer the rights to that credit to one or more 5325  
persons for the purpose of raising capital for the certified 5326  
project. The applicant shall notify the tax credit authority 5327  
upon selling or transferring the rights to the credit. The 5328  
notice shall identify the person or persons to which the credit 5329  
was sold or transferred and the credit amount sold or 5330  
transferred to each such person. Only an applicant that owns the 5331  
property may sell or transfer a credit under this division. A 5332  
credit may be divided among multiple purchasers through more 5333  
than one transaction but once a particular credit amount is 5334  
acquired by a person other than the applicant it may not be sold 5335  
or transferred again. 5336

(F) After a transformational mixed use development project 5337  
is certified and before it is completed, the property owner may 5338  
request that the value of the tax credit certificates awarded in 5339  
connection with the project be computed using the alternative 5340  
method described in division (I) of this section. The tax credit 5341  
authority shall grant the request if the authority determines, 5342  
and a third party engaged by the authority at the expense of the 5343  
property owner affirms, that it is reasonably certain that the 5344  
increase in tax collections will exceed ten per cent of the 5345  
estimated development costs within one year after the project is 5346  
completed. Otherwise, the authority shall deny the request and 5347  
the amount of each credit awarded in connection with the project 5348

shall be computed under division (H) of this section. The 5349  
authority's determination under this division shall be delivered 5350  
in writing and is final and not appealable. 5351

(G) (1) The property owner shall notify the tax credit 5352  
authority upon completion of a certified transformational mixed 5353  
use development project. The notification shall include a report 5354  
prepared by a third-party certified public accountant that 5355  
contains a detailed accounting of the actual development costs 5356  
attributed to the project. 5357

(2) Upon receiving such a notice, unless the tax credit 5358  
authority has previously granted a request by the property owner 5359  
under division (F) of this section, the authority shall 5360  
determine the increase in tax collections since the date the 5361  
project was certified by consulting with the tax commissioner 5362  
and with the tax administrator of any municipal corporation that 5363  
levies an income tax within the project site and the surrounding 5364  
area. The tax commissioner and the tax administrators that are 5365  
consulted pursuant to this division shall provide the tax credit 5366  
authority with any information that is necessary to determine 5367  
the increase in tax collections. 5368

(3) After determining the increase in tax collections 5369  
under division (G) (2) of this section, if required, and 5370  
computing the value of the tax credit under division (H) or (I) 5371  
of this section, as applicable, the tax credit authority shall 5372  
issue a tax credit certificate to each applicant that is 5373  
preliminarily approved for a credit associated with the project 5374  
or to the person or persons to which such an applicant sold or 5375  
transferred the rights to the credit under division (E) of this 5376  
section. If the amount of the tax credit awarded to the property 5377  
owner is less than the credit amount estimated under division 5378

(C) of this section and the property owner sold or transferred 5379  
the rights to the credit, the tax credit authority shall reduce 5380  
the amount of each tax credit certificate issued to each 5381  
purchaser or recipient on a pro rata basis unless the property 5382  
owner requests an alternative allocation of the credit. 5383

(H) (1) Unless the tax credit authority granted a request 5384  
by the property owner under division (F) of this section, the 5385  
aggregate value of the tax credit certificates issued under 5386  
division (G) of this section to the property owner and to any 5387  
persons to whom the property owner sold or transferred the 5388  
rights to the credit shall equal the lesser of the following: 5389

(a) Ten per cent of the adjusted development costs; 5390

(b) Five per cent of the adjusted development costs plus 5391  
any amount by which the property owner's share of the increase 5392  
in tax collections since the date the project was certified 5393  
exceeds five per cent of the adjusted development costs; 5394

(c) The estimated credit amount specified in the tax 5395  
credit authority's statement certifying the project and 5396  
preliminarily approving the tax credit under division (C) of 5397  
this section. 5398

(2) The value of a tax credit certificate issued under 5399  
division (G) of this section to an insurance company that 5400  
contributed capital to the project shall equal the lesser of the 5401  
following: 5402

(a) Ten per cent of the insurance company's actual capital 5403  
contribution; 5404

(b) Five per cent of such capital contribution plus any 5405  
amount by which the insurance company's share of the increase in 5406  
tax collections since the date the project was certified exceeds 5407

five per cent of the insurance company's capital contribution; 5408

(c) The estimated credit amount specified in the tax 5409  
credit authority's statement certifying the project and 5410  
preliminarily approving the tax credit under division (C) of 5411  
this section. 5412

(I) If the tax credit authority granted a request by the 5413  
property owner under division (F) of this section, the value of 5414  
the tax credit certificates issued in connection with the 5415  
transformational mixed use development project shall be computed 5416  
as follows: 5417

(1) For the property owner or any person to which the 5418  
property owner sold or transferred the rights to the credit, ten 5419  
per cent of the actual development costs attributed to the 5420  
project. If the amount of the credit is less than the credit 5421  
amount estimated under division (C) of this section and the 5422  
property owner sold or transferred the rights to the credit to 5423  
more than one person, the authority shall reduce the amount of 5424  
each tax credit certificate on a pro rata basis unless the 5425  
property owner requests an alternative allocation of the credit. 5426

(2) For an insurance company that contributed capital to 5427  
the project, ten per cent of the insurance company's actual 5428  
capital contribution. 5429

(J) If the value of a tax credit certificate was computed 5430  
under division (H) of this section for a project, the property 5431  
owner, on or before the thirtieth day following the first, 5432  
second, third, fourth, and fifth anniversaries of the date the 5433  
certified transformational mixed use development project is 5434  
completed, may request in writing that the tax credit authority 5435  
update the increase in tax collections during the completion 5436

period. Upon receiving such a request, the tax credit authority 5437  
shall update the increase in tax collections in the same manner 5438  
described by division (G) of this section. If the tax credit 5439  
authority determines that the value of the tax credit 5440  
certificates computed under division (H) of this section would 5441  
be greater if computed based on the updated increase in tax 5442  
collections, the authority shall issue an additional tax credit 5443  
certificate to each person that previously received a 5444  
certificate for the project under those divisions. The value of 5445  
each additional tax credit certificate shall equal the amount by 5446  
which the tax credit certificate computed under division (H) of 5447  
this section upon completion of the project would have been 5448  
greater had the value of such certificate been computed based on 5449  
the updated increase in tax collections, less the value of any 5450  
additional tax credit certificates previously issued under this 5451  
division to the same person respecting the same project. 5452

(K) The aggregate value of all tax credit certificates 5453  
issued under this section for the same transformational mixed 5454  
use development project shall not exceed (1) ten per cent of the 5455  
actual development costs of that project or (2) the sum of all 5456  
estimated credit amounts preliminarily approved by the tax 5457  
credit authority in connection with the project. 5458

(L) Issuance of a tax credit certificate under this 5459  
section does not represent a verification or certification by 5460  
the tax credit authority of the actual development costs of the 5461  
project or the capital contributions to the project by an 5462  
insurance company. Such amounts are subject to inspection and 5463  
examination by the superintendent of insurance. 5464

(M) Upon the issuance of a tax credit certificate under 5465  
division (G) or (J) of this section, the tax credit authority 5466

shall certify to the superintendent of insurance (1) the name of 5467  
each person that was issued a tax credit certificate, (2) 5468  
whether the person is the property owner, an insurance company 5469  
that contributed capital to the development, or a person that 5470  
acquired the rights to the tax credit certificate from the 5471  
property owner, (3) the credit amount shown on each tax credit 5472  
certificate, and (4) any other information required by the rules 5473  
adopted under this section. A person that holds the rights to a 5474  
tax credit certificate issued under this section and that is an 5475  
insurance company may claim a tax credit under section 5725.35 5476  
or 5729.18 of the Revised Code. 5477

(N) The tax credit authority shall publish information 5478  
about each transformational mixed use development on the web 5479  
site of the department of development not later than the first 5480  
day of August following certification of the project. The tax 5481  
credit authority shall update the published information annually 5482  
until the project is complete and the credit or credits are 5483  
fully claimed. The published information shall include all of 5484  
the following: 5485

(1) The location of the transformational mixed use 5486  
development and the name by which it is known; 5487

(2) The estimated schedule for progression and completion 5488  
of the project included in the development plan pursuant to 5489  
division (B) (4) of this section; 5490

(3) The assessment of the projected economic impact of the 5491  
project included in the development plan pursuant to division 5492  
(B) (5) of this section; 5493

(4) The evidence supporting the estimated increase in tax 5494  
collections included in the development plan pursuant to 5495

division (B) (6) of this section, except that the tax credit 5496  
authority may omit any proprietary or sensitive information 5497  
included in such evidence; 5498

(5) The estimated development costs that have been or will 5499  
be incurred in completion of the project and, if applicable, the 5500  
amount of the insurance company's capital contribution to the 5501  
development and the date on which it was made, as reported in 5502  
the development plan pursuant to divisions (B) (3) and (7) of 5503  
this section; 5504

(6) A copy of each report submitted to the tax credit 5505  
authority by the applicant under division (D) of this section. 5506

(O) The director, in accordance with Chapter 119. of the 5507  
Revised Code, shall adopt rules that establish all of the 5508  
following: 5509

(1) Forms and procedures by which applicants may apply for 5510  
a transformational investment tax credit, and any deadlines for 5511  
applying; 5512

(2) Criteria and procedures for reviewing, evaluating, 5513  
ranking, and approving applications within the limitations 5514  
prescribed by this section, including rules prescribing the 5515  
timing and frequency by which the tax credit authority must rank 5516  
applications and preliminarily approve tax credits under 5517  
division (C) of this section; 5518

(3) Eligibility requirements for obtaining a tax credit 5519  
certificate under this section; 5520

(4) The form of the tax credit certificate; 5521

(5) Reporting requirements and monitoring procedures; 5522

(6) Procedures for computing the increase in tax 5523

collections within the project site and the surrounding area; 5524

(7) Forms and procedures by which property owners may 5525  
request the alternative method of computing the value of tax 5526  
credit certificates under division (I) of this section that are 5527  
awarded in connection with a project and criteria for evaluating 5528  
and making a determination on such requests; 5529

(8) Any other rules necessary to implement and administer 5530  
this section. 5531

**Sec. 122.14.** (A) As used in this section, "professional 5532  
sports facility" has the same meaning as in section 5516.01 of 5533  
the Revised Code. 5534

(B) There is hereby created in the state treasury the 5535  
roadwork development fund. The fund shall consist of the 5536  
investment earnings of the security deposit fund created by 5537  
section 4509.27 of the Revised Code and revenue transferred to 5538  
it by the director of budget and management from the highway 5539  
operating fund created in section 5735.051 of the Revised Code. 5540  
The fund shall be used by the development services agency in 5541  
accordance with Section 5a of Article XII, Ohio Constitution, to 5542  
make road improvements associated with retaining or attracting 5543  
business for this state, including both of the following: 5544

of public roads that provide access to a public airport or are 5546  
located within a public airport; 5547

(2) Construction, reconstruction, maintenance, or repair 5548  
of public roads and the associated improvements that provide or 5549

credited to the fund. 5553

submit a summary of their determinations and recommendations to 5645  
the authority. 5646

(D) Upon review and consideration of such determinations 5647  
and recommendations, the tax credit authority may enter into an 5648  
agreement with the applicant and any other taxpayer that 5649  
operates a computer data center business at the project site for 5650  
a complete or partial exemption from the taxes imposed under 5651  
Chapters 5739. and 5741. of the Revised Code on computer data 5652  
center equipment used or to be used at an eligible computer data 5653  
center if the authority determines all of the following: 5654

(1) The capital investment project for the eligible 5655  
computer data center will increase payroll and the amount of 5656  
income taxes to be withheld from employee compensation pursuant 5657  
to section 5747.06 of the Revised Code. 5658

(2) The applicant is economically sound and has the 5659  
ability to complete or effect the completion of the proposed 5660  
capital investment project. 5661

(3) The applicant intends to and has the ability to 5662  
maintain operations at the project site for the term of the 5663  
agreement. 5664

(4) Receiving the exemption is a major factor in the 5665  
applicant's decision to begin, continue with, or complete the 5666

capital investment project. 5667

(E) An agreement entered into under this section shall 5668  
include all of the following: 5669

(1) A detailed description of the capital investment 5670  
project that is the subject of the agreement, including the 5671  
amount of the investment, the period over which the investment 5672  
has been or is being made, the annual compensation to be paid by 5673  
each taxpayer subject to the agreement to its employees at the 5674  
project site, and the anticipated amount of income taxes to be 5675  
withheld from employee compensation pursuant to section 5747.06 5676  
of the Revised Code. 5677

(2) The percentage of the exemption from the taxes imposed 5678  
under Chapters 5739. and 5741. of the Revised Code for the 5679  
computer data center equipment used or to be used at the 5680  
eligible computer data center, the length of time the computer 5681  
data center equipment will be exempted, and the first date on 5682  
which the exemption applies. 5683

(3) A requirement that the computer data center remain an 5684  
eligible computer data center during the term of the agreement 5685  
and that the applicant maintain operations at the eligible 5686  
computer data center during that term. An applicant does not 5687  
violate the requirement described in division (E)(3) of this 5688  
section if the applicant ceases operations at the eligible 5689  
computer data center during the term of the agreement but 5690  
resumes those operations within eighteen months after the date 5691  
of cessation. The agreement shall provide that, in such a case, 5692  
the applicant and any other taxpayer that operates a computer 5693  
data center business at the project site shall not claim the tax 5694  
exemption authorized in the agreement for any purchase of 5695  
computer data center equipment made during the period in which 5696

the applicant did not maintain operations at the eligible 5697  
computer data center. 5698

(4) A requirement that, for each year of the term of the 5699  
agreement beginning on or after the first day of the twenty- 5700  
fifth month after the date the agreement was entered into, one 5701  
or more taxpayers operating a computer data center business at 5702  
the project site will, in the aggregate, pay annual compensation 5703  
that is subject to the withholding obligation imposed under 5704  
section 5747.06 of the Revised Code of at least one million five 5705  
hundred thousand dollars to employees at the eligible computer 5706  
data center. 5707

(5) A requirement that each taxpayer subject to the 5708  
agreement annually report to the director of development 5709  
~~services~~ employment, tax withholding, capital investment, and 5710  
other information required by the director to perform the 5711  
director's duties under this section. 5712

(6) A requirement that the director of development 5713  
~~services~~ annually review the annual reports of each taxpayer 5714  
subject to the agreement to verify the information reported 5715  
under division (E) (5) of this section and compliance with the 5716  
agreement. Upon verification, the director shall issue a 5717  
certificate to each such taxpayer stating that the information 5718  
has been verified and that the taxpayer remains eligible for the 5719  
exemption specified in the agreement. 5720

(7) A provision providing that the taxpayers subject to 5721  
the agreement may not relocate a substantial number of 5722  
employment positions from elsewhere in this state to the project 5723  
site unless the director of development ~~services~~ determines that 5724  
the appropriate taxpayer notified the legislative authority of 5725  
the county, township, or municipal corporation from which the 5726

employment positions would be relocated. For purposes of this 5727  
paragraph, the movement of an employment position from one 5728  
political subdivision to another political subdivision shall be 5729  
considered a relocation of an employment position unless the 5730  
movement is confined to the project site. The transfer of an 5731  
employment position from one political subdivision to another 5732  
political subdivision shall not be considered a relocation of an 5733  
employment position if the employment position in the first 5734  
political subdivision is replaced by another employment 5735  
position. 5736

(8) A waiver by each taxpayer subject to the agreement of 5737  
any limitations periods relating to assessments or adjustments 5738  
resulting from the taxpayer's failure to comply with the 5739  
agreement. 5740

(F) The term of an agreement under this section shall be 5741  
determined by the tax credit authority, and the amount of the 5742  
exemption shall not exceed one hundred per cent of such taxes 5743  
that would otherwise be owed in respect to the exempted computer 5744  
data center equipment. 5745

(G) If any taxpayer subject to an agreement under this 5746  
section fails to meet or comply with any condition or 5747  
requirement set forth in the agreement, the tax credit authority 5748  
may amend the agreement to reduce the percentage of the 5749  
exemption or term during which the exemption applies to the 5750  
computer data center equipment used or to be used by the 5751  
noncompliant taxpayer at an eligible computer data center. The 5752  
reduction of the percentage or term may take effect in the 5753  
current calendar year. 5754

(H) Financial statements and other information submitted 5755  
to the department of development ~~services~~ or the tax credit 5756

authority by an applicant for or recipient of an exemption under 5757  
this section, and any information taken for any purpose from 5758  
such statements or information, are not public records subject 5759  
to section 149.43 of the Revised Code. However, the chairperson 5760  
of the authority may make use of the statements and other 5761  
information for purposes of issuing public reports or in 5762  
connection with court proceedings concerning tax exemption 5763  
agreements under this section. Upon the request of the tax 5764  
commissioner, the chairperson of the authority shall provide to 5765  
the tax commissioner any statement or other information 5766  
submitted by an applicant for or recipient of an exemption under 5767  
this section. The tax commissioner shall preserve the 5768  
confidentiality of the statement or other information. 5769

(I) The tax commissioner shall issue a direct payment 5770  
permit under section 5739.031 of the Revised Code to each 5771  
taxpayer subject to an agreement under this section. Such direct 5772  
payment permit shall authorize the taxpayer to pay any sales and 5773  
use taxes due on purchases of computer data center equipment 5774  
used or to be used in an eligible computer data center and to 5775  
pay any sales and use taxes due on purchases of tangible 5776  
personal property or taxable services other than computer data 5777  
center equipment used or to be used in an eligible computer data 5778  
center directly to the tax commissioner. Each such taxpayer 5779  
shall pay pursuant to such direct payment permit all sales tax 5780  
levied on such purchases under sections 5739.02, 5739.021, 5781  
5739.023, and 5739.026 of the Revised Code and all use tax 5782  
levied on such purchases under sections 5741.02, 5741.021, 5783  
5741.022, and 5741.023 of the Revised Code, consistent with the 5784  
terms of the agreement entered into under this section. 5785

During the term of an agreement under this section each 5786  
taxpayer subject to the agreement shall submit to the tax 5787

commissioner a return that shows the amount of computer data 5788  
center equipment purchased for use at the eligible computer data 5789  
center, the amount of tangible personal property and taxable 5790  
services other than computer data center equipment purchased for 5791  
use at the eligible computer data center, the amount of tax 5792  
under Chapter 5739. or 5741. of the Revised Code that would be 5793  
due in the absence of the agreement under this section, the 5794  
exemption percentage for computer data center equipment 5795  
specified in the agreement, and the amount of tax due under 5796  
Chapter 5739. or 5741. of the Revised Code as a result of the 5797  
agreement under this section. Each such taxpayer shall pay the 5798  
tax shown on the return to be due in the manner and at the times 5799  
as may be further prescribed by the tax commissioner. Each such 5800  
taxpayer shall include a copy of the director of ~~development-~~ 5801  
~~services'~~development's certificate of verification issued under 5802  
division (E) (6) of this section. Failure to submit a copy of the 5803  
certificate with the return does not invalidate the claim for 5804  
exemption if the taxpayer submits a copy of the certificate to 5805  
the tax commissioner within the time prescribed by section 5806  
5703.0510 of the Revised Code. 5807

(J) If the director of development ~~services~~ determines 5808  
that one or more taxpayers received an exemption from taxes due 5809  
on the purchase of computer data center equipment purchased for 5810  
use at a computer data center that no longer complies with the 5811  
requirement under division (E) (3) of this section, the director 5812  
shall notify the tax credit authority and, if applicable, the 5813  
taxpayer that applied to enter the agreement for the exemption 5814  
under division (C) of this section of the noncompliance. After 5815  
receiving such a notice, and after giving each taxpayer subject 5816  
to the agreement an opportunity to explain the noncompliance, 5817  
the authority may terminate the agreement and require each such 5818

taxpayer to pay to the state all or a portion of the taxes that 5819  
would have been owed in regards to the exempt equipment in 5820  
previous years, all as determined under rules adopted pursuant 5821  
to division (K) of this section. In determining the portion of 5822  
the taxes that would have been owed on the previously exempted 5823  
equipment to be paid to this state by a taxpayer, the authority 5824  
shall consider the effect of market conditions on the eligible 5825  
computer data center, whether the taxpayer continues to maintain 5826  
other operations in this state, and, with respect to agreements 5827  
involving multiple taxpayers, the taxpayer's level of 5828  
responsibility for the noncompliance. After making the 5829  
determination, the authority shall certify to the tax 5830  
commissioner the amount to be paid by each taxpayer subject to 5831  
the agreement. The tax commissioner shall make an assessment for 5832  
that amount against each such taxpayer under Chapter 5739. or 5833  
5741. of the Revised Code. The time limitations on assessments 5834  
under those chapters do not apply to an assessment under this 5835  
division, but the tax commissioner shall make the assessment 5836  
within one year after the date the authority certifies to the 5837  
tax commissioner the amount to be paid by the taxpayer. 5838

(K) The director of development ~~services~~, after 5839  
consultation with the tax commissioner and in accordance with 5840  
Chapter 119. of the Revised Code, shall adopt rules necessary to 5841  
implement this section. The rules may provide for recipients of 5842  
tax exemptions under this section to be charged fees to cover 5843  
administrative costs incurred in the administration of this 5844  
section. The fees collected shall be credited to the tax 5845  
incentives operating fund created in section 122.174 of the 5846  
Revised Code. At the time the director gives public notice under 5847  
division (A) of section 119.03 of the Revised Code of the 5848  
adoption of the rules, the director shall submit copies of the 5849

proposed rules to the chairpersons of the standing committees on 5850  
economic development in the senate and the house of 5851  
representatives. 5852

(L) On or before the first day of August of each year, the 5853  
director of development ~~services~~ shall submit a report to the 5854  
governor, the president of the senate, and the speaker of the 5855  
house of representatives on the tax exemption authorized under 5856  
this section. The report shall include information on the number 5857  
of agreements that were entered into under this section during 5858  
the preceding calendar year, a description of the eligible 5859  
computer data center that is the subject of each such agreement, 5860  
and an update on the status of eligible computer data centers 5861  
under agreements entered into before the preceding calendar 5862  
year. 5863

(M) A taxpayer may be made a party to an existing 5864  
agreement entered into under this section by the tax credit 5865  
authority and another taxpayer or group of taxpayers. In such a 5866  
case, the taxpayer shall be entitled to all benefits and bound 5867  
by all obligations contained in the agreement and all 5868  
requirements described in this section. When an agreement 5869  
includes multiple taxpayers, each taxpayer shall be entitled to 5870  
a direct payment permit as authorized in division (I) of this 5871  
section. 5872

~~(B)~~ The scoring system required under section 122.4040 of the Revised Code shall include the factors and scoring rubric as described in divisions ~~(C)~~(B) to ~~(J)~~(I) of this section. Applications for a grant under the Ohio residential broadband expansion grant program shall be prioritized from the highest to the lowest point score under those factors and rubric.

~~(C)~~(B) Of a possible maximum score of three hundred points, the score for eligible projects for unserved and underserved areas shall be calculated as ~~the sum of the following~~follows:

(1) ~~The point value determined by multiplying three hundred times the percentage of passes~~application will receive one-half point for each residential address in unserved areas of the application.

(2) ~~One half of the point value determined by multiplying three hundred times the percentage of passes~~The application will receive one-quarter point for each residential address in underserved areas of the application.

~~(D)~~(C) Of a possible maximum score of two hundred points, 6019  
the score for broadband service speed, based on a graduated 6020  
scale, shall be: 6021

(1) Twenty-five points for broadband speeds that are one 6022  
hundred megabits per second downstream or greater and twenty 6023  
megabits per second or greater upstream, but less than two 6024  
hundred fifty megabits per second downstream and fifty megabits 6025  
upstream; 6026

(2) Fifty points for broadband speeds that are two hundred 6027  
fifty megabits per second or greater downstream and fifty 6028  
megabits or greater per second upstream, but less than five 6029  
hundred megabits per second downstream and one hundred megabits 6030  
per second upstream; 6031

(3) One hundred points for broadband speeds that are five 6032  
hundred megabits per second or greater downstream and one 6033  
hundred megabits per second or greater upstream, but less than 6034  
seven hundred fifty megabits per second downstream and two 6035  
hundred fifty megabits per second upstream; 6036

(4) One hundred twenty-five points for broadband speeds 6037  
that are seven hundred fifty megabits per second or greater 6038  
downstream and two hundred fifty megabits per second or greater 6039  
upstream, but less than one gigabit per second downstream and 6040  
five hundred megabits per second upstream; 6041

(5) One hundred fifty points for broadband speeds that are 6042  
one gigabit per second or greater downstream and five hundred 6043  
megabits per second or greater upstream, but less than one 6044  
gigabit per second upstream; 6045

(6) Two hundred points for broadband speeds that are one 6046  
gigabit per second or greater downstream and one gigabit per 6047

second or greater upstream. 6048

~~(E) (1)~~ (D) (1) Of a possible maximum score of one hundred 6049  
fifty points, the score for rating broadband service cost shall 6050  
be the sum of divisions ~~(E) (1) (a)~~ (D) (1) (a) and (b) of this 6051  
section as follows: 6052

(2) (a) For each application submission period, the 6060  
broadband expansion program authority shall determine the grant 6061

by doing the following: 6064

(i) Determining, for each individual application in the 6065  
state, the total grant cost per eligible address in the 6066  
application by calculating the quotient of the amount of program 6067  
grant funds requested for the application divided by the number 6068  
of eligible addresses in the application; 6069

(ii) Ranking, from lowest to highest cost, all individual 6070  
applications by total grant cost per eligible address; 6071

(iii) Assigning each individual application a percentile 6072  
based on its total grant cost per eligible address relative to 6073  
all other applications' total grant cost per eligible address. 6074

(b) Percentiles under division ~~(E) (2) (a) (iii)~~ (D) (2) (a) 6075

(iii) of this section shall be assigned so that the highest 6076  
percentile is assigned to the application with the lowest total 6077  
grant cost per eligible address and percentiles for all other 6078  
applications assigned based on each application's relative grant 6079  
cost per eligible address. 6080

~~(F)~~(E) Of a possible maximum score of one hundred points, 6081  
the score for providing tier two broadband service or greater to 6082  
eligible addresses located in an eligible project shall be 6083  
calculated as follows: 6084

(1) Ten points for the number of eligible addresses equal 6085  
to five hundred or more, but less than one thousand; 6086

(2) Twenty points for the number of eligible addresses 6087  
equal to one thousand or more, but less than one thousand five 6088  
hundred; 6089

(3) Thirty points for the number of eligible addresses 6090

the director finds that the production company shows good cause 7142  
for the delay, meaning that the production was delayed due to 7143  
unforeseeable circumstances beyond the production company's 7144  
control or due to action or inaction by a government agency. 7145  
Upon rescission, the director shall notify the applicant that 7146  
the certification has been rescinded. Nothing in this section 7147  
prohibits an applicant whose tax credit-eligible production 7148  
certification has been rescinded from submitting a subsequent 7149

(C) (1) A production company whose motion picture or 7151

against the tax imposed by section 5726.02, 5733.06, 5747.02, or 7155  
5751.02 of the Revised Code. The director in consultation with 7156  
the tax commissioner shall prescribe the form and manner of the 7157  
application and the information or documentation required to be 7158  
submitted with the application. 7159

The credit is determined as follows: 7160

(a) If the total budgeted eligible expenditures stated in 7161  
the application submitted under division (B) of this section or 7162  
the actual eligible expenditures as finally determined under 7163  
division (D) of this section, whichever is least, is less than 7164  
or equal to three hundred thousand dollars, no credit is 7165  
allowed; 7166

(b) If the total budgeted eligible expenditures stated in 7167  
the application submitted under division (B) of this section or 7168  
the actual eligible expenditures as finally determined under 7169  
division (D) of this section, whichever is least, is greater 7170  
than three hundred thousand dollars, the credit equals thirty 7171  
per cent of the least of such budgeted or actual eligible 7172  
expenditure amounts. 7173

(2) Except as provided in division (C) (4) of this section, 7174  
if the director of development approves a production company's 7175  
application for a credit, the director shall issue a tax credit 7176  
certificate to the company. The director in consultation with 7177  
the tax commissioner shall prescribe the form and manner of 7178

identifying number to each tax credit certificate and shall 7180  
record the certificate in a register devised and maintained by 7181  
the director for that purpose. The certificate shall state the 7182  
amount of the eligible expenditures on which the credit is based 7183  
and the amount of the credit. Upon the issuance of a 7184  
certificate, the director shall certify to the tax commissioner 7185  
the name of the production company to which the certificate was 7186  
issued, the amount of eligible expenditures shown on the 7187  
certificate, the amount of the credit, and any other information 7188  
required by the rules adopted to administer this section. 7189

(3) The amount of eligible expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Once the eligible expenditures are finally determined under section 5703.19 of the Revised Code and division (D) of this section, the credit amount is not subject to adjustment unless the director determines an error was committed in the computation of the credit amount.

(4) No tax credit certificate may be issued before the completion of the tax credit-eligible production. The amount of tax credit allowed per fiscal year shall not exceed the sum of ~~(a) fifty~~ Seventy-five million dollars, ~~(b) the difference between the maximum credit amount for that fiscal year under section 122.852 of the Revised Code and the amount the director of development elects to allow under this section pursuant to division (D)(1) of section 122.852 of the Revised Code,~~ and ~~(c) the difference between the maximum amount of credits that could have been awarded in the previous fiscal year under this section and the amount actually awarded. Out of that sum, five million dollars shall be reserved for Broadway theatrical productions, and the balance may be allowed for any tax credit-eligible production. For any fiscal year in which less than five million dollars of tax credits are allowed for Broadway theatrical productions, the amount of the five million dollars not allowed and added to the maximum annual amount for the following fiscal year shall be reserved for Broadway theatrical productions in the following fiscal year.~~

(5) The director shall review and approve applications for tax credits ~~in two rounds each fiscal year. The first round of credits shall be awarded not later than the last day of July of~~

~~the fiscal year, and the second round of credits shall be~~ 7221  
~~awarded not later than the last day of the ensuing January. The~~ 7222  
~~amount of credits awarded in the first round of applications~~ 7223  
~~each fiscal year shall not exceed one-half of the maximum~~ 7224  
~~allowance for the fiscal year calculated under division (C)(4)~~ 7225  
~~of this section, two million five hundred thousand dollars of~~ 7226  
~~which shall be reserved for Broadway theatrical productions. For~~ 7227  
~~each round, the director shall rank applications on the basis of~~ 7228  
~~the extent of positive economic impact each tax credit-eligible~~ 7229  
~~production is likely to have in this state and the effect on~~ 7230  
~~developing a permanent workforce in motion picture or theatrical~~ 7231  
~~production industries in the state. For the purpose of such~~ 7232  
~~ranking, the~~ on a rolling basis. The director shall give 7233  
priority to tax-credit eligible productions that are television 7234  
series or miniseries due to the long-term commitment typically 7235  
associated with such productions. ~~The economic impact ranking~~ 7236  
~~shall be based on the production company's total expenditures in~~ 7237  
~~this state directly associated with the tax credit-eligible~~ 7238  
~~production. The effect on developing a permanent workforce in~~ 7239  
~~the motion picture or theatrical production industries shall be~~ 7240  
~~evaluated first by the number of new jobs created and second by~~ 7241  
~~amount of payroll added with respect to employees in this state.~~ 7242

~~The director shall approve productions in the order of~~ 7243  
~~their ranking, from those with the greatest positive economic~~ 7244  
~~impact and workforce development effect to those with the least~~ 7245  
~~positive economic impact and workforce development effect.~~ 7246

(D) A production company whose motion picture or Broadway 7247  
theatrical production has been certified as a tax credit- 7248  
eligible production shall engage, at the company's expense, an 7249  
independent certified public accountant to examine the company's 7250  
production, postproduction, and advertising and promotion 7251

expenditures to identify the expenditures that qualify as 7252  
eligible expenditures. The certified public accountant shall 7253  
issue a report to the company and to the director of development 7254  
certifying the company's eligible expenditures and any other 7255  
information required by the director. Upon receiving and 7256  
examining the report, the director may disallow any expenditure 7257  
the director determines is not an eligible expenditure. If the 7258  
director disallows an expenditure, the director shall issue a 7259  
written notice to the production company stating that the 7260  
expenditure is disallowed and the reason for the disallowance. 7261  
Upon examination of the report and disallowance of any 7262  
expenditures, the director shall determine finally the lesser of 7263  
the total budgeted eligible expenditures stated in the 7264  
application submitted under division (B) of this section or the 7265  
actual eligible expenditures for the purpose of computing the 7266  
amount of the credit. 7267

(E) No credit shall be allowed under section 5726.55, 7268  
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 7269  
director has reviewed the report and made the determination 7270  
prescribed by division (D) of this section. 7271

(F) This state reserves the right to refuse the use of 7272  
this state's name in the credits of any tax credit-eligible 7273  
motion picture production or program of any Broadway theatrical 7274  
production. 7275

(G) (1) The director of development in consultation with 7276  
the tax commissioner shall adopt rules for the administration of 7277

for approving credits based on likely economic impact in this 7286  
state and development of a permanent workforce in motion picture 7287  
or theatrical production industries in this state; consideration 7288  
of geographic distribution of credits; and implementation of the 7289  
program described in division (H) of this section. The rules 7290  
shall be adopted under Chapter 119. of the Revised Code. 7291

(2) To cover the administrative costs of the program, the 7292  
director shall require each applicant to pay an application fee 7293  
equal to the lesser of ten thousand dollars or one per cent of 7294  
the estimated value of the tax credit as stated in the 7295  
application. The fees collected shall be credited to the tax 7296  
incentives operating fund created in section 122.174 of the 7297  
Revised Code. All grants, gifts, fees, and contributions made to 7298  
the director for marketing and promotion of the motion picture 7299  
industry within this state shall also be credited to the fund. 7300

(H) The director of development shall establish a program 7301  
for the training of Ohio residents who are or wish to be 7302  
employed in the film or multimedia industry. Under the program, 7303  
the director shall: 7304

(1) Certify individuals as film and multimedia trainees. 7305  
In order to receive such a certification, an individual must be 7306  
an Ohio resident, have participated in relevant on-the-job 7307

reimbursement payment to each production company whose 7318  
application was approved under division (H) (2) of this section. 7319  
The payment shall equal fifty per cent of the salaries paid to 7320  
film and multimedia trainees employed in the production. 7321

in accordance with Chapter 119. of the Revised Code that do all 7326

(1) Provide a formula for allocating the state ceiling, as 7328  
authorized under 26 U.S.C. 146(e); 7329

(2) Authorize procedures to administer those allocations; 7330

(3) Impose fees on persons to which such allocations are 7331

(4) Establish any other requirements, processes, or 7333

state financing of all or a portion of the costs of constructing 7752  
the facility. Authorization to spend money, or an appropriation, 7753

(1) Motorsports events shall be presented at the facility 7770  
pursuant to a lease entered into with the owner of the facility. 7771  
The term of the lease shall be for a period of not less than the 7772

guidelines for maximum maturities as provided under divisions 7775

(B) and (C) of section 133.20 of the Revised Code, or the period 7776  
of time remaining to the date of payment or provision for 7777  
payment of outstanding state bonds allocable to costs of the 7778  
facility, all as determined by the director of budget and 7779

established period. Such a motorsports organization shall be 7788  
liable to the state for any state funds used on the construction 7789  
costs of the facility. 7790

(G) In addition to the requirements of division (E) of 7791

form acceptable to the Ohio facilities construction commission 7796  
that assures that one or more sanctioned professional tennis 7797  
events will be presented at the facility during each year that 7798  
the bonds remain outstanding. 7799

(H) State funds may be used to pay or reimburse up to 7800  
thirty per cent of the initial estimated construction cost for a 7801  
major sports facility if all of the following criteria are met: 7802

amounting to not less than seventy per cent of the total initial 7810  
estimated construction cost of the major sports facility, 7811  
excluding any site acquisition cost, from sources other than the 7812  
state, including a contribution from the professional sports 7813

construction cost of the major sports facility. 7816

(3) The general assembly has specifically authorized the 7817  
spending of money on, or made an appropriation for, the 7818  
construction of the major sports facility, or for rental 7819  
payments relating to state financing of all or a portion of the 7820  
costs of constructing the major sports facility, provided that 7821  
authorization to spend money, or an appropriation, for planning 7822  
or determining the feasibility of or need for the major sports 7823  
facility does not constitute authorization to spend money on, or 7824  
an appropriation for, costs of constructing the major sports 7825  
facility. 7826

(4) If state bond proceeds are being used for the major 7827  
sports facility, both of the following: 7828

(a) The financial and development plan described in 7829  
division (H) (2) of this section demonstrates to the satisfaction 7830  
of the Ohio facilities construction commission, in consultation 7831

district state tax revenues expected to be generated by the 7835

transformational major sports facility mixed-use project are 7836  
projected to be in excess of the total debt service of the state 7837  
bonds for their initial term. 7838

(b) The state or a state agency owns or has sufficient 7839  
property interests in the major sports facility or in the site 7840

presentation of sport and athletic events to the public at the 7845  
major sports facility. 7846

(5) If state bond proceeds are being used for the major 7847  
sports facility, then, without prejudice to the provisions of 7848  
section 154.08 of the Revised Code, any such issue of bonds 7849  
shall have a maturity of not less than twenty-five years. 7850

(6) If state bond proceeds are being used for the major 7851  
sports facility, then the total major sports facility mixed-use 7852  
project district state tax revenues shall be deposited by the 7853  
treasurer of state into the major sports facility district fund 7854  
created under division (I) of this section. From the major 7855  
sports facility district fund, the director of budget and 7856  
management may transfer funds to the Ohio cultural facilities 7857

payment thereof from the Ohio cultural facilities bond service 7863  
fund shall be made or provided for by the treasurer of state in 7864  
accordance with the applicable bond proceedings without 7865

The terms of the escrow shall provide that the funds in the escrow account and all interest and earnings thereon shall be released to the state if, and to the extent that, upon the date after the later of the expiration of the initial term of the applicable major sports facility lease or the maturity of the state bonds issued to pay or reimburse costs of the major sports facility, total debt service on the state bonds issued to pay or reimburse costs of the major sports facility exceeds the total incremental major sports facility mixed-use project district state tax revenues, with any amounts remaining after the payment of such excess bond debt service to be released from the escrow account to the professional sports franchise or affiliate thereof, as applicable. 7867

notice of proposed substitution. The notice to the public 11772  
depositor and to the trustee shall be given in writing and 11773  
delivered electronically. The trustee may assume in any case 11774  
that the notice has been delivered to the public depositor. In 11775

receipt of the objections must be acknowledged in writing by the 11777  
trustee. 11778

three highest categories by two nationally recognized 11918  
statistical rating organizations and issued by foreign nations 11919

and securities set forth in divisions (A) (1) to (10) of this 11946  
section shall be construed to authorize investment in a 11947

a derivative. For purposes of this division, "derivative" means 11950  
a financial instrument or contract or obligation whose value or 11951  
return is based upon or linked to another asset or index, or 11952  
both, separate from the financial instrument, contract, or 11953  
obligation itself. Any security, obligation, trust account, or 11954  
other instrument that is created from an issue of the United 11955

States treasury or is created from an obligation of a federal 11956  
agency or instrumentality or is created from both is considered 11957  
a derivative instrument. An eligible investment described in 11958  
this section with a variable interest rate payment, based upon a 11959  
single interest payment or single index comprised of other 11960  
eligible investments provided for in division (A)(1) or (2) of 11961  
this section, is not a derivative, provided that such variable 11962  
rate investment has a maximum maturity of two years. A treasury 11963  
inflation-protected security shall not be considered a 11964  
derivative, provided the security matures not later than five 11965  
years after purchase. 11966

(C) Except as provided in division (A)(4) or (D) of this 11967  
section, any investment made pursuant to this section must 11968  
mature within five years from the date of settlement, unless the 11969  
investment is matched to a specific obligation or debt of the 11970  
county or to a specific obligation or debt of a political 11971  
subdivision of this state, and the investment is specifically 11972  
approved by the investment advisory committee. 11973

(D) The investing authority may also enter into a written 11974  
repurchase agreement with any eligible institution mentioned in 11975  
section 135.32 of the Revised Code or any eligible securities 11976  
dealer pursuant to division (J) of this section, under the terms 11977  
of which agreement the investing authority purchases and the 11978  
eligible institution or dealer agrees unconditionally to 11979  
repurchase any of the securities listed in divisions (D)(1) to 11980  
(5), except letters of credit described in division (D)(2), of 11981  
section 135.18 of the Revised Code. The market value of 11982  
securities subject to an overnight written repurchase agreement 11983  
must exceed the principal value of the overnight written 11984  
repurchase agreement by at least two per cent. A written 11985  
repurchase agreement must exceed the principal value of the 11986

overnight written repurchase agreement, by at least two per cent. A written repurchase agreement shall not exceed thirty days, and the market value of securities subject to a written repurchase agreement must exceed the principal value of the written repurchase agreement by at least two per cent and be marked to market daily. All securities purchased pursuant to this division shall be delivered into the custody of the investing authority or the qualified custodian of the investing authority or an agent designated by the investing authority. A written repurchase agreement with an eligible securities dealer shall be transacted on a delivery versus payment basis. The agreement shall contain the requirement that for each transaction pursuant to the agreement the participating institution shall provide all of the following information:

- (1) The par value of the securities;
- (2) The type, rate, and maturity date of the securities;
- (3) A numerical identifier generally accepted in the securities industry that designates the securities.

No investing authority shall enter into a written repurchase agreement under the terms of which the investing authority agrees to sell securities owned by the county to a purchaser and agrees with that purchaser to unconditionally repurchase those securities.

(E) No investing authority shall make an investment under this section, unless the investing authority, at the time of making the investment, reasonably expects that the investment can be held until its maturity. The investing authority's written investment policy shall specify the conditions under which an investment may be redeemed or sold prior to maturity.

(F) No investing authority shall pay a county's inactive 12016  
moneys or moneys of a county public library fund into a fund 12017  
established by another subdivision, treasurer, governing board, 12018  
or investing authority, if that fund was established by the 12019  
subdivision, treasurer, governing board, or investing authority 12020  
for the purpose of investing or depositing the public moneys of 12021  
other subdivisions. This division does not apply to the payment 12022

(6) of this section; 12025

(2) A fund created solely for the purpose of acquiring, 12026  
constructing, owning, leasing, or operating municipal utilities 12027  
pursuant to the authority provided under section 715.02 of the 12028  
Revised Code or Section 4 of Article XVIII, Ohio Constitution. 12029

For purposes of division (F) of this section, 12030  
"subdivision" includes a county. 12031

(G) The use of leverage, in which the county uses its 12032  
current investment assets as collateral for the purpose of 12033  
purchasing other assets, is prohibited. The issuance of taxable 12034  
notes for the purpose of arbitrage is prohibited. Contracting to 12035  
sell securities not owned by the county, for the purpose of 12036  
purchasing such securities on the speculation that bond prices 12037  
will decline, is prohibited. 12038

(H) Any securities, certificates of deposit, deposit 12039  
accounts, or any other documents evidencing deposits or 12040  
investments made under authority of this section shall be issued 12041  
in the name of the county with the county treasurer or investing 12042  
authority as the designated payee. If any such deposits or 12043  
investments are registrable either as to principal or interest, 12044

or both, they shall be registered in the name of the treasurer. 12045

(I) The investing authority shall be responsible for the 12046  
safekeeping of all documents evidencing a deposit or investment 12047  
acquired under this section, including, but not limited to, 12048  
safekeeping receipts evidencing securities deposited with a 12049  
qualified trustee, as provided in section 135.37 of the Revised 12050  
Code, and documents confirming the purchase of securities under 12051  
any repurchase agreement under this section shall be deposited 12052  
with a qualified trustee, provided, however, that the qualified 12053  
trustee shall be required to report to the investing authority, 12054  
auditor of state, or an authorized outside auditor at any time 12055  
upon request as to the identity, market value, and location of 12056  
the document evidencing each security, and that if the 12057  
participating institution is a designated depository of the 12058  
county for the current period of designation, the securities 12059  
that are the subject of the repurchase agreement may be 12060  
delivered to the treasurer or held in trust by the participating 12061  
institution on behalf of the investing authority. 12062

Upon the expiration of the term of office of an investing 12063  
authority or in the event of a vacancy in the office for any 12064  
reason, the officer or the officer's legal representative shall 12065  
transfer and deliver to the officer's successor all documents 12066  
mentioned in this division for which the officer has been 12067  
responsible for safekeeping. For all such documents transferred 12068  
and delivered, the officer shall be credited with, and the 12069  
officer's successor shall be charged with, the amount of moneys 12070  
evidenced by such documents. 12071

institution regulated by the comptroller of the currency, 12078  
federal deposit insurance corporation, or board of governors of 12079  
the federal reserve system. 12080

(2) Payment for investments shall be made only upon the 12081  
delivery of securities representing such investments to the 12082  
treasurer, investing authority, or qualified trustee. If the 12083  
securities transferred are not represented by a certificate, 12084  
payment shall be made only upon receipt of confirmation of 12085  
transfer from the custodian by the treasurer, governing board, 12086  
or qualified trustee. 12087

(K) (1) Except as otherwise provided in division (K) (2) of 12088  
this section, no investing authority shall make an investment or 12089  
deposit under this section, unless there is on file with the 12090  
auditor of state a written investment policy approved by the 12091  
investing authority. The policy shall require that all entities 12092  
conducting investment business with the investing authority 12093  
shall sign the investment policy of that investing authority. 12094  
All brokers, dealers, and financial institutions, described in 12095  
division (J) (1) of this section, initiating transactions with 12096  
the investing authority by giving advice or making investment 12097  
recommendations shall sign the investing authority's investment 12098  
policy thereby acknowledging their agreement to abide by the 12099  
policy's contents. All brokers, dealers, and financial 12100  
institutions, described in division (J) (1) of this section, 12101  
executing transactions initiated by the investing authority, 12102  
having read the policy's contents, shall sign the investment 12103  
policy thereby acknowledging their comprehension and receipt. 12104

(2) If a written investment policy described in division 121105  
(K) (1) of this section is not filed on behalf of the county with 121106  
the auditor of state, the investing authority of that county 121107  
shall invest the county's inactive moneys and moneys of the 121108  
county public library fund only in time certificates of deposits 121109  
or savings or deposit accounts pursuant to division (A) (3) of 121110  
this section, no-load money market mutual funds pursuant to 121111  
division (A) (5) of this section, or the Ohio subdivision's fund 121112

(L) (1) The investing authority shall establish and 121114  
maintain an inventory of all obligations and securities acquired 121115  
by the investing authority pursuant to this section. The 121116

behalf of the investing authority. 12131

and available for inspection under section 149.43 of the Revised 12133

(5) The inventory and the monthly portfolio report shall 12135  
be filed with the board of county commissioners. The monthly 12136  
portfolio report also shall be filed with the treasurer of 12137  
state. 12138

personal, or ideological policy. 12177

**Sec. 135.352.** The investment authority shall invest all 12178

(1) Forms and procedures by which applicants may apply for rehabilitation tax credit certificates;

(2) Criteria for reviewing, evaluating, and approving applications for certificates within the limitations under

division (D) of this section, criteria for assuring that the 12425

qualified rehabilitation expenditures, and criteria for issuing 12427  
certificates under division (C) (3) (b) of this section; 12428

(3) Eligibility requirements for obtaining a certificate 12429  
under this section; 12430

(4) The form of rehabilitation tax credit certificates; 12431

(5) Reporting requirements and monitoring procedures; 12432

(6) Procedures and criteria for conducting cost-benefit 12433

the historic building will result in a net revenue gain in state 12437  
and local taxes once the building is used. 12438

(7) Any other rules necessary to implement and administer 12439  
this section. 12440

(C) The director shall review the applications with the 12441  
assistance of the state historic preservation officer and 12442  
determine whether all of the following criteria are met: 12443

(1) That the building that is the subject of the 12444  
application is an historic building and the applicant is the 12445  
owner or qualified lessee of the building; 12446

12454

(b) To increase the level of investment in such rehabilitation. 12455  
12456

(4) The historic building that is the subject of the application is not, and will not upon completion of the rehabilitation project be, part of a qualified low-income housing project allocated a tax credit pursuant to section 42 of the Internal Revenue Code. 12457

An applicant shall demonstrate to the satisfaction of the state historic preservation officer and director that the rehabilitation will satisfy the standards described in division (C) (2) of this section before the applicant begins the physical rehabilitation of the historic building. 12462  
12463  
12464  
12465  
12466

(D) (1) If the director determines that an application meets the criteria in division (C) of this section, the director shall conduct a cost-benefit analysis for the historic building that is the subject of the application to determine whether rehabilitation of the historic building will result in a net revenue gain in state and local taxes once the building is used. The director shall consider the results of the cost-benefit analysis in determining whether to approve the application. The director shall also consider the potential economic impact and the regional distributive balance of the credits throughout the state. The director shall not consider whether the historic building is located in or will benefit an economically distressed area, including by weighting preference based on the poverty rate in the jurisdiction or census tract in which the building is located, nor shall the director consider or give weighted preference based on vacancy or underutilization of the 12467

12476  
12477  
12478  
12479  
12480  
12481  
12482

building. The director may approve an application only after 12483  
completion of the cost-benefit analysis. 12484

(2) A rehabilitation tax credit certificate shall not be 12485  
issued for an amount greater than the estimated amount furnished 12486  
by the applicant on the application for such certificate and 12487  
approved by the director. The director shall not approve more 12488  
than a total of ~~one hundred twenty ninety~~ million dollars of 12489  
rehabilitation tax credits ~~for each of fiscal years 2023 and~~ 12490  
~~2024, and sixty million dollars of rehabilitation tax credits~~ 12491  
~~for each per~~ fiscal year ~~thereafter~~, but the director may 12492  
reallocate unused tax credits from a prior fiscal year for new 12493  
applicants and such reallocated credits shall not apply toward 12494  
the dollar limit of this division. 12495

(3) For rehabilitations with a rehabilitation period not 12496  
exceeding twenty-four months as provided in division (A) (8) (a) 12497  
of this section, a rehabilitation tax credit certificate shall 12498  
not be issued before the rehabilitation of the historic building 12499  
is completed. 12500

(4) For rehabilitations with a rehabilitation period not 12501  
exceeding sixty months as provided in division (A) (8) (b) of this 12502  
section, a rehabilitation tax credit certificate shall not be 12503  
issued before a stage of rehabilitation is completed. After all 12504  
stages of rehabilitation are completed, if the director cannot 12505  
determine that the criteria in division (C) of this section are 12506  
satisfied for all stages of rehabilitations, the director shall 12507  
certify this finding to the tax commissioner, and any 12508  
rehabilitation tax credits received by the applicant shall be 12509  
repaid by the applicant and may be collected by assessment as 12510  
unpaid tax by the commissioner. 12511

(5) The director shall require the applicant to provide a 12512

third-party cost certification by a certified public accountant 12513  
of the actual costs attributed to the rehabilitation of the 12514  
historic building when qualified rehabilitation expenditures 12515  
exceed two hundred thousand dollars. 12516

If an applicant whose application is approved for receipt 12517  
of a rehabilitation tax credit certificate fails to provide to 12518  
the director sufficient evidence of reviewable progress, 12519  
including a viable financial plan, copies of final construction 12520  
drawings, and evidence that the applicant has obtained all 12521  
historic approvals within twelve months after the date the 12522  
applicant received notification of approval, and if the 12523  
applicant fails to provide evidence to the director that the 12524  
applicant has secured and closed on financing for the 12525  
rehabilitation within eighteen months after receiving 12526  
notification of approval, the director may rescind the approval 12527  
of the application. The director shall notify the applicant if 12528  
the approval has been rescinded. Credits that would have been 12529  
available to an applicant whose approval was rescinded shall be 12530  
available for other qualified applicants. Nothing in this 12531  
division prohibits an applicant whose approval has been 12532  
rescinded from submitting a new application for a rehabilitation 12533  
tax credit certificate. 12534

(6) The director may approve the application of, and issue 12535  
a rehabilitation tax credit certificate to, the owner of a 12536  
catalytic project, provided the application otherwise meets the 12537  
criteria described in divisions (C) and (D) of this section. The 12538  
director may not approve more than one application for a 12539  
rehabilitation tax credit certificate under division (D) (6) of 12540  
this section during each state fiscal biennium. The director 12541  
shall not approve an application for a rehabilitation tax credit 12542  
certificate under division (D) (6) of this section during the 12543

state fiscal biennium beginning July 1, 2017, or during any 12544  
state fiscal biennium thereafter. The director shall consider 12545  
the following criteria in determining whether to approve an 12546  
application for a certificate under division (D)(6) of this 12547  
section: 12548

(a) Whether the historic building is a catalytic project; 12549

(b) The effect issuance of the certificate would have on 12550  
the availability of credits for other applicants that qualify 12551  
for a credit certificate within the credit dollar limit 12552  
described in division (D)(2) of this section; 12553

(c) The number of jobs, if any, the catalytic project will 12554  
create. 12555

(7)(a) The owner or qualified lessee of a historic 12556  
building may apply for a rehabilitation tax credit certificate 12557  
under both divisions (B) and (D)(6) of this section. In such a 12558  
case, the director shall consider each application at the time 12559  
the application is submitted. 12560

(b) The director shall not issue more than one certificate 12561  
under this section with respect to the same qualified 12562  
rehabilitation expenditures. 12563

(8) The director shall give consideration for tax credits 12564  
awarded under this section to rehabilitations of historic 12565  
buildings used as a theater before, and intended to be used as a 12566  
theater after, the rehabilitation. In determining whether to 12567  
approve an application for such a rehabilitation, the director 12568  
shall consider the extent to which the rehabilitation will 12569  
increase attendance at the theater and increase the theater's 12570  
gross revenue. 12571

(9) The director shall rescind the approval of any 12572

application if the building that is the subject of the 12573  
application is part of a qualified low-income housing project 12574  
allocated a tax credit pursuant to section 42 of the Internal 12575  
Revenue Code at any time before the building's rehabilitation is 12576  
complete. 12577

(E) Issuance of a certificate represents a finding by the 12578  
director of the matters described in divisions (C) (1), (2), and 12579  
(3) of this section only; issuance of a certificate does not 12580  
represent a verification or certification by the director of the 12581  
amount of qualified rehabilitation expenditures for which a tax 12582  
credit may be claimed under section 5725.151, 5725.34, 5726.52, 12583  
5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of 12584  
qualified rehabilitation expenditures for which a tax credit may 12585  
be claimed is subject to inspection and examination by the tax 12586  
commissioner or employees of the commissioner under section 12587  
5703.19 of the Revised Code and any other applicable law. Upon 12588  
the issuance of a certificate, the director shall certify to the 12589  
tax commissioner, in the form and manner requested by the tax 12590  
commissioner, the name of the applicant, the amount of qualified 12591  
rehabilitation expenditures shown on the certificate, and any 12592  
other information required by the rules adopted under this 12593  
section. 12594

(F) (1) On or before the first day of August each year, the 12595  
director and tax commissioner jointly shall submit to the 12596  
president of the senate and the speaker of the house of 12597  
representatives a report on the tax credit program established 12598  
under this section and sections 5725.151, 5725.34, 5726.52, 12599  
5729.17, 5733.47, and 5747.76 of the Revised Code. The report 12600  
shall present an overview of the program and shall include 12601  
information on the number of rehabilitation tax credit 12602  
certificates issued under this section during the preceding 12603

fiscal year, an update on the status of each historic building 12604  
for which an application was approved under this section, the 12605  
dollar amount of the tax credits granted under sections 12606  
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the 12607  
Revised Code, and any other information the director and 12608  
commissioner consider relevant to the topics addressed in the 12609  
report. 12610

(2) On or before December 1, 2015, the director and tax 12611  
commissioner jointly shall submit to the president of the senate 12612  
and the speaker of the house of representatives a comprehensive 12613  
report that includes the information required by division (F) (1) 12614  
of this section and a detailed analysis of the effectiveness of 12615  
issuing tax credits for rehabilitating historic buildings. The 12616  
report shall be prepared with the assistance of an economic 12617  
research organization jointly chosen by the director and 12618  
commissioner. 12619

(G) There is hereby created in the state treasury the 12620  
historic rehabilitation tax credit operating fund. The director 12621  
is authorized to charge reasonable application and other fees in 12622  
connection with the administration of tax credits authorized by 12623  
this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 12624  
5733.47, and 5747.76 of the Revised Code. Any such fees 12625  
collected shall be credited to the fund and used to pay 12626  
reasonable costs incurred by the department of development in 12627  
administering this section and sections 5725.151, 5725.34, 12628  
5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code. 12629

The Ohio historic preservation office is authorized to 12630  
charge reasonable fees in connection with its review and 12631  
approval of applications under this section. Any such fees 12632  
collected shall be credited to the fund and used to pay 12633

administrative costs incurred by the Ohio historic preservation office pursuant to this section. 12634  
12635

(H) Notwithstanding sections 5725.151, 5725.34, 5726.52, 12636  
5729.17, 5733.47, and 5747.76 of the Revised Code, the 12637  
certificate owner of a tax credit certificate issued under 12638  
division (D)(6) of this section may claim a tax credit equal to 12639  
twenty-five per cent of the dollar amount indicated on the 12640  
certificate for a total credit of not more than twenty-five 12641  
million dollars. The credit claimed by such a certificate owner 12642  
for any calendar year, tax year, or taxable year under section 12643  
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the 12644  
Revised Code shall not exceed five million dollars. If the 12645

redact, seek legal advice regarding, and produce the video 13400

actual cost is paid in full by the requester. A state or local 13423  
law enforcement agency or a prosecuting attorney's office shall 13424  
provide the requester with the estimated actual cost within five 13425

estimated actual cost. A state or local law enforcement agency 13432

record available for public inspection or copying that public 13441  
record, the public office or the person responsible for the 13442  
public record shall notify the requester of any redaction or 13443  
make the redaction plainly visible. A redaction shall be deemed 13444  
a denial of a request to inspect or copy the redacted 13445  
information, except if federal or state law authorizes or 13446  
requires a public office to make the redaction. When the auditor 13447  
of state receives a request to inspect or to make a copy of a 13448  
record that was provided to the auditor of state for purposes of 13449  
an audit, but the original public office has asserted to the 13450  
auditor of state that the record is not a public record, the 13451  
auditor of state may handle the requests by directing the 13452

requestor to the original public office that provided the record 13453  
to the auditor of state. 13454

(2) To facilitate broader access to public records, a 13455  
public office or the person responsible for public records shall 13456  
organize and maintain public records in a manner that they can 13457  
be made available for inspection or copying in accordance with 13458  
division (B) of this section. A public office also shall have 13459  
available a copy of its current records retention schedule at a 13460  
location readily available to the public. If a requester makes 13461  
an ambiguous or overly broad request or has difficulty in making 13462  
a request for copies or inspection of public records under this 13463  
section such that the public office or the person responsible 13464  
for the requested public record cannot reasonably identify what 13465  
public records are being requested, the public office or the 13466  
person responsible for the requested public record may deny the 13467  
request but shall provide the requester with an opportunity to 13468  
revise the request by informing the requester of the manner in 13469  
which records are maintained by the public office and accessed 13470  
in the ordinary course of the public office's or person's 13471  
duties. 13472

(3) If a request is ultimately denied, in part or in 13473  
whole, the public office or the person responsible for the 13474  
requested public record shall provide the requester with an 13475  
explanation, including legal authority, setting forth why the 13476  
request was denied. If the initial request was provided in 13477  
writing, the explanation also shall be provided to the requester 13478  
in writing. The explanation shall not preclude the public office 13479  
or the person responsible for the requested public record from 13480  
relying upon additional reasons or legal authority in defending 13481  
an action commenced under division (C) of this section. 13482

(4) Unless specifically required or authorized by state or federal law or in accordance with division (B) of this section, no public office or person responsible for public records may limit or condition the availability of public records by requiring disclosure of the requester's identity or the intended use of the requested public record. Any requirement that the requester disclose the requester's identity or the intended use of the requested public record constitutes a denial of the request.

(5) A public office or person responsible for public records may ask a requester to make the request in writing, may ask for the requester's identity, and may inquire about the intended use of the information requested, but may do so only after disclosing to the requester that a written request is not mandatory, that the requester may decline to reveal the requester's identity or the intended use, and when a written request or disclosure of the identity or intended use would benefit the requester by enhancing the ability of the public office or person responsible for public records to identify, locate, or deliver the public records sought by the requester.

(6) If any person requests a copy of a public record in accordance with division (B) of this section, the public office or person responsible for the public record may require the requester to pay in advance the cost involved in providing the copy of the public record in accordance with the choice made by the requester under this division. The public office or the person responsible for the public record shall permit the requester to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or person responsible

for the public record determines that it reasonably can be 13514  
duplicated as an integral part of the normal operations of the 13515  
public office or person responsible for the public record. When 13516  
the requester makes a choice under this division, the public 13517  
office or person responsible for the public record shall provide 13518  
a copy of it in accordance with the choice made by the 13519  
requester. Nothing in this section requires a public office or 13520  
person responsible for the public record to allow the requester 13521  
of a copy of the public record to make the copies of the public 13522  
record. 13523

(7) (a) Upon a request made in accordance with division (B) 13524  
of this section and subject to division (B) (6) of this section, 13525  
a public office or person responsible for public records shall 13526  
transmit a copy of a public record to any person by United 13527  
States mail or by any other means of delivery or transmission 13528  
within a reasonable period of time after receiving the request 13529  
for the copy. The public office or person responsible for the 13530  
public record may require the person making the request to pay 13531  
in advance the cost of postage if the copy is transmitted by 13532  
United States mail or the cost of delivery if the copy is 13533  
transmitted other than by United States mail, and to pay in 13534  
advance the costs incurred for other supplies used in the 13535  
mailing, delivery, or transmission. 13536

(b) Any public office may adopt a policy and procedures 13537  
that it will follow in transmitting, within a reasonable period 13538  
of time after receiving a request, copies of public records by 13539  
United States mail or by any other means of delivery or 13540  
transmission pursuant to division (B) (7) of this section. A 13541  
public office that adopts a policy and procedures under division 13542  
(B) (7) of this section shall comply with them in performing its 13543  
duties under that division. 13544

(c) In any policy and procedures adopted under division 13545  
(B) (7) of this section: 13546

(i) A public office may limit the number of records 13547  
requested by a person that the office will physically deliver by 13548  
United States mail or by another delivery service to ten per 13549  
month, unless the person certifies to the office in writing that 13550  
the person does not intend to use or forward the requested 13551  
records, or the information contained in them, for commercial 13552  
purposes; 13553

(ii) A public office that chooses to provide some or all 13554  
of its public records on a web site that is fully accessible to 13555  
and searchable by members of the public at all times, other than 13556  
during acts of God outside the public office's control or 13557  
maintenance, and that charges no fee to search, access, 13558  
download, or otherwise receive records provided on the web site, 13559  
may limit to ten per month the number of records requested by a 13560  
person that the office will deliver in a digital format, unless 13561  
the requested records are not provided on the web site and 13562  
unless the person certifies to the office in writing that the 13563  
person does not intend to use or forward the requested records, 13564  
or the information contained in them, for commercial purposes. 13565

(iii) For purposes of division (B) (7) of this section, 13566  
"commercial" shall be narrowly construed and does not include 13567  
reporting or gathering news, reporting or gathering information 13568  
to assist citizen oversight or understanding of the operation or 13569  
activities of government, or nonprofit educational research. 13570

(8) A public office or person responsible for public 13571  
records is not required to permit a person who is incarcerated 13572  
pursuant to a criminal conviction or a juvenile adjudication to 13573  
inspect or to obtain a copy of any public record concerning a 13574

criminal investigation or prosecution or concerning what would 13575  
be a criminal investigation or prosecution if the subject of the 13576  
investigation or prosecution were an adult, unless the request 13577  
to inspect or to obtain a copy of the record is for the purpose 13578  
of acquiring information that is subject to release as a public 13579  
record under this section and the judge who imposed the sentence 13580  
or made the adjudication with respect to the person, or the 13581  
judge's successor in office, finds that the information sought 13582  
in the public record is necessary to support what appears to be 13583  
a justiciable claim of the person. As used in this division, 13584  
"public record concerning a criminal investigation or 13585  
prosecution or concerning what would be a criminal investigation 13586  
or prosecution if the subject of the investigation were an 13587  
adult" includes, but is not limited to, personnel files and 13588  
payroll and attendance records of designated public service 13589  
workers. 13590

(9) (a) Upon written request made and signed by a 13591  
journalist, a public office, or person responsible for public 13592  
records, having custody of the records of the agency employing a 13593  
specified designated public service worker shall disclose to the 13594  
journalist the address of the actual personal residence of the 13595  
designated public service worker and, if the designated public 13596  
service worker's spouse, former spouse, or child is employed by 13597  
a public office, the name and address of the employer of the 13598  
designated public service worker's spouse, former spouse, or 13599  
child, and any past, current, and future work schedules of the 13600  
designated public service worker. The request shall include the 13601  
journalist's name and title and the name and address of the 13602  
journalist's employer and shall state that disclosure of the 13603  
information sought would be in the public interest. 13604

(b) Division (B) (9) (a) of this section also applies to 13605

journalist requests for: 13606

(i) Customer information maintained by a municipally owned 13607  
or operated public utility, other than social security numbers 13608  
and any private financial information such as credit reports, 13609  
payment methods, credit card numbers, and bank account 13610  
information; 13611

(ii) Information about minors involved in a school vehicle 13612  
accident as provided in division (A) (1) (gg) of this section, 13613  
other than personal information as defined in section 149.45 of 13614  
the Revised Code; 13615

(iii) A request form submitted to a public office under 13616  
section 149.45 of the Revised Code; 13617

(iv) An affidavit submitted under section 319.28 of the 13618  
Revised Code. 13619

(c) As used in division (B) (9) of this section, 13620  
"journalist" means a person engaged in, connected with, or 13621  
employed by any news medium, including a newspaper, magazine, 13622  
press association, news agency, or wire service, a radio or 13623  
television station, or a similar medium, for the purpose of 13624  
gathering, processing, transmitting, compiling, editing, or 13625  
disseminating information for the general public. 13626

(10) Upon a request made by a victim, victim's attorney, 13627  
or victim's representative, as that term is used in section 13628  
2930.02 of the Revised Code, a public office or person 13629  
responsible for public records shall transmit a copy of a 13630  
depiction of the victim as described in division (A) (1) (ii) of 13631  
this section to the victim, victim's attorney, or victim's 13632  
representative. 13633

(11) A state or local law enforcement agency or a 13634

prosecuting attorney's office shall not charge a fee for 13635  
preparing a video record for inspection, or producing a copy of 13636  
a video record, when the requester of the video record is a 13637  
victim, as defined in Ohio Constitution, Article I, Section 10a, 13638  
who reasonably asserts that the video recording relates to the 13639  
act or omission that caused the victim's harm or loss, or who is 13640  
the legal counsel or insurer of the victim. 13641

(C) (1) If a person allegedly is aggrieved by the failure 13642  
of a public office or the person responsible for public records 13643  
to promptly prepare a public record and to make it available to 13644  
the person for inspection in accordance with division (B) of 13645  
this section or by any other failure of a public office or the 13646  
person responsible for public records to comply with an 13647  
obligation in accordance with division (B) of this section, the 13648  
person allegedly aggrieved may serve pursuant to Rule 4 of the 13649  
Ohio Rules of Civil Procedure a complaint, on a form prescribed 13650  
by the clerk of the court of claims, to the public office or 13651  
person responsible for public records allegedly responsible for 13652  
the alleged failure. Upon receipt of the complaint of the person 13653  
allegedly aggrieved, the public office or person responsible for 13654  
public records has three business days to cure or otherwise 13655  
address the failure alleged in the complaint. The person 13656  
allegedly aggrieved shall not file a complaint with a court or 13657  
commence a mandamus action under this section within the three- 13658  
day period. Upon the expiration of the three-day period, the 13659  
person allegedly aggrieved may, subject to the requirements of 13660  
division (C) (2) of this section, do only one of the following, 13661  
and not both: 13662

(a) File a complaint with the clerk of the court of claims 13663  
or the clerk of the court of common pleas under section 2743.75 13664  
of the Revised Code; 13665

(b) Commence a mandamus action to obtain a judgment that 13666  
orders the public office or the person responsible for the 13667  
public record to comply with division (B) of this section, that 13668  
awards court costs and reasonable attorney's fees to the person 13669  
that instituted the mandamus action, and, if applicable, that 13670  
includes an order fixing statutory damages under division (C) (3) 13671  
of this section. The mandamus action may be commenced in the 13672  
court of common pleas of the county in which division (B) of 13673  
this section allegedly was not complied with, in the supreme 13674  
court pursuant to its original jurisdiction under Section 2 of 13675  
Article IV, Ohio Constitution, or in the court of appeals for 13676  
the appellate district in which division (B) of this section 13677  
allegedly was not complied with pursuant to its original 13678  
jurisdiction under Section 3 of Article IV, Ohio Constitution. 13679

(2) Upon filing a complaint or mandamus action with a 13680  
court under divisions (C) (1) (a) or (b) of this section, a person 13681  
allegedly aggrieved shall file with the court, in conjunction 13682  
with the person's complaint or petition, a written affirmation 13683  
stating that the person properly transmitted a complaint to the 13684  
public office or person responsible for public records, the 13685  
failure alleged in the complaint has not been cured or otherwise 13686  
resolved to the person's satisfaction, and that the complaint 13687  
was transmitted to the public office or person responsible for 13688  
public records at least three business days before the filing of 13689  
the suit. If the person fails to file an affirmation pursuant to 13690  
this division, the suit shall be dismissed. 13691

(3) If a requester transmits a written request by hand 13692  
delivery, electronic submission, or certified mail to inspect or 13693  
receive copies of any public record in a manner that fairly 13694  
describes the public record or class of public records to the 13695  
public office or person responsible for the requested public 13696

records, except as otherwise provided in this section, the 13697  
requester shall be entitled to recover the amount of statutory 13698  
damages set forth in this division if a court determines that 13699  
the public office or the person responsible for public records 13700  
failed to comply with an obligation in accordance with division 13701  
(B) of this section. Statutory damages are not available 13702  
pursuant to this section to a person committed to the custody of 13703  
the department of rehabilitation and correction or the United 13704  
States bureau of prisons, or a child committed to the department 13705  
of youth services as permitted in Chapter 2152. of the Revised 13706  
Code. 13707

The amount of statutory damages shall be fixed at one 13708  
hundred dollars for each business day during which the public 13709  
office or person responsible for the requested public records 13710  
failed to comply with an obligation in accordance with division 13711  
(B) of this section, beginning with the day on which the 13712  
requester files a mandamus action to recover statutory damages, 13713  
up to a maximum of one thousand dollars. The award of statutory 13714  
damages shall not be construed as a penalty, but as compensation 13715  
for injury arising from lost use of the requested information. 13716  
The existence of this injury shall be conclusively presumed. The 13717  
award of statutory damages shall be in addition to all other 13718  
remedies authorized by this section. 13719

The court may reduce an award of statutory damages or not 13720  
award statutory damages if the court determines both of the 13721  
following: 13722

(a) That, based on the ordinary application of statutory 13723  
law and case law as it existed at the time of the conduct or 13724  
threatened conduct of the public office or person responsible 13725  
for the requested public records that allegedly constitutes a 13726

failure to comply with an obligation in accordance with division 13727  
(B) of this section and that was the basis of the mandamus 13728  
action, a well-informed public office or person responsible for 13729  
the requested public records reasonably would believe that the 13730  
conduct or threatened conduct of the public office or person 13731  
responsible for the requested public records did not constitute 13732  
a failure to comply with an obligation in accordance with 13733  
division (B) of this section; 13734

(b) That a well-informed public office or person 13735  
responsible for the requested public records reasonably would 13736  
believe that the conduct or threatened conduct of the public 13737  
office or person responsible for the requested public records 13738  
would serve the public policy that underlies the authority that 13739  
is asserted as permitting that conduct or threatened conduct. 13740

(4) In a mandamus action filed under division (C)(1) of 13741  
this section, the following apply: 13742

(a) (i) If the court orders the public office or the person 13743  
responsible for the public record to comply with division (B) of 13744  
this section, the court shall determine and award to the relator 13745  
all court costs, which shall be construed as remedial and not 13746  
punitive. 13747

(ii) If the court makes a determination described in 13748  
division (C)(4)(b)(iii) of this section, the court shall 13749  
determine and award to the relator all court costs, which shall 13750  
be construed as remedial and not punitive. 13751

(b) If the court renders a judgment that orders the public 13752  
office or the person responsible for the public record to comply 13753  
with division (B) of this section or if the court determines any 13754  
of the following, the court may award reasonable attorney's fees 13755

to the relator, subject to division (C) (5) of this section: 13756

(i) The public office or the person responsible for the 13757  
public records failed to respond affirmatively or negatively to 13758  
the public records request in accordance with the time allowed 13759  
under division (B) of this section. 13760

(ii) The public office or the person responsible for the 13761  
public records promised to permit the relator to inspect or 13762  
receive copies of the public records requested within a 13763  
specified period of time but failed to fulfill that promise 13764  
within that specified period of time. 13765

(iii) The public office or the person responsible for the 13766  
public records acted in bad faith when the office or person 13767  
voluntarily made the public records available to the relator for 13768  
the first time after the relator commenced the mandamus action, 13769  
but before the court issued any order concluding whether or not 13770  
the public office or person was required to comply with division 13771  
(B) of this section. No discovery may be conducted on the issue 13772  
of the alleged bad faith of the public office or person 13773  
responsible for the public records. This division shall not be 13774  
construed as creating a presumption that the public office or 13775  
the person responsible for the public records acted in bad faith 13776  
when the office or person voluntarily made the public records 13777  
available to the relator for the first time after the relator 13778  
commenced the mandamus action, but before the court issued any 13779  
order described in this division. 13780

(c) The court shall not award attorney's fees to the 13781  
relator if the court determines both of the following: 13782

(i) That, based on the ordinary application of statutory 13783  
law and case law as it existed at the time of the conduct or 13784

threatened conduct of the public office or person responsible 13785  
for the requested public records that allegedly constitutes a 13786  
failure to comply with an obligation in accordance with division 13787  
(B) of this section and that was the basis of the mandamus 13788  
action, a well-informed public office or person responsible for 13789  
the requested public records reasonably would believe that the 13790  
conduct or threatened conduct of the public office or person 13791  
responsible for the requested public records did not constitute 13792  
a failure to comply with an obligation in accordance with 13793  
division (B) of this section; 13794

(ii) That a well-informed public office or person 13795  
responsible for the requested public records reasonably would 13796  
believe that the conduct or threatened conduct of the public 13797  
office or person responsible for the requested public records 13798  
would serve the public policy that underlies the authority that 13799  
is asserted as permitting that conduct or threatened conduct. 13800

(5) All of the following apply to any award of reasonable 13801  
attorney's fees awarded under division (C) (4) (b) of this 13802  
section: 13803

(a) The fees shall be construed as remedial and not 13804  
punitive. 13805

(b) The fees awarded shall not exceed the total of the 13806  
reasonable attorney's fees incurred before the public record was 13807  
made available to the relator and the fees described in division 13808  
(C) (5) (c) of this section. 13809

(c) Reasonable attorney's fees shall include reasonable 13810  
fees incurred to produce proof of the reasonableness and amount 13811  
of the fees and to otherwise litigate entitlement to the fees. 13812

(d) The court may reduce the amount of fees awarded if the 13813

court determines that, given the factual circumstances involved 13814  
with the specific public records request, an alternative means 13815  
should have been pursued to more effectively and efficiently 13816  
resolve the dispute that was subject to the mandamus action 13817  
filed under division (C)(1) of this section. 13818

(6) If the court does not issue a writ of mandamus under 13819  
division (C) of this section and the court determines at that 13820  
time that the bringing of the mandamus action was frivolous 13821  
conduct as defined in division (A) of section 2323.51 of the 13822  
Revised Code, the court may award to the public office all court 13823  
costs, expenses, and reasonable attorney's fees, as determined 13824  
by the court. 13825

(D) Chapter 1347. of the Revised Code does not limit the 13826  
provisions of this section. 13827

(E)(1) To ensure that all employees of public offices are 13828  
appropriately educated about a public office's obligations under 13829  
division (B) of this section, all elected officials or their 13830  
appropriate designees shall attend training approved by the 13831  
attorney general as provided in section 109.43 of the Revised 13832  
Code. A future official may satisfy the requirements of this 13833  
division by attending the training before taking office, 13834  
provided that the future official may not send a designee in the 13835  
future official's place. 13836

(2) All public offices shall adopt a public records policy 13837  
in compliance with this section for responding to public records 13838  
requests. In adopting a public records policy under this 13839  
division, a public office may obtain guidance from the model 13840  
public records policy developed and provided to the public 13841  
office by the attorney general under section 109.43 of the 13842  
Revised Code. Except as otherwise provided in this section, the 13843

policy may not limit the number of public records that the public office will make available to a single person, may not limit the number of public records that it will make available during a fixed period of time, and may not establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight hours.

The public office shall distribute the public records policy adopted by the public office under this division to the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office. The public office shall require that employee to acknowledge receipt of the copy of the public records policy. The public office shall create a poster that describes its public records policy and shall post the poster in a conspicuous place in the public office and in all locations where the public office has branch offices. The public office may post its public records policy on the internet web site of the public office if the public office maintains an internet web site. A public office that has established a manual or handbook of its general policies and procedures for all employees of the public office shall include the public records policy of the public office in the manual or handbook.

(F) (1) The bureau of motor vehicles may adopt rules pursuant to Chapter 119. of the Revised Code to reasonably limit the number of bulk commercial special extraction requests made by a person for the same records or for updated records during a calendar year. The rules may include provisions for charges to be made for bulk commercial special extraction requests for the actual cost of the bureau, plus special extraction costs, plus ten per cent. The bureau may charge for expenses for redacting

information, the release of which is prohibited by law. 13875

(2) As used in division (F)(1) of this section: 13876

(a) "Actual cost" means the cost of depleted supplies, 13877  
records storage media costs, actual mailing and alternative 13878  
delivery costs, or other transmitting costs, and any direct 13879  
equipment operating and maintenance costs, including actual 13880  
costs paid to private contractors for copying services. 13881

(b) "Bulk commercial special extraction request" means a 13882  
request for copies of a record for information in a format other 13883  
than the format already available, or information that cannot be 13884  
extracted without examination of all items in a records series, 13885  
class of records, or database by a person who intends to use or 13886  
forward the copies for surveys, marketing, solicitation, or 13887  
resale for commercial purposes. "Bulk commercial special 13888  
extraction request" does not include a request by a person who 13889  
gives assurance to the bureau that the person making the request 13890  
does not intend to use or forward the requested copies for 13891  
surveys, marketing, solicitation, or resale for commercial 13892  
purposes. 13893

(c) "Commercial" means profit-seeking production, buying, 13894  
or selling of any good, service, or other product. 13895

(d) "Special extraction costs" means the cost of the time 13896  
spent by the lowest paid employee competent to perform the task, 13897  
the actual amount paid to outside private contractors employed 13898  
by the bureau, or the actual cost incurred to create computer 13899  
programs to make the special extraction. "Special extraction 13900  
costs" include any charges paid to a public agency for computer 13901  
or records services. 13902

(3) For purposes of divisions (F)(1) and (2) of this 13903

section, "surveys, marketing, solicitation, or resale for 13904  
commercial purposes" shall be narrowly construed and does not 13905  
include reporting or gathering news, reporting or gathering 13906  
information to assist citizen oversight or understanding of the 13907  
operation or activities of government, or nonprofit educational 13908  
research. 13909

(G) A request by a defendant, counsel of a defendant, or 13910  
any agent of a defendant in a criminal action that public 13911  
records related to that action be made available under this 13912  
section shall be considered a demand for discovery pursuant to 13913  
the Criminal Rules, except to the extent that the Criminal Rules 13914  
plainly indicate a contrary intent. The defendant, counsel of 13915  
the defendant, or agent of the defendant making a request under 13916  
this division shall serve a copy of the request on the 13917  
prosecuting attorney, director of law, or other chief legal 13918  
officer responsible for prosecuting the action. 13919

(H) (1) Any portion of a body-worn camera or dashboard 13920  
camera recording described in divisions (A) (17) (b) to (h) of 13921  
this section may be released by consent of the subject of the 13922  
recording or a representative of that person, as specified in 13923  
those divisions, only if either of the following applies: 13924

(a) The recording will not be used in connection with any 13925  
probable or pending criminal proceedings; 13926

(b) The recording has been used in connection with a 13927  
criminal proceeding that was dismissed or for which a judgment 13928  
has been entered pursuant to Rule 32 of the Rules of Criminal 13929  
Procedure, and will not be used again in connection with any 13930  
probable or pending criminal proceedings. 13931

(2) If a public office denies a request to release a 13932

restricted portion of a body-worn camera or dashboard camera 13933  
recording, as defined in division (A)(17) of this section, any 13934  
person may file a mandamus action pursuant to this section or a 13935  
complaint with the clerk of the court of claims pursuant to 13936  
section 2743.75 of the Revised Code, requesting the court to 13937  
order the release of all or portions of the recording. If the 13938  
court considering the request determines that the filing 13939  
articulates by clear and convincing evidence that the public 13940  
interest in the recording substantially outweighs privacy 13941  
interests and other interests asserted to deny release, the 13942  
court shall order the public office to release the recording. 13943

**Sec. 153.01.** (A) Whenever any building or structure for 13944  
the use of the state or any institution supported in whole or in 13945  
part by the state or in or upon the public works of the state 13946  
that is administered by the Ohio facilities construction 13947  
commission or by any other state officer or state agency 13948  
authorized by law to administer a project, including an 13949  
educational institution listed in section 3345.50 of the Revised 13950  
Code, is to be erected or constructed, whenever additions, 13951  
alterations, or structural or other improvements are to be made, 13952  
or whenever heating, cooling, or ventilating plants or other 13953  
equipment is to be installed or material supplied therefor, the 13954  
estimated cost of which amounts to two hundred thousand dollars 13955  
or more, or the amount determined pursuant to section 153.53 of 13956  
the Revised Code or more, each officer, board, or other 13957  
authority upon which devolves the duty of constructing, 13958  
erecting, altering, or installing the same, referred to in 13959  
sections 153.01 to 153.60 of the Revised Code as the public 13960  
authority, shall cause to be made, by an architect or engineer 13961  
whose contract of employment shall be prepared and approved by 13962  
the attorney general, the following: 13963

(4) A full and accurate estimate of each item of expense and the aggregate cost of those items of expense;

(5) A life-cycle cost analysis;

(6) Further data as may be required by the Ohio facilities construction commission.

In preparing these plans, details, specifications, estimates, analyses, or other data, the public authority may require the architect or engineer to use a building information model system, as long as the system is based on a nationally recognized standard for building information models. As used in this division, "building information model" means a digital representation of physical and functional characteristics of a facility, and electronic files used to design and coordinate the project, whether it is a single model or multiple models used in the aggregate.

(B) (1) Division (A) of this section shall not be required with respect to a construction management contract entered into with a construction manager at risk as described in section 9.334 of the Revised Code, an integrated project delivery contract entered into with an integrated project contractor as

described in section 153.65 of the Revised Code, or a design- 13993  
build contract entered into with a design-build firm as 13994  
described in section 153.693 of the Revised Code. 13995

(2) Nothing in this chapter shall interfere with the power 13996  
of the director of transportation to prepare plans for, acquire 13997  
rights-of-way for, construct, or maintain roads, highways, or 13998  
bridges, or to let contracts for those purposes. 13999

other place as may be designated in such notice. 14017

**Sec. 153.08.** On the day and at the place named in the 14018  
notice provided for in section 153.06 of the Revised Code, the 14019  
owner referred to in section 153.01 of the Revised Code shall 14020

After investigation, which shall be completed within thirty 14039  
days, the contract shall be awarded by such owner to the lowest 14040  
responsive and responsible bidder in accordance with section 14041  
9.312 of the Revised Code. 14042

No contract shall be entered into until the industrial 14043  
commission has certified that the person so awarded the contract 14044  
has complied with sections 4123.01 to 4123.94 of the Revised 14045

Code and dated no earlier than one hundred eighty days prior to- 14060  
the date fixed for the opening of bids for a particular project. 14061~~

**Sec. 153.09.** If in the opinion of the owner referred to in 14062  
section 153.01 of the Revised Code, the award of a contract to 14063  
the lowest responsive and responsible bidder is not in the best 14064  
interests of the state, the owner may accept another bid so 14065  
opened or reject all bids, and advertise for other bids. Such 14066  
advertisement shall be for such time, in such form, and ~~in~~by 14067  
such ~~newspaper~~electronic media as the Ohio facilities 14068

153.11 of the Revised Code. 14072

**Sec. 153.12.** (A) With respect to award of any contract for 14073  
the construction, reconstruction, improvement, enlargement, 14074  
alteration, repair, painting, or decoration of a public 14075  
improvement made by the state, or any county, township, 14076  
municipal corporation, school district, or other political 14077  
subdivision, or any public board, commission, authority, 14078  
instrumentality, or special purpose district of or in the state 14079  
or a political subdivision or that is authorized by state law, 14080  
the award, and execution of the contract, shall be made within 14081  
sixty days after the date on which the bids are opened. The 14082  
failure to award and execute the contract within sixty days 14083

invalidates the entire bid proceedings and all bids submitted, 14084  
unless the time for awarding and executing the contract is 14085  
extended by mutual consent of the owner or its representatives 14086  
and the bidder whose bid the owner accepts and with respect to 14087  
whom the owner subsequently awards and executes a contract. The 14088  
public owners referred to in this section shall include, in the 14089  
plans and specifications for the project for which bids are 14090  
solicited, the estimate of cost. The bid for which the award is 14091  
to be made shall be opened at the time and place named in the 14092  
advertisement for bids, unless extended by the owner or its 14093  
representative or unless, within seventy-two hours prior to the 14094  
published time for the opening of bids, excluding Saturdays, 14095  
Sundays, and legal holidays, any modification of the plans or 14096  
specifications and estimates of cost for the project for which 14097  
bids are solicited is issued and mailed or otherwise furnished 14098  
to persons who have obtained plans or specifications for the 14099  
project, for which the time for opening of bids shall be 14100  
extended one week, with no further advertising of bids required. 14101  
The contractor, upon request, is entitled to a notice to proceed 14102  
with the work by the owner or its representative upon execution 14103  
of the contract. No contract to which this section applies shall 14104  
be entered into if the price of the contract, or, if the project 14105  
involves multiple contracts where the total price of all 14106  
contracts for the project, is in excess of ten per cent, in the 14107  
case of a contract made by the state or a public board, 14108  
commission, authority, or instrumentality of the state, or 14109  
twenty per cent, in the case of a contract made by a county, 14110  
township, municipal corporation, school district, special 14111  
purpose district, or other political subdivision or a public 14112  
board, commission, authority, or instrumentality of the 14113  
political subdivision, above the entire estimate thereof, nor 14114  
shall the entire cost of the construction, reconstruction, 14115

repair, painting, decorating, improvement, alteration, addition, 14116  
or installation, including changes and estimates of expenses for 14117  
architects or engineers, exceed in the aggregate the amount 14118  
authorized by law. 14119

The unit or lump sum price stated in the contract shall be 14120  
used in determining the amount to be paid and shall constitute 14121  
full and final compensation for all the work. 14122

Partial payment to the contractor for work performed under 14123  
the lump sum price shall be based on a schedule prepared by the 14124  
contractor and approved by the architect or engineer who shall 14125  
apportion the lump sum price to the major components entering 14126  
into or forming a part of the work under the lump sum price. 14127

Partial payments to the contractor for labor performed 14128  
under either a unit or lump sum price contract shall be made at 14129  
~~the a rate of ninety-two not less than ninety-six~~ per cent of 14130  
the estimates prepared by the contractor and approved by the 14131  
architect or engineer. ~~All labor performed after the job is-~~ 14132  
~~fifty per cent completed shall be paid for at the rate of one-~~ 14133  
~~hundred per cent of the estimates submitted by the contractor-~~ 14134  
~~and approved by the architect or engineer. No subcontract shall~~ 14135  
be paid at a rate lower than the rate being paid to the 14136  
contractor by the public authority. 14137

The amounts and time of payments of any public 14138  
improvements contract made by the state or any county, township, 14139  
municipal corporation, school district, or other political 14140  
subdivision, or any public board, commission, authority, 14141  
instrumentality, or special purpose district of or in the state 14142  
or a political subdivision or that is authorized by state law, 14143  
except as provided in section 5525.19 of the Revised Code, shall 14144  
be governed by this section and sections 153.13 and 153.14 of 14145

the Revised Code. If the time for awarding the contract is 14146  
extended by mutual consent, or if the owner or its 14147  
representative fails to issue a timely notice to proceed as 14148  
required by this section, the owner or its representative shall 14149  
issue a change order authorizing delay costs to the contractor, 14150  
which does not invalidate the contract. The amount of such a 14151  
change order to the owner shall be determined in accordance with 14152  
the provisions of the contract for change orders or force 14153  
accounts or, if no such provision is set forth in the contract, 14154  
the cost to the owner shall be the contractor's actual costs 14155  
including wages, labor costs other than wages, wage taxes, 14156  
materials, equipment costs and rentals, insurance, and 14157  
subcontracts attributable to the delay, plus a reasonable sum 14158  
for overhead. In the event of a dispute between the owner and 14159  
the contractor concerning such change order, procedures shall be 14160  
commenced under the applicable terms of the contract, or, if the 14161  
contract contains no provision for resolving the dispute, it 14162  
shall be resolved pursuant to the procedures for arbitration in 14163  
Chapter 2711. of the Revised Code, except as provided in 14164  
division (B) of this section. Nothing in this division shall be 14165  
construed as a limitation upon the authority of the director of 14166  
transportation granted in Chapter 5525. of the Revised Code. 14167

(B) If a dispute arises between the state and a contractor 14168  
concerning the terms of a public improvement contract let by the 14169  
state or concerning a breach of the contract, and after 14170  
administrative remedies provided for in such contract and any 14171  
alternative dispute resolution procedures provided in accordance 14172  
with guidelines established by the executive director of the 14173  
Ohio facilities construction commission are exhausted, the 14174  
contractor may bring an action to the court of claims in 14175  
accordance with Chapter 2743. of the Revised Code. The state or 14176

the contractor may request the chief justice of the supreme 14177  
court to appoint a referee or panel of referees in accordance 14178  
with division (C) (3) of section 2743.03 of the Revised Code. As 14179  
used in this division, "dispute" means a disagreement between 14180  
the state and the contractor concerning a public improvement 14181  
contract let by the state. 14182

**Sec. 153.13.** At the time named in the contract for payment 14183  
to the person with whom it is made, the owner referred to in 14184  
section 153.01 or 153.12 of the Revised Code shall approve a 14185  
full, accurate, and detailed estimate of the various kinds of 14186  
labor performed and material furnished under the contract, with 14187  
the amount due for each kind of labor and material and the 14188  
materials and amount due in the aggregate, which estimate shall 14189  
be based upon actual measurement of such labor and materials, 14190  
and shall give the amounts of the preceding estimate, and the 14191  
amount of labor performed and materials furnished since the last 14192  
estimate. ~~From the date the contract is fifty per cent complete,~~ 14193  
~~as evidenced by payments in the amount of at least fifty per-~~ 14194  
~~cent of the contract to the person with whom the owner has~~ 14195  
~~contracted, except in the case of contracts the total cost of~~ 14196  
~~which is less than fifteen thousand dollars, all funds retained~~ 14197  
~~pursuant to sections 153.12 and 153.14 of the Revised Code for~~ 14198  
~~the faithful performance of work shall be deposited in the~~ 14199  
~~escrow account designated in section 153.63 of the Revised Code.~~ 14200  
~~After the contract is fifty per cent complete, no further funds~~ 14201  
~~shall be retained.~~ When the major portion of the project is 14202  
substantially completed and occupied, or in use, or otherwise 14203  
accepted, and there exists no other reason to withhold 14204  
retainage, the retained percentages held in connection with such 14205  
portion shall be ~~released from escrow and~~ paid to the 14206  
contractor, withholding only that amount necessary to assure 14207

completion. ~~Funds in the escrow account not heretofore paid,~~ 14208  
~~with accumulated interest, shall be paid to the person with whom~~ 14209  
~~the owner has contracted thirty days from the date of completion~~ 14210  
~~or either acceptance or occupancy by the owner. Such payments~~ 14211  
~~shall be in accordance with division (A) (2) of section 153.63 of~~ 14212  
~~the Revised Code. Any retained funds and interest thereon~~ 14213  
~~accrued during the project shall be considered property of the~~ 14214  
~~contractor. Any retained funds and interest thereon accrued~~ 14215  
~~during the project shall be paid to the primary contractor not~~ 14216  
~~later than thirty days after the date of substantial completion~~ 14217  
~~of the work. Nothing in this section shall be construed as a~~ 14218  
~~limitation upon the authority of the director of transportation~~ 14219  
~~granted in Chapter 5525. of the Revised Code.~~ 14220

**Sec. 153.14.** For the construction of those projects, 14221  
improvements, and public buildings over which the Ohio 14222  
facilities construction commission has general supervision 14223  
pursuant to section 123.21 of the Revised Code, the estimates 14224  
referred to in section 153.13 of the Revised Code shall be filed 14225  
with the executive director by the owner referred to in section 14226  
153.01 or 153.12 of the Revised Code. Upon completion of a 14227  
project referred to in section 153.13 of the Revised Code or any 14228  
divisible part thereof, the maintenance and repair of such 14229  
project or divisible part shall be assumed by the owner referred 14230  
to in section 153.01 or 153.12 of the Revised Code. 14231

In addition to all other payments on account of work 14232  
performed, there shall be allowed by the owner referred to in 14233  
section 153.01 or 153.12 of the Revised Code and paid to the 14234  
contractor a sum at the rate of ninety-two per cent of the 14235  
invoice costs, not to exceed the bid price in a unit price 14236  
contract, of material delivered on the site of the work, or a 14237  
railroad station, siding, or other point in the vicinity of the 14238

work, or other approved storage site, provided such materials 14239  
have been inspected and found to meet the specifications. The 14240  
balance of such invoiced value shall be paid when such material 14241  
is incorporated into and becomes a part of such building, 14242  
construction, addition, improvement, alteration, or 14243  
installation. When an estimate is allowed on account of material 14244  
delivered on the site of the work or in the vicinity thereof or 14245  
under the possession and control of the contractor but not yet 14246  
incorporated therein, such material shall become the property of 14247  
the owner under the contract, but if such material is stolen, 14248  
destroyed, or damaged by casualty before being used, the 14249  
contractor shall be required to replace it at the contractor's 14250  
own expense. 14251

When the rate of work and amounts involved are so large 14252  
that it is considered advisable by the owner or contractor, 14253  
estimates and payments shall be made twice each month. 14254

Payment on approved estimates filed with the owner or its 14255  
representative shall be made within thirty days. Upon the 14256  
failure of the owner or its representative to make such payments 14257  
within thirty days, or upon an unauthorized withholding of 14258  
retainage, there shall be allowed to the contractor, in addition 14259  
to any other remedies allowed by law, interest on such moneys 14260  
not paid within thirty days. Interest on the unauthorized 14261  
withholding of retainage shall be in addition to any interest 14262  
earned ~~in the escrow account set forth as described~~ in section 14263  
153.13 of the Revised Code. The rate of such interest shall be 14264  
the average of the prime rate established at the commercial 14265  
banks in the city of over one hundred thousand population that 14266  
is nearest the construction project. Nothing in this section 14267  
shall be construed as a limitation upon the authority of the 14268  
director of transportation granted in Chapter 5525. of the 14269

Revised Code.	14270

subcontract awarded by a construction manager at risk, an 14310

(C) If the construction manager at risk or design-build 14318

to the public authority for the portion of the work prior to 14322  
accepting and opening any bids for the same work, except when 14323  
the public authority requests a guaranteed maximum price 14324  
proposal due at the time of selection. 14325

**Sec. 153.502.** (A) Each construction manager at risk, 14326

integrated project contractor, and design-build firm shall 14327  
establish criteria by which it will prequalify prospective 14328  
bidders on subcontracts awarded for work to be performed under 14329

authority involved in the project and shall be consistent with 14334  
the rules adopted by the Ohio facilities construction commission 14335

(B) For each subcontract to be awarded, the construction 14337  
manager at risk, integrated project contractor, or design-build 14338  
firm shall identify at least three prospective bidders that are 14339  
prequalified to bid on that subcontract, except that the 14340  
construction manager at risk, integrated project contractor, or 14341  
design-build firm shall identify fewer than three if the 14342  
construction manager at risk, integrated project contractor, or 14343  
design-build firm establishes to the satisfaction of the public 14344  
authority that fewer than three prequalified bidders are 14345  
available. The public authority shall verify that each 14346  
prospective bidder meets the prequalification criteria and, 14347  
subject to division (E) of this section, may eliminate any 14348  
bidder it determines is not qualified. 14349

(C) Once the prospective bidders are prequalified and 14350  
found acceptable by the public authority, the construction 14351  
manager at risk, integrated project contractor, or design-build 14352  
firm shall solicit proposals from each of those bidders. The 14353  
solicitation and selection of a subcontractor shall be conducted 14354  
under an open book pricing method. As used in this division, 14355  
"open book pricing method" has the same meaning as in section 14356  
9.33 of the Revised Code, in the case of a construction manager 14357

at risk, and the same meaning as in section 153.65 of the Revised Code, in the case of a design-build firm or an integrated project contractor.

(D) A construction manager at risk, integrated project contractor, or design-build firm shall not be required to award a subcontract to a low bidder.

(E) Except as provided in section 307.921 of the Revised Code, no public authority shall eliminate a bidder as unqualified on the basis that the bidder has not complied with an affirmative action program or a diversity, equity, and inclusion program. This division shall not be construed to affect any set-aside programs for minority business enterprises or EDGE business enterprises, as defined in sections 122.921 and 122.922 of the Revised Code, respectively.

**Sec. 153.503.** The Ohio facilities construction commission, pursuant to Chapter 119. of the Revised Code, shall adopt rules to do all of the following:

**Sec. 153.54.** (A) Except with respect to a contract described in section 9.334 or 153.693 of the Revised Code, each person bidding for a contract with the state or any political subdivision, district, institution, or other agency thereof, excluding therefrom the department of transportation, for any public improvement shall file with the bid, a bid guaranty in the form of ~~either~~ any of the following: 14393

(1) A bond in accordance with division (B) of this section for the full amount of the bid; 14400  
14401

(2) A certified check, cashier's check, or letter of credit pursuant to Chapter 1305. of the Revised Code, in accordance with division (C) of this section. Any such letter of credit is revocable only at the option of the beneficiary state, political subdivision, district, institution, or agency. The amount of the certified check, cashier's check, or letter of credit shall be equal to ten per cent of the bid; 14402

14407  
14408

(3) An electronic verification through an electronic verification and security system described in section 153.08 of the Revised Code, if the state or any political subdivision, district, institution, or other agency thereof accepts bids electronically pursuant to section 153.08 of the Revised Code. 14409  
14410  
14411  
14412  
14413

(B) A bid guaranty filed pursuant to division (A) (1) of this section shall be conditioned to: 14414  
14415

(1) Provide that, if the bid is accepted, the bidder, 14416  
after the awarding or the recommendation for the award of the 14417  
contract, whichever the contracting authority designates, will 14418  
enter into a proper contract in accordance with the bid, plans, 14419  
details, and specifications. If for any reason, other than as 14420  
authorized by section 9.31 of the Revised Code or division (G) 14421  
of this section, the bidder fails to enter into the contract, 14422  
and the contracting authority awards the contract to the next 14423  
lowest bidder, the bidder and the surety on the bidder's bond 14424  
are liable to the state, political subdivision, district, 14425  
institution, or agency for the difference between the bid and 14426  
that of the next lowest bidder, or for a penal sum not to exceed 14427  
ten per cent of the amount of the bond, whichever is less. If 14428  
the state, political subdivision, district, institution, or 14429  
agency does not award the contract to the next lowest bidder but 14430  
resubmits the project for bidding, the bidder failing to enter 14431  
into the contract and the surety on the bidder's bond, except as 14432  
provided in division (G) of this section, are liable to the 14433  
state, political subdivision, district, institution, or agency 14434  
for a penal sum not to exceed ten per cent of the amount of the 14435  
bid or the costs in connection with the resubmission of printing 14436  
new contract documents, required advertising, and printing and 14437  
mailing notices to prospective bidders, whichever is less. 14438

(2) Indemnify the state, political subdivision, district, 14439  
institution, or agency against all damage suffered by failure to 14440  
perform the contract according to its provisions and in 14441  
accordance with the plans, details, and specifications therefor 14442  
and to pay all lawful claims of subcontractors, material 14443  
suppliers, and laborers for labor performed or material 14444  
furnished in carrying forward, performing, or completing the 14445  
contract; and agree and assent that this undertaking is for the 14446

benefit of any subcontractor, material supplier, or laborer 14447  
having a just claim, as well as for the state, political 14448  
subdivision, district, institution, or agency. 14449

(C) (1) A bid guaranty filed pursuant to division (A) (2) of 14450  
this section shall be conditioned to provide that if the bid is 14451  
accepted, the bidder, after the awarding or the recommendation 14452  
for the award of the contract, whichever the contracting 14453  
authority designates, will enter into a proper contract in 14454  
accordance with the bid, plans, details, specifications, and 14455  
bills of material. If for any reason, other than as authorized 14456  
by section 9.31 of the Revised Code or division (G) of this 14457  
section, the bidder fails to enter into the contract, and the 14458  
contracting authority awards the contract to the next lowest 14459  
bidder, the bidder is liable to the state, political 14460  
subdivision, district, institution, or agency for the difference 14461  
between the bidder's bid and that of the next lowest bidder, or 14462  
for a penal sum not to exceed ten per cent of the amount of the 14463  
bid, whichever is less. If the state, political subdivision, 14464  
district, institution, or agency does not award the contract to 14465  
the next lowest bidder but resubmits the project for bidding, 14466  
the bidder failing to enter into the contract, except as 14467  
provided in division (G) of this section, is liable to the 14468  
state, political subdivision, district, institution, or agency 14469  
for a penal sum not to exceed ten per cent of the amount of the 14470  
bid or the costs in connection with the resubmission, of 14471  
printing new contract documents, required advertising, and 14472  
printing and mailing notices to prospective bidders, whichever 14473  
is less. 14474

If the bidder enters into the contract, the bidder, at the 14475  
time the contract is entered to, shall file a bond for the 14476  
amount of the contract to indemnify the state, political 14477

subdivision, district, institution, or agency against all damage 14478  
suffered by failure to perform the contract according to its 14479  
provisions and in accordance with the plans, details, and 14480  
specifications and to pay all lawful claims of subcontractors, 14481  
material suppliers, and laborers for labor performed or material 14482  
furnished in carrying forward, performing, or completing the 14483  
contract; and agree and assent that this undertaking is for the 14484  
benefit of any subcontractor, material supplier, or laborer 14485  
having a just claim, as well as for the state, political 14486  
subdivision, district, institution, or agency. 14487

(2) A construction manager who enters into a contract 14488  
pursuant to sections 9.33 to 9.333 of the Revised Code, if 14489  
required by the public authority at the time the construction 14490  
manager enters into the contract, shall file a letter of credit 14491  
pursuant to Chapter 1305. of the Revised Code, bond, certified 14492  
check, or cashier's check, for the value of the construction 14493  
management contract to indemnify the state, political 14494  
subdivision, district, institution, or agency against all damage 14495  
suffered by the construction manager's failure to perform the 14496  
contract according to its provisions, and shall agree and assent 14497  
that this undertaking is for the benefit of the state, political 14498  
subdivision, district, institution, or agency. A letter of 14499  
credit provided by the construction manager is revocable only at 14500  
the option of the beneficiary state, political subdivision, 14501  
district, institution, or agency. 14502

(D) Where the state, political subdivision, district, 14503  
institution, or agency accepts a bid but the bidder fails or 14504  
refuses to enter into a proper contract in accordance with the 14505  
bid, plans, details, and specifications within ten days after 14506  
the awarding of the contract, the bidder and the surety on any 14507  
bond, except as provided in division (G) of this section, are 14508

liable for the amount of the difference between the bidder's bid 14509  
and that of the next lowest bidder, but not in excess of the 14510  
liability specified in division (B) (1) or (C) of this section. 14511  
Where the state, political subdivision, district, institution, 14512  
or agency then awards the bid to such next lowest bidder and 14513  
such next lowest bidder also fails or refuses to enter into a 14514  
proper contract in accordance with the bid, plans, details, and 14515  
specifications within ten days after the awarding of the 14516  
contract, the liability of such next lowest bidder, except as 14517  
provided in division (G) of this section, is the amount of the 14518  
difference between the bids of such next lowest bidder and the 14519  
third lowest bidder, but not in excess of the liability 14520  
specified in division (B) (1) or (C) of this section. Liability 14521  
on account of an award to any lowest bidder beyond the third 14522  
lowest bidder shall be determined in like manner. 14523

(E) Notwithstanding division (C) of this section, where 14524  
the state, political subdivision, district, institution, or 14525  
agency resubmits the project for bidding, each bidder whose bid 14526  
was accepted but who failed or refused to enter into a proper 14527  
contract, except as provided in division (G) of this section, is 14528  
liable for an equal share of a penal sum in connection with the 14529  
resubmission, of printing new contract documents, required 14530  
advertising, and printing and mailing notices to prospective 14531  
bidders, but no bidder's liability shall exceed the amount of 14532  
the bidder's bid guaranty. 14533

(F) All bid guaranties filed pursuant to this section 14534  
shall be payable to the state, political subdivision, district, 14535  
institution, or agency, be for the benefit of the state, 14536  
political subdivision, district, institution, or agency or any 14537  
person having a right of action thereon, and be deposited with, 14538  
and held by, the board, officer, or agent contracting on behalf 14539

of the state, political subdivision, district, institution, or 14540  
agency. All bonds filed pursuant to this section shall be issued 14541  
by a surety company authorized to do business in this state as 14542  
surety approved by the board, officer, or agent awarding the 14543  
contract on behalf of the state, political subdivision, 14544  
district, institution, or agency. 14545

(G) A bidder for a contract with the state or any 14546  
political subdivision, district, institution, or other agency 14547  
thereof, excluding therefrom the Ohio department of 14548  
transportation, for a public improvement costing less than one- 14549  
half million dollars may withdraw the bid from consideration if 14550  
the bidder's bid for some other contract with the state or any 14551  
political subdivision, district, institution, or other agency 14552  
thereof, excluding therefrom the department of transportation, 14553  
for the public improvement costing less than one-half million 14554  
dollars has already been accepted, if the bidder certifies in 14555  
good faith that the total amount of all the bidder's current 14556  
contracts is less than one-half million dollars, and if the 14557  
surety certifies in good faith that the bidder is unable to 14558  
perform the subsequent contract because to do so would exceed 14559  
the bidder's bonding capacity. If a bid is withdrawn under 14560  
authority of this division, the contracting authority may award 14561  
the contract to the next lowest bidder or reject all bids and 14562  
resubmit the project for bidding, and neither the bidder nor the 14563  
surety on the bidder's bond are liable for the difference 14564  
between the bidder's bid and that of the next lowest bidder, for 14565  
a penal sum, or for the costs of printing new contract 14566  
documents, required advertising, and printing and mailing 14567  
notices to prospective bidders. 14568

(H) Bid guaranties filed pursuant to division (A) of this 14569  
section shall be returned to all unsuccessful bidders 14570

immediately after the contract is executed. The bid guaranty 14571  
filed pursuant to division (A) (2) of this section shall be 14572  
returned to the successful bidder upon filing of the bond 14573  
required in division (C) of this section. 14574

(I) For the purposes of this section and sections 153.56, 14575  
153.57, and 153.571 of the Revised Code, "public improvement," 14576  
"subcontractor," "material supplier," "laborer," and "materials" 14577  
have the same meanings as in section 1311.25 of the Revised 14578  
Code. 14579

**Sec. 153.59.** Every contract for or on behalf of the state, 14580  
or any township, county, or municipal corporation of the state, 14581  
for the construction, alteration, or repair of any public 14582  
building or public work in the state shall contain provisions by 14583  
which the contractor agrees to both of the following: 14584

(A) That, in the hiring of employees for the performance 14585  
of work under the contract or any subcontract, no contractor, 14586  
subcontractor, or any person acting on a contractor's or 14587  
subcontractor's behalf, by reason of race, creed, sex, 14588  
disability or military status as defined in section 4112.01 of 14589  
the Revised Code, or color, shall discriminate against any 14590  
citizen of the state in the employment of labor or workers who 14591  
is qualified and available to perform the work to which the 14592  
employment relates; 14593

(B) That no contractor, subcontractor, or any person on a 14594  
contractor's or subcontractor's behalf, in any manner, shall 14595

performance of work under the contract on account of race, 14597  
creed, sex, disability or military status as defined in section 14598  
4112.01 of the Revised Code, or color. 14599

~~The department of development shall ensure that no capital moneys appropriated by the general assembly for any purpose shall be expended unless the project for which those moneys are appropriated provides for an affirmative action program for the employment and effective utilization of disadvantaged persons whose disadvantage may arise from cultural, racial, or ethnic background, or other similar cause, including, but not limited to, race, religion, sex, disability or military status as defined in section 4112.01 of the Revised Code, national origin, or ancestry.~~

In awarding contracts for capital improvement projects, the department shall ensure that equal consideration be given to contractors, subcontractors, or joint venturers who qualify as a minority business enterprise. applicable, with one or more banks or building and loan 14631  
associations in the state selected by mutual agreement between 14632  
the contractor and the public owner. The agreement shall contain 14633  
the following provisions: 14634

(1) The money shall be deposited in a savings account or 14635  
the escrow agent shall promptly invest all of the escrowed 14636  
principal in obligations selected by the escrow agent, as 14637  
stipulated in the agreement. 14638

(2) The escrow agent shall hold the escrowed principal and 14639  
income until receipt of notice from the public owner and the 14640  
contractor, or until receipt of an arbitration order or an order 14641  
of the court of claims specifying the amount of the escrowed 14642  
principal to be released and the person to whom it is to be 14643  
released. Upon receipt of the notice or order, the agent shall 14644

Sections 9.98 to 9.983 of the Revised Code are applicable to 16131  
obligations issued under this section, subject to any applicable 16132  
limitation under section 166.11 of the Revised Code. The purpose 16133  
of such obligations may be stated in the bond proceedings in 16134  
terms describing the general purpose or purposes to be served. 16135  
The bond proceedings also shall provide, subject to the 16136

fund or funds to the payment of bond service charges, which 16140  
pledges may be made either prior or subordinate to other 16141

obligations on a parity with obligations theretofore or 16143  
thereafter issued, if and to the extent provided in the bond 16144

the state or any governmental agency of the state, irrespective 16150  
of whether such parties have notice thereof, and shall create a 16151  
perfected security interest for all purposes of Chapter 1309. of 16152

delivery of funds or for the filing or recording of the bond 16154  
proceedings by which such pledge is created or any certificate, 16155  
statement or other document with respect thereto; and the pledge 16156  
of such pledged receipts and special funds is effective and the 16157  
money therefrom and thereof may be applied to the purposes for 16158  
which pledged without necessity for any act of appropriation. 16159  
Every pledge, and every covenant and agreement made with respect 16160  
thereto, made in the bond proceedings may therein be extended to 16161  
the benefit of the owners and holders of obligations authorized 16162  
by this section, and to any trustee therefor, for the further 16163  
security of the payment of the bond service charges. 16164

(E) The bond proceedings may contain additional provisions 16165  
as to: 16166

(1) The redemption of obligations prior to maturity at the 16167  
option of the issuing authority at such price or prices and 16168  
under such terms and conditions as are provided in the bond 16169  
proceedings; 16170

(2) Other terms of the obligations; 16171

(3) Limitations on the issuance of additional obligations; 16172

(4) The terms of any trust agreement or indenture securing 16173  
the obligations or under which the same may be issued; 16174

(5) The deposit, investment and application of special 16175  
funds, and the safeguarding of moneys on hand or on deposit, 16176  
without regard to Chapter 131. or 135. of the Revised Code, but 16177

subject to any special provisions of this chapter, with respect 16178  
to particular funds or moneys, provided that any bank or trust 16179  
company which acts as depository of any moneys in the special 16180  
funds may furnish such indemnifying bonds or may pledge such 16181  
securities as required by the issuing authority; 16182

(6) Any or every provision of the bond proceedings being 16183  
binding upon such officer, board, commission, authority, agency, 16184  
department, or other person or body as may from time to time 16185  
have the authority under law to take such actions as may be 16186  
necessary to perform all or any part of the duty required by 16187  
such provision; 16188

(7) Any provision that may be made in a trust agreement or 16189  
indenture; 16190

(8) Any other or additional agreements with the holders of 16191  
the obligations, or the trustee therefor, relating to the 16192  
obligations or the security therefor, including the assignment 16193  
of mortgages or other security obtained or to be obtained for 16194  
loans under section 122.43, 166.07, or 166.16 of the Revised 16195  
Code. 16196

(F) The obligations may have the great seal of the state 16197  
or a facsimile thereof affixed thereto or printed thereon. The 16198  
obligations and any coupons pertaining to obligations shall be 16199  
signed or bear the facsimile signature of the issuing authority. 16200  
Any obligations or coupons may be executed by the person who, on 16201  
the date of execution, is the proper issuing authority although 16202  
on the date of such bonds or coupons such person was not the 16203  
issuing authority. If the issuing authority whose signature or a 16204  
facsimile of whose signature appears on any such obligation or 16205  
coupon ceases to be the issuing authority before delivery 16206  
thereof, such signature or facsimile is nevertheless valid and 16207

sufficient for all purposes as if the former issuing authority 16208  
had remained the issuing authority until such delivery; and if 16209  
the seal to be affixed to obligations has been changed after a 16210  
facsimile of the seal has been imprinted on such obligations, 16211  
such facsimile seal shall continue to be sufficient as to such 16212  
obligations and obligations issued in substitution or exchange 16213  
therefor. 16214

(G) All obligations are negotiable instruments and 16215  
securities under Chapter 1308. of the Revised Code, subject to 16216  
the provisions of the bond proceedings as to registration. The 16217  
obligations may be issued in coupon or in registered form, or 16218  
both, as the issuing authority determines. Provision may be made 16219  
for the registration of any obligations with coupons attached 16220  
thereto as to principal alone or as to both principal and 16221  
interest, their exchange for obligations so registered, and for 16222  
the conversion or reconversion into obligations with coupons 16223  
attached thereto of any obligations registered as to both 16224  
principal and interest, and for reasonable charges for such 16225  
registration, exchange, conversion, and reconversion. 16226

(H) Obligations may be sold at public sale or at private 16227  
sale, as determined in the bond proceedings. 16228

Obligations issued to provide moneys for the loan 16229  
guarantee fund or the innovation Ohio loan guarantee fund may, 16230  
as determined by the issuing authority, be sold at private sale, 16231  
and without publication of a notice of sale. 16232

(I) Pending preparation of definitive obligations, the 16233  
issuing authority may issue interim receipts or certificates 16234  
which shall be exchanged for such definitive obligations. 16235

(J) In the discretion of the issuing authority, 16236

obligations may be secured additionally by a trust agreement or 16237  
indenture between the issuing authority and a corporate trustee 16238  
which may be any trust company or bank having a place of 16239  
business within the state. Any such agreement or indenture may 16240  
contain the resolution or order authorizing the issuance of the 16241  
obligations, any provisions that may be contained in any bond 16242  
proceedings, and other provisions which are customary or 16243  
appropriate in an agreement or indenture of such type, 16244  
including, but not limited to: 16245

(1) Maintenance of each pledge, trust agreement, 16246  
indenture, or other instrument comprising part of the bond 16247  
proceedings until the state has fully paid the bond service 16248  
charges on the obligations secured thereby, or provision 16249  
therefor has been made; 16250

(2) In the event of default in any payments required to be 16251  
made by the bond proceedings, or any other agreement of the 16252  
issuing authority made as a part of the contract under which the 16253  
obligations were issued, enforcement of such payments or 16254  
agreement by mandamus, the appointment of a receiver, suit in 16255  
equity, action at law, or any combination of the foregoing; 16256

(3) The rights and remedies of the holders of obligations 16257  
and of the trustee, and provisions for protecting and enforcing 16258  
them, including limitations on rights of individual holders of 16259  
obligations; 16260

(4) The replacement of any obligations that become 16261  
mutilated or are destroyed, lost, or stolen; 16262

(5) Such other provisions as the trustee and the issuing 16263  
authority agree upon, including limitations, conditions, or 16264  
qualifications relating to any of the foregoing. 16265

(K) Any holders of obligations or trustees under the bond proceedings, except to the extent that their rights are restricted by the bond proceedings, may by any suitable form of legal proceedings, protect and enforce any rights under the laws of this state or granted by such bond proceedings. Such rights include the right to compel the performance of all duties of the issuing authority, the director of development, the ~~Ohio~~office of air quality development~~authority~~, or the division of liquor control required by this chapter or the bond proceedings; to enjoin unlawful activities; and in the event of default with respect to the payment of any bond service charges on any obligations or in the performance of any covenant or agreement on the part of the issuing authority, the director of development, the ~~Ohio~~office of air quality development~~authority~~, or the division of liquor control in the bond proceedings, to apply to a court having jurisdiction of the cause to appoint a receiver to receive and administer the pledged receipts and special funds, other than those in the custody of the treasurer of state, which are pledged to the payment of the bond service charges on such obligations or which are the subject of the covenant or agreement, with full power to pay, and to provide for payment of bond service charges on, such obligations, and with such powers, subject to the direction of the court, as are accorded receivers in general equity cases, excluding any power to pledge additional revenues or receipts or other income or moneys of the issuing authority or the state or governmental agencies of the state to the payment of such principal and interest and excluding the power to take possession of, mortgage, or cause the sale or otherwise dispose of any project facilities.

Each duty of the issuing authority and the issuing

authority's officers and employees, and of each governmental 16297  
agency and its officers, members, or employees, undertaken 16298  
pursuant to the bond proceedings or any agreement or lease, 16299  
lease-purchase agreement, or loan made under authority of this 16300  
chapter, and in every agreement by or with the issuing 16301  
authority, is hereby established as a duty of the issuing 16302  
authority, and of each such officer, member, or employee having 16303  
authority to perform such duty, specifically enjoined by the law 16304  
resulting from an office, trust, or station within the meaning 16305  
of section 2731.01 of the Revised Code. 16306

The person who is at the time the issuing authority, or 16307  
the issuing authority's officers or employees, are not liable in 16308  
their personal capacities on any obligations issued by the 16309  
issuing authority or any agreements of or with the issuing 16310  
authority. 16311

(L) The issuing authority may authorize and issue 16312  
obligations for the refunding, including funding and retirement, 16313  
and advance refunding with or without payment or redemption 16314  
prior to maturity, of any obligations previously issued by the 16315  
issuing authority. Such obligations may be issued in amounts 16316  
sufficient for payment of the principal amount of the prior 16317  
obligations, any redemption premiums thereon, principal 16318  
maturities of any such obligations maturing prior to the 16319  
redemption of the remaining obligations on a parity therewith, 16320  
interest accrued or to accrue to the maturity dates or dates of 16321  
redemption of such obligations, and any allowable costs 16322  
including expenses incurred or to be incurred in connection with 16323  
such issuance and such refunding, funding, and retirement. 16324  
Subject to the bond proceedings therefor, the portion of 16325  
proceeds of the sale of obligations issued under this division 16326  
to be applied to bond service charges on the prior obligations 16327

shall be credited to an appropriate account held by the trustee 16328  
for such prior or new obligations or to the appropriate account 16329  
in the bond service fund for such obligations. Obligations 16330  
authorized under this division shall be deemed to be issued for 16331  
those purposes for which such prior obligations were issued and 16332  
are subject to the provisions of this section pertaining to 16333  
other obligations, except as otherwise provided in this section; 16334  
provided that, unless otherwise authorized by the general 16335  
assembly, any limitations imposed by the general assembly 16336

coupons pertaining thereto shall have a right to be paid solely 16345  
from the pledged receipts and special funds that may be pledged 16346  
to the payment of the bonds anticipated, or from the proceeds of 16347

prescribed under division (A) of section 166.11 of the Revised 16370

anticipation notes is deemed to be the bond service charges for 16372  
the bonds anticipated thereby as set forth in the bond 16373  
proceedings applicable to such notes, but this provision does 16374  
not modify any authority in this section to pledge receipts and 16375  
special funds to, and covenant to issue bonds to fund, the 16376

of not revoking or terminating the self-employed provider's 17392

However, the department or its designee is not required to 17395

a fee that does not exceed the amount the department or its 17437  
designee pays to the bureau. 17438

(G) The report of any criminal records check of a self- 17439  
employed provider conducted pursuant to a request made under 17440

services contract or grant to the self-employed provider; 17458

(b) A revocation or termination of the self-employed 17459  
provider's community-based long-term care services certificate 17460  
or community-based long-term care services contract or grant; 17461

(c) A civil or criminal action regarding a program the 17462

in the report is determined later to have been incomplete or 17482  
inaccurate. 17483

(2) If the department or its designee in good faith issued 17484

self-employed provider's certificate or contract or grant when 17528  
the self-employed provider is found by a database review to be 17529  
included in one or more of those databases; 17530

(d) Standards that a self-employed provider must meet for 17531  
the department or its designee to be permitted to issue or award 17532  
a community-based long-term care services certificate or 17533

ensures that a qualified project is creating additional housing 17981  
units that would not have otherwise been created with other 17982

state, federal, or private financing. The director may assess 17983  
application, processing, and reporting fees to cover the cost of 17984  
administering the tax credit authorized under this section. 17985

(C) The aggregate amount of credits reserved by the 17986  
director under division (B) of this section in a fiscal year 17987  
shall not exceed the sum of (1) one hundred million dollars, (2) 17988  
the amount, if any, by which the credit cap prescribed by this 17989  
division for the preceding fiscal year exceeds the credits 17990  
reserved by the director in that year, and (3) the amount of tax 17991  
credits recaptured or otherwise disallowed under division (G) of 17992  
this section in the preceding fiscal year. 17993

For the purpose of computing and determining compliance 17994  
with the credit cap prescribed by this division, the credit 17995  
amount reserved for the project owners of a qualified project is 17996  
the full amount for all years of the qualified project's credit 17997  
period. 17998

(D) Immediately after approving the final cost 17999  
certification for a qualified project for which a tax credit 18000  
under this section is reserved, or upon otherwise determining 18001  
the qualified basis of the qualified project and the date it was 18002  
placed into service as required by section 42(m) of the Internal 18003  
Revenue Code, the director shall compute the annual credit 18004  
amount and issue an eligibility certificate to each project 18005  
owner. The director shall send copies of all eligibility 18006  
certificates issued each calendar year to the tax commissioner 18007  
and the superintendent of insurance. 18008

The annual credit amount shall equal the lesser of the 18009  
following: 18010

(1) The amount of the federal credit that would be awarded 18011

to the project owners for the first year of the credit period if 18012  
not for the adjustment required under section 42(f)(2) of the 18013  
Internal Revenue Code; 18014

(2) One-tenth of the reserved credit amount stated in the 18015  
notice issued under division (B) of this section. 18016

(E) Each eligibility certificate shall state the annual 18017  
credit amount, the years that comprise the credit period, the 18018  
name, address, and taxpayer identification number of each 18019  
project owner, each owner's designated reporter, the date the 18020  
certificate is issued, a unique identifying number, and any 18021  
additional information prescribed by a rule adopted under 18022  
division (H) of this section. A project owner, if the project 18023  
owner is a pass-through entity, shall provide a copy of the 18024  
eligibility certificate and any information described in 18025  
division (I) of this section to each equity owner that has been 18026  
allocated a credit under division (F)(2) of this section, if 18027  
requested. 18028

(F)(1) For each year of a qualified project's credit 18029  
period, the project owner or an equity owner may claim a 18030  
nonrefundable credit against the tax imposed by section 5725.18, 18031  
5726.02, 5729.03, 5729.06, or 5747.02 of the Revised Code equal 18032  
to all or a portion of the annual credit amount stated on the 18033  
eligibility certificate. The credit shall be claimed in the 18034  
manner prescribed by section 5725.36, 5726.58, 5729.19, or 18035  
5747.83 of the Revised Code, as applicable. 18036

(2) If a project owner is a pass-through entity, the 18037  
annual credit amount for any year of a qualified project's 18038  
credit period may be allocated by the project owner among one or 18039  
more equity owners and may be applied by those equity owners 18040  
against more than one tax, but the total credits claimed in 18041

connection with that year of the qualified project's credit 18042  
period by all project owners and equity owners against all taxes 18043  
shall not exceed the annual credit amount stated on the 18044  
eligibility certificate. 18045

(3) A project owner or equity owner may claim the credit 18046  
authorized by this section after the date the qualified project 18047  
is placed into service but not before the director issues the 18048  
project owner an eligibility certificate under division (D) of 18049  
this section and the applicable report required by division (I) 18050  
of this section is filed by the designated reporter. 18051

(4) A project owner or equity owner that claims a tax 18052  
credit under division (F)(1) of this section shall submit a copy 18053  
of the eligibility certificate with the project owner's or 18054  
equity owner's tax return or report. Upon request of the tax 18055  
commissioner or the superintendent of insurance, any project 18056  
owner or equity owner claiming a tax credit under this section 18057  
shall provide the commissioner or superintendent other 18058  
documentation that may be necessary to verify that the project 18059  
owner or equity owner is entitled to claim the credit. 18060

(5) A project owner that is a pass-through entity may 18061  
allocate the credit authorized by this section to its equity 18062  
owners under division (F)(2) of this section in any manner 18063  
agreed to by such persons regardless of whether such equity 18064  
owners are eligible for an allocation of the federal credit, 18065  
whether the allocation of the credit under the terms of the 18066  
agreement has substantial economic effect within the meaning of 18067  
section 704(b) of the Internal Revenue Code, and whether any 18068  
such person is deemed a partner of the project owner or equity 18069  
owner for federal income tax purposes as long as the equity 18070  
owner acquired its ownership interest prior to claiming the 18071

credit. The allocation shall be allowed without regard to any 18072  
provision of the Internal Revenue Code, or regulation 18073  
promulgated pursuant to it, that may be interpreted as contrary 18074  
to the allocation, including, without limitation, the treatment 18075  
of the allocation as a disguised sale. 18076

An equity owner may assign all or any part of its interest 18077  
in a qualified project, including its interest in the tax 18078  
credits authorized by this section, to one or more other equity 18079  
owners, and each assignee shall be able to claim the credit so 18080  
long as its interest is acquired prior to the filing of its tax 18081  
return or report or amended tax return or report claiming the 18082  
credit and the assignee's ownership interest is identified in 18083  
the report required by division (I) of this section. 18084

(6) Nothing in this section or section 5725.36, 5726.58, 18085  
5729.19, or 5747.83 of the Revised Code allows the assignment or 18086  
transfer of any carryforward of the credit authorized under this 18087  
section once the annual credit amount is claimed. 18088

(G) If any portion of the federal credit allocated to a 18089  
qualified project is recaptured under section 42(j) of the 18090  
Internal Revenue Code or is otherwise disallowed, the director 18091  
shall recapture a proportionate amount of the tax credit claimed 18092  
pursuant to this section in connection with the same qualified 18093  
project. 18094

If the director determines to recapture such a tax credit, 18095  
the director shall certify the name of each project owner and 18096  
the amount to be recaptured to the tax commissioner and to the 18097  
superintendent of insurance. The commissioner or superintendent 18098  
shall determine the taxpayer or taxpayers that claimed the 18099  
credit, the tax against which the credit was claimed, and the 18100  
amount to be recaptured and make an assessment against the 18101

taxpayer or taxpayers under Chapter 5725., 5726., 5729., or 18102  
5747. of the Revised Code, as applicable, for the amount of the 18103  
tax credit to be recaptured. The time limitations on assessments 18104  
under those chapters do not bar an assessment made under this 18105  
division. 18106

(H) The director, in consultation with the tax 18107  
commissioner and superintendent of insurance, shall adopt any 18108  
rules necessary to implement this section in accordance with 18109  
Chapter 119. of the Revised Code. 18110

(I) (1) For each calendar year, a designated reporter shall 18111  
provide the tax commissioner ~~and the superintendent of~~ 18112  
~~insurance~~, in the form prescribed by the tax commissioner in 18113  
consultation with the superintendent of insurance, all of the 18114  
following: 18115

of each project owner and equity owner that has been allocated a 18117  
portion of the annual credit awarded on the eligibility 18118  
certificate for that year; 18119

(b) The amount of the annual credit allocated to each such 18120  
project owner and equity owner for such year and the tax against 18121  
which the credit will be claimed; 18122

(c) The total of the amounts listed for each project owner 18123  
and equity owner under division (I) (1) (b) of this section, 18124  
demonstrating that the total does not exceed the amount listed 18125  
on the eligibility certificate for that year. 18126

(2) A designated reporter shall notify the tax 18127  
commissioner ~~and the superintendent of insurance~~ of any changes 18128  
to the information reported in division (I) (1) of this section 18129  
in the time and manner prescribed by the commissioner ~~and~~ 18130

superintendent. 18131

(3) No credit allocated under this section may be claimed 18132  
by a project owner or equity owner for a year unless that owner 18133  
and the amount of the credit allocated to that owner appear on 18134  
the report required by division (I)(1) of this section for that 18135  
year. 18136

The tax commissioner shall provide a copy of the report, 18137  
and any subsequent changes to the report, submitted by the 18138  
designated reporter under division (I) of this section to the 18139  
superintendent of insurance in the time and manner agreed to by 18140  
the commissioner and superintendent. 18141

qualify for the credit. If the director determines to recapture  
such a tax credit, the director shall certify the name of the  
project development owner, and the amount to be recaptured to  
the tax commissioner and to the superintendent of insurance. The

the payment of any loss or damage that the county may sustain by 18445  
reason of the coroner's failure in those duties. The bond, along 18446  
with the oath of office and approval of the probate judge 18447

**Sec. 340.021.** (A) In an alcohol, drug addiction, and 19275  
mental health service district where the board of county 19276  
commissioners has established an alcohol and drug addiction 19277  
services board, the community mental health board established 19278  
under former section 340.02 of the Revised Code shall serve as 19279  
the entity responsible for providing mental health services in 19280  
the county. A community mental health board has all the powers, 19281  
duties, and obligations of a board of alcohol, drug addiction, 19282  
and mental health services with regard to mental health 19283  
services. An alcohol and drug addiction services board has all 19284  
the powers, duties, and obligations of a board of alcohol, drug 19285  
addiction, and mental health services with regard to addiction 19286  
services. Any provision of the Revised Code that refers to a 19287  
board of alcohol, drug addiction, and mental health services 19288  
with regard to mental health services also refers to a community 19289  
mental health board and any provision that refers to a board of 19290  
alcohol, drug addiction, and mental health services with regard 19291  
to alcohol and drug addiction services also refers to an alcohol 19292  
and drug addiction services board. 19293

An alcohol and drug addiction services board shall consist 19294  
of eighteen members or fourteen members, at the election of the 19295  
board. Not later than January 1, 2014, each alcohol and drug 19296  
addiction services board shall notify the department of ~~mental~~ 19297  
~~behavioral health and addiction services~~ of its election to 19298

member board. The election shall be final. Failure to provide 19300  
notice of its election to the department on or before January 1, 19301  
2014, shall constitute an election to continue to operate as an 19302

eighteen-member board. If an existing board provides timely 19303  
notice of its election to operate as a fourteen-member board, 19304  
the number of board members may decline from eighteen to 19305  
fourteen by attrition as current members' terms expire. However, 19306  
the composition of the board must reflect the requirements set 19307  
forth in this section and in applicable provisions of section 19308  
340.02 of the Revised Code for fourteen-member boards. For 19309  
boards operating as eighteen-member boards, six members shall be 19310  
appointed by the director of ~~mental-behavioral health and~~ 19311  
~~addiction services~~ and twelve members shall be appointed by the 19312  
board of county commissioners. The director of ~~mental-behavioral~~ 19313

member of the board is a person who has received or is receiving 19315  
services for alcohol, drug, or gambling addiction, at least one 19316  
member is a parent or relative of such a person, and at least 19317  
one member is a clinician with experience in the delivery of 19318  
addiction services. The membership of the board shall, as nearly 19319  
as possible, reflect the composition of the population of the 19320  
service district as to race and sex. Members shall be residents 19321  
of the service district and shall be interested in alcohol, 19322  
drug, or gambling addiction services. Requirements for 19323  
membership, including prohibitions against certain family and 19324  
business relationships, and terms of office shall be the same as 19325  
those for members of boards of alcohol, drug addiction, and 19326  
mental health services. 19327

A community mental health board shall consist of eighteen 19328  
members or fourteen members, at the election of the board. Not 19329  
later than January 1, 2014, each community mental health board 19330  
shall notify the department of ~~mental-behavioral health and~~ 19331  
~~addiction services~~ of its election to operate as an eighteen- 19332  
member board or to operate as a fourteen-member board. The 19333

election shall be final. Failure to provide notice of its 19334  
election to the department on or before January 1, 2014, shall 19335  
constitute an election to continue to operate as an eighteen- 19336  
member board. If an existing board provides timely notice of its 19337  
election to operate as a fourteen-member board, the number of 19338  
board members may decline from eighteen to fourteen by attrition 19339  
as current members' terms expire. However, the composition of 19340  
the board must reflect the requirements set forth in this 19341  
section and in applicable provisions of section 340.02 of the 19342  
Revised Code for fourteen-member boards. For boards operating as 19343  
eighteen-member boards, six members shall be appointed by the 19344  
director of mental behavioral health and addiction services and 19345  
twelve members shall be appointed by the board of county 19346  
commissioners. The director of mental behavioral health and 19347  
addiction services shall ensure that at least one member of the 19348  
board is a person who has received or is receiving mental health 19349  
services, at least one member is a parent or relative of such a 19350  
person, and at least one member is a clinician with experience 19351  
in the delivery of mental health services. The membership of the 19352  
board as nearly as possible shall reflect the composition of the 19353  
population of the service district as to race and sex. Members 19354  
shall be residents of the service district and shall be 19355  
interested in mental health services. Requirements for 19356  
membership, including prohibitions against certain family and 19357  
business relationships, and terms of office shall be the same as 19358  
those for members of boards of alcohol, drug addiction, and 19359  
mental health services. 19360

(B) (1) If a board of county commissioners subject to 19361  
division (A) of this section did not adopt a final resolution 19362  
providing for a board of alcohol, drug addiction, and mental 19363  
health services on or before July 1, 2007, the board of county 19364

commissioners may establish a board of alcohol, drug addiction, 19365  
and mental health services on or after September 23, 2008. To 19366  
establish the board, the board of county commissioners shall 19367  
adopt a resolution providing for the board's establishment. The 19368  
composition of the board, the procedures for appointing members, 19369  
and all other matters related to the board and its members are 19370  
subject to section 340.02 of the Revised Code, with the 19371  
following exceptions: 19372

(a) For initial appointments to the board, the county's 19373  
community mental health board and alcohol and drug addiction 19374  
services board shall jointly recommend members of those boards 19375  
for reappointment and shall submit the recommendations to the 19376  
board of county commissioners and the director of ~~mental-~~ 19377  
behavioral health-and-addiction services. 19378

(b) The appointing authorities shall appoint the initial 19379  
members from among the members jointly recommended under 19380  
division (B)(1)(a) of this section unless the appointment is 19381  
otherwise prohibited by law. 19382

(2) If a board of alcohol, drug addiction, and mental 19383  
health services is established pursuant to division (B)(1) of 19384  
this section, the board has the same rights, privileges, 19385  
immunities, powers, and duties that were possessed by the 19386  
county's community mental health board and alcohol and drug 19387  
addiction services board. When the board is established, all 19388  
property and obligations of the community mental health board 19389  
and alcohol and drug addiction services board shall be 19390  
transferred to the board of alcohol, drug addiction, and mental 19391  
health services. 19392

**Sec. 340.022.** Notwithstanding the procedures established 19393  
by section 340.02 of the Revised Code for determining the size 19394

of a board of alcohol, drug addiction, and mental health 19395  
services, the size of a board shall be determined in accordance 19396  
with this section in both of the following circumstances: 19397

(A) (1) If the director of ~~mental-behavioral health and~~ 19398

resolution specifying the selection that has been made and shall 19413  
notify the department of ~~mental-behavioral health and addiction~~ 19414  
~~services~~. After the resolution is adopted and the department is 19415

existing board of alcohol, drug addiction, and mental health 19434  
services serving that district may elect to expand its 19435  
membership to eighteen members if the existing board has 19436  
fourteen members. 19437

**Sec. 718.01.** Any term used in this chapter that is not 20417  
otherwise defined in this chapter has the same meaning as when 20418  
used in a comparable context in laws of the United States 20419  
relating to federal income taxation or in Title LVII of the 20420  
Revised Code, unless a different meaning is clearly required. 20421  
Except as provided in section 718.81 of the Revised Code, if a 20422  
term used in this chapter that is not otherwise defined in this 20423  
chapter is used in a comparable context in both the laws of the 20424  
United States relating to federal income tax and in Title LVII 20425  
of the Revised Code and the use is not consistent, then the use 20426  
of the term in the laws of the United States relating to federal 20427  
income tax shall control over the use of the term in Title LVII 20428  
of the Revised Code. 20429

Except as otherwise provided in section 718.81 of the 20430  
Revised Code, as used in this chapter: 20431

municipal corporation, Ohio adjusted gross income reduced by 20446

net profit of persons that are not wholly located within the 20452  
qualified municipal corporation, such individual or person shall 20453  
have no municipal taxable income for the purposes of the tax 20454

taxpayer who is an individual, the taxpayer may subtract, as 20467  
provided in division (A)(1)(b)(i) or (c) of this section, the 20468

federal income tax purposes. For a municipal corporation in 20475  
which the taxpayer is not a resident, the taxpayer may deduct 20476  
such expenses only to the extent the expenses are related to the 20477

subsequent year for use by that taxpayer. In no event shall the 20515  
cumulative deductions for all taxable years with respect to a 20516  
taxpayer's net operating loss exceed the original amount of that 20517  
net operating loss available to that taxpayer. 20518

(2) In the case of nonresidents, all income, salaries, 20519  
qualifying wages, commissions, and other compensation from 20520

information shall be indicated on the annual return. 21402

(5) Annually, on or before the thirty-first day of 21403

January, a video lottery sales agent shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted and withheld from the person's prize award by the video lottery sales agent during the preceding year. A video lottery sales agent shall provide to the tax administrator of the municipal corporation a copy of each information return issued under this division. The tax administrator may require that such copies be transmitted electronically.

(6) A video lottery sales agent who fails to file a return and remit the amounts deducted and withheld is personally liable for the amount deducted and withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(F) If a video lottery sales agent ceases to operate video lottery terminals, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor of the video lottery sales agent that purchases the video lottery terminals from the agent shall withhold an amount from the purchase money that is sufficient to cover the amounts deducted and withheld and any penalties and interest thereon until the predecessor video lottery sales agent operator produces either of the following:

(1) A receipt from the tax administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

(2) A certificate from the tax administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the 21434  
successor is personally liable for the payment of the amounts 21435  
deducted and withheld and penalties and interest thereon. 21436

(G) The failure of a video lottery sales agent to deduct 21437  
and withhold the required amount from a person's prize award 21438  
does not relieve that person from liability for the municipal 21439  
income tax with respect to that prize award. 21440

(H) If a casino operator, sports gaming proprietor, or 21441  
video lottery sales agent files a return late, fails to file a 21442  
return, remits amounts deducted and withheld late, or fails to 21443

This division applies only to the person for whom the amount is 21459

payer, or taxpayer consent in writing to the extension. Any 21474  
extension shall also extend for the same period of time the time 21475  
limit described in division (C) of this section. 21476

(2) As used in this section, "qualifying deferral period" 21477  
means a period of time beginning and ending as follows: 21478

(a) Beginning on the date a person who is aggrieved by an 21479

described in section 718.11 of the Revised Code. That date shall 21481  
not be affected by any subsequent decision, finding, or holding 21482  
by any administrative body or court that the local board of tax 21483  
review with which the aggrieved person filed the request did not 21484  
have jurisdiction to affirm, reverse, or modify the assessment 21485  
or any part of that assessment. 21486

(b) Ending the later of the sixtieth day after the date on 21487  
which the final determination of the local board of tax review 21488  
becomes final or, if any party appeals from the determination of 21489  
the local board of tax review, the sixtieth day after the date 21490  
on which the final determination of the local board of tax 21491

review is either ultimately affirmed in whole or in part or 21492  
ultimately reversed and no further appeal of either that 21493  
affirmation, in whole or in part, or that reversal is available 21494  
or taken. 21495

(B) Prosecutions for an offense made punishable under a 21496  
resolution or ordinance imposing an income tax shall be 21497  
commenced within three years after the commission of the 21498  
offense, provided that in the case of fraud, failure to file a 21499  
return, or the omission of twenty-five per cent or more of 21500  
income required to be reported, prosecutions may be commenced 21501  
within six years after the commission of the offense. 21502

(C) A claim for a refund of municipal income taxes shall 21503  
be brought within the time limitation provided in section 718.19 21504

by a taxpayer of any municipal income tax obligation from the 21507

ninety days after the final filing date of the annual return or 21510  
ninety days after the completed return is filed, whichever is 21511  
later, no interest shall be allowed on the refund. For the 21512  
purpose of computing the payment of interest on amounts 21513  
overpaid, no amount of tax for any taxable year shall be 21514  
considered to have been paid before the date on which the return 21515  
on which the tax is reported is due, without regard to any 21516  
extension of time for filing that return. Interest shall be paid 21517  
at the interest rate described in division (A) (5) of section 21518  
718.27 of the Revised Code. 21519

federal or state tax liability affecting the taxpayer's 21521

municipal tax liability, that taxpayer shall make and file an 21522  
amended municipal return showing income subject to the municipal 21523  
income tax based upon such final determination of federal or 21524  
state tax liability, and pay any additional municipal income tax 21525  
shown due thereon or make a claim for refund of any overpayment, 21526  
unless the tax or overpayment is less than ten dollars. 21527

(F) (1) Notwithstanding the fact that an appeal is pending, 21528  
the petitioner may pay all or a portion of the assessment that 21529  
is the subject of the appeal. The acceptance of a payment by the 21530  
municipal corporation does not prejudice any claim for refund 21531  
upon final determination of the appeal. 21532

(2) If upon final determination of the appeal an error in 21533  
the assessment is corrected by the tax administrator, upon an 21534  
appeal so filed or pursuant to a final determination of the 21535  
local board of tax review created under section 718.11 of the 21536  
Revised Code, of the Ohio board of tax appeals, or any court to 21537  
which the decision of the Ohio board of tax appeals has been 21538  
appealed, so that the amount due from the party assessed under 21539  
the corrected assessment is less than the amount paid, there 21540  
shall be issued to the appellant or to the appellant's assigns 21541  
or legal representative a refund in the amount of the 21542  
overpayment as provided by section 718.19 of the Revised Code, 21543  
with interest on that amount as provided by division (D) of this 21544

shall determine the amount of refund due and certify such amount 21571  
to the appropriate municipal corporation official for payment. 21572  
Except as provided in division (B) (3) of this section, the 21573  
administrator shall issue an assessment to any taxpayer whose 21574  
request for refund is fully or partially denied. The assessment 21575  
shall state the amount of the refund that was denied, the 21576  
reasons for the denial, and instructions for appealing the 21577  
assessment. 21578

(3) If a tax administrator denies in whole or in part a 21579  
refund request included within the taxpayer's originally filed 21580

annual income tax return, the tax administrator shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the denial, and instructions for requesting an assessment that may be appealed under section 718.11 of the Revised Code.

**Sec. 718.85.** (A) (1) For each taxable year, every taxpayer shall file an annual return. Such return, along with the amount of tax shown to be due on the return less the amount paid for the taxable year under section 718.88 of the Revised Code, shall

be submitted to the tax commissioner, on a form and in the 21610  
manner prescribed by the commissioner, on or before the 21611  
fifteenth day of the fourth month following the end of the 21612  
taxpayer's taxable year. 21613

(2) The remittance shall be made payable to the treasurer 21614  
of state and in the form prescribed by the tax commissioner. If 21615  
the amount payable with the tax return is ten dollars or less, 21616  
no remittance is required. 21617

(B) The tax commissioner shall immediately forward to the 21618  
treasurer of state all amounts the commissioner receives 21619  
pursuant to sections 718.80 to 718.95 of the Revised Code. The 21620  
treasurer shall credit such amounts to the municipal net profit 21621  
tax fund which is hereby created in the state treasury. 21622

(C) (1) Each return required to be filed under this section 21623  
shall contain the signature of the taxpayer or the taxpayer's 21624  
duly authorized agent and of the person who prepared the return 21625  
for the taxpayer, and shall include the taxpayer's 21626  
identification number. Each return shall be verified by a 21627  
declaration under penalty of perjury. 21628

(2) (a) The tax commissioner may require a taxpayer to 21629  
include, with each annual tax return, amended return, or request 21630  
for refund filed with the commissioner under sections 718.80 to 21631  
718.95 of the Revised Code, copies of any relevant documents or 21632  
other information. 21633

(b) A taxpayer that files an annual tax return 21634  
electronically through the Ohio business gateway or in another 21635  
manner as prescribed by the tax commissioner shall either submit 21636  
the documents required under this division electronically as 21637  
prescribed at the time of filing or, if electronic submission is 21638

not available, mail the documents to the tax commissioner. The 21639  
department of taxation shall publish a method of electronically 21640  
submitting the documents required under this division on or 21641  
before January 1, 2019. 21642

(3) After a taxpayer files a tax return, the tax 21643  
commissioner may request, and the taxpayer shall provide, any 21644  
information, statements, or documents required to determine and 21645  
verify the taxpayer's municipal income tax. 21646

(D) (1) (a) Any taxpayer that has duly requested an 21647  
automatic extension for filing the taxpayer's federal income tax 21648  
return shall automatically receive an extension for the filing 21649  
of a tax return with the commissioner under this section. The 21650  
extended due date of the return shall be the fifteenth day of 21651  
the eleventh month after the last day of the taxable year to 21652  
which the return relates. 21653

(b) A taxpayer that has not requested or received a six- 21654  
month extension for filing the taxpayer's federal income tax 21655  
return may request that the commissioner grant the taxpayer a 21656  
~~six-month~~ seven-month extension of the date for filing the 21657  
taxpayer's tax return. If the commissioner receives the request 21658  
on or before the date the tax return is due, the commissioner 21659  
shall grant the taxpayer's extension request. 21660

(c) An extension of time to file under division (D) (1) of 21661  
this section is not an extension of the time to pay any tax due 21662  
unless the tax commissioner grants an extension of that date. 21663

(2) If the commissioner considers it necessary in order to 21664  
ensure payment of a tax imposed in accordance with section 21665  
718.04 of the Revised Code, the commissioner may require 21666  
taxpayers to file returns and make payments otherwise than as 21667

provided in this section, including taxpayers not otherwise 21668  
required to file annual returns. 21669

(3) If a taxpayer receives an extension for the filing of 21670  
a tax return under division (D)(1) or (2) of this section, the 21671  
commissioner shall not make any inquiry or send any notice to 21672  
the taxpayer with regard to the return on or before the date the 21673  
taxpayer files the return or on or before the extended due date 21674  
to file the return, whichever occurs first. 21675

Division (D)(3) of this section does not apply to an 21676  
extension received under division (D)(1) of this section if the 21677  
commissioner has actual knowledge that the taxpayer failed to 21678  
file for a federal extension as required to receive the 21679  
extension under division (D)(1)(a) of this section or failed to 21680  
file for an extension under division (D)(1)(b) of this section. 21681

(E) Each return required to be filed in accordance with 21682  
this section shall include a box that the taxpayer may check to 21683  
authorize another person, including a tax return preparer who 21684  
prepared the return, to communicate with the tax commissioner 21685  
about matters pertaining to the return. The return or 21686  
instructions accompanying the return shall indicate that by 21687  
checking the box the taxpayer authorizes the commissioner to 21688  
contact the preparer or other person concerning questions that 21689  
arise during the examination or other review of the return and 21690  
authorizes the preparer or other person only to provide the 21691  
commissioner with information that is missing from the return, 21692  
to contact the commissioner for information about the 21693  
examination or other review of the return or the status of the 21694  
taxpayer's refund or payments, and to respond to notices about 21695  
mathematical errors, offsets, or return preparation that the 21696  
taxpayer has received from the commissioner and has shown to the 21697

preparer or other person. 21698

(F) When income tax returns or other documents require the 21699  
signature of a tax return preparer, the tax commissioner shall 21700  
accept a facsimile or electronic version of such a signature in 21701  
lieu of a manual signature. 21702

**Sec. 718.88.** (A) As used in this section: 21703

(1) "Combined tax liability" means the total amount of a 21704  
taxpayer's income tax liabilities to all municipal corporations 21705  
in this state for a taxable year. 21706

(2) "Estimated taxes" means the amount that the taxpayer 21707  
reasonably estimates to be the taxpayer's combined tax liability 21708  
for the current taxable year. 21709

(B) (1) Except as provided in division (B) (4) of this 21710  
section, every taxpayer shall make a declaration of estimated 21711  
taxes for the current taxable year, on the form prescribed by 21712  
the tax commissioner, if the amount payable as estimated taxes 21713  
is at least two hundred dollars. 21714

(2) Except as provided in division (B) (4) of this section, 21715  
a taxpayer having a taxable year of less than twelve months 21716  
shall make a declaration under rules prescribed by the 21717  
commissioner. 21718

(3) The declaration of estimated taxes shall be filed on 21719  
or before the fifteenth day of the fourth month after the 21720  
beginning of the taxable year or on or before the fifteenth day 21721  
of the fourth month after the taxpayer becomes subject to tax 21722  
for the first time. 21723

(4) The tax commissioner may waive the requirement for 21724  
filing a declaration of estimated taxes for any class of 21725

taxpayers after finding that the waiver is reasonable and proper 21726  
in view of administrative costs and other factors. 21727

(C) Each taxpayer shall file the declaration of estimated 21728  
taxes with, and remit estimated taxes to, the tax commissioner 21729  
at the times and in the amounts prescribed in division (C)(1) of 21730  
this section. Remitted taxes shall be made payable to the 21731  
treasurer of state. 21732

(1) The required portion of the combined tax liability for 21733  
the taxable year that shall be paid through estimated taxes 21734  
shall be as follows: 21735

(a) On or before the fifteenth day of the fourth month 21736  
after the beginning of the taxable year, twenty-two and one-half 21737  
per cent of the combined tax liability for the taxable year; 21738

(b) On or before the fifteenth day of the sixth month 21739  
after the beginning of the taxable year, forty-five per cent of 21740  
the combined tax liability for the taxable year; 21741

(c) On or before the fifteenth day of the ninth month 21742  
after the beginning of the taxable year, sixty-seven and one- 21743  
half per cent of the combined tax liability for the taxable 21744  
year; 21745

(d) On or before the fifteenth day of the twelfth month of 21746  
the taxable year, ninety per cent of the combined tax liability 21747  
for the taxable year. 21748

(2) If the taxpayer determines that its declaration of 21749  
estimated taxes will not accurately reflect the taxpayer's tax 21750  
liability for the taxable year, the taxpayer shall increase or 21751  
decrease, as appropriate, its subsequent payments in equal 21752  
installments to result in a more accurate payment of estimated 21753  
taxes. 21754

(3) (a) Each taxpayer shall report on the declaration of  
estimated taxes the portion of the remittance that the taxpayer  
estimates that it owes to each municipal corporation for the  
taxable year.

(b) Upon receiving a payment of estimated taxes under this  
section, the commissioner shall immediately forward the payment  
to the treasurer of state. The treasurer shall credit the  
payment in the same manner as in division (B) of section 718.85  
of the Revised Code.

(D) (1) In the case of any underpayment of estimated taxes,  
~~there shall be added~~ the tax commissioner may add to the taxes  
an amount determined at the rate per annum prescribed by section  
5703.47 of the Revised Code upon the amount of underpayment for  
the period of underpayment, unless the underpayment is due to  
reasonable cause as described in division (E) of this section.  
The amount of the underpayment shall be determined as follows:

(a) For the first payment of estimated taxes each year,  
twenty-two and one-half per cent of the combined tax liability,  
less the amount of taxes paid by the date prescribed for that  
payment;

(b) For the second payment of estimated taxes each year,  
forty-five per cent of the combined tax liability, less the  
amount of taxes paid by the date prescribed for that payment;

(c) For the third payment of estimated taxes each year,  
sixty-seven and one-half per cent of the combined tax liability,  
less the amount of taxes paid by the date prescribed for that  
payment;

(d) For the fourth payment of estimated taxes each year,  
ninety per cent of the combined tax liability, less the amount

of taxes paid by the date prescribed for that payment. 21784

(2) The period of the underpayment shall run from the day 21785  
the estimated payment was required to be made to the date on 21786  
which the payment is made. For purposes of this section, a 21787  
payment of estimated taxes on or before any payment date shall 21788  
be considered a payment of any previous underpayment only to the 21789  
extent the payment of estimated taxes exceeds the amount of the 21790  
payment presently due. 21791

(3) All amounts collected under this section shall be 21792  
considered as taxes collected under sections 718.80 to 718.95 of 21793  
the Revised Code and shall be credited and distributed to 21794  
municipal corporations in accordance with section 718.83 of the 21795  
Revised Code. 21796

(E) An underpayment of any portion of a combined tax 21797  
liability shall be due to reasonable cause and the penalty 21798  
imposed by this section shall not be added to the taxes for the 21799  
taxable year if any of the following apply: 21800

(1) The amount of estimated taxes that were paid equals at 21801  
least ninety per cent of the combined tax liability for the 21802  
current taxable year, determined by annualizing the income 21803  
received during the year up to the end of the month immediately 21804  
preceding the month in which the payment is due. 21805

(2) The amount of estimated taxes that were paid equals at 21806  
least one hundred per cent of the tax liability shown on the 21807  
return of the taxpayer for the preceding taxable year, provided 21808  
that the immediately preceding taxable year reflected a period 21809  
of twelve months and the taxpayer filed a municipal income tax 21810  
return for that year. 21811

**Sec. 718.89.** (A) In addition to any other penalty imposed 21812

by sections 718.80 to 718.95 or Chapter 5703. of the Revised Code, the following penalties shall apply:

(1) If a taxpayer required to file a tax return under sections 718.80 to 718.95 of the Revised Code fails to make and file the return within the time prescribed, including any extensions of time granted by the tax commissioner, the commissioner may impose a penalty not exceeding twenty-five dollars, except that the commissioner shall abate or refund the penalty assessed on a taxpayer's first failure to timely file a return after the taxpayer files that return.

(2) If a person required to file a tax return electronically under sections 718.80 to 718.95 of the Revised Code fails to do so, the commissioner may impose a penalty not to exceed the following:

(a) For each of the first two failures, five per cent of the amount required to be reported on the return;

(b) For the third and any subsequent failure, ten per cent of the amount required to be reported on the return.

(3) If a taxpayer that has made the election allowed under section 718.80 of the Revised Code fails to timely pay an amount of tax required to be paid under this chapter, the commissioner may impose a penalty equal to fifteen per cent of the amount not timely paid.

(4) If a taxpayer files what purports to be a tax return required by sections 718.80 to 718.95 of the Revised Code that does not contain information upon which the substantial correctness of the return may be judged or contains information that on its face indicates that the return is substantially incorrect, and the filing of the return in that manner is due to

a position that is frivolous or a desire that is apparent from 21842  
the return to delay or impede the administration of sections 21843  
718.80 to 718.95 of the Revised Code, a penalty of up to five 21844  
hundred dollars may be imposed. 21845

(5) If a taxpayer makes a fraudulent attempt to evade the 21846  
reporting or payment of the tax required to be shown on any 21847  
return required under sections 718.80 to 718.95 of the Revised 21848  
Code, a penalty may be imposed not exceeding the greater of one 21849  
thousand dollars or one hundred per cent of the tax required to 21850  
be shown on the return. 21851

(6) If any person makes a false or fraudulent claim for a 21852  
refund under section 718.91 of the Revised Code, a penalty may 21853  
be imposed not exceeding the greater of one thousand dollars or 21854  
one hundred per cent of the claim. Any penalty imposed under 21855  
this division, any refund issued on the claim, and interest on 21856  
any refund from the date of the refund, may be assessed under 21857  
section 718.90 of the Revised Code without regard to any time 21858  
limitation for the assessment imposed by division (A) of that 21859  
section. 21860

(B) For purposes of this section, the tax required to be 21861  
shown on a tax return shall be reduced by the amount of any part 21862  
of the tax paid on or before the date, including any extensions 21863  
of the date, prescribed for filing the return. 21864

(C) Each penalty imposed under this section shall be in 21865  
addition to any other penalty imposed under this section. ~~All or 21866  
part of any penalty imposed under this section may be abated by 21867  
the tax commissioner. The commissioner may adopt rules governing 21868  
the imposition and abatement of such penalties.~~ 21869

(D) All amounts collected under this section shall be 21870

considered as taxes collected under sections 718.80 to 718.95 of 21871  
the Revised Code and shall be credited and distributed to 21872  
municipal corporations in the same proportion as the underlying 21873  
tax liability is required to be distributed to such municipal 21874  
corporations under section 718.83 of the Revised Code. 21875

**Sec. 718.90.** (A) If any taxpayer required to file a return 21876  
under section 718.80 to 718.95 of the Revised Code fails to file 21877  
the return within the time prescribed, files an incorrect 21878  
return, or fails to remit the full amount of the tax due for the 21879  
period covered by the return, the tax commissioner may make an 21880  
assessment against the taxpayer for any deficiency for the 21881  
period for which the return or tax is due, based upon any 21882  
information in the commissioner's possession. 21883

The tax commissioner shall not make or issue an assessment 21884  
against a taxpayer more than three years after the later of the 21885  
date the return subject to assessment was required to be filed 21886  
or the date the return was filed. Such time limit may be 21887  
extended if both the taxpayer and the commissioner consent in 21888  
writing to the extension. Any such extension shall extend the 21889  
three-year time limit in section 718.91 of the Revised Code for 21890  
the same period of time. There shall be no bar or limit to an 21891  
assessment against a taxpayer that fails to file a return 21892  
subject to assessment as required by sections 718.80 to 718.95 21893  
of the Revised Code, or that files a fraudulent return. The 21894  
commissioner shall give the taxpayer assessed written notice of 21895  
the assessment as provided in section 5703.37 of the Revised 21896  
Code. With the notice, the commissioner shall provide 21897  
instructions on how to petition for reassessment and request a 21898  
hearing on the petition. 21899

(B) Unless the taxpayer assessed files with the tax 21900

commissioner within sixty days after service of the notice of 21901  
assessment, ~~either personally or by certified mail,~~ a written 21902  
petition for reassessment signed by the authorized agent of the 21903  
taxpayer assessed having knowledge of the facts, the assessment 21904  
becomes final, and the amount of the assessment is due and 21905  
payable from the taxpayer to the treasurer of state. The 21906  
petition shall indicate the taxpayer's objections, but 21907  
additional objections may be raised in writing if received by 21908  
the commissioner prior to the date shown on the final 21909  
determination. If the petition has been properly filed, the 21910  
commissioner shall proceed under section 5703.60 of the Revised 21911  
Code. 21912

(C) After an assessment becomes final, if any portion of 21913  
the assessment remains unpaid, including accrued interest, a 21914  
certified copy of the tax commissioner's entry making the 21915  
assessment final may be filed in the office of the clerk of the 21916  
court of common pleas in the county in which the taxpayer has an 21917  
office or place of business in this state, the county in which 21918  
the taxpayer's statutory agent is located, or Franklin county. 21919

Immediately upon the filing of the entry, the clerk shall 21920  
enter a judgment against the taxpayer assessed in the amount 21921  
shown on the entry. The judgment may be filed by the clerk in a 21922  
loose-leaf book entitled "special judgments for municipal income 21923  
taxes," and shall have the same effect as other judgments. 21924  
Execution shall issue upon the judgment upon the request of the 21925  
tax commissioner, and all laws applicable to sales on execution 21926  
shall apply to sales made under the judgment. 21927

If the assessment is not paid in its entirety within sixty 21928  
days after the day the assessment was issued, the portion of the 21929  
assessment consisting of tax due shall bear interest at the rate 21930

per annum prescribed by section 5703.47 of the Revised Code from 21931  
the day the commissioner issues the assessment until the 21932  
assessment is paid or until it is certified to the attorney 21933  
general for collection under section 131.02 of the Revised Code, 21934  
whichever comes first. If the unpaid portion of the assessment 21935  
is certified to the attorney general for collection, the entire 21936  
unpaid portion of the assessment shall bear interest at the rate 21937  
per annum prescribed by section 5703.47 of the Revised Code from 21938  
the date of certification until the date it is paid in its 21939  
entirety. Interest shall be paid in the same manner as the tax 21940  
and may be collected by issuing an assessment under this 21941  
section. 21942

(D) (1) Except as provided in division (D) (2) of this 21943  
section, all money collected under this section shall be 21944  
credited to the municipal net profit tax fund and distributed to 21945  
the municipal corporation to which the money is owed based on 21946  
the assessment issued under this section. 21947

(2) The attorney general may assess collection costs as 21948  
authorized under section 109.08, 109.081, or 131.02 of the 21949  
Revised Code on amounts collected under this section, which 21950  
shall be credited to the attorney general claims fund created 21951  
under section 109.081 of the Revised Code. 21952

(E) If the tax commissioner believes that collection of 21953  
the tax will be jeopardized unless proceedings to collect or 21954  
secure collection of the tax are instituted without delay, the 21955  
commissioner may issue a jeopardy assessment against the 21956  
taxpayer liable for the tax. Immediately upon the issuance of 21957  
the jeopardy assessment, the commissioner shall file an entry 21958  
with the clerk of the court of common pleas in the manner 21959  
prescribed by division (C) of this section. Notice of the 21960

jeopardy assessment shall be served on the taxpayer assessed or 21961  
the taxpayer's legal representative in the manner provided in 21962  
section 5703.37 of the Revised Code within five days of the 21963  
filing of the entry with the clerk. The total amount assessed is 21964  
immediately due and payable, unless the taxpayer assessed files 21965  
a petition for reassessment in accordance with division (B) of 21966  
this section and provides security in a form satisfactory to the 21967  
commissioner and in an amount sufficient to satisfy the unpaid 21968  
balance of the assessment. Full or partial payment of the 21969  
assessment does not prejudice the commissioner's consideration 21970  
of the petition for reassessment. 21971

(F) Notwithstanding the fact that a petition for 21972  
reassessment is pending, the taxpayer may pay all or a portion 21973  
of the assessment that is the subject of the petition. The 21974  
acceptance of a payment by the treasurer of state does not 21975  
prejudice any claim for refund upon final determination of the 21976  
petition. 21977

If upon final determination of the petition an error in 21978  
the assessment is corrected by the tax commissioner, upon 21979  
petition so filed or pursuant to a decision of the board of tax 21980  
appeals or any court to which the determination or decision has 21981  
been appealed, so that the amount due from the taxpayer under 21982  
the corrected assessment is less than the portion paid, there 21983  
shall be issued to the taxpayer, its assigns, or legal 21984  
representative a refund in the amount of the overpayment as 21985  
provided by section 718.91 of the Revised Code, with interest on 21986  
that amount as provided by that section. 21987

**Sec. 718.91.** (A) An application to refund to a taxpayer 21988  
amounts that were overpaid, paid illegally or erroneously, or 21989  
paid on an illegal or erroneous assessment pursuant to sections 21990

718.80 to 718.95 of the Revised Code shall be filed with the tax commissioner within three years after the date, including any valid extension, of the illegal, erroneous, or excessive payment, or within any additional period allowed by division (A) of section 718.90 of the Revised Code. The application shall be filed in the form prescribed by the tax commissioner.

(B) (1) On the filing of a refund application, the tax commissioner shall determine the amount of refund to which the applicant is entitled. The amount determined shall be based on the amount overpaid per return or assessment. If the amount is greater than ten dollars and not less than that claimed, the commissioner shall certify that amount to the director of budget and management and the treasurer of state for payment from the tax refund fund created in section 5703.052 of the Revised Code. If the amount is greater than ten dollars but less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

(2) Upon issuance of a refund under this section, the commissioner shall notify each municipal corporation of the amount refunded to the taxpayer attributable to that municipal corporation, which shall be deducted from the municipal corporation's next distribution under section 718.83 of the Revised Code.

(C) Any portion of a refund determined under division (B) of this section that is not issued within ninety days after such determination shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the ninety-first day after such determination until the day the refund is paid or credited. On an illegal or erroneous assessment, interest shall be paid at that rate from the date of

payment on the illegal or erroneous assessment until the day the  
refund is paid or credited.

**Sec. 731.14.** All contracts made by the legislative  
authority of a village shall be executed in the name of the

this chapter shall be deposited in the state treasury to the 24899  
credit of the amusement ride inspection fund, which is hereby 24900

section 993.07 of the Revised Code. If a reinspection is 24911

(4) The rules adopted under division (B) of this section 24915  
shall define ~~"roller coaster," "aerial lifts," "inflatable ride,"~~ 24916

during each scheduled event, as listed in the schedule of events 24931  
provided to the department by the owner pursuant to division (C) 24932  
of section 993.07 of the Revised Code, at which the ride is 24933

addition to any other inspection or reinspection of the ride as 24935  
may be required under this chapter or rules adopted under it, 24936  
and the owner of the temporary amusement ride is not required to 24937  
pay an inspection or reinspection fee for this supplemental 24938  
inspection unless the supplemental inspection is being conducted 24939  
pursuant to division (B) (2) of this section or rules adopted 24940

to prohibit the owner of a temporary amusement ride having a 24942

a scheduled event before the department conducts a supplemental 24944  
inspection. 24945

(H) The department may annually conduct a midseason 24946  
operational inspection of every amusement ride upon which it 24947  
conducts an annual inspection pursuant to division (A) of this 24948  
section. The midseason operational inspection is in addition to 24949  
any other inspection or reinspection of the amusement ride as 24950  
may be required pursuant to this chapter. The owner of an 24951  
amusement ride shall submit to the department, at the time 24952  
determined by the department, the midseason operational 24953  
inspection fee specified in division (E) of this section. The 24954

sureties not identified in the original notice of commencement 24973

listing each original contractor, the owner shall state that 25003  
multiple original contractors are involved in the improvement; 25004

(7) The date the owner, part owner, or lessee first 25005

real property described in this instrument. A person having a 25017  
mechanics' lien may preserve the lien by providing a notice of 25018

(C) If the notice of commencement furnished by or for an 25035  
owner, part owner, or lessee contains incorrect information, the 25036  
owner, part owner, or lessee is liable for any loss of lien 25037

result of the lien claimant's reliance on the incorrect 25041  
information. 25042

Any lien claimant who has included incorrect information 25043  
in the claimant's affidavit for a lien under section 1311.06 of 25044  
the Revised Code, as a result of incorrect information contained 25045  
in the notice of commencement, may file for record an amended 25046

provided in section 1311.07 of the Revised Code. The lien 25051  
claimant may file the amended affidavit for record at any time 25052  
during the time that the lien acquired by the original affidavit 25053  
continues in effect under section 1311.13 of the Revised Code. 25054

of the rights granted by this division. 25057

(D) Within ten days after the date a subcontractor, 25058  
material supplier, or laborer serves a written request upon the 25059

notice of commencement, the owner, part owner, lessee, or 25061  
designee shall serve a copy of the notice of commencement to the 25062  
requesting subcontractor, material supplier, or laborer. 25063

material supplier, or laborer serves a written request for a 25065  
copy of the notice of commencement upon the original contractor 25066  
who has been provided with a notice of commencement from the 25067  
owner, part owner, or lessee, or designee and with whom the 25068  
subcontractor, material supplier, or laborer has a direct 25069

(H) The owner, part owner, lessee, or designee shall serve 25092  
a copy of the notice of commencement upon the original 25093  
contractor. If the owner, part owner, lessee, or designee fails 25094

section, the time within which a subcontractor or material 25102  
supplier may serve a notice of furnishing as required by section 25103  
1311.05 of the Revised Code is extended until twenty-one days 25104

subcontractor or material supplier need not serve a notice of 25106

notice of commencement is recorded. 25108

(J) If the owner, part owner, lessee, or designee fails to 25109  
serve, upon written request, the notice of commencement in 25110  
accordance with this section, the time within which a 25111  
subcontractor or material supplier may serve a notice of 25112

the notice pursuant to this section is liable to any 25117

subcontractor or material supplier who becomes a lien claimant 25118  
for all actual expenses incurred by the lien claimant in 25119

that an original contractor or subcontractor who fails to 25138  
provide the notice upon request is not liable under this 25139  
division to any subcontractor, material supplier, or laborer 25140  
with whom the original contractor or subcontractor is not in 25141  
direct privity of contract. 25142

(M) (1) If after the first work, labor, or material has 25143  
been performed on or furnished to the improvement, the owner, 25144  
part owner, lessee, or designee fails to serve, record, or post 25145  
a notice of commencement as required by this section, the 25146  
original contractor may, in writing, request the owner, part 25147

owner, lessee, or designee to serve, record, or post the notice. 25148  
If an owner, part owner, lessee, or the designee of an owner, 25149  
part owner, or lessee fails or refuses to serve, record, or post 25150  
a notice of commencement within ten days of receipt of a 25151  
request, the owner, part owner, or lessee is liable for the 25152  
owner's, part owner's, or lessee's failure or refusal and for 25153

direct contracts with the original contractor. 25168

(N) (1) If the owner, part owner, or lessee fails to record 25169  
a notice of commencement or an amended notice, any person 25170  
holding a mortgage on the real property to be improved may 25171  
record a notice of commencement or an amended notice on behalf 25172  
of the owner, part owner, or lessee. If the owner, part owner, 25173  
or lessee fails to record a notice of commencement or an amended 25174  
notice within the later of ten days after the performance of any 25175  
labor or work or the furnishing of any material for an 25176  
improvement on real property which gives rise to a mechanics' 25177

lien under sections 1311.01 to 1311.22 of the Revised Code or 25178  
three days after service of a demand to record the notice or 25179  
amended notice by the original contractor, the original 25180  
contractor may record a notice of commencement or an amended 25181  
notice on behalf of the owner, part owner, or lessee. 25182

(2) If the original contractor or a mortgage holder has 25183  
recorded a notice of commencement or an amended notice on behalf 25184  
of the owner, part owner, or lessee, the owner, part owner, or 25185

notice of commencement or an amended notice. 25190

(3) Unless required to file the notice of commencement or 25191  
an amended notice on behalf of the owner, part owner, or lessee, 25192  
the party filing a written notice of commencement or amended 25193  
notice on behalf of the owner, part owner, or lessee is not 25194  
liable to the owner, part owner, or lessee for any errors 25195  
contained in the notice of commencement or amended notice. 25196

(4) If a mortgage holder or an original contractor records 25197  
a notice of commencement or amended notice on behalf of an 25198  
owner, part owner, or lessee, such fact must be included on the 25199  
notice or amended notice. 25200

contract as defined in section 1311.011 of the Revised Code, 25202  
except that when a lending institution as defined in division 25203

owner, part owner, or lessee shall record the notice of 25213  
commencement in the county recorders' office of each county in 25214  
which the property is located. 25215

commencement pursuant to this division, the attachment, 25217  
continuance, and priority provisions of section 1311.13 of the 25218

<u>applicant an itemized statement of any expenses in excess of the</u>	25464

standard two-hundred-dollar investigation fee which the 25465  
applicant is required to pay. The division shall not issue a 25466  
certificate unless all the required fees have been submitted to 25467  
the division. 25468

(3) The investigation required by this section shall 25469  
include both a civil and criminal records check of the key 25470  
officers of the applicant and any individual whose identity is 25471  
required to be disclosed in the application. Where the applicant 25472

institutions may require a civil and criminal background check 25474  
of any persons that the superintendent determines have the 25475  
authority to direct and control the operations of the applicant. 25476

(4) (a) Notwithstanding division (L) of section 121.08 of 25477  
the Revised Code, the superintendent shall obtain a criminal 25478  
history records check and, as part of that records check, 25479  
request that criminal record information from the federal bureau 25480  
of investigation be obtained. To fulfill this requirement, the 25481  
superintendent of financial institutions shall request the 25482  
superintendent of the bureau of criminal identification and 25483  
investigation, or a vendor approved by the bureau, to conduct a 25484  
criminal records check based on the applicant's fingerprints or, 25485  
if the fingerprints are unreadable, based on the applicant's 25486  
social security number, in accordance with section 109.572 of 25487  
the Revised Code. 25488

(b) Any fee required under division (C) (3) of section 25489  
109.572 of the Revised Code shall be paid by the applicant. 25490

(5) If an application for a certificate of registration 25491  
does not contain all of the information required under division 25492  
(A) of this section, and if such information is not submitted to 25493  
the division within ninety days after the superintendent of 25494

financial institutions requests the information in writing, 25495  
including by electronic transmission or facsimile, the 25496  
superintendent may consider the application withdrawn. 25497

(6) If the division finds that the financial 25498  
responsibility, experience, and general fitness of the applicant 25499  
command the confidence of the public and warrant the belief that 25500  
the business will be operated honestly and fairly in compliance 25501  
with the purposes of this chapter and the rules adopted 25502  
thereunder, and that the applicant has the applicable net worth 25503  
and assets required by division (D) of this section, the 25504  
division shall issue a certificate of registration to the 25505  
applicant. The superintendent shall not use a credit score as 25506  
the sole basis for denying registration under this chapter. 25507

(7) Certificates of registration annually expire on the 25508  
last day of December, unless renewed by the filing of a renewal 25509  
application and payment of a three-hundred-dollar nonrefundable 25510  
annual registration fee on or before that date. 25511

(8) Registrants shall timely file renewal applications on 25512  
forms prescribed by the division and provide any further 25513  
information that the division may require. If a renewal 25514  
application does not contain all of the information required 25515  
under this section, and if that information is not submitted to 25516  
the division within ninety days after the superintendent 25517  
requests the information in writing, including by electronic 25518  
transmission or facsimile, the superintendent may consider the 25519  
application withdrawn. 25520

(9) The superintendent shall not grant a renewal if the 25521  
applicant's certificate of registration is subject to an order 25522  
of suspension, revocation, or an unpaid and past due fine or 25523  
assessment imposed by the superintendent. 25524

(10) If the division finds the applicant does not meet the 25525  
conditions set forth in this section, the division shall issue 25526  
notice to the applicant of the denial, the grounds for the 25527  
denial, and the applicant's reasonable opportunity to be heard 25528  
on the action in accordance with Chapter 119. of the Revised 25529  
Code. 25530

(11) If there is a change of five per cent or more in the 25531  
ownership of a registrant, the division may make any 25532  
investigation necessary to determine whether any fact or 25533  
condition exists that, if it had existed at the time of the 25534  
original application for a certificate of registration, the fact 25535  
or condition would have warranted the division to deny the 25536  
application under division (A) (6) of this section. If such a 25537  
fact or condition is found, the division may, in accordance with 25538  
Chapter 119. of the Revised Code, revoke the registrant's 25539  
certificate. 25540

(B) (1) If the annual registration fees collected by the 25541  
superintendent pursuant to division (A) of this section are less 25542  
than the estimated expenditures of the consumer finance section 25543  
of the division of financial institutions in administering this 25544  
chapter for the following fiscal year, as determined by the 25545  
superintendent, the superintendent may assess each registrant an 25546  
additional fee at a rate sufficient to equal in the aggregate 25547  
the difference between the renewal fees billed and the estimated 25548  
expenditures. 25549

(2) Each registrant shall pay the assessed amount to the 25550  
superintendent prior to the last day of June. 25551

(3) In no case shall the assessment exceed ten cents for 25552  
each one hundred dollars of fees, tips, gratuities, and 25553  
donations received by that registrant during the previous 25554

calendar year. 25555

(4) Subject to division (B) (3) of this section, the 25556  
assessment shall not be less than two hundred fifty dollars per 25557  
registrant and shall not exceed two thousand dollars per 25558  
registrant. 25559

(C) Notwithstanding any contrary provision of division (A) 25560  
of this section, the division shall issue a certificate of 25561  
registration in accordance with Chapter 4796. of the Revised 25562  
Code to an applicant if the applicant holds a license or 25563  
registration to offer earned wage access services in another 25564  
state. Issuance of a license to such an applicant is contingent 25565  
upon the applicant's payment of the three-hundred-dollar annual 25566  
registration fee and any assessment charged under division (B) 25567  
of this section. 25568

(D) Each registrant that offers or provides earned wage 25569  
access services under this chapter shall maintain both of the 25570  
following: 25571

(1) A net worth of at least fifty thousand dollars; 25572

(2) For each certificate of registration, assets of at 25573  
least fifty thousand dollars either in use or readily available 25574  
for use in the conduct of the business. 25575

(E) A registrant may operate in this state online or at 25576  
one or more physical places of business. Not more than one place 25577  
of business shall be maintained under the same certificate, but 25578  
the division may issue additional certificates to the same 25579  
registrant. No change in the place of business of a registrant 25580  
to a location outside the original municipal corporation or 25581  
township shall be permitted under the same certificate without 25582  
the approval of a new application, the payment of the 25583

registration fee, and, if required by the superintendent, the 25584  
payment of an investigation fee of two hundred dollars. When a 25585  
registrant wishes to change its place of business within the 25586  
same municipal corporation or township, it shall give written 25587  
notice of the change in advance to the division, which shall 25588  
provide a certificate for the new address without cost. If a 25589  
registrant changes its name, prior to offering or providing 25590  
earned wage access services under the new name, it shall give 25591  
written notice of the change to the division, which shall 25592  
provide a certificate in the new name without cost. This chapter 25593  
does not limit the services of any registrant to residents of 25594  
the municipal corporation or township in which the registrant's 25595  
place of business is situated. A registrant that operates online 25596  
shall post evidence of its registration on its internet web 25597  
site. A registrant that operates at one or more physical places 25598  
of business shall conspicuously post its registration in its 25599  
places of business. Registrations are not transferable or 25600  
assignable. 25601

(F) This chapter does not apply to any entities chartered 25602  
and lawfully doing business under the authority of any law of 25603  
this state, another state, or the United States as a bank, 25604  
savings bank, trust company, savings and loan association, or 25605  
credit union, or a subsidiary of any such entity, which 25606  
subsidiary is regulated by a federal banking agency and is owned 25607  
and controlled by such a depository institution. 25608

(G) Neither the state nor any political subdivision of the 25609  
state shall require a registrant to pay any fee or assessment, 25610  
other than those expressly authorized by this section, as a 25611  
condition of providing earned wage access services in this 25612  
state. 25613

Sec. 1320.04. As often as the superintendent of financial institutions considers it necessary, the superintendent may examine the records of a registrant. 25614  
25615  
25616

Code. The regulation of oil and gas activities is a matter of 26024  
general statewide interest that requires uniform statewide 26025  
regulation, and this chapter and rules adopted under it 26026  
constitute a comprehensive plan with respect to all aspects of 26027  
the locating, drilling, well stimulation, completing, and 26028  
operating of oil and gas wells within this state, including site 26029  
construction and restoration, permitting related to those 26030  
activities, and the disposal of wastes from those wells. In 26031  
order to assist the division in the furtherance of its sole and 26032  
exclusive authority as established in this section, the chief 26033  
may enter into cooperative agreements with other state agencies 26034  
for advice and consultation, including visitations at the 26035  
surface location of a well on behalf of the division. Such 26036  
cooperative agreements do not confer on other state agencies any 26037  
authority to administer or enforce this chapter and rules 26038  
adopted under it. In addition, such cooperative agreements shall 26039  
not be construed to dilute or diminish the division's sole and 26040  
exclusive authority as established in this section. Nothing in 26041  
this section affects the authority granted to the director of 26042  
transportation and local authorities in section 723.01 or 26043  
4513.34 of the Revised Code, provided that the authority granted 26044  
under those sections shall not be exercised in a manner that 26045  
discriminates against, unfairly impedes, or obstructs oil and 26046  
gas activities and operations regulated under this chapter. 26047

The chief shall not hold any other public office, nor 26048

shall the chief be engaged in any occupation or business that 26049  
might interfere with or be inconsistent with the duties as 26050  
chief. 26051

Revised Code, all fines imposed under divisions (A) and (B) of 26058  
section 1509.99 of the Revised Code and fines imposed under 26059  
divisions (C) and (D) of section 1509.99 of the Revised Code for 26060  
all violations prosecuted by the attorney general and for 26061  
violations prosecuted by prosecuting attorneys that do not 26062  
involve the transportation of brine by vehicle shall be 26063  
deposited into the state treasury to the credit of the oil and 26064  
gas well fund, which is hereby created. Fines imposed under 26065  
divisions (C) and (D) of section 1509.99 of the Revised Code for 26066  
violations prosecuted by prosecuting attorneys that involve the 26067  
transportation of brine by vehicle and penalties associated with 26068  
a compliance agreement entered into pursuant to this chapter 26069  
shall be paid to the county treasury of the county where the 26070  
violation occurred. 26071

The fund shall be used solely and exclusively for the 26072  
purposes enumerated in division (B) of section 1509.071 of the 26073  
Revised Code, payments to the oil and gas resolution and 26074  
remediation fund created in section 1509.075 of the Revised 26075  
Code, for the expenses of the division associated with the 26076  
administration of this chapter and Chapter 1571. of the Revised 26077  
Code and rules adopted under them, and for expenses that are 26078  
critical and necessary for the protection of human health and 26079

**Sec. 1509.07.** (A) (1) (a) Except as provided in division (A) 26084  
(1) (b) or (A) (2) of this section, an owner of any well, except 26085  
an exempt Mississippian well or an exempt domestic well, shall 26086  
obtain liability insurance coverage from a company authorized or 26087  
approved to do business in this state in an amount of not less 26088  
than one million dollars bodily injury coverage and property 26089  
damage coverage to pay damages for injury to persons or damage 26090  
to property caused by the drilling, operation, or plugging of 26091  
all the owner's wells in this state. However, if any well is 26092  
located within an urbanized area, the owner shall obtain 26093  
liability insurance coverage in an amount of not less than three 26094  
million dollars for bodily injury coverage and property damage 26095  
coverage to pay damages for injury to persons or damage to 26096  
property caused by the drilling, operation, or plugging of all 26097  
of the owner's wells in this state. 26098

(b) A board of county commissioners of a county that is an 26099  
owner of a well or a board of township trustees of a township 26100  
that is an owner of a well may elect to satisfy the liability 26101  
coverage requirements specified in division (A) (1) (a) of this 26102  
section by participating in a joint self-insurance pool in 26103  
accordance with the requirements established under section 26104  
2744.081 of the Revised Code. Nothing in division (A) (1) (b) of 26105  
this section shall be construed to allow an entity, other than a 26106  
county or township, to participate in a joint self-insurance 26107  
pool to satisfy the liability coverage requirements specified in 26108  
division (A) (1) (a) of this section. 26109

(2) An owner of a horizontal well shall obtain liability insurance coverage from an insurer authorized to write such insurance in this state or from an insurer approved to write such insurance in this state under section 3905.33 of the Revised Code in an amount of not less than five million dollars bodily injury coverage and property damage coverage to pay damages for injury to persons or damage to property caused by the production operations of all the owner's wells in this state. The insurance policy shall include a reasonable level of coverage available for an environmental endorsement.

(3) An owner shall maintain the coverage required under division (A) (1) or (2) of this section until all the owner's wells are plugged and abandoned or are transferred to an owner who has obtained insurance as required under this section and who is not under a notice of material and substantial violation or under a suspension order. The owner shall provide proof of liability insurance coverage to the chief of the division of oil and gas resources management upon request. Upon failure of the owner to provide that proof when requested, the chief may order the suspension of any outstanding permits and operations of the owner until the owner provides proof of the required insurance coverage.

(B) (1) Except as otherwise provided in this section, an owner of any well, before being issued a permit under section 1509.06 of the Revised Code or before operating or producing from a well, shall execute and file with the division of oil and gas resources management a surety bond conditioned on compliance with the restoration requirements of section 1509.072, the plugging requirements of section 1509.12, the permit provisions of section 1509.13 of the Revised Code, and all rules and orders of the chief relating thereto, in an amount set by rule of the

chief. 26141

(2) The owner may deposit with the chief, instead of a 26142  
surety bond, cash in an amount equal to the surety bond as 26143  
prescribed pursuant to this section or negotiable certificates 26144  
of deposit or irrevocable letters of credit, issued by any bank 26145  
organized or transacting business in this state, having a cash 26146  
value equal to or greater than the amount of the surety bond as 26147  
prescribed pursuant to this section. Cash or certificates of 26148

which surety bonds may be deposited. If the owner deposits cash, 26150  
the cash shall be credited to the performance cash bond refunds 26151  
fund created in section 1501.16 of the Revised Code. If the 26152  
owner deposits certificates of deposit, the chief shall require 26153  
the bank that issued any such certificate to pledge securities 26154  
of a cash value equal to the amount of the certificate that is 26155  
in excess of the amount insured by the federal deposit insurance 26156  
corporation. The securities shall be security for the repayment 26157  
of the certificate of deposit. 26158

Upon a deposit of cash, certificates of deposit, or 26159  
letters of credit with the chief, the chief shall hold them in 26160  
trust for the purposes for which they have been deposited. 26161

(3) Instead of a surety bond, the chief may accept proof 26162  
of financial responsibility consisting of a sworn financial 26163  
statement showing a net financial worth within this state equal 26164  
to twice the amount of the bond for which it substitutes and, as 26165  
may be required by the chief, a list of producing properties of 26166  
the owner within this state or other evidence showing ability 26167  
and intent to comply with the law and rules concerning 26168  
restoration and plugging that may be required by rule of the 26169  
chief. The owner of an exempt Mississippian well is not required 26170

to file scheduled updates of the financial documents, but shall 26171  
file updates of those documents if requested to do so by the 26172  
chief. The owner of a nonexempt Mississippian well shall file 26173  
updates of the financial documents in accordance with a schedule 26174  
established by rule of the chief. The chief, upon determining 26175  
that an owner for whom the chief has accepted proof of financial 26176  
responsibility instead of bond cannot demonstrate financial 26177  
responsibility, shall order that the owner execute and file a 26178  
bond or deposit cash, certificates of deposit, or irrevocable 26179  
letters of credit as required by this section for the wells 26180  
specified in the order within ten days of receipt of the order. 26181  
If the order is not complied with, all wells of the owner that 26182  
are specified in the order and for which no bond is filed or 26183  
cash, certificates of deposit, or letters of credit are 26184  
deposited shall be plugged. No owner shall fail or refuse to 26185  
plug such a well. Each day on which such a well remains 26186  
unplugged thereafter constitutes a separate offense. 26187

(4) The surety bond provided for in this section shall be 26188  
executed by a surety company authorized to do business in this 26189  
state. 26190

The chief shall not approve any bond until it is 26191  
personally signed and acknowledged by both principal and surety, 26192  
or as to either by the principal's or surety's attorney in fact, 26193  
with a certified copy of the power of attorney attached thereto. 26194  
The chief shall not approve a bond unless there is attached a 26195  
certificate of the superintendent of insurance that the company 26196  
is authorized to transact a fidelity and surety business in this 26197  
state. 26198

All bonds shall be given in a form to be prescribed by the 26199  
chief and shall run to the state as obligee. 26200

(5) An owner of an exempt Mississippian well or an exempt domestic well, in lieu of filing a surety bond, cash in an amount equal to the surety bond, certificates of deposit, irrevocable letters of credit, or a sworn financial statement, may file a one-time fee of fifty dollars, which shall be deposited in the oil and gas ~~well plugging~~ resolution and remediation fund created in section ~~1509.071~~ 1509.075 of the Revised Code.

**Sec. 1509.071.** (A) When the chief of the division of oil and gas resources management finds that an owner has failed to comply with a final nonappealable order issued or compliance agreement entered into under section 1509.04, the restoration requirements of section 1509.072, plugging requirements of section 1509.12, or permit provisions of section 1509.13 of the Revised Code, or rules and orders relating thereto, the chief shall make a finding of that fact and declare any surety bond filed to ensure compliance with those sections and rules forfeited in the amount set by rule of the chief. The chief thereupon shall certify the total forfeiture to the attorney general, who shall proceed to collect the amount of the forfeiture. In addition, the chief may require an owner, operator, producer, or other person who forfeited a surety bond to post a new surety bond in the amount of fifteen thousand dollars for a single well, thirty thousand dollars for two wells, or fifty thousand dollars for three or more wells.

In lieu of total forfeiture, the surety or owner, at the

surety's or owner's option, may cause the well to be properly plugged and abandoned and the area properly restored or pay to the treasurer of state the cost of plugging and abandonment.

(B) (1) All moneys collected because of forfeitures of bonds as provided in this section shall be deposited in the state treasury to the credit of the oil and gas well fund created in section 1509.02 of the Revised Code.

For purposes of promoting the competent management and conservation of the state's oil and natural gas resources and the proper and lawful plugging of historic oil and gas wells for which there is no known responsible owner, the chief annually shall spend not less than thirty per cent of the revenue credited to the oil and gas well fund during the previous fiscal year for both of the following purposes:

(a) In accordance with division (E) of this section, to plug orphaned wells or to restore the land surface properly as required in section 1509.072 of the Revised Code;

(b) In accordance with division (F) of this section, to correct conditions that the chief reasonably has determined are causing imminent health or safety risks at an orphaned well or associated with a well for which the owner has not initiated a corrective action within a reasonable period of time as determined by the chief after the chief has attempted to notify the owner.

(2) Expenditures from the oil and gas well fund and oil and gas resolution and remediation fund shall be made only for lawful purposes. ~~In addition~~ Except as otherwise provided in divisions (B) (2) and (D) of section 1509.075 of the Revised Code, expenditures from ~~the fund~~ those funds shall not be made

to purchase real property or to remove a structure in order to 26260  
access a well. 26261

~~The director of budget and management, in consultation 26262  
with the chief, shall establish an accounting code for purposes 26263  
of tracking expenditures made as required under this division. 26264~~

(C) (1) If a landowner discovers a well on the landowner's 26265  
real property and the landowner is not the owner of the well, 26266  
the landowner may report the existence of the well in writing to 26267  
the chief. 26268

(2) If the chief receives a written report from a 26269  
landowner of the discovery of a well previously unknown to the 26270  
division, the chief shall inspect the well not later than thirty 26271  
days after the date of receipt of the landowner's report. 26272

(3) The chief shall establish a scoring matrix for use in 26273  
determining the priority of plugging wells or restoring land 26274  
surfaces at orphaned well sites for purposes of this section. 26275  
The matrix shall include a classification system that 26276  
categorizes orphaned wells as high priority, medium priority, 26277  
and low priority. 26278

(4) The chief shall use the matrix developed under 26279  
division (C) (3) of this section to prioritize plugging and land 26280  
restoration projects under this section. The chief may add 26281  
additional orphaned wells to a project regardless of 26282  
classification. 26283

(D) (1) After determining that a well is an orphaned well, 26284  
the chief shall do all of the following: 26285

(a) Make a reasonable attempt to determine from the 26286  
records in the office of the county recorder of the county in 26287  
which the well is located the identity of the current owner of 26288

the land on which the well is located, the identity of each 26289  
person owning a right or interest in the oil or gas mineral 26290  
interests, and the identities of the persons having a lien upon 26291  
any of the equipment appurtenant to the well. For purposes of 26292  
division (D) (1) (a) of this section, the chief is not required to 26293  
review records in the office of the county recorder that are 26294  
older than forty years from the date on which the chief made the 26295  
determination that the well is an orphaned well. 26296

(b) Mail notice to each person identified in division (D) 26297  
(1) (a) of this section; 26298

(c) Include in the notice to each person having a lien 26299  
upon any equipment appurtenant to the well, a statement 26300  
informing the person that the well is to be plugged and offering 26301  
the person the opportunity to remove that equipment from the 26302  
well site at the person's own expense in order to avoid 26303  
forfeiture of the equipment to this state; 26304

(d) Publish notice in a newspaper of general circulation 26305  
in the county where the well is located that the well is to be 26306  
plugged or post the notice on the department of natural 26307  
resources web site. 26308

(2) If the current address of a person identified in 26309  
division (D) (1) (a) of this section cannot be determined, or if a 26310  
notice provided by mail to a person under division (D) (1) (b) of 26311  
this section is returned undeliverable, the notice published 26312  
under division (D) (1) (d) of this section constitutes sufficient 26313  
notice to the person. 26314

(3) If none of the persons described in division (D) (1) (a) 26315  
of this section removes equipment from the well within thirty 26316  
days after the mailing of the notice or publication or posting 26317

of notice described in division (D) (1) (d) of this section, 26318  
whichever is later, all equipment appurtenant to the well is 26319  
hereby declared to be forfeited to this state without 26320  
compensation and without the necessity for any action by the 26321  
state for use to defray the cost of plugging the well and 26322  
restoring the land surface at the well site. 26323

(E) The chief may expend money from the oil and gas well 26324  
fund and the oil and gas resolution and remediation fund for the 26325  
purpose of division (B) (1) (a) of this section, and such 26326  
expenditures shall be made in accordance with either of the 26327  
following: 26328

(1) The chief may make expenditures pursuant to contracts 26329  
entered into by either the chief or another agency of the state 26330  
with persons who agree to furnish the materials, equipment, 26331  
work, and labor as specified and provided in such a contract for 26332  
activities associated with the restoration or plugging of an 26333  
orphaned well as determined by the chief. If another agency of 26334  
the state enters into the contract, the chief shall prepare the 26335  
scope of work for the restoration or plugging of the well. The 26336  
activities may include excavation to uncover a well, methods to 26337  
locate a well, analyzing the well, stabilizing or other work 26338  
conducted prior to plugging the well, drilling out or cleanout 26339  
of wellbores to remove material from a well, plugging 26340  
operations, installation of vault and vent systems, including 26341  
associated engineering certifications and permits, removal of 26342

restoration was completed under section 1509.072 of the Revised 26345  
Code and rules adopted under it, and repair of damage to 26346  
property that is caused by such activities. The chief may make 26347  
expenditures for salaries, maintenance, equipment, or other 26348

administrative purposes, for costs directly attributed to 26349  
locating, analyzing, stabilizing, designing, plugging, 26350  
remediating, or restoring an orphaned well, and for determining 26351  
if a well is an orphaned well. 26352

Agents or employees of persons contracting with the chief 26353  
to locate, analyze, stabilize, design, plug, remediate, or 26354  
restore a well may enter upon any land, public or private, on 26355  
which the well is located, or on adjacent parcels needed for 26356  
access, for the purpose of performing the work. Prior to such 26357  
entry, the chief shall give to the following persons written 26358  
notice of the existence of a contract to locate, analyze, 26359  
stabilize, design, plug, remediate, or restore a well, the names 26360  
of the persons with whom the contract is made, and the date that 26361  
the project will commence: the owner of the well, the owner of 26362  
the land upon which the well is located, the owner of the land 26363  
of an adjacent parcel that will be entered upon, and, if the 26364  
well is located in the same township as or in a township 26365

or lessee of that mine has provided written notice identifying 26367  
those townships to the chief at any time during the immediately 26368  
preceding three years, the owner or lessee of the mine. The 26369  
chief may include in the notice to the owner or lessee of the 26370  
mine additional information, such as authorization to plug an 26371  
orphaned well under section 1509.151 of the Revised Code. 26372

(2) (a) The owner of the land on which at least one 26373  
orphaned well is located who has received notice under division 26374  
(D) (1) (b) of this section may plug any such orphaned well and be 26375  
reimbursed by the division of oil and gas resources management 26376  
for the reasonable cost of plugging such wells. In order to plug 26377  
the orphaned wells, the landowner shall submit an application to 26378  
the chief on a form prescribed by the chief and approved by the 26379

technical advisory council on oil and gas created in section 26380  
1509.38 of the Revised Code. The application, at a minimum, 26381  
shall require the landowner to provide the same information as 26382  
is required to be included in the application for a permit to 26383  
plug and abandon under section 1509.13 of the Revised Code. 26384

The application shall be accompanied by a copy of a 26385  
proposed contract to plug and abandon the orphaned wells 26386  
prepared by a contractor regularly engaged in the business of 26387  
plugging oil and gas wells. The proposed contract shall require 26388  
the contractor to furnish all of the materials, equipment, work, 26389  
and labor necessary to plug the orphaned wells properly and 26390  
restore the site including the removal of all associated 26391

contractor shall be insured. 26393

Expenditures made under division (E) (2) (a) of this section 26394  
shall be consistent with the expenditures for activities 26395  
described in division (E) (1) of this section. In addition, 26396  
expenditures made under division (E) (2) of this section are not 26397  
subject to section 127.16 of the Revised Code. The application 26398  
constitutes an application for a permit to plug the well for the 26399  
purposes of section 1509.13 of the Revised Code ~~and the~~ 26400  
~~applicant is not required to submit the fee otherwise required~~ 26401  
~~under that section.~~ 26402

(b) Within thirty days after receiving an application and 26403  
accompanying proposed contract under division (E) (2) (a) of this 26404  
section, the chief shall determine whether the plugging would 26405  
comply with the applicable requirements of this chapter and 26406  
applicable rules adopted and orders issued under it and whether 26407  
the cost of the plugging under the proposed contract is 26408  
reasonable. If the chief determines that the proposed plugging 26409

would comply with those requirements and that the proposed cost 26410  
of the plugging is reasonable, the chief shall notify the 26411  
landowner of that determination and issue to the landowner a 26412  
permit to plug the well under section 1509.13 of the Revised 26413  
Code. The chief may disapprove an application submitted under 26414  
division (E) (2) (a) of this section if the chief determines that 26415  
the proposed plugging would not comply with the applicable 26416  
requirements of this chapter and applicable rules adopted and 26417  
orders issued under it, that the cost of the plugging under the 26418  
proposed contract is unreasonable, or that the proposed contract 26419  
is not a bona fide, arm's length contract. 26420

(c) After receiving the chief's notice of the approval of 26421  
the application and permit to plug and abandon a well under 26422  
division (E) (2) (b) of this section, the landowner may enter into 26423  
the proposed contract to plug the well. 26424

(d) Upon determining that the plugging has been completed 26425  
in compliance with the applicable requirements of this chapter 26426  
and applicable rules adopted and orders issued under it, the 26427  
chief shall pay the contractor for the cost of the plugging and 26428  
restoration as set forth in the proposed contract approved by 26429  
the chief and changes or costs approved by the chief. The 26430  
payment shall be paid from the oil and gas well fund or the oil 26431  
and gas resolution and remediation fund. The chief shall only 26432  
make payments for purposes of division (E) (2) of this section 26433  
pursuant to a proper invoice as defined under section 125.01 of 26434  
the Revised Code. 26435

(e) If the chief determines that the plugging was not 26436  
completed in accordance with the applicable requirements, the 26437

well without having a permit to do so issued by the chief of the 26594  
division of oil and gas resources management. The permit shall 26595

be valid for a period of twenty-four months from the date of 26597  
issue. 26598

(2) The holder of a valid permit issued under section 26599  
1509.06 of the Revised Code may receive approval from an oil and 26600  
gas resources inspector to plug and abandon the well associated 26601  
with that permit, without obtaining the permit required under 26602  
division (A) of this section, if either of the following apply: 26603

(a) The well was drilled to total depth and the well 26604  
cannot or will not be completed. 26605

determining that the well is a lost hole or dry hole in 26612  
accordance with rules adopted under this chapter. 26613

(B) The application for a permit to plug and abandon shall be filed as many days in advance as will be necessary for an oil and gas resources inspector or, if the well is located in a coal bearing township, both a deputy mine inspector and an oil and gas resources inspector to be present at the plugging. The application shall be filed with the chief upon a form that the chief prescribes and shall contain the following information:

request will prevent the issuance, within twenty-one days of 26654  
filing, of permits for which applications filed under section 26655

When a request for expedited review is filed, the chief shall 26662  
immediately begin to process the application and shall issue a 26663

this section, any person undertaking the plugging of a well for 26667  
which a permit has been issued under this section shall obtain 26668

**Sec. 1522.12.** (A) For purposes of the compact, the owner 26961  
or operator of a facility within the Lake Erie watershed that is 26962  
not otherwise exempt under section 1522.14 of the Revised Code 26963  
shall obtain a withdrawal and consumptive use permit from the 26964  
chief of the division of water resources if the facility meets 26965  
any of the following threshold criteria: 26966

(1) The facility has a new or increased capacity for 26967  
withdrawals or consumptive uses from Lake Erie or a recognized 26968  
navigation channel of at least two and one-half million gallons 26969  
per day. 26970

(2) Except as provided in division (A) (3) of this section, 26971  
the facility has a new or increased capacity for withdrawals or 26972  
consumptive uses from any river or stream or from ground water 26973  
in the Lake Erie watershed of at least one million gallons per 26974  
day. 26975

(3) (a) Except as provided in division (A) (3) (b) of this 26976  
section, the facility has a new or increased capacity for 26977  
withdrawals or consumptive uses from any river or stream in the 26978  
Lake Erie watershed that is a high quality water of at least one 26979  
hundred thousand gallons per day. Division (A) (3) of this 26980  
section does not apply to withdrawals and consumptive uses from 26981  
outstanding state waters that are designated as such by the 26982  
environmental protection agency due to their exceptional 26983  
recreational values. 26984

(b) If a river or stream or segment thereof is designated 26985  
as a high quality water as of September 4, 2012, the threshold 26986

or segment thereof is designated as a high quality water after 26990

September 4, 2012, the threshold established in division (A) (3) 26991  
(a) of this section applies to the river or stream or segment 26992

or segment, provided that the director of environmental 26994  
protection and the director of natural resources, or their 26995  
designees, jointly determine that the proposed withdrawal or 26996  
consumptive use would cause the high quality water to lose its 26997  
designation as a high quality water. If the directors determine 26998  
that the proposed withdrawal or consumptive use would not cause 26999  
the high quality water to lose that designation, the threshold 27000  
established in division (A) (2) of this section applies to the 27001  
withdrawal or consumptive use at a point beginning one thousand 27002  
feet upstream of the upstream end of the designated high quality 27003  
water segment or at a point beginning two times the length of 27004  
the river, stream, or segment that has been designated as a high 27005  
quality water, whichever is greater. 27006

(B) An owner or operator of a facility that is not 27007

that is subject to a threshold specified in division (A) of this 27009  
section shall not install or operate the facility or equipment 27010  
that will result in a new or increased withdrawal or consumptive 27011  
use of water in the Lake Erie watershed without first obtaining 27012  
a withdrawal and consumptive use permit. 27013

(C) Permits issued under this section shall be issued only 27014  
for the amount of withdrawal or consumptive use capacity of a 27015  
facility that meets or exceeds threshold amounts established in 27016  
division (A) of this section. A permit shall not be required for 27017  
the portion of the withdrawal and consumptive use capacity of 27018  
the facility below that threshold amount. 27019

(D) An applicant for a permit shall submit an application 27020

to the chief on a form that the chief prescribes. The applicant 27021  
shall include with the application all of the following: 27022

(1) The name, address, and telephone number of the 27023  
applicant and of a contact person for the applicant; 27024

rates of withdrawal; 27038

(g) The estimated average annual and monthly volumes and 27039  
rates of consumptive use; 27040

(h) The environmentally sound and economically feasible 27041  
water conservation measures to be undertaken by the applicant; 27042

(i) Other ways the applicant's need for water may be 27043  
satisfied if the application is denied or modified; 27044

(4) All information required in sections 1522.121 to 27045  
1522.124 of the Revised Code if the source of water for the 27046

proposed withdrawal is ground water; 27047

(5) Any other information the chief may require to 27048  
adequately consider the application; 27049

(6) A nonrefundable application fee of ~~one~~five thousand 27050  
dollars, the proceeds of which shall be credited to the water 27051  
management fund created in section 1521.22 of the Revised Code. 27052

(E) Provided that a facility meets all applicable permit 27053  
conditions, a permit for the facility is valid until the 27054  
facility is the subject of facility abandonment. Once every five 27055  
years, the owner or operator of a facility shall certify to the 27056  
chief that the facility is in compliance with the permit that 27057  
has been issued for the facility. 27058

(F) No person that is required to do so shall fail to 27059  
apply for and receive a withdrawal and consumptive use permit. 27060

(G) A permit issued under this section shall include terms 27061  
and conditions restricting the withdrawal and consumptive use by 27062  
a facility to amounts not exceeding the capacity of the 27063  
facility. 27064

(H) The chief shall issue or deny a permit not later than 27065  
ninety days after receipt of a complete application. If 27066  
applicable, the chief shall comply with the requirements 27067  
regarding prior notice established in Section 4.6 of the 27068  
compact. The chief shall issue or deny a permit through issuance 27069  
of an order. The chief shall issue a permit if all applicable 27070  
criteria for receiving the permit are met as provided in 27071  
sections 1522.10 to 1522.30 of the Revised Code and neither of 27072  
the following applies: 27073

(1) A withdrawal or consumptive use will result in a 27074  
significant lowering of the water level within an aquifer, the 27075

overdrafting of an aquifer, a significant diminution in the 27076  
amount of water available in existing wells, or the interruption 27077  
of existing ground water supplies within the geographic area 27078  
established by the chief pursuant to section 1522.125 of the 27079  
Revised Code without a suitable replacement water supply source. 27080

(2) A withdrawal or consumptive use would cause 27081  
irreparable material damage to an aquifer such that the aquifer 27082  
could no longer yield the amount of water it did before the 27083  
withdrawal or consumptive use proposed in the application. 27084

(I) If the facility for which a permit has been issued 27085  
under this section withdraws ground water, the chief may require 27086  
the continued monitoring and reporting of water levels in each 27087  
aquifer via existing wells or new monitoring wells drilled by 27088  
the permittee. 27089

under joint ownership with right of survivorship established 28161  
under section 2131.12 of the Revised Code, of all or any part of 28162  
the joint interest of either of the two persons. The transfer 28163  
shall not terminate the registration certificate. 28164

**Sec. 1548.06.** (A) (1) Application for a certificate of 28235  
title for a watercraft or outboard motor shall be made upon a 28236  
form prescribed by the chief of the division of parks and 28237  
watercraft and shall be sworn to before a notary public or other 28238  
officer empowered to administer oaths. The application shall be 28239  
filed with the clerk of any court of common pleas. An 28240  
application for a certificate of title may be filed 28241  
electronically by any electronic means approved by the chief in 28242  
any county with the clerk of the court of common pleas of that 28243  
county. The application shall be accompanied by the fee 28244  
prescribed in section 1548.10 of the Revised Code. The fee shall 28245  
be retained by the clerk who issues the certificate of title and 28246  
shall be distributed in accordance with that section. If a clerk 28247  
of a court of common pleas, other than the clerk of the court of 28248  
common pleas of an applicant's county of residence, issues a 28249  
certificate of title to the applicant, the clerk shall transmit 28250  
data related to the transaction to the automated title 28251  
processing system. 28252

(2) If a certificate of title previously has been issued 28253  
for the watercraft or outboard motor, the application for a 28254  
certificate of title also shall be accompanied by the 28255  
certificate of title duly assigned unless otherwise provided in 28256  
this chapter. If a certificate of title previously has not been 28257

issued for the watercraft or outboard motor in this state, the 28258  
application, unless otherwise provided in this chapter, shall be 28259  
accompanied by a manufacturer's or importer's certificate; by a 28260  
sworn statement of ownership if the watercraft or outboard motor 28261  
was purchased by the applicant on or before October 9, 1963, or 28262  
if the watercraft is less than fourteen feet long with a 28263  
permanently affixed mechanical means of propulsion and was 28264  
purchased by the applicant on or before January 1, 2000; or by a 28265  
certificate of title, bill of sale, or other evidence of 28266  
ownership required by the law of another state from which the 28267  
watercraft or outboard motor was brought into this state. 28268  
Evidence of ownership of a watercraft or outboard motor for 28269  
which an Ohio certificate of title previously has not been 28270  
issued and which watercraft or outboard motor does not have 28271  
permanently affixed to it a manufacturer's serial number shall 28272  
be accompanied by the certificate of assignment of a hull 28273  
identification number assigned by the chief as provided in 28274  
section 1548.07 of the Revised Code. 28275

(3) The clerk shall retain the evidence of title presented 28276  
by the applicant and on which the certificate of title is 28277  
issued, except that, if an application for a certificate of 28278  
title is filed electronically, by a vendor on behalf of a 28279  
purchaser of a watercraft or outboard motor, the clerk shall 28280  
retain the completed electronic record to which the vendor 28281  
converted the certificate of title application and other 28282  
required documents. The chief, after consultation with the 28283  
attorney general, shall adopt rules that govern the location at 28284  
which, and the manner in which, are stored the actual 28285  
application and all other documents relating to the sale of a 28286  
watercraft or outboard motor when a vendor files the application 28287  
for a certificate of title electronically on behalf of a 28288

purchaser. 28289

(B) The clerk shall use reasonable diligence in 28290  
ascertaining whether the facts in the application are true by 28291  
checking the application and documents accompanying it or the 28292  
electronic record to which a vendor converted the application 28293  
and accompanying documents with the records of watercraft and 28294  
outboard motors in the clerk's office. If the clerk is satisfied 28295  
that the applicant is the owner of the watercraft or outboard 28296  
motor and that the application is in the proper form, the clerk 28297  
shall issue a physical certificate of title over the clerk's 28298  
signature and sealed with the clerk's seal unless the applicant 28299  
specifically requests the clerk not to issue a physical 28300  
certificate of title and instead to issue an electronic 28301  
certificate of title. However, if the evidence indicates and an 28302  
investigation shows that one or more Ohio titles already exist 28303  
for the watercraft or outboard motor, the chief may cause the 28304  
redundant title or titles to be canceled. 28305

(C) In the case of the sale of a watercraft or outboard 28306  
motor by a vendor to a general purchaser or user, the 28307  
certificate of title shall be obtained in the name of the 28308  
purchaser by the vendor upon application signed by the 28309  
purchaser. In all other cases, the certificate shall be obtained 28310  
by the purchaser. In all cases of transfer of watercraft or 28311  
outboard motors, the application for certificate of title shall 28312  
be filed within thirty days after the later of the date of 28313  
purchase or assignment of ownership of the watercraft or 28314  
outboard motor. If the application for certificate of title is 28315  
not filed within thirty days after the later of the date of 28316  
purchase or assignment of ownership of the watercraft or 28317  
outboard motor, the clerk shall charge a late penalty fee of 28318  
five dollars in addition to the fee prescribed by section 28319

1548.10 of the Revised Code. The clerk shall retain the entire amount of each late penalty fee.

(D) The clerk shall refuse to accept an application for certificate of title unless the applicant either tenders with the application payment of all taxes levied by or pursuant to Chapter 5739. or 5741. of the Revised Code based on the applicant's county of residence less, in the case of a sale by a vendor, any discount to which the vendor is entitled under section 5739.12 of the Revised Code, or submits any of the following:

(1) A receipt issued by the tax commissioner or a clerk of courts showing payment of the tax;

(2) A copy of the unit certificate of exemption completed by the purchaser at the time of sale as provided in section 5739.03 of the Revised Code;

(3) An exemption certificate, in a form prescribed by the tax commissioner, that specifies why the purchase is not subject to the tax imposed by Chapter 5739. or 5741. of the Revised Code.

Payment of the tax shall be in accordance with rules issued by the tax commissioner, and the clerk shall issue a receipt in the form prescribed by the tax commissioner to any applicant who tenders payment of the tax with the application for the certificate of title.

(E) (1) For receiving and disbursing the taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent of the taxes collected, which shall be paid into the certificate of title administration fund created by section 325.33 of the

Revised Code. The clerk shall not retain a poundage fee from 28349  
payments of taxes by persons who do not reside in the clerk's 28350  
county. 28351

(2) A clerk, however, may retain from the taxes paid to 28352  
the clerk an amount equal to the poundage fees associated with 28353  
certificates of title issued by other clerks of courts of common 28354  
pleas to applicants who reside in the first clerk's county. The 28355  
chief of the division of parks and watercraft, in consultation 28356  
with the tax commissioner and the clerks of the courts of common 28357  
pleas, shall develop a report from the automated title 28358  
processing system that informs each clerk of the amount of the 28359  
poundage fees that the clerk is permitted to retain from those 28360  
taxes because of certificates of title issued by the clerks of 28361  
other counties to applicants who reside in the first clerk's 28362  
county. 28363

(F) In the case of casual sales of watercraft or outboard 28364  
motors that are subject to the tax imposed by Chapter 5739. or 28365  
5741. of the Revised Code, the purchase price for the purpose of 28366  
determining the tax shall be the purchase price on an affidavit 28367  
executed and filed with the clerk by the vendor on a form to be 28368  
prescribed by the chief, which shall be prima-facie evidence of 28369  
the price for the determination of the tax. In addition to the 28370  
information required by section 1548.08 of the Revised Code, 28371  
each certificate of title shall contain in bold lettering the 28372  
following notification and statements: "WARNING TO TRANSFEROR 28373  
AND TRANSFEREE (SELLER AND BUYER). You are required by law to 28374  
state the true selling price. A false statement is a violation 28375  
of section 2921.13 of the Revised Code and is punishable by six 28376  
months imprisonment or a fine of up to one thousand dollars, or 28377  
both. All transfers are audited by the department of taxation. 28378  
The seller and buyer must provide any information requested by 28379

the department of taxation. The buyer may be assessed any 28380  
additional tax found to be due." 28381

(G) Each county clerk of courts shall forward to the ~~tax-~~ 28382  
~~commissioner~~ registrar of motor vehicles, in a manner prescribed 28383  
by the tax commissioner, all sales and use tax collections 28384  
resulting from sales of titled watercraft and outboard motors 28385  
during a calendar week on or before the Friday following the 28386  
close of that week. If, on any Friday, the offices of the clerk 28387  
of courts or the state are not open for business, the tax shall 28388  
be forwarded to the ~~commissioner~~ registrar on or before the next 28389

(4) To a claimant on behalf of a victim that assisted in 28954  
the commission of the violation of this chapter; 28955

(5) If the portion of the final order giving rise to a 28956  
restitution order or otherwise establishing a pecuniary loss to 28957

the victim is overturned on appeal. 28958

(H) If, after the division has made a restitution 28959  
assistance award from the Ohio investor recovery fund under this 28960

for public improvements may include the planning, design, 28975  
construction, reconstruction, enlargement, or alteration of any 28976  
public improvements and the acquisition of land for the 28977  
improvements. Plans for public improvements or public services 28978

improvement project by the special improvement district, between 29003  
a participating political subdivision and the special 29004  
improvement district, and between the special improvement 29005

directors may amend the plan. It may then submit the plan, 29023  
amended or otherwise, in the form of a petition to members of 29024

improvement, or those members who own at least seventy-five per 29030  
cent of the area to be assessed for the improvement or service, 29031  
the petition may be submitted to each legislative authority for 29032  
approval. Except as provided in division (H) of section 1710.02 29033

special energy improvement project or shoreline improvement 29040  
project. 29041

Each legislative authority shall, by resolution, approve 29042  
or reject the petition within sixty days after receiving it. If 29043  
the petition is approved by the legislative authority of each 29044  
participating political subdivision, the plan contained in the 29045  
petition shall be effective at the earliest date on which a 29046  
nonemergency resolution of the legislative authority with the 29047

latest effective date may become effective. A plan may not be 29048  
resubmitted to the legislative authorities and municipal 29049  
executives more than three times in any twelve-month period. 29050

(C) Each participating political subdivision shall levy, 29051  
by special assessment upon specially benefited property located 29052  
within the district, the costs of any public improvements or 29053  
public services plan contained in a petition approved by the 29054  
participating political subdivisions under this section or 29055  
division (F) of section 1710.02 of the Revised Code. The levy 29056  
shall be made in accordance with the procedures set forth in 29057  
Chapter 727. of the Revised Code, except that: 29058

assessment listed in section 727.01 of the Revised Code, 29061  
provided that the assessment is uniformly applied. 29062

(2) For the purpose of levying an assessment, the board of 29063  
directors may combine one or more improvements or services plans 29064  
or parts of plans and levy a single assessment against specially 29065  
benefited property. 29066

(3) For purposes of special assessments levied by a 29067  
township pursuant to this chapter, references in Chapter 727. of 29068  
the Revised Code to the municipal corporation shall be deemed to 29069  
refer to the township, and references to the legislative 29070  
authority of the municipal corporation shall be deemed to refer 29071  
to the board of township trustees. 29072

(4) Revenue collected from the levy of a special 29073  
assessment for the cost of a special energy improvement project 29074  
may be assigned and remitted to the ~~Ohio~~ office of air quality 29075  
development ~~authority~~ pursuant to an agreement entered into 29076

under section 3706.12 of the Revised Code. 29077

subdivision, including any participating political subdivision 29079  
in which a special improvement district is located, shall be 29080  
included in and be subject to special assessments made pursuant 29081  
to a plan adopted under this section or division (F) of section 29082  
1710.02 of the Revised Code, if the church or political 29083  
subdivision has specifically requested in writing that its 29084  
property be included within the special improvement district and 29085  
the church or political subdivision is a member of the district 29086  
or, in the case of a district created by an existing qualified 29087  
nonprofit corporation, if the church is a member of the 29088  
corporation. 29089

For tax years 2020 to 2024, qualifying real property, as 29090  
defined in section 727.031 of the Revised Code, is exempt from 29091  
special assessments levied under division (C) of this section, 29092  
provided no delinquent special assessments and related interest 29093  
and penalties are levied or assessed against any property owned 29094  
by the owner and operator of the qualifying real property for 29095  
that tax year. 29096

(D) All rights and privileges of property owners who are 29097  
assessed under Chapter 727. of the Revised Code shall be granted 29098  
to property owners assessed under this chapter, including those 29099  
rights and privileges specified in sections 727.15 to 727.17 and 29100

establish standards for certificates of authorization to be 29108  
issued to institutions as defined in section 1713.01 of the 29109

The chancellor shall adopt a rule under Chapter 119. of 29133  
the Revised Code establishing fees to pay the cost of reviewing 29134

that materially affects health and safety. Prior to the 29449

offense. 29511

(B) If a tenant or manufactured home park resident holding 29512  
under an oral tenancy is in default in the payment of rent, the 29513  
tenant or resident forfeits the right of occupancy, and the 29514  
landlord may, at the landlord's option, terminate the tenancy by 29515  
notifying the tenant or resident, as provided in section 1923.04 29516  
of the Revised Code, to leave the premises, for the restitution 29517

or other person is a resident, occupant, or person of that 29527  
nature, may terminate the rental agreement or tenancy for those 29528  
residential premises by notifying the tenant and all other 29529

but does not so terminate the rental agreement or tenancy, the 29534  
landlord is not liable in a tort or other civil action in 29535  
damages for any injury, death, or loss to person or property 29536  
that allegedly result from that decision. 29537

(D) This chapter does not apply to a student tenant as 29538  
defined by division (H) of section 5321.01 of the Revised Code 29539

of the Revised Code. 30840

(F) Upon the filing of a complaint alleging that a child 30841  
is an unruly child, the court may hold the complaint in abeyance 30842  
pending the child's successful completion of actions that 30843

from the juvenile court system, using the Rules of Juvenile 30856  
Procedure, or by any other means if such an alternative is 30857  
available to the court and the child has not already 30858  
participated or failed to complete one of the available 30859

alternatives. The court shall consider the complaint only as a matter of last resort. 30860  
30861

(H) If a complaint that a child is an unruly child based on the child being an habitual truant proceeds to consideration by the court, the prosecution shall bear the burden of proving beyond a reasonable doubt the following: 30862
