of this notification, the licensing agency shall immediately 96583  
suspend the licensee's license. 96584

(C) If there is a conviction of, plea of guilty to, 96585  
judicial finding of guilt of, or judicial finding of guilt 96586

the prosecutor in the case shall promptly notify the licensing 96591

agency shall give written notice to the subject of the 96601

of the Revised Code. After a hearing is held, the licensing 96603  
agency shall either revoke or permanently revoke the license of 96604  
the subject of the suspension, unless it determines that the 96605  
license holder has not been convicted of, pleaded guilty to, 96606  
been found guilty of, or been found guilty based on a plea of no 96607  
contest to the offense of trafficking in persons in violation of 96608

**Sec. 4785.041.** (A) The division of industrial compliance 96610  
within the department of commerce may renew a license issued 96611  
under section 4785.04 of the Revised Code if the licensee does 96612

division; 96617

(3) If the licensee is an elevator mechanic, submits 96618  
evidence that the applicant has completed the continuing 96619  
education coursework described in division (B) of this section; 96620

(4) If the license is an elevator contractor's license, 96621  
submits proof that the applicant is in compliance with the 96622  
insurance requirements prescribed in section 4785.07 of the 96623  
Revised Code. 96624

(B) The continuing education courses described in division 96625

(1) Instruct licensees on new and existing rules and 96627  
standards adopted by the division; 96628

(3) Be attended and completed within one year immediately 96630

requirement prescribed in division (A) (3) of this section, 96636  
provided that any such applicant was qualified as an instructor 96637  
at any time during the year immediately preceding the scheduled 96638  
date for the license renewal. 96639

(D) (1) A licensee who is unable to complete the continuing education coursework required under this section before the expiration of the licensee's license due to a temporary disability may apply for a temporary continuing education waiver from the division.

(2) An application for a temporary continuing education waiver shall be made in a form prescribed by the division, which shall be signed by the applicant ~~under the penalty of perjury~~ and accompanied by a ~~certified~~ statement from a competent physician attesting to the temporary disability. If the division grants the waiver, the licensee's license does not expire but is placed on inactive status.

(3) On the termination of the temporary disability, the licensee shall submit to the division a ~~certified~~ statement from the same physician, if practicable, attesting to the termination of the temporary disability. The division shall then take the licensee's license off inactive status and shall issue a waiver sticker, valid for ninety days, to the licensee and affix the sticker to the license. The licensee may then perform the tasks the license authorizes the licensee to perform but the licensee shall meet the continuing education requirement during this ninety-day period or be considered to have not met the continuing education requirement and the license shall be deemed to be expired.

(E) (1) Approved continuing education providers shall keep uniform records, for a period of ten years, of attendance of licensees in a format approved by the division. Such records shall be available for inspection by the division on request.

(2) Approved training providers are responsible for the security of all attendance records and certificates of

completion, provided, however, that falsifying or knowingly 96670  
allowing another to falsify such attendance records or 96671  
certificates of completion constitutes grounds for suspension or 96672  
revocation of a continuing education provider's division 96673  
approval. 96674

(F) The division shall not renew the license of an 96675  
individual or entity if the individual or entity would be denied 96676  
an initial license for a reason listed in division (E) of 96677  
section 4785.04 of the Revised Code. 96678

**Sec. 4903.10.** After any order has been made by the public 96679  
utilities commission, any party who has entered an appearance in 96680  
person or by counsel in the proceeding may apply for a rehearing 96681  
in respect to any matters determined in the proceeding. Such 96682  
application shall be filed within thirty days after the entry of 96683  
the order upon the journal of the commission. 96684

Notwithstanding the preceding paragraph, in any 96685  
uncontested proceeding or, by leave of the commission first had 96686  
in any other proceeding, any affected person, firm, or 96687  
corporation may make an application for a rehearing within 96688  
thirty days after the entry of any final order upon the journal 96689  
of the commission. Leave to file an application for rehearing 96690  
shall not be granted to any person, firm, or corporation who did 96691  
not enter an appearance in the proceeding unless the commission 96692  
first finds: 96693

(A) The applicant's failure to enter an appearance prior 96694  
to the entry upon the journal of the commission of the order 96695  
complained of was due to just cause; and, 96696

(B) The interests of the applicant were not adequately 96697  
considered in the proceeding. 96698

Every applicant for rehearing or for leave to file an application for rehearing shall give due notice of the filing of such application to all parties who have entered an appearance in the proceeding in the manner and form prescribed by the commission.

Such application shall be in writing and shall set forth specifically the ground or grounds on which the applicant considers the order to be unreasonable or unlawful. No party shall in any court urge or rely on any ground for reversal, vacation, or modification not so set forth in the application.

Where such application for rehearing has been filed before the effective date of the order as to which a rehearing is sought, the effective date of such order, unless otherwise ordered by the commission, shall be postponed or stayed pending disposition of the matter by the commission or by operation of law. In all other cases the making of such an application shall not excuse any person from complying with the order, or operate to stay or postpone the enforcement thereof, without a special order of the commission.

Where such application for rehearing has been filed, the commission may grant and hold such rehearing on the matter specified in such application, if in its judgment sufficient reason therefor is made to appear. Notice of such rehearing shall be given by regular mail to all parties who have entered an appearance in the proceeding.

If the commission does not grant or deny such application for rehearing within thirty days from the date of filing thereof, it is denied by operation of law.

If the commission grants such rehearing, it shall specify

in the notice of such granting the purpose for which it is 96728  
granted. The commission shall also specify the scope of the 96729  
additional evidence, if any, that will be taken, but it shall 96730  
not upon such rehearing take any evidence that, with reasonable 96731  
diligence, could have been offered upon the original hearing. 96732

If, after such rehearing, the commission is of the opinion 96733  
that the original order or any part thereof is in any respect 96734  
unjust or unwarranted, or should be changed, the commission may 96735  
abrogate or modify the same; otherwise such order shall be 96736  
affirmed. An order made after such rehearing, abrogating or 96737  
modifying the original order, shall have the same effect as an 96738  
original order, but shall not affect any right or the 96739  
enforcement of any right arising from or by virtue of the 96740  
original order prior to the receipt of notice by the affected 96741  
party of the filing of the application for rehearing. 96742

If the commission does not affirm, abrogate, or modify the 96743  
original order within ninety days from the date granting such 96744  
rehearing, the order is affirmed by operation of law. 96745

No cause of action arising out of any order of the 96746  
commission, other than in support of the order, shall accrue in 96747  
any court to any person, firm, or corporation unless such 96748  
person, firm, or corporation has made a proper application to 96749  
the commission for a rehearing. 96750

**Sec. 4911.18.** (A) For the sole purpose of maintaining and 96751  
administering the office of the consumers' counsel and 96752  
exercising the powers of the consumers' counsel under this 96753  
chapter, an amount equal to the appropriation to the office of 96754  
the consumers' counsel in each fiscal year shall be apportioned 96755  
among and assessed against each public utility within this 96756  
state, as defined in section 4911.01 of the Revised Code, by 96757

first computing an assessment as though it were to be made in 96758  
proportion to the intrastate gross earnings or receipts of the 96759  
public utility for the calendar year next preceding that in 96760  
which the assessment is made, excluding earnings or receipts 96761  
from sales to other public utilities for resale. The office may 96762  
include in that first computation any amount of a public 96763  
utility's intrastate gross earnings or receipts underreported in 96764  
a prior year. In addition to whatever penalties apply under the 96765  
Revised Code to such underreporting, the office shall assess the 96766  
public utility interest at the rate stated in division (A) of 96767  
section 1343.01 of the Revised Code. The office shall deposit 96768  
any interest so collected into the consumers' counsel operating 96769  
fund. The office may exclude from that first computation any 96770  
such amounts that were over-reported in a prior year. 96771

The final computation of the assessment shall consist of 96772  
imposing upon each public utility whose assessment under the 96773  
first computation would have been one hundred dollars or less an 96774  
assessment of one hundred dollars and recomputing the assessment 96775  
of the remaining companies by apportioning an amount equal to 96776  
the appropriation to the office of consumers' counsel in each 96777  
fiscal year less the total amount to be recovered from those 96778  
paying the minimum assessment, in proportion to the intrastate 96779  
gross earnings or receipts of the remaining companies for the 96780  
calendar year next preceding that in which the assessments are 96781  
made, excluding earnings or receipts from sales to other public 96782  
utilities for resale. 96783

In the case of an assessment based on intrastate gross 96784  
receipts under this section against a public utility that is an 96785  
electric utility as defined in section 4928.01 of the Revised 96786  
Code, or an electric services company, electric cooperative, or 96787  
governmental aggregator subject to certification under section 96788

4928.08 of the Revised Code, such receipts shall be those 96789  
specified in the utility's, company's, cooperative's, or 96790  
aggregator's most recent report of intrastate gross receipts and 96791  
sales of kilowatt hours of electricity, filed with the public 96792  
utilities commission pursuant to division (F) of section 4928.06 96793  
of the Revised Code, and verified by the commission. 96794

In the case of an assessment based on intrastate gross 96795  
receipts under this section against a retail natural gas 96796  
supplier or governmental aggregator subject to certification 96797  
under section 4929.20 of the Revised Code, such receipts shall 96798  
be those specified in the supplier's or aggregator's most recent 96799  
report of intrastate gross receipts and sales of hundred cubic 96800  
feet of natural gas, filed with the commission pursuant to 96801  
division (B) of section 4929.23 of the Revised Code, and 96802  
verified by the commission. However, no such retail natural gas 96803  
supplier or such governmental aggregator serving or proposing to 96804  
serve customers of a particular natural gas company, as defined 96805  
in section 4929.01 of the Revised Code, shall be assessed under 96806  
this section until after the commission, pursuant to section 96807  
4905.26 or 4909.18 of the Revised Code, has removed from the 96808  
base rates of the natural gas company the amount of assessment 96809  
under this section that is attributable to the value of 96810  
commodity sales service, as defined in section 4929.01 of the 96811  
Revised Code, in the base rates paid by those customers of the 96812  
company that do not purchase that service from the natural gas 96813  
company. 96814

(B) Through calendar year 2005, on or before the first day 96815  
of October in each year, the office of consumers' counsel shall 96816  
notify each public utility of the sum assessed against it, 96817  
whereupon payment shall be made to the counsel, who shall 96818  
deposit it into the state treasury to the credit of the 96819

consumers' counsel operating fund, which is hereby created. 96820  
Beginning in calendar year 2006, on or before the fifteenth day 96821  
of May in each year, the consumers' counsel shall notify each 96822  
public utility that had a sum assessed against it for the 96823  
current fiscal year of more than one thousand dollars that fifty 96824  
per cent of that amount shall be paid to the consumers' counsel 96825  
by the twentieth day of June of that year as an initial payment 96826  
of the assessment against the company for the next fiscal year. 96827  
On or before the first day of October in each year, the 96828  
consumers' counsel shall make a final determination of the sum 96829  
of the assessment against each public utility and shall notify 96830  
each public utility of the sum assessed against it. The 96831  
consumers' counsel shall deduct from the assessment for each 96832  
public utility any initial payment received. Payment of the 96833  
assessment shall be made to the consumers' counsel by the first 96834  
day of November of that year. The consumers' counsel shall 96835  
deposit the payments received into the state treasury to the 96836  
credit of the consumers' counsel operating fund. Any such 96837  
amounts paid into the fund but not expended by the office shall 96838  
be credited ratably by the office to the public utilities that 96839  
pay more than the minimum assessment, according to the 96840  
respective portions of such sum assessable against them for the 96841  
ensuing fiscal year, after first deducting any deficits 96842  
accumulated from prior years. The assessments for such fiscal 96843  
year shall be reduced correspondingly. 96844

(C) Within five days after the beginning of each fiscal 96845  
year through fiscal year 2006, the director of budget and 96846  
management shall transfer from the general revenue fund to the 96847  
consumers' counsel operating fund an amount sufficient for 96848  
maintaining and administering the office of the consumers' 96849  
counsel and exercising the powers of the consumers' counsel 96850

under this chapter during the first four months of the fiscal year. Not later than the thirty-first day of December of the fiscal year, the same amount shall be transferred back to the general revenue fund from the consumers' counsel operating fund.

Upon such evaluation, the commission periodically shall report its findings and any recommendations for legislation to the standing committees of both houses of the general assembly that have primary jurisdiction regarding public utility legislation. ~~Until 2008, the commission and the consumer's counsel also shall provide biennial reports to those standing committees, regarding the effectiveness of competition in the supply of competitive retail electric services in this state. (D) In determining, for purposes of division (B) or (C) of 97253  
this section, whether there is effective competition in the 97254  
provision of a retail electric service or reasonably available 97255  
alternatives for that service, the commission shall consider 97256  
factors including, but not limited to, all of the following: 97257

(1) The number and size of alternative providers of that 97258  
service; 97259

(2) The extent to which the service is available from 97260  
alternative suppliers in the relevant market; 97261

(3) The ability of alternative suppliers to make 97262  
functionally equivalent or substitute services readily available 97263  
at competitive prices, terms, and conditions; 97264

(4) Other indicators of market power, which may include 97265  
market share, growth in market share, ease of entry, and the 97266  
affiliation of suppliers of services. 97267

The burden of proof shall be on any entity requesting, 97268  
under division (B) or (C) of this section, a determination by 97269  
the commission of the existence of or a lack of effective 97270  
competition or reasonably available alternatives. 97271

(E) (1) Beginning on the starting date of competitive 97272  
retail electric service, the commission has authority under 97273  
Chapters 4901. to 4909. of the Revised Code, and shall exercise 97274  
that authority, to resolve abuses of market power by any 97275  
electric utility that interfere with effective competition in 97276  
the provision of retail electric service. 97277

(2) In addition to the commission's authority under 97278  
division (E)(1) of this section, the commission, beginning the 97279  
first year after the market development period of a particular 97280  
electric utility and after reasonable notice and opportunity for 97281  
hearing, may take such measures within a transmission 97282  
constrained area in the utility's certified territory as are 97283  
necessary to ensure that retail electric generation service is 97284  
provided at reasonable rates within that area. The commission 97285  
may exercise this authority only upon findings that an electric 97286  
utility is or has engaged in the abuse of market power and that 97287  
that abuse is not adequately mitigated by rules and practices of 97288  
any independent transmission entity controlling the transmission 97289  
facilities. Any such measure shall be taken only to the extent 97290  
necessary to protect customers in the area from the particular 97291  
abuse of market power and to the extent the commission's 97292  
authority is not preempted by federal law. The measure shall 97293  
remain in effect until the commission, after reasonable notice 97294  
and opportunity for hearing, determines that the particular 97295  
abuse of market power has been mitigated. 97296

(F) An electric utility, electric services company, 97297  
electric cooperative, or governmental aggregator subject to 97298  
certification under section 4928.08 of the Revised Code shall 97299  
provide the commission with such information, regarding a 97300  
competitive retail electric service for which it is subject to 97301  
certification, as the commission considers necessary to carry 97302  
out this chapter. An electric utility shall provide the 97303  
commission with such information as the commission considers 97304  
necessary to carry out divisions (B) to (E) of this section. The 97305  
commission shall take such measures as it considers necessary to 97306  
protect the confidentiality of any such information. 97307

The commission shall require each electric utility to file 97308

with the commission on and after the starting date of 97309  
competitive retail electric service an annual report of its 97310  
intrastate gross receipts and sales of kilowatt hours of 97311  
electricity, and shall require each electric services company, 97312  
electric cooperative, and governmental aggregator subject to 97313  
certification to file an annual report on and after that 97314  
starting date of such receipts and sales from the provision of 97315  
those retail electric services for which it is subject to 97316  
certification. For the purpose of the reports, sales of kilowatt 97317  
hours of electricity are deemed to occur at the meter of the 97318  
retail customer. 97319

**Sec. 4928.34.** (A) The public utilities commission shall 97320  
not approve or prescribe a transition plan under division (A) or 97321  
(B) of section 4928.33 of the Revised Code unless the commission 97322  
first makes all of the following determinations: 97323

(1) The unbundled components for the electric transmission 97324  
component of retail electric service, as specified in the 97325  
utility's rate unbundling plan required by division (A) (1) of 97326  
section 4928.31 of the Revised Code, equal the tariff rates 97327  
determined by the federal energy regulatory commission that are 97328  
in effect on the date of the approval of the transition plan 97329  
under sections 4928.31 to 4928.40 of the Revised Code, as each 97330  
such rate is determined applicable to each particular customer 97331  
class and rate schedule by the commission. The unbundled 97332  
transmission component shall include a sliding scale of charges 97333  
under division (B) of section 4905.31 of the Revised Code to 97334

regulatory commission are flowed through to retail electric 97336  
customers. 97337

(2) The unbundled components for retail electric 97338

distribution service in the rate unbundling plan equal the 97339  
difference between the costs attributable to the utility's 97340  
transmission and distribution rates and charges under its 97341  
schedule of rates and charges in effect on the effective date of 97342  
this section, based upon the record in the most recent rate 97343  
proceeding of the utility for which the utility's schedule was 97344  
established, and the tariff rates for electric transmission 97345  
service determined by the federal energy regulatory commission 97346  
as described in division (A) (1) of this section. 97347

(3) All other unbundled components required by the 97348  
commission in the rate unbundling plan equal the costs 97349  
attributable to the particular service as reflected in the 97350  
utility's schedule of rates and charges in effect on the 97351  
effective date of this section. 97352

(4) The unbundled components for retail electric 97353  
generation service in the rate unbundling plan equal the 97354  
residual amount remaining after the determination of the 97355  
transmission, distribution, and other unbundled components, and 97356  
after any adjustments necessary to reflect the effects of the 97357  
amendment of section 5727.111 of the Revised Code by Sub. S.B. 97358  
No. 3 of the 123rd general assembly. 97359

(5) All unbundled components in the rate unbundling plan 97360  
have been adjusted to reflect any base rate reductions on file 97361  
with the commission and as scheduled to be in effect by December 97362  
31, 2005, under rate settlements in effect on the effective date 97363  
of this section. However, all earnings obligations, 97364  
restrictions, or caps imposed on an electric utility in a 97365  
commission order prior to the effective date of this section are 97366  
void. 97367

of all unbundled components in the rate unbundling plan are 97369  
capped and shall equal during the market development period, 97370  
except as specifically provided in this chapter, the total of 97371  
all rates and charges in effect under the applicable bundled 97372  
schedule of the electric utility pursuant to section 4905.30 of 97373  
the Revised Code in effect on the day before the effective date 97374  
of this section, including the transition charge determined 97375  
under section 4928.40 of the Revised Code, adjusted for any 97376  
changes in the taxation of electric utilities and retail 97377  
electric service under Sub. S.B. No. 3 of the 123rd General 97378  
Assembly, and the universal service percentage of income payment 97379  
plan rider authorized by section ~~4928.51-4928.52~~ of the Revised 97380  
Code, ~~and the temporary rider authorized by section 4928.61 of~~ 97381  
~~the Revised Code.~~ For the purpose of this division, the rate cap 97382  
applicable to a customer receiving electric service pursuant to 97383  
an arrangement approved by the commission under section 4905.31 97384  
of the Revised Code is, for the term of the arrangement, the 97385  
total of all rates and charges in effect under the arrangement. 97386

Revised Code or any arrangement subject to approval pursuant to 97388  
section 4905.31 of the Revised Code, the initial tax-related 97389  
adjustment to the rate cap required by this division shall be 97390  
equal to the rate of taxation specified in section 5727.81 of 97391  
the Revised Code and applicable to the schedule or arrangement. 97392  
To the extent such total annual amount of the tax-related 97393  
adjustment is greater than or less than the comparable amount of 97394

under division (G) of section 4928.35 of the Revised Code. 97466

(B) Subject to division (E) of section 4928.17 of the 97467  
Revised Code, if the commission finds that any part of the 97468  
transition plan would constitute an abandonment under sections 97469

lending institutions; and one person considered an expert in 97782  
energy efficiency or renewables technology. Initial appointments 97783  
shall be made not later than November 1, 1999. 97784

(B) Initial terms of six of the appointed members shall 97785  
end on June 30, 2003, and initial terms of the remaining seven 97786  
appointed members shall end on June 30, 2004. Thereafter, terms 97787  
of appointed members shall be for three years, with each term 97788

ending on the same day of the same month as the term it 97789  
succeeds. Each member shall hold office from the date of the 97790  
member's appointment until the end of the term for which the 97791  
member was appointed. Members may be reappointed. 97792

Vacancies shall be filled in the manner provided for 97793  
original appointments. Any member appointed to fill a vacancy 97794  
occurring prior to the expiration date of the term for which the 97795  
member's predecessor was appointed shall hold office as a member 97796  
for the remainder of that term. A member shall continue in 97797  
office after the expiration date of the member's term until the 97798  
member's successor takes office or until a period of sixty days 97799  
has elapsed, whichever occurs first. 97800

(C) Board members shall be reimbursed for their actual and 97801  
necessary expenses incurred in the performance of board duties. 97802  
The reimbursements constitute, as applicable, administrative 97803  
costs of the low-income customer assistance programs for the 97804  
purpose of ~~division (A) of section~~ sections 4928.51 and 4928.52 97805  
of the Revised Code ~~or administrative costs of the advanced-~~ 97806  
~~energy program for the purpose of division (A) of section-~~ 97807  
~~4528.61 of the Revised Code.~~ 97808

(D) The advisory board shall select a chairperson from 97809  
among its members. Only board members appointed by the governor 97810  
with the advice and consent of the senate shall be voting 97811  
members of the board; each shall have one vote in all 97812  
deliberations of the board. A majority of the voting members 97813  
constitute a quorum. 97814

(E) ~~The duties of the advisory board shall be as follows:~~ 97815  
~~(1) Advise~~ advise the director of job and family services 97816  
in the administration of ~~the universal service fund and the low-~~ 97817

~~income customer assistance programs and advise the director on the director's recommendation to the commission regarding the appropriate level of the universal service rider;~~ 97818  
97819  
97820

~~(2) Advise the director on the administration of the advanced energy program and the advanced energy fund under sections 4928.61 to 4928.63 of the Revised Code.~~ 97821  
97822  
97823

(F) The advisory board is not an agency for purposes of sections 101.82 to 101.87 of the Revised Code. 97824  
97825

**Sec. 4928.61.** (A) There is hereby established in the state treasury the advanced energy fund, into which shall be deposited all advanced energy revenues remitted to the director of development under division (B) of this section, for the exclusive purposes of funding the advanced energy program created under section 4928.62 of the Revised Code and paying the program's administrative costs. Interest on the fund shall be credited to the fund. 97826

97830  
97831  
97832  
97833

(B) Advanced energy revenues shall include all of the following: 97834  
97835

~~(1) Revenues remitted to the director after collection by each electric distribution utility in this state of a temporary rider on retail electric distribution service rates as such rates are determined by the public utilities commission pursuant to this chapter. The rider shall be a uniform amount statewide, determined by the director of development, after consultation with the public benefits advisory board created by section 4928.58 of the Revised Code. The amount shall be determined by dividing an aggregate revenue target for a given year as determined by the director, after consultation with the advisory board, by the number of customers of electric distribution~~ 97836  
97837  
97838  
97839  
97840

~~utilities in this state in the prior year. Such aggregate revenue target shall not exceed more than fifteen million dollars in any year through 2005 and shall not exceed more than five million dollars in any year after 2005. The rider shall be imposed beginning on the effective date of the amendment of this section by Sub. H.B. 251 of the 126th general assembly, January 4, 2007, and shall terminate at the end of ten years following the starting date of competitive retail electric service or until the advanced energy fund, including interest, reaches one hundred million dollars, whichever is first.~~

~~(2) Revenues from payments, repayments, and collections under the advanced energy program and from program income;~~

~~(3) (2) Revenues remitted to the director after collection by a municipal electric utility or electric cooperative in this state upon the utility's or cooperative's decision to participate in the advanced energy fund;~~

~~(4) (3) Revenues from renewable energy compliance payments as provided under division (C) (2) of section 4928.64 of the Revised Code;~~

~~(5) (4) Revenue from forfeitures under division (C) of section 4928.66 of the Revised Code;~~

~~(6) (5) Funds transferred pursuant to division (B) of Section 512.10 of S.B. 315 of the 129th general assembly;~~

~~(7) (6) Interest earnings on the advanced energy fund.~~

~~(C) (1) Each electric distribution utility in this state shall remit to the director on a quarterly basis the revenues described in divisions (B) (1) and (2) of this section. Such remittances shall occur within thirty days after the end of each calendar quarter.~~

~~(2) Each participating electric cooperative and participating municipal electric utility shall remit to the director on a quarterly basis the revenues described in division (B) (3) of this section. Such remittances shall occur within thirty days after the end of each calendar quarter. For the purpose of division (B) (3) of this section, the participation of an electric cooperative or municipal electric utility in the energy efficiency revolving loan program as it existed immediately prior to the effective date of the amendment of this section by Sub. H.B. 251 of the 126th general assembly, January 4, 2007, does not constitute a decision to participate in the advanced energy fund under this section as so amended.~~

~~(3) All remittances under divisions (C) (1) and (2) of this section shall continue only until the end of ten years following the starting date of competitive retail electric service or until the advanced energy fund, including interest, reaches one hundred million dollars, whichever is first.~~

~~(D) Any moneys collected in rates for non-low-income customer energy efficiency programs, as of October 5, 1999, and not contributed to the energy efficiency revolving loan fund authorized under this section prior to the effective date of its amendment by Sub. H.B. 251 of the 126th general assembly, January 4, 2007, shall be used to continue to fund cost-effective, residential energy efficiency programs, be contributed into the universal service fund as a supplement to that required under section 4928.53 of the Revised Code, or be returned to ratepayers in the form of a rate reduction at the option of the affected electric distribution utility.~~

**Sec. 4928.62.** (A) There is hereby created the advanced energy program, which shall be administered by the director of

development. Under the program, the director may authorize the use of moneys in the advanced energy fund for financial, technical, and related assistance for advanced energy projects in this state or for economic development assistance, in furtherance of the purposes set forth in section 4928.63 of the Revised Code.

(1) To the extent feasible given approved applications for assistance, the assistance shall be distributed among the certified territories of electric distribution utilities and participating electric cooperatives, and among the service areas of participating municipal electric utilities, in amounts proportionate to the remittances of each utility and cooperative under ~~divisions (B)(1) and (3)~~division (B)(2) of section 4928.61 of the Revised Code.

(2) The funds described in division ~~(B)(6)~~(B)(5) of section 4928.61 of the Revised Code shall not be subject to the territorial requirements of division (A)(1) of this section.

(3) The director shall not authorize financial assistance for an advanced energy project under the program unless the director first determines that the project will create new jobs or preserve existing jobs in this state or use innovative technologies or materials.

(B) In carrying out sections 4928.61 to 4928.63 of the Revised Code, the director may do all of the following to further the public interest in advanced energy projects and economic development:

(1) Award grants, contracts, loans, loan participation agreements, linked deposits, and energy production incentives;

duties and the exercise of the director's powers under sections 97940  
4928.61 to 4928.63 of the Revised Code; 97941

(4) Employ or enter into contracts with financial 97942  
consultants, marketing consultants, consulting engineers, 97943  
architects, managers, construction experts, attorneys, technical 97944

(5) Adopt rules prescribing the application procedures for 97947  
financial assistance under the advanced energy program; the 97948  
fees, charges, interest rates, payment schedules, local match 97949  
requirements, and other terms and conditions of any grants, 97950  
contracts, loans, loan participation agreements, linked 97951  
deposits, and energy production incentives; criteria pertaining 97952  
to the eligibility of participating lending institutions; and 97953  
any other matters necessary for the implementation of the 97954  
program; 97955

(6) Do all things necessary and appropriate for the 97956  
operation of the program. 97957

(C) The department of development may hold ownership to 97958

allowances provided for in Chapter 3745-14 of the Administrative 97960  
Code or otherwise, that result from advanced energy projects 97961  
that receive funding from the advanced energy fund, and it may 97962  
use the allowances to further the public interest in advanced 97963

energy projects or for economic development. 97964

(D) Financial statements, financial data, and trade secrets submitted to or received by the director from an applicant or recipient of financial assistance under sections 4928.61 to 4928.63 of the Revised Code, or any information taken from those statements, data, or trade secrets for any purpose, are not public records for the purpose of section 149.43 of the Revised Code. 97965

(E) Nothing in the amendments of sections 4928.61, 4928.62, and 4928.63 of the Revised Code by Sub. H.B. 251 of the 126th general assembly shall affect any pending or effected assistance, pending or effected purchases or exchanges of property made, or pending or effected contracts or agreements entered into pursuant to division (A) or (B) of this section as the section existed prior to the effective date of those amendments, January 4, 2007, or shall affect the exemption provided under division (C) of this section as the section existed prior to that effective date. 97972

**Sec. 4928.63.** The director of development ~~and the public benefits advisory board have~~ has the powers and duties provided in sections 4928.61 and 4928.62 of the Revised Code, in order to promote the welfare of the people of this state; stabilize the economy; assist in the improvement and development within this state of not-for-profit entity, industrial, commercial, 97988  
97989  
97990  
97991  
97992  
97993

distribution, residential, and research buildings and activities 97994  
required for the people of this state; improve the economic 97995  
welfare of the people of this state by reducing energy costs and 97996  
by reducing energy usage in a cost-efficient manner using, as 97997  
determined by the director, both the most appropriate national, 97998  
federal, or other standards for products and the best practices 97999  
for the use of technology, products, or services in the context 98000  
of a total facility or building; and assist in the lowering of 98001  
energy demand to reduce air, water, or thermal pollution. It is 98002  
hereby determined that the accomplishment of those purposes is 98003  
essential so that the people of this state may maintain their 98004  
present high standards in comparison with the people of other 98005  
states and so that opportunities for improving the economic 98006  
welfare of the people of this state, for improving the housing 98007  
of residents of this state, and for favorable markets for the 98008  
products of this state's natural resources, agriculture, and 98009  
manufacturing shall be improved; and that it is necessary for 98010  
this state to establish the program authorized pursuant to 98011  
sections 4928.61 and 4928.62 of the Revised Code. 98012

**Sec. 4928.66.** (A) (1) (a) Beginning in 2009, an electric 98013  
distribution utility shall implement energy efficiency programs 98014  
that achieve energy savings equivalent to at least three-tenths 98015  
of one per cent of the total, annual average, and normalized 98016  
kilowatt-hour sales of the electric distribution utility during 98017  
the preceding three calendar years to customers in this state. 98018  
An energy efficiency program may include a combined heat and 98019  
power system placed into service or retrofitted on or after the 98020  
effective date of the amendment of this section by S.B. 315 of 98021  
the 129th general assembly, September 10, 2012, or a waste 98022  
energy recovery system placed into service or retrofitted on or 98023  
after September 10, 2012, except that a waste energy recovery 98024

system described in division (A) (38) (b) of section 4928.01 of 98025  
the Revised Code may be included only if it was placed into 98026  
service between January 1, 2002, and December 31, 2004. For a 98027  
waste energy recovery or combined heat and power system, the 98028  
savings shall be as estimated by the public utilities 98029  
commission. The savings requirement, using such a three-year 98030  
average, shall increase to an additional five-tenths of one per 98031  
cent in 2010, seven-tenths of one per cent in 2011, eight-tenths 98032  
of one per cent in 2012, nine-tenths of one per cent in 2013, 98033  
and one per cent in 2014. In 2015 and 2016, an electric 98034  
distribution utility shall achieve energy savings equal to the 98035  
result of subtracting the cumulative energy savings achieved 98036  
since 2009 from the product of multiplying the baseline for 98037  
energy savings, described in division (A) (2) (a) of this section, 98038  
by four and two-tenths of one per cent. If the result is zero or 98039  
less for the year for which the calculation is being made, the 98040  
utility shall not be required to achieve additional energy 98041  
savings for that year, but may achieve additional energy savings 98042  
for that year. The annual savings requirements shall be, for 98043  
years 2017, 2018, 2019, and 2020, an additional one per cent of 98044  
the baseline. For purposes of a waste energy recovery or 98045  
combined heat and power system, an electric distribution utility 98046  
shall not apply more than the total annual percentage of the 98047  
electric distribution utility's industrial-customer load, 98048  
relative to the electric distribution utility's total load, to 98049  
the annual energy savings requirement. 98050

(b) Beginning in 2009, an electric distribution utility 98051  
shall implement peak demand reduction programs designed to 98052  
achieve a one per cent reduction in peak demand in 2009 and an 98053  
additional seventy-five hundredths of one per cent reduction 98054  
each year through 2014. In 2015 and 2016, an electric 98055

distribution utility shall achieve a reduction in peak demand 98056  
equal to the result of subtracting the cumulative peak demand 98057  
reductions achieved since 2009 from the product of multiplying 98058  
the baseline for peak demand reduction, described in division 98059  
(A) (2) (a) of this section, by four and seventy-five hundredths 98060  
of one per cent. If the result is zero or less for the year for 98061  
which the calculation is being made, the utility shall not be 98062  
required to achieve an additional reduction in peak demand for 98063  
that year, but may achieve an additional reduction in peak 98064  
demand for that year. In 2017 and each year thereafter through 98065  
2020, the utility shall achieve an additional seventy-five 98066  
hundredths of one per cent reduction in peak demand. 98067

(2) For the purposes of divisions (A) (1) (a) and (b) of 98068  
this section: 98069

(a) The baseline for energy savings under division (A) (1) 98070  
(a) of this section shall be the average of the total kilowatt 98071  
hours the electric distribution utility sold in the preceding 98072  
three calendar years. The baseline for a peak demand reduction 98073  
under division (A) (1) (b) of this section shall be the average 98074  
peak demand on the utility in the preceding three calendar 98075  
years, except that the commission may reduce either baseline to 98076  
adjust for new economic growth in the utility's certified 98077  
territory. Neither baseline shall include the load and usage of 98078  
any of the following customers: 98079

(i) Beginning January 1, 2017, a customer for which a 98080  
reasonable arrangement has been approved under section 4905.31 98081  
of the Revised Code; 98082

(ii) A customer that has opted out of the utility's 98083  
portfolio plan under section 4928.6611 of the Revised Code; 98084

(iii) A customer that has opted out of the utility's 98085  
portfolio plan under Section 8 of S.B. 310 of the 130th general 98086  
assembly. 98087

(b) The commission may amend the benchmarks set forth in 98088  
division (A)(1)(a) or (b) of this section if, after application 98089  
by the electric distribution utility, the commission determines 98090  
that the amendment is necessary because the utility cannot 98091  
reasonably achieve the benchmarks due to regulatory, economic, 98092  
or technological reasons beyond its reasonable control. 98093

(c) Compliance with divisions (A)(1)(a) and (b) of this 98094  
section shall be measured by including the effects of all 98095  
demand-response programs for mercantile customers of the subject 98096  
electric distribution utility, all waste energy recovery systems 98097  
and all combined heat and power systems, and all such mercantile 98098  
customer-sited energy efficiency, including waste energy 98099  
recovery and combined heat and power, and peak demand reduction 98100  
programs, adjusted upward by the appropriate loss factors. Any 98101  
mechanism designed to recover the cost of energy efficiency, 98102  
including waste energy recovery and combined heat and power, and 98103  
peak demand reduction programs under divisions (A)(1)(a) and (b) 98104  
of this section may exempt mercantile customers that commit 98105  
their demand-response or other customer-sited capabilities, 98106  
whether existing or new, for integration into the electric 98107  
distribution utility's demand-response, energy efficiency, 98108  
including waste energy recovery and combined heat and power, or 98109  
peak demand reduction programs, if the commission determines 98110  
that that exemption reasonably encourages such customers to 98111  
commit those capabilities to those programs. If a mercantile 98112  
customer makes such existing or new demand-response, energy 98113  
efficiency, including waste energy recovery and combined heat 98114  
and power, or peak demand reduction capability available to an 98115

electric distribution utility pursuant to division (A) (2) (c) of 98116  
this section, the electric utility's baseline under division (A) 98117  
(2) (a) of this section shall be adjusted to exclude the effects 98118  
of all such demand-response, energy efficiency, including waste 98119  
energy recovery and combined heat and power, or peak demand 98120  
reduction programs that may have existed during the period used 98121  
to establish the baseline. The baseline also shall be normalized 98122  
for changes in numbers of customers, sales, weather, peak 98123  
demand, and other appropriate factors so that the compliance 98124  
measurement is not unduly influenced by factors outside the 98125  
control of the electric distribution utility. 98126

(d) (i) Programs implemented by a utility may include the 98127  
following: 98128

(I) Demand-response programs; 98129

(II) Smart grid investment programs, provided that such 98130  
programs are demonstrated to be cost-beneficial; 98131

(III) Customer-sited programs, including waste energy 98132  
recovery and combined heat and power systems; 98133

(IV) Transmission and distribution infrastructure 98134  
improvements that reduce line losses; 98135

(V) Energy efficiency savings and peak demand reduction 98136  
that are achieved, in whole or in part, as a result of funding 98137  
provided from the ~~universal service~~ electric partnership plan 98138  
fund established by section 4928.51 of the Revised Code to 98139  
benefit low-income customers through programs that include, but 98140  
are not limited to, energy audits, the installation of energy 98141  
efficiency insulation, appliances, and windows, and other 98142  
weatherization measures. 98143

(ii) No energy efficiency or peak demand reduction 98144

achieved under divisions (A) (2) (d) (i) (IV) and (V) of this 98145  
section shall qualify for shared savings. 98146

(iii) Division (A) (2) (c) of this section shall be applied 98147  
to include facilitating efforts by a mercantile customer or 98148  
group of those customers to offer customer-sited demand- 98149  
response, energy efficiency, including waste energy recovery and 98150  
combined heat and power, or peak demand reduction capabilities 98151  
to the electric distribution utility as part of a reasonable 98152  
arrangement submitted to the commission pursuant to section 98153  
4905.31 of the Revised Code. 98154

(e) No programs or improvements described in division (A) 98155  
(2) (d) of this section shall conflict with any statewide 98156  
building code adopted by the board of building standards. 98157

(B) In accordance with rules it shall adopt, the public 98158  
utilities commission shall produce and docket at the commission 98159  
an annual report containing the results of its verification of 98160  
the annual levels of energy efficiency and of peak demand 98161  
reductions achieved by each electric distribution utility 98162  
pursuant to division (A) of this section. A copy of the report 98163  
shall be provided to the consumers' counsel. 98164

(C) If the commission determines, after notice and 98165  
opportunity for hearing and based upon its report under division 98166  
(B) of this section, that an electric distribution utility has 98167  
failed to comply with an energy efficiency or peak demand 98168  
reduction requirement of division (A) of this section, the 98169  
commission shall assess a forfeiture on the utility as provided 98170  
under sections 4905.55 to 4905.60 and 4905.64 of the Revised 98171  
Code, either in the amount, per day per undercompliance or 98172  
noncompliance, relative to the period of the report, equal to 98173  
that prescribed for noncompliances under section 4905.54 of the 98174

Revised Code, or in an amount equal to the then existing market 98175  
value of one renewable energy credit per megawatt hour of 98176  
undercompliance or noncompliance. Revenue from any forfeiture 98177  
assessed under this division shall be deposited to the credit of 98178  
the advanced energy fund created under section 4928.61 of the 98179  
Revised Code. 98180

(D) The commission may establish rules regarding the 98181  
content of an application by an electric distribution utility 98182  
for commission approval of a revenue decoupling mechanism under 98183  
this division. Such an application shall not be considered an 98184  
application to increase rates and may be included as part of a 98185  
proposal to establish, continue, or expand energy efficiency or 98186  
conservation programs. The commission by order may approve an 98187  
application under this division if it determines both that the 98188  
revenue decoupling mechanism provides for the recovery of 98189  
revenue that otherwise may be forgone by the utility as a result 98190  
of or in connection with the implementation by the electric 98191  
distribution utility of any energy efficiency or energy 98192  
conservation programs and reasonably aligns the interests of the 98193  
utility and of its customers in favor of those programs. 98194

(E) The commission additionally shall adopt rules that 98195  
require an electric distribution utility to provide a customer 98196  
upon request with two years' consumption data in an accessible 98197  
form. 98198

(F) (1) As used in divisions (F) (2), (3), and (4) of this 98199  
section, "portfolio plan" has the same meaning as in division 98200  
(C) (1) of section 4928.6610 of the Revised Code. 98201

(2) If an electric distribution utility has a portfolio 98202  
plan in effect as of October 22, 2019, and that plan expires 98203  
before December 31, 2020, the commission shall extend the plan 98204

through that date. All portfolio plans shall terminate on that date. 98205  
98206

(3) If a portfolio plan is extended beyond its commission approved term by division (F) (2) of this section, the existing plan's budget shall be increased for the extended term to include an amount equal to the annual average of the approved budget for all years of the portfolio plan in effect as of October 22, 2019. 98207  
98208  
98209  
98210  
98211  
98212

(4) All other terms and conditions of a portfolio plan extended beyond its commission-approved term by division (F) (2) of this section shall remain the same unless changes are authorized by the commission. 98213  
98214  
98215  
98216

(G) (1) Not later than February 1, 2021, the commission shall determine the cumulative energy savings collectively achieved, since 2009, by all electric distribution utilities in this state as of December 31, 2020. In determining that cumulative total, the commission shall do both of the following: 98217  
98218  
98219  
98220  
98221

(a) Include energy savings that were estimated by the commission to be achieved as of December 31, 2020, and banked under division (G) of section 4928.662 of the Revised Code; 98222  
98223  
98224

(b) Use an energy savings baseline that is the average of the total kilowatt hours sold by all electric distribution utilities in this state in the calendar years 2018, 2019, and 2020. The baseline shall exclude the load and usage described in division (A) (2) (a) (i), (ii), and (iii) of this section. That baseline may also be reduced for new economic growth in the utility's certified territory as provided in division (A) (2) (a) of this section and adjusted and normalized as provided in division (A) (2) (c) of this section. 98225  
98226  
98227  
98228  
98229  
98230  
98231  
98232  
98233

(2) (a) If the cumulative energy savings collectively 98234  
achieved as determined by the commission under division (G) (1) 98235  
of this section is at least seventeen and one-half per cent of 98236  
the baseline described in division (G) (1) (b) of this section, 98237  
then full compliance with division (A) (1) (a) of this section 98238  
shall be deemed to have been achieved notwithstanding any 98239  
provision of this section to the contrary. 98240

(b) If the cumulative energy savings collectively achieved 98241  
as determined by the commission under division (G) (1) of this 98242  
section is less than seventeen and one-half per cent of the 98243  
baseline described in division (G) (1) (b) of this section, then 98244  
both of the following shall apply: 98245

(i) The commission shall determine the manner in which 98246  
further implementation of energy efficiency programs shall occur 98247  
as may be reasonably necessary for collective achievement of 98248  
cumulative energy savings equal to seventeen and one-half per 98249  
cent, and not more, of the baseline described in division (G) (1) 98250  
(b) of this section. 98251

(ii) Full compliance with division (A) (1) (a) of this 98252  
section shall be deemed to be achieved as of a date certain 98253  
established by the commission notwithstanding any provision of 98254  
this section to the contrary. 98255

(3) Upon the date that full compliance with division (A) 98256  
(1) (a) of this section is deemed achieved under division (G) (2) 98257  
(a) or (b) of this section, any electric distribution utility 98258  
cost recovery mechanisms authorized by the commission for 98259  
compliance with this section shall terminate except as may be 98260  
necessary to reconcile the difference between revenue collected 98261  
and the allowable cost of compliance associated with compliance 98262  
efforts occurring prior to December 31, 2021, for programs re- 98263

established under section 4928.661 of the Revised Code, and 98264  
prior to the date upon which full compliance with division (A) 98265  
(1)(a) of this section is deemed achieved, for all other 98266  
compliance efforts. No such cost recovery mechanism shall be 98267  
authorized by the commission beyond the period of time required 98268  
to complete this final reconciliation. 98269

**Sec. 4928.75.** ~~Beginning in fiscal year 2021 and each~~ 98270  
~~fiscal year thereafter, the~~ The director of development job and 98271  
family services shall, in each fiscal year, submit a completed 98272  
waiver request in accordance with section 96.83 of Title 45 of 98273  
the Code of Federal Regulations to the United States department 98274  
of health and human services and any other applicable federal 98275  
agencies for the state to expend twenty-five per cent of federal 98276  
low-income home energy assistance programs funds from the home 98277  
energy assistance block grants for weatherization services 98278  
allowed by section 96.83(a) of Title 45 of the Code of Federal 98279  
Regulations to the United States department of health and human 98280  
services. 98281

**Sec. 4933.51.** As used in sections 4933.51 to 4933.59 of 98282  
the Revised Code: 98283

(A) "Area of last resort" means an area within an electric 98284  
distribution utility's designated service territory that is 98285  
located in a county of this state with a population of not more 98286  
than fifty thousand, but excluding any areas of the county that 98287  
are within a ten-mile radius of another publicly available 98288  
electric vehicle charging station or any areas of the county 98289  
that are within one mile of an alternative fuel corridor 98290  
designated by the federal highway administration. 98291

(B) "Direct current fast charging station" means an 98292  
electric vehicle charging system capable of distributing 98293

electricity at fifty kilowatts or more of direct current to an 98294  
electric vehicle's rechargeable battery at a voltage of two 98295  
hundred volts or more. 98296

(C) "Electric distribution utility" has the same meaning 98297  
as in section 4928.01 of the Revised Code. 98298

(D) "Electric vehicle" means a vehicle that is powered 98299  
wholly by a system that can be recharged via an external source 98300  
of electricity, including a vehicle for public or private use 98301  
that is a passenger car, commercial car or truck, a vehicle used 98302  
for public transit, a vehicle used in a vehicle fleet, a vehicle 98303  
used in construction work, and a vehicle used in industrial or 98304  
warehouse work. 98305

(E) "Electric vehicle charging provider" means the owner 98306  
or operator of an electric vehicle charging station. "Electric 98307  
vehicle charging provider" excludes either of the following that 98308  
owns or operates an electric vehicle charging station: 98309

(1) An electric distribution utility; 98310

(2) An affiliate or subsidiary of an electric distribution 98311  
utility. 98312

(F) "Electric vehicle charging station" means any 98313  
nonresidential electric vehicle charging system that is both of 98314  
the following: 98315

(1) Capable of distributing electricity from a source 98316  
outside an electric vehicle to the electric vehicle; 98317

(2) A direct current fast charging station or level two 98318  
charging station. 98319

(G) "Level two charging station" means any electric 98320  
vehicle charging system capable of distributing electricity at a 98321

minimum of three or a maximum of twenty kilowatts of alternating 98322  
current to an electric vehicle's rechargeable battery at a 98323  
voltage of two hundred volts or more. 98324

(H) "Make-ready infrastructure" means electrical 98325  
infrastructure required to accommodate the electric load of an 98326  
electric vehicle charging station. "Make-ready infrastructure" 98327  
excludes an electric vehicle charging station. 98328

**Sec. 4933.53.** (A) No electric distribution utility may own 98329  
or operate publicly available electric vehicle charging stations 98330  
except through a separate affiliate or subsidiary that is not 98331  
subject to public utilities commission jurisdiction, except as 98332  
provided in division (C) of this section and notwithstanding 98333  
section 4933.55 of the Revised Code. This division does not 98334  
prohibit the commission from approving a program, funded by 98335  
revenues from electric distribution utility rates, to promote 98336  
the creation of electric vehicle charging stations by electric 98337  
vehicle charging providers or the purchase of any equipment used 98338  
to charge an electric vehicle by residential customers. 98339

(B) (1) No electric distribution utility may charge its 98340  
affiliate or subsidiary a subsidized rate, fee, or charge for 98341  
electric service distributed to the affiliate's or subsidiary's 98342  
publicly available electric vehicle charging stations. 98343

(2) An electric distribution utility affiliate or 98344  
subsidiary that owns or operates an electric vehicle charging 98345  
station shall be subject to the same rates, terms, and 98346  
conditions that apply to electric vehicle charging providers 98347  
located in the electric distribution utility's certified 98348  
territory. 98349

(C) (1) If, five or more years after the effective date of 98350

this section, an electric distribution utility is able to 98351  
demonstrate that there is not at least one publicly available 98352  
electric vehicle charging station in an area of last resort, the 98353  
electric distribution utility may petition the commission for 98354  
approval of the installation and ownership of a publicly 98355  
available electric vehicle charging station solely in the area 98356  
of last resort. 98357

The commission may approve, modify and approve, or reject 98358  
an electric distribution utility's installation and ownership of 98359  
such a charging station in an area of last resort, provided that 98360  
any approval shall include a finding that the requirements of 98361  
this section and section 4933.54 of the Revised Code have been 98362  
met. 98363

(2) No electric distribution utility shall be obligated to 98364  
deploy equipment for a publicly available electric vehicle 98365  
charging station without timely and adequate cost recovery. 98366

(D) (1) If an electric distribution utility files a 98367  
petition under division (C) of this section, the electric 98368  
distribution utility also shall file a proposal with the 98369  
commission that includes a description of the area of last 98370  
resort, a statement certifying that there is not at least one 98371  
publicly available electric vehicle charging station in the area 98372  
of last resort, and a description of the publicly available 98373  
electric vehicle charging station it proposes to construct at 98374  
the location. 98375

(2) An electric distribution utility, concurrently with 98376  
the filing made under this division, shall provide conspicuous 98377  
public notice on the electric distribution utility's web site 98378  
and to each dealer of transportation fuel within a ten-mile 98379  
radius of the location of the electric distribution utility's 98380

proposed publicly available electric vehicle charging station. 98381  
Such notice shall contain at least both of the following: 98382

(a) The date the electric distribution utility filed a 98383  
proposal with the commission to provide a publicly available 98384  
electric vehicle charging station under this division; 98385

(b) The date by which a person may file a proposal to 98386  
provide a publicly available electric vehicle charging station 98387  
within a ten-mile radius of the proposed location as described 98388  
in section 4933.54 of the Revised Code. 98389

(E) Prior to approving an electric distribution utility's 98390  
installation and ownership of an electric vehicle charging 98391  
station under division (C) of this section, the commission shall 98392  
conduct a right of first refusal process. The commission shall 98393  
not conduct a right of first refusal process if there is a 98394  
publicly available electric vehicle charging station within a 98395  
ten-mile radius of the site where an electric distribution 98396  
utility proposes to locate such a charging station. 98397

(F) If, within ninety days after notice is provided under 98398  
division (D) of this section, no electric vehicle charging 98399  
providers are identified within ten miles of the location 98400  
proposed by an electric distribution utility in a proposal filed 98401  
under division (D) of this section, an electric distribution 98402  
utility may submit to the commission a notice of intent to 98403  
proceed with installation of a publicly available electric 98404  
vehicle charging station. 98405

(G) Not earlier than one hundred eighty days after the 98406  
commission's finding of public interest and approval of the 98407  
proposal and installation, an electric distribution utility may 98408  
proceed with the construction and operation of its proposed 98409

publicly available electric vehicle charging station. The 98410  
construction and operation of the charging station shall not 98411  
proceed if the commission determines that the construction and 98412  
operation unreasonably duplicates a publicly available electric 98413  
vehicle charging station operated, or under construction, by 98414  
another person. 98415

**Sec. 4933.54.** Not later than ninety days after the filing 98416  
and notice described in division (D) of section 4933.53 of the 98417  
Revised Code, any person, except an electric distribution 98418  
utility, an electric cooperative, or a municipal electric 98419  
utility, may submit a notice to the public utilities commission 98420  
stating that it intends to provide a publicly available electric 98421  
vehicle charging station within a ten-mile radius of the 98422  
location proposed by an electric distribution utility under 98423  
section 4933.53 of the Revised Code and intends to request the 98424  
necessary make-ready infrastructure from the electric 98425  
distribution utility. The notice shall include the person's firm 98426  
commitment to place the charging station into service before the 98427  
later of the following dates: 98428

(A) Eighteen months after the date the person submits the 98429  
notice to the commission; 98430

(B) Twelve months after the date of completion of the 98431  
installation of the necessary make-ready infrastructure. 98432

**Sec. 4933.55.** Revenues received by an electric 98433  
distribution utility for providing electric distribution service 98434  
shall not, directly or indirectly, subsidize investments in the 98435  
ownership or operation of electric vehicle charging stations, 98436  
except as part of a program approved by the public utilities 98437  
commission consistent with sections 4933.51 to 4933.59 of the 98438  
Revised Code. 98439

Sec. 4933.57. Nothing in sections 4933.51 to 4933.59 of 98440  
the Revised Code prohibits an electric distribution utility from 98441  
recovering the costs of make-ready infrastructure through rates 98442  
or charges authorized under the electric distribution utility's 98443  
distribution rate case under section 4909.18 of the Revised 98444  
Code, so long as such subsidies for make-ready infrastructure 98445  
are offered to electric vehicle charging providers on a 98446  
nondiscriminatory basis. 98447

Sec. 4933.59. Nothing in sections 4933.51 to 4933.59 of 98448  
the Revised Code shall be construed to prohibit an electric 98449  
distribution utility from operating, leasing, installing, or 98450  
otherwise procuring service from an electric vehicle charging 98451  
station on its own premises for the sole purpose of serving its 98452  
own electric vehicles. 98453

Sec. 4981.36. The "Midwest Interstate Passenger Rail 98454  
Compact" is hereby ratified, enacted into law, and entered into 98455  
by the state of Ohio with all other states legally joining 98456  
therein in the form substantially as follows: 98457

(2) Except as provided in division (A) (3) of this section 100359

under the age of six months, any public children services agency 100361  
or private child placing agency that obtains, without court 100362  
approval, temporary custody of a child pursuant to an agreement 100363  
executed in accordance with this division may request the 100364  
juvenile court of the county in which the child has a residence 100365  
or legal settlement for an original thirty-day extension of the 100366  
temporary custody agreement. Upon the filing of a request for 100367  
the extension of the temporary custody agreement, the juvenile 100368  
court shall determine whether the extension is in the best 100369  
interest of the child and may extend the temporary custody 100370  
agreement for a period of thirty days beyond the initial thirty- 100371  
day period for which court approval is not required by this 100372  
division. The agency requesting the original extension shall 100373  
file a case plan, prepared pursuant to section 2151.412 of the 100374  
Revised Code, with the court at the same time that it files its 100375  
request for an extension. 100376

At the expiration of the original thirty-day extension 100377  
period, the agency may request the juvenile court to grant an 100378  
additional thirty-day extension of the temporary custody 100379  
agreement. Upon the filing of the request for the additional 100380  
extension, the juvenile court may extend the temporary custody 100381  
agreement for a period of thirty days beyond the original 100382  
thirty-day extension period if it determines that the additional 100383  
extension is in the best interest of the child. The agency shall 100384  
file an updated version of the child's case plan at the same 100385  
time that it files its request for an additional extension. 100386

At the expiration of an additional thirty-day extension 100387

period and at the expiration of the original thirty-day 100388  
extension period if the agency does not request an additional 100389  
thirty-day extension, the agency shall either return the child 100390  
to the child's parents, guardian, or other person having custody 100391  
of the child or file a complaint with the court pursuant to 100392  
section 2151.27 of the Revised Code requesting temporary or 100393  
permanent custody of the child. The complaint shall be 100394

2151.412 of the Revised Code. 100396

(3) Any public children services agency or private child 100397  
placing agency that obtains, without court approval and solely 100398  
for the purpose of obtaining the adoption of the child, 100399  
temporary custody of a child who is under the age of six months 100400  
pursuant to an agreement executed in accordance with this 100401  
division may request the juvenile court in the county in which 100402  
the child has a residence or legal settlement to grant a thirty 100403  
day extension of the temporary custody agreement. Upon the 100404  
filing of the request, the court shall determine whether the 100405  
extension is in the best interest of the child and may extend 100406  
the temporary custody agreement for a period of thirty days 100407  
beyond the sixty day period for which the court approval is not 100408  
required by this division. The agency requesting the extension 100409  
shall file a case plan, prepared pursuant to section 2151.412 of 100410  
the Revised Code, with the court at the same time that it files 100411  
its request for an extension. 100412

At the expiration of the thirty day extension, the agency 100413  
shall either return the child to the parents, guardian, or other 100414  
person having custody of the child or file a complaint with the 100415  
court pursuant to section 2151.27 of the Revised Code requesting 100416  
temporary or permanent custody of the child. The complaint shall 100417  
be accompanied by a case plan prepared in accordance with 100418

section 2151.412 of the Revised Code. 100419

(B) (1) Subject to juvenile court approval, the following 100420

of the child; 100425

(b) The parents of a child who is in the temporary custody 100426  
of a public children services agency or private child placing 100427  
agency. 100428

(2) An agency that enters into an agreement under division 100429  
(B) (1) of this section may take and care for the child or place 100430  
the child in a family home. 100431

(3) A private child placing agency or public children 100432  
services agency that seeks permanent custody of a child pursuant 100433  
to division (B) (1) of this section shall file a request with the 100434  
juvenile court of the county in which the child has a residence 100435  
or legal settlement for approval of the agency's permanent 100436  
surrender agreement with the parents, guardian, or other persons 100437  
having custody of the child. Not later than fourteen business 100438  
days after the request is filed, the juvenile court shall 100439  
determine whether the permanent surrender agreement is in the 100440  
best interest of the child. The court may approve the permanent 100441  
surrender agreement if it determines that the agreement is in 100442  
the best interest of the child and, in the case of an agreement 100443  
between a parent and an agency, the requirements of section 100444  
5103.151 of the Revised Code are met. The agency requesting the 100445  
approval of the permanent surrender agreement shall file with 100446  
the court an original or amended case plan, prepared pursuant to 100447

section 2151.412 of the Revised Code, at the same time that it 100448  
files its request for the approval of the permanent surrender 100449  
agreement. 100450

(4) Notwithstanding division (B)(1) of this section, the 100451  
parents of a child less than six months of age may enter into an 100452  
agreement with a private child placing agency surrendering the 100453  
child into the permanent custody of the agency without juvenile 100454  
court approval if the agreement is executed solely for the 100455  
purpose of obtaining the adoption of the child. The agency 100456  
shall, not later than two business days after entering into the 100457  
agreement, notify the juvenile court. The agency also shall 100458  
notify the court not later than two business days after the 100459  
agency places the child for adoption. The court shall journalize 100460  
the notices it receives under division (B)(4) of this section. 100461

(C) The agreements provided for in this section shall be 100462  
in writing, on forms prescribed and furnished by the department\_ 100463  
of children and youth, and may contain any proper and legal 100464

public children services agency or private child placing agency 100466

appear in any proceeding for the legal adoption of the child, 100468  
and consent to the child's adoption, as provided in section 100469  
3107.06 of the Revised Code. If an agreement for permanent care 100470  
and custody of a child is executed, social and medical histories 100471

the child and the child's parents, guardian, or other person, as 100475  
if those persons were personally in court and consented to the 100476  
order, whether made party to the proceeding or not. 100477

calculate payments for publicly funded child care based on a 101333

section; 101355

(2) This chapter or any rules adopted under it. 101356

(E) If the department has evidence that a provider has 101357  
employed an individual who is ineligible for employment under 101358  
section 5104.013 of the Revised Code and the provider has not 101359  
released the individual from employment upon notice that the 101360

individual is ineligible, the department may terminate 101361  
immediately the contract entered into under this section to 101362  
provide publicly funded child care. 101363

(F) Any decision by the department concerning publicly 101364  
funded child care, including the recovery of funds, overpayment 101365

determinations. If a county department contracts with a child 101392  
care provider or a child care resource and referral service 101393  
organization for eligibility determinations or for the 101394  
collection of information, the contract shall require the 101395  
provider or resource and referral service organization to make 101396  
each eligibility determination no later than thirty calendar 101397  
days from the date the provider or resource and referral 101398  
organization receives a completed application that is the basis 101399  
of the determination and to collect and transmit all necessary 101400  
information to the county department within a period of time 101401  
that enables the county department to make each eligibility 101402  
determination no later than thirty days after the filing of the 101403  
application that is the basis of the determination. 101404

The county department may station employees of the 101405  
department in various locations throughout the county to collect 101406  
information relevant to applications for publicly funded child 101407

with this division or any rule adopted under this division to 101424  
implement corrective action specified by the department. 101425

(2) (a) All eligibility determinations for publicly funded 101426  
child care shall be made in accordance with rules adopted 101427  
pursuant to division (A) of section 5104.38 of the Revised Code. 101428  
Except as otherwise provided in this section, all of the 101429  
following apply: 101430

(i) Publicly funded child care may be provided only to 101431  
eligible infants, toddlers, preschool-age children, school-age 101432  
children under age thirteen, or children receiving special needs 101433  
child care. 101434

(ii) For an applicant to be eligible for publicly funded 101435  
child care, the caretaker parent must be employed or 101436  
participating in a program of education or training for an 101437  
amount of time reasonably related to the time that the parent's 101438  
children are receiving publicly funded child care. This 101439  
restriction does not apply to families whose children are 101440  
eligible for protective child care. 101441

(iii) The eligibility period for publicly funded child 101442  
care shall be at least twelve months. 101443

~~(b) In accordance with rules adopted under division (B) of 101444  
section 5104.38 of the Revised Code, an applicant may receive 101445  
publicly funded child care while the county department 101446  
determines eligibility. An applicant may receive publicly funded 101447  
child care while a county department determines eligibility only 101448  
once during a twelve-month period. If the county department 101449  
determines that an applicant is not eligible for publicly funded 101450~~

~~child care, the child care provider shall be paid for providing~~ 101451  
~~publicly funded child care for up to five days after that~~ 101452  
~~determination if the county department received a completed~~ 101453  
~~application with all required documentation. A program may~~ 101454  
~~appeal a denial of payment under this division.~~ 101455

~~(e)~~ If a caretaker parent who has been determined eligible 101456  
to receive publicly funded child care no longer meets the 101457  
requirements of division (A) (2) (a) (ii) of this section, the 101458  
caretaker parent may continue to receive publicly funded child 101459  
care for a period of at least three but not more than four 101460  
months not to extend beyond the caretaker parent's eligibility 101461  
period. 101462

~~(d)~~ (c) If a child turns thirteen, or if a child receiving 101463  
special needs child care turns eighteen, during the eligibility 101464  
period, the caretaker parent may continue to receive publicly 101465  
funded child care until the end of that eligibility period. 101466

Subject to available funds, the department of children and 101467  
youth shall allow a family to receive publicly funded child care 101468  
unless the family's income exceeds the maximum income 101469  
eligibility limit. Initial and continued eligibility for 101470  
publicly funded child care is subject to available funds unless 101471  
the family is receiving child care pursuant to division (A) (1), 101472  
(2), (3), or (4) of section 5104.30 of the Revised Code. If the 101473  
department must limit eligibility due to lack of available 101474  
funds, it shall give first priority for publicly funded child 101475  
care to an assistance group whose income is not more than the 101476  
maximum income eligibility limit that received transitional 101477  
child care in the previous month but is no longer eligible 101478  
because the eligibility period has expired. Such an assistance 101479  
group shall continue to receive priority for publicly funded 101480

child care until its income exceeds the maximum income 101481  
eligibility limit. 101482

(3) An assistance group that ceases to participate in the 101483  
Ohio works first program established under Chapter 5107. of the 101484  
Revised Code is eligible for transitional child care at any time 101485  
during the immediately following twelve-month period that both 101486  
of the following apply: 101487

(a) The assistance group requires child care due to 101488  
employment; 101489

(b) The assistance group's income is not more than one 101490  
hundred fifty per cent of the federal poverty line. 101491

An assistance group ineligible to participate in the Ohio 101492  
works first program pursuant to section 5101.83 or section 101493  
5107.16 of the Revised Code is not eligible for transitional 101494  
child care. 101495

(B) To the extent permitted by federal law, the department 101496  
of children and youth may require a caretaker parent determined 101497  
to be eligible for publicly funded child care to pay a fee 101498  
according to the schedule of fees established in rules adopted 101499  
under section 5104.38 of the Revised Code. The department shall 101500  
make protective child care services and homeless child care 101501  
services available to children without regard to the income or 101502  
assets of the caretaker parent of the child. 101503

(C) A caretaker parent receiving publicly funded child 101504  
care shall report to the entity that determined eligibility any 101505  
changes in status with respect to employment or participation in 101506  
a program of education or training not later than ten calendar 101507  
days after the change occurs. 101508

(D) If the department of children and youth determines 101509

that available resources are not sufficient to provide publicly funded child care to all eligible families who request it, the department may establish a waiting list. The department may establish separate waiting lists within the waiting list based on income.

(E) A caretaker parent shall not receive publicly funded child care from more than one child care provider per child during a week, unless a county department grants the family an exemption for one of the following reasons:

(1) The child needs additional care during non-traditional hours;

(2) The child needs to change providers in the middle of the week and the hours of care provided by the providers do not overlap;

(3) The child's provider is closed on scheduled school days off or on calamity days.

(F) As used in this section, "maximum income eligibility limit" means the amount of income specified in rules adopted under division (A) of section 5104.38 of the Revised Code.

The director shall lift the order for the suspension of admissions if the director determines that the violation that formed the basis for the order has been corrected.

days after the report is filed with the department. 104200

(f) Not later than five days after receiving the report 104201  
and recommendations, the licensee may file objections with the 104202  
department. 104203

(g) Not later than fifteen days after the hearing examiner 104204  
files the report and recommendations, the department shall issue 104205  
an order approving, modifying, or disapproving the report and 104206  
recommendations. 104207

if the department determines the violation that formed the basis 104210  
for the order has been corrected. 104211

104216  
104217  
104218  
104219

(2) The residential facility applying for an interim license meets standards established for interim licenses in rules adopted by the director under division (N) of this section. 104220  
104221  
104222

104583

(E) A class one residential facility serving children 104584

shall not have children placed in the facility while a summary 104585  
suspension remains in effect. Upon the issuance of the order of 104586  
suspension, the department shall place a hold on the license or 104587  
indicate that the license is suspended in Ohio's statewide 104588  
automated child welfare information system. 104589

(F) The director of mental health and addiction services 104590  
may adopt rules in accordance with Chapter 119. of the Revised 104591  
Code establishing standards and procedures for the summary 104592  
suspension of licenses. 104593

(G) This section does not limit the authority of the 104594  
department to take other action, such as issuing an order 104595  
suspending the admission of residents to a residential facility, 104596  
refusing to issue or renew a license for a facility, or revoking 104597  
a facility's license under section 5119.34 of the Revised Code. 104598

**Sec. 5119.35.** (A) Except as provided in division (B) of 104599  
this section, if a mental health service or alcohol and drug 104600  
addiction service has been specified in rules adopted under this 104601  
section as a service that is required to be certified, no person 104602  
or government entity shall provide that service unless it has 104603  
been certified under section 5119.36 of the Revised Code. 104604

(B) Division (A) of this section does not apply to either 104605  
of the following: 104606

(1) An individual who holds a valid license, certificate, 104607  
or registration issued by this state authorizing the practice of 104608  
a health care profession that includes the performance of any 104609  
service that is required to be certified as described in this 104610  
section, regardless of whether the service is performed as part 104611  
of a sole proprietorship, partnership, or group practice; 104612

(2) An individual who provides any service that is 104613

required to be certified as described in this section as part of 104614  
an employment or contractual relationship with a hospital 104615  
outpatient clinic that is accredited by an accreditation agency 104616  
or organization approved by the director of ~~mental behavioral~~ 104617  
health ~~and addiction services~~. 104618

(C) (1) If the director of ~~mental behavioral health and~~ 104619  
~~addiction services~~ determines that a person or government entity 104620  
is violating division (A) of this section, the director may 104621  
request, in writing, that the attorney general petition the 104622  
court of common pleas in the county where the person or 104623  
government entity is located or providing the services to enjoin 104624  
the person or government entity from engaging in the conduct 104625  
that violates division (A) of this section. 104626

(2) No person or government entity that is subject to this 104627  
section is eligible to receive, for a service that is subject to 104628  
this section, any federal funds, state funds, or funds 104629  
administered by a board of alcohol, drug addiction, and mental 104630  
health services, unless that service has been certified under 104631  
section 5119.36 of the Revised Code. This limitation is in 104632  
addition to the injunction that may be sought under division (C) 104633  
(1) of this section for a violation of division (A) of this 104634  
section. 104635

(D) The director may adopt rules in accordance with 104636  
Chapter 119. of the Revised Code to specify mental health 104637  
services and alcohol and drug addiction services that are 104638  
required to be certified under section 5119.36 of the Revised 104639  
Code. 104640

**Sec. 5119.36.** (A) A person or government entity that seeks 104641  
initial certification of one or more certifiable services and 104642  
supports, or that seeks to renew certification of one or more 104643

certifiable services and supports, shall submit an application 104644  
to the director of ~~mental behavioral health and addiction~~ 104645  
~~services~~. On receipt of the application, the director shall 104646  
determine whether the standards established by ~~divisions~~ 104647  
division (B) ~~and (C)~~ of this section and any rules adopted under 104648  
this section are satisfied or continue to be satisfied by the 104649  
applicant. As part of the determination the director may conduct 104650  
an on-site review of the applicant. In doing so, the director 104651  
may conduct the review in cooperation with a board of alcohol, 104652  
drug addiction, and mental health services that seeks to 104653  
contract or has a contract with the applicant under section 104654  
340.036 of the Revised Code. 104655

Not later than fourteen days after receipt of an ~~initial~~ 104656  
~~or renewal~~ application for initial or renewed certification, the 104657  
director shall inform the board of alcohol, drug addiction, and 104658  
mental health services serving the alcohol, drug addiction, and 104659  
mental health service district in which the applicant's 104660  
certifiable services and supports will be provided of the 104661  
receipt of the application. On the board's request, the director 104662  
shall provide the board with a copy of the application. 104663

Not later than thirty days after a provider's 104664  
certification ceases to be valid for any reason, including the 104665  
provider's failure to renew the certification prior to 104666  
expiration, the director's acceptance of the provider's 104667  
surrender of the certification, or the issuance of a final order 104668  
for disciplinary action under division ~~(G)~~ (F) or ~~(M)~~ (L) of this 104669  
section, the director shall provide notice to the applicable 104670  
board of alcohol, drug addiction, and mental health services of 104671  
the reason the certification ceased to be valid and the date it 104672  
became invalid. 104673

(B) (1) Except as provided in division (B) (4) of this section, beginning on ~~the effective date of this amendment~~ October 3, 2023, an applicant seeking initial certification of certifiable services and supports shall be accredited by one or more national accrediting organizations specified in division (B) (3) of this section for certifiable services and supports for which national accreditation exists for such services and supports or equivalent services and supports.

(2) Except as provided in division (B) (4) of this section, beginning October 1, 2025, an applicant seeking to renew certification of certifiable services and supports shall be accredited by one or more national accrediting organizations specified in division (B) (3) of this section for certifiable services and supports for which national accreditation exists for such services and supports or equivalent services and supports.

(3) For purposes of divisions (B) (1) and (2) of this section, the director shall accept appropriate accreditation of an applicant's certifiable services and supports from any of the following national accrediting organizations:

- (a) The joint commission;
- (b) The commission on accreditation of rehabilitation facilities;
- (c) The council on accreditation;
- (d) Any other national accrediting organization the director considers appropriate.

(4) The accreditation requirements of divisions (B) (1) and (2) of this section do not apply to an applicant seeking an initial or renewed certification to provide prevention services,

as that term is defined in rules adopted under this section. For 104703  
such applicants, accreditation is optional. 104704

~~(C) In addition to meeting the accreditation standard set 104705  
forth in division (B) of this section, an applicant seeking 104706  
initial or renewed certification of one or more certifiable 104707  
services and supports is eligible to receive the certification 104708  
only if both of the following are the case, as determined by the 104709  
director: 104710~~

~~(1) The applicant has adequate staff and equipment to 104711  
provide the certifiable services and supports; 104712~~

~~(2) The department has not been notified under section 104713  
5119.367 of the Revised Code or is not otherwise aware that the 104714  
applicant, or any owner or principal of the applicant, has been 104715  
the subject of an adverse action, as defined in that section, 104716  
taken during the three-year period immediately preceding the 104717  
date of application. 104718~~

~~(D) (1) (C) (1) Except as provided in division (D) (2) (C) (2) 104719  
of this section, if the director determines that an applicant 104720  
has paid any required certification fee, that the applicant's 104721  
accreditation of certifiable services and supports is current 104722  
and appropriate for the services and supports for which the 104723  
applicant is seeking initial or renewed certification, that the 104724  
applicant meets the requirements of division (C) of this 104725  
section, and that the applicant meets any other requirements 104726  
established by this section or rules adopted under it, the 104727  
director shall certify the services and supports or renew the 104728  
certification of the services and supports, as applicable. 104729  
Except as provided in division (J) (I) of this section, the 104730  
director shall issue or renew the certification without further 104731  
evaluation of the services and supports. 104732~~

(2) Prior to October 1, 2025, if an applicant that seeks 104733  
to renew certification of certifiable services and supports is 104734  
not accredited to provide those services and supports by one or 104735  
more national accrediting organizations specified in division 104736  
(B)(3) of this section, the director shall conduct an evaluation 104737  
of the applicant to determine whether the applicant's 104738  
certifiable services and supports satisfy the standards for 104739  
certification. The evaluation is in addition to any on-site 104740  
review conducted under division (A) of this section and shall be 104741  
performed in cooperation with a board of alcohol, drug 104742  
addiction, and mental health services that seeks to contract or 104743  
has a contract with the applicant under section 340.036 of the 104744  
Revised Code. If the director determines that an applicant has 104745  
paid any required certification fee, that the applicant's 104746  
certifiable services and supports satisfy the standards for 104747  
renewed certification, ~~that the applicant meets the requirements~~ 104748  
~~of division (C) of this section,~~ and that the applicant meets 104749  
any other requirements established by this section or the rules 104750  
adopted under it, the director shall certify the certifiable 104751  
services and supports. 104752

~~(E)~~(D) For purposes of the accreditation requirements of 104753  
this section, both of the following apply: 104754

(1) The director may review the accrediting organizations 104755  
specified in division (B)(3) of this section to evaluate whether 104756  
the accreditation standards and processes used by the 104757  
organizations are consistent with service delivery models the 104758  
director considers appropriate for mental health services, 104759  
alcohol and drug addiction services, or physical health 104760  
services. The director may communicate to an accrediting 104761  
organization any identified concerns, trends, needs, and 104762  
recommendations. 104763

(2) The director shall require a community mental health services provider and a community addiction services provider to notify the director not later than ten days after any change in the provider's accreditation status. The provider may notify the director by providing a copy of the relevant document the provider received from the accrediting organization.

~~(F)~~(E) The director may require a community mental health services provider or a community addiction services provider to submit to the director cost reports pertaining to the provider.

~~(G)~~(F) The director may refuse to certify certifiable services and supports, refuse to renew certification, or revoke certification if any of the following apply to an applicant for certification or the holder of the certification:

(1) The applicant or holder is not in compliance with rules adopted under this section.

(2) The applicant or holder has been cited for a pattern of serious noncompliance or repeated violations of statutes or rules during the current certification period or any previous certification period.

(3) The applicant or holder has been found to be in violation of section 5119.396 of the Revised Code;

(4) The applicant or holder submits false or misleading information as part of a certification application, renewal, or investigation.

(5) The applicant does not have adequate staff and equipment to provide the certifiable services and supports.

(6) The department has been notified under section 5119.367 of the Revised Code or is otherwise aware that the

applicant, any owner or principal of the applicant, or any 104792  
subsidiary of the applicant or owner has been the subject of an 104793  
adverse action, as defined in that section, taken during the 104794  
three-year period immediately preceding the date of notification 104795  
or date of becoming aware of the adverse action. 104796

~~(H)~~(G) Proceedings initiated to deny applications to 104797  
certify certifiable services and supports, to refuse to renew 104798  
certification, or to revoke certification are governed by 104799  
Chapter 119. of the Revised Code. If an order has been issued 104800  
suspending admissions to a community addiction services 104801  
provider, as provided in division ~~(M)~~(L) of this section, the 104802  
order remains in effect during the pendency of those 104803  
proceedings. 104804

~~(I)~~(H) The director may conduct an on-site review or 104805  
otherwise evaluate a community mental health services provider 104806  
or a community addiction services provider at any time based on 104807  
cause, including complaints made by or on behalf of persons 104808  
receiving mental health services or alcohol and drug addiction 104809  
services and confirmed or alleged deficiencies brought to the 104810  
attention of the director. This authority does not affect the 104811  
director's duty to conduct the inspections required by section 104812  
5119.37 of the Revised Code. 104813

In conducting an on-site review under this division, the 104814  
director may do so in cooperation with a board of alcohol, drug 104815  
addiction, and mental health services that seeks to contract or 104816  
has a contract with the applicant under section 340.036 of the 104817  
Revised Code. In conducting any other evaluation under this 104818  
division, the director shall do so in cooperation with such a 104819  
board. 104820

~~(J)~~(I) If the director proposes to take action under 104821

division ~~(G)~~(F) of this section, the director shall notify the 104822  
board of alcohol, drug addiction, and mental health services 104823  
serving the alcohol, drug addiction, and mental health service 104824  
district in which the certifiable services and supports will be 104825  
or were provided, and provide the board opportunity to respond 104826  
as specified in division (A) of this section with respect to 104827  
initial or renewal applications. 104828

When a final order is issued by the director under 104829  
division ~~(G)~~(F) of this section, the director may request that 104830  
the appropriate board of alcohol, drug addiction, and mental 104831  
health services reallocate any funds for the certifiable 104832  
services and supports the applicant was to provide to a 104833  
community mental health services provider or community addiction 104834  
services provider whose certifiable services and supports 104835  
satisfy the standards. If the board does not reallocate such 104836  
funds in a reasonable period of time, the director may withhold 104837  
state and federal funds for the certifiable services and 104838  
supports and allocate those funds directly to a community mental 104839  
health services provider or community addiction services 104840  
provider whose certifiable services and supports satisfy the 104841  
standards. 104842

~~(K)~~(J) Each applicant seeking initial or renewed 104843  
certification of its certifiable services and supports shall pay 104844  
a fee for the certification required by this section, unless the 104845  
applicant is exempt under rules adopted under this section. Fees 104846  
shall be paid into the state treasury to the credit of the sale 104847  
of goods and services fund created pursuant to section 5119.45 104848  
of the Revised Code. 104849

~~(L)~~(K) The director shall adopt rules in accordance with 104850  
Chapter 119. of the Revised Code to implement this section. The 104851

rules shall do all of the following: 104852

(1) Subject to section 340.034 of the Revised Code, 104853  
specify the types of recovery supports that are required to be 104854  
certified under this section; 104855

(2) Establish certification standards for certifiable 104856  
services and supports that are consistent with nationally 104857  
recognized applicable standards and facilitate participation in 104858  
federal assistance programs. The rules shall include as 104859  
certification standards only requirements that improve the 104860  
quality of certifiable services and supports or the health and 104861  
safety of persons receiving certifiable services and supports. 104862  
The standards shall address at a minimum all of the following: 104863

(a) Reporting major unusual incidents to the director; 104864

(b) Procedures for applicants for and persons receiving 104865  
certifiable services and supports to file grievances and 104866

and cultural specificity and sensitivity; 104873

(g) Standards for evaluating certifiable services and 104874  
supports; 104875

(h) Standards and procedures for granting full, 104876  
probationary, and interim certification of the certifiable 104877  
services and supports of an applicant; 104878

- (i) Standards and procedures for revoking the certification of a community mental health services provider's or community addiction services provider's certifiable services and supports that do not continue to meet the minimum standards established pursuant to this section;
- (j) The limitations to be placed on a provider whose certifiable services and supports are granted probationary or interim certification;
- (k) Development of written policies addressing the rights of persons receiving certifiable services and supports, including all of the following:
- (i) The right to a copy of the written policies addressing the rights of persons receiving certifiable services and supports;
- (ii) The right at all times to be treated with consideration and respect for the person's privacy and dignity;
- (iii) The right to have access to the person's own psychiatric, medical, or other treatment records unless access is specifically restricted in the person's treatment plan for clear treatment reasons;
- (iv) The right to have a client rights officer provided by the provider or board of alcohol, drug addiction, and mental health services advise the person of the person's rights, including the person's rights under Chapter 5122. of the Revised Code if the person is committed to the provider or board.
- (l) Documentation that must be submitted as evidence of holding appropriate accreditation;
- (m) A process by which the director may review the

accreditation standards and process used by the national 104907  
accrediting organizations specified in division (B) (3) of this 104908  
section. 104909

(3) Establish the process for certification of certifiable 104910  
services and supports; 104911

(4) Set the amount of initial and renewal certification 104912  
fees and any reasons for which applicants may be exempt from the 104913  
fees; 104914

(5) Specify the type of notice and hearing to be provided 104915  
prior to a decision on whether to reallocate funds; 104916

(6) Establish a process by which the director, based on 104917  
deficiencies identified as a result of conducting an on-site 104918  
review or otherwise evaluating a community mental health 104919  
services provider or community addiction services provider under 104920  
division ~~(I)~~(H) of this section, may take any range of 104921  
correction actions, including revocation of the provider's 104922  
certification. 104923

~~(M) (1)~~(L) (1) The director may issue an order suspending 104924  
admissions to a community addiction services provider that 104925  
provides overnight accommodations if the director finds either 104926  
of the following: 104927

(a) The provider's certifiable services and supports are 104928  
not in compliance with rules adopted under this section; 104929

(b) The provider has been cited for more than one 104930  
violation of statutes or rules during any previous certification 104931  
period of the provider. 104932

(2) (a) Except as provided in division ~~(M) (2) (b)~~(L) (2) (b) 104933  
of this section, proceedings initiated to suspend admissions to 104934

a community addiction services provider that provides overnight accommodations are governed by Chapter 119. of the Revised Code. 104935  
104936

(b) If a suspension of admissions is proposed because the director has determined that the provider has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of patients, the director may issue an order suspending admissions before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift the order for the suspension of admissions if the director determines that the violation that formed the basis for the order has been corrected. 104937  
104938  
104939  
104940  
104941  
104942  
104943  
104944  
104945  
104946

(3) Appeals from proceedings initiated to order the suspension of admissions shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply: 104947  
104948  
104949  
104950  
104951

(a) The provider may request a hearing not later than ten days after being served in accordance with sections 119.05 and 119.07 of the Revised Code. 104952  
104953  
104954

(b) If a timely request for a hearing that includes the provider's current address is made, the hearing shall commence not later than thirty days after the department receives the request. 104955  
104956  
104957  
104958

(c) After commencing, the hearing shall continue uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the provider and the director. 104959  
104960  
104961  
104962

(d) If the hearing is conducted by a hearing examiner, the 104963

hearing examiner shall file a report and recommendations with 104964  
the department not later than ten days after the last of the 104965  
following: 104966

(i) The close of the hearing; 104967

(ii) If a transcript of the proceedings is ordered, the 104968  
hearing examiner receives the transcript; 104969

(iii) If post-hearing briefs are timely filed, the hearing 104970  
examiner receives the briefs. 104971

(e) The hearing examiner shall send a written copy of the 104972  
report and recommendations, by certified mail, to the provider, 104973  
or the provider's attorney, if applicable, not later than five 104974  
days after the report is filed with the department. 104975

(f) Not later than five days after receiving the report 104976  
and recommendations, the provider may file objections with the 104977  
department. 104978

(g) Not later than fifteen days after the hearing examiner 104979  
files the report and recommendations, the department shall issue 104980  
an order approving, modifying, or disapproving the report and 104981  
recommendations. 104982

(h) Notwithstanding the pendency of the hearing, the 104983  
department shall lift the order for the suspension of admissions 104984  
if the department determines the violation that formed the basis 104985  
for the order has been corrected. 104986

~~(N) (1)~~ (M) (1) In a proceeding initiated to suspend 104987  
admissions to a community addiction services provider that 104988  
provides overnight accommodations, to deny an application for 104989  
certification of certifiable services and supports, to refuse to 104990  
renew certification, or to revoke certification, the department 104991

may order the suspension, denial, refusal, or revocation 104992  
regardless of whether some or all of the deficiencies that 104993  
prompted the proceedings have been corrected at the time of the 104994  
hearing. 104995

(2) When the department issues an order suspending 104996  
admissions to a community addiction services provider that 104997  
provides overnight accommodations, denies an application for 104998  
certification of certifiable services and supports, refuses to 104999  
renew certification, or revokes a certification, the department 105000  
shall not grant an opportunity for submitting a plan of 105001

program sponsor, medical director, or director of the provider 105405  
if the individual is receiving a medication used in medication- 105406  
assisted treatment from any community addiction services 105407  
provider. 105408

(J) The department may issue orders to ensure compliance 105409  
with all laws relating to drug abuse and the rules adopted under 105410  
this section. Subject to section 5119.27 of the Revised Code, 105411  
the department may hold hearings, require the production of 105412  
relevant matter, compel testimony, issue subpoenas, and make 105413  
adjudications. Upon failure of a person without lawful excuse to 105414  
obey a subpoena or to produce relevant matter, the department 105415  
may apply to a court of common pleas for an order compelling 105416  
compliance. 105417

(K) The department may refuse to issue, or may withdraw or 105418  
revoke, a license to operate an opioid treatment program. A 105419  
license may be refused if a community addiction services 105420  
provider does not meet the requirements of division (C) of this 105421  
section. A license may be withdrawn at any time the department 105422  
determines that the provider no longer meets the requirements 105423  
for receiving the license. A license may be revoked in 105424  
accordance with division (L) of this section. 105425

Once a license is issued under this section, the 105426  
department shall not consider the requirement of division (C) (4) 105427  
of this section in determining whether to renew, withdraw, or 105428  
revoke the license or whether to reissue the license as a result 105429  
of a change in ownership. 105430

(L) If the department finds reasonable cause to believe 105431  
that a community addiction services provider licensed under this 105432  
section is in violation of any state or federal law or rule 105433  
relating to drug abuse, the department may issue an order 105434  
immediately revoking the license, subject to division (M) of 105435  
this section. The department shall set a date not more than 105436  
fifteen days later than the date of the order of revocation for 105437  
a hearing on the continuation or cancellation of the revocation. 105438  
For good cause, the department may continue the hearing on 105439  
application of any interested party. In conducting hearings, the 105440  
department has all the authority and power set forth in division 105441  
(J) of this section. Following the hearing, the department shall 105442  
either confirm or cancel the revocation. The hearing shall be 105443  
conducted in accordance with Chapter 119. of the Revised Code, 105444  
except that the provider shall not be permitted to operate an 105445  
opioid treatment program pending the hearing or pending any 105446  
appeal from an adjudication made as a result of the hearing. 105447  
Notwithstanding any provision of Chapter 119. of the Revised 105448  
Code to the contrary, a court shall not stay or suspend any 105449  
order of revocation issued by the department under this division 105450  
pending judicial appeal. 105451

(M) The department shall not revoke a license to operate 105452  
an opioid treatment program unless all clients receiving 105453  
medication used in medication-assisted treatment from the 105454  
community addiction services provider are provided adequate 105455  
substitute medication or treatment. For purposes of this 105456

division, the department may transfer the clients to other 105457  
providers licensed to operate opioid treatment programs or 105458  
replace any or all of the administrators and staff of the 105459  
provider with representatives of the department who shall 105460  
continue on a provisional basis the opioid treatment component 105461  
of the provider's operations. 105462

(N) Each time the department receives an application from 105463  
a community addiction services provider for a license to operate 105464  
an opioid treatment program, issues or refuses to issue a 105465  
license, or withdraws or revokes a license, the department shall 105466  
notify the board of alcohol, drug addiction, and mental health 105467  
services of each alcohol, drug addiction, and mental health 105468  
service district in which the provider operates. 105469

(O) Whenever it appears to the department from files, upon 105470  
complaint, or otherwise, that a community addiction services 105471  
provider has engaged in any practice declared to be illegal or 105472  
prohibited by section 3719.61 of the Revised Code, or any other 105473  
state or federal laws or regulations relating to drug abuse, or 105474  
when the department believes it to be in the best interest of 105475  
the public and necessary for the protection of the citizens of 105476  
the state, the department may request criminal proceedings by 105477  
laying before the prosecuting attorney of the proper county any 105478  
evidence of criminality which may come to its knowledge. 105479

(P) The department shall maintain a current list of 105480  
community addiction services providers licensed by the 105481  
department under this section and shall provide a copy of the 105482  
current list to a judge of a court of common pleas who requests 105483  
a copy for the use of the judge under division (H) of section 105484  
2925.03 of the Revised Code and to a board of alcohol, drug 105485

relocate an opioid treatment program licensed under section 105519

declaration under division (A) of this section. If, before 105521  
expiration of the declaration, the provider applies for issuance 105522  
of a license due to relocation, the department shall not 105523  
consider the requirement of division (C) (4) of section 5119.37 105524  
of the Revised Code in determining whether to reissue the 105525  
license due to relocation. 105526

impairment an individual must have so that the amount 105914  
appropriated for the program by the general assembly is adequate 105915  
for the number of eligible individuals. The rules shall not 105916  
limit the eligibility of individuals who are disabled solely on 105917  
a basis classifying disabilities as physical or mental. 105918

(D) The county department of job and family services of 105919  
the county in which an applicant for the residential state 105920

reimbursement and grants. 105968

(2) The director of ~~mental behavioral health and addiction~~ 105969  
~~services~~ shall not approve state reimbursement or a state grant 105970

specifying the services, in addition to housing, that will be 105973  
provided to persons who will reside in the residential housing. 105974  
Services specified may include any of the services described in 105975

**Sec. 5119.421.** (A) This section applies to a board of 105992  
alcohol, drug addiction, and mental health services, another 105993  
governmental entity, or a private, nonprofit organization that 105994  
received a grant or reimbursement under section 5119.42 of the 105995  
Revised Code for a facility on which the department of ~~mental-~~ 105996  
behavioral health and addiction services holds a security 105997  
interest. 105998

(B) A board of alcohol, drug addiction, and mental health 105999  
services, another governmental entity, or a private, nonprofit 106000  
organization to which this section applies may apply to the 106001  
director of ~~mental behavioral health and addiction services~~ for 106002  
approval to sell its facility and acquire, construct, or 106003  
renovate a replacement facility pursuant to this section. The 106004  
director shall prescribe the form of the application. Before 106005  
submitting an application to the director, a governmental entity 106006

application from the board of alcohol, drug addiction, and 106008  
mental health services with jurisdiction over the service 106009  
district in which the existing facility is located. The director 106010  
shall approve an application for a replacement project upon 106011

determining that the project provides for the continuation of 106012  
appropriate mental health and addiction services to the 106013  
population served by the board, entity, or organization. 106014

(C) A board, entity, or organization that obtains approval 106015  
for a project under division (B) of this section shall pay the 106016

behavioral health ~~and addiction services~~. The director shall 106018  
deposit the proceeds to the credit of the community capital 106019  
replacement facilities fund. 106020

(D) When a board, entity, or organization that has sold 106021  
its facility notifies the director of ~~mental-~~behavioral health 106022  
~~and addiction services~~ that it is ready to acquire, construct, 106023  
or renovate a replacement facility, the director shall do one of 106024  
the following: 106025

(1) If the replacement facility is located in the same 106026  
alcohol, drug addiction, and mental health service district as 106027  
the original facility, and if the purposes for which the 106028  
replacement facility will be used are the same as or similar to 106029  
those for the original facility, the director shall pay to the 106030  
board, entity, or organization from the community capital 106031  
replacement facilities fund an amount equal to the lesser of an 106032  
amount equal to the proceeds of the sale of the original 106033  
facility or the amount of the state's agreed-upon participation 106034  
(as a per cent of the total cost) in the cost of the replacement 106035  
facility. If the amount of the state's agreed-upon participation 106036  
in the cost of the replacement facility is less than the value 106037  
of the state's security interest in the original facility, the 106038  
difference between the state's agreed-upon participation in the 106039  
cost of the replacement facility and the value of the state's 106040  
security interest in the original facility shall be retained in 106041

the community capital replacement facilities fund, and any 106042  
excess proceeds shall be paid to the board, entity, or 106043  
organization. 106044

(2) If the replacement facility is located in a different 106045  
alcohol, drug addiction, and mental health service district than 106046  
the original facility, or if the purposes for which the 106047  
replacement facility will be used are not the same as or similar 106048  
to those for the original facility, the director shall request 106049  
controlling board approval for release of funds for the project. 106050  
If the controlling board so approves, the director shall pay to 106051  
the board, entity, or organization from the community capital 106052  
replacement facilities fund the lesser of an amount equal to the 106053  
proceeds of the sale of the original facility or the amount of 106054  
the state's agreed-upon participation (as a per cent of the 106055  
total cost) in the cost of the replacement facility. If the 106056  
amount of the state's agreed-upon participation in the cost of 106057  
the replacement facility is less than the value of the state's 106058  
security interest in the original facility, the difference 106059  
between the state's agreed-upon participation in the cost of the 106060  
replacement facility and the value of the state's security 106061  
interest in the original facility shall be retained in the 106062  
community capital replacement facilities fund, and any excess 106063  
proceeds shall be paid to the board, entity, or organization. 106064

(E) The director of ~~mental-behavioral health and addiction~~ 106065  
~~services~~ and a board, entity, or organization shall enter into 106066  
an agreement specifying the terms of any payment made to the 106067  
board, entity, or organization under division (D) of this 106068  
section. The terms may include provision for the department of 106069  
~~mental-behavioral health and addiction services~~ to hold a 106070  
security interest in the facility. 106071

(F) (1) When approving an application under division (B) of 106072  
this section, the director of ~~mental-behavioral health and~~ 106073  
~~addiction services~~ shall establish a deadline by which the 106074  
board, entity, or organization must notify the director that it 106075  
is ready to acquire, construct, or renovate a replacement 106076  
facility. If the board, entity, or organization does not notify 106077  
the director on or before the deadline, the director may cancel 106078  
the project. Upon canceling the project, the director shall pay 106079  
to the board, entity, or organization from the community capital 106080  
replacement facilities fund an amount equal to the portion of 106081  
the proceeds of the sale of the original facility that exceeds 106082  
the value of the state's security interest in the facility. 106083

(2) Notwithstanding the deadline established under 106084  
division (F) (1) of this section, if at any time a board, entity, 106085  
or organization notifies the director that it does not intend to 106086  
acquire, construct, or renovate a replacement facility under 106087  
this section, the director shall cancel the replacement project 106088  
and pay to the board, entity, or organization from the community 106089  
capital replacement facilities fund an amount equal to the 106090  
portion of the proceeds of the sale of the original facility 106091  
that exceeds the value of the state's security interest in the 106092  
facility. 106093

(G) If a replacement project is canceled after the sale of 106094  
the original facility, the director of ~~mental-behavioral health~~ 106095  
~~and addiction services~~ shall use funds equal to the value of the 106096  
state's security interest in the original facility for 106097  
additional grants or reimbursements under section 5119.42 of the 106098  
Revised Code. The director shall obtain the approval of the 106099  
controlling board before releasing the additional grants or 106100  
reimbursements. 106101

(H) The community capital replacement facilities fund is hereby created in the state treasury. The director of ~~mental-behavioral health and addiction services~~ shall use the fund for the purposes of this section.

**Sec. 5119.43.** (A) The director of ~~mental-behavioral health and addiction services~~ may enter into agreements with any person, political subdivision, or state agency for the sale or lease of land or facilities under the jurisdiction of the director of ~~mental-behavioral health and addiction services~~ in the following manner:

(4) Every list of lands and facilities certified by the 106133  
director of ~~mental-behavioral health and addiction services~~ to 106134  
the clerk of the house of representatives and to the clerk of 106135  
the senate under division (A) (3) of this section, shall 106136  
immediately be transmitted by the respective clerks to the 106137

services under division (A) (4) of this section, the director of 106151  
~~mental-behavioral health and addiction services~~ shall have a 106152  
formal appraisal made of the lands and facilities by a 106153  
disinterested professional appraiser from the department of 106154  
administrative services. The director of ~~mental-behavioral~~ 106155  
health and addiction services may accept the formal appraisal or 106156  
may reject it and order a new formal appraisal by a 106157  
disinterested professional appraiser who shall not be from the 106158  
department of administrative services. The director of ~~mental-~~ 106159  
behavioral health and addiction services may then sell or lease 106160

director of ~~mental behavioral~~ health and ~~addiction services~~ 106177  
shall give written notice of intention to sell the lands by 106178  
certified mail to the executive officer of each county, 106179  
township, municipal corporation, and school district within 106180  
which the lands are situated. In each notice, the director of 106181  
~~mental behavioral~~ health and ~~addiction services~~ shall specify 106182  
the conditions under which the lands shall be sold, including 106183

**Sec. 5122.15.** (A) Full hearings shall be conducted in a 107847  
manner consistent with this chapter and with due process of law. 107848  
The hearings shall be conducted by a judge of the probate court 107849

held. Any referee designated under this division shall be an 107852

(1) With the consent of the respondent, the following 107854

absent from the hearing, and has not validly waived the right to 107871  
counsel, the court shall appoint counsel immediately to 107872  
represent the respondent at the hearing, reserving the right to 107873

shown that the respondent is indigent. If the court appoints 107875  
counsel, or if the court determines that the evidence relevant 107876  
to the respondent's absence does not justify the absence, the 107877  
court shall continue the case. 107878

(4) The respondent shall be informed that the respondent 107879  
may retain counsel and have independent expert evaluation. If 107880  
the respondent is unable to obtain an attorney, the respondent 107881

107887  
107888

(6) If the hearing is closed to the public, the court, for good cause shown, may admit persons who have a legitimate interest in the proceedings. If the respondent, the respondent's counsel, or the designee of the director or of the chief clinical officer objects to the admission of any person, the court shall hear the objection and any opposing argument and shall rule upon the admission of the person to the hearing. 107889  
107890  
107891  
107892  
107893

(7) The affiant under section 5122.11 of the Revised Code shall be subject to subpoena by either party. 107896  
107897

(8) The court shall examine the sufficiency of all documents filed and shall inform the respondent, if present, and the respondent's counsel of the nature and content of the documents and the reason for which the respondent is being detained, or for which the respondent's placement is being sought. 107898  
107899  
107900  
107901  
107902  
107903

(9) The court shall receive only reliable, competent, and material evidence. 107904  
107905

(10) Unless proceedings are initiated pursuant to section 5120.17 or 5139.08 of the Revised Code, an attorney that the board designates shall present the case demonstrating that the respondent is a person with a mental illness subject to court order. The attorney shall offer evidence of the diagnosis, prognosis, record of treatment, if any, and less restrictive 107906

5120.17 or 5139.08 of the Revised Code, the attorney general 107913  
shall designate an attorney who shall present the case 107914  
demonstrating that the respondent is a person with a mental 107915  
illness subject to court order. The attorney shall offer 107916  
evidence of the diagnosis, prognosis, record of treatment, if 107917  
any, and less restrictive treatment plans, if any. 107918

(11) The respondent or the respondent's counsel has the 107919  
right to subpoena witnesses and documents and to examine and 107920  
cross-examine witnesses. 107921

(12) The respondent has the right, but shall not be 107922  
compelled, to testify, and shall be so advised by the court. 107923

(13) On motion of the respondent or the respondent's 107924  
counsel for good cause shown, or on the court's own motion, the 107925  
court may order a continuance of the hearing. 107926

(14) If the respondent is represented by counsel and the 107927  
respondent's counsel requests a transcript and record, or if the 107928  
respondent is not represented by counsel, the court shall make 107929  
and maintain a full transcript and record of the proceeding. If 107930  
the respondent is indigent and the transcript and record is 107931  
made, a copy shall be provided to the respondent upon request 107932  
and be treated as an expense under section 5122.43 of the 107933  
Revised Code. 107934

(15) To the extent not inconsistent with this chapter, the 107935  
Rules of Civil Procedure are applicable. 107936

(B) Unless, upon completion of the hearing the court finds 107937  
by clear and convincing evidence that the respondent is a person 107938  
with a mental illness subject to court order, it shall order the 107939  
respondent's discharge immediately. 107940

(C) If, upon completion of the hearing, the court finds by clear and convincing evidence that the respondent is a person with a mental illness subject to court order, the court shall order the respondent for a period not to exceed ninety days to any of the following:

(1) A hospital operated by the department of ~~mental-behavioral health and addiction services~~ if the respondent is committed pursuant to section 5139.08 of the Revised Code;

(2) A nonpublic hospital;

(D) Any order made pursuant to division (C) (2), (3), (5), or (6) of this section shall be conditioned upon the receipt by the court of consent by the hospital, facility, agency, or person to accept the respondent and may include a requirement that a person or entity described in division (C) (2), (3), (5), or (6) of this section inform the board of alcohol, drug addiction, and mental health services or community mental health services provider the board designates about the progress of the respondent with the treatment plan.

(E) In determining the entity or person to which the respondent is to be committed under division (C) of this section, the court shall consider all of the following:

(1) The respondent's diagnosis and prognosis made by a psychiatrist, licensed clinical psychologist, clinical nurse specialist who is certified as a psychiatric-mental health clinical nurse specialist by the American nurses credentialing center, or certified nurse practitioner who is certified as a psychiatric-mental health nurse practitioner by the American nurses credentialing center;

(2) The respondent's preferences;

(3) The respondent's projected treatment plan.

The court shall order the implementation of the least restrictive alternative available and consistent with treatment goals. If the court determines that the least restrictive alternative available that is consistent with treatment goals is inpatient hospitalization, the court's order shall so state.

(F) During the ninety-day period the entity or person shall examine and treat the respondent. If the respondent is receiving treatment in an outpatient setting, or receives treatment in an outpatient setting during a subsequent period of continued commitment under division (H) of this section, the entity or person to whom the respondent is committed shall determine the appropriate outpatient treatment for the respondent. If, at any time prior to the expiration of the ninety-day period, it is determined by the entity or person that the respondent's treatment needs could be equally well met in an available and appropriate less restrictive setting, both of the following apply:

(1) The respondent shall be released from the care of the entity or person immediately and shall be referred to the court together with a report of the findings and recommendations of the entity or person;

(2) The entity or person shall notify the respondent's counsel or the attorney designated by a board of alcohol, drug addiction, and mental health services or, if the respondent was committed to a board or a services provider designated by the board, it shall place the respondent in the least restrictive setting available consistent with treatment goals and notify the court and the respondent's counsel of the placement.

The court shall dismiss the case or order placement in the least restrictive setting.

(G) (1) Except as provided in division (G) (2) of this section, any person for whom proceedings for treatment have been commenced pursuant to section 5122.11 of the Revised Code, may apply at any time for voluntary admission or treatment to the entity or person to which the person was committed. Upon admission as a voluntary patient the chief clinical officer of the entity or the person immediately shall notify the court, the patient's counsel, and the attorney designated by the board, if the attorney has entered the proceedings, in writing of that fact, and, upon receipt of the notice, the court shall dismiss the case.

(2) A person who is found incompetent to stand trial or not guilty by reason of insanity and who is committed pursuant to section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code shall not voluntarily commit the person pursuant to this section until after the final termination of the commitment, as described in division (J) of section 2945.401 of

the Revised Code. 108028

(H) If, at the end of the first ninety-day period or any 108029  
subsequent period of continued commitment, there has been no 108030  
disposition of the case, either by discharge or voluntary 108031  
admission or treatment, the entity or person shall discharge the 108032  
patient immediately, unless at least ten days before the 108033  
expiration of the period the attorney the board designates or 108034  
the prosecutor files with the court an application for continued 108035  
commitment. The application of the attorney or the prosecutor 108036  
shall include a written report containing the diagnosis, 108037  
prognosis, past treatment, a list of alternative treatment 108038  
settings and plans, and identification of the treatment setting 108039  
that is the least restrictive consistent with treatment needs. 108040  
The attorney the board designates or the prosecutor shall file 108041  
the written report at least three days prior to the full 108042  
hearing. A copy of the application and written report shall be 108043  
provided to the respondent's counsel immediately. 108044

The court shall hold a full hearing on applications for 108045  
continued commitment at the expiration of the first ninety-day 108046  
period and at least every two years after the expiration of the 108047  
first ninety-day period. 108048

Hearings following any application for continued 108049  
commitment are mandatory and may not be waived. 108050

For a respondent who is ordered to receive treatment in an 108051  
outpatient setting, if at any time after the first ninety-day 108052  
period the entity or person to whom the respondent was ordered 108053  
determines that the respondent has demonstrated voluntary 108054  
consent for treatment, that entity or person shall immediately 108055  
notify the respondent, the respondent's counsel, the attorney 108056  
designated by the board, and the court. The entity or person 108057

shall submit to the court a report of the findings and 108058  
recommendations. The court may dismiss the case upon review of 108059  
the facts. 108060

Upon request of a person who is involuntarily committed 108061  
under this section, or the person's counsel, that is made more 108062  
than one hundred eighty days after the person's last full 108063  
hearing, mandatory or requested, the court shall hold a full 108064  
hearing on the person's continued commitment. Upon the 108065  
application of a person involuntarily committed under this 108066  
section, supported by an affidavit of a psychiatrist or licensed 108067  
clinical psychologist, alleging that the person no longer is a 108068  
person with a mental illness subject to court order, the court 108069  
for good cause shown may hold a full hearing on the person's 108070  
continued commitment prior to the expiration of one hundred 108071  
eighty days after the person's last full hearing. Section 108072  
5122.12 of the Revised Code applies to all hearings on continued 108073  
commitment. 108074

If the court, after a hearing for continued commitment 108075  
finds by clear and convincing evidence that the respondent is a 108076  
person with a mental illness subject to court order, the court 108077  
may order continued commitment at places or to persons specified 108078  
in division (C) of this section. 108079

(I) Unless the admission is pursuant to section 5120.17 or 108080  
5139.08 of the Revised Code, the chief clinical officer of the 108081  
entity admitting a respondent pursuant to a judicial proceeding, 108082  
within ten working days of the admission, shall make a report of 108083  
the admission to the board of alcohol, drug addiction, and 108084  
mental health services serving the respondent's county of 108085  
residence. 108086

(J) A referee appointed by the court may make all orders 108087

that a judge may make under this section and sections 5122.11 108088  
and 5122.141 of the Revised Code, except an order of contempt of 108089  
court. The orders of a referee take effect immediately. Within 108090  
fourteen days of the making of an order by a referee, a party 108091  
may file written objections to the order with the court. The 108092  
filed objections shall be considered a motion, shall be 108093  
specific, and shall state their grounds with particularity. 108094  
Within ten days of the filing of the objections, a judge of the 108095  
court shall hold a hearing on the objections and may hear and 108096  
consider any testimony or other evidence relating to the 108097  
respondent's mental condition. At the conclusion of the hearing, 108098  
the judge may ratify, rescind, or modify the referee's order. 108099

(K) An order of the court under division (C), (H), or (J) 108100  
of this section is a final order. 108101

(L) Before a board, or a services provider the board 108102  
designates, may place an unconsenting respondent in an inpatient 108103  
setting from a less restrictive placement, the board or services 108104  
provider shall do all of the following: 108105

(1) Determine that the respondent is in immediate need of 108106  
treatment in an inpatient setting because the respondent 108107  
represents a substantial risk of physical harm to the respondent 108108  
or others if allowed to remain in a less restrictive setting; 108109

(2) On the day of placement in the inpatient setting or on 108110  
the next court day, file with the court a motion for transfer to 108111  
an inpatient setting or communicate to the court by telephone 108112  
that the required motion has been mailed; 108113

(3) Ensure that every reasonable and appropriate effort is 108114  
made to take the respondent to the inpatient setting in the 108115  
least conspicuous manner possible; 108116

(4) Immediately notify the board's designated attorney and 108117  
the respondent's attorney. 108118

At the respondent's request, the court shall hold a 108119  
hearing on the motion and make a determination pursuant to 108120  
division (E) of this section within five days of the placement. 108121

(M) Before a board, or a services provider the board 108122  
designates, may move a respondent from one residential placement 108123  
to another, the board or services provider shall consult with 108124  
the respondent about the placement. If the respondent objects to 108125  
the placement, the proposed placement and the need for it shall 108126  
be reviewed by a qualified mental health professional who 108127  
otherwise is not involved in the treatment of the respondent. 108128

(N) The entity or person to whom the respondent was 108129  
ordered for treatment in an outpatient setting may submit a 108130  
report to the court indicating that the respondent has either 108131  
failed to comply with the treatment plan or begun to demonstrate 108132  
signs of decompensation that may be grounds for hospitalization. 108133  
On receipt of the report, the court shall promptly schedule a 108134  
hearing to review the case. The court shall conduct the hearing 108135  
in a manner consistent with this chapter and due process of law. 108136  
The board shall receive notice of the hearing and the board and 108137  
entity or person treating the respondent shall submit a report 108138  
to the court with a plan for appropriate alternative treatment, 108139  
if any, or recommend that the court discontinue the court- 108140  
ordered treatment. The court shall consider available and 108141  
appropriate alternative placements but shall not impose criminal 108142  
sanctions that result in confinement in a jail or other local 108143  
correctional facility based on the respondent's failure to 108144  
comply with the treatment plan. The court may not order the 108145  
respondent to a more restrictive placement unless the criteria 108146

specified in division (L) of this section are met and may not 108147  
order the respondent to an inpatient setting unless the court 108148  
determines by clear and convincing evidence presented by the 108149  
board that the respondent meets the criteria specified in 108150  
divisions (A) and (B) (1), (2), (3), or (4) of section 5122.01 of 108151

a receiver to take possession of and operate a residential 109224  
facility licensed by the department of developmental 109225  
disabilities, in causes pending in such courts respectively, 109226  
when conditions existing at the facility present a substantial 109227  
risk of physical or mental harm to residents and no other 109228  
remedies at law are adequate to protect the health, safety, and 109229  
welfare of the residents. Conditions at the facility that may 109230  
present such risk of harm include, but are not limited to, 109231  
instances when any of the following occur: 109232

(1) The residential facility is in violation of state or 109233  
federal law or regulations. 109234

(2) The facility has had its license revoked or procedures 109235  
for revocation have been initiated, or the facility is closing 109236  
or intends to cease operations. 109237

(3) Arrangements for relocating residents need to be made. 109238

(4) Insolvency of the operator, licensee, or landowner 109239  
threatens the operation of the facility. 109240

(5) The facility or operator has demonstrated a pattern 109241  
and practice of repeated violations of state or federal laws or 109242  
regulations. 109243

(B) A court in which a petition is filed pursuant to this 109244  
section shall notify the person holding the license for the 109245  
facility and the department of developmental disabilities of the 109246

facility owner, facility operator, county board of developmental 109248  
disabilities, facility residents, and residents' parents and 109249  
guardians of the filing of the petition. 109250

The court shall provide a hearing on the petition within 109251  
five court days of the time it was filed, except that the court 109252

may appoint a receiver prior to that time if it determines that 109253  
the circumstances necessitate such action. Following a hearing 109254  
on the petition, and upon a determination that the appointment 109255  
of a receiver is warranted, the court shall appoint a receiver 109256  
and notify the department of developmental disabilities and 109257

(D) When the operating revenue of a residential facility 109263  
in receivership is insufficient to meet its operating expenses, 109264  
including the cost of bringing the facility into compliance with 109265  
state or federal laws or regulations, the court may order the 109266  
state to provide necessary funding, except as provided in 109267  
division (K) of this section. The state shall provide such 109268  
funding, subject to the approval of the controlling board. The 109269  
court may also order the appropriate authorities to expedite all 109270  
inspections necessary for the issuance of licenses or the 109271  
certification of a facility, and order a facility to be closed 109272  
if it determines that reasonable efforts cannot bring the 109273  
facility into substantial compliance with the law. 109274

(E) In establishing a receivership, the court shall set 109275  
forth the powers and duties of the receiver. The court may 109276  
generally authorize the receiver to do all that is prudent and 109277  
necessary to safely and efficiently operate the residential 109278  
facility within the requirements of state and federal law, but 109279  
shall require the receiver to obtain court approval prior to 109280  
making any single expenditure of more than five thousand dollars 109281

facility. The court shall closely review the conduct of the 109283  
receiver it has appointed and shall require regular and detailed 109284  
reports. The receivership shall be reviewed at least every sixty 109285  
days. 109286

(F) A receivership established pursuant to this section 109287

parties and a hearing, if the court determines either of the 109289

present a substantial risk of physical or mental harm to 109294  
residents, and there is no deficiency in the facility that is 109295  
likely to create a future risk of harm. 109296

Notwithstanding division (F) (2) of this section, the court 109297  
shall not terminate a receivership for a residential facility 109298  
that has previously operated under another receivership unless 109299  
the responsibility for the operation of the facility is 109300  
transferred to an operator approved by the court and the 109301  
department of developmental disabilities. 109302

(G) The department of developmental disabilities may, upon 109303  
its own initiative or at the request of an owner, operator, or 109304  
resident of a residential facility, or at the request of a 109305  
resident's guardian or relative or a county board of 109306  
developmental disabilities, petition the court to appoint a 109307  
receiver to take possession of and operate a residential 109308  
facility. When the department has been requested to file a 109309  
petition by any of the parties listed above, it shall, within 109310  
forty-eight hours of such request, either file such a petition 109311

or notify the requesting party of its decision not to file. If 109312  
the department refuses to file, the requesting party may file a 109313  
petition with the court requesting the appointment of a receiver 109314  
to take possession of and operate a residential facility. 109315

Petitions filed pursuant to this division shall include 109316  
the following: 109317

(1) A description of the specific conditions existing at 109318  
the facility which present a substantial risk of physical or 109319  
mental harm to residents; 109320

(2) A statement of the absence of other adequate remedies 109321  
at law; 109322

(3) The number of individuals residing at the facility; 109323

(4) A statement that the facts have been brought to the 109324  
attention of the owner or licensee and that conditions have not 109325  
been remedied within a reasonable period of time or that the 109326  
conditions, though remedied periodically, habitually exist at 109327  
the facility as a pattern or practice; 109328

(5) The name and address of the person holding the license 109329  
for the facility and the address of the department of 109330  
developmental disabilities. 109331

The court may award to an operator appropriate costs and 109332  
expenses, including reasonable attorney's fees, if it determines 109333  
that a petitioner has initiated a proceeding in bad faith or 109334  
merely for the purpose of harassing or embarrassing the 109335  
operator. 109336

(H) Except for the department of developmental 109337  
disabilities or a county board of developmental disabilities, no 109338  
party or person interested in an action shall be appointed a 109339

receiver pursuant to this section. 109340

To assist the court in identifying persons qualified to be 109341  
named as receivers, the director of developmental disabilities 109342  
shall maintain a list of the names of such persons. The director 109343  
shall, in accordance with Chapter 119. of the Revised Code, 109344  
establish standards for evaluating persons desiring to be 109345  
included on such a list. 109346

(I) Before a receiver enters upon the duties of that 109347  
person, the receiver must be sworn to perform the duties of 109348  
receiver faithfully, and, with surety approved by the court, 109349  
judge, or clerk, execute a bond to such person, and in such sum 109350  
as the court or judge directs, to the effect that such receiver 109351  
will faithfully discharge the duties of receiver in the action, 109352  
and obey the orders of the court therein. 109353

**Sec. 5160.37.** (A) A medical assistance recipient's enrollment in a medical assistance program gives an automatic right of recovery to the department of medicaid and a county department of job and family services against the liability of a third party for the cost of medical assistance paid on behalf of the recipient. When an action or claim is brought against a third party by a medical assistance recipient, any payment, settlement or compromise of the action or claim, or any court award or judgment, is subject to the recovery right of the department of medicaid or county department. Except in the case of a medical assistance recipient who receives medical assistance through a medicaid managed care organization, the department's or county department's claim shall not exceed the amount of medical assistance paid by the department or county department on behalf of the recipient. A payment, settlement, 110708

110711  
110712  
110713  
110714  
110715  
110716  
110717  
110718  
110719  
110720  
110721  
110722

compromise, judgment, or award that excludes the cost of medical 110723  
assistance paid for by the department or county department shall 110724  
not preclude a department from enforcing its rights under this 110725  
section. 110726

(B) (1) In the case of a medical assistance recipient who 110727  
receives medical assistance through a medicaid managed care 110728  
organization that has a capitation agreement with a provider, 110729  
the amount of the department's or county department's claim 110730  
shall be the amount the medicaid managed care organization would 110731  
have paid in the absence of a capitation agreement. 110732

(2) In the case of a medical assistance recipient who 110733  
receives medical assistance through a medicaid managed care 110734  
organization that does not have a capitation agreement with a 110735  
provider, the amount of the department's or county department's 110736  
claim shall be the amount the medicaid managed care organization 110737  
pays for medical assistance rendered to the recipient, even if 110738  
that amount is more than the amount the department or county 110739  
department pays to the medicaid managed care organization for 110740  
the recipient's medical assistance. 110741

(C) A medical assistance recipient, and the recipient's 110742  
attorney, if any, shall cooperate with the departments. In 110743  
furtherance of this requirement, the medical assistance 110744  
recipient, or the recipient's attorney, if any, shall, not later 110745  
than thirty days after initiating informal recovery activity or 110746  
filing a legal recovery action against a third party, provide 110747  
written notice of the activity or action to the department of 110748  
medicaid or county department if it has paid for medical 110749  
assistance under a medical assistance program. 110750

(D) The written notice that must be given under division 110751  
(C) of this section shall disclose the identity and address of 110752

any third party against whom the medical assistance recipient 110753  
has or may have a right of recovery. 110754

(E) No settlement, compromise, judgment, or award or any 110755  
recovery in any action or claim by a medical assistance 110756  
recipient where the department or county department has a right 110757  
of recovery shall be made final without first giving the 110758  
department or county department written notice as described in 110759  
division (C) of this section and a reasonable opportunity to 110760  
perfect its rights of recovery. If the department or county 110761  
department is not given the appropriate written notice, the 110762  
medical assistance recipient and, if there is one, the 110763  
recipient's attorney, are liable to reimburse the department or 110764  
county department for the recovery received to the extent of 110765  
medical assistance payments made by the department or county 110766  
department. 110767

(F) The department or county department shall be permitted 110768  
to enforce its recovery rights against the third party even 110769  
though it accepted prior payments in discharge of its rights 110770  
under this section if, at the time the department or county 110771  
department received such payments, it was not aware that 110772  
additional medical expenses had been incurred but had not yet 110773  
been paid by the department or county department. The third 110774  
party becomes liable to the department or county department as 110775  
soon as the third party is notified in writing of the valid 110776  
claims for recovery under this section. 110777

(G) (1) Subject to division (G) (2) of this section, the 110778  
right of recovery of the department or county department does 110779  
not apply to that portion of any judgment, award, settlement, or 110780  
compromise of a claim, to the extent of attorneys' fees, costs, 110781  
or other expenses incurred by a medical assistance recipient in 110782

securing the judgment, award, settlement, or compromise, or to 110783  
the extent of medical, surgical, and hospital expenses paid by 110784  
such recipient from the recipient's own resources. 110785

(2) Reasonable attorneys' fees, not to exceed one-third of 110786  
the total judgment, award, settlement, or compromise, plus costs 110787  
and other expenses incurred by the medical assistance recipient 110788  
in securing the judgment, award, settlement, or compromise, 110789  
shall first be deducted from the total judgment, award, 110790  
settlement, or compromise. After fees, costs, and other expenses 110791  
are deducted from the total judgment, award, settlement, or 110792  
compromise, there shall be a rebuttable presumption that the 110793  
department of medicaid or county department shall receive no 110794  
less than one-half of the remaining amount, or the actual amount 110795  
of medical assistance paid, whichever is less. A party may rebut 110796  
the presumption in accordance with division (L) (1) ~~or~~, (2), or 110797  
(3) of this section, as applicable. 110798

(H) A right of recovery created by this section may be 110799  
enforced separately or jointly by the department of medicaid or 110800  
county department. To enforce its recovery rights, the 110801  
department or county department may do any of the following: 110802

(1) Intervene or join in any action or proceeding brought 110803  
by the medical assistance recipient or on the recipient's behalf 110804  
against any third party who may be liable for the cost of 110805  
medical assistance paid; 110806

(2) Institute and pursue legal proceedings against any 110807  
third party who may be liable for the cost of medical assistance 110808  
paid; 110809

(3) Initiate legal proceedings in conjunction with any 110810  
injured, diseased, or disabled medical assistance recipient or 110811

the recipient's attorney or representative. 110812

(I) A medical assistance recipient shall not assess 110813  
attorney fees, costs, or other expenses against the department 110814  
of medicaid or a county department when the department or county 110815  
department enforces its right of recovery created by this 110816  
section. 110817

(J) The right of recovery given to the department under 110818  
this section includes payments made by a third party under 110819  
contract with a person having a duty to support. 110820

(K) The department of medicaid may assign to a medical 110821  
assistance provider the right of recovery given to the 110822  
department under this section with respect to any claim for 110823  
which the department has notified the provider that the 110824  
department intends to recoup the department's prior payment for 110825  
the claim. 110826

(L) (1) Prior to any payment to the department or a county 110827  
department pursuant to the department's or county department's 110828  
right of recovery under this section, a party that desires to 110829  
rebut the presumption in division (G) of this section shall 110830  
submit to the department or county department a request for a 110831  
hearing in accordance with the procedure the department 110832  
establishes in rules required by division (O) of this section. 110833  
The amount sought by the department or county department shall 110834  
be held in escrow or in an interest on lawyers' trust account 110835  
until the hearing examiner renders a decision or the case is 110836  
otherwise concluded. A party successfully rebuts the presumption 110837  
by a showing of clear and convincing evidence that a different 110838  
allocation is warranted. 110839

(2) A medical assistance recipient who has repaid money, 110840

on or after September 29, 2007, to the department or a county 110841  
department pursuant to the department's or county department's 110842  
right of recovery under this section, section 5160.38 of the 110843  
Revised Code, or former section 5101.58 or 5101.59 of the 110844  
Revised Code may request a hearing to rebut the presumption in 110845  
division (G) of this section. The request shall be made in 110846  
accordance with the procedure the department establishes for 110847  
this purpose in rules required by division (O) of this section. 110848  
It must be made not later than one hundred eighty days after 110849  
September 29, 2015, or ninety days after the payment is made, 110850  
whichever is later. A party successfully rebuts the presumption 110851  
by a showing of clear and convincing evidence that a different 110852  
allocation is warranted. 110853

(3) A medical assistance recipient who has repaid money, 110854  
between April 6, 2007 and September 28, 2007, to the department 110855  
or a county department pursuant to the department's or county 110856  
department's right of recovery under this section, section 110857  
5160.38 of the Revised Code, or former section 5101.58 or 110858  
5101.59 of the Revised Code may request a hearing to rebut the 110859  
presumption in division (G) of this section. The request shall 110860  
be made not later than one hundred eighty days after the 110861  
effective date of this amendment in accordance with the 110862  
procedure the department establishes for this purpose in rules 110863  
required by division (O) of this section. The presumption is 110864  
successfully rebutted if the requestor demonstrates by clear and 110865  
convincing evidence that a different allocation is warranted. 110866

(4) With respect to a hearing requested under division (L) 110867  
(1) ~~or~~, (2), or (3) of this section, all of the following are 110868  
the case: 110869

(a) The hearing examiner may consider, but is not bound by 110870

the allocation of, medical expenses specified in a settlement 110871  
agreement between the medical assistance recipient and the 110872  
relevant third party; 110873

(b) The department or county department may raise 110874  
affirmative defenses during the hearing, including the existence 110875  
of a prior settlement with the medical assistance recipient, the 110876  
doctrine of accord and satisfaction, or the common law principle 110877  
of res judicata; 110878

(c) If the parties agree, live testimony shall not be 110879  
presented at the hearing; 110880

(d) The hearing may be governed by rules adopted under 110881  
section 5160.02 of the Revised Code. If such rules are adopted, 110882  
Chapter 119. of the Revised Code applies to the hearing only to 110883  
the extent specified in those rules; 110884

(e) The hearing examiner's decision is binding on the 110885  
department or county department and the medical assistance 110886  
recipient unless the decision is reversed or modified on appeal 110887  
to the medicaid director as described in division (M) of this 110888  
section; 110889

(f) A request for a hearing may be submitted by any of the 110890

(ii) The medical assistance recipient's authorized 110893  
representative; 110894

(iii) The executor or administrator of a medical 110895  
assistance recipient's estate authorized to make or pursue a 110896  
request; 110897

(iv) A court-appointed guardian; 110898

(v) An attorney who has been directly retained by the 110899  
medical assistance recipient, or the recipient's parent, legal 110900  
guardian, or court-appointed guardian. 110901

(M) (1) A medical assistance recipient who disagrees with a 110902  
hearing examiner's decision under division (L) of this section 110903  
may file an administrative appeal with the medicaid director in 110904  
accordance with the procedure the department establishes for 110905  
this purpose in rules required by division (O) of this section. 110906  
A hearing is not required during the administrative appeal, but 110907  
the director or the director's designee shall review the hearing 110908  
examiner's decision and any prior relevant administrative 110909  
action. After the review, the director or the director's 110910  
designee shall affirm, modify, remand, or reverse the hearing 110911  
decision. A decision made under this division is final and 110912  
binding on the department or county department and the medical 110913  
assistance recipient unless it is reversed or modified on appeal 110914  
to a court of common pleas as described in division (N) of this 110915  
section. 110916

(2) An administrative appeal may be governed by rules 110917  
adopted under section 5160.02 of the Revised Code. If such rules 110918  
are adopted, Chapter 119. of the Revised Code applies to an 110919  
administrative appeal only to the extent specified in those 110920  
rules. 110921

(N) A party to an administrative appeal described in 110922  
division (M) of this section may file an appeal with a court of 110923  
common pleas in accordance with section 119.12 of the Revised 110924  
Code. 110925

(O) The medicaid director shall adopt rules under section 110926  
5160.02 of the Revised Code as necessary to implement this 110927  
section, including rules establishing procedures a party may use 110928

to request a hearing under division (L) (1) ~~or~~, (2), or (3) of 110929  
this section or an administrative appeal under division (M) (1) 110930  
of this section. The rules shall be adopted in accordance with 110931  
Chapter 119. of the Revised Code. 110932

(P) Divisions (L) to (N) of this section are remedial in 110933  
nature and shall be liberally construed by the courts of this 110934  
state in accordance with section 1.11 of the Revised Code. Those 110935  
divisions specify the sole remedy available to a party who 110936  
claims the department or a county department has received or is 110937  
to receive more money than entitled to receive under this 110938  
section, section 5160.38 of the Revised Code, or former section 110939  
5101.58 or 5101.59 of the Revised Code. 110940

112031  
112032  
112033

(c) After the end of each calendar year, determine an annual average case-mix score for each nursing facility by using the quarterly case-mix scores determined for the nursing facility pursuant to division (A) (1) (a) (ii) of this section.

112160  
112161  
112162

(1) Determine the sum of the quality scores determined under division (C) of this section for all nursing facilities. 112163  
112164

(2) Determine the average quality score by dividing the sum determined under division (B)(1) of this section by the number of nursing facilities for which a quality score was determined. 112165  
112166  
112167  
112168

112172

(4) Multiply the average quality score determined under division (B)(2) of this section by the sum determined under division (B)(3) of this section. 112173  
112174  
112175

(5) Determine the value per quality point by determining 112176

section. 112179

(6) Multiply the value per quality point determined under 112182  
division (B) (5) of this section by the nursing facility's 112183  
quality score determined under division (C) of this section. 112184

(C) (1) Except as provided in divisions (C) (2) and (3) of 112185  
this section, a nursing facility's quality score for a state 112186  
fiscal year shall be the sum of the following: 112187

(a) The total number of points that CMS assigned to the 112188  
nursing facility under CMS's nursing facility five-star quality 112189  
rating system for the following quality metrics, or CMS's 112190  
successor metrics as described below, based on the most recent 112191  
four-quarter average data, or the average data for fewer 112192  
quarters in the case of successor metrics, available in the 112193  
database maintained by CMS and known as nursing home compare in 112194  
the most recent month of the calendar year during which the 112195  
fiscal year for which the rate is determined begins: 112196

(i) The percentage of the nursing facility's long-stay 112197  
residents at high risk for pressure ulcers who had pressure 112198  
ulcers; 112199

(ii) The percentage of the nursing facility's long-stay 112200  
residents who had a urinary tract infection; 112201

(iii) The percentage of the nursing facility's long-stay 112202  
residents whose ability to move independently worsened; 112203

(iv) The percentage of the nursing facility's long-stay 112204

residents who had a catheter inserted and left in their bladder. 112205

If CMS ceases to publish any of the metrics specified in 112206  
division (C)(1)(a) of this section, the department shall use the 112207  
nursing facility quality metrics on the same topics that CMS 112208  
subsequently publishes. 112209

(b) Seven and five-tenths points for fiscal year 2024 and 112210  
three points for fiscal year 2025 and subsequent fiscal years if 112211  
the nursing facility's occupancy rate is greater than seventy- 112212  
five per cent. For purposes of this division, the department 112213  
shall utilize the facility's occupancy rate for licensed beds 112214  
reported on its cost report for the calendar year preceding the 112215  
fiscal year for which the rate is determined or, if the facility 112216  
is not required to be licensed, the facility's occupancy rate 112217  
for certified beds. If the facility surrenders licensed or 112218  
certified beds before the first day of July of the calendar year 112219  
in which the fiscal year begins, the department shall calculate 112220  
a nursing facility's occupancy rate by dividing the inpatient 112221  
days reported on the facility's cost report for the calendar 112222  
year preceding the fiscal year for which the rate is determined 112223  
by the product of the number of days in the calendar year and 112224  
the facility's number of licensed, or if applicable, certified 112225  
beds on the first day of July of the calendar year in which the 112226  
fiscal year begins. 112227

(c) Beginning with state fiscal year 2025, the total 112228  
number of points that CMS assigned to the nursing facility under 112229  
CMS's nursing facility five-star quality rating system for the 112230  
following quality metrics, or successor metrics designated by 112231  
CMS, based on the most recent four-quarter average data 112232  
available in the database maintained by CMS and known as nursing 112233  
home compare in the most recent month of the calendar year 112234

during which the fiscal year for which the rate is determined 112235  
begins: 112236

(i) The percentage of the nursing facility's long-stay 112237  
residents whose need for help with daily activities has 112238  
increased; 112239

(ii) The percentage of the nursing facility's long-stay 112240  
residents experiencing one or more falls with major injury; 112241

(iii) The percentage of the nursing facility's long-stay 112242  
residents who were administered an antipsychotic medication; 112243

(iv) Adjusted total nurse staffing hours per resident per 112244  
day using quintiles instead of deciles by using the points 112245  
assigned to the higher of the two deciles that constitute the 112246  
quintile. 112247

If CMS ceases to publish any of the metrics specified in 112248  
division (C) (1) (c) of this section, the department shall use the 112249  
nursing facility quality metrics on the same topics CMS 112250  
subsequently publishes. 112251

(2) In determining a nursing facility's quality score for 112252  
a state fiscal year, the department shall make the following 112253  
adjustment to the number of points that CMS assigned to the 112254  
nursing facility for each of the quality metrics specified in 112255  
divisions (C) (1) (a) and (c) of this section: 112256

(a) Unless division (C) (2) (b) or (c) of this section 112257  
applies, divide the number of the nursing facility's points for 112258  
the quality metric by twenty. 112259

(b) If CMS assigned the nursing facility to the lowest 112260  
percentile for the quality metric, reduce the number of the 112261  
nursing facility's points for the quality metric to zero. 112262

(c) If the nursing facility's total number of points calculated for or during a state fiscal year for all of the quality metrics specified in divisions (C)(1)(a), and if applicable, division (C)(1)(c) of this section is less than a number of points that is equal to the twenty-fifth percentile of all nursing facilities, calculated using the points for the July 1 rate setting of that fiscal year reduce the nursing facility's points to zero until the next point calculation. If a facility's recalculated points under division (C)(3) of this section are below the number of points determined to be the twenty-fifth percentile for that fiscal year, the facility shall receive zero points for the remainder of that fiscal year.

(3) A nursing facility's quality score shall be recalculated for the second half of the state fiscal year based on the most recent four quarter average data, or the average data for fewer quarters in the case of successor metrics, available in the database maintained by CMS and known as the care compare, in the most recent month of the calendar year during which the fiscal year for which the rate is determined begins. The metrics specified by division (C)(1)(b) of this section shall not be recalculated. In redetermining the quality payment for each facility based on the recalculated points, the department shall use the same per point value determined for the quality payment at the start of the fiscal year.

(D) A nursing facility shall not receive a quality incentive payment if the Department of Health assigned the nursing facility to the SFF list under the special focus facility program and the nursing facility is listed in table A, on the first day of May of the calendar year for which the rate is being determined.

(E) The total amount to be spent on quality incentive 112293  
payments under division (B) of this section for a fiscal year 112294  
shall be determined as follows: 112295

(1) Determine the following amount for each nursing 112296  
facility: 112297

(a) The amount that is five and two-tenths per cent of the 112298  
nursing facility's base rate for nursing facility services 112299  
provided on the first day of the state fiscal year plus one 112300  
dollar and seventy-nine cents plus sixty per cent of the per 112301  
diem amount by which the nursing facility's rate for direct care 112302  
costs determined for the fiscal year under section 5165.19 of 112303  
the Revised Code changed as a result of the rebasing conducted 112304  
under section 5165.36 of the Revised Code. 112305

(b) Multiply the amount determined under division (E) (1) 112306  
(a) of this section by the number of the nursing facility's 112307  
medicaid days for the calendar year preceding the fiscal year 112308  
for which the rate is determined. 112309

(2) Determine the sum of the products determined under 112310  
division (E) (1) (b) of this section for all nursing facilities 112311  
for which the product was determined for the state fiscal year. 112312

(3) To the sum determined under division (E) (2) of this 112313  
section, add one hundred twenty-five million dollars. 112314

(F) (1) Beginning July 1, 2023, a new nursing facility 112315  
shall receive a quality incentive payment for the fiscal year in 112316  
which the new facility obtains an initial provider agreement and 112317  
the immediately following fiscal year equal to the median 112318  
quality incentive payment determined for nursing facilities for 112319  
the fiscal year. For the state fiscal year after the immediately 112320  
following fiscal year and subsequent fiscal years, the quality 112321

incentive payment shall be determined under division (C) of this section. 112322  
112323

(2) A nursing facility that undergoes a change of operator with an effective date of July 1, ~~2023~~2025, or later shall not receive a quality incentive payment until the earlier of the first day of January or the first day of July that is at least six months after the effective date of the change of operator. 112325  
112326  
112327

Thereafter, any quality incentive payments for the facility shall be determined under division (C) of this section.~~ 112331

be known on and after July 1, 2013, as the "Ohio turnpike and 115490  
infrastructure commission." The commission is a body both 115491  
corporate and politic, constituting an instrumentality of the 115492

state, and the exercise by it of the powers conferred by this 115493  
chapter in the construction, operation, and maintenance of the 115494  
Ohio turnpike system, and also in entering into agreements with 115495  
the department of transportation to pay the cost or a portion of 115496  
the costs of infrastructure projects, are and shall be held to 115497  
be essential governmental functions of the state, but the 115498  
commission shall not be immune from liability by reason thereof. 115499  
Chapter 2744. of the Revised Code applies to the commission and 115500  
the commission is a political subdivision of the state for 115501  
purposes of that chapter. The commission is subject to all 115502  
provisions of law generally applicable to state agencies which 115503  
do not conflict with this chapter. 115504

(B) (1) The commission shall consist of ten members as 115505  
follows: 115506

(a) Six members appointed by the governor with the advice 115507  
and consent of the senate, no more than three of whom shall be 115508

budget and management, or the director's designee. The directors 115512  
or their designees, as applicable, shall serve as ex officio 115513  
members, without compensation; 115514

(c) One member of the senate, appointed by the president 115515  
of the senate, ~~who shall represent either a district in which is~~ 115516  
~~located or through which passes a portion of a turnpike project~~ 115517  
~~that is part of the Ohio turnpike system or a district located~~ 115518  
~~in the vicinity of a turnpike project that is part of the Ohio~~ 115519  
~~turnpike system;~~ 115520

(d) One member of the house of representatives, appointed 115521

by the speaker of the house of representatives, ~~who shall~~ 115522  
~~represent either a district in which is located or through which~~ 115523  
~~passes a portion of a turnpike project that is part of the Ohio-~~ 115524  
~~turnpike system or a district located in the vicinity of a~~ 115525  
~~turnpike project that is part of the Ohio turnpike system.~~ 115526

(2) The members appointed by the governor shall be 115527  
residents of the state, shall have been qualified electors 115528  
therein for a period of at least five years next preceding their 115529  
appointment. In making the appointments, the governor may 115530  
appoint persons who reside in different geographic areas of the 115531  
state, taking into consideration the various turnpike and 115532  
infrastructure projects in the state. Members appointed to the 115533  
commission prior to July 1, 2013, shall serve terms of eight 115534  
years commencing on the first day of July and ending on the 115535  
thirtieth day of June. Thereafter, members appointed by the 115536  
governor shall serve terms of five years commencing on the first 115537  
day of July and ending on the thirtieth day of June. Those 115538  
members appointed by the president of the senate or the speaker 115539  
of the house of representatives shall serve a term of the 115540  
remainder of the general assembly during which the senator or 115541  
representative is appointed. Each appointed member shall hold 115542  
office from the date of appointment until the end of the term 115543  
for which the member was appointed. If a commission member dies 115544  
or resigns, or if a senator or representative who is a member of 115545  
the commission ceases to be a senator or representative, or if 115546  
an ex officio member ceases to hold the applicable office, the 115547  
vacancy shall be filled in the same manner as provided in 115548  
division (B)(1) of this section. Any member who fills a vacancy 115549  
occurring prior to the end of the term for which the member's 115550  
predecessor was appointed shall, if appointed by the governor, 115551  
hold office for the remainder of such term or, if appointed by 115552

the president of the senate or the speaker of the house of 115553  
representatives, shall hold office for the remainder of the term 115554  
or for a shorter period of time as determined by the president 115555  
or the speaker. Any member appointed by the governor shall 115556  
continue in office subsequent to the expiration date of the 115557  
member's term until the member's successor takes office, or 115558  
until a period of sixty days has elapsed, whichever occurs 115559  
first. A member of the commission is eligible for reappointment. 115560  
Each member of the commission appointed by the governor, before 115561  
entering upon the member's duties, shall take an oath as 115562  
provided by Section 7 of Article XV, Ohio Constitution. The 115563  
governor, the president of the senate, or the speaker of the 115564  
house of representatives, may at any time remove their 115565  
respective appointees to the commission for misfeasance, 115566  
nonfeasance, or malfeasance in office. 115567

(3) (a) A member of the commission who is appointed by the 115568  
president of the senate or the speaker of the house of 115569  
representatives shall not participate in any vote of the 115570  
commission. Serving as an appointed member of the commission 115571  
under divisions (B) (1) (c), (1) (d), or (2) of this section does 115572  
not constitute grounds for resignation from the senate or the 115573  
house of representatives under section 101.26 of the Revised 115574  
Code. 115575

(b) The director of budget and management shall not 115576  
participate in any vote of the commission. 115577

(C) The voting members of the commission shall elect one 115578  
of the voting members as chairperson and another as vice- 115579  
chairperson, and shall appoint a secretary-treasurer who need 115580  
not be a member of the commission. Four of the voting members of 115581  
the commission constitute a quorum, and the affirmative vote of 115582

four voting members is necessary for any action taken by the 115583  
commission. No vacancy in the membership of the commission 115584  
impairs the rights of a quorum to exercise all the rights and 115585  
perform all the duties of the commission. 115586

(D) Each member of the commission appointed by the 115587  
governor shall give a surety bond to the commission in the penal 115588  
sum of twenty-five thousand dollars and the secretary-treasurer 115589  
shall give such a bond in at least the penal sum of fifty 115590  
thousand dollars. The commission may require any of its officers 115591  
or employees to file surety bonds including a blanket bond as 115592  
provided in section 3.06 of the Revised Code. Each such bond 115593  
shall be in favor of the commission and shall be conditioned 115594  
upon the faithful performance of the duties of the office, 115595  
executed by a surety company authorized to transact business in 115596  
this state, approved by the governor, and filed in the office of 115597  
the secretary of state. The costs of the surety bonds shall be 115598  
paid or reimbursed by the commission from revenues. Each member 115599  
of the commission appointed by the governor shall receive an 115600  
annual salary of five thousand dollars, payable in monthly 115601  
installments. Each member shall be reimbursed for the member's 115602  
actual expenses necessarily incurred in the performance of the 115603  
member's duties. All costs and expenses incurred by the 115604  
commission in carrying out this chapter shall be payable solely 115605  
from revenues and state taxes, and no liability or obligation 115606  
shall be incurred by the commission beyond the extent to which 115607  
revenues have been provided for pursuant to this chapter. 115608

**Sec. 5537.03.** In order to remove present and anticipated 115609  
impediments and potential hazards on the congested highways in 115610  
this state, to facilitate vehicular traffic throughout the 115611  
state, to finance infrastructure projects that improve and 115612  
enhance mobility in Ohio, and also to promote the agricultural, 115613

recreational, tourism, and commercial, industrial, and economic 115614  
development of the state, and to provide for the general welfare 115615  
by the construction, improvement, and maintenance of modern 115616  
express highways embodying safety devices, including without 115617  
limitation center divisions, ample shoulder widths, long sight 115618  
distances, multiple lanes in each direction, and grade 115619  
separations at intersections with other public roads and 115620  
railroads, the Ohio turnpike and infrastructure commission may 115621  
do the following: 115622

(A) Subject to section 5537.26 of the Revised Code, 115623  
construct, maintain, repair, and operate a system of turnpike 115624  
projects ~~at locations that are reviewed by the turnpike-~~ 115625  
~~legislative review committee and approved by the governor,~~ and 115626  
in accordance with alignment and design standards that are 115627  
approved by the director of transportation, and issue revenue 115628  
bonds of this state, payable solely from pledged revenues, to 115629  
pay the cost of those projects. The turnpikes and turnpike 115630  
projects authorized by this chapter are hereby or shall be made 115631  
part of the Ohio turnpike system. 115632

(B) Provide the infrastructure funds to pay the cost or a 115633  
portion of the cost of infrastructure projects as recommended by 115634  
the director of transportation pursuant to a determination made 115635  
by the commission based on criteria set forth in rules adopted 115636  
by the commission under section 5537.18 of the Revised Code. A 115637  
determination by the commission to provide infrastructure funds 115638  
for an infrastructure project shall be conclusive and 115639  
incontestable. 115640

**Sec. 5537.27.** The Ohio turnpike and infrastructure 115641  
commission, the director of transportation or the director's 115642  
designee, and another person designated by the governor shall 115643

establish a procedure whereby a political subdivision or other 115644  
government agency or agencies may submit a written application 115645  
to the commission, requesting the commission to construct and 115646  
operate a turnpike project within the boundaries of the 115647  
subdivision, agency, or agencies making the request. The 115648  
procedure shall include a requirement that the commission send a 115649  
written reply to the subdivision, agency, or agencies, 115650  
explaining the disposition of the request. The procedure 115651  
established pursuant to this section shall not become effective 115652  
unless it is approved by the commission and by the director or 115653  
the director's designee and the designee of the governor, ~~and~~ 115654  
~~shall require submission of the proposed turnpike project to the~~ 115655  
~~turnpike legislative review committee if the project must be~~ 115656  
~~approved by the governor.~~ 115657

**Sec. 5540.02.** (A) A transportation improvement district 115658  
may be created by the board of county commissioners of a county. 115659  
The board, by resolution, shall determine the structure of the 115660  
board of trustees of the transportation improvement district it 115661  
creates by adopting the structure contained either in division 115662  
(C) (1) or (2) of this section. 115663

(B) A transportation improvement district is a body both 115664  
corporate and politic, and the exercise by it of the powers 115665  
conferred by this chapter in the financing, construction, 115666  
maintenance, repair, and operation of a project are and shall be 115667  
held to be essential governmental functions. 115668

(C) (1) If the board of county commissioners so elects, a 115669  
transportation improvement district shall be governed by a board 115670  
of trustees consisting of the following members: 115671

(a) Two members appointed by the board of county 115672  
commissioners; 115673

- (b) Three members appointed by the legislative authority 115674  
of the most populous municipal corporation in the district; 115675
- (c) Two members appointed by the legislative authority of 115676  
the second most populous municipal corporation in the district; 115677
- (d) Two members appointed by the board of township 115678  
trustees of the township in the county that is most populous in 115679  
its unincorporated area; 115680
- (e) The county engineer; 115681
- (f) One member appointed by the legislative authority of 115682  
any township or municipal corporation that cannot otherwise 115683  
appoint a member to the board pursuant to this section, and that 115684  
is wholly or partially within the area of the transportation 115685  
improvement district as the district was originally designated 115686  
by the board of county commissioners; 115687
- (g) If the area of a transportation improvement district 115688  
is expanded by the board of county commissioners, the 115689  
legislative authority of any township or municipal corporation 115690  
that is wholly or partially within the area of expansion and 115691  
that cannot otherwise appoint a member to the board pursuant to 115692  
this section, with the consent of the board of trustees of the 115693  
district, may appoint one member to the board; 115694
- (h) One member appointed by the regional planning 115695  
commission for the county, who shall be a nonvoting member of 115696  
the board; 115697
- ~~(i) One member appointed at the discretion of the speaker 115698  
of the house of representatives, who, if appointed, shall be a 115699  
nonvoting member of the board and who may be a member of the 115700  
house of representatives. 115701~~

One of each of the appointments made by the board of  
county commissioners, the legislative authority of a municipal  
corporation, and the board of township trustees under divisions  
(C) (1) (a), (b), (c), and (d) of this section, shall be members  
of the chamber of commerce for the respective political  
subdivision.

Whenever the addition of members to the board of trustees  
of a transportation improvement district pursuant to division  
(C) (1) (f) or (g) of this section results in an even number of  
total voting members on the board, the board of trustees of the  
district may appoint an additional person to its membership to  
maintain an odd number of voting members.

(2) As an alternative to the structure prescribed in  
division (C) (1) of this section, a board of county  
commissioners, by resolution, may elect that the transportation  
improvement district it creates be governed by a board of  
trustees consisting of ~~the following members:~~

~~(a) Five~~ five members appointed by the board of county  
commissioners;

~~(b) One member appointed at the discretion of the speaker  
of the house of representatives, who, if appointed, shall be a  
nonvoting member of the board and who may be a member of the  
house of representatives.~~

(D) Each appointed member of the board shall hold office  
for a term of two years but subject to removal at the pleasure  
of the authority that appointed the member. Members may be  
reappointed. Except as otherwise provided in this division, any  
vacancy on the board shall be filled in the same manner as the  
original appointment. Any vacancy on a board appointed under

division (C)(1) of this section lasting longer than thirty days 115731  
due to the failure of the legislative authority of a municipal 115732  
corporation or a board of township trustees to make an 115733  
appointment shall be filled by the board of trustees of the 115734  
transportation improvement district. 115735

(E) The voting members of the board shall elect from the 115736  
entire board membership a chairperson, vice-chairperson, and 115737  
secretary-treasurer. A majority of the voting members of the 115738  
board constitutes a quorum, the affirmative vote of which is 115739  
necessary for any action of the district. No vacancy in the 115740  
membership of the board impairs the right of a quorum to 115741  
exercise all the rights and perform all duties of the district. 115742

(F) The board of county commissioners of any county, the 115743  
legislative authority of any municipal corporation, and the 115744  
board of township trustees of any township may make 115745  
appropriations from moneys available to them and not otherwise 115746  
appropriated to pay costs incurred by the district in the 115747  
exercise of its functions under this chapter, provided those 115748  
moneys are available to use for that purpose. 115749

(G) An organizational meeting of the board of trustees of 115750  
a transportation improvement district created under this section 115751  
shall be held at the time and place designated by the board 115752  
member who has served the most years as a member of the board of 115753  
county commissioners that created the transportation improvement 115754  
district. 115755

facilitate economic development opportunities described in the 115771  
memorandum of understanding or to otherwise benefit real 115772  
property located, or businesses that are operating or will 115773  
operate, within the development area, and that is funded at 115774  
least in part with private funds. "Opportunity corridor 115775  
improvement" includes ~~the~~ both of the following: 115776

(1) The establishment, acquisition, ownership, control, 115777

sufficient to prevent the preparer's interference with the 116293

Revised Code, the court may issue an injunction against the 116295  
preparer enjoining the preparer from acting as a tax return 116296

If a tax return preparer has been enjoined from preparing 116298  
tax returns or applications for refunds by a federal court or by 116299  
another state court in the five years preceding the date on 116300

for the issuance of an injunction under division (B) (2) of this 116303  
section. 116304

(C) The commissioner may require a tax return preparer to 116305  
include the preparer's name and federal preparer tax 116306  
identification number when filing any return or application for 116307  
refund. If a tax return preparer fails to include this 116308

the information provided is false, inaccurate, or incomplete, 116310  
the commissioner may impose a penalty of fifty dollars for each 116311

preparer under this division in a calendar year shall not exceed 116313  
twenty-five thousand dollars. 116314

(D) The penalties imposed under divisions (B) (1) and (C) 116315

5733., 5735., 5736., 5739., 5743., 5745., 5747., 5749., 5751., 116318

the Revised Code. ~~The commissioner may abate all or a portion of~~ 116320  
~~any penalty imposed under this section upon the showing of good~~ 116321  
~~cause by the tax return preparer.~~ 116322

**Sec. 5703.37.** (A) (1) Except as provided in division (B) of 116323  
this section, whenever service of a notice or order is required 116324  
in the manner provided in this section, a copy of the notice or 116325  
order shall be served upon the person affected thereby either by 116326  
personal service, by certified mail, or by a delivery service 116327  
authorized under section 5703.056 of the Revised Code that 116328  
notifies the tax commissioner of the date of delivery. 116329

(2) In lieu of serving a copy of a notice or order through 116330  
one of the means provided in division (A) (1) of this section, 116331  
the commissioner may serve a notice or order upon the person 116332  
affected thereby through alternative means as provided in this 116333  
section, including, but not limited to, delivery by secure 116334  
electronic mail as provided in division (F) of this section or 116335  
by ordinary mail. Delivery by such means satisfies the 116336  
requirements for delivery under this section. 116337

(B) (1) (a) If certified or ordinary mail is returned 116338  
because of an undeliverable address, the commissioner shall 116339  
first utilize reasonable means to ascertain a new last known 116340  
address, including the use of a change of address service 116341  
offered by the United States postal service or an authorized 116342  
delivery service under section 5703.056 of the Revised Code. If, 116343  
after using reasonable means, the commissioner is unable to 116344  
ascertain a new last known address, the assessment is final for 116345  
purposes of section 131.02 of the Revised Code sixty days after 116346  
the notice or order ~~sent by certified mail~~ is first returned to 116347

the commissioner, and the commissioner shall certify the notice 116348  
or order, if applicable, to the attorney general for collection 116349  
under section 131.02 of the Revised Code. 116350

(b) Notwithstanding certification to the attorney general 116351  
under division (B)(1)(a) of this section, once the commissioner 116352  
or attorney general, or the designee of either, makes an initial 116353  
contact with the person to whom the notice or order is directed, 116354  
the person may protest an assessment by filing a petition for 116355  
reassessment within sixty days after the initial contact. The 116356  
certification of an assessment under division (B)(1)(a) of this 116357  
section is prima-facie evidence that delivery is complete and 116358  
that the notice or order is served. 116359

(2) If mailing of a notice or order by certified or 116360  
ordinary mail is returned for some cause other than an 116361  
undeliverable address or if a person does not access an 116362  
electronic notice or order within the time provided in division 116363  
(F) of this section, the commissioner shall resend the notice or 116364  
order by ordinary mail. The notice or order shall show the date 116365  
the commissioner sends the notice or order and include the 116366  
following statement: 116367

"This notice or order is deemed to be served on the 116368  
addressee under applicable law ten days from the date this 116369  
notice or order was mailed by the commissioner as shown on the 116370  
notice or order, and all periods within which an appeal may be 116371  
filed apply from and after that date." 116372

Unless the mailing is returned because of an undeliverable 116373  
address, the mailing of that information is prima-facie evidence 116374  
that delivery of the notice or order was completed ten days 116375  
after the commissioner ~~sent~~ resent the notice or order by 116376  
ordinary mail and that the notice or order was served. 116377

If the ~~ordinary mail-mailing~~ mailing is subsequently returned 116378  
because of an undeliverable address, the commissioner shall 116379  
proceed under division (B) (1) (a) of this section. A person may 116380  
challenge the presumption of delivery and service under this 116381  
division in accordance with division (C) of this section. 116382

(C) (1) A person disputing the presumption of delivery and 116383  
service under division (B) of this section bears the burden of 116384  
proving by a preponderance of the evidence that the address to 116385  
which the notice or order was sent was not an address with which 116386  
the person was associated at the time the commissioner 116387  
originally mailed the notice or order ~~by certified mail~~. For the 116388  
purposes of this section, a person is associated with an address 116389  
at the time the commissioner originally mailed the notice or 116390  
order if, at that time, the person was residing, receiving legal 116391  
documents, or conducting business at the address; or if, before 116392  
that time, the person had conducted business at the address and, 116393  
when the notice or order was mailed, the person's agent or the 116394  
person's affiliate was conducting business at the address. For 116395  
the purposes of this section, a person's affiliate is any other 116396  
person that, at the time the notice or order was mailed, owned 116397  
or controlled at least twenty per cent, as determined by voting 116398  
rights, of the addressee's business. 116399

(2) If the person elects to protest an assessment 116400  
certified to the attorney general for collection, the person 116401  
must do so within sixty days after the attorney general's 116402  
initial contact with the person. The attorney general may enter 116403  
into a compromise with the person under sections 131.02 and 116404  
5703.06 of the Revised Code if the person does not file a 116405  
petition for reassessment with the commissioner. 116406

(D) Nothing in this section prohibits the commissioner or 116407

the commissioner's designee from delivering a notice or order by 116408  
personal service. 116409

(E) Collection actions taken pursuant to section 131.02 of 116410  
the Revised Code upon any assessment being challenged under 116411  
division (B) (1) (b) of this section shall be stayed upon the 116412  
pendency of an appeal under this section. If a petition for 116413  
reassessment is filed pursuant to this section on a claim that 116414  
has been certified to the attorney general for collection, the 116415  
claim shall be uncertified. 116416

(F) (1) The commissioner may serve a notice or order upon 116417  
the person affected by the notice or order or that person's 116418  
authorized representative through secure electronic means 116419  
associated with the person's or representative's last known 116420  
address, but only with the person's consent. The commissioner 116421  
must inform the recipient, electronically or by mail, that a 116422  
notice or order is available for electronic review and provide 116423  
instructions to access and print the notice or order. The types 116424  
of electronic notification the commissioner may use include 116425  
electronic mail, text message, or any other form of electronic 116426  
communication. The recipient's electronic access of the notice 116427  
or order satisfies the requirements for delivery under this 116428  
section. If the recipient fails to access the notice or order 116429  
electronically within ten business days, then the commissioner 116430  
shall inform the recipient a second time, electronically or by 116431  
mail, that a notice or order is available for electronic review 116432  
and provide instructions to access and print the notice or 116433  
order. If the recipient fails to access the notice or order 116434  
electronically within ten business days of the second 116435  
notification, the notice or order shall be served upon the 116436  
person through the means provided in division (B) (2) of this 116437  
section. 116438

(2) The tax commissioner shall establish a system to issue notification of assessments to taxpayers through secure electronic means.

(G) As used in this section:

(1) "Last known address" means the address the department has at the time the document is originally sent by certified or ordinary mail, or any address the department can ascertain using reasonable means such as the use of a change of address service offered by the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code. For documents sent by secure electronic means, "last known address" means an electronic mode of communication that is identified on a form prescribed by the commissioner for such purpose or that is associated with the person or the authorized representative of the person as of the date the notification was sent on the Ohio business gateway, as defined in section 718.01 of the Revised Code, as of the date the notification was sent or another electronic filing or payment system prescribed by the commissioner.

(2) "Undeliverable address" means an address to which the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code is not able to deliver a notice or order, except when the reason for nondelivery is because the addressee fails to acknowledge or accept the notice or order.

**Sec. 5703.70.** (A) On the filing of an application for refund under section 718.91, 3734.905, 4307.05, 4307.07, 5726.30, 5727.28, 5727.91, 5728.061, 5733.12, 5735.122, 5735.13, 5735.14, 5735.141, 5735.142, 5735.18, 5736.08, 5739.07, 5739.071, 5739.104, 5741.10, 5743.05, 5743.53, 5747.11, 5749.08,

5751.08, or 5753.06 of the Revised Code, or an application for 116469  
compensation under section 5739.061 of the Revised Code, if the 116470  
tax commissioner determines that the amount of the refund or 116471  
compensation to which the applicant is entitled is less than the 116472  
amount claimed in the application, the commissioner shall give 116473  
the applicant written notice electronically or by ordinary mail 116474  
of the amount. ~~The~~ If sent by ordinary mail, the notice shall be 116475  
sent to the address shown on the application unless the 116476  
applicant notifies the commissioner of a different address. If 116477  
sent electronically, the notice shall be sent to the person or 116478  
the person's authorized representative through secure electronic 116479  
means associated with the person's or representative's last 116480  
known electronic mail address, but only with the person's 116481  
consent. The applicant shall have sixty days from the date the 116482  
commissioner electronically sends or mails the notice to provide 116483  
additional information to the commissioner or request a hearing, 116484  
or both. 116485

(B) If the applicant neither requests a hearing nor 116486  
provides additional information to the tax commissioner within 116487  
the time prescribed by division (A) of this section, the 116488  
commissioner shall take no further action, and the refund or 116489  
compensation amount denied becomes final. 116490

(C) (1) If the applicant requests a hearing within the time 116491  
prescribed by division (A) of this section, the tax commissioner 116492  
shall assign a time and place for the hearing and notify the 116493  
applicant of such time and place, but the commissioner may 116494  
continue the hearing from time to time, as necessary. After the 116495  
hearing, the commissioner may make such adjustments to the 116496  
refund or compensation as the commissioner finds proper, and 116497  
shall issue a final determination thereon. 116498

(2) If the applicant does not request a hearing, but provides additional information, within the time prescribed by division (A) of this section, the commissioner shall review the information, make such adjustments to the refund or compensation as the commissioner finds proper, and issue a final determination thereon. The commissioner may review such information and make such adjustments as many times as the commissioner finds proper before the issuance of a final determination.

The commissioner shall assign a time and place for the hearing and notify the applicant of such time and place, but the commissioner may continue the hearing from time to time, as necessary. After the hearing, the commissioner may make any additional adjustments to the refund or compensation as the commissioner finds proper and shall issue a final determination thereon.

(D) The tax commissioner shall certify to the director of

budget and management and treasurer of state for payment from 116529  
the tax refund fund created by section 5703.052 of the Revised 116530

the director and treasurer of state for payment from the general 116533  
revenue fund the amount of compensation to be paid under 116534  
division (B) or (C) of this section. 116535

Sec. 5703.901. The tax commissioner may, in whole or in 116536  
part, abate any penalty, including an interest penalty, or any 116537  
other charge the commissioner imposes to enforce any tax or fee 116538

subdivision to any other fund, by order of the court or 116541  
otherwise, except as follows: 116542

(A) The unexpended balance in a bond fund that is no 116543  
longer needed for the purpose for which such fund was created 116544  
shall be transferred to the sinking fund or bond retirement fund 116545  
from which such bonds are payable. 116546

(B) The unexpended balance in any specific permanent 116547

a determination, the county budget commission shall consider the 116577  
balance of the bond fund or bond retirement fund, the 116578  
outstanding obligations payable from the fund, and the sources 116579

or to the general fund of any township into which the territory 116650  
of the village is dissolved for any purpose that directly or 116651

board of elections, signed by the number of electors of the 116662  
county equal in amount to three per cent of the total number of 116663  
votes cast for governor at the most recent election therefor, 116664  
there shall be submitted to the electors of the county at the 116665  
next general election occurring not sooner than ninety days 116666

budget commission consist of two additional members to be 116668  
elected from the county?" Provision shall be made on the ballot 116669  
for the election from the county at large of two additional 116670  
members of the county budget commission who shall be electors of 116671  
the county if a majority of the electors voting on the question 116672  
shall have voted in the affirmative. In such counties, where the 116673

commission shall consist of such two elected members in addition 116675  
to the county auditor, the county treasurer and the ~~prosecuting~~ 116676  
~~attorney~~ president of the board of county commissioners. Such 116677

annually, unless for good cause the tax commissioner extends the 116683  
time for completing the work. A majority of members shall 116684  
constitute a quorum, provided that no action of the commission 116685  
shall be valid unless agreed to by a majority of the members of 116686  
the commission. The auditor shall be the secretary of the 116687  
commission and shall keep a full and accurate record of all 116688  
proceedings. The auditor shall appoint such messengers and 116689  
clerks as the commission deems necessary, and the budget 116690  
commissioners shall be allowed their actual and necessary 116691

receive twenty dollars for each day in attendance at commission 116693  
meetings and in discharge of official duties. Any vacancy among 116694  
such elected members shall be filled by the presiding judge of 116695  
the court of common pleas. In adjusting the rates of taxation 116696  
and fixing the amount of taxes to be levied each year, the 116697  
commissioners shall be governed by the amount of the taxable 116698  
property shown on the auditor's tax list for the current year; 116699  
provided that if the auditor's tax list has not been completed, 116700  
the auditor shall estimate, as nearly as practicable, the amount 116701  
of the taxable property for such year, and such officers shall 116702  
be governed by such estimate. 116703

In any county in which two members of the commission are 116704  
elected, upon petition filed with the board of elections, signed 116705  
by the number of electors of the county equal in amount to three 116706  
per cent of the votes cast for governor at the most recent 116707  
election therefor, there shall be submitted to the electors of 116708  
the county at the next general election occurring not sooner 116709  
than ninety days after the filing of the petition, the question 116710

"Shall the elected members be eliminated from the county budget commission?" If the majority of the electors voting thereon shall have voted in the affirmative, the county budget commission shall consist solely of the county auditor, the county treasurer, and the prosecuting attorney president of the board of county commissioners.

**Sec. 5705.31.** The county auditor shall present to the county budget commission the annual tax budgets submitted under sections 5705.01 to 5705.47 of the Revised Code, together with an estimate prepared by the auditor of the amount of any state levy, the rate of any school tax levy as previously determined, the tax commissioner's estimate of the amount to be received in the county public library fund, the tax rates provided under section 5705.281 of the Revised Code if adoption of the tax budget was waived under that section, and such other information as the commission requests or the tax commissioner prescribes. The budget commission shall examine such budget and ascertain the total amount proposed to be raised in the county for the purposes of each subdivision and other taxing units in the county.

The commission shall ascertain that the following levies have been properly authorized and, if so authorized, shall approve them without modification:

(A) All levies in excess of the ten-mill limitation;

(B) All levies for debt charges not provided for by levies in excess of the ten-mill limitation, including levies necessary to pay notes issued for emergency purposes;

expenses and debt service allotted within the fifteen-mill 116744  
limitation to such subdivision or taxing unit during the last 116745  
five years the fifteen-mill limitation was in effect unless such 116746  
subdivision or taxing unit requests an amount requiring a lower 116747  
rate. Except as provided in section 5705.312 of the Revised 116748  
Code, if the levies required in divisions (B) and (C) of this 116749  
section for the subdivision or taxing unit equal or exceed the 116750  
entire minimum levy of the subdivision as fixed, the minimum 116751  
levies of the other subdivisions or taxing units shall be 116752  
reduced by the commission to provide for the levies and an 116753  
operating levy for the subdivision. Such additional levy shall 116754  
be deducted from the minimum levies of each of the other 116755  
subdivisions or taxing units, but the operating levy for a 116756  
school district shall not be reduced below a figure equivalent 116757  
to forty-five per cent of the millage available within the ten- 116758  
mill limitation after all the levies in divisions (B) and (C) of 116759  
this section have been provided for. 116760

If a municipal corporation and a township have entered 116761  
into an annexation agreement under section 709.192 of the 116762  
Revised Code in which they agree to reallocate their shares of 116763  
the minimum levies established under this division and if that 116764  
annexation agreement is submitted along with the annual tax 116765  
budget of both the township and the municipal corporation, then, 116766  
when determining the minimum levy under this division, the 116767  
auditor shall allocate, to the extent possible, the minimum levy 116768  
for that municipal corporation and township in accordance with 116769  
their annexation agreement. 116770

(E) The levies prescribed by section 3709.29 of the Revised Code. 116771  
116772

Divisions (A) to (E) of this section are mandatory, and commissions shall be without discretion to reduce such minimum levies except as provided in such divisions or section 5705.316 of the Revised Code. 116773  
116774  
116775  
116776

If any debt charge is omitted from the budget, the commission shall include it therein. 116777  
116778

Sec. 5705.316. A board of education of a city, local, or exempted village school district shall make the certification required under section 5705.36 of the Revised Code to the county auditor of each county in which the district is located on or before the fifteenth day of July. 116779  
116780  
116781  
116782  
116783

The county budget commission or, if applicable, joint budget commission shall convene on or before the fifteenth day of August to review the certifications from each such school district to determine if the amount of carry-over balance in the district's general operating budget from the preceding fiscal year exceeds thirty per cent of the district's general fund expenditures made in the preceding fiscal year. 116784  
116785  
116786  
116787  
116788  
116789  
116790

If a district's carry-over balance exceeds that threshold, the commission shall reduce the rate of, or the annual amount of money to be raised by, any or all of the current expense taxes levied by the district for the current tax year so as to reduce the district's collections by the amount by which the district's general operating budget carry-over balance exceeded the threshold. These reductions apply only for the current tax year and shall be made without regard to maintaining the reduction limit imposed under division (E) (2) of section 319.301 of the 116791  
116792  
116793

Revised Code. 116800

This section does not apply to an island school district 116801  
or a joint state school district. Nothing in this section 116802  
prohibits a county budget commission from reducing the rate of a 116803  
current levy as otherwise authorized by law. 116804

**Sec. 5705.391.** (A) The department of education and 116805  
workforce and the auditor of state shall jointly adopt rules 116806  
requiring boards of education to submit ~~five-year~~ three-year 116807  
projections of operational revenues and expenditures. The rules 116808  
shall provide for the auditor of state or the department to 116809  
examine the ~~five-year~~ three-year projections and to determine 116810  
whether any further fiscal analysis is needed to ascertain 116811  
whether a district has the potential to incur a deficit during 116812  
the first ~~three~~ two years of the ~~five-year~~ three-year period. 116813

The auditor of state or the department may conduct any 116814  
further audits or analyses necessary to assess any district's 116815  
fiscal condition. If further audits or analyses are conducted by 116816  
the auditor of state, the auditor of state shall notify the 116817  
department of the district's fiscal condition, and the 116818  
department shall immediately notify the district of any 116819  
potential to incur a deficit in the current fiscal year or of 116820  
any strong indications that a deficit will be incurred in either 116821  
of the ensuing two years. If such audits or analyses are 116822  
conducted by the department, the department shall immediately 116823  
notify the district and the auditor of state of such potential 116824  
deficit or strong indications thereof. 116825

A district notified under this section shall take 116826  
immediate steps to eliminate any deficit in the current fiscal 116827  
year and shall begin to plan to avoid the projected future 116828  
deficits. 116829

(B) The state board of education, in accordance with 116830  
sections 3319.31 and 3319.311 of the Revised Code, may limit, 116831  
suspend, or revoke a license as defined under section 3319.31 of 116832  
the Revised Code that has been issued to any school employee 116833  
found to have willfully contributed erroneous, inaccurate, or 116834  
incomplete data required for the submission of the ~~five-year-~~ 116835  
three-year projection required by this section. 116836

(C) The department and the auditor of state, in their 116837  
joint adoption of rules under division (A) of this section, 116838  
shall not require a board of education to submit its ~~five-year-~~ 116839  
three-year projection of operational revenues and expenditures 116840  
prior to the thirtieth day of November of any fiscal year. 116841

(D) Beginning with submissions required in fiscal year 116842  
2024 and for each fiscal year in which a submission is required 116843  
under this section thereafter, the department and the auditor 116844  
shall label the projections regarding property tax allocation in 116845  
the projection as "state share of local property taxes." 116846

**Sec. 5705.412.** (A) As used in this section, "qualifying 116847  
contract" means any agreement for the expenditure of money under 116848  
which aggregate payments from the funds included in the school 116849  
district's ~~five-year-~~three-year forecast under section 5705.391 116850  
of the Revised Code will exceed the lesser of the following 116851  
amounts: 116852

(1) Five hundred thousand dollars; 116853

(2) One per cent of the total revenue to be credited in 116854  
the current fiscal year to the district's general fund, as 116855  
specified in the district's most recent certificate of estimated 116856  
resources certified under section 5705.36 of the Revised Code. 116857

(B) (1) Notwithstanding section 5705.41 of the Revised 116858

Code, no school district shall adopt any appropriation measure, 116859  
make any qualifying contract, or increase during any school year 116860  
any wage or salary schedule unless there is attached thereto a 116861  
certificate, signed as required by this section, that the school 116862  
district has in effect the authorization to levy taxes including 116863  
the renewal or replacement of existing levies which, when 116864  
combined with the estimated revenue from all other sources 116865  
available to the district at the time of certification, are 116866  
sufficient to provide the operating revenues necessary to enable 116867  
the district to maintain all personnel and programs for all the 116868  
days set forth in its adopted school calendars for the current 116869  
fiscal year and for a number of days in succeeding fiscal years 116870  
equal to the number of days instruction was held or is scheduled 116871  
for the current fiscal year, as follows: 116872

(a) A certificate attached to an appropriation measure 116873  
under this section shall cover only the fiscal year in which the 116874  
appropriation measure is effective and shall not consider the 116875  
renewal or replacement of an existing levy as the authority to 116876  
levy taxes that are subject to appropriation in the current 116877  
fiscal year unless the renewal or replacement levy has been 116878  
approved by the electors and is subject to appropriation in the 116879  
current fiscal year. 116880

(b) A certificate attached, in accordance with this 116881  
section, to any qualifying contract shall cover the term of the 116882  
contract. 116883

(c) A certificate attached under this section to a wage or 116884  
salary schedule shall cover the term of the schedule. 116885

If the board of education has not adopted a school 116886  
calendar for the school year beginning on the first day of the 116887  
fiscal year in which a certificate is required, the certificate 116888

attached to an appropriation measure shall include the number of 116889  
days on which instruction was held in the preceding fiscal year 116890  
and other certificates required under this section shall include 116891  
that number of days for the fiscal year in which the certificate 116892  
is required and any succeeding fiscal years that the certificate 116893  
must cover. 116894

The certificate shall be signed by the treasurer and 116895  
president of the board of education and the superintendent of 116896  
the school district, unless the district is in a state of fiscal 116897  
emergency declared under Chapter 3316. of the Revised Code. In 116898  
that case, the certificate shall be signed by a member of the 116899  
district's financial planning and supervision commission who is 116900  
designated by the commission for this purpose. 116901

(2) In lieu of the certificate required under division (B) 116902  
of this section, an alternative certificate stating the 116903  
following may be attached: 116904

(a) The contract is a multi-year contract for materials, 116905  
equipment, or nonpayroll services essential to the education 116906  
program of the district; 116907

(b) The multi-year contract demonstrates savings over the 116908  
duration of the contract as compared to costs that otherwise 116909  
would have been demonstrated in a single year contract, and the 116910  
terms will allow the district to reduce the deficit it is 116911  
currently facing in future years as demonstrated in its ~~five-~~ 116912  
~~year~~-three-year forecast adopted in accordance with section 116913  
5705.391 of the Revised Code. 116914

The certificate shall be signed by the treasurer and 116915  
president of the board of education and the superintendent of 116916  
the school district, unless the district is in a state of fiscal 116917

emergency declared under Chapter 3316. of the Revised Code. In 116918  
that case, the certificate shall be signed by a member of the 116919  
district's financial planning and supervision commission who is 116920  
designated by the commission for this purpose. 116921

(C) Every qualifying contract made or wage or salary 116922  
schedule adopted or put into effect without such a certificate 116923  
shall be void, and no payment of any amount due thereon shall be 116924  
made. 116925

(D) The department of education and workforce and the 116926  
auditor of state jointly shall adopt rules governing the methods 116927  
by which treasurers, presidents of boards of education, 116928  
superintendents, and members of financial planning and 116929  
supervision commissions shall estimate revenue and determine 116930  
whether such revenue is sufficient to provide necessary 116931  
operating revenue for the purpose of making certifications 116932  
required by this section. 116933

(E) The auditor of state shall be responsible for 116934  
determining whether school districts are in compliance with this 116935  
section. At the time a school district is audited pursuant to 116936  
section 117.11 of the Revised Code, the auditor of state shall 116937  
review each certificate issued under this section since the 116938  
district's last audit, and the appropriation measure, contract, 116939  
or wage and salary schedule to which such certificate was 116940  
attached. If the auditor of state determines that a school 116941  
district has not complied with this section with respect to any 116942  
qualifying contract or wage or salary schedule, the auditor of 116943  
state shall notify the prosecuting attorney for the county, the 116944  
city director of law, or other chief law officer of the school 116945  
district. That officer may file a civil action in any court of 116946  
appropriate jurisdiction to seek a declaration that the contract 116947

or wage or salary schedule is void, to recover for the school 116948  
district from the payee the amount of payments already made 116949  
under it, or both, except that the officer shall not seek to 116950  
recover payments made under any collective bargaining agreement 116951  
entered into under Chapter 4117. of the Revised Code. If the 116952  
officer does not file such an action within one hundred twenty 116953  
days after receiving notice of noncompliance from the auditor of 116954  
state, any taxpayer may institute the action in the taxpayer's 116955  
own name on behalf of the school district. 116956

(F) This section does not apply to any contract or 116957  
increase in any wage or salary schedule that is necessary in 116958  
order to enable a board of education to comply with division (B) 116959  
of section 3317.13 of the Revised Code, provided the contract or 116960  
increase does not exceed the amount required to be paid to be in 116961  
compliance with such division. 116962

(G) Any officer, employee, or other person who expends or 116963  
authorizes the expenditure of any public funds or authorizes or 116964  
executes any contract or schedule contrary to this section, 116965  
expends or authorizes the expenditure of any public funds on the 116966  
void contract or schedule, or issues a certificate under this 116967  
section which contains any false statements is liable to the 116968  
school district for the full amount paid from the district's 116969  
funds on the contract or schedule. The officer, employee, or 116970  
other person is jointly and severally liable in person and upon 116971  
any official bond that the officer, employee, or other person 116972  
has given to the school district to the extent of any payments 116973  
on the void claim, not to exceed ten thousand dollars. However, 116974  
no officer, employee, or other person shall be liable for a 116975  
mistaken estimate of available resources made in good faith and 116976  
based upon reasonable grounds. If an officer, employee, or other 116977  
person is found to have complied with rules jointly adopted by 116978

the department of education and workforce and the auditor of 116979  
state under this section governing methods by which revenue 116980  
shall be estimated and determined sufficient to provide 116981  
necessary operating revenue for the purpose of making 116982  
certifications required by this section, the officer, employee, 116983  
or other person shall not be liable under this section if the 116984  
estimates and determinations made according to those rules do 116985  
not, in fact, conform with actual revenue. The prosecuting 116986  
attorney of the county, the city director of law, or other chief 116987  
law officer of the district shall enforce this liability by 116988  
civil action brought in any court of appropriate jurisdiction in 116989  
the name of and on behalf of the school district. If the 116990  
prosecuting attorney, city director of law, or other chief law 116991  
officer of the district fails, upon the written request of any 116992  
taxpayer, to institute action for the enforcement of the 116993  
liability, the attorney general, or the taxpayer in the 116994  
taxpayer's own name, may institute the action on behalf of the 116995  
subdivision. 116996

(H) This section does not require the attachment of an 116997  
additional certificate beyond that required by section 5705.41 116998  
of the Revised Code for current payrolls of, or contracts of 116999  
employment with, any employees or officers of the school 117000  
district. 117001

This section does not require the attachment of a 117002  
certificate to a temporary appropriation measure if all of the 117003  
following apply: 117004

(1) The amount appropriated does not exceed twenty-five 117005  
per cent of the total amount from all sources available for 117006  
expenditure from any fund during the preceding fiscal year; 117007

(2) The measure will not be in effect on or after the 117008

thirtieth day following the earliest date on which the district 117009  
may pass an annual appropriation measure; 117010

(3) An amended official certificate of estimated resources 117011  
for the current year, if required, has not been certified to the 117012  
board of education under division (B) of section 5705.36 of the 117013  
Revised Code. 117014

**Sec. 5709.212.** (A) ~~With~~ Except for applications filed for 117015  
an industrial water pollution control facility, with every 117016  
application for an exempt facility certificate filed pursuant to 117017

fee equal to one-half of one per cent of the total exempt 117019  
facility project cost, not to exceed two thousand dollars. If 117020  
the director of environmental protection is required to provide 117021  
the opinion for an application for an air pollution control 117022  
facility or noise pollution control facility, the fee shall be 117023  
credited to the non-Title V clean air fund created in section 117024  
3704.035 of the Revised Code for use in administering section 117025  
5709.211 of the Revised Code, ~~unless the application is for an~~ 117026  
~~industrial water pollution control facility. In such a case, the~~ 117027

~~created in section 6111.038 of the Revised Code for use in~~ 117029  
~~administering section 5709.211 of the Revised Code.~~ If the 117030  
director of development or director of natural resources is 117031  
required to provide the opinion for an application, the fee for 117032

~~services agency or department of natural resources, as~~ 117036  
applicable, for use in administering section 5709.211 of the 117037  
Revised Code. 117038

An applicant is not entitled to any tax exemption under section 5709.25 of the Revised Code until the fee required by this section is paid. The fee required by this section is not refundable, and is due with the application for an exempt facility certificate even if an exempt facility certificate ultimately is not issued or is withdrawn. Any application submitted without payment of the fee shall be deemed incomplete until the fee is paid.

(B) The application fee imposed under division (A) of this section for a jointly owned facility shall be equal to one-half of one per cent of the total exempt facility project cost, not to exceed two thousand dollars for each facility that is the subject of the application.

**Sec. 5709.48.** (A) As used in this section and sections 5709.481, 5709.49, and 5709.50 of the Revised Code:

(1) "Regional transportation improvement project" has the same meaning as in section 5595.01 of the Revised Code.

(2) "Improvements" means the increase in the assessed value of any real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of the resolution adopted under this section were it not for the exemption granted by that resolution.

(3) "Qualified RTIP" has the same meaning as in section 5595.01 of the Revised Code.

(B) For the purposes described in division (A) of section 5595.06 of the Revised Code, the governing board of a regional transportation improvement project that ~~was undertaken pursuant to section 5595.02 of the Revised Code before March 23, 2018~~ is a qualified RTIP, may, by resolution, create a transportation

financing district and declare improvements to parcels within 117068  
the district to be a public purpose and exempt from taxation. 117069

(C) A transportation financing district shall consist of 117070  
all territory of all counties that are participants in the 117071  
regional transportation improvement project funded by the 117072  
district, except that the district shall not include parcels 117073  
used primarily for residential purposes, parcels that are 117074  
currently exempt from taxation under this section or section 117075  
5709.40, 5709.41, 5709.45, 5709.73, or 5709.77 of the Revised 117076  
Code, or parcels excluded from the district under division (G) 117077  
of this section. 117078

(D) A resolution creating a transportation financing 117079  
district shall specify all of the following: 117080

(1) The county treasurer's permanent parcel number 117081  
associated with each parcel included in the district; 117082

(2) (a) The percentage of improvements to be exempted from 117083  
taxation and the duration of the exemption. 117084

(b) Except as provided in division (E) of this section, 117085  
the percentage of improvements to be exempted shall not exceed 117086  
seventy-five per cent, and the duration of the exemption shall 117087  
not exceed ten years. 117088

(c) In no case may the life of the exemption exceed the 117089  
remaining number of years the cooperative agreement for the 117090  
regional transportation improvement district, described under 117091  
section 5595.03 of the Revised Code, is in effect. 117092

(3) A plan for the district that describes the principal 117093  
purposes and goals to be served by the district and explains how 117094  
the use of service payments provided for by section 5709.49 of 117095  
the Revised Code will economically benefit owners of property 117096

within the district. 117097

(E) Subject to division (D)(2)(c) of this section, 117098  
improvements to parcels located in a transportation financing 117099  
district may be exempted from taxation for up to thirty years, 117100  
and the percentage of improvements that may be exempted may 117101  
equal up to one hundred per cent, if either of the following 117102  
apply: 117103

(1) The governing board, before adopting a resolution 117104  
under division (B) of this section, obtains the approval under 117105  
division (F) of this section of the board of education of each 117106  
city, local, and exempted village school district within the 117107  
territory of the proposed transportation financing district. 117108

(2) In the resolution creating the transportation 117109  
financing district, the governing board agrees to compensate 117110  
each city, local, or exempted village, and joint vocational 117111  
school district or districts in which the transportation 117112  
financing district is located for the full amount of taxes that 117113  
would have been payable to the school district or districts if 117114  
the improvements had not been exempted from taxation. 117115

(F)(1) A governing board seeking the approval of a school 117116  
district for the purpose of division (E)(1) of this section 117117  
shall send notice of the proposed resolution to the school 117118  
district not later than forty-five business days before it 117119  
intends to adopt the resolution. The notice shall include a copy 117120  
of the proposed resolution and shall indicate the date on which 117121  
the governing board intends to adopt the resolution. 117122

The board of education, by resolution adopted by a 117123  
majority of the board, may approve the exemption for the period 117124  
or for the exemption percentage specified in the notice; may 117125

disapprove the exemption for the number of years in excess of 117126  
ten, may disapprove the exemption for the percentage of the 117127  
improvements to be exempted in excess of seventy-five per cent, 117128  
or both; or may approve the exemption on the condition that the 117129  
governing board and the board of education negotiate an 117130  
agreement providing for compensation equal in value to a 117131  
percentage of the amount of taxes exempted or some other 117132  
mutually agreeable compensation. If a mutually acceptable 117133  
compensation agreement is negotiated between the governing board 117134  
and the board of education, the governing board shall compensate 117135  
the joint vocational school district within which the district 117136  
is located at the same rate and under the same terms received by 117137  
the city, local, or exempted village school district. 117138

(2) The board of education shall certify a resolution 117139  
adopted under division (F)(1) of this section to the governing 117140  
board not later than fourteen days before the date the governing 117141  
board intends to adopt the resolution as indicated in the 117142  
notice. If the board of education approves the ordinance or 117143  
negotiates a mutually acceptable compensation agreement, the 117144  
governing board may enact the resolution in its current form. If 117145  
the board of education disapproves of the ordinance and fails to 117146  
negotiate a mutually acceptable compensation agreement, the 117147  
resolution is subject to the limitations prescribed by divisions 117148  
(D)(2)(b) and (c) of this section. If the board of education 117149  
fails to certify a resolution within the time prescribed by this 117150  
division, the governing board may adopt the resolution and 117151  
declare the improvements a public purpose for the period of time 117152  
specified in the resolution, or, in the case of exemption 117153  
percentages proposed in excess of seventy-five per cent, for the 117154  
exemption percentage specified in the resolution. 117155

The governing board may adopt the resolution at any time 117156

after the board of education certifies its resolution approving 117157  
the exemption, or, if the board of education approves the 117158  
exemption on the condition that a mutually acceptable 117159  
compensation agreement be negotiated, at any time after the 117160  
compensation agreement is agreed to by the board of education 117161  
and the governing board. 117162

(3) A board of education may adopt a resolution waiving 117163  
its right to approve or receive notice of transportation 117164  
financing districts proposed under this section. If a board of 117165  
education has adopted such a resolution, the terms of that 117166  
resolution supersede the requirements of division (F) (1) of this 117167  
section. The governing board may negotiate an agreement with a 117168  
board of education providing for some mutually agreeable 117169  
compensation in exchange for the board of education adopting 117170  
such a resolution. If a board of education has adopted such an 117171  
ordinance or resolution, it shall certify a copy to the 117172  
governing board. If the board of education rescinds such a 117173  
resolution, it shall certify notice of the rescission to the 117174  
governing board. 117175

(4) If the governing board is not required by division (F) 117176  
of this section to notify the board of education of the 117177  
governing board's intent to create a transportation financing 117178  
district, the governing board shall comply with the notice 117179  
requirements imposed under section 5709.83 of the Revised Code, 117180  
unless the board of education has adopted a resolution under 117181  
that section waiving its right to receive such a notice. 117182

(G) The governing board shall notify and obtain the 117183  
approval of every real property owner whose property is included 117184  
in the proposed transportation financing district. The approval 117185  
shall include a signed agreement between the property owner and 117186

the governing board that specifies the projects and purposes for 117187  
which the service payments made by the owner under section 117188  
5709.49 of the Revised Code will be used. Such an agreement does 117189  
not supersede any compensation agreement between the governing 117190  
board and a school district under division (F) of this section. 117191  
If the property owner and the governing board do not reach an 117192  
agreement under this division, the parcel shall be excluded from 117193  
the district. 117194

(H) (1) Upon adopting a resolution creating a 117195  
transportation financing district, the governing board shall 117196  
send a copy of the resolution and documentation sufficient to 117197  
prove that the requirements of divisions (F) and (G) of this 117198  
section have been met to the director of development. The 117199  
director shall evaluate the resolution and documentation to 117200  
determine if the governing board has fully complied with the 117201  
requirements of this section. If the director approves the 117202  
resolution, the director shall send notice of approval to the 117203  
governing board. If the director does not approve the 117204  
resolution, the director shall send a notice of denial to the 117205  
governing board that includes the reason or reasons for the 117206  
denial. If the director does not make a determination within 117207  
ninety days after receiving a resolution under this section, the 117208  
director is deemed to have approved the resolution. No 117209  
resolution creating a transportation financing district is 117210  
effective without actual or constructive approval by the 117211  
director under this section. 117212

(2) An exemption from taxation granted under this section 117213  
commences with the tax year specified in the resolution so long 117214  
as the year specified in the resolution commences after the 117215  
effective date of the resolution. If the resolution specifies a 117216  
year commencing before the effective date of the resolution or 117217

specifies no year whatsoever, the exemption commences with the 117218  
tax year in which an exempted improvement first appears on the 117219  
tax list and that commences after the effective date of the 117220  
resolution. 117221

(3) Except as otherwise provided in this division, the 117222  
exemption ends on the date specified in the resolution as the 117223  
date the improvement ceases to be a public purpose or the 117224  
regional transportation improvement project funded by the 117225  
service payments dissolves under section 5595.13 of the Revised 117226  
Code, whichever occurs first. Exemptions shall be claimed and 117227  
allowed in the same manner as in the case of other real property 117228  
exemptions. If an exemption status changes during a year, the 117229  
procedure for the apportionment of the taxes for that year is 117230  
the same as in the case of other changes in tax exemption status 117231  
during the year. 117232

(I) The resolution creating a transportation financing 117233  
district may be amended at any time by majority vote of the 117234  
governing board and with the approval of the director of 117235  
development obtained in the same manner as approval of the 117236  
original resolution. Such an amendment may include adding a 117237  
parcel to the district that was previously excluded under 117238  
division (G) of this section, so long as the governing board and 117239  
the owner of the parcel reach an agreement on the use of service 117240  
payments as provided under that division. 117241

division (J) of this section~~+~~. 117804

(b) If the complaint is filed by a legislative authority~~-~~ 117805  
~~or,~~ mayor, or third party complainant acting on behalf of a 117806

section shall include all of the following information: 117813

(a) Identification of the parcel or parcels that are the 117814

(b) The name of at least one of the record owners of the 117818

(c) The basis for the complaint under divisions (A) (1) (a) 117820

required under division (A) (6) (b) of this section that 117827  
identifies more than one parcel under division (A) (7) (a) of this 117828  
section, except that a single resolution may identify more than 117829  
one parcel under that division if each parcel has the same 117830  
record owner or the same record owners, as applicable. A 117831  
legislative authority may adopt multiple resolutions required 117832

under division (A) (6) (b) of this section by a single vote, 117833  
provided that the vote is separate from the question of whether 117834  
to adopt any resolution that is not adopted under division (A) 117835  
(6) (b) of this section. 117836

Before adopting a resolution required by division (A) (6) 117837  
(b) of this section, the legislative authority shall mail a 117838  
written notice to at least one of the record owners of the 117839  
parcel or parcels identified in the resolution stating the 117840  
intent of the legislative authority in adopting the resolution, 117841  
the proposed date of adoption, and the basis for the complaint 117842  
under divisions (A) (1) (a) to (f) of this section relative to 117843  
each parcel identified in the resolution. The notice shall be 117844  
sent by certified mail to the last known tax-mailing address of 117845  
at least one of the record owners and, if different from that 117846  
tax-mailing address, to the street address of the parcel or 117847  
parcels identified in the resolution. Alternatively, if the 117848  
legislative authority has record of an internet identifier of 117849  
record associated with at least one of the record owners, the 117850  
legislative authority may send the notice by ordinary mail and 117851  
by that internet identifier of record. The notice shall be 117852

least seven calendar days before the legislative authority 117854  
adopts the resolution. 117855

A board of revision has jurisdiction to consider a 117856  
complaint filed pursuant to a resolution adopted under division 117857  
(A) (6) (b) of this section only if the legislative authority 117858  
notifies the board of revision of the resolution in the manner 117859  
prescribed in division ~~(A) (8)~~ (A) (8) (a) of this section. The 117860  
failure to accurately identify the street address or the name of 117861  
the record owners of the parcel in the resolution does not 117862  
invalidate the resolution nor is it a cause for dismissal of the 117863

complaint. 117864

~~(8)~~(8) (a) A complaint form prescribed by a board of 117865  
revision or the tax commissioner for the purpose of this section 117866  
shall include a box that must be checked, when a legislative 117867  
authority, mayor, or third party complainant acting on behalf of 117868  
either files an original complaint, to indicate that a 117869  
resolution authorizing the complaint was adopted in accordance 117870  
with divisions (A) (6) (b) and (7) of this section and that notice 117871  
was mailed or sent in accordance with division (A) (7) of this 117872  
section before adoption of the resolution to at least one of the 117873  
record owners of the property that is the subject of the 117874  
complaint. 117875

(b) Any third party complainant shall submit, with the 117876  
complaint, a sworn affidavit stating whether the third party 117877  
complainant is or is not acting on behalf of a legislative 117878  
authority or mayor. 117879

~~(B)~~(B) (1) Within thirty days after the last date such 117880  
complaints may be filed, the auditor shall give notice of each 117881  
complaint in which the stated amount of overvaluation, 117882  
undervaluation, discriminatory valuation, illegal valuation, or 117883  
incorrect determination is at least seventeen thousand five 117884  
hundred dollars in taxable value to each property owner whose 117885  
property is the subject of the complaint, if the complaint was 117886  
not filed by the owner or the owner's spouse. A board of 117887  
education, subject to this division; a property owner; the 117888  
owner's spouse; a tenant of the owner, if that tenant would be 117889  
eligible to file a complaint under division (A) of this section 117890  
with respect to the property; an individual who is retained by 117891  
such an owner or tenant and who holds a designation from a 117892  
professional assessment organization, such as the institute for 117893

professionals in taxation, the national council of property 117894  
taxation, or the international association of assessing 117895  
officers; a public accountant who holds a permit under section 117896  
4701.10 of the Revised Code, a general or residential real 117897  
estate appraiser licensed or certified under Chapter 4763. of 117898  
the Revised Code, or a real estate broker licensed under Chapter 117899  
4735. of the Revised Code, who is retained by such an owner or 117900  
tenant; or, if the owner or tenant is a firm, company, 117901  
association, partnership, limited liability company, 117902  
corporation, or trust, an officer, a salaried employee, a 117903  
partner, a member, or trustee of that owner or tenant, may file 117904  
a counter-complaint in support of or objecting to the amount of 117905  
alleged overvaluation, undervaluation, discriminatory valuation, 117906  
illegal valuation, or incorrect determination stated in a 117907  
previously filed original complaint or objecting to the current 117908  
valuation. 117909

(2) A board of education may file a counter-complaint only 117910  
if the original complaint (a) was filed by the owner of the 117911  
property that is the subject of the complaint, a tenant of that 117912  
property owner, or any person acting on behalf of such owner or 117913  
tenant, and (b) states an amount of overvaluation, 117914  
undervaluation, discriminatory valuation, illegal valuation, or 117915  
incorrect determination of at least seventeen thousand five 117916  
hundred dollars in taxable value. 117917

The board shall file the counter-complaint within thirty 117918  
days after the original complaint is filed or after the last day 117919  
such complaints may be filed, whichever is later, and any other 117920  
person shall file the counter-complaint within thirty days after 117921  
receiving the notice required under this division. 117922

(3) Upon the filing of a counter-complaint, the board of 117923

education, property owner, or tenant shall be made a party to 117924  
the action. 117925

(C) Each board of revision shall notify any complainant 117926  
and counter-complainant, and also the property owner, if the 117927  
property owner's address is known, and the complaint is filed by 117928  
one other than the property owner, not less than ten days prior 117929  
to the hearing, either by certified mail or, if the board has 117930  
record of an internet identifier of record associated with the 117931  
owner, by ordinary mail and by that internet identifier of 117932  
record of the time and place the same will be heard. The board 117933  
of revision shall hear and render its decision on an original 117934  
complaint within one hundred eighty days after the last day such 117935  
a complaint may be filed with the board under division (A)(1) of 117936  
this section or, if a counter-complaint is filed, within one 117937  
hundred eighty days after such filing. If the original complaint 117938  
is filed by the legislative authority of a subdivision, the 117939  
mayor of a municipal corporation with territory in the county, 117940  
or a third party complainant, and if the board of revision has 117941  
not rendered its decision on the complaint within one year after 117942  
the date the complaint was filed, the board may dismiss the 117943  
complaint. 117944

(D) The determination of any such original complaint or 117945  
counter-complaint shall relate back to the date when the lien 117946  
for taxes or recoupment charges for the current year attached or 117947  
the date as of which liability for such year was determined. 117948  
Liability for taxes and recoupment charges for such year and 117949  
each succeeding year until the complaint is finally determined 117950  
and for any penalty and interest for nonpayment thereof within 117951  
the time required by law shall be based upon the determination, 117952  
valuation, or assessment as finally determined. Each complaint 117953  
shall state the amount of overvaluation, undervaluation, 117954

discriminatory valuation, illegal valuation, or incorrect 117955  
classification or determination upon which the complaint is 117956  
based. The treasurer shall accept any amount tendered as taxes 117957  
or recoupment charge upon property concerning which a complaint 117958  
is then pending, computed upon the claimed valuation as set 117959  
forth in the complaint. Unless dismissal is required under 117960  
division (C) of this section, if an original complaint or 117961  
counter-complaint filed for the current year is not determined 117962  
by the board within the time prescribed for such determination, 117963  
the complaint and any proceedings in relation thereto shall be 117964  
continued by the board as a valid complaint for any ensuing year 117965  
until that original complaint or counter-complaint is finally 117966  
determined by the board or upon any appeal from a decision of 117967  
the board. In such case, the original complaint and counter- 117968  
complaint shall continue in effect without further filing by the 117969  
original taxpayer, the original taxpayer's assignee, or any 117970  
other person or entity authorized to file a complaint under this 117971  
section. 117972

(E) If a taxpayer files a complaint as to the 117973  
classification, valuation, assessment, or any determination 117974  
affecting the taxpayer's own property and tenders less than the 117975  
full amount of taxes or recoupment charges as finally 117976  
determined, an interest charge shall accrue as follows: 117977

(1) If the amount finally determined is less than the 117978  
amount billed but more than the amount tendered, the taxpayer 117979  
shall pay interest at the rate per annum prescribed by section 117980  
5703.47 of the Revised Code, computed from the date that the 117981  
taxes were due on the difference between the amount finally 117982  
determined and the amount tendered. This interest charge shall 117983  
be in lieu of any penalty or interest charge under section 117984  
323.121 of the Revised Code unless the taxpayer failed to file a 117985

complaint and tender an amount as taxes or recoupment charges 117986  
within the time required by this section, in which case section 117987  
323.121 of the Revised Code applies. 117988

(2) If the amount of taxes finally determined is equal to 117989  
or greater than the amount billed and more than the amount 117990  
tendered, the taxpayer shall pay interest at the rate prescribed 117991  
by section 5703.47 of the Revised Code from the date the taxes 117992  
were due on the difference between the amount finally determined 117993  
and the amount tendered, such interest to be in lieu of any 117994  
interest charge but in addition to any penalty prescribed by 117995  
section 323.121 of the Revised Code. 117996

(F) Upon request of a complainant, the tax commissioner 117997  
shall determine the common level of assessment of real property 117998  
in the county for the year stated in the request that is not 117999  
valued under section 5713.31 of the Revised Code, which common 118000  
level of assessment shall be expressed as a percentage of true 118001  
value and the common level of assessment of lands valued under 118002  
such section, which common level of assessment shall also be 118003  
expressed as a percentage of the current agricultural use value 118004  
of such lands. Such determination shall be made on the basis of 118005  
the most recent available sales ratio studies of the 118006  
commissioner and such other factual data as the commissioner 118007  
deems pertinent. 118008

(G) A complainant shall provide to the board of revision 118009  
all information or evidence within the complainant's knowledge 118010  
or possession that affects the real property that is the subject 118011  
of the complaint. A complainant who fails to provide such 118012  
information or evidence is precluded from introducing it on 118013  
appeal to the board of tax appeals or the court of common pleas, 118014  
except that the board of tax appeals or court may admit and 118015

consider the evidence if the complainant shows good cause for 118016  
the complainant's failure to provide the information or evidence 118017  
to the board of revision. 118018

(H) In case of the pendency of any proceeding in court 118019  
based upon an alleged excessive, discriminatory, or illegal 118020  
valuation or incorrect classification or determination, the 118021  
taxpayer may tender to the treasurer an amount as taxes upon 118022  
property computed upon the claimed valuation as set forth in the 118023  
complaint to the court. The treasurer may accept the tender. If 118024  
the tender is not accepted, no penalty shall be assessed because 118025  
of the nonpayment of the full taxes assessed. 118026

(I) A legislative authority, or any person acting on 118027  
behalf of a legislative authority, may not enter into a private 118028  
payment agreement with respect to any complaint filed or 118029  
contemplated under this section or section 5715.13 of the 118030  
Revised Code, and any such agreement is void and unenforceable. 118031  
As used in this division, "private payment agreement" means any 118032  
type of agreement in which a property owner, a tenant authorized 118033  
to file a complaint under division (A) of this section, or any 118034  
person acting on behalf of a property owner or such a tenant 118035  
agrees to make one or more payments to a subdivision in exchange 118036  
for the legislative authority of that subdivision, or any person 118037  
acting on behalf of that subdivision, doing any of the 118038  
following: 118039

(1) Refraining from filing a complaint or counter- 118040  
complaint under this section; 118041

(2) Dismissing a complaint or counter-complaint filed 118042  
under this section by the legislative authority ~~under this~~ 118043  
~~section~~ or any person acting on behalf of the legislative 118044  
authority; 118045

(3) Resolving a claim under this section by settlement agreement. 118046  
118047

A "private payment agreement" does not include any agreement to resolve a claim under this section pursuant to which an agreed-upon valuation for the property that is the subject of the claim is approved by the county auditor and reflected on the tax list, provided that agreement does not require any payments described in this division. 118048

(2) Multiply that percentage increase by the filing threshold for the current year; 118065  
118066

(3) Add the resulting product to the filing threshold for the current year; 118067

or leases the property that is the subject of the board of 118116

by a third party complainant, as defined in that section. Such 118118  
appeal shall be taken by the filing of a notice of appeal, in 118119  
person or by certified mail, express mail, facsimile 118120

electronic transmission, the date and time the notice is 118130  
received by the board shall be the date and time reflected on a 118131  
timestamp provided by the board's electronic system, and the 118132  
appeal shall be considered filed with the board on the date 118133  
reflected on that timestamp. Any timestamp provided by another 118134  
computer system or electronic submission device shall not affect 118135  
the time and date the notice is received by the board. Upon 118136

receipt of such notice of appeal such county board of revision 118137  
shall notify all persons thereof who were parties to the 118138  
proceeding before such county board of revision by either 118139  
certified mail or, if the board has record of an internet 118140  
identifier of record associated with such a person, by ordinary 118141  
mail and by that internet identifier of record, and shall file 118142  
proof of such notice or, in the case of ordinary mail, an 118143

it their findings for affirmation or rejection. An appeal may 118153  
proceed pursuant to section 5703.021 of the Revised Code on the 118154

The board of tax appeals may order the appeal to be heard 118156  
on the record and the evidence certified to it by the county 118157  
board of revision, or it may order the hearing of additional 118158  
evidence, and it may make such investigation concerning the 118159  
appeal as it deems proper. 118160

(3) An annual report shall contain the facts, figures, 118273  
computations, and attachments that result in the determination 118274  
of the amount of tax due from a taxpayer under this chapter. 118275

(B) (1) In the case of a financial institution described in 118276

information related to, each person includable in a call report 118284  
filed by the reporting person for that taxable year. 118285

(C) (1) The reporting person for a taxpayer shall remit 118286  
each tax payment and, if required by the commissioner, file each 118287  
annual or estimated tax report electronically. The commissioner 118288  
may require reporting persons to use the Ohio business gateway 118289  
as defined in section 718.01 of the Revised Code to file reports 118290

(3) The reporting person for a taxpayer that is required 118296  
to remit tax payments electronically under this section may 118297

(4) If the reporting person for a taxpayer that is 118302

(b) For the third and any subsequent reports the person so 118309  
fails, ten per cent of the amount of the payment that was 118310  
required to be remitted. 118311

The penalty imposed under this section is in addition to 118312  
any other penalty or charge imposed under this chapter and shall 118313  
be considered as revenue arising from the tax levied under this 118314  
chapter. A penalty may be collected by assessment in the manner 118315  
prescribed by section 5726.20 of the Revised Code. ~~The tax-~~ 118316  
~~commissioner may abate all or a portion of such a penalty and-~~ 118317  
~~may adopt rules governing such abatements.~~ 118318

**Sec. 5726.20.** (A) The tax commissioner may make an 118319  
assessment, based on any information in the commissioner's 118320  
possession, against any person that fails to file a return or 118321  
report or pay any tax as required by this chapter. The reporting 118322  
person for a taxpayer shall file the annual report required 118323  
under section 5726.03 of the Revised Code and remit the tax 118324  
imposed by this chapter. Each person included in the annual 118325  
report of the taxpayer is jointly and severally liable for the 118326  
tax imposed by this chapter and any penalties and interest 118327  
thereon. If the reporting person fails, for any reason, to file 118328  
and remit any tax, the amount due may be collected by assessment 118329  
against the reporting person and against any or all other 118330  
persons required to be included in the annual report of the 118331  
taxpayer as provided in section 5703.90 of the Revised Code. The 118332  
commissioner shall make the assessment in the manner provided in 118333  
this section. The commissioner shall give the person assessed 118334  
written notice of the assessment as provided in section 5703.37 118335  
of the Revised Code. With the notice, the commissioner shall 118336  
provide instructions on the manner in which to petition for 118337  
reassessment and request a hearing with respect to the petition. 118338

(B) No assessment shall be made or issued against a person 118339  
under this section more than four years after the later of the 118340  
final date the report subject to assessment was required to be 118341  
filed or the date such report was filed. Such time limit may be 118342

extended if both the person and the commissioner consent in 118343  
writing to the extension or if an agreement waiving or extending 118344  
the time limit has been entered into pursuant to section 122.171 118345  
of the Revised Code. Any such extension shall extend the four- 118346  
year time limit prescribed in division (A) of section 5726.30 of 118347  
the Revised Code for the same period of time. There shall be no 118348  
bar or limit to an assessment against a person that fails to 118349  
file a report subject to assessment as required by this chapter, 118350  
or that files a fraudulent report. 118351

(C) Unless the person assessed, within sixty days after 118352  
service of the notice of assessment, files with the tax 118353  
commissioner, ~~either in person or by certified mail,~~ a written 118354  
petition for reassessment signed by the person or the person's 118355  
authorized agent having knowledge of the facts, the assessment 118356  
shall become final, and the amount of the assessment is due and 118357  
payable from the person assessed to the treasurer of state. A 118358  
petition shall indicate the objections of the person assessed, 118359  
but additional objections may be raised in writing if received 118360  
by the commissioner prior to the date shown on the final 118361  
determination. If a petition for reassessment has been properly 118362  
filed, the commissioner shall proceed under section 5703.60 of 118363  
the Revised Code. 118364

(D) (1) After an assessment becomes final, if any portion 118365  
of the assessment, including any accrued interest, remains 118366  
unpaid, a certified copy of the tax commissioner's entry making 118367  
the assessment final may be filed in the office of the clerk of 118368  
the court of common pleas in the county in which the person 118369  
resides or has its principal place of business in this state, or 118370  
in the office of the clerk of court of common pleas of Franklin 118371  
county. 118372

(2) Immediately upon the filing of the entry, the clerk 118373  
shall enter judgment for the state against the person assessed 118374  
in the amount shown on the entry. The judgment may be filed by 118375  
the clerk in a loose-leaf book entitled, "special judgments for 118376  
the financial institution tax" and shall have the same effect as 118377  
other judgments. Execution shall issue upon the judgment at the 118378  
request of the tax commissioner, and all laws applicable to 118379  
sales on execution shall apply to sales made under the judgment. 118380

(3) If the assessment is not paid in its entirety within 118381  
sixty days after the day the assessment was issued, the portion 118382  
of the assessment consisting of tax due shall bear interest at 118383  
the rate per annum prescribed by section 5703.47 of the Revised 118384  
Code from the date the tax commissioner issues the assessment 118385  
until the date the assessment is paid or until it is certified 118386  
to the attorney general for collection under section 131.02 of 118387  
the Revised Code, whichever comes first. If the unpaid portion 118388  
of the assessment is certified to the attorney general for 118389  
collection, the entire unpaid portion of the assessment shall 118390  
bear interest at the rate per annum prescribed by section 118391  
5703.47 of the Revised Code from the date of certification until 118392  
the date it is paid in its entirety. Interest shall be paid in 118393  
the same manner as the tax and may be collected by the issuance 118394  
of an assessment under this section. 118395

(E) If the tax commissioner believes that collection of 118396  
the tax imposed by this chapter will be jeopardized unless 118397  
proceedings to collect or secure collection of the tax are 118398  
instituted without delay, the commissioner may issue a jeopardy 118399  
assessment against the person liable for the tax. Immediately 118400  
upon the issuance of the jeopardy assessment, the commissioner 118401  
shall file an entry with the clerk of the court of common pleas 118402  
in the manner prescribed by division (D) of this section. Notice 118403

of the jeopardy assessment shall be served on the person 118404  
assessed or the person's authorized agent in the manner provided 118405  
in section 5703.37 of the Revised Code within five days of the 118406  
filing of the entry with the clerk. The total amount assessed 118407  
shall be immediately due and payable, unless the person assessed 118408  
files a petition for reassessment in accordance with division 118409  
(C) of this section and provides security in a form satisfactory 118410  
to the commissioner and in an amount sufficient to satisfy the 118411  
unpaid balance of the assessment. Full or partial payment of the 118412  
assessment shall not prejudice the commissioner's consideration 118413  
of the petition for reassessment. 118414

(F) The tax commissioner shall immediately forward to the 118415  
treasurer of state all amounts the commissioner receives under 118416  
this section. Such amounts shall be considered as revenue 118417  
arising from the tax imposed by this chapter. 118418

(G) If the tax commissioner possesses information 118419  
indicating that the amount of tax a taxpayer is required to pay 118420  
under this chapter exceeds the amount the reporting person for 118421  
the taxpayer paid, the tax commissioner may audit a sample of 118422  
the taxpayer's gross receipts over a representative period of 118423  
time to ascertain the amount of tax due, and may issue an 118424  
assessment based on the audit. The tax commissioner shall make a 118425  
good faith effort to reach agreement with the taxpayer in 118426  
selecting a representative sample. The tax commissioner may 118427  
apply a sampling method only if the commissioner has prescribed 118428  
the method by rule. 118429

(H) If the whereabouts of a person subject to this chapter 118430  
is not known to the tax commissioner, the secretary of state is 118431  
hereby deemed to be that person's agent for purposes of service 118432  
of process or notice of any assessment, action, or proceedings 118433

instituted in this state against the person under this chapter. 118434  
Such process or notice shall be served on such person by the 118435  
commissioner or by an agent of the commissioner by leaving a 118436  
true and attested copy of the process or notice at the office of 118437  
the secretary of state at least fifteen days before the return 118438  
day of such process or notice, and by sending a copy of the 118439  
process or notice to such person by ordinary mail, with an 118440  
endorsement thereon of the service upon the secretary of state, 118441  
addressed to such person at the person's last known address. 118442

**Sec. 5726.21.** (A) In addition to any other penalty imposed 118443  
by this chapter or Chapter 5703. of the Revised Code, the 118444  
following penalties shall apply: 118445

(1) If a taxpayer required to file any report under this 118446  
chapter fails to make and file the report within the time 118447  
prescribed, a penalty may be imposed not exceeding the greater 118448  
of fifty dollars per month or fraction of a month, not to exceed 118449  
five hundred dollars, or five per cent per month or fraction of 118450  
a month, not to exceed fifty per cent of the tax required to be 118451  
shown on the report, for each month or fraction of a month 118452  
elapsing between the due date and the date on which the report 118453  
is filed. 118454

(2) If a taxpayer fails to pay the amount of tax required 118455  
to be paid under this chapter, except for estimated tax under 118456  
section 5726.06 of the Revised Code, by the dates prescribed in 118457  
this chapter for payment, a penalty may be imposed not exceeding 118458  
fifteen per cent of the delinquent payment. 118459

(3) If a taxpayer files what purports to be a report 118460  
required by this chapter that does not contain information upon 118461  
which the substantial correctness of the report may be judged or 118462  
contains information that on its face indicates that the report 118463

is substantially incorrect, and the filing of the report in that 118464  
manner is due to a position that is frivolous or a desire that 118465  
is apparent from the report to delay or impede the 118466  
administration of the tax levied under this chapter, a penalty 118467  
of up to five hundred dollars may be imposed. 118468

(4) If a taxpayer makes a fraudulent attempt to evade the 118469  
reporting or payment of the tax required to be shown on any 118470  
report required under this chapter, a penalty may be imposed not 118471  
exceeding the greater of one thousand dollars or one hundred per 118472  
cent of the tax required to be shown on the report. 118473

(5) If a taxpayer makes a false or fraudulent claim for a 118474  
refund under this chapter, a penalty may be imposed not 118475  
exceeding the greater of one thousand dollars or one hundred per 118476  
cent of the claim. 118477

(B) The tax commissioner may collect any penalty imposed 118478  
by this section in the same manner as the tax levied under this 118479  
chapter. Penalties so collected shall be considered as revenue 118480  
arising from the tax levied under this chapter. 118481

(C) For purposes of this section, the tax required to be 118482  
shown on the report shall be reduced by the amount of any part 118483  
of the tax paid on or before the date prescribed for filing the 118484  
report. 118485

~~(D) The tax commissioner may abate all or a portion of any 118486  
penalties imposed under this section and may adopt rules 118487  
governing such abatements. 118488~~

**Sec. 5726.98.** (A) To provide a uniform procedure for 118489

**Sec. 5727.08.** On or before the first day of March, 118530  
annually, each public utility and interexchange 118531  
telecommunications company, and, for tax years 2009 and 118532

first day of March, or the date it is due under an extension 118545  
allowed pursuant to section 5727.48 of the Revised Code, or 118546  
fails to accurately report all taxable property, the tax 118547  
commissioner may impose a penalty of up to fifty per cent of the 118548  
taxable value of the property that was not timely or accurately 118549

reported. However, if such a public utility, company, or lessor 118550  
files, within sixty days after the first day of March or the 118551  
extended due date, the report or an amended report and discloses 118552  
all items of taxable property that are required by this chapter 118553  
to be reported, the penalty shall not be more than five per cent 118554  
of the taxable value that was not timely or accurately reported. 118555  
The penalty shall be added to and considered a part of the total 118556  
taxable value of the property that was not timely or accurately 118557  
reported, ~~and may be abated in whole or in part by the tax-~~ 118558  
~~commissioner pursuant to a petition for reassessment filed under~~ 118559  
~~section 5727.47 of the Revised Code.~~ 118560

**Sec. 5727.25.** (A) Except as provided in division (B) of 118561  
this section, within forty-five days after the last day of 118562  
March, June, September, and December, each natural gas company 118563  
or combined company subject to the excise tax imposed by section 118564  
5727.24 of the Revised Code shall file a return with the tax 118565  
commissioner, in such form as the commissioner prescribes, and 118566  
pay the full amount of the tax due on its taxable gross receipts 118567  
for the preceding calendar quarter. All payments made under this 118568  
division shall be made electronically in accordance with section 118569  
5727.311 of the Revised Code. 118570

(B) Any natural gas company or combined company subject to 118571  
the excise tax imposed by this section that has an annual tax 118572  
liability for the preceding calendar year ending on the thirty- 118573  
first day of December of less than three hundred twenty-five 118574  
thousand dollars may elect to file an annual return with the tax 118575  
commissioner, in such form as the commissioner prescribes, for 118576  
the next year. A company that elects to file an annual return 118577  
for the calendar year shall file the return and remit the taxes 118578  
due on its taxable gross receipts within forty-five days after 118579  
the thirty-first day of December. The minimum tax for a natural 118580

gas company or combined company subject to this division shall 118581  
be fifty dollars, and the company shall not be required to remit 118582  
the tax due electronically. 118583

(C) A return required to be filed under division (A) or 118584  
(B) of this section shall show the amount of tax due from the 118585  
company for the period covered by the return and any other 118586  
information as prescribed by the tax commissioner. A return 118587  
shall be considered filed when received by the commissioner. The 118588  
commissioner may extend the time for making and filing returns 118589  
and paying the tax. 118590

(D) Any natural gas company or combined company that fails 118591  
to file a return or pay the full amount of the tax due within 118592  
the period prescribed under this section shall pay an additional 118593  
charge of fifty dollars or ten per cent of the tax required to 118594  
be paid for the reporting period, whichever is greater. If any 118595  
tax due is not paid timely in accordance with this section, the 118596  
company liable for the tax shall pay interest, calculated at the 118597  
rate per annum prescribed by section 5703.47 of the Revised 118598  
Code, from the date the tax payment was due to the date of 118599  
payment or to the date an assessment was issued, whichever 118600  
occurs first. The tax commissioner may collect any additional 118601  
charge or interest imposed by this section by assessment in the 118602  
manner provided in section 5727.26 of the Revised Code. ~~The~~ 118603  
~~commissioner may abate all or a portion of the additional charge~~ 118604  
~~and may adopt rules governing such abatements.~~ 118605

(E) The taxes, additional charges, penalties, and interest 118606  
collected under sections 5727.24 to 5727.29 of the Revised Code 118607  
shall be credited in accordance with section 5727.45 of the 118608  
Revised Code. 118609

**Sec. 5727.26.** (A) The tax commissioner may make an 118610

assessment, based on any information in the commissioner's 118611  
possession, against any natural gas company or combined company 118612  
that fails to file a return or pay any tax, interest, or 118613  
additional charge as required by sections 5727.24 to 5727.29 of 118614  
the Revised Code. The commissioner shall give the company 118615  
assessed written notice of the assessment as provided in section 118616  
5703.37 of the Revised Code. With the notice, the commissioner 118617  
shall provide instructions on how to petition for reassessment 118618  
and request a hearing on the petition. A penalty of up to 118619  
fifteen per cent may be added to all amounts assessed under this 118620  
section. ~~The tax commissioner may adopt rules providing for the~~ 118621  
~~imposition and remission of the penalty.~~ 118622

(B) Unless the company assessed, within sixty days after 118623  
service of the notice of assessment, files with the tax 118624  
commissioner, ~~either personally or by certified mail,~~ a written 118625  
petition signed by the company's authorized agent having 118626  
knowledge of the facts, the assessment becomes final, and the 118627  
amount of the assessment is due and payable from the company 118628  
assessed to the commissioner. The petition shall indicate the 118629  
objections of the company assessed, but additional objections 118630  
may be raised in writing if received by the commissioner prior 118631  
to the date shown on the final determination. 118632

If a petition for reassessment has been properly filed, 118633  
the commissioner shall proceed under section 5703.60 of the 118634  
Revised Code. 118635

(C) After an assessment becomes final, if any portion of 118636  
the assessment, including accrued interest, remains unpaid, a 118637  
certified copy of the tax commissioner's entry making the 118638  
assessment final may be filed in the office of the clerk of the 118639  
court of common pleas in the county in which the natural gas 118640

company's or combined company's principal place of business is 118641  
located, or in the office of the clerk of court of common pleas 118642  
of Franklin county. 118643

Immediately on the filing of the entry, the clerk shall 118644  
enter judgment for the state against the company assessed in the 118645  
amount shown on the entry. The judgment may be filed by the 118646  
clerk in a loose-leaf book entitled, "special judgments for the 118647  
public utility excise tax on natural gas and combined 118648  
companies," and shall have the same effect as other judgments. 118649  
Execution shall issue upon the judgment at the request of the 118650  
tax commissioner, and all laws applicable to sales on execution 118651  
shall apply to sales made under the judgment. 118652

If the assessment is not paid in its entirety within sixty 118653  
days after the day the assessment was issued, the portion of the 118654  
assessment consisting of tax due shall bear interest at the rate 118655  
per annum prescribed by section 5703.47 of the Revised Code from 118656  
the day the tax commissioner issues the assessment until it is 118657  
paid or until it is certified to the attorney general for 118658  
collection under section 131.02 of the Revised Code, whichever 118659  
comes first. If the unpaid portion of the assessment is 118660  
certified to the attorney general for collection, the entire 118661  
unpaid portion of the assessment shall bear interest at the rate 118662  
per annum prescribed by section 5703.47 of the Revised Code from 118663  
the date of certification until the date it is paid in its 118664  
entirety. Interest shall be paid in the same manner as the tax 118665  
and may be collected by the issuance of an assessment under this 118666  
section. 118667

(D) If the tax commissioner believes that collection of 118668  
the tax will be jeopardized unless proceedings to collect or 118669  
secure collection of the tax are instituted without delay, the 118670

commissioner may issue a jeopardy assessment against the company 118671  
liable for the tax. Immediately upon the issuance of the 118672  
jeopardy assessment, the commissioner shall file an entry with 118673  
the clerk of the court of common pleas in the manner prescribed 118674  
by division (C) of this section. Notice of the jeopardy 118675  
assessment shall be served on the company assessed or the 118676  
company's authorized agent in the manner provided in section 118677  
5703.37 of the Revised Code within five days of the filing of 118678  
the entry with the clerk. The total amount assessed is 118679  
immediately due and payable, unless the company assessed files a 118680  
petition for reassessment in accordance with division (B) of 118681  
this section and provides security in a form satisfactory to the 118682  
commissioner and in an amount sufficient to satisfy the unpaid 118683  
balance of the assessment. Full or partial payment of the 118684  
assessment does not prejudice the commissioner's consideration 118685  
of the petition for reassessment. 118686

(E) The tax commissioner shall immediately forward to the 118687  
treasurer of state all amounts that the tax commissioner 118688  
receives under this section, and such amounts shall be 118689  
considered revenue arising from the tax imposed by section 118690  
5727.24 of the Revised Code. 118691

(F) No assessment shall be made or issued against a 118692  
natural gas company or combined company for the tax imposed by 118693  
section 5727.24 of the Revised Code more than four years after 118694  
the return date for the period in which the tax was reported, or 118695  
more than four years after the return for the period was filed, 118696  
whichever is later. 118697

**Sec. 5727.38.** On or before the first Monday of November, 118698  
annually, the tax commissioner may assess an excise tax against 118699  
a public utility subject to the excise tax under section 5727.30 118700

of the Revised Code. The tax shall be computed by multiplying 118701  
the taxable gross receipts as determined by the commissioner 118702  
under section 5727.33 of the Revised Code by six and three- 118703  
fourths per cent in the case of pipe-line companies, and four 118704  
and three-fourths per cent in the case of all other companies. 118705  
The minimum tax for any such company for owning property or 118706  
doing business in this state shall be fifty dollars. The 118707  
assessment shall be ~~mailed to the taxpayer~~served on the public 118708  
utility in the manner prescribed by section 5703.37 of the 118709  
Revised Code. 118710

**Sec. 5727.42.** (A) The tax commissioner shall collect the 118711  
excise tax imposed by section 5727.30 of the Revised Code and 118712  
the taxpayer shall pay all taxes and any penalties thereon. 118713  
Payments of the tax may be made by mail, in person, 118714  
electronically if required to do so by section 5727.311 of the 118715  
Revised Code, or by any other means authorized by the 118716  
commissioner. The commissioner may adopt rules concerning the 118717  
methods and timeliness of payment. 118718

(B) Each tax assessment issued pursuant to this section 118719  
shall separately reflect the taxes and any penalty due, and any 118720  
other information considered necessary. ~~The commissioner shall~~ 118721  
~~mail the assessment to the taxpayer, and the mailing of it shall~~ 118722  
~~be prima facie evidence of receipt thereof by the taxpayer~~The 118723  
assessment shall be served on the taxpayer in the manner 118724  
prescribed by section 5703.37 of the Revised Code. 118725

(C) The commissioner shall refund taxes levied and 118726  
payments made for the tax imposed by section 5727.30 of the 118727  
Revised Code as provided in this section, ~~but no refund shall be~~ 118728  
~~made to a taxpayer having a delinquent claim certified pursuant-~~ 118729  
~~to this section that remains unpaid. The commissioner may-~~ 118730

~~consult the attorney general regarding such claims.~~ 118731

(D) After receiving any excise tax annual statement for 118732  
the tax imposed by section 5727.30 of the Revised Code, the 118733  
commissioner shall: 118734

(1) Ascertain the difference between the total taxes owed 118735  
and the sum of all payments made for that year. 118736

(2) If the difference is a deficiency, the commissioner 118737  
shall issue an assessment. 118738

(3) If the difference is an excess, the commissioner shall 118739  
issue a refund of that amount to the taxpayer. If the amount of 118740  
the refund is less than that claimed by the taxpayer, the 118741  
taxpayer, within sixty days of the issuance of the refund, may 118742  
provide to the commissioner additional information to support 118743  
the claim or may request a hearing. Upon receiving such 118744  
information or request within that time, the commissioner shall 118745  
follow the same procedures set forth in divisions (C) and (D) of 118746  
section 5703.70 of the Revised Code for the determination of 118747  
refund applications. 118748

If the taxpayer has a deficiency for one tax year and an 118749  
excess for another tax year, or any combination thereof for more 118750  
than two years, the commissioner may determine the net result 118751  
and, depending on such result, proceed to issue an assessment or 118752  
certify a refund. 118753

(E) If a taxpayer fails to pay the amount of taxes 118754  
required to be paid, or fails to make an estimated payment on or 118755  
before the due date prescribed in division (B) of section 118756  
5727.31 of the Revised Code, the commissioner shall impose a 118757  
penalty in the amount of fifteen per cent of the unpaid amount, 118758  
and the commissioner shall issue an assessment for the unpaid 118759

amount and penalty. Unless a timely petition for reassessment is filed under section 5727.47 of the Revised Code, the attorney general shall proceed to collect the delinquent taxes and penalties thereon in the manner prescribed by law and notify the commissioner of all collections.

(F) If a taxpayer entitled to a refund under this section is indebted to the state for any tax or fee administered by the tax commissioner, or any charge, penalty, or interest arising from such a tax or fee, the amount refundable may be applied in satisfaction of that debt. If the amount refundable is less than the amount of the debt, it may be applied in partial satisfaction of the debt. If the amount refundable is greater than the amount of the debt, the amount remaining after satisfaction of the debt shall be refunded.

**Sec. 5727.47.** (A) Notice of each assessment certified or issued pursuant to section 5727.23 or 5727.38 of the Revised Code shall be mailed to the public utility, and its mailing shall be prima-facie evidence of its receipt by the public utility to which it is addressed served on the public utility or public utility property lessor in the manner prescribed by section 5703.37 of the Revised Code. With the notice, the tax commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition. If a public utility objects to such an assessment, it may file with the commissioner, ~~either personally or by certified mail,~~ within sixty days after the mailing of the notice of assessment a written petition for reassessment signed by the utility's authorized agent having knowledge of the facts. The date the commissioner receives the petition shall be considered the date of filing. The petition shall indicate the utility's objections, but additional objections may be raised in writing if received

by the commissioner prior to the date shown on the final 118791  
determination. 118792

In the case of a petition seeking a reduction in taxable 118793  
value filed with respect to an assessment certified under 118794  
section 5727.23 of the Revised Code, the petitioner shall state 118795  
in the petition the total amount of reduction in taxable value 118796  
sought by the petitioner. If the petitioner objects to the 118797  
percentage of true value at which taxable property is assessed 118798  
by the commissioner, the petitioner shall state in the petition 118799  
the total amount of reduction in taxable value sought both with 118800  
and without regard to the objection pertaining to the percentage 118801  
of true value at which its taxable property is assessed. If a 118802  
petitioner objects to the commissioner's apportionment of the 118803  
taxable value of the petitioner's taxable property, the 118804  
petitioner shall distinctly state in the petition that the 118805  
petitioner objects to the commissioner's apportionment, and, 118806  
within forty-five days after filing the petition for 118807  
reassessment, shall submit the petitioner's proposed 118808  
apportionment of the taxable value of its taxable property among 118809  
taxing districts. If a petitioner that objects to the 118810  
commissioner's apportionment fails to state its objections to 118811  
that apportionment in its petition for reassessment or fails to 118812  
submit its proposed apportionment within forty-five days after 118813  
filing the petition for reassessment, the commissioner shall 118814  
dismiss the petitioner's objection to the commissioner's 118815  
apportionment, and the taxable value of the petitioner's taxable 118816  
property, subject to any adjustment to taxable value pursuant to 118817  
the petition or appeal, shall be apportioned in the manner used 118818  
by the commissioner in the preliminary or amended preliminary 118819  
assessment certified under section 5727.23 of the Revised Code. 118820

If an additional objection seeking a reduction in taxable 118821

value in excess of the reduction stated in the original petition 118822  
is properly and timely raised with respect to an assessment 118823  
issued under section 5727.23 of the Revised Code, the petitioner 118824  
shall state the total amount of the reduction in taxable value 118825  
sought in the additional objection both with and without regard 118826  
to any reduction in taxable value pertaining to the percentage 118827  
of true value at which taxable property is assessed. If a 118828  
petitioner fails to state the reduction in taxable value sought 118829  
in the original petition or in additional objections properly 118830  
raised after the petition is filed, the commissioner shall 118831  
notify the petitioner of the failure in the manner provided in 118832  
section 5703.37 of the Revised Code. If the petitioner fails to 118833  
notify the commissioner in writing of the reduction in taxable 118834  
value sought in the petition or in an additional objection 118835  
within thirty days after receiving the commissioner's notice, 118836  
the commissioner shall dismiss the petition or the additional 118837  
objection in which that reduction is sought. 118838

(B) (1) Subject to divisions (B) (2) and (3) of this 118839  
section, a public utility filing a petition for reassessment 118840  
regarding an assessment certified or issued under section 118841  
5727.23 or 5727.38 of the Revised Code shall pay the tax with 118842  
respect to the assessment objected to as required by law. The 118843  
acceptance of any tax payment by the tax commissioner or any 118844  
county treasurer shall not prejudice any claim for taxes on 118845  
final determination by the commissioner or final decision by the 118846  
board of tax appeals or any court. 118847

(2) If a public utility properly and timely files a 118848  
petition for reassessment regarding an assessment certified 118849  
under section 5727.23 of the Revised Code, the petitioner shall 118850  
pay the tax as prescribed by divisions (B) (2) (a), (b), and (c) 118851  
of this section: 118852

(a) If the petitioner does not object to the commissioner's apportionment of the taxable value of the petitioner's taxable property, the petitioner is not required to pay the part of the tax otherwise due on the taxable value that the petitioner seeks to have reduced, subject to division (B) (2) (c) of this section.

(b) If the petitioner objects to the commissioner's apportionment of the taxable value of the petitioner's taxable property, the petitioner is not required to pay the tax otherwise due on the part of the taxable value apportioned to any taxing district that the petitioner objects to, subject to division (B) (2) (c) of this section. If, pursuant to division (A) of this section, the petitioner has, in a proper and timely manner, apportioned taxable value to a taxing district to which the commissioner did not apportion the petitioner's taxable value, the petitioner shall pay the tax due on the taxable value that the petitioner has apportioned to the taxing district, subject to division (B) (2) (c) of this section.

(c) If a petitioner objects to the percentage of true value at which taxable property is assessed by the commissioner, the petitioner shall pay the tax due on the basis of the percentage of true value at which the public utility's taxable property is assessed by the commissioner. In any case, the petitioner's payment of tax shall not be less than the amount of tax due based on the taxable value reflected on the last appeal notice issued by the commissioner under division (C) of this section. Until the county auditor receives notification under division (E) of this section and proceeds under section 5727.471 of the Revised Code to issue any refund that is found to be due, the county auditor shall not issue a refund for any increase in the reduction in taxable value that is sought by a petitioner

later than forty-five days after the petitioner files the 118884  
original petition as required under division (A) of this 118885  
section. 118886

(3) Any part of the tax that, under division (B) (2) (a) or 118887  
(b) of this section, is not paid shall be collected upon receipt 118888  
of the notification as provided in section 5727.471 of the 118889  
Revised Code with interest thereon computed in the same manner 118890  
as interest is computed under division (E) of section 5715.19 of 118891  
the Revised Code, subject to any correction of the assessment by 118892  
the commissioner under division (E) of this section or the final 118893  
judgment of the board of tax appeals or a court to which the 118894  
board's final judgment is appealed. The penalty imposed under 118895  
section 323.121 of the Revised Code shall apply only to the 118896  
unpaid portion of the tax if the petitioner's tax payment is 118897  
less than the amount of tax due based on the taxable value 118898  
reflected on the last appeal notice issued by the commissioner 118899  
under division (C) of this section. 118900

(C) Upon receipt of a properly filed petition for 118901  
reassessment with respect to an assessment certified under 118902  
section 5727.23 of the Revised Code, the tax commissioner shall 118903  
notify the treasurer of state or the auditor of each county to 118904  
which the assessment objected to has been certified. In the case 118905  
of a petition with respect to an assessment certified under 118906  
section 5727.23 of the Revised Code, the commissioner shall 118907  
issue an appeal notice within thirty days after receiving the 118908  
amount of the taxable value reduction and apportionment changes 118909  
sought by the petitioner in the original petition or in any 118910  
additional objections properly and timely raised by the 118911  
petitioner. The appeal notice shall indicate the amount of the 118912  
reduction in taxable value sought in the petition or in the 118913  
additional objections and the extent to which the reduction in 118914

taxable value and any change in apportionment requested by the 118915  
petitioner would affect the commissioner's apportionment of the 118916  
taxable value among taxing districts in the county as shown in 118917  
the assessment. If a petitioner is seeking a reduction in 118918  
taxable value on the basis of a lower percentage of true value 118919  
than the percentage at which the commissioner assessed the 118920  
petitioner's taxable property, the appeal notice shall indicate 118921  
the reduction in taxable value sought by the petitioner without 118922  
regard to the reduction sought on the basis of the lower 118923  
percentage and shall indicate that the petitioner is required to 118924  
pay tax on the reduced taxable value determined without regard 118925  
to the reduction sought on the basis of a lower percentage of 118926  
true value, as provided under division (B) (2) (c) of this 118927  
section. The appeal notice shall include a statement that the 118928  
reduced taxable value and the apportionment indicated in the 118929  
notice are not final and are subject to adjustment by the 118930  
commissioner or by the board of tax appeals or a court on 118931  
appeal. If the commissioner finds an error in the appeal notice, 118932  
the commissioner may amend the notice, but the notice is only 118933  
for informational and tax payment purposes; the notice is not 118934  
subject to appeal by any person. The commissioner also shall 118935  
~~mail~~provide a copy of the appeal notice to the petitioner. Upon 118936  
the request of a taxing authority, the county auditor may 118937  
disclose to the taxing authority the extent to which a reduction 118938  
in taxable value sought by a petitioner would affect the 118939  
apportionment of taxable value to the taxing district or 118940  
districts under the taxing authority's jurisdiction, but such a 118941  
disclosure does not constitute a notice required by law to be 118942  
given for the purpose of section 5717.02 of the Revised Code. 118943

(D) If the petitioner requests a hearing on the petition, 118944  
the tax commissioner shall assign a time and place for the 118945

hearing on the petition and notify the petitioner of such time and place, but the commissioner may continue the hearing from time to time as necessary.

(E) The tax commissioner may make corrections to the assessment as the commissioner finds proper. The commissioner shall serve a copy of the commissioner's final determination on the petitioner in the manner provided in section 5703.37 of the Revised Code. The commissioner's decision in the matter shall be final, subject to appeal under section 5717.02 of the Revised Code. With respect to a final determination issued for an assessment certified under section 5727.23 of the Revised Code, the commissioner also shall transmit a copy of the final determination to the applicable county auditor. In the absence of any further appeal, or when a decision of the board of tax appeals or of any court to which the decision has been appealed becomes final, the commissioner shall notify the public utility and, as appropriate, shall proceed under section 5727.42 of the Revised Code, or notify the applicable county auditor, who shall proceed under section 5727.471 of the Revised Code.

The notification made under this division is not subject to further appeal.

(F) On appeal, no adjustment shall be made in the tax commissioner's assessment certified under section 5727.23 of the Revised Code that reduces the taxable value of a petitioner's taxable property by an amount that exceeds the reduction sought by the petitioner in its petition for reassessment or in any additional objections properly and timely raised after the petition is filed with the commissioner.

**Sec. 5727.48.** The tax commissioner, ~~on application by a public utility,~~ may extend to ~~the~~ a public utility a further

specified time, not to exceed thirty days, within which to file 118976  
any report or statement required by this chapter to be filed 118977  
with the commissioner, except reports required by sections 118978  
5727.24 to 5727.29 of the Revised Code. A public utility ~~must~~ 118979  
~~file such an application, in writing, with the commissioner~~ 118980  
shall request this extension, in the form and manner prescribed 118981  
by the commissioner, on or before the date that the report or 118982  
statement is otherwise required to be filed. 118983

**Sec. 5727.60.** If a person fails to file a report within 118984  
the time prescribed by section 5727.08 or 5727.31 of the Revised 118985  
Code, including any extensions of time granted by the tax 118986  
commissioner, a penalty of fifty dollars per month, not to 118987  
exceed five hundred dollars, may be imposed for each month or 118988  
fraction of a month elapsing between the due date of the report, 118989  
including any extensions, and the date the report was filed. The 118990  
penalty under this section for failing to file a report required 118991  
by section 5727.08 of the Revised Code shall be paid into the 118992  
state general revenue fund. The penalty under this section for 118993  
failing to file the report required by section 5727.31 of the 118994  
Revised Code shall be deposited into the state treasury in the 118995  
same manner as the tax, and the commissioner may collect the 118996  
penalty by assessment pursuant to section 5727.38 of the Revised 118997  
Code. ~~The tax commissioner may abate this penalty in full or in~~ 118998  
~~part.~~ 118999

**Sec. 5727.82.** (A) (1) Except as provided in divisions (A) 119000  
(3) and (D) of this section, by the twentieth day of each month, 119001  
each electric distribution company required to pay the tax 119002  
imposed by section 5727.81 of the Revised Code shall file with 119003  
the tax commissioner a return as prescribed by the tax 119004  
commissioner and shall make payment of the full amount of tax 119005  
due for the preceding month. The electric distribution company 119006

shall make payment to the tax commissioner unless required to 119007  
remit the payment electronically as provided in section 5727.83 119008  
of the Revised Code. 119009

(2) By the twentieth day of May, August, November, and 119010  
February, each natural gas distribution company required to pay 119011  
the tax imposed by section 5727.811 of the Revised Code shall 119012  
file with the tax commissioner a return as prescribed by the tax 119013  
commissioner and shall make payment to the tax commissioner of 119014  
the full amount of tax due for the preceding quarter. 119015

(3) If the electric distribution company required to pay 119016  
the tax imposed by section 5727.81 of the Revised Code is a 119017  
municipal electric utility, it may retain in its general fund 119018  
that portion of the tax on the kilowatt hours distributed to end 119019  
users located within the boundaries of the municipal 119020  
corporation. However, the municipal electric utility shall make 119021  
payment in accordance with division (A) (1) of this section of 119022  
the tax due on the kilowatt hours distributed to end users 119023  
located outside the boundaries of the municipal corporation. 119024

(4) By the twentieth day of each month, each self- 119025  
assessing purchaser that under division (C) of section 5727.81 119026  
of the Revised Code pays directly to the tax commissioner the 119027  
tax imposed by section 5727.81 of the Revised Code shall file 119028  
with the tax commissioner a return as prescribed by the tax 119029  
commissioner and shall make payment of the full amount of the 119030  
tax due for the preceding month. 119031

(5) As prescribed by the tax commissioner, a return shall 119032  
be signed by the company or self-assessing purchaser required to 119033  
file it, or an authorized employee, officer, or agent of the 119034  
company or purchaser. The return shall be deemed filed when 119035  
received by the tax commissioner. 119036

(B) Any natural gas distribution company, electric 119037  
distribution company, or self-assessing purchaser required by 119038  
this section to file a return who fails to file it and pay the 119039  
tax within the period prescribed shall pay an additional charge 119040  
of fifty dollars or ten per cent of the tax required to be paid 119041  
for the reporting period, whichever is greater. The tax 119042  
commissioner may collect the additional charge by assessment 119043  
pursuant to section 5727.89 of the Revised Code. ~~The~~ 119044  
~~commissioner may abate all or a portion of the additional charge~~ 119045  
~~and may adopt rules governing such abatements.~~ 119046

(C) If any tax due is not paid timely in accordance with 119047  
this section, the natural gas distribution company, electric 119048  
distribution company, or self-assessing purchaser liable for the 119049  
tax shall pay interest, calculated at the rate per annum 119050  
prescribed by section 5703.47 of the Revised Code, from the date 119051  
the tax payment was due to the date of payment or to the date an 119052  
assessment is issued, whichever occurs first. Interest shall be 119053  
paid in the same manner as the tax, and the commissioner may 119054  
collect the interest by assessment pursuant to section 5727.89 119055  
of the Revised Code. 119056

(D) Not later than the tenth day of each month, a 119057  
qualified end user not making the election to self-assess under 119058  
division (C) of section 5727.81 of the Revised Code shall report 119059  
in writing to the electric distribution company that distributes 119060  
electricity to the end user the kilowatt hours that were 119061  
consumed as a qualified end user in a qualifying manufacturing 119062  
process for the prior month and the number of days, if any, on 119063  
which the end user was not a qualified end user. For each 119064  
calendar day during that month, a qualified end user shall 119065  
report the kilowatt hours that were not used in a qualifying 119066  
manufacturing process. For each calendar day the end user was 119067

not a qualified end user, the end user shall report in writing 119068  
to the electric distribution company the total number of 119069  
kilowatt hours used on that day, and the electric distribution 119070  
company shall pay the tax imposed under section 5727.81 of the 119071  
Revised Code on each kilowatt hour that was not distributed to a 119072  
qualified end user in a qualifying manufacturing process. The 119073  
electric distribution company may rely in good faith on a 119074  
qualified end user's report filed under this division. If it is 119075  
determined that the end user was not a qualified end user for 119076  
any calendar day or the quantity of electricity used by the 119077  
qualified end user in a qualifying manufacturing process was 119078  
overstated, the tax commissioner shall assess and collect any 119079  
tax imposed under section 5727.81 of the Revised Code directly 119080  
from the qualified end user. As requested by the commissioner, 119081  
each end user reporting to an electric distribution company that 119082  
it is a qualified end user shall provide documentation to the 119083  
commissioner that establishes the volume of electricity consumed 119084  
daily by the qualified end user and the total number of kilowatt 119085  
hours consumed in a qualifying manufacturing process. 119086

**Sec. 5727.83.** (A) A natural gas distribution company, an 119087  
electric distribution company, or a self-assessing purchaser 119088  
shall remit each tax payment electronically as prescribed by 119089  
divisions (B) and (C) of this section. 119090

The tax commissioner shall notify each natural gas 119091  
distribution company, electric distribution company, and self- 119092  
assessing purchaser of the obligation to remit taxes 119093  
electronically by using the Ohio business gateway, as defined in 119094  
section 718.01 of the Revised Code, or another means of 119095  
electronic payment. Failure by the commissioner to notify a 119096  
company or self-assessing purchaser subject to this section to 119097  
remit taxes electronically does not relieve the company or self- 119098

assessing purchaser of its obligation to remit taxes in that 119099  
manner. 119100

(B) A natural gas distribution company, an electric 119101  
distribution company, or a self-assessing purchaser required by 119102  
this section to remit payments electronically shall remit such 119103  
payments on or before the dates specified under section 5727.82 119104  
of the Revised Code. The payment of taxes electronically does 119105  
not affect a company's or self-assessing purchaser's obligation 119106  
to file a return as required under section 5727.82 of the 119107  
Revised Code. 119108

(C) A natural gas distribution company, an electric 119109  
distribution company, or a self-assessing purchaser required by 119110  
this section to remit taxes electronically may apply to the tax 119111  
commissioner in the manner prescribed by the commissioner to be 119112  
excused from that requirement. The commissioner may excuse the 119113  
company or self-assessing purchaser from electronic remittance 119114  
for good cause shown for the period of time requested by the 119115  
company or self-assessing purchaser or for a portion of that 119116  
period. The commissioner shall notify the company or self- 119117  
assessing purchaser of the commissioner's decision as soon as is 119118  
practicable. 119119

(D) If a natural gas distribution company, an electric 119120  
distribution company, or a self-assessing purchaser required by 119121  
this section to remit taxes electronically remits those taxes by 119122  
some means other than electronically as prescribed by this 119123  
section , and the tax commissioner determines that such failure 119124  
was not due to reasonable cause or was due to willful neglect, 119125  
the commissioner may collect an additional charge by assessment 119126  
in the manner prescribed by section 5727.89 of the Revised Code. 119127  
The additional charge shall equal five per cent of the amount of 119128

the taxes required to be paid electronically, but shall not 119129  
exceed five thousand dollars. Any additional charge assessed 119130  
under this section is in addition to any other penalty or charge 119131  
imposed under this chapter, and shall be considered as revenue 119132  
arising from the tax imposed under this chapter. ~~The tax-~~ 119133  
~~commissioner may abate all or a portion of such a charge and may~~ 119134  
~~adopt rules governing such abatements.~~ 119135

No additional charge shall be assessed under this division 119136  
against a natural gas distribution company, an electric 119137  
distribution company, or a self-assessing purchaser that has 119138  
been notified of its obligation to remit taxes electronically 119139  
under this section and that remits its first two tax payments 119140  
after such notification by some other means. The additional 119141  
charge may be assessed upon the remittance of any subsequent tax 119142  
payment that the company or purchaser remits by some means other 119143  
than electronically. 119144

**Sec. 5727.89.** (A) The tax commissioner may make an 119145  
assessment, based on any information in the commissioner's 119146  
possession, against any natural gas distribution company, 119147  
electric distribution company, self-assessing purchaser, or 119148  
qualified end user that fails to file a return or pay any tax, 119149  
interest, or additional charge as required by sections 5727.80 119150  
to 5727.95 of the Revised Code. 119151

When information in the possession of the tax commissioner 119152  
indicates that a person liable for the tax imposed by section 119153  
5727.81 or 5727.811 of the Revised Code has not paid the full 119154  
amount of tax due, the commissioner may audit a representative 119155  
sample of the person's business and may issue an assessment 119156  
based on the audit. The commissioner shall give the person 119157  
assessed written notice of the assessment in the manner provided 119158

in section 5703.37 of the Revised Code. With the notice, the 119159  
commissioner shall provide instructions on how to petition for 119160  
reassessment and request a hearing on the petition. 119161

The tax commissioner may issue an assessment for which the 119162  
tax imposed by section 5727.81 or 5727.811 of the Revised Code 119163  
was due and unpaid on the date the person was informed by an 119164  
agent of the tax commissioner of an investigation or audit of 119165  
the person. Any payment of the tax for the period covered by the 119166  
assessment, after the person is so informed, shall be credited 119167  
against the assessment. 119168

A penalty of up to fifteen per cent may be added to all 119169  
amounts assessed under this section. ~~The commissioner may adopt~~ 119170  
~~rules providing for the imposition and remission of penalties.~~ 119171

(B) Unless the party assessed files with the tax 119172  
commissioner within sixty days after service of the notice of 119173  
assessment, ~~either personally or by certified mail,~~ a written 119174  
petition for reassessment signed by the party assessed or that 119175  
party's authorized agent having knowledge of the facts, the 119176  
assessment becomes final and the amount of the assessment is due 119177  
and payable from the party assessed to the treasurer of state. 119178  
The petition shall indicate the objections of the party 119179  
assessed, but additional objections may be raised in writing if 119180  
received by the commissioner prior to the date shown on the 119181  
final determination. If the petition has been properly filed, 119182  
the commissioner shall proceed under section 5703.60 of the 119183  
Revised Code. 119184

(C) After an assessment becomes final, if any portion of 119185  
the assessment, including accrued interest, remains unpaid, a 119186  
certified copy of the tax commissioner's entry making the 119187  
assessment final may be filed in the office of the clerk of the 119188

court of common pleas in the county in which the party assessed 119189  
resides or in which the party's business is conducted. If the 119190  
party assessed maintains no place of business in this state and 119191  
is not a resident of this state, the certified copy of the entry 119192  
may be filed in the office of the clerk of the court of common 119193  
pleas of Franklin county. 119194

Immediately upon the filing of the entry, the clerk shall 119195  
enter a judgment for the state against the person assessed in 119196  
the amount shown on the entry. The judgment may be filed by the 119197  
clerk in a loose-leaf book entitled "special judgments for the 119198  
distribution excise taxes," and shall have the same effect as 119199  
other judgments. Execution shall issue upon the judgment at the 119200  
request of the tax commissioner, and all laws applicable to 119201  
sales on execution shall apply to sales made under the judgment. 119202

If the assessment is not paid in its entirety within sixty 119203  
days after the day the assessment was issued, the portion of the 119204  
assessment consisting of tax due shall bear interest at the rate 119205  
per annum prescribed by section 5703.47 of the Revised Code from 119206  
the day the tax commissioner issues the assessment until the day 119207  
the assessment is paid or until it is certified to the attorney 119208  
general for collection under section 131.02 of the Revised Code, 119209  
whichever comes first. If the unpaid portion of the assessment 119210  
is certified to the attorney general for collection, the entire 119211  
unpaid portion of the assessment shall bear interest at the rate 119212  
per annum prescribed by section 5703.47 of the Revised Code from 119213  
the date of certification until the date it is paid in its 119214  
entirety. Interest shall be paid in the same manner as the tax 119215  
and may be collected by the issuance of an assessment under this 119216  
section. 119217

(D) If the tax commissioner believes that collection of 119218

the tax imposed by section 5727.81 or 5727.811 of the Revised Code will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the person liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the party assessed or the party's legal representative within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the party assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(E) All money collected by the tax commissioner under this section shall be paid to the treasurer of state, and when paid shall be considered as revenue arising from the taxes imposed by sections 5727.81 and 5727.811 of the Revised Code.

**Sec. 5728.09.** (A) Any person who fails to file timely the return required by section 5728.08 of the Revised Code may be required to pay an additional charge equal to the greater of fifty dollars or ten per cent of the tax due. ~~The tax commissioner may adopt rules providing for the imposition and remission of the additional charges.~~ Any additional charge imposed under this section may be collected through an assessment as provided in section 5728.10 of the Revised Code.

(B) If the tax imposed by this chapter, or any portion of that tax, whether determined by the tax commissioner or the taxpayer, is not paid on or before the date prescribed in section 5728.08 of the Revised Code, interest shall be collected and paid in the same manner as the tax, upon that unpaid amount at the rate per annum prescribed by section 5703.47 of the Revised Code from the date prescribed for payment of the tax until it is paid or until the day an assessment is issued under section 5728.10 of the Revised Code, whichever occurs first. Any interest imposed under this chapter may be collected through an assessment as provided in section 5728.10 of the Revised Code.

**Sec. 5728.10.** (A) If any person required to file a fuel use tax return by sections 5728.01 to 5728.14 of the Revised Code, fails to file the return within the time prescribed by those sections, files an incomplete return, files an incorrect return, or fails to remit the full amount of the tax due for the period covered by the return, the tax commissioner may make an assessment against the person, based upon any information in the commissioner's possession, for the period for which the tax was due.

No assessment shall be made against any person for any tax imposed by this chapter more than four years after the return date for the period for which the tax was due or more than four years after the return for the period was filed, whichever is later. This section does not bar an assessment against any person who fails to file a fuel use tax return as required by this chapter, or who files a fraudulent fuel use tax return.

A penalty of up to fifteen per cent may be added to the amount of every assessment made pursuant to this section. ~~The commissioner may adopt rules providing for the imposition and~~

~~remission of penalties added to assessments made under this~~ 119279  
~~section.~~ 119280

The commissioner shall give the party assessed written 119281  
notice of the assessment in the manner provided in section 119282  
5703.37 of the Revised Code. With the notice, the commissioner 119283  
shall provide instructions on how to petition for reassessment 119284  
and request a hearing on the petition. 119285

(B) Unless the party assessed files with the tax 119286  
commissioner within sixty days after service of the notice of 119287  
assessment, ~~either personally or by certified mail,~~ a written 119288  
petition for reassessment, signed by the party assessed, or by 119289  
the party's authorized agent having knowledge of the facts, the 119290  
assessment becomes final and the amount of the assessment is due 119291  
and payable from the party assessed to the treasurer of state. 119292  
The petition shall indicate the objections of the party 119293  
assessed, but additional objections may be raised in writing if 119294  
received by the commissioner prior to the date shown on the 119295  
final determination. If the petition has been properly filed, 119296  
the commissioner shall proceed under section 5703.60 of the 119297  
Revised Code. 119298

(C) After an assessment becomes final, if any portion of 119299  
the assessment remains unpaid, including accrued interest, a 119300  
certified copy of the tax commissioner's entry making the 119301  
assessment final may be filed in the office of the clerk of the 119302  
court of common pleas in the county in which the party's place 119303  
of business is located or the county in which the party assessed 119304  
resides. If the party maintains no office in this state and is 119305  
not a resident of this state, the certified copy of the entry 119306  
may be filed in the office of the clerk of the court of common 119307  
pleas of Franklin county. 119308

Immediately upon the filing of the entry, the clerk shall 119309  
enter a judgment for the state of Ohio against the party 119310  
assessed in the amount shown on the entry. The judgment may be 119311  
filed by the clerk in a loose-leaf book entitled "special 119312  
judgments for state fuel use tax," and shall have the same 119313  
effect as other judgments. Execution shall issue upon the 119314  
judgment upon the request of the commissioner, and all laws 119315  
applicable to sales on execution shall apply to sales made under 119316  
the judgment. 119317

If the assessment is not paid within sixty days after the 119318  
day the assessment was issued, the portion of the assessment 119319  
consisting of tax due shall bear interest at the rate per annum 119320  
prescribed by section 5703.47 of the Revised Code from the day 119321  
the commissioner issues the assessment until it is paid or until 119322  
it is certified to the attorney general for collection under 119323  
section 131.02 of the Revised Code, whichever comes first. If 119324  
the unpaid portion of the assessment is certified to the 119325  
attorney general for collection, the entire unpaid portion of 119326  
the assessment shall bear interest at the rate per annum 119327  
prescribed by section 5703.47 of the Revised Code from the date 119328  
of certification until the date it is paid in its entirety. 119329  
Interest shall be paid in the same manner as the tax and may be 119330  
collected by the issuance of an assessment under this section. 119331

(D) All money collected by the tax commissioner under this 119332  
section shall be paid into the state treasury in the same manner 119333  
as the revenues deriving from the taxes imposed by section 119334  
5728.06 of the Revised Code. 119335

**Sec. 5729.10.** If a company fails to pay the tax levied by 119336  
section 5729.03 of the Revised Code, or to make any partial 119337  
payment thereof as required by law after a statement thereof has 119338

been made and mailed to it, or if the annual statement required 119339  
by law to be made by it is false or incorrect, the 119340  
superintendent of insurance may revoke the license of such 119341  
company doing business in this state. Upon failure to pay the 119342  
tax or to make partial payment thereof according to law, the 119343  
~~superintendent~~treasurer of state shall certify that fact to the 119344  
attorney general, who shall thereupon begin an action against 119345  
the company in the court of common pleas of Franklin county, or 119346  
any other county ~~h~~the attorney general elects, to recover the 119347  
amount of the tax. If such company ceases to do business in this 119348  
state, it shall thereupon make a report to the superintendent of 119349  
the gross amount of premiums not theretofore reported as 119350  
provided in section 5729.02 or 5729.04 of the Revised Code 119351  
received by it from policies covering risks within this state 119352  
prior to such discontinuance of business, after deducting return 119353  
premiums and considerations received for reinsurance not 119354  
theretofore so reported, and shall forthwith pay to the 119355  
~~superintendent~~treasurer of state a like per cent of tax 119356  
thereon. 119357

**Sec. 5733.022.** (A) Subject to division (C) of this 119358  
section, if a taxpayer's total liability for taxes imposed by 119359  
section 5733.06 of the Revised Code, after reduction for all 119360  
nonrefundable credits allowed the taxpayer, exceeds fifty 119361  
thousand dollars, the taxpayer shall remit each tax payment for 119362  
the tax year electronically as prescribed by divisions (B) and 119363  
(C) of this section. 119364

The tax commissioner shall notify each taxpayer required 119365  
to remit taxes electronically of the taxpayer's obligation to do 119366  
so. Failure by the commissioner to notify a taxpayer subject to 119367  
this section to remit taxes electronically does not relieve the 119368  
taxpayer of its obligation to remit taxes in that manner. 119369

(B) Taxpayers required by this section to remit payments 119370  
electronically shall remit such payments in the manner 119371  
prescribed by the tax commissioner. 119372

Except as otherwise provided in this paragraph, the 119373  
electronic payment of taxes does not affect a taxpayer's 119374  
obligation to file the annual corporation report or the 119375  
declaration of estimated tax report as required under sections 119376  
5733.02 and 5733.021 of the Revised Code. 119377

(C) If two or more taxpayers have elected or are required 119378  
to file a combined report under section 5733.052 of the Revised 119379  
Code, the tax liability of those taxpayers for purposes of 119380  
division (A) of this section is the aggregate tax liability of 119381  
those taxpayers after reduction for nonrefundable credits 119382  
allowed the taxpayers. 119383

(D) A taxpayer required by this section to remit taxes 119384  
electronically may apply to the tax commissioner in the manner 119385  
prescribed by the commissioner to be excused from that 119386  
requirement. The commissioner may excuse the taxpayer from 119387  
electronic remittance for good cause shown for the period of 119388  
time requested by the taxpayer or for a portion of that period. 119389  
The commissioner shall notify the taxpayer of the commissioner's 119390  
decision as soon as is practicable. 119391

(E) If a taxpayer required by this section to remit taxes 119392  
electronically remits those taxes by some means other than 119393  
electronically as prescribed by this section, and the tax 119394  
commissioner determines that such failure was not due to 119395  
reasonable cause or was due to willful neglect, the commissioner 119396  
may collect an additional charge by assessment in the manner 119397  
prescribed by section 5733.11 of the Revised Code. The 119398  
additional charge shall equal five per cent of the amount of the 119399

taxes or estimated tax payments required to be paid 119400  
electronically, but shall not exceed five thousand dollars. Any 119401  
additional charge assessed under this section is in addition to 119402  
any other penalty or charge imposed under this chapter, and 119403  
shall be considered as revenue arising from the taxes imposed 119404  
under this chapter. ~~The commissioner may remit all or a portion-~~ 119405  
~~of such a charge and may adopt rules governing such remission.~~ 119406

No additional charge shall be assessed under this division 119407  
against a taxpayer that has been notified of its obligation to 119408  
remit taxes electronically under this section and that remits 119409  
its first two tax payments after such notification by some other 119410  
means . The additional charge may be assessed upon the 119411  
remittance of any subsequent tax payment that the taxpayer 119412  
remits by some means other than electronically. 119413

**Sec. 5735.062.** (A) If the tax commissioner so requires, 119414  
the dealer shall remit each monthly tax payment electronically 119415  
as prescribed by division (B) of this section. 119416

The commissioner shall notify each dealer required to 119417  
remit taxes electronically of the dealer's obligation to do so. 119418  
Failure by the commissioner to notify a dealer subject to this 119419  
section to remit taxes electronically does not relieve the 119420  
dealer of its obligation to remit taxes electronically. 119421

(B) Dealers required by division (A) of this section to 119422  
remit payments electronically shall remit such payments through 119423  
the Ohio business gateway, as defined in section 718.01 of the 119424  
Revised Code, or in another manner as prescribed by the 119425  
commissioner. Required payments shall be remitted on or before 119426  
the dates specified under section 5735.06 of the Revised Code. 119427  
The payment of taxes electronically does not affect a dealer's 119428  
obligation to file the monthly return as required under section 119429

5735.06 of the Revised Code. 119430

A dealer required by this section to remit taxes 119431  
electronically may apply to the commissioner to be excused from 119432  
that requirement. The commissioner may excuse the dealer from 119433  
the electronic remittance requirement for good cause shown for 119434  
the period of time requested by the dealer or for a portion of 119435  
that period. 119436

(C) If a dealer required by this section to remit taxes 119437  
electronically fails to do so, the commissioner may impose a 119438  
penalty on the dealer not to exceed one of the following: 119439

(1) For the first return period the dealer fails to remit 119440  
taxes electronically, the greater of twenty-five dollars or five 119441  
per cent of the amount of the payment required to be remitted; 119442

(2) For the second or any subsequent return period the 119443  
dealer fails to remit taxes electronically, the greater of fifty 119444  
dollars or ten per cent of the amount of the payment required to 119445  
be remitted. 119446

The penalty imposed under division (C) of this section is 119447  
in addition to any other penalty imposed under this chapter and 119448  
shall be considered as revenue arising from the taxes imposed 119449  
under this chapter. A penalty may be collected by assessment in 119450  
the manner prescribed by section 5735.12 of the Revised Code. 119451  
~~The commissioner may abate all or a portion of a penalty.~~ 119452

(D) The commissioner may adopt rules necessary to 119453  
administer this section. 119454

**Sec. 5735.12.** (A) Any person required by this chapter to 119455  
file reports or pay the tax levied by this chapter who fails to 119456  
do so within the time prescribed may be liable for an additional 119457  
charge not exceeding the greater of ten per cent of the person's 119458

tax liability for that month or fifty dollars. ~~The tax-~~ 119459  
~~commissioner may remit all or a portion of the additional charge~~ 119460  
~~and may adopt rules relating to the remission of all or a~~ 119461  
~~portion of the charge.~~ 119462

If any person required by this chapter to file reports or 119463  
pay the taxes, interest, or additional charge levied by this 119464  
chapter fails to file the report, files an incomplete or 119465  
incorrect report, or fails to remit the full amount of the tax, 119466  
interest, or additional charge due for the period covered by the 119467  
report, the commissioner may make an assessment against the 119468  
person based upon any information in the commissioner's 119469  
possession. 119470

No assessment shall be made against any motor fuel dealer 119471  
for taxes imposed by this chapter more than four years after the 119472  
date on which the report on which the assessment was based was 119473  
due or was filed, whichever is later. This section does not bar 119474  
an assessment against any motor fuel dealer who fails to file a 119475  
report required by section 5735.06 of the Revised Code, or who 119476  
files a fraudulent motor fuel tax report. 119477

A penalty of up to fifteen per cent may be added to the 119478  
amount of every assessment made under this section. The 119479  
commissioner may adopt rules providing for the imposition and 119480  
remission of penalties added to assessments made under this 119481  
section. 119482

The commissioner shall give the party assessed written 119483  
notice of the assessment in the manner provided in section 119484  
5703.37 of the Revised Code. With the notice, the commissioner 119485  
shall provide instructions on how to petition for reassessment 119486  
and request a hearing on the petition. 119487

(B) Unless the party assessed files with the tax commissioner within sixty days after service of the notice of assessment, ~~either personally or by certified mail,~~ a written petition for reassessment in writing, signed by the party assessed or that party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due and payable from the party assessed to the treasurer of state. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the party assessed resides or in which the business of the party assessed is conducted. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state against the party assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state motor fuel tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) All money collected by the tax commissioner under this section shall be paid to the treasurer of state, and when paid shall be considered as revenue arising from the tax imposed by this chapter.

(E) If the tax commissioner determines that the commissioner has erroneously refunded motor fuel tax to any person, the commissioner may make an assessment against the person for recovery of the erroneously refunded tax.

**Sec. 5735.121.** (A) If the tax commissioner finds that any person liable for tax under this chapter is about to depart from the state, remove property from the state, conceal self, or conceal the person's property, or do any other act tending to prejudice, obstruct, or render wholly or partly ineffectual proceedings to collect the tax, unless proceedings are commenced without delay, or if the commissioner believes that the collection of the amount due from any person will be jeopardized

by delay, the commissioner may issue a jeopardy assessment 119549  
against the person for the amount of the tax, plus a penalty of 119550  
up to fifteen per cent. Upon issuance of a jeopardy assessment 119551  
under this division, the total amount assessed shall immediately 119552  
be due and payable unless security is provided pursuant to 119553  
division (C) of this section. Any assessment issued under this 119554  
section shall bear interest in the manner prescribed in section 119555  
5735.12 of the Revised Code. 119556

(B) The commissioner immediately shall file an entry with 119557  
the clerk of the court of common pleas in the same manner and 119558  
with the same effect as provided in section 5735.12 of the 119559  
Revised Code. Notice of the jeopardy assessment shall be served 119560  
on the person assessed or the legal representative of the person 119561  
assessed, as provided in section 5703.37 of the Revised Code, 119562  
within five days of the filing of the entry. The person assessed 119563  
may petition for reassessment within sixty days of receipt of 119564  
the notice of jeopardy assessment in the same manner as provided 119565  
in section 5735.12 of the Revised Code. Full or partial payment 119566  
of the assessment shall not prejudice the commissioner's 119567  
consideration of the merits of the assessment as contested by 119568  
the petition for reassessment. Upon notification of the 119569  
existence of the judgment filed pursuant to this division, any 119570  
public official having control or custody of any funds or 119571  
property of the person assessed immediately shall pay or deliver 119572  
the funds or property to the commissioner as full or partial 119573  
satisfaction of the jeopardy assessment. However, funds or 119574  
property needed as evidence in criminal proceedings or that is 119575  
expected to be forfeited pursuant to Chapter 2981. of the 119576  
Revised Code, need not be relinquished by the public official. 119577  
Upon disposition of criminal and forfeiture proceedings, funds 119578  
and property not needed as evidence and not forfeited shall be 119579

delivered to the commissioner. 119580

(C) If the person subject to a jeopardy assessment files a 119581  
petition for reassessment and posts security satisfactory to the 119582  
commissioner in an amount sufficient to satisfy the unpaid 119583  
balance of the assessment, execution on the judgment shall be 119584  
stayed pending disposition of the petition for reassessment and 119585  
all appeals resulting from the petition. If the security is 119586  
sufficient to satisfy the full amount of the assessment, the 119587  
commissioner shall return any funds or property of the person 119588  
that previously were seized. Upon satisfaction of the 119589  
assessment, the commissioner shall order the security released 119590  
and the judgment vacated. 119591

~~(D) The commissioner may adopt rules providing for the 119592  
imposition and remission of penalties added to assessments made 119593  
under this section. 119594~~

**Sec. 5736.02.** (A) Beginning with the tax period that 119595  
commences July 1, 2014, and continuing for every tax period 119596  
thereafter, there is hereby levied an excise tax on each 119597  
supplier measured by the supplier's calculated gross receipts 119598  
derived from the first sale of motor fuel within this state. The 119599  
tax due shall be computed by multiplying sixty-five one- 119600  
hundredths of one per cent by the supplier's calculated gross 119601  
receipts. 119602

All revenue from the tax shall be distributed as follows: 119603

(1) All revenue from the tax as measured by calculated 119604  
gross receipts derived from the sale of motor fuel used for 119605  
propelling vehicles on public highways and waterways shall be 119606  
used for the purposes of maintaining the state highway system, 119607  
funding the enforcement of traffic laws, and covering the costs 119608

of hospitalization of indigent persons injured in motor vehicle 119609  
accidents on the public highways. 119610

(2) All revenue from the tax as measured by calculated 119611  
gross receipts derived from the sale of motor fuel used 119612  
exclusively in the operation of aircraft shall be used to fund 119613  
airport improvements. 119614

(3) All revenue not distributed as required by division 119615  
(A) (1) or (2) of this section shall be used for the purpose of 119616  
funding the needs of this state and its local governments. 119617

(B) The tax imposed by this section is in addition to any 119618  
other taxes or fees imposed under the Revised Code. 119619

(C) The tax commissioner shall determine and publish, on 119620  
the web site of the department of taxation, the statewide 119621  
average wholesale prices of a gallon of unleaded regular 119622  
gasoline, of a gallon of propane, and of a gallon of diesel fuel 119623  
for each calendar quarter. The commissioner's determination is 119624  
presumed to be correct unless clearly erroneous. The figure 119625  
shall be published at least fifteen days before the beginning of 119626  
the calendar quarter. The commissioner shall base the average 119627  
price on pricing information available from the United States 119628  
energy information administration or, if such information is not 119629  
available from that agency, from another publicly available 119630  
source selected by the commissioner. The commissioner shall 119631  
first make reasonable efforts to obtain data specific to this 119632  
state before using national data to determine the average 119633  
wholesale price. The price shall not include any federal or 119634  
state excise taxes on the gasoline or diesel fuel, or the tax 119635  
imposed by this chapter. The price shall be rounded up to the 119636  
nearest one-tenth of one cent. 119637

(D) Nothing in this chapter prohibits a person from 119638  
separately or proportionately billing or invoicing the tax 119639  
imposed by this section to a purchaser of motor fuel. 119640

(E) The tax imposed by this section applies only to 119641  
suppliers having a substantial nexus with this state, as that 119642  
term is defined in section 5751.01 of the Revised Code. A 119643  
supplier that does not have substantial nexus with the state may 119644  
voluntarily obtain a license from the commissioner under section 119645  
5736.06 of the Revised Code. A supplier that voluntarily obtains 119646  
a license from the commissioner is entitled to the same benefits 119647  
and is subject to the same duties and requirements as are 119648  
suppliers required to be licensed with the commissioner. 119649

**Sec. 5736.04.** (A) Not later than the tenth day of the 119650  
second month after the end of each calendar quarter, every 119651  
taxpayer shall file with the tax commissioner a tax return in 119652  
such form as the commissioner prescribes. The return shall 119653  
include, but is not limited to, the amount of the taxpayer's 119654  
calculated gross receipts for the calendar quarter and shall 119655  
indicate the amount of tax due under section 5736.02 of the 119656  
Revised Code for the calendar quarter. The taxpayer shall 119657  
indicate on each return the portion of the taxpayer's gross 119658  
receipts attributable to motor fuel used for propelling vehicles 119659  
on public highways and waterways, the portion of such receipts 119660  
attributable to motor fuel used exclusively in the operation of 119661  
aircraft, and the portion of such receipts attributable to motor 119662  
fuel used for other purposes. For this purpose, the sale of 119663  
gasoline and of diesel fuel that is not dyed diesel fuel shall 119664  
be rebuttably presumed to be distributed or sold for use or used 119665  
to propel vehicles on public highways or waterways. All other 119666  
sales of motor fuel shall be rebuttably presumed not to be 119667  
distributed or sold for use or used to propel vehicles on public 119668

highways or waterways. 119669

(B) (1) The taxpayer shall remit the tax shown to be due on 119670  
the return, and, if required by the tax commissioner, file the 119671  
return, electronically. The commissioner may require taxpayers 119672  
to use the Ohio business gateway as defined in section 718.01 of 119673  
the Revised Code to file ~~return~~ returns and remit the tax, or 119674  
may provide another means for taxpayers to file and remit the 119675  
tax electronically. 119676

(2) A person required by this section to remit taxes or 119677  
file returns electronically may apply to the commissioner, on 119678  
the form prescribed by the commissioner, to be excused from that 119679  
requirement. The commissioner may excuse a person from such 119680  
requirement for good cause. 119681

(C) The tax rate with respect to calculated gross receipts 119682  
for a calendar quarter is not fixed until the end of the 119683  
measurement period for each calendar quarter. The total amount 119684  
of calculated gross receipts reported for a given calendar 119685  
quarter shall be subject to the tax rate in effect in that 119686  
quarter. 119687

**Sec. 5736.05.** (A) Any taxpayer that fails to file a return 119688  
or pay the full amount of the tax due within the period 119689  
prescribed therefor under this chapter shall pay a penalty in an 119690  
amount not exceeding the greater of fifty dollars or ten per 119691  
cent of the tax required to be paid for the tax period. 119692

(B) (1) If any additional tax is found to be due, the tax 119693  
commissioner may impose an additional penalty of up to fifteen 119694  
per cent on the additional tax found to be due. 119695

(2) Any delinquent payments of the tax made after a 119696  
taxpayer is notified of an audit or a tax discrepancy by the 119697

commissioner is subject to the penalty imposed by division (B) 119698  
of this section. If an assessment is issued under section 119699  
5736.09 of the Revised Code in connection with such delinquent 119700  
payments, the payments shall be credited to the assessment. 119701

(C) If a person required to remit taxes or file a return 119702  
electronically under section 5736.04 of the Revised Code fails 119703  
to do so, the commissioner may impose a penalty not to exceed 119704  
the following: 119705

(1) For either of the first two calendar quarters the 119706  
person so fails, five per cent of the amount of the payment that 119707  
was required to be remitted; 119708

(2) For the third and any subsequent calendar quarters the 119709  
person so fails, ten per cent of the amount of the payment that 119710  
was required to be remitted. 119711

(D) The tax commissioner may collect any penalty or 119712  
interest imposed by this section in the same manner as the tax 119713  
imposed under this chapter. Penalties and interest so collected 119714  
shall be considered as revenue arising from the tax imposed 119715  
under this chapter. 119716

~~(E) The tax commissioner may abate all or a portion of any 119717  
penalties imposed under this section and may adopt rules 119718  
governing such abatements. 119719~~

~~(F) If any tax due is not timely paid in accordance with 119720  
this chapter, the taxpayer shall pay interest, calculated at the 119721  
rate per annum prescribed by section 5703.47 of the Revised 119722  
Code, from the date the tax payment was due to the date of 119723  
payment or to the date an assessment was issued, whichever 119724  
occurs first. 119725~~

**Sec. 5736.09.** (A) The tax commissioner may make an 119726

assessment, based on any information in the commissioner's 119727  
possession, against any person that fails to file a return or 119728  
pay any ~~tax~~ amounts as required by this chapter. The 119729  
commissioner shall give the person assessed written notice of 119730  
the assessment as provided in section 5703.37 of the Revised 119731  
Code. With the notice, the commissioner shall provide 119732  
instructions on the manner in which to petition for reassessment 119733  
and request a hearing with respect to the petition. 119734

(B) Unless the person assessed, within sixty days after 119735  
service of the notice of assessment, files with the 119736  
commissioner, ~~either personally or by certified mail,~~ a written 119737  
petition signed by the person or the person's authorized agent 119738  
having knowledge of the facts, the assessment becomes final, and 119739  
the amount of the assessment is due and payable from the person 119740  
assessed to the treasurer of state. The petition shall indicate 119741  
the objections of the person assessed, but additional objections 119742  
may be raised in writing if received by the commissioner prior 119743  
to the date shown on the final determination. 119744

If a petition for reassessment has been properly filed, 119745  
the commissioner shall proceed under section 5703.60 of the 119746  
Revised Code. 119747

(C) (1) After an assessment becomes final, if any portion 119748  
of the assessment, including accrued interest, remains unpaid, a 119749  
certified copy of the commissioner's entry making the assessment 119750  
final may be filed in the office of the clerk of the court of 119751  
common pleas in the county in which the person resides or has 119752  
its principal place of business in this state, or in the office 119753  
of the clerk of court of common pleas of Franklin county. 119754

(2) Immediately upon the filing of the entry, the clerk 119755  
shall enter judgment for the state against the person assessed 119756

in the amount shown on the entry. The judgment may be filed by 119757  
the clerk in a loose-leaf book entitled, "special judgments for 119758  
the petroleum activity tax" and shall have the same effect as 119759  
other judgments. Execution shall issue upon the judgment at the 119760  
request of the commissioner, and all laws applicable to sales on 119761  
execution shall apply to sales made under the judgment. 119762

(3) If the assessment is not paid in its entirety within 119763  
sixty days after the day the assessment was issued, the portion 119764  
of the assessment consisting of tax due shall bear interest at 119765  
the rate per annum prescribed by section 5703.47 of the Revised 119766  
Code from the day the commissioner issues the assessment until 119767  
it is paid or until it is certified to the attorney general for 119768  
collection under section 131.02 of the Revised Code, whichever 119769  
comes first. If the unpaid portion of the assessment is 119770  
certified to the attorney general for collection, the entire 119771  
unpaid portion of the assessment shall bear interest at the rate 119772  
per annum prescribed by section 5703.47 of the Revised Code from 119773  
the date of certification until the date it is paid in its 119774  
entirety. Interest shall be paid in the same manner as the tax 119775  
and may be collected by the issuance of an assessment under this 119776  
section. 119777

(D) If the commissioner believes that collection of the 119778  
tax will be jeopardized unless proceedings to collect or secure 119779  
collection of the tax are instituted without delay, the 119780  
commissioner may issue a jeopardy assessment against the person 119781  
liable for the tax. Immediately upon the issuance of the 119782  
jeopardy assessment, the commissioner shall file an entry with 119783  
the clerk of the court of common pleas in the manner prescribed 119784  
by division (C) of this section. Notice of the jeopardy 119785  
assessment shall be served on the person assessed or the 119786  
person's authorized agent in the manner provided in section 119787

5703.37 of the Revised Code within five days of the filing of 119788  
the entry with the clerk. The total amount assessed is 119789  
immediately due and payable, unless the person assessed files a 119790  
petition for reassessment in accordance with division (B) of 119791  
this section and provides security in a form satisfactory to the 119792  
commissioner and in an amount sufficient to satisfy the unpaid 119793  
balance of the assessment. Full or partial payment of the 119794  
assessment does not prejudice the commissioner's consideration 119795  
of the petition for reassessment. 119796

(E) The commissioner shall immediately forward to the 119797  
treasurer of state all amounts the commissioner receives under 119798  
this section, and such amounts shall be considered as revenue 119799  
arising from the tax imposed under this chapter. 119800

(F) Except as otherwise provided in this division, no 119801  
assessment shall be made or issued against a taxpayer for ~~the~~ 119802  
~~tax amounts~~ imposed under this chapter more than four years 119803  
after the due date for the filing of the return or application 119804  
for the tax period for which the ~~tax amount~~ was reported, or 119805  
more than four years after the return or application for the tax 119806  
period was filed, whichever is later. The time limit may be 119807  
extended if both the taxpayer and the commissioner consent in 119808  
writing to the extension or enter into an agreement waiving or 119809  
extending the time limit. Any such extension shall extend the 119810  
four-year time limit in division (A) of section 5736.08 of the 119811  
Revised Code for the same period of time. Nothing in this 119812  
division bars an assessment against a taxpayer that fails to 119813  
file a return required by this chapter or that files a 119814  
fraudulent return. 119815

(G) If the commissioner possesses information that 119816  
indicates that the amount of tax a taxpayer is required to pay 119817

under this chapter exceeds the amount the taxpayer paid, the 119818  
commissioner may audit a sample of the taxpayer's calculated 119819  
gross receipts over a representative period of time to ascertain 119820  
the amount of tax due, and may issue an assessment based on the 119821  
audit. The commissioner shall make a good faith effort to reach 119822  
agreement with the taxpayer in selecting a representative 119823  
sample. The commissioner may apply a sampling method only if the 119824  
commissioner has prescribed the method by rule. 119825

(H) If the whereabouts of a person subject to this chapter 119826  
is not known to the commissioner, the commissioner shall follow 119827  
the procedures under section 5703.37 of the Revised Code. 119828

**Sec. 5736.13.** (A) For the purpose of receiving, accounting 119829  
for, and distributing revenue received from the tax imposed by 119830  
section 5736.02 of the Revised Code, the following funds are 119831  
hereby created in the state treasury: 119832

(1) The petroleum activity tax fund; 119833

(2) The petroleum activity tax administration fund. All 119834  
amounts credited to the petroleum activity tax administration 119835  
fund shall be used solely for the purpose of paying the expenses 119836  
of the department of taxation incident to the administration of 119837  
the tax imposed by section 5736.02 of the Revised Code. 119838

(3) The petroleum activity tax public highways fund. 119839

(B) All money collected from the tax imposed by section 119840  
5736.02 of the Revised Code shall be deposited into the 119841  
petroleum activity tax fund. 119842

(C) From the petroleum activity tax fund, the director of 119843  
budget and management shall place to the credit of the tax 119844  
refund fund established by section 5703.052 of the Revised Code 119845  
amounts equal to the refunds certified by the tax commissioner 119846

pursuant to section 5736.08 of the Revised Code. 119847

(D) Not later than the last day of March, June, September, 119848  
and December of each year, the director of budget and management 119849  
shall provide for the transfer of the balance of the petroleum 119850  
activity tax fund as of the last day of the preceding month, 119851  
excluding any amounts required to be transferred as provided in 119852  
division (C) of this section, as follows: 119853

(1) To the petroleum activity tax administration fund, one 119854  
per cent; 119855

(2) To the Ohio airport improvement program fund created 119856  
in section 4561.03 of the Revised Code, an amount equal to the 119857  
balance of the fund attributable to the tax on calculated gross 119858  
receipts derived from the sale of motor fuel used exclusively in 119859  
the operation of aircraft minus one per cent of that balance; 119860

(3) To the petroleum activity tax public highways fund, an 119861  
amount that bears the same ratio to the balance in the petroleum 119862  
activity tax fund, after subtracting the amount transferred 119863  
under division (D) (1) and (2) of this section, that (a) the 119864  
calculated gross receipts attributed to motor fuel used for 119865  
propelling vehicles on public highways and waterways as 119866  
indicated by returns filed by the last day of the preceding 119867  
month, bears to (b) all calculated gross receipts as indicated 119868  
by those returns; 119869

~~(3)~~(4) To the general revenue fund, the amount remaining 119870  
after the transfers required by divisions (D) (1) ~~and (2)~~ to (3) 119871  
of this section. 119872

**Sec. 5739.032.** (A) If the total amount of tax required to 119873  
be paid by a permit holder under section 5739.031 of the Revised 119874  
Code for any calendar year equals or exceeds seventy-five 119875

thousand dollars, the permit holder shall remit each monthly tax payment in the second ensuing and each succeeding year electronically as prescribed by division (B) of this section.

If a permit holder's tax payment for each of two consecutive years is less than seventy-five thousand dollars, the permit holder is relieved of the requirement to remit taxes electronically for the year that next follows the second of the consecutive years in which the tax payment is less than that amount, and is relieved of that requirement for each succeeding year, unless the tax payment in a subsequent year equals or exceeds seventy-five thousand dollars.

Failure by the tax commissioner to notify a permit holder subject to this section to remit taxes electronically does not relieve the permit holder of its obligation to remit taxes in that manner.

(B) Permit holders required by division (A) of this section to remit payments electronically shall remit such payments by using the Ohio business gateway, as defined in section 718.01 of the Revised Code, or another means of electronic payment, and as follows:

(1) On or before the twenty-third day of each month, a permit holder shall remit an amount equal to seventy-five per cent of the anticipated tax liability for that month.

(2) On or before the twenty-third day of each month, a permit holder shall report the taxes due for the previous month and shall remit that amount, less any amounts paid for that month as required by division (B) (1) of this section.

The electronic payment of taxes does not affect a permit holder's obligation to file the monthly return as required under

section 5739.031 of the Revised Code. 119905

(C) (1) (a) If a permit holder that is required to remit 119906  
payments under division (B) of this section fails to make a 119907  
payment, or makes a payment under division (B) (1) of this 119908  
section that is less than seventy-five per cent of the actual 119909  
liability for that month, the commissioner may impose an 119910  
additional charge not to exceed five per cent of that unpaid 119911  
amount. 119912

(b) Division (C) (1) (a) of this section does not apply if 119913  
the permit holder's payment under division (B) (1) of this 119914  
section is equal to or greater than seventy-five per cent of the 119915  
permit holder's reported liability for the same month in the 119916  
immediately preceding calendar year. 119917

(2) If a permit holder required by this section to remit 119918  
taxes electronically remits those taxes by some means other than 119919  
electronically as prescribed by this section and the tax 119920  
commissioner determines that such failure was not due to 119921  
reasonable cause or was due to willful neglect, the commissioner 119922  
may impose an additional charge not to exceed the lesser of five 119923  
per cent of the amount of the taxes required to be paid 119924  
electronically or five thousand dollars. 119925

(3) Any additional charge imposed under division (C) (1) or 119926  
(2) of this section is in addition to any other penalty or 119927  
charge imposed under this chapter, and shall be considered as 119928  
revenue arising from taxes imposed under this chapter. An 119929  
additional charge may be collected by assessment in the manner 119930  
prescribed by section 5739.13 of the Revised Code. ~~The tax-~~ 119931  
~~commissioner may waive all or a portion of such a charge and may~~ 119932  
~~adopt rules governing such waiver.~~ 119933

No additional charge shall be imposed under division (C) 119934  
(2) of this section against a permit holder that has been 119935  
notified of its obligation to remit taxes electronically under 119936  
this section and that remits its first two tax payments after 119937  
such notification by some other means. The additional charge may 119938  
be imposed upon the remittance of any subsequent tax payment 119939  
that the permit holder remits by some means other than 119940  
electronically. 119941

**Sec. 5739.07.** (A) When, pursuant to this chapter, a vendor 119942  
has paid taxes to the tax commissioner or the commissioner's 119943  
agent, the commissioner shall refund to the vendor the amount of 119944  
taxes paid, and any penalties assessed with respect to such 119945  
taxes, if the vendor has refunded to the consumer the full 119946  
amount of taxes the consumer paid illegally or erroneously or if 119947  
the vendor has illegally or erroneously billed the consumer but 119948  
has not collected the taxes from the consumer. 119949

(B) When, pursuant to this chapter, a consumer has paid 119950  
taxes directly to the tax commissioner or the commissioner's 119951  
agent, and the payment or assessment was illegal or erroneous, 119952  
the commissioner shall refund to the consumer the full amount of 119953  
illegal or erroneous taxes paid and any penalties assessed with 119954  
respect to such taxes. 119955

(C) The commissioner shall refund to the consumer amounts 119956  
paid illegally or erroneously to a vendor only if: 119957

(1) The commissioner has not refunded the tax to the 119958  
vendor and the vendor has not refunded the tax to the consumer; 119959  
or 119960

(2) The consumer has received a refund from a manufacturer 119961  
or other person, other than the vendor, of the full purchase 119962

price, but not the tax, paid to the vendor in settlement of a 119963

The commissioner may require the consumer to obtain or the 119966  
vendor to provide a written statement confirming that the vendor 119967  
has not refunded the tax to the consumer and has not filed an 119968  
application for refund of the tax with the commissioner. 119969

(D) Subject to division (E) of this section, an 119970  
application for refund shall be filed with the tax commissioner 119971  
on the form prescribed by the commissioner within four years 119972

(3) of section 5739.16 of the Revised Code. If the time 119975

division shall not exceed the amount of the assessment due for 119987  
the same period. 119988

(F) On the filing of an application for a refund, the 119989  
commissioner shall determine the amount of refund to which the 119990  
applicant is entitled. If the amount is not less than that 119991  
claimed, the commissioner shall certify that amount to the 119992

director of budget and management and the treasurer of state for 119993  
payment from the tax refund fund created by section 5703.052 of 119994  
the Revised Code. If the amount is less than that claimed, the 119995

the Revised Code. 119997

(G) When a refund is granted under this section, it shall 119998  
include interest thereon as provided by section 5739.132 of the 119999  
Revised Code, except that no such interest shall be granted when 120000

(H) (1) Division (H) of this section applies only to a 120312  
county satisfying all of the following: 120313

(a) The population of the county is greater than one 120314  
hundred seventy-five thousand and less than two hundred twenty- 120315  
five thousand according to the most recent federal decennial 120316  
census. 120317

(b) An amusement park with an average yearly attendance in 120318  
excess of two million guests is located in the county. 120319

(c) On December 31, 2014, an excise tax was levied in the 120320  
county under division (A) of this section at a rate of three per 120321  
cent. 120322

(2) The board of county commissioners of a county to which 120323  
division (H) of this section applies, by resolution adopted by a 120324  
majority of the members of the board, may increase the rate of 120325  
the tax by not more than one per cent on transactions by which 120326  
lodging by a hotel is or is to be furnished to transient guests. 120327  
The increase in rate shall be used to pay the costs of 120328  
constructing and maintaining facilities owned by the county or 120329  
by a port authority created under Chapter 4582. of the Revised 120330  
Code, and designed to host sporting events and expenses deemed 120331  
necessary by the convention and visitors' bureau operating in 120332  
the county to promote travel and tourism with reference to the 120333  
sports facilities, and to pay or pledge to the payment of debt 120334  
service on securities issued to pay the costs of constructing, 120335  
operating, and maintaining the sports facilities. 120336

(3) The increase in rate shall remain in effect for the 120337  
period specified in the resolution. If revenue from the increase 120338  
in rate is pledged to the payment of debt charges on securities, 120339  
the increase in rate is not subject to diminution by initiative 120340  
or referendum or by law for so long as the securities are 120341  
outstanding, unless provision is made by law or by the board of 120342  
county commissioners for an adequate substitute for that revenue 120343  
that is satisfactory to the trustee if a trust agreement secures 120344  
payment of the debt charges. 120345

(4) The increase in rate shall be subject to the 120346  
regulations adopted under division (A) of this section, except 120347  
that the resolution may provide that no portion of the revenue 120348  
from the increase in the rate shall be returned to townships or 120349

municipal corporations as would otherwise be required under 120350  
division (A) of this section. 120351

(I) (1) The board of county commissioners of a county with 120352  
a population greater than seventy-five thousand and less than 120353  
seventy-eight thousand, by resolution adopted by a majority of 120354  
the members of the board not later than October 15, 2015, may 120355  
increase the rate of the tax by not more than one per cent on 120356  
transactions by which lodging by a hotel is or is to be 120357  
furnished to transient guests. The increase in rate shall be for 120358  
the purposes described in section 307.679 of the Revised Code or 120359  
for the promotion of travel and tourism in the county, including 120360  
travel and tourism to sports facilities. 120361

(2) The increase in rate shall remain in effect for the 120362  
period specified in the resolution and as necessary to fulfill 120363  
the county's obligations under a cooperative agreement entered 120364  
into under section 307.679 of the Revised Code. If the 120365  
resolution is adopted by the board before September 29, 2015, 120366  
but after that enactment becomes law, the increase in rate shall 120367  
become effective beginning on September 29, 2015. If revenue 120368  
from the increase in rate is pledged to the payment of debt 120369  
charges on securities, or to substitute for other revenues 120370  
pledged to the payment of such debt, the increase in rate is not 120371  
subject to diminution by initiative or referendum or by law for 120372  
so long as the securities are outstanding, unless provision is 120373  
made by law or by the board of county commissioners for an 120374  
adequate substitute for that revenue that is satisfactory to the 120375  
trustee if a trust agreement secures payment of the debt 120376  
charges. 120377

(3) The increase in rate shall be subject to the 120378  
regulations adopted under division (A) of this section, except 120379

that no portion of the revenue from the increase in the rate 120380  
shall be returned to townships or municipal corporations as 120381  
would otherwise be required under division (A) of this section. 120382

(J) (1) Division (J) of this section applies only to 120383  
counties satisfying either of the following: 120384

(a) A county that, on July 1, 2015, does not levy an 120385  
excise tax under division (A) of this section and that has a 120386  
population of at least thirty-nine thousand but not more than 120387  
forty thousand according to the 2010 federal decennial census; 120388

(b) A county that, on July 1, 2015, levies an excise tax 120389  
under division (A) of this section at a rate of three per cent 120390  
and that has a population of at least seventy-one thousand but 120391  
not more than seventy-five thousand according to 2010 federal 120392  
decennial census. 120393

(2) The board of county commissioners of a county to which 120394  
division (J) of this section applies, by resolution adopted by a 120395  
majority of the members of the board, may levy an excise tax at 120396  
a rate not to exceed three per cent on transactions by which 120397  
lodging by a hotel is or is to be furnished to transient guests 120398  
for the purpose of acquiring, constructing, equipping, or 120399  
repairing permanent improvements, as defined in section 133.01 120400  
of the Revised Code. 120401

(3) If the board does not levy a tax under division (A) of 120402  
this section, the board shall establish regulations necessary to 120403  
provide for the administration of the tax, which may prescribe 120404  
the time for payment of the tax and the imposition of penalty or 120405  
interest subject to the limitations on penalty and interest 120406  
provided in division (A) of this section. No portion of the 120407  
revenue shall be returned to townships or municipal corporations 120408

in the county unless otherwise provided by resolution of the board. 120409  
120410

(4) The tax shall apply throughout the territory of the county, including in any township or municipal corporation levying an excise tax under division (A) or (B) of section 5739.08 of the Revised Code. The levy of the tax is subject to referendum as provided under section 305.31 of the Revised Code. 120411  
120412  
120413  
120414  
120415

(5) The tax shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding unless provision is made by law or by the board for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. 120416  
120417  
120418  
120419  
120420

120422  
120423  
120424

(K) (1) The board of county commissioners of an eligible county, as defined in section 307.678 of the Revised Code, that levies an excise tax under division (A) of this section on July 1, 2017, at a rate of three per cent may, by resolution adopted by a majority of the members of the board, amend the resolution levying the tax to increase the rate of the tax by not more than an additional three per cent on each transaction. 120425  
120426  
120427  
120428  
120429  
120430  
120431

(2) No portion of the revenue shall be returned to townships or municipal corporations in the county unless otherwise provided by resolution of the board. Otherwise, the revenue from the increase in the rate shall be distributed and used in the same manner described under division (A) of this section or distributed or used to provide credit enhancement facilities as authorized under section 307.678 of the Revised 120432  
120433  
120434  
120435  
120436  
120437  
120438

Code. 120439

(3) The increase in rate shall remain in effect for the 120440  
period specified in the resolution. If revenue from the increase 120441  
in rate is pledged to the payment of debt charges on securities, 120442  
the increase in rate is not subject to diminution by initiative 120443  
or referendum or by law for so long as the securities are 120444  
outstanding unless provision is made by law or by the board for 120445  
an adequate substitute for that revenue that is satisfactory to 120446  
the trustee if a trust agreement secures payment of the debt 120447  
charges. 120448

(L) (1) As used in division (L) of this section: 120449

(a) "Eligible county" means a county that has a population 120450  
greater than one hundred ninety thousand and less than two 120451  
hundred thousand according to the 2010 federal decennial census 120452  
and that levies an excise tax under division (A) of this section 120453  
at a rate of three per cent. 120454

(b) "Professional sports facility" means a sports facility 120455  
that is intended to house major or minor league professional 120456  
athletic teams, including a stadium, together with all parking 120457  
facilities, walkways, and other auxiliary facilities, real and 120458  
personal property, property rights, easements, and interests 120459  
that may be appropriate for, or used in connection with, the 120460  
operation of the facility. 120461

(2) Subject to division (L) (3) of this section, the board 120462  
of county commissioners of an eligible county, by resolution 120463  
adopted by a majority of the members of the board, may increase 120464  
the rate of the tax by not more than one per cent on 120465  
transactions by which lodging by a hotel is or is to be 120466  
furnished to transient guests. Revenue from the increase in rate 120467

shall be used for the purposes of paying the costs of 120468  
constructing, improving, and maintaining a professional sports 120469  
facility in the county and paying expenses considered necessary 120470  
by the convention and visitors' bureau operating in the county 120471  
to promote travel and tourism with respect to that professional 120472  
sports facility. The tax shall take effect only after the 120473  
convention and visitors' bureau enters into a contract for the 120474  
construction, improvement, or maintenance of a professional 120475  
sports facility that is or will be located on property acquired, 120476  
in whole or in part, with revenue from the increased rate, and 120477  
thereafter shall remain in effect for the period specified in 120478  
the resolution. If revenue from the increase in rate is pledged 120479  
to the payment of debt charges on securities, the increase in 120480  
rate is not subject to diminution by initiative or referendum or 120481  
by law for so long as the securities are outstanding, unless a 120482  
provision is made by law or by the board of county commissioners 120483  
for an adequate substitute for that revenue that is satisfactory 120484  
to the trustee if a trust agreement secures payment of the debt 120485  
charges. The increase in rate shall be subject to the 120486  
regulations adopted under division (A) of this section, except 120487  
that the resolution may provide that no portion of the revenue 120488  
from the increase in the rate shall be returned to townships or 120489  
municipal corporations as would otherwise be required under 120490  
division (A) of this section. 120491

(3) If, on December 31, 2019, the convention and visitors' 120492  
bureau has not entered into a contract for the construction, 120493  
improvement, or maintenance of a professional sports facility 120494  
that is or will be located on property acquired, in whole or in 120495  
part, with revenue from the increased rate, the authority to 120496  
levy the tax under division (L) (2) of this section is hereby 120497  
repealed on that date. 120498

(M) (1) For the purposes described in section 307.695 of 120499  
the Revised Code and to cover the costs of administering the 120500  
tax, a board of county commissioners of a county where a tax 120501  
imposed under division (A) of this section is in effect may, by 120502  
resolution adopted within ninety days after July 15, 1985, by a 120503  
majority of the members of the board, levy an additional excise 120504  
tax not to exceed three per cent on transactions by which 120505  
lodging by a hotel is or is to be furnished to transient guests. 120506  
The tax authorized by division (M) of this section shall be in 120507  
addition to any tax that is levied pursuant to divisions (A) to 120508  
(L) of this section, but it shall not apply to transactions 120509  
subject to a tax levied by a municipal corporation or township 120510  
pursuant to section 5739.08 of the Revised Code. 120511

(2) The board shall establish all regulations necessary to 120512  
provide for the administration and allocation of the tax. The 120513  
regulations may prescribe the time for payment of the tax, and 120514  
may provide for the imposition of a penalty or interest, or 120515  
both, for late payments, provided that the penalty does not 120516  
exceed ten per cent of the amount of tax due, and the rate at 120517  
which interest accrues does not exceed the rate per annum 120518  
prescribed pursuant to section 5703.47 of the Revised Code. 120519

(3) All revenues arising from the tax shall be expended in 120520  
accordance with section 307.695 of the Revised Code. The board 120521  
of county commissioners of an eligible county as defined in 120522  
section 307.695 of the Revised Code may, by resolution adopted 120523  
by a majority of the members of the board, amend the resolution 120524  
levying a tax under this division to provide that the revenue 120525  
from the tax shall be used by the board as described in division 120526  
(H) of section 307.695 of the Revised Code. 120527

(4) A tax imposed under this division shall remain in 120528

effect at the rate at which it is imposed for the duration of 120529  
the period during which any agreement entered into by the board 120530  
under section 307.695 of the Revised Code is in effect, the 120531  
duration of the period during which any securities issued by the 120532  
board under division (I) of section 307.695 of the Revised Code 120533  
are outstanding, or the duration of the period during which the 120534  
board owns a project as defined in section 307.695 of the 120535  
Revised Code, whichever duration is longest. 120536

(N) (1) For the purpose of providing contributions under 120537  
division (B) (1) of section 307.671 of the Revised Code to enable 120538  
the acquisition, construction, and equipping of a port authority 120539  
educational and cultural facility in the county and, to the 120540  
extent provided for in the cooperative agreement authorized by 120541  
that section, for the purpose of paying debt service charges on 120542  
bonds, or notes in anticipation of bonds, described in division 120543  
(B) (1) (b) of that section, a board of county commissioners, by 120544  
resolution adopted within ninety days after December 22, 1992, 120545  
by a majority of the members of the board, may levy an 120546  
additional excise tax not to exceed one and one-half per cent on 120547  
transactions by which lodging by a hotel is or is to be 120548  
furnished to transient guests. The excise tax authorized by 120549  
division (N) of this section shall be in addition to any tax 120550  
that is levied pursuant to divisions (A) to (M) of this section, 120551  
to any excise tax levied pursuant to section 5739.08 of the 120552  
Revised Code, and to any excise tax levied pursuant to section 120553  
351.021 of the Revised Code. 120554

(2) The board of county commissioners shall establish all 120555  
regulations necessary to provide for the administration and 120556  
allocation of the tax that are not inconsistent with this 120557  
section or section 307.671 of the Revised Code. The regulations 120558  
may prescribe the time for payment of the tax, and may provide 120559

for the imposition of a penalty or interest, or both, for late 120560  
payments, provided that the penalty does not exceed ten per cent 120561  
of the amount of tax due, and the rate at which interest accrues 120562  
does not exceed the rate per annum prescribed pursuant to 120563  
section 5703.47 of the Revised Code. 120564

(3) All revenues arising from the tax shall be expended in 120565  
accordance with section 307.671 of the Revised Code and division 120566  
(N) of this section. The levy of a tax imposed under division 120567  
(N) of this section may not commence prior to the first day of 120568  
the month next following the execution of the cooperative 120569  
agreement authorized by section 307.671 of the Revised Code by 120570  
all parties to that agreement. 120571

(4) The tax shall remain in effect at the rate at which it 120572  
is imposed for the period of time described in division (C) of 120573  
section 307.671 of the Revised Code for which the revenue from 120574  
the tax has been pledged by the county to the corporation 120575  
pursuant to that section, but, to any extent provided for in the 120576  
cooperative agreement, for no lesser period than the period of 120577  
time required for payment of the debt service charges on bonds, 120578  
or notes in anticipation of bonds, described in division (B) (1) 120579  
(b) of that section. 120580

(O) (1) For the purpose of paying the costs of acquiring, 120581  
constructing, equipping, and improving a municipal educational 120582  
and cultural facility, including debt service charges on bonds 120583  
provided for in division (B) of section 307.672 of the Revised 120584  
Code, and for any additional purposes determined by the county 120585  
in the resolution levying the tax or amendments to the 120586  
resolution, including subsequent amendments providing for paying 120587  
costs of acquiring, constructing, renovating, rehabilitating, 120588  
equipping, and improving a port authority educational and 120589

cultural performing arts facility, as defined in section 307.674 120590  
of the Revised Code, and including debt service charges on bonds 120591  
provided for in division (B) of section 307.674 of the Revised 120592  
Code, the legislative authority of a county, by resolution 120593  
adopted within ninety days after June 30, 1993, by a majority of 120594  
the members of the legislative authority, may levy an additional 120595  
excise tax not to exceed one and one-half per cent on 120596  
transactions by which lodging by a hotel is or is to be 120597  
furnished to transient guests. The excise tax authorized by 120598  
division (O) of this section shall be in addition to any tax 120599  
that is levied pursuant to divisions (A) to (N) of this section, 120600  
to any excise tax levied pursuant to section 5739.08 of the 120601  
Revised Code, and to any excise tax levied pursuant to section 120602  
351.021 of the Revised Code. 120603

(2) The legislative authority of the county shall 120604  
establish all regulations necessary to provide for the 120605  
administration and allocation of the tax. The regulations may 120606  
prescribe the time for payment of the tax, and may provide for 120607  
the imposition of a penalty or interest, or both, for late 120608  
payments, provided that the penalty does not exceed ten per cent 120609  
of the amount of tax due, and the rate at which interest accrues 120610  
does not exceed the rate per annum prescribed pursuant to 120611  
section 5703.47 of the Revised Code. 120612

(3) All revenues arising from the tax shall be expended in 120613  
accordance with section 307.672 of the Revised Code and this 120614  
division. The levy of a tax imposed under this division shall 120615  
not commence prior to the first day of the month next following 120616  
the execution of the cooperative agreement authorized by section 120617  
307.672 of the Revised Code by all parties to that agreement. 120618  
The tax shall remain in effect at the rate at which it is 120619  
imposed for the period of time determined by the legislative 120620

authority of the county. That period of time shall not exceed 120621  
fifteen years, except that the legislative authority of a county 120622  
with a population of less than two hundred fifty thousand 120623  
according to the most recent federal decennial census, by 120624  
resolution adopted by a majority of its members before the 120625  
original tax or any extension thereof expires, may extend the 120626  
duration of the tax for an additional period of time. The 120627  
additional period of time by which a legislative authority 120628  
extends a tax levied under division (O) of this section shall 120629  
not exceed fifteen years. 120630

(P) (1) The legislative authority of a county that has 120631  
levied a tax under division (O) of this section may, by 120632  
resolution adopted within one hundred eighty days after January 120633  
4, 2001, by a majority of the members of the legislative 120634  
authority, amend the resolution levying a tax under that 120635  
division to provide for the use of the proceeds of that tax, to 120636  
the extent that it is no longer needed for its original purpose 120637  
as determined by the parties to a cooperative agreement 120638  
amendment pursuant to division (D) of section 307.672 of the 120639  
Revised Code, to pay costs of acquiring, constructing, 120640  
renovating, rehabilitating, equipping, and improving a port 120641  
authority educational and cultural performing arts facility, 120642  
including debt service charges on bonds provided for in division 120643  
(B) of section 307.674 of the Revised Code, and to pay all 120644  
obligations under any guaranty agreements, reimbursement 120645  
agreements, or other credit enhancement agreements described in 120646  
division (C) of section 307.674 of the Revised Code. 120647

(2) The resolution may also provide for the extension of 120648  
the tax at the same rate for the longer of the period of time 120649  
determined by the legislative authority of the county, but not 120650  
to exceed an additional twenty-five years, or the period of time 120651

required to pay all debt service charges on bonds provided for 120652  
in division (B) of section 307.672 of the Revised Code and on 120653  
port authority revenue bonds provided for in division (B) of 120654  
section 307.674 of the Revised Code. 120655

(3) All revenues arising from the amendment and extension 120656  
of the tax shall be expended in accordance with section 307.674 120657  
of the Revised Code and divisions (O) and (P) of this section. 120658

(Q) (1) As used in division (Q) of this section: 120659

(a) "Convention facilities authority" has the same meaning 120660  
as in section 351.01 of the Revised Code. 120661

(b) "Convention center" has the same meaning as in section 120662  
307.695 of the Revised Code. 120663

(2) Notwithstanding any contrary provision of division (N) 120664

deposited into the county general revenue fund. The resolution 120674  
shall provide for the extension of the tax at a rate not to 120675  
exceed the rate specified in division (N) of this section for a 120676  
period of time determined by the legislative authority of the 120677

costs of administering the tax, shall be deposited in the county 120690  
general fund. 120691

proceeds of the tax levied under division (A) of this section, 120697  
after deducting the real and actual costs of administering the 120698  
tax and the amounts required to be returned to townships and 120699  
municipal corporations with respect to the first three per cent 120700  
levied under division (A) of this section, shall be deposited in 120701  
the county general fund, provided that such proceeds shall be 120702  
used to satisfy any pledges made in connection with an agreement 120703

created after July 1, 2003, for the principal purpose of 120709

a tax is levied by a county under division (Q) of this section, 120717  
the board of county commissioners of that county may determine 120718

than paying the direct and indirect costs of constructing, 120726  
improving, expanding, equipping, financing, or operating a 120727

administrative costs described in division (Q) (6) (a) of this 120738  
section be used only for the direct and indirect costs of 120739

association of mayors and city managers, the approval of that 120747  
association of an agreement described in division (Q) (6) (a) of 120748  
this section shall be considered to be the approval of the 120749  
majority of the mayors of the other municipal corporations for 120750  
purposes of that division. 120751

(7) Each year, the auditor of state shall conduct an audit 120752  
of the uses of any amounts collected from taxes levied, 120753

shall prepare a report of the auditor of state's findings. The 120755

the tax, shall be used for paying the direct and indirect costs 120780  
of constructing, improving, expanding, equipping, financing, or 120781  
operating a convention center. The resolution shall provide for 120782  
the extension of the tax at a rate not to exceed the rate 120783

resolution shall provide that all collections resulting from the 120796  
rate levied in excess of three per cent, after deducting the 120797  
real and actual costs of administering the tax, shall be used 120798  
for paying the direct and indirect costs of constructing, 120799

board in the resolution, provided that the election occurs not 121052  
less than ninety days after a certified copy of the resolution 121053  
is transmitted to the board of elections. A resolution submitted 121054  
to the electors under division (W) of this section shall not go 121055  
into effect unless it is approved by a majority of those voting 121056  
upon it. The resolution takes effect on the date the board of 121057  
county commissioners receives notification from the board of 121058  
elections of an affirmative vote. 121059

(4) Once the tax is approved by the electors of the county 121060  
pursuant to division (W) (3) of this section, it shall not be 121061  
subject to diminution by initiative or referendum or by law 121062  
while any bonds, or notes in anticipation of bonds, issued by 121063  
the authority under Chapter 351. of the Revised Code to which 121064  
the revenue is pledged, remain outstanding in accordance with 121065  
their terms, unless provision is made by law or by the board of 121066  
county commissioners for an adequate substitute therefore that 121067  
is satisfactory to the trustee if a trust agreement secures the 121068  
bonds. 121069

(5) The tax authorized by division (W) of this section 121070

shall be in addition to any other tax that is levied pursuant to 121071  
this section. 121072

(X) (1) As used in division (X) of this section: 121073

(a) "Convention facilities authority," "cost," and 121074  
"facility" have the same meanings as in section 351.01 of the 121075  
Revised Code, except that "facility" does not include a "sports 121076  
facility," as that term is defined in that section, other than a 121077  
facility intended to house a major league soccer team. 121078

(b) "Eligible county" means a county with a population 121079  
greater than eight hundred thousand but less than one million 121080  
that levies a tax under division (A) of this section. 121081

(c) "Port authority" means a port authority created under 121082  
Chapter 4582. of the Revised Code. 121083

(2) A board of county commissioners or the legislative 121084  
authority of an eligible county may, by resolution adopted by a 121085  
majority of the members of the board or legislative authority, 121086  
levy an excise tax at a rate not to exceed one per cent on 121087  
transactions by which lodging by a hotel is or is to be 121088  
furnished to transient guests. All revenue arising from the tax 121089  
shall be used to pay the costs of administering the tax or 121090  
pledged and contributed to the convention and visitors' bureau 121091  
operating within the applicable eligible county, a convention 121092  
facilities authority within the applicable eligible county, or a 121093  
port authority and used by the convention and visitors' bureau, 121094  
the convention facilities authority, or the port authority to 121095  
pay the cost of acquiring, constructing, renovating, expanding, 121096  
maintaining, or operating one or more facilities in the county, 121097  
including paying bonds, or notes issued in anticipation of 121098  
bonds, or paying the expenses of maintaining, operating, or 121099

promoting one or more facilities. No portion of the revenue 121100  
arising from the tax need be returned to municipal corporations 121101  
or townships as required for taxes levied under division (A) of 121102  
this section. 121103

(3) The tax authorized by division (X) of this section 121104  
shall be in addition to any other tax that is levied pursuant to 121105  
this section. 121106

(4) Any board of county commissioners of an eligible 121107  
county that, pursuant to division (D)(2) of this section, has 121108  
amended a resolution levying the tax authorized by division (A) 121109  
of this section may further amend the resolution to provide that 121110  
all or a portion of the revenue referred to in division (D)(2) 121111  
(b) of this section and division (A) of this section may be 121112  
pledged and contributed to pay the costs of acquiring, 121113  
constructing, renovating, expanding, maintaining, or operating 121114  
one or more facilities in the county, including paying bonds, or 121115  
notes issued in anticipation of bonds, or paying the expenses of 121116  
maintaining, operating, or promoting one or more facilities. 121117

**Sec. 5739.102.** A person who is liable for a tax levied 121118  
under section 5739.101 of the Revised Code shall file a return 121119  
with the tax commissioner showing the person's taxable gross 121120  
receipts from sales described under division (B)(1) or (2) or 121121  
(C) of that section. The tax commissioner shall prescribe the 121122  
form of the return, and the six- or twelve-month reporting 121123  
period. The person shall file the return on or before the last 121124  
day of the month following the end of the reporting period 121125  
prescribed by the commissioner, and shall include with the 121126  
return payment of the tax for the period. The remittance shall 121127  
be made payable to the treasurer of state. 121128

Upon receipt of a return, the tax commissioner shall 121129

credit any money included with it to the resort area excise tax 121130  
fund, which is hereby created. Within forty-five days after the 121131  
end of each month, the commissioner shall provide for the 121132  
distribution of all money paid during that month into the resort 121133  
area excise tax fund to the appropriate municipal corporations 121134  
and townships, after first subtracting and crediting to the 121135  
general revenue fund one per cent to cover the costs of 121136  
administering the excise tax. 121137

If a person liable for the tax fails to file a return or 121138  
pay the tax as required under this section and the rules of the 121139  
tax commissioner, the person shall pay an additional charge of 121140  
the greater of fifty dollars or ten per cent of the tax due for 121141  
the return period. The additional charge shall be considered 121142  
revenue arising from the tax levied under section 5739.101 of 121143  
the Revised Code, and may be collected by assessment in the 121144  
manner provided in section 5739.13 of the Revised Code. ~~The tax-~~ 121145  
~~commissioner may remit all or a portion of the charge.~~ 121146

**Sec. 5739.12.** (A) (1) Each person who has or is required to 121147  
have a vendor's license, on or before the twenty-third day of 121148  
each month, shall make and file a return for the preceding month 121149  
in the form prescribed by the tax commissioner, and shall pay 121150  
the tax shown on the return to be due. The return shall be filed 121151  
electronically using the Ohio business gateway, as defined in 121152  
section 718.01 of the Revised Code, the Ohio telefile system, or 121153  
any other electronic means prescribed by the commissioner. 121154  
Payment of the tax shown on the return to be due shall be made 121155  
electronically in a manner approved by the commissioner. The 121156  
commissioner may require a vendor that operates from multiple 121157  
locations or has multiple vendor's licenses to report all tax 121158  
liabilities on one consolidated return. The return shall show 121159  
the amount of tax due from the vendor to the state for the 121160

period covered by the return and such other information as the 121161  
commissioner deems necessary for the proper administration of 121162  
this chapter. The commissioner may extend the time for making 121163  
and filing returns and paying the tax, and may require that the 121164  
return for the last month of any annual or semiannual period, as 121165  
determined by the commissioner, be a reconciliation return 121166  
detailing the vendor's sales activity for the preceding annual 121167  
or semiannual period. The reconciliation return shall be filed 121168  
by the last day of the month following the last month of the 121169  
annual or semiannual period. ~~The commissioner may remit all or~~ 121170  
~~any part of amounts or penalties that may become due under this~~ 121171  
~~chapter and may adopt rules relating thereto.~~ Such return shall 121172  
be filed electronically as directed by the tax commissioner, and 121173  
payment of the amount of tax shown to be due thereon, after 121174  
deduction of any discount provided for under this section, shall 121175  
be made electronically in a manner approved by the tax 121176  
commissioner. 121177

(2) Any person required to file returns and make payments 121178  
electronically under division (A) (1) of this section may apply 121179  
to the tax commissioner on a form prescribed by the commissioner 121180  
to be excused from that requirement. For good cause shown, the 121181  
commissioner may excuse the person from that requirement and may 121182  
permit the person to file the returns and make the payments 121183  
required by this section by nonelectronic means. 121184

(B) (1) If the return is filed and the amount of tax shown 121185  
thereon to be due is paid on or before the date such return is 121186  
required to be filed, the vendor shall be entitled to a discount 121187  
of three-fourths of one per cent of the amount shown to be due 121188  
on the return. 121189

(2) A vendor that has selected a certified service 121190

provider as its agent shall not be entitled to the discount if 121191  
the certified service provider receives a monetary allowance 121192  
pursuant to section 5739.06 of the Revised Code for performing 121193  
the vendor's sales and use tax functions in this state. Amounts 121194  
paid to the clerk of courts pursuant to section 4505.06 of the 121195  
Revised Code shall be subject to the applicable discount. The 121196  
discount shall be in consideration for prompt payment to the 121197  
clerk of courts and for other services performed by the vendor 121198  
in the collection of the tax. 121199

(C) (1) Upon application to the tax commissioner, a vendor 121200  
who is required to file monthly returns may be relieved of the 121201  
requirement to report and pay the actual tax due, provided that 121202  
the vendor agrees to remit to the commissioner payment of not 121203  
less than an amount determined by the commissioner to be the 121204  
average monthly tax liability of the vendor, based upon a review 121205  
of the returns or other information pertaining to such vendor 121206  
for a period of not less than six months nor more than two years 121207  
immediately preceding the filing of the application. Vendors who 121208  
agree to the above conditions shall make and file an annual or 121209  
semiannual reconciliation return, as prescribed by the 121210  
commissioner. The reconciliation return shall be filed 121211  
electronically as directed by the tax commissioner, and payment 121212  
of the amount of tax shown to be due thereon, after deduction of 121213  
any discount provided in this section, shall be made 121214  
electronically in a manner approved by the commissioner. Failure 121215  
of a vendor to comply with any of the above conditions may 121216  
result in immediate reinstatement of the requirement of 121217  
reporting and paying the actual tax liability on each monthly 121218  
return, and the commissioner may at the commissioner's 121219  
discretion deny the vendor the right to report and pay based 121220  
upon the average monthly liability for a period not to exceed 121221

two years. The amount ascertained by the commissioner to be the 121222  
average monthly tax liability of a vendor may be adjusted, based 121223  
upon a review of the returns or other information pertaining to 121224  
the vendor for a period of not less than six months nor more 121225  
than two years preceding such adjustment. 121226

(2) The commissioner may authorize vendors whose tax 121227  
liability is not such as to merit monthly returns, as 121228  
ascertained by the commissioner upon the basis of administrative 121229  
costs to the state, to make and file returns at less frequent 121230  
intervals. When returns are filed at less frequent intervals in 121231  
accordance with such authorization, the vendor shall be allowed 121232  
the discount provided in this section in consideration for 121233  
prompt payment with the return, provided the return is filed and 121234  
payment is made of the amount of tax shown to be due thereon, at 121235  
the time specified by the commissioner, but a vendor that has 121236  
selected a certified service provider as its agent shall not be 121237  
entitled to the discount. 121238

(D) Any vendor who fails to file a return or to pay the 121239  
full amount of the tax shown on the return to be due in the 121240  
manner prescribed under this section and the rules of the 121241  
commissioner may, for each such return, be required to forfeit 121242  
and pay into the state treasury an additional charge not 121243  
exceeding fifty dollars or ten per cent of the tax required to 121244  
be paid for the reporting period, whichever is greater, as 121245  
revenue arising from the tax imposed by this chapter, and such 121246  
sum may be collected by assessment in the manner provided in 121247  
section 5739.13 of the Revised Code. ~~The commissioner may remit~~ 121248  
~~all or a portion of the additional charge and may adopt rules~~ 121249  
~~relating to the imposition and remission of the additional~~ 121250  
~~charge.~~ 121251

(E) If the amount required to be collected by a vendor 121252  
from consumers is in excess of the applicable percentage of the 121253  
vendor's receipts from sales that are taxable under section 121254  
5739.02 of the Revised Code, or in the case of sales subject to 121255  
a tax levied pursuant to section 5739.021, 5739.023, or 5739.026 121256  
of the Revised Code, in excess of the percentage equal to the 121257  
aggregate rate of such taxes and the tax levied by section 121258  
5739.02 of the Revised Code, such excess shall be remitted along 121259  
with the remittance of the amount of tax due under section 121260  
5739.10 of the Revised Code. 121261

(F) The commissioner, if the commissioner deems it 121262  
necessary in order to insure the payment of the tax imposed by 121263  
this chapter, may require returns and payments to be made for 121264  
other than monthly periods. 121265

(G) Any vendor required to file a return and pay the tax 121266  
under this section whose total payment for a year equals or 121267  
exceeds the amount shown in division (A) of section 5739.122 of 121268  
the Revised Code is subject to the accelerated tax payment 121269  
requirements in divisions (B) and (C) of that section. For a 121270  
vendor that operates from multiple locations or has multiple 121271  
vendor's licenses, in determining whether the vendor's total 121272  
payment equals or exceeds the amount shown in division (A) of 121273  
that section, the vendor's total payment amount shall be the 121274  
amount of the vendor's total tax liability for the previous 121275  
calendar year for all of the vendor's locations or licenses. 121276

**Sec. 5739.122.** (A) If the total amount of tax required to 121277  
be paid by a vendor under section 5739.12 of the Revised Code 121278  
for any calendar year equals or exceeds seventy-five thousand 121279  
dollars, the vendor shall remit each monthly tax payment in the 121280  
second ensuing and each succeeding tax year on an accelerated 121281

basis as prescribed by divisions (B) and (C) of this section. 121282

If a vendor's tax payment for each of two consecutive 121283  
years is less than seventy-five thousand dollars, the vendor is 121284  
relieved of the requirement to remit taxes in the manner 121285  
prescribed by this section for the year that next follows the 121286  
second of the consecutive years in which the tax payment is less 121287  
than that amount, and is relieved of that requirement for each 121288  
succeeding year, unless the tax payment in a subsequent year 121289  
equals or exceeds seventy-five thousand dollars. 121290

The tax commissioner shall notify each vendor required to 121291  
make accelerated tax payments of the vendor's obligation to do 121292  
so and shall maintain an updated list of those vendors. Failure 121293  
by the tax commissioner to notify a vendor subject to this 121294  
section to remit taxes on an accelerated basis does not relieve 121295  
the vendor of its obligation to remit taxes as provided under 121296  
division (B) of this section. 121297

(B) Vendors required by division (A) of this section to 121298  
make accelerated tax payments shall electronically remit such 121299  
payments to the tax commissioner in a manner approved by the 121300  
commissioner, as follows: 121301

(1) On or before the twenty-third day of each month, a 121302  
vendor shall remit an amount equal to seventy-five per cent of 121303  
the anticipated tax liability for that month. 121304

(2) On or before the twenty-third day of each month, a 121305  
vendor shall report the taxes collected for the previous month 121306  
and shall remit that amount, less any amounts paid for that 121307  
month as required by division (B) (1) of this section. 121308

The payment of taxes on an accelerated basis under this 121309  
section does not affect a vendor's obligation to file returns 121310

and pay the tax shown on the returns to be due as required under 121311  
section 5739.12 of the Revised Code. 121312

(C) A vendor required by this section to remit taxes on an 121313  
accelerated basis may apply to the tax commissioner, in the 121314  
manner prescribed by the commissioner, to be excused from that 121315  
requirement. The commissioner may excuse the vendor from 121316  
remittance on an accelerated basis for good cause shown for the 121317  
period of time requested by the vendor or for a portion of that 121318  
period. 121319

(D) (1) (a) If a vendor that is required to remit payments 121320  
under division (B) of this section fails to make a payment 121321  
required under division (B) (1) of this section, or makes a 121322  
payment under division (B) (1) of this section that is less than 121323  
seventy-five per cent of the actual liability for that month, 121324  
the commissioner may impose an additional charge not to exceed 121325  
five per cent of that unpaid amount. 121326

(b) Division (D) (1) (a) of this section does not apply if 121327  
the vendor's payment under division (B) (1) of this section is 121328  
equal to or greater than seventy-five per cent of the vendor's 121329  
reported liability for the same month in the immediately 121330  
preceding calendar year. 121331

(2) Any additional charge imposed under division (D) (1) 121332  
of this section is in addition to any other penalty or charge 121333  
imposed under this chapter, and shall be considered as revenue 121334  
arising from taxes imposed under this chapter. An additional 121335  
charge may be collected by assessment in the manner prescribed 121336  
by section 5739.13 of the Revised Code. ~~The tax commissioner may~~ 121337  
~~waive all or a portion of such a charge and may adopt rules~~ 121338  
~~governing such waiver.~~ 121339

**Sec. 5739.124.** (A) If required by the tax commissioner, a 121340  
permit holder required to make payments under section 5739.032 121341  
of the Revised Code shall file all returns and reports 121342  
electronically. The commissioner may require the permit holder 121343  
to use the Ohio business gateway, as defined in section 718.01 121344  
of the Revised Code, or any other electronic means approved by 121345  
the commissioner, to file the returns and reports, or to remit 121346  
the tax, in lieu of the manner prescribed under section 5739.032 121347  
of the Revised Code. 121348

(B) A person required under this section to file reports 121349  
and returns electronically may apply to the tax commissioner to 121350  
be excused from that requirement. Applications shall be made on 121351  
a form prescribed by the commissioner. The commissioner may 121352  
approve the application for good cause. 121353

(C) (1) If a person required to file a report or return 121354  
electronically under this section fails to do so, the tax 121355  
commissioner may impose an additional charge not to exceed the 121356  
following: 121357

(a) For each of the first two failures, five per cent of 121358  
the amount required to be reported on the report or return; 121359

(b) For the third and any subsequent failure, ten per cent 121360  
of the amount required to be reported on the report or return. 121361

(2) The charges authorized under division (C) (1) of this 121362  
section are in addition to any other charge or penalty 121363  
authorized under this chapter, and shall be considered as 121364  
revenue arising from taxes imposed under this chapter. An 121365  
additional charge may be collected by assessment in the manner 121366  
prescribed by section 5739.13 of the Revised Code. ~~The~~ 121367  
~~commissioner may waive all or a portion of such a charge and may~~ 121368

~~adopt rules governing such waiver.~~ 121369

**Sec. 5739.13.** (A) If any vendor collects the tax imposed 121370  
by or pursuant to section 5739.02, 5739.021, 5739.023, or 121371  
5739.026 of the Revised Code, and fails to remit the tax to the 121372  
state as prescribed, or on the sale of a motor vehicle, 121373  
watercraft, or outboard motor required to be titled, fails to 121374  
remit payment to a clerk of a court of common pleas as provided 121375  
in section 1548.06 or 4505.06 of the Revised Code, the vendor 121376  
shall be personally liable for any tax collected and not 121377  
remitted. The tax commissioner may make an assessment against 121378  
such vendor based upon any information in the commissioner's 121379  
possession. 121380

If any vendor fails to collect the tax or any consumer 121381  
fails to pay the tax imposed by or pursuant to section 5739.02, 121382  
5739.021, 5739.023, or 5739.026 of the Revised Code, on any 121383  
transaction subject to the tax, the vendor or consumer shall be 121384  
personally liable for the amount of the tax applicable to the 121385  
transaction. The commissioner may make an assessment against 121386  
either the vendor or consumer, as the facts may require, based 121387  
upon any information in the commissioner's possession. 121388

An assessment against a vendor when the tax imposed by or 121389  
pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of 121390  
the Revised Code has not been collected or paid, shall not 121391  
discharge the purchaser's or consumer's liability to reimburse 121392  
the vendor for the tax applicable to such transaction. 121393

An assessment issued against either, pursuant to this 121394  
section, shall not be considered an election of remedies, nor a 121395  
bar to an assessment against the other for the tax applicable to 121396  
the same transaction, provided that no assessment shall be 121397  
issued against any person for the tax due on a particular 121398

transaction if the tax on that transaction actually has been 121399  
paid by another. 121400

The commissioner may make an assessment against any vendor 121401  
who fails to file a return or remit the proper amount of tax 121402  
required by this chapter, or against any consumer who fails to 121403  
pay the proper amount of tax required by this chapter. When 121404  
information in the possession of the commissioner indicates that 121405  
the amount required to be collected or paid under this chapter 121406  
is greater than the amount remitted by the vendor or paid by the 121407  
consumer, the commissioner may audit a sample of the vendor's 121408  
sales or the consumer's purchases for a representative period, 121409  
to ascertain the per cent of exempt or taxable transactions or 121410  
the effective tax rate and may issue an assessment based on the 121411  
audit. The commissioner shall make a good faith effort to reach 121412  
agreement with the vendor or consumer in selecting a 121413  
representative sample. 121414

The commissioner may make an assessment, based on any 121415  
information in the commissioner's possession, against any person 121416  
who fails to file a return or remit the proper amount of tax 121417  
required by section 5739.102 of the Revised Code. 121418

The commissioner may issue an assessment on any 121419  
transaction for which any tax imposed under this chapter or 121420  
Chapter 5741. of the Revised Code was due and unpaid on the date 121421  
the vendor or consumer was informed by an agent of the tax 121422  
commissioner of an investigation or audit. If the vendor or 121423  
consumer remits any payment of the tax for the period covered by 121424  
the assessment after the vendor or consumer was informed of the 121425  
investigation or audit, the payment shall be credited against 121426  
the amount of the assessment. 121427

The commissioner shall give the party assessed written 121428

notice of the assessment in the manner provided in section 121429  
5703.37 of the Revised Code. With the notice, the commissioner 121430  
shall provide instructions on how to petition for reassessment 121431  
and request a hearing on the petition. 121432

(B) Unless the party assessed files with the commissioner 121433  
within sixty days after service of the notice of assessment, ~~—~~ 121434  
~~either personally or by certified mail,~~ a written petition for 121435  
reassessment, signed by the party assessed or that party's 121436  
authorized agent having knowledge of the facts, the assessment 121437  
becomes final and the amount of the assessment is due from the 121438  
party assessed and payable to the treasurer of state and 121439  
remitted to the tax commissioner. The petition shall indicate 121440  
the objections of the party assessed, but additional objections 121441  
may be raised in writing if received by the commissioner prior 121442  
to the date shown on the final determination. If the petition 121443  
has been properly filed, the commissioner shall proceed under 121444  
section 5703.60 of the Revised Code. 121445

(C) After an assessment becomes final, if any portion of 121446  
the assessment remains unpaid, including accrued interest, a 121447  
certified copy of the commissioner's entry making the assessment 121448  
final may be filed in the office of the clerk of the court of 121449  
common pleas in the county in which the place of business of the 121450  
party assessed is located or the county in which the party 121451  
assessed resides. If the party assessed maintains no place of 121452  
business in this state and is not a resident of this state, the 121453  
certified copy of the entry may be filed in the office of the 121454  
clerk of the court of common pleas of Franklin county. 121455

Immediately upon the filing of the entry, the clerk shall 121456  
enter a judgment for the state against the party assessed in the 121457  
amount shown on the entry. The judgment may be filed by the 121458

clerk in a loose-leaf book entitled "special judgments for 121459  
state, county, and transit authority retail sales tax" or, if 121460  
appropriate, "special judgments for resort area excise tax," and 121461  
shall have the same effect as other judgments. Execution shall 121462  
issue upon the judgment upon the request of the tax 121463  
commissioner, and all laws applicable to sales on execution 121464  
shall apply to sales made under the judgment except as otherwise 121465  
provided in this chapter. 121466

If the assessment is not paid in its entirety within sixty 121467  
days after the date the assessment was issued, the portion of 121468  
the assessment consisting of tax due shall bear interest at the 121469  
rate per annum prescribed by section 5703.47 of the Revised Code 121470  
from the day the tax commissioner issues the assessment until 121471  
the assessment is paid or until it is certified to the attorney 121472  
general for collection under section 131.02 of the Revised Code, 121473  
whichever comes first. If the unpaid portion of the assessment 121474  
is certified to the attorney general for collection, the entire 121475  
unpaid portion of the assessment shall bear interest at the rate 121476  
per annum prescribed by section 5703.47 of the Revised Code from 121477  
the date of certification until the date it is paid in its 121478  
entirety. Interest shall be paid in the same manner as the tax 121479  
and may be collected by issuing an assessment under this 121480  
section. 121481

(D) All money collected by the tax commissioner under this 121482  
section shall be paid to the treasurer of state, and when paid 121483  
shall be considered as revenue arising from the taxes imposed by 121484  
or pursuant to sections 5739.01 to 5739.31 of the Revised Code. 121485

**Sec. 5739.132.** (A) If a tax, fee, or charge due under this 121486  
chapter or Chapter 128. or 5741. of the Revised Code is not paid 121487  
on or before the day the payment is required to be paid, 121488

interest shall accrue on the unpaid tax, fee, or charge at the 121489  
rate per annum prescribed by section 5703.47 of the Revised Code 121490  
from the day the tax, fee, or charge was required to be paid 121491  
until the tax, fee, or charge is paid or until the day an 121492  
assessment is issued under section 5739.13 or 5739.15 of the 121493  
Revised Code, whichever occurs first. Interest shall be paid in 121494  
the same manner as the tax, fee, or charge, and may be collected 121495  
by assessment. 121496

~~(B) Interest~~ (B) (1) Except as provided in division (B) (2) 121497  
of this section, interest shall be allowed and paid on any 121498  
refund granted pursuant to section 128.47, 5739.07, or 5741.10 121499  
of the Revised Code from the date of the overpayment. The 121500  
interest shall be computed at the rate per annum prescribed by 121501  
section 5703.47 of the Revised Code. 121502

(2) No interest shall be allowed or paid on a refund of a 121503  
tax levied pursuant to section 5739.021, 5739.026, 5741.021, or 121504  
5741.023 of the Revised Code. 121505

**Sec. 5739.133.** (A) A penalty may be added to every amount 121506  
assessed under section 5739.13 or 5739.15 of the Revised Code as 121507  
follows: 121508

(1) In the case of an assessment against a person who 121509  
fails to collect and remit the tax required by this chapter or 121510  
Chapter 5741. of the Revised Code, up to fifty per cent of the 121511  
amount assessed; 121512

(2) In the case of a person whom the tax commissioner 121513  
believes has collected the tax but failed to remit it to the 121514  
state as required by this chapter or Chapter 5741. of the 121515  
Revised Code, up to fifty per cent of the amount assessed; 121516

(3) In the case of all other assessments, up to fifteen 121517

per cent of the amount assessed. 121518

No amount assessed under section 5739.13 or 5739.15 of the 121519  
Revised Code shall be subject to a penalty under this section in 121520  
excess of fifty per cent of the amount assessed. 121521

(B) All assessments issued under section 5739.13 and 121522  
5739.15 of the Revised Code shall include preassessment interest 121523  
computed at the rate per annum prescribed by section 5703.47 of 121524  
the Revised Code. Beginning January 1, 1988, preassessment 121525  
interest shall begin to accrue on the first day of January of 121526  
the year following the date on which the person assessed was 121527  
required to report and pay the tax under this chapter or Chapter 121528  
5741. of the Revised Code, and shall run until the date of the 121529  
notice of assessment. If an assessment is issued within the 121530  
first twelve months after the interest begins to accrue, no 121531  
preassessment interest shall be assessed. With respect to taxes 121532  
required to be paid under this chapter or Chapter 5741. of the 121533  
Revised Code on or after January 1, 1998, interest shall accrue 121534  
as prescribed in division (A) of section 5739.132 of the Revised 121535  
Code. 121536

~~(C) The commissioner may adopt rules providing for the 121537  
imposition and remission of any penalty provided for under this 121538  
section. 121539~~

**Sec. 5739.31.** (A) (1) No person shall engage in the 121540  
business of selling at retail or sell at retail incidental to 121541  
any other regularly conducted business without having a license 121542  
therefor, as required by sections 5739.01 to 5739.31 of the 121543  
Revised Code. 121544

(2) No person shall engage in the business of selling at 121545  
retail as a transient vendor, as defined in section 5739.17 of 121546

the Revised Code, without first having obtained a license as 121547  
required by that section. 121548

(B) No person shall continue to engage in the business of 121549  
selling at retail or sell at retail incidental to any other 121550  
regularly conducted business after the license issued to that 121551  
person pursuant to section 5739.17 of the Revised Code has been 121552  
suspended by the tax commissioner under division (B)(2) of 121553  
section 5739.30 of the Revised Code, nor shall any person obtain 121554  
a new license from ~~the any~~ county auditor or the tax 121555  
commissioner while such suspension is in effect. If a 121556  
corporation's license has been suspended, none of its officers, 121557  
or employees having control or supervision of or charged with 121558  
the responsibility of filing returns and making payments of tax 121559  
due, shall obtain a license from ~~the any~~ county auditor or the 121560  
tax commissioner during the period of such suspension. The tax 121561  
commissioner may cancel any licenses granted while the 121562  
suspension is in effect. 121563

**Sec. 5741.121.** (A) If the total amount of tax required to 121564  
be paid by a seller or consumer under section 5741.12 of the 121565  
Revised Code for any year equals or exceeds seventy-five 121566  
thousand dollars, the seller or consumer shall remit each 121567  
monthly tax payment in the second ensuing and each succeeding 121568  
year on an accelerated basis as prescribed by division (B) of 121569  
this section. 121570

If a seller's or consumer's tax payment for each of two 121571  
consecutive years is less than seventy-five thousand dollars, 121572  
the seller or consumer is relieved of the requirement to remit 121573  
taxes on an accelerated basis for the year that next follows 121574  
the second of the consecutive years in which the tax payment is 121575  
less than that amount, and is relieved of that requirement for 121576

each succeeding year, unless the tax payment in a subsequent 121577  
year equals or exceeds seventy-five thousand dollars. 121578

The tax commissioner shall notify each seller or consumer 121579  
required to make accelerated tax payments of the seller's or 121580  
consumer's obligation to do so and shall maintain an updated 121581  
list of those sellers and consumers. Failure by the tax 121582  
commissioner to notify a seller or consumer subject to this 121583  
section to remit taxes on an accelerated basis does not relieve 121584  
the seller or consumer of the obligation to remit taxes as 121585  
provided under division (B) of this section. 121586

(B) Sellers and consumers required by division (A) of this 121587  
section to make accelerated tax payments shall electronically 121588  
remit such payments to the tax commissioner, in a manner 121589  
approved by the commissioner, as follows: 121590

(1) On or before the twenty-third day of each month, a 121591  
seller or consumer shall remit an amount equal to seventy-five 121592  
per cent of the anticipated tax liability for that month. 121593

(2) On or before the twenty-third day of each month, a 121594  
seller shall report the taxes collected and a consumer shall 121595  
report the taxes due for the previous month and shall remit that 121596  
amount, less any amounts paid for that month as required by 121597  
division (B) (1) of this section. 121598

The payment of taxes on an accelerated basis under this 121599  
section does not affect a seller's or consumer's obligation to 121600  
file returns and pay the tax shown on the returns to be due as 121601  
required under section 5741.12 of the Revised Code. 121602

(C) A seller or consumer required by this section to remit 121603  
taxes on an accelerated basis may apply to the tax commissioner 121604  
in the manner prescribed by the commissioner to be excused from 121605

that requirement. The commissioner may excuse the seller or 121606  
consumer from remittance on an accelerated basis for good cause 121607  
shown for the period of time requested by the seller or consumer 121608  
or for a portion of that period. 121609

(D) (1) (a) If a seller or consumer that is required to 121610  
remit payments under division (B) of this section fails to make 121611  
a payment required under division (B) (1) of this section, or 121612  
makes a payment under division (B) (1) of this section that is 121613  
less than seventy-five per cent of the actual liability for that 121614  
month, the commissioner may impose an additional charge not to 121615  
exceed five per cent of that unpaid amount. 121616

(b) Division (D) (1) (a) of this section does not apply if 121617  
the seller's or consumer's payment under division (B) (1) of this 121618  
section is equal to or greater than seventy-five per cent of the 121619  
seller's or consumer's reported liability for the same month in 121620  
the immediately preceding calendar year. 121621

(2) Any additional charge imposed under division (D) (1) 121622  
of this section is in addition to any other penalty or charge 121623  
imposed under this chapter, and shall be considered as revenue 121624  
arising from taxes imposed under this chapter. An additional 121625  
charge may be collected by assessment in the manner prescribed 121626  
by section 5741.13 of the Revised Code. ~~The tax commissioner may~~ 121627  
~~waive all or a portion of such a charge and may adopt rules~~ 121628  
~~governing such waiver.~~ 121629

**Sec. 5741.122.** (A) If required by the tax commissioner, a 121630  
person required to make payments under section 5741.121 of the 121631  
Revised Code shall file all returns and reports electronically. 121632  
The commissioner may require the person to use the Ohio business 121633  
gateway, as defined in section 718.01 of the Revised Code, or 121634  
any other electronic means approved by the commissioner, to file 121635

the returns and reports, or to remit the tax, in lieu of the 121636  
manner prescribed under section 5741.121 of the Revised Code. 121637

(B) A person required under this section to file reports 121638  
and returns electronically may apply to the tax commissioner to 121639  
be excused from that requirement. Applications shall be made on 121640  
a form prescribed by the commissioner. The commissioner may 121641  
approve the application for good cause. 121642

(C) (1) If a person required to file a report or return 121643  
electronically under this section fails to do so, the tax 121644  
commissioner may impose an additional charge not to exceed the 121645  
following: 121646

(a) For each of the first two failures, five per cent of 121647  
the amount required to be reported on the report or return; 121648

(b) For the third and any subsequent failure, ten per cent 121649  
of the amount required to be reported on the report or return. 121650

(2) The charges authorized under division (C) (1) of this 121651  
section are in addition to any other charge or penalty 121652  
authorized under this chapter, and shall be considered as 121653  
revenue arising from taxes imposed under this chapter. An 121654  
additional charge may be collected by assessment in the manner 121655  
prescribed by section 5741.13 of the Revised Code. ~~The-~~ 121656  
~~commissioner may waive all or a portion of such a charge and may~~ 121657  
~~adopt rules governing such waiver.~~ 121658

**Sec. 5743.021.** (A) As used in this section, "qualifying 121659  
regional arts and cultural district" means a regional arts and 121660  
cultural district created under section 3381.04 of the Revised 121661  
Code in a county ~~having a population of one million two hundred-~~ 121662  
~~thousand or more according to the 2000 federal decennial-~~ 121663  
~~census~~ that has adopted a charter under Ohio Constitution, 121664

Article X, Section 3.

121665

(B) For one or more of the purposes for which a tax may be levied under section 3381.16 of the Revised Code and for the purposes of paying the expenses of administering the tax and the expenses charged by a board of elections to hold an election on a question submitted under this section, the board of county commissioners of a county that has within its territorial boundaries a qualifying regional arts and cultural district may levy a tax on the sale of cigarettes sold for resale at retail in the county composing the district computed on each cigarette sold. The rate of the tax, when added to the rate of any other tax concurrently levied by the board under this section, shall equal one of the following:

121666  
121667  
121668  
121669  
121670  
121671  
121672  
121673  
121674  
121675  
121676  
121677

(1) If the tax begins to apply before May 1, 2023, up to fifteen mills per cigarette;

121678  
121679

(2) If the tax begins to apply on or after ~~the first day of the first month after the effective date of this amendment~~May 1, 2023, the rate, in mills per cigarette, specified in the resolution levying the tax.

121680  
121681  
121682  
121683

Only one sale of the same article shall be used in computing the amount of tax due. The tax may be levied for any number of years not exceeding ten years.

121684  
121685  
121686

The tax shall be levied pursuant to a resolution of the board of county commissioners approved by a majority of the electors in the county voting on the question of levying the tax. The resolution shall specify the rate of the tax, the number of years the tax will be levied, and the purposes for which the tax is levied. The election may be held on the date of a general, primary, or special election held not sooner than

121687  
121688  
121689  
121690  
121691  
121692  
121693

ninety days after the date the board certifies its resolution to the board of elections. If approved by the electors, the tax shall take effect on the first day of the month specified in the resolution but not sooner than the first day of the month that is at least sixty days after the certification of the election results by the board of elections. A copy of the resolution levying the tax shall be certified to the tax commissioner at least sixty days prior to the date on which the tax is to become effective.

A board of county commissioners may adopt a resolution under this division proposing to replace a tax levied under division (B) (1) of this section with a tax levied under division (B) (2) of this section. Such a resolution shall state, in addition to other information required under this division, that the existing levy or levies terminate upon the passage of the replacement levy. The failure of the electors to approve a replacement levy does not terminate the existing levy or levies.

(C) (1) The form of the ballot in an election held to propose a tax under division (B) (1) of this section shall be as follows, or in any other form acceptable to the secretary of state:

"For the purpose of \_\_\_\_\_ (insert the purpose or purposes of the tax), shall an excise tax be levied throughout \_\_\_\_\_ County for the benefit of the \_\_\_\_\_ (name of the qualifying regional arts and cultural district) on the sale of cigarettes at wholesale at the rate of \_\_\_\_ mills per cigarette for \_\_\_\_ years?

	For the tax
--	-------------

	Against the tax	"
--	-----------------	---

(2) The form of the ballot in an election held to propose a tax under division (B)(2) of this section shall be as follows, or in any other form acceptable to the secretary of state:

"For the purpose of \_\_\_\_\_ (insert the purpose or purposes of the tax), shall an excise tax be levied throughout \_\_\_\_\_ County for the benefit of the \_\_\_\_\_ (name of the qualifying regional arts and cultural district) on the sale of cigarettes at wholesale at the rate of \_\_\_ mills per cigarette for \_\_\_ years?

	For the tax	
	Against the tax	"

" 121732

If the resolution of the board of county commissioners provides that an existing levy or levies will be terminated upon the passage of a replacement levy, the ballot must, for each levy that will be terminated, include a statement that: "An existing tax of \_\_\_ mills (stating the millage of the existing tax) per cigarette, having \_\_\_ years remaining, will be terminated and replaced upon the passage of this tax."

(D) All money arising from taxes levied on behalf of each district under this section and section 5743.321 of the Revised Code shall be credited as follows:

(1) To the tax refund fund created by section 5703.052 of the Revised Code, amounts equal to the refunds from each tax levied under this section and section 5743.321 of the Revised

Code and certified by the tax commissioner pursuant to section 121746  
5743.05 of the Revised Code; 121747

(2) Following the crediting of amounts pursuant to 121748  
division (D)(1) of this section: 121749

(a) To the permissive tax distribution fund created under 121750  
section 4301.423 of the Revised Code, an amount equal to ninety- 121751  
eight per cent of the remainder collected; 121752

(b) To the local excise tax administrative fund, which is 121753  
hereby created in the state treasury, an amount equal to two per 121754  
cent of such remainder, for use by the tax commissioner in 121755  
defraying costs incurred in administering the tax. 121756

On or before the tenth day of each month, the tax 121757  
commissioner shall distribute the amount credited to the 121758  
permissive tax distribution fund during the preceding month by 121759  
providing for payment of the appropriate amount to the county 121760  
treasurer of the county in which the tax is levied. 121761

(E) No tax shall be levied under divisions (B)(1) and (2) 121762  
of this section during the same month. 121763

**Sec. 5743.051.** This section applies to any wholesale or 121764  
retail cigarette dealer required by section 5743.05 of the 121765  
Revised Code to remit payment for tax stamps electronically. The 121766  
tax commissioner shall notify each dealer of the dealer's 121767  
obligation to do so and shall maintain an updated list of those 121768  
dealers. Failure by the commissioner to notify a dealer subject 121769  
to this section to remit taxes electronically does not relieve 121770  
the dealer of its obligation to remit taxes in that manner. 121771

A dealer required to remit payments electronically shall 121772  
remit such payments to the commissioner in the manner approved 121773  
by the commissioner and within the time prescribed for such a 121774

dealer by section 5743.05 of the Revised Code. 121775

A dealer required to remit taxes electronically may apply 121776  
to the commissioner in the manner prescribed by the commissioner 121777  
to be excused from that requirement. The commissioner may excuse 121778  
the dealer from electronic remittance for good cause shown for 121779  
the period of time requested by the dealer or for a portion of 121780  
that period. 121781

If a dealer required to remit taxes electronically remits 121782  
those taxes by some other means, and the commissioner determines 121783  
that such failure was not due to reasonable cause or was due to 121784  
willful neglect, the commissioner may collect an additional 121785  
charge by assessment in the manner prescribed by section 121786  
5743.081 of the Revised Code. The additional charge shall equal 121787  
five per cent of the amount of the taxes required to be paid 121788  
electronically but shall not exceed five thousand dollars. Any 121789  
additional charge assessed under this section is in addition to 121790  
any other penalty or charge imposed under this chapter and shall 121791  
be considered as revenue arising from taxes imposed under this 121792  
chapter. ~~The commissioner may abate all or a portion of such a~~ 121793  
~~charge and may adopt rules governing such remissions.~~ 121794

No additional charge shall be assessed under this section 121795  
against a dealer that has been notified of its obligation to 121796  
remit taxes electronically under this section and that remits 121797  
its first two tax payments after such notification by some other 121798  
means. The additional charge may be assessed upon the remittance 121799  
of any subsequent tax payment that the dealer remits by some 121800  
means other than electronically. 121801

**Sec. 5743.081.** (A) If any wholesale dealer or retail 121802  
dealer fails to pay the tax levied under section 5743.02, 121803  
5743.021, 5743.024, or 5743.026 of the Revised Code as required 121804

by sections 5743.01 to 5743.20 of the Revised Code, and by the 121805  
rules of the tax commissioner, or fails to collect the tax from 121806  
the purchaser or consumer, the commissioner may make an 121807  
assessment against the wholesale or retail dealer based upon any 121808  
information in the commissioner's possession. 121809

The commissioner may make an assessment against any 121810  
wholesale or retail dealer who fails to file a return required 121811  
by section 5743.03 or 5743.025 of the Revised Code. 121812

No assessment shall be made against any wholesale or 121813  
retail dealer for any taxes imposed under section 5743.02, 121814  
5743.021, 5743.024, or 5743.026 of the Revised Code more than 121815  
three years after the last day of the calendar month that 121816  
immediately follows the monthly period prescribed in section 121817  
5743.03 of the Revised Code in which the sale was made, or more 121818  
than three years after the return for the month in which the 121819  
sale was made is filed, whichever is later. This section does 121820  
not bar an assessment against any wholesale or retail dealer who 121821  
fails to file a return as required by section 5743.025 or 121822  
5743.03 of the Revised Code, or who files a fraudulent return. 121823

A penalty of up to thirty per cent may be added to the 121824  
amount of every assessment made under this section. ~~The~~ 121825  
~~commissioner may adopt rules providing for the imposition and~~ 121826  
~~remission of penalties added to assessments made under this~~ 121827  
~~section.~~ 121828

The commissioner shall give the party assessed written 121829  
notice of the assessment in the manner provided in section 121830  
5703.37 of the Revised Code. The notice shall specify separately 121831  
any portion of the assessment that represents a county tax. With 121832  
the notice, the commissioner shall provide instructions on how 121833  
to petition for reassessment and request a hearing on the 121834

petition. 121835

(B) Unless the party assessed files with the tax 121836  
commissioner within sixty days after service of the notice of 121837  
assessment, ~~either personally or by certified mail,~~ a written 121838  
petition for reassessment signed by the party assessed or that 121839  
party's authorized agent having knowledge of the facts, the 121840  
assessment becomes final and the amount of the assessment is due 121841  
and payable from the party assessed to the treasurer of state. 121842  
The petition shall indicate the objections of the party 121843  
assessed, but additional objections may be raised in writing if 121844  
received by the commissioner prior to the date shown on the 121845  
final determination. If the petition has been properly filed, 121846  
the commissioner shall proceed under section 5703.60 of the 121847  
Revised Code. 121848

(C) After an assessment becomes final, if any portion of 121849  
the assessment remains unpaid, including accrued interest, a 121850  
certified copy of the tax commissioner's entry making the 121851  
assessment final may be filed in the office of the clerk of the 121852  
court of common pleas in the county in which the wholesale or 121853  
retail dealer's place of business is located or the county in 121854  
which the party assessed resides. If the party assessed 121855  
maintains no place of business in this state and is not a 121856  
resident of this state, the certified copy of the entry may be 121857  
filed in the office of the clerk of the court of common pleas of 121858  
Franklin county. 121859

Immediately upon the filing of the commissioner's entry, 121860  
the clerk shall enter a judgment for the state against the party 121861  
assessed in the amount shown on the entry. The judgment may be 121862  
filed by the clerk in a loose-leaf book entitled "special 121863  
judgments for state cigarette sales tax," and shall have the 121864

same effect as other judgments. Execution shall issue upon the 121865  
judgment upon the request of the tax commissioner, and all laws 121866  
applicable to sales on execution shall apply to sales made under 121867  
the judgment, except as otherwise provided in sections 5743.01 121868  
to 5743.20 of the Revised Code. 121869

If the assessment is not paid in its entirety within sixty 121870  
days after the assessment was issued, the portion of the 121871  
assessment consisting of tax due shall bear interest at the rate 121872  
per annum prescribed by section 5703.47 of the Revised Code from 121873  
the day the commissioner issues the assessment until it is paid 121874  
or until it is certified to the attorney general for collection 121875  
under section 131.02 of the Revised Code, whichever comes first. 121876  
If the unpaid portion of the assessment is certified to the 121877  
attorney general for collection, the entire unpaid portion of 121878  
the assessment shall bear interest at the rate per annum 121879  
prescribed by section 5703.47 of the Revised Code from the date 121880  
of certification until the date it is paid in its entirety. 121881  
Interest shall be paid in the same manner as the tax and may be 121882  
collected by the issuance of an assessment under this section. 121883

(D) All money collected by the tax commissioner under this 121884  
section shall be paid to the treasurer of state, and when paid 121885  
shall be considered as revenue arising from the taxes imposed by 121886  
sections 5743.01 to 5743.20 of the Revised Code. 121887

**Sec. 5743.082.** (A) If the tax commissioner finds that a 121888  
wholesale dealer or retail dealer, liable for tax under sections 121889  
5743.01 to 5743.20 of the Revised Code, is about to depart from 121890  
the state, remove the wholesale or retail dealer's property from 121891  
the state, conceal the wholesale or retail dealer's person or 121892  
property, or do any other act tending to prejudice, obstruct, or 121893  
render wholly or partly ineffectual proceedings to collect the 121894

tax, unless the proceedings are commenced without delay, or if 121895  
the commissioner believes that the collection of the amount due 121896  
from any wholesale dealer or retail dealer will be jeopardized 121897  
by delay, the commissioner may issue a jeopardy assessment 121898  
against the wholesale or retail dealer for the amount of the 121899  
tax, plus a penalty of up to thirty per cent. Upon issuance of a 121900  
jeopardy assessment under this division, the total amount 121901  
assessed shall immediately be due and payable unless security is 121902  
provided pursuant to division (C) of this section. Any 121903  
assessment issued under this section shall bear interest as 121904  
prescribed by section 5743.081 of the Revised Code. 121905

(B) The commissioner immediately shall file an entry with 121906  
the clerk of the court of common pleas in the same manner and 121907  
with the same effect as provided in section 5743.081 of the 121908  
Revised Code. Notice of the jeopardy assessment shall be served 121909  
on the dealer assessed or the dealer's legal representative, as 121910  
provided in section 5703.37 of the Revised Code, within five 121911  
days of the filing of the entry. The dealer assessed may 121912  
petition for reassessment within sixty days of receipt of the 121913  
notice of jeopardy assessment in the same manner as provided in 121914  
section 5743.081 of the Revised Code. Full or partial payment of 121915  
the assessment shall not prejudice the commissioner's 121916  
consideration of the merits of the assessment as contested by 121917  
the petition for reassessment. Upon notification of the 121918  
existence of the judgment filed pursuant to this division, any 121919  
public official having control or custody of any funds or 121920  
property of the person assessed immediately shall pay or deliver 121921  
the funds or property to the commissioner as full or partial 121922  
satisfaction of the jeopardy assessment. However, funds or 121923  
property needed as evidence in criminal proceedings or that is 121924  
expected to be forfeited pursuant to Chapter 2981. of the 121925

Revised Code, need not be relinquished by the public official. 121926  
Upon disposition of criminal and forfeiture proceedings, funds 121927  
and property not needed as evidence and not forfeited shall be 121928  
delivered to the commissioner. 121929

(C) If the dealer subject to a jeopardy assessment files a 121930  
petition for reassessment and posts security satisfactory to the 121931  
commissioner in an amount sufficient to satisfy the unpaid 121932  
balance of the assessment, execution on the judgment shall be 121933  
stayed pending disposition of the petition for reassessment and 121934  
all appeals resulting from the petition. If the security is 121935  
sufficient to satisfy the full amount of the assessment, the 121936  
commissioner shall return any funds or property of the dealer 121937  
that previously were seized. Upon satisfaction of the assessment 121938  
the commissioner shall order the security released and the 121939  
judgment vacated. 121940

~~(D) The commissioner may adopt rules providing for the 121941  
imposition and remission of penalties imposed under this 121942  
section. 121943~~

**Sec. 5743.51.** (A) To provide revenue for the general 121944  
revenue fund of the state, an excise tax on tobacco products and 121945  
vapor products is hereby levied at one of the following rates: 121946

(1) For tobacco products other than little cigars or 121947  
premium cigars, seventeen per cent of the wholesale price of the 121948  
tobacco product received by a distributor or sold by a 121949  
manufacturer to a retail dealer located in this state. 121950

(2) Thirty-seven per cent of the wholesale price of little 121951  
cigars received by a distributor or sold by a manufacturer to a 121952  
retail dealer located in this state. 121953

(3) For premium cigars received by a distributor or sold 121954

by a manufacturer to a retail dealer located in this state, the 121955  
lesser of seventeen per cent of the wholesale price of such 121956  
premium cigars or the maximum tax amount per each such premium 121957  
cigar. 121958

(4) For vapor products, one cent multiplied by the vapor 121959  
volume of vapor products the first time the products are 121960  
received by a vapor distributor in this state. 121961

Each distributor or vapor distributor who brings tobacco 121962  
products or vapor products, or causes tobacco products or vapor 121963  
products to be brought, into this state for distribution within 121964  
this state, or any out-of-state distributor or vapor distributor 121965  
who sells tobacco products or vapor products to wholesale or 121966  
retail dealers located in this state for resale by those 121967  
wholesale or retail dealers is liable for the tax imposed by 121968  
this section. Only one sale of the same article shall be used in 121969  
computing the amount of the tax due. If a vapor product is 121970  
repackaged, reconstituted, diluted, or reprocessed, the 121971  
subsequent sale of that vapor product shall be considered 121972  
another sale of the same article for purposes of computing the 121973  
amount of tax due. 121974

(B) The treasurer of state shall place to the credit of 121975  
the tax refund fund created by section 5703.052 of the Revised 121976  
Code, out of the receipts from the tax levied by this section, 121977  
amounts equal to the refunds certified by the tax commissioner 121978  
pursuant to section 5743.53 of the Revised Code. The balance of 121979  
the taxes collected under this section shall be paid into the 121980  
general revenue fund. 121981

(C) The commissioner may adopt rules as are necessary to 121982  
assist in the enforcement and administration of sections 5743.51 121983  
to 5743.66 of the Revised Code, ~~including rules providing for~~ 121984

~~the remission of penalties imposed.~~ 121985

(D) A manufacturer is not liable for payment of the tax 121986  
imposed by this section for sales of tobacco products or vapor 121987  
products to a retail dealer that has filed a signed statement 121988  
with the manufacturer in which the retail dealer agrees to pay 121989  
and be liable for the tax, as long as the manufacturer has 121990  
provided a copy of the statement to the tax commissioner. 121991

**Sec. 5743.56.** (A) Any person required to pay the tax 121992  
imposed by section 5743.51, 5743.62, or 5743.63 of the Revised 121993  
Code is personally liable for the tax. The tax commissioner may 121994  
make an assessment, based upon any information in the 121995  
commissioner's possession, against any person who fails to file 121996  
a return or pay any tax, interest, or additional charge as 121997  
required by this chapter. The commissioner shall give the person 121998  
assessed written notice of such assessment in the manner 121999  
provided in section 5703.37 of the Revised Code. With the 122000  
notice, the commissioner shall provide instructions on how to 122001  
petition for reassessment and request a hearing on the petition. 122002

(B) When the information in the possession of the tax 122003  
commissioner indicates that a person liable for the tax imposed 122004  
by section 5743.51, 5743.62, or 5743.63 of the Revised Code has 122005  
not paid the full amount of tax due, the commissioner may audit 122006  
a representative sample of the person's business and may issue 122007  
an assessment based on such audit. 122008

(C) A penalty of up to fifteen per cent may be added to 122009  
all amounts assessed under this section. ~~The tax commissioner~~ 122010  
~~may adopt rules providing for the imposition and remission of~~ 122011  
~~such penalties.~~ 122012

(D) Unless the person assessed files with the tax 122013

commissioner within sixty days after service of the notice of 122014  
assessment, ~~either personally or by certified mail,~~ a written 122015  
petition for reassessment signed by the person assessed or that 122016  
person's authorized agent having knowledge of the facts, the 122017  
assessment becomes final and the amount of the assessment is due 122018  
and payable from the person assessed to the treasurer of state. 122019  
A petition shall indicate the objections of the person assessed, 122020  
but additional objections may be raised in writing if received 122021  
by the commissioner prior to the date shown on the final 122022  
determination. If the petition has been properly filed, the 122023  
commissioner shall proceed under section 5703.60 of the Revised 122024  
Code. 122025

(E) After an assessment becomes final, if any portion of 122026  
the assessment, including accrued interest, remains unpaid, a 122027  
certified copy of the tax commissioner's entry making the 122028  
assessment final may be filed in the office of the clerk of the 122029  
court of common pleas in the county in which the person assessed 122030  
resides or in which the person assessed conducts business. If 122031  
the person assessed maintains no place of business in this state 122032  
and is not a resident of this state, the certified copy of the 122033  
entry may be filed in the office of the clerk of the court of 122034  
common pleas of Franklin county. 122035

Immediately upon the filing of the entry, the clerk shall 122036  
enter a judgment for the state against the person assessed in 122037  
the amount shown on the entry. The judgment may be filed by the 122038  
clerk in a loose-leaf book entitled "special judgments for state 122039  
tobacco products tax," and shall have the same effect as other 122040  
judgments. Execution shall issue upon the judgment upon the 122041  
request of the commissioner, and all laws applicable to sales on 122042  
execution shall apply to sales made under the judgment. 122043

If the assessment is not paid in its entirety within sixty 122044  
days after the day the assessment is issued, the portion of the 122045  
assessment consisting of tax due shall bear interest at the rate 122046  
per annum prescribed by section 5703.47 of the Revised Code from 122047  
the day the commissioner issues the assessment until the 122048  
assessment is paid or until it is certified to the attorney 122049  
general for collection under section 131.02 of the Revised Code, 122050  
whichever comes first. If the unpaid portion of the assessment 122051  
is certified to the attorney general for collection, the entire 122052  
unpaid portion of the assessment shall bear interest at the rate 122053  
per annum prescribed by section 5703.47 of the Revised Code from 122054  
the date of certification until the date it is paid in its 122055  
entirety. Interest shall be paid in the same manner as the tax 122056  
and may be collected by issuing an assessment under this 122057  
section. 122058

(F) If the tax commissioner believes that collection of 122059  
the tax will be jeopardized unless proceedings to collect or 122060  
secure collection of the tax are instituted without delay, the 122061  
commissioner may issue a jeopardy assessment against the person 122062  
liable for the tax. Immediately upon the issuance of the 122063  
jeopardy assessment, the commissioner shall file an entry with 122064  
the clerk of the court of common pleas in the manner prescribed 122065  
by division (E) of this section. Notice of the jeopardy 122066  
assessment shall be served on the person assessed or the legal 122067  
representative of the person assessed, as provided in section 122068  
5703.37 of the Revised Code, within five days of the filing of 122069  
the entry with the clerk. The total amount assessed is 122070  
immediately due and payable, unless the person assessed files a 122071  
petition for reassessment in accordance with division (D) of 122072  
this section and provides security in a form satisfactory to the 122073  
commissioner and in an amount sufficient to satisfy the unpaid 122074

balance of the assessment. Full or partial payment of the 122075  
assessment does not prejudice the commissioner's consideration 122076  
of the petition for reassessment. 122077

(G) All money collected by the tax commissioner under this 122078  
section shall be paid to the treasurer of state as revenue 122079  
arising from the tax imposed by sections 5743.51, 5743.62, and 122080  
5743.63 of the Revised Code. 122081

**Sec. 5745.03.** (A) For each taxable year, each taxpayer 122082  
shall file an annual report with the tax commissioner not later 122083  
than the fifteenth day of the fourth month after the end of the 122084  
taxpayer's taxable year, and shall remit with that report the 122085  
amount of tax due as shown on the report less the amount paid 122086  
for the year under section 5745.04 of the Revised Code. The 122087  
~~remittance shall be made in the form prescribed by the~~ 122088  
~~commissioner. If the amount payable with the report exceeds one~~ 122089  
~~thousand dollars, the taxpayer shall remit the any amount due~~ 122090  
with the report electronically in a manner prescribed by the 122091  
commissioner. The commissioner shall credit ninety-eight and 122092  
one-half per cent of such remittances to the municipal income 122093  
tax fund, which is hereby created in the state treasury, and 122094  
credit the remainder to the municipal income tax administrative 122095  
fund, which is hereby created in the state treasury. 122096

(B) Any taxpayer that has been granted an extension for 122097  
filing a federal income tax return ~~may request shall~~ 122098  
automatically receive an extension for filing the return 122099  
required under this section ~~by filing with the tax commissioner~~ 122100  
~~a copy of the taxpayer's request for the federal filing~~ 122101  
~~extension. The request shall be filed not later than the last~~ 122102  
~~day for filing the return as required under division (A) of this~~ 122103  
~~section. If such a request is properly and timely filed, and the~~ 122104

commissioner shall extend the last day for filing the return 122105  
required under this section ~~for the same period for which the~~ 122106  
~~federal filing extension was granted. The commissioner may deny~~ 122107  
~~the filing extension request only if the taxpayer fails to~~ 122108  
~~timely file the request, fails to file a copy of the federal~~ 122109  
~~extension request, owes past due taxes, interest, or penalty~~ 122110  
~~under this chapter, or has failed to file a required report or~~ 122111  
~~other document for a prior taxable year~~ to the fifteenth day of 122112  
the eleventh month after the last day of the taxable year to 122113  
which the return relates. The granting of an extension under 122114  
this section does not extend the last day for paying taxes 122115  
without penalty pursuant to this chapter unless the commissioner 122116  
extends the payment date. 122117

(C) A taxpayer that has not requested or received an 122118  
extension for filing the taxpayer's federal income tax return 122119  
may request that the commissioner grant the taxpayer a seven 122120  
month extension of the date for filing the taxpayer's tax 122121  
return. If the commissioner receives the request on or before 122122  
the date the tax return is due, the commissioner shall grant the 122123  
taxpayer's extension request. 122124

(D) The annual report shall include statements of the 122125  
following facts as of the last day of the taxpayer's taxable 122126  
year: 122127

(1) The name of the taxpayer; 122128

~~(2) The name of the state or country under the laws of~~ 122129  
~~which it is incorporated;~~ 122130

~~(3) The location of its principal office in this state~~ 122131  
~~and, in the case of a taxpayer organized under the laws of~~ 122132  
~~another state, the principal place of business in this state and~~ 122133

~~the name and address of the officer or agent of the taxpayer in charge of the business conducted in this state;~~ 122134

this division, the commissioner shall notify the director of 122163  
budget and management, who, upon receiving such notification, 122164  
shall withhold from each payment made to the municipal 122165  
corporation under section 5745.05 of the Revised Code fifty per 122166  
cent of the amount of the payment otherwise due the municipal 122167  
corporation under that section as computed on the basis of the 122168  
tax rate most recently certified until the municipal corporation 122169  
certifies the tax rate in effect on the first day of January of 122170  
that year. 122171

The tax rate used to determine the tax payable to a 122172  
municipal corporation under this section for a taxpayer's 122173  
taxable year shall be the tax rate in effect in a municipal 122174  
corporation on the first day of January in that taxable year. If 122175  
a taxpayer's taxable year is for a period less than twelve 122176  
months that does not include the first day of January, the tax 122177  
rate used to determine the tax payable to a municipal 122178  
corporation under this section for the taxpayer's taxable year 122179  
shall be the tax rate in effect in a municipal corporation on 122180  
the first day of January in the preceding taxable year. 122181

**Sec. 5745.04.** (A) As used in this section, "combined tax 122182  
liability" means the total of a taxpayer's income tax 122183  
liabilities to all municipal corporations in this state for a 122184  
taxable year. 122185

(B) Each taxpayer shall file a declaration of estimated 122186  
tax report with, and remit estimated taxes to, the tax 122187  
commissioner, payable to the treasurer of state, at the times 122188  
and in the amounts prescribed in divisions (B) (1) to (4) of this 122189  
section. The first taxable year a taxpayer is subject to this 122190  
chapter, the estimated taxes the taxpayer is required to remit 122191  
under this section shall be based solely on the current taxable 122192

year and not on the liability for the preceding taxable year. 122193

(1) Not less than twenty-five per cent of the combined tax 122194  
liability for the preceding taxable year or twenty per cent of 122195  
the combined tax liability for the current taxable year shall 122196  
have been remitted not later than the fifteenth day of the 122197  
fourth month after the end of the preceding taxable year. 122198

(2) Not less than fifty per cent of the combined tax 122199  
liability for the preceding taxable year or forty per cent of 122200  
the combined tax liability for the current taxable year shall 122201  
have been remitted not later than the fifteenth day of the sixth 122202  
month after the end of the preceding taxable year. 122203

(3) Not less than seventy-five per cent of the combined 122204  
tax liability for the preceding taxable year or sixty per cent 122205  
of the combined tax liability for the current taxable year shall 122206  
have been remitted not later than the fifteenth day of the ninth 122207  
month after the end of the preceding taxable year. 122208

(4) Not less than one hundred per cent of the combined tax 122209  
liability for the preceding taxable year or eighty per cent of 122210  
the combined tax liability for the current taxable year shall 122211  
have been remitted not later than the fifteenth day of the 122212  
twelfth month after the end of the preceding taxable year. 122213

(C) Each taxpayer shall report on the declaration of 122214  
estimated tax report the portion of the remittance that the 122215  
taxpayer estimates that it owes to each municipal corporation 122216  
for the taxable year. 122217

(D) Upon receiving a declaration of estimated tax report 122218  
and remittance of estimated taxes under this section, the tax 122219  
commissioner shall credit ninety-eight and one-half per cent of 122220  
the remittance to the municipal income tax fund and credit the 122221

remainder to the municipal income tax administrative fund. 122222

~~(E) If any remittance of estimated taxes is for one~~ 122223  
~~thousand dollars or more, the~~ The taxpayer shall make the 122224  
remittance of estimated taxes electronically as prescribed by 122225  
section 5745.041 of the Revised Code. 122226

(F) Notwithstanding section 5745.08 or 5745.09 of the 122227  
Revised Code, no penalty or interest shall be imposed on a 122228  
taxpayer if the declaration of estimated tax report is properly 122229  
filed, and the estimated tax is paid, within the time prescribed 122230  
by division (B) of this section. 122231

**Sec. 5745.041.** Any taxpayer required by section 5745.03 or 122232  
5745.04 of the Revised Code to remit tax payments electronically 122233  
shall remit such payments in the manner prescribed by the tax 122234  
commissioner. Except as otherwise provided in this paragraph, 122235  
the payment of taxes electronically does not affect a taxpayer's 122236  
obligation to file reports under this chapter. 122237

A taxpayer required to remit taxes electronically may 122238  
apply to the tax commissioner in the manner prescribed by the 122239  
commissioner to be excused from that requirement. The 122240  
commissioner may excuse the taxpayer from the requirement for 122241  
good cause shown for the period of time requested by the 122242  
taxpayer or for a portion of that period. 122243

If a taxpayer required by this section to remit taxes 122244  
electronically remits those taxes by some means other than 122245  
electronically as prescribed by this section, and the 122246  
commissioner determines that such failure was not due to 122247  
reasonable cause or was due to willful neglect, the commissioner 122248  
may collect an additional charge by assessment in the manner 122249  
prescribed by section 5745.12 of the Revised Code. The 122250

additional charge shall equal five per cent of the amount of the 122251  
taxes or estimated tax payments required to be paid 122252  
electronically, but shall not exceed five thousand dollars. Any 122253  
additional charge assessed under this section is in addition to 122254  
any other penalty or charge imposed under this chapter, and 122255  
shall be considered as revenue arising from municipal income 122256  
taxes collected under this chapter. ~~The commissioner may remit~~ 122257  
~~all or a portion of such a charge and may adopt rules governing~~ 122258  
~~such remission.~~ 122259

No additional charge shall be assessed under this section 122260  
against a taxpayer that has been notified of its obligation to 122261  
remit taxes electronically under this section and that remits 122262  
its first two tax payments after such notification by some other 122263  
means. The additional charge may be assessed upon the remittance 122264  
of any subsequent tax payment that the taxpayer remits by some 122265  
means other than electronically. 122266

**Sec. 5745.08.** (A) The following penalties shall apply 122267  
under the circumstances indicated: 122268

(1) If a taxpayer required to file a report or remit tax 122269  
as required by this chapter fails to make and file the report 122270  
within the time prescribed, including any extensions of time 122271  
granted by the tax commissioner, the tax commissioner may impose 122272  
a penalty not exceeding the greater of fifty dollars per month 122273  
or fraction of a month, not to exceed five hundred dollars, or 122274  
five per cent per month or fraction of a month, not to exceed 122275  
fifty per cent, of the tax required to be shown on the report, 122276  
for each month or fraction of a month elapsing between the due 122277  
date, including extensions of the due date, and the day on which 122278  
the report is filed. 122279

(2) If a taxpayer fails to timely pay any amount of 122280

~~estimated tax required to be paid under division (B) of section 5745.04 of the Revised Code by the dates prescribed for payment~~  
this chapter, the tax commissioner may impose a penalty not to exceed twice the interest charged under section 5745.09 of the Revised Code for the delinquent payment equal to fifteen per cent of the amount not timely paid.

(3) If a taxpayer files what purports to be a report required by this chapter that does not contain information upon which the substantial correctness of the report may be judged or contains information that on its face indicates that the report is substantially incorrect, and the filing of the report in that manner is due to a position that is frivolous or a desire that is apparent from the report to delay or impede the administration of this chapter, a penalty of up to five hundred dollars may be imposed.

(4) If a taxpayer makes a fraudulent attempt to evade the reporting or payment of the tax required to be shown on any report required under this chapter, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the tax required to be shown on the report.

(5) If any person makes a false or fraudulent claim for a refund under section 5745.11 of the Revised Code, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the claim. Any penalty imposed under division (A) (5) of this section, any refund issued on the claim, and interest on any refund from the date of the refund, may be assessed under section 5745.12 of the Revised Code without regard to any time limitation for the assessment imposed by division (A) of that section.

(B) For the purposes of this section, the tax required to

be shown on the report shall be reduced by the amount of any 122311  
part of the tax paid on or before the date, including extensions 122312  
of the date, prescribed for filing the report. 122313

(C) Each penalty imposed under this section shall be in 122314  
addition to any other penalty provided in this section. ~~All or~~ 122315  
~~part of any penalty imposed under this section may be abated by~~ 122316  
~~the commissioner. The tax commissioner may adopt rules governing~~ 122317  
~~the imposition and abatement of such penalties.~~ 122318

(D) All amounts collected under this section from a 122319  
taxpayer shall be considered as taxes collected under this 122320  
chapter and shall be credited and distributed to municipal 122321  
corporations in the same proportions as the taxpayer's taxes are 122322  
distributed for the reporting period under section 5745.05 of 122323  
the Revised Code or, if the taxpayer has filed the annual report 122324  
for the year under section 5745.03 of the Revised Code, in the 122325  
amounts found to be due such municipal corporations on the basis 122326  
of the annual report. 122327

**Sec. 5745.09.** (A) In case of any underpayment of the 122328  
estimated tax under section 5745.04 of the Revised Code, ~~there~~ 122329  
~~shall be added~~ the tax commissioner may add to the tax an amount 122330  
determined at the rate per annum prescribed by section 5703.47 122331  
of the Revised Code upon the amount of underpayment for the 122332  
period of underpayment. 122333

(B) The amount of the underpayment shall be the excess of 122334  
division (B) (1) over division (B) (2) of this section: 122335

(1) The amount of the estimated tax payment that would be 122336  
required to be paid for the taxable year if the total estimated 122337  
tax were equal to the total tax shown to be due on the annual 122338  
report, or if no report was filed, the tax for such year; 122339

(2) The amount, if any, of the estimated tax paid on or 122340  
before the last day prescribed for such payment. 122341

(C) The period of the underpayment shall run from the date 122342  
the estimated tax payment was required to be made to the date on 122343  
which such payment is made. For purposes of this section, a 122344  
payment of estimated tax on any payment date shall be considered 122345  
a payment of any previous underpayment only to the extent such 122346  
payment exceeds the amount of the payment presently due. 122347

(D) All amounts collected under this section shall be 122348  
considered as taxes collected under this chapter and shall be 122349  
credited and distributed to municipal corporations in the same 122350  
proportions as the taxpayer's taxes are distributed for the 122351  
reporting period under section 5745.05 of the Revised Code or, 122352  
if the taxpayer has filed the annual report for the year under 122353  
section 5745.03 of the Revised Code, in the amounts found to be 122354  
due to such municipal corporations on the basis of the annual 122355  
report. 122356

**Sec. 5745.12.** (A) If any taxpayer required to file a 122357  
report under this chapter fails to file the report within the 122358  
time prescribed, files an incorrect report, or fails to remit 122359  
the full amount of the tax due for the period covered by the 122360  
report, the tax commissioner may make an assessment against the 122361  
taxpayer for any deficiency for the period for which the report 122362  
or tax is due, based upon any information in the commissioner's 122363  
possession. 122364

The tax commissioner shall not make or issue an assessment 122365  
against a taxpayer more than three years after the later of the 122366  
final date the report subject to assessment was required to be 122367  
filed or the date the report was filed. Such time limit may be 122368  
extended if both the taxpayer and the commissioner consent in 122369

writing to the extension. Any such extension shall extend the 122370  
three-year time limit in section 5745.11 of the Revised Code for 122371  
the same period of time. There shall be no bar or limit to an 122372  
assessment against a taxpayer that fails to file a report 122373  
subject to assessment as required by this chapter, or that files 122374  
a fraudulent report. The commissioner shall give the taxpayer 122375  
assessed written notice of the assessment as provided in section 122376  
5703.37 of the Revised Code. With the notice, the commissioner 122377  
shall provide instructions on how to petition for reassessment 122378  
and request a hearing on the petition. 122379

(B) Unless the taxpayer assessed files with the tax 122380  
commissioner within sixty days after service of the notice of 122381  
assessment, ~~either personally or by certified mail,~~ a written 122382  
petition for reassessment signed by the authorized agent of the 122383  
taxpayer assessed having knowledge of the facts, the assessment 122384  
becomes final, and the amount of the assessment is due and 122385  
payable from the taxpayer to the treasurer of state. The 122386  
petition shall indicate the taxpayer's objections, but 122387  
additional objections may be raised in writing if received by 122388  
the commissioner prior to the date shown on the final 122389  
determination. If the petition has been properly filed, the 122390  
commissioner shall proceed under section 5703.60 of the Revised 122391  
Code. 122392

(C) After an assessment becomes final, if any portion of 122393  
the assessment remains unpaid, including accrued interest, a 122394  
certified copy of the tax commissioner's entry making the 122395  
assessment final may be filed in the office of the clerk of the 122396  
court of common pleas in the county in which the taxpayer has an 122397  
office or place of business in this state, the county in which 122398  
the taxpayer's statutory agent is located, or Franklin county. 122399

Immediately upon the filing of the entry, the clerk shall 122400  
enter a judgment against the taxpayer assessed in the amount 122401  
shown on the entry. The judgment may be filed by the clerk in a 122402  
loose-leaf book entitled "special judgments for municipal income 122403  
taxes," and shall have the same effect as other judgments. 122404  
Execution shall issue upon the judgment upon the request of the 122405  
tax commissioner, and all laws applicable to sales on execution 122406  
shall apply to sales made under the judgment. 122407

If the assessment is not paid in its entirety within sixty 122408  
days after the day the assessment was issued, the portion of the 122409  
assessment consisting of tax due shall bear interest at the rate 122410  
per annum prescribed by section 5703.47 of the Revised Code from 122411  
the day the commissioner issues the assessment until the 122412  
assessment is paid or until it is certified to the attorney 122413  
general for collection under section 131.02 of the Revised Code, 122414  
whichever comes first. If the unpaid portion of the assessment 122415  
is certified to the attorney general for collection, the entire 122416  
unpaid portion of the assessment shall bear interest at the rate 122417  
per annum prescribed by section 5703.47 of the Revised Code from 122418  
the date of certification until the date it is paid in its 122419  
entirety. Interest shall be paid in the same manner as the tax 122420  
and may be collected by issuing an assessment under this 122421  
section. 122422

(D) All money collected under this section shall be 122423  
credited and distributed to the municipal corporation to which 122424  
the money is owed based on the assessment issued under this 122425  
section. 122426

(E) If the tax commissioner believes that collection of 122427  
the tax imposed by this chapter will be jeopardized unless 122428  
proceedings to collect or secure collection of the tax are 122429

instituted without delay, the commissioner may issue a jeopardy 122430  
assessment against the taxpayer liable for the tax. Immediately 122431  
upon the issuance of the jeopardy assessment, the commissioner 122432  
shall file an entry with the clerk of the court of common pleas 122433  
in the manner prescribed by division (C) of this section. Notice 122434  
of the jeopardy assessment shall be served on the taxpayer 122435  
assessed or the taxpayer's legal representative in the manner 122436  
provided in section 5703.37 of the Revised Code within five days 122437  
of the filing of the entry with the clerk. The total amount 122438  
assessed is immediately due and payable, unless the taxpayer 122439  
assessed files a petition for reassessment in accordance with 122440  
division (B) of this section and provides security in a form 122441  
satisfactory to the commissioner and in an amount sufficient to 122442  
satisfy the unpaid balance of the assessment. Full or partial 122443  
payment of the assessment does not prejudice the commissioner's 122444  
consideration of the petition for reassessment. 122445

(F) Notwithstanding the fact that a petition for 122446  
reassessment is pending, the taxpayer may pay all or a portion 122447  
of the assessment that is the subject of the petition. The 122448  
acceptance of a payment by the treasurer of state does not 122449  
prejudice any claim for refund upon final determination of the 122450  
petition. 122451

If upon final determination of the petition an error in 122452  
the assessment is corrected by the tax commissioner, upon 122453  
petition so filed or pursuant to a decision of the board of tax 122454  
appeals or any court to which the determination or decision has 122455  
been appealed, so that the amount due from the taxpayer under 122456  
the corrected assessment is less than the portion paid, there 122457  
shall be issued to the taxpayer, its assigns, or legal 122458  
representative a refund in the amount of the overpayment as 122459  
provided by section 5745.11 of the Revised Code, with interest 122460

on that amount as provided by section 5745.11 of the Revised Code. 122461  
122462

**Sec. 5747.01.** Except as otherwise expressly provided or 122463  
clearly appearing from the context, any term used in this 122464  
chapter that is not otherwise defined in this section has the 122465  
same meaning as when used in a comparable context in the laws of 122466  
the United States relating to federal income taxes or if not 122467  
used in a comparable context in those laws, has the same meaning 122468  
as in section 5733.40 of the Revised Code. Any reference in this 122469  
chapter to the Internal Revenue Code includes other laws of the 122470  
United States relating to federal income taxes. 122471

As used in this chapter: 122472

(A) "Adjusted gross income" or "Ohio adjusted gross 122473  
income" means federal adjusted gross income, as defined and used 122474  
in the Internal Revenue Code, adjusted as provided in this 122475  
section: 122476

(1) Add interest or dividends on obligations or securities 122477  
of any state or of any political subdivision or authority of any 122478  
state, other than this state and its subdivisions and 122479  
authorities. 122480

(2) Add interest or dividends on obligations of any 122481  
authority, commission, instrumentality, territory, or possession 122482  
of the United States to the extent that the interest or 122483  
dividends are exempt from federal income taxes but not from 122484  
state income taxes. 122485

(3) Deduct interest or dividends on obligations of the 122486  
United States and its territories and possessions or of any 122487  
authority, commission, or instrumentality of the United States 122488  
to the extent that the interest or dividends are included in 122489

federal adjusted gross income but exempt from state income taxes	122490
under the laws of the United States.	122491
(4) Deduct disability and survivor's benefits to the	122492
extent included in federal adjusted gross income.	122493
(5) Deduct the following, to the extent not otherwise	122494
deducted or excluded in computing federal or Ohio adjusted gross	122495
income:	122496
(a) Benefits under Title II of the Social Security Act and	122497
tier 1 railroad retirement;	122498
(b) Railroad retirement benefits, other than tier 1	122499
railroad retirement benefits, to the extent such amounts are	122500
exempt from state taxation under federal law.	122501
(6) Deduct the amount of wages and salaries, if any, not	122502
otherwise allowable as a deduction but that would have been	122503
allowable as a deduction in computing federal adjusted gross	122504
income for the taxable year, had the work opportunity tax credit	122505
allowed and determined under sections 38, 51, and 52 of the	122506
Internal Revenue Code not been in effect.	122507
(7) Deduct any interest or interest equivalent on public	122508
obligations and purchase obligations to the extent that the	122509
interest or interest equivalent is included in federal adjusted	122510
gross income.	122511
(8) Add any loss or deduct any gain resulting from the	122512
sale, exchange, or other disposition of public obligations to	122513
the extent that the loss has been deducted or the gain has been	122514
included in computing federal adjusted gross income.	122515
(9) Deduct or add amounts, as provided under section	122516
5747.70 of the Revised Code, related to contributions made to or	122517

tuition units purchased under a qualified tuition program 122518  
established pursuant to section 529 of the Internal Revenue 122519  
Code. 122520

(10) (a) Deduct, to the extent not otherwise allowable as a 122521  
deduction or exclusion in computing federal or Ohio adjusted 122522  
gross income for the taxable year, the amount the taxpayer paid 122523  
during the taxable year for medical care insurance and qualified 122524  
long-term care insurance for the taxpayer, the taxpayer's 122525  
spouse, and dependents. No deduction for medical care insurance 122526  
under division (A) (10) (a) of this section shall be allowed 122527  
either to any taxpayer who is eligible to participate in any 122528  
subsidized health plan maintained by any employer of the 122529  
taxpayer or of the taxpayer's spouse, or to any taxpayer who is 122530  
entitled to, or on application would be entitled to, benefits 122531  
under part A of Title XVIII of the "Social Security Act," 49 122532  
Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of 122533  
division (A) (10) (a) of this section, "subsidized health plan" 122534  
means a health plan for which the employer pays any portion of 122535  
the plan's cost. The deduction allowed under division (A) (10) (a) 122536  
of this section shall be the net of any related premium refunds, 122537  
related premium reimbursements, or related insurance premium 122538  
dividends received during the taxable year. 122539

(b) Deduct, to the extent not otherwise deducted or 122540  
excluded in computing federal or Ohio adjusted gross income 122541  
during the taxable year, the amount the taxpayer paid during the 122542  
taxable year, not compensated for by any insurance or otherwise, 122543  
for medical care of the taxpayer, the taxpayer's spouse, and 122544  
dependents, to the extent the expenses exceed seven and one-half 122545  
per cent of the taxpayer's federal adjusted gross income. 122546

(c) For purposes of division (A) (10) of this section, 122547

"medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of division (A)(10)(a) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(11) (a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A)(11)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year.

(12) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(a) It is allowable for repayment of an item that was 122578  
included in the taxpayer's adjusted gross income for a prior 122579  
taxable year and did not qualify for a credit under division (A) 122580  
or (B) of section 5747.05 of the Revised Code for that year; 122581

(b) It does not otherwise reduce the taxpayer's adjusted 122582  
gross income for the current or any other taxable year. 122583

(13) Deduct an amount equal to the deposits made to, and 122584  
net investment earnings of, a medical savings account during the 122585  
taxable year, in accordance with section 3924.66 of the Revised 122586  
Code. The deduction allowed by division (A) (13) of this section 122587  
does not apply to medical savings account deposits and earnings 122588  
otherwise deducted or excluded for the current or any other 122589  
taxable year from the taxpayer's federal adjusted gross income. 122590

(14) (a) Add an amount equal to the funds withdrawn from a 122591  
medical savings account during the taxable year, and the net 122592  
investment earnings on those funds, when the funds withdrawn 122593  
were used for any purpose other than to reimburse an account 122594  
holder for, or to pay, eligible medical expenses, in accordance 122595  
with section 3924.66 of the Revised Code; 122596

(b) Add the amounts distributed from a medical savings 122597  
account under division (A) (2) of section 3924.68 of the Revised 122598  
Code during the taxable year. 122599

(15) Add any amount claimed as a credit under section 122600  
5747.059 of the Revised Code to the extent that such amount 122601  
satisfies either of the following: 122602

(a) The amount was deducted or excluded from the 122603  
computation of the taxpayer's federal adjusted gross income as 122604  
required to be reported for the taxpayer's taxable year under 122605  
the Internal Revenue Code; 122606

(b) The amount resulted in a reduction of the taxpayer's 122607  
federal adjusted gross income as required to be reported for any 122608  
of the taxpayer's taxable years under the Internal Revenue Code. 122609

(16) Deduct the amount contributed by the taxpayer to an 122610  
individual development account program established by a county 122611  
department of job and family services pursuant to sections 122612  
329.11 to 329.14 of the Revised Code for the purpose of matching 122613  
funds deposited by program participants. On request of the tax 122614  
commissioner, the taxpayer shall provide any information that, 122615  
in the tax commissioner's opinion, is necessary to establish the 122616  
amount deducted under division (A) (16) of this section. 122617

(17) (a) (i) Subject to divisions (A) (17) (a) (iii), (iv), and 122618  
(v) of this section, add five-sixths of the amount of 122619  
depreciation expense allowed by subsection (k) of section 168 of 122620  
the Internal Revenue Code, including the taxpayer's 122621  
proportionate or distributive share of the amount of 122622  
depreciation expense allowed by that subsection to a pass- 122623  
through entity in which the taxpayer has a direct or indirect 122624  
ownership interest. 122625

(ii) Subject to divisions (A) (17) (a) (iii), (iv), and (v) 122626  
of this section, add five-sixths of the amount of qualifying 122627  
section 179 depreciation expense, including the taxpayer's 122628  
proportionate or distributive share of the amount of qualifying 122629  
section 179 depreciation expense allowed to any pass-through 122630  
entity in which the taxpayer has a direct or indirect ownership 122631  
interest. 122632

(iii) Subject to division (A) (17) (a) (v) of this section, 122633  
for taxable years beginning in 2012 or thereafter, if the 122634  
increase in income taxes withheld by the taxpayer is equal to or 122635  
greater than ten per cent of income taxes withheld by the 122636

taxpayer during the taxpayer's immediately preceding taxable 122637  
year, "two-thirds" shall be substituted for "five-sixths" for 122638  
the purpose of divisions (A) (17) (a) (i) and (ii) of this section. 122639

(iv) Subject to division (A) (17) (a) (v) of this section, 122640  
for taxable years beginning in 2012 or thereafter, a taxpayer is 122641  
not required to add an amount under division (A) (17) of this 122642  
section if the increase in income taxes withheld by the taxpayer 122643  
and by any pass-through entity in which the taxpayer has a 122644  
direct or indirect ownership interest is equal to or greater 122645  
than the sum of (I) the amount of qualifying section 179 122646  
depreciation expense and (II) the amount of depreciation expense 122647  
allowed to the taxpayer by subsection (k) of section 168 of the 122648  
Internal Revenue Code, and including the taxpayer's 122649  
proportionate or distributive shares of such amounts allowed to 122650  
any such pass-through entities. 122651

(v) If a taxpayer directly or indirectly incurs a net 122652  
operating loss for the taxable year for federal income tax 122653  
purposes, to the extent such loss resulted from depreciation 122654  
expense allowed by subsection (k) of section 168 of the Internal 122655  
Revenue Code and by qualifying section 179 depreciation expense, 122656  
"the entire" shall be substituted for "five-sixths of the" for 122657  
the purpose of divisions (A) (17) (a) (i) and (ii) of this section. 122658

The tax commissioner, under procedures established by the 122659  
commissioner, may waive the add-backs related to a pass-through 122660  
entity if the taxpayer owns, directly or indirectly, less than 122661  
five per cent of the pass-through entity. 122662

(b) Nothing in division (A) (17) of this section shall be 122663  
construed to adjust or modify the adjusted basis of any asset. 122664

(c) To the extent the add-back required under division (A) 122665

(17) (a) of this section is attributable to property generating 122666  
nonbusiness income or loss allocated under section 5747.20 of 122667  
the Revised Code, the add-back shall be situated to the same 122668  
location as the nonbusiness income or loss generated by the 122669  
property for the purpose of determining the credit under 122670  
division (A) of section 5747.05 of the Revised Code. Otherwise, 122671  
the add-back shall be apportioned, subject to one or more of the 122672  
four alternative methods of apportionment enumerated in section 122673  
5747.21 of the Revised Code. 122674

(d) For the purposes of division (A) (17) (a) (v) of this 122675  
section, net operating loss carryback and carryforward shall not 122676  
include the allowance of any net operating loss deduction 122677  
carryback or carryforward to the taxable year to the extent such 122678  
loss resulted from depreciation allowed by section 168(k) of the 122679  
Internal Revenue Code and by the qualifying section 179 122680  
depreciation expense amount. 122681

(e) For the purposes of divisions (A) (17) and (18) of this 122682

withheld and remitted under sections 5747.06 and 5747.07 of the 122685  
Revised Code by an employer during the employer's taxable year. 122686

(ii) "Increase in income taxes withheld" means the amount 122687  
by which the amount of income taxes withheld by an employer 122688  
during the employer's current taxable year exceeds the amount of 122689  
income taxes withheld by that employer during the employer's 122690  
immediately preceding taxable year. 122691

(iii) "Qualifying section 179 depreciation expense" means 122692  
the difference between (I) the amount of depreciation expense 122693  
directly or indirectly allowed to a taxpayer under section 179 122694

of the Internal Revised Code, and (II) the amount of 122695  
depreciation expense directly or indirectly allowed to the 122696  
taxpayer under section 179 of the Internal Revenue Code as that 122697  
section existed on December 31, 2002. 122698

(18) (a) If the taxpayer was required to add an amount 122699  
under division (A) (17) (a) of this section for a taxable year, 122700  
deduct one of the following: 122701

(i) One-fifth of the amount so added for each of the five 122702  
succeeding taxable years if the amount so added was five-sixths 122703

expense allowed by subsection (k) of section 168 of the Internal 122705  
Revenue Code; 122706

of such depreciation expense; 122709

(iii) One-sixth of the amount so added for each of the six 122710  
succeeding taxable years if the entire amount of such 122711  
depreciation expense was so added. 122712

(b) If the amount deducted under division (A) (18) (a) of 122713  
this section is attributable to an add-back allocated under 122714  
division (A) (17) (c) of this section, the amount deducted shall 122715  
be situated to the same location. Otherwise, the ~~add-back~~ 122716  
deduction shall be apportioned using the apportionment factors 122717  
for the taxable year in which the deduction is taken, subject to 122718  
one or more of the four alternative methods of apportionment 122719  
enumerated in section 5747.21 of the Revised Code. 122720

(c) No deduction is available under division (A) (18) (a) of 122721  
this section with regard to any depreciation allowed by section 122722  
168(k) of the Internal Revenue Code and by the qualifying 122723

section 179 depreciation expense amount to the extent that such 122724  
depreciation results in or increases a federal net operating 122725  
loss carryback or carryforward. If no such deduction is 122726  
available for a taxable year, the taxpayer may carry forward the 122727  
amount not deducted in such taxable year to the next taxable 122728  
year and add that amount to any deduction otherwise available 122729  
under division (A) (18) (a) of this section for that next taxable 122730  
year. The carryforward of amounts not so deducted shall continue 122731  
until the entire addition required by division (A) (17) (a) of 122732  
this section has been deducted. 122733

extent that such amount is included in federal taxable income 123244  
and is described in either division (S) (1) (a) or (b) of this 123245  
section; 123246

(5) Deduct the amount of wages and salaries, if any, not 123247

otherwise allowable as a deduction but that would have been 123248  
allowable as a deduction in computing federal taxable income for 123249  
the taxable year, had the work opportunity tax credit allowed 123250  
under sections 38, 51, and 52 of the Internal Revenue Code not 123251  
been in effect, but only to the extent such amount relates 123252  
either to income included in federal taxable income for the 123253  
taxable year or to income of the S portion of an electing small 123254  
business trust for the taxable year; 123255

(6) Deduct any interest or interest equivalent, net of 123256  
related expenses deducted in computing federal taxable income, 123257  
on public obligations and purchase obligations, but only to the 123258  
extent that such net amount relates either to income included in 123259  
federal taxable income for the taxable year or to income of the 123260  
S portion of an electing small business trust for the taxable 123261  
year; 123262

(7) Add any loss or deduct any gain resulting from sale, 123263  
exchange, or other disposition of public obligations to the 123264  
extent that such loss has been deducted or such gain has been 123265  
included in computing either federal taxable income or income of 123266  
the S portion of an electing small business trust for the 123267  
taxable year; 123268

(8) Except in the case of the final return of an estate, 123269  
add any amount deducted by the taxpayer on both its Ohio estate 123270

on its federal income tax return in determining federal taxable 123272  
income; 123273

(9) (a) Deduct any amount included in federal taxable 123274

refund of expenses that in a previous year the decedent had 123276  
deducted as an itemized deduction pursuant to section 63 of the 123277

Internal Revenue Code and applicable treasury regulations. The 123278  
deduction otherwise allowed under division (S) (9) (a) of this 123279  
section shall be reduced to the extent the reimbursement is 123280  
attributable to an amount the taxpayer or decedent deducted 123281  
under this section in any taxable year. 123282

(b) Add any amount not otherwise included in Ohio taxable 123283  
income for any taxable year to the extent that the amount is 123284  
attributable to the recovery during the taxable year of any 123285  
amount deducted or excluded in computing federal or Ohio taxable 123286  
income in any taxable year, but only to the extent such amount 123287  
has not been distributed to beneficiaries for the taxable year. 123288

(10) Deduct any portion of the deduction described in 123289  
section 1341(a) (2) of the Internal Revenue Code, for repaying 123290  
previously reported income received under a claim of right, that 123291

(a) It is allowable for repayment of an item that was 123293  
included in the taxpayer's taxable income or the decedent's 123294  
adjusted gross income for a prior taxable year and did not 123295  
qualify for a credit under division (A) or (B) of section 123296  
5747.05 of the Revised Code for that year. 123297

(b) It does not otherwise reduce the taxpayer's taxable 123298  
income or the decedent's adjusted gross income for the current 123299  
or any other taxable year. 123300

(11) Add any amount claimed as a credit under section 123301  
5747.059 of the Revised Code to the extent that the amount 123302  
satisfies either of the following: 123303

computation of the taxpayer's federal taxable income as required 123305  
to be reported for the taxpayer's taxable year under the 123306

(b) The amount resulted in a reduction in the taxpayer's 123308  
federal taxable income as required to be reported for any of the 123309  
taxpayer's taxable years under the Internal Revenue Code. 123310

(12) Deduct any amount, net of related expenses deducted 123311  
in computing federal taxable income, that a trust is required to 123312  
report as farm income on its federal income tax return, but only 123313  
if the assets of the trust include at least ten acres of land 123314  
satisfying the definition of "land devoted exclusively to 123315  
agricultural use" under section 5713.30 of the Revised Code, 123316  
regardless of whether the land is valued for tax purposes as 123317  
such land under sections 5713.30 to 5713.38 of the Revised Code. 123318  
If the trust is a pass-through entity investor, section 5747.231 123319  
of the Revised Code applies in ascertaining if the trust is 123320  
eligible to claim the deduction provided by division (S) (12) of 123321  
this section in connection with the pass-through entity's farm 123322  
income. 123323

Except for farm income attributable to the S portion of an 123324  
electing small business trust, the deduction provided by 123325  
division (S) (12) of this section is allowed only to the extent 123326  
that the trust has not distributed such farm income. 123327

(13) Add the net amount of income described in section 123328  
641(c) of the Internal Revenue Code to the extent that amount is 123329  
not included in federal taxable income. 123330

(14) ~~Deduct~~ Add or deduct the amount the taxpayer would be 123331  
required to add or deduct under division ~~(A) (18)~~ (A) (17) or (18) 123332  
of this section if the taxpayer's Ohio taxable income ~~were~~ was 123333  
computed in the same manner as an individual's Ohio adjusted 123334  
gross income is computed under this section. 123335

(15) Add, to the extent not otherwise included in 123336  
computing taxable income or Ohio taxable income for any taxable 123337  
year, the taxpayer's proportionate share of the amount of the 123338  
tax levied under section 5747.38 of the Revised Code and paid by 123339  
an electing pass-through entity for the taxable year. 123340

(16) Add any income taxes deducted in computing federal 123341  
taxable income or Ohio taxable income to the extent the income 123342  
taxes were derived from income subject to a tax levied in 123343

enacted for purposes of complying with internal revenue service 123345

(7) of this section, "public obligations," "purchase 123351  
obligations," and "interest or interest equivalent" have the 123352  
same meanings as in section 5709.76 of the Revised Code. 123353

of equity or ownership interests in, or debt obligations of, a 123375

taxable income, but only if the following requirements are 123377  
satisfied: 123378

(a) The book value of the qualifying investee's physical 123379  
assets in this state and everywhere, as of the last day of the 123380  
qualifying investee's fiscal or calendar year ending immediately 123381  
prior to the date on which the trust recognizes the gain or 123382  
loss, is available to the trust. 123383

(b) The requirements of section 5747.011 of the Revised 123384  
Code are satisfied for the trust's taxable year in which the 123385  
trust recognizes the gain or loss. 123386

Any gain or loss that is not a qualifying trust amount is 123387

and means the sum of the amounts described in divisions (AA) (4) 123397  
(a) to (c) of this section: 123398

(a) The fraction, calculated under section 5747.013, and 123399  
applying section 5747.231 of the Revised Code, multiplied by the 123400  
sum of the following amounts: 123401

(i) The trust's modified business income; 123402

(ii) The trust's qualifying investment income, as defined 123403  
in section 5747.012 of the Revised Code, but only to the extent 123404

modified business income and does not otherwise constitute a 123406  
qualifying trust amount. 123407

(b) The qualifying trust amount multiplied by a fraction, 123408  
the numerator of which is the sum of the book value of the 123409  
qualifying investee's physical assets in this state on the last 123410  
day of the qualifying investee's fiscal or calendar year ending 123411  
immediately prior to the day on which the trust recognizes the 123412  
qualifying trust amount, and the denominator of which is the sum 123413  
of the book value of the qualifying investee's total physical 123414  
assets everywhere on the last day of the qualifying investee's 123415  
fiscal or calendar year ending immediately prior to the day on 123416  
which the trust recognizes the qualifying trust amount. If, for 123417  
a taxable year, the trust recognizes a qualifying trust amount 123418  
with respect to more than one qualifying investee, the amount 123419  
described in division (AA) (4) (b) of this section shall equal the 123420  
sum of the products so computed for each such qualifying 123421  
investee. 123422

(c) (i) With respect to a trust or portion of a trust that 123423  
is a resident as ascertained in accordance with division (I) (3) 123424  
(d) of this section, its modified nonbusiness income. 123425

(ii) With respect to a trust or portion of a trust that is 123426  
not a resident as ascertained in accordance with division (I) (3) 123427  
(d) of this section, the amount of its modified nonbusiness 123428  
income satisfying the descriptions in divisions (B) (2) to (5) of 123429  
section 5747.20 of the Revised Code, except as otherwise 123430  
provided in division (AA) (4) (c) (ii) of this section. With 123431  
respect to a trust or portion of a trust that is not a resident 123432  
as ascertained in accordance with division (I) (3) (d) of this 123433  
section, the trust's portion of modified nonbusiness income 123434  
recognized from the sale, exchange, or other disposition of a 123435  
debt interest in or equity interest in a section 5747.212 123436  
entity, as defined in section 5747.212 of the Revised Code, 123437  
without regard to division (A) of that section, shall not be 123438  
allocated to this state in accordance with section 5747.20 of 123439  
the Revised Code but shall be apportioned to this state in 123440  
accordance with division (B) of section 5747.212 of the Revised 123441  
Code without regard to division (A) of that section. 123442

If the allocation and apportionment of a trust's income 123443  
under divisions (AA) (4) (a) and (c) of this section do not fairly 123444  
represent the modified Ohio taxable income of the trust in this 123445  
state, the alternative methods described in division (C) of 123446  
section 5747.21 of the Revised Code may be applied in the manner 123447  
and to the same extent provided in that section. 123448

(5) (a) Except as set forth in division (AA) (5) (b) of this 123449  
section, "qualifying investee" means a person in which a trust 123450  
has an equity or ownership interest, or a person or unit of 123451  
government the debt obligations of either of which are owned by 123452

a trust. For the purposes of division (AA) (2) (a) of this section 123453  
and for the purpose of computing the fraction described in 123454  
division (AA) (4) (b) of this section, all of the following apply: 123455

(i) If the qualifying investee is a member of a qualifying 123456  
controlled group on the last day of the qualifying investee's 123457  
fiscal or calendar year ending immediately prior to the date on 123458  
which the trust recognizes the gain or loss, then "qualifying 123459  
investee" includes all persons in the qualifying controlled 123460  
group on such last day. 123461

(ii) If the qualifying investee, or if the qualifying 123462  
investee and any members of the qualifying controlled group of 123463  
which the qualifying investee is a member on the last day of the 123464  
qualifying investee's fiscal or calendar year ending immediately 123465  
prior to the date on which the trust recognizes the gain or 123466  
loss, separately or cumulatively own, directly or indirectly, on 123467  
the last day of the qualifying investee's fiscal or calendar 123468  
year ending immediately prior to the date on which the trust 123469  
recognizes the qualifying trust amount, more than fifty per cent 123470  
of the equity of a pass-through entity, then the qualifying 123471  
investee and the other members are deemed to own the 123472  
proportionate share of the pass-through entity's physical assets 123473  
which the pass-through entity directly or indirectly owns on the 123474  
last day of the pass-through entity's calendar or fiscal year 123475  
ending within or with the last day of the qualifying investee's 123476  
fiscal or calendar year ending immediately prior to the date on 123477  
which the trust recognizes the qualifying trust amount. 123478

(iii) For the purposes of division (AA) (5) (a) (iii) of this 123479  
section, "upper level pass-through entity" means a pass-through 123480  
entity directly or indirectly owning any equity of another pass- 123481  
through entity, and "lower level pass-through entity" means that 123482

other pass-through entity. 123483

An upper level pass-through entity, whether or not it is 123484  
also a qualifying investee, is deemed to own, on the last day of 123485  
the upper level pass-through entity's calendar or fiscal year, 123486  
the proportionate share of the lower level pass-through entity's 123487  
physical assets that the lower level pass-through entity 123488  
directly or indirectly owns on the last day of the lower level 123489  
pass-through entity's calendar or fiscal year ending within or 123490  
with the last day of the upper level pass-through entity's 123491  
fiscal or calendar year. If the upper level pass-through entity 123492  
directly and indirectly owns less than fifty per cent of the 123493  
equity of the lower level pass-through entity on each day of the 123494  
upper level pass-through entity's calendar or fiscal year in 123495  
which or with which ends the calendar or fiscal year of the 123496  
lower level pass-through entity and if, based upon clear and 123497  
convincing evidence, complete information about the location and 123498  
cost of the physical assets of the lower pass-through entity is 123499  
not available to the upper level pass-through entity, then 123500  
solely for purposes of ascertaining if a gain or loss 123501  
constitutes a qualifying trust amount, the upper level pass- 123502  
through entity shall be deemed as owning no equity of the lower 123503  
level pass-through entity for each day during the upper level 123504  
pass-through entity's calendar or fiscal year in which or with 123505  
which ends the lower level pass-through entity's calendar or 123506  
fiscal year. Nothing in division (AA) (5) (a) (iii) of this section 123507  
shall be construed to provide for any deduction or exclusion in 123508  
computing any trust's Ohio taxable income. 123509

(b) With respect to a trust that is not a resident for the 123510  
taxable year and with respect to a part of a trust that is not a 123511  
resident for the taxable year, "qualifying investee" for that 123512  
taxable year does not include a C corporation if both of the 123513

following apply: 123514

(i) During the taxable year the trust or part of the trust 123515  
recognizes a gain or loss from the sale, exchange, or other 123516  
disposition of equity or ownership interests in, or debt 123517  
obligations of, the C corporation. 123518

(ii) Such gain or loss constitutes nonbusiness income. 123519

(6) "Available" means information is such that a person is 123520  
able to learn of the information by the due date plus 123521  
extensions, if any, for filing the return for the taxable year 123522  
in which the trust recognizes the gain or loss. 123523

(BB) "Qualifying controlled group" has the same meaning as 123524  
in section 5733.04 of the Revised Code. 123525

(CC) "Related member" has the same meaning as in section 123526  
5733.042 of the Revised Code. 123527

(DD) (1) For the purposes of division (DD) of this section: 123528

qualifying corporation. 123530

for federal income tax purposes as an association taxable as a 123532

the investor's taxable year; 123537

(ii) A subsidiary that is wholly owned by any corporation 123538

subtitle A of the Internal Revenue Code for its taxable year 123540

ending within, or on the last day of, the investor's taxable 123541  
year. 123542

(2) For the purposes of this chapter, unless expressly 123543  
stated otherwise, no qualifying person indirectly owns any asset 123544  
directly or indirectly owned by any qualifying corporation. 123545

controls, directly, indirectly, or constructively through 123557  
related interests, five per cent or more of the ownership or 123558  
equity interests. The trustee shall notify the tax commissioner 123559  
in writing of the election on or before April 15, 2006. The 123560

(4) A "pre-income tax trust" is a trust that satisfies all 123564  
of the following requirements: 123565

this section for the taxable year. 123582

(HH) "Employer" does not include a franchisor with respect 123583

that role in writing or a court of competent jurisdiction 123586  
determines that the franchisor exercises a type or degree of 123587  
control over the franchisee or the franchisee's employees that 123588

- C More than \$100,000 \$2,394.32 plus 3.5% of the amount in excess of \$100,000

(4) (a) In the case of individuals, the tax imposed by this 123654  
section on taxable business income shall equal three per cent of 123655  
the result obtained by subtracting any amount allowed under 123656

division (A) (4) (b) of this section from the individual's taxable  
business income. 123657  
123658

(b) If the exemptions allowed to an individual under 123659  
division (A) (3) of this section exceed the taxpayer's Ohio 123660  
adjusted gross income less taxable business income, the excess 123661  
shall be deducted from taxable business income before computing 123662  
the tax under division (A) (4) (a) of this section. 123663

(5) Except as otherwise provided in this division, in 123664  
August of each year, the tax commissioner shall make a new 123665  
adjustment to the income amounts prescribed in divisions (A) (2) 123666  
and (3) of this section by multiplying the percentage increase 123667  
in the gross domestic product deflator computed that year under 123668  
section 5747.025 of the Revised Code by each of the income 123669  
amounts resulting from the adjustment under this division in the 123670  
preceding year, adding the resulting product to the 123671  
corresponding income amount resulting from the adjustment in the 123672  
preceding year, and rounding the resulting sum to the nearest 123673  
multiple of fifty dollars. The tax commissioner also shall 123674  
recompute each of the tax dollar amounts to the extent necessary 123675  
to reflect the new adjustment of the income amounts. To 123676  
recompute the tax dollar amount corresponding to the lowest tax 123677  
rate in division (A) (3) of this section, the commissioner shall 123678  
multiply the tax rate prescribed in division (A) (2) of this 123679  
section by the income amount specified in that division and as 123680  
adjusted according to this paragraph. The rates of taxation 123681  
shall not be adjusted. 123682

The adjusted amounts apply to taxable years beginning in 123683  
the calendar year in which the adjustments are made and to 123684  
taxable years beginning in each ensuing calendar year until a 123685  
calendar year in which a new adjustment is made pursuant to this 123686

division. The tax commissioner shall not make a new adjustment 123687  
in any year in which the amount resulting from the adjustment 123688  
would be less than the amount resulting from the adjustment in 123689  
the preceding year. 123690

~~(B) If the director of budget and management makes a 123691  
certification to the tax commissioner under division (B) of 123692  
section 131.44 of the Revised Code, the amount of tax as 123693  
determined under divisions (A) (1) to (3) of this section shall 123694  
be reduced by the percentage prescribed in that certification 123695  
for taxable years beginning in the calendar year in which that 123696  
certification is made. 123697~~

~~(C) (1)~~ (B) (1) The tax imposed by this section on a trust 123698  
shall be computed by multiplying the Ohio modified taxable 123699  
income of the trust by the rates prescribed by division (A) of 123700  
this section. 123701

(2) A resident trust may claim a credit against the tax 123702  
computed under division ~~(C)~~ (B) of this section equal to the 123703  
lesser of (a) the tax paid to another state or the District of 123704  
Columbia on the resident trust's modified nonbusiness income, 123705  
other than the portion of the resident trust's nonbusiness 123706  
income that is qualifying investment income as defined in 123707  
section 5747.012 of the Revised Code, or (b) the effective tax 123708  
rate, based on modified Ohio taxable income, multiplied by the 123709  
resident trust's modified nonbusiness income other than the 123710  
portion of the resident trust's nonbusiness income that is 123711  
qualifying investment income. The credit applies before any 123712  
other applicable credits. 123713

(3) Any credit authorized against the tax imposed by this 123714  
section applies to a trust subject to division ~~(C)~~ (B) of this 123715  
section only if the trust otherwise qualifies for the credit. To 123716

the extent that the trust distributes income for the taxable 123717  
year for which a credit is available to the trust, the credit 123718  
shall be shared by the trust and its beneficiaries. The tax 123719  
commissioner and the trust shall be guided by applicable 123720  
regulations of the United States treasury regarding the sharing 123721  
of credits. 123722

~~(D)~~(C) For the purposes of this section, "trust" means any 123723  
trust described in Subchapter J of Chapter 1 of the Internal 123724  
Revenue Code, excluding trusts that are not irrevocable as 123725  
defined in division (I) (3) (b) of section 5747.01 of the Revised 123726  
Code and that have no modified Ohio taxable income for the 123727  
taxable year, charitable remainder trusts, qualified funeral 123728  
trusts and preneed funeral contract trusts established pursuant 123729  
to sections 4717.31 to 4717.38 of the Revised Code that are not 123730  
qualified funeral trusts, endowment and perpetual care trusts, 123731  
qualified settlement trusts and funds, designated settlement 123732  
trusts and funds, and trusts exempted from taxation under 123733  
section 501(a) of the Internal Revenue Code. 123734

~~(E)~~(D) Nothing in division (A) (3) of this section shall 123735  
prohibit an individual with an Ohio adjusted gross income, less 123736  
taxable business income and exemptions, of twenty-six thousand 123737  
fifty dollars or less from filing a return under this chapter to 123738  
receive a refund of taxes withheld or to claim any refundable 123739  
credit allowed under this chapter. 123740

**Sec. 5747.021.** In addition to the tax levied under section 123741  
5747.02 of the Revised Code, the tax commissioner shall charge 123742  
the tax imposed on the school district income of an individual 123743  
~~or estate~~ by a school district under Chapter 5748. of the 123744  
Revised Code by multiplying the rate certified to be charged 123745  
under such chapter by the taxpayer's school district income with 123746

respect to that district. 123747

**Sec. 5747.05.** As used in this section, "income tax" 123748  
includes both a tax on net income and a tax measured by net 123749  
income. 123750

The following credits shall be allowed against the 123751  
aggregate income tax liability imposed by section 5747.02 of the 123752  
Revised Code on individuals and estates: 123753

(A) (1) The amount of tax otherwise due under section 123754  
5747.02 of the Revised Code on such portion of the combined 123755  
adjusted gross income and taxable business income of any 123756  
nonresident taxpayer that is not allocable or apportionable to 123757  
this state pursuant to sections 5747.20 to 5747.23 of the 123758  
Revised Code. The credit provided under this division shall not 123759  
exceed the total tax due under section 5747.02 of the Revised 123760  
Code. 123761

(2) The tax commissioner may enter into an agreement with 123762  
the taxing authorities of any state or of the District of 123763  
Columbia that imposes an income tax to provide that compensation 123764  
paid in this state to a nonresident taxpayer shall not be 123765  
subject to the tax levied in section 5747.02 of the Revised Code 123766  
so long as compensation paid in such other state or in the 123767  
District of Columbia to a resident taxpayer shall likewise not 123768  
be subject to the income tax of such other state or of the 123769  
District of Columbia. 123770

(B) The lesser of division (B) (1) or (2) of this section: 123771

(1) The aggregate amount of tax otherwise due under 123772  
section 5747.02 of the Revised Code on such portion of the 123773  
combined adjusted gross income and taxable business income of a 123774  
resident taxpayer that in another state or in the District of 123775

Columbia is subjected to an income tax. The credit provided 123776

tax due under section 5747.02 of the Revised Code. 123778

(2) The amount of income tax liability to another state or 123779  
the District of Columbia on the portion of the combined adjusted 123780  
gross income and taxable business income of a resident taxpayer 123781  
that in another state or in the District of Columbia is 123782  
subjected to an income tax. The credit provided under division 123783  
(B) (2) of this section shall not exceed the total amount of tax 123784  
otherwise due under section 5747.02 of the Revised Code. 123785

(3) For the purpose of divisions (B) (1) and (2) of this 123786  
section, a resident taxpayer's combined adjusted gross income 123787  
and taxable business income that is subject to an income tax 123788  
levied in another state or in the District of Columbia includes 123789

imposed by division (D) (1) (a) of section 5747.08 of the Revised 123791  
Code or (b) a tax enacted for purposes of complying with 123792  
internal revenue service notice 2020-75. In computing a resident 123793  
taxpayer's income tax paid or accrued to another state or the 123794  
District of Columbia, the deduction authorized by division (A) 123795  
(28) of section 5747.01 of the Revised Code shall first be 123796  
deducted against business income apportioned to this state. 123797

(4) If the credit provided under division (B) of this 123798  
section is affected by a change in either the portion of the 123799  
combined adjusted gross income and taxable business income of a 123800  
resident taxpayer subjected to an income tax in another state or 123801  
the District of Columbia or the amount of income tax liability 123802

the taxpayer shall report the change to the tax commissioner 123804  
within ninety days of the change in such form as the 123805

commissioner requires. 123806

(a) In the case of an underpayment, the report shall be 123807  
accompanied by payment of any additional tax due as a result of 123808  
the reduction in credit together with interest on the additional 123809  
tax and is a return subject to assessment under section 5747.13 123810  
of the Revised Code solely for the purpose of assessing any 123811  
additional tax due under this division, together with any 123812

computation of the taxpayer's tax liability under this chapter 123814  
from a previously filed return no longer subject to assessment 123815  
except to the extent that such liability is affected by an 123816  
adjustment to the credit allowed by division (B) of this 123817  
section. 123818

(b) In the case of an overpayment, an application for 123819  
refund may be filed under this division within the ninety-day 123820  
period prescribed for filing the report even if it is beyond the 123821  
period prescribed in section 5747.11 of the Revised Code if it 123822  
otherwise conforms to the requirements of such section. An 123823  
application filed under this division shall only claim refund of 123824  
overpayments resulting from an adjustment to the credit allowed 123825  
by division (B) of this section unless it is also filed within 123826  
the time prescribed in section 5747.11 of the Revised Code. It 123827  
shall not reopen the computation of the taxpayer's tax liability 123828  
except to the extent that such liability is affected by an 123829  
adjustment to the credit allowed by division (B) of this 123830  
section. 123831

(5) No credit shall be allowed under division (B) of this 123832  
section: 123833

was required to directly or indirectly deduct, the amount of 123837  
that income tax; 123838

Division (B) (5) (a) of this section does not apply to 123839  
income taxes included in the computation of Ohio adjusted gross 123840  
income under division (A) (41) of section 5747.01 of the Revised 123841

liability has been paid. 123853

(C) An individual who is a resident for part of a taxable 123854  
year and a nonresident for the remainder of the taxable year is 123855  
allowed the credits under divisions (A) and (B) of this section 123856  
in accordance with rules prescribed by the tax commissioner. In 123857  
no event shall the same income be subject to both credits. 123858

(D) The credit allowed under division (A) of this section 123859  
shall be calculated based upon the amount of tax due under 123860  
section 5747.02 of the Revised Code after subtracting any other 123861  
credits that precede the credit under that division in the order 123862  
required under section 5747.98 of the Revised Code. The credit 123863  
allowed under division (B) of this section shall be calculated 123864

based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code.

Amounts withheld pursuant to this section or section 123945  
3770.072 of the Revised Code shall be treated as a credit 123946  
against the tax imposed pursuant to section 5733.06 of the 123947  
Revised Code for the tax year immediately following the date on 123948  
which those amounts are deducted and withheld, upon the lottery 123949

commission or transferee does not remit to the tax commissioner 123958  
the amount withheld. 123959

(3) Nothing in division (B)(1) or (2) of this section 123960  
shall be construed to allow more than one person to claim the 123961  
credit for any portion of each amount deducted and withheld. 123962

(C) Failure of the commission or any transferee to deduct 123963  
and withhold the required amounts from lottery prize awards or 123964  
to remit amounts withheld as required by this section and 123965  
section 3770.072 of the Revised Code shall not relieve a 123966  
taxpayer described in division (B) of this section from 123967

liability for the tax imposed by section 5733.06 or 5747.02 of 123968  
the Revised Code. 123969

**Sec. 5747.063.** The requirements imposed under this section 123970  
are in addition to the municipal income tax withholding 123971  
requirements under section 718.031 of the Revised Code. As used 123972  
in this section, "sports gaming proprietor" and "sports gaming 123973  
facility" have the same meanings as in section 3775.01 of the 123974  
Revised Code. 123975

(A) (1) ~~If~~ Subject to division (F) of this section, if a 123976  
person's winnings from casino gaming or from sports gaming are 123977  
an amount for which reporting to the internal revenue service of 123978

Code, as amended, a casino operator or sports gaming proprietor 123980  
shall deduct and withhold Ohio income tax from the person's 123981  
winnings at a rate of ~~four~~ three and one-half per cent of the 123982  
amount won. A person's amount of winnings from casino gaming 123983  
shall be determined each time the person exchanges amounts won 123984  
in tokens, chips, casino credit, or other prepaid 123985  
representations of value for cash or a cash equivalent. The 123986  
casino operator or sports gaming proprietor shall issue, to a 123987  
person from whose winnings an amount has been deducted and 123988  
withheld, a receipt for the amount deducted and withheld, and 123989  
also shall obtain from the person additional information that 123990  
will be necessary for the casino operator or sports gaming 123991  
proprietor to prepare the returns required by this section. 123992

(2) If a person's winnings from casino gaming or sports 123993  
gaming require reporting to the internal revenue service under 123994  
division (A) (1) of this section, the casino operator or sports 123995  
gaming proprietor also shall require the person to state in 123996  
writing, under penalty of falsification, whether the person is 123997

in default under a support order. 123998

(B) Amounts deducted and withheld by a casino operator or 123999  
sports gaming proprietor are held in trust for the benefit of 124000

electronically with the tax commissioner identifying the persons 124004  
from whose winnings amounts were deducted and withheld, the 124005  
amount of each such deduction and withholding during the 124006  
preceding calendar month, the amount of the winnings from which 124007  
each such amount was withheld, the type of casino gaming or 124008  
sports gaming that resulted in such winnings, and any other 124009  
information required by the tax commissioner. With the return, 124010  
the casino operator or sports gaming proprietor shall remit 124011  
electronically to the commissioner all the amounts deducted and 124012  
withheld during the preceding month. 124013

(2) (a) A casino operator or sports gaming proprietor shall 124014  
maintain a record of each written statement provided under 124015  
division (A) (2) of this section in which a person admits to 124016  
being in default under a support order. The casino operator or 124017  
sports gaming proprietor shall make these records available to 124018  
the director of job and family services upon request. 124019

(b) A casino operator or sports gaming proprietor shall 124020

section and of written statements provided under division (A) (2) 124022  
of this section and shall make these copies available to the tax 124023  
commissioner upon request. 124024

(c) A casino operator or sports gaming proprietor shall 124025  
maintain the information described in divisions (B) (2) (a) and 124026

(b) of this section in accordance with section 5747.17 of the Revised Code and any rules adopted pursuant thereto.

(3) Annually, on or before the thirty-first day of January, a casino operator or sports gaming proprietor shall file an annual return electronically with the tax commissioner indicating the total amount deducted and withheld during the preceding calendar year. The casino operator or sports gaming proprietor shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the identity of a person and the amount deducted and withheld with respect to that person were omitted on a monthly return, that information shall be indicated on the annual return.

(4) (a) A casino operator or sports gaming proprietor who fails to file a return and remit the amounts deducted and withheld is personally liable for the amount deducted and withheld and not remitted. The commissioner may impose a penalty up to one thousand dollars if a return is filed late, if amounts deducted and withheld are remitted late, if a return is not filed, or if amounts deducted and withheld are not remitted. Interest accrues on past due amounts deducted and withheld at the rate prescribed in section 5703.47 of the Revised Code. The commissioner may collect past due amounts deducted and withheld and penalties and interest thereon by assessment under section 5747.13 of the Revised Code as if they were income taxes collected by an employer.

(b) If a casino operator or sports gaming proprietor sells the casino facility or sports gaming facility, or otherwise quits the casino or sports gaming business, the amounts deducted and withheld and any penalties and interest thereon are

immediately due and payable. The successor shall withhold an 124057  
amount of the purchase money that is sufficient to cover the 124058  
amounts deducted and withheld and penalties and interest thereon 124059  
until the predecessor casino operator or sports gaming 124060  
proprietor produces either a receipt from the commissioner 124061  
showing that the amounts deducted and withheld and penalties and 124062  
interest thereon have been paid or a certificate from the 124063  
commissioner indicating that no amounts deducted and withheld or 124064  
penalties and interest thereon are due. If the successor fails 124065  
to withhold purchase money, the successor is personally liable 124066  
for payment of the amounts deducted and withheld and penalties 124067  
and interest thereon, up to the amount of the purchase money. 124068

(C) (1) Annually, on or before the thirty-first day of 124069  
January, a casino operator or sports gaming proprietor shall 124070

calendar year. The information return shall show the total 124073

(D) Amounts deducted and withheld shall be allowed as a 124083  
credit against payment of the tax imposed by section 5747.02 of 124084

of section 5747.09 of the Revised Code. This division applies 124086

only to the person for whom the amount is deducted and withheld. 124087

(E) The failure of a casino operator or sports gaming 124088  
proprietor to deduct and withhold the required amount from a 124089  
person's winnings does not relieve the person from liability for 124090  
the tax imposed by section 5747.02 of the Revised Code with 124091  
respect to those winnings. And compliance with this section does 124092  
not relieve a casino operator or sports gaming proprietor or a 124093  
person who has winnings from casino gaming or sports gaming from 124094  
compliance with relevant provisions of federal tax laws. 124095

under this section from winnings from wagers placed through that 124099  
terminal. The state lottery commission shall withhold amounts 124100  
from those winnings under section 5747.062 of the Revised Code. 124101

124131

(1) On or before the tenth day of each month, the video lottery sales agent shall file a return electronically with the tax commissioner identifying the persons from whose prize awards amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding month, the amount of the prize award from which each such amount was withheld, and any other information required by the commissioner. (D) (3) of this section, "compelling circumstances" exist if 124323  
either or both of the following are true: 124324

(a) Based upon annualization of payments made or required 124325  
to be made during the preceding calendar year and during the 124326  
current calendar year, the employer would be required for the 124327  
next calendar year to make payments under division (B) (2) of 124328  
this section. 124329

(b) Based upon annualization of payments made or required 124330  
to be made during the current calendar year, the employer would 124331  
be required for the next calendar year to make payments under 124332  
division (B) (2) of this section. 124333

(E) (1) In addition to other returns required to be filed 124334  
and payments required to be made under this section, every 124335  
employer required to deduct and withhold taxes shall file, not 124336  
later than the thirty-first day of January of each year, an 124337  
annual return covering, but not limited to, both the aggregate 124338  
amount deducted and withheld and the aggregate amount required 124339  
to be deducted and withheld during the entire preceding year for 124340  
the tax imposed under section 5747.02 of the Revised Code and 124341  
for each tax imposed under Chapter 5748. of the Revised Code. At 124342  
the time of filing that return, the employer shall pay over any 124343  
amounts of undeposited taxes for the preceding year, whether 124344  
actually deducted and withheld or required to be deducted and 124345  
withheld, that have not been previously paid. The employer shall 124346  
make the annual report, to each employee and to the tax 124347  
commissioner, of the compensation paid and each tax withheld, as 124348  
the commissioner by rule may prescribe. 124349

(2) Each employer required to deduct and withhold any tax 124350  
is liable for the payment of that amount required to be deducted 124351  
and withheld, whether or not the tax has in fact been withheld, 124352

unless the failure to withhold was based upon the employer's 124353  
good faith in reliance upon the statement of the employee as to 124354  
liability, and the amount shall be deemed to be a special fund 124355  
in trust for the general revenue fund. 124356

(F) Each employer shall file with the employer's annual 124357  
return the following items of information on employees for whom 124358  
withholding is required under section 5747.06 of the Revised 124359  
Code: 124360

(1) The full name of each employee, the employee's 124361  
address, the employee's school district of residence, and in the 124362  
case of a nonresident employee, the employee's principal county 124363  
of employment; 124364

(2) The social security number of each employee; 124365

(3) The total amount of compensation paid before any 124366  
deductions to each employee for the period for which the annual 124367  
return is made; 124368

(4) The amount of the tax imposed by section 5747.02 of 124369  
the Revised Code and the amount of each tax imposed under 124370  
Chapter 5748. of the Revised Code withheld from the compensation 124371  
of the employee for the period for which the annual return is 124372  
made. The commissioner may extend upon good cause the period for 124373  
filing any notice or return required to be filed under this 124374  
section and may adopt rules relating to extensions of time. If 124375  
the extension results in an extension of time for the payment of 124376  
the amounts withheld with respect to which the return is filed, 124377  
the employer shall pay, at the time the amount withheld is paid, 124378  
an amount of interest computed at the rate per annum prescribed 124379  
by section 5703.47 of the Revised Code on that amount withheld, 124380  
from the day that amount was originally required to be paid to 124381

the day of actual payment or to the day an assessment is issued 124382  
under section 5747.13 of the Revised Code, whichever occurs 124383  
first. 124384

(5) In addition to all other interest charges and 124385  
penalties imposed, all amounts of taxes withheld or required to 124386  
be withheld and remaining unpaid after the day the amounts are 124387  
required to be paid shall bear interest from the date prescribed 124388  
for payment at the rate per annum prescribed by section 5703.47 124389  
of the Revised Code on the amount unpaid, in addition to the 124390  
amount withheld, until paid or until the day an assessment is 124391  
issued under section 5747.13 of the Revised Code, whichever 124392  
occurs first. 124393

(G) An employee of a corporation, limited liability 124394  
company, or business trust having control or supervision of or 124395  
charged with the responsibility of filing the report and making 124396  
payment, or an officer, member, manager, or trustee of a 124397  
corporation, limited liability company, or business trust who is 124398  
responsible for the execution of the corporation's, limited 124399  
liability company's, or business trust's fiscal 124400  
responsibilities, shall be personally liable for failure to file 124401  
the report or pay the tax due as required by this section. The 124402  
dissolution, termination, or bankruptcy of a corporation, 124403  
limited liability company, or business trust does not discharge 124404  
a responsible officer's, member's, manager's, employee's, or 124405  
trustee's liability for a failure of the corporation, limited 124406  
liability company, or business trust to file returns or pay tax 124407  
due. 124408

(H) If an employer required to deduct and withhold income 124409  
tax from compensation and to pay that tax to the state under 124410  
sections 5747.06 and 5747.07 of the Revised Code sells the 124411

employer's business or stock of merchandise or quits the 124412  
employer's business, the taxes required to be deducted and 124413  
withheld and paid to the state pursuant to those sections prior 124414  
to that time, together with any interest and penalties imposed 124415  
on those taxes, become due and payable immediately, and that 124416  
person shall make a final return within fifteen days after the 124417  
date of selling or quitting business. The employer's successor 124418  
shall withhold a sufficient amount of the purchase money to 124419  
cover the amount of the taxes, interest, and penalties due and 124420  
unpaid, until the former owner produces a receipt from the tax 124421  
commissioner showing that the taxes, interest, and penalties 124422  
have been paid or a certificate indicating that no such taxes 124423  
are due. If the purchaser of the business or stock of 124424  
merchandise fails to withhold purchase money, the purchaser 124425  
shall be personally liable for the payment of the taxes, 124426  
interest, and penalties accrued and unpaid during the operation 124427  
of the business by the former owner. If the amount of taxes, 124428  
interest, and penalties outstanding at the time of the purchase 124429  
exceeds the total purchase money, the tax commissioner in the 124430  
commissioner's discretion may adjust the liability of the seller 124431  
or the responsibility of the purchaser to pay that liability to 124432  
maximize the collection of withholding tax revenue. 124433

(I) An employer whose actual or required payments under 124434  
this section exceeded eighty-four thousand dollars during the 124435  
twelve-month period ending on the thirtieth day of June of the 124436  
preceding calendar year shall make all payments required by this 124437  
section for the year electronically under section 5747.072 of 124438  
the Revised Code. 124439

professional employer organization reporting entity, and 124441

commissioner within thirty days after commencing business in 124443  
this state that includes all of the following information: 124444

(a) The name, address, number the employer receives from 124445  
the secretary of state to do business in this state, if 124446

(b) The date that each client employer became a client of 124449  
the organization or entity; 124450

officer and the chief financial officer of each client employer 124452  
for taxation of the client employer. 124453

(2) Beginning with the calendar quarter ending after a 124454  
professional employer organization, professional employer 124455  
organization reporting entity, or alternate employer 124456  
organization files the report required under division (J)(1) of 124457  
this section, and every calendar quarter thereafter, the 124458  
organization or entity shall file an updated report with the tax 124459  
commissioner. The organization or entity shall file the updated 124460  
report not later than the last day of the month following the 124461  
end of the calendar quarter and shall include all of the 124462  
following information in the report: 124463

(a) If an entity became a client employer of the 124464  
professional employer organization, professional employer 124465  
organization reporting entity, or alternate employer 124466  
organization at any time during the calendar quarter, all of the 124467  
information required under division (J)(1) of this section for 124468  
each new client employer; 124469

(b) If an entity terminated the professional employer 124470  
organization agreement or the alternate employer organization 124471

agreement between the entity and the professional employer 124472  
organization, professional employer organization reporting 124473  
entity, or alternate employer organization, as applicable, at 124474  
any time during the calendar quarter, the information described 124475

client of the organization or reporting entity, if applicable, 124478  
or the date the entity ceased business operations in this state, 124479  
if applicable; 124480

(c) If the name or mailing address of the chief executive 124481  
officer or the chief financial officer of a client employer has 124482  
changed since the professional employer organization, 124483  
professional employer organization reporting entity, or 124484  
alternate employer organization previously submitted a report 124485

or mailing address, or both, of the chief executive officer or 124487  
the chief financial officer, as applicable; 124488

(d) If none of the events described in divisions (J) (2) (a) 124489  
to (c) of this section occurred during the calendar quarter, a 124490  
statement of that fact. 124491

retirement system. 124497

(2) "Retirement plan" means a person, other than a 124498

recipient's benefits an amount during the calendar year 124508  
reasonably estimated to be equal to the tax due from the 124509

Code for the year with respect to the recipient's benefits from 124511  
the retirement system or retirement plan that are included in 124512  
the recipient's adjusted gross income. The request shall be made 124513  
pursuant to an application filed with the retirement system or 124514  
retirement plan, on a form the system or plan shall supply, and 124515  
shall include ~~the~~ an estimate ~~of~~ from the recipient of the 124516  
amount of state income taxes that will be due in the ensuing 124517  
calendar year with respect to the benefits from the retirement 124518  
system or retirement plan. 124519

(C) A retirement system or retirement plan with which an 124520  
application is filed under this section, commencing with the 124521  
calendar year following the year in which the application is 124522  
filed, shall withhold from the benefits of the recipient an 124523  
amount that equals for the calendar year, the amount of taxes 124524  
that the recipient estimated would be due for the year. The 124525  
amount to be withheld for a calendar year shall be apportioned 124526  
throughout the calendar year. 124527

(D) A recipient may submit an amended application to 124528

(E) A retirement system or retirement plan that withholds 124531  
a portion of the benefits of a recipient under this section 124532  
shall file returns and pay the amounts withheld in accordance 124533  
with the requirements of section 5747.07 of the Revised Code. 124534  
The tax commissioner may collect from a retirement plan past due 124535  
amounts deducted and withheld and penalties and interest thereon 124536  
by assessment under section 5747.13 of the Revised Code as if 124537

(F) Every retirement system or retirement plan required to 124539  
deduct and withhold tax from benefits pursuant to this section 124540  
shall furnish to the recipient, with respect to the benefits 124541

(G) A retirement system or the tax commissioner may adopt 124548  
rules governing withholding under this section. 124549

**Sec. 5747.072.** (A) Any employer required by section 124550  
5747.07 of the Revised Code to remit undeposited taxes 124551  
electronically shall do so by using the Ohio business gateway, 124552  
as defined in section 718.01 of the Revised Code, or another 124553  
means of electronic payment on or before the dates specified 124554  
under that section. The tax commissioner shall notify each such 124555  
employer of the employer's obligation to remit undeposited taxes 124556  
electronically. Failure by the commissioner to notify an 124557  
employer subject to this section to remit taxes electronically 124558  
does not relieve the employer of its obligation to remit taxes 124559  
in that manner. 124560

The payment of taxes electronically does not affect an 124561  
employer's obligation to file the annual return as required 124562  
under divisions (E) and (F) of section 5747.07 of the Revised 124563  
Code. 124564

An employer required by this section to remit taxes 124565  
electronically may apply to the commissioner to be excused from 124566  
that requirement. The commissioner may excuse the employer from 124567  
electronic remittance for good cause shown for the period of 124568  
time requested by the employer or a portion of that period. The 124569  
commissioner shall notify the employer of the commissioner's 124570  
decision as soon as is practicable. 124571

(B) If an employer required by this section to remit 124572  
undeposited taxes electronically remits those taxes by some 124573  
other means, and the tax commissioner determines that such 124574  
failure was not due to reasonable cause or was due to willful 124575  
neglect, the commissioner may collect an additional charge by 124576  
assessment in the manner prescribed by section 5747.13 of the 124577  
Revised Code. The additional charge shall equal five per cent of 124578  
the amount of the undeposited taxes, but shall not exceed five 124579  
thousand dollars. Any additional charge assessed under this 124580  
section is in addition to any other penalty or charge imposed by 124581  
this chapter, and shall be considered as revenue arising from 124582  
the taxes imposed by this chapter. ~~The commissioner may remit~~ 124583  
~~all or a portion of such a charge and may adopt rules governing~~ 124584  
~~such remission.~~ 124585

No additional charge shall be assessed under this division 124586  
against an employer that has been notified of its obligation to 124587  
remit taxes electronically under this section and that remits 124588  
its first two tax payments after such notification by some other 124589  
means. The additional charge may be assessed upon the remittance 124590

of any subsequent tax payment that the employer remits by some means other than electronically.

Sec. 5747.073. (A) As used in this section:

(1) "Bulk filer" means a payroll service provider or similar entity that is registered with the tax commissioner to submit employer withholding tax returns in accordance with this section.

(2) "Payroll service provider" means a third party that assists an employer with payroll administration and state employer withholding tax obligations. A payroll service provider may include a professional employer organization or alternate employer organization.

(3) "Client company" means an employer on whose behalf a bulk filer agrees to submit employer withholding returns in accordance with this section.

(B) (1) An employer may elect to use a bulk filer to comply with its state and school district income tax withholding obligations under this chapter.

(2) (a) Within five days after becoming a client company, the employer shall notify the tax commissioner, in a format prescribed by the commissioner, of the name of the approved bulk filer it is electing to use and the taxes the bulk filer will be remitting on its behalf.

(b) When using a bulk filer, the client company shall maintain all registrations required by the tax commissioner related to electronic filing and payment of the amounts described in divisions (A) and (E) of section 5747.06 of the Revised Code.

(C) (1) The tax commissioner shall approve each bulk filer 124619  
before the bulk filer can file withholding tax returns on behalf 124620  
of client companies. The commissioner shall prescribe guidelines 124621  
and conditions of participation in the bulk file program that 124622  
include standards of conduct, software tests, and file formats. 124623

(2) The commissioner shall maintain a list of approved 124624  
bulk filers on the department of taxation's official web site. 124625  
Such information is not prohibited from disclosure under section 124626  
5703.21 of the Revised Code. 124627

(3) Each bulk filer shall comply with all requirements of 124628  
law pertaining to employers maintaining an office or transacting 124629  
business in this state and paying compensation to an employee 124630  
who is a taxpayer. 124631

(4) A bulk filer that is not a professional employer 124632  
organization, professional employer organization reporting 124633  
entity, or alternate employer organization shall file a report 124634  
in the same manner and frequency as required of a professional 124635  
employer organization, professional employer organization 124636  
reporting entity, or alternate employer organization under 124637  
division (J) of section 5747.07 of the Revised Code. For 124638  
purposes of this division, "client company" shall be substituted 124639  
for "client employer" wherever "client employer" appears in that 124640  
division. 124641

(D) All returns, reports, and payments filed or remitted 124642  
by a bulk filer shall be made through an electronic means as 124643  
prescribed by the tax commissioner, regardless of the bulk 124644  
filer's number of client companies, or the number of returns, 124645  
reports, or payments being filed or remitted. The bulk filer 124646  
shall register for and maintain all accounts needed to 124647  
electronically make such filings and payments. 124648

(E) (1) A bulk filer's authorization under this section is 124649  
valid until either of the following events occurs: 124650

(a) The bulk filer dissolves, loses its existence as the 124651  
result of a merger, or otherwise ceases business; 124652

(b) The authorization is rescinded or suspended by the tax 124653  
commissioner for failure to meet the guidelines and conditions 124654  
of participation in the bulk file program, including any 124655  
guidelines or conditions established or modified after the bulk 124656  
filer receives its authorization. 124657

(2) A bulk filer shall notify its client companies within 124658  
five days after the bulk filer's authorization is rescinded, 124659  
suspended, or is otherwise no longer valid or active. If an 124660  
entity no longer meets the requirements to be a bulk filer, the 124661  
client companies of the former bulk filer shall immediately 124662  
resume their state and school district withholding filing and 124663  
payment obligations under this chapter. 124664

(F) (1) The tax commissioner may collect past due amounts 124665  
from a bulk filer, including penalties and interest thereon, by 124666  
assessment under section 5747.13 of the Revised Code as if the 124667  
amounts were taxes collected by an employer. 124668

(2) A bulk filer is subject to all applicable penalties 124669  
under Title LVII of the Revised Code as if the bulk filer were 124670  
the client company. 124671

(3) Notwithstanding the commissioner's authority under 124672  
division (F) (1) of this section, a client company remains 124673  
subject to assessment if its bulk filer fails to timely file all 124674  
returns or reports, or to timely remit any payment, on the 124675  
client company's behalf. The use of a bulk filer does not 124676  
abrogate the ability of the commissioner to hold employees, 124677

officers, members, managers, or trustees of the client company 124678  
personally liable under division (G) of section 5747.07 of the 124679  
Revised Code. 124680

(4) Any liability assessed against both a bulk filer and a 124681  
client company shall be joint and several. 124682

(5) A client company is not responsible for filings or 124683  
amounts that a bulk filer fails to make or remit on behalf of 124684  
another client company. 124685

(6) A bulk filer is subject to division (H) of section 124686  
5747.07 of the Revised Code as if it were an employer subject to 124687  
that section. 124688

(G) A bulk filer may file a refund application pursuant to 124689  
section 5747.11 of the Revised Code on behalf of one or more of 124690  
its client companies. 124691

**Sec. 5747.08.** An annual return with respect to the tax 124692  
imposed by section 5747.02 of the Revised Code and each tax 124693  
imposed under Chapter 5748. of the Revised Code shall be made by 124694  
every taxpayer for any taxable year for which the taxpayer is 124695  
liable for the tax imposed by that section or under that 124696  
chapter, unless the total credits allowed under division (E) of 124697  
section 5747.05 and divisions (F) and (G) of section 5747.055 of 124698  
the Revised Code for the year are equal to or exceed the tax 124699  
imposed by section 5747.02 of the Revised Code, in which case no 124700  
return shall be required unless the taxpayer is liable for a tax 124701  
imposed pursuant to Chapter 5748. of the Revised Code. 124702

(A) If an individual is deceased, any return or notice 124703  
required of that individual under this chapter shall be made and 124704  
filed by that decedent's executor, administrator, or other 124705  
person charged with the property of that decedent. 124706

(B) If an individual is unable to make a return or notice required by this chapter, the return or notice required of that individual shall be made and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

(C) Returns or notices required of an estate or a trust shall be made and filed by the fiduciary of the estate or trust.

(D) (1) (a) Except as otherwise provided in division (D) (1) (b) of this section, any pass-through entity may file a single return on behalf of one or more of the entity's investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code. The single return shall set forth the name, address, and social security number or other identifying number of each of those pass-through entity investors and shall indicate the distributive share of each of those pass-through entity investor's income taxable in this state in accordance with sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed; and are entitled to only their distributive share of the business credits as defined in division (D) (2) of this section. A single check drawn by the pass-through entity shall accompany the return in full payment of the tax due, as shown on the single return, for such investors, other than investors who are persons subject to the tax imposed under section 5733.06 of the Revised Code.

(b) (i) A pass-through entity shall not include in such a 124738  
single return any investor that is a trust to the extent that 124739  
any direct or indirect current, future, or contingent 124740  
beneficiary of the trust is a person subject to the tax imposed 124741  
under section 5733.06 of the Revised Code. 124742

(ii) A pass-through entity shall not include in such a 124743  
single return any investor that is itself a pass-through entity 124744  
to the extent that any direct or indirect investor in the second 124745  
pass-through entity is a person subject to the tax imposed under 124746  
section 5733.06 of the Revised Code. 124747

(c) Except as provided by division (L) of this section, 124748  
nothing in division (D) of this section precludes the tax 124749  
commissioner from requiring such investors to file the return 124750  
and make the payment of taxes and related interest, penalty, and 124751  
interest penalty required by this section or section 5747.02, 124752  
5747.09, or 5747.15 of the Revised Code. Nothing in division (D) 124753  
of this section precludes such an investor from filing the 124754  
annual return under this section, utilizing the refundable 124755  
credit equal to the investor's proportionate share of the tax 124756  
paid by the pass-through entity on behalf of the investor under 124757  
division (I) of this section, and making the payment of taxes 124758  
imposed under section 5747.02 of the Revised Code. Nothing in 124759  
division (D) of this section shall be construed to provide to 124760  
such an investor or pass-through entity any additional deduction 124761  
or credit, other than the credit provided by division (I) of 124762  
this section, solely on account of the entity's filing a return 124763  
in accordance with this section. Such a pass-through entity also 124764  
shall make the filing and payment of estimated taxes on behalf 124765  
of the pass-through entity investors other than an investor that 124766  
is a person subject to the tax imposed under section 5733.06 of 124767  
the Revised Code. 124768

5747.05 of the Revised Code;	124791
(k) The nonresident credit under division (A) of section	124792
5747.05 of the Revised Code;	124793

124802  
124803

(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return. 124804  
124805  
124806  
124807  
124808  
124809  
124810  
124811

(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. For the purposes of division (D) of this section, "correct tax due" means the tax that would have been paid by the pass-through entity had the single return been filed in a manner 124812  
124813  
124814  
124815  
124816  
124817  
124818  
124819  
124820  
124821  
124822  
124823  
124824  
124825

reflecting the commissioner's findings. Nothing in division (D) 124826  
of this section shall be construed to make or hold a pass- 124827  
through entity liable for tax attributable to a pass-through 124828  
entity investor's income from a source other than the pass- 124829  
through entity electing to file the single return. 124830

(E) If a husband and wife file a joint federal income tax 124831  
return for a taxable year, they shall file a joint return under 124832  
this section for that taxable year, and their liabilities are 124833  
joint and several, but, if the federal income tax liability of 124834  
either spouse is determined on a separate federal income tax 124835  
return, they shall file separate returns under this section. 124836

If either spouse is not required to file a federal income 124837  
tax return and either or both are required to file a return 124838  
pursuant to this chapter, they may elect to file separate or 124839  
joint returns, and, pursuant to that election, their liabilities 124840  
are separate or joint and several. If a husband and wife file 124841  
separate returns pursuant to this chapter, each must claim the 124842  
taxpayer's own exemption, but not both, as authorized under 124843  
section 5747.02 of the Revised Code on the taxpayer's own 124844  
return. 124845

(F) Each return or notice required to be filed under this 124846  
section shall contain the signature of the taxpayer or the 124847  
taxpayer's duly authorized agent and of the person who prepared 124848  
the return for the taxpayer, and shall include the taxpayer's 124849  
social security number. Each return shall be verified by a 124850  
declaration under the penalties of perjury. The tax commissioner 124851  
shall prescribe the form that the signature and declaration 124852  
shall take. 124853

(G) Each return or notice required to be filed under this 124854  
section shall be made and filed as required by section 5747.04 124855

of the Revised Code, on or before the fifteenth day of April of 124856  
each year, on forms that the tax commissioner shall prescribe, 124857  
together with remittance made payable to the treasurer of state 124858  
in the combined amount of the state and all school district 124859  
income taxes shown to be due on the form. 124860

Upon good cause shown, the commissioner may extend the 124861  
period for filing any notice or return required to be filed 124862  
under this section and may adopt rules relating to extensions. 124863  
If the extension results in an extension of time for the payment 124864  
of any state or school district income tax liability with 124865  
respect to which the return is filed, the taxpayer shall pay at 124866  
the time the tax liability is paid an amount of interest 124867  
computed at the rate per annum prescribed by section 5703.47 of 124868  
the Revised Code on that liability from the time that payment is 124869  
due without extension to the time of actual payment. Except as 124870  
provided in section 5747.132 of the Revised Code, in addition to 124871  
all other interest charges and penalties, all taxes imposed 124872  
under this chapter or Chapter 5748. of the Revised Code and 124873  
remaining unpaid after they become due, except combined amounts 124874  
due of one dollar or less, bear interest at the rate per annum 124875  
prescribed by section 5703.47 of the Revised Code until paid or 124876  
until the day an assessment is issued under section 5747.13 of 124877  
the Revised Code, whichever occurs first. 124878

If the commissioner considers it necessary in order to 124879  
ensure the payment of the tax imposed by section 5747.02 of the 124880  
Revised Code or any tax imposed under Chapter 5748. of the 124881  
Revised Code, the commissioner may require returns and payments 124882  
to be made otherwise than as provided in this section. 124883

To the extent that any provision in this division 124884  
conflicts with any provision in section 5747.026 of the Revised 124885

Code, the provision in that section prevails. 124886

(H) The amounts withheld pursuant to section 5747.06, 124887  
5747.062, 5747.063, 5747.064, 5747.065, or 5747.071 of the 124888  
Revised Code shall be allowed to the ultimate recipient of the 124889  
income as credits against payment of the appropriate taxes 124890  
imposed on the ultimate recipient by section 5747.02 and under 124891  
Chapter 5748. of the Revised Code. As used in this division, 124892  
"ultimate recipient" means the person who is required to report 124893  
income from which amounts are withheld pursuant to section 124894  
5747.06, 5747.062, 5747.063, 5747.064, 5747.065, or 5747.071 of 124895  
the Revised Code on the annual return required to be filed under 124896  
this section. 124897

(I) If a pass-through entity elects to file a single 124898  
return under division (D) of this section and if any investor is 124899  
required to file the annual return and make the payment of taxes 124900  
required by this chapter on account of the investor's other 124901  
income that is not included in a single return filed by a pass- 124902  
through entity or any other investor elects to file the annual 124903  
return, the investor is entitled to a refundable credit equal to 124904  
the investor's proportionate share of the lesser of the tax due 124905  
or the tax paid by the pass-through entity on behalf of the 124906  
investor. The investor shall claim the credit for the investor's 124907  
taxable year in which or with which ends the taxable year of the 124908  
pass-through entity. Nothing in this chapter shall be construed 124909  
to allow any credit provided in this chapter to be claimed more 124910  
than once. For the purpose of computing any interest, penalty, 124911  
or interest penalty, the investor shall be deemed to have paid 124912  
the refundable credit provided by this division on the day that 124913  
the pass-through entity paid the estimated tax or the tax giving 124914  
rise to the credit. 124915

(J) The tax commissioner shall ensure that each return 124916  
required to be filed under this section includes a box that the 124917  
taxpayer may check to authorize a paid tax preparer who prepared 124918  
the return to communicate with the department of taxation about 124919  
matters pertaining to the return. The return or instructions 124920  
accompanying the return shall indicate that by checking the box 124921  
the taxpayer authorizes the department of taxation to contact 124922  
the preparer concerning questions that arise during the 124923  
processing of the return and authorizes the preparer only to 124924  
provide the department with information that is missing from the 124925  
return, to contact the department for information about the 124926  
processing of the return or the status of the taxpayer's refund 124927  
or payments, and to respond to notices about mathematical 124928  
errors, offsets, or return preparation that the taxpayer has 124929  
received from the department and has shown to the preparer. 124930

(K) The tax commissioner shall permit individual taxpayers 124931  
to instruct the department of taxation to cause any refund of 124932  
overpaid taxes to be deposited directly into a checking account, 124933  
savings account, or an individual retirement account or 124934  
individual retirement annuity, or preexisting college savings 124935  
plan or program account offered by the Ohio tuition trust 124936  
authority under Chapter 3334. of the Revised Code, as designated 124937  
by the taxpayer, when the taxpayer files the annual return 124938  
required by this section electronically. 124939

(L) If, for the taxable year, a nonresident or trust that 124940  
is the owner of an electing pass-through entity, as defined in 124941  
section 5747.38 of the Revised Code, does not have Ohio adjusted 124942  
gross income or, in the case of a trust, modified Ohio taxable 124943  
income other than from one or more electing pass-through 124944  
entities, the nonresident or trust shall not be required to file 124945  
an annual return under this section. Nothing in this division 124946

precludes such an owner from filing the annual return under this 124947  
section, utilizing the refundable credit under section 5747.39 124948  
of the Revised Code equal to the owner's proportionate share of 124949  
the tax levied under section 5747.38 of the Revised Code and 124950  
paid by the electing pass-through entity, and making the payment 124951  
of taxes imposed under section 5747.02 of the Revised Code. 124952

(M) The tax commissioner may adopt rules to administer 124953  
this section. 124954

include an amended return or any declaration or form required by 124963

another person to prepare, for a taxpayer an original tax return 124969

or the taxpayer's related member. With respect to the 124971  
preparation of a return or application for refund under this 124972  
chapter, "tax return preparer" does not include an individual 124973  
who performs only one or more of the following activities: 124974

(B) Divisions (C) and (D) of this section apply to the filing of original tax returns that are due in a calendar year only if the tax commissioner, by the last day of the calendar year immediately preceding the calendar year in which such returns are due, has published on the department of taxation's official internet web site at least one method of electronic technology acceptable to the commissioner for filing such returns.	124988 124989 124990 124991 124992 124993 124994 124995
(C) A tax return preparer that prepares more than eleven original tax returns during any calendar year shall use electronic technology to file with the tax commissioner all original tax returns prepared by the tax return preparer. This division does not apply to a tax return preparer in any calendar year if, during the previous calendar year, the tax return preparer prepared not more than ten original tax returns.	124996 124997 124998 124999 125000 125001 125002
(D) If a tax return preparer required by this section to submit original tax returns by electronic technology files an	125003 125004

technology, the tax commissioner shall impose a penalty of fifty 125006  
dollars for each return in excess of eleven in any calendar year 125007  
that is not filed by electronic technology. ~~Upon good cause~~ 125008  
~~shown by the tax return preparer, the tax commissioner may waive~~ 125009  
~~all or any portion of the penalty or may refund all or any~~ 125010

taxable year. 125016

125034

(B) Every taxpayer shall make declaration of estimated taxes for the current taxable year, in the form that the tax commissioner shall prescribe, if the amount payable as estimated taxes, less the amount to be withheld from the taxpayer's compensation, is more than five hundred dollars. For purposes of this section, taxes withheld from compensation shall be considered as paid in equal amounts on each payment date unless the taxpayer establishes the dates on which all amounts were actually withheld, in which case the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld. Taxpayers filing joint returns pursuant to section 5747.08 of the Revised Code shall file joint declarations of estimated taxes. A taxpayer may amend a declaration under rules prescribed by the commissioner. A taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the commissioner. (3) On or before the fifteenth day of the ninth month 125078  
after the beginning of the taxable year, sixty-seven and one- 125079  
half per cent of the tax liability for the taxable year; 125080

(4) On or before the fifteenth day of the first month of 125081  
the following taxable year, ninety per cent of the tax liability 125082  
for the taxable year. 125083

When an amended return has been filed, the unpaid balance 125084  
shown due on the amended return shall be paid in equal 125085  
installments on or before the remaining payment dates. 125086

On or before the fifteenth day of the fourth month of the 125087  
year following that for which the declaration or amended 125088  
declaration was filed, an annual return shall be filed and any 125089  
balance which may be due shall be paid with the return in 125090

accordance with section 5747.08 of the Revised Code. 125091

(D) In the case of any underpayment of estimated taxes, an 125092  
interest penalty ~~shall~~ may be added to the taxes for the tax 125093  
year at the rate per annum prescribed by section 5703.47 of the 125094  
Revised Code upon the amount of underpayment for the period of 125095  
underpayment, unless the underpayment is due to reasonable cause 125096  
as described in division (E) of this section. The amount of the 125097  
underpayment shall be determined as follows: 125098

(1) For the first payment of estimated taxes each year, 125099  
the required installment less the amount of taxes paid by the 125100  
date prescribed for that payment; 125101

(2) For the second payment of estimated taxes each year, 125102  
the required installment less the amount of taxes paid by the 125103  
date prescribed for that payment; 125104

(3) For the third payment of estimated taxes each year, 125105  
the required installment less the amount of taxes paid by the 125106  
date prescribed for that payment; 125107

(4) For the fourth payment of estimated taxes each year, 125108  
the required installment less the amount of taxes paid by the 125109  
date prescribed for that payment. 125110

The period of the underpayment shall run from the day the 125111  
estimated payment was required to be made to the date on which 125112  
the payment is made. For purposes of this section, a payment of 125113  
estimated taxes on or before any payment date shall be 125114  
considered a payment of any previous underpayment only to the 125115  
extent the payment of estimated taxes exceeds the amount of the 125116  
payment presently required to be paid to avoid any penalty. 125117

The tax commissioner may abate, in whole or in part, the 125118  
interest penalty imposed under division (D) of this section. Any 125119

such penalty imposed shall be in lieu of any other interest 125120  
charge or penalty imposed for failure to file an estimated 125121  
return and make estimated payments as required by this section. 125122

(E) An underpayment of estimated taxes determined under 125123  
division (D) of this section shall be due to reasonable cause 125124  
and the interest penalty imposed by this section shall not be 125125  
added to the taxes for the tax year if either of the following 125126  
apply: 125127

(1) The amount of tax that was paid equals at least ninety 125128  
per cent of the tax liability for the current taxable year, 125129  
determined by annualizing the income received during the year up 125130  
to the end of the month immediately preceding the month in which 125131  
the payment is due; 125132

(2) The amount of tax that was paid equals at least one 125133  
hundred per cent of the tax liability shown on the return of the 125134  
taxpayer for the preceding taxable year, provided that the 125135  
immediately preceding taxable year reflected a period of twelve 125136  
months and the taxpayer filed a return under section 5747.08 of 125137  
the Revised Code for that year. 125138

The tax commissioner may waive the requirement for filing 125139  
a declaration of estimated taxes for any class of taxpayers 125140  
after finding that the waiver is reasonable and proper in view 125141  
of administrative costs and other factors. 125142

taxable year, the final federal adjustment results from taxes 125203  
paid by the taxpayer on an amount described in division (A) (32) 125204  
of section 5747.01 of the Revised Code. 125205

(C) Except for adjustments required to be reported for 125206

additional tax due, within ninety days after the audited 125242  
partnership files its federal adjustments return with the 125243

such a pass-through entity that are subject to the filing and 125247  
payment requirements of Chapters 5733. and 5747. of the Revised 125248  
Code are subject to the reporting and payment requirements of 125249  
division (C) (2) or, upon a timely election, division (C) (3) of 125250  
this section. 125251

(ii) Such direct and indirect investors shall make the 125252  
required returns and payments within ninety days after the 125253  
deadline for filing and furnishing statements under section 125254  
6226(b) (4) of the Internal Revenue Code and applicable treasury 125255

(3) If an audited partnership makes the election under 125257  
this division, the audited partnership, through its state 125258  
partnership representative, shall do all of the following within 125259  
ninety days after all federal adjustments are final: 125260

under division (C) (3) of this section; 125263

(b) Pay the amount of combined additional tax due under 125264

division (D) (2) of this section, calculated by multiplying the 125265

Code by the sum of the following: 125267

(i) The distributive shares of the final federal 125268  
adjustments that are allocable or apportionable to this state of 125269  
each investor who is a nonresident taxpayer or pass-through 125270  
entity; 125271

(ii) The distributive share of the final federal 125272  
adjustments for each investor who is a resident taxpayer. 125273

(c) Notify each of its direct investors, on a form 125274  
prescribed by the commissioner, of the investor's distributive 125275  
share of the final federal adjustments and the amount paid on 125276  
their behalf pursuant to division (C) (3) (b) of this section. 125277

(4) (a) A direct investor of an audited partnership is not 125278  
required to file an amended return or pay tax otherwise due 125279  
under section 5747.02 of the Revised Code if the audited 125280  
partnership properly reports and pays the tax under division (C) 125281  
(3) of this section. 125282

(b) (i) Nothing in division (C) of this section precludes a 125283  
direct or indirect investor in the audited partnership from 125284  
filing a return to report the investor's share of the final 125285  
federal adjustments. Such an investor who files a return and 125286  
reports the income related to the final federal adjustments is 125287  
entitled to a refundable credit for taxes paid by the audited 125288  
partnership under division (C) (3) (b) of this section. The credit 125289  
shall be computed and claimed in the same manner as the credit 125290  
allowed under division (I) of section 5747.08 of the Revised 125291  
Code. 125292

(ii) Notwithstanding division (C) (4) (b) (i) of this 125293

section, an exempt partner, whether a direct or indirect 125294  
investor, may file an application for refund of its 125295  
proportionate share of the amounts erroneously paid by the 125296  
audited partnership pursuant to division (C) (3) (b) of this 125297  
section on the exempt partner's behalf. 125298

(5) Upon request by an audited partnership, the tax 125299  
commissioner may agree, in writing, to allow an alternative 125300  
method of reporting and payment than required by division (C) (2) 125301  
or (3) of this section. The request must be submitted to the 125302  
commissioner in writing before the applicable deadline for 125303  
filing a return under division (C) (2) (a) or (3) of this section. 125304  
The commissioner's decision on whether to enter into an 125305  
agreement under this division is not subject to further 125306  
administrative review or appeal. 125307

(6) Nothing in division (C) of this section precludes 125308  
either of the following: 125309

(a) A resident taxpayer from filing a return to claim the 125310  
credit under division (B) of section 5747.05 or division ~~(D) (2)~~ 125311  
(B) (2) of section 5747.02 of the Revised Code based upon any 125312  
amounts paid by the audited partnership on such investor's 125313  
behalf to another state. 125314

(b) The tax commissioner from issuing an assessment under 125315  
this chapter against any direct or indirect investor for taxes 125316  
due from the investor if an audited partnership, or direct and 125317  
indirect investor of an audited partnership that is a pass- 125318  
through entity, fails to timely file any return or remit any 125319  
payment required by this section or underreports income or 125320  
underpays tax on behalf of an indirect investor who is a 125321  
resident taxpayer. 125322

(D) In the case of an underpayment, and unless otherwise  
agreed to in writing by the tax commissioner:

(1) The taxpayer's amended return shall be accompanied by  
payment of any combined additional tax due together with  
interest thereon. An amended return required by this section is  
a return subject to assessment under section 5747.13 of the  
Revised Code for the purpose of assessing any additional tax due  
under this section, together with any applicable penalty and  
interest. It shall not reopen those facts, figures,  
computations, or attachments from a previously filed return no  
longer subject to assessment that are not affected, either  
directly or indirectly, by the final federal adjustment to the  
taxpayer's federal income tax return.

(2) The audited partnership's federal adjustments return  
shall be accompanied by payment of any combined additional tax  
due together with interest thereon. The federal adjustments  
return required by this section is a return subject to  
assessment under section 5747.13 of the Revised Code for the  
purpose of assessing any additional tax due under this section,  
together with any applicable penalty and interest. It shall not  
reopen those facts, figures, computations, or attachments from a  
previously filed return no longer subject to assessment that are  
not affected, either directly or indirectly, by the final  
federal adjustment.

(3) The tax commissioner may accept estimated payments of  
the tax arising from pending federal adjustments before the date  
for filing a federal adjustments return. The commissioner may  
adopt rules for the payment of such estimated taxes.

(E) In the case of an overpayment, and unless otherwise  
agreed to in writing by the tax commissioner:

(1) A taxpayer may file an application for refund under 125353  
this division within the ninety-day period prescribed for filing 125354  
the amended return even if it is filed beyond the period 125355  
prescribed in section 5747.11 of the Revised Code if it 125356  
otherwise conforms to the requirements of such section. An 125357  
application filed under this division shall claim refund of 125358  
overpayments resulting from alterations to only those facts, 125359  
figures, computations, or attachments required in the taxpayer's 125360  
annual return that are affected, either directly or indirectly, 125361  
by the final federal adjustment to the taxpayer's federal income 125362  
tax return unless it is also filed within the time prescribed in 125363  
section 5747.11 of the Revised Code. It shall not reopen those 125364  
facts, figures, computations, or attachments that are not 125365  
affected, either directly or indirectly, by the adjustment to 125366  
the taxpayer's federal income tax return. 125367

(2) (a) Except as otherwise provided in division (E) (2) (b) 125368  
of this section, an audited partnership may file an application 125369  
for a refund under this division within the ninety-day period 125370  
prescribed for filing the federal adjustments return, even if it 125371  
is filed beyond the period prescribed by section 5747.11 of the 125372  
Revised Code, if it otherwise conforms to the requirements of 125373  
that section. An application filed under this division may claim 125374  
a refund of overpayments resulting only from final federal 125375  
adjustments unless it is also filed within the time prescribed 125376  
by section 5747.11 of the Revised Code. It shall not reopen 125377  
those facts, figures, computations, or attachments that are not 125378  
affected, either directly or indirectly, by the federal 125379  
adjustment. 125380

(b) An audited partnership may not file an application for 125381  
refund under division (E) of this section based on final federal 125382  
adjustments described in section 6225(a) (2) of the Internal 125383

Revenue Code. 125384

(3) Any refund granted to a pass-through entity filing an 125385  
application for refund under division (E) of this section shall 125386  
be reduced by amounts previously claimed as a credit under 125387  
section 5747.059 or division (I) of section 5747.08 of the 125388  
Revised Code by the pass-through entity's direct or indirect 125389  
investors. 125390

(F) Excluding the deadline in division (C)(2)(c)(ii) of 125391  
this section, an audited partnership, or a direct or indirect 125392  
investor of an audited partnership that is a pass-through 125393  
entity, may automatically extend the deadline for reporting, 125394  
payments, and refunds under this section by sixty days if the 125395  
entity has ten thousand or more direct investors and notifies 125396  
the commissioner of such extension, in writing, before the 125397  
unextended deadline. 125398

**Sec. 5747.13.** (A) If any employer collects the tax imposed 125399  
by section 5747.02 or under Chapter 5748. of the Revised Code 125400  
and fails to remit the tax as required by law, or fails to 125401  
collect the tax, the employer is personally liable for any 125402  
amount collected that the employer fails to remit, or any amount 125403  
that the employer fails to collect. If any taxpayer fails to 125404  
file a return or fails to pay the tax imposed by section 5747.02 125405  
or under Chapter 5748. of the Revised Code, the taxpayer is 125406  
personally liable for the amount of the tax. 125407

If any employer, taxpayer, qualifying entity, or electing 125408  
pass-through entity required to file a return under this chapter 125409  
fails to file the return within the time prescribed, files an 125410  
incorrect return, fails to remit the full amount of the taxes 125411  
due for the period covered by the return, or fails to remit any 125412  
additional tax due as a result of a reduction in the amount of 125413

the credit allowed under division (B) of section 5747.05 of the Revised Code together with interest on the additional tax within the time prescribed by that division, the tax commissioner may make an assessment against any person liable for any deficiency for the period for which the return is or taxes are due, based upon any information in the commissioner's possession.

An assessment issued against either the employer or the taxpayer pursuant to this section shall not be considered an election of remedies or a bar to an assessment against the other for failure to report or pay the same tax. No assessment shall be issued against any person if the tax actually has been paid by another.

No assessment shall be made or issued against an employer, a taxpayer, a qualifying entity, or an electing pass-through entity more than four years after the final date the return subject to assessment was required to be filed or the date the return was filed, whichever is later. However, the commissioner may assess any balance due as the result of a reduction in the credit allowed under division (B) of section 5747.05 of the Revised Code, including applicable penalty and interest, within four years of the date on which the taxpayer reports a change in either the portion of the taxpayer's adjusted gross income subjected to an income tax or tax measured by income in another state or the District of Columbia, or the amount of liability for an income tax or tax measured by income to another state or the District of Columbia, as required by division (B) (4) of section 5747.05 of the Revised Code. Such time limits may be extended if both the employer, taxpayer, qualifying entity, or electing pass-through entity and the commissioner consent in writing to the extension or if an agreement waiving or extending the time limits has been entered into pursuant to section

122.171 of the Revised Code. Any such extension shall extend the 125445  
four-year time limit in division (B) of section 5747.11 of the 125446  
Revised Code for the same period of time. There shall be no bar 125447  
or limit to an assessment against an employer for taxes withheld 125448  
from employees and not remitted to the state, against an 125449  
employer, a taxpayer, a qualifying entity, or an electing pass- 125450  
through entity that fails to file a return subject to assessment 125451  
as required by this chapter, or against an employer, a taxpayer, 125452  
a qualifying entity, or an electing pass-through entity that 125453  
files a fraudulent return. 125454

The commissioner shall give the party assessed written 125455  
notice of the assessment in the manner provided in section 125456  
5703.37 of the Revised Code. With the notice, the commissioner 125457  
shall provide instructions on how to petition for reassessment 125458  
and request a hearing on the petition. 125459

(B) Unless the party assessed files with the tax 125460  
commissioner within sixty days after service of the notice of 125461  
assessment, ~~either personally or by certified mail,~~ a written 125462  
petition for reassessment, signed by the party assessed or that 125463  
party's authorized agent having knowledge of the facts, the 125464  
assessment becomes final, and the amount of the assessment is 125465  
due and payable from the party assessed to the commissioner with 125466  
remittance made payable to the treasurer of state. The petition 125467  
shall indicate the objections of the party assessed, but 125468  
additional objections may be raised in writing if received by 125469  
the commissioner prior to the date shown on the final 125470  
determination. If the petition has been properly filed, the 125471  
commissioner shall proceed under section 5703.60 of the Revised 125472  
Code. 125473

(C) After an assessment becomes final, if any portion of 125474

the assessment remains unpaid, including accrued interest, a 125475  
certified copy of the tax commissioner's entry making the 125476  
assessment final may be filed in the office of the clerk of the 125477  
court of common pleas in the county in which the employer's, 125478  
taxpayer's, qualifying entity's, or electing pass-through 125479  
entity's place of business is located or the county in which the 125480  
party assessed resides. If the party assessed is not a resident 125481  
of this state, the certified copy of the entry may be filed in 125482  
the office of the clerk of the court of common pleas of Franklin 125483  
county. 125484

Immediately upon the filing of the entry, the clerk shall 125485  
enter a judgment against the party assessed in the amount shown 125486  
on the entry. The judgment shall be filed by the clerk in one of 125487  
two loose-leaf books, one entitled "special judgments for state 125488  
and school district income taxes," and the other entitled 125489  
"special judgments for qualifying entity and electing pass- 125490  
through entity taxes." The judgment shall have the same effect 125491  
as other judgments. Execution shall issue upon the judgment upon 125492  
the request of the tax commissioner, and all laws applicable to 125493  
sales on execution shall apply to sales made under the judgment. 125494

If the assessment is not paid in its entirety within sixty 125495  
days after the assessment was issued, the portion of the 125496  
assessment consisting of tax due shall bear interest at the rate 125497  
per annum prescribed by section 5703.47 of the Revised Code from 125498  
the day the tax commissioner issues the assessment until it is 125499  
paid or until it is certified to the attorney general for 125500  
collection under section 131.02 of the Revised Code, whichever 125501  
comes first. If the unpaid portion of the assessment is 125502  
certified to the attorney general for collection, the entire 125503  
unpaid portion of the assessment shall bear interest at the rate 125504  
per annum prescribed by section 5703.47 of the Revised Code from 125505

the date of certification until the date it is paid in its 125506  
entirety. Interest shall be paid in the same manner as the tax 125507  
and may be collected by the issuance of an assessment under this 125508  
section. 125509

(D) All money collected under this section shall be 125510  
considered as revenue arising from the taxes imposed by this 125511  
chapter or Chapter 5733. or 5748. of the Revised Code, as 125512  
appropriate. 125513

(E) If the party assessed files a petition for 125514  
reassessment under division (B) of this section, the person, on 125515  
or before the last day the petition may be filed, shall pay the 125516  
assessed amount, including assessed interest and assessed 125517  
penalties, if any of the following conditions exists: 125518

(1) The person files a tax return reporting Ohio adjusted 125519  
gross income, less the exemptions allowed by section 5747.025 of 125520  
the Revised Code, in an amount less than one cent, and the 125521  
reported amount is not based on the computations required under 125522  
division (A) of section 5747.01 or section 5747.025 of the 125523  
Revised Code. 125524

(2) The person files a tax return that the tax 125525  
commissioner determines to be incomplete, false, fraudulent, or 125526  
frivolous. 125527

(3) The person fails to file a tax return, and the basis 125528  
for this failure is not either of the following: 125529

(a) An assertion that the person has no nexus with this 125530  
state; 125531

(b) The computations required under division (A) of 125532  
section 5747.01 of the Revised Code or the application of 125533  
credits allowed under this chapter has the result that the 125534

person's tax liability is less than one dollar and one cent. 125535

(F) Notwithstanding the fact that a petition for 125536  
reassessment is pending, the petitioner may pay all or a portion 125537  
of the assessment that is the subject of the petition. The 125538  
acceptance of a payment by the treasurer of state does not 125539  
prejudice any claim for refund upon final determination of the 125540  
petition. 125541

If upon final determination of the petition an error in 125542  
the assessment is corrected by the tax commissioner, upon 125543  
petition so filed or pursuant to a decision of the board of tax 125544  
appeals or any court to which the determination or decision has 125545  
been appealed, so that the amount due from the party assessed 125546  
under the corrected assessment is less than the portion paid, 125547  
there shall be issued to the petitioner or to the petitioner's 125548  
assigns or legal representative a refund in the amount of the 125549  
overpayment as provided by section 5747.11 of the Revised Code, 125550  
with interest on that amount as provided by such section, 125551  
subject to section 5747.12 of the Revised Code. 125552

**Sec. 5747.15.** (A) In addition to any other penalty imposed 125553  
by this chapter or Chapter 5703. of the Revised Code, the 125554  
following penalties shall apply: 125555

through entity, or an employer required to file any report or 125557  
return, including an informational notice, report, or return, 125558  
under this chapter fails to make and file the report or return 125559  
within the time prescribed, including any extensions of time 125560  
granted by the tax commissioner, a penalty may be imposed not 125561  
exceeding the greater of fifty dollars per month or fraction of 125562  
a month, not to exceed five hundred dollars, or five per cent 125563  
per month or fraction of a month, not to exceed fifty per cent, 125564

the due date, including extensions of the due date, and the date 125567  
on which filed. 125568

(2) If a taxpayer fails to pay any amount of tax required 125569  
to be paid under section 5733.41 or Chapters 5747. or 5748. of 125570  
the Revised Code, except estimated tax under section 5747.09 or 125571  
5747.43 of the Revised Code, by the dates prescribed for 125572  
payment, a penalty may be imposed not exceeding twice the 125573  
applicable interest charged under division (G) of section 125574  
5747.08 of the Revised Code for the delinquent payment. 125575

(3) (a) If an employer fails to pay any amount of tax 125576  
imposed by section 5747.02 of the Revised Code and required to 125577  
be paid under this chapter by the dates prescribed for payment, 125578  
a penalty may be imposed not exceeding the sum of ten per cent 125579  
of the delinquent payment plus twice the interest charged under 125580  
division (F) (5) of section 5747.07 of the Revised Code for the 125581  
delinquent payment. 125582

(b) If a qualifying entity or an electing pass-through 125583  
entity fails to pay any amount of tax imposed by section 125584  
5733.41, 5747.38, or 5747.41 of the Revised Code and required to 125585  
be paid under this chapter by the dates prescribed for payment, 125586  
a penalty may be imposed not exceeding the sum of ten per cent 125587  
of the delinquent payment plus twice the applicable interest 125588  
charged under division (G) of section 5747.08 of the Revised 125589  
Code for the delinquent payment. 125590

(4) (a) If an employer withholds from employees the tax 125591  
imposed by section 5747.02 of the Revised Code and fails to 125592  
remit the tax withheld to the state as required by this chapter 125593  
on or before the dates prescribed for payment, a penalty may be 125594

imposed not exceeding fifty per cent of the delinquent payment. 125595

(b) If a qualifying entity withholds any amount of tax 125596  
imposed under section 5747.41 of the Revised Code from an 125597  
individual's qualifying amount and fails to remit that amount to 125598  
the state as required by sections 5747.42 to 5747.453 of the 125599  
Revised Code on or before the dates prescribed for payment, a 125600  
penalty may be imposed not exceeding fifty per cent of the 125601  
delinquent payment. 125602

(5) If a taxpayer, a qualifying entity, an electing pass- 125603  
through entity, or an employer files what purports to be a 125604  
return required by this chapter that does not contain 125605  
information upon which the substantial correctness of the return 125606  
may be judged or contains information that on its face indicates 125607  
that the return is substantially incorrect, and the filing of 125608  
the return in that manner is due to a position that is frivolous 125609  
or a desire that is apparent from the return to delay or impede 125610  
the administration of the tax levied by section 5733.41, 125611  
5747.02, 5747.38, or 5747.41, or Chapter 5748. of the Revised 125612  
Code, a penalty of up to five hundred dollars may be imposed. 125613

(6) If a taxpayer, a qualifying entity, or an electing 125614  
pass-through entity makes a fraudulent attempt to evade the 125615  
reporting or payment of the tax required to be shown on any 125616  
return required under this chapter, a penalty may be imposed not 125617  
exceeding the greater of one thousand dollars or one hundred per 125618  
cent of the tax required to be shown on the return. 125619

(7) If any person makes a false or fraudulent claim for a 125620  
refund under this chapter, a penalty may be imposed not 125621  
exceeding the greater of one thousand dollars or one hundred per 125622  
cent of the claim. The penalty imposed under division (A) (7) of 125623  
this section, any refund issued on the claim, and interest on 125624

any refund from the date of the refund, may be assessed under 125625  
section 5747.13 of the Revised Code as tax, penalty, or interest 125626  
imposed under section 5733.41, 5747.02, 5747.38, or 5747.41 of 125627  
the Revised Code, without regard to whether the person making 125628  
the claim is otherwise subject to the provisions of this chapter 125629  
or Chapter 5733. of the Revised Code, and without regard to any 125630  
time limitation for the assessment imposed by division (A) of 125631  
section 5747.13 of the Revised Code. 125632

(B) For purposes of this section, the taxes required to be 125633  
shown on the return shall be reduced by the amount of any part 125634  
of the taxes paid on or before the date, including any 125635  
extensions of the date, prescribed for filing the return. 125636

(C) Any penalty imposed under this section shall be in 125637  
addition to all other penalties imposed under this section. ~~All~~ 125638  
~~or part of any penalty imposed under this section may be abated~~ 125639  
~~by the commissioner. All or part of any penalty imposed under~~ 125640  
~~this section may be abated by the commissioner if the taxpayer,~~ 125641  
~~qualifying entity, electing pass-through entity, or employer~~ 125642  
~~shows that the failure to comply with the provisions of this~~ 125643  
~~chapter is due to reasonable cause and not willful neglect.~~ 125644

**Sec. 5747.29.** (A) As used in this section: 125645

(2) "Contribution" has the same meaning as in section 125649  
3517.01 of the Revised Code, but is limited to contributions of 125650

treasurer of state, attorney general, ~~member of the state board~~ 125657  
~~of education~~, chief justice of the supreme court, justice of the 125658  
supreme court, or member of the general assembly. The amount of 125659  
the credit for a taxable year equals the lesser of the combined 125660  
total contributions made during the taxable year by each 125661  
taxpayer filing a return required to be filed under section 125662  
5747.08 of the Revised Code or the amount of fifty dollars, in 125663  
the case of an individual return, or one hundred dollars, in the 125664  
case of a joint return. 125665

The taxpayer shall claim the credit in the order required 125666  
under section 5747.98 of the Revised Code. The credit for a 125667  
taxable year shall not exceed the aggregate amount of tax 125668  
otherwise due for that year after allowing for any other credits 125669  
that precede the credit under this section in that order. 125670

**Sec. 5747.38.** (A) As used in this section and section 125671

any portion of the taxable year. 125681

(3) "Income" means the sum of owners' distributive shares 125682

of the income, gain, expense, or loss of an electing pass-through entity for the taxable year, as reported for federal income tax purposes. 125683

125689  
125690  
125691  
125692

125697  
125698  
125699

the taxable year. Such election applies only to the taxable year 125714  
for which the election is made and is, once made, irrevocable 125715  
for that year. 125716

(D) ~~The~~ Except as otherwise provided in this division, the 125717

by an owner of the electing pass-through entity in computing the 125720  
owner's aggregate tax liability under section 5747.02 of the 125721  
Revised Code. In calculating its tax due under this section, an 125722  
electing pass-through entity may claim the refundable credits 125723  
authorized under section 5747.059 or 5747.39 of the Revised Code 125724  
or division (I) of section 5747.08 of the Revised Code if that 125725  
credit is available to one or more of the entity's owners as if 125726  
the entity were the owner or owners. 125727

(E) The tax levied under this section is intended to 125728  
comply with the provisions of internal revenue service notice 125729  
2020-75 in which such tax paid by an electing pass-through 125730  
entity is deductible to the entity for federal income tax 125731  
purposes. 125732

(F) The tax commissioner shall adopt rules to administer 125733  
the tax levied under this section. Such rules shall include a 125734

(36) and (S) (15) of section 5747.01 of the Revised Code and the 125736  
credit under section 5747.39 of the Revised Code apply to direct 125737  
or indirect owners of an electing pass-through entity based on 125738  
various ownership structures. Any rule adopted under this 125739  
section is not a regulatory restriction for the purpose of 125740  
section 121.95 of the Revised Code. 125741

**Sec. 5747.39.** There is hereby allowed a refundable credit 125742  
against a taxpayer's aggregate tax liability under section 125743  
5747.02 of the Revised Code for a taxpayer who is an owner of an 125744  
electing pass-through entity. The credit shall equal the owner's 125745  
proportionate share of the lesser of the tax levied due or paid 125746  
under section 5747.38 of the Revised Code ~~remitted by the~~ 125747

~~for that ends in the~~ the taxable year of the taxpayer. 125749

The credit shall be claimed for the taxpayer's taxable 125750  
year that includes the last day of the electing pass-through 125751  
entity's taxable year for which the tax levied under that 125752  
section was paid and in the order required under section 5747.98 125753  
of the Revised Code. If the credit exceeds the aggregate amount 125754  
of tax otherwise due, the excess shall be refunded to the 125755  
taxpayer. 125756

The tax commissioner may request that a taxpayer claiming 125757  
a credit under this section furnish information as is necessary 125758  
to support the claim for the credit under this section, and no 125759  
credit shall be allowed unless the requested information is 125760  
provided. 125761

**Sec. 5747.40.** Any term used in sections 5747.40 to 5747.43 125762

Code is to complement and to reinforce the tax levied under 125766  
section 5747.02 of the Revised Code. Those sections do not apply 125767  
to a pass-through entity if all of the investors of the pass- 125768  
through entity are resident taxpayers for the purposes of this 125769  
chapter for the entire qualifying taxable year of the pass- 125770  
through entity, or to a trust if all of the beneficiaries of the 125771

trust are resident taxpayers for the purposes of this chapter 125772  
for the entire qualifying taxable year of the trust, except that 125773  
sections 5747.42 and 5747.43 of the Revised Code apply to all 125774  
pass-through entities that elect to be subject to the tax levied 125775  
under section 5747.38 of the Revised Code. 125776

**Sec. 5747.42.** (A) In addition to the other returns 125777  
required to be filed and other remittances required to be made 125778  
pursuant to this chapter, every qualifying entity or electing 125779  
pass-through entity that is subject to the tax imposed by 125780  
section 5733.41, 5747.38, or 5747.41 of the Revised Code shall 125781  
file an annual return as follows: 125782

(1) For a qualifying entity, on or before the fifteenth 125783  
day of the fourth month following the end of the entity's 125784  
qualifying taxable year; 125785

(2) For an electing pass-through entity, on or before the 125786  
fifteenth day of April following the end of the entity's taxable 125787  
year that ends in the preceding calendar year. 125788

Each entity shall also remit to the tax commissioner, with 125789  
the remittance made payable to the treasurer of state, the 125790  
amount of the taxes shown to be due on the return, less the 125791  
amount paid for the taxable year on a declaration of estimated 125792  
tax report filed by the taxpayer as provided by section 5747.43 125793  
of the Revised Code. Remittance shall be made in the form 125794  
prescribed by the tax commissioner, including electronically if 125795  
required by section 5747.44 of the Revised Code. 125796

A domestic qualifying entity shall not dissolve, and a 125797  
foreign qualifying entity shall not withdraw or retire from 125798  
business in this state, without filing the tax returns and 125799  
paying the taxes charged for the year in which such dissolution 125800

or withdrawal occurs. 125801

(B) The tax commissioner shall furnish qualifying entities 125802  
or electing pass-through entities, upon request, copies of the 125803  
forms prescribed by the commissioner for the purpose of making 125804  
the returns required by sections 5747.42 to 5747.453 of the 125805  
Revised Code. 125806

(C) The annual return required by this section shall be 125807  
signed by the applicable entity's trustee or other fiduciary, or 125808  
president, vice-president, secretary, treasurer, general 125809  
manager, general partner, superintendent, or managing agent in 125810  
this state. The annual return shall contain the facts, figures, 125811  
computations, and attachments that result in the tax charged by 125812  
section 5733.41, 5747.38, or 5747.41 of the Revised Code. Each 125813  
entity also shall file with its annual return all of the 125814  
following: 125815

(1) In the case of the tax charged by section 5733.41 or 125816  
5747.41 of the Revised Code, the full name and address of each 125817  
qualifying investor or qualifying beneficiary unless the 125818  
qualifying entity submits such information in accordance with 125819  
division (D) of this section; 125820

(2) In the case of the tax charged by section 5733.41 or 125821  
5747.41 of the Revised Code, the social security number, federal 125822

taxpayer submits that information in accordance with division 125825  
(D) of this section; 125826

(3) In the case of the tax charged by section 5747.38 of 125827  
the Revised Code, the full name and address and the social 125828  
security number, federal employer identification number, or 125829

other identifying number of each owner of the electing pass-through entity, unless the entity submits such information in accordance with division (D) of this section; 125830  
125831  
125832

(4) The amount of tax imposed by sections 5733.41 and 5747.41 or by section 5747.38 of the Revised Code, and the amount of the tax paid by the entity, for the applicable taxable year covered by the annual return; 125833  
125834  
125835  
125836

(5) The amount of tax imposed by sections 5733.41 and 5747.41 or by section 5747.38 of the Revised Code that is attributable to each qualifying investor, qualifying beneficiary, or owner, as applicable, unless the entity submits this information in accordance with division (D) of this section. 125837  
125838  
125839  
125840  
125841  
125842

(D) On the date the annual return is due, including extensions of time, if any, the applicable entity may be required ~~by rule~~ to transmit electronically or by magnetic media the information set forth in division (C) of this section. The tax commissioner may adopt rules governing the format for the transmission of such information. The tax commissioner may exempt an entity or a class of entities from the requirements imposed by this division. 125843  
125844  
125845  
125846  
125847  
125848  
125849  
125850

(E) Upon good cause shown, the tax commissioner may extend the period for filing any return required to be filed under this section or section 5747.43 or 5747.44 of the Revised Code and for transmitting any information required to be transmitted under those sections. The tax commissioner may adopt rules relating to extensions of time to file and to transmit. At the time an entity pays any tax imposed under section 5733.41, 5747.38, or 5747.41 of the Revised Code or estimated tax as required under section 5747.43 of the Revised Code, the entity 125851  
125852  
125853  
125854  
125855  
125856

125859

also shall pay interest computed at the rate per annum 125860  
prescribed by section 5703.47 of the Revised Code on that tax or 125861  
estimated tax, from the time the tax or estimated tax originally 125862  
was required to be paid, without consideration of any filing 125863  
extensions, to the time of actual payment. Nothing in this 125864  
division shall be construed to abate, modify, or limit the 125865  
imposition of any penalties imposed for the failure to timely 125866  
pay taxes under this chapter or Chapter 5733. of the Revised 125867  
Code without consideration of any filing extensions. 125868

**Sec. 5747.43.** (A) As used in this section: 125869

(1) "Estimated taxes" means the amount that a qualifying 125870  
entity or electing pass-through entity estimates to be the sum 125871  
of its liability under sections 5733.41 and 5747.41 or section 125872  
5747.38 of the Revised Code for its current qualifying taxable 125873  
year or taxable year, as applicable. 125874

(2) "Tax liability" means the total of the taxes and 125875  
withholding taxes due under sections 5733.41 and 5747.41 of the 125876  
Revised Code or the tax due under section 5747.38 of the Revised 125877  
Code for the applicable taxable year prior to applying any 125878  
estimated tax payment or refund from another year. 125879

(3) "Taxes paid" includes payments of estimated taxes made 125880  
under division (C) of this section and tax refunds applied by 125881  
the qualifying entity or electing pass-through entity in payment 125882  
of estimated taxes. 125883

(4) "Required installment" means a payment equal to 125884  
twenty-five per cent of the lesser of the following: 125885

(a) Ninety per cent of the tax liability for the 125886  
qualifying taxable year; 125887

(b) One hundred per cent of the tax liability shown on the 125888

return of a qualifying entity or an electing pass-through entity 125889  
for the preceding taxable year. 125890

Division (A) (4) (b) of this section applies only if the 125891  
entity filed a return under section 5747.42 of the Revised Code 125892  
for the preceding taxable year and if the preceding taxable year 125893  
was a twelve-month taxable year. 125894

(B) In addition to the return required to be filed 125895  
pursuant to section 5747.42 of the Revised Code, each qualifying 125896  
entity or electing pass-through entity that is subject to the 125897  
tax imposed under section 5733.41 and to the withholding tax 125898  
imposed by section 5747.41 of the Revised Code or that is 125899  
subject to the tax imposed under section 5747.38 of the Revised 125900  
Code shall file an estimated tax return and pay a portion of the 125901  
entity's tax liability for its taxable year. The portion of 125902  
those taxes required to be paid, and the last day prescribed for 125903  
payment thereof, shall be as prescribed by divisions (B) (1), 125904  
(2), (3), and (4) of this section: 125905

(1) On or before the fifteenth day of the fourth month 125906  
~~following after the last day of the first quarter of beginning~~ 125907  
of the entity's taxable year, twenty-two and one-half per cent 125908  
of the entity's estimated tax liability for that taxable year; 125909

(2) On or before the fifteenth day of the sixth month 125910  
~~following after the last day of the second quarter of beginning~~ 125911  
of the entity's taxable year, forty-five per cent of the 125912  
entity's estimated tax liability for that taxable year; 125913

(3) On or before the fifteenth day of the ninth month 125914  
~~following after the last day of the third quarter of beginning~~ 125915  
of the entity's taxable year, sixty-seven and one-half per cent 125916  
of the entity's estimated tax liability for that taxable year; 125917

(4) On or before the fifteenth day of the first month 125918  
~~following of the last day of the fourth quarter of the~~ entity's 125919  
following taxable year, ninety per cent of the entity's 125920  
estimated tax liability for that taxable year. 125921

Payments of estimated taxes shall be made payable to the 125922  
treasurer of state. 125923

(C) If a payment of estimated taxes is not paid in the 125924  
full amount required under division (B) of this section, a 125925  
penalty ~~shall~~ may be added to the taxes charged for the 125926  
qualifying taxable year or taxable year, as applicable, unless 125927  
the underpayment is due to reasonable cause as described in 125928  
division (D) of this section. The penalty shall accrue at the 125929  
rate per annum prescribed by section 5703.47 of the Revised Code 125930  
upon the amount of underpayment from the day the estimated 125931  
payment was required to be made to the day the payment is made. 125932

The amount of the underpayment upon which the penalty 125933  
shall accrue shall be determined as follows: 125934

(1) For the first payment of estimated taxes each year, 125935  
the required installment less the amount of taxes paid by the 125936  
date prescribed for that payment; 125937

(2) For the second payment of estimated taxes each year, 125938  
the required installment less the amount of taxes paid by the 125939  
date prescribed for that payment; 125940

(3) For the third payment of estimated taxes each year, 125941  
the required installment less the amount of taxes paid by the 125942  
date prescribed for that payment; 125943

(4) For the fourth payment of estimated taxes each year, 125944  
the required installment less the amount of taxes paid by the 125945  
date prescribed for that payment. 125946

For the purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of a previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.

The tax commissioner may abate, in whole or in part, the penalty imposed under division (C) of this section. Any such penalty is in lieu of any other interest charge or penalty imposed for failure to file a declaration of estimated tax report and make estimated payments as required by this section.

(D) An underpayment of estimated taxes determined under division (C) of this section is due to reasonable cause if any of the following apply:

(1) The amount of tax that was paid equals at least ninety per cent of the tax liability for the current taxable year, determined by annualizing the income received during that year up to the end of the month immediately preceding the month in which the payment is due;

(2) The amount of tax liability that was paid equals at least ninety per cent of the tax liability for the current taxable year;

(3) The amount of tax liability that was paid equals at least one hundred per cent of the tax liability shown on the return of the entity for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the entity filed a return under section 5747.42 of the Revised Code for that year.

(E) (1) Divisions (B) and (C) of this section do not apply for a taxable year if either of the following applies to the

entity: 125976

(a) For the immediately preceding taxable year, the entity 125977  
computes in good faith and in a reasonable manner that the sum 125978  
of its adjusted qualifying amounts or its qualifying taxable 125979  
income, as applicable, is ten thousand dollars or less. 125980

(b) For the taxable year the entity computes in good faith 125981  
and in a reasonable manner that the sum of its adjusted 125982  
qualifying amounts or its qualifying taxable income, as 125983  
applicable, is ten thousand dollars or less. 125984

(2) Notwithstanding any other provision of Title LVII of 125985  
the Revised Code to the contrary, the entity shall establish by 125986  
a preponderance of the evidence that its computation of the 125987  
adjusted qualifying amounts or qualifying taxable income, as 125988  
applicable, for the immediately preceding taxable year and the 125989  
taxable year was, in fact, made in good faith and in a 125990  
reasonable manner. 125991

(F) The tax commissioner may waive the requirement for 125992  
filing a declaration of estimated taxes for any class of 125993  
qualifying entities if the commissioner finds the waiver is 125994  
reasonable and proper in view of administrative costs and other 125995  
factors. 125996

(G) Estimated taxes paid by a qualifying entity or an 125997  
electing pass-through entity may be applied to satisfy the 125998  
entity's tax liability under section 5733.41, 5747.38, or 125999  
5747.41 of the Revised Code. Nothing in this section authorizes 126000  
such an entity to apply estimated taxes paid against more than 126001  
one tax. 126002

**Sec. 5747.44.** (A) If a qualifying entity's or an electing 126003  
pass-through entity's total liability for taxes imposed under 126004

sections 5733.41 and 5747.41 or under section 5747.38 of the 126005  
Revised Code exceeds one hundred eighty thousand dollars for the 126006  
second preceding taxable year or qualifying taxable year, as 126007  
applicable, the entity shall make all payments required under 126008  
sections 5747.42 and 5747.43 or under section 5747.38 of the 126009  
Revised Code electronically in the manner prescribed by the tax 126010  
commissioner. 126011

The tax commissioner shall notify each qualifying entity 126012  
and electing pass-through entity required to remit taxes 126013  
electronically of the entity's obligation to do so. Failure by 126014  
the commissioner to notify an entity subject to this section to 126015  
remit taxes electronically does not relieve the entity of its 126016  
obligation to remit taxes in that manner. 126017

(B) Except as otherwise provided in this division, the 126018  
payment of taxes electronically does not affect a qualifying 126019  
entity's or an electing pass-through entity's obligation to file 126020  
the returns required under sections 5747.42 and 5747.43 of the 126021  
Revised Code. 126022

(C) A qualifying entity or an electing pass-through entity 126023  
required by this section to remit taxes electronically may apply 126024  
to the tax commissioner in the manner prescribed by the 126025  
commissioner to be excused from that requirement. The 126026  
commissioner may excuse the entity from electronic remittance 126027  
for good cause shown for the period of time requested by the 126028  
entity or for a portion of that period. The commissioner shall 126029  
notify the entity of the commissioner's decision as soon as is 126030  
practicable. 126031

(D) If a qualifying entity or an electing pass-through 126032  
entity required by this section to remit taxes electronically 126033  
remits those taxes by some means other than electronically as 126034

prescribed by this section, and the tax commissioner determines 126035  
that such failure was not due to reasonable cause or was due to 126036  
willful neglect, the commissioner may collect an additional 126037  
charge by assessment in the manner prescribed by section 5747.13 126038  
of the Revised Code. The additional charge shall equal five per 126039  
cent of the amount of the taxes required to be paid 126040  
electronically, but shall not exceed five thousand dollars. Any 126041  
additional charge assessed under this section is in addition to 126042  
any other penalty or charge imposed under this chapter or 126043  
Chapter 5733. of the Revised Code, and shall be considered as 126044  
revenue arising from the taxes imposed under sections 5733.41 126045  
and 5747.41 or under section 5747.38 of the Revised Code. ~~The~~ 126046  
~~commissioner may remit all or a portion of such a charge and may~~ 126047  
~~adopt rules governing such remission.~~ 126048

No additional charge shall be assessed under this division 126049  
against a qualifying entity or an electing pass-through entity 126050  
that has been notified of its obligation to remit taxes 126051  
electronically under this section and that remits its first two 126052  
tax payments after such notification by some other means. The 126053  
additional charge may be assessed upon the remittance of any 126054  
subsequent tax payment that the entity remits by some means 126055  
other than electronically. 126056

**Sec. 5747.502.** (A) As used in this section: 126057

(1) "Local authority" and "traffic law photo-monitoring 126058  
device" have the same meanings as in section 4511.092 of the 126059  
Revised Code. 126060

(2) "School zone" has the same meaning as in section 126061  
4511.21 of the Revised Code. 126062

(3) "Transportation district" means a territorial district 126063

established by the director of transportation under section 126064  
5501.14 of the Revised Code. 126065

(4) "District deputy director" means the person appointed 126066  
and assigned by the director of transportation under section 126067  
5501.14 of the Revised Code to administer the activities of a 126068  
transportation district. 126069

(5) "Gross amount" means the entire amount of traffic 126070  
camera fines and fees paid by a driver. 126071

(6) "Local government fund adjustment" or "LGF adjustment" 126072  
means the sum of: 126073

(a) The gross amount of all traffic camera fines collected 126074  
by a local authority during the preceding fiscal year, as 126075  
reported under division (B)(1) of this section, if such a report 126076  
is required; plus 126077

(b) The residual adjustment computed for the local 126078  
authority under division (B)(4) of this section, if such an 126079  
adjustment applies. 126080

(7) "Local government fund payments" or "LGF payments" 126081  
means the payments a local authority would receive under 126082  
sections 5747.502, 5747.51, and 5747.53, and division (C) of 126083  
section 5747.50 of the Revised Code, as applicable, if not for 126084  
the reductions required by divisions (C) and (D) of this 126085  
section. 126086

(8) "Residual adjustment" means the most recent LGF 126087  
adjustment computed for a local authority under division (B)(2) 126088  
or (3) of this section minus the sum of the reductions applied 126089  
after that computation under division (C) of this section to the 126090  
local authority's LGF payments. 126091

(9) "Traffic camera fines" means civil fines for any violation of any local ordinance or resolution that are based upon evidence recorded by a traffic law photo-monitoring device.

(10) "Qualifying village" has the same meaning as in section 5747.503 of the Revised Code.

(B) (1) Annually, on or before the thirty-first day of July, any local authority that directly or indirectly collected traffic camera fines during the preceding fiscal year shall file a report with the tax commissioner that includes a detailed statement of the gross amount of all traffic camera fines the local authority collected during that period and the gross amount of such fines that the local authority collected for violations that occurred within a school zone.

(2) Annually, on or before the tenth day of August, and except as otherwise provide in this division, the commissioner shall compute a local government fund adjustment for each local authority that files a report under division (B) (1) of this section or with respect to which a residual adjustment applies. Subject to division (B) (3) of this section, the LGF adjustment shall be used by the commissioner to determine the amount of the reductions required under division (C) of this section for each of the next twelve months, starting with the month in which the LGF adjustment is computed. After those twelve months, the LGF adjustment ceases to apply and, if an LGF adjustment continues to be required, the amount of the reductions required under division (C) of this section shall be determined based on an updated LGF adjustment computed under this division.

After the effective date of this amendment, no LGF adjustment shall be calculated for a county or township prohibited from operating a traffic law photo-monitoring device

by section 4511.093 of the Revised Code. An LGF adjustment that 126122  
applies to a county or township on the effective date of this 126123  
amendment ceases to apply as of that date. 126124

(3) Upon receipt of a report described by division (B) (1) 126125  
of this section that is not timely filed, the commissioner shall 126126  
do both of the following: 126127

(a) If one or more payments to the local authority has 126128  
been withheld under division (D) of this section because of the 126129  
local authority's failure to file the report, notify the county 126130  
auditor and county treasurer of the appropriate county that the 126131  
report has been received and that, subject to division (C) of 126132  
this section, payments to the local authority from the undivided 126133  
local government fund are to resume. 126134

(b) Compute the local authority's LGF adjustment using the 126135  
information in the report. An LGF adjustment computed under this 126136  
division shall be used by the commissioner to determine the 126137  
amount of the reductions required under division (C) of this 126138  
section starting with the next required reduction. The LGF 126139  
adjustment ceases to apply on the thirty-first day of the 126140  
ensuing July, following which, if an LGF adjustment continues to 126141  
be required, the amount of the reductions required under 126142  
division (C) of this section shall be determined based on an 126143  
updated LGF adjustment computed under division (B) (2) of this 126144  
section. 126145

(4) Annually, on or before the tenth day of August, the 126146  
commissioner shall compute a residual adjustment for each local 126147  
authority whose LGF adjustment for the preceding year exceeds 126148  
the amount by which the local authority's LGF payments were 126149  
reduced during that year under division (C) of this section. The 126150  
residual adjustment shall be used to compute the LGF adjustment 126151

for the ensuing year under division (B) (2) of this section. 126152

(C) The commissioner shall do the following, as 126153  
applicable, respecting any local authority to which an LGF 126154  
adjustment computed under division (B) of this section applies: 126155

(1) If the local authority is a municipal corporation with 126156  
a population of one thousand or more, reduce payments to the 126157  
municipal corporation under division (C) of section 5747.50 of 126158  
the Revised Code by one-twelfth of the LGF adjustment. If one- 126159  
twelfth of the LGF adjustment exceeds the amount of money the 126160  
municipal corporation would otherwise receive under division (C) 126161  
of section 5747.50 of the Revised Code, the commissioner also 126162  
shall reduce payments to the appropriate county undivided local 126163  
government fund under division (B) of section 5747.50 of the 126164  
Revised Code by an amount equal to the lesser of (a) one-twelfth 126165  
of the excess, or (b) the amount of the payment the municipal 126166  
corporation would otherwise receive from the fund under section 126167  
5747.51 or 5747.53 of the Revised Code. 126168

(2) If the local authority is a township or qualifying 126169  
village, reduce the supplemental payments to the appropriate 126170  
county undivided local government fund under section 5747.503 of 126171  
the Revised Code by the lesser of one-twelfth of the LGF 126172  
adjustment, or the amount of money the township or qualifying 126173  
village would otherwise receive under that section. If one- 126174  
twelfth of the LGF adjustment exceeds the amount of money the 126175  
township or qualifying village would otherwise receive under 126176  
section 5747.503 of the Revised Code, the commissioner also 126177  
shall reduce payments to the appropriate county undivided local 126178  
government fund under division (B) of section 5747.50 of the 126179  
Revised Code by an amount equal to the lesser of (a) one-twelfth 126180  
of the excess, or (b) the amount of the payment the township or 126181

qualifying village would otherwise receive from the fund under 126182  
section 5747.51 or 5747.53 of the Revised Code. 126183

(3) If the local authority is a county, reduce payments to 126184  
the appropriate county undivided local government fund under 126185  
division (B) of section 5747.50 of the Revised Code by an amount 126186  
equal to the lesser of (a) one-twelfth of the LGF adjustment, or 126187  
(b) the amount of the payment the county would otherwise receive 126188  
from the fund under section 5747.51 or 5747.53 of the Revised 126189  
Code. 126190

(4) For any local authority, on or before the tenth day of 126191  
each month a reduction is made under division (C) (1), (2), or 126192  
(3) of this section, make a payment to the local authority in an 126193  
amount equal to the lesser of (a) one-twelfth of the gross 126194  
amount of traffic camera fines the local authority collected in 126195  
the preceding fiscal year for violations that occurred within a 126196  
school zone, as indicated on the report filed by the local 126197  
authority pursuant to division (B) (1) of this section, or (b) 126198  
the amount by which the local authority's LGF payments were 126199  
reduced that month pursuant to division (C) (1), (2), or (3) of 126200  
this section. Payments received by a local authority under this 126201  
division shall be used by the local authority for school safety 126202  
purposes. 126203

(D) Upon discovery, based on information in the 126204  
commissioner's possession, that a local authority required to 126205
