(C) The education management information system shall	32408

include cost accounting data for each district as a whole and 32409
for each school building in each school district. The guidelines 32410
adopted under this section shall require the cost data for each 32411
school district to be maintained in a system of mutually 32412
exclusive cost units and shall require all of the costs of each 32413
school district to be divided among the cost units. The 32414
guidelines shall require the system of mutually exclusive cost 32415
units to include at least the following: 32416

(1) Administrative costs for the school district as a 32417
whole. The guidelines shall require the cost units under this 32418
division (C) (1) to be designed so that each of them may be 32419

district as a whole and average expenditure per pupil receiving 32436
the service in each building in the school district and in terms 32437
of a total cost for each category of service and, as a breakdown 32438

of the total cost, a cost for each of the following components:	32439
(a) The cost of each instructional services category	32440
required by guidelines adopted under division (B) (1) (a) of this	32441
section that is provided directly to students by a classroom	32442
teacher;	32443
(b) The cost of the instructional support services, such	32444

(4) Support or extracurricular services costs for each	32455

section. The guidelines shall require the cost units under	32458
division (C) (4) of this section to be designed so that each of	32459
them may be compiled and reported in terms of average	32460
expenditure per pupil receiving the service in the school	32461
district as a whole and average expenditure per pupil receiving	32462
the service in each building in the school district and in terms	32463
of a total cost for each category of service and, as a breakdown	32464
of the total cost, a cost for each of the following components:	32465
(a) The cost of each support or extracurricular services	32466
category required by guidelines adopted under division (B) (1) (b)	32467

(D) (1) The guidelines adopted under this section shall 32482
require school districts to collect information about individual 32483
students, staff members, or both in connection with any data 32484
required by division (B) or (C) of this section or other 32485
reporting requirements established in the Revised Code. The 32486
guidelines may also require school districts to report 32487
information about individual staff members in connection with 32488
any data required by division (B) or (C) of this section or 32489
other reporting requirements established in the Revised Code. 32490
The guidelines shall not authorize school districts to request 32491
social security numbers of individual students. The guidelines 32492
shall prohibit the reporting under this section of a student's 32493
name, address, and social security number to the department. The 32494
guidelines shall also prohibit the reporting under this section 32495
of any personally identifiable information about any student, 32496
except for the purpose of assigning the data verification code 32497

required by division (D) (2) of this section, to any other person 32498
unless such person is employed by the school district or the 32499
information technology center operated under section 3301.075 of 32500
the Revised Code and is authorized by the district or technology 32501
center to have access to such information or is employed by an 32502
entity with which the department contracts for the scoring or 32503
the development of state assessments. The guidelines may require 32504
school districts to provide the social security numbers of 32505
individual staff members and the county of residence for a 32506
student. Nothing in this section prohibits the department from 32507
providing a student's county of residence to the department of 32508
taxation to facilitate the distribution of tax revenue. 32509

(2) (a) The guidelines shall provide for each school 32510
district or community school to assign a data verification code 32511
that is unique on a statewide basis over time to each student 32512
whose initial Ohio enrollment is in that district or school and 32513
to report all required individual student data for that student 32514
utilizing such code. The guidelines shall also provide for 32515
assigning data verification codes to all students enrolled in 32516
districts or community schools on the effective date of the 32517
guidelines established under this section. The assignment of 32518
data verification codes for other entities, as described in 32519
division (D) (2) (d) of this section, the use of those codes, and 32520
the reporting and use of associated individual student data 32521
shall be coordinated by the department of education and 32522
workforce in accordance with state and federal law. 32523

School districts shall report individual student data to 32524
the department through the information technology centers 32525
utilizing the code. The entities described in division (D) (2) (d) 32526
of this section shall report individual student data to the 32527
department in the manner prescribed by the department. 32528

(b) (i) Except as provided in sections 3301.941, 3310.11, 32529
3310.42, 3310.63, 3313.978, 3317.20, and 5747.057 of the Revised 32530
Code, and in division (D) (2) (b) (ii) of this section, at no time 32531
shall the department have access to information that would 32532
enable any data verification code to be matched to personally 32533
identifiable student data. 32534

(ii) For the purpose of making per-pupil payments to 32535
community schools under section 3317.022 of the Revised Code, 32536
the department shall have access to information that would 32537
enable any data verification code to be matched to personally 32538
identifiable student data. 32539

(c) Each school district and community school shall ensure 32540
that the data verification code is included in the student's 32541
records reported to any subsequent school district, community 32542
school, or state institution of higher education, as defined in 32543
section 3345.011 of the Revised Code, in which the student 32544
enrolls. Any such subsequent district or school shall utilize 32545
the same identifier in its reporting of data under this section. 32546

(d) (i) The director of any state agency that administers a 32547
publicly funded program providing services to children who are 32548
younger than compulsory school age, as defined in section 32549
3321.01 of the Revised Code, including the directors of health, 32550
job and family services, mental health and addiction services, 32551
children and youth, and developmental disabilities, shall 32552
request and receive, pursuant to sections 3301.0723 and 5180.33 32553

(ii) The director of developmental disabilities, director 32556
of health, director of job and family services, director of 32557
children and youth, director of mental health and addiction 32558

services, medicaid director, executive director of the 32559
commission on minority health, executive director of the 32560
opportunities for Ohioans with disabilities agency, or director 32561
of education and workforce, on behalf of a program that receives 32562
public funds and provides services to children who are younger 32563
than compulsory school age, may request and receive, pursuant to 32564
section 3301.0723 of the Revised Code, a data verification code 32565
for a child who is receiving services from the program. 32566

(E) The guidelines adopted under this section may require 32567
school districts to collect and report data, information, or 32568
reports other than that described in divisions (A), (B), and (C) 32569
of this section for the purpose of complying with other 32570
reporting requirements established in the Revised Code. The 32571
other data, information, or reports may be maintained in the 32572
education management information system but are not required to 32573
be compiled as part of the profile formats required under 32574
division (G) of this section or the annual statewide report 32575
required under division (H) of this section. 32576

(F) The board of education of each school district shall 32577
annually collect and report to the department, in accordance 32578
with the guidelines established by the department, the data 32579
required pursuant to this section. A school district may collect 32580
and report these data notwithstanding section 2151.357 or 32581
3319.321 of the Revised Code. 32582

(G) The department shall, in accordance with the 32583
procedures it adopts, annually compile the data reported by each 32584
school district pursuant to division (D) of this section. The 32585
department shall design formats for profiling each school 32586
district as a whole and each school building within each 32587
district and shall compile the data in accordance with these 32588

formats. These profile formats shall: 32589

(1) Include all of the data gathered under this section in 32590
a manner that facilitates comparison among school districts and 32591
among school buildings within each school district; 32592

(2) Present the data on academic achievement levels as 32593
assessed by the testing of student achievement maintained 32594
pursuant to division (B) (1) (d) of this section. 32595

(H) (1) The department shall, in accordance with the 32596
procedures it adopts, annually prepare a statewide report for 32597
all school districts and the general public that includes the 32598
profile of each of the school districts developed pursuant to 32599
division (G) of this section. Copies of the report shall be sent 32600
to each school district. 32601

(2) The department shall, in accordance with the 32602
procedures it adopts, annually prepare an individual report for 32603
each school district and the general public that includes the 32604
profiles of each of the school buildings in that school district 32605
developed pursuant to division (G) of this section. 32606

(I) Any data that is collected or maintained pursuant to 32607
this section and that identifies an individual pupil is not a 32608
public record for the purposes of section 149.43 of the Revised 32609
Code. 32610

(J) As used in this section: 32611

(1) "School district" means any city, local, exempted 32612
village, or joint vocational school district and, in accordance 32613
with section 3314.17 of the Revised Code, any community school. 32614
As used in division (L) of this section, "school district" also 32615
includes any educational service center or other educational 32616
entity required to submit data using the system established 32617

under this section. 32618

(2) "Cost" means any expenditure for operating expenses 32619
made by a school district excluding any expenditures for debt 32620
retirement except for payments made to any commercial lending 32621
institution for any loan approved pursuant to section 3313.483 32622
of the Revised Code. 32623

(K) Any person who removes data from the information 32624
system established under this section for the purpose of 32625
releasing it to any person not entitled under law to have access 32626
to such information is subject to section 2913.42 of the Revised 32627
Code prohibiting tampering with data. 32628

(L) (1) In accordance with division (L) (2) of this section 32629
and the rules adopted under division (L) (10) of this section, 32630
the department may sanction any school district that reports 32631
incomplete or inaccurate data, reports data that does not 32632
conform to data requirements and descriptions published by the 32633
department, fails to report data in a timely manner, or 32634
otherwise does not make a good faith effort to report data as 32635
required by this section. 32636

(2) If the department decides to sanction a school 32637
district under this division, the department shall take the 32638
following sequential actions: 32639

(a) Notify the district in writing that the department has 32640
determined that data has not been reported as required under 32641
this section and require the district to review its data 32642
submission and submit corrected data by a deadline established 32643
by the department. The department also may require the district 32644
to develop a corrective action plan, which shall include 32645
provisions for the district to provide mandatory staff training 32646

on data reporting procedures. 32647

(b) Withhold up to ten per cent of the total amount of 32648
state funds due to the district for the current fiscal year and, 32649
if not previously required under division (L) (2) (a) of this 32650
section, require the district to develop a corrective action 32651
plan in accordance with that division; 32652

(c) Withhold an additional amount of up to twenty per cent 32653
of the total amount of state funds due to the district for the 32654
current fiscal year; 32655

(d) Direct department staff or an outside entity to 32656
investigate the district's data reporting practices and make 32657
recommendations for subsequent actions. The recommendations may 32658
include one or more of the following actions: 32659

(i) Arrange for an audit of the district's data reporting 32660
practices by department staff or an outside entity; 32661

(ii) Conduct a site visit and evaluation of the district; 32662

(iii) Withhold an additional amount of up to thirty per 32663
cent of the total amount of state funds due to the district for 32664
the current fiscal year; 32665

(iv) Continue monitoring the district's data reporting; 32666

(v) Assign department staff to supervise the district's 32667
data management system; 32668

(vi) Conduct an investigation to determine whether to 32669
suspend or revoke the license of any district employee in 32670
accordance with division (N) of this section; 32671

(vii) If the district is issued a report card under 32672
section 3302.03 of the Revised Code, indicate on the report card 32673

that the district has been sanctioned for failing to report data 32674
as required by this section; 32675

(viii) If the district is issued a report card under 32676
section 3302.03 of the Revised Code and incomplete or inaccurate 32677
data submitted by the district likely caused the district to 32678
receive a higher performance rating than it deserved under that 32679
section, issue a revised report card for the district; 32680

(ix) Any other action designed to correct the district's 32681
data reporting problems. 32682

(3) Any time the department takes an action against a 32683
school district under division (L) (2) of this section, the 32684
department shall make a report of the circumstances that 32685
prompted the action. The department shall send a copy of the 32686
report to the district superintendent or chief administrator and 32687
maintain a copy of the report in its files. 32688

(4) If any action taken under division (L) (2) of this 32689
section resolves a school district's data reporting problems to 32690
the department's satisfaction, the department shall not take any 32691
further actions described by that division. If the department 32692
withheld funds from the district under that division, the 32693
department may release those funds to the district, except that 32694
if the department withheld funding under division (L) (2) (c) of 32695
this section, the department shall not release the funds 32696
withheld under division (L) (2) (b) of this section and, if the 32697
department withheld funding under division (L) (2) (d) of this 32698
section, the department shall not release the funds withheld 32699
under division (L) (2) (b) or (c) of this section. 32700

(5) Notwithstanding anything in this section to the 32701
contrary, the department may use its own staff or an outside 32702

entity to conduct an audit of a school district's data reporting 32703
practices any time the department has reason to believe the 32704
district has not made a good faith effort to report data as 32705
required by this section. If any audit conducted by an outside 32706
entity under division (L) (2) (d) (i) or (5) of this section 32707
confirms that a district has not made a good faith effort to 32708
report data as required by this section, the district shall 32709
reimburse the department for the full cost of the audit. The 32710
department may withhold state funds due to the district for this 32711
purpose. 32712

(6) Prior to issuing a revised report card for a school 32713
district under division (L) (2) (d) (viii) of this section, the 32714
department may hold a hearing to provide the district with an 32715
opportunity to demonstrate that it made a good faith effort to 32716
report data as required by this section. The hearing shall be 32717
conducted by a referee appointed by the department. Based on the 32718
information provided in the hearing, the referee shall recommend 32719
whether the department should issue a revised report card for 32720
the district. If the referee affirms the department's contention 32721
that the district did not make a good faith effort to report 32722
data as required by this section, the district shall bear the 32723
full cost of conducting the hearing and of issuing any revised 32724
report card. 32725

(7) If the department determines that any inaccurate data 32726
reported under this section caused a school district to receive 32727
excess state funds in any fiscal year, the district shall 32728
reimburse the department an amount equal to the excess funds, in 32729
accordance with a payment schedule determined by the department. 32730
The department may withhold state funds due to the district for 32731
this purpose. 32732

(8) Any school district that has funds withheld under 32733
division (L) (2) of this section may appeal the withholding in 32734
accordance with Chapter 119. of the Revised Code. 32735

(9) In all cases of a disagreement between the department 32736
and a school district regarding the appropriateness of an action 32737
taken under division (L) (2) of this section, the burden of proof 32738
shall be on the district to demonstrate that it made a good 32739
faith effort to report data as required by this section. 32740

(10) The director of education and workforce shall adopt 32741
rules under Chapter 119. of the Revised Code to implement 32742
division (L) of this section. 32743

(M) No information technology center or school district 32744
shall acquire, change, or update its student administration 32745
software package to manage and report data required to be 32746
reported to the department unless it converts to a student 32747
software package that is certified by the department. 32748

(N) The state board of education, in accordance with 32749
sections 3319.31 and 3319.311 of the Revised Code, may suspend 32750
or revoke a license as defined under division (A) of section 32751
3319.31 of the Revised Code that has been issued to any school 32752
district employee found to have willfully reported erroneous, 32753
inaccurate, or incomplete data to the education management 32754
information system. 32755

(O) No person shall release or maintain any information 32756
about any student in violation of this section. Whoever violates 32757
this division is guilty of a misdemeanor of the fourth degree. 32758

~~(P) The department shall disaggregate the data collected 32759
under division (B) (1) (n) of this section according to the race 32760
and socioeconomic status of the students assessed. 32761~~

~~(Q)~~ If the department cannot compile any of the information required by division (I) of section 3302.03 of the Revised Code based upon the data collected under this section, the department shall develop a plan and a reasonable timeline for the collection of any data necessary to comply with that division.

Sec. 3301.0715. ~~(A) Except as required under division (B) (1) of section 3313.608 or as specified in division (D) (3) of section 3301.079 of the Revised Code, the~~ (A) (1) The board of education of each city, local, and exempted village school district shall administer each applicable diagnostic assessment developed and provided to the district in accordance with section 3301.079 of the Revised Code to the following:

If the district or school into which the student transfers cannot determine whether the student has taken any applicable diagnostic assessment in the current school year, the district or school may administer the diagnostic assessment to the student. However, if a student transfers into the district prior to the administration of the diagnostic assessments to all students under division (B) of this section, the district may administer the diagnostic assessments to that student on the date or dates determined under that division.

in the appropriate grade level. The board shall administer a 32814
diagnostic assessment to a student with a significant cognitive 32815
disability in accordance with guidelines adopted by the 32816
department of education and workforce. A district board may 32817
administer any diagnostic assessment in the fall and spring of a 32818
school year to measure the amount of academic growth 32819
attributable to the instruction received by students during that 32820
school year. 32821

~~(C) A district may use different diagnostic assessments from those adopted under division (D) of section 3301.079 of the Revised Code in order to satisfy the requirements of division (A) (3) of this section if the district meets either of the following conditions for the immediately preceding school year:~~ 32822

by the department under section 3302.03 of the Revised Code and 33655
the percentage of applicable performance indicators that have 33656
been achieved. In adopting benchmarks for assigning letter 33657
grades under division (C) (1) (c) of this section, the department 33658
shall designate ninety per cent or higher for an "A." 33659

(d) The four- and five-year adjusted cohort graduation 33660
rates; 33661

(e) The overall score under the value-added progress 33662
dimension, or another measure of student academic progress if 33663
adopted by the department, of a school district or building, for 33664
which the department shall use up to three years of value-added 33665
data as available. 33666

In adopting benchmarks for assigning letter grades for 33667
overall score on value-added progress dimension under division 33668
(C) (1) (e) of this section, the department shall prohibit the 33669
assigning of a grade of "A" for that measure unless the 33670
district's or building's grade assigned for value-added progress 33671
dimension for all subgroups under division (C) (1) (f) of this 33672

section is a "C" or higher. 33673

For the metric prescribed by division (C) (1) (e) of this 33674
section, the department may adopt a student academic progress 33675
measure to be used instead of the value-added progress 33676
dimension. If the department adopts such a measure, it also 33677
shall prescribe a method for assigning letter grades for the new 33678
measure that is comparable to the method prescribed in division 33679
(A) (1) (e) of this section. 33680

(f) The value-added progress dimension score of a school 33681
district or building disaggregated for each of the following 33682
subgroups: students identified as gifted in superior cognitive 33683
ability and specific academic ability fields under Chapter 3324. 33684
of the Revised Code, students with disabilities, and students 33685
whose performance places them in the lowest quintile for 33686
achievement on a statewide basis, as determined by a method 33687
prescribed by the department. Each subgroup shall be a separate 33688
graded measure. 33689

The department may adopt student academic progress 33690
measures to be used instead of the value-added progress 33691
dimension. If the department adopts such measures, it also shall 33692
prescribe a method for assigning letter grades for the new 33693
measures that is comparable to the method prescribed in division 33694
(A) (1) (e) of this section. 33695

(g) Whether a school district or building is making 33696
progress in improving literacy in grades kindergarten through 33697
three, as determined using a method prescribed by the 33698
department. The department shall adopt rules to prescribe 33699
benchmarks and standards for assigning grades to a district or 33700
building for purposes of division (C) (1) (g) of this section. The 33701
department shall designate for a "C" grade a value that is not 33702

lower than the statewide average value for this measure. No 33703
grade shall be issued under division (C) (1) (g) of this section 33704
for a district or building in which less than five per cent of 33705
students have scored below grade level on the kindergarten 33706
diagnostic assessment under division (B) (1) of section 3313.608 33707
of the Revised Code. 33708

(h) For a high mobility school district or building, an 33709
additional value-added progress dimension score. For this 33710
measure, the department shall use value-added data from the most 33711
recent school year available and shall use assessment scores for 33712
only those students to whom the district or building has 33713
administered the assessments prescribed by section 3301.0710 of 33714
the Revised Code for each of the two most recent consecutive 33715
school years. 33716

As used in this division, "high mobility school district 33717
or building" means a school district or building where at least 33718
twenty-five per cent of its total enrollment is made up of 33719
students who have attended that school district or building for 33720
less than one year. 33721

(2) In addition to the graded measures in division (C) (1) 33722
of this section, the department shall include on a school 33723
district's or building's report card all of the following 33724
without an assigned letter grade: 33725

(a) The percentage of students enrolled in a district or 33726
building who have taken a national standardized test used for 33727
college admission determinations and the percentage of those 33728
students who are determined to be remediation-free in accordance 33729
with the standards adopted under division (F) of section 33730
3345.061 of the Revised Code; 33731

(b) The percentage of students enrolled in a district or building participating in advanced placement classes and the percentage of those students who received a score of three or better on advanced placement examinations;	33732 33733 33734 33735
(c) The percentage of a district's or building's students who have earned at least three college credits through advanced standing programs, such as the college credit plus program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's college transcript issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B) (2) (b) and (C) (2) (c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree.	33736 33737 33738 33739 33740 33741 33742 33743 33744 33745 33746 33747
(d) The percentage of the district's or building's students who receive an honor's diploma under division (B) of section 3313.61 of the Revised Code;	33748 33749 33750
(e) The percentage of the district's or building's students who receive industry-recognized credentials as approved under section 3313.6113 of the Revised Code;	33751 33752 33753

(g) The results of the college and career-ready assessments administered under division (B) (1) of section	33759 33760

implemented a positive behavior intervention and supports 33763
framework in compliance with the requirements of section 3319.46 33764
of the Revised Code, notated as a "yes" or "no" answer. 33765

(3) The department shall adopt rules pursuant to Chapter 33766
119. of the Revised Code that establish a method to assign an 33767
overall grade for a school district or school building for the 33768
2017-2018 school year and each school year thereafter. The rules 33769
shall group the performance measures in divisions (C) (1) and (2) 33770
of this section into the following components: 33771

(a) Gap closing, which shall include the performance 33772
measure in division (C) (1) (a) of this section; 33773

(b) Achievement, which shall include the performance 33774
measures in divisions (C) (1) (b) and (c) of this section; 33775

(c) Progress, which shall include the performance measures 33776
in divisions (C) (1) (e) and (f) of this section; 33777

(d) Graduation, which shall include the performance 33778
measure in division (C) (1) (d) of this section; 33779

(e) Kindergarten through third-grade literacy, which shall 33780
include the performance measure in division (C) (1) (g) of this 33781
section; 33782

(f) Prepared for success, which shall include the 33783
performance measures in divisions (C) (2) (a), (b), (c), (d), (e), 33784
and (f) of this section. The department shall develop a method 33785
to determine a grade for the component in division (C) (3) (f) of 33786
this section using the performance measures in divisions (C) (2) 33787
(a), (b), (c), (d), (e), and (f) of this section. When 33788

available, the department may incorporate the performance 33789
measure under division (C) (2) (g) of this section into the 33790
component under division (C) (3) (f) of this section. When 33791
determining the overall grade for the prepared for success 33792
component prescribed by division (C) (3) (f) of this section, no 33793
individual student shall be counted in more than one performance 33794
measure. However, if a student qualifies for more than one 33795
performance measure in the component, the department may, in its 33796
method to determine a grade for the component, specify an 33797
additional weight for such a student that is not greater than or 33798
equal to 1.0. In determining the overall score under division 33799
(C) (3) (f) of this section, the department shall ensure that the 33800
pool of students included in the performance measures aggregated 33801
under that division are all of the students included in the 33802
four- and five-year adjusted graduation cohort. 33803

In the rules adopted under division (C) (3) of this 33804
section, the department shall adopt a method for determining a 33805
grade for each component in divisions (C) (3) (a) to (f) of this 33806
section. The department also shall establish a method to assign 33807
an overall grade of "A," "B," "C," "D," or "F" using the grades 33808
assigned for each component. The method the department adopts 33809
for assigning an overall grade shall give equal weight to the 33810
components in divisions (C) (3) (b) and (c) of this section. 33811

At least forty-five days prior to the department's 33812
adoption of rules to prescribe the methods for calculating the 33813
overall grade for the report card, as required by this division, 33814
the department shall conduct a public presentation before the 33815
standing committees of the house of representatives and the 33816
senate that consider education legislation describing the format 33817
for the report card, weights that will be assigned to the 33818
components of the overall grade, and the method for calculating 33819

the overall grade. 33820

(D) For the 2021-2022 school year and each school year 33821
thereafter, all of the following apply: 33822

(1) The department shall include on a school district's or 33823
building's report card all of the following performance measures 33824
without an assigned performance rating: 33825

(a) Whether the district or building meets the gifted 33826
performance indicator under division (A) (2) of section 3302.02 33827
of the Revised Code and the extent to which the district or 33828
building meets gifted indicator performance benchmarks; 33829

(b) The extent to which the district or building meets the 33830
chronic absenteeism indicator under division (A) (3) of section 33831
3302.02 of the Revised Code; 33832

(c) Performance index score percentage for a district or 33833
building, which shall be calculated by dividing the district's 33834
or building's performance index score according to the 33835
performance index system created by the department by the 33836
maximum performance index score for a district or building. The 33837
maximum performance index score shall be as follows: 33838

(i) For a building, the average of the highest two per 33839
cent of performance index scores achieved by a building for the 33840
school year for which a report card is issued; 33841

(ii) For a district, the average of the highest two per 33842
cent of performance index scores achieved by a district for the 33843
school year for which a report card is issued. 33844

(d) The overall score under the value-added progress 33845
dimension of a district or building, for which the department 33846
shall use three consecutive years of value-added data. In using 33847

three years of value-added data to calculate the measure 33848
prescribed under division (D) (1) (d) of this section, the 33849
department shall assign a weight of fifty per cent to the most 33850
recent year's data and a weight of twenty-five per cent to the 33851
data of each of the other years. However, if three consecutive 33852
years of value-added data is not available, the department shall 33853
use prior years of value-added data to calculate the measure, as 33854
follows: 33855

(i) If two consecutive years of value-added data is not 33856
available, the department shall use one year of value-added data 33857
to calculate the measure. 33858

(ii) If two consecutive years of value-added data is 33859
available, the department shall use two consecutive years of 33860
value-added data to calculate the measure. In using two years of 33861
value-added data to calculate the measure, the department shall 33862
assign a weight of sixty-seven per cent to the most recent 33863
year's data and a weight of thirty-three per cent to the data of 33864
the other year. 33865

(e) The four-year adjusted cohort graduation rate. 33866

(f) The five-year adjusted cohort graduation rate. 33867

(g) The percentage of students in the district or building 33868

third grade English language arts assessment under section 33870
3301.0710 of the Revised Code. 33871

To the extent possible, the department shall include the 33872
results of the summer administration of the third grade reading 33873
assessment under section 3301.0710 of the Revised Code in the 33874
performance measures prescribed under divisions (D) (1) (g) and 33875
(h) of this section. 33876

(h) Whether a district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the department. The method shall determine progress made based on the reduction in the total percentage of students scoring below grade level, or below proficient, compared from year to year on the reading segments of the diagnostic assessments administered under division (A) (1) of section 3301.0715 of the Revised Code, ~~including the kindergarten readiness assessment,~~ and the third grade English language arts assessment under section 3301.0710 of the Revised Code, as applicable. The method shall not include a deduction for students who did not pass the third grade English language arts assessment under section 3301.0710 of the Revised Code and were not on a reading improvement and monitoring plan.

The performance measure prescribed under division (D) (1) (h) of this section shall not be included on the report card of a district or building in which less than ten per cent of students have scored below grade level on the diagnostic assessment administered to students in kindergarten under division (B) (1) of section 3313.608 of the Revised Code.

~~(i) The percentage of students in a district or building who are promoted to the fourth grade and not subject to retention under division (A) (2) of section 3313.608 of the Revised Code;~~

~~(j)~~ A post-secondary readiness measure. This measure shall be calculated by dividing the number of students included in the four-year adjusted graduation rate cohort who demonstrate post-secondary readiness by the total number of students included in the denominator of the four-year adjusted graduation rate

cohort. Demonstration of post-secondary readiness shall include 33907
a student doing any of the following: 33908

(i) Attaining a remediation-free score, in accordance with 33909
standards adopted under division (F) of section 3345.061 of the 33910

baccalaureate examination shall be a four or better. A student 33917
may satisfy this condition with any combination of advanced 33918
placement or international baccalaureate examinations. 33919

completion of a degree, but shall not include any remedial or 33931
developmental credits. 33932

(iv) Meeting the additional criteria for an honors diploma 33933
under division (B) of section 3313.61 of the Revised Code; 33934

The department shall include only opportunity measures at the building level for which data for buildings is available, as determined by a school district.	34103 34104 34105

~~(j)~~(i) (i) The percentage of students included in the 34106
four- and five-year adjusted cohort graduation rates of the 34107
district or building who completed all of grades nine through 34108

(ii) The four-year adjusted cohort graduation rate for 34110
only those students who were continuously enrolled in the same 34111
district or building for grades nine through twelve. 34112

~~(k)~~(j) Whether the district or building provides 34113
information about and promotes the college credit plus program 34114
established under Chapter 3365. of the Revised Code to students 34115

(3) Except as provided in division (D) (3) (f) of this 34125
section, the department shall use the method prescribed under 34126
rules adopted under division (D) (4) of this section to assign 34127
performance ratings of "one star," "two stars," "three stars," 34128
"four stars," or "five stars," as described in division (F) of 34129
this section, for a district or building for the individual 34130
components prescribed under division (D) (3) of this section. The 34131
department also shall assign an overall performance rating for a 34132
district or building in accordance with division (D) (3) (g) of 34133
this section. The method shall use the performance measures 34134

prescribed under division (D) (1) of this section to calculate 34135
performance ratings for components. The method may report data 34136
under division (D) (2) of this section with corresponding 34137
components, but shall not use the data to calculate performance 34138
ratings for that component. The performance measures and 34139
reported data shall be grouped together into components as 34140
follows: 34141

(a) Gap closing. In addition to other criteria determined 34142
appropriate by the department, performance ratings for the gap 34143
closing component shall reflect whether each of the following 34144
performance measures are met or not met: 34145

(v) The subgroup achievement targets in both mathematics 34153
and English language arts; 34154

(vi) The subgroup progress targets in both mathematics and 34155
English language arts. 34156

Achievement and progress targets under division (D) (3) (a) 34157
of this section shall be calculated individually, and districts 34158
and buildings shall receive a status of met or not met on each 34159
measure. The department shall not require a subgroup of a 34160
district or building to meet both the achievement and progress 34161
targets at the same time to receive a status of met. 34162

The department shall not include any subgroup data in this measure that includes data from fewer than fifteen students. Any penalty for failing to meet the required assessment participation rate must be partially in proportion to how close the district or building was to meeting the rate requirement.

(b) Achievement, which shall include the performance measure in division (D) (1) (c) of this section and the reported data in division (D) (2) (a) of this section. Performance ratings for the achievement component shall be awarded as a percentage of the maximum performance index score described in division (D) (1) (c) of this section.

(c) Progress, which shall include the performance measure in division (D) (1) (d) of this section and the reported data in divisions (D) (2) (b) and (c) of this section;

(d) Graduation, which shall include the performance measures in divisions (D) (1) (e) and (f) of this section and the reported data in divisions (D) (2) (d) and ~~(j)~~(i) of this section. The four-year adjusted cohort graduation rate shall be assigned a weight of sixty per cent and the five-year adjusted cohort graduation rate shall be assigned a weight of forty per cent.

(e) Early literacy, which shall include the performance measures in divisions (D) (1) (g), and (h), ~~and (i)~~ of this section and the reported data in ~~divisions (D) (2) (e) and~~ ~~(l)~~division (D) (2) (k) of this section.

~~If the measure prescribed under division (D) (1) (h) of this section is included in a report card, performance ratings for the early literacy component shall give a weight of forty per cent to the measure prescribed under division (D) (1) (g) of this section, a weight of thirty-five per cent to the measure~~

~~prescribed under division (D) (1) (i) of this section, and a weight of twenty-five per cent to the measure prescribed under division (D) (1) (h) of this section.~~

~~If the measure prescribed under division (D) (1) (h) of this section is not included in a report card of a district or building, performance ratings for the early literacy component shall give a weight of sixty per cent to the measure prescribed under division (D) (1) (g) of this section and a weight of forty per cent to the measure prescribed under division (D) (1) (i) of this section.~~
Performance ratings for the early literacy component shall give a weight of fifty per cent to each measure. However, if either measure is not included in a report card of a district or building, performance ratings for the early literacy component shall be prescribed by rule of the department.

(f) College, career, workforce, and military readiness, which shall include the performance measure in division ~~(D) (1) (j)~~ (D) (1) (i) of this section and the reported data in division ~~(D) (2) (f)~~ (D) (2) (g) of this section.

For the 2021-2022, 2022-2023, ~~and 2023-2024,~~ and 2024-2025 school years, the department only shall report the data for, and not assign a performance rating to, the college, career, workforce, and military readiness component. The reported data shall include the percentage of students who demonstrate post-secondary readiness using any of the options described in division ~~(D) (1) (j)~~ (D) (1) (i) of this section.

~~The department shall analyze the data included in the performance measure prescribed in division (D) (1) (j) of this section for the 2021-2022, 2022-2023, and 2023-2024 school years. Using that data, the department shall develop and propose rules for a method to assign a performance rating to the~~

~~college, career, workforce, and military readiness component~~ 34222
~~based on that measure. The method to assign a performance rating~~ 34223
~~shall not include a tiered structure or per student bonuses. The~~ 34224
~~rules shall specify that a A district or building shall not~~ 34225
~~receive lower than a performance rating of three stars for the~~ 34226
~~component if the district's or building's performance on the~~ 34227
~~component meets or exceeds a level of improvement set by the~~ 34228
~~department. Notwithstanding division (D) (4) (b) of this section,~~ 34229
~~more than half of the total districts and buildings may earn a~~ 34230
~~performance rating of three stars on this component to account~~ 34231
~~for the districts and buildings that earned a performance rating~~ 34232
~~of three stars because they met or exceeded the level of~~ 34233
~~improvement set by the department.~~ 34234

~~The department shall submit the rules to the joint~~ 34235
~~committee on agency rule review. The committee shall conduct at~~ 34236
~~least one public hearing on the proposed rules and approve or~~ 34237
~~disapprove the rules. If the committee approves the rules, the~~ 34238
~~department shall adopt the rules in accordance with Chapter 119.~~ 34239
~~of the Revised Code. If the rules are adopted, the The~~ 34240
~~department shall assign a performance rating to the college,~~ 34241
~~career, workforce, and military readiness component under the~~ 34242
~~rules beginning with the 2024-2025-2025-2026 school year, and~~ 34243
~~for each school year thereafter. If the committee disapproves~~ 34244
~~the rules, the component shall be included in the report card~~ 34245
~~only as reported data for the 2024-2025 school year, and each~~ 34246
~~school year thereafter.~~ 34247

~~(g) (i) Except as provided for in division (D) (3) (g) (ii) of~~ 34248
~~this section, beginning with For the 2022-2023 school year~~ 34249
~~through the 2024-2025 school year, under the method prescribed~~ 34250
~~under rules adopted in division (D) (4) of this section, the~~ 34251
~~department shall use the performance ratings assigned for the~~ 34252

components prescribed in divisions (D) (3) (a) to (e) of this 34253
section to determine and assign an overall performance rating of 34254
"one star," "one and one-half stars," "two stars," "two and one- 34255
half stars," "three stars," "three and one-half stars," "four 34256
stars," "four and one-half stars," or "five stars" for a 34257
district or building. The method shall give equal weight to the 34258
components in divisions (D) (3) (b) and (c) of this section. The 34259
method shall give equal weight to the components in divisions 34260
(D) (3) (a), (d), and (e) of this section. The individual weights 34261
of each of the components prescribed in divisions (D) (3) (a), 34262
(d), and (e) of this section shall be equal to one-half of the 34263
weight given to the component prescribed in division (D) (3) (b) 34264
of this section. 34265

(ii) ~~If the joint committee on agency rule review approves~~ 34266
~~the department's rules regarding the college, career, workforce,~~ 34267
~~and military readiness component as described in division (D) (3)~~ 34268
~~(f) of this section, for~~ For the 2024-2025-2025-2026 school 34269
year, and each school year thereafter, the department's method 34270
shall use the components in divisions (D) (3) (a), (b), (c), (d), 34271
(e), and (f) of this section to calculate the overall 34272
performance rating. The method shall give equal weight to the 34273
components in divisions (D) (3) (b) and (c) of this section. The 34274
method shall give equal weight to the components prescribed in 34275
divisions (D) (3) (a), (d), (e), and (f) of this section. The 34276
individual weights of each of the components prescribed in 34277
divisions (D) (3) (a), (d), (e), and (f) of this section shall be 34278
equal to one-half the weight given to the component prescribed 34279
in division (D) (3) (b) of this section. 34280

~~If the joint committee on agency rule review disapproves~~ 34281
~~the department's rules regarding the college, career, workforce,~~ 34282
~~and military readiness component as described in division (D) (3)~~ 34283

~~(f) of this section, division (D) (3) (g) (ii) of this section does
not apply.~~ 34284
34285

(4) (a) The department shall adopt rules in accordance with 34286
Chapter 119. of the Revised Code to establish the performance 34287
criteria, benchmarks, and rating system necessary to implement 34288
divisions (D) and (F) of this section, including the method for 34289
the department to assign performance ratings under division (D) 34290
(3) of this section. 34291

(b) In establishing the performance criteria, benchmarks, 34292
and rating system, the department shall consult with stakeholder 34293
groups and advocates that represent parents, community members, 34294
students, business leaders, and educators from different school 34295
typology regions. The department shall use data from prior 34296
school years and simulations to ensure that there is meaningful 34297
differentiation among districts and buildings across all 34298
performance ratings and that, except as permitted in division 34299
(D) (3) (f) of this section, more than half of all districts or 34300
buildings do not earn the same performance rating in any 34301
component or overall performance rating. 34302

(c) The department shall adopt the rules prescribed by 34303
division (D) (4) of this section not later than March 31, 2022. 34304
However, the department shall notify districts and buildings of 34305
the changes to the report card prescribed in law not later than 34306
one week after September 30, 2021. 34307

(d) Prior to adopting or updating rules under division (D) 34308
(4) of this section, the director of education and workforce and 34309
the department shall conduct a public presentation before the 34310
standing committees of the house of representatives and the 34311
senate that consider primary and secondary education legislation 34312
describing the format for the report card and the performance 34313

criteria, benchmarks, and rating system, including the method to 34314
assign performance ratings under division (D) (3) of this 34315
section. 34316

(E) The department may develop a measure of student 34317
academic progress for high school students using only data from 34318
assessments in English language arts and mathematics. If the 34319
department develops this measure, each school district and 34320
applicable school building shall be assigned a separate letter 34321
grade for it not sooner than the 2017-2018 school year. The 34322
district's or building's grade for that measure shall not be 34323
included in determining the district's or building's overall 34324
letter grade. 34325

(F) (1) The letter grades assigned to a school district or 34326
building under this section shall be as follows: 34327

34347
- (e) "Needs significant support to meet state standards" for a performance rating of one star or one and one-half stars. 34348
34349
- (3) For performance ratings for each component under divisions (D) (3) (a) to (f) of this section, the department shall include a description of each component and performance rating. The description shall include component-specific context to each performance rating earned, estimated comparisons to other school districts and buildings if appropriate, and any other information determined by the department. The descriptions shall be not longer than twenty-five words in length when possible. In addition to such descriptions, the department shall include the descriptors in division (F) (2) of this section for component performance ratings. 34350

identified as gifted in superior cognitive ability and the	34402
specific academic ability fields of reading and math pursuant to	34403
Chapter 3324. of the Revised Code. In disaggregating specific	34404
academic ability fields for gifted students, the department	34405
shall use data for those students with specific academic ability	34406

student performance data for any group identified in division	34425

shall combine data regarding the academic performance of 34450
students enrolled in the community school with comparable data 34451
from the schools of the district for the purpose of determining 34452
the performance of the district as a whole on the report card 34453

of the Revised Code. 34455

(2) Any district that leases a building to a community 34469
school located in the district or that enters into an agreement 34470

district and the school endorse each other's programs may elect 34472
to have data regarding the academic performance of students 34473
enrolled in the community school combined with comparable data 34474
from the schools of the district for the purpose of determining 34475
the performance of the district as a whole on the district 34476
report card. Any district that so elects shall annually file a 34477

between the home or facility and the school district providing 37017
those services. 37018

If a child to whom division (C)(4) of this section applies 37019

tuition payment for that child under division (C)(4) of this 37029
section. 37030

In the case of a child to which division (C)(4) of this 37031

section applies, the total educational cost to be paid for the 37032
child shall be determined by a formula approved by the 37033
department of education and workforce, which formula shall be 37034
designed to calculate a per diem cost for the educational 37035
services provided to the child for each day the child is served 37036
and shall reflect the total actual cost incurred in providing 37037
those services. The department shall certify the total 37038
educational cost to be paid for the child to both the school 37039
district providing the educational services and, if different, 37040
the school district that is responsible to pay tuition for the 37041
child. The department shall deduct the certified amount from the 37042
state basic aid funds payable under Chapter 3317. of the Revised 37043
Code to the district responsible to pay tuition and shall pay 37044
that amount to the district providing the educational services 37045
to the child. 37046

facility for educational services provided to the child by the 37050
school district in which the child's parent resides according to 37051

to calculate a per diem cost for the educational services 37056
provided to the child for each day the child is served and shall 37057
reflect the total actual cost incurred in providing those 37058
services. The department shall certify the total educational 37059
cost to be paid for the child to both the home or facility 37060
providing the educational services and the district that is 37061
responsible to pay the tuition for the child. The department 37062

shall deduct the certified amount from the state basic aid funds 37063
payable under Chapter 3317. of the Revised Code to the district 37064
responsible to pay tuition and shall pay that amount to the home 37065
or facility providing the educational services to the child. 37066

(b) The district responsible to pay tuition shall continue 37067
to report the child in its enrollment for purposes of section 37068
3317.03 of the Revised Code. 37069

(c) If the parent's residence changes to a different 37070
school district while the child resides in the home or facility, 37071

provided by the district currently responsible for tuition. 37074

(d) Upon a child's discharge from the home or facility, 37075
the home or facility shall immediately notify the district where 37076
the child's parent resides and the department of education and 37077
workforce. The notification shall include a certified transcript 37078
of all coursework completed by the child while residing in the 37079
home or facility. The district where the child's parent resides 37080
shall accept all coursework completed by the child while in the 37081
home or facility and shall award credit for that coursework in 37082
accordance with district policy. 37083

(e) Following discharge from the home or facility and 37084
return to the parent's residence, high school students shall 37085
meet requirements under section 3313.618 of the Revised Code in 37086
order to qualify for a high school diploma that are no more 37087
stringent than those that apply to students who enroll into an 37088
Ohio public or chartered nonpublic high school after receiving a 37089
home education under section 3321.042 of the Revised Code. 37090

(f) If the child is provided educational services by a 37091

chartered nonpublic school while residing in a home and the 37092
child has been awarded a scholarship under a state scholarship 37093
program, as defined in section 3301.0711 of the Revised Code, no 37094

division (C) (5) of this section. 37096

(D) Tuition required to be paid under divisions (C) (2) and 37097
(3) (a) of this section shall be computed in accordance with 37098
section 3317.08 of the Revised Code. Tuition required to be paid 37099
under division (C) (3) (b) of this section shall be computed in 37100
accordance with section 3317.081 of the Revised Code. If a home 37101
fails to pay the tuition required by division (C) (3) (b) of this 37102
section, the board of education providing the education may 37103
recover in a civil action the tuition and the expenses incurred 37104
in prosecuting the action, including court costs and reasonable 37105
attorney's fees. If the prosecuting attorney or city director of 37106
law represents the board in such action, costs and reasonable 37107
attorney's fees awarded by the court, based upon the prosecuting 37108
attorney's, director's, or one of their designee's time spent 37109
preparing and presenting the case, shall be deposited in the 37110
county or city general fund. 37111

(E) A board of education may enroll a child free of any 37112
tuition obligation for a period not to exceed sixty days, on the 37113

education of the district in which the parent is employed a 37137
statement from the child's physician, certified nurse-midwife, 37138

certifying that the child's medical condition may require 37140
emergency medical attention. The statement shall be supported by 37141
such other evidence as the board may require. 37142

time not to exceed ninety days during which the child entitled 37193
to attend school under division (F) (6) or (7) of this section 37194
may attend without tuition obligation. A student attending a 37195
school under division (F) (6) or (7) of this section shall be 37196
eligible to participate in interscholastic athletics under the 37197
auspices of that school, provided the board of education of the 37198
school district where the student's parent resides, by a formal 37199
action, releases the student to participate in interscholastic 37200
athletics at the school where the student is attending, and 37201
provided the student receives any authorization required by a 37202
public agency or private organization of which the school 37203
district is a member exercising authority over interscholastic 37204
sports. 37205

(8) A child whose parent is a full-time employee of a 37206
city, local, or exempted village school district, or of an 37207
educational service center, may be admitted to the schools of 37208
the district where the child's parent is employed, or in the 37209

case of a child whose parent is employed by an educational 37210
service center, in the district that serves the location where 37211
the parent's job is primarily located, provided the district 37212
board of education establishes such an admission policy by 37213
resolution adopted by a majority of its members. Any such policy 37214
shall take effect on the first day of the school year and the 37215
effective date of any amendment or repeal may not be prior to 37216
the first day of the subsequent school year. The policy shall be 37217
uniformly applied to all such children and shall provide for the 37218
admission of any such child upon request of the parent. No child 37219
may be admitted under this policy after the first day of classes 37220
of any school year. 37221

(9) A child who is with the child's parent under the care 37222
of a shelter for victims of domestic violence, as defined in 37223
section 3113.33 of the Revised Code, is entitled to attend 37224
school free in the district in which the child is with the 37225
child's parent, and no other school district shall be required 37226
to pay tuition for the child's attendance in that school 37227
district. 37228

The enrollment of a child in a school district under this 37229
division shall not be denied due to a delay in the school 37230
district's receipt of any records required under section 37231
3313.672 of the Revised Code or any other records required for 37232
enrollment. Any days of attendance and any credits earned by a 37233
child while enrolled in a school district under this division 37234

(10) Any child under the age of twenty-two years whose 37239

parent has moved out of the school district after the 37240
commencement of classes in the child's senior year of high 37241
school is entitled, subject to the approval of that district 37242
board, to attend school in the district in which the child 37243
attended school at the time of the parental move for the 37244
remainder of the school year and for one additional semester or 37245
equivalent term. A district board may also adopt a policy 37246
specifying extenuating circumstances under which a student may 37247
continue to attend school under division (F)(10) of this section 37248
for an additional period of time in order to successfully 37249
complete the high school curriculum for the individualized 37250
education program developed for the student by the high school 37251
pursuant to section 3323.08 of the Revised Code. 37252

(11) As used in this division, "grandparent" means a 37253
parent of a parent of a child. A child under the age of twenty- 37254
two years who is in the custody of the child's parent, resides 37255
with a grandparent, and does not require special education is 37256
entitled to attend the schools of the district in which the 37257
child's grandparent resides, provided that, prior to such 37258
attendance in any school year, the board of education of the 37259
school district in which the child's grandparent resides and the 37260
board of education of the school district in which the child's 37261
parent resides enter into a written agreement specifying that 37262
good cause exists for such attendance, describing the nature of 37263
this good cause, and consenting to such attendance. 37264

In lieu of a consent form signed by a parent, a board of 37265
education may request the grandparent of a child attending 37266
school in the district in which the grandparent resides pursuant 37267
to division (F)(11) of this section to complete any consent form 37268
required by the district, including any authorization required 37269
by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the 37270

Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F) (11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(a) The superintendent of the district in which the child is entitled to attend school under division (B), (C), or (E) of this section contacts the superintendent of another district for purposes of this division;

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of

the Revised Code, the board of education of neither school 37300
district involved in the agreement is required to provide 37301
transportation for the student to and from the school where the 37302
student attends. 37303

A student attending a school of a district pursuant to 37304
this division shall be allowed to participate in all student 37305
activities, including interscholastic athletics, at the school 37306
where the student is attending on the same basis as any student 37307
who has always attended the schools of that district while of 37308
compulsory school age. 37309

(13) All school districts shall comply with the "McKinney- 37310
Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for 37311
the education of homeless children. Each city, local, and 37312
exempted village school district shall comply with the 37313
requirements of that act governing the provision of a free, 37314
appropriate public education, including public preschool, to 37315
each homeless child. 37316

When a child loses permanent housing and becomes a 37317
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 37318
child who is such a homeless person changes temporary living 37319
arrangements, the child's parent or guardian shall have the 37320
option of enrolling the child in either of the following: 37321

(a) The child's school of origin, as defined in 42 37322
U.S.C.A. 11432(g) (3) (C); 37323

(b) The school that is operated by the school district in 37324
which the shelter where the child currently resides is located 37325
and that serves the geographic area in which the shelter is 37326
located. 37327

(14) A child under the age of twenty-two years who resides 37328

with a person other than the child's parent is entitled to 37329
attend school in the school district in which that person 37330
resides if both of the following apply: 37331

(a) That person has been appointed, through a military 37332
power of attorney executed under section 574(a) of the "National 37333
Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 37334
(1993), 10 U.S.C. 1044b, or through a comparable document 37335
necessary to complete a family care plan, as the parent's agent 37336
for the care, custody, and control of the child while the parent 37337
is on active duty as a member of the national guard or a reserve 37338
unit of the armed forces of the United States or because the 37339
parent is a member of the armed forces of the United States and 37340
is on a duty assignment away from the parent's residence. 37341

(b) The military power of attorney or comparable document 37342
includes at least the authority to enroll the child in school. 37343

The entitlement to attend school in the district in which 37344
the parent's agent under the military power of attorney or 37345
comparable document resides applies until the end of the school 37346
year in which the military power of attorney or comparable 37347
document expires. 37348

(G) A board of education, after approving admission, may 37349
waive tuition for students who will temporarily reside in the 37350
district and who are either of the following: 37351

(1) Residents or domiciliaries of a foreign nation who 37352
request admission as foreign exchange students; 37353

(2) Residents or domiciliaries of the United States but 37354
not of Ohio who request admission as participants in an exchange 37355
program operated by a student exchange organization. 37356

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 37357

3323.04, 3327.04, and 3327.06 of the Revised Code, a child may attend school or participate in a special education program in a school district other than in the district where the child is entitled to attend school under division (B) of this section.

(I) (1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I) (1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I) (1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated

outside of the school district as described in division (I) (1) 37388
of this section, the child is not entitled to attend school in 37389
the school district under that division. 37390

(3) Any person or entity owing tuition to the school 37391
district on behalf of the child at the end of the first full 37392
week in October, as provided in division (C) of this section, 37393
shall continue to owe such tuition to the district for the 37394
child's attendance under division (I) (1) of this section for the 37395
lesser of the balance of the school year or the balance of the 37396
time that the child attends school in the district under 37397
division (I) (1) of this section. 37398

(4) A pupil who may attend school in the district under 37399
division (I) (1) of this section shall be entitled to 37400
transportation services pursuant to an agreement between the 37401
district and the district in which the child or child's parent 37402
has relocated unless the districts have not entered into such 37403
agreement, in which case the child shall be entitled to 37404
transportation services in the same manner as a pupil attending 37405
school in the district under interdistrict open enrollment as 37406
described in division (E) of section 3313.981 of the Revised 37407
Code, regardless of whether the district has adopted an open 37408
enrollment policy as described in division (B) (1) (b) or (c) of 37409

(J) This division does not apply to a child receiving 37411
special education. 37412

A school district required to pay tuition pursuant to 37413
division (C) (2) or (3) of this section or section 3313.65 of the 37414
Revised Code shall have an amount deducted under division (C) of 37415
section 3317.023 of the Revised Code equal to its own tuition 37416
rate for the same period of attendance. A school district 37417

entitled to receive tuition pursuant to division (C) (2) or (3) 37418
of this section or section 3313.65 of the Revised Code shall 37419
have an amount credited under division (C) of section 3317.023 37420
of the Revised Code equal to its own tuition rate for the same 37421
period of attendance. If the tuition rate credited to the 37422
district of attendance exceeds the rate deducted from the 37423
district required to pay tuition, the department of education 37424
and workforce shall pay the district of attendance the 37425
difference from amounts deducted from all districts' payments 37426
under division (C) of section 3317.023 of the Revised Code but 37427
not credited to other school districts under such division and 37428
from appropriations made for such purpose. The treasurer of each 37429
school district shall, by the fifteenth day of January and July, 37430
furnish the director of education and workforce a report of the 37431
names of each child who attended the district's schools under 37432
divisions (C) (2) and (3) of this section or section 3313.65 of 37433
the Revised Code during the preceding six calendar months, the 37434
duration of the attendance of those children, the school 37435
district responsible for tuition on behalf of the child, and any 37436

deduct each district's tuition obligations under divisions (C) 37440
(2) and (3) of this section or section 3313.65 of the Revised 37441
Code and pay to the district of attendance that amount plus any 37442
amount required to be paid by the state. 37443

(K) In the event of a disagreement, the director of 37444
education and workforce shall determine the school district in 37445
which the parent resides. 37446

(L) Nothing in this section requires or authorizes, or 37447

shall be construed to require or authorize, the admission to a 37448
public school in this state of a pupil who has been permanently 37449
excluded from public school attendance by the director pursuant 37450
to sections 3301.121 and 3313.662 of the Revised Code. 37451

(M) In accordance with division (B)(1) of this section, a 37452
child whose parent is a member of the national guard or a 37453
reserve unit of the armed forces of the United States and is 37454
called to active duty, or a child whose parent is a member of 37455
the armed forces of the United States and is ordered to a 37456
temporary duty assignment outside of the district, may continue 37457
to attend school in the district in which the child's parent 37458
lived before being called to active duty or ordered to a 37459
temporary duty assignment outside of the district, as long as 37460
the child's parent continues to be a resident of that district, 37461
and regardless of where the child lives as a result of the 37462
parent's active duty status or temporary duty assignment. 37463
However, the district is not responsible for providing 37464
transportation for the child if the child lives outside of the 37465
district as a result of the parent's active duty status or 37466
temporary duty assignment. 37467

at least twenty-five per cent shall participate in the federal 37584
community eligibility provision and provide a lunch at no cost 37585
to each enrolled student. 37586

(D) If a district or school determines that, for financial 37587
reasons, it cannot comply with division (B) or (C) of this 37588
section, the district or school may choose not to comply with 37589
either or both divisions. The district or school publicly shall 37590

communicate to the residents of the district, in the manner it 37591
determines appropriate, its decision not to comply. 37592

Sec. 3313.90. As used in this section, "formula ADM" has 37593
the same meaning as in section 3317.02 of the Revised Code. 37594
Notwithstanding division (D) of section 3311.19 and division (D) 37595
of section 3311.52 of the Revised Code, the provisions of this 37596
section that apply to a city school district do not apply to any 37597
joint vocational or cooperative education school district. 37598

(A) Except as provided in division (B) of this section, 37599
each city, local, and exempted village school district shall, by 37600
one of the following means, provide to students enrolled in 37601
grades seven through twelve career-technical education adequate 37602
to prepare a student enrolled therein for an occupation: 37603

(2) Being a member of a joint vocational school district 37607
that meets standards adopted by the department; 37608

The standards of the department shall include criteria for 37612
the participation by nonpublic students in career-technical 37613
education programs without financial assessment, charge, or 37614
tuition to such student except such assessments, charges, or 37615
tuition paid by resident public school students in such 37616
programs. Such nonpublic school students shall be included in 37617
the formula ADM of the school district maintaining the career- 37618
technical education program as part-time students in proportion 37619

to the time spent in the career-technical education program. 37620

By the thirtieth day of October of each year, the director 37621
of education and workforce shall determine and certify to the 37622
superintendent of each school district subject to this section 37623
either that the district is in compliance with the requirements 37624
of this section for the current school year or that the district 37625
is not in compliance. If the director certifies that the 37626
district is not in compliance, the director shall notify the 37627
board of education of the district of the actions necessary to 37628
bring the district into compliance with this section. 37629

In meeting standards established by the department, school 37630
districts, where practicable, shall provide career-technical 37631
education programs in high schools. A minimum enrollment of 37632

3313.92 of the Revised Code, through school district 37641
consolidation, by membership in a joint vocational school 37642
district, by contract with a school district, by contract with a 37643
school licensed by any state agency established by the Revised 37644
Code which school operates its courses offered for contracting 37645
with public schools under standards as to staffing and 37646
facilities comparable to those prescribed by the department for 37647
public schools provided no instructor in such courses shall be 37648
required to be certificated by the department, or in a 37649
combination of such ways. Exceptions to the minimum enrollment 37650

prescribed by this section may be made by the department based 37651
on sparsity of population or other factors indicating that 37652
comprehensive educational and career-technical education 37653
programs as required by this section can be provided through an 37654
alternate plan. 37655

(B) ~~If~~ Until July 1, 2026, the department shall waive the 37656
requirement for a city, local, or exempted village school 37657

village school that district adopts a resolution that specifies 37661
the district's intent not to provide career-technical education 37662
to students enrolled in grades seven and eight for a particular 37663
school year and submits that resolution to the department by the 37664
thirtieth day of September of that school year, ~~the department~~ 37665
~~shall waive the requirement for that district to provide career-~~ 37666
~~technical education to students enrolled in grades seven and~~ 37667
~~eight for that particular school year.~~ 37668

providers under division (D) of this section; 37793

(4) Guidelines for approving or denying a hardship request 37794
made under division (E) of this section. 37795

Sec. 3314.013. (A) Until May 22, 2013, no internet- or 37796
computer-based community school shall operate unless the school 37797
was open for instruction as of May 1, 2005. No entity described 37798
in division (C) (1) of section 3314.02 of the Revised Code shall 37799
enter into a contract to sponsor an internet- or computer-based 37800
community school, including a conversion school, between May 1, 37801
2005, and May 22, 2013, except as follows: 37802

(1) The entity may renew a contract that the entity 37803
entered into with an internet- or computer-based community 37804
school prior to May 1, 2005, if the school was open for 37805
operation as of that date. 37806

(2) The entity may assume sponsorship of an existing 37807
internet- or computer-based community school that was formerly 37808
sponsored by another entity and may enter into a contract with 37809
that community school in accordance with section 3314.03 of the 37810
Revised Code. 37811

If a sponsor entered into a contract with an internet- or 37812
computer-based community school, including a conversion school, 37813
but the school was not open for operation as of May 1, 2005, the 37814
contract shall be void and the entity shall not enter into 37815
another contract with the school until May 22, 2013. 37816

(B) (1) Beginning on July 1, 2013, up to five new internet- 37817
or computer-based community schools may open each year, subject 37818
to approval of the director of education and workforce under 37819
division (B) (2) of this section. 37820

(2) The director shall approve applications for new 37821
internet- or computer-based community schools from only those 37822
applicants demonstrating experience and quality. 37823

The department of education and workforce shall adopt 37824

rules prescribing measures to determine experience and quality 37825
of applicants in accordance with Chapter 119. of the Revised 37826
Code. The measures shall include, but not be limited to, the 37827

(c) The sponsor's and operator's previous record for 37831
student performance; 37832

(d) A preference for operators with previous experience in 37833
Ohio. 37834

(3) The department shall notify any new internet- or 37835
computer-based community school governed by division (B) of this 37836
section of whether the director has approved or disapproved the 37837
school's application to open for the 2013-2014 school year not 37838
later than July 1, 2013. Notwithstanding the dates prescribed 37839
for adoption and signing on sponsor contracts in division (D) of 37840
section 3314.02 of the Revised Code, or the date for opening a 37841
school for instruction required by division (A)(25) of section 37842
3314.03 of the Revised Code, a new internet- or computer-based 37843
community school approved for opening for the 2013-2014 school 37844
year under division (B) of this section may open and operate in 37845
that school year regardless of whether it has complied with 37846
those contract and opening dates. For each school year 37847
thereafter, the school shall comply with all applicable 37848
provisions of this chapter. 37849

(4) Notwithstanding divisions (B)(1) and (2) of this 37850
section, a sponsor rated "exemplary" on its most recent 37851
evaluation conducted under section 3314.016 of the Revised Code 37852
is permitted to open up to two new internet- or computer-based 37853

community schools that ~~will primarily serve students enrolled in~~ 37854
~~a~~ are dropout prevention and recovery program community schools 37855
each year, not to exceed six new schools in a five-year period. 37856

(C) Nothing in division (A) or (B) of this section 37857
prohibits an internet- or computer-based community school from 37858
increasing the number of grade levels it offers. 37859

Sec. 3314.016. This section applies to any entity that 37860
sponsors a community school, regardless of whether section 37861
3314.021 or 3314.027 of the Revised Code exempts the entity from 37862
the requirement to be approved for sponsorship under divisions 37863
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 37864
office of Ohio school sponsorship established under section 37865
3314.029 of the Revised Code shall be rated under division (B) 37866
of this section, but divisions (A) and (C) of this section do 37867
not apply to the office. 37868

(A) An entity that sponsors a community school shall be 37869
permitted to enter into contracts under section 3314.03 of the 37870
Revised Code to sponsor additional community schools only if the 37871
entity meets all of the following criteria: 37872

(1) The entity is in compliance with all provisions of 37873
this chapter requiring sponsors of community schools to report 37874
data or information to the department of education and 37875
workforce. 37876

(2) The entity is not rated as "ineffective" under 37877
division (B) (6) of this section. 37878

(3) Except as set forth in sections 3314.021 and 3314.027 37879
of the Revised Code, the entity has received approval from and 37880
entered into an agreement with the department pursuant to 37881
section 3314.015 of the Revised Code. 37882

(B) (1) The department shall develop and implement an evaluation system that annually rates and assigns an overall rating to each entity that sponsors a community school. The department, not later than the first day of February of each year, shall post on the department's web site the framework for the evaluation system, including technical documentation that the department intends to use to rate sponsors for the next school year. The department shall solicit public comment on the evaluation system for thirty consecutive days. Not later than the first day of April of each year, the department shall compile and post on the department's web site all public comments that were received during the public comment period. The evaluation system shall be posted on the department's web site by the fifteenth day of July of each school year. Any changes to the evaluation system after that date shall take effect the following year. The evaluation system shall be based on the following components:

(a) Academic performance of students enrolled in community schools sponsored by the same entity. The academic performance component shall be derived from the performance measures prescribed for the state report cards under section 3302.03 or 3314.017 of the Revised Code, and shall be based on the performance of the schools for the school year for which the evaluation is conducted. In addition to the academic performance for a specific school year, the academic performance component shall also include year-to-year changes in the overall sponsor portfolio. For a community school for which no graded performance measures are applicable or available, the department shall use nonreport card performance measures specified in the contract between the community school and the sponsor under division (A) (4) of section 3314.03 of the Revised Code.

(b) Adherence by a sponsor to the quality practices 37914
prescribed by the department under division (B) (3) of this 37915
section. For a sponsor that was rated "effective" or "exemplary" 37916
on its most recent rating, the department may evaluate that 37917
sponsor's adherence to quality practices once over a period of 37918
three years. If the department elects to evaluate a sponsor once 37919
over a period of three years, the most recent rating for a 37920
sponsor's adherence to quality practices shall be used when 37921
determining an annual overall rating conducted under this 37922
section. 37923

(c) Compliance with all applicable laws and administrative 37924
rules by an entity that sponsors a community school. 37925

Under the evaluation system prescribed under division (B) 37926
(1) of this section, the department shall not assign an overall 37927
rating of "ineffective" or lower to an entity that sponsors a 37928
community school solely because that entity received no points 37929
on one of the components prescribed under that division. 37930

(2) In calculating an academic performance component, the 37931
department shall exclude all community schools that have been in 37932
operation for not more than two full school years and all 37933
community schools described in division (B) (2) of section 37934
3314.35 of the Revised Code. However, the academic performance 37935
of the community schools described in division (B) (2) of section 37936
3314.35 of the Revised Code shall be reported, but shall not be 37937
used as a factor when determining a sponsoring entity's rating 37938
under this section. 37939

(3) The department, in consultation with entities that 37940
sponsor community schools, shall prescribe quality practices for 37941
community school sponsors and develop an instrument to measure 37942
adherence to those quality practices. The quality practices 37943

shall be based on standards developed by the national 37944
association of charter school authorizers or any other 37945
nationally organized community school organization. 37946

(4) (a) The department may permit peer review of a 37947
sponsor's adherence to the quality practices prescribed under 37948
division (B) (3) of this section. Peer reviewers shall be limited 37949
to individuals employed by sponsors rated "effective" or 37950
"exemplary" on the most recent ratings conducted under this 37951
section. 37952

(b) The department shall require individuals participating 37953
in peer review under division (B) (4) (a) of this section to 37954
complete training approved or established by the department. 37955

(c) The department may enter into an agreement with 37956
another entity to provide training to individuals conducting 37957
peer review of sponsors. Prior to entering into an agreement 37958
with an entity, the department shall review and approve of the 37959
entity's training program. 37960

(5) The director of education and workforce shall adopt 37961
rules in accordance with Chapter 119. of the Revised Code 37962
prescribing standards for measuring compliance with applicable 37963
laws and rules under division (B) (1) (c) of this section. 37964

(6) The department annually shall rate all entities that 37965
sponsor community schools as either "exemplary," "effective," 37966
"ineffective," or "poor," based on the components prescribed by 37967
division (B) of this section, where each component is weighted 37968
equally. A separate rating shall be given by the department for 37969
each component of the evaluation system. 37970

The department shall publish the ratings between the first 37971
day of October and the fifteenth day of November. 37972

Prior to the publication of the final ratings, the department shall designate and provide notice of a period of at least ten business days during which each sponsor may review the information used by the department to determine the sponsor's rating on the components prescribed by division (B)(1) of this section. If the sponsor believes there is an error in the department's evaluation, the sponsor may request adjustments to the rating of any of those components based on documentation previously submitted as part of an evaluation. The sponsor shall provide to the department any necessary evidence or information to support the requested adjustments. The department shall review the evidence and information, determine whether an adjustment is valid, and promptly notify the sponsor of its determination and reasons. If any adjustments to the data could result in a change to the rating on the applicable component or to the overall rating, the department shall recalculate the ratings prior to publication.

The department shall provide training on an annual basis regarding the evaluation system prescribed under this section. The training shall, at a minimum, describe methodology, timelines, and data required for the evaluation system. The first training session shall occur not later than March 2, 2016. Beginning in 2018, the training shall be made available to each entity that sponsors a community school by the fifteenth day of July of each year and shall include guidance on any changes made to the evaluation system.

(7)(a) Entities with an overall rating of "exemplary" for the two most recent years in which the entity was evaluated may take advantage of the following incentives:

(i) Renewal of the written agreement with the department,

not to exceed ten years, provided that the entity consents to 38003
continued evaluation of adherence to quality practices as 38004
described in division (B) (1) (b) of this section; 38005

(ii) The ability to extend the term of the contract 38006
between the sponsoring entity and the community school beyond 38007
the term described in the written agreement with the department; 38008

(iii) An exemption from the preliminary agreement and 38009
contract adoption and execution deadline requirements prescribed 38010
in division (D) of section 3314.02 of the Revised Code; 38011

(iv) An exemption from the automatic contract expiration 38012
requirement, should a new community school fail to open by the 38013
thirtieth day of September of the calendar year in which the 38014

in any county adjacent to the county in which the community 39247
school's primary facility is located. 39248

(b) Either of the following conditions are satisfied: 39249

(i) The community school is sponsored by a board of 39250
education of a city, local, or exempted village school district 39251
having territory in the same county where the facilities of the 39252
community school are located or in any county adjacent to the 39253
county in which the community school's primary facility is 39254
located; 39255

(ii) The community school is managed by an operator. 39256

In the case of a community school to which division (B) (4) 39257
of this section applies and that maintains facilities in more 39258
than one school district, the school's governing authority shall 39259
designate one of those districts to be considered the school's 39260
primary location and the district in which the school is located 39261
for the purposes of division (A) (19) of section 3314.03 and 39262
divisions (C) and (H) of section 3314.06 of the Revised Code and 39263
for all other purposes of this chapter and shall notify the 39264
department of that designation. 39265

(5) Any facility used for a community school shall meet 39266
all health and safety standards established by law for school 39267

school unless the district or service center board owning the 39272
facility enters into an agreement for the community school to 39273

multiple facilities, beginning July 1, 2012, the department 39280
shall assign a unique identification number to the school and to 39281
each facility maintained by the school. Each number shall be 39282
used for identification purposes only. Nothing in this division 39283
shall be construed to require the department to calculate the 39284
amount of funds paid under this chapter, or to compute any data 39285
required for the report cards issued under section 3314.012 of 39286
the Revised Code, for each facility separately. The department 39287
shall make all such calculations or computations for the school 39288
as a whole. 39289

(F) (1) In the case of a community school that exists prior 39290
to September 30, 2021, to which division (B) (3) of this section 39291

is established was located in a challenged school district prior 39293
to September 30, 2021, that district continues to be considered 39294
the school's primary location and the district in which the 39295
school is located for the purposes of division (A) (19) of 39296

the Revised Code and for all other purposes of this chapter 39298
unless and until the school's governing authority designates a 39299
different school district as the school's primary location in 39300
accordance with division (F) (2) of this section. If both of the 39301
school districts in which the school is established were 39302
challenged school districts on that date, and the primary 39303
location was already designated by the school's governing 39304

authority pursuant to the requirements of this section as it 39305
existed prior to September 30, 2021, that designation remains 39306
unless and until the school's governing authority designates a 39307
different primary location. 39308

(2) (a) On and after September 30, 2021, when a new start- 39309
up community school is established in two school districts under 39310
the same contract, the school's governing authority shall 39311
designate one of those districts to be considered the school's 39312
primary location and the district in which the school is located 39313
for the purposes of division (A) (19) of section 3314.03 and 39314
divisions (C) and (H) of section 3314.06 of the Revised Code and 39315
for all other purposes of this chapter and shall notify the 39316
department of education and workforce of that designation. 39317

(b) A community school governing authority that elects to 39318
modify a community school's primary location, whether in 39319
accordance with division (F) (1) of this section or otherwise, 39320

accordance with section 3317.25 of the Revised Code. 39430

(5) The department may waive the requirement in division 39431

For purposes of this division:

(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code.

(2) A student shall be considered to be enrolled in a community school for the period of time beginning on the later of the date on which the school both has received documentation of the student's enrollment from a parent and the student has

commenced participation in learning opportunities as defined in 39480
the contract with the sponsor, or thirty days prior to the date 39481
on which the student is entered into the education management 39482
information system established under section 3301.0714 of the 39483

student, "learning opportunities" shall be defined in the 39486
contract, which shall describe both classroom-based and non- 39487
classroom-based learning opportunities and shall be in 39488
compliance with criteria and documentation requirements for 39489
student participation which shall be established by the 39490
department. Any student's instruction time in non-classroom- 39491
based learning opportunities shall be certified by an employee 39492

in the 2011-2012 school year, any student who completed the 39505
prior school year in an internet- or computer-based community 39506
school shall be considered to be enrolled in the same school in 39507
the subsequent school year until the student's enrollment has 39508
ceased as specified in division (H) (2) of this section. The 39509

department shall continue paying amounts for the student under 39510
section 3317.022 of the Revised Code without interruption at the 39511
start of the subsequent school year. However, if the student 39512
without a legitimate excuse fails to participate in the first 39513
seventy-two consecutive hours of learning opportunities offered 39514
to the student in that subsequent school year, the student shall 39515
be considered not to have re-enrolled in the school for that 39516
school year and the department shall recalculate the payments to 39517
the school for that school year to account for the fact that the 39518
student is not enrolled. 39519

(3) The department shall determine each community school 39520
student's percentage of full-time equivalency based on the 39521
percentage of learning opportunities offered by the community 39522
school to that student, reported either as number of hours or 39523
number of days, is of the total learning opportunities offered 39524
by the community school to a student who attends for the 39525
school's entire school year. However, no internet- or computer- 39526
based community school shall be credited for any time a student 39527
spends participating in learning opportunities beyond ten hours 39528
within any period of twenty-four consecutive hours. Whether it 39529
reports hours or days of learning opportunities, each community 39530
school shall offer not less than nine hundred twenty hours of 39531
learning opportunities during the school year. 39532

(4) With respect to the calculation of full-time 39533
equivalency under division (H) (3) of this section, the 39534
department shall waive the number of hours or days of learning 39535
opportunities not offered to a student because the community 39536
school was closed during the school year due to disease 39537
epidemic, hazardous weather conditions, law enforcement 39538
emergencies, inoperability of school buses or other equipment 39539
necessary to the school's operation, damage to a school 39540

building, or other temporary circumstances due to utility 39541
failure rendering the school building unfit for school use, so 39542
long as the school was actually open for instruction with 39543
students in attendance during that school year for not less than 39544
the minimum number of hours required by this chapter. The 39545
department shall treat the school as if it were open for 39546
instruction with students in attendance during the hours or days 39547
waived under this division. 39548

(I) The department of education and workforce shall reduce 39549
the amounts paid under section 3317.022 of the Revised Code to 39550

Revised Code. 39552

(J) (1) No student shall be considered enrolled in any 39553
internet- or computer-based community school or, if applicable 39554
to the student, in any community school that is required to 39555

section 3314.22 of the Revised Code, unless both of the 39557
following conditions are satisfied: 39558

(a) The student possesses or has been provided with all 39559
required hardware and software materials and all such materials 39560
are operational so that the student is capable of fully 39561
participating in the learning opportunities specified in the 39562
contract between the school and the school's sponsor as required 39563
by division (A) (23) of section 3314.03 of the Revised Code; 39564

(b) The school is in compliance with division (A) of 39565
section 3314.22 of the Revised Code, relative to such student. 39566

(2) In accordance with policies adopted by the department 39567
of education and workforce, in consultation with the auditor of 39568
state, the department shall reduce the amounts otherwise payable 39569

under section 3317.022 of the Revised Code to any community 39570
school that includes in its program the provision of computer 39571
hardware and software materials to any student, if such hardware 39572
and software materials have not been delivered, installed, and 39573
activated for each such student in a timely manner or other 39574
educational materials or services have not been provided 39575
according to the contract between the individual community 39576
school and its sponsor. 39577

The director and the auditor of state shall jointly 39578
establish a method for auditing any community school to which 39579
this division pertains to ensure compliance with this section. 39580

The director, auditor of state, and the governor shall 39581
jointly make recommendations to the general assembly for 39582
legislative changes that may be required to assure fiscal and 39583
academic accountability for such schools. 39584

(K) (1) If the department determines that a review of a 39585
community school's enrollment is necessary, such review shall be 39586
completed and written notice of the findings shall be provided 39587
to the governing authority of the community school and its 39588
sponsor within ninety days of the end of the community school's 39589
fiscal year, unless extended for a period not to exceed thirty 39590
additional days for one of the following reasons: 39591

(a) The department and the community school mutually agree 39592
to the extension. 39593

(b) Delays in data submission caused by either a community 39594
school or its sponsor. 39595

(2) If the review results in a finding that additional 39596
funding is owed to the school, such payment shall be made within 39597
thirty days of the written notice. If the review results in a 39598

finding that the community school owes moneys to the state, the 39599
following procedure shall apply: 39600

(a) Within ten business days of the receipt of the notice 39601
of findings, the community school may appeal the department's 39602
determination to the director. 39603

(b) The director shall conduct an informal hearing on the 39604
matter within thirty days of receipt of such an appeal and shall 39605
issue a decision within fifteen days of the conclusion of the 39606
hearing. 39607

(c) Any decision made by the director under this division 39608
is final. 39609

(3) If it is decided that the community school owes moneys 39610
to the state, the department shall deduct such amount from the 39611
school's future payments in accordance with guidelines issued by 39612
the director. 39613

(L) The department shall not pay to a community school 39614
under section 3317.022 of the Revised Code any amount for any of 39615

not take one or more of the assessments required by that section 39623
and was not excused pursuant to division (C)(1) or (3) of that 39624
section, unless the director grants the student a waiver from 39625
the requirement to take the assessment and a parent is not 39626

paying tuition for the student pursuant to section 3314.26 of 39627
the Revised Code. The director may grant a waiver only for good 39628
cause in accordance with rules adopted by the department. 39629

the community school shall be the following quotient: 43264

(i) The total amount calculated for the school district in 43265
which the child is entitled to attend school for student 43266
transportation other than transportation of children with 43267

and paid under division (E) of this section, 1.0 times the 43285
statewide transportation cost per student, as calculated in 43286
division (C) of this section; 43287

entitled to attend school would have used a method of 43289
transportation for the student for which payments are computed 43290

and paid in a manner described in division (G) of this section, 43291
the amount that would otherwise be computed for and paid to the 43292
district. 43293

As used in this division, "entitled to attend school" 43299
means entitled to attend school under section 3313.64 or 3313.65 43300

section 3314.091 of the Revised Code, and whose transportation 43305
to and from school is actually provided, who actually utilized 43306
transportation arranged, or for whom a payment in lieu of 43307
transportation is made by the community school's governing 43308
authority. To qualify for the payments, the community school 43309
shall report to the department, in the form and manner required 43310
by the department, data on the number of students transported or 43311
whose transportation is arranged, the number of miles traveled, 43312
cost to transport, and any other information requested by the 43313
department. 43314

criteria specified in division (B) (4) (a) of this section for 43465
that fiscal year, the district's capacity amount for that fiscal 43466
year shall be calculated as follows: 43467
- (i) Compute the following amount for the district: 43468
- (The median weighted wealth of all school districts in this 43469
state for that fiscal year X 0.008) - (the district's weighted 43470
wealth for that fiscal year X 0.008) 43471
- (ii) If the district's enrolled ADM for that fiscal year 43472
is greater than or equal to 200 but less than or equal to 400, 43473
the district's capacity amount for that fiscal year shall be 43474
equal to 0.05 X the amount computed under division (B) (4) (b) (i) 43475
of this section. 43476
- (iii) If the district's enrolled ADM for that fiscal year 43477
is greater than 400 and less than 600, the district's capacity 43478
amount for that fiscal year shall be calculated in accordance 43479
with the following formula: 43480
- {[0.95 X (the district's enrolled ADM for that fiscal year - 43481
400)/200] + 0.05} X the amount computed under division (B) (4) (b) 43482
(i) of this section 43483
- (iv) If the district's enrolled ADM for that fiscal year 43484
is greater than or equal to 600, the district's capacity amount 43485

amount for a fiscal year as follows: 43489
- (1) Calculate each district's weighted wealth per pupil 43490

for that fiscal year, which equals the following quotient: 43491

The district's weighted wealth for that fiscal year 43492
calculated under division (B) (1) of this section/ (the 43493
district's enrolled ADM for that fiscal year - the students 43494

Revised Code + the students described in division (A) (2) (d) of 43496
section 3317.03 of the Revised Code) 43497

(2) Determine the median weighted wealth per pupil of all 43498
school districts in this state for that fiscal year; 43499

school districts in this state for that fiscal year by the 43502
district's weighted wealth per pupil for that fiscal year; 43503

(4) Compute each district's wealth amount for that fiscal 43504
year, as follows: 43505

(a) If the district's wealth index computed under division 43506

the district's wealth amount for that fiscal year shall be zero. 43508

(b) If the district's wealth index computed under division 43509
(C) (3) of this section for that fiscal year is greater than or 43510
equal to 0.8, the district's wealth amount for that fiscal year 43511
shall be calculated in accordance with the following formula: 43512

[(The median weighted wealth per pupil of all school districts 43513
in this state for that fiscal year X 0.014) - (the district's 43514
weighted wealth per pupil for that fiscal year X 0.0112)] X the 43515
district's enrolled ADM for that fiscal year 43516

Sec. 3317.0218. This section shall apply only for fiscal 43517

to the department for a refund of money, not to exceed the 43841

classroom facilities for vocational educational instruction at 45120
such location shall be provided to the school district that is a 45121
member of the joint vocational school district through other 45122

(B) When using measures of student performance as evidence 45242
in a teacher's evaluation, those measures shall be high-quality 45243

who have comparable evaluations. 45332

(G) For purposes of section 3333.0411 of the Revised Code, 45333

Chapter 4117. of the Revised Code, the requirements of this 45346
section prevail over any conflicting provisions of a collective 45347
bargaining agreement entered into on or after November 2, 2018. 45348

Sec. 3319.173. (A) The superintendent of each school 45349

superintendent shall not use seniority or continuing contract 45354
status as the primary factor in determining the teacher's 45355
assignment. 45356

(B) Notwithstanding any provision to the contrary in 45357
section 4117.10 of the Revised Code, the requirements of this 45358

system. The policy shall satisfy all of the following 45583

religious expression days each school year to take holidays for 45587
reasons of faith or religious or spiritual belief system or 45588
participate in organized activities conducted under the auspices 45589
of a religious denomination, church, or other religious or 45590
spiritual organization. The district shall not impose an 45591
academic penalty as a result of a student being absent as 45592
permitted in the policy. The policy shall also permit students 45593
to participate in interscholastic athletics or other 45594
extracurricular activities on days in which the student was 45595

(B) (1) The policy shall require that students be provided 45597
with alternative accommodations with regard to examinations and 45598
other academic requirements missed due to an absence described 45599
in division (A) of this section if not later than fourteen 45600
school days after the first day of school, or fourteen school 45601
days after the date of enrollment for a student who transfers to 45602
or enrolls in the district after the first day of school, the 45603
parent or guardian of a student provides the school principal 45604
with written notice of up to three specific dates for which 45605
alternative accommodations are requested, if an absence approved 45606
under division (B) (2) of this section conflicts with an 45607
examination or other academic requirement on that date. 45608

(2) The school principal shall approve not more than three written requests per school year from a student's parent or guardian for an excused absence under division (A) of this section. The school principal shall approve such requests without inquiry into the sincerity of a student's religious or spiritual belief system. However, the school principal may verify a request received under division (A) of this section by contacting the parent or guardian whose signature appears on the request. If a parent or guardian disputes having signed such a request, the school principal may deny the request. Upon approval of a request that satisfies division (B) (1) of this section, a school principal shall require the appropriate classroom teacher or teachers to schedule a time and date for an alternative examination or other academic requirement if the approved student absence creates a conflict, which may be before or after the time and date the examination or other academic requirement was originally scheduled.

Friday, Rosh Hashanah, Yom Kippur, and Passover, at the 45640
beginning of each school year. Each district may adopt the 45641
director's list in its entirety or choose which holidays to 45642
include on its list. 45643

Each time a district's policy is posted, printed, or 45644
published, including as described in divisions (C) and (D) of 45645
this section, the district shall include a statement that the 45646
list is nonexhaustive, and the list may not be used to deny 45647
accommodation to a student for a holiday or festival of the 45648
student's faith or religious or spiritual belief system that 45649
does not appear on the list. 45650

Nothing in this section, and no inclusion or exclusion of 45651
a religious holiday or festival on the list posted by a 45652
district, shall preclude a student from full and reasonable 45653
accommodations for any sincerely held religious beliefs and 45654
practices with regard to all examinations or other academic 45655
requirements and absences for reasons of faith or religious or 45656
spiritual belief system provided under this section. 45657

(D) The policy shall require school districts annually to 45658

section, including a description of the general procedure for 45660
requesting accommodations. The manner in which the school 45661
district conveys the information shall be determined at the 45662
discretion of the district. 45663

(E) The policy shall include a procedure under which a 45664
student, parent, or guardian may notify the district of any 45665
grievance with regard to the implementation of the policy 45666
required under this section. 45667

~~(C) (2) (b) of section 3321.191 of the Revised Code.~~ 45703

~~(c) The student has refused to participate in or failed to~~ 45704

~~the plan and delay the filing of the complaint for an additional~~ 45724
~~thirty days from the first day of instruction of the next school~~ 45725
~~year.~~ 45726
If no determination of progress under division (B) (2) of

this section is made, or if the student and the student's family 45727
cease to continue making progress in improving the student's 45728

authority reserved for payment of the obligations of the 46748
authority pursuant to tuition payment contracts shall be placed 46749
in a fund, which is hereby created and shall be known as the 46750
Ohio tuition trust fund. The fund shall be in the custody of the 46751
treasurer of state, but shall not be part of the state treasury. 46752
That portion of payments received by the authority or the 46753
treasurer of state from persons purchasing tuition units under 46754
tuition payment contracts that the authority determines is 46755
actuarially necessary for the payment of obligations of the 46756
authority pursuant to tuition payment contracts, all interest 46757
and investment income earned by the fund, and all other receipts 46758
of the authority from any other source that the authority 46759
determines appropriate, shall be deposited in the fund. No 46760
purchaser or beneficiary of tuition units shall have any claim 46761
against the funds of any state institution of higher education. 46762
All investment fees and other costs incurred in connection with 46763
the exercise of the investment powers of the authority pursuant 46764
to divisions (D) and (E) of this section shall be paid from the 46765
assets of the fund. 46766

(B) Unless otherwise provided by the authority, the assets 46767

of the Ohio tuition trust fund shall be expended in the 46768
following order: 46769

(1) To make payments to beneficiaries, or institutions of 46770
higher education on behalf of beneficiaries, under division (B) 46771
of section 3334.09 of the Revised Code; 46772

(2) To make refunds as provided in divisions (A) and (C) 46773
of section 3334.10 of the Revised Code; 46774

division (A) (19) of section 3334.08 of the Revised Code, all 46778
disbursements from the Ohio tuition trust fund shall be made by 46779
the treasurer of state on order of a designee of the authority. 46780

(2) The treasurer of state shall deposit any portion of 46781
the Ohio tuition trust fund not needed for immediate use in the 46782
same manner as state funds are deposited. 46783

(D) The authority is the trustee of the Ohio tuition trust 46784
fund. The authority shall have full power to invest the assets 46785
of the fund and in exercising this power shall be subject to the 46786
limitations and requirements contained in divisions (K) to (M) 46787
of this section and sections 145.112 and 145.113 of the Revised 46788
Code. The evidences of title of all investments shall be 46789
delivered to the treasurer of state or to a qualified trustee 46790
designated by the treasurer of state as provided in section 46791
135.18 of the Revised Code. Assets of the fund shall be 46792
administered by the authority in a manner designed to be 46793
actuarially sound so that the assets of the fund will be 46794
sufficient to satisfy the obligations of the authority pursuant 46795
to tuition payment contracts and defray the reasonable expenses 46796

of administering the fund. 46797

(E) The authority may enter into an agreement with any 46798
business, entity, or governmental agency to perform the 46799
investment duties of the authority as set forth in division (D) 46800
of this section. The investment powers shall be exercised by the 46801
business, entity, or governmental agency that entered into an 46802
agreement with the authority in a manner agreed upon by the 46803
authority that maximizes the return on investment and minimizes 46804
the administrative expenses. 46805

(F) (1) The authority shall maintain a separate account for 46806
each tuition payment contract entered into pursuant to division 46807
(A) of section 3334.09 of the Revised Code for the purchase of 46808
tuition units on behalf of a beneficiary or beneficiaries 46809
showing the beneficiary or beneficiaries of that contract and 46810
the number of tuition units purchased pursuant to that contract. 46811
Upon request of any beneficiary or person who has entered into a 46812
tuition payment contract, the authority shall provide a 46813
statement indicating, in the case of a beneficiary, the number 46814
of tuition units purchased on behalf of the beneficiary, or in 46815
the case of a person who has entered into a tuition payment 46816
contract, the number of tuition units purchased, used, or 46817
refunded pursuant to that contract. A beneficiary and person 46818
that have entered into a tuition payment contract each may file 46819
only one request under this division in any year. 46820

(2) The authority shall maintain an account for each 46821
scholarship program showing the number of tuition units that 46822
have been purchased for or donated to the program and the number 46823
of tuition units that have been used. Upon the request of the 46824
entity that established the scholarship program, the authority 46825
shall provide a statement indicating these numbers. 46826

(G) (1) In addition to the Ohio tuition trust fund, there 46827
is hereby established a reserve fund that shall be in the 46828
custody of the treasurer of state but shall not be part of the 46829
state treasury, and shall be known as the Ohio tuition trust 46830
reserve fund, and an operating fund that shall be part of the 46831
state treasury, and shall be known as the Ohio tuition trust 46832
operating fund. That portion of payments received by the 46833
authority or the treasurer of state from persons purchasing 46834
tuition units under tuition payment contracts that the authority 46835
determines is not actuarially necessary for the payment of 46836
obligations of the authority pursuant to tuition payment 46837
contracts, any interest and investment income earned by the 46838
reserve fund, any administrative charges and fees imposed by the 46839
authority on transactions under this chapter or on purchasers or 46840
beneficiaries of tuition units, and all other receipts from any 46841
other source that the authority determines appropriate, shall be 46842
deposited in the reserve fund to pay the operating expenses of 46843
the authority and the costs of administering the program. The 46844
assets of the reserve fund may be invested in the same manner 46845
and subject to the same limitations set forth in divisions (D), 46846
(E), and (K) to (M) of this section and sections 145.112 and 46847
145.113 of the Revised Code. All investment fees and other costs 46848
incurred in connection with the exercise of the investment 46849
powers shall be paid from the assets of the reserve fund. Except 46850
as otherwise provided for in this chapter, all operating 46851
expenses of the authority and costs of administering the program 46852
shall be paid from the operating fund. 46853

(2) The treasurer of state shall, upon request of the 46854
authority, transfer funds from the reserve fund to the operating 46855
fund as the authority determines appropriate to pay those 46856
current operating expenses of the authority and costs of 46857

administering the program as the authority designates. Any 46858
interest or investment income earned on the assets of the 46859
operating fund shall be deposited in the operating fund. 46860

(3) The treasurer of state shall, upon request by the 46861
chancellor of higher education and approval by the director of 46862
budget and management, transfer funds from the reserve fund to 46863
the strategic square footage reduction fund created under 46864
section 3334.13 of the Revised Code. 46865

(H) In January of each year the authority shall report to 46866
each person who received any payments or refunds from the 46867
authority during the preceding year information relative to the 46868
value of the payments or refunds to assist in determining that 46869
person's tax liability. 46870

(I) The authority shall report to the tax commissioner any 46871
information, and at the times, as the tax commissioner requires 46872
to determine any tax liability that a person may have incurred 46873
during the preceding year as a result of having received any 46874
payments or refunds from the authority. 46875

(J) All records of the authority indicating the identity 46876
of purchasers and beneficiaries of tuition units or college 46877
savings bonds, the number of tuition units purchased, used, or 46878
refunded under a tuition payment contract, and the number of 46879
college savings bonds purchased, held, or redeemed are not 46880
public records within the meaning of section 149.43 of the 46881
Revised Code. 46882

(K) (1) The authority and other fiduciaries shall discharge 46883
their duties with respect to the funds with care, skill, 46884
prudence, and diligence under the circumstances then prevailing 46885
that a prudent person acting in a like capacity and familiar 46886

with such matters would use in the conduct of an enterprise of a like character and with like aims; and by diversifying the investments of the assets of the funds so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so.

(2) To facilitate investment of the funds, the authority may establish a partnership, trust, limited liability company, corporation, including a corporation exempt from taxation under the Internal Revenue Code, 100 Stat. 2085, 26 U.S.C. 1, as amended, or any other legal entity authorized to transact business in this state.

(L) In exercising its fiduciary responsibility with respect to the investment of the assets of the funds, it shall be the intent of the authority to give consideration to investments that enhance the general welfare of the state and its citizens where the investments offer quality, return, and safety comparable to other investments currently available to the authority. In fulfilling this intent, equal consideration shall also be given to investments otherwise qualifying under this section that involve minority owned and controlled firms and firms owned and controlled by women, either alone or in joint venture with other firms.

The authority shall adopt, in regular meeting, policies, objectives, or criteria for the operation of the investment program that include asset allocation targets and ranges, risk factors, asset class benchmarks, time horizons, total return objectives, and performance evaluation guidelines. In adopting policies and criteria for the selection of agents with whom the authority may contract for the administration of the assets of the funds, the authority shall give equal consideration to

minority owned and controlled firms, firms owned and controlled 46917
by women, and ventures involving minority owned and controlled 46918
firms and firms owned and controlled by women that otherwise 46919
meet the policies and criteria established by the authority. 46920
Amendments and additions to the policies and criteria shall be 46921
adopted in regular meeting. The authority shall publish its 46922
policies, objectives, and criteria under this provision no less 46923
often than annually and shall make copies available to 46924
interested parties. 46925

When reporting on the performance of investments, the 46926
authority shall comply with the performance presentation 46927
standards established by the association for investment 46928
management and research. 46929

(M) All investments shall be purchased at current market 46930
prices and the evidences of title of the investments shall be 46931
placed in the hands of the treasurer of state, who is hereby 46932
designated as custodian thereof, or in the hands of the 46933
treasurer of state's authorized agent. The treasurer of state or 46934
the agent shall collect the principal, dividends, distributions, 46935
and interest thereon as they become due and payable and place 46936
them when so collected into the custodial funds. 46937

The treasurer of state shall pay for investments purchased 46938
by the authority on receipt of written or electronic 46939
instructions from the authority or the authority's designated 46940
agent authorizing the purchase and pending receipt of the 46941
evidence of title of the investment by the treasurer of state or 46942
the treasurer of state's authorized agent. The authority may 46943
sell investments held by the authority, and the treasurer of 46944
state or the treasurer of state's authorized agent shall accept 46945
payment from the purchaser and deliver evidence of title of the 46946

investment to the purchaser on receipt of written or electronic 46947
instructions from the authority or the authority's designated 46948
agent authorizing the sale, and pending receipt of the moneys 46949
for the investments. The amount received shall be placed in the 46950
custodial funds. The authority and the treasurer of state may 46951
enter into agreements to establish procedures for the purchase 46952
and sale of investments under this division and the custody of 46953
the investments. 46954

No purchase or sale of any investment shall be made under 46955
this section except as authorized by the authority. 46956

Any statement of financial position distributed by the 46957
authority shall include fair value, as of the statement date, of 46958
all investments held by the authority under this section. 46959

Sec. 3334.12. Notwithstanding anything to the contrary in 46960
sections 3334.07 and 3334.09 of the Revised Code: 46961

(A) Annually, the Ohio tuition trust authority shall have 46962
the actuarial soundness of the Ohio tuition trust fund evaluated 46963
by a nationally recognized actuary and shall determine whether 46964
additional assets are necessary to defray the obligations of the 46965
authority. If, after the authority sets the price for tuition 46966
units, circumstances arise that the executive director 46967
determines necessitate an additional evaluation of the actuarial 46968
soundness of the fund, the executive director shall have a 46969
nationally recognized actuary conduct the necessary evaluation. 46970
If the assets of the fund are insufficient to ensure the 46971
actuarial soundness of the fund, the authority shall adjust the 46972
price of subsequent purchases of tuition units to the extent 46973
necessary to help restore the actuarial soundness of the fund. 46974
If, at any time, the adjustment is likely, in the opinion of the 46975
authority, to diminish the marketability of tuition units to an 46976

extent that the continued sale of the units likely would not 46977
restore the actuarial soundness of the fund and external 46978
economic factors continue to negatively impact the soundness of 46979
the program, the authority may suspend sales, either permanently 46980
or temporarily, of tuition units. During any suspension, the 46981
authority shall continue to service existing college savings 46982
program accounts. 46983

(B) The treasurer of state shall, upon request by the 46984
chancellor of higher education, transfer the amount determined 46985
to be surplus from the annual evaluation as to the actuarial 46986
soundness of the fund to the strategic square footage fund 46987
created under section 3334.13 of the Revised Code, provided that 46988
at least five per cent of the amount determined to be surplus 46989
remains in the Ohio tuition trust fund. 46990

(C) Upon termination of all programs or liquidation of the 46991
Ohio tuition trust fund, the Ohio tuition trust reserve fund, 46992
and the Ohio tuition trust operating fund, any remaining assets 46993
of the funds after all obligations of the funds have been 46994
satisfied pursuant to division (B) of section 3334.11 of the 46995
Revised Code shall be transferred to the general revenue fund of 46996
the state. 46997

~~(C)~~(D) The authority shall prepare and cause to have 46998
audited an annual financial report on all financial activity of 46999
the Ohio tuition trust authority within ninety days of the end 47000
of the fiscal year. The authority shall transmit a copy of the 47001
audited financial report to the governor, the president of the 47002
senate, the speaker of the house of representatives, and the 47003
minority leaders of the senate and the house of representatives. 47004
Copies of the audited financial report also shall be made 47005
available, upon request, to the persons entering into contracts 47006

with the authority and to prospective purchasers of tuition 47007
units and prospective contributors to variable college savings 47008
program accounts. 47009

Sec. 3345.033. (A) As used in this section: 47010

"Rule" includes the enactment of a new rule or the 47011
amendment or rescission of an existing rule. 47012

"State institution of higher education" means a state 47013
university identified in section 3345.011 of the Revised Code, 47014
the northeast Ohio medical university, or a community college, 47015
state community college, or technical college. 47016

(B) When a state institution of higher education adopts a 47017
rule, the state institution of higher education shall post the 47018
rule on its web site, ~~and the director of the legislative~~ 47019
~~service commission shall publish or cause publication of the~~ 47020
~~rule in the register of Ohio and in any electronic~~ 47021
~~Administrative Code published by or under contract with the~~ 47022
~~director. The state institution of higher education also~~ 47023
~~electronically shall file a copy of the rule with the joint~~ 47024
~~committee on agency rule review. The rule is not subject to~~ 47025
~~review by the joint committee. But the joint committee shall~~ 47026
~~accommodate the rule to the rule watch system.~~ 47027

(C) A state institution of higher education shall maintain 47028
the posting of its rules on its web site, ~~and~~ periodically shall 47029
verify the posting, and annually submit an electronic copy of 47030
all effective rules to the chancellor of higher education, the 47031
chairperson of the senate committee that primarily deals with 47032
higher education, and to the chairperson of the committee of the 47033
house of representatives that primarily deals with higher 47034
education. Upon receiving an electronic copy of a rule or 47035

failing to receive an electronic copy of a rule, the 47036
chairpersons of the legislative committees that primarily deal 47037
with higher education may hold a hearing and require that a 47038
representative of the state institution of higher education 47039
provide testimony regarding the rule. A state institution of 47040
higher education is not entitled to rely on a rule that is not 47041
currently posted on its web site. 47042

(D) A rule posted on a state institution of higher 47043
education's web site in accordance with this section is not 47044
subject to review by the joint committee on agency rule review. 47045
Such a rule is not subject to section 111.15 or 119.03 of the 47046
Revised Code unless the law requiring or permitting the rule to 47047
be adopted requires the rule to be adopted under either of those 47048
sections. 47049

Sec. 3345.06. As used in this section, "state institution 47050
of higher education" and "state university" have the same 47051
meanings as in section 3345.011 of the Revised Code. 47052

~~(A)~~ (A) (1) Subject to divisions (B) and (C) of this 47053
section, a graduate of the twelfth grade shall be entitled to 47054
admission without examination to any ~~college or university which~~ 47055
~~is supported wholly or in part by the state~~ state institution of 47056
higher education, but for unconditional admission may be 47057
required to complete such units not included in the graduate's 47058
high school course as may be prescribed, not less than two years 47059
prior to the graduate's entrance, by the faculty of the 47060
institution. 47061

(2) Subject to divisions (B) and (C) of this section, each 47062
graduate of the twelfth grade who is in the top ten per cent of 47063
a graduating class as determined by the chancellor of higher 47064
education shall be entitled to admission to any state 47065

institution of higher education. If the student does not meet 47066
the standards for unconditional admission under division (A) of 47067
this section, a state university may delay main campus admission 47068
and admit the student to a university branch campus. 47069

(3) Subject to divisions (B) and (C) of this section, each 47070
recipient of the governor's merit scholarship shall be entitled 47071
to admission to the main campus of a state institution of higher 47072
education. 47073

(B) Beginning with the 2014-2015 academic year, each state 47074
university ~~listed in section 3345.011 of the Revised Code,~~ 47075
except for Central state university, Shawnee state university, 47076
and Youngstown state university, shall permit a resident of this 47077
state who entered ninth grade for the first time on or after 47078
July 1, 2010, to begin undergraduate coursework at the 47079
university only if the person has successfully completed the 47080
requirements for high school graduation prescribed in division 47081
(C) of section 3313.603 of the Revised Code, unless one of the 47082
following applies: 47083

(1) The person has earned at least ten semester hours, or 47084
the equivalent, at a community college, state community college, 47085
university branch, technical college, or another post-secondary 47086
institution except a state university to which division (B) of 47087
this section applies, in courses that are college-credit-bearing 47088
and may be applied toward the requirements for a degree. The 47089
university shall grant credit for successful completion of those 47090
courses pursuant to any applicable articulation and transfer 47091
policy of the chancellor of higher education or any agreements 47092
the university has entered into in accordance with policies and 47093

board of trustees of a state university or college has taken any 47454
action related to pausing or stopping enrollment, submitted a 47455
withdrawal of accreditation, or taken any other action 47456

determination that appointment of a conservator is warranted, 47459

(C) Upon appointment of a conservator under this section for a state university or college, all of the following shall occur effective immediately:

(1) All duties, responsibilities, and powers of the board of trustees of the university or college are suspended;

(2) The management and control of the state university or college is assumed by the conservator;

(4) Wherever the board of trustees is referred to in any contract or legal document, the reference is deemed to refer to

assumption of the board's authority by the conservator under 47504
this section and any such validation, cure, right, privilege, 47505
remedy, obligation, or liability shall be administered by the 47506
conservator. No action or proceeding pending on the effective 47507
date of the assumption by the conservator of the board's 47508
authority is affected by that assumption and any such action or 47509
proceeding shall be prosecuted or defended in the name of the 47510
conservator. 47511

(5) The conservator assumes custody of all equipment, 47512
records, files, effects, and all other property real or personal 47513
of the state university or college; 47514

(6) All authority and duties of the president or chief 47515
executive officer, and the pay of the president or chief 47516
executive officer, are suspended. 47517

(D) The conservator for a state university or college 47518
shall conduct a preliminary performance evaluation of the 47519
president or chief executive officer of the university or 47520
college and provide a copy of findings and any recommendations 47521
to the governance authority established for the university or 47522
college under section 3345.75 of the Revised Code. 47523

(E) A conservator appointed under this section shall be 47524
immune, indemnified, and held harmless from civil liability, 47525
including any cause of action, legal, equitable, or otherwise, 47526

good faith and in furtherance of the performance of the duties 47528
of the conservator under this section. 47529

(F) The governor shall set the compensation for a 47530

conservator appointed for a state university or college. The 47531
expenses and compensation of the conservator and others employed 47532
by the conservator shall be paid out of the operating funds and 47533
revenues of that university or college. 47534

Sec. 3345.75. (A) Not later than thirty days after the 47535
date of the appointment of a conservator for a state university 47536
or college under section 3345.74 of the Revised Code, the 47537
governor shall appoint, with the advice and consent of the 47538
senate, a governance authority for the university or college 47539
consisting of five members, of which one shall have expertise in 47540
academic affairs and accreditation and one shall have expertise 47541
in either state agency budgets or state university or college 47542

governor and any vacancies shall be filled in the same manner as 47544
an original appointment. 47545

The governor shall designate one of the members of the 47546
governance authority as the chairperson and shall call the first 47547
meeting of the authority. A majority of the members of a 47548
governance authority constitutes a quorum and the affirmative 47549
vote of a majority of the members shall be necessary for any 47550
action taken by an authority. Meetings of a governance authority 47551
shall be called in the manner and at the times prescribed by the 47552

Revised Code from the solar generation fund, or such total 48987
amount as is determined by the Ohio air quality development 48988

the charge shall be authorized by the commission through a 48998

section shall be subject to adjustment so as to reconcile actual 49016
revenue collected with the revenue needed to meet the revenue 49017

commission shall authorize each electric distribution utility to 49019
adopt accounting practices to facilitate such reconciliation. 49020
Notwithstanding any other provisions of the Revised Code, the 49021
charge authorized by the commission may continue beyond ~~December~~ 49022
July 31, 2027~~2025~~, only if it is necessary to reconcile actual 49023
revenue collected under this section during the period ending on 49024
~~December~~ July 31, 2027~~2025~~, with the actual revenue needed to 49025
meet the revenue requirement under division (A) (1) of this 49026

section for required disbursements under section 3706.55 of the Revised Code that may be due and owing during the same period. Such continuation shall be authorized only for such period of time beyond ~~December~~ July 31, 2027~~2025~~, as may be reasonably necessary to complete the reconciliation.

(2) The owner or operator of a construction and demolition debris facility ~~or a solid waste facility~~ shall determine if cubic yards or tons will be used as the unit of measurement. If basing the fee on cubic yards, the owner or operator shall utilize either the maximum cubic yard capacity of the container, or the hauling volume of the vehicle, that transports the construction and demolition debris to the facility or the cubic yards actually logged for disposal by the owner or operator in accordance with rules adopted under section 3714.02 of the Revised Code. If basing the fee on tonnage, the owner or operator shall use certified scales to determine the tonnage of

construction and demolition debris that is disposed of. 49057

(3) The owner or operator of a construction and demolition 49058
debris facility ~~or a solid waste facility~~ shall calculate the 49059
amount of money generated from the fee levied under division (A) 49060
(1) of this section and shall hold that amount as a trustee for 49061
the health district having jurisdiction over the facility, if 49062
that district is on the approved list under section 3714.09 of 49063
the Revised Code, or for the state. The owner or operator shall 49064
prepare and file with the appropriate board of health or the 49065
director of environmental protection monthly returns indicating 49066

or products disposed of at the facility and the total amount of 49069
money generated during that month from the fee levied under 49070
division (A)(1) of this section on the disposal of construction 49071
and demolition debris and asbestos or asbestos-containing 49072
materials or products. Not later than thirty days after the last 49073
day of the month to which the return applies, the owner or 49074
operator shall mail to the board of health or the director the 49075
return for that month together with the amount of money 49076
calculated under division (A)(3) of this section on the disposal 49077
of construction and demolition debris and asbestos or asbestos- 49078
containing materials or products during that month or may submit 49079
the return and money electronically in a manner approved by the 49080
director. The owner or operator may request, in writing, an 49081
extension of not more than thirty days after the last day of the 49082
month to which the return applies. A request for extension may 49083
be denied. If the owner or operator submits the money late, the 49084
owner or operator shall pay a penalty of ten per cent of the 49085
amount of the money due for each month that it is late. Upon the 49086
request of the approved board of health and agreement by the 49087

director, the director may require that the owner or operator 49088
file monthly returns and submit money generated from fees to the 49089
director in accordance with division (A) (3) of this section. 49090

(4) Of the money that is submitted by a construction and 49091
demolition debris facility ~~or a solid waste facility~~ on a per 49092

under division (C) or (D) of this section to the applicable 49096
municipal corporation, township, or county, not later than 49097
forty-five days after the receipt of the money. However, if the 49098
director receives payment of fees by agreement between a board 49099
of health and the director under division (A) (3) of this 49100
section, the director shall retain three cents per cubic yard or 49101
six cents per ton, as applicable, and transmit the remaining 49102
amount to the board of health not later than forty-five days 49103
after receipt of the money less any fees levied pursuant to 49104
divisions (C) and (D) of this section. The money retained or 49105
received by a board of health under this section shall be paid 49106
into a special fund, which is hereby created in each health 49107
district, and used solely for the following purposes: 49108

facility to prevent any negative public health, safety, and 49118
welfare impact. 49119

The director shall transmit all money ~~received to which~~ 49120
the director is entitled under this section to the treasurer of 49121
state to be deposited in the state treasury to the credit of the 49122
waste management fund created in section 3734.061 of the Revised 49123
Code. 49124

director may enter into an agreement with the owner or operator 49126
of a construction and demolition debris facility ~~or a solid~~ 49127
~~waste facility~~ for the quarterly payment of money generated from 49128
the disposal fee as calculated in division (A) (3) of this 49129
section. The board of health shall notify the director of any 49130

director. The money retained by the board of health shall be 49134
deposited in the special fund of the district as required under 49135
that division. Upon receipt of the money from a board of health, 49136
the director shall transmit the money to the treasurer of state 49137
to be credited to the waste management fund. 49138

located within the territorial boundaries of the municipal 49183
corporation or township. 49184

~~facility~~ is located may appropriate up to three cents per cubic 49187
yard or up to six cents per ton of the disposal fee required to 49188

license under division (A) (1) or (2) of this section shall be 51063
accompanied by a nonrefundable application fee of one hundred 51064

human health, as determined by the director by rules adopted in 51087
accordance with Chapter 119. of the Revised Code. 51088

Not later than forty-five days after submitting an 51089
application under division (A) (2) (a) or (b) of this section for 51090

a public community involvement session on the application 51135
regarding the proposed new facility or, if the application 51136
involves a modification for the expansion of a facility, the 51137
proposed modified facility. The applicant shall hold the session 51138
within the county in which the new or modified solid waste 51139
facility is or is proposed to be located or within a contiguous 51140
county. 51141

Not less than thirty days before holding the public 51142
community involvement session, the applicant shall use best 51143
efforts to notify all property owners of record as depicted in 51144
the records of the county auditor, that are located within three 51145

(e) Except as provided in division (A) (2) (f) of this 51173
section, prior to taking an action, other than a proposed or 51174
final denial, upon an application submitted under division (A) 51175
(2) (a) of this section for a permit to open a new or modify an 51176
existing solid waste facility, the director shall hold a public 51177
information session and a public hearing on the application 51178
within the county in which the new or modified solid waste 51179
facility is or is proposed to be located or within a contiguous 51180
county. If the application is for a permit to open a new solid 51181
waste facility, the director shall hold the hearing not less 51182
than fourteen days after the information session. If the 51183
application is for a permit to modify an existing solid waste 51184
facility, the director may hold both the information session and 51185
the hearing on the same day unless any individual affected by 51186

the application requests in writing that the information session 51187
and the hearing not be held on the same day, in which case the 51188
director shall hold the hearing not less than fourteen days 51189
after the information session. The director shall publish notice 51190
of the public information session or public hearing not less 51191
than thirty days before holding the information session or 51192
hearing, as applicable. The notice shall be published in each 51193
newspaper of general circulation that is published in the county 51194
in which the facility is or is proposed to be located. ~~If no~~ 51195
~~newspaper of general circulation is published in the county, the~~ 51196
~~director shall publish the notice in a newspaper of general~~ 51197
~~circulation in the county~~ or by publication on the environmental 51198
protection agency's official web site. The notice shall contain 51199
the date, time, and location of the information session or 51200
hearing, as applicable, and a general description of the 51201
proposed new or modified facility. At the public information 51202
session, an officer or employee of the environmental protection 51203
agency shall describe the status of the permit application and 51204
be available to respond to comments or questions concerning the 51205
application. At the public hearing, any person may submit 51206
written or oral comments on or objections to the approval of the 51207
application. The applicant, or a representative of the applicant 51208
who has knowledge of the location, construction, and operation 51209
of the facility, shall attend the information session and public 51210
hearing to respond to comments or questions concerning the 51211
facility directed to the applicant or representative by the 51212
officer or employee of the environmental protection agency 51213
presiding at the information session and hearing. 51214

(f) The solid waste management policy committee of a 51215
county or joint solid waste management district may adopt a 51216
resolution requesting expeditious consideration of a specific 51217

application submitted under division (A) (2) (a) of this section 51218
for a permit to modify an existing solid waste facility within 51219
the district. The resolution shall make the finding that 51220
expedited consideration of the application without the public 51221
information session and public hearing under division (A) (2) (e) 51222
of this section is in the public interest and will not endanger 51223
human health, as determined by the director by rules adopted in 51224
accordance with Chapter 119. of the Revised Code. Upon receiving 51225
such a resolution, the director, at the director's discretion, 51226
may issue a final action upon the application without holding a 51227
public information session or public hearing pursuant to 51228
division (A) (2) (e) of this section. 51229

(3) The director may issue an order in accordance with 51230
Chapter 3745. of the Revised Code to the owner or operator of a 51231
solid waste facility requiring the person to submit to the 51232
director updated engineering detail plans, specifications, and 51233
information regarding the facility and its method of operation 51234
for approval under rules adopted under division (A) of section 51235
3734.02 of the Revised Code and applicable rules adopted under 51236
division (D) of section 3734.12 of the Revised Code if, in the 51237
director's judgment, conditions at the facility constitute a 51238
substantial threat to public health or safety or are causing or 51239
contributing to or threatening to cause or contribute to air or 51240
water pollution or soil contamination. Any person who receives 51241
such an order shall submit the updated engineering detail plans, 51242
specifications, and information to the director within one 51243
hundred eighty days after the effective date of the order. 51244

(4) The director shall act upon any updated engineering 51245
plans, specifications, and information submitted under division 51246
(A) (3) of this section within one hundred eighty days after 51247
receiving them. If the director issues an order disapproving the 51248

plans, specifications, and information submitted under division 51249
(A) (3) of this section, the order shall include all of the 51250
following requirements: 51251

(a) That the owner or operator submit a plan for closure 51252
and post-closure care of the facility to the director for 51253
approval within six months after issuance of the order; 51254

(b) That the owner or operator cease accepting solid 51255
wastes for disposal or transfer at the facility; and 51256

(c) The owner or operator commence closure of the facility 51257
not later than one year after issuance of the order. 51258

If the director determines that closure of the facility 51259
within that one-year period would result in the unavailability 51260
of sufficient solid waste management facility capacity within 51261
the county or joint solid waste management district in which the 51262
facility is located to dispose of or transfer the solid waste 51263
generated within the district, the director in the order of 51264
disapproval may postpone commencement of closure of the facility 51265
for such period of time as the director finds necessary for the 51266
board of county commissioners or directors of the district to 51267
secure access to or for there to be constructed within the 51268
district sufficient solid waste management facility capacity to 51269
meet the needs of the district, provided that the director shall 51270
certify in the director's order that postponing the date for 51271
commencement of closure will not endanger ground water or any 51272
property surrounding the facility, allow methane gas migration 51273
to occur, or cause or contribute to any other type of 51274
environmental damage. 51275

If an emergency need for disposal capacity that may affect 51276
public health and safety exists as a result of closure of a 51277

facility under division (A) (4) of this section, the director may 51278
issue an order designating another solid waste facility to 51279
accept the wastes that would have been disposed of at the 51280
facility to be closed. 51281

(5) If the director determines that standards more 51282
stringent than those applicable in rules adopted under division 51283
(A) of section 3734.02 of the Revised Code and division (D) of 51284
section 3734.12 of the Revised Code, or standards pertaining to 51285
subjects not specifically addressed by those rules, are 51286
necessary to ensure that a solid waste facility constructed at 51287
the proposed location will not cause a nuisance, cause or 51288
contribute to water pollution, or endanger public health or 51289
safety, the director may issue a permit for the facility with 51290
such terms and conditions as the director finds necessary to 51291
protect public health and safety and the environment. If a 51292
permit is issued, the director shall state in the order issuing 51293
it the specific findings supporting each such term or condition. 51294

(6) Divisions (A) (1) and (2) (a) of this section do not 51295
apply to a solid waste compost facility that accepts exclusively 51296
source separated yard wastes and that is registered under 51297
division (C) of section 3734.02 of the Revised Code or, unless 51298
otherwise provided in rules adopted under division (N) (3) of 51299
section 3734.02 of the Revised Code, to a solid waste compost 51300
facility if the director has adopted rules establishing an 51301
alternative system for authorizing the establishment, operation, 51302
or modification of a solid waste compost facility under that 51303
division. 51304

(7) Divisions (A) (1) to (5) of this section do not apply 51305
to scrap tire collection, storage, monocell, monofill, and 51306
recovery facilities. The approval of plans and specifications, 51307

as applicable, and the issuance of registration certificates, 51308
permits, and licenses for those facilities are subject to 51309
sections 3734.75 to 3734.78 of the Revised Code, as applicable, 51310
and section 3734.81 of the Revised Code. 51311

(B) (1) No person shall operate or maintain an infectious 51312
waste treatment facility without a license issued by the board 51313
of health of the health district in which the facility is 51314
located or by the director when the health district in which the 51315
facility is located is not on the approved list under section 51316
3734.08 of the Revised Code. 51317

(2) (a) During the month of December, but before the first 51318
day of January of the next year, every person proposing to 51319
continue to operate an existing infectious waste treatment 51320
facility shall procure a license to operate the facility for 51321
that year from the board of health of the health district in 51322
which the facility is located or, if the health district is not 51323
on the approved list under section 3734.08 of the Revised Code, 51324
from the director. The application for such a license shall be 51325
submitted to the board of health or to the director, as 51326
appropriate, on or before the last day of September of the year 51327
preceding that for which the license is sought. In addition to 51328
the application fee prescribed in division (B) (2) (c) of this 51329
section, a person who submits an application after that date 51330
shall pay an additional ten per cent of the amount of the 51331
application fee for each week that the application is late. Late 51332
payment fees accompanying an application submitted to the board 51333
of health shall be credited to the special infectious waste fund 51334
of the health district created in division (C) of section 51335
3734.06 of the Revised Code, and late payment fees accompanying 51336
an application submitted to the director shall be credited to 51337
the general revenue fund. A person who has received a license, 51338

upon sale or disposition of an infectious waste treatment 51339
facility and upon consent of the board of health and the 51340
director, may have the license transferred to another person. 51341
The board of health or the director may include such terms and 51342
conditions in a license or revision to a license as are 51343
appropriate to ensure compliance with the infectious waste 51344
provisions of this chapter and rules adopted under them. 51345

(b) Each person proposing to open a new infectious waste 51346
treatment facility or to modify an existing infectious waste 51347
treatment facility shall submit an application for a permit with 51348
accompanying detail plans and specifications to the 51349
environmental protection agency for required approval under the 51350
rules adopted by the director pursuant to section 3734.021 of 51351
the Revised Code two hundred seventy days before proposed 51352
operation of the facility and concurrently shall make 51353
application for a license with the board of health of the health 51354
district in which the facility is or is proposed to be located. 51355
Not later than ninety days after receiving a complete 51356
application under division (B) (2) (b) of this section for a 51357
permit to open a new infectious waste treatment facility or 51358
modify an existing infectious waste treatment facility to expand 51359
its treatment capacity, or receiving a complete application 51360
under division (A) (2) (a) of this section for a permit to open a 51361
new solid waste incineration facility, or modify an existing 51362
solid waste incineration facility to also treat infectious 51363
wastes or to increase its infectious waste treatment capacity, 51364
that pertains to a facility for which a notation authorizing 51365
infectious waste treatment is included or proposed to be 51366
included in the solid waste incineration facility's license 51367
pursuant to division (B) (3) of this section, the director shall 51368
hold a public hearing on the application within the county in 51369

which the new or modified infectious waste or solid waste 51370
facility is or is proposed to be located or within a contiguous 51371
county. Not less than thirty days before holding the public 51372
hearing on the application, the director shall publish notice of 51373
the hearing in each newspaper that has general circulation and 51374
that is published in the county in which the facility is or is 51375
proposed to be located. ~~If there is no newspaper that has~~ 51376
~~general circulation and that is published in the county, the~~ 51377
~~director shall publish the notice in a newspaper of general~~ 51378
~~circulation in the county~~ or by publication on the environmental 51379
protection agency's official web site. The notice shall contain 51380
the date, time, and location of the public hearing and a general 51381
description of the proposed new or modified facility. At the 51382
public hearing, any person may submit written or oral comments 51383
on or objections to the approval or disapproval of the 51384
application. The applicant, or a representative of the applicant 51385
who has knowledge of the location, construction, and operation 51386
of the facility, shall attend the public hearing to respond to 51387
comments or questions concerning the facility directed to the 51388
applicant or representative by the officer or employee of the 51389
environmental protection agency presiding at the hearing. 51390

(c) Each application for a permit under division (B) (2) (b) 51391
of this section shall be accompanied by a nonrefundable 51392
application fee of four hundred dollars that shall be credited 51393
to the general revenue fund. Each application for an annual 51394
license under division (B) (2) (a) of this section shall be 51395
accompanied by a nonrefundable application fee of one hundred 51396
dollars. If the application for an annual license is submitted 51397
to a board of health on the approved list under section 3734.08 51398
of the Revised Code, the application fee shall be credited to 51399
the special infectious waste fund of the health district created 51400

in division (C) of section 3734.06 of the Revised Code. If the 51401
application for an annual license is submitted to the director, 51402
the application fee shall be credited to the general revenue 51403
fund. If a permit or license is issued, the amount of the 51404
application fee paid shall be deducted from the amount of the 51405
permit fee due under division ~~(Q)~~(P) of section 3745.11 of the 51406
Revised Code or the amount of the license fee due under division 51407
(C) of section 3734.06 of the Revised Code. 51408

(d) The director may issue an order in accordance with 51409
Chapter 3745. of the Revised Code to the owner or operator of an 51410
infectious waste treatment facility requiring the person to 51411
submit to the director updated engineering detail plans, 51412
specifications, and information regarding the facility and its 51413
method of operation for approval under rules adopted under 51414
section 3734.021 of the Revised Code if, in the director's 51415
judgment, conditions at the facility constitute a substantial 51416
threat to public health or safety or are causing or contributing 51417
to or threatening to cause or contribute to air or water 51418
pollution or soil contamination. Any person who receives such an 51419
order shall submit the updated engineering detail plans, 51420
specifications, and information to the director within one 51421
hundred eighty days after the effective date of the order. 51422

(e) The director shall act on any updated engineering 51423
plans, specifications, and information submitted under division 51424
(B) (2) (d) of this section within one hundred eighty days after 51425
receiving them. If the director disapproves any such updated 51426
engineering plans, specifications, and information, the director 51427
shall include in the order disapproving the plans the 51428
requirement that the owner or operator cease accepting 51429
infectious wastes for treatment at the facility. 51430

(3) Division (B) of this section does not apply to a generator of infectious wastes that meets any of the following conditions:

(a) Treats, by methods, techniques, and practices established by rules adopted under division (B) (2) (a) of section 3734.021 of the Revised Code, any of the following wastes:

(i) Infectious wastes that are generated on any premises that are owned or operated by the generator;

(ii) Infectious wastes that are generated by a generator who has staff privileges at a hospital as defined in section 3727.01 of the Revised Code;

(iii) Infectious wastes that are generated in providing care to a patient by an emergency medical services organization as defined in section 4765.01 of the Revised Code.

(b) Holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717. and a permit issued under Chapter 3704. of the Revised Code;

(i) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended;

(ii) Chapter 918. of the Revised Code;

(iii) Chapter 953. of the Revised Code.

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to

obtain a license under division (B) of this section as an 51458
infectious waste treatment facility. However, the solid waste 51459
facility license for the facility shall include the notation 51460
that the facility also treats infectious wastes. 51461

The director shall not issue a permit to open a new solid 51462
waste incineration facility unless the proposed facility 51463
complies with the requirements for the location of new 51464
infectious waste incineration facilities established in rules 51465
adopted under division (B) (2) (b) of section 3734.021 of the 51466
Revised Code. 51467

(C) Except for a facility or activity described in 51468
division (E) (3) of section 3734.02 of the Revised Code, a person 51469
who proposes to establish or operate a hazardous waste facility 51470
shall submit a complete application for a hazardous waste 51471
facility installation and operation permit and accompanying 51472
detail plans, specifications, and such information as the 51473
director may require to the environmental protection agency at 51474
least one hundred eighty days before the proposed beginning of 51475
operation of the facility. The applicant shall notify by 51476
certified mail the legislative authority of each municipal 51477
corporation, township, and county in which the facility is 51478
proposed to be located of the submission of the application 51479
within ten days after the submission or at such earlier time as 51480
the director may establish by rule. If the application is for a 51481
proposed new hazardous waste disposal or thermal treatment 51482
facility, the applicant also shall give actual notice of the 51483
general design and purpose of the facility to the legislative 51484
authority of each municipal corporation, township, and county in 51485
which the facility is proposed to be located at least ninety 51486
days before the permit application is submitted to the 51487
environmental protection agency. 51488

In accordance with rules adopted under section 3734.12 of the Revised Code, prior to the submission of a complete application for a hazardous waste facility installation and operation permit, the applicant shall hold at least one meeting in the township or municipal corporation in which the facility is proposed to be located, whichever is geographically closer to the proposed location of the facility. The meeting shall be open to the public and shall be held to inform the community of the proposed hazardous waste management activities and to solicit questions from the community concerning the activities.

(D) (1) Except as provided in section 3734.123 of the Revised Code, upon receipt of a complete application for a hazardous waste facility installation and operation permit under division (C) of this section, the director shall consider the application and accompanying information to determine whether the application complies with agency rules and the requirements of division (D) (2) of this section. After making a determination, the director shall issue either a draft permit or a notice of intent to deny the permit. The director, in accordance with rules adopted under section 3734.12 of the Revised Code or with rules adopted to implement Chapter 3745. of the Revised Code, shall provide public notice of the application and the draft permit or the notice of intent to deny the permit, provide an opportunity for public comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I) (3) of this

section unless the director finds and determines as follows: 51520

(a) The nature and volume of the waste to be treated, 51521
stored, or disposed of at the facility; 51522

(b) That the facility complies with the director's 51523
hazardous waste standards adopted pursuant to section 3734.12 of 51524
the Revised Code; 51525

(c) That the facility represents the minimum adverse 51526
environmental impact, considering the state of available 51527
technology and the nature and economics of various alternatives, 51528
and other pertinent considerations; 51529

(d) That the facility represents the minimum risk of all 51530
of the following: 51531

(i) Fires or explosions from treatment, storage, or 51532
disposal methods; 51533

(ii) Release of hazardous waste during transportation of 51534
hazardous waste to or from the facility; 51535

(iii) Adverse impact on the public health and safety. 51536

(e) That the facility will comply with this chapter and 51537
Chapters 3704. and 6111. of the Revised Code and all rules and 51538
standards adopted under them; 51539

(f) That if the owner of the facility, the operator of the 51540
facility, or any other person in a position with the facility 51541
from which the person may influence the installation and 51542
operation of the facility has been involved in any prior 51543
activity involving transportation, treatment, storage, or 51544
disposal of hazardous waste, that person has a history of 51545
compliance with this chapter and Chapters 3704. and 6111. of the 51546
Revised Code and all rules and standards adopted under them, the 51547

"Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 51548
42 U.S.C.A. 6921, as amended, and all regulations adopted under 51549
it, and similar laws and rules of other states if any such prior 51550
operation was located in another state that demonstrates 51551
sufficient reliability, expertise, and competency to operate a 51552
hazardous waste facility under the applicable provisions of this 51553
chapter and Chapters 3704. and 6111. of the Revised Code, the 51554
applicable rules and standards adopted under them, and terms and 51555
conditions of a hazardous waste facility installation and 51556
operation permit, given the potential for harm to the public 51557
health and safety and the environment that could result from the 51558
irresponsible operation of the facility. For off-site 51559
facilities, as defined in section 3734.41 of the Revised Code, 51560
the director may use the investigative reports of the attorney 51561
general prepared pursuant to section 3734.42 of the Revised Code 51562
as a basis for making a finding and determination under division 51563
(D) (2) (f) of this section. 51564

(g) That the active areas within a new hazardous waste 51565
facility where acute hazardous waste as listed in 40 C.F.R. 51566
261.33 (e), as amended, or organic waste that is toxic and is 51567
listed under 40 C.F.R. 261, as amended, is being stored, 51568
treated, or disposed of and where the aggregate of the storage 51569
design capacity and the disposal design capacity of all 51570
hazardous waste in those areas is greater than two hundred fifty 51571
thousand gallons, are not located or operated within any of the 51572
following: 51573

(i) Two thousand feet of any residence, school, hospital, 51574
jail, or prison; 51575

(ii) Any naturally occurring wetland; 51576

(iii) Any flood hazard area if the applicant cannot show 51577

that the facility will be designed, constructed, operated, and 51578
maintained to prevent washout by a one-hundred-year flood. 51579

Division (D) (2) (g) of this section does not apply to the 51580
facility of any applicant who demonstrates to the director that 51581
the limitations specified in that division are not necessary 51582
because of the nature or volume of the waste and the manner of 51583
management applied, the facility will impose no substantial 51584
danger to the health and safety of persons occupying the 51585
structures listed in division (D) (2) (g) (i) of this section, and 51586
the facility is to be located or operated in an area where the 51587
proposed hazardous waste activities will not be incompatible 51588
with existing land uses in the area. 51589

(h) That the facility will not be located within the 51590
boundaries of a state park established or dedicated under 51591
Chapter 1546. of the Revised Code, a state park purchase area 51592
established under section 1546.06 of the Revised Code, any unit 51593
of the national park system, or any property that lies within 51594
the boundaries of a national park or recreation area, but that 51595
has not been acquired or is not administered by the secretary of 51596
the United States department of the interior, located in this 51597
state, or any candidate area located in this state identified 51598
for potential inclusion in the national park system in the 51599
edition of the "national park system plan" submitted under 51600
paragraph (b) of section 8 of "The Act of August 18, 1970," 84 51601
Stat. 825, 16 U.S.C.A. 1a-5, as amended, current at the time of 51602
filing of the application for the permit, unless the facility 51603
will be used exclusively for the storage of hazardous waste 51604
generated within the park or recreation area in conjunction with 51605
the operation of the park or recreation area. Division (D) (2) (h) 51606
of this section does not apply to the facility of any applicant 51607
for modification of a permit unless the modification application 51608

proposes to increase the land area included in the facility or 51609
to increase the quantity of hazardous waste that will be 51610
treated, stored, or disposed of at the facility. 51611

(3) Not later than one hundred eighty days after the end 51612
of the public comment period, the director, without prior 51613
hearing, shall issue or deny the permit in accordance with 51614
Chapter 3745. of the Revised Code. If the director approves an 51615
application for a hazardous waste facility installation and 51616
operation permit, the director shall issue the permit, upon such 51617
terms and conditions as the director finds are necessary to 51618
ensure the construction and operation of the hazardous waste 51619
facility in accordance with the standards of this section. 51620

(E) No political subdivision of this state shall require 51621
any additional zoning or other approval, consent, permit, 51622
certificate, or condition for the construction or operation of a 51623
hazardous waste facility authorized by a hazardous waste 51624
facility installation and operation permit issued pursuant to 51625
this chapter, nor shall any political subdivision adopt or 51626
enforce any law, ordinance, or rule that in any way alters, 51627
impairs, or limits the authority granted in the permit. 51628

(F) The director may issue a single hazardous waste 51629
facility installation and operation permit to a person who 51630
operates two or more adjoining facilities where hazardous waste 51631
is stored, treated, or disposed of if the application includes 51632
detail plans, specifications, and information on all facilities. 51633
For the purposes of this section, "adjoining" means sharing a 51634
common boundary, separated only by a public road, or in such 51635
proximity that the director determines that the issuance of a 51636
single permit will not create a hazard to the public health or 51637
safety or the environment. 51638

(G) No person shall falsify or fail to keep or submit any plans, specifications, data, reports, records, manifests, or other information required to be kept or submitted to the director by this chapter or the rules adopted under it.

(H) (1) Each person who holds an installation and operation permit issued under this section and who wishes to obtain a permit renewal shall submit a completed application for an installation and operation permit renewal and any necessary accompanying general plans, detail plans, specifications, and such information as the director may require to the director no later than one hundred eighty days prior to the expiration date of the existing permit or upon a later date prior to the expiration of the existing permit if the permittee can demonstrate good cause for the late submittal. The director shall consider the application and accompanying information, inspection reports of the facility, results of performance tests, a report regarding the facility's compliance or noncompliance with the terms and conditions of its permit and rules adopted by the director under this chapter, and such other information as is relevant to the operation of the facility and shall issue a draft renewal permit or a notice of intent to deny the renewal permit. The director, in accordance with rules adopted under this section or with rules adopted to implement Chapter 3745. of the Revised Code, shall give public notice of the application and draft renewal permit or notice of intent to deny the renewal permit, provide for the opportunity for public comments within a specified time period, schedule a public meeting in the county in which the facility is located if significant interest is shown, and give public notice of the public meeting.

(2) Within sixty days after the public meeting or close of

the public comment period, the director, without prior hearing, 51670
shall issue or deny the renewal permit in accordance with 51671
Chapter 3745. of the Revised Code. The director shall not issue 51672
a renewal permit unless the director determines that the 51673
facility under the existing permit has a history of compliance 51674
with this chapter, rules adopted under it, the existing permit, 51675
or orders entered to enforce such requirements that demonstrates 51676
sufficient reliability, expertise, and competency to operate the 51677
facility henceforth under this chapter, rules adopted under it, 51678
and the renewal permit. If the director approves an application 51679
for a renewal permit, the director shall issue the permit 51680
subject to the payment of the annual permit fee required under 51681
division (E) of section 3734.02 of the Revised Code and upon 51682
such terms and conditions as the director finds are reasonable 51683
to ensure that continued operation, maintenance, closure, and 51684
post-closure care of the hazardous waste facility are in 51685
accordance with the rules adopted under section 3734.12 of the 51686
Revised Code. 51687

(3) An installation and operation permit renewal 51688
application submitted to the director that also contains or 51689
would constitute an application for a modification shall be 51690
acted upon by the director in accordance with division (I) of 51691
this section in the same manner as an application for a 51692
modification. In approving or disapproving the renewal portion 51693
of a permit renewal application containing an application for a 51694
modification, the director shall apply the criteria established 51695
under division (H) (2) of this section. 51696

(4) An application for renewal or modification of a permit 51697
that does not contain an application for a modification as 51698
described in divisions (I) (3) (a) to (d) of this section shall 51699
not be subject to division (D) (2) of this section. 51700

(I) (1) As used in this section, "modification" means a change or alteration to a hazardous waste facility or its operations that is inconsistent with or not authorized by its existing permit or authorization to operate. Modifications shall be classified as Class 1, 2, or 3 modifications in accordance with rules adopted under division (K) of this section. Modifications classified as Class 3 modifications, in accordance with rules adopted under that division, shall be further classified by the director as either Class 3 modifications that are to be approved or disapproved by the director under divisions (I) (3) (a) to (d) of this section or as Class 3 modifications that are to be approved or disapproved by the director under division (I) (5) of this section. Not later than thirty days after receiving a request for a modification under division (I) (4) of this section that is not listed in Appendix I to 40 C.F.R. 270.42 or in rules adopted under division (K) of this section, the director shall classify the modification and shall notify the owner or operator of the facility requesting the modification of the classification. Notwithstanding any other law to the contrary, a modification that involves the transfer of a hazardous waste facility installation and operation permit to a new owner or operator for any off-site facility as defined in section 3734.41 of the Revised Code shall be classified as a Class 3 modification. The transfer of a hazardous waste facility installation and operation permit to a new owner or operator for a facility that is not an off-site facility shall be classified as a Class 1 modification requiring prior approval of the director.

(2) Except as provided in section 3734.123 of the Revised Code, a hazardous waste facility installation and operation permit may be modified at the request of the director or upon

the written request of the permittee only if any of the 51732
following applies: 51733

(a) The permittee desires to accomplish alterations, 51734
additions, or deletions to the permitted facility or to 51735
undertake alterations, additions, deletions, or activities that 51736
are inconsistent with or not authorized by the existing permit; 51737

(b) New information or data justify permit conditions in 51738
addition to or different from those in the existing permit; 51739

(c) The standards, criteria, or rules upon which the 51740
existing permit is based have been changed by new, amended, or 51741
rescinded standards, criteria, or rules, or by judicial decision 51742
after the existing permit was issued, and the change justifies 51743
permit conditions in addition to or different from those in the 51744
existing permit; 51745

(d) The permittee proposes to transfer the permit to 51746
another person. 51747

(3) The director shall approve or disapprove an 51748
application for a modification in accordance with division (D) 51749
(2) of this section and rules adopted under division (K) of this 51750
section for all of the following categories of Class 3 51751
modifications: 51752

(a) Authority to conduct treatment, storage, or disposal 51753
at a site, location, or tract of land that has not been 51754
authorized for the proposed category of treatment, storage, or 51755
disposal activity by the facility's permit; 51756

(b) Modification or addition of a hazardous waste 51757
management unit, as defined in rules adopted under section 51758
3734.12 of the Revised Code, that results in an increase in a 51759
facility's storage capacity of more than twenty-five per cent 51760

over the capacity authorized by the facility's permit, an 51761
increase in a facility's treatment rate of more than twenty-five 51762
per cent over the rate so authorized, or an increase in a 51763
facility's disposal capacity over the capacity so authorized. 51764
The authorized disposal capacity for a facility shall be 51765
calculated from the approved design plans for the disposal units 51766
at that facility. In no case during a five-year period shall a 51767
facility's storage capacity or treatment rate be modified to 51768
increase by more than twenty-five per cent in the aggregate 51769
without the director's approval in accordance with division (D) 51770
(2) of this section. Notwithstanding any provision of division 51771
(I) of this section to the contrary, a request for modification 51772
of a facility's annual total waste receipt limit shall be 51773
classified and approved or disapproved by the director under 51774
division (I) (5) of this section. 51775

(c) Authority to add any of the following categories of 51776
regulated activities not previously authorized at a facility by 51777
the facility's permit: storage at a facility not previously 51778
authorized to store hazardous waste, treatment at a facility not 51779
previously authorized to treat hazardous waste, or disposal at a 51780
facility not previously authorized to dispose of hazardous 51781
waste; or authority to add a category of hazardous waste 51782
management unit not previously authorized at the facility by the 51783
facility's permit. Notwithstanding any provision of division (I) 51784
of this section to the contrary, a request for authority to add 51785
or to modify an activity or a hazardous waste management unit 51786
for the purposes of performing a corrective action shall be 51787
classified and approved or disapproved by the director under 51788
division (I) (5) of this section. 51789

(d) Authority to treat, store, or dispose of waste types 51790
listed or characterized as reactive or explosive, in rules 51791

adopted under section 3734.12 of the Revised Code, or any acute hazardous waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not previously authorized to treat, store, or dispose of those types of wastes by the facility's permit unless the requested authority is limited to wastes that no longer exhibit characteristics meeting the criteria for listing or characterization as reactive or explosive wastes, or for listing as acute hazardous waste, but still are required to carry those waste codes as established in rules adopted under section 3734.12 of the Revised Code because of the requirements established in 40 C.F.R. 261(a) and (e), as amended, that is, the "mixture," "derived-from," or "contained-in" regulations.

(4) A written request for a modification from the permittee shall be submitted to the director and shall contain such information as is necessary to support the request. Requests for modifications shall be acted upon by the director in accordance with this section and rules adopted under it.

(5) Class 1 modification applications that require prior approval of the director, as provided in division (I)(1) of this section or as determined in accordance with rules adopted under division (K) of this section, Class 2 modification applications, and Class 3 modification applications that are not described in divisions (I)(3)(a) to (d) of this section shall be approved or disapproved by the director in accordance with rules adopted under division (K) of this section. The board of county commissioners of the county, the board of township trustees of the township, and the city manager or mayor of the municipal corporation in which a hazardous waste facility is located shall receive notification of any application for a modification for that facility and shall be considered as interested persons with respect to the director's consideration of the application.

As used in division (I) of this section: 51823

(a) "Owner" means the person who owns a majority or 51824
controlling interest in a facility. 51825

(b) "Operator" means the person who is responsible for the 51826
overall operation of a facility. 51827

The director shall approve or disapprove an application 51828
for a Class 1 modification that requires the director's approval 51829
within sixty days after receiving the request for modification. 51830
The director shall approve or disapprove an application for a 51831
Class 2 modification within three hundred days after receiving 51832
the request for modification. The director shall approve or 51833
disapprove an application for a Class 3 modification within 51834
three hundred sixty-five days after receiving the request for 51835
modification. 51836

(6) The approval or disapproval by the director of a Class 51837
1 modification application is not a final action that is 51838
appealable under Chapter 3745. of the Revised Code. The approval 51839
or disapproval by the director of a Class 2 modification or a 51840
Class 3 modification is a final action that is appealable under 51841
that chapter. In approving or disapproving a request for a 51842
modification, the director shall consider all comments 51843
pertaining to the request that are received during the public 51844
comment period and the public meetings. The administrative 51845
record for appeal of a final action by the director in approving 51846
or disapproving a request for a modification shall include all 51847
comments received during the public comment period relating to 51848
the request for modification, written materials submitted at the 51849
public meetings relating to the request, and any other documents 51850
related to the director's action. 51851

(7) Notwithstanding any other provision of law to the contrary, a change or alteration to a hazardous waste facility described in division (E) (3) (a) or (b) of section 3734.02 of the Revised Code, or its operations, is a modification for the purposes of this section. An application for a modification at such a facility shall be submitted, classified, and approved or disapproved in accordance with divisions (I) (1) to (6) of this section in the same manner as a modification to a hazardous waste facility installation and operation permit.

(J) (1) Except as provided in division (J) (2) of this section, an owner or operator of a hazardous waste facility that is operating in accordance with a permit by rule under rules adopted by the director under division (E) (3) (b) of section 3734.02 of the Revised Code shall submit either a hazardous waste facility installation and operation permit application for the facility or a modification application, whichever is required under division (J) (1) (a) or (b) of this section, within one hundred eighty days after the director has requested the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal.

(a) If the owner or operator does not have a hazardous waste facility installation and operation permit for any hazardous waste treatment, storage, or disposal activities at the facility, the owner or operator shall submit an application for such a permit to the director for the activities authorized by the permit by rule. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the application for the permit in accordance with the procedures governing the approval or disapproval of permit renewals under division (H) of this section.

(b) If the owner or operator has a hazardous waste facility installation and operation permit for hazardous waste treatment, storage, or disposal activities at the facility other than those authorized by the permit by rule, the owner or operator shall submit to the director a request for modification in accordance with division (I) of this section. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the modification application in accordance with division (I)(5) of this section.

(2) The owner or operator of a boiler or industrial furnace that is conducting thermal treatment activities in accordance with a permit by rule under rules adopted by the director under division (E)(3)(b) of section 3734.02 of the Revised Code shall submit a hazardous waste facility installation and operation permit application if the owner or operator does not have such a permit for any hazardous waste treatment, storage, or disposal activities at the facility or, if the owner or operator has such a permit for hazardous waste treatment, storage, or disposal activities at the facility other than thermal treatment activities authorized by the permit by rule, a modification application to add those activities authorized by the permit by rule, whichever is applicable, within one hundred eighty days after the director has requested the submission of the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal. The application shall be accompanied by information necessary to support the request. The director shall approve or disapprove an application for a hazardous waste facility installation and operation permit in accordance with division (D) of this section and approve or disapprove an application for a modification in accordance with division (I)

(3) of this section, except that the director shall not 51913
disapprove an application for the thermal treatment activities 51914
on the basis of the criteria set forth in division (D) (2) (g) or 51915
(h) of this section. 51916

(3) As used in division (J) of this section: 51917

(a) "Modification application" means a request for a 51918
modification submitted in accordance with division (I) of this 51919
section. 51920

(b) "Thermal treatment," "boiler," and "industrial 51921
furnace" have the same meanings as in rules adopted under 51922
section 3734.12 of the Revised Code. 51923

(K) The director shall adopt, and may amend, suspend, or 51924
rescind, rules in accordance with Chapter 119. of the Revised 51925
Code in order to implement divisions (H) and (I) of this 51926
section. Except when in actual conflict with this section, rules 51927
governing the classification of and procedures for the 51928
modification of hazardous waste facility installation and 51929
operation permits shall be substantively and procedurally 51930
identical to the regulations governing hazardous waste facility 51931
permitting and permit modifications adopted under the "Resource 51932
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 51933
U.S.C.A. 6921, as amended. 51934

Sec. 3734.281. Except as otherwise provided in section 51935
3734.282 of the Revised Code, moneys collected from judgments_ 51936
judgments for the state or settlements with the director of 51937
environmental protection, including those associated with 51938
bankruptcies, related to actions brought under Chapter Chapters 51939
3704. and 3714. of the Revised Code, and section-sections 51940
3734.13, 3734.20, 3734.22, 6111.03, ~~or~~ and 6111.04 of the 51941

Revised Code; and moneys received under the "Comprehensive
Environmental Response, Compensation, and Liability Act of
1980," 94 Stat. 2767, 42 U.S.C. 9601 et seq., as amended, may be
paid into the state treasury to the credit of the environmental
protection remediation fund, which is hereby created. The
environmental protection agency shall use the moneys in the fund
only for the purpose of remediating conditions at a hazardous
waste facility, a solid waste facility, a construction and
demolition debris facility licensed under Chapter 3714. of the
Revised Code, or another location at which the director has
reason to believe there is a substantial threat to public health
or safety or the environment. Remediation may include the direct
and indirect costs associated with the overseeing, supervising,
performing, verifying, or reviewing of remediation activities by
agency employees. All investment earnings of the fund shall be
credited to the fund.

The director of environmental protection may enter into
contracts and grant agreements with federal, state, or local
government agencies, nonprofit organizations, and colleges and
universities for the purpose of carrying out the
responsibilities of the environmental protection agency for
which money may be expended from the fund.

Sec. 3734.283. Notwithstanding sections 3734.20 and
3734.22 of the Revised Code, when performing a remediation at a
facility or location for which money may be expended from the
environmental protection remediation fund under section 3734.281
of the Revised Code, the director of environmental protection,
through employees of the environmental protection agency or a
contractor, may enter upon the land for any of the following
purposes:

<u>(A) Conducting remediation activities funded by the</u>	51972
<u>environmental protection remediation fund;</u>	51973
<u>(B) Performing sampling and monitoring;</u>	51974
<u>(C) Abating or preventing air or water pollution or soil</u>	51975
<u>contamination from the facility or location;</u>	51976
<u>(D) Performing remediation activities;</u>	51977
<u>(E) Removing, transporting, and disposing of waste or</u>	51978
<u>debris into a landfill authorized to accept the type of waste or</u>	51979

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this division shall be collected by the owner or operator of the transfer facility as a trustee for the state. The amount of fees required to be collected under this division at such a

transfer facility shall equal the total tonnage of solid wastes 52029
received at the facility multiplied by the fees levied under 52030
this division. In the case of solid wastes that are not taken to 52031
a solid waste transfer facility located in this state prior to 52032
being transported to a solid waste disposal facility, the fees 52033
shall be collected by the owner or operator of the solid waste 52034
disposal facility as a trustee for the state. The amount of fees 52035
required to be collected under this division at such a disposal 52036
facility shall equal the total tonnage of solid wastes received 52037
at the facility that was not previously taken to a solid waste 52038
transfer facility located in this state multiplied by the fees 52039
levied under this division. Fees levied under this division do 52040
not apply to materials separated from a mixed waste stream for 52041
recycling by a generator or materials removed from the solid 52042
waste stream through recycling, as "recycling" is defined in 52043
rules adopted under section 3734.02 of the Revised Code. 52044

The owner or operator of a solid waste transfer facility 52045
or disposal facility, as applicable, shall prepare and file with 52046
the director of environmental protection each month a return 52047
indicating the total tonnage of solid wastes received at the 52048
facility during that month and the total amount of the fees 52049
required to be collected under this division during that month. 52050
In addition, the owner or operator of a solid waste disposal 52051
facility shall indicate on the return the total tonnage of solid 52052
wastes received from transfer facilities located in this state 52053
during that month for which the fees were required to be 52054
collected by the transfer facilities. The monthly returns shall 52055
be filed on a form prescribed by the director. Not later than 52056
thirty days after the last day of the month to which a return 52057
applies, the owner or operator shall mail to the director the 52058
return for that month together with the fees required to be 52059

collected under this division during that month as indicated on 52060
the return or may submit the return and fees electronically in a 52061
manner approved by the director. If the return is filed and the 52062
amount of the fees due is paid in a timely manner as required in 52063
this division, the owner or operator may retain a discount of 52064
three-fourths of one per cent of the total amount of the fees 52065
that are required to be paid as indicated on the return. 52066

The owner or operator may request an extension of not more 52067
than thirty days for filing the return and remitting the fees, 52068
provided that the owner or operator has submitted such a request 52069
in writing to the director together with a detailed description 52070
of why the extension is requested, the director has received the 52071
request not later than the day on which the return is required 52072
to be filed, and the director has approved the request. If the 52073
fees are not remitted within thirty days after the last day of 52074
the month to which the return applies or are not remitted by the 52075
last day of an extension approved by the director, the owner or 52076
operator shall not retain the three-fourths of one per cent 52077
discount and shall pay an additional ten per cent of the amount 52078
of the fees for each month that they are late. For purposes of 52079
calculating the late fee, the first month in which fees are late 52080
begins on the first day after the deadline has passed for timely 52081
submitting the return and fees, and one additional month shall 52082
be counted every thirty days thereafter. 52083

The owner or operator of a solid waste facility may 52084
request a refund or credit of fees levied under this division 52085
and remitted to the director that have not been paid to the 52086
owner or operator. Such a request shall be made only if the fees 52087
have not been collected by the owner or operator, have become a 52088
debt that has become worthless or uncollectable for a period of 52089
six months or more, and may be claimed as a deduction, including 52090

a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste

transfer or disposal facility that does not use scales as a 52121
means of determining gate receipts shall use a conversion factor 52122
of three cubic yards per ton of solid waste or one cubic yard 52123
per ton for baled waste, as applicable. 52124

The fees levied under this division and divisions (B) and 52125
(C) of this section are in addition to all other applicable fees 52126
and taxes and shall be paid by the customer or a political 52127
subdivision to the owner or operator of a solid waste transfer 52128
or disposal facility. In the alternative, the fees shall be paid 52129
by a customer or political subdivision to a transporter of waste 52130
who subsequently transfers the fees to the owner or operator of 52131
such a facility. The fees shall be paid notwithstanding the 52132
existence of any provision in a contract that the customer or a 52133
political subdivision may have with the owner or operator or 52134
with a transporter of waste to the facility that would not 52135
require or allow such payment regardless of whether the contract 52136
was entered prior to or after October 16, 2009. For those 52137
purposes, "customer" means a person who contracts with, or 52138
utilizes the solid waste services of, the owner or operator of a 52139
solid waste transfer or disposal facility or a transporter of 52140
solid waste to such a facility. 52141

(B) For the purposes specified in division (G) of this 52142
section, the solid waste management policy committee of a county 52143
or joint solid waste management district may levy fees upon the 52144
following activities: 52145

(1) The disposal at a solid waste disposal facility 52146
located in the district of solid wastes generated within the 52147
district; 52148

(2) The disposal at a solid waste disposal facility within 52149
the district of solid wastes generated outside the boundaries of 52150

the district, but inside this state; 52151

(3) The disposal at a solid waste disposal facility within 52152
the district of solid wastes generated outside the boundaries of 52153
this state. 52154

The solid waste management plan of the county or joint 52155
district approved under section 3734.521 or 3734.55 of the 52156
Revised Code and any amendments to it, or the resolution adopted 52157
under this division, as appropriate, shall establish the rates 52158
of the fees levied under divisions (B) (1), (2), and (3) of this 52159
section, if any, and shall specify whether the fees are levied 52160
on the basis of tons or cubic yards as the unit of measurement. 52161
A solid waste management district that levies fees under this 52162
division on the basis of cubic yards shall do so in accordance 52163
with division (A) of this section. 52164

The fee levied under division (B) (1) of this section shall 52165
be not less than one dollar per ton nor more than two dollars 52166
per ton, the fee levied under division (B) (2) of this section 52167
shall be not less than two dollars per ton nor more than four 52168
dollars per ton, and the fee levied under division (B) (3) of 52169
this section shall be not more than the fee levied under 52170
division (B) (1) of this section. 52171

Prior to the approval of the solid waste management plan 52172
of a district under section 3734.55 of the Revised Code, the 52173
solid waste management policy committee of a district may levy 52174
fees under this division by adopting a resolution establishing 52175
the proposed amount of the fees. Upon adopting the resolution, 52176
the committee shall deliver a copy of the resolution to the 52177
board of county commissioners of each county forming the 52178
district and to the legislative authority of each municipal 52179
corporation and township under the jurisdiction of the district 52180

and shall prepare and publish the resolution and a notice of the 52181
time and location where a public hearing on the fees will be 52182
held. Upon adopting the resolution, the committee shall deliver 52183
written notice of the adoption of the resolution; of the amount 52184
of the proposed fees; and of the date, time, and location of the 52185
public hearing to the director and to the fifty industrial, 52186
commercial, or institutional generators of solid wastes within 52187
the district that generate the largest quantities of solid 52188
wastes, as determined by the committee, and to their local trade 52189
associations. The committee shall make good faith efforts to 52190
identify those generators within the district and their local 52191
trade associations, but the nonprovision of notice under this 52192
division to a particular generator or local trade association 52193
does not invalidate the proceedings under this division. The 52194
publication shall occur at least thirty days before the hearing. 52195
After the hearing, the committee may make such revisions to the 52196
proposed fees as it considers appropriate and thereafter, by 52197
resolution, shall adopt the revised fee schedule. Upon adopting 52198
the revised fee schedule, the committee shall deliver a copy of 52199
the resolution doing so to the board of county commissioners of 52200
each county forming the district and to the legislative 52201
authority of each municipal corporation and township under the 52202
jurisdiction of the district. Within sixty days after the 52203
delivery of a copy of the resolution adopting the proposed 52204
revised fees by the policy committee, each such board and 52205
legislative authority, by ordinance or resolution, shall approve 52206
or disapprove the revised fees and deliver a copy of the 52207
ordinance or resolution to the committee. If any such board or 52208
legislative authority fails to adopt and deliver to the policy 52209
committee an ordinance or resolution approving or disapproving 52210
the revised fees within sixty days after the policy committee 52211
delivered its resolution adopting the proposed revised fees, it 52212

shall be conclusively presumed that the board or legislative authority has approved the proposed revised fees. The committee shall determine if the resolution has been ratified in the same manner in which it determines if a draft solid waste management plan has been ratified under division (B) of section 3734.55 of the Revised Code.

The committee may amend the schedule of fees levied pursuant to a resolution adopted and ratified under this division by adopting a resolution establishing the proposed amount of the amended fees. The committee may repeal the fees levied pursuant to such a resolution by adopting a resolution proposing to repeal them. Upon adopting such a resolution, the committee shall proceed to obtain ratification of the resolution in accordance with this division.

Not later than fourteen days after declaring the new fees to be ratified or the fees to be repealed under this division, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the ratification and the amount of the fees or of the repeal of the fees. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

Fees levied under this division also may be established, amended, or repealed by a solid waste management policy committee through the adoption of a new district solid waste management plan, the adoption of an amended plan, or the amendment of the plan or amended plan in accordance with sections 3734.55 and 3734.56 of the Revised Code or the adoption or amendment of a district plan in connection with a change in

district composition under section 3734.521 of the Revised Code. 52243

Not later than fourteen days after the director issues an 52244
order approving a district's solid waste management plan, 52245
amended plan, or amendment to a plan or amended plan that 52246
establishes, amends, or repeals a schedule of fees levied by the 52247
district, the committee shall notify by certified mail the owner 52248
or operator of each solid waste disposal facility that is 52249
required to collect the fees of the approval of the plan or 52250
amended plan, or the amendment to the plan, as appropriate, and 52251
the amount of the fees, if any. In the case of an initial or 52252
amended plan approved under section 3734.521 of the Revised Code 52253
in connection with a change in district composition, other than 52254
one involving the withdrawal of a county from a joint district, 52255
the committee, within fourteen days after the change takes 52256
effect pursuant to division (G) of that section, shall notify by 52257
certified mail the owner or operator of each solid waste 52258
disposal facility that is required to collect the fees that the 52259
change has taken effect and of the amount of the fees, if any. 52260
Collection of any fees shall commence or collection of repealed 52261
fees shall cease on the first day of the second month following 52262
the month in which notification is sent to the owner or 52263
operator. 52264

If, in the case of a change in district composition 52265
involving the withdrawal of a county from a joint district, the 52266
director completes the actions required under division (G) (1) or 52267
(3) of section 3734.521 of the Revised Code, as appropriate, 52268
forty-five days or more before the beginning of a calendar year, 52269
the policy committee of each of the districts resulting from the 52270
change that obtained the director's approval of an initial or 52271
amended plan in connection with the change, within fourteen days 52272
after the director's completion of the required actions, shall 52273

notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees or amended fees levied under divisions (B) (1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of January immediately following the issuance of the notice. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on that first day of January.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G) (1) or (3) of section 3734.521 of the Revised Code, as appropriate, less than forty-five days before the beginning of a calendar year, the director, on behalf of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change proceedings, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the mailing of the notice and of the amount of the fees or amended fees levied under divisions (B) (1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of the second

month following the month in which notification is sent to the owner or operator. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If the schedule of fees that a solid waste management district is levying under divisions (B) (1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B) (1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township

for reductions in real property tax revenues due to reductions 52335
in real property valuations resulting from the location and 52336
operation of a solid waste disposal facility within the 52337
municipal corporation or township, a municipal corporation or 52338
township in which such a solid waste disposal facility is 52339
located may levy a fee of not more than twenty-five cents per 52340
ton on the disposal of solid wastes at a solid waste disposal 52341
facility located within the boundaries of the municipal 52342
corporation or township regardless of where the wastes were 52343
generated. 52344

The legislative authority of a municipal corporation or 52345
township may levy fees under this division by enacting an 52346
ordinance or adopting a resolution establishing the amount of 52347
the fees. Upon so doing the legislative authority shall mail a 52348
certified copy of the ordinance or resolution to the board of 52349
county commissioners or directors of the county or joint solid 52350
waste management district in which the municipal corporation or 52351
township is located or, if a regional solid waste management 52352
authority has been formed under section 343.011 of the Revised 52353
Code, to the board of trustees of that regional authority, the 52354
owner or operator of each solid waste disposal facility in the 52355
municipal corporation or township that is required to collect 52356
the fee by the ordinance or resolution, and the director of 52357
environmental protection. Although the fees levied under this 52358
division are levied on the basis of tons as the unit of 52359
measurement, the legislative authority, in its ordinance or 52360
resolution levying the fees under this division, may direct that 52361
the fees be levied on the basis of cubic yards as the unit of 52362
measurement based upon a conversion factor of three cubic yards 52363
per ton generally or one cubic yard per ton for baled wastes. 52364

Not later than five days after enacting an ordinance or 52365

adopting a resolution under this division, the legislative 52366
authority shall so notify by certified mail the owner or 52367
operator of each solid waste disposal facility that is required 52368
to collect the fee. Collection of any fee levied on or after 52369
March 24, 1992, shall commence on the first day of the second 52370
month following the month in which notification is sent to the 52371
owner or operator. 52372

(D) (1) The fees levied under divisions (A), (B), and (C) 52373
of this section do not apply to the disposal of solid wastes 52374
that: 52375

(a) Are disposed of at a facility owned by the generator 52376
of the wastes when the solid waste facility exclusively disposes 52377
of solid wastes generated at one or more premises owned by the 52378
generator regardless of whether the facility is located on a 52379
premises where the wastes are generated; 52380

(b) Are generated from the combustion of coal, or from the 52381
combustion of primarily coal, regardless of whether the disposal 52382
facility is located on the premises where the wastes are 52383
generated; 52384

(c) Are asbestos or asbestos-containing materials or 52385
products disposed of at a construction and demolition debris 52386
facility that is licensed under Chapter 3714. of the Revised 52387
Code or at a solid waste facility that is licensed under this 52388
chapter. 52389

(2) Except as provided in section 3734.571 of the Revised 52390
Code, any fees levied under division (B) (1) of this section 52391
apply to solid wastes originating outside the boundaries of a 52392
county or joint district that are covered by an agreement for 52393
the joint use of solid waste facilities entered into under 52394

section 343.02 of the Revised Code by the board of county 52395
commissioners or board of directors of the county or joint 52396
district where the wastes are generated and disposed of. 52397

(3) When solid wastes, other than solid wastes that 52398
consist of scrap tires, are burned in a disposal facility that 52399
is an incinerator or energy recovery facility, the fees levied 52400
under divisions (A), (B), and (C) of this section shall be 52401
levied upon the disposal of the fly ash and bottom ash remaining 52402
after burning of the solid wastes and shall be collected by the 52403
owner or operator of the sanitary landfill where the ash is 52404
disposed of. 52405

(4) When solid wastes are delivered to a solid waste 52406
transfer facility, the fees levied under divisions (B) and (C) 52407
of this section shall be levied upon the disposal of solid 52408
wastes transported off the premises of the transfer facility for 52409
disposal and shall be collected by the owner or operator of the 52410
solid waste disposal facility where the wastes are disposed of. 52411

(5) The fees levied under divisions (A), (B), and (C) of 52412
this section do not apply to sewage sludge that is generated by 52413
a waste water treatment facility holding a national pollutant 52414
discharge elimination system permit and that is disposed of 52415
through incineration, land application, or composting or at 52416
another resource recovery or disposal facility that is not a 52417
landfill. 52418

(6) The fees levied under divisions (A), (B), and (C) of 52419
this section do not apply to solid wastes delivered to a solid 52420
waste composting facility for processing. When any unprocessed 52421
solid waste or compost product is transported off the premises 52422
of a composting facility and disposed of at a landfill, the fees 52423
levied under divisions (A), (B), and (C) of this section shall 52424

be collected by the owner or operator of the landfill where the 52425
unprocessed waste or compost product is disposed of. 52426

(7) When solid wastes that consist of scrap tires are 52427
processed at a scrap tire recovery facility, the fees levied 52428
under divisions (A), (B), and (C) of this section shall be 52429
levied upon the disposal of the fly ash and bottom ash or other 52430

Sec. 3734.79. (A) Except as provided in division (B) of 52595
this section, each application for a permit submitted under 52596
sections 3734.76 to 3734.78 of the Revised Code shall be 52597

protection may take action under this section to abate 52613
accumulations of scrap tires, solid waste that results from open 52614
dumping, or construction and demolition debris that is illegally 52615
disposed of. If the director determines that such an 52616
~~accumulation of scrap tires~~ constitutes a danger to the public 52617
health or safety or to the environment, the director shall issue 52618
an order under section 3734.13 of the Revised Code to the person 52619
responsible for the accumulation ~~of scrap tires~~ directing that 52620
person to remove the accumulation ~~of scrap tires~~ from the 52621
premises on which it is located and transport the tires to a 52622
scrap tire storage, monocell, monofill, or recovery facility 52623
licensed under section 3734.81 of the Revised Code, or transport 52624

operating in compliance with the laws of the state in which it 52628
is located, or to any other solid waste disposal facility in 52629
another state that is operating in compliance with the laws of 52630
that state. If the person responsible for causing the 52631
~~accumulation of scrap tires~~ is a person different from the owner 52632
of the land on which the accumulation is located, the director 52633
may issue such an order to the landowner. 52634

If the director is unable to ascertain immediately the 52635

owner of the land on which the accumulation is located, the 52641
director shall initiate any such actions against the person that 52642
the director has identified as responsible for causing the 52643
accumulation ~~of scrap tires~~. Failure of the director to make 52644
diligent efforts to ascertain the identity of the person 52645
responsible for causing the accumulation ~~of scrap tires~~ or to 52646

under this division, or an order issued under section 3734.13 of 52650
the Revised Code, requiring immediate removal of any 52651

Upon the written request of the recipient of an order 52653
issued under this division, the director may extend the time for 52654
compliance with the order if the request demonstrates that the 52655

comply with each milestone established in the order within the 52658
period of time specified in the order or, if the time for 52659
compliance with the order was so extended, within that time, the 52660
director shall take such actions as the director considers 52661
reasonable and necessary to remove and properly manage the 52662
accumulation of scrap tires, solid waste, or construction and 52663
demolition debris located on the land named in the order. The 52664
director, through employees of the environmental protection 52665

construction and demolition debris to a facility licensed under 52672
sections 3714.06 or 3734.05 of the Revised Code, as applicable. 52673

~~When performing a removal action under this section, the~~ 52674
~~director also may remove, transport, and dispose of any of the~~ 52675

~~the land named in the order;~~ 52679

~~(2) Any construction and demolition debris that was~~ 52680
~~illegally disposed of on the land named in the order.~~ 52681

The director shall enter into contracts for the storage, 52682
disposal, or processing of scrap tires, solid waste, or 52683
construction and demolition debris removed through removal 52684

If a person to whom a removal order is issued under this 52686
division fails to comply with the order and if the director 52687
performs a removal action under this section, the person to whom 52688
the removal order is issued is liable to the director for the 52689
costs incurred by the director for conducting the removal 52690
operation. The costs incurred include the storage, 52691
transportation, processing, or disposal of the scrap tires ~~or~~ 52692
~~any additional,~~ solid wastes, or construction and demolition 52693

an itemized record of those costs. Upon completion of the 52697
actions for which the costs were incurred, the director may 52698
record the costs at the office of the county recorder of the 52699
county in which the accumulation of scrap tires, ~~additional~~ 52700
solid wastes, ~~and~~ or construction and demolition debris were 52701
located. The costs so recorded constitute a lien on the property 52702

~~wastes, and construction and demolition debris were~~ was located 52704
until discharged. Upon the written request of the director, the 52705

If, in a civil action brought under this division, an 52712
owner of real property is ordered to pay to the director the 52713
costs of a removal action ~~that removed an accumulation of scrap~~ 52714
~~tires from the person's land~~ or if a lien is placed on the 52715
person's land for the costs of such a removal action, and, in 52716
either case, if the landowner was not the person responsible for 52717
causing the accumulation of ~~scrap tires~~ so removed, the 52718
landowner may bring a civil action against the person who was 52719
responsible for causing the accumulation to recover the amount 52720
of the removal costs that the court ordered the landowner to pay 52721
to the director or the amount of the removal costs certified to 52722
the county recorder as a lien on the landowner's property, 52723
whichever is applicable. If the landowner prevails in the civil 52724
action against the person who was responsible for causing the 52725
accumulation of ~~scrap tires~~, the court, as it considers 52726

appropriate, may award to the landowner the reasonable 52727
attorney's fees incurred by the landowner for bringing the 52728
action, court costs, and other reasonable expenses incurred by 52729
the landowner in connection with the civil action. A landowner 52730
shall bring such a civil action within two years after making 52731
the final payment of the removal costs to the director pursuant 52732
to the judgment rendered against the landowner in the civil 52733
action brought under this division upon the director's request 52734
or within two years after the director certified the costs of 52735
the removal action to the county recorder, as appropriate. A 52736

under this division, owned the land on which the removal action 52738
was performed may bring an action under this division to recover 52739
the costs of the removal action from the person responsible for 52740
causing the accumulation ~~of scrap tires~~ so removed regardless of 52741
whether the person owns the land at the time of bringing the 52742
action. 52743

Subject to the limitations set forth in division (G) of 52744
section 3734.82 of the Revised Code, the director may use moneys 52745

Sec. 3734.904. (A) By the twentieth day of each month, each person required to pay the fee imposed by section 3734.901 of the Revised Code shall file with the tax commissioner a return as prescribed by the tax commissioner and shall make payment of the full amount of the fee due for the preceding month ~~after deduction of any discount provided for under division (E) of this section.~~ The return shall be signed by the person required to file it, or an authorized employee, officer, or agent. (C) If any fee due is not paid timely in accordance with this section, the person liable for the fee shall pay interest, calculated at the rate per annum as prescribed by section 5703.47 of the Revised Code, from the date the fee payment was due to the date of payment or to the date an assessment is issued, whichever occurs first. Interest shall be paid in the same manner as the fee, and the commissioner may collect the interest by assessment pursuant to section 3734.907 of the Revised Code.

(D) If, in the estimation of the tax commissioner, the average liability of the person liable for the fee is such as not to merit monthly filing, the commissioner may authorize the person to file and pay at less frequent intervals. Returns are due by the twentieth day of the month following the close of the applicable reporting period authorized under this division.

~~(E) If a return is filed and the amount of the fee shown to be due on the return is paid on or before the date that the return is required to be filed under division (A) of this section or pursuant to division (D) of this section, whichever is applicable, the person liable for the fee is entitled to a discount of four per cent of the amount shown to be due on the return.~~

~~(F)~~ All money collected by the tax commissioner under this section shall be paid to the treasurer of state as revenue arising from the fee imposed by section 3734.901 of the Revised Code.

Sec. 3734.907. (A) Any person required to pay the fee imposed by section 3734.901 of the Revised Code is personally liable for the fee. The tax commissioner may make an assessment, based upon any information in the commissioner's possession,

against any person who fails to file a return or pay any fee, 52930
interest, or additional charge as required by sections 3734.90 52931
to 3734.9014 of the Revised Code. The commissioner shall give 52932
the person assessed written notice of the assessment in the 52933
manner provided in section 5703.37 of the Revised Code. With the 52934
notice, the commissioner shall provide instructions on how to 52935
petition for reassessment and request a hearing on the petition. 52936

(B) When the information in the possession of the tax 52937
commissioner indicates that a person liable for the fee imposed 52938
by section 3734.901 of the Revised Code has not paid the full 52939
amount of fee due, the commissioner may audit a representative 52940
sample of the person's business and may issue an assessment 52941
based on the audit. 52942

(C) A penalty of up to fifteen per cent may be added to 52943
all amounts assessed under this section. ~~The commissioner may~~ 52944

(D) Unless the person assessed files with the tax 52947
commissioner within sixty days after service of the notice of 52948
assessment, ~~either personally or by certified mail,~~ a written 52949
petition for reassessment signed by the person assessed or that 52950
person's authorized agent having knowledge of the facts, the 52951
assessment becomes final and the amount of the assessment is due 52952
and payable from the person assessed to the treasurer of state. 52953
The petition shall indicate the objections of the person 52954
assessed, but additional objections may be raised in writing if 52955
received by the commissioner prior to the date shown on the 52956
final determination. If the petition has been properly filed, 52957
the commissioner shall proceed under section 5703.60 of the 52958
Revised Code. 52959

(E) After an assessment becomes final, if any portion of the assessment, including accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the person assessed resides or in which the person's business is conducted. If the person assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state against the person assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state tire fee," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of the fee due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the day the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in

the same manner as the fee and may be collected by the issuance 52991
of an assessment under this section. 52992

(F) If the tax commissioner believes that collection of 52993
the fee will be jeopardized unless proceedings to collect or 52994
secure collection of the fee are instituted without delay, the 52995
commissioner may issue a jeopardy assessment against the person 52996
liable for the fee. Immediately upon the issuance of the 52997
jeopardy assessment, the commissioner shall file an entry with 52998
the clerk of the court of common pleas in the manner prescribed 52999
by division (E) of this section. Notice of the jeopardy 53000
assessment shall be served on the person assessed or the 53001
person's legal representative, as provided in section 5703.37 of 53002
the Revised Code, within five days of the filing of the entry 53003
with the clerk. The total amount assessed is immediately due and 53004
payable, unless the person assessed files a petition for 53005
reassessment in accordance with division (D) of this section and 53006
provides security in a form satisfactory to the commissioner and 53007
in an amount sufficient to satisfy the unpaid balance of the 53008
assessment. Full or partial payment of the assessment does not 53009
prejudice the commissioner's consideration of the petition for 53010
reassessment. 53011

(G) All money collected by the tax commissioner under this 53012
section shall be paid to the treasurer of state as revenue 53013
arising from the fee imposed by section 3734.901 of the Revised 53014
Code. 53015

Sec. 3742.32. (A) The director of health shall appoint an 53016

Sec. 3742.50. (A) As used in this section:	53057
(1) "Lead abatement costs" means costs incurred by a taxpayer for either of the following:	53058 53059

"Lead abatement costs" do not include such costs for which the taxpayer is reimbursed or such costs the taxpayer deducts or excludes in computing the taxpayer's federal adjusted gross income for federal income tax purposes or Ohio adjusted gross income as determined under section 5747.01 of the Revised Code.	53067 53068 53069 53070 53071
(2) "Eligible dwelling" means a residential unit constructed in this state before 1978.	53072 53073

(3) "Lead abatement specialist" means an individual who holds a valid license issued under section 3742.05 of the Revised Code.

(4) "Taxable year" and "taxpayer" have the same meanings as in section 5747.01 of the Revised Code.

(B) A taxpayer who incurs lead abatement costs on an eligible dwelling during a taxable year may apply to the director of health for a lead abatement tax credit certificate. The applicant shall list on the application the amount of lead abatement costs the applicant incurred for the eligible dwelling during the taxable year. The director, in consultation with the tax commissioner, shall prescribe the form of a lead abatement tax credit certificate, the manner by which an applicant shall apply for the certificate, and requirements for the submission of any record or other information an applicant must furnish with the application to verify the lead abatement costs.

(C) (1) Upon receipt of an application under division (B) of this section, the director of health shall verify all of the following:

(a) The residential unit that is the subject of the application is an eligible dwelling.

(b) The taxpayer incurred lead abatement costs during the taxable year related to the eligible dwelling.

(c) The eligible dwelling has passed a clearance examination in accordance with standards prescribed in rules adopted by the director under section 3742.03 or 3742.45 of the Revised Code.

(2) After verifying the conditions described in division (C) (1) of this section, the director shall issue a lead

on the eligible dwelling during the taxable year, (b) the amount 53105
of lead abatement costs listed on the application, or (c) ~~ten-~~ 53106
fifty thousand dollars, subject to the limitation in division 53107
(C) (3) of this section. 53108

(3) The director may not issue more than five million 53109
dollars in lead abatement tax credit certificates in any fiscal 53110
year. 53111

(D) The director of health, in consultation with the tax 53112
commissioner, may adopt rules in accordance with Chapter 119. of 53113
the Revised Code as necessary for the administration of this 53114
section. 53115

Sec. 3743.56. Each fireworks exhibitor licensed under 53116
section 3743.51 of the Revised Code shall register annually with 53117
the state fire marshal all employees who assist the licensed 53118
exhibitor in conducting fireworks exhibitions. Once registered, 53119
such an employee may be employed by any other licensed fireworks 53120
exhibitor, without the need for that other licensed exhibitor to 53121
register the employee with the state fire marshal. The state 53122
fire marshal shall maintain a record of licensed exhibitors and 53123
registered employees and make it available, upon request, to any 53124
law enforcement agency. The record maintained by the state fire 53125
marshal is subject to section 4798.10 of the Revised Code. 53126

The state fire marshal shall adopt rules under Chapter 53127
119. of the Revised Code that establish appropriate fees for the 53128
registration of employees of licensed exhibitors and otherwise 53129
implement this section. 53130

In addition to the annual registration of employees 53131

required by this section, a licensed exhibitor shall file an 53132
application to register a new employee, unless the new employee 53133
is already registered under this section, not later than seven 53134
days after the date on which the employee is hired. 53135

Each applicant for registration under this section shall 53136
provide fingerprint or similar identifying information to the 53137
state fire marshal for the purposes of determining applicant 53138
compliance with section 3743.70 of the Revised Code. The state 53139
fire marshal may adopt rules under Chapter 119. of the Revised 53140
Code specifying the method to be used by the applicant to 53141
provide the fingerprint or similar identifying information, fees 53142
to be assessed by the state fire marshal to conduct such 53143
background checks, and the procedures to be used by the state 53144
fire marshal to verify compliance with this section. Such rules 53145
may include provisions establishing the frequency that license 53146
renewal applicants must update background check information 53147
filed by the applicant with previous license applications and 53148
provisions describing alternative forms of background check 53149
information that may be accepted by the state fire marshal to 53150
verify compliance with this section. 53151

Sec. 3745.11. (A) Applicants for and holders of permits, 53152
licenses, variances, plan approvals, and certifications issued 53153
by the director of environmental protection pursuant to Chapters 53154
3704., 3734., 6109., and 6111. of the Revised Code shall pay a 53155
fee to the environmental protection agency for each such 53156
issuance and each application for an issuance as provided by 53157
this section. No fee shall be charged for any issuance for which 53158
no application has been submitted to the director. 53159

(B) Except as otherwise provided in division (C) (2) of 53160
this section, beginning July 1, 1994, each person who owns or 53161

operates an air contaminant source and who is required to apply 53162
for and obtain a Title V permit under section 3704.036 of the 53163
Revised Code shall pay an annual fee of five thousand dollars in 53164
addition to the fees set forth in this division. For the 53165
purposes of this division, total emissions of air contaminants 53166
may be calculated using engineering calculations, emissions 53167
factors, material balance calculations, or performance testing 53168
procedures, as authorized by the director. 53169

The following fees shall be assessed on the total actual 53170
emissions from a source in tons per year of the regulated 53171
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 53172
organic compounds, and lead: 53173

(1) Fifteen dollars per ton on the total actual emissions 53174
of each such regulated pollutant during the period July through 53175
December 1993, to be collected no sooner than July 1, 1994; 53176

(2) Twenty dollars per ton on the total actual emissions 53177
of each such regulated pollutant during calendar year 1994, to 53178
be collected no sooner than April 15, 1995; 53179

(3) Twenty-five dollars per ton on the total actual 53180
emissions of each such regulated pollutant in calendar year 53181
1995, and each subsequent calendar year, to be collected no 53182
sooner than the fifteenth day of April of the year next 53183
succeeding the calendar year in which the emissions occurred. 53184

The fees levied under this division do not apply to that 53185
portion of the emissions of a regulated pollutant at a facility 53186
that exceed four thousand tons during a calendar year. 53187

(C) (1) The fees assessed under division (B) of this 53188
section are for the purpose of providing funding for the Title V 53189
permit program. 53190

(2) The fees assessed under division (B) of this section 53191
do not apply to emissions from any electric generating unit 53192
designated as a Phase I unit under Title IV of the federal Clean 53193
Air Act prior to calendar year 2000. Those fees shall be 53194
assessed on the emissions from such a generating unit commencing 53195
in calendar year 2001 based upon the total actual emissions from 53196
the generating unit during calendar year 2000 and shall continue 53197
to be assessed each subsequent calendar year based on the total 53198
actual emissions from the generating unit during the preceding 53199
calendar year. 53200

(3) The director shall issue invoices to owners or 53201
operators of air contaminant sources who are required to pay a 53202
fee assessed under division (B) or (D) of this section. Any such 53203
invoice shall be issued no sooner than the applicable date when 53204
the fee first may be collected in a year under the applicable 53205
division, shall identify the nature and amount of the fee 53206
assessed, and shall indicate that the fee is required to be paid 53207
within thirty days after the issuance of the invoice. 53208

(D) (1) Except as provided in division (D) (2) of this 53209
section, beginning January 1, 2004, each person who owns or 53210
operates an air contaminant source; who is required to apply for 53211
a permit to operate pursuant to rules adopted under division 53212
(G), or a variance pursuant to division (H), of section 3704.03 53213
of the Revised Code; and who is not required to apply for and 53214
obtain a Title V permit under section 3704.03 of the Revised 53215
Code shall pay a single fee based upon the sum of the actual 53216
annual emissions from the facility of the regulated pollutants 53217
particulate matter, sulfur dioxide, nitrogen oxides, organic 53218
compounds, and lead in accordance with the following schedule: 53219
53220

	1	2
A	Total tons per year of regulated pollutants emitted	Annual fee per facility
B	More than 0, but less than 10	\$100
C	10 or more, but less than 50	200
D	50 or more, but less than 100	300
E	100 or more	700

(2) (a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) ~~Beginning January 1, 2000, through June 30, 2026, each~~
Each person who owns or operates a synthetic minor facility shall pay an annual fee of five thousand dollars in addition to a fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(3) The fees assessed under division (D) (1) of this	53236
section shall be collected annually no sooner than the fifteenth	53237
day of April, commencing in 2005. The fees assessed under	53238
division (D) (2) of this section shall be collected no sooner	53239
than the fifteenth day of April, commencing in 2000. The fees	53240
assessed under division (D) of this section in a calendar year	53241
shall be based upon the sum of the actual emissions of those	53242
regulated pollutants during the preceding calendar year. For the	53243

purpose of division (D) of this section, emissions of air 53244
contaminants may be calculated using engineering calculations, 53245
emission factors, material balance calculations, or performance 53246
testing procedures, as authorized by the director. The director, 53247
by rule, may require persons who are required to pay the fees 53248
assessed under division (D) of this section to pay those fees 53249
biennially rather than annually. 53250

(E) (1) Consistent with the need to cover the reasonable 53251
costs of the Title V permit program, the director annually shall 53252
increase the fees assessed on emissions prescribed in division 53253
(B) of this section by the percentage, if any, by which the 53254
consumer price index for the most recent calendar year ending 53255
before the beginning of a year exceeds the consumer price index 53256
for calendar year 1989. Upon calculating an increase in fees 53257
authorized by division (E) (1) of this section, the director 53258
shall compile revised fee schedules for the purposes of division 53259
(B) of this section and shall make the revised schedules 53260
available to persons required to pay the fees assessed under 53261
that division and to the public. 53262

another entity for disposal, the sewage sludge facility in this 53986
state shall be required to pay the annual sludge fee for the 53987
tons of sewage sludge that have been transferred. 53988

(d) A sewage sludge facility that generates sewage sludge 53989
resulting from an average daily discharge flow of less than five 53990

thousand gallons per day is not subject to the fees assessed 53991
under division ~~(Y)~~(X) of this section. 53992

(3) No sewage sludge facility required to pay the annual 53993
sludge fee shall be required to pay more than the maximum annual 53994
fee for each disposal method that the sewage sludge facility 53995
uses. The maximum annual fee does not include the additional 53996
amount that may be charged under division ~~(Y)~~~~(5)~~(X) (5) of this 53997
section for late payment of the annual sludge fee. The maximum 53998
annual fee for the following methods of disposal of sewage 53999
sludge is as follows: 54000

(a) Incineration: five thousand dollars; 54001

(b) Preexisting land reclamation project or disposal in a 54002
landfill: five thousand dollars; 54003

(c) Land application, land reclamation, surface disposal, 54004
or any other disposal method not specified in division ~~(Y)~~~~(3)~~~~(a)~~ 54005
(X) (3) (a) or (b) of this section: twenty thousand dollars. 54006

(4) (a) In the case of an entity that generates sewage 54007
sludge or a sewage sludge facility that treats sewage sludge and 54008
transfers the sewage sludge to an incineration facility for 54009
disposal, the incineration facility, and not the entity 54010
generating the sewage sludge or the sewage sludge facility 54011
treating the sewage sludge, shall pay the annual sludge fee for 54012
the tons of sewage sludge that are transferred. However, the 54013
entity or facility generating or treating the sewage sludge 54014
shall pay the one-hundred-dollar minimum fee required under 54015
division ~~(Y)~~~~(2)~~~~(a)~~(X) (2) (a) of this section. 54016

(b) In the case of an entity that generates sewage sludge 54017
and transfers the sewage sludge to a landfill for disposal or to 54018
a sewage sludge facility for land reclamation or surface 54019

disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division ~~(Y)~~ ~~(2)~~ ~~(b)~~ (X) (2) (b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the

director shall issue with the notification a new invoice to the 54050
person identifying the amount of the annual sludge fee assessed 54051
and stating the first day of July as the deadline for payment. 54052

Not later than the first day of July, any person who is 54053
required to do so shall pay the annual sludge fee. Any person 54054
who is required to pay the fee, but who fails to do so on or 54055
before that date shall pay an additional amount that equals ten 54056
per cent of the required annual sludge fee. 54057

(6) The director shall transmit all moneys collected under 54058
division ~~(Y)~~(X) of this section to the treasurer of state for 54059
deposit into the surface water protection fund created in 54060
section 6111.038 of the Revised Code. The moneys shall be used 54061
to defray the costs of administering and enforcing provisions in 54062
Chapter 6111. of the Revised Code and rules adopted under it 54063
that govern the use, storage, treatment, or disposal of sewage 54064
sludge. 54065

(7) Beginning in fiscal year 2001, and every two years 54066
thereafter, the director shall review the total amount of moneys 54067
generated by the annual sludge fees to determine if that amount 54068
exceeded six hundred thousand dollars in either of the two 54069
preceding fiscal years. If the total amount of moneys in the 54070
fund exceeded six hundred thousand dollars in either fiscal 54071
year, the director, after review of the fee structure and 54072
consultation with affected persons, shall issue an order 54073
reducing the amount of the fees levied under division ~~(Y)~~(X) of 54074
this section so that the estimated amount of moneys resulting 54075
from the fees will not exceed six hundred thousand dollars in 54076
any fiscal year. 54077

If, upon review of the fees under division ~~(Y)~~(7)(X) (7) of 54078
this section and after the fees have been reduced, the director 54079

determines that the total amount of moneys collected and 54080
accumulated is less than six hundred thousand dollars, the 54081
director, after review of the fee structure and consultation 54082
with affected persons, may issue an order increasing the amount 54083
of the fees levied under division ~~(Y)~~(X) of this section so that 54084
the estimated amount of moneys resulting from the fees will be 54085
approximately six hundred thousand dollars. Fees shall never be 54086
increased to an amount exceeding the amount specified in 54087
division ~~(Y)~~(7)(X) (7) of this section. 54088

Notwithstanding section 119.06 of the Revised Code, the 54089
director may issue an order under division ~~(Y)~~(7)(X) (7) of this 54090
section without the necessity to hold an adjudicatory hearing in 54091
connection with the order. The issuance of an order under this 54092
division is not an act or action for purposes of section 3745.04 54093
of the Revised Code. 54094

and establishing a threshold planning quantity for each such 54383
substance. To the extent consistent with that act and applicable 54384
regulations adopted under it, the rules may establish threshold 54385

planning quantities based upon classes of those substances or 54386
categories of facilities at which such substances are present. 54387

(b) Listing hazardous chemicals, establishing threshold 54388
quantities for those chemicals, establishing categories of 54389
health and physical hazards of those chemicals, establishing 54390
criteria or procedures for identifying those chemicals and the 54391

consistent with that act and applicable regulations adopted 54396
under it, the rules may establish threshold quantities based 54397
upon classes of those chemicals or categories of facilities 54398
where those chemicals are present. 54399

To the extent consistent with that act, the threshold 54400
quantities for purposes of the submission of lists of hazardous 54401
chemicals under section 3750.07 and the submission of emergency 54402
and hazardous chemical inventory forms under section 3750.08 of 54403
the Revised Code may differ. 54404

(c) Identifying or listing hazardous substances and 54405
establishing reportable quantities of each of those substances 54406
and each extremely hazardous substance. In addition to being 54407
consistent with and equivalent in scope, content, and coverage 54408
to that act and applicable regulations adopted under it, the 54409
rules shall be consistent with and equivalent in scope, content, 54410
and coverage to regulations identifying or listing hazardous 54411
substances and reportable quantities of those substances adopted 54412
under the "Comprehensive Environmental Response, Compensation, 54413
and Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 54414
amended. 54415

(d) Prescribing the information to be included in the lists of hazardous chemicals required to be submitted under section 3750.07 of the Revised Code;

(e) Prescribing the information to be included in the emergency and hazardous chemical inventory forms required to be submitted under section 3750.08 of the Revised Code. If the commission establishes its own emergency and hazardous chemical inventory form, the rules shall authorize owners and operators of facilities who also have one or more facilities located outside the state for which they are required to submit inventory forms under the federal act and regulations adopted under it to submit their annual inventories on forms prescribed by the administrator of the United States environmental protection agency under that act instead of on forms prescribed by the commission and shall require those owners or operators to submit any additional information required by the commission's inventory form on an attachment to the federal form.

(f) Establishing procedures for giving verbal notice of releases under section 3750.06 of the Revised Code and prescribing the information to be provided in such a notice and in the follow-up written notice required by that section;

(g) Establishing standards for determining valid needs for the release of tier II information under division (B) (4) of section 3750.10 of the Revised Code;

(h) Identifying the types or categories of information submitted or obtained under this chapter and rules adopted under it that constitute confidential business information;

(i) Establishing criteria and procedures to protect trade secret and confidential business information from unauthorized

disclosure; 54445

(j) Establishing other requirements or authorizations that 54446
the commission considers necessary or appropriate to implement, 54447
administer, and enforce this chapter. 54448

(2) Adopt rules in accordance with Chapter 119. of the 54449
Revised Code to implement and administer this chapter that may 54450
be more stringent than the "Emergency Planning and Community 54451
Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, 54452
and regulations adopted under it. Rules adopted under division 54453
(B) (2) of this section shall not be inconsistent with that act 54454
or the regulations adopted under it. The rules shall: 54455

(a) Prescribe the information to be included in the 54456
chemical emergency response and preparedness plans prepared and 54457
submitted by local emergency planning committees under section 54458
3750.04 of the Revised Code; 54459

(b) Establish criteria and procedures for reviewing the 54460
chemical emergency response and preparedness plans of local 54461
emergency planning committees required by section 3750.04 of the 54462
Revised Code and the annual exercise of those plans and for 54463
providing concurrence or requesting modifications in the plans 54464
and the exercise of those plans. The criteria shall include, 54465
without limitation, the requirement that each exercise of a 54466
committee's plan involve, in addition to local emergency 54467
response and medical personnel, either a facility that is 54468
subject to the plan or a transporter of materials that are 54469
identified or listed as hazardous materials by regulations 54470
adopted under the "Hazardous Materials Transportation Act," 88 54471
Stat. 2156 (1975), 49 U.S.C.A. 1801, as amended. 54472

(c) Establish policies and procedures for maintaining 54473

information submitted to the commission and local emergency 54474
planning committees under this chapter, and for receiving and 54475
fulfilling requests from the public for access to review and to 54476
obtain copies of that information. The criteria and procedures 54477
shall include the following requirements and authorizations 54478
regarding that information and access to it: 54479

(i) Information that is protected as trade secret 54480
information or confidential business information under this 54481
chapter and rules adopted under it shall be kept in files that 54482
are separate from those containing information that is not so 54483
protected. 54484

(ii) The original copies of information submitted to the 54485
commission or committee shall not be removed from the custody 54486
and control of the commission or committee. 54487

(iii) A person who, either in person or by mail, requests 54488
to obtain a copy of a material safety data sheet submitted under 54489
this chapter by a facility owner or operator shall submit a 54490
separate application for each facility for which a material 54491
safety data sheet is being requested. 54492

(iv) A person who requests to receive by mail a copy of 54493
information submitted under this chapter by a facility owner or 54494
operator shall submit a separate application for each facility 54495
for which information is being requested and shall specify both 54496
the facility for which information is being requested and the 54497
particular types of documents requested. 54498

(v) Only employees of the commission or committee shall 54499
copy information in the files of the commission or committee. 54500

(vi) The commission or committee may require any person 54501
who requests to review or obtain a copy of information in its 54502

files to schedule an appointment for that purpose with the 54503
information coordinator of the commission or committee at least 54504
twenty-four hours before arriving at the office of the 54505
commission or committee for the review or copy. 54506

(vii) Any person who seeks access to information in the 54507
files of the commission or a local emergency planning committee 54508
shall submit a written application, either in person or by mail, 54509
to the information coordinator on a form provided by the 54510
commission or committee. The person also shall provide the 54511
person's name and current mailing address on the application and 54512
may be requested by the commission or committee to provide basic 54513
demographic information on the form to assist in the evaluation 54514
of the information access provisions of this chapter and rules 54515
adopted under it. Application forms may be obtained by mail or 54516
in person or by request by telephone at the office of the 54517
commission or committee during regular business hours. Upon 54518
receipt of a request for an application by telephone or mail, 54519
the information coordinator shall promptly mail an application 54520
to the person who requested it. 54521

(viii) The application form shall provide the applicant 54522
with a means of indicating that the applicant's name and address 54523
are to be kept confidential. If the applicant so indicates, that 54524
information is not a public record under section 149.43 of the 54525
Revised Code and shall not be disclosed to any person who is not 54526
a member or employee of the commission or committee or an 54527
employee of the environmental protection agency. When a name and 54528
address are to be kept confidential, they also shall be deleted 54529
from the copy of the application required to be placed in the 54530
file of the facility under division (B) (2) (c) (xii) of this 54531
section and shall be withheld from any log of information 54532
requests kept by the commission or committee pursuant to that 54533

division. 54534

(ix) Neither the commission nor a local emergency planning 54535
committee shall charge any fee for access to review information 54536
in its files when no copies or computer searches of that 54537
information are requested. 54538

(x) An applicant shall be informed of the cost of copying, 54539
mailing, or conducting a computer search of information on file 54540
with the commission or committee before such a copy or search is 54541
made, and the commission or committee shall collect the 54542
appropriate fees as established under section 3750.13 of the 54543
Revised Code. Each applicant shall acknowledge on the 54544
application form that the applicant is aware that the applicant 54545
will be charged for copies and computer searches of that 54546
information the applicant requests and for the costs of mailing 54547
copies of the information to the applicant. 54548

(xi) The commission or committee may require a person 54549
requesting copies of information on file with it to take 54550
delivery of them in the office of the commission or committee 54551
whenever it considers the volume of the information to be large 54552
enough to make mailing or delivery by a parcel or package 54553
delivery service impractical. 54554

(xii) When the commission or committee receives a request 54555
for access to review or obtain copies of information in its 54556
files, it shall not routinely notify the owner or operator of 54557
the facility involved, but instead shall either keep a log or 54558
file of requests for the information or shall place a copy of 54559
each completed application form in the file for the facility to 54560
which the application pertains. Such a log or file shall be 54561
available for review by the public and by the owners and 54562
operators of facilities required to submit information to the 54563

commission or committee under this chapter and rules adopted 54564
under it. 54565

(d) Require that claims for the protection, as a trade 54566
secret, of information obtained under this chapter regarding 54567
extremely hazardous substances identified or listed in rules 54568
adopted under division (B) (1) (a) of this section and hazardous 54569
chemicals identified or listed in rules adopted under division 54570
(B) (1) (b) of this section be submitted to the administrator of 54571
the United States environmental protection agency for 54572
determination under section 322 of the the "Emergency Planning 54573
and Community Right-To-Know Act of 1986," 100 Stat. 1747, 42 54574
U.S.C.A. 11042, and regulations adopted under that section; 54575

(e) Establish criteria and procedures for the issuance of 54576
variances under divisions (B) and (C) of section 3750.11 of the 54577
Revised Code. The rules shall require that, before approval of 54578
an application for a variance, the commission or committee find 54579
by a preponderance of the scientific evidence based upon 54580
generally accepted scientific principles or laboratory tests 54581
that the extremely hazardous substances, hazardous chemicals, or 54582
hazardous substances that would be subject to the reporting 54583
requirement pose a substantial risk of catastrophic injury to 54584
public health or safety or to the environment, or pose an 54585
extraordinary risk of injury to emergency management personnel 54586
responding to a release of the chemicals or substances, when the 54587
substances or chemicals are present at a facility in an amount 54588
equal to or exceeding the quantity for which reporting would be 54589
required under the reporting requirement for which the variance 54590
is sought. The rules shall also require that before approval of 54591
an application for a variance, the commission or committee find 54592
by a preponderance of the evidence that the development and 54593
implementation of a local emergency response plan for releases 54594

of the substances or chemicals covered by the reporting 54595
requirement will reduce the risk of catastrophic injury to 54596
public health or safety or to the environment, or will reduce 54597
the extraordinary risk of injury to responding emergency 54598
management personnel, in the event of a release of the 54599
substances or chemicals and find by a preponderance of the 54600
evidence that the reporting requirement is necessary for the 54601
development of such a local emergency response plan. The rules 54602
shall require that when determining whether the substances or 54603
chemicals that would be subject to the reporting requirement 54604
pose a substantial risk of catastrophic injury to public health 54605
or safety or to the environment, or pose an extraordinary risk 54606
of injury to emergency management personnel responding to a 54607
release of the substance or chemical, the commission or 54608
committee consider all of the following factors: 54609

(i) The specific characteristics and degree and nature of 54610
the hazards posed by a release of the extremely hazardous 54611
substances, hazardous chemicals, or hazardous substances; 54612

(ii) The proximity of the facilities that would be subject 54613
to the reporting requirement to residential areas, to areas 54614
where significantly large numbers of people are employed or 54615
otherwise congregate, and to environmental resources that are 54616
subject to injury; 54617

(iii) The quantities of the extremely hazardous 54618
substances, hazardous chemicals, or hazardous substances that 54619
are routinely present at facilities that would be subject to the 54620
reporting requirement; 54621

(iv) The frequency with which the extremely hazardous 54622
substances, hazardous chemicals, or hazardous substances are 54623
present at the facilities that would be subject to the reporting 54624

requirement in quantities for which reporting would be required 54625
thereunder. 54626

(f) Establish criteria and procedures for the issuance of 54627
orders under division (D) of section 3750.11 of the Revised Code 54628
requiring the placement of emergency response lock box units. 54629
The rules shall require that before approval of an application 54630
for issuance of such an order, the commission or committee find 54631
by a preponderance of the scientific evidence based upon 54632
generally accepted scientific principles or laboratory tests 54633
that the presence of the extremely hazardous substances, 54634
hazardous chemicals, or hazardous substances in the quantities 54635
in which they are routinely or intermittently present at the 54636
facility for which the order is sought pose a substantial risk 54637
of catastrophic injury to public health or safety or to the 54638
environment, or pose an extraordinary risk of injury to 54639
responding emergency management personnel, in the event of a 54640
release of any of those substances or chemicals from the 54641
facility. The rules shall require that before approval of an 54642
application for issuance of such an order, the commission or 54643
committee also find by a preponderance of the evidence that the 54644
placement of an emergency response lock box unit at the facility 54645
is necessary to protect against the substantial risk of 54646
catastrophic injury to public health or safety or the 54647
environment, or to protect against an extraordinary risk of 54648
injury to responding emergency management personnel, in the 54649
event of a release of any of the extremely hazardous substances, 54650
hazardous chemicals, or hazardous substances routinely or 54651
intermittently present at the facility. The rules shall require 54652
that when determining whether the extremely hazardous 54653
substances, hazardous chemicals, or hazardous substances present 54654
at the facility pose a substantial risk of catastrophic injury 54655

to public health or safety or to the environment, or pose an 54656
extraordinary risk of injury to responding emergency management 54657
personnel, in the event of a release of any of those substances 54658
or chemicals from the facility, the commission or committee 54659
consider all of the following factors: 54660

(i) The specific characteristics and the degree and nature 54661
of the hazards posed by a release of the extremely hazardous 54662
substances, hazardous chemicals, or hazardous substances present 54663
at the facility; 54664

(ii) The proximity of the facility to residential areas, 54665
to areas where significantly large numbers of people are 54666
employed or otherwise congregate, and to environmental resources 54667
that are subject to injury; 54668

(iii) The quantities of the extremely hazardous 54669
substances, hazardous chemicals, or hazardous substances that 54670
are routinely present at the facility; 54671

(iv) The frequency with which the extremely hazardous 54672
substances, hazardous chemicals, or hazardous substances are 54673
present at the facility. 54674

(g) Establish procedures to be followed by the commission 54675
and the executive committee of the commission for the issuance 54676
of orders under this chapter. 54677

(3) In accordance with Chapter 119. of the Revised Code 54678
adopt rules establishing reportable quantities for releases of 54679
oil that are consistent with and equivalent in scope, content, 54680
and coverage to section 311 of the "Federal Water Pollution 54681
Control Act Amendments of 1972," 86 Stat. 862, 33 U.S.C.A. 1321, 54682
as amended, and applicable regulations adopted under it; 54683

(4) Adopt rules in accordance with Chapter 119. of the 54684

Revised Code establishing criteria and procedures for 54685
identifying or listing extremely hazardous substances in 54686
addition to those identified or listed in rules adopted under 54687
division (B) (1) (a) of this section and for establishing 54688
threshold planning quantities and reportable quantities for the 54689
added extremely hazardous substances; for identifying or listing 54690
hazardous chemicals in addition to those identified or listed in 54691
rules adopted under division (B) (1) (b) of this section and for 54692
establishing threshold quantities and categories of health and 54693
physical hazards for the added hazardous chemicals; and for 54694
identifying or listing hazardous substances in addition to those 54695
identified or listed in rules adopted under division (B) (1) (c) 54696
of this section and for establishing reportable quantities for 54697
the added hazardous substances. The criteria for identifying or 54698
listing additional extremely hazardous substances and 54699
establishing threshold planning quantities and reportable 54700
quantities therefor and for identifying or listing additional 54701
hazardous chemicals and establishing threshold quantities and 54702
categories of health and physical hazards for the added 54703
hazardous chemicals shall be consistent with and equivalent to 54704
applicable criteria therefor under the "Emergency Planning and 54705
Community Right-To-Know Act of 1986," 100 Stat. 1729, 42 54706
U.S.C.A. 11001, and regulations adopted under it. The criteria 54707
for identifying additional hazardous substances and for 54708
establishing reportable quantities of the added hazardous 54709
substances shall be consistent with and equivalent to the 54710
applicable criteria for identifying or listing hazardous 54711
substances and establishing reportable quantities therefor under 54712
the "Comprehensive Environmental Response, Compensation, and 54713
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 54714
amended, and regulations adopted under it. 54715

The rules shall require that, before identifying or 54716
listing any such additional extremely hazardous substance, 54717
hazardous chemical, or hazardous substance and establishing a 54718
threshold planning quantity, threshold quantity, or reportable 54719
quantity therefor, the commission find by a preponderance of the 54720
scientific evidence based on generally accepted scientific 54721
principles or laboratory tests that the substance or chemical 54722
poses a substantial risk of catastrophic injury to public health 54723
or safety or to the environment, or poses an extraordinary risk 54724
of injury to emergency management personnel responding to a 54725
release of the chemical or substance, when the chemical or 54726
substance is present at a facility in an amount equal to the 54727
proposed threshold planning quantity or threshold quantity or, 54728
in the instance of a proposed additional extremely hazardous 54729
substance or hazardous substance, poses a substantial risk of 54730
catastrophic injury to public health or safety or to the 54731
environment if a release of the proposed reportable quantity of 54732
the substance occurs. The rules shall further require that, 54733
before so identifying or listing a substance or chemical, the 54734
commission find by a preponderance of the evidence that the 54735
development and implementation of state or local emergency 54736
response plans for releases of the substance or chemical will 54737
reduce the risk of a catastrophic injury to public health or 54738
safety or to the environment, or will reduce the extraordinary 54739
risk of injury to responding emergency response personnel, in 54740
the event of a release of the substance or chemical and find by 54741
a preponderance of the evidence that the identification or 54742
listing of the substance or chemical is necessary for the 54743
development of state or local emergency response plans for 54744
releases of the substance or chemical. The rules shall require 54745
that the commission consider the toxicity of the substance or 54746
chemical in terms of both the short-term and long-term health 54747

effects resulting from exposure to it and its reactivity, 54748
volatility, dispersibility, combustibility, and flammability 54749
when determining the risks posed by a release of the substance 54750
or chemical and, as appropriate, when establishing a threshold 54751
planning quantity, threshold quantity, reportable quantity, or 54752
category of health or physical hazard for it. 54753

(5) Adopt rules in accordance with Chapter 119. of the 54754
Revised Code establishing criteria and procedures for receiving 54755
and deciding claims for protection of information as a trade 54756
secret that are applicable only to extremely hazardous 54757
substances and hazardous chemicals identified or listed in rules 54758
adopted under division (C) (5) of this section. The rules shall 54759
be equivalent in scope, content, and coverage to section 322 of 54760
the "Emergency Planning and Community Right-To-Know Act of 54761
1986," 100 Stat. 1747, 42 U.S.C.A. 11042, and regulations 54762
adopted under it. 54763

(6) (a) After consultation with the fire marshal, adopt 54764
rules in accordance with Chapter 119. of the Revised Code 54765
establishing standards for the construction, placement, and use 54766
of emergency response lock box units at facilities that are 54767
subject to this chapter. The rules shall establish all of the 54768
following: 54769

(i) Specific standards of construction for lock box units; 54770

(ii) The specific types of information that shall be 54771
placed in the lock box units required to be placed at a facility 54772
by an order issued under division (D) of section 3750.11 of the 54773
Revised Code, which shall include the location of on-site 54774
emergency fire-fighting and spill cleanup equipment; a diagram 54775
of the public and private water supply and sewage systems 54776
serving the facility that are known to the owner or operator of 54777

the facility; a copy of the emergency and hazardous chemical 54778
inventory form for the facility most recently required to be 54779
submitted under section 3750.08 of the Revised Code from which 54780
the owner or operator may withhold information claimed or 54781
determined to be trade secret information pursuant to rules 54782
adopted under division (B)(2)(d) of this section, or pursuant to 54783
division (B)(14) of this section and rules adopted under 54784
division (B)(5) of this section, and confidential business 54785
information identified in rules adopted under division (B)(1)(h) 54786
of this section; a copy of the local fire department's and 54787
facility's emergency management plans for the facility, if any; 54788
a current list of the names, positions, addresses, and telephone 54789
numbers of all key facility personnel knowledgeable in facility 54790
safety procedures and the locations at the facility where 54791
extremely hazardous substances, hazardous chemicals, and 54792
hazardous substances are produced, used, or stored. The rules 54793
shall stipulate that, in the instance of lock box units placed 54794
voluntarily at facilities by the owners or operators of the 54795
facilities, such information shall be maintained in them as is 54796
prescribed by agreement by the owner or operator and the fire 54797
department having jurisdiction over the facility. 54798

(iii) The conditions that shall be met in order to provide 54799
safe and expedient access to a lock box unit during a release or 54800
threatened release of an extremely hazardous substance, 54801
hazardous chemical, or hazardous substance. 54802

(b) Unless the owner or operator of a facility is issued 54803
an order under division (D) of section 3750.11 of the Revised 54804
Code requiring the owner or operator to place a lock box unit at 54805
the facility, the owner or operator may place a lock box unit at 54806
the facility at the owner's or operator's discretion. If the 54807
owner or operator chooses to place a lock box unit at the 54808

facility, the responsibility to deposit information in the lock 54809
box unit is in addition to any other obligations established in 54810
this chapter. 54811

(c) Any costs associated with the purchase, construction, 54812
or placement of a lock box unit shall be paid by the owner or 54813
operator of the facility. 54814

(7) In accordance with Chapter 119. of the Revised Code, 54815
adopt rules governing the application for and awarding of grants 54816
under division (C) of section 3750.14 and division (B) of 54817
section 3750.15 of the Revised Code; 54818

(8) Adopt rules in accordance with Chapter 119. of the 54819
Revised Code establishing reasonable maximum fees that may be 54820
charged by the commission and local emergency planning 54821
committees for copying information in the commission's or 54822
committee's files to fulfill requests from the public for that 54823
information; 54824

(9) Adopt internal management rules governing the 54825
operations of the commission. The internal management rules 54826
shall establish an executive committee of the commission 54827
consisting of the director of environmental protection or the 54828
director's designee, the director of public safety or the 54829
director's designee, the attorney general or the attorney 54830
general's designee, one of the appointed members of the 54831
commission representing industries subject to this chapter to be 54832
appointed by the commission, one of the appointed members of the 54833
commission representing the interests of environmental advocacy 54834
organizations to be appointed by the commission, and one other 54835
appointed member or member ex officio of the commission to be 54836
appointed by the commission. The executive committee has 54837
exclusive authority to issue enforcement orders under section 54838

3750.18 of the Revised Code and to request the attorney general 54839
to bring a civil action, civil penalty action, or criminal 54840
action under section 3750.20 of the Revised Code in the name of 54841
the commission regarding violations of this chapter, rules 54842
adopted under it, or orders issued under it. The internal 54843
management rules may set forth the other specific powers and 54844
duties of the commission that the executive committee may 54845
exercise and carry out and the conditions under which the 54846
executive committee may do so. The internal management rules 54847
shall not authorize the executive committee to issue variances 54848
under division (B) or (C) of section 3750.11 of the Revised Code 54849
or orders under division (D) of that section. 54850

(10) Oversee and coordinate the implementation and 54851
enforcement of this chapter and make such recommendations to the 54852
director of environmental protection and the director of public 54853
safety as it considers necessary or appropriate to improve the 54854

recommendations regarding the types of activities the commission 54902

additional extremely hazardous substances based upon classes of 54941
those substances or categories of facilities at which they are 54942

adopt the appropriate rules under division (B) (1) (a), (b), or 54973
(c) of this section. 54974

(6) From time to time, request the director of 54975
environmental protection and the executive director of the 54976
emergency management agency to review implementation, 54977
administration, and enforcement of the chemical emergency 54978
response planning and reporting programs created by this chapter 54979
and rules adopted under it regarding their effectiveness in 54980
preparing for response to releases of extremely hazardous 54981

to the "Emergency Planning and Community Right-To-Know Act of 55003

adopted under it, except as otherwise specifically required or 55005
authorized in this chapter. The commission, department, and 55006
agencies may do all things necessary, incidental, or appropriate 55007

commission shall initiate safeguards as necessary to account for 55028
the amount of money wagered at each track in each wagering pool. 55029
It may require permit holders to install equipment that will 55030
provide a complete check and analysis of the functioning of any 55031
computers and require safeguards on their performance. The 55032
commission shall require all permit holders, except those 55033
holding state fair, county fair, or other fair permits, to 55034

Revised Code and shall deny a permit to any successor purchaser 55078
of a track for as long as those defaults have not been satisfied 55079
by either the seller or purchaser. 55080

adopted by the commission, or of any law or rule with respect to 55082

racing in any jurisdiction shall be sufficient reason for a 55083
refusal to issue a license, or a suspension or revocation of any 55084
license issued, pursuant to this section. 55085

With respect to the issuance, denial, suspension, or 55086

report electronically in the manner prescribed under section 55110
3769.103 of the Revised Code fails to do so, the tax 55111

petition shall indicate the objections of the party assessed, 55132
but additional objections may be raised in writing if received 55133
by the commissioner prior to the date shown on the final 55134
determination. If the petition has been properly filed, the 55135

judgments. Execution shall issue upon the judgment upon the 55154
request of the tax commissioner, and all laws applicable to 55155
sales on execution shall apply to sales made under the judgment. 55156

assessment consisting of tax due shall bear interest at the rate 55159
per annum prescribed by section 5703.47 of the Revised Code from 55160

are taxable wages. 59745

The reasonable cash value of compensation paid in any 59746

individual's base period with respect to which the individual 59797

chapter. A calendar week with respect to which an individual 59799
earns remuneration but for which payment was not made within the 59800
base period, when necessary to qualify for benefit rights, may 59801

Such base period shall be known as the "alternate base period." If information as to weeks and wages for the most recent quarter of the alternate base period is not available to the director from the regular quarterly reports of wage information, which are systematically accessible, the director may, consistent with the provisions of section 4141.28 of the Revised Code, base the determination of eligibility for benefits on the affidavit of the claimant with respect to weeks and wages for that calendar quarter. The claimant shall furnish payroll documentation, where available, in support of the affidavit. The determination based upon the alternate base period as it relates to the claimant's benefit rights, shall be amended when the quarterly report of wage information from the employer is timely received and that information causes a change in the determination. As provided in division (B) of section 4141.28 of the Revised Code, any benefits paid and charged to an employer's account, based upon a claimant's affidavit, shall be adjusted effective as of the beginning of the claimant's benefit year. No calendar quarter in a base period or alternate base period shall be used to establish a subsequent benefit year. 59818

state, or the United States, and has, since the beginning of the 59862
individual's previous benefit year, in the employment earned 59863

benefit year. The "benefit year" of a combined wage claim, as 59865
described in division (H) of section 4141.43 of the Revised 59866
Code, shall be the benefit year prescribed by the law of the 59867
state in which the claim is allowed. Any application for 59868
determination of benefit rights made in accordance with section 59869
4141.28 of the Revised Code is valid if the individual filing 59870
such application is unemployed, has been employed by an employer 59871
or employers subject to this chapter in at least twenty 59872
qualifying weeks within the individual's base period, and has 59873

earned or been paid remuneration at an average weekly wage of 59874
not less than twenty-seven and one-half per cent of the 59875
statewide average weekly wage for such weeks. For purposes of 59876
determining whether an individual has had sufficient employment 59877
since the beginning of the individual's previous benefit year to 59878
file a valid application, "employment" means the performance of 59879

the criteria described in division (R)(1) of this section, and 59885

not disqualifying pursuant to division (D)(2) of section 4141.29 59887
or section 4141.291 of the Revised Code. A disqualification 59888
imposed pursuant to division (D)(2) of section 4141.29 or 59889
section 4141.291 of the Revised Code must be removed as provided 59890
in those sections as a requirement of establishing a valid 59891
application for benefit years beginning on and after December 59892
26, 2004, but before July 1, 2022. Effective for benefit years 59893
beginning on and after July 1, 2022, any application for 59894
determination of benefit rights made in accordance with section 59895
4141.28 of the Revised Code is valid if the individual satisfies 59896
the criteria described in division (R)(1) of this section. A 59897
disqualification imposed pursuant to division (D)(2) of section 59898
4141.29 or section 4141.291 of the Revised Code does not affect 59899
the validity of an application. 59900

(3) The statewide average weekly wage shall be calculated 59901

nearest dollar. Increases or decreases in the amount of 59905
remuneration required to have been earned or paid in order for 59906
individuals to have filed valid applications shall become 59907

the thirtieth day of June upon which the calculation of the 59910
statewide average weekly wage was based. 59911

to filing the application, the individual was separated from the 59916

(C) The director may waive the interest assessed under 60374
division ~~(B)(2)~~(B) of this section if the employer meets all of 60375
the following conditions within thirty days after the date the 60376
director mails or delivers the notice of assessment of interest: 60377

(1) Provides to the director a written request for a 60378
waiver of interest clearly demonstrating that the employer's 60379
failure to timely pay contributions, payments in lieu of 60380
contributions, interest, forfeiture, and fines was a result of 60381
circumstances beyond the control of the employer or the 60382
employer's agent, except that negligence on the part of the 60383
employer or the employer's agent shall not be considered beyond 60384
the control of the employer or the employer's agent; 60385

(2) Furnishes to the director all quarterly reports 60386
required under section 4141.20 of the Revised Code; 60387

(3) Pays in full all contributions, payments in lieu of 60388
contributions, interest, forfeiture, and fines for each quarter 60389
for which such payments are due. 60390

The director shall deny an employer's request for a waiver 60391
of interest after finding that the employer's failure to timely 60392
furnish reports or make payments as required under this chapter 60393
was due to an attempt to evade payment. 60394

(D) Any contribution, interest, forfeiture, or fine 60395
required to be paid under this chapter by any employer shall, if 60396
not paid when due, become a lien upon the real and personal 60397
property of such employer. Upon failure of such employer to pay 60398
the contributions, interest, forfeiture, or fine required to be 60399

paid under this chapter, the director shall file notice of such 60400
lien, for which there shall be no charge, in the office of the 60401
county recorder of the county in which it is ascertained that 60402
such employer owns real estate or personal property. The 60403
director shall notify the employer by mail of the lien. The 60404
absence of proof that the notice was sent does not affect the 60405
validity of the lien. Such lien shall not be valid as against 60406
the claim of any mortgagee, pledgee, purchaser, judgment 60407
creditor, or other lienholder of record at the time such notice 60408
is filed. 60409

If the employer acquires real or personal property after 60410
notice of lien is filed, such lien shall not be valid as against 60411
the claim of any mortgagee, pledgee, subsequent bona fide 60412
purchaser for value, judgment creditor, or other lienholder of 60413
record to such after-acquired property, unless the notice of 60414
lien is refiled after such property was acquired by the employer 60415
and before the competing lien attached to such after-acquired 60416
property or before the conveyance to such subsequent bona fide 60417
purchaser for value. 60418

Such a notice shall be recorded in the county recorder's 60419
official records and indexed in the direct and reverse indexes 60420
under the name of the employer. When such unpaid contributions, 60421
interest, forfeiture, or fines have been paid, the employer may 60422
record with the county recorder of the county in which such 60423
notice of lien has been filed and recorded, notice of such 60424
payment, and the notice of payment shall be recorded in the 60425
county recorder's official records and indexed in the direct and 60426
reverse indexes. For recording the notice of payment, the county 60427
recorder shall charge and receive from the employer a base fee 60428
of two dollars for services and a housing trust fund fee of two 60429
dollars pursuant to section 317.36 of the Revised Code. 60430

(E) Notwithstanding other provisions in this section, the director may reduce, in whole or in part, the amount of interest, forfeiture, or fines required to be paid under this chapter if the director determines that the reduction is in the best interest of the unemployment compensation fund.

(F) Assessment of contributions shall not be made after four years from the date on which such contributions became payable, and no action in court for the collection of contributions without assessment of such contributions shall be begun after the expiration of five years from the date such contributions became payable. In case of a false or fraudulent report or of a willful attempt in any manner to evade contributions, such contributions may be assessed or a proceeding in court for the collection of such contributions may be begun without assessment at any time. When the assessment of contributions has been made within such four-year period provided, action in court to collect such contributions may be begun within, but not later than, six years after such assessment.

(G) In the event of a distribution of an employer's assets, pursuant to an order of any court under the law of this state, including any receivership, assignment for benefit of creditors, adjudicated insolvency, or similar proceedings, contributions, interest, forfeiture, or fine then or thereafter due have the same priority as provided by law for the payment of taxes due the state and shall be paid out of the trust fund in the same manner as provided for other claims for unpaid taxes due the state.

(H) If the attorney general finds after investigation that any claim for delinquent contributions, interest, forfeitures,

or fines owing to the director is uncollectible, in whole or in part, the attorney general shall recommend to the director the cancellation of such claim or any part thereof. The director may thereupon effect such cancellation.

Sec. 4141.28. BENEFITS

(A) FILINGS

Applications for determination of benefit rights and claims for benefits shall be filed with the director of job and family services. Such applications and claims also may be filed with an employee of another state or federal agency charged with the duty of accepting applications and claims for unemployment benefits or with an employee of the unemployment insurance commission of Canada.

When an unemployed individual files an application for determination of benefit rights, the director shall furnish the individual with an explanation of the individual's appeal rights. The explanation shall describe clearly the different levels of appeal and explain where and when each appeal must be filed.

(B) APPLICATION FOR DETERMINATION OF BENEFIT RIGHTS

In filing an application, an individual shall furnish the director with the name and address of the individual's most recent separating employer and the individual's statement of the reason for separation from the employer. The director shall promptly notify the individual's most recent separating employer of the filing and request the reason for the individual's unemployment, unless that notice is not necessary under conditions the director establishes by rule. The director may request from the individual or any employer information

necessary for the determination of the individual's right to 60490
benefits. The employer shall provide the information requested 60491
within ten ~~working~~-calendar days after the request is sent. If 60492
an employer fails to provide requested information within ten 60493
~~working~~-calendar days, the director shall provide to the tax 60494
commissioner the individual's and employer's names, addresses, 60495
taxpayer identification numbers if available, and any additional 60496
information required by the tax commissioner. The tax 60497
commissioner shall confirm to the director whether the 60498
individual was included on the most recent annual return filed 60499
by the employer pursuant to division (F) of section 5747.07 of 60500
the Revised Code. The tax commissioner shall inform the director 60501
if the tax commissioner is unable to provide the requested 60502
confirmation. If necessary to ensure prompt determination and 60503
payment of benefits, the director shall base the determination 60504
on the information that is available. 60505

An individual filing an application for determination of 60506
benefit rights shall disclose, at the time of filing, whether or 60507
not the individual owes child support obligations. 60508

An individual filing an application for determination of 60509
benefit rights shall furnish proof of identity at the time of 60510
filing in the manner prescribed by the director. 60511

(C) MASS LAYOFFS 60512

An employer who lays off or separates within any seven-day 60513
period fifty or more individuals because of lack of work shall 60514
furnish notice to the director of the dates of layoff or 60515
separation and the approximate number of individuals being laid 60516
off or separated. The notice shall be furnished at least three 60517
working days prior to the date of the first day of such layoff 60518
or separation. In addition, at the time of the layoff or 60519

separation the employer shall furnish to the individual and to 60520
the director information necessary to determine the individual's 60521
eligibility for unemployment compensation. 60522

(D) DETERMINATION OF BENEFIT RIGHTS 60523

The director shall promptly examine any application for 60524
determination of benefit rights. On the basis of the information 60525
available to the director under this chapter, the director shall 60526
determine whether or not the application is valid, and if valid, 60527
the date on which the benefit year shall commence and the weekly 60528
benefit amount. The director shall promptly notify the 60529
applicant, employers in the applicant's base period, and any 60530
other interested parties of the determination and the reasons 60531
for it. In addition, the determination issued to the claimant 60532
shall include the total amount of benefits payable. The 60533
determination issued to each chargeable base period employer 60534
shall include the total amount of benefits that may be charged 60535
to the employer's account. 60536

(E) CLAIM FOR BENEFITS 60537

The director shall examine the first claim and any 60538
additional claim for benefits. On the basis of the information 60539
available, the director shall determine whether the claimant's 60540
most recent separation and, to the extent necessary, prior 60541
separations from work, allow the claimant to qualify for 60542
benefits. Written notice of the determination granting or 60543
denying benefits shall be sent to the claimant, the most recent 60544
separating employer, and any other employer involved in the 60545
determination, except that written notice is not required to be 60546
sent to the claimant if the reason for separation is lack of 60547
work and the claim is allowed. 60548

If the director identifies an eligibility issue, the 60549
director shall immediately send notice to the claimant of the 60550
issue identified, specify the week or weeks involved, and 60551
identify what the claimant must do to address the issue or who 60552
the claimant may contact for more information. The claimant has 60553
a minimum of five business days after the notice is sent to 60554
respond to the information included in the notice, and after the 60555
time allowed as determined by the director, the director shall 60556
make a determination. The claimant's response may include a 60557
request for a fact-finding interview when the eligibility issue 60558
is raised by an informant or source other than the claimant, or 60559
when the eligibility issue, if determined adversely, 60560
disqualifies the claimant for the duration of the claimant's 60561
period of unemployment. 60562

When the determination of a continued claim for benefits 60563
results in a disallowed claim, the director shall notify the 60564
claimant of the disallowance and the reasons for it. 60565

(F) ELIGIBILITY NOTICE 60566

Any base period or subsequent employer of a claimant who 60567
has knowledge of specific facts affecting the claimant's right 60568
to receive benefits for any week may notify the director in 60569
writing of those facts. The director shall prescribe a form for 60570
such eligibility notice, but failure to use the form shall not 60571
preclude the director's examination of any notice. 60572

To be considered valid, an eligibility notice must: 60573
contain in writing, a statement that identifies either a source 60574
who has firsthand knowledge of the information or an informant 60575
who can identify the source; provide specific and detailed 60576
information that may potentially disqualify the claimant; 60577
provide the name and address of the source or the informant; and 60578

appear to the director to be reliable and credible. 60579

An eligibility notice is timely filed if received or 60580
postmarked prior to or within forty-five calendar days after the 60581
end of the week with respect to which a claim for benefits is 60582
filed by the claimant. An employer who timely files a valid 60583
eligibility notice shall be an interested party to the claim for 60584
benefits which is the subject of the notice. 60585

The director shall consider the information contained in 60586
the eligibility notice, together with other available 60587
information. After giving the claimant notice and an opportunity 60588
to respond, the director shall make a determination and inform 60589
the notifying employer, the claimant, and other interested 60590
parties of the determination. 60591

(G) CORRECTED DETERMINATION 60592

If the director finds within the two hundred eight 60593
calendar weeks beginning with the Sunday of the week during 60594
which an application for benefit rights was filed that a 60595
determination made by the director was erroneous due to an error 60596
in an employer's report or any typographical or clerical error 60597
in the director's determination, or as shown by correct 60598
remuneration information received by the director, the director 60599
shall issue a corrected determination to all interested parties. 60600
The corrected determination shall take precedence over and void 60601
the prior determination of the director. The director shall not 60602
issue a corrected determination when the commission or a court 60603
has jurisdiction with respect to that determination. 60604

(H) EFFECT OF COMMISSION DECISIONS 60605

In making determinations, the director shall follow 60606
decisions of the unemployment compensation review commission 60607

which have become final with respect to claimants similarly situated. 60608
60609

(I) PROMPT PAYMENTS 60610

If benefits are allowed by the director, a hearing officer, the commission, or a court, the director shall pay benefits promptly, notwithstanding any further appeal, provided that if benefits are denied on appeal, of which the parties have notice and an opportunity to be heard, the director shall withhold payment of benefits pending a decision on any further appeal. 60611

Sec. 4141.281. APPEALS 60618

(A) APPEAL FILED 60619

Any party notified of a determination of benefit rights or a claim for benefits determination may appeal within twenty-one calendar days after the written determination was sent to the party or within an extended period as provided under division (D) (9) of this section. 60620
60621
60622
60623
60624

(B) REDETERMINATION 60625

Within twenty-one days after receipt of the appeal, the director of job and family services shall issue a redetermination or transfer the appeal to the unemployment compensation review commission. A redetermination under this section is appealable in the same manner as an initial determination by the director. 60626
60627
60628
60629
60630
60631

(C) REVIEW COMMISSION 60632

(1) JURISDICTION 60633

The commission shall provide an opportunity for a fair 60634

hearing to the interested parties of appeals over which the 60635
commission has jurisdiction. The commission has jurisdiction 60636
over an appeal on transfer or on direct appeal to the 60637
commission. If the commission concludes that a pending appeal 60638
does not warrant a hearing, the commission may remand the appeal 60639
to the director for redetermination. The commission retains 60640
jurisdiction until the appeal is remanded to the director or a 60641
final decision is issued and appealed to court, or the time to 60642
request a review or to appeal a decision of a hearing officer or 60643
the commission is expired. 60644

(2) CONDUCT OF HEARINGS 60645

Hearings before the commission are held at the hearing 60646
officer level and the review level. Unless otherwise provided in 60647
this chapter, initial hearings involving claims for compensation 60648
and other unemployment compensation issues are conducted at the 60649
hearing officer level by hearing officers appointed by the 60650
commission. Hearings at the review level are conducted by 60651
hearing officers appointed by the commission, by members of the 60652
commission acting either individually or collectively, and by 60653
members of the commission and hearing officers acting jointly. 60654
In all hearings conducted at the review level, the commission 60655
shall designate the hearing officer or officers who are to 60656
conduct the hearing. When the term "hearing officer" is used in 60657
reference to hearings conducted at the review level, the term 60658
includes members of the commission. All decisions issued at the 60659
review level are issued by the commission. 60660

Provisions contained in the remainder of this paragraph 60661
apply to hearings at both the hearing officer level and the 60662
review level. The principles of due process in administrative 60663
hearings shall be applied to all hearings conducted under the 60664

authority of the commission. In conducting hearings, all hearing officers shall control the conduct of the hearing, exclude irrelevant or cumulative evidence, and give weight to the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of serious affairs. Hearing officers have an affirmative duty to question parties and witnesses in order to ascertain the relevant facts and to fully and fairly develop the record. Hearing officers are not bound by common law or statutory rules of evidence or by technical or formal rules of procedure. No person shall impose upon the claimant or the employer any burden of proof as is required in a court of law. The proceedings at hearings shall be recorded by mechanical means or otherwise as may be prescribed by the commission. In the absence of further proceedings, the record need not be transcribed. After considering all of the evidence, a hearing officer shall issue a written decision that sets forth the facts as the hearing officer finds them to be, cites the applicable law, and gives the reasoning for the decision.

(3) HEARING OFFICER LEVEL

When an appeal is transferred to the commission by the director, the commission shall notify all interested parties of the time and place of the hearing and assign the appeal for a hearing by a hearing officer. The hearings shall be de novo, except that the director's file pertaining to a case shall be included in the record to be considered.

Following a hearing, the hearing officer shall affirm, modify, or reverse the determination of the director in the manner that appears just and proper. The hearing officer's written decision shall be sent to all interested parties. The decision shall state the right of an interested party to request

a review by the commission. 60695

A request for review shall be filed within twenty-one days 60696
after the decision was sent to the party, or within an extended 60697
period as provided under division (D) (9) of this section. The 60698
hearing officer's decision shall become final unless a request 60699
for review is filed and allowed or the commission removes the 60700
appeal to itself within twenty-one days after the hearing 60701
officer's decision is sent. 60702

(4) REVIEW LEVEL 60703

At the review level, the commission may affirm, modify, or 60704
reverse previous determinations by the director or at the 60705
hearing officer level. At the review level, the commission may 60706
affirm, modify, or reverse a hearing officer's decision or 60707
remand the decision to the hearing officer level for further 60708
hearing. The commission shall consider an appeal at the review 60709
level under the following circumstances: when an appeal is 60710
required to be heard initially at the review level under this 60711
chapter; when the commission on its own motion removes an appeal 60712
to itself within twenty-one days after the hearing officer's 60713
decision is sent; when the assigned hearing officer refers an 60714
appeal to the commission before the hearing officer's decision 60715
is sent; or when an interested party files a request for review 60716
with the commission within twenty-one days after the hearing 60717
officer's decision is sent. 60718

(5) COMMISSION EXAMINATION 60719

The commission shall consider a request for review by an 60720
interested party, including the reasons for the request. The 60721
commission may adopt rules prescribing the methods for 60722
requesting a review. The commission may allow or disallow the 60723

request for review. The disallowance of a request for review 60724
constitutes a final decision by the commission. 60725

(6) REVIEW PROCEDURE 60726

If the commission allows a request for review, the 60727
commission shall notify all interested parties of that fact and 60728
provide a reasonable period of time, as the commission defines 60729
by rule, in which interested parties may file a response. After 60730
that period of time, the commission, based on the record before 60731
it, may do one of the following: affirm the decision of the 60732
hearing officer; provide for the appeal to be heard or reheard 60733
at the hearing officer or review level; provide for the appeal 60734
to be heard at the review level as a potential precedential 60735
decision; or provide for the decision to be rewritten without 60736
further hearing at the review level. When a further hearing is 60737
provided or the decision is rewritten, the commission may 60738
affirm, modify, or reverse the previous decision. 60739

If a member of the commission is unable or unavailable to 60740
consider an appeal allowed by the commission, the other members 60741
of the commission may appoint a hearing officer as a temporary 60742
commissioner to fulfill the unable or unavailable commissioner's 60743
duties with respect to the appeal. The members of the commission 60744
may not appoint the hearing officer who decided the appeal at 60745
the hearing officer level. 60746

(7) NOTICES 60747

The commission shall send written notice to all interested 60748
parties when it orders an appeal to be heard or reheard. The 60749
notice shall include the reasons for the hearing or rehearing. 60750

(8) PRECEDENTIAL 60751

An appeal the commission identifies as potentially 60752

precedential shall be heard at the review level. In the notice 60753
for that type of hearing, the commission shall notify the 60754
director, all interested parties, and any other parties, as the 60755
commission determines appropriate, that the appeal is designated 60756
as potentially precedential. After the hearing, parties shall be 60757
given the opportunity to submit briefs on the issue or issues 60758
involved. The commission may designate a decision as 60759
precedential after issuing the decision or at any point in the 60760
appeal process, even if the commission does not initially 60761
identify the appeal as potentially precedential. 60762

(9) MASS APPEALS 60763

When the commission determines that it has five appeals 60764
pending that have common facts or common issues, the commission 60765
may transfer the appeals to the review level on its own motion 60766
to be heard as a mass appeal, including appeals from claimants 60767
separated due to a labor dispute, on the condition that there 60768
are fewer than twenty-five claimants involved. 60769

To facilitate a mass hearing, the commission may allow an 60770
authorized agent to accept notice of hearing on behalf of 60771
claimants. An authorized agent may waive this notice of hearing 60772
and also the sending of decisions to individual claimants 60773
represented by the agent. 60774

(D) SPECIAL PROVISIONS 60775

(1) TIMELINESS OF APPEALS 60776

The date of the mailing provided by the director or the 60777
commission is sufficient evidence upon which to conclude that a 60778
determination, redetermination, or decision was sent to the 60779
party on that date. Appeals may be filed with the director, 60780
commission, with an employee of another state or federal agency 60781

charged with the duty of accepting claims, or with the 60782
unemployment insurance commission of Canada. Any timely written 60783
notice by an interested party indicating a desire to appeal 60784
shall be accepted. 60785

The director, commission, or authorized agent must receive 60786
the appeal within the specified appeal period in order for the 60787
appeal to be deemed timely filed, except that: if the United 60788
States postal service is used as the means of delivery, the 60789
enclosing envelope must have a postmark date or postal meter 60790
postmark that is on or before the last day of the specified 60791
appeal period; and where the postmark is illegible or missing, 60792
the appeal is timely filed if received not later than the end of 60793
the fifth calendar day following the last day of the specified 60794
appeal period. 60795

The director and the commission may adopt rules pertaining 60796
to alternate methods of filing appeals under this section. 60797

(2) WAIVER 60798

Interested parties may waive, in writing, a hearing at 60799
either the hearing officer or review level. If the parties waive 60800
a hearing, the hearing officer shall issue a decision based on 60801
the evidence of record. 60802

(3) TELEPHONE HEARINGS 60803

Hearing officers may conduct hearings at either the 60804
hearing officer or review level in person or by telephone or 60805
interactive video conference. The commission shall adopt rules 60806
that designate the circumstances under which hearing officers 60807
may conduct a hearing by telephone or interactive video 60808
conference or grant a party to the hearing the opportunity to 60809
object to a hearing by telephone or interactive video 60810

conference. An interested party whose hearing would be by 60811
telephone or interactive video conference may elect to have an 60812
in-person hearing, provided that the party agrees to have the 60813
hearing at the time and place the commission determines pursuant 60814
to rule. 60815

(4) EVENING HEARINGS 60816

Unless the commission grants a request for an evening 60817
telephone or interactive video conference hearing, hearing 60818
officers shall conduct hearings at the hearing officer and 60819
review level during normal business hours. An interested party 60820
who is regularly employed throughout those hours may request to 60821
have a hearing by telephone or interactive video conference 60822
during the evening. The commission shall grant or deny a request 60823
for an evening telephone or interactive video conference 60824
hearing. If a conflict concerning a request for an evening 60825
hearing and an in-person hearing arises, the commission shall 60826
schedule the hearing by telephone or interactive video 60827
conference during evening hours. 60828

(5) NO APPEARANCE -- APPELLANT 60829

For hearings at either the hearing officer or review 60830
level, if the appealing party fails to appear at the hearing, 60831
the hearing officer shall dismiss the appeal. The commission 60832
shall vacate the dismissal upon a showing that written notice of 60833
the hearing was not sent to that party's last known address, or 60834
good cause for the appellant's failure to appear is shown to the 60835
commission within fourteen days after the hearing date. 60836

If the commission finds that the appealing party's reason 60837
for failing to appear does not constitute good cause for failing 60838
to appear, the commission shall send written notice of that 60839

finding, and the appealing party may request a hearing to 60840
present testimony on the issue of good cause for failing to 60841
appear. The appealing party shall file a request for a hearing 60842
on the issue of good cause for failing to appear within ten days 60843
after the commission sends written notice indicating a finding 60844
of no good cause for failing to appear. 60845

(6) NO APPEARANCE -- APPELLEE 60846

For hearings at either the hearing officer or review 60847
level, if the appellee fails to appear at the hearing, the 60848
hearing officer shall proceed with the hearing and shall issue a 60849
decision based on the evidence of record. The commission shall 60850
vacate the decision upon a showing that written notice of the 60851
hearing was not sent to the appellee's last known address, or 60852
good cause for the appellee's failure to appear is shown to the 60853
commission within fourteen days after the hearing date. 60854

(7) AGENT 60855

Any appeal or request for review may be executed on behalf 60856
of any party or any group of claimants by an agent. 60857

(8) COLLATERAL ESTOPPEL 60858

No finding of fact or law, decision, or order of the 60859
director, hearing officer, the commission, or a reviewing court 60860
under this section or section 4141.28 of the Revised Code shall 60861
be given collateral estoppel or res judicata effect in any 60862
separate or subsequent judicial, administrative, or arbitration 60863
proceeding, other than a proceeding arising under this chapter. 60864

(9) EXTENSION OF APPEAL PERIODS 60865

The time for filing an appeal or a request for review 60866
under this section or a court appeal under section 4141.282 of 60867

the Revised Code shall be extended in the manner described in 60868
the following four sentences. When the last day of an appeal 60869
period is a Saturday, Sunday, or legal holiday, the appeal 60870
period is extended to the next work day after the Saturday, 60871
Sunday, or legal holiday. When an interested party provides 60872
certified medical evidence stating that the interested party's 60873
physical condition or mental capacity prevented the interested 60874
party from filing an appeal or request for review under this 60875
section within the appropriate twenty-one-day period, the appeal 60876
period is extended to twenty-one days after the end of the 60877
physical or mental condition, and the appeal or request for 60878
review is considered timely filed if filed within that extended 60879
period. When an interested party provides evidence, which 60880
evidence may consist of testimony from the interested party, 60881
that is sufficient to establish that the party did not actually 60882
receive the determination or decision within the applicable 60883
appeal period under this section, and the director or the 60884
commission finds that the interested party did not actually 60885
receive the determination or decision within the applicable 60886
appeal period, then the appeal period is extended to twenty-one 60887
days after the interested party actually receives the 60888
determination or decision. When an interested party provides 60889
evidence, which evidence may consist of testimony from the 60890
interested party, that is sufficient to establish that the party 60891
did not actually receive a decision within the thirty-day appeal 60892
period provided in section 4141.282 of the Revised Code, and a 60893
court of common pleas finds that the interested party did not 60894
actually receive the decision within that thirty-day appeal 60895
period, then the appeal period is extended to thirty days after 60896
the interested party actually receives the decision. 60897

required for the individual's former work, unless the expense is 61289
provided for. 61290

(4) The remuneration, hours, or other conditions of the 61291
work offered are substantially less favorable to the individual 61292
than those prevailing for similar work in the locality. 61293

(F) Subject to the special exceptions contained in 61294
division (A) (4) (f) of this section and section 4141.301 of the 61295
Revised Code, in determining whether any work is suitable for a 61296
claimant in the administration of this chapter, the director, in 61297
addition to the determination required under division (E) of 61298

4141.25 of the Revised Code, provided that no charge shall be 61333
made to the mutualized account for benefits chargeable to a 61334
reimbursing employer, except as provided in division (D) (2) of 61335
section 4141.24 of the Revised Code. In the case of a 61336
reimbursing employer, the director shall refund or credit to the 61337

account of the reimbursing employer any over-paid benefits that 61338

the agreements and arrangements to which the chargeable amounts 61344
are subject. 61345

in any such capacity for any such institution in the second of 61365
those academic years or terms. 61366

(b) Benefits based on service for an educational 61367

that such individual will perform those services for any 61377
educational institution or institution of higher education in 61378
the second of such academic years or terms. 61379

If compensation is denied to any individual for any week 61380

not offered an opportunity to perform those services for an 61382
institution of higher education or for an educational 61383
institution for the second of such academic years or terms, the 61384
individual is entitled to a retroactive payment of compensation 61385
for each week for which the individual timely filed a claim for 61386
compensation and for which compensation was denied solely by 61387
reason of division (I)(1)(b) of this section. An application for 61388
retroactive benefits shall be timely filed if received by the 61389
director or the director's deputy within or prior to the end of 61390

which benefits were denied because of reasonable assurance of 61392
employment. The provision for the payment of retroactive 61393
benefits under division (I)(1)(b) of this section is applicable 61394
to weeks of unemployment beginning on and after November 18, 61395
1983. The provisions under division (I)(1)(b) of this section 61396
shall be retroactive to September 5, 1982, only if, as a 61397
condition for full tax credit against the tax imposed by the 61398

December 31, 1977, benefits shall be denied to any individual 61403
for any week which commences during an established and customary 61404
vacation period or holiday recess, if the individual performs 61405
any services described in divisions (I) (1) (a) and (b) of this 61406
section in the period immediately before the vacation period or 61407
holiday recess, and there is a reasonable assurance that the 61408
individual will perform any such services in the period 61409
immediately following the vacation period or holiday recess. 61410

(d) With respect to any services described in division (I) 61411
(1) (a), (b), or (c) of this section, benefits payable on the 61412
basis of services in any such capacity shall be denied as 61413
specified in division (I) (1) (a), (b), or (c) of this section to 61414

following academic year. 61430

(2) No disqualification will be imposed, between academic 61431
years or terms or during a vacation period or holiday recess 61432
under this division, unless the director or the director's 61433
deputy has received a statement in writing from the educational 61434
institution or institution of higher education that the claimant 61435
has a contract for, or a reasonable assurance of, reemployment 61436
for the ensuing academic year or term. 61437

(3) If an individual has employment with an educational 61438
institution or an institution of higher education and employment 61439
with a noneducational employer, during the base period of the 61440
individual's benefit year, then the individual may become 61441
eligible for benefits during the between-term, or vacation or 61442
holiday recess, disqualification period, based on employment 61443
performed for the noneducational employer, provided that the 61444
employment is sufficient to qualify the individual for benefit 61445
rights separately from the benefit rights based on school 61446
employment. The weekly benefit amount and maximum benefits 61447
payable during a disqualification period shall be computed based 61448
solely on the nonschool employment. 61449

admitted to the United States for permanent residence at the 61452
time the services were performed, was lawfully present for 61453

applying for benefits to determine whether benefits are not 61460
payable to them because of their alien status shall be uniformly 61461
required from all applicants for benefits. 61462

(2) In the case of an individual whose application for 61463
benefits would otherwise be approved, no determination that 61464
benefits to the individual are not payable because of the 61465
individual's alien status shall be made except upon a 61466
preponderance of the evidence that the individual had not, in 61467
fact, been lawfully admitted to the United States. 61468

(K) The director shall establish and utilize a system of 61469
profiling all new claimants under this chapter that: 61470

(2) Refers claimants identified pursuant to division (K) 61474

division (K) (1) of this section; and 61481

(4) Meets such other requirements as the United States 61482
secretary of labor determines are appropriate. 61483

this section, ineligibility pursuant to division (A) of this 61485
section shall begin on the first day of the week in which the 61486
claimant becomes ineligible for benefits and shall end on the 61487

last day of the week preceding the week in which the claimant 61488
satisfies the eligibility requirements. 61489

(M) The director may adopt rules that the director 61490
considers necessary for the administration of division (A) of 61491
this section. 61492

climatic conditions or because of the seasonal nature of such 61516

industry only during regularly recurring periods of forty weeks 61517
or less duration, benefits shall be payable only during the 61518
longest seasonal periods which the best practice of such 61519

~~investigation, hearing, and due notice,~~ whether the 61521
industry is seasonal and, if seasonal, establish seasonal 61522
periods for such seasonal employer. The director shall make the 61523

Sec. 4305.13. (A) If the tax commissioner finds that any 62092
permit holder, liable for tax under Chapter 4301., 4305., or 62093
4307. of the Revised Code, is about to depart from the state, 62094
remove the permit holder's property from the state, conceal the 62095
permit holder's self or property, or do any other act tending to 62096
prejudice, obstruct, or render wholly or partially ineffectual 62097
proceedings to collect the tax, unless the proceedings are 62098
commenced without delay, or if the commissioner believes that 62099
the collection of the amount due from any permit holder will be 62100
jeopardized by delay, the commissioner may issue a jeopardy 62101
assessment against the permit holder for the amount of the tax, 62102
plus a penalty of up to thirty per cent. Upon issuance of a 62103
jeopardy assessment under this division, the total amount 62104
assessed shall immediately be due and payable unless security is 62105
provided pursuant to division (C) of this section. Any 62106
assessment issued under this section shall bear interest as 62107
prescribed by section 4305.131 of the Revised Code. 62108

(B) The commissioner immediately shall file an entry with 62109

the clerk of the court of common pleas in the same manner and 62110
with the same effect as provided in section 4305.131 of the 62111
Revised Code. Notice of the jeopardy assessment shall be served 62112
on the permit holder assessed or the permit holder's legal 62113
representative, as provided in section 5703.37 of the Revised 62114
Code, within five days of the filing of the entry. The permit 62115
holder assessed may petition for reassessment within sixty days 62116
of receipt of the notice of jeopardy assessment in the same 62117
manner as provided in section 4305.131 of the Revised Code. Full 62118
or partial payment of the assessment shall not prejudice the 62119
commissioner's consideration of the merits of the assessment as 62120
contested by the petition for reassessment. Upon notification of 62121
the existence of the judgment filed pursuant to this division, 62122
any public official having control or custody of any funds or 62123
property of the person assessed immediately shall pay or deliver 62124
the funds or property to the commissioner as full or partial 62125
satisfaction of the jeopardy assessment. However, funds or 62126
property needed as evidence in criminal proceedings or that is 62127
expected to be forfeited pursuant to Chapter 2981. of the 62128
Revised Code need not be relinquished by the public official. 62129
Upon disposition of criminal and forfeiture proceedings, funds 62130
and property not needed as evidence and not forfeited shall be 62131
delivered to the commissioner. 62132

(C) If the permit holder subject to a jeopardy assessment 62133
files a petition for reassessment and posts security 62134
satisfactory to the commissioner in an amount sufficient to 62135
satisfy the unpaid balance of the assessment, execution on the 62136
judgment shall be stayed pending disposition of the petition for 62137
reassessment and all appeals resulting from the petition. If the 62138
security is sufficient to satisfy the full amount of the 62139
assessment, the commissioner shall return any funds or property 62140

of the permit holder previously seized. Upon satisfaction of the 62141
assessment the commissioner shall order the security released 62142
and the judgment vacated. 62143

~~(D) The commissioner may adopt rules providing for the 62144
imposition and remission of penalties added to assessments under 62145
this section. 62146~~

Sec. 4305.131. (A) If any permit holder fails to pay the 62147
taxes levied by section 4301.42, 4301.43, 4301.432, or 4305.01 62148
of the Revised Code in the manner prescribed by section 4303.33 62149
of the Revised Code, or by section 4301.421 or 4301.424 of the 62150
Revised Code in the manner prescribed in section 4301.422 of the 62151
Revised Code, and by the rules of the tax commissioner, the 62152
commissioner may make an assessment against the permit holder 62153
based upon any information in the commissioner's possession. 62154

No assessment shall be made against any permit holder for 62155
any taxes imposed by section 4301.42, 4301.421, 4301.424, 62156
4301.43, 4301.432, or 4305.01 of the Revised Code more than 62157
three years after the last day of the calendar month in which 62158
the sale was made or more than three years after the return for 62159
that period is filed, whichever is later. This section does not 62160
bar an assessment against any permit holder or registrant as 62161
provided in section 4303.331 of the Revised Code who fails to 62162
file a return as required by section 4301.422 or 4303.33 of the 62163
Revised Code, or who files a fraudulent return. 62164

A penalty of up to thirty per cent may be added to the 62165
amount of every assessment made under this section. ~~The 62166
commissioner may adopt rules providing for the imposition and 62167
remission of penalties added to assessments made under this 62168
section. 62169~~

The commissioner shall give the party assessed written notice of the assessment in the manner provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the permit holder's place of business is located or the county in which the party assessed resides. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state against the party assessed in the

amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state beer and liquor sales taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment, except as otherwise provided in this chapter and Chapters 4301. and 4307. of the Revised Code.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) All money collected under this section shall be considered as revenue arising from the taxes imposed by sections 4301.42, 4301.421, 4301.424, 4301.43, 4301.432, and 4305.01 of the Revised Code.

same amount for the electronic or online service or transaction 62236
as the registrar or deputy registrar charges for the associated 62237

financial transaction device. The registrar or deputy registrar 62240
