sewerage system; 63670

(2) Require a board of health, or other person as 63671  
established by rule, to conduct a site evaluation for any 63672  
proposed installation of a sewage treatment system; 63673

(3) Prescribe standards for the siting, design, 63674  
installation, operation, monitoring, maintenance, and 63675  
abandonment of sewage treatment systems that may be used in this 63676  
state and for the progressive or incremental alteration or 63677  
repair of an existing sewage treatment system or the progressive 63678  
or incremental installation of a new system to replace an 63679  
existing sewage treatment system. The rules shall be adopted so 63680  
as to establish a preference for the repair of an existing 63681  
sewage treatment system, when technically and economically 63682  
feasible, rather than its replacement with a new system. The 63683  
standards shall include at a minimum all of the following: 63684

(a) Soil absorption specifications and vertical separation 63685  
distances. 63686

(i) Soil absorption specifications established in rules 63687

shall include standards regarding the sizing of sewage treatment 63688  
systems in use in the state. 63689

(ii) In establishing soil absorption specifications and 63690  
vertical separation distances, the rules shall identify those 63691  
soil conditions that present a low or moderate risk of 63692  
inadequate treatment or dispersal of sewage from sewage 63693  
treatment systems. For low and moderate risk conditions, the 63694  
required vertical separation distance shall not exceed eighteen 63695  
inches except as authorized pursuant to rules adopted under 63696  
divisions (A) (3) (a) (iii) and (iv) of this section. 63697

In addition, the rules shall identify those soil 63698  
conditions that present a high risk of inadequate treatment or 63699  
dispersal of sewage. For such high risk conditions, the vertical 63700  
separation distance shall be set at a depth from twenty-four to 63701  
thirty-six inches and shall not be lowered unless a reduction of 63702  
vertical separation is granted in accordance with rules adopted 63703  
under division (A) (3) (a) (iii) of this section. 63704

(iii) The rules shall establish options to be utilized by 63705  
a board of health when approving the reductions of or compliance 63706  
with vertical separation distances that are established in rules 63707  
adopted under division (A) (3) (a) (ii) of this section. The 63708  
options for a board of health in providing such approval shall 63709  
include, but not be limited to: the use where deemed appropriate 63710  
for a particular site of subsurface interceptor drains, 63711  
perimeter drains, or engineered drainage; pretreatment of 63712  
sewage; or soil elevation. 63713

(iv) The rules shall provide that a board of health may 63714  
petition the director to increase the vertical separation 63715  
distances required for sewage treatment systems in the 63716  
applicable health district or a portion of the district when 63717

conditions present a high risk of inadequate treatment or 63718  
dispersal of sewage. The rules also shall provide that the 63719  
director may approve such a request upon a demonstration by the 63720  
board of health that unusual or unique local conditions relating 63721  
to terrain, bedrock, water table, soil fragments, or soil 63722  
textures require the establishment of greater vertical 63723  
separation distances within the jurisdiction of the board of 63724  
health or a portion thereof. If, under the rules, the director 63725  
of health approves a greater vertical separation distance, a 63726  
board of health still may approve a reduction of that vertical 63727  
separation distance for an individual sewage treatment system 63728  
pursuant to rules adopted under division (A) (3) (a) (iii) of this 63729  
section. Further, if, under the rules, the director approves a 63730  
greater vertical separation distance, a person who is denied 63731  
permission by a board of health to install or replace a sewage 63732  
treatment system as a result of the director's approval may 63733  
request a hearing in accordance with section 3718.11 of the 63734  
Revised Code. 63735

(b) Specifications for the quality of treated sewage 63736  
effluent from household sewage treatment systems that is applied 63737  
to soil on the property where a household sewage treatment 63738  
system is located. The specifications established in the rules 63739  
for the quality of effluent from discharging systems shall 63740  
comply with discharge requirements imposed by the national 63741  
pollutant discharge elimination system permit program 63742  
established under section 6111.03 of the Revised Code and rules 63743  
adopted under it. 63744

(c) Requirements for the reasonable maintenance of a 63745  
system according to maintenance requirements approved by the 63746  
director of health as recommended by the sewage treatment system 63747  
technical advisory committee or according to accepted standards 63748

and practices established in rules, as applicable. The 63749  
requirements may include standards for service contracts or 63750  
other arrangements that assure regular maintenance and upkeep of 63751  
the system. In determining the reasonableness of a maintenance 63752  
requirement, the director shall consider a manufacturer's 63753  
maintenance requirements as well as all other maintenance 63754  
alternatives. 63755

(4) Prescribe procedures for notification to boards of 63756  
health of the approval of a sewage treatment system or 63757  
components of a system by the director of health under section 63758  
3718.04 of the Revised Code; 63759

(5) Prescribe criteria and procedures under which boards 63760  
of health shall issue installation permits, operation permits, 63761  
and alteration permits for sewage treatment systems. The rules 63762  
shall require as a condition of an installation permit that the 63763  
installer of a system must warrant that the system was installed 63764  
in accordance with all applicable rules and design requirements. 63765  
In addition, the rules shall require a board of health, not 63766  
later than sixty days after the issuance of an installation, 63767  
operation, or alteration permit, to notify the director that the 63768  
permit was issued. The rules shall require the notification to 63769  
be in a format prescribed by the director and to include 63770  
information related to the issuance of the permit. With the 63771  
assistance of the department of health, a board of health, to 63772  
the extent practicable, shall computerize the process of the 63773  
issuance of permits for sewage treatment systems. 63774

(6) Require a board of health to inspect a sewage 63775  
treatment system not later than twelve months after its 63776  
installation to ensure that the system is operating properly. 63777  
The rules shall require a board of health, not later than sixty 63778

days after the inspection, to certify to the director on a form 63779  
provided by the director that the inspection was performed. 63780

(7) Require each board of health to develop a program for 63781  
the administration of maintenance requirements established in 63782  
rules adopted under division (A) (3) (c) of this section. The 63783  
rules shall include requirements and procedures under which a 63784  
person may demonstrate the required maintenance of a system in 63785  
lieu of having an inspection conducted when an inspection 63786  
otherwise is required. The rules shall require a board of health 63787  
to provide written notice to a person that is demonstrating 63788  
maintenance of a system in lieu of an inspection that if proof 63789  
of the required maintenance of the system is not provided as 63790  
required by rules, the system is subject to inspection by the 63791  
board and the reasonable cost of the inspection must be paid by 63792  
the person. The rules shall authorize a board of health to 63793  
inspect any sewage treatment system if there is a good-faith 63794  
complaint regarding the system, there is probable cause for the 63795  
inspection, or proof of the required maintenance of the system 63796  
has not been provided as required by rules. In addition, the 63797  
rules shall authorize a board of health to inspect a sewage 63798  
treatment system without prior notice in any instance in which 63799  
the board has probable cause to believe that the system is 63800  
endangering or threatening to endanger public health. The rules 63801  
shall require that the reasonable costs for sewage effluent 63802  
testing or evaluation be paid by the owner of a sewage treatment 63803  
system that is being investigated. Further, the rules shall 63804  
establish a methodology for determining the reasonable costs of 63805  
an inspection in accordance with section 3709.09 of the Revised 63806  
Code. The rules shall allow, but shall not require, a board of 63807  
health to continue an inspection program that was established by 63808  
the board prior to the effective date of the rules, provided 63809

that the program authorizes a person to demonstrate the required maintenance of a system in lieu of an inspection. 63810  
63811

(8) Require a board of health to register installers, 63812  
service providers, and septage haulers that perform work within 63813  
the health district; prescribe criteria and procedures for the 63814  
registration; and prescribe criteria for a demonstration of 63815  
competency as a part of the registration. The rules shall 63816  
establish uniform statewide bonding requirements or other 63817  
financial security requirements for installers, service 63818  
providers, and septage haulers as a condition of registration 63819  
within any health district. The rules shall establish a 63820  
methodology by which the required amount of a bond or other 63821  
security may be calculated for each installer, service provider, 63822  
and septage hauler. The methodology, at a minimum, shall 63823  
consider the number of systems installed or serviced and the 63824  
type of system installed or serviced by an installer, service 63825  
provider, or septage hauler on an annual basis. The rules shall 63826  
provide that no board of health shall require an additional or 63827  
different bond or security requirement as a condition of 63828  
registration beyond the bonding and security requirements 63829  
established in the rules adopted under division (A)(8) of this 63830  
section. 63831

The rules shall establish a cost methodology for 63832  
determining the fee for the registration of an installer, 63833  
service provider, or septage hauler in any health district. 63834

(9) Prescribe requirements for the collection, 63835  
transportation, disposal, and land application of domestic 63836  
septage in this state from a sewage treatment system; 63837

(10) Require boards of health to maintain records that are 63838  
determined necessary to ascertain compliance with this chapter 63839

and the rules adopted under it; 63840

(11) Require the manufacturer of a sewage treatment system 63841  
that is authorized for use in this state in rules adopted under 63842  
this section or that is approved for use in this state under 63843  
section 3718.04 of the Revised Code to provide instructions for 63844  
the operation and maintenance of the system. The rules shall 63845  
provide that a board of health may require a copy of a 63846  
manufacturer's instructions for the operation and maintenance of 63847  
a system to be filed with the board prior to the installation 63848  
and use of the system in the health district in which the board 63849  
has jurisdiction. In addition, the rules shall require a board 63850  
of health and a manufacturer to provide a copy of the operation 63851  
and maintenance instructions, if available, when a board of 63852  
health or a manufacturer receives a written request for 63853  
instructions. 63854

(12) Prescribe criteria for the provision of written 63855  
evidence of compliance with rules pertaining to sewage treatment 63856  
for purposes of sections 711.05 and 711.10 of the Revised Code; 63857

(13) Pursuant to divisions (A) (1) and (3) of this section, 63858  
prescribe standards for the siting, design, installation, 63859  
operation, monitoring, maintenance, and abandonment of small 63860  
flow on-site sewage treatment systems that may be used in this 63861  
state; 63862

(14) Prescribe minimum criteria and procedures under which 63863  
boards of health may establish household sewage treatment 63864  
district management programs for the purpose of providing a 63865  
responsive approach toward preventing or solving sewage 63866  
treatment problems resulting from household sewage treatment 63867  
systems within the districts established under the program. For 63868  
purposes of division (A) (14) of this section, a board of health 63869

may enter into a contract with any entity to administer a household sewage treatment district management program.

(15) Prescribe standards for the use of subsurface interceptor drains, perimeter drains, and engineered drainage to remove or divert any subsurface water from an area to be used for soil absorption of sewage in the soil of a sewage treatment system;

(16) Prescribe standards for the inspection of septage hauling truck tanks by boards of health, including, but not limited to, tank seal safety specifications;

(17) Establish standards and testing methods to ensure that all septic tanks, other disposal component tanks, dosing tanks, pump vaults, household sewage treatment disposal system holding tanks and privy vaults, or other applicable sewage disposal system components manufactured after September 17, 2010, and used in this state are watertight and structurally sound;

(18) Require a board of health to give notice and an opportunity for a hearing, pursuant to section 3718.11 of the Revised Code, to an affected property owner regarding any of the following:

(a) The denial of an installation, operation, or alteration permit for a sewage treatment system;

(b) The imposition of a condition on the installation of a sewage treatment system;

(c) The required replacement of a sewage treatment system;

(d) Any other final order or decision of a board of health that is made under this chapter concerning which a property

owner is claiming to be aggrieved or adversely affected. 63898

The rules also shall establish procedures for giving such 63899  
notice and for conducting the hearing required in rules adopted 63900  
under division (A) (18) of this section. 63901

(19) Prescribe standards for the regulation of gray water 63902  
recycling systems; 63903

(20) Prohibit a sewage treatment system from causing a 63904  
public health nuisance; 63905

(21) Define economic impact for purposes of division (B) 63906  
of this section and section 3718.022 of the Revised Code. 63907

The director may adopt other rules under division (A) of 63908  
this section that the director determines are necessary to 63909  
implement this chapter and to protect the public health and 63910  
welfare. 63911

At least sixty days prior to adopting a rule under 63912  
division (A) of this section, the director shall provide boards 63913  
of health and any other interested parties an opportunity to 63914  
comment on the rule. 63915

(B) (1) In accordance with section 3709.20 or 3709.21 of 63916  
the Revised Code, as applicable, and subject to review by and 63917  
approval of the director under division (C) of section 3718.05 63918  
of the Revised Code, a board of health may adopt rules necessary 63919  
for the public health providing for more stringent standards 63920  
than those established in rules adopted by the director under 63921  
division (A) of this section. In proposing or adopting the 63922  
rules, a board of health shall consider and document the 63923  
economic impact of the rules on property owners within the 63924  
applicable health district. 63925

(2) A board that intends to adopt rules shall notify the department of health of the proposed rules and submit a copy of the proposed rules and the documentation of the economic impact of the rules at least ninety days prior to the proposed date of adoption. The director shall approve or disapprove any such proposed rule within ninety days after receiving a copy of the proposed rule from the board of health.

(3) In reviewing a proposed rule, the director shall approve the rule if all of the following apply:

(a) The proposed rule is not in conflict with this chapter or rules adopted under it.

(b) The proposed rule is authorized by division (B) of this section.

(c) The proposed rule is no less stringent than rules adopted by the director.

(d) Unless otherwise authorized by this chapter or rules adopted under it, the proposed rule does not require design changes to a sewage treatment system, or component thereof, that differ from a design authorized in rules adopted under division (A) of this section, including rules adopted under division (A) (1) or (A) (3) (a) (iii) or (iv) of this section, or approved by the director under section 3718.04 of the Revised Code.

(e) The proposed rule does not require operation or maintenance procedures for a sewage treatment system that conflict with operation or maintenance procedures authorized in rules adopted under division (A) of this section, including rules adopted under division (A) (1) or (A) (3) (a) (iii) or (iv) of this section, or approved by the director under section 3718.04 of the Revised Code.

(4) If a board of health fails to submit a proposed rule to the director or fails to demonstrate that the board has considered the economic impact of the proposed rule, the rule shall have no force or effect and is not enforceable.

(C) The director shall not adopt rules under this chapter requiring a soil evaluator or soil scientist to evaluate the soil type and slope with respect to a sewage treatment system or a proposed sewage treatment system.

(B) The director of environmental protection, in 64512  
accordance with Chapter 119. of the Revised Code, shall adopt 64513  
rules necessary or appropriate to protect human health or safety 64514  
or the environment that do both of the following: 64515

(i) Either treat all specimen cultures and cultures of 64520  
viable infectious agents on the premises where they are 64521

generated to render them noninfectious by methods, techniques, 64522  
or practices prescribed by rules adopted under division (B) (2) 64523  
(a) of this section before they are transported off that 64524  
premises for disposal or ensure that such wastes are treated to 64525  
render them noninfectious at an infectious waste treatment 64526  
facility off that premises prior to disposal of the wastes; 64527

(ii) Transport and dispose of infectious wastes, if a 64528  
generator produces fewer than fifty pounds of infectious wastes 64529  
during any one month that are subject to and packaged and 64530  
labeled in accordance with federal requirements, in the same 64531  
manner as solid wastes. Such generators who treat specimen 64532

patient at the scene of an emergency or during the 64548  
transportation of the patient to a hospital; 64549

(v) May take wastes generated by an individual for 64550  
purposes of the individual's own care or treatment to and leave 64551

If a generator owns or operates facilities for the treatment of infectious wastes it generates, the certificate shall list the address and method of treatment used at each such facility.

A generator registration certificate is valid for three years from the date of issuance and shall be renewed for a term of three years upon the generator's submission of an application for renewal ~~and payment of a one hundred forty dollar renewal fee.~~

The rules may establish a system of staggered renewal dates with approximately one-third of such certificates subject to renewal each year. Nothing in this section and rules adopted under it prohibits a generator of infectious wastes from designating and managing any wastes, in addition to those defined as infectious wastes under section 3734.01 of the Revised Code, as infectious wastes. After designating any such other wastes as infectious, the generator shall manage those wastes in compliance with the requirements of this chapter and rules adopted under it applicable to the management of infectious wastes. 64584

that the incinerator unit and all areas where infectious wastes 64634  
are handled on the premises where the facility is proposed to be 64635  
located are at least three hundred feet inside the property line 64636  
of the tract of land on which the facility is proposed to be 64637  
located and are at least one thousand feet from any domicile, 64638  
school, prison, or jail that is in existence on the date on 64639

a solid waste facility without a license issued under this 64759  
division by the board of health of the health district in which 64760  
the facility is located or by the director of environmental 64761  
protection when the health district in which the facility is 64762  
located is not on the approved list under section 3734.08 of the 64763

a public community involvement session on the application 64914  
regarding the proposed new facility or, if the application 64915  
involves a modification for the expansion of a facility, the 64916  
proposed modified facility. The applicant shall hold the session 64917  
within the county in which the new or modified solid waste 64918  
facility is or is proposed to be located or within a contiguous 64919  
county. 64920

Not less than thirty days before holding the public 64921  
community involvement session, the applicant shall use best 64922  
efforts to notify all property owners of record as depicted in 64923  
the records of the county auditor, that are located within three 64924  
miles of the proposed facility boundary, of the date, time, and 64925  
location of the public community involvement session. The 64926  
applicant shall provide such notice either by certified mail or 64927  
by any method capable of documenting the intended recipient's 64928  
receipt of notice. 64929

Not less than thirty days before holding the public 64930  
community involvement session, the applicant shall publish 64931  
notice of the session in each newspaper of general circulation 64932  
that is published in the county in which the facility is or is 64933  
proposed to be located. The notice shall contain the date, time, 64934  
and location of the community involvement session, a general 64935

description of the proposed new or modified facility, and the 64936  
address to the publicly accessible web site maintained by the 64937  
applicant that includes the permit application and supporting 64938  
documents, community impact analysis, and public involvement 64939  
information. 64940

At the public community involvement session, the applicant 64941  
shall provide information about and describe the application and 64942  
community impact analysis and respond to comments or questions 64943  
concerning the application and community impact analysis. In 64944  
addition, any person may submit written or oral comments on or 64945  
objections to the application or community impact analysis. 64946

Not more than thirty days after the public community 64947  
involvement session, the applicant shall provide the director 64948  
with a copy of a transcript of the full session and copies of 64949  
any exhibits, displays, or other materials presented by the 64950  
applicant at the session. 64951

(e) Except as provided in division (A) (2) (f) of this 64952  
section, prior to taking an action, other than a proposed or 64953  
final denial, upon an application submitted under division (A) 64954  
(2) (a) of this section for a permit to open a new or modify an 64955  
existing solid waste facility, the director shall hold a public 64956  
information session and a public hearing on the application 64957  
within the county in which the new or modified solid waste 64958  
facility is or is proposed to be located or within a contiguous 64959  
county. If the application is for a permit to open a new solid 64960  
waste facility, the director shall hold the hearing not less 64961  
than fourteen days after the information session. If the 64962  
application is for a permit to modify an existing solid waste 64963  
facility, the director may hold both the information session and 64964  
the hearing on the same day unless any individual affected by 64965

the application requests in writing that the information session 64966  
and the hearing not be held on the same day, in which case the 64967  
director shall hold the hearing not less than fourteen days 64968  
after the information session. The director shall publish notice 64969  
of the public information session or public hearing not less 64970  
than thirty days before holding the information session or 64971  
hearing, as applicable. The notice shall be published in each 64972  
newspaper of general circulation that is published in the county 64973  
in which the facility is or is proposed to be located. ~~If no~~ 64974  
~~newspaper of general circulation is published in the county, the~~ 64975  
~~director shall publish the notice in a newspaper of general~~ 64976  
~~circulation in the county~~ or by publication on the environmental 64977  
protection agency's official web site. The notice shall contain 64978  
the date, time, and location of the information session or 64979  
hearing, as applicable, and a general description of the 64980  
proposed new or modified facility. At the public information 64981  
session, an officer or employee of the environmental protection 64982  
agency shall describe the status of the permit application and 64983  
be available to respond to comments or questions concerning the 64984  
application. At the public hearing, any person may submit 64985  
written or oral comments on or objections to the approval of the 64986  
application. The applicant, or a representative of the applicant 64987  
who has knowledge of the location, construction, and operation 64988  
of the facility, shall attend the information session and public 64989  
hearing to respond to comments or questions concerning the 64990  
facility directed to the applicant or representative by the 64991  
officer or employee of the environmental protection agency 64992  
presiding at the information session and hearing. 64993

(f) The solid waste management policy committee of a 64994  
county or joint solid waste management district may adopt a 64995  
resolution requesting expeditious consideration of a specific 64996

application submitted under division (A) (2) (a) of this section 64997  
for a permit to modify an existing solid waste facility within 64998  
the district. The resolution shall make the finding that 64999  
expedited consideration of the application without the public 65000  
information session and public hearing under division (A) (2) (e) 65001  
of this section is in the public interest and will not endanger 65002  
human health, as determined by the director by rules adopted in 65003  
accordance with Chapter 119. of the Revised Code. Upon receiving 65004  
such a resolution, the director, at the director's discretion, 65005  
may issue a final action upon the application without holding a 65006  
public information session or public hearing pursuant to 65007  
division (A) (2) (e) of this section. 65008

(3) The director may issue an order in accordance with 65009  
Chapter 3745. of the Revised Code to the owner or operator of a 65010  
solid waste facility requiring the person to submit to the 65011  
director updated engineering detail plans, specifications, and 65012  
information regarding the facility and its method of operation 65013  
for approval under rules adopted under division (A) of section 65014  
3734.02 of the Revised Code and applicable rules adopted under 65015  
division (D) of section 3734.12 of the Revised Code if, in the 65016  
director's judgment, conditions at the facility constitute a 65017  
substantial threat to public health or safety or are causing or 65018  
contributing to or threatening to cause or contribute to air or 65019  
water pollution or soil contamination. Any person who receives 65020  
such an order shall submit the updated engineering detail plans, 65021  
specifications, and information to the director within one 65022  
hundred eighty days after the effective date of the order. 65023

(4) The director shall act upon any updated engineering 65024  
plans, specifications, and information submitted under division 65025  
(A) (3) of this section within one hundred eighty days after 65026  
receiving them. If the director issues an order disapproving the 65027

plans, specifications, and information submitted under division 65028  
(A) (3) of this section, the order shall include all of the 65029  
following requirements: 65030

(a) That the owner or operator submit a plan for closure 65031  
and post-closure care of the facility to the director for 65032  
approval within six months after issuance of the order; 65033

(b) That the owner or operator cease accepting solid 65034  
wastes for disposal or transfer at the facility; and 65035

(c) The owner or operator commence closure of the facility 65036  
not later than one year after issuance of the order. 65037

If the director determines that closure of the facility 65038  
within that one-year period would result in the unavailability 65039  
of sufficient solid waste management facility capacity within 65040  
the county or joint solid waste management district in which the 65041  
facility is located to dispose of or transfer the solid waste 65042  
generated within the district, the director in the order of 65043  
disapproval may postpone commencement of closure of the facility 65044  
for such period of time as the director finds necessary for the 65045  
board of county commissioners or directors of the district to 65046  
secure access to or for there to be constructed within the 65047  
district sufficient solid waste management facility capacity to 65048  
meet the needs of the district, provided that the director shall 65049  
certify in the director's order that postponing the date for 65050  
commencement of closure will not endanger ground water or any 65051  
property surrounding the facility, allow methane gas migration 65052  
to occur, or cause or contribute to any other type of 65053  
environmental damage. 65054

If an emergency need for disposal capacity that may affect 65055  
public health and safety exists as a result of closure of a 65056

facility under division (A) (4) of this section, the director may 65057  
issue an order designating another solid waste facility to 65058  
accept the wastes that would have been disposed of at the 65059  
facility to be closed. 65060

(5) If the director determines that standards more 65061  
stringent than those applicable in rules adopted under division 65062  
(A) of section 3734.02 of the Revised Code and division (D) of 65063  
section 3734.12 of the Revised Code, or standards pertaining to 65064  
subjects not specifically addressed by those rules, are 65065  
necessary to ensure that a solid waste facility constructed at 65066  
the proposed location will not cause a nuisance, cause or 65067  
contribute to water pollution, or endanger public health or 65068  
safety, the director may issue a permit for the facility with 65069  
such terms and conditions as the director finds necessary to 65070  
protect public health and safety and the environment. If a 65071  
permit is issued, the director shall state in the order issuing 65072  
it the specific findings supporting each such term or condition. 65073

(6) Divisions (A) (1) and (2) (a) of this section do not 65074  
apply to a solid waste compost facility that accepts exclusively 65075  
source separated yard wastes and that is registered under 65076  
division (C) of section 3734.02 of the Revised Code or, unless 65077  
otherwise provided in rules adopted under division (N) (3) of 65078  
section 3734.02 of the Revised Code, to a solid waste compost 65079  
facility if the director has adopted rules establishing an 65080  
alternative system for authorizing the establishment, operation, 65081  
or modification of a solid waste compost facility under that 65082  
division. 65083

(7) Divisions (A) (1) to (5) of this section do not apply 65084  
to scrap tire collection, storage, monocell, monofill, and 65085  
recovery facilities. The approval of plans and specifications, 65086

as applicable, and the issuance of registration certificates, 65087  
permits, and licenses for those facilities are subject to 65088  
sections 3734.75 to 3734.78 of the Revised Code, as applicable, 65089  
and section 3734.81 of the Revised Code. 65090

(B) (1) No person shall operate or maintain an infectious 65091  
waste treatment facility without a license issued by the board 65092  
of health of the health district in which the facility is 65093  
located or by the director when the health district in which the 65094  
facility is located is not on the approved list under section 65095  
3734.08 of the Revised Code. 65096

(2) (a) During the month of December, but before the first 65097  
day of January of the next year, every person proposing to 65098  
continue to operate an existing infectious waste treatment 65099  
facility shall procure a license to operate the facility for 65100  
that year from the board of health of the health district in 65101  
which the facility is located or, if the health district is not 65102  
on the approved list under section 3734.08 of the Revised Code, 65103  
from the director. The application for such a license shall be 65104  
submitted to the board of health or to the director, as 65105  
appropriate, on or before the last day of September of the year 65106  
preceding that for which the license is sought. In addition to 65107  
the application fee prescribed in division (B) (2) (c) of this 65108  
section, a person who submits an application after that date 65109  
shall pay an additional ten per cent of the amount of the 65110  
application fee for each week that the application is late. Late 65111  
payment fees accompanying an application submitted to the board 65112  
of health shall be credited to the special infectious waste fund 65113  
of the health district created in division (C) of section 65114  
3734.06 of the Revised Code, and late payment fees accompanying 65115  
an application submitted to the director shall be credited to 65116  
the general revenue fund. A person who has received a license, 65117

upon sale or disposition of an infectious waste treatment 65118  
facility and upon consent of the board of health and the 65119  
director, may have the license transferred to another person. 65120  
The board of health or the director may include such terms and 65121  
conditions in a license or revision to a license as are 65122  
appropriate to ensure compliance with the infectious waste 65123  
provisions of this chapter and rules adopted under them. 65124

(b) Each person proposing to open a new infectious waste 65125  
treatment facility or to modify an existing infectious waste 65126  
treatment facility shall submit an application for a permit with 65127  
accompanying detail plans and specifications to the 65128  
environmental protection agency for required approval under the 65129  
rules adopted by the director pursuant to section 3734.021 of 65130  
the Revised Code two hundred seventy days before proposed 65131  
operation of the facility and concurrently shall make 65132  
application for a license with the board of health of the health 65133  
district in which the facility is or is proposed to be located. 65134  
Not later than ninety days after receiving a complete 65135  
application under division (B) (2) (b) of this section for a 65136  
permit to open a new infectious waste treatment facility or 65137  
modify an existing infectious waste treatment facility to expand 65138  
its treatment capacity, or receiving a complete application 65139  
under division (A) (2) (a) of this section for a permit to open a 65140  
new solid waste incineration facility, or modify an existing 65141  
solid waste incineration facility to also treat infectious 65142  
wastes or to increase its infectious waste treatment capacity, 65143  
that pertains to a facility for which a notation authorizing 65144  
infectious waste treatment is included or proposed to be 65145  
included in the solid waste incineration facility's license 65146  
pursuant to division (B) (3) of this section, the director shall 65147  
hold a public hearing on the application within the county in 65148

which the new or modified infectious waste or solid waste 65149  
facility is or is proposed to be located or within a contiguous 65150  
county. Not less than thirty days before holding the public 65151  
hearing on the application, the director shall publish notice of 65152  
the hearing in each newspaper that has general circulation and 65153  
that is published in the county in which the facility is or is 65154  
proposed to be located. ~~If there is no newspaper that has~~ 65155  
~~general circulation and that is published in the county, the~~ 65156  
~~director shall publish the notice in a newspaper of general~~ 65157  
~~circulation in the county~~ or by publication on the environmental 65158  
protection agency's official web site. The notice shall contain 65159  
the date, time, and location of the public hearing and a general 65160  
description of the proposed new or modified facility. At the 65161  
public hearing, any person may submit written or oral comments 65162  
on or objections to the approval or disapproval of the 65163  
application. The applicant, or a representative of the applicant 65164  
who has knowledge of the location, construction, and operation 65165  
of the facility, shall attend the public hearing to respond to 65166  
comments or questions concerning the facility directed to the 65167  
applicant or representative by the officer or employee of the 65168  
environmental protection agency presiding at the hearing. 65169

(c) Each application for a permit under division (B) (2) (b) 65170  
of this section shall be accompanied by a nonrefundable 65171  
application fee of four hundred dollars that shall be credited 65172  
to the general revenue fund. Each application for an annual 65173  
license under division (B) (2) (a) of this section shall be 65174  
accompanied by a nonrefundable application fee of one hundred 65175  
dollars. If the application for an annual license is submitted 65176  
to a board of health on the approved list under section 3734.08 65177  
of the Revised Code, the application fee shall be credited to 65178  
the special infectious waste fund of the health district created 65179

in division (C) of section 3734.06 of the Revised Code. If the 65180  
application for an annual license is submitted to the director, 65181  
the application fee shall be credited to the general revenue 65182  
fund. If a permit or license is issued, the amount of the 65183  
application fee paid shall be deducted from the amount of the 65184  
permit fee due under division ~~(Q)~~(P) of section 3745.11 of the 65185  
Revised Code or the amount of the license fee due under division 65186  
(C) of section 3734.06 of the Revised Code. 65187

(d) The director may issue an order in accordance with 65188  
Chapter 3745. of the Revised Code to the owner or operator of an 65189  
infectious waste treatment facility requiring the person to 65190  
submit to the director updated engineering detail plans, 65191  
specifications, and information regarding the facility and its 65192  
method of operation for approval under rules adopted under 65193  
section 3734.021 of the Revised Code if, in the director's 65194  
judgment, conditions at the facility constitute a substantial 65195  
threat to public health or safety or are causing or contributing 65196  
to or threatening to cause or contribute to air or water 65197  
pollution or soil contamination. Any person who receives such an 65198  
order shall submit the updated engineering detail plans, 65199  
specifications, and information to the director within one 65200  
hundred eighty days after the effective date of the order. 65201

(e) The director shall act on any updated engineering 65202  
plans, specifications, and information submitted under division 65203  
(B) (2) (d) of this section within one hundred eighty days after 65204  
receiving them. If the director disapproves any such updated 65205  
engineering plans, specifications, and information, the director 65206  
shall include in the order disapproving the plans the 65207  
requirement that the owner or operator cease accepting 65208  
infectious wastes for treatment at the facility. 65209

(3) Division (B) of this section does not apply to a generator of infectious wastes that meets any of the following conditions:

(a) Treats, by methods, techniques, and practices established by rules adopted under division (B) (2) (a) of section 3734.021 of the Revised Code, any of the following wastes:

(i) Infectious wastes that are generated on any premises that are owned or operated by the generator;

(ii) Infectious wastes that are generated by a generator who has staff privileges at a hospital as defined in section 3727.01 of the Revised Code;

(iii) Infectious wastes that are generated in providing care to a patient by an emergency medical services organization as defined in section 4765.01 of the Revised Code.

(b) Holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717. and a permit issued under Chapter 3704. of the Revised Code;

(c) Treats or disposes of dead animals or parts thereof, or the blood of animals, and is subject to any of the following:

(i) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended;

(ii) Chapter 918. of the Revised Code;

(iii) Chapter 953. of the Revised Code.

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to

obtain a license under division (B) of this section as an 65237  
infectious waste treatment facility. However, the solid waste 65238  
facility license for the facility shall include the notation 65239  
that the facility also treats infectious wastes. 65240

The director shall not issue a permit to open a new solid 65241  
waste incineration facility unless the proposed facility 65242  
complies with the requirements for the location of new 65243  
infectious waste incineration facilities established in rules 65244  
adopted under division (B) (2) (b) of section 3734.021 of the 65245  
Revised Code. 65246

(C) Except for a facility or activity described in 65247  
division (E) (3) of section 3734.02 of the Revised Code, a person 65248  
who proposes to establish or operate a hazardous waste facility 65249  
shall submit a complete application for a hazardous waste 65250  
facility installation and operation permit and accompanying 65251  
detail plans, specifications, and such information as the 65252  
director may require to the environmental protection agency at 65253  
least one hundred eighty days before the proposed beginning of 65254  
operation of the facility. The applicant shall notify by 65255  
certified mail the legislative authority of each municipal 65256  
corporation, township, and county in which the facility is 65257  
proposed to be located of the submission of the application 65258  
within ten days after the submission or at such earlier time as 65259  
the director may establish by rule. If the application is for a 65260  
proposed new hazardous waste disposal or thermal treatment 65261  
facility, the applicant also shall give actual notice of the 65262  
general design and purpose of the facility to the legislative 65263  
authority of each municipal corporation, township, and county in 65264  
which the facility is proposed to be located at least ninety 65265  
days before the permit application is submitted to the 65266  
environmental protection agency. 65267

In accordance with rules adopted under section 3734.12 of the Revised Code, prior to the submission of a complete application for a hazardous waste facility installation and operation permit, the applicant shall hold at least one meeting in the township or municipal corporation in which the facility is proposed to be located, whichever is geographically closer to the proposed location of the facility. The meeting shall be open to the public and shall be held to inform the community of the proposed hazardous waste management activities and to solicit questions from the community concerning the activities.

(D) (1) Except as provided in section 3734.123 of the Revised Code, upon receipt of a complete application for a hazardous waste facility installation and operation permit under division (C) of this section, the director shall consider the application and accompanying information to determine whether the application complies with agency rules and the requirements of division (D) (2) of this section. After making a determination, the director shall issue either a draft permit or a notice of intent to deny the permit. The director, in accordance with rules adopted under section 3734.12 of the Revised Code or with rules adopted to implement Chapter 3745. of the Revised Code, shall provide public notice of the application and the draft permit or the notice of intent to deny the permit, provide an opportunity for public comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I) (3) of this

section unless the director finds and determines as follows: 65299

(a) The nature and volume of the waste to be treated, 65300  
stored, or disposed of at the facility; 65301

(b) That the facility complies with the director's 65302  
hazardous waste standards adopted pursuant to section 3734.12 of 65303  
the Revised Code; 65304

(c) That the facility represents the minimum adverse 65305  
environmental impact, considering the state of available 65306  
technology and the nature and economics of various alternatives, 65307  
and other pertinent considerations; 65308

(d) That the facility represents the minimum risk of all 65309  
of the following: 65310

(i) Fires or explosions from treatment, storage, or 65311  
disposal methods; 65312

(ii) Release of hazardous waste during transportation of 65313  
hazardous waste to or from the facility; 65314

(iii) Adverse impact on the public health and safety. 65315

(e) That the facility will comply with this chapter and 65316  
Chapters 3704. and 6111. of the Revised Code and all rules and 65317  
standards adopted under them; 65318

(f) That if the owner of the facility, the operator of the 65319  
facility, or any other person in a position with the facility 65320  
from which the person may influence the installation and 65321  
operation of the facility has been involved in any prior 65322  
activity involving transportation, treatment, storage, or 65323  
disposal of hazardous waste, that person has a history of 65324  
compliance with this chapter and Chapters 3704. and 6111. of the 65325  
Revised Code and all rules and standards adopted under them, the 65326

"Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 65327  
42 U.S.C.A. 6921, as amended, and all regulations adopted under 65328  
it, and similar laws and rules of other states if any such prior 65329  
operation was located in another state that demonstrates 65330  
sufficient reliability, expertise, and competency to operate a 65331  
hazardous waste facility under the applicable provisions of this 65332  
chapter and Chapters 3704. and 6111. of the Revised Code, the 65333  
applicable rules and standards adopted under them, and terms and 65334  
conditions of a hazardous waste facility installation and 65335  
operation permit, given the potential for harm to the public 65336  
health and safety and the environment that could result from the 65337  
irresponsible operation of the facility. For off-site 65338  
facilities, as defined in section 3734.41 of the Revised Code, 65339  
the director may use the investigative reports of the attorney 65340  
general prepared pursuant to section 3734.42 of the Revised Code 65341  
as a basis for making a finding and determination under division 65342  
(D) (2) (f) of this section. 65343

(g) That the active areas within a new hazardous waste 65344  
facility where acute hazardous waste as listed in 40 C.F.R. 65345  
261.33 (e), as amended, or organic waste that is toxic and is 65346  
listed under 40 C.F.R. 261, as amended, is being stored, 65347  
treated, or disposed of and where the aggregate of the storage 65348  
design capacity and the disposal design capacity of all 65349  
hazardous waste in those areas is greater than two hundred fifty 65350  
thousand gallons, are not located or operated within any of the 65351  
following: 65352

(i) Two thousand feet of any residence, school, hospital, 65353  
jail, or prison; 65354

(ii) Any naturally occurring wetland; 65355

(iii) Any flood hazard area if the applicant cannot show 65356

that the facility will be designed, constructed, operated, and 65357  
maintained to prevent washout by a one-hundred-year flood. 65358

Division (D) (2) (g) of this section does not apply to the 65359  
facility of any applicant who demonstrates to the director that 65360  
the limitations specified in that division are not necessary 65361  
because of the nature or volume of the waste and the manner of 65362  
management applied, the facility will impose no substantial 65363  
danger to the health and safety of persons occupying the 65364  
structures listed in division (D) (2) (g) (i) of this section, and 65365  
the facility is to be located or operated in an area where the 65366  
proposed hazardous waste activities will not be incompatible 65367  
with existing land uses in the area. 65368

(h) That the facility will not be located within the 65369  
boundaries of a state park established or dedicated under 65370  
Chapter 1546. of the Revised Code, a state park purchase area 65371  
established under section 1546.06 of the Revised Code, any unit 65372  
of the national park system, or any property that lies within 65373  
the boundaries of a national park or recreation area, but that 65374  
has not been acquired or is not administered by the secretary of 65375  
the United States department of the interior, located in this 65376  
state, or any candidate area located in this state identified 65377  
for potential inclusion in the national park system in the 65378  
edition of the "national park system plan" submitted under 65379  
paragraph (b) of section 8 of "The Act of August 18, 1970," 84 65380  
Stat. 825, 16 U.S.C.A. 1a-5, as amended, current at the time of 65381  
filing of the application for the permit, unless the facility 65382  
will be used exclusively for the storage of hazardous waste 65383  
generated within the park or recreation area in conjunction with 65384  
the operation of the park or recreation area. Division (D) (2) (h) 65385  
of this section does not apply to the facility of any applicant 65386  
for modification of a permit unless the modification application 65387

proposes to increase the land area included in the facility or 65388  
to increase the quantity of hazardous waste that will be 65389  
treated, stored, or disposed of at the facility. 65390

(3) Not later than one hundred eighty days after the end 65391  
of the public comment period, the director, without prior 65392  
hearing, shall issue or deny the permit in accordance with 65393  
Chapter 3745. of the Revised Code. If the director approves an 65394  
application for a hazardous waste facility installation and 65395  
operation permit, the director shall issue the permit, upon such 65396  
terms and conditions as the director finds are necessary to 65397  
ensure the construction and operation of the hazardous waste 65398  
facility in accordance with the standards of this section. 65399

(E) No political subdivision of this state shall require 65400  
any additional zoning or other approval, consent, permit, 65401  
certificate, or condition for the construction or operation of a 65402  
hazardous waste facility authorized by a hazardous waste 65403  
facility installation and operation permit issued pursuant to 65404  
this chapter, nor shall any political subdivision adopt or 65405  
enforce any law, ordinance, or rule that in any way alters, 65406  
impairs, or limits the authority granted in the permit. 65407

(F) The director may issue a single hazardous waste 65408  
facility installation and operation permit to a person who 65409  
operates two or more adjoining facilities where hazardous waste 65410  
is stored, treated, or disposed of if the application includes 65411  
detail plans, specifications, and information on all facilities. 65412  
For the purposes of this section, "adjoining" means sharing a 65413  
common boundary, separated only by a public road, or in such 65414  
proximity that the director determines that the issuance of a 65415  
single permit will not create a hazard to the public health or 65416  
safety or the environment. 65417

(G) No person shall falsify or fail to keep or submit any plans, specifications, data, reports, records, manifests, or other information required to be kept or submitted to the director by this chapter or the rules adopted under it.

(H) (1) Each person who holds an installation and operation permit issued under this section and who wishes to obtain a permit renewal shall submit a completed application for an installation and operation permit renewal and any necessary accompanying general plans, detail plans, specifications, and such information as the director may require to the director no later than one hundred eighty days prior to the expiration date of the existing permit or upon a later date prior to the expiration of the existing permit if the permittee can demonstrate good cause for the late submittal. The director shall consider the application and accompanying information, inspection reports of the facility, results of performance tests, a report regarding the facility's compliance or noncompliance with the terms and conditions of its permit and rules adopted by the director under this chapter, and such other information as is relevant to the operation of the facility and shall issue a draft renewal permit or a notice of intent to deny the renewal permit. The director, in accordance with rules adopted under this section or with rules adopted to implement Chapter 3745. of the Revised Code, shall give public notice of the application and draft renewal permit or notice of intent to deny the renewal permit, provide for the opportunity for public comments within a specified time period, schedule a public meeting in the county in which the facility is located if significant interest is shown, and give public notice of the public meeting.

(2) Within sixty days after the public meeting or close of

the public comment period, the director, without prior hearing, 65449  
shall issue or deny the renewal permit in accordance with 65450  
Chapter 3745. of the Revised Code. The director shall not issue 65451  
a renewal permit unless the director determines that the 65452  
facility under the existing permit has a history of compliance 65453  
with this chapter, rules adopted under it, the existing permit, 65454  
or orders entered to enforce such requirements that demonstrates 65455  
sufficient reliability, expertise, and competency to operate the 65456  
facility henceforth under this chapter, rules adopted under it, 65457  
and the renewal permit. If the director approves an application 65458  
for a renewal permit, the director shall issue the permit 65459  
subject to the payment of the annual permit fee required under 65460  
division (E) of section 3734.02 of the Revised Code and upon 65461  
such terms and conditions as the director finds are reasonable 65462  
to ensure that continued operation, maintenance, closure, and 65463  
post-closure care of the hazardous waste facility are in 65464  
accordance with the rules adopted under section 3734.12 of the 65465  
Revised Code. 65466

(3) An installation and operation permit renewal 65467  
application submitted to the director that also contains or 65468  
would constitute an application for a modification shall be 65469  
acted upon by the director in accordance with division (I) of 65470  
this section in the same manner as an application for a 65471  
modification. In approving or disapproving the renewal portion 65472  
of a permit renewal application containing an application for a 65473  
modification, the director shall apply the criteria established 65474  
under division (H) (2) of this section. 65475

(4) An application for renewal or modification of a permit 65476  
that does not contain an application for a modification as 65477  
described in divisions (I) (3) (a) to (d) of this section shall 65478  
not be subject to division (D) (2) of this section. 65479

(I) (1) As used in this section, "modification" means a change or alteration to a hazardous waste facility or its operations that is inconsistent with or not authorized by its existing permit or authorization to operate. Modifications shall be classified as Class 1, 2, or 3 modifications in accordance with rules adopted under division (K) of this section. Modifications classified as Class 3 modifications, in accordance with rules adopted under that division, shall be further classified by the director as either Class 3 modifications that are to be approved or disapproved by the director under divisions (I) (3) (a) to (d) of this section or as Class 3 modifications that are to be approved or disapproved by the director under division (I) (5) of this section. Not later than thirty days after receiving a request for a modification under division (I) (4) of this section that is not listed in Appendix I to 40 C.F.R. 270.42 or in rules adopted under division (K) of this section, the director shall classify the modification and shall notify the owner or operator of the facility requesting the modification of the classification. Notwithstanding any other law to the contrary, a modification that involves the transfer of a hazardous waste facility installation and operation permit to a new owner or operator for any off-site facility as defined in section 3734.41 of the Revised Code shall be classified as a Class 3 modification. The transfer of a hazardous waste facility installation and operation permit to a new owner or operator for a facility that is not an off-site facility shall be classified as a Class 1 modification requiring prior approval of the director.

(2) Except as provided in section 3734.123 of the Revised Code, a hazardous waste facility installation and operation permit may be modified at the request of the director or upon

the written request of the permittee only if any of the 65511  
following applies: 65512

(a) The permittee desires to accomplish alterations, 65513  
additions, or deletions to the permitted facility or to 65514  
undertake alterations, additions, deletions, or activities that 65515  
are inconsistent with or not authorized by the existing permit; 65516

(b) New information or data justify permit conditions in 65517  
addition to or different from those in the existing permit; 65518

(c) The standards, criteria, or rules upon which the 65519  
existing permit is based have been changed by new, amended, or 65520  
rescinded standards, criteria, or rules, or by judicial decision 65521  
after the existing permit was issued, and the change justifies 65522  
permit conditions in addition to or different from those in the 65523  
existing permit; 65524

(d) The permittee proposes to transfer the permit to 65525  
another person. 65526

(3) The director shall approve or disapprove an 65527  
application for a modification in accordance with division (D) 65528  
(2) of this section and rules adopted under division (K) of this 65529  
section for all of the following categories of Class 3 65530  
modifications: 65531

(a) Authority to conduct treatment, storage, or disposal 65532  
at a site, location, or tract of land that has not been 65533  
authorized for the proposed category of treatment, storage, or 65534  
disposal activity by the facility's permit; 65535

(b) Modification or addition of a hazardous waste 65536  
management unit, as defined in rules adopted under section 65537  
3734.12 of the Revised Code, that results in an increase in a 65538  
facility's storage capacity of more than twenty-five per cent 65539

over the capacity authorized by the facility's permit, an 65540  
increase in a facility's treatment rate of more than twenty-five 65541  
per cent over the rate so authorized, or an increase in a 65542  
facility's disposal capacity over the capacity so authorized. 65543  
The authorized disposal capacity for a facility shall be 65544  
calculated from the approved design plans for the disposal units 65545  
at that facility. In no case during a five-year period shall a 65546  
facility's storage capacity or treatment rate be modified to 65547  
increase by more than twenty-five per cent in the aggregate 65548  
without the director's approval in accordance with division (D) 65549  
(2) of this section. Notwithstanding any provision of division 65550  
(I) of this section to the contrary, a request for modification 65551  
of a facility's annual total waste receipt limit shall be 65552  
classified and approved or disapproved by the director under 65553  
division (I) (5) of this section. 65554

(c) Authority to add any of the following categories of 65555  
regulated activities not previously authorized at a facility by 65556  
the facility's permit: storage at a facility not previously 65557  
authorized to store hazardous waste, treatment at a facility not 65558  
previously authorized to treat hazardous waste, or disposal at a 65559  
facility not previously authorized to dispose of hazardous 65560  
waste; or authority to add a category of hazardous waste 65561  
management unit not previously authorized at the facility by the 65562  
facility's permit. Notwithstanding any provision of division (I) 65563  
of this section to the contrary, a request for authority to add 65564  
or to modify an activity or a hazardous waste management unit 65565  
for the purposes of performing a corrective action shall be 65566  
classified and approved or disapproved by the director under 65567  
division (I) (5) of this section. 65568

(d) Authority to treat, store, or dispose of waste types 65569  
listed or characterized as reactive or explosive, in rules 65570

adopted under section 3734.12 of the Revised Code, or any acute hazardous waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not previously authorized to treat, store, or dispose of those types of wastes by the facility's permit unless the requested authority is limited to wastes that no longer exhibit characteristics meeting the criteria for listing or characterization as reactive or explosive wastes, or for listing as acute hazardous waste, but still are required to carry those waste codes as established in rules adopted under section 3734.12 of the Revised Code because of the requirements established in 40 C.F.R. 261(a) and (e), as amended, that is, the "mixture," "derived-from," or "contained-in" regulations.

(4) A written request for a modification from the permittee shall be submitted to the director and shall contain such information as is necessary to support the request. Requests for modifications shall be acted upon by the director in accordance with this section and rules adopted under it.

(5) Class 1 modification applications that require prior approval of the director, as provided in division (I)(1) of this section or as determined in accordance with rules adopted under division (K) of this section, Class 2 modification applications, and Class 3 modification applications that are not described in divisions (I)(3)(a) to (d) of this section shall be approved or disapproved by the director in accordance with rules adopted under division (K) of this section. The board of county commissioners of the county, the board of township trustees of the township, and the city manager or mayor of the municipal corporation in which a hazardous waste facility is located shall receive notification of any application for a modification for that facility and shall be considered as interested persons with respect to the director's consideration of the application.

As used in division (I) of this section: 65602

(a) "Owner" means the person who owns a majority or 65603  
controlling interest in a facility. 65604

(b) "Operator" means the person who is responsible for the 65605  
overall operation of a facility. 65606

The director shall approve or disapprove an application 65607  
for a Class 1 modification that requires the director's approval 65608  
within sixty days after receiving the request for modification. 65609  
The director shall approve or disapprove an application for a 65610  
Class 2 modification within three hundred days after receiving 65611  
the request for modification. The director shall approve or 65612  
disapprove an application for a Class 3 modification within 65613  
three hundred sixty-five days after receiving the request for 65614  
modification. 65615

(6) The approval or disapproval by the director of a Class 65616  
1 modification application is not a final action that is 65617  
appealable under Chapter 3745. of the Revised Code. The approval 65618  
or disapproval by the director of a Class 2 modification or a 65619  
Class 3 modification is a final action that is appealable under 65620  
that chapter. In approving or disapproving a request for a 65621  
modification, the director shall consider all comments 65622  
pertaining to the request that are received during the public 65623  
comment period and the public meetings. The administrative 65624  
record for appeal of a final action by the director in approving 65625  
or disapproving a request for a modification shall include all 65626  
comments received during the public comment period relating to 65627  
the request for modification, written materials submitted at the 65628  
public meetings relating to the request, and any other documents 65629  
related to the director's action. 65630

(7) Notwithstanding any other provision of law to the contrary, a change or alteration to a hazardous waste facility described in division (E) (3) (a) or (b) of section 3734.02 of the Revised Code, or its operations, is a modification for the purposes of this section. An application for a modification at such a facility shall be submitted, classified, and approved or disapproved in accordance with divisions (I) (1) to (6) of this section in the same manner as a modification to a hazardous waste facility installation and operation permit.

(J) (1) Except as provided in division (J) (2) of this section, an owner or operator of a hazardous waste facility that is operating in accordance with a permit by rule under rules adopted by the director under division (E) (3) (b) of section 3734.02 of the Revised Code shall submit either a hazardous waste facility installation and operation permit application for the facility or a modification application, whichever is required under division (J) (1) (a) or (b) of this section, within one hundred eighty days after the director has requested the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal.

(a) If the owner or operator does not have a hazardous waste facility installation and operation permit for any hazardous waste treatment, storage, or disposal activities at the facility, the owner or operator shall submit an application for such a permit to the director for the activities authorized by the permit by rule. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the application for the permit in accordance with the procedures governing the approval or disapproval of permit renewals under division (H) of this section.

(b) If the owner or operator has a hazardous waste facility installation and operation permit for hazardous waste treatment, storage, or disposal activities at the facility other than those authorized by the permit by rule, the owner or operator shall submit to the director a request for modification in accordance with division (I) of this section. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the modification application in accordance with division (I)(5) of this section.

(2) The owner or operator of a boiler or industrial furnace that is conducting thermal treatment activities in accordance with a permit by rule under rules adopted by the director under division (E)(3)(b) of section 3734.02 of the Revised Code shall submit a hazardous waste facility installation and operation permit application if the owner or operator does not have such a permit for any hazardous waste treatment, storage, or disposal activities at the facility or, if the owner or operator has such a permit for hazardous waste treatment, storage, or disposal activities at the facility other than thermal treatment activities authorized by the permit by rule, a modification application to add those activities authorized by the permit by rule, whichever is applicable, within one hundred eighty days after the director has requested the submission of the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal. The application shall be accompanied by information necessary to support the request. The director shall approve or disapprove an application for a hazardous waste facility installation and operation permit in accordance with division (D) of this section and approve or disapprove an application for a modification in accordance with division (I)

(3) of this section, except that the director shall not 65692  
disapprove an application for the thermal treatment activities 65693  
on the basis of the criteria set forth in division (D) (2) (g) or 65694  
(h) of this section. 65695

(3) As used in division (J) of this section: 65696

(a) "Modification application" means a request for a 65697  
modification submitted in accordance with division (I) of this 65698  
section. 65699

(b) "Thermal treatment," "boiler," and "industrial 65700  
furnace" have the same meanings as in rules adopted under 65701  
section 3734.12 of the Revised Code. 65702

(K) The director shall adopt, and may amend, suspend, or 65703  
rescind, rules in accordance with Chapter 119. of the Revised 65704  
Code in order to implement divisions (H) and (I) of this 65705  
section. Except when in actual conflict with this section, rules 65706  
governing the classification of and procedures for the 65707  
modification of hazardous waste facility installation and 65708  
operation permits shall be substantively and procedurally 65709  
identical to the regulations governing hazardous waste facility 65710  
permitting and permit modifications adopted under the "Resource 65711  
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 65712  
U.S.C.A. 6921, as amended. 65713

this division. In the case of solid wastes that are not taken to 65750  
a solid waste transfer facility located in this state prior to 65751  
being transported to a solid waste disposal facility, the fees 65752  
shall be collected by the owner or operator of the solid waste 65753

required to be collected under this division at such a disposal 65755  
facility shall equal the total tonnage of solid wastes received 65756  
at the facility that was not previously taken to a solid waste 65757  
transfer facility located in this state multiplied by the fees 65758  
levied under this division. Fees levied under this division do 65759  
not apply to materials separated from a mixed waste stream for 65760  
recycling by a generator or materials removed from the solid 65761  
waste stream through recycling, as "recycling" is defined in 65762  
rules adopted under section 3734.02 of the Revised Code. 65763

The owner or operator of a solid waste transfer facility 65764

the director of environmental protection each month a return 65766  
indicating the total tonnage of solid wastes received at the 65767  
facility during that month and the total amount of the fees 65768  
required to be collected under this division during that month. 65769  
In addition, the owner or operator of a solid waste disposal 65770  
facility shall indicate on the return the total tonnage of solid 65771  
wastes received from transfer facilities located in this state 65772  
during that month for which the fees were required to be 65773  
collected by the transfer facilities. The monthly returns shall 65774  
be filed on a form prescribed by the director. Not later than 65775  
thirty days after the last day of the month to which a return 65776  
applies, the owner or operator shall mail to the director the 65777  
return for that month together with the fees required to be 65778  
collected under this division during that month as indicated on 65779  
the return or may submit the return and fees electronically in a 65780

manner approved by the director. If the return is filed and the amount of the fees due is paid in a timely manner as required in this division, the owner or operator may retain a discount of three-fourths of one per cent of the total amount of the fees that are required to be paid as indicated on the return.

The owner or operator may request an extension of not more than thirty days for filing the return and remitting the fees, provided that the owner or operator has submitted such a request in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within thirty days after the last day of the month to which the return applies or are not remitted by the last day of an extension approved by the director, the owner or operator shall not retain the three-fourths of one per cent discount and shall pay an additional ten per cent of the amount of the fees for each month that they are late. For purposes of calculating the late fee, the first month in which fees are late begins on the first day after the deadline has passed for timely submitting the return and fees, and one additional month shall be counted every thirty days thereafter.

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A

Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted 65812  
under it. Prior to making a request for a refund or credit, an 65813  
owner or operator shall make reasonable efforts to collect the 65814  
applicable fees. A request for a refund or credit shall not 65815  
include any costs resulting from those efforts to collect unpaid 65816  
fees. 65817

A request for a refund or credit of fees shall be made in 65818  
writing, on a form prescribed by the director, and shall be 65819  
supported by evidence that may be required in rules adopted by 65820  
the director under this chapter. After reviewing the request, 65821  
and if the request and evidence submitted with the request 65822  
indicate that a refund or credit is warranted, the director 65823  
shall grant a refund to the owner or operator or shall permit a 65824  
credit to be taken by the owner or operator on a subsequent 65825  
monthly return submitted by the owner or operator. The amount of 65826  
a refund or credit shall not exceed an amount that is equal to 65827  
ninety days' worth of fees owed to an owner or operator by a 65828  
particular debtor of the owner or operator. A refund or credit 65829  
shall not be granted by the director to an owner or operator 65830  
more than once in any twelve-month period for fees owed to the 65831  
owner or operator by a particular debtor. 65832

If, after receiving a refund or credit from the director, 65833  
an owner or operator receives payment of all or part of the 65834  
fees, the owner or operator shall remit the fees with the next 65835  
monthly return submitted to the director together with a written 65836  
explanation of the reason for the submittal. 65837

For purposes of computing the fees levied under this 65838  
division or division (B) of this section, any solid waste 65839  
transfer or disposal facility that does not use scales as a 65840  
means of determining gate receipts shall use a conversion factor 65841

of three cubic yards per ton of solid waste or one cubic yard 65842  
per ton for baled waste, as applicable. 65843

The fees levied under this division and divisions (B) and 65844  
(C) of this section are in addition to all other applicable fees 65845  
and taxes and shall be paid by the customer or a political 65846  
subdivision to the owner or operator of a solid waste transfer 65847  
or disposal facility. In the alternative, the fees shall be paid 65848  
by a customer or political subdivision to a transporter of waste 65849  
who subsequently transfers the fees to the owner or operator of 65850  
such a facility. The fees shall be paid notwithstanding the 65851  
existence of any provision in a contract that the customer or a 65852  
political subdivision may have with the owner or operator or 65853  
with a transporter of waste to the facility that would not 65854  
require or allow such payment regardless of whether the contract 65855  
was entered prior to or after October 16, 2009. For those 65856  
purposes, "customer" means a person who contracts with, or 65857  
utilizes the solid waste services of, the owner or operator of a 65858  
solid waste transfer or disposal facility or a transporter of 65859  
solid waste to such a facility. 65860

(B) For the purposes specified in division (G) of this 65861  
section, the solid waste management policy committee of a county 65862  
or joint solid waste management district may levy fees upon the 65863  
following activities: 65864

(1) The disposal at a solid waste disposal facility 65865  
located in the district of solid wastes generated within the 65866  
district; 65867

(2) The disposal at a solid waste disposal facility within 65868  
the district of solid wastes generated outside the boundaries of 65869  
the district, but inside this state; 65870

(3) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.

The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B) (1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A) of this section.

The fee levied under division (B) (1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B) (2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B) (3) of this section shall be not more than the fee levied under division (B) (1) of this section.

Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare and publish the resolution and a notice of the

time and location where a public hearing on the fees will be 65901  
held. Upon adopting the resolution, the committee shall deliver 65902  
written notice of the adoption of the resolution; of the amount 65903  
of the proposed fees; and of the date, time, and location of the 65904  
public hearing to the director and to the fifty industrial, 65905  
commercial, or institutional generators of solid wastes within 65906  
the district that generate the largest quantities of solid 65907  
wastes, as determined by the committee, and to their local trade 65908  
associations. The committee shall make good faith efforts to 65909  
identify those generators within the district and their local 65910  
trade associations, but the nonprovision of notice under this 65911  
division to a particular generator or local trade association 65912  
does not invalidate the proceedings under this division. The 65913  
publication shall occur at least thirty days before the hearing. 65914  
After the hearing, the committee may make such revisions to the 65915  
proposed fees as it considers appropriate and thereafter, by 65916  
resolution, shall adopt the revised fee schedule. Upon adopting 65917  
the revised fee schedule, the committee shall deliver a copy of 65918  
the resolution doing so to the board of county commissioners of 65919  
each county forming the district and to the legislative 65920  
authority of each municipal corporation and township under the 65921  
jurisdiction of the district. Within sixty days after the 65922  
delivery of a copy of the resolution adopting the proposed 65923  
revised fees by the policy committee, each such board and 65924  
legislative authority, by ordinance or resolution, shall approve 65925  
or disapprove the revised fees and deliver a copy of the 65926  
ordinance or resolution to the committee. If any such board or 65927  
legislative authority fails to adopt and deliver to the policy 65928  
committee an ordinance or resolution approving or disapproving 65929  
the revised fees within sixty days after the policy committee 65930  
delivered its resolution adopting the proposed revised fees, it 65931  
shall be conclusively presumed that the board or legislative 65932

authority has approved the proposed revised fees. The committee 65933  
shall determine if the resolution has been ratified in the same 65934  
manner in which it determines if a draft solid waste management 65935  
plan has been ratified under division (B) of section 3734.55 of 65936  
the Revised Code. 65937

The committee may amend the schedule of fees levied 65938  
pursuant to a resolution adopted and ratified under this 65939  
division by adopting a resolution establishing the proposed 65940  
amount of the amended fees. The committee may repeal the fees 65941  
levied pursuant to such a resolution by adopting a resolution 65942  
proposing to repeal them. Upon adopting such a resolution, the 65943  
committee shall proceed to obtain ratification of the resolution 65944  
in accordance with this division. 65945

Not later than fourteen days after declaring the new fees 65946  
to be ratified or the fees to be repealed under this division, 65947  
the committee shall notify by certified mail the owner or 65948  
operator of each solid waste disposal facility that is required 65949  
to collect the fees of the ratification and the amount of the 65950  
fees or of the repeal of the fees. Collection of any fees shall 65951  
commence or collection of repealed fees shall cease on the first 65952  
day of the second month following the month in which 65953  
notification is sent to the owner or operator. 65954

Fees levied under this division also may be established, 65955  
amended, or repealed by a solid waste management policy 65956  
committee through the adoption of a new district solid waste 65957  
management plan, the adoption of an amended plan, or the 65958  
amendment of the plan or amended plan in accordance with 65959  
sections 3734.55 and 3734.56 of the Revised Code or the adoption 65960  
or amendment of a district plan in connection with a change in 65961  
district composition under section 3734.521 of the Revised Code. 65962

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid

waste disposal facility that is required to collect the 65994  
district's fees that the change is to take effect on the first 65995  
day of January immediately following the issuance of the notice 65996  
and of the amount of the fees or amended fees levied under 65997  
divisions (B) (1) to (3) of this section pursuant to the 65998  
district's initial or amended plan as so approved or, if 65999  
appropriate, the repeal of the district's fees by that initial 66000  
or amended plan. Collection of any fees set forth in such a plan 66001  
or amended plan shall commence on the first day of January 66002  
immediately following the issuance of the notice. If such an 66003  
initial or amended plan repeals a schedule of fees, collection 66004  
of the fees shall cease on that first day of January. 66005

If, in the case of a change in district composition 66006  
involving the withdrawal of a county from a joint district, the 66007  
director completes the actions required under division (G) (1) or 66008  
(3) of section 3734.521 of the Revised Code, as appropriate, 66009  
less than forty-five days before the beginning of a calendar 66010  
year, the director, on behalf of each of the districts resulting 66011  
from the change that obtained the director's approval of an 66012  
initial or amended plan in connection with the change 66013  
proceedings, shall notify by certified mail the owner or 66014  
operator of each solid waste disposal facility that is required 66015  
to collect the district's fees that the change is to take effect 66016  
on the first day of January immediately following the mailing of 66017  
the notice and of the amount of the fees or amended fees levied 66018  
under divisions (B) (1) to (3) of this section pursuant to the 66019  
district's initial or amended plan as so approved or, if 66020  
appropriate, the repeal of the district's fees by that initial 66021  
or amended plan. Collection of any fees set forth in such a plan 66022  
or amended plan shall commence on the first day of the second 66023  
month following the month in which notification is sent to the 66024

owner or operator. If such an initial or amended plan repeals a  
schedule of fees, collection of the fees shall cease on the  
first day of the second month following the month in which  
notification is sent to the owner or operator.

If the schedule of fees that a solid waste management  
district is levying under divisions (B) (1) to (3) of this  
section is amended or repealed, the fees in effect immediately  
prior to the amendment or repeal shall continue to be collected  
until collection of the amended fees commences or collection of  
the repealed fees ceases, as applicable, as specified in this  
division. In the case of a change in district composition, money  
so received from the collection of the fees of the former  
districts shall be divided among the resulting districts in  
accordance with division (B) of section 343.012 of the Revised  
Code and the agreements entered into under division (B) of  
section 343.01 of the Revised Code to establish the former and  
resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this  
section establishing the times when newly established or amended  
fees levied by a district are required to commence and the  
collection of fees that have been amended or repealed is  
required to cease, "fees" or "schedule of fees" includes, in  
addition to fees levied under divisions (B) (1) to (3) of this  
section, those levied under section 3734.573 or 3734.574 of the  
Revised Code.

(C) For the purposes of defraying the added costs to a  
municipal corporation or township of maintaining roads and other  
public facilities and of providing emergency and other public  
services, and compensating a municipal corporation or township  
for reductions in real property tax revenues due to reductions

in real property valuations resulting from the location and 66055  
operation of a solid waste disposal facility within the 66056  
municipal corporation or township, a municipal corporation or 66057  
township in which such a solid waste disposal facility is 66058  
located may levy a fee of not more than twenty-five cents per 66059  
ton on the disposal of solid wastes at a solid waste disposal 66060  
facility located within the boundaries of the municipal 66061  
corporation or township regardless of where the wastes were 66062  
generated. 66063

The legislative authority of a municipal corporation or 66064  
township may levy fees under this division by enacting an 66065  
ordinance or adopting a resolution establishing the amount of 66066  
the fees. Upon so doing the legislative authority shall mail a 66067  
certified copy of the ordinance or resolution to the board of 66068  
county commissioners or directors of the county or joint solid 66069  
waste management district in which the municipal corporation or 66070  
township is located or, if a regional solid waste management 66071  
authority has been formed under section 343.011 of the Revised 66072  
Code, to the board of trustees of that regional authority, the 66073  
owner or operator of each solid waste disposal facility in the 66074  
municipal corporation or township that is required to collect 66075  
the fee by the ordinance or resolution, and the director of 66076  
environmental protection. Although the fees levied under this 66077  
division are levied on the basis of tons as the unit of 66078  
measurement, the legislative authority, in its ordinance or 66079  
resolution levying the fees under this division, may direct that 66080  
the fees be levied on the basis of cubic yards as the unit of 66081  
measurement based upon a conversion factor of three cubic yards 66082  
per ton generally or one cubic yard per ton for baled wastes. 66083

Not later than five days after enacting an ordinance or 66084  
adopting a resolution under this division, the legislative 66085

authority shall so notify by certified mail the owner or 66086  
operator of each solid waste disposal facility that is required 66087  
to collect the fee. Collection of any fee levied on or after 66088  
March 24, 1992, shall commence on the first day of the second 66089  
month following the month in which notification is sent to the 66090  
owner or operator. 66091

(D) (1) The fees levied under divisions (A), (B), and (C) 66092  
of this section do not apply to the disposal of solid wastes 66093  
that: 66094

(a) Are disposed of at a facility owned by the generator 66095  
of the wastes when the solid waste facility exclusively disposes 66096  
of solid wastes generated at one or more premises owned by the 66097  
generator regardless of whether the facility is located on a 66098  
premises where the wastes are generated; 66099

(b) Are generated from the combustion of coal, or from the 66100  
combustion of primarily coal, regardless of whether the disposal 66101  
facility is located on the premises where the wastes are 66102  
generated; 66103

(c) Are asbestos or asbestos-containing materials or 66104  
products disposed of at a construction and demolition debris 66105  
facility that is licensed under Chapter 3714. of the Revised 66106  
Code or at a solid waste facility that is licensed under this 66107  
chapter. 66108

(2) Except as provided in section 3734.571 of the Revised 66109  
Code, any fees levied under division (B) (1) of this section 66110  
apply to solid wastes originating outside the boundaries of a 66111  
county or joint district that are covered by an agreement for 66112  
the joint use of solid waste facilities entered into under 66113  
section 343.02 of the Revised Code by the board of county 66114

commissioners or board of directors of the county or joint 66115  
district where the wastes are generated and disposed of. 66116

(3) When solid wastes, other than solid wastes that 66117  
consist of scrap tires, are burned in a disposal facility that 66118  
is an incinerator or energy recovery facility, the fees levied 66119  
under divisions (A), (B), and (C) of this section shall be 66120  
levied upon the disposal of the fly ash and bottom ash remaining 66121  
after burning of the solid wastes and shall be collected by the 66122  
owner or operator of the sanitary landfill where the ash is 66123  
disposed of. 66124

(4) When solid wastes are delivered to a solid waste 66125  
transfer facility, the fees levied under divisions (B) and (C) 66126  
of this section shall be levied upon the disposal of solid 66127  
wastes transported off the premises of the transfer facility for 66128  
disposal and shall be collected by the owner or operator of the 66129  
solid waste disposal facility where the wastes are disposed of. 66130

(5) The fees levied under divisions (A), (B), and (C) of 66131  
this section do not apply to sewage sludge that is generated by 66132  
a waste water treatment facility holding a national pollutant 66133  
discharge elimination system permit and that is disposed of 66134  
through incineration, land application, or composting or at 66135  
another resource recovery or disposal facility that is not a 66136  
landfill. 66137

(6) The fees levied under divisions (A), (B), and (C) of 66138  
this section do not apply to solid wastes delivered to a solid 66139  
waste composting facility for processing. When any unprocessed 66140  
solid waste or compost product is transported off the premises 66141  
of a composting facility and disposed of at a landfill, the fees 66142  
levied under divisions (A), (B), and (C) of this section shall 66143  
be collected by the owner or operator of the landfill where the 66144

unprocessed waste or compost product is disposed of. 66145

(7) When solid wastes that consist of scrap tires are 66146  
processed at a scrap tire recovery facility, the fees levied 66147  
under divisions (A), (B), and (C) of this section shall be 66148  
levied upon the disposal of the fly ash and bottom ash or other 66149  
solid wastes remaining after the processing of the scrap tires 66150  
and shall be collected by the owner or operator of the solid 66151  
waste disposal facility where the ash or other solid wastes are 66152  
disposed of. 66153

(8) The director of environmental protection may issue an 66154  
order exempting from the fees levied under this section solid 66155  
wastes, including, but not limited to, scrap tires, that are 66156  
generated, transferred, or disposed of as a result of a contract 66157  
providing for the expenditure of public funds entered into by 66158  
the administrator or regional administrator of the United States 66159  
environmental protection agency, the director of environmental 66160  
protection, or the director of administrative services on behalf 66161  
of the director of environmental protection for the purpose of 66162  
remediating conditions at a hazardous waste facility, solid 66163  
waste facility, or other location at which the administrator or 66164  
regional administrator or the director of environmental 66165  
protection has reason to believe that there is a substantial 66166  
threat to public health or safety or the environment or that the 66167  
conditions are causing or contributing to air or water pollution 66168  
or soil contamination. An order issued by the director of 66169  
environmental protection under division (D) (8) of this section 66170  
shall include a determination that the amount of the fees not 66171  
received by a solid waste management district as a result of the 66172  
order will not adversely impact the implementation and financing 66173  
of the district's approved solid waste management plan and any 66174  
approved amendments to the plan. Such an order is a final action 66175

of the director of environmental protection. 66176

(E) The fees levied under divisions (B) and (C) of this 66177  
section shall be collected by the owner or operator of the solid 66178  
waste disposal facility where the wastes are disposed of as a 66179  
trustee for the county or joint district and municipal 66180  
corporation or township where the wastes are disposed of. Moneys 66181  
from the fees levied under division (B) of this section shall be 66182  
forwarded to the board of county commissioners or board of 66183  
directors of the district in accordance with rules adopted under 66184  
division (H) of this section. Moneys from the fees levied under 66185  
division (C) of this section shall be forwarded to the treasurer 66186  
or such other officer of the municipal corporation as, by virtue 66187  
of the charter, has the duties of the treasurer or to the fiscal 66188  
officer of the township, as appropriate, in accordance with 66189  
those rules. 66190

(F) Moneys received by the treasurer or other officer of 66191  
the municipal corporation under division (E) of this section 66192  
shall be paid into the general fund of the municipal 66193  
corporation. Moneys received by the fiscal officer of the 66194  
township under that division shall be paid into the general fund 66195  
of the township. The treasurer or other officer of the municipal 66196  
corporation or the township fiscal officer, as appropriate, 66197  
shall maintain separate records of the moneys received from the 66198

management plan under section 3734.55 of the Revised Code, 66291  
moneys in the special fund of the district arising from the fees 66292  
shall be expended for those purposes in the manner prescribed by 66293  
the solid waste management policy committee by resolution. 66294

Notwithstanding division (G) (6) of this section as it 66295  
existed prior to October 29, 1993, or any provision in a 66296  
district's solid waste management plan prepared in accordance 66297  
with division (B) (2) (e) of section 3734.53 of the Revised Code 66298  
as it existed prior to that date, any moneys arising from the 66299  
fees levied under division (B) (3) of this section prior to 66300

directors of county or joint solid waste management districts 66307  
and to the treasurers or other officers of municipal 66308  
corporations and the fiscal officers of townships. The rules 66309  
also shall prescribe the dates for forwarding the fees to the 66310  
boards and officials and may prescribe any other requirements 66311

administer divisions (A), (B), and (C) of this section. 66313

**Sec. 3734.79.** (A) Except as provided in division (B) of 66314  
this section, each application for a permit submitted under 66315  
sections 3734.76 to 3734.78 of the Revised Code shall be 66316  
accompanied by a nonrefundable application fee of four hundred 66317  
dollars that shall be credited to the scrap tire management fund 66318

issued, the amount of the application fee paid shall be deducted 66320  
from the amount of the applicable permit fee due under division 66321  
~~(R)~~(Q) of section 3745.11 of the Revised Code. 66322

(B) Division (A) of this section does not apply to an 66323  
application for a permit for a scrap tire storage facility 66324

submitted under section 3734.76 of the Revised Code if the owner 66325  
or operator of the facility or proposed facility is a motor 66326  
vehicle salvage dealer licensed under Chapter 4738. of the 66327  
Revised Code. 66328

**Sec. 3734.901.** (A) (1) For the purpose of providing revenue 66329  
to defray the cost of administering and enforcing the scrap tire 66330  
provisions of this chapter, rules adopted under those 66331  
provisions, and terms and conditions of orders, variances, and 66332  
licenses issued under those provisions; to abate accumulations 66333

per tire is hereby levied on the sale of tires. The proceeds of 66341  
the fee shall be deposited in the state treasury to the credit 66342  
of the scrap tire management fund created in section 3734.82 of 66343  
the Revised Code. The fee is levied from the first day of the 66344  
calendar month that begins next after thirty days from October 66345  
29, 1993, through June 30, ~~2026~~2028. 66346

(2) Beginning on July 1, 2011, and ending on June 30, 66347  
2026, there is hereby levied an additional fee of fifty cents 66348  
per tire on the sale of tires the proceeds of which shall be 66349  
deposited in the state treasury to the credit of the soil and 66350  
water conservation district assistance fund created in section 66351  
940.15 of the Revised Code. 66352

(B) Only one sale of the same article shall be used in 66353  
computing the amount of the fee due. 66354

**Sec. 3734.904.** (A) By the twentieth day of each month, 66355  
each person required to pay the fee imposed by section 3734.901 66356  
of the Revised Code shall file with the tax commissioner a 66357  
return as prescribed by the tax commissioner and shall make 66358  
payment of the full amount of the fee due for the preceding 66359  
~~month after deduction of any discount provided for under~~ 66360  
~~division (E) of this section.~~ The return shall be signed by the 66361  
person required to file it, or an authorized employee, officer, 66362  
or agent. The return shall be deemed filed when received by the 66363  
tax commissioner. 66364

(B) Any person required by this section to file a return 66365  
who fails to file such a return within the period prescribed may 66366  
be required to pay an additional charge of fifty dollars or ten 66367  
per cent of the fee required to be paid for the reporting 66368  
period, whichever is greater. The commissioner may collect the 66369  
additional charge by assessment pursuant to section 3734.907 of 66370  
the Revised Code. ~~The commissioner may remit all or a portion of~~ 66371  
~~the additional charge and may adopt rules relating thereto.~~ 66372

(C) If any fee due is not paid timely in accordance with 66373  
this section, the person liable for the fee shall pay interest, 66374  
calculated at the rate per annum as prescribed by section 66375  
5703.47 of the Revised Code, from the date the fee payment was 66376  
due to the date of payment or to the date an assessment is 66377  
issued, whichever occurs first. Interest shall be paid in the 66378  
same manner as the fee, and the commissioner may collect the 66379  
interest by assessment pursuant to section 3734.907 of the 66380  
Revised Code. 66381

(D) If, in the estimation of the tax commissioner, the 66382  
average liability of the person liable for the fee is such as 66383  
not to merit monthly filing, the commissioner may authorize the 66384

person to file and pay at less frequent intervals. Returns are 66385  
due by the twentieth day of the month following the close of the 66386  
applicable reporting period authorized under this division. 66387

~~(E) If a return is filed and the amount of the fee shown 66388  
to be due on the return is paid on or before the date that the 66389  
return is required to be filed under division (A) of this 66390  
section or pursuant to division (D) of this section, whichever 66391  
is applicable, the person liable for the fee is entitled to a 66392  
discount of four per cent of the amount shown to be due on the 66393  
return. 66394~~

~~(F) All money collected by the tax commissioner under this 66395  
section shall be paid to the treasurer of state as revenue 66396  
arising from the fee imposed by section 3734.901 of the Revised 66397  
Code. 66398~~

**Sec. 3734.907.** (A) Any person required to pay the fee 66399  
imposed by section 3734.901 of the Revised Code is personally 66400  
liable for the fee. The tax commissioner may make an assessment, 66401  
based upon any information in the commissioner's possession, 66402  
against any person who fails to file a return or pay any fee, 66403  
interest, or additional charge as required by sections 3734.90 66404  
to 3734.9014 of the Revised Code. The commissioner shall give 66405  
the person assessed written notice of the assessment in the 66406  
manner provided in section 5703.37 of the Revised Code. With the 66407  
notice, the commissioner shall provide instructions on how to 66408  
petition for reassessment and request a hearing on the petition. 66409

(B) When the information in the possession of the tax 66410  
commissioner indicates that a person liable for the fee imposed 66411  
by section 3734.901 of the Revised Code has not paid the full 66412  
amount of fee due, the commissioner may audit a representative 66413  
sample of the person's business and may issue an assessment 66414

based on the audit. 66415

(C) A penalty of up to fifteen per cent may be added to 66416  
all amounts assessed under this section. ~~The commissioner may~~ 66417  
~~adopt rules providing for the imposition and remission of the~~ 66418  
~~penalties.~~ 66419

(D) Unless the person assessed files with the tax 66420  
commissioner within sixty days after service of the notice of 66421  
assessment, ~~either personally or by certified mail,~~ a written 66422  
petition for reassessment signed by the person assessed or that 66423  
person's authorized agent having knowledge of the facts, the 66424  
assessment becomes final and the amount of the assessment is due 66425  
and payable from the person assessed to the treasurer of state. 66426  
The petition shall indicate the objections of the person 66427  
assessed, but additional objections may be raised in writing if 66428  
received by the commissioner prior to the date shown on the 66429  
final determination. If the petition has been properly filed, 66430  
the commissioner shall proceed under section 5703.60 of the 66431  
Revised Code. 66432

(E) After an assessment becomes final, if any portion of 66433  
the assessment, including accrued interest, remains unpaid, a 66434  
certified copy of the tax commissioner's entry making the 66435  
assessment final may be filed in the office of the clerk of the 66436  
court of common pleas in the county in which the person assessed 66437  
resides or in which the person's business is conducted. If the 66438  
person assessed maintains no place of business in this state and 66439  
is not a resident of this state, the certified copy of the entry 66440  
may be filed in the office of the clerk of the court of common 66441  
pleas of Franklin county. 66442

Immediately upon the filing of the entry, the clerk shall 66443  
enter a judgment for the state against the person assessed in 66444

the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state tire fee," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of the fee due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the day the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the fee and may be collected by the issuance of an assessment under this section.

(F) If the tax commissioner believes that collection of the fee will be jeopardized unless proceedings to collect or secure collection of the fee are instituted without delay, the commissioner may issue a jeopardy assessment against the person liable for the fee. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (E) of this section. Notice of the jeopardy assessment shall be served on the person assessed or the person's legal representative, as provided in section 5703.37 of

the Revised Code, within five days of the filing of the entry 66476  
with the clerk. The total amount assessed is immediately due and 66477  
payable, unless the person assessed files a petition for 66478  
reassessment in accordance with division (D) of this section and 66479  
provides security in a form satisfactory to the commissioner and 66480  
in an amount sufficient to satisfy the unpaid balance of the 66481  
assessment. Full or partial payment of the assessment does not 66482  
prejudice the commissioner's consideration of the petition for 66483  
reassessment. 66484

(G) All money collected by the tax commissioner under this 66485  
section shall be paid to the treasurer of state as revenue 66486  
arising from the fee imposed by section 3734.901 of the Revised 66487  
Code. 66488

**Sec. 3735.67.** (A) The owner of real property located in a 66489  
community reinvestment area and eligible for exemption from 66490  
taxation under a resolution adopted pursuant to section 3735.66 66491  
of the Revised Code may file an application for an exemption 66492  
from real property taxation of a percentage of the assessed 66493  
valuation of a new structure, or of the increased assessed 66494  
valuation of an existing structure after remodeling began, if 66495  
the new structure or remodeling is completed after the effective 66496  
date of the resolution adopted pursuant to section 3735.66 of 66497  
the Revised Code. The application shall be filed with the 66498  
housing officer designated for the community reinvestment area 66499  
in which the property is located. If any part of the new 66500  
structure or remodeled structure that would be exempted is of 66501  
real property to be used for commercial or industrial purposes, 66502  
the legislative authority and the owner of the property shall 66503  
enter into a written agreement pursuant to section 3735.671 of 66504  
the Revised Code prior to commencement of construction or 66505  
remodeling; if such an agreement is subject to approval by the 66506

board of education of the school district within the territory 66507  
of which the property is or will be located, the agreement shall 66508  
not be formally approved by the legislative authority until the 66509  
board of education approves the agreement in the manner 66510  
prescribed by that section. If a structure is already subject to 66511  
a written agreement pursuant to section 3735.671 of the Revised 66512  
Code, is on the site of a proposed megaproject, and is expected 66513  
to be owned or occupied by a megaproject operator as defined in 66514  
division (A) (12) of section 122.17 of the Revised Code, or is 66515  
not situated on the site of a proposed megaproject but is 66516  
expected to be owned or occupied by a megaproject supplier that 66517  
meets the requirements described in division (A) (13) (b) of 66518  
section 122.17 of the Revised Code, the legislative authority 66519  
may amend the agreement to cause the exemption for the structure 66520  
to continue for a maximum amended term not exceeding thirty 66521  
years by following the process for approving an agreement 66522  
described in section 3735.671 of the Revised Code. 66523

(B) The housing officer shall verify the construction of 66524  
the new structure or the cost of the remodeling of the existing 66525  
structure and the facts asserted in the application. The housing 66526  
officer shall determine whether the construction or remodeling 66527  
meets the requirements for an exemption under this section. In 66528  
cases involving a structure of historical or architectural 66529  
significance, the housing officer shall not determine whether 66530  
the remodeling meets the requirements for a tax exemption unless 66531  
the appropriateness of the remodeling has been certified, in 66532  
writing, by the society, association, agency, or legislative 66533  
authority that has designated the structure or by any 66534  
organization or person authorized, in writing, by such society, 66535  
association, agency, or legislative authority to certify the 66536  
appropriateness of the remodeling. 66537

(C) If the construction or remodeling meets the requirements for exemption, the housing officer shall forward the application to the county auditor with a certification as to the division of this section under which the exemption is granted, and the period and percentage of the exemption as determined by the legislative authority pursuant to that division. If the construction or remodeling is of commercial or industrial property and the legislative authority is not required to certify a copy of a resolution under section 3735.671 of the Revised Code, the housing officer shall comply with the notice requirements prescribed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(D) Except as provided in division (F) of this section, the tax exemption shall first apply in the year the construction or remodeling would first be taxable but for this section. In the case of remodeling that qualifies for exemption, a percentage, not to exceed one hundred per cent, of the increased assessed valuation of an existing structure after remodeling began shall be exempted from real property taxation. In the case of construction of a structure that qualifies for exemption, a percentage, not to exceed one hundred per cent, of the assessed value of the structure shall be exempted from real property taxation. In either case, the percentage shall be the percentage set forth in the agreement if the structure or remodeling is to be used for commercial or industrial purposes, or the percentage set forth in the resolution describing the community reinvestment area if the structure or remodeling is to be used for residential purposes.

The construction of new structures and the remodeling of existing structures are hereby declared to be a public purpose

for which exemptions from real property taxation may be granted 66569  
for the following periods: 66570

(1) For every dwelling and commercial or industrial 66571  
properties, located within the same community reinvestment area, 66572  
upon which the cost of remodeling is at least two thousand five 66573  
hundred dollars in the case of a dwelling containing not more 66574  
than two family units or at least five thousand dollars in the 66575  
case of all other property, a period to be determined by the 66576  
legislative authority adopting the resolution, but not exceeding 66577  
fifteen years. The period of exemption for a dwelling described 66578  
in division (D) (1) of this section may be extended by a 66579  
legislative authority for up to an additional ten years if the 66580  
dwelling is a structure of historical or architectural 66581  
significance, is a certified historic structure that has been 66582  
subject to federal tax treatment under 26 U.S.C. 47 and 170 (h), 66583  
and units within the structure have been leased to individual 66584  
tenants for five consecutive years; 66585

(2) Except as provided in division (F) of this section, 66586  
for construction of every dwelling, and commercial or industrial 66587  
structure located within the same community reinvestment area, a 66588  
period to be determined by the legislative authority adopting 66589  
the resolution, but not exceeding one of the following: 66590

(a) Thirty years, if the commercial or industrial 66591  
structure is situated on the site of a megaproject and is owned 66592  
~~and or~~ occupied by a megaproject operator as defined in division 66593  
(A) (12) of section 122.17 of the Revised Code, or is not 66594  
situated on the site of a megaproject but is owned ~~and or~~ 66595  
occupied by a megaproject supplier that meets the requirements 66596  
described in division (A) (13) (b) of section 122.17 of the 66597  
Revised Code; 66598

(b) Fifteen years, for any other dwelling or commercial or industrial structure. 66599  
66600

(E) Any person, board, or officer authorized by section 66601  
5715.19 of the Revised Code to file complaints with the county 66602  
board of revision may file a complaint with the housing officer 66603  
challenging the continued exemption of any property granted an 66604  
exemption under this section. A complaint against exemption 66605  
shall be filed prior to the thirty-first day of December of the 66606  
tax year for which taxation of the property is requested. The 66607  
housing officer shall determine whether the property continues 66608  
to meet the requirements for exemption and shall certify the 66609  
housing officer's findings to the complainant. If the housing 66610  
officer determines that the property does not meet the 66611  
requirements for exemption, the housing officer shall notify the 66612  
county auditor, who shall correct the tax list and duplicate 66613  
accordingly. 66614

(F) The owner of a dwelling constructed in a community 66615  
reinvestment area may file an application for an exemption after 66616  
the year the construction first became subject to taxation. The 66617  
application shall be processed in accordance with the procedures 66618  
prescribed under this section and shall be granted if the 66619  
construction that is the subject of the application otherwise 66620  
meets the requirements for an exemption under this section. If 66621  
approved, the exemption sought in the application first applies 66622  
in the year the application is filed. An exemption approved 66623  
pursuant to this division continues only for those years 66624  
remaining in the period described in division (D)(2) of this 66625  
section. No exemption may be claimed for any year in that period 66626  
that precedes the year in which the application is filed. 66627

**Sec. 3735.671.** (A) If construction or remodeling of 66628

commercial or industrial property is to be exempted from 66629  
taxation pursuant to section 3735.67 of the Revised Code, the 66630  
legislative authority and the owner of the property, prior to 66631  
the commencement of construction or remodeling, shall enter into 66632  
a written agreement, binding on both parties for a period of 66633  
time that does not end prior to the end of the period of the 66634  
exemption, that includes all of the information and statements 66635  
described in divisions (B) (1) to (8) of this section. Agreements 66636  
may include terms not described in those divisions or otherwise 66637  
prescribed by the model agreement adopted by the director of 66638  
development under division (B) of this section, but such terms 66639  
shall in no way derogate from the information and statements 66640  
described in divisions (B) (1) to (8) of this section. 66641

(1) Except as otherwise provided in division (A) (2) or (3) 66642  
of this section, an agreement entered into under this section 66643  
shall not be approved by the legislative authority unless the 66644  
board of education of the city, local, or exempted village 66645  
school district within the territory of which the property is or 66646  
will be located approves the agreement. For the purpose of 66647  
obtaining such approval, the legislative authority shall certify 66648  
a copy of the agreement to the board of education not later than 66649  
forty-five days prior to approving the agreement, excluding 66650  
Saturday, Sunday, and a legal holiday as defined in section 1.14 66651  
of the Revised Code. The board of education, by resolution 66652  
adopted by a majority of the board, shall approve or disapprove 66653  
the agreement and certify a copy of the resolution to the 66654  
legislative authority not later than fourteen days prior to the 66655  
date stipulated by the legislative authority as the date upon 66656  
which approval of the agreement is to be formally considered by 66657  
the legislative authority. The board of education may include in 66658  
the resolution conditions under which the board would approve 66659

the agreement. The legislative authority may approve an 66660  
agreement at any time after the board of education certifies its 66661  
resolution approving the agreement to the legislative authority, 66662  
or, if the board approves the agreement conditionally, at any 66663  
time after the conditions are agreed to by the board and the 66664  
legislative authority. 66665

(2) Approval of an agreement by the board of education is 66666  
not required under division (A)(1) of this section if, for each 66667  
tax year the real property is exempted from taxation, the sum of 66668  
the following quantities, as estimated at or prior to the time 66669  
the agreement is formally approved by the legislative authority, 66670  
equals or exceeds twenty-five per cent of the amount of taxes, 66671  
as estimated at or prior to that time, that would have been 66672  
charged and payable that year upon the real property had that 66673  
property not been exempted from taxation: 66674

(a) The amount of taxes charged and payable on any portion 66675  
of the assessed valuation of the new structure or of the 66676  
increased assessed valuation of an existing structure after 66677  
remodeling began that will not be exempted from taxation under 66678  
the agreement; 66679

(b) The amount of taxes charged and payable on tangible 66680  
personal property located on the premises of the new structure 66681  
or of the structure to be remodeled under the agreement, whether 66682  
payable by the owner of the structure or by a related member, as 66683  
defined in section 5733.042 of the Revised Code without regard 66684  
to division (B) of that section. 66685

(c) The amount of any cash payment by the owner of the new 66686  
structure or structure to be remodeled to the school district, 66687  
the dollar value, as mutually agreed to by the owner and the 66688  
board of education, of any property or services provided by the 66689

owner of the property to the school district, whether by gift, 66690  
loan, or otherwise, and any payment by the legislative authority 66691  
to the school district pursuant to section 5709.82 of the 66692  
Revised Code. 66693

The estimates of quantities used for purposes of division 66694  
(A) (2) of this section shall be estimated by the legislative 66695  
authority. The legislative authority shall certify to the board 66696  
of education that the estimates have been made in good faith. 66697  
Departures of the actual quantities from the estimates 66698  
subsequent to approval of the agreement by the board of 66699  
education do not invalidate the agreement. 66700

(3) If a board of education has adopted a resolution 66701  
waiving its right to approve agreements and the resolution 66702  
remains in effect, approval of an agreement by the board is not 66703  
required under division (A) (1) of this section. If a board of 66704  
education has adopted a resolution allowing a legislative 66705  
authority to deliver the notice required under this division 66706  
fewer than forty-five business days prior to the legislative 66707  
authority's execution of the agreement, the legislative 66708  
authority shall deliver the notice to the board not later than 66709  
the number of days prior to such execution as prescribed by the 66710  
board in its resolution. If a board of education adopts a 66711  
resolution waiving its right to approve agreements or shortening 66712  
the notification period, the board shall certify a copy of the 66713  
resolution to the legislative authority. If the board of 66714  
education rescinds such a resolution, it shall certify notice of 66715  
the rescission to the legislative authority. 66716

(4) If the owner of the property or the legislative 66717  
authority agree to make any payment to the school district as 66718  
described in division (A) (2) (c) of this section, the owner or 66719

legislative authority shall agree to make payments to the joint 66720  
vocational school district within which the property is located 66721  
at the same rate or amount and under the same terms received by 66722  
the city, local, or exempted village school district. 66723

(B) The director of development shall adopt rules in 66724  
accordance with Chapter 119. of the Revised Code prescribing the 66725  
form of a model agreement that a legislative authority may, in 66726  
its discretion, use as the basis for an agreement to be executed 66727  
under this section. The model agreement may include any term 66728  
necessary for the administration and enforcement of such 66729  
agreements by the director and legislative authority, but must 66730  
include all of the following: 66731

(1) A space to include the description of real property to 66732  
be exempted from taxation under the agreement and to identify 66733  
the property's owners; 66734

(2) A space to denote the percentage of the assessed 66735  
valuation of real property exempted from taxation and the period 66736  
for which the exemption is granted; 66737

(3) A statement requiring the owner to pay real property 66738  
taxes not exempted under the agreement, as required by law, and 66739  
requiring rescission of the agreement if the owner fails to pay 66740  
those taxes beginning in and after the year any such taxes are 66741  
charged; 66742

(4) A statement that the owner certifies, at the time the 66743  
agreement is executed, that the owner does not owe any 66744  
delinquent property taxes or taxes for which the owner is liable 66745  
under Chapter 5735., 5739., 5741., 5743., 5747., or 5753. of the 66746  
Revised Code, or, if such delinquent taxes are owed, that the 66747  
owner is paying the delinquent taxes pursuant to an undertaking 66748

enforceable by the state or an agent or instrumentality thereof, 66749  
has filed a petition in bankruptcy, or has had a bankruptcy 66750  
petition filed against the owner; 66751

(5) A statement requiring the owner to provide to the 66752  
property tax incentive review council any information reasonably 66753  
required by the council to evaluate the applicant's compliance 66754  
with the agreement; 66755

(6) A statement that the agreement is not transferable or 66756  
assignable without the approval of the legislative authority; 66757

(7) A statement describing the circumstances under which 66758  
the legislative authority may revoke an agreement for 66759  
noncompliance; 66760

(8) A statement requiring the owner to provide an estimate 66761  
of the following for each agreement: 66762

(a) The number of employment opportunities created due to 66763  
the remodeling or construction, as well as the payroll 66764  
attributable to those opportunities; 66765

(b) The number of employment opportunities retained due to 66766  
the remodeling or construction, as well as the payroll 66767  
attributable to those opportunities. 66768

The model agreement shall also provide that a legislative 66769  
authority may, but is not required to, include a statement 66770  
describing the manner by which the legislative authority may 66771  
recover already-received benefits, which may include an action 66772  
brought in law or equity, a lien on the exempted property in the 66773  
amount to be recovered, or other means. In the case of a lien on 66774  
the exempted property, the lien shall attach, and may be 66775  
perfected, collected, and enforced, in the same manner as a 66776  
mortgage lien on real property, and otherwise has the same force 66777

and effect as a mortgage lien on real property. 66778

Once the director adopts rules prescribing a model 66779  
agreement under this division, the model agreement may not be 66780  
changed unless the director adopts, amends, or rescinds those 66781  
rules in accordance with Chapter 119. of the Revised Code. 66782

(C) If any person that is party to an agreement granting 66783  
an exemption from taxation discontinues operations at the 66784  
structure to which that exemption applies prior to the 66785  
expiration of the term of the agreement, that person, any 66786  
successor to that person, and any related member shall not enter 66787  
into an agreement under this section or section 5709.62, 66788  
5709.63, or 5709.632 of the Revised Code, and no legislative 66789  
authority shall enter into such an agreement with such a person, 66790  
successor, or related member prior to the expiration of three 66791  
years after the person's discontinuation of operations. As used 66792  
in this division, "successor" means a person to which the assets 66793  
or equity of another person has been transferred, which transfer 66794  
resulted in the full or partial nonrecognition of gain or loss, 66795  
or resulted in a carryover basis, both as determined by rule 66796  
adopted by the tax commissioner. "Related member" has the same 66797  
meaning as defined in section 5733.042 of the Revised Code 66798  
without regard to division (B) of that section. 66799

The director of development shall review all agreements 66800  
submitted to the director under section 3735.672 of the Revised 66801  
Code for the purpose of enforcing this division. If the director 66802  
determines there has been a violation of this division, the 66803  
director shall notify the legislative authority of such 66804  
violation, and the legislative authority immediately shall 66805  
revoke the exemption granted under the agreement. 66806

(D) A political subdivision other than the legislative 66807

authority is not required to be a party to an agreement 66808  
authorized under this section unless the political subdivision 66809  
is a fee simple owner of real property subject to an exemption 66810  
pursuant to section 3735.67 of the Revised Code that would 66811  
otherwise be obligated to pay real property taxes for such real 66812  
property. 66813

**Sec. 3737.83.** The state fire marshal shall, as part of the 66814  
state fire code, adopt rules to: 66815

(A) Establish minimum standards of performance for fire 66816  
protection equipment and fire fighting equipment; 66817

(B) Establish minimum standards of training, fix minimum 66818  
qualifications, and require certificates for all persons who 66819  
engage in the business for profit of installing, testing, 66820  
repairing, or maintaining fire protection equipment; 66821

(C) Provide for the issuance of certificates required 66822  
under division (B) of this section and establish the fees to be 66823  
charged for such certificates. A certificate shall be granted, 66824  
renewed, or revoked according to rules the state fire marshal 66825  
shall adopt, except that the state fire marshal shall grant a 66826  
certificate in accordance with Chapter 4796. of the Revised Code 66827  
to an applicant if either of the following applies: 66828

(1) The applicant holds a license or certificate in 66829  
another state. 66830

(2) The applicant has satisfactory work experience, a 66831  
government certification, or a private certification as 66832  
described in that chapter as a person engaged in the business of 66833  
installing, testing, repairing, or maintaining fire protection 66834  
equipment in a state that does not issue that certificate. 66835

(D) Establish minimum standards of flammability for 66836

consumer goods in any case where the federal government or any department or agency thereof has established, or may from time to time establish standards of flammability for consumer goods. The standards established by the state fire marshal shall be identical to the minimum federal standards.

In any case where the federal government or any department or agency thereof, establishes standards of flammability for consumer goods subsequent to the adoption of a flammability standard by the state fire marshal, standards previously adopted by the state fire marshal shall not continue in effect to the extent such standards are not identical to the minimum federal standards.

With respect to the adoption of minimum standards of flammability, this division shall supersede any authority granted a political subdivision by any other section of the Revised Code.

(E) Establish minimum standards pursuant to section 5104.05 of the Revised Code for fire prevention and fire safety in child care centers and in type A family child care homes, as defined in section 5104.01 of the Revised Code.

(F) Establish minimum standards for fire prevention and safety in a residential facility licensed under section 5119.34 of the Revised Code that provides accommodations, supervision, and personal care services for three to sixteen unrelated adults. The state fire marshal shall adopt the rules under this division in consultation with the director of mental health and addiction services and interested parties designated by the director of mental health and addiction services.

(G) For purposes of determining whether the state fire

code requires an automatic sprinkler system or other fire 66866  
suppression system in an agricultural structure, as defined 66867  
under section 901.53 of the Revised Code, the state fire marshal 66868  
shall not include accessory spaces that have accessible means of 66869  
egress in compliance with the "Americans with Disabilities Act 66870  
of 1990," 42 U.S.C. 12102 et seq., in the calculations for 66871  
square footage or occupant load of the structure's fire area. 66872  
"Accessory spaces" specifically includes covered or uncovered 66873  
decks and patios that are not fully enclosed by surrounding 66874  
walls. 66875

**Sec. 3742.32.** (A) The director of health shall appoint an 66876  
advisory council to assist in the ongoing development and 66877  
implementation of the child lead poisoning prevention program 66878  
created under section 3742.31 of the Revised Code. The advisory 66879  
council shall consist of the following members: 66880

(b) Relocation costs incurred in the relocation of occupants of an eligible dwelling to achieve occupant protection, as described in 24 C.F.R. 35.1345(a).

"Lead abatement costs" do not include such costs for which the taxpayer is reimbursed or such costs the taxpayer deducts or excludes in computing the taxpayer's federal adjusted gross income for federal income tax purposes or Ohio adjusted gross income as determined under section 5747.01 of the Revised Code.

The applicant shall list on the application the amount of lead abatement costs the applicant incurred for the eligible dwelling during the taxable year. The director, in consultation with the tax commissioner, shall prescribe the form of a lead abatement tax credit certificate, the manner by which an applicant shall apply for the certificate, and requirements for the submission of any record or other information an applicant must furnish

with the application to verify the lead abatement costs. 66949

(C) (1) Upon receipt of an application under division (B) 66950  
of this section, the director of health shall verify all of the 66951  
following: 66952

(a) The residential unit that is the subject of the 66953

by the director of environmental protection pursuant to Chapters 66978  
3704., 3734., 6109., and 6111. of the Revised Code shall pay a 66979

this section. No fee shall be charged for any issuance for which 66982  
no application has been submitted to the director. 66983

(B) Except as otherwise provided in division (C) (2) of 66984  
this section, beginning July 1, 1994, each person who owns or 66985

for and obtain a Title V permit under section 3704.036 of the 66987  
Revised Code shall pay an annual fee of five thousand dollars in 66988  
addition to the fees set forth in this division. For the 66989  
purposes of this division, total emissions of air contaminants 66990  
may be calculated using engineering calculations, emissions 66991  
factors, material balance calculations, or performance testing 66992  
procedures, as authorized by the director. 66993

The following fees shall be assessed on the total actual 66994

1995, and each subsequent calendar year, to be collected no 67006  
sooner than the fifteenth day of April of the year next 67007  
succeeding the calendar year in which the emissions occurred. 67008

The fees levied under this division do not apply to that 67009  
portion of the emissions of a regulated pollutant at a facility 67010  
that exceed four thousand tons during a calendar year. 67011

section are for the purpose of providing funding for the Title V 67013  
permit program. 67014

(2) The fees assessed under division (B) of this section 67015  
do not apply to emissions from any electric generating unit 67016  
designated as a Phase I unit under Title IV of the federal Clean 67017  
Air Act prior to calendar year 2000. Those fees shall be 67018  
assessed on the emissions from such a generating unit commencing 67019  
in calendar year 2001 based upon the total actual emissions from 67020  
the generating unit during calendar year 2000 and shall continue 67021

actual emissions from the generating unit during the preceding 67023  
calendar year. 67024

(3) The director shall issue invoices to owners or 67025  
operators of air contaminant sources who are required to pay a 67026  
fee assessed under division (B) or (D) of this section. Any such 67027  
invoice shall be issued no sooner than the applicable date when 67028  
the fee first may be collected in a year under the applicable 67029  
division, shall identify the nature and amount of the fee 67030  
assessed, and shall indicate that the fee is required to be paid 67031  
within thirty days after the issuance of the invoice. 67032

to install or permits to operate have been issued for the air 67047  
contaminant sources at the facility that include terms and 67048  
conditions that lower the facility's potential to emit air 67049  
contaminants below the major source thresholds established in 67050  
rules adopted under section 3704.036 of the Revised Code. 67051

(b) Beginning January 1, 2000, through June 30, ~~2026~~2028, 67052

(3) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division (D)(2) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees assessed on emissions prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average 67088  
of the consumer price index for all urban consumers published by 67089  
the United States department of labor as of the close of the 67090  
twelve-month period ending on the thirty-first day of August of 67091  
that year. 67092

(b) If the 1989 consumer price index is revised, the 67093  
director shall use the revision of the consumer price index that 67094  
is most consistent with that for calendar year 1989. 67095

(F) Each person who is issued a permit to install pursuant 67096  
to rules adopted under division (F) of section 3704.03 of the 67097  
Revised Code on or after July 1, 2003, shall pay the fees 67098  
specified in the following schedules: 67099

(1) Fuel-burning equipment (boilers, furnaces, or process 67100

(H) A person who is issued an extension of time for a 67166  
permit to install an air contaminant source pursuant to rules 67167  
adopted under division (F) of section 3704.03 of the Revised 67168  
Code shall pay a fee equal to one-half the fee originally 67169

Revised Code. This division only applies to sources for which 67189  
actual construction of the source begins on or after July 1, 67190  
1993. The imposition or payment of the fee established in this 67191  
division does not preclude the director from taking any 67192  
administrative or judicial enforcement action under this 67193  
chapter, Chapter 3704., 3714., 3734., or 6111. of the Revised 67194

Revised Code. Annually, not more than fifty cents per ton of 67207  
each fee assessed under division (B) of this section on actual 67208  
emissions from a source and received by the environmental 67209  
protection agency pursuant to that division may be transferred 67210

state treasury to the credit of the small business assistance 67212  
fund created in section 3706.19 of the Revised Code. In 67213  
addition, annually, the amount of money necessary for the 67214  
operation of the office of ombudsperson as determined under 67215  
division (B) of that section shall be transferred to the state 67216

January of the year preceding the date when the annual discharge 67253  
fee is due. In the case of an existing source that permanently 67254  
ceases to discharge during a billing year, the director shall 67255  
reduce the annual discharge fee, including the surcharge 67256  
applicable to certain industrial facilities pursuant to division 67257  
(L)(3)(c) of this section, by one-twelfth for each full month 67258

only if the person holding the NPDES discharge permit for the 67260  
source notifies the director in writing, not later than the 67261  
first day of October of the billing year, of the circumstances 67262  
causing the cessation of discharge. 67263

(iii) The annual discharge fee established in division (L) 67264  
(3)(a)(i) of this section, except for the surcharge applicable 67265  
to certain industrial facilities pursuant to division (L)(3)(c) 67266

flow in gallons per day calculated using first day of May 67268  
through thirty-first day of October flow data for the period two 67269  
years prior to the date on which the fee is due. In the case of 67270  
NPDES discharge permits for new sources, the fee shall be 67271  
calculated using the average daily design flow of the facility 67272  
until actual average daily discharge flow values are available 67273  
for the time period specified in division (L)(3)(a)(iii) of this 67274  
section. The annual discharge fee may be prorated for a new 67275  
source as described in division (L)(3)(a)(ii) of this section. 67276

Not later than the first day of May following receipt of 67854  
an invoice, a person required to pay the annual sludge fee may 67855  
submit objections to the director concerning the accuracy of 67856  
information regarding the number of dry tons of sewage sludge 67857  
used to calculate the amount of the annual sludge fee or 67858  
regarding whether the sewage sludge qualifies for the 67859  
exceptional quality sludge discount established in division ~~(Y)~~ 67860  
~~(2)(b)~~ (X)(2)(b) of this section. The director may consider the 67861  
objections and adjust the amount of the fee to ensure that it is 67862  
accurate. 67863

If the director does not adjust the amount of the annual 67864

sludge fee in response to a person's objections, the person may 67865

adjusts the amount of the annual sludge fee accordingly, the 67872  
director shall issue with the notification a new invoice to the 67873  
person identifying the amount of the annual sludge fee assessed 67874  
and stating the first day of July as the deadline for payment. 67875

Not later than the first day of July, any person who is 67876  
required to do so shall pay the annual sludge fee. Any person 67877

to defray the costs of administering and enforcing provisions in 67885  
Chapter 6111. of the Revised Code and rules adopted under it 67886  
that govern the use, storage, treatment, or disposal of sewage 67887  
sludge. 67888

(7) Beginning in fiscal year 2001, and every two years 67889  
thereafter, the director shall review the total amount of moneys 67890  
generated by the annual sludge fees to determine if that amount 67891  
exceeded six hundred thousand dollars in either of the two 67892  
preceding fiscal years. If the total amount of moneys in the 67893  
fund exceeded six hundred thousand dollars in either fiscal 67894

year, the director, after review of the fee structure and 67895  
consultation with affected persons, shall issue an order 67896  
reducing the amount of the fees levied under division ~~(Y)~~(X) of 67897  
this section so that the estimated amount of moneys resulting 67898  
from the fees will not exceed six hundred thousand dollars in 67899  
any fiscal year. 67900

If, upon review of the fees under division ~~(Y)~~~~(7)~~(X) (7) of 67901  
this section and after the fees have been reduced, the director 67902  
determines that the total amount of moneys collected and 67903  
accumulated is less than six hundred thousand dollars, the 67904  
director, after review of the fee structure and consultation 67905  
with affected persons, may issue an order increasing the amount 67906  
of the fees levied under division ~~(Y)~~(X) of this section so that 67907  
the estimated amount of moneys resulting from the fees will be 67908  
approximately six hundred thousand dollars. Fees shall never be 67909  
increased to an amount exceeding the amount specified in 67910  
division ~~(Y)~~~~(7)~~(X) (7) of this section. 67911

Notwithstanding section 119.06 of the Revised Code, the 67912  
director may issue an order under division ~~(Y)~~~~(7)~~(X) (7) of this 67913  
section without the necessity to hold an adjudicatory hearing in 67914  
connection with the order. The issuance of an order under this 67915  
division is not an act or action for purposes of section 3745.04 67916  
of the Revised Code. 67917

shall stipulate that only individuals approved by the director 68078  
as qualified shall be permitted to inspect radiation-generating 68079  
equipment under the contract's provisions. The contract shall 68080  
provide for such compensation for services as is agreed to by 68081  
the director and the board of health of the contracting health 68082  
district. The director may reevaluate the credentials of the 68083  
inspection personnel and their radiation detecting and measuring 68084  
equipment as often as the director considers necessary and may 68085  
terminate any contract with the board of health of any health 68086  
district that, in the director's opinion, is not satisfactorily 68087  
performing the terms of the contract. 68088

(I) The director may enter at all reasonable times upon 68089  
any public or private property to determine compliance with this 68090  
chapter and rules adopted under it. 68091

**Sec. 3750.02.** (A) There is hereby created the emergency 68092  
response commission consisting of the directors of environmental 68093  
protection ~~and~~, health, and administrative services, the 68094  
chairperson of the public utilities commission, the fire 68095  
marshal, the director of public safety, the director of 68096  
transportation, the director of natural resources, the 68097  
superintendent of the highway patrol, and the attorney general 68098  
as members ex officio, or their designees; notwithstanding 68099  
section 101.26 of the Revised Code, the chairpersons of the 68100  
respective standing committees of the senate and house of 68101  
representatives that are primarily responsible for considering 68102  
environmental issues who may participate fully in all the 68103  
commission's deliberations and activities, except that they 68104  
shall serve as nonvoting members; and ten members to be 68105  
appointed by the governor with the advice and consent of the 68106  
senate. The appointed members, to the extent practicable, shall 68107

have technical expertise in the field of emergency response. Of 68108  
the appointed members, two shall represent environmental 68109  
advocacy organizations, one shall represent the interests of 68110  
petroleum refiners or marketers or chemical manufacturers, one 68111  
shall represent the interests of another industry subject to 68112  
this chapter, one shall represent the interests of municipal 68113  
corporations, one shall represent the interests of counties, one 68114  
shall represent the interests of chiefs of fire departments, one 68115  
shall represent the interests of professional firefighters, one 68116  
shall represent the interests of volunteer firefighters, and one 68117  
shall represent the interests of local emergency management 68118  
agencies. 68119

An appointed member of the commission also may serve as a 68120  
member of the local emergency planning committee of an emergency 68121  
planning district. An appointed member of the commission who is 68122  
also a member of a local emergency planning committee shall not 68123  
participate as a member of the commission in the appointment of 68124  
members of the local emergency planning committee of which the 68125  
member is a member, in the review of the chemical emergency 68126  
response and preparedness plan submitted by the local emergency 68127  
planning committee of which the member is a member, in any vote 68128  
to approve a grant to the member's district, or in any vote of 68129  
the commission on any motion or resolution pertaining 68130  
specifically to the member's district or the local emergency 68131  
planning committee on which the member serves. A commission 68132  
member who is also a member of a local emergency planning 68133  
committee shall not lobby or otherwise act as an advocate for 68134  
the member's district to other members of the commission to 68135  
obtain from the commission anything of value for the member's 68136  
district or the local emergency planning committee of which the 68137  
member is a member. A member of the commission who is also a 68138

member of a local emergency planning committee may vote on 68139  
resolutions of the commission that apply uniformly to all local 68140  
emergency planning committees and districts in the state and do 68141  
not provide a grant or other pecuniary benefit to the member's 68142  
district or the committee of which the member is a member. 68143

The governor shall make the initial appointments to the 68144  
commission within thirty days after December 14, 1988. Of the 68145  
initial appointments to the commission, five shall be for a term 68146  
of two years and five shall be for a term of one year. 68147  
Thereafter, terms of office of the appointed members of the 68148  
commission shall be for two years, with each term ending on the 68149  
same day of the same month as did the term that it succeeds. 68150  
Each member shall hold office from the date of appointment until 68151  
the end of the term for which the member was appointed. Members 68152  
may be reappointed. Vacancies shall be filled in the manner 68153  
provided for original appointments. Any member appointed to fill 68154  
a vacancy occurring prior to the expiration of the term for 68155  
which the member's predecessor was appointed shall hold office 68156  
for the remainder of that term. A member shall continue in 68157  
office subsequent to the expiration date of the member's term 68158  
until the member's successor takes office or until a period of 68159  
sixty days has elapsed, whichever occurs first. The commission 68160  
may at any time by a vote of two-thirds of all the members 68161  
remove any appointed member of the commission for misfeasance, 68162  
nonfeasance, or malfeasance. Members of the commission shall 68163  
serve without compensation, but shall be reimbursed for the 68164  
reasonable expenses incurred by them in the discharge of their 68165  
duties as members of the commission. 68166

The commission shall meet at least annually and shall hold 68167  
such additional meetings as are necessary to implement and 68168  
administer this chapter. Additional meetings may be held at the 68169

behest of either a co-chairperson or a majority of the members. 68170  
The commission shall, by adoption of internal management rules 68171  
under division (B) (9) of this section, establish an executive 68172  
committee and delegate to it the performance of such of the 68173  
commission's duties and powers under this chapter as are 68174  
required or authorized to be so delegated by that division. The 68175  
commission may organize itself into such additional committees 68176  
as it considers necessary or convenient to implement and 68177  
administer this chapter. The director of environmental 68178  
protection and the director of public safety or their designees 68179  
shall serve as co-chairpersons of the commission and the 68180  
executive committee. Except as otherwise provided in this 68181  
chapter, a majority of the voting members of the commission 68182  
constitutes a quorum and the affirmative vote of a majority of 68183  
the voting members of the commission is necessary for any action 68184  
taken by the commission. Meetings of the executive committee 68185  
conducted for the purpose of determining whether to issue an 68186  
enforcement order or request that a civil action, civil penalty 68187  
action, or criminal action be brought to enforce this chapter or 68188  
rules adopted or orders issued under it are not subject to 68189  
section 121.22 of the Revised Code pursuant to division (D) of 68190  
that section. 68191

Except for the purposes of Chapters 102. and 2921. and 68192  
sections 9.86 and 109.36 to 109.366 of the Revised Code, serving 68193  
as an appointed member of the commission does not constitute 68194  
holding a public office or position of employment under the laws 68195  
of this state and does not constitute grounds for removal of 68196  
public officers or employees from their offices or positions of 68197  
employment. 68198

(B) The commission shall: 68199

(1) Adopt rules in accordance with Chapter 119. of the Revised Code that are consistent with and equivalent in scope, content, and coverage to the "Emergency Planning and Community Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and applicable regulations adopted under it:

(a) Identifying or listing extremely hazardous substances and establishing a threshold planning quantity for each such substance. To the extent consistent with that act and applicable regulations adopted under it, the rules may establish threshold planning quantities based upon classes of those substances or categories of facilities at which such substances are present.

(b) Listing hazardous chemicals, establishing threshold quantities for those chemicals, establishing categories of health and physical hazards of those chemicals, establishing criteria or procedures for identifying those chemicals and the appropriate hazard categories of those chemicals, and establishing ranges of quantities for those chemicals to be used in preparing emergency and hazardous chemical inventory forms under section 3750.08 of the Revised Code. To the extent consistent with that act and applicable regulations adopted under it, the rules may establish threshold quantities based upon classes of those chemicals or categories of facilities where those chemicals are present.

To the extent consistent with that act, the threshold quantities for purposes of the submission of lists of hazardous chemicals under section 3750.07 and the submission of emergency and hazardous chemical inventory forms under section 3750.08 of the Revised Code may differ.

(c) Identifying or listing hazardous substances and establishing reportable quantities of each of those substances

and each extremely hazardous substance. In addition to being 68230  
consistent with and equivalent in scope, content, and coverage 68231  
to that act and applicable regulations adopted under it, the 68232  
rules shall be consistent with and equivalent in scope, content, 68233  
and coverage to regulations identifying or listing hazardous 68234  
substances and reportable quantities of those substances adopted 68235  
under the "Comprehensive Environmental Response, Compensation, 68236  
and Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 68237  
amended. 68238

(d) Prescribing the information to be included in the 68239  
lists of hazardous chemicals required to be submitted under 68240  
section 3750.07 of the Revised Code; 68241

(e) Prescribing the information to be included in the 68242  
emergency and hazardous chemical inventory forms required to be 68243  
submitted under section 3750.08 of the Revised Code. If the 68244  
commission establishes its own emergency and hazardous chemical 68245  
inventory form, the rules shall authorize owners and operators 68246  
of facilities who also have one or more facilities located 68247  
outside the state for which they are required to submit 68248  
inventory forms under the federal act and regulations adopted 68249  
under it to submit their annual inventories on forms prescribed 68250  
by the administrator of the United States environmental 68251  
protection agency under that act instead of on forms prescribed 68252  
by the commission and shall require those owners or operators to 68253  
submit any additional information required by the commission's 68254  
inventory form on an attachment to the federal form. 68255

(f) Establishing procedures for giving verbal notice of 68256  
releases under section 3750.06 of the Revised Code and 68257  
prescribing the information to be provided in such a notice and 68258  
in the follow-up written notice required by that section; 68259

(g) Establishing standards for determining valid needs for the release of tier II information under division (B) (4) of section 3750.10 of the Revised Code; 68260  
68261  
68262

(h) Identifying the types or categories of information submitted or obtained under this chapter and rules adopted under it that constitute confidential business information; 68263  
68264  
68265

(i) Establishing criteria and procedures to protect trade secret and confidential business information from unauthorized disclosure; 68266  
68267  
68268

(j) Establishing other requirements or authorizations that the commission considers necessary or appropriate to implement, administer, and enforce this chapter. 68269  
68270  
68271

(2) Adopt rules in accordance with Chapter 119. of the Revised Code to implement and administer this chapter that may be more stringent than the "Emergency Planning and Community Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and regulations adopted under it. Rules adopted under division (B) (2) of this section shall not be inconsistent with that act or the regulations adopted under it. The rules shall: 68272  
68273  
68274  
68275  
68276  
68277  
68278

(a) Prescribe the information to be included in the chemical emergency response and preparedness plans prepared and submitted by local emergency planning committees under section 3750.04 of the Revised Code; 68279  
68280  
68281  
68282

(b) Establish criteria and procedures for reviewing the chemical emergency response and preparedness plans of local emergency planning committees required by section 3750.04 of the Revised Code and the annual exercise of those plans and for providing concurrence or requesting modifications in the plans and the exercise of those plans. The criteria shall include, 68283  
68284  
68285  
68286  
68287  
68288

without limitation, the requirement that each exercise of a 68289  
committee's plan involve, in addition to local emergency 68290  
response and medical personnel, either a facility that is 68291  
subject to the plan or a transporter of materials that are 68292  
identified or listed as hazardous materials by regulations 68293  
adopted under the "Hazardous Materials Transportation Act," 88 68294  
Stat. 2156 (1975), 49 U.S.C.A. 1801, as amended. 68295

(c) Establish policies and procedures for maintaining 68296  
information submitted to the commission and local emergency 68297  
planning committees under this chapter, and for receiving and 68298  
fulfilling requests from the public for access to review and to 68299  
obtain copies of that information. The criteria and procedures 68300  
shall include the following requirements and authorizations 68301  
regarding that information and access to it: 68302

(i) Information that is protected as trade secret 68303  
information or confidential business information under this 68304  
chapter and rules adopted under it shall be kept in files that 68305  
are separate from those containing information that is not so 68306  
protected. 68307

(ii) The original copies of information submitted to the 68308  
commission or committee shall not be removed from the custody 68309  
and control of the commission or committee. 68310

(iii) A person who, either in person or by mail, requests 68311  
to obtain a copy of a material safety data sheet submitted under 68312  
this chapter by a facility owner or operator shall submit a 68313  
separate application for each facility for which a material 68314  
safety data sheet is being requested. 68315

(iv) A person who requests to receive by mail a copy of 68316  
information submitted under this chapter by a facility owner or 68317

operator shall submit a separate application for each facility 68318  
for which information is being requested and shall specify both 68319  
the facility for which information is being requested and the 68320  
particular types of documents requested. 68321

(v) Only employees of the commission or committee shall 68322  
copy information in the files of the commission or committee. 68323

(vi) The commission or committee may require any person 68324  
who requests to review or obtain a copy of information in its 68325  
files to schedule an appointment for that purpose with the 68326  
information coordinator of the commission or committee at least 68327  
twenty-four hours before arriving at the office of the 68328  
commission or committee for the review or copy. 68329

(vii) Any person who seeks access to information in the 68330  
files of the commission or a local emergency planning committee 68331  
shall submit a written application, either in person or by mail, 68332  
to the information coordinator on a form provided by the 68333  
commission or committee. The person also shall provide the 68334  
person's name and current mailing address on the application and 68335  
may be requested by the commission or committee to provide basic 68336  
demographic information on the form to assist in the evaluation 68337  
of the information access provisions of this chapter and rules 68338  
adopted under it. Application forms may be obtained by mail or 68339  
in person or by request by telephone at the office of the 68340  
commission or committee during regular business hours. Upon 68341  
receipt of a request for an application by telephone or mail, 68342  
the information coordinator shall promptly mail an application 68343  
to the person who requested it. 68344

(viii) The application form shall provide the applicant 68345  
with a means of indicating that the applicant's name and address 68346  
are to be kept confidential. If the applicant so indicates, that 68347

information is not a public record under section 149.43 of the Revised Code and shall not be disclosed to any person who is not a member or employee of the commission or committee or an employee of the environmental protection agency. When a name and address are to be kept confidential, they also shall be deleted from the copy of the application required to be placed in the file of the facility under division (B)(2)(c)(xii) of this section and shall be withheld from any log of information requests kept by the commission or committee pursuant to that division.

(ix) Neither the commission nor a local emergency planning committee shall charge any fee for access to review information in its files when no copies or computer searches of that information are requested.

(x) An applicant shall be informed of the cost of copying, mailing, or conducting a computer search of information on file with the commission or committee before such a copy or search is made, and the commission or committee shall collect the appropriate fees as established under section 3750.13 of the Revised Code. Each applicant shall acknowledge on the application form that the applicant is aware that the applicant will be charged for copies and computer searches of that information the applicant requests and for the costs of mailing copies of the information to the applicant.

(xi) The commission or committee may require a person requesting copies of information on file with it to take delivery of them in the office of the commission or committee whenever it considers the volume of the information to be large enough to make mailing or delivery by a parcel or package delivery service impractical.

(xii) When the commission or committee receives a request 68378  
for access to review or obtain copies of information in its 68379  
files, it shall not routinely notify the owner or operator of 68380  
the facility involved, but instead shall either keep a log or 68381  
file of requests for the information or shall place a copy of 68382  
each completed application form in the file for the facility to 68383  
which the application pertains. Such a log or file shall be 68384  
available for review by the public and by the owners and 68385  
operators of facilities required to submit information to the 68386  
commission or committee under this chapter and rules adopted 68387  
under it. 68388

(d) Require that claims for the protection, as a trade 68389  
secret, of information obtained under this chapter regarding 68390  
extremely hazardous substances identified or listed in rules 68391  
adopted under division (B) (1) (a) of this section and hazardous 68392  
chemicals identified or listed in rules adopted under division 68393  
(B) (1) (b) of this section be submitted to the administrator of 68394  
the United States environmental protection agency for 68395  
determination under section 322 of the the "Emergency Planning 68396  
and Community Right-To-Know Act of 1986," 100 Stat. 1747, 42 68397  
U.S.C.A. 11042, and regulations adopted under that section; 68398

(e) Establish criteria and procedures for the issuance of 68399  
variances under divisions (B) and (C) of section 3750.11 of the 68400  
Revised Code. The rules shall require that, before approval of 68401  
an application for a variance, the commission or committee find 68402  
by a preponderance of the scientific evidence based upon 68403  
generally accepted scientific principles or laboratory tests 68404  
that the extremely hazardous substances, hazardous chemicals, or 68405  
hazardous substances that would be subject to the reporting 68406  
requirement pose a substantial risk of catastrophic injury to 68407  
public health or safety or to the environment, or pose an 68408

extraordinary risk of injury to emergency management personnel 68409  
responding to a release of the chemicals or substances, when the 68410  
substances or chemicals are present at a facility in an amount 68411  
equal to or exceeding the quantity for which reporting would be 68412  
required under the reporting requirement for which the variance 68413  
is sought. The rules shall also require that before approval of 68414  
an application for a variance, the commission or committee find 68415  
by a preponderance of the evidence that the development and 68416  
implementation of a local emergency response plan for releases 68417  
of the substances or chemicals covered by the reporting 68418  
requirement will reduce the risk of catastrophic injury to 68419  
public health or safety or to the environment, or will reduce 68420  
the extraordinary risk of injury to responding emergency 68421  
management personnel, in the event of a release of the 68422  
substances or chemicals and find by a preponderance of the 68423  
evidence that the reporting requirement is necessary for the 68424  
development of such a local emergency response plan. The rules 68425  
shall require that when determining whether the substances or 68426  
chemicals that would be subject to the reporting requirement 68427  
pose a substantial risk of catastrophic injury to public health 68428  
or safety or to the environment, or pose an extraordinary risk 68429  
of injury to emergency management personnel responding to a 68430  
release of the substance or chemical, the commission or 68431  
committee consider all of the following factors: 68432

(i) The specific characteristics and degree and nature of 68433  
the hazards posed by a release of the extremely hazardous 68434  
substances, hazardous chemicals, or hazardous substances; 68435

(ii) The proximity of the facilities that would be subject 68436  
to the reporting requirement to residential areas, to areas 68437  
where significantly large numbers of people are employed or 68438  
otherwise congregate, and to environmental resources that are 68439

subject to injury; 68440

(iii) The quantities of the extremely hazardous 68441  
substances, hazardous chemicals, or hazardous substances that 68442  
are routinely present at facilities that would be subject to the 68443  
reporting requirement; 68444

(iv) The frequency with which the extremely hazardous 68445  
substances, hazardous chemicals, or hazardous substances are 68446  
present at the facilities that would be subject to the reporting 68447  
requirement in quantities for which reporting would be required 68448  
thereunder. 68449

(f) Establish criteria and procedures for the issuance of 68450  
orders under division (D) of section 3750.11 of the Revised Code 68451  
requiring the placement of emergency response lock box units. 68452  
The rules shall require that before approval of an application 68453  
for issuance of such an order, the commission or committee find 68454  
by a preponderance of the scientific evidence based upon 68455  
generally accepted scientific principles or laboratory tests 68456  
that the presence of the extremely hazardous substances, 68457  
hazardous chemicals, or hazardous substances in the quantities 68458  
in which they are routinely or intermittently present at the 68459  
facility for which the order is sought pose a substantial risk 68460  
of catastrophic injury to public health or safety or to the 68461  
environment, or pose an extraordinary risk of injury to 68462  
responding emergency management personnel, in the event of a 68463  
release of any of those substances or chemicals from the 68464  
facility. The rules shall require that before approval of an 68465  
application for issuance of such an order, the commission or 68466  
committee also find by a preponderance of the evidence that the 68467  
placement of an emergency response lock box unit at the facility 68468  
is necessary to protect against the substantial risk of 68469

catastrophic injury to public health or safety or the 68470  
environment, or to protect against an extraordinary risk of 68471  
injury to responding emergency management personnel, in the 68472  
event of a release of any of the extremely hazardous substances, 68473  
hazardous chemicals, or hazardous substances routinely or 68474  
intermittently present at the facility. The rules shall require 68475  
that when determining whether the extremely hazardous 68476  
substances, hazardous chemicals, or hazardous substances present 68477  
at the facility pose a substantial risk of catastrophic injury 68478  
to public health or safety or to the environment, or pose an 68479  
extraordinary risk of injury to responding emergency management 68480  
personnel, in the event of a release of any of those substances 68481  
or chemicals from the facility, the commission or committee 68482  
consider all of the following factors: 68483

(i) The specific characteristics and the degree and nature 68484  
of the hazards posed by a release of the extremely hazardous 68485  
substances, hazardous chemicals, or hazardous substances present 68486  
at the facility; 68487

(ii) The proximity of the facility to residential areas, 68488  
to areas where significantly large numbers of people are 68489  
employed or otherwise congregate, and to environmental resources 68490  
that are subject to injury; 68491

(iii) The quantities of the extremely hazardous 68492  
substances, hazardous chemicals, or hazardous substances that 68493  
are routinely present at the facility; 68494

(iv) The frequency with which the extremely hazardous 68495  
substances, hazardous chemicals, or hazardous substances are 68496  
present at the facility. 68497

(g) Establish procedures to be followed by the commission 68498

and the executive committee of the commission for the issuance 68499  
of orders under this chapter. 68500

(3) In accordance with Chapter 119. of the Revised Code 68501  
adopt rules establishing reportable quantities for releases of 68502  
oil that are consistent with and equivalent in scope, content, 68503  
and coverage to section 311 of the "Federal Water Pollution 68504  
Control Act Amendments of 1972," 86 Stat. 862, 33 U.S.C.A. 1321, 68505  
as amended, and applicable regulations adopted under it; 68506

(4) Adopt rules in accordance with Chapter 119. of the 68507  
Revised Code establishing criteria and procedures for 68508  
identifying or listing extremely hazardous substances in 68509  
addition to those identified or listed in rules adopted under 68510  
division (B)(1)(a) of this section and for establishing 68511  
threshold planning quantities and reportable quantities for the 68512  
added extremely hazardous substances; for identifying or listing 68513  
hazardous chemicals in addition to those identified or listed in 68514  
rules adopted under division (B)(1)(b) of this section and for 68515  
establishing threshold quantities and categories of health and 68516  
physical hazards for the added hazardous chemicals; and for 68517  
identifying or listing hazardous substances in addition to those 68518  
identified or listed in rules adopted under division (B)(1)(c) 68519  
of this section and for establishing reportable quantities for 68520  
the added hazardous substances. The criteria for identifying or 68521  
listing additional extremely hazardous substances and 68522  
establishing threshold planning quantities and reportable 68523  
quantities therefor and for identifying or listing additional 68524  
hazardous chemicals and establishing threshold quantities and 68525  
categories of health and physical hazards for the added 68526  
hazardous chemicals shall be consistent with and equivalent to 68527  
applicable criteria therefor under the "Emergency Planning and 68528  
Community Right-To-Know Act of 1986," 100 Stat. 1729, 42 68529

U.S.C.A. 11001, and regulations adopted under it. The criteria 68530  
for identifying additional hazardous substances and for 68531  
establishing reportable quantities of the added hazardous 68532  
substances shall be consistent with and equivalent to the 68533  
applicable criteria for identifying or listing hazardous 68534  
substances and establishing reportable quantities therefor under 68535  
the "Comprehensive Environmental Response, Compensation, and 68536  
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 68537  
amended, and regulations adopted under it. 68538

The rules shall require that, before identifying or 68539  
listing any such additional extremely hazardous substance, 68540  
hazardous chemical, or hazardous substance and establishing a 68541  
threshold planning quantity, threshold quantity, or reportable 68542  
quantity therefor, the commission find by a preponderance of the 68543  
scientific evidence based on generally accepted scientific 68544  
principles or laboratory tests that the substance or chemical 68545  
poses a substantial risk of catastrophic injury to public health 68546  
or safety or to the environment, or poses an extraordinary risk 68547  
of injury to emergency management personnel responding to a 68548  
release of the chemical or substance, when the chemical or 68549  
substance is present at a facility in an amount equal to the 68550  
proposed threshold planning quantity or threshold quantity or, 68551  
in the instance of a proposed additional extremely hazardous 68552  
substance or hazardous substance, poses a substantial risk of 68553  
catastrophic injury to public health or safety or to the 68554  
environment if a release of the proposed reportable quantity of 68555  
the substance occurs. The rules shall further require that, 68556  
before so identifying or listing a substance or chemical, the 68557  
commission find by a preponderance of the evidence that the 68558  
development and implementation of state or local emergency 68559  
response plans for releases of the substance or chemical will 68560

reduce the risk of a catastrophic injury to public health or 68561  
safety or to the environment, or will reduce the extraordinary 68562  
risk of injury to responding emergency response personnel, in 68563  
the event of a release of the substance or chemical and find by 68564  
a preponderance of the evidence that the identification or 68565  
listing of the substance or chemical is necessary for the 68566  
development of state or local emergency response plans for 68567  
releases of the substance or chemical. The rules shall require 68568  
that the commission consider the toxicity of the substance or 68569  
chemical in terms of both the short-term and long-term health 68570  
effects resulting from exposure to it and its reactivity, 68571  
volatility, dispersibility, combustibility, and flammability 68572  
when determining the risks posed by a release of the substance 68573  
or chemical and, as appropriate, when establishing a threshold 68574  
planning quantity, threshold quantity, reportable quantity, or 68575  
category of health or physical hazard for it. 68576

(5) Adopt rules in accordance with Chapter 119. of the 68577  
Revised Code establishing criteria and procedures for receiving 68578  
and deciding claims for protection of information as a trade 68579  
secret that are applicable only to extremely hazardous 68580  
substances and hazardous chemicals identified or listed in rules 68581  
adopted under division (C) (5) of this section. The rules shall 68582  
be equivalent in scope, content, and coverage to section 322 of 68583  
the "Emergency Planning and Community Right-To-Know Act of 68584  
1986," 100 Stat. 1747, 42 U.S.C.A. 11042, and regulations 68585  
adopted under it. 68586

(6) (a) After consultation with the fire marshal, adopt 68587  
rules in accordance with Chapter 119. of the Revised Code 68588  
establishing standards for the construction, placement, and use 68589  
of emergency response lock box units at facilities that are 68590  
subject to this chapter. The rules shall establish all of the 68591

following: 68592

(i) Specific standards of construction for lock box units; 68593

(ii) The specific types of information that shall be 68594  
placed in the lock box units required to be placed at a facility 68595  
by an order issued under division (D) of section 3750.11 of the 68596  
Revised Code, which shall include the location of on-site 68597  
emergency fire-fighting and spill cleanup equipment; a diagram 68598  
of the public and private water supply and sewage systems 68599  
serving the facility that are known to the owner or operator of 68600  
the facility; a copy of the emergency and hazardous chemical 68601  
inventory form for the facility most recently required to be 68602  
submitted under section 3750.08 of the Revised Code from which 68603  
the owner or operator may withhold information claimed or 68604  
determined to be trade secret information pursuant to rules 68605  
adopted under division (B) (2) (d) of this section, or pursuant to 68606  
division (B) (14) of this section and rules adopted under 68607  
division (B) (5) of this section, and confidential business 68608  
information identified in rules adopted under division (B) (1) (h) 68609  
of this section; a copy of the local fire department's and 68610  
facility's emergency management plans for the facility, if any; 68611  
a current list of the names, positions, addresses, and telephone 68612  
numbers of all key facility personnel knowledgeable in facility 68613  
safety procedures and the locations at the facility where 68614  
extremely hazardous substances, hazardous chemicals, and 68615  
hazardous substances are produced, used, or stored. The rules 68616  
shall stipulate that, in the instance of lock box units placed 68617  
voluntarily at facilities by the owners or operators of the 68618  
facilities, such information shall be maintained in them as is 68619  
prescribed by agreement by the owner or operator and the fire 68620  
department having jurisdiction over the facility. 68621

(iii) The conditions that shall be met in order to provide 68622  
safe and expedient access to a lock box unit during a release or 68623  
threatened release of an extremely hazardous substance, 68624  
hazardous chemical, or hazardous substance. 68625

(b) Unless the owner or operator of a facility is issued 68626  
an order under division (D) of section 3750.11 of the Revised 68627  
Code requiring the owner or operator to place a lock box unit at 68628  
the facility, the owner or operator may place a lock box unit at 68629  
the facility at the owner's or operator's discretion. If the 68630  
owner or operator chooses to place a lock box unit at the 68631  
facility, the responsibility to deposit information in the lock 68632  
box unit is in addition to any other obligations established in 68633  
this chapter. 68634

(c) Any costs associated with the purchase, construction, 68635  
or placement of a lock box unit shall be paid by the owner or 68636  
operator of the facility. 68637

(7) In accordance with Chapter 119. of the Revised Code, 68638  
adopt rules governing the application for and awarding of grants 68639  
under division (C) of section 3750.14 and division (B) of 68640  
section 3750.15 of the Revised Code; 68641

(8) Adopt rules in accordance with Chapter 119. of the 68642  
Revised Code establishing reasonable maximum fees that may be 68643  
charged by the commission and local emergency planning 68644  
committees for copying information in the commission's or 68645  
committee's files to fulfill requests from the public for that 68646  
information; 68647

(9) Adopt internal management rules governing the 68648  
operations of the commission. The internal management rules 68649  
shall establish an executive committee of the commission 68650

consisting of the director of environmental protection or the 68651  
director's designee, the director of public safety or the 68652  
director's designee, the attorney general or the attorney 68653  
general's designee, one of the appointed members of the 68654  
commission representing industries subject to this chapter to be 68655  
appointed by the commission, one of the appointed members of the 68656  
commission representing the interests of environmental advocacy 68657  
organizations to be appointed by the commission, and one other 68658  
appointed member or member ex officio of the commission to be 68659  
appointed by the commission. The executive committee has 68660  
exclusive authority to issue enforcement orders under section 68661  
3750.18 of the Revised Code and to request the attorney general 68662  
to bring a civil action, civil penalty action, or criminal 68663  
action under section 3750.20 of the Revised Code in the name of 68664  
the commission regarding violations of this chapter, rules 68665  
adopted under it, or orders issued under it. The internal 68666  
management rules may set forth the other specific powers and 68667  
duties of the commission that the executive committee may 68668  
exercise and carry out and the conditions under which the 68669  
executive committee may do so. The internal management rules 68670  
shall not authorize the executive committee to issue variances 68671  
under division (B) or (C) of section 3750.11 of the Revised Code 68672  
or orders under division (D) of that section. 68673

(10) Oversee and coordinate the implementation and 68674  
enforcement of this chapter and make such recommendations to the 68675  
director of environmental protection and the director of public 68676  
safety as it considers necessary or appropriate to improve the 68677  
implementation and enforcement of this chapter; 68678

(11) Make allocations of moneys under division (B) of 68679  
section 3750.14 of the Revised Code and make grants under 68680  
division (C) of section 3750.14 and division (B) of section 68681

3750.15 of the Revised Code; 68682

(12) Designate an officer of the environmental protection 68683  
agency to serve as the commission's information coordinator 68684  
under this chapter; 68685

(13) Not later than December 14, 1989, develop and 68686  
distribute a state emergency response plan that defines the 68687  
emergency response roles and responsibilities of the state 68688  
agencies that are represented on the commission and that 68689  
provides appropriate coordination with the national contingency 68690  
plan and the regional contingency plan required by section 105 68691  
of the "Comprehensive Environmental Response, Compensation, and 68692  
Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as 68693  
amended. The plan shall ensure a well-coordinated response by 68694  
state agencies that may be involved in assisting local emergency 68695  
responders during a major release of oil or a major sudden and 68696  
accidental release of a hazardous substance or extremely 68697  
hazardous substance. The plan may incorporate existing state 68698  
emergency response plans by reference. At least annually, the 68699  
commission and the state agencies that are represented on it 68700  
shall jointly exercise the state plan in conjunction with the 68701  
exercise of a local emergency response plan by a local emergency 68702  
planning committee under section 3750.04 of the Revised Code. 68703  
After any such exercise, the commission shall review the state 68704  
plan and make such revisions in it as the commission considers 68705  
necessary or appropriate. 68706

(14) Receive and decide claims for the protection of 68707  
information as a trade secret that pertain only to extremely 68708  
hazardous substances and hazardous chemicals identified or 68709  
listed by rules adopted under division (C)(5) of this section. 68710  
If the commission determines that the claim meets the criteria 68711

established in rules adopted under division (B) (5) of this 68712  
section, it shall issue an order to that effect in accordance 68713  
with section 3750.18 of the Revised Code. If the commission 68714  
determines that the claim does not meet the criteria established 68715  
in those rules, it shall issue an order to that effect in 68716  
accordance with section 3750.18 of the Revised Code. 68717

(15) Annually compile, make available to the public, and 68718  
submit to the president of the senate and the speaker of the 68719  
house of representatives a summary report on the number of 68720  
facilities estimated to be subject to regulation under sections 68721  
3750.05, 3750.07, and 3750.08 of the Revised Code, the number of 68722  
facilities reporting to the commission, an estimate of the 68723  
percentage of facilities in compliance with those sections, and 68724  
recommendations regarding the types of activities the commission 68725  
considers necessary to improve such compliance. The commission 68726  
shall base its estimate of the number of facilities that are 68727  
subject to regulation under those sections on the current 68728  
estimates provided by the local emergency planning committees 68729  
under division (D) (6) of section 3750.03 of the Revised Code. 68730

(C) The commission may: 68731

(1) Procure by contract the temporary or intermittent 68732  
services of experts or consultants when those services are to be 68733  
performed on a part-time or fee-for-service basis and do not 68734  
involve the performance of administrative duties; 68735

(2) Enter into contracts or agreements with political 68736  
subdivisions or emergency planning districts for the purposes of 68737  
this chapter; 68738

(3) Accept on behalf of the state any gift, grant, or 68739  
contribution from any governmental or private source for the 68740

purposes of this chapter; 68741

(4) Enter into contracts, agreements, or memoranda of 68742  
understanding with any state department, agency, board, 68743  
commission, or institution to obtain the services of personnel 68744  
thereof or utilize resources thereof for the purposes of this 68745  
chapter. Employees of a state department, agency, board, 68746  
commission, or institution providing services to the commission 68747  
under any such contract, agreement, or memorandum shall perform 68748  
only those functions and provide only the services provided for 68749  
in the contract, agreement, or memorandum. 68750

(5) Identify or list extremely hazardous substances in 68751  
addition to those identified or listed in rules adopted under 68752  
division (B)(1)(a) of this section and establish threshold 68753  
planning quantities and reportable quantities for the additional 68754  
extremely hazardous substances, identify or list hazardous 68755  
chemicals in addition to those identified or listed in rules 68756  
adopted under division (B)(1)(b) of this section and establish 68757  
threshold quantities and categories or health and physical 68758  
hazards for the added chemicals, and identify or list hazardous 68759  
substances in addition to those identified or listed in rules 68760  
adopted under division (B)(1)(c) of this section and establish 68761  
reportable quantities for the added hazardous substances. The 68762  
commission may establish threshold planning quantities for the 68763  
additional extremely hazardous substances based upon classes of 68764  
those substances or categories of facilities at which they are 68765  
present and may establish threshold quantities for the 68766  
additional hazardous chemicals based upon classes of those 68767  
chemicals or categories of facilities where they are present. 68768  
The commission shall identify or list such additional substances 68769  
or chemicals and establish threshold planning quantities, 68770  
threshold quantities, reportable quantities, and hazard 68771

categories therefor in accordance with the criteria and 68772  
procedures established in rules adopted under division (B) (4) of 68773  
this section and, after compliance with those criteria and 68774  
procedures, by the adoption of rules in accordance with Chapter 68775  
119. of the Revised Code. The commission shall not adopt rules 68776  
under division (C) (5) of this section modifying any threshold 68777  
planning quantity established in rules adopted under division 68778  
(B) (1) (a) of this section, any threshold quantity established in 68779  
rules adopted under division (B) (1) (b) of this section, or any 68780  
reportable quantity established in rules adopted under division 68781  
(B) (1) (c) of this section. 68782

If, after the commission has adopted rules under division 68783  
(C) (5) of this section identifying or listing an extremely 68784  
hazardous substance, hazardous chemical, or hazardous substance, 68785  
the administrator of the United States environmental protection 68786  
agency identifies or lists the substance or chemical as an 68787  
extremely hazardous substance or hazardous chemical under the 68788  
"Emergency Planning and Community Right-To-Know Act of 1986," 68789  
100 Stat. 1729, 42 U.S.C.A. 11001, or identifies or lists a 68790  
substance as a hazardous substance under the "Comprehensive 68791  
Environmental Response, Compensation, and Liability Act of 68792  
1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as amended, the 68793  
commission shall rescind its rules adopted under division (C) (5) 68794  
of this section pertaining to the substance or chemical and 68795  
adopt the appropriate rules under division (B) (1) (a), (b), or 68796  
(c) of this section. 68797

(6) From time to time, request the director of 68798  
environmental protection and the executive director of the 68799  
emergency management agency to review implementation, 68800  
administration, and enforcement of the chemical emergency 68801  
response planning and reporting programs created by this chapter 68802

and rules adopted under it regarding their effectiveness in 68803  
preparing for response to releases of extremely hazardous 68804  
substances, hazardous chemicals, and hazardous substances. After 68805  
completion of any such review, the director of environmental 68806  
protection and the director of public safety shall report their 68807  
findings to the commission. Upon receipt of their findings, the 68808  
commission may make such recommendations for legislative and 68809  
administrative action as the commission finds necessary or 68810  
appropriate to promote achievement of the purposes of this 68811  
chapter. 68812

(D) Except as provided in section 3750.06 of the Revised 68813  
Code, nothing in this chapter applies to the transportation, 68814  
including the storage incident to transportation, of any 68815  
substance or chemical subject to the requirements of this 68816  
chapter, including the transportation and distribution of 68817  
natural gas. 68818

(E) This chapter authorizes the state, through the 68819  
emergency response commission, the department of public safety, 68820  
and the environmental protection agency, to establish and 68821  
maintain chemical emergency response planning and preparedness, 68822  
community right-to-know, and hazardous substance and extremely 68823  
hazardous substance release reporting programs that are 68824  
consistent with and equivalent in scope, coverage, and content 68825  
to the "Emergency Planning and Community Right-To-Know Act of 68826  
1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and regulations 68827  
adopted under it, except as otherwise specifically required or 68828  
authorized in this chapter. The commission, department, and 68829  
agencies may do all things necessary, incidental, or appropriate 68830  
to implement, administer, and enforce this chapter and to 68831  
perform the duties and exercise the powers of the state 68832  
emergency response commission under that act and regulations 68833

adopted under it and under this chapter. 68834

**Sec. 3769.088.** (A) (1) If any permit holder required by 68835  
this chapter to pay the taxes levied by sections 3769.08, 68836  
3769.087, 3769.26, and 3769.28 of the Revised Code fails to pay 68837  
the taxes as required, the tax commissioner may make an 68838  
assessment against the permit holder based upon any information 68839  
in the commissioner's possession. 68840

(2) If a permit holder required to remit taxes or file a 68841  
report electronically in the manner prescribed under section 68842  
3769.103 of the Revised Code fails to do so, the tax 68843  
commissioner may impose an additional penalty of fifty dollars 68844  
or ten per cent of the tax due as shown on the report, whichever 68845  
is greater. 68846

(3) A penalty of up to fifteen per cent may be added to 68847  
the amount of every assessment made under this section. 68848

~~(4) The commissioner may adopt rules providing for the 68849  
imposition and remission of penalties added to assessments made 68850  
under this section. 68851~~

~~(5) The commissioner shall give the party assessed written 68852  
notice of the assessment in the manner provided in section 68853  
5703.37 of the Revised Code. With the notice, the commissioner 68854  
shall provide instructions on how to petition for reassessment 68855  
and request a hearing on the petition. 68856~~

(B) Unless the party assessed files with the tax 68857  
commissioner within sixty days after service of the notice of 68858  
assessment, ~~either personally or by certified mail,~~ a written 68859  
petition for reassessment signed by the party assessed or that 68860  
party's authorized agent having knowledge of the facts, the 68861  
assessment becomes final and the amount of the assessment is due 68862

and payable from the party assessed to the commissioner. The 68863  
petition shall indicate the objections of the party assessed, 68864  
but additional objections may be raised in writing if received 68865  
by the commissioner prior to the date shown on the final 68866  
determination. If the petition has been properly filed, the 68867  
commissioner shall proceed under section 5703.60 of the Revised 68868  
Code. 68869

(C) After an assessment becomes final, if any portion of 68870  
the assessment remains unpaid, including accrued interest, a 68871  
certified copy of the tax commissioner's entry making the 68872  
assessment final may be filed in the office of the clerk of the 68873  
court of common pleas in the county in which the place, track, 68874  
or enclosure for which the permit was issued is located or the 68875  
county in which the party assessed resides or has its principal 68876  
place of business. If the party assessed maintains no place of 68877  
business in this state and is not a resident of this state, the 68878  
certified copy of the entry may be filed in the office of the 68879  
clerk of the court of common pleas of Franklin county. 68880

Immediately upon the filing of the entry, the clerk shall 68881  
enter a judgment for the state against the party assessed in the 68882  
amount shown on the entry. The judgment may be filed by the 68883  
clerk in a loose-leaf book entitled "special judgments for state 68884  
horse racing tax," and shall have the same effect as other 68885

Any department, personnel, or person may enforce only the type of building code for which certified.

(3) The board shall not require a building department, its personnel, or any persons that it employs to be certified for residential building code enforcement if that building department does not enforce the state residential building code. The board shall specify, in rules adopted pursuant to Chapter 119. of the Revised Code, the requirements for certification for

residential and nonresidential building code enforcement, which 70236  
shall be consistent with this division. The requirements for 70237  
residential and nonresidential certification may differ. Except 70238

(5) Any individual certified pursuant to this division 70259  
shall complete the number of hours of continuing building code 70260  
education that the board requires or, for failure to do so, 70261  
forfeit certification. 70262

(6) This division does not require or authorize the board 70263

(C) Unless a public employer agrees otherwise in a 71080

and an exclusive representative entered into pursuant to this 71112  
chapter governs the wages, hours, and terms and conditions of 71113  
public employment covered by the agreement. If the agreement 71114  
provides for a final and binding arbitration of grievances, 71115

employees are subject to all applicable state or local laws or 71123  
ordinances pertaining to the wages, hours, and terms and 71124

(i) The minimum standards promulgated by the director of education and workforce pursuant to division (D) of section 3301.07 of the Revised Code.	71142 71143 71144
(2) The law pertaining to the leave of absence and compensation provided under section 5923.05 of the Revised Code, if the terms of the agreement contain benefits which are less than those contained in that section or the agreement contains no such terms and the public authority is the state or any agency, authority, commission, or board of the state or if the public authority is another entity listed in division (B) of section 4117.01 of the Revised Code that elects to provide leave of absence and compensation as provided in section 5923.05 of the Revised Code;	71145 71146 71147 71148 71149 71150 71151 71152 71153 71154
(3) The law pertaining to the leave established under section 5906.02 of the Revised Code, if the terms of the agreement contain benefits that are less than those contained in section 5906.02 of the Revised Code;	71155 71156 71157 71158

(5) The law pertaining to state employee work location policies under section 124.184 of the Revised Code with respect to an agreement between an employee organization and a public employer entered into on or after the effective date of this amendment.

Except for sections 306.08, 306.12, 306.35, and 4981.22 of the Revised Code and arrangements entered into thereunder, and section 4981.21 of the Revised Code as necessary to comply with section 13(c) of the "Urban Mass Transportation Act of 1964," 87 Stat. 295, 49 U.S.C.A. 1609(c), as amended, and arrangements entered into thereunder, this chapter prevails over any and all other conflicting laws, resolutions, provisions, present or future, except as otherwise specified in this chapter or as otherwise specified by the general assembly. Nothing in this section prohibits or shall be construed to invalidate the provisions of an agreement establishing supplemental workers' compensation or unemployment compensation benefits or exceeding minimum requirements contained in the Revised Code pertaining to public education or the minimum standards promulgated by the director of education and workforce pursuant to division (D) of section 3301.07 of the Revised Code.

(B) The public employer shall submit a request for funds necessary to implement an agreement and for approval of any other matter requiring the approval of the appropriate legislative body to the legislative body within fourteen days of the date on which the parties finalize the agreement, unless

otherwise specified, but if the appropriate legislative body is 71189  
not in session at the time, then within fourteen days after it 71190  
convenes. The legislative body must approve or reject the 71191  
submission as a whole, and the submission is deemed approved if 71192  
the legislative body fails to act within thirty days after the 71193  
public employer submits the agreement. The parties may specify 71194  
that those provisions of the agreement not requiring action by a 71195  
legislative body are effective and operative in accordance with 71196  
the terms of the agreement, provided there has been compliance 71197  
with division (C) of this section. If the legislative body 71198  
rejects the submission of the public employer, either party may 71199  
reopen all or part of the entire agreement. 71200

As used in this section, "legislative body" includes the 71201  
governing board of a municipal corporation, school district, 71202  
college or university, village, township, or board of county 71203  
commissioners or any other body that has authority to approve 71204  
the budget of their public jurisdiction and, with regard to the 71205  
state, "legislative body" means the controlling board. 71206

(C) The chief executive officer, or the chief executive 71207  
officer's representative, of each municipal corporation, the 71208  
designated representative of the board of education of each 71209  
school district, college or university, or any other body that 71210  
has authority to approve the budget of their public 71211  
jurisdiction, the designated representative of the board of 71212  
county commissioners and of each elected officeholder of the 71213  
county whose employees are covered by the collective 71214  
negotiations, and the designated representative of the village 71215  
or the board of township trustees of each township is 71216  
responsible for negotiations in the collective bargaining 71217  
process; except that the legislative body may accept or reject a 71218  
proposed collective bargaining agreement. When the matters about 71219

which there is agreement are reduced to writing and approved by 71220  
the employee organization and the legislative body, the 71221  
agreement is binding upon the legislative body, the employer, 71222  
and the employee organization and employees covered by the 71223  
agreement. 71224

(D) There is hereby established an office of collective 71225  
bargaining in the department of administrative services for the 71226  
purpose of negotiating with and entering into written agreements 71227  
between state agencies, departments, boards, and commissions and 71228  
the exclusive representative on matters of wages, hours, terms 71229  
and other conditions of employment and the continuation, 71230  
modification, or deletion of an existing provision of a 71231  
collective bargaining agreement. Nothing in any provision of law 71232  
to the contrary shall be interpreted as excluding the bureau of 71233  
workers' compensation and the industrial commission from the 71234  
preceding sentence. This office shall not negotiate on behalf of 71235  
other statewide elected officials or boards of trustees of state 71236  
institutions of higher education who shall be considered as 71237  
separate public employers for the purposes of this chapter; 71238  
however, the office may negotiate on behalf of these officials 71239  
or trustees where authorized by the officials or trustees. The 71240  
staff of the office of collective bargaining are in the 71241  
unclassified service. The director of administrative services 71242  
shall fix the compensation of the staff. 71243

defined as wages under the "Federal Unemployment Tax Act," 84 71911  
Stat. 714 (1970), 26 U.S.C.A. 3301 to 3311, as amended. The 71912

three annual payrolls of an employer, provided that if, as of 71952

any computation date, the employer has had less than three 71953  
annual payrolls in such three-year period, such average shall be 71954

such date. 71956

contributions shall be described as "contributory employers." 71962

(2) "Payments in lieu of contributions" means the money 71963  
payments to the state unemployment compensation fund required of 71964  
reimbursing employers under sections 4141.241 and 4141.242 of 71965  
the Revised Code. 71966

(M) An individual is "totally unemployed" in any week 71967  
during which the individual performs no services and with 71968  
respect to such week no remuneration is payable to the 71969  
individual. 71970

(N) An individual is "partially unemployed" in any week 71971  
if, due to involuntary loss of work, the total remuneration 71972  
payable to the individual for such week is less than the 71973  
individual's weekly benefit amount. 71974

(O) "Week" means the calendar week ending at midnight 71975  
Saturday unless an equivalent week of seven consecutive calendar 71976  
days is prescribed by the director. 71977

(1) "Qualifying week" means any calendar week in an 71978  
individual's base period with respect to which the individual 71979  
earns or is paid remuneration in employment subject to this 71980  
chapter. A calendar week with respect to which an individual 71981

earns remuneration but for which payment was not made within the 71982  
base period, when necessary to qualify for benefit rights, may 71983  
be considered to be a qualifying week. The number of qualifying 71984  
weeks which may be established in a calendar quarter shall not 71985  
exceed the number of calendar weeks in the quarter. 71986

(2) "Average weekly wage" means the amount obtained by 71987  
dividing an individual's total remuneration for all qualifying 71988  
weeks during the base period by the number of such qualifying 71989  
weeks, provided that if the computation results in an amount 71990  
that is not a multiple of one dollar, such amount shall be 71991  
rounded to the next lower multiple of one dollar. 71992

(P) "Weekly benefit amount" means the amount of benefits 71993  
an individual would be entitled to receive for one week of total 71994  
unemployment. 71995

(Q) (1) "Base period" means the first four of the last five 71996  
completed calendar quarters immediately preceding the first day 71997  
of an individual's benefit year, except as provided in division 71998  
(Q) (2) of this section. 71999

(2) If an individual does not have sufficient qualifying 72000  
weeks and wages in the base period to qualify for benefit 72001  
rights, the individual's base period shall be the four most 72002  
recently completed calendar quarters preceding the first day of 72003  
the individual's benefit year. Such base period shall be known 72004  
as the "alternate base period." If information as to weeks and 72005  
wages for the most recent quarter of the alternate base period 72006  
is not available to the director from the regular quarterly 72007  
reports of wage information, which are systematically 72008  
accessible, the director may, consistent with the provisions of 72009  
section 4141.28 of the Revised Code, base the determination of 72010  
eligibility for benefits on the affidavit of the claimant with 72011

respect to weeks and wages for that calendar quarter. The 72012  
claimant shall furnish payroll documentation, where available, 72013  
in support of the affidavit. The determination based upon the 72014  
alternate base period as it relates to the claimant's benefit 72015  
rights, shall be amended when the quarterly report of wage 72016  
information from the employer is timely received and that 72017  
information causes a change in the determination. As provided in 72018  
division (B) of section 4141.28 of the Revised Code, any 72019  
benefits paid and charged to an employer's account, based upon a 72020  
claimant's affidavit, shall be adjusted effective as of the 72021  
beginning of the claimant's benefit year. No calendar quarter in 72022  
a base period or alternate base period shall be used to 72023  
establish a subsequent benefit year. 72024

(3) The "base period" of a combined wage claim, as 72025  
described in division (H) of section 4141.43 of the Revised 72026  
Code, shall be the base period prescribed by the law of the 72027  
state in which the claim is allowed. 72028

utilized. 72032

(R) (1) "Benefit year" with respect to an individual means 72033  
the fifty-two week period beginning with the first day of that 72034

application for determination of benefit rights, and thereafter 72036  
the fifty-two week period beginning with the first day of that 72037  
week with respect to which the individual next files a valid 72038  
application for determination of benefit rights after the 72039  
termination of the individual's last preceding benefit year, 72040  
except that the application shall not be considered valid unless 72041

the individual has had employment in six weeks that is subject 72042  
to this chapter or the unemployment compensation act of another 72043  
state, or the United States, and has, since the beginning of the 72044  
individual's previous benefit year, in the employment earned 72045  
three times the average weekly wage determined for the previous 72046  
benefit year. The "benefit year" of a combined wage claim, as 72047  
described in division (H) of section 4141.43 of the Revised 72048  
Code, shall be the benefit year prescribed by the law of the 72049  
state in which the claim is allowed. Any application for 72050  
determination of benefit rights made in accordance with section 72051  
4141.28 of the Revised Code is valid if the individual filing 72052  
such application is unemployed, has been employed by an employer 72053  
or employers subject to this chapter in at least twenty 72054  
qualifying weeks within the individual's base period, and has 72055  
earned or been paid remuneration at an average weekly wage of 72056  
not less than twenty-seven and one-half per cent of the 72057  
statewide average weekly wage for such weeks. For purposes of 72058  
determining whether an individual has had sufficient employment 72059  
since the beginning of the individual's previous benefit year to 72060  
file a valid application, "employment" means the performance of 72061  
services for which remuneration is payable. 72062

(2) Effective for benefit years beginning on and after 72063  
December 26, 2004, but before July 1, 2022, any application for 72064  
determination of benefit rights made in accordance with section 72065  
4141.28 of the Revised Code is valid if the individual satisfies 72066  
the criteria described in division (R)(1) of this section, and 72067  
if the reason for the individual's separation from employment is 72068  
not disqualifying pursuant to division (D)(2) of section 4141.29 72069  
or section 4141.291 of the Revised Code. A disqualification 72070  
imposed pursuant to division (D)(2) of section 4141.29 or 72071  
section 4141.291 of the Revised Code must be removed as provided 72072

in those sections as a requirement of establishing a valid 72073  
application for benefit years beginning on and after December 72074  
26, 2004, but before July 1, 2022. Effective for benefit years 72075  
beginning on and after July 1, 2022, any application for 72076  
determination of benefit rights made in accordance with section 72077

In the payment of any contributions, a fractional part of a dollar may be disregarded unless it amounts to fifty cents or more, in which case it may be increased to the next higher dollar.

~~(B) (1) Any contribution or payment in lieu of contribution, due from an employer on or before December 31, 1992, shall, if not paid when due, bear interest at the rate of ten per cent per annum. In such computation any fraction of a month shall be considered as a full month.~~

~~(2) Any contribution, payment in lieu of contribution, interest, forfeiture, or fine due from an employer on or after January 1, 1993 before December 31, 2025, shall, if not paid when due, bear interest at the annual rate of fourteen per cent compounded monthly on the aggregate receivable balance due. In such computation any fraction of a month shall be considered as a full month.~~

(2) Any contribution, payment in lieu of contribution, interest, forfeiture, or fine due from an employer on or after January 1, 2026, shall, if not paid when due, bear interest at the interest rate established by the state tax commissioner pursuant to section 5703.47 of the Revised Code, not exceeding fifteen per cent. In such computation any fraction of a month shall be considered as a full month.

(C) The director may waive the interest assessed under division ~~(B) (2)~~ (B) of this section if the employer meets all of the following conditions within thirty days after the date the director mails or delivers the notice of assessment of interest:

(1) Provides to the director a written request for a waiver of interest clearly demonstrating that the employer's

failure to timely pay contributions, payments in lieu of 72510  
contributions, interest, forfeiture, and fines was a result of 72511  
circumstances beyond the control of the employer or the 72512  
employer's agent, except that negligence on the part of the 72513  
employer or the employer's agent shall not be considered beyond 72514  
the control of the employer or the employer's agent; 72515

(2) Furnishes to the director all quarterly reports 72516  
required under section 4141.20 of the Revised Code; 72517

(3) Pays in full all contributions, payments in lieu of 72518  
contributions, interest, forfeiture, and fines for each quarter 72519  
for which such payments are due. 72520

The director shall deny an employer's request for a waiver 72521  
of interest after finding that the employer's failure to timely 72522  
furnish reports or make payments as required under this chapter 72523  
was due to an attempt to evade payment. 72524

(D) Any contribution, interest, forfeiture, or fine 72525  
required to be paid under this chapter by any employer shall, if 72526  
not paid when due, become a lien upon the real and personal 72527  
property of such employer. Upon failure of such employer to pay 72528  
the contributions, interest, forfeiture, or fine required to be 72529  
paid under this chapter, the director shall file notice of such 72530  
lien, for which there shall be no charge, in the office of the 72531  
county recorder of the county in which it is ascertained that 72532  
such employer owns real estate or personal property. The 72533  
director shall notify the employer by mail of the lien. The 72534  
absence of proof that the notice was sent does not affect the 72535  
validity of the lien. Such lien shall not be valid as against 72536  
the claim of any mortgagee, pledgee, purchaser, judgment 72537  
creditor, or other lienholder of record at the time such notice 72538  
is filed. 72539

If the employer acquires real or personal property after notice of lien is filed, such lien shall not be valid as against the claim of any mortgagee, pledgee, subsequent bona fide purchaser for value, judgment creditor, or other lienholder of record to such after-acquired property, unless the notice of lien is refiled after such property was acquired by the employer and before the competing lien attached to such after-acquired property or before the conveyance to such subsequent bona fide purchaser for value.

Such a notice shall be recorded in the county recorder's official records and indexed in the direct and reverse indexes under the name of the employer. When such unpaid contributions, interest, forfeiture, or fines have been paid, the employer may record with the county recorder of the county in which such notice of lien has been filed and recorded, notice of such payment, and the notice of payment shall be recorded in the county recorder's official records and indexed in the direct and reverse indexes. For recording the notice of payment, the county recorder shall charge and receive from the employer a base fee of two dollars for services and a housing trust fund fee of two dollars pursuant to section 317.36 of the Revised Code.

(E) Notwithstanding other provisions in this section, the director may reduce, in whole or in part, the amount of interest, forfeiture, or fines required to be paid under this chapter if the director determines that the reduction is in the best interest of the unemployment compensation fund.

(F) Assessment of contributions shall not be made after four years from the date on which such contributions became payable, and no action in court for the collection of contributions without assessment of such contributions shall be

begun after the expiration of five years from the date such 72570  
contributions became payable. In case of a false or fraudulent 72571  
report or of a willful attempt in any manner to evade 72572  
contributions, such contributions may be assessed or a 72573  
proceeding in court for the collection of such contributions may 72574  
be begun without assessment at any time. When the assessment of 72575  
contributions has been made within such four-year period 72576  
provided, action in court to collect such contributions may be 72577  
begun within, but not later than, six years after such 72578  
assessment. 72579

(G) In the event of a distribution of an employer's 72580  
assets, pursuant to an order of any court under the law of this 72581  
state, including any receivership, assignment for benefit of 72582  
creditors, adjudicated insolvency, or similar proceedings, 72583  
contributions, interest, forfeiture, or fine then or thereafter 72584  
due have the same priority as provided by law for the payment of 72585  
taxes due the state and shall be paid out of the trust fund in 72586  
the same manner as provided for other claims for unpaid taxes 72587  
due the state. 72588

(H) If the attorney general finds after investigation that 72589  
any claim for delinquent contributions, interest, forfeitures, 72590  
or fines owing to the director is uncollectible, in whole or in 72591  
part, the attorney general shall recommend to the director the 72592  
cancellation of such claim or any part thereof. The director may 72593  
thereupon effect such cancellation. 72594

**Sec. 4141.281. APPEALS** 72595

(A) APPEAL FILED 72596

Any party notified of a determination of benefit rights or 72597  
a claim for benefits determination may appeal within twenty-one 72598

calendar days after the written determination was sent to the 72599  
party or within an extended period as provided under division 72600  
(D) (9) of this section. 72601

(B) REDETERMINATION 72602

Within twenty-one days after receipt of the appeal, the 72603  
director of job and family services shall issue a 72604  
redetermination or transfer the appeal to the unemployment 72605  
compensation review commission. A redetermination under this 72606  
section is appealable in the same manner as an initial 72607  
determination by the director. 72608

(C) REVIEW COMMISSION 72609

(1) JURISDICTION 72610

The commission shall provide an opportunity for a fair 72611  
hearing to the interested parties of appeals over which the 72612  
commission has jurisdiction. The commission has jurisdiction 72613  
over an appeal on transfer or on direct appeal to the 72614  
commission. If the commission concludes that a pending appeal 72615  
does not warrant a hearing, the commission may remand the appeal 72616  
to the director for redetermination. The commission retains 72617  
jurisdiction until the appeal is remanded to the director or a 72618  
final decision is issued and appealed to court, or the time to 72619  
request a review or to appeal a decision of a hearing officer or 72620  
the commission is expired. 72621

(2) CONDUCT OF HEARINGS 72622

Hearings before the commission are held at the hearing 72623  
officer level and the review level. Unless otherwise provided in 72624  
this chapter, initial hearings involving claims for compensation 72625  
and other unemployment compensation issues are conducted at the 72626  
hearing officer level by hearing officers appointed by the 72627

commission. Hearings at the review level are conducted by 72628  
hearing officers appointed by the commission, by members of the 72629  
commission acting either individually or collectively, and by 72630  
members of the commission and hearing officers acting jointly. 72631  
In all hearings conducted at the review level, the commission 72632  
shall designate the hearing officer or officers who are to 72633  
conduct the hearing. When the term "hearing officer" is used in 72634  
reference to hearings conducted at the review level, the term 72635  
includes members of the commission. All decisions issued at the 72636  
review level are issued by the commission. 72637

Provisions contained in the remainder of this paragraph 72638  
apply to hearings at both the hearing officer level and the 72639  
review level. The principles of due process in administrative 72640  
hearings shall be applied to all hearings conducted under the 72641  
authority of the commission. In conducting hearings, all hearing 72642  
officers shall control the conduct of the hearing, exclude 72643  
irrelevant or cumulative evidence, and give weight to the kind 72644  
of evidence on which reasonably prudent persons are accustomed 72645  
to rely in the conduct of serious affairs. Hearing officers have 72646  
an affirmative duty to question parties and witnesses in order 72647  
to ascertain the relevant facts and to fully and fairly develop 72648  
the record. Hearing officers are not bound by common law or 72649  
statutory rules of evidence or by technical or formal rules of 72650  
procedure. No person shall impose upon the claimant or the 72651  
employer any burden of proof as is required in a court of law. 72652  
The proceedings at hearings shall be recorded by mechanical 72653  
means or otherwise as may be prescribed by the commission. In 72654  
the absence of further proceedings, the record need not be 72655  
transcribed. After considering all of the evidence, a hearing 72656  
officer shall issue a written decision that sets forth the facts 72657  
as the hearing officer finds them to be, cites the applicable 72658

law, and gives the reasoning for the decision. 72659

(3) HEARING OFFICER LEVEL 72660

When an appeal is transferred to the commission by the 72661  
director, the commission shall notify all interested parties of 72662  
the time and place of the hearing and assign the appeal for a 72663  
hearing by a hearing officer. The hearings shall be de novo, 72664  
except that the director's file pertaining to a case shall be 72665  
included in the record to be considered. 72666

Following a hearing, the hearing officer shall affirm, 72667  
modify, or reverse the determination of the director in the 72668  
manner that appears just and proper. The hearing officer's 72669  
written decision shall be sent to all interested parties. The 72670  
decision shall state the right of an interested party to request 72671  
a review by the commission. 72672

A request for review shall be filed within twenty-one days 72673  
after the decision was sent to the party, or within an extended 72674  
period as provided under division (D) (9) of this section. The 72675  
hearing officer's decision shall become final unless a request 72676  
for review is filed and allowed or the commission removes the 72677  
appeal to itself within twenty-one days after the hearing 72678  
officer's decision is sent. 72679

(4) REVIEW LEVEL 72680

At the review level, the commission may affirm, modify, or 72681  
reverse previous determinations by the director or at the 72682  
hearing officer level. At the review level, the commission may 72683  
affirm, modify, or reverse a hearing officer's decision or 72684  
remand the decision to the hearing officer level for further 72685  
hearing. The commission shall consider an appeal at the review 72686  
level under the following circumstances: when an appeal is 72687

required to be heard initially at the review level under this 72688  
chapter; when the commission on its own motion removes an appeal 72689  
to itself within twenty-one days after the hearing officer's 72690  
decision is sent; when the assigned hearing officer refers an 72691  
appeal to the commission before the hearing officer's decision 72692  
is sent; or when an interested party files a request for review 72693  
with the commission within twenty-one days after the hearing 72694  
officer's decision is sent. 72695

(5) COMMISSION EXAMINATION 72696

The commission shall consider a request for review by an 72697  
interested party, including the reasons for the request. The 72698  
commission may adopt rules prescribing the methods for 72699  
requesting a review. The commission may allow or disallow the 72700  
request for review. The disallowance of a request for review 72701  
constitutes a final decision by the commission. 72702

(6) REVIEW PROCEDURE 72703

If the commission allows a request for review, the 72704  
commission shall notify all interested parties of that fact and 72705  
provide a reasonable period of time, as the commission defines 72706  
by rule, in which interested parties may file a response. After 72707  
that period of time, the commission, based on the record before 72708  
it, may do one of the following: affirm the decision of the 72709  
hearing officer; provide for the appeal to be heard or reheard 72710  
at the hearing officer or review level; provide for the appeal 72711  
to be heard at the review level as a potential precedential 72712  
decision; or provide for the decision to be rewritten without 72713  
further hearing at the review level. When a further hearing is 72714  
provided or the decision is rewritten, the commission may 72715  
affirm, modify, or reverse the previous decision. 72716

If a member of the commission is unable or unavailable to consider an appeal allowed by the commission, the other members of the commission may appoint a hearing officer as a temporary commissioner to fulfill the unable or unavailable commissioner's duties with respect to the appeal. The members of the commission may not appoint the hearing officer who decided the appeal at the hearing officer level.

(7) NOTICES 72724

The commission shall send written notice to all interested parties when it orders an appeal to be heard or reheard. The notice shall include the reasons for the hearing or rehearing.

(8) PRECEDENTIAL 72728

An appeal the commission identifies as potentially precedential shall be heard at the review level. In the notice for that type of hearing, the commission shall notify the director, all interested parties, and any other parties, as the commission determines appropriate, that the appeal is designated as potentially precedential. After the hearing, parties shall be given the opportunity to submit briefs on the issue or issues involved. The commission may designate a decision as precedential after issuing the decision or at any point in the appeal process, even if the commission does not initially identify the appeal as potentially precedential.

(9) MASS APPEALS 72740

When the commission determines that it has five appeals pending that have common facts or common issues, the commission may transfer the appeals to the review level on its own motion to be heard as a mass appeal, including appeals from claimants separated due to a labor dispute, on the condition that there

are fewer than twenty-five claimants involved. 72746

To facilitate a mass hearing, the commission may allow an 72747  
authorized agent to accept notice of hearing on behalf of 72748  
claimants. An authorized agent may waive this notice of hearing 72749  
and also the sending of decisions to individual claimants 72750  
represented by the agent. 72751

(D) SPECIAL PROVISIONS 72752

(1) TIMELINESS OF APPEALS 72753

The date of the mailing provided by the director or the 72754  
commission is sufficient evidence upon which to conclude that a 72755  
determination, redetermination, or decision was sent to the 72756  
party on that date. Appeals may be filed with the director, 72757  
commission, with an employee of another state or federal agency 72758  
charged with the duty of accepting claims, or with the 72759  
unemployment insurance commission of Canada. Any timely written 72760  
notice by an interested party indicating a desire to appeal 72761  
shall be accepted. 72762

The director, commission, or authorized agent must receive 72763  
the appeal within the specified appeal period in order for the 72764  
appeal to be deemed timely filed, except that: if the United 72765  
States postal service is used as the means of delivery, the 72766  
enclosing envelope must have a postmark date or postal meter 72767  
postmark that is on or before the last day of the specified 72768  
appeal period; and where the postmark is illegible or missing, 72769  
the appeal is timely filed if received not later than the end of 72770  
the fifth calendar day following the last day of the specified 72771  
appeal period. 72772

The director and the commission may adopt rules pertaining 72773  
to alternate methods of filing appeals under this section. 72774

(2) WAIVER

72775

Interested parties may waive, in writing, a hearing at  
either the hearing officer or review level. If the parties waive  
a hearing, the hearing officer shall issue a decision based on  
the evidence of record.

72777

72778

72779

(3) TELEPHONE HEARINGS

72780

Hearing officers may conduct hearings at either the  
hearing officer or review level in person or by telephone or  
interactive video conference. The commission shall adopt rules  
that designate the circumstances under which hearing officers  
may conduct a hearing by telephone or interactive video  
conference or grant a party to the hearing the opportunity to  
object to a hearing by telephone or interactive video  
conference. An interested party whose hearing would be by  
telephone or interactive video conference may elect to have an  
in-person hearing, provided that the party agrees to have the  
hearing at the time and place the commission determines pursuant  
to rule.

(4) EVENING HEARINGS

72793

Unless the commission grants a request for an evening  
telephone or interactive video conference hearing, hearing  
officers shall conduct hearings at the hearing officer and  
review level during normal business hours. An interested party  
who is regularly employed throughout those hours may request to  
have a hearing by telephone or interactive video conference  
during the evening. The commission shall grant or deny a request  
for an evening telephone or interactive video conference  
hearing. If a conflict concerning a request for an evening  
hearing and an in-person hearing arises, the commission shall

(5) NO APPEARANCE -- APPELLANT 72806

For hearings at either the hearing officer or review 72807  
level, if the appealing party fails to appear at the hearing, 72808  
the hearing officer shall dismiss the appeal. The commission 72809  
shall vacate the dismissal upon a showing that written notice of 72810  
the hearing was not sent to that party's last known address, or 72811  
good cause for the appellant's failure to appear is shown to the 72812  
commission within fourteen days after the hearing date. 72813

If the commission finds that the appealing party's reason 72814  
for failing to appear does not constitute good cause for failing 72815  
to appear, the commission shall send written notice of that 72816  
finding, and the appealing party may request a hearing to 72817  
present testimony on the issue of good cause for failing to 72818  
appear. The appealing party shall file a request for a hearing 72819  
on the issue of good cause for failing to appear within ten days 72820  
after the commission sends written notice indicating a finding 72821  
of no good cause for failing to appear. 72822

(6) NO APPEARANCE -- APPELLEE 72823

For hearings at either the hearing officer or review 72824  
level, if the appellee fails to appear at the hearing, the 72825  
hearing officer shall proceed with the hearing and shall issue a 72826  
decision based on the evidence of record. The commission shall 72827  
vacate the decision upon a showing that written notice of the 72828  
hearing was not sent to the appellee's last known address, or 72829  
good cause for the appellee's failure to appear is shown to the 72830  
commission within fourteen days after the hearing date. 72831

(7) AGENT 72832

Any appeal or request for review may be executed on behalf 72833  
of any party or any group of claimants by an agent. 72834

(8) COLLATERAL ESTOPPEL 72835

No finding of fact or law, decision, or order of the 72836  
director, hearing officer, the commission, or a reviewing court 72837  
under this section or section 4141.28 of the Revised Code shall 72838  
be given collateral estoppel or res judicata effect in any 72839  
separate or subsequent judicial, administrative, or arbitration 72840  
proceeding, other than a proceeding arising under this chapter. 72841

(9) EXTENSION OF APPEAL PERIODS 72842

The time for filing an appeal or a request for review 72843  
under this section or a court appeal under section 4141.282 of 72844  
the Revised Code shall be extended in the manner described in 72845  
the following four sentences. When the last day of an appeal 72846  
period is a Saturday, Sunday, or legal holiday, the appeal 72847  
period is extended to the next work day after the Saturday, 72848  
Sunday, or legal holiday. When an interested party provides 72849  
certified medical evidence stating that the interested party's 72850  
physical condition or mental capacity prevented the interested 72851  
party from filing an appeal or request for review under this 72852  
section within the appropriate twenty-one-day period, the appeal 72853  
period is extended to twenty-one days after the end of the 72854  
physical or mental condition, and the appeal or request for 72855  
review is considered timely filed if filed within that extended 72856  
period. When an interested party provides evidence, which 72857  
evidence may consist of testimony from the interested party, 72858  
that is sufficient to establish that the party did not actually 72859  
receive the determination or decision within the applicable 72860  
appeal period under this section, and the director or the 72861  
commission finds that the interested party did not actually 72862

receive the determination or decision within the applicable 72863  
appeal period, then the appeal period is extended to twenty-one 72864  
days after the interested party actually receives the 72865  
determination or decision. When an interested party provides 72866  
evidence, which evidence may consist of testimony from the 72867  
interested party, that is sufficient to establish that the party 72868  
did not actually receive a decision within the thirty-day appeal 72869  
period provided in section 4141.282 of the Revised Code, and a 72870  
court of common pleas finds that the interested party did not 72871  
actually receive the decision within that thirty-day appeal 72872  
period, then the appeal period is extended to thirty days after 72873  
the interested party actually receives the decision. 72874

**Sec. 4141.29.** Each eligible individual shall receive 72875  
benefits as compensation for loss of remuneration due to 72876  
involuntary total or partial unemployment in the amounts and 72877  
subject to the conditions stipulated in this chapter. 72878

(A) No individual is entitled to a waiting period or 72879  
benefits for any week unless the individual: 72880

(1) Has filed a valid application for determination of 72881  
benefit rights in accordance with section 4141.28 of the Revised 72882  
Code; 72883

(2) Has made a claim for benefits in accordance with 72884  
section 4141.28 of the Revised Code; 72885

(3) (a) Has registered for work and thereafter continues to 72886  
report to an employment office or other registration place 72887  
maintained or designated by the director of job and family 72888  
services. Registration shall be made in accordance with the time 72889  
limits, frequency, and manner prescribed by the director. 72890

(b) For purposes of division (A) (3) of this section, an 72891

individual has "registered" upon doing any of the following: 72892

(i) Filing an application for benefit rights; 72893

(ii) Making a weekly claim for benefits; 72894

(iii) Reopening an existing claim following a period of 72895  
employment or nonreporting. 72896

(c) After an applicant is registered, that registration 72897  
continues for a period of three calendar weeks, including the 72898  
week during which the applicant registered. However, an 72899  
individual is not registered for purposes of division (A) (3) of 72900  
this section during any period in which the individual fails to 72901  
report, as instructed by the director, or fails to reopen an 72902  
existing claim following a period of employment. 72903

(d) The director may, for good cause, extend the period of 72904  
registration. 72905

(e) For purposes of this section, "report" means contact 72906  
by phone, access electronically, or be present for an in-person 72907  
appointment, as designated by the director. 72908

(4) (a) (i) Is able to work and available for suitable work 72909  
and, except as provided in division (A) (4) (a) (ii) or (iii) of 72910  
this section, is actively seeking suitable work either in a 72911  
locality in which the individual has earned wages subject to 72912  
this chapter during the individual's base period, or if the 72913  
individual leaves that locality, then in a locality where 72914  
suitable work normally is performed. 72915

(ii) The director may waive the requirement that a 72916  
claimant be actively seeking work when the director finds that 72917  
the individual has been laid off and the employer who laid the 72918

in divisions (B) (2) (a) and (b) of section 4141.01 of the Revised 73324  
Code shall be payable in the same amount, on the same terms, and 73325  
subject to the same conditions as benefits payable on the basis 73326  
of other service subject to this chapter; except that after 73327  
December 31, 1977: 73328

(a) Benefits based on service in an instructional, 73329  
research, or principal administrative capacity in an institution 73330  
of higher education, as defined in division (Y) of section 73331  
4141.01 of the Revised Code; or for an educational institution 73332  
as defined in division (CC) of section 4141.01 of the Revised 73333

Code, shall not be paid to any individual for any week of 73334  
unemployment that begins during the period between two 73335  
successive academic years or terms, or during a similar period 73336  
between two regular but not successive terms or during a period 73337  
of paid sabbatical leave provided for in the individual's 73338  
contract, if the individual performs such services in the first 73339  
of those academic years or terms and has a contract or a 73340  
reasonable assurance that the individual will perform services 73341  
in any such capacity for any such institution in the second of 73342  
those academic years or terms. 73343

(b) Benefits based on service for an educational 73344  
institution or an institution of higher education in other than 73345  
an instructional, research, or principal administrative 73346

individual performed those services for the educational 73351  
institution or institution of higher education during the first 73352  
such academic year or term and, there is a reasonable assurance 73353  
that such individual will perform those services for any 73354  
educational institution or institution of higher education in 73355  
the second of such academic years or terms. 73356

If compensation is denied to any individual for any week 73357  
under division (I) (1) (b) of this section and the individual was 73358  
not offered an opportunity to perform those services for an 73359  
institution of higher education or for an educational 73360  
institution for the second of such academic years or terms, the 73361  
individual is entitled to a retroactive payment of compensation 73362  
for each week for which the individual timely filed a claim for 73363  
compensation and for which compensation was denied solely by 73364

reason of division (I) (1) (b) of this section. An application for 73365  
retroactive benefits shall be timely filed if received by the 73366  
director or the director's deputy within or prior to the end of 73367  
the fourth full calendar week after the end of the period for 73368  
which benefits were denied because of reasonable assurance of 73369  
employment. The provision for the payment of retroactive 73370  
benefits under division (I) (1) (b) of this section is applicable 73371  
to weeks of unemployment beginning on and after November 18, 73372  
1983. The provisions under division (I) (1) (b) of this section 73373  
shall be retroactive to September 5, 1982, only if, as a 73374  
condition for full tax credit against the tax imposed by the 73375  
"Federal Unemployment Tax Act," 53 Stat. 183 (1939), 26 U.S.C.A. 73376  
3301 to 3311, the United States secretary of labor determines 73377  
that retroactivity is required by federal law. 73378

(c) With respect to weeks of unemployment beginning after 73379  
December 31, 1977, benefits shall be denied to any individual 73380  
for any week which commences during an established and customary 73381  
vacation period or holiday recess, if the individual performs 73382  
any services described in divisions (I) (1) (a) and (b) of this 73383  
section in the period immediately before the vacation period or 73384  
holiday recess, and there is a reasonable assurance that the 73385  
individual will perform any such services in the period 73386  
immediately following the vacation period or holiday recess. 73387

(d) With respect to any services described in division (I) 73388  
(1) (a), (b), or (c) of this section, benefits payable on the 73389  
basis of services in any such capacity shall be denied as 73390  
specified in division (I) (1) (a), (b), or (c) of this section to 73391  
any individual who performs such services in an educational 73392  
institution or institution of higher education while in the 73393  
employ of an educational service agency. For this purpose, the 73394  
term "educational service agency" means a governmental agency or 73395

governmental entity that is established and operated exclusively 73396  
for the purpose of providing services to one or more educational 73397  
institutions or one or more institutions of higher education. 73398

(e) Any individual employed by a county board of 73399  
developmental disabilities shall be notified by the thirtieth 73400  
day of April each year if the individual is not to be reemployed 73401  
the following academic year. 73402

(f) Any individual employed by a school district, other 73403  
than a municipal school district as defined in section 3311.71 73404  
of the Revised Code, shall be notified by the first day of June 73405  
each year if the individual is not to be reemployed the 73406  
following academic year. 73407

(2) No disqualification will be imposed, between academic 73408  
years or terms or during a vacation period or holiday recess 73409  
under this division, unless the director or the director's 73410  
deputy has received a statement in writing from the educational 73411  
institution or institution of higher education that the claimant 73412  
has a contract for, or a reasonable assurance of, reemployment 73413  
for the ensuing academic year or term. 73414

(3) If an individual has employment with an educational 73415  
institution or an institution of higher education and employment 73416  
with a noneducational employer, during the base period of the 73417  
individual's benefit year, then the individual may become 73418  
eligible for benefits during the between-term, or vacation or 73419  
holiday recess, disqualification period, based on employment 73420  
performed for the noneducational employer, provided that the 73421  
employment is sufficient to qualify the individual for benefit 73422  
rights separately from the benefit rights based on school 73423  
employment. The weekly benefit amount and maximum benefits 73424  
payable during a disqualification period shall be computed based 73425

solely on the nonschool employment. 73426

(J) Benefits shall not be paid on the basis of employment 73427  
performed by an alien, unless the alien had been lawfully 73428  
admitted to the United States for permanent residence at the 73429  
time the services were performed, was lawfully present for 73430  
purposes of performing the services, or was otherwise 73431  
permanently residing in the United States under color of law at 73432  
the time the services were performed, under section 212(d) (5) of 73433  
the "Immigration and Nationality Act," 66 Stat. 163, 8 U.S.C.A. 73434  
1101: 73435

(1) Any data or information required of individuals 73436  
applying for benefits to determine whether benefits are not 73437  
payable to them because of their alien status shall be uniformly 73438  
required from all applicants for benefits. 73439

(2) In the case of an individual whose application for 73440  
benefits would otherwise be approved, no determination that 73441  
benefits to the individual are not payable because of the 73442  
individual's alien status shall be made except upon a 73443  
preponderance of the evidence that the individual had not, in 73444  
fact, been lawfully admitted to the United States. 73445

(K) The director shall establish and utilize a system of 73446  
profiling all new claimants under this chapter that: 73447

(1) Identifies which claimants will be likely to exhaust 73448  
regular compensation and will need job search assistance 73449  
services to make a successful transition to new employment; 73450

(2) Refers claimants identified pursuant to division (K) 73451  
(1) of this section to reemployment services, such as job search 73452  
assistance services, available under any state or federal law; 73453

(3) Collects follow-up information relating to the 73454

services received by such claimants and the employment outcomes 73455  
for such claimant's subsequent to receiving such services and 73456  
utilizes such information in making identifications pursuant to 73457  
division (K) (1) of this section; and 73458

(4) Meets such other requirements as the United States 73459  
secretary of labor determines are appropriate. 73460

(L) Except as otherwise provided in division (A) (6) of 73461  
this section, ineligibility pursuant to division (A) of this 73462  
section shall begin on the first day of the week in which the 73463  
claimant becomes ineligible for benefits and shall end on the 73464  
last day of the week preceding the week in which the claimant 73465  
satisfies the eligibility requirements. 73466

(M) The director may adopt rules that the director 73467  
considers necessary for the administration of division (A) of 73468  
this section. 73469

**Sec. 4141.33.** (A) As used in this section: 73470

(1) "Reasonable assurance" means a written, verbal, or 73471  
implied agreement that the individual will perform services in 73472  
the same or similar capacity during the ensuing sports season or 73473  
seasonal period. 73474

(2) "Seasonal employment" means employment of individuals 73475  
hired primarily to perform services in an industry which because 73476  
of climatic conditions or because of the seasonal nature of such 73477  
industry it is customary to operate only during regularly 73478  
recurring periods of forty weeks or less in any consecutive 73479  
fifty-two weeks. 73480

(3) "Seasonal employer" means an employer determined by 73481  
the director of job and family services to be an employer whose 73482  
operations and business, with the exception of certain 73483

administrative and maintenance operations, are substantially all 73484  
in a seasonal industry. 73485

(4) "Significantly" means forty per cent or more of an 73486  
individual's base period consists of services performed in 73487  
seasonal employment. 73488

(B) Any employer who claims to have seasonal employment in 73489  
a seasonal industry may file with the director a written 73490  
application for classification of such employment as seasonal. 73491  
Whenever in any industry it is customary to operate because of 73492  
climatic conditions or because of the seasonal nature of such 73493  
industry only during regularly recurring periods of forty weeks 73494  
or less duration, benefits shall be payable only during the 73495  
longest seasonal periods which the best practice of such 73496  
industry will reasonably permit. The director shall determine,  ~~73497  
after investigation, hearing, and due notice,~~ whether the 73498  
industry is seasonal and, if seasonal, establish seasonal 73499  
periods for such seasonal employer. The director shall make the 73500  
determination based on the application for classification filed 73501  
under this section and any other relevant information available. 73502  
Until such determination by the director, no industry or 73503  
employment shall be deemed seasonal. 73504

(C) When the director has determined such seasonal 73505  
periods, the director shall also establish the proportionate 73506  
number of weeks of employment and earnings required to qualify 73507  
for seasonal benefit rights in place of the weeks of employment 73508  
and earnings requirement stipulated in division (R) of section 73509  
4141.01 and section 4141.30 of the Revised Code, and the 73510  
proportionate number of weeks for which seasonal benefits may be 73511  
paid. An individual whose base period employment consists of 73512  
only seasonal employment for a single seasonal employer and who 73513

meets the employment and earnings requirements determined by the 73514  
director pursuant to this division will have benefit rights 73515  
determined in accordance with this division, except benefits 73516  
shall not be paid for any week between two successive seasonal 73517  
periods. Benefit charges for such seasonal employment shall be 73518  
computed and charged in accordance with division (D) of section 73519  
4141.24 of the Revised Code. The director may adopt rules for 73520  
implementation of this section. 73521

(D) An individual whose base period employment consists of 73522  
either seasonal employment with two or more seasonal employers 73523  
or both seasonal employment and nonseasonal employment with 73524  
employers subject to this chapter, will have benefit rights 73525  
determined in accordance with division (R) of section 4141.01 73526  
and section 4141.30 of the Revised Code. Benefit charges for 73527  
both seasonal and nonseasonal employment shall be computed and 73528  
charged in accordance with division (D) of section 4141.24 of 73529  
the Revised Code. The total seasonal and nonseasonal benefits 73530  
during a benefit year cannot exceed twenty-six times the weekly 73531  
benefit amount. Effective October 30, 2011, an individual who 73532  
performs services that significantly consist of services 73533  
performed in seasonal employment shall not be paid benefits for 73534  
those services for any week in the period between two successive 73535  
seasonal periods if the individual performed those services in 73536  
the first of the seasonal periods and there is reasonable 73537  
assurance that the individual will perform those services in the 73538  
later of the seasonal periods. The director shall adopt rules 73539  
for the implementation of this division. 73540

(E) Benefits shall not be paid to any individual on the 73541  
basis of any services, substantially all of which consist of 73542  
participating in sports or athletic events or training or 73543  
preparing to so participate, for any week which commences during 73544

the period between two successive sport seasons, or similar 73545  
periods, if the individual performed services in the first of 73546  
the seasons, or similar periods, and there is a reasonable 73547  
assurance that the individual will perform services in the later 73548  
of the seasons, or similar periods. 73549

(F) The director shall adopt rules concerning the 73550  
eligibility for benefits of individuals under divisions (D) and 73551  
(E) of this section. 73552

(2) An F-11 permit holder shall not allow an A-1 or A-1c permit holder to participate in the event if the A-1 or A-1c permit or, if applicable, the A-1-A permit of that A-1 or A-1c permit holder is under suspension.

(3) The division may refuse to issue an F-11 permit to an applicant if both of the following apply:

(a) The applicant has pleaded guilty to or has been convicted of violating this chapter or Chapter 4301. of the Revised Code while operating under a previously issued F-11 permit.

(b) The violation occurred within the two years preceding the filing of the new F-11 permit application.

(I) Notwithstanding any provision of section 4301.24 of the Revised Code or any rule adopted by the liquor control commission to the contrary, employees of an A-1 or A-1c permit holder or B-1 permit holder, or employees or agents of a B-1 permit holder may assist an F-11 permit holder in serving beer at an event for which an F-11 permit is issued.

**Sec. 4303.233.** (A) As used in this section, "personal consumer" means an individual who is at least twenty-one years of age, is a resident of this state, does not hold a permit

issued under this chapter, and intends to use wine purchased in 74131  
accordance with this section for personal consumption only and 74132  
not for resale or other commercial purposes. 74133

(B) (1) The division of liquor control may issue an S-2 74134  
permit to a person that manufactures two hundred fifty thousand 74135  
gallons or more of wine per year. If the person resides outside 74136  
this state, the person shall comply with the requirements 74137  
governing the issuance of licenses or permits that authorize the 74138  
sale of beer or intoxicating liquor by the appropriate authority 74139  
of the state in which the person resides and by the alcohol and 74140  
tobacco tax and trade bureau of the United States department of 74141  
the treasury. 74142

(2) An S-2 permit holder may sell wine to a personal 74143  
consumer by receiving and filling orders that the personal 74144  
consumer submits to the permit holder. The permit holder shall 74145  
sell only wine that the permit holder has manufactured to a 74146  
personal consumer. An S-2 permit holder may use a fulfillment 74147  
warehouse registered under section 4303.234 of the Revised Code 74148  
to send a shipment of wine to a personal consumer. A fulfillment 74149  
warehouse is an agent of an S-2 permit holder and an S-2 permit 74150  
holder is liable for violations of this chapter and Chapter 74151  
4301. of the Revised Code that are committed by the fulfillment 74152  
warehouse regarding wine shipped on behalf of the S-2 permit 74153  
holder. 74154

(C) An S-2 permit holder shall collect and pay the taxes 74155  
relating to the delivery of wine to a personal consumer that are 74156  
levied under sections 4301.421, 4301.43, and 4301.432 and 74157  
Chapters 5739. and 5741. of the Revised Code. 74158

(D) (1) An S-2 permit holder shall send a shipment of wine 74159  
that has been paid for by a personal consumer to that personal 74160

consumer via an H permit holder. Prior to sending a shipment of 74161  
wine to a personal consumer, the S-2 permit holder, or an 74162  
employee of the permit holder, shall make a bona fide effort to 74163  
ensure that the personal consumer is at least twenty-one years 74164  
of age. The shipment of wine shall be shipped in a package that 74165  
clearly states that it contains alcohol. No person shall fail to 74166  
comply with division (D)(1) of this section. 74167

(2) Upon delivering a shipment of wine to a personal 74168  
consumer, an H permit holder, or an employee of the permit 74169  
holder, shall verify that the personal consumer is at least 74170  
twenty-one years of age by checking the personal consumer's 74171  
driver's or commercial driver's license or identification card 74172  
issued under sections 4507.50 to 4507.52 of the Revised Code. 74173

(3) An S-2 permit holder shall keep a record of each 74174  
shipment of wine that the permit holder sends to a personal 74175  
consumer. The records shall be used for all of the following: 74176

(a) To provide a copy of each wine shipment invoice to the 74177  
tax commissioner in a manner prescribed by the commissioner. The 74178  
invoice shall include the name of each personal consumer that 74179  
purchased wine from the S-2 permit holder in accordance with 74180  
this section and any other information required by the tax 74181  
commissioner. 74182

(b) To provide annually in electronic format by electronic 74183  
means a report to the division. The report shall include the 74184  
name and address of each personal consumer that purchased wine 74185  
from the S-2 permit holder in accordance with this section, the 74186  
quantity of wine purchased by each personal consumer, and any 74187  
other information requested by the division. If the S-2 permit 74188  
holder uses a fulfillment warehouse registered under section 74189  
4303.234 of the Revised Code to send a shipment of wine on 74190

behalf of the S-2 permit holder, the S-2 permit holder need not  
include the personal consumer information for that shipment in  
the report. The division shall prescribe and provide an  
electronic form for the report and shall determine the specific  
electronic means that the S-2 permit holder must use to submit  
the report.

(c) To notify a personal consumer of any health or welfare  
recalls of the wine that has been purchased by the personal  
consumer.

(E) An S-2 permit holder shall comply with this chapter,  
Chapter 4301. of the Revised Code, and any rules adopted by the  
liquor control commission under section 4301.03 of the Revised  
Code.

(F) (1) An S-2 permit holder shall renew the permit in  
accordance with section 4303.271 of the Revised Code, except  
that the renewal shall not be subject to the notice and hearing  
requirements established in division (B) of that section.

(2) The division may refuse to renew an S-2 permit for any  
of the reasons specified in section 4303.292 of the Revised Code  
or if the permit holder fails to do any of the following:

(a) Collect and pay all applicable taxes specified in  
division (C) of this section;

(b) Pay the permit fee;

(c) Comply with this section or any rules adopted by the  
liquor control commission under section 4301.03 of the Revised  
Code.

(G) The ~~initial~~ fee for the S-2 permit is two hundred  
fifty dollars. ~~The renewal fee for the S-2 permit is one hundred~~

~~dollars.—~~

**Sec. 4305.13.** (A) If the tax commissioner finds that any permit holder, liable for tax under Chapter 4301., 4305., or 4307. of the Revised Code, is about to depart from the state, remove the permit holder's property from the state, conceal the permit holder's self or property, or do any other act tending to prejudice, obstruct, or render wholly or partially ineffectual proceedings to collect the tax, unless the proceedings are commenced without delay, or if the commissioner believes that the collection of the amount due from any permit holder will be jeopardized by delay, the commissioner may issue a jeopardy assessment against the permit holder for the amount of the tax, plus a penalty of up to thirty per cent. Upon issuance of a jeopardy assessment under this division, the total amount assessed shall immediately be due and payable unless security is provided pursuant to division (C) of this section. Any assessment issued under this section shall bear interest as prescribed by section 4305.131 of the Revised Code.

property of the person assessed immediately shall pay or deliver 74252  
the funds or property to the commissioner as full or partial 74253  
satisfaction of the jeopardy assessment. However, funds or 74254

Upon disposition of criminal and forfeiture proceedings, funds 74258  
and property not needed as evidence and not forfeited shall be 74259  
delivered to the commissioner. 74260

(C) If the permit holder subject to a jeopardy assessment 74261  
files a petition for reassessment and posts security 74262

satisfy the unpaid balance of the assessment, execution on the 74264  
judgment shall be stayed pending disposition of the petition for 74265  
reassessment and all appeals resulting from the petition. If the 74266  
security is sufficient to satisfy the full amount of the 74267  
assessment, the commissioner shall return any funds or property 74268  
of the permit holder previously seized. Upon satisfaction of the 74269  
assessment the commissioner shall order the security released 74270  
and the judgment vacated. 74271

**Sec. 4305.131.** (A) If any permit holder fails to pay the 74275  
taxes levied by section 4301.42, 4301.43, 4301.432, or 4305.01 74276  
of the Revised Code in the manner prescribed by section 4303.33 74277  
of the Revised Code, or by section 4301.421 or 4301.424 of the 74278  
Revised Code in the manner prescribed in section 4301.422 of the 74279

Revised Code, and by the rules of the tax commissioner, the 74280  
commissioner may make an assessment against the permit holder 74281  
based upon any information in the commissioner's possession. 74282

No assessment shall be made against any permit holder for 74283  
any taxes imposed by section 4301.42, 4301.421, 4301.424, 74284  
4301.43, 4301.432, or 4305.01 of the Revised Code more than 74285  
three years after the last day of the calendar month in which 74286  
the sale was made or more than three years after the return for 74287  
that period is filed, whichever is later. This section does not 74288  
bar an assessment against any permit holder or registrant as 74289  
provided in section 4303.331 of the Revised Code who fails to 74290  
file a return as required by section 4301.422 or 4303.33 of the 74291  
Revised Code, or who files a fraudulent return. 74292

A penalty of up to thirty per cent may be added to the 74293

~~commissioner may adopt rules providing for the imposition and~~ 74295  
~~remission of penalties added to assessments made under this~~ 74296

The commissioner shall give the party assessed written 74298  
notice of the assessment in the manner provided in section 74299  
5703.37 of the Revised Code. With the notice, the commissioner 74300  
shall provide instructions on how to petition for reassessment 74301  
and request a hearing on the petition. 74302

(B) Unless the party assessed files with the tax 74303  
commissioner within sixty days after service of the notice of 74304  
assessment, ~~either personally or by certified mail,~~ a written 74305  
petition for reassessment, signed by the party assessed or that 74306  
party's authorized agent having knowledge of the facts, the 74307  
assessment becomes final and the amount of the assessment is due 74308  
and payable from the party assessed to the treasurer of state. 74309

The petition shall indicate the objections of the party 74310  
assessed, but additional objections may be raised in writing if 74311  
received by the commissioner prior to the date shown on the 74312  
final determination. If the petition has been properly filed, 74313  
the commissioner shall proceed under section 5703.60 of the 74314  
Revised Code. 74315

(C) After an assessment becomes final, if any portion of 74316  
the assessment remains unpaid, including accrued interest, a 74317  
certified copy of the tax commissioner's entry making the 74318  
assessment final may be filed in the office of the clerk of the 74319  
court of common pleas in the county in which the permit holder's 74320  
place of business is located or the county in which the party 74321  
assessed resides. If the party assessed maintains no place of 74322  
business in this state and is not a resident of this state, the 74323  
certified copy of the entry may be filed in the office of the 74324  
clerk of the court of common pleas of Franklin county. 74325

Immediately upon the filing of the entry, the clerk shall 74326  
enter a judgment for the state against the party assessed in the 74327  
amount shown on the entry. The judgment may be filed by the 74328  
clerk in a loose-leaf book entitled "special judgments for state 74329  
beer and liquor sales taxes," and shall have the same effect as 74330  
other judgments. Execution shall issue upon the judgment upon 74331  
the request of the commissioner, and all laws applicable to 74332  
sales on execution shall apply to sales made under the judgment, 74333  
except as otherwise provided in this chapter and Chapters 4301. 74334  
and 4307. of the Revised Code. 74335

If the assessment is not paid in its entirety within sixty 74336  
days after the day the assessment was issued, the portion of the 74337  
assessment consisting of tax due shall bear interest at the rate 74338  
per annum prescribed by section 5703.47 of the Revised Code from 74339

the day the commissioner issues the assessment until it is paid 74340  
or until it is certified to the attorney general for collection 74341  
under section 131.02 of the Revised Code, whichever comes first. 74342  
If the unpaid portion of the assessment is certified to the 74343  
attorney general for collection, the entire unpaid portion of 74344  
the assessment shall bear interest at the rate per annum 74345  
prescribed by section 5703.47 of the Revised Code from the date 74346  
of certification until the date it is paid in its entirety. 74347  
Interest shall be paid in the same manner as the tax and may be 74348  
collected by the issuance of an assessment under this section. 74349

(D) All money collected under this section shall be 74350  
considered as revenue arising from the taxes imposed by sections 74351  
4301.42, 4301.421, 4301.424, 4301.43, 4301.432, and 4305.01 of 74352  
the Revised Code. 74353

**Sec. 4501.027.** (A) Notwithstanding any provision of law to 74354  
the contrary, the registrar of motor vehicles may conduct, or 74355  
authorize a deputy registrar to conduct, any service or 74356  
transaction authorized or required by law in an electronic or 74357  
online format rather than in person. The registrar or deputy 74358  
registrar also may accept electronically any documents required 74359  
to accompany such service or transaction or any documents 74360  
approved by the registrar for electronic or online submission 74361  
and acceptance. 74362

(B) The registrar or deputy registrar shall charge the 74363  
same amount for the electronic or online service or transaction 74364  
as the registrar or deputy registrar charges for the associated 74365  
in-person transaction. The registrar or deputy registrar may 74366  
accept payment for any such service or transaction by a 74367  
financial transaction device. The registrar or deputy registrar 74368  
may charge a person who tenders payment for an online service or 74369

transaction by means of a financial transaction device any costs 74370  
the registrar or deputy registrar incurs from accepting payment 74371  
by the financial transaction device. 74372

administrative services, with ~~the advice of the MARCS steering~~ 74376  
~~committee and~~ the consent of the director of budget and 74377  
management, shall determine the amount of the user fees and the 74378  
manner by which the fees shall be collected. All moneys from 74379  
user fees shall be deposited in the MARCS administration fund, 74380  
which is hereby created in the state treasury. All investment 74381  
earnings on moneys in the fund shall be credited to the fund. 74382

the joint efforts of the association of public-safety 74392

(C) The committee shall provide assistance to the director 74424

**Sec. 4503.0611.** Whenever it is made to appear to the 74449  
county auditor, based on inspection by the county auditor or 74450  
based on notice provided to the county auditor, on a form 74451  
prescribed by the department of taxation, by an owner of the 74452  
manufactured home or two disinterested persons who are residents 74453  
of the township or municipal corporation in which the 74454  
manufactured home is or was situated, that the home is subject 74455

to taxation for the current year under section 4503.06 of the Revised Code and has been destroyed or injured after the first day of January of the current year, the county auditor shall investigate the matter, and shall refund or waive the payment of the current year's taxes on such home as prescribed by divisions (A) and (B) of this section. Such notice may also be provided by the manufactured home park operator, as defined in section 4781.01 of the Revised Code, if applicable, provided the notice is accompanied by photographic evidence. If a form has not been filed with the county auditor by ~~either~~ an owner, manufactured home park operator, or two disinterested persons but it appears to the county auditor, based on an inspection and investigation, that the owner's manufactured home is subject to taxation for the current year under section 4503.06 of the Revised Code and has been destroyed or injured after the first day of January of the current year, the auditor may complete the form on behalf of an owner.

To obtain a deduction under this section, an owner, manufactured home park operator, or two disinterested persons shall file the form with the county auditor, or the county auditor shall complete the form on behalf of an owner, not later than the thirty-first day of January of the year after the year in which the manufactured home was injured or destroyed.

(A) If the auditor determines the injury or destruction occurred during the first half of the calendar year, the auditor shall deduct from the taxes payable on the manufactured home for the current year an amount that, in the county auditor's judgment, bears the same ratio to those taxes as the extent of the injury or destruction bears to the cost or market value of the manufactured home. The auditor shall draw a warrant on the county treasurer to refund that amount. If the taxes have not

been paid at the time of the auditor's determination, the 74487  
auditor may waive the payment of the portion of the tax that 74488  
would otherwise be refunded under this division. 74489

(B) If the auditor determines the injury or destruction 74490  
occurred during the second half of the calendar year, the 74491  
auditor shall deduct from the taxes payable on the manufactured 74492  
home for the current year one-half of the amount that, in the 74493  
county auditor's judgment, bears the same ratio to those taxes 74494  
as the extent of the injury or destruction bears to the cost or 74495  
market value of the manufactured home. The auditor shall draw a 74496  
warrant on the county treasurer to refund that amount. If the 74497  
taxes have not been paid at the time of the auditor's 74498  
determination, the auditor may waive the payment of the portion 74499  
of the tax that would otherwise be refunded under this division. 74500

(C) Taxes refunded under this section shall be paid from 74501  
the county undivided general property tax fund. 74502

(D) Notwithstanding divisions (A) and (B) of this section, 74503  
if the county auditor determines the destruction of a 74504  
manufactured home or mobile home occurred within one calendar 74505  
year after the title of the home being transferred to a park 74506  
operator pursuant to sections 1923.12, 1923.13, and 1923.14 of 74507  
the Revised Code and the current owner providing the oath to the 74508  
auditor is the same park operator, then the auditor shall waive 74509  
all unpaid manufactured home taxes charged against the home, 74510

(2) The registrar shall issue any order under division (B) 76540  
(1) of this section without a hearing. Any person adversely 76541

affected by the order, within ~~ten~~fifteen days after the 76542  
issuance of the order, may request an administrative hearing 76543  
before the registrar, who shall provide the person with an 76544  
opportunity for a hearing in accordance with this paragraph. A 76545  
request for a hearing does not operate as a suspension of the 76546  
order. The scope of the hearing shall be limited to whether the 76547  
person in fact demonstrated to the registrar proof of financial 76548  
responsibility in accordance with this section. The registrar 76549  
shall determine the date, time, and place of any hearing, 76550  
provided that the hearing shall be held, and an order issued or 76551  
findings made, within thirty days after the registrar receives a 76552  
request for a hearing. If requested by the person in writing, 76553  
the registrar may designate as the place of hearing the county 76554  
seat of the county in which the person resides or a place within 76555  
fifty miles of the person's residence. The person shall pay the 76556  
cost of the hearing before the registrar, if the registrar's 76557  
order of suspension is upheld. 76558

(C) Any order of suspension issued under this section or 76559  
division (B) of section 4509.37 of the Revised Code may be 76560  
terminated at any time if the registrar determines upon a 76561  
showing of proof of financial responsibility that the operator 76562  
or owner of the motor vehicle was in compliance with division 76563  
(A) (1) of this section at the time of the traffic offense, motor 76564  
vehicle inspection, or accident that resulted in the order 76565  
against the person. A determination may be made without a 76566  
hearing. This division does not apply unless the person shows 76567  
good cause for the person's failure to present satisfactory 76568  
proof of financial responsibility to the registrar prior to the 76569  
issuance of the order. 76570

(D) (1) (a) For the purpose of enforcing this section, every 76571  
peace officer is deemed an agent of the registrar. 76572

(b) Any peace officer who, in the performance of the peace officer's duties as authorized by law, becomes aware of a person whose license is under an order of suspension, pursuant to this section, may confiscate the license and return it to the registrar.

(2) A peace officer shall request the owner or operator of a motor vehicle to produce proof of financial responsibility in a manner described in division (G) of this section at the time the peace officer acts to enforce the traffic laws of this state and during motor vehicle inspections conducted pursuant to section 4513.02 of the Revised Code.

(3) A peace officer shall indicate on every traffic ticket whether the person receiving the traffic ticket produced proof of the maintenance of financial responsibility in response to the officer's request under division (D)(2) of this section. The peace officer shall inform every person who receives a traffic ticket and who has failed to produce proof of the maintenance of financial responsibility that the person must submit proof to the traffic violations bureau with any payment of a fine and costs for the ticketed violation or, if the person is to appear in court for the violation, the person must submit proof to the court.

(4) (a) If a person who has failed to produce proof of the maintenance of financial responsibility appears in court for a ticketed violation, the court may permit the defendant to present evidence of proof of financial responsibility to the court at such time and in such manner as the court determines to be necessary or appropriate. In a manner prescribed by the registrar, the clerk of courts shall provide the registrar with the identity of any person who fails to submit proof of the

maintenance of financial responsibility pursuant to division (D) 76603  
(3) of this section. 76604

(b) If a person who has failed to produce proof of the 76605  
maintenance of financial responsibility also fails to submit 76606  
that proof to the traffic violations bureau with payment of a 76607  
fine and costs for the ticketed violation, the traffic 76608  
violations bureau, in a manner prescribed by the registrar, 76609  
shall notify the registrar of the identity of that person. 76610

(5) (a) Upon receiving notice from a clerk of courts or 76611  
traffic violations bureau pursuant to division (D) (4) of this 76612  
section, the registrar shall order the suspension of the license 76613  
of the person required under division (A) (2) (a), (b), or (c) of 76614  
this section, effective forty-five days after the date of the 76615  
mailing of notification. The registrar also shall notify the 76616  
person that the person must present the registrar with proof of 76617  
financial responsibility in accordance with this section, 76618  
surrender to the registrar the person's license, or submit a 76619  
statement subject to section 2921.13 of the Revised Code that 76620  
the person did not operate or permit the operation of the motor 76621  
vehicle at the time of the offense. Notification shall be in 76622  
writing and shall be sent to the person at the person's last 76623  
known address as shown on the records of the bureau of motor 76624  
vehicles. The person, within forty-five days after the date of 76625  
the mailing of notification, shall present proof of financial 76626  
responsibility, surrender the license to the registrar in a 76627  
manner set forth in division (A) (4) of this section, or submit 76628  
the statement required under this section together with other 76629  
information the person considers appropriate. 76630

If the registrar does not receive proof or the person does 76631  
not surrender the license, in accordance with this division, the 76632

registrar shall permit the order for the suspension of the 76633  
license of the person to take effect. 76634

(b) In the case of a person who presents, within the 76635  
forty-five-day period, proof of financial responsibility, the 76636  
registrar shall terminate the order of suspension and shall send 76637  
written notification to the person, at the person's last known 76638  
address as shown on the records of the bureau. 76639

(c) Any person adversely affected by the order of the 76640  
registrar under division (D) (5) (a) or (b) of this section, 76641  
within ~~ten~~fifteen days after the issuance of the order, may 76642  
request an administrative hearing before the registrar, who 76643  
shall provide the person with an opportunity for a hearing in 76644  
accordance with this paragraph. A request for a hearing does not 76645  
operate as a suspension of the order. The scope of the hearing 76646  
shall be limited to whether, at the time of the hearing, the 76647  
person presents proof of financial responsibility covering the 76648  
vehicle and whether the person is eligible for an exemption in 76649  
accordance with this section or any rule adopted under it. The 76650  
registrar shall determine the date, time, and place of any 76651  
hearing; provided, that the hearing shall be held, and an order 76652  
issued or findings made, within thirty days after the registrar 76653  
receives a request for a hearing. If requested by the person, 76654  
the hearing may be held remotely by electronic means. If 76655  
requested by the person in writing, the registrar may designate 76656  
as the place of hearing the county seat of the county in which 76657  
the person resides or a place within fifty miles of the person's 76658  
residence. Such person shall pay the cost of the hearing before 76659  
the registrar, if the registrar's order of suspension under 76660  
division (D) (5) (a) or (b) of this section is upheld. 76661

(6) Any forms used by law enforcement agencies in 76662

administering this section shall be prescribed, supplied, and 76663  
paid for by the registrar. 76664

(7) No peace officer, law enforcement agency employing a 76665  
peace officer, or political subdivision or governmental agency 76666  
that employs a peace officer shall be liable in a civil action 76667  
for damages or loss to persons arising out of the performance of 76668  
any duty required or authorized by this section. 76669

(8) As used in this section, "peace officer" has the 76670  
meaning set forth in section 2935.01 of the Revised Code. 76671

(E) All fees, except court costs, fees paid to a deputy 76672  
registrar, and those portions of the financial responsibility 76673  
reinstatement fees as otherwise specified in this division, 76674  
collected under this section shall be paid into the state 76675  
treasury to the credit of the public safety - highway purposes 76676  
fund established in section 4501.06 of the Revised Code and used 76677  
to cover costs incurred by the bureau in the administration of 76678  
this section and sections 4503.20, 4507.212, and 4509.81 of the 76679  
Revised Code, and by any law enforcement agency employing any 76680  
peace officer who returns any license to the registrar pursuant 76681  
to division (C) of this section. 76682

registrar collects pursuant to division (A) (5) (a) of this 76684  
section or receives from a deputy registrar under division (A) 76685  
(5) (c) of this section, the registrar shall deposit ten dollars 76686  
of each forty-dollar reinstatement fee, fifty dollars of each 76687  
three-hundred-dollar reinstatement fee, and one hundred dollars 76688  
of each six-hundred-dollar reinstatement fee into the state 76689  
treasury to the credit of the indigent defense support fund 76690  
created by section 120.08 of the Revised Code. 76691

(F) Chapter 119. of the Revised Code applies to this 76692  
section only to the extent that any provision in that chapter is 76693  
not clearly inconsistent with this section. 76694

(G) (1) (a) The registrar, court, traffic violations bureau, 76695  
or peace officer may require proof of financial responsibility 76696  
to be demonstrated by use of a standard form prescribed by the 76697

76758  
76759

renting dealer as defined in section 4549.65 of the Revised 76787  
Code. Nothing in this section or in section 4509.51 of the 76788

renting dealer from entering into a contractual agreement with a 76790  
person whereby the person renting the motor vehicle agrees to be 76791  
solely responsible for maintaining proof of financial 76792  
responsibility, in accordance with this section, with respect to 76793  
the operation, maintenance, or use of the motor vehicle during 76794  
the period of the motor vehicle's rental. 76795

compensated for injuries and damages sustained in motor vehicle 76800  
accidents. The general assembly finds that this section contains 76801  
reasonable civil penalties and procedures for achieving this 76802  
purpose. 76803

(K) Nothing in this section shall be construed to be 76804  
subject to section 4509.78 of the Revised Code. 76805

(L) (1) The registrar may terminate any suspension imposed 76806  
under this section and not require the owner to comply with 76807  
division (A) (5) of this section if the registrar with or without 76808

a hearing determines that the owner of the vehicle has 76809  
established by clear and convincing evidence that all of the 76810  
following apply: 76811

(a) The owner customarily maintains proof of financial 76812  
responsibility. 76813

(b) Proof of financial responsibility was not in effect 76814  
for the vehicle on the date in question for one of the following 76815  
reasons: 76816

(i) The vehicle was inoperable. 76817

(ii) The vehicle is operated only seasonally, and the date 76818  
in question was outside the season of operation. 76819

(iii) A person other than the vehicle owner or driver was 76820  
at fault for the lapse of proof of financial responsibility 76821  
through no fault of the owner or driver. 76822

(iv) The lapse of proof of financial responsibility was 76823  
caused by excusable neglect under circumstances that are not 76824  
likely to recur and do not suggest a purpose to evade the 76825  
requirements of this chapter. 76826

(2) The registrar may grant an owner or driver relief for 76827  
a reason specified in division (L)(1)(b)(iii) or (iv) of this 76828  
section only if the owner or driver has not previously been 76829  
granted relief under division (L)(1)(b)(iii) or (iv) of this 76830  
section. 76831

(M) The registrar shall adopt rules in accordance with 76832  
Chapter 119. of the Revised Code that are necessary to 76833  
administer and enforce this section. The rules shall include 76834  
provisions relating to acceptable forms of proof of financial 76835  
responsibility, the use of an electronic wireless communications 76836

device to present proof of financial responsibility, and 76837  
verification of the existence of financial responsibility during 76838  
the period of registration. 76839

(N) (1) When a person utilizes an electronic wireless 76840  
communications device to present proof of financial 76841  
responsibility, only the evidence of financial responsibility 76842  
displayed on the device shall be viewed by the registrar, peace 76843  
officer, employee or official of the traffic violations bureau, 76844  
or the court. No other content of the device shall be viewed for 76845  
purposes of obtaining proof of financial responsibility. 76846

(2) When a person provides an electronic wireless 76847  
communications device to the registrar, a peace officer, an 76848  
employee or official of a traffic violations bureau, or the 76849  
court, the person assumes the risk of any resulting damage to 76850  
the device unless the registrar, peace officer, employee, or 76851  
official, or court personnel purposely, knowingly, or recklessly 76852  
commits an action that results in damage to the device. 76853

**Sec. 4513.60.** (A) (1) The sheriff of a county or chief of a 76854  
law enforcement agency of a municipal corporation, township, 76855  
port authority, conservancy district, or township or joint 76856  
police district, within the sheriff's or chief's respective 76857  
territorial jurisdiction, upon complaint of any person adversely 76858  
affected, may order into storage any motor vehicle, other than 76859  
an abandoned junk motor vehicle as defined in section 4513.63 of 76860  
the Revised Code, that has been left on private residential or 76861  
private agricultural property for at least four hours without 76862  
the permission of the person having the right to the possession 76863  
of the property. The sheriff or chief, upon complaint of a 76864  
repair garage or place of storage, may order into storage any 76865  
motor vehicle, other than an abandoned junk motor vehicle, that 76866

has been left at the garage or place of storage for a longer 76867  
period than that agreed upon. When ordering a motor vehicle into 76868  
storage pursuant to this division, a sheriff or chief may 76869  
arrange for the removal of the motor vehicle by a towing service 76870  
and shall designate a storage facility. 76871

(2) A towing service towing a motor vehicle under division 76872  
(A) (1) of this section shall remove the motor vehicle in 76873  
accordance with that division. The towing service shall deliver 76874  
the motor vehicle to the location designated by the sheriff or 76875  
chief not more than two hours after the time it is removed from 76876  
the private property, unless the towing service is unable to 76877  
deliver the motor vehicle within two hours due to an 76878  
uncontrollable force, natural disaster, or other event that is 76879  
not within the power of the towing service. 76880

(3) Subject to division (B) of this section, the owner of 76881  
a motor vehicle that has been removed pursuant to this division 76882  
may recover the vehicle only in accordance with division (D) of 76883  
this section. 76884

(4) As used in this section, "private residential 76885  
property" means private property on which is located one or more 76886  
structures that are used as a home, residence, or sleeping place 76887  
by one or more persons, if no more than three separate 76888  
households are maintained in the structure or structures. 76889  
"Private residential property" does not include any private 76890  
property on which is located one or more structures that are 76891  
used as a home, residence, or sleeping place by two or more 76892  
persons, if more than three separate households are maintained 76893  
in the structure or structures. 76894

(B) If the owner or operator of a motor vehicle that has 76895  
been ordered into storage pursuant to division (A) (1) of this 76896

section arrives after the motor vehicle has been prepared for 76897  
removal, but prior to its actual removal from the property, the 76898  
towing service shall give the owner or operator oral or written 76899  
notification at the time of such arrival that the vehicle owner 76900  
or operator may pay a fee of not more than one-half of the fee 76901  
for the removal of the motor vehicle established by the public 76902  
utilities commission in rules adopted under section 4921.25 of 76903  
the Revised Code, in order to obtain release of the motor 76904  
vehicle. However, if the vehicle is within a municipal 76905  
corporation and the municipal corporation has established a 76906  
vehicle removal fee, the towing service shall give the owner or 76907  
operator oral or written notification that the owner or operator 76908  
may pay not more than one-half of that fee to obtain release of 76909  
the motor vehicle. That fee may be paid by use of a major credit 76910  
card unless the towing service uses a mobile credit card 76911  
processor and mobile service is not available at the time of the 76912  
transaction. 76913

Upon payment of the applicable fee, the towing service 76914  
shall give the vehicle owner or operator a receipt showing both 76915  
the full amount normally assessed and the actual amount received 76916  
and shall release the motor vehicle to the owner or operator. 76917  
Upon its release, the owner or operator immediately shall move 76918  
it so that it is not on the private residential or private 76919  
agricultural property without the permission of the person 76920  
having the right to possession of the property, or is not at the 76921  
garage or place of storage without the permission of the owner, 76922  
whichever is applicable. 76923

(C) (1) Each county sheriff and each chief of a law 76924  
enforcement agency of a municipal corporation, township, port 76925  
authority, conservancy district, or township or joint police 76926  
district shall maintain a record of motor vehicles that the 76927

sheriff or chief orders into storage pursuant to division (A) (1) 76928  
of this section. The record shall include an entry for each such 76929  
motor vehicle that identifies the motor vehicle's license 76930  
number, make, model, and color, the location from which it was 76931  
removed, the date and time of its removal, the telephone number 76932  
of the person from whom it may be recovered, and the address of 76933  
the place to which it has been taken and from which it may be 76934  
recovered. A sheriff or chief shall provide any information in 76935  
the record that pertains to a particular motor vehicle to any 76936  
person who, either in person or pursuant to a telephone call, 76937  
identifies self as the owner or operator of the motor vehicle 76938  
and requests information pertaining to its location. 76939

(2) Any person who registers a complaint that is the basis 76940

review report, that the public accounting firm has a history of 77511  
noncompliance with standards and practices set forth in board 77512  
rules, the board may hold a hearing to determine the extent of 77513  
the firm's noncompliance. If the board, after conducting the 77514  
hearing, determines that the public accounting firm does not 77515  
comply with appropriate standards and practices, the board may 77516  
issue an order that imposes any disciplinary measure set forth 77517  
in division (B) of section 4701.16 of the Revised Code. 77518

(3) Notwithstanding divisions (K) (1) and (2) of this 77519  
section, all matters relating to the procedures for determining 77520

(2) of this section are subject to Chapter 119. of the Revised 77522

standards applied by the reviewer. 77555

(3) The public accounting firm has never practiced public 77556  
accounting in this state or any other state or foreign country, 77557  
will complete a peer review acceptable to the board within 77558  
eighteen months of initial registration, and will review its 77559  
registration with the board two years after initial registration 77560  
as specified in rules the board adopts. 77561

(4) The public accounting firm, on a schedule as required 77562  
by rule adopted by the board, submits a report to the board that 77563  
states all of the following: 77564

(a) The public accounting firm does not undertake any 77565

or other engagement that is subject to peer review in accordance 77567  
with division (F) of this section. 77568

(b) The public accounting firm agrees to notify the board 77569

within ninety days after accepting any engagement that will 77570  
result in the issuance of any attest report or other engagement 77571  
that is subject to peer review in accordance with division (F) 77572  
of this section and will complete a peer review acceptable to 77573  
the board within one year after the acceptance of an engagement 77574  
of that nature. 77575

(5) Subject to the board's approval and for good cause as 77576  
defined in rules the board adopts, the public accounting firm is 77577  
entitled to an exemption. 77578

(1) The proceedings, records, and work papers of any 77582  
reviewer, including board members and review committee members, 77583

subject to discovery, subpoena, or other means of legal process 77585  
and may not be introduced into evidence. 77586

(2) No reviewer, including board members and review 77587  
committee members, involved in the peer review process shall be 77588

the peer review process or shall be required to testify to any 77591

accounting firm complies with standards and practices set forth 77602  
in rules adopted by the board, the board shall destroy all 77603  
documents and reports related to the peer review within thirty 77604  
days after the board completes its review of the report. 77605

(2) If a peer review report indicates that a public 77606  
accounting firm does not comply with those standards and 77607  
practices set forth in rules adopted by the board, the board 77608  
shall retain all documents and reports related to the peer 77609  
review until completion of the next peer review that complies 77610  
with standards and practices set forth in rules adopted by the 77611  
board pursuant to division (G) of this section. The board also 77612  
may use these documents to determine a history of noncompliance 77613  
with standards and practices in any proceeding held under 77614  
division (H) (2) of this section. 77615

determine whether the registered nurse, licensed practical 77978

action was based. If the board determines on the basis of the 77980  
adjudication that the registered nurse, licensed practical 77981  
nurse, or dialysis technician committed the act, or if the 77982  
registered nurse, licensed practical nurse, or dialysis 77983

supporting court documents, the board shall temporarily rescind 77994  
its action. If the board determines that the decision on appeal 77995  
was a decision on the merits, it shall permanently rescind its 77996  
action. If the board determines that the decision on appeal was 77997  
not a decision on the merits, it shall conduct an adjudication 77998  
to determine whether the registered nurse, licensed practical 77999  
nurse, or dialysis technician committed the act on which the 78000  
original conviction, plea, or judicial finding was based. If the 78001  
board determines on the basis of the adjudication that the 78002  
registered nurse, licensed practical nurse, or dialysis 78003  
technician committed such act, or if the registered nurse, 78004  
licensed practical nurse, or dialysis technician does not 78005

request an adjudication, the board shall reinstate its action; 78006  
otherwise, the board shall permanently rescind its action. 78007

in the case shall be deemed not to have occurred, sealing or 78012  
expungement of the following records on which the board has 78013  
based an action under this section shall have no effect on the 78014  
board's action or any sanction imposed by the board under this 78015  
section: records of any conviction, guilty plea, judicial 78016  
finding of guilt resulting from a plea of no contest, or a 78017  
judicial finding of eligibility for a pretrial diversion program 78018  
or intervention in lieu of conviction. 78019

The board shall not be required to seal, destroy, redact, 78020  
or otherwise modify its records to reflect the court's sealing 78021  
or expungement of conviction records. 78022

provide safe nursing care. 78039

The board shall not compel an individual who has been 78040  
referred to the safe haven program as described in sections 78041  
4723.35 and 4723.351 of the Revised Code to submit to a mental 78042  
or physical examination. 78043

Failure of any individual to submit to a mental or 78044  
physical examination when directed constitutes an admission of 78045  
the allegations, unless the failure is due to circumstances 78046  
beyond the individual's control, and a default and final order 78047  
may be entered without the taking of testimony or presentation 78048  
of evidence. 78049

If the board finds that an individual is impaired, the 78050  
board shall require the individual to submit to care, 78051  
counseling, or treatment approved or designated by the board, as 78052  
a condition for initial, continued, reinstated, or renewed 78053  
authority to practice. The individual shall be afforded an 78054  
opportunity to demonstrate to the board that the individual can 78055  
begin or resume the individual's occupation in compliance with 78056  
acceptable and prevailing standards of care under the provisions 78057  
of the individual's authority to practice. 78058

so in writing by the board, and to have waived all objections to 78063  
the admissibility of testimony or examination reports that 78064  
constitute a privileged communication. 78065

(H) The board shall investigate evidence that appears to show that any person has violated any provision of this chapter or any rule of the board. Any person may report to the board any information the person may have that appears to show a violation of any provision of this chapter or rule of the board. In the absence of bad faith, any person who reports such information or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable for civil damages as a result of the report or testimony.

(I) All of the following apply under this chapter with respect to the confidentiality of information:

action and is confidential, except that the board may disclose 78103

for purposes of an investigation of a licensee or certificate 78105  
holder. 78106

(J) Any action taken by the board under this section 78107  
resulting in a suspension from practice shall be accompanied by 78108  
a written statement of the conditions under which the person may 78109  
be reinstated to practice. 78110

(K) When the board refuses to grant a license or 78111  
certificate to an applicant, revokes a license or certificate, 78112  
or refuses to reinstate a license or certificate, the board may 78113  
specify that its action is permanent. An individual subject to 78114  
permanent action taken by the board is forever ineligible to 78115

at least three of the five years immediately preceding the date  
the application is submitted;

(2), (4), and (5) of this section.

(2) Each specialty section of the board may adopt a rule  
in accordance with Chapter 119. of the Revised Code to waive the  
requirement that an applicant under division (D) (1) (a) of this  
section has been actively engaged in the activity for three of

the five years immediately preceding the date the application is submitted. 80623  
80624

(E) The board secretary, or the secretary's designee, 80625  
shall approve an application for examination submitted under 80626  
division (C) or (D) of this section within thirty days after 80627  
receiving a complete application that meets the requirements of 80628  
that division. 80629

(F) When an applicant for licensure as a contractor in a 80630  
licensed trade meets the qualifications set forth in division 80631  
(B), (C), or (D) of this section and passes the required 80632  
examination, the appropriate specialty section of the board, 80633  
within ninety days after the application was filed, shall 80634  
authorize the administrative section of the board to license the 80635  
applicant for the type of contractor's license for which the 80636  
applicant qualifies. A specialty section of the board may 80637  
withdraw its authorization to the administrative section for 80638  
issuance of a license for good cause shown, on the condition 80639  
that notice of that withdrawal is given prior to the 80640  
administrative section's issuance of the license. 80641

(G) (1) Except as provided in division (G) (2) of this 80642

section shall reapply for a license under division (A) of this 80648  
section before retaking the required examination any subsequent 80649  
time. 80650

(H) All licenses a contractor holds pursuant to this 80651

chapter shall expire annually on the same date, which shall be 80652  
the expiration date of the original license the contractor 80653  
holds. An individual holding a valid, unexpired license may 80654  
renew the license, without reexamination, by submitting an 80655  
application to the appropriate specialty section of the board 80656  
not more than ninety calendar days before the expiration of the 80657  
license, along with the renewal fee the specialty section 80658  
requires and proof of compliance with the applicable continuing 80659  
education requirements. The applicant shall provide information 80660

meet the requirements of divisions (B) (2), (4), and (5) of this 80663  
section. 80664

Upon application and within one calendar year after a 80665  
license has expired, a section may waive any of the requirements 80666  
for renewal of a license upon finding that an applicant 80667  
substantially meets the renewal requirements or that failure to 80668  
timely apply for renewal is due to excusable neglect. A section 80669  
that waives requirements for renewal of a license may impose 80670  
conditions upon the licensee and assess a late filing fee of not 80671  
more than double the usual renewal fee. An applicant shall 80672  
satisfy any condition the section imposes before a license is 80673  
reissued. 80674

(I) An individual holding a valid license may request the 80675  
section of the board that authorized that license to place the 80676  
license in inactive status under conditions, and for a period of 80677  
time, as that section determines. 80678

(J) Except for the ninety-day extension provided for a 80679  
license assigned to a contracting company under division (D) of 80680  
section 4740.07 of the Revised Code, a license held by an 80681

individual immediately terminates upon the death of the 80682  
individual. 80683

(K) Nothing in any license issued by the Ohio construction 80684  
industry licensing board shall be construed to limit or 80685  
eliminate any requirement of or any license issued by the Ohio 80686  
fire marshal. 80687

(L) (1) Subject to division (L) (3) of this section, no 80688  
specialty section of the board shall adopt, maintain, renew, or 80689  
enforce any rule, or otherwise preclude in any way, an 80690  
individual from renewing a license under this chapter due to any 80691  
past criminal activity or interpretation of moral character. If 80692  
the specialty section denies an individual a license renewal, 80693  
the reasons for such denial shall be put in writing. 80694

(2) The section may refuse to issue a license to an 80695  
applicant because of a conviction of or plea of guilty to an 80696  
offense if the refusal is in accordance with section 9.79 of the 80697  
Revised Code. 80698

(3) In considering a renewal of an individual's license, 80699  
the section shall not consider any conviction or plea of guilty 80700  
prior to the initial licensing. However, the board may consider 80701  
a conviction or plea of guilty if it occurred after the 80702  
individual was initially licensed, or after the most recent 80703  
license renewal. 80704

(4) The section may grant an individual a conditional 80705  
license that lasts for one year. After the one-year period has 80706  
expired, the license is no longer considered conditional, and 80707  
the individual shall be considered fully licensed. 80708

(M) Notwithstanding divisions (H) and (L) of this section 80709  
and sections 4740.04 and 4740.05 of the Revised Code, the board 80710

may establish rules that amend the continuing education 80711  
requirements and license renewal schedule for licensees as 80712  
provided in or adopted pursuant to those sections for the 80713  
purpose of establishing a compliance incentive program. These 80714  
rules may include provisions for the creation of the program and 80715  
the qualifications, continuing education requirements, and 80716  
renewal schedule for the program. 80717

certificates of completion constitutes grounds for suspension or 83590  
revocation of a continuing education provider's division 83591  
approval. 83592

(F) The division shall not renew the license of an 83593  
individual or entity if the individual or entity would be denied 83594

**Sec. 4903.10.** After any order has been made by the public 83597  
utilities commission, any party who has entered an appearance in 83598  
person or by counsel in the proceeding may apply for a rehearing 83599  
in respect to any matters determined in the proceeding. Such 83600  
application shall be filed within thirty days after the entry of 83601  
the order upon the journal of the commission. 83602

Notwithstanding the preceding paragraph, in any 83603  
uncontested proceeding or, by leave of the commission first had 83604  
in any other proceeding, any affected person, firm, or 83605  
corporation may make an application for a rehearing within 83606  
thirty days after the entry of any final order upon the journal 83607  
of the commission. Leave to file an application for rehearing 83608

shall not be granted to any person, firm, or corporation who did 83609  
not enter an appearance in the proceeding unless the commission 83610  
first finds: 83611

(A) The applicant's failure to enter an appearance prior 83612  
to the entry upon the journal of the commission of the order 83613  
complained of was due to just cause; and, 83614

(B) The interests of the applicant were not adequately 83615  
considered in the proceeding. 83616

Every applicant for rehearing or for leave to file an 83617  
application for rehearing shall give due notice of the filing of 83618  
such application to all parties who have entered an appearance 83619  
in the proceeding in the manner and form prescribed by the 83620  
commission. 83621

Such application shall be in writing and shall set forth 83622  
specifically the ground or grounds on which the applicant 83623  
considers the order to be unreasonable or unlawful. No party 83624  
shall in any court urge or rely on any ground for reversal, 83625  
vacation, or modification not so set forth in the application. 83626

Where such application for rehearing has been filed before 83627  
the effective date of the order as to which a rehearing is 83628  
sought, the effective date of such order, unless otherwise 83629  
ordered by the commission, shall be postponed or stayed pending 83630  
disposition of the matter by the commission or by operation of 83631  
law. In all other cases the making of such an application shall 83632  
not excuse any person from complying with the order, or operate 83633  
to stay or postpone the enforcement thereof, without a special 83634  
order of the commission. 83635

Where such application for rehearing has been filed, the 83636  
commission may grant and hold such rehearing on the matter 83637

specified in such application, if in its judgment sufficient 83638  
reason therefor is made to appear. Notice of such rehearing 83639  
shall be given by regular mail to all parties who have entered 83640  
an appearance in the proceeding. 83641

If the commission does not grant or deny such application 83642  
for rehearing within thirty days from the date of filing 83643  
thereof, it is denied by operation of law. 83644

If the commission grants such rehearing, it shall specify 83645  
in the notice of such granting the purpose for which it is 83646  
granted. The commission shall also specify the scope of the 83647  
additional evidence, if any, that will be taken, but it shall 83648  
not upon such rehearing take any evidence that, with reasonable 83649  
diligence, could have been offered upon the original hearing. 83650

If, after such rehearing, the commission is of the opinion 83651  
that the original order or any part thereof is in any respect 83652  
unjust or unwarranted, or should be changed, the commission may 83653  
abrogate or modify the same; otherwise such order shall be 83654  
affirmed. An order made after such rehearing, abrogating or 83655  
modifying the original order, shall have the same effect as an 83656  
original order, but shall not affect any right or the 83657  
enforcement of any right arising from or by virtue of the 83658  
original order prior to the receipt of notice by the affected 83659  
party of the filing of the application for rehearing. 83660

If the commission does not affirm, abrogate, or modify the 83661  
original order within ninety days from the date granting such 83662  
rehearing, the order is affirmed by operation of law. 83663

No cause of action arising out of any order of the 83664  
commission, other than in support of the order, shall accrue in 83665  
any court to any person, firm, or corporation unless such 83666

person, firm, or corporation has made a proper application to 83667  
the commission for a rehearing. 83668

ascertain the amount and purposes of such expenditures. 83688

(B) Any public utility, subject to the jurisdiction of the 83689  
commission, may, when authorized by the commission, issue shares 83690

whose property is so located as to permit the operation of the 83693  
properties of such utilities as an integrated system if the 83694  
applicant owns, or by this issue will acquire, not less than 83695  
sixty-five per cent of the issued and outstanding common capital 83696

shares of the company whose shares are to be acquired, and if 83697  
the consideration to be capitalized by the acquiring company 83698  
does not exceed the par or stated value at which the shares so 83699  
acquired were issued. 83700

(C) Any bonds, notes, or other evidences of indebtedness 83701  
payable at periods of more than twelve months after their date 83702  
may be issued as provided in sections 4905.40 to 4905.43 of the 83703  
Revised Code, regardless of the amount of the capital stock of 83704  
the public utility or railroad, subject to the approval of the 83705  
commission of the excess of such bonds, notes, or other 83706  
evidences of indebtedness above the amount of the capital stock 83707  
of such public utility or railroad. 83708

(D) The commission shall authorize on the best terms 83709  
obtainable such issues of stocks, bonds, and other evidences of 83710  
indebtedness as are necessary to enable any public utility to 83711  
comply with any contract made between such public utility and 83712  
any municipal corporation prior to June 30, 1911. 83713

date of issuance, for the purpose of yielding to the company the 83717  
capacity to acquire a facility that produces fuel for the 83718  
generation of electricity. 83719

(F) In any proceeding under division (A) (1) of this 83720  
section initiated by a public utility, the commission shall 83721  
determine and set forth in its order: 83722

of it shall be applied was or is reasonably required by the 83724  
utility to meet its present and prospective obligations to 83725

provide utility service; 83726

(2) Whether the amount of the issue and the probable cost 83727  
of such stocks, bonds, notes, or other evidences of indebtedness 83728

(3) What effect, if any, the issuance of such stocks, 83730  
bonds, notes, or other evidences of indebtedness and the cost 83731  
thereof will have upon the present and prospective revenue 83732  
requirements of the utility. 83733

(G) Sections 4905.40 to 4905.42 of the Revised Code do not 83734  
apply to stocks, bonds, notes, or other evidence of indebtedness 83735

**Sec. 4928.06.** (A) Beginning on the starting date of 83919  
competitive retail electric service, the public utilities 83920  
commission shall ensure that the policy specified in section 83921

4928.02 of the Revised Code is effectuated. To the extent 83922  
necessary, the commission shall adopt rules to carry out this 83923  
chapter. Initial rules necessary for the commencement of the 83924  
competitive retail electric service under this chapter shall be 83925  
adopted within one hundred eighty days after the effective date 83926  
of this section. Except as otherwise provided in this chapter, 83927  
the proceedings and orders of the commission under the chapter 83928  
shall be subject to and governed by Chapter 4903. of the Revised 83929  
Code. 83930

(B) If the commission determines, on or after the starting 83931  
date of competitive retail electric service, that there is a 83932  
decline or loss of effective competition with respect to a 83933  
competitive retail electric service of an electric utility, 83934  
which service was declared competitive by commission order 83935  
issued pursuant to division (A) of section 4928.04 of the 83936  
Revised Code, the commission shall ensure that that service is 83937  
provided at compensatory, fair, and nondiscriminatory prices and 83938  
terms and conditions. 83939

(C) In addition to its authority under section 4928.04 of 83940  
the Revised Code and divisions (A) and (B) of this section, the 83941  
commission, on an ongoing basis, shall monitor and evaluate the 83942  
provision of retail electric service in this state for the 83943  
purpose of discerning any noncompetitive retail electric service 83944  
that should be available on a competitive basis on or after the 83945  
starting date of competitive retail electric service pursuant to 83946  
a declaration in the Revised Code, and for the purpose of 83947  
discerning any competitive retail electric service that is no 83948  
longer subject to effective competition on or after that date. 83949  
Upon such evaluation, the commission periodically shall report 83950  
its findings and any recommendations for legislation to the 83951  
standing committees of both houses of the general assembly that 83952

have primary jurisdiction regarding public utility legislation. 83953  
~~Until 2008, the commission and the consumer's counsel also shall 83954~~  
~~provide biennial reports to those standing committees, regarding 83955~~  
~~the effectiveness of competition in the supply of competitive 83956~~  
~~retail electric services in this state. In addition, until the 83957~~  
~~end of all market development periods as determined by the 83958~~  
~~commission under section 4928.40 of the Revised Code, those 83959~~  
~~standing committees shall meet at least biennially to consider 83960~~  
~~the effect on this state of electric service restructuring and 83961~~  
~~to receive reports from the commission, consumers' counsel, and 83962~~  
~~director of development. 83963~~

(D) In determining, for purposes of division (B) or (C) of 83964  
this section, whether there is effective competition in the 83965  
provision of a retail electric service or reasonably available 83966  
alternatives for that service, the commission shall consider 83967  
factors including, but not limited to, all of the following: 83968

(1) The number and size of alternative providers of that 83969  
service; 83970

(2) The extent to which the service is available from 83971  
alternative suppliers in the relevant market; 83972

(3) The ability of alternative suppliers to make 83973  
functionally equivalent or substitute services readily available 83974  
at competitive prices, terms, and conditions; 83975

(4) Other indicators of market power, which may include 83976  
market share, growth in market share, ease of entry, and the 83977  
affiliation of suppliers of services. 83978

The burden of proof shall be on any entity requesting, 83979  
under division (B) or (C) of this section, a determination by 83980  
the commission of the existence of or a lack of effective 83981

competition or reasonably available alternatives. 83982

(E) (1) Beginning on the starting date of competitive 83983  
retail electric service, the commission has authority under 83984  
Chapters 4901. to 4909. of the Revised Code, and shall exercise 83985  
that authority, to resolve abuses of market power by any 83986  
electric utility that interfere with effective competition in 83987  
the provision of retail electric service. 83988

(2) In addition to the commission's authority under 83989  
division (E) (1) of this section, the commission, beginning the 83990  
first year after the market development period of a particular 83991  
electric utility and after reasonable notice and opportunity for 83992  
hearing, may take such measures within a transmission 83993  
constrained area in the utility's certified territory as are 83994  
necessary to ensure that retail electric generation service is 83995  
provided at reasonable rates within that area. The commission 83996  
may exercise this authority only upon findings that an electric 83997  
utility is or has engaged in the abuse of market power and that 83998  
that abuse is not adequately mitigated by rules and practices of 83999  
any independent transmission entity controlling the transmission 84000  
facilities. Any such measure shall be taken only to the extent 84001  
necessary to protect customers in the area from the particular 84002  
abuse of market power and to the extent the commission's 84003  
authority is not preempted by federal law. The measure shall 84004  
remain in effect until the commission, after reasonable notice 84005  
and opportunity for hearing, determines that the particular 84006  
abuse of market power has been mitigated. 84007

(F) An electric utility, electric services company, 84008  
electric cooperative, or governmental aggregator subject to 84009  
certification under section 4928.08 of the Revised Code shall 84010  
provide the commission with such information, regarding a 84011

competitive retail electric service for which it is subject to 84012  
certification, as the commission considers necessary to carry 84013  
out this chapter. An electric utility shall provide the 84014  
commission with such information as the commission considers 84015  
necessary to carry out divisions (B) to (E) of this section. The 84016  
commission shall take such measures as it considers necessary to 84017  
protect the confidentiality of any such information. 84018

The commission shall require each electric utility to file 84019  
with the commission on and after the starting date of 84020  
competitive retail electric service an annual report of its 84021  
intrastate gross receipts and sales of kilowatt hours of 84022  
electricity, and shall require each electric services company, 84023  
electric cooperative, and governmental aggregator subject to 84024  
certification to file an annual report on and after that 84025  
starting date of such receipts and sales from the provision of 84026  
those retail electric services for which it is subject to 84027  
certification. For the purpose of the reports, sales of kilowatt 84028  
hours of electricity are deemed to occur at the meter of the 84029  
retail customer. 84030

**Sec. 4928.34.** (A) The public utilities commission shall 84031  
not approve or prescribe a transition plan under division (A) or 84032  
(B) of section 4928.33 of the Revised Code unless the commission 84033  
first makes all of the following determinations: 84034

(1) The unbundled components for the electric transmission 84035  
component of retail electric service, as specified in the 84036  
utility's rate unbundling plan required by division (A) (1) of 84037  
section 4928.31 of the Revised Code, equal the tariff rates 84038  
determined by the federal energy regulatory commission that are 84039  
in effect on the date of the approval of the transition plan 84040  
under sections 4928.31 to 4928.40 of the Revised Code, as each 84041

such rate is determined applicable to each particular customer 84042  
class and rate schedule by the commission. The unbundled 84043  
transmission component shall include a sliding scale of charges 84044  
under division (B) of section 4905.31 of the Revised Code to 84045  
ensure that refunds determined or approved by the federal energy 84046  
regulatory commission are flowed through to retail electric 84047  
customers. 84048

(2) The unbundled components for retail electric 84049  
distribution service in the rate unbundling plan equal the 84050  
difference between the costs attributable to the utility's 84051  
transmission and distribution rates and charges under its 84052  
schedule of rates and charges in effect on the effective date of 84053  
this section, based upon the record in the most recent rate 84054  
proceeding of the utility for which the utility's schedule was 84055  
established, and the tariff rates for electric transmission 84056  
service determined by the federal energy regulatory commission 84057  
as described in division (A) (1) of this section. 84058

(3) All other unbundled components required by the 84059  
commission in the rate unbundling plan equal the costs 84060  
attributable to the particular service as reflected in the 84061  
utility's schedule of rates and charges in effect on the 84062  
effective date of this section. 84063

(4) The unbundled components for retail electric 84064  
generation service in the rate unbundling plan equal the 84065  
residual amount remaining after the determination of the 84066  
transmission, distribution, and other unbundled components, and 84067  
after any adjustments necessary to reflect the effects of the 84068  
amendment of section 5727.111 of the Revised Code by Sub. S.B. 84069  
No. 3 of the 123rd general assembly. 84070

(5) All unbundled components in the rate unbundling plan 84071

have been adjusted to reflect any base rate reductions on file 84072  
with the commission and as scheduled to be in effect by December 84073  
31, 2005, under rate settlements in effect on the effective date 84074  
of this section. However, all earnings obligations, 84075  
restrictions, or caps imposed on an electric utility in a 84076  
commission order prior to the effective date of this section are 84077  
void. 84078

(6) Subject to division (A)(5) of this section, the total 84079  
of all unbundled components in the rate unbundling plan are 84080  
capped and shall equal during the market development period, 84081  
except as specifically provided in this chapter, the total of 84082  
all rates and charges in effect under the applicable bundled 84083  
schedule of the electric utility pursuant to section 4905.30 of 84084  
the Revised Code in effect on the day before the effective date 84085  
of this section, including the transition charge determined 84086  
under section 4928.40 of the Revised Code, adjusted for any 84087  
changes in the taxation of electric utilities and retail 84088  
electric service under Sub. S.B. No. 3 of the 123rd General 84089  
Assembly, and the universal service percentage of income payment 84090  
plan rider authorized by section ~~4928.51-4928.52~~ of the Revised 84091  
Code, ~~and the temporary rider authorized by section 4928.61 of~~ 84092  
~~the Revised Code.~~ For the purpose of this division, the rate cap 84093  
applicable to a customer receiving electric service pursuant to 84094  
an arrangement approved by the commission under section 4905.31 84095  
of the Revised Code is, for the term of the arrangement, the 84096  
total of all rates and charges in effect under the arrangement. 84097  
For any rate schedule filed pursuant to section 4905.30 of the 84098  
Revised Code or any arrangement subject to approval pursuant to 84099  
section 4905.31 of the Revised Code, the initial tax-related 84100  
adjustment to the rate cap required by this division shall be 84101  
equal to the rate of taxation specified in section 5727.81 of 84102

the Revised Code and applicable to the schedule or arrangement. 84103  
To the extent such total annual amount of the tax-related 84104  
adjustment is greater than or less than the comparable amount of 84105  
the total annual tax reduction experienced by the electric 84106  
utility as a result of the provisions of Sub. S.B. No. 3 of the 84107  
123rd general assembly, such difference shall be addressed by 84108  
the commission through accounting procedures, refunds, or an 84109  
annual surcharge or credit to customers, or through other 84110  
appropriate means, to avoid placing the financial responsibility 84111  
for the difference upon the electric utility or its 84112  
shareholders. Any adjustments in the rate of taxation specified 84113  
in section 5727.81 of the Revised Code ~~section~~ shall not occur 84114  
without a corresponding adjustment to the rate cap for each such 84115  
rate schedule or arrangement. The department of taxation shall 84116  
advise the commission and self-assessors under section 5727.81 84117  
of the Revised Code prior to the effective date of any change in 84118  
the rate of taxation specified under that section, and the 84119  
commission shall modify the rate cap to reflect that adjustment 84120  
so that the rate cap adjustment is effective as of the effective 84121  
date of the change in the rate of taxation. This division shall 84122  
be applied, to the extent possible, to eliminate any increase in 84123  
the price of electricity for customers that otherwise may occur 84124  
as a result of establishing the taxes contemplated in section 84125  
5727.81 of the Revised Code. 84126

(7) The rate unbundling plan complies with any rules 84127  
adopted by the commission under division (A) of section 4928.06 84128  
of the Revised Code. 84129

(8) The corporate separation plan required by division (A) 84130  
(2) of section 4928.31 of the Revised Code complies with section 84131  
4928.17 of the Revised Code and any rules adopted by the 84132  
commission under division (A) of section 4928.06 of the Revised 84133

Code. 84134

(9) Any plan or plans the commission requires to address 84135  
operational support systems and any other technical 84136  
implementation issues pertaining to competitive retail electric 84137  
service comply with any rules adopted by the commission under 84138  
division (A) of section 4928.06 of the Revised Code. 84139

(10) The employee assistance plan required by division (A) 84140  
(4) of section 4928.31 of the Revised Code sufficiently provides 84141  
severance, retraining, early retirement, retention, 84142

whose employment is affected by electric industry restructuring 84144  
under this chapter. 84145

(11) The consumer education plan required under division 84146  
(A) (5) of section 4928.31 of the Revised Code complies with 84147  
former section 4928.42 of the Revised Code and any rules adopted 84148  
by the commission under division (A) of section 4928.06 of the 84149  
Revised Code. 84150

(12) The transition revenues for which an electric utility 84151  
is authorized a revenue opportunity under sections 4928.31 to 84152  
4928.40 of the Revised Code are the allowable transition costs 84153  
of the utility as such costs are determined by the commission 84154

treasury the advanced energy fund, into which shall be deposited 84538  
all advanced energy revenues remitted to the director of 84539  
development under division (B) of this section, for the 84540  
exclusive purposes of funding the advanced energy program 84541

contributed into the universal service fund as a supplement to 84611  
that required under section 4928.53 of the Revised Code, or be 84612  
returned to ratepayers in the form of a rate reduction at the 84613  
option of the affected electric distribution utility. 84614~~

**Sec. 4928.62.** (A) There is hereby created the advanced 84615  
energy program, which shall be administered by the director of 84616  
development. Under the program, the director may authorize the 84617  
use of moneys in the advanced energy fund for financial, 84618  
technical, and related assistance for advanced energy projects 84619  
in this state or for economic development assistance, in 84620  
furtherance of the purposes set forth in section 4928.63 of the 84621  
Revised Code. 84622

(1) To the extent feasible given approved applications for 84623  
assistance, the assistance shall be distributed among the 84624  
certified territories of electric distribution utilities and 84625  
participating electric cooperatives, and among the service areas 84626  
of participating municipal electric utilities, in amounts 84627  
proportionate to the remittances of each utility and cooperative 84628  
under ~~divisions (B) (1) and (3)~~division (B) (2) of section 4928.61 84629  
of the Revised Code. 84630

(2) The funds described in division ~~(B) (6)~~(B) (5) of 84631  
section 4928.61 of the Revised Code shall not be subject to the 84632  
territorial requirements of division (A) (1) of this section. 84633

(3) The director shall not authorize financial assistance 84634  
for an advanced energy project under the program unless the 84635  
director first determines that the project will create new jobs 84636  
or preserve existing jobs in this state or use innovative 84637

technologies or materials. 84638

(B) In carrying out sections 4928.61 to 4928.63 of the 84639  
Revised Code, the director may do all of the following to 84640  
further the public interest in advanced energy projects and 84641  
economic development: 84642

(1) Award grants, contracts, loans, loan participation 84643  
agreements, linked deposits, and energy production incentives; 84644

(2) Acquire in the name of the director any property of 84645  
any kind or character in accordance with this section, by 84646  
purchase, purchase at foreclosure, or exchange, on such terms 84647

necessary or incidental to the performance of the director's 84650  
duties and the exercise of the director's powers under sections 84651  
4928.61 to 4928.63 of the Revised Code; 84652

(4) Employ or enter into contracts with financial 84653  
consultants, marketing consultants, consulting engineers, 84654  
architects, managers, construction experts, attorneys, technical 84655  
monitors, energy evaluators, or other employees or agents as the 84656  
director considers necessary, and fix their compensation; 84657

(5) Adopt rules prescribing the application procedures for 84658  
financial assistance under the advanced energy program; the 84659  
fees, charges, interest rates, payment schedules, local match 84660  
requirements, and other terms and conditions of any grants, 84661  
contracts, loans, loan participation agreements, linked 84662  
deposits, and energy production incentives; criteria pertaining 84663  
to the eligibility of participating lending institutions; and 84664  
any other matters necessary for the implementation of the 84665  
program; 84666

(6) Do all things necessary and appropriate for the 84667  
operation of the program. 84668

(C) The department of development may hold ownership to 84669  
any unclaimed energy efficiency and renewable energy emission 84670  
allowances provided for in Chapter 3745-14 of the Administrative 84671  
Code or otherwise, that result from advanced energy projects 84672  
that receive funding from the advanced energy fund, and it may 84673  
use the allowances to further the public interest in advanced 84674  
energy projects or for economic development. 84675

(D) Financial statements, financial data, and trade 84676  
secrets submitted to or received by the director from an 84677  
applicant or recipient of financial assistance under sections 84678  
4928.61 to 4928.63 of the Revised Code, or any information taken 84679  
from those statements, data, or trade secrets for any purpose, 84680  
are not public records for the purpose of section 149.43 of the 84681  
Revised Code. 84682

(E) Nothing in the amendments of sections 4928.61, 84683  
4928.62, and 4928.63 of the Revised Code by Sub. H.B. 251 of the 84684  
126th general assembly shall affect any pending or effected 84685  
assistance, pending or effected purchases or exchanges of 84686  
property made, or pending or effected contracts or agreements 84687  
entered into pursuant to division (A) or (B) of this section as 84688  
the section existed prior to the effective date of those 84689  
amendments, January 4, 2007, or shall affect the exemption 84690  
provided under division (C) of this section as the section 84691  
existed prior to that effective date. 84692

(F) Any assistance a school district receives for an 84693  
advanced energy project, including a geothermal heating, 84694  
ventilating, and air conditioning system, shall be in addition 84695  
to any assistance provided under Chapter 3318. of the Revised 84696

Code and shall not be included as part of the district or state 84697  
portion of the basic project cost under that chapter. 84698

**Sec. 4928.63.** The director of development ~~and the public~~ 84699  
~~benefits advisory board have~~ has the powers and duties provided 84700  
in sections 4928.61 and 4928.62 of the Revised Code, in order to 84701  
promote the welfare of the people of this state; stabilize the 84702  
economy; assist in the improvement and development within this 84703  
state of not-for-profit entity, industrial, commercial, 84704  
distribution, residential, and research buildings and activities 84705  
required for the people of this state; improve the economic 84706  
welfare of the people of this state by reducing energy costs and 84707  
by reducing energy usage in a cost-efficient manner using, as 84708  
determined by the director, both the most appropriate national, 84709  
federal, or other standards for products and the best practices 84710  
for the use of technology, products, or services in the context 84711  
of a total facility or building; and assist in the lowering of 84712  
energy demand to reduce air, water, or thermal pollution. It is 84713  
hereby determined that the accomplishment of those purposes is 84714  
essential so that the people of this state may maintain their 84715  
present high standards in comparison with the people of other 84716  
states and so that opportunities for improving the economic 84717  
welfare of the people of this state, for improving the housing 84718  
of residents of this state, and for favorable markets for the 84719  
products of this state's natural resources, agriculture, and 84720  
manufacturing shall be improved; and that it is necessary for 84721  
this state to establish the program authorized pursuant to 84722  
sections 4928.61 and 4928.62 of the Revised Code. 84723

**Sec. 4928.66.** (A) (1) (a) Beginning in 2009, an electric 84724  
distribution utility shall implement energy efficiency programs 84725  
that achieve energy savings equivalent to at least three-tenths 84726  
of one per cent of the total, annual average, and normalized 84727

kilowatt-hour sales of the electric distribution utility during 84728  
the preceding three calendar years to customers in this state. 84729  
An energy efficiency program may include a combined heat and 84730  
power system placed into service or retrofitted on or after the 84731  
effective date of the amendment of this section by S.B. 315 of 84732  
the 129th general assembly, September 10, 2012, or a waste 84733  
energy recovery system placed into service or retrofitted on or 84734  
after September 10, 2012, except that a waste energy recovery 84735  
system described in division (A) (38) (b) of section 4928.01 of 84736  
the Revised Code may be included only if it was placed into 84737  
service between January 1, 2002, and December 31, 2004. For a 84738  
waste energy recovery or combined heat and power system, the 84739  
savings shall be as estimated by the public utilities 84740  
commission. The savings requirement, using such a three-year 84741  
average, shall increase to an additional five-tenths of one per 84742  
cent in 2010, seven-tenths of one per cent in 2011, eight-tenths 84743  
of one per cent in 2012, nine-tenths of one per cent in 2013, 84744  
and one per cent in 2014. In 2015 and 2016, an electric 84745  
distribution utility shall achieve energy savings equal to the 84746  
result of subtracting the cumulative energy savings achieved 84747  
since 2009 from the product of multiplying the baseline for 84748  
energy savings, described in division (A) (2) (a) of this section, 84749  
by four and two-tenths of one per cent. If the result is zero or 84750  
less for the year for which the calculation is being made, the 84751  
utility shall not be required to achieve additional energy 84752  
savings for that year, but may achieve additional energy savings 84753  
for that year. The annual savings requirements shall be, for 84754  
years 2017, 2018, 2019, and 2020, an additional one per cent of 84755  
the baseline. For purposes of a waste energy recovery or 84756  
combined heat and power system, an electric distribution utility 84757  
shall not apply more than the total annual percentage of the 84758  
electric distribution utility's industrial-customer load, 84759

relative to the electric distribution utility's total load, to 84760  
the annual energy savings requirement. 84761

(b) Beginning in 2009, an electric distribution utility 84762  
shall implement peak demand reduction programs designed to 84763  
achieve a one per cent reduction in peak demand in 2009 and an 84764  
additional seventy-five hundredths of one per cent reduction 84765  
each year through 2014. In 2015 and 2016, an electric 84766  
distribution utility shall achieve a reduction in peak demand 84767  
equal to the result of subtracting the cumulative peak demand 84768  
reductions achieved since 2009 from the product of multiplying 84769  
the baseline for peak demand reduction, described in division 84770  
(A) (2) (a) of this section, by four and seventy-five hundredths 84771  
of one per cent. If the result is zero or less for the year for 84772  
which the calculation is being made, the utility shall not be 84773  
required to achieve an additional reduction in peak demand for 84774  
that year, but may achieve an additional reduction in peak 84775  
demand for that year. In 2017 and each year thereafter through 84776  
2020, the utility shall achieve an additional seventy-five 84777  
hundredths of one per cent reduction in peak demand. 84778

(2) For the purposes of divisions (A) (1) (a) and (b) of 84779  
this section: 84780

(a) The baseline for energy savings under division (A) (1) 84781  
(a) of this section shall be the average of the total kilowatt 84782  
hours the electric distribution utility sold in the preceding 84783  
three calendar years. The baseline for a peak demand reduction 84784  
under division (A) (1) (b) of this section shall be the average 84785  
peak demand on the utility in the preceding three calendar 84786  
years, except that the commission may reduce either baseline to 84787  
adjust for new economic growth in the utility's certified 84788  
territory. Neither baseline shall include the load and usage of 84789

any of the following customers: 84790

(i) Beginning January 1, 2017, a customer for which a 84791  
reasonable arrangement has been approved under section 4905.31 84792  
of the Revised Code; 84793

(ii) A customer that has opted out of the utility's 84794  
portfolio plan under section 4928.6611 of the Revised Code; 84795

(iii) A customer that has opted out of the utility's 84796  
portfolio plan under Section 8 of S.B. 310 of the 130th general 84797  
assembly. 84798

(b) The commission may amend the benchmarks set forth in 84799  
division (A) (1) (a) or (b) of this section if, after application 84800  
by the electric distribution utility, the commission determines 84801  
that the amendment is necessary because the utility cannot 84802  
reasonably achieve the benchmarks due to regulatory, economic, 84803  
or technological reasons beyond its reasonable control. 84804

(c) Compliance with divisions (A) (1) (a) and (b) of this 84805  
section shall be measured by including the effects of all 84806  
demand-response programs for mercantile customers of the subject 84807  
electric distribution utility, all waste energy recovery systems 84808  
and all combined heat and power systems, and all such mercantile 84809  
customer-sited energy efficiency, including waste energy 84810  
recovery and combined heat and power, and peak demand reduction 84811  
programs, adjusted upward by the appropriate loss factors. Any 84812  
mechanism designed to recover the cost of energy efficiency, 84813  
including waste energy recovery and combined heat and power, and 84814  
peak demand reduction programs under divisions (A) (1) (a) and (b) 84815  
of this section may exempt mercantile customers that commit 84816  
their demand-response or other customer-sited capabilities, 84817  
whether existing or new, for integration into the electric 84818

distribution utility's demand-response, energy efficiency, 84819  
including waste energy recovery and combined heat and power, or 84820  
peak demand reduction programs, if the commission determines 84821  
that that exemption reasonably encourages such customers to 84822  
commit those capabilities to those programs. If a mercantile 84823  
customer makes such existing or new demand-response, energy 84824  
efficiency, including waste energy recovery and combined heat 84825  
and power, or peak demand reduction capability available to an 84826  
electric distribution utility pursuant to division (A) (2) (c) of 84827  
this section, the electric utility's baseline under division (A) 84828  
(2) (a) of this section shall be adjusted to exclude the effects 84829  
of all such demand-response, energy efficiency, including waste 84830  
energy recovery and combined heat and power, or peak demand 84831  
reduction programs that may have existed during the period used 84832  
to establish the baseline. The baseline also shall be normalized 84833  
for changes in numbers of customers, sales, weather, peak 84834  
demand, and other appropriate factors so that the compliance 84835  
measurement is not unduly influenced by factors outside the 84836  
control of the electric distribution utility. 84837

(d) (i) Programs implemented by a utility may include the 84838  
following: 84839

(I) Demand-response programs; 84840

(II) Smart grid investment programs, provided that such 84841  
programs are demonstrated to be cost-beneficial; 84842

(III) Customer-sited programs, including waste energy 84843  
recovery and combined heat and power systems; 84844

(IV) Transmission and distribution infrastructure 84845  
improvements that reduce line losses; 84846

(V) Energy efficiency savings and peak demand reduction 84847

that are achieved, in whole or in part, as a result of funding 84848  
provided from the ~~universal service~~ electric partnership plan 84849  
fund established by section 4928.51 of the Revised Code to 84850  
benefit low-income customers through programs that include, but 84851  
are not limited to, energy audits, the installation of energy 84852  
efficiency insulation, appliances, and windows, and other 84853  
weatherization measures. 84854

(ii) No energy efficiency or peak demand reduction 84855  
achieved under divisions (A) (2) (d) (i) (IV) and (V) of this 84856  
section shall qualify for shared savings. 84857

(iii) Division (A) (2) (c) of this section shall be applied 84858  
to include facilitating efforts by a mercantile customer or 84859  
group of those customers to offer customer-sited demand- 84860  
response, energy efficiency, including waste energy recovery and 84861  
combined heat and power, or peak demand reduction capabilities 84862  
to the electric distribution utility as part of a reasonable 84863  
arrangement submitted to the commission pursuant to section 84864  
4905.31 of the Revised Code. 84865

(e) No programs or improvements described in division (A) 84866  
(2) (d) of this section shall conflict with any statewide 84867  
building code adopted by the board of building standards. 84868

(B) In accordance with rules it shall adopt, the public 84869  
utilities commission shall produce and docket at the commission 84870  
an annual report containing the results of its verification of 84871  
the annual levels of energy efficiency and of peak demand 84872  
reductions achieved by each electric distribution utility 84873  
pursuant to division (A) of this section. A copy of the report 84874  
shall be provided to the consumers' counsel. 84875

(C) If the commission determines, after notice and 84876

opportunity for hearing and based upon its report under division 84877  
(B) of this section, that an electric distribution utility has 84878  
failed to comply with an energy efficiency or peak demand 84879  
reduction requirement of division (A) of this section, the 84880  
commission shall assess a forfeiture on the utility as provided 84881  
under sections 4905.55 to 4905.60 and 4905.64 of the Revised 84882  
Code, either in the amount, per day per undercompliance or 84883  
noncompliance, relative to the period of the report, equal to 84884  
that prescribed for noncompliances under section 4905.54 of the 84885  
Revised Code, or in an amount equal to the then existing market 84886  
value of one renewable energy credit per megawatt hour of 84887  
undercompliance or noncompliance. Revenue from any forfeiture 84888  
assessed under this division shall be deposited to the credit of 84889  
the advanced energy fund created under section 4928.61 of the 84890  
Revised Code. 84891

(D) The commission may establish rules regarding the 84892  
content of an application by an electric distribution utility 84893  
for commission approval of a revenue decoupling mechanism under 84894  
this division. Such an application shall not be considered an 84895  
application to increase rates and may be included as part of a 84896  
proposal to establish, continue, or expand energy efficiency or 84897  
conservation programs. The commission by order may approve an 84898  
application under this division if it determines both that the 84899  
revenue decoupling mechanism provides for the recovery of 84900  
revenue that otherwise may be forgone by the utility as a result 84901  
of or in connection with the implementation by the electric 84902  
distribution utility of any energy efficiency or energy 84903  
conservation programs and reasonably aligns the interests of the 84904  
utility and of its customers in favor of those programs. 84905

(E) The commission additionally shall adopt rules that 84906  
require an electric distribution utility to provide a customer 84907

upon request with two years' consumption data in an accessible form. 84908  
84909

(F) (1) As used in divisions (F) (2), (3), and (4) of this section, "portfolio plan" has the same meaning as in division (C) (1) of section 4928.6610 of the Revised Code. 84910  
84911  
84912

(2) If an electric distribution utility has a portfolio plan in effect as of October 22, 2019, and that plan expires before December 31, 2020, the commission shall extend the plan through that date. All portfolio plans shall terminate on that date. 84913  
84914  
84915  
84916  
84917

(3) If a portfolio plan is extended beyond its commission approved term by division (F) (2) of this section, the existing plan's budget shall be increased for the extended term to include an amount equal to the annual average of the approved budget for all years of the portfolio plan in effect as of October 22, 2019. 84918  
84919  
84920  
84921  
84922  
84923

(4) All other terms and conditions of a portfolio plan extended beyond its commission-approved term by division (F) (2) of this section shall remain the same unless changes are authorized by the commission. 84924  
84925  
84926  
84927

(G) (1) Not later than February 1, 2021, the commission shall determine the cumulative energy savings collectively achieved, since 2009, by all electric distribution utilities in this state as of December 31, 2020. In determining that cumulative total, the commission shall do both of the following: 84928  
84929  
84930  
84931  
84932

(a) Include energy savings that were estimated by the commission to be achieved as of December 31, 2020, and banked under division (G) of section 4928.662 of the Revised Code; 84933  
84934  
84935

(b) Use an energy savings baseline that is the average of 84936

the total kilowatt hours sold by all electric distribution 84937  
utilities in this state in the calendar years 2018, 2019, and 84938  
2020. The baseline shall exclude the load and usage described in 84939  
division (A) (2) (a) (i), (ii), and (iii) of this section. That 84940  
baseline may also be reduced for new economic growth in the 84941  
utility's certified territory as provided in division (A) (2) (a) 84942  
of this section and adjusted and normalized as provided in 84943  
division (A) (2) (c) of this section. 84944

(2) (a) If the cumulative energy savings collectively 84945  
achieved as determined by the commission under division (G) (1) 84946  
of this section is at least seventeen and one-half per cent of 84947  
the baseline described in division (G) (1) (b) of this section, 84948  
then full compliance with division (A) (1) (a) of this section 84949  
shall be deemed to have been achieved notwithstanding any 84950  
provision of this section to the contrary. 84951

(b) If the cumulative energy savings collectively achieved 84952  
as determined by the commission under division (G) (1) of this 84953  
section is less than seventeen and one-half per cent of the 84954  
baseline described in division (G) (1) (b) of this section, then 84955  
both of the following shall apply: 84956

(i) The commission shall determine the manner in which 84957  
further implementation of energy efficiency programs shall occur 84958  
as may be reasonably necessary for collective achievement of 84959  
cumulative energy savings equal to seventeen and one-half per 84960  
cent, and not more, of the baseline described in division (G) (1) 84961  
(b) of this section. 84962

(ii) Full compliance with division (A) (1) (a) of this 84963  
section shall be deemed to be achieved as of a date certain 84964  
established by the commission notwithstanding any provision of 84965  
this section to the contrary. 84966

(3) Upon the date that full compliance with division (A) 84967  
(1) (a) of this section is deemed achieved under division (G) (2) 84968  
(a) or (b) of this section, any electric distribution utility 84969  
cost recovery mechanisms authorized by the commission for 84970  
compliance with this section shall terminate except as may be 84971  
necessary to reconcile the difference between revenue collected 84972  
and the allowable cost of compliance associated with compliance 84973  
efforts occurring prior to December 31, 2021, for programs re- 84974  
established under section 4928.661 of the Revised Code, and 84975  
prior to the date upon which full compliance with division (A) 84976  
(1) (a) of this section is deemed achieved, for all other 84977  
compliance efforts. No such cost recovery mechanism shall be 84978  
authorized by the commission beyond the period of time required 84979  
to complete this final reconciliation. 84980

~~Sec. 4928.75. Beginning in fiscal year 2021 and each~~ 84981  
~~fiscal year thereafter, the~~ The director of ~~development-job and~~ 84982  
family services shall, in each fiscal year, submit a completed 84983  
waiver request in accordance with section 96.83 of Title 45 of 84984  
the Code of Federal Regulations to the United States department 84985  
of health and human services and any other applicable federal 84986  
agencies for the state to expend twenty-five per cent of federal 84987  
low-income home energy assistance programs funds from the home 84988  
energy assistance block grants for weatherization services 84989  
allowed by section 96.83(a) of Title 45 of the Code of Federal 84990  
Regulations to the United States department of health and human 84991  
services. 84992

Sec. 4933.51. As used in sections 4933.51 to 4933.59 of 84993  
the Revised Code: 84994

(A) "Area of last resort" means an area within an electric 84995  
distribution utility's designated service territory that is 84996

located in a county of this state with a population of not more 84997  
than fifty thousand, but excluding any areas of the county that 84998  
are within a ten-mile radius of another publicly available 84999  
electric vehicle charging station or any areas of the county 85000  
that are within one mile of an alternative fuel corridor 85001  
designated by the federal highway administration. 85002

(B) "Direct current fast charging station" means an 85003  
electric vehicle charging system capable of distributing 85004  
electricity at fifty kilowatts or more of direct current to an 85005  
electric vehicle's rechargeable battery at a voltage of two 85006  
hundred volts or more. 85007

(C) "Electric distribution utility" has the same meaning 85008  
as in section 4928.01 of the Revised Code. 85009

(D) "Electric vehicle" means a vehicle that is powered 85010  
wholly by a system that can be recharged via an external source 85011

that is a passenger car, commercial car or truck, a vehicle used 85013  
for public transit, a vehicle used in a vehicle fleet, a vehicle 85014  
used in construction work, and a vehicle used in industrial or 85015  
warehouse work. 85016

(E) "Electric vehicle charging provider" means the owner 85017  
or operator of an electric vehicle charging station. "Electric 85018  
vehicle charging provider" excludes either of the following that 85019  
owns or operates an electric vehicle charging station: 85020

(1) An electric distribution utility; 85021

(2) An affiliate or subsidiary of an electric distribution 85022  
utility. 85023

(F) "Electric vehicle charging station" means any 85024  
nonresidential electric vehicle charging system that is both of 85025

the following: 85026

(1) Capable of distributing electricity from a source 85027  
outside an electric vehicle to the electric vehicle; 85028

(2) A direct current fast charging station or level two 85029  
charging station. 85030

(G) "Level two charging station" means any electric 85031  
vehicle charging system capable of distributing electricity at a 85032  
minimum of three or a maximum of twenty kilowatts of alternating 85033  
current to an electric vehicle's rechargeable battery at a 85034  
voltage of two hundred volts or more. 85035

(H) "Make-ready infrastructure" means electrical 85036  
infrastructure required to accommodate the electric load of an 85037  
electric vehicle charging station. "Make-ready infrastructure" 85038  
excludes an electric vehicle charging station. 85039

**Sec. 4933.53.** (A) No electric distribution utility may own 85040  
or operate publicly available electric vehicle charging stations 85041  
except through a separate affiliate or subsidiary that is not 85042  
subject to public utilities commission jurisdiction, except as 85043  
provided in division (C) of this section and notwithstanding 85044  
section 4933.55 of the Revised Code. This division does not 85045  
prohibit the commission from approving a program, funded by 85046  
revenues from electric distribution utility rates, to promote 85047  
the creation of electric vehicle charging stations by electric 85048  
vehicle charging providers or the purchase of any equipment used 85049  
to charge an electric vehicle by residential customers. 85050

(B) (1) No electric distribution utility may charge its 85051  
affiliate or subsidiary a subsidized rate, fee, or charge for 85052  
electric service distributed to the affiliate's or subsidiary's 85053  
publicly available electric vehicle charging stations. 85054

(2) An electric distribution utility affiliate or subsidiary that owns or operates an electric vehicle charging station shall be subject to the same rates, terms, and conditions that apply to electric vehicle charging providers located in the electric distribution utility's certified territory. 85055  
85056  
85057  
85058  
85059  
85060

(C) (1) If, five or more years after the effective date of this section, an electric distribution utility is able to demonstrate that there is not at least one publicly available electric vehicle charging station in an area of last resort, the electric distribution utility may petition the commission for approval of the installation and ownership of a publicly available electric vehicle charging station solely in the area of last resort. 85061  
85062  
85063  
85064  
85065  
85066  
85067  
85068

The commission may approve, modify and approve, or reject an electric distribution utility's installation and ownership of such a charging station in an area of last resort, provided that any approval shall include a finding that the requirements of this section and section 4933.54 of the Revised Code have been met. 85069  
85070  
85071  
85072  
85073  
85074

(2) No electric distribution utility shall be obligated to deploy equipment for a publicly available electric vehicle charging station without timely and adequate cost recovery. 85075  
85076  
85077

(D) (1) If an electric distribution utility files a petition under division (C) of this section, the electric distribution utility also shall file a proposal with the commission that includes a description of the area of last resort, a statement certifying that there is not at least one publicly available electric vehicle charging station in the area of last resort, and a description of the publicly available 85078  
85079  
85080  
85081  
85082  
85083  
85084

electric vehicle charging station it proposes to construct at 85085  
the location. 85086

(2) An electric distribution utility, concurrently with 85087  
the filing made under this division, shall provide conspicuous 85088  
public notice on the electric distribution utility's web site 85089  
and to each dealer of transportation fuel within a ten-mile 85090  
radius of the location of the electric distribution utility's 85091  
proposed publicly available electric vehicle charging station. 85092  
Such notice shall contain at least both of the following: 85093

(a) The date the electric distribution utility filed a 85094  
proposal with the commission to provide a publicly available 85095  
electric vehicle charging station under this division; 85096

(b) The date by which a person may file a proposal to 85097  
provide a publicly available electric vehicle charging station 85098  
within a ten-mile radius of the proposed location as described 85099  
in section 4933.54 of the Revised Code. 85100

(E) Prior to approving an electric distribution utility's 85101  
installation and ownership of an electric vehicle charging 85102  
station under division (C) of this section, the commission shall 85103  
conduct a right of first refusal process. The commission shall 85104  
not conduct a right of first refusal process if there is a 85105  
publicly available electric vehicle charging station within a 85106  
ten-mile radius of the site where an electric distribution 85107  
utility proposes to locate such a charging station. 85108

(F) If, within ninety days after notice is provided under 85109  
division (D) of this section, no electric vehicle charging 85110  
providers are identified within ten miles of the location 85111  
proposed by an electric distribution utility in a proposal filed 85112  
under division (D) of this section, an electric distribution 85113

utility may submit to the commission a notice of intent to 85114  
proceed with installation of a publicly available electric 85115  
vehicle charging station. 85116

(G) Not earlier than one hundred eighty days after the 85117  
commission's finding of public interest and approval of the 85118  
proposal and installation, an electric distribution utility may 85119  
proceed with the construction and operation of its proposed 85120  
publicly available electric vehicle charging station. The 85121  
construction and operation of the charging station shall not 85122  
proceed if the commission determines that the construction and 85123  
operation unreasonably duplicates a publicly available electric 85124  
vehicle charging station operated, or under construction, by 85125  
another person. 85126

**Sec. 4933.54.** Not later than ninety days after the filing 85127  
and notice described in division (D) of section 4933.53 of the 85128  
Revised Code, any person, except an electric distribution 85129  
utility, an electric cooperative, or a municipal electric 85130  
utility, may submit a notice to the public utilities commission 85131  
stating that it intends to provide a publicly available electric 85132  
vehicle charging station within a ten-mile radius of the 85133  
location proposed by an electric distribution utility under 85134  
section 4933.53 of the Revised Code and intends to request the 85135  
necessary make-ready infrastructure from the electric 85136  
distribution utility. The notice shall include the person's firm 85137  
commitment to place the charging station into service before the 85138  
later of the following dates: 85139

(A) Eighteen months after the date the person submits the 85140  
notice to the commission; 85141

(B) Twelve months after the date of completion of the 85142  
installation of the necessary make-ready infrastructure. 85143

Sec. 4933.55. Revenues received by an electric 85144  
distribution utility for providing electric distribution service 85145  
shall not, directly or indirectly, subsidize investments in the 85146  
ownership or operation of electric vehicle charging stations, 85147  
except as part of a program approved by the public utilities 85148  
commission consistent with sections 4933.51 to 4933.59 of the 85149  
Revised Code. 85150

Sec. 4933.57. Nothing in sections 4933.51 to 4933.59 of 85151  
the Revised Code prohibits an electric distribution utility from 85152  
recovering the costs of make-ready infrastructure through rates 85153  
or charges authorized under the electric distribution utility's 85154  
distribution rate case under section 4909.18 of the Revised 85155  
Code, so long as such subsidies for make-ready infrastructure 85156  
are offered to electric vehicle charging providers on a 85157  
nondiscriminatory basis. 85158

Sec. 4933.59. Nothing in sections 4933.51 to 4933.59 of 85159  
the Revised Code shall be construed to prohibit an electric 85160  
distribution utility from operating, leasing, installing, or 85161  
otherwise procuring service from an electric vehicle charging 85162  
station on its own premises for the sole purpose of serving its 85163  
own electric vehicles. 85164

**Sec. 5101.101.** (A) This section establishes the order of 85165  
priority to be followed by the department of job and family 85166  
services when distributing funds for the purpose of providing 85167  
family planning services, including funds the department 85168  
receives through Title XX of the "Social Security Act," 88 Stat. 85169

85182  
85183

(2) If any funds remain after the department distributes funds to public entities under division (B) (1) of this section, the department may distribute funds to nonpublic entities. If funds are distributed to nonpublic entities, the department shall distribute the funds in the following order of descending priority: 85184  
85185  
85186  
85187  
85188  
85189

(a) Nonpublic entities that are federally qualified health centers or federally qualified health center look-alikes, both as defined in section 3701.047 of the Revised Code, or community action agencies, as defined in section ~~122.66~~ 5101.311 of the Revised Code; 85190

85199  
85200

**Sec. 5101.211.** The director of job and family services or the director of children and youth may provide for a grant 85201  
85202

before the last day of that July. 85207

(B) The board of county commissioners requests the 85208  
retroactive effective date and provides the director good cause 85209  
satisfactory to the director for the reason the agreement was 85210  
not entered into on or before the first day of that July. 85211

**Sec. 5101.212.** The department of job and family services 85212  
or the director of children and youth shall publish in a manner 85213  
accessible to the public all of the following that concern 85214  
family services duties for which grants included in grant 85215

**Sec. 5104.34.** (A) (1) Each county department of job and 87798

determinations of eligibility for publicly funded child care. 87800  
Under those procedures, the eligibility determination for each 87801  
applicant shall be made no later than thirty calendar days from 87802  
the date the county department receives a completed application 87803  
for publicly funded child care. Each applicant shall be notified 87804  
promptly of the results of the eligibility determination. An 87805  
applicant aggrieved by a decision or delay in making an 87806  
eligibility determination may appeal the decision or delay to 87807

the department of children and youth in accordance with section 87808

To the extent permitted by federal law, the county 87811

organization for eligibility determinations or for the 87823  
collection of information, the contract shall require the 87824  
provider or resource and referral service organization to make 87825  
each eligibility determination no later than thirty calendar 87826  
days from the date the provider or resource and referral 87827  
organization receives a completed application that is the basis 87828  
of the determination and to collect and transmit all necessary 87829  
information to the county department within a period of time 87830  
that enables the county department to make each eligibility 87831  
determination no later than thirty days after the filing of the 87832  
application that is the basis of the determination. 87833

The county department may station employees of the 87834  
department in various locations throughout the county to collect 87835  
information relevant to applications for publicly funded child 87836  
care and to make eligibility determinations. The county 87837  
department, child care provider, and child care resource and 87838

referral service organization shall make each determination of 87839  
eligibility for publicly funded child care no later than thirty 87840  
days after the filing of the application that is the basis of 87841  
the determination, shall make each determination in accordance 87842  
with any relevant rules adopted pursuant to section 5104.38 of 87843

of the applicant's eligibility. 87846

The director of children and youth shall adopt rules in 87847  
accordance with Chapter 119. of the Revised Code for monitoring 87848  
the eligibility determination process. In accordance with those 87849  
rules, the state department shall monitor eligibility 87850  
determinations made by county departments of job and family 87851  
services and shall direct any entity that is not in compliance 87852  
with this division or any rule adopted under this division to 87853  
implement corrective action specified by the department. 87854

(2) (a) All eligibility determinations for publicly funded 87855  
child care shall be made in accordance with rules adopted 87856  
pursuant to division (A) of section 5104.38 of the Revised Code. 87857  
Except as otherwise provided in this section, all of the 87858  
following apply: 87859

(i) Publicly funded child care may be provided only to 87860  
eligible infants, toddlers, preschool-age children, school-age 87861  
children under age thirteen, or children receiving special needs 87862  
child care. 87863

(ii) For an applicant to be eligible for publicly funded 87864  
child care, the caretaker parent must be employed or 87865  
participating in a program of education or training for an 87866  
amount of time reasonably related to the time that the parent's 87867  
children are receiving publicly funded child care. This 87868

restriction does not apply to families whose children are 87869  
eligible for protective child care. 87870

(iii) The eligibility period for publicly funded child 87871  
care shall be at least twelve months. 87872

~~(b) In accordance with rules adopted under division (B) of 87873  
section 5104.38 of the Revised Code, an applicant may receive 87874  
publicly funded child care while the county department 87875  
determines eligibility. An applicant may receive publicly funded 87876  
child care while a county department determines eligibility only 87877  
once during a twelve-month period. If the county department 87878  
determines that an applicant is not eligible for publicly funded 87879  
child care, the child care provider shall be paid for providing 87880  
publicly funded child care for up to five days after that 87881  
determination if the county department received a completed 87882  
application with all required documentation. A program may 87883  
appeal a denial of payment under this division. 87884~~

~~(e) If a caretaker parent who has been determined eligible 87885  
to receive publicly funded child care no longer meets the 87886  
requirements of division (A) (2) (a) (ii) of this section, the 87887  
caretaker parent may continue to receive publicly funded child 87888  
care for a period of at least three but not more than four 87889  
months not to extend beyond the caretaker parent's eligibility 87890  
period. 87891~~

~~(d) (c) If a child turns thirteen, or if a child receiving 87892  
special needs child care turns eighteen, during the eligibility 87893  
period, the caretaker parent may continue to receive publicly 87894  
funded child care until the end of that eligibility period. 87895~~

Subject to available funds, the department of children and 87896  
youth shall allow a family to receive publicly funded child care 87897

unless the family's income exceeds the maximum income 87898  
eligibility limit. Initial and continued eligibility for 87899  
publicly funded child care is subject to available funds unless 87900  
the family is receiving child care pursuant to division (A) (1), 87901  
(2), (3), or (4) of section 5104.30 of the Revised Code. If the 87902  
department must limit eligibility due to lack of available 87903  
funds, it shall give first priority for publicly funded child 87904  
care to an assistance group whose income is not more than the 87905  
maximum income eligibility limit that received transitional 87906  
child care in the previous month but is no longer eligible 87907  
because the eligibility period has expired. Such an assistance 87908  
group shall continue to receive priority for publicly funded 87909  
child care until its income exceeds the maximum income 87910  
eligibility limit. 87911

(3) An assistance group that ceases to participate in the 87912  
Ohio works first program established under Chapter 5107. of the 87913  
Revised Code is eligible for transitional child care at any time 87914  
during the immediately following twelve-month period that both 87915  
of the following apply: 87916

(a) The assistance group requires child care due to 87917  
employment; 87918

(b) The assistance group's income is not more than one 87919  
hundred fifty per cent of the federal poverty line. 87920

An assistance group ineligible to participate in the Ohio 87921  
works first program pursuant to section 5101.83 or section 87922  
5107.16 of the Revised Code is not eligible for transitional 87923  
child care. 87924

(B) To the extent permitted by federal law, the department 87925  
of children and youth may require a caretaker parent determined 87926

to be eligible for publicly funded child care to pay a fee 87927  
according to the schedule of fees established in rules adopted 87928  
under section 5104.38 of the Revised Code. The department shall 87929  
make protective child care services and homeless child care 87930  
services available to children without regard to the income or 87931  
assets of the caretaker parent of the child. 87932

(C) A caretaker parent receiving publicly funded child 87933  
care shall report to the entity that determined eligibility any 87934  
changes in status with respect to employment or participation in 87935  
a program of education or training not later than ten calendar 87936  
days after the change occurs. 87937

(D) If the department of children and youth determines 87938  
that available resources are not sufficient to provide publicly 87939  
funded child care to all eligible families who request it, the 87940  
department may establish a waiting list. The department may 87941  
establish separate waiting lists within the waiting list based 87942  
on income. 87943

(E) A caretaker parent shall not receive publicly funded 87944  
child care from more than one child care provider per child 87945  
during a week, unless a county department grants the family an 87946  
exemption for one of the following reasons: 87947

(1) The child needs additional care during non-traditional 87948  
hours; 87949

(2) The child needs to change providers in the middle of 87950  
the week and the hours of care provided by the providers do not 87951  
overlap; 87952

(3) The child's provider is closed on scheduled school 87953  
days off or on calamity days. 87954

(F) As used in this section, "maximum income eligibility 87955

limit" means the amount of income specified in rules adopted 87956  
under division (A) of section 5104.38 of the Revised Code. 87957

(2) Except as provided in division (B) (4) of this section, 91109  
beginning October 1, 2025, an applicant seeking to renew 91110  
certification of certifiable services and supports shall be 91111  
accredited by one or more national accrediting organizations 91112  
specified in division (B) (3) of this section for certifiable 91113  
services and supports for which national accreditation exists 91114  
for such services and supports or equivalent services and 91115

(d) Any other national accrediting organization the 91125

(4) The accreditation requirements of divisions (B) (1) and 91127  
(2) of this section do not apply to an applicant seeking an 91128  
initial or renewed certification to provide prevention services, 91129  
as that term is defined in rules adopted under this section. For 91130  
such applicants, accreditation is optional. 91131

~~(C) In addition to meeting the accreditation standard set 91132

only if both of the following are the case, as determined by the 91136  
director:— 91137~~

~~(1) The applicant has adequate staff and equipment to 91138  
provide the certifiable services and supports;— 91139~~

~~(2) The department has not been notified under section 91140  
5119.367 of the Revised Code or is not otherwise aware that the 91141

accreditation of certifiable services and supports is current 91149  
and appropriate for the services and supports for which the 91150  
applicant is seeking initial or renewed certification, ~~that the 91151  
applicant meets the requirements of division (C) of this 91152  
section,~~ and that the applicant meets any other requirements 91153~~

established by this section or rules adopted under it, the 91154  
director shall certify the services and supports or renew the 91155  
certification of the services and supports, as applicable. 91156  
Except as provided in division ~~(J)~~(I) of this section, the 91157  
director shall issue or renew the certification without further 91158  
evaluation of the services and supports. 91159

(2) Prior to October 1, 2025, if an applicant that seeks 91160

not accredited to provide those services and supports by one or 91162  
more national accrediting organizations specified in division 91163  
(B)(3) of this section, the director shall conduct an evaluation 91164  
of the applicant to determine whether the applicant's 91165  
certifiable services and supports satisfy the standards for 91166  
certification. The evaluation is in addition to any on-site 91167  
review conducted under division (A) of this section and shall be 91168  
performed in cooperation with a board of alcohol, drug 91169  
addiction, and mental health services that seeks to contract or 91170  
has a contract with the applicant under section 340.036 of the 91171  
Revised Code. If the director determines that an applicant has 91172  
paid any required certification fee, that the applicant's 91173  
certifiable services and supports satisfy the standards for 91174  
renewed certification, ~~that the applicant meets the requirements~~ 91175  
~~of division (C) of this section,~~ and that the applicant meets 91176  
any other requirements established by this section or the rules 91177  
adopted under it, the director shall certify the certifiable 91178

organization any identified concerns, trends, needs, and 91189  
recommendations. 91190

(2) The director shall require a community mental health 91191  
services provider and a community addiction services provider to 91192  
notify the director not later than ten days after any change in 91193  
the provider's accreditation status. The provider may notify the 91194

provider received from the accrediting organization. 91196

~~(F)~~(E) The director may require a community mental health 91197

(3) The applicant or holder has been found to be in 91210  
violation of section 5119.396 of the Revised Code; 91211

(5) The applicant does not have adequate staff and equipment to provide the certifiable services and supports. 91215  
91216

(6) The department has been notified under section 5119.367 of the Revised Code or is otherwise aware that the applicant, any owner or principal of the applicant, or any subsidiary of the applicant or owner has been the subject of an adverse action, as defined in that section, taken during the three-year period immediately preceding the date of notification or date of becoming aware of the adverse action. 91217

serving the alcohol, drug addiction, and mental health service 91251  
district in which the certifiable services and supports will be 91252  
or were provided, and provide the board opportunity to respond 91253  
as specified in division (A) of this section with respect to 91254  
initial or renewal applications. 91255

When a final order is issued by the director under 91256

the appropriate board of alcohol, drug addiction, and mental 91258  
health services reallocate any funds for the certifiable 91259  
services and supports the applicant was to provide to a 91260  
community mental health services provider or community addiction 91261  
services provider whose certifiable services and supports 91262

funds in a reasonable period of time, the director may withhold 91264  
state and federal funds for the certifiable services and 91265  
supports and allocate those funds directly to a community mental 91266  
health services provider or community addiction services 91267  
provider whose certifiable services and supports satisfy the 91268  
standards. 91269

~~(K)~~(J) Each applicant seeking initial or renewed 91270  
certification of its certifiable services and supports shall pay 91271

a fee for the certification required by this section, unless the applicant is exempt under rules adopted under this section. Fees shall be paid into the state treasury to the credit of the sale of goods and services fund created pursuant to section 5119.45 of the Revised Code.

review or otherwise evaluating a community mental health 91346  
services provider or community addiction services provider under 91347  
division ~~(I)~~(H) of this section, may take any range of 91348  
correction actions, including revocation of the provider's 91349

~~(M)~~ ~~(1)~~ (L) (1) The director may issue an order suspending 91351

a community addiction services provider that provides overnight 91362  
accommodations are governed by Chapter 119. of the Revised Code. 91363

(b) If a suspension of admissions is proposed because the 91364  
director has determined that the provider has demonstrated a 91365  
pattern of serious noncompliance or that a violation creates a 91366  
substantial risk to the health and safety of patients, the 91367  
director may issue an order suspending admissions before 91368  
providing an opportunity for an adjudication under Chapter 119. 91369

corrected. 91373

(3) Appeals from proceedings initiated to order the 91374  
suspension of admissions shall be conducted in accordance with 91375  
Chapter 119. of the Revised Code, unless the order was issued 91376

(a) The provider may request a hearing not later than ten 91379  
days after being served in accordance with sections 119.05 and 91380  
119.07 of the Revised Code. 91381

(b) If a timely request for a hearing that includes the 91382

(c) After commencing, the hearing shall continue 91386  
uninterrupted, except for Saturdays, Sundays, and legal 91387  
holidays, unless other interruptions are agreed to by the 91388  
provider and the director. 91389

(d) If the hearing is conducted by a hearing examiner, the 91390  
hearing examiner shall file a report and recommendations with 91391  
the department not later than ten days after the last of the 91392  
following: 91393

(ii) If a transcript of the proceedings is ordered, the 91395  
hearing examiner receives the transcript; 91396

examiner receives the briefs. 91398

(e) The hearing examiner shall send a written copy of the 91399  
report and recommendations, by certified mail, to the provider, 91400  
or the provider's attorney, if applicable, not later than five 91401

an order approving, modifying, or disapproving the report and 91408  
recommendations. 91409

(h) Notwithstanding the pendency of the hearing, the 91410  
department shall lift the order for the suspension of admissions 91411  
if the department determines the violation that formed the basis 91412

for the order has been corrected. 91413

~~(N)~~ (1) (M) (1) In a proceeding initiated to suspend 91414  
admissions to a community addiction services provider that 91415  
provides overnight accommodations, to deny an application for 91416  
certification of certifiable services and supports, to refuse to 91417  
renew certification, or to revoke certification, the department 91418  
may order the suspension, denial, refusal, or revocation 91419  
regardless of whether some or all of the deficiencies that 91420  
prompted the proceedings have been corrected at the time of the 91421  
hearing. 91422

(2) When the department issues an order suspending 91423

expiration of the declaration, the provider applies for issuance 91949  
of a license due to relocation, the department shall not 91950  
consider the requirement of division (C) (4) of section 5119.37 91951

(3) Specify any circumstances, in addition to 92297  
circumstances listed in division (B) of this section, under 92298

are not required to be made. 92300

**Sec. 5119.41.** (A) The department of ~~mental behavioral~~ 92301  
~~health and addiction services~~ shall implement the residential 92302  
state supplement program under which the state supplements the 92303  
amounts received by aged, blind, or disabled adults as 92304  
supplemental security income payments under Title XVI of the 92305  
"Social Security Act," 42 U.S.C. 1381 et seq., or as social 92306  
security benefits or social security disability insurance 92307  
benefits under Title II of the "Social Security Act," 42 U.S.C. 92308  
401 et seq. Residential state supplement payments shall be used 92309  
for the provision of accommodations, supervision, and personal 92310  
care services to recipients of supplemental security income 92311  
payments, social security benefits, and social security 92312

disability insurance benefits who the department determines are 92313  
at risk of needing institutional care. 92314

In implementing the program, the department may designate 92315  
one or more entities to be responsible for providing 92316  
administrative services regarding the program. The department 92317  
may designate an entity either by entering into a contract with 92318  
the entity to ~~provided~~ provide the services or by otherwise 92319  
delegating to the entity the responsibility to provide the 92320  
services. 92321

(B) To be eligible for residential state supplement 92322  
payments, an individual must satisfy all eligibility 92323  
requirements established by rules adopted under this section. 92324

(C) The director of ~~mental behavioral health and addiction~~ 92325

adopted in accordance with Chapter 119. of the Revised Code. 92330

The rules adopted by the director of ~~mental behavioral~~ 92331  
~~health and addiction services~~ may establish the method to be 92332  
used to determine the payment an eligible individual will 92333  
receive under the program. The amount the general assembly 92334  
appropriates for the program may be a factor included in the 92335  
method that director establishes. 92336

To the extent permitted by Title XVI of the "Social 92337  
Security Act" and any other provision of federal law, the rules 92338  
adopted by the medicaid director may establish standards for 92339  
adjusting the eligibility requirements concerning the level of 92340  
impairment an individual must have so that the amount 92341

appropriated for the program by the general assembly is adequate 92342  
for the number of eligible individuals. The rules shall not 92343  
limit the eligibility of individuals who are disabled solely on 92344  
a basis classifying disabilities as physical or mental. 92345

(D) The county department of job and family services of 92346  
the county in which an applicant for the residential state 92347  
supplement program resides or the department of medicaid shall 92348

requirements for the program. 92350

The county department of job and family services or the 92351  
department of medicaid shall notify each individual who is 92352  
denied approval for payments under the program of the 92353  
individual's right to a hearing. On request, the hearing shall 92354  
be provided in accordance with section 5101.35 of the Revised 92355  
Code. 92356

(E) An individual in a licensed or certified living 92357  
arrangement receiving state supplementation on November 15, 92358  
1990, under former section 5101.531 of the Revised Code shall 92359  
not become ineligible for payments under this program solely by 92360  
reason of the individual's living arrangement as long as the 92361  
individual remains in the living arrangement in which the 92362  
individual resided on November 15, 1990. 92363

**Sec. 5119.42.** (A) As used in this section, "private, 92364  
nonprofit organization" means a private association, 92365  
organization, corporation, or other entity that is tax exempt 92366  
under section 501(a) and described in section 501(c) of the 92367  
"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 501. 92368

(B) To the extent funds are available and on application 92369  
by boards of alcohol, drug addiction, and mental health 92370

~~services~~ may approve state reimbursement of, or state grants 92372  
for, community construction programs including residential 92373  
housing for persons with severe mental disabilities and persons 92374  
with substance use disorders. The director may also approve an 92375  
application for reimbursement or a grant for such programs 92376  
submitted by other governmental entities or by private, 92377  
nonprofit organizations, after the application has been reviewed 92378  
and recommended for approval or disapproval by the board of 92379  
alcohol, drug addiction, and mental health services for the 92380  
district from which the application came, and the application is 92381  
consistent with the board's approved community addiction and 92382  
mental health plan submitted under division (A) of section 92383  
340.03 of the Revised Code and the board's approved budget and 92384  
list of addiction services, mental health services, and recovery 92385  
supports submitted under divisions (A) and (B) of section 340.08 92386  
of the Revised Code. 92387

(C) (1) The director of ~~mental behavioral health and~~ 92388  
~~addiction services~~ shall adopt rules in accordance with Chapter 92389  
119. of the Revised Code that specify procedures for applying 92390  
for state reimbursement of and state grants for community 92391  
construction programs, including residential housing for persons 92392  
with severe mental disabilities and persons with substance use 92393  
disorders and procedures and criteria for approval of such 92394  
reimbursement and grants. 92395

(2) The director of ~~mental behavioral health and addiction~~ 92396  
~~services~~ shall not approve state reimbursement or a state grant 92397  
unless all of the following conditions are met: 92398

(a) The applicant includes with the application a plan 92399  
specifying the services, in addition to housing, that will be 92400

provided to persons who will reside in the residential housing. 92401  
Services specified may include any of the services described in 92402  
section 340.09 of the Revised Code. 92403

(b) The director is satisfied that the residential housing 92404  
for persons with severe mental disabilities will be developed to 92405  
promote the maximum practical integration of persons with severe 92406  
mental disabilities with persons at the same site who do not 92407  
have severe mental disabilities. 92408

(c) The use of any funds distributed pursuant to the 92409  
reimbursement or grant will not subject any obligation from 92410  
which the funds are derived to federal income taxation. 92411

(3) The director may enter into an agreement establishing 92412  
terms for any reimbursement or grant approved under this 92413  
division with the organization, board, or other government 92414  
entity that is the recipient of the reimbursement or grant. Any 92415  
such agreement is subject to any covenant or agreement 92416  
pertaining to any obligation issued to provide funds for the 92417  
reimbursement or grant. 92418

**Sec. 5119.421.** (A) This section applies to a board of 92419  
alcohol, drug addiction, and mental health services, another 92420  
governmental entity, or a private, nonprofit organization that 92421  
received a grant or reimbursement under section 5119.42 of the 92422  
Revised Code for a facility on which the department of ~~mental-~~ 92423  
behavioral health and addiction services holds a security 92424  
interest. 92425

(B) A board of alcohol, drug addiction, and mental health 92426  
services, another governmental entity, or a private, nonprofit 92427  
organization to which this section applies may apply to the 92428  
director of ~~mental-~~behavioral health and addiction services for 92429

approval to sell its facility and acquire, construct, or 92430  
renovate a replacement facility pursuant to this section. The 92431  
director shall prescribe the form of the application. Before 92432  
submitting an application to the director, a governmental entity 92433  
or private, nonprofit organization must obtain approval of the 92434  
application from the board of alcohol, drug addiction, and 92435  
mental health services with jurisdiction over the service 92436  
district in which the existing facility is located. The director 92437  
shall approve an application for a replacement project upon 92438  
determining that the project provides for the continuation of 92439  
appropriate mental health and addiction services to the 92440  
population served by the board, entity, or organization. 92441

(C) A board, entity, or organization that obtains approval 92442  
for a project under division (B) of this section shall pay the 92443  
proceeds of the sale of its facility to the director of ~~mental-~~ 92444  
behavioral health and addiction services. The director shall 92445  
deposit the proceeds to the credit of the community capital 92446  
replacement facilities fund. 92447

(D) When a board, entity, or organization that has sold 92448  
its facility notifies the director of ~~mental-~~behavioral health 92449  
~~and addiction services~~ that it is ready to acquire, construct, 92450  
or renovate a replacement facility, the director shall do one of 92451  
the following: 92452

(1) If the replacement facility is located in the same 92453  
alcohol, drug addiction, and mental health service district as 92454  
the original facility, and if the purposes for which the 92455  
replacement facility will be used are the same as or similar to 92456  
those for the original facility, the director shall pay to the 92457  
board, entity, or organization from the community capital 92458  
replacement facilities fund an amount equal to the lesser of an 92459

amount equal to the proceeds of the sale of the original 92460  
facility or the amount of the state's agreed-upon participation 92461  
(as a per cent of the total cost) in the cost of the replacement 92462  
facility. If the amount of the state's agreed-upon participation 92463  
in the cost of the replacement facility is less than the value 92464  
of the state's security interest in the original facility, the 92465  
difference between the state's agreed-upon participation in the 92466  
cost of the replacement facility and the value of the state's 92467  
security interest in the original facility shall be retained in 92468  
the community capital replacement facilities fund, and any 92469  
excess proceeds shall be paid to the board, entity, or 92470  
organization. 92471

(2) If the replacement facility is located in a different 92472  
alcohol, drug addiction, and mental health service district than 92473  
the original facility, or if the purposes for which the 92474  
replacement facility will be used are not the same as or similar 92475  
to those for the original facility, the director shall request 92476  
controlling board approval for release of funds for the project. 92477  
If the controlling board so approves, the director shall pay to 92478  
the board, entity, or organization from the community capital 92479  
replacement facilities fund the lesser of an amount equal to the 92480  
proceeds of the sale of the original facility or the amount of 92481  
the state's agreed-upon participation (as a per cent of the 92482  
total cost) in the cost of the replacement facility. If the 92483  
amount of the state's agreed-upon participation in the cost of 92484  
the replacement facility is less than the value of the state's 92485  
security interest in the original facility, the difference 92486  
between the state's agreed-upon participation in the cost of the 92487  
replacement facility and the value of the state's security 92488  
interest in the original facility shall be retained in the 92489  
community capital replacement facilities fund, and any excess 92490

proceeds shall be paid to the board, entity, or organization. 92491

(E) The director of ~~mental-behavioral health and addiction services~~ and a board, entity, or organization shall enter into 92492  
an agreement specifying the terms of any payment made to the 92493  
board, entity, or organization under division (D) of this 92494  
section. The terms may include provision for the department of 92495  
~~mental-behavioral health and addiction services~~ to hold a 92496  
security interest in the facility. 92497  
92498

(F) (1) When approving an application under division (B) of 92499  
this section, the director of ~~mental-behavioral health and~~ 92500  
~~addiction services~~ shall establish a deadline by which the 92501  
board, entity, or organization must notify the director that it 92502  
is ready to acquire, construct, or renovate a replacement 92503  
facility. If the board, entity, or organization does not notify 92504  
the director on or before the deadline, the director may cancel 92505  
the project. Upon canceling the project, the director shall pay 92506  
to the board, entity, or organization from the community capital 92507  
replacement facilities fund an amount equal to the portion of 92508  
the proceeds of the sale of the original facility that exceeds 92509  
the value of the state's security interest in the facility. 92510

(2) Notwithstanding the deadline established under 92511  
division (F) (1) of this section, if at any time a board, entity, 92512  
or organization notifies the director that it does not intend to 92513  
acquire, construct, or renovate a replacement facility under 92514  
this section, the director shall cancel the replacement project 92515  
and pay to the board, entity, or organization from the community 92516  
capital replacement facilities fund an amount equal to the 92517  
portion of the proceeds of the sale of the original facility 92518  
that exceeds the value of the state's security interest in the 92519  
facility. 92520

(G) If a replacement project is canceled after the sale of the original facility, the director of ~~mental-behavioral health and addiction services~~ shall use funds equal to the value of the state's security interest in the original facility for additional grants or reimbursements under section 5119.42 of the Revised Code. The director shall obtain the approval of the controlling board before releasing the additional grants or reimbursements.

(H) The community capital replacement facilities fund is hereby created in the state treasury. The director of ~~mental-behavioral health and addiction services~~ shall use the fund for the purposes of this section.

**Sec. 5119.43.** (A) The director of ~~mental-behavioral health and addiction services~~ may enter into agreements with any person, political subdivision, or state agency for the sale or lease of land or facilities under the jurisdiction of the director of ~~mental-behavioral health and addiction services~~ in the following manner:

(1) The director of ~~mental-behavioral health and addiction services~~ shall designate lands and facilities that are not needed by the department of ~~mental-behavioral health and addiction services~~ and are under the jurisdiction of the department.

(2) The director of ~~mental-behavioral health and addiction services~~ shall have a preliminary appraisal made of any lands or facilities designated under division (A) (1) of this section by a disinterested professional appraiser from the department of administrative services. The appraiser shall deliver to the director of ~~mental-behavioral health and addiction services~~ a signed certificate of the probable market value of the lands and

facilities as determined from the preliminary appraisal. 92551

(3) The director of ~~mental-behavioral health and addiction~~ 92552  
~~services~~ shall certify to the clerk of the house of 92553  
representatives and to the clerk of the senate a list of all 92554  
lands and facilities which may be sold or leased, and shall 92555  
include with the list the results of the preliminary appraisals 92556  
of the lands and facilities, a general description of the land 92557  
and facilities, and a description of the current use of the land 92558  
and facilities. 92559

(4) Every list of lands and facilities certified by the 92560  
director of ~~mental-behavioral health and addiction services~~ to 92561  
the clerk of the house of representatives and to the clerk of 92562  
the senate under division (A) (3) of this section, shall 92563  
immediately be transmitted by the respective clerks to the 92564  
committees in the house and the senate to which land conveyance 92565  
bills are usually referred. If either committee files in its 92566  
clerk's office, within sixty calendar days of the original 92567  
certification of the lands and facilities by the director of 92568  
~~mental-behavioral health and addiction services~~, a report 92569  
disapproving the sale or lease of any lands or facilities, the 92570  
sale or lease of the lands or facilities disapproved in the 92571  
report shall not be made under this section. With respect to a 92572  
sale or lease of lands and facilities that has not been 92573  
disapproved under this division, the director of ~~mental-~~ 92574  
~~behavioral health and addiction services~~ shall certify those 92575  
lands and facilities to the director of administrative services. 92576

(5) After certification to the director of administrative 92577  
services under division (A) (4) of this section, the director of 92578  
~~mental-behavioral health and addiction services~~ shall have a 92579  
formal appraisal made of the lands and facilities by a 92580

disinterested professional appraiser from the department of 92581  
administrative services. The director of ~~mental-behavioral~~ 92582  
~~health and addiction services~~ may accept the formal appraisal or 92583  
may reject it and order a new formal appraisal by a 92584  
disinterested professional appraiser who shall not be from the 92585  
department of administrative services. The director of ~~mental-~~ 92586  
~~behavioral~~ ~~health and addiction services~~ may then sell or lease 92587  
the lands or facilities in accordance with this division and 92588  
department of administrative services procedures as set forth in 92589  
Chapter 123. of the Revised Code. Any such deed or lease shall 92590  
be prepared and recorded pursuant to section 5301.13 of the 92591  
Revised Code. The department of administrative services shall be 92592  
the sole agent for the state and shall complete the sale or 92593  
lease of the lands or facilities, up to and including the 92594  
closing thereof, after the director of ~~mental-behavioral~~ ~~health~~ 92595  
~~and addiction services~~ approves the sale price. The director of 92596  
~~mental-behavioral~~ ~~health and addiction services~~ and the director 92597  
of administrative services may, if it is determined to be in the 92598  
best interests of the state, agree to sell surplus land for an 92599  
amount less than the formal appraised value but shall not sell 92600  
any land for less than two-thirds of the formal appraised value. 92601

(B) Coincident with the certification made under division 92602  
(A) (3) of this section concerning lands which may be sold, the 92603  
director of ~~mental-behavioral~~ ~~health and addiction services~~ 92604  
shall give written notice of intention to sell the lands by 92605  
certified mail to the executive officer of each county, 92606  
township, municipal corporation, and school district within 92607  
which the lands are situated. In each notice, the director of 92608  
~~mental-behavioral~~ ~~health and addiction services~~ shall specify 92609  
the conditions under which the lands shall be sold, including 92610  
whether the lands will be sold as a single unit or sold in 92611

specific parcels that the director designates, and shall solicit 92612  
from the subdivision offers to purchase the lands in accordance 92613  
with the conditions the director of ~~mental-behavioral health and~~ 92614  
~~addiction services~~ has specified and at a price equal to the 92615  
preliminary appraised value determined pursuant to division (A) 92616  
(2) of this section. If, within thirty days of having certified 92617  
the lands to the director of administrative services under 92618  
division (A)(4) of this section, the director of ~~mental-~~ 92619  
~~behavioral health and addiction services~~ receives from the 92620  
executive officer of a subdivision a written offer to purchase 92621  
the lands at or above the price specified in the original notice 92622  
from the director of ~~mental-behavioral health and addiction-~~ 92623  
~~services~~ to the officer, provided such offer otherwise complies 92624  
with the conditions of purchase specified in the original notice 92625  
from the director of ~~mental-behavioral health and addiction-~~ 92626  
~~services~~, the director of ~~mental-behavioral health and addiction~~ 92627  
~~services~~ shall forthwith enter into an agreement to sell the 92628  
lands to the subdivision. The agreement shall incorporate any 92629  
and all terms that are acceptable to both parties and that are 92630  
consistent with the terms specified in the original notice from 92631  
the director of ~~mental-behavioral health and addiction services.~~ 92632  
If no offer to purchase is received by the director of ~~mental-~~ 92633  
~~behavioral health and addiction services~~ within the thirty-day 92634  
period provided in this division, the original notice from the 92635  
director of ~~mental-behavioral health and addiction services-~~ 92636  
shall be considered withdrawn and the director of ~~mental-~~ 92637  
~~behavioral health and addiction services~~ shall be under no 92638  
obligation to sell any of the lands specified in the notice to 92639  
the subdivision. If two or more offers to purchase the same 92640  
parcels of land are received by the director of ~~mental-~~ 92641  
~~behavioral health and addiction services~~ within the required 92642  
time period from the executive officers of two or more 92643

subdivisions, the director of ~~mental-behavioral health and~~ 92644  
~~addiction services~~ shall accept the offer or offers to purchase 92645  
that the director considers to be in the best interests of the 92646  
state and of the department of ~~mental-behavioral health and~~ 92647  
~~addiction services~~ and shall proceed to enter into agreements of 92648  
sale pursuant to this division. If all of the original notices 92649  
from the director of ~~mental-behavioral health and addiction~~ 92650  
~~services~~ relating to a given parcel of land become withdrawn, 92651  
the director of ~~mental-behavioral health and addiction services~~ 92652  
may thereupon proceed to sell the parcel as otherwise provided 92653  
in this section. No subdivision may commence an action to 92654  
enforce the provisions of this division, or to seek any other 92655  
legal or equitable remedy relative to this division, with 92656  
respect to any lands certified to the director of administrative 92657  
services under division (A) (4) of this section, except within 92658  
sixty days of the date on which the lands were so certified. 92659

(C) Any agreement under this section shall be at such 92660  
terms as will be in the best interests of the state and the 92661  
department of ~~mental-behavioral health and addiction services~~. 92662  
However, the terms of any agreement for sale shall include a 92663  
provision that the purchaser will abide by any comprehensive 92664  
plan for the area that has been adopted by the local government 92665  
in which the property is located before the parties enter into 92666  
the agreement. No lease shall be of a duration greater than 92667  
fifteen years. No agreement, except an agreement entered into 92668  
under division (B) of this section, shall be entered into before 92669  
the proposal to sell or lease the land or facilities has been 92670  
advertised once each week for four weeks in a newspaper of 92671  
general circulation in every county in which the lands or 92672  
facilities are located and if the preliminary appraised value of 92673  
the land to be sold or leased is more than one hundred thousand 92674

dollars, advertisement shall be made once each week for four 92675  
weeks in at least two newspapers in the state having a daily 92676  
circulation of one hundred thousand or more. If a city in this 92677  
state is served by more than one newspaper having a circulation 92678  
of one hundred thousand or more, advertisement may be made in 92679  
only one of the newspapers serving the city. 92680

(D) Each deed or lease prepared and recorded pursuant to 92681  
this section shall contain a recital stating that all provisions 92682  
of this section have been complied with. The recital shall be 92683  
considered binding and conclusive against all subdivisions of 92684  
the state provided no action has been commenced pursuant to 92685  
division (B) of this section. Any deed or lease containing such 92686  
a recital shall be conclusively presumed to have been executed 92687  
in compliance with this section insofar as title or other 92688  
interest of any bona fide purchasers, lessees, or transferees of 92689  
the property is concerned. 92690

(E) Nothing in this section shall be construed as 92691  
establishing a precedent for the disposal of state lands and 92692  
facilities by other departments of the state. 92693

**Sec. 5119.431.** When it is necessary for a state 92694

shall include a written report containing the diagnosis, 94291  
prognosis, past treatment, a list of alternative treatment 94292  
settings and plans, and identification of the treatment setting 94293  
that is the least restrictive consistent with treatment needs. 94294  
The attorney the board designates or the prosecutor shall file 94295  
the written report at least three days prior to the full 94296

hearing. A copy of the application and written report shall be 94297  
provided to the respondent's counsel immediately. 94298

The court shall hold a full hearing on applications for 94299  
continued commitment at the expiration of the first ninety-day 94300  
period and at least every two years after the expiration of the 94301  
first ninety-day period. 94302

Hearings following any application for continued 94303  
commitment are mandatory and may not be waived. 94304

For a respondent who is ordered to receive treatment in an 94305  
outpatient setting, if at any time after the first ninety-day 94306  
period the entity or person to whom the respondent was ordered 94307  
determines that the respondent has demonstrated voluntary 94308  
consent for treatment, that entity or person shall immediately 94309  
notify the respondent, the respondent's counsel, the attorney 94310  
designated by the board, and the court. The entity or person 94311  
shall submit to the court a report of the findings and 94312  
recommendations. The court may dismiss the case upon review of 94313  
the facts. 94314

Upon request of a person who is involuntarily committed 94315  
under this section, or the person's counsel, that is made more 94316  
than one hundred eighty days after the person's last full 94317  
hearing, mandatory or requested, the court shall hold a full 94318  
hearing on the person's continued commitment. Upon the 94319  
application of a person involuntarily committed under this 94320  
section, supported by an affidavit of a psychiatrist or licensed 94321  
clinical psychologist, alleging that the person no longer is a 94322  
person with a mental illness subject to court order, the court 94323  
for good cause shown may hold a full hearing on the person's 94324  
continued commitment prior to the expiration of one hundred 94325  
eighty days after the person's last full hearing. Section 94326

5122.12 of the Revised Code applies to all hearings on continued commitment. 94327  
94328

If the court, after a hearing for continued commitment 94329  
finds by clear and convincing evidence that the respondent is a 94330  
person with a mental illness subject to court order, the court 94331  
may order continued commitment at places or to persons specified 94332  
in division (C) of this section. 94333

(I) Unless the admission is pursuant to section 5120.17 or 94334  
5139.08 of the Revised Code, the chief clinical officer of the 94335  
entity admitting a respondent pursuant to a judicial proceeding, 94336  
within ten working days of the admission, shall make a report of 94337  
the admission to the board of alcohol, drug addiction, and 94338  
mental health services serving the respondent's county of 94339  
residence. 94340

(J) A referee appointed by the court may make all orders 94341  
that a judge may make under this section and sections 5122.11 94342  
and 5122.141 of the Revised Code, except an order of contempt of 94343  
court. The orders of a referee take effect immediately. Within 94344  
fourteen days of the making of an order by a referee, a party 94345  
may file written objections to the order with the court. The 94346  
filed objections shall be considered a motion, shall be 94347  
specific, and shall state their grounds with particularity. 94348  
Within ten days of the filing of the objections, a judge of the 94349  
court shall hold a hearing on the objections and may hear and 94350  
consider any testimony or other evidence relating to the 94351  
respondent's mental condition. At the conclusion of the hearing, 94352  
the judge may ratify, rescind, or modify the referee's order. 94353

(K) An order of the court under division (C), (H), or (J) 94354  
of this section is a final order. 94355

(L) Before a board, or a services provider the board designates, may place an unconsenting respondent in an inpatient setting from a less restrictive placement, the board or services provider shall do all of the following:

(1) Determine that the respondent is in immediate need of treatment in an inpatient setting because the respondent represents a substantial risk of physical harm to the respondent or others if allowed to remain in a less restrictive setting;

(2) On the day of placement in the inpatient setting or on the next court day, file with the court a motion for transfer to an inpatient setting or communicate to the court by telephone that the required motion has been mailed;

(3) Ensure that every reasonable and appropriate effort is made to take the respondent to the inpatient setting in the least conspicuous manner possible;

(4) Immediately notify the board's designated attorney and the respondent's attorney.

At the respondent's request, the court shall hold a hearing on the motion and make a determination pursuant to division (E) of this section within five days of the placement.

(M) Before a board, or a services provider the board designates, may move a respondent from one residential placement to another, the board or services provider shall consult with the respondent about the placement. If the respondent objects to the placement, the proposed placement and the need for it shall be reviewed by a qualified mental health professional who otherwise is not involved in the treatment of the respondent.

(N) The entity or person to whom the respondent was ordered for treatment in an outpatient setting may submit a

report to the court indicating that the respondent has either 94385  
failed to comply with the treatment plan or begun to demonstrate 94386  
signs of decompensation that may be grounds for hospitalization. 94387  
On receipt of the report, the court shall promptly schedule a 94388  
hearing to review the case. The court shall conduct the hearing 94389  
in a manner consistent with this chapter and due process of law. 94390  
The board shall receive notice of the hearing and the board and 94391  
entity or person treating the respondent shall submit a report 94392  
to the court with a plan for appropriate alternative treatment, 94393  
if any, or recommend that the court discontinue the court- 94394  
ordered treatment. The court shall consider available and 94395  
appropriate alternative placements but shall not impose criminal 94396  
sanctions that result in confinement in a jail or other local 94397  
correctional facility based on the respondent's failure to 94398  
comply with the treatment plan. The court may not order the 94399  
respondent to a more restrictive placement unless the criteria 94400  
specified in division (L) of this section are met and may not 94401  
order the respondent to an inpatient setting unless the court 94402  
determines by clear and convincing evidence presented by the 94403  
board that the respondent meets the criteria specified in 94404  
divisions (A) and (B) (1), (2), (3), or (4) of section 5122.01 of 94405  
the Revised Code. 94406

**Sec. 5122.20.** The director of ~~mental-behavioral~~ health and 94407  
~~addiction services~~ or the director's designee may transfer, or 94408  
authorize the transfer of, an involuntary patient, or a 94409  
consenting voluntary patient hospitalized pursuant to section 94410  
5122.02 or sections 5122.11 to 5122.15 of the Revised Code, from 94411  
one public hospital to another, or to a hospital, community 94412  
mental health services provider, or other facility offering 94413  
treatment or other services for mental illness, if the medical 94414  
director of the department of ~~mental-behavioral~~ health and 94415

~~addiction services~~ determines that it would be consistent with 94416  
the medical needs of the patient to do so. If such a transfer is 94417  
made to a private facility, the transfer shall be conditioned 94418  
upon the consent of the facility. 94419

Before an involuntary patient may be transferred to a more 94420  
restrictive setting, the chief clinical officer shall file a 94421  
motion with the court requesting the court to amend its order of 94422  
placement issued under section 5122.15 of the Revised Code. At 94423  
the patient's request, the court shall hold a hearing on the 94424  
motion at which the patient has the same rights as at a full 94425  
hearing under section 5122.15 of the Revised Code. The hearing 94426  
shall be held within ten days after the date on which the 94427  
respondent was transferred to the more restrictive setting or on 94428  
which the motion was filed, whichever is earlier. On the motion 94429  
of the respondent, the respondent's counsel, or the chief 94430  
clinical officer, or on its own motion, and for good cause 94431  
shown, the court may order a continuance of the hearing for up 94432  
to ten days. 94433

Whenever an involuntary patient is transferred, written 94434  
notice of the transfer shall be given to the patient's legal 94435  
guardian, parents, spouse, and counsel, or, if none is known, to 94436  
the patient's nearest known relative or friend. If the patient 94437  
is a minor, the department, before making such a transfer, shall 94438  
make a minute of the order for the transfer and the reason for 94439  
it upon its record and shall send a certified copy at least 94440  
seven days prior to the transfer to the person shown by its 94441  
record to have had the care or custody of the minor immediately 94442  
prior to the minor's commitment. Whenever a consenting voluntary 94443  
patient is transferred, the notification shall be given only at 94444  
the patient's request. The chief clinical officer shall advise a 94445  
voluntary patient who is being transferred that the patient may 94446

decide if the notification shall be given. In all such 94447  
transfers, due consideration shall be given to the wishes of the 94448  
patient, and the relationship of the patient to the patient's 94449  
family, legal guardian, or friends, so as to maintain the 94450  
relationship and encourage visits beneficial to the patient. 94451

When a voluntary patient whose medical or psychological 94452  
needs are found by the chief clinical officer to warrant a 94453  
transfer refuses to be transferred to an alternate facility, the 94454  
chief clinical officer may file an affidavit for a hearing under 94455  
section 5122.11 of the Revised Code. 94456

**Sec. 5122.21.** (A) The chief clinical officer shall as 94457  
frequently as practicable, and at least once every thirty days, 94458  
examine or cause to be examined every patient, and, whenever the 94459  
chief clinical officer determines that the conditions justifying 94460  
involuntary hospitalization or commitment no longer obtain, 94461  
shall discharge the patient not under indictment or conviction 94462  
for crime and immediately make a report of the discharge to the 94463  
department of ~~mental-behavioral health-and-addiction services~~. 94464  
The chief clinical officer may discharge a patient who is under 94465  
an indictment, a sentence of imprisonment, a community control 94466  
sanction, or a post-release control sanction or on parole ten 94467  
days after written notice of intent to discharge the patient has 94468  
been given by personal service or certified mail, return receipt 94469  
requested, to the court having criminal jurisdiction over the 94470  
patient. Except when the patient was found not guilty by reason 94471  
of insanity and the defendant's commitment is pursuant to 94472  
section 2945.40 of the Revised Code, the chief clinical officer 94473  
has final authority to discharge a patient who is under an 94474  
indictment, a sentence of imprisonment, a community control 94475  
sanction, or a post-release control sanction or on parole. 94476

(B) After a finding pursuant to section 5122.15 of the Revised Code that a person is a person with a mental illness subject to court order, the chief clinical officer of the hospital or community mental health services provider to which the person is ordered or to which the person is transferred under section 5122.20 of the Revised Code, may grant a discharge without the consent or authorization of any court.

Upon discharge, the chief clinical officer shall notify the court that caused the judicial hospitalization of the discharge from the hospital.

**Sec. 5122.23.** The chief clinical officer of a public hospital shall immediately report to the department of ~~mental-behavioral health and addiction services~~ and the board of alcohol, drug addiction, and mental health services serving the patient's county of residence the removal, death, escape, discharge, or trial visit of any patient hospitalized under section 5122.15 of the Revised Code, or the return of such an escaped or visiting patient to the department, the probate judge of the county from which such patient was hospitalized, and the probate judge of the county of residence of such patient. In case of death, the chief clinical officer also shall notify one or more of the nearest relatives of the deceased patient, if known to the chief clinical officer, by letter, telegram, or telephone. If the place of residence of such relative is unknown to the chief clinical officer, immediately upon receiving notification the probate judge shall in the speediest manner possible notify such relatives, if known to the probate judge.

The chief clinical officer of a public hospital, upon the request of the probate judge of the county from which a patient was hospitalized or the probate judge of the county of residence

of such a patient, shall make a report to the judge of the 94507  
condition of any patient under the care, treatment, custody, or 94508  
control of the chief clinical officer. 94509

or sheriff may take the patient into custody and transport the 94517  
patient to the hospital in which the patient was hospitalized or 94518  
to a place that is designated in the order. The officer 94519  
immediately shall report such fact to the entity that issued the 94520  
order. 94521

The chief clinical officer of a hospital may discharge a 94522  
patient who is under an indictment, a sentence of imprisonment, 94523  
a community control sanction, or a post-release control sanction 94524  
or on parole and who has been absent without leave for more than 94525  
thirty days but shall give written notice of the discharge to 94526  
the court with criminal jurisdiction over the patient. The chief 94527  
clinical officer of a hospital may discharge any other patient 94528  
who has been absent without leave for more than fourteen days. 94529

The chief clinical officer shall take all proper measures 94530  
for the apprehension of an escaped patient. The expense of the 94531  
return of an escaped patient shall be borne by the hospital 94532  
where the patient is hospitalized. 94533

(B) (1) Subject to division (B) (2) of this section, no 94534
