(G) Except as provided in divisions (G)(8) and (J) of this section, the members of a public body may hold an executive session only after a majority of a quorum of the public body determines, by a roll call vote, to hold an executive session and only at a regular or special meeting for the sole purpose of the consideration of any of the following matters:

(1) To consider the appointment, employment, dismissal, 2489
discipline, promotion, demotion, or compensation of a public 2490
employee or official, or the investigation of charges or 2491
complaints against a public employee, official, licensee, or 2492
regulated individual, unless the public employee, official, 2493
licensee, or regulated individual requests a public hearing. 2494
Except as otherwise provided by law, no public body shall hold 2495
an executive session for the discipline of an elected official 2496
for conduct related to the performance of the elected official's 2497
official duties or for the elected official's removal from 2498
office. If a public body holds an executive session pursuant to 2499
division (G)(1) of this section, the motion and vote to hold 2500
that executive session shall state which one or more of the 2501
approved purposes listed in division (G)(1) of this section are 2502
the purposes for which the executive session is to be held, but 2503
need not include the name of any person to be considered at the 2504
meeting. 2505

(2) To consider the purchase of property for public 2506

Code, if premature disclosure of information would give an 2510
unfair competitive or bargaining advantage to a person whose 2511
personal, private interest is adverse to the general public 2512
interest. No member of a public body shall use division (G)(2) 2513
of this section as a subterfuge for providing covert information 2514
to prospective buyers or sellers. A purchase or sale of public 2515
property is void if the seller or buyer of the public property 2516
has received covert information from a member of a public body 2517
that has not been disclosed to the general public in sufficient 2518
time for other prospective buyers and sellers to prepare and 2519

submit offers. 2520

If the minutes of the public body show that all meetings 2521
and deliberations of the public body have been conducted in 2522
compliance with this section, any instrument executed by the 2523
public body purporting to convey, lease, or otherwise dispose of 2524
any right, title, or interest in any public property shall be 2525
conclusively presumed to have been executed in compliance with 2526
this section insofar as title or other interest of any bona fide 2527
purchasers, lessees, or transferees of the property is 2528
concerned. 2529

(3) Conferences with an attorney for the public body 2530
concerning disputes involving the public body that are the 2531

or bargaining sessions with public employees concerning their 2534
compensation or other terms and conditions of their employment; 2535

law or regulations or state statutes; 2537

(6) Details relative to the security arrangements and 2538
emergency response protocols for a public body or a public 2539
office, if disclosure of the matters discussed could reasonably 2540
be expected to jeopardize the security of the public body or 2541
public office; 2542

(7) In the case of a county hospital operated pursuant to 2543
Chapter 339. of the Revised Code, a joint township hospital 2544
operated pursuant to Chapter 513. of the Revised Code, or a 2545
municipal hospital operated pursuant to Chapter 749. of the 2546
Revised Code, to consider trade secrets, as defined in section 2547
1333.61 of the Revised Code; 2548

(8) To consider confidential information related to the 2549
marketing plans, specific business strategy, production 2550
techniques, trade secrets, or personal financial statements of 2551
an applicant for economic development assistance, or to 2552
negotiations with other political subdivisions respecting 2553
requests for economic development assistance, provided that both 2554
of the following conditions apply: 2555

(a) The information is directly related to a request for 2556
economic development assistance that is to be provided or 2557
administered under any provision of Chapter 715., 725., 1724., 2558
or 1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 2559
5709.43, 5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 2560
5709.81 of the Revised Code, or that involves public 2561
infrastructure improvements or the extension of utility services 2562
that are directly related to an economic development project. 2563

(b) A unanimous quorum of the public body determines, by a 2564
roll call vote, that the executive session is necessary to 2565
protect the interests of the applicant or the possible 2566
investment or expenditure of public funds to be made in 2567
connection with the economic development project. 2568

If a public body holds an executive session to consider 2569
any of the matters listed in divisions (G)(2) to (8) of this 2570
section, the motion and vote to hold that executive session 2571
shall state which one or more of the approved matters listed in 2572
those divisions are to be considered at the executive session. 2573

A public body specified in division (B)(1)(c) of this 2574
section shall not hold an executive session when meeting for the 2575
purposes specified in that division. 2576

(H) A resolution, rule, or formal action of any kind is 2577

invalid unless adopted in an open meeting of the public body. A 2578
resolution, rule, or formal action adopted in an open meeting 2579
that results from deliberations in a meeting not open to the 2580
public is invalid unless the deliberations were for a purpose 2581
specifically authorized in division (G) or (J) of this section 2582
and conducted at an executive session held in compliance with 2583
this section. A resolution, rule, or formal action adopted in an 2584
open meeting is invalid if the public body that adopted the 2585
resolution, rule, or formal action violated division (F) of this 2586
section. 2587

(I) (1) Any person may bring an action to enforce this 2588
section. An action under division (I) (1) of this section shall 2589
be brought within two years after the date of the alleged 2590
violation or threatened violation. Upon proof of a violation or 2591
threatened violation of this section in an action brought by any 2592
person, the court of common pleas shall issue an injunction to 2593
compel the members of the public body to comply with its 2594
provisions. 2595

(2) (a) If the court of common pleas issues an injunction 2596
pursuant to division (I) (1) of this section, the court shall 2597
order the public body that it enjoins to pay a civil forfeiture 2598
of five hundred dollars to the party that sought the injunction 2599
and shall award to that party all court costs and, subject to 2600
reduction as described in division (I) (2) of this section, 2601
reasonable attorney's fees. The court, in its discretion, may 2602
reduce an award of attorney's fees to the party that sought the 2603
injunction or not award attorney's fees to that party if the 2604
court determines both of the following: 2605

(i) That, based on the ordinary application of statutory 2606
law and case law as it existed at the time of violation or 2607

threatened violation that was the basis of the injunction, a 2608
well-informed public body reasonably would believe that the 2609
public body was not violating or threatening to violate this 2610
section; 2611

(ii) That a well-informed public body reasonably would 2612
believe that the conduct or threatened conduct that was the 2613
basis of the injunction would serve the public policy that 2614
underlies the authority that is asserted as permitting that 2615
conduct or threatened conduct. 2616

(b) If the court of common pleas does not issue an 2617
injunction pursuant to division (I)(1) of this section and the 2618
court determines at that time that the bringing of the action 2619
was frivolous conduct, as defined in division (A) of section 2620
2323.51 of the Revised Code, the court shall award to the public 2621
body all court costs and reasonable attorney's fees, as 2622
determined by the court. 2623

(3) Irreparable harm and prejudice to the party that 2624
sought the injunction shall be conclusively and irrebuttably 2625
presumed upon proof of a violation or threatened violation of 2626
this section. 2627

(4) A member of a public body who knowingly violates an 2628
injunction issued pursuant to division (I)(1) of this section 2629
may be removed from office by an action brought in the court of 2630
common pleas for that purpose by the prosecuting attorney or the 2631
attorney general. 2632

(J)(1) Pursuant to division (C) of section 5901.09 of the 2633

applicant, recipient, or former recipient, from a meeting that 2649
the commission conducts as an executive session that pertains to 2650
the applicant's, recipient's, or former recipient's application 2651
for financial assistance. 2652

(3) A veterans service commission shall vote on the grant 2653
or denial of financial assistance under sections 5901.01 to 2654
5901.15 of the Revised Code only in an open meeting of the 2655
commission. The minutes of the meeting shall indicate the name, 2656
address, and occupation of the applicant, whether the assistance 2657
was granted or denied, the amount of the assistance if 2658
assistance is granted, and the votes for and against the 2659
granting of assistance. 2660

council, the members of each county council to be part of the 3111
regional council shall meet to determine whether all or part of 3112

decision. 3128

An agreement, plan, or decision for which a statement is 3129
required to be submitted to the board shall be implemented only 3130

if it is approved by the board. 3131

of services in the county. For children who also receive 3135
services under the early intervention program, the main provider 3136
of service coordination shall be an early intervention service 3137
coordinator to ensure compliance with section ~~5123.02~~ 5180.30 of 3138
the Revised Code. All family service coordination plans shall be 3139
developed in accordance with the county service coordination 3140

(2) A procedure ensuring that a family and all appropriate 3158

(3) A procedure that permits a family to initiate a 3162
meeting to develop or review the family's service coordination 3163

such meeting; 3166

an emergency out-of-home placement has been made or for whom a 3170
nonemergency out-of-home placement is being considered. The 3171
meeting shall be conducted within ten days of an emergency out- 3172

parents and custodians are afforded the opportunity to 3193
participate; 3194

disputes not involving service coordination. The dispute 3212
resolution process is in addition to and does not replace other 3213
rights or procedures that parents or custodians may have under 3214
other sections of the Revised Code. 3215

The cabinet council shall adopt rules in accordance with 3216
Chapter 119. of the Revised Code establishing an administrative 3217

Chapters 5739. and 5741. of the Revised Code on computer data 3404
center equipment used or to be used at an eligible computer data 3405
center if the authority determines all of the following: 3406

(1) The capital investment project for the eligible 3407
computer data center will increase payroll and the amount of 3408
income taxes to be withheld from employee compensation pursuant 3409
to section 5747.06 of the Revised Code. 3410

(2) The applicant is economically sound and has the 3411
ability to complete or effect the completion of the proposed 3412
capital investment project. 3413

(3) The applicant intends to and has the ability to 3414
maintain operations at the project site for the term of the 3415
agreement. 3416

(4) Receiving the exemption is a major factor in the 3417
applicant's decision to begin, continue with, or complete the 3418
capital investment project. 3419

(E) An agreement entered into under this section shall 3420

include all of the following: 3421

(1) A detailed description of the capital investment 3422
project that is the subject of the agreement, including the 3423
amount of the investment, the period over which the investment 3424
has been or is being made, the annual compensation to be paid by 3425
each taxpayer subject to the agreement to its employees at the 3426
project site, and the anticipated amount of income taxes to be 3427
withheld from employee compensation pursuant to section 5747.06 3428
of the Revised Code. 3429

(2) The percentage of the exemption from the taxes imposed 3430
under Chapters 5739. and 5741. of the Revised Code for the 3431
computer data center equipment used or to be used at the 3432
eligible computer data center, the length of time the computer 3433
data center equipment will be exempted, and the first date on 3434
which the exemption applies. 3435

(3) A requirement that the computer data center remain an 3436
eligible computer data center during the term of the agreement 3437
and that the applicant maintain operations at the eligible 3438
computer data center during that term. An applicant does not 3439
violate the requirement described in division (E) (3) of this 3440
section if the applicant ceases operations at the eligible 3441
computer data center during the term of the agreement but 3442
resumes those operations within eighteen months after the date 3443
of cessation. The agreement shall provide that, in such a case, 3444
the applicant and any other taxpayer that operates a computer 3445
data center business at the project site shall not claim the tax 3446
exemption authorized in the agreement for any purchase of 3447
computer data center equipment made during the period in which 3448
the applicant did not maintain operations at the eligible 3449
computer data center. 3450

(4) A requirement that, for each year of the term of the agreement beginning on or after the first day of the twenty-fifth month after the date the agreement was entered into, one or more taxpayers operating a computer data center business at the project site will, in the aggregate, pay annual compensation that is subject to the withholding obligation imposed under section 5747.06 of the Revised Code of at least one million five hundred thousand dollars to employees at the eligible computer data center.

(5) A requirement that each taxpayer subject to the agreement annually report to the director of development services employment, tax withholding, capital investment, and other information required by the director to perform the director's duties under this section.

(6) A requirement that the director of development services annually review the annual reports of each taxpayer subject to the agreement to verify the information reported under division (E) (5) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to each such taxpayer stating that the information has been verified and that the taxpayer remains eligible for the exemption specified in the agreement.

(7) A provision providing that the taxpayers subject to the agreement may not relocate a substantial number of employment positions from elsewhere in this state to the project site unless the director of development services determines that the appropriate taxpayer notified the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated. For purposes of this paragraph, the movement of an employment position from one

political subdivision to another political subdivision shall be 3481
considered a relocation of an employment position unless the 3482
movement is confined to the project site. The transfer of an 3483
employment position from one political subdivision to another 3484
political subdivision shall not be considered a relocation of an 3485
employment position if the employment position in the first 3486
political subdivision is replaced by another employment 3487
position. 3488

(8) A waiver by each taxpayer subject to the agreement of 3489
any limitations periods relating to assessments or adjustments 3490
resulting from the taxpayer's failure to comply with the 3491
agreement. 3492

(F) The term of an agreement under this section shall be 3493
determined by the tax credit authority, and the amount of the 3494
exemption shall not exceed one hundred per cent of such taxes 3495
that would otherwise be owed in respect to the exempted computer 3496
data center equipment. 3497

(G) If any taxpayer subject to an agreement under this 3498
section fails to meet or comply with any condition or 3499
requirement set forth in the agreement, the tax credit authority 3500
may amend the agreement to reduce the percentage of the 3501
exemption or term during which the exemption applies to the 3502
computer data center equipment used or to be used by the 3503
noncompliant taxpayer at an eligible computer data center. The 3504
reduction of the percentage or term may take effect in the 3505
current calendar year. 3506

(H) Financial statements and other information submitted 3507
to the department of development services or the tax credit 3508
authority by an applicant for or recipient of an exemption under 3509
this section, and any information taken for any purpose from 3510

such statements or information, are not public records subject 3511
to section 149.43 of the Revised Code. However, the chairperson 3512
of the authority may make use of the statements and other 3513
information for purposes of issuing public reports or in 3514
connection with court proceedings concerning tax exemption 3515
agreements under this section. Upon the request of the tax 3516
commissioner, the chairperson of the authority shall provide to 3517
the tax commissioner any statement or other information 3518
submitted by an applicant for or recipient of an exemption under 3519
this section. The tax commissioner shall preserve the 3520
confidentiality of the statement or other information. 3521

(I) The tax commissioner shall issue a direct payment 3522
permit under section 5739.031 of the Revised Code to each 3523
taxpayer subject to an agreement under this section. Such direct 3524
payment permit shall authorize the taxpayer to pay any sales and 3525
use taxes due on purchases of computer data center equipment 3526
used or to be used in an eligible computer data center and to 3527
pay any sales and use taxes due on purchases of tangible 3528
personal property or taxable services other than computer data 3529
center equipment used or to be used in an eligible computer data 3530
center directly to the tax commissioner. Each such taxpayer 3531
shall pay pursuant to such direct payment permit all sales tax 3532
levied on such purchases under sections 5739.02, 5739.021, 3533
5739.023, and 5739.026 of the Revised Code and all use tax 3534
levied on such purchases under sections 5741.02, 5741.021, 3535
5741.022, and 5741.023 of the Revised Code, consistent with the 3536
terms of the agreement entered into under this section. 3537

During the term of an agreement under this section each 3538
taxpayer subject to the agreement shall submit to the tax 3539
commissioner a return that shows the amount of computer data 3540
center equipment purchased for use at the eligible computer data 3541

center, the amount of tangible personal property and taxable 3542
services other than computer data center equipment purchased for 3543
use at the eligible computer data center, the amount of tax 3544
under Chapter 5739. or 5741. of the Revised Code that would be 3545
due in the absence of the agreement under this section, the 3546
exemption percentage for computer data center equipment 3547
specified in the agreement, and the amount of tax due under 3548
Chapter 5739. or 5741. of the Revised Code as a result of the 3549
agreement under this section. Each such taxpayer shall pay the 3550
tax shown on the return to be due in the manner and at the times 3551
as may be further prescribed by the tax commissioner. Each such 3552
taxpayer shall include a copy of the director of development 3553
services' certificate of verification issued under division (E) 3554
(6) of this section. Failure to submit a copy of the certificate 3555
with the return does not invalidate the claim for exemption if 3556
the taxpayer submits a copy of the certificate to the tax 3557
commissioner within the time prescribed by section 5703.0510 of 3558
the Revised Code. 3559

(J) If the director of development services determines 3560
that one or more taxpayers received an exemption from taxes due 3561
on the purchase of computer data center equipment purchased for 3562
use at a computer data center that no longer complies with the 3563
requirement under division (E) (3) of this section, the director 3564
shall notify the tax credit authority and, if applicable, the 3565
taxpayer that applied to enter the agreement for the exemption 3566
under division (C) of this section of the noncompliance. After 3567
receiving such a notice, and after giving each taxpayer subject 3568
to the agreement an opportunity to explain the noncompliance, 3569
the authority may terminate the agreement and require each such 3570
taxpayer to pay to the state all or a portion of the taxes that 3571
would have been owed in regards to the exempt equipment in 3572

previous years, all as determined under rules adopted pursuant 3573
to division (K) of this section. In determining the portion of 3574
the taxes that would have been owed on the previously exempted 3575
equipment to be paid to this state by a taxpayer, the authority 3576
shall consider the effect of market conditions on the eligible 3577
computer data center, whether the taxpayer continues to maintain 3578
other operations in this state, and, with respect to agreements 3579
involving multiple taxpayers, the taxpayer's level of 3580
responsibility for the noncompliance. After making the 3581
determination, the authority shall certify to the tax 3582
commissioner the amount to be paid by each taxpayer subject to 3583
the agreement. The tax commissioner shall make an assessment for 3584
that amount against each such taxpayer under Chapter 5739. or 3585
5741. of the Revised Code. The time limitations on assessments 3586
under those chapters do not apply to an assessment under this 3587
division, but the tax commissioner shall make the assessment 3588
within one year after the date the authority certifies to the 3589
tax commissioner the amount to be paid by the taxpayer. 3590

(K) The director of development services, after 3591
consultation with the tax commissioner and in accordance with 3592
Chapter 119. of the Revised Code, shall adopt rules necessary to 3593
implement this section. The rules may provide for recipients of 3594
tax exemptions under this section to be charged fees to cover 3595
administrative costs incurred in the administration of this 3596
section. The fees collected shall be credited to the tax 3597
incentives operating fund created in section 122.174 of the 3598
Revised Code. At the time the director gives public notice under 3599
division (A) of section 119.03 of the Revised Code of the 3600
adoption of the rules, the director shall submit copies of the 3601
proposed rules to the chairpersons of the standing committees on 3602
economic development in the senate and the house of 3603

representatives. 3604

(L) On or before the first day of August of each year, the 3605
director of development services shall submit a report to the 3606
governor, the president of the senate, and the speaker of the 3607
house of representatives on the tax exemption authorized under 3608
this section. The report shall include information on the number 3609
of agreements that were entered into under this section during 3610
the preceding calendar year, a description of the eligible 3611
computer data center that is the subject of each such agreement, 3612
and an update on the status of eligible computer data centers 3613
under agreements entered into before the preceding calendar 3614
year. 3615

(M) A taxpayer may be made a party to an existing 3616
agreement entered into under this section by the tax credit 3617
authority and another taxpayer or group of taxpayers. In such a 3618
case, the taxpayer shall be entitled to all benefits and bound 3619
by all obligations contained in the agreement and all 3620
requirements described in this section. When an agreement 3621
includes multiple taxpayers, each taxpayer shall be entitled to 3622
a direct payment permit as authorized in division (I) of this 3623
section. 3624

expansion grant program shall be prioritized from the highest to 3757
the lowest point score under those factors and rubric. 3758

~~(C)~~ (B) Of a possible maximum score of three hundred 3759
points, the score for eligible projects for unserved and 3760
underserved areas shall be calculated as ~~the sum of the~~ 3761
~~following~~ follows: 3762

(1) ~~The point value determined by multiplying three~~ 3763
~~hundred times the percentage of passes~~ application will receive 3764
one-half point for each residential address in unserved areas of 3765
the application. 3766

(2) ~~One half of the point value determined by multiplying~~ 3767
~~three hundred times the percentage of passes~~ The application 3768
will receive one-quarter point for each residential address in 3769

hundred fifty megabits per second upstream; 3788

(4) One hundred twenty-five points for broadband speeds 3789
that are seven hundred fifty megabits per second or greater 3790
downstream and two hundred fifty megabits per second or greater 3791
upstream, but less than one gigabit per second downstream and 3792
five hundred megabits per second upstream; 3793

(5) One hundred fifty points for broadband speeds that are 3794
one gigabit per second or greater downstream and five hundred 3795
megabits per second or greater upstream, but less than one 3796

~~(E)~~ (1) (D) (1) Of a possible maximum score of one hundred 3801

fifty points, the score for rating broadband service cost shall 3802
be the sum of divisions ~~(E) (1) (a)~~ (D) (1) (a) and (b) of this 3803
section as follows: 3804

(a) Of a possible maximum of seventy-five points, the 3805

(2) (a) For each application submission period, the 3812
broadband expansion program authority shall determine the grant 3813

period. The authority shall determine the grant cost percentile 3815
by doing the following: 3816

(i) Determining, for each individual application in the 3817
state, the total grant cost per eligible address in the 3818
application by calculating the quotient of the amount of program 3819
grant funds requested for the application divided by the number 3820
of eligible addresses in the application; 3821

(ii) Ranking, from lowest to highest cost, all individual 3822
applications by total grant cost per eligible address; 3823

(iii) Assigning each individual application a percentile 3824
based on its total grant cost per eligible address relative to 3825

(b) Percentiles under division ~~(E) (2) (a) (iii)~~ (D) (2) (a) 3827
(iii) of this section shall be assigned so that the highest 3828
percentile is assigned to the application with the lowest total 3829
grant cost per eligible address and percentiles for all other 3830

applications assigned based on each application's relative grant cost per eligible address. 3831
3832

~~(F)~~(E) Of a possible maximum score of one hundred points, 3833
the score for providing tier two broadband service or greater to 3834
eligible addresses located in an eligible project shall be 3835
calculated as follows: 3836

(1) Ten points for the number of eligible addresses equal to five hundred or more, but less than one thousand; 3837
3838

(2) Twenty points for the number of eligible addresses equal to one thousand or more, but less than one thousand five hundred; 3839
3840
3841

(3) Thirty points for the number of eligible addresses equal to one thousand five hundred or more, but less than two thousand; 3842
3843
3844

(4) Forty points for the number of eligible addresses equal to two thousand or more, but less than two thousand five hundred; 3845
3846
3847

(5) Fifty points for the number of eligible addresses equal to two thousand five hundred or more, but less than three thousand; 3848

3852
3853

(7) Seventy points for the number of eligible addresses equal to three thousand five hundred or more, but less than four thousand; 3854

hundred; 3859

(9) Ninety points for the number of eligible addresses 3860
equal to four thousand five hundred or more, but less than five 3861
thousand; 3862

(10) One hundred points for the number of eligible 3863
addresses equal to five thousand or more. 3864

~~(G)~~(F) Of a possible maximum score of fifty points, the 3865
score for local support for the application shall be calculated 3866
as follows: 3867

(1) (a) Twenty-five points if the application includes a 3868
resolution of support from the board of county commissioners in 3869
the county where the eligible project is located; or 3870

(b) If an application's eligible project spans multiple 3871
counties, of a possible maximum score of twenty-five points for 3872
resolutions adopted by boards of county commissioners, the 3873

unforeseeable circumstances beyond the production company's 4374
control or due to action or inaction by a government agency. 4375

(C) (1) A production company whose motion picture or 4381

division (D) of this section, whichever is least, is less than 4394
or equal to three hundred thousand dollars, no credit is 4395
allowed; 4396

(b) If the total budgeted eligible expenditures stated in 4397
the application submitted under division (B) of this section or 4398
the actual eligible expenditures as finally determined under 4399
division (D) of this section, whichever is least, is greater 4400
than three hundred thousand dollars, the credit equals thirty 4401
per cent of the least of such budgeted or actual eligible 4402
expenditure amounts. 4403

(2) Except as provided in division (C) (4) of this section, 4404
if the director of development approves a production company's 4405
application for a credit, the director shall issue a tax credit 4406
certificate to the company. The director in consultation with 4407
the tax commissioner shall prescribe the form and manner of 4408
issuing certificates. The director shall assign a unique 4409

the name of the production company to which the certificate was 4416

(4) No tax credit certificate may be issued before the completion of the tax credit-eligible production. The amount of tax credit allowed per fiscal year shall not exceed the sum of (a) fifty million dollars, (b) the difference between the maximum credit amount for that fiscal year under section 122.852 of the Revised Code and the amount the director of development elects to allow under this section pursuant to division (D) (1) of section 122.852 of the Revised Code, and (c) the difference between the maximum amount of credits that could have been awarded in the previous fiscal year under this section and the amount actually awarded. Out of that sum, five million dollars shall be reserved for Broadway theatrical productions, and the balance may be allowed for any tax credit-eligible production. For any fiscal year in which less than five million dollars of tax credits are allowed for Broadway theatrical productions, the amount of the five million dollars not allowed and added to the maximum annual amount for the following fiscal year shall be reserved for Broadway theatrical productions in the following fiscal year.

(5) The director shall review and approve applications for tax credits ~~in two rounds each fiscal year. The first round of credits shall be awarded not later than the last day of July of~~

~~the fiscal year, and the second round of credits shall be~~ 4451
~~awarded not later than the last day of the ensuing January. The~~ 4452

~~allowance for the fiscal year calculated under division (C)(4)~~ 4455
~~of this section, two million five hundred thousand dollars of~~ 4456
~~which shall be reserved for Broadway theatrical productions. For~~ 4457
~~each round, the director shall rank applications on the basis of~~ 4458
~~the extent of positive economic impact each tax credit-eligible~~ 4459
~~production is likely to have in this state and the effect on~~ 4460
~~developing a permanent workforce in motion picture or theatrical~~ 4461
~~production industries in the state. For the purpose of such~~ 4462
~~ranking, the~~ on a rolling basis. ~~The~~ director shall give 4463
priority to tax-credit eligible productions that are television 4464
series or miniseries due to the long-term commitment typically 4465
associated with such productions. ~~The economic impact ranking~~ 4466
~~shall be based on the production company's total expenditures in~~ 4467
~~this state directly associated with the tax credit-eligible~~ 4468
~~production. The effect on developing a permanent workforce in~~ 4469
~~the motion picture or theatrical production industries shall be~~ 4470
~~evaluated first by the number of new jobs created and second by~~ 4471
~~amount of payroll added with respect to employees in this state.~~ 4472

~~The director shall approve productions in the order of~~ 4473
~~their ranking, from those with the greatest positive economic~~ 4474
~~impact and workforce development effect to those with the least~~ 4475
~~positive economic impact and workforce development effect.~~ 4476

(D) A production company whose motion picture or Broadway 4477
theatrical production has been certified as a tax credit- 4478
eligible production shall engage, at the company's expense, an 4479
independent certified public accountant to examine the company's 4480
production, postproduction, and advertising and promotion 4481

expenditures to identify the expenditures that qualify as 4482
eligible expenditures. The certified public accountant shall 4483
issue a report to the company and to the director of development 4484
certifying the company's eligible expenditures and any other 4485
information required by the director. Upon receiving and 4486
examining the report, the director may disallow any expenditure 4487
the director determines is not an eligible expenditure. If the 4488
director disallows an expenditure, the director shall issue a 4489
written notice to the production company stating that the 4490
expenditure is disallowed and the reason for the disallowance. 4491
Upon examination of the report and disallowance of any 4492
expenditures, the director shall determine finally the lesser of 4493
the total budgeted eligible expenditures stated in the 4494
application submitted under division (B) of this section or the 4495
actual eligible expenditures for the purpose of computing the 4496
amount of the credit. 4497

(E) No credit shall be allowed under section 5726.55, 4498
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 4499
director has reviewed the report and made the determination 4500
prescribed by division (D) of this section. 4501

this state's name in the credits of any tax credit-eligible 4503

program described in division (H) of this section. The rules 4520
shall be adopted under Chapter 119. of the Revised Code. 4521

director shall require each applicant to pay an application fee 4523
equal to the lesser of ten thousand dollars or one per cent of 4524
the estimated value of the tax credit as stated in the 4525
application. The fees collected shall be credited to the tax 4526
incentives operating fund created in section 122.174 of the 4527
Revised Code. All grants, gifts, fees, and contributions made to 4528

(3) Upon completion of a tax-credit eligible production, 4545
and upon the receipt of any salary information and other 4546
documentation required by the director, authorize a 4547
reimbursement payment to each production company whose 4548
application was approved under division (H) (2) of this section. 4549

for a merit program or other human resources services performed 5268
and facilities furnished under this section, such as competitive 5269

director's agent for the purpose of carrying out the provisions 5277

county, that the director designates. Each municipal civil 5279
service commission designated as an agent of the director shall 5280
render to the director, at the end of each month, an itemized 5281
statement of the cost incurred by the commission for work done 5282
as the agent of the director, and the director, after approving 5283
that statement, shall pay the total amount of it to the 5284
treasurer of the municipal corporation in the same manner as 5285
other expenses of the department of administrative services. 5286~~

~~(F) The director of administrative services and the 5287
examiners, inspectors, clerks, and assistants referred to in 5288
this section shall receive, in addition to their salaries, 5289
reimbursement for necessary traveling and other expenses 5290

authority to establish positions in the unclassified service 5453
under division (A) (26) of this section is in addition to and 5454
does not limit any other authority that an administrative 5455
department or state agency has under the Revised Code to 5456
establish positions, appoint employees, or set compensation. 5457

(27) Employees of the department of agriculture employed 5458

(32) Employees placed in the unclassified service by 5474

(B) The classified service shall comprise all persons in 5476
the employ of the state and the several counties, cities, city 5477
health districts, general health districts, and city school 5478
districts of the state, not specifically included in the 5479
unclassified service. Upon the creation by the board of trustees 5480
of a civil service township civil service commission, the 5481
classified service shall also comprise, except as otherwise 5482
provided in division (A) (17) or (C) of this section, all persons 5483
in the employ of a civil service township police or fire 5484
department having ten or more full-time paid employees. The 5485
classified service consists of two classes, which shall be 5486
designated as the competitive class and the unskilled labor 5487
class. 5488

(1) The competitive class shall include all positions and 5489
employments in the state and the counties, cities, city health 5490
districts, general health districts, and city school districts 5491
of the state, and, upon the creation by the board of trustees of 5492
a civil service township of a township civil service commission, 5493
all positions in a civil service township police or fire 5494
department having ten or more full-time paid employees, for 5495
which it is practicable to determine the merit and fitness of 5496
applicants by competitive examinations. Appointments shall be 5497
made to, or employment shall be given in, all positions in the 5498
competitive class that are not filled by promotion, 5499
reinstatement, transfer, or reduction, as provided in this 5500
chapter, and the rules of the director of administrative 5501

services, by appointment from those certified to the appointing officer in accordance with this chapter.

(2) The unskilled labor class shall include ordinary unskilled laborers. Vacancies in the labor class for positions in service of the state shall be filled by appointment from lists of applicants registered by the director or the director's designee. Vacancies in the labor class for all other positions shall be filled by appointment from lists of applicants registered by a commission. The director or the commission, as applicable, by rule, shall require an applicant for registration in the labor class to furnish evidence or take tests as the director or commission considers proper with respect to age, residence, physical condition, ability to labor, honesty, sobriety, industry, capacity, and experience in the work or employment for which application is made. Laborers who fulfill the requirements shall be placed on the eligible list for the kind of labor or employment sought, and preference shall be given in employment in accordance with the rating received from that evidence or in those tests. Upon the request of an appointing officer, stating the kind of labor needed, the pay and probable length of employment, and the number to be employed, the director or commission, as applicable, shall certify from the highest on the list double the number to be employed; from this number, the appointing officer shall appoint the number actually needed for the particular work. If more than one applicant receives the same rating, priority in time of application shall determine the order in which their names shall be certified for appointment.

(C) A municipal or civil service township civil service commission may place volunteer firefighters who are paid on a fee-for-service basis in either the classified or the

unclassified civil service. 5533

(D) (1) This division does not apply to persons in the 5534
unclassified service who have the right to resume positions in 5535
the classified service under sections 4121.121, 5119.18, 5536
5120.38, 5120.381, 5120.382, 5123.08, and 5139.02 of the Revised 5537
Code or to cities, counties, or political subdivisions of the 5538
state. 5539

(2) A person who holds a position in the classified 5540
service of the state and who is appointed to a position in the 5541
unclassified service shall retain the right to resume the 5542
position and status held by the person in the classified service 5543
immediately prior to the person's appointment to the position in 5544
the unclassified service, regardless of the number of positions 5545
the person held in the unclassified service. An employee's right 5546
to resume a position in the classified service may only be 5547
exercised when an appointing authority demotes the employee to a 5548
pay range lower than the employee's current pay range or revokes 5549
the employee's appointment to the unclassified service and any 5550
of the following apply: 5551

(a) That person held a certified position prior to July 1, 5552
2007, in the classified service within the appointing 5553
authority's agency; 5554

(b) That person held a permanent position on or after July 5555
1, 2007, in the classified service within the appointing 5556
authority's agency, and was appointed to the position in the 5557
unclassified service prior to January 1, 2016; 5558

(c) That person held a permanent position on or after 5559
January 1, 2016, in the classified service within the appointing 5560
authority's agency, and is within five years from the effective 5561

date of the person's appointment in the unclassified service. 5562

(3) An employee forfeits the right to resume a position in 5563
the classified service when: 5564

(a) The employee is removed from the position in the 5565
unclassified service due to incompetence, inefficiency, 5566
dishonesty, drunkenness, immoral conduct, insubordination, 5567
discourteous treatment of the public, neglect of duty, violation 5568
of this chapter or the rules of the director of administrative 5569
services, any other failure of good behavior, any other acts of 5570
misfeasance, malfeasance, or nonfeasance in office, or 5571
conviction of a felony while employed in the civil service; or 5572

(b) Upon transfer to a different agency. 5573

(4) Reinstatement to a position in the classified service 5574
shall be to a position substantially equal to that position in 5575
the classified service held previously, as certified by the 5576
director of administrative services. If the position the person 5577
previously held in the classified service has been placed in the 5578
unclassified service or is otherwise unavailable, the person 5579
shall be appointed to a position in the classified service 5580
within the appointing authority's agency that the director of 5581
administrative services certifies is comparable in compensation 5582
to the position the person previously held in the classified 5583
service. Service in the position in the unclassified service 5584
shall be counted as service in the position in the classified 5585
service held by the person immediately prior to the person's 5586
appointment to the position in the unclassified service. When a 5587
person is reinstated to a position in the classified service as 5588
provided in this division, the person is entitled to all rights, 5589
status, and benefits accruing to the position in the classified 5590
service during the person's time of service in the position in 5591

the unclassified service. 5592

Sec. 124.134. (A) Each full-time permanent state employee 5593
paid in accordance with the schedules created under section 5594
124.152 of the Revised Code and those employees listed in 5595
divisions (B) (2) and (4) of section 124.14 of the Revised Code 5596
shall be credited with vacation leave with full pay according to 5597
length of service and accruing at a corresponding rate per 5598
biweekly pay period, as follows: 5599
5600

1 2

A	Length of Service Per Pay Period	Accrual Rate
B	Less than 4 years	3.1 hours
C	4 but less than 9 years	4.6 hours
D	9 but less than 14 years	6.2 hours
E	14 but less than 19 years	6.9 hours
F	19 but less than 24 years	7.7 hours
G	24 years or more	9.2 hours

Fifty-two weeks equal one year of service. 5601

The amount of an employee's service shall be determined in 5602
accordance with the standard specified in section 9.44 of the 5603
Revised Code. Credit for prior service, including an increased 5604
vacation accrual rate and longevity supplement, shall take 5605
effect during the first pay period that begins immediately 5606
following the date the director of administrative services 5607
approves granting credit for that prior service. No employee, 5608

other than an employee who submits proof of prior service within 5609
ninety days after the date of the employee's hiring, shall 5610
receive any amount of vacation leave for the period prior to the 5611
date of the director's approval of the grant of credit for prior 5612
service. 5613

Part-time permanent employees who are paid in accordance 5614
with the schedules created under section 124.152 of the Revised 5615
Code and full-time permanent employees subject to this section 5616
who are in active pay status for less than eighty hours in a pay 5617
period shall earn vacation leave on a prorated basis. The ratio 5618
between the hours worked and the vacation hours earned by these 5619
classes of employees shall be the same as the ratio between the 5620
hours worked and the vacation hours earned by a full-time 5621
permanent employee with the same amount of service as provided 5622
for in this section. 5623

Vacation leave is not available for use until it appears 5624
on the employee's earning statement and the compensation 5625
described in the earning statement is available to the employee. 5626

(B) Employees granted leave under this section shall 5627
forfeit their right to take or to be paid for any vacation leave 5628
to their credit which is in excess of the accrual for three 5629
years. Any excess leave shall be eliminated from the employees' 5630
leave balance. 5631

(C) Except as provided in division (D) of this section, 5632
beginning in fiscal year 2012, an employee may be paid for up to 5633
eighty hours of vacation leave each fiscal year if the employee 5634
requested and was denied the use of vacation leave during that 5635
fiscal year. No employee shall receive payment for more than 5636
eighty hours of denied vacation leave in a single fiscal year. 5637
An employee is only eligible to receive payment for vacation 5638

leave when the employee's vacation leave credit is at, or will 5639
reach in the immediately following pay period, the maximum of 5640
the accrual for three years and the employee has been denied the 5641
use of vacation leave. An employee is not entitled to receive 5642
payment for vacation leave denied in any pay period in which the 5643
employee's vacation leave credit is not at, or will not reach in 5644
the immediately following pay period, the maximum of accrual for 5645
three years. Any vacation leave for which an employee receives 5646
payment shall be deducted from the employee's vacation leave 5647
balance. No employee is eligible to receive payment for denied 5648
vacation leave in either fiscal year 2010 or fiscal year 2011. 5649

(D) The supreme court, general assembly, secretary of 5650
state, auditor of state, treasurer of state, and attorney 5651
general may establish by policy an alternate payment structure 5652
for employees whose vacation leave credit is at, or will reach 5653
in the immediately following pay period, the maximum of accrual 5654
for three years and the employee has been denied the use of 5655
vacation leave. An employee is not entitled to receive payment 5656
for vacation leave denied in any pay period in which the 5657
employee's vacation leave credit is not at, or will not reach in 5658
the immediately following pay period, the maximum of accrual for 5659
three years. Any vacation leave for which the employee receives 5660
payment shall be deducted from the employee's vacation leave 5661
balance. 5662

(E) Except as otherwise provided in this division, upon 5663
separation from state service, an employee granted leave under 5664
this section is entitled to compensation at the employee's 5665
current rate of pay for all unused vacation leave accrued under 5666
this section or section 124.13 of the Revised Code to the 5667
employee's credit. An employee who separates from state service 5668
with less than twelve months of total state service is not 5669

entitled to compensation for unused accrued vacation leave. In 5670
case of transfer of an employee from one state agency to 5671
another, the employee shall retain the unused accrued vacation 5672
leave. In case of the death of an employee, the unused accrued 5673
vacation leave shall be paid in accordance with section 2113.04 5674
of the Revised Code, or to the employee's estate. An employee 5675
serving in a temporary work level who is eligible to receive 5676
compensation under this division shall be compensated at the 5677
base rate of pay of the employee's normal classification. 5678

(F) (1) Except as provided in division (G) of this section, 5679

(2) To be eligible for the conversion described in 5685
division (F) (1) of this section, an employee shall have not less 5686

up to eighty hours of unused accrued vacation leave to cash 5695
under division (F) (1) of this section. An employee who has not 5696

(7) The director shall establish procedures to implement 5717
this division. The director shall include in the procedures a 5718
final date by which an employee must notify the director of the 5719

employees of the supreme court, the general assembly, the 5727
legislative service commission, the secretary of state, the 5728

employees eligible. The first year that these entities may elect 5738
to allow to make the employees eligible is 2023. After notifying 5739
the director in writing of the decision that employees of those 5740
respective entities are eligible, those employees remain 5741
eligible until the respective entity notifies the director in 5742
writing on or before the first day of October of the calendar 5743
year that the employees are ineligible. If any entity notifies 5744
the director of a decision that employees of those entities are 5745
ineligible during any calendar year, those employees remain 5746
ineligible until the entity notifies the director in writing on 5747
or before the first day of October of the calendar year that the 5748
employees are eligible. This division does not apply to 5749
employees defined as public employees under section 4117.01 of 5750

attendance of witnesses. This division does not apply if the 5758
state employee is a party to the action or proceeding involved 5759

or is subpoenaed as a result of secondary employment outside the 5760
service of the state. 5761

(C) Each full-time permanent state employee paid in 5762
accordance with the schedules created under section 124.152 of 5763
the Revised Code and those employees described in divisions (B) 5764
(2) and (4) of section 124.14 of the Revised Code also may be 5765
entitled, in their appointing authority's discretion, to paid 5766
leave when appointed to serve on advisory boards or commissions 5767
or when soliciting for charities for which payroll deductions 5768
are made. 5769

Sec. 124.136. (A) As used in this section: 5770

3705.01 of the Revised Code. 5772

(2) "Stillborn" means that an infant of at least twenty 5773
weeks of gestation suffered a fetal death. 5774

(B) (1) Each permanent full-time and permanent part-time 5775
employee paid in accordance with the schedules created under 5776
section 124.152 of the Revised Code and each employee listed in 5777
division (B) (2), (3), or (4) of section 124.14 of the Revised 5778
Code who works thirty or more hours per week, and who meets the 5779
requirement of division (B) (2) (a) of this section is eligible, 5780
upon the birth, stillbirth, or adoption of a child, for a 5781
parental leave of absence and parental leave benefits under this 5782
section. If the employee takes leave under this section for a 5783
stillbirth, the employee is ineligible for leave under section 5784
124.387 of the Revised Code. 5785

(2) (a) To be eligible for leave and benefits under this 5786
section, an employee must be one of the following: 5787

(i) A parent, as listed on the birth certificate, of a 5788

newly born child; 5789

(ii) A parent, as listed on the fetal death certificate, 5790
of a stillborn child; 5791

(iii) A legal guardian of a newly adopted child who 5792
resides in the same household as that child. 5793

(b) Employees may elect to receive five thousand dollars 5794
for adoption expenses in lieu of receiving the paid leave 5795
benefit provided under this section. Such payment may be 5796
requested upon placement of the child in the employee's home. If 5797
the child is already residing in the home, payment may be 5798
requested at the time the adoption is approved. 5799

(3) The average number of regular hours worked, which 5800
shall include all hours of holiday pay and other types of paid 5801
leave, during the three-month period immediately preceding the 5802
day parental leave of absence begins shall be used to determine 5803
eligibility and benefits under this section for part-time 5804
employees, but such benefits shall not exceed forty hours per 5805
week. If an employee has not worked for a three-month period, 5806
the number of hours for which the employee has been scheduled to 5807
work per week during the employee's period of employment shall 5808
be used to determine eligibility and benefits under this 5809
section. 5810

(C) Parental leave granted under this section shall not 5811
exceed twelve consecutive weeks, which shall include four 5812
hundred eighty hours of paid leave for permanent full-time 5813
employees and a prorated number of hours of paid leave for 5814
permanent part-time employees. Parental leave shall be taken 5815
within one year of the birth of the child, delivery of the 5816
stillborn child, or placement of the child for adoption. During 5817

the leave period, employees shall receive paid leave equal to 5818
seventy per cent of their base rate of pay. All of the following 5819
apply to employees granted parental leave: 5820

(1) They remain eligible to receive all employer-paid 5821
benefits and continue to accrue all other forms of paid leave as 5822

(2) They are ineligible to receive overtime pay, and no 5824
portion of their parental leave shall be included in calculating 5825
their overtime pay. 5826

(3) They are ineligible to receive holiday pay. A holiday 5827
occurring during the leave period shall be counted as one day of 5828
parental leave and be paid as such. 5829

(D) Employees receiving parental leave may utilize 5830
available sick leave, personal leave, vacation leave, or 5831
compensatory time balances in order to supplement the seventy 5832
per cent of their base rate of pay received during the parental 5833
leave period, in an amount sufficient to give them up to one 5834
hundred per cent of their pay for time on parental leave. 5835

Use of parental leave does not affect an employee's 5836
eligibility for other forms of paid leave granted under this 5837
chapter and does not prohibit an employee from taking leave 5838
under the "Family and Medical Leave Act of 1993," 107 Stat. 6, 5839
29 U.S.C.A. 2601, except that parental leave shall be included 5840
in any leave time provided under that act. An employee may not 5841
receive parental leave under this section after exhausting leave 5842
under the Family and Medical Leave Act of 1993 for the birth of 5843
the child, delivery of the stillborn child, or placement of the 5844
child for adoption. 5845

(E) Employees receiving disability leave benefits under 5846

section 124.385 of the Revised Code prior to becoming eligible 5847
for parental leave shall continue to receive disability leave 5848
benefits for the duration of their disabling condition or as 5849
otherwise provided under the disability leave benefits program. 5850
If an employee is receiving disability leave benefits because of 5851
pregnancy and these benefits expire prior to the expiration date 5852
of any benefits the employee would have been entitled to receive 5853
under this section, the employee shall receive parental leave 5854
for such additional time. 5855

the employee is absent from work. 5875

5935

(D) The salary and wage rates in division (A) of this section or in the schedules created under section 124.152 of the 5936
5937

Revised Code represent base rates of compensation and may be 5938
augmented by the provisions of section 124.181 of the Revised 5939
Code. In those cases where lodging, meals, laundry, or other 5940
personal services are furnished an employee in the service of 5941
the state, the actual costs or fair market value of the personal 5942
services shall be paid by the employee in such amounts and 5943
manner as determined by the director of administrative services 5944
and approved by the director of budget and management, and those 5945

if it is similar to a payment or benefit already provided by law 5967
to some or all of these employees. Any payment or benefit so 5968

provided shall not exceed the highest level for that payment or 5969
benefit specified in such a collective bargaining agreement. The 5970
director of administrative services shall not provide, and the 5971
director of budget and management shall not approve, any payment 5972
or benefit to such an employee under this division unless the 5973
payment or benefit is provided pursuant to a collective 5974
bargaining agreement to a state employee who is in a position 5975
with similar duties as, is supervised by, or is employed by the 5976
same appointing authority as, the employee to whom the benefit 5977
or payment is to be provided. 5978

As used in this division, "payment or benefit already 5979
provided by law" includes, but is not limited to, bereavement, 5980
personal, vacation, administrative, and sick leave, disability 5981
benefits, holiday pay, and pay supplements provided under the 5982
Revised Code, but does not include wages or salary. 5983

(E) New employees paid in accordance with schedule B of 5984
division (A) of this section or schedule E-1 created by the 5985
director of administrative services under section 124.152 of the 5986
Revised Code shall be employed at the minimum rate established 5987
for the range unless otherwise provided. Employees with 5988
qualifications that are beyond the minimum normally required for 5989
the position and that are determined by the director to be 5990
exceptional may be employed in, or may be transferred or 5991
promoted to, a position at an advanced step of the range. 5992
Further, in time of a serious labor market condition when it is 5993
relatively impossible to recruit employees at the minimum rate 5994
for a particular classification, the entrance rate may be set at 5995
an advanced step in the range by the director of administrative 5996
services. This rate may be limited to geographical regions of 5997
the state. Appointments made to an advanced step under the 5998
provision regarding exceptional qualifications shall not affect 5999

the step assignment of employees already serving. However, 6000
anytime the hiring rate of an entire classification is advanced 6001
to a higher step, all incumbents of that classification being 6002
paid at a step lower than that being used for hiring, shall be 6003
advanced beginning at the start of the first pay period 6004
thereafter to the new hiring rate, and any time accrued at the 6005
lower step will be used to calculate advancement to a succeeding 6006
step. If the hiring rate of a classification is increased for 6007
only a geographical region of the state, only incumbents who 6008
work in that geographical region shall be advanced to a higher 6009
step. When an employee in the unclassified service changes from 6010
one state position to another or is appointed to a position in 6011
the classified service, or if an employee in the classified 6012
service is appointed to a position in the unclassified service, 6013
the employee's salary or wage in the new position shall be 6014
determined in the same manner as if the employee were an 6015
employee in the classified service. When an employee in the 6016
unclassified service who is not eligible for step increases is 6017
appointed to a classification in the classified service under 6018
which step increases are provided, future step increases shall 6019
be based on the date on which the employee last received a pay 6020
increase. If the employee has not received an increase during 6021
the previous year, the date of the appointment to the classified 6022
service shall be used to determine the employee's annual step 6023
advancement eligibility date. In reassigning any employee to a 6024
classification resulting in a pay range increase or to a new pay 6025
range as a result of a promotion, an increase pay range 6026
adjustment, or other classification change resulting in a pay 6027
range increase, the director shall assign such employee to the 6028
step in the new pay range that will provide an increase of 6029
approximately four per cent if the new pay range can accommodate 6030
the increase. When an employee is being assigned to a 6031

classification or new pay range as the result of a class plan 6032
change, if the employee has completed a probationary period, the 6033
employee shall be placed in a step no lower than step two of the 6034
new pay range. If the employee has not completed a probationary 6035
period, the employee may be placed in step one of the new pay 6036
range. Such new salary or wage shall become effective on such 6037
date as the director determines. 6038

(F) If employment conditions and the urgency of the work 6039
require such action, the director of administrative services 6040
may, upon the application of a department head, authorize 6041
payment at any rate established within the range for the class 6042
of work, for work of a casual or intermittent nature or on a 6043
project basis. Payment at such rates shall not be made to the 6044
same individual for more than three calendar months in any one 6045
calendar year. Any such action shall be subject to the approval 6046
of the director of budget and management as to the availability 6047
of funds. This section and sections 124.14 and 124.152 of the 6048
Revised Code do not repeal any authority of any department or 6049
public official to contract with or fix the compensation of 6050
professional persons who may be employed temporarily for work of 6051
a casual nature or for work on a project basis. 6052

(G) (1) Except as provided in divisions (G) (2) and (3) of 6053
this section, each state employee paid in accordance with 6054
schedule B of this section or schedule E-1 created by the 6055
director of administrative services under section 124.152 of the 6056
Revised Code shall be eligible for advancement to succeeding 6057
steps in the range for the employee's class or grade according 6058
to the schedule established in this division. Beginning on the 6059
first day of the pay period within which the employee completes 6060
the prescribed probationary period in the employee's 6061
classification with the state, each employee shall receive an 6062

automatic salary adjustment equivalent to the next higher step 6063
within the pay range for the employee's class or grade. 6064

Except as provided in divisions (G) (2) and (3) of this 6065
section, each employee paid in accordance with schedule E-1 6066
created by the director of administrative services under section 6067
124.152 of the Revised Code shall be eligible to advance to the 6068
next higher step until the employee reaches the top step in the 6069
range for the employee's class or grade, if the employee has 6070
maintained satisfactory performance in accordance with criteria 6071
established by the employee's appointing authority. Those step 6072
advancements shall not occur more frequently than once in any 6073
twelve-month period. 6074

When an employee is promoted, the step entry date shall be 6075
set to account for a probationary period. When an employee is 6076
reassigned to a higher pay range, the step entry date shall be 6077
set to allow an employee who is not at the highest step of the 6078
range to receive a step advancement one year from the 6079
reassignment date. Step advancement shall not be affected by 6080
demotion. A promoted employee shall advance to the next higher 6081
step of the pay range on the first day of the pay period in 6082
which the required probationary period is completed. Step 6083
advancement shall become effective at the beginning of the pay 6084
period within which the employee attains the necessary length of 6085
service. Time spent on authorized leave of absence shall be 6086
counted for this purpose. 6087

If determined to be in the best interest of the state 6088
service, the director of administrative services may, either 6089
statewide or in selected agencies, adjust the dates on which 6090
annual step advancements are received by employees paid in 6091
accordance with schedule E-1 created by the director of 6092

administrative services under section 124.152 of the Revised Code. 6093
6094

(2) (a) There shall be a moratorium on annual step 6095
advancements under division (G) (1) of this section beginning 6096
June 21, 2009, through June 20, 2011. Step advancements shall 6097
resume with the pay period beginning June 21, 2011. Upon the 6098
resumption of step advancements, there shall be no retroactive 6099
step advancements for the period the moratorium was in effect. 6100
The moratorium shall not affect an employee's performance 6101
evaluation schedule. 6102

An employee who begins a probationary period before June 6103
21, 2009, shall advance to the next step in the employee's pay 6104
range at the end of probation, and then become subject to the 6105
moratorium. An employee who is hired, promoted, or reassigned to 6106
a higher pay range between June 21, 2009, through June 20, 2011, 6107
shall not advance to the next step in the employee's pay range 6108
until the next anniversary of the employee's date of hire, 6109
promotion, or reassignment that occurs on or after June 21, 6110
2011. 6111

(b) The moratorium under division (G) (2) (a) of this 6112
section shall apply to the employees of the secretary of state, 6113
the auditor of state, the treasurer of state, and the attorney 6114
general, who are subject to this section unless the secretary of 6115
state, the auditor of state, the treasurer of state, or the 6116
attorney general decides to exempt the office's employees from 6117
the moratorium and so notifies the director of administrative 6118
services in writing on or before July 1, 2009. 6119

(3) Employees in intermittent positions shall be employed 6120
at the minimum rate established for the pay range for their 6121
classification and are not eligible for step advancements. 6122

(H) Employees in appointive managerial or professional 6123
positions paid in accordance with schedule C of this section or 6124
schedule E-2 created by the director of administrative services 6125
under section 124.152 of the Revised Code may be appointed at 6126
any rate within the appropriate pay range. This rate of pay may 6127
be adjusted higher or lower within the respective pay range at 6128
any time the appointing authority so desires as long as the 6129
adjustment is based on the employee's ability to successfully 6130
administer those duties assigned to the employee. Salary 6131
adjustments shall not be made more frequently than once in any 6132
six-month period under this provision to incumbents holding the 6133
same position and classification. 6134

(I) When an employee is assigned to duty outside this 6135
state, the employee may be compensated, upon request of the 6136
department head and with the approval of the director of 6137
administrative services, at a rate not to exceed fifty per cent 6138
in excess of the employee's current base rate for the period of 6139
time spent on that duty. 6140

(J) Unless compensation for members of a board or 6141
commission is otherwise specifically provided by law, the 6142
director of administrative services shall establish the rate and 6143
method of payment for members of boards and commissions pursuant 6144
to the pay schedules ~~listed in~~ created under section 124.152 of 6145
the Revised Code. 6146

(K) Regular full-time employees in positions assigned to 6147
classes within the instruction and education administration 6148
series under the job classification plans of the director of 6149
administrative services, except certificated employees on the 6150
instructional staff of Ohio deaf and blind education services, 6151
whose positions are scheduled to work on the basis of an 6152

academic year rather than a full calendar year, shall be paid 6153
according to the pay range assigned by the applicable job 6154
classification plan, but only during those pay periods included 6155
in the academic year of the school where the employee is 6156
located. 6157

(1) Part-time or substitute teachers or those whose period 6158
of employment is other than the full academic year shall be 6159
compensated for the actual time worked at the rate established 6160
by this section. 6161

(2) Employees governed by this division are exempt from 6162
sections 124.13 and 124.19 of the Revised Code. 6163

(3) Length of service for the purpose of determining 6164
eligibility for step advancements as provided by division (G) of 6165
this section and for the purpose of determining eligibility for 6166
longevity pay supplements as provided by division (E) of section 6167
124.181 of the Revised Code shall be computed on the basis of 6168
one full year of service for the completion of each academic 6169
year. 6170

(L) The superintendent of Ohio deaf and blind education 6171
services shall, subject to the approval of the director of 6172
education and workforce, carry out both of the following: 6173

(1) Annually, between the first day of April and the last 6174
day of June, establish for the ensuing fiscal year a schedule of 6175
hourly rates for the compensation of each certificated employee 6176
on the instructional staff of Ohio deaf and blind education 6177
services constructed as follows: 6178

(a) Determine for each level of training, experience, and 6179
other professional qualification for which an hourly rate is set 6180
forth in the current schedule, the per cent that rate is of the 6181

rate set forth in such schedule for a teacher with a bachelor's 6182
degree and no experience. If there is more than one such rate 6183
for such a teacher, the lowest rate shall be used to make the 6184
computation. 6185

(b) Determine which six city, local, and exempted village 6186
school districts with territory in Franklin county have in 6187
effect on, or have adopted by, the first day of April for the 6188
school year that begins on the ensuing first day of July, 6189
teacher salary schedules with the highest minimum salaries for a 6190
teacher with a bachelor's degree and no experience; 6191

(c) Divide the sum of such six highest minimum salaries by 6192
ten thousand five hundred sixty; 6193

(d) Multiply each per cent determined in division (L) (1) 6194
(a) of this section by the quotient obtained in division (L) (1) 6195
(c) of this section; 6196

(e) One hundred five per cent of each product thus 6197
obtained shall be the hourly rate for the corresponding level of 6198
training, experience, or other professional qualification in the 6199
schedule for the ensuing fiscal year. 6200

(2) Annually, assign each certificated employee on the 6201
instructional staff of Ohio deaf and blind education services to 6202
an hourly rate on the schedule that is commensurate with the 6203
employee's training, experience, and other professional 6204
qualifications. 6205

If an employee is employed on the basis of an academic 6206
year, the employee's annual salary shall be calculated by 6207
multiplying the employee's assigned hourly rate times one 6208
thousand seven hundred sixty. If an employee is not employed on 6209
the basis of an academic year, the employee's annual salary 6210

shall be calculated in accordance with the following formula: 6211

(a) Multiply the number of days the employee is required 6212
to work pursuant to the employee's contract by eight; 6213

(b) Multiply the product of division (L) (2) (a) of this 6214
section by the employee's assigned hourly rate. 6215

Each employee shall be paid an annual salary in biweekly 6216
installments. The amount of each installment shall be calculated 6217
by dividing the employee's annual salary by the number of 6218
biweekly installments to be paid during the year. 6219

Sections 124.13 and 124.19 of the Revised Code do not 6220
apply to an employee who is paid under this division. 6221

As used in this division, "academic year" means the number 6222
of days in each school year that the state school for the deaf 6223
and the state school for the blind are required to be open for 6224
instruction with pupils in attendance. Upon completing an 6225
academic year, an employee paid under this division shall be 6226
deemed to have completed one year of service. An employee paid 6227
under this division is eligible to receive a pay supplement 6228
under division (L) (1), (2), or (3) of section 124.181 of the 6229
Revised Code for which the employee qualifies, but is not 6230
eligible to receive a pay supplement under division (L) (4) or 6231
(5) of that section. An employee paid under this division is 6232
eligible to receive a pay supplement under division (L) (6) of 6233
section 124.181 of the Revised Code for which the employee 6234
qualifies, except that the supplement is not limited to a 6235
maximum of five per cent of the employee's regular base salary 6236
in a calendar year. 6237

(M) Division (A) of this section does not apply to "exempt 6238
employees," as defined in section 124.152 of the Revised Code, 6239

who are paid under that section. 6240

Notwithstanding any other provisions of this chapter, when 6241
an employee transfers between bargaining units or transfers out 6242
of or into a bargaining unit, the director of administrative 6243
services shall establish the employee's compensation and adjust 6244
the maximum leave accrual schedule as the director deems 6245
equitable. 6246

Sec. 124.152. (A) (1) Except as provided in division (A) (2) 6247
of this section, each exempt employee shall be paid a salary or 6248
wage in accordance with schedule E-1 or schedule E-2 ~~of~~ created 6249
in accordance with division (B) of this section. 6250

(2) Each exempt employee who holds a position in the 6251
unclassified civil service pursuant to division (A) (26) or (30) 6252
of section 124.11 of the Revised Code may be paid a salary or 6253
wage in accordance with schedule E-1 or schedule E-2 ~~of~~ created 6254
in accordance with division (B) of this section, as applicable. 6255

~~(B) (1) Each exempt employee who must be paid in accordance 6256
with schedule E-1 or schedule E-2 of this section shall be paid 6257
a salary or wage in accordance with the following schedule of 6258
rates as of the pay period that includes July 1, 2021: 6259~~

employee whose salary or wage is paid directly by warrant of the 6644
director of budget and management shall be credited with sick 6645

(C) Any sick leave credit provided pursuant to division 6651

used shall be at a rate as the director determines. 6672

employee's credit upon the employee's reemployment in the public 6677
service, if the reemployment takes place within ten years of the 6678
date on which the employee was last terminated from public 6679

(2) The previously accumulated sick leave balance of an 6681
employee who has separated from a school district shall be 6682

credit of additional sick leave equivalent to half the hours of 6710
personal leave the employee lost during the moratorium 6711
established under either division (A) of section 124.386 of the 6712

administrative services. Part-time employees shall receive a 6714
one-time credit of sixteen hours of additional sick leave. 6715

(2) Employees who are not in active payroll status due to 6716
military leave or an absence taken in accordance with the 6717
federal "Family and Medical Leave Act" are eligible to receive 6718
the one-time additional sick leave credit. 6719

(3) The one-time additional sick leave credit does not 6720
apply to employees of the supreme court, general assembly, 6721
legislative service commission, secretary of state, auditor of 6722
state, treasurer of state, or attorney general unless the 6723

in writing the director of administrative services on or before 6728
June 1, 2011, of the decision to participate in the one-time 6729
additional sick leave credit. Written notice under this division 6730
shall be signed by the appointing authority for employees of the 6731

commission, as the case may be. 6733

Sec. 124.384. (A) Except as otherwise provided in this 6734
section, employees whose salaries or wages are paid by warrant 6735
of the director of budget and management and who have 6736
accumulated sick leave under section 124.38 or 124.382 of the 6737

Revised Code shall be paid for a percentage of their accumulated 6738
balances, upon separation for any reason, including death but 6739
excluding retirement, at their last base rate of pay at the rate 6740
of one hour of pay for every two hours of accumulated balances. 6741
An employee who retires in accordance with any retirement plan 6742
offered by the state shall be paid upon retirement for each hour 6743
of the employee's accumulated sick leave balance at a rate of 6744
fifty-five per cent of the employee's last base rate of pay. 6745

An employee serving in a temporary work level who elects 6746
to convert unused sick leave to cash shall do so at the base 6747
rate of pay of the employee's normal classification. If an 6748
employee dies, the employee's unused sick leave shall be paid in 6749
accordance with section 2113.04 of the Revised Code or to the 6750
employee's estate. 6751

In order to be eligible for the payment authorized by this 6752
section, an employee shall have at least one year of state 6753
service and shall request all or a portion of that payment no 6754
later than three years after separation from state service. No 6755
person is eligible to receive all or a portion of the payment 6756
authorized by this section at any time later than three years 6757
after the person's separation from state service. 6758

by a state agency in which the employees' salaries or wages are 6760
paid directly by warrant of the director of budget and 6761
management shall receive payment under this section only for 6762
sick leave accumulated while employed by state agencies in which 6763
the employees' salaries or wages are paid directly by warrant of 6764
the director of budget and management. Additionally, a person 6765
initially employed on or after July 5, 1987, but before October 6766
1, 2017, by the state department of education and workforce as 6767

an unclassified employee shall receive payment under this 6768
section for sick leave placed to the employee's credit under 6769
division (E) (2) of section 124.382 of the Revised Code. 6770

(C) For employees paid in accordance with the schedules 6771
created under section 124.152 of the Revised Code and those 6772
employees listed in divisions (B) (2) and (4) of section 124.14 6773

by a compensation plan administered by the United States 6876
department of veterans affairs. 6877

Sec. 124.386. (A) Each full-time permanent employee paid 6878
in accordance with the schedules created under section 124.152 6879
of the Revised Code and those full-time permanent employees 6880
listed in divisions (B) (2) and (4) of section 124.14 of the 6881
Revised Code shall be credited with thirty-two hours of personal 6882

leave each year. Each part-time permanent employee paid in 6883
accordance with the schedules created under section 124.152 of 6884
the Revised Code and those part-time permanent employees listed 6885
in divisions (B) (2) and (4) of section 124.14 of the Revised 6886
Code shall receive a pro-rated personal leave credit as 6887
determined by rule of the director of administrative services. 6888
The credit shall be made to each eligible employee in the first 6889
pay the employee receives in December. Employees, upon giving 6890
reasonable notice to the responsible administrative officer of 6891
the appointing authority, may use personal leave for absence due 6892
to mandatory court appearances, legal or business matters, 6893
family emergencies, unusual family obligations, medical 6894
appointments, weddings, religious holidays not listed in section 6895
124.19 of the Revised Code, or any other matter of a personal 6896
nature. Personal leave may not be used on a holiday when an 6897
employee is scheduled to work. 6898

Personal leave is not available for use until it appears 6899
on the employee's earning statement and the compensation 6900
described in the earning statement is available to the employee. 6901

There shall be a moratorium on personal leave accrual 6902
beginning with the credit employees would have received in 6903
December 2009, except as otherwise provided in divisions (H) (1) 6904
and (2) of this section. Personal leave accrual shall resume 6905
with employees receiving credit in December 2011 and there shall 6906
be no retroactive grant of credit for the period the moratorium 6907
was in effect. 6908

(B) When personal leave is used by an employee of either 6909
house of the general assembly or an employee of a legislative 6910
agency, it shall be deducted from the unused balance of the 6911
employee's personal leave in the manner prescribed by the 6912

employee's administrative authority. When personal leave is used 6913
by an employee described in division (A) of this section who is 6914
not an employee of either house of the general assembly or of a 6915
legislative agency, it shall be deducted from the unused balance 6916
of the employee's personal leave on the basis of absence in such 6917
increments of an hour as the director of administrative services 6918
determines. Compensation for personal leave shall be equal to 6919
the employee's base rate of pay. 6920

(C) A newly appointed full-time permanent employee or a 6921
non-full-time employee who receives a full-time permanent 6922
appointment shall be credited with personal leave of thirty-two 6923
hours, less one and two-tenths hours for each pay period that 6924
has elapsed following the first paycheck the employee receives 6925
in December, until the first day of the pay period during which 6926
the appointment was effective. 6927

(D) The director of administrative services shall allow 6928
employees to elect one of the following options with respect to 6929
the unused balance of personal leave: 6930

(1) Carry forward the balance. The maximum credit that 6931
shall be available to an employee at any one time is forty 6932
hours. 6933

(2) Convert the balance to accumulated sick leave, to be 6934
used in the manner provided by section 124.382 of the Revised 6935
Code; 6936

(3) Receive a cash benefit. The cash benefit shall equal 6937
one hour of the employee's base rate of pay for every hour of 6938
unused credit that is converted. An employee serving in a 6939
temporary work level who elects to convert unused personal leave 6940
to cash shall do so at the base rate of pay of the employee's 6941

normal classification. Such cash benefit shall not be subject to 6942
contributions to any of the retirement systems, either by the 6943
employee or the employer. 6944

There shall be a moratorium on the payment for conversion 6945
of unused personal leave until December 2011, except as 6946
otherwise provided in divisions (H) (1) and (2) of this section. 6947

(E) A full-time permanent employee who separates from 6948
state service or becomes ineligible to be credited with leave 6949
under this section shall receive a reduction of personal leave 6950
credit of one and two-tenths hours for each pay period that 6951
remains beginning with the first pay period following the date 6952
of separation or the effective date of the employee's 6953
ineligibility until the pay period preceding the next base pay 6954
period. After calculation of the reduction of an employee's 6955
personal leave credit, the employee is entitled to compensation 6956
for any remaining personal leave credit at the employee's 6957
current base rate of pay. If the reduction results in a number 6958
of hours less than zero, the cash equivalent value of such 6959
number of hours shall be deducted from any compensation that 6960
remains payable to the employee, or from the cash conversion 6961
value of any vacation or sick leave that remains credited to the 6962
employee. An employee serving in a temporary work level who is 6963
eligible to receive compensation under this section shall be 6964
compensated at the base rate of pay of the employee's normal 6965

(2) Upon written notice to the entity, the tax 9111

collect, or remit the charge or fee as required by sections 9115
128.40 to 128.422 of the Revised Code or has retained more than 9116
the amount authorized under division (B) of this section. The 9117
assessment shall be in the amount of any remittance that was due 9118
and unpaid on the date notice of the audit was sent by the tax 9119
commissioner to the entity or, as applicable, in the amount of 9120
the excess amount under division (B) of this section retained by 9121
the entity as of that date. 9122

(3) The portion of any assessment consisting of charges or 9123

of this section. 9129

(4) Unless the entity assessed files with the tax 9130
commissioner within sixty days after service of the notice of 9131

Revised Code. 9144

(5) After an assessment becomes final, if any portion of 9145
the assessment remains unpaid, including accrued interest, a 9146
certified copy of the final assessment may be filed in the 9147
office of the clerk of the court of common pleas in the county 9148
in which the business of the assessed entity is conducted. If 9149
the entity assessed maintains no place of business in this 9150

enter a judgment for the state against the assessed entity in 9154
the amount shown on the final assessment. The judgment may be 9155
filed by the clerk in a loose-leaf book entitled "special 9156
judgments for 9-1-1 charges and fees" and shall have the same 9157
effect as other judgments. The judgment shall be executed upon 9158
the request of the tax commissioner. 9159

(6) If the commissioner determines that the commissioner 9160
erroneously has refunded a 9-1-1 charge or fee to any person, 9161
the commissioner may make an assessment against that person for 9162
recovery of the erroneously refunded charge. 9163

(7) An assessment under division (E) of this section does 9164
not discharge a subscriber's or consumer's liability to 9165
reimburse the entity for a 9-1-1 charge or fee. If, after the 9166
date of service of the audit notice under division (E) (1) of 9167
this section, a subscriber or consumer pays a 9-1-1 charge or 9168
fee for the period covered by the assessment, the payment shall 9169

and in accordance with Chapter 119. of the Revised Code, shall 10573
adopt rules that establish all of the following: 10574

(1) Forms and procedures by which applicants may apply for 10575

rehabilitation tax credit certificates;	10576
(2) Criteria for reviewing, evaluating, and approving applications for certificates within the limitations under division (D) of this section, criteria for assuring that the certificates issued encompass a mixture of high and low qualified rehabilitation expenditures, and criteria for issuing certificates under division (C) (3) (b) of this section;	10577 10578 10579 10580 10581 10582
(3) Eligibility requirements for obtaining a certificate under this section;	10583 10584
(4) The form of rehabilitation tax credit certificates;	10585
(5) Reporting requirements and monitoring procedures;	10586
(6) Procedures and criteria for conducting cost-benefit analyses of historic buildings that are the subjects of applications filed under this section. The purpose of a cost-benefit analysis shall be to determine whether rehabilitation of the historic building will result in a net revenue gain in state and local taxes once the building is used.	10587 10588 10589 10590 10591 10592
(7) Any other rules necessary to implement and administer this section.	10593 10594
(C) The director shall review the applications with the assistance of the state historic preservation officer and determine whether all of the following criteria are met:	10595 10596 10597
(1) That the building that is the subject of the application is an historic building and the applicant is the owner or qualified lessee of the building;	10598 10599 10600
(2) That the rehabilitation will satisfy standards prescribed by the United States secretary of the interior under 16 U.S.C. 470, et seq., as amended, and 36 C.F.R. 67.7 or a	10601 10602 10603

successor to that section; 10604

(3) That receiving a rehabilitation tax credit certificate 10605
under this section is a major factor in: 10606

(a) The applicant's decision to rehabilitate the historic 10607
building; or 10608

(b) To increase the level of investment in such 10609
rehabilitation. 10610

(4) The historic building that is the subject of the 10611
application is not, and will not upon completion of the 10612
rehabilitation project be, part of a qualified low-income 10613
housing project allocated a tax credit pursuant to section 42 of 10614
the Internal Revenue Code. 10615

An applicant shall demonstrate to the satisfaction of the 10616
state historic preservation officer and director that the 10617
rehabilitation will satisfy the standards described in division 10618
(C) (2) of this section before the applicant begins the physical 10619
rehabilitation of the historic building. 10620

(D) (1) If the director determines that an application 10621
meets the criteria in division (C) of this section, the director 10622
shall conduct a cost-benefit analysis for the historic building 10623
that is the subject of the application to determine whether 10624
rehabilitation of the historic building will result in a net 10625
revenue gain in state and local taxes once the building is used. 10626
The director shall consider the results of the cost-benefit 10627
analysis in determining whether to approve the application. The 10628
director shall also consider the potential economic impact and 10629
the regional distributive balance of the credits throughout the 10630
state. The director shall not consider whether the historic 10631
building is located in or will benefit an economically 10632

distressed area, including by weighting preference based on the 10633
poverty rate in the jurisdiction or census tract in which the 10634
building is located. The director may approve an application 10635
only after completion of the cost-benefit analysis. 10636

(2) A rehabilitation tax credit certificate shall not be 10637
issued for an amount greater than the estimated amount furnished 10638
by the applicant on the application for such certificate and 10639
approved by the director. The director shall not approve more 10640
than a total of one hundred twenty million dollars of 10641
rehabilitation tax credits ~~for each of fiscal years 2023 and~~ 10642
~~2024, and sixty million dollars of rehabilitation tax credits~~ 10643
~~for each per~~ fiscal year ~~thereafter~~, but the director may 10644
reallocate unused tax credits from a prior fiscal year for new 10645
applicants and such reallocated credits shall not apply toward 10646
the dollar limit of this division. 10647

(3) For rehabilitations with a rehabilitation period not 10648
exceeding twenty-four months as provided in division (A) (8) (a) 10649
of this section, a rehabilitation tax credit certificate shall 10650
not be issued before the rehabilitation of the historic building 10651
is completed. 10652

(4) For rehabilitations with a rehabilitation period not 10653
exceeding sixty months as provided in division (A) (8) (b) of this 10654
section, a rehabilitation tax credit certificate shall not be 10655
issued before a stage of rehabilitation is completed. After all 10656
stages of rehabilitation are completed, if the director cannot 10657
determine that the criteria in division (C) of this section are 10658
satisfied for all stages of rehabilitations, the director shall 10659
certify this finding to the tax commissioner, and any 10660
rehabilitation tax credits received by the applicant shall be 10661
repaid by the applicant and may be collected by assessment as 10662

unpaid tax by the commissioner. 10663

(5) The director shall require the applicant to provide a 10664
third-party cost certification by a certified public accountant 10665
of the actual costs attributed to the rehabilitation of the 10666
historic building when qualified rehabilitation expenditures 10667
exceed two hundred thousand dollars. 10668

If an applicant whose application is approved for receipt 10669
of a rehabilitation tax credit certificate fails to provide to 10670
the director sufficient evidence of reviewable progress, 10671
including a viable financial plan, copies of final construction 10672
drawings, and evidence that the applicant has obtained all 10673
historic approvals within twelve months after the date the 10674
applicant received notification of approval, and if the 10675
applicant fails to provide evidence to the director that the 10676
applicant has secured and closed on financing for the 10677
rehabilitation within eighteen months after receiving 10678
notification of approval, the director may rescind the approval 10679
of the application. The director shall notify the applicant if 10680
the approval has been rescinded. Credits that would have been 10681
available to an applicant whose approval was rescinded shall be 10682
available for other qualified applicants. Nothing in this 10683
division prohibits an applicant whose approval has been 10684
rescinded from submitting a new application for a rehabilitation 10685
tax credit certificate. 10686

(6) The director may approve the application of, and issue 10687
a rehabilitation tax credit certificate to, the owner of a 10688
catalytic project, provided the application otherwise meets the 10689
criteria described in divisions (C) and (D) of this section. The 10690
director may not approve more than one application for a 10691
rehabilitation tax credit certificate under division (D) (6) of 10692

this section during each state fiscal biennium. The director shall not approve an application for a rehabilitation tax credit certificate under division (D) (6) of this section during the state fiscal biennium beginning July 1, 2017, or during any state fiscal biennium thereafter. The director shall consider the following criteria in determining whether to approve an application for a certificate under division (D) (6) of this section:

(a) Whether the historic building is a catalytic project;

(b) The effect issuance of the certificate would have on the availability of credits for other applicants that qualify for a credit certificate within the credit dollar limit described in division (D) (2) of this section;

(c) The number of jobs, if any, the catalytic project will create.

(7) (a) The owner or qualified lessee of a historic building may apply for a rehabilitation tax credit certificate under both divisions (B) and (D) (6) of this section. In such a case, the director shall consider each application at the time the application is submitted.

(b) The director shall not issue more than one certificate under this section with respect to the same qualified rehabilitation expenditures.

(8) The director shall give consideration for tax credits awarded under this section to rehabilitations of historic buildings used as a theater before, and intended to be used as a theater after, the rehabilitation. In determining whether to approve an application for such a rehabilitation, the director shall consider the extent to which the rehabilitation will

increase attendance at the theater and increase the theater's gross revenue. 10722
10723

(9) The director shall rescind the approval of any application if the building that is the subject of the application is part of a qualified low-income housing project allocated a tax credit pursuant to section 42 of the Internal Revenue Code at any time before the building's rehabilitation is complete. 10724

10727
10728
10729

(E) Issuance of a certificate represents a finding by the director of the matters described in divisions (C) (1), (2), and (3) of this section only; issuance of a certificate does not represent a verification or certification by the director of the amount of qualified rehabilitation expenditures for which a tax credit may be claimed under section 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of qualified rehabilitation expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Upon the issuance of a certificate, the director shall certify to the tax commissioner, in the form and manner requested by the tax commissioner, the name of the applicant, the amount of qualified rehabilitation expenditures shown on the certificate, and any other information required by the rules adopted under this section. 10730

The report shall be prepared with the assistance of an economic research organization jointly chosen by the director and commissioner.

(G) There is hereby created in the state treasury the historic rehabilitation tax credit operating fund. The director is authorized to charge reasonable application and other fees in connection with the administration of tax credits authorized by this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code. The Ohio historic preservation office is authorized to 10784
charge reasonable fees in connection with its review and 10785
approval of applications under this section. Any such fees 10786
collected shall be credited to the fund and used to pay 10787

(H) Notwithstanding sections 5725.151, 5725.34, 5726.52, 10790

twenty-five per cent of the dollar amount indicated on the 10794
certificate for a total credit of not more than twenty-five 10795
million dollars. The credit claimed by such a certificate owner 10796

Revised Code shall not exceed five million dollars. If the 10799
certificate owner is eligible for more than five million dollars 10800
in total credits, the certificate owner may carry forward the 10801
balance of the credit in excess of the amount claimed for that 10802
year for not more than five ensuing calendar years, tax years, 10803
or taxable years. If the credit claimed in any calendar year, 10804
tax year, or taxable year exceeds the tax otherwise due, the 10805
excess shall be refunded to the taxpayer. 10806

(I) Notwithstanding sections 5725.151, 5725.34, 5726.52, 10807
5729.17, 5733.47, and 5747.76 of the Revised Code, the following 10808

be refunded to the taxpayer, subject to division (I)(2) of this 10826
section. 10827

(J) The director of development, in consultation with the 10828
director of budget and management, shall develop and adopt a 10829
system of tracking any information necessary to anticipate the 10830
impact of credits issued under this section and under section 10831
149.312 of the Revised Code on tax revenues for current and 10832
future fiscal years. Such information may include the number of 10833
applications approved, the estimated rehabilitation expenditures 10834
and rehabilitation period associated with such applications, the 10835
number and amount of tax credit certificates issued, and any 10836

(B) (1) Upon request by any person and subject to ~~division~~ 11711

divisions (B) (8) and (11) of this section, all public records 11712
responsive to the request shall be promptly prepared and made 11713
available for inspection to the requester at all reasonable 11714
times during regular business hours. Subject to ~~division~~ 11715
divisions (B) (8) and (11) of this section, upon request by any 11716
person, a public office or person responsible for public records 11717
shall make copies of the requested public record available to 11718
the requester at cost and within a reasonable period of time. 11719

When considering whether a state or local law enforcement 11720
agency promptly prepared a video record for inspection or 11721
provided a video record for production within a reasonable 11722
period of time, in addition to any other factors, a court shall 11723
consider the time required for a state or local law enforcement 11724
agency to retrieve, download, review, redact, seek legal advice 11725
regarding, and produce the video record. Notwithstanding any 11726
other requirement set forth in Chapter 149. of the Revised Code, 11727
a state or local law enforcement agency may charge a requester 11728
the actual cost associated with preparing a video record for 11729
inspection or production, not to exceed seventy-five dollars per 11730
hour of video produced, nor seven hundred fifty dollars total. 11731
As used in this division, "actual cost," with respect to video 11732
records only, means all costs incurred by the state or local law 11733
enforcement agency in reviewing, blurring or otherwise 11734
obscuring, redacting, uploading, or producing the video records, 11735
including but not limited to the storage medium on which the 11736
record is produced, staff time, and any other relevant overhead 11737
necessary to comply with the request. A state or local law 11738
enforcement agency may include in its public records policy the 11739
requirement that a requester pay the estimated actual cost 11740
before beginning the process of preparing a video record for 11741
inspection or production. Where a state or local law enforcement 11742

agency imposes such a requirement, its obligation to produce a 11743
video or make it available for inspection begins once the 11744
estimated actual cost is paid in full by the requester. A state 11745
or local law enforcement agency shall provide the requester with 11746
the estimated actual cost within five business days of receipt 11747
of the public records request. If the actual cost exceeds the 11748
estimated actual cost, a state or local law enforcement agency 11749
may charge a requester for the difference upon fulfilling a 11750
request for video records if the requester is notified in 11751
advance that the actual cost may be up to twenty per cent higher 11752
than the estimated actual cost. A state or local law enforcement 11753
agency shall not charge a requester a difference that exceeds 11754
twenty per cent of the estimated actual cost. 11755

If a public record contains information that is exempt 11756
from the duty to permit public inspection or to copy the public 11757
record, the public office or the person responsible for the 11758
public record shall make available all of the information within 11759
the public record that is not exempt. When making that public 11760
record available for public inspection or copying that public 11761
record, the public office or the person responsible for the 11762
public record shall notify the requester of any redaction or 11763
make the redaction plainly visible. A redaction shall be deemed 11764
a denial of a request to inspect or copy the redacted 11765
information, except if federal or state law authorizes or 11766
requires a public office to make the redaction. When the auditor 11767
of state receives a request to inspect or to make a copy of a 11768
record that was provided to the auditor of state for purposes of 11769
an audit, but the original public office has asserted to the 11770
auditor of state that the record is not a public record, the 11771
auditor of state may handle the requests by directing the 11772
requestor to the original public office that provided the record 11773

to the auditor of state. 11774

(2) To facilitate broader access to public records, a 11775
public office or the person responsible for public records shall 11776
organize and maintain public records in a manner that they can 11777
be made available for inspection or copying in accordance with 11778
division (B) of this section. A public office also shall have 11779
available a copy of its current records retention schedule at a 11780
location readily available to the public. If a requester makes 11781
an ambiguous or overly broad request or has difficulty in making 11782
a request for copies or inspection of public records under this 11783
section such that the public office or the person responsible 11784
for the requested public record cannot reasonably identify what 11785
public records are being requested, the public office or the 11786
person responsible for the requested public record may deny the 11787
request but shall provide the requester with an opportunity to 11788
revise the request by informing the requester of the manner in 11789
which records are maintained by the public office and accessed 11790
in the ordinary course of the public office's or person's 11791
duties. 11792

(3) If a request is ultimately denied, in part or in 11793
whole, the public office or the person responsible for the 11794
requested public record shall provide the requester with an 11795
explanation, including legal authority, setting forth why the 11796
request was denied. If the initial request was provided in 11797
writing, the explanation also shall be provided to the requester 11798
in writing. The explanation shall not preclude the public office 11799
or the person responsible for the requested public record from 11800
relying upon additional reasons or legal authority in defending 11801
an action commenced under division (C) of this section. 11802

(4) Unless specifically required or authorized by state or 11803

federal law or in accordance with division (B) of this section, 11804
no public office or person responsible for public records may 11805
limit or condition the availability of public records by 11806
requiring disclosure of the requester's identity or the intended 11807
use of the requested public record. Any requirement that the 11808
requester disclose the requester's identity or the intended use 11809
of the requested public record constitutes a denial of the 11810
request. 11811

(5) A public office or person responsible for public 11812
records may ask a requester to make the request in writing, may 11813
ask for the requester's identity, and may inquire about the 11814
intended use of the information requested, but may do so only 11815
after disclosing to the requester that a written request is not 11816
mandatory, that the requester may decline to reveal the 11817
requester's identity or the intended use, and when a written 11818
request or disclosure of the identity or intended use would 11819
benefit the requester by enhancing the ability of the public 11820
office or person responsible for public records to identify, 11821
locate, or deliver the public records sought by the requester. 11822

(6) If any person requests a copy of a public record in 11823
accordance with division (B) of this section, the public office 11824
or person responsible for the public record may require the 11825
requester to pay in advance the cost involved in providing the 11826
copy of the public record in accordance with the choice made by 11827
the requester under this division. The public office or the 11828
person responsible for the public record shall permit the 11829
requester to choose to have the public record duplicated upon 11830
paper, upon the same medium upon which the public office or 11831
person responsible for the public record keeps it, or upon any 11832
other medium upon which the public office or person responsible 11833
for the public record determines that it reasonably can be 11834

duplicated as an integral part of the normal operations of the public office or person responsible for the public record. When the requester makes a choice under this division, the public office or person responsible for the public record shall provide a copy of it in accordance with the choice made by the requester. Nothing in this section requires a public office or person responsible for the public record to allow the requester of a copy of the public record to make the copies of the public record.

(7) (a) Upon a request made in accordance with division (B) of this section and subject to division (B) (6) of this section, a public office or person responsible for public records shall transmit a copy of a public record to any person by United States mail or by any other means of delivery or transmission within a reasonable period of time after receiving the request for the copy. The public office or person responsible for the public record may require the person making the request to pay in advance the cost of postage if the copy is transmitted by United States mail or the cost of delivery if the copy is transmitted other than by United States mail, and to pay in advance the costs incurred for other supplies used in the mailing, delivery, or transmission.

(b) Any public office may adopt a policy and procedures that it will follow in transmitting, within a reasonable period of time after receiving a request, copies of public records by United States mail or by any other means of delivery or transmission pursuant to division (B) (7) of this section. A public office that adopts a policy and procedures under division (B) (7) of this section shall comply with them in performing its duties under that division.

(c) In any policy and procedures adopted under division 11865
(B) (7) of this section: 11866

(i) A public office may limit the number of records 11867
requested by a person that the office will physically deliver by 11868
United States mail or by another delivery service to ten per 11869
month, unless the person certifies to the office in writing that 11870
the person does not intend to use or forward the requested 11871
records, or the information contained in them, for commercial 11872
purposes; 11873

(ii) A public office that chooses to provide some or all 11874
of its public records on a web site that is fully accessible to 11875
and searchable by members of the public at all times, other than 11876
during acts of God outside the public office's control or 11877
maintenance, and that charges no fee to search, access, 11878
download, or otherwise receive records provided on the web site, 11879
may limit to ten per month the number of records requested by a 11880
person that the office will deliver in a digital format, unless 11881
the requested records are not provided on the web site and 11882
unless the person certifies to the office in writing that the 11883
person does not intend to use or forward the requested records, 11884
or the information contained in them, for commercial purposes. 11885

(iii) For purposes of division (B) (7) of this section, 11886
"commercial" shall be narrowly construed and does not include 11887
reporting or gathering news, reporting or gathering information 11888
to assist citizen oversight or understanding of the operation or 11889
activities of government, or nonprofit educational research. 11890

(8) A public office or person responsible for public 11891
records is not required to permit a person who is incarcerated 11892
pursuant to a criminal conviction or a juvenile adjudication to 11893
inspect or to obtain a copy of any public record concerning a 11894

criminal investigation or prosecution or concerning what would 11895
be a criminal investigation or prosecution if the subject of the 11896
investigation or prosecution were an adult, unless the request 11897
to inspect or to obtain a copy of the record is for the purpose 11898
of acquiring information that is subject to release as a public 11899
record under this section and the judge who imposed the sentence 11900
or made the adjudication with respect to the person, or the 11901
judge's successor in office, finds that the information sought 11902
in the public record is necessary to support what appears to be 11903
a justiciable claim of the person. As used in this division, 11904
"public record concerning a criminal investigation or 11905
prosecution or concerning what would be a criminal investigation 11906
or prosecution if the subject of the investigation were an 11907
adult" includes, but is not limited to, personnel files and 11908
payroll and attendance records of designated public service 11909
workers. 11910

(9) (a) Upon written request made and signed by a 11911
journalist, a public office, or person responsible for public 11912
records, having custody of the records of the agency employing a 11913
specified designated public service worker shall disclose to the 11914
journalist the address of the actual personal residence of the 11915
designated public service worker and, if the designated public 11916
service worker's spouse, former spouse, or child is employed by 11917
a public office, the name and address of the employer of the 11918
designated public service worker's spouse, former spouse, or 11919
child, and any past, current, and future work schedules of the 11920
designated public service worker. The request shall include the 11921
journalist's name and title and the name and address of the 11922
journalist's employer and shall state that disclosure of the 11923
information sought would be in the public interest. 11924

(b) Division (B) (9) (a) of this section also applies to 11925

journalist requests for: 11926

(i) Customer information maintained by a municipally owned 11927
or operated public utility, other than social security numbers 11928
and any private financial information such as credit reports, 11929
payment methods, credit card numbers, and bank account 11930
information; 11931

(ii) Information about minors involved in a school vehicle 11932
accident as provided in division (A) (1) (gg) of this section, 11933
other than personal information as defined in section 149.45 of 11934
the Revised Code; 11935

(iii) A request form submitted to a public office under 11936
section 149.45 of the Revised Code; 11937

(iv) An affidavit submitted under section 319.28 of the 11938
Revised Code. 11939

(c) As used in division (B) (9) of this section, 11940
"journalist" means a person engaged in, connected with, or 11941
employed by any news medium, including a newspaper, magazine, 11942
press association, news agency, or wire service, a radio or 11943
television station, or a similar medium, for the purpose of 11944
gathering, processing, transmitting, compiling, editing, or 11945
disseminating information for the general public. 11946

(10) Upon a request made by a victim, victim's attorney, 11947
or victim's representative, as that term is used in section 11948
2930.02 of the Revised Code, a public office or person 11949
responsible for public records shall transmit a copy of a 11950
depiction of the victim as described in division (A) (1) (ii) of 11951
this section to the victim, victim's attorney, or victim's 11952
representative. 11953

(11) A public office or person responsible for public 11954

records may designate one or more officials or employees to act 11955
as its public records officer or officers. The public office or 11956
person responsible for the public record may require a person 11957
making a request in accordance with division (B) of this section 11958
to address the person's request to the designated public records 11959
officer or officers. The public office shall include the 11960
designation of the public records officer or officers, and 11961
operative contact information for the public records officer or 11962
officers, in its policy adopted in accordance with division (E) 11963
of this section. The public office shall post operative contact 11964
information of the public records officer or officers on the 11965
internet web site of the public office if the public office 11966
maintains an internet web site. 11967

(C) (1) If a person allegedly is aggrieved by the failure 11968
of a public office or the person responsible for public records 11969
to promptly prepare a public record and to make it available to 11970
the person for inspection in accordance with division (B) of 11971
this section or by any other failure of a public office or the 11972
person responsible for public records to comply with an 11973
obligation in accordance with division (B) of this section, the 11974
person allegedly aggrieved may serve pursuant to Rule 4 of the 11975
Ohio Rules of Civil Procedure a complaint, on a form prescribed 11976
by the clerk of the court of claims, to the public office or 11977
person responsible for public records allegedly responsible for 11978
the alleged failure. Upon receipt of the complaint of the person 11979
allegedly aggrieved, the public office or person responsible for 11980
public records has three business days to cure or otherwise 11981
address the failure alleged in the complaint. The person 11982
allegedly aggrieved shall not file a complaint with a court or 11983
commence a mandamus action under this section within the three- 11984
day period. Upon the expiration of the three-day period, the 11985

person allegedly aggrieved may, subject to the requirements of 11986
division (C) (2) of this section, do only one of the following, 11987
and not both: 11988

(a) File a complaint with the clerk of the court of claims 11989
or the clerk of the court of common pleas under section 2743.75 11990
of the Revised Code; 11991

(b) Commence a mandamus action to obtain a judgment that 11992
orders the public office or the person responsible for the 11993
public record to comply with division (B) of this section, that 11994
awards court costs and reasonable attorney's fees to the person 11995
that instituted the mandamus action, and, if applicable, that 11996
includes an order fixing statutory damages under division (C) (3) 11997
of this section. The mandamus action may be commenced in the 11998
court of common pleas of the county in which division (B) of 11999
this section allegedly was not complied with, in the supreme 12000
court pursuant to its original jurisdiction under Section 2 of 12001
Article IV, Ohio Constitution, or in the court of appeals for 12002
the appellate district in which division (B) of this section 12003
allegedly was not complied with pursuant to its original 12004
jurisdiction under Section 3 of Article IV, Ohio Constitution. 12005

(2) Upon filing a complaint or mandamus action with a 12006
court under divisions (C) (1) (a) or (b) of this section, a person 12007
allegedly aggrieved shall file with the court, in conjunction 12008
with the person's complaint or petition, a written affirmation 12009
stating that the person properly transmitted a complaint to the 12010
public office or person responsible for public records, the 12011
failure alleged in the complaint has not been cured or otherwise 12012
resolved to the person's satisfaction, and that the complaint 12013
was transmitted to the public office or person responsible for 12014
public records at least three business days before the filing of 12015

the suit. If the person fails to file an affirmation pursuant to 12016
this division, the suit shall be dismissed. 12017

(3) If a requester transmits a written request by hand 12018
delivery, electronic submission, or certified mail to inspect or 12019
receive copies of any public record in a manner that fairly 12020
describes the public record or class of public records to the 12021
public office or person responsible for the requested public 12022
records, except as otherwise provided in this section, the 12023
requester shall be entitled to recover the amount of statutory 12024
damages set forth in this division if a court determines that 12025
the public office or the person responsible for public records 12026
failed to comply with an obligation in accordance with division 12027
(B) of this section. Statutory damages are not available 12028
pursuant to this section to a person committed to the custody of 12029
the department of rehabilitation and correction or the United 12030
States bureau of prisons, or a child committed to the department 12031
of youth services as permitted in Chapter 2152. of the Revised 12032
Code. 12033

The amount of statutory damages shall be fixed at one 12034
hundred dollars for each business day during which the public 12035
office or person responsible for the requested public records 12036
failed to comply with an obligation in accordance with division 12037
(B) of this section, beginning with the day on which the 12038
requester files a mandamus action to recover statutory damages, 12039
up to a maximum of one thousand dollars. The award of statutory 12040
damages shall not be construed as a penalty, but as compensation 12041
for injury arising from lost use of the requested information. 12042
The existence of this injury shall be conclusively presumed. The 12043
award of statutory damages shall be in addition to all other 12044
remedies authorized by this section. 12045

The court may reduce an award of statutory damages or not 12046
award statutory damages if the court determines both of the 12047
following: 12048

(a) That, based on the ordinary application of statutory 12049
law and case law as it existed at the time of the conduct or 12050
threatened conduct of the public office or person responsible 12051
for the requested public records that allegedly constitutes a 12052
failure to comply with an obligation in accordance with division 12053
(B) of this section and that was the basis of the mandamus 12054
action, a well-informed public office or person responsible for 12055
the requested public records reasonably would believe that the 12056
conduct or threatened conduct of the public office or person 12057
responsible for the requested public records did not constitute 12058
a failure to comply with an obligation in accordance with 12059
division (B) of this section; 12060

(b) That a well-informed public office or person 12061
responsible for the requested public records reasonably would 12062
believe that the conduct or threatened conduct of the public 12063
office or person responsible for the requested public records 12064
would serve the public policy that underlies the authority that 12065
is asserted as permitting that conduct or threatened conduct. 12066

(4) In a mandamus action filed under division (C)(1) of 12067
this section, the following apply: 12068

(a) (i) If the court orders the public office or the person 12069
responsible for the public record to comply with division (B) of 12070
this section, the court shall determine and award to the relator 12071
all court costs, which shall be construed as remedial and not 12072
punitive. 12073

(ii) If the court makes a determination described in 12074

division (C) (4) (b) (iii) of this section, the court shall 12075
determine and award to the relator all court costs, which shall 12076
be construed as remedial and not punitive. 12077

(b) If the court renders a judgment that orders the public 12078
office or the person responsible for the public record to comply 12079
with division (B) of this section or if the court determines any 12080
of the following, the court may award reasonable attorney's fees 12081
to the relator, subject to division (C) (5) of this section: 12082

(i) The public office or the person responsible for the 12083
public records failed to respond affirmatively or negatively to 12084
the public records request in accordance with the time allowed 12085
under division (B) of this section. 12086

(ii) The public office or the person responsible for the 12087
public records promised to permit the relator to inspect or 12088
receive copies of the public records requested within a 12089
specified period of time but failed to fulfill that promise 12090
within that specified period of time. 12091

(iii) The public office or the person responsible for the 12092
public records acted in bad faith when the office or person 12093
voluntarily made the public records available to the relator for 12094
the first time after the relator commenced the mandamus action, 12095
but before the court issued any order concluding whether or not 12096
the public office or person was required to comply with division 12097
(B) of this section. No discovery may be conducted on the issue 12098
of the alleged bad faith of the public office or person 12099
responsible for the public records. This division shall not be 12100
construed as creating a presumption that the public office or 12101
the person responsible for the public records acted in bad faith 12102
when the office or person voluntarily made the public records 12103
available to the relator for the first time after the relator 12104

commenced the mandamus action, but before the court issued any order described in this division.

(c) The court shall not award attorney's fees to the relator if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(ii) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(5) All of the following apply to any award of reasonable attorney's fees awarded under division (C) (4) (b) of this section:

(a) The fees shall be construed as remedial and not punitive.

(b) The fees awarded shall not exceed the total of the reasonable attorney's fees incurred before the public record was

made available to the relator and the fees described in division 12134
(C) (5) (c) of this section. 12135

(c) Reasonable attorney's fees shall include reasonable 12136
fees incurred to produce proof of the reasonableness and amount 12137
of the fees and to otherwise litigate entitlement to the fees. 12138

(d) The court may reduce the amount of fees awarded if the 12139
court determines that, given the factual circumstances involved 12140
with the specific public records request, an alternative means 12141
should have been pursued to more effectively and efficiently 12142
resolve the dispute that was subject to the mandamus action 12143
filed under division (C) (1) of this section. 12144

(6) If the court does not issue a writ of mandamus under 12145
division (C) of this section and the court determines at that 12146
time that the bringing of the mandamus action was frivolous 12147
conduct as defined in division (A) of section 2323.51 of the 12148
Revised Code, the court may award to the public office all court 12149
costs, expenses, and reasonable attorney's fees, as determined 12150
by the court. 12151

(D) Chapter 1347. of the Revised Code does not limit the 12152
provisions of this section. 12153

(E) (1) To ensure that all employees of public offices are 12154
appropriately educated about a public office's obligations under 12155
division (B) of this section, all elected officials or their 12156
appropriate designees shall attend training approved by the 12157
attorney general as provided in section 109.43 of the Revised 12158
Code. A future official may satisfy the requirements of this 12159
division by attending the training before taking office, 12160
provided that the future official may not send a designee in the 12161
future official's place. 12162

(2) All public offices shall adopt a public records policy 12163
in compliance with this section for responding to public records 12164
requests. In adopting a public records policy under this 12165
division, a public office may obtain guidance from the model 12166
public records policy developed and provided to the public 12167
office by the attorney general under section 109.43 of the 12168
Revised Code. Except as otherwise provided in this section, the 12169
policy may not limit the number of public records that the 12170
public office will make available to a single person, may not 12171
limit the number of public records that it will make available 12172
during a fixed period of time, and may not establish a fixed 12173
period of time before it will respond to a request for 12174
inspection or copying of public records, unless that period is 12175
less than eight hours. 12176

The public office shall distribute the public records 12177
policy adopted by the public office under this division to the 12178
employee of the public office who is the records custodian or 12179
records manager or otherwise has custody of the records of that 12180
office. The public office shall require that employee to 12181
acknowledge receipt of the copy of the public records policy. 12182
The public office shall create a poster that describes its 12183
public records policy and shall post the poster in a conspicuous 12184
place in the public office and in all locations where the public 12185
office has branch offices. The public office may post its public 12186
records policy on the internet web site of the public office if 12187
the public office maintains an internet web site. A public 12188
office that has established a manual or handbook of its general 12189
policies and procedures for all employees of the public office 12190
shall include the public records policy of the public office in 12191
the manual or handbook. 12192

(F) (1) The bureau of motor vehicles may adopt rules 12193

pursuant to Chapter 119. of the Revised Code to reasonably limit 12194
the number of bulk commercial special extraction requests made 12195
by a person for the same records or for updated records during a 12196
calendar year. The rules may include provisions for charges to 12197
be made for bulk commercial special extraction requests for the 12198
actual cost of the bureau, plus special extraction costs, plus 12199
ten per cent. The bureau may charge for expenses for redacting 12200
information, the release of which is prohibited by law. 12201

(2) As used in division (F)(1) of this section: 12202

(a) "Actual cost" means the cost of depleted supplies, 12203
records storage media costs, actual mailing and alternative 12204
delivery costs, or other transmitting costs, and any direct 12205
equipment operating and maintenance costs, including actual 12206
costs paid to private contractors for copying services. 12207

(b) "Bulk commercial special extraction request" means a 12208
request for copies of a record for information in a format other 12209
than the format already available, or information that cannot be 12210
extracted without examination of all items in a records series, 12211
class of records, or database by a person who intends to use or 12212
forward the copies for surveys, marketing, solicitation, or 12213
resale for commercial purposes. "Bulk commercial special 12214
extraction request" does not include a request by a person who 12215
gives assurance to the bureau that the person making the request 12216
does not intend to use or forward the requested copies for 12217
surveys, marketing, solicitation, or resale for commercial 12218
purposes. 12219

(c) "Commercial" means profit-seeking production, buying, 12220
or selling of any good, service, or other product. 12221

(d) "Special extraction costs" means the cost of the time 12222

spent by the lowest paid employee competent to perform the task, 12223
the actual amount paid to outside private contractors employed 12224
by the bureau, or the actual cost incurred to create computer 12225
programs to make the special extraction. "Special extraction 12226
costs" include any charges paid to a public agency for computer 12227
or records services. 12228

(3) For purposes of divisions (F) (1) and (2) of this 12229
section, "surveys, marketing, solicitation, or resale for 12230
commercial purposes" shall be narrowly construed and does not 12231
include reporting or gathering news, reporting or gathering 12232
information to assist citizen oversight or understanding of the 12233
operation or activities of government, or nonprofit educational 12234
research. 12235

(G) A request by a defendant, counsel of a defendant, or 12236
any agent of a defendant in a criminal action that public 12237
records related to that action be made available under this 12238
section shall be considered a demand for discovery pursuant to 12239
the Criminal Rules, except to the extent that the Criminal Rules 12240
plainly indicate a contrary intent. The defendant, counsel of 12241
the defendant, or agent of the defendant making a request under 12242
this division shall serve a copy of the request on the 12243
prosecuting attorney, director of law, or other chief legal 12244
officer responsible for prosecuting the action. 12245

(H) (1) Any portion of a body-worn camera or dashboard 12246
camera recording described in divisions (A) (17) (b) to (h) of 12247
this section may be released by consent of the subject of the 12248
recording or a representative of that person, as specified in 12249
those divisions, only if either of the following applies: 12250

(a) The recording will not be used in connection with any 12251
probable or pending criminal proceedings; 12252

(b) The recording has been used in connection with a 12253
criminal proceeding that was dismissed or for which a judgment 12254
has been entered pursuant to Rule 32 of the Rules of Criminal 12255
Procedure, and will not be used again in connection with any 12256
probable or pending criminal proceedings. 12257

(2) If a public office denies a request to release a 12258
restricted portion of a body-worn camera or dashboard camera 12259
recording, as defined in division (A) (17) of this section, any 12260
person may file a mandamus action pursuant to this section or a 12261
complaint with the clerk of the court of claims pursuant to 12262
section 2743.75 of the Revised Code, requesting the court to 12263
order the release of all or portions of the recording. If the 12264
court considering the request determines that the filing 12265
articulates by clear and convincing evidence that the public 12266
interest in the recording substantially outweighs privacy 12267
interests and other interests asserted to deny release, the 12268
court shall order the public office to release the recording. 12269

Sec. 153.01. (A) Whenever any building or structure for 12270
the use of the state or any institution supported in whole or in 12271
part by the state or in or upon the public works of the state 12272
that is administered by the Ohio facilities construction 12273
commission or by any other state officer or state agency 12274
authorized by law to administer a project, including an 12275
educational institution listed in section 3345.50 of the Revised 12276
Code, is to be erected or constructed, whenever additions, 12277
alterations, or structural or other improvements are to be made, 12278
or whenever heating, cooling, or ventilating plants or other 12279
equipment is to be installed or material supplied therefor, the 12280
estimated cost of which amounts to two hundred thousand dollars 12281
or more, or the amount determined pursuant to section 153.53 of 12282
the Revised Code or more, each officer, board, or other 12283

authority upon which devolves the duty of constructing, 12284
erecting, altering, or installing the same, referred to in 12285
sections 153.01 to 153.60 of the Revised Code as the public 12286
authority, shall cause to be made, by an architect or engineer 12287
whose contract of employment shall be prepared and approved by 12288
the attorney general, the following: 12289

(1) Full and accurate plans, suitable for the use of 12290
mechanics and other builders in the construction, improvement, 12291
addition, alteration, or installation; 12292

(2) Details to scale and full-sized, so drawn and 12293
represented as to be easily understood; 12294

(3) Definite and complete specifications of the work to be 12295
performed, together with directions that will enable a competent 12296
mechanic or other builder to carry them out and afford bidders 12297
all needful information; 12298

(4) A full and accurate estimate of each item of expense 12299
and the aggregate cost of those items of expense; 12300

(5) A life-cycle cost analysis; 12301

(6) Further data as may be required by the Ohio facilities 12302
construction commission. 12303

In preparing these plans, details, specifications, 12304
estimates, analyses, or other data, the public authority may 12305
require the architect or engineer to use a building information 12306
model system, as long as the system is based on a nationally 12307
recognized standard for building information models. As used in 12308
this division, "building information model" means a digital 12309
representation of physical and functional characteristics of a 12310

Sec. 153.09. If in the opinion of the owner referred to in 12444
section 153.01 of the Revised Code, the award of a contract to 12445
the lowest responsive and responsible bidder is not in the best 12446

Sec. 153.12. (A) With respect to award of any contract for 12455
the construction, reconstruction, improvement, enlargement, 12456

or a political subdivision or that is authorized by state law, 12462
the award, and execution of the contract, shall be made within 12463
sixty days after the date on which the bids are opened. The 12464
failure to award and execute the contract within sixty days 12465
invalidates the entire bid proceedings and all bids submitted, 12466
unless the time for awarding and executing the contract is 12467
extended by mutual consent of the owner or its representatives 12468
and the bidder whose bid the owner accepts and with respect to 12469
whom the owner subsequently awards and executes a contract. The 12470
public owners referred to in this section shall include, in the 12471
plans and specifications for the project for which bids are 12472
solicited, the estimate of cost. The bid for which the award is 12473
to be made shall be opened at the time and place named in the 12474
advertisement for bids, unless extended by the owner or its 12475
representative or unless, within seventy-two hours prior to the 12476
published time for the opening of bids, excluding Saturdays, 12477
Sundays, and legal holidays, any modification of the plans or 12478
specifications and estimates of cost for the project for which 12479
bids are solicited is issued and mailed or otherwise furnished 12480
to persons who have obtained plans or specifications for the 12481
project, for which the time for opening of bids shall be 12482
extended one week, with no further advertising of bids required. 12483
The contractor, upon request, is entitled to a notice to proceed 12484
with the work by the owner or its representative upon execution 12485
of the contract. No contract to which this section applies shall 12486
be entered into if the price of the contract, or, if the project 12487
involves multiple contracts where the total price of all 12488
contracts for the project, is in excess of ten per cent, in the 12489
case of a contract made by the state or a public board, 12490

commission, authority, or instrumentality of the state, or 12491
twenty per cent, in the case of a contract made by a county, 12492
township, municipal corporation, school district, special 12493
purpose district, or other political subdivision or a public 12494
board, commission, authority, or instrumentality of the 12495
political subdivision, above the entire estimate thereof, nor 12496
shall the entire cost of the construction, reconstruction, 12497
repair, painting, decorating, improvement, alteration, addition, 12498
or installation, including changes and estimates of expenses for 12499
architects or engineers, exceed in the aggregate the amount 12500
authorized by law. 12501

The unit or lump sum price stated in the contract shall be 12502
used in determining the amount to be paid and shall constitute 12503
full and final compensation for all the work. 12504

Partial payment to the contractor for work performed under 12505
the lump sum price shall be based on a schedule prepared by the 12506
contractor and approved by the architect or engineer who shall 12507
apportion the lump sum price to the major components entering 12508
into or forming a part of the work under the lump sum price. 12509

Partial payments to the contractor for labor performed 12510
under either a unit or lump sum price contract shall be made at 12511
~~the~~ a rate of ~~ninety-two~~ not less than ninety-six per cent of 12512
the estimates prepared by the contractor and approved by the 12513
architect or engineer. ~~All labor performed after the job is~~ 12514
~~fifty per cent completed shall be paid for at the rate of one~~ 12515
~~hundred per cent of the estimates submitted by the contractor~~ 12516
~~and approved by the architect or engineer.~~ No subcontract shall 12517
be paid at a rate lower than the rate being paid to the 12518
contractor by the public authority. 12519

The amounts and time of payments of any public 12520

improvements contract made by the state or any county, township, 12521
municipal corporation, school district, or other political 12522
subdivision, or any public board, commission, authority, 12523
instrumentality, or special purpose district of or in the state 12524
or a political subdivision or that is authorized by state law, 12525
except as provided in section 5525.19 of the Revised Code, shall 12526
be governed by this section and sections 153.13 and 153.14 of 12527
the Revised Code. If the time for awarding the contract is 12528
extended by mutual consent, or if the owner or its 12529
representative fails to issue a timely notice to proceed as 12530
required by this section, the owner or its representative shall 12531
issue a change order authorizing delay costs to the contractor, 12532
which does not invalidate the contract. The amount of such a 12533
change order to the owner shall be determined in accordance with 12534
the provisions of the contract for change orders or force 12535
accounts or, if no such provision is set forth in the contract, 12536
the cost to the owner shall be the contractor's actual costs 12537
including wages, labor costs other than wages, wage taxes, 12538
materials, equipment costs and rentals, insurance, and 12539
subcontracts attributable to the delay, plus a reasonable sum 12540
for overhead. In the event of a dispute between the owner and 12541
the contractor concerning such change order, procedures shall be 12542
commenced under the applicable terms of the contract, or, if the 12543
contract contains no provision for resolving the dispute, it 12544
shall be resolved pursuant to the procedures for arbitration in 12545
Chapter 2711. of the Revised Code, except as provided in 12546
division (B) of this section. Nothing in this division shall be 12547
construed as a limitation upon the authority of the director of 12548
transportation granted in Chapter 5525. of the Revised Code. 12549

(B) If a dispute arises between the state and a contractor 12550
concerning the terms of a public improvement contract let by the 12551

state or concerning a breach of the contract, and after 12552
administrative remedies provided for in such contract and any 12553
alternative dispute resolution procedures provided in accordance 12554
with guidelines established by the executive director of the 12555
Ohio facilities construction commission are exhausted, the 12556
contractor may bring an action to the court of claims in 12557
accordance with Chapter 2743. of the Revised Code. The state or 12558
the contractor may request the chief justice of the supreme 12559
court to appoint a referee or panel of referees in accordance 12560
with division (C) (3) of section 2743.03 of the Revised Code. As 12561
used in this division, "dispute" means a disagreement between 12562
the state and the contractor concerning a public improvement 12563
contract let by the state. 12564

Sec. 153.13. At the time named in the contract for payment 12565
to the person with whom it is made, the owner referred to in 12566
section 153.01 or 153.12 of the Revised Code shall approve a 12567
full, accurate, and detailed estimate of the various kinds of 12568
labor performed and material furnished under the contract, with 12569
the amount due for each kind of labor and material and the 12570
materials and amount due in the aggregate, which estimate shall 12571
be based upon actual measurement of such labor and materials, 12572
and shall give the amounts of the preceding estimate, and the 12573
amount of labor performed and materials furnished since the last 12574
estimate. ~~From the date the contract is fifty per cent complete,~~ 12575
~~as evidenced by payments in the amount of at least fifty per~~ 12576
~~cent of the contract to the person with whom the owner has~~ 12577
~~contracted, except in the case of contracts the total cost of~~ 12578
~~which is less than fifteen thousand dollars, all funds retained~~ 12579
~~pursuant to sections 153.12 and 153.14 of the Revised Code for~~ 12580
~~the faithful performance of work shall be deposited in the~~ 12581
~~escrow account designated in section 153.63 of the Revised Code.~~ 12582

~~After the contract is fifty per cent complete, no further funds shall be retained.~~ When the major portion of the project is substantially completed and occupied, or in use, or otherwise accepted, and there exists no other reason to withhold retainage, the retained percentages held in connection with such portion shall be ~~released from escrow and~~ paid to the contractor, withholding only that amount necessary to assure completion. ~~Funds in the escrow account not heretofore paid, with accumulated interest, shall be paid to the person with whom the owner has contracted thirty days from the date of completion or either acceptance or occupancy by the owner. Such payments shall be in accordance with division (A) (2) of section 153.63 of the Revised Code.~~ Any retained funds and interest thereon accrued during the project shall be considered property of the contractor. Any retained funds and interest thereon accrued during the project shall be paid to the primary contractor not later than thirty days after the date of substantial completion of the work. Nothing in this section shall be construed as a limitation upon the authority of the director of transportation granted in Chapter 5525. of the Revised Code.

Sec. 153.14. For the construction of those projects, improvements, and public buildings over which the Ohio facilities construction commission has general supervision pursuant to section 123.21 of the Revised Code, the estimates referred to in section 153.13 of the Revised Code shall be filed with the executive director by the owner referred to in section 153.01 or 153.12 of the Revised Code. Upon completion of a project referred to in section 153.13 of the Revised Code or any divisible part thereof, the maintenance and repair of such project or divisible part shall be assumed by the owner referred to in section 153.01 or 153.12 of the Revised Code.

In addition to all other payments on account of work performed, there shall be allowed by the owner referred to in section 153.01 or 153.12 of the Revised Code and paid to the contractor a sum at the rate of ninety-two per cent of the invoice costs, not to exceed the bid price in a unit price contract, of material delivered on the site of the work, or a railroad station, siding, or other point in the vicinity of the work, or other approved storage site, provided such materials have been inspected and found to meet the specifications. The balance of such invoiced value shall be paid when such material is incorporated into and becomes a part of such building, construction, addition, improvement, alteration, or installation. When an estimate is allowed on account of material delivered on the site of the work or in the vicinity thereof or under the possession and control of the contractor but not yet incorporated therein, such material shall become the property of the owner under the contract, but if such material is stolen, destroyed, or damaged by casualty before being used, the contractor shall be required to replace it at the contractor's own expense.

When the rate of work and amounts involved are so large that it is considered advisable by the owner or contractor, estimates and payments shall be made twice each month.

Payment on approved estimates filed with the owner or its representative shall be made within thirty days. Upon the failure of the owner or its representative to make such payments within thirty days, or upon an unauthorized withholding of retainage, there shall be allowed to the contractor, in addition to any other remedies allowed by law, interest on such moneys not paid within thirty days. Interest on the unauthorized withholding of retainage shall be in addition to any interest

earned ~~in the escrow account set forth as described~~ in section 12645
153.13 of the Revised Code. The rate of such interest shall be 12646
the average of the prime rate established at the commercial 12647
banks in the city of over one hundred thousand population that 12648
is nearest the construction project. Nothing in this section 12649
shall be construed as a limitation upon the authority of the 12650
director of transportation granted in Chapter 5525. of the 12651
Revised Code. 12652

the award of a single aggregate lump sum contract. 12666

(6) "General contracting firm" means a person capable of 12667
performing general contracting. 12668

(7) "Integrated project delivery contract" and "integrated 12669

at risk, with a design-build firm, with an integrated project 12673
contractor, or with a general contracting firm, an officer, 12674
board, or other authority of the state, a county, township, 12675

erection, repair, alteration, or rebuilding of a public 12678
building, institution, bridge, culvert, or improvement and 12679
required by law to advertise and receive bids for furnishing of 12680
materials and doing the work necessary for the erection thereof, 12681
shall require separate and distinct bids to be made for 12682

subcontract awarded by a construction manager at risk, an 12692
integrated project contractor, a design-build firm, or a general 12693
contracting firm, or may reject any such subcontract if the 12694
public authority determines that the bidder is not responsible. 12695

(B) A public authority may authorize a construction 12696
manager at risk or design-build firm to utilize a design-assist 12697
firm on any public improvement project without transferring any 12698
design liability to the design-assist firm. 12699

(C) If the construction manager at risk or design-build 12700
firm intends and is permitted by the public authority to self- 12701

the public authority requests a guaranteed maximum price 12706

Sec. 153.502. (A) Each construction manager at risk, 12708
integrated project contractor, and design-build firm shall 12709
establish criteria by which it will prequalify prospective 12710
bidders on subcontracts awarded for work to be performed under 12711
the construction management, integrated project delivery, or 12712

construction manager at risk, integrated project contractor, or 12714
design-build firm shall be subject to the approval of the public 12715

the rules adopted by the Ohio facilities construction commission 12717
pursuant to section 153.503 of the Revised Code. 12718

(B) For each subcontract to be awarded, the construction 12719
manager at risk, integrated project contractor, or design-build 12720
firm shall identify at least three prospective bidders that are 12721
prequalified to bid on that subcontract, except that the 12722
construction manager at risk, integrated project contractor, or 12723
design-build firm shall identify fewer than three if the 12724
construction manager at risk, integrated project contractor, or 12725
design-build firm establishes to the satisfaction of the public 12726
authority that fewer than three prequalified bidders are 12727
available. The public authority shall verify that each 12728
prospective bidder meets the prequalification criteria and may 12729
eliminate any bidder it determines is not qualified. 12730

(C) Once the prospective bidders are prequalified and 12731

found acceptable by the public authority, the construction 12732
manager at risk, integrated project contractor, or design-build 12733
firm shall solicit proposals from each of those bidders. The 12734
solicitation and selection of a subcontractor shall be conducted 12735
under an open book pricing method. As used in this division, 12736
"open book pricing method" has the same meaning as in section 12737

(2) Provide each selected integrated project contractor 13224

(5) Enter into contract negotiations for integrated 13251
project delivery construction services with the integrated 13252

(B) In negotiating with integrated project contractors 13255
under this section, the public authority shall do all of the 13256
following: 13257

(3) Use an open book pricing method to attempt to agree 13269
upon a procedure and schedule for determining a target price 13270
for the project, which shall include the cost of all work, the 13271
cost of its general conditions, the contingency, and the fee 13272

negotiations. The public authority then may negotiate a contract 13278
with the integrated project contractor ranked next highest under 13279
this section, following the negotiation procedure described in 13280
this section. If negotiations fail with the second integrated 13281
project contractor, the public authority may negotiate a 13282
contract with the integrated project contractor ranked next 13283
highest, and may continue negotiating with the integrated 13284
project contractors selected under this section in the order of 13285
their ranking until a contract is negotiated. 13286

(D) If the public authority fails to negotiate a contract 13287
with an integrated project contractor under this section, the 13288
public authority may select additional integrated project 13289

contractors to provide pricing proposals to the public authority 13290

year would be less than three hundred thousand dollars, the 13669
director shall allocate to the district in which that county is 13670
located an amount equal to the difference between three hundred 13671
thousand dollars and the county's per capita share. 13672

thereafter issued, if and to the extent provided in the bond 14091
proceedings. The pledged receipts and special funds so pledged 14092
and thereafter received by the state are immediately subject to 14093
the lien of such pledge without any physical delivery thereof or 14094
further act, and the lien of any such pledges is valid and 14095
binding against all parties having claims of any kind against 14096
the state or any governmental agency of the state, irrespective 14097
of whether such parties have notice thereof, and shall create a 14098
perfected security interest for all purposes of Chapter 1309. of 14099
the Revised Code, without the necessity for separation or 14100
delivery of funds or for the filing or recording of the bond 14101
proceedings by which such pledge is created or any certificate, 14102
statement or other document with respect thereto; and the pledge 14103
of such pledged receipts and special funds is effective and the 14104
money therefrom and thereof may be applied to the purposes for 14105
which pledged without necessity for any act of appropriation. 14106
Every pledge, and every covenant and agreement made with respect 14107
thereto, made in the bond proceedings may therein be extended to 14108
the benefit of the owners and holders of obligations authorized 14109
by this section, and to any trustee therefor, for the further 14110
security of the payment of the bond service charges. 14111

(E) The bond proceedings may contain additional provisions 14112
as to: 14113

(1) The redemption of obligations prior to maturity at the 14114
option of the issuing authority at such price or prices and 14115
under such terms and conditions as are provided in the bond 14116
proceedings; 14117

(2) Other terms of the obligations; 14118

(3) Limitations on the issuance of additional obligations;	14119
(4) The terms of any trust agreement or indenture securing the obligations or under which the same may be issued;	14120 14121
(5) The deposit, investment and application of special funds, and the safeguarding of moneys on hand or on deposit, without regard to Chapter 131. or 135. of the Revised Code, but subject to any special provisions of this chapter, with respect to particular funds or moneys, provided that any bank or trust company which acts as depository of any moneys in the special funds may furnish such indemnifying bonds or may pledge such securities as required by the issuing authority;	14122 14123 14124 14125 14126 14127 14128 14129
(6) Any or every provision of the bond proceedings being binding upon such officer, board, commission, authority, agency, department, or other person or body as may from time to time have the authority under law to take such actions as may be necessary to perform all or any part of the duty required by such provision;	14130 14131 14132 14133 14134 14135
(7) Any provision that may be made in a trust agreement or indenture;	14136 14137
(8) Any other or additional agreements with the holders of the obligations, or the trustee therefor, relating to the obligations or the security therefor, including the assignment of mortgages or other security obtained or to be obtained for loans under section 122.43, 166.07, or 166.16 of the Revised Code.	14138 14139 14140 14141 14142 14143
(F) The obligations may have the great seal of the state or a facsimile thereof affixed thereto or printed thereon. The obligations and any coupons pertaining to obligations shall be signed or bear the facsimile signature of the issuing authority.	14144 14145 14146 14147

Any obligations or coupons may be executed by the person who, on 14148
the date of execution, is the proper issuing authority although 14149
on the date of such bonds or coupons such person was not the 14150
issuing authority. If the issuing authority whose signature or a 14151
facsimile of whose signature appears on any such obligation or 14152
coupon ceases to be the issuing authority before delivery 14153
thereof, such signature or facsimile is nevertheless valid and 14154
sufficient for all purposes as if the former issuing authority 14155
had remained the issuing authority until such delivery; and if 14156
the seal to be affixed to obligations has been changed after a 14157
facsimile of the seal has been imprinted on such obligations, 14158
such facsimile seal shall continue to be sufficient as to such 14159
obligations and obligations issued in substitution or exchange 14160
therefor. 14161

(G) All obligations are negotiable instruments and 14162
securities under Chapter 1308. of the Revised Code, subject to 14163
the provisions of the bond proceedings as to registration. The 14164
obligations may be issued in coupon or in registered form, or 14165
both, as the issuing authority determines. Provision may be made 14166
for the registration of any obligations with coupons attached 14167
thereto as to principal alone or as to both principal and 14168
interest, their exchange for obligations so registered, and for 14169
the conversion or reconversion into obligations with coupons 14170
attached thereto of any obligations registered as to both 14171
principal and interest, and for reasonable charges for such 14172
registration, exchange, conversion, and reconversion. 14173

(H) Obligations may be sold at public sale or at private 14174
sale, as determined in the bond proceedings. 14175

Obligations issued to provide moneys for the loan 14176
guarantee fund or the innovation Ohio loan guarantee fund may, 14177

as determined by the issuing authority, be sold at private sale, 14178
and without publication of a notice of sale. 14179

(I) Pending preparation of definitive obligations, the 14180
issuing authority may issue interim receipts or certificates 14181
which shall be exchanged for such definitive obligations. 14182

(J) In the discretion of the issuing authority, 14183
obligations may be secured additionally by a trust agreement or 14184
indenture between the issuing authority and a corporate trustee 14185
which may be any trust company or bank having a place of 14186
business within the state. Any such agreement or indenture may 14187
contain the resolution or order authorizing the issuance of the 14188
obligations, any provisions that may be contained in any bond 14189
proceedings, and other provisions which are customary or 14190
appropriate in an agreement or indenture of such type, 14191
including, but not limited to: 14192

(1) Maintenance of each pledge, trust agreement, 14193
indenture, or other instrument comprising part of the bond 14194
proceedings until the state has fully paid the bond service 14195
charges on the obligations secured thereby, or provision 14196
therefor has been made; 14197

(2) In the event of default in any payments required to be 14198
made by the bond proceedings, or any other agreement of the 14199
issuing authority made as a part of the contract under which the 14200
obligations were issued, enforcement of such payments or 14201
agreement by mandamus, the appointment of a receiver, suit in 14202
equity, action at law, or any combination of the foregoing; 14203

(3) The rights and remedies of the holders of obligations 14204
and of the trustee, and provisions for protecting and enforcing 14205
them, including limitations on rights of individual holders of 14206

obligations;	14207
(4) The replacement of any obligations that become	14208
mutilated or are destroyed, lost, or stolen;	14209
(5) Such other provisions as the trustee and the issuing	14210
authority agree upon, including limitations, conditions, or	14211
qualifications relating to any of the foregoing.	14212
(K) Any holders of obligations or trustees under the bond	14213
proceedings, except to the extent that their rights are	14214
restricted by the bond proceedings, may by any suitable form of	14215
legal proceedings, protect and enforce any rights under the laws	14216
of this state or granted by such bond proceedings. Such rights	14217
include the right to compel the performance of all duties of the	14218
issuing authority, the director of development, the Ohio air	14219
quality development authority, or the division of liquor control	14220
required by this chapter or the bond proceedings; to enjoin	14221
unlawful activities; and in the event of default with respect to	14222
the payment of any bond service charges on any obligations or in	14223
the performance of any covenant or agreement on the part of the	14224
issuing authority, the director of development, the Ohio air	14225
quality development authority, or the division of liquor control	14226
in the bond proceedings, to apply to a court having jurisdiction	14227
of the cause to appoint a receiver to receive and administer the	14228
pledged receipts and special funds, other than those in the	14229
custody of the treasurer of state, which are pledged to the	14230
payment of the bond service charges on such obligations or which	14231
are the subject of the covenant or agreement, with full power to	14232
pay, and to provide for payment of bond service charges on, such	14233
obligations, and with such powers, subject to the direction of	14234
the court, as are accorded receivers in general equity cases,	14235
excluding any power to pledge additional revenues or receipts or	14236

other income or moneys of the issuing authority or the state or 14237
governmental agencies of the state to the payment of such 14238
principal and interest and excluding the power to take 14239
possession of, mortgage, or cause the sale or otherwise dispose 14240
of any project facilities. 14241

Each duty of the issuing authority and the issuing 14242
authority's officers and employees, and of each governmental 14243
agency and its officers, members, or employees, undertaken 14244
pursuant to the bond proceedings or any agreement or lease, 14245
lease-purchase agreement, or loan made under authority of this 14246
chapter, and in every agreement by or with the issuing 14247
authority, is hereby established as a duty of the issuing 14248
authority, and of each such officer, member, or employee having 14249
authority to perform such duty, specifically enjoined by the law 14250
resulting from an office, trust, or station within the meaning 14251
of section 2731.01 of the Revised Code. 14252

The person who is at the time the issuing authority, or 14253
the issuing authority's officers or employees, are not liable in 14254
their personal capacities on any obligations issued by the 14255
issuing authority or any agreements of or with the issuing 14256
authority. 14257

(L) The issuing authority may authorize and issue 14258
obligations for the refunding, including funding and retirement, 14259
and advance refunding with or without payment or redemption 14260
prior to maturity, of any obligations previously issued by the 14261
issuing authority. Such obligations may be issued in amounts 14262
sufficient for payment of the principal amount of the prior 14263
obligations, any redemption premiums thereon, principal 14264
maturities of any such obligations maturing prior to the 14265
redemption of the remaining obligations on a parity therewith, 14266

interest accrued or to accrue to the maturity dates or dates of 14267
redemption of such obligations, and any allowable costs 14268
including expenses incurred or to be incurred in connection with 14269
such issuance and such refunding, funding, and retirement. 14270
Subject to the bond proceedings therefor, the portion of 14271
proceeds of the sale of obligations issued under this division 14272
to be applied to bond service charges on the prior obligations 14273
shall be credited to an appropriate account held by the trustee 14274
for such prior or new obligations or to the appropriate account 14275
in the bond service fund for such obligations. Obligations 14276
authorized under this division shall be deemed to be issued for 14277
those purposes for which such prior obligations were issued and 14278
are subject to the provisions of this section pertaining to 14279
other obligations, except as otherwise provided in this section; 14280
provided that, unless otherwise authorized by the general 14281
assembly, any limitations imposed by the general assembly 14282
pursuant to this section with respect to bond service charges 14283
applicable to the prior obligations shall be applicable to the 14284
obligations issued under this division to refund, fund, advance 14285
refund or retire such prior obligations. 14286

(M) The authority to issue obligations under this section 14287
includes authority to issue obligations in the form of bond 14288
anticipation notes and to renew the same from time to time by 14289
the issuance of new notes. The holders of such notes or interest 14290
coupons pertaining thereto shall have a right to be paid solely 14291
from the pledged receipts and special funds that may be pledged 14292
to the payment of the bonds anticipated, or from the proceeds of 14293
such bonds or renewal notes, or both, as the issuing authority 14294
provides in the resolution or order authorizing such notes. Such 14295
notes may be additionally secured by covenants of the issuing 14296
authority to the effect that the issuing authority and the state 14297

will do such or all things necessary for the issuance of such 14298
bonds or renewal notes in appropriate amount, and apply the 14299
proceeds thereof to the extent necessary, to make full payment 14300
of the principal of and interest on such notes at the time or 14301
times contemplated, as provided in such resolution or order. For 14302
such purpose, the issuing authority may issue bonds or renewal 14303
notes in such principal amount and upon such terms as may be 14304
necessary to provide funds to pay when required the principal of 14305
and interest on such notes, notwithstanding any limitations 14306
prescribed by or for purposes of this section. Subject to this 14307
division, all provisions for and references to obligations in 14308
this section are applicable to notes authorized under this 14309
division. 14310

The issuing authority in the bond proceedings authorizing 14311
the issuance of bond anticipation notes shall set forth for such 14312
bonds an estimated interest rate and a schedule of principal 14313
payments for such bonds and the annual maturity dates thereof, 14314
and for purposes of any limitation on bond service charges 14315
prescribed under division (A) of section 166.11 of the Revised 14316
Code, the amount of bond service charges on such bond 14317
anticipation notes is deemed to be the bond service charges for 14318
the bonds anticipated thereby as set forth in the bond 14319
proceedings applicable to such notes, but this provision does 14320
not modify any authority in this section to pledge receipts and 14321
special funds to, and covenant to issue bonds to fund, the 14322
payment of principal of and interest and any premium on such 14323
notes. 14324

(N) Obligations issued under this section are lawful 14325
investments for banks, societies for savings, savings and loan 14326
associations, deposit guarantee associations, trust companies, 14327
trustees, fiduciaries, insurance companies, including domestic 14328

funds of political subdivisions and taxing districts of this 14331
state, the commissioners of the sinking fund of the state, the 14332
administrator of workers' compensation, the state teachers 14333
retirement system, the public employees retirement system, the 14334
school employees retirement system, and the Ohio police and fire 14335
pension fund, notwithstanding any other provisions of the 14336
Revised Code or rules adopted pursuant thereto by any 14337
governmental agency of the state with respect to investments by 14338
them, and are also acceptable as security for the deposit of 14339
public moneys. 14340

(O) Unless otherwise provided in any applicable bond 14341
proceedings, moneys to the credit of or in the special funds 14342
established by or pursuant to this section may be invested by or 14343
on behalf of the issuing authority only in notes, bonds, or 14344
other obligations of the United States, or of any agency or 14345
instrumentality of the United States, obligations guaranteed as 14346
to principal and interest by the United States, obligations of 14347
this state or any political subdivision of this state, and 14348
certificates of deposit of any national bank located in this 14349
state and any bank, as defined in section 1101.01 of the Revised 14350
Code, subject to inspection by the superintendent of banks. If 14351
the law or the instrument creating a trust pursuant to division 14352
(J) of this section expressly permits investment in direct 14353
obligations of the United States or an agency of the United 14354
States, unless expressly prohibited by the instrument, such 14355
moneys also may be invested in no-front-end-load money market 14356
mutual funds consisting exclusively of obligations of the United 14357
States or an agency of the United States and in repurchase 14358
agreements, including those issued by the fiduciary itself, 14359

secured by obligations of the United States or an agency of the 14360
United States; and in common trust funds established in 14361
accordance with section 1111.20 of the Revised Code and 14362
consisting exclusively of any such securities, notwithstanding 14363
division (A)(4) of that section. The income from such 14364
investments shall be credited to such funds as the issuing 14365
authority determines, and such investments may be sold at such 14366
times as the issuing authority determines or authorizes. 14367

(P) Provision may be made in the applicable bond 14368
proceedings for the establishment of separate accounts in the 14369
bond service fund and for the application of such accounts only 14370
to the specified bond service charges on obligations pertinent 14371
to such accounts and bond service fund and for other accounts 14372
therein within the general purposes of such fund. Unless 14373
otherwise provided in any applicable bond proceedings, moneys to 14374
the credit of or in the several special funds established 14375
pursuant to this section shall be disbursed on the order of the 14376
treasurer of state, provided that no such order is required for 14377
the payment from the bond service fund when due of bond service 14378
charges on obligations. 14379

(Q) The issuing authority may pledge all, or such portion 14380
as the issuing authority determines, of the pledged receipts to 14381
the payment of bond service charges on obligations issued under 14382
this section, and for the establishment and maintenance of any 14383
reserves, as provided in the bond proceedings, and make other 14384
provisions therein with respect to pledged receipts as 14385
authorized by this chapter, which provisions are controlling 14386
notwithstanding any other provisions of law pertaining thereto. 14387

(R) The issuing authority may covenant in the bond 14388
proceedings, and any such covenants are controlling 14389

notwithstanding any other provision of law, that the state and 14390
applicable officers and governmental agencies of the state, 14391
including the general assembly, so long as any obligations are 14392
outstanding, shall: 14393

(1) Maintain statutory authority for and cause to be 14394
charged and collected wholesale and retail prices for spirituous 14395
liquor sold by the state or its agents so that the pledged 14396
receipts are sufficient in amount to meet bond service charges, 14397
and the establishment and maintenance of any reserves and other 14398
requirements provided for in the bond proceedings, and, as 14399
necessary, to meet covenants contained in contracts of guarantee 14400
made under section 166.06 of the Revised Code; 14401

(2) Take or permit no action, by statute or otherwise, 14402
that would impair the exemption from federal income taxation of 14403
the interest on the obligations. 14404

(S) There is hereby created the economic development bond 14405
service fund, which shall be in the custody of the treasurer of 14406
state but shall be separate and apart from and not a part of the 14407
state treasury. All moneys received by or on account of the 14408
issuing authority or state agencies and required by the 14409
applicable bond proceedings, consistent with this section, to be 14410
deposited, transferred, or credited to a bond service fund or 14411
the economic development bond service fund, and all other moneys 14412
transferred or allocated to or received for the purposes of the 14413
fund, shall be deposited and credited to such fund and to any 14414
separate accounts therein, subject to applicable provisions of 14415
the bond proceedings, but without necessity for any act of 14416
appropriation. During the period beginning with the date of the 14417
first issuance of obligations and continuing during such time as 14418
any such obligations are outstanding, and so long as moneys in 14419

the pertinent bond service funds are insufficient to pay all 14420
bond services charges on such obligations becoming due in each 14421
year, a sufficient amount of the gross profit on the sale of 14422
spirituous liquor included in pledged receipts are committed and 14423
shall be paid to the bond service fund or economic development 14424
bond service fund in each year for the purpose of paying the 14425
bond service charges becoming due in that year without necessity 14426
for further act of appropriation for such purpose and 14427
notwithstanding anything to the contrary in Chapter 4301. of the 14428
Revised Code. The economic development bond service fund is a 14429
trust fund and is hereby pledged to the payment of bond service 14430
charges to the extent provided in the applicable bond 14431
proceedings, and payment thereof from such fund shall be made or 14432
provided for by the treasurer of state in accordance with such 14433
bond proceedings without necessity for any act of appropriation. 14434

(T) The obligations, the transfer thereof, and the income 14435
therefrom, including any profit made on the sale thereof, shall 14436
at all times be free from taxation within the state. 14437

Sec. 166.36. The automated clearing house payments fund is 14438
created, which shall be in the custody of the treasurer of state 14439
but shall not be part of the state treasury. The fund shall be 14440
used to receive regular loan repayments and fees by automated 14441
clearing house transfer for loans made from loan programs 14442
administered by the director of development under the Revised 14443
Code. At the direction of the director of development, money in 14444
the fund shall be transferred to the enterprise bond retirement 14445
fund created under section 166.37 of the Revised Code or to any 14446
fund within the state treasury. All interest and investment 14447
income earned by the fund shall be deposited in the fund. 14448

Sec. 166.37. In accordance with division (S) of section 14449

166.08 of the Revised Code, the enterprise bond retirement fund 14450
is created, which shall be in the custody of the treasurer of 14451
state but shall not be part of the state treasury. The fund 14452
shall be used to receive repayments, fees, and other money 14453
attributable to loans made by the director of development under 14454
section 166.07 of the Revised Code. At the direction of the 14455
director of development, money in the fund may be transferred to 14456
any fund related to this chapter or to any fund in the state 14457
treasury. All interest and investment income earned by the fund 14458
shall be deposited in the fund. 14459

Sec. 166.38. The regional loan escrow fund is created, 14460
which shall be in the custody of the treasurer of state but 14461
shall not be part of the state treasury. The fund shall consist 14462

in such fund, and all repayments, fees, and other money 14466
attributable to loans made under the regional 166 loan program 14467
for which the director acts as escrow agent. All money received 14468
or transferred to the fund may be released at the direction of 14469
the director of development for the making of loans under this 14470
chapter. All interest and investment income earned by the fund 14471

in the amount necessary to meet the request, from financial 14721
institutions in which the funds were retained or placed by a 14722

proportionate share of the administrative costs of the 14738
department of commerce in accordance with procedures the 14739
director of commerce prescribes. The assessment shall be paid 14740
from the unclaimed funds trust fund to the division of 14741

(C) Earnings on the accounts in financial organizations to 14743
the credit of the mortgage funds shall, at the option of the 14744
financial organization, be credited to the accounts at times and 14745
at rates as earnings are paid on other accounts of the same 14746
classification held in the financial organization or paid to the 14747
director. The director shall be notified annually, and at other 14748
times as the director may request, of the amount of the earnings 14749
credited to the accounts. Interest on unclaimed funds a holder 14750
retains shall be paid to the director or credited as specified 14751
in the agreement under which the organization retains the funds. 14752
Interest payable to the director under an agreement to invest 14753
unclaimed funds in income-bearing accounts or obligations of the 14754

the department to properly carry into operation the laws of this 14772
chapter. 14773

the director, or equal to the net proceeds if the securities or 14778

form prescribed by the director of commerce. 14787

(3) (a) The director may pay or deliver unclaimed funds, as 14788
required by division (A) (1) of this section, without requiring 14789
the person claiming a property interest in the unclaimed funds 14790
to file a claim form under division (A) (2) of this section, if 14791
both of the following apply: 14792

statute of limitations shall bar the allowance of a claim. 14812

(C) For the purpose of conducting any hearing, the 14813
director may require the attendance of such witnesses and the 14814
production of such books, records, and papers as the director 14815
desires, and the director may take the depositions of witnesses 14816
residing within or without this state in the same manner as is 14817
prescribed by law for the taking of depositions in civil actions 14818
in the court of common pleas, and for that purpose the director 14819
may issue a subpoena for any witness or a subpoena duces tecum 14820
to compel the production of any books, records, or papers, 14821
directed to the sheriff of the county where such witness resides 14822
or is found, which shall be served and returned. The fees of the 14823
sheriff shall be the same as that allowed in the court of common 14824

amount available in the trust fund is not sufficient to pay 14845
pending claims, or other amounts disburseable from the trust 14846

director, who shall then withdraw such amount of funds from the 14848
mortgage accounts as the director determines necessary to 14849

the trust fund, the director shall provide for a withdrawal of 14857
funds, within a reasonable time, in such amount as is necessary 14858
to meet the requirements, from financial institutions in which 14859
such funds were retained or placed by a holder and from other 14860
holders who have retained funds, in an equitable manner as 14861
prescribed by the director. In the event that the amount to be 14862
withdrawn from any one such holder is less than five hundred 14863

dollars, the amount to be withdrawn shall be at the discretion 14864
of the director. Such funds may be reimbursed in the amounts 14865
withdrawn when the trust fund has a surplus over the amount 14866
required to pay anticipated claims. Whenever the trust fund has 14867
a surplus over the amount required to pay anticipated claims, 14868
the director may transfer such surplus to the mortgage accounts. 14869

pursuant to this chapter, are insufficient to pay claims, the 14873
director may notify such holder in writing of the payment of the 14874

chapter, any holder who has paid moneys to or entered into an 14896
agreement with the director pursuant to section 169.05 of the 14897
Revised Code on certified checks, cashiers' checks, bills of 14898
exchange, letters of credit, drafts, money orders, or travelers' 14899

provider agreement to be suspended under section 5164.36 of the 15874

annual credit amount for any year of a qualified project's 16057
credit period may be allocated by the project owner among one or 16058
more equity owners and may be applied by those equity owners 16059
against more than one tax, but the total credits claimed in 16060
connection with that year of the qualified project's credit 16061
period by all project owners and equity owners against all taxes 16062
shall not exceed the annual credit amount stated on the 16063
eligibility certificate. 16064

(3) A project owner or equity owner may claim the credit 16065
authorized by this section after the date the qualified project 16066
is placed into service but not before the director issues the 16067
project owner an eligibility certificate under division (D) of 16068
this section and the applicable report required by division (I) 16069

of this section is filed by the designated reporter. 16070

(4) A project owner or equity owner that claims a tax 16071
credit under division (F) (1) of this section shall submit a copy 16072
of the eligibility certificate with the project owner's or 16073
equity owner's tax return or report. Upon request of the tax 16074
commissioner or the superintendent of insurance, any project 16075
owner or equity owner claiming a tax credit under this section 16076
shall provide the commissioner or superintendent other 16077
documentation that may be necessary to verify that the project 16078
owner or equity owner is entitled to claim the credit. 16079

(5) A project owner that is a pass-through entity may 16080
allocate the credit authorized by this section to its equity 16081
owners under division (F) (2) of this section in any manner 16082
agreed to by such persons regardless of whether such equity 16083
owners are eligible for an allocation of the federal credit, 16084
whether the allocation of the credit under the terms of the 16085
agreement has substantial economic effect within the meaning of 16086
section 704(b) of the Internal Revenue Code, and whether any 16087
such person is deemed a partner of the project owner or equity 16088
owner for federal income tax purposes as long as the equity 16089
owner acquired its ownership interest prior to claiming the 16090
credit. The allocation shall be allowed without regard to any 16091
provision of the Internal Revenue Code, or regulation 16092
promulgated pursuant to it, that may be interpreted as contrary 16093
to the allocation, including, without limitation, the treatment 16094
of the allocation as a disguised sale. 16095

An equity owner may assign all or any part of its interest 16096
in a qualified project, including its interest in the tax 16097
credits authorized by this section, to one or more other equity 16098
owners, and each assignee shall be able to claim the credit so 16099

long as its interest is acquired prior to the filing of its tax return or report or amended tax return or report claiming the credit and the assignee's ownership interest is identified in the report required by division (I) of this section.

(6) Nothing in this section or section 5725.36, 5726.58, 5729.19, or 5747.83 of the Revised Code allows the assignment or transfer of any carryforward of the credit authorized under this section once the annual credit amount is claimed.

(G) If any portion of the federal credit allocated to a qualified project is recaptured under section 42(j) of the Internal Revenue Code or is otherwise disallowed, the director shall recapture a proportionate amount of the tax credit claimed pursuant to this section in connection with the same qualified project.

If the director determines to recapture such a tax credit, the director shall certify the name of each project owner and the amount to be recaptured to the tax commissioner and to the superintendent of insurance. The commissioner or superintendent shall determine the taxpayer or taxpayers that claimed the credit, the tax against which the credit was claimed, and the amount to be recaptured and make an assessment against the taxpayer or taxpayers under Chapter 5725., 5726., 5729., or 5747. of the Revised Code, as applicable, for the amount of the tax credit to be recaptured. The time limitations on assessments under those chapters do not bar an assessment made under this division.

(H) The director, in consultation with the tax commissioner and superintendent of insurance, shall adopt any rules necessary to implement this section in accordance with Chapter 119. of the Revised Code.

(I) (1) For each calendar year, a designated reporter shall provide the tax commissioner ~~and the superintendent of insurance,~~ in the form prescribed by the tax commissioner in consultation with the superintendent of insurance, all of the following:

(c) The total of the amounts listed for each project owner and equity owner under division (I) (1) (b) of this section, demonstrating that the total does not exceed the amount listed on the eligibility certificate for that year.

(2) A designated reporter shall notify the tax commissioner ~~and the superintendent of insurance~~ of any changes to the information reported in division (I) (1) of this section in the time and manner prescribed by the commissioner ~~and superintendent.~~

(3) No credit allocated under this section may be claimed by a project owner or equity owner for a year unless that owner and the amount of the credit allocated to that owner appear on the report required by division (I) (1) of this section for that year.

The tax commissioner shall provide a copy of the report, and any subsequent changes to the report, submitted by the designated reporter under division (I) of this section to the

superintendent of insurance in the time and manner agreed to by 16159
the commissioner and superintendent. 16160

development owner. That annual amount, which shall be stated on 16272

the certificate, shall equal one-tenth of the reserved credit amount stated in the notice issued under division (B) of this section, subject to any reduction or increase as the result of the approval of the final cost certification and the appraisal conducted under this division.

(E) Each eligibility certificate shall state the annual credit amount, the years that comprise the credit period, the name, address, and the taxpayer identification number of the project development owner, the project development owner's designated reporter, and all members of the project development team along with the date the certificate is issued, a unique identifying number, and any additional information the director may require by rule. The director shall certify a copy of each eligibility certificate to the tax commissioner and the superintendent of insurance.

qualified project's credit period by all project development 16305
investors and equity owners shall not exceed the annual credit 16306
amount stated on the eligibility certificate. 16307

(3) A project development investor or the equity owner of 16308
such an investor that is a pass-through entity may claim the 16309
credit authorized by this section after the date the director 16310

a credit if the project development owner or the project 16325
development owner's qualified project does not or ceases to 16326
qualify for the credit. If the director determines to recapture 16327
such a tax credit, the director shall certify the name of the 16328
project development owner, and the amount to be recaptured to 16329
the tax commissioner and to the superintendent of insurance. The 16330

5725., 5726., 5729., or 5747. of the Revised Code, as 16335
applicable, for the amount to be recaptured. The time 16336
limitations on assessments under those chapters do not bar an 16337
assessment made under this division. 16338

provide the following information to the ~~director tax~~ 16340
commissioner on a form prescribed by the ~~director commissioner~~ 16341

any personal property including equipment, materials, and other 16706
tangible assets. 16707

Sec. 307.985. Each board of county commissioners shall 16708
develop a written transportation work plan that establishes 16709
policies regarding the transportation needs of low income 16710
residents of the county seeking or striving to retain 16711

board shall consult with all of the following: 16713

(B) An alcohol, drug addiction, and mental health service district shall be established in any county or combination of counties having a population of at least fifty thousand. With the approval of the director of ~~mental behavioral health and addiction services~~, any county or combination of counties having a population of less than fifty thousand may establish such a district. Districts comprising more than one county shall be known as joint-county districts.

The board of county commissioners of any county participating in a joint-county district may submit a resolution requesting withdrawal from the district together with a comprehensive plan or plans that are in compliance with rules adopted by the director of ~~mental behavioral health and addiction services~~ under section 5119.22 of the Revised Code to the board of alcohol, drug addiction, and mental health services, to the boards of county commissioners of each county in the district, and to the director. The director shall approve the plan not later than one year after the date the resolution was adopted by the board of county commissioners. No county participating in a joint-county district may withdraw from the district without the consent of

the director of ~~mental-behavioral health and addiction services~~ 16773
nor earlier than one year after the submission of such 16774
resolution unless all of the participating counties agree to an 16775
earlier withdrawal. 16776

Any county withdrawing from a joint-county district shall 16777
continue to have levied against its tax list and duplicate any 16778
tax levied by the district during the period in which the county 16779

or is renewed or replaced. 16781

(C) For any tax levied under section 5705.19 of the 16782
Revised Code by a board of a joint-county district formed on or 16783
after April 3, 2023, revenue from the tax shall only be expended 16784
for the benefit of the residents of the county from which the 16785
revenue is derived. For the purpose of this division, a joint- 16786
county district is not formed by virtue of a county joining or 16787
withdrawing from a district or if a joint-county service 16788
district merges with another joint-county district. 16789

Sec. 340.011. (A) This chapter shall be interpreted to 16790
accomplish all of the following: 16791

(1) Establish a unified system of treatment for persons 16792

(2) Establish a community support system available for 16794
every alcohol, drug addiction, and mental health service 16795
district; 16796

illnesses so that they may be treated in the least restrictive 16798
environment; 16799

(4) Encourage the development of high quality, cost 16800
effective, and comprehensive services, including culturally 16801

sensitive services; 16802

mental health services, based on recognized local needs, 16804
especially for persons with severe mental disabilities; 16805

(6) Ensure that services provided meet minimum standards 16806
established by the director of ~~mental~~ behavioral health ~~and~~ 16807
~~addiction services~~; 16808

(7) Promote the delivery of high quality and cost- 16809
effective addiction and mental health services; 16810

(8) Promote the participation of persons receiving mental 16811
health services and addiction services in the planning, 16812
delivery, and evaluation of these services. 16813

(B) Nothing in Chapter 340., 5119., or 5122. of the 16814
Revised Code shall be construed as requiring a board of county 16815
commissioners to provide resources beyond the total amount set 16816
forth in a budget and list of addiction services, mental health 16817
services, and recovery supports required by section 340.08 of 16818
the Revised Code and approved by the department of ~~mental~~ 16819
behavioral health ~~and addiction services~~ under section 5119.22 16820
of the Revised Code. 16821

Sec. 340.02. (A) For each alcohol, drug addiction, and 16822
mental health service district, there shall be appointed a board 16823
of alcohol, drug addiction, and mental health services. As 16824
provided in this section, the board shall consist of eighteen 16825
members, fifteen members, fourteen members, twelve members, or 16826
nine members. 16827

In a single-county district, the size of the board shall 16828
be determined by the board of county commissioners representing 16829
the county that constitutes the district. In a joint-county 16830

district, the size of the board shall be determined jointly by 16831
all of the boards of county commissioners representing the 16832
counties that constitute the district. 16833

The determination of board size shall be made by selecting 16834
one of the options described in division (B) of this section. 16835
After an option is selected and implemented, a subsequent 16836
determination of board size may be made, except that subsequent 16837
determinations shall not occur more frequently than once every 16838
four calendar years. 16839

If a selected option would result in a change in board 16840
size, before the option may be implemented the board of county 16841
commissioners or boards of county commissioners, as the case may 16842
be, shall send a representative to a meeting of the board of 16843
alcohol, drug addiction, and mental health services to solicit 16844
feedback about the matter. After considering any feedback 16845
received, the board or boards of county commissioners may 16846
proceed with implementing the change in board size. If the 16847
change results in a reduction of board members, the reduction 16848
shall be implemented by not filling vacancies as they occur. 16849

To implement a selected option that would result in the 16850
establishment of a new board of alcohol, drug addiction, and 16851
mental health services or in a change in size of an existing 16852
board, the board or boards of county commissioners, as the case 16853
may be, shall adopt a resolution specifying the board size that 16854
has been selected. The board or boards of county commissioners 16855
also shall notify the department of ~~mental-behavioral health and~~ 16856
~~addiction services~~ of the board size that has been selected. 16857

(B) (1) In the case of a board of alcohol, drug addiction, 16858
and mental health services that is established on or after ~~the~~ 16859
~~effective date of this amendment~~ October 3, 2023, any of the 16860

following options may be selected for purposes of division (A) 16861
of this section: 16862

(a) To establish the board as an eighteen-member board; 16863

(b) To establish the board as a fifteen-member board; 16864

(c) To establish the board as a fourteen-member board; 16865

(d) To establish the board as a twelve-member board; 16866

(e) To establish the board as a nine-member board; 16867

(f) To change the board's size after it has been 16868

fifteen, fourteen, twelve, or nine, as the case may be. 16870

(2) In the case of a board of alcohol, drug addiction, and 16871
mental health services that existed immediately prior to ~~the~~ 16872
~~effective date of this amendment~~ October 3, 2023, either of the 16873
following options may be selected for purposes of division (A) 16874
of this section: 16875

(a) To continue the board's operation as an eighteen- 16876
member or fourteen-member board, as a board of that size was 16877
authorized prior to ~~the effective date of this amendment~~ October 16878
3, 2023, in which case no further action is required; 16879

(b) To change the board's size by selecting a number of 16880
members that is eighteen, fifteen, fourteen, twelve, or nine as 16881
the case may be. 16882

(C) All members shall be residents of the service 16883
district. The membership shall, as nearly as possible, reflect 16884
the composition of the population of the service district as to 16885
race and sex. 16886

The director of ~~mental behavioral health and addiction~~ 16887

~~services~~ shall appoint one-third of the members of the board and 16888
the board of county commissioners shall appoint two-thirds of 16889
the members. In a joint-county district, the board of county 16890
commissioners of each participating county shall appoint members 16891
in as nearly as possible the same proportion as that county's 16892
population bears to the total population of the district, except 16893
that at least one member shall be appointed from each 16894
participating county. 16895

The director of ~~mental~~ behavioral health and ~~addiction~~ 16896
~~services~~ shall ensure that at least one member of the board is a 16897
clinician with experience in the delivery of mental health 16898
services, at least one member of the board is a person who has 16899
received or is receiving mental health services, at least one 16900
member of the board is a parent or other relative of such a 16901
person, at least one member of the board is a clinician with 16902
experience in the delivery of addiction services, at least one 16903
member of the board is a person who has received or is receiving 16904
addiction services, and at least one member of the board is a 16905
parent or other relative of such a person. A single member who 16906
meets both qualifications may fulfill the requirement for a 16907
clinician with experience in the delivery of mental health 16908
services and a clinician with experience in the delivery of 16909
addiction services. 16910

No member or employee of a board of alcohol, drug 16911
addiction, and mental health services shall serve as a member of 16912
the board of any provider with which the board of alcohol, drug 16913
addiction, and mental health services has entered into a 16914
contract for the provision of services or facilities. No member 16915
of a board of alcohol, drug addiction, and mental health 16916
services shall be an employee of any provider with which the 16917
board has entered into a contract for the provision of services 16918

or facilities. No person shall be an employee of a board and 16919
such a provider unless the board and provider both agree in 16920
writing. 16921

No person shall serve as a member of the board of alcohol, 16922
drug addiction, and mental health services whose spouse, child, 16923

a member of the board of any provider with which the board of 16927
alcohol, drug addiction, and mental health services has entered 16928
into a contract for the provision of services or facilities. No 16929
person shall serve as a member or employee of the board whose 16930
spouse, child, parent, brother, sister, stepparent, stepchild, 16931
stepbrother, stepsister, father-in-law, mother-in-law, son-in- 16932
law, daughter-in-law, brother-in-law, or sister-in-law serves as 16933
a county commissioner of a county or counties in the alcohol, 16934
drug addiction, and mental health service district. 16935

Each year each board member shall attend at least one 16936
inservice training session provided or approved by the 16937
department of ~~mental behavioral health and addiction services~~. 16938

Each member shall be appointed for a term of four years, 16939
commencing the first day of July, except that when a board is 16940
established on or after ~~the effective date of this amendment~~ 16941
October 3, 2023, the initial appointments shall be staggered 16942
among the members as equally as possible with terms of two 16943
years, three years, and four years. 16944

No member shall serve more than two consecutive four-year 16945
terms under the same appointing authority. A member may serve 16946
for three consecutive terms under the same appointing authority 16947
only if one of the terms is for less than two years. A member 16948

who has served two consecutive four-year terms or three 16949
consecutive terms totaling less than ten years is eligible for 16950
reappointment by the same appointing authority one year 16951
following the end of the second or third term, respectively. 16952

When a vacancy occurs, appointment for the expired or 16953
unexpired term shall be made in the same manner as an original 16954
appointment. The board shall notify the appointing authority 16955
either by certified mail or, if the board has record of an 16956
internet identifier of record associated with the authority, by 16957
ordinary mail and by that internet identifier of record of any 16958
vacancy and shall fill the vacancy within sixty days following 16959
that notice. As used in this paragraph, "internet identifier of 16960
record" has the same meaning as in section 9.312 of the Revised 16961
Code. 16962

Any member of the board may be removed from office by the 16963
appointing authority at will. Before a member may be removed at 16964
will, the member shall be informed in writing of the proposed 16965
removal and afforded an opportunity for a public hearing. Upon 16966
the absence of a member within one year from either four board 16967
meetings or from two board meetings without prior notice, the 16968
board shall notify the appointing authority, which may vacate 16969
the appointment and appoint another person to complete the 16970
member's term. 16971

Members of the board shall serve without compensation, but 16972
shall be reimbursed for actual and necessary expenses incurred 16973
in the performance of their official duties, as defined by rules 16974
of the department of ~~mental behavioral health and addiction~~ 16975
~~services~~. 16976

Sec. 340.021. (A) In an alcohol, drug addiction, and 16977
mental health service district where the board of county 16978

commissioners has established an alcohol and drug addiction 16979
services board, the community mental health board established 16980
under former section 340.02 of the Revised Code shall serve as 16981
the entity responsible for providing mental health services in 16982
the county. A community mental health board has all the powers, 16983
duties, and obligations of a board of alcohol, drug addiction, 16984
and mental health services with regard to mental health 16985
services. An alcohol and drug addiction services board has all 16986
the powers, duties, and obligations of a board of alcohol, drug 16987
addiction, and mental health services with regard to addiction 16988
services. Any provision of the Revised Code that refers to a 16989
board of alcohol, drug addiction, and mental health services 16990
with regard to mental health services also refers to a community 16991
mental health board and any provision that refers to a board of 16992
alcohol, drug addiction, and mental health services with regard 16993
to alcohol and drug addiction services also refers to an alcohol 16994
and drug addiction services board. 16995

An alcohol and drug addiction services board shall consist 16996
of eighteen members or fourteen members, at the election of the 16997
board. Not later than January 1, 2014, each alcohol and drug 16998
addiction services board shall notify the department of ~~mental-~~ 16999
behavioral health and addiction services of its election to 17000
operate as an eighteen-member board or to operate as a fourteen- 17001
member board. The election shall be final. Failure to provide 17002
notice of its election to the department on or before January 1, 17003
2014, shall constitute an election to continue to operate as an 17004
eighteen-member board. If an existing board provides timely 17005
notice of its election to operate as a fourteen-member board, 17006
the number of board members may decline from eighteen to 17007
fourteen by attrition as current members' terms expire. However, 17008
the composition of the board must reflect the requirements set 17009

forth in this section and in applicable provisions of section 17010
340.02 of the Revised Code for fourteen-member boards. For 17011
boards operating as eighteen-member boards, six members shall be 17012
appointed by the director of ~~mental~~behavioral health ~~and~~ 17013
~~addiction services~~ and twelve members shall be appointed by the 17014
board of county commissioners. The director of ~~mental~~behavioral 17015
health ~~and addiction services~~ shall ensure that at least one 17016
member of the board is a person who has received or is receiving 17017
services for alcohol, drug, or gambling addiction, at least one 17018
member is a parent or relative of such a person, and at least 17019
one member is a clinician with experience in the delivery of 17020
addiction services. The membership of the board shall, as nearly 17021
as possible, reflect the composition of the population of the 17022
service district as to race and sex. Members shall be residents 17023
of the service district and shall be interested in alcohol, 17024
drug, or gambling addiction services. Requirements for 17025
membership, including prohibitions against certain family and 17026
business relationships, and terms of office shall be the same as 17027
those for members of boards of alcohol, drug addiction, and 17028
mental health services. 17029

A community mental health board shall consist of eighteen 17030
members or fourteen members, at the election of the board. Not 17031
later than January 1, 2014, each community mental health board 17032
shall notify the department of ~~mental~~behavioral health ~~and~~ 17033
~~addiction services~~ of its election to operate as an eighteen- 17034
member board or to operate as a fourteen-member board. The 17035
election shall be final. Failure to provide notice of its 17036
election to the department on or before January 1, 2014, shall 17037
constitute an election to continue to operate as an eighteen- 17038
member board. If an existing board provides timely notice of its 17039
election to operate as a fourteen-member board, the number of 17040

board members may decline from eighteen to fourteen by attrition 17041
as current members' terms expire. However, the composition of 17042
the board must reflect the requirements set forth in this 17043
section and in applicable provisions of section 340.02 of the 17044
Revised Code for fourteen-member boards. For boards operating as 17045
eighteen-member boards, six members shall be appointed by the 17046
director of ~~mental-behavioral health and addiction services~~ and 17047
twelve members shall be appointed by the board of county 17048
commissioners. The director of ~~mental-behavioral health and~~ 17049
~~addiction services~~ shall ensure that at least one member of the 17050
board is a person who has received or is receiving mental health 17051
services, at least one member is a parent or relative of such a 17052
person, and at least one member is a clinician with experience 17053
in the delivery of mental health services. The membership of the 17054
board as nearly as possible shall reflect the composition of the 17055
population of the service district as to race and sex. Members 17056
shall be residents of the service district and shall be 17057
interested in mental health services. Requirements for 17058
membership, including prohibitions against certain family and 17059
business relationships, and terms of office shall be the same as 17060
those for members of boards of alcohol, drug addiction, and 17061
mental health services. 17062

(B) (1) If a board of county commissioners subject to 17063
division (A) of this section did not adopt a final resolution 17064
providing for a board of alcohol, drug addiction, and mental 17065
health services on or before July 1, 2007, the board of county 17066
commissioners may establish a board of alcohol, drug addiction, 17067
and mental health services on or after September 23, 2008. To 17068
establish the board, the board of county commissioners shall 17069
adopt a resolution providing for the board's establishment. The 17070
composition of the board, the procedures for appointing members, 17071

and all other matters related to the board and its members are 17072
subject to section 340.02 of the Revised Code, with the 17073
following exceptions: 17074

(a) For initial appointments to the board, the county's 17075
community mental health board and alcohol and drug addiction 17076
services board shall jointly recommend members of those boards 17077
for reappointment and shall submit the recommendations to the 17078
board of county commissioners and the director of ~~mental~~ 17079
behavioral health and addiction services. 17080

(b) The appointing authorities shall appoint the initial 17081
members from among the members jointly recommended under 17082
division (B) (1) (a) of this section unless the appointment is 17083
otherwise prohibited by law. 17084

(2) If a board of alcohol, drug addiction, and mental 17085
health services is established pursuant to division (B) (1) of 17086
this section, the board has the same rights, privileges, 17087
immunities, powers, and duties that were possessed by the 17088
county's community mental health board and alcohol and drug 17089
addiction services board. When the board is established, all 17090
property and obligations of the community mental health board 17091
and alcohol and drug addiction services board shall be 17092
transferred to the board of alcohol, drug addiction, and mental 17093
health services. 17094

Sec. 340.022. Notwithstanding the procedures established 17095
by section 340.02 of the Revised Code for determining the size 17096
of a board of alcohol, drug addiction, and mental health 17097
services, the size of a board shall be determined in accordance 17098
with this section in both of the following circumstances: 17099

(A) (1) If the director of ~~mental~~ behavioral health and 17100

~~addiction services~~ during the period beginning January 1, 2021, 171101
and ending December 31, 2022, grants approval to a board of 171102
county commissioners of a county with a population of at least 171103
seventy thousand but not more than eighty thousand, according to 171104
data from the 2010 federal census, to withdraw from a joint- 171105
county alcohol, drug addiction, and mental health service 171106
district pursuant to section 340.01 of the Revised Code, the 171107
size of the board shall be determined by the board of county 171108
commissioners representing the county that constitutes the 171109
single-county alcohol, drug addiction, and mental health service 171110
district created as a result of the withdrawal. The 171111
determination shall be made from among the options that may be 171112
selected under division (A)(2) of this section. Once an option 171113
is selected, the board of county commissioners shall adopt a 171114
resolution specifying the selection that has been made and shall 171115
notify the department of ~~mental behavioral health and addiction~~ 171116
~~services~~. After the resolution is adopted and the department is 171117
notified, the determination of size is final. 171118

(2) In the case of a board of alcohol, drug addiction, and 171119
mental health services that is established on or after the date 171120
the director grants the approval to withdraw described in 171121
division (A)(1) of this section, either of the following options 171122
may be selected by the board of county commissioners when making 171123
the determination required under that division: 171124

(a) To establish the board as an eighteen-member board; 171125

(b) To establish the board as a fourteen-member board. 171126

(3) When a board is established on or after September 30, 171127
2021, the initial appointments shall be staggered among the 171128
members as equally as possible with terms of two years, three 171129
years, and four years. 171130

interest thereon until the predecessor casino operator or sports 18045
gaming proprietor produces either of the following: 18046

(a) A receipt from the tax administrator showing that the 18047
amounts deducted and withheld and penalties and interest thereon 18048
have been paid; 18049

(b) A certificate from the tax administrator indicating 18050
that no amounts are due. 18051

If the successor fails to withhold purchase money, the 18052
successor is personally liable for the payment of the amounts 18053
deducted and withheld and penalties and interest thereon. 18054

(6) The failure of a casino operator or sports gaming 18055
proprietor to deduct and withhold the required amount from a 18056
person's winnings does not relieve that person from liability 18057
for the municipal income tax with respect to those winnings. 18058

(D) If a person's prize award from a video lottery terminal ~~or from lottery sports gaming offered in a video lottery terminal facility~~ is an amount for which reporting to the internal revenue service is required by section 6041 of the Internal Revenue Code, as amended, the video lottery sales agent shall deduct and withhold municipal income tax from the person's prize award at the rate of the tax imposed by the municipal corporation in which the video lottery terminal facility is located.

(E) Amounts deducted and withheld by a video lottery sales agent are held in trust for the benefit of the municipal corporation to which the tax is owed.

(1) The video lottery sales agent shall issue to a person from whose prize award an amount has been deducted and withheld a receipt for the amount deducted and withheld, and shall obtain from the person receiving a prize award the person's name, address, and social security number in order to facilitate the preparation of returns required by this section.

(2) On or before the tenth day of each month, the video lottery sales agent shall file a return electronically with the tax administrator of the municipal corporation providing the names, addresses, and social security numbers of the persons from whose prize awards amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the prize award from which each such amount was withheld, and any other information required by the tax administrator. With the return, the video lottery sales agent shall remit electronically to the tax administrator all amounts deducted and withheld during the preceding month.

(3) A video lottery sales agent shall maintain a record of all receipts issued under division (E) of this section and shall make those records available to the tax administrator upon request. Such records shall be maintained in accordance with section 5747.17 of the Revised Code and any rules adopted pursuant thereto.

(4) Annually, on or before the thirty-first day of January, each video lottery ~~terminal~~-sales agent shall file an annual return electronically with the tax administrator of the municipal corporation in which the facility is located indicating the total amount deducted and withheld during the preceding calendar year. The video lottery sales agent shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.

(5) Annually, on or before the thirty-first day of January, a video lottery sales agent shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted and withheld from the person's prize award by the video lottery sales agent during the preceding year. A video lottery sales agent shall provide to the tax administrator of the municipal corporation a copy of each information return issued under this division. The tax administrator may require that such copies be transmitted electronically.

(6) A video lottery sales agent who fails to file a return

and remit the amounts deducted and withheld is personally liable 18119
for the amount deducted and withheld and not remitted. Such 18120
personal liability extends to any penalty and interest imposed 18121
for the late filing of a return or the late payment of tax 18122
deducted and withheld. 18123

(F) If a video lottery sales agent ceases to operate video 18124
lottery terminals, the amounts deducted and withheld along with 18125
any penalties and interest thereon are immediately due and 18126
payable. The successor of the video lottery sales agent that 18127
purchases the video lottery terminals from the agent shall 18128
withhold an amount from the purchase money that is sufficient to 18129
cover the amounts deducted and withheld and any penalties and 18130
interest thereon until the predecessor video lottery sales agent 18131
operator produces either of the following: 18132

(1) A receipt from the tax administrator showing that the 18133
amounts deducted and withheld and penalties and interest thereon 18134
have been paid; 18135

(2) A certificate from the tax administrator indicating 18136
that no amounts are due. 18137

If the successor fails to withhold purchase money, the 18138
successor is personally liable for the payment of the amounts 18139
deducted and withheld and penalties and interest thereon. 18140

(G) The failure of a video lottery sales agent to deduct 18141
and withhold the required amount from a person's prize award 18142
does not relieve that person from liability for the municipal 18143
income tax with respect to that prize award. 18144

(H) If a casino operator, sports gaming proprietor, or 18145
video lottery sales agent files a return late, fails to file a 18146
return, remits amounts deducted and withheld late, or fails to 18147

remit amounts deducted and withheld as required under this 18148
section, the tax administrator of a municipal corporation may 18149
impose the following applicable penalty: 18150

(1) For the late remittance of, or failure to remit, tax 18151
deducted and withheld under this section, a penalty equal to 18152
fifty per cent of the tax deducted and withheld; 18153

(2) For the failure to file, or the late filing of, a 18154
monthly or annual return, a penalty of five hundred dollars for 18155
each return not filed or filed late. Interest shall accrue on 18156
past due amounts deducted and withheld at the rate prescribed in 18157
section 5703.47 of the Revised Code. 18158

(I) Amounts deducted and withheld on behalf of a municipal 18159
corporation shall be allowed as a credit against payment of the 18160
tax imposed by the municipal corporation and shall be treated as 18161
taxes paid for purposes of section 718.08 of the Revised Code. 18162
This division applies only to the person for whom the amount is 18163
deducted and withheld. 18164

(J) The tax administrator shall prescribe the forms of the 18165
receipts and returns required under this section. 18166

Sec. 718.85. (A) (1) For each taxable year, every taxpayer 18167
shall file an annual return. Such return, along with the amount 18168
of tax shown to be due on the return less the amount paid for 18169
the taxable year under section 718.88 of the Revised Code, shall 18170
be submitted to the tax commissioner, on a form and in the 18171
manner prescribed by the commissioner, on or before the 18172
fifteenth day of the fourth month following the end of the 18173
taxpayer's taxable year. 18174

(2) The remittance shall be made payable to the treasurer 18175
of state and in the form prescribed by the tax commissioner. If 18176

the amount payable with the tax return is ten dollars or less, 18177
no remittance is required. 18178

(B) The tax commissioner shall immediately forward to the 18179
treasurer of state all amounts the commissioner receives 18180
pursuant to sections 718.80 to 718.95 of the Revised Code. The 18181
treasurer shall credit such amounts to the municipal net profit 18182
tax fund which is hereby created in the state treasury. 18183

(C) (1) Each return required to be filed under this section 18184
shall contain the signature of the taxpayer or the taxpayer's 18185
duly authorized agent and of the person who prepared the return 18186
for the taxpayer, and shall include the taxpayer's 18187
identification number. Each return shall be verified by a 18188
declaration under penalty of perjury. 18189

(2) (a) The tax commissioner may require a taxpayer to 18190
include, with each annual tax return, amended return, or request 18191
for refund filed with the commissioner under sections 718.80 to 18192
718.95 of the Revised Code, copies of any relevant documents or 18193
other information. 18194

(b) A taxpayer that files an annual tax return 18195
electronically through the Ohio business gateway or in another 18196
manner as prescribed by the tax commissioner shall either submit 18197
the documents required under this division electronically as 18198
prescribed at the time of filing or, if electronic submission is 18199
not available, mail the documents to the tax commissioner. The 18200
department of taxation shall publish a method of electronically 18201
submitting the documents required under this division on or 18202
before January 1, 2019. 18203

(3) After a taxpayer files a tax return, the tax 18204
commissioner may request, and the taxpayer shall provide, any 18205

information, statements, or documents required to determine and 18206
verify the taxpayer's municipal income tax. 18207

(D) (1) (a) Any taxpayer that has duly requested an 18208
automatic extension for filing the taxpayer's federal income tax 18209
return shall automatically receive an extension for the filing 18210
of a tax return with the commissioner under this section. The 18211
extended due date of the return shall be the fifteenth day of 18212
the eleventh month after the last day of the taxable year to 18213
which the return relates. 18214

(b) A taxpayer that has not requested or received a six- 18215
month extension for filing the taxpayer's federal income tax 18216
return may request that the commissioner grant the taxpayer a 18217
~~six-month~~ seven-month extension of the date for filing the 18218
taxpayer's tax return. If the commissioner receives the request 18219
on or before the date the tax return is due, the commissioner 18220
shall grant the taxpayer's extension request. 18221

(c) An extension of time to file under division (D) (1) of 18222
this section is not an extension of the time to pay any tax due 18223
unless the tax commissioner grants an extension of that date. 18224

(2) If the commissioner considers it necessary in order to 18225
ensure payment of a tax imposed in accordance with section 18226
718.04 of the Revised Code, the commissioner may require 18227
taxpayers to file returns and make payments otherwise than as 18228
provided in this section, including taxpayers not otherwise 18229
required to file annual returns. 18230

(3) If a taxpayer receives an extension for the filing of 18231
a tax return under division (D) (1) or (2) of this section, the 18232
commissioner shall not make any inquiry or send any notice to 18233
the taxpayer with regard to the return on or before the date the 18234

taxpayer files the return or on or before the extended due date 18235
to file the return, whichever occurs first. 18236

Division (D) (3) of this section does not apply to an 18237
extension received under division (D) (1) of this section if the 18238
commissioner has actual knowledge that the taxpayer failed to 18239
file for a federal extension as required to receive the 18240
extension under division (D) (1) (a) of this section or failed to 18241
file for an extension under division (D) (1) (b) of this section. 18242

(E) Each return required to be filed in accordance with 18243
this section shall include a box that the taxpayer may check to 18244
authorize another person, including a tax return preparer who 18245
prepared the return, to communicate with the tax commissioner 18246
about matters pertaining to the return. The return or 18247
instructions accompanying the return shall indicate that by 18248
checking the box the taxpayer authorizes the commissioner to 18249
contact the preparer or other person concerning questions that 18250
arise during the examination or other review of the return and 18251
authorizes the preparer or other person only to provide the 18252
commissioner with information that is missing from the return, 18253
to contact the commissioner for information about the 18254
examination or other review of the return or the status of the 18255
taxpayer's refund or payments, and to respond to notices about 18256
mathematical errors, offsets, or return preparation that the 18257
taxpayer has received from the commissioner and has shown to the 18258
preparer or other person. 18259

(F) When income tax returns or other documents require the 18260
signature of a tax return preparer, the tax commissioner shall 18261
accept a facsimile or electronic version of such a signature in 18262
lieu of a manual signature. 18263

Sec. 718.88. (A) As used in this section: 18264

(1) "Combined tax liability" means the total amount of a taxpayer's income tax liabilities to all municipal corporations in this state for a taxable year.

(2) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's combined tax liability for the current taxable year.

(B) (1) Except as provided in division (B) (4) of this section, every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the tax commissioner, if the amount payable as estimated taxes is at least two hundred dollars.

(2) Except as provided in division (B) (4) of this section, a taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the commissioner.

(3) The declaration of estimated taxes shall be filed on or before the fifteenth day of the fourth month after the beginning of the taxable year or on or before the fifteenth day of the fourth month after the taxpayer becomes subject to tax for the first time.

(4) The tax commissioner may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.

(C) Each taxpayer shall file the declaration of estimated taxes with, and remit estimated taxes to, the tax commissioner at the times and in the amounts prescribed in division (C) (1) of this section. Remitted taxes shall be made payable to the treasurer of state.

(1) The required portion of the combined tax liability for 18294
the taxable year that shall be paid through estimated taxes 18295
shall be as follows: 18296

(a) On or before the fifteenth day of the fourth month 18297
after the beginning of the taxable year, twenty-two and one-half 18298
per cent of the combined tax liability for the taxable year; 18299

(b) On or before the fifteenth day of the sixth month 18300
after the beginning of the taxable year, forty-five per cent of 18301
the combined tax liability for the taxable year; 18302

(c) On or before the fifteenth day of the ninth month 18303
after the beginning of the taxable year, sixty-seven and one- 18304
half per cent of the combined tax liability for the taxable 18305
year; 18306

(d) On or before the fifteenth day of the twelfth month of 18307
the taxable year, ninety per cent of the combined tax liability 18308
for the taxable year. 18309

(2) If the taxpayer determines that its declaration of 18310
estimated taxes will not accurately reflect the taxpayer's tax 18311
liability for the taxable year, the taxpayer shall increase or 18312
decrease, as appropriate, its subsequent payments in equal 18313
installments to result in a more accurate payment of estimated 18314
taxes. 18315

(3) (a) Each taxpayer shall report on the declaration of 18316
estimated taxes the portion of the remittance that the taxpayer 18317
estimates that it owes to each municipal corporation for the 18318
taxable year. 18319

(b) Upon receiving a payment of estimated taxes under this 18320
section, the commissioner shall immediately forward the payment 18321
to the treasurer of state. The treasurer shall credit the 18322

payment in the same manner as in division (B) of section 718.85 18323
of the Revised Code. 18324

(D) (1) In the case of any underpayment of estimated taxes, 18325
~~there shall be added~~ the tax commissioner may add to the taxes 18326
an amount determined at the rate per annum prescribed by section 18327
5703.47 of the Revised Code upon the amount of underpayment for 18328
the period of underpayment, unless the underpayment is due to 18329
reasonable cause as described in division (E) of this section. 18330
The amount of the underpayment shall be determined as follows: 18331

(a) For the first payment of estimated taxes each year, 18332
twenty-two and one-half per cent of the combined tax liability, 18333
less the amount of taxes paid by the date prescribed for that 18334
payment; 18335

(b) For the second payment of estimated taxes each year, 18336
forty-five per cent of the combined tax liability, less the 18337
amount of taxes paid by the date prescribed for that payment; 18338

(c) For the third payment of estimated taxes each year, 18339
sixty-seven and one-half per cent of the combined tax liability, 18340
less the amount of taxes paid by the date prescribed for that 18341
payment; 18342

(d) For the fourth payment of estimated taxes each year, 18343
ninety per cent of the combined tax liability, less the amount 18344
of taxes paid by the date prescribed for that payment. 18345

(2) The period of the underpayment shall run from the day 18346
the estimated payment was required to be made to the date on 18347
which the payment is made. For purposes of this section, a 18348
payment of estimated taxes on or before any payment date shall 18349
be considered a payment of any previous underpayment only to the 18350
extent the payment of estimated taxes exceeds the amount of the 18351

payment presently due. 18352

(3) All amounts collected under this section shall be 18353
considered as taxes collected under sections 718.80 to 718.95 of 18354
the Revised Code and shall be credited and distributed to 18355
municipal corporations in accordance with section 718.83 of the 18356
Revised Code. 18357

(E) An underpayment of any portion of a combined tax 18358
liability shall be due to reasonable cause and the penalty 18359
imposed by this section shall not be added to the taxes for the 18360
taxable year if any of the following apply: 18361

(1) The amount of estimated taxes that were paid equals at 18362
least ninety per cent of the combined tax liability for the 18363
current taxable year, determined by annualizing the income 18364
received during the year up to the end of the month immediately 18365
preceding the month in which the payment is due. 18366

(2) The amount of estimated taxes that were paid equals at 18367
least one hundred per cent of the tax liability shown on the 18368
return of the taxpayer for the preceding taxable year, provided 18369
that the immediately preceding taxable year reflected a period 18370
of twelve months and the taxpayer filed a municipal income tax 18371
return for that year. 18372

Sec. 718.89. (A) In addition to any other penalty imposed 18373
by sections 718.80 to 718.95 or Chapter 5703. of the Revised 18374
Code, the following penalties shall apply: 18375

(1) If a taxpayer required to file a tax return under 18376
sections 718.80 to 718.95 of the Revised Code fails to make and 18377
file the return within the time prescribed, including any 18378
extensions of time granted by the tax commissioner, the 18379
commissioner may impose a penalty not exceeding twenty-five 18380

dollars, except that the commissioner shall abate or refund the 18381
penalty assessed on a taxpayer's first failure to timely file a 18382
return after the taxpayer files that return. 18383

(2) If a person required to file a tax return 18384
electronically under sections 718.80 to 718.95 of the Revised 18385
Code fails to do so, the commissioner may impose a penalty not 18386
to exceed the following: 18387

(a) For each of the first two failures, five per cent of 18388
the amount required to be reported on the return; 18389

(b) For the third and any subsequent failure, ten per cent 18390
of the amount required to be reported on the return. 18391

(3) If a taxpayer that has made the election allowed under 18392
section 718.80 of the Revised Code fails to timely pay an amount 18393
of tax required to be paid under this chapter, the commissioner 18394
may impose a penalty equal to fifteen per cent of the amount not 18395
timely paid. 18396

(4) If a taxpayer files what purports to be a tax return 18397
required by sections 718.80 to 718.95 of the Revised Code that 18398
does not contain information upon which the substantial 18399
correctness of the return may be judged or contains information 18400
that on its face indicates that the return is substantially 18401
incorrect, and the filing of the return in that manner is due to 18402
a position that is frivolous or a desire that is apparent from 18403
the return to delay or impede the administration of sections 18404
718.80 to 718.95 of the Revised Code, a penalty of up to five 18405
hundred dollars may be imposed. 18406

(5) If a taxpayer makes a fraudulent attempt to evade the 18407
reporting or payment of the tax required to be shown on any 18408
return required under sections 718.80 to 718.95 of the Revised 18409

Code, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the tax required to be shown on the return.

(6) If any person makes a false or fraudulent claim for a refund under section 718.91 of the Revised Code, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the claim. Any penalty imposed under this division, any refund issued on the claim, and interest on any refund from the date of the refund, may be assessed under section 718.90 of the Revised Code without regard to any time limitation for the assessment imposed by division (A) of that section.

(B) For purposes of this section, the tax required to be shown on a tax return shall be reduced by the amount of any part of the tax paid on or before the date, including any extensions of the date, prescribed for filing the return.

(C) Each penalty imposed under this section shall be in addition to any other penalty imposed under this section. ~~All or part of any penalty imposed under this section may be abated by the tax commissioner. The commissioner may adopt rules governing the imposition and abatement of such penalties.~~

(D) All amounts collected under this section shall be considered as taxes collected under sections 718.80 to 718.95 of the Revised Code and shall be credited and distributed to municipal corporations in the same proportion as the underlying tax liability is required to be distributed to such municipal corporations under section 718.83 of the Revised Code.

Sec. 718.90. (A) If any taxpayer required to file a return under section 718.80 to 718.95 of the Revised Code fails to file

the return within the time prescribed, files an incorrect 18439
return, or fails to remit the full amount of the tax due for the 18440
period covered by the return, the tax commissioner may make an 18441
assessment against the taxpayer for any deficiency for the 18442
period for which the return or tax is due, based upon any 18443
information in the commissioner's possession. 18444

The tax commissioner shall not make or issue an assessment 18445
against a taxpayer more than three years after the later of the 18446
date the return subject to assessment was required to be filed 18447
or the date the return was filed. Such time limit may be 18448
extended if both the taxpayer and the commissioner consent in 18449
writing to the extension. Any such extension shall extend the 18450
three-year time limit in section 718.91 of the Revised Code for 18451
the same period of time. There shall be no bar or limit to an 18452
assessment against a taxpayer that fails to file a return 18453
subject to assessment as required by sections 718.80 to 718.95 18454
of the Revised Code, or that files a fraudulent return. The 18455
commissioner shall give the taxpayer assessed written notice of 18456
the assessment as provided in section 5703.37 of the Revised 18457
Code. With the notice, the commissioner shall provide 18458
instructions on how to petition for reassessment and request a 18459
hearing on the petition. 18460

(B) Unless the taxpayer assessed files with the tax 18461
commissioner within sixty days after service of the notice of 18462
assessment, ~~either personally or by certified mail,~~ a written 18463
petition for reassessment signed by the authorized agent of the 18464
taxpayer assessed having knowledge of the facts, the assessment 18465
becomes final, and the amount of the assessment is due and 18466
payable from the taxpayer to the treasurer of state. The 18467
petition shall indicate the taxpayer's objections, but 18468
additional objections may be raised in writing if received by 18469

the commissioner prior to the date shown on the final 18470
determination. If the petition has been properly filed, the 18471
commissioner shall proceed under section 5703.60 of the Revised 18472
Code. 18473

(C) After an assessment becomes final, if any portion of 18474
the assessment remains unpaid, including accrued interest, a 18475
certified copy of the tax commissioner's entry making the 18476
assessment final may be filed in the office of the clerk of the 18477
court of common pleas in the county in which the taxpayer has an 18478
office or place of business in this state, the county in which 18479
the taxpayer's statutory agent is located, or Franklin county. 18480

Immediately upon the filing of the entry, the clerk shall 18481
enter a judgment against the taxpayer assessed in the amount 18482
shown on the entry. The judgment may be filed by the clerk in a 18483
loose-leaf book entitled "special judgments for municipal income 18484
taxes," and shall have the same effect as other judgments. 18485
Execution shall issue upon the judgment upon the request of the 18486
tax commissioner, and all laws applicable to sales on execution 18487
shall apply to sales made under the judgment. 18488

If the assessment is not paid in its entirety within sixty 18489
days after the day the assessment was issued, the portion of the 18490
assessment consisting of tax due shall bear interest at the rate 18491
per annum prescribed by section 5703.47 of the Revised Code from 18492
the day the commissioner issues the assessment until the 18493
assessment is paid or until it is certified to the attorney 18494
general for collection under section 131.02 of the Revised Code, 18495
whichever comes first. If the unpaid portion of the assessment 18496
is certified to the attorney general for collection, the entire 18497
unpaid portion of the assessment shall bear interest at the rate 18498
per annum prescribed by section 5703.47 of the Revised Code from 18499

the date of certification until the date it is paid in its 18500
entirety. Interest shall be paid in the same manner as the tax 18501
and may be collected by issuing an assessment under this 18502
section. 18503

(D) (1) Except as provided in division (D) (2) of this 18504
section, all money collected under this section shall be 18505
credited to the municipal net profit tax fund and distributed to 18506
the municipal corporation to which the money is owed based on 18507
the assessment issued under this section. 18508

(2) The attorney general may assess collection costs as 18509
authorized under section 109.08, 109.081, or 131.02 of the 18510
Revised Code on amounts collected under this section, which 18511
shall be credited to the attorney general claims fund created 18512
under section 109.081 of the Revised Code. 18513

(E) If the tax commissioner believes that collection of 18514
the tax will be jeopardized unless proceedings to collect or 18515
secure collection of the tax are instituted without delay, the 18516
commissioner may issue a jeopardy assessment against the 18517
taxpayer liable for the tax. Immediately upon the issuance of 18518
the jeopardy assessment, the commissioner shall file an entry 18519
with the clerk of the court of common pleas in the manner 18520
prescribed by division (C) of this section. Notice of the 18521

immediately due and payable, unless the taxpayer assessed files 18526
a petition for reassessment in accordance with division (B) of 18527
this section and provides security in a form satisfactory to the 18528
commissioner and in an amount sufficient to satisfy the unpaid 18529

balance of the assessment. Full or partial payment of the 18530
assessment does not prejudice the commissioner's consideration 18531
of the petition for reassessment. 18532

(F) Notwithstanding the fact that a petition for 18533
reassessment is pending, the taxpayer may pay all or a portion 18534
of the assessment that is the subject of the petition. The 18535
acceptance of a payment by the treasurer of state does not 18536
prejudice any claim for refund upon final determination of the 18537
petition. 18538

If upon final determination of the petition an error in 18539
the assessment is corrected by the tax commissioner, upon 18540
petition so filed or pursuant to a decision of the board of tax 18541
appeals or any court to which the determination or decision has 18542
been appealed, so that the amount due from the taxpayer under 18543
the corrected assessment is less than the portion paid, there 18544
shall be issued to the taxpayer, its assigns, or legal 18545
representative a refund in the amount of the overpayment as 18546
provided by section 718.91 of the Revised Code, with interest on 18547
that amount as provided by that section. 18548

The legislative authority may also cause notice to be inserted in trade papers or other publications designated by it or to be distributed by electronic means, including posting the notice on the legislative authority's internet web site. If the legislative authority posts the notice on its web site, it may eliminate the second notice otherwise required to be published in a newspaper of general circulation within the village, provided that the first notice published in such newspaper meets all of the following requirements:

make contracts, purchase supplies and materials, and provide 18600
labor for any work under the administrator's supervision 18601
involving not more than the amount specified in section 9.17 of 18602
the Revised Code. When an expenditure, other than the 18603
compensation of persons employed by the village, exceeds the 18604
amount specified in section 9.17 of the Revised Code, the 18605
expenditure shall first be authorized and directed by ordinance 18606
of the legislative authority of the village. When so authorized 18607
and directed, except where the contract is for equipment, 18608

in the advertisement to bidders or specifications. The time, 18622
date, and place of bid openings may be extended to a later date 18623
by the village administrator, provided that written or oral 18624
notice of the change shall be given to all persons who have 18625
received or requested specifications no later than ninety-six 18626
hours prior to the original time and date fixed for the opening. 18627
All contracts shall be executed in the name of the village and 18628
signed on its behalf by the village administrator and the clerk. 18629
No expenditure subject to this section shall be divided into 18630
component parts, separate projects, or separate items of work in 18631
order to avoid the requirements of this section. 18632

The legislative authority of a village may provide, by 18633

The classification of amusement rides must identify those rides that need more comprehensive inspection and testing in addition to regular state inspections, taking into account hidden components integral to the safety of the ride.

(2) (a) Rules adopted by the director for the safe operation and inspection of amusement rides shall be reasonable and shall be based upon generally accepted engineering standards and practices. The rules shall establish a minimum number of inspections to be conducted on each ride depending on the size, complexity, nature of the ride, and the number of days the ride is in operation during the year for which the applicable permit is valid. The rules also shall require the minimum number of inspectors assigned to inspect a ride or rides to be reasonable and adequate given the number, size, complexity, and nature of the ride or rides.

(b) In adopting rules under this section, the director may adopt by reference, in whole or in part, the national fire code or the national electrical code (NEC) prepared by the national fire protection association or the American national standards institute (ANSI), or any other principles, tests, or standards of nationally recognized technical or scientific authorities.

(c) In adopting rules under this section, the director shall adopt, by reference, the following chapters of the American society for testing and materials (ASTM) international regarding amusement ride safety standards and any other equivalent national standard:

(C) With respect to an application for a permit for an amusement ride, an owner may apply to the director for a waiver or modification of any rule adopted under division (B) of this section if there are practical difficulties or unnecessary hardships for the amusement ride to comply with the rules. Any application shall set forth the reasons for the request. The director, with the approval of the advisory council on amusement ride safety, may waive or modify the application of a rule to any amusement ride if the public safety is secure. Any authorization by the director under this division shall be in writing and shall set forth the conditions under which the waiver or modification is authorized, and the department shall retain separate records of all proceedings under this division.	22425 22426 22427 22428 22429 22430 22431 22432 22433 22434 22435 22436 22437
(D) (1) The director shall employ and provide for training of a chief inspector and additional inspectors and employees as may be necessary to administer and enforce this chapter. (2) No person shall inspect an amusement ride who, within 22460
six months prior to the date of inspection, was an employee of 22461
the owner of the ride. 22462

(3) Before the director contracts with other persons to 22463
inspect amusement rides, the director shall seek the advice of 22464
the advisory council on amusement ride safety on whether to 22465
contract with those persons. The advice shall not be binding 22466
upon the director. After having received the advice of the 22467

may be required under this chapter or rules adopted under it, 22539
and the owner of the temporary amusement ride is not required to 22540

determined by the department, the midseason operational 22556
inspection fee specified in division (E) of this section. The 22557
director, in accordance with Chapter 119. of the Revised Code, 22558
shall adopt rules specifying the time period during which the 22559
department will conduct midseason operational inspections. 22560

activity without a permit. The permit shall be in addition to 22825
any permit required by section 1509.05 of the Revised Code. The 22826
chief shall adopt rules in accordance with Chapter 119. of the 22827

Act, the chief shall not issue a permit under this section, 22840
unless the chief concludes that the applicant has demonstrated 22841
that the drilling, injection of a substance, and extraction of 22842
minerals or energy will not result in the presence of any 22843
contaminant in underground water that supplies or can reasonably 22844
be expected to supply any public water system, such that the 22845
presence of the contaminant may result in the system's not 22846
complying with any national primary drinking water regulation or 22847
may otherwise adversely affect the health of persons. The chief 22848
may issue, without a prior ~~adjudication~~ hearing, orders 22849

(B) In an action under section 1509.04 or 1509.33 of the 22857
Revised Code to enforce this section, the court shall grant 22858
preliminary and permanent injunctive relief and impose a civil 22859
penalty upon the showing that the person against whom the action 22860
is brought has violated, is violating, or will violate this 22861
section or rules, orders, or terms or conditions of permits 22862
adopted or issued thereunder. The court shall not require, prior 22863
to granting such preliminary and permanent injunctive relief or 22864
imposing a civil penalty, proof that the violation was, is, or 22865
will be the result of intentional conduct or negligence. In any 22866
such action, any person may intervene as a plaintiff upon the 22867
demonstration that the person has an interest that is or may be 22868
adversely affected by the activity for which injunctive relief 22869

or a civil penalty is sought. 22870

Sec. 1509.36. Any person adversely affected by an order by 22871
the chief of the division of oil and gas resources management 22872

The person so appealing to the commission shall be known 22875
as appellant and the chief shall be known as appellee. Appellant 22876
and appellee shall be deemed to be parties to the appeal. 22877

The appeal shall be in writing and shall set forth the 22878
order complained of and the grounds upon which the appeal is 22879

thirty days after the date upon which the person to whom the 22881
order was issued received the order and, for all other persons 22882
adversely affected by the order, within thirty days after the 22883
date of the order complained of. Notice of the filing of the 22884
appeal shall be filed with the chief within three days after the 22885
appeal is filed with the commission. 22886

Upon the filing of the appeal the commission promptly 22887
shall fix the time and place at which the hearing on the appeal 22888
will be held, and shall give the appellant and the chief at 22889
least ten days' written notice thereof by mail. The commission 22890
may postpone or continue any hearing upon its own motion or upon 22891
application of the appellant or of the chief. 22892

The filing of an appeal provided for in this section does 22893
not automatically suspend or stay execution of the order 22894
appealed from, but upon application by the appellant the 22895
commission may suspend or stay the execution pending 22896
determination of the appeal upon such terms as the commission 22897
considers proper. 22898

Either party to the appeal or any interested person who, 22899
pursuant to commission rules has been granted permission to 22900
appear, may submit such evidence as the commission considers 22901
admissible. 22902

For the purpose of conducting a hearing on an appeal, the 22903
commission may require the attendance of witnesses and the 22904

returned in the same manner as subpoenas in criminal cases are 22910
served and returned. The fees of sheriffs shall be the same as 22911
those allowed by the court of common pleas in criminal cases. 22912
Witnesses shall be paid the fees and mileage provided for under 22913
section 119.094 of the Revised Code. Such fees and mileage 22914
expenses incurred at the request of appellant shall be paid in 22915
advance by the appellant, and the remainder of those expenses 22916
shall be paid out of funds appropriated for the expenses of the 22917
division of oil and gas resources management. 22918

In case of disobedience or neglect of any subpoena served 22919
on any person, or the refusal of any witness to testify to any 22920
matter regarding which the witness may be lawfully interrogated, 22921
the court of common pleas of the county in which the 22922
disobedience, neglect, or refusal occurs, or any judge thereof, 22923
on application of the commission or any member thereof, shall 22924
compel obedience by attachment proceedings for contempt as in 22925
the case of disobedience of the requirements of a subpoena 22926
issued from that court or a refusal to testify therein. 22927
Witnesses at such hearings shall testify under oath, and any 22928
member of the commission may administer oaths or affirmations to 22929

persons who so testify. 22930

At the request of any party to the appeal, a record of the 22931
testimony and other evidence submitted shall be taken by an 22932
official court reporter at the expense of the party making the 22933
request for the record. The record shall include all of the 22934
testimony and other evidence and the rulings on the 22935
admissibility thereof presented at the hearing. The commission 22936
shall pass upon the admissibility of evidence, but any party may 22937
at the time object to the admission of any evidence and except 22938
to the rulings of the commission thereon, and if the commission 22939
refuses to admit evidence the party offering same may make a 22940
proffer thereof, and such proffer shall be made a part of the 22941
record of the hearing. 22942

If upon completion of the hearing the commission finds 22943
that the order appealed from was lawful and reasonable, it shall 22944
make a written order affirming the order appealed from; if the 22945
commission finds that the order was unreasonable or unlawful, it 22946
shall make a written order vacating the order appealed from and 22947
making the order that it finds the chief should have made. Every 22948
order made by the commission shall contain a written finding by 22949
the commission of the facts upon which the order is based. 22950

Notice of the making of the order shall be given forthwith 22951
to each party to the appeal by mailing a certified copy thereof 22952
to each such party by certified mail. 22953

The order of the commission is final unless vacated by the 22954
court of common pleas of Franklin county in an appeal as 22955
provided for in section 1509.37 of the Revised Code. ~~Sections~~ 22956

river or stream or segment thereof and the entire watershed 23206
upstream of that river, stream, or segment. If a river or stream 23207
or segment thereof is designated as a high quality water after 23208
September 4, 2012, the threshold established in division (A) (3) 23209
(a) of this section applies to the river or stream or segment 23210
thereof and the entire watershed upstream of that river, stream, 23211
or segment, provided that the director of environmental 23212
protection and the director of natural resources, or their 23213
designees, jointly determine that the proposed withdrawal or 23214
consumptive use would cause the high quality water to lose its 23215
designation as a high quality water. If the directors determine 23216
that the proposed withdrawal or consumptive use would not cause 23217
the high quality water to lose that designation, the threshold 23218
established in division (A) (2) of this section applies to the 23219
withdrawal or consumptive use at a point beginning one thousand 23220

feet upstream of the upstream end of the designated high quality 23221
water segment or at a point beginning two times the length of 23222
the river, stream, or segment that has been designated as a high 23223
quality water, whichever is greater. 23224

(B) An owner or operator of a facility that is not 23225
otherwise exempt under section 1522.14 of the Revised Code and 23226
that is subject to a threshold specified in division (A) of this 23227
section shall not install or operate the facility or equipment 23228
that will result in a new or increased withdrawal or consumptive 23229
use of water in the Lake Erie watershed without first obtaining 23230
a withdrawal and consumptive use permit. 23231

(C) Permits issued under this section shall be issued only 23232
for the amount of withdrawal or consumptive use capacity of a 23233
facility that meets or exceeds threshold amounts established in 23234
division (A) of this section. A permit shall not be required for 23235
the portion of the withdrawal and consumptive use capacity of 23236
the facility below that threshold amount. 23237

(D) An applicant for a permit shall submit an application 23238
to the chief on a form that the chief prescribes. The applicant 23239

applicant and of a contact person for the applicant; 23242

(2) The names, addresses, and other necessary contact 23243
information of any other owners and operators of the facility; 23244

(3) A description of all of the following: 23245

(a) The facility's current withdrawal capacity per day if 23246
the withdrawal is to occur at a facility already in operation; 23247

(b) The total new or increased daily withdrawal capacity 23248

proposed for the facility;	23249
(c) The locations and sources of water proposed to be withdrawn;	23250 23251
(d) The locations of proposed discharges or return flows;	23252
(e) The locations and nature of proposed consumptive uses and the applicable consumptive use coefficient for the facility;	23253 23254
(f) The estimated average annual and monthly volumes and rates of withdrawal;	23255 23256
(g) The estimated average annual and monthly volumes and rates of consumptive use;	23257 23258
(h) The environmentally sound and economically feasible water conservation measures to be undertaken by the applicant;	23259 23260
(i) Other ways the applicant's need for water may be satisfied if the application is denied or modified;	23261 23262
(4) All information required in sections 1522.121 to 1522.124 of the Revised Code if the source of water for the proposed withdrawal is ground water;	23263 23264 23265
(5) Any other information the chief may require to adequately consider the application;	23266 23267
(6) A nonrefundable application fee of one <u>five</u> thousand dollars, the proceeds of which shall be credited to the water management fund created in section 1521.22 of the Revised Code.	23268 23269 23270
(E) Provided that a facility meets all applicable permit conditions, a permit for the facility is valid until the facility is the subject of facility abandonment. Once every five years, the owner or operator of a facility shall certify to the chief that the facility is in compliance with the permit that	23271 23272 23273 23274 23275

has been issued for the facility. 23276

(F) No person that is required to do so shall fail to 23277
apply for and receive a withdrawal and consumptive use permit. 23278

(G) A permit issued under this section shall include terms 23279
and conditions restricting the withdrawal and consumptive use by 23280
a facility to amounts not exceeding the capacity of the 23281
facility. 23282

(H) The chief shall issue or deny a permit not later than 23283
ninety days after receipt of a complete application. If 23284
applicable, the chief shall comply with the requirements 23285
regarding prior notice established in Section 4.6 of the 23286
compact. The chief shall issue or deny a permit through issuance 23287
of an order. The chief shall issue a permit if all applicable 23288
criteria for receiving the permit are met as provided in 23289
sections 1522.10 to 1522.30 of the Revised Code and neither of 23290
the following applies: 23291

(1) A withdrawal or consumptive use will result in a 23292
significant lowering of the water level within an aquifer, the 23293
overdrafting of an aquifer, a significant diminution in the 23294
amount of water available in existing wells, or the interruption 23295
of existing ground water supplies within the geographic area 23296
established by the chief pursuant to section 1522.125 of the 23297
Revised Code without a suitable replacement water supply source. 23298

(2) A withdrawal or consumptive use would cause 23299
irreparable material damage to an aquifer such that the aquifer 23300
could no longer yield the amount of water it did before the 23301
withdrawal or consumptive use proposed in the application. 23302

(I) If the facility for which a permit has been issued 23303
under this section withdraws ground water, the chief may require 23304

the continued monitoring and reporting of water levels in each 23305
 aquifer via existing wells or new monitoring wells drilled by 23306
 the permittee. 23307

Sec. 1533.11. (A) (1) Except as provided in this section or 23308

 purchased. Except as provided in rules adopted under division 23315
 (B) of section 1533.12 of the Revised Code, each applicant for a 23316

turkey permit. The tenant and children of the tenant may hunt 23357
deer or wild turkey on lands where they reside without a deer or 23358

(8) Every fisher required to be licensed, while fishing or 23530

does not apply to a person who possesses wild animals under the 23542
authority of a license for a wild animal hunting preserve or a 23543
commercial bird shooting preserve. 23544

The division, when it appears that the application is made 23545
in good faith and the applicant is in compliance with division 23546
(B) of this section, if applicable, and upon the payment of the 23547
fee for each license, may issue to the applicant any of the 23548
following licenses that may be applied for: 23549

(1) "Commercial propagating license" permitting the 23550
licensee to propagate game birds, game quadrupeds except captive 23551
white-tailed deer, reptiles, amphibians, or fur-bearing animals 23552

in the license and the application therefor, and to sell the 23554
propagated game birds, game quadrupeds except captive white- 23555
tailed deer, reptiles, amphibians, or fur-bearing animals and 23556

such a license is forty dollars per annum. 23562

(2) "Noncommercial propagating license" permitting the 23563
licensee to propagate game birds, game quadrupeds except captive 23564
white-tailed deer, reptiles, amphibians, or fur-bearing animals 23565

quadrupeds except captive white-tailed deer, reptiles, 23567
amphibians, and fur-bearing animals propagated or held in 23568

are for the licensee's own use and shall not be sold. The fee 23570
for such a license is twenty-five dollars per annum. 23571

(3) "Captive white-tailed deer propagation license" 23572
permitting the licensee to propagate captive white-tailed deer, 23573
hold the animals in captivity, and sell the animals and 23574
carcasses. The fee for such a license is forty dollars. The 23575
license is valid until a licensee ceases to hold captive white- 23576
tailed deer or the license is revoked, whichever occurs earlier. 23577

(B) (1) A person who wishes to obtain a captive white- 23578
tailed deer propagation license, prior to applying for the 23579
license, shall construct an authorized enclosure that is 23580
surrounded by a fence that is eight feet in height with a 23581
minimal deviation not to exceed four per cent, is constructed in 23582
a manner that prevents ingress and egress of deer, and is 23583
constructed of materials that are approved by the chief of the 23584
division of wildlife in consultation with the animal and plant 23585
health inspection service in the United States department of 23586
agriculture, the department of agriculture, and representatives 23587
of the cervid industry in this state. 23588

(2) After constructing an authorized enclosure in 23589
accordance with division (B) (1) of this section and division 23590
rules, the person may submit an application for a captive white- 23591
tailed deer propagation license. 23592

(3) Not later than thirty days after the submission of the 23593
application, a representative from the division shall inspect 23594
the authorized enclosure to ensure compliance with division (B) 23595
(1) of this section and division rules. If the applicant's 23596
authorized enclosure is not in compliance with all of the 23597
applicable requirements, the representative shall inform the 23598

applicant in writing of the deficiencies not later than ten 23599
business days after the inspection. If the applicant corrects 23600
the deficiencies, the applicant shall request a reinspection. 23601
The reinspection shall be conducted in accordance with this 23602
division not later than thirty days after the request for 23603
reinspection. 23604

If the applicant's authorized enclosure complies with all 23605
of the applicable requirements, the chief shall review the 23606
application and shall issue or deny the license. If the chief 23607
denies the license, the chief shall return the application to 23608
the applicant with an explanation of the reasons for denial. The 23609

active duty with one of the branches of the armed forces of the 24508
United States, or was a prisoner of war and was honorably 24509
discharged or received an equivalent discharge or release from 24510
one of the armed forces of a country listed in division (P) (2) 24511
of this section. 24512

(R) Annually by the fifteenth day of January, the director 24513
of natural resources shall determine the amount of fees that 24514
would have been collected in the prior calendar year for each 24515
certificate of registration issued or renewed pursuant to 24516
division (Q) of this section and shall certify the total amount 24517
of foregone revenue to the director of budget and management for 24518
reimbursement. The director of budget and management shall 24519
transfer the amount certified from the general revenue fund to 24520
the waterways safety fund. 24521

(S) The fees prescribed in division (A) (2) of this section 24522
that accompany an application for a triennial registration of a 24523
watercraft on or after January 1, 2027, shall be increased by an 24524
amount not to exceed the percentage by which the consumer price 24525
index for all urban consumers published by the United States 24526
department of labor has changed since January 1, 1994, rounded 24527

to the nearest whole dollar. 24528

Sec. 1548.06. (A) (1) Application for a certificate of 24529
title for a watercraft or outboard motor shall be made upon a 24530
form prescribed by the chief of the division of parks and 24531
watercraft and shall be sworn to before a notary public or other 24532
officer empowered to administer oaths. The application shall be 24533
filed with the clerk of any court of common pleas. An 24534
application for a certificate of title may be filed 24535
electronically by any electronic means approved by the chief in 24536
any county with the clerk of the court of common pleas of that 24537
county. The application shall be accompanied by the fee 24538
prescribed in section 1548.10 of the Revised Code. The fee shall 24539
be retained by the clerk who issues the certificate of title and 24540
shall be distributed in accordance with that section. If a clerk 24541
of a court of common pleas, other than the clerk of the court of 24542
common pleas of an applicant's county of residence, issues a 24543
certificate of title to the applicant, the clerk shall transmit 24544
data related to the transaction to the automated title 24545
processing system. 24546

(2) If a certificate of title previously has been issued 24547
for the watercraft or outboard motor, the application for a 24548
certificate of title also shall be accompanied by the 24549
certificate of title duly assigned unless otherwise provided in 24550
this chapter. If a certificate of title previously has not been 24551
issued for the watercraft or outboard motor in this state, the 24552
application, unless otherwise provided in this chapter, shall be 24553
accompanied by a manufacturer's or importer's certificate; by a 24554
sworn statement of ownership if the watercraft or outboard motor 24555
was purchased by the applicant on or before October 9, 1963, or 24556
if the watercraft is less than fourteen feet long with a 24557
permanently affixed mechanical means of propulsion and was 24558

purchased by the applicant on or before January 1, 2000; or by a certificate of title, bill of sale, or other evidence of ownership required by the law of another state from which the watercraft or outboard motor was brought into this state. Evidence of ownership of a watercraft or outboard motor for which an Ohio certificate of title previously has not been issued and which watercraft or outboard motor does not have permanently affixed to it a manufacturer's serial number shall be accompanied by the certificate of assignment of a hull identification number assigned by the chief as provided in section 1548.07 of the Revised Code.

(3) The clerk shall retain the evidence of title presented by the applicant and on which the certificate of title is issued, except that, if an application for a certificate of title is filed electronically, by a vendor on behalf of a purchaser of a watercraft or outboard motor, the clerk shall retain the completed electronic record to which the vendor converted the certificate of title application and other required documents. The chief, after consultation with the attorney general, shall adopt rules that govern the location at which, and the manner in which, are stored the actual application and all other documents relating to the sale of a watercraft or outboard motor when a vendor files the application for a certificate of title electronically on behalf of a purchaser.

(B) The clerk shall use reasonable diligence in ascertaining whether the facts in the application are true by checking the application and documents accompanying it or the electronic record to which a vendor converted the application and accompanying documents with the records of watercraft and outboard motors in the clerk's office. If the clerk is satisfied

that the applicant is the owner of the watercraft or outboard 24590
motor and that the application is in the proper form, the clerk 24591
shall issue a physical certificate of title over the clerk's 24592
signature and sealed with the clerk's seal unless the applicant 24593
specifically requests the clerk not to issue a physical 24594
certificate of title and instead to issue an electronic 24595
certificate of title. However, if the evidence indicates and an 24596
investigation shows that one or more Ohio titles already exist 24597
for the watercraft or outboard motor, the chief may cause the 24598
redundant title or titles to be canceled. 24599

(C) In the case of the sale of a watercraft or outboard 24600
motor by a vendor to a general purchaser or user, the 24601
certificate of title shall be obtained in the name of the 24602
purchaser by the vendor upon application signed by the 24603
purchaser. In all other cases, the certificate shall be obtained 24604
by the purchaser. In all cases of transfer of watercraft or 24605
outboard motors, the application for certificate of title shall 24606
be filed within thirty days after the later of the date of 24607
purchase or assignment of ownership of the watercraft or 24608
outboard motor. If the application for certificate of title is 24609
not filed within thirty days after the later of the date of 24610
purchase or assignment of ownership of the watercraft or 24611
outboard motor, the clerk shall charge a late penalty fee of 24612
five dollars in addition to the fee prescribed by section 24613
1548.10 of the Revised Code. The clerk shall retain the entire 24614
amount of each late penalty fee. 24615

(D) The clerk shall refuse to accept an application for 24616
certificate of title unless the applicant either tenders with 24617
the application payment of all taxes levied by or pursuant to 24618
Chapter 5739. or 5741. of the Revised Code based on the 24619
applicant's county of residence less, in the case of a sale by a 24620

vendor, any discount to which the vendor is entitled under 24621
section 5739.12 of the Revised Code, or submits any of the 24622
following: 24623

(1) A receipt issued by the tax commissioner or a clerk of 24624
courts showing payment of the tax; 24625

(2) A copy of the unit certificate of exemption completed 24626
by the purchaser at the time of sale as provided in section 24627
5739.03 of the Revised Code; 24628

(3) An exemption certificate, in a form prescribed by the 24629
tax commissioner, that specifies why the purchase is not subject 24630
to the tax imposed by Chapter 5739. or 5741. of the Revised 24631
Code. 24632

Payment of the tax shall be in accordance with rules 24633
issued by the tax commissioner, and the clerk shall issue a 24634
receipt in the form prescribed by the tax commissioner to any 24635
applicant who tenders payment of the tax with the application 24636
for the certificate of title. 24637

(E) (1) For receiving and disbursing the taxes paid to the 24638
clerk by a resident of the clerk's county, the clerk may retain 24639
a poundage fee of one and one one-hundredth per cent of the 24640
taxes collected, which shall be paid into the certificate of 24641
title administration fund created by section 325.33 of the 24642
Revised Code. The clerk shall not retain a poundage fee from 24643
payments of taxes by persons who do not reside in the clerk's 24644
county. 24645

(2) A clerk, however, may retain from the taxes paid to 24646
the clerk an amount equal to the poundage fees associated with 24647
certificates of title issued by other clerks of courts of common 24648
pleas to applicants who reside in the first clerk's county. The 24649

chief of the division of parks and watercraft, in consultation 24650
with the tax commissioner and the clerks of the courts of common 24651
pleas, shall develop a report from the automated title 24652
processing system that informs each clerk of the amount of the 24653
poundage fees that the clerk is permitted to retain from those 24654
taxes because of certificates of title issued by the clerks of 24655
other counties to applicants who reside in the first clerk's 24656
county. 24657

(F) In the case of casual sales of watercraft or outboard 24658
motors that are subject to the tax imposed by Chapter 5739. or 24659
5741. of the Revised Code, the purchase price for the purpose of 24660
determining the tax shall be the purchase price on an affidavit 24661
executed and filed with the clerk by the vendor on a form to be 24662
prescribed by the chief, which shall be prima-facie evidence of 24663
the price for the determination of the tax. In addition to the 24664
information required by section 1548.08 of the Revised Code, 24665
each certificate of title shall contain in bold lettering the 24666
following notification and statements: "WARNING TO TRANSFEROR 24667
AND TRANSFEREE (SELLER AND BUYER). You are required by law to 24668
state the true selling price. A false statement is a violation 24669
of section 2921.13 of the Revised Code and is punishable by six 24670
months imprisonment or a fine of up to one thousand dollars, or 24671
both. All transfers are audited by the department of taxation. 24672
The seller and buyer must provide any information requested by 24673
the department of taxation. The buyer may be assessed any 24674
additional tax found to be due." 24675

(G) Each county clerk of courts shall forward to the ~~tax-~~ 24676
~~commissioner-registrar~~ of motor vehicles, in a manner prescribed 24677
by the tax commissioner, all sales and use tax collections 24678
resulting from sales of titled watercraft and outboard motors 24679
during a calendar week on or before the Friday following the 24680

close of that week. If, on any Friday, the offices of the clerk 24681
of courts or the state are not open for business, the tax shall 24682
be forwarded to the ~~commissioner~~ registrar on or before the next 24683
day on which the offices are open. Every remittance of tax under 24684
this division shall be accompanied by a remittance report in 24685
such form as the commissioner, in consultation with the director 24686
of public safety, prescribes. If the tax due for any week is not 24687
remitted by a clerk of courts as required under this division, 24688
the clerk shall forfeit the poundage fees for the sales made 24689
during that week. The commissioner may require the clerks of 24690
courts to transmit tax collections and remittance reports 24691
electronically. 24692

(H) For purposes of a transfer of a certificate of title, 24693
if the clerk is satisfied that a secured party has discharged a 24694
lien but has not canceled the lien notation with a clerk, the 24695
clerk may cancel the lien notation on the automated title 24696
processing system and notify the clerk of the county of origin. 24697

(I) Every clerk shall have the capability to transact by 24698
electronic means all procedures and transactions relating to the 24699
issuance of watercraft or outboard motor certificates of title 24700
that are described in the Revised Code as being accomplished by 24701
electronic means. 24702

of the expenses of an investigation conducted pursuant to 25448

(2) If the department determines that money in the putative father registry fund is more than is needed for its duties related to the putative father registry, the department may use the surplus moneys in the fund as permitted in division (D) of section 2151.3527 or section 5103.155 of the Revised Code.

Sec. 2151.27. (A) (1) Subject to division (A) (2) of this section, any person having knowledge of a child who appears to have violated section 2151.87 of the Revised Code or to be a juvenile traffic offender or to be an unruly, abused, neglected, or dependent child may file a sworn complaint with respect to that child in the juvenile court of the county in which the child has a residence or legal settlement or in which the violation, unruliness, abuse, neglect, or dependency allegedly occurred. If an alleged abused, neglected, or dependent child is

taken into custody pursuant to division (D) of section 2151.31 25496
of the Revised Code or is taken into custody pursuant to 25497
division (A) of section 2151.31 of the Revised Code without the 25498

division (C) of that section, a sworn complaint shall be filed 25500
with respect to the child before the end of the next day after 25501

complaint may be upon information and belief, and, in addition 25503
to the allegation that the child committed the violation or is 25504
an unruly, abused, neglected, or dependent child, the complaint 25505
shall allege the particular facts upon which the allegation that 25506
the child committed the violation or is an unruly, abused, 25507
neglected, or dependent child is based. 25508

(2) Any person having knowledge of a child who appears to 25509
be an unruly child for being an habitual truant may file a sworn 25510
complaint with respect to that child and the parent, guardian, 25511
or other person having care of the child in the juvenile court 25512
of the county in which the child has a residence or legal 25513
settlement or in which the child is supposed to attend public 25514
school. The sworn complaint may be upon information and belief 25515
and shall contain the following allegations: 25516

(a) That the child is an unruly child for being an 25517
habitual truant and, in addition, the particular facts upon 25518
which that allegation is based; 25519

(b) That the parent, guardian, or other person having care 25520
of the child has failed to cause the child's attendance at 25521
school in violation of section 3321.38 of the Revised Code and, 25522
in addition, the particular facts upon which that allegation is 25523
based. 25524

(B) If a child, before arriving at the age of eighteen 25525

years, allegedly commits an act for which the child may be 25526
adjudicated an unruly child and if the specific complaint 25527
alleging the act is not filed or a hearing on that specific 25528
complaint is not held until after the child arrives at the age 25529
of eighteen years, the court has jurisdiction to hear and 25530
dispose of the complaint as if the complaint were filed and the 25531
hearing held before the child arrived at the age of eighteen 25532
years. 25533

(C) If the complainant in a case in which a child is 25534
alleged to be an abused, neglected, or dependent child desires 25535

temporary custody, or the placement of the child in a planned 25541
permanent living arrangement. 25542

(D) Any person with standing under applicable law may file 25543
a complaint for the determination of any other matter over which 25544
the juvenile court is given jurisdiction by section 2151.23 of 25545

a complaint or an action on a complaint filed under this 25550
section, is not subject to the requirements of section 3127.23 25551
of the Revised Code. 25552

(F) Upon the filing of a complaint alleging that a child 25553
is an unruly child, the court may hold the complaint in abeyance 25554
pending the child's successful completion of actions that 25555

constitute a method to divert the child from the juvenile court system. The method may be adopted by a county pursuant to divisions (D) and (E) of section 121.37 of the Revised Code or it may be another method that the court considers satisfactory. If the child completes the actions to the court's satisfaction, the court may dismiss the complaint. If the child fails to complete the actions to the court's satisfaction, the court may consider the complaint.

(G) Upon the filing of a complaint that a child is an unruly child that is based solely on a child being an habitual truant, the court shall consider an alternative to adjudication, including actions that constitute a method to divert the child from the juvenile court system, using the Rules of Juvenile Procedure, or by any other means if such an alternative is available to the court and the child has not already participated or failed to complete one of the available alternatives. The court shall consider the complaint only as a matter of last resort.

(H) If a complaint that a child is an unruly child based on the child being an habitual truant proceeds to consideration by the court, the prosecution shall bear the burden of proving beyond a reasonable doubt the following:

(1) That the child is of compulsory school age, as defined in section 3321.01 of the Revised Code;

(2) That the child was absent without legitimate excuse for absence from the public school the child was supposed to attend for thirty or more consecutive hours, forty-two or more hours in one school month, or seventy-two or more hours in a school year.

The child may assert as an affirmative defense the fact that the child did participate in, or made satisfactory progress on, ~~the absence intervention plan~~ any interventions or other alternatives to adjudication as described in ~~division (C) of~~ section 3321.191 of the Revised Code.

Sec. 2151.311. (A) A person taking a child into custody shall, with all reasonable speed and in accordance with division (C) of this section, either:

(2) Bring the child to the court or deliver the child to a place of detention or shelter care designated by the court and promptly give notice thereof, together with a statement of the reason for taking the child into custody, to a parent, guardian, or other custodian and to the court.

(B) If a parent, guardian, or other custodian fails, when requested by the court, to bring the child before the court as provided by this section, the court may issue its warrant directing that the child be taken into custody and brought before the court.

(C) (1) Before taking any action required by division (A) of this section, a person taking a child into custody may hold the child for processing purposes in a county, multicounty, or municipal jail or workhouse, or other place where an adult convicted of crime, under arrest, or charged with crime is held for either of the following periods of time:

commission of an act that would be a misdemeanor if committed by 25627
an adult, is alleged to be a delinquent child for violating a 25628
court order regarding the child's adjudication as an unruly 25629
child for being an habitual truant, or is alleged to be an 25630

subsequent to the transfer, the child may be held as described 25640

in division (F) of section 2152.26 or division ~~(B)~~ (C) of section 25641

authority of this section in a place specified in division (C) 25646
of this section, the fact of the person's admission to and 25647
confinement in that place is restricted as described in division 25648
(G) of section 2152.26 of the Revised Code. 25649

(E) As used in division (C) (1) of this section, 25650

5103.163 of the Revised Code, the rights of the individual shall 25672
preempt the rights of the resource family or resource caregiver. 25673

(C) The rights established by rules under this section 25674
shall not create grounds for a civil action against the 25675
department, the recommending agency, or the custodial agency. 25676

(B) (1) The juvenile court shall ~~promptly~~ order the 25681

interests of the person in having the records sealed against the 25684
legitimate needs, if any, of the public to access those records, 25685
finds that the interests of the person in having the records 25686
sealed are not outweighed by any legitimate needs of the public 25687

a leader, official, or delegate on behalf of the church, 26138
religious society, or faith who is acting in an official or 26139
professional capacity, who knows, or has reasonable cause to 26140
believe based on facts that would cause a reasonable person in a 26141

similar position to believe, that a child under eighteen years 26142
of age, or a person under twenty-one years of age with a 26143
developmental disability or physical impairment, has suffered or 26144
faces a threat of suffering any physical or mental wound, 26145
injury, disability, or condition of a nature that reasonably 26146
indicates abuse or neglect of the child, and who knows, or has 26147
reasonable cause to believe based on facts that would cause a 26148
reasonable person in a similar position to believe, that another 26149
cleric or another person, other than a volunteer, designated by 26150
a church, religious society, or faith acting as a leader, 26151
official, or delegate on behalf of the church, religious 26152
society, or faith caused, or poses the threat of causing, the 26153
wound, injury, disability, or condition that reasonably 26154
indicates abuse or neglect shall fail to immediately report that 26155
knowledge or reasonable cause to believe to the entity or 26156
persons specified in this division. Except as provided in 26157
section 5120.173 of the Revised Code, the person making the 26158
report shall make it to the public children services agency or a 26159
peace officer in the county in which the child resides or in 26160
which the abuse or neglect is occurring or has occurred. In the 26161
circumstances described in section 5120.173 of the Revised Code, 26162
the person making the report shall make it to the entity 26163
specified in that section. 26164

(b) Except as provided in division (A) (4) (c) of this 26165
section, a cleric is not required to make a report pursuant to 26166
division (A) (4) (a) of this section concerning any communication 26167
the cleric receives from a penitent in a cleric-penitent 26168
relationship, if, in accordance with division (C) of section 26169
2317.02 of the Revised Code, the cleric could not testify with 26170
respect to that communication in a civil or criminal proceeding. 26171

(c) The penitent in a cleric-penitent relationship 26172

described in division (A) (4) (b) of this section is deemed to 26173
have waived any testimonial privilege under division (C) of 26174
section 2317.02 of the Revised Code with respect to any 26175
communication the cleric receives from the penitent in that 26176
cleric-penitent relationship, and the cleric shall make a report 26177
pursuant to division (A) (4) (a) of this section with respect to 26178

child under eighteen years of age or is a person under twenty- 26181
one years of age with a developmental disability or physical 26182
impairment. 26183

(ii) The cleric knows, or has reasonable cause to believe 26184
based on facts that would cause a reasonable person in a similar 26185
position to believe, as a result of the communication or any 26186
observations made during that communication, the penitent has 26187
suffered or faces a threat of suffering any physical or mental 26188
wound, injury, disability, or condition of a nature that 26189
reasonably indicates abuse or neglect of the penitent. 26190

(iii) The abuse or neglect does not arise out of the 26191
penitent's attempt to have an abortion performed upon a child 26192
under eighteen years of age or upon a person under twenty-one 26193
years of age with a developmental disability or physical 26194
impairment without the notification of her parents, guardian, or 26195
custodian in accordance with section 2151.85 of the Revised 26196
Code. 26197

(d) Divisions (A) (4) (a) and (c) of this section do not 26198
apply in a cleric-penitent relationship when the disclosure of 26199
any communication the cleric receives from the penitent is in 26200
violation of the sacred trust. 26201

(e) As used in divisions (A) (1) and (4) of this section, 26202
"cleric" and "sacred trust" have the same meanings as in section 26203
2317.02 of the Revised Code. 26204

(B) Anyone who knows, or has reasonable cause to suspect 26205
based on facts that would cause a reasonable person in similar 26206
circumstances to suspect, that a child under eighteen years of 26207
age, or a person under twenty-one years of age with a 26208
developmental disability or physical impairment, has suffered or 26209
faces a threat of suffering any physical or mental wound, 26210
injury, disability, or other condition of a nature that 26211
reasonably indicates abuse or neglect of the child may report or 26212
cause reports to be made of that knowledge or reasonable cause 26213
to suspect to the entity or persons specified in this division. 26214
Except as provided in section 5120.173 of the Revised Code, a 26215
person making a report or causing a report to be made under this 26216
division shall make it or cause it to be made to the public 26217
children services agency or to a peace officer. In the 26218
circumstances described in section 5120.173 of the Revised Code, 26219
a person making a report or causing a report to be made under 26220
this division shall make it or cause it to be made to the entity 26221
specified in that section. 26222

(C) Any report made pursuant to division (A) or (B) of 26223
this section shall be made forthwith either by telephone, in 26224
person, or electronically and shall be followed by a written 26225
report, if requested by the receiving agency or officer. The 26226
written report shall contain: 26227

(2) The child's age and the nature and extent of the 26231

child's injuries, abuse, or neglect that is known or reasonably 26232
suspected or believed, as applicable, to have occurred or of the 26233
threat of injury, abuse, or neglect that is known or reasonably 26234
suspected or believed, as applicable, to exist, including any 26235
evidence of previous injuries, abuse, or neglect; 26236

(3) Any other information, including, but not limited to, 26237
results and reports of any medical examinations, tests, or 26238
procedures performed under division (D) of this section, that 26239
might be helpful in establishing the cause of the injury, abuse, 26240
or neglect that is known or reasonably suspected or believed, as 26241
applicable, to have occurred or of the threat of injury, abuse, 26242
or neglect that is known or reasonably suspected or believed, as 26243
applicable, to exist. 26244

(D) (1) Any person, who is required by division (A) of this 26245
section to report child abuse or child neglect that is known or 26246
reasonably suspected or believed to have occurred, may take or 26247
cause to be taken color photographs of areas of trauma visible 26248
on a child and, if medically necessary for the purpose of 26249
diagnosing or treating injuries that are suspected to have 26250
occurred as a result of child abuse or child neglect, perform or 26251
cause to be performed radiological examinations and any other 26252
medical examinations of, and tests or procedures on, the child. 26253

(2) The results and any available reports of examinations, 26254
tests, or procedures made under division (D) (1) of this section 26255
shall be included in a report made pursuant to division (A) of 26256
this section. Any additional reports of examinations, tests, or 26257
procedures that become available shall be provided to the public 26258
children services agency, upon request. 26259

(3) If a health care professional provides health care 26260
services in a hospital, children's advocacy center, or emergency 26261

medical facility to a child about whom a report has been made 26262
under division (A) of this section, the health care professional 26263
may take any steps that are reasonably necessary for the release 26264
or discharge of the child to an appropriate environment. Before 26265
the child's release or discharge, the health care professional 26266
may obtain information, or consider information obtained, from 26267
other entities or individuals that have knowledge about the 26268
child. Nothing in division (D) (3) of this section shall be 26269
construed to alter the responsibilities of any person under 26270
sections 2151.27 and 2151.31 of the Revised Code. 26271

(4) A health care professional may conduct medical 26272
examinations, tests, or procedures on the siblings of a child 26273
about whom a report has been made under division (A) of this 26274
section and on other children who reside in the same home as the 26275
child, if the professional determines that the examinations, 26276
tests, or procedures are medically necessary to diagnose or 26277
treat the siblings or other children in order to determine 26278
whether reports under division (A) of this section are warranted 26279
with respect to such siblings or other children. The results of 26280
the examinations, tests, or procedures on the siblings and other 26281
children may be included in a report made pursuant to division 26282
(A) of this section. 26283

(5) Medical examinations, tests, or procedures conducted 26284
under divisions (D) (1) and (4) of this section and decisions 26285
regarding the release or discharge of a child under division (D) 26286
(3) of this section do not constitute a law enforcement 26287
investigation or activity. 26288

(E) (1) When a peace officer receives a report made 26289
pursuant to division (A) or (B) of this section, upon receipt of 26290
the report, the peace officer who receives the report shall 26291

refer the report to the appropriate public children services agency, in accordance with requirements specified under division (B) (6) of section 2151.4221 of the Revised Code, unless an arrest is made at the time of the report that results in the appropriate public children services agency being contacted concerning the possible abuse or neglect of a child or the possible threat of abuse or neglect of a child.

(2) When a public children services agency receives a report pursuant to this division or division (A) or (B) of this section, upon receipt of the report, the public children services agency shall do all of the following:

(a) Comply with section 2151.422 of the Revised Code;

(c) Unless an arrest is made at the time of the report that results in the appropriate law enforcement agency being contacted concerning the possible abuse or neglect of a child or the possible threat of abuse or neglect of a child, and in accordance with requirements specified under division (B) (6) of section 2151.4221 of the Revised Code, notify the appropriate law enforcement agency of the report, if the public children

services agency received either of the following: 26322

(i) A report of abuse of a child; 26323

(ii) A report of neglect of a child that alleges a type of 26324
neglect identified by the department of children and youth in 26325
rules adopted under division (L)(2) of this section. 26326

(F) No peace officer shall remove a child about whom a 26327
report is made pursuant to this section from the child's 26328
parents, stepparents, or guardian or any other persons having 26329
custody of the child without consultation with the public 26330
children services agency, unless, in the judgment of the 26331
officer, and, if the report was made by physician, the 26332
physician, immediate removal is considered essential to protect 26333
the child from further abuse or neglect. The agency that must be 26334
consulted shall be the agency conducting the investigation of 26335
the report as determined pursuant to section 2151.422 of the 26336
Revised Code. 26337

(G) (1) Except as provided in section 2151.422 of the 26338
Revised Code or in an interagency agreement entered into under 26339
section 2151.428 of the Revised Code that applies to the 26340
particular report, the public children services agency shall 26341
investigate, within twenty-four hours, each report of child 26342
abuse or child neglect that is known or reasonably suspected or 26343
believed to have occurred and of a threat of child abuse or 26344
child neglect that is known or reasonably suspected or believed 26345
to exist that is referred to it under this section to determine 26346
the circumstances surrounding the injuries, abuse, or neglect or 26347
the threat of injury, abuse, or neglect, the cause of the 26348
injuries, abuse, neglect, or threat, and the person or persons 26349

the law enforcement agency and in accordance with the memorandum 26351

of understanding prepared under sections 2151.4220 to 2151.4234 26352
of the Revised Code. A representative of the public children 26353
services agency shall, at the time of initial contact with the 26354
person subject to the investigation, inform the person of the 26355
specific complaints or allegations made against the person. The 26356
information shall be given in a manner that is consistent with 26357
division (I) (1) ~~and rules adopted under division (L) (3)~~ of this 26358
section and protects the rights of the person making the report 26359
under this section. 26360

A failure to make the investigation in accordance with the 26361
memorandum is not grounds for, and shall not result in, the 26362
dismissal of any charges or complaint arising from the report or 26363
the suppression of any evidence obtained as a result of the 26364
report and does not give, and shall not be construed as giving, 26365
any rights or any grounds for appeal or post-conviction relief 26366
to any person. The public children services agency shall report 26367
each case to the uniform statewide automated child welfare 26368
information system that the department of children and youth 26369
shall maintain in accordance with section ~~5101.13~~ 5180.40 of the 26370

report of its investigation, in writing, to the law enforcement 26372
agency. 26373

(2) The public children services agency shall make any 26374
recommendations to the county prosecuting attorney or city 26375
director of law that it considers necessary to protect any 26376
children that are brought to its attention. 26377

(H) (1) (a) Except as provided in divisions (H) (1) (b) and 26378
(I) (3) of this section, any person, health care professional, 26379
hospital, institution, school, health department, or agency 26380
shall be immune from any civil or criminal liability for injury, 26381

death, or loss to person or property that otherwise might be 26382
incurred or imposed as a result of any of the following: 26383

section; 26392

(iv) Participating in a judicial proceeding resulting from 26393
a report made pursuant to division (A) of this section or 26394

(b) Immunity under division (H) (1) (a) (ii) of this section 26397
shall not apply when a health care provider has deviated from 26398
the standard of care applicable to the provider's profession. 26399

(c) Notwithstanding section 4731.22 of the Revised Code, 26400
the physician-patient privilege shall not be a ground for 26401
excluding evidence regarding a child's injuries, abuse, or 26402
neglect, or the cause of the injuries, abuse, or neglect in any 26403
judicial proceeding resulting from a report submitted pursuant 26404
to this section. 26405

(2) In any civil or criminal action or proceeding in which 26406
it is alleged and proved that participation in the making of a 26407
report under this section was not in good faith or participation 26408
in a judicial proceeding resulting from a report made under this 26409
section was not in good faith, the court shall award the 26410

prevailing party reasonable attorney's fees and costs and, if a 26411
civil action or proceeding is voluntarily dismissed, may award 26412
reasonable attorney's fees and costs to the party against whom 26413
the civil action or proceeding is brought. 26414

(I) (1) Except as provided in divisions (I) (4) and (N) of 26415
this section and sections 2151.423 and 2151.4210 of the Revised 26416
Code, a report made under this section is confidential. The 26417
information provided in a report made pursuant to this section 26418
and the name of the person who made the report shall not be 26419
released for use, and shall not be used, as evidence in any 26420
civil action or proceeding brought against the person who made 26421
the report. Nothing in this division shall preclude the use of 26422
reports of other incidents of known or suspected abuse or 26423
neglect in a civil action or proceeding brought pursuant to 26424
division (M) of this section against a person who is alleged to 26425
have violated division (A) (1) of this section, provided that any 26426

subject of the report or the maker of the report, if the maker 26428
of the report is not the defendant or an agent or employee of 26429
the defendant, has been redacted. In a criminal proceeding, the 26430
report is admissible in evidence in accordance with the Rules of 26431
Evidence and is subject to discovery in accordance with the 26432
Rules of Criminal Procedure. 26433

(2) (a) Except as provided in division (I) (2) (b) of this 26434
section, no person shall permit or encourage the unauthorized 26435
dissemination of the contents of any report made under this 26436
section. 26437

(b) A health care professional that obtains the same 26438
information contained in a report made under this section from a 26439
source other than the report may disseminate the information, if 26440

its dissemination is otherwise permitted by law. 26441

(3) A person who knowingly makes or causes another person 26442
to make a false report under division (B) of this section that 26443
alleges that any person has committed an act or omission that 26444
resulted in a child being an abused child or a neglected child 26445
is guilty of a violation of section 2921.14 of the Revised Code. 26446

(4) If a report is made pursuant to division (A) or (B) of 26447
this section and the child who is the subject of the report dies 26448
for any reason at any time after the report is made, but before 26449
the child attains eighteen years of age, the public children 26450
services agency or peace officer to which the report was made or 26451
referred, on the request of the child fatality review board, the 26452
suicide fatality review committee, or the director of health 26453

the time of death or to the director. On the request of the 26458
review board, review committee, or director, the agency or peace 26459
officer may, at its discretion, make the report available to the 26460
review board, review committee, or director. If the county 26461
served by the public children services agency is also served by 26462
a children's advocacy center and the report of alleged sexual 26463
abuse of a child or another type of abuse of a child is 26464
specified in the memorandum of understanding that creates the 26465
center as being within the center's jurisdiction, the agency or 26466
center shall perform the duties and functions specified in this 26467
division in accordance with the interagency agreement entered 26468
into under section 2151.428 of the Revised Code relative to that 26469

to this section, including a report alleging sexual abuse of a 26475
child or another type of abuse of a child referred to a 26476
children's advocacy center pursuant to an interagency agreement 26477
entered into under section 2151.428 of the Revised Code, in 26478
writing of the disposition of the investigation. The agency 26479
shall not provide to the person any information that identifies 26480
the person who made the report, statements of witnesses, or 26481

in protective services and emergency supportive services being 26489
made available by the public children services agency on behalf 26490
of the children about whom the report is made. The agency 26491
required to provide the services shall be the agency conducting 26492
the investigation of the report pursuant to section 2151.422 of 26493
the Revised Code. If a ~~child-family~~ is determined to be a 26494
~~candidate for benefit from~~ prevention services, the agency also 26495
~~shall~~ may make efforts to prevent neglect or abuse, to enhance a 26496
child's welfare, and to preserve the family unit intact by 26497
referring a report for assessment and provision of services to 26498
an agency providing prevention services, if appropriate 26499
prevention services are available from a local provider or other 26500
reasonable source. 26501

(K) (1) Except as provided in division (K) (4) or (5) of this section, a person who is required to make a report under division (A) of this section may make a reasonable number of requests of the public children services agency that receives or is referred the report, or of the children's advocacy center that is referred the report if the report is referred to a children's advocacy center pursuant to an interagency agreement entered into under section 2151.428 of the Revised Code, to be provided with the following information:

(e) Whether the report has resulted in the filing of a complaint in juvenile court or of criminal charges in another court.

(2) (a) A person may request the information specified in division (K) (1) of this section only if, at the time the report is made, the person's name, address, and telephone number are provided to the person who receives the report.

(b) When a peace officer or employee of a public children services agency receives a report pursuant to division (A) or (B) of this section the recipient of the report shall inform the person of the right to request the information described in division (K) (1) of this section. The recipient of the report

shall include in the initial child abuse or child neglect report 26531
that the person making the report was so informed and, if 26532
provided at the time of the making of the report, shall include 26533
the person's name, address, and telephone number in the report. 26534

(c) If the person making the report provides the person's 26535
name and contact information on making the report, the public 26536
children services agency that received or was referred the 26537
report shall send a written notice via United States mail or 26538

investigation into the report made, who the person may contact 26542
at the agency for further information, and a description of the 26543
person's rights under division (K)(1) of this section. 26544

identity is verified, the agency shall provide the person with 26547
the information described in division (K)(1) of this section a 26548
reasonable number of times, except that the agency shall not 26549
disclose any confidential information regarding the child who is 26550
the subject of the report other than the information described 26551
in those divisions. 26552

(3) A request made pursuant to division (K)(1) of this 26553
section is not a substitute for any report required to be made 26554
pursuant to division (A) of this section. 26555

(4) If an agency other than the agency that received or 26556
was referred the report is conducting the investigation of the 26557

agency conducting the investigation shall comply with the 26559
requirements of division (K) of this section. 26560

(5) A health care professional who made a report under 26561
division (A) of this section, or on whose behalf such a report 26562

written report to the prosecutor and to the counsel for the 28678
defendant or person. Upon the ~~local forensic center's~~ examiner's 28679
submission of the report to the trial court and the department's 28680
designee, all of the following apply: 28681

~~(i)~~ (I) If the ~~forensic center~~ examiner disagrees with the 28682
recommendation of the department's designee, it shall inform the 28683
department's designee and the trial court of its decision and 28684
the reasons for the decision. The department's designee, after 28685
consideration of the ~~forensic center's~~ examiner's decision, 28686
shall either withdraw, proceed with, or modify and proceed with 28687
the recommendation. If the department's designee proceeds with, 28688
or modifies and proceeds with, the recommendation, the 28689
department's designee shall proceed in accordance with division 28690
~~(D) (1) (b) (iii)~~ (D) (1) (b) (i) (III) of this section. 28691

~~(ii)~~ (II) If the ~~forensic center~~ examiner agrees with the 28692
recommendation of the department's designee, it shall inform the 28693
department's designee and the trial court of its decision and 28694
the reasons for the decision, and the department's designee 28695
shall proceed in accordance with division ~~(D) (1) (b) (iii)~~ (D) (1) 28696
(b) (i) (III) of this section. 28697

~~(iii)~~ (III) If the ~~forensic center~~ examiner disagrees with 28698
the recommendation of the department's designee and the 28699
department's designee proceeds with, or modifies and proceeds 28700
with, the recommendation or if the ~~forensic center~~ examiner 28701
agrees with the recommendation of the department's designee, the 28702
department's designee shall work with community mental health 28703
services providers, programs, facilities, or boards of alcohol, 28704
drug addiction, and mental health services ~~or community mental~~ 28705

~~health boards~~ to develop a plan to implement the recommendation. 28706
If the defendant or person is on medication, the plan shall 28707
include, but shall not be limited to, a system to monitor the 28708
defendant's or person's compliance with the prescribed 28709
medication treatment plan. The system shall include a schedule 28710
that clearly states when the defendant or person shall report 28711
for a medication compliance check. The medication compliance 28712
checks shall be based upon the effective duration of the 28713
prescribed medication, taking into account the route by which it 28714
is taken, and shall be scheduled at intervals sufficiently close 28715
together to detect a potential increase in mental illness 28716
symptoms that the medication is intended to prevent. 28717

The department's designee, after consultation with the 28718
board of alcohol, drug addiction, and mental health services ~~or~~ 28719
~~the community mental health board~~ serving the area, shall send 28720
the recommendation and plan developed under division ~~(D) (1) (b)~~ 28721
~~(iii)~~ (D) (1) (b) (i) (III) of this section, in writing, to the trial 28722
court, the prosecutor, and the counsel for the committed 28723
defendant or person. 28724

The trial court shall conduct a hearing on the 28725
recommendation and plan developed under division ~~(D) (1) (b) (iii)~~ 28726
(D) (1) (b) (i) (III) of this section. Divisions ~~(D) (1) (c) and (d)~~ 28727
~~and (E)~~ to (J) of this section apply regarding the hearing. 28728

~~(c) If the department's designee's recommendation is for~~ 28729
~~nonsecured status or termination of commitment, the prosecutor~~ 28730
~~may obtain an independent expert evaluation of the defendant's~~ 28731
~~or person's mental condition, and the trial court may continue~~ 28732
~~the hearing on the recommendation for a period of not more than~~ 28733
~~thirty days to permit time for the evaluation.~~ 28734

The prosecutor may introduce the written report of the 28735

independent evaluation ~~report~~ or present other evidence at the 28736
hearing in accordance with the Rules of Evidence. 28737

~~(d) The trial court shall schedule the hearing on a 28738
department's designee's recommendation for nonsecured status or 28739
termination of commitment and shall give reasonable notice to 28740
the prosecutor and the counsel for the defendant or person. 28741
Unless continued for independent evaluation at the prosecutor's 28742
request or for other good cause, the hearing shall be held 28743
within thirty days after the trial court's receipt of the 28744
recommendation and plan. 28745~~

(ii) If the prosecutor does not request an independent 28746
evaluation of the defendant's or person's mental condition, the 28747
trial court shall hold the hearing on the department's 28748
designee's recommendation and shall consider the department's, 28749
institution's, facility's, or program's most recent written 28750
report issued under division (C) of this section. 28751

(2) (a) Division (D) (1) of this section does not apply to 28752
on-grounds unsupervised movement of a defendant or person who 28753
has been committed under section 2945.39 or 2945.40 of the 28754
Revised Code, who is a person with an intellectual disability 28755
subject to institutionalization by court order, and who is being 28756
provided residential habilitation, care, and treatment in a 28757
facility operated by the department of developmental 28758
disabilities. 28759

(b) If, pursuant to section 2945.39 of the Revised Code, 28760
the trial court commits a defendant who is found incompetent to 28761
stand trial and who is a person with an intellectual disability 28762
subject to institutionalization by court order, if the defendant 28763
is being provided residential habilitation, care, and treatment 28764
in a facility operated by the department of developmental 28765

disabilities, if an individual who is conducting a survey for 28766
the department of health to determine the facility's compliance 28767
with the certification requirements of the medicaid program 28768
cites the defendant's receipt of the residential habilitation, 28769
care, and treatment in the facility as being inappropriate under 28770
the certification requirements, if the defendant's receipt of 28771
the residential habilitation, care, and treatment in the 28772
facility potentially jeopardizes the facility's continued 28773
receipt of federal medicaid moneys, and if as a result of the 28774
citation the chief clinical officer of the facility determines 28775
that the conditions of the defendant's commitment should be 28776
changed, the department of developmental disabilities may cause 28777
the defendant to be removed from the particular facility and, 28778
after evaluating the risks to public safety and the welfare of 28779
the defendant and after determining whether another type of 28780
placement is consistent with the certification requirements, may 28781
place the defendant in another facility that the department 28782
selects as an appropriate facility for the defendant's continued 28783
receipt of residential habilitation, care, and treatment and 28784
that is a no less secure setting than the facility in which the 28785
defendant had been placed at the time of the citation. Within 28786
three days after the defendant's removal and alternative 28787
placement under the circumstances described in division (D) (2) 28788
(b) of this section, the department of developmental 28789
disabilities shall notify the trial court and the prosecutor in 28790
writing of the removal and alternative placement. 28791

The trial court shall set a date for a hearing on the 28792
removal and alternative placement, and the hearing shall be held 28793
within twenty-one days after the trial court's receipt of the 28794
notice from the department of developmental disabilities. At 28795
least ten days before the hearing is held, the trial court shall 28796

give the prosecutor, the department of developmental 28797
disabilities, and the counsel for the defendant written notice 28798
of the date, time, and place of the hearing. At the hearing, the 28799
trial court shall consider the citation issued by the individual 28800
who conducted the survey for the department of health to be 28801
prima-facie evidence of the fact that the defendant's commitment 28802
to the particular facility was inappropriate under the 28803
certification requirements of the medicaid program and 28804
potentially jeopardizes the particular facility's continued 28805
receipt of federal medicaid moneys. At the conclusion of the 28806
hearing, the trial court may approve or disapprove the 28807
defendant's removal and alternative placement. If the trial 28808
court approves the defendant's removal and alternative 28809
placement, the department of developmental disabilities may 28810
continue the defendant's alternative placement. If the trial 28811
court disapproves the defendant's removal and alternative 28812
placement, it shall enter an order modifying the defendant's 28813
removal and alternative placement, but that order shall not 28814
require the department of developmental disabilities to replace 28815
the defendant for purposes of continued residential 28816
habilitation, care, and treatment in the facility associated 28817
with the citation issued by the individual who conducted the 28818
survey for the department of health. 28819

(E) In making a determination under this section regarding 28820
nonsecured status or termination of commitment, the trial court 28821
shall consider all relevant factors, including, but not limited 28822
to, all of the following: 28823

(1) Whether, in the trial court's view, the defendant or 28824
person currently represents a substantial risk of physical harm 28825
to the defendant or person or others; 28826

(2) Psychiatric and medical testimony as to the current	28827
mental and physical condition of the defendant or person;	28828
(3) Whether the defendant or person has insight into the	28829
defendant's or person's condition so that the defendant or	28830
person will continue treatment as prescribed or seek	28831
professional assistance as needed;	28832
(4) The grounds upon which the state relies for the	28833
proposed commitment;	28834
(5) Any past history that is relevant to establish the	28835
defendant's or person's degree of conformity to the laws, rules,	28836
regulations, and values of society;	28837
(6) If there is evidence that the defendant's or person's	28838
mental illness is in a state of remission, the medically	28839
suggested cause and degree of the remission and the probability	28840
that the defendant or person will continue treatment to maintain	28841
the remissive state of the defendant's or person's illness	28842
should the defendant's or person's commitment conditions be	28843
altered.	28844
(F) At any hearing held pursuant to division (C) or (D) (1)	28845
or (2) of this section, the defendant or the person shall have	28846
all the rights of a defendant or person at a commitment hearing	28847
as described in section 2945.40 of the Revised Code.	28848
(G) In a hearing held pursuant to division (C) or (D) (1)	28849
of this section, the prosecutor has the burden of proof as	28850
follows:	28851
(1) For a recommendation of termination of commitment, to	28852
show by clear and convincing evidence that the defendant or	28853
person remains a person with a mental illness subject to court	28854
order or a person with an intellectual disability subject to	28855

institutionalization by court order; 28856

(2) For a recommendation for a change in the conditions of 28857
the commitment to a less restrictive status, to show by clear 28858
and convincing evidence that the proposed change represents a 28859
threat to public safety or a threat to the safety of any person. 28860

(H) In a hearing held pursuant to division (C) or (D) (1) 28861
or (2) of this section, the prosecutor shall represent the state 28862
or the public interest. 28863

(I) At the conclusion of a hearing conducted under 28864
division (D) (1) of this section regarding a recommendation from 28865
the designee of the department of mental health and addiction 28866
services, managing officer of the institution, or director of a 28867
facility or program, the trial court may approve, disapprove, or 28868
modify the recommendation and shall enter an order accordingly. 28869

(J) (1) A defendant or person who has been committed 28870
pursuant to section 2945.39 or 2945.40 of the Revised Code 28871
continues to be under the jurisdiction of the trial court until 28872
the final termination of the commitment. For purposes of 28873
division (J) of this section, the final termination of a 28874
commitment occurs upon the earlier of one of the following: 28875

(a) The defendant or person no longer is a person with a 28876
mental illness subject to court order or a person with an 28877
intellectual disability subject to institutionalization by court 28878
order, as determined by the trial court; 28879

(b) The expiration of the maximum prison term or term of 28880
imprisonment that the defendant or person could have received if 28881
the defendant or person had been convicted of the most serious 28882
offense with which the defendant or person is charged or in 28883
relation to which the defendant or person was found not guilty 28884

by reason of insanity; 28885

(c) The trial court enters an order terminating the 28886
commitment under the circumstances described in division (J) (2) 28887
(a) (ii) of this section. 28888

(2) (a) If a defendant is found incompetent to stand trial 28889
and committed pursuant to section 2945.39 of the Revised Code, 28890
if neither of the circumstances described in divisions (J) (1) (a) 28891
and (b) of this section applies to that defendant, and if a 28892
report filed with the trial court pursuant to division (C) of 28893
this section indicates that the defendant presently is competent 28894
to stand trial or if, at any other time during the period of the 28895
defendant's commitment, the prosecutor, the counsel for the 28896
defendant, or the designee of the department of mental health 28897
and addiction services or the managing officer of the 28898
institution or director of the facility or program to which the 28899
defendant is committed files an application with the trial court 28900
alleging that the defendant presently is competent to stand 28901
trial and requesting a hearing on the competency issue or the 28902
trial court otherwise has reasonable cause to believe that the 28903
defendant presently is competent to stand trial and determines 28904
on its own motion to hold a hearing on the competency issue, the 28905
trial court shall schedule a hearing on the competency of the 28906
defendant to stand trial, shall give the prosecutor, the counsel 28907
for the defendant, and the department's designee or the managing 28908
officer of the institution or the director of the facility to 28909
which the defendant is committed notice of the date, time, and 28910
place of the hearing at least fifteen days before the hearing, 28911
and shall conduct the hearing within thirty days of the filing 28912
of the application or of its own motion. If, at the conclusion 28913
of the hearing, the trial court determines that the defendant 28914
presently is capable of understanding the nature and objective 28915

of the proceedings against the defendant and of assisting in the 28916
defendant's defense, the trial court shall order that the 28917
defendant is competent to stand trial and shall be proceeded 28918
against as provided by law with respect to the applicable 28919
offenses described in division (C) (1) of section 2945.38 of the 28920
Revised Code and shall enter whichever of the following 28921
additional orders is appropriate: 28922

(i) If the trial court determines that the defendant 28923
remains a person with a mental illness subject to court order or 28924
a person with an intellectual disability subject to 28925
institutionalization by court order, the trial court shall order 28926
that the defendant's commitment to the department of mental 28927
health and addiction services or to an institution, facility, or 28928
program for the treatment of intellectual disabilities be 28929
continued during the pendency of the trial on the applicable 28930
offenses described in division (C) (1) of section 2945.38 of the 28931
Revised Code. 28932

(ii) If the trial court determines that the defendant no 28933
longer is a person with a mental illness subject to court order 28934
or a person with an intellectual disability subject to 28935
institutionalization by court order, the trial court shall order 28936
that the defendant's commitment to the department of mental 28937
health and addiction services or to an institution, facility, or 28938
program for the treatment of intellectual disabilities shall not 28939
be continued during the pendency of the trial on the applicable 28940
offenses described in division (C) (1) of section 2945.38 of the 28941
Revised Code. This order shall be a final termination of the 28942
commitment for purposes of division (J) (1) (c) of this section. 28943

(b) If, at the conclusion of the hearing described in 28944
division (J) (2) (a) of this section, the trial court determines 28945

that the defendant remains incapable of understanding the nature 28946
and objective of the proceedings against the defendant or of 28947
assisting in the defendant's defense, the trial court shall 28948
order that the defendant continues to be incompetent to stand 28949
trial, that the defendant's commitment to the department of 28950
mental health and addiction services or to an institution, 28951
facility, or program for the treatment of intellectual 28952
disabilities shall be continued, and that the defendant remains 28953
subject to the jurisdiction of the trial court pursuant to that 28954
commitment, and to the provisions of this section, until the 28955
final termination of the commitment as described in division (J) 28956
(1) of this section. 28957

the court requires concerning the applicant. The probation 29083
officer or county department of probation that the court directs 29084
to make inquiries and written reports as the court requires 29085
concerning the applicant shall determine whether or not the 29086
applicant was fingerprinted at the time of arrest or under 29087
section 109.60 of the Revised Code. If the applicant was so 29088
fingerprinted, the probation officer or county department of 29089
probation shall include with the written report a record of the 29090
applicant's fingerprints. If the applicant was convicted of or 29091
pleaded guilty to a violation of division (A) (2) or (B) of 29092
section 2919.21 of the Revised Code, the probation officer or 29093

county department of probation that the court directed to make 29094
inquiries concerning the applicant shall contact the child 29095
support enforcement agency enforcing the applicant's obligations 29096
under the child support order to inquire about the offender's 29097
compliance with the child support order. 29098

(D) (1) At the hearing held under division (C) of this 29099
section, the court shall do each of the following: 29100

(a) Determine whether the applicant is pursuing sealing or 29101
expunging a conviction of an offense that is prohibited under 29102
division (A) of this section or whether the forfeiture of bail 29103
was agreed to by the applicant and the prosecutor in the case, 29104
and determine whether the application was made at the time 29105
specified in division (B) (1) (a) or (b) or division (B) (2) (a) or 29106
(b) of this section that is applicable with respect to the 29107
application and the subject offense; 29108

(b) Determine whether criminal proceedings are pending 29109
against the applicant; 29110

(c) Determine whether the applicant has been rehabilitated 29111
to the satisfaction of the court; 29112

(d) If the prosecutor has filed an objection in accordance 29113
with division (C) of this section, consider the reasons against 29114
granting the application specified by the prosecutor in the 29115
objection; 29116

(e) If the victim objected, pursuant to the Ohio 29117
Constitution, consider the reasons against granting the 29118
application specified by the victim in the objection; 29119

(f) Weigh the interests of the applicant in having the 29120
records pertaining to the applicant's conviction or bail 29121
forfeiture sealed or expunged against the legitimate needs, if 29122

any, of the government to maintain those records; 29123

(g) Consider the oral or written statement of any victim, 29124
victim's representative, and victim's attorney, if applicable; 29125

(h) If the applicant was an eligible offender of the type 29126
described in division (A) (3) of section 2953.36 of the Revised 29127
Code as it existed prior to ~~the effective date of this amendment~~ 29128
April 4, 2023, determine whether the offender has been 29129
rehabilitated to a satisfactory degree. In making the 29130
determination, the court may consider all of the following: 29131

(i) The age of the offender; 29132

(ii) The facts and circumstances of the offense; 29133

(iii) The cessation or continuation of criminal behavior; 29134

(iv) The education and employment of the offender; 29135

(v) Any other circumstances that may relate to the 29136
offender's rehabilitation. 29137

(2) If the court determines, after complying with division 29138
(D) (1) of this section, that the offender is not pursuing 29139
sealing or expunging a conviction of an offense that is 29140
prohibited under division (A) of this section or that the 29141
forfeiture of bail was agreed to by the applicant and the 29142
prosecutor in the case, that the application was made at the 29143
time specified in division (B) (1) (a) or (b) or division (B) (2) 29144
(a) or (b) of this section that is applicable with respect to 29145
the application and the subject offense, that no criminal 29146
proceeding is pending against the applicant, that the interests 29147
of the applicant in having the records pertaining to the 29148
applicant's conviction or bail forfeiture sealed or expunged are 29149
not outweighed by any legitimate governmental needs to maintain 29150

those records, and that the rehabilitation of the applicant has 29151
been attained to the satisfaction of the court, both of the 29152
following apply: 29153

(a) The court, except as provided in division (D)(4) or 29154
(5) of this section or division (D), (F), or (G) of section 29155
2953.34 of the Revised Code, shall order all official records of 29156
the case that pertain to the conviction or bail forfeiture 29157
sealed if the application was for sealing or expunged if the 29158
application was for expungement and, except as provided in 29159
division (C) of section 2953.34 of the Revised Code, all index 29160
references to the case that pertain to the conviction or bail 29161
forfeiture deleted and, in the case of bail forfeitures, shall 29162
dismiss the charges in the case. 29163

(b) The proceedings in the case that pertain to the 29164
conviction or bail forfeiture shall be considered not to have 29165
occurred and the conviction or bail forfeiture of the person who 29166
is the subject of the proceedings shall be sealed if the 29167
application was for sealing or expunged if the application was 29168
for expungement, except that upon conviction of a subsequent 29169
offense, a sealed record of prior conviction or bail forfeiture 29170
may be considered by the court in determining the sentence or 29171
other appropriate disposition, including the relief provided for 29172
in sections 2953.31, 2953.32, and 2953.34 of the Revised Code. 29173

(3) An applicant may request the sealing or expungement of 29174
the records of more than one case in a single application under 29175
this section. Upon the filing of an application under this 29176
section, the applicant, unless the applicant presents a poverty 29177
affidavit showing that the applicant is indigent, shall pay an 29178
application fee of fifty dollars and may pay a local court fee 29179
of not more than fifty dollars, regardless of the number of 29180

records the application requests to have sealed or expunged. If 29181
the applicant pays a fee, the court shall pay three-fifths of 29182
the fee collected into the state treasury, with half of that 29183
amount credited to the attorney general reimbursement fund 29184
created by section 109.11 of the Revised Code. If the applicant 29185
pays a fee, the court shall pay two-fifths of the fee collected 29186
into the county general revenue fund if the sealed or expunged 29187
conviction or bail forfeiture was pursuant to a state statute, 29188
or into the general revenue fund of the municipal corporation 29189
involved if the sealed or expunged conviction or bail forfeiture 29190
was pursuant to a municipal ordinance. 29191

(4) If the court orders the official records pertaining to 29192
the case sealed or expunged, the court shall do one of the 29193
following: 29194

(a) If the applicant was fingerprinted at the time of 29195
arrest or under section 109.60 of the Revised Code and the 29196
record of the applicant's fingerprints was provided to the court 29197
under division (C) of this section, forward a copy of the 29198
sealing or expungement order and the record of the applicant's 29199
fingerprints to the bureau of criminal identification and 29200
investigation. 29201

(b) If the applicant was not fingerprinted at the time of 29202
arrest or under section 109.60 of the Revised Code, or the 29203
record of the applicant's fingerprints was not provided to the 29204
court under division (C) of this section, but fingerprinting was 29205
required for the offense, order the applicant to appear before a 29206
sheriff to have the applicant's fingerprints taken according to 29207
the fingerprint system of identification on the forms furnished 29208
by the superintendent of the bureau of criminal identification 29209
and investigation. The sheriff shall forward the applicant's 29210

fingerprints to the court. The court shall forward the 29211
applicant's fingerprints and a copy of the sealing or 29212
expungement order to the bureau of criminal identification and 29213
investigation. 29214

Failure of the court to order fingerprints at the time of 29215
sealing or expungement does not constitute a reversible error. 29216

(5) Notwithstanding any other provision of the Revised 29217
Code to the contrary, when the bureau of criminal identification 29218
and investigation receives notice from a court that the record 29219
of a conviction or bail forfeiture has been expunged under this 29220
section, the bureau of criminal identification and investigation 29221
shall maintain a record of the expunged conviction record for 29222
the limited purpose of determining an individual's qualification 29223
or disqualification for employment in law enforcement. The 29224
bureau of criminal identification and investigation shall not be 29225
compelled by the court to destroy, delete, or erase those 29226
records so that the records are permanently irretrievable. These 29227
records may only be disclosed or provided to law enforcement for 29228
the limited purpose of determining an individual's qualification 29229
or disqualification for employment in law enforcement. 29230

When any other entity other than the bureau of criminal 29231
identification and investigation receives notice from a court 29232
that the record of a conviction or bail forfeiture has been 29233
expunged under this section, the entity shall destroy, delete, 29234
and erase the record as appropriate for the record's physical or 29235
electronic form or characteristic so that the record is 29236
permanently irretrievable. 29237

Sec. 2967.12. (A) Except as provided in division (G) of 29238
this section, at least sixty days before the adult parole 29239
authority recommends any pardon or commutation of sentence, or 29240

grants any parole, the authority shall provide a notice of the
pendency of the pardon, commutation, or parole, setting forth
the name of the person on whose behalf it is made, the offense
of which the person was convicted or to which the person pleaded
guilty, the time of conviction or the guilty plea, and the term
of the person's sentence, to the prosecuting attorney and the
judge of the court of common pleas of the county in which the
indictment against the person was found. If there is more than
one judge of that court of common pleas, the authority shall
provide the notice to the presiding judge. Upon the request of
the prosecuting attorney or of any law enforcement agency, the
authority shall provide to the requesting prosecuting attorney
and law enforcement agencies an institutional summary report
that covers the subject person's participation while confined in
a state correctional institution in training, work, and other
rehabilitative activities and any disciplinary action taken
against the person while so confined. The department of
rehabilitation and correction may utilize electronic means to
provide this notice. The department of rehabilitation and
correction, at the same time that it provides the notice to the
prosecuting attorney and judge under this division, also shall
post on the database it maintains pursuant to section 5120.66 of
the Revised Code the offender's name and all of the information
specified in division (A) (1) (c) (iii) of that section.

(B) If a request for notification has been made pursuant
to section 2930.16 of the Revised Code or if division (H) of
this section applies, the office of victim services or the adult
parole authority also shall provide notice to the victim or the
victim's representative at least sixty days prior to
recommending any pardon or commutation of sentence for, or
granting any parole to, the person. The notice shall include the

information required by division (A) of this section and may be 29272
provided by telephone or through electronic means. The notice 29273
also shall inform the victim or the victim's representative that 29274
the victim or representative may send a written statement 29275
relative to the victimization and the pending action to the 29276
adult parole authority and that, if the authority receives any 29277
written statement prior to recommending a pardon or commutation 29278
or granting a parole for a person, the authority will consider 29279
the statement before it recommends a pardon or commutation or 29280
grants a parole. All written and oral statements provided by a 29281
victim or victim's representative to the department of 29282
rehabilitation and correction in connection with the pendency of 29283
any pardon, commutation, or parole are confidential and 29284
privileged and are not subject to subpoena or discovery, 29285
admissible in evidence in any action, or public records under 29286
section 149.43 of the Revised Code. 29287

If the person is being considered for parole, the notice 29288
shall inform the victim or the victim's representative that a 29289
full board hearing of the parole board may be held and that the 29290
victim or victim's representative may contact the office of 29291
victims' services for further information. If the person being 29292
considered for parole was convicted of or pleaded guilty to a 29293
violation of section 2903.01 or 2903.02 of the Revised Code, an 29294
offense of violence that is a felony of the first, second, or 29295
third degree, or an offense punished by a sentence of life 29296
imprisonment, the notice shall inform the victim of that 29297
offense, the victim's representative, or a member of the 29298
victim's immediate family that the victim, the victim's 29299
representative, and the victim's immediate family have the right 29300
to give testimony at a full board hearing of the parole board 29301
and that the victim or victim's representative may contact the 29302

office of victims' services for further information. 29303

(C) When notice of the pendency of any pardon, commutation 29304
of sentence, or parole has been provided to a judge or 29305
prosecutor or posted on the database as required in division (A) 29306
of this section and a hearing on the pardon, commutation, or 29307
parole is continued to a date certain, the authority shall 29308
provide notice of the further consideration of the pardon, 29309
commutation, or parole at least sixty days before the further 29310
consideration. The notice of the further consideration shall be 29311
provided to the proper judge and prosecuting attorney at least 29312
sixty days before the further consideration, and may be provided 29313
using electronic means, and, if the initial notice was posted on 29314
the database as provided in division (A) of this section, the 29315
notice of the further consideration shall be posted on the 29316
database at least sixty days before the further consideration. 29317
If the prosecuting attorney or a law enforcement agency was 29318
provided a copy of the institutional summary report relative to 29319
the subject person under division (A) of this section, the 29320
authority shall include with the notice of the further 29321
consideration sent to the prosecuting attorney any new 29322
information with respect to the person that relates to 29323
activities and actions of the person that are of a type covered 29324
by the report and shall send to the law enforcement agency a 29325
report that provides notice of the further consideration and 29326
includes any such new information with respect to the person. 29327
When notice of the pendency of any pardon, commutation, or 29328
parole has been given as provided in division (B) of this 29329
section and the hearing on it is continued to a date certain, 29330
the authority shall give notice of the further consideration to 29331
the victim or the victim's representative in accordance with 29332
section 2930.03 of the Revised Code. 29333

(D) In case of an application for the pardon or 29334
commutation of sentence of a person sentenced to capital 29335
punishment, the governor may modify the requirements of 29336
notification and publication if there is not sufficient time for 29337
compliance with the requirements before the date fixed for the 29338
execution of sentence. 29339

(E) If an offender is serving a prison term imposed under 29340
division (A) (3), (B) (1) (a), (b), or (c), (B) (2) (a), (b), or (c), 29341
or (B) (3) (a), (b), (c), or (d) of section 2971.03 of the Revised 29342
Code and if the parole board terminates its control over the 29343
offender's service of that term pursuant to section 2971.04 of 29344
the Revised Code, the parole board immediately shall provide 29345
written notice of its termination of control or the transfer of 29346
control to the entities and persons specified in section 2971.04 29347
of the Revised Code. 29348

(F) The failure of the adult parole authority to comply 29349
with the notice or posting provisions of division (A), (B), or 29350
(C) of this section or the failure of the parole board to comply 29351
with the notice provisions of division (E) of this section do 29352
not give any rights or any grounds for appeal or post-conviction 29353
relief to the person serving the sentence. 29354

(G) Divisions (A), (B), and (C) of this section do not 29355
apply to any release of a person that is of the type described 29356
in division (B) (2) (b) of section 5120.031 of the Revised Code. 29357

(H) If a defendant is incarcerated for the commission of 29358
aggravated murder, murder, or an offense of violence that is a 29359
felony of the first, second, or third degree or is under a 29360
sentence of life imprisonment, except as otherwise provided in 29361
this division, the notice described in division (B) of this 29362
section shall be given to the victim or victim's representative 29363

regardless of whether the victim or victim's representative has 29364
made a request for notification. The notice described in 29365
division (B) of this section shall not be given under this 29366
division to a victim or victim's representative if the victim or 29367
victim's representative has requested pursuant to division (B) 29368
(2) of section 2930.03 of the Revised Code that the victim or 29369
the victim's representative not be provided the notice. The 29370
notice described in division (B) of this section does not have 29371
to be given under this division to a victim or victim's 29372
representative if notice was given to the victim or victim's 29373
representative with respect to at least two prior considerations 29374
of pardon, commutation, or parole of a person and the victim or 29375
victim's representative did not provide any written statement 29376
relative to the victimization and the pending action, did not 29377
attend any hearing conducted relative to the pending action, and 29378
did not otherwise respond to the office with respect to the 29379
pending action. Regardless of whether the victim or victim's 29380
representative has requested that the notice described in 29381
division (B) of this section be provided or not be provided, the 29382
office of victim services or adult parole authority shall give 29383
similar notice to the law enforcement agency that arrested the 29384
defendant if any officer of that agency was a victim of the 29385
offense and to any member of the victim's immediate family who 29386
requests notification. If notice is to be given under this 29387
division, the office or authority may give the notice by any 29388
reasonable means, including regular mail, telephone, and 29389
electronic mail, in accordance with division (D)(1) of section 29390
2930.16 of the Revised Code. If the notice is based on an 29391
offense committed prior to March 22, 2013, the notice to the 29392
victim or victim's representative also shall include the opt-out 29393
information described in division (D)(1) of section 2930.16 of 29394
the Revised Code. The office or authority, in accordance with 29395

division (D) (2) of section 2930.16 of the Revised Code, shall 29396
keep a record of all attempts to provide the notice, and of all 29397
notices provided, under this division. 29398

following periods: 29488

(1) For a felony sex offense, five years; 29489

(2) For a felony of the first degree that is not a felony 29490
sex offense, up to five years, but not less than two years; 29491

(3) For a felony of the second degree that is not a felony 29492
sex offense, up to three years, but not less than eighteen 29493
months; 29494

(4) For a felony of the third degree that is an offense of 29495
violence and is not a felony sex offense, up to three years, but 29496
not less than one year. 29497

(C) Any sentence to a prison term for a felony of the 29498
third, fourth, or fifth degree that is not subject to division 29499
(B) (1) or (4) of this section shall include a requirement that 29500
the offender be subject to a period of post-release control of 29501
up to two years after the offender's release from imprisonment, 29502
if the parole board, in accordance with division (D) of this 29503
section, determines that a period of post-release control is 29504
necessary for that offender. For post-release control to be 29505
imposed, the offender must be committed to the department of 29506
rehabilitation and correction as set forth in section 5120.16 of 29507
the Revised Code. This division applies with respect to all 29508
prison terms of a type described in this division, including a 29509
term of any such type that is a risk reduction sentence. Section 29510
2929.191 of the Revised Code applies if, prior to July 11, 2006, 29511
a court imposed a sentence including a prison term of a type 29512
described in this division and failed to notify the offender 29513
pursuant to division (B) (2) (e) of section 2929.19 of the Revised 29514

Code regarding post-release control or to include in the 29515
judgment of conviction entered on the journal or in the sentence 29516
pursuant to division (D) (2) of section 2929.14 of the Revised 29517
Code a statement regarding post-release control. Pursuant to an 29518
agreement entered into under section 2967.29 of the Revised 29519
Code, a court of common pleas or parole board may impose 29520
sanctions or conditions on an offender who is placed on post- 29521
release control under this division. 29522

(D) (1) Before the prisoner is released from imprisonment, 29523
the parole board or, pursuant to an agreement under section 29524
2967.29 of the Revised Code, the court shall impose on a 29525
prisoner described in division (B) of this section, shall impose 29526
on a prisoner described in division (C) of this section who is 29527
to be released before the expiration of the prisoner's stated 29528
prison term under a risk reduction sentence, may impose on a 29529
prisoner described in division (C) of this section who is not to 29530
be released before the expiration of the prisoner's stated 29531
prison term under a risk reduction sentence, and shall impose on 29532
a prisoner described in division (B) (2) (b) of section 5120.031 29533
or in division (B) (1) of section 5120.032 of the Revised Code, 29534
one or more post-release control sanctions to apply during the 29535
prisoner's period of post-release control. Whenever the board or 29536
court imposes one or more post-release control sanctions on a 29537
prisoner, the board or court, in addition to imposing the 29538
sanctions, also shall include as a condition of the post-release 29539
control that the offender not leave the state without permission 29540
of the court or the offender's parole or probation officer and 29541
that the offender abide by the law. The board or court may 29542
impose any other conditions of release under a post-release 29543
control sanction that the board or court considers appropriate, 29544
and the conditions of release may include any community 29545

residential sanction, community nonresidential sanction, or 29546
financial sanction that the sentencing court was authorized to 29547
impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the 29548
Revised Code. Prior to the release of a prisoner for whom it 29549
will impose one or more post-release control sanctions under 29550
this division, the parole board or court shall review the 29551
prisoner's criminal history, results from the single validated 29552
risk assessment tool, and the record of the prisoner's conduct 29553
while imprisoned. The parole board or court shall consider any 29554
recommendation regarding post-release control sanctions for the 29555
prisoner made by the office of victims' services. After 29556
considering those materials, the board or court shall determine, 29557
for a prisoner described in division (B) of this section, 29558
division (B) (2) (b) of section 5120.031, or division (B) (1) of 29559
section 5120.032 of the Revised Code and for a prisoner 29560
described in division (C) of this section who is to be released 29561
before the expiration of the prisoner's stated prison term under 29562
a risk reduction sentence, which post-release control sanction 29563
or combination of post-release control sanctions is reasonable 29564
under the circumstances or, for a prisoner described in division 29565
(C) of this section who is not to be released before the 29566
expiration of the prisoner's stated prison term under a risk 29567
reduction sentence, whether a post-release control sanction is 29568
necessary and, if so, which post-release control sanction or 29569
combination of post-release control sanctions is reasonable 29570
under the circumstances. In the case of a prisoner convicted of 29571
a felony of the fourth or fifth degree other than a felony sex 29572
offense, the board or court shall presume that monitored time is 29573
the appropriate post-release control sanction unless the board 29574
or court determines that a more restrictive sanction is 29575
warranted. A post-release control sanction imposed under this 29576
division takes effect upon the prisoner's release from 29577

imprisonment. 29578

Regardless of whether the prisoner was sentenced to the 29579
prison term prior to, on, or after July 11, 2006, prior to the 29580
release of a prisoner for whom it will impose one or more post- 29581
release control sanctions under this division, the parole board 29582
shall notify the prisoner that, if the prisoner violates any 29583
sanction so imposed or any condition of post-release control 29584
described in division (B) of section 2967.131 of the Revised 29585
Code that is imposed on the prisoner, the parole board may 29586
impose a prison term of up to one-half of the stated prison term 29587
originally imposed on the prisoner. 29588

At least thirty days before the prisoner is released from 29589
imprisonment under post-release control, except as otherwise 29590
provided in this paragraph, the department of rehabilitation and 29591
correction shall notify the victim and the victim's immediate 29592
family of the date on which the prisoner will be released, the 29593
period for which the prisoner will be under post-release control 29594
supervision, and the terms and conditions of the prisoner's 29595
post-release control regardless of whether the victim or 29596
victim's immediate family has requested the notification. The 29597
notice described in this paragraph shall not be given to a 29598
victim or victim's immediate family if the victim or the 29599
victim's immediate family has requested pursuant to division (B) 29600
(2) of section 2930.03 of the Revised Code that the notice not 29601
be provided to the victim or the victim's immediate family. At 29602
least thirty days before the prisoner is released from 29603
imprisonment and regardless of whether the victim or victim's 29604
immediate family has requested that the notice described in this 29605
paragraph be provided or not be provided to the victim or the 29606
victim's immediate family, the department also shall provide 29607
notice of that nature to the prosecuting attorney in the case 29608

and the law enforcement agency that arrested the prisoner if any 29609
officer of that agency was a victim of the offense. 29610

If the notice given under the preceding paragraph to the 29611
victim or the victim's immediate family is based on an offense 29612
committed prior to March 22, 2013, and if the department of 29613
rehabilitation and correction has not previously successfully 29614
provided any notice to the victim or the victim's immediate 29615
family under division (B), (C), or (D) of section 2930.16 of the 29616
Revised Code with respect to that offense and the offender who 29617
committed it, the notice also shall inform the victim or the 29618
victim's immediate family that the victim or the victim's 29619
immediate family may request that the victim or the victim's 29620
immediate family not be provided any further notices with 29621
respect to that offense and the offender who committed it and 29622
shall describe the procedure for making that request. The 29623
department may give the notices to which the preceding paragraph 29624
applies by any reasonable means, including regular mail, 29625
telephone, and electronic mail. If the department attempts to 29626
provide notice to any specified person under the preceding 29627
paragraph but the attempt is unsuccessful because the department 29628
is unable to locate the specified person, is unable to provide 29629
the notice by its chosen method because it cannot determine the 29630
mailing address, electronic mail address, or telephone number at 29631
which to provide the notice, or, if the notice is sent by mail, 29632
the notice is returned, the department shall make another 29633
attempt to provide the notice to the specified person. If the 29634
second attempt is unsuccessful, the department shall make at 29635
least one more attempt to provide the notice. If the notice is 29636
based on an offense committed prior to March 22, 2013, in each 29637
attempt to provide the notice to the victim or victim's 29638
immediate family, the notice shall include the opt-out 29639

information described in this paragraph. The department, in the manner described in division (D) (2) of section 2930.16 of the Revised Code, shall keep a record of all attempts to provide the notice, and of all notices provided, under this paragraph and the preceding paragraph. The record shall be considered as if it was kept under division (D) (2) of section 2930.16 of the Revised Code. This paragraph, the preceding paragraph, and the notice-related provisions of divisions (E) (2) and (K) of section 2929.20, division (D) (1) of section 2930.16, division (H) of section 2967.12, division (E) (1) (b) of section 2967.19 as it existed prior to ~~the effective date of this amendment~~ April 4, 2023, division (A) (3) (b) of section 2967.26, and division (A) (2) of section 5149.101 of the Revised Code enacted in the act in which this paragraph and the preceding paragraph were enacted, shall be known as "Roberta's Law."

(2) If a prisoner who is placed on post-release control under this section is released before the expiration of the definite term that is the prisoner's stated prison term or the expiration of the minimum term that is part of the prisoner's indefinite prison term imposed under a non-life felony indefinite prison term by reason of credit earned under section 2967.193 or 2967.194 or a reduction under division (F) of section 2967.271 of the Revised Code and if the prisoner earned sixty or more days of credit, the adult parole authority may supervise the offender with an active global positioning system device for the first fourteen days after the offender's release from imprisonment. This division does not prohibit or limit the imposition of any post-release control sanction otherwise authorized by this section.

(3) After a prisoner is released from imprisonment and during the period of post-release control applicable to the

releasee, the adult parole authority or, pursuant to an 29671
agreement under section 2967.29 of the Revised Code, the court 29672
may review the releasee's behavior under the post-release 29673
control sanctions imposed upon the releasee under this section. 29674
The authority or court may determine, based upon the review and 29675
in accordance with the standards established under division (E) 29676
of this section, that the releasee has satisfactorily complied 29677
with the sanctions imposed, and if such a determination is made, 29678
the authority may recommend a less restrictive sanction, reduce 29679
the period of post-release control, or, no sooner than the 29680
minimum period of time required under section 2967.16 of the 29681
Revised Code, recommend that the parole board or court terminate 29682
the duration of the period of post-release control. In no case 29683
shall the board or court reduce the duration of the period of 29684
control imposed for a felony sex offense described in division 29685
(B) (1) of this section. 29686

(4) The department of rehabilitation and correction shall 29687
develop factors that the parole board or court shall consider in 29688
determining under division (D) (3) of this section whether to 29689
terminate the period of control imposed on a releasee. 29690

(E) The department of rehabilitation and correction, in 29691
accordance with Chapter 119. of the Revised Code, shall adopt 29692
rules that do all of the following: 29693

(1) Establish standards for the imposition by the parole 29694
board of post-release control sanctions under this section that 29695
are consistent with the overriding purposes and sentencing 29696
principles set forth in section 2929.11 of the Revised Code and 29697
that are appropriate to the needs of releasees; 29698

(2) Establish standards that provide for a period of post- 29699
release control of up to two years for all prisoners described 29700

in division (C) of this section who are to be released before 29701
the expiration of their stated prison term under a risk 29702
reduction sentence and standards by which the parole board can 29703
determine which prisoners described in division (C) of this 29704
section who are not to be released before the expiration of 29705
their stated prison term under a risk reduction sentence should 29706
be placed under a period of post-release control; 29707

(3) Establish standards to be used by the parole board in 29708
reducing or terminating the duration of the period of post- 29709
release control imposed by the court when authorized under 29710
division (D) of this section, in imposing a more restrictive 29711
post-release control sanction than monitored time on a prisoner 29712
convicted of a felony of the fourth or fifth degree other than a 29713
felony sex offense, or in imposing a less restrictive control 29714
sanction on a releasee based on results from the single 29715
validated risk assessment tool and on the releasee's activities 29716
including, but not limited to, remaining free from criminal 29717
activity and from the abuse of alcohol or other drugs, 29718
successfully participating in approved rehabilitation programs, 29719
maintaining employment, and paying restitution to the victim or 29720
meeting the terms of other financial sanctions; 29721

(4) Establish standards to be used by the adult parole 29722
authority in modifying a releasee's post-release control 29723
sanctions pursuant to division (D)(2) of this section; 29724

(5) Establish standards to be used by the adult parole 29725
authority or parole board in imposing further sanctions under 29726
division (F) of this section on releasees who violate post- 29727
release control sanctions, including standards that do the 29728
following: 29729

(a) Classify violations according to the degree of 29730

seriousness;	29731
(b) Define the circumstances under which formal action by the parole board is warranted;	29732 29733
(c) Govern the use of evidence at violation hearings;	29734
(d) Ensure procedural due process to an alleged violator;	29735
(e) Prescribe nonresidential community control sanctions for most misdemeanor and technical violations;	29736 29737
(f) Provide procedures for the return of a releasee to imprisonment for violations of post-release control.	29738 29739
(F) (1) Whenever the parole board imposes one or more post- release control sanctions on an offender under this section, the offender upon release from imprisonment shall be under the general jurisdiction of the adult parole authority and generally shall be supervised by the field services section through its staff of parole and field officers as described in section 5149.04 of the Revised Code, as if the offender had been placed on parole. If the offender upon release from imprisonment violates the post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code that are imposed on the offender, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation directly to the adult parole authority or to the officer of the authority who supervises the offender. The authority's officers may treat the offender as if the offender were on parole and in violation of the parole, and otherwise shall comply with this section.	29740 29741 29742 29743 29744 29745 29746 29747 29748 29749 29750 29751 29752 29753 29754 29755 29756 29757
(2) If the adult parole authority or, pursuant to an agreement under section 2967.29 of the Revised Code, the court	29758 29759

determines that a releasee has violated a post-release control 29760
sanction or any conditions described in division (A) of section 29761
2967.131 of the Revised Code imposed on the releasee and that a 29762
more restrictive sanction is appropriate, the authority or court 29763
may impose a more restrictive sanction on the releasee, in 29764
accordance with the standards established under division (E) of 29765
this section or in accordance with the agreement made under 29766
section 2967.29 of the Revised Code, or may report the violation 29767
to the parole board for a hearing pursuant to division (F) (3) of 29768
this section. The authority or court may not, pursuant to this 29769
division, increase the duration of the releasee's post-release 29770
control or impose as a post-release control sanction a 29771
residential sanction that includes a prison term, but the 29772
authority or court may impose on the releasee any other 29773
residential sanction, nonresidential sanction, or financial 29774
sanction that the sentencing court was authorized to impose 29775
pursuant to sections 2929.16, 2929.17, and 2929.18 of the 29776
Revised Code. 29777

(3) The parole board or, pursuant to an agreement under 29778
section 2967.29 of the Revised Code, the court may hold a 29779
hearing on any alleged violation by a releasee of a post-release 29780
control sanction or any conditions described in division (A) of 29781
section 2967.131 of the Revised Code that are imposed upon the 29782
releasee. Except as otherwise provided in this division, if 29783
after the hearing the board or court finds that the releasee 29784
violated the sanction or condition, the board or court may 29785
increase the duration of the releasee's post-release control up 29786
to the maximum duration authorized by division (B) or (C) of 29787
this section or impose a more restrictive post-release control 29788
sanction. If a releasee was acting pursuant to division (B) (2) 29789
(b) of section 2925.11 or a related provision of section 29790

2925.12, 2925.14, or 2925.141 of the Revised Code and in so 29791
doing violated the conditions of a post-release control sanction 29792
based on a minor drug possession offense, as defined in that 29793
section, or violated section 2925.12, division (C) (1) of section 29794
2925.14, or section 2925.141 of the Revised Code, the board or 29795
the court shall not impose any of the penalties described in 29796
this division based on the violation. When appropriate, the 29797
board or court may impose as a post-release control sanction a 29798
residential sanction that includes a prison term. The board or 29799
court shall consider a prison term as a post-release control 29800
sanction imposed for a violation of post-release control when 29801
the violation involves a deadly weapon or dangerous ordnance, 29802
physical harm or attempted serious physical harm to a person, or 29803
sexual misconduct. Unless a releasee's stated prison term was 29804
reduced pursuant to section 5120.032 of the Revised Code, the 29805
period of a prison term that is imposed as a post-release 29806
control sanction under this division shall not exceed nine 29807
months, and the maximum cumulative prison term for all 29808
violations under this division shall not exceed one-half of the 29809
definite prison term that was the stated prison term originally 29810
imposed on the offender as part of this sentence or, with 29811
respect to a stated non-life felony indefinite prison term, one- 29812
half of the minimum prison term that was imposed as part of that 29813
stated prison term originally imposed on the offender. If a 29814
releasee's stated prison term was reduced pursuant to section 29815
5120.032 of the Revised Code, the period of a prison term that 29816
is imposed as a post-release control sanction under this 29817
division and the maximum cumulative prison term for all 29818
violations under this division shall not exceed the period of 29819
time not served in prison under the sentence imposed by the 29820
court. The period of a prison term that is imposed as a post- 29821
release control sanction under this division shall not count as, 29822

or be credited toward, the remaining period of post-release control. If, during the period of the releasee's post-release control, the releasee serves as a post-release control sanction the maximum prison time available as a sanction, the post-release control shall terminate.

If an offender is imprisoned for a felony committed while under post-release control supervision and is again released on post-release control for a period of time, the maximum cumulative prison term for all violations under this division shall not exceed one-half of the total stated prison terms of the earlier felony, reduced by any prison term administratively imposed by the parole board or court, plus one-half of the total stated prison term of the new felony.

(G) (1) If an offender is simultaneously subject to a period of parole under an indefinite or life sentence and a period of post-release control, or is simultaneously subject to two periods of post-release control, the period of supervision that expires last shall determine the length and form of supervision for all the periods and the related sentences.

(2) An offender shall receive credit for post-release control supervision during the period of parole, and shall not be eligible for final release under section 2967.16 of the Revised Code until the post-release control period otherwise would have ended.

(3) If the period of parole ends prior to the end of the period of post-release control, the requirements of parole supervision shall be satisfied during the post-release control period.

(H) (1) A period of post-release control shall not be

imposed consecutively to any other post-release control period. 29852

(2) The period of post-release control for a releasee who 29853
commits a felony while under post-release control for an earlier 29854
felony shall be the longer of the period of post-release control 29855
specified for the new felony under division (B) or (C) of this 29856
section or the time remaining under the period of post-release 29857
control imposed for the earlier felony as determined by the 29858
parole board or court. 29859

Sec. 2969.13. All moneys that are collected pursuant to 29860
section 2929.32 of the Revised Code and required to be deposited 29861
in the crime victims recovery fund shall be credited ~~by the~~ 29862
~~treasurer of state~~ to the fund. Any interest earned on the money 29863
in the fund shall be credited to the fund. 29864

Sec. 3101.08. An ordained or licensed minister of any 29865
religious society or congregation within this state who is 29866
licensed to solemnize marriages, the governor or a former 29867
governor of this state, a judge of a county court in accordance 29868
with section 1907.18 of the Revised Code, a judge of a municipal 29869
court in accordance with section 1901.14 of the Revised Code, a 29870
probate judge in accordance with section 2101.27 of the Revised 29871
Code, the mayor of a municipal corporation anywhere within this 29872
state, the superintendent of Ohio deaf and blind education 29873

of its church, may join together as husband and wife any persons 29875
who are not prohibited by law from being joined in marriage. 29876

(2) Following any administration of the assessments 31510
prescribed by division (D) of section 3301.0710 of the Revised 31511
Code to ninth grade students, each school district that has a 31512

Code and division (N) of this section, no school district board 31538
of education shall utilize any student's failure to attain a 31539
specified score on an assessment administered under this section 31540
as a factor in any decision to deny the student promotion to a 31541
higher grade level. However, a district board may choose not to 31542
promote to the next grade level any student who does not take an 31543
assessment administered under this section or make up an 31544
assessment as provided by division (C) (2) of this section and 31545
who is not exempt from the requirement to take the assessment 31546
under division (C) (3) of this section. 31547

or end-of-course examination in the area of English language arts, except for the third-grade English language arts assessment, the results may be sent after forty-five days of the administration of the writing component, but in no case shall the scores be returned later than the thirtieth day of June following the administration.

(3) For assessments administered under this section by a joint vocational school district, the department or entity shall also send to each city, local, or exempted village school district a list of the individual scores of any students of such city, local, or exempted village school district who are attending school in the joint vocational school district.

(2) In accordance with rules that the department shall 31651
adopt, the board of education of any city, exempted village, or 31652
local school district with territory in a cooperative education 31653
school district established pursuant to section 3311.521 of the 31654
Revised Code shall enter into an agreement with the cooperative 31655
district that provides for the administration of any assessment 31656
prescribed under this section to both of the following: 31657

(a) Students who are attending school in the cooperative 31658
district and who, if the cooperative district were not 31659
established, would be entitled to attend school in the city, 31660
local, or exempted village school district pursuant to section 31661
3313.64 or 3313.65 of the Revised Code; 31662

(b) Persons described in division (B) (8) (b) of this 31663
section. 31664

Any assessment of students pursuant to such an agreement 31665
shall be in lieu of any assessment of such students or persons 31666
pursuant to this section. 31667

(K) (1) (a) Except as otherwise provided in division (K) (1) 31668
or (2) of this section, each chartered nonpublic school for 31669
which at least sixty-five per cent of its total enrollment is 31670
made up of students who are participating in state scholarship 31671
programs shall administer the assessments prescribed by division 31672
(A) of section 3301.0710 of the Revised Code or an alternative 31673
standardized assessment determined by the department. In 31674
accordance with procedures and deadlines prescribed by the 31675
department, the parent or guardian of a student enrolled in the 31676
school who is not participating in a state scholarship program 31677
may submit notice to the chief administrative officer of the 31678

school that the parent or guardian does not wish to have the student take the assessments prescribed for the student's grade level under division (A) of section 3301.0710 of the Revised Code. If a parent or guardian submits an opt-out notice, the school shall not administer the assessments to that student. This option does not apply to any assessment required for a high school diploma under section 3313.612 of the Revised Code.

(b) Any chartered nonpublic school that enrolls students who are participating in state scholarship programs may administer an alternative standardized assessment determined by the department instead of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

Each chartered nonpublic school subject to division (K) (1) (a) or (b) of this section shall report the results of each assessment administered under those divisions to the department.

(2) A chartered nonpublic school may submit to the director of education and workforce a request for a waiver from administering the elementary assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The director shall approve or disapprove a request for a waiver submitted under division (K) (2) of this section.

To be eligible to submit a request for a waiver, a chartered nonpublic school shall meet the following conditions:

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychiatrist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a

condition that impairs academic performance, such as dyslexia, 31708
dyscalculia, attention deficit hyperactivity disorder, or 31709
Asperger's syndrome. 31710

(b) The school has solely served a student population 31711
described in division (K) (1) (a) of this section for at least ten 31712
years. 31713

(c) The school provides to the department at least five 31714
years of records of internal testing conducted by the school 31715
that affords the department data required for accountability 31716
purposes, including diagnostic assessments and nationally 31717
standardized norm-referenced achievement assessments that 31718
measure reading and math skills. 31719

(3) Any chartered nonpublic school that is not subject to 31720
division (K) (1) of this section may participate in the 31721
assessment program by administering any of the assessments 31722
prescribed by division (A) of section 3301.0710 of the Revised 31723
Code. The chief administrator of the school shall specify which 31724
assessments the school will administer. Such specification shall 31725
be made in writing to the director prior to the first day of 31726
August of any school year in which assessments are administered 31727
and shall include a pledge that the nonpublic school will 31728
administer the specified assessments in the same manner as 31729
public schools are required to do under this section and rules 31730
adopted by the department. 31731

(4) The department shall furnish the assessments 31732
prescribed by section 3301.0710 of the Revised Code to each 31733
chartered nonpublic school that is subject to division (K) (1) of 31734
this section or participates under division (K) (3) of this 31735
section. 31736

(L) If a chartered nonpublic school is educating students 31737
in grades nine through twelve, the following shall apply: 31738

(1) Except as provided in division (L) (4) of this section, 31739
for a student who is enrolled in a chartered nonpublic school 31740
that is accredited through the independent schools association 31741
of the central states and who is attending the school under a 31742
state scholarship program, the student shall either take all of 31743
the assessments prescribed by division (B) of section 3301.0712 31744
of the Revised Code or take an alternative assessment approved 31745
by the department under section 3313.619 of the Revised Code. 31746
However, a student who is excused from taking an assessment 31747
under division (C) of this section or has presented evidence to 31748
the chartered nonpublic school of having satisfied the condition 31749
prescribed by division (A) (1) of section 3313.618 of the Revised 31750
Code to qualify for a high school diploma prior to the date of 31751
the administration of the assessment prescribed under division 31752
(B) (1) of section 3301.0712 of the Revised Code shall not be 31753
required to take that assessment. No governing authority of a 31754
chartered nonpublic school shall prohibit a student who is not 31755
required to take such assessment from taking the assessment. 31756

(2) For a student who is enrolled in a chartered nonpublic 31757
school that is accredited through the independent schools 31758
association of the central states, and who is not attending the 31759
school under a state scholarship program, the student shall not 31760
be required to take any assessment prescribed under section 31761
3301.0712 or 3313.619 of the Revised Code. 31762

(3) (a) Except as provided in divisions (L) (3) (b) and (4) 31763
of this section, for a student who is enrolled in a chartered 31764
nonpublic school that is not accredited through the independent 31765
schools association of the central states, regardless of whether 31766

the student is attending or is not attending the school under a 31767
state scholarship program, the student shall do one of the 31768
following: 31769

(i) Take all of the assessments prescribed by division (B) 31770
of section 3301.0712 of the Revised Code; 31771

(ii) Take only the assessment prescribed by division (B) 31772
(1) of section 3301.0712 of the Revised Code, provided that the 31773
student's school publishes the results of that assessment for 31774
each graduating class. The published results of that assessment 31775
shall include the overall composite scores, mean scores, twenty- 31776
fifth percentile scores, and seventy-fifth percentile scores for 31777
each subject area of the assessment. 31778

(iii) Take an alternative assessment approved by the 31779
department under section 3313.619 of the Revised Code. 31780

(b) A student who is excused from taking an assessment 31781
under division (C) of this section or has presented evidence to 31782
the chartered nonpublic school of having satisfied the condition 31783
prescribed by division (A) (1) of section 3313.618 of the Revised 31784
Code to qualify for a high school diploma prior to the date of 31785
the administration of the assessment prescribed under division 31786
(B) (1) of section 3301.0712 of the Revised Code shall not be 31787
required to take that assessment. No governing authority of a 31788
chartered nonpublic school shall prohibit a student who is not 31789
required to take such assessment from taking the assessment. 31790

(4) The assessments prescribed by sections 3301.0712 and 31791
3313.619 of the Revised Code shall not be administered to any 31792
student attending the school, if the school meets all of the 31793
following conditions: 31794

(a) At least ninety-five per cent of the students enrolled 31795

in the school are children with disabilities, as defined under 31796
section 3323.01 of the Revised Code, or have received a 31797
diagnosis by a school district or from a physician, including a 31798
neuropsychologist or psychiatrist, or a psychologist who is 31799
authorized to practice in this or another state as having a 31800
condition that impairs academic performance, such as dyslexia, 31801
dyscalculia, attention deficit hyperactivity disorder, or 31802
Asperger's syndrome. 31803

(b) The school has solely served a student population 31804
described in division (L) (4) (a) of this section for at least ten 31805
years. 31806

(c) The school makes available to the department at least 31807
five years of records of internal testing conducted by the 31808
school that affords the department data required for 31809
accountability purposes, including growth in student achievement 31810
in reading or mathematics, or both, as measured by nationally 31811
norm-referenced assessments that have developed appropriate 31812
standards for students. 31813

Division (L) (4) of this section applies to any student 31814
attending such school regardless of whether the student receives 31815
special education or related services and regardless of whether 31816
the student is attending the school under a state scholarship 31817
program. 31818

(M) (1) The superintendent of Ohio deaf and blind education 31819
services shall administer the assessments described by sections 31820
3301.0710 and 3301.0712 of the Revised Code for the state school 31821
for the blind and the state school for the deaf. The 31822
superintendent of Ohio deaf and blind education services shall 31823
administer the assessments in the same manner as district boards 31824
are required to do under this section and rules adopted by the 31825

department and in conformity with division (C) (1) (a) of this section. 31826
31827

(2) The department shall furnish the assessments described by sections 3301.0710 and 3301.0712 of the Revised Code to the superintendent of Ohio deaf and blind education services. 31828
31829
31830

(N) Notwithstanding division (E) of this section, a school district may use a student's failure to attain a score in at least the proficient range on the mathematics assessment described by division (A) (1) (a) of section 3301.0710 of the Revised Code or on an assessment described by division (A) (1) (b), (c), (d), (e), or (f) of section 3301.0710 of the Revised Code as a factor in retaining that student in the current grade level. 31831

(O) (1) In the manner specified in divisions (O) (3) ~~and~~ (4) ~~, (6), and (7)~~ of this section, the assessments required by division (A) (1) of section 3301.0710 of the Revised Code shall become public records pursuant to section 149.43 of the Revised Code on the thirty-first day of July following the school year that the assessments were administered. 31839
31840
31841
31842
31843
31844

(2) The department may field test proposed questions with samples of students to determine the validity, reliability, or appropriateness of questions for possible inclusion in a future year's assessment. The department also may use anchor questions on assessments to ensure that different versions of the same assessment are of comparable difficulty. 31845
31846
31847
31848
31849
31850

Field test questions and anchor questions shall not be considered in computing scores for individual students. Field test questions and anchor questions may be included as part of the administration of any assessment required by division (A) (1) 31851

a public record. Such field test questions and anchor questions 31859
shall be redacted from any assessments which are released as a 31860
public record pursuant to division (O) (1) of this section. 31861

~~(4) This division applies to the assessments prescribed by 31862
division (A) of section 3301.0710 of the Revised Code. 31863~~

~~(a) The first administration of each assessment, as 31864
specified in former section 3301.0712 of the Revised Code, shall 31865

prior to the 2011-2012 school year, not less than forty per cent 31868
of the questions on the assessment that are used to compute a 31869
student's score shall be a public record. The department shall 31870
determine which questions will be needed for reuse on a future 31871
assessment and those questions shall not be public records and 31872
shall be redacted from the assessment prior to its release as a 31873
public record. However, for each redacted question, the 31874
department shall inform each city, local, and exempted village 31875
school district of the statewide academic standard adopted under 31876
section 3301.079 of the Revised Code and the corresponding 31877
benchmark to which the question relates. The preceding sentence 31878

31889
31890
31891
31892
31893

~~(i) Forty per cent of the questions and preferred answers on the assessments on the thirty-first day of July following the administration of the assessment;~~ 31894
31895

~~(7)~~ Division ~~(O)~~~~(7)~~(O) (4) of this section applies to the 31913
assessments prescribed by division (A) of section 3301.0710 and 31914
division (B) (2) of section 3301.0712 of the Revised Code. 31915

Beginning with the assessments administered in the spring 31916
of the ~~2017-2018~~2025-2026 school year, not less than ~~forty~~ 31917
twenty per cent of the questions on each assessment that are 31918

Code and the corresponding benchmark to which the question 31927
relates. The department is not required to provide corresponding 31928
standards and benchmarks to field test questions that are 31929
redacted under division (O) (3) of this section. 31930

(P) As used in this section: 31931

(1) "Three-year average" means the average of the most 31932
recent consecutive three school years of data. 31933

(2) "Dropout" means a student who withdraws from school 31934
before completing course requirements for graduation and who is 31935
not enrolled in an education program approved by the department 31936
or an education program outside the state. "Dropout" does not 31937
include a student who has departed the country. 31938

(3) "Graduation rate" means the ratio of students 31939
receiving a diploma to the number of students who entered ninth 31940
grade four years earlier. Students who transfer into the 31941

district are added to the calculation. Students who transfer out 31942
of the district for reasons other than dropout are subtracted 31943
from the calculation. If a student who was a dropout in any 31944
previous year returns to the same school district, that student 31945
shall be entered into the calculation as if the student had 31946
entered ninth grade four years before the graduation year of the 31947
graduating class that the student joins. 31948

(4) "State scholarship programs" means the educational 31949
choice scholarship pilot program established under sections 31950
3310.01 to 3310.17 of the Revised Code, the autism scholarship 31951
program established under section 3310.41 of the Revised Code, 31952
the Jon Peterson special needs scholarship program established 31953
under sections 3310.51 to 3310.64 of the Revised Code, and the 31954
pilot project scholarship program established under sections 31955
3313.974 to 3313.979 of the Revised Code. 31956

(5) "Other public school" means a community school 31957
established under Chapter 3314., a STEM school established under 31958
Chapter 3326., or a college-preparatory boarding school 31959
established under Chapter 3328. of the Revised Code. 31960

(6) "English learner" has the same meaning as in section 31961
3301.0731 of the Revised Code. 31962

Sec. 3301.0712. (A) The department of education and 31963
workforce and the chancellor of higher education shall develop a 31964
system of college and work ready assessments as described in 31965
division (B) of this section to assess whether each student upon 31966
graduating from high school is ready to enter college or the 31967
workforce. Beginning with students who enter the ninth grade for 31968
the first time on or after July 1, 2014, the system shall 31969
replace the Ohio graduation tests prescribed in division (B)(1) 31970
of section 3301.0710 of the Revised Code as a measure of student 31971

academic performance and one determinant of eligibility for a high school diploma in the manner prescribed by rule adopted under division (D) of this section.

(B) The college and work ready assessment system shall consist of the following:

(1) (a) Except as provided in division (B) (1) (b) of this section, nationally standardized assessments that measure college and career readiness and are used for college admission. The assessments shall be selected jointly by the department and the chancellor, and one of which shall be selected by each school district or school to administer to its students. The assessments prescribed under division (B) (1) of this section shall be administered to all eleventh-grade students in the spring of the school year.

(b) Beginning with students who enter the ninth grade for the first time on or after July 1, 2022, the parent or guardian of a student may elect not to have a nationally standardized assessment administered to that student. In that event, the student's school district or school shall not administer the nationally standardized assessment to that student.

(2) (a) Except as provided in division (B) (2) (b) of this section, seven end-of-course examinations, one in each of the areas of English language arts I, English language arts II, science, Algebra I, geometry, American history, and American government. The end-of-course examinations shall be selected jointly by the department and the chancellor in consultation with faculty in the appropriate subject areas at institutions of higher education of the university system of Ohio. Advanced placement examinations and international baccalaureate examinations, as prescribed under section 3313.6013 of the

Revised Code, in the areas of science, American history, and 32002
American government may be used as end-of-course examinations in 32003
accordance with division (B) (4) (a) (i) of this section. Final 32004
course grades for courses taken under any other advanced 32005
standing program, as prescribed under section 3313.6013 of the 32006
Revised Code, in the areas of science, American history, and 32007
American government may be used in lieu of end-of-course 32008
examinations in accordance with division (B) (4) (a) (ii) of this 32009
section. 32010

(b) Beginning with students who enter ninth grade for the 32011
first time on or after July 1, 2019, five end-of-course 32012
examinations, one in each areas of English language arts II, 32013
science, Algebra I, American history, and American government. 32014
However, only the end-of-course examinations in English language 32015
arts II and Algebra I shall be required for graduation. 32016

The department shall, as necessary to implement division 32017
(B) (2) (b) of this section, seek a waiver from the United States 32018
secretary of education for testing requirements prescribed under 32019
federal law to allow for the use and implementation of Algebra I 32020
as the primary assessment of high school mathematics. If the 32021
department does not receive a waiver under this division, the 32022
end-of-course examinations for students described in division 32023
(B) (2) (b) of this section also shall include an end-of-course 32024
examination in the area of geometry. However, the geometry end- 32025
of-course examination shall not be required for graduation. 32026

(3) The end-of-course examinations in American history and 32027
American government shall require demonstration of mastery of 32028
the American history and American government content for social 32029
studies standards adopted under division (A) (1) (b) of section 32030
3301.079 of the Revised Code and the topics required under 32031

division (M) of section 3313.603 of the Revised Code. 32032

At least twenty per cent of the end-of-course examination 32033
in American government shall address the topics on American 32034
history and American government described in division (M) of 32035
section 3313.603 of the Revised Code. 32036

(4) (a) Notwithstanding anything to the contrary in this 32037
section, both of the following shall apply: 32038

(i) If a student is enrolled in an appropriate advanced 32039
placement or international baccalaureate course, that student 32040
shall take the advanced placement or international baccalaureate 32041
examination in lieu of the science, American history, or 32042
American government end-of-course examinations prescribed under 32043
division (B) (2) of this section. The department shall specify 32044
the score levels for each advanced placement examination and 32045
international baccalaureate examination for purposes of 32046
calculating the minimum cumulative performance score that 32047
demonstrates the level of academic achievement necessary to earn 32048
a high school diploma. 32049

(ii) If a student is enrolled in an appropriate course 32050
under any other advanced standing program, as described in 32051
section 3313.6013 of the Revised Code, that student shall not be 32052
required to take the science, American history, or American 32053
government end-of-course examination, whichever is applicable, 32054
prescribed under division (B) (2) of this section. Instead, that 32055
student's final course grade shall be used in lieu of the 32056
applicable end-of-course examination prescribed under that 32057
section. The department, in consultation with the chancellor, 32058
shall adopt guidelines for purposes of calculating the 32059
corresponding final course grades that demonstrate the level of 32060
academic achievement necessary to earn a high school diploma. 32061

Division (B) (4) (a) (ii) of this section shall apply only to 32062
courses for which students receive transcribed credit, as 32063
defined in section 3365.01 of the Revised Code. It shall not 32064
apply to remedial or developmental courses. 32065

(b) No student shall take a substitute examination or 32066
examination prescribed under division (B) (4) (a) of this section 32067
in place of the end-of-course examinations in English language 32068
