excluding evidence regarding a child's injuries, abuse, or 31687  
neglect, or the cause of the injuries, abuse, or neglect in any 31688  
judicial proceeding resulting from a report submitted pursuant 31689  
to this section. 31690

(2) In any civil or criminal action or proceeding in which 31691

constitute a defense. 33968

(D) The sentencing court shall consider all of the 33969  
following that apply regarding the offender, and any other 33970  
relevant factors, as factors indicating that the offender is 33971  
likely to commit future crimes: 33972

(1) At the time of committing the offense, the offender 33973  
was under release from confinement before trial or sentencing; 33974

(3) The offender has not been rehabilitated to a 33990  
satisfactory degree after previously being adjudicated a 33991  
delinquent child pursuant to Chapter 2151. of the Revised Code 33992  
prior to January 1, 2002, or pursuant to Chapter 2152. of the 33993  
Revised Code, or the offender has not responded favorably to 33994  
sanctions previously imposed for criminal convictions. 33995

(4) The offender has demonstrated a pattern of drug or 33996

alcohol abuse. 34000

(5) The offender shows no genuine remorse for the offense. 34001

(E) The sentencing court shall consider all of the 34002

likely to recur. 34013

(5) Except as provided in division (G) of this section, 34014  
the offender shows genuine remorse for the offense. 34015

(F) The sentencing court shall consider the offender's 34016  
military service record and whether the offender has an 34017  
emotional, mental, or physical condition that is traceable to 34018  
the offender's service in the armed forces of the United States 34019  
and that was a contributing factor in the offender's commission 34020  
of the offense or offenses. 34021

(G) If the offender enters an Alford plea, the sentencing 34022  
court shall not consider whether the offender showed genuine 34023

**Sec. 2929.15.** (A) (1) If in sentencing an offender for a 34026  
felony the court is not required to impose a prison term, a 34027  
mandatory prison term, or a term of life imprisonment upon the 34028  
offender, the court may directly impose a sentence that consists 34029  
of one or more community control sanctions authorized pursuant 34030  
to section 2929.16, 2929.17, or 2929.18 of the Revised Code. If 34031  
the court is sentencing an offender for a fourth degree felony 34032  
OVI offense under division (G) (1) of section 2929.13 of the 34033  
Revised Code, in addition to the mandatory term of local 34034  
incarceration imposed under that division and the mandatory fine 34035  
required by division (B) (3) of section 2929.18 of the Revised 34036  
Code, the court may impose upon the offender a community control 34037  
sanction or combination of community control sanctions in 34038

accordance with sections 2929.16 and 2929.17 of the Revised 34039  
Code. If the court is sentencing an offender for a third or 34040  
fourth degree felony OVI offense under division (G) (2) of 34041  
section 2929.13 of the Revised Code, in addition to the 34042  
mandatory prison term or mandatory prison term and additional 34043  
prison term imposed under that division, the court also may 34044  
impose upon the offender a community control sanction or 34045  
combination of community control sanctions under section 2929.16 34046  
or 2929.17 of the Revised Code, but the offender shall serve all 34047  
of the prison terms so imposed prior to serving the community 34048  
control sanction. 34049

The duration of all community control sanctions imposed on 34050  
an offender under this division shall not exceed five years. If 34051  
the offender absconds or otherwise leaves the jurisdiction of 34052  
the court in which the offender resides without obtaining 34053  
permission from the court or the offender's probation officer to 34054  
leave the jurisdiction of the court, or if the offender is 34055  
confined in any institution for the commission of any offense 34056  
while under a community control sanction, the period of the 34057  
community control sanction ceases to run until the offender is 34058  
brought before the court for its further action. If the court 34059  
sentences the offender to one or more nonresidential sanctions 34060  
under section 2929.17 of the Revised Code, the court shall 34061  
impose as a condition of the nonresidential sanctions that, 34062  
during the period of the sanctions, the offender must abide by 34063  
the law and must not leave the state without the permission of 34064  
the court or the offender's probation officer. The court may 34065  
impose any other conditions of release under a community control 34066  
sanction that the court considers appropriate, including, but 34067  
not limited to, requiring that the offender not ingest or be 34068  
injected with a drug of abuse and submit to random drug testing 34069

as provided in division (D) of this section to determine whether 34070  
the offender ingested or was injected with a drug of abuse and 34071  
requiring that the results of the drug test indicate that the 34072  
offender did not ingest or was not injected with a drug of 34073  
abuse. 34074

(2) (a) If a court sentences an offender to any community 34075  
control sanction or combination of community control sanctions 34076  
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of 34077  
the Revised Code, the court shall place the offender under the 34078  
general control and supervision of a department of probation in 34079  
the county that serves the court for purposes of reporting to 34080  
the court a violation of any condition of the sanctions, any 34081  
condition of release under a community control sanction imposed 34082  
by the court, a violation of law, or the departure of the 34083  
offender from this state without the permission of the court or 34084  
the offender's probation officer. Alternatively, if the offender 34085  
resides in another county and a county department of probation 34086  
has been established in that county or that county is served by 34087  
a multicounty probation department established under section 34088  
2301.27 of the Revised Code, the court may request the court of 34089  
common pleas of that county to receive the offender into the 34090  
general control and supervision of that county or multicounty 34091  
department of probation for purposes of reporting to the court a 34092  
violation of any condition of the sanctions, any condition of 34093  
release under a community control sanction imposed by the court, 34094  
a violation of law, or the departure of the offender from this 34095  
state without the permission of the court or the offender's 34096  
probation officer, subject to the jurisdiction of the trial 34097  
judge over and with respect to the person of the offender, and 34098  
to the rules governing that department of probation. 34099

If there is no department of probation in the county that 34100

34101 serves the court, the court shall place the offender, regardless  
34102 of the offender's county of residence, under the general control  
34103 and supervision of the adult parole authority, unless the court  
34104 has entered into an agreement with the authority as described in  
34105 division (B) or (C) of section 2301.32 of the Revised Code, or  
34106 under an entity authorized under division (B) of section 2301.27  
34107 of the Revised Code to provide probation and supervisory  
34108 services to counties for purposes of reporting to the court a  
34109 violation of any of the sanctions, any condition of release  
34110 under a community control sanction imposed by the court, a  
34111 violation of law, or the departure of the offender from this  
34112 state without the permission of the court or the offender's  
34113 probation officer.

34114 (b) If the court imposing sentence on an offender  
34115 sentences the offender to any community control sanction or  
34116 combination of community control sanctions authorized pursuant  
34117 to section 2929.16, 2929.17, or 2929.18 of the Revised Code, and  
34118 if the offender violates any condition of the sanctions,  
34119 violates any condition of release under a community control  
34120 sanction imposed by the court, violates any law, or departs the  
34121 state without the permission of the court or the offender's  
34122 probation officer, the public or private person or entity that  
34123 operates or administers the sanction or the program or activity  
34124 that comprises the sanction shall report the violation or  
34125 departure directly to the sentencing court, or shall report the  
34126 violation or departure to the county or multicounty department  
34127 of probation with general control and supervision over the  
34128 offender under division (A) (2) (a) of this section or the officer  
34129 of that department who supervises the offender, or, if there is  
34130 no such department with general control and supervision over the  
34131 offender under that division, to the adult parole authority

unless the court has entered into an agreement with the 34132  
authority as described in division (B) or (C) of section 2301.32 34133  
of the Revised Code, or to an entity authorized under division 34134  
(B) of section 2301.27 of the Revised Code to provide probation 34135  
and supervisory services to the county. If the public or private 34136  
person or entity that operates or administers the sanction or 34137  
the program or activity that comprises the sanction reports the 34138  
violation or departure to the county or multicounty department 34139  
of probation, the adult parole authority, or any other entity 34140  
providing probation and supervisory services to the county, the 34141  
department's, authority's, or other entity's officers may treat 34142  
the offender as if the offender were on probation and in 34143  
violation of the probation, and shall report the violation of 34144  
the condition of the sanction, any condition of release under a 34145  
community control sanction imposed by the court, the violation 34146  
of law, or the departure from the state without the required 34147  
permission to the sentencing court. 34148

(3) If an offender who is eligible for community control 34149  
sanctions under this section admits to having a drug addiction 34150  
or the court has reason to believe that the offender has a drug 34151  
addiction, and if the offense for which the offender is being 34152  
sentenced was related to the addiction, the court may require 34153  
that the offender be assessed by a properly credentialed 34154  
professional within a specified period of time and shall require 34155  
the professional to file a written assessment of the offender 34156  
with the court. If a court imposes treatment and recovery 34157  
support services as a community control sanction, the court 34158  
shall direct the level and type of treatment and recovery 34159  
support services after consideration of the written assessment, 34160  
if available at the time of sentencing, and recommendations of 34161  
the professional and other treatment and recovery support 34162

services providers. 34163

(4) If an assessment completed pursuant to division (A) (3) 34164  
of this section indicates that the offender has an addiction to 34165  
drugs or alcohol, the court may include in any community control 34166  
sanction imposed for a violation of section 2925.02, 2925.03, 34167  
2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 34168  
2925.36, or 2925.37 of the Revised Code a requirement that the 34169  
offender participate in alcohol and drug addiction services and 34170  
recovery supports certified under section 5119.36 of the Revised 34171  
Code or offered by a properly credentialed community addiction 34172  
services provider. 34173

(B) (1) Except as provided in division (B) (2) of this 34174  
section, if the conditions of a community control sanction 34175  
imposed for a felony are violated or if the offender violates a 34176  
law or leaves the state without the permission of the court or 34177  
the offender's probation officer, the sentencing court may 34178  
impose on the violator one or more of the following penalties: 34179

(a) A longer time under the same sanction if the total 34180  
time under the sanctions does not exceed the five-year limit 34181  
specified in division (A) of this section; 34182

(b) A more restrictive sanction under section 2929.16, 34183  
2929.17, or 2929.18 of the Revised Code, including but not 34184  
limited to, a new term in a community-based correctional 34185  
facility, halfway house, or jail pursuant to division (A) (6) of 34186  
section 2929.16 of the Revised Code; 34187

(c) A prison term on the offender pursuant to section 34188  
2929.14 of the Revised Code and division (B) (3) of this section, 34189  
provided that a prison term imposed under this division is 34190  
subject to the following limitations and rules, as applicable: 34191

(i) If the prison term is imposed for any technical violation of the conditions of a community control sanction imposed for a felony of the fifth degree, the prison term shall not exceed ninety days, provided that if the remaining period of community control at the time of the violation or the remaining period of the reserved prison sentence at that time is less than ninety days, the prison term shall not exceed the length of the remaining period of community control or the remaining period of the reserved prison sentence. If the court imposes a prison term as described in this division, division (B) (2) (b) of this section applies.

(ii) If the prison term is imposed for any technical violation of the conditions of a community control sanction imposed for a felony of the fourth degree that is not an offense of violence and is not a sexually oriented offense, the prison term shall not exceed one hundred eighty days, provided that if the remaining period of the community control at the time of the violation or the remaining period of the reserved prison sentence at that time is less than one hundred eighty days, the prison term shall not exceed the length of the remaining period of community control or the remaining period of the reserved prison sentence. If the court imposes a prison term as described in this division, division (B) (2) (b) of this section applies.

(iii) A court is not limited in the number of times it may sentence an offender to a prison term under division (B) (1) (c) of this section for a violation of the conditions of a community control sanction or for a violation of a law or leaving the state without the permission of the court or the offender's probation officer. If an offender who is under a community control sanction violates the conditions of the sanction or violates a law or leaves the state without the permission of the

court or the offender's probation officer, is sentenced to a 34223  
prison term for the violation or conduct, is released from the 34224  
term after serving it, and subsequently violates the conditions 34225  
of the sanction or violates a law or leaves the state without 34226  
the permission of the court or the offender's probation officer, 34227  
the court may impose a new prison term sanction on the offender 34228  
under division (B) (1) (c) of this section for the subsequent 34229  
violation or conduct. 34230

(2) (a) If an offender was acting pursuant to division (B) 34231  
(2) (b) of section 2925.11 or a related provision of section 34232  
2925.12, 2925.14, or 2925.141 of the Revised Code and in so 34233  
doing violated the conditions of a community control sanction 34234  
based on a minor drug possession offense, as defined in section 34235  
2925.11 of the Revised Code, or violated section 2925.12, 34236  
division (C) (1) of section 2925.14, or section 2925.141 of the 34237  
Revised Code, the sentencing court shall not impose any of the 34238  
penalties described in division (B) (1) of this section based on 34239  
the violation. 34240

(b) If a court imposes a prison term on an offender under 34241  
division (B) (1) (c) (i) or (ii) of this section for a technical 34242  
violation of the conditions of a community control sanction, one 34243  
of the following is applicable with respect to the time that the 34244  
offender spends in prison under the term: 34245

(i) Subject to division (B) (2) (b) (ii) of this section, it 34246  
shall be credited against the offender's community control 34247  
sanction that was being served at the time of the violation, and 34248  
the remaining time under that community control sanction shall 34249  
be reduced by the time that the offender spends in prison under 34250  
the prison term. By determination of the court, the offender 34251  
upon release from the prison term either shall continue serving 34252

the remaining time under the community control sanction, as 34253  
reduced under this division, or shall have the community control 34254  
sanction terminated. 34255

(ii) If, at the time a prison term is imposed for a 34256  
technical violation, the offender was serving a residential 34257  
community control sanction imposed under section 2929.16 of the 34258  
Revised Code, the time spent serving the residential community 34259  
control sanction shall be credited against the offender's 34260  
reserved prison sentence, and the remaining time under that 34261  
residential community control sanction and under the reserved 34262  
prison sentence shall be reduced by the time that the offender 34263  
spends in prison under the prison term. By determination of the 34264  
court, the offender upon release from the prison term either 34265  
shall continue serving the remaining time under the residential 34266  
community control sanction, as reduced under this division, or 34267  
shall have the residential community control sanction 34268  
terminated. 34269

(3) The prison term, if any, imposed on a violator 34270  
pursuant to this division and division (B)(1) of this section 34271  
shall be within the range of prison terms described in this 34272  
division and shall not exceed a prison term from the range of 34273  
terms specified in the notice provided to the offender at the 34274  
sentencing hearing pursuant to division (B)(4) of section 34275  
2929.19 of the Revised Code. The court may reduce the longer 34276  
period of time that the offender is required to spend under the 34277  
longer sanction, the more restrictive sanction, or a prison term 34278  
imposed pursuant to division (B)(1) of this section by the time 34279  
the offender successfully spent under the sanction that was 34280  
initially imposed. Except as otherwise specified in this 34281  
division, the prison term imposed under this division and 34282  
division (B)(1) of this section shall be within the range of 34283

prison terms available as a definite term for the offense for 34284  
which the sanction that was violated was imposed. If the offense 34285  
for which the sanction that was violated was imposed is a felony 34286  
of the first or second degree committed on or after March 22, 34287  
2019, the prison term so imposed under this division shall be 34288  
within the range of prison terms available as a minimum term for 34289  
the offense under division (A) (1) (a) or (2) (a) of section 34290  
2929.14 of the Revised Code. 34291

(C) If an offender, for a significant period of time, 34292  
fulfills the conditions of a sanction imposed pursuant to 34293  
section 2929.16, 2929.17, or 2929.18 of the Revised Code in an 34294  
exemplary manner, the court may reduce the period of time under 34295  
the sanction or impose a less restrictive sanction, but the 34296  
court shall not permit the offender to violate any law or permit 34297  
the offender to leave the state without the permission of the 34298  
court or the offender's probation officer. 34299

(D) (1) If a court under division (A) (1) of this section 34300  
imposes a condition of release under a community control 34301  
sanction that requires the offender to submit to random drug 34302  
testing, the department of probation, the adult parole 34303  
authority, or any other entity that has general control and 34304  
supervision of the offender under division (A) (2) (a) of this 34305  
section may cause the offender to submit to random drug testing 34306  
performed by a laboratory or entity that has entered into a 34307  
contract with any of the governmental entities or officers 34308  
authorized to enter into a contract with that laboratory or 34309  
entity under section 341.26, 753.33, or 5120.63 of the Revised 34310  
Code. 34311

(2) If no laboratory or entity described in division (D) 34312  
(1) of this section has entered into a contract as specified in 34313

that division, the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A) (2) (a) of this section shall cause the offender to submit to random drug testing performed by a reputable public laboratory to determine whether the individual who is the subject of the drug test ingested or was injected with a drug of abuse.

(3) A laboratory or entity that has entered into a contract pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code shall perform the random drug tests under division (D) (1) of this section in accordance with the applicable standards that are included in the terms of that contract. A public laboratory shall perform the random drug tests under division (D) (2) of this section in accordance with the standards set forth in the policies and procedures established by the department of rehabilitation and correction pursuant to section 5120.63 of the Revised Code. An offender who is required under division (A) (1) of this section to submit to random drug testing as a condition of release under a community control sanction and whose test results indicate that the offender ingested or was injected with a drug of abuse shall pay the fee for the drug test if the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender requires payment of a fee. A laboratory or entity that performs the random drug testing on an offender under division (D) (1) or (2) of this section shall transmit the results of the drug test to the appropriate department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A) (2) (a) of this section.

(E) As used in this section, "technical violation" means a

violation of the conditions of a community control sanction 34345  
imposed for a felony of the fifth degree, or for a felony of the 34346  
fourth degree that is not an offense of violence and is not a 34347  
sexually oriented offense, and to which neither of the following 34348  
applies: 34349

(1) The violation consists of a new criminal offense that 34350  
is a felony or that is a misdemeanor other than a minor 34351  
misdemeanor, and the violation is committed while under the 34352  
community control sanction. 34353

(2) The violation consists of or includes the offender's 34354  
articulated or demonstrated refusal to participate in the 34355  
community control sanction imposed on the offender or any of its 34356  
conditions, and the refusal demonstrates to the court that the 34357  
offender has abandoned the objects of the community control 34358  
sanction or condition. 34359

(F) A court shall not, under division (A)(1) of this 34360  
section, impose a condition of release under a community control 34361  
sanction that requires an offender who has pleaded guilty by 34362  
entering an Alford plea to otherwise admit guilt for the 34363  
offense. 34364

**Sec. 2929.25.** (A) (1) Except as provided in sections 34365  
2929.22 and 2929.23 of the Revised Code or when a jail term is 34366  
required by law, in sentencing an offender for a misdemeanor, 34367  
other than a minor misdemeanor, the sentencing court may do 34368  
either of the following: 34369

(a) Directly impose a sentence that consists of one or 34370  
more community control sanctions authorized by section 2929.26, 34371  
2929.27, or 2929.28 of the Revised Code. The court may impose 34372  
any other conditions of release under a community control 34373

sanction that the court considers appropriate. If the court 34374  
imposes a jail term upon the offender, the court may impose any 34375  
community control sanction or combination of community control 34376  
sanctions in addition to the jail term. 34377

(b) Impose a jail term under section 2929.24 of the 34378  
Revised Code from the range of jail terms authorized under that 34379  
section for the offense, suspend all or a portion of the jail 34380  
term imposed, and place the offender under a community control 34381  
sanction or combination of community control sanctions 34382  
authorized under section 2929.26, 2929.27, or 2929.28 of the 34383  
Revised Code. 34384

(2) The duration of all community control sanctions 34385  
imposed upon an offender and in effect for an offender at any 34386  
time shall not exceed five years. 34387

(3) At sentencing, if a court directly imposes a community 34388  
control sanction or combination of community control sanctions 34389  
pursuant to division (A)(1)(a) or (B) of this section, the court 34390  
shall state the duration of the community control sanctions 34391  
imposed and shall notify the offender that if any of the 34392  
conditions of the community control sanctions are violated the 34393  
court may do any of the following: 34394

(a) Impose a longer time under the same community control 34395  
sanction if the total time under all of the offender's community 34396  
control sanctions does not exceed the five-year limit specified 34397  
in division (A)(2) of this section; 34398

(b) Impose a more restrictive community control sanction 34399  
under section 2929.26, 2929.27, or 2929.28 of the Revised Code, 34400  
but the court is not required to impose any particular sanction 34401  
or sanctions; 34402

(c) Impose a definite jail term from the range of jail terms authorized for the offense under section 2929.24 of the Revised Code.

(B) If a court sentences an offender to any community control sanction or combination of community control sanctions pursuant to division (A) (1) (a) of this section, the sentencing court retains jurisdiction over the offender and the period of community control for the duration of the period of community control. Upon the motion of either party or on the court's own motion, the court, in the court's sole discretion and as the circumstances warrant, may modify the community control sanctions or conditions of release previously imposed, substitute a community control sanction or condition of release for another community control sanction or condition of release previously imposed, or impose an additional community control sanction or condition of release.

(C) (1) If a court sentences an offender to any community control sanction or combination of community control sanctions authorized under section 2929.26, 2929.27, or 2929.28 of the Revised Code, the court shall place the offender under the general control and supervision of the court or of a department of probation in the jurisdiction that serves the court for purposes of reporting to the court a violation of any of the conditions of the sanctions imposed. If the offender resides in another jurisdiction and a department of probation has been established to serve the municipal court or county court in that jurisdiction, the sentencing court may request the municipal court or the county court to receive the offender into the general control and supervision of that department of probation for purposes of reporting to the sentencing court a violation of any of the conditions of the sanctions imposed. The sentencing

court retains jurisdiction over any offender whom it sentences 34434  
for the duration of the sanction or sanctions imposed. 34435

(2) The sentencing court shall require as a condition of 34436  
any community control sanction that the offender abide by the 34437  
law and not leave the state without the permission of the court 34438  
or the offender's probation officer. In the interests of doing 34439  
justice, rehabilitating the offender, and ensuring the 34440  
offender's good behavior, the court may impose additional 34441  
requirements on the offender. The offender's compliance with the 34442  
additional requirements also shall be a condition of the 34443  
community control sanction imposed upon the offender. 34444

(D) (1) If the court imposing sentence upon an offender 34445  
sentences the offender to any community control sanction or 34446  
combination of community control sanctions authorized under 34447  
section 2929.26, 2929.27, or 2929.28 of the Revised Code, and if 34448  
the offender violates any of the conditions of the sanctions, 34449  
the public or private person or entity that supervises or 34450  
administers the program or activity that comprises the sanction 34451  
shall report the violation directly to the sentencing court or 34452  
to the department of probation or probation officer with general 34453  
control and supervision over the offender. If the public or 34454  
private person or entity reports the violation to the department 34455  
of probation or probation officer, the department or officer 34456  
shall report the violation to the sentencing court. 34457

(2) Except as provided in division (D) (3) of this section, 34458  
if an offender violates any condition of a community control 34459  
sanction, the sentencing court may impose upon the violator one 34460  
or more of the following penalties: 34461

(a) A longer time under the same community control 34462  
sanction if the total time under all of the community control 34463

sanctions imposed on the violator does not exceed the five-year 34464  
limit specified in division (A) (2) of this section; 34465

(b) A more restrictive community control sanction; 34466

(c) A combination of community control sanctions, 34467  
including a jail term. 34468

(3) If an offender was acting pursuant to division (B) (2) 34469  
(b) of section 2925.11 or a related provision under section 34470  
2925.12, 2925.14, or 2925.141 of the Revised Code and in so 34471  
doing violated the conditions of a community control sanction 34472  
based on a minor drug possession offense, as defined in section 34473  
2925.11 of the Revised Code, or violated section 2925.12, 34474  
division (C) (1) of section 2925.14, or section 2925.141 of the 34475  
Revised Code, the sentencing court shall not impose any of the 34476  
penalties described in division (D) (2) of this section based on 34477  
the violation. 34478

(4) If the court imposes a jail term upon a violator 34479  
pursuant to division (D) (2) of this section, the total time 34480  
spent in jail for the misdemeanor offense and the violation of a 34481  
condition of the community control sanction shall not exceed the 34482  
maximum jail term available for the offense for which the 34483  
sanction that was violated was imposed. The court may reduce the 34484  
longer period of time that the violator is required to spend 34485  
under the longer sanction or the more restrictive sanction 34486  
imposed under division (D) (2) of this section by all or part of 34487  
the time the violator successfully spent under the sanction that 34488  
was initially imposed. 34489

(E) Except as otherwise provided in this division, if an 34490  
offender, for a significant period of time, fulfills the 34491  
conditions of a community control sanction imposed pursuant to 34492

section 2929.26, 2929.27, or 2929.28 of the Revised Code in an 34493  
exemplary manner, the court may reduce the period of time under 34494  
the community control sanction or impose a less restrictive 34495  
community control sanction. Fulfilling the conditions of a 34496  
community control sanction does not relieve the offender of a 34497  
duty to make restitution under section 2929.28 of the Revised 34498  
Code. 34499

(F) A court shall not, under division (A) (1) of this 34500  
section, impose a condition of release under a community control 34501  
sanction that requires an offender who has pleaded guilty by 34502  
entering an Alford plea to otherwise admit guilt for the 34503  
offense. 34504

**Sec. 2949.12.** (A) Unless the execution of sentence is 34505  
suspended~~or~~, the convicted felon has less than thirty days to 34506  
serve in prison and the department of rehabilitation and 34507  
correction, the county sheriff, and the court agree otherwise, 34508  
or the convicted felon is under eighteen years of age, a 34509  
convicted felon who is sentenced to serve a term of imprisonment 34510  
in a state correctional institution shall be conveyed, within 34511  
five days after sentencing, excluding Saturdays, Sundays, and 34512  
legal holidays, by the sheriff of the county in which the 34513  
conviction was had to the facility that is designated by the 34514  
department of rehabilitation and correction for the reception of 34515  
convicted felons. The sheriff shall deliver the convicted felon 34516  
into the custody of the managing officer of the reception 34517  
facility and, at that time, unless the department and the 34518  
sheriff have agreed to electronically processed prisoner 34519  
commitment, shall present the managing officer with a copy of 34520  
the convicted felon's sentence that clearly describes each 34521  
offense for which the felon was sentenced to a correctional 34522  
institution, designates each section of the Revised Code that 34523

the felon violated and that resulted in the felon's conviction 34524  
and sentence to a correctional institution, designates the 34525  
sentence imposed for each offense for which the felon was 34526  
sentenced to a correctional institution, and, pursuant to 34527  
section 2967.191 of the Revised Code, specifies the total number 34528  
of days, if any, that the felon was confined for any reason 34529  
prior to conviction and sentence. The sheriff, at that time, 34530  
also shall present the managing officer with a copy of the 34531  
indictment. The clerk of the court of common pleas shall furnish 34532  
the copies of the sentence and indictment. ~~In the case of a~~ 34533  
~~person under the age of eighteen years who is certified to the~~ 34534  
~~court of common pleas by the juvenile court, the clerk of the~~ 34535  
~~court of common pleas also shall attach a copy of the~~ 34536  
~~certification to the copy of the indictment.~~ 34537

The convicted felon shall be assigned to an institution or 34538  
designated to be housed in a county, multicounty, municipal, 34539  
municipal-county, or multicounty-municipal jail or workhouse, if 34540  
authorized pursuant to section 5120.161 of the Revised Code, 34541  
shall be conveyed to the institution, jail, or workhouse, and 34542  
shall be kept within the institution, jail, or workhouse until 34543  
the term of the felon's imprisonment expires, the felon is 34544  
pardoned, paroled, or placed under a post-release control 34545  
sanction, or the felon is transferred under laws permitting the 34546  
transfer of prisoners. If the execution of the felon's sentence 34547  
is suspended, and the judgment thereafter affirmed, the felon 34548  
shall be conveyed, in the same manner as if the execution of the 34549  
felon's sentence had not been suspended, to the reception 34550  
facility as soon as practicable after the judge directs the 34551  
execution of sentence. The trial judge or other judge of the 34552  
court, in the judge's discretion and for good cause shown, may 34553  
extend the time of the conveyance. 34554

(B) (1) A convicted felon who is under eighteen years old 34555  
at the execution of sentence shall be committed to the 34556  
department of youth services and assigned to an institution 34557  
within the department of youth services and, within five days 34558  
after sentencing, excluding Saturdays, Sundays, and legal 34559  
holidays, the sheriff of the county in which the conviction was 34560  
had shall deliver the felon to the facility designated by the 34561  
department of youth services. The sheriff, at that time, shall 34562  
present the managing officer with a copy of the sentence, a copy 34563  
of the indictment, and a copy of the certification from the 34564  
juvenile court to the court of common pleas. The convicted felon 34565  
shall be held in the institution operated by the department of 34566  
youth services until the felon is eighteen years of age, until 34567  
the term of the felon's imprisonment expires, until the felon is 34568  
pardoned, paroled, or placed under a post-release control 34569  
sanction, or until the felon is transferred under laws 34570  
permitting the transfer of prisoners. 34571

(2) A convicted felon who is committed to the department 34572  
of youth services under division (B) (1) of this section shall be 34573  
transferred to the department of rehabilitation and correction 34574  
and committed to an institution under division (A) of this 34575  
section for the remainder of the felon's sentence when the felon 34576  
attains the age of eighteen or when the felon, because of a rule 34577  
violation or violations, is determined by the department of 34578  
youth services to a danger to self or others. At the time of a 34579  
transfer under division (B) (2) of this section, the sheriff 34580  
shall present the managing officer with a copy of the sentence, 34581  
a copy of the indictment, and a copy of the certification from 34582  
the juvenile court to the court of common pleas. 34583

**Sec. 2949.22.** (A) Except as provided in division (C) of 34584  
this section, a death sentence shall be executed by causing the 34585

application to the person, upon whom the sentence was imposed, 34586  
of a lethal injection of a drug or combination of drugs of 34587  
sufficient dosage to quickly and painlessly cause death. The 34588  
application of the drug or combination of drugs shall be 34589  
continued until the person is dead. The warden of the 34590  
correctional institution in which the sentence is to be executed 34591  
or another person selected by the director of rehabilitation and 34592  
correction shall ensure that the death sentence is executed. 34593

(B) A death sentence shall be executed within the walls of 34594  
the state correctional institution designated by the director of 34595  
rehabilitation and correction as the location for executions, 34596  
within an enclosure to be prepared for that purpose, under the 34597  
direction of the warden of the institution or, in the warden's 34598  
absence, a deputy warden, and on the day designated by the judge 34599  
passing sentence or otherwise designated by a court in the 34600  
course of any appellate or postconviction proceedings. The 34601  
enclosure shall exclude public view. 34602

(C) If a person is sentenced to death, and if the 34603  
execution of a death sentence by lethal injection has been 34604  
determined to be unconstitutional, the death sentence shall be 34605  
executed by using any different manner of execution prescribed 34606  
by law subsequent to ~~the effective date of this~~ 34607  
~~amendment~~ November 21, 2001, instead of by causing the 34608  
application to the person of a lethal injection of a drug or 34609  
combination of drugs of sufficient dosage to quickly and 34610  
painlessly cause death, provided that the subsequently 34611  
prescribed different manner of execution has not been determined 34612  
to be unconstitutional. The use of the subsequently prescribed 34613  
different manner of execution shall be continued until the 34614  
person is dead. The warden of the state correctional institution 34615  
in which the sentence is to be executed or another person 34616

selected by the director of rehabilitation and correction shall 34617  
ensure that the sentence of death is executed. 34618

(D) No change in the law made by the amendment to this 34619  
section that took effect on October 1, 1993, or by this 34620  
amendment constitutes a declaration by or belief of the general 34621  
assembly that execution of a death sentence by electrocution is 34622  
a cruel and unusual punishment proscribed by the Ohio 34623  
Constitution or the United States Constitution. 34624

(E) The department of rehabilitation and correction shall 34625  
make every effort to acquire lethal injection drugs in 34626  
collaboration with the United States attorney general, and, 34627  
beginning on the effective date of this amendment, shall make a 34628  
biannual report to the general assembly regarding the status of 34629  
those efforts. 34630

case was pending when bail was forfeited for the sealing or 34737

(C) Upon the filing of an application under this section, 34757  
the court shall set a date for a hearing and shall notify the 34758  
prosecutor for the case of the hearing on the application not 34759

Constitution, the prosecutor shall provide timely notice of the 34761

victim's representative, if applicable, if the victim or 34763  
victim's representative requested notice of the proceedings in 34764  
the underlying case. The court shall hold the hearing not less 34765  
than forty-five days and not more than ninety days from the date 34766

the court requires concerning the applicant. The probation 34778  
officer or county department of probation that the court directs 34779  
to make inquiries and written reports as the court requires 34780  
concerning the applicant shall determine whether or not the 34781  
applicant was fingerprinted at the time of arrest or under 34782  
section 109.60 of the Revised Code. If the applicant was so 34783  
fingerprinted, the probation officer or county department of 34784  
probation shall include with the written report a record of the 34785  
applicant's fingerprints. If the applicant was convicted of or 34786

county department of probation that the court directed to make 34789  
inquiries concerning the applicant shall contact the child 34790  
support enforcement agency enforcing the applicant's obligations 34791  
under the child support order to inquire about the offender's 34792  
compliance with the child support order. 34793

(D) (1) At the hearing held under division (C) of this section, the court shall do each of the following:

(a) Determine whether the applicant is pursuing sealing or expunging a conviction of an offense that is prohibited under division (A) of this section or whether the forfeiture of bail was agreed to by the applicant and the prosecutor in the case, and determine whether the application was made at the time specified in division (B) (1) (a) or (b) or division (B) (2) (a) or (b) of this section that is applicable with respect to the application and the subject offense;

(b) Determine whether criminal proceedings are pending against the applicant;

(c) Determine whether the applicant has been rehabilitated to the satisfaction of the court;

(d) If the prosecutor has filed an objection in accordance with division (C) of this section, consider the reasons against granting the application specified by the prosecutor in the objection;

(e) If the victim objected, pursuant to the Ohio Constitution, consider the reasons against granting the application specified by the victim in the objection;

(f) Weigh the interests of the applicant in having the records pertaining to the applicant's conviction or bail forfeiture sealed or expunged against the legitimate needs, if any, of the government to maintain those records;

(g) Consider the oral or written statement of any victim, victim's representative, and victim's attorney, if applicable;

(h) If the applicant was an eligible offender of the type

described in division (A) (3) of section 2953.36 of the Revised Code as it existed prior to April 4, 2023, determine whether the offender has been rehabilitated to a satisfactory degree. In making the determination, the court may consider all of the following:

- (i) The age of the offender;
- (ii) The facts and circumstances of the offense;
- (iii) The cessation or continuation of criminal behavior;
- (iv) The education and employment of the offender;
- (v) Any other circumstances that may relate to the offender's rehabilitation.

(i) If the court is required to determine whether an applicant for sealing or expungement has two or three convictions that result from the same indictment, information, or complaint, from the same plea of guilty, or from the same official proceeding, and result from related criminal acts that were committed within a three-month period but do not result from the same act or from offenses committed at the same time, in making its determination, the court initially shall determine whether it is not in the public interest for the two or three convictions to be counted as one conviction. If the court determines that it is not in the public interest for the two or three convictions to be counted as one conviction, the court shall determine whether, when counting the convictions individually, the applicant is pursuing sealing or expunging a conviction that is prohibited under division (A) of this section.

(2) If the court determines, after complying with division (D) (1) of this section, that the offender is not pursuing

sealing or expunging a conviction of an offense that is 34851  
prohibited under division (A) of this section or that the 34852  
forfeiture of bail was agreed to by the applicant and the 34853  
prosecutor in the case, that the application was made at the 34854  
time specified in division (B) (1) (a) or (b) or division (B) (2) 34855  
(a) or (b) of this section that is applicable with respect to 34856  
the application and the subject offense, that no criminal 34857  
proceeding is pending against the applicant, that the interests 34858  
of the applicant in having the records pertaining to the 34859  
applicant's conviction or bail forfeiture sealed or expunged are 34860  
not outweighed by any legitimate governmental needs to maintain 34861  
those records, and that the rehabilitation of the applicant has 34862  
been attained to the satisfaction of the court, both of the 34863  
following apply: 34864

(a) The court, except as provided in division (D) (4) or 34865  
(5) of this section or division (D), (F), or (G) of section 34866  
2953.34 of the Revised Code, shall order all official records of 34867  
the case that pertain to the conviction or bail forfeiture 34868  
sealed if the application was for sealing or expunged if the 34869  
application was for expungement and, except as provided in 34870  
division (C) of section 2953.34 of the Revised Code, all index 34871  
references to the case that pertain to the conviction or bail 34872  
forfeiture deleted and, in the case of bail forfeitures, shall 34873  
dismiss the charges in the case. 34874

(b) The proceedings in the case that pertain to the 34875  
conviction or bail forfeiture shall be considered not to have 34876  
occurred and the conviction or bail forfeiture of the person who 34877  
is the subject of the proceedings shall be sealed if the 34878  
application was for sealing or expunged if the application was 34879  
for expungement, except that upon conviction of a subsequent 34880  
offense, a sealed record of prior conviction or bail forfeiture 34881

may be considered by the court in determining the sentence or 34882  
other appropriate disposition, including the relief provided for 34883  
in sections 2953.31, 2953.32, and 2953.34 of the Revised Code. 34884

(3) An applicant may request the sealing or expungement of 34885  
the records of more than one case in a single application under 34886  
this section. Upon the filing of an application under this 34887  
section, the applicant, unless the applicant presents a poverty 34888  
affidavit showing that the applicant is indigent, shall pay an 34889  
application fee of fifty dollars and may pay a local court fee 34890  
of not more than fifty dollars, regardless of the number of 34891  
records the application requests to have sealed or expunged. If 34892  
the applicant pays a fee, the court shall pay three-fifths of 34893  
the fee collected into the state treasury, with half of that 34894  
amount credited to the attorney general reimbursement fund 34895  
created by section 109.11 of the Revised Code. If the applicant 34896  
pays a fee, the court shall pay two-fifths of the fee collected 34897  
into the county general revenue fund if the sealed or expunged 34898  
conviction or bail forfeiture was pursuant to a state statute, 34899  
or into the general revenue fund of the municipal corporation 34900  
involved if the sealed or expunged conviction or bail forfeiture 34901  
was pursuant to a municipal ordinance. 34902

(4) If the court orders the official records pertaining to 34903  
the case sealed or expunged, the court shall do one of the 34904  
following: 34905

(a) If the applicant was fingerprinted at the time of 34906  
arrest or under section 109.60 of the Revised Code and the 34907  
record of the applicant's fingerprints was provided to the court 34908  
under division (C) of this section, forward a copy of the 34909  
sealing or expungement order and the record of the applicant's 34910  
fingerprints to the bureau of criminal identification and 34911

investigation. 34912

(b) If the applicant was not fingerprinted at the time of 34913  
arrest or under section 109.60 of the Revised Code, or the 34914  
record of the applicant's fingerprints was not provided to the 34915  
court under division (C) of this section, but fingerprinting was 34916  
required for the offense, order the applicant to appear before a 34917  
sheriff to have the applicant's fingerprints taken according to 34918  
the fingerprint system of identification on the forms furnished 34919  
by the superintendent of the bureau of criminal identification 34920  
and investigation. The sheriff shall forward the applicant's 34921  
fingerprints to the court. The court shall forward the 34922  
applicant's fingerprints and a copy of the sealing or 34923  
expungement order to the bureau of criminal identification and 34924  
investigation. 34925

Failure of the court to order fingerprints at the time of 34926  
sealing or expungement does not constitute a reversible error. 34927

(5) Notwithstanding any other provision of the Revised 34928  
Code to the contrary, when the bureau of criminal identification 34929  
and investigation receives notice from a court that the record 34930  
of a conviction or bail forfeiture has been expunged under this 34931  
section, the bureau of criminal identification and investigation 34932  
shall maintain a record of the expunged conviction record for 34933  
the limited purpose of determining an individual's qualification 34934  
or disqualification for employment in law enforcement. The 34935  
bureau of criminal identification and investigation shall not be 34936  
compelled by the court to destroy, delete, or erase those 34937  
records so that the records are permanently irretrievable. These 34938  
records may only be disclosed or provided to law enforcement for 34939  
the limited purpose of determining an individual's qualification 34940  
or disqualification for employment in law enforcement. 34941

When any other entity other than the bureau of criminal 34942  
identification and investigation receives notice from a court 34943  
that the record of a conviction or bail forfeiture has been 34944  
expunged under this section, the entity shall destroy, delete, 34945  
and erase the record as appropriate for the record's physical or 34946  
electronic form or characteristic so that the record is 34947  
permanently irretrievable. 34948

**Sec. 2967.12.** (A) Except as provided in division (G) of 34949  
this section, at least sixty days before the adult parole 34950  
authority recommends any pardon or commutation of sentence, or 34951  
grants any parole, the authority shall provide a notice of the 34952  
pendency of the pardon, commutation, or parole, setting forth 34953  
the name of the person on whose behalf it is made, the offense 34954  
of which the person was convicted or to which the person pleaded 34955  
guilty, the time of conviction or the guilty plea, and the term 34956  
of the person's sentence, to the prosecuting attorney and the 34957  
judge of the court of common pleas of the county in which the 34958  
indictment against the person was found. If there is more than 34959  
one judge of that court of common pleas, the authority shall 34960  
provide the notice to the presiding judge. Upon the request of 34961  
the prosecuting attorney or of any law enforcement agency, the 34962  
authority shall provide to the requesting prosecuting attorney 34963  
and law enforcement agencies an institutional summary report 34964  
that covers the subject person's participation while confined in 34965  
a state correctional institution in training, work, and other 34966  
rehabilitative activities and any disciplinary action taken 34967  
against the person while so confined. The department of 34968  
rehabilitation and correction may utilize electronic means to 34969  
provide this notice. The department of rehabilitation and 34970  
correction, at the same time that it provides the notice to the 34971  
prosecuting attorney and judge under this division, also shall 34972

post on the database it maintains pursuant to section 5120.66 of 34973  
the Revised Code the offender's name and all of the information 34974  
specified in division (A) (1) (c) (iii) of that section. 34975

(B) If a request for notification has been made pursuant 34976

parole authority also shall provide notice to the victim or the 34979  
victim's representative at least sixty days prior to 34980  
recommending any pardon or commutation of sentence for, or 34981  
granting any parole to, the person. The notice shall include the 34982  
information required by division (A) of this section and may be 34983  
provided by telephone or through electronic means. The notice 34984  
also shall inform the victim or the victim's representative that 34985  
the victim or representative may send a written statement 34986  
relative to the victimization and the pending action to the 34987  
adult parole authority and that, if the authority receives any 34988  
written statement prior to recommending a pardon or commutation 34989  
or granting a parole for a person, the authority will consider 34990  
the statement before it recommends a pardon or commutation or 34991  
grants a parole. All written and oral statements provided by a 34992  
victim or victim's representative to the department of 34993  
rehabilitation and correction in connection with the pendency of 34994  
any pardon, commutation, or parole are confidential and 34995  
privileged and are not subject to subpoena or discovery, 34996

full board hearing of the parole board may be held and that the 35001  
victim or victim's representative may contact the office of 35002

offense of violence that is a felony of the first, second, or 35006  
third degree, or an offense punished by a sentence of life 35007  
imprisonment, the notice shall inform the victim of that 35008  
offense, the victim's representative, or a member of the 35009  
victim's immediate family that the victim, the victim's 35010  
representative, and the victim's immediate family have the right 35011  
to give testimony at a full board hearing of the parole board 35012  
and that the victim or victim's representative may contact the 35013  
office of victims' services for further information. 35014

(C) When notice of the pendency of any pardon, commutation 35015  
of sentence, or parole has been provided to a judge or 35016  
prosecutor or posted on the database as required in division (A) 35017  
of this section and a hearing on the pardon, commutation, or 35018  
parole is continued to a date certain, the authority shall 35019  
provide notice of the further consideration of the pardon, 35020  
commutation, or parole at least sixty days before the further 35021  
consideration. The notice of the further consideration shall be 35022  
provided to the proper judge and prosecuting attorney at least 35023  
sixty days before the further consideration, and may be provided 35024  
using electronic means, and, if the initial notice was posted on 35025  
the database as provided in division (A) of this section, the 35026  
notice of the further consideration shall be posted on the 35027  
database at least sixty days before the further consideration. 35028  
If the prosecuting attorney or a law enforcement agency was 35029  
provided a copy of the institutional summary report relative to 35030  
the subject person under division (A) of this section, the 35031  
authority shall include with the notice of the further 35032  
consideration sent to the prosecuting attorney any new 35033  
information with respect to the person that relates to 35034

activities and actions of the person that are of a type covered 35035  
by the report and shall send to the law enforcement agency a 35036  
report that provides notice of the further consideration and 35037  
includes any such new information with respect to the person. 35038  
When notice of the pendency of any pardon, commutation, or 35039  
parole has been given as provided in division (B) of this 35040  
section and the hearing on it is continued to a date certain, 35041  
the authority shall give notice of the further consideration to 35042  
the victim or the victim's representative in accordance with 35043  
section 2930.03 of the Revised Code. 35044

(D) In case of an application for the pardon or 35045  
commutation of sentence of a person sentenced to capital 35046  
punishment, the governor may modify the requirements of 35047  
notification and publication if there is not sufficient time for 35048  
compliance with the requirements before the date fixed for the 35049  
execution of sentence. 35050

(E) If an offender is serving a prison term imposed under 35051  
division (A) (3), (B) (1) (a), (b), or (c), (B) (2) (a), (b), or (c), 35052  
or (B) (3) (a), (b), (c), or (d) of section 2971.03 of the Revised 35053  
Code and if the parole board terminates its control over the 35054  
offender's service of that term pursuant to section 2971.04 of 35055  
the Revised Code, the parole board immediately shall provide 35056  
written notice of its termination of control or the transfer of 35057  
control to the entities and persons specified in section 2971.04 35058  
of the Revised Code. 35059

(F) The failure of the adult parole authority to comply 35060  
with the notice or posting provisions of division (A), (B), or 35061  
(C) of this section or the failure of the parole board to comply 35062  
with the notice provisions of division (E) of this section do 35063  
not give any rights or any grounds for appeal or post-conviction 35064

relief to the person serving the sentence. 35065

(G) Divisions (A), (B), and (C) of this section do not 35066  
apply to any release of a person that is of the type described 35067  
in division (B) (2) (b) of section 5120.031 of the Revised Code. 35068

(H) If a defendant is incarcerated for the commission of 35069  
aggravated murder, murder, or an offense of violence that is a 35070  
felony of the first, second, or third degree or is under a 35071  
sentence of life imprisonment, except as otherwise provided in 35072  
this division, the notice described in division (B) of this 35073  
section shall be given to the victim or victim's representative 35074  
regardless of whether the victim or victim's representative has 35075  
made a request for notification. The notice described in 35076  
division (B) of this section shall not be given under this 35077  
division to a victim or victim's representative if the victim or 35078  
victim's representative has requested pursuant to division (B) 35079  
(2) of section 2930.03 of the Revised Code that the victim or 35080  
the victim's representative not be provided the notice. The 35081  
notice described in division (B) of this section does not have 35082  
to be given under this division to a victim or victim's 35083  
representative if notice was given to the victim or victim's 35084  
representative with respect to at least two prior considerations 35085  
of pardon, commutation, or parole of a person and the victim or 35086  
victim's representative did not provide any written statement 35087  
relative to the victimization and the pending action, did not 35088  
attend any hearing conducted relative to the pending action, and 35089  
did not otherwise respond to the office with respect to the 35090  
pending action. Regardless of whether the victim or victim's 35091  
representative has requested that the notice described in 35092  
division (B) of this section be provided or not be provided, the 35093  
office of victim services or adult parole authority shall give 35094  
similar notice to the law enforcement agency that arrested the 35095

defendant if any officer of that agency was a victim of the 35096  
offense and to any member of the victim's immediate family who 35097  
requests notification. If notice is to be given under this 35098  
division, the office or authority may give the notice by any 35099  
reasonable means, including regular mail, telephone, and 35100  
electronic mail, in accordance with division (D) (1) of section 35101  
2930.16 of the Revised Code. If the notice is based on an 35102  
offense committed prior to March 22, 2013, the notice to the 35103  
victim or victim's representative also shall include the opt-out 35104  
information described in division (D) (1) of section 2930.16 of 35105  
the Revised Code. The office or authority, in accordance with 35106  
division (D) (2) of section 2930.16 of the Revised Code, shall 35107  
keep a record of all attempts to provide the notice, and of all 35108  
notices provided, under this division. 35109

which division (H) of this section was enacted, shall be known 35117  
as "Roberta's Law." 35118

(I) In addition to and independent of the right of a 35119  
victim to make a statement as described in division (A) of this 35120

and any other right or duty of a person to present information 35128  
or make a statement, any person may send to the adult parole 35129  
authority at any time prior to the authority's recommending a 35130  
pardon or commutation or granting a parole for the offender a 35131

(J) As used in this section, "victim's immediate family" 35134  
means the mother, father, spouse, sibling, or child of the 35135

For post-release control to be imposed, the offender must be committed to the department of rehabilitation and correction as set forth in section 5120.16 of the Revised Code. This division applies with respect to all prison terms of a type described in this division, including a term of any such type that is a risk reduction sentence. If a court imposes a sentence including a prison term of a type described in this division on or after July 11, 2006, the failure of a sentencing court to notify the offender pursuant to division (B) (2) (d) of section 2929.19 of the Revised Code of this requirement or to include in the judgment of conviction entered on the journal a statement that the offender's sentence includes this requirement does not negate, limit, or otherwise affect the mandatory period of supervision that is required for the offender under this division. of a type described in this division, including a non-life 35186  
felony indefinite prison term. Section 2929.191 of the Revised 35187  
Code applies if, prior to July 11, 2006, a court imposed a 35188  
sentence including a prison term of a type described in this 35189  
division and failed to notify the offender pursuant to division 35190  
(B) (2) (d) of section 2929.19 of the Revised Code regarding post- 35191  
release control or to include in the judgment of conviction 35192  
entered on the journal or in the sentence pursuant to division 35193  
(D) (1) of section 2929.14 of the Revised Code a statement 35194  
regarding post-release control. Unless reduced by the parole 35195  
board pursuant to division (D) of this section when authorized 35196  
under that division, a period of post-release control required 35197  
by this division for an offender shall be of one of the 35198  
following periods: 35199

(1) For a felony sex offense, five years; 35200

(2) For a felony of the first degree that is not a felony 35201  
sex offense, up to five years, but not less than two years; 35202

not less than one year. 35208

(C) Any sentence to a prison term for a felony of the 35209  
third, fourth, or fifth degree that is not subject to division 35210  
(B) (1) or (4) of this section shall include a requirement that 35211  
the offender be subject to a period of post-release control of 35212  
up to two years after the offender's release from imprisonment, 35213  
if the parole board, in accordance with division (D) of this 35214

section, determines that a period of post-release control is 35215  
necessary for that offender. For post-release control to be 35216  
imposed, the offender must be committed to the department of 35217  
rehabilitation and correction as set forth in section 5120.16 of 35218  
the Revised Code. This division applies with respect to all 35219  
prison terms of a type described in this division, including a 35220  
term of any such type that is a risk reduction sentence. Section 35221  
2929.191 of the Revised Code applies if, prior to July 11, 2006, 35222  
a court imposed a sentence including a prison term of a type 35223  
described in this division and failed to notify the offender 35224  
pursuant to division (B) (2) (e) of section 2929.19 of the Revised 35225  
Code regarding post-release control or to include in the 35226  
judgment of conviction entered on the journal or in the sentence 35227  
pursuant to division (D) (2) of section 2929.14 of the Revised 35228  
Code a statement regarding post-release control. Pursuant to an 35229  
agreement entered into under section 2967.29 of the Revised 35230  
Code, a court of common pleas or parole board may impose 35231  
sanctions or conditions on an offender who is placed on post- 35232  
release control under this division. 35233

(D) (1) Before the prisoner is released from imprisonment, 35234  
the parole board or, pursuant to an agreement under section 35235  
2967.29 of the Revised Code, the court shall impose on a 35236  
prisoner described in division (B) of this section, shall impose 35237  
on a prisoner described in division (C) of this section who is 35238  
to be released before the expiration of the prisoner's stated 35239  
prison term under a risk reduction sentence, may impose on a 35240  
prisoner described in division (C) of this section who is not to 35241  
be released before the expiration of the prisoner's stated 35242  
prison term under a risk reduction sentence, and shall impose on 35243  
a prisoner described in division (B) (2) (b) of section 5120.031 35244  
or in division (B) (1) of section 5120.032 of the Revised Code, 35245

one or more post-release control sanctions to apply during the 35246  
prisoner's period of post-release control. Whenever the board or 35247  
court imposes one or more post-release control sanctions on a 35248  
prisoner, the board or court, in addition to imposing the 35249  
sanctions, also shall include as a condition of the post-release 35250  
control that the offender not leave the state without permission 35251  
of the court or the offender's parole or probation officer and 35252  
that the offender abide by the law. The board or court may 35253  
impose any other conditions of release under a post-release 35254  
control sanction that the board or court considers appropriate, 35255  
and the conditions of release may include any community 35256  
residential sanction, community nonresidential sanction, or 35257  
financial sanction that the sentencing court was authorized to 35258  
impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the 35259  
Revised Code. Prior to the release of a prisoner for whom it 35260  
will impose one or more post-release control sanctions under 35261  
this division, the parole board or court shall review the 35262  
prisoner's criminal history, results from the single validated 35263  
risk assessment tool, and the record of the prisoner's conduct 35264  
while imprisoned. The parole board or court shall consider any 35265  
recommendation regarding post-release control sanctions for the 35266  
prisoner made by the office of victims' services. After 35267  
considering those materials, the board or court shall determine, 35268  
for a prisoner described in division (B) of this section, 35269  
division (B) (2) (b) of section 5120.031, or division (B) (1) of 35270  
section 5120.032 of the Revised Code and for a prisoner 35271  
described in division (C) of this section who is to be released 35272  
before the expiration of the prisoner's stated prison term under 35273  
a risk reduction sentence, which post-release control sanction 35274  
or combination of post-release control sanctions is reasonable 35275  
under the circumstances or, for a prisoner described in division 35276  
(C) of this section who is not to be released before the 35277

expiration of the prisoner's stated prison term under a risk 35278  
reduction sentence, whether a post-release control sanction is 35279  
necessary and, if so, which post-release control sanction or 35280  
combination of post-release control sanctions is reasonable 35281  
under the circumstances. In the case of a prisoner convicted of 35282  
a felony of the fourth or fifth degree other than a felony sex 35283  
offense, the board or court shall presume that monitored time is 35284  
the appropriate post-release control sanction unless the board 35285  
or court determines that a more restrictive sanction is 35286  
warranted. A post-release control sanction imposed under this 35287  
division takes effect upon the prisoner's release from 35288  
imprisonment. 35289

Regardless of whether the prisoner was sentenced to the 35290  
prison term prior to, on, or after July 11, 2006, prior to the 35291  
release of a prisoner for whom it will impose one or more post- 35292  
release control sanctions under this division, the parole board 35293  
shall notify the prisoner that, if the prisoner violates any 35294  
sanction so imposed or any condition of post-release control 35295  
described in division (B) of section 2967.131 of the Revised 35296  
Code that is imposed on the prisoner, the parole board may 35297  
impose a prison term of up to one-half of the stated prison term 35298  
originally imposed on the prisoner. 35299

At least thirty days before the prisoner is released from 35300  
imprisonment under post-release control, except as otherwise 35301  
provided in this paragraph, the department of rehabilitation and 35302  
correction shall notify the victim and the victim's immediate 35303  
family of the date on which the prisoner will be released, the 35304  
period for which the prisoner will be under post-release control 35305  
supervision, and the terms and conditions of the prisoner's 35306  
post-release control regardless of whether the victim or 35307  
victim's immediate family has requested the notification. The 35308

notice described in this paragraph shall not be given to a 35309  
victim or victim's immediate family if the victim or the 35310  
victim's immediate family has requested pursuant to division (B) 35311  
(2) of section 2930.03 of the Revised Code that the notice not 35312  
be provided to the victim or the victim's immediate family. At 35313  
least thirty days before the prisoner is released from 35314  
imprisonment and regardless of whether the victim or victim's 35315  
immediate family has requested that the notice described in this 35316  
paragraph be provided or not be provided to the victim or the 35317  
victim's immediate family, the department also shall provide 35318  
notice of that nature to the prosecuting attorney in the case 35319  
and the law enforcement agency that arrested the prisoner if any 35320  
officer of that agency was a victim of the offense. 35321

If the notice given under the preceding paragraph to the 35322  
victim or the victim's immediate family is based on an offense 35323  
committed prior to March 22, 2013, and if the department of 35324  
rehabilitation and correction has not previously successfully 35325  
provided any notice to the victim or the victim's immediate 35326  
family under division (B), (C), or (D) of section 2930.16 of the 35327  
Revised Code with respect to that offense and the offender who 35328  
committed it, the notice also shall inform the victim or the 35329  
victim's immediate family that the victim or the victim's 35330  
immediate family may request that the victim or the victim's 35331  
immediate family not be provided any further notices with 35332  
respect to that offense and the offender who committed it and 35333

Revised Code, shall keep a record of all attempts to provide the 35353  
notice, and of all notices provided, under this paragraph and 35354  
the preceding paragraph. The record shall be considered as if it 35355  
was kept under division (D) (2) of section 2930.16 of the Revised 35356  
Code. This paragraph, the preceding paragraph, and the notice- 35357

of section 5149.101 of the Revised Code enacted in the act in 35363  
which this paragraph and the preceding paragraph were enacted, 35364  
shall be known as "Roberta's Law." 35365

(2) If a prisoner who is placed on post-release control 35366  
under this section is released before the expiration of the 35367  
definite term that is the prisoner's stated prison term or the 35368  
expiration of the minimum term that is part of the prisoner's 35369  
indefinite prison term imposed under a non-life felony 35370

indefinite prison term by reason of credit earned under section 35371  
2967.193 or 2967.194 or a reduction under division (F) of 35372  
section 2967.271 of the Revised Code and if the prisoner earned 35373  
sixty or more days of credit, the adult parole authority may 35374  
supervise the offender with an active global positioning system 35375  
device for the first fourteen days after the offender's release 35376  
from imprisonment. This division does not prohibit or limit the 35377  
imposition of any post-release control sanction otherwise 35378  
authorized by this section. 35379

(3) After a prisoner is released from imprisonment and 35380  
during the period of post-release control applicable to the 35381  
releasee, the adult parole authority or, pursuant to an 35382  
agreement under section 2967.29 of the Revised Code, the court 35383  
may review the releasee's behavior under the post-release 35384  
control sanctions imposed upon the releasee under this section. 35385  
The authority or court may determine, based upon the review and 35386  
in accordance with the standards established under division (E) 35387  
of this section, that the releasee has satisfactorily complied 35388  
with the sanctions imposed, and if such a determination is made, 35389  
the authority may recommend a less restrictive sanction, reduce 35390  
the period of post-release control, or, no sooner than the 35391  
minimum period of time required under section 2967.16 of the 35392  
Revised Code, recommend that the parole board or court terminate 35393  
the duration of the period of post-release control. In no case 35394  
shall the board or court reduce the duration of the period of 35395  
control imposed for a felony sex offense described in division 35396  
(B) (1) of this section. 35397

(4) The department of rehabilitation and correction shall 35398  
develop factors that the parole board or court shall consider in 35399  
determining under division (D) (3) of this section whether to 35400  
terminate the period of control imposed on a releasee. 35401

(E) The department of rehabilitation and correction, in accordance with Chapter 119. of the Revised Code, shall adopt rules that do all of the following:

(1) Establish standards for the imposition by the parole board of post-release control sanctions under this section that are consistent with the overriding purposes and sentencing principles set forth in section 2929.11 of the Revised Code and that are appropriate to the needs of releasees;

(2) Establish standards that provide for a period of post-release control of up to two years for all prisoners described in division (C) of this section who are to be released before the expiration of their stated prison term under a risk reduction sentence and standards by which the parole board can determine which prisoners described in division (C) of this section who are not to be released before the expiration of their stated prison term under a risk reduction sentence should be placed under a period of post-release control;

(3) Establish standards to be used by the parole board in reducing or terminating the duration of the period of post-release control imposed by the court when authorized under division (D) of this section, in imposing a more restrictive post-release control sanction than monitored time on a prisoner convicted of a felony of the fourth or fifth degree other than a felony sex offense, or in imposing a less restrictive control sanction on a releasee based on results from the single validated risk assessment tool and on the releasee's activities including, but not limited to, remaining free from criminal activity and from the abuse of alcohol or other drugs, successfully participating in approved rehabilitation programs, maintaining employment, and paying restitution to the victim or

meeting the terms of other financial sanctions; 35432

(4) Establish standards to be used by the adult parole 35433  
authority in modifying a releasee's post-release control 35434  
sanctions pursuant to division (D)(2) of this section; 35435

(5) Establish standards to be used by the adult parole 35436  
authority or parole board in imposing further sanctions under 35437  
division (F) of this section on releasees who violate post- 35438  
release control sanctions, including standards that do the 35439  
following: 35440

(a) Classify violations according to the degree of 35441  
seriousness; 35442

(b) Define the circumstances under which formal action by 35443  
the parole board is warranted; 35444

(c) Govern the use of evidence at violation hearings; 35445

(d) Ensure procedural due process to an alleged violator; 35446

(e) Prescribe nonresidential community control sanctions 35447  
for most misdemeanor and technical violations; 35448

(f) Provide procedures for the return of a releasee to 35449  
imprisonment for violations of post-release control. 35450

(F)(1) Whenever the parole board imposes one or more post- 35451  
release control sanctions on an offender under this section, the 35452  
offender upon release from imprisonment shall be under the 35453  
general jurisdiction of the adult parole authority and generally 35454  
shall be supervised by the field services section through its 35455  
staff of parole and field officers as described in section 35456  
5149.04 of the Revised Code, as if the offender had been placed 35457  
on parole. If the offender upon release from imprisonment 35458  
violates the post-release control sanction or any conditions 35459

described in division (A) of section 2967.131 of the Revised Code that are imposed on the offender, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation directly to the adult parole authority or to the officer of the authority who supervises the offender. The authority's officers may treat the offender as if the offender were on parole and in violation of the parole, and otherwise shall comply with this section.

(2) If the adult parole authority or, pursuant to an agreement under section 2967.29 of the Revised Code, the court determines that a releasee has violated a post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code imposed on the releasee and that a more restrictive sanction is appropriate, the authority or court may impose a more restrictive sanction on the releasee, in accordance with the standards established under division (E) of this section or in accordance with the agreement made under section 2967.29 of the Revised Code, or may report the violation to the parole board for a hearing pursuant to division (F) (3) of this section. The authority or court may not, pursuant to this division, increase the duration of the releasee's post-release control or impose as a post-release control sanction a residential sanction that includes a prison term, but the authority or court may impose on the releasee any other residential sanction, nonresidential sanction, or financial sanction that the sentencing court was authorized to impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the Revised Code.

(3) The parole board or, pursuant to an agreement under section 2967.29 of the Revised Code, the court may hold a

hearing on any alleged violation by a releasee of a post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code that are imposed upon the releasee. Except as otherwise provided in this division, if after the hearing the board or court finds that the releasee violated the sanction or condition, the board or court may increase the duration of the releasee's post-release control up to the maximum duration authorized by division (B) or (C) of this section or impose a more restrictive post-release control sanction. If a releasee was acting pursuant to division (B) (2) (b) of section 2925.11 or a related provision of section 2925.12, 2925.14, or 2925.141 of the Revised Code and in so doing violated the conditions of a post-release control sanction based on a minor drug possession offense, as defined in that section, or violated section 2925.12, division (C) (1) of section 2925.14, or section 2925.141 of the Revised Code, the board or the court shall not impose any of the penalties described in this division based on the violation. When appropriate, the board or court may impose as a post-release control sanction a residential sanction that includes a prison term. The board or court shall consider a prison term as a post-release control sanction imposed for a violation of post-release control when the violation involves a deadly weapon or dangerous ordnance, physical harm or attempted serious physical harm to a person, or sexual misconduct. Unless a releasee's stated prison term was reduced pursuant to section 5120.032 of the Revised Code, the period of a prison term that is imposed as a post-release control sanction under this division shall not exceed nine months, and the maximum cumulative prison term for all violations under this division shall not exceed one-half of the definite prison term that was the stated prison term originally imposed on the offender as part of this sentence or, with

respect to a stated non-life felony indefinite prison term, one- 35523  
half of the minimum prison term that was imposed as part of that 35524  
stated prison term originally imposed on the offender. If a 35525  
releasee's stated prison term was reduced pursuant to section 35526  
5120.032 of the Revised Code, the period of a prison term that 35527  
is imposed as a post-release control sanction under this 35528  
division and the maximum cumulative prison term for all 35529  
violations under this division shall not exceed the period of 35530  
time not served in prison under the sentence imposed by the 35531  
court. The period of a prison term that is imposed as a post- 35532  
release control sanction under this division shall not count as, 35533  
or be credited toward, the remaining period of post-release 35534  
control. If, during the period of the releasee's post-release 35535  
control, the releasee serves as a post-release control sanction 35536  
the maximum prison time available as a sanction, the post- 35537  
release control shall terminate. 35538

If an offender is imprisoned for a felony committed while 35539  
under post-release control supervision and is again released on 35540  
post-release control for a period of time, the maximum 35541  
cumulative prison term for all violations under this division 35542  
shall not exceed one-half of the total stated prison terms of 35543  
the earlier felony, reduced by any prison term administratively 35544  
imposed by the parole board or court, plus one-half of the total 35545  
stated prison term of the new felony. 35546

(G) (1) If an offender is simultaneously subject to a 35547  
period of parole under an indefinite or life sentence and a 35548  
period of post-release control, or is simultaneously subject to 35549  
two periods of post-release control, the period of supervision 35550  
that expires last shall determine the length and form of 35551  
supervision for all the periods and the related sentences. 35552

(2) An offender shall receive credit for post-release control supervision during the period of parole, and shall not be eligible for final release under section 2967.16 of the Revised Code until the post-release control period otherwise would have ended.

(3) If the period of parole ends prior to the end of the period of post-release control, the requirements of parole supervision shall be satisfied during the post-release control period.

(H) (1) A period of post-release control shall not be imposed consecutively to any other post-release control period.

(2) The period of post-release control for a releasee who commits a felony while under post-release control for an earlier felony shall be the longer of the period of post-release control specified for the new felony under division (B) or (C) of this section or the time remaining under the period of post-release control imposed for the earlier felony as determined by the parole board or court.

of education shall utilize any student's failure to attain a 37258

higher grade level. However, a district board may choose not to 37261  
promote to the next grade level any student who does not take an 37262  
assessment administered under this section or make up an 37263

that assessment, but in no case shall the scores be returned 37305  
later than the fifteenth day of June following the 37306  
administration; 37307

(c) In the case of the writing component of an assessment 37308  
or end-of-course examination in the area of English language 37309

the department or an entity with which the department contracts 37355

district that provides for the administration of any assessment 37382  
prescribed under this section to both of the following: 37383

(b) Any chartered nonpublic school that enrolls students 37412

(A) of section 3301.0710 of the Revised Code. 37416

Each chartered nonpublic school subject to division (K) (1) 37417  
(a) or (b) of this section shall report the results of each 37418  
assessment administered under those divisions to the department. 37419

(2) A chartered nonpublic school may submit to the 37420  
director of education and workforce a request for a waiver from 37421  
administering the elementary assessments prescribed by division 37422  
(A) of section 3301.0710 of the Revised Code. The director shall 37423  
approve or disapprove a request for a waiver submitted under 37424  
division (K) (2) of this section. 37425

To be eligible to submit a request for a waiver, a 37426  
chartered nonpublic school shall meet the following conditions: 37427

standardized norm-referenced achievement assessments that 37444  
measure reading and math skills. 37445

(3) Any chartered nonpublic school that is not subject to 37446  
division (K)(1) of this section may participate in the 37447  
assessment program by administering any of the assessments 37448  
prescribed by division (A) of section 3301.0710 of the Revised 37449  
Code. The chief administrator of the school shall specify which 37450  
assessments the school will administer. Such specification shall 37451  
be made in writing to the director prior to the first day of 37452  
August of any school year in which assessments are administered 37453

public schools are required to do under this section and rules 37456  
adopted by the department. 37457

(4) The department shall furnish the assessments 37458  
prescribed by section 3301.0710 of the Revised Code to each 37459  
chartered nonpublic school that is subject to division (K)(1) of 37460  
this section or participates under division (K)(3) of this 37461

state scholarship program, the student shall either take all of 37469  
the assessments prescribed by division (B) of section 3301.0712 37470  
of the Revised Code or take an alternative assessment approved 37471  
by the department under section 3313.619 of the Revised Code. 37472  
However, a student who is excused from taking an assessment 37473

under division (C) of this section or has presented evidence to 37474  
the chartered nonpublic school of having satisfied the condition 37475  
prescribed by division (A) (1) of section 3313.618 of the Revised 37476

required to take such assessment from taking the assessment. 37482

(2) For a student who is enrolled in a chartered nonpublic 37483  
school that is accredited through the independent schools 37484  
association of the central states, and who is not attending the 37485  
school under a state scholarship program, the student shall not 37486  
be required to take any assessment prescribed under section 37487  
3301.0712 or 3313.619 of the Revised Code. 37488

of this section, for a student who is enrolled in a chartered 37490  
nonpublic school that is not accredited through the independent 37491  
schools association of the central states, regardless of whether 37492  
the student is attending or is not attending the school under a 37493  
state scholarship program, the student shall do one of the 37494

each graduating class. The published results of that assessment 37501  
shall include the overall composite scores, mean scores, twenty- 37502  
fifth percentile scores, and seventy-fifth percentile scores for 37503

each subject area of the assessment. 37504

(iii) Take an alternative assessment approved by the 37505  
department under section 3313.619 of the Revised Code. 37506

(b) A student who is excused from taking an assessment 37507  
under division (C) of this section or has presented evidence to 37508  
the chartered nonpublic school of having satisfied the condition 37509  
prescribed by division (A) (1) of section 3313.618 of the Revised 37510  
Code to qualify for a high school diploma prior to the date of 37511  
the administration of the assessment prescribed under division 37512  
(B) (1) of section 3301.0712 of the Revised Code shall not be 37513  
required to take that assessment. No governing authority of a 37514  
chartered nonpublic school shall prohibit a student who is not 37515

(b) The school has solely served a student population 37530  
described in division (L) (4) (a) of this section for at least ten 37531  
years. 37532

(c) The school makes available to the department at least 37533  
five years of records of internal testing conducted by the 37534  
school that affords the department data required for 37535  
accountability purposes, including growth in student achievement 37536  
in reading or mathematics, or both, as measured by nationally 37537  
norm-referenced assessments that have developed appropriate 37538  
standards for students. 37539

Division (L) (4) of this section applies to any student 37540  
attending such school regardless of whether the student receives 37541  
special education or related services and regardless of whether 37542

recent consecutive three school years of data. 37659

(2) "Dropout" means a student who withdraws from school 37660  
before completing course requirements for graduation and who is 37661

of the district for reasons other than dropout are subtracted 37669  
from the calculation. If a student who was a dropout in any 37670  
previous year returns to the same school district, that student 37671

pilot project scholarship program established under sections 37681  
3313.974 to 3313.979 of the Revised Code. 37682

(5) "Other public school" means a community school 37683  
established under Chapter 3314., a STEM school established under 37684  
Chapter 3326., or a college-preparatory boarding school 37685  
established under Chapter 3328. of the Revised Code. 37686

(6) "English learner" has the same meaning as in section 37687  
3301.0731 of the Revised Code. 37688

(7) "Classical school" has the same meaning as in section 37689  
3317.02 of the Revised Code. 37690

**Sec. 3301.0712.** (A) The department of education and 37691  
workforce and the chancellor of higher education shall develop a 37692  
system of college and work ready assessments as described in 37693  
division (B) of this section to assess whether each student upon 37694  
graduating from high school is ready to enter college or the 37695  
workforce. Beginning with students who enter the ninth grade for 37696  
the first time on or after July 1, 2014, the system shall 37697  
replace the Ohio graduation tests prescribed in division (B)(1) 37698  
of section 3301.0710 of the Revised Code as a measure of student 37699  
academic performance and one determinant of eligibility for a 37700  
high school diploma in the manner prescribed by rule adopted 37701  
under division (D) of this section. 37702

(B) The college and work ready assessment system shall 37703  
consist of the following: 37704

(1) (a) Except as provided in division (B)(1)(b) of this 37705  
section, nationally standardized assessments that measure 37706  
college and career readiness and are used for college admission. 37707

The assessments shall be selected jointly by the department and the chancellor, and one of which shall be selected by each school district or school to administer to its students. The assessments prescribed under division (B)(1) of this section shall be administered to all eleventh-grade students in the spring of the school year.

(b) Beginning with students who enter the ninth grade for the first time on or after July 1, 2022, the parent or guardian of a student may elect not to have a nationally standardized assessment administered to that student. In that event, the student's school district or school shall not administer the nationally standardized assessment to that student.

(2)(a) Except as provided in division (B)(2)(b) of this section, seven end-of-course examinations, one in each of the areas of English language arts I, English language arts II, science, Algebra I, geometry, American history, and American government. The end-of-course examinations shall be selected jointly by the department and the chancellor in consultation with faculty in the appropriate subject areas at institutions of higher education of the university system of Ohio. Advanced placement examinations and international baccalaureate examinations, as prescribed under section 3313.6013 of the Revised Code, in the areas of science, American history, and American government may be used as end-of-course examinations in accordance with division (B)(4)(a)(i) of this section. Final course grades for courses taken under any other advanced standing program, as prescribed under section 3313.6013 of the Revised Code, in the areas of science, American history, and American government may be used in lieu of end-of-course examinations in accordance with division (B)(4)(a)(ii) of this section.

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2019, five end-of-course examinations, one in each areas of English language arts II, science, Algebra I, American history, and American government. However, only the end-of-course examinations in English language arts II and Algebra I shall be required for graduation.

The department shall, as necessary to implement division (B) (2) (b) of this section, seek a waiver from the United States secretary of education for testing requirements prescribed under federal law to allow for the use and implementation of Algebra I as the primary assessment of high school mathematics. If the department does not receive a waiver under this division, the end-of-course examinations for students described in division (B) (2) (b) of this section also shall include an end-of-course examination in the area of geometry. However, the geometry end-of-course examination shall not be required for graduation.

(3) The end-of-course examinations in American history and American government shall require demonstration of mastery of the American history and American government content for social studies standards adopted under division (A) (1) (b) of section 3301.079 of the Revised Code and the topics required under division (M) of section 3313.603 of the Revised Code.

At least twenty per cent of the end-of-course examination in American government shall address the topics on American history and American government described in division (M) of section 3313.603 of the Revised Code.

(4) (a) Notwithstanding anything to the contrary in this section, both of the following shall apply:

(i) If a student is enrolled in an appropriate advanced

placement or international baccalaureate course, that student 37768  
shall take the advanced placement or international baccalaureate 37769  
examination in lieu of the science, American history, or 37770  
American government end-of-course examinations prescribed under 37771  
division (B) (2) of this section. The department shall specify 37772  
the score levels for each advanced placement examination and 37773  
international baccalaureate examination for purposes of 37774  
calculating the minimum cumulative performance score that 37775  
demonstrates the level of academic achievement necessary to earn 37776  
a high school diploma. 37777

(ii) If a student is enrolled in an appropriate course 37778  
under any other advanced standing program, as described in 37779  
section 3313.6013 of the Revised Code, that student shall not be 37780  
required to take the science, American history, or American 37781  
government end-of-course examination, whichever is applicable, 37782  
prescribed under division (B) (2) of this section. Instead, that 37783  
student's final course grade shall be used in lieu of the 37784  
applicable end-of-course examination prescribed under that 37785  
section. The department, in consultation with the chancellor, 37786  
shall adopt guidelines for purposes of calculating the 37787  
corresponding final course grades that demonstrate the level of 37788  
academic achievement necessary to earn a high school diploma. 37789

Division (B) (4) (a) (ii) of this section shall apply only to 37790  
courses for which students receive transcribed credit, as 37791  
defined in section 3365.01 of the Revised Code. It shall not 37792  
apply to remedial or developmental courses. 37793

(b) No student shall take a substitute examination or 37794  
examination prescribed under division (B) (4) (a) of this section 37795  
in place of the end-of-course examinations in English language 37796  
arts I, English language arts II, Algebra I, or geometry 37797

prescribed under division (B) (2) of this section. 37798

(c) The department shall consider additional assessments 37799  
that may be used as substitute examinations in lieu of the end- 37800  
of-course examinations prescribed under division (B) (2) of this 37801  
section. 37802

(5) The department shall do all of the following: 37803

(a) Determine and designate at least five ranges of scores 37804  
on each of the end-of-course examinations prescribed under 37805  
division (B) (2) of this section, and substitute examinations 37806  
prescribed under division (B) (4) of this section. Not later than 37807  
sixty days after the designation of ranges of scores, the 37808  
director of education and workforce shall conduct a public 37809  
presentation before the standing committees of the house of 37810  
representatives and the senate that consider primary and 37811  
secondary education legislation regarding the designated range 37812  
of scores. Each range of scores shall be considered to 37813  
demonstrate a level of achievement so that any student attaining 37814  
a score within such range has achieved one of the following: 37815

(i) An advanced level of skill; 37816

(ii) An accomplished level of skill; 37817

(iii) A proficient level of skill; 37818

(iv) A basic level of skill; 37819

(v) A limited level of skill. 37820

(b) Determine a method by which to calculate a cumulative 37821  
performance score based on the results of a student's end-of- 37822  
course examinations or substitute examinations; 37823

(c) Determine the minimum cumulative performance score 37824

that demonstrates the level of academic achievement necessary to 37825  
earn a high school diploma under division (A) (2) of section 37826  
3313.618 of the Revised Code. However, no new minimum cumulative 37827  
performance score shall be determined after October 17, 2019. 37828

(d) Develop a table of corresponding score equivalents for 37829  
the end-of-course examinations and substitute examinations in 37830  
order to calculate student performance consistently across the 37831  
different examinations. 37832

A score of two on an advanced placement examination or a 37833  
score of two or three on an international baccalaureate 37834  
examination shall be considered equivalent to a proficient level 37835  
of skill as specified under division (B) (5) (a) (iii) of this 37836  
section. 37837

(6) (a) A student who meets both of the following 37838  
conditions shall not be required to take an end-of-course 37839  
examination: 37840

(i) The student received high school credit prior to July 37841  
1, 2015, for a course for which the end-of-course examination is 37842  
prescribed. 37843

(ii) The examination was not available for administration 37844  
prior to July 1, 2015. 37845

Receipt of credit for the course described in division (B) 37846  
(6) (a) (i) of this section shall satisfy the requirement to take 37847  
the end-of-course examination. A student exempted under division 37848  
(B) (6) (a) of this section may take the applicable end-of-course 37849  
examination at a later date. 37850

(b) For purposes of determining whether a student who is 37851  
exempt from taking an end-of-course examination under division 37852  
(B) (6) (a) of this section has attained the cumulative score 37853

prescribed by division (B) (5) (c) of this section, such student 37854  
shall select either of the following: 37855

(i) The student is considered to have attained a 37856  
proficient score on the end-of-course examination from which the 37857  
student is exempt; 37858

(ii) The student's final course grade shall be used in 37859  
lieu of a score on the end-of-course examination from which the 37860  
student is exempt. 37861

The department, in consultation with the chancellor, shall 37862  
adopt guidelines for purposes of calculating the corresponding 37863  
final course grades and the minimum cumulative performance score 37864  
that demonstrates the level of academic achievement necessary to 37865  
earn a high school diploma. 37866

(7) (a) Notwithstanding anything to the contrary in this 37867  
section, the department may replace the algebra I end-of-course 37868  
examination prescribed under division (B) (2) of this section 37869  
with an algebra II end-of-course examination, beginning with the 37870  
2016-2017 school year for students who enter ninth grade on or 37871  
after July 1, 2016. 37872

(b) If the department replaces the algebra I end-of-course 37873  
examination with an algebra II end-of-course examination as 37874  
authorized under division (B) (7) (a) of this section, both of the 37875  
following shall apply: 37876

(i) A student who is enrolled in an advanced placement or 37877  
international baccalaureate course in algebra II shall take the 37878  
advanced placement or international baccalaureate examination in 37879  
lieu of the algebra II end-of-course examination. 37880

(ii) A student who is enrolled in an algebra II course 37881  
under any other advanced standing program, as described in 37882

section 3313.6013 of the Revised Code, shall not be required to 37883  
take the algebra II end-of-course examination. Instead, that 37884  
student's final course grade shall be used in lieu of the 37885  
examination. 37886

(c) If a school district or school utilizes an integrated 37887  
approach to mathematics instruction, the district or school may 37888  
do either or both of the following: 37889

(i) Administer an integrated mathematics I end-of-course 37890  
examination in lieu of the prescribed algebra I end-of-course 37891  
examination; 37892

(ii) Administer an integrated mathematics II end-of-course 37893  
examination in lieu of the prescribed geometry end-of-course 37894  
examination. 37895

(8) (a) For students entering the ninth grade for the first 37896  
time on or after July 1, 2014, but prior to July 1, 2015, the 37897  
assessment in the area of science shall be physical science or 37898  
biology. For students entering the ninth grade for the first 37899  
time on or after July 1, 2015, the assessment in the area of 37900  
science shall be biology. 37901

(b) Until July 1, 2019, the department shall make 37902  
available the end-of-course examination in physical science for 37903  
students who entered the ninth grade for the first time on or 37904  
after July 1, 2014, but prior to July 1, 2015, and who wish to 37905  
retake the examination. 37906

(c) The department shall adopt rules prescribing the 37907  
requirements for the end-of-course examination in science for 37908  
students who entered the ninth grade for the first time on or 37909  
after July 1, 2014, but prior to July 1, 2015, and who have not 37910  
met the requirement prescribed by section 3313.618 of the 37911

Revised Code by July 1, 2019, due to a student's failure to 37912  
satisfy division (A) (2) of section 3313.618 of the Revised Code. 37913

(9) The department shall not develop or administer an end- 37914  
of-course examination in the area of world history. 37915

(10) The department, in consultation with the chancellor 37916  
and the governor's office of workforce transformation, shall 37917  
determine a competency score for both of the Algebra I and 37918  
English language arts II end-of-course examinations for the 37919  
purpose of graduation eligibility. 37920

(C) The department shall convene a group of national 37921  
experts, state experts, and local practitioners to provide 37922  
advice, guidance, and recommendations for the alignment of 37923  
standards and model curricula to the assessments and in the 37924  
design of the end-of-course examinations prescribed by this 37925  
section. 37926

(D) Upon completion of the development of the assessment 37927  
system, the department shall adopt rules prescribing all of the 37928

enable any data verification code to be matched to personally 38278  
identifiable student data. 38279

(ii) For the purpose of making per-pupil payments to 38280  
community schools under section 3317.022 of the Revised Code, 38281

enable any data verification code to be matched to personally 38283  
identifiable student data. 38284

(c) Each school district and community school shall ensure 38285  
that the data verification code is included in the student's 38286  
records reported to any subsequent school district, community 38287

school, or state institution of higher education, as defined in 38288  
section 3345.011 of the Revised Code, in which the student 38289  
enrolls. Any such subsequent district or school shall utilize 38290  
the same identifier in its reporting of data under this section. 38291

job and family services, mental health and addiction services, 38296  
children and youth, and developmental disabilities, shall 38297  
request and receive, pursuant to sections 3301.0723 and 5180.33 38298

of education and workforce, on behalf of a program that receives 38307  
public funds and provides services to children who are younger 38308  
than compulsory school age, may request and receive, pursuant to 38309  
section 3301.0723 of the Revised Code, a data verification code 38310  
for a child who is receiving services from the program. 38311

(E) The guidelines adopted under this section may require 38312  
school districts to collect and report data, information, or 38313  
reports other than that described in divisions (A), (B), and (C) 38314  
of this section for the purpose of complying with other 38315  
reporting requirements established in the Revised Code. The 38316  
other data, information, or reports may be maintained in the 38317

education management information system but are not required to 38318  
be compiled as part of the profile formats required under 38319  
division (G) of this section or the annual statewide report 38320  
required under division (H) of this section. 38321

(F) The board of education of each school district shall 38322  
annually collect and report to the department, in accordance 38323  
with the guidelines established by the department, the data 38324  
required pursuant to this section. A school district may collect 38325  
and report these data notwithstanding section 2151.357 or 38326  
3319.321 of the Revised Code. 38327

(G) The department shall, in accordance with the 38328  
procedures it adopts, annually compile the data reported by each 38329  
school district pursuant to division (D) of this section. The 38330  
department shall design formats for profiling each school 38331  
district as a whole and each school building within each 38332  
district and shall compile the data in accordance with these 38333  
formats. These profile formats shall: 38334

(1) Include all of the data gathered under this section in 38335  
a manner that facilitates comparison among school districts and 38336  
among school buildings within each school district; 38337

(2) Present the data on academic achievement levels as 38338  
assessed by the testing of student achievement maintained 38339  
pursuant to division (B) (1) (d) of this section. 38340

(H) (1) The department shall, in accordance with the 38341  
procedures it adopts, annually prepare a statewide report for 38342  
all school districts and the general public that includes the 38343

division (G) of this section. Copies of the report shall be sent 38345  
to each school district. 38346

(2) The department shall, in accordance with the 38347  
procedures it adopts, annually prepare an individual report for 38348  
each school district and the general public that includes the 38349  
profiles of each of the school buildings in that school district 38350  
developed pursuant to division (G) of this section. 38351

(I) Any data that is collected or maintained pursuant to 38352  
this section and that identifies an individual pupil is not a 38353  
public record for the purposes of section 149.43 of the Revised 38354  
Code. 38355

(J) As used in this section: 38356

(1) "School district" means any city, local, exempted 38357  
village, or joint vocational school district and, in accordance 38358  
with section 3314.17 of the Revised Code, any community school. 38359  
As used in division (L) of this section, "school district" also 38360  
includes any educational service center or other educational 38361

of the Revised Code. 38368

(K) Any person who removes data from the information 38369  
system established under this section for the purpose of 38370  
releasing it to any person not entitled under law to have access 38371  
to such information is subject to section 2913.42 of the Revised 38372  
Code prohibiting tampering with data. 38373

(L) (1) In accordance with division (L) (2) of this section 38374  
and the rules adopted under division (L) (10) of this section, 38375

the department may sanction any school district that reports 38376  
incomplete or inaccurate data, reports data that does not 38377  
conform to data requirements and descriptions published by the 38378  
department, fails to report data in a timely manner, or 38379  
otherwise does not make a good faith effort to report data as 38380  
required by this section. 38381

(2) If the department decides to sanction a school 38382  
district under this division, the department shall take the 38383  
following sequential actions: 38384

(a) Notify the district in writing that the department has 38385  
determined that data has not been reported as required under 38386  
this section and require the district to review its data 38387  
submission and submit corrected data by a deadline established 38388  
by the department. The department also may require the district 38389

provisions for the district to provide mandatory staff training 38391  
on data reporting procedures. 38392

(b) Withhold up to ten per cent of the total amount of 38393

38415  
38416
- (vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the district has been sanctioned for failing to report data as required by this section; 38417  
38418  
38419  
38420
- (viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data submitted by the district likely caused the district to receive a higher performance rating than it deserved under that section, issue a revised report card for the district; 38421  
38422  
38423  
38424  
38425
- (ix) Any other action designed to correct the district's data reporting problems. 38426  
38427
- (3) Any time the department takes an action against a school district under division (L) (2) of this section, the department shall make a report of the circumstances that prompted the action. The department shall send a copy of the report to the district superintendent or chief administrator and 38428  
38429  
38430  
38431  
38432

maintain a copy of the report in its files. 38433

(4) If any action taken under division (L)(2) of this 38434  
section resolves a school district's data reporting problems to 38435  
the department's satisfaction, the department shall not take any 38436  
further actions described by that division. If the department 38437  
withheld funds from the district under that division, the 38438  
department may release those funds to the district, except that 38439  
if the department withheld funding under division (L)(2)(c) of 38440  
this section, the department shall not release the funds 38441

section, the department shall not release the funds withheld 38444  
under division (L)(2)(b) or (c) of this section. 38445

(5) Notwithstanding anything in this section to the 38446  
contrary, the department may use its own staff or an outside 38447  
entity to conduct an audit of a school district's data reporting 38448  
practices any time the department has reason to believe the 38449  
district has not made a good faith effort to report data as 38450  
required by this section. If any audit conducted by an outside 38451  
entity under division (L)(2)(d)(i) or (5) of this section 38452  
confirms that a district has not made a good faith effort to 38453  
report data as required by this section, the district shall 38454  
reimburse the department for the full cost of the audit. The 38455  
department may withhold state funds due to the district for this 38456  
purpose. 38457

(6) Prior to issuing a revised report card for a school 38458  
district under division (L)(2)(d)(viii) of this section, the 38459  
department may hold a hearing to provide the district with an 38460  
opportunity to demonstrate that it made a good faith effort to 38461  
report data as required by this section. The hearing shall be 38462

conducted by a referee appointed by the department. Based on the 38463  
information provided in the hearing, the referee shall recommend 38464  
whether the department should issue a revised report card for 38465  
the district. If the referee affirms the department's contention 38466  
that the district did not make a good faith effort to report 38467  
data as required by this section, the district shall bear the 38468  
full cost of conducting the hearing and of issuing any revised 38469  
report card. 38470

(7) If the department determines that any inaccurate data 38471  
reported under this section caused a school district to receive 38472  
excess state funds in any fiscal year, the district shall 38473  
reimburse the department an amount equal to the excess funds, in 38474  
accordance with a payment schedule determined by the department. 38475  
The department may withhold state funds due to the district for 38476  
this purpose. 38477

(8) Any school district that has funds withheld under 38478  
division (L)(2) of this section may appeal the withholding in 38479  
accordance with Chapter 119. of the Revised Code. 38480

(9) In all cases of a disagreement between the department 38481  
and a school district regarding the appropriateness of an action 38482  
taken under division (L)(2) of this section, the burden of proof 38483  
shall be on the district to demonstrate that it made a good 38484  
faith effort to report data as required by this section. 38485

(10) The director of education and workforce shall adopt 38486  
rules under Chapter 119. of the Revised Code to implement 38487  
division (L) of this section. 38488

(M) No information technology center or school district 38489  
shall acquire, change, or update its student administration 38490  
software package to manage and report data required to be 38491

reported to the department unless it converts to a student 38492  
software package that is certified by the department. 38493

(N) The state board of education, in accordance with 38494  
sections 3319.31 and 3319.311 of the Revised Code, may suspend 38495  
or revoke a license as defined under division (A) of section 38496  
3319.31 of the Revised Code that has been issued to any school 38497  
district employee found to have willfully reported erroneous, 38498  
inaccurate, or incomplete data to the education management 38499  
information system. 38500

(O) No person shall release or maintain any information 38501  
about any student in violation of this section. Whoever violates 38502  
this division is guilty of a misdemeanor of the fourth degree. 38503

~~(P) The department shall disaggregate the data collected 38504  
under division (B) (1) (n) of this section according to the race 38505  
and socioeconomic status of the students assessed. 38506~~

~~(Q) If the department cannot compile any of the 38507  
information required by division (I) of section 3302.03 of the 38508  
Revised Code based upon the data collected under this section, 38509  
the department shall develop a plan and a reasonable timeline 38510  
for the collection of any data necessary to comply with that 38511  
division. 38512~~

**Sec. 3301.0715.** (A) Except as required under division (B) 38513  
(1) of section 3313.608 or as specified in division (D) (3) of 38514  
section 3301.079 of the Revised Code, the board of education of 38515  
each city, local, and exempted village school district shall 38516  
administer each applicable diagnostic assessment developed and 38517  
provided to the district in accordance with section 3301.079 of 38518  
the Revised Code to the following: 38519

(1) Any student who transfers into the district or to a 38520

different school within the district if each applicable 38521  
diagnostic assessment was not administered by the district or 38522

39304  
39305

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (C) (1) (b) of this section, the department shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F." 39306

dimension, or another measure of student academic progress if 39324  
adopted by the department, of a school district or building, for 39325  
which the department shall use up to three years of value-added 39326  
data as available. 39327

In adopting benchmarks for assigning letter grades for 39328  
overall score on value-added progress dimension under division 39329  
(C) (1) (e) of this section, the department shall prohibit the 39330  
assigning of a grade of "A" for that measure unless the 39331  
district's or building's grade assigned for value-added progress 39332  
dimension for all subgroups under division (C) (1) (f) of this 39333  
section is a "C" or higher. 39334

For the metric prescribed by division (C) (1) (e) of this 39335  
section, the department may adopt a student academic progress 39336  
measure to be used instead of the value-added progress 39337  
dimension. If the department adopts such a measure, it also 39338  
shall prescribe a method for assigning letter grades for the new 39339  
measure that is comparable to the method prescribed in division 39340  
(A) (1) (e) of this section. 39341

(f) The value-added progress dimension score of a school 39342  
district or building disaggregated for each of the following 39343  
subgroups: students identified as gifted in superior cognitive 39344  
ability and specific academic ability fields under Chapter 3324. 39345  
of the Revised Code, students with disabilities, and students 39346  
whose performance places them in the lowest quintile for 39347

achievement on a statewide basis, as determined by a method 39348  
prescribed by the department. Each subgroup shall be a separate 39349  
graded measure. 39350

The department may adopt student academic progress 39351  
measures to be used instead of the value-added progress 39352  
dimension. If the department adopts such measures, it also shall 39353  
prescribe a method for assigning letter grades for the new 39354  
measures that is comparable to the method prescribed in division 39355  
(A) (1) (e) of this section. 39356

(g) Whether a school district or building is making 39357  
progress in improving literacy in grades kindergarten through 39358  
three, as determined using a method prescribed by the 39359  
department. The department shall adopt rules to prescribe 39360  
benchmarks and standards for assigning grades to a district or 39361  
building for purposes of division (C) (1) (g) of this section. The 39362  
department shall designate for a "C" grade a value that is not 39363  
lower than the statewide average value for this measure. No 39364  
grade shall be issued under division (C) (1) (g) of this section 39365  
for a district or building in which less than five per cent of 39366  
students have scored below grade level on the kindergarten 39367  
diagnostic assessment under division (B) (1) of section 3313.608 39368  
of the Revised Code. 39369

(h) For a high mobility school district or building, an 39370  
additional value-added progress dimension score. For this 39371  
measure, the department shall use value-added data from the most 39372  
recent school year available and shall use assessment scores for 39373  
only those students to whom the district or building has 39374  
administered the assessments prescribed by section 3301.0710 of 39375  
the Revised Code for each of the two most recent consecutive 39376  
school years. 39377

As used in this division, "high mobility school district or building" means a school district or building where at least twenty-five per cent of its total enrollment is made up of students who have attended that school district or building for less than one year.

(2) In addition to the graded measures in division (C) (1) of this section, the department shall include on a school district's or building's report card all of the following without an assigned letter grade:

(a) The percentage of students enrolled in a district or building who have taken a national standardized test used for college admission determinations and the percentage of those students who are determined to be remediation-free in accordance with the standards adopted under division (F) of section 3345.061 of the Revised Code;

(b) The percentage of students enrolled in a district or building participating in advanced placement classes and the percentage of those students who received a score of three or better on advanced placement examinations;

(c) The percentage of a district's or building's students who have earned at least three college credits through advanced standing programs, such as the college credit plus program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's college transcript issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B) (2) (b) and (C) (2) (c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum

requirements established for completion of a degree. 39408

(d) The percentage of the district's or building's 39409  
students who receive an honor's diploma under division (B) of 39410  
section 3313.61 of the Revised Code; 39411

(f) The percentage of students enrolled in a district or 39415  
building who are participating in an international baccalaureate 39416  
program and the percentage of those students who receive a score 39417  
of four or better on the international baccalaureate 39418  
examinations; 39419

(g) The results of the college and career-ready 39420

implemented a positive behavior intervention and supports 39424  
framework in compliance with the requirements of section 3319.46 39425  
of the Revised Code, notated as a "yes" or "no" answer. 39426

(3) The department shall adopt rules pursuant to Chapter 39427  
119. of the Revised Code that establish a method to assign an 39428  
overall grade for a school district or school building for the 39429  
2017-2018 school year and each school year thereafter. The rules 39430  
shall group the performance measures in divisions (C) (1) and (2) 39431  
of this section into the following components: 39432

(a) Gap closing, which shall include the performance 39433  
measure in division (C) (1) (a) of this section; 39434

(b) Achievement, which shall include the performance 39435

measures in divisions (C) (1) (b) and (c) of this section; 39436

(c) Progress, which shall include the performance measures 39437

(d) Graduation, which shall include the performance 39439  
measure in division (C) (1) (d) of this section; 39440

section; 39443

(f) Prepared for success, which shall include the 39444  
performance measures in divisions (C) (2) (a), (b), (c), (d), (e), 39445  
and (f) of this section. The department shall develop a method 39446  
to determine a grade for the component in division (C) (3) (f) of 39447  
this section using the performance measures in divisions (C) (2) 39448  
(a), (b), (c), (d), (e), and (f) of this section. When 39449  
available, the department may incorporate the performance 39450  
measure under division (C) (2) (g) of this section into the 39451  
component under division (C) (3) (f) of this section. When 39452  
determining the overall grade for the prepared for success 39453  
component prescribed by division (C) (3) (f) of this section, no 39454  
individual student shall be counted in more than one performance 39455  
measure. However, if a student qualifies for more than one 39456  
performance measure in the component, the department may, in its 39457  
method to determine a grade for the component, specify an 39458  
additional weight for such a student that is not greater than or 39459  
equal to 1.0. In determining the overall score under division 39460  
(C) (3) (f) of this section, the department shall ensure that the 39461  
pool of students included in the performance measures aggregated 39462  
under that division are all of the students included in the 39463  
four- and five-year adjusted graduation cohort. 39464

In the rules adopted under division (C) (3) of this section, the department shall adopt a method for determining a grade for each component in divisions (C) (3) (a) to (f) of this section. The department also shall establish a method to assign an overall grade of "A," "B," "C," "D," or "F" using the grades assigned for each component. The method the department adopts for assigning an overall grade shall give equal weight to the components in divisions (C) (3) (b) and (c) of this section.

At least forty-five days prior to the department's adoption of rules to prescribe the methods for calculating the overall grade for the report card, as required by this division, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing the format for the report card, weights that will be assigned to the components of the overall grade, and the method for calculating the overall grade.

(D) For the 2021-2022 school year and each school year thereafter, all of the following apply:

(1) The department shall include on a school district's or building's report card all of the following performance measures without an assigned performance rating:

(b) The extent to which the district or building meets the chronic absenteeism indicator under division (A) (3) of section 3302.02 of the Revised Code;

(c) Performance index score percentage for a district or building, which shall be calculated by dividing the district's or building's performance index score according to the performance index system created by the department by the maximum performance index score for a district or building. The maximum performance index score shall be as follows:

(i) For a building, the average of the highest two per cent of performance index scores achieved by a building for the school year for which a report card is issued;

(ii) For a district, the average of the highest two per cent of performance index scores achieved by a district for the school year for which a report card is issued.

(d) The overall score under the value-added progress dimension of a district or building, for which the department shall use three consecutive years of value-added data. In using three years of value-added data to calculate the measure prescribed under division (D)(1)(d) of this section, the department shall assign a weight of fifty per cent to the most recent year's data and a weight of twenty-five per cent to the data of each of the other years. However, if three consecutive years of value-added data is not available, the department shall use prior years of value-added data to calculate the measure, as follows:

(i) If two consecutive years of value-added data is not available, the department shall use one year of value-added data to calculate the measure.

(ii) If two consecutive years of value-added data is available, the department shall use two consecutive years of value-added data to calculate the measure. In using two years of

value-added data to calculate the measure, the department shall 39523  
assign a weight of sixty-seven per cent to the most recent 39524  
year's data and a weight of thirty-three per cent to the data of 39525  
the other year. 39526

performance measures prescribed under divisions (D) (1) (g) and 39536  
(h) of this section. 39537

(h) Whether a district or building is making progress in 39538  
improving literacy in grades kindergarten through three, as 39539  
determined using a method prescribed by the department. The 39540  
method shall determine progress made based on the reduction in 39541  
the total percentage of students scoring below grade level, or 39542  
below proficient, compared from year to year on the reading 39543  
segments of the diagnostic assessments administered under 39544  
section 3301.0715 of the Revised Code, ~~including the~~ 39545  
~~kindergarten readiness assessment,~~ and the third grade English 39546  
language arts assessment under section 3301.0710 of the Revised 39547  
Code, as applicable. The method shall not include a deduction 39548  
for students who did not pass the third grade English language 39549  
arts assessment under section 3301.0710 of the Revised Code and 39550  
were not on a reading improvement and monitoring plan. 39551

English language arts assessment under division (A) (3) of 39562  
section 3301.0710 of the Revised Code or demonstrate competency 39563  
on an alternative assessment under division (C) of section 39564  
3313.608 of the Revised Code;— 39565

(j) A post-secondary readiness measure. This measure shall 39566  
be calculated by dividing the number of students included in the 39567  
four-year adjusted graduation rate cohort who demonstrate post- 39568  
secondary readiness by the total number of students included in 39569  
the denominator of the four-year adjusted graduation rate 39570  
cohort. Demonstration of post-secondary readiness shall include 39571  
a student doing any of the following: 39572

offered prior to the fourth grade in the district or building. 39788

(3) Except as provided in division (D) (3) (f) of this 39789  
section, the department shall use the method prescribed under 39790  
rules adopted under division (D) (4) of this section to assign 39791  
performance ratings of "one star," "two stars," "three stars," 39792  
"four stars," or "five stars," as described in division (F) of 39793  
this section, for a district or building for the individual 39794  
components prescribed under division (D) (3) of this section. The 39795  
department also shall assign an overall performance rating for a 39796  
district or building in accordance with division (D) (3) (g) of 39797  
this section. The method shall use the performance measures 39798  
prescribed under division (D) (1) of this section to calculate 39799  
performance ratings for components. The method may report data 39800  
under division (D) (2) of this section with corresponding 39801  
components, but shall not use the data to calculate performance 39802  
ratings for that component. The performance measures and 39803  
reported data shall be grouped together into components as 39804  
follows: 39805

(a) Gap closing. In addition to other criteria determined 39806  
appropriate by the department, performance ratings for the gap 39807  
closing component shall reflect whether each of the following 39808

performance measures are met or not met: 39809

(i) The gifted performance indicator as described in 39810  
division (D) (1) (a) of this section; 39811

(v) The subgroup achievement targets in both mathematics 39817  
and English language arts; 39818

(vi) The subgroup progress targets in both mathematics and 39819  
English language arts. 39820

Achievement and progress targets under division (D) (3) (a) 39821  
of this section shall be calculated individually, and districts 39822  
and buildings shall receive a status of met or not met on each 39823  
measure. The department shall not require a subgroup of a 39824  
district or building to meet both the achievement and progress 39825  
targets at the same time to receive a status of met. 39826

The department shall not include any subgroup data in this 39827  
measure that includes data from fewer than fifteen students. Any 39828  
penalty for failing to meet the required assessment 39829  
participation rate must be partially in proportion to how close 39830  
the district or building was to meeting the rate requirement. 39831

(b) Achievement, which shall include the performance 39832  
measure in division (D) (1) (c) of this section and the reported 39833  
data in division (D) (2) (a) of this section. Performance ratings 39834  
for the achievement component shall be awarded as a percentage 39835  
of the maximum performance index score described in division (D) 39836

(1) (c) of this section. 39837

(c) Progress, which shall include the performance measure 39838  
in division (D) (1) (d) of this section and the reported data in 39839  
divisions (D) (2) (b) and (c) of this section; 39840

(d) Graduation, which shall include the performance 39841  
measures in divisions (D) (1) (e) and (f) of this section and the 39842  
reported data in divisions (D) (2) (d) and (j) of this section. 39843  
The four-year adjusted cohort graduation rate shall be assigned 39844  
a weight of sixty per cent and the five-year adjusted cohort 39845  
graduation rate shall be assigned a weight of forty per cent~~r~~. 39846

(e) Early literacy, which shall include the performance 39847  
measures in divisions (D) (1) (g), ~~-(h),~~ and (i) of this section 39848  
and the reported data in ~~divisions (D) (2) (e) and (l)~~ division (D) 39849  
(2) (k) of this section. 39850

If the measure prescribed under division (D) (1) (h) of this 39851  
section is included in a report card, performance ratings for 39852  
the early literacy component shall give a weight of forty per 39853  
cent to the measure prescribed under division (D) (1) (g) of this 39854  
section, a weight of thirty-five per cent to the measure 39855  
prescribed under division (D) (1) (i) of this section, and a 39856  
weight of twenty-five per cent to the measure prescribed under 39857  
division (D) (1) (h) of this section. 39858

If the measure prescribed under division (D) (1) (h) of this 39859  
section is not included in a report card of a district or 39860  
building, performance ratings for the early literacy component 39861  
shall give a weight of sixty per cent to the measure prescribed 39862  
under division (D) (1) (g) of this section and a weight of forty 39863  
per cent to the measure prescribed under division (D) (1) (i) of 39864  
this section. 39865

(f) College, career, workforce, and military readiness, 39866  
which shall include the performance measure in division (D) (1) 39867  
(j) of this section and the reported data in division ~~(D) (2) (f)~~ 39868  
(D) (2) (e) of this section. 39869

For the 2021-2022, 2022-2023, and 2023-2024 school years, 39870  
the department only shall report the data for, and not assign a 39871  
performance rating to, the college, career, workforce, and 39872  
military readiness component. The reported data shall include 39873  
the percentage of students who demonstrate post-secondary 39874  
readiness using any of the options described in division (D) (1) 39875  
(j) of this section. 39876

The department shall analyze the data included in the 39877  
performance measure prescribed in division (D) (1) (j) of this 39878  
section for the 2021-2022, 2022-2023, and 2023-2024 school 39879  
years. Using that data, the department shall develop and propose 39880  
rules for a method to assign a performance rating to the 39881  
college, career, workforce, and military readiness component 39882  
based on that measure. The method to assign a performance rating 39883  
shall not include a tiered structure or per student bonuses. The 39884  
rules shall specify that a district or building shall not 39885  
receive lower than a performance rating of three stars for the 39886  
component if the district's or building's performance on the 39887  
component meets or exceeds a level of improvement set by the 39888  
department. Notwithstanding division (D) (4) (b) of this section, 39889  
more than half of the total districts and buildings may earn a 39890  
performance rating of three stars on this component to account 39891  
for the districts and buildings that earned a performance rating 39892  
of three stars because they met or exceeded the level of 39893  
improvement set by the department. 39894

The department shall submit the rules to the joint 39895

committee on agency rule review. The committee shall conduct at 39896  
least one public hearing on the proposed rules and approve or 39897  
disapprove the rules. If the committee approves the rules, the 39898  
department shall adopt the rules in accordance with Chapter 119. 39899  
of the Revised Code. If the rules are adopted, the department 39900  
shall assign a performance rating to the college, career, 39901  
workforce, and military readiness component under the rules 39902  
beginning with the 2024-2025 school year, and for each school 39903  
year thereafter. If the committee disapproves the rules, the 39904  
component shall be included in the report card only as reported 39905  
data for the 2024-2025 school year, and each school year 39906  
thereafter. 39907

(g) (i) Except as provided for in division (D) (3) (g) (ii) of 39908  
this section, beginning with the 2022-2023 school year, under 39909  
the method prescribed under rules adopted in division (D) (4) of 39910  
this section, the department shall use the performance ratings 39911  
assigned for the components prescribed in divisions (D) (3) (a) to 39912  
(e) of this section to determine and assign an overall 39913  
performance rating of "one star," "one and one-half stars," "two 39914  
stars," "two and one-half stars," "three stars," "three and one- 39915  
half stars," "four stars," "four and one-half stars," or "five 39916  
stars" for a district or building. The method shall give equal 39917  
weight to the components in divisions (D) (3) (b) and (c) of this 39918  
section. The method shall give equal weight to the components in 39919  
divisions (D) (3) (a), (d), and (e) of this section. The 39920  
individual weights of each of the components prescribed in 39921  
divisions (D) (3) (a), (d), and (e) of this section shall be equal 39922  
to one-half of the weight given to the component prescribed in 39923  
division (D) (3) (b) of this section. 39924

(ii) If the joint committee on agency rule review approves 39925  
the department's rules regarding the college, career, workforce, 39926

and military readiness component as described in division (D) (3) 39927  
(f) of this section, for the 2024-2025 school year, and each 39928  
school year thereafter, the department's method shall use the 39929  
components in divisions (D) (3) (a), (b), (c), (d), (e), and (f) 39930  
of this section to calculate the overall performance rating. The 39931  
method shall give equal weight to the components in divisions 39932  
(D) (3) (b) and (c) of this section. The method shall give equal 39933  
weight to the components prescribed in divisions (D) (3) (a), (d), 39934  
(e), and (f) of this section. The individual weights of each of 39935  
the components prescribed in divisions (D) (3) (a), (d), (e), and 39936  
(f) of this section shall be equal to one-half the weight given 39937  
to the component prescribed in division (D) (3) (b) of this 39938  
section. 39939

If the joint committee on agency rule review disapproves 39940  
the department's rules regarding the college, career, workforce, 39941  
and military readiness component as described in division (D) (3) 39942  
(f) of this section, division (D) (3) (g) (ii) of this section does 39943  
not apply. 39944

(4) (a) The department shall adopt rules in accordance with 39945  
Chapter 119. of the Revised Code to establish the performance 39946  
criteria, benchmarks, and rating system necessary to implement 39947  
divisions (D) and (F) of this section, including the method for 39948  
the department to assign performance ratings under division (D) 39949  
(3) of this section. 39950

(b) In establishing the performance criteria, benchmarks, 39951  
and rating system, the department shall consult with stakeholder 39952  
groups and advocates that represent parents, community members, 39953  
students, business leaders, and educators from different school 39954  
typology regions. The department shall use data from prior 39955  
school years and simulations to ensure that there is meaningful 39956

differentiation among districts and buildings across all 39957  
performance ratings and that, except as permitted in division 39958  
(D) (3) (f) of this section, more than half of all districts or 39959  
buildings do not earn the same performance rating in any 39960  
component or overall performance rating. 39961

(c) The department shall adopt the rules prescribed by 39962  
division (D) (4) of this section not later than March 31, 2022. 39963  
However, the department shall notify districts and buildings of 39964  
the changes to the report card prescribed in law not later than 39965  
one week after September 30, 2021. 39966

(d) Prior to adopting or updating rules under division (D) 39967  
(4) of this section, the director of education and workforce and 39968  
the department shall conduct a public presentation before the 39969  
standing committees of the house of representatives and the 39970  
senate that consider primary and secondary education legislation 39971  
describing the format for the report card and the performance 39972  
criteria, benchmarks, and rating system, including the method to 39973  
assign performance ratings under division (D) (3) of this 39974  
section. 39975

(E) The department may develop a measure of student 39976  
academic progress for high school students using only data from 39977  
assessments in English language arts and mathematics. If the 39978  
department develops this measure, each school district and 39979  
applicable school building shall be assigned a separate letter 39980  
grade for it not sooner than the 2017-2018 school year. The 39981  
district's or building's grade for that measure shall not be 39982  
included in determining the district's or building's overall 39983  
letter grade. 39984

(F) (1) The letter grades assigned to a school district or 39985  
building under this section shall be as follows: 39986

(c) "C" for a district or school making average progress;	39991
(d) "D" for a district or school making below average progress;	39992 39993
(e) "F" for a district or school failing to meet minimum progress.	39994 39995
(2) For the overall performance rating under division (D)	39996
(3) of this section, the department shall include a descriptor for each performance rating as follows:	39997 39998
(a) "Significantly exceeds state standards" for a performance rating of five stars;	39999 40000
(b) "Exceeds state standards" for a performance rating of four stars or four and one-half stars;	40001 40002
(c) "Meets state standards" for a performance rating of three stars or three and one-half stars;	40003 40004
(d) "Needs support to meet state standards" for a performance rating of two stars or two and one-half stars;	40005 40006
(e) "Needs significant support to meet state standards" for a performance rating of one star or one and one-half stars.	40007 40008
(3) For performance ratings for each component under divisions (D) (3) (a) to (f) of this section, the department shall include a description of each component and performance rating.	40009 40010 40011
The description shall include component-specific context to each performance rating earned, estimated comparisons to other school	40012 40013

districts and buildings if appropriate, and any other 40014  
information determined by the department. The descriptions shall 40015  
be not longer than twenty-five words in length when possible. In 40016  
addition to such descriptions, the department shall include the 40017  
descriptors in division (F) (2) of this section for component 40018  
performance ratings. 40019

(4) Each report card issued under this section shall 40020  
include all of the following: 40021

(a) A graphic that depicts the performance ratings of a 40022  
district or school on a color scale. The color associated with a 40023  
performance rating of three stars shall be green and the color 40024  
associated with a performance rating of one star shall be red. 40025

(b) An arrow graphic that shows data trends for 40026  
performance ratings for school districts or buildings. The 40027  
department shall determine the data to be used for this graphic, 40028  
which shall include at least the three most recent years of 40029  
data. 40030

(c) A description regarding the weights that are assigned 40031  
to each component and used to determine an overall performance 40032  
rating, as prescribed under division (D) (3) (g) of this section, 40033  
which shall be included in the presentation of the overall 40034  
performance rating on each report card. 40035

(G) When reporting data on student achievement and 40036  
progress, the department shall disaggregate that data according 40037  
to the following categories: 40038

(1) Performance of students by grade-level; 40039

(2) Performance of students by race and ethnic group; 40040

(3) Performance of students by gender; 40041

(10) Performance of students grouped by those who have disabilities;	40056 40057
(11) Performance of students grouped by those who are classified as migrants;	40058 40059
(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	40060 40061 40062 40063 40064 40065 40066 40067 40068
(13) Performance of students grouped by those who perform	40069

in the lowest quintile for achievement on a statewide basis, as 40070  
determined by a method prescribed by the department. 40071

The department may disaggregate data on student 40072  
performance according to other categories that the department 40073  
determines are appropriate. To the extent possible, the 40074  
department shall disaggregate data on student performance 40075  
according to any combinations of two or more of the categories 40076  
listed in divisions (G) (1) to (13) of this section that it deems 40077  
relevant. 40078

In reporting data pursuant to division (G) of this 40079  
section, the department shall not include in the report cards 40080  
any data statistical in nature that is statistically unreliable 40081  
or that could result in the identification of individual 40082  
students. For this purpose, the department shall not report 40083  
student performance data for any group identified in division 40084  
(G) of this section that contains less than ten students. If the 40085  
department does not report student performance data for a group 40086  
because it contains less than ten students, the department shall 40087  
indicate on the report card that is why data was not reported. 40088

(H) The department may include with the report cards any 40089  
additional education and fiscal performance data it deems 40090  
valuable. 40091

(I) The department shall include on each report card a 40092  
list of additional information collected by the department that 40093  
is available regarding the district or building for which the 40094  
report card is issued. When available, such additional 40095  
information shall include student mobility data disaggregated by 40096

copy of each item on the list to the superintendent of each 40103  
school district. The district superintendent shall provide a 40104  
copy of any item on the list to anyone who requests it. 40105

(J) (1) (a) Except as provided in division (J) (1) (b) of this 40106

district use, is obsolete, or is unfit for the use for which it 41636  
was acquired, the board may donate that property in accordance 41637  
with this division if the fair market value of the property is, 41638  
in the opinion of the board, two thousand five hundred dollars 41639  
or less. 41640

The property may be donated to an eligible nonprofit 41641  
organization that is located in this state and is exempt from 41642  
federal income taxation pursuant to 26 U.S.C. 501(a) and (c) (3). 41643  
Before donating any property under this division, the board 41644  
shall adopt a resolution expressing its intent to make unneeded, 41645  
obsolete, or unfit-for-use school district property available to 41646  
these organizations. The resolution shall include guidelines and 41647  
procedures the board considers to be necessary to implement the 41648  
donation program and shall indicate whether the school district 41649  
will conduct the donation program or the board will contract 41650  
with a representative to conduct it. If a representative is 41651  
known when the resolution is adopted, the resolution shall 41652  
provide contact information such as the representative's name, 41653  
address, and telephone number. 41654

The resolution shall include within its procedures a 41655  
requirement that any nonprofit organization desiring to obtain 41656  
donated property under this division shall submit a written 41657  
notice to the board or its representative. The written notice 41658  
shall include evidence that the organization is a nonprofit 41659  
organization that is located in this state and is exempt from 41660  
federal income taxation pursuant to 26 U.S.C. 501(a) and (c) (3); 41661  
a description of the organization's primary purpose; a 41662  
description of the type or types of property the organization 41663  
needs; and the name, address, and telephone number of a person 41664

designated by the organization's governing board to receive 41665  
donated property and to serve as its agent. The written notice 41666  
may be submitted electronically to the board or its 41667  
representative. 41668

After adoption of the resolution, the board shall 41669  
continually post in the board's office notice of its intent to 41670  
donate school district property that is unneeded, obsolete, or 41671  
unfit for use to eligible nonprofit organizations. If the school 41672  
district maintains a web site on the internet, the notice shall 41673  
be posted continually at that web site. 41674

The board or its representatives shall maintain a list of 41675  
all nonprofit organizations that notify the board or its 41676  
representative of their desire to obtain donated property under 41677  
this division and that the board or its representative 41678  
determines to be eligible, in accordance with the requirements 41679  
set forth in this section and in the donation program's 41680  
guidelines and procedures, to receive donated property. 41681

The board or its representative also shall maintain a list 41682  
of all school district property the board finds to be unneeded, 41683  
obsolete, or unfit for use and to be available for donation 41684  
under this division. The list shall be posted continually in a 41685  
conspicuous location in the board's office, and, if the school 41686  
district maintains a web site on the internet, the list shall be 41687  
posted continually at that web site. An item of property on the 41688  
list shall be donated to the eligible nonprofit organization 41689  
that first declares to the board or its representative its 41690  
desire to obtain the item unless the board previously has 41691  
established, by resolution, a list of eligible nonprofit 41692  
organizations that shall be given priority with respect to the 41693  
item's donation. Priority may be given on the basis that the 41694

purposes of a nonprofit organization have a direct relationship 41695  
to specific school district purposes of programs provided or 41696  
administered by the board. A resolution giving priority to 41697  
certain nonprofit organizations with respect to the donation of 41698  
an item of property shall specify the reasons why the 41699  
organizations are given that priority. 41700

Members of the board shall consult with the Ohio ethics 41701  
commission, and comply with Chapters 102. and 2921. of the 41702  
Revised Code, with respect to any donation under this division 41703  
to a nonprofit organization of which a board member, any member 41704  
of a board member's family, or any business associate of a board 41705  
member is a trustee, officer, board member, or employee. 41706

(H) Except as provided in section 3313.413 of the Revised 41707

ten thousand dollars shall offer the building for sale in the 41710  
manner prescribed under divisions (A) to (F) of this section 41711  
prior to demolishing the building. However, this division does 41712  
not apply to a building located on, or adjacent to, a tract or 41713  
parcel of land where other school district buildings are 41714  
located. 41715

earning a regular high school diploma and have the opportunity 42499  
to earn not less than twenty-four credits that are transferable 42500  
to the institutions of higher education in the partnership as 42501  
part of an organized course of study toward a post-secondary 42502

**Sec. 3313.6022.** (A) As used in this section, "released time" means a period of time during which a student is excused from school to attend a course in religious instruction conducted by a private entity off school district property.

(B) A school district board of education shall adopt a policy that authorizes a student to be excused from school to attend a released time course in religious instruction for at least one hour per week, provided that each of the following applies:

(1) The student's parent or guardian gives written consent.

(2) The sponsoring entity maintains attendance records and makes them available to the school district the student attends.

(3) Transportation to and from the place of instruction, including transportation for students with disabilities, is the complete responsibility of the sponsoring entity, parent, guardian, or student.

(4) The sponsoring entity makes provisions for and assumes liability for the student.

(5) No public funds are expended and no public school personnel are involved in providing the religious instruction.

(6) The student assumes responsibility for any missed schoolwork.

While in attendance in a released time course in religious instruction, a student shall not be considered absent from school. No student may be released from a core curriculum subject course to attend a religious instruction course.

(C) A school district board of education shall collaborate

with a sponsoring entity of a released time course in religious 42539  
instruction to identify a time to offer the course during the 42540  
school day. 42541

may authorize high school students to earn up to two units of 42550  
high school credit for the completion of a released time course 42551  
in religious instruction. In determining whether to award credit 42552  
for completion of such a course, the board shall evaluate the 42553  
course based on purely secular criteria that are substantially 42554  
the same criteria used to evaluate similar nonpublic high school 42555  
courses for purposes of determining whether to award credit for 42556  
such courses to a student transferring from a nonpublic high 42557  
school to a public high school. However, there shall be no 42558  
criteria requiring that released time courses be completed only 42559  
at a nonpublic school. The decision to award credit for a 42560  
released time course of religious instruction shall be neutral 42561  
to, and shall not involve any test for, religious content or 42562  
denominational affiliation. 42563

For purposes of this division, secular criteria may 42564  
include, but are not limited to, the following: 42565

with Chapter 3323. of the Revised Code. 43051

(C) A district shall not charge tuition for children 43052

division (C) (4) of this section applies to the child: 43057

residence, as defined in section 3323.01 of the Revised Code, 43060  
shall pay tuition for the child in accordance with section 43061

3323.091, 3323.13, 3323.14, or 3323.141 of the Revised Code 43062  
regardless of who has custody of the child or whether the child 43063

(2) For a child that does not receive special education in 43065  
accordance with Chapter 3323. of the Revised Code, except as 43066  
otherwise provided in division (C)(2)(d) of this section, if the 43067  
child is in the permanent or legal custody of a government 43068  
agency or person other than the child's parent, tuition shall be 43069  
paid by: 43070

person or government agency, whichever occurred first; 43074

(b) If the parent's residence at the time the court 43075  
removed the child from home or placed the child in the legal or 43076  
permanent custody of the person or government agency is unknown, 43077

(c) If a school district cannot be established under 43081  
division (C)(2)(a) or (b) of this section, tuition shall be paid 43082  
by the district determined as required by section 2151.362 of 43083  
the Revised Code by the court at the time it vests custody of 43084  
the child in the person or government agency; 43085

(d) If at the time the court removed the child from home 43086  
or vested legal or permanent custody of the child in the person 43087  
or government agency, whichever occurred first, one parent was 43088  
in a residential or correctional facility or a juvenile 43089  
residential placement and the other parent, if living and not in 43090

such a facility or placement, was not known to reside in this state, tuition shall be paid by the district determined under division (D) of section 3313.65 of the Revised Code as the district required to pay any tuition while the parent was in such facility or placement;

(e) If the department of education and workforce has determined, pursuant to division (A)(2) of section 2151.362 of the Revised Code, that a school district other than the one named in the court's initial order, or in a prior determination of the department, is responsible to bear the cost of educating the child, the district so determined shall be responsible for that cost.

(3) If the child is not in the permanent or legal custody of a government agency or person other than the child's parent and the child resides in a home, tuition shall be paid by one of the following:

(a) The school district in which the child's parent resides;

(b) If the child's parent is not a resident of this state, the home in which the child resides.

(4) Division (C)(4) of this section applies to any child who is admitted to a school district under division (B)(2) of this section, resides in a home that is not a foster home, a home maintained by the department of youth services, a detention facility established under section 2152.41 of the Revised Code, or a juvenile facility established under section 2151.65 of the Revised Code, and receives educational services at the home or facility in which the child resides pursuant to a contract between the home or facility and the school district providing

those services. 43120

If a child to whom division (C) (4) of this section applies 43121  
is a special education student, a district may choose whether to 43122  
receive a tuition payment for that child under division (C) (4) 43123  
of this section or to receive a payment for that child under 43124  
section 3323.14 of the Revised Code. If a district chooses to 43125  
receive a payment for that child under section 3323.14 of the 43126  
Revised Code, it shall not receive a tuition payment for that 43127  
child under division (C) (4) of this section. 43128

If a child to whom division (C) (4) of this section applies 43129  
is not a special education student, a district shall receive a 43130  
tuition payment for that child under division (C) (4) of this 43131  
section. 43132

In the case of a child to which division (C) (4) of this 43133  
section applies, the total educational cost to be paid for the 43134  
child shall be determined by a formula approved by the 43135  
department of education and workforce, which formula shall be 43136  
designed to calculate a per diem cost for the educational 43137  
services provided to the child for each day the child is served 43138  
and shall reflect the total actual cost incurred in providing 43139  
those services. The department shall certify the total 43140  
educational cost to be paid for the child to both the school 43141  
district providing the educational services and, if different, 43142  
the school district that is responsible to pay tuition for the 43143  
child. The department shall deduct the certified amount from the 43144  
state basic aid funds payable under Chapter 3317. of the Revised 43145  
Code to the district responsible to pay tuition and shall pay 43146  
that amount to the district providing the educational services 43147  
to the child. 43148

(5) In the case of a child to whom division (B) (4) of this 43149

section applies, and except as otherwise provided in division 43150  
(C) (5) (f) of this section, tuition shall be paid to the home or 43151  
facility for educational services provided to the child by the 43152  
school district in which the child's parent resides according to 43153  
the following: 43154

(a) The total educational cost to be paid for the child 43155  
shall be determined by a formula approved by the department of 43156  
education and workforce. The department shall design the formula 43157  
to calculate a per diem cost for the educational services 43158  
provided to the child for each day the child is served and shall 43159  
reflect the total actual cost incurred in providing those 43160  
services. The department shall certify the total educational 43161  
cost to be paid for the child to both the home or facility 43162  
providing the educational services and the district that is 43163  
responsible to pay the tuition for the child. The department 43164  
shall deduct the certified amount from the state basic aid funds 43165  
payable under Chapter 3317. of the Revised Code to the district 43166  
responsible to pay tuition and shall pay that amount to the home 43167  
or facility providing the educational services to the child. 43168

(b) The district responsible to pay tuition shall continue 43169  
to report the child in its enrollment for purposes of section 43170  
3317.03 of the Revised Code. 43171

(c) If the parent's residence changes to a different 43172  
school district while the child resides in the home or facility, 43173  
the department of education and workforce may re-determine the 43174  
school district responsible for tuition based on evidence 43175  
provided by the district currently responsible for tuition. 43176

(d) Upon a child's discharge from the home or facility, 43177  
the home or facility shall immediately notify the district where 43178  
the child's parent resides and the department of education and 43179

workforce. The notification shall include a certified transcript 43180  
of all coursework completed by the child while residing in the 43181  
home or facility. The district where the child's parent resides 43182  
shall accept all coursework completed by the child while in the 43183  
home or facility and shall award credit for that coursework in 43184  
accordance with district policy. 43185

(e) Following discharge from the home or facility and 43186  
return to the parent's residence, high school students shall 43187  
meet requirements under section 3313.618 of the Revised Code in 43188  
order to qualify for a high school diploma that are no more 43189  
stringent than those that apply to students who enroll into an 43190  
Ohio public or chartered nonpublic high school after receiving a 43191  
home education under section 3321.042 of the Revised Code. 43192

(f) If the child is provided educational services by a 43193  
chartered nonpublic school while residing in a home and the 43194  
child has been awarded a scholarship under a state scholarship 43195  
program, as defined in section 3301.0711 of the Revised Code, no 43196  
school district shall be responsible for paying tuition under 43197  
division (C) (5) of this section. 43198

(D) Tuition required to be paid under divisions (C) (2) and 43199  
(3) (a) of this section shall be computed in accordance with 43200  
section 3317.08 of the Revised Code. Tuition required to be paid 43201  
under division (C) (3) (b) of this section shall be computed in 43202  
accordance with section 3317.081 of the Revised Code. If a home 43203  
fails to pay the tuition required by division (C) (3) (b) of this 43204  
section, the board of education providing the education may 43205  
recover in a civil action the tuition and the expenses incurred 43206  
in prosecuting the action, including court costs and reasonable 43207  
attorney's fees. If the prosecuting attorney or city director of 43208  
law represents the board in such action, costs and reasonable 43209

attorney's fees awarded by the court, based upon the prosecuting attorney's, director's, or one of their designee's time spent preparing and presenting the case, shall be deposited in the county or city general fund.

(E) A board of education may enroll a child free of any tuition obligation for a period not to exceed sixty days, on the sworn statement of an adult resident of the district that the resident has initiated legal proceedings for custody of the child.

(F) In the case of any individual entitled to attend school under this division, no tuition shall be charged by the school district of attendance and no other school district shall be required to pay tuition for the individual's attendance. Notwithstanding division (B), (C), or (E) of this section:

(1) All persons at least eighteen but under twenty-two years of age who live apart from their parents, support themselves by their own labor, and have not successfully completed the high school curriculum or the individualized education program developed for the person by the high school pursuant to section 3323.08 of the Revised Code, are entitled to attend school in the district in which they reside.

statement from the child's physician, certified nurse-midwife, 43240  
clinical nurse specialist, or certified nurse practitioner 43241  
certifying that the child's medical condition may require 43242  
emergency medical attention. The statement shall be supported by 43243  
such other evidence as the board may require. 43244

(4) Any child residing with a person other than the 43245  
child's parent is entitled, for a period not to exceed twelve 43246  
months, to attend school in the district in which that person 43247  
resides if the child's parent files an affidavit with the 43248

the death of a parent, resides in a school district other than 43258

the parent's death for the remainder of the school year, subject 43262  
to approval of that district board. 43263

(6) A child under the age of twenty-two years who resides 43264  
with a parent who is having a new house built in a school 43265  
district outside the district where the parent is residing is 43266  
entitled to attend school for a period of time in the district 43267

where the new house is being built. In order to be entitled to 43268  
such attendance, the parent shall provide the district 43269  
superintendent with the following: 43270

(a) A sworn statement explaining the situation, revealing 43271  
the location of the house being built, and stating the parent's 43272  
intention to reside there upon its completion; 43273

(b) A statement from the builder confirming that a new 43274  
house is being built for the parent and that the house is at the 43275

following: 43285

(a) A sworn statement explaining the situation, revealing 43286  
the location of the house being purchased, and stating the 43287  
parent's intent to reside there; 43288

(b) A statement from a real estate broker or bank officer 43289  
confirming that the parent has a contract to purchase the house, 43290  
that the parent is waiting upon the date of closing of the 43291  
mortgage loan, and that the house is at the location indicated 43292  
in the parent's statement. 43293

The district superintendent shall establish a period of 43294  
time not to exceed ninety days during which the child entitled 43295  
to attend school under division (F) (6) or (7) of this section 43296

may attend without tuition obligation. A student attending a school under division (F) (6) or (7) of this section shall be eligible to participate in interscholastic athletics under the auspices of that school, provided the board of education of the school district where the student's parent resides, by a formal action, releases the student to participate in interscholastic athletics at the school where the student is attending, and provided the student receives any authorization required by a public agency or private organization of which the school district is a member exercising authority over interscholastic sports.

Any such policy shall take effect on the first day of the school year and the effective date of any amendment or repeal may not be prior to the first day of the subsequent school year. The policy shall be uniformly applied to all such children and shall provide for the admission of any such child upon request of the parent. No child may be admitted under this policy after the first day of classes of any school year.

(9) A child who is with the child's parent under the care of a shelter for victims of domestic violence, as defined in section 3113.33 of the Revised Code, is entitled to attend school free in the district in which the child is with the

child's parent, and no other school district shall be required 43328  
to pay tuition for the child's attendance in that school 43329  
district. 43330

The enrollment of a child in a school district under this 43331  
division shall not be denied due to a delay in the school 43332  
district's receipt of any records required under section 43333  
3313.672 of the Revised Code or any other records required for 43334  
enrollment. Any days of attendance and any credits earned by a 43335  
child while enrolled in a school district under this division 43336  
shall be transferred to and accepted by any school district in 43337  
which the child subsequently enrolls. The department of 43338  
education and workforce shall adopt rules to ensure compliance 43339  
with this division. 43340

(10) Any child under the age of twenty-two years whose 43341  
parent has moved out of the school district after the 43342  
commencement of classes in the child's senior year of high 43343  
school is entitled, subject to the approval of that district 43344  
board, to attend school in the district in which the child 43345  
attended school at the time of the parental move for the 43346  
remainder of the school year and for one additional semester or 43347  
equivalent term. A district board may also adopt a policy 43348  
specifying extenuating circumstances under which a student may 43349  
continue to attend school under division (F)(10) of this section 43350  
for an additional period of time in order to successfully 43351  
complete the high school curriculum for the individualized 43352  
education program developed for the student by the high school 43353  
pursuant to section 3323.08 of the Revised Code. 43354

(11) As used in this division, "grandparent" means a 43355  
parent of a parent of a child. A child under the age of twenty- 43356  
two years who is in the custody of the child's parent, resides 43357

with a grandparent, and does not require special education is 43358  
entitled to attend the schools of the district in which the 43359  
child's grandparent resides, provided that, prior to such 43360  
attendance in any school year, the board of education of the 43361  
school district in which the child's grandparent resides and the 43362  
board of education of the school district in which the child's 43363  
parent resides enter into a written agreement specifying that 43364  
good cause exists for such attendance, describing the nature of 43365  
this good cause, and consenting to such attendance. 43366

In lieu of a consent form signed by a parent, a board of 43367  
education may request the grandparent of a child attending 43368  
school in the district in which the grandparent resides pursuant 43369  
to division (F)(11) of this section to complete any consent form 43370  
required by the district, including any authorization required 43371  
by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the 43372  
Revised Code. Upon request, the grandparent shall complete any 43373  
consent form required by the district. A school district shall 43374  
not incur any liability solely because of its receipt of a 43375  
consent form from a grandparent in lieu of a parent. 43376

Division (F)(11) of this section does not create, and 43377  
shall not be construed as creating, a new cause of action or 43378  
substantive legal right against a school district, a member of a 43379  
board of education, or an employee of a school district. This 43380  
section does not affect, and shall not be construed as 43381  
affecting, any immunities from defenses to tort liability 43382  
created or recognized by Chapter 2744. of the Revised Code for a 43383  
school district, member, or employee. 43384

(12) A child under the age of twenty-two years is entitled 43385  
to attend school in a school district other than the district in 43386  
which the child is entitled to attend school under division (B), 43387

(C), or (E) of this section provided that, prior to such 43388  
attendance in any school year, both of the following occur: 43389

(a) The superintendent of the district in which the child 43390  
is entitled to attend school under division (B), (C), or (E) of 43391  
this section contacts the superintendent of another district for 43392  
purposes of this division; 43393

(b) The superintendents of both districts enter into a 43394  
written agreement that consents to the attendance and specifies 43395  
that the purpose of such attendance is to protect the student's 43396  
physical or mental well-being or to deal with other extenuating 43397  
circumstances deemed appropriate by the superintendents. 43398

While an agreement is in effect under this division for a 43399  
student who is not receiving special education under Chapter 43400  
3323. of the Revised Code and notwithstanding Chapter 3327. of 43401  
the Revised Code, the board of education of neither school 43402  
district involved in the agreement is required to provide 43403  
transportation for the student to and from the school where the 43404  
student attends. 43405

A student attending a school of a district pursuant to 43406  
this division shall be allowed to participate in all student 43407  
activities, including interscholastic athletics, at the school 43408  
where the student is attending on the same basis as any student 43409  
who has always attended the schools of that district while of 43410  
compulsory school age. 43411

(13) All school districts shall comply with the "McKinney- 43412  
Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for 43413  
the education of homeless children. Each city, local, and 43414  
exempted village school district shall comply with the 43415  
requirements of that act governing the provision of a free, 43416

appropriate public education, including public preschool, to 43417  
each homeless child. 43418

When a child loses permanent housing and becomes a 43419  
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 43420  
child who is such a homeless person changes temporary living 43421  
arrangements, the child's parent or guardian shall have the 43422  
option of enrolling the child in either of the following: 43423

(a) The child's school of origin, as defined in 42 43424  
U.S.C.A. 11432(g) (3) (C); 43425

(b) The school that is operated by the school district in 43426  
which the shelter where the child currently resides is located 43427  
and that serves the geographic area in which the shelter is 43428  
located. 43429

(14) A child under the age of twenty-two years who resides 43430  
with a person other than the child's parent is entitled to 43431  
attend school in the school district in which that person 43432  
resides if both of the following apply: 43433

(a) That person has been appointed, through a military 43434  
power of attorney executed under section 574(a) of the "National 43435  
Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 43436  
(1993), 10 U.S.C. 1044b, or through a comparable document 43437  
necessary to complete a family care plan, as the parent's agent 43438  
for the care, custody, and control of the child while the parent 43439  
is on active duty as a member of the national guard or a reserve 43440  
unit of the armed forces of the United States or because the 43441  
parent is a member of the armed forces of the United States and 43442  
is on a duty assignment away from the parent's residence. 43443

(b) The military power of attorney or comparable document 43444  
includes at least the authority to enroll the child in school. 43445

The entitlement to attend school in the district in which 43446  
the parent's agent under the military power of attorney or 43447  
comparable document resides applies until the end of the school 43448  
year in which the military power of attorney or comparable 43449  
document expires. 43450

(G) A board of education, after approving admission, may 43451  
waive tuition for students who will temporarily reside in the 43452  
district and who are either of the following: 43453

(1) Residents or domiciliaries of a foreign nation who 43454  
request admission as foreign exchange students; 43455

(2) Residents or domiciliaries of the United States but 43456  
not of Ohio who request admission as participants in an exchange 43457  
program operated by a student exchange organization. 43458

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 43459  
3323.04, 3327.04, and 3327.06 of the Revised Code, a child may 43460  
attend school or participate in a special education program in a 43461  
school district other than in the district where the child is 43462  
entitled to attend school under division (B) of this section. 43463

(I) (1) Notwithstanding anything to the contrary in this 43464  
section or section 3313.65 of the Revised Code, a child under 43465  
twenty-two years of age may attend school in the school district 43466  
in which the child, at the end of the first full week of October 43467  
of the school year, was entitled to attend school as otherwise 43468  
provided under this section or section 3313.65 of the Revised 43469  
Code, if at that time the child was enrolled in the schools of 43470  
the district but since that time the child or the child's parent 43471  
has relocated to a new address located outside of that school 43472  
district and within the same county as the child's or parent's 43473  
address immediately prior to the relocation. The child may 43474

continue to attend school in the district, and at the school to 43475  
which the child was assigned at the end of the first full week 43476  
of October of the current school year, for the balance of the 43477  
school year. Division (I) (1) of this section applies only if 43478  
both of the following conditions are satisfied: 43479

(a) The board of education of the school district in which 43480  
the child was entitled to attend school at the end of the first 43481  
full week in October and of the district to which the child or 43482  
child's parent has relocated each has adopted a policy to enroll 43483  
children described in division (I) (1) of this section. 43484

(b) The child's parent provides written notification of 43485  
the relocation outside of the school district to the 43486  
superintendent of each of the two school districts. 43487

(2) At the beginning of the school year following the 43488  
school year in which the child or the child's parent relocated 43489  
outside of the school district as described in division (I) (1) 43490  
of this section, the child is not entitled to attend school in 43491  
the school district under that division. 43492

(3) Any person or entity owing tuition to the school 43493  
district on behalf of the child at the end of the first full 43494  
week in October, as provided in division (C) of this section, 43495  
shall continue to owe such tuition to the district for the 43496  
child's attendance under division (I) (1) of this section for the 43497  
lesser of the balance of the school year or the balance of the 43498  
time that the child attends school in the district under 43499  
division (I) (1) of this section. 43500

(4) A pupil who may attend school in the district under 43501  
division (I) (1) of this section shall be entitled to 43502  
transportation services pursuant to an agreement between the 43503

district and the district in which the child or child's parent 43504  
has relocated unless the districts have not entered into such 43505  
agreement, in which case the child shall be entitled to 43506  
transportation services in the same manner as a pupil attending 43507  
school in the district under interdistrict open enrollment as 43508  
described in division (E) of section 3313.981 of the Revised 43509  
Code, regardless of whether the district has adopted an open 43510  
enrollment policy as described in division (B) (1) (b) or (c) of 43511  
section 3313.98 of the Revised Code. 43512

(J) This division does not apply to a child receiving 43513  
special education. 43514

A school district required to pay tuition pursuant to 43515  
division (C) (2) or (3) of this section or section 3313.65 of the 43516  
Revised Code shall have an amount deducted under division (C) of 43517  
section 3317.023 of the Revised Code equal to its own tuition 43518  
rate for the same period of attendance. A school district 43519  
entitled to receive tuition pursuant to division (C) (2) or (3) 43520  
of this section or section 3313.65 of the Revised Code shall 43521  
have an amount credited under division (C) of section 3317.023 43522  
of the Revised Code equal to its own tuition rate for the same 43523  
period of attendance. If the tuition rate credited to the 43524  
district of attendance exceeds the rate deducted from the 43525  
district required to pay tuition, the department of education 43526  
and workforce shall pay the district of attendance the 43527  
difference from amounts deducted from all districts' payments 43528  
under division (C) of section 3317.023 of the Revised Code but 43529  
not credited to other school districts under such division and 43530  
from appropriations made for such purpose. The treasurer of each 43531  
school district shall, by the fifteenth day of January and July, 43532  
furnish the director of education and workforce a report of the 43533  
names of each child who attended the district's schools under 43534

divisions (C) (2) and (3) of this section or section 3313.65 of 43535  
the Revised Code during the preceding six calendar months, the 43536  
duration of the attendance of those children, the school 43537  
district responsible for tuition on behalf of the child, and any 43538  
other information that the director requires. 43539

Upon receipt of the report the director, pursuant to 43540  
division (C) of section 3317.023 of the Revised Code, shall 43541  
deduct each district's tuition obligations under divisions (C) 43542  
(2) and (3) of this section or section 3313.65 of the Revised 43543  
Code and pay to the district of attendance that amount plus any 43544  
amount required to be paid by the state. 43545

(K) In the event of a disagreement, the director of 43546  
education and workforce shall determine the school district in 43547  
which the parent resides. 43548

(L) Nothing in this section requires or authorizes, or 43549  
shall be construed to require or authorize, the admission to a 43550  
public school in this state of a pupil who has been permanently 43551  
excluded from public school attendance by the director pursuant 43552  
to sections 3301.121 and 3313.662 of the Revised Code. 43553

(M) In accordance with division (B) (1) of this section, a 43554  
child whose parent is a member of the national guard or a 43555  
reserve unit of the armed forces of the United States and is 43556  
called to active duty, or a child whose parent is a member of 43557  
the armed forces of the United States and is ordered to a 43558  
temporary duty assignment outside of the district, may continue 43559  
to attend school in the district in which the child's parent 43560  
lived before being called to active duty or ordered to a 43561  
temporary duty assignment outside of the district, as long as 43562  
the child's parent continues to be a resident of that district, 43563  
and regardless of where the child lives as a result of the 43564

parent's active duty status or temporary duty assignment. 43565  
However, the district is not responsible for providing 43566  
transportation for the child if the child lives outside of the 43567  
district as a result of the parent's active duty status or 43568  
temporary duty assignment. 43569

**Sec. 3313.90.** As used in this section, "formula ADM" has the same meaning as in section 3317.02 of the Revised Code. Notwithstanding division (D) of section 3311.19 and division (D)

section that apply to a city school district do not apply to any 43652

(A) Except as provided in division (B) of this section, 43654  
each city, local, and exempted village school district shall, by 43655

the participation by nonpublic students in career-technical 43668  
education programs without financial assessment, charge, or 43669

to the time spent in the career-technical education program. 43675

By the thirtieth day of October of each year, the director 43676  
of education and workforce shall determine and certify to the 43677  
superintendent of each school district subject to this section 43678  
either that the district is in compliance with the requirements 43679

of this section for the current school year or that the district 43680  
is not in compliance. If the director certifies that the 43681

alone, through a cooperative arrangement pursuant to section 43695  
3313.92 of the Revised Code, through school district 43696  
consolidation, by membership in a joint vocational school 43697  
district, by contract with a school district, by contract with a 43698  
school licensed by any state agency established by the Revised 43699  
Code which school operates its courses offered for contracting 43700  
with public schools under standards as to staffing and 43701

public schools provided no instructor in such courses shall be 43703  
required to be certificated by the department, or in a 43704  
combination of such ways. Exceptions to the minimum enrollment 43705

on sparsity of population or other factors indicating that 43707  
comprehensive educational and career-technical education 43708

(B) Upon approval by the department of education and workforce, any city, exempted village, local, or joint vocational school district may contract with an Ohio technical center to serve students in any of grades seven to twelve who are enrolled in a career-technical education program at the district but cannot enroll in a course at the district for any of the following reasons:

(2) The student has a scheduling conflict that prevents the student from taking the course at the time offered by the district.

(3) The district does not offer the course due to lack of

enrollment, lack of a qualified teacher, or lack of facilities. 43740

(4) Any other reason determined by the department. 43741

(C) School districts shall apply to the department for 43742  
approval to contract with an Ohio technical center under this 43743  
section. Applicants shall submit a plan to the department 43744  
describing how the district and the Ohio technical center will 43745  
establish a collaborative partnership to provide career- 43746  
technical education to students. Prior to approval, the 43747  
department shall consider the extent to which the partnership 43748  
will increase access to career-technical education courses for 43749  
students. 43750

(D) If the department approves an application under this 43751  
section, the school district that received that approval shall 43752  
do all of the following: 43753

any career-technical education course at an Ohio technical 43755  
center; 43756

(2) Report the student in the education management 43757  
information system established under section 3301.0714 of the 43758  
Revised Code as enrolled in the district for the time the 43759  
student is taking a course at an Ohio technical center, but the 43760  
district shall indicate that the course is being taken through a 43761  
center rather than at the district; 43762

(3) Not count a student taking a course at an Ohio 43763  
technical center as more than one full-time equivalent student, 43764  
unless the student is enrolled full-time in the district during 43765  
the regularly scheduled school day and takes the course at the 43766  
center during time outside of normal school hours; 43767

(4) Pay the Ohio technical center for each student taking 43768

a course at the technical center. The payment amount shall be 43769  
the lesser of the standard tuition charged for the course by the 43770  
center or the applicable one of the following: 43771

(a) If the center is located on the same campus as the 43772  
high school in which the student is enrolled, the amount equal 43773  
to the statewide average base cost per pupil and the amount 43774  
applicable to the student pursuant to division (C) of section 43775  
3317.014 of the Revised Code for the portion of the full-time 43776  
equivalency the student is enrolled in the course, without 43777  
application of the district's state share percentage; 43778

(b) If the center is not located on the same campus as the 43779  
high school in which the student is enrolled, \$7,500. 43780

(E) A district and an Ohio technical center may enter into 43781  
an agreement under this section to establish alternate amounts 43782  
than those prescribed under division (D) of this section that 43783  
the district will pay to the center. 43784

(F) A district may use career-technical education funds 43785  
received under division (C) of section 3317.014 of the Revised 43786  
Code to pay for any costs incurred by students enrolling in 43787  
courses at an Ohio technical center under this section. The 43788  
department shall consider that cost as an approved career- 43789  
technical education expense under division ~~(F)~~ (E) of section 43790  
3317.014 of the Revised Code. 43791

(G) Notwithstanding anything to the contrary in the 43792  
Revised Code, an individual who holds an adult education permit 43793  
issued by the state board of education and is employed by an 43794  
Ohio technical center may provide instruction to a student in 43795  
grades seven through twelve who is taking a course at an Ohio 43796  
technical center under this section. 43797

(H) If the department approves an application from a school district to contract with an Ohio technical center under this section, the district shall not prohibit a student enrolled in the district from taking any course for which the district has contracted at the technical center.

**Sec. 3313.975.** As used in this section and in sections 43930  
3313.976 to 3313.979 of the Revised Code, "the pilot project 43931  
school district" or "the district" means any school district 43932  
included in the pilot project scholarship program pursuant to 43933  
this section. 43934

(A) The director of education and workforce shall 43935  
implement the pilot project scholarship program and shall 43936  
include in such program any school districts that are or have 43937  
ever been under federal court order requiring supervision and 43938  
operational management of the district by the state 43939  
superintendent or director. The program shall provide for a 43940

number of students residing in any such district to receive 43941  
scholarships to attend alternative schools, and for an equal 43942  
number of students to receive tutorial assistance grants while 43943  
attending public school in any such district. 43944

(B) The director shall establish an application process 43945  
and deadline for accepting applications from students residing 43946  
in the district to participate in the scholarship program. In 43947  
the initial year of the program students may only use a 43948  
scholarship to attend school in grades kindergarten through 43949  
third. 43950

The director shall award as many scholarships and tutorial 43951  
assistance grants as can be funded given the amount appropriated 43952  
for the program. 43953

(C) (1) The pilot project program shall continue in effect 43954  
each year that the general assembly has appropriated sufficient 43955  
money to fund scholarships and tutorial assistance grants. In 43956  
each year the program continues, new students may receive 43957  
scholarships in grades kindergarten to twelve. A student who has 43958  
received a scholarship may continue to receive one until the 43959  
student has completed grade twelve. 43960

(2) If the general assembly discontinues the scholarship 43961  
program, all students who are attending an alternative school 43962  
under the pilot project shall be entitled to continued 43963  
admittance to that specific school through all grades that are 43964  
provided in such school, under the same conditions as when they 43965  
were participating in the pilot project. The director shall 43966  
continue to make scholarship payments in accordance with section 43967  
3317.022 of the Revised Code for students who remain enrolled in 43968  
an alternative school under this provision in any year that 43969  
funds have been appropriated for this purpose. 43970

If funds are not appropriated, the tuition charged to the parents of a student who remains enrolled in an alternative school under this provision shall not be increased beyond the amount equal to the amount of the scholarship plus any additional amount charged that student's parent in the most recent year of attendance as a participant in the pilot project, except that tuition for all the students enrolled in such school may be increased by the same percentage.

(D) Notwithstanding sections 124.39 and 3311.83 of the Revised Code, if the pilot project school district experiences a decrease in enrollment due to participation in a state-sponsored scholarship program pursuant to sections 3313.974 to 3313.979 of the Revised Code, the district board of education may enter into an agreement with any teacher it employs to provide to that teacher severance pay or early retirement incentives, or both, if the teacher agrees to terminate the employment contract with the district board, provided any collective bargaining agreement in force pursuant to Chapter 4117. of the Revised Code does not prohibit such an agreement for termination of a teacher's employment contract.

(E) Except as provided for in division (C) (2) of section 3365.07 of the Revised Code, the director shall not require the parent of a student who applies for or receives a scholarship under the pilot project program to complete any kind of income verification regarding the student's family income.

(F) A student is not eligible to receive a scholarship under sections 3313.975 to 3313.979 of the Revised Code if the treasurer of state has established an educational savings account for the student under section 3310.23 of the Revised Code for the school year for which the scholarship is sought.

**Sec. 3314.013.** (A) Until May 22, 2013, no internet- or 44001  
computer-based community school shall operate unless the school 44002  
was open for instruction as of May 1, 2005. No entity described 44003  
in division (C) (1) of section 3314.02 of the Revised Code shall 44004  
enter into a contract to sponsor an internet- or computer-based 44005  
community school, including a conversion school, between May 1, 44006  
2005, and May 22, 2013, except as follows: 44007

(1) The entity may renew a contract that the entity 44008  
entered into with an internet- or computer-based community 44009  
school prior to May 1, 2005, if the school was open for 44010  
operation as of that date. 44011

(2) The entity may assume sponsorship of an existing 44012  
internet- or computer-based community school that was formerly 44013  
sponsored by another entity and may enter into a contract with 44014  
that community school in accordance with section 3314.03 of the 44015  
Revised Code. 44016

If a sponsor entered into a contract with an internet- or 44017  
computer-based community school, including a conversion school, 44018  
but the school was not open for operation as of May 1, 2005, the 44019  
contract shall be void and the entity shall not enter into 44020  
another contract with the school until May 22, 2013. 44021

(B) (1) Beginning on July 1, 2013, up to five new internet- 44022  
or computer-based community schools may open each year, subject 44023  
to approval of the director of education and workforce under 44024  
division (B) (2) of this section. 44025

(2) The director shall approve applications for new 44026  
internet- or computer-based community schools from only those 44027  
applicants demonstrating experience and quality. 44028

The department of education and workforce shall adopt 44029

rules prescribing measures to determine experience and quality 44030  
of applicants in accordance with Chapter 119. of the Revised 44031  
Code. The measures shall include, but not be limited to, the 44032  
following considerations: 44033

(a) The sponsor's experience with online schools; 44034

(b) The operator's experience with online schools; 44035

(c) The sponsor's and operator's previous record for 44036  
student performance; 44037

(d) A preference for operators with previous experience in 44038  
Ohio. 44039

(3) The department shall notify any new internet- or 44040  
computer-based community school governed by division (B) of this 44041  
section of whether the director has approved or disapproved the 44042  
school's application to open for the 2013-2014 school year not 44043  
later than July 1, 2013. Notwithstanding the dates prescribed 44044  
for adoption and signing on sponsor contracts in division (D) of 44045  
section 3314.02 of the Revised Code, or the date for opening a 44046  
school for instruction required by division (A)(25) of section 44047  
3314.03 of the Revised Code, a new internet- or computer-based 44048  
community school approved for opening for the 2013-2014 school 44049  
year under division (B) of this section may open and operate in 44050  
that school year regardless of whether it has complied with 44051  
those contract and opening dates. For each school year 44052  
thereafter, the school shall comply with all applicable 44053  
provisions of this chapter. 44054

(4) Notwithstanding divisions (B)(1) and (2) of this 44055  
section, a sponsor rated "exemplary" on its most recent 44056  
evaluation conducted under section 3314.016 of the Revised Code 44057  
is permitted to open up to two new internet- or computer-based 44058

community schools that ~~will primarily serve students enrolled in~~ 44059  
~~a~~ are dropout prevention and recovery program ~~community schools~~ 44060  
each year, not to exceed six new schools in a five-year period. 44061

(C) Nothing in division (A) or (B) of this section 44062  
prohibits an internet- or computer-based community school from 44063  
increasing the number of grade levels it offers. 44064

**Sec. 3314.015.** (A) The department of education and 44065  
workforce shall be responsible for the oversight of any and all 44066  
sponsors of the community schools established under this chapter 44067  
and shall provide technical assistance to schools and sponsors 44068  
in their compliance with applicable laws and the terms of the 44069  
contracts entered into under section 3314.03 of the Revised Code 44070  
and in the development and start-up activities of those schools. 44071  
In carrying out its duties under this section, the department 44072  
shall do all of the following: 44073

contracted; 44081

(4) By December thirty-first of each year, issue a report 44082  
to the governor, the speaker of the house of representatives, 44083  
the president of the senate, and the chairpersons of the house 44084  
and senate committees principally responsible for education 44085  
matters regarding the effectiveness of academic programs, 44086  
operations, and legal compliance and of the financial condition 44087

of all community schools established under this chapter and on 44088  
the performance of community school sponsors; 44089

(5) From time to time, make legislative recommendations to 44090  
the general assembly designed to enhance the operation and 44091  
performance of community schools. 44092

(B) (1) Except as provided in sections 3314.021 and 44093  
3314.027 of the Revised Code, no entity shall enter into a 44094  
preliminary agreement under division (C) (2) of section 3314.02 44095  
of the Revised Code or renew an existing contract to sponsor a 44096  
community school until it has received approval from the 44097  
department to sponsor community schools under this chapter and 44098  
has entered into a written agreement with the department 44099  
regarding the manner in which the entity will conduct such 44100  
sponsorship. 44101

On and after July 1, 2017, each entity that sponsors a 44102  
community school in this state, except for an entity described 44103  
in sections 3314.021 and 3314.027 of the Revised Code, shall 44104  
attain approval from the department in order to continue 44105  
sponsoring schools regardless of whether that entity intends to 44106  
enter into a preliminary agreement or renew an existing 44107  
contract. 44108

All new and renewed agreements between the department and 44109  
a sponsor shall contain specific language addressing the 44110  
parameters under which the department can intervene and 44111  
potentially revoke sponsorship authority in the event that the 44112  
sponsor is unwilling or unable to fulfill its obligations. 44113  
Additionally, each agreement shall set forth any territorial 44114  
restrictions and limits on the number of schools that entity may 44115  
sponsor, provide for an annual evaluation process, and include a 44116  
stipulation permitting the department to modify the agreement 44117

under the following circumstances: 44118

(a) Poor fiscal management; 44119

(b) Lack of academic progress. 44120

(2) The initial term of a sponsor's agreement with the 44121  
department shall be for up to five years. 44122

(a) An agreement entered into with the department pursuant 44123  
to this section may be renewed for a term of up to ten years 44124  
using the following criteria: 44125

(i) The academic performance of students enrolled in each 44126  
community school the entity sponsors, as determined by the 44127  
department pursuant to division (B)(1)(a) of section 3314.016 of 44128  
the Revised Code; 44129

(ii) The sponsor's adherence to quality practices, as 44130  
determined by the department pursuant to division (B)(1)(b) of 44131  
section 3314.016 of the Revised Code; 44132

(iii) The sponsor's compliance with all applicable laws 44133  
and administrative rules. 44134

(b) Each agreement between the department and a sponsor 44135  
shall specify that entities with an overall rating of 44136  
"exemplary" for at least two consecutive years shall not be 44137  
subject to the limit on the number of community schools the 44138  
entity may sponsor or any territorial restrictions on 44139  
sponsorship, for so long as that entity continues to be rated 44140  
"exemplary." 44141

(c) The department shall adopt in accordance with Chapter 44142  
119. of the Revised Code rules containing criteria, procedures, 44143  
and deadlines for processing applications for approval of 44144  
sponsors, for oversight of sponsors, for notifying a sponsor of 44145

noncompliance with applicable laws and administrative rules 44146  
under division (F) of this section, for revocation of the 44147  
approval of sponsors under division (C) of this section, and for 44148  
entering into written agreements with sponsors. The rules shall 44149  
require an entity to submit evidence of the entity's ability and 44150  
willingness to comply with the provisions of division ~~(D)~~(C) of 44151  
section 3314.03 of the Revised Code. The rules also shall 44152  
require all entities approved as sponsors to demonstrate a 44153  
record of financial responsibility and successful implementation 44154  
of educational programs. If an entity seeking approval to 44155  
sponsor community schools in this state sponsors or operates 44156  
schools in another state, at least one of the schools sponsored 44157  
or operated by the entity must be comparable to or better than 44158  
the performance of Ohio schools in need of continuous 44159  
improvement under section 3302.03 of the Revised Code, as 44160  
determined by the department. 44161

Subject to section 3314.016 of the Revised Code, an entity 44162  
that sponsors community schools may enter into preliminary 44163  
agreements and sponsor up to one hundred schools, provided each 44164  
school and the contract for sponsorship meets the requirements 44165  
of this chapter. A sponsor that was rated "exemplary" on its 44166  
most recent rating under section 3314.016 of the Revised Code 44167  
may sponsor up to two hundred such schools. 44168

(3) The department shall determine, pursuant to criteria 44169  
specified in rules adopted in accordance with Chapter 119. of 44170  
the Revised Code, whether the mission proposed to be specified 44171  
in the contract of a community school to be sponsored by a state 44172  
university board of trustees or the board's designee under 44173  
division (C)(1)(e) of section 3314.02 of the Revised Code 44174  
complies with the requirements of that division. Such 44175  
determination of the department is final. 44176

(4) The department shall determine, pursuant to criteria 44177  
specified in rules adopted in accordance with Chapter 119. of 44178  
the Revised Code, if any tax-exempt entity under section 501(c) 44179  
(3) of the Internal Revenue Code that is proposed to be a 44180  
sponsor of a community school is an education-oriented entity 44181  
for purpose of satisfying the condition prescribed in division 44182  
(C) (1) (f) (iii) of section 3314.02 of the Revised Code. Such 44183  
determination of the department is final. 44184

(C) If at any time the department finds that a sponsor is 44185  
not in compliance or is no longer willing to comply with its 44186  
contract with any community school or with the department's 44187  
rules for sponsorship, the department shall conduct a hearing in 44188  
accordance with Chapter 119. of the Revised Code on that matter. 44189  
If after the hearing, the department has confirmed the original 44190  
finding, it may revoke the sponsor's approval to sponsor 44191  
community schools. In that case, the department's office of Ohio 44192  
school sponsorship, established under section 3314.029 of the 44193  
Revised Code, may assume the sponsorship of any schools with 44194  
which the sponsor has contracted until the earlier of the 44195  
expiration of two school years or until a new sponsor as 44196  
described in division (C) (1) of section 3314.02 of the Revised 44197  
Code is secured by the school's governing authority. The office 44198  
of Ohio school sponsorship may extend the term of the contract 44199  
in the case of a school for which it has assumed sponsorship 44200  
under this division as necessary to accommodate the term of the 44201  
department's authorization to sponsor the school specified in 44202  
this division. Community schools sponsored under this division 44203  
shall not apply to the limit on directly authorized community 44204  
schools under division (A) (3) of section 3314.029 of the Revised 44205  
Code. However, nothing in this division shall preclude a 44206  
community school affected by this division from applying for 44207

sponsorship under that section. 44208

(D) The decision of the department to disapprove an entity 44209  
for sponsorship of a community school or to revoke approval for 44210  
such sponsorship under division (C) of this section, may be 44211  
appealed by the entity in accordance with section 119.12 of the 44212  
Revised Code. 44213

(E) The department shall adopt procedures for use by a 44214  
community school governing authority and sponsor when the school 44215  
permanently closes and ceases operation, which shall include at 44216  
least procedures for data reporting to the department, handling 44217  
of student records, distribution of assets in accordance with 44218  
section 3314.074 of the Revised Code, and other matters related 44219  
to ceasing operation of the school. 44220

(F) (1) In lieu of revoking a sponsor's authority to 44221  
sponsor community schools under division (C) of this section, if 44222  
the department finds that a sponsor is not in compliance with 44223  
applicable laws and administrative rules, the department shall 44224  
declare in a written notice to the sponsor the specific laws or 44225  
rules, or both, for which the sponsor is noncompliant. A sponsor 44226  
notified under division (F) (1) of this section shall respond to 44227  
the department not later than fourteen days after the 44228  
notification with a proposed plan to remedy the conditions for 44229  
which the sponsor was found to be noncompliant. The department 44230  
shall approve or disapprove the plan not later than fourteen 44231  
days after receiving it. If the plan is disapproved, the sponsor 44232  
may submit a revised plan to the department not later than 44233  
fourteen days after receiving notification of disapproval from 44234  
the department or not later than sixty days after the date the 44235  
sponsor received notification of noncompliance from the 44236  
department, whichever is earlier. The department shall approve 44237

or disapprove the revised plan not later than fourteen days 44238  
after receiving it or not later than sixty days after the date 44239  
the sponsor received notification of noncompliance from the 44240  
department, whichever is earlier. A sponsor may continue to make 44241  
revisions by the deadlines prescribed in division (F) (1) of this 44242  
section to any revised plan that is disapproved by the 44243  
department until the sixtieth day after the date the sponsor 44244  
received notification of noncompliance from the department. 44245

If a plan or a revised plan is approved, the sponsor shall 44246  
implement it not later than sixty days after the date the 44247  
sponsor received notification of noncompliance from the 44248  
department or not later than thirty days after the plan is 44249  
approved, whichever is later. If a sponsor does not respond to 44250  
the department or implement an approved compliance plan by the 44251  
deadlines prescribed by division (F) (1) of this section, or if a 44252  
sponsor does not receive approval of a compliance plan on or 44253  
before the sixtieth day after the date the sponsor received 44254  
notification of noncompliance from the department, the 44255  
department shall declare in written notice to the sponsor that 44256  
the sponsor is in probationary status, and may limit the 44257  
sponsor's ability to sponsor additional schools. 44258

(2) A sponsor that has been placed on probationary status 44259  
under division (F) (1) of this section may apply to the 44260  
department for its probationary status to be lifted. The 44261  
application for a sponsor's probationary status to be lifted 44262  
shall include evidence, occurring after the initial notification 44263  
of noncompliance, of the sponsor's compliance with applicable 44264  
laws and administrative rules. Not later than fourteen days 44265  
after receiving an application from the sponsor, the department 44266  
shall decide whether or not to remove the sponsor's probationary 44267  
status. 44268

(G) In carrying out its duties under this chapter, the department shall not impose requirements on community schools or their sponsors that are not permitted by law or duly adopted rules.

(H) This section applies to entities that sponsor conversion community schools and new start-up schools.

(I) Nothing in divisions (C) to (F) of this section prohibits the department from taking any action permitted or required under the written agreement between the department and a sponsoring entity without a hearing on the matter, in the event that the sponsor is unwilling or unable to fulfill its obligations.

**Sec. 3314.016.** This section applies to any entity that sponsors a community school, regardless of whether section 3314.021 or 3314.027 of the Revised Code exempts the entity from the requirement to be approved for sponsorship under divisions (A) (2) and (B) (1) of section 3314.015 of the Revised Code. The office of Ohio school sponsorship established under section 3314.029 of the Revised Code shall be rated under division (B) of this section, but divisions (A) and (C) of this section do not apply to the office.

(A) An entity that sponsors a community school shall be permitted to enter into contracts under section 3314.03 of the Revised Code to sponsor additional community schools only if the entity meets all of the following criteria:

(1) The entity is in compliance with all provisions of this chapter requiring sponsors of community schools to report data or information to the department of education and workforce.

(2) The entity is not rated as "ineffective" under 44298  
division (B)(6) of this section. 44299

(3) Except as set forth in sections 3314.021 and 3314.027 44300  
of the Revised Code, the entity has received approval from and 44301  
entered into an agreement with the department pursuant to 44302  
section 3314.015 of the Revised Code. 44303

(B)(1) The department shall develop and implement an 44304  
evaluation system that annually rates and assigns an overall 44305  
rating to each entity that sponsors a community school. The 44306  
department, not later than the first day of February of each 44307  
year, shall post on the department's web site the framework for 44308  
the evaluation system, including technical documentation that 44309  
the department intends to use to rate sponsors for the next 44310  
school year. The department shall solicit public comment on the 44311  
evaluation system for thirty consecutive days. Not later than 44312  
the first day of April of each year, the department shall 44313  
compile and post on the department's web site all public 44314  
comments that were received during the public comment period. 44315  
The evaluation system shall be posted on the department's web 44316  
site by the fifteenth day of July of each school year. Any 44317  
changes to the evaluation system after that date shall take 44318  
effect the following year. The evaluation system shall be based 44319  
on the following components: 44320

(a) Academic performance of students enrolled in community 44321  
schools sponsored by the same entity. The academic performance 44322  
component shall be derived from the performance measures 44323  
prescribed for the state report cards under section 3302.03 or 44324  
3314.017 of the Revised Code, and shall be based on the 44325  
performance of the schools for the school year for which the 44326  
evaluation is conducted. In addition to the academic performance 44327

for a specific school year, the academic performance component 44328  
shall also include year-to-year changes in the overall sponsor 44329  
portfolio. For a community school for which no graded 44330  
performance measures are applicable or available, the department 44331  
shall use nonreport card performance measures specified in the 44332  
contract between the community school and the sponsor under 44333  
division (A) (4) of section 3314.03 of the Revised Code. 44334

(b) Adherence by a sponsor to the quality practices 44335  
prescribed by the department under division (B) (3) of this 44336  
section. For a sponsor that was rated "effective" or "exemplary" 44337  
on its most recent rating, the department may evaluate that 44338  
sponsor's adherence to quality practices once over a period of 44339  
three years. If the department elects to evaluate a sponsor once 44340  
over a period of three years, the most recent rating for a 44341  
sponsor's adherence to quality practices shall be used when 44342  
determining an annual overall rating conducted under this 44343  
section. 44344

(c) Compliance with all applicable laws and administrative 44345  
rules by an entity that sponsors a community school. 44346

Under the evaluation system prescribed under division (B) 44347  
(1) of this section, the department shall not assign an overall 44348  
rating of "ineffective" or lower to an entity that sponsors a 44349  
community school solely because that entity received no points 44350  
on one of the components prescribed under that division. 44351

(2) In calculating an academic performance component, the 44352  
department shall exclude all community schools that have been in 44353  
operation for not more than two full school years and all 44354  
community schools described in division (B) (2) of section 44355  
3314.35 of the Revised Code. However, the academic performance 44356  
of the community schools described in division (B) (2) of section 44357

3314.35 of the Revised Code shall be reported, but shall not be 44358  
used as a factor when determining a sponsoring entity's rating 44359  
under this section. 44360

(3) The department, in consultation with entities that 44361  
sponsor community schools, shall prescribe quality practices for 44362  
community school sponsors and develop an instrument to measure 44363  
adherence to those quality practices. The quality practices 44364  
shall be based on standards developed by the national 44365  
association of charter school authorizers or any other 44366  
nationally organized community school organization. 44367

(4) (a) The department may permit peer review of a 44368  
sponsor's adherence to the quality practices prescribed under 44369  
division (B) (3) of this section. Peer reviewers shall be limited 44370  
to individuals employed by sponsors rated "effective" or 44371  
"exemplary" on the most recent ratings conducted under this 44372  
section. 44373

(b) The department shall require individuals participating 44374  
in peer review under division (B) (4) (a) of this section to 44375  
complete training approved or established by the department. 44376

(c) The department may enter into an agreement with 44377  
another entity to provide training to individuals conducting 44378  
peer review of sponsors. Prior to entering into an agreement 44379  
with an entity, the department shall review and approve of the 44380  
entity's training program. 44381

(5) The director of education and workforce shall adopt 44382  
rules in accordance with Chapter 119. of the Revised Code 44383  
prescribing standards for measuring compliance with applicable 44384  
laws and rules under division (B) (1) (c) of this section. 44385

(6) The department annually shall rate all entities that 44386

sponsor community schools as either "exemplary," "effective," 44387  
"ineffective," or "poor," based on the components prescribed by 44388  
division (B) of this section, where each component is weighted 44389  
equally. A separate rating shall be given by the department for 44390  
each component of the evaluation system. 44391

The department shall publish the ratings between the first 44392  
day of October and the fifteenth day of November. 44393

Prior to the publication of the final ratings, the 44394  
department shall designate and provide notice of a period of at 44395  
least ten business days during which each sponsor may review the 44396  
information used by the department to determine the sponsor's 44397  
rating on the components prescribed by division (B) (1) of this 44398  
section. If the sponsor believes there is an error in the 44399  
department's evaluation, the sponsor may request adjustments to 44400  
the rating of any of those components based on documentation 44401  
previously submitted as part of an evaluation. The sponsor shall 44402  
provide to the department any necessary evidence or information 44403  
to support the requested adjustments. The department shall 44404  
review the evidence and information, determine whether an 44405  
adjustment is valid, and promptly notify the sponsor of its 44406  
determination and reasons. If any adjustments to the data could 44407  
result in a change to the rating on the applicable component or 44408  
to the overall rating, the department shall recalculate the 44409  
ratings prior to publication. 44410

The department shall provide training on an annual basis 44411  
regarding the evaluation system prescribed under this section. 44412  
The training shall, at a minimum, describe methodology, 44413  
timelines, and data required for the evaluation system. The 44414  
first training session shall occur not later than March 2, 2016. 44415  
Beginning in 2018, the training shall be made available to each 44416

entity that sponsors a community school by the fifteenth day of 44417  
July of each year and shall include guidance on any changes made 44418  
to the evaluation system. 44419

(7) (a) Entities with an overall rating of "exemplary" for 44420  
the two most recent years in which the entity was evaluated may 44421  
take advantage of the following incentives: 44422

(i) Renewal of the written agreement with the department, 44423  
not to exceed ten years, provided that the entity consents to 44424  
continued evaluation of adherence to quality practices as 44425  
described in division (B) (1) (b) of this section; 44426

(ii) The ability to extend the term of the contract 44427  
between the sponsoring entity and the community school beyond 44428  
the term described in the written agreement with the department; 44429

(iii) An exemption from the preliminary agreement and 44430  
contract adoption and execution deadline requirements prescribed 44431  
in division (D) of section 3314.02 of the Revised Code; 44432

(iv) An exemption from the automatic contract expiration 44433  
requirement, should a new community school fail to open by the 44434  
thirtieth day of September of the calendar year in which the 44435  
community school contract is executed; 44436

(v) No limit on the number of community schools the entity 44437  
may sponsor; 44438

(vi) No territorial restrictions on sponsorship. 44439

An entity may continue to sponsor any community schools 44440  
with which it entered into agreements under division (B) (7) (a) 44441  
(v) or (vi) of this section while rated "exemplary," 44442  
notwithstanding the fact that the entity later receives a lower 44443  
overall rating. 44444

(b) Entities with an overall rating of "exemplary" or "effective" for the three most recent years in which the entity was evaluated shall be evaluated by the department once every three years.

(c) (i) Entities that receive an overall rating of "ineffective" shall be prohibited from sponsoring any new or additional community schools during the time in which the sponsor is rated as "ineffective" and shall be subject to a quality improvement plan based on correcting the deficiencies that led to the "ineffective" rating, with timelines and benchmarks that have been established by the department.

(ii) Entities that receive an overall rating of "ineffective" on their three most recent ratings shall have all sponsorship authority revoked. Within thirty days after receiving its third rating of "ineffective," the entity may appeal the revocation of its sponsorship authority to the director, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the director shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(d) Entities that receive an overall rating of "poor" shall have all sponsorship authority revoked. Within thirty days after receiving a rating of "poor," the entity may appeal the revocation of its sponsorship authority to the director, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The

hearing shall be conducted within thirty days after receipt of 44475  
the notice of appeal. Within forty-five days after the hearing 44476  
is completed, the director shall determine whether the 44477  
revocation is appropriate based on the hearing conducted by the 44478  
independent hearing officer, and if determined appropriate, the 44479  
revocation shall be confirmed. 44480

(8) For the 2014-2015 school year and each school year 44481  
thereafter, student academic performance prescribed under 44482  
division (B)(1)(a) of this section shall include student 44483  
academic performance data from dropout prevention and recovery 44484  
~~community schools that primarily serve students enrolled in a~~ 44485  
~~dropout prevention and recovery program.~~ 44486

(C) If the governing authority of a community school 44487  
enters into a contract with a sponsor prior to the date on which 44488  
the sponsor is prohibited from sponsoring additional schools 44489  
under division (A) of this section and the school has not opened 44490  
for operation as of that date, that contract shall be void and 44491  
the school shall not open until the governing authority secures 44492  
a new sponsor by entering into a contract with the new sponsor 44493  
under section 3314.03 of the Revised Code. However, the 44494  
department's office of Ohio school sponsorship, established 44495  
under section 3314.029 of the Revised Code, may assume the 44496  
sponsorship of the school until the earlier of the expiration of 44497  
two school years or until a new sponsor is secured by the 44498  
school's governing authority. A community school sponsored by 44499  
the department under this division shall not be included when 44500  
calculating the maximum number of directly authorized community 44501  
schools permitted under division (A)(3) of section 3314.029 of 44502  
the Revised Code. 44503

(D) When an entity's authority to sponsor schools is 44504

revoked pursuant to division (B) (7) (c) or (d) of this section, 44505  
the office of Ohio school sponsorship shall assume sponsorship 44506  
of any schools with which the original sponsor has contracted 44507  
for the remainder of that school year. The office may continue 44508  
sponsoring those schools until the earlier of: 44509

(1) The expiration of two school years from the time that 44510  
sponsorship is revoked; 44511

(2) When a new sponsor is secured by the governing 44512  
authority pursuant to division (C) (1) of section 3314.02 of the 44513  
Revised Code. 44514

Any community school sponsored under this division shall 44515  
not be counted for purposes of directly authorized community 44516  
schools under division (A) (3) of section 3314.029 of the Revised 44517  
Code. 44518

(E) The department shall recalculate the rating for the 44519  
2017-2018 school year for each sponsor of a community school 44520  
that receives recalculated ratings pursuant to division (I) of 44521  
section 3314.017 of the Revised Code. 44522

**Sec. 3314.017.** (A) The department of education and 44523  
workforce shall prescribe by rules, adopted in accordance with 44524  
Chapter 119. of the Revised Code, an academic performance rating 44525  
and report card system that satisfies the requirements of this 44526  
section for dropout prevention and recovery community schools 44527  
~~that primarily serve students enrolled in dropout prevention and~~ 44528  
~~recovery programs as described in division (B) (1) of section~~ 44529  
~~3314.35 of the Revised Code,~~ to be used in lieu of the system 44530  
prescribed under sections 3302.03 and 3314.012 of the Revised 44531  
Code beginning with the 2012-2013 school year. Each such school 44532  
shall comply with the testing and reporting requirements of the 44533

system as prescribed by the department. 44534

(B) Nothing in this section shall at any time relieve a 44535  
school from its obligations under the "No Child Left Behind Act 44536  
of 2001" to make "adequate yearly progress," as both that act 44537  
and that term are defined in section 3302.01 of the Revised 44538  
Code, or a school's amenability to the provisions of section 44539  
3302.04 or 3302.041 of the Revised Code. The department shall 44540  
continue to report each school's performance as required by the 44541  
act and to enforce applicable sanctions under section 3302.04 or 44542  
3302.041 of the Revised Code. 44543

(C) The rules adopted by the department shall prescribe 44544  
the following performance indicators for the rating and report 44545  
card system required by this section: 44546

(1) Graduation rate for each of the following student 44547  
cohorts: 44548

(a) The number of students who graduate in four years or 44549  
less with a regular high school diploma divided by the number of 44550  
students who form the adjusted cohort for the graduating class; 44551

(b) The number of students who graduate in five years with 44552  
a regular high school diploma divided by the number of students 44553  
who form the adjusted cohort for the four-year graduation rate; 44554

(c) The number of students who graduate in six years with 44555  
a regular high school diploma divided by the number of students 44556  
who form the adjusted cohort for the four-year graduation rate; 44557

(d) The number of students who graduate in seven years 44558  
with a regular high school diploma divided by the number of 44559  
students who form the adjusted cohort for the four-year 44560  
graduation rate; 44561

(e) The number of students who graduate in eight years 44562  
with a regular high school diploma divided by the number of 44563  
students who form the adjusted cohort for the four-year 44564  
graduation rate. 44565

(2) The percentage of twelfth-grade students currently 44566  
enrolled in the school who have attained the designated passing 44567  
score on all of the state high school achievement assessments 44568  
required under division (B) (1) of section 3301.0710 of the 44569  
Revised Code or the cumulative performance score on the end-of- 44570  
course examinations prescribed under division (B) (2) of section 44571  
3301.0712 of the Revised Code, whichever applies, and other 44572  
students enrolled in the school, regardless of grade level, who 44573  
are within three months of their twenty-second birthday and have 44574  
attained the designated passing score on all of the state high 44575

score on the end-of-course examinations, whichever applies, by 44577  
their twenty-second birthday; 44578

(3) Annual measurable objectives as defined in section 44579  
3302.01 of the Revised Code; 44580

(4) Growth in student achievement in reading, or 44581  
mathematics, or both as measured by separate nationally norm- 44582  
referenced assessments that have developed appropriate standards 44583  
for students enrolled in dropout prevention and recovery 44584  
programs, adopted or approved by the department. 44585

(D) (1) The department's rules shall prescribe the expected 44586  
performance levels and benchmarks for each of the indicators 44587  
prescribed by division (C) of this section based on the data 44588  
gathered by the department under division (G) of this section 44589  
and simulations created by the department. Based on a school's 44590  
level of attainment or nonattainment of the expected performance 44591

levels and benchmarks for each of the indicators, the department 44592  
shall rate each school in one of the following categories: 44593

(a) Exceeds standards; 44594

(b) Meets standards; 44595

(c) Does not meet standards. 44596

(2) The department's rules shall establish all of the 44597  
following: 44598

(a) Performance levels and benchmarks for the indicators 44599  
described in divisions (C) (1) to (3) of this section; 44600

(b) Both of the following: 44601

(i) Performance levels and benchmarks for the indicator 44602  
described in division (C) (4) of this section; 44603

(ii) Standards for awarding a dropout prevention and 44604  
recovery community school ~~described in division (B) (1) of~~ 44605  
~~section 3314.35 of the Revised Code~~ an overall designation, 44606  
which shall be calculated as follows: 44607

(I) Thirty per cent of the score shall be based on the 44608  
indicators described in division (C) (1) of this section that are 44609  
applicable to the school year for which the overall designation 44610  
is granted. 44611

(II) Thirty per cent of the score shall be based on the 44612  
indicators described in division (C) (4) of this section. 44613

(III) Twenty per cent of the score shall be based on the 44614  
indicators described in division (C) (2) of this section. 44615

(IV) Twenty per cent of the score shall be based on the 44616  
indicators described in division (C) (3) of this section. 44617

(3) If both of the indicators described in divisions (C) 44618  
(1) and (2) of this section improve by ten per cent for two 44619  
consecutive years, a school shall be rated not less than "meets 44620  
standards." 44621

(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code. 46030  
46031  
46032  
46033

(2) A student shall be considered to be enrolled in a community school for the period of time beginning on the later 46034  
46035

of the date on which the school both has received documentation 46036  
of the student's enrollment from a parent and the student has 46037  
commenced participation in learning opportunities as defined in 46038  
the contract with the sponsor, or thirty days prior to the date 46039  
on which the student is entered into the education management 46040  
information system established under section 3301.0714 of the 46041  
Revised Code. For purposes of applying this division and 46042

classroom-based learning opportunities and shall be in 46046  
compliance with criteria and documentation requirements for 46047  
student participation which shall be established by the 46048  
department. Any student's instruction time in non-classroom- 46049  
based learning opportunities shall be certified by an employee 46050  
of the community school. A student's enrollment shall be 46051  
considered to cease on the date on which any of the following 46052

(a) The community school receives documentation from a 46054  
parent terminating enrollment of the student. 46055

(b) The community school is provided documentation of a 46056  
student's enrollment in another public or private school. 46057

opportunities to the student pursuant to the terms of the 46059  
contract with the sponsor or the operation of any provision of 46060  
this chapter. 46061

Except as otherwise specified in this paragraph, beginning 46062  
in the 2011-2012 school year, any student who completed the 46063  
prior school year in an internet- or computer-based community 46064  
school shall be considered to be enrolled in the same school in 46065

the subsequent school year until the student's enrollment has 46066  
ceased as specified in division (H) (2) of this section. The 46067  
department shall continue paying amounts for the student under 46068  
section 3317.022 of the Revised Code without interruption at the 46069  
start of the subsequent school year. However, if the student 46070  
without a legitimate excuse fails to participate in the first 46071  
seventy-two consecutive hours of learning opportunities offered 46072  
to the student in that subsequent school year, the student shall 46073  
be considered not to have re-enrolled in the school for that 46074  
school year and the department shall recalculate the payments to 46075  
the school for that school year to account for the fact that the 46076  
student is not enrolled. 46077

(3) The department shall determine each community school 46078  
student's percentage of full-time equivalency based on the 46079  
percentage of learning opportunities offered by the community 46080  
school to that student, reported either as number of hours or 46081  
number of days, is of the total learning opportunities offered 46082  
by the community school to a student who attends for the 46083  
school's entire school year. However, no internet- or computer- 46084  
based community school shall be credited for any time a student 46085  
spends participating in learning opportunities beyond ten hours 46086  
within any period of twenty-four consecutive hours. Whether it 46087  
reports hours or days of learning opportunities, each community 46088  
school shall offer not less than nine hundred twenty hours of 46089  
learning opportunities during the school year. 46090

(4) With respect to the calculation of full-time 46091  
equivalency under division (H) (3) of this section, the 46092  
department shall waive the number of hours or days of learning 46093  
opportunities not offered to a student because the community 46094  
school was closed during the school year due to disease 46095  
epidemic, hazardous weather conditions, law enforcement 46096

emergencies, inoperability of school buses or other equipment 46097  
necessary to the school's operation, damage to a school 46098  
building, or other temporary circumstances due to utility 46099  
failure rendering the school building unfit for school use, so 46100  
long as the school was actually open for instruction with 46101  
students in attendance during that school year for not less than 46102  
the minimum number of hours required by this chapter. The 46103  
department shall treat the school as if it were open for 46104  
instruction with students in attendance during the hours or days 46105  
waived under this division. 46106

(I) The department of education and workforce shall reduce 46107  
the amounts paid under section 3317.022 of the Revised Code to 46108  
reflect payments made to colleges under section 3365.07 of the 46109  
Revised Code. 46110

(J) (1) No student shall be considered enrolled in any 46111  
internet- or computer-based community school or, if applicable 46112  
to the student, in any community school that is required to 46113  
provide the student with a computer pursuant to division (C) of 46114  
section 3314.22 of the Revised Code, unless both of the 46115  
following conditions are satisfied: 46116

participating in the learning opportunities specified in the 46120  
contract between the school and the school's sponsor as required 46121  
by division (A) (23) of section 3314.03 of the Revised Code; 46122

(b) The school is in compliance with division (A) of 46123

(2) In accordance with policies adopted by the department 46125

of education and workforce, in consultation with the auditor of 46126  
state, the department shall reduce the amounts otherwise payable 46127  
under section 3317.022 of the Revised Code to any community 46128  
school that includes in its program the provision of computer 46129  
hardware and software materials to any student, if such hardware 46130  
and software materials have not been delivered, installed, and 46131  
activated for each such student in a timely manner or other 46132  
educational materials or services have not been provided 46133  
according to the contract between the individual community 46134  
school and its sponsor. 46135

The director and the auditor of state shall jointly 46136  
establish a method for auditing any community school to which 46137  
this division pertains to ensure compliance with this section. 46138

The director, auditor of state, and the governor shall 46139  
jointly make recommendations to the general assembly for 46140  
legislative changes that may be required to assure fiscal and 46141  
academic accountability for such schools. 46142

(K) (1) If the department determines that a review of a 46143  
community school's enrollment is necessary, such review shall be 46144  
completed and written notice of the findings shall be provided 46145  
to the governing authority of the community school and its 46146  
sponsor within ninety days of the end of the community school's 46147  
fiscal year, unless extended for a period not to exceed thirty 46148  
additional days for one of the following reasons: 46149

(a) The department and the community school mutually agree 46150  
to the extension. 46151

(b) Delays in data submission caused by either a community 46152  
school or its sponsor. 46153

(2) If the review results in a finding that additional 46154

funding is owed to the school, such payment shall be made within 46155  
thirty days of the written notice. If the review results in a 46156  
finding that the community school owes moneys to the state, the 46157  
following procedure shall apply: 46158

(a) Within ten business days of the receipt of the notice 46159  
of findings, the community school may appeal the department's 46160  
determination to the director. 46161

(b) The director shall conduct an informal hearing on the 46162  
matter within thirty days of receipt of such an appeal and shall 46163  
issue a decision within fifteen days of the conclusion of the 46164  
hearing. 46165

(c) Any decision made by the director under this division 46166  
is final. 46167

(3) If it is decided that the community school owes moneys 46168  
to the state, the department shall deduct such amount from the 46169  
school's future payments in accordance with guidelines issued by 46170  
the director. 46171

the Revised Code X the statewide average base cost per pupil for 50251  
that fiscal year X the district's state share percentage X 0.50; 50252

(A) For each fiscal year, the department of education and workforce shall compute targeted assistance funds for city, local, and exempted village school districts, in accordance with the following formula:

A district's capacity amount for that fiscal year calculated under division (B) of this section + a district's wealth amount for that fiscal year calculated under division (C) of this section

(B) The department shall calculate each district's capacity amount for a fiscal year as follows:

(1) Calculate each district's weighted wealth for that fiscal year, which equals the following sum:

(The amount determined for the district for that fiscal year under division (A) (1) (a) of section 3317.017 of the Revised Code X 0.6) + (the amount determined for the district for that fiscal year under division (A) (2) (a) of section 3317.017 of the Revised Code X 0.4)

(2) Determine the median weighted wealth of all school districts in this state for that fiscal year;

(3) Compute each district's capacity index for that fiscal year by dividing the median weighted wealth of all school districts in this state for that fiscal year by the district's weighted wealth for that fiscal year;

(4) Compute each district's capacity amount for that fiscal year as follows:

(a) The district's capacity amount shall be zero if the district satisfies either of the following criteria for that fiscal year:

(i) The district's capacity index is less than 1. 50363

(ii) The district's enrolled ADM is less than 200. 50364

(b) If the district does not satisfy either of the 50365  
criteria specified in division (B) (4) (a) of this section for 50366  
that fiscal year, the district's capacity amount for that fiscal 50367  
year shall be calculated as follows: 50368

(i) Compute the following amount for the district: 50369

(The median weighted wealth of all school districts in this 50370  
state for that fiscal year X 0.008) - (the district's weighted 50371  
wealth for that fiscal year X 0.008) 50372

(ii) If the district's enrolled ADM for that fiscal year 50373  
is greater than or equal to 200 but less than or equal to 400, 50374  
the district's capacity amount for that fiscal year shall be 50375  
equal to 0.05 X the amount computed under division (B) (4) (b) (i) 50376  
of this section. 50377

is greater than 400 and less than 600, the district's capacity 50379  
amount for that fiscal year shall be calculated in accordance 50380  
with the following formula: 50381

{[0.95 X (the district's enrolled ADM for that fiscal year - 50382  
400)/200] + 0.05} X the amount computed under division (B) (4) (b) 50383  
(i) of this section 50384

(iv) If the district's enrolled ADM for that fiscal year 50385  
is greater than or equal to 600, the district's capacity amount 50386  
for that fiscal year shall be equal to the amount computed under 50387  
division (B) (4) (b) (i) of this section. 50388

(C) The department shall calculate each district's wealth 50389  
amount for a fiscal year as follows: 50390

(1) Calculate each district's weighted wealth per pupil 50391  
for that fiscal year, which equals the following quotient: 50392

The district's weighted wealth for that fiscal year 50393  
calculated under division (B) (1) of this section/ (the 50394  
district's enrolled ADM for that fiscal year - the students 50395  
described in division (A) (1) (b) of section 3317.03 of the 50396  
Revised Code + the students described in division (A) (2) (d) of 50397

(2) Determine the median weighted wealth per pupil of all 50399  
school districts in this state for that fiscal year; 50400

(3) Compute each district's wealth index for that fiscal 50401  
year by dividing the median weighted wealth per pupil of all 50402  
school districts in this state for that fiscal year by the 50403  
district's weighted wealth per pupil for that fiscal year; 50404

(4) Compute each district's wealth amount for that fiscal 50405  
year, as follows: 50406

(a) If the district's wealth index computed under division 50407  
(C) (3) of this section for that fiscal year is less than 0.8, 50408  
the district's wealth amount for that fiscal year shall be zero. 50409

(b) If the district's wealth index computed under division 50410  
(C) (3) of this section for that fiscal year is greater than or 50411  
equal to 0.8, the district's wealth amount for that fiscal year 50412  
shall be calculated in accordance with the following formula: 50413

[(The median weighted wealth per pupil of all school districts 50414  
in this state for that fiscal year X 0.014) - (the district's 50415  
weighted wealth per pupil for that fiscal year X 0.0112)] X the 50416

facilities that are not included in the basic project cost, as 52484  
authorized under division (B) (2) of this section, and, 52485  
subsequently, the cost of the project exceeds the amount in the 52486

project construction fund, the district board shall restore to 52487  
the project construction fund the full amount of the investment 52488  
earnings used under division (B) (2) of this section before any 52489

classroom facilities for vocational educational instruction at 52567  
such location shall be provided to the school district that is a 52568

occupational licensing and regulatory fund established in 52626  
section 4743.05 of the Revised Code. 52627

(2) Any person applying for or holding a permit or license 52628  
pursuant to this section is subject to sections 3123.41 to 52629  
3123.50 of the Revised Code and any applicable rules adopted 52630  
under section 3123.63 of the Revised Code and sections 3319.31 52631  
and 3319.311 of the Revised Code. 52632

(C) Educational assistants shall at all times while in the 52633

performance of their duties be under the supervision and 52634  
direction of a teacher as defined in section 3319.09 of the 52635  
Revised Code. Educational assistants may assist a teacher to 52636  
whom assigned in the supervision of pupils, in assisting with 52637  
instructional tasks, and in the performance of duties which, in 52638  
the judgment of the teacher to whom the assistant is assigned, 52639  
may be performed by a person not licensed pursuant to sections 52640  
3319.22 to 3319.30 of the Revised Code and for which a teaching 52641  
license, issued pursuant to sections 3319.22 to 3319.30 of the 52642  
Revised Code is not required. The duties of an educational 52643  
assistant shall not include the assignment of grades to pupils. 52644  
The duties of an educational assistant need not be performed in 52645  
the physical presence of the teacher to whom assigned, but the 52646  
activity of an educational assistant shall at all times be under 52647  
the direction of the teacher to whom assigned. The assignment of 52648  
an educational assistant need not be limited to assisting a 52649  
single teacher. In the event an educational assistant is 52650  
assigned to assist more than one teacher the assignments shall 52651  
be clearly delineated and so arranged that the educational 52652  
assistant shall never be subject to simultaneous supervision or 52653  
direction by more than one teacher. 52654

Educational assistants assigned to supervise children 52655  
shall, when the teacher to whom assigned is not physically 52656  
present, maintain the degree of control and discipline that 52657  
would be maintained by the teacher. 52658

Educational assistants may not be used in place of 52659  
classroom teachers or other employees and any payment of 52660  
compensation by boards of education to educational assistants 52661  
for such services is prohibited. The ratio between the number of 52662  
licensed teachers and the pupils in a school district may not be 52663  
decreased by utilization of educational assistants and no 52664

grouping, or other organization of pupils, for utilization of 52665  
educational assistants shall be established which is 52666  
inconsistent with sound educational practices and procedures. A 52667  
school district may employ up to one full time equivalent 52668  
educational assistant for each six full time equivalent licensed 52669  
employees of the district. Educational assistants shall not be 52670  
counted as licensed employees for purposes of state support in 52671  
the school foundation program and no grouping or regrouping of 52672  
pupils with educational assistants may be counted as a class or 52673  
unit for school foundation program purposes. Neither special 52674  
courses required by the regulations of the state board of 52675  
education, prescribing minimum qualifications of education for 52676  
an educational assistant, nor years of service as an educational 52677  
assistant shall be counted in any way toward qualifying for a 52678  
teacher license, for a teacher contract of any type, or for 52679  
determining placement on a salary schedule in a school district 52680  
as a teacher. 52681

(D) Educational assistants employed by a board of 52682  
education shall have all rights, benefits, and legal protection 52683  
available to other nonteaching employees in the school district, 52684  
except that provisions of Chapter 124. of the Revised Code shall 52685  
not apply to any person employed as an educational assistant, 52686  
and shall be members of the school employees retirement system. 52687  
Educational assistants shall be compensated according to a 52688  
salary plan adopted annually by the board. 52689

Except as provided in this section nonteaching employees 52690  
shall not serve as educational assistants without first 52691  
obtaining an appropriate educational aide permit or educational 52692  
paraprofessional license from the state board of education. A 52693  
nonteaching employee who is the holder of a valid educational 52694  
aide permit or educational paraprofessional license shall 52695

neither render nor be required to render services inconsistent 52696  
with the type of services authorized by the permit or license 52697  
held. No person shall receive compensation from a board of 52698  
education for services rendered as an educational assistant in 52699  
violation of this provision. 52700

Nonteaching employees whose functions are solely 52701  
secretarial-clerical and who do not perform any other duties as 52702  
educational assistants, even though they assist a teacher and 52703  
work under the direction of a teacher shall not be required to 52704  
hold a permit or license issued pursuant to this section. 52705

Following the determination of the assignment and general 52706  
job description of an educational assistant and subject to 52707  
supervision by the teacher's immediate administrative officer, a 52708  
teacher to whom an educational assistant is assigned shall make 52709  
all final determinations of the duties to be assigned to such 52710  
assistant. Teachers shall not be required to hold a license 52711  
designated for being a supervisor or administrator in order to 52712  
perform the necessary supervision of educational assistants. 52713

(E) No person who is, or who has been employed as an 52714  
educational assistant shall divulge, except to the teacher to 52715  
whom assigned, or the administrator of the school in the absence 52716  
of the teacher to whom assigned, or when required to testify in 52717  
a court or proceedings, any personal information concerning any 52718  
pupil in the school district which was obtained or obtainable by 52719  
the educational assistant while so employed. Violation of this 52720  
provision is grounds for disciplinary action or dismissal, or 52721  
both. 52722

(F) Notwithstanding anything to the contrary in this 52723  
section, the superintendent of a school district may allow an 52724  
employee who does not hold a permit or license issued under this 52725

section to work as a substitute for an educational assistant who 52726  
is absent on account of illness or on a leave of absence, or to 52727  
fill a temporary position created by an emergency, provided that 52728  
the superintendent believes the employee's application materials 52729  
indicate that the employee is qualified to obtain a permit or 52730  
license under this section. 52731

An employee shall begin work as a substitute under this 52732  
division not earlier than on the date on which the employee 52733  
files an application with the state board for a permit or 52734  
license under this section. An employee shall cease working as a 52735  
substitute under this division on the earliest of the following: 52736

(1) The date on which the employee files a valid permit or 52737  
license issued under this section with the superintendent; 52738

(2) The date on which the employee is denied a permit or 52739  
license under this section; 52740

(3) Sixty days following the date on which the employee 52741  
began work as a substitute under this division. 52742

The superintendent shall ensure that an employee assigned 52743  
to work as a substitute under division (F) of this section has 52744  
undergone a criminal records check in accordance with section 52745  
3319.391 of the Revised Code. 52746

(G) The state board shall issue an educational aide permit 52747  
or educational paraprofessional license in accordance with 52748  
Chapter 4796. of the Revised Code to an applicant if either of 52749  
the following applies: 52750

(1) The applicant holds a permit or license in another 52751  
state. 52752

(2) The applicant has satisfactory work experience, a 52753

government certification, or a private certification as 52754

paraprofessional in a state that does not issue that permit or 52756  
license or both. 52757

**Sec. 3319.111.** Notwithstanding section 3319.09 of the 52758  
Revised Code, this section applies to any person who is employed 52759  
under a teacher license issued under this chapter, or under a 52760  
professional or permanent teacher's certificate issued under 52761  
former section 3319.222 of the Revised Code, and who spends at 52762  
least fifty per cent of the time employed providing student 52763  
instruction. However, this section does not apply to any person 52764  
who is employed as a substitute teacher or as an instructor of 52765  
adult education. 52766

(A) The board of education of each school district, in 52767  
consultation with teachers employed by the board, shall update 52768  
its standards-based teacher evaluation policy to conform with 52769  
either the framework for evaluation of teachers adopted under 52770  
section 3319.112 of the Revised Code or a framework created or 52771  
adopted by the board. The policy shall become operative at the 52772  
expiration of any collective bargaining agreement covering 52773  
teachers employed by the board that is in effect on November 2, 52774  
2018, and shall be included in any renewal or extension of such 52775  
an agreement. 52776

(B) When using measures of student performance as evidence 52777  
in a teacher's evaluation, those measures shall be high-quality 52778  
student data. The board of education of each school district may 52779  
use data from the assessments on the list developed under 52780  
division (B)(2) of section 3319.112 of the Revised Code as high- 52781  
quality student data. 52782

(C) (1) The board shall conduct an evaluation of each 52783

teacher employed by the board at least once each school year, 52784  
except as provided in division (C) (2) of this section. The 52785  
evaluation shall be completed by the first day of May and the 52786  
teacher shall receive a written report of the results of the 52787  
evaluation by the tenth day of May. 52788

(2) (a) The board may evaluate each teacher who received a 52789  
rating of accomplished on the teacher's most recent evaluation 52790  
conducted under this section once every three school years, so 52791  
long as the teacher submits a self-directed professional growth 52792  
plan to the evaluator that focuses on specific areas identified 52793  
in the observations and evaluation and the evaluator determines 52794  
that the teacher is making progress on that plan. 52795

(b) The board may evaluate each teacher who received a 52796  
rating of skilled on the teacher's most recent evaluation 52797  
conducted under this section once every two years, so long as 52798  
the teacher and evaluator jointly develop a professional growth 52799  
plan for the teacher that focuses on specific areas identified 52800  
in the observations and evaluation and the evaluator determines 52801  
that the teacher is making progress on that plan. 52802

(c) For each teacher who is evaluated pursuant to division 52803  
(C) (2) of this section, the evaluation shall be completed by the 52804  
first day of May of the applicable school year, and the teacher 52805  
shall receive a written report of the results of the evaluation 52806  
by the tenth day of May of that school year. 52807

(d) The board may elect not to conduct an evaluation of a 52808  
teacher who meets one of the following requirements: 52809

that notice has been accepted by the board not later than the 52814  
first day of December of the school year in which the evaluation 52815  
is otherwise scheduled to be conducted. 52816

~~(e) The board may elect not to conduct an evaluation of a 52817

least half of the performance-based assessment prescribed by the 52821  
state board of education for resident educators. 52822~~

(3) In any year that a teacher is not formally evaluated 52823  
pursuant to division (C) of this section as a result of 52824

most recent evaluation, an individual qualified to evaluate a 52826  
teacher under division (D) of this section shall conduct at 52827

Revised Code; 52840

(2) A person who is under contract with the board pursuant 52841

to section 3319.02 of the Revised Code and holds a license 52842

observations of each teacher who is under consideration for 52858  
nonrenewal and with whom the board has entered into a limited 52859  
contract or an extended limited contract under section 3319.11 52860

(F) The board shall include in its evaluation policy 52862  
procedures for using the evaluation results for retention and 52863  
promotion decisions and for removal of poorly performing 52864  
teachers. Seniority shall not be the basis for a decision to 52865  
retain a teacher, except when making a decision between teachers 52866  
who have comparable evaluations. 52867

(G) For purposes of section 3333.0411 of the Revised Code, 52868

regard to all examinations or other academic requirements and 53294

parent or guardian of a student provides the school principal 53317  
with written notice of up to three specific dates for which 53318  
alternative accommodations are requested, if an absence approved 53319

examination or other academic requirement on that date. 53321

(2) The school principal shall approve not more than three 53322  
written requests per school year from a student's parent or 53323

contacting the parent or guardian whose signature appears on the 53329  
request. If a parent or guardian disputes having signed such a 53330  
request, the school principal may deny the request. Upon 53331  
approval of a request that satisfies division (B) (1) of this 53332  
section, a school principal shall require the appropriate 53333  
classroom teacher or teachers to schedule a time and date for an 53334  
alternative examination or other academic requirement if the 53335

The director of education and workforce shall provide each 53350  
district with a nonexhaustive list of major religious holidays 53351  
or festivals for the next two school years, including Eid, Good 53352  
Friday, Rosh Hashanah, Yom Kippur, and Passover, at the 53353  
beginning of each school year. Each district may adopt the 53354  
director's list in its entirety or choose which holidays to 53355  
include on its list. 53356

Each time a district's policy is posted, printed, or 53357  
published, including as described in divisions (C) and (D) of 53358  
this section, the district shall include a statement that the 53359  
list is nonexhaustive, and the list may not be used to deny 53360  
accommodation to a student for a holiday or festival of the 53361  
student's faith or religious or spiritual belief system that 53362  
does not appear on the list. 53363

Nothing in this section, and no inclusion or exclusion of 53364  
a religious holiday or festival on the list posted by a 53365  
district, shall preclude a student from full and reasonable 53366  
accommodations for any sincerely held religious beliefs and 53367  
practices with regard to all examinations or other academic 53368  
requirements and absences for reasons of faith or religious or 53369

requesting accommodations. The manner in which the school 53374  
district conveys the information shall be determined at the 53375  
discretion of the district. 53376

(E) The policy shall include a procedure under which a student, parent, or guardian may notify the district of any grievance with regard to the implementation of the policy required under this section.

(F) Any days excused under this section shall not be considered in determining absence hours for the purposes of parental notification under ~~division (C) (1) of~~ section 3321.191 of the Revised Code.

(C) The district shall require any student absent from school in accordance with this section to complete any classroom assignments that the student misses because of the absence.

action as the superintendent of schools directs or as such 53409  
attendance officer or assistant deems proper in the absence of 53410  
specific direction. 53411

(B) (1) Subject to divisions (B) (2) and (3) of this 53412

**Sec. 3334.12.** Notwithstanding anything to the contrary in 55009  
sections 3334.07 and 3334.09 of the Revised Code: 55010

(A) Annually, the Ohio tuition trust authority shall have 55011  
the actuarial soundness of the Ohio tuition trust fund evaluated 55012  
by a nationally recognized actuary and shall determine whether 55013  
additional assets are necessary to defray the obligations of the 55014  
authority. If, after the authority sets the price for tuition 55015  
units, circumstances arise that the executive director 55016  
determines necessitate an additional evaluation of the actuarial 55017  
soundness of the fund, the executive director shall have a 55018  
nationally recognized actuary conduct the necessary evaluation. 55019  
If the assets of the fund are insufficient to ensure the 55020  
actuarial soundness of the fund, the authority shall adjust the 55021  
price of subsequent purchases of tuition units to the extent 55022  
necessary to help restore the actuarial soundness of the fund. 55023  
If, at any time, the adjustment is likely, in the opinion of the 55024  
authority, to diminish the marketability of tuition units to an 55025  
extent that the continued sale of the units likely would not 55026  
restore the actuarial soundness of the fund and external 55027  
economic factors continue to negatively impact the soundness of 55028  
the program, the authority may suspend sales, either permanently 55029

or temporarily, of tuition units. During any suspension, the authority shall continue to service existing college savings program accounts.

(B) The treasurer of state shall, upon request by the chancellor of higher education, transfer the amount determined to be surplus from the annual evaluation as to the actuarial soundness of the fund to the strategic square footage fund created under section 3334.13 of the Revised Code, provided that at least five per cent of the amount determined to be surplus remains in the Ohio tuition trust fund.

(C) Upon termination of all programs or liquidation of the Ohio tuition trust fund, the Ohio tuition trust reserve fund, and the Ohio tuition trust operating fund, any remaining assets of the funds after all obligations of the funds have been satisfied pursuant to division (B) of section 3334.11 of the Revised Code shall be transferred to the general revenue fund of the state.

~~(C)~~ (D) The authority shall prepare and cause to have audited an annual financial report on all financial activity of the Ohio tuition trust authority within ninety days of the end of the fiscal year. The authority shall transmit a copy of the audited financial report to the governor, the president of the senate, the speaker of the house of representatives, and the minority leaders of the senate and the house of representatives. Copies of the audited financial report also shall be made available, upon request, to the persons entering into contracts with the authority and to prospective purchasers of tuition units and prospective contributors to variable college savings program accounts.

university. 55471

instructional and general fees, then no limit shall apply under 55516  
this division for the cohort that first enrolls in any academic 55517  
year for which the general assembly does not prescribe a limit. 55518

If, beginning with the academic year that starts four 55519  
years after September 29, 2013, the board of trustees determines 55520  
that the general and instructional fees charged under the 55521  
tuition guarantee have fallen significantly lower than those of 55522

other state universities, the board of trustees may submit a request to increase the amount charged to a cohort by a specified percentage to the chancellor, who shall approve or disapprove such a request.

(C) The board shall submit the rules adopted under 55558  
division (B) of this section to the chancellor for approval 55559  
before beginning implementation of the program. 55560

The chancellor shall not unreasonably withhold approval of 55561  
a program if the program conforms in principle with the 55562  
parameters and guidelines of this section. 55563

(D) A board of trustees of a state university may 55564  
establish an undergraduate tuition guarantee program for 55565

Code. 56792

(4) "Library fund" means the county public library fund 56793

mandatory sinking fund or redemption requirements for retirement 56797  
of notes, interest, and any redemption premium payable on notes. 56798

(6) "Notes" means the library facilities notes authorized 56799  
by this section, including anticipation notes. 56800

(7) "Public library" means any of the libraries provided 56801  
for in sections 3375.06, 3375.10, 3375.12, 3375.15, 3375.22, and 56802  
3375.30 of the Revised Code. 56803

(8) "Refunding notes" means notes issued to provide for the refunding of the notes, or of obligations issued prior to March 4, 1996, collectively referred to in this section as refunded obligations.

(B) A board of library trustees of a public library that receives an allocation of the library fund pursuant to section 5705.32 ~~and Chapter 5747.~~ of the Revised Code may anticipate its portion of the proceeds of the library fund distribution and, if the board receives proceeds from a tax levied under section 5705.23 of the Revised Code by the taxing authority of the political subdivision to whose jurisdiction the board is subject, the lawfully available proceeds of that tax and issue library facilities notes of the public library in the principal amount necessary to pay the costs of financing the facilities or other property referred to in division (C) of section 3375.40 of the Revised Code, or to refund any refunded obligations, provided that the board projects annual note service charges on the notes, or on the notes being anticipated by anticipation notes, to be capable of being paid from the annual library fund receipts of the public library and the available proceeds of the tax. The maximum aggregate amount of notes that may be outstanding at any time in accordance with their terms upon issuance of the new notes shall not exceed an amount which requires or is estimated to require payments from library fund and tax receipts of note service charges on the notes, or, in the case of anticipation notes, projected note service charges on the notes anticipated, in any calendar year in an amount exceeding the sum of the following:

(1) Forty per cent of the average of the library fund receipts of the public library for the two calendar years prior to the year in which the notes are issued;

(2) The portion of the lawfully available proceeds from a tax levied under section 5705.23 of the Revised Code that the board has, in the authorizing proceedings, covenanted to appropriate annually for the purpose of paying note service charges or, in the case of anticipation notes, projected note service charges.

(C) Every issue of notes outstanding in accordance with their terms shall be payable out of the money received by the public library from the library fund or from a tax levied under section 5705.23 of the Revised Code or proceeds of notes, renewal anticipation notes, or refunding notes which may be pledged for such payment in the authorizing proceedings. The pledge shall be valid and binding from the time the pledge is made, and the receipts and proceeds so pledged and thereafter received by the board shall immediately be subject to the lien of that pledge without any physical delivery of the receipts or proceeds or further act. The lien of any pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the board, whether or not such parties have notice of the lien. Neither the resolution nor any trust agreement by which a pledge is created or further evidenced need be filed or recorded except in the board's records.

(D) No property tax levied under section 5705.23 of the Revised Code that is either pledged, or that a board of library trustees has covenanted to appropriate annually, to pay the note service charges and projected note service charges under this section shall be repealed while those notes are outstanding. If such a tax is reduced while those notes are outstanding, the taxing authority to whose jurisdiction the board is subject shall continue to levy and collect the tax under the authority of the original election authorizing the tax at a rate in each year that the board of library trustees reasonably estimates will produce an amount equal to the note service charges on the notes for that year.

(E) Notes issued under this section do not constitute a debt, or a pledge of the faith and credit, of the state, the public library, or any other political subdivision of the state, and the holders or owners of the notes have no right to have taxes levied by the general assembly or by the taxing authority of any political subdivision of the state, including the board of the public library, for the payment of note service charges. Notes are payable solely from the funds pledged for their payment as authorized by this section. All notes shall contain on their face a statement to the effect that the notes, as to note service charges, are not debts or obligations of the state and are not debts of any political subdivision of the state, but are payable solely from the funds pledged for their payment. The utilization and pledge of the library fund receipts and tax receipts and proceeds of notes, renewal anticipation notes, or refunding notes for the payment of note service charges is determined by the general assembly to create a special obligation which is not a bonded indebtedness subject to Section 11 of Article XII, Ohio Constitution, or, alternatively, to

satisfy any applicable requirement of that Section 11. 56896

(F) The notes shall bear such date or dates, shall be 56897  
executed in the manner, and shall mature at such time or times, 56898  
in the case of any anticipation notes not exceeding ten years 56899

refunding notes, not exceeding forty years from the date of the 56902  
original issue of notes, or other obligations for the purpose, 56903  
all as the authorizing proceedings may provide. The notes shall 56904  
bear interest at such rates, or at variable rate or rates 56905  
changing from time to time, in accordance with provisions 56906  
provided in the authorizing proceedings, be in such 56907  
denominations and form, either coupon or registered, carry such 56908  
registration privileges, be payable in such medium of payment 56909  
and at such place or places, and be subject to such terms of 56910  
redemption, as the board may authorize or provide. The notes may 56911  
be sold at public or private sale, and at, or at not less than, 56912  
the price or prices as the board determines. If any officer 56913  
whose signature or a facsimile of whose signature appears on any 56914  
notes or coupons ceases to be such officer before delivery of 56915  
the notes or anticipation notes, the signature or facsimile 56916  
shall nevertheless be sufficient for all purposes as if that 56917  
officer had remained in office until delivery of the notes. 56918  
Whether or not the notes are of such form and character as to be 56919  
negotiable instruments under Title XIII of the Revised Code, the 56920  
notes shall have all the qualities and incidents of negotiable 56921  
instruments, subject only to any provisions for registration. 56922  
Neither the members of the board nor any person executing the 56923  
notes shall be liable personally on the notes or be subject to 56924  
any personal liability or accountability by reason of their 56925  
issuance. 56926

(G) Notwithstanding any other provision of this section, 56927  
sections 9.98 to 9.983, 133.02, 133.70, and 5709.76, and 56928  
division (A) of section 133.03 of the Revised Code apply to the 56929  
notes. Notes issued under this section need not comply with any 56930  
other law applicable to notes or bonds but the authorizing 56931  
proceedings may provide that divisions (B) through (E) of 56932  
section 133.25 of the Revised Code apply to the notes or 56933  
anticipation notes. 56934

(H) Any authorizing proceedings may contain provisions, 56935  
subject to any agreements with holders as may then exist, which 56936  
shall be a part of the contract with the holders, as to the 56937  
pledging of any or all of the board's anticipated library fund 56938  
receipts and receipts from a tax levied under section 5705.23 of 56939  
the Revised Code to secure the payment of the notes; the use and 56940  
disposition of the library fund and tax receipts of the boards; 56941  
the crediting of the proceeds of the sale of notes to and among 56942  
the funds referred to or provided for in the authorizing 56943  
proceedings; limitations on the purpose to which the proceeds of 56944  
the notes may be applied and the pledging of portions of such 56945  
proceeds to secure the payment of the notes or of anticipation 56946  
notes; the agreement of the board to do all things necessary for 56947  
the authorization, issuance, and sale of those notes anticipated 56948  
in such amounts as may be necessary for the timely payment of 56949  
note service charges on any anticipation notes; limitations on 56950  
the issuance of additional notes; the terms upon which 56951  
additional notes may be issued and secured; the refunding of 56952  
refunded obligations; the procedure by which the terms of any 56953  
contract with holders may be amended, and the manner in which 56954  
any required consent to amend may be given; securing any notes 56955  
by a trust agreement or other agreement which may provide for 56956  
notes or refunding notes to be further secured by a mortgage on 56957

the property financed with the proceeds of the notes, 56958  
anticipation notes, or refunded obligations refunded by 56959  
refunding notes; and any other matters, of like or different 56960  
character, that in any way affect the security or protection of 56961  
the notes or anticipation notes. 56962

Sec. 3375.47. A public library created under Chapter 3375. 56963  
of the Revised Code shall place material related to sexual 56964  
orientation or gender identity or expression in a portion of the 56965  
public library that is not primarily open to the view of persons 56966  
under the age of eighteen. 56967

**Sec. 3375.85.** An interstate library district lying partly 56968  
within this state may claim and be entitled to receive state 56969  
aid, ~~other than aid from the public library fund,~~ in support of 56970  
any of its functions to the same extent and in the same manner 56971  
as such functions are eligible for support when carried on by 56972  
entities wholly within this state. For the purposes of computing 56973  
and apportioning such state aid to an interstate library 56974  
district, this state will consider that portion of the area 56975  
which lies within this state as an independent entity for the 56976  
performance of the aided function or functions and compute and 56977  
apportion the aid accordingly. Any library association that was 56978  
organized and operated prior to January 1, 1968, and which 56979  
pursuant to the authority granted in section 3375.83 of the 56980  
Revised Code, has become part of an interstate library district 56981  
shall be considered a library association under section 5705.28 56982  
of the Revised Code and entitled to participate in the county 56983  
public library fund and other public funds. Subject to any 56984  
applicable laws of this state, such a district also may apply 56985  
for and be entitled to receive any federal aid for which it may 56986  
be eligible. 56987

other than compensation for overtime worked. 57411

(b) Notwithstanding sections 5705.14, 5705.15, and 5705.16 57412  
of the Revised Code, the board of county commissioners may, by 57413  
resolution, transfer money to the elections revenue fund from 57414  
any other fund of the political subdivision from which such 57415  
payments lawfully may be made. Following an affirmative vote of 57416  
a majority of the members of the board of elections, the board 57417  
of county commissioners may, by resolution, rescind an elections 57418  
revenue fund established under this division. If an elections 57419  
revenue fund is rescinded, money that has accumulated in the 57420  
fund shall be transferred to the county general fund. 57421

(2) (a) The board of county commissioners of a county that 57422  
receives a payment from a political subdivision under division 57423  
(J) of this section shall, by resolution, establish a special 57424  
elections fund. The purpose of the fund shall be to accumulate 57425  
revenue paid to the county by political subdivisions under 57426  
division (J) of this section for the cost of preparing for and 57427  
conducting special elections. 57428

(b) If both of the following apply, the board of county commissioners may, by resolution, rescind the special elections fund and transfer any remaining money in the fund to the county general fund or to the elections revenue fund:

(i) All notifications and payments required under division (J) (3) of this section have been made.

(ii) The county has not received any payments from political subdivisions under division (J) (2) of this section for a future special election.

(J) (1) Not less than fifteen business days before the deadline for submitting a question or issue for placement on the ballot at a special election, the board of elections shall prepare and file with the board of county commissioners and the office of the secretary of state the estimated cost, based on the factors enumerated in this section, for preparing for and conducting an election on one question or issue, one nomination for office, or one election to office in each precinct in the county at that special election and shall divide that cost by the number of registered voters in the county.

(2) The board of elections shall provide to a political subdivision seeking to submit a question or issue, a nomination for office, or an election to office for placement on the ballot at a special election with the estimated cost for preparing for and conducting that election, which shall be calculated either by multiplying the number of registered voters in the political subdivision with the cost calculated under division (J) (1) of this section or by multiplying the cost per precinct with the number or precincts in the political subdivision. A political subdivision submitting a question or issue, a nomination for office, or an election to office for placement on the ballot at

that special election shall pay to the county special elections 57459  
fund sixty-five per cent of the estimated cost of the election 57460  
not less than ten business days after the deadline for 57461  
submitting a question or issue for placement on the ballot for 57462  
that special election. 57463

(3) Not later than sixty days after the date of a special 57464  
election, the board of elections shall provide to each political 57465  
subdivision the true and accurate cost for the question or 57466  
issue, nomination for office, or election to office that the 57467  
subdivision submitted to the voters on the special election 57468  
ballots. If the board of elections determines that a subdivision 57469  
paid less for the cost of preparing and conducting a special 57470  
election under division (J) (2) of this section than the actual 57471  
cost calculated under this division, the subdivision shall remit 57472  
to the county special elections fund the difference between the 57473  
payment made under division (J) (2) of this section and the final 57474  
cost calculated under this division within thirty days after 57475  
being notified of the final cost. If the board of elections 57476  
determines that a subdivision paid more for the cost of 57477  
preparing and conducting a special election under division (J) 57478  
(2) of this section than the actual cost calculated under this 57479  
division, the board of elections promptly shall notify the board 57480  
of county commissioners of that difference. The board of county 57481  
commissioners shall remit from the county special elections fund 57482  
to the political subdivision the difference between the payment 57483  
made under division (J) (2) of this section and the final cost 57484  
calculated under this division within thirty days after 57485  
receiving that notification. 57486

to more than one office at that election in violation of 57838  
division (A) of this section, the secretary of state shall do 57839  
one of the following: 57840

(a) If each office or the district for each office for 57841  
which the person is seeking nomination is wholly within a single 57842  
county and none of those offices is a federal office, the 57843

(b) If one or more of the offices for which the person is 57860  
seeking nomination is a state office or an office with a 57861  
district larger than a single county and none of the offices for 57862  
which the person is seeking nomination is a federal office, the 57863  
secretary of state shall determine the date on which the person 57864  
first sought to become a candidate for each of those offices by 57865  
filing a declaration of candidacy or a declaration of intent to 57866

shall order the board of elections of each county in which the 57869  
person is seeking to appear on the ballot to disqualify that 57870  
person as a candidate for each office for which the person 57871

for each office that would be listed on the ballot below the 57879

(c) If each office or the district for each office for which the person is seeking nomination is wholly within a single county and any of those offices is a federal office, the secretary of state shall notify the board of elections of that county. The board then shall vote promptly to disqualify that person as a candidate for each office that is not a federal office.

(d) If one or more of the offices for which the person is seeking nomination is a state office and any of the offices for which the person is seeking nomination is a federal office, the secretary of state shall order the board of elections of each county in which the person is seeking to appear on the ballot to disqualify that person as a candidate for each office that is not a federal office. Each board of elections so notified shall vote promptly to disqualify the person as a candidate in accordance with the order of the secretary of state.

(2) If a board of elections determines, before the day of the primary election, that a person is seeking nomination to more than one office at that election in violation of division (A) of this section, the board shall do one of the following:

become a candidate for more than one of those offices on the 57917  
same date, the board shall vote promptly to disqualify that 57918  
person as a candidate for each office that would be listed on 57919  
the ballot below the highest office for which that person seeks 57920  
nomination, according to the ballot order prescribed under 57921  
section 3505.03 of the Revised Code. 57922

(b) If one or more of the offices for which the person is 57923  
seeking nomination is a state office or an office with a 57924  
district larger than a single county and none of the offices for 57925  
which the person is seeking nomination is a federal office, the 57926  
board shall notify the secretary of state. The secretary of 57927  
state then shall determine the date on which the person first 57928  
sought to become a candidate for each of those offices by filing 57929  
a declaration of candidacy or a declaration of intent to be a 57930  
write-in candidate or by the filling of a vacancy under section 57931  
3513.30 of the Revised Code. The secretary of state shall order 57932  
the board of elections of each county in which the person is 57933  
seeking to appear on the ballot to disqualify that person as a 57934  
candidate for each office for which the person sought to become 57935  
a candidate after the date on which the person first sought to 57936  
become a candidate for any of those offices. If the secretary of 57937  
state determines that the person sought to become a candidate 57938  
for more than one of those offices on the same date, the 57939  
secretary of state shall order the board of elections of each 57940  
county in which the person is seeking to appear on the ballot to 57941

prescribed under section 3505.03 of the Revised Code. Each board  
of elections so notified shall vote promptly to disqualify the  
person as a candidate in accordance with the order of the  
secretary of state.

(c) If each office or the district for each office for  
which the person is seeking nomination is wholly within a single  
county and any of those offices is a federal office, the board  
shall vote promptly to disqualify that person as a candidate for  
each office that is not a federal office.

(d) If one or more of the offices for which the person is  
seeking nomination is a state office and any of the offices for  
which the person is seeking nomination is a federal office, the  
board shall notify the secretary of state. The secretary of  
state then shall order the board of elections of each county in  
which the person is seeking to appear on the ballot to

vote promptly to disqualify the person as a candidate in  
accordance with the order of the secretary of state.

county and any of those offices is a federal office, the 58008  
secretary of state shall notify the board of elections of that 58009  
county. The board then shall vote promptly to disqualify that 58010  
person as a candidate for each office that is not a federal 58011

issue that certificate for that person for any office that is 58027

(E) The prohibitions in divisions (B), (C), and (D) of 58291  
this section are in addition to the prohibitions in sections 58292  
124.57, 3304.22, and 4503.032 of the Revised Code. 58293

**Sec. 3517.10.** (A) Except as otherwise provided in this 58294  
division, every campaign committee, political action committee, 58295  
legislative campaign fund, political party, and political 58296  
contributing entity that made or received a contribution or made 58297  
an expenditure in connection with the nomination or election of 58298  
any candidate or in connection with any ballot issue or question 58299  
at any election held or to be held in this state shall file, on 58300  
a form prescribed under this section or by electronic means of 58301  
transmission as provided in this section and section 3517.106 of 58302  
the Revised Code, a full, true, and itemized statement, made 58303  
under penalty of election falsification, setting forth in detail 58304  
the contributions and expenditures, not later than four p.m. of 58305  
the following dates: 58306

(1) The twelfth day before the election to reflect 58307  
contributions received and expenditures made from the close of 58308  
business on the last day reflected in the last previously filed 58309  
statement, if any, to the close of business on the twentieth day 58310  
before the election; 58311

(2) The thirty-eighth day after the election to reflect 58312  
the contributions received and expenditures made from the close 58313  
of business on the last day reflected in the last previously 58314  
filed statement, if any, to the close of business on the seventh 58315  
day before the filing of the statement; 58316

(3) The last business day of January of every year to 58317  
reflect the contributions received and expenditures made from 58318  
the close of business on the last day reflected in the last 58319  
previously filed statement, if any, to the close of business on 58320  
the last day of December of the previous year; 58321

(4) The last business day of July of every year to reflect 58322  
the contributions received and expenditures made from the close 58323

of business on the last day reflected in the last previously 58324  
filed statement, if any, to the close of business on the last 58325  
day of June of that year. 58326

A campaign committee shall only be required to file the 58327  
statements prescribed under divisions (A) (1) and (2) of this 58328  
section in connection with the nomination or election of the 58329  
committee's candidate. 58330

The statement required under division (A) (1) of this 58331  
section shall not be required of any campaign committee, 58332  
political action committee, legislative campaign fund, political 58333  
party, or political contributing entity that has received 58334  
contributions of less than one thousand dollars and has made 58335  
expenditures of less than one thousand dollars at the close of 58336  
business on the twentieth day before the election. Those 58337  
contributions and expenditures shall be reported in the 58338  
statement required under division (A) (2) of this section. 58339

If an election to select candidates to appear on the 58340  
general election ballot is held within sixty days before a 58341  
general election, the campaign committee of a successful 58342  
candidate in the earlier election may file the statement 58343  
required by division (A) (1) of this section for the general 58344  
election instead of the statement required by division (A) (2) of 58345  
this section for the earlier election if the pregeneral election 58346  
statement reflects the status of contributions and expenditures 58347  
for the period twenty days before the earlier election to twenty 58348  
days before the general election. 58349

If a person becomes a candidate less than twenty days 58350  
before an election, the candidate's campaign committee is not 58351  
required to file the statement required by division (A) (1) of 58352  
this section. 58353

No statement under division (A) (3) of this section shall  
be required for any year in which a campaign committee,  
political action committee, legislative campaign fund, political  
party, or political contributing entity is required to file a  
postgeneral election statement under division (A) (2) of this  
section. However, a statement under division (A) (3) of this  
section may be filed, at the option of the campaign committee,  
political action committee, legislative campaign fund, political  
party, or political contributing entity.

No campaign committee of a candidate for the office of  
chief justice or justice of the supreme court, and no campaign  
committee of a candidate for the office of judge of any court in  
this state, shall be required to file a statement under division  
(A) (4) of this section.

Except as otherwise provided in this paragraph and in the  
next paragraph of this section, the only campaign committees  
required to file a statement under division (A) (4) of this  
section are the campaign committee of a statewide candidate and  
the campaign committee of a candidate for county office. The  
campaign committee of a candidate for any other nonjudicial  
office is required to file a statement under division (A) (4) of  
this section if that campaign committee receives, during that  
period, contributions exceeding ten thousand dollars.

No statement under division (A) (4) of this section shall  
be required of a campaign committee, a political action  
committee, a legislative campaign fund, a political party, or a  
political contributing entity for any year in which the campaign  
committee, political action committee, legislative campaign  
fund, political party, or political contributing entity is  
required to file a postprimary election statement under division

(A) (2) of this section. However, a statement under division (A) 58384  
(4) of this section may be filed at the option of the campaign 58385  
committee, political action committee, legislative campaign 58386  
fund, political party, or political contributing entity. 58387

No statement under division (A) (3) or (4) of this section 58388  
shall be required if the campaign committee, political action 58389  
committee, legislative campaign fund, political party, or 58390  
political contributing entity has no contributions that it has 58391  
received and no expenditures that it has made since the last 58392  
date reflected in its last previously filed statement. However, 58393  
the campaign committee, political action committee, legislative 58394  
campaign fund, political party, or political contributing entity 58395  
shall file a statement to that effect, on a form prescribed 58396  
under this section and made under penalty of election 58397  
falsification, on the date required in division (A) (3) or (4) of 58398  
this section, as applicable. 58399

The campaign committee of a statewide candidate shall file 58400  
a monthly statement of contributions received during each of the 58401  
months of July, August, and September in the year of the general 58402  
election in which the candidate seeks office. The campaign 58403  
committee of a statewide candidate shall file the monthly 58404  
statement not later than three business days after the last day 58405  
of the month covered by the statement. During the period 58406  
beginning on the nineteenth day before the general election in 58407  
which a statewide candidate seeks election to office and 58408  
extending through the day of that general election, each time 58409  
the campaign committee of the joint candidates for the offices 58410  
of governor and lieutenant governor or of a candidate for the 58411  
office of secretary of state, auditor of state, treasurer of 58412  
state, or attorney general receives a contribution from a 58413  
contributor that causes the aggregate amount of contributions 58414

received from that contributor during that period to equal or 58415  
exceed ten thousand dollars and each time the campaign committee 58416  
of a candidate for the office of chief justice or justice of the 58417  
supreme court receives a contribution from a contributor that 58418  
causes the aggregate amount of contributions received from that 58419  
contributor during that period to exceed ten thousand dollars, 58420  
the campaign committee shall file a two-business-day statement 58421  
reflecting that contribution. Contributions reported on a two- 58422  
business-day statement required to be filed by a campaign 58423  
committee of a statewide candidate in a primary election shall 58424  
also be included in the postprimary election statement required 58425  
to be filed by that campaign committee under division (A) (2) of 58426  
this section. A two-business-day statement required by this 58427  
paragraph shall be filed not later than two business days after 58428  
receipt of the contribution. The statements required by this 58429  
paragraph shall be filed in addition to any other statements 58430  
required by this section. 58431

Subject to the secretary of state having implemented, 58432  
tested, and verified the successful operation of any system the 58433  
secretary of state prescribes pursuant to divisions (C) (6) (b) 58434  
and (D) (6) of this section and division (F) (1) of section 58435  
3517.106 of the Revised Code for the filing of campaign finance 58436  
statements by electronic means of transmission, a campaign 58437  
committee of a statewide candidate shall file a two-business-day 58438  
statement under the preceding paragraph by electronic means of 58439  
transmission if the campaign committee is required to file a 58440  
pre-election, postelection, or monthly statement of 58441  
contributions and expenditures by electronic means of 58442  
transmission under this section or section 3517.106 of the 58443  
Revised Code. 58444

If a campaign committee or political action committee has 58445

no balance on hand and no outstanding obligations and desires to 58446  
terminate itself, it shall file a statement to that effect, on a 58447  
form prescribed under this section and made under penalty of 58448  
election falsification, with the official with whom it files a 58449  
statement under division (A) of this section after filing a 58450  
final statement of contributions and a final statement of 58451  
expenditures, if contributions have been received or 58452  
expenditures made since the period reflected in its last 58453  
previously filed statement. 58454

(B) Except as otherwise provided in division (C) (7) of 58455  
this section, each statement required by division (A) of this 58456  
section shall contain the following information: 58457

(1) of this section. 58467

(3) The date of the election and whether it was or will be 58468  
a general, primary, or special election; 58469

(4) A statement of contributions received, which shall 58470  
include the following information: 58471

contributions are received and the registration number assigned 58476  
to the political action committee under division (D) (1) of this 58477  
section. The requirement of filing the full address does not 58478  
apply to any statement filed by a state or local committee of a 58479  
political party, to a finance committee of such committee, or to 58480  
a committee recognized by a state or local committee as its 58481  
fund-raising auxiliary. Notwithstanding division (F) of this 58482  
section, the requirement of filing the full address shall be 58483  
considered as being met if the address filed is the same address 58484  
the contributor provided under division (E) (1) of this section. 58485

(ii) If a political action committee, political 58486

one hundred dollars during any one filing period under division 58501  
(A) (1), (2), (3), or (4) of this section, the full name of the 58502

An account of the total contributions from each social or fund-raising activity shall include a description of and the value of each in-kind contribution received at that activity from any person who made one or more such contributions whose aggregate value exceeded two hundred fifty dollars and shall be listed separately, together with the expenses incurred and paid in connection with that activity. A campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall keep records of contributions from each person in the amount of twenty-five dollars or less at one social or fund-raising activity and contributions from amounts deducted under section 3599.031 of the Revised Code from the wages and salary of each employee in the amount of twenty-five dollars or less aggregated in a calendar year. No continuing association that is recognized by a state or local committee of a political party as an auxiliary of the party and that makes a contribution from funds derived solely from regular dues paid by members of the auxiliary shall be required to list the name or address of any members who paid those dues.

Contributions that are other income shall be itemized 58536  
separately from all other contributions. The information 58537  
required under division (B) (4) of this section shall be provided 58538  
for all other income itemized. As used in this paragraph, "other 58539  
income" means a loan, investment income, or interest income. 58540

(f) In the case of a campaign committee of a state elected 58541  
officer, if a person doing business with the state elected 58542  
officer in the officer's official capacity makes a contribution 58543  
to the campaign committee of that officer, the information 58544

contribution, which shall be filed together with and considered 58546  
a part of the committee's statement of contributions as required 58547  
under division (A) of this section but shall be filed on a 58548  
separate form provided by the secretary of state. As used in 58549

behalf of that officer to receive payments for goods or 58556  
services, if the payments total, in the aggregate, more than 58557  
five thousand dollars during a calendar year. 58558

(5) A statement of expenditures which shall include the 58559  
following information: 58560

(a) The month, day, and year of the expenditure; 58561

(b) The full name and address of each person, political 58562  
party, campaign committee, legislative campaign fund, political 58563

political action committee under division (D) (1) of this 58566  
section; 58567

(c) The object or purpose for which the expenditure was 58568  
made; 58569

(d) The amount of each expenditure. 58570

(C) (1) The statement of contributions and expenditures 58571  
shall be signed by the person completing the form. If a 58572  
statement of contributions and expenditures is filed by 58573  
electronic means of transmission pursuant to this section or 58574  
section 3517.106 of the Revised Code, the electronic signature 58575

statement by electronic means of transmission, as provided in 58577  
division (F) of section 3517.106 of the Revised Code, shall be 58578

binding on all persons and for all purposes under the campaign 58580  
finance reporting law as if the signature had been handwritten 58581  
in ink on a printed form. 58582

(2) The person filing the statement, under penalty of 58583  
election falsification, shall include with it a list of each 58584  
anonymous contribution, the circumstances under which it was 58585  
received, and the reason it cannot be attributed to a specific 58586  
donor. 58587

(3) Each statement of a campaign committee of a candidate 58588  
who holds public office shall contain a designation of each 58589  
contributor who is an employee in any unit or department under 58590  
the candidate's direct supervision and control. In a space 58591  
provided in the statement, the person filing the statement shall 58592  
affirm that each such contribution was voluntarily made. 58593

(4) A campaign committee that did not receive 58594  
contributions or make expenditures in connection with the 58595  
nomination or election of its candidate shall file a statement 58596  
to that effect, on a form prescribed under this section and made 58597  
under penalty of election falsification, on the date required in 58598  
division (A) (2) of this section. 58599

(5) The campaign committee of any person who attempts to 58600  
become a candidate and who, for any reason, does not become 58601  
certified in accordance with Title XXXV of the Revised Code for 58602

special election to be held in this state, and who, at any time 58604  
prior to or after an election, receives contributions or makes 58605  
expenditures, or has given consent for another to receive 58606

section and a termination statement, if applicable. Division (C) 58610  
(5) of this section does not apply to any person with respect to 58611  
an election to the offices of member of a county or state 58612

(6) (a) The statements required to be filed under this 58615  
section shall specify the balance in the hands of the campaign 58616  
committee, political action committee, legislative campaign 58617  
fund, political party, or political contributing entity and the 58618  
disposition intended to be made of that balance. 58619

(b) The secretary of state shall prescribe the form for 58620  
all statements required to be filed under this section and shall 58621  
furnish the forms to the boards of elections in the several 58622  
counties. The boards of elections shall supply printed copies of 58623

those forms without charge. The secretary of state shall 58624  
prescribe the appropriate methodology, protocol, and data file 58625  
structure for statements required or permitted to be filed by 58626  
electronic means of transmission to the secretary of state or a 58627  
board of elections under division (A) of this section, division 58628  
(E) of section 3517.106, division (D) of section 3517.1011, 58629  
division (B) of section 3517.1012, division (C) of section 58630  
3517.1013, and divisions (D) and (I) of section 3517.1014 of the 58631  
Revised Code. Subject to division (A) of this section, division 58632  
(E) of section 3517.106, division (D) of section 3517.1011, 58633  
division (B) of section 3517.1012, division (C) of section 58634  
3517.1013, and divisions (D) and (I) of section 3517.1014 of the 58635  
Revised Code, the statements required to be stored on computer 58636  
by the secretary of state under division (B) of section 3517.106 58637  
of the Revised Code shall be filed in whatever format the 58638  
secretary of state considers necessary to enable the secretary 58639  
of state to store the information contained in the statements on 58640  
computer. Any such format shall be of a type and nature that is 58641  
readily available to whoever is required to file the statements 58642  
in that format. 58643

(c) The secretary of state shall assess the need for 58644

electronic means of transmission and regarding associated 58646  
technologies for candidates, campaign committees, political 58647  
action committees, legislative campaign funds, political 58648

electioneering communications, or for treasurers of transition 58652  
funds, required or permitted to file statements by electronic 58653

3517.106, 3517.1011, 3517.1012, 3517.1013, or 3517.1014 of the Revised Code. If, in the opinion of the secretary of state, training in these areas is necessary, the secretary of state shall arrange for the provision of voluntary training programs for candidates, campaign committees, political action committees, legislative campaign funds, political parties, or political contributing entities, for individuals, partnerships, and other entities, for persons making disbursements to pay the direct costs of producing or airing electioneering communications, or for treasurers of transition funds, as appropriate.

(7) Each monthly statement and each two-business-day statement required by division (A) of this section shall contain the information required by divisions (B) (1) to (4), (C) (2), and, if appropriate, (C) (3) of this section. Each statement shall be signed as required by division (C) (1) of this section.

(D) (1) (a) Prior to receiving a contribution or making an expenditure, every campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall appoint a treasurer and shall file, on a form prescribed by the secretary of state, a designation of that appointment, including the full name and address of the treasurer and of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity. That designation shall be filed with the official with whom the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file statements under section 3517.11 of the Revised Code. The name of a campaign committee shall include at least the last name of the campaign committee's candidate. If two or more candidates

are the beneficiaries of a single campaign committee under 58686  
division (B) of section 3517.081 of the Revised Code, the name 58687  
of the campaign committee shall include at least the last name 58688  
of each candidate who is a beneficiary of that campaign 58689  
committee. The secretary of state shall assign a registration 58690  
number to each political action committee that files a 58691  
designation of the appointment of a treasurer under this 58692  
division if the political action committee is required by 58693  
division (A)(1) of section 3517.11 of the Revised Code to file 58694  
the statements prescribed by this section with the secretary of 58695  
state. 58696

(b) The secretary of state shall not accept for filing a 58697  
designation of treasurer of a political action committee or 58698  
political contributing entity if, in the opinion of the 58699  
secretary of state, the name of the political action committee 58700  
or political contributing entity would lead a reasonable person 58701  
to believe that the political action committee or political 58702  
contributing entity acts on behalf of or represents a county 58703  
political party, unless the designation is accompanied by a 58704  
written statement, signed by the chairperson of the county 58705  
political party's executive committee, granting the political 58706  
action committee or political contributing entity permission to 58707  
act on behalf of or represent the county political party. 58708

(2) The treasurer appointed under division (D)(1) of this 58709  
section shall keep a strict account of all contributions, from 58710  
whom received and the purpose for which they were disbursed. 58711

(3) (a) Except as otherwise provided in section 3517.108 of 58712  
the Revised Code, a campaign committee shall deposit all 58713  
monetary contributions received by the committee into an account 58714  
separate from a personal or business account of the candidate or 58715

campaign committee. 58716

(b) A political action committee shall deposit all 58717  
monetary contributions received by the committee into an account 58718  
separate from all other funds. 58719

(c) A state or county political party may establish a 58720  
state candidate fund that is separate from all other funds. A 58721  
state or county political party may deposit into its state 58722  
candidate fund any amounts of monetary contributions that are 58723  
made to or accepted by the political party subject to the 58724  
applicable limitations, if any, prescribed in section 3517.102 58725  
of the Revised Code. A state or county political party shall 58726

candidate fund. 58729

authorized to receive contributions and make expenditures for 58734  
the primary purpose of furthering the election of candidates who 58735  
are members of that political party to the house of the general 58736  
assembly with which that legislative campaign fund is 58737  
associated. Each legislative campaign fund shall be administered 58738  
and controlled in a manner designated by the caucus. As used in 58739  
this division, "caucus" has the same meaning as in section 58740  
3517.01 of the Revised Code and includes, as an ex officio 58741

shall be vouched for by a receipted bill, stating the purpose of 58745

the expenditure, that shall be filed with the statement of 58746  
expenditures. A canceled check with a notation of the purpose of 58747  
the expenditure is a receipted bill for purposes of division (D) 58748  
(4) of this section. 58749

(5) The secretary of state or the board of elections, as 58750  
the case may be, shall issue a receipt for each statement filed 58751  
under this section and shall preserve a copy of the receipt for 58752  
a period of at least six years. All statements filed under this 58753  
section shall be open to public inspection in the office where 58754  
they are filed and shall be carefully preserved for a period of 58755  
at least six years after the year in which they are filed. 58756

(6) The secretary of state, by rule adopted pursuant to 58757  
section 3517.23 of the Revised Code, shall prescribe both of the 58758

of state or a board of elections pursuant to this section or 58763  
section 3517.106, 3517.1011, 3517.1012, 3517.1013, or 3517.1014 58764  
of the Revised Code; 58765

(b) The manner of preserving the contribution and 58766  
expenditure, contribution and disbursement, deposit and 58767  
disbursement, gift and disbursement, or donation and 58768

the contribution and expenditure, contribution and disbursement, 58771  
deposit and disbursement, gift and disbursement, or donation and 58772  
disbursement information in those statements for at least ten 58773  
years after the year in which they are filed by electronic means 58774  
of transmission. 58775

(b) The secretary of state may remove the information from the internet after a reasonable period of time.

guaranteed by the candidate. A loan that is obtained or 59545  
guaranteed and that is for the benefit of a statewide candidate, 59546

(c) When a debt or other obligation incurred by a 59552

After the candidate's campaign committee reimburses the candidate for any direct expenditure of personal funds, the amount that was reimbursed is no longer included in the aggregate total of expenditures of personal funds subject to the five-hundred-dollar limit.

**Sec. 3517.104.** (A) In January of each odd-numbered year, the secretary of state, in accordance with this division and division (B) of this section, shall adjust each amount specified in section 3517.102, in division (B)(4)(e) of section 3517.10, and in division (B) of section 3517.101 of the Revised Code. The adjustment shall be based on the yearly average of the previous two years of the Consumer Price Index for All Urban Consumers or its successive equivalent, as determined by the United States department of labor, bureau of labor statistics, or its successor in responsibility, for all items, Series A. Using the 1996 yearly average as the base year, the secretary of state shall compare the most current average consumer price index with that determined in the preceding odd-numbered year, and shall determine the percentage increase or decrease. The percentage increase or decrease shall be multiplied by the actual dollar

figure for each office or entity specified in section 3517.102 59589  
of the Revised Code and by each actual dollar figure specified 59590  
in division (B) (4) (e) of section 3517.10 and in division (B) of 59591  
section 3517.101 of the Revised Code as determined in the 59592  
previous odd-numbered year, and the product shall be added to or 59593  
subtracted from its corresponding actual dollar figure, as 59594  
necessary, for that previous odd-numbered year. 59595

The resulting amount shall be rounded to the nearest 59596  
twenty-five dollars if the calculations are made regarding the 59597  
amounts specified in division (B) (4) (e) of section 3517.10 of 59598  
the Revised Code. 59599

If the calculations are made regarding the amounts 59600  
specified in section 3517.101 or 3517.102 of the Revised Code, 59601  
the resulting amount shall not be rounded. If that resulting 59602  
amount is less than one hundred dollars, the secretary of state 59603  
shall retain a record of the resulting amount and the manner in 59604  
which it was calculated, but shall not make an adjustment unless 59605  
the resulting amount, when added to the resulting amount 59606  
calculated in each prior odd-numbered year since the last 59607  
adjustment was made, equals or exceeds one hundred dollars. 59608

(B) (1) The secretary of state shall calculate the 59609  
adjustment under division (A) of this section and shall report 59610  
the calculations and necessary materials to the auditor of 59611  
state, on or before the thirty-first day of January of each odd- 59612  
numbered year. The secretary of state shall base the adjustment 59613  
on the most current consumer price index that is described in 59614  
division (A) of this section and that is in effect as of the 59615  
first day of January of each odd-numbered year. 59616

(2) The calculations made by the secretary of state under 59617  
divisions (A) and (B) (1) of this section shall be certified by 59618

the auditor of state on or before the fifteenth day of February 59619  
of each odd-numbered year. 59620

(3) On or before the twenty-fifth day of February of each 59621  
odd-numbered year, the secretary of state shall prepare a report 59622  
setting forth the maximum contribution limitations under section 59623  
3517.102 of the Revised Code, the maximum amounts, if any, of 59624  
contributions permitted to be kept under that section, the 59625  
amounts required under division (B) (4) (e) of section 3517.10 of 59626  
the Revised Code for reporting contributions and in-kind 59627  
contributions at social or fund-raising activities and 59628  
contributions from amounts deducted from an employee's wages and 59629  
salary, and the maximum office facility gift limitations under 59630  
section 3517.101 of the Revised Code, as calculated and 59631  
certified pursuant to divisions (A) and (B) (1) and (2) of this 59632  
section. The report and all documents relating to the 59633  
calculations contained in the report are public records. The 59634  
report shall contain an indication of the period in which the 59635  
limitations, the maximum contribution or gift amounts, and the 59636  
reporting amounts apply, a summary of how the limitations, the 59637  
maximum contribution or gift amounts, and the reporting amounts 59638  
were calculated, and a statement that the report and all related 59639  
documents are available for inspection and copying at the office 59640  
of the secretary of state. 59641

(4) On or before the twenty-fifth day of February of each 59642  
odd-numbered year, the secretary of state shall transmit the 59643  
report to the general assembly and shall send the report by mail 59644  
to the board of elections of each county. 59645

state, treasurer of state, attorney general, ~~member of the state~~ 59650  
~~board of education,~~ chief justice of the supreme court, or 59651  
justice of the supreme court. The report shall be mailed on or 59652  
before the tenth day after the filing. 59653

(6) A board of elections shall send the report by mail to 59654  
each person who files a declaration of candidacy or nominating 59655  
petition with the board for the office of state representative 59656  
or state senator. The report shall be mailed on or before the 59657

or decision-making functions for the corporation, or a duly 61135  
authorized representative of any such person if the 61136  
representative is responsible for the overall operation of one 61137  
or more manufacturing, production, or operating facilities 61138  
applying for or subject to a Title V permit and if one of the 61139  
following applies: 61140

(a) The facilities employ more than two hundred fifty 61141  
individuals or have gross annual sales or expenditures exceeding 61142  
twenty-five million dollars, in second quarter 1980 dollars; 61143

(b) The delegation of authority to the representative is 61144  
approved in advance by the director. 61145

(2) For a partnership or sole proprietorship: a general 61146  
partner or the proprietor, respectively. 61147

(3) For the federal government or any agency thereof, the 61148  
state or any agency thereof, a political subdivision or any 61149  
agency thereof, or any other public agency, either a principal 61150  
executive officer or authorized elected official. For the 61151  
purposes of this division, a principal executive officer of a 61152  
federal agency includes the chief executive officer having 61153  
responsibility for the overall operation of a principal 61154  
geographic unit of the agency. 61155

(4) For affected sources, both of the following: 61156

(a) The designated representative insofar as actions, 61157  
standards, requirements, or prohibitions under Title IV of the 61158

federal Clean Air Act or regulations adopted under it are 61159  
concerned; 61160

(b) The designated representative for any other purposes 61161  
under 40 C.F.R. part 70. 61162

~~(R)~~(T) "Small business stationary source" means any 61163  
building, structure, facility, or installation that emits any 61164  
federally regulated air pollutant and is owned or operated by a 61165  
person who employs one hundred or fewer individuals; is a small 61166  
business concern as defined in the "Small Business Act," 72 61167  
Stat. 384 (1958), 15 U.S.C.A. 632, as amended; is not a major 61168  
stationary source as defined in section 302(j) of the federal 61169  
Clean Air Act; does not emit fifty tons or more per year of any 61170  
federally regulated air pollutant or any hazardous air 61171  
pollutant; and emits less than seventy-five tons per year of all 61172  
federally regulated air pollutants. 61173

~~(S)~~(U) "Title V permit" means an operating permit required 61174  
to be issued by the state under section 502 of the federal Clean 61175  
Air Act and issued under section 3704.036 of the Revised Code 61176  
and rules adopted under it. 61177

~~(T)~~(V) For the purposes of the Title V permit program 61178  
established under this chapter and rules adopted under it, all 61179  
terms defined in 40 C.F.R. part 70 have the same meaning as in 61180  
that part. 61181

**Sec. 3704.03.** The director of environmental protection may 61182  
do any of the following: 61183

(A) Develop programs for the prevention, control, and 61184  
abatement of air pollution; 61185

(B) Advise, consult, contract, and cooperate with any 61186  
governmental or private agency in the furtherance of the 61187

purposes of this chapter; 61188

(C) Encourage, participate in, or conduct studies, 61189  
investigations, and research relating to air pollution, collect 61190  
and disseminate information, and conduct education and training 61191  
programs relating to the causes, prevention, control, and 61192  
abatement of air pollution; 61193

(D) Adopt, modify, and rescind rules prescribing ambient 61194  
air quality standards for the state as a whole or for various 61195  
areas of the state that are consistent with and no more 61196  
stringent than the national ambient air quality standards in 61197  
effect under the federal Clean Air Act; 61198

(E) Adopt, modify, suspend, and rescind rules for the 61199  
prevention, control, and abatement of air pollution, including 61200  
rules prescribing for the state as a whole or for various areas 61201  
of the state emission standards for air contaminants, and other 61202  
necessary rules for the purpose of achieving and maintaining 61203  
compliance with ambient air quality standards in all areas 61204  
within the state as expeditiously as practicable, but not later 61205  
than any deadlines applicable under the federal Clean Air Act; 61206  
rules for the prevention or control of the emission of hazardous 61207  
or toxic air contaminants; rules prescribing fugitive dust 61208  
limitations and standards that are related, on an areawide 61209  
basis, to attainment and maintenance of ambient air quality 61210  
standards; rules prescribing shade, density, or opacity 61211  
limitations and standards for emissions, provided that with 61212  
regard to air contaminant sources for which there are 61213  
particulate matter emission standards in addition to a shade, 61214  
density, or opacity rule, upon demonstration by such a source of 61215  
compliance with those other standards, the shade, density, or 61216  
opacity rule shall provide for establishment of a shade, 61217

density, or opacity limitation for that source that does not 61218  
require the source to reduce emissions below the level specified 61219  
by those other standards; rules for the prevention or control of 61220  
odors and air pollution nuisances; rules that prevent 61221  
significant deterioration of air quality to the extent required 61222  
by the federal Clean Air Act; rules for the protection of 61223  
visibility as required by the federal Clean Air Act; and rules 61224  
prescribing open burning limitations and standards. In adopting, 61225  
modifying, suspending, or rescinding any such rules, the 61226  
director, to the extent consistent with the federal Clean Air 61227  
Act, shall hear and give consideration to evidence relating to 61228  
all of the following: 61229

(1) Conditions calculated to result from compliance with 61230  
the rules, the overall cost within this state of compliance with 61231  
the rules, and their relation to benefits to the people of the 61232  
state to be derived from that compliance; 61233

(2) The quantity and characteristics of air contaminants, 61234  
the frequency and duration of their presence in the ambient air, 61235  
and the dispersion and dilution of those contaminants; 61236

(3) Topography, prevailing wind directions and velocities, 61237  
physical conditions, and other factors that may or may combine 61238  
to affect air pollution. 61239

Consistent with division (K) of section 3704.036 of the 61240  
Revised Code, the director shall consider alternative emission 61241  
limits proposed by the owner or operator of an air contaminant 61242  
source that is subject to an emission limit established in rules 61243  
adopted under this division and shall accept those alternative 61244  
emission limits that the director determines to be equivalent to 61245  
emission limits established in rules adopted under this 61246  
division. 61247

(F) (1) Adopt, modify, suspend, and rescind rules 61248  
consistent with the purposes of this chapter prohibiting the 61249  
location, installation, construction, or modification of any air 61250  
contaminant source or any machine, equipment, device, apparatus, 61251  
or physical facility intended primarily to prevent or control 61252  
the emission of air contaminants unless an installation permit 61253  
therefor has been obtained from the director or the director's 61254  
authorized representative. 61255

(2) (a) Applications for installation permits shall be 61256  
accompanied by plans, specifications, construction schedules, 61257  
and such other pertinent information and data, including data on 61258  
ambient air quality impact and a demonstration of best available 61259  
technology, as the director may require. Installation permits 61260  
shall be issued for a period specified by the director and are 61261  
transferable. The director shall specify in each permit the 61262  
applicable emission standards and that the permit is conditioned 61263  
upon payment of the applicable fees as required by section 61264  
3745.11 of the Revised Code and upon the right of the director's 61265  
authorized representatives to enter upon the premises of the 61266  
person to whom the permit has been issued, at any reasonable 61267  
time and subject to safety requirements of the person in control 61268  
of the premises, for the purpose of determining compliance with 61269  
such standards, this chapter, the rules adopted thereunder, and 61270  
the conditions of any permit, variance, or order issued 61271  
thereunder. Each proposed new or modified air contaminant source 61272  
shall provide such notice of its proposed installation or 61273  
modification to other states as is required under the federal 61274  
Clean Air Act. Installation permits shall include the 61275  
authorization to operate sources installed and operated in 61276  
accordance with terms and conditions of the installation permits 61277  
for a period not to exceed one year from commencement of 61278

operation, which authorization shall constitute an operating permit under division (G) of this section and rules adopted under it.

No installation permit shall be required for activities that are subject to and in compliance with a plant-wide applicability limit issued by the director in accordance with rules adopted under this section.

No installation permit shall be issued except in accordance with all requirements of this chapter and rules adopted thereunder. No application shall be denied or permit revoked or modified without a written order stating the findings upon which denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or permit holder by certified mail.

(b) An air contaminant source that is the subject of an installation permit shall be installed or modified in accordance with the permit not later than eighteen months after the permit's effective date at which point the permit shall terminate unless one of the following applies:

(i) The owner or operator has undertaken a continuing program of installation or modification during the eighteen-month period.

(ii) The owner or operator has entered into a binding contractual obligation to undertake and complete within a reasonable period of time a continuing program of installation or modification of the air contaminant source during the eighteen-month period.

(iii) The director has extended the date by which the air contaminant source that is the subject of the installation

permit must be installed or modified. 61308

(iv) The installation permit is the subject of an appeal 61309  
by a party other than the owner or operator of the air 61310  
contaminant source that is the subject of the installation 61311  
permit, in which case the date of termination of the permit is 61312  
not later than eighteen months after the effective date of the 61313  
permit plus the number of days between the date in which the 61314  
permit was appealed and the date on which all appeals concerning 61315  
the permit have been resolved. 61316

(v) The installation permit has been superseded by a 61317  
subsequent installation permit, in which case the original 61318  
installation permit terminates on the effective date of the 61319  
superseding installation permit. 61320

Division (F) (2) (b) of this section applies to an 61321  
installation permit that has not terminated as of October 16, 61322  
2009. 61323

The director may adopt rules in accordance with Chapter 61324  
119. of the Revised Code for the purpose of establishing 61325  
additional requirements that are necessary for the 61326  
implementation of division (F) (2) (b) of this section. 61327

(3) Not later than two years after August 3, 2006, the 61328  
director shall adopt a rule in accordance with Chapter 119. of 61329  
the Revised Code specifying that a permit to install is required 61330  
only for new or modified air contaminant sources that emit any 61331  
of the following air contaminants: 61332

(a) An air contaminant or precursor of an air contaminant 61333  
for which a national ambient air quality standard has been 61334  
adopted under the federal Clean Air Act; 61335

(b) An air contaminant for which the air contaminant 61336

source is regulated under the federal Clean Air Act; 61337

(c) An air contaminant that presents, or may present, 61338  
through inhalation or other routes of exposure, a threat of 61339  
adverse human health effects, including, but not limited to, 61340  
substances that are known to be, or may reasonably be 61341  
anticipated to be, carcinogenic, mutagenic, teratogenic, or 61342  
neurotoxic, that cause reproductive dysfunction, or that are 61343  
acutely or chronically toxic, or a threat of adverse 61344  
environmental effects whether through ambient concentrations, 61345  
bioaccumulation, deposition, or otherwise, and that is 61346  
identified in the rule by chemical name and chemical abstract 61347  
service number. 61348

The director may modify the rule adopted under division 61349  
(F) (3) (c) of this section for the purpose of adding or deleting 61350  
air contaminants. For each air contaminant that is contained in 61351  
or deleted from the rule adopted under division (F) (3) (c) of 61352  
this section, the director shall include in a notice 61353  
accompanying any proposed or final rule an explanation of the 61354  
director's determination that the air contaminant meets the 61355  
criteria established in that division and should be added to, or 61356  
no longer meets the criteria and should be deleted from, the 61357  
list of air contaminants. The explanation shall include an 61358  
identification of the scientific evidence on which the director 61359  
relied in making the determination. Until adoption of the rule 61360  
under division (F) (3) (c) of this section, nothing shall affect 61361  
the director's authority to issue, deny, modify, or revoke 61362  
permits to install under this chapter and rules adopted under 61363  
it. 61364

(4) (a) Applications for permits to install new or modified 61365  
air contaminant sources shall contain sufficient information 61366

regarding air contaminants for which the director may require a permit to install to determine conformity with the environmental protection agency's document entitled "Review of New Sources of Air Toxics Emissions, Option A," dated May 1986, which the director shall use to evaluate toxic emissions from new or modified air contaminant sources. The director shall make copies of the document available to the public upon request at no cost and post the document on the environmental protection agency's web site. Any inconsistency between the document and division (F) (4) of this section shall be resolved in favor of division (F) (4) of this section.

(b) The maximum acceptable ground level concentration of an air contaminant shall be calculated in accordance with the document entitled "Review of New Sources of Air Toxics Emissions, Option A." Modeling shall be conducted to determine the increase in the ground level concentration of an air contaminant beyond the facility's boundary caused by the emissions from a new or modified source that is the subject of an application for a permit to install. Modeling shall be based on the maximum hourly rate of emissions from the source using information including, but not limited to, any emission control devices or methods, operational restrictions, stack parameters, and emission dispersion devices or methods that may affect ground level concentrations, either individually or in combination. The director shall determine whether the activities for which a permit to install is sought will cause an increase in the ground level concentration of one or more relevant air contaminants beyond the facility's boundary by an amount in excess of the maximum acceptable ground level concentration. In making the determination as to whether the maximum acceptable ground level concentration will be exceeded, the director shall

give consideration to the modeling conducted under division (F) 61398  
(4) (b) of this section and other relevant information submitted 61399  
by the applicant. 61400

(c) If the modeling conducted under division (F) (4) (b) of 61401  
this section with respect to an application for a permit to 61402  
install demonstrates that the maximum ground level concentration 61403  
from a new or modified source will be greater than or equal to 61404  
eighty per cent, but less than one hundred per cent of the 61405  
maximum acceptable ground level concentration for an air 61406  
contaminant, the director may establish terms and conditions in 61407  
the permit to install for the air contaminant source that will 61408  
require the owner or operator of the air contaminant source to 61409  
maintain emissions of that air contaminant commensurate with the 61410  
modeled level, which shall be expressed as allowable emissions 61411  
per day. In order to calculate the allowable emissions per day, 61412  
the director shall multiply the hourly emission rate modeled 61413  
under division (F) (4) (b) of this section to determine the ground 61414  
level concentration by the operating schedule that has been 61415  
identified in the permit to install application. Terms and 61416  
conditions imposed under division (F) (4) (c) of this section are 61417  
not federally enforceable requirements and, if included in a 61418  
Title V permit, shall be placed in the portion of the permit 61419  
that is only enforceable by the state. 61420

(d) If the modeling conducted under division (F) (4) (b) of 61421  
this section with respect to an application for a permit to 61422  
install demonstrates that the maximum ground level concentration 61423  
from a new or modified source will be less than eighty per cent 61424  
of the maximum acceptable ground level concentration, the owner 61425  
or operator of the source annually shall report to the director, 61426  
on a form prescribed by the director, whether operations of the 61427  
source are consistent with the information regarding the 61428

operations that was used to conduct the modeling with regard to 61429  
the permit to install application. The annual report to the 61430  
director shall be in lieu of an emission limit or other permit 61431  
terms and conditions imposed pursuant to division (F) (4) of this 61432  
section. The director may consider any significant departure 61433  
from the operations of the source described in the permit to 61434  
install application that results in greater emissions than the 61435  
emissions rate modeled to determine the ground level 61436  
concentration as a modification and require the owner or 61437  
operator to submit a permit to install application for the 61438  
increased emissions. The requirements established in division 61439  
(F) (4) (d) of this section are not federally enforceable 61440  
requirements and, if included in a Title V permit, shall be 61441  
placed in the portion of the permit that is only enforceable by 61442  
the state. 61443

(e) Division (F) (4) of this section and the document 61444  
entitled "Review of New Sources of Air Toxics Emissions, Option 61445  
A" shall not be included in the state implementation plan under 61446  
section 110 of the federal Clean Air Act and do not apply to an 61447  
air contaminant source that is subject to a maximum achievable 61448  
control technology standard or residual risk standard under 61449  
section 112 of the federal Clean Air Act, to a particular air 61450  
contaminant identified under 40 C.F.R. 51.166, division (b) (23), 61451  
for which the director has determined that the owner or operator 61452  
of the source is required to install best available control 61453  
technology for that particular air contaminant, or to a 61454  
particular air contaminant for which the director has determined 61455  
that the source is required to meet the lowest achievable 61456  
emission rate, as defined in 40 C.F.R. part 51, Appendix S, for 61457  
that particular air contaminant. 61458

(f) (i) Division (F) (4) of this section and the document 61459

entitled "Review of New Sources of Air Toxics Emissions, Option 61460  
A" do not apply to parking lots, storage piles, storage tanks, 61461  
transfer operations, grain silos, grain dryers, emergency 61462  
generators, gasoline dispensing operations, air contaminant 61463  
sources that emit air contaminants solely from the combustion of 61464  
fossil fuels, or the emission of wood dust, sand, glass dust, 61465  
coal dust, silica, and grain dust. 61466

(ii) Notwithstanding division (F) (4) (f) (i) of this 61467  
section, the director may require an individual air contaminant 61468  
source that is within one of the source categories identified in 61469  
division (F) (4) (f) (i) of this section to submit information in 61470  
an application for a permit to install a new or modified source 61471  
in order to determine the source's conformity to the document if 61472  
the director has information to conclude that the particular new 61473  
or modified source will potentially cause an increase in ground 61474  
level concentration beyond the facility's boundary that exceeds 61475  
the maximum acceptable ground level concentration as set forth 61476  
in the document. 61477

(iii) The director may adopt rules in accordance with 61478  
Chapter 119. of the Revised Code that are consistent with the 61479  
purposes of this chapter and that add to or delete from the 61480  
source category exemptions established in division (F) (4) (f) (i) 61481  
of this section. 61482

(5) Not later than one year after August 3, 2006, the 61483  
director shall adopt rules in accordance with Chapter 119. of 61484  
the Revised Code specifying activities that do not, by 61485  
themselves, constitute beginning actual construction activities 61486  
related to the installation or modification of an air 61487  
contaminant source for which a permit to install is required 61488  
such as the grading and clearing of land, on-site storage of 61489

portable parts and equipment, and the construction of 61490  
foundations or buildings that do not themselves emit air 61491  
contaminants. The rules also shall allow specified initial 61492  
activities that are part of the installation or modification of 61493  
an air contaminant source, such as the installation of 61494  
electrical and other utilities for the source, prior to issuance 61495  
of a permit to install, provided that the owner or operator of 61496  
the source has filed a complete application for a permit to 61497  
install, the director or the director's designee has determined 61498  
that the application is complete, and the owner or operator of 61499  
the source has notified the director that this activity will be 61500  
undertaken prior to the issuance of a permit to install. Any 61501  
activity that is undertaken by the source under those rules 61502  
shall be at the risk of the owner or operator. The rules shall 61503  
not apply to activities that are precluded prior to permit 61504  
issuance under section 111, section 112, Part C of Title I, and 61505  
Part D of Title I of the federal Clean Air Act. 61506

(G) Adopt, modify, suspend, and rescind rules prohibiting 61507  
the operation or other use of any new, modified, or existing air 61508  
contaminant source unless an operating permit has been obtained 61509  
from the director or the director's authorized representative, 61510  
or the air contaminant source is being operated in compliance 61511  
with the conditions of a variance issued pursuant to division 61512  
(H) of this section. Applications for operating permits shall be 61513  
accompanied by such plans, specifications, and other pertinent 61514  
information as the director may require. Operating permits may 61515  
be issued for a period determined by the director not to exceed 61516  
ten years, are renewable, and are transferable. The director 61517  
shall specify in each operating permit that the permit is 61518  
conditioned upon payment of the applicable fees as required by 61519  
section 3745.11 of the Revised Code and upon the right of the 61520

director's authorized representatives to enter upon the premises 61521  
of the person to whom the permit has been issued, at any 61522  
reasonable time and subject to safety requirements of the person 61523  
in control of the premises, for the purpose of determining 61524  
compliance with this chapter, the rules adopted thereunder, and 61525  
the conditions of any permit, variance, or order issued 61526  
thereunder. Operating permits may be denied or revoked for 61527  
failure to comply with this chapter or the rules adopted 61528  
thereunder. An operating permit shall be issued only upon a 61529  
showing satisfactory to the director or the director's 61530  
representative that the air contaminant source is being operated 61531  
in compliance with applicable emission standards and other rules 61532  
or upon submission of a schedule of compliance satisfactory to 61533  
the director for a source that is not in compliance with all 61534  
applicable requirements at the time of permit issuance, provided 61535  
that the compliance schedule shall be consistent with and at 61536  
least as stringent as that contained in any judicial consent 61537  
decree or administrative order to which the air contaminant 61538  
source is subject. The rules shall provide for the issuance of 61539  
conditional operating permits for such reasonable periods as the 61540  
director may determine to allow the holder of an installation 61541  
permit, who has constructed, installed, located, or modified a 61542  
new air contaminant source in accordance with the provisions of 61543  
an installation permit, to make adjustments or modifications 61544  
necessary to enable the new air contaminant source to comply 61545  
with applicable emission standards and other rules. Terms and 61546  
conditions of operating permits issued pursuant to this division 61547  
shall be federally enforceable for the purpose of establishing 61548  
the potential to emit of a stationary source and shall be 61549  
expressly designated as federally enforceable. Any such 61550  
federally enforceable restrictions on a source's potential to 61551  
emit shall include both an annual limit and a short-term limit 61552

of not more than thirty days for each pollutant to be restricted together with adequate methods for establishing compliance with the restrictions. In other respects, operating permits issued pursuant to this division are enforceable as state law only. No application shall be denied or permit revoked or modified without a written order stating the findings upon which denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or permit holder by certified mail.

(H) Adopt, modify, and rescind rules governing the issuance, revocation, modification, or denial of variances that authorize emissions in excess of the applicable emission standards.

No variance shall be issued except pursuant to those rules. The rules shall prescribe conditions and criteria in furtherance of the purposes of this chapter and consistent with the federal Clean Air Act governing eligibility for issuance of variances, which shall include all of the following:

(1) Provisions requiring consistency of emissions authorized by a variance with timely attainment and maintenance of ambient air quality standards;

(2) Provisions prescribing the classes and categories of air contaminants and air contaminant sources for which variances may be issued;

(3) Provisions defining the circumstances under which an applicant shall demonstrate that compliance with applicable emission standards is technically infeasible, economically unreasonable, or impossible because of conditions beyond the control of the applicant;

(4) Other provisions prescribed in furtherance of the

goals of this chapter. 61582

The rules shall prohibit the issuance of variances from 61583  
any emission limitation that was applicable to a source pursuant 61584  
to an installation permit and shall prohibit issuance of 61585  
variances that conflict with the federal Clean Air Act. 61586

Applications for variances shall be accompanied by such 61587  
information as the director may require. In issuing variances, 61588  
the director may order the person to whom a variance is issued 61589  
to furnish plans and specifications and such other information 61590  
and data, including interim reports, as the director may require 61591  
and to proceed to take such action within such time as the 61592  
director may determine to be appropriate and reasonable to 61593  
prevent, control, or abate the person's existing emissions of 61594  
air contaminants. The director shall specify in each variance 61595  
that the variance is conditioned upon payment of the applicable 61596  
fees as required by section 3745.11 of the Revised Code and upon 61597  
the right of the director's authorized representatives to enter 61598  
upon the premises of the person to whom the variance has been 61599  
issued, at any reasonable time and subject to safety 61600  
requirements of the person in control of the premises, for the 61601  
purpose of determining compliance with this chapter, the rules 61602  
adopted thereunder, and the conditions of any permit, variance, 61603  
or order issued thereunder. 61604

The director may hold a public hearing on an application 61605  
for a variance or renewal thereof at a location in the county 61606  
where the variance is sought. The director shall give not less 61607  
than twenty days' notice of the hearing to the applicant by 61608  
certified mail or another type of mail accompanied by a receipt. 61609  
The director also shall cause at least one publication of notice 61610  
in a newspaper with general circulation in the county where the 61611

variance is sought or may instead provide public notice by 61612  
publication on the environmental protection agency's web site. 61613  
The director shall keep available for public inspection at the 61614  
principal office of the environmental protection agency a 61615  
current schedule of pending applications for variances and a 61616  
current schedule of pending variance hearings. The director 61617  
shall make a complete stenographic record or electronic record 61618  
of testimony and other evidence submitted at the hearing. The 61619  
director shall make a written determination to issue, renew, or 61620  
deny the variance and shall enter the determination and the 61621  
basis therefor into the record of the hearing. The director 61622  
shall issue, renew, or deny an application for a variance or 61623  
renewal thereof, or issue a proposed action upon the application 61624  
pursuant to section 3745.07 of the Revised Code, within six 61625  
months of the date upon which the director receives a complete 61626  
application with all pertinent information and data required by 61627  
the director. 61628

Any variance granted pursuant to rules adopted under this 61629  
division shall be for a period specified by the director, not to 61630  
exceed three years, and may be renewed from time to time on such 61631  
terms and for such periods, not to exceed three years each, as 61632  
the director determines to be appropriate. A variance may be 61633  
revoked, or renewal denied, for failure to comply with 61634  
conditions specified in the variance. No variance shall be 61635  
issued, denied, revoked, or modified without a written order 61636  
stating the findings upon which the issuance, denial, 61637  
revocation, or modification is based. A copy of the order shall 61638  
be sent to the applicant or variance holder by certified mail. 61639

(I) Require the owner or operator of an air contaminant 61640  
source to install, employ, maintain, and operate such emissions, 61641  
ambient air quality, meteorological, or other monitoring devices 61642

or methods as the director shall prescribe; to sample those 61643  
emissions at such locations, at such intervals, and in such 61644  
manner as the director prescribes; to maintain records and file 61645  
periodic reports with the director containing information as to 61646  
location, size, and height of emission outlets, rate, duration, 61647  
and composition of emissions, and any other pertinent 61648  
information the director prescribes; and to provide such written 61649  
notice to other states as the director shall prescribe. In 61650  
requiring monitoring devices, records, and reports, the 61651  
director, to the extent consistent with the federal Clean Air 61652  
Act, shall give consideration to technical feasibility and 61653  
economic reasonableness and allow reasonable time for 61654  
compliance. For sources where a specific monitoring, record- 61655  
keeping, or reporting requirement is specified for a particular 61656  
air contaminant from a particular air contaminant source in an 61657  
applicable regulation adopted by the United States environmental 61658  
protection agency under the federal Clean Air Act or in an 61659  
applicable rule adopted by the director, the director shall not 61660  
impose an additional requirement in a permit that is a different 61661  
monitoring, record-keeping, or reporting requirement other than 61662  
the requirement specified in the applicable regulation or rule 61663  
for that air contaminant except as otherwise agreed to by the 61664  
owner or operator of the air contaminant source and the 61665  
director. For sources where no specific monitoring requirement 61666  
is specified for a particular air contaminant from a particular 61667  
air contaminant source in an applicable regulation adopted by 61668  
the United States environmental protection agency under the 61669  
federal Clean Air Act or in an applicable rule adopted by the 61670  
director, the director shall not impose a monitoring requirement 61671  
in a permit that requires community air monitoring, except as 61672  
otherwise agreed to by the owner or air operator of the air 61673  
contaminant source and the director. If two or more regulations 61674

or rules impose different monitoring, record-keeping, or reporting requirements for the same air contaminant from the same air contaminant source, the director may impose permit terms and conditions that consolidate or streamline the monitoring, record-keeping, or reporting requirements in a manner that conforms with each applicable requirement. To the extent consistent with the federal Clean Air Act and except as otherwise agreed to by the owner or operator of an air contaminant source and the director, the director shall not require an operating restriction that has the practical effect of increasing the stringency of an existing applicable emission limitation or standard.

(J) Establish, operate, and maintain monitoring stations and other devices designed to measure air pollution and enter into contracts with any public or private agency for the establishment, operation, or maintenance of such stations and devices, except for community air monitoring where the intended use of the data produced by such monitoring stations and other devices would violate divisions (B) or (C) of section 3704.09 of the Revised Code;

(K) By rule adopt procedures for giving reasonable public notice and conducting public hearings on any plans for the prevention, control, and abatement of air pollution that the director is required to submit to the federal government;

(L) Through any employee, agent, or authorized representative of the director or the environmental protection agency, enter upon private or public property, including improvements thereon, at any reasonable time, to make inspections, take samples, conduct tests, and examine records or reports pertaining to any emission of air contaminants and any

monitoring equipment or methods and to determine if there are 61705  
any actual or potential emissions from such premises and, if so, 61706  
to determine the sources, amounts, contents, and extent of those 61707  
emissions, or to ascertain whether there is compliance with this 61708  
chapter, any orders issued or rules adopted thereunder, or any 61709  
other determination of the director. The director, at reasonable 61710  
times, may have access to and copy any such records. If entry or 61711  
inspection authorized by this division is refused, hindered, or 61712  
thwarted, the director or the director's authorized 61713  
representative may by affidavit apply for, and any judge of a 61714  
court of record may issue, an appropriate inspection warrant 61715  
necessary to achieve the purposes of this chapter within the 61716  
court's territorial jurisdiction. 61717

(M) Accept and administer gifts or grants from the federal 61718  
government and from any other source, public or private, for 61719  
carrying out any of the functions under this chapter; 61720

(N) Obtain necessary scientific, technical, and laboratory 61721  
services; 61722

(O) Establish advisory boards in accordance with section 61723  
121.13 of the Revised Code; 61724

(P) Delegate to any city or general health district or 61725  
political subdivision of the state any of the director's 61726  
enforcement and monitoring powers and duties, other than rule- 61727  
making powers, as the director elects to delegate, and in 61728  
addition employ, compensate, and prescribe the powers and duties 61729  
of such officers, employees, and consultants as are necessary to 61730  
enable the director to exercise the authority and perform duties 61731  
imposed upon the director by law. Technical and other services 61732  
shall be performed, insofar as practical, by personnel of the 61733  
environmental protection agency. 61734

(Q) Certify to the government of the United States or any agency thereof that an industrial air pollution facility is in conformity with the state program or requirements for control of air pollution whenever such certificate is required for a taxpayer pursuant to any federal law or requirements;

(R) Issue, modify, or revoke orders requiring abatement of or prohibiting emissions that violate applicable emission standards or other requirements of this chapter and rules adopted thereunder, or requiring emission control devices or measures in order to comply with applicable emission standards or other requirements of this chapter and rules adopted thereunder. Any such order shall require compliance with applicable emission standards by a specified date and shall not conflict with any requirement of the federal Clean Air Act. In the making of such orders, the director, to the extent consistent with the federal Clean Air Act, shall give consideration to, and base the determination on, evidence relating to the technical feasibility and economic reasonableness of compliance with such orders and their relation to benefits to the people of the state to be derived from such compliance. If, under the federal Clean Air Act, any such order shall provide for the posting of a bond or surety to secure compliance with the order as a condition of issuance of the order, the order shall so provide, but only to the extent required by the federal Clean Air Act.

(S) To the extent provided by the federal Clean Air Act, adopt, modify, and rescind rules providing for the administrative assessment and collection of monetary penalties, not in excess of those required pursuant to the federal Clean Air Act, for failure to comply with any emission limitation or standard, compliance schedule, or other requirement of any rule,

order, permit, or variance issued or adopted under this chapter 61766  
or required under the applicable implementation plan whether or 61767  
not the source is subject to a federal or state consent decree. 61768  
The director may require the submission of compliance schedules, 61769  
calculations of penalties for noncompliance, and related 61770  
information. Any orders, payments, sanctions, or other 61771  
requirements imposed pursuant to rules adopted under this 61772  
division shall be in addition to any other permits, orders, 61773  
payments, sanctions, or other requirements established under 61774  
this chapter and shall not affect any civil or criminal 61775  
enforcement proceedings brought under any provision of this 61776  
chapter or any other provision of state or local law. This 61777  
division does not apply to any requirement of this chapter 61778  
regarding the prevention or abatement of odors. 61779

(T) Require new or modified air contaminant sources to 61780  
install best available technology, but only in accordance with 61781  
this division. With respect to permits issued pursuant to 61782  
division (F) of this section beginning three years after August 61783  
3, 2006, best available technology for air contaminant sources 61784  
and air contaminants emitted by those sources that are subject 61785  
to standards adopted under section 112, Part C of Title I, and 61786  
Part D of Title I of the federal Clean Air Act shall be 61787  
equivalent to and no more stringent than those standards. For an 61788  
air contaminant or precursor of an air contaminant for which a 61789  
national ambient air quality standard has been adopted under the 61790  
federal Clean Air Act, best available technology only shall be 61791  
required to the extent required by rules adopted under Chapter 61792  
119. of the Revised Code for permit to install applications 61793  
filed three or more years after August 3, 2006. 61794

Best available technology requirements established in 61795  
rules adopted under this division shall be expressed only in one 61796

of the following ways that is most appropriate for the 61797  
applicable source or source categories: 61798

(1) Work practices; 61799

(2) Source design characteristics or design efficiency of 61800  
applicable air contaminant control devices; 61801

(3) Raw material specifications or throughput limitations 61802  
averaged over a twelve-month rolling period; 61803

(4) Monthly allowable emissions averaged over a twelve- 61804  
month rolling period. 61805

Best available technology requirements shall not apply to 61806  
an air contaminant source that has the potential to emit, taking 61807  
into account air pollution controls installed on the source, 61808  
less than ten tons per year of emissions of an air contaminant 61809  
or precursor of an air contaminant for which a national ambient 61810  
air quality standard has been adopted under the federal Clean 61811  
Air Act. In addition, best available technology requirements 61812  
established in rules adopted under this division shall not apply 61813  
to any existing, new, or modified air contaminant source that is 61814  
subject to a plant-wide applicability limit that has been 61815  
approved by the director. Further, best available technology 61816  
requirements established in rules adopted under this division 61817  
shall not apply to general permits issued prior to January 1, 61818  
2006, under rules adopted under this chapter. 61819

For permits to install issued three or more years after 61820  
August 3, 2006, any new or modified air contaminant source that 61821  
has the potential to emit, taking into account air pollution 61822  
controls installed on the source, ten or more tons per year of 61823  
volatile organic compounds or nitrogen oxides shall meet, at a 61824  
minimum, the requirements of any applicable reasonably available 61825

control technology rule in effect as of January 1, 2006, 61826  
regardless of the location of the source. 61827

(U) Consistent with section 507 of the federal Clean Air 61828  
Act, adopt, modify, suspend, and rescind rules for the 61829  
establishment of a small business stationary source technical 61830  
and environmental compliance assistance program as provided in 61831  
section 3704.18 of the Revised Code; 61832

(V) Provide for emissions trading, marketable permits, 61833  
auctions of emission rights, and economic incentives that would 61834  
reduce the cost or increase the efficiency of achieving a 61835  
specified level of environmental protection; 61836

(W) Provide for the construction of an air contaminant 61837  
source prior to obtaining a permit to install pursuant to 61838  
division (F) of this section if the applicant demonstrates that 61839  
the source will be installed to comply with all applicable 61840  
emission limits and will not adversely affect public health or 61841  
safety or the environment and if the director determines that 61842  
such an action will avoid an unreasonable hardship on the owner 61843  
or operator of the source. Any such determination shall be 61844  
consistent with the federal Clean Air Act. 61845

(X) Exercise all incidental powers, including adoption of 61846  
rules, required to carry out this chapter. 61847

The environmental protection agency shall develop a plan 61848  
to control air pollution resulting from state-operated 61849  
facilities and property. 61850

**Sec. 3704.031.** ~~Prior~~ (A) Except as provided in division 61851  
(B) of this section, prior to issuance or renewal of a permit or 61852  
a variance under division (F), (G), or (H) of section 3704.03 of 61853  
the Revised Code, the director of environmental protection may 61854

require the applicant to install such equipment and conduct such tests and analyses as the director finds reasonable and necessary to determine adequately the amount and content of any emissions from such sources, the ambient air quality at the proposed site and in areas that may be affected by emissions from such sources, and any violation or potential violation of Chapter 3704. of the Revised Code, or the regulations or orders promulgated thereunder.

(B) The director shall not require an applicant to conduct community air monitoring other than any analysis or measurement of an air pollutant in the ambient air pursuant to a federal reference method or federal equivalent method.

**Sec. 3704.09.** (A) Determinations made by the director of environmental protection or other persons acting under sections 3704.03 and 3704.04 of the Revised Code shall not be used as evidence in civil actions nor create any presumption of law or finding of fact which shall inure to or be for the benefit of any person other than the state, and sections 3704.01 to 3704.07 of the Revised Code do not create, enlarge, or abrogate existing private rights. Nothing in Chapter 3704. of the Revised Code shall be construed to abridge, limit, or otherwise impair the right of any person to damages or other relief on account of injury to persons or property and to maintain any action or other appropriate proceedings therefor.

(B) Data produced from community air monitoring shall not be used as evidence, or disclosed or disseminated by the environmental protection agency, a local air pollution control authority, or any person, to support either of the following:

(1) A fine, penalty, or notice of violation against any person for violations of or noncompliance with the federal Clean

Air Act, this chapter, the rules adopted thereunder, or any 61885  
other applicable law, rule, or regulation for which the state 61886  
has primary enforcement authority; 61887

(2) An administrative, regulatory, or judicial enforcement 61888  
action, lawsuit, or proceeding for violations of or 61889  
noncompliance with the federal Clean Air Act, this chapter, the 61890  
rules adopted thereunder, or any other applicable law, rule, or 61891  
regulation for which the state has primary enforcement 61892  
authority. 61893

(C) Data produced from community air monitoring shall not 61894  
be considered or relied upon by the environmental protection 61895  
agency or a local air pollution control authority in any 61896  
rulemaking action or in any action relating to the issuance of 61897  
an installation permit or operating permit unless such 61898  
consideration or reliance is requested by the owner or operator 61899  
of the air contaminant source requesting the permit. 61900

**Sec. 3704.111.** (A) Not later than October 1, 1993, the 61901  
director of environmental protection shall enter into a 61902  
delegation agreement with each local air pollution control 61903  
authority listed in divisions ~~(N) (1) (a) to (h)~~ (P) (1) of section 61904  
3704.01 of the Revised Code under which the local air pollution 61905  
control authority agrees to perform on behalf of the 61906  
environmental protection agency air pollution control regulatory 61907  
services within the political subdivision represented by the 61908  
local air pollution control authority. The director may enter 61909  
into such a delegation agreement with a local air pollution 61910  
control authority established on or after the effective date of 61911  
this section, subject to the condition established in division 61912  
(B) of this section. Each delegation agreement shall be self- 61913  
renewing on an annual basis on the first day of October of each 61914

year. The terms of each such delegation agreement shall remain 61915  
unchanged from year to year unless they are amended by mutual 61916  
agreement of the director and the local air pollution control 61917  
authority. 61918

(B) The director may conduct a periodic performance 61919  
evaluation of the air pollution control program operated by each 61920  
local air pollution control authority. Based upon the findings 61921  
of such a performance evaluation, the director may terminate or 61922  
refuse to renew the delegation agreement with a local air 61923  
pollution control authority if the director determines that the 61924  
local air pollution control authority is not adequately 61925  
performing its obligations under the agreement. 61926

(C) The director may enter into contracts for payments to 61927  
local air pollution control authorities from moneys credited to 61928  
the clean air fund created in section 3704.035 of the Revised 61929  
Code, subject to the limitation specified in that section, and 61930  
any other moneys appropriated by the general assembly for that 61931  
purpose. The director shall distribute the moneys available for 61932  
making payments to the local air pollution control authorities 61933  
pursuant to such contracts equitably among the local air 61934  
pollution control authorities based upon the amount of local 61935  
funding and the workload of each local air pollution control 61936  
authority, including, without limitation, population served, 61937  
number of air permits issued for both new and existing sources, 61938  
land area, and number of air contaminant sources. The director 61939  
biennially shall review the workload of each local air pollution 61940  
control authority and shall determine the percentage of the 61941  
moneys available for the purpose of making payments under the 61942  
contracts. In determining the percentage of those moneys that is 61943  
to be so distributed, the director shall consider the 61944  
recommendations of the local air pollution control authorities. 61945

(D) The director may modify a contract between the 61946  
director and a local air pollution control authority to 61947  
authorize the local air pollution control authority to perform 61948  
air pollution control activities outside the geographic 61949  
boundaries of that local air pollution control authority. 61950

**Sec. 3704.112.** For the purpose of fulfilling the duties 61951  
and obligations imposed pursuant to a delegation agreement 61952  
entered into under section 3704.111 of the Revised Code, a local 61953  
air pollution control authority, in the name of the 61954  
environmental protection agency, may do all of the following 61955  
within the political subdivisions that it represents: 61956

(A) Establish, maintain, and operate air quality 61957  
monitoring stations and other devices designed to measure air 61958  
pollution or ambient air quality, except for community air 61959  
monitoring where the intended use of the data produced by such 61960  
monitoring stations and other devices would violate divisions 61961  
(B) or (C) of section 3704.09 of the Revised Code; 61962

(B) Enter upon public or private property, real or 61963  
personal, at any reasonable time to make inspections, conduct 61964  
tests, examine or copy records or reports, determine actual or 61965  
potential emissions of air contaminants from a premises, and 61966  
ascertain compliance with this chapter and any rules, orders, 61967  
terms or conditions of permits or variances, or other 61968  
determinations made or issued under it. If the entry or 61969  
inspection authorized under this division is refused, hindered, 61970  
or thwarted, an authorized representative of the local air 61971  
pollution control authority may apply for, and any judge of a 61972  
court of record may issue, an administrative inspection warrant 61973  
under division (F) of section 2933.21 of the Revised Code, or 61974  
other appropriate search warrant, to achieve the purposes of 61975

this chapter within the court's territorial jurisdiction. 61976

(C) Investigate or make inquiries into any alleged 61977  
violation of this chapter or a rule, order, term or condition of 61978  
a permit or variance, or other determination made or issued 61979  
under it, or act of air pollution, upon the complaint of any 61980  
person, the local air pollution control authority's own 61981  
initiative, or the request of the environmental protection 61982  
agency; 61983

(D) In accordance with Chapter 119. of the Revised Code 61984  
and the rules adopted under section 3704.03 of the Revised Code 61985  
governing open burning, grant or deny permission to conduct open 61986  
burning to persons making application for permission to do so; 61987

(E) Encourage, participate in, or conduct studies, 61988  
investigations, research, and education and training programs, 61989  
and collect and disseminate information, relating to air 61990  
pollution; 61991

(F) Accept and administer grants from the federal 61992  
government and any other source, public or private, for the 61993  
purpose of carrying out any function under this chapter. 61994

**Sec. 3704.14.** (A) (1) If the director of environmental 61995  
protection determines that implementation of a motor vehicle 61996  
inspection and maintenance program is necessary for the state to 61997  
effectively comply with the federal Clean Air Act after June 30, 61998  
~~2023~~2025, the director may provide for the implementation of the 61999  
program in those counties in this state in which such a program 62000  
is federally mandated. Upon making such a determination, the 62001  
director of environmental protection may request the director of 62002  
administrative services to extend the terms of the contract that 62003  
was entered into under the authority of ~~Am. Sub. H.B. 64-33~~ of 62004

the ~~131st~~ 135th general assembly. Upon receiving the request, 62005

**Sec. 3706.05.** The ~~Ohio~~office of air quality development ~~authority~~ may at any time issue revenue bonds and notes of the state in such principal amount as, in the opinion of the ~~authority~~office, are necessary for the purpose of paying any part of the cost of one or more air quality projects or parts thereof, including one or more payments pursuant to a commodity 62835

construction of air quality facilities. The ~~authority office~~ may 62842  
at any time issue renewal notes, issue bonds to pay such notes 62843

whether such parties have notice thereof. Neither the ~~resolution~~ 62865  
determination nor any trust agreement by which a pledge is 62866  
created need be filed or recorded except in the records of the 62867  
~~authority office~~. 62868

Whether or not the bonds or notes are of such form and 62869

notes for registration. 62873

The bonds and notes shall be authorized by ~~resolution a~~ 62874  
~~determination~~ of the ~~authority~~director of environmental 62875  
~~protection~~, shall bear such date or dates, and shall mature at 62876  
such time or times, in the case of any such note or any renewals 62877  
thereof not exceeding five years from the date of issue of such 62878  
original note and in the case of any such bond not exceeding 62879  
forty years from the date of issue, as such ~~resolution or~~ 62880  
~~resolutions~~ ~~determination or determinations~~ may provide. The 62881  
bonds and notes shall bear interest at such rate or rates, be in 62882  
such denominations, be in such form, either coupon or 62883  
registered, carry such registration privileges, be payable in 62884  
such medium of payment, at such place or places, and be subject 62885  
to such terms of redemption as the ~~authority~~office may 62886

~~officer~~ executive director of the office or director had 62908  
remained in office until such delivery, and in case the seal of 62909  
the ~~authority~~ agency has been changed after a facsimile has been 62910  
imprinted on such bonds or notes, such facsimile seal will 62911  
continue to be sufficient for all purposes. 62912

determinations by the director authorizing any bonds or notes or 62914  
any issue thereof may contain provisions, subject to such 62915  
agreements with bondholders or noteholders as may then exist, 62916  
which provisions shall be a part of the contract with the 62917  
holders thereof, as to: the pledging of all or any part of the 62918

bonds or notes or of any issue thereof; the use and disposition 62920  
of revenues of the ~~authority~~ office; a covenant to fix, alter, 62921  
and collect rentals and other charges so that pledged revenues 62922  
will be sufficient to pay costs of operation, maintenance, and 62923  
repairs, pay principal of and interest on bonds or notes secured 62924  
by the pledge of such revenues, and provide such reserves as may 62925  
be required by the applicable ~~resolution~~ determination or trust 62926

for in the ~~resolution~~ determination authorizing the issuance of 62931  
the bonds or notes; the use, lease, sale, or other disposition 62932  
of any air quality project or any other assets of the 62933

~~authority~~office; limitations on the purpose to which the 62934

authorization, issuance, and sale of such bonds in such amounts 62940  
as may be necessary for the timely retirement of such notes; 62941  
limitations on the issuance of additional bonds or notes; the 62942  
terms upon which additional bonds or notes may be issued and 62943

procedure, if any, by which the terms of any contract with 62945  
bondholders or noteholders may be amended or abrogated, the 62946  
amount of bonds or notes the holders of which must consent 62947  
thereto, and the manner in which such consent may be given; 62948  
limitations on the amount of moneys to be expended by the 62949  
~~authority~~office for operating, administrative, or other 62950

a trust agreement in accordance with section 3706.07 of the 62952  
Revised Code; any other matters, of like or different character, 62953  
that in any way affect the security or protection of the bonds 62954  
or notes. 62955

Neither the ~~members~~head of the office, employees of the 62956  
~~authority~~office, the director or employees of the agency, nor 62957  
any person executing the bonds or notes shall be liable 62958

(2) The municipal corporation or township may levy a 62969  
special assessment under section 503.59 or 727.01 of the Revised 62970

(3) The municipal corporation or township shall pledge 62973  
special assessments levied under division (A) (2) of this section 62974

energy improvement projects, the municipal corporation or 62981  
township shall provide notice to the special improvement 62982  
district of the following: 62983

(1) The agreement entered into under division (A) of this 62984  
section; 62985

(2) The air quality facility for which property is to be 62986

**Sec. 3706.07.** In the discretion of the ~~Ohio~~ office of air 62988  
quality development-~~authority~~, any air quality revenue bonds or 62989  
notes or air quality revenue refunding bonds issued under 62990  
Chapter 3706. of the Revised Code, may be secured by a trust 62991  
agreement between the ~~authority-office~~ and a corporate trustee, 62992  
which trustee may be any trust company or bank having the powers 62993

of a trust company within or without the state. 62994

Any such trust agreement may pledge or assign revenues of 62995  
the ~~authority office~~ to be received, but shall not convey or 62996  
mortgage any air quality project or any part thereof. Any such 62997  
trust agreement or any ~~resolution determination of the director~~  
of environmental protection providing for the issuance of such 62998  
bonds or notes may contain such provisions for protecting and 62999  
enforcing the rights and remedies of the bondholders or 63000  
noteholders as are reasonable and proper and not in violation of 63001  
law, including covenants setting forth the duties of the 63002  
~~authority office~~ in relation to the acquisition of property, the 63003  
construction, improvement, maintenance, repair, operation, and 63004

with which such bonds or notes are authorized, the rentals or 63006  
other charges to be imposed for the use or services of any air 63007  
quality project, the application of revenues received or 63008  
otherwise derived from a commodity contract or from the sale of 63009  
the related commodity under such contract, the custody, 63010  
safeguarding, and application of all moneys, and provisions for 63011

projects. Any bank or trust company incorporated under the laws 63014  
of this state that may act as depository of the proceeds of 63015  
bonds or notes or of revenues may furnish such indemnifying 63016  
bonds or may pledge such securities as are required by the 63017  
~~authority office~~. Any such trust agreement may set forth the 63018

the trustee, and may restrict the individual right of action by 63020  
bondholders and noteholders as is customary in trust agreements 63021  
or trust indentures securing similar bonds. Such trust agreement 63022  
may contain such other provisions as the ~~authority office~~ 63023  
63024

determines reasonable and proper for the security of the 63025  
bondholders or noteholders. All expenses incurred in carrying 63026  
out the provisions of any such trust agreement may be treated as 63027  
a part of the cost of the operation of the air quality project 63028  
or projects. Any such trust agreement or ~~resolution~~ 63029  
determination of the director of environmental protection 63030  
authorizing the issuance of air quality revenue bonds may 63031  
provide the method whereby the general administrative overhead 63032  
expenses of the ~~authority office~~ shall be allocated among the 63033  
several projects acquired or constructed by it as a factor of 63034  
the operation expense of each such project. 63035

**Sec. 3706.08.** Any holder of air quality revenue bonds 63036  
issued under Chapter 3706. of the Revised Code, or any of the 63037  
coupons appertaining thereto, and the trustee under any trust 63038  
agreement, except to the extent the rights given by such chapter 63039  
may be restricted by the applicable ~~resolution~~ determination or 63040  
such trust agreement, may by suit, action, mandamus, or other 63041  
proceedings, protect and enforce any rights under the laws of 63042  
the state or granted under such chapter, trust agreement, or the 63043  
~~resolution~~ determination of the director of environmental 63044  
protection authorizing the issuance of such bonds, and may 63045  
enforce and compel the performance of all duties required by 63046  
such chapter, or by the trust agreement or 63047  
~~resolution~~ determination, to be performed by the ~~Ohio~~ office of 63048  
air quality development ~~authority~~ or ~~any officer thereof~~ the 63049  
executive director of the office or the director of 63050  
environmental protection, including the fixing, charging, and 63051  
collecting of rentals or other charges. 63052

**Sec. 3706.09.** Air quality revenue bonds and notes and air 63053  
quality revenue refunding bonds issued under Chapter 3706. of 63054  
the Revised Code do not constitute a debt, or a pledge of the 63055

faith and credit, of the state or any political subdivision 63056  
thereof, and the holders or owners thereof have no right to have 63057  
taxes levied by the general assembly or taxing authority of any 63058  
political subdivision of the state for the payment of the 63059  
principal thereof or interest thereon, but such bonds and notes 63060  
are payable solely from the revenues and funds pledged for their 63061  
payment as authorized by such chapter, unless the notes are 63062  
issued in anticipation of the issuance of bonds or the bonds are 63063  
refunded by refunding bonds issued under such chapter, which 63064  
bonds or refunding bonds shall be payable solely from revenues 63065  
and funds pledged for their payment as authorized by such 63066  
sections. All such bonds and notes shall contain on the face 63067  
thereof a statement to the effect that the bonds or notes, as to 63068  
both principal and interest, are not debts of the state or any 63069  
political subdivision thereof, but are payable solely from 63070  
revenues and funds pledged for their payment. 63071

All expenses incurred in carrying out Chapter 3706. of the 63072  
Revised Code are payable solely from funds provided under such 63073  
chapter. Such chapter does not authorize the ~~Ohio office of air~~ 63074  
quality development ~~authority~~ to incur indebtedness or liability 63075  
on behalf of or payable by the state or any political 63076  
subdivision thereof. 63077

**Sec. 3706.10.** All moneys, funds, properties, and assets 63078

from the sale of air quality revenue bonds or as revenues, or 63081  
otherwise, shall be held by it in trust for the purposes of 63082  
carrying out its powers and duties, shall be used and reused as 63083  
provided in such chapter, and shall at no time be part of other 63084  
public funds. Such funds, except as otherwise provided in any 63085  
~~resolution~~ determination of the director of environmental 63086

protection authorizing its air quality revenue bonds or in any 63087  
trust agreement securing the same, or except when invested 63088  
pursuant to section 3706.11 of the Revised Code, shall be kept 63089  
in depositories selected by the authority in the manner provided 63090  
in Chapter 135. of the Revised Code, and the deposits shall be 63091  
secured as provided in Chapter 135. of the Revised Code. The 63092  
~~resolution-determination~~ authorizing the issuance of such bonds 63093  
of any issue or the trust agreement securing such bonds shall 63094  
provide that any officer to whom, or any bank or trust company 63095  
to which, such moneys are paid shall act as trustee of such 63096  
moneys and hold and apply them for the purposes hereof, subject 63097  
to such conditions as such chapter and such ~~resolutions-~~ 63098  
determinations or trust agreement provide. 63099

**Sec. 3706.11.** ~~Moneys~~ Money in the funds of the ~~Ohio~~ office 63100  
of air quality development ~~authority~~, except as otherwise 63101  
provided in any ~~resolution-determination~~ of the director of 63102  
environmental protection authorizing the issuance of ~~its~~ the 63103  
office's air quality revenue bonds or in any trust agreement 63104  
securing the same, in excess of current needs, may be invested 63105  
in notes, bonds, or other obligations of the United States of 63106  
America or any agency or instrumentality thereof, or in 63107  
obligations of this state or any political subdivision thereof. 63108  
Income from all such investments of moneys in any fund shall be 63109  
credited to such funds as the ~~authority~~ office determines, 63110  
subject to the provisions of any such ~~resolution-determination~~ 63111  
or trust agreement and such investments may be sold at such 63112  
times as the ~~authority~~ office determines. 63113

**Sec. 3706.12.** The ~~Ohio~~ office of air quality development 63114  
~~authority~~ may charge, alter, and collect rentals or other 63115  
charges for the use or services of any air quality project and 63116  
contract in the manner provided by this section with one or more 63117

persons, one or more governmental agencies, or any combination 63118  
thereof, desiring the use or services of such project, and fix 63119  
the terms, conditions, rentals, or other charges for such use or 63120  
services. Such rentals or other charges shall not be subject to 63121  
supervision or regulation by any other authority, commission, 63122  
board, bureau, or agency of the state and such contract may 63123  
provide for acquisition by such person or governmental agency of 63124  
all or any part of such air quality project for such 63125  
consideration payable over the period of the contract or 63126  
otherwise as the ~~authority office~~ in its sole discretion 63127  
determines to be appropriate, but subject to the provisions of 63128  
any ~~resolution~~ determination of the director of environmental 63129  
protection authorizing the issuance of air quality revenue bonds 63130  
or notes or air quality revenue refunding bonds of the ~~authority~~ 63131  
office or any trust agreement securing the same. Any 63132  
governmental agency that has power to construct, operate, and 63133  
maintain air quality facilities may enter into a contract or 63134  
lease with the ~~authority office~~ whereby the use or services of 63135  
any air quality project of the ~~authority office~~ will be made 63136  
available to such governmental agency and may pay for such use 63137  
or services such rentals or other charges as may be agreed to by 63138  
the ~~authority office~~ and such governmental agency. 63139

Any governmental agency or combination of governmental 63140

which agreements shall provide for such contributions by the 63146  
parties thereto in such proportion as may be agreed upon and 63147  
such other terms as may be mutually satisfactory to the parties 63148

including without limitation the authorization of the 63149  
construction of the project by one of the parties acting as 63150  
agent for all of the parties and the ownership and control of 63151  
the project by the ~~authority~~office to the extent necessary or 63152  
appropriate for purposes of the issuance of air quality revenue 63153  
bonds by the ~~authority~~office. Any governmental agency may 63154  
provide the funds for the payment of such contribution as is 63155  
required under such agreements by the levy of taxes, assessments 63156  
or rentals and other charges for the use of the utility system 63157  
of which the air quality project is a part or to which it is 63158  
connected, if otherwise authorized by the laws governing such 63159  
governmental agency in the construction of the type of air 63160  
quality project provided for in the agreements, and may pay the 63161  
proceeds from the collection of such taxes, assessments, utility 63162  
rentals, or other charges to the ~~authority~~office pursuant to 63163  
such agreements; or the governmental agency may issue bonds or 63164  
notes, if authorized by such laws, in anticipation of the 63165  
collection of such taxes, assessments, utility rentals, or other 63166  
charges and may pay the proceeds of such bonds or notes to the 63167  
~~authority~~office pursuant to such agreements. In addition any 63168  
governmental agency may provide the funds for the payment of 63169  
such contribution by the appropriation of money or, if otherwise 63170  
authorized by law, by the issuance of bonds or notes and may pay 63171  
such appropriated money or the proceeds of such bonds or notes 63172  
to the ~~authority~~office pursuant to such agreements. The 63173  
agreement by the governmental agency to provide such 63174  
contribution, whether from appropriated money or from the 63175  
proceeds of such taxes, assessments, utility rentals, or other 63176  
charges, or such bonds or notes, or any combination thereof, 63177  
shall not be subject to Chapter 133. of the Revised Code or any 63178  
regulations or limitations contained therein. The proceeds from 63179  
the collection of such taxes or assessments, and any interest 63180

earned thereon, shall be paid into a special fund immediately 63181  
upon the collection thereof by the governmental agency for the 63182  
purpose of providing such contribution at the times required 63183

When the contribution of any governmental agency is to be 63185  
made over a period of time from the proceeds of the collection 63186  
of special assessments, the interest accrued and to accrue 63187  
before the first installment of such assessments shall be 63188  
collected which is payable by such governmental agency on such 63189  
contribution under the terms and provisions of such agreements 63190  
shall be treated as part of the cost of the improvement for 63191  
which such assessments are levied, and that portion of such 63192  
assessments as are collected in installments shall bear interest 63193  
at the same rate as such governmental agency is obligated to pay 63194  
on such contribution under the terms and provisions of such 63195  
agreements and for the same period of time as the contribution 63196  
is to be made under such agreements. If the assessment or any 63197  
installment thereof is not paid when due, it shall bear interest 63198  
until the payment thereof at the same rate as such contribution 63199  
and the county auditor shall annually place on the tax list and 63200  
duplicate the interest applicable to such assessment and the 63201  
penalty and additional interest thereon as otherwise authorized 63202  
by law. 63203

Any governmental agency, pursuant to a favorable vote of 63204  
the electors in an election held before or after June 1, 1970, 63205
