terminates sixty days from the date the offender committed that 65833
violation. 65834

The registrar of motor vehicles is prohibited from 65835
reinstating an offender's license unless the applicable period 65836
of suspension has been served and no ignition interlock device 65837
violations have been committed within the sixty days prior to 65838
the application for reinstatement. 65839

(9) At the time the court issues an order under this 65840

A restricted license issued under this division shall be identical to an Ohio driver's license, except that it shall ~~have printed on its face~~ include a statement and a code indicating that the offender is prohibited from operating any motor vehicle that is not equipped with an immobilizing or disabling device in violation of the order.

impose a class D suspension of the person's driver's license, 65974
commercial driver's license, temporary instruction permit, 65975
probationary license, or nonresident operating privilege for the 65976
period of time specified in division (B) (4) of section 4510.02 65977
of the Revised Code on any person who is a resident of this 65978
state and is convicted of or pleads guilty to a violation of a 65979
statute of any other state or any federal statute that is 65980

2925.041, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 65982
2925.141, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 65983
2925.37 of the Revised Code, provided that the person's license, 65984
permit, or privilege is required to be suspended had the offense 65985

to appeal the suspension or denial, the person must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state or federal court, whichever is earlier.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding persons who plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(B) The registrar shall impose a class D suspension of the person's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B) (4) of section 4510.02 of the Revised Code on any person who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or

a municipal ordinance of a municipal corporation located in any 66025
other state that is substantially similar to section 4511.19 of 66026
the Revised Code. Upon receipt of a report from another state 66027
made pursuant to section 4510.61 of the Revised Code indicating 66028
that a resident of this state was convicted of or pleaded guilty 66029
to an offense described in this division, the registrar shall 66030
send a notice by regular first class mail to the person, at the 66031
person's last known address as shown in the records of the 66032
bureau of motor vehicles, informing the person of the 66033
suspension, that the suspension or denial will take effect 66034
twenty-one days from the date of the notice, and that, if the 66035
person wishes to appeal the suspension, the person must file a 66036
notice of appeal within twenty-one days of the date of the 66037
notice requesting a hearing on the matter. If the person 66038
requests a hearing, the registrar shall hold the hearing not 66039
more than forty days after receipt by the registrar of the 66040
notice of appeal. The filing of a notice of appeal does not stay 66041
the operation of the suspension that must be imposed pursuant to 66042
this division. The scope of the hearing shall be limited to 66043
whether the person actually was convicted of or pleaded guilty 66044
to the offense for which the suspension is to be imposed. 66045

The suspension the registrar is required to impose under 66046
this division shall end either on the last day of the class D 66047
suspension period or of the suspension of the person's 66048
nonresident operating privilege imposed by the state or federal 66049
court, whichever is earlier. 66050

(C) The registrar shall impose a class D suspension of the 66051
child's driver's license, commercial driver's license, temporary 66052

period of time specified in division (B) (4) of section 4510.02 66054
of the Revised Code on any child who is a resident of this state 66055

and is convicted of or pleads guilty to a violation of a statute 66056
of any other state or any federal statute that is substantially 66057
similar to section 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 66058
2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.141, 2925.22, 66059
2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised 66060
Code, provided the child's license, permit, or privilege is 66061
required to be suspended had the offense occurred in this state. 66062
Upon receipt of a report from a court, court clerk, or other 66063
official of any other state or from any federal authority that a 66064
child who is a resident of this state was convicted of or 66065
pleaded guilty to an offense described in this division, the 66066
registrar shall send a notice by regular first class mail to the 66067
child, at the child's last known address as shown in the records 66068
of the bureau of motor vehicles, informing the child of the 66069

twenty-one days from the date of the notice, and that, if the 66071
child wishes to appeal the suspension, the child must file a 66072
notice of appeal within twenty-one days of the date of the 66073
notice requesting a hearing on the matter. If the child requests 66074
a hearing, the registrar shall hold the hearing not more than 66075
forty days after receipt by the registrar of the notice of 66076
appeal. The filing of a notice of appeal does not stay the 66077
operation of the suspension that must be imposed pursuant to 66078
this division. The scope of the hearing shall be limited to 66079
whether the child actually was convicted of or pleaded guilty to 66080
the offense for which the suspension is to be imposed. 66081

The suspension the registrar is required to impose under 66082
this division shall end either on the last day of the class D 66083
suspension period or of the suspension of the child's 66084
nonresident operating privilege imposed by the state or federal 66085
court, whichever is earlier. If the child is a resident of this 66086

state who is sixteen years of age or older and does not have a 66087

permit for six months beginning on the date of the notice. If 66091
the child has not attained the age of sixteen years on the date 66092
of the notice, the notice shall inform the child that the period 66093
of denial of six months shall commence on the date the child 66094
attains the age of sixteen years. 66095

The registrar shall subscribe to or otherwise participate 66096
in any information system or register, or enter into reciprocal 66097
and mutual agreements with other states and federal authorities, 66098
in order to facilitate the exchange of information with other 66099
states and the United States government regarding children who 66100
are residents of this state and plead guilty to or are convicted 66101
of offenses described in this division and therefore are subject 66102
to the suspension or denial described in this division. 66103

(D) The registrar shall impose a class D suspension of the 66104
child's driver's license, commercial driver's license, temporary 66105
instruction permit, probationary license, or nonresident 66106
operating privilege for the period of time specified in division 66107
(B) (4) of section 4510.02 of the Revised Code on any child who 66108

ordinance of a municipal corporation located in any other state 66111
that is substantially similar to section 4511.19 of the Revised 66112
Code. Upon receipt of a report from another state made pursuant 66113
to section 4510.61 of the Revised Code indicating that a child 66114
who is a resident of this state was convicted of or pleaded 66115
guilty to an offense described in this division, the registrar 66116
shall send a notice by regular first class mail to the child, at 66117

the child's last known address as shown in the records of the 66118
bureau of motor vehicles, informing the child of the suspension, 66119
that the suspension will take effect twenty-one days from the 66120
date of the notice, and that, if the child wishes to appeal the 66121
suspension, the child must file a notice of appeal within 66122
twenty-one days of the date of the notice requesting a hearing 66123
on the matter. If the child requests a hearing, the registrar 66124
shall hold the hearing not more than forty days after receipt by 66125
the registrar of the notice of appeal. The filing of a notice of 66126
appeal does not stay the operation of the suspension that must 66127
be imposed pursuant to this division. The scope of the hearing 66128
shall be limited to whether the child actually was convicted of 66129
or pleaded guilty to the offense for which the suspension is to 66130
be imposed. 66131

The suspension the registrar is required to impose under 66132
this division shall end either on the last day of the class D 66133
suspension period or of the suspension of the child's 66134
nonresident operating privilege imposed by the state or federal 66135
court, whichever is earlier. If the child is a resident of this 66136
state who is sixteen years of age or older and does not have a 66137

hearing is limited to determining whether the offender in fact 66397

(b), (c), (d), or (e) of section 4511.19 of the Revised Code. 66419
This division does not apply when a suspension is increased 66420
under division (C) (5) of this section. 66421

case are sealed or expunged under that section the proceedings 67502
in the case shall be deemed not to have occurred, sealing or 67503
expungement of the following records on which the board has 67504
based an action under this section shall have no effect on the 67505
board's action or any sanction imposed by the board under this 67506
section: records of any conviction, guilty plea, judicial 67507
finding of guilt resulting from a plea of no contest, or a 67508

that the individual under investigation may have a physical or 67528
mental impairment that may affect the individual's ability to 67529
provide safe nursing care. 67530

The board shall not compel an individual who has been 67531
referred to the safe haven program as described in sections 67532
4723.35 and 4723.351 of the Revised Code to submit to a mental 67533
or physical examination. 67534

Failure of any individual to submit to a mental or 67535
physical examination when directed constitutes an admission of 67536
the allegations, unless the failure is due to circumstances 67537
beyond the individual's control, and a default and final order 67538
may be entered without the taking of testimony or presentation 67539
of evidence. 67540

If the board finds that an individual is impaired, the 67541
board shall require the individual to submit to care, 67542
counseling, or treatment approved or designated by the board, as 67543
a condition for initial, continued, reinstated, or renewed 67544

admissible in evidence and constitutes presumptive evidence of 68929
the fact that the person is not licensed pursuant to section 68930
4729.52 or 4729.54 of the Revised Code. 68931

Sec. 4729.60. (A) (1) Before a ~~licensee identified in~~ 68932

wholesale to any person, except as provided in division (A) (2) 68935
of this section, the licensee shall query the roster established 68936
pursuant to section 4729.59 of the Revised Code to determine 68937
whether the purchaser is a licensed terminal distributor of 68938
dangerous drugs. 68939

If no documented query is conducted before a sale is made, 68940
it shall be presumed that the sale of dangerous drugs by the 68941
licensee is in violation of division (B) of section 4729.51 of 68942
the Revised Code and the purchase of dangerous drugs by the 68943
purchaser is in violation of division (E) of section 4729.51 of 68944

drugs may purchase dangerous drugs at wholesale, the terminal 68961
distributor shall query the roster established pursuant to 68962
section 4729.59 of the Revised Code to confirm the seller is 68963
licensed to engage in the sale or distribution of dangerous 68964
drugs at wholesale. 68965

If no documented query is conducted before a purchase is 68966
made, it shall be presumed that the purchase of dangerous drugs 68967
by the terminal distributor is in violation of division (F) of 68968
section 4729.51 of the Revised Code and the sale of dangerous 68969
drugs by the seller is in violation of division (A) of section 68970
4729.51 of the Revised Code. If a licensed terminal distributor 68971
of dangerous drugs conducts a documented query at least annually 68972
and relies on the results of the query in purchasing dangerous 68973
drugs at wholesale, the terminal distributor shall be deemed not 68974

(a) The proposed name is not the same as or is clearly distinguishable from a name registered with the division of real estate and professional licensing by another existing brokerage. If the superintendent determines that the proposed name is not clearly distinguishable from any other existing brokerage, the superintendent may approve the use of the trade name if there is filed with the superintendent the written consent of the existing brokerage with the same or similar name.

(b) The name is not misleading or likely to mislead the public.

(3) The superintendent may approve the use of more than one trade name for a brokerage.

(4) When a brokerage has received the approval of the

(C) A fee of one hundred thirty-five dollars shall accompany the application for a real estate broker's license. The initial licensing period commences at the time the license is issued and ends on the applicant's first birthday thereafter. However, if the applicant was an inactive or active salesperson immediately preceding application for a broker's license, then the initial licensing period shall commence at the time the broker's license is issued and ends on the date the licensee's continuing education is due as set when the applicant was a salesperson. The application fee shall be nonrefundable. A fee of one hundred thirty-five dollars shall be charged by the superintendent for each successive application made by an applicant. In the case of issuance of a three-year license, upon passing the examination, or upon waiver of the examination requirement, if the superintendent determines it is necessary, the applicant shall submit an additional fee determined by the superintendent based upon the number of years remaining in a real estate salesperson's licensing period.

(D) The Ohio real estate commission may use the division of real estate operating fund created under section 4735.211 of the Revised Code in discharging the duties prescribed in divisions (E), (F), (G), and (H) of section 4735.03 of the Revised Code and may use it in the advancement of education and research in real estate at any institution of higher education in the state, or in contracting with any such institution or a trade organization for a particular research or educational project in the field of real estate, or in advancing loans, not exceeding two thousand dollars, to applicants for salesperson

Code. Such loans shall be made according to rules established by 69711
the commission under the procedures of Chapter 119. of the 69712
Revised Code, and they shall be repaid to the fund within three 69713
years of the time they are made. No more than twenty-five 69714
thousand dollars shall be lent from the fund in any one fiscal 69715
year. 69716

The governor may appoint a representative from the 69717
executive branch to be a member ex officio of the commission for 69718
the purpose of advising on research requests or educational 69719
projects. The commission shall report to the general assembly on 69720
the third Tuesday after the third Monday in January of each year 69721
setting forth the total amount contained in the fund and the 69722
amount of each research grant that it has authorized and the 69723
amount of each research grant requested. A copy of all research 69724
reports shall be submitted to the state library of Ohio and the 69725
library of the legislative service commission. 69726

(E) If the superintendent, with the consent of the 69727
commission, enters into an agreement with a national testing 69728
service to administer the real estate broker's examination, 69729
pursuant to division (A) of section 4735.07 of the Revised Code, 69730
the superintendent may require an applicant to pay the testing 69731
service's examination fee directly to the testing service. If 69732
the superintendent requires the payment of the examination fee 69733
directly to the testing service, each applicant shall submit to 69734
the superintendent a processing fee in an amount determined by 69735
the Ohio real estate commission pursuant to division (A) (2) of 69736
section 4735.10 of the Revised Code. 69737

the applicant. The application shall be in the form prescribed 69741
by the superintendent and shall contain such information as is 69742
required by this chapter and the rules of the Ohio real estate 69743
commission. The application shall include the address of the 69744
applicant's current residence. The superintendent shall retain 69745
the applicant's current residence address in a separate record, 69746
and that record is subject to section 4798.10 of the Revised 69747
Code. The application shall be accompanied by the recommendation 69748
of the real estate broker with whom the applicant is associated 69749
or with whom the applicant intends to be associated, certifying 69750
that the applicant is honest and truthful, and has not been 69751
finally adjudged by a court to have violated any municipal, 69752
state, or federal civil rights laws relevant to the protection 69753
of purchasers or sellers of real estate, which conviction or 69754

superintendent, and recommending that the applicant be admitted 69756
to the real estate salesperson examination. 69757

(B) A fee of eighty-one dollars shall accompany the 69758
application, which fee includes the fee for the initial year of 69759
the licensing period, if a license is issued. The initial year 69760
of the licensing period commences at the time the license is 69761
issued and ends on the applicant's first birthday thereafter. 69762
The application fee shall be nonrefundable. A fee of eighty-one 69763
dollars shall be charged by the superintendent for each 69764
successive application made by the applicant. 69765

(C) There shall be no limit placed on the number of times 69766
an applicant may retake the examination. 69767

(D) The superintendent, with the consent of the 69768

commission, may enter into an agreement with a recognized 69769
national testing service to administer the real estate 69770
salesperson's examination under the superintendent's supervision 69771
and control, consistent with the requirements of this chapter as 69772
to the contents of the examination. 69773

If the superintendent, with the consent of the commission, 69774
enters into an agreement with a national testing service to 69775
administer the real estate salesperson's examination, the 69776
superintendent may require an applicant to pay the testing 69777
service's examination fee directly to the testing service. If 69778
the superintendent requires the payment of the examination fee 69779
directly to the testing service, each applicant shall submit to 69780
the superintendent a processing fee in an amount determined by 69781
the Ohio real estate commission pursuant to division (A) (1) of 69782
section 4735.10 of the Revised Code. 69783

salesperson's license when satisfied that the applicant has 69785
received a passing score on each portion of the salesperson's 69786
examination as determined by rule by the real estate commission. 69787

(F) No applicant for a salesperson's license shall take 69788

relevant to the protection of purchasers or sellers of real 69797

estate or, if the applicant has been so adjudged, at least two 69798
years have passed since the court decision and the 69799
superintendent has disregarded the adjudication because the 69800
applicant has proven, by a preponderance of the evidence, that 69801
the applicant is honest and truthful, and there is no basis in 69802
fact for believing that the applicant again will violate the 69803
laws involved. 69804

(3) Has not, during any period in which the applicant was 69805
licensed under this chapter, violated any provision of, or any 69806

housing discrimination, desegregation issues, and methods of 69827
eliminating the effects of prior discrimination shall be taught 69828
by a staff member of the Ohio civil rights commission who is 69829

any new applicant who holds a valid Ohio real estate appraiser 69839
license or certificate issued prior to the date of application 69840
for a real estate salesperson's license. 69841

(H) Only for noncredit course offerings, an institution of 69842
higher education shall obtain approval from the appropriate 69843
state authorizing entity prior to offering a real estate course 69844
that is designed and marketed as satisfying the salesperson 69845
license education requirements of division (F) (6) of this 69846
section. The state authorizing entity may consult with the 69847
superintendent in reviewing the course for compliance with this 69848
section. 69849

(I) Any person who has not been licensed as a real estate 69850
salesperson or broker within a four-year period immediately 69851
preceding the person's current application for the salesperson's 69852
examination shall have successfully completed the prelicensure 69853
instruction required by division (F) (6) of this section within a 69854
ten-year period immediately preceding the person's current 69855

application for the salesperson's examination. 69856

(J) Not earlier than the date of issue of a real estate 69857
salesperson's license to a licensee, but not later than twelve 69858
months after the date of issue of a real estate salesperson 69859
license to a licensee, the licensee shall submit proof 69860

the superintendent, of the completion of twenty hours of 69862

be granted according to rules adopted pursuant to section 69870
4735.10 of the Revised Code and may be taken through classroom 69871
instruction or distance education. 69872

If proof of completion of the required instruction is not 69873
submitted within twelve months of the date a license is issued 69874
under this section, the licensee's license is suspended 69875
automatically without the taking of any action by the 69876
superintendent. The superintendent immediately shall notify the 69877
broker with whom such salesperson is associated of the 69878
suspension of the salesperson's license. A salesperson whose 69879
license has been suspended under this division shall have twelve 69880
months after the date of the suspension of the salesperson's 69881
license to submit proof of successful completion of the 69882
instruction required under this division. No such license shall 69883
be reactivated by the superintendent until it is established, to 69884
the satisfaction of the superintendent, that the requirements of 69885
this division have been met and that the licensee is in 69886

compliance with this chapter. A licensee's license is revoked 69887
automatically without the taking of any action by the 69888
superintendent when the licensee fails to submit the required 69889

with the classroom instructional requirements of division (F) (6) 69897
of this section. An applicant who has completed the classroom 69898
instructional requirements of division (F) (6) of this section at 69899
the time of application shall be examined no later than twelve 69900
months after the applicant is notified of the applicant's 69901
admission to the examination. 69902

(L) Notwithstanding any provision of this chapter or 69903
Chapter 4796. of the Revised Code to the contrary, the 69904
superintendent shall issue a real estate salesperson's license 69905
in accordance with Chapter 4796. of the Revised Code to an 69906

requirement that an applicant under division (D) (1) (a) of this 69989
section has been actively engaged in the activity for three of 69990
the five years immediately preceding the date the application is 69991

(2) An applicant who does not pass the required 70014

section shall reapply for a license under division (A) of this 70016
section before retaking the required examination any subsequent 70017
time. 70018

(H) All licenses a contractor holds pursuant to this 70019
chapter shall expire annually on the same date, which shall be 70020
the expiration date of the original license the contractor 70021
holds. An individual holding a valid, unexpired license may 70022
renew the license, without reexamination, by submitting an 70023
application to the appropriate specialty section of the board 70024
not more than ninety calendar days before the expiration of the 70025
license, along with the renewal fee the specialty section 70026
requires and proof of compliance with the applicable continuing 70027
education requirements. The applicant shall provide information 70028

appropriate specialty section that the applicant continues to 70030
meet the requirements of divisions (B) (2), (4), and (5) of this 70031

section. 70032

Upon application and within one calendar year after a 70033
license has expired, a section may waive any of the requirements 70034
for renewal of a license upon finding that an applicant 70035
substantially meets the renewal requirements or that failure to 70036
timely apply for renewal is due to excusable neglect. A section 70037
that waives requirements for renewal of a license may impose 70038
conditions upon the licensee and assess a late filing fee of not 70039
more than double the usual renewal fee. An applicant shall 70040
satisfy any condition the section imposes before a license is 70041
reissued. 70042

(I) An individual holding a valid license may request the 70043

(J) Except for the ninety-day extension provided for a 70047
license assigned to a contracting company under division (D) of 70048
section 4740.07 of the Revised Code, a license held by an 70049

individual. 70051

(K) Nothing in any license issued by the Ohio construction 70052
industry licensing board shall be construed to limit or 70053
eliminate any requirement of or any license issued by the Ohio 70054
fire marshal. 70055

(L) (1) Subject to division (L) (3) of this section, no 70056
specialty section of the board shall adopt, maintain, renew, or 70057
enforce any rule, or otherwise preclude in any way, an 70058
individual from renewing a license under this chapter due to any 70059
past criminal activity or interpretation of moral character. If 70060

the specialty section denies an individual a license renewal, 70061
the reasons for such denial shall be put in writing. 70062

(2) The section may refuse to issue a license to an 70063
applicant because of a conviction of or plea of guilty to an 70064
offense if the refusal is in accordance with section 9.79 of the 70065
Revised Code. 70066

(3) In considering a renewal of an individual's license, 70067
the section shall not consider any conviction or plea of guilty 70068
prior to the initial licensing. However, the board may consider 70069
a conviction or plea of guilty if it occurred after the 70070
individual was initially licensed, or after the most recent 70071
license renewal. 70072

(4) The section may grant an individual a conditional 70073
license that lasts for one year. After the one-year period has 70074
expired, the license is no longer considered conditional, and 70075
the individual shall be considered fully licensed. 70076

(M) Notwithstanding divisions (H) and (L) of this section 70077
and sections 4740.04 and 4740.05 of the Revised Code, the board 70078
may establish rules that amend the continuing education 70079
requirements and license renewal schedule for licensees as 70080
provided in or adopted pursuant to those sections for the 70081
purpose of establishing a compliance incentive program. These 70082
rules may include provisions for the creation of the program and 70083
the qualifications, continuing education requirements, and 70084
renewal schedule for the program. 70085

Sec. 4741.03. (A) The state veterinary medical licensing 70086
board shall meet at least once in each calendar year and may 70087
hold additional meetings as often as it considers necessary to 70088
conduct the business of the board. The president of the board 70089

may call special meetings, and the executive director shall call 70090
special meetings upon the written request of three members of 70091
the board. The board shall organize by electing a president and 70092
vice-president from its veterinarian members and such other 70093
officers as the board prescribes by rule. Each officer shall 70094
serve for a term specified by board rule or until a successor is 70095
elected and qualified. A quorum of the board consists of four 70096
members of which at least three are members who are 70097
veterinarians. The concurrence of four members is necessary for 70098
the board to take any action. 70099

(B) The board may appoint a person, not one of its 70100
members, to serve as its executive director. The executive 70101
director is in the unclassified service and serves at the 70102
pleasure of the board. The executive director shall serve as the 70103
board's secretary-treasurer ex officio. The board may employ 70104

approval. 72819

(F) The division shall not renew the license of an 72820

executive order to an occupational licensing board and does not 72875
create any right or benefit, substantive or procedural, 72876
enforceable at law or in equity by any party against the state, 72877
its departments, agencies, or entities, its officers, employees, 72878

Sec. 4903.10. After any order has been made by the public 72952
utilities commission, any party who has entered an appearance in 72953
person or by counsel in the proceeding may apply for a rehearing 72954
in respect to any matters determined in the proceeding. Such 72955
application shall be filed within thirty days after the entry of 72956
the order upon the journal of the commission. 72957

Notwithstanding the preceding paragraph, in any 72958
uncontested proceeding or, by leave of the commission first had 72959
in any other proceeding, any affected person, firm, or 72960
corporation may make an application for a rehearing within 72961

thirty days after the entry of any final order upon the journal 72962
of the commission. Leave to file an application for rehearing 72963
shall not be granted to any person, firm, or corporation who did 72964
not enter an appearance in the proceeding unless the commission 72965
first finds: 72966

(A) The applicant's failure to enter an appearance prior 72967
to the entry upon the journal of the commission of the order 72968
complained of was due to just cause; and, 72969

(B) The interests of the applicant were not adequately 72970
considered in the proceeding. 72971

Every applicant for rehearing or for leave to file an 72972
application for rehearing shall give due notice of the filing of 72973
such application to all parties who have entered an appearance 72974
in the proceeding in the manner and form prescribed by the 72975
commission. 72976

Such application shall be in writing and shall set forth 72977
specifically the ground or grounds on which the applicant 72978
considers the order to be unreasonable or unlawful. No party 72979
shall in any court urge or rely on any ground for reversal, 72980
vacation, or modification not so set forth in the application. 72981

Where such application for rehearing has been filed before 72982
the effective date of the order as to which a rehearing is 72983
sought, the effective date of such order, unless otherwise 72984
ordered by the commission, shall be postponed or stayed pending 72985
disposition of the matter by the commission or by operation of 72986
law. In all other cases the making of such an application shall 72987
not excuse any person from complying with the order, or operate 72988
to stay or postpone the enforcement thereof, without a special 72989
order of the commission. 72990

Where such application for rehearing has been filed, the 72991
commission may grant and hold such rehearing on the matter 72992
specified in such application, if in its judgment sufficient 72993
reason therefor is made to appear. Notice of such rehearing 72994
shall be given by regular mail to all parties who have entered 72995
an appearance in the proceeding. 72996

If the commission does not grant or deny such application 72997
for rehearing within thirty days from the date of filing 72998
thereof, it is denied by operation of law. 72999

If the commission grants such rehearing, it shall specify 73000
in the notice of such granting the purpose for which it is 73001
granted. The commission shall also specify the scope of the 73002
additional evidence, if any, that will be taken, but it shall 73003
not upon such rehearing take any evidence that, with reasonable 73004
diligence, could have been offered upon the original hearing. 73005

If, after such rehearing, the commission is of the opinion 73006
that the original order or any part thereof is in any respect 73007
unjust or unwarranted, or should be changed, the commission may 73008
abrogate or modify the same; otherwise such order shall be 73009
affirmed. An order made after such rehearing, abrogating or 73010
modifying the original order, shall have the same effect as an 73011
original order, but shall not affect any right or the 73012
enforcement of any right arising from or by virtue of the 73013
original order prior to the receipt of notice by the affected 73014
party of the filing of the application for rehearing. 73015

If the commission does not affirm, abrogate, or modify the 73016
original order within one hundred fifty days from the date 73017
granting such rehearing, the order is affirmed by operation of 73018
law. 73019

No cause of action arising out of any order of the 73020
commission, other than in support of the order, shall accrue in 73021
any court to any person, firm, or corporation unless such 73022
person, firm, or corporation has made a proper application to 73023
the commission for a rehearing. 73024

jurisdiction of the public utilities commission. The commission, 73093
upon application made to it, may relieve any producer or 73094
gatherer of natural gas, defined in this section as a gas 73095
company or a natural gas company, of compliance with the 73096
obligations imposed by this chapter and Chapters 4901., 4903., 73097
4907., 4909., 4921., and 4923. of the Revised Code, so long as 73098
the producer or gatherer is not affiliated with or under the 73099
control of a gas company or a natural gas company engaged in the 73100
transportation or distribution of natural gas, or so long as the 73101
producer or gatherer does not engage in the distribution of 73102
natural gas to consumers. 73103

Nothing in division (E) of this section limits the 73104
authority of the commission to enforce sections 4905.90 to 73105

state, but not when engaged in the business of the transport 73110
associated with gathering lines, raw natural gas liquids, or 73111
finished product natural gas liquids; 73112

any municipal corporation, operated by any motive power other 73126
than steam and not a part of an interurban railroad, whether the 73127
railway is termed street, inclined-plane, elevated, or 73128
underground railway; 73129

(K) A suburban railroad company, when engaged in the 73130
business of operating as a common carrier, whether wholly or 73131
partially within this state, a part of a street railway 73132
constructed or extended beyond the limits of a municipal 73133
corporation, and not a part of an interurban railroad; 73134

As used in this section, "gathering lines" has the same meaning as in section 4905.90 of the Revised Code, and "raw natural gas liquids" and "finished product natural gas liquids" have the same meanings as in section 4906.01 of the Revised Code.

As used in division (C) of this section, "certified territory," "customer-generator," "electric utility," and "mercantile customer" have the same meanings as in section 4928.01 of the Revised Code.

Sec. 4905.10. (A) For the sole purpose of maintaining and administering the public utilities commission and exercising its supervision and jurisdiction over the railroads and public

utilities of this state, an amount equivalent to the 73166
appropriation from the public utilities fund created under 73167
division (B) of this section to the public utilities commission 73168
for railroad and public utilities regulation in each fiscal year 73169
shall be apportioned among and assessed against each railroad 73170
and public utility within this state by the commission by first 73171
computing an assessment as though it were to be made in 73172
proportion to the intrastate gross earnings or receipts, 73173
excluding earnings or receipts from sales to other public 73174
utilities for resale, of the railroad or public utility for the 73175
calendar year next preceding that in which the assessment is 73176
made. The commission may include in that first computation any 73177
amount of a railroad's or public utility's intrastate gross 73178
earnings or receipts that were underreported in a prior year. In 73179
addition to whatever penalties apply under the Revised Code to 73180
such underreporting, the commission shall assess the railroad or 73181
public utility interest at the rate stated in division (A) of 73182
section 1343.01 of the Revised Code. The commission shall 73183
deposit any interest so collected into the public utilities 73184
fund. The commission may exclude from that first computation any 73185
such amounts that were overreported in a prior year. 73186

The final computation of the assessment shall consist of 73187
imposing upon each railroad and public utility whose assessment 73188
under the first computation would have been one hundred dollars 73189
or less an assessment of one hundred dollars and recomputing the 73190
assessments of the remaining railroads and public utilities by 73191
apportioning an amount equal to the appropriation to the public 73192
utilities commission for administration of the utilities 73193
division in each fiscal year less the total amount to be 73194
recovered from those paying the minimum assessment, in 73195
proportion to the intrastate gross earnings or receipts of the 73196

remaining railroads and public utilities for the calendar year 73197
next preceding that in which the assessments are made. 73198

In the case of an assessment based on intrastate gross 73199
receipts under this section against a public utility that is an 73200
electric utility as defined in section 4928.01 of the Revised 73201
Code, or an electric services company, electric cooperative, or 73202
governmental aggregator subject to certification under section 73203
4928.08 of the Revised Code, such receipts shall be those 73204
specified in the utility's, company's, cooperative's, or 73205
aggregator's most recent report of intrastate gross receipts and 73206
sales of kilowatt hours of electricity, filed with the 73207
commission pursuant to division (F) of section 4928.06 of the 73208
Revised Code, and verified by the commission. 73209

In the case of an assessment based on intrastate gross 73210
receipts under this section against a retail natural gas 73211
supplier or governmental aggregator subject to certification 73212
under section 4929.20 of the Revised Code, such receipts shall 73213
be those specified in the supplier's or aggregator's most recent 73214
report of intrastate gross receipts and sales of hundred cubic 73215
feet of natural gas, filed with the commission pursuant to 73216
division (B) of section 4929.23 of the Revised Code, and 73217
verified by the commission. However, no such retail natural gas 73218
supplier or such governmental aggregator serving or proposing to 73219
serve customers of a particular natural gas company, as defined 73220
in section 4929.01 of the Revised Code, shall be assessed under 73221
this section until after the commission, pursuant to section 73222
4905.26 or 4909.18 of the Revised Code, has removed from the 73223
base rates of the natural gas company the amount of assessment 73224
under this section that is attributable to the value of 73225
commodity sales service, as defined in section 4929.01 of the 73226
Revised Code, in the base rates paid by those customers of the 73227

company that do not purchase that service from the natural gas 73228
company. 73229

(B) Through calendar year 2005, on or before the first day 73230
of October in each year, the commission shall notify each such 73231
railroad and public utility of the sum assessed against it, 73232
whereupon payment shall be made to the commission, which shall 73233
deposit it into the state treasury to the credit of the public 73234
utilities fund, which is hereby created. Beginning in calendar 73235
year 2006, on or before the fifteenth day of May in each year, 73236
the commission shall notify each railroad and public utility 73237
that had a sum assessed against it for the current fiscal year 73238
of more than one thousand dollars that fifty per cent of that 73239
amount shall be paid to the commission by the twentieth day of 73240
June of that year as an initial payment of the assessment 73241
against the company for the next fiscal year. On or before the 73242
first day of October in each year, the commission shall make a 73243
final determination of the sum of the assessment against each 73244
railroad and public utility and shall notify each railroad and 73245
public utility of the sum assessed against it. The commission 73246
shall deduct from the assessment for each railroad or public 73247
utility any initial payment received. Payment of the assessment 73248
shall be made to the commission by the first day of November of 73249
that year. The commission shall deposit the payments received 73250
into the state treasury to the credit of the public utilities 73251
fund. Any such amounts paid into the fund but not expended by 73252
the commission shall be credited ratably, after first deducting 73253
any deficits accumulated from prior years, by the commission to 73254
railroads and public utilities that pay more than the minimum 73255
assessment, according to the respective portions of such sum 73256
assessable against them for the ensuing fiscal year. The 73257
assessments for such fiscal year shall be reduced 73258

correspondingly. 73259

(C) Within five days after the beginning of each fiscal 73260
year through fiscal year 2006, the director of budget and 73261
management shall transfer from the general revenue fund to the 73262
public utilities fund an amount sufficient for maintaining and 73263
administering the public utilities commission and exercising its 73264
supervision and jurisdiction over the railroads and public 73265
utilities of the state during the first four months of the 73266
fiscal year. The director shall transfer the same amount back to 73267
the general revenue fund from the public utilities fund at such 73268
time as the director determines that the balance of the public 73269
utilities fund is sufficient to support the appropriations from 73270
the fund for the fiscal year. The director may transfer less 73271
than that amount if the director determines that the revenues of 73272
the public utilities fund during the fiscal year will be 73273
insufficient to support the appropriations from the fund for the 73274
fiscal year, in which case the amount not paid back to the 73275
general revenue fund shall be payable to the general revenue 73276
fund in future fiscal years. 73277

(D) For the purpose of this section only, "public utility" 73278
includes: 73279

customer-generator's requirements for electricity. For an 73489
industrial customer-generator with a net metering system that 73490
has a capacity of less than twenty megawatts and uses wind as 73491
energy, this means the net metering system was sized so as to 73492

demonstrate a reduction, as expressed as ash, in emissions of 73516
nitrous oxide, mercury, arsenic, chlorine, sulfur dioxide, or 73517
sulfur trioxide in accordance with the American society of 73518
testing and materials standard D1757A or a reduction of metal 73519
oxide emissions in accordance with standard D5142 of that 73520
society, or clean coal technology that includes the design 73521

capability to control or prevent the emission of carbon dioxide, 73522
which design capability the commission shall adopt by rule and 73523
shall be based on economically feasible best available 73524
technology or, in the absence of a determined best available 73525

feasible design capability for which there exists generally 73527
accepted scientific opinion; 73528

73741
73742
73743

(C) Ensure diversity of electricity supplies and suppliers, by giving consumers effective choices over the selection of those supplies and suppliers and by encouraging the development of distributed and small generation facilities; 73744
73745
73746
73747

(D) Encourage innovation and market access for cost-effective supply- and demand-side retail electric service including, but not limited to, demand-side management, time-differentiated pricing, waste energy recovery systems, smart grid programs, and implementation of advanced metering 73748
73749
73750
73751
73752

infrastructure; 73753

(E) Encourage cost-effective and efficient access to 73754
information regarding the operation of the transmission and 73755
distribution systems of electric utilities in order to promote 73756
both effective customer choice of retail electric service and 73757
the development of performance standards and targets for service 73758
quality for all consumers, including annual achievement reports 73759
written in plain language; 73760

(F) Ensure that an electric utility's transmission and 73761
distribution systems are available to a customer-generator or 73762
owner of distributed generation, so that the customer-generator 73763
or owner can market and deliver the electricity it produces_ 73764
through power purchase agreements or other contractual 73765
agreements; 73766

(G) Recognize the continuing emergence of competitive 73767
electricity markets through the development and implementation 73768
of flexible regulatory treatment; 73769

(H) Ensure effective competition in the provision of 73770
retail electric service by avoiding anticompetitive subsidies 73771
flowing from a noncompetitive retail electric service to a 73772
competitive retail electric service or to a product or service 73773
other than retail electric service, and vice versa, including by 73774
prohibiting the recovery of any generation-related costs through 73775
distribution or transmission rates; 73776

(I) Ensure retail electric service consumers protection 73777
against unreasonable sales practices, market deficiencies, and 73778
market power; 73779

appropriate incentives to technologies that can adapt 73781

successfully to potential environmental mandates; 73782

(K) Encourage implementation of distributed generation 73783
across customer classes through regular review and updating of 73784
administrative rules governing critical issues such as, but not 73785
limited to, interconnection standards, standby charges, and net 73786
metering; 73787

(L) Protect at-risk populations, including, but not 73788
limited to, when considering the implementation of any new 73789

this state regarding the use of, and encourage the use of, 73792
energy efficiency programs and alternative energy resources in 73793
their businesses; 73794

(N) Facilitate the state's effectiveness in the global 73795
economy. 73796

(O) Encourage cost-effective, timely, and efficient access 73797
to and sharing of customer usage data with customers and 73798
competitive suppliers to promote customer choice and grid 73799
modernization. 73800

(P) Ensure that a customer's data is provided in a 73801
standard format and provided to third parties in as close to 73802
real time as is economically justifiable in order to spur 73803
economic investment and improve the energy options of individual 73804
customers. 73805

(Q) Encourage the development of customer-sited 73806
generation. 73807

In carrying out this policy, the commission shall consider 73808
rules as they apply to the costs of electric distribution 73809

infrastructure, including, but not limited to, line extensions, 73810
for the purpose of development in this state. 73811

Sec. 4928.06. (A) Beginning on the starting date of 73812
competitive retail electric service, the public utilities 73813
commission shall ensure that the policy specified in section 73814
4928.02 of the Revised Code is effectuated. To the extent 73815
necessary, the commission shall adopt rules to carry out this 73816
chapter. Initial rules necessary for the commencement of the 73817
competitive retail electric service under this chapter shall be 73818
adopted within one hundred eighty days after the effective date 73819
of this section. Except as otherwise provided in this chapter, 73820
the proceedings and orders of the commission under the chapter 73821
shall be subject to and governed by Chapter 4903. of the Revised 73822
Code. 73823

(B) If the commission determines, on or after the starting 73824
date of competitive retail electric service, that there is a 73825
decline or loss of effective competition with respect to a 73826
competitive retail electric service of an electric utility, 73827
which service was declared competitive by commission order 73828
issued pursuant to division (A) of section 4928.04 of the 73829
Revised Code, the commission shall ensure that that service is 73830
provided at compensatory, fair, and nondiscriminatory prices and 73831
terms and conditions. 73832

(C) In addition to its authority under section 4928.04 of 73833
the Revised Code and divisions (A) and (B) of this section, the 73834
commission, on an ongoing basis, shall monitor and evaluate the 73835
provision of retail electric service in this state for the 73836
purpose of discerning any noncompetitive retail electric service 73837
that should be available on a competitive basis on or after the 73838
starting date of competitive retail electric service pursuant to 73839

a declaration in the Revised Code, and for the purpose of 73840
discerning any competitive retail electric service that is no 73841
longer subject to effective competition on or after that date. 73842
Upon such evaluation, the commission periodically shall report 73843
its findings and any recommendations for legislation to the 73844
standing committees of both houses of the general assembly that 73845
have primary jurisdiction regarding public utility legislation. 73846
~~Until 2008, the commission and the consumer's counsel also shall 73847
provide biennial reports to those standing committees, regarding 73848
the effectiveness of competition in the supply of competitive 73849
retail electric services in this state. In addition, until the 73850
end of all market development periods as determined by the 73851
commission under section 4928.40 of the Revised Code, those 73852
standing committees shall meet at least biennially to consider 73853
the effect on this state of electric service restructuring and 73854
to receive reports from the commission, consumers' counsel, and 73855
director of development. 73856~~

(D) In determining, for purposes of division (B) or (C) of 73857
this section, whether there is effective competition in the 73858
provision of a retail electric service or reasonably available 73859
alternatives for that service, the commission shall consider 73860
factors including, but not limited to, all of the following: 73861

(1) The number and size of alternative providers of that 73862
service; 73863

(2) The extent to which the service is available from 73864
alternative suppliers in the relevant market; 73865

(3) The ability of alternative suppliers to make 73866
functionally equivalent or substitute services readily available 73867
at competitive prices, terms, and conditions; 73868

(4) Other indicators of market power, which may include market share, growth in market share, ease of entry, and the affiliation of suppliers of services. 73869
73870
73871

The burden of proof shall be on any entity requesting, under division (B) or (C) of this section, a determination by the commission of the existence of or a lack of effective competition or reasonably available alternatives. 73872
73873
73874
73875

(E) (1) Beginning on the starting date of competitive retail electric service, the commission has authority under Chapters 4901. to 4909. of the Revised Code, and shall exercise that authority, to resolve abuses of market power by any electric utility that interfere with effective competition in the provision of retail electric service. 73876
73877
73878
73879
73880
73881

(2) In addition to the commission's authority under division (E) (1) of this section, the commission, beginning the first year after the market development period of a particular electric utility and after reasonable notice and opportunity for hearing, may take such measures within a transmission constrained area in the utility's certified territory as are necessary to ensure that retail electric generation service is provided at reasonable rates within that area. The commission may exercise this authority only upon findings that an electric utility is or has engaged in the abuse of market power and that that abuse is not adequately mitigated by rules and practices of any independent transmission entity controlling the transmission facilities. Any such measure shall be taken only to the extent necessary to protect customers in the area from the particular abuse of market power and to the extent the commission's authority is not preempted by federal law. The measure shall remain in effect until the commission, after reasonable notice 73882
73883
73884
73885
73886
73887

and opportunity for hearing, determines that the particular 73899
abuse of market power has been mitigated. 73900

(F) An electric utility, electric services company, 73901
electric cooperative, or governmental aggregator subject to 73902
certification under section 4928.08 of the Revised Code shall 73903
provide the commission with such information, regarding a 73904
competitive retail electric service for which it is subject to 73905
certification, as the commission considers necessary to carry 73906
out this chapter. An electric utility shall provide the 73907
commission with such information as the commission considers 73908
necessary to carry out divisions (B) to (E) of this section. The 73909
commission shall take such measures as it considers necessary to 73910
protect the confidentiality of any such information. 73911

The commission shall require each electric utility to file 73912
with the commission on and after the starting date of 73913
competitive retail electric service an annual report of its 73914
intrastate gross receipts and sales of kilowatt hours of 73915
electricity, and shall require each electric services company, 73916
electric cooperative, and governmental aggregator subject to 73917
certification to file an annual report on and after that 73918
starting date of such receipts and sales from the provision of 73919
those retail electric services for which it is subject to 73920
certification. For the purpose of the reports, sales of kilowatt 73921
hours of electricity are deemed to occur at the meter of the 73922
retail customer. 73923

Sec. 4928.34. (A) The public utilities commission shall 73924
not approve or prescribe a transition plan under division (A) or 73925
(B) of section 4928.33 of the Revised Code unless the commission 73926
first makes all of the following determinations: 73927

(1) The unbundled components for the electric transmission 73928

component of retail electric service, as specified in the 73929
utility's rate unbundling plan required by division (A) (1) of 73930
section 4928.31 of the Revised Code, equal the tariff rates 73931
determined by the federal energy regulatory commission that are 73932
in effect on the date of the approval of the transition plan 73933
under sections 4928.31 to 4928.40 of the Revised Code, as each 73934
such rate is determined applicable to each particular customer 73935
class and rate schedule by the commission. The unbundled 73936
transmission component shall include a sliding scale of charges 73937
under division (B) of section 4905.31 of the Revised Code to 73938
ensure that refunds determined or approved by the federal energy 73939
regulatory commission are flowed through to retail electric 73940
customers. 73941

(2) The unbundled components for retail electric 73942
distribution service in the rate unbundling plan equal the 73943
difference between the costs attributable to the utility's 73944
transmission and distribution rates and charges under its 73945
schedule of rates and charges in effect on the effective date of 73946
this section, based upon the record in the most recent rate 73947
proceeding of the utility for which the utility's schedule was 73948
established, and the tariff rates for electric transmission 73949
service determined by the federal energy regulatory commission 73950
as described in division (A) (1) of this section. 73951

(3) All other unbundled components required by the 73952
commission in the rate unbundling plan equal the costs 73953
attributable to the particular service as reflected in the 73954
utility's schedule of rates and charges in effect on the 73955
effective date of this section. 73956

(4) The unbundled components for retail electric 73957
generation service in the rate unbundling plan equal the 73958

residual amount remaining after the determination of the 73959
transmission, distribution, and other unbundled components, and 73960
after any adjustments necessary to reflect the effects of the 73961
amendment of section 5727.111 of the Revised Code by Sub. S.B. 73962
No. 3 of the 123rd general assembly. 73963

(5) All unbundled components in the rate unbundling plan 73964
have been adjusted to reflect any base rate reductions on file 73965
with the commission and as scheduled to be in effect by December 73966
31, 2005, under rate settlements in effect on the effective date 73967
of this section. However, all earnings obligations, 73968
restrictions, or caps imposed on an electric utility in a 73969
commission order prior to the effective date of this section are 73970
void. 73971

(6) Subject to division (A)(5) of this section, the total 73972
of all unbundled components in the rate unbundling plan are 73973
capped and shall equal during the market development period, 73974
except as specifically provided in this chapter, the total of 73975
all rates and charges in effect under the applicable bundled 73976
schedule of the electric utility pursuant to section 4905.30 of 73977
the Revised Code in effect on the day before the effective date 73978
of this section, including the transition charge determined 73979
under section 4928.40 of the Revised Code, adjusted for any 73980
changes in the taxation of electric utilities and retail 73981
electric service under Sub. S.B. No. 3 of the 123rd General 73982
Assembly, and the universal service percentage of income payment 73983
plan rider authorized by section ~~4928.51~~ 4928.52 of the Revised 73984
Code, ~~and the temporary rider authorized by section 4928.61 of~~ 73985
~~the Revised Code.~~ For the purpose of this division, the rate cap 73986
applicable to a customer receiving electric service pursuant to 73987
an arrangement approved by the commission under section 4905.31 73988
of the Revised Code is, for the term of the arrangement, the 73989

total of all rates and charges in effect under the arrangement. 73990
For any rate schedule filed pursuant to section 4905.30 of the 73991

annual surcharge or credit to customers, or through other 74003
appropriate means, to avoid placing the financial responsibility 74004
for the difference upon the electric utility or its 74005
shareholders. Any adjustments in the rate of taxation specified 74006
in section 5727.81 of the Revised Code ~~section~~ shall not occur 74007
without a corresponding adjustment to the rate cap for each such 74008
rate schedule or arrangement. The department of taxation shall 74009

of the Revised Code prior to the effective date of any change in 74011
the rate of taxation specified under that section, and the 74012
commission shall modify the rate cap to reflect that adjustment 74013
so that the rate cap adjustment is effective as of the effective 74014
date of the change in the rate of taxation. This division shall 74015
be applied, to the extent possible, to eliminate any increase in 74016
the price of electricity for customers that otherwise may occur 74017
as a result of establishing the taxes contemplated in section 74018
5727.81 of the Revised Code. 74019

division (A) of section 4928.06 of the Revised Code. 74032

(10) The employee assistance plan required by division (A) 74033

by the commission under division (A) of section 4928.06 of the 74042

(12) The transition revenues for which an electric utility 74044

under division (G) of section 4928.35 of the Revised Code. 74070

(B) Subject to division (E) of section 4928.17 of the 74071
Revised Code, if the commission finds that any part of the 74072
transition plan would constitute an abandonment under sections 74073
4905.20 and 4905.21 of the Revised Code, the commission shall 74074
not approve that part of the transition plan unless it makes the 74075

Vacancies shall be filled in the manner provided for 74415
original appointments. Any member appointed to fill a vacancy 74416
occurring prior to the expiration date of the term for which the 74417
member's predecessor was appointed shall hold office as a member 74418
for the remainder of that term. A member shall continue in 74419
office after the expiration date of the member's term until the 74420
member's successor takes office or until a period of sixty days 74421
has elapsed, whichever occurs first. 74422

(C) Board members shall be reimbursed for their actual and 74423
necessary expenses incurred in the performance of board duties. 74424
The reimbursements constitute, as applicable, administrative 74425
costs of the low-income customer assistance programs for the 74426
purpose of ~~division (A) of section~~ sections 4928.51 and 4928.52 74427
of the Revised Code ~~or administrative costs of the advanced-~~ 74428
~~energy program for the purpose of division (A) of section-~~ 74429
~~4528.61 of the Revised Code.~~ 74430

(D) The advisory board shall select a chairperson from 74431
among its members. Only board members appointed by the governor 74432
with the advice and consent of the senate shall be voting 74433
members of the board; each shall have one vote in all 74434
deliberations of the board. A majority of the voting members 74435
constitute a quorum. 74436

(E) ~~The duties of the advisory board shall be as follows:~~ 74437

~~(1) Advise~~ advise the director of job and family services 74438

in the administration of ~~the universal service fund and the low-~~ 74439
~~income customer assistance programs and advise the director on~~ 74440
~~the director's recommendation to the commission regarding the~~ 74441

~~(2) Advise the director on the administration of the~~ 74443
~~advanced energy program and the advanced energy fund under~~ 74444
~~sections 4928.61 to 4928.63 of the Revised Code.~~ 74445

(F) The advisory board is not an agency for purposes of 74446
sections 101.82 to 101.87 of the Revised Code. 74447

Sec. 4928.61. (A) There is hereby established in the state 74448
treasury the advanced energy fund, into which shall be deposited 74449
all advanced energy revenues remitted to the director of 74450
development under division (B) of this section, for the 74451
exclusive purposes of funding the advanced energy program 74452
created under section 4928.62 of the Revised Code and paying the 74453
program's administrative costs. Interest on the fund shall be 74454
credited to the fund. 74455

(B) Advanced energy revenues shall include all of the 74456
following: 74457

~~(1) Revenues remitted to the director after collection by~~ 74458
~~each electric distribution utility in this state of a temporary~~ 74459
~~rider on retail electric distribution service rates as such~~ 74460
~~rates are determined by the public utilities commission pursuant~~ 74461
~~to this chapter. The rider shall be a uniform amount statewide,~~ 74462
~~determined by the director of development, after consultation~~ 74463
~~with the public benefits advisory board created by section~~ 74464
~~4928.58 of the Revised Code. The amount shall be determined by~~ 74465
~~dividing an aggregate revenue target for a given year as~~ 74466
~~determined by the director, after consultation with the advisory~~ 74467

~~board, by the number of customers of electric distribution- 74468
utilities in this state in the prior year. Such aggregate- 74469
revenue target shall not exceed more than fifteen million- 74470
dollars in any year through 2005 and shall not exceed more than- 74471
five million dollars in any year after 2005. The rider shall be- 74472
imposed beginning on the effective date of the amendment of this- 74473
section by Sub. H.B. 251 of the 126th general assembly, January- 74474

the starting date of competitive retail electric service or- 74476
until the advanced energy fund, including interest, reaches one- 74477

~~(2) Revenues from payments, repayments, and collections 74479
under the advanced energy program and from program income; 74480~~

~~(3) (2) Revenues remitted to the director after collection 74481

remittances shall occur within thirty days after the end of each 74496~~

~~calendar quarter.~~ 74497

~~(2) Each participating electric cooperative and participating municipal electric utility shall remit to the director on a quarterly basis the revenues described in division (B) (3) of this section. Such remittances shall occur within thirty days after the end of each calendar quarter. For the purpose of division (B) (3) of this section, the participation of an electric cooperative or municipal electric utility in the energy efficiency revolving loan program as it existed immediately prior to the effective date of the amendment of this section by Sub. H.B. 251 of the 126th general assembly, January 4, 2007, does not constitute a decision to participate in the advanced energy fund under this section as so amended.~~ 74498

Sec. 4928.62. (A) There is hereby created the advanced 74526

energy program, which shall be administered by the director of 74527
development. Under the program, the director may authorize the 74528
use of moneys in the advanced energy fund for financial, 74529
technical, and related assistance for advanced energy projects 74530
in this state or for economic development assistance, in 74531
furtherance of the purposes set forth in section 4928.63 of the 74532
Revised Code. 74533

(1) To the extent feasible given approved applications for 74534
assistance, the assistance shall be distributed among the 74535
certified territories of electric distribution utilities and 74536
participating electric cooperatives, and among the service areas 74537
of participating municipal electric utilities, in amounts 74538
proportionate to the remittances of each utility and cooperative 74539
under ~~divisions (B)(1) and (3)~~division (B)(2) of section 4928.61 74540
of the Revised Code. 74541

(2) The funds described in division ~~(B)(6)~~(B)(5) of 74542
section 4928.61 of the Revised Code shall not be subject to the 74543
territorial requirements of division (A)(1) of this section. 74544

(3) The director shall not authorize financial assistance 74545
for an advanced energy project under the program unless the 74546
director first determines that the project will create new jobs 74547
or preserve existing jobs in this state or use innovative 74548
technologies or materials. 74549

(B) In carrying out sections 4928.61 to 4928.63 of the 74550
Revised Code, the director may do all of the following to 74551
further the public interest in advanced energy projects and 74552
economic development: 74553

(1) Award grants, contracts, loans, loan participation 74554
agreements, linked deposits, and energy production incentives; 74555

(2) Acquire in the name of the director any property of 74556
any kind or character in accordance with this section, by 74557
purchase, purchase at foreclosure, or exchange, on such terms 74558
and in such manner as the director considers proper; 74559

(3) Make and enter into all contracts and agreements 74560
necessary or incidental to the performance of the director's 74561
duties and the exercise of the director's powers under sections 74562
4928.61 to 4928.63 of the Revised Code; 74563

(4) Employ or enter into contracts with financial 74564
consultants, marketing consultants, consulting engineers, 74565
architects, managers, construction experts, attorneys, technical 74566
monitors, energy evaluators, or other employees or agents as the 74567
director considers necessary, and fix their compensation; 74568

(5) Adopt rules prescribing the application procedures for 74569
financial assistance under the advanced energy program; the 74570
fees, charges, interest rates, payment schedules, local match 74571
requirements, and other terms and conditions of any grants, 74572
contracts, loans, loan participation agreements, linked 74573
deposits, and energy production incentives; criteria pertaining 74574
to the eligibility of participating lending institutions; and 74575
any other matters necessary for the implementation of the 74576
program; 74577

(6) Do all things necessary and appropriate for the 74578
operation of the program. 74579

(C) The department of development may hold ownership to 74580
any unclaimed energy efficiency and renewable energy emission 74581
allowances provided for in Chapter 3745-14 of the Administrative 74582
Code or otherwise, that result from advanced energy projects 74583
that receive funding from the advanced energy fund, and it may 74584

use the allowances to further the public interest in advanced 74585
energy projects or for economic development. 74586

(D) Financial statements, financial data, and trade 74587
secrets submitted to or received by the director from an 74588
applicant or recipient of financial assistance under sections 74589
4928.61 to 4928.63 of the Revised Code, or any information taken 74590
from those statements, data, or trade secrets for any purpose, 74591
are not public records for the purpose of section 149.43 of the 74592
Revised Code. 74593

(E) Nothing in the amendments of sections 4928.61, 74594
4928.62, and 4928.63 of the Revised Code by Sub. H.B. 251 of the 74595
126th general assembly shall affect any pending or effected 74596
assistance, pending or effected purchases or exchanges of 74597
property made, or pending or effected contracts or agreements 74598
entered into pursuant to division (A) or (B) of this section as 74599
the section existed prior to the effective date of those 74600
amendments, January 4, 2007, or shall affect the exemption 74601
provided under division (C) of this section as the section 74602
existed prior to that effective date. 74603

(F) Any assistance a school district receives for an 74604
advanced energy project, including a geothermal heating, 74605
ventilating, and air conditioning system, shall be in addition 74606
to any assistance provided under Chapter 3318. of the Revised 74607
Code and shall not be included as part of the district or state 74608
portion of the basic project cost under that chapter. 74609

Sec. 4928.63. The director of development ~~and the public~~ 74610
~~benefits advisory board have~~ has the powers and duties provided 74611
in sections 4928.61 and 4928.62 of the Revised Code, in order to 74612
promote the welfare of the people of this state; stabilize the 74613
economy; assist in the improvement and development within this 74614

state of not-for-profit entity, industrial, commercial, 74615
distribution, residential, and research buildings and activities 74616
required for the people of this state; improve the economic 74617
welfare of the people of this state by reducing energy costs and 74618
by reducing energy usage in a cost-efficient manner using, as 74619
determined by the director, both the most appropriate national, 74620
federal, or other standards for products and the best practices 74621
for the use of technology, products, or services in the context 74622
of a total facility or building; and assist in the lowering of 74623
energy demand to reduce air, water, or thermal pollution. It is 74624
hereby determined that the accomplishment of those purposes is 74625
essential so that the people of this state may maintain their 74626
present high standards in comparison with the people of other 74627
states and so that opportunities for improving the economic 74628
welfare of the people of this state, for improving the housing 74629
of residents of this state, and for favorable markets for the 74630
products of this state's natural resources, agriculture, and 74631
manufacturing shall be improved; and that it is necessary for 74632
this state to establish the program authorized pursuant to 74633
sections 4928.61 and 4928.62 of the Revised Code. 74634

Sec. 4928.66. (A) (1) (a) Beginning in 2009, an electric 74635
distribution utility shall implement energy efficiency programs 74636
that achieve energy savings equivalent to at least three-tenths 74637
of one per cent of the total, annual average, and normalized 74638
kilowatt-hour sales of the electric distribution utility during 74639
the preceding three calendar years to customers in this state. 74640
An energy efficiency program may include a combined heat and 74641
power system placed into service or retrofitted on or after the 74642
effective date of the amendment of this section by S.B. 315 of 74643
the 129th general assembly, September 10, 2012, or a waste 74644
energy recovery system placed into service or retrofitted on or 74645

after September 10, 2012, except that a waste energy recovery 74646
system described in division (A) (38) (b) of section 4928.01 of 74647
the Revised Code may be included only if it was placed into 74648
service between January 1, 2002, and December 31, 2004. For a 74649
waste energy recovery or combined heat and power system, the 74650
savings shall be as estimated by the public utilities 74651
commission. The savings requirement, using such a three-year 74652
average, shall increase to an additional five-tenths of one per 74653
cent in 2010, seven-tenths of one per cent in 2011, eight-tenths 74654
of one per cent in 2012, nine-tenths of one per cent in 2013, 74655
and one per cent in 2014. In 2015 and 2016, an electric 74656
distribution utility shall achieve energy savings equal to the 74657
result of subtracting the cumulative energy savings achieved 74658
since 2009 from the product of multiplying the baseline for 74659
energy savings, described in division (A) (2) (a) of this section, 74660
by four and two-tenths of one per cent. If the result is zero or 74661
less for the year for which the calculation is being made, the 74662
utility shall not be required to achieve additional energy 74663
savings for that year, but may achieve additional energy savings 74664
for that year. The annual savings requirements shall be, for 74665
years 2017, 2018, 2019, and 2020, an additional one per cent of 74666
the baseline. For purposes of a waste energy recovery or 74667
combined heat and power system, an electric distribution utility 74668
shall not apply more than the total annual percentage of the 74669
electric distribution utility's industrial-customer load, 74670
relative to the electric distribution utility's total load, to 74671
the annual energy savings requirement. 74672

(b) Beginning in 2009, an electric distribution utility 74673
shall implement peak demand reduction programs designed to 74674
achieve a one per cent reduction in peak demand in 2009 and an 74675
additional seventy-five hundredths of one per cent reduction 74676

each year through 2014. In 2015 and 2016, an electric
distribution utility shall achieve a reduction in peak demand
equal to the result of subtracting the cumulative peak demand
reductions achieved since 2009 from the product of multiplying
the baseline for peak demand reduction, described in division
(A) (2) (a) of this section, by four and seventy-five hundredths
of one per cent. If the result is zero or less for the year for
which the calculation is being made, the utility shall not be
required to achieve an additional reduction in peak demand for
that year, but may achieve an additional reduction in peak
demand for that year. In 2017 and each year thereafter through
2020, the utility shall achieve an additional seventy-five
hundredths of one per cent reduction in peak demand.

(2) For the purposes of divisions (A) (1) (a) and (b) of
this section:

(a) The baseline for energy savings under division (A) (1)
(a) of this section shall be the average of the total kilowatt
hours the electric distribution utility sold in the preceding
three calendar years. The baseline for a peak demand reduction
under division (A) (1) (b) of this section shall be the average
peak demand on the utility in the preceding three calendar
years, except that the commission may reduce either baseline to
adjust for new economic growth in the utility's certified
territory. Neither baseline shall include the load and usage of
any of the following customers:

(i) Beginning January 1, 2017, a customer for which a
reasonable arrangement has been approved under section 4905.31
of the Revised Code;

(ii) A customer that has opted out of the utility's
portfolio plan under section 4928.6611 of the Revised Code;

(iii) A customer that has opted out of the utility's portfolio plan under Section 8 of S.B. 310 of the 130th general assembly. 74707
74708
74709

(b) The commission may amend the benchmarks set forth in division (A)(1)(a) or (b) of this section if, after application by the electric distribution utility, the commission determines that the amendment is necessary because the utility cannot reasonably achieve the benchmarks due to regulatory, economic, or technological reasons beyond its reasonable control. 74710
74711
74712
74713
74714
74715

(c) Compliance with divisions (A)(1)(a) and (b) of this section shall be measured by including the effects of all demand-response programs for mercantile customers of the subject electric distribution utility, all waste energy recovery systems and all combined heat and power systems, and all such mercantile customer-sited energy efficiency, including waste energy recovery and combined heat and power, and peak demand reduction programs, adjusted upward by the appropriate loss factors. Any mechanism designed to recover the cost of energy efficiency, including waste energy recovery and combined heat and power, and peak demand reduction programs under divisions (A)(1)(a) and (b) of this section may exempt mercantile customers that commit their demand-response or other customer-sited capabilities, whether existing or new, for integration into the electric distribution utility's demand-response, energy efficiency, including waste energy recovery and combined heat and power, or peak demand reduction programs, if the commission determines that that exemption reasonably encourages such customers to commit those capabilities to those programs. If a mercantile customer makes such existing or new demand-response, energy efficiency, including waste energy recovery and combined heat and power, or peak demand reduction capability available to an 74716

electric distribution utility pursuant to division (A) (2) (c) of 74738
this section, the electric utility's baseline under division (A) 74739
(2) (a) of this section shall be adjusted to exclude the effects 74740
of all such demand-response, energy efficiency, including waste 74741
energy recovery and combined heat and power, or peak demand 74742
reduction programs that may have existed during the period used 74743
to establish the baseline. The baseline also shall be normalized 74744
for changes in numbers of customers, sales, weather, peak 74745
demand, and other appropriate factors so that the compliance 74746
measurement is not unduly influenced by factors outside the 74747
control of the electric distribution utility. 74748

(d) (i) Programs implemented by a utility may include the 74749
following: 74750

(I) Demand-response programs; 74751

(II) Smart grid investment programs, provided that such 74752
programs are demonstrated to be cost-beneficial; 74753

(III) Customer-sited programs, including waste energy 74754
recovery and combined heat and power systems; 74755

(IV) Transmission and distribution infrastructure 74756
improvements that reduce line losses; 74757

(V) Energy efficiency savings and peak demand reduction 74758
that are achieved, in whole or in part, as a result of funding 74759
provided from the ~~universal service~~ electric partnership plan 74760
fund established by section 4928.51 of the Revised Code to 74761
benefit low-income customers through programs that include, but 74762
are not limited to, energy audits, the installation of energy 74763
efficiency insulation, appliances, and windows, and other 74764
weatherization measures. 74765

(ii) No energy efficiency or peak demand reduction 74766

achieved under divisions (A) (2) (d) (i) (IV) and (V) of this section shall qualify for shared savings.

(iii) Division (A) (2) (c) of this section shall be applied to include facilitating efforts by a mercantile customer or group of those customers to offer customer-sited demand-response, energy efficiency, including waste energy recovery and combined heat and power, or peak demand reduction capabilities to the electric distribution utility as part of a reasonable arrangement submitted to the commission pursuant to section 4905.31 of the Revised Code.

(e) No programs or improvements described in division (A) (2) (d) of this section shall conflict with any statewide building code adopted by the board of building standards.

(B) In accordance with rules it shall adopt, the public utilities commission shall produce and docket at the commission an annual report containing the results of its verification of the annual levels of energy efficiency and of peak demand reductions achieved by each electric distribution utility pursuant to division (A) of this section. A copy of the report shall be provided to the consumers' counsel.

(C) If the commission determines, after notice and opportunity for hearing and based upon its report under division (B) of this section, that an electric distribution utility has failed to comply with an energy efficiency or peak demand reduction requirement of division (A) of this section, the commission shall assess a forfeiture on the utility as provided under sections 4905.55 to 4905.60 and 4905.64 of the Revised Code, either in the amount, per day per undercompliance or noncompliance, relative to the period of the report, equal to that prescribed for noncompliances under section 4905.54 of the

Revised Code, or in an amount equal to the then existing market 74797
value of one renewable energy credit per megawatt hour of 74798
undercompliance or noncompliance. Revenue from any forfeiture 74799
assessed under this division shall be deposited to the credit of 74800
the advanced energy fund created under section 4928.61 of the 74801
Revised Code. 74802

(D) The commission may establish rules regarding the 74803
content of an application by an electric distribution utility 74804
for commission approval of a revenue decoupling mechanism under 74805
this division. Such an application shall not be considered an 74806
application to increase rates and may be included as part of a 74807
proposal to establish, continue, or expand energy efficiency or 74808
conservation programs. The commission by order may approve an 74809
application under this division if it determines both that the 74810
revenue decoupling mechanism provides for the recovery of 74811
revenue that otherwise may be forgone by the utility as a result 74812
of or in connection with the implementation by the electric 74813
distribution utility of any energy efficiency or energy 74814
conservation programs and reasonably aligns the interests of the 74815
utility and of its customers in favor of those programs. 74816

(E) The commission additionally shall adopt rules that 74817
require an electric distribution utility to provide a customer 74818
upon request with two years' consumption data in an accessible 74819
form. 74820

(F) (1) As used in divisions (F) (2), (3), and (4) of this 74821
section, "portfolio plan" has the same meaning as in division 74822
(C) (1) of section 4928.6610 of the Revised Code. 74823

(2) If an electric distribution utility has a portfolio 74824
plan in effect as of October 22, 2019, and that plan expires 74825
before December 31, 2020, the commission shall extend the plan 74826

through that date. All portfolio plans shall terminate on that date. 74827
74828

(3) If a portfolio plan is extended beyond its commission approved term by division (F) (2) of this section, the existing plan's budget shall be increased for the extended term to include an amount equal to the annual average of the approved budget for all years of the portfolio plan in effect as of October 22, 2019. 74829

the utility, in accordance with normal metering practices. If 74939
electricity is provided to the utility, the credits for that 74940

(F) Any decision by the department concerning publicly 77539
funded child care, including the recovery of funds, overpayment 77540
determinations, and contract terminations is final and is not 77541
subject to appeal, hearing, or further review under Chapter 119. 77542
of the Revised Code. 77543

Sec. 5104.34. (A) (1) Each county department of job and 77544

determinations of eligibility for publicly funded child care. 77546
Under those procedures, the eligibility determination for each 77547
applicant shall be made no later than thirty calendar days from 77548

determinations. If a county department contracts with a child 77567
care provider or a child care resource and referral service 77568
organization for eligibility determinations or for the 77569
collection of information, the contract shall require the 77570
provider or resource and referral service organization to make 77571
each eligibility determination no later than thirty calendar 77572
days from the date the provider or resource and referral 77573
organization receives a completed application that is the basis 77574
of the determination and to collect and transmit all necessary 77575
information to the county department within a period of time 77576
that enables the county department to make each eligibility 77577
determination no later than thirty days after the filing of the 77578
application that is the basis of the determination. 77579

The county department may station employees of the 77580
department in various locations throughout the county to collect 77581
information relevant to applications for publicly funded child 77582
care and to make eligibility determinations. The county 77583
department, child care provider, and child care resource and 77584

determinations made by county departments of job and family 77597
services and shall direct any entity that is not in compliance 77598
with this division or any rule adopted under this division to 77599
implement corrective action specified by the department. 77600

(2) (a) All eligibility determinations for publicly funded 77601
child care shall be made in accordance with rules adopted 77602
pursuant to division (A) of section 5104.38 of the Revised Code. 77603

restriction does not apply to families whose children are 77615
eligible for protective child care. 77616

(iii) The eligibility period for publicly funded child care shall be at least twelve months. 77617

77641

Subject to available funds, the department of children and youth shall allow a family to receive publicly funded child care unless the family's income exceeds the maximum income eligibility limit. 77646

the family is receiving child care pursuant to division (A) (1), 77647
(2), (3), or (4) of section 5104.30 of the Revised Code. If the 77648
department must limit eligibility due to lack of available 77649

care to an assistance group whose income is not more than the 77651
maximum income eligibility limit that received transitional 77652
child care in the previous month but is no longer eligible 77653
because the eligibility period has expired. Such an assistance 77654
group shall continue to receive priority for publicly funded 77655
child care until its income exceeds the maximum income 77656
eligibility limit. 77657

changes in status with respect to employment or participation in 77681
a program of education or training not later than ten calendar 77682
days after the change occurs. 77683

(D) If the department of children and youth determines 77684
that available resources are not sufficient to provide publicly 77685
funded child care to all eligible families who request it, the 77686
department may establish a waiting list. The department may 77687
establish separate waiting lists within the waiting list based 77688
on income. 77689

(E) A caretaker parent shall not receive publicly funded 77690
child care from more than one child care provider per child 77691

(1) The child needs additional care during non-traditional 77694
hours; 77695

(2) The child needs to change providers in the middle of 77696
the week and the hours of care provided by the providers do not 77697
overlap; 77698

(3) The child's provider is closed on scheduled school 77699
days off or on calamity days. 77700

(F) As used in this section, "maximum income eligibility 77701

the suspension of admissions before providing an opportunity for 80324
an adjudication under Chapter 119. of the Revised Code. The 80325

suspension of admissions to a facility shall be conducted in 80330
accordance with Chapter 119. of the Revised Code, unless the 80331
order was issued before providing an opportunity for an 80332

(c) After commencing, the hearing shall continue 80341
uninterrupted, except for Saturdays, Sundays, and legal 80342

hearing examiner shall file a report and recommendations with 80346
the department not later than ten days after the last of the 80347

(1) The department determines that the closing of or the need to remove residents from another residential facility has created an emergency situation requiring immediate removal of residents and an insufficient number of licensed beds are available.

(2) The residential facility applying for an interim license meets standards established for interim licenses in rules adopted by the director under division (N) of this section.

An interim license shall be valid for ninety days and may be renewed by the director no more than twice. Proceedings

of physical or mental harm to residents and no other remedies at 80536
law are adequate to protect the health, safety, and welfare of 80537
the residents. 80538

petition for receivership was filed, unless a different rate is 80625
set by the court; 80626

(b) Honor all leases, mortgages, and secured transactions 80627
governing all buildings, goods, and fixtures of which the 80628
receiver has taken possession, but, in the case of a rental 80629

(3) A principal, employee, resident, volunteer, or 80699

refusing to issue or renew a license for a facility, or revoking a facility's license under section 5119.34 of the Revised Code. 80754
80755

Sec. 5119.35. (A) Except as provided in division (B) of 80756
this section, if a mental health service or alcohol and drug 80757
addiction service has been specified in rules adopted under this 80758

(C) (1) If the director of mental behavioral health and 80776
~~addiction services~~ determines that a person or government entity 80777

government entity is located or providing the services to enjoin 80781
the person or government entity from engaging in the conduct 80782

that violates division (A) of this section. 80783

(2) No person or government entity that is subject to this 80784
section is eligible to receive, for a service that is subject to 80785
this section, any federal funds, state funds, or funds 80786
administered by a board of alcohol, drug addiction, and mental 80787
health services, unless that service has been certified under 80788
section 5119.36 of the Revised Code. This limitation is in 80789
addition to the injunction that may be sought under division (C) 80790
(1) of this section for a violation of division (A) of this 80791
section. 80792

(D) The director may adopt rules in accordance with 80793
Chapter 119. of the Revised Code to specify mental health 80794

~~division~~ (B) ~~and (C)~~ of this section and any rules adopted under 80805
this section are satisfied or continue to be satisfied by the 80806
applicant. As part of the determination the director may conduct 80807
an on-site review of the applicant. In doing so, the director 80808
may conduct the review in cooperation with a board of alcohol, 80809
drug addiction, and mental health services that seeks to 80810
contract or has a contract with the applicant under section 80811
340.036 of the Revised Code. 80812

Not later than fourteen days after receipt of an ~~initial~~ 80813

director shall inform the board of alcohol, drug addiction, and 80815
mental health services serving the alcohol, drug addiction, and 80816

certifiable services and supports will be provided of the 80818
receipt of the application. On the board's request, the director 80819
shall provide the board with a copy of the application. 80820

Not later than thirty days after a provider's 80821
certification ceases to be valid for any reason, including the 80822
provider's failure to renew the certification prior to 80823
expiration, the director's acceptance of the provider's 80824
surrender of the certification, or the issuance of a final order 80825
for disciplinary action under division ~~(G)~~(F) or ~~(M)~~(L) of this 80826
section, the director shall provide notice to the applicable 80827
board of alcohol, drug addiction, and mental health services of 80828
the reason the certification ceased to be valid and the date it 80829
became invalid. 80830

(B) (1) Except as provided in division (B) (4) of this 80831
section, beginning on ~~the effective date of this amendment~~ 80832
October 3, 2023, an applicant seeking initial certification of 80833
certifiable services and supports shall be accredited by one or 80834
more national accrediting organizations specified in division 80835
(B) (3) of this section for certifiable services and supports for 80836
which national accreditation exists for such services and 80837
supports or equivalent services and supports. 80838

(2) Except as provided in division (B) (4) of this section, 80839
beginning October 1, 2025, an applicant seeking to renew 80840
certification of certifiable services and supports shall be 80841
accredited by one or more national accrediting organizations 80842

specified in division (B) (3) of this section for certifiable 80843
services and supports for which national accreditation exists 80844
for such services and supports or equivalent services and 80845
supports. 80846

(3) For purposes of divisions (B) (1) and (2) of this 80847
section, the director shall accept appropriate accreditation of 80848

(b) The commission on accreditation of rehabilitation 80852
facilities; 80853

(c) The council on accreditation; 80854

(d) Any other national accrediting organization the 80855
director considers appropriate. 80856

(4) The accreditation requirements of divisions (B) (1) and 80857
(2) of this section do not apply to an applicant seeking an 80858
initial or renewed certification to provide prevention services, 80859
as that term is defined in rules adopted under this section. For 80860
such applicants, accreditation is optional. 80861

~~(C) In addition to meeting the accreditation standard set 80862
forth in division (B) of this section, an applicant seeking 80863
initial or renewed certification of one or more certifiable 80864
services and supports is eligible to receive the certification 80865
only if both of the following are the case, as determined by the 80866
director:— 80867~~

~~(1) The applicant has adequate staff and equipment to 80868
provide the certifiable services and supports;— 80869~~

~~(2) The department has not been notified under section— 80870~~

~~5119.367 of the Revised Code or is not otherwise aware that the applicant, or any owner or principal of the applicant, has been the subject of an adverse action, as defined in that section, taken during the three-year period immediately preceding the date of application.~~

~~(D) (1) (C) (1)~~ Except as provided in division ~~(D) (2) (C) (2)~~ of this section, if the director determines that an applicant has paid any required certification fee, that the applicant's accreditation of certifiable services and supports is current and appropriate for the services and supports for which the applicant is seeking initial or renewed certification, ~~that the applicant meets the requirements of division (C) of this section,~~ and that the applicant meets any other requirements established by this section or rules adopted under it, the director shall certify the services and supports or renew the certification of the services and supports, as applicable. Except as provided in division ~~(J) (I)~~ of this section, the director shall issue or renew the certification without further evaluation of the services and supports.

(2) Prior to October 1, 2025, if an applicant that seeks to renew certification of certifiable services and supports is not accredited to provide those services and supports by one or more national accrediting organizations specified in division (B) (3) of this section, the director shall conduct an evaluation of the applicant to determine whether the applicant's certifiable services and supports satisfy the standards for certification. The evaluation is in addition to any on-site review conducted under division (A) of this section and shall be performed in cooperation with a board of alcohol, drug addiction, and mental health services that seeks to contract or has a contract with the applicant under section 340.036 of the

Revised Code. If the director determines that an applicant has
paid any required certification fee, that the applicant's
certifiable services and supports satisfy the standards for
renewed certification, ~~that the applicant meets the requirements~~
~~of division (C) of this section,~~ and that the applicant meets
any other requirements established by this section or the rules
adopted under it, the director shall certify the certifiable
services and supports.

~~(E)~~ (D) For purposes of the accreditation requirements of
this section, both of the following apply:

(1) The director may review the accrediting organizations
specified in division (B) (3) of this section to evaluate whether
the accreditation standards and processes used by the
organizations are consistent with service delivery models the
director considers appropriate for mental health services,
alcohol and drug addiction services, or physical health
services. The director may communicate to an accrediting
organization any identified concerns, trends, needs, and
recommendations.

(2) The director shall require a community mental health
services provider and a community addiction services provider to
notify the director not later than ten days after any change in
the provider's accreditation status. The provider may notify the
director by providing a copy of the relevant document the
provider received from the accrediting organization.

~~(F)~~ (E) The director may require a community mental health
services provider or a community addiction services provider to
submit to the director cost reports pertaining to the provider.

~~(G)~~ (F) The director may refuse to certify certifiable

80933

(1) The applicant or holder is not in compliance with rules adopted under this section. 80934

80939

(3) The applicant or holder has been found to be in violation of section 5119.396 of the Revised Code; 80940

80950
80951
80952
80953

~~(H)~~(G) Proceedings initiated to deny applications to certify certifiable services and supports, to refuse to renew certification, or to revoke certification are governed by Chapter 119. of the Revised Code. If an order has been issued suspending admissions to a community addiction services provider, as provided in division ~~(M)~~(L) of this section, the 80954
80955
80956
80957
80958
80959

order remains in effect during the pendency of those 80960
proceedings. 80961

~~(I)~~(H) The director may conduct an on-site review or 80962
otherwise evaluate a community mental health services provider 80963
or a community addiction services provider at any time based on 80964
cause, including complaints made by or on behalf of persons 80965
receiving mental health services or alcohol and drug addiction 80966
services and confirmed or alleged deficiencies brought to the 80967
attention of the director. This authority does not affect the 80968
director's duty to conduct the inspections required by section 80969
5119.37 of the Revised Code. 80970

In conducting an on-site review under this division, the 80971
director may do so in cooperation with a board of alcohol, drug 80972
addiction, and mental health services that seeks to contract or 80973
has a contract with the applicant under section 340.036 of the 80974
Revised Code. In conducting any other evaluation under this 80975
division, the director shall do so in cooperation with such a 80976
board. 80977

~~(J)~~(I) If the director proposes to take action under 80978
division ~~(G)~~(F) of this section, the director shall notify the 80979
board of alcohol, drug addiction, and mental health services 80980
serving the alcohol, drug addiction, and mental health service 80981
district in which the certifiable services and supports will be 80982
or were provided, and provide the board opportunity to respond 80983
as specified in division (A) of this section with respect to 80984
initial or renewal applications. 80985

When a final order is issued by the director under 80986
division ~~(G)~~(F) of this section, the director may request that 80987
the appropriate board of alcohol, drug addiction, and mental 80988
health services reallocate any funds for the certifiable 80989

services and supports the applicant was to provide to a 80990
community mental health services provider or community addiction 80991
services provider whose certifiable services and supports 80992
satisfy the standards. If the board does not reallocate such 80993
funds in a reasonable period of time, the director may withhold 80994
state and federal funds for the certifiable services and 80995
supports and allocate those funds directly to a community mental 80996
health services provider or community addiction services 80997
provider whose certifiable services and supports satisfy the 80998
standards. 80999

~~(K)~~ (J) Each applicant seeking initial or renewed 81000
certification of its certifiable services and supports shall pay 81001
a fee for the certification required by this section, unless the 81002
applicant is exempt under rules adopted under this section. Fees 81003
shall be paid into the state treasury to the credit of the sale 81004
of goods and services fund created pursuant to section 5119.45 81005

(2) Establish certification standards for certifiable 81013
services and supports that are consistent with nationally 81014
recognized applicable standards and facilitate participation in 81015
federal assistance programs. The rules shall include as 81016
certification standards only requirements that improve the 81017
quality of certifiable services and supports or the health and 81018

The standards shall address at a minimum all of the following:	81020

deficiencies identified as a result of conducting an on-site 81075
review or otherwise evaluating a community mental health 81076
services provider or community addiction services provider under 81077
division ~~(I)~~ (H) of this section, may take any range of 81078
correction actions, including revocation of the provider's 81079
certification. 81080

~~(M) (1)~~ (L) (1) The director may issue an order suspending 81081
admissions to a community addiction services provider that 81082
provides overnight accommodations if the director finds either 81083

a community addiction services provider that provides overnight 81092
accommodations are governed by Chapter 119. of the Revised Code. 81093

(b) If a suspension of admissions is proposed because the 81094
director has determined that the provider has demonstrated a 81095
pattern of serious noncompliance or that a violation creates a 81096
substantial risk to the health and safety of patients, the 81097
director may issue an order suspending admissions before 81098
providing an opportunity for an adjudication under Chapter 119. 81099
of the Revised Code. The director shall lift the order for the 81100
suspension of admissions if the director determines that the 81101
violation that formed the basis for the order has been 81102
corrected. 81103

(3) Appeals from proceedings initiated to order the suspension of admissions shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The provider may request a hearing not later than ten days after being served in accordance with sections 119.05 and 119.07 of the Revised Code.

(f) Not later than five days after receiving the report 81133
and recommendations, the provider may file objections with the 81134
department. 81135

(g) Not later than fifteen days after the hearing examiner 81136
files the report and recommendations, the department shall issue 81137
an order approving, modifying, or disapproving the report and 81138
recommendations. 81139

(h) Notwithstanding the pendency of the hearing, the 81140
department shall lift the order for the suspension of admissions 81141
if the department determines the violation that formed the basis 81142
for the order has been corrected. 81143

~~(N)~~ (1) (M) (1) In a proceeding initiated to suspend 81144
admissions to a community addiction services provider that 81145
provides overnight accommodations, to deny an application for 81146
certification of certifiable services and supports, to refuse to 81147
renew certification, or to revoke certification, the department 81148

The rules adopted by the director of ~~mental-behavioral~~ health and addiction services may establish the method to be used to determine the payment an eligible individual will receive under the program. The amount the general assembly appropriates for the program may be a factor included in the method that director establishes.

To the extent permitted by Title XVI of the "Social Security Act" and any other provision of federal law, the rules adopted by the medicaid director may establish standards for adjusting the eligibility requirements concerning the level of impairment an individual must have so that the amount appropriated for the program by the general assembly is adequate for the number of eligible individuals. The rules shall not limit the eligibility of individuals who are disabled solely on a basis classifying disabilities as physical or mental.

(D) The county department of job and family services of the county in which an applicant for the residential state supplement program resides or the department of medicaid shall determine whether the applicant meets income and resource requirements for the program.

The county department of job and family services or the department of medicaid shall notify each individual who is denied approval for payments under the program of the individual's right to a hearing. On request, the hearing shall be provided in accordance with section 5101.35 of the Revised Code.

(E) An individual in a licensed or certified living arrangement receiving state supplementation on November 15, 1990, under former section 5101.531 of the Revised Code shall not become ineligible for payments under this program solely by

reason of the individual's living arrangement as long as the 82091
individual remains in the living arrangement in which the 82092
individual resided on November 15, 1990. 82093

Sec. 5119.42. (A) As used in this section, "private, 82094
nonprofit organization" means a private association, 82095
organization, corporation, or other entity that is tax exempt 82096
under section 501(a) and described in section 501(c) of the 82097
"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 501. 82098

(B) To the extent funds are available and on application 82099
by boards of alcohol, drug addiction, and mental health 82100
services, the director of ~~mental behavioral health and addiction~~ 82101
~~services~~ may approve state reimbursement of, or state grants 82102
for, community construction programs including residential 82103
housing for persons with severe mental disabilities and persons 82104
with substance use disorders. The director may also approve an 82105
application for reimbursement or a grant for such programs 82106
submitted by other governmental entities or by private, 82107
nonprofit organizations, after the application has been reviewed 82108
and recommended for approval or disapproval by the board of 82109
alcohol, drug addiction, and mental health services for the 82110
district from which the application came, and the application is 82111
consistent with the board's approved community addiction and 82112
mental health plan submitted under division (A) of section 82113
340.03 of the Revised Code and the board's approved budget and 82114
list of addiction services, mental health services, and recovery 82115
supports submitted under divisions (A) and (B) of section 340.08 82116
of the Revised Code. 82117

(C) (1) The director of ~~mental behavioral health and~~ 82118
~~addiction services~~ shall adopt rules in accordance with Chapter 82119
119. of the Revised Code that specify procedures for applying 82120

for state reimbursement of and state grants for community 82121
construction programs, including residential housing for persons 82122
with severe mental disabilities and persons with substance use 82123
disorders and procedures and criteria for approval of such 82124
reimbursement and grants. 82125

(2) The director of ~~mental-behavioral health and addiction~~ 82126
~~services~~ shall not approve state reimbursement or a state grant 82127
unless all of the following conditions are met: 82128

(a) The applicant includes with the application a plan 82129
specifying the services, in addition to housing, that will be 82130
provided to persons who will reside in the residential housing. 82131
Services specified may include any of the services described in 82132
section 340.09 of the Revised Code. 82133

(b) The director is satisfied that the residential housing 82134
for persons with severe mental disabilities will be developed to 82135
promote the maximum practical integration of persons with severe 82136
mental disabilities with persons at the same site who do not 82137
have severe mental disabilities. 82138

(c) The use of any funds distributed pursuant to the 82139
reimbursement or grant will not subject any obligation from 82140
which the funds are derived to federal income taxation. 82141

(3) The director may enter into an agreement establishing 82142
terms for any reimbursement or grant approved under this 82143
division with the organization, board, or other government 82144
entity that is the recipient of the reimbursement or grant. Any 82145
such agreement is subject to any covenant or agreement 82146
pertaining to any obligation issued to provide funds for the 82147
reimbursement or grant. 82148

Sec. 5119.421. (A) This section applies to a board of 82149

alcohol, drug addiction, and mental health services, another 82150
governmental entity, or a private, nonprofit organization that 82151
received a grant or reimbursement under section 5119.42 of the 82152
Revised Code for a facility on which the department of ~~mental-~~ 82153
behavioral health and addiction services holds a security 82154
interest. 82155

(B) A board of alcohol, drug addiction, and mental health 82156
services, another governmental entity, or a private, nonprofit 82157
organization to which this section applies may apply to the 82158
director of ~~mental-~~behavioral health and addiction services for 82159
approval to sell its facility and acquire, construct, or 82160
renovate a replacement facility pursuant to this section. The 82161
director shall prescribe the form of the application. Before 82162
submitting an application to the director, a governmental entity 82163
or private, nonprofit organization must obtain approval of the 82164
application from the board of alcohol, drug addiction, and 82165
mental health services with jurisdiction over the service 82166
district in which the existing facility is located. The director 82167
shall approve an application for a replacement project upon 82168
determining that the project provides for the continuation of 82169
appropriate mental health and addiction services to the 82170
population served by the board, entity, or organization. 82171

(C) A board, entity, or organization that obtains approval 82172
for a project under division (B) of this section shall pay the 82173
proceeds of the sale of its facility to the director of ~~mental-~~ 82174
behavioral health and addiction services. The director shall 82175
deposit the proceeds to the credit of the community capital 82176
replacement facilities fund. 82177

(D) When a board, entity, or organization that has sold 82178
its facility notifies the director of ~~mental-~~behavioral health 82179

~~and addiction services~~ that it is ready to acquire, construct, 82180
or renovate a replacement facility, the director shall do one of 82181
the following: 82182

(1) If the replacement facility is located in the same 82183
alcohol, drug addiction, and mental health service district as 82184
the original facility, and if the purposes for which the 82185
replacement facility will be used are the same as or similar to 82186
those for the original facility, the director shall pay to the 82187
board, entity, or organization from the community capital 82188
replacement facilities fund an amount equal to the lesser of an 82189
amount equal to the proceeds of the sale of the original 82190
facility or the amount of the state's agreed-upon participation 82191
(as a per cent of the total cost) in the cost of the replacement 82192
facility. If the amount of the state's agreed-upon participation 82193
in the cost of the replacement facility is less than the value 82194
of the state's security interest in the original facility, the 82195
difference between the state's agreed-upon participation in the 82196
cost of the replacement facility and the value of the state's 82197
security interest in the original facility shall be retained in 82198
the community capital replacement facilities fund, and any 82199
excess proceeds shall be paid to the board, entity, or 82200
organization. 82201

(2) If the replacement facility is located in a different 82202
alcohol, drug addiction, and mental health service district than 82203
the original facility, or if the purposes for which the 82204
replacement facility will be used are not the same as or similar 82205
to those for the original facility, the director shall request 82206
controlling board approval for release of funds for the project. 82207
If the controlling board so approves, the director shall pay to 82208
the board, entity, or organization from the community capital 82209
replacement facilities fund the lesser of an amount equal to the 82210

proceeds of the sale of the original facility or the amount of 82211
the state's agreed-upon participation (as a per cent of the 82212
total cost) in the cost of the replacement facility. If the 82213
amount of the state's agreed-upon participation in the cost of 82214
the replacement facility is less than the value of the state's 82215
security interest in the original facility, the difference 82216
between the state's agreed-upon participation in the cost of the 82217
replacement facility and the value of the state's security 82218
interest in the original facility shall be retained in the 82219
community capital replacement facilities fund, and any excess 82220
proceeds shall be paid to the board, entity, or organization. 82221

(E) The director of ~~mental behavioral health and addiction~~ 82222
~~services~~ and a board, entity, or organization shall enter into 82223
an agreement specifying the terms of any payment made to the 82224
board, entity, or organization under division (D) of this 82225
section. The terms may include provision for the department of 82226
~~mental behavioral health and addiction services~~ to hold a 82227
security interest in the facility. 82228

(F) (1) When approving an application under division (B) of 82229
this section, the director of ~~mental behavioral health and~~ 82230
~~addiction~~ services shall establish a deadline by which the 82231
board, entity, or organization must notify the director that it 82232
is ready to acquire, construct, or renovate a replacement 82233
facility. If the board, entity, or organization does not notify 82234
the director on or before the deadline, the director may cancel 82235
the project. Upon canceling the project, the director shall pay 82236
to the board, entity, or organization from the community capital 82237
replacement facilities fund an amount equal to the portion of 82238
the proceeds of the sale of the original facility that exceeds 82239
the value of the state's security interest in the facility. 82240

(2) Notwithstanding the deadline established under 82241
division (F)(1) of this section, if at any time a board, entity, 82242
or organization notifies the director that it does not intend to 82243
acquire, construct, or renovate a replacement facility under 82244
this section, the director shall cancel the replacement project 82245
and pay to the board, entity, or organization from the community 82246
capital replacement facilities fund an amount equal to the 82247
portion of the proceeds of the sale of the original facility 82248
that exceeds the value of the state's security interest in the 82249
facility. 82250

(G) If a replacement project is canceled after the sale of 82251
the original facility, the director of ~~mental-behavioral~~ health 82252
~~and addiction services~~ shall use funds equal to the value of the 82253
state's security interest in the original facility for 82254
additional grants or reimbursements under section 5119.42 of the 82255
Revised Code. The director shall obtain the approval of the 82256
controlling board before releasing the additional grants or 82257
reimbursements. 82258

(H) The community capital replacement facilities fund is 82259
hereby created in the state treasury. The director of ~~mental-~~ 82260
~~behavioral~~ health ~~and addiction services~~ shall use the fund for 82261
the purposes of this section. 82262

Sec. 5119.43. (A) The director of ~~mental-behavioral~~ health 82263
~~and addiction services~~ may enter into agreements with any 82264
person, political subdivision, or state agency for the sale or 82265
lease of land or facilities under the jurisdiction of the 82266
director of ~~mental-behavioral~~ health ~~and addiction services~~ in 82267
the following manner: 82268

(1) The director of ~~mental-behavioral~~ health ~~and addiction~~ 82269
~~services~~ shall designate lands and facilities that are not 82270

needed by the department of ~~mental-behavioral health and~~ 82271
~~addiction services~~ and are under the jurisdiction of the 82272
department. 82273

(2) The director of ~~mental-behavioral health and addiction~~ 82274
~~services~~ shall have a preliminary appraisal made of any lands or 82275
facilities designated under division (A) (1) of this section by a 82276
disinterested professional appraiser from the department of 82277
administrative services. The appraiser shall deliver to the 82278
director of ~~mental-behavioral health and addiction services~~ a 82279
signed certificate of the probable market value of the lands and 82280
facilities as determined from the preliminary appraisal. 82281

(3) The director of ~~mental-behavioral health and addiction~~ 82282
~~services~~ shall certify to the clerk of the house of 82283
representatives and to the clerk of the senate a list of all 82284
lands and facilities which may be sold or leased, and shall 82285
include with the list the results of the preliminary appraisals 82286
of the lands and facilities, a general description of the land 82287
and facilities, and a description of the current use of the land 82288
and facilities. 82289

(4) Every list of lands and facilities certified by the 82290
director of ~~mental-behavioral health and addiction services~~ to 82291
the clerk of the house of representatives and to the clerk of 82292
the senate under division (A) (3) of this section, shall 82293
immediately be transmitted by the respective clerks to the 82294
committees in the house and the senate to which land conveyance 82295
bills are usually referred. If either committee files in its 82296
clerk's office, within sixty calendar days of the original 82297
certification of the lands and facilities by the director of 82298
~~mental-behavioral health and addiction services~~, a report 82299
disapproving the sale or lease of any lands or facilities, the 82300

sale or lease of the lands or facilities disapproved in the 82301
report shall not be made under this section. With respect to a 82302
sale or lease of lands and facilities that has not been 82303
disapproved under this division, the director of ~~mental-~~ 82304
behavioral health and addiction services shall certify those 82305
lands and facilities to the director of administrative services. 82306

(5) After certification to the director of administrative 82307
services under division (A) (4) of this section, the director of 82308
~~mental-~~behavioral health and addiction services shall have a 82309
formal appraisal made of the lands and facilities by a 82310
disinterested professional appraiser from the department of 82311
administrative services. The director of ~~mental-~~behavioral 82312
health ~~and addiction services~~ may accept the formal appraisal or 82313
may reject it and order a new formal appraisal by a 82314
disinterested professional appraiser who shall not be from the 82315
department of administrative services. The director of ~~mental-~~ 82316
behavioral health and addiction services may then sell or lease 82317
the lands or facilities in accordance with this division and 82318
department of administrative services procedures as set forth in 82319
Chapter 123. of the Revised Code. Any such deed or lease shall 82320
be prepared and recorded pursuant to section 5301.13 of the 82321
Revised Code. The department of administrative services shall be 82322
the sole agent for the state and shall complete the sale or 82323
lease of the lands or facilities, up to and including the 82324
closing thereof, after the director of ~~mental-~~behavioral health 82325
~~and addiction services~~ approves the sale price. The director of 82326
~~mental-~~behavioral health and addiction services and the director 82327
of administrative services may, if it is determined to be in the 82328
best interests of the state, agree to sell surplus land for an 82329
amount less than the formal appraised value but shall not sell 82330
any land for less than two-thirds of the formal appraised value. 82331

(B) Coincident with the certification made under division 82332
(A) (3) of this section concerning lands which may be sold, the 82333
director of ~~mental behavioral health and addiction services~~ 82334
shall give written notice of intention to sell the lands by 82335
certified mail to the executive officer of each county, 82336
township, municipal corporation, and school district within 82337
which the lands are situated. In each notice, the director of 82338
~~mental behavioral health and addiction services~~ shall specify 82339
the conditions under which the lands shall be sold, including 82340
whether the lands will be sold as a single unit or sold in 82341
specific parcels that the director designates, and shall solicit 82342
from the subdivision offers to purchase the lands in accordance 82343
with the conditions the director of ~~mental behavioral health and~~ 82344
~~addiction services~~ has specified and at a price equal to the 82345
preliminary appraised value determined pursuant to division (A) 82346
(2) of this section. If, within thirty days of having certified 82347
the lands to the director of administrative services under 82348
division (A) (4) of this section, the director of ~~mental~~ 82349
~~behavioral health and addiction services~~ receives from the 82350
executive officer of a subdivision a written offer to purchase 82351
the lands at or above the price specified in the original notice 82352
from the director of ~~mental behavioral health and addiction~~ 82353
~~services~~ to the officer, provided such offer otherwise complies 82354
with the conditions of purchase specified in the original notice 82355
from the director of ~~mental behavioral health and addiction~~ 82356
~~services~~, the director of ~~mental behavioral health and addiction~~ 82357
~~services~~ shall forthwith enter into an agreement to sell the 82358
lands to the subdivision. The agreement shall incorporate any 82359
and all terms that are acceptable to both parties and that are 82360
consistent with the terms specified in the original notice from 82361
the director of ~~mental behavioral health and addiction services~~. 82362
If no offer to purchase is received by the director of ~~mental~~ 82363

behavioral health and addiction services within the thirty-day 82364
period provided in this division, the original notice from the 82365
director of ~~mental~~ behavioral health and addiction services 82366
shall be considered withdrawn and the director of ~~mental~~ 82367
behavioral health and addiction services shall be under no 82368
obligation to sell any of the lands specified in the notice to 82369
the subdivision. If two or more offers to purchase the same 82370
parcels of land are received by the director of ~~mental~~ 82371
behavioral health and addiction services within the required 82372
time period from the executive officers of two or more 82373
subdivisions, the director of ~~mental~~ behavioral health and 82374
~~addiction services~~ shall accept the offer or offers to purchase 82375
that the director considers to be in the best interests of the 82376
state and of the department of ~~mental~~ behavioral health and 82377
~~addiction services~~ and shall proceed to enter into agreements of 82378
sale pursuant to this division. If all of the original notices 82379
from the director of ~~mental~~ behavioral health and addiction 82380
~~services~~ relating to a given parcel of land become withdrawn, 82381
the director of ~~mental~~ behavioral health and addiction services 82382
may thereupon proceed to sell the parcel as otherwise provided 82383
in this section. No subdivision may commence an action to 82384
enforce the provisions of this division, or to seek any other 82385
legal or equitable remedy relative to this division, with 82386
respect to any lands certified to the director of administrative 82387
services under division (A) (4) of this section, except within 82388
sixty days of the date on which the lands were so certified. 82389

(C) Any agreement under this section shall be at such 82390
terms as will be in the best interests of the state and the 82391
department of ~~mental~~ behavioral health and addiction services. 82392
However, the terms of any agreement for sale shall include a 82393
provision that the purchaser will abide by any comprehensive 82394

plan for the area that has been adopted by the local government 82395
in which the property is located before the parties enter into 82396
the agreement. No lease shall be of a duration greater than 82397
fifteen years. No agreement, except an agreement entered into 82398
under division (B) of this section, shall be entered into before 82399
the proposal to sell or lease the land or facilities has been 82400
advertised once each week for four weeks in a newspaper of 82401
general circulation in every county in which the lands or 82402
facilities are located and if the preliminary appraised value of 82403
the land to be sold or leased is more than one hundred thousand 82404
dollars, advertisement shall be made once each week for four 82405
weeks in at least two newspapers in the state having a daily 82406
circulation of one hundred thousand or more. If a city in this 82407
state is served by more than one newspaper having a circulation 82408
of one hundred thousand or more, advertisement may be made in 82409
only one of the newspapers serving the city. 82410

(D) Each deed or lease prepared and recorded pursuant to 82411
this section shall contain a recital stating that all provisions 82412
of this section have been complied with. The recital shall be 82413
considered binding and conclusive against all subdivisions of 82414
the state provided no action has been commenced pursuant to 82415
division (B) of this section. Any deed or lease containing such 82416
a recital shall be conclusively presumed to have been executed 82417
in compliance with this section insofar as title or other 82418
interest of any bona fide purchasers, lessees, or transferees of 82419
the property is concerned. 82420

(E) Nothing in this section shall be construed as 82421
establishing a precedent for the disposal of state lands and 82422
facilities by other departments of the state. 82423

Sec. 5119.431. When it is necessary for a state 82424

institution under the jurisdiction of the department of ~~mental-~~ 82425
behavioral health and addiction services to acquire any real 82426
estate, right of way, or easement in real estate in order to 82427
accomplish the purposes for which it was organized or is being 82428
conducted, and the department is unable to agree with the owner 82429
of such property upon the price to be paid therefor, such 82430
property may be appropriated in the manner provided for the 82431
appropriation of property for other state purposes. 82432

Any instrument by which real property is acquired pursuant 82433
to this section shall identify the agency of the state that has 82434
the use and benefit of the real property as specified in section 82435
5301.012 of the Revised Code. 82436

Sec. 5119.44. As used in this section, "free clinic" has 82437
the same meaning as in section 2305.2341 of the Revised Code. 82438

(A) The department of ~~mental-behavioral~~ health and ~~and-~~ 82439
~~addiction services~~ may provide certain goods and services for 82440
the department of ~~mental-behavioral~~ health and ~~and-~~ 82441
~~services~~, the department of developmental disabilities, the 82442
department of rehabilitation and correction, the department of 82443
youth services, and other state, county, or municipal agencies 82444
requesting such goods and services when the department of ~~mental~~ 82445
behavioral health and addiction services determines that it is 82446
in the public interest, and considers it advisable, to provide 82447
these goods and services. The department of ~~mental-behavioral~~ 82448
health and ~~addiction services~~ also may provide goods and 82449
services to agencies operated by the United States government 82450
and to public or private nonprofit agencies, other than free 82451
clinics, that are funded in whole or in part by the state if the 82452
public or private nonprofit agencies are designated for 82453
participation in this program by the director of ~~mental-~~ 82454

behavioral health and addiction services for community addiction 82455
services providers and community mental health services 82456
providers, the director of developmental disabilities for 82457
community developmental disabilities agencies, the director of 82458
rehabilitation and correction for community rehabilitation and 82459
correction agencies, or the director of youth services for 82460
community youth services agencies. 82461

Designated community agencies or services providers shall 82462
receive goods and services through the department of ~~mental-~~ 82463
behavioral health and addiction services only in those cases 82464
where the designating state agency certifies that providing such 82465
goods and services to the agency or services provider will 82466
conserve public resources to the benefit of the public and where 82467
the provision of such goods and services is considered feasible 82468
by the department of ~~mental-~~behavioral health and addiction- 82469
~~services.~~ 82470

(B) The department of ~~mental-~~behavioral health and- 82471
~~addiction services~~ may permit free clinics to purchase certain 82472
goods and services to the extent the purchases fall within the 82473
exemption to the Robinson-Patman Act, 15 U.S.C. 13 et seq., 82474
applicable to nonprofit institutions, in 15 U.S.C. 13c, as 82475
amended. 82476

(C) The goods and services that may be provided by the 82477
department of ~~mental-~~behavioral health and addiction services- 82478
under divisions (A) and (B) of this section may include: 82479

(1) Procurement, storage, processing, and distribution of 82480
food and professional consultation on food operations; 82481

(2) Procurement, storage, and distribution of medical and 82482

(D) The department of ~~mental-behavioral~~ health and 82489
~~addiction services~~ may provide the goods and services designated 82490
in division (C) of this section to its institutions and to 82491
state-operated community-based mental health or addiction 82492
services providers. 82493

(E) After consultation with and advice from the director 82494
of developmental disabilities, the director of rehabilitation 82495
and correction, and the director of youth services, the 82496

(B) Unless, upon completion of the hearing the court finds 83866
by clear and convincing evidence that the respondent is a person 83867
with a mental illness subject to court order, it shall order the 83868
respondent's discharge immediately. 83869

(C) If, upon completion of the hearing, the court finds by 83870

facility. 83888

(D) Any order made pursuant to division (C) (2), (3), (5), 83889
or (6) of this section shall be conditioned upon the receipt by 83890
the court of consent by the hospital, facility, agency, or 83891
person to accept the respondent and may include a requirement 83892
that a person or entity described in division (C) (2), (3), (5), 83893

alternative available that is consistent with treatment goals is 83913
inpatient hospitalization, the court's order shall so state. 83914

(F) During the ninety-day period the entity or person 83915
shall examine and treat the respondent. If the respondent is 83916
receiving treatment in an outpatient setting, or receives 83917
treatment in an outpatient setting during a subsequent period of 83918
continued commitment under division (H) of this section, the 83919
entity or person to whom the respondent is committed shall 83920
determine the appropriate outpatient treatment for the 83921
respondent. If, at any time prior to the expiration of the 83922
ninety-day period, it is determined by the entity or person that 83923
the respondent's treatment needs could be equally well met in an 83924
available and appropriate less restrictive setting, both of the 83925

least restrictive setting. 83939

(G) (1) Except as provided in division (G) (2) of this 83940
section, any person for whom proceedings for treatment have been 83941
commenced pursuant to section 5122.11 of the Revised Code, may 83942
apply at any time for voluntary admission or treatment to the 83943
entity or person to which the person was committed. Upon 83944
admission as a voluntary patient the chief clinical officer of 83945
the entity or the person immediately shall notify the court, the 83946
patient's counsel, and the attorney designated by the board, if 83947
the attorney has entered the proceedings, in writing of that 83948
fact, and, upon receipt of the notice, the court shall dismiss 83949
the case. 83950

the Revised Code. 83957

(H) If, at the end of the first ninety-day period or any subsequent period of continued commitment, there has been no disposition of the case, either by discharge or voluntary admission or treatment, the entity or person shall discharge the patient immediately, unless at least ten days before the expiration of the period the attorney the board designates or the prosecutor files with the court an application for continued commitment. The application of the attorney or the prosecutor shall include a written report containing the diagnosis, prognosis, past treatment, a list of alternative treatment settings and plans, and identification of the treatment setting that is the least restrictive consistent with treatment needs. The attorney the board designates or the prosecutor shall file the written report at least three days prior to the full hearing. A copy of the application and written report shall be provided to the respondent's counsel immediately.

The court shall hold a full hearing on applications for continued commitment at the expiration of the first ninety-day period and at least every two years after the expiration of the first ninety-day period.

Hearings following any application for continued commitment are mandatory and may not be waived.

For a respondent who is ordered to receive treatment in an outpatient setting, if at any time after the first ninety-day period the entity or person to whom the respondent was ordered determines that the respondent has demonstrated voluntary consent for treatment, that entity or person shall immediately notify the respondent, the respondent's counsel, the attorney designated by the board, and the court. The entity or person shall submit to the court a report of the findings and

recommendations. The court may dismiss the case upon review of the facts. 83988
83989

Upon request of a person who is involuntarily committed under this section, or the person's counsel, that is made more than one hundred eighty days after the person's last full hearing, mandatory or requested, the court shall hold a full hearing on the person's continued commitment. Upon the application of a person involuntarily committed under this section, supported by an affidavit of a psychiatrist or licensed clinical psychologist, alleging that the person no longer is a person with a mental illness subject to court order, the court for good cause shown may hold a full hearing on the person's continued commitment prior to the expiration of one hundred eighty days after the person's last full hearing. and 5122.141 of the Revised Code, except an order of contempt of court. The orders of a referee take effect immediately. Within fourteen days of the making of an order by a referee, a party may file written objections to the order with the court. The filed objections shall be considered a motion, shall be specific, and shall state their grounds with particularity. Within ten days of the filing of the objections, a judge of the court shall hold a hearing on the objections and may hear and consider any testimony or other evidence relating to the respondent's mental condition. At the conclusion of the hearing, the judge may ratify, rescind, or modify the referee's order.

(K) An order of the court under division (C), (H), or (J) of this section is a final order.

(L) Before a board, or a services provider the board designates, may place an unconsenting respondent in an inpatient setting from a less restrictive placement, the board or services provider shall do all of the following:

(1) Determine that the respondent is in immediate need of treatment in an inpatient setting because the respondent represents a substantial risk of physical harm to the respondent or others if allowed to remain in a less restrictive setting;

(2) On the day of placement in the inpatient setting or on the next court day, file with the court a motion for transfer to an inpatient setting or communicate to the court by telephone that the required motion has been mailed;

(3) Ensure that every reasonable and appropriate effort is made to take the respondent to the inpatient setting in the least conspicuous manner possible;

(4) Immediately notify the board's designated attorney and

the respondent's attorney. 84047

At the respondent's request, the court shall hold a 84048
hearing on the motion and make a determination pursuant to 84049
division (E) of this section within five days of the placement. 84050

(M) Before a board, or a services provider the board 84051
designates, may move a respondent from one residential placement 84052
to another, the board or services provider shall consult with 84053
the respondent about the placement. If the respondent objects to 84054
the placement, the proposed placement and the need for it shall 84055
be reviewed by a qualified mental health professional who 84056
otherwise is not involved in the treatment of the respondent. 84057

(N) The entity or person to whom the respondent was 84058
ordered for treatment in an outpatient setting may submit a 84059
report to the court indicating that the respondent has either 84060
failed to comply with the treatment plan or begun to demonstrate 84061
signs of decompensation that may be grounds for hospitalization. 84062
On receipt of the report, the court shall promptly schedule a 84063
hearing to review the case. The court shall conduct the hearing 84064
in a manner consistent with this chapter and due process of law. 84065
The board shall receive notice of the hearing and the board and 84066
entity or person treating the respondent shall submit a report 84067
to the court with a plan for appropriate alternative treatment, 84068
if any, or recommend that the court discontinue the court- 84069
ordered treatment. The court shall consider available and 84070
appropriate alternative placements but shall not impose criminal 84071
sanctions that result in confinement in a jail or other local 84072
correctional facility based on the respondent's failure to 84073
comply with the treatment plan. The court may not order the 84074
respondent to a more restrictive placement unless the criteria 84075
specified in division (L) of this section are met and may not 84076

order the respondent to an inpatient setting unless the court 84077
determines by clear and convincing evidence presented by the 84078
board that the respondent meets the criteria specified in 84079
divisions (A) and (B) (1), (2), (3), or (4) of section 5122.01 of 84080
the Revised Code. 84081

Sec. 5122.20. The director of ~~mental-behavioral health and~~ 84082
~~addiction services~~ or the director's designee may transfer, or 84083
authorize the transfer of, an involuntary patient, or a 84084
consenting voluntary patient hospitalized pursuant to section 84085
5122.02 or sections 5122.11 to 5122.15 of the Revised Code, from 84086
one public hospital to another, or to a hospital, community 84087
mental health services provider, or other facility offering 84088
treatment or other services for mental illness, if the medical 84089
director of the department of ~~mental-behavioral health and~~ 84090
~~addiction services~~ determines that it would be consistent with 84091
the medical needs of the patient to do so. If such a transfer is 84092
made to a private facility, the transfer shall be conditioned 84093
upon the consent of the facility. 84094

Before an involuntary patient may be transferred to a more 84095
restrictive setting, the chief clinical officer shall file a 84096
motion with the court requesting the court to amend its order of 84097
placement issued under section 5122.15 of the Revised Code. At 84098
the patient's request, the court shall hold a hearing on the 84099
motion at which the patient has the same rights as at a full 84100
hearing under section 5122.15 of the Revised Code. The hearing 84101
shall be held within ten days after the date on which the 84102
respondent was transferred to the more restrictive setting or on 84103
which the motion was filed, whichever is earlier. On the motion 84104
of the respondent, the respondent's counsel, or the chief 84105
clinical officer, or on its own motion, and for good cause 84106
shown, the court may order a continuance of the hearing for up 84107

to ten days. 84108

Whenever an involuntary patient is transferred, written 84109
notice of the transfer shall be given to the patient's legal 84110
guardian, parents, spouse, and counsel, or, if none is known, to 84111
the patient's nearest known relative or friend. If the patient 84112
is a minor, the department, before making such a transfer, shall 84113
make a minute of the order for the transfer and the reason for 84114
it upon its record and shall send a certified copy at least 84115
seven days prior to the transfer to the person shown by its 84116
record to have had the care or custody of the minor immediately 84117
prior to the minor's commitment. Whenever a consenting voluntary 84118
patient is transferred, the notification shall be given only at 84119
the patient's request. The chief clinical officer shall advise a 84120
voluntary patient who is being transferred that the patient may 84121
decide if the notification shall be given. In all such 84122
transfers, due consideration shall be given to the wishes of the 84123
patient, and the relationship of the patient to the patient's 84124
family, legal guardian, or friends, so as to maintain the 84125
relationship and encourage visits beneficial to the patient. 84126

When a voluntary patient whose medical or psychological 84127
needs are found by the chief clinical officer to warrant a 84128
transfer refuses to be transferred to an alternate facility, the 84129
chief clinical officer may file an affidavit for a hearing under 84130
section 5122.11 of the Revised Code. 84131

Sec. 5122.21. (A) The chief clinical officer shall as 84132
frequently as practicable, and at least once every thirty days, 84133
examine or cause to be examined every patient, and, whenever the 84134
chief clinical officer determines that the conditions justifying 84135
involuntary hospitalization or commitment no longer obtain, 84136
shall discharge the patient not under indictment or conviction 84137

for crime and immediately make a report of the discharge to the 84138
department of ~~mental behavioral health and addiction services~~. 84139
The chief clinical officer may discharge a patient who is under 84140
an indictment, a sentence of imprisonment, a community control 84141
sanction, or a post-release control sanction or on parole ten 84142
days after written notice of intent to discharge the patient has 84143
been given by personal service or certified mail, return receipt 84144
requested, to the court having criminal jurisdiction over the 84145
patient. Except when the patient was found not guilty by reason 84146
of insanity and the defendant's commitment is pursuant to 84147
section 2945.40 of the Revised Code, the chief clinical officer 84148
has final authority to discharge a patient who is under an 84149
indictment, a sentence of imprisonment, a community control 84150
sanction, or a post-release control sanction or on parole. 84151

(B) After a finding pursuant to section 5122.15 of the 84152
Revised Code that a person is a person with a mental illness 84153
subject to court order, the chief clinical officer of the 84154
hospital or community mental health services provider to which 84155
the person is ordered or to which the person is transferred 84156
under section 5122.20 of the Revised Code, may grant a discharge 84157
without the consent or authorization of any court. 84158

Upon discharge, the chief clinical officer shall notify 84159
the court that caused the judicial hospitalization of the 84160
discharge from the hospital. 84161

Sec. 5122.23. The chief clinical officer of a public 84162
hospital shall immediately report to the department of ~~mental~~ 84163
behavioral health and addiction services and the board of 84164
alcohol, drug addiction, and mental health services serving the 84165
patient's county of residence the removal, death, escape, 84166
discharge, or trial visit of any patient hospitalized under 84167

section 5122.15 of the Revised Code, or the return of such an 84168
escaped or visiting patient to the department, the probate judge 84169
of the county from which such patient was hospitalized, and the 84170
probate judge of the county of residence of such patient. In 84171
case of death, the chief clinical officer also shall notify one 84172
or more of the nearest relatives of the deceased patient, if 84173
known to the chief clinical officer, by letter, telegram, or 84174
telephone. If the place of residence of such relative is unknown 84175
to the chief clinical officer, immediately upon receiving 84176
notification the probate judge shall in the speediest manner 84177
possible notify such relatives, if known to the probate judge. 84178

The chief clinical officer of a public hospital, upon the 84179
request of the probate judge of the county from which a patient 84180
was hospitalized or the probate judge of the county of residence 84181
of such a patient, shall make a report to the judge of the 84182
condition of any patient under the care, treatment, custody, or 84183
control of the chief clinical officer. 84184

Sec. 5122.26. (A) If a patient is absent without leave, on 84185
a verbal or written order issued within five days of the time of 84186
the unauthorized absence by the department of ~~mental-behavioral~~ 84187
~~health-and-addiction-services~~, the chief clinical officer of the 84188
hospital from which the patient is absent without leave, or the 84189
court of either the county from which the patient was committed 84190
or in which the patient is found, any health or police officer 84191
or sheriff may take the patient into custody and transport the 84192
patient to the hospital in which the patient was hospitalized or 84193
to a place that is designated in the order. The officer 84194
immediately shall report such fact to the entity that issued the 84195
order. 84196

The chief clinical officer of a hospital may discharge a 84197

patient who is under an indictment, a sentence of imprisonment, 84198
a community control sanction, or a post-release control sanction 84199
or on parole and who has been absent without leave for more than 84200
thirty days but shall give written notice of the discharge to 84201
the court with criminal jurisdiction over the patient. The chief 84202
clinical officer of a hospital may discharge any other patient 84203
who has been absent without leave for more than fourteen days. 84204

The chief clinical officer shall take all proper measures 84205
for the apprehension of an escaped patient. The expense of the 84206
return of an escaped patient shall be borne by the hospital 84207
where the patient is hospitalized. 84208

(B) (1) Subject to division (B) (2) of this section, no 84209
patient hospitalized under Chapter 5122. of the Revised Code 84210
whose absence without leave was caused or contributed to by the 84211
patient's mental illness shall be subject to a charge of escape. 84212

(2) Division (B) (1) of this section does not apply to any 84213
person who was hospitalized, institutionalized, or confined in a 84214

supported living certificate, the director shall require the 85195
applicant to request that the superintendent obtain information 85196

section. 85227

(D) The director may request any other state or federal 85228
agency to supply the director with a written report regarding 85229
the criminal record of an applicant. The director may consider 85230
the reports when determining whether to issue a supported living 85231
certificate to the applicant or to renew an applicant's 85232
supported living certificate. 85233

(E) An applicant who seeks to be an independent provider 85234
or is an independent provider seeking renewal of the applicant's 85235
supported living certificate shall obtain the applicant's 85236

driving record from the bureau of motor vehicles and provide a 85237
copy of the record to the director if the supported living that 85238
the applicant will provide involves transporting individuals 85239
with developmental disabilities. The director may consider the 85240
applicant's driving record when determining whether to issue the 85241
applicant a supported living certificate or to renew the 85242
applicant's supported living certificate. 85243

(F) (1) A report obtained pursuant to this section is not a 85244

providing an opportunity for an adjudication under Chapter 119. 85395
of the Revised Code. The director shall lift an order for the 85396

information obtained by a county board of developmental 85432
disabilities or other governmental agencies. 85433

deficiencies that prompted the proceedings have been corrected 85437
at the time of the hearing. 85438

(E) (1) Except as provided in division (E) (2) of this section, appeals from proceedings initiated to impose a sanction under division (D) of this section shall be conducted in accordance with Chapter 119. of the Revised Code.

(2) Appeals from proceedings initiated to order the suspension of admissions to a facility shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(F) Neither a person or government agency whose application for a license to operate a residential facility is denied nor a related party of the person or government agency may apply for a license to operate a residential facility before the date that is five years after the date of the denial. Neither a licensee whose residential facility license is revoked nor a related party of the licensee may apply for a residential facility license before the date that is five years after the date of the revocation.

(G) In accordance with Chapter 119. of the Revised Code, the director shall adopt and may amend and rescind rules for licensing and regulating the operation of residential facilities. The rules for residential facilities that are ICFs/IID may differ from those for other residential facilities.

application is made. The director shall conduct a survey of each 85523
licensed residential facility at least once during the period 85524
the license is valid and may conduct additional inspections as 85525
needed. A survey includes but is not limited to an on-site 85526
examination and evaluation of the residential facility, its 85527
personnel, and the services provided there. The director may 85528
assign to a county board of developmental disabilities or the 85529

licensee is not the owner of the building. 85585

(2) Pursuant to rules, which shall be adopted in 85586
accordance with Chapter 119. of the Revised Code, the director 85587
may require notification to the department of any significant 85588

statute or department rule relating to residential facilities 85609
with the department. All complaints shall state the facts 85610

so ordered by a court of competent jurisdiction. 85614

The department shall adopt rules in accordance with 85615
Chapter 119. of the Revised Code establishing procedures for the 85616
receipt, referral, investigation, and disposition of complaints 85617
filed with the department under this division. 85618

85702

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license. 85703

(S) The director may enter at any time, for purposes of investigation, any home, facility, or other structure that has 85728
85729

been reported to the director or that the director has 85730
reasonable cause to believe is being operated as a residential 85731
facility without a license issued under this section. 85732

The director may petition the court of common pleas of the 85733
county in which an unlicensed residential facility is located 85734
for an order enjoining the person or governmental agency 85735
operating the facility from continuing to operate without a 85736
license. The court may grant the injunction on a showing that 85737
the person or governmental agency named in the petition is 85738
operating a residential facility without a license. The court 85739
may grant the injunction, regardless of whether the residential 85740
facility meets the requirements for receiving a license under 85741
this section. 85742

Sec. 5123.191. (A) The court of common pleas or a judge 85743
thereof in the judge's county, or the probate court, may appoint 85744
a receiver to take possession of and operate a residential 85745
facility licensed by the department of developmental 85746
disabilities, in causes pending in such courts respectively, 85747
when conditions existing at the facility present a substantial 85748
risk of physical or mental harm to residents and no other 85749
remedies at law are adequate to protect the health, safety, and 85750
welfare of the residents. Conditions at the facility that may 85751
present such risk of harm include, but are not limited to, 85752
instances when any of the following occur: 85753

(1) The residential facility is in violation of state or 85754
federal law or regulations. 85755

(2) The facility has had its license revoked or procedures 85756
for revocation have been initiated, or the facility is closing 85757
or intends to cease operations. 85758

(3) Arrangements for relocating residents need to be made. 85759

(4) Insolvency of the operator, licensee, or landowner threatens the operation of the facility. 85760
85761

(5) The facility or operator has demonstrated a pattern and practice of repeated violations of state or federal laws or regulations. 85762
85763
85764

(B) A court in which a petition is filed pursuant to this section shall notify the person holding the license for the facility and the department of developmental disabilities of the filing. The court shall order the department to notify the facility owner, facility operator, county board of developmental disabilities, facility residents, and residents' parents and guardians of the filing of the petition. 85765
85766
85767
85768
85769
85770
85771

The court shall provide a hearing on the petition within five court days of the time it was filed, except that the court may appoint a receiver prior to that time if it determines that the circumstances necessitate such action. Following a hearing on the petition, and upon a determination that the appointment of a receiver is warranted, the court shall appoint a receiver and notify the department of developmental disabilities and appropriate persons of this action. 85772
85773
85774
85775
85776
85777
85778
85779

(C) A residential facility for which a receiver has been named is deemed to be in compliance with section 5123.19 and Chapter 3721. of the Revised Code for the duration of the receivership. 85780
85781
85782
85783

(D) When the operating revenue of a residential facility in receivership is insufficient to meet its operating expenses, including the cost of bringing the facility into compliance with state or federal laws or regulations, the court may order the 85784
85785
85786
85787

state to provide necessary funding, except as provided in 85788
division (K) of this section. The state shall provide such 85789
funding, subject to the approval of the controlling board. The 85790
court may also order the appropriate authorities to expedite all 85791
inspections necessary for the issuance of licenses or the 85792
certification of a facility, and order a facility to be closed 85793
if it determines that reasonable efforts cannot bring the 85794
facility into substantial compliance with the law. 85795

(E) In establishing a receivership, the court shall set 85796
forth the powers and duties of the receiver. The court may 85797
generally authorize the receiver to do all that is prudent and 85798
necessary to safely and efficiently operate the residential 85799
facility within the requirements of state and federal law, but 85800
shall require the receiver to obtain court approval prior to 85801
making any single expenditure of more than five thousand dollars 85802
to correct deficiencies in the structure or furnishings of a 85803
facility. The court shall closely review the conduct of the 85804
receiver it has appointed and shall require regular and detailed 85805
reports. The receivership shall be reviewed at least every sixty 85806
days. 85807

(F) A receivership established pursuant to this section 85808
shall be terminated, following notification of the appropriate 85809
parties and a hearing, if the court determines either of the 85810
following: 85811

(1) The residential facility has been closed and the 85812
former residents have been relocated to an appropriate facility. 85813

(2) Circumstances no longer exist at the facility that 85814
present a substantial risk of physical or mental harm to 85815
residents, and there is no deficiency in the facility that is 85816
likely to create a future risk of harm. 85817

Notwithstanding division (F) (2) of this section, the court shall not terminate a receivership for a residential facility that has previously operated under another receivership unless the responsibility for the operation of the facility is transferred to an operator approved by the court and the department of developmental disabilities.

(G) The department of developmental disabilities may, upon its own initiative or at the request of an owner, operator, or resident of a residential facility, or at the request of a resident's guardian or relative or a county board of developmental disabilities, petition the court to appoint a receiver to take possession of and operate a residential facility. When the department has been requested to file a petition by any of the parties listed above, it shall, within forty-eight hours of such request, either file such a petition or notify the requesting party of its decision not to file. If the department refuses to file, the requesting party may file a petition with the court requesting the appointment of a receiver to take possession of and operate a residential facility.

Petitions filed pursuant to this division shall include the following:

(1) A description of the specific conditions existing at the facility which present a substantial risk of physical or mental harm to residents;

(2) A statement of the absence of other adequate remedies at law;

(3) The number of individuals residing at the facility;

(4) A statement that the facts have been brought to the attention of the owner or licensee and that conditions have not

been remedied within a reasonable period of time or that the 85847
conditions, though remedied periodically, habitually exist at 85848
the facility as a pattern or practice; 85849

(5) The name and address of the person holding the license 85850
for the facility and the address of the department of 85851
developmental disabilities. 85852

The court may award to an operator appropriate costs and 85853
expenses, including reasonable attorney's fees, if it determines 85854
that a petitioner has initiated a proceeding in bad faith or 85855
merely for the purpose of harassing or embarrassing the 85856
operator. 85857

(H) Except for the department of developmental 85858
disabilities or a county board of developmental disabilities, no 85859
party or person interested in an action shall be appointed a 85860
receiver pursuant to this section. 85861

To assist the court in identifying persons qualified to be 85862
named as receivers, the director of developmental disabilities 85863
shall maintain a list of the names of such persons. The director 85864
shall, in accordance with Chapter 119. of the Revised Code, 85865
establish standards for evaluating persons desiring to be 85866
included on such a list. 85867

(I) Before a receiver enters upon the duties of that 85868
person, the receiver must be sworn to perform the duties of 85869
receiver faithfully, and, with surety approved by the court, 85870
judge, or clerk, execute a bond to such person, and in such sum 85871
as the court or judge directs, to the effect that such receiver 85872
will faithfully discharge the duties of receiver in the action, 85873
and obey the orders of the court therein. 85874

(J) Under the control of the appointing court, a receiver 85875

may bring and defend actions in the receiver's own name as 85876
receiver and take and keep possession of property. 85877

The court shall authorize the receiver to do the 85878
following: 85879

(1) Collect payment for all goods and services provided to 85880
the residents or others during the period of the receivership at 85881
the same rate as was charged by the licensee at the time the 85882
petition for receivership was filed, unless a different rate is 85883
set by the court; 85884

(2) Honor all leases, mortgages, and secured transactions 85885
governing all buildings, goods, and fixtures of which the 85886
receiver has taken possession and continues to use, subject to 85887
the following conditions: 85888

(a) In the case of a rental agreement, only to the extent 85889
of payments that are for the use of the property during the 85890
period of the receivership; 85891

(b) In the case of a purchase agreement only to the extent 85892
of payments that come due during the period of the receivership. 85893

(3) If transfer of residents is necessary, provide for the 85894
orderly transfer of residents by doing the following: 85895

(a) Cooperating with all appropriate state and local 85896
agencies in carrying out the transfer of residents to 85897
alternative community placements; 85898

belongings and records; 85900

(c) Helping to locate alternative placements and develop 85901
discharge plans; 85902

(d) Preparing residents for the trauma of discharge;	85903
(e) Permitting residents or guardians to participate in transfer or discharge planning except when an emergency exists and immediate transfer is necessary.	85904 85905 85906
(4) Make periodic reports on the status of the residential program to the appropriate state agency, county board of developmental disabilities, parents, guardians, and residents;	85907 85908 85909
(5) Compromise demands or claims;	85910
(6) Generally do such acts respecting the residential facility as the court authorizes.	85911 85912
(K) Neither the receiver nor the department of developmental disabilities is liable for debts incurred by the owner or operator of a residential facility for which a receiver has been appointed.	85913 85914 85915 85916
(L) The department of developmental disabilities may contract for the operation of a residential facility in receivership. The department shall establish the conditions of a contract. Notwithstanding any other provision of law, contracts that are necessary to carry out the powers and duties of the receiver need not be competitively bid.	85917 85918 85919 85920 85921 85922
(M) The department of developmental disabilities, the department of job and family services <u>children and youth</u> , and the department of health shall provide technical assistance to any receiver appointed pursuant to this section.	85923 85924 85925 85926
Sec. 5123.36. (A) To the extent funds are available and on application by a county board of developmental disabilities or private nonprofit agency incorporated to provide developmental disability services, the director of developmental disabilities	85927 85928 85929 85930

may enter into an agreement with the county board or agency to assist the county board or agency with a developmental disability construction project. Except as provided by division (B) of this section, the director may provide up to ninety per cent of the total project cost where circumstances warrant. (D) A private nonprofit agency that receives funds pursuant to this section for the construction of a single-family home, including, where appropriate, the acquisition and installation of a single-family home fabricated in an off-site facility, is not subject to the requirements of Chapter 153. of the Revised Code with respect to the construction project, notwithstanding any provision of that chapter to the contrary.

~~(E) The director may not assist a project under this section unless the controlling board or director of budget and management also approves the project pursuant to section 126.14 of the Revised Code.~~

Sec. 5123.38. ~~(A)~~ (A) (1) Except as provided in division (B)

or submitting an invoice for payment of that amount to the 85974
county board. 85975

(B) Division (A) of this section does not apply ~~under~~ 85976
~~either of the following circumstances:~~ 85977

~~(2) The~~ if the director of developmental disabilities, 85982
after determining that circumstances warrant granting a waiver 85983
in an individual's case, grants the county board a waiver that 85984
exempts the county board from responsibility for the nonfederal 85985
share for that case. The exemption may waive the collection of 85986
either the full amount or a portion of the estimated nonfederal 85987
share of medicaid expenditures. 85988

after the day the permanent assignment is made, shall notify the 86784

unless the superintendent of the institution in which the child 86832
is held determines that permitting that child to visit with the 86833
child's parent, guardian, or custodian would create a safety 86834
risk to that child, that child's parents, guardian, or 86835
custodian, the personnel of the institution, or other children 86836
held in that institution. 86837

pursuant to this section will be used. 86977

(2) The county treasurer of each county that receives an 86978
annual grant pursuant to this section shall deposit the state 86979
subsidy funds so received into the county's felony delinquent 86980
care and custody fund created pursuant to division (B) (1) of 86981

In furtherance of this requirement, the medical assistance recipient, or the recipient's attorney, if any, shall, not later than thirty days after initiating informal recovery activity or filing a legal recovery action against a third party, provide written notice of the activity or action to the department of medicaid or county department if it has paid for medical assistance under a medical assistance program.

(D) The written notice that must be given under division (C) of this section shall disclose the identity and address of

any third party against whom the medical assistance recipient 87432
has or may have a right of recovery. 87433

(E) No settlement, compromise, judgment, or award or any 87434
recovery in any action or claim by a medical assistance 87435
recipient where the department or county department has a right 87436
of recovery shall be made final without first giving the 87437
department or county department written notice as described in 87438
division (C) of this section and a reasonable opportunity to 87439
perfect its rights of recovery. If the department or county 87440
department is not given the appropriate written notice, the 87441
medical assistance recipient and, if there is one, the 87442
recipient's attorney, are liable to reimburse the department or 87443
county department for the recovery received to the extent of 87444
medical assistance payments made by the department or county 87445
department. 87446

(F) The department or county department shall be permitted 87447
to enforce its recovery rights against the third party even 87448
though it accepted prior payments in discharge of its rights 87449
under this section if, at the time the department or county 87450
department received such payments, it was not aware that 87451
additional medical expenses had been incurred but had not yet 87452

compromise of a claim, to the extent of attorneys' fees, costs, 87460
or other expenses incurred by a medical assistance recipient in 87461

securing the judgment, award, settlement, or compromise, or to 87462
the extent of medical, surgical, and hospital expenses paid by 87463
such recipient from the recipient's own resources. 87464

(2) Reasonable attorneys' fees, not to exceed one-third of 87465
the total judgment, award, settlement, or compromise, plus costs 87466
and other expenses incurred by the medical assistance recipient 87467
in securing the judgment, award, settlement, or compromise, 87468
shall first be deducted from the total judgment, award, 87469
settlement, or compromise. After fees, costs, and other expenses 87470
are deducted from the total judgment, award, settlement, or 87471
compromise, there shall be a rebuttable presumption that the 87472
department of medicaid or county department shall receive no 87473
less than one-half of the remaining amount, or the actual amount 87474
of medical assistance paid, whichever is less. A party may rebut 87475
the presumption in accordance with division (L) (1) ~~or~~, (2), or 87476
(3) of this section, as applicable. 87477

(H) A right of recovery created by this section may be 87478

medical assistance paid; 87485

(2) Institute and pursue legal proceedings against any 87486
third party who may be liable for the cost of medical assistance 87487
paid; 87488

injured, diseased, or disabled medical assistance recipient or 87490

the recipient's attorney or representative. 87491

(I) A medical assistance recipient shall not assess 87492
attorney fees, costs, or other expenses against the department 87493

section. 87496

(J) The right of recovery given to the department under 87497
this section includes payments made by a third party under 87498
contract with a person having a duty to support. 87499

(K) The department of medicaid may assign to a medical 87500
assistance provider the right of recovery given to the 87501
department under this section with respect to any claim for 87502
which the department has notified the provider that the 87503
department intends to recoup the department's prior payment for 87504
the claim. 87505

(L) (1) Prior to any payment to the department or a county 87506
department pursuant to the department's or county department's 87507
right of recovery under this section, a party that desires to 87508
rebut the presumption in division (G) of this section shall 87509
submit to the department or county department a request for a 87510
hearing in accordance with the procedure the department 87511

by a showing of clear and convincing evidence that a different 87517
allocation is warranted. 87518

(2) A medical assistance recipient who has repaid money, 87519

on or after September 29, 2007, to the department or a county department pursuant to the department's or county department's right of recovery under this section, section 5160.38 of the Revised Code, or former section 5101.58 or 5101.59 of the Revised Code may request a hearing to rebut the presumption in division (G) of this section. It must be made not later than one hundred eighty days after September 29, 2015, or ninety days after the payment is made, whichever is later. The presumption is successfully rebutted if the requestor demonstrates by clear and convincing evidence that a different allocation is warranted.

(b) The department or county department may raise 87553
affirmative defenses during the hearing, including the existence 87554

transfer or discharge is upheld by a final determination that is 87880
not subject to further appeal. 87881

(3) An institutionalized individual may be granted a 87882
waiver of all of the period of ineligibility if all of the 87883

provided in division (C) (1) or (2) of this section, no waiver of 87890
any part of the period of ineligibility shall be granted if the 87891
amount the individual or individual's spouse receives is less 87892

continued eligibility for medicaid, to provide documentation of 87900
the individual's assets up to five years before the date the 87901
individual becomes an institutionalized individual if the 87902
individual is eligible for medicaid on that date or the date the 87903

who is a medicaid recipient and is not a low case-mix resident; 88039

(ii) A quarterly case-mix score that includes each 88040
resident regardless of payment source. 88041

(b) Every six months, determine a semiannual average case- 88042
mix score for each nursing facility by using the quarterly case- 88043
mix scores determined for the nursing facility pursuant to 88044
division (A) (1) (a) (i) of this section; 88045

(c) After the end of each calendar year, determine an 88046
annual average case-mix score for each nursing facility by using 88047
the quarterly case-mix scores determined for the nursing 88048
facility pursuant to division (A) (1) (a) (ii) of this section. 88049

(2) When determining case-mix scores under division (A) (1) 88050

(a) Data from a resident assessment instrument specified 88052
in rules authorized by section 5165.191 of the Revised Code; 88053

United States department of health and human services for 88060
prospective payment of skilled nursing facilities under the 88061
medicare program. 88062

(B) (1) Subject to division (B) (2) of this section, the 88063
department, for one or more months of a calendar quarter, may 88064
assign to a nursing facility a case-mix score that is five per 88065
cent less than the nursing facility's case-mix score for the 88066
immediately preceding calendar quarter if any of the following 88067
apply: 88068

nursing facility's case-mix score for the calendar quarter; 88071

facility due to the submission of incorrect resident assessment 88078
data, the department shall permit the provider to correct the 88079
data. The department may assign the case-mix score if the 88080
provider fails to submit the corrected resident assessment data 88081
not later than the earlier of the forty-fifth day after the end 88082
of the calendar quarter to which the data pertains or the 88083
deadline for submission of such corrections established by 88084
regulations adopted by the United States department of health 88085
and human services under Title XVIII and Title XIX. 88086

(3) If, for more than six months in a calendar year, a provider is paid a rate determined for a nursing facility using a case-mix score assigned to the nursing facility under division (B) (1) of this section, the department may assign the nursing facility a cost per case-mix unit that is five per cent less than the nursing facility's actual or assigned cost per case-mix unit for the immediately preceding calendar year. The department may use the assigned cost per case-mix unit, instead of determining the nursing facility's actual cost per case-mix unit in accordance with section 5165.19 of the Revised Code, to establish the nursing facility's rate for direct care costs for the fiscal year immediately following the calendar year for which the cost per case-mix unit is assigned.

(4) The department shall take action under division (B) (1), (2), or (3) of this section only in accordance with rules authorized by this section. The department shall not take an action that affects rates for prior payment periods except in accordance with sections 5165.41 and 5165.42 of the Revised Code.

(C) The medicaid director shall adopt rules under section 5165.02 of the Revised Code as necessary to implement this section.

(1) The rules shall do all of the following:

(a) Specify the process for determining the semiannual and annual average case-mix scores for nursing facilities;

~~(b) Adjust the case-mix values specified in division (A) (2) (b) of this section to reflect changes in relative wage differentials that are specific to this state;~~

~~(c) Express all of those case-mix values in numeric terms~~

~~that are different from the terms specified by the United States
department of health and human services but that do not alter
the relationship of the case-mix values to one another;~~

~~(d)~~ Modify the grouper methodology specified in division
(A) (2) (c) of this section as follows:

~~(i) Establish a different hierarchy for assigning
residents to case-mix categories under the methodology;~~

~~(ii) Allow the use of the index maximizer element of the
methodology;~~

~~(iii) Incorporate changes to the grouper methodology for
the patient driven payment model nursing index used by the
United States department of health and human services ~~makes~~
~~after June 30, 1999~~ on October 1, 2019, for prospective payment
of skilled nursing facilities under the medicare program;~~

~~(e)~~ (c) Establish procedures under which resident
assessment data shall be reviewed for accuracy and providers
shall be notified of any data that requires correction;

~~(f)~~ (d) Establish procedures for providers to correct
resident assessment data and specify a reasonable period of time
by which providers shall submit the corrections. The procedures
may limit the content of corrections in the manner required by
regulations adopted by the United States department of health
and human services under Title XVIII and Title XIX.

~~(g)~~ (e) Specify when and how the department will assign
case-mix scores or costs per case-mix unit to a nursing facility
under division (B) of this section if information necessary to

calculate the nursing facility's case-mix score is not provided 88144
or corrected in accordance with the procedures established by 88145
the rules. 88146

(2) Notwithstanding any other provision of this chapter, 88147
the rules may provide for the exclusion of case-mix scores 88148
assigned to a nursing facility under division (B) of this 88149
section from the determination of the nursing facility's 88150
semiannual or annual average case-mix score and the cost per 88151
case-mix unit for the nursing facility's peer group. 88152

Sec. 5165.26. (A) As used in this section: 88153

(1) "Base rate" means the portion of a nursing facility's 88154
total per medicaid day payment rate determined under divisions 88155
(A) and (B) of section 5165.15 of the Revised Code. 88156

(2) "CMS" means the United States centers for medicare and 88157
medicaid services. 88158

(3) "Long-stay resident" means an individual who has 88159
resided in a nursing facility for at least one hundred one days. 88160

(4) "Nursing facilities for which a quality score was 88161
determined" includes nursing facilities that are determined to 88162
have a quality score of zero. 88163

(5) "SFF list" means the list of nursing facilities that 88164
the United States department of health and human services 88165
creates under the special focus facility program. 88166

(6) "Special focus facility program" means the program 88167
conducted by the United States secretary of health and human 88168
services pursuant to section 1919(f)(10) of the "Social Security 88169
Act," 42 U.S.C. 1396r(f)(10). 88170

(B) Subject to divisions (D) and (E) and except as 88171

provided in division (F) of this section, the department of 88172
medicaid shall determine each nursing facility's per medicaid 88173
day quality incentive payment rate as follows: 88174

(1) Determine the sum of the quality scores determined 88175
under division (C) of this section for all nursing facilities. 88176

(2) Determine the average quality score by dividing the 88177
sum determined under division (B) (1) of this section by the 88178
number of nursing facilities for which a quality score was 88179
determined. 88180

(3) Determine the sum of the total number of medicaid days 88181
for all of the calendar year preceding the fiscal year for which 88182
the rate is determined for all nursing facilities for which a 88183
quality score was determined. 88184

(4) Multiply the average quality score determined under 88185
division (B) (2) of this section by the sum determined under 88186
division (B) (3) of this section. 88187

(5) Determine the value per quality point by determining 88188
the quotient of the following: 88189

(a) The sum determined under division (E) (2) of this 88190
section. 88191

(b) The product determined under division (B) (4) of this 88192
section. 88193

(6) Multiply the value per quality point determined under 88194
division (B) (5) of this section by the nursing facility's 88195
quality score determined under division (C) of this section. 88196

(C) (1) Except as provided in divisions (C) (2) and (3) of 88197
this section, a nursing facility's quality score for a state 88198
fiscal year shall be the sum of the following: 88199

(a) The total number of points that CMS assigned to the nursing facility under CMS's nursing facility five-star quality rating system for the following quality metrics, or CMS's successor metrics as described below, based on the most recent four-quarter average data, or the average data for fewer quarters in the case of successor metrics, available in the database maintained by CMS and known as nursing home compare in the most recent month of the calendar year during which the fiscal year for which the rate is determined begins:

(i) The percentage of the nursing facility's long-stay residents at high risk for pressure ulcers who had pressure ulcers;

(ii) The percentage of the nursing facility's long-stay residents who had a urinary tract infection;

(iii) The percentage of the nursing facility's long-stay residents whose ability to move independently worsened;

(iv) The percentage of the nursing facility's long-stay residents who had a catheter inserted and left in their bladder.

If CMS ceases to publish any of the metrics specified in division (C)(1)(a) of this section, the department shall use the nursing facility quality metrics on the same topics that CMS subsequently publishes.

(b) Seven and five-tenths points for fiscal year 2024 and three points for fiscal year 2025 and subsequent fiscal years if the nursing facility's occupancy rate is greater than seventy-five per cent. For purposes of this division, the department shall utilize the facility's occupancy rate for licensed beds reported on its cost report for the calendar year preceding the fiscal year for which the rate is determined or, if the facility

is not required to be licensed, the facility's occupancy rate 88229
for certified beds. If the facility surrenders licensed or 88230
certified beds before the first day of July of the calendar year 88231
in which the fiscal year begins, the department shall calculate 88232
a nursing facility's occupancy rate by dividing the inpatient 88233
days reported on the facility's cost report for the calendar 88234
year preceding the fiscal year for which the rate is determined 88235
by the product of the number of days in the calendar year and 88236
the facility's number of licensed, or if applicable, certified 88237
beds on the first day of July of the calendar year in which the 88238
fiscal year begins. 88239

(c) Beginning with state fiscal year 2025, the total 88240
number of points that CMS assigned to the nursing facility under 88241
CMS's nursing facility five-star quality rating system for the 88242
following quality metrics, or successor metrics designated by 88243
CMS, based on the most recent four-quarter average data 88244
available in the database maintained by CMS and known as nursing 88245
home compare in the most recent month of the calendar year 88246
during which the fiscal year for which the rate is determined 88247
begins: 88248

(i) The percentage of the nursing facility's long-stay 88249
residents whose need for help with daily activities has 88250
increased; 88251

(ii) The percentage of the nursing facility's long-stay 88252
residents experiencing one or more falls with major injury; 88253

(iii) The percentage of the nursing facility's long-stay 88254
residents who were administered an antipsychotic medication; 88255

(iv) Adjusted total nurse staffing hours per resident per 88256
day using quintiles instead of deciles by using the points 88257

assigned to the higher of the two deciles that constitute the 88258
quintile. 88259

If CMS ceases to publish any of the metrics specified in 88260
division (C) (1) (c) of this section, the department shall use the 88261
nursing facility quality metrics on the same topics CMS 88262
subsequently publishes. 88263

(2) In determining a nursing facility's quality score for 88264
a state fiscal year, the department shall make the following 88265
adjustment to the number of points that CMS assigned to the 88266
nursing facility for each of the quality metrics specified in 88267
divisions (C) (1) (a) and (c) of this section: 88268

(a) Unless division (C) (2) (b) or (c) of this section 88269
applies, divide the number of the nursing facility's points for 88270
the quality metric by twenty. 88271

(b) If CMS assigned the nursing facility to the lowest 88272
percentile for the quality metric, reduce the number of the 88273
nursing facility's points for the quality metric to zero. 88274

(c) If the nursing facility's total number of points 88275
calculated for or during a state fiscal year for all of the 88276
quality metrics specified in divisions (C) (1) (a), and if 88277
applicable, division (C) (1) (c) of this section is less than a 88278
number of points that is equal to the twenty-fifth percentile of 88279
all nursing facilities, calculated using the points for the July 88280
1 rate setting of that fiscal year reduce the nursing facility's 88281
points to zero until the next point calculation. If a facility's 88282
recalculated points under division (C) (3) of this section are 88283
below the number of points determined to be the twenty-fifth 88284
percentile for that fiscal year, the facility shall receive zero 88285
points for the remainder of that fiscal year. 88286

(3) A nursing facility's quality score shall be 88287
recalculated for the second half of the state fiscal year based 88288
on the most recent four quarter average data, or the average 88289
data for fewer quarters in the case of successor metrics, 88290
available in the database maintained by CMS and known as the 88291
care compare, in the most recent month of the calendar year 88292
during which the fiscal year for which the rate is determined 88293
begins. The metrics specified by division (C) (1) (b) of this 88294
section shall not be recalculated. In redetermining the quality 88295
payment for each facility based on the recalculated points, the 88296

(b) If the court finds that the preparer has continually 91504

Sec. 5703.37. (A) (1) Except as provided in division (B) of 91537
this section, whenever service of a notice or order is required 91538
in the manner provided in this section, a copy of the notice or 91539
order shall be served upon the person affected thereby either by 91540
personal service, by certified mail, or by a delivery service 91541
authorized under section 5703.056 of the Revised Code that 91542
notifies the tax commissioner of the date of delivery. 91543

(2) In lieu of serving a copy of a notice or order through 91544

one of the means provided in division (A) (1) of this section, 91545
the commissioner may serve a notice or order upon the person 91546
affected thereby through alternative means as provided in this 91547
section, including, but not limited to, delivery by secure 91548
electronic mail as provided in division (F) of this section or 91549
by ordinary mail. Delivery by such means satisfies the 91550
requirements for delivery under this section. 91551

(B) (1) (a) If certified or ordinary mail is returned 91552
because of an undeliverable address, the commissioner shall 91553
first utilize reasonable means to ascertain a new last known 91554
address, including the use of a change of address service 91555
offered by the United States postal service or an authorized 91556
delivery service under section 5703.056 of the Revised Code. If, 91557
after using reasonable means, the commissioner is unable to 91558
ascertain a new last known address, the assessment is final for 91559
purposes of section 131.02 of the Revised Code sixty days after 91560
the notice or order ~~sent by certified mail~~ is first returned to 91561
the commissioner, and the commissioner shall certify the notice 91562
or order, if applicable, to the attorney general for collection 91563
under section 131.02 of the Revised Code. 91564

(b) Notwithstanding certification to the attorney general 91565
under division (B) (1) (a) of this section, once the commissioner 91566
or attorney general, or the designee of either, makes an initial 91567
contact with the person to whom the notice or order is directed, 91568
the person may protest an assessment by filing a petition for 91569
reassessment within sixty days after the initial contact. The 91570
certification of an assessment under division (B) (1) (a) of this 91571
section is prima-facie evidence that delivery is complete and 91572
that the notice or order is served. 91573

(2) If mailing of a notice or order by certified or 91574

ordinary mail is returned for some cause other than an 91575
undeliverable address or if a person does not access an 91576
electronic notice or order within the time provided in division 91577
(F) of this section, the commissioner shall resend the notice or 91578
order by ordinary mail. The notice or order shall show the date 91579
the commissioner sends the notice or order and include the 91580
following statement: 91581

"This notice or order is deemed to be served on the 91582
addressee under applicable law ten days from the date this 91583
notice or order was mailed by the commissioner as shown on the 91584
notice or order, and all periods within which an appeal may be 91585
filed apply from and after that date." 91586

Unless the mailing is returned because of an undeliverable 91587
address, the mailing of that information is prima-facie evidence 91588
that delivery of the notice or order was completed ten days 91589
after the commissioner ~~sent~~ resent the notice or order by 91590
ordinary mail and that the notice or order was served. 91591

If the ~~ordinary mail~~ mailing is subsequently returned 91592
because of an undeliverable address, the commissioner shall 91593
proceed under division (B) (1) (a) of this section. A person may 91594
challenge the presumption of delivery and service under this 91595
division in accordance with division (C) of this section. 91596

(C) (1) A person disputing the presumption of delivery and 91597
service under division (B) of this section bears the burden of 91598
proving by a preponderance of the evidence that the address to 91599
which the notice or order was sent was not an address with which 91600
the person was associated at the time the commissioner 91601
originally mailed the notice or order ~~by certified mail~~. For the 91602
purposes of this section, a person is associated with an address 91603
at the time the commissioner originally mailed the notice or 91604

order if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the notice or order was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the notice or order was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.

(2) If the person elects to protest an assessment certified to the attorney general for collection, the person must do so within sixty days after the attorney general's initial contact with the person. The attorney general may enter into a compromise with the person under sections 131.02 and 5703.06 of the Revised Code if the person does not file a petition for reassessment with the commissioner.

(D) Nothing in this section prohibits the commissioner or the commissioner's designee from delivering a notice or order by personal service.

each tax payment and, if required by the commissioner, file each 92434
annual or estimated tax report electronically. The commissioner 92435
may require reporting persons to use the Ohio business gateway 92436
as defined in section 718.01 of the Revised Code to file reports 92437
and remit the tax, or may provide another means for reporting 92438
persons to file and remit the tax electronically. 92439

(2) The payment of taxes as provided in division (C) of 92440
this section shall not affect a taxpayer's obligation to file an 92441
annual report required under division (A) of this section. 92442

(3) The reporting person for a taxpayer that is required 92443
to remit tax payments electronically under this section may 92444
apply to the tax commissioner, in the manner prescribed by the 92445
commissioner, to be excused from that requirement. The 92446
commissioner may excuse the taxpayer from the requirements of 92447
division (C) of this section for good cause. 92448

(4) If the reporting person for a taxpayer that is 92449
required to remit tax payments or file reports electronically 92450
under this section fails to do so, the commissioner may impose a 92451
penalty not to exceed the following: 92452

(a) For either of the first two reports the person so 92453
fails, five per cent of the amount of the payment that was 92454
required to be remitted; 92455

(b) For the third and any subsequent reports the person so 92456
fails, ten per cent of the amount of the payment that was 92457
required to be remitted. 92458

The penalty imposed under this section is in addition to 92459
any other penalty or charge imposed under this chapter and shall 92460
be considered as revenue arising from the tax levied under this 92461
chapter. A penalty may be collected by assessment in the manner 92462

prescribed by section 5726.20 of the Revised Code. ~~The tax commissioner may abate all or a portion of such a penalty and may adopt rules governing such abatements.~~

Sec. 5726.20. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any person that fails to file a return or report or pay any tax as required by this chapter. The reporting person for a taxpayer shall file the annual report required under section 5726.03 of the Revised Code and remit the tax imposed by this chapter. Each person included in the annual report of the taxpayer is jointly and severally liable for the tax imposed by this chapter and any penalties and interest thereon. If the reporting person fails, for any reason, to file and remit any tax, the amount due may be collected by assessment against the reporting person and against any or all other persons required to be included in the annual report of the taxpayer as provided in section 5703.90 of the Revised Code. The commissioner shall make the assessment in the manner provided in this section. The commissioner shall give the person assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on the manner in which to petition for reassessment and request a hearing with respect to the petition.

(B) No assessment shall be made or issued against a person under this section more than four years after the later of the final date the report subject to assessment was required to be filed or the date such report was filed. Such time limit may be extended if both the person and the commissioner consent in writing to the extension or if an agreement waiving or extending the time limit has been entered into pursuant to section 122.171 of the Revised Code. Any such extension shall extend the four-

year time limit prescribed in division (A) of section 5726.30 of 92494
the Revised Code for the same period of time. There shall be no 92495
bar or limit to an assessment against a person that fails to 92496
file a report subject to assessment as required by this chapter, 92497
or that files a fraudulent report. 92498

(C) Unless the person assessed, within sixty days after 92499
service of the notice of assessment, files with the tax 92500
commissioner, ~~either in person or by certified mail,~~ a written 92501
petition for reassessment signed by the person or the person's 92502
authorized agent having knowledge of the facts, the assessment 92503
shall become final, and the amount of the assessment is due and 92504
payable from the person assessed to the treasurer of state. A 92505
petition shall indicate the objections of the person assessed, 92506
but additional objections may be raised in writing if received 92507
by the commissioner prior to the date shown on the final 92508
determination. If a petition for reassessment has been properly 92509
filed, the commissioner shall proceed under section 5703.60 of 92510
the Revised Code. 92511

(D) (1) After an assessment becomes final, if any portion 92512
of the assessment, including any accrued interest, remains 92513
unpaid, a certified copy of the tax commissioner's entry making 92514
the assessment final may be filed in the office of the clerk of 92515
the court of common pleas in the county in which the person 92516
resides or has its principal place of business in this state, or 92517
in the office of the clerk of court of common pleas of Franklin 92518
county. 92519

(2) Immediately upon the filing of the entry, the clerk 92520
shall enter judgment for the state against the person assessed 92521
in the amount shown on the entry. The judgment may be filed by 92522
the clerk in a loose-leaf book entitled, "special judgments for 92523

the financial institution tax" and shall have the same effect as 92524
other judgments. Execution shall issue upon the judgment at the 92525
request of the tax commissioner, and all laws applicable to 92526
sales on execution shall apply to sales made under the judgment. 92527

(3) If the assessment is not paid in its entirety within 92528
sixty days after the day the assessment was issued, the portion 92529
of the assessment consisting of tax due shall bear interest at 92530
the rate per annum prescribed by section 5703.47 of the Revised 92531
Code from the date the tax commissioner issues the assessment 92532
until the date the assessment is paid or until it is certified 92533
to the attorney general for collection under section 131.02 of 92534
the Revised Code, whichever comes first. If the unpaid portion 92535
of the assessment is certified to the attorney general for 92536
collection, the entire unpaid portion of the assessment shall 92537
bear interest at the rate per annum prescribed by section 92538
5703.47 of the Revised Code from the date of certification until 92539
the date it is paid in its entirety. Interest shall be paid in 92540
the same manner as the tax and may be collected by the issuance 92541
of an assessment under this section. 92542

(E) If the tax commissioner believes that collection of 92543
the tax imposed by this chapter will be jeopardized unless 92544
proceedings to collect or secure collection of the tax are 92545
instituted without delay, the commissioner may issue a jeopardy 92546
assessment against the person liable for the tax. Immediately 92547
upon the issuance of the jeopardy assessment, the commissioner 92548
shall file an entry with the clerk of the court of common pleas 92549
in the manner prescribed by division (D) of this section. Notice 92550
of the jeopardy assessment shall be served on the person 92551
assessed or the person's authorized agent in the manner provided 92552
in section 5703.37 of the Revised Code within five days of the 92553
filing of the entry with the clerk. The total amount assessed 92554

shall be immediately due and payable, unless the person assessed 92555
files a petition for reassessment in accordance with division 92556
(C) of this section and provides security in a form satisfactory 92557
to the commissioner and in an amount sufficient to satisfy the 92558
unpaid balance of the assessment. Full or partial payment of the 92559
assessment shall not prejudice the commissioner's consideration 92560
of the petition for reassessment. 92561

(F) The tax commissioner shall immediately forward to the 92562
treasurer of state all amounts the commissioner receives under 92563
this section. Such amounts shall be considered as revenue 92564
arising from the tax imposed by this chapter. 92565

(G) If the tax commissioner possesses information 92566
indicating that the amount of tax a taxpayer is required to pay 92567
under this chapter exceeds the amount the reporting person for 92568
the taxpayer paid, the tax commissioner may audit a sample of 92569
the taxpayer's gross receipts over a representative period of 92570
time to ascertain the amount of tax due, and may issue an 92571
assessment based on the audit. The tax commissioner shall make a 92572
good faith effort to reach agreement with the taxpayer in 92573
selecting a representative sample. The tax commissioner may 92574
apply a sampling method only if the commissioner has prescribed 92575
the method by rule. 92576

(H) If the whereabouts of a person subject to this chapter 92577
is not known to the tax commissioner, the secretary of state is 92578
hereby deemed to be that person's agent for purposes of service 92579
of process or notice of any assessment, action, or proceedings 92580
instituted in this state against the person under this chapter. 92581
Such process or notice shall be served on such person by the 92582
commissioner or by an agent of the commissioner by leaving a 92583
true and attested copy of the process or notice at the office of 92584

the secretary of state at least fifteen days before the return 92585
day of such process or notice, and by sending a copy of the 92586
process or notice to such person by ordinary mail, with an 92587
endorsement thereon of the service upon the secretary of state, 92588
addressed to such person at the person's last known address. 92589

Sec. 5726.21. (A) In addition to any other penalty imposed 92590
by this chapter or Chapter 5703. of the Revised Code, the 92591
following penalties shall apply: 92592

(1) If a taxpayer required to file any report under this 92593
chapter fails to make and file the report within the time 92594
prescribed, a penalty may be imposed not exceeding the greater 92595
of fifty dollars per month or fraction of a month, not to exceed 92596
five hundred dollars, or five per cent per month or fraction of 92597
a month, not to exceed fifty per cent of the tax required to be 92598
shown on the report, for each month or fraction of a month 92599
elapsing between the due date and the date on which the report 92600
is filed. 92601

(2) If a taxpayer fails to pay the amount of tax required 92602
to be paid under this chapter, except for estimated tax under 92603
section 5726.06 of the Revised Code, by the dates prescribed in 92604
this chapter for payment, a penalty may be imposed not exceeding 92605
fifteen per cent of the delinquent payment. 92606

(3) If a taxpayer files what purports to be a report 92607
required by this chapter that does not contain information upon 92608
which the substantial correctness of the report may be judged or 92609
contains information that on its face indicates that the report 92610
is substantially incorrect, and the filing of the report in that 92611
manner is due to a position that is frivolous or a desire that 92612
is apparent from the report to delay or impede the 92613
administration of the tax levied under this chapter, a penalty 92614

of up to five hundred dollars may be imposed. 92615

(4) If a taxpayer makes a fraudulent attempt to evade the 92616
reporting or payment of the tax required to be shown on any 92617
report required under this chapter, a penalty may be imposed not 92618
exceeding the greater of one thousand dollars or one hundred per 92619
cent of the tax required to be shown on the report. 92620

(5) If a taxpayer makes a false or fraudulent claim for a 92621
refund under this chapter, a penalty may be imposed not 92622
exceeding the greater of one thousand dollars or one hundred per 92623
cent of the claim. 92624

(B) The tax commissioner may collect any penalty imposed 92625
by this section in the same manner as the tax levied under this 92626
chapter. Penalties so collected shall be considered as revenue 92627
arising from the tax levied under this chapter. 92628

(C) For purposes of this section, the tax required to be 92629
shown on the report shall be reduced by the amount of any part 92630
of the tax paid on or before the date prescribed for filing the 92631
report. 92632

~~(D) The tax commissioner may abate all or a portion of any 92633
penalties imposed under this section and may adopt rules 92634
governing such abatements. 92635~~

Sec. 5727.08. On or before the first day of March, 92636
annually, each public utility and interexchange 92637
telecommunications company, and, for tax years 2009 and 92638
thereafter, each public utility property lessor, shall file a 92639
report with the tax commissioner, on a form prescribed by the 92640
tax commissioner. The report shall include such information as 92641
the tax commissioner requires to enable the tax commissioner to 92642
make any assessment or apportionment required under this 92643

chapter. 92644

The report shall be signed by either the owner of the 92645
public utility, interexchange telecommunications company, or 92646
public utility property lessor or the president, secretary, 92647
treasurer, or another duly authorized person. 92648

If such a public utility, interexchange telecommunications 92649
company, or lessor fails to file the report on or before the 92650
first day of March, or the date it is due under an extension 92651
allowed pursuant to section 5727.48 of the Revised Code, or 92652
fails to accurately report all taxable property, the tax 92653
commissioner may impose a penalty of up to fifty per cent of the 92654
taxable value of the property that was not timely or accurately 92655
reported. However, if such a public utility, company, or lessor 92656
files, within sixty days after the first day of March or the 92657
extended due date, the report or an amended report and discloses 92658
all items of taxable property that are required by this chapter 92659
to be reported, the penalty shall not be more than five per cent 92660
of the taxable value that was not timely or accurately reported. 92661
The penalty shall be added to and considered a part of the total 92662
taxable value of the property that was not timely or accurately 92663
reported, ~~and may be abated in whole or in part by the tax-~~ 92664
~~commissioner pursuant to a petition for reassessment filed under~~ 92665
~~section 5727.47 of the Revised Code.~~ 92666

Sec. 5727.25. (A) Except as provided in division (B) of 92667
this section, within forty-five days after the last day of 92668
March, June, September, and December, each natural gas company 92669
or combined company subject to the excise tax imposed by section 92670
5727.24 of the Revised Code shall file a return with the tax 92671
commissioner, in such form as the commissioner prescribes, and 92672
pay the full amount of the tax due on its taxable gross receipts 92673

for the preceding calendar quarter. All payments made under this 92674
division shall be made electronically in accordance with section 92675
5727.311 of the Revised Code. 92676

(B) Any natural gas company or combined company subject to 92677
the excise tax imposed by this section that has an annual tax 92678
liability for the preceding calendar year ending on the thirty- 92679
first day of December of less than three hundred twenty-five 92680
thousand dollars may elect to file an annual return with the tax 92681
commissioner, in such form as the commissioner prescribes, for 92682
the next year. A company that elects to file an annual return 92683
for the calendar year shall file the return and remit the taxes 92684
due on its taxable gross receipts within forty-five days after 92685
the thirty-first day of December. The minimum tax for a natural 92686
gas company or combined company subject to this division shall 92687
be fifty dollars, and the company shall not be required to remit 92688
the tax due electronically. 92689

(C) A return required to be filed under division (A) or 92690
(B) of this section shall show the amount of tax due from the 92691
company for the period covered by the return and any other 92692
information as prescribed by the tax commissioner. A return 92693
shall be considered filed when received by the commissioner. The 92694
commissioner may extend the time for making and filing returns 92695
and paying the tax. 92696

(D) Any natural gas company or combined company that fails 92697
to file a return or pay the full amount of the tax due within 92698
the period prescribed under this section shall pay an additional 92699
charge of fifty dollars or ten per cent of the tax required to 92700
be paid for the reporting period, whichever is greater. If any 92701
tax due is not paid timely in accordance with this section, the 92702
company liable for the tax shall pay interest, calculated at the 92703

rate per annum prescribed by section 5703.47 of the Revised Code, from the date the tax payment was due to the date of payment or to the date an assessment was issued, whichever occurs first. The tax commissioner may collect any additional charge or interest imposed by this section by assessment in the manner provided in section 5727.26 of the Revised Code. ~~The commissioner may abate all or a portion of the additional charge and may adopt rules governing such abatements.~~

(E) The taxes, additional charges, penalties, and interest collected under sections 5727.24 to 5727.29 of the Revised Code shall be credited in accordance with section 5727.45 of the Revised Code.

Sec. 5727.26. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any natural gas company or combined company that fails to file a return or pay any tax, interest, or additional charge as required by sections 5727.24 to 5727.29 of the Revised Code. The commissioner shall give the company assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition. A penalty of up to fifteen per cent may be added to all amounts assessed under this section. ~~The tax commissioner may adopt rules providing for the imposition and remission of the penalty.~~

(B) Unless the company assessed, within sixty days after service of the notice of assessment, files with the tax commissioner, ~~either personally or by certified mail,~~ a written petition signed by the company's authorized agent having knowledge of the facts, the assessment becomes final, and the

amount of the assessment is due and payable from the company 92734
assessed to the commissioner. The petition shall indicate the 92735
objections of the company assessed, but additional objections 92736
may be raised in writing if received by the commissioner prior 92737
to the date shown on the final determination. 92738

If a petition for reassessment has been properly filed, 92739
the commissioner shall proceed under section 5703.60 of the 92740
Revised Code. 92741

(C) After an assessment becomes final, if any portion of 92742
the assessment, including accrued interest, remains unpaid, a 92743
certified copy of the tax commissioner's entry making the 92744
assessment final may be filed in the office of the clerk of the 92745
court of common pleas in the county in which the natural gas 92746
company's or combined company's principal place of business is 92747
located, or in the office of the clerk of court of common pleas 92748
of Franklin county. 92749

Immediately on the filing of the entry, the clerk shall 92750
enter judgment for the state against the company assessed in the 92751
amount shown on the entry. The judgment may be filed by the 92752
clerk in a loose-leaf book entitled, "special judgments for the 92753
public utility excise tax on natural gas and combined 92754
companies," and shall have the same effect as other judgments. 92755
Execution shall issue upon the judgment at the request of the 92756
tax commissioner, and all laws applicable to sales on execution 92757
shall apply to sales made under the judgment. 92758

If the assessment is not paid in its entirety within sixty 92759
days after the day the assessment was issued, the portion of the 92760
assessment consisting of tax due shall bear interest at the rate 92761
per annum prescribed by section 5703.47 of the Revised Code from 92762
the day the tax commissioner issues the assessment until it is 92763

paid or until it is certified to the attorney general for 92764
collection under section 131.02 of the Revised Code, whichever 92765
comes first. If the unpaid portion of the assessment is 92766
certified to the attorney general for collection, the entire 92767
unpaid portion of the assessment shall bear interest at the rate 92768
per annum prescribed by section 5703.47 of the Revised Code from 92769
the date of certification until the date it is paid in its 92770
entirety. Interest shall be paid in the same manner as the tax 92771
and may be collected by the issuance of an assessment under this 92772
section. 92773

(D) If the tax commissioner believes that collection of 92774
the tax will be jeopardized unless proceedings to collect or 92775
secure collection of the tax are instituted without delay, the 92776
commissioner may issue a jeopardy assessment against the company 92777
liable for the tax. Immediately upon the issuance of the 92778
jeopardy assessment, the commissioner shall file an entry with 92779
the clerk of the court of common pleas in the manner prescribed 92780
by division (C) of this section. Notice of the jeopardy 92781
assessment shall be served on the company assessed or the 92782
company's authorized agent in the manner provided in section 92783
5703.37 of the Revised Code within five days of the filing of 92784
the entry with the clerk. The total amount assessed is 92785
immediately due and payable, unless the company assessed files a 92786
petition for reassessment in accordance with division (B) of 92787
this section and provides security in a form satisfactory to the 92788
commissioner and in an amount sufficient to satisfy the unpaid 92789
balance of the assessment. Full or partial payment of the 92790
assessment does not prejudice the commissioner's consideration 92791
of the petition for reassessment. 92792

(E) The tax commissioner shall immediately forward to the 92793
treasurer of state all amounts that the tax commissioner 92794

receives under this section, and such amounts shall be 92795
considered revenue arising from the tax imposed by section 92796
5727.24 of the Revised Code. 92797

(F) No assessment shall be made or issued against a 92798
natural gas company or combined company for the tax imposed by 92799
section 5727.24 of the Revised Code more than four years after 92800
the return date for the period in which the tax was reported, or 92801
more than four years after the return for the period was filed, 92802
whichever is later. 92803

Sec. 5727.38. On or before the first Monday of November, 92804
annually, the tax commissioner may assess an excise tax against 92805
a public utility subject to the excise tax under section 5727.30 92806
of the Revised Code. The tax shall be computed by multiplying 92807
the taxable gross receipts as determined by the commissioner 92808
under section 5727.33 of the Revised Code by six and three- 92809
fourths per cent in the case of pipe-line companies, and four 92810
and three-fourths per cent in the case of all other companies. 92811
The minimum tax for any such company for owning property or 92812
doing business in this state shall be fifty dollars. The 92813
assessment shall be ~~mailed to the taxpayer~~served on the public 92814
utility in the manner prescribed by section 5703.37 of the 92815
Revised Code. 92816

Sec. 5727.42. (A) The tax commissioner shall collect the 92817
excise tax imposed by section 5727.30 of the Revised Code and 92818
the taxpayer shall pay all taxes and any penalties thereon. 92819
Payments of the tax may be made by mail, in person, 92820
electronically if required to do so by section 5727.311 of the 92821
Revised Code, or by any other means authorized by the 92822
commissioner. The commissioner may adopt rules concerning the 92823
methods and timeliness of payment. 92824

(B) Each tax assessment issued pursuant to this section 92825
shall separately reflect the taxes and any penalty due, and any 92826
other information considered necessary. ~~The commissioner shall~~ 92827
~~mail the assessment to the taxpayer, and the mailing of it shall~~ 92828
~~be prima facie evidence of receipt thereof by the taxpayer.~~ 92829
The assessment shall be served on the taxpayer in the manner 92830
prescribed by section 5703.37 of the Revised Code. 92831

(C) The commissioner shall refund taxes levied and 92832
payments made for the tax imposed by section 5727.30 of the 92833
Revised Code as provided in this section, ~~but no refund shall be~~ 92834
~~made to a taxpayer having a delinquent claim certified pursuant~~ 92835
~~to this section that remains unpaid. The commissioner may~~ 92836
~~consult the attorney general regarding such claims.~~ 92837

(D) After receiving any excise tax annual statement for 92838
the tax imposed by section 5727.30 of the Revised Code, the 92839
commissioner shall: 92840

(1) Ascertain the difference between the total taxes owed 92841
and the sum of all payments made for that year. 92842

(2) If the difference is a deficiency, the commissioner 92843
shall issue an assessment. 92844

(3) If the difference is an excess, the commissioner shall 92845
issue a refund of that amount to the taxpayer. If the amount of 92846
the refund is less than that claimed by the taxpayer, the 92847
taxpayer, within sixty days of the issuance of the refund, may 92848
provide to the commissioner additional information to support 92849
the claim or may request a hearing. Upon receiving such 92850
information or request within that time, the commissioner shall 92851
follow the same procedures set forth in divisions (C) and (D) of 92852
section 5703.70 of the Revised Code for the determination of 92853

refund applications. 92854

If the taxpayer has a deficiency for one tax year and an 92855
excess for another tax year, or any combination thereof for more 92856
than two years, the commissioner may determine the net result 92857
and, depending on such result, proceed to issue an assessment or 92858
certify a refund. 92859

(E) If a taxpayer fails to pay the amount of taxes 92860
required to be paid, or fails to make an estimated payment on or 92861
before the due date prescribed in division (B) of section 92862
5727.31 of the Revised Code, the commissioner shall impose a 92863
penalty in the amount of fifteen per cent of the unpaid amount, 92864
and the commissioner shall issue an assessment for the unpaid 92865
amount and penalty. Unless a timely petition for reassessment is 92866
filed under section 5727.47 of the Revised Code, the attorney 92867
general shall proceed to collect the delinquent taxes and 92868
penalties thereon in the manner prescribed by law and notify the 92869
commissioner of all collections. 92870

(F) If a taxpayer entitled to a refund under this section 92871
is indebted to the state for any tax or fee administered by the 92872
tax commissioner, or any charge, penalty, or interest arising 92873
from such a tax or fee, the amount refundable may be applied in 92874
satisfaction of that debt. If the amount refundable is less than 92875
the amount of the debt, it may be applied in partial 92876
satisfaction of the debt. If the amount refundable is greater 92877
than the amount of the debt, the amount remaining after 92878
satisfaction of the debt shall be refunded. 92879

Sec. 5727.47. (A) Notice of each assessment certified or 92880
issued pursuant to section 5727.23 or 5727.38 of the Revised 92881
Code shall be ~~mailed to the public utility, and its mailing~~ 92882
~~shall be prima-facie evidence of its receipt by the public~~ 92883

~~utility to which it is addressed~~served on the public utility or 92884
public utility property lessor in the manner prescribed by 92885
section 5703.37 of the Revised Code. With the notice, the tax 92886
commissioner shall provide instructions on how to petition for 92887
reassessment and request a hearing on the petition. If a public 92888
utility objects to such an assessment, it may file with the 92889
commissioner,~~either personally or by certified mail,~~ within 92890
sixty days after the mailing of the notice of assessment a 92891
written petition for reassessment signed by the utility's 92892
authorized agent having knowledge of the facts. The date the 92893
commissioner receives the petition shall be considered the date 92894
of filing. The petition shall indicate the utility's objections, 92895
but additional objections may be raised in writing if received 92896
by the commissioner prior to the date shown on the final 92897
determination. 92898

In the case of a petition seeking a reduction in taxable 92899
value filed with respect to an assessment certified under 92900
section 5727.23 of the Revised Code, the petitioner shall state 92901
in the petition the total amount of reduction in taxable value 92902
sought by the petitioner. If the petitioner objects to the 92903
percentage of true value at which taxable property is assessed 92904
by the commissioner, the petitioner shall state in the petition 92905
the total amount of reduction in taxable value sought both with 92906
and without regard to the objection pertaining to the percentage 92907
of true value at which its taxable property is assessed. If a 92908
petitioner objects to the commissioner's apportionment of the 92909
taxable value of the petitioner's taxable property, the 92910
petitioner shall distinctly state in the petition that the 92911
petitioner objects to the commissioner's apportionment, and, 92912
within forty-five days after filing the petition for 92913
reassessment, shall submit the petitioner's proposed 92914

apportionment of the taxable value of its taxable property among 92915
taxing districts. If a petitioner that objects to the 92916
commissioner's apportionment fails to state its objections to 92917
that apportionment in its petition for reassessment or fails to 92918
submit its proposed apportionment within forty-five days after 92919
filing the petition for reassessment, the commissioner shall 92920
dismiss the petitioner's objection to the commissioner's 92921
apportionment, and the taxable value of the petitioner's taxable 92922
property, subject to any adjustment to taxable value pursuant to 92923
the petition or appeal, shall be apportioned in the manner used 92924
by the commissioner in the preliminary or amended preliminary 92925
assessment certified under section 5727.23 of the Revised Code. 92926

If an additional objection seeking a reduction in taxable 92927
value in excess of the reduction stated in the original petition 92928
is properly and timely raised with respect to an assessment 92929
issued under section 5727.23 of the Revised Code, the petitioner 92930
shall state the total amount of the reduction in taxable value 92931
sought in the additional objection both with and without regard 92932
to any reduction in taxable value pertaining to the percentage 92933
of true value at which taxable property is assessed. If a 92934
petitioner fails to state the reduction in taxable value sought 92935
in the original petition or in additional objections properly 92936
raised after the petition is filed, the commissioner shall 92937
notify the petitioner of the failure in the manner provided in 92938
section 5703.37 of the Revised Code. If the petitioner fails to 92939
notify the commissioner in writing of the reduction in taxable 92940
value sought in the petition or in an additional objection 92941
within thirty days after receiving the commissioner's notice, 92942
the commissioner shall dismiss the petition or the additional 92943
objection in which that reduction is sought. 92944

(B) (1) Subject to divisions (B) (2) and (3) of this 92945

section, a public utility filing a petition for reassessment 92946
regarding an assessment certified or issued under section 92947
5727.23 or 5727.38 of the Revised Code shall pay the tax with 92948
respect to the assessment objected to as required by law. The 92949
acceptance of any tax payment by the tax commissioner or any 92950
county treasurer shall not prejudice any claim for taxes on 92951
final determination by the commissioner or final decision by the 92952
board of tax appeals or any court. 92953

(2) If a public utility properly and timely files a 92954
petition for reassessment regarding an assessment certified 92955
under section 5727.23 of the Revised Code, the petitioner shall 92956
pay the tax as prescribed by divisions (B) (2) (a), (b), and (c) 92957
of this section: 92958

(a) If the petitioner does not object to the 92959
commissioner's apportionment of the taxable value of the 92960
petitioner's taxable property, the petitioner is not required to 92961
pay the part of the tax otherwise due on the taxable value that 92962
the petitioner seeks to have reduced, subject to division (B) (2) 92963
(c) of this section. 92964

(b) If the petitioner objects to the commissioner's 92965
apportionment of the taxable value of the petitioner's taxable 92966
property, the petitioner is not required to pay the tax 92967
otherwise due on the part of the taxable value apportioned to 92968
any taxing district that the petitioner objects to, subject to 92969
division (B) (2) (c) of this section. If, pursuant to division (A) 92970
of this section, the petitioner has, in a proper and timely 92971
manner, apportioned taxable value to a taxing district to which 92972
the commissioner did not apportion the petitioner's taxable 92973
value, the petitioner shall pay the tax due on the taxable value 92974
that the petitioner has apportioned to the taxing district, 92975

subject to division (B) (2) (c) of this section. 92976

(c) If a petitioner objects to the percentage of true 92977
value at which taxable property is assessed by the commissioner, 92978
the petitioner shall pay the tax due on the basis of the 92979
percentage of true value at which the public utility's taxable 92980
property is assessed by the commissioner. In any case, the 92981
petitioner's payment of tax shall not be less than the amount of 92982
tax due based on the taxable value reflected on the last appeal 92983
notice issued by the commissioner under division (C) of this 92984
section. Until the county auditor receives notification under 92985
division (E) of this section and proceeds under section 5727.471 92986
of the Revised Code to issue any refund that is found to be due, 92987
the county auditor shall not issue a refund for any increase in 92988
the reduction in taxable value that is sought by a petitioner 92989
later than forty-five days after the petitioner files the 92990
original petition as required under division (A) of this 92991
section. 92992

(3) Any part of the tax that, under division (B) (2) (a) or 92993
(b) of this section, is not paid shall be collected upon receipt 92994
of the notification as provided in section 5727.471 of the 92995
Revised Code with interest thereon computed in the same manner 92996
as interest is computed under division (E) of section 5715.19 of 92997
the Revised Code, subject to any correction of the assessment by 92998
the commissioner under division (E) of this section or the final 92999
judgment of the board of tax appeals or a court to which the 93000
board's final judgment is appealed. The penalty imposed under 93001
section 323.121 of the Revised Code shall apply only to the 93002
unpaid portion of the tax if the petitioner's tax payment is 93003
less than the amount of tax due based on the taxable value 93004
reflected on the last appeal notice issued by the commissioner 93005
under division (C) of this section. 93006

(C) Upon receipt of a properly filed petition for reassessment with respect to an assessment certified under section 5727.23 of the Revised Code, the tax commissioner shall notify the treasurer of state or the auditor of each county to which the assessment objected to has been certified. In the case of a petition with respect to an assessment certified under section 5727.23 of the Revised Code, the commissioner shall issue an appeal notice within thirty days after receiving the amount of the taxable value reduction and apportionment changes sought by the petitioner in the original petition or in any additional objections properly and timely raised by the petitioner. The appeal notice shall indicate the amount of the reduction in taxable value sought in the petition or in the additional objections and the extent to which the reduction in taxable value and any change in apportionment requested by the petitioner would affect the commissioner's apportionment of the taxable value among taxing districts in the county as shown in the assessment. If a petitioner is seeking a reduction in taxable value on the basis of a lower percentage of true value than the percentage at which the commissioner assessed the petitioner's taxable property, the appeal notice shall indicate the reduction in taxable value sought by the petitioner without regard to the reduction sought on the basis of the lower percentage and shall indicate that the petitioner is required to pay tax on the reduced taxable value determined without regard to the reduction sought on the basis of a lower percentage of true value, as provided under division (B) (2) (c) of this section. The appeal notice shall include a statement that the reduced taxable value and the apportionment indicated in the notice are not final and are subject to adjustment by the commissioner or by the board of tax appeals or a court on appeal. If the commissioner finds an error in the appeal notice,

the commissioner may amend the notice, but the notice is only 93039
for informational and tax payment purposes; the notice is not 93040
subject to appeal by any person. The commissioner also shall 93041
~~mail~~ provide a copy of the appeal notice to the petitioner. Upon 93042
the request of a taxing authority, the county auditor may 93043
disclose to the taxing authority the extent to which a reduction 93044
in taxable value sought by a petitioner would affect the 93045
apportionment of taxable value to the taxing district or 93046
districts under the taxing authority's jurisdiction, but such a 93047
disclosure does not constitute a notice required by law to be 93048
given for the purpose of section 5717.02 of the Revised Code. 93049

(D) If the petitioner requests a hearing on the petition, 93050
the tax commissioner shall assign a time and place for the 93051
hearing on the petition and notify the petitioner of such time 93052
and place, but the commissioner may continue the hearing from 93053
time to time as necessary. 93054

(E) The tax commissioner may make corrections to the 93055
assessment as the commissioner finds proper. The commissioner 93056
shall serve a copy of the commissioner's final determination on 93057
the petitioner in the manner provided in section 5703.37 of the 93058
Revised Code. The commissioner's decision in the matter shall be 93059
final, subject to appeal under section 5717.02 of the Revised 93060
Code. With respect to a final determination issued for an 93061
assessment certified under section 5727.23 of the Revised Code, 93062
the commissioner also shall transmit a copy of the final 93063
determination to the applicable county auditor. In the absence 93064
of any further appeal, or when a decision of the board of tax 93065
appeals or of any court to which the decision has been appealed 93066
becomes final, the commissioner shall notify the public utility 93067
and, as appropriate, shall proceed under section 5727.42 of the 93068
Revised Code, or notify the applicable county auditor, who shall 93069

proceed under section 5727.471 of the Revised Code. 93070

The notification made under this division is not subject 93071
to further appeal. 93072

(F) On appeal, no adjustment shall be made in the tax 93073
commissioner's assessment certified under section 5727.23 of the 93074
Revised Code that reduces the taxable value of a petitioner's 93075
taxable property by an amount that exceeds the reduction sought 93076
by the petitioner in its petition for reassessment or in any 93077
additional objections properly and timely raised after the 93078
petition is filed with the commissioner. 93079

Sec. 5727.48. The tax commissioner, ~~on application by a~~ 93080
~~public utility,~~ may extend to ~~the a~~ public utility a further 93081
specified time, not to exceed thirty days, within which to file 93082
any report or statement required by this chapter to be filed 93083
with the commissioner, except reports required by sections 93084
5727.24 to 5727.29 of the Revised Code. A public utility ~~must~~ 93085
~~file such an application, in writing, with the commissioner~~ 93086
shall request this extension, in the form and manner prescribed 93087
by the commissioner, on or before the date that the report or 93088
statement is otherwise required to be filed. 93089

Sec. 5727.60. If a person fails to file a report within 93090
the time prescribed by section 5727.08 or 5727.31 of the Revised 93091
Code, including any extensions of time granted by the tax 93092
commissioner, a penalty of fifty dollars per month, not to 93093
exceed five hundred dollars, may be imposed for each month or 93094
fraction of a month elapsing between the due date of the report, 93095
including any extensions, and the date the report was filed. The 93096
penalty under this section for failing to file a report required 93097
by section 5727.08 of the Revised Code shall be paid into the 93098
state general revenue fund. The penalty under this section for 93099

failing to file the report required by section 5727.31 of the Revised Code shall be deposited into the state treasury in the same manner as the tax, and the commissioner may collect the penalty by assessment pursuant to section 5727.38 of the Revised Code. ~~The tax commissioner may abate this penalty in full or in part.~~

Sec. 5727.82. (A) (1) Except as provided in divisions (A) (3) and (D) of this section, by the twentieth day of each month, each electric distribution company required to pay the tax imposed by section 5727.81 of the Revised Code shall file with the tax commissioner a return as prescribed by the tax commissioner and shall make payment of the full amount of tax due for the preceding month. The electric distribution company shall make payment to the tax commissioner unless required to remit the payment electronically as provided in section 5727.83 of the Revised Code.

(2) By the twentieth day of May, August, November, and February, each natural gas distribution company required to pay the tax imposed by section 5727.811 of the Revised Code shall file with the tax commissioner a return as prescribed by the tax commissioner and shall make payment to the tax commissioner of the full amount of tax due for the preceding quarter.

(3) If the electric distribution company required to pay the tax imposed by section 5727.81 of the Revised Code is a municipal electric utility, it may retain in its general fund that portion of the tax on the kilowatt hours distributed to end users located within the boundaries of the municipal corporation. However, the municipal electric utility shall make payment in accordance with division (A) (1) of this section of the tax due on the kilowatt hours distributed to end users

located outside the boundaries of the municipal corporation. 93130

(4) By the twentieth day of each month, each self- 93131
assessing purchaser that under division (C) of section 5727.81 93132
of the Revised Code pays directly to the tax commissioner the 93133
tax imposed by section 5727.81 of the Revised Code shall file 93134
with the tax commissioner a return as prescribed by the tax 93135
commissioner and shall make payment of the full amount of the 93136
tax due for the preceding month. 93137

(5) As prescribed by the tax commissioner, a return shall 93138
be signed by the company or self-assessing purchaser required to 93139
file it, or an authorized employee, officer, or agent of the 93140
company or purchaser. The return shall be deemed filed when 93141
received by the tax commissioner. 93142

(B) Any natural gas distribution company, electric 93143
distribution company, or self-assessing purchaser required by 93144
this section to file a return who fails to file it and pay the 93145
tax within the period prescribed shall pay an additional charge 93146
of fifty dollars or ten per cent of the tax required to be paid 93147
for the reporting period, whichever is greater. The tax 93148
commissioner may collect the additional charge by assessment 93149
pursuant to section 5727.89 of the Revised Code. ~~The~~ 93150
~~commissioner may abate all or a portion of the additional charge~~ 93151
~~and may adopt rules governing such abatements.~~ 93152

(C) If any tax due is not paid timely in accordance with 93153
this section, the natural gas distribution company, electric 93154
distribution company, or self-assessing purchaser liable for the 93155
tax shall pay interest, calculated at the rate per annum 93156
prescribed by section 5703.47 of the Revised Code, from the date 93157
the tax payment was due to the date of payment or to the date an 93158
assessment is issued, whichever occurs first. Interest shall be 93159

paid in the same manner as the tax, and the commissioner may 93160
collect the interest by assessment pursuant to section 5727.89 93161
of the Revised Code. 93162

(D) Not later than the tenth day of each month, a 93163
qualified end user not making the election to self-assess under 93164
division (C) of section 5727.81 of the Revised Code shall report 93165
in writing to the electric distribution company that distributes 93166
electricity to the end user the kilowatt hours that were 93167
consumed as a qualified end user in a qualifying manufacturing 93168
process for the prior month and the number of days, if any, on 93169
which the end user was not a qualified end user. For each 93170
calendar day during that month, a qualified end user shall 93171
report the kilowatt hours that were not used in a qualifying 93172
manufacturing process. For each calendar day the end user was 93173
not a qualified end user, the end user shall report in writing 93174
to the electric distribution company the total number of 93175
kilowatt hours used on that day, and the electric distribution 93176
company shall pay the tax imposed under section 5727.81 of the 93177
Revised Code on each kilowatt hour that was not distributed to a 93178
qualified end user in a qualifying manufacturing process. The 93179
electric distribution company may rely in good faith on a 93180
qualified end user's report filed under this division. If it is 93181
determined that the end user was not a qualified end user for 93182
any calendar day or the quantity of electricity used by the 93183
qualified end user in a qualifying manufacturing process was 93184
overstated, the tax commissioner shall assess and collect any 93185
tax imposed under section 5727.81 of the Revised Code directly 93186
from the qualified end user. As requested by the commissioner, 93187
each end user reporting to an electric distribution company that 93188
it is a qualified end user shall provide documentation to the 93189
commissioner that establishes the volume of electricity consumed 93190

daily by the qualified end user and the total number of kilowatt 93191
hours consumed in a qualifying manufacturing process. 93192

Sec. 5727.83. (A) A natural gas distribution company, an 93193
electric distribution company, or a self-assessing purchaser 93194
shall remit each tax payment electronically as prescribed by 93195
divisions (B) and (C) of this section. 93196

The tax commissioner shall notify each natural gas 93197
distribution company, electric distribution company, and self- 93198
assessing purchaser of the obligation to remit taxes 93199
electronically by using the Ohio business gateway, as defined in 93200
section 718.01 of the Revised Code, or another means of 93201
electronic payment. Failure by the commissioner to notify a 93202
company or self-assessing purchaser subject to this section to 93203
remit taxes electronically does not relieve the company or self- 93204
assessing purchaser of its obligation to remit taxes in that 93205
manner. 93206

(B) A natural gas distribution company, an electric 93207
distribution company, or a self-assessing purchaser required by 93208
this section to remit payments electronically shall remit such 93209
payments on or before the dates specified under section 5727.82 93210
of the Revised Code. The payment of taxes electronically does 93211
not affect a company's or self-assessing purchaser's obligation 93212
to file a return as required under section 5727.82 of the 93213
Revised Code. 93214

(C) A natural gas distribution company, an electric 93215
distribution company, or a self-assessing purchaser required by 93216
this section to remit taxes electronically may apply to the tax 93217
commissioner in the manner prescribed by the commissioner to be 93218
excused from that requirement. The commissioner may excuse the 93219
company or self-assessing purchaser from electronic remittance 93220

for good cause shown for the period of time requested by the 93221
company or self-assessing purchaser or for a portion of that 93222
period. The commissioner shall notify the company or self- 93223
assessing purchaser of the commissioner's decision as soon as is 93224
practicable. 93225

(D) If a natural gas distribution company, an electric 93226
distribution company, or a self-assessing purchaser required by 93227
this section to remit taxes electronically remits those taxes by 93228
some means other than electronically as prescribed by this 93229
section , and the tax commissioner determines that such failure 93230
was not due to reasonable cause or was due to willful neglect, 93231
the commissioner may collect an additional charge by assessment 93232
in the manner prescribed by section 5727.89 of the Revised Code. 93233
The additional charge shall equal five per cent of the amount of 93234
the taxes required to be paid electronically, but shall not 93235
exceed five thousand dollars. Any additional charge assessed 93236
under this section is in addition to any other penalty or charge 93237
imposed under this chapter, and shall be considered as revenue 93238
arising from the tax imposed under this chapter. ~~The tax-~~ 93239
~~commissioner may abate all or a portion of such a charge and may~~ 93240
~~adopt rules governing such abatements.~~ 93241

No additional charge shall be assessed under this division 93242
against a natural gas distribution company, an electric 93243
distribution company, or a self-assessing purchaser that has 93244
been notified of its obligation to remit taxes electronically 93245
under this section and that remits its first two tax payments 93246
after such notification by some other means. The additional 93247
charge may be assessed upon the remittance of any subsequent tax 93248
payment that the company or purchaser remits by some means other 93249
than electronically. 93250

Sec. 5727.89. (A) The tax commissioner may make an 93251
assessment, based on any information in the commissioner's 93252
possession, against any natural gas distribution company, 93253
electric distribution company, self-assessing purchaser, or 93254
qualified end user that fails to file a return or pay any tax, 93255
interest, or additional charge as required by sections 5727.80 93256
to 5727.95 of the Revised Code. 93257

When information in the possession of the tax commissioner 93258
indicates that a person liable for the tax imposed by section 93259
5727.81 or 5727.811 of the Revised Code has not paid the full 93260
amount of tax due, the commissioner may audit a representative 93261
sample of the person's business and may issue an assessment 93262
based on the audit. The commissioner shall give the person 93263
assessed written notice of the assessment in the manner provided 93264
in section 5703.37 of the Revised Code. With the notice, the 93265
commissioner shall provide instructions on how to petition for 93266
reassessment and request a hearing on the petition. 93267

The tax commissioner may issue an assessment for which the 93268
tax imposed by section 5727.81 or 5727.811 of the Revised Code 93269
was due and unpaid on the date the person was informed by an 93270
agent of the tax commissioner of an investigation or audit of 93271
the person. Any payment of the tax for the period covered by the 93272
assessment, after the person is so informed, shall be credited 93273
against the assessment. 93274

A penalty of up to fifteen per cent may be added to all 93275
amounts assessed under this section. ~~The commissioner may adopt~~ 93276
~~rules providing for the imposition and remission of penalties.~~ 93277

(B) Unless the party assessed files with the tax 93278
commissioner within sixty days after service of the notice of 93279
assessment, ~~either personally or by certified mail,~~ a written 93280

petition for reassessment signed by the party assessed or that party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due and payable from the party assessed to the treasurer of state. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment, including accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the party assessed resides or in which the party's business is conducted. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state against the person assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for the distribution excise taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment at the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the

assessment consisting of tax due shall bear interest at the rate 93311
per annum prescribed by section 5703.47 of the Revised Code from 93312
the day the tax commissioner issues the assessment until the day 93313
the assessment is paid or until it is certified to the attorney 93314
general for collection under section 131.02 of the Revised Code, 93315
whichever comes first. If the unpaid portion of the assessment 93316
is certified to the attorney general for collection, the entire 93317
unpaid portion of the assessment shall bear interest at the rate 93318
per annum prescribed by section 5703.47 of the Revised Code from 93319
the date of certification until the date it is paid in its 93320
entirety. Interest shall be paid in the same manner as the tax 93321
and may be collected by the issuance of an assessment under this 93322
section. 93323

(D) If the tax commissioner believes that collection of 93324
the tax imposed by section 5727.81 or 5727.811 of the Revised 93325
Code will be jeopardized unless proceedings to collect or secure 93326
collection of the tax are instituted without delay, the 93327
commissioner may issue a jeopardy assessment against the person 93328
liable for the tax. Immediately upon the issuance of the 93329
jeopardy assessment, the commissioner shall file an entry with 93330
the clerk of the court of common pleas in the manner prescribed 93331
by division (C) of this section. Notice of the jeopardy 93332
assessment shall be served on the party assessed or the party's 93333
legal representative within five days of the filing of the entry 93334
with the clerk. The total amount assessed is immediately due and 93335
payable, unless the party assessed files a petition for 93336
reassessment in accordance with division (B) of this section and 93337
provides security in a form satisfactory to the commissioner and 93338
in an amount sufficient to satisfy the unpaid balance of the 93339
assessment. Full or partial payment of the assessment does not 93340
prejudice the commissioner's consideration of the petition for 93341

reassessment. 93342

(E) All money collected by the tax commissioner under this 93343
section shall be paid to the treasurer of state, and when paid 93344
shall be considered as revenue arising from the taxes imposed by 93345
sections 5727.81 and 5727.811 of the Revised Code. 93346

Sec. 5728.09. (A) Any person who fails to file timely the 93347
return required by section 5728.08 of the Revised Code may be 93348
required to pay an additional charge equal to the greater of 93349
fifty dollars or ten per cent of the tax due. ~~The tax-~~ 93350
~~commissioner may adopt rules providing for the imposition and-~~ 93351
~~remission of the additional charges.~~ Any additional charge 93352
imposed under this section may be collected through an 93353
assessment as provided in section 5728.10 of the Revised Code. 93354

(B) If the tax imposed by this chapter, or any portion of 93355
that tax, whether determined by the tax commissioner or the 93356
taxpayer, is not paid on or before the date prescribed in 93357
section 5728.08 of the Revised Code, interest shall be collected 93358
and paid in the same manner as the tax, upon that unpaid amount 93359
at the rate per annum prescribed by section 5703.47 of the 93360
Revised Code from the date prescribed for payment of the tax 93361
until it is paid or until the day an assessment is issued under 93362
section 5728.10 of the Revised Code, whichever occurs first. Any 93363
interest imposed under this chapter may be collected through an 93364
assessment as provided in section 5728.10 of the Revised Code. 93365

Sec. 5728.10. (A) If any person required to file a fuel 93366
use tax return by sections 5728.01 to 5728.14 of the Revised 93367
Code, fails to file the return within the time prescribed by 93368
those sections, files an incomplete return, files an incorrect 93369
return, or fails to remit the full amount of the tax due for the 93370
period covered by the return, the tax commissioner may make an 93371

assessment against the person, based upon any information in the 93372
commissioner's possession, for the period for which the tax was 93373
due. 93374

No assessment shall be made against any person for any tax 93375
imposed by this chapter more than four years after the return 93376
date for the period for which the tax was due or more than four 93377
years after the return for the period was filed, whichever is 93378
later. This section does not bar an assessment against any 93379
person who fails to file a fuel use tax return as required by 93380
this chapter, or who files a fraudulent fuel use tax return. 93381

A penalty of up to fifteen per cent may be added to the 93382
amount of every assessment made pursuant to this section. ~~The~~ 93383
~~commissioner may adopt rules providing for the imposition and~~ 93384
~~remission of penalties added to assessments made under this~~ 93385
~~section.~~ 93386

The commissioner shall give the party assessed written 93387
notice of the assessment in the manner provided in section 93388
5703.37 of the Revised Code. With the notice, the commissioner 93389
shall provide instructions on how to petition for reassessment 93390
and request a hearing on the petition. 93391

(B) Unless the party assessed files with the tax 93392
commissioner within sixty days after service of the notice of 93393
assessment, ~~either personally or by certified mail,~~ a written 93394
petition for reassessment, signed by the party assessed, or by 93395
the party's authorized agent having knowledge of the facts, the 93396
assessment becomes final and the amount of the assessment is due 93397
and payable from the party assessed to the treasurer of state. 93398
The petition shall indicate the objections of the party 93399
assessed, but additional objections may be raised in writing if 93400
received by the commissioner prior to the date shown on the 93401

final determination. If the petition has been properly filed, 93402
the commissioner shall proceed under section 5703.60 of the 93403
Revised Code. 93404

(C) After an assessment becomes final, if any portion of 93405
the assessment remains unpaid, including accrued interest, a 93406
certified copy of the tax commissioner's entry making the 93407
assessment final may be filed in the office of the clerk of the 93408
court of common pleas in the county in which the party's place 93409
of business is located or the county in which the party assessed 93410
resides. If the party maintains no office in this state and is 93411
not a resident of this state, the certified copy of the entry 93412
may be filed in the office of the clerk of the court of common 93413
pleas of Franklin county. 93414

Immediately upon the filing of the entry, the clerk shall 93415
enter a judgment for the state of Ohio against the party 93416
assessed in the amount shown on the entry. The judgment may be 93417
filed by the clerk in a loose-leaf book entitled "special 93418
judgments for state fuel use tax," and shall have the same 93419
effect as other judgments. Execution shall issue upon the 93420
judgment upon the request of the commissioner, and all laws 93421
applicable to sales on execution shall apply to sales made under 93422
the judgment. 93423

If the assessment is not paid within sixty days after the 93424
day the assessment was issued, the portion of the assessment 93425
consisting of tax due shall bear interest at the rate per annum 93426
prescribed by section 5703.47 of the Revised Code from the day 93427
the commissioner issues the assessment until it is paid or until 93428
it is certified to the attorney general for collection under 93429
section 131.02 of the Revised Code, whichever comes first. If 93430
the unpaid portion of the assessment is certified to the 93431

attorney general for collection, the entire unpaid portion of 93432
the assessment shall bear interest at the rate per annum 93433
prescribed by section 5703.47 of the Revised Code from the date 93434
of certification until the date it is paid in its entirety. 93435
Interest shall be paid in the same manner as the tax and may be 93436
collected by the issuance of an assessment under this section. 93437

(D) All money collected by the tax commissioner under this 93438
section shall be paid into the state treasury in the same manner 93439
as the revenues deriving from the taxes imposed by section 93440
5728.06 of the Revised Code. 93441

Sec. 5729.10. If a company fails to pay the tax levied by 93442
section 5729.03 of the Revised Code, or to make any partial 93443
payment thereof as required by law after a statement thereof has 93444
been made and mailed to it, or if the annual statement required 93445
by law to be made by it is false or incorrect, the 93446
superintendent of insurance may revoke the license of such 93447
company doing business in this state. Upon failure to pay the 93448
tax or to make partial payment thereof according to law, the 93449
~~superintendent~~treasurer of state shall certify that fact to the 93450
attorney general, who shall thereupon begin an action against 93451
the company in the court of common pleas of Franklin county, or 93452
any other county ~~he~~the attorney general elects, to recover the 93453
amount of the tax. If such company ceases to do business in this 93454
state, it shall thereupon make a report to the superintendent of 93455
the gross amount of premiums not theretofore reported as 93456
provided in section 5729.02 or 5729.04 of the Revised Code 93457
received by it from policies covering risks within this state 93458
prior to such discontinuance of business, after deducting return 93459
premiums and considerations received for reinsurance not 93460
theretofore so reported, and shall forthwith pay to the 93461
~~superintendent~~treasurer of state a like per cent of tax 93462

thereon. 93463

Sec. 5733.022. (A) Subject to division (C) of this 93464
section, if a taxpayer's total liability for taxes imposed by 93465
section 5733.06 of the Revised Code, after reduction for all 93466
nonrefundable credits allowed the taxpayer, exceeds fifty 93467
thousand dollars, the taxpayer shall remit each tax payment for 93468
the tax year electronically as prescribed by divisions (B) and 93469
(C) of this section. 93470

The tax commissioner shall notify each taxpayer required 93471
to remit taxes electronically of the taxpayer's obligation to do 93472
so. Failure by the commissioner to notify a taxpayer subject to 93473
this section to remit taxes electronically does not relieve the 93474
taxpayer of its obligation to remit taxes in that manner. 93475

(B) Taxpayers required by this section to remit payments 93476
electronically shall remit such payments in the manner 93477
prescribed by the tax commissioner. 93478

Except as otherwise provided in this paragraph, the 93479
electronic payment of taxes does not affect a taxpayer's 93480
obligation to file the annual corporation report or the 93481
declaration of estimated tax report as required under sections 93482
5733.02 and 5733.021 of the Revised Code. 93483

(C) If two or more taxpayers have elected or are required 93484
to file a combined report under section 5733.052 of the Revised 93485
Code, the tax liability of those taxpayers for purposes of 93486
division (A) of this section is the aggregate tax liability of 93487
those taxpayers after reduction for nonrefundable credits 93488
allowed the taxpayers. 93489

(D) A taxpayer required by this section to remit taxes 93490
electronically may apply to the tax commissioner in the manner 93491

prescribed by the commissioner to be excused from that 93492
requirement. The commissioner may excuse the taxpayer from 93493
electronic remittance for good cause shown for the period of 93494
time requested by the taxpayer or for a portion of that period. 93495
The commissioner shall notify the taxpayer of the commissioner's 93496
decision as soon as is practicable. 93497

(E) If a taxpayer required by this section to remit taxes 93498
electronically remits those taxes by some means other than 93499
electronically as prescribed by this section, and the tax 93500
commissioner determines that such failure was not due to 93501
reasonable cause or was due to willful neglect, the commissioner 93502
may collect an additional charge by assessment in the manner 93503
prescribed by section 5733.11 of the Revised Code. The 93504
additional charge shall equal five per cent of the amount of the 93505
taxes or estimated tax payments required to be paid 93506
electronically, but shall not exceed five thousand dollars. Any 93507
additional charge assessed under this section is in addition to 93508
any other penalty or charge imposed under this chapter, and 93509
shall be considered as revenue arising from the taxes imposed 93510
under this chapter. ~~The commissioner may remit all or a portion~~ 93511
~~of such a charge and may adopt rules governing such remission.~~ 93512

No additional charge shall be assessed under this division 93513
against a taxpayer that has been notified of its obligation to 93514
remit taxes electronically under this section and that remits 93515
its first two tax payments after such notification by some other 93516
means . The additional charge may be assessed upon the 93517
remittance of any subsequent tax payment that the taxpayer 93518
remits by some means other than electronically. 93519

Sec. 5735.062. (A) If the tax commissioner so requires, 93520
the dealer shall remit each monthly tax payment electronically 93521

as prescribed by division (B) of this section. 93522

The commissioner shall notify each dealer required to 93523
remit taxes electronically of the dealer's obligation to do so. 93524
Failure by the commissioner to notify a dealer subject to this 93525
section to remit taxes electronically does not relieve the 93526
dealer of its obligation to remit taxes electronically. 93527

(B) Dealers required by division (A) of this section to 93528
remit payments electronically shall remit such payments through 93529
the Ohio business gateway, as defined in section 718.01 of the 93530
Revised Code, or in another manner as prescribed by the 93531
commissioner. Required payments shall be remitted on or before 93532
the dates specified under section 5735.06 of the Revised Code. 93533
The payment of taxes electronically does not affect a dealer's 93534
obligation to file the monthly return as required under section 93535
5735.06 of the Revised Code. 93536

A dealer required by this section to remit taxes 93537
electronically may apply to the commissioner to be excused from 93538
that requirement. The commissioner may excuse the dealer from 93539
the electronic remittance requirement for good cause shown for 93540
the period of time requested by the dealer or for a portion of 93541
that period. 93542

(C) If a dealer required by this section to remit taxes 93543
electronically fails to do so, the commissioner may impose a 93544
penalty on the dealer not to exceed one of the following: 93545

(1) For the first return period the dealer fails to remit 93546
taxes electronically, the greater of twenty-five dollars or five 93547
per cent of the amount of the payment required to be remitted; 93548

(2) For the second or any subsequent return period the 93549
dealer fails to remit taxes electronically, the greater of fifty 93550

dollars or ten per cent of the amount of the payment required to be remitted. 93551
93552

The penalty imposed under division (C) of this section is in addition to any other penalty imposed under this chapter and shall be considered as revenue arising from the taxes imposed under this chapter. A penalty may be collected by assessment in the manner prescribed by section 5735.12 of the Revised Code. ~~The commissioner may abate all or a portion of a penalty.~~ 93553
93554
93555
93556
93557
93558

(D) The commissioner may adopt rules necessary to administer this section. 93559
93560

Sec. 5735.12. (A) Any person required by this chapter to file reports or pay the tax levied by this chapter who fails to do so within the time prescribed may be liable for an additional charge not exceeding the greater of ten per cent of the person's tax liability for that month or fifty dollars. ~~The tax commissioner may remit all or a portion of the additional charge and may adopt rules relating to the remission of all or a portion of the charge.~~ 93561
93562
93563
93564
93565
93566
93567
93568

If any person required by this chapter to file reports or pay the taxes, interest, or additional charge levied by this chapter fails to file the report, files an incomplete or incorrect report, or fails to remit the full amount of the tax, interest, or additional charge due for the period covered by the report, the commissioner may make an assessment against the person based upon any information in the commissioner's possession. 93569
93570
93571
93572
93573
93574
93575
93576

No assessment shall be made against any motor fuel dealer for taxes imposed by this chapter more than four years after the date on which the report on which the assessment was based was 93577
93578
93579

due or was filed, whichever is later. This section does not bar 93580
an assessment against any motor fuel dealer who fails to file a 93581
report required by section 5735.06 of the Revised Code, or who 93582
files a fraudulent motor fuel tax report. 93583

A penalty of up to fifteen per cent may be added to the 93584
amount of every assessment made under this section. The 93585
commissioner may adopt rules providing for the imposition and 93586
remission of penalties added to assessments made under this 93587
section. 93588

The commissioner shall give the party assessed written 93589
notice of the assessment in the manner provided in section 93590
5703.37 of the Revised Code. With the notice, the commissioner 93591
shall provide instructions on how to petition for reassessment 93592
and request a hearing on the petition. 93593

(B) Unless the party assessed files with the tax 93594
commissioner within sixty days after service of the notice of 93595
assessment, ~~either personally or by certified mail,~~ a written 93596
petition for reassessment in writing, signed by the party 93597
assessed or that party's authorized agent having knowledge of 93598
the facts, the assessment becomes final and the amount of the 93599
assessment is due and payable from the party assessed to the 93600
treasurer of state. The petition shall indicate the objections 93601
of the party assessed, but additional objections may be raised 93602
in writing if received by the commissioner prior to the date 93603
shown on the final determination. If the petition has been 93604
properly filed, the commissioner shall proceed under section 93605
5703.60 of the Revised Code. 93606

(C) After an assessment becomes final, if any portion of 93607
the assessment remains unpaid, including accrued interest, a 93608
certified copy of the tax commissioner's entry making the 93609

assessment final may be filed in the office of the clerk of the 93610
court of common pleas in the county in which the party assessed 93611
resides or in which the business of the party assessed is 93612
conducted. If the party assessed maintains no place of business 93613
in this state and is not a resident of this state, the certified 93614
copy of the entry may be filed in the office of the clerk of the 93615
court of common pleas of Franklin county. 93616

Immediately upon the filing of the entry, the clerk shall 93617
enter a judgment for the state against the party assessed in the 93618
amount shown on the entry. The judgment may be filed by the 93619
clerk in a loose-leaf book entitled "special judgments for state 93620
motor fuel tax," and shall have the same effect as other 93621
judgments. Execution shall issue upon the judgment upon the 93622
request of the tax commissioner, and all laws applicable to 93623
sales on execution shall apply to sales made under the judgment. 93624

If the assessment is not paid in its entirety within sixty 93625
days after the day the assessment was issued, the portion of the 93626
assessment consisting of tax due shall bear interest at the rate 93627
per annum prescribed by section 5703.47 of the Revised Code from 93628
the day the commissioner issues the assessment until it is paid 93629
or until it is certified to the attorney general for collection 93630
under section 131.02 of the Revised Code, whichever comes first. 93631
If the unpaid portion of the assessment is certified to the 93632
attorney general for collection, the entire unpaid portion of 93633
the assessment shall bear interest at the rate per annum 93634
prescribed by section 5703.47 of the Revised Code from the date 93635
of certification until the date it is paid in its entirety. 93636
Interest shall be paid in the same manner as the tax and may be 93637
collected by the issuance of an assessment under this section. 93638

(D) All money collected by the tax commissioner under this 93639

section shall be paid to the treasurer of state, and when paid 93640
shall be considered as revenue arising from the tax imposed by 93641
this chapter. 93642

(E) If the tax commissioner determines that the 93643
commissioner has erroneously refunded motor fuel tax to any 93644
person, the commissioner may make an assessment against the 93645
person for recovery of the erroneously refunded tax. 93646

Sec. 5735.121. (A) If the tax commissioner finds that any 93647
person liable for tax under this chapter is about to depart from 93648
the state, remove property from the state, conceal self, or 93649
conceal the person's property, or do any other act tending to 93650
prejudice, obstruct, or render wholly or partly ineffectual 93651
proceedings to collect the tax, unless proceedings are commenced 93652
without delay, or if the commissioner believes that the 93653
collection of the amount due from any person will be jeopardized 93654
by delay, the commissioner may issue a jeopardy assessment 93655
against the person for the amount of the tax, plus a penalty of 93656
up to fifteen per cent. Upon issuance of a jeopardy assessment 93657
under this division, the total amount assessed shall immediately 93658
be due and payable unless security is provided pursuant to 93659
division (C) of this section. Any assessment issued under this 93660
section shall bear interest in the manner prescribed in section 93661
5735.12 of the Revised Code. 93662

(B) The commissioner immediately shall file an entry with 93663
the clerk of the court of common pleas in the same manner and 93664
with the same effect as provided in section 5735.12 of the 93665
Revised Code. Notice of the jeopardy assessment shall be served 93666
on the person assessed or the legal representative of the person 93667
assessed, as provided in section 5703.37 of the Revised Code, 93668
within five days of the filing of the entry. The person assessed 93669

may petition for reassessment within sixty days of receipt of 93670
the notice of jeopardy assessment in the same manner as provided 93671
in section 5735.12 of the Revised Code. Full or partial payment 93672
of the assessment shall not prejudice the commissioner's 93673
consideration of the merits of the assessment as contested by 93674
the petition for reassessment. Upon notification of the 93675
existence of the judgment filed pursuant to this division, any 93676
public official having control or custody of any funds or 93677
property of the person assessed immediately shall pay or deliver 93678
the funds or property to the commissioner as full or partial 93679
satisfaction of the jeopardy assessment. However, funds or 93680
property needed as evidence in criminal proceedings or that is 93681
expected to be forfeited pursuant to Chapter 2981. of the 93682
Revised Code, need not be relinquished by the public official. 93683
Upon disposition of criminal and forfeiture proceedings, funds 93684
and property not needed as evidence and not forfeited shall be 93685
delivered to the commissioner. 93686

(C) If the person subject to a jeopardy assessment files a 93687
petition for reassessment and posts security satisfactory to the 93688
commissioner in an amount sufficient to satisfy the unpaid 93689
balance of the assessment, execution on the judgment shall be 93690
stayed pending disposition of the petition for reassessment and 93691
all appeals resulting from the petition. If the security is 93692
sufficient to satisfy the full amount of the assessment, the 93693
commissioner shall return any funds or property of the person 93694
that previously were seized. Upon satisfaction of the 93695
assessment, the commissioner shall order the security released 93696
and the judgment vacated. 93697

~~(D) The commissioner may adopt rules providing for the 93698
imposition and remission of penalties added to assessments made 93699
under this section. 93700~~

Sec. 5736.05. (A) Any taxpayer that fails to file a return 93701
or pay the full amount of the tax due within the period 93702
prescribed therefor under this chapter shall pay a penalty in an 93703
amount not exceeding the greater of fifty dollars or ten per 93704
cent of the tax required to be paid for the tax period. 93705

(B) (1) If any additional tax is found to be due, the tax 93706
commissioner may impose an additional penalty of up to fifteen 93707
per cent on the additional tax found to be due. 93708

(2) Any delinquent payments of the tax made after a 93709
taxpayer is notified of an audit or a tax discrepancy by the 93710
commissioner is subject to the penalty imposed by division (B) 93711
of this section. If an assessment is issued under section 93712
5736.09 of the Revised Code in connection with such delinquent 93713
payments, the payments shall be credited to the assessment. 93714

(C) If a person required to remit taxes or file a return 93715
electronically under section 5736.04 of the Revised Code fails 93716
to do so, the commissioner may impose a penalty not to exceed 93717
the following: 93718

(1) For either of the first two calendar quarters the 93719
person so fails, five per cent of the amount of the payment that 93720
was required to be remitted; 93721

(2) For the third and any subsequent calendar quarters the 93722
person so fails, ten per cent of the amount of the payment that 93723
was required to be remitted. 93724

(D) The tax commissioner may collect any penalty or 93725
interest imposed by this section in the same manner as the tax 93726
imposed under this chapter. Penalties and interest so collected 93727
shall be considered as revenue arising from the tax imposed 93728
under this chapter. 93729

~~(E) The tax commissioner may abate all or a portion of any penalties imposed under this section and may adopt rules governing such abatements.~~ 93730
93731
93732

~~(F)~~ If any tax due is not timely paid in accordance with this chapter, the taxpayer shall pay interest, calculated at the rate per annum prescribed by section 5703.47 of the Revised Code, from the date the tax payment was due to the date of payment or to the date an assessment was issued, whichever occurs first. 93733

Sec. 5736.09. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any person that fails to file a return or pay any ~~tax~~ amounts as required by this chapter. The commissioner shall give the person assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on the manner in which to petition for reassessment and request a hearing with respect to the petition. 93739

93743

93746
93747

(B) Unless the person assessed, within sixty days after service of the notice of assessment, files with the commissioner, ~~either personally or by certified mail,~~ a written petition signed by the person or the person's authorized agent having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the person assessed to the treasurer of state. The petition shall indicate the objections of the person assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. 93748

93752
93753
93754
93755
93756
93757

If a petition for reassessment has been properly filed, the commissioner shall proceed under section 5703.60 of the 93758
93759

Revised Code. 93760

(C) (1) After an assessment becomes final, if any portion 93761
of the assessment, including accrued interest, remains unpaid, a 93762
certified copy of the commissioner's entry making the assessment 93763
final may be filed in the office of the clerk of the court of 93764
common pleas in the county in which the person resides or has 93765
its principal place of business in this state, or in the office 93766
of the clerk of court of common pleas of Franklin county. 93767

(2) Immediately upon the filing of the entry, the clerk 93768
shall enter judgment for the state against the person assessed 93769
in the amount shown on the entry. The judgment may be filed by 93770
the clerk in a loose-leaf book entitled, "special judgments for 93771
the petroleum activity tax" and shall have the same effect as 93772
other judgments. Execution shall issue upon the judgment at the 93773
request of the commissioner, and all laws applicable to sales on 93774
execution shall apply to sales made under the judgment. 93775

(3) If the assessment is not paid in its entirety within 93776
sixty days after the day the assessment was issued, the portion 93777
of the assessment consisting of tax due shall bear interest at 93778
the rate per annum prescribed by section 5703.47 of the Revised 93779
Code from the day the commissioner issues the assessment until 93780
it is paid or until it is certified to the attorney general for 93781
collection under section 131.02 of the Revised Code, whichever 93782
comes first. If the unpaid portion of the assessment is 93783
certified to the attorney general for collection, the entire 93784
unpaid portion of the assessment shall bear interest at the rate 93785
per annum prescribed by section 5703.47 of the Revised Code from 93786
the date of certification until the date it is paid in its 93787
entirety. Interest shall be paid in the same manner as the tax 93788
and may be collected by the issuance of an assessment under this 93789

section. 93790

(D) If the commissioner believes that collection of the 93791
tax will be jeopardized unless proceedings to collect or secure 93792
collection of the tax are instituted without delay, the 93793
commissioner may issue a jeopardy assessment against the person 93794
liable for the tax. Immediately upon the issuance of the 93795
jeopardy assessment, the commissioner shall file an entry with 93796
the clerk of the court of common pleas in the manner prescribed 93797
by division (C) of this section. Notice of the jeopardy 93798
assessment shall be served on the person assessed or the 93799
person's authorized agent in the manner provided in section 93800
5703.37 of the Revised Code within five days of the filing of 93801
the entry with the clerk. The total amount assessed is 93802
immediately due and payable, unless the person assessed files a 93803
petition for reassessment in accordance with division (B) of 93804
this section and provides security in a form satisfactory to the 93805
commissioner and in an amount sufficient to satisfy the unpaid 93806
balance of the assessment. Full or partial payment of the 93807
assessment does not prejudice the commissioner's consideration 93808
of the petition for reassessment. 93809

(E) The commissioner shall immediately forward to the 93810
treasurer of state all amounts the commissioner receives under 93811
this section, and such amounts shall be considered as revenue 93812
arising from the tax imposed under this chapter. 93813

(F) Except as otherwise provided in this division, no 93814
assessment shall be made or issued against a taxpayer for ~~the~~ 93815
~~tax amounts~~ imposed under this chapter more than four years 93816
after the due date for the filing of the return or application 93817
for the tax period for which the ~~tax amount~~ was reported, or 93818
more than four years after the return or application for the tax 93819

period was filed, whichever is later. The time limit may be 93820
extended if both the taxpayer and the commissioner consent in 93821
writing to the extension or enter into an agreement waiving or 93822
extending the time limit. Any such extension shall extend the 93823
four-year time limit in division (A) of section 5736.08 of the 93824
Revised Code for the same period of time. Nothing in this 93825
division bars an assessment against a taxpayer that fails to 93826
file a return required by this chapter or that files a 93827
fraudulent return. 93828

(G) If the commissioner possesses information that 93829
indicates that the amount of tax a taxpayer is required to pay 93830
under this chapter exceeds the amount the taxpayer paid, the 93831
commissioner may audit a sample of the taxpayer's calculated 93832
gross receipts over a representative period of time to ascertain 93833
the amount of tax due, and may issue an assessment based on the 93834
audit. The commissioner shall make a good faith effort to reach 93835
agreement with the taxpayer in selecting a representative 93836
sample. The commissioner may apply a sampling method only if the 93837
commissioner has prescribed the method by rule. 93838

(H) If the whereabouts of a person subject to this chapter 93839
is not known to the commissioner, the commissioner shall follow 93840
the procedures under section 5703.37 of the Revised Code. 93841

Sec. 5739.027. (A) Notwithstanding sections 5739.02, 93842
5739.021, 5739.023, 5739.026, 5741.02, 5741.021, 5741.022, and 93843
5741.023 of the Revised Code, the tax due on the sale to a 93844
consumer who is a nonresident of this state of a watercraft or 93845
outboard motor required to be titled pursuant to Chapter 1548. 93846
of the Revised Code, or on the sale of a watercraft documented 93847
or to be documented with the United States coast guard, shall be 93848
the ~~lesser of the combined tax rate in effect at the location of~~ 93849

~~the vendor or the sales, use, or similar excise tax that the~~ 93850
~~consumer would owe in the state of the consumer's intended~~ 93851
~~titling, registration, or use of the watercraft or outboard~~ 93852
~~motor~~ amount of tax that would be due under this chapter and 93853
Chapter 5741. of the Revised Code if the total combined rate was 93854
six per cent, if all of the following apply: 93855

(1) The consumer immediately will remove the watercraft or 93856
outboard motor from this state for use outside this state; 93857

(2) The consumer will title or register the watercraft or 93858
outboard motor in another state, if such titling or registration 93859
is required; 93860

(3) The consumer will pay all applicable sales, use, or 93861
similar excise taxes due in the state of titling, registration, 93862
or use; 93863

(4) The state of titling, registration, or use grants a 93864
credit against its sales, use, or similar excise tax for tax 93865
paid to this state; 93866

(5) The consumer executes the affidavit specified in 93867
division (C) of this section. 93868

The vendor shall collect the tax and remit it to the state 93869
in the manner specified by the tax commissioner. 93870

(B) If all of the conditions specified in division (A) of 93871
this section exist, except that the state of titling, 93872
registration, or use does not grant a credit for sales or use 93873
tax paid to this state, or that the consumer's ownership or use 93874
of the watercraft or outboard motor is exempt or otherwise not 93875
taxable in such other state, the consumer may take title to and 93876
possession of the watercraft or outboard motor without payment 93877
of any sales or use tax to this state. 93878

(C) Every nonresident consumer who purchases a watercraft 93879
or outboard motor, as described in division (A) of this section, 93880
for immediate removal from this state shall execute an affidavit 93881
in duplicate, in such form as the tax commissioner specifies, 93882
affirming such facts and specifying the consumer's tax liability 93883
in the intended state of titling, registration, or use. The 93884
affidavit shall be given to the vendor. The vendor shall retain 93885
a copy of the affidavit and file another copy with the clerk of 93886
the court of common pleas if the vendor is procuring an Ohio 93887
title on behalf of the consumer. The original copy of the 93888
affidavit shall be filed with the tax commissioner in the manner 93889
prescribed by the tax commissioner. 93890

(D) If the vendor procures a title on behalf of the 93891
nonresident consumer from the clerk of the court of common pleas 93892
of the county where the vendor is located on the sale of a 93893
watercraft or outboard motor, the vendor shall file the 93894
affidavit specified in division (C) of this section with the 93895
clerk. The clerk shall issue the title without requiring payment 93896
of a sales or use tax. 93897

(E) If the watercraft or outboard motor is purchased by a 93898
corporation described in division (B)(6) of section 5739.01 of 93899
the Revised Code, for purposes of this section the state of 93900
residence of the consumer shall be the state of residence of the 93901
principal shareholder. 93902

(F) For purposes of this section, the consideration 93903
received for watercraft trailers not required to be titled 93904
pursuant to Chapter 4505. of the Revised Code and other 93905
accessories, which are transferred to a nonresident consumer 93906
with the watercraft or outboard motor, is part of the price of 93907
the watercraft or outboard motor, provided that such 93908

consideration is included in the price of the watercraft or 93909
outboard motor as reported by the vendor. Tangible personal 93910
property sold separately to the nonresident consumer shall be 93911
taxed as otherwise provided in this chapter and Chapter 5741. of 93912
the Revised Code. 93913

(G) A vendor who in good faith accepts an affidavit 93914
provided by a nonresident consumer pursuant to division (C) of 93915
this section may rely upon the representations made in the 93916
affidavit. 93917

(H) All provisions of this chapter and of Chapter 5741. of 93918
the Revised Code that are not inconsistent with this section 93919
apply to transactions described in this section. 93920

(I) Any vendor who makes sales described in this section 93921
shall file with the tax commissioner any supplemental report or 93922
return the tax commissioner considers necessary for the 93923
efficient administration and enforcement of this section. 93924

Sec. 5739.032. (A) If the total amount of tax required to 93925
be paid by a permit holder under section 5739.031 of the Revised 93926
Code for any calendar year equals or exceeds seventy-five 93927
thousand dollars, the permit holder shall remit each monthly tax 93928
payment in the second ensuing and each succeeding year 93929
electronically as prescribed by division (B) of this section. 93930

If a permit holder's tax payment for each of two 93931
consecutive years is less than seventy-five thousand dollars, 93932
the permit holder is relieved of the requirement to remit taxes 93933
electronically for the year that next follows the second of the 93934
consecutive years in which the tax payment is less than that 93935
amount, and is relieved of that requirement for each succeeding 93936
year, unless the tax payment in a subsequent year equals or 93937

exceeds seventy-five thousand dollars. 93938

Failure by the tax commissioner to notify a permit holder 93939
subject to this section to remit taxes electronically does not 93940
relieve the permit holder of its obligation to remit taxes in 93941
that manner. 93942

(B) Permit holders required by division (A) of this 93943
section to remit payments electronically shall remit such 93944
payments by using the Ohio business gateway, as defined in 93945
section 718.01 of the Revised Code, or another means of 93946
electronic payment, and as follows: 93947

(1) On or before the twenty-third day of each month, a 93948
permit holder shall remit an amount equal to seventy-five per 93949
cent of the anticipated tax liability for that month. 93950

(2) On or before the twenty-third day of each month, a 93951
permit holder shall report the taxes due for the previous month 93952
and shall remit that amount, less any amounts paid for that 93953
month as required by division (B) (1) of this section. 93954

The electronic payment of taxes does not affect a permit 93955
holder's obligation to file the monthly return as required under 93956
section 5739.031 of the Revised Code. 93957

(C) (1) (a) If a permit holder that is required to remit 93958
payments under division (B) of this section fails to make a 93959
payment, or makes a payment under division (B) (1) of this 93960
section that is less than seventy-five per cent of the actual 93961
liability for that month, the commissioner may impose an 93962
additional charge not to exceed five per cent of that unpaid 93963
amount. 93964

(b) Division (C) (1) (a) of this section does not apply if 93965
the permit holder's payment under division (B) (1) of this 93966

section is equal to or greater than seventy-five per cent of the 93967
permit holder's reported liability for the same month in the 93968
immediately preceding calendar year. 93969

(2) If a permit holder required by this section to remit 93970
taxes electronically remits those taxes by some means other than 93971
electronically as prescribed by this section and the tax 93972
commissioner determines that such failure was not due to 93973
reasonable cause or was due to willful neglect, the commissioner 93974
may impose an additional charge not to exceed the lesser of five 93975
per cent of the amount of the taxes required to be paid 93976
electronically or five thousand dollars. 93977

(3) Any additional charge imposed under division (C) (1) or 93978
(2) of this section is in addition to any other penalty or 93979
charge imposed under this chapter, and shall be considered as 93980
revenue arising from taxes imposed under this chapter. An 93981
additional charge may be collected by assessment in the manner 93982
prescribed by section 5739.13 of the Revised Code. ~~The tax-~~ 93983
~~commissioner may waive all or a portion of such a charge and may~~ 93984
~~adopt rules governing such waiver.~~ 93985

No additional charge shall be imposed under division (C) 93986
(2) of this section against a permit holder that has been 93987
notified of its obligation to remit taxes electronically under 93988
this section and that remits its first two tax payments after 93989
such notification by some other means. The additional charge may 93990
be imposed upon the remittance of any subsequent tax payment 93991
that the permit holder remits by some means other than 93992
electronically. 93993

Sec. 5739.07. (A) When, pursuant to this chapter, a vendor 93994
has paid taxes to the tax commissioner or the commissioner's 93995
agent, the commissioner shall refund to the vendor the amount of 93996

taxes paid, and any penalties assessed with respect to such 93997
taxes, if the vendor has refunded to the consumer the full 93998
amount of taxes the consumer paid illegally or erroneously or if 93999
the vendor has illegally or erroneously billed the consumer but 94000
has not collected the taxes from the consumer. 94001

(B) When, pursuant to this chapter, a consumer has paid 94002
taxes directly to the tax commissioner or the commissioner's 94003
agent, and the payment or assessment was illegal or erroneous, 94004
the commissioner shall refund to the consumer the full amount of 94005
illegal or erroneous taxes paid and any penalties assessed with 94006
respect to such taxes. 94007

(C) The commissioner shall refund to the consumer amounts 94008
paid illegally or erroneously to a vendor only if: 94009

(1) The commissioner has not refunded the tax to the 94010
vendor and the vendor has not refunded the tax to the consumer; 94011
or 94012

(2) The consumer has received a refund from a manufacturer 94013
or other person, other than the vendor, of the full purchase 94014
price, but not the tax, paid to the vendor in settlement of a 94015
complaint by the consumer about the property or service 94016
purchased. 94017

The commissioner may require the consumer to obtain or the 94018
vendor to provide a written statement confirming that the vendor 94019
has not refunded the tax to the consumer and has not filed an 94020
application for refund of the tax with the commissioner. 94021

(D) Subject to division (E) of this section, an 94022
application for refund shall be filed with the tax commissioner 94023
on the form prescribed by the commissioner within four years 94024
from the date of the illegal or erroneous payment, unless the 94025

vendor or consumer waives the time limitation under division (A) 94026
(3) of section 5739.16 of the Revised Code. If the time 94027
limitation is waived, the refund application period shall be 94028
extended for the same period as the waiver. 94029

(E) An application for refund shall be filed in accordance 94030
with division (D) of this section unless a person is subject to 94031
an assessment that is subject to the time limit of division (B) 94032
of section 5703.58 of the Revised Code for amounts not reported 94033
and paid between the four-year time limit described in division 94034
(D) of this section and the seven-year limit described in 94035
division (B) of section 5703.58 of the Revised Code, in which 94036
case the person may file an application within six months after 94037
the date the assessment is issued. Any refund allowed under this 94038
division shall not exceed the amount of the assessment due for 94039
the same period. 94040

(F) On the filing of an application for a refund, the 94041
commissioner shall determine the amount of refund to which the 94042
applicant is entitled. If the amount is not less than that 94043
claimed, the commissioner shall certify that amount to the 94044
director of budget and management and the treasurer of state for 94045
payment from the tax refund fund created by section 5703.052 of 94046
the Revised Code. If the amount is less than that claimed, the 94047
commissioner shall proceed in accordance with section 5703.70 of 94048
the Revised Code. 94049

(G) When a refund is granted under this section, it shall 94050
include interest thereon as provided by section 5739.132 of the 94051
Revised Code, except that no such interest shall be granted when 94052
a refund is granted for illegal or erroneous payments made 94053
pursuant to a direct payment permit issued under section 94054
5739.031 of the Revised Code or division (I) of section 122.175 94055

of the Revised Code.

94056

Sec. 5739.102. A person who is liable for a tax levied under section 5739.101 of the Revised Code shall file a return with the tax commissioner showing the person's taxable gross receipts from sales described under division (B) (1) or (2) or (C) of that section. The tax commissioner shall prescribe the form of the return, and the six- or twelve-month reporting period. The person shall file the return on or before the last day of the month following the end of the reporting period prescribed by the commissioner, and shall include with the return payment of the tax for the period. The remittance shall be made payable to the treasurer of state.

Sec. 5739.12. (A) (1) Each person who has or is required to 94086
have a vendor's license, on or before the twenty-third day of 94087
each month, shall make and file a return for the preceding month 94088
in the form prescribed by the tax commissioner, and shall pay 94089
the tax shown on the return to be due. The return shall be filed 94090
electronically using the Ohio business gateway, as defined in 94091
section 718.01 of the Revised Code, the Ohio telefile system, or 94092
any other electronic means prescribed by the commissioner. 94093
Payment of the tax shown on the return to be due shall be made 94094
electronically in a manner approved by the commissioner. The 94095
commissioner may require a vendor that operates from multiple 94096
locations or has multiple vendor's licenses to report all tax 94097
liabilities on one consolidated return. The return shall show 94098
the amount of tax due from the vendor to the state for the 94099
period covered by the return and such other information as the 94100
commissioner deems necessary for the proper administration of 94101
this chapter. The commissioner may extend the time for making 94102
and filing returns and paying the tax, and may require that the 94103
return for the last month of any annual or semiannual period, as 94104
determined by the commissioner, be a reconciliation return 94105
detailing the vendor's sales activity for the preceding annual 94106
or semiannual period. The reconciliation return shall be filed 94107
by the last day of the month following the last month of the 94108
annual or semiannual period. ~~The commissioner may remit all or~~ 94109
~~any part of amounts or penalties that may become due under this~~ 94110
~~chapter and may adopt rules relating thereto.~~ Such return shall 94111
be filed electronically as directed by the tax commissioner, and 94112
payment of the amount of tax shown to be due thereon, after 94113
deduction of any discount provided for under this section, shall 94114
be made electronically in a manner approved by the tax 94115
commissioner. 94116

(2) Any person required to file returns and make payments 94117
electronically under division (A) (1) of this section may apply 94118
to the tax commissioner on a form prescribed by the commissioner 94119
to be excused from that requirement. For good cause shown, the 94120
commissioner may excuse the person from that requirement and may 94121
permit the person to file the returns and make the payments 94122
required by this section by nonelectronic means. 94123

(B) (1) If the return is filed and the amount of tax shown 94124
thereon to be due is paid on or before the date such return is 94125
required to be filed, the vendor shall be entitled to a discount 94126
of three-fourths of one per cent of the amount shown to be due 94127
on the return. 94128

(2) A vendor that has selected a certified service 94129
provider as its agent shall not be entitled to the discount if 94130
the certified service provider receives a monetary allowance 94131
pursuant to section 5739.06 of the Revised Code for performing 94132
the vendor's sales and use tax functions in this state. Amounts 94133
paid to the clerk of courts pursuant to section 4505.06 of the 94134
Revised Code shall be subject to the applicable discount. The 94135
discount shall be in consideration for prompt payment to the 94136
clerk of courts and for other services performed by the vendor 94137
in the collection of the tax. 94138

(C) (1) Upon application to the tax commissioner, a vendor 94139
who is required to file monthly returns may be relieved of the 94140
requirement to report and pay the actual tax due, provided that 94141
the vendor agrees to remit to the commissioner payment of not 94142
less than an amount determined by the commissioner to be the 94143
average monthly tax liability of the vendor, based upon a review 94144
of the returns or other information pertaining to such vendor 94145
for a period of not less than six months nor more than two years 94146

immediately preceding the filing of the application. Vendors who 94147
agree to the above conditions shall make and file an annual or 94148
semiannual reconciliation return, as prescribed by the 94149
commissioner. The reconciliation return shall be filed 94150
electronically as directed by the tax commissioner, and payment 94151
of the amount of tax shown to be due thereon, after deduction of 94152
any discount provided in this section, shall be made 94153
electronically in a manner approved by the commissioner. Failure 94154
of a vendor to comply with any of the above conditions may 94155
result in immediate reinstatement of the requirement of 94156
reporting and paying the actual tax liability on each monthly 94157
return, and the commissioner may at the commissioner's 94158
discretion deny the vendor the right to report and pay based 94159
upon the average monthly liability for a period not to exceed 94160
two years. The amount ascertained by the commissioner to be the 94161
average monthly tax liability of a vendor may be adjusted, based 94162
upon a review of the returns or other information pertaining to 94163
the vendor for a period of not less than six months nor more 94164
than two years preceding such adjustment. 94165

(2) The commissioner may authorize vendors whose tax 94166
liability is not such as to merit monthly returns, as 94167
ascertained by the commissioner upon the basis of administrative 94168
costs to the state, to make and file returns at less frequent 94169
intervals. When returns are filed at less frequent intervals in 94170
accordance with such authorization, the vendor shall be allowed 94171
the discount provided in this section in consideration for 94172
prompt payment with the return, provided the return is filed and 94173
payment is made of the amount of tax shown to be due thereon, at 94174
the time specified by the commissioner, but a vendor that has 94175
selected a certified service provider as its agent shall not be 94176
entitled to the discount. 94177

(D) Any vendor who fails to file a return or to pay the full amount of the tax shown on the return to be due in the manner prescribed under this section and the rules of the commissioner may, for each such return, be required to forfeit and pay into the state treasury an additional charge not exceeding fifty dollars or ten per cent of the tax required to be paid for the reporting period, whichever is greater, as revenue arising from the tax imposed by this chapter, and such sum may be collected by assessment in the manner provided in section 5739.13 of the Revised Code. ~~The commissioner may remit all or a portion of the additional charge and may adopt rules relating to the imposition and remission of the additional charge.~~

(E) If the amount required to be collected by a vendor from consumers is in excess of the applicable percentage of the vendor's receipts from sales that are taxable under section 5739.02 of the Revised Code, or in the case of sales subject to a tax levied pursuant to section 5739.021, 5739.023, or 5739.026 of the Revised Code, in excess of the percentage equal to the aggregate rate of such taxes and the tax levied by section 5739.02 of the Revised Code, such excess shall be remitted along with the remittance of the amount of tax due under section 5739.10 of the Revised Code.

(F) The commissioner, if the commissioner deems it necessary in order to insure the payment of the tax imposed by this chapter, may require returns and payments to be made for other than monthly periods.

(G) Any vendor required to file a return and pay the tax under this section whose total payment for a year equals or exceeds the amount shown in division (A) of section 5739.122 of

the Revised Code is subject to the accelerated tax payment 94208
requirements in divisions (B) and (C) of that section. For a 94209
vendor that operates from multiple locations or has multiple 94210
vendor's licenses, in determining whether the vendor's total 94211
payment equals or exceeds the amount shown in division (A) of 94212
that section, the vendor's total payment amount shall be the 94213
amount of the vendor's total tax liability for the previous 94214
calendar year for all of the vendor's locations or licenses. 94215

Sec. 5739.122. (A) If the total amount of tax required to 94216
be paid by a vendor under section 5739.12 of the Revised Code 94217
for any calendar year equals or exceeds seventy-five thousand 94218
dollars, the vendor shall remit each monthly tax payment in the 94219
second ensuing and each succeeding tax year on an accelerated 94220
basis as prescribed by divisions (B) and (C) of this section. 94221

If a vendor's tax payment for each of two consecutive 94222
years is less than seventy-five thousand dollars, the vendor is 94223
relieved of the requirement to remit taxes in the manner 94224
prescribed by this section for the year that next follows the 94225
second of the consecutive years in which the tax payment is less 94226
than that amount, and is relieved of that requirement for each 94227
succeeding year, unless the tax payment in a subsequent year 94228
equals or exceeds seventy-five thousand dollars. 94229

The tax commissioner shall notify each vendor required to 94230
make accelerated tax payments of the vendor's obligation to do 94231
so and shall maintain an updated list of those vendors. Failure 94232
by the tax commissioner to notify a vendor subject to this 94233
section to remit taxes on an accelerated basis does not relieve 94234
the vendor of its obligation to remit taxes as provided under 94235
division (B) of this section. 94236

(B) Vendors required by division (A) of this section to 94237

make accelerated tax payments shall electronically remit such 94238
payments to the tax commissioner in a manner approved by the 94239
commissioner, as follows: 94240

(1) On or before the twenty-third day of each month, a 94241
vendor shall remit an amount equal to seventy-five per cent of 94242
the anticipated tax liability for that month. 94243

(2) On or before the twenty-third day of each month, a 94244
vendor shall report the taxes collected for the previous month 94245
and shall remit that amount, less any amounts paid for that 94246
month as required by division (B) (1) of this section. 94247

The payment of taxes on an accelerated basis under this 94248
section does not affect a vendor's obligation to file returns 94249
and pay the tax shown on the returns to be due as required under 94250
section 5739.12 of the Revised Code. 94251

(C) A vendor required by this section to remit taxes on an 94252
accelerated basis may apply to the tax commissioner, in the 94253
manner prescribed by the commissioner, to be excused from that 94254
requirement. The commissioner may excuse the vendor from 94255
remittance on an accelerated basis for good cause shown for the 94256
period of time requested by the vendor or for a portion of that 94257
period. 94258

(D) (1) (a) If a vendor that is required to remit payments 94259
under division (B) of this section fails to make a payment 94260
required under division (B) (1) of this section, or makes a 94261
payment under division (B) (1) of this section that is less than 94262
seventy-five per cent of the actual liability for that month, 94263
the commissioner may impose an additional charge not to exceed 94264
five per cent of that unpaid amount. 94265

(b) Division (D) (1) (a) of this section does not apply if 94266

the vendor's payment under division (B) (1) of this section is 94267
equal to or greater than seventy-five per cent of the vendor's 94268
reported liability for the same month in the immediately 94269
preceding calendar year. 94270

(2) Any additional charge imposed under division (D) (1) 94271
of this section is in addition to any other penalty or charge 94272
imposed under this chapter, and shall be considered as revenue 94273
arising from taxes imposed under this chapter. An additional 94274
charge may be collected by assessment in the manner prescribed 94275
by section 5739.13 of the Revised Code. ~~The tax commissioner may~~ 94276
~~waive all or a portion of such a charge and may adopt rules~~ 94277
~~governing such waiver.~~ 94278

Sec. 5739.124. (A) If required by the tax commissioner, a 94279
permit holder required to make payments under section 5739.032 94280
of the Revised Code shall file all returns and reports 94281
electronically. The commissioner may require the permit holder 94282
to use the Ohio business gateway, as defined in section 718.01 94283
of the Revised Code, or any other electronic means approved by 94284
the commissioner, to file the returns and reports, or to remit 94285
the tax, in lieu of the manner prescribed under section 5739.032 94286
of the Revised Code. 94287

(B) A person required under this section to file reports 94288
and returns electronically may apply to the tax commissioner to 94289
be excused from that requirement. Applications shall be made on 94290
a form prescribed by the commissioner. The commissioner may 94291
approve the application for good cause. 94292

(C) (1) If a person required to file a report or return 94293
electronically under this section fails to do so, the tax 94294
commissioner may impose an additional charge not to exceed the 94295
following: 94296

(a) For each of the first two failures, five per cent of 94297
the amount required to be reported on the report or return; 94298

(b) For the third and any subsequent failure, ten per cent 94299
of the amount required to be reported on the report or return. 94300

(2) The charges authorized under division (C) (1) of this 94301
section are in addition to any other charge or penalty 94302
authorized under this chapter, and shall be considered as 94303
revenue arising from taxes imposed under this chapter. An 94304
additional charge may be collected by assessment in the manner 94305
prescribed by section 5739.13 of the Revised Code. ~~The~~ 94306
~~commissioner may waive all or a portion of such a charge and may~~ 94307
~~adopt rules governing such waiver.~~ 94308

Sec. 5739.13. (A) If any vendor collects the tax imposed 94309
by or pursuant to section 5739.02, 5739.021, 5739.023, or 94310
5739.026 of the Revised Code, and fails to remit the tax to the 94311
state as prescribed, or on the sale of a motor vehicle, 94312
watercraft, or outboard motor required to be titled, fails to 94313
remit payment to a clerk of a court of common pleas as provided 94314
in section 1548.06 or 4505.06 of the Revised Code, the vendor 94315
shall be personally liable for any tax collected and not 94316
remitted. The tax commissioner may make an assessment against 94317
such vendor based upon any information in the commissioner's 94318
possession. 94319

If any vendor fails to collect the tax or any consumer 94320
fails to pay the tax imposed by or pursuant to section 5739.02, 94321
5739.021, 5739.023, or 5739.026 of the Revised Code, on any 94322
transaction subject to the tax, the vendor or consumer shall be 94323
personally liable for the amount of the tax applicable to the 94324
transaction. The commissioner may make an assessment against 94325
either the vendor or consumer, as the facts may require, based 94326

upon any information in the commissioner's possession. 94327

An assessment against a vendor when the tax imposed by or 94328
pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of 94329
the Revised Code has not been collected or paid, shall not 94330
discharge the purchaser's or consumer's liability to reimburse 94331
the vendor for the tax applicable to such transaction. 94332

An assessment issued against either, pursuant to this 94333
section, shall not be considered an election of remedies, nor a 94334
bar to an assessment against the other for the tax applicable to 94335
the same transaction, provided that no assessment shall be 94336
issued against any person for the tax due on a particular 94337
transaction if the tax on that transaction actually has been 94338
paid by another. 94339

The commissioner may make an assessment against any vendor 94340
who fails to file a return or remit the proper amount of tax 94341
required by this chapter, or against any consumer who fails to 94342
pay the proper amount of tax required by this chapter. When 94343
information in the possession of the commissioner indicates that 94344
the amount required to be collected or paid under this chapter 94345
is greater than the amount remitted by the vendor or paid by the 94346
consumer, the commissioner may audit a sample of the vendor's 94347
sales or the consumer's purchases for a representative period, 94348
to ascertain the per cent of exempt or taxable transactions or 94349
the effective tax rate and may issue an assessment based on the 94350
audit. The commissioner shall make a good faith effort to reach 94351
agreement with the vendor or consumer in selecting a 94352
representative sample. 94353

The commissioner may make an assessment, based on any 94354
information in the commissioner's possession, against any person 94355
who fails to file a return or remit the proper amount of tax 94356

required by section 5739.102 of the Revised Code. 94357

The commissioner may issue an assessment on any 94358
transaction for which any tax imposed under this chapter or 94359
Chapter 5741. of the Revised Code was due and unpaid on the date 94360
the vendor or consumer was informed by an agent of the tax 94361
commissioner of an investigation or audit. If the vendor or 94362
consumer remits any payment of the tax for the period covered by 94363
the assessment after the vendor or consumer was informed of the 94364
investigation or audit, the payment shall be credited against 94365
the amount of the assessment. 94366

The commissioner shall give the party assessed written 94367
notice of the assessment in the manner provided in section 94368
5703.37 of the Revised Code. With the notice, the commissioner 94369
shall provide instructions on how to petition for reassessment 94370
and request a hearing on the petition. 94371

(B) Unless the party assessed files with the commissioner 94372
within sixty days after service of the notice of assessment, ~~7-~~ 94373
~~either personally or by certified mail,~~ a written petition for 94374
reassessment, signed by the party assessed or that party's 94375
authorized agent having knowledge of the facts, the assessment 94376
becomes final and the amount of the assessment is due from the 94377
party assessed and payable to the treasurer of state and 94378
remitted to the tax commissioner. The petition shall indicate 94379
the objections of the party assessed, but additional objections 94380
may be raised in writing if received by the commissioner prior 94381
to the date shown on the final determination. If the petition 94382
has been properly filed, the commissioner shall proceed under 94383
section 5703.60 of the Revised Code. 94384

(C) After an assessment becomes final, if any portion of 94385
the assessment remains unpaid, including accrued interest, a 94386

certified copy of the commissioner's entry making the assessment 94387
final may be filed in the office of the clerk of the court of 94388
common pleas in the county in which the place of business of the 94389
party assessed is located or the county in which the party 94390
assessed resides. If the party assessed maintains no place of 94391
business in this state and is not a resident of this state, the 94392
certified copy of the entry may be filed in the office of the 94393
clerk of the court of common pleas of Franklin county. 94394

Immediately upon the filing of the entry, the clerk shall 94395
enter a judgment for the state against the party assessed in the 94396
amount shown on the entry. The judgment may be filed by the 94397
clerk in a loose-leaf book entitled "special judgments for 94398
state, county, and transit authority retail sales tax" or, if 94399
appropriate, "special judgments for resort area excise tax," and 94400
shall have the same effect as other judgments. Execution shall 94401
issue upon the judgment upon the request of the tax 94402
commissioner, and all laws applicable to sales on execution 94403
shall apply to sales made under the judgment except as otherwise 94404
provided in this chapter. 94405

If the assessment is not paid in its entirety within sixty 94406
days after the date the assessment was issued, the portion of 94407
the assessment consisting of tax due shall bear interest at the 94408
rate per annum prescribed by section 5703.47 of the Revised Code 94409
from the day the tax commissioner issues the assessment until 94410
the assessment is paid or until it is certified to the attorney 94411
general for collection under section 131.02 of the Revised Code, 94412
whichever comes first. If the unpaid portion of the assessment 94413
is certified to the attorney general for collection, the entire 94414
unpaid portion of the assessment shall bear interest at the rate 94415
per annum prescribed by section 5703.47 of the Revised Code from 94416
the date of certification until the date it is paid in its 94417

entirety. Interest shall be paid in the same manner as the tax 94418
and may be collected by issuing an assessment under this 94419
section. 94420

(D) All money collected by the tax commissioner under this 94421
section shall be paid to the treasurer of state, and when paid 94422
shall be considered as revenue arising from the taxes imposed by 94423
or pursuant to sections 5739.01 to 5739.31 of the Revised Code. 94424

Sec. 5739.133. (A) A penalty may be added to every amount 94425
assessed under section 5739.13 or 5739.15 of the Revised Code as 94426
follows: 94427

(1) In the case of an assessment against a person who 94428
fails to collect and remit the tax required by this chapter or 94429
Chapter 5741. of the Revised Code, up to fifty per cent of the 94430
amount assessed; 94431

(2) In the case of a person whom the tax commissioner 94432
believes has collected the tax but failed to remit it to the 94433
state as required by this chapter or Chapter 5741. of the 94434
Revised Code, up to fifty per cent of the amount assessed; 94435

(3) In the case of all other assessments, up to fifteen 94436
per cent of the amount assessed. 94437

No amount assessed under section 5739.13 or 5739.15 of the 94438
Revised Code shall be subject to a penalty under this section in 94439
excess of fifty per cent of the amount assessed. 94440

(B) All assessments issued under section 5739.13 and 94441
5739.15 of the Revised Code shall include preassessment interest 94442
computed at the rate per annum prescribed by section 5703.47 of 94443
the Revised Code. Beginning January 1, 1988, preassessment 94444
interest shall begin to accrue on the first day of January of 94445
the year following the date on which the person assessed was 94446

required to report and pay the tax under this chapter or Chapter 94447
5741. of the Revised Code, and shall run until the date of the 94448
notice of assessment. If an assessment is issued within the 94449
first twelve months after the interest begins to accrue, no 94450
preassessment interest shall be assessed. With respect to taxes 94451
required to be paid under this chapter or Chapter 5741. of the 94452
Revised Code on or after January 1, 1998, interest shall accrue 94453
as prescribed in division (A) of section 5739.132 of the Revised 94454
Code. 94455

~~(C) The commissioner may adopt rules providing for the 94456
imposition and remission of any penalty provided for under this 94457
section. 94458~~

Sec. 5739.31. (A) (1) No person shall engage in the 94459
business of selling at retail or sell at retail incidental to 94460
any other regularly conducted business without having a license 94461
therefor, as required by sections 5739.01 to 5739.31 of the 94462
Revised Code. 94463

(2) No person shall engage in the business of selling at 94464
retail as a transient vendor, as defined in section 5739.17 of 94465
the Revised Code, without first having obtained a license as 94466
required by that section. 94467

(B) No person shall continue to engage in the business of 94468
selling at retail or sell at retail incidental to any other 94469
regularly conducted business after the license issued to that 94470
person pursuant to section 5739.17 of the Revised Code has been 94471
suspended by the tax commissioner under division (B) (2) of 94472
section 5739.30 of the Revised Code, nor shall any person obtain 94473
a new license from ~~the~~ any county auditor or the tax 94474
commissioner while such suspension is in effect. If a 94475
corporation's license has been suspended, none of its officers, 94476

or employees having control or supervision of or charged with 94477
the responsibility of filing returns and making payments of tax 94478
due, shall obtain a license from ~~the~~ any county auditor or the 94479
tax commissioner during the period of such suspension. The tax 94480
commissioner may cancel any licenses granted while the 94481
suspension is in effect. 94482

Sec. 5739.99. (A) Whoever violates section 5739.26 or 94483
5739.29 of the Revised Code ~~shall be fined not less than twenty-~~ 94484
~~five nor more than one hundred dollars~~ is guilty of a minor 94485
misdemeanor for a first offense; for each subsequent offense 94486
such person shall, ~~if a corporation, be fined not less than one-~~ 94487
~~hundred nor more than five hundred dollars, or if an individual,~~ 94488
~~or a member of a partnership, firm, or association, be fined not~~ 94489
~~less than twenty-five nor more than one hundred dollars, or~~ 94490
~~imprisoned not more than sixty days, or both~~ this guilty of a 94491
misdemeanor of the third degree. 94492

(B) Whoever violates division (A) of section 5739.30 of 94493
the Revised Code ~~shall be fined not less than one hundred nor-~~ 94494
~~more than one thousand dollars, or imprisoned not more than-~~ 94495
~~sixty days, or both~~ this guilty of a misdemeanor of the third 94496
degree. 94497

(C) (1) Whoever violates division (A) (1) of section 5739.31 94498
of the Revised Code ~~shall be fined not less than twenty-five nor~~ 94499
~~more than one hundred dollars~~ is guilty of a minor misdemeanor 94500
for a first offense. If the ~~offender~~ person previously has been 94501
convicted of a violation of division (A) (1) of section 5739.31 94502
of the Revised Code, the ~~offender~~ person is guilty of a 94503
misdemeanor of the first degree. If the person previously has 94504
been convicted of two or more violations of division (A) (1) of 94505
section 5739.31 of the Revised Code, the person is guilty of a 94506

felony of the fourth degree. 94507

(2) Whoever violates division (A) (2) of section 5739.31 of 94508
the Revised Code ~~shall be fined not less than one hundred~~ 94509
~~dollars nor more than five hundred dollars, or imprisoned for~~ 94510
~~not more than ten days, or both,~~is guilty of a minor misdemeanor 94511
for the first offense; for each subsequent offense, each such 94512
person ~~shall be fined not less than one thousand dollars nor~~ 94513
~~more than twenty-five hundred dollars, or imprisoned not more~~ 94514
~~than thirty days, or both~~is guilty of a misdemeanor of the 94515
fourth degree. The motor vehicles and goods of any person 94516
charged with violating division (A) (2) of section 5739.31 of the 94517
Revised Code may be impounded and held pending the disposition 94518
of the charge, and may be sold at auction by the county sheriff 94519
in the manner prescribed by law to satisfy any fine imposed by 94520
this division. 94521

(3) Whoever violates division (B) of section 5739.31 of 94522
the Revised Code is guilty of a misdemeanor of the first degree 94523
for the first offense; on each subsequent offense, the person is 94524
guilty of a felony of the fourth degree. Each day that business 94525
is conducted while a vendor's license is suspended constitutes a 94526
separate offense. 94527

(D) Except as otherwise provided in this section, whoever 94528
violates sections 5739.01 to 5739.31 of the Revised Code, or any 94529
lawful rule promulgated by the department of taxation under 94530
authority of such sections, shall be fined not less than twenty- 94531
five nor more than one hundred dollars. 94532

(E) Whoever violates section 5739.12 of the Revised Code 94533
by failing to remit to the state the tax collected under section 94534
5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code is 94535
guilty of a felony of the fourth degree and shall suffer the 94536

loss of the person's vendor's license as required by section 94537
5739.17 of the Revised Code. A person shall not be eligible for 94538
a vendor's license for two years following conviction. 94539

(F) Whoever violates division (E) of section 5739.17 of 94540
the Revised Code is guilty of failure to display a transient 94541
vendor's license, a minor misdemeanor. A sheriff or police 94542
officer in a municipal corporation may enforce this division. 94543
The prosecuting attorney of a county shall inform the tax 94544
commissioner of any instance when a complaint is brought against 94545
a transient vendor pursuant to this division. 94546

(G) Whoever violates section 5739.103 of the Revised Code 94547
shall be fined not less than twenty-five nor more than one 94548
hundred dollars. If the offender previously has been convicted 94549
of violating that section, the offender is guilty of a felony of 94550
the fourth degree. 94551

(H) The penalties provided in this section are in addition 94552
to any penalties imposed by the tax commissioner under section 94553
5739.133 of the Revised Code. 94554

Sec. 5741.121. (A) If the total amount of tax required to 94555
be paid by a seller or consumer under section 5741.12 of the 94556
Revised Code for any year equals or exceeds seventy-five 94557
thousand dollars, the seller or consumer shall remit each 94558
monthly tax payment in the second ensuing and each succeeding 94559
year on an accelerated basis as prescribed by division (B) of 94560
this section. 94561

If a seller's or consumer's tax payment for each of two 94562
consecutive years is less than seventy-five thousand dollars, 94563
the seller or consumer is relieved of the requirement to remit 94564
taxes on an accelerated basis for the year that next follows 94565

the second of the consecutive years in which the tax payment is 94566
less than that amount, and is relieved of that requirement for 94567
each succeeding year, unless the tax payment in a subsequent 94568
year equals or exceeds seventy-five thousand dollars. 94569

The tax commissioner shall notify each seller or consumer 94570
required to make accelerated tax payments of the seller's or 94571
consumer's obligation to do so and shall maintain an updated 94572
list of those sellers and consumers. Failure by the tax 94573
commissioner to notify a seller or consumer subject to this 94574
section to remit taxes on an accelerated basis does not relieve 94575
the seller or consumer of the obligation to remit taxes as 94576
provided under division (B) of this section. 94577

(B) Sellers and consumers required by division (A) of this 94578
section to make accelerated tax payments shall electronically 94579
remit such payments to the tax commissioner, in a manner 94580
approved by the commissioner, as follows: 94581

(1) On or before the twenty-third day of each month, a 94582
seller or consumer shall remit an amount equal to seventy-five 94583
per cent of the anticipated tax liability for that month. 94584

(2) On or before the twenty-third day of each month, a 94585
seller shall report the taxes collected and a consumer shall 94586
report the taxes due for the previous month and shall remit that 94587
amount, less any amounts paid for that month as required by 94588
division (B) (1) of this section. 94589

The payment of taxes on an accelerated basis under this 94590
section does not affect a seller's or consumer's obligation to 94591
file returns and pay the tax shown on the returns to be due as 94592
required under section 5741.12 of the Revised Code. 94593

(C) A seller or consumer required by this section to remit 94594

taxes on an accelerated basis may apply to the tax commissioner 94595
in the manner prescribed by the commissioner to be excused from 94596
that requirement. The commissioner may excuse the seller or 94597
consumer from remittance on an accelerated basis for good cause 94598
shown for the period of time requested by the seller or consumer 94599
or for a portion of that period. 94600

(D) (1) (a) If a seller or consumer that is required to 94601
remit payments under division (B) of this section fails to make 94602
a payment required under division (B) (1) of this section, or 94603
makes a payment under division (B) (1) of this section that is 94604
less than seventy-five per cent of the actual liability for that 94605
month, the commissioner may impose an additional charge not to 94606
exceed five per cent of that unpaid amount. 94607

(b) Division (D) (1) (a) of this section does not apply if 94608
the seller's or consumer's payment under division (B) (1) of this 94609
section is equal to or greater than seventy-five per cent of the 94610
seller's or consumer's reported liability for the same month in 94611
the immediately preceding calendar year. 94612

(2) Any additional charge imposed under division (D) (1) 94613
of this section is in addition to any other penalty or charge 94614
imposed under this chapter, and shall be considered as revenue 94615
arising from taxes imposed under this chapter. An additional 94616
charge may be collected by assessment in the manner prescribed 94617
by section 5741.13 of the Revised Code. ~~The tax commissioner may~~ 94618
~~waive all or a portion of such a charge and may adopt rules-~~ 94619
~~governing such waiver.~~ 94620

Sec. 5741.122. (A) If required by the tax commissioner, a 94621
person required to make payments under section 5741.121 of the 94622
Revised Code shall file all returns and reports electronically. 94623
The commissioner may require the person to use the Ohio business 94624

gateway, as defined in section 718.01 of the Revised Code, or 94625
any other electronic means approved by the commissioner, to file 94626
the returns and reports, or to remit the tax, in lieu of the 94627
manner prescribed under section 5741.121 of the Revised Code. 94628

(B) A person required under this section to file reports 94629
and returns electronically may apply to the tax commissioner to 94630
be excused from that requirement. Applications shall be made on 94631
a form prescribed by the commissioner. The commissioner may 94632
approve the application for good cause. 94633

(C) (1) If a person required to file a report or return 94634
electronically under this section fails to do so, the tax 94635
commissioner may impose an additional charge not to exceed the 94636
following: 94637

(a) For each of the first two failures, five per cent of 94638
the amount required to be reported on the report or return; 94639

(b) For the third and any subsequent failure, ten per cent 94640
of the amount required to be reported on the report or return. 94641

(2) The charges authorized under division (C) (1) of this 94642
section are in addition to any other charge or penalty 94643
authorized under this chapter, and shall be considered as 94644
revenue arising from taxes imposed under this chapter. An 94645
additional charge may be collected by assessment in the manner 94646
prescribed by section 5741.13 of the Revised Code. ~~The~~ 94647
~~commissioner may waive all or a portion of such a charge and may~~ 94648
~~adopt rules governing such waiver.~~ 94649

Sec. 5743.025. ~~In addition to the return required by section 5743.03 of the Revised Code,~~ This section applies to, in the case of the levy or increase of a county tax under section 5743.021, 5743.024, or 5743.026 of the Revised Code, each retail dealer of cigarettes in a that county in which a tax is levied under section 5743.021, 5743.024, or 5743.026 of the Revised Code and each wholesale dealer or, in the case of an increase in the rate of tax levied under section 5743.02 of the Revised Code, all wholesale and retail dealers. In addition to the return required by section 5743.03 of the Revised Code, each dealer to whom this section applies shall, within thirty days after the date on which the tax or rate increase takes effect, make and file a return, on forms prescribed by the tax commissioner, showing the total number of cigarettes which such ~~retail~~ dealer had on hand as of the beginning of business on the date on which the tax or rate increase takes effect, and such other information as the commissioner deems necessary for the

deliver the return together with a remittance of the additional 94857
amount of tax due on the cigarettes shown on such return to the 94858
commissioner. Any ~~retail~~-dealer of cigarettes who fails to file 94859
a return under this section shall, for each day the ~~retail~~- 94860
dealer so fails, forfeit and pay into the state treasury the sum 94861
of one dollar as revenue arising from the tax imposed by section 94862
5743.02, 5743.021, 5743.024, or 5743.026 of the Revised Code, as 94863
applicable, and such sum may be collected by assessment in the 94864
manner provided in section 5743.081 of the Revised Code. For 94865
thirty days after the effective date of a tax or rate increase 94866
imposed by section 5743.02, 5743.021, 5743.024, or 5743.026 of 94867
the Revised Code, a ~~retail~~-dealer may possess for sale or sell 94868
in the state or county in which the tax is levied, as 94869
applicable, cigarettes not bearing the stamp required by section 94870
5743.03 of the Revised Code to evidence payment of the ~~county~~- 94871
tax but on which the tax has or will be paid. 94872

Sec. 5743.05. The tax commissioner shall sell all stamps 94873
provided for by section 5743.03 of the Revised Code. The stamps 94874
shall be sold at their face value, except the commissioner 94875
shall, by rule, authorize the sale of stamps to wholesale 94876
dealers in this state, or to wholesale dealers outside this 94877
state, at a discount of ~~not less than one and eight-tenths per-~~ 94878
~~cent or more than ten per cent of their face value~~three cents 94879
per stamp, as a commission for affixing and canceling the 94880
stamps. 94881

The commissioner, by rule, shall authorize the delivery of 94882
stamps to wholesale dealers in this state and to wholesale 94883
dealers outside this state on credit. If such a dealer has not 94884
been in good credit standing with this state for five 94885

consecutive years preceding the purchase, the commissioner shall 94886
require the dealer to file with the commissioner a bond to the 94887
state in the amount and in the form prescribed by the 94888
commissioner, with surety to the satisfaction of the 94889
commissioner, conditioned on payment to the commissioner within 94890
thirty days or the following twenty-third day of June, whichever 94891
comes first for stamps delivered within that time. If such a 94892
dealer has been in good credit standing with this state for five 94893
consecutive years preceding the purchase, the commissioner shall 94894
not require that the dealer file such a bond but shall require 94895
payment for the stamps within thirty days after purchase of the 94896
stamps or the following twenty-third day of June, whichever 94897
comes first. Stamps sold to a dealer not required to file a bond 94898
shall be sold at face value. The maximum amount that may be sold 94899
on credit to a dealer not required to file a bond shall equal 94900
one hundred ten per cent of the dealer's average monthly 94901
purchases over the preceding calendar year. The maximum amount 94902
shall be adjusted to reflect any changes in the tax rate and may 94903
be adjusted, upon application to the commissioner by the dealer, 94904
to reflect changes in the business operations of the dealer. The 94905
maximum amount shall be applicable to the period between the 94906
first day of July to the following twenty-third day of June. 94907
Payment by a dealer not required to file a bond shall be 94908
remitted by electronic funds transfer as prescribed by section 94909
5743.051 of the Revised Code. If a dealer not required to file a 94910
bond fails to make the payment in full within the required 94911
payment period, the commissioner shall not thereafter sell 94912
stamps to that dealer until the dealer pays the outstanding 94913
amount, including penalty and interest on that amount as 94914
prescribed in this chapter, and the commissioner thereafter may 94915
require the dealer to file a bond until the dealer is restored 94916
to good standing. The commissioner shall limit delivery of 94917

stamps on credit to the period running from the first day of 94918
July of the fiscal year until the twenty-third day of the 94919
following June. Any discount allowed as a commission for 94920
affixing and canceling stamps shall be allowed with respect to 94921
sales of stamps on credit. 94922

The commissioner shall redeem and pay for any destroyed, 94923
unused, or spoiled tax stamps at their net value, and shall 94924
refund to wholesale dealers the net amount of state and county 94925
taxes paid erroneously or paid on cigarettes that have been sold 94926
in interstate or foreign commerce or that have become unsalable, 94927
and the net amount of county taxes that were paid on cigarettes 94928
that have been sold at retail or for retail sale outside a 94929
taxing county. 94930

An application for a refund of tax shall be filed with the 94931
commissioner, on the form prescribed by the commissioner for 94932
that purpose, within three years from the date the tax stamps 94933
are destroyed or spoiled, from the date of the erroneous 94934
payment, or from the date that cigarettes on which taxes have 94935
been paid have been sold in interstate or foreign commerce or 94936
have become unsalable. 94937

On the filing of the application, the commissioner shall 94938
determine the amount of refund to which the applicant is 94939
entitled, payable from receipts of the state tax, and, if 94940
applicable, payable from receipts of a county tax. If the amount 94941
is not less than that claimed, the commissioner shall certify 94942
the amount to the director of budget and management and 94943
treasurer of state for payment from the tax refund fund created 94944
by section 5703.052 of the Revised Code. If the amount is less 94945
than that claimed, the commissioner shall proceed in accordance 94946
with section 5703.70 of the Revised Code. 94947

If a refund is granted for payment of an illegal or 94948
erroneous assessment issued by the department, the refund shall 94949
include interest on the amount of the refund from the date of 94950
the overpayment. The interest shall be computed at the rate per 94951
annum prescribed by section 5703.47 of the Revised Code. 94952

Sec. 5743.051. This section applies to any wholesale or 94953
retail cigarette dealer required by section 5743.05 of the 94954
Revised Code to remit payment for tax stamps electronically. The 94955
tax commissioner shall notify each dealer of the dealer's 94956
obligation to do so and shall maintain an updated list of those 94957
dealers. Failure by the commissioner to notify a dealer subject 94958
to this section to remit taxes electronically does not relieve 94959
the dealer of its obligation to remit taxes in that manner. 94960

A dealer required to remit payments electronically shall 94961
remit such payments to the commissioner in the manner approved 94962
by the commissioner and within the time prescribed for such a 94963
dealer by section 5743.05 of the Revised Code. 94964

A dealer required to remit taxes electronically may apply 94965
to the commissioner in the manner prescribed by the commissioner 94966
to be excused from that requirement. The commissioner may excuse 94967
the dealer from electronic remittance for good cause shown for 94968
the period of time requested by the dealer or for a portion of 94969
that period. 94970

If a dealer required to remit taxes electronically remits 94971
those taxes by some other means, and the commissioner determines 94972
that such failure was not due to reasonable cause or was due to 94973
willful neglect, the commissioner may collect an additional 94974
charge by assessment in the manner prescribed by section 94975
5743.081 of the Revised Code. The additional charge shall equal 94976
five per cent of the amount of the taxes required to be paid 94977

electronically but shall not exceed five thousand dollars. Any 94978
additional charge assessed under this section is in addition to 94979
any other penalty or charge imposed under this chapter and shall 94980
be considered as revenue arising from taxes imposed under this 94981
chapter. ~~The commissioner may abate all or a portion of such a~~ 94982
~~charge and may adopt rules governing such remissions.~~ 94983

No additional charge shall be assessed under this section 94984
against a dealer that has been notified of its obligation to 94985
remit taxes electronically under this section and that remits 94986
its first two tax payments after such notification by some other 94987
means. The additional charge may be assessed upon the remittance 94988
of any subsequent tax payment that the dealer remits by some 94989
means other than electronically. 94990

Sec. 5743.081. (A) If any wholesale dealer or retail 94991
dealer fails to pay the tax levied under section 5743.02, 94992
5743.021, 5743.024, or 5743.026 of the Revised Code as required 94993
by sections 5743.01 to 5743.20 of the Revised Code, and by the 94994
rules of the tax commissioner, or fails to collect the tax from 94995
the purchaser or consumer, the commissioner may make an 94996
assessment against the wholesale or retail dealer based upon any 94997
information in the commissioner's possession. 94998

The commissioner may make an assessment against any 94999
wholesale or retail dealer who fails to file a return required 95000
by section 5743.03 or 5743.025 of the Revised Code. 95001

No assessment shall be made against any wholesale or 95002
retail dealer for any taxes imposed under section 5743.02, 95003
5743.021, 5743.024, or 5743.026 of the Revised Code more than 95004
three years after the last day of the calendar month that 95005
immediately follows the monthly period prescribed in section 95006
5743.03 of the Revised Code in which the sale was made, or more 95007

than three years after the return for the month in which the 95008
sale was made is filed, whichever is later. This section does 95009
not bar an assessment against any wholesale or retail dealer who 95010
fails to file a return as required by section 5743.025 or 95011
5743.03 of the Revised Code, or who files a fraudulent return. 95012

A penalty of up to thirty per cent may be added to the 95013
amount of every assessment made under this section. ~~The~~ 95014
~~commissioner may adopt rules providing for the imposition and~~ 95015
~~remission of penalties added to assessments made under this~~ 95016
~~section.~~ 95017

The commissioner shall give the party assessed written 95018
notice of the assessment in the manner provided in section 95019
5703.37 of the Revised Code. The notice shall specify separately 95020
any portion of the assessment that represents a county tax. With 95021
the notice, the commissioner shall provide instructions on how 95022
to petition for reassessment and request a hearing on the 95023
petition. 95024

(B) Unless the party assessed files with the tax 95025
commissioner within sixty days after service of the notice of 95026
assessment, ~~either personally or by certified mail,~~ a written 95027
petition for reassessment signed by the party assessed or that 95028
party's authorized agent having knowledge of the facts, the 95029
assessment becomes final and the amount of the assessment is due 95030
and payable from the party assessed to the treasurer of state. 95031
The petition shall indicate the objections of the party 95032
assessed, but additional objections may be raised in writing if 95033
received by the commissioner prior to the date shown on the 95034
final determination. If the petition has been properly filed, 95035
the commissioner shall proceed under section 5703.60 of the 95036
Revised Code. 95037

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the wholesale or retail dealer's place of business is located or the county in which the party assessed resides. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the commissioner's entry, the clerk shall enter a judgment for the state against the party assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state cigarette sales tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment, except as otherwise provided in sections 5743.01 to 5743.20 of the Revised Code.

If the assessment is not paid in its entirety within sixty days after the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum

prescribed by section 5703.47 of the Revised Code from the date 95069
of certification until the date it is paid in its entirety. 95070
Interest shall be paid in the same manner as the tax and may be 95071
collected by the issuance of an assessment under this section. 95072

(D) All money collected by the tax commissioner under this 95073
section shall be paid to the treasurer of state, and when paid 95074
shall be considered as revenue arising from the taxes imposed by 95075
sections 5743.01 to 5743.20 of the Revised Code. 95076

Sec. 5743.082. (A) If the tax commissioner finds that a 95077
wholesale dealer or retail dealer, liable for tax under sections 95078
5743.01 to 5743.20 of the Revised Code, is about to depart from 95079
the state, remove the wholesale or retail dealer's property from 95080
the state, conceal the wholesale or retail dealer's person or 95081
property, or do any other act tending to prejudice, obstruct, or 95082
render wholly or partly ineffectual proceedings to collect the 95083
tax, unless the proceedings are commenced without delay, or if 95084
the commissioner believes that the collection of the amount due 95085
from any wholesale dealer or retail dealer will be jeopardized 95086
by delay, the commissioner may issue a jeopardy assessment 95087
against the wholesale or retail dealer for the amount of the 95088
tax, plus a penalty of up to thirty per cent. Upon issuance of a 95089
jeopardy assessment under this division, the total amount 95090
assessed shall immediately be due and payable unless security is 95091
provided pursuant to division (C) of this section. Any 95092
assessment issued under this section shall bear interest as 95093
prescribed by section 5743.081 of the Revised Code. 95094

(B) The commissioner immediately shall file an entry with 95095
the clerk of the court of common pleas in the same manner and 95096
with the same effect as provided in section 5743.081 of the 95097
Revised Code. Notice of the jeopardy assessment shall be served 95098

on the dealer assessed or the dealer's legal representative, as 95099
provided in section 5703.37 of the Revised Code, within five 95100
days of the filing of the entry. The dealer assessed may 95101
petition for reassessment within sixty days of receipt of the 95102
notice of jeopardy assessment in the same manner as provided in 95103
section 5743.081 of the Revised Code. Full or partial payment of 95104
the assessment shall not prejudice the commissioner's 95105
consideration of the merits of the assessment as contested by 95106
the petition for reassessment. Upon notification of the 95107
existence of the judgment filed pursuant to this division, any 95108
public official having control or custody of any funds or 95109
property of the person assessed immediately shall pay or deliver 95110
the funds or property to the commissioner as full or partial 95111
satisfaction of the jeopardy assessment. However, funds or 95112
property needed as evidence in criminal proceedings or that is 95113
expected to be forfeited pursuant to Chapter 2981. of the 95114
Revised Code, need not be relinquished by the public official. 95115
Upon disposition of criminal and forfeiture proceedings, funds 95116
and property not needed as evidence and not forfeited shall be 95117
delivered to the commissioner. 95118

(C) If the dealer subject to a jeopardy assessment files a 95119
petition for reassessment and posts security satisfactory to the 95120
commissioner in an amount sufficient to satisfy the unpaid 95121
balance of the assessment, execution on the judgment shall be 95122
stayed pending disposition of the petition for reassessment and 95123
all appeals resulting from the petition. If the security is 95124
sufficient to satisfy the full amount of the assessment, the 95125
commissioner shall return any funds or property of the dealer 95126
that previously were seized. Upon satisfaction of the assessment 95127
the commissioner shall order the security released and the 95128
judgment vacated. 95129

~~(D) The commissioner may adopt rules providing for the imposition and remission of penalties imposed under this section.~~ 95130
95131
95132

Sec. 5743.32. To provide revenue for the general revenue fund of the state, an excise tax is hereby levied on the use, consumption, or storage for consumption of cigarettes by consumers in this state at the rate of eighty one hundred fifty-five mills on each cigarette. The tax shall not apply if the tax levied by section 5743.02 of the Revised Code has been paid. 95133
95134
95135
95136
95137
95138

The money received into the state treasury from the excise tax levied by this section shall be credited to the general revenue fund. 95139
95140
95141

Sec. 5743.51. (A) To provide revenue for the general revenue fund of the state, an excise tax on tobacco products and vapor products is hereby levied at one of the following rates: 95142
95143
95144

(1) For tobacco products other than ~~little cigars or~~ premium cigars, seventeen-forty-two per cent of the wholesale price of the tobacco product received by a distributor or sold by a manufacturer to a retail dealer located in this state. 95145
95146
95147
95148

(2) ~~Thirty-seven per cent of the wholesale price of little cigars received by a distributor or sold by a manufacturer to a retail dealer located in this state.~~ 95149
95150
95151

~~(3) For premium cigars received by a distributor or sold by a manufacturer to a retail dealer located in this state, the lesser of seventeen-forty-two per cent of the wholesale price of such premium cigars or the maximum tax amount per each such premium cigar.~~ 95152
95153
95154
95155
95156

~~(4)~~ (3) For vapor products, ~~one cent~~ two cents multiplied by the vapor volume of vapor products the first time the 95157
95158

products are received by a vapor distributor in this state. 95159

Each distributor or vapor distributor who brings tobacco 95160
products or vapor products, or causes tobacco products or vapor 95161
products to be brought, into this state for distribution within 95162
this state, or any out-of-state distributor or vapor distributor 95163
who sells tobacco products or vapor products to wholesale or 95164
retail dealers located in this state for resale by those 95165
wholesale or retail dealers is liable for the tax imposed by 95166
this section. Only one sale of the same article shall be used in 95167
computing the amount of the tax due. If a vapor product is 95168
repackaged, reconstituted, diluted, or reprocessed, the 95169
subsequent sale of that vapor product shall be considered 95170
another sale of the same article for purposes of computing the 95171
amount of tax due. 95172

(B) The treasurer of state shall place to the credit of 95173
the tax refund fund created by section 5703.052 of the Revised 95174
Code, out of the receipts from the tax levied by this section, 95175
amounts equal to the refunds certified by the tax commissioner 95176
pursuant to section 5743.53 of the Revised Code. The balance of 95177
the taxes collected under this section shall be paid into the 95178
general revenue fund. 95179

(C) The commissioner may adopt rules as are necessary to 95180
assist in the enforcement and administration of sections 5743.51 95181
to 5743.66 of the Revised Code, ~~including rules providing for~~ 95182
~~the remission of penalties imposed.~~ 95183

(D) A manufacturer is not liable for payment of the tax 95184
imposed by this section for sales of tobacco products or vapor 95185
products to a retail dealer that has filed a signed statement 95186
with the manufacturer in which the retail dealer agrees to pay 95187
and be liable for the tax, as long as the manufacturer has 95188

provided a copy of the statement to the tax commissioner. 95189

Sec. 5743.52. (A) Each distributor of tobacco products or 95190
vapor distributor subject to the tax levied by section 5743.51 95191
of the Revised Code, on or before the twenty-third day of each 95192
month, shall file with the tax commissioner a return for the 95193
preceding month showing any information the tax commissioner 95194
finds necessary for the proper administration of this chapter, 95195
together with remittance of the tax due. The return and payment 95196
of the tax required by this section shall be filed and made 95197
electronically on or before the twenty-third day of the month 95198
following the reporting period. ~~If the return is filed and the~~ 95199
~~amount of tax shown on the return to be due is paid on or before~~ 95200
~~the date the return is required to be filed, the distributor or~~ 95201
~~vapor distributor is entitled to a discount equal to two and~~ 95202
~~five-tenths per cent of the amount shown on the return to be~~ 95203
~~due.~~ 95204

(B) Any person who fails to timely file the return and 95205
make payment of taxes as required under this section, section 95206
5743.62, or section 5743.63 of the Revised Code may be required 95207
to pay an additional charge not exceeding the greater of fifty 95208
dollars or ten per cent of the tax due. Any additional charge 95209
imposed under this section may be collected by assessment as 95210
provided in section 5743.56 of the Revised Code. 95211

(C) If any tax due is not paid timely in accordance with 95212
this section or section 5743.62 or 5743.63 of the Revised Code, 95213
the person liable for the tax shall pay interest, calculated at 95214
the rate per annum as prescribed by section 5703.47 of the 95215
Revised Code, from the date the tax payment was due to the date 95216
of payment or to the date an assessment is issued under section 95217
5743.56 of the Revised Code, whichever occurs first. The 95218

commissioner may collect such interest by assessment pursuant to 95219
section 5743.56 of the Revised Code. 95220

(D) The commissioner may authorize the filing of returns 95221
and the payment of the tax required by this section, section 95222
5743.62, or section 5743.63 of the Revised Code for periods 95223
longer than a calendar month. 95224

(E) The commissioner may order any taxpayer to file with 95225
the commissioner security to the satisfaction of the 95226
commissioner conditioned upon filing the return and paying the 95227
taxes required under this section, section 5743.62, or section 95228
5743.63 of the Revised Code if the commissioner believes that 95229
the collection of the tax may be in jeopardy. 95230

Sec. 5743.56. (A) Any person required to pay the tax 95231
imposed by section 5743.51, 5743.62, or 5743.63 of the Revised 95232
Code is personally liable for the tax. The tax commissioner may 95233
make an assessment, based upon any information in the 95234
commissioner's possession, against any person who fails to file 95235
a return or pay any tax, interest, or additional charge as 95236
required by this chapter. The commissioner shall give the person 95237
assessed written notice of such assessment in the manner 95238
provided in section 5703.37 of the Revised Code. With the 95239
notice, the commissioner shall provide instructions on how to 95240
petition for reassessment and request a hearing on the petition. 95241

(B) When the information in the possession of the tax 95242
commissioner indicates that a person liable for the tax imposed 95243
by section 5743.51, 5743.62, or 5743.63 of the Revised Code has 95244
not paid the full amount of tax due, the commissioner may audit 95245
a representative sample of the person's business and may issue 95246
an assessment based on such audit. 95247

(C) A penalty of up to fifteen per cent may be added to 95248
all amounts assessed under this section. ~~The tax commissioner~~ 95249
~~may adopt rules providing for the imposition and remission of~~ 95250
~~such penalties.~~ 95251

(D) Unless the person assessed files with the tax 95252
commissioner within sixty days after service of the notice of 95253
assessment, ~~either personally or by certified mail,~~ a written 95254
petition for reassessment signed by the person assessed or that 95255
person's authorized agent having knowledge of the facts, the 95256
assessment becomes final and the amount of the assessment is due 95257
and payable from the person assessed to the treasurer of state. 95258
A petition shall indicate the objections of the person assessed, 95259
but additional objections may be raised in writing if received 95260
by the commissioner prior to the date shown on the final 95261
determination. If the petition has been properly filed, the 95262
commissioner shall proceed under section 5703.60 of the Revised 95263
Code. 95264

(E) After an assessment becomes final, if any portion of 95265
the assessment, including accrued interest, remains unpaid, a 95266
certified copy of the tax commissioner's entry making the 95267
assessment final may be filed in the office of the clerk of the 95268
court of common pleas in the county in which the person assessed 95269
resides or in which the person assessed conducts business. If 95270
the person assessed maintains no place of business in this state 95271
and is not a resident of this state, the certified copy of the 95272
entry may be filed in the office of the clerk of the court of 95273
common pleas of Franklin county. 95274

Immediately upon the filing of the entry, the clerk shall 95275
enter a judgment for the state against the person assessed in 95276
the amount shown on the entry. The judgment may be filed by the 95277

clerk in a loose-leaf book entitled "special judgments for state tobacco products tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment is issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

(F) If the tax commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the person liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (E) of this section. Notice of the jeopardy assessment shall be served on the person assessed or the legal representative of the person assessed, as provided in section 5703.37 of the Revised Code, within five days of the filing of

the entry with the clerk. The total amount assessed is 95309
immediately due and payable, unless the person assessed files a 95310
petition for reassessment in accordance with division (D) of 95311
this section and provides security in a form satisfactory to the 95312
commissioner and in an amount sufficient to satisfy the unpaid 95313
balance of the assessment. Full or partial payment of the 95314
assessment does not prejudice the commissioner's consideration 95315
of the petition for reassessment. 95316

(G) All money collected by the tax commissioner under this 95317
section shall be paid to the treasurer of state as revenue 95318
arising from the tax imposed by sections 5743.51, 5743.62, and 95319
5743.63 of the Revised Code. 95320

Sec. 5743.62. (A) To provide revenue for the general 95321
revenue fund of the state, an excise tax is hereby levied on the 95322
seller of tobacco products or vapor products in this state at 95323
one of the following rates: 95324

(1) For tobacco products other than ~~little cigars or~~ 95325
premium cigars, seventeen-forty-two per cent of the wholesale 95326
price of the tobacco product whenever the tobacco product is 95327
delivered to a consumer in this state for the storage, use, or 95328
other consumption of such tobacco products. 95329

(2) ~~For little cigars, thirty-seven per cent of the~~ 95330
~~wholesale price of the little cigars whenever the little cigars~~ 95331
~~are delivered to a consumer in this state for the storage, use,~~ 95332
~~or other consumption of the little cigars.~~ 95333

~~(3)~~ For premium cigars, whenever the premium cigars are 95334
delivered to a consumer in this state for the storage, use, or 95335
other consumption of the premium cigars, the lesser of ~~seventeen~~ 95336
forty-two per cent of the wholesale price of such premium cigars 95337

or the maximum tax amount per each such premium cigar. 95338

~~(4)~~ (3) For vapor products, ~~one cent~~ two cents multiplied 95339
by the vapor volume of vapor products when the vapor products 95340
are delivered to a consumer in this state for the storage, use, 95341
or other consumption of the vapor products. 95342

The tax imposed by this section applies only to sellers 95343
having substantial nexus with this state, as defined in section 95344
5741.01 of the Revised Code. 95345

(B) A seller of tobacco products or vapor products who has 95346
substantial nexus with this state as defined in section 5741.01 95347
of the Revised Code shall register with the tax commissioner and 95348
supply any information concerning the seller's contacts with 95349
this state as may be required by the tax commissioner. A seller 95350
who does not have substantial nexus with this state may 95351
voluntarily register with the tax commissioner. A seller who 95352
voluntarily registers with the tax commissioner is entitled to 95353
the same benefits and is subject to the same duties and 95354
requirements as a seller required to be registered with the tax 95355
commissioner under this division. 95356

(C) Each seller of tobacco products or vapor products 95357
subject to the tax levied by this section, on or before the 95358
twenty-third day of each month, shall file with the tax 95359
commissioner a return for the preceding month showing any 95360
information the tax commissioner finds necessary for the proper 95361
administration of sections 5743.51 to 5743.66 of the Revised 95362
Code, together with remittance of the tax due, payable to the 95363
treasurer of state. The return and payment of the tax required 95364
by this section shall be filed in such a manner that it is 95365
received by the tax commissioner on or before the twenty-third 95366
day of the month following the reporting period. ~~If the return~~ 95367

~~is filed and the amount of the tax shown on the return to be due 95368
is paid on or before the date the return is required to be 95369
filed, the seller is entitled to a discount equal to two and 95370
five-tenths per cent of the amount shown on the return to be 95371
due. 95372~~

(D) The tax commissioner shall immediately forward to the 95373
treasurer of state all money received from the tax levied by 95374
this section, and the treasurer shall credit the amount to the 95375
general revenue fund. 95376

(E) Each seller of tobacco products or vapor products 95377
subject to the tax levied by this section shall mark on the 95378
invoices of tobacco products or vapor products sold that the tax 95379
levied by that section has been paid and shall indicate the 95380
seller's account number as assigned by the tax commissioner. 95381

Sec. 5743.63. (A) To provide revenue for the general 95382
revenue fund of the state, an excise tax is hereby levied on the 95383
storage, use, or other consumption of tobacco products or vapor 95384
products at one of the following rates: 95385

(1) For tobacco products other than ~~little cigars or~~ 95386
premium cigars, ~~seventeen-forty-two~~ per cent of the wholesale 95387

certify to the tax commissioner the rate of the tax in effect on
the first day of January of that year. If any municipal 95540

municipal corporation under this section for a taxpayer's 95555

corporation on the first day of January in that taxable year. If 95557
a taxpayer's taxable year is for a period less than twelve 95558
months that does not include the first day of January, the tax 95559
rate used to determine the tax payable to a municipal 95560
corporation under this section for the taxpayer's taxable year 95561
shall be the tax rate in effect in a municipal corporation on 95562
the first day of January in the preceding taxable year. 95563

Sec. 5745.04. (A) As used in this section, "combined tax 95564
liability" means the total of a taxpayer's income tax 95565
liabilities to all municipal corporations in this state for a 95566
taxable year. 95567

(B) Each taxpayer shall file a declaration of estimated 95568
tax report with, and remit estimated taxes to, the tax 95569
commissioner, payable to the treasurer of state, at the times 95570
and in the amounts prescribed in divisions (B)(1) to (4) of this 95571
section. The first taxable year a taxpayer is subject to this 95572
chapter, the estimated taxes the taxpayer is required to remit 95573

under this section shall be based solely on the current taxable year and not on the liability for the preceding taxable year. 95574
95575

(1) Not less than twenty-five per cent of the combined tax liability for the preceding taxable year or twenty per cent of the combined tax liability for the current taxable year shall have been remitted not later than the fifteenth day of the fourth month after the end of the preceding taxable year. 95576
95577

95582
95583
95584
95585

(3) Not less than seventy-five per cent of the combined tax liability for the preceding taxable year or sixty per cent of the combined tax liability for the current taxable year shall have been remitted not later than the fifteenth day of the ninth month after the end of the preceding taxable year. 95586
95587
95588
95589
95590

(4) Not less than one hundred per cent of the combined tax liability for the preceding taxable year or eighty per cent of the combined tax liability for the current taxable year shall have been remitted not later than the fifteenth day of the twelfth month after the end of the preceding taxable year. 95591
95592
95593
95594
95595

(C) Each taxpayer shall report on the declaration of estimated tax report the portion of the remittance that the taxpayer estimates that it owes to each municipal corporation for the taxable year. 95596
95597
95598
95599

(D) Upon receiving a declaration of estimated tax report and remittance of estimated taxes under this section, the tax commissioner shall credit ninety-eight and one-half per cent of 95600
95601
95602

the remittance to the municipal income tax fund and credit the 95603
remainder to the municipal income tax administrative fund. 95604

~~(E) If any remittance of estimated taxes is for one~~ 95605
~~thousand dollars or more, the~~ The taxpayer shall make the 95606
remittance of estimated taxes electronically as prescribed by 95607
section 5745.041 of the Revised Code. 95608

(F) Notwithstanding section 5745.08 or 5745.09 of the 95609
Revised Code, no penalty or interest shall be imposed on a 95610
taxpayer if the declaration of estimated tax report is properly 95611
filed, and the estimated tax is paid, within the time prescribed 95612
by division (B) of this section. 95613

Sec. 5745.041. Any taxpayer required by section 5745.03 or 95614
5745.04 of the Revised Code to remit tax payments electronically 95615
shall remit such payments in the manner prescribed by the tax 95616
commissioner. Except as otherwise provided in this paragraph, 95617
the payment of taxes electronically does not affect a taxpayer's 95618
obligation to file reports under this chapter. 95619

A taxpayer required to remit taxes electronically may 95620
apply to the tax commissioner in the manner prescribed by the 95621
commissioner to be excused from that requirement. The 95622
commissioner may excuse the taxpayer from the requirement for 95623
good cause shown for the period of time requested by the 95624
taxpayer or for a portion of that period. 95625

If a taxpayer required by this section to remit taxes 95626
electronically remits those taxes by some means other than 95627
electronically as prescribed by this section, and the 95628
commissioner determines that such failure was not due to 95629
reasonable cause or was due to willful neglect, the commissioner 95630
may collect an additional charge by assessment in the manner 95631

prescribed by section 5745.12 of the Revised Code. The 95632
additional charge shall equal five per cent of the amount of the 95633
taxes or estimated tax payments required to be paid 95634
electronically, but shall not exceed five thousand dollars. Any 95635
additional charge assessed under this section is in addition to 95636
any other penalty or charge imposed under this chapter, and 95637
shall be considered as revenue arising from municipal income 95638
taxes collected under this chapter. ~~The commissioner may remit~~ 95639
~~all or a portion of such a charge and may adopt rules governing~~ 95640
~~such remission.~~ 95641

No additional charge shall be assessed under this section 95642
against a taxpayer that has been notified of its obligation to 95643
remit taxes electronically under this section and that remits 95644
its first two tax payments after such notification by some other 95645
means. The additional charge may be assessed upon the remittance 95646
of any subsequent tax payment that the taxpayer remits by some 95647
means other than electronically. 95648

Sec. 5745.08. (A) The following penalties shall apply 95649
under the circumstances indicated: 95650

(1) If a taxpayer required to file a report or remit tax 95651
as required by this chapter fails to make and file the report 95652
within the time prescribed, including any extensions of time 95653
granted by the tax commissioner, the tax commissioner may impose 95654
a penalty not exceeding the greater of fifty dollars per month 95655
or fraction of a month, not to exceed five hundred dollars, or 95656
five per cent per month or fraction of a month, not to exceed 95657
fifty per cent, of the tax required to be shown on the report, 95658
for each month or fraction of a month elapsing between the due 95659
date, including extensions of the due date, and the day on which 95660
the report is filed. 95661

(2) If a taxpayer fails to timely pay any amount of 95662
~~estimated tax required to be paid under division (B) of section~~ 95663
~~5745.04 of the Revised Code by the dates prescribed for~~ 95664
~~payment~~this chapter, the tax commissioner may impose a penalty 95665
~~not to exceed twice the interest charged under section 5745.09~~ 95666
~~of the Revised Code for the delinquent payment~~equal to fifteen 95667
per cent of the amount not timely paid. 95668

(3) If a taxpayer files what purports to be a report 95669
required by this chapter that does not contain information upon 95670
which the substantial correctness of the report may be judged or 95671
contains information that on its face indicates that the report 95672
is substantially incorrect, and the filing of the report in that 95673
manner is due to a position that is frivolous or a desire that 95674
is apparent from the report to delay or impede the 95675
administration of this chapter, a penalty of up to five hundred 95676
dollars may be imposed. 95677

(4) If a taxpayer makes a fraudulent attempt to evade the 95678
reporting or payment of the tax required to be shown on any 95679
report required under this chapter, a penalty may be imposed not 95680
exceeding the greater of one thousand dollars or one hundred per 95681
cent of the tax required to be shown on the report. 95682

(5) If any person makes a false or fraudulent claim for a 95683
refund under section 5745.11 of the Revised Code, a penalty may 95684
be imposed not exceeding the greater of one thousand dollars or 95685
one hundred per cent of the claim. Any penalty imposed under 95686
division (A) (5) of this section, any refund issued on the claim, 95687
and interest on any refund from the date of the refund, may be 95688
assessed under section 5745.12 of the Revised Code without 95689
regard to any time limitation for the assessment imposed by 95690
division (A) of that section. 95691

(B) For the purposes of this section, the tax required to be shown on the report shall be reduced by the amount of any part of the tax paid on or before the date, including extensions of the date, prescribed for filing the report.

(C) Each penalty imposed under this section shall be in addition to any other penalty provided in this section. ~~All or part of any penalty imposed under this section may be abated by the commissioner. The tax commissioner may adopt rules governing the imposition and abatement of such penalties.~~

(D) All amounts collected under this section from a taxpayer shall be considered as taxes collected under this chapter and shall be credited and distributed to municipal corporations in the same proportions as the taxpayer's taxes are distributed for the reporting period under section 5745.05 of the Revised Code or, if the taxpayer has filed the annual report for the year under section 5745.03 of the Revised Code, in the amounts found to be due such municipal corporations on the basis of the annual report.

Sec. 5745.09. (A) In case of any underpayment of the estimated tax under section 5745.04 of the Revised Code, ~~there shall be added~~ the tax commissioner may add to the tax an amount determined at the rate per annum prescribed by section 5703.47 of the Revised Code upon the amount of underpayment for the period of underpayment.

(B) The amount of the underpayment shall be the excess of division (B)(1) over division (B)(2) of this section:

(1) The amount of the estimated tax payment that would be required to be paid for the taxable year if the total estimated tax were equal to the total tax shown to be due on the annual

report, or if no report was filed, the tax for such year; 95721

(2) The amount, if any, of the estimated tax paid on or 95722
before the last day prescribed for such payment. 95723

(C) The period of the underpayment shall run from the date 95724
the estimated tax payment was required to be made to the date on 95725
which such payment is made. For purposes of this section, a 95726
payment of estimated tax on any payment date shall be considered 95727
a payment of any previous underpayment only to the extent such 95728
payment exceeds the amount of the payment presently due. 95729

(D) All amounts collected under this section shall be 95730
considered as taxes collected under this chapter and shall be 95731
credited and distributed to municipal corporations in the same 95732
proportions as the taxpayer's taxes are distributed for the 95733
reporting period under section 5745.05 of the Revised Code or, 95734
if the taxpayer has filed the annual report for the year under 95735
section 5745.03 of the Revised Code, in the amounts found to be 95736
due to such municipal corporations on the basis of the annual 95737
report. 95738

Sec. 5745.12. (A) If any taxpayer required to file a 95739
report under this chapter fails to file the report within the 95740
time prescribed, files an incorrect report, or fails to remit 95741
the full amount of the tax due for the period covered by the 95742
report, the tax commissioner may make an assessment against the 95743
taxpayer for any deficiency for the period for which the report 95744
or tax is due, based upon any information in the commissioner's 95745
possession. 95746

The tax commissioner shall not make or issue an assessment 95747
against a taxpayer more than three years after the later of the 95748
final date the report subject to assessment was required to be 95749

filed or the date the report was filed. Such time limit may be 95750
extended if both the taxpayer and the commissioner consent in 95751
writing to the extension. Any such extension shall extend the 95752
three-year time limit in section 5745.11 of the Revised Code for 95753
the same period of time. There shall be no bar or limit to an 95754
assessment against a taxpayer that fails to file a report 95755
subject to assessment as required by this chapter, or that files 95756
a fraudulent report. The commissioner shall give the taxpayer 95757
assessed written notice of the assessment as provided in section 95758
5703.37 of the Revised Code. With the notice, the commissioner 95759
shall provide instructions on how to petition for reassessment 95760
and request a hearing on the petition. 95761

(B) Unless the taxpayer assessed files with the tax 95762
commissioner within sixty days after service of the notice of 95763
assessment, ~~either personally or by certified mail,~~ a written 95764
petition for reassessment signed by the authorized agent of the 95765
taxpayer assessed having knowledge of the facts, the assessment 95766
becomes final, and the amount of the assessment is due and 95767
payable from the taxpayer to the treasurer of state. The 95768
petition shall indicate the taxpayer's objections, but 95769
additional objections may be raised in writing if received by 95770
the commissioner prior to the date shown on the final 95771
determination. If the petition has been properly filed, the 95772
commissioner shall proceed under section 5703.60 of the Revised 95773
Code. 95774

(C) After an assessment becomes final, if any portion of 95775
the assessment remains unpaid, including accrued interest, a 95776
certified copy of the tax commissioner's entry making the 95777
assessment final may be filed in the office of the clerk of the 95778
court of common pleas in the county in which the taxpayer has an 95779
office or place of business in this state, the county in which 95780

the taxpayer's statutory agent is located, or Franklin county. 95781

Immediately upon the filing of the entry, the clerk shall 95782
enter a judgment against the taxpayer assessed in the amount 95783
shown on the entry. The judgment may be filed by the clerk in a 95784
loose-leaf book entitled "special judgments for municipal income 95785
taxes," and shall have the same effect as other judgments. 95786
Execution shall issue upon the judgment upon the request of the 95787
tax commissioner, and all laws applicable to sales on execution 95788
shall apply to sales made under the judgment. 95789

If the assessment is not paid in its entirety within sixty 95790
days after the day the assessment was issued, the portion of the 95791
assessment consisting of tax due shall bear interest at the rate 95792
per annum prescribed by section 5703.47 of the Revised Code from 95793
the day the commissioner issues the assessment until the 95794
assessment is paid or until it is certified to the attorney 95795
general for collection under section 131.02 of the Revised Code, 95796
whichever comes first. If the unpaid portion of the assessment 95797
is certified to the attorney general for collection, the entire 95798
unpaid portion of the assessment shall bear interest at the rate 95799
per annum prescribed by section 5703.47 of the Revised Code from 95800
the date of certification until the date it is paid in its 95801
entirety. Interest shall be paid in the same manner as the tax 95802
and may be collected by issuing an assessment under this 95803
section. 95804

(D) All money collected under this section shall be 95805
credited and distributed to the municipal corporation to which 95806
the money is owed based on the assessment issued under this 95807
section. 95808

(E) If the tax commissioner believes that collection of 95809
the tax imposed by this chapter will be jeopardized unless 95810

proceedings to collect or secure collection of the tax are 95811
instituted without delay, the commissioner may issue a jeopardy 95812
assessment against the taxpayer liable for the tax. Immediately 95813
upon the issuance of the jeopardy assessment, the commissioner 95814
shall file an entry with the clerk of the court of common pleas 95815
in the manner prescribed by division (C) of this section. Notice 95816
of the jeopardy assessment shall be served on the taxpayer 95817
assessed or the taxpayer's legal representative in the manner 95818
provided in section 5703.37 of the Revised Code within five days 95819
of the filing of the entry with the clerk. The total amount 95820
assessed is immediately due and payable, unless the taxpayer 95821
assessed files a petition for reassessment in accordance with 95822
division (B) of this section and provides security in a form 95823
satisfactory to the commissioner and in an amount sufficient to 95824
satisfy the unpaid balance of the assessment. Full or partial 95825
payment of the assessment does not prejudice the commissioner's 95826
consideration of the petition for reassessment. 95827

(F) Notwithstanding the fact that a petition for 95828
reassessment is pending, the taxpayer may pay all or a portion 95829
of the assessment that is the subject of the petition. The 95830
acceptance of a payment by the treasurer of state does not 95831
prejudice any claim for refund upon final determination of the 95832
petition. 95833

If upon final determination of the petition an error in 95834
the assessment is corrected by the tax commissioner, upon 95835
petition so filed or pursuant to a decision of the board of tax 95836
appeals or any court to which the determination or decision has 95837
been appealed, so that the amount due from the taxpayer under 95838
the corrected assessment is less than the portion paid, there 95839
shall be issued to the taxpayer, its assigns, or legal 95840
representative a refund in the amount of the overpayment as 95841

provided by section 5745.11 of the Revised Code, with interest 95842
on that amount as provided by section 5745.11 of the Revised 95843
Code. 95844

Sec. 5747.01. Except as otherwise expressly provided or 95845
clearly appearing from the context, any term used in this 95846
chapter that is not otherwise defined in this section has the 95847
same meaning as when used in a comparable context in the laws of 95848
the United States relating to federal income taxes or if not 95849
used in a comparable context in those laws, has the same meaning 95850
as in section 5733.40 of the Revised Code. Any reference in this 95851
chapter to the Internal Revenue Code includes other laws of the 95852
United States relating to federal income taxes. 95853

As used in this chapter: 95854

(A) "Adjusted gross income" or "Ohio adjusted gross 95855
income" means federal adjusted gross income, as defined and used 95856
in the Internal Revenue Code, adjusted as provided in this 95857
section: 95858

(1) Add interest or dividends on obligations or securities 95859
of any state or of any political subdivision or authority of any 95860
state, other than this state and its subdivisions and 95861
authorities. 95862

(2) Add interest or dividends on obligations of any 95863
authority, commission, instrumentality, territory, or possession 95864
of the United States to the extent that the interest or 95865
dividends are exempt from federal income taxes but not from 95866
state income taxes. 95867

(3) Deduct interest or dividends on obligations of the 95868
United States and its territories and possessions or of any 95869
authority, commission, or instrumentality of the United States 95870

to the extent that the interest or dividends are included in 95871
federal adjusted gross income but exempt from state income taxes 95872
under the laws of the United States. 95873

(4) Deduct disability and survivor's benefits to the 95874
extent included in federal adjusted gross income. 95875

(5) Deduct the following, to the extent not otherwise 95876
deducted or excluded in computing federal or Ohio adjusted gross 95877
income: 95878

(a) Benefits under Title II of the Social Security Act and 95879
tier 1 railroad retirement; 95880

(b) Railroad retirement benefits, other than tier 1 95881
railroad retirement benefits, to the extent such amounts are 95882
exempt from state taxation under federal law. 95883

(6) Deduct the amount of wages and salaries, if any, not 95884
otherwise allowable as a deduction but that would have been 95885
allowable as a deduction in computing federal adjusted gross 95886
income for the taxable year, had the work opportunity tax credit 95887
allowed and determined under sections 38, 51, and 52 of the 95888
Internal Revenue Code not been in effect. 95889

(7) Deduct any interest or interest equivalent on public 95890
obligations and purchase obligations to the extent that the 95891
interest or interest equivalent is included in federal adjusted 95892
gross income. 95893

(8) Add any loss or deduct any gain resulting from the 95894
sale, exchange, or other disposition of public obligations to 95895
the extent that the loss has been deducted or the gain has been 95896
included in computing federal adjusted gross income. 95897

(9) Deduct or add amounts, as provided under section 95898

5747.70 of the Revised Code, related to contributions made to or 95899
tuition units purchased under a qualified tuition program 95900
established pursuant to section 529 of the Internal Revenue 95901
Code. 95902

(10) (a) Deduct, to the extent not otherwise allowable as a 95903
deduction or exclusion in computing federal or Ohio adjusted 95904
gross income for the taxable year, the amount the taxpayer paid 95905
during the taxable year for medical care insurance and qualified 95906
long-term care insurance for the taxpayer, the taxpayer's 95907
spouse, and dependents. No deduction for medical care insurance 95908
under division (A) (10) (a) of this section shall be allowed 95909
either to any taxpayer who is eligible to participate in any 95910
subsidized health plan maintained by any employer of the 95911
taxpayer or of the taxpayer's spouse, or to any taxpayer who is 95912
entitled to, or on application would be entitled to, benefits 95913
under part A of Title XVIII of the "Social Security Act," 49 95914
Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of 95915
division (A) (10) (a) of this section, "subsidized health plan" 95916
means a health plan for which the employer pays any portion of 95917
the plan's cost. The deduction allowed under division (A) (10) (a) 95918
of this section shall be the net of any related premium refunds, 95919
related premium reimbursements, or related insurance premium 95920
dividends received during the taxable year. 95921

(b) Deduct, to the extent not otherwise deducted or 95922
excluded in computing federal or Ohio adjusted gross income 95923
during the taxable year, the amount the taxpayer paid during the 95924
taxable year, not compensated for by any insurance or otherwise, 95925
for medical care of the taxpayer, the taxpayer's spouse, and 95926
dependents, to the extent the expenses exceed seven and one-half 95927
per cent of the taxpayer's federal adjusted gross income. 95928

(c) For purposes of division (A)(10) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of division (A)(10)(a) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(11)(a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A)(11)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year.

(12) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that

meets both of the following requirements: 95959

(a) It is allowable for repayment of an item that was 95960
included in the taxpayer's adjusted gross income for a prior 95961
taxable year and did not qualify for a credit under division (A) 95962
or (B) of section 5747.05 of the Revised Code for that year; 95963

(b) It does not otherwise reduce the taxpayer's adjusted 95964
gross income for the current or any other taxable year. 95965

(13) Deduct an amount equal to the deposits made to, and 95966
net investment earnings of, a medical savings account during the 95967
taxable year, in accordance with section 3924.66 of the Revised 95968
Code. The deduction allowed by division (A) (13) of this section 95969
does not apply to medical savings account deposits and earnings 95970
otherwise deducted or excluded for the current or any other 95971
taxable year from the taxpayer's federal adjusted gross income. 95972

(14) (a) Add an amount equal to the funds withdrawn from a 95973
medical savings account during the taxable year, and the net 95974
investment earnings on those funds, when the funds withdrawn 95975
were used for any purpose other than to reimburse an account 95976
holder for, or to pay, eligible medical expenses, in accordance 95977
with section 3924.66 of the Revised Code; 95978

(b) Add the amounts distributed from a medical savings 95979
account under division (A) (2) of section 3924.68 of the Revised 95980
Code during the taxable year. 95981

(15) Add any amount claimed as a credit under section 95982
5747.059 of the Revised Code to the extent that such amount 95983
satisfies either of the following: 95984

(a) The amount was deducted or excluded from the 95985
computation of the taxpayer's federal adjusted gross income as 95986
required to be reported for the taxpayer's taxable year under 95987

the Internal Revenue Code; 95988

(b) The amount resulted in a reduction of the taxpayer's 95989
federal adjusted gross income as required to be reported for any 95990
of the taxpayer's taxable years under the Internal Revenue Code. 95991

(16) Deduct the amount contributed by the taxpayer to an 95992
individual development account program established by a county 95993
department of job and family services pursuant to sections 95994
329.11 to 329.14 of the Revised Code for the purpose of matching 95995
funds deposited by program participants. On request of the tax 95996
commissioner, the taxpayer shall provide any information that, 95997
in the tax commissioner's opinion, is necessary to establish the 95998
amount deducted under division (A)(16) of this section. 95999

(17) (a) (i) Subject to divisions (A)(17)(a)(iii), (iv), and 96000
(v) of this section, add five-sixths of the amount of 96001
depreciation expense allowed by subsection (k) of section 168 of 96002
the Internal Revenue Code, including the taxpayer's 96003
proportionate or distributive share of the amount of 96004
depreciation expense allowed by that subsection to a pass- 96005
through entity in which the taxpayer has a direct or indirect 96006
ownership interest. 96007

(ii) Subject to divisions (A)(17)(a)(iii), (iv), and (v) 96008
of this section, add five-sixths of the amount of qualifying 96009
section 179 depreciation expense, including the taxpayer's 96010
proportionate or distributive share of the amount of qualifying 96011
section 179 depreciation expense allowed to any pass-through 96012
entity in which the taxpayer has a direct or indirect ownership 96013
interest. 96014

(iii) Subject to division (A)(17)(a)(v) of this section, 96015
for taxable years beginning in 2012 or thereafter, if the 96016

increase in income taxes withheld by the taxpayer is equal to or 96017
greater than ten per cent of income taxes withheld by the 96018
taxpayer during the taxpayer's immediately preceding taxable 96019
year, "two-thirds" shall be substituted for "five-sixths" for 96020
the purpose of divisions (A)(17)(a)(i) and (ii) of this section. 96021

(iv) Subject to division (A)(17)(a)(v) of this section, 96022
for taxable years beginning in 2012 or thereafter, a taxpayer is 96023
not required to add an amount under division (A)(17) of this 96024
section if the increase in income taxes withheld by the taxpayer 96025
and by any pass-through entity in which the taxpayer has a 96026
direct or indirect ownership interest is equal to or greater 96027
than the sum of (I) the amount of qualifying section 179 96028
depreciation expense and (II) the amount of depreciation expense 96029
allowed to the taxpayer by subsection (k) of section 168 of the 96030
Internal Revenue Code, and including the taxpayer's 96031
proportionate or distributive shares of such amounts allowed to 96032
any such pass-through entities. 96033

(v) If a taxpayer directly or indirectly incurs a net 96034
operating loss for the taxable year for federal income tax 96035
purposes, to the extent such loss resulted from depreciation 96036
expense allowed by subsection (k) of section 168 of the Internal 96037
Revenue Code and by qualifying section 179 depreciation expense, 96038
"the entire" shall be substituted for "five-sixths of the" for 96039
the purpose of divisions (A)(17)(a)(i) and (ii) of this section. 96040

The tax commissioner, under procedures established by the 96041
commissioner, may waive the add-backs related to a pass-through 96042
entity if the taxpayer owns, directly or indirectly, less than 96043
five per cent of the pass-through entity. 96044

(b) Nothing in division (A)(17) of this section shall be 96045
construed to adjust or modify the adjusted basis of any asset. 96046

(c) To the extent the add-back required under division (A) 96047
(17) (a) of this section is attributable to property generating 96048
nonbusiness income or loss allocated under section 5747.20 of 96049
the Revised Code, the add-back shall be situated to the same 96050
location as the nonbusiness income or loss generated by the 96051
property for the purpose of determining the credit under 96052
division (A) of section 5747.05 of the Revised Code. Otherwise, 96053
the add-back shall be apportioned, subject to one or more of the 96054
four alternative methods of apportionment enumerated in section 96055
5747.21 of the Revised Code. 96056

(d) For the purposes of division (A) (17) (a) (v) of this 96057
section, net operating loss carryback and carryforward shall not 96058
include the allowance of any net operating loss deduction 96059
carryback or carryforward to the taxable year to the extent such 96060
loss resulted from depreciation allowed by section 168(k) of the 96061
Internal Revenue Code and by the qualifying section 179 96062
depreciation expense amount. 96063

(e) For the purposes of divisions (A) (17) and (18) of this 96064
section: 96065

(i) "Income taxes withheld" means the total amount 96066
withheld and remitted under sections 5747.06 and 5747.07 of the 96067
Revised Code by an employer during the employer's taxable year. 96068

(ii) "Increase in income taxes withheld" means the amount 96069
by which the amount of income taxes withheld by an employer 96070
during the employer's current taxable year exceeds the amount of 96071
income taxes withheld by that employer during the employer's 96072
immediately preceding taxable year. 96073

(iii) "Qualifying section 179 depreciation expense" means 96074
the difference between (I) the amount of depreciation expense 96075

directly or indirectly allowed to a taxpayer under section 179 96076
of the Internal Revised Code, and (II) the amount of 96077
depreciation expense directly or indirectly allowed to the 96078
taxpayer under section 179 of the Internal Revenue Code as that 96079
section existed on December 31, 2002. 96080

(18) (a) If the taxpayer was required to add an amount 96081
under division (A) (17) (a) of this section for a taxable year, 96082
deduct one of the following: 96083

(i) One-fifth of the amount so added for each of the five 96084
succeeding taxable years if the amount so added was five-sixths 96085
of qualifying section 179 depreciation expense or depreciation 96086
expense allowed by subsection (k) of section 168 of the Internal 96087
Revenue Code; 96088

(ii) One-half of the amount so added for each of the two 96089
succeeding taxable years if the amount so added was two-thirds 96090
of such depreciation expense; 96091

(iii) One-sixth of the amount so added for each of the six 96092
succeeding taxable years if the entire amount of such 96093
depreciation expense was so added. 96094

(b) If the amount deducted under division (A) (18) (a) of 96095
this section is attributable to an add-back allocated under 96096
division (A) (17) (c) of this section, the amount deducted shall 96097
be situated to the same location. Otherwise, the ~~add-back~~ 96098
deduction shall be apportioned using the apportionment factors 96099
for the taxable year in which the deduction is taken, subject to 96100
one or more of the four alternative methods of apportionment 96101
enumerated in section 5747.21 of the Revised Code. 96102

(c) No deduction is available under division (A) (18) (a) of 96103
this section with regard to any depreciation allowed by section 96104

168(k) of the Internal Revenue Code and by the qualifying 96105
section 179 depreciation expense amount to the extent that such 96106
depreciation results in or increases a federal net operating 96107
loss carryback or carryforward. If no such deduction is 96108
available for a taxable year, the taxpayer may carry forward the 96109
amount not deducted in such taxable year to the next taxable 96110
year and add that amount to any deduction otherwise available 96111
under division (A) (18) (a) of this section for that next taxable 96112
year. The carryforward of amounts not so deducted shall continue 96113
until the entire addition required by division (A) (17) (a) of 96114
this section has been deducted. 96115

(19) Deduct, to the extent not otherwise deducted or 96116
excluded in computing federal or Ohio adjusted gross income for 96117
the taxable year, the amount the taxpayer received during the 96118
taxable year as reimbursement for life insurance premiums under 96119
section 5919.31 of the Revised Code. 96120

(20) Deduct, to the extent not otherwise deducted or 96121
excluded in computing federal or Ohio adjusted gross income for 96122
the taxable year, the amount the taxpayer received during the 96123
taxable year as a death benefit paid by the adjutant general 96124
under section 5919.33 of the Revised Code. 96125

(21) Deduct, to the extent included in federal adjusted 96126
gross income and not otherwise allowable as a deduction or 96127
exclusion in computing federal or Ohio adjusted gross income for 96128
the taxable year, military pay and allowances received by the 96129
taxpayer during the taxable year for active duty service in the 96130
United States army, air force, navy, marine corps, or coast 96131
guard or reserve components thereof or the national guard. The 96132
deduction may not be claimed for military pay and allowances 96133
received by the taxpayer while the taxpayer is stationed in this 96134

state. 96135

(22) Deduct, to the extent not otherwise allowable as a 96136
deduction or exclusion in computing federal or Ohio adjusted 96137
gross income for the taxable year and not otherwise compensated 96138
for by any other source, the amount of qualified organ donation 96139
expenses incurred by the taxpayer during the taxable year, not 96140
to exceed ten thousand dollars. A taxpayer may deduct qualified 96141
organ donation expenses only once for all taxable years 96142
beginning with taxable years beginning in 2007. 96143

human being. 96152

(23) Deduct, to the extent not otherwise deducted or 96153
excluded in computing federal or Ohio adjusted gross income for 96154
the taxable year, amounts received by the taxpayer as retired 96155
personnel pay for service in the uniformed services or reserve 96156
components thereof, or the national guard, or received by the 96157
surviving spouse or former spouse of such a taxpayer under the 96158
survivor benefit plan on account of such a taxpayer's death. If 96159
the taxpayer receives income on account of retirement paid under 96160
the federal civil service retirement system or federal employees 96161
retirement system, or under any successor retirement program 96162
enacted by the congress of the United States that is established 96163

and maintained for retired employees of the United States 96164
government, and such retirement income is based, in whole or in 96165
part, on credit for the taxpayer's uniformed service, the 96166
deduction allowed under this division shall include only that 96167
portion of such retirement income that is attributable to the 96168
taxpayer's uniformed service, to the extent that portion of such 96169
retirement income is otherwise included in federal adjusted 96170
gross income and is not otherwise deducted under this section. 96171
Any amount deducted under division (A) (23) of this section is 96172
not included in a taxpayer's adjusted gross income for the 96173
purposes of section 5747.055 of the Revised Code. No amount may 96174
be deducted under division (A) (23) of this section on the basis 96175
of which a credit was claimed under section 5747.055 of the 96176
Revised Code. 96177

(24) Deduct, to the extent not otherwise deducted or 96178
excluded in computing federal or Ohio adjusted gross income for 96179
the taxable year, the amount the taxpayer received during the 96180
taxable year from the military injury relief fund created in 96181
section 5902.05 of the Revised Code. 96182

(25) Deduct, to the extent not otherwise deducted or 96183
excluded in computing federal or Ohio adjusted gross income for 96184
the taxable year, the amount the taxpayer received as a veterans 96185
bonus during the taxable year from the Ohio department of 96186
veterans services as authorized by Section 2r of Article VIII, 96187
Ohio Constitution. 96188

(26) Deduct, to the extent not otherwise deducted or 96189

section 4313.02 of the Revised Code. 96193

(27) Deduct, to the extent not otherwise deducted or 96194

by the educational institution for which the grant was awarded 96200
at the institution's facilities, including meal plans 96201
administered by the institution. For the purposes of this 96202
division, receipt of a grant includes the distribution of a 96203
grant directly to an educational institution and the crediting 96204
of the grant to the enrollee's account with the institution. 96205

(28) Deduct from the portion of an individual's federal 96206
adjusted gross income that is business income, to the extent not 96207
otherwise deducted or excluded in computing federal adjusted 96208
gross income for the taxable year, one hundred twenty-five 96209
thousand dollars for each spouse if spouses file separate 96210
returns under section 5747.08 of the Revised Code or two hundred 96211
fifty thousand dollars for all other individuals. 96212

this state during a disaster response period pursuant to a 96222
qualifying solicitation received by the employee's employer; 96223

(ii) Compensation paid to a qualifying employee described 96224
in division (A) (14) (b) of section 5703.94 of the Revised Code to 96225

investee and the other members are deemed to own the 96848
proportionate share of the pass-through entity's physical assets 96849
which the pass-through entity directly or indirectly owns on the 96850
last day of the pass-through entity's calendar or fiscal year 96851

pass-through entity's calendar or fiscal year ending within or 96866
with the last day of the upper level pass-through entity's 96867
fiscal or calendar year. If the upper level pass-through entity 96868
directly and indirectly owns less than fifty per cent of the 96869
equity of the lower level pass-through entity on each day of the 96870
upper level pass-through entity's calendar or fiscal year in 96871
which or with which ends the calendar or fiscal year of the 96872
lower level pass-through entity and if, based upon clear and 96873
convincing evidence, complete information about the location and 96874
cost of the physical assets of the lower pass-through entity is 96875
not available to the upper level pass-through entity, then 96876
solely for purposes of ascertaining if a gain or loss 96877
constitutes a qualifying trust amount, the upper level pass- 96878
through entity shall be deemed as owning no equity of the lower 96879
level pass-through entity for each day during the upper level 96880
pass-through entity's calendar or fiscal year in which or with 96881
which ends the lower level pass-through entity's calendar or 96882
fiscal year. Nothing in division (AA) (5) (a) (iii) of this section 96883

preceding calendar year. The casino operator or sports gaming 97326
proprietor shall remit electronically with the annual return any 97327

previously remitted. If the identity of a person and the amount 97329
deducted and withheld with respect to that person were omitted 97330
on a monthly return, that information shall be indicated on the 97331
annual return. 97332

(4) (a) A casino operator or sports gaming proprietor who 97333
fails to file a return and remit the amounts deducted and 97334

the casino facility or sports gaming facility, or otherwise 97347
quits the casino or sports gaming business, the amounts deducted 97348

and withheld and any penalties and interest thereon are 97349
immediately due and payable. The successor shall withhold an 97350
amount of the purchase money that is sufficient to cover the 97351
amounts deducted and withheld and penalties and interest thereon 97352
until the predecessor casino operator or sports gaming 97353
proprietor produces either a receipt from the commissioner 97354
showing that the amounts deducted and withheld and penalties and 97355
interest thereon have been paid or a certificate from the 97356

of section 5747.09 of the Revised Code. This division applies 97379
only to the person for whom the amount is deducted and withheld. 97380

(E) The failure of a casino operator or sports gaming 97381
proprietor to deduct and withhold the required amount from a 97382
person's winnings does not relieve the person from liability for 97383
the tax imposed by section 5747.02 of the Revised Code with 97384
respect to those winnings. And compliance with this section does 97385
not relieve a casino operator or sports gaming proprietor or a 97386

thereon, up to the amount of the purchase money. 97479

~~(D) (1) (D)~~ Annually, on or before the thirty-first day of 97480
January, a video lottery sales agent shall issue an information 97481
return to each person with respect to whom an amount has been 97482
deducted and withheld during the preceding calendar year. The 97483
information return shall show the total amount deducted from the 97484
person's prize award by the video lottery sales agent during the 97485
preceding year. 97486

~~(2) Annually, on or before the thirty-first day of~~ 97487
~~January, a lottery sales agent shall provide to the tax~~ 97488
~~commissioner a copy of each information return issued under~~ 97489
~~division (D) (1) of this section for the preceding calendar year.~~ 97490
~~The commissioner may require that such copies be transmitted~~ 97491
~~electronically.~~ 97492

(E) Amounts deducted and withheld shall be allowed as a 97493
credit against payment of the tax imposed by section 5747.02 of 97494
the Revised Code and shall be treated as taxes paid for purposes 97495
of section 5747.09 of the Revised Code. This division applies 97496
only to the person for whom the amount is deducted and withheld. 97497

(F) The failure of a video lottery sales agent to deduct 97498

does not relieve the person from liability for the tax imposed 97500
by section 5747.02 of the Revised Code with respect to that 97501
income. Compliance with this section does not relieve a video 97502
lottery sales agent or a person who has a prize award from 97503
compliance with relevant provisions of federal tax laws. 97504

(G) The commissioner shall prescribe the form of the 97505

Code. 97564

(3) Except as required by divisions (B) (1) and (2) of this 97565
section, if an employer's actual or required payments were more 97566
than two thousand dollars during the twelve-month period ending 97567
on the thirtieth day of June of the preceding calendar year, the 97568

97587

(D) (1) The requirements of division (B) of this section are met if the amount paid is not less than ninety-five per cent of the actual tax withheld or required to be withheld for the prior quarterly, monthly, or partial weekly withholding period, and the underpayment is not due to willful neglect. Any underpayment of withheld tax shall be paid within thirty days of the date on which the withheld tax was due without regard to division (D) (1) of this section. An employer described in division (B) (1) or (2) of this section shall make the payment electronically under section 5747.072 of the Revised Code. 97588

97594
97595

(2) If the tax commissioner believes that quarterly or monthly payments would result in a delay that might jeopardize the remittance of withholding payments, the commissioner may order that the payments be made weekly, or more frequently if necessary, and the payments shall be made no later than three banking days following the close of the period for which the jeopardy order is made. An order requiring weekly or more frequent payments shall be delivered to the employer in the manner provided in section 5703.37 of the Revised Code and remains in effect until the commissioner notifies the employer to the contrary. 97598

The order shall be delivered to the employer in the manner provided in section 5703.37 of the Revised Code and shall remain in effect until the commissioner notifies the employer to the contrary. For purposes of division 97609
97610
97611
97612
97613
97614
97615

(D) (3) of this section, "compelling circumstances" exist if 97616
either or both of the following are true: 97617

(a) Based upon annualization of payments made or required 97618
to be made during the preceding calendar year and during the 97619
current calendar year, the employer would be required for the 97620
next calendar year to make payments under division (B) (2) of 97621
this section. 97622

(b) Based upon annualization of payments made or required 97623
to be made during the current calendar year, the employer would 97624
be required for the next calendar year to make payments under 97625
division (B) (2) of this section. 97626

(E) (1) In addition to other returns required to be filed 97627
and payments required to be made under this section, every 97628
employer required to deduct and withhold taxes shall file, not 97629
later than the thirty-first day of January of each year, an 97630
annual return covering, but not limited to, both the aggregate 97631
amount deducted and withheld and the aggregate amount required 97632
to be deducted and withheld during the entire preceding year for 97633
the tax imposed under section 5747.02 of the Revised Code and 97634
for each tax imposed under Chapter 5748. of the Revised Code. At 97635
the time of filing that return, the employer shall pay over any 97636
amounts of undeposited taxes for the preceding year, whether 97637
actually deducted and withheld or required to be deducted and 97638
withheld, that have not been previously paid. The employer shall 97639
make the annual report, to each employee and to the tax 97640
commissioner, of the compensation paid and each tax withheld, as 97641
the commissioner by rule may prescribe. 97642

(2) Each employer required to deduct and withhold any tax 97643
is liable for the payment of that amount required to be deducted 97644
and withheld, whether or not the tax has in fact been withheld, 97645

unless the failure to withhold was based upon the employer's 97646
good faith in reliance upon the statement of the employee as to 97647
liability, and the amount shall be deemed to be a special fund 97648
in trust for the general revenue fund. 97649

(F) Each employer shall file with the employer's annual 97650
return the following items of information on employees for whom 97651
withholding is required under section 5747.06 of the Revised 97652
Code: 97653

(1) The full name of each employee, the employee's 97654
address, the employee's school district of residence, and in the 97655
case of a nonresident employee, the employee's principal county 97656
of employment; 97657

(2) The social security number of each employee; 97658

(3) The total amount of compensation paid before any 97659
deductions to each employee for the period for which the annual 97660
return is made; 97661

(4) The amount of the tax imposed by section 5747.02 of 97662
the Revised Code and the amount of each tax imposed under 97663
Chapter 5748. of the Revised Code withheld from the compensation 97664
of the employee for the period for which the annual return is 97665
made. The commissioner may extend upon good cause the period for 97666
filing any notice or return required to be filed under this 97667
section and may adopt rules relating to extensions of time. If 97668
the extension results in an extension of time for the payment of 97669
the amounts withheld with respect to which the return is filed, 97670
the employer shall pay, at the time the amount withheld is paid, 97671
an amount of interest computed at the rate per annum prescribed 97672
by section 5703.47 of the Revised Code on that amount withheld, 97673
from the day that amount was originally required to be paid to 97674

the day of actual payment or to the day an assessment is issued 97675
under section 5747.13 of the Revised Code, whichever occurs 97676
first. 97677

(5) In addition to all other interest charges and 97678
penalties imposed, all amounts of taxes withheld or required to 97679
be withheld and remaining unpaid after the day the amounts are 97680
required to be paid shall bear interest from the date prescribed 97681
for payment at the rate per annum prescribed by section 5703.47 97682
of the Revised Code on the amount unpaid, in addition to the 97683
amount withheld, until paid or until the day an assessment is 97684
issued under section 5747.13 of the Revised Code, whichever 97685
occurs first. 97686

(G) An employee of a corporation, limited liability 97687
company, or business trust having control or supervision of or 97688
charged with the responsibility of filing the report and making 97689
payment, or an officer, member, manager, or trustee of a 97690
corporation, limited liability company, or business trust who is 97691
responsible for the execution of the corporation's, limited 97692
liability company's, or business trust's fiscal 97693
responsibilities, shall be personally liable for failure to file 97694
the report or pay the tax due as required by this section. The 97695
dissolution, termination, or bankruptcy of a corporation, 97696
limited liability company, or business trust does not discharge 97697
a responsible officer's, member's, manager's, employee's, or 97698
trustee's liability for a failure of the corporation, limited 97699
liability company, or business trust to file returns or pay tax 97700
due. 97701

(H) If an employer required to deduct and withhold income 97702
tax from compensation and to pay that tax to the state under 97703
sections 5747.06 and 5747.07 of the Revised Code sells the 97704

employer's business or stock of merchandise or quits the 97705
employer's business, the taxes required to be deducted and 97706
withheld and paid to the state pursuant to those sections prior 97707
to that time, together with any interest and penalties imposed 97708
on those taxes, become due and payable immediately, and that 97709
person shall make a final return within fifteen days after the 97710
date of selling or quitting business. The employer's successor 97711
shall withhold a sufficient amount of the purchase money to 97712
cover the amount of the taxes, interest, and penalties due and 97713
