chief finds that the agent has violated this chapter or Chapter 32486  
1548. of the Revised Code, rules, or any agreements prescribed 32487  
by the chief. 32488

(2) A clerk of the court of common pleas may apply for 32489  
designation as an authorized agent of the chief. The division 32490  
shall accept the clerk's bond that is required under section 32491  
2303.02 of the Revised Code for any security that is required 32492  
for agents under this division, provided that the bond includes 32493  
a rider or other provision specifically covering the clerk's 32494  
duties as an authorized agent of the chief. 32495

(J) All records of the division made or kept pursuant to 32496  
this section shall be public records. Those records shall be 32497

owner's interest or, if the watercraft is owned by two persons 32504  
under joint ownership with right of survivorship established 32505  
under section 2131.12 of the Revised Code, of all or any part of 32506  
the joint interest of either of the two persons. The transfer 32507  
shall not terminate the registration certificate. 32508

(2) Any change in the address appearing on the 32509  
certificate. As a part of the notification, the owner shall 32510  
furnish the chief with the owner's new address. 32511

(L) The chief may issue duplicate registration	32513
certificates or duplicate tags to owners of currently registered	32514
watercraft, the fee for which shall be four dollars.	32515
(M) If the chief finds that a registration certificate	32516
previously issued to an owner is in error to a degree that would	32517
impair its basic purpose and use, the chief may issue a	32518
corrected certificate to the owner without charge.	32519
(N) No authorized agent shall issue and no person shall	32520
receive or accept from an authorized agent a registration	32521
certificate assigned to the authorized agent under division (I)	32522
of this section unless the exact month, day, and year of issue	32523
are plainly written on the certificate by the agent.	32524
Certificates issued with incorrect dates of issue are void from	32525
the time they are issued.	32526
(O) The chief, in accordance with Chapter 119. of the	32527

(Q) Any disabled veteran, congressional medal of honor 32551  
awardee, or prisoner of war may apply to the chief for a 32552  
certificate of registration, or for a renewal of the certificate 32553

the waterways safety fund. 32578

**Sec. 1548.06.** (A) (1) Application for a certificate of 32579  
title for a watercraft or outboard motor shall be made upon a 32580  
form prescribed by the chief of the division of parks and 32581  
watercraft and shall be sworn to before a notary public or other 32582  
officer empowered to administer oaths. The application shall be 32583  
filed with the clerk of any court of common pleas. An 32584  
application for a certificate of title may be filed 32585  
electronically by any electronic means approved by the chief in 32586  
any county with the clerk of the court of common pleas of that 32587  
county. The application shall be accompanied by the fee 32588  
prescribed in section 1548.10 of the Revised Code. The fee shall 32589  
be retained by the clerk who issues the certificate of title and 32590  
shall be distributed in accordance with that section. If a clerk 32591  
of a court of common pleas, other than the clerk of the court of 32592  
common pleas of an applicant's county of residence, issues a 32593  
certificate of title to the applicant, the clerk shall transmit 32594  
data related to the transaction to the automated title 32595  
processing system. 32596

(2) If a certificate of title previously has been issued 32597  
for the watercraft or outboard motor, the application for a 32598  
certificate of title also shall be accompanied by the 32599  
certificate of title duly assigned unless otherwise provided in 32600  
this chapter. If a certificate of title previously has not been 32601

issued for the watercraft or outboard motor in this state, the 32602  
application, unless otherwise provided in this chapter, shall be 32603  
accompanied by a manufacturer's or importer's certificate; by a 32604  
sworn statement of ownership if the watercraft or outboard motor 32605  
was purchased by the applicant on or before October 9, 1963, or 32606  
if the watercraft is less than fourteen feet long with a 32607  
permanently affixed mechanical means of propulsion and was 32608  
purchased by the applicant on or before January 1, 2000; or by a 32609  
certificate of title, bill of sale, or other evidence of 32610  
ownership required by the law of another state from which the 32611  
watercraft or outboard motor was brought into this state. 32612  
Evidence of ownership of a watercraft or outboard motor for 32613  
which an Ohio certificate of title previously has not been 32614  
issued and which watercraft or outboard motor does not have 32615  
permanently affixed to it a manufacturer's serial number shall 32616  
be accompanied by the certificate of assignment of a hull 32617  
identification number assigned by the chief as provided in 32618  
section 1548.07 of the Revised Code. 32619

(3) The clerk shall retain the evidence of title presented 32620  
by the applicant and on which the certificate of title is 32621  
issued, except that, if an application for a certificate of 32622  
title is filed electronically, by a vendor on behalf of a 32623  
purchaser of a watercraft or outboard motor, the clerk shall 32624  
retain the completed electronic record to which the vendor 32625  
converted the certificate of title application and other 32626  
required documents. The chief, after consultation with the 32627  
attorney general, shall adopt rules that govern the location at 32628  
which, and the manner in which, are stored the actual 32629  
application and all other documents relating to the sale of a 32630  
watercraft or outboard motor when a vendor files the application 32631  
for a certificate of title electronically on behalf of a 32632

purchaser. 32633

(B) The clerk shall use reasonable diligence in 32634  
ascertaining whether the facts in the application are true by 32635  
checking the application and documents accompanying it or the 32636  
electronic record to which a vendor converted the application 32637  
and accompanying documents with the records of watercraft and 32638  
outboard motors in the clerk's office. If the clerk is satisfied 32639  
that the applicant is the owner of the watercraft or outboard 32640  
motor and that the application is in the proper form, the clerk 32641  
shall issue a physical certificate of title over the clerk's 32642  
signature and sealed with the clerk's seal unless the applicant 32643  
specifically requests the clerk not to issue a physical 32644  
certificate of title and instead to issue an electronic 32645  
certificate of title. However, if the evidence indicates and an 32646  
investigation shows that one or more Ohio titles already exist 32647  
for the watercraft or outboard motor, the chief may cause the 32648  
redundant title or titles to be canceled. 32649

(C) In the case of the sale of a watercraft or outboard 32650  
motor by a vendor to a general purchaser or user, the 32651  
certificate of title shall be obtained in the name of the 32652  
purchaser by the vendor upon application signed by the 32653  
purchaser. In all other cases, the certificate shall be obtained 32654  
by the purchaser. In all cases of transfer of watercraft or 32655  
outboard motors, the application for certificate of title shall 32656  
be filed within thirty days after the later of the date of 32657  
purchase or assignment of ownership of the watercraft or 32658  
outboard motor. If the application for certificate of title is 32659  
not filed within thirty days after the later of the date of 32660  
purchase or assignment of ownership of the watercraft or 32661  
outboard motor, the clerk shall charge a late penalty fee of 32662  
five dollars in addition to the fee prescribed by section 32663

1548.10 of the Revised Code. The clerk shall retain the entire amount of each late penalty fee.

(D) The clerk shall refuse to accept an application for certificate of title unless the applicant either tenders with the application payment of all taxes levied by or pursuant to Chapter 5739. or 5741. of the Revised Code based on the applicant's county of residence less, in the case of a sale by a vendor, any discount to which the vendor is entitled under section 5739.12 of the Revised Code, or submits any of the following:

(1) A receipt issued by the tax commissioner or a clerk of courts showing payment of the tax;

(2) A copy of the unit certificate of exemption completed by the purchaser at the time of sale as provided in section 5739.03 of the Revised Code;

(3) An exemption certificate, in a form prescribed by the tax commissioner, that specifies why the purchase is not subject to the tax imposed by Chapter 5739. or 5741. of the Revised Code.

Payment of the tax shall be in accordance with rules issued by the tax commissioner, and the clerk shall issue a receipt in the form prescribed by the tax commissioner to any applicant who tenders payment of the tax with the application for the certificate of title.

(E) (1) For receiving and disbursing the taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent of the taxes collected, which shall be paid into the certificate of title administration fund created by section 325.33 of the

Revised Code. The clerk shall not retain a poundage fee from 32693  
payments of taxes by persons who do not reside in the clerk's 32694  
county. 32695

(2) A clerk, however, may retain from the taxes paid to 32696  
the clerk an amount equal to the poundage fees associated with 32697  
certificates of title issued by other clerks of courts of common 32698  
pleas to applicants who reside in the first clerk's county. The 32699  
chief of the division of parks and watercraft, in consultation 32700  
with the tax commissioner and the clerks of the courts of common 32701  
pleas, shall develop a report from the automated title 32702  
processing system that informs each clerk of the amount of the 32703  
poundage fees that the clerk is permitted to retain from those 32704  
taxes because of certificates of title issued by the clerks of 32705  
other counties to applicants who reside in the first clerk's 32706  
county. 32707

(F) In the case of casual sales of watercraft or outboard 32708  
motors that are subject to the tax imposed by Chapter 5739. or 32709  
5741. of the Revised Code, the purchase price for the purpose of 32710  
determining the tax shall be the purchase price on an affidavit 32711  
executed and filed with the clerk by the vendor on a form to be 32712  
prescribed by the chief, which shall be prima-facie evidence of 32713  
the price for the determination of the tax. In addition to the 32714  
information required by section 1548.08 of the Revised Code, 32715  
each certificate of title shall contain in bold lettering the 32716  
following notification and statements: "WARNING TO TRANSFEROR 32717  
AND TRANSFEREE (SELLER AND BUYER). You are required by law to 32718  
state the true selling price. A false statement is a violation 32719  
of section 2921.13 of the Revised Code and is punishable by six 32720  
months imprisonment or a fine of up to one thousand dollars, or 32721  
both. All transfers are audited by the department of taxation. 32722  
The seller and buyer must provide any information requested by 32723

the department of taxation. The buyer may be assessed any 32724  
additional tax found to be due." 32725

(G) Each county clerk of courts shall forward to the ~~tax-~~ 32726  
~~commissioner~~ registrar of motor vehicles, in a manner prescribed 32727  
by the tax commissioner, all sales and use tax collections 32728  
resulting from sales of titled watercraft and outboard motors 32729  
during a calendar week on or before the Friday following the 32730  
close of that week. If, on any Friday, the offices of the clerk 32731  
of courts or the state are not open for business, the tax shall 32732  
be forwarded to the ~~commissioner~~ registrar on or before the next 32733  
day on which the offices are open. Every remittance of tax under 32734  
this division shall be accompanied by a remittance report in 32735  
such form as the commissioner, in consultation with the director 32736  
of public safety, prescribes. If the tax due for any week is not 32737

law enforcement officer and any controlled substance described 33627  
in the affidavit was found by that officer during the search and 33628  
seizure; and, subsequent to the search and seizure, the landlord 33629  
was informed by that or another law enforcement officer of the 33630

the court. 35486

(2) If the court does not receive a timely request for a 35487

hearing, the court may approve the proposed change without a 35488  
hearing. If the court approves the proposed change without a 35489  
hearing, it shall journalize the case plan with the change not 35490

pursuant to section 2151.417 of the Revised Code no later than 35494  
thirty days after the expiration of the fourteen-day time period 35495  
and give notice of the date, time, and location of the hearing 35496

terminate the custody of an agency and place the child in the 35511

shall be paid to the county treasurer for deposit into either a 36739

section, the court may order, subject to an appropriation by the 36747  
board of county commissioners, that moneys remaining in the fund 36748

showing of substantial hardship and whenever justice dictates. 37205

determined by a single judge. Upon application by the claimant 37207  
or the state, the chief justice of the supreme court may assign 37208  
a panel of three judges to hear and determine a civil action 37209  
presenting novel or complex issues of law or fact. Concurrence 37210  
of two members of the panel is necessary for any judgment or 37211  
order. 37212

(3) When any dispute under division (B) of section 153.12 37217  
of the Revised Code is brought to the court of claims, upon 37218  
request of either party to the dispute, the chief justice of the 37219  
supreme court shall appoint a single referee or a panel of three 37220  
referees. The referees need not be attorneys, but shall be 37221  
persons knowledgeable about construction contract law, a member 37222  
of the construction industry panel of the American arbitration 37223  
association, or an individual or individuals deemed qualified by 37224

report, which shall include a recommendation and finding of 37231  
fact, to the judge assigned to the case by the chief justice, 37232  
within thirty days of the conclusion of the hearings. Referees 37233  
appointed pursuant to this division shall be compensated on a 37234  
per diem basis at the same rate as is paid to judges of the 37235  
court and also shall be paid their expenses. If a single referee 37236

is appointed or a panel of three referees is appointed, then, 37237  
with respect to one referee of the panel, the compensation and 37238  
expenses of the referee shall not be taxed as part of the costs 37239  
in the case but shall be included in the budget of the court. If 37240  
a panel of three referees is appointed, the compensation and 37241  
expenses of the two remaining referees shall be taxed as costs 37242  
of the case. 37243

All costs of a case shall be apportioned among the 37244  
parties. The court may not require that any party deposit with 37245

option to granting, granting with limits, restrictions, or 38628  
probationary conditions, or denying an initial license 38629  
application, the attorney general may grant a temporary license 38630  
and request additional time to conduct the investigation if the 38631  
attorney general has cause to believe that additional time is 38632  
necessary to complete the investigation and has notified the 38633  
applicant in writing about the specific concerns raised during 38634  
the investigation. 38635

meet any requirement of section 109.26, 109.31, or 1716.02, or 38652

sections 2915.07 to 2915.15 of the Revised Code or with any rule 38669  
adopted by the attorney general pursuant to this chapter. 38670

(3) If the attorney general has good cause to believe that 38671  
any director or officer of the organization has breached the 38672  
director's or officer's fiduciary duty to, or committed theft or 38673  
any other type of misconduct related to, the organization or any 38674  
other charitable organization that has been issued a bingo 38675  
license under this chapter, the attorney general may refuse to 38676  
grant a license to the organization, may impose limits, 38677  
restrictions, or probationary conditions on the license, or may 38678  
revoke or suspend the organization's license for a period not to 38679  
exceed five years. 38680

(4) The attorney general may impose a civil fine on an 38681  
organization licensed or permitted under this chapter for 38682  
failure to comply with any restrictions, limits, or probationary 38683  
conditions on its license, and for failure to comply with this 38684

chapter or any rule adopted under this chapter, according to a 38685  
schedule of fines that the attorney general shall adopt in 38686  
accordance with Chapter 119. of the Revised Code. 38687

(5) For the purposes of division (F) of this section, any 38688  
action of an officer, trustee, agent, representative, or bingo 38689

organization. 38691

(G) The attorney general may grant licenses to charitable 38692  
organizations that are branches, lodges, or chapters of national 38693  
charitable organizations. 38694

(H) The attorney general shall send notice of any of the 38695  
following actions in writing to the prosecuting attorney and 38696  
sheriff of the county in which the charitable organization is 38697  
located and to any other law enforcement agency in that county 38698  
that so requests, of all of the following: 38699

(1) The issuance of a license under this section; 38700

(2) The issuance of an amended license under this section; 38701

(3) The rejection of an application for and refusal to 38702  
grant a license under this section; 38703

(4) The revocation of any license previously issued under 38704  
this section; 38705

to Chapter 145., 148., 742., 3307., 3309., or 5505. of the 39684

of all of the following: that the motion was filed; that the 39693  
offender will be granted a hearing on the issuance of the 39694  
requested order if the offender files a written request for a 39695  
hearing with the clerk prior to the expiration of thirty days 39696  
after the offender receives the notice; that, if a hearing is 39697  
requested, the court will schedule a hearing as soon as possible 39698  
and notify the offender, any specified retirement system, any 39699

be limited only to a consideration of whether the offender can 39703  
show good cause why the requested order should not be issued; 39704  
that, if a hearing is conducted, the court will not issue the 39705

requested order if the court determines, based on evidence 39706  
presented at the hearing by the offender, that there is good 39707  
cause for the requested order not to be issued; that the court 39708  
will issue the requested order if a hearing is not requested or 39709  
if a hearing is conducted but the court does not determine, 39710  
based on evidence presented at the hearing by the offender, that 39711  
there is good cause for the requested order not to be issued; 39712  
and that, if the requested order is issued, any retirement 39713

(ii) In any case in which a sentencing court is required 39718

filed, the offender may receive a hearing on the motion by 39722

the expiration of thirty days after the offender's receipt of 39724  
the notice provided pursuant to division (C)(2)(b)(i) of this 39725  
section. If a request for a hearing is made by the offender 39726  
within the prescribed time, the court shall schedule a hearing 39727  
as soon as possible after the request is made and shall notify 39728  
the offender, the specified retirement system, the specified 39729  
provider under the alternative retirement plan, or the specified 39730  
deferred compensation program, or, if more than one is specified 39731  
in the motion, the applicable combination of these, of the date, 39732  
time, and place of the hearing. A hearing scheduled under this 39733  
division shall be limited to a consideration of whether there is 39734  
good cause, based on evidence presented by the offender, for the 39735  
requested order not to be issued. If the court determines, based 39736

on evidence presented by the offender, that there is good cause 39737  
for the order not to be issued, the court shall deny the motion 39738  
and shall not issue the requested order. If the offender does 39739  
not request a hearing within the prescribed time or if the court 39740  
conducts a hearing but does not determine, based on evidence 39741  
presented by the offender, that there is good cause for the 39742  
order not to be issued, the court shall order the specified 39743  
retirement system, the specified provider under the alternative 39744  
retirement plan, or the specified deferred compensation program, 39745  
or, if more than one is specified in the motion, the applicable 39746

under a participant account, as defined in section 148.01 of the 39750  
Revised Code, under an option in the alternative retirement 39751  
plan, or under any other type of benefit, other than a 39752  
survivorship benefit, that has been or is in the future granted 39753  
to the offender, from any payment of accumulated employee 39754  
contributions standing to the offender's credit with that 39755  
retirement system, that provider under the alternative 39756  
retirement plan, or that deferred compensation program, or, if 39757  
more than one is specified in the motion, the applicable 39758  
combination of these, and from any payment of any other amounts 39759  
to be paid to the offender upon the offender's withdrawal of the 39760  
offender's contributions pursuant to Chapter 145., 148., 742., 39761  
3307., 3309., or 5505. of the Revised Code, and to continue the 39762  
withholding for that purpose, in accordance with the order, out 39763  
of each payment to be made on or after the date of issuance of 39764  
the order, until further order of the court. Upon receipt of an 39765

Code, whichever are applicable, shall withhold the amount 39775  
required as restitution, in accordance with the order, from any 39776  
such payments and immediately shall forward the amount withheld 39777  
to the clerk of the court in which the order was issued for 39778  
payment to the entity to which restitution is to be made. 39779

(iii) Service of a notice required by division (C) (2) (b) 39780

(9) In committing the offense, the offender was motivated by prejudice based on race, ethnic background, gender, sexual orientation, or religion. 40059  
40060  
40061

(10) If the offense is a violation of section 2919.25 or a violation of section 2903.11, 2903.12, or 2903.13 of the Revised Code involving a person who was a family or household member at the time of the violation, the offender committed the offense in the vicinity of one or more children who are not victims of the offense, and the offender or the victim of the offense is a parent, guardian, custodian, or person in loco parentis of one or more of those children. 40062  
40063  
40064  
40065  
40066  
40067  
40068  
40069

(C) The sentencing court shall consider all of the following that apply regarding the offender, the offense, or the victim, and any other relevant factors, as indicating that the offender's conduct is less serious than conduct normally constituting the offense: 40070  
40071  
40072  
40073  
40074

(1) The victim induced or facilitated the offense. 40075

(2) In committing the offense, the offender acted under strong provocation. 40076  
40077

(3) In committing the offense, the offender did not cause or expect to cause physical harm to any person or property. 40078  
40079

(4) There are substantial grounds to mitigate the offender's conduct, although the grounds are not enough to constitute a defense. 40080  
40081  
40082

(D) The sentencing court shall consider all of the following that apply regarding the offender, and any other 40083  
40084

relevant factors, as factors indicating that the offender is 40085  
likely to commit future crimes: 40086

(1) At the time of committing the offense, the offender 40087  
was under release from confinement before trial or sentencing; 40088  
was under a sanction imposed pursuant to section 2929.16, 40089  
2929.17, or 2929.18 of the Revised Code; was under post-release 40090  
control pursuant to section 2967.28 or any other provision of 40091  
the Revised Code for an earlier offense or had been unfavorably 40092  
terminated from post-release control for a prior offense 40093  
pursuant to division (B) of section 2967.16 or section 2929.141 40094  
of the Revised Code; was under transitional control in 40095  
connection with a prior offense; or had absconded from the 40096  
offender's approved community placement resulting in the 40097  
offender's removal from the transitional control program under 40098  
section 2967.26 of the Revised Code. 40099

(2) The offender previously was adjudicated a delinquent 40100  
child pursuant to Chapter 2151. of the Revised Code prior to 40101  
January 1, 2002, or pursuant to Chapter 2152. of the Revised 40102  
Code, or the offender has a history of criminal convictions. 40103

(3) The offender has not been rehabilitated to a 40104  
satisfactory degree after previously being adjudicated a 40105  
delinquent child pursuant to Chapter 2151. of the Revised Code 40106  
prior to January 1, 2002, or pursuant to Chapter 2152. of the 40107  
Revised Code, or the offender has not responded favorably to 40108  
sanctions previously imposed for criminal convictions. 40109

(4) The offender has demonstrated a pattern of drug or 40110  
alcohol abuse that is related to the offense, and the offender 40111  
refuses to acknowledge that the offender has demonstrated that 40112  
pattern, or the offender refuses treatment for the drug or 40113  
alcohol abuse. 40114

(5) The offender shows no genuine remorse for the offense.	40115
(E) The sentencing court shall consider all of the	40116
following that apply regarding the offender, and any other	40117
relevant factors, as factors indicating that the offender is not	40118
likely to commit future crimes:	40119
(1) Prior to committing the offense, the offender had not	40120
been adjudicated a delinquent child.	40121
(2) Prior to committing the offense, the offender had not	40122
been convicted of or pleaded guilty to a criminal offense.	40123
(3) Prior to committing the offense, the offender had led	40124
a law-abiding life for a significant number of years.	40125
(4) The offense was committed under circumstances not	40126
likely to recur.	40127
(5) Except as provided in division (G) of this section,	40128
the offender shows genuine remorse for the offense.	40129
(F) The sentencing court shall consider the offender's	40130
military service record and whether the offender has an	40131
emotional, mental, or physical condition that is traceable to	40132
the offender's service in the armed forces of the United States	40133
and that was a contributing factor in the offender's commission	40134
of the offense or offenses.	40135
(G) If the offender enters an Alford plea, the sentencing	40136
court shall not consider whether the offender showed genuine	40137
remorse for the offense <u>and shall not impose as any condition of</u>	40138
<u>the sentence a requirement that the offender admit guilt.</u>	40139
<b>Sec. 2929.15.</b> (A) (1) If in sentencing an offender for a	40140
felony the court is not required to impose a prison term, a	40141
mandatory prison term, or a term of life imprisonment upon the	40142

offender, the court may directly impose a sentence that consists 40143  
of one or more community control sanctions authorized pursuant 40144  
to section 2929.16, 2929.17, or 2929.18 of the Revised Code. If 40145  
the court is sentencing an offender for a fourth degree felony 40146  
OVI offense under division (G) (1) of section 2929.13 of the 40147  
Revised Code, in addition to the mandatory term of local 40148  
incarceration imposed under that division and the mandatory fine 40149  
required by division (B) (3) of section 2929.18 of the Revised 40150  
Code, the court may impose upon the offender a community control 40151  
sanction or combination of community control sanctions in 40152  
accordance with sections 2929.16 and 2929.17 of the Revised 40153  
Code. If the court is sentencing an offender for a third or 40154  
fourth degree felony OVI offense under division (G) (2) of 40155  
section 2929.13 of the Revised Code, in addition to the 40156  
mandatory prison term or mandatory prison term and additional 40157  
prison term imposed under that division, the court also may 40158  
impose upon the offender a community control sanction or 40159  
combination of community control sanctions under section 2929.16 40160  
or 2929.17 of the Revised Code, but the offender shall serve all 40161  
of the prison terms so imposed prior to serving the community 40162  
control sanction. 40163

The duration of all community control sanctions imposed on 40164  
an offender under this division shall not exceed five years. If 40165  
the offender absconds or otherwise leaves the jurisdiction of 40166  
the court in which the offender resides without obtaining 40167  
permission from the court or the offender's probation officer to 40168  
leave the jurisdiction of the court, or if the offender is 40169  
confined in any institution for the commission of any offense 40170  
while under a community control sanction, the period of the 40171  
community control sanction ceases to run until the offender is 40172  
brought before the court for its further action. If the court 40173

sentences the offender to one or more nonresidential sanctions 40174  
under section 2929.17 of the Revised Code, the court shall 40175  
impose as a condition of the nonresidential sanctions that, 40176  
during the period of the sanctions, the offender must abide by 40177  
the law and must not leave the state without the permission of 40178  
the court or the offender's probation officer. The court may 40179  
impose any other conditions of release under a community control 40180  
sanction that the court considers appropriate, including, but 40181  
not limited to, requiring that the offender not ingest or be 40182  
injected with a drug of abuse and submit to random drug testing 40183  
as provided in division (D) of this section to determine whether 40184  
the offender ingested or was injected with a drug of abuse and 40185  
requiring that the results of the drug test indicate that the 40186  
offender did not ingest or was not injected with a drug of 40187  
abuse. 40188

(2) (a) If a court sentences an offender to any community 40189  
control sanction or combination of community control sanctions 40190  
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of 40191  
the Revised Code, the court shall place the offender under the 40192  
general control and supervision of a department of probation in 40193  
the county that serves the court for purposes of reporting to 40194  
the court a violation of any condition of the sanctions, any 40195  
condition of release under a community control sanction imposed 40196  
by the court, a violation of law, or the departure of the 40197  
offender from this state without the permission of the court or 40198  
the offender's probation officer. Alternatively, if the offender 40199  
resides in another county and a county department of probation 40200  
has been established in that county or that county is served by 40201  
a multicounty probation department established under section 40202  
2301.27 of the Revised Code, the court may request the court of 40203  
common pleas of that county to receive the offender into the 40204

general control and supervision of that county or multicounty 40205  
department of probation for purposes of reporting to the court a 40206  
violation of any condition of the sanctions, any condition of 40207  
release under a community control sanction imposed by the court, 40208  
a violation of law, or the departure of the offender from this 40209  
state without the permission of the court or the offender's 40210  
probation officer, subject to the jurisdiction of the trial 40211  
judge over and with respect to the person of the offender, and 40212  
to the rules governing that department of probation. 40213

If there is no department of probation in the county that 40214  
serves the court, the court shall place the offender, regardless 40215  
of the offender's county of residence, under the general control 40216  
and supervision of the adult parole authority, unless the court 40217  
has entered into an agreement with the authority as described in 40218  
division (B) or (C) of section 2301.32 of the Revised Code, or 40219  
under an entity authorized under division (B) of section 2301.27 40220  
of the Revised Code to provide probation and supervisory 40221  
services to counties for purposes of reporting to the court a 40222  
violation of any of the sanctions, any condition of release 40223  
under a community control sanction imposed by the court, a 40224  
violation of law, or the departure of the offender from this 40225  
state without the permission of the court or the offender's 40226  
probation officer. 40227

(b) If the court imposing sentence on an offender 40228  
sentences the offender to any community control sanction or 40229  
combination of community control sanctions authorized pursuant 40230  
to section 2929.16, 2929.17, or 2929.18 of the Revised Code, and 40231  
if the offender violates any condition of the sanctions, 40232  
violates any condition of release under a community control 40233  
sanction imposed by the court, violates any law, or departs the 40234  
state without the permission of the court or the offender's 40235

probation officer, the public or private person or entity that 40236  
operates or administers the sanction or the program or activity 40237  
that comprises the sanction shall report the violation or 40238  
departure directly to the sentencing court, or shall report the 40239  
violation or departure to the county or multicounty department 40240  
of probation with general control and supervision over the 40241  
offender under division (A) (2) (a) of this section or the officer 40242  
of that department who supervises the offender, or, if there is 40243  
no such department with general control and supervision over the 40244  
offender under that division, to the adult parole authority 40245  
unless the court has entered into an agreement with the 40246  
authority as described in division (B) or (C) of section 2301.32 40247  
of the Revised Code, or to an entity authorized under division 40248  
(B) of section 2301.27 of the Revised Code to provide probation 40249  
and supervisory services to the county. If the public or private 40250  
person or entity that operates or administers the sanction or 40251  
the program or activity that comprises the sanction reports the 40252  
violation or departure to the county or multicounty department 40253  
of probation, the adult parole authority, or any other entity 40254  
providing probation and supervisory services to the county, the 40255  
department's, authority's, or other entity's officers may treat 40256  
the offender as if the offender were on probation and in 40257  
violation of the probation, and shall report the violation of 40258  
the condition of the sanction, any condition of release under a 40259  
community control sanction imposed by the court, the violation 40260  
of law, or the departure from the state without the required 40261  
permission to the sentencing court. 40262

(3) If an offender who is eligible for community control 40263  
sanctions under this section admits to having a drug addiction 40264  
or the court has reason to believe that the offender has a drug 40265  
addiction, and if the offense for which the offender is being 40266

sentenced was related to the addiction, the court may require 40267  
that the offender be assessed by a properly credentialed 40268  
professional within a specified period of time and shall require 40269  
the professional to file a written assessment of the offender 40270  
with the court. If a court imposes treatment and recovery 40271  
support services as a community control sanction, the court 40272  
shall direct the level and type of treatment and recovery 40273  
support services after consideration of the written assessment, 40274  
if available at the time of sentencing, and recommendations of 40275  
the professional and other treatment and recovery support 40276  
services providers. 40277

(4) If an assessment completed pursuant to division (A) (3) 40278  
of this section indicates that the offender has an addiction to 40279  
drugs or alcohol, the court may include in any community control 40280  
sanction imposed for a violation of section 2925.02, 2925.03, 40281  
2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 40282  
2925.36, or 2925.37 of the Revised Code a requirement that the 40283  
offender participate in alcohol and drug addiction services and 40284  
recovery supports certified under section 5119.36 of the Revised 40285  
Code or offered by a properly credentialed community addiction 40286  
services provider. 40287

(B) (1) Except as provided in division (B) (2) of this 40288  
section, if the conditions of a community control sanction 40289  
imposed for a felony are violated or if the offender violates a 40290  
law or leaves the state without the permission of the court or 40291  
the offender's probation officer, the sentencing court may 40292  
impose on the violator one or more of the following penalties: 40293

(a) A longer time under the same sanction if the total 40294  
time under the sanctions does not exceed the five-year limit 40295  
specified in division (A) of this section; 40296

(b) A more restrictive sanction under section 2929.16, 40297  
2929.17, or 2929.18 of the Revised Code, including but not 40298  
limited to, a new term in a community-based correctional 40299  
facility, halfway house, or jail pursuant to division (A) (6) of 40300  
section 2929.16 of the Revised Code; 40301

(c) A prison term on the offender pursuant to section 40302  
2929.14 of the Revised Code and division (B) (3) of this section, 40303  
provided that a prison term imposed under this division is 40304  
subject to the following limitations and rules, as applicable: 40305

(i) If the prison term is imposed for any technical 40306  
violation of the conditions of a community control sanction 40307  
imposed for a felony of the fifth degree, the prison term shall 40308  
not exceed ninety days, provided that if the remaining period of 40309  
community control at the time of the violation or the remaining 40310  
period of the reserved prison sentence at that time is less than 40311  
ninety days, the prison term shall not exceed the length of the 40312  
remaining period of community control or the remaining period of 40313  
the reserved prison sentence. If the court imposes a prison term 40314  
as described in this division, division (B) (2) (b) of this 40315  
section applies. 40316

(ii) If the prison term is imposed for any technical 40317  
violation of the conditions of a community control sanction 40318  
imposed for a felony of the fourth degree that is not an offense 40319  
of violence and is not a sexually oriented offense, the prison 40320  
term shall not exceed one hundred eighty days, provided that if 40321  
the remaining period of the community control at the time of the 40322  
violation or the remaining period of the reserved prison 40323  
sentence at that time is less than one hundred eighty days, the 40324  
prison term shall not exceed the length of the remaining period 40325  
of community control or the remaining period of the reserved 40326

prison sentence. If the court imposes a prison term as described 40327  
in this division, division (B) (2) (b) of this section applies. 40328

(iii) A court is not limited in the number of times it may 40329  
sentence an offender to a prison term under division (B) (1) (c) 40330  
of this section for a violation of the conditions of a community 40331  
control sanction or for a violation of a law or leaving the 40332  
state without the permission of the court or the offender's 40333  
probation officer. If an offender who is under a community 40334  
control sanction violates the conditions of the sanction or 40335  
violates a law or leaves the state without the permission of the 40336  
court or the offender's probation officer, is sentenced to a 40337  
prison term for the violation or conduct, is released from the 40338  
term after serving it, and subsequently violates the conditions 40339  
of the sanction or violates a law or leaves the state without 40340  
the permission of the court or the offender's probation officer, 40341  
the court may impose a new prison term sanction on the offender 40342  
under division (B) (1) (c) of this section for the subsequent 40343  
violation or conduct. 40344

(2) (a) If an offender was acting pursuant to division (B) 40345  
(2) (b) of section 2925.11 or a related provision of section 40346  
2925.12, 2925.14, or 2925.141 of the Revised Code and in so 40347  
doing violated the conditions of a community control sanction 40348  
based on a minor drug possession offense, as defined in section 40349  
2925.11 of the Revised Code, or violated section 2925.12, 40350  
division (C) (1) of section 2925.14, or section 2925.141 of the 40351  
Revised Code, the sentencing court shall not impose any of the 40352  
penalties described in division (B) (1) of this section based on 40353  
the violation. 40354

(b) If a court imposes a prison term on an offender under 40355  
division (B) (1) (c) (i) or (ii) of this section for a technical 40356

violation of the conditions of a community control sanction, one 40357  
of the following is applicable with respect to the time that the 40358  
offender spends in prison under the term: 40359

(i) Subject to division (B)(2)(b)(ii) of this section, it 40360  
shall be credited against the offender's community control 40361  
sanction that was being served at the time of the violation, and 40362  
the remaining time under that community control sanction shall 40363  
be reduced by the time that the offender spends in prison under 40364  
the prison term. By determination of the court, the offender 40365  
upon release from the prison term either shall continue serving 40366  
the remaining time under the community control sanction, as 40367  
reduced under this division, or shall have the community control 40368  
sanction terminated. 40369

(ii) If, at the time a prison term is imposed for a 40370  
technical violation, the offender was serving a residential 40371  
community control sanction imposed under section 2929.16 of the 40372  
Revised Code, the time spent serving the residential community 40373  
control sanction shall be credited against the offender's 40374  
reserved prison sentence, and the remaining time under that 40375  
residential community control sanction and under the reserved 40376  
prison sentence shall be reduced by the time that the offender 40377  
spends in prison under the prison term. By determination of the 40378  
court, the offender upon release from the prison term either 40379  
shall continue serving the remaining time under the residential 40380  
community control sanction, as reduced under this division, or 40381  
shall have the residential community control sanction 40382  
terminated. 40383

(3) The prison term, if any, imposed on a violator 40384  
pursuant to this division and division (B)(1) of this section 40385  
shall be within the range of prison terms described in this 40386

division and shall not exceed a prison term from the range of 40387  
terms specified in the notice provided to the offender at the 40388  
sentencing hearing pursuant to division (B) (4) of section 40389  
2929.19 of the Revised Code. The court may reduce the longer 40390  
period of time that the offender is required to spend under the 40391  
longer sanction, the more restrictive sanction, or a prison term 40392  
imposed pursuant to division (B) (1) of this section by the time 40393  
the offender successfully spent under the sanction that was 40394  
initially imposed. Except as otherwise specified in this 40395  
division, the prison term imposed under this division and 40396  
division (B) (1) of this section shall be within the range of 40397  
prison terms available as a definite term for the offense for 40398  
which the sanction that was violated was imposed. If the offense 40399  
for which the sanction that was violated was imposed is a felony 40400  
of the first or second degree committed on or after March 22, 40401  
2019, the prison term so imposed under this division shall be 40402  
within the range of prison terms available as a minimum term for 40403  
the offense under division (A) (1) (a) or (2) (a) of section 40404  
2929.14 of the Revised Code. 40405

(C) If an offender, for a significant period of time, 40406  
fulfills the conditions of a sanction imposed pursuant to 40407  
section 2929.16, 2929.17, or 2929.18 of the Revised Code in an 40408  
exemplary manner, the court may reduce the period of time under 40409  
the sanction or impose a less restrictive sanction, but the 40410  
court shall not permit the offender to violate any law or permit 40411  
the offender to leave the state without the permission of the 40412  
court or the offender's probation officer. 40413

(D) (1) If a court under division (A) (1) of this section 40414  
imposes a condition of release under a community control 40415  
sanction that requires the offender to submit to random drug 40416  
testing, the department of probation, the adult parole 40417

authority, or any other entity that has general control and 40418  
supervision of the offender under division (A) (2) (a) of this 40419  
section may cause the offender to submit to random drug testing 40420  
performed by a laboratory or entity that has entered into a 40421  
contract with any of the governmental entities or officers 40422  
authorized to enter into a contract with that laboratory or 40423  
entity under section 341.26, 753.33, or 5120.63 of the Revised 40424  
Code. 40425

(2) If no laboratory or entity described in division (D) 40426  
(1) of this section has entered into a contract as specified in 40427  
that division, the department of probation, the adult parole 40428  
authority, or any other entity that has general control and 40429  
supervision of the offender under division (A) (2) (a) of this 40430  
section shall cause the offender to submit to random drug 40431  
testing performed by a reputable public laboratory to determine 40432  
whether the individual who is the subject of the drug test 40433  
ingested or was injected with a drug of abuse. 40434

(3) A laboratory or entity that has entered into a 40435  
contract pursuant to section 341.26, 753.33, or 5120.63 of the 40436  
Revised Code shall perform the random drug tests under division 40437  
(D) (1) of this section in accordance with the applicable 40438  
standards that are included in the terms of that contract. A 40439  
public laboratory shall perform the random drug tests under 40440  
division (D) (2) of this section in accordance with the standards 40441  
set forth in the policies and procedures established by the 40442  
department of rehabilitation and correction pursuant to section 40443  
5120.63 of the Revised Code. An offender who is required under 40444  
division (A) (1) of this section to submit to random drug testing 40445  
as a condition of release under a community control sanction and 40446  
whose test results indicate that the offender ingested or was 40447  
injected with a drug of abuse shall pay the fee for the drug 40448

test if the department of probation, the adult parole authority, 40449  
or any other entity that has general control and supervision of 40450  
the offender requires payment of a fee. A laboratory or entity 40451  
that performs the random drug testing on an offender under 40452  
division (D) (1) or (2) of this section shall transmit the 40453  
results of the drug test to the appropriate department of 40454  
probation, the adult parole authority, or any other entity that 40455  
has general control and supervision of the offender under 40456  
division (A) (2) (a) of this section. 40457

(E) As used in this section, "technical violation" means a 40458  
violation of the conditions of a community control sanction 40459  
imposed for a felony of the fifth degree, or for a felony of the 40460  
fourth degree that is not an offense of violence and is not a 40461  
sexually oriented offense, and to which neither of the following 40462  
applies: 40463

(1) The violation consists of a new criminal offense that 40464  
is a felony or that is a misdemeanor other than a minor 40465  
misdemeanor, and the violation is committed while under the 40466  
community control sanction. 40467

(2) The violation consists of or includes the offender's 40468  
articulated or demonstrated refusal to participate in the 40469  
community control sanction imposed on the offender or any of its 40470  
conditions, and the refusal demonstrates to the court that the 40471  
offender has abandoned the objects of the community control 40472  
sanction or condition. 40473

(F) A court shall not, under division (A) (1) of this 40474  
section, impose a condition of release under a community control 40475  
sanction that requires an offender who has pleaded guilty by 40476  
entering an Alford plea to otherwise admit guilt for the 40477  
offense. 40478

**Sec. 2929.25.** (A) (1) Except as provided in sections 40479  
2929.22 and 2929.23 of the Revised Code or when a jail term is 40480  
required by law, in sentencing an offender for a misdemeanor, 40481  
other than a minor misdemeanor, the sentencing court may do 40482  
either of the following: 40483

(a) Directly impose a sentence that consists of one or 40484  
more community control sanctions authorized by section 2929.26, 40485  
2929.27, or 2929.28 of the Revised Code. The court may impose 40486  
any other conditions of release under a community control 40487  
sanction that the court considers appropriate. If the court 40488  
imposes a jail term upon the offender, the court may impose any 40489  
community control sanction or combination of community control 40490  
sanctions in addition to the jail term. 40491

(b) Impose a jail term under section 2929.24 of the 40492  
Revised Code from the range of jail terms authorized under that 40493  
section for the offense, suspend all or a portion of the jail 40494  
term imposed, and place the offender under a community control 40495  
sanction or combination of community control sanctions 40496  
authorized under section 2929.26, 2929.27, or 2929.28 of the 40497  
Revised Code. 40498

(2) The duration of all community control sanctions 40499  
imposed upon an offender and in effect for an offender at any 40500  
time shall not exceed five years. 40501

(3) At sentencing, if a court directly imposes a community 40502  
control sanction or combination of community control sanctions 40503  
pursuant to division (A) (1) (a) or (B) of this section, the court 40504  
shall state the duration of the community control sanctions 40505  
imposed and shall notify the offender that if any of the 40506  
conditions of the community control sanctions are violated the 40507  
court may do any of the following: 40508

(a) Impose a longer time under the same community control 40509  
sanction if the total time under all of the offender's community 40510  
control sanctions does not exceed the five-year limit specified 40511  
in division (A) (2) of this section; 40512

(b) Impose a more restrictive community control sanction 40513  
under section 2929.26, 2929.27, or 2929.28 of the Revised Code, 40514  
but the court is not required to impose any particular sanction 40515  
or sanctions; 40516

(c) Impose a definite jail term from the range of jail 40517  
terms authorized for the offense under section 2929.24 of the 40518  
Revised Code. 40519

(B) If a court sentences an offender to any community 40520  
control sanction or combination of community control sanctions 40521  
pursuant to division (A) (1) (a) of this section, the sentencing 40522  
court retains jurisdiction over the offender and the period of 40523  
community control for the duration of the period of community 40524  
control. Upon the motion of either party or on the court's own 40525  
motion, the court, in the court's sole discretion and as the 40526  
circumstances warrant, may modify the community control 40527  
sanctions or conditions of release previously imposed, 40528  
substitute a community control sanction or condition of release 40529  
for another community control sanction or condition of release 40530  
previously imposed, or impose an additional community control 40531  
sanction or condition of release. 40532

(C) (1) If a court sentences an offender to any community 40533  
control sanction or combination of community control sanctions 40534  
authorized under section 2929.26, 2929.27, or 2929.28 of the 40535  
Revised Code, the court shall place the offender under the 40536  
general control and supervision of the court or of a department 40537  
of probation in the jurisdiction that serves the court for 40538

purposes of reporting to the court a violation of any of the 40539  
conditions of the sanctions imposed. If the offender resides in 40540  
another jurisdiction and a department of probation has been 40541  
established to serve the municipal court or county court in that 40542  
jurisdiction, the sentencing court may request the municipal 40543  
court or the county court to receive the offender into the 40544  
general control and supervision of that department of probation 40545  
for purposes of reporting to the sentencing court a violation of 40546  
any of the conditions of the sanctions imposed. The sentencing 40547  
court retains jurisdiction over any offender whom it sentences 40548  
for the duration of the sanction or sanctions imposed. 40549

(2) The sentencing court shall require as a condition of 40550  
any community control sanction that the offender abide by the 40551  
law and not leave the state without the permission of the court 40552  
or the offender's probation officer. In the interests of doing 40553  
justice, rehabilitating the offender, and ensuring the 40554  
offender's good behavior, the court may impose additional 40555  
requirements on the offender. The offender's compliance with the 40556  
additional requirements also shall be a condition of the 40557  
community control sanction imposed upon the offender. 40558

(D) (1) If the court imposing sentence upon an offender 40559  
sentences the offender to any community control sanction or 40560  
combination of community control sanctions authorized under 40561  
section 2929.26, 2929.27, or 2929.28 of the Revised Code, and if 40562  
the offender violates any of the conditions of the sanctions, 40563  
the public or private person or entity that supervises or 40564  
administers the program or activity that comprises the sanction 40565  
shall report the violation directly to the sentencing court or 40566  
to the department of probation or probation officer with general 40567  
control and supervision over the offender. If the public or 40568  
private person or entity reports the violation to the department 40569

of probation or probation officer, the department or officer 40570  
shall report the violation to the sentencing court. 40571

(2) Except as provided in division (D) (3) of this section, 40572  
if an offender violates any condition of a community control 40573  
sanction, the sentencing court may impose upon the violator one 40574  
or more of the following penalties: 40575

(a) A longer time under the same community control 40576  
sanction if the total time under all of the community control 40577  
sanctions imposed on the violator does not exceed the five-year 40578  
limit specified in division (A) (2) of this section; 40579

(b) A more restrictive community control sanction; 40580

(c) A combination of community control sanctions, 40581  
including a jail term. 40582

(3) If an offender was acting pursuant to division (B) (2) 40583  
(b) of section 2925.11 or a related provision under section 40584  
2925.12, 2925.14, or 2925.141 of the Revised Code and in so 40585  
doing violated the conditions of a community control sanction 40586  
based on a minor drug possession offense, as defined in section 40587  
2925.11 of the Revised Code, or violated section 2925.12, 40588  
division (C) (1) of section 2925.14, or section 2925.141 of the 40589  
Revised Code, the sentencing court shall not impose any of the 40590  
penalties described in division (D) (2) of this section based on 40591  
the violation. 40592

(4) If the court imposes a jail term upon a violator 40593  
pursuant to division (D) (2) of this section, the total time 40594  
spent in jail for the misdemeanor offense and the violation of a 40595  
condition of the community control sanction shall not exceed the 40596  
maximum jail term available for the offense for which the 40597  
sanction that was violated was imposed. The court may reduce the 40598

longer period of time that the violator is required to spend 40599  
under the longer sanction or the more restrictive sanction 40600  
imposed under division (D) (2) of this section by all or part of 40601  
the time the violator successfully spent under the sanction that 40602  
was initially imposed. 40603

(E) Except as otherwise provided in this division, if an 40604  
offender, for a significant period of time, fulfills the 40605  
conditions of a community control sanction imposed pursuant to 40606  
section 2929.26, 2929.27, or 2929.28 of the Revised Code in an 40607  
exemplary manner, the court may reduce the period of time under 40608  
the community control sanction or impose a less restrictive 40609  
community control sanction. Fulfilling the conditions of a 40610  
community control sanction does not relieve the offender of a 40611  
duty to make restitution under section 2929.28 of the Revised 40612  
Code. 40613

(F) A court shall not, under division (A) (1) of this 40614  
section, impose a condition of release under a community control 40615  
sanction that requires an offender who has pleaded guilty by 40616  
entering an Alford plea to otherwise admit guilt for the 40617  
offense. 40618

**Sec. 2949.12.** (A) Unless the execution of sentence is 40619  
suspended or, the convicted felon has less than thirty days to 40620  
serve in prison and the department of rehabilitation and 40621  
correction, the county sheriff, and the court agree otherwise, 40622  
or, for convictions occurring on or after the effective date of 40623  
this amendment, the convicted felon is under eighteen years of 40624  
age, a convicted felon who is sentenced to serve a term of 40625  
imprisonment in a state correctional institution shall be 40626  
conveyed, within five days after sentencing, excluding 40627  
Saturdays, Sundays, and legal holidays, by the sheriff of the 40628

county in which the conviction was had to the facility that is 40629  
designated by the department of rehabilitation and correction 40630  
for the reception of convicted felons. The sheriff shall deliver 40631  
the convicted felon into the custody of the managing officer of 40632  
the reception facility and, at that time, unless the department 40633  
and the sheriff have agreed to electronically processed prisoner 40634  
commitment, shall present the managing officer with a copy of 40635  
the convicted felon's sentence that clearly describes each 40636  
offense for which the felon was sentenced to a correctional 40637  
institution, designates each section of the Revised Code that 40638  
the felon violated and that resulted in the felon's conviction 40639  
and sentence to a correctional institution, designates the 40640  
sentence imposed for each offense for which the felon was 40641  
sentenced to a correctional institution, and, pursuant to 40642  
section 2967.191 of the Revised Code, specifies the total number 40643  
of days, if any, that the felon was confined for any reason 40644  
prior to conviction and sentence. The sheriff, at that time, 40645  
also shall present the managing officer with a copy of the 40646  
indictment. The clerk of the court of common pleas shall furnish 40647  
the copies of the sentence and indictment. In the case of a 40648  
person under the age of eighteen years who is certified to the 40649  
court of common pleas by the juvenile court, the clerk of the 40650  
court of common pleas also shall attach a copy of the 40651  
certification to the copy of the indictment. 40652

The convicted felon shall be assigned to an institution or 40653  
designated to be housed in a county, multicounty, municipal, 40654  
municipal-county, or multicounty-municipal jail or workhouse, if 40655  
authorized pursuant to section 5120.161 of the Revised Code, 40656  
shall be conveyed to the institution, jail, or workhouse, and 40657  
shall be kept within the institution, jail, or workhouse until 40658  
the term of the felon's imprisonment expires, the felon is 40659

pardoned, paroled, or placed under a post-release control 40660  
sanction, or the felon is transferred under laws permitting the 40661  
transfer of prisoners. If the execution of the felon's sentence 40662  
is suspended, and the judgment thereafter affirmed, the felon 40663  
shall be conveyed, in the same manner as if the execution of the 40664  
felon's sentence had not been suspended, to the reception 40665  
facility as soon as practicable after the judge directs the 40666  
execution of sentence. The trial judge or other judge of the 40667  
court, in the judge's discretion and for good cause shown, may 40668  
extend the time of the conveyance. 40669

(B) (1) A convicted felon who is under eighteen years old 40670  
at the execution of sentence shall be committed to the 40671  
department of youth services and assigned to an institution 40672  
within the department of youth services and, within five days 40673  
after sentencing, excluding Saturdays, Sundays, and legal 40674  
holidays, the sheriff of the county in which the conviction was 40675  
had shall deliver the felon to the facility designated by the 40676  
department of youth services. The sheriff, at that time, shall 40677  
present the managing officer with a copy of the sentence, a copy 40678  
of the indictment, and a copy of the certification from the 40679  
juvenile court to the court of common pleas. The convicted felon 40680  
shall be held in the institution operated by the department of 40681  
youth services until the felon is eighteen years of age, until 40682  
the term of the felon's imprisonment expires, until the felon is 40683  
pardoned, paroled, or placed under a post-release control 40684  
sanction, until the department of youth services, in the 40685  
discretion of the director of youth services, lacks capacity to 40686  
house the felon, or until the felon is transferred under laws 40687  
permitting the transfer of prisoners. 40688

(2) A convicted felon who is committed to the department 40689  
of youth services under division (B) (1) of this section shall be 40690

transferred to the department of rehabilitation and correction 40691  
and committed to an institution under division (A) of this 40692  
section for the remainder of the felon's sentence when the felon 40693  
attains the age of eighteen or when the felon, because of a rule 40694  
violation or violations, is determined by the department of 40695  
youth services to a danger to self or others. At the time of a 40696  
transfer under division (B) (2) of this section, the sheriff 40697  
shall present the managing officer with a copy of the sentence, 40698  
a copy of the indictment, and a copy of the certification from 40699  
the juvenile court to the court of common pleas. 40700

**Sec. 2953.32.** (A) (1) Sections 2953.32 ~~to~~ and 2953.34 of 40701  
the Revised Code do not apply to any of the following: 40702

(a) Convictions under Chapter 4506., 4507., 4510., 4511., 40703

Code; 40716

(e) Convictions for a violation of section 2921.41 of the 40717  
Revised Code; 40718

(f) Convictions of a felony of the first or second degree; 40719

(b) When two or three convictions result from the same indictment, information, or complaint, from the same plea of guilty, or from the same official proceeding, and result from related criminal acts that were committed within a three-month period but do not result from the same act or from offenses

division (D) (1) (i) of this section that it is not in the public 40751  
interest for the two or three convictions to be counted as one 40752  
conviction. 40753

(B) (1) Except as provided in section 2953.61 of the 40754

case was pending when bail was forfeited for the sealing or 40807  
expungement of the record of the case that pertains to the 40808  
charge. Except as provided in section 2953.61 of the Revised 40809  
Code, the application may be filed at whichever of the following 40810  
times is applicable regarding the offense: 40811

(a) An application for sealing under this section may be 40812  
made at any time after the date on which the bail forfeiture was 40813  
entered upon the minutes of the court or the journal, whichever 40814  
entry occurs first. 40815

(b) An application for expungement under this section may 40816  
be made at whichever of the following times is applicable 40817  
regarding the offense: 40818

(i) Except as provided in division (B) (2) (b) (ii) of this 40819  
section, at any time after the expiration of one year from the 40820  
date on which the bail forfeiture was entered upon the minutes 40821  
of the court or the journal, whichever entry occurs first; 40822

(ii) If the offense is a minor misdemeanor, at any time 40823  
after the expiration of six months from the date on which the 40824  
bail forfeiture was entered upon the minutes of the court or the 40825  
journal, whichever entry occurs first. 40826

(C) Upon the filing of an application under this section, 40827  
the court shall set a date for a hearing and shall notify the 40828  
prosecutor for the case of the hearing on the application not 40829  
less than sixty days prior to the hearing. Pursuant to the Ohio 40830  
Constitution, the prosecutor shall provide timely notice of the 40831  
application and the date and time of the hearing to a victim and 40832  
victim's representative, if applicable, if the victim or 40833  
victim's representative requested notice of the proceedings in 40834  
the underlying case. The court shall hold the hearing not less 40835

than forty-five days and not more than ninety days from the date 40836  
of the filing of the application. The prosecutor may object to 40837  
the granting of the application by filing a written objection 40838  
with the court not later than thirty days prior to the date set 40839  
for the hearing. The prosecutor shall specify in the objection 40840  
the reasons for believing a denial of the application is 40841  
justified. The victim, victim's representative, and victim's 40842  
attorney, if applicable, may be present and heard orally, in 40843  
writing, or both at any hearing under this section. The court 40844  
shall direct its regular probation officer, a state probation 40845  
officer, or the department of probation of the county in which 40846  
the applicant resides to make inquiries and written reports as 40847  
the court requires concerning the applicant. The probation 40848  
officer or county department of probation that the court directs 40849  
to make inquiries and written reports as the court requires 40850  
concerning the applicant shall determine whether or not the 40851  
applicant was fingerprinted at the time of arrest or under 40852  
section 109.60 of the Revised Code. If the applicant was so 40853  
fingerprinted, the probation officer or county department of 40854  
probation shall include with the written report a record of the 40855  
applicant's fingerprints. If the applicant was convicted of or 40856  
pleaded guilty to a violation of division (A) (2) or (B) of 40857  
section 2919.21 of the Revised Code, the probation officer or 40858  
county department of probation that the court directed to make 40859  
inquiries concerning the applicant shall contact the child 40860  
support enforcement agency enforcing the applicant's obligations 40861  
under the child support order to inquire about the offender's 40862  
compliance with the child support order. 40863

(D) (1) At the hearing held under division (C) of this 40864  
section, the court shall do each of the following: 40865

(a) Determine whether the applicant is pursuing sealing or 40866

expunging a conviction of an offense that is prohibited under 40867  
division (A) of this section or whether the forfeiture of bail 40868  
was agreed to by the applicant and the prosecutor in the case, 40869  
and determine whether the application was made at the time 40870  
specified in division (B) (1) (a) or (b) or division (B) (2) (a) or 40871  
(b) of this section that is applicable with respect to the 40872  
application and the subject offense; 40873

(b) Determine whether criminal proceedings are pending 40874  
against the applicant; 40875

(c) Determine whether the applicant has been rehabilitated 40876  
to the satisfaction of the court; 40877

(d) If the prosecutor has filed an objection in accordance 40878  
with division (C) of this section, consider the reasons against 40879  
granting the application specified by the prosecutor in the 40880  
objection; 40881

(e) If the victim objected, pursuant to the Ohio 40882  
Constitution, consider the reasons against granting the 40883  
application specified by the victim in the objection; 40884

(f) Weigh the interests of the applicant in having the 40885  
records pertaining to the applicant's conviction or bail 40886  
forfeiture sealed or expunged against the legitimate needs, if 40887  
any, of the government to maintain those records; 40888

(g) Consider the oral or written statement of any victim, 40889  
victim's representative, and victim's attorney, if applicable; 40890

(h) If the applicant was an eligible offender of the type 40891  
described in division (A) (3) of section 2953.36 of the Revised 40892  
Code as it existed prior to April 4, 2023, determine whether the 40893  
offender has been rehabilitated to a satisfactory degree. In 40894  
making the determination, the court may consider all of the 40895

following: 40896

(i) The age of the offender; 40897

(ii) The facts and circumstances of the offense; 40898

(iii) The cessation or continuation of criminal behavior; 40899

(iv) The education and employment of the offender; 40900

(v) Any other circumstances that may relate to the 40901  
offender's rehabilitation. 40902

(i) If the court is required to determine whether an 40903  
applicant for sealing or expungement has two or three 40904  
convictions that result from the same indictment, information, 40905  
or complaint, from the same plea of guilty, or from the same 40906  
official proceeding, and result from related criminal acts that 40907  
were committed within a three-month period but do not result 40908  
from the same act or from offenses committed at the same time, 40909  
in making its determination, the court initially shall determine 40910  
whether it is not in the public interest for the two or three 40911  
convictions to be counted as one conviction. If the court 40912  
determines that it is not in the public interest for the two or 40913  
three convictions to be counted as one conviction, the court 40914  
shall determine whether, when counting the convictions 40915  
individually, the applicant is pursuing sealing or expunging a 40916  
conviction that is prohibited under division (A) of this 40917  
section. 40918

(2) If the court determines, after complying with division 40919  
(D) (1) of this section, that the offender is not pursuing 40920  
sealing or expunging a conviction of an offense that is 40921  
prohibited under division (A) of this section or that the 40922  
forfeiture of bail was agreed to by the applicant and the 40923  
prosecutor in the case, that the application was made at the 40924

time specified in division (B) (1) (a) or (b) or division (B) (2) 40925  
(a) or (b) of this section that is applicable with respect to 40926  
the application and the subject offense, that no criminal 40927  
proceeding is pending against the applicant, that the interests 40928  
of the applicant in having the records pertaining to the 40929  
applicant's conviction or bail forfeiture sealed or expunged are 40930  
not outweighed by any legitimate governmental needs to maintain 40931  
those records, and that the rehabilitation of the applicant has 40932  
been attained to the satisfaction of the court, both of the 40933  
following apply: 40934

(a) The court, except as provided in division (D) (4) or 40935  
(5) of this section or division (D), (F), or (G) of section 40936  
2953.34 of the Revised Code, shall order all official records of 40937  
the case that pertain to the conviction or bail forfeiture 40938  
sealed if the application was for sealing or expunged if the 40939  
application was for expungement and, except as provided in 40940  
division (C) of section 2953.34 of the Revised Code, all index 40941  
references to the case that pertain to the conviction or bail 40942  
forfeiture deleted and, in the case of bail forfeitures, shall 40943  
dismiss the charges in the case. 40944

(b) The proceedings in the case that pertain to the 40945  
conviction or bail forfeiture shall be considered not to have 40946  
occurred and the conviction or bail forfeiture of the person who 40947  
is the subject of the proceedings shall be sealed if the 40948  
application was for sealing or expunged if the application was 40949  
for expungement, except that upon conviction of a subsequent 40950  
offense, a sealed record of prior conviction or bail forfeiture 40951  
may be considered by the court in determining the sentence or 40952  
other appropriate disposition, including the relief provided for 40953  
in sections 2953.31, 2953.32, and 2953.34 of the Revised Code. 40954

(3) An applicant may request the sealing or expungement of the records of more than one case in a single application under this section. Upon the filing of an application under this section, the applicant, unless the applicant presents a poverty affidavit showing that the applicant is indigent, shall pay an application fee of fifty dollars and may pay a local court fee of not more than fifty dollars, regardless of the number of records the application requests to have sealed or expunged. If the applicant pays a fee, the court shall pay three-fifths of the fee collected into the state treasury, with half of that amount credited to the attorney general reimbursement fund created by section 109.11 of the Revised Code. If the applicant pays a fee, the court shall pay two-fifths of the fee collected into the county general revenue fund if the sealed or expunged conviction or bail forfeiture was pursuant to a state statute, or into the general revenue fund of the municipal corporation involved if the sealed or expunged conviction or bail forfeiture was pursuant to a municipal ordinance.

(4) If the court orders the official records pertaining to the case sealed or expunged, the court shall do one of the following:

(a) If the applicant was fingerprinted at the time of arrest or under section 109.60 of the Revised Code and the record of the applicant's fingerprints was provided to the court under division (C) of this section, forward a copy of the sealing or expungement order and the record of the applicant's fingerprints to the bureau of criminal identification and investigation.

(b) If the applicant was not fingerprinted at the time of arrest or under section 109.60 of the Revised Code, or the

record of the applicant's fingerprints was not provided to the 40985  
court under division (C) of this section, but fingerprinting was 40986  
required for the offense, order the applicant to appear before a 40987  
sheriff to have the applicant's fingerprints taken according to 40988  
the fingerprint system of identification on the forms furnished 40989  
by the superintendent of the bureau of criminal identification 40990  
and investigation. The sheriff shall forward the applicant's 40991  
fingerprints to the court. The court shall forward the 40992  
applicant's fingerprints and a copy of the sealing or 40993  
expungement order to the bureau of criminal identification and 40994  
investigation. 40995

Failure of the court to order fingerprints at the time of 40996  
sealing or expungement does not constitute a reversible error. 40997

(5) Notwithstanding any other provision of the Revised 40998  
Code to the contrary, when the bureau of criminal identification 40999  
and investigation receives notice from a court that the record 41000  
of a conviction or bail forfeiture has been expunged under this 41001  
section, the bureau of criminal identification and investigation 41002  
shall maintain a record of the expunged conviction record for 41003  
the limited purpose of determining an individual's qualification 41004  
or disqualification for employment in law enforcement. The 41005  
bureau of criminal identification and investigation shall not be 41006  
compelled by the court to destroy, delete, or erase those 41007  
records so that the records are permanently irretrievable. These 41008  
records may only be disclosed or provided to law enforcement for 41009  
the limited purpose of determining an individual's qualification 41010  
or disqualification for employment in law enforcement. 41011

When any other entity other than the bureau of criminal 41012  
identification and investigation receives notice from a court 41013  
that the record of a conviction or bail forfeiture has been 41014

expunged under this section, the entity shall destroy, delete, 41015  
and erase the record as appropriate for the record's physical or 41016  
electronic form or characteristic so that the record is 41017  
permanently irretrievable. 41018

**Sec. 2967.12.** (A) Except as provided in division (G) of 41019  
this section, at least sixty days before the adult parole 41020  
authority recommends any pardon or commutation of sentence, or 41021  
grants any parole, the authority shall provide a notice of the 41022  
pendency of the pardon, commutation, or parole, setting forth 41023  
the name of the person on whose behalf it is made, the offense 41024  
of which the person was convicted or to which the person pleaded 41025  
guilty, the time of conviction or the guilty plea, and the term 41026  
of the person's sentence, to the prosecuting attorney and the 41027  
judge of the court of common pleas of the county in which the 41028  
indictment against the person was found. If there is more than 41029  
one judge of that court of common pleas, the authority shall 41030  
provide the notice to the presiding judge. Upon the request of 41031  
the prosecuting attorney or of any law enforcement agency, the 41032  
authority shall provide to the requesting prosecuting attorney 41033  
and law enforcement agencies an institutional summary report 41034  
that covers the subject person's participation while confined in 41035  
a state correctional institution in training, work, and other 41036  
rehabilitative activities and any disciplinary action taken 41037  
against the person while so confined. The department of 41038  
rehabilitation and correction may utilize electronic means to 41039  
provide this notice. The department of rehabilitation and 41040  
correction, at the same time that it provides the notice to the 41041  
prosecuting attorney and judge under this division, also shall 41042  
post on the database it maintains pursuant to section 5120.66 of 41043  
the Revised Code the offender's name and all of the information 41044  
specified in division (A) (1) (c) (iii) of that section. 41045

(B) If a request for notification has been made pursuant 41046  
to section 2930.16 of the Revised Code or if division (H) of 41047  
this section applies, the office of victim services or the adult 41048  
parole authority also shall provide notice to the victim or the 41049  
victim's representative at least sixty days prior to 41050  
recommending any pardon or commutation of sentence for, or 41051  
granting any parole to, the person. The notice shall include the 41052  
information required by division (A) of this section and may be 41053  
provided by telephone or through electronic means. The notice 41054  
also shall inform the victim or the victim's representative that 41055  
the victim or representative may send a written statement 41056  
relative to the victimization and the pending action to the 41057  
adult parole authority and that, if the authority receives any 41058  
written statement prior to recommending a pardon or commutation 41059  
or granting a parole for a person, the authority will consider 41060  
the statement before it recommends a pardon or commutation or 41061  
grants a parole. All written and oral statements provided by a 41062  
victim or victim's representative to the department of 41063  
rehabilitation and correction in connection with the pendency of 41064  
any pardon, commutation, or parole are confidential and 41065  
privileged and are not subject to subpoena or discovery, 41066  
admissible in evidence in any action, or public records under 41067  
section 149.43 of the Revised Code. 41068

If the person is being considered for parole, the notice 41069  
shall inform the victim or the victim's representative that a 41070  
full board hearing of the parole board may be held and that the 41071  
victim or victim's representative may contact the office of 41072  
victims' services for further information. If the person being 41073  
considered for parole was convicted of or pleaded guilty to a 41074  
violation of section 2903.01 or 2903.02 of the Revised Code, an 41075  
offense of violence that is a felony of the first, second, or 41076

third degree, or an offense punished by a sentence of life 41077  
imprisonment, the notice shall inform the victim of that 41078  
offense, the victim's representative, or a member of the 41079  
victim's immediate family that the victim, the victim's 41080  
representative, and the victim's immediate family have the right 41081  
to give testimony at a full board hearing of the parole board 41082  
and that the victim or victim's representative may contact the 41083  
office of victims' services for further information. 41084

(C) When notice of the pendency of any pardon, commutation 41085  
of sentence, or parole has been provided to a judge or 41086  
prosecutor or posted on the database as required in division (A) 41087  
of this section and a hearing on the pardon, commutation, or 41088  
parole is continued to a date certain, the authority shall 41089  
provide notice of the further consideration of the pardon, 41090  
commutation, or parole at least sixty days before the further 41091  
consideration. The notice of the further consideration shall be 41092  
provided to the proper judge and prosecuting attorney at least 41093  
sixty days before the further consideration, and may be provided 41094  
using electronic means, and, if the initial notice was posted on 41095  
the database as provided in division (A) of this section, the 41096  
notice of the further consideration shall be posted on the 41097  
database at least sixty days before the further consideration. 41098  
If the prosecuting attorney or a law enforcement agency was 41099  
provided a copy of the institutional summary report relative to 41100  
the subject person under division (A) of this section, the 41101  
authority shall include with the notice of the further 41102  
consideration sent to the prosecuting attorney any new 41103  
information with respect to the person that relates to 41104  
activities and actions of the person that are of a type covered 41105  
by the report and shall send to the law enforcement agency a 41106  
report that provides notice of the further consideration and 41107

includes any such new information with respect to the person. 41108  
When notice of the pendency of any pardon, commutation, or 41109  
parole has been given as provided in division (B) of this 41110  
section and the hearing on it is continued to a date certain, 41111  
the authority shall give notice of the further consideration to 41112  
the victim or the victim's representative in accordance with 41113  
section 2930.03 of the Revised Code. 41114

(D) In case of an application for the pardon or 41115  
commutation of sentence of a person sentenced to capital 41116  
punishment, the governor may modify the requirements of 41117  
notification and publication if there is not sufficient time for 41118  
compliance with the requirements before the date fixed for the 41119  
execution of sentence. 41120

(E) If an offender is serving a prison term imposed under 41121  
division (A) (3), (B) (1) (a), (b), or (c), (B) (2) (a), (b), or (c), 41122  
or (B) (3) (a), (b), (c), or (d) of section 2971.03 of the Revised 41123  
Code and if the parole board terminates its control over the 41124  
offender's service of that term pursuant to section 2971.04 of 41125  
the Revised Code, the parole board immediately shall provide 41126  
written notice of its termination of control or the transfer of 41127  
control to the entities and persons specified in section 2971.04 41128  
of the Revised Code. 41129

(F) The failure of the adult parole authority to comply 41130  
with the notice or posting provisions of division (A), (B), or 41131  
(C) of this section or the failure of the parole board to comply 41132  
with the notice provisions of division (E) of this section do 41133  
not give any rights or any grounds for appeal or post-conviction 41134  
relief to the person serving the sentence. 41135

(G) Divisions (A), (B), and (C) of this section do not 41136  
apply to any release of a person that is of the type described 41137

in division (B) (2) (b) of section 5120.031 of the Revised Code. 41138

(H) If a defendant is incarcerated for the commission of 41139  
aggravated murder, murder, or an offense of violence that is a 41140  
felony of the first, second, or third degree or is under a 41141  
sentence of life imprisonment, except as otherwise provided in 41142  
this division, the notice described in division (B) of this 41143  
section shall be given to the victim or victim's representative 41144  
regardless of whether the victim or victim's representative has 41145  
made a request for notification. The notice described in 41146  
division (B) of this section shall not be given under this 41147  
division to a victim or victim's representative if the victim or 41148  
victim's representative has requested pursuant to division (B) 41149  
(2) of section 2930.03 of the Revised Code that the victim or 41150  
the victim's representative not be provided the notice. The 41151  
notice described in division (B) of this section does not have 41152  
to be given under this division to a victim or victim's 41153  
representative if notice was given to the victim or victim's 41154  
representative with respect to at least two prior considerations 41155  
of pardon, commutation, or parole of a person and the victim or 41156  
victim's representative did not provide any written statement 41157  
relative to the victimization and the pending action, did not 41158  
attend any hearing conducted relative to the pending action, and 41159  
did not otherwise respond to the office with respect to the 41160  
pending action. Regardless of whether the victim or victim's 41161  
representative has requested that the notice described in 41162  
division (B) of this section be provided or not be provided, the 41163  
office of victim services or adult parole authority shall give 41164  
similar notice to the law enforcement agency that arrested the 41165  
defendant if any officer of that agency was a victim of the 41166  
offense and to any member of the victim's immediate family who 41167  
requests notification. If notice is to be given under this 41168

division, the office or authority may give the notice by any 41169  
reasonable means, including regular mail, telephone, and 41170  
electronic mail, in accordance with division (D)(1) of section 41171  
2930.16 of the Revised Code. If the notice is based on an 41172  
offense committed prior to March 22, 2013, the notice to the 41173  
victim or victim's representative also shall include the opt-out 41174  
information described in division (D)(1) of section 2930.16 of 41175  
the Revised Code. The office or authority, in accordance with 41176  
division (D)(2) of section 2930.16 of the Revised Code, shall 41177  
keep a record of all attempts to provide the notice, and of all 41178  
notices provided, under this division. 41179

Division (H) of this section, and the notice-related 41180  
provisions of divisions (E)(2) and (K) of section 2929.20, 41181  
division (D)(1) of section 2930.16, division (E)(1)(b) of 41182  
section 2967.19 as it existed prior to ~~the effective date of~~ 41183  
~~this amendment~~ April 4, 2023, division (A)(3)(b) of section 41184  
2967.26, division (D)(1) of section 2967.28, and division (A)(2) 41185  
of section 5149.101 of the Revised Code enacted in the act in 41186  
which division (H) of this section was enacted, shall be known 41187  
as "Roberta's Law." 41188

(I) In addition to and independent of the right of a 41189  
victim to make a statement as described in division (A) of this 41190  
section or pursuant to section 2930.17 of the Revised Code or to 41191  
otherwise make a statement, the authority for a judge or 41192  
prosecuting attorney to furnish statements and information, make 41193  
recommendations, and give testimony as described in division (A) 41194  
of this section, the right of a prosecuting attorney, judge, or 41195  
victim to give testimony or submit a statement at a full parole 41196  
board hearing pursuant to section 5149.101 of the Revised Code, 41197  
and any other right or duty of a person to present information 41198  
or make a statement, any person may send to the adult parole 41199

authority at any time prior to the authority's recommending a 41200  
pardon or commutation or granting a parole for the offender a 41201  
written statement relative to the offense and the pending 41202  
action. 41203

(J) As used in this section, "victim's immediate family" 41204  
means the mother, father, spouse, sibling, or child of the 41205  
victim, provided that in no case does "victim's immediate 41206  
family" include the offender with respect to whom the notice in 41207  
question applies. 41208

**Sec. 2967.14.** (A) As used in this section: 41209

(1) "School" has the same meaning as in section 2925.01 of 41210  
the Revised Code. 41211

(2) "Child care center" has the same meaning as in section 41212  
5104.01 of the Revised Code. 41213

(B) The department of rehabilitation and correction or the 41214  
adult parole authority may require or allow a parolee, a 41215  
releasee, or a prisoner otherwise released from a state 41216  
correctional institution to reside in a halfway house or other 41217  
suitable community residential center that has been licensed by 41218  
the division of parole and community services pursuant to 41219  
division ~~(C)~~-(D) of this section during a part or for the entire 41220  
period of the offender's or parolee's conditional release or of 41221  
the releasee's term of post-release control. The court of common 41222  
pleas that placed an offender under a sanction consisting of a 41223  
term in a halfway house or in an alternative residential 41224  
sanction may require the offender to reside in a halfway house 41225  
or other suitable community residential center that is 41226  
designated by the court and that has been licensed by the 41227  
division pursuant to division ~~(C)~~-(D) of this section during a 41228

part or for the entire period of the offender's residential 41229  
sanction. 41230

~~(B)~~ (C) The division of parole and community services may 41231  
negotiate and enter into agreements with any public or private 41232  
agency or a department or political subdivision of the state 41233  
that operates a halfway house, reentry center, or community 41234  
residential center that has been licensed by the division 41235  
pursuant to division ~~(C)~~ (D) of this section. An agreement under 41236  
this division shall provide for the purchase of beds, shall set 41237  
limits of supervision and levels of occupancy, and shall 41238  
determine the scope of services for all eligible offenders, 41239  
including those subject to a residential sanction, as defined in 41240  
rules adopted by the director of rehabilitation and correction 41241  
in accordance with Chapter 119. of the Revised Code, or those 41242  
released from prison without supervision. The payments for beds 41243  
and services shall not exceed the total operating costs of the 41244  
halfway house, reentry center, or community residential center 41245  
during the term of an agreement. The director of rehabilitation 41246  
and correction shall adopt rules in accordance with Chapter 119. 41247  
of the Revised Code for determining includable and excludable 41248  
costs and income to be used in computing the agency's average 41249  
daily per capita costs with its facility at full occupancy. 41250

The director of rehabilitation and correction shall adopt 41251  
rules providing for the use of no more than fifteen per cent of 41252  
the amount appropriated to the department each fiscal year for 41253  
the halfway house, reentry center, and community residential 41254  
center program to pay for contracts with licensed halfway houses 41255  
for nonresidential services for offenders under the supervision 41256  
of the adult parole authority, including but not limited to, 41257  
offenders supervised pursuant to an agreement entered into by 41258  
the adult parole authority and a court of common pleas under 41259

section 2301.32 of the Revised Code. The nonresidential services 41260  
may include, but are not limited to, treatment for substance 41261  
abuse, mental health counseling, counseling for sex offenders, 41262  
electronic monitoring services, aftercare, and other 41263  
nonresidential services that the director identifies by rule. 41264

~~(C)~~ (D) The division of parole and community services may 41265  
license a halfway house, reentry center, or community 41266  
residential center as a suitable facility for the care and 41267  
treatment of adult offenders, including offenders sentenced 41268  
under section 2929.16 or 2929.26 of the Revised Code, only if 41269  
the halfway house, reentry center, or community residential 41270  
center does not operate within five hundred feet of a school or 41271  
child care center and complies with the standards that the 41272  
division adopts in accordance with Chapter 119. of the Revised 41273  
Code for the licensure of halfway houses, reentry centers, and 41274  
community residential centers. The division shall annually 41275  
inspect each licensed halfway house, licensed reentry center, 41276  
and licensed community residential center to determine if it is 41277  
in compliance with the licensure standards. 41278

~~(D)~~ (E) The division of parole and community services may 41279  
expend up to one-half per cent of the annual appropriation made 41280  
for halfway house programs, for goods or services that benefit 41281  
those programs. 41282

**Sec. 2967.26.** (A) (1) The department of rehabilitation and 41283  
correction, by rule, may establish a transitional control 41284  
program for the purpose of closely monitoring a prisoner's 41285  
adjustment to community supervision during the final one hundred 41286  
eighty days of the prisoner's confinement. If the department 41287  
establishes a transitional control program under this division, 41288  
the division of parole and community services of the department 41289

of rehabilitation and correction may transfer eligible prisoners 41290  
to transitional control status under the program during the 41291  
final one hundred eighty days of their confinement and under the 41292  
terms and conditions established by the department, shall 41293  
provide for the confinement as provided in this division of each 41294  
eligible prisoner so transferred, and shall supervise each 41295  
eligible prisoner so transferred in one or more community 41296  
control sanctions. Each eligible prisoner who is transferred to 41297  
transitional control status under the program shall be confined 41298  
in a suitable facility that is licensed pursuant to division ~~(C)~~ 41299  
(D) of section 2967.14 of the Revised Code, or shall be confined 41300  
in a residence the department has approved for this purpose and 41301  
be monitored pursuant to an electronic monitoring device, as 41302  
defined in section 2929.01 of the Revised Code. If the 41303  
department establishes a transitional control program under this 41304  
division, the rules establishing the program shall include 41305  
criteria that define which prisoners are eligible for the 41306  
program, criteria that must be satisfied to be approved as a 41307  
residence that may be used for confinement under the program of 41308  
a prisoner that is transferred to it and procedures for the 41309  
department to approve residences that satisfy those criteria, 41310  
and provisions of the type described in division (C) of this 41311  
section. At a minimum, the criteria that define which prisoners 41312  
are eligible for the program shall provide all of the following: 41313

(a) That a prisoner is eligible for the program if the 41314  
prisoner is serving a prison term or term of imprisonment for an 41315  
offense committed prior to March 17, 1998, and if, at the time 41316  
at which eligibility is being determined, the prisoner would 41317  
have been eligible for a furlough under this section as it 41318  
existed immediately prior to March 17, 1998, or would have been 41319  
eligible for conditional release under former section 2967.23 of 41320

the Revised Code as that section existed immediately prior to 41321  
March 17, 1998; 41322

(b) That no prisoner who is serving a mandatory prison 41323  
term is eligible for the program until after expiration of the 41324  
mandatory term; 41325

(c) That no prisoner who is serving a prison term or term 41326  
of life imprisonment without parole imposed pursuant to section 41327  
2971.03 of the Revised Code is eligible for the program. 41328

(2) At least sixty days prior to transferring to 41329  
transitional control under this section a prisoner who is 41330  
serving a definite term of imprisonment or definite prison term 41331  
of less than one year for an offense committed on or after July 41332  
1, 1996, or who is serving a minimum term of less than one year 41333  
under a non-life felony indefinite prison term, on or after 41334  
April 4, 2023, the division of parole and community services of 41335  
the department of rehabilitation and correction shall give 41336  
notice of the pendency of the transfer to transitional control 41337  
to the court of common pleas of the county in which the 41338  
indictment against the prisoner was found and of the fact that 41339  
the court may disapprove the transfer of the prisoner to 41340  
transitional control and shall include the institutional summary 41341  
report prepared by the head of the state correctional 41342  
institution in which the prisoner is confined. The head of the 41343  
state correctional institution in which the prisoner is 41344  
confined, upon the request of the division of parole and 41345  
community services, shall provide to the division for inclusion 41346  
in the notice sent to the court under this division an 41347  
institutional summary report on the prisoner's conduct in the 41348  
institution and in any institution from which the prisoner may 41349  
have been transferred. The institutional summary report shall 41350

cover the prisoner's participation in school, vocational 41351  
training, work, treatment, and other rehabilitative activities 41352  
and any disciplinary action taken against the prisoner. If the 41353  
court disapproves of the transfer of the prisoner to 41354  
transitional control, the court shall notify the division of the 41355  
disapproval within thirty days after receipt of the notice. If 41356  
the court timely disapproves the transfer of the prisoner to 41357  
transitional control, the division shall not proceed with the 41358  
transfer. If the court does not timely disapprove the transfer 41359  
of the prisoner to transitional control, the division may 41360  
transfer the prisoner to transitional control. 41361

(3) (a) If the victim of an offense for which a prisoner 41362  
was sentenced to a prison term or term of imprisonment has 41363  
requested notification under section 2930.16 of the Revised Code 41364  
and has provided the department of rehabilitation and correction 41365  
with the victim's name and address or if division (A) (3) (b) of 41366  
this section applies, the division of parole and community 41367  
services, at least sixty days prior to transferring the prisoner 41368  
to transitional control pursuant to this section, shall notify 41369  
the victim and the victim's representative, if applicable, of 41370  
the pendency of the transfer and of the victim's and victim's 41371  
representative's right to submit a statement to the division 41372  
regarding the impact of the transfer of the prisoner to 41373  
transitional control. If the victim or victim's representative's 41374  
subsequently submits a statement of that nature to the division, 41375  
the division shall consider the statement in deciding whether to 41376  
transfer the prisoner to transitional control. 41377

(b) If a prisoner is incarcerated for the commission of 41378  
aggravated murder, murder, or an offense of violence that is a 41379  
felony of the first, second, or third degree or under a sentence 41380  
of life imprisonment, except as otherwise provided in this 41381

division, the notice described in division (A) (3) (a) of this 41382  
section shall be given regardless of whether the victim has 41383  
requested the notification. The notice described in division (A) 41384  
(3) (a) of this section shall not be given under this division to 41385  
a victim if the victim has requested pursuant to division (B) (2) 41386  
of section 2930.03 of the Revised Code that the victim not be 41387  
provided the notice. If notice is to be provided to a victim 41388  
under this division, the authority may give the notice by any 41389  
reasonable means, including regular mail, telephone, and 41390  
electronic mail, in accordance with division (D) (1) of section 41391  
2930.16 of the Revised Code. If the notice is based on an 41392  
offense committed prior to March 22, 2013, the notice also shall 41393  
include the opt-out information described in division (D) (1) of 41394  
section 2930.16 of the Revised Code. The authority, in 41395  
accordance with division (D) (2) of section 2930.16 of the 41396  
Revised Code, shall keep a record of all attempts to provide the 41397  
notice, and of all notices provided, under this division. 41398

Division (A) (3) (b) of this section, and the notice-related 41399  
provisions of divisions (E) (2) and (K) of section 2929.20, 41400  
division (D) (1) of section 2930.16, division (H) of section 41401  
2967.12, division (E) (1) (b) of section 2967.19 as it existed 41402  
prior to April 4, 2023, division (D) (1) of section 2967.28, and 41403  
division (A) (2) of section 5149.101 of the Revised Code enacted 41404  
in the act in which division (A) (3) (b) of this section was 41405  
enacted, shall be known as "Roberta's Law." 41406

(4) The department of rehabilitation and correction, at 41407  
least sixty days prior to transferring a prisoner to 41408  
transitional control pursuant to this section, shall post on the 41409  
database it maintains pursuant to section 5120.66 of the Revised 41410  
Code the prisoner's name and all of the information specified in 41411  
division (A) (1) (c) (iv) of that section. In addition to and 41412

independent of the right of a victim to submit a statement as 41413  
described in division (A) (3) of this section or to otherwise 41414  
make a statement and in addition to and independent of any other 41415  
right or duty of a person to present information or make a 41416  
statement, any person may send to the division of parole and 41417  
community services at any time prior to the division's transfer 41418  
of the prisoner to transitional control a written statement 41419  
regarding the transfer of the prisoner to transitional control. 41420  
In addition to the information, reports, and statements it 41421  
considers under divisions (A) (2) and (3) of this section or that 41422  
it otherwise considers, the division shall consider each 41423  
statement submitted in accordance with this division in deciding 41424  
whether to transfer the prisoner to transitional control. 41425

(B) Each prisoner transferred to transitional control 41426  
under this section shall be confined in the manner described in 41427  
division (A) of this section during any period of time that the 41428  
prisoner is not actually working at the prisoner's approved 41429  
employment, engaged in a vocational training or another 41430  
educational program, engaged in another program designated by 41431  
the director, or engaged in other activities approved by the 41432  
department. 41433

(C) The department of rehabilitation and correction shall 41434  
adopt rules for transferring eligible prisoners to transitional 41435  
control, supervising and confining prisoners so transferred, 41436  
administering the transitional control program in accordance 41437  
with this section, and using the moneys deposited into the 41438  
transitional control fund established under division (E) of this 41439  
section. 41440

(D) The department of rehabilitation and correction may 41441  
adopt rules for the issuance of passes for the limited purposes 41442

described in this division to prisoners who are transferred to 41443  
transitional control under this section. If the department 41444  
adopts rules of that nature, the rules shall govern the granting 41445  
of the passes and shall provide for the supervision of prisoners 41446  
who are temporarily released pursuant to one of those passes. 41447  
Upon the adoption of rules under this division, the department 41448  
may issue passes to prisoners who are transferred to 41449  
transitional control status under this section in accordance 41450  
with the rules and the provisions of this division. All passes 41451  
issued under this division shall be for a maximum of forty-eight 41452  
hours and may be issued only for the following purposes: 41453

(1) To visit a relative in imminent danger of death; 41454

(2) To have a private viewing of the body of a deceased 41455  
relative; 41456

(3) To visit with family; 41457

(4) To otherwise aid in the rehabilitation of the 41458  
prisoner. 41459

(E) The division of parole and community services may 41460  
require a prisoner who is transferred to transitional control to 41461  
pay to the division the reasonable expenses incurred by the 41462  
division in supervising or confining the prisoner while under 41463  
transitional control. Inability to pay those reasonable expenses 41464  
shall not be grounds for refusing to transfer an otherwise 41465  
eligible prisoner to transitional control. Amounts received by 41466  
the division of parole and community services under this 41467  
division shall be deposited into the transitional control fund, 41468  
which is hereby created in the state treasury and which hereby 41469  
replaces and succeeds the furlough services fund that formerly 41470  
existed in the state treasury. All moneys that remain in the 41471

furlough services fund on March 17, 1998, shall be transferred 41472  
on that date to the transitional control fund. The transitional 41473  
control fund shall be used solely to pay costs related to the 41474  
operation of the transitional control program established under 41475  
this section. The director of rehabilitation and correction 41476  
shall adopt rules in accordance with section 111.15 of the 41477  
Revised Code for the use of the fund. 41478

(F) A prisoner who violates any rule established by the 41479  
department of rehabilitation and correction under division (A), 41480  
(C), or (D) of this section may be transferred to a state 41481  
correctional institution pursuant to rules adopted under 41482  
division (A), (C), or (D) of this section, but the prisoner 41483  
shall receive credit towards completing the prisoner's sentence 41484  
for the time spent under transitional control. 41485

If a prisoner is transferred to transitional control under 41486  
this section, upon successful completion of the period of 41487  
transitional control, the prisoner may be released on parole or 41488  
under post-release control pursuant to section 2967.13 or 41489  
2967.28 of the Revised Code and rules adopted by the department 41490  
of rehabilitation and correction. If the prisoner is released 41491  
under post-release control, the duration of the post-release 41492  
control, the type of post-release control sanctions that may be 41493  
imposed, the enforcement of the sanctions, and the treatment of 41494  
prisoners who violate any sanction applicable to the prisoner 41495  
are governed by section 2967.28 of the Revised Code. 41496

**Sec. 2967.271.** (A) As used in this section: 41497

(1) "Offender's minimum prison term" means the minimum 41498  
prison term imposed on an offender under a non-life felony 41499  
indefinite prison term, diminished as provided in section 41500  
2967.191 or 2967.193 of the Revised Code or in any other 41501

provision of the Revised Code, other than division (F) of this 41502  
section, that provides for diminution or reduction of an 41503  
offender's sentence. 41504

(2) "Offender's presumptive earned early release date" 41505  
means the date that is determined under the procedures described 41506  
in division (F) of this section by the reduction, if any, of an 41507  
offender's minimum prison term by the sentencing court and the 41508  
crediting of that reduction toward the satisfaction of the 41509  
minimum term. 41510

(3) "Rehabilitative programs and activities" means 41511  
education programs, vocational training, employment in prison 41512  
industries, treatment for substance abuse, or other constructive 41513  
programs developed by the department of rehabilitation and 41514  
correction with specific standards for performance by prisoners. 41515

(4) "Security level" means the security level in which an 41516  
offender is classified under the inmate classification level 41517  
system of the department of rehabilitation and correction that 41518  
then is in effect. 41519

(5) "Sexually oriented offense" has the same meaning as in 41520  
section 2950.01 of the Revised Code. 41521

(B) When an offender is sentenced to a non-life felony 41522  
indefinite prison term, there shall be a presumption that the 41523  
person shall be released from service of the sentence on the 41524  
expiration of the offender's minimum prison term or on the 41525  
offender's presumptive earned early release date, whichever is 41526  
earlier. 41527

(C) The presumption established under division (B) of this 41528  
section is a rebuttable presumption that the department of 41529  
rehabilitation and correction may rebut as provided in this 41530

division. Unless the department rebuts the presumption, the 41531  
offender shall be released from service of the sentence on the 41532  
expiration of the offender's minimum prison term or on the 41533  
offender's presumptive earned early release date, whichever is 41534  
earlier. The department may rebut the presumption only if the 41535  
department determines, at a hearing, that one or more of the 41536  
following applies: 41537

(1) Regardless of the security level in which the offender 41538  
is classified at the time of the hearing, both of the following 41539  
apply: 41540

(a) During the offender's incarceration, the offender 41541  
committed institutional rule infractions that involved 41542  
compromising the security of a state correctional institution, 41543  
compromising the safety of the staff of a state correctional 41544  
institution or its inmates, or physical harm or the threat of 41545  
physical harm to the staff of a state correctional institution 41546  
or its inmates, or committed a violation of law that was not 41547  
prosecuted, and the infractions or violations demonstrate that 41548  
the offender has not been rehabilitated. 41549

(b) The offender's behavior while incarcerated, including, 41550  
but not limited to the infractions and violations specified in 41551  
division (C) (1) (a) of this section, demonstrate that the 41552  
offender continues to pose a threat to society. 41553

(2) Regardless of the security level in which the offender 41554  
is classified at the time of the hearing, the offender has been 41555  
placed by the department in extended restrictive housing at any 41556  
time within the year preceding the date of the hearing. 41557

(3) At the time of the hearing, the offender is classified 41558  
by the department as a security level three, four, or five, or 41559

at a higher security level. 41560

(D) (1) If the department of rehabilitation and correction, 41561  
pursuant to division (C) of this section, rebuts the presumption 41562  
established under division (B) of this section, the department 41563  
may maintain the offender's incarceration in a state 41564  
correctional institution under the sentence after the expiration 41565  
of the offender's minimum prison term or, for offenders who have 41566  
a presumptive earned early release date, after the offender's 41567  
presumptive earned early release date. The department may 41568  
maintain the offender's incarceration under this division for an 41569  
additional period of incarceration determined by the department. 41570  
The additional period of incarceration shall be a reasonable 41571  
period determined by the department, shall be specified by the 41572  
department, and shall not exceed the offender's maximum prison 41573  
term. 41574

(2) If the department maintains an offender's 41575  
incarceration for an additional period under division (D) (1) of 41576  
this section, there shall be a presumption that the offender 41577  
shall be released on the expiration of the offender's minimum 41578  
prison term plus the additional period of incarceration 41579  
specified by the department as provided under that division or, 41580  
for offenders who have a presumptive earned early release date, 41581  
on the expiration of the additional period of incarceration to 41582  
be served after the offender's presumptive earned early release 41583  
date that is specified by the department as provided under that 41584  
division. The presumption is a rebuttable presumption that the 41585  
department may rebut, but only if it conducts a hearing and 41586  
makes the determinations specified in division (C) of this 41587  
section, and if the department rebuts the presumption, it may 41588  
maintain the offender's incarceration in a state correctional 41589  
institution for an additional period determined as specified in 41590

division (D) (1) of this section. Unless the department rebuts 41591  
the presumption at the hearing, the offender shall be released 41592  
from service of the sentence on the expiration of the offender's 41593  
minimum prison term plus the additional period of incarceration 41594  
specified by the department or, for offenders who have a 41595  
presumptive earned early release date, on the expiration of the 41596  
additional period of incarceration to be served after the 41597  
offender's presumptive earned early release date as specified by 41598  
the department. 41599

The provisions of this division regarding the 41600  
establishment of a rebuttable presumption, the department's 41601  
rebuttal of the presumption, and the department's maintenance of 41602  
an offender's incarceration for an additional period of 41603  
incarceration apply, and may be utilized more than one time, 41604  
during the remainder of the offender's incarceration. If the 41605  
offender has not been released under division (C) of this 41606  
section or this division prior to the expiration of the 41607  
offender's maximum prison term imposed as part of the offender's 41608  
non-life felony indefinite prison term, the offender shall be 41609  
released upon the expiration of that maximum term. 41610

(E) The department shall provide notices of hearings to be 41611  
conducted under division (C) or (D) of this section in the same 41612  
manner, and to the same persons, as specified in section 2967.12 41613  
and Chapter 2930. of the Revised Code with respect to hearings 41614  
to be conducted regarding the possible release on parole of an 41615  
inmate. 41616

(F) (1) The director of the department of rehabilitation 41617  
and correction may notify the sentencing court in writing that 41618  
the director is recommending that the court grant a reduction in 41619  
the minimum prison term imposed on a specified offender who is 41620

41621 serving a non-life felony indefinite prison term and who is  
41622 eligible under division (F)(8) of this section for such a  
41623 reduction, due to the offender's exceptional conduct while  
41624 incarcerated or the offender's adjustment to incarceration. If  
41625 the director wishes to recommend such a reduction for an  
41626 offender, the director shall send the notice to the court not  
41627 earlier than ninety days prior to the date on which the director  
41628 wishes to credit the reduction toward the satisfaction of the  
41629 offender's minimum prison term. If the director recommends such  
41630 a reduction for an offender, there shall be a presumption that  
41631 the court shall grant the recommended reduction to the offender.  
41632 The presumption established under this division is a rebuttable  
41633 presumption that may be rebutted as provided in division (F)(4)  
41634 of this section.

41635 The director shall include with the notice sent to a court  
41636 under this division an institutional summary report that covers  
41637 the offender's participation while confined in a state  
41638 correctional institution in rehabilitative programs and  
41639 activities and any disciplinary action taken against the  
41640 offender while so confined, and any other documentation  
41641 requested by the court, if available.

41642 The notice the director sends to a court under this  
41643 division shall do all of the following:

41644 (a) Identify the offender;

41645 (b) Specify the length of the recommended reduction, which  
41646 shall be for five to fifteen per cent of the offender's minimum  
41647 term determined in accordance with rules adopted by the  
41648 department under division (F)(7) of this section;

41649 (c) Specify the reason or reasons that qualify the

offender for the recommended reduction; 41650

(d) Inform the court of the rebuttable presumption and 41651  
that the court must either approve or, if the court finds that 41652  
the presumption has been rebutted, disapprove of the recommended 41653  
reduction, and that if it approves of the recommended reduction, 41654  
it must grant the reduction; 41655

(e) Inform the court that it must notify the department of 41656  
its decision as to approval or disapproval not later than sixty 41657  
days after receipt of the notice from the director. 41658

(2) When the director, under division (F)(1) of this 41659  
section, submits a notice to a sentencing court that the 41660  
director is recommending that the court grant a reduction in the 41661  
minimum prison term imposed on an offender serving a non-life 41662  
felony indefinite prison term, the department promptly shall 41663  
provide to the prosecuting attorney of the county in which the 41664  
offender was indicted a copy of the written notice, a copy of 41665  
the institutional summary report described in that division, and 41666  
any other information provided to the court. 41667

(3) Upon receipt of a notice submitted by the director 41668  
under division (F)(1) of this section, the court shall schedule 41669  
a hearing to consider whether to grant the reduction in the 41670  
minimum prison term imposed on the specified offender that was 41671  
recommended by the director or to find that the presumption has 41672  
been rebutted and disapprove the recommended reduction. Upon 41673  
scheduling the hearing, the court promptly shall give notice of 41674  
the hearing to the prosecuting attorney of the county in which 41675  
the offender was indicted and to the department. The notice 41676  
shall inform the prosecuting attorney that the prosecuting 41677  
attorney may submit to the court, prior to the date of the 41678  
hearing, written information relevant to the recommendation and 41679

may present at the hearing written information and oral 41680  
information relevant to the recommendation. 41681

Upon receipt of the notice from the court, the prosecuting 41682  
attorney shall notify the victim of the offender or the victim's 41683  
representative of the recommendation by the director, the date, 41684  
time, and place of the hearing, the fact that the victim may 41685  
submit to the court, prior to the date of the hearing, written 41686  
information relevant to the recommendation, and the address and 41687  
procedure for submitting the information. 41688

(4) At the hearing scheduled under division (F)(3) of this 41689  
section, the court shall afford the prosecuting attorney an 41690  
opportunity to present written information and oral information 41691  
relevant to the director's recommendation. In making its 41692  
determination as to whether to grant or disapprove the reduction 41693  
in the minimum prison term imposed on the specified offender 41694  
that was recommended by the director, the court shall consider 41695  
any report and other documentation submitted by the director, 41696  
any information submitted by a victim, any information submitted 41697  
or presented at the hearing by the prosecuting attorney, and all 41698  
of the factors set forth in divisions (B) to (D) of section 41699  
2929.12 of the Revised Code that are relevant to the offender's 41700  
offense and to the offender. 41701

Unless the court, after considering at the hearing the 41702  
specified reports, documentation, information, and relevant 41703  
factors, finds that the presumption that the recommended 41704  
reduction shall be granted has been rebutted and disapproves the 41705  
recommended reduction, the court shall grant the recommended 41706  
reduction. The court may disapprove the recommended reduction 41707  
only if, after considering at the hearing the specified reports, 41708  
documentation, information, and relevant factors, it finds that 41709

the presumption that the reduction shall be granted has been 41710  
rebutted. The court may find that the presumption has been 41711  
rebutted and disapprove the recommended reduction only if it 41712  
determines at the hearing that one or more of the following 41713  
applies: 41714

(a) Regardless of the security level in which the offender 41715  
is classified at the time of the hearing, during the offender's 41716  
incarceration, the offender committed institutional rule 41717  
infractions that involved compromising the security of a state 41718  
correctional institution, compromising the safety of the staff 41719  
of a state correctional institution or its inmates, or physical 41720  
harm or the threat of physical harm to the staff of a state 41721  
correctional institution or its inmates, or committed a 41722  
violation of law that was not prosecuted, and the infractions or 41723  
violations demonstrate that the offender has not been 41724  
rehabilitated. 41725

(b) The offender's behavior while incarcerated, including, 41726  
but not limited to, the infractions and violations specified in 41727  
division (F)(4)(a) of this section, demonstrates that the 41728  
offender continues to pose a threat to society. 41729

(c) At the time of the hearing, the offender is classified 41730  
by the department as a security level three, four, or five, or 41731  
at a higher security level. 41732

(d) During the offender's incarceration, the offender did 41733  
not productively participate in a majority of the rehabilitative 41734  
programs and activities recommended by the department for the 41735  
offender, or the offender participated in a majority of such 41736  
recommended programs or activities but did not successfully 41737  
complete a reasonable number of the programs or activities in 41738  
which the offender participated. 41739

(e) After release, the offender will not be residing in a 41740  
halfway house, reentry center, or community residential center 41741  
licensed under division ~~(C)~~ (D) of section 2967.14 of the 41742  
Revised Code and, after release, does not have any other place 41743  
to reside at a fixed residence address. 41744

(5) If the court pursuant to division (F) (4) of this 41745  
section finds that the presumption that the recommended 41746  
reduction in the offender's minimum prison term has been 41747  
rebutted and disapproves the recommended reduction, the court 41748  
shall notify the department of the disapproval not later than 41749  
sixty days after receipt of the notice from the director. The 41750  
court shall specify in the notification the reason or reasons 41751  
for which it found that the presumption was rebutted and 41752  
disapproved the recommended reduction. The court shall not 41753  
reduce the offender's minimum prison term, and the department 41754  
shall not credit the amount of the disapproved reduction toward 41755  
satisfaction of the offender's minimum prison term. 41756

If the court pursuant to division (F) (4) of this section 41757  
grants the recommended reduction of the offender's minimum 41758  
prison term, the court shall notify the department of the grant 41759  
of the reduction not later than sixty days after receipt of the 41760  
notice from the director, the court shall reduce the offender's 41761  
minimum prison term in accordance with the recommendation 41762  
submitted by the director, and the department shall credit the 41763  
amount of the reduction toward satisfaction of the offender's 41764  
minimum prison term. 41765

Upon deciding whether to disapprove or grant the 41766  
recommended reduction of the offender's minimum prison term, the 41767  
court shall notify the prosecuting attorney of the decision and 41768  
the prosecuting attorney shall notify the victim or victim's 41769

representative of the court's decision. 41770

(6) If the court under division (F) (5) of this section 41771  
grants the reduction in the minimum prison term imposed on an 41772  
offender that was recommended by the director and reduces the 41773  
offender's minimum prison term, the date determined by the 41774  
department's crediting of the reduction toward satisfaction of 41775  
the offender's minimum prison term is the offender's presumptive 41776  
earned early release date. 41777

(7) The department of rehabilitation and correction by 41778  
rule shall specify both of the following for offenders serving a 41779  
non-life felony indefinite prison term: 41780

(a) The type of exceptional conduct while incarcerated and 41781  
the type of adjustment to incarceration that will qualify an 41782  
offender serving such a prison term for a reduction under 41783  
divisions (F) (1) to (6) of this section of the minimum prison 41784  
term imposed on the offender under the non-life felony 41785  
indefinite prison term. 41786

(b) The per cent of reduction that it may recommend for, 41787  
and that may be granted to, an offender serving such a prison 41788  
term under divisions (F) (1) to (6) of this section, based on the 41789  
offense level of the offense for which the prison term was 41790  
imposed, with the department specifying the offense levels used 41791  
for purposes of this division and assigning a specific 41792  
percentage reduction within the range of five to fifteen per 41793  
cent for each such offense level. 41794

(8) Divisions (F) (1) to (6) of this section do not apply 41795  
with respect to an offender serving a non-life felony indefinite 41796  
prison term for a sexually oriented offense, and no offender 41797  
serving such a prison term for a sexually oriented offense is 41798

eligible to be recommended for or granted, or may be recommended 41799  
for or granted, a reduction under those divisions in the 41800  
offender's minimum prison term imposed under that non-life 41801  
felony indefinite prison term. 41802

(G) If an offender is sentenced to a non-life felony 41803  
indefinite prison term, any reference in a section of the 41804  
Revised Code to a definite prison term shall be construed as 41805  
referring to the offender's minimum term under that sentence 41806  
plus any additional period of time of incarceration specified by 41807  
the department under division (D) (1) or (2) of this section, 41808  
except to the extent otherwise specified in the section or to 41809  
the extent that that construction clearly would be 41810  
inappropriate. 41811

**Sec. 2967.28.** (A) As used in this section: 41812

(1) "Monitored time" means the monitored time sanction 41813  
specified in section 2929.17 and defined in section 2929.01 of 41814  
the Revised Code. 41815

(2) "Deadly weapon" and "dangerous ordnance" have the same 41816  
meanings as in section 2923.11 of the Revised Code. 41817

(3) "Felony sex offense" means a violation of a section 41818  
contained in Chapter 2907. of the Revised Code that is a felony. 41819

(4) "Risk reduction sentence" means a prison term imposed 41820  
by a court, when the court recommends pursuant to section 41821  
2929.143 of the Revised Code that the offender serve the 41822  
sentence under section 5120.036 of the Revised Code, and the 41823  
offender may potentially be released from imprisonment prior to 41824  
the expiration of the prison term if the offender successfully 41825  
completes all assessment and treatment or programming required 41826  
by the department of rehabilitation and correction under section 41827

5120.036 of the Revised Code. 41828

(5) "Victim's immediate family" has the same meaning as in 41829  
section 2967.12 of the Revised Code. 41830

(6) "Minor drug possession offense" has the same meaning 41831  
as in section 2925.11 of the Revised Code. 41832

(7) "Single validated risk assessment tool" means the 41833  
single validated risk assessment tool selected by the department 41834  
of rehabilitation and correction under section 5120.114 of the 41835  
Revised Code. 41836

(B) Each sentence to a prison term, other than a term of 41837  
life imprisonment, for a felony of the first degree, for a 41838  
felony of the second degree, for a felony sex offense, or for a 41839  
felony of the third degree that is an offense of violence and is 41840  
not a felony sex offense shall include a requirement that the 41841  
offender be subject to a period of post-release control imposed 41842  
by the parole board after the offender's release from 41843  
imprisonment. For post-release control to be imposed, the 41844  
offender must be committed to the department of rehabilitation 41845  
and correction as set forth in section 5120.16 of the Revised 41846  
Code. This division applies with respect to all prison terms of 41847  
a type described in this division, including a term of any such 41848  
type that is a risk reduction sentence. If a court imposes a 41849  
sentence including a prison term of a type described in this 41850  
division on or after July 11, 2006, the failure of a sentencing 41851  
court to notify the offender pursuant to division (B) (2) (d) of 41852  
section 2929.19 of the Revised Code of this requirement or to 41853  
include in the judgment of conviction entered on the journal a 41854  
statement that the offender's sentence includes this requirement 41855  
does not negate, limit, or otherwise affect the mandatory period 41856  
of supervision that is required for the offender under this 41857

division. This division applies with respect to all prison terms 41858  
of a type described in this division, including a non-life 41859  
felony indefinite prison term. Section 2929.191 of the Revised 41860  
Code applies if, prior to July 11, 2006, a court imposed a 41861  
sentence including a prison term of a type described in this 41862  
division and failed to notify the offender pursuant to division 41863  
(B) (2) (d) of section 2929.19 of the Revised Code regarding post- 41864  
release control or to include in the judgment of conviction 41865  
entered on the journal or in the sentence pursuant to division 41866  
(D) (1) of section 2929.14 of the Revised Code a statement 41867  
regarding post-release control. Unless reduced by the parole 41868  
board pursuant to division (D) of this section when authorized 41869  
under that division, a period of post-release control required 41870  
by this division for an offender shall be of one of the 41871  
following periods: 41872

(1) For a felony sex offense, five years; 41873

(2) For a felony of the first degree that is not a felony 41874  
sex offense, up to five years, but not less than two years; 41875

(3) For a felony of the second degree that is not a felony 41876  
sex offense, up to three years, but not less than eighteen 41877  
months; 41878

(4) For a felony of the third degree that is an offense of 41879  
violence and is not a felony sex offense, up to three years, but 41880  
not less than one year. 41881

(C) Any sentence to a prison term for a felony of the 41882  
third, fourth, or fifth degree that is not subject to division 41883  
(B) (1) or (4) of this section shall include a requirement that 41884  
the offender be subject to a period of post-release control of 41885  
up to two years after the offender's release from imprisonment, 41886

if the parole board, in accordance with division (D) of this section, determines that a period of post-release control is necessary for that offender. For post-release control to be imposed, the offender must be committed to the department of rehabilitation and correction as set forth in section 5120.16 of the Revised Code. This division applies with respect to all prison terms of a type described in this division, including a term of any such type that is a risk reduction sentence. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in this division and failed to notify the offender pursuant to division (B) (2) (e) of section 2929.19 of the Revised Code regarding post-release control or to include in the judgment of conviction entered on the journal or in the sentence pursuant to division (D) (2) of section 2929.14 of the Revised Code a statement regarding post-release control. Pursuant to an agreement entered into under section 2967.29 of the Revised Code, a court of common pleas or parole board may impose sanctions or conditions on an offender who is placed on post-release control under this division.

(D) (1) Before the prisoner is released from imprisonment, the parole board or, pursuant to an agreement under section 2967.29 of the Revised Code, the court shall impose on a prisoner described in division (B) of this section, shall impose on a prisoner described in division (C) of this section who is to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, may impose on a prisoner described in division (C) of this section who is not to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, and shall impose on a prisoner described in division (B) (2) (b) of section 5120.031

or in division (B) (1) of section 5120.032 of the Revised Code, 41918  
one or more post-release control sanctions to apply during the 41919  
prisoner's period of post-release control. Whenever the board or 41920  
court imposes one or more post-release control sanctions on a 41921  
prisoner, the board or court, in addition to imposing the 41922  
sanctions, also shall include as a condition of the post-release 41923  
control that the offender not leave the state without permission 41924  
of the court or the offender's parole or probation officer and 41925  
that the offender abide by the law. The board or court may 41926  
impose any other conditions of release under a post-release 41927  
control sanction that the board or court considers appropriate, 41928  
and the conditions of release may include any community 41929  
residential sanction, community nonresidential sanction, or 41930  
financial sanction that the sentencing court was authorized to 41931  
impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the 41932  
Revised Code. Prior to the release of a prisoner for whom it 41933  
will impose one or more post-release control sanctions under 41934  
this division, the parole board or court shall review the 41935  
prisoner's criminal history, results from the single validated 41936  
risk assessment tool, and the record of the prisoner's conduct 41937  
while imprisoned. The parole board or court shall consider any 41938  
recommendation regarding post-release control sanctions for the 41939  
prisoner made by the office of victims' services. After 41940  
considering those materials, the board or court shall determine, 41941  
for a prisoner described in division (B) of this section, 41942  
division (B) (2) (b) of section 5120.031, or division (B) (1) of 41943  
section 5120.032 of the Revised Code and for a prisoner 41944  
described in division (C) of this section who is to be released 41945  
before the expiration of the prisoner's stated prison term under 41946  
a risk reduction sentence, which post-release control sanction 41947  
or combination of post-release control sanctions is reasonable 41948  
under the circumstances or, for a prisoner described in division 41949

(C) of this section who is not to be released before the 41950  
expiration of the prisoner's stated prison term under a risk 41951  
reduction sentence, whether a post-release control sanction is 41952  
necessary and, if so, which post-release control sanction or 41953  
combination of post-release control sanctions is reasonable 41954  
under the circumstances. In the case of a prisoner convicted of 41955  
a felony of the fourth or fifth degree other than a felony sex 41956  
offense, the board or court shall presume that monitored time is 41957  
the appropriate post-release control sanction unless the board 41958  
or court determines that a more restrictive sanction is 41959  
warranted. A post-release control sanction imposed under this 41960  
division takes effect upon the prisoner's release from 41961  
imprisonment. 41962

Regardless of whether the prisoner was sentenced to the 41963  
prison term prior to, on, or after July 11, 2006, prior to the 41964  
release of a prisoner for whom it will impose one or more post- 41965  
release control sanctions under this division, the parole board 41966  
shall notify the prisoner that, if the prisoner violates any 41967  
sanction so imposed or any condition of post-release control 41968  
described in division (B) of section 2967.131 of the Revised 41969  
Code that is imposed on the prisoner, the parole board may 41970  
impose a prison term of up to one-half of the stated prison term 41971  
originally imposed on the prisoner. 41972

At least thirty days before the prisoner is released from 41973  
imprisonment under post-release control, except as otherwise 41974  
provided in this paragraph, the department of rehabilitation and 41975  
correction shall notify the victim and the victim's immediate 41976  
family of the date on which the prisoner will be released, the 41977  
period for which the prisoner will be under post-release control 41978  
supervision, and the terms and conditions of the prisoner's 41979  
post-release control regardless of whether the victim or 41980

victim's immediate family has requested the notification. The 41981  
notice described in this paragraph shall not be given to a 41982  
victim or victim's immediate family if the victim or the 41983  
victim's immediate family has requested pursuant to division (B) 41984  
(2) of section 2930.03 of the Revised Code that the notice not 41985  
be provided to the victim or the victim's immediate family. At 41986  
least thirty days before the prisoner is released from 41987  
imprisonment and regardless of whether the victim or victim's 41988  
immediate family has requested that the notice described in this 41989  
paragraph be provided or not be provided to the victim or the 41990  
victim's immediate family, the department also shall provide 41991  
notice of that nature to the prosecuting attorney in the case 41992  
and the law enforcement agency that arrested the prisoner if any 41993  
officer of that agency was a victim of the offense. 41994

If the notice given under the preceding paragraph to the 41995  
victim or the victim's immediate family is based on an offense 41996  
committed prior to March 22, 2013, and if the department of 41997  
rehabilitation and correction has not previously successfully 41998  
provided any notice to the victim or the victim's immediate 41999  
family under division (B), (C), or (D) of section 2930.16 of the 42000  
Revised Code with respect to that offense and the offender who 42001  
committed it, the notice also shall inform the victim or the 42002  
victim's immediate family that the victim or the victim's 42003  
immediate family may request that the victim or the victim's 42004  
immediate family not be provided any further notices with 42005  
respect to that offense and the offender who committed it and 42006  
shall describe the procedure for making that request. The 42007  
department may give the notices to which the preceding paragraph 42008  
applies by any reasonable means, including regular mail, 42009  
telephone, and electronic mail. If the department attempts to 42010  
provide notice to any specified person under the preceding 42011

paragraph but the attempt is unsuccessful because the department 42012  
is unable to locate the specified person, is unable to provide 42013  
the notice by its chosen method because it cannot determine the 42014  
mailing address, electronic mail address, or telephone number at 42015  
which to provide the notice, or, if the notice is sent by mail, 42016  
the notice is returned, the department shall make another 42017  
attempt to provide the notice to the specified person. If the 42018  
second attempt is unsuccessful, the department shall make at 42019  
least one more attempt to provide the notice. If the notice is 42020  
based on an offense committed prior to March 22, 2013, in each 42021  
attempt to provide the notice to the victim or victim's 42022  
immediate family, the notice shall include the opt-out 42023  
information described in this paragraph. The department, in the 42024  
manner described in division (D) (2) of section 2930.16 of the 42025  
Revised Code, shall keep a record of all attempts to provide the 42026  
notice, and of all notices provided, under this paragraph and 42027  
the preceding paragraph. The record shall be considered as if it 42028  
was kept under division (D) (2) of section 2930.16 of the Revised 42029  
Code. This paragraph, the preceding paragraph, and the notice- 42030  
related provisions of divisions (E) (2) and (K) of section 42031  
2929.20, division (D) (1) of section 2930.16, division (H) of 42032  
section 2967.12, division (E) (1) (b) of section 2967.19 as it 42033  
existed prior to ~~the effective date of this amendment~~ April 4, 42034  
2023, division (A) (3) (b) of section 2967.26, and division (A) (2) 42035  
of section 5149.101 of the Revised Code enacted in the act in 42036  
which this paragraph and the preceding paragraph were enacted, 42037  
shall be known as "Roberta's Law." 42038

(2) If a prisoner who is placed on post-release control 42039  
under this section is released before the expiration of the 42040  
definite term that is the prisoner's stated prison term or the 42041  
expiration of the minimum term that is part of the prisoner's 42042

indefinite prison term imposed under a non-life felony 42043  
indefinite prison term by reason of credit earned under section 42044  
2967.193 or 2967.194 or a reduction under division (F) of 42045  
section 2967.271 of the Revised Code and if the prisoner earned 42046  
sixty or more days of credit, the adult parole authority may 42047  
supervise the offender with an active global positioning system 42048  
device for the first fourteen days after the offender's release 42049  
from imprisonment. This division does not prohibit or limit the 42050  
imposition of any post-release control sanction otherwise 42051  
authorized by this section. 42052

(3) After a prisoner is released from imprisonment and 42053  
during the period of post-release control applicable to the 42054  
releasee, the adult parole authority or, pursuant to an 42055  
agreement under section 2967.29 of the Revised Code, the court 42056  
may review the releasee's behavior under the post-release 42057  
control sanctions imposed upon the releasee under this section. 42058  
The authority or court may determine, based upon the review and 42059  
in accordance with the standards established under division (E) 42060  
of this section, that the releasee has satisfactorily complied 42061  
with the sanctions imposed, and if such a determination is made, 42062  
the authority may recommend a less restrictive sanction, reduce 42063  
the period of post-release control, or, no sooner than the 42064  
minimum period of time required under section 2967.16 of the 42065  
Revised Code, recommend that the parole board or court terminate 42066  
the duration of the period of post-release control. In no case 42067  
shall the board or court reduce the duration of the period of 42068  
control imposed for a felony sex offense described in division 42069  
(B)(1) of this section. 42070

(4) The department of rehabilitation and correction shall 42071  
develop factors that the parole board or court shall consider in 42072  
determining under division (D)(3) of this section whether to 42073

terminate the period of control imposed on a releasee. 42074

(E) The department of rehabilitation and correction, in 42075  
accordance with Chapter 119. of the Revised Code, shall adopt 42076  
rules that do all of the following: 42077

(1) Establish standards for the imposition by the parole 42078  
board of post-release control sanctions under this section that 42079  
are consistent with the overriding purposes and sentencing 42080  
principles set forth in section 2929.11 of the Revised Code and 42081  
that are appropriate to the needs of releasees; 42082

(2) Establish standards that provide for a period of post- 42083  
release control of up to two years for all prisoners described 42084  
in division (C) of this section who are to be released before 42085  
the expiration of their stated prison term under a risk 42086  
reduction sentence and standards by which the parole board can 42087  
determine which prisoners described in division (C) of this 42088  
section who are not to be released before the expiration of 42089  
their stated prison term under a risk reduction sentence should 42090  
be placed under a period of post-release control; 42091

(3) Establish standards to be used by the parole board in 42092  
reducing or terminating the duration of the period of post- 42093  
release control imposed by the court when authorized under 42094  
division (D) of this section, in imposing a more restrictive 42095  
post-release control sanction than monitored time on a prisoner 42096  
convicted of a felony of the fourth or fifth degree other than a 42097  
felony sex offense, or in imposing a less restrictive control 42098  
sanction on a releasee based on results from the single 42099  
validated risk assessment tool and on the releasee's activities 42100  
including, but not limited to, remaining free from criminal 42101  
activity and from the abuse of alcohol or other drugs, 42102  
successfully participating in approved rehabilitation programs, 42103

maintaining employment, and paying restitution to the victim or 42104  
meeting the terms of other financial sanctions; 42105

(4) Establish standards to be used by the adult parole 42106  
authority in modifying a releasee's post-release control 42107  
sanctions pursuant to division (D)(2) of this section; 42108

(5) Establish standards to be used by the adult parole 42109  
authority or parole board in imposing further sanctions under 42110  
division (F) of this section on releasees who violate post- 42111  
release control sanctions, including standards that do the 42112  
following: 42113

(a) Classify violations according to the degree of 42114  
seriousness; 42115

(b) Define the circumstances under which formal action by 42116  
the parole board is warranted; 42117

(c) Govern the use of evidence at violation hearings; 42118

(d) Ensure procedural due process to an alleged violator; 42119

(e) Prescribe nonresidential community control sanctions 42120  
for most misdemeanor and technical violations; 42121

(f) Provide procedures for the return of a releasee to 42122  
imprisonment for violations of post-release control. 42123

(F) (1) Whenever the parole board imposes one or more post- 42124  
release control sanctions on an offender under this section, the 42125  
offender upon release from imprisonment shall be under the 42126  
general jurisdiction of the adult parole authority and generally 42127  
shall be supervised by the field services section through its 42128  
staff of parole and field officers as described in section 42129  
5149.04 of the Revised Code, as if the offender had been placed 42130  
on parole. If the offender upon release from imprisonment 42131

violates the post-release control sanction or any conditions 42132  
described in division (A) of section 2967.131 of the Revised 42133  
Code that are imposed on the offender, the public or private 42134  
person or entity that operates or administers the sanction or 42135  
the program or activity that comprises the sanction shall report 42136  
the violation directly to the adult parole authority or to the 42137  
officer of the authority who supervises the offender. The 42138  
authority's officers may treat the offender as if the offender 42139  
were on parole and in violation of the parole, and otherwise 42140  
shall comply with this section. 42141

(2) If the adult parole authority or, pursuant to an 42142  
agreement under section 2967.29 of the Revised Code, the court 42143  
determines that a releasee has violated a post-release control 42144  
sanction or any conditions described in division (A) of section 42145  
2967.131 of the Revised Code imposed on the releasee and that a 42146  
more restrictive sanction is appropriate, the authority or court 42147  
may impose a more restrictive sanction on the releasee, in 42148  
accordance with the standards established under division (E) of 42149  
this section or in accordance with the agreement made under 42150  
section 2967.29 of the Revised Code, or may report the violation 42151  
to the parole board for a hearing pursuant to division (F) (3) of 42152  
this section. The authority or court may not, pursuant to this 42153  
division, increase the duration of the releasee's post-release 42154  
control or impose as a post-release control sanction a 42155  
residential sanction that includes a prison term, but the 42156  
authority or court may impose on the releasee any other 42157  
residential sanction, nonresidential sanction, or financial 42158  
sanction that the sentencing court was authorized to impose 42159  
pursuant to sections 2929.16, 2929.17, and 2929.18 of the 42160  
Revised Code. 42161

(3) The parole board or, pursuant to an agreement under 42162

section 2967.29 of the Revised Code, the court may hold a 42163  
hearing on any alleged violation by a releasee of a post-release 42164  
control sanction or any conditions described in division (A) of 42165  
section 2967.131 of the Revised Code that are imposed upon the 42166  
releasee. Except as otherwise provided in this division, if 42167  
after the hearing the board or court finds that the releasee 42168  
violated the sanction or condition, the board or court may 42169  
increase the duration of the releasee's post-release control up 42170  
to the maximum duration authorized by division (B) or (C) of 42171  
this section or impose a more restrictive post-release control 42172  
sanction. If a releasee was acting pursuant to division (B) (2) 42173  
(b) of section 2925.11 or a related provision of section 42174  
2925.12, 2925.14, or 2925.141 of the Revised Code and in so 42175  
doing violated the conditions of a post-release control sanction 42176  
based on a minor drug possession offense, as defined in that 42177  
section, or violated section 2925.12, division (C) (1) of section 42178  
2925.14, or section 2925.141 of the Revised Code, the board or 42179  
the court shall not impose any of the penalties described in 42180  
this division based on the violation. When appropriate, the 42181  
board or court may impose as a post-release control sanction a 42182  
residential sanction that includes a prison term. The board or 42183  
court shall consider a prison term as a post-release control 42184  
sanction imposed for a violation of post-release control when 42185  
the violation involves a deadly weapon or dangerous ordnance, 42186  
physical harm or attempted serious physical harm to a person, or 42187  
sexual misconduct. Unless a releasee's stated prison term was 42188  
reduced pursuant to section 5120.032 of the Revised Code, the 42189  
period of a prison term that is imposed as a post-release 42190  
control sanction under this division shall not exceed nine 42191  
months, and the maximum cumulative prison term for all 42192  
violations under this division shall not exceed one-half of the 42193  
definite prison term that was the stated prison term originally 42194

imposed on the offender as part of this sentence or, with 42195  
respect to a stated non-life felony indefinite prison term, one- 42196  
half of the minimum prison term that was imposed as part of that 42197  
stated prison term originally imposed on the offender. If a 42198  
releasee's stated prison term was reduced pursuant to section 42199  
5120.032 of the Revised Code, the period of a prison term that 42200  
is imposed as a post-release control sanction under this 42201  
division and the maximum cumulative prison term for all 42202  
violations under this division shall not exceed the period of 42203  
time not served in prison under the sentence imposed by the 42204  
court. The period of a prison term that is imposed as a post- 42205  
release control sanction under this division shall not count as, 42206  
or be credited toward, the remaining period of post-release 42207  
control. If, during the period of the releasee's post-release 42208  
control, the releasee serves as a post-release control sanction 42209  
the maximum prison time available as a sanction, the post- 42210  
release control shall terminate. 42211

If an offender is imprisoned for a felony committed while 42212  
under post-release control supervision and is again released on 42213  
post-release control for a period of time, the maximum 42214  
cumulative prison term for all violations under this division 42215  
shall not exceed one-half of the total stated prison terms of 42216  
the earlier felony, reduced by any prison term administratively 42217  
imposed by the parole board or court, plus one-half of the total 42218  
stated prison term of the new felony. 42219

(G) (1) If an offender is simultaneously subject to a 42220  
period of parole under an indefinite or life sentence and a 42221  
period of post-release control, or is simultaneously subject to 42222  
two periods of post-release control, the period of supervision 42223  
that expires last shall determine the length and form of 42224  
supervision for all the periods and the related sentences. 42225

(2) An offender shall receive credit for post-release control supervision during the period of parole, and shall not be eligible for final release under section 2967.16 of the Revised Code until the post-release control period otherwise would have ended.

(3) If the period of parole ends prior to the end of the period of post-release control, the requirements of parole supervision shall be satisfied during the post-release control period.

(H) (1) A period of post-release control shall not be imposed consecutively to any other post-release control period.

(2) The period of post-release control for a releasee who commits a felony while under post-release control for an earlier felony shall be the longer of the period of post-release control specified for the new felony under division (B) or (C) of this section or the time remaining under the period of post-release control imposed for the earlier felony as determined by the parole board or court.

**Sec. 2969.13.** All moneys that are collected pursuant to section 2929.32 of the Revised Code and required to be deposited in the crime victims recovery fund shall be credited ~~by the treasurer of state~~ to the fund. Any interest earned on the money in the fund shall be credited to the fund.

(2) In determining whether an alleged instrumentality was used in or was intended to be used in the commission or facilitation of an offense or an attempt, complicity, or conspiracy to commit an offense in a manner sufficient to warrant its forfeiture, the trier of fact shall consider the following factors the trier of fact determines are relevant:	42269 42270 42271 42272 42273 42274
(a) Whether the offense could not have been committed or attempted but for the presence of the instrumentality;	42275 42276
(b) Whether the primary purpose in using the instrumentality was to commit or attempt to commit the offense;	42277 42278
(c) The extent to which the instrumentality furthered the commission of, or attempt to commit, the offense.	42279 42280

imposing sentence or an order of disposition. 42285

(C) This chapter does not apply to or limit forfeitures 42286  
under Title XLV of the Revised Code, including forfeitures 42287

or in an action for legal separation; 42313

(b) If the court determines that the use of either or both 42314  
of the dates specified in division (A) (2) (a) of this section 42315

In either case, upon making such a determination, the court shall divide the marital and separate property equitably between the spouses, in accordance with this section. For purposes of this section, the court has jurisdiction over all property, excluding the social security benefits of a spouse other than as set forth in division (F) (9) of this section, in which one or both spouses have an interest.	42389 42390 42391 42392 42393 42394 42395 42396 42397 42398

(C) (1) Except as provided in this division or division (E) 42399  
of this section, the division of marital property shall be 42400  
equal. If an equal division of marital property would be 42401  
inequitable, the court shall not divide the marital property 42402  
equally but instead shall divide it between the spouses in the 42403  
manner the court determines equitable. In making a division of 42404  
marital property, the court shall consider all relevant factors, 42405  
including those set forth in division (F) of this section. 42406

(2) Each spouse shall be considered to have contributed 42407  
equally to the production and acquisition of marital property. 42408

marital property under this section prior to making any award of 42410  
spousal support to either spouse under section 3105.18 of the 42411  
Revised Code and without regard to any spousal support so 42412  
awarded. 42413

(4) If the marital property includes a participant 42414  
account, as defined in section 148.01 of the Revised Code, the 42415  
court shall not order the division or disbursement of the moneys 42416  
and income described in division (A) (3) (a) (iv) of this section 42417  
to occur in a manner that is inconsistent with the law, rules, 42418  
or plan governing the deferred compensation program involved or 42419  
prior to the time that the spouse in whose name the participant 42420  
account is maintained commences receipt of the moneys and income 42421  
credited to the account in accordance with that law, rules, and 42422  
plan. 42423

(D) Except as otherwise provided in division (E) of this 42424  
section or by another provision of this section, the court shall 42425  
disburse a spouse's separate property to that spouse. If a court 42426  
does not disburse a spouse's separate property to that spouse, 42427  
the court shall make written findings of fact that explain the 42428

factors that it considered in making its determination that the 42429  
spouse's separate property should not be disbursed to that 42430  
spouse. 42431

(E) (1) The court may make a distributive award to 42432  
facilitate, effectuate, or supplement a division of marital 42433  
property. The court may require any distributive award to be 42434  
secured by a lien on the payor's specific marital property or 42435  
separate property. 42436

(2) The court may make a distributive award in lieu of a 42437  
division of marital property in order to achieve equity between 42438  
the spouses, if the court determines that a division of the 42439  
marital property in kind or in money would be impractical or 42440  
burdensome. 42441

(3) The court shall require each spouse to disclose in a 42442  
full and complete manner all marital property, separate 42443  
property, and other assets, debts, income, and expenses of the 42444  
spouse. 42445

(4) If a spouse has engaged in financial misconduct, 42446  
including, but not limited to, the dissipation, destruction, 42447  
concealment, nondisclosure, or fraudulent disposition of assets, 42448  
the court may compensate the offended spouse with a distributive 42449  
award or with a greater award of marital property. 42450

(5) If a spouse has substantially and willfully failed to 42451  
disclose marital property, separate property, or other assets, 42452  
debts, income, or expenses as required under division (E) (3) of 42453  
this section, the court may compensate the offended spouse with 42454  
a distributive award or with a greater award of marital property 42455  
not to exceed three times the value of the marital property, 42456  
separate property, or other assets, debts, income, or expenses 42457

that are not disclosed by the other spouse. 42458

(F) In making a division of marital property and in 42459  
determining whether to make and the amount of any distributive 42460  
award under this section, the court shall consider all of the 42461  
following factors: 42462

(1) The duration of the marriage; 42463

(2) The assets and liabilities of the spouses; 42464

(3) The desirability of awarding the family home, or the 42465  
right to reside in the family home for reasonable periods of 42466  
time, to the spouse with custody of the children of the 42467  
marriage; 42468

(4) The liquidity of the property to be distributed; 42469

(5) The economic desirability of retaining intact an asset 42470  
or an interest in an asset; 42471

(6) The tax consequences of the property division upon the 42472  
respective awards to be made to each spouse; 42473

(7) The costs of sale, if it is necessary that an asset be 42474  
sold to effectuate an equitable distribution of property; 42475

(8) Any division or disbursement of property made in a 42476  
separation agreement that was voluntarily entered into by the 42477  
spouses; 42478

(9) Any retirement benefits of the spouses, excluding the 42479  
social security benefits of a spouse except as may be relevant 42480  
for purposes of dividing a public pension; 42481

(10) Any other factor that the court expressly finds to be 42482  
relevant and equitable. 42483

(G) In any order for the division or disbursement of 42484

property or a distributive award made pursuant to this section, 42485  
the court shall make written findings of fact that support the 42486  
determination that the marital property has been equitably 42487  
divided and shall specify the dates it used in determining the 42488  
meaning of "during the marriage." 42489

(H) Except as otherwise provided in this section, the 42490  
holding of title to property by one spouse individually or by 42491  
both spouses in a form of co-ownership does not determine 42492  
whether the property is marital property or separate property. 42493

(I) A division or disbursement of property or a 42494  
distributive award made under this section is not subject to 42495  
future modification by the court except upon the express written 42496  
consent or agreement to the modification by both spouses. 42497

(J) The court may issue any orders under this section that 42498  
it determines equitable, including, but not limited to, either 42499  
of the following types of orders: 42500

(1) An order granting a spouse the right to use the 42501  
marital dwelling or any other marital property or separate 42502  
property for any reasonable period of time; 42503

(2) An order requiring the sale or encumbrancing of any 42504  
real or personal property, with the proceeds from the sale and 42505

academic performance. The plan shall include an academic profile 44117  
of the student's academic performance and shall be reviewed 44118  
annually to determine if the student's needs continue to require 44119

Each high school selected to provide intervention services 44200

the proficient level on the Ohio graduation tests. Intervention 44204  
services shall be provided in any skill in which a student 44205  
demonstrates unsatisfactory progress and shall be commensurate 44206  
with the student's performance. Schools shall provide the 44207  
intervention services prior to the end of the school year, 44208

succeeding school year, or at any combination of those times. 44210

(E) Except as provided in section 3313.608 of the Revised 44211

of education shall utilize any student's failure to attain a 44213  
specified score on an assessment administered under this section 44214  
as a factor in any decision to deny the student promotion to a 44215  
higher grade level. However, a district board may choose not to 44216  
promote to the next grade level any student who does not take an 44217  
assessment administered under this section or make up an 44218

administration; 44262

(c) In the case of the writing component of an assessment 44263  
or end-of-course examination in the area of English language 44264

may require the use of the data verification codes assigned to 44315  
students pursuant to division (D)(2) of section 3301.0714 of the 44316

3313.64 or 3313.65 of the Revised Code; 44343

(b) Persons described in division (B) (8) (b) of this 44344  
section. 44345

Any assessment of students pursuant to such an agreement 44346  
shall be in lieu of any assessment of such students or persons 44347

pursuant to this section. 44348

(K) (1) (a) Except as otherwise provided in division (K) (1) 44349  
or (2) of this section, each chartered nonpublic school for 44350  
which at least sixty-five per cent of its total enrollment is 44351  
made up of students who are participating in state scholarship 44352  
programs shall administer the assessments prescribed by division 44353  
(A) of section 3301.0710 of the Revised Code or an alternative 44354  
standardized assessment determined by the department. In 44355  
accordance with procedures and deadlines prescribed by the 44356  
department, the parent or guardian of a student enrolled in the 44357  
school who is not participating in a state scholarship program 44358  
may submit notice to the chief administrative officer of the 44359  
school that the parent or guardian does not wish to have the 44360  
student take the assessments prescribed for the student's grade 44361  
level under division (A) of section 3301.0710 of the Revised 44362  
Code. If a parent or guardian submits an opt-out notice, the 44363  
school shall not administer the assessments to that student. 44364  
This option does not apply to any assessment required for a high 44365  
school diploma under section 3313.612 of the Revised Code. 44366

(b) Any chartered nonpublic school that enrolls students 44367  
who are participating in state scholarship programs may 44368  
administer an alternative standardized assessment determined by 44369  
the department instead of the assessments prescribed by division 44370  
(A) of section 3301.0710 of the Revised Code. 44371

Each chartered nonpublic school subject to division (K) (1) 44372  
(a) or (b) of this section shall report the results of each 44373  
assessment administered under those divisions to the department. 44374

(2) A chartered nonpublic school may submit to the 44375  
director of education and workforce a request for a waiver from 44376  
administering the elementary assessments prescribed by division 44377

(A) of section 3301.0710 of the Revised Code. The director shall 44378  
approve or disapprove a request for a waiver submitted under 44379  
division (K)(2) of this section. 44380

To be eligible to submit a request for a waiver, a 44381  
chartered nonpublic school shall meet the following conditions: 44382

(a) At least ninety-five per cent of the students enrolled 44383  
in the school are children with disabilities, as defined under 44384  
section 3323.01 of the Revised Code, or have received a 44385  
diagnosis by a school district or from a physician, including a 44386  
neuropsychiatrist or psychiatrist, or a psychologist who is 44387  
authorized to practice in this or another state as having a 44388  
condition that impairs academic performance, such as dyslexia, 44389  
dyscalculia, attention deficit hyperactivity disorder, or 44390  
Asperger's syndrome. 44391

(b) The school has solely served a student population 44392  
described in division (K)(1)(a) of this section for at least ten 44393  
years. 44394

(c) The school provides to the department at least five 44395  
years of records of internal testing conducted by the school 44396  
that affords the department data required for accountability 44397  
purposes, including diagnostic assessments and nationally 44398  
standardized norm-referenced achievement assessments that 44399  
measure reading and math skills. 44400

(3) Any chartered nonpublic school that is not subject to 44401  
division (K)(1) of this section may participate in the 44402  
assessment program by administering any of the assessments 44403  
prescribed by division (A) of section 3301.0710 of the Revised 44404  
Code. The chief administrator of the school shall specify which 44405  
assessments the school will administer. Such specification shall 44406

be made in writing to the director prior to the first day of 44407  
August of any school year in which assessments are administered 44408  
and shall include a pledge that the nonpublic school will 44409  
administer the specified assessments in the same manner as 44410  
public schools are required to do under this section and rules 44411  
adopted by the department. 44412

(4) The department shall furnish the assessments 44413  
prescribed by section 3301.0710 of the Revised Code to each 44414  
chartered nonpublic school that is subject to division (K) (1) of 44415  
this section or participates under division (K) (3) of this 44416  
section. 44417

(L) If a chartered nonpublic school is educating students 44418  
in grades nine through twelve, the following shall apply: 44419

(1) Except as provided in division (L) (4) of this section, 44420  
for a student who is enrolled in a chartered nonpublic school 44421  
that is accredited through the independent schools association 44422  
of the central states and who is attending the school under a 44423  
state scholarship program, the student shall either take all of 44424  
the assessments prescribed by division (B) of section 3301.0712 44425  
of the Revised Code or take an alternative assessment approved 44426  
by the department under section 3313.619 of the Revised Code. 44427  
However, a student who is excused from taking an assessment 44428  
under division (C) of this section or has presented evidence to 44429  
the chartered nonpublic school of having satisfied the condition 44430  
prescribed by division (A) (1) of section 3313.618 of the Revised 44431  
Code to qualify for a high school diploma prior to the date of 44432  
the administration of the assessment prescribed under division 44433  
(B) (1) of section 3301.0712 of the Revised Code shall not be 44434  
required to take that assessment. No governing authority of a 44435  
chartered nonpublic school shall prohibit a student who is not 44436

required to take such assessment from taking the assessment. 44437

(2) For a student who is enrolled in a chartered nonpublic 44438  
school that is accredited through the independent schools 44439  
association of the central states, and who is not attending the 44440  
school under a state scholarship program, the student shall not 44441  
be required to take any assessment prescribed under section 44442  
3301.0712 or 3313.619 of the Revised Code. 44443

(3) (a) Except as provided in divisions (L) (3) (b) and (4) 44444  
of this section, for a student who is enrolled in a chartered 44445  
nonpublic school that is not accredited through the independent 44446  
schools association of the central states, regardless of whether 44447  
the student is attending or is not attending the school under a 44448  
state scholarship program, the student shall do one of the 44449  
following: 44450

(i) Take all of the assessments prescribed by division (B) 44451  
of section 3301.0712 of the Revised Code; 44452

(ii) Take only the assessment prescribed by division (B) 44453  
(1) of section 3301.0712 of the Revised Code, provided that the 44454  
student's school publishes the results of that assessment for 44455  
each graduating class. The published results of that assessment 44456  
shall include the overall composite scores, mean scores, twenty- 44457  
fifth percentile scores, and seventy-fifth percentile scores for 44458  
each subject area of the assessment. 44459

(iii) Take an alternative assessment approved by the 44460  
department under section 3313.619 of the Revised Code. 44461

(b) A student who is excused from taking an assessment 44462  
under division (C) of this section or has presented evidence to 44463  
the chartered nonpublic school of having satisfied the condition 44464  
prescribed by division (A) (1) of section 3313.618 of the Revised 44465

Code to qualify for a high school diploma prior to the date of 44466  
the administration of the assessment prescribed under division 44467  
(B) (1) of section 3301.0712 of the Revised Code shall not be 44468  
required to take that assessment. No governing authority of a 44469  
chartered nonpublic school shall prohibit a student who is not 44470  
required to take such assessment from taking the assessment. 44471

(4) The assessments prescribed by sections 3301.0712 and 44472  
3313.619 of the Revised Code shall not be administered to any 44473  
student attending the school, if the school meets all of the 44474  
following conditions: 44475

(a) At least ninety-five per cent of the students enrolled 44476  
in the school are children with disabilities, as defined under 44477  
section 3323.01 of the Revised Code, or have received a 44478  
diagnosis by a school district or from a physician, including a 44479  
neuropsychologist or psychiatrist, or a psychologist who is 44480  
authorized to practice in this or another state as having a 44481  
condition that impairs academic performance, such as dyslexia, 44482  
dyscalculia, attention deficit hyperactivity disorder, or 44483  
Asperger's syndrome. 44484

(b) The school has solely served a student population 44485  
described in division (L) (4) (a) of this section for at least ten 44486  
years. 44487

(c) The school makes available to the department at least 44488  
five years of records of internal testing conducted by the 44489  
school that affords the department data required for 44490  
accountability purposes, including growth in student achievement 44491  
in reading or mathematics, or both, as measured by nationally 44492  
norm-referenced assessments that have developed appropriate 44493  
standards for students. 44494

Division (L) (4) of this section applies to any student 44495  
attending such school regardless of whether the student receives 44496  
special education or related services and regardless of whether 44497  
the student is attending the school under a state scholarship 44498  
program. 44499

(M) (1) The superintendent of Ohio deaf and blind education 44500  
services shall administer the assessments described by sections 44501  
3301.0710 and 3301.0712 of the Revised Code for the state school 44502  
for the blind ~~and~~, the state school for the deaf, and Rita 44503  
community school. The superintendent of Ohio deaf and blind 44504  
education services shall administer the assessments in the same 44505  
manner as district boards are required to do under this section 44506  
and rules adopted by the department and in conformity with 44507  
division (C) (1) (a) of this section. 44508

(2) The department shall furnish the assessments described 44509  
by sections 3301.0710 and 3301.0712 of the Revised Code to the 44510  
superintendent of Ohio deaf and blind education services. 44511

(N) Notwithstanding division (E) of this section, a school 44512  
district may use a student's failure to attain a score in at 44513  
least the proficient range on the mathematics assessment 44514  
described by division (A) (1) (a) of section 3301.0710 of the 44515  
Revised Code or on an assessment described by division (A) (1) 44516  
(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised 44517  
Code as a factor in retaining that student in the current grade 44518  
level. 44519

(O) (1) In the manner specified in divisions (O) (3) ~~and~~ 44520  
(4) ~~, (6), and (7)~~ of this section, the assessments required by 44521  
division (A) (1) of section 3301.0710 of the Revised Code shall 44522  
become public records pursuant to section 149.43 of the Revised 44523  
Code on the thirty-first day of July following the school year 44524

that the assessments were administered. 44525

(2) The department may field test proposed questions with 44526  
samples of students to determine the validity, reliability, or 44527  
appropriateness of questions for possible inclusion in a future 44528  
year's assessment. The department also may use anchor questions 44529  
on assessments to ensure that different versions of the same 44530  
assessment are of comparable difficulty. 44531

Field test questions and anchor questions shall not be 44532  
considered in computing scores for individual students. Field 44533  
test questions and anchor questions may be included as part of 44534  
the administration of any assessment required by division (A) (1) 44535  
or (B) of section 3301.0710 and division (B) of section 44536

(3) Any field test question or anchor question 44538  
administered under division (O) (2) of this section shall not be 44539  
a public record. Such field test questions and anchor questions 44540  
shall be redacted from any assessments which are released as a 44541  
public record pursuant to division (O) (1) of this section. 44542

~~(4) This division applies to the assessments prescribed by 44543  
division (A) of section 3301.0710 of the Revised Code. 44544~~

~~(a) The first administration of each assessment, as 44545  
specified in former section 3301.0712 of the Revised Code, shall 44546  
be a public record. 44547~~

~~(b) For subsequent administrations of each assessment 44548  
prior to the 2011-2012 school year, not less than forty per cent 44549  
of the questions on the assessment that are used to compute a 44550  
student's score shall be a public record. The department shall 44551  
determine which questions will be needed for reuse on a future 44552  
assessment and those questions shall not be public records and 44553~~

~~shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O) (3) of this section.~~

~~(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public record.~~

~~(5) Each assessment prescribed by division (B) (1) of section 3301.0710 of the Revised Code shall not be a public record.~~

~~(i) Forty per cent of the questions and preferred answers on the assessments on the thirty-first day of July following the administration of the assessment;~~

~~(ii) Twenty per cent of the questions and preferred answers on the assessment on the thirty-first day of July one year after the administration of the assessment;~~

~~(iii) The remaining forty per cent of the questions and preferred answers on the assessment on the thirty-first day of~~

~~July two years after the administration of the assessment.~~ 44583

~~The entire content of an assessment shall become a public record within three years of its administration.~~ 44584  
44585

~~The department shall make the questions that become a public record under this division readily accessible to the public on the department's web site. Questions on the spring administration of each assessment shall be released on an annual basis, in accordance with this division.~~ 44586  
44587  
44588  
44589  
44590

~~(b) No questions and corresponding preferred answers shall become a public record under division (O) (6) of this section after July 31, 2017.~~ 44591

44593

~~(7)~~ Division ~~(O) (7)~~ (O) (4) of this section applies to the 44594

Beginning with the assessments administered in the spring 44597  
of the ~~2017-2018~~ 2025-2026 school year, not less than ~~forty~~ 44598  
twenty per cent of the questions on each assessment that are 44599  
used to compute a student's score shall be a public record. The 44600  
department shall determine which questions will be needed for 44601  
reuse on a future assessment and those questions shall not be 44602  
public records and shall be redacted from the assessment prior 44603  
to its release as a public record. However, for each redacted 44604  
question, the department shall inform each city, local, and 44605  
exempted village school district of the corresponding statewide 44606  
academic standard adopted under section 3301.079 of the Revised 44607  
Code and the corresponding benchmark to which the question 44608  
relates. The department is not required to provide corresponding 44609  
standards and benchmarks to field test questions that are 44610  
redacted under division (O) (3) of this section. 44611

- (1) "Three-year average" means the average of the most 44613  
recent consecutive three school years of data. 44614
- (2) "Dropout" means a student who withdraws from school 44615  
before completing course requirements for graduation and who is 44616  
not enrolled in an education program approved by the department 44617

of the district for reasons other than dropout are subtracted 44624  
from the calculation. If a student who was a dropout in any 44625  
previous year returns to the same school district, that student 44626  
shall be entered into the calculation as if the student had 44627  
entered ninth grade four years before the graduation year of the 44628  
graduating class that the student joins. 44629

Chapter 3326., or a college-preparatory boarding school 44640

established under Chapter 3328. of the Revised Code. 44641

**Sec. 3301.0712.** (A) The department of education and 44646  
workforce and the chancellor of higher education shall develop a 44647  
system of college and work ready assessments as described in 44648  
division (B) of this section to assess whether each student upon 44649  
graduating from high school is ready to enter college or the 44650  
workforce. Beginning with students who enter the ninth grade for 44651  
the first time on or after July 1, 2014, the system shall 44652  
replace the Ohio graduation tests prescribed in division (B)(1) 44653  
of section 3301.0710 of the Revised Code as a measure of student 44654  
academic performance and one determinant of eligibility for a 44655  
high school diploma in the manner prescribed by rule adopted 44656  
under division (D) of this section. 44657

(B) The college and work ready assessment system shall 44658  
consist of the following: 44659

(1) (a) Except as provided in division (B)(1)(b) of this 44660  
section, nationally standardized assessments that measure 44661  
college and career readiness and are used for college admission. 44662  
The assessments shall be selected jointly by the department and 44663  
the chancellor, and one of which shall be selected by each 44664  
school district or school to administer to its students. The 44665  
assessments prescribed under division (B)(1) of this section 44666  
shall be administered to all eleventh-grade students in the 44667  
spring of the school year. 44668

(b) Beginning with students who enter the ninth grade for 44669

the first time on or after July 1, 2022, the parent or guardian 44670  
of a student may elect not to have a nationally standardized 44671  
assessment administered to that student. In that event, the 44672  
student's school district or school shall not administer the 44673  
nationally standardized assessment to that student. 44674

(2) (a) Except as provided in division (B) (2) (b) of this 44675

placement examinations and international baccalaureate 44683  
examinations, as prescribed under section 3313.6013 of the 44684  
Revised Code, in the areas of science, American history, and 44685  
American government may be used as end-of-course examinations in 44686  
accordance with division (B) (4) (a) (i) of this section. Final 44687  
course grades for courses taken under any other advanced 44688  
standing program, as prescribed under section 3313.6013 of the 44689  
Revised Code, in the areas of science, American history, and 44690  
American government may be used in lieu of end-of-course 44691  
examinations in accordance with division (B) (4) (a) (ii) of this 44692  
section. 44693

(b) Beginning with students who enter ninth grade for the 44694

examinations, one in each areas of English language arts II, 44696  
science, Algebra I, American history, and American government. 44697  
However, only the end-of-course examinations in English language 44698  
arts II and Algebra I shall be required for graduation. 44699

The department shall, as necessary to implement division 44700  
(B) (2) (b) of this section, seek a waiver from the United States 44701  
secretary of education for testing requirements prescribed under 44702  
federal law to allow for the use and implementation of Algebra I 44703

department does not receive a waiver under this division, the 44705  
end-of-course examinations for students described in division 44706  
(B) (2) (b) of this section also shall include an end-of-course 44707  
examination in the area of geometry. However, the geometry end- 44708  
of-course examination shall not be required for graduation. 44709

(3) The end-of-course examinations in American history and 44710  
American government shall require demonstration of mastery of 44711  
the American history and American government content for social 44712  
studies standards adopted under division (A) (1) (b) of section 44713  
3301.079 of the Revised Code and the topics required under 44714  
division (M) of section 3313.603 of the Revised Code. 44715

At least twenty per cent of the end-of-course examination 44716  
in American government shall address the topics on American 44717  
history and American government described in division (M) of 44718  
section 3313.603 of the Revised Code. 44719

(4) (a) Notwithstanding anything to the contrary in this 44720  
section, both of the following shall apply: 44721

(i) If a student is enrolled in an appropriate advanced 44722  
placement or international baccalaureate course, that student 44723  
shall take the advanced placement or international baccalaureate 44724  
examination in lieu of the science, American history, or 44725  
American government end-of-course examinations prescribed under 44726  
division (B) (2) of this section. The department shall specify 44727  
the score levels for each advanced placement examination and 44728  
international baccalaureate examination for purposes of 44729

calculating the minimum cumulative performance score that 44730  
demonstrates the level of academic achievement necessary to earn 44731  
a high school diploma. 44732

(ii) If a student is enrolled in an appropriate course 44733  
under any other advanced standing program, as described in 44734  
section 3313.6013 of the Revised Code, that student shall not be 44735

student's final course grade shall be used in lieu of the 44739  
applicable end-of-course examination prescribed under that 44740  
section. The department, in consultation with the chancellor, 44741  
shall adopt guidelines for purposes of calculating the 44742  
corresponding final course grades that demonstrate the level of 44743  
academic achievement necessary to earn a high school diploma. 44744

Division (B) (4) (a) (ii) of this section shall apply only to 44745  
courses for which students receive transcribed credit, as 44746

in place of the end-of-course examinations in English language 44751  
arts I, English language arts II, Algebra I, or geometry 44752  
prescribed under division (B) (2) of this section. 44753

(c) The department shall consider additional assessments 44754  
that may be used as substitute examinations in lieu of the end- 44755  
of-course examinations prescribed under division (B) (2) of this 44756  
section. 44757

(5) The department shall do all of the following: 44758

(a) Determine and designate at least five ranges of scores 44759  
on each of the end-of-course examinations prescribed under 44760

director of education and workforce shall conduct a public 44764  
presentation before the standing committees of the house of 44765  
representatives and the senate that consider primary and 44766  
secondary education legislation regarding the designated range 44767  
of scores. Each range of scores shall be considered to 44768  
demonstrate a level of achievement so that any student attaining 44769  
a score within such range has achieved one of the following: 44770

- (i) An advanced level of skill; 44771
- (ii) An accomplished level of skill; 44772
- (iii) A proficient level of skill; 44773

- (v) A limited level of skill. 44775

(b) Determine a method by which to calculate a cumulative 44776  
performance score based on the results of a student's end-of- 44777  
course examinations or substitute examinations; 44778

(c) Determine the minimum cumulative performance score 44779  
that demonstrates the level of academic achievement necessary to 44780  
earn a high school diploma under division (A)(2) of section 44781

(d) Develop a table of corresponding score equivalents for 44784  
the end-of-course examinations and substitute examinations in 44785  
order to calculate student performance consistently across the 44786

different examinations. 44787

A score of two on an advanced placement examination or a 44788  
score of two or three on an international baccalaureate 44789  
examination shall be considered equivalent to a proficient level 44790  
of skill as specified under division (B) (5) (a) (iii) of this 44791  
section. 44792

(6) (a) A student who meets both of the following 44793

examination at a later date. 44805

(b) For purposes of determining whether a student who is 44806  
exempt from taking an end-of-course examination under division 44807  
(B) (6) (a) of this section has attained the cumulative score 44808  
prescribed by division (B) (5) (c) of this section, such student 44809  
shall select either of the following: 44810

proficient score on the end-of-course examination from which the 44812  
student is exempt; 44813

(ii) The student's final course grade shall be used in 44814

student is exempt. 44816

The department, in consultation with the chancellor, shall 44817  
adopt guidelines for purposes of calculating the corresponding 44818  
final course grades and the minimum cumulative performance score 44819  
that demonstrates the level of academic achievement necessary to 44820  
earn a high school diploma. 44821

(7) (a) Notwithstanding anything to the contrary in this 44822  
section, the department may replace the algebra I end-of-course 44823

authorized under division (B) (7) (a) of this section, both of the 44830  
following shall apply: 44831

(i) A student who is enrolled in an advanced placement or 44832  
international baccalaureate course in algebra II shall take the 44833  
advanced placement or international baccalaureate examination in 44834  
lieu of the algebra II end-of-course examination. 44835

(ii) A student who is enrolled in an algebra II course 44836  
under any other advanced standing program, as described in 44837  
section 3313.6013 of the Revised Code, shall not be required to 44838

students who entered the ninth grade for the first time on or 44864  
after July 1, 2014, but prior to July 1, 2015, and who have not 44865

compiled and reported in terms of average expenditure per pupil 45120  
in enrolled ADM in the school district, as determined pursuant 45121  
to section 3317.03 of the Revised Code. 45122

(2) Administrative costs for each school building in the 45123

division (C) (3) of this section to be designed so that each of 45133  
them may be compiled and reported in terms of average 45134  
expenditure per pupil receiving the service in the school 45135

(c) The cost of the administrative support services 45149  
related to each instructional services category, such as the 45150  
cost of personnel that develop the curriculum for the 45151

section. The guidelines shall require the cost units under 45158

division (C) (4) of this section to be designed so that each of 45159  
them may be compiled and reported in terms of average 45160  
expenditure per pupil receiving the service in the school 45161  
district as a whole and average expenditure per pupil receiving 45162  
the service in each building in the school district and in terms 45163

(c) The cost of the administrative services related to 45176  
each services category in division (C) (4) (a) or (b) of this 45177  
section, such as the cost of any licensed or nonlicensed 45178  
employees that develop, supervise, coordinate, or otherwise are 45179  
involved in administering or aiding the delivery of each 45180  
services category. 45181

(D) (1) The guidelines adopted under this section shall 45182  
require school districts to collect information about individual 45183  
students, staff members, or both in connection with any data 45184  
required by division (B) or (C) of this section or other 45185  
reporting requirements established in the Revised Code. The 45186  
guidelines may also require school districts to report 45187  
information about individual staff members in connection with 45188

any data required by division (B) or (C) of this section or 45189  
other reporting requirements established in the Revised Code. 45190  
The guidelines shall not authorize school districts to request 45191  
social security numbers of individual students. The guidelines 45192  
shall prohibit the reporting under this section of a student's 45193  
name, address, and social security number to the department. The 45194  
guidelines shall also prohibit the reporting under this section 45195  
of any personally identifiable information about any student, 45196  
except for the purpose of assigning the data verification code 45197  
required by division (D) (2) of this section, to any other person 45198  
unless such person is employed by the school district or the 45199  
information technology center operated under section 3301.075 of 45200  
the Revised Code and is authorized by the district or technology 45201  
center to have access to such information or is employed by an 45202  
entity with which the department contracts for the scoring or 45203  
the development of state assessments. The guidelines may require 45204  
school districts to provide the social security numbers of 45205  
individual staff members and the county of residence for a 45206  
student. Nothing in this section prohibits the department from 45207  
providing a student's county of residence to the department of 45208  
taxation to facilitate the distribution of tax revenue. 45209

(2) (a) The guidelines shall provide for each school 45210  
district or community school to assign a data verification code 45211  
that is unique on a statewide basis over time to each student 45212  
whose initial Ohio enrollment is in that district or school and 45213  
to report all required individual student data for that student 45214  
utilizing such code. The guidelines shall also provide for 45215  
assigning data verification codes to all students enrolled in 45216  
districts or community schools on the effective date of the 45217  
guidelines established under this section. The assignment of 45218  
data verification codes for other entities, as described in 45219

division (D) (2) (d) of this section, the use of those codes, and 45220  
the reporting and use of associated individual student data 45221  
shall be coordinated by the department of education and 45222  
workforce in accordance with state and federal law. 45223

School districts shall report individual student data to 45224  
the department through the information technology centers 45225  
utilizing the code. The entities described in division (D) (2) (d) 45226  
of this section shall report individual student data to the 45227  
department in the manner prescribed by the department. 45228

(b) (i) Except as provided in sections 3301.941, 3310.11, 45229  
3310.42, 3310.63, 3313.978, 3317.20, and 5747.057 of the Revised 45230  
Code, and in division (D) (2) (b) (ii) of this section, at no time 45231  
shall the department have access to information that would 45232  
enable any data verification code to be matched to personally 45233  
identifiable student data. 45234

(ii) For the purpose of making per-pupil payments to 45235  
community schools under section 3317.022 of the Revised Code, 45236  
the department shall have access to information that would 45237  
enable any data verification code to be matched to personally 45238  
identifiable student data. 45239

(c) Each school district and community school shall ensure 45240  
that the data verification code is included in the student's 45241  
records reported to any subsequent school district, community 45242  
school, or state institution of higher education, as defined in 45243  
section 3345.011 of the Revised Code, in which the student 45244  
enrolls. Any such subsequent district or school shall utilize 45245  
the same identifier in its reporting of data under this section. 45246

(d) (i) The director of any state agency that administers a 45247  
publicly funded program providing services to children who are 45248

younger than compulsory school age, as defined in section 45249  
3321.01 of the Revised Code, including the directors of health, 45250  
job and family services, mental health and addiction services, 45251  
children and youth, and developmental disabilities, shall 45252  
request and receive, pursuant to sections 3301.0723 and 5180.33 45253  
of the Revised Code, a data verification code for a child who is 45254  
receiving those services. 45255

(ii) The director of developmental disabilities, director 45256  
of health, director of job and family services, director of 45257  
children and youth, director of mental health and addiction 45258  
services, medicaid director, executive director of the 45259  
commission on minority health, executive director of the 45260  
opportunities for Ohioans with disabilities agency, or director 45261  
of education and workforce, on behalf of a program that receives 45262  
public funds and provides services to children who are younger 45263  
than compulsory school age, may request and receive, pursuant to 45264  
section 3301.0723 of the Revised Code, a data verification code 45265  
for a child who is receiving services from the program. 45266

(E) The guidelines adopted under this section may require 45267  
school districts to collect and report data, information, or 45268  
reports other than that described in divisions (A), (B), and (C) 45269  
of this section for the purpose of complying with other 45270  
reporting requirements established in the Revised Code. The 45271  
other data, information, or reports may be maintained in the 45272  
education management information system but are not required to 45273  
be compiled as part of the profile formats required under 45274  
division (G) of this section or the annual statewide report 45275  
required under division (H) of this section. 45276

(F) The board of education of each school district shall 45277  
annually collect and report to the department, in accordance 45278

with the guidelines established by the department, the data 45279  
required pursuant to this section. A school district may collect 45280  
and report these data notwithstanding section 2151.357 or 45281  
3319.321 of the Revised Code. 45282

(G) The department shall, in accordance with the 45283  
procedures it adopts, annually compile the data reported by each 45284  
school district pursuant to division (D) of this section. The 45285  
department shall design formats for profiling each school 45286  
district as a whole and each school building within each 45287  
district and shall compile the data in accordance with these 45288  
formats. These profile formats shall: 45289

(1) Include all of the data gathered under this section in 45290  
a manner that facilitates comparison among school districts and 45291  
among school buildings within each school district; 45292

(2) Present the data on academic achievement levels as 45293  
assessed by the testing of student achievement maintained 45294  
pursuant to division (B) (1) (d) of this section. 45295

(H) (1) The department shall, in accordance with the 45296  
procedures it adopts, annually prepare a statewide report for 45297  
all school districts and the general public that includes the 45298  
profile of each of the school districts developed pursuant to 45299  
division (G) of this section. Copies of the report shall be sent 45300  
to each school district. 45301

(2) The department shall, in accordance with the 45302  
procedures it adopts, annually prepare an individual report for 45303  
each school district and the general public that includes the 45304  
profiles of each of the school buildings in that school district 45305  
developed pursuant to division (G) of this section. 45306

(I) Any data that is collected or maintained pursuant to 45307

this section and that identifies an individual pupil is not a 45308  
public record for the purposes of section 149.43 of the Revised 45309  
Code. 45310

(J) As used in this section: 45311

(1) "School district" means any city, local, exempted 45312  
village, or joint vocational school district and, in accordance 45313  
with section 3314.17 of the Revised Code, any community school. 45314  
As used in division (L) of this section, "school district" also 45315  
includes any educational service center or other educational 45316  
entity required to submit data using the system established 45317  
under this section. 45318

(2) "Cost" means any expenditure for operating expenses 45319  
made by a school district excluding any expenditures for debt 45320  
retirement except for payments made to any commercial lending 45321  
institution for any loan approved pursuant to section 3313.483 45322  
of the Revised Code. 45323

(K) Any person who removes data from the information 45324  
system established under this section for the purpose of 45325  
releasing it to any person not entitled under law to have access 45326  
to such information is subject to section 2913.42 of the Revised 45327  
Code prohibiting tampering with data. 45328

(L) (1) In accordance with division (L) (2) of this section 45329  
and the rules adopted under division (L) (10) of this section, 45330  
the department may sanction any school district that reports 45331  
incomplete or inaccurate data, reports data that does not 45332  
conform to data requirements and descriptions published by the 45333  
department, fails to report data in a timely manner, or 45334  
otherwise does not make a good faith effort to report data as 45335  
required by this section. 45336

(2) If the department decides to sanction a school 45337  
district under this division, the department shall take the 45338  
following sequential actions: 45339

(a) Notify the district in writing that the department has 45340  
determined that data has not been reported as required under 45341  
this section and require the district to review its data 45342  
submission and submit corrected data by a deadline established 45343  
by the department. The department also may require the district 45344  
to develop a corrective action plan, which shall include 45345  
provisions for the district to provide mandatory staff training 45346  
on data reporting procedures. 45347

(b) Withhold up to ten per cent of the total amount of 45348  
state funds due to the district for the current fiscal year and, 45349  
if not previously required under division (L) (2) (a) of this 45350  
section, require the district to develop a corrective action 45351  
plan in accordance with that division; 45352

(c) Withhold an additional amount of up to twenty per cent 45353  
of the total amount of state funds due to the district for the 45354  
current fiscal year; 45355

(d) Direct department staff or an outside entity to 45356  
investigate the district's data reporting practices and make 45357  
recommendations for subsequent actions. The recommendations may 45358  
include one or more of the following actions: 45359

(i) Arrange for an audit of the district's data reporting 45360  
practices by department staff or an outside entity; 45361

(ii) Conduct a site visit and evaluation of the district; 45362

(iii) Withhold an additional amount of up to thirty per 45363  
cent of the total amount of state funds due to the district for 45364  
the current fiscal year; 45365

(iv) Continue monitoring the district's data reporting;	45366
(v) Assign department staff to supervise the district's data management system;	45367 45368
(vi) Conduct an investigation to determine whether to suspend or revoke the license of any district employee in accordance with division (N) of this section;	45369 45370 45371
(vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the district has been sanctioned for failing to report data as required by this section;	45372 45373 45374 45375
(viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data submitted by the district likely caused the district to receive a higher performance rating than it deserved under that section, issue a revised report card for the district;	45376 45377 45378 45379 45380
(ix) Any other action designed to correct the district's data reporting problems.	45381 45382
(3) Any time the department takes an action against a school district under division (L)(2) of this section, the department shall make a report of the circumstances that prompted the action. The department shall send a copy of the report to the district superintendent or chief administrator and maintain a copy of the report in its files.	45383 45384 45385 45386 45387 45388
(4) If any action taken under division (L)(2) of this section resolves a school district's data reporting problems to the department's satisfaction, the department shall not take any further actions described by that division. If the department withheld funds from the district under that division, the department may release those funds to the district, except that	45389 45390 45391 45392 45393 45394

if the department withheld funding under division (L) (2) (c) of 45395  
this section, the department shall not release the funds 45396  
withheld under division (L) (2) (b) of this section and, if the 45397  
department withheld funding under division (L) (2) (d) of this 45398  
section, the department shall not release the funds withheld 45399  
under division (L) (2) (b) or (c) of this section. 45400

(5) Notwithstanding anything in this section to the 45401  
contrary, the department may use its own staff or an outside 45402  
entity to conduct an audit of a school district's data reporting 45403  
practices any time the department has reason to believe the 45404  
district has not made a good faith effort to report data as 45405  
required by this section. If any audit conducted by an outside 45406  
entity under division (L) (2) (d) (i) or (5) of this section 45407  
confirms that a district has not made a good faith effort to 45408  
report data as required by this section, the district shall 45409  
reimburse the department for the full cost of the audit. The 45410  
department may withhold state funds due to the district for this 45411  
purpose. 45412

(6) Prior to issuing a revised report card for a school 45413  
district under division (L) (2) (d) (viii) of this section, the 45414  
department may hold a hearing to provide the district with an 45415  
opportunity to demonstrate that it made a good faith effort to 45416  
report data as required by this section. The hearing shall be 45417  
conducted by a referee appointed by the department. Based on the 45418  
information provided in the hearing, the referee shall recommend 45419  
whether the department should issue a revised report card for 45420  
the district. If the referee affirms the department's contention 45421  
that the district did not make a good faith effort to report 45422  
data as required by this section, the district shall bear the 45423  
full cost of conducting the hearing and of issuing any revised 45424  
report card. 45425

(7) If the department determines that any inaccurate data reported under this section caused a school district to receive excess state funds in any fiscal year, the district shall reimburse the department an amount equal to the excess funds, in accordance with a payment schedule determined by the department. The department may withhold state funds due to the district for this purpose.

(8) Any school district that has funds withheld under division (L) (2) of this section may appeal the withholding in accordance with Chapter 119. of the Revised Code.

(9) In all cases of a disagreement between the department and a school district regarding the appropriateness of an action taken under division (L) (2) of this section, the burden of proof shall be on the district to demonstrate that it made a good faith effort to report data as required by this section.

(10) The director of education and workforce shall adopt rules under Chapter 119. of the Revised Code to implement division (L) of this section.

(M) No information technology center or school district shall acquire, change, or update its student administration software package to manage and report data required to be reported to the department unless it converts to a student software package that is certified by the department.

(N) The state board of education, in accordance with sections 3319.31 and 3319.311 of the Revised Code, may suspend or revoke a license as defined under division (A) of section 3319.31 of the Revised Code that has been issued to any school district employee found to have willfully reported erroneous, inaccurate, or incomplete data to the education management

information system. 45455

(O) No person shall release or maintain any information 45456  
about any student in violation of this section. Whoever violates 45457  
this division is guilty of a misdemeanor of the fourth degree. 45458

~~(P) The department shall disaggregate the data collected 45459  
under division (B) (1) (n) of this section according to the race 45460  
and socioeconomic status of the students assessed. 45461~~

~~(Q) If the department cannot compile any of the 45462  
information required by division (I) of section 3302.03 of the 45463  
Revised Code based upon the data collected under this section, 45464  
the department shall develop a plan and a reasonable timeline 45465  
for the collection of any data necessary to comply with that 45466  
division. 45467~~

**Sec. 3301.0715.** (A) Except as required under division (B) 45468  
(1) of section 3313.608 or as specified in division (D) (3) of 45469  
section 3301.079 of the Revised Code, the board of education of 45470  
each city, local, and exempted village school district shall 45471  
administer each applicable diagnostic assessment developed and 45472  
provided to the district in accordance with section 3301.079 of 45473  
the Revised Code to the following: 45474

(1) Any student who transfers into the district or to a 45475  
different school within the district if each applicable 45476  
diagnostic assessment was not administered by the district or 45477  
school the student previously attended in the current school 45478  
year, within thirty days after the date of transfer. If the 45479  
district or school into which the student transfers cannot 45480  
determine whether the student has taken any applicable 45481  
diagnostic assessment in the current school year, the district 45482  
or school may administer the diagnostic assessment to the 45483

student. However, if a student transfers into the district prior 45484  
to the administration of the diagnostic assessments to all 45485  
students under division (B) of this section, the district may 45486  
administer the diagnostic assessments to that student on the 45487  
date or dates determined under that division. 45488

~~(2) Each kindergarten student, not earlier than the first 45489  
day of July of the school year and not later than the twentieth 45490  
day of instruction of that school year. 45491~~

~~For the purpose of division (A) (2) of this section, the 45492  
district shall administer the kindergarten readiness assessment 45493  
provided by the department of children and youth. In no case 45494  
shall the results of the readiness assessment be used to 45495  
prohibit a student from enrolling in kindergarten. 45496~~

~~(3) Each student enrolled in first, second, or third 45497  
grade. 45498~~

Division (A) of this section does not apply to students 45499  
with significant cognitive disabilities, as defined by the 45500  
department. 45501

(B) Each district board shall administer each diagnostic 45502  
assessment when the board deems appropriate, provided the 45503  
administration complies with section 3313.608 of the Revised 45504  
Code. However, the board shall administer any diagnostic 45505  
assessment at least once annually to all students in the 45506  
appropriate grade level. A district board may administer any 45507  
diagnostic assessment in the fall and spring of a school year to 45508  
measure the amount of academic growth attributable to the 45509  
instruction received by students during that school year. 45510

(C) A district may use different diagnostic assessments 45511  
from those adopted under division (D) of section 3301.079 of the 45512

Revised Code in order to satisfy the requirements of division 45513  
(A) (3) of this section if the district meets either of the 45514  
following conditions for the immediately preceding school year: 45515

(1) The district received a grade of "A" or "B" for the 45516  
performance index score under division (C) (1) (b) of section 45517

(2) In addition to the graded measures in division (B) (1) 46289

(1) (g) of this section will be assessed and assigned a letter 46330  
grade, including performance benchmarks for each grade. 46331

At least forty-five days prior to the department's 46332  
adoption of rules to prescribe the methods by which the 46333  
performance measures under division (B) (1) of this section shall 46334

be assessed and assigned a letter grade, the department shall 46335  
conduct a public presentation before the standing committees of 46336  
the house of representatives and the senate that consider 46337  
education legislation describing such methods, including 46338  
performance benchmarks. 46339

(4) There shall not be an overall letter grade for a 46340  
school district or building for the 2013-2014, 2014-2015, 2015- 46341

(C) (1) For the 2014-2015, 2015-2016, 2016-2017, 2017-2018, 46343  
2018-2019, 2019-2020, and 2020-2021 school years, the department 46344  
shall issue grades as described in division (F) of this section 46345  
for each of the performance measures prescribed in division (C) 46346

department shall not include any subgroup data in the annual 46352  
measurable objectives that includes data from fewer than twenty 46353  
students. Beginning with the 2019-2020 school year, the 46354  
department shall not include any subgroup data in the annual 46355  
measurable objectives that includes data from fewer than fifteen 46356  
students. 46357

(b) Performance index score for a school district or 46358  
building. Grades shall be awarded as a percentage of the total 46359  
possible points on the performance index system as created by 46360  
the department. In adopting benchmarks for assigning letter 46361  
grades under division (C) (1) (b) of this section, the department 46362  
shall designate ninety per cent or higher for an "A," at least 46363

and less than fifty per cent for an "F." 46365

(c) The extent to which the school district or building 46366  
meets each of the applicable performance indicators established 46367  
by the department under section 3302.03 of the Revised Code and 46368  
the percentage of applicable performance indicators that have 46369  
been achieved. In adopting benchmarks for assigning letter 46370  
grades under division (C) (1) (c) of this section, the department 46371  
shall designate ninety per cent or higher for an "A." 46372

adopted by the department, of a school district or building, for 46377  
which the department shall use up to three years of value-added 46378  
data as available. 46379

In adopting benchmarks for assigning letter grades for 46380  
overall score on value-added progress dimension under division 46381  
(C) (1) (e) of this section, the department shall prohibit the 46382  
assigning of a grade of "A" for that measure unless the 46383  
district's or building's grade assigned for value-added progress 46384  
dimension for all subgroups under division (C) (1) (f) of this 46385  
section is a "C" or higher. 46386

For the metric prescribed by division (C) (1) (e) of this 46387  
section, the department may adopt a student academic progress 46388  
measure to be used instead of the value-added progress 46389  
dimension. If the department adopts such a measure, it also 46390  
shall prescribe a method for assigning letter grades for the new 46391  
measure that is comparable to the method prescribed in division 46392  
(A) (1) (e) of this section. 46393

(f) The value-added progress dimension score of a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the department. Each subgroup shall be a separate graded measure.

The department may adopt student academic progress measures to be used instead of the value-added progress dimension. If the department adopts such measures, it also shall prescribe a method for assigning letter grades for the new measures that is comparable to the method prescribed in division (A) (1) (e) of this section.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the department. The department shall adopt rules to prescribe benchmarks and standards for assigning grades to a district or building for purposes of division (C) (1) (g) of this section. The department shall designate for a "C" grade a value that is not lower than the statewide average value for this measure. No grade shall be issued under division (C) (1) (g) of this section for a district or building in which less than five per cent of students have scored below grade level on the kindergarten diagnostic assessment under division (B) (1) of section 3313.608 of the Revised Code.

(h) For a high mobility school district or building, an additional value-added progress dimension score. For this

measure, the department shall use value-added data from the most recent school year available and shall use assessment scores for only those students to whom the district or building has administered the assessments prescribed by section 3301.0710 of the Revised Code for each of the two most recent consecutive school years.

As used in this division, "high mobility school district or building" means a school district or building where at least twenty-five per cent of its total enrollment is made up of students who have attended that school district or building for less than one year.

(2) In addition to the graded measures in division (C) (1) of this section, the department shall include on a school district's or building's report card all of the following without an assigned letter grade:

(a) The percentage of students enrolled in a district or building who have taken a national standardized test used for college admission determinations and the percentage of those students who are determined to be remediation-free in accordance with the standards adopted under division (F) of section 3345.061 of the Revised Code;

articulation, that appear on a student's college transcript 46454  
issued by the institution of higher education from which the 46455  
student earned the college credit. The credits earned that are 46456  
reported under divisions (B) (2) (b) and (C) (2) (c) of this section 46457  
shall not include any that are remedial or developmental and 46458  
shall include those that count toward the curriculum 46459  
requirements established for completion of a degree. 46460

(d) The percentage of the district's or building's 46461  
students who receive an honor's diploma under division (B) of 46462

under section 3313.6113 of the Revised Code; 46466

(f) The percentage of students enrolled in a district or 46467

assessments administered under division (B) (1) of section 46473  
3301.0712 of the Revised Code; 46474

(h) Whether the school district or building has 46475  
implemented a positive behavior intervention and supports 46476  
framework in compliance with the requirements of section 3319.46 46477  
of the Revised Code, notated as a "yes" or "no" answer. 46478

(3) The department shall adopt rules pursuant to Chapter 46479  
119. of the Revised Code that establish a method to assign an 46480  
overall grade for a school district or school building for the 46481

2017-2018 school year and each school year thereafter. The rules 46482  
shall group the performance measures in divisions (C) (1) and (2) 46483  
of this section into the following components: 46484

(a) Gap closing, which shall include the performance 46485  
measure in division (C) (1) (a) of this section; 46486

section; 46495

(f) Prepared for success, which shall include the 46496  
performance measures in divisions (C) (2) (a), (b), (c), (d), (e), 46497  
and (f) of this section. The department shall develop a method 46498  
to determine a grade for the component in division (C) (3) (f) of 46499  
this section using the performance measures in divisions (C) (2) 46500  
(a), (b), (c), (d), (e), and (f) of this section. When 46501  
available, the department may incorporate the performance 46502  
measure under division (C) (2) (g) of this section into the 46503  
component under division (C) (3) (f) of this section. When 46504  
determining the overall grade for the prepared for success 46505  
component prescribed by division (C) (3) (f) of this section, no 46506  
individual student shall be counted in more than one performance 46507  
measure. However, if a student qualifies for more than one 46508  
performance measure in the component, the department may, in its 46509  
method to determine a grade for the component, specify an 46510

additional weight for such a student that is not greater than or 46511  
equal to 1.0. In determining the overall score under division 46512  
(C) (3) (f) of this section, the department shall ensure that the 46513  
pool of students included in the performance measures aggregated 46514  
under that division are all of the students included in the 46515  
four- and five-year adjusted graduation cohort. 46516

In the rules adopted under division (C) (3) of this 46517  
section, the department shall adopt a method for determining a 46518  
grade for each component in divisions (C) (3) (a) to (f) of this 46519  
section. The department also shall establish a method to assign 46520  
an overall grade of "A," "B," "C," "D," or "F" using the grades 46521  
assigned for each component. The method the department adopts 46522  
for assigning an overall grade shall give equal weight to the 46523  
components in divisions (C) (3) (b) and (c) of this section. 46524

At least forty-five days prior to the department's 46525  
adoption of rules to prescribe the methods for calculating the 46526  
overall grade for the report card, as required by this division, 46527  
the department shall conduct a public presentation before the 46528  
standing committees of the house of representatives and the 46529  
senate that consider education legislation describing the format 46530  
for the report card, weights that will be assigned to the 46531  
components of the overall grade, and the method for calculating 46532  
the overall grade. 46533

(a) Whether the district or building meets the gifted 46539

performance indicator under division (A) (2) of section 3302.02 46540  
of the Revised Code and the extent to which the district or 46541  
building meets gifted indicator performance benchmarks; 46542

(b) The extent to which the district or building meets the 46543  
chronic absenteeism indicator under division (A) (3) of section 46544  
3302.02 of the Revised Code; 46545

(c) Performance index score percentage for a district or 46546  
building, which shall be calculated by dividing the district's 46547  
or building's performance index score according to the 46548  
performance index system created by the department by the 46549  
maximum performance index score for a district or building. The 46550  
maximum performance index score shall be as follows: 46551

(i) For a building, the average of the highest two per 46552  
cent of performance index scores achieved by a building for the 46553  
school year for which a report card is issued; 46554

(ii) For a district, the average of the highest two per 46555  
cent of performance index scores achieved by a district for the 46556  
school year for which a report card is issued. 46557

(d) The overall score under the value-added progress 46558  
dimension of a district or building, for which the department 46559  
shall use three consecutive years of value-added data. In using 46560  
three years of value-added data to calculate the measure 46561  
prescribed under division (D) (1) (d) of this section, the 46562  
department shall assign a weight of fifty per cent to the most 46563  
recent year's data and a weight of twenty-five per cent to the 46564  
data of each of the other years. However, if three consecutive 46565  
years of value-added data is not available, the department shall 46566  
use prior years of value-added data to calculate the measure, as 46567  
follows: 46568

(i) If two consecutive years of value-added data is not available, the department shall use one year of value-added data to calculate the measure. 46569  
46570  
46571

(ii) If two consecutive years of value-added data is available, the department shall use two consecutive years of value-added data to calculate the measure. In using two years of value-added data to calculate the measure, the department shall assign a weight of sixty-seven per cent to the most recent year's data and a weight of thirty-three per cent to the data of the other year. 46572  
46573  
46574  
46575  
46576  
46577  
46578

46586  
46587  
46588  
46589

(h) Whether a district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the department. The method shall determine progress made based on the reduction in the total percentage of students scoring below grade level, or below proficient, compared from year to year on the reading segments of the diagnostic assessments administered under section 3301.0715 of the Revised Code, ~~including the~~ 46590  
46591  
46592  
46593  
46594  
46595  
46596  
46597

The method shall not include a deduction for students who did not pass the third grade English language arts assessment under section 3301.0710 of the Revised Code and were not on a reading improvement and monitoring plan.

The performance measure prescribed under division (D) (1) (h) of this section shall not be included on the report card of a district or building in which less than ten per cent of students have scored below grade level on the diagnostic assessment administered to students in kindergarten under division (B) (1) of section 3313.608 of the Revised Code.

Demonstration of post-secondary readiness shall include a student doing any of the following:

(i) Attaining a remediation-free score, in accordance with standards adopted under division (F) of section 3345.061 of the Revised Code, on a nationally standardized assessment prescribed

offered prior to the fourth grade in the district or building. 46844

(3) Except as provided in division (D) (3) (f) of this 46845  
section, the department shall use the method prescribed under 46846  
rules adopted under division (D) (4) of this section to assign 46847  
performance ratings of "one star," "two stars," "three stars," 46848  
"four stars," or "five stars," as described in division (F) of 46849  
this section, for a district or building for the individual 46850  
components prescribed under division (D) (3) of this section. The 46851  
department also shall assign an overall performance rating for a 46852  
district or building in accordance with division (D) (3) (g) of 46853  
this section. The method shall use the performance measures 46854

prescribed under division (D) (1) of this section to calculate 46855  
performance ratings for components. The method may report data 46856  
under division (D) (2) of this section with corresponding 46857  
components, but shall not use the data to calculate performance 46858  
ratings for that component. The performance measures and 46859  
reported data shall be grouped together into components as 46860  
follows: 46861

(a) Gap closing. In addition to other criteria determined 46862  
appropriate by the department, performance ratings for the gap 46863  
closing component shall reflect whether each of the following 46864  
performance measures are met or not met: 46865

(i) The gifted performance indicator as described in 46866  
division (D) (1) (a) of this section; 46867

(ii) The chronic absenteeism indicator as described in 46868  
division (D) (1) (b) of this section; 46869

(iii) For English learners, an English language 46870  
proficiency improvement indicator established by the department; 46871

(iv) The subgroup graduation targets; 46872

(v) The subgroup achievement targets in both mathematics 46873  
and English language arts; 46874

(vi) The subgroup progress targets in both mathematics and 46875  
English language arts. 46876

Achievement and progress targets under division (D) (3) (a) 46877  
of this section shall be calculated individually, and districts 46878  
and buildings shall receive a status of met or not met on each 46879  
measure. The department shall not require a subgroup of a 46880  
district or building to meet both the achievement and progress 46881  
targets at the same time to receive a status of met. 46882

The department shall not include any subgroup data in this measure that includes data from fewer than fifteen students. Any penalty for failing to meet the required assessment participation rate must be partially in proportion to how close the district or building was to meeting the rate requirement.

(b) Achievement, which shall include the performance measure in division (D) (1) (c) of this section and the reported data in division (D) (2) (a) of this section. Performance ratings for the achievement component shall be awarded as a percentage of the maximum performance index score described in division (D) (1) (c) of this section.

(c) Progress, which shall include the performance measure in division (D) (1) (d) of this section and the reported data in divisions (D) (2) (b) and (c) of this section;

(d) Graduation, which shall include the performance measures in divisions (D) (1) (e) and (f) of this section and the reported data in divisions (D) (2) (d) and (j) of this section. The four-year adjusted cohort graduation rate shall be assigned a weight of sixty per cent and the five-year adjusted cohort graduation rate shall be assigned a weight of forty per cent.

(e) Early literacy, which shall include the performance measures in divisions (D) (1) (g), (h), and (i) of this section and the reported data in ~~divisions (D) (2) (e) and (l)~~ division (D) (2) (k) of this section.

If the measure prescribed under division (D) (1) (h) of this section is included in a report card, performance ratings for the early literacy component shall give a weight of forty per cent to the measure prescribed under division (D) (1) (g) of this section, a weight of thirty-five per cent to the measure

prescribed under division (D)(1)(i) of this section, and a 46912  
weight of twenty-five per cent to the measure prescribed under 46913  
division (D)(1)(h) of this section. 46914

If the measure prescribed under division (D)(1)(h) of this 46915  
section is not included in a report card of a district or 46916  
building, performance ratings for the early literacy component 46917  
shall give a weight of sixty per cent to the measure prescribed 46918  
under division (D)(1)(g) of this section and a weight of forty 46919  
per cent to the measure prescribed under division (D)(1)(i) of 46920  
this section. 46921

(f) College, career, workforce, and military readiness, 46922  
which shall include the performance measure in division (D)(1) 46923  
(j) of this section and the reported data in division ~~(D)(2)(f)~~ 46924  
(D)(2)(e) of this section. 46925

For the 2021-2022, 2022-2023, and 2023-2024 school years, 46926  
the department only shall report the data for, and not assign a 46927  
performance rating to, the college, career, workforce, and 46928  
military readiness component. The reported data shall include 46929  
the percentage of students who demonstrate post-secondary 46930  
readiness using any of the options described in division (D)(1) 46931  
(j) of this section. 46932

The department shall analyze the data included in the 46933  
performance measure prescribed in division (D)(1)(j) of this 46934  
section for the 2021-2022, 2022-2023, and 2023-2024 school 46935  
years. Using that data, the department shall develop and propose 46936  
rules for a method to assign a performance rating to the 46937  
college, career, workforce, and military readiness component 46938  
based on that measure. The method to assign a performance rating 46939  
shall not include a tiered structure or per student bonuses. The 46940  
rules shall specify that a district or building shall not 46941

receive lower than a performance rating of three stars for the 46942  
component if the district's or building's performance on the 46943  
component meets or exceeds a level of improvement set by the 46944  
department. Notwithstanding division (D) (4) (b) of this section, 46945  
more than half of the total districts and buildings may earn a 46946  
performance rating of three stars on this component to account 46947  
for the districts and buildings that earned a performance rating 46948  
of three stars because they met or exceeded the level of 46949  
improvement set by the department. 46950

The department shall submit the rules to the joint 46951  
committee on agency rule review. The committee shall conduct at 46952  
least one public hearing on the proposed rules and approve or 46953  
disapprove the rules. If the committee approves the rules, the 46954  
department shall adopt the rules in accordance with Chapter 119. 46955  
of the Revised Code. If the rules are adopted, the department 46956  
shall assign a performance rating to the college, career, 46957  
workforce, and military readiness component under the rules 46958  
beginning with the 2024-2025 school year, and for each school 46959  
year thereafter. If the committee disapproves the rules, the 46960  
component shall be included in the report card only as reported 46961  
data for the 2024-2025 school year, and each school year 46962  
thereafter. 46963

(g) (i) Except as provided for in division (D) (3) (g) (ii) of 46964  
this section, beginning with the 2022-2023 school year, under 46965  
the method prescribed under rules adopted in division (D) (4) of 46966  
this section, the department shall use the performance ratings 46967  
assigned for the components prescribed in divisions (D) (3) (a) to 46968  
(e) of this section to determine and assign an overall 46969  
performance rating of "one star," "one and one-half stars," "two 46970  
stars," "two and one-half stars," "three stars," "three and one- 46971  
half stars," "four stars," "four and one-half stars," or "five 46972

stars" for a district or building. The method shall give equal 46973  
weight to the components in divisions (D) (3) (b) and (c) of this 46974  
section. The method shall give equal weight to the components in 46975  
divisions (D) (3) (a), (d), and (e) of this section. The 46976  
individual weights of each of the components prescribed in 46977  
divisions (D) (3) (a), (d), and (e) of this section shall be equal 46978  
to one-half of the weight given to the component prescribed in 46979  
division (D) (3) (b) of this section. 46980

(ii) If the joint committee on agency rule review approves 46981  
the department's rules regarding the college, career, workforce, 46982  
and military readiness component as described in division (D) (3) 46983  
(f) of this section, for the 2024-2025 school year, and each 46984  
school year thereafter, the department's method shall use the 46985  
components in divisions (D) (3) (a), (b), (c), (d), (e), and (f) 46986  
of this section to calculate the overall performance rating. The 46987  
method shall give equal weight to the components in divisions 46988  
(D) (3) (b) and (c) of this section. The method shall give equal 46989  
weight to the components prescribed in divisions (D) (3) (a), (d), 46990  
(e), and (f) of this section. The individual weights of each of 46991  
the components prescribed in divisions (D) (3) (a), (d), (e), and 46992  
(f) of this section shall be equal to one-half the weight given 46993  
to the component prescribed in division (D) (3) (b) of this 46994  
section. 46995

If the joint committee on agency rule review disapproves 46996  
the department's rules regarding the college, career, workforce, 46997  
and military readiness component as described in division (D) (3) 46998  
(f) of this section, division (D) (3) (g) (ii) of this section does 46999  
not apply. 47000

(4) (a) The department shall adopt rules in accordance with 47001  
Chapter 119. of the Revised Code to establish the performance 47002

criteria, benchmarks, and rating system necessary to implement 47003  
divisions (D) and (F) of this section, including the method for 47004  
the department to assign performance ratings under division (D) 47005  
(3) of this section. 47006

(b) In establishing the performance criteria, benchmarks, 47007  
and rating system, the department shall consult with stakeholder 47008  
groups and advocates that represent parents, community members, 47009  
students, business leaders, and educators from different school 47010  
typology regions. The department shall use data from prior 47011  
school years and simulations to ensure that there is meaningful 47012  
differentiation among districts and buildings across all 47013  
performance ratings and that, except as permitted in division 47014  
(D) (3) (f) of this section, more than half of all districts or 47015  
buildings do not earn the same performance rating in any 47016  
component or overall performance rating. 47017

(c) The department shall adopt the rules prescribed by 47018  
division (D) (4) of this section not later than March 31, 2022. 47019  
However, the department shall notify districts and buildings of 47020  
the changes to the report card prescribed in law not later than 47021  
one week after September 30, 2021. 47022

(d) Prior to adopting or updating rules under division (D) 47023  
(4) of this section, the director of education and workforce and 47024  
the department shall conduct a public presentation before the 47025  
standing committees of the house of representatives and the 47026  
senate that consider primary and secondary education legislation 47027  
describing the format for the report card and the performance 47028  
criteria, benchmarks, and rating system, including the method to 47029  
assign performance ratings under division (D) (3) of this 47030  
section. 47031

(E) The department may develop a measure of student 47032

academic progress for high school students using only data from 47033  
assessments in English language arts and mathematics. If the 47034  
department develops this measure, each school district and 47035  
applicable school building shall be assigned a separate letter 47036  
grade for it not sooner than the 2017-2018 school year. The 47037  
district's or building's grade for that measure shall not be 47038  
included in determining the district's or building's overall 47039  
letter grade. 47040

(F) (1) The letter grades assigned to a school district or 47041  
building under this section shall be as follows: 47042

(a) "A" for a district or school making excellent 47043  
progress; 47044

(b) "B" for a district or school making above average 47045  
progress; 47046

(c) "C" for a district or school making average progress; 47047

(d) "D" for a district or school making below average 47048  
progress; 47049

(e) "F" for a district or school failing to meet minimum 47050  
progress. 47051

(2) For the overall performance rating under division (D) 47052  
(3) of this section, the department shall include a descriptor 47053  
for each performance rating as follows: 47054

(a) "Significantly exceeds state standards" for a 47055  
performance rating of five stars; 47056

(b) "Exceeds state standards" for a performance rating of 47057  
four stars or four and one-half stars; 47058

(c) "Meets state standards" for a performance rating of 47059

three stars or three and one-half stars; 47060

(d) "Needs support to meet state standards" for a 47061  
performance rating of two stars or two and one-half stars; 47062

(e) "Needs significant support to meet state standards" 47063  
for a performance rating of one star or one and one-half stars. 47064

(3) For performance ratings for each component under 47065  
divisions (D) (3) (a) to (f) of this section, the department shall 47066  
include a description of each component and performance rating. 47067  
The description shall include component-specific context to each 47068  
performance rating earned, estimated comparisons to other school 47069  
districts and buildings if appropriate, and any other 47070  
information determined by the department. The descriptions shall 47071  
be not longer than twenty-five words in length when possible. In 47072  
addition to such descriptions, the department shall include the 47073  
descriptors in division (F) (2) of this section for component 47074  
performance ratings. 47075

(4) Each report card issued under this section shall 47076  
include all of the following: 47077

(a) A graphic that depicts the performance ratings of a 47078  
district or school on a color scale. The color associated with a 47079  
performance rating of three stars shall be green and the color 47080  
associated with a performance rating of one star shall be red. 47081

(b) An arrow graphic that shows data trends for 47082  
performance ratings for school districts or buildings. The 47083  
department shall determine the data to be used for this graphic, 47084  
which shall include at least the three most recent years of 47085  
data. 47086

(c) A description regarding the weights that are assigned 47087  
to each component and used to determine an overall performance 47088

rating, as prescribed under division (D) (3) (g) of this section, 47089  
which shall be included in the presentation of the overall 47090  
performance rating on each report card. 47091

(G) When reporting data on student achievement and 47092  
progress, the department shall disaggregate that data according 47093  
to the following categories: 47094

(1) Performance of students by grade-level; 47095

(2) Performance of students by race and ethnic group; 47096

(4) Performance of students grouped by those who have been 47098  
enrolled in a district or school for three or more years; 47099

(5) Performance of students grouped by those who have been 47100

sale of real or personal property to the board of trustees of a 48904  
school district library is limited, in the case of real 48905  
property, to a school district library within whose boundaries 48906

whole or in part within the school district of the selling board 48909  
of education. 48910

(D) When a board of education decides to trade as a part 48911  
or an entire consideration, an item of personal property on the 48912  
purchase price of an item of similar personal property, it may 48913  
trade the same upon such terms as are agreed upon by the parties 48914  
to the trade. 48915

(E) The president and the treasurer of the board of 48916  
education shall execute and deliver deeds or other necessary 48917  
instruments of conveyance to complete any sale or trade under 48918  
this section. 48919

(F) When a board of education has identified a parcel of 48920  
real property that it determines is needed for school purposes, 48921  
the board may, upon a majority vote of the members of the board, 48922  
acquire that property by exchanging real property that the board 48923  
owns in its corporate capacity for the identified real property 48924  
or by using real property that the board owns in its corporate 48925  
capacity as part or an entire consideration for the purchase 48926  
price of the identified real property. Any exchange or 48927  
acquisition made pursuant to this division shall be made by a 48928  
conveyance executed by the president and the treasurer of the 48929  
board. 48930

(G) When a school district board of education has property 48931  
that the board, by resolution, finds is not needed for school 48932  
district use, is obsolete, or is unfit for the use for which it 48933  
was acquired, the board may donate that property in accordance 48934  
with this division if the fair market value of the property is, 48935  
in the opinion of the board, two thousand five hundred dollars 48936

or less. 48937

The property may be donated to an eligible nonprofit 48938  
organization that is located in this state and is exempt from 48939  
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 48940  
Before donating any property under this division, the board 48941  
shall adopt a resolution expressing its intent to make unneeded, 48942  
obsolete, or unfit-for-use school district property available to 48943  
these organizations. The resolution shall include guidelines and 48944  
procedures the board considers to be necessary to implement the 48945  
donation program and shall indicate whether the school district 48946  
will conduct the donation program or the board will contract 48947  
with a representative to conduct it. If a representative is 48948  
known when the resolution is adopted, the resolution shall 48949  
provide contact information such as the representative's name, 48950  
address, and telephone number. 48951

The resolution shall include within its procedures a 48952  
requirement that any nonprofit organization desiring to obtain 48953  
donated property under this division shall submit a written 48954  
notice to the board or its representative. The written notice 48955  
shall include evidence that the organization is a nonprofit 48956  
organization that is located in this state and is exempt from 48957  
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3); 48958  
a description of the organization's primary purpose; a 48959  
description of the type or types of property the organization 48960  
needs; and the name, address, and telephone number of a person 48961  
designated by the organization's governing board to receive 48962  
donated property and to serve as its agent. The written notice 48963  
may be submitted electronically to the board or its 48964  
representative. 48965

After adoption of the resolution, the board shall 48966

continually post in the board's office notice of its intent to 48967  
donate school district property that is unneeded, obsolete, or 48968  
unfit for use to eligible nonprofit organizations. If the school 48969  
district maintains a web site on the internet, the notice shall 48970  
be posted continually at that web site. 48971

The board or its representatives shall maintain a list of 48972  
all nonprofit organizations that notify the board or its 48973  
representative of their desire to obtain donated property under 48974  
this division and that the board or its representative 48975  
determines to be eligible, in accordance with the requirements 48976  
set forth in this section and in the donation program's 48977  
guidelines and procedures, to receive donated property. 48978

The board or its representative also shall maintain a list 48979  
of all school district property the board finds to be unneeded, 48980  
obsolete, or unfit for use and to be available for donation 48981  
under this division. The list shall be posted continually in a 48982  
conspicuous location in the board's office, and, if the school 48983  
district maintains a web site on the internet, the list shall be 48984  
posted continually at that web site. An item of property on the 48985  
list shall be donated to the eligible nonprofit organization 48986  
that first declares to the board or its representative its 48987  
desire to obtain the item unless the board previously has 48988  
established, by resolution, a list of eligible nonprofit 48989  
organizations that shall be given priority with respect to the 48990  
item's donation. Priority may be given on the basis that the 48991  
purposes of a nonprofit organization have a direct relationship 48992  
to specific school district purposes of programs provided or 48993  
administered by the board. A resolution giving priority to 48994  
certain nonprofit organizations with respect to the donation of 48995  
an item of property shall specify the reasons why the 48996  
organizations are given that priority. 48997

Members of the board shall consult with the Ohio ethics 48998  
commission, and comply with Chapters 102. and 2921. of the 48999  
Revised Code, with respect to any donation under this division 49000  
to a nonprofit organization of which a board member, any member 49001  
of a board member's family, or any business associate of a board 49002  
member is a trustee, officer, board member, or employee. 49003

(H) Except as provided in section 3313.413 of the Revised 49004

that it owns in its corporate capacity and that exceeds in value 49006  
ten thousand dollars shall offer the building for sale in the 49007  
manner prescribed under divisions (A) to (F) of this section 49008  
prior to demolishing the building. However, this division does 49009  
not apply to a building located on, or adjacent to, a tract or 49010  
parcel of land where other school district buildings used for 49011  
educational instruction are located. 49012

board of education shall offer any unused school facilities it 49034  
owns in its corporate capacity for lease or sale to the 49035

pursuant to division (B) of this section are eligible to bid at 49077  
the auction. The district board is not obligated to accept any 49078

market value of the property as determined in an appraisal that 49080

If a board of education has not adopted a school calendar for the school year beginning on the first day of July of the current fiscal year at the time an examination is required under this division, the director shall examine the ~~five-year~~ three-year projection and determine whether the district may be financially unable to pay all obligated expenses and operate its instructional program for the number of days on which instruction was held in the preceding fiscal year.

(B) If the director of education and workforce determines pursuant to division (A) of this section that a school district may be financially unable to operate its instructional program on all days required by such division and pay all obligated expenses during the current fiscal year, the director shall provide written notification of such determination to the president of the district's board of education and the auditor of state.

(C) This section does not apply to a school district declared to be under a fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code.

algebra II or advanced computer science, and instead may 49373  
complete a career-based pathway mathematics course approved by 49374  
the department of education and workforce as an alternative. 49375

For students who choose to take advanced computer science 49376  
in lieu of algebra II under division (C) (3) of this section, the 49377  
school shall communicate to those students that some 49378

admission decisions. 49385

A student may fulfill one unit of mathematics under 49386  
division (C) (3) of this section by completing one-half unit of 49387  
financial literacy instruction to satisfy the requirement 49388

examination under section 3301.0712 of the Revised Code. 49393

Students who choose to take one unit of advanced computer 49394  
science in lieu of algebra II, as described in division (C) (3) 49395  
of this section, shall not be permitted to complete one-half 49396

section. 49401

social studies courses not otherwise required under division (C) 49437  
of this section. 49438

One-half unit of instruction under division (C) (8) of this 49439

on or after July 1, 2022, financial literacy, one-half unit. 49444  
Each student shall elect to complete the one-half unit of 49445  
instruction in financial literacy either in lieu of one-half 49446  
unit of instruction in mathematics under division (C) (3) of this 49447  
section or an elective under division (C) (8) of this section. A 49448  
student may fulfill the financial literacy instruction 49449  
requirement under division (C) (9) of this section through the 49450  
successful completion of an advanced placement course in 49451  
microeconomics or macroeconomics. 49452

(b) A student attending a nonpublic school accredited 49453  
through the independent schools association of the central 49454  
states or any other chartered nonpublic school shall not be 49455  
required to complete the one-half unit of financial literacy 49456  
instruction prescribed in division (C) (9) (a) of this section, 49457  
unless that student is attending the school under a state 49458  
scholarship program as defined in section 3301.0711 of the 49459  
Revised Code. 49460

The study and instruction of financial literacy required 49461

under division (C) (9) of this section shall align with the 49462  
academic content standards for financial literacy and 49463  
entrepreneurship adopted under division (A) (2) of section 49464  
3301.079 of the Revised Code. The instruction provided under an 49465  
advanced placement course in microeconomics or macroeconomics 49466  
shall be considered to be aligned with those academic content 49467  
standards. In developing the curriculum for the study and 49468  
instruction of financial literacy, schools may use available 49469  
public-private partnerships and resources and materials that 49470  
exist in business, industry, and through the centers for 49471  
economics education at institutions of higher education. 49472

Ohioans must be prepared to apply increased knowledge and 49473  
skills in the workplace and to adapt their knowledge and skills 49474  
quickly to meet the rapidly changing conditions of the twenty- 49475  
first century. National studies indicate that all high school 49476  
graduates need the same academic foundation, regardless of the 49477  
opportunities they pursue after graduation. The goal of Ohio's 49478  
system of elementary and secondary education is to prepare all 49479  
students for and seamlessly connect all students to success in 49480  
life beyond high school graduation, regardless of whether the 49481  
next step is entering the workforce, beginning an 49482  
apprenticeship, engaging in post-secondary training, serving in 49483  
the military, or pursuing a college degree. 49484

The requirements for graduation prescribed in division (C) 49485  
of this section are the standard expectation for all students 49486  
entering ninth grade for the first time at a public or chartered 49487  
nonpublic high school on or after July 1, 2010. A student may 49488  
satisfy this expectation through a variety of methods, 49489  
including, but not limited to, integrated, applied, career- 49490  
technical, and traditional coursework. 49491

Stronger coordination between high schools and 49492  
institutions of higher education is necessary to prepare 49493  
students for more challenging academic endeavors and to lessen 49494  
the need for academic remediation in college, thereby reducing 49495  
the costs of higher education for Ohio's students, families, and 49496  
the state. The department and the chancellor of higher education 49497  
shall develop policies to ensure that only in rare instances 49498  
will students who complete the requirements for graduation 49499  
prescribed in division (C) of this section require academic 49500  
remediation after high school. 49501

School districts, community schools, and chartered 49502  
nonpublic schools shall integrate technology into learning 49503  
experiences across the curriculum in order to maximize 49504  
efficiency, enhance learning, and prepare students for success 49505  
in the technology-driven twenty-first century. Districts and 49506  
schools shall use distance and web-based course delivery as a 49507  
method of providing or augmenting all instruction required under 49508  
this division, including laboratory experience in science. 49509  
Districts and schools shall utilize technology access and 49510  
electronic learning opportunities provided by the broadcast 49511  
educational media commission, chancellor, the Ohio learning 49512  
network, education technology centers, public television 49513  
stations, and other public and private providers. 49514

(D) Except as provided in division (E) of this section, a 49515  
student who enters ninth grade on or after July 1, 2010, and 49516  
before July 1, 2016, may qualify for graduation from a public or 49517  
chartered nonpublic high school even though the student has not 49518  
completed the requirements for graduation prescribed in division 49519  
(C) of this section if all of the following conditions are 49520  
satisfied: 49521

(1) During the student's third year of attending high school, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section. Annually, each district or school shall notify the department of the number of students who choose to qualify for graduation under division (D) of this section and the number of students who complete the student's success plan and graduate from high school.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop a student success plan for the student in the manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5) (a) Except as provided in division (D) (5) (b) of this section, the student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2014, a student shall be required to complete successfully, at the minimum, the curriculum prescribed in division (B) of this section, except as follows:

(i) Mathematics, four units, one unit which shall be one of the following:

(I) Probability and statistics;

(II) Computer science;

(III) Applied mathematics or quantitative reasoning;

(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.

(ii) Elective units, five units;

(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.

(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate; 49579  
49580

(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section; 49581  
49582  
49583  
49584  
49585  
49586

(3) That no exception comparable to that provided in division (D) of this section is available. 49587  
49588

If a school district or chartered nonpublic school requires a foreign language as an additional graduation requirement under division (E) of this section, a student may apply one unit of instruction in computer coding to satisfy one unit of foreign language. If a student applies more than one computer coding course to satisfy the foreign language requirement, the courses shall be sequential and progressively more difficult. 49589  
49590  
49591  
49592  
49593  
49594  
49595  
49596

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the requirements for graduation prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions: 49597  
49598  
49599  
49600  
49601  
49602  
49603  
49604  
49605  
49606

(1) The program serves only students not younger than 49607

sixteen years of age and not older than twenty-one years of age. 49608

(2) The program enrolls students who, at the time of their 49609  
initial enrollment, either, or both, are at least one grade 49610  
level behind their cohort age groups or experience crises that 49611  
significantly interfere with their academic progress such that 49612  
they are prevented from continuing their traditional programs. 49613

(3) The program requires students to attain at least the 49614  
applicable score designated for each of the assessments 49615  
prescribed under division (B) (1) of section 3301.0710 of the 49616  
Revised Code or, to the extent prescribed by rule of the 49617  
department under division (D) (5) of section 3301.0712 of the 49618  
Revised Code, division (B) (2) of that section. 49619

(4) The program develops a student success plan for the 49620  
student in the manner described in division (C) (1) of section 49621  
3313.6020 of the Revised Code that specifies the student's 49622  
matriculating to a two-year degree program, acquiring a business 49623  
and industry-recognized credential, or entering an 49624  
apprenticeship. 49625

(5) The program provides counseling and support for the 49626  
student related to the plan developed under division (F) (4) of 49627  
this section during the remainder of the student's high school 49628  
experience. 49629

(6) The program requires the student and the student's 49630  
parent, guardian, or custodian to sign and file, in accordance 49631  
with procedural requirements stipulated by the program, a 49632  
written statement asserting the parent's, guardian's, or 49633  
custodian's consent to the student's graduating without 49634  
completing the requirements for graduation prescribed in 49635  
division (C) of this section and acknowledging that one 49636

consequence of not completing those requirements is 49637  
ineligibility to enroll in most state universities in Ohio 49638  
without further coursework. 49639

(7) Prior to receiving the waiver, the program has 49640  
submitted to the department an instructional plan that 49641  
demonstrates how the academic content standards adopted by the 49642  
department under section 3301.079 of the Revised Code will be 49643  
taught and assessed. 49644

(8) Prior to receiving the waiver, the program has 49645  
submitted to the department a policy on career advising that 49646  
satisfies the requirements of section 3313.6020 of the Revised 49647  
Code, with an emphasis on how every student will receive career 49648  
advising. 49649

(9) Prior to receiving the waiver, the program has 49650  
submitted to the department a written agreement outlining the 49651  
future cooperation between the program and any combination of 49652  
local job training, postsecondary education, nonprofit, and 49653  
health and social service organizations to provide services for 49654  
students in the program and their families. 49655

Divisions (F) (8) and (9) of this section apply only to 49656  
waivers granted on or after July 1, 2015. 49657

If the department does not act either to grant the waiver 49658  
or to reject the program application for the waiver within sixty 49659  
days as required under this section, the waiver shall be 49660  
considered to be granted. 49661

(G) Every high school may permit students below the ninth 49662  
grade to take advanced work. If a high school so permits, it 49663  
shall award high school credit for successful completion of the 49664  
advanced work and shall count such advanced work toward the 49665

graduation requirements of division (B) or (C) of this section 49666  
if the advanced work was both: 49667

(1) Taught by a person who possesses a license or 49668  
certificate issued under section 3301.071, 3319.22, or 3319.222 49669  
of the Revised Code that is valid for teaching high school; 49670

(2) Designated by the board of education of the city, 49671  
local, or exempted village school district, the board of the 49672  
cooperative education school district, or the governing 49673  
authority of the chartered nonpublic school as meeting the high 49674  
school curriculum requirements. 49675

Each high school shall record on the student's high school 49676  
transcript all high school credit awarded under division (G) of 49677  
this section. In addition, if the student completed a seventh- 49678  
or eighth-grade fine arts course described in division (K) of 49679  
this section and the course qualified for high school credit 49680  
under that division, the high school shall record that course on 49681  
the student's high school transcript. 49682

(H) The department shall make its individual academic 49683  
career plan available through its Ohio career information system 49684  
web site for districts and schools to use as a tool for 49685  
communicating with and providing guidance to students and 49686  
families in selecting high school courses. 49687

(I) A school district or chartered nonpublic school may 49688  
integrate academic content in a subject area for which the 49689  
department has adopted standards under section 3301.079 of the 49690  
Revised Code into a course in a different subject area, 49691  
including a career-technical education course, in accordance 49692  
with guidance for integrated coursework developed by the 49693  
department. Upon successful completion of an integrated course, 49694

a student may receive credit for both subject areas that were 49695  
integrated into the course. Units earned for subject area 49696  
content delivered through integrated academic and career- 49697  
technical instruction are eligible to meet the graduation 49698  
requirements of division (B) or (C) of this section. 49699

For purposes of meeting graduation requirements, if an 49700  
end-of-course examination has been prescribed under section 49701  
3301.0712 of the Revised Code for the subject area delivered 49702  
through integrated instruction, the school district or school 49703  
may administer the related subject area examinations upon the 49704  
student's completion of the integrated course. 49705

Nothing in division (I) of this section shall be construed 49706  
to excuse any school district, chartered nonpublic school, or 49707  
student from any requirement in the Revised Code related to 49708  
curriculum, assessments, or the awarding of a high school 49709  
diploma. 49710

(J) (1) The department, in consultation with the 49711  
chancellor, shall adopt a statewide plan implementing methods 49712  
for students to earn units of high school credit based on a 49713  
demonstration of subject area competency, instead of or in 49714  
combination with completing hours of classroom instruction. The 49715  
plan shall include a standard method for recording demonstrated 49716  
proficiency on high school transcripts. Each school district and 49717  
community school shall comply with the department's plan adopted 49718  
under this division and award units of high school credit in 49719  
accordance with the plan. The department may adopt existing 49720  
methods for earning high school credit based on a demonstration 49721  
of subject area competency as necessary prior to the 2009-2010 49722  
school year. 49723

(2) The department shall update the statewide plan adopted 49724

pursuant to division (J) (1) of this section to also include 49725  
methods for students enrolled in seventh and eighth grade to 49726  
meet curriculum requirements based on a demonstration of subject 49727  
area competency, instead of or in combination with completing 49728  
hours of classroom instruction. Beginning with the 2017-2018 49729  
school year, each school district and community school also 49730  
shall comply with the updated plan adopted pursuant to this 49731  
division and permit students enrolled in seventh and eighth 49732  
grade to meet curriculum requirements based on subject area 49733  
competency in accordance with the plan. 49734

(3) The department shall develop a framework for school 49735  
districts and community schools to use in granting units of high 49736  
school credit to students who demonstrate subject area 49737  
competency through work-based learning experiences, internships, 49738  
or cooperative education. Beginning with the 2018-2019 school 49739  
year, each district and community school shall comply with the 49740  
framework. Each district and community school also shall review 49741  
any policy it has adopted regarding the demonstration of subject 49742  
area competency to identify ways to incorporate work-based 49743  
learning experiences, internships, and cooperative education 49744  
into the policy in order to increase student engagement and 49745  
opportunities to earn units of high school credit. 49746

(K) This division does not apply to students who qualify 49747  
for graduation from high school under division (D) or (F) of 49748  
this section, or to students pursuing a career-technical 49749  
instructional track as determined by the school district board 49750  
of education or the chartered nonpublic school's governing 49751  
authority. Nevertheless, the general assembly encourages such 49752  
students to consider enrolling in a fine arts course as an 49753  
elective. 49754

Beginning with students who enter ninth grade for the first time on or after July 1, 2010, each student enrolled in a public or chartered nonpublic high school shall complete two semesters or the equivalent of fine arts to graduate from high school. The coursework may be completed in any of grades seven to twelve. Each student who completes a fine arts course in grade seven or eight may elect to count that course toward the five units of electives required for graduation under division (C) (8) of this section, if the course satisfied the requirements of division (G) of this section. In that case, the high school shall award the student high school credit for the course and count the course toward the five units required under division (C) (8) of this section. If the course in grade seven or eight did not satisfy the requirements of division (G) of this section, the high school shall not award the student high school credit for the course but shall count the course toward the two semesters or the equivalent of fine arts required by this division.

(L) Notwithstanding anything to the contrary in this section, the board of education of each school district and the governing authority of each chartered nonpublic school may adopt a policy to excuse from the high school physical education requirement each student who, during high school, has participated in interscholastic athletics, marching band, show choir, or cheerleading for at least two full seasons or in the junior reserve officer training corps for at least two full school years. If the board or authority adopts such a policy, the board or authority shall not require the student to complete any physical education course as a condition to graduate. However, the student shall be required to complete one-half unit, consisting of at least sixty hours of instruction, in

another course of study. In the case of a student who has 49786  
participated in the junior reserve officer training corps for at 49787  
least two full school years, credit received for that 49788  
participation may be used to satisfy the requirement to complete 49789  
one-half unit in another course of study. 49790

(M) It is important that high school students learn and 49791  
understand United States history and the governments of both the 49792  
United States and the state of Ohio. Therefore, beginning with 49793  
students who enter ninth grade for the first time on or after 49794  
July 1, 2012, the study of American history and American 49795  
government required by divisions (B) (6) and (C) (6) of this 49796  
section shall include the study of all of the following 49797  
documents: 49798

(1) The Declaration of Independence; 49799

(2) The Northwest Ordinance; 49800

(3) The Constitution of the United States with emphasis on 49801  
the Bill of Rights; 49802

(4) The Ohio Constitution. 49803

The study of each of the documents prescribed in divisions 49804  
(M) (1) to (4) of this section shall include study of that 49805  
document in its original context. 49806

The study of American history and government required by 49807  
divisions (B) (6) and (C) (6) of this section shall include the 49808  
historical evidence of the role of documents such as the 49809  
Federalist Papers and the Anti-Federalist Papers to firmly 49810  
establish the historical background leading to the establishment 49811  
of the provisions of the Constitution and Bill of Rights. 49812

(N) A student may apply one unit of instruction in 49813

computer science to satisfy one unit of mathematics or one unit 49814  
of science under division (C) of this section as the student 49815  
chooses, regardless of the field of certification of the teacher 49816  
who teaches the course, so long as that teacher meets the 49817  
licensure requirements prescribed by section 3319.236 of the 49818  
Revised Code and, prior to teaching the course, completes a 49819  
professional development program determined to be appropriate by 49820  
the district board. 49821

If a student applies more than one computer science course 49822  
to satisfy curriculum requirements under that division, the 49823  
courses shall be sequential and progressively more difficult or 49824  
cover different subject areas within computer science. 49825

(O) Notwithstanding anything to the contrary in this 49826  
section, the board of education of each school district and the 49827  
governing authority of each chartered nonpublic school may adopt 49828  
a policy to excuse from the financial literacy instruction 49829  
requirement under division (C) (9) of this section each student 49830  
who, during high school, participates in a financial literacy 49831  
program offered through a student branch, as defined in section 49832  
1733.04 of the Revised Code, or by a bank, as defined in section 49833  
1101.01 of the Revised Code. The policy shall require the 49834  
financial literacy program to meet or exceed the academic 49835  
content standards and model curriculum for financial literacy 49836  
and entrepreneurship instruction adopted under section 3301.079 49837  
of the Revised Code. The policy shall address how long a student 49838  
is required to participate in the program to qualify for an 49839  
exemption under this division. 49840

Not later than July 1, 2026, the department shall develop 49841  
and post on its web site a model policy and guidelines for 49842  
districts and schools to use in developing a policy under this 49843

division. 49844

**Sec. 3313.608.** (A) (1) Beginning with students who enter 49845  
third grade in the school year that starts July 1, 2009, and 49846  
until June 30, 2013, unless the student is excused under 49847  
division (C) of section 3301.0711 of the Revised Code from 49848  
taking the assessment described in this section, for any student 49849  
who does not attain at least the equivalent level of achievement 49850  
designated under division (A) (3) of section 3301.0710 of the 49851  
Revised Code on the assessment prescribed under that section to 49852  
measure skill in English language arts expected at the end of 49853  
third grade, each school district, in accordance with the policy 49854  
adopted under section 3313.609 of the Revised Code, shall do one 49855  
of the following: 49856

(a) Promote the student to fourth grade if the student's 49857  
principal and reading teacher agree that other evaluations of 49858  
the student's skill in reading demonstrate that the student is 49859  
academically prepared to be promoted to fourth grade; 49860

(b) Promote the student to fourth grade but provide the 49861  
student with intensive intervention services in fourth grade; 49862

(c) Retain the student in third grade. 49863

(2) Beginning with students who enter third grade in the 49864  
2013-2014 school year, unless the student is excused under 49865  
division (C) of section 3301.0711 of the Revised Code from 49866  
taking the assessment described in this section, no school 49867  
district shall promote to fourth grade any student who does not 49868  
attain at least the equivalent level of achievement designated 49869  
under division (A) (3) of section 3301.0710 of the Revised Code 49870  
on the assessment prescribed under that section to measure skill 49871  
in English language arts expected at the end of third grade, 49872

unless one of the following applies: 49873

(a) The student is an English learner who has been 49874  
enrolled in United States schools for less than three full 49875  
school years and has had less than three years of instruction in 49876  
an English as a second language program. 49877

(b) The student is a child with a disability entitled to 49878  
special education and related services under Chapter 3323. of 49879  
the Revised Code and the student's individualized education 49880  
program exempts the student from retention under this division. 49881

(c) The student demonstrates an acceptable level of 49882  
performance on an alternative standardized reading assessment as 49883  
determined by the department of education and workforce. 49884

(d) All of the following apply: 49885

(i) The student is a child with a disability entitled to 49886  
special education and related services under Chapter 3323. of 49887  
the Revised Code. 49888

(ii) The student has taken the third grade English 49889  
language arts achievement assessment prescribed under section 49890  
3301.0710 of the Revised Code. 49891

(iii) The student's individualized education program or 49892  
plan under section 504 of the "Rehabilitation Act of 1973," 87 49893  
Stat. 355, 29 U.S.C. 794, as amended, shows that the student has 49894  
received intensive remediation in reading for two school years 49895  
but still demonstrates a deficiency in reading. 49896

(iv) The student previously was retained in any of grades 49897  
kindergarten to three. 49898

(e) (i) The student received intensive remediation for 49899  
reading for two school years but still demonstrates a deficiency 49900

in reading and was previously retained in any of grades 49901  
kindergarten to three. 49902

(ii) A student who is promoted under division (A) (2) (e) (i) 49903  
of this section shall continue to receive intensive reading 49904  
instruction in grade four. The instruction shall include an 49905  
altered instructional day that includes specialized diagnostic 49906  
information and specific research-based reading strategies for 49907  
the student that have been successful in improving reading among 49908  
low-performing readers. 49909

(f) A student's parent or guardian, in consultation with 49910  
the student's reading teacher and building principal, requests 49911  
that the student, regardless of if the student is reading at 49912  
grade level, be promoted to the fourth grade. 49913

A student who is promoted under division (A) (2) (f) of this 49914  
section shall continue to receive intensive reading instruction 49915  
in the same manner as a student retained under this section 49916  
until the student is able to read at grade level. 49917

(B) (1) Beginning in the 2012-2013 school year, to assist 49918  
students in meeting the third grade guarantee established by 49919  
this section, each school district board of education shall 49920  
adopt policies and procedures with which it annually shall 49921  
assess the reading skills of each student, except those students 49922  
with significant cognitive disabilities or other disabilities as 49923  
authorized by the department on a case-by-case basis, enrolled 49924  
in kindergarten to third grade and shall identify students who 49925  
are reading below their grade level. The reading skills 49926  
assessment shall be completed by the thirtieth day of September 49927  
for students in grades one to three, and by the twentieth day of 49928  
instruction of the school year for students in kindergarten. 49929  
Each district shall use the diagnostic assessment to measure 49930

reading ability for the appropriate grade level adopted under 49931  
section 3301.079 of the Revised Code, or a comparable tool 49932  
approved by the department of education and workforce, to 49933  
identify such students. The policies and procedures shall 49934  
require the students' classroom teachers to be involved in the 49935  
assessment and the identification of students reading below 49936  
grade level. The assessment may be administered electronically 49937  
using live, two-way video and audio connections whereby the 49938  
teacher administering the assessment may be in a separate 49939  
location from the student. 49940

(2) For each student identified by the diagnostic 49941  
assessment prescribed under this section as having reading 49942  
skills below grade level, the district shall do both of the 49943  
following: 49944

(a) Provide to the student's parent or guardian, in 49945  
writing, all of the following: 49946

(i) Notification that the student has been identified as 49947  
having a substantial deficiency in reading; 49948

(ii) A description of the current services that are 49949  
provided to the student; 49950

(iii) A description of the proposed supplemental 49951  
instructional services and supports that will be provided to the 49952  
student that are designed to remediate the identified areas of 49953  
reading deficiency; 49954

(iv) Notification that if the student attains a score in 49955  
the range designated under division (A) (3) of section 3301.0710 49956  
of the Revised Code on the assessment prescribed under that 49957  
section to measure skill in English language arts expected at 49958  
the end of third grade, the student shall be retained unless the 49959

student is exempt under division (A) of this section. The 49960  
notification shall specify that the assessment under section 49961  
3301.0710 of the Revised Code is not the sole determinant of 49962  
promotion and that additional evaluations and assessments are 49963  
available to the student to assist parents and the district in 49964  
knowing when a student is reading at or above grade level and 49965  
ready for promotion. 49966

(v) A statement that connects the child's proficiency 49967  
level in reading to long-term outcomes of success related to 49968  
proficiency in reading. 49969

(b) Provide intensive reading instruction services and 49970  
regular diagnostic assessments to the student immediately 49971  
following identification of a reading deficiency until the 49972  
development of the reading improvement and monitoring plan 49973  
required by division (C) of this section. These intervention 49974  
services shall be aligned with the science of reading as defined 49975  
under section 3313.6028 of the Revised Code and include 49976  
research-based reading strategies that have been shown to be 49977  
successful in improving reading among low-performing readers and 49978  
instruction targeted at the student's identified reading 49979  
deficiencies. 49980

to earn not less than twenty-four credits that are transferable 50331  
to the institutions of higher education in the partnership as 50332  
part of an organized course of study toward a post-secondary 50333

time" means a period of time during which a student is excused 50343  
from school to attend a course in religious instruction 50344  
conducted by a private entity off school district property. 50345

(B) A school district board of education shall adopt a 50346  
policy that authorizes a student to be excused from school to 50347  
attend a released time course in religious instruction for at 50348  
least one period per week, provided that each of the following 50349  
applies: 50350

(1) The student's parent or guardian gives written 50351  
consent. 50352

(2) The sponsoring entity maintains attendance records and 50353  
makes them available to the school district the student attends. 50354

(3) Transportation to and from the place of instruction, 50355  
including transportation for students with disabilities, is the 50356  
complete responsibility of the sponsoring entity, parent, 50357  
guardian, or student. 50358

(4) The sponsoring entity makes provisions for and assumes 50359  
liability for the student. 50360

(5) No public funds are expended and no public school 50361

personnel are involved in providing the religious instruction. 50362

(6) The student assumes responsibility for any missed 50363  
schoolwork. 50364

While in attendance in a released time course in religious 50365  
instruction, a student shall not be considered absent from 50366  
school. No student may be released from a core curriculum 50367  
subject course to attend a religious instruction course. 50368

(C) A school district board of education shall collaborate 50369  
with a sponsoring entity of a released time course in religious 50370  
instruction to identify a time to offer the course during the 50371  
school day. 50372

(D) A policy adopted under division (B) of this section 50373  
shall not exceed either of the following: 50374

(1) For students in elementary school, two periods in 50375  
total per week; 50376

(2) For students in high school, the amount of time that 50377  
is equivalent to attending two units of high school credit per 50378  
week. 50379

(E) A policy adopted under division (B) of this section 50380  
may authorize high school students to earn up to two units of 50381  
high school credit for the completion of a released time course 50382  
in religious instruction. In determining whether to award credit 50383  
for completion of such a course, the board shall evaluate the 50384  
course based on purely secular criteria that are substantially 50385  
the same criteria used to evaluate similar nonpublic high school 50386  
courses for purposes of determining whether to award credit for 50387  
such courses to a student transferring from a nonpublic high 50388  
school to a public high school. However, there shall be no 50389  
criteria requiring that released time courses be completed only 50390

at a nonpublic school. The decision to award credit for a 50391  
released time course of religious instruction shall be neutral 50392  
to, and shall not involve any test for, religious content or 50393  
denominational affiliation. 50394

For purposes of this division, secular criteria may 50395  
include, but are not limited to, the following: 50396

(1) The number of hours of classroom instruction time; 50397

(2) A review of the course syllabus that reflects course 50398  
requirements and materials used; 50399

(3) The methods of assessment used in the course; 50400

(4) The qualifications of the course instructor, which 50401  
shall be similar to the qualifications of other teachers within 50402  
the district. 50403

Notwithstanding division (C) (8) of section 3313.603 of the 50404  
Revised Code, high school credit awarded to a student for a 50405  
released time course in religious instruction may substitute for 50406  
the same amount of credit in subjects listed in that division. 50407

~~(E)~~ (F) A school district, member of a school district 50408  
board of education, or school district employee is not liable in 50409  
damages in a civil action for injury allegedly arising during a 50410  
student's transportation to or from a place of instruction when 50411  
private transportation is used under a released time policy 50412  
adopted under this section. This division does not eliminate, 50413  
limit, or reduce any other immunity or defense that a school 50414  
district, member of a school district board of education, or 50415  
school district employee may be entitled to under Chapter 2744. 50416  
or any other provision of the Revised Code or under the common 50417  
law of this state. 50418

under division (C) (3) (b) of this section shall be computed in 51257  
accordance with section 3317.081 of the Revised Code. If a home 51258

section, the board of education providing the education may 51260  
recover in a civil action the tuition and the expenses incurred 51261

in prosecuting the action, including court costs and reasonable attorney's fees. If the prosecuting attorney or city director of law represents the board in such action, costs and reasonable attorney's fees awarded by the court, based upon the prosecuting attorney's, director's, or one of their designee's time spent preparing and presenting the case, shall be deposited in the county or city general fund.

(4) Any child residing with a person other than the 51300

the parent's death is entitled to continue to attend school in 51315  
the district in which the child attended school at the time of 51316  
the parent's death for the remainder of the school year, subject 51317  
to approval of that district board. 51318

(6) A child under the age of twenty-two years who resides 51319

with a parent who is having a new house built in a school 51320  
district outside the district where the parent is residing is 51321  
entitled to attend school for a period of time in the district 51322  
where the new house is being built. In order to be entitled to 51323  
such attendance, the parent shall provide the district 51324  
superintendent with the following: 51325

(a) A sworn statement explaining the situation, revealing 51326  
the location of the house being built, and stating the parent's 51327

in the parent's statement. 51348

The district superintendent shall establish a period of 51349  
time not to exceed ninety days during which the child entitled 51350  
to attend school under division (F) (6) or (7) of this section 51351

school under division (F) (6) or (7) of this section shall be 51353  
eligible to participate in interscholastic athletics under the 51354  
auspices of that school, provided the board of education of the 51355  
school district where the student's parent resides, by a formal 51356  
action, releases the student to participate in interscholastic 51357  
athletics at the school where the student is attending, and 51358  
provided the student receives any authorization required by a 51359  
public agency or private organization of which the school 51360  
district is a member exercising authority over interscholastic 51361  
sports. 51362

(8) A child whose parent is a full-time employee of a 51363  
city, local, or exempted village school district, or of an 51364  
educational service center, may be admitted to the schools of 51365  
the district where the child's parent is employed, or in the 51366  
case of a child whose parent is employed by an educational 51367  
service center, in the district that serves the location where 51368  
the parent's job is primarily located, provided the district 51369  
board of education establishes such an admission policy by 51370  
resolution adopted by a majority of its members. Any such policy 51371  
shall take effect on the first day of the school year and the 51372  
effective date of any amendment or repeal may not be prior to 51373  
the first day of the subsequent school year. The policy shall be 51374  
uniformly applied to all such children and shall provide for the 51375  
admission of any such child upon request of the parent. No child 51376  
may be admitted under this policy after the first day of classes 51377  
of any school year. 51378

(9) A child who is with the child's parent under the care 51379

of a shelter for victims of domestic violence, as defined in 51380  
section 3113.33 of the Revised Code, is entitled to attend 51381  
school free in the district in which the child is with the 51382  
child's parent, and no other school district shall be required 51383  
to pay tuition for the child's attendance in that school 51384  
district. 51385

The enrollment of a child in a school district under this 51386  
division shall not be denied due to a delay in the school 51387  
district's receipt of any records required under section 51388  
3313.672 of the Revised Code or any other records required for 51389  
enrollment. Any days of attendance and any credits earned by a 51390  
child while enrolled in a school district under this division 51391  
shall be transferred to and accepted by any school district in 51392  
which the child subsequently enrolls. The department of 51393  
education and workforce shall adopt rules to ensure compliance 51394  
with this division. 51395

(10) Any child under the age of twenty-two years whose 51396  
parent has moved out of the school district after the 51397  
commencement of classes in the child's senior year of high 51398  
school is entitled, subject to the approval of that district 51399  
board, to attend school in the district in which the child 51400  
attended school at the time of the parental move for the 51401  
remainder of the school year and for one additional semester or 51402  
equivalent term. A district board may also adopt a policy 51403  
specifying extenuating circumstances under which a student may 51404  
continue to attend school under division (F)(10) of this section 51405  
for an additional period of time in order to successfully 51406  
complete the high school curriculum for the individualized 51407  
education program developed for the student by the high school 51408  
pursuant to section 3323.08 of the Revised Code. 51409

(11) As used in this division, "grandparent" means a parent of a parent of a child. A child under the age of twenty-two years who is in the custody of the child's parent, resides with a grandparent, and does not require special education is entitled to attend the schools of the district in which the child's grandparent resides, provided that, prior to such attendance in any school year, the board of education of the school district in which the child's grandparent resides and the board of education of the school district in which the child's parent resides enter into a written agreement specifying that good cause exists for such attendance, describing the nature of this good cause, and consenting to such attendance.

In lieu of a consent form signed by a parent, a board of education may request the grandparent of a child attending school in the district in which the grandparent resides pursuant to division (F) (11) of this section to complete any consent form required by the district, including any authorization required by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F) (11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled 51440  
to attend school in a school district other than the district in 51441  
which the child is entitled to attend school under division (B), 51442  
(C), or (E) of this section provided that, prior to such 51443  
attendance in any school year, both of the following occur: 51444

(a) The superintendent of the district in which the child 51445  
is entitled to attend school under division (B), (C), or (E) of 51446  
this section contacts the superintendent of another district for 51447  
purposes of this division; 51448

(b) The superintendents of both districts enter into a 51449  
written agreement that consents to the attendance and specifies 51450  
that the purpose of such attendance is to protect the student's 51451  
physical or mental well-being or to deal with other extenuating 51452  
circumstances deemed appropriate by the superintendents. 51453

While an agreement is in effect under this division for a 51454  
student who is not receiving special education under Chapter 51455  
3323. of the Revised Code and notwithstanding Chapter 3327. of 51456  
the Revised Code, the board of education of neither school 51457  
district involved in the agreement is required to provide 51458  
transportation for the student to and from the school where the 51459  
student attends. 51460

A student attending a school of a district pursuant to 51461  
this division shall be allowed to participate in all student 51462  
activities, including interscholastic athletics, at the school 51463  
where the student is attending on the same basis as any student 51464  
who has always attended the schools of that district while of 51465  
compulsory school age. 51466

(13) All school districts shall comply with the "McKinney- 51467  
Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for 51468

the education of homeless children. Each city, local, and 51469  
exempted village school district shall comply with the 51470  
requirements of that act governing the provision of a free, 51471  
appropriate public education, including public preschool, to 51472  
each homeless child. 51473

When a child loses permanent housing and becomes a 51474  
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 51475  
child who is such a homeless person changes temporary living 51476  
arrangements, the child's parent or guardian shall have the 51477  
option of enrolling the child in either of the following: 51478

(a) The child's school of origin, as defined in 42 51479  
U.S.C.A. 11432(g) (3) (C); 51480

(b) The school that is operated by the school district in 51481  
which the shelter where the child currently resides is located 51482  
and that serves the geographic area in which the shelter is 51483  
located. 51484

(14) A child under the age of twenty-two years who resides 51485  
with a person other than the child's parent is entitled to 51486  
attend school in the school district in which that person 51487  
resides if both of the following apply: 51488

(a) That person has been appointed, through a military 51489  
power of attorney executed under section 574(a) of the "National 51490  
Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 51491  
(1993), 10 U.S.C. 1044b, or through a comparable document 51492  
necessary to complete a family care plan, as the parent's agent 51493  
for the care, custody, and control of the child while the parent 51494  
is on active duty as a member of the national guard or a reserve 51495  
unit of the armed forces of the United States or because the 51496  
parent is a member of the armed forces of the United States and 51497

is on a duty assignment away from the parent's residence. 51498

(b) The military power of attorney or comparable document 51499  
includes at least the authority to enroll the child in school. 51500

The entitlement to attend school in the district in which 51501  
the parent's agent under the military power of attorney or 51502  
comparable document resides applies until the end of the school 51503  
year in which the military power of attorney or comparable 51504  
document expires. 51505

(G) A board of education, after approving admission, may 51506  
waive tuition for students who will temporarily reside in the 51507  
district and who are either of the following: 51508

(1) Residents or domiciliaries of a foreign nation who 51509  
request admission as foreign exchange students; 51510

(2) Residents or domiciliaries of the United States but 51511  
not of Ohio who request admission as participants in an exchange 51512  
program operated by a student exchange organization. 51513

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 51514  
3323.04, 3327.04, and 3327.06 of the Revised Code, a child may 51515  
attend school or participate in a special education program in a 51516  
school district other than in the district where the child is 51517  
entitled to attend school under division (B) of this section. 51518

(I) (1) Notwithstanding anything to the contrary in this 51519  
section or section 3313.65 of the Revised Code, a child under 51520  
twenty-two years of age may attend school in the school district 51521  
in which the child, at the end of the first full week of October 51522  
of the school year, was entitled to attend school as otherwise 51523  
provided under this section or section 3313.65 of the Revised 51524  
Code, if at that time the child was enrolled in the schools of 51525  
the district but since that time the child or the child's parent 51526

has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under division (I)(1) of this section shall be entitled to transportation services pursuant to an agreement between the district and the district in which the child or child's parent has relocated unless the districts have not entered into such agreement, in which case the child shall be entitled to transportation services in the same manner as a pupil attending school in the district under interdistrict open enrollment as described in division (E) of section 3313.981 of the Revised Code, regardless of whether the district has adopted an open enrollment policy as described in division (B)(1)(b) or (c) of section 3313.98 of the Revised Code.

(J) This division does not apply to a child receiving special education.

A school district required to pay tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount deducted under division (C) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. A school district entitled to receive tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount credited under division (C) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. If the tuition rate credited to the district of attendance exceeds the rate deducted from the district required to pay tuition, the department of education and workforce shall pay the district of attendance the difference from amounts deducted from all districts' payments under division (C) of section 3317.023 of the Revised Code but not credited to other school districts under such division and from appropriations made for such purpose. The treasurer of each

school district shall, by the fifteenth day of January and July, 51587  
furnish the director of education and workforce a report of the 51588  
names of each child who attended the district's schools under 51589  
divisions (C) (2) and (3) of this section or section 3313.65 of 51590  
the Revised Code during the preceding six calendar months, the 51591  
duration of the attendance of those children, the school 51592  
district responsible for tuition on behalf of the child, and any 51593  
other information that the director requires. 51594

Upon receipt of the report the director, pursuant to 51595  
division (C) of section 3317.023 of the Revised Code, shall 51596  
deduct each district's tuition obligations under divisions (C) 51597  
(2) and (3) of this section or section 3313.65 of the Revised 51598  
Code and pay to the district of attendance that amount plus any 51599  
amount required to be paid by the state. 51600

(K) In the event of a disagreement, the director of 51601  
education and workforce shall determine the school district in 51602  
which the parent resides. 51603

(L) Nothing in this section requires or authorizes, or 51604  
shall be construed to require or authorize, the admission to a 51605  
public school in this state of a pupil who has been permanently 51606  
excluded from public school attendance by the director pursuant 51607  
to sections 3301.121 and 3313.662 of the Revised Code. 51608

(M) In accordance with division (B) (1) of this section, a 51609  
child whose parent is a member of the national guard or a 51610  
reserve unit of the armed forces of the United States and is 51611  
called to active duty, or a child whose parent is a member of 51612  
the armed forces of the United States and is ordered to a 51613  
temporary duty assignment outside of the district, may continue 51614  
to attend school in the district in which the child's parent 51615  
lived before being called to active duty or ordered to a 51616

temporary duty assignment outside of the district, as long as 51617  
the child's parent continues to be a resident of that district, 51618  
and regardless of where the child lives as a result of the 51619  
parent's active duty status or temporary duty assignment. 51620  
However, the district is not responsible for providing 51621  
transportation for the child if the child lives outside of the 51622  
district as a result of the parent's active duty status or 51623  
temporary duty assignment. 51624

Sec. 3313.7118. Each public school, as defined in section 51625  
3301.28 of the Revised Code, and chartered nonpublic school that 51626  
serves elementary school students shall provide either an 51627  
electronic or paper copy of the informational materials 51628  
described in section 3707.61 of the Revised Code to each 51629  
student's parent or guardian on the student's enrollment in 51630  
elementary school. 51631

**Sec. 3313.90.** As used in this section, "formula ADM" has 51710  
the same meaning as in section 3317.02 of the Revised Code. 51711  
Notwithstanding division (D) of section 3311.19 and division (D) 51712  
of section 3311.52 of the Revised Code, the provisions of this 51713  
section that apply to a city school district do not apply to any 51714  
joint vocational or cooperative education school district. 51715

(A) Except as provided in division (B) of this section, 51716  
each city, local, and exempted village school district shall, by 51717  
one of the following means, provide to students enrolled in 51718  
grades seven through twelve career-technical education adequate 51719  
to prepare a student enrolled therein for an occupation: 51720

(1) Establishing and maintaining a career-technical 51721  
education program that meets standards adopted by the department 51722  
of education and workforce; 51723

(2) Being a member of a joint vocational school district 51724  
that meets standards adopted by the department; 51725

(3) Contracting for career-technical education with a 51726  
joint vocational school district or another school district that 51727  
meets the standards adopted by the department. 51728

The standards of the department shall include criteria for 51729  
the participation by nonpublic students in career-technical 51730  
education programs without financial assessment, charge, or 51731  
tuition to such student except such assessments, charges, or 51732

tuition paid by resident public school students in such 51733  
programs. Such nonpublic school students shall be included in 51734  
the formula ADM of the school district maintaining the career- 51735  
technical education program as part-time students in proportion 51736  
to the time spent in the career-technical education program. 51737

By the thirtieth day of October of each year, the director 51738  
of education and workforce shall determine and certify to the 51739  
superintendent of each school district subject to this section 51740  
either that the district is in compliance with the requirements 51741  
of this section for the current school year or that the district 51742  
is not in compliance. If the director certifies that the 51743  
district is not in compliance, the director shall notify the 51744  
board of education of the district of the actions necessary to 51745  
bring the district into compliance with this section. 51746

In meeting standards established by the department, school 51747  
districts, where practicable, shall provide career-technical 51748  
education programs in high schools. A minimum enrollment of 51749

course offerings. A school district may meet this requirement 51756  
alone, through a cooperative arrangement pursuant to section 51757  
3313.92 of the Revised Code, through school district 51758  
consolidation, by membership in a joint vocational school 51759  
district, by contract with a school district, by contract with a 51760  
school licensed by any state agency established by the Revised 51761  
Code which school operates its courses offered for contracting 51762  
with public schools under standards as to staffing and 51763

facilities comparable to those prescribed by the department for 51764  
public schools provided no instructor in such courses shall be 51765  
required to be certificated by the department, or in a 51766  
combination of such ways. Exceptions to the minimum enrollment 51767  
prescribed by this section may be made by the department based 51768  
on sparsity of population or other factors indicating that 51769  
comprehensive educational and career-technical education 51770  
programs as required by this section can be provided through an 51771  
alternate plan. 51772

(B) ~~If~~ Until July 1, 2026, the department shall waive the 51773  
requirement for a city, local, or exempted village school 51774  
district to provide career-technical education to students 51775  
enrolled in grades seven and eight for that particular school 51776  
year, if the board of education of a city, local, or exempted 51777  
~~village school that~~ district adopts a resolution that specifies 51778  
the district's intent not to provide career-technical education 51779  
to students enrolled in grades seven and eight for a particular 51780  
school year and submits that resolution to the department by the 51781  
thirtieth day of September of that school year, ~~the department~~ 51782  
~~shall waive the requirement for that district to provide career-~~ 51783  
~~technical education to students enrolled in grades seven and~~ 51784  
~~eight for that particular school year.~~ 51785

**Sec. 3313.901.** (A) As used in this section, "Ohio 51786  
technical center" has the same meaning as in section 3333.94 of 51787  
the Revised Code. 51788

(B) Upon approval by the department of education and 51789  
workforce, any city, exempted village, local, or joint 51790  
vocational school district may contract with an Ohio technical 51791  
center to serve students in any of grades seven to twelve who 51792  
are enrolled in a career-technical education program at the 51793

district but cannot enroll in a course at the district for any	51794
of the following reasons:	51795
(1) The course is at capacity and cannot serve all	51796
students who want to enroll in the course.	51797
(2) The student has a scheduling conflict that prevents	51798
the student from taking the course at the time offered by the	51799
district.	51800
(3) The district does not offer the course due to lack of	51801
enrollment, lack of a qualified teacher, or lack of facilities.	51802
(4) Any other reason determined by the department.	51803
(C) School districts shall apply to the department for	51804
approval to contract with an Ohio technical center under this	51805
section. Applicants shall submit a plan to the department	51806
describing how the district and the Ohio technical center will	51807
establish a collaborative partnership to provide career-	51808
technical education to students. Prior to approval, the	51809
department shall consider the extent to which the partnership	51810
will increase access to career-technical education courses for	51811
students.	51812
(D) If the department approves an application under this	51813
section, the school district that received that approval shall	51814
do all of the following:	51815
(1) Award a student high school credit for completion of	51816
any career-technical education course at an Ohio technical	51817
center;	51818
(2) Report the student in the education management	51819
information system established under section 3301.0714 of the	51820
Revised Code as enrolled in the district for the time the	51821

student is taking a course at an Ohio technical center, but the 51822  
district shall indicate that the course is being taken through a 51823  
center rather than at the district; 51824

(3) Not count a student taking a course at an Ohio 51825  
technical center as more than one full-time equivalent student, 51826  
unless the student is enrolled full-time in the district during 51827  
the regularly scheduled school day and takes the course at the 51828  
center during time outside of normal school hours; 51829

(4) Pay the Ohio technical center for each student taking 51830  
a course at the technical center. The payment amount shall be 51831  
the lesser of the standard tuition charged for the course by the 51832  
center or the applicable one of the following: 51833

(a) If the center is located on the same campus as the 51834  
high school in which the student is enrolled, the amount equal 51835  
to the statewide average base cost per pupil and the amount 51836  
applicable to the student pursuant to division (C) of section 51837  
3317.014 of the Revised Code for the portion of the full-time 51838  
equivalency the student is enrolled in the course, without 51839  
application of the district's state share percentage; 51840

(b) If the center is not located on the same campus as the 51841  
high school in which the student is enrolled, \$7,500. 51842

(E) A district and an Ohio technical center may enter into 51843  
an agreement under this section to establish alternate amounts 51844  
than those prescribed under division (D) of this section that 51845  
the district will pay to the center. 51846

(F) A district may use career-technical education funds 51847  
received under division (C) of section 3317.014 of the Revised 51848  
Code to pay for any costs incurred by students enrolling in 51849  
courses at an Ohio technical center under this section. The 51850

department shall consider that cost as an approved career- 51851  
technical education expense under division ~~(F)~~(E) of section 51852  
3317.014 of the Revised Code. 51853

(G) Notwithstanding anything to the contrary in the 51854  
Revised Code, an individual who holds an adult education permit 51855  
issued by the state board of education and is employed by an 51856  
Ohio technical center may provide instruction to a student in 51857  
grades seven through twelve who is taking a course at an Ohio 51858  
technical center under this section. 51859

(H) If the department approves an application from a 51860  
school district to contract with an Ohio technical center under 51861  
this section, the district shall not prohibit a student enrolled 51862  
in the district from taking any course for which the district 51863  
has contracted at the technical center. 51864

3313.976 to 3313.979 of the Revised Code, "the pilot project school district" or "the district" means any school district included in the pilot project scholarship program pursuant to this section.

(A) The director of education and workforce shall implement the pilot project scholarship program and shall include in such program any school districts that are or have ever been under federal court order requiring supervision and operational management of the district by the state superintendent or director. The program shall provide for a number of students residing in any such district to receive scholarships to attend alternative schools, and for an equal number of students to receive tutorial assistance grants while attending public school in any such district.

(B) The director shall establish an application process and deadline for accepting applications from students residing in the district to participate in the scholarship program. In the initial year of the program students may only use a scholarship to attend school in grades kindergarten through third.

The director shall award as many scholarships and tutorial assistance grants as can be funded given the amount appropriated for the program.

(C) (1) The pilot project program shall continue in effect each year that the general assembly has appropriated sufficient money to fund scholarships and tutorial assistance grants. In each year the program continues, new students may receive scholarships in grades kindergarten to twelve. A student who has received a scholarship may continue to receive one until the student has completed grade twelve.

(2) If the general assembly discontinues the scholarship program, all students who are attending an alternative school under the pilot project shall be entitled to continued admittance to that specific school through all grades that are provided in such school, under the same conditions as when they were participating in the pilot project. If funds are not appropriated, the tuition charged to the parents of a student who remains enrolled in an alternative school under this provision shall not be increased beyond the amount equal to the amount of the scholarship plus any additional amount charged that student's parent in the most recent year of attendance as a participant in the pilot project, except that tuition for all the students enrolled in such school may be increased by the same percentage.

(D) Notwithstanding sections 124.39 and 3311.83 of the Revised Code, if the pilot project school district experiences a decrease in enrollment due to participation in a state-sponsored scholarship program pursuant to sections 3313.974 to 3313.979 of the Revised Code, the district board of education may enter into an agreement with any teacher it employs to provide to that teacher severance pay or early retirement incentives, or both, if the teacher agrees to terminate the employment contract with the district board, provided any collective bargaining agreement in force pursuant to Chapter 4117. of the Revised Code does not prohibit such an agreement for termination of a teacher's employment contract.

(E) Except as provided for in division (C) (2) of section 3365.07 of the Revised Code, the director shall not require the parent of a student who applies for or receives a scholarship under the pilot project program to complete any kind of income verification regarding the student's family income.

(F) A student is not eligible to receive a scholarship under sections 3313.975 to 3313.979 of the Revised Code if the treasurer of state has established an educational savings account for the student under section 3310.23 of the Revised Code for the school year for which the scholarship is sought.

**Sec. 3314.013.** (A) Until May 22, 2013, no internet- or computer-based community school shall operate unless the school was open for instruction as of May 1, 2005. (1) The entity may renew a contract that the entity entered into with an internet- or computer-based community school prior to May 1, 2005, if the school was open for operation as of that date.

(2) The entity may assume sponsorship of an existing internet- or computer-based community school that was formerly sponsored by another entity and may enter into a contract with that community school in accordance with section 3314.03 of the Revised Code.

If a sponsor entered into a contract with an internet- or computer-based community school, including a conversion school, but the school was not open for operation as of May 1, 2005, the

contract shall be void and the entity shall not enter into 52082  
another contract with the school until May 22, 2013. 52083

(B)(1) Beginning on July 1, 2013, up to five new internet- 52084  
or computer-based community schools may open each year, subject 52085  
to approval of the director of education and workforce under 52086  
division (B)(2) of this section. 52087

(2) The director shall approve applications for new 52088  
internet- or computer-based community schools from only those 52089

The department of education and workforce shall adopt 52091  
rules prescribing measures to determine experience and quality 52092  
of applicants in accordance with Chapter 119. of the Revised 52093  
Code. The measures shall include, but not be limited to, the 52094  
following considerations: 52095

(a) The sponsor's experience with online schools; 52096

(b) The operator's experience with online schools; 52097

(c) The sponsor's and operator's previous record for 52098  
student performance; 52099

(d) A preference for operators with previous experience in 52100  
Ohio. 52101

(3) The department shall notify any new internet- or 52102  
computer-based community school governed by division (B) of this 52103  
section of whether the director has approved or disapproved the 52104  
school's application to open for the 2013-2014 school year not 52105  
later than July 1, 2013. Notwithstanding the dates prescribed 52106  
for adoption and signing on sponsor contracts in division (D) of 52107  
section 3314.02 of the Revised Code, or the date for opening a 52108  
school for instruction required by division (A)(25) of section 52109

3314.03 of the Revised Code, a new internet- or computer-based 52110  
community school approved for opening for the 2013-2014 school 52111  
year under division (B) of this section may open and operate in 52112  
that school year regardless of whether it has complied with 52113  
those contract and opening dates. For each school year 52114  
thereafter, the school shall comply with all applicable 52115  
provisions of this chapter. 52116

(4) Notwithstanding divisions (B) (1) and (2) of this 52117  
section, a sponsor rated "exemplary" on its most recent 52118  
evaluation conducted under section 3314.016 of the Revised Code 52119  
is permitted to open up to two new internet- or computer-based 52120  
community schools that ~~will primarily serve students enrolled in~~ 52121  
a are dropout prevention and recovery program community schools 52122  
each year, not to exceed six new schools in a five-year period. 52123

(C) Nothing in division (A) or (B) of this section 52124  
prohibits an internet- or computer-based community school from 52125  
increasing the number of grade levels it offers. 52126

**Sec. 3314.015.** (A) The department of education and 52127  
workforce shall be responsible for the oversight of any and all 52128  
sponsors of the community schools established under this chapter 52129  
and shall provide technical assistance to schools and sponsors 52130  
in their compliance with applicable laws and the terms of the 52131  
contracts entered into under section 3314.03 of the Revised Code 52132  
and in the development and start-up activities of those schools. 52133  
In carrying out its duties under this section, the department 52134  
shall do all of the following: 52135

(1) In providing technical assistance to proposing 52136  
parties, governing authorities, and sponsors, conduct training 52137  
sessions and distribute informational materials; 52138

(2) Approve entities to be sponsors of community schools;	52139
(3) Monitor and evaluate, as required under section	52140
3314.016 of the Revised Code, the effectiveness of any and all	52141
sponsors in their oversight of the schools with which they have	52142
contracted;	52143
(4) By December thirty-first of each year, issue a report	52144
to the governor, the speaker of the house of representatives,	52145
the president of the senate, and the chairpersons of the house	52146
and senate committees principally responsible for education	52147
matters regarding the effectiveness of academic programs,	52148
operations, and legal compliance and of the financial condition	52149
of all community schools established under this chapter and on	52150
the performance of community school sponsors;	52151
(5) From time to time, make legislative recommendations to	52152
the general assembly designed to enhance the operation and	52153
performance of community schools.	52154
(B) (1) Except as provided in sections 3314.021 and	52155
3314.027 of the Revised Code, no entity shall enter into a	52156
preliminary agreement under division (C) (2) of section 3314.02	52157
of the Revised Code or renew an existing contract to sponsor a	52158
community school until it has received approval from the	52159
department to sponsor community schools under this chapter and	52160
has entered into a written agreement with the department	52161
regarding the manner in which the entity will conduct such	52162
sponsorship.	52163
On and after July 1, 2017, each entity that sponsors a	52164
community school in this state, except for an entity described	52165
in sections 3314.021 and 3314.027 of the Revised Code, shall	52166
attain approval from the department in order to continue	52167

sponsoring schools regardless of whether that entity intends to 52168  
enter into a preliminary agreement or renew an existing 52169  
contract. 52170

All new and renewed agreements between the department and 52171  
a sponsor shall contain specific language addressing the 52172  
parameters under which the department can intervene and 52173  
potentially revoke sponsorship authority in the event that the 52174  
sponsor is unwilling or unable to fulfill its obligations. 52175  
Additionally, each agreement shall set forth any territorial 52176  
restrictions and limits on the number of schools that entity may 52177  
sponsor, provide for an annual evaluation process, and include a 52178  
stipulation permitting the department to modify the agreement 52179  
under the following circumstances: 52180

(a) Poor fiscal management; 52181

(b) Lack of academic progress. 52182

(2) The initial term of a sponsor's agreement with the 52183  
department shall be for up to five years. 52184

(a) An agreement entered into with the department pursuant 52185  
to this section may be renewed for a term of up to ten years 52186  
using the following criteria: 52187

(i) The academic performance of students enrolled in each 52188  
community school the entity sponsors, as determined by the 52189  
department pursuant to division (B)(1)(a) of section 3314.016 of 52190  
the Revised Code; 52191

(ii) The sponsor's adherence to quality practices, as 52192  
determined by the department pursuant to division (B)(1)(b) of 52193  
section 3314.016 of the Revised Code; 52194

(iii) The sponsor's compliance with all applicable laws 52195

and administrative rules. 52196

(b) Each agreement between the department and a sponsor 52197  
shall specify that entities with an overall rating of 52198  
"exemplary" for at least two consecutive years shall not be 52199  
subject to the limit on the number of community schools the 52200  
entity may sponsor or any territorial restrictions on 52201  
sponsorship, for so long as that entity continues to be rated 52202  
"exemplary." 52203

(c) The department shall adopt in accordance with Chapter 52204  
119. of the Revised Code rules containing criteria, procedures, 52205  
and deadlines for processing applications for approval of 52206  
sponsors, for oversight of sponsors, for notifying a sponsor of 52207  
noncompliance with applicable laws and administrative rules 52208  
under division (F) of this section, for revocation of the 52209  
approval of sponsors under division (C) of this section, and for 52210  
entering into written agreements with sponsors. The rules shall 52211  
require an entity to submit evidence of the entity's ability and 52212  
willingness to comply with the provisions of division ~~(D)~~(C) of 52213  
section 3314.03 of the Revised Code. The rules also shall 52214  
require all entities approved as sponsors to demonstrate a 52215  
record of financial responsibility and successful implementation 52216  
of educational programs. If an entity seeking approval to 52217  
sponsor community schools in this state sponsors or operates 52218  
schools in another state, at least one of the schools sponsored 52219  
or operated by the entity must be comparable to or better than 52220  
the performance of Ohio schools in need of continuous 52221  
improvement under section 3302.03 of the Revised Code, as 52222  
determined by the department. 52223

Subject to section 3314.016 of the Revised Code, an entity 52224  
that sponsors community schools may enter into preliminary 52225

agreements and sponsor up to one hundred schools, provided each 52226  
school and the contract for sponsorship meets the requirements 52227  
of this chapter. A sponsor that was rated "exemplary" on its 52228  
most recent rating under section 3314.016 of the Revised Code 52229  
may sponsor up to two hundred such schools. 52230

(3) The department shall determine, pursuant to criteria 52231  
specified in rules adopted in accordance with Chapter 119. of 52232  
the Revised Code, whether the mission proposed to be specified 52233  
in the contract of a community school to be sponsored by a state 52234  
university board of trustees or the board's designee under 52235  
division (C) (1) (e) of section 3314.02 of the Revised Code 52236  
complies with the requirements of that division. Such 52237  
determination of the department is final. 52238

(4) The department shall determine, pursuant to criteria 52239  
specified in rules adopted in accordance with Chapter 119. of 52240  
the Revised Code, if any tax-exempt entity under section 501(c) 52241  
(3) of the Internal Revenue Code that is proposed to be a 52242  
sponsor of a community school is an education-oriented entity 52243  
for purpose of satisfying the condition prescribed in division 52244  
(C) (1) (f) (iii) of section 3314.02 of the Revised Code. Such 52245  
determination of the department is final. 52246

(C) If at any time the department finds that a sponsor is 52247  
not in compliance or is no longer willing to comply with its 52248  
contract with any community school or with the department's 52249  
rules for sponsorship, the department shall conduct a hearing in 52250  
accordance with Chapter 119. of the Revised Code on that matter. 52251  
If after the hearing, the department has confirmed the original 52252  
finding, it may revoke the sponsor's approval to sponsor 52253  
community schools. In that case, the department's office of Ohio 52254  
school sponsorship, established under section 3314.029 of the 52255

Revised Code, may assume the sponsorship of any schools with 52256  
which the sponsor has contracted until the earlier of the 52257  
expiration of two school years or until a new sponsor as 52258  
described in division (C) (1) of section 3314.02 of the Revised 52259  
Code is secured by the school's governing authority. The office 52260  
of Ohio school sponsorship may extend the term of the contract 52261  
in the case of a school for which it has assumed sponsorship 52262  
under this division as necessary to accommodate the term of the 52263  
department's authorization to sponsor the school specified in 52264  
this division. Community schools sponsored under this division 52265  
shall not apply to the limit on directly authorized community 52266  
schools under division (A) (3) of section 3314.029 of the Revised 52267  
Code. However, nothing in this division shall preclude a 52268  
community school affected by this division from applying for 52269  
sponsorship under that section. 52270

(D) The decision of the department to disapprove an entity 52271  
for sponsorship of a community school or to revoke approval for 52272  
such sponsorship under division (C) of this section, may be 52273  
appealed by the entity in accordance with section 119.12 of the 52274  
Revised Code. 52275

(E) The department shall adopt procedures for use by a 52276  
community school governing authority and sponsor when the school 52277  
permanently closes and ceases operation, which shall include at 52278  
least procedures for data reporting to the department, handling 52279  
of student records, distribution of assets in accordance with 52280  
section 3314.074 of the Revised Code, and other matters related 52281  
to ceasing operation of the school. 52282

(F) (1) In lieu of revoking a sponsor's authority to 52283  
sponsor community schools under division (C) of this section, if 52284  
the department finds that a sponsor is not in compliance with 52285

applicable laws and administrative rules, the department shall 52286  
declare in a written notice to the sponsor the specific laws or 52287  
rules, or both, for which the sponsor is noncompliant. A sponsor 52288  
notified under division (F)(1) of this section shall respond to 52289  
the department not later than fourteen days after the 52290  
notification with a proposed plan to remedy the conditions for 52291  
which the sponsor was found to be noncompliant. The department 52292  
shall approve or disapprove the plan not later than fourteen 52293  
days after receiving it. If the plan is disapproved, the sponsor 52294  
may submit a revised plan to the department not later than 52295  
fourteen days after receiving notification of disapproval from 52296  
the department or not later than sixty days after the date the 52297  
sponsor received notification of noncompliance from the 52298  
department, whichever is earlier. The department shall approve 52299  
or disapprove the revised plan not later than fourteen days 52300  
after receiving it or not later than sixty days after the date 52301  
the sponsor received notification of noncompliance from the 52302  
department, whichever is earlier. A sponsor may continue to make 52303  
revisions by the deadlines prescribed in division (F)(1) of this 52304  
section to any revised plan that is disapproved by the 52305  
department until the sixtieth day after the date the sponsor 52306  
received notification of noncompliance from the department. 52307

If a plan or a revised plan is approved, the sponsor shall 52308  
implement it not later than sixty days after the date the 52309  
sponsor received notification of noncompliance from the 52310  
department or not later than thirty days after the plan is 52311  
approved, whichever is later. If a sponsor does not respond to 52312  
the department or implement an approved compliance plan by the 52313  
deadlines prescribed by division (F)(1) of this section, or if a 52314  
sponsor does not receive approval of a compliance plan on or 52315  
before the sixtieth day after the date the sponsor received 52316

notification of noncompliance from the department, the 52317  
department shall declare in written notice to the sponsor that 52318  
the sponsor is in probationary status, and may limit the 52319  
sponsor's ability to sponsor additional schools. 52320

(2) A sponsor that has been placed on probationary status 52321  
under division (F)(1) of this section may apply to the 52322  
department for its probationary status to be lifted. The 52323  
application for a sponsor's probationary status to be lifted 52324  
shall include evidence, occurring after the initial notification 52325  
of noncompliance, of the sponsor's compliance with applicable 52326  
laws and administrative rules. Not later than fourteen days 52327  
after receiving an application from the sponsor, the department 52328  
shall decide whether or not to remove the sponsor's probationary 52329  
status. 52330

(G) In carrying out its duties under this chapter, the 52331  
department shall not impose requirements on community schools or 52332  
their sponsors that are not permitted by law or duly adopted 52333  
rules. 52334

(H) This section applies to entities that sponsor 52335  
conversion community schools and new start-up schools. 52336

(I) Nothing in divisions (C) to (F) of this section 52337  
prohibits the department from taking any action permitted or 52338  
required under the written agreement between the department and 52339  
a sponsoring entity without a hearing on the matter, in the 52340  
event that the sponsor is unwilling or unable to fulfill its 52341  
obligations. 52342

**Sec. 3314.016.** This section applies to any entity that 52343  
sponsors a community school, regardless of whether section 52344  
3314.021 or 3314.027 of the Revised Code exempts the entity from 52345

the requirement to be approved for sponsorship under divisions 52346  
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 52347  
office of Ohio school sponsorship established under section 52348  
3314.029 of the Revised Code shall be rated under division (B) 52349  
of this section, but divisions (A) and (C) of this section do 52350  
not apply to the office. 52351

(A) An entity that sponsors a community school shall be 52352  
permitted to enter into contracts under section 3314.03 of the 52353  
Revised Code to sponsor additional community schools only if the 52354  
entity meets all of the following criteria: 52355

(1) The entity is in compliance with all provisions of 52356  
this chapter requiring sponsors of community schools to report 52357  
data or information to the department of education and 52358  
workforce. 52359

(2) The entity is not rated as "ineffective" under 52360  
division (B) (6) of this section. 52361

(3) Except as set forth in sections 3314.021 and 3314.027 52362  
of the Revised Code, the entity has received approval from and 52363  
entered into an agreement with the department pursuant to 52364  
section 3314.015 of the Revised Code. 52365

(B) (1) The department shall develop and implement an 52366  
evaluation system that annually rates and assigns an overall 52367  
rating to each entity that sponsors a community school. The 52368  
department, not later than the first day of February of each 52369  
year, shall post on the department's web site the framework for 52370  
the evaluation system, including technical documentation that 52371  
the department intends to use to rate sponsors for the next 52372  
school year. The department shall solicit public comment on the 52373  
evaluation system for thirty consecutive days. Not later than 52374

the first day of April of each year, the department shall 52375  
compile and post on the department's web site all public 52376  
comments that were received during the public comment period. 52377  
The evaluation system shall be posted on the department's web 52378  
site by the fifteenth day of July of each school year. Any 52379  
changes to the evaluation system after that date shall take 52380  
effect the following year. The evaluation system shall be based 52381  
on the following components: 52382

(a) Academic performance of students enrolled in community 52383  
schools sponsored by the same entity. The academic performance 52384  
component shall be derived from the performance measures 52385  
prescribed for the state report cards under section 3302.03 or 52386  
3314.017 of the Revised Code, and shall be based on the 52387  
performance of the schools for the school year for which the 52388  
evaluation is conducted. In addition to the academic performance 52389  
for a specific school year, the academic performance component 52390  
shall also include year-to-year changes in the overall sponsor 52391  
portfolio. For a community school for which no graded 52392  
performance measures are applicable or available, the department 52393  
shall use nonreport card performance measures specified in the 52394  
contract between the community school and the sponsor under 52395  
division (A) (4) of section 3314.03 of the Revised Code. 52396

(b) Adherence by a sponsor to the quality practices 52397  
prescribed by the department under division (B) (3) of this 52398  
section. For a sponsor that was rated "effective" or "exemplary" 52399  
on its most recent rating, the department may evaluate that 52400  
sponsor's adherence to quality practices once over a period of 52401  
three years. If the department elects to evaluate a sponsor once 52402  
over a period of three years, the most recent rating for a 52403  
sponsor's adherence to quality practices shall be used when 52404  
determining an annual overall rating conducted under this 52405

section. 52406

(c) Compliance with all applicable laws and administrative 52407  
rules by an entity that sponsors a community school. 52408

Under the evaluation system prescribed under division (B) 52409  
(1) of this section, the department shall not assign an overall 52410  
rating of "ineffective" or lower to an entity that sponsors a 52411  
community school solely because that entity received no points 52412  
on one of the components prescribed under that division. 52413

(2) In calculating an academic performance component, the 52414  
department shall exclude all community schools that have been in 52415  
operation for not more than two full school years and all 52416  
community schools described in division (B) (2) of section 52417  
3314.35 of the Revised Code. However, the academic performance 52418  
of the community schools described in division (B) (2) of section 52419  
3314.35 of the Revised Code shall be reported, but shall not be 52420  
used as a factor when determining a sponsoring entity's rating 52421  
under this section. 52422

(3) The department, in consultation with entities that 52423  
sponsor community schools, shall prescribe quality practices for 52424  
community school sponsors and develop an instrument to measure 52425  
adherence to those quality practices. The quality practices 52426  
shall be based on standards developed by the national 52427  
association of charter school authorizers or any other 52428  
nationally organized community school organization. 52429

(4) (a) The department may permit peer review of a 52430  
sponsor's adherence to the quality practices prescribed under 52431  
division (B) (3) of this section. Peer reviewers shall be limited 52432  
to individuals employed by sponsors rated "effective" or 52433  
"exemplary" on the most recent ratings conducted under this 52434

section. 52435

(b) The department shall require individuals participating 52436  
in peer review under division (B) (4) (a) of this section to 52437  
complete training approved or established by the department. 52438

(c) The department may enter into an agreement with 52439  
another entity to provide training to individuals conducting 52440  
peer review of sponsors. Prior to entering into an agreement 52441  
with an entity, the department shall review and approve of the 52442  
entity's training program. 52443

(5) The director of education and workforce shall adopt 52444  
rules in accordance with Chapter 119. of the Revised Code 52445  
prescribing standards for measuring compliance with applicable 52446  
laws and rules under division (B) (1) (c) of this section. 52447

(6) The department annually shall rate all entities that 52448  
sponsor community schools as either "exemplary," "effective," 52449  
"ineffective," or "poor," based on the components prescribed by 52450  
division (B) of this section, where each component is weighted 52451  
equally. A separate rating shall be given by the department for 52452  
each component of the evaluation system. 52453

The department shall publish the ratings between the first 52454  
day of October and the fifteenth day of November. 52455

Prior to the publication of the final ratings, the 52456  
department shall designate and provide notice of a period of at 52457  
least ten business days during which each sponsor may review the 52458  
information used by the department to determine the sponsor's 52459  
rating on the components prescribed by division (B) (1) of this 52460  
section. If the sponsor believes there is an error in the 52461  
department's evaluation, the sponsor may request adjustments to 52462  
the rating of any of those components based on documentation 52463

previously submitted as part of an evaluation. The sponsor shall 52464  
provide to the department any necessary evidence or information 52465  
to support the requested adjustments. The department shall 52466  
review the evidence and information, determine whether an 52467  
adjustment is valid, and promptly notify the sponsor of its 52468  
determination and reasons. If any adjustments to the data could 52469  
result in a change to the rating on the applicable component or 52470  
to the overall rating, the department shall recalculate the 52471  
ratings prior to publication. 52472

The department shall provide training on an annual basis 52473  
regarding the evaluation system prescribed under this section. 52474  
The training shall, at a minimum, describe methodology, 52475  
timelines, and data required for the evaluation system. The 52476  
first training session shall occur not later than March 2, 2016. 52477  
Beginning in 2018, the training shall be made available to each 52478  
entity that sponsors a community school by the fifteenth day of 52479

to the evaluation system. 52481

(7) (a) Entities with an overall rating of "exemplary" for 52482  
the two most recent years in which the entity was evaluated may 52483  
take advantage of the following incentives: 52484

continued evaluation of adherence to quality practices as 52487  
described in division (B) (1) (b) of this section; 52488

(ii) The ability to extend the term of the contract 52489

(v) No limit on the number of community schools the entity	52499

(c) (i) Entities that receive an overall rating of	52511
"ineffective" shall be prohibited from sponsoring any new or	52512

benchmarks that have been established by the department.	52517
(ii) Entities that receive an overall rating of	52518
"ineffective" on their three most recent ratings shall have all	52519

the independent hearing officer, and if determined appropriate, 52529  
the revocation shall be confirmed. 52530

(d) Entities that receive an overall rating of "poor" 52531

hearing in accordance with Chapter 119. of the Revised Code. The 52536  
hearing shall be conducted within thirty days after receipt of 52537  
the notice of appeal. Within forty-five days after the hearing 52538  
is completed, the director shall determine whether the 52539  
revocation is appropriate based on the hearing conducted by the 52540

under division (A) of this section and the school has not opened 52552  
for operation as of that date, that contract shall be void and 52553  
the school shall not open until the governing authority secures 52554  
a new sponsor by entering into a contract with the new sponsor 52555

For purposes of this division:

(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code.

(2) A student shall be considered to be enrolled in a community school for the period of time beginning on the later of the date on which the school both has received documentation of the student's enrollment from a parent and the student has commenced participation in learning opportunities as defined in the contract with the sponsor, or thirty days prior to the date on which the student is entered into the education management information system established under section 3301.0714 of the Revised Code. For purposes of applying this division and divisions (H) (3) and (4) of this section to a community school student, "learning opportunities" shall be defined in the contract, which shall describe both classroom-based and non-classroom-based learning opportunities and shall be in compliance with criteria and documentation requirements for

student participation which shall be established by the 54112  
department. Any student's instruction time in non-classroom- 54113  
based learning opportunities shall be certified by an employee 54114  
of the community school. A student's enrollment shall be 54115  
considered to cease on the date on which any of the following 54116  
occur: 54117

(a) The community school receives documentation from a 54118  
parent terminating enrollment of the student. 54119

(b) The community school is provided documentation of a 54120  
student's enrollment in another public or private school. 54121

(c) The community school ceases to offer learning 54122  
opportunities to the student pursuant to the terms of the 54123  
contract with the sponsor or the operation of any provision of 54124  
this chapter. 54125

Except as otherwise specified in this paragraph, beginning 54126  
in the 2011-2012 school year, any student who completed the 54127  
prior school year in an internet- or computer-based community 54128  
school shall be considered to be enrolled in the same school in 54129  
the subsequent school year until the student's enrollment has 54130  
ceased as specified in division (H) (2) of this section. The 54131  
department shall continue paying amounts for the student under 54132  
section 3317.022 of the Revised Code without interruption at the 54133  
start of the subsequent school year. However, if the student 54134  
without a legitimate excuse fails to participate in the first 54135  
seventy-two consecutive hours of learning opportunities offered 54136  
to the student in that subsequent school year, the student shall 54137  
be considered not to have re-enrolled in the school for that 54138  
school year and the department shall recalculate the payments to 54139  
the school for that school year to account for the fact that the 54140  
student is not enrolled. 54141

(3) The department shall determine each community school student's percentage of full-time equivalency based on the percentage of learning opportunities offered by the community school to that student, reported either as number of hours or number of days, is of the total learning opportunities offered by the community school to a student who attends for the school's entire school year. However, no internet- or computer-based community school shall be credited for any time a student spends participating in learning opportunities beyond ten hours within any period of twenty-four consecutive hours. Whether it reports hours or days of learning opportunities, each community school shall offer not less than nine hundred twenty hours of learning opportunities during the school year.

(4) With respect to the calculation of full-time equivalency under division (H) (3) of this section, the department shall waive the number of hours or days of learning opportunities not offered to a student because the community school was closed during the school year due to disease epidemic, hazardous weather conditions, law enforcement emergencies, inoperability of school buses or other equipment necessary to the school's operation, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use, so long as the school was actually open for instruction with students in attendance during that school year for not less than the minimum number of hours required by this chapter. The department shall treat the school as if it were open for instruction with students in attendance during the hours or days waived under this division.

(I) The department of education and workforce shall reduce the amounts paid under section 3317.022 of the Revised Code to

reflect payments made to colleges under section 3365.07 of the Revised Code. 54173  
54174

(J) (1) No student shall be considered enrolled in any internet- or computer-based community school or, if applicable to the student, in any community school that is required to provide the student with a computer pursuant to division (C) of section 3314.22 of the Revised Code, unless both of the following conditions are satisfied: 54175

54177  
54178  
54179  
54180

(a) The student possesses or has been provided with all required hardware and software materials and all such materials are operational so that the student is capable of fully participating in the learning opportunities specified in the contract between the school and the school's sponsor as required by division (A) (23) of section 3314.03 of the Revised Code; 54181  
54182  
54183  
54184  
54185  
54186

(b) The school is in compliance with division (A) of section 3314.22 of the Revised Code, relative to such student. 54187  
54188

(2) In accordance with policies adopted by the department of education and workforce, in consultation with the auditor of state, the department shall reduce the amounts otherwise payable under section 3317.022 of the Revised Code to any community school that includes in its program the provision of computer hardware and software materials to any student, if such hardware and software materials have not been delivered, installed, and activated for each such student in a timely manner or other educational materials or services have not been provided according to the contract between the individual community school and its sponsor. 54189  
54190  
54191  
54192  
54193  
54194  
54195  
54196  
54197  
54198  
54199

The director and the auditor of state shall jointly establish a method for auditing any community school to which 54200  
54201

The director, auditor of state, and the governor shall 54203  
jointly make recommendations to the general assembly for 54204  
legislative changes that may be required to assure fiscal and 54205  
academic accountability for such schools. 54206

(K) (1) If the department determines that a review of a 54207  
community school's enrollment is necessary, such review shall be 54208  
completed and written notice of the findings shall be provided 54209  
to the governing authority of the community school and its 54210  
sponsor within ninety days of the end of the community school's 54211  
fiscal year, unless extended for a period not to exceed thirty 54212  
additional days for one of the following reasons: 54213

(a) The department and the community school mutually agree 54214  
to the extension. 54215

(b) Delays in data submission caused by either a community 54216  
school or its sponsor. 54217

(2) If the review results in a finding that additional 54218  
funding is owed to the school, such payment shall be made within 54219  
thirty days of the written notice. If the review results in a 54220  
finding that the community school owes moneys to the state, the 54221  
following procedure shall apply: 54222

(a) Within ten business days of the receipt of the notice 54223  
of findings, the community school may appeal the department's 54224  
determination to the director. 54225

(b) The director shall conduct an informal hearing on the 54226  
matter within thirty days of receipt of such an appeal and shall 54227  
issue a decision within fifteen days of the conclusion of the 54228  
hearing. 54229

(c) Any decision made by the director under this division 54230  
is final. 54231

(3) If it is decided that the community school owes moneys 54232  
to the state, the department shall deduct such amount from the 54233  
school's future payments in accordance with guidelines issued by 54234  
the director. 54235

(L) The department shall not pay to a community school 54236

not take one or more of the assessments required by that section 54245  
and was not excused pursuant to division (C)(1) or (3) of that 54246  
section, unless the director grants the student a waiver from 54247  
the requirement to take the assessment and a parent is not 54248  
paying tuition for the student pursuant to section 3314.26 of 54249  
the Revised Code. The director may grant a waiver only for good 54250  
cause in accordance with rules adopted by the department. 54251

(4) Any student who has attained the age of twenty-two 54252  
years, except for veterans of the armed services whose 54253

**Sec. 3316.031.** (A) The director of education and workforce, in consultation with the auditor of state, shall develop guidelines for identifying fiscal practices and budgetary conditions that, if uncorrected, could result in a future declaration of a fiscal watch or fiscal emergency within a school district.

The guidelines shall not include a requirement that a school district submit financial statements according to generally accepted accounting principles.

(B) (1) If the director determines from a school district's 54831  
~~five-year~~ three-year forecast submitted under section 5705.391 54832  
of the Revised Code that a district is engaging in any of those 54833  
practices or that any of those conditions exist within the 54834  
district, after consulting with the district board of education 54835  
concerning the practices or conditions, the director may declare 54836  
the district to be under a fiscal caution. 54837

(2) If the auditor of state finds that a district is 54838  
engaging in any of those practices or that any of those 54839  
conditions exist within the district, the auditor of state shall 54840  
report that finding to the director and, after consulting with 54841  
the district board of education concerning the practices or 54842  
conditions, the director may declare the district to be under a 54843  
fiscal caution. 54844

(C) When the director declares a district to be under 54851  
fiscal caution, the director shall promptly notify the district 54852  
board of education of that declaration and shall request the 54853  
board to provide written proposals for discontinuing or 54854  
correcting the fiscal practices or budgetary conditions that 54855  
prompted the declaration and for preventing the district from 54856  
experiencing further fiscal difficulties that could result in 54857  
the district being declared to be in a state of fiscal watch or 54858  
fiscal emergency. 54859

(D) The director, or a designee, may visit and inspect any 54860

assistance to the district board in implementing proposals to 54863  
eliminate the practices or budgetary conditions that prompted 54864  
the declaration of fiscal caution and may make recommendations 54865  
concerning the board's proposals. 54866

(E) If the director finds that a school district declared 54867  
to be under a fiscal caution has not made reasonable proposals 54868  
or otherwise taken action to discontinue or correct the fiscal 54869  
practices or budgetary conditions that prompted the declaration 54870  
of fiscal caution, and if the director considers it necessary to 54871  
prevent further fiscal decline, the director may determine that 54872  
the district should be in a state of fiscal watch. As provided 54873  
in division (A) (3) of section 3316.03 of the Revised Code, the 54874  
auditor of state shall declare the district to be in a state of 54875  
fiscal watch if the auditor of state finds the director's 54876  
determination to be reasonable. 54877

**Sec. 3316.043.** Upon the approval by the director of 54878  
education and workforce of an initial financial plan under 54879

shall revise the district's ~~five-year~~ three-year projection of 54883  
revenues and expenditures in accordance with rules adopted under 54884  
section 5705.391 of the Revised Code so that the ~~five-year~~ 54885  
three-year projection is consistent with the financial plan or 54886  
financial recovery plan. In the case of a school district 54887  
declared to be in a state of fiscal emergency, the ~~five-year~~ 54888  
three-year projection shall be revised by the financial planning 54889  
and supervision commission for that district. 54890

**Sec. 3316.08.** During a school district's fiscal emergency 54891  
period, the auditor of state shall determine annually, or at any 54892  
other time upon request of the financial planning and 54893  
supervision commission, whether the school district will incur 54894  
an operating deficit. If the auditor of state determines that a 54895  
school district will incur an operating deficit, the auditor of 54896  
state shall certify that determination to the director of 54897  
education and workforce, the financial planning and supervision 54898  
commission, and the board of education of the school district. 54899  
Upon receiving the auditor of state's certification, the 54900  
commission shall adopt a resolution requesting that the board of 54901  
education work with the county auditor or tax commissioner to 54902  
estimate the amount and rate of a tax levy that is needed under 54903  
section 5705.194, 5705.199, or 5705.21 or Chapter 5748. of the 54904  
Revised Code to produce a positive fund balance not later than 54905  
the ~~fifth~~ third year of the ~~five-year~~ three-year forecast 54906  
submitted under section 5705.391 of the Revised Code. 54907

The board of education shall recommend to the commission 54908  
whether the board supports or opposes a tax levy under section 54909  
5705.194, 5705.199, or 5705.21 or Chapter 5748. of the Revised 54910  
Code and shall provide supporting documentation to the 54911  
commission of its recommendation. 54912

After considering the board of education's recommendation 54913  
and supporting documentation, the commission shall adopt a 54914  
resolution to either submit a ballot question proposing a tax 54915  
levy or not to submit such a question. 54916

Except as otherwise provided in this division, the tax 54917  
shall be levied in the manner prescribed for a tax levied under 54918  
section 5705.194, 5705.199, or 5705.21 or under Chapter 5748. of 54919  
the Revised Code. If the commission decides that a tax should be 54920

levied, the tax shall be levied for the purpose of paying 54921  
current operating expenses of the school district. The rate of a 54922  
property tax levied under section 5705.194, 5705.199, 5705.21, 54923  
or 5748.09 of the Revised Code shall be determined by the county 54924  
auditor, and the rate of an income tax levied under section 54925  
5748.02, 5748.08, or 5748.09 of the Revised Code shall be 54926  
determined by the tax commissioner, upon the request of the 54927  
commission. The commission, in consultation with the board of 54928

district's transportation ADM who are transported under division 58405  
(B) (1) or (2) of section 3314.091 of the Revised Code. 58406

statewide transportation cost per student, as calculated in 58418  
division (C) of this section; 58419

(II) If the school district in which the student is 58420

(3) The district's or institution's category three special 58474  
education students who are preschool children with disabilities 58475  
X the multiple specified in division (C) of section 3317.013 of 58476  
the Revised Code X the statewide average base cost per pupil for 58477  
that fiscal year X the district's state share percentage X 0.50; 58478

(4) The district's or institution's category four special 58479  
education students who are preschool children with disabilities 58480  
X the multiple specified in division (D) of section 3317.013 of 58481  
the Revised Code X the statewide average base cost per pupil for 58482  
that fiscal year X the district's state share percentage X 0.50; 58483

shall deduct from the district's payment computed under division 58517  
(A) of this section the total amount of those funds that are 58518  
attributable to the students served by the county DD board and 58519  
pay that amount to that board. 58520

fund, in such amounts, and at such times as required by the 60699  
contracts for construction of the project. 60700

(2) Notwithstanding anything to the contrary in division 60701  
(B) (1) of this section, the school district board may, by a duly 60702  
adopted resolution, choose to use all or part of the investment 60703

earnings of the district's project construction fund that are 60704  
attributable to the district's contribution to the fund to pay 60705  
the cost of classroom facilities or portions or components of 60706  
classroom facilities that are not included in the district's 60707  
basic project cost but that are related to the district's 60708  
project. If the district board adopts a resolution in favor of 60709  
using those investment earnings as authorized under division (B) 60710  
(2) of this section, the treasurer shall disburse the amount as 60711  
designated and directed by the board. However, if the district 60712  
board chooses to use any part of the investment earnings for 60713  
classroom facilities or portions or components of classroom 60714  
facilities that are not included in the basic project cost, as 60715  
authorized under division (B) (2) of this section, and, 60716  
subsequently, the cost of the project exceeds the amount in the 60717  
project construction fund, the district board shall restore to 60718  
the project construction fund the full amount of the investment 60719  
earnings used under division (B) (2) of this section before any 60720  
additional state moneys shall be released for the project. 60721

(C) After a certificate of completion has been issued for 60722  
a project under section 3318.48 of the Revised Code: 60723

60738  
60739  
60740  
60741

(3) Any other surplus remaining in the school district's project construction fund shall be transferred to the commission and the school district board in proportion to their respective contributions to the fund. The commission shall use the money transferred to it under this division for expenditure pursuant to sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code. 60742

**Sec. 3318.40.** (A) (1) Sections 3318.40 to 3318.45 of the Revised Code apply only to joint vocational school districts. 60757  
60758

(2) As used in sections 3318.40 to 3318.45 of the Revised Code: 60759  
60760

(a) "Ohio facilities construction commission," "classroom facilities," "project," and "basic project cost" have the same 60761  
60762

meanings as in section 3318.01 of the Revised Code. 60763

(b) "Acquisition of classroom facilities" means 60764  
constructing, reconstructing, repairing, or making additions to 60765  
classroom facilities. 60766

(B) There is hereby established the vocational school 60767  
facilities assistance program. Under the program, the Ohio 60768  
facilities construction commission shall provide assistance to 60769  
joint vocational school districts for the acquisition of 60770  
classroom facilities suitable to the vocational education 60771  
programs of the districts in accordance with sections 3318.40 to 60772

appropriated to it for classroom facilities assistance projects 60776  
in the public school building fund, established under section 60777  
3318.15 of the Revised Code, and the school building program 60778  
assistance fund, established under section 3318.25 of the 60779  
Revised Code, to provide assistance to at least two joint 60780  
vocational school districts per biennium. The amount set aside 60781  
for this purpose shall be determined by the commission. 60782

(C) The commission shall not provide assistance for any 60783  
distinct part of a project under sections 3318.40 to 3318.45 of 60784  
the Revised Code that when completed will be used exclusively 60785  
for an adult education program or exclusively for operation of a 60786  
driver training school for instruction leading to the issuance 60787  
of a commercial driver's license under Chapter 4506. of the 60788  
Revised Code, except for life safety items and basic building 60789  
components necessary for complete and continuous construction or 60790  
renovation of a classroom facility as determined by the 60791  
commission. 60792

(D) The commission shall not provide assistance under 60793  
sections 3318.40 to 3318.45 of the Revised Code to acquire 60794  
classroom facilities for vocational educational instruction at a 60795  
location under the control of a school district that is a member 60796  
of a joint vocational school district. Any assistance to acquire 60797  
classroom facilities for vocational educational instruction at 60798  
such location shall be provided to the school district that is a 60799  
member of the joint vocational school district through other 60800  
provisions of this chapter when that member school district is 60801  
eligible for assistance under those provisions. 60802

(E) By September 1, 2003, the commission shall assess the 60803  
classroom facilities needs of at least five joint vocational 60804  
school districts, according to the order of priority prescribed 60805  
in division (B) of section 3318.42 of the Revised Code, and 60806  
based on the results of those assessments shall determine the 60807  
extent to which amendments to the specifications adopted under 60808  
section 3318.311 of the Revised Code are warranted. The 60809  
commission, thereafter, may amend the specifications as provided 60810  
in that section. 60811

(F) After the commission has conducted the assessments 60812  
prescribed in division (E) of this section, the commission shall 60813  
establish, by rule adopted in accordance with section 111.15 of 60814  
the Revised Code, guidelines for the commission to use in 60815  
deciding whether to waive compliance with the design 60816

Code when determining the number of facilities and the basic 60818  
project cost of projects as prescribed in division (A) (1) (a) of 60819  
section 3318.41 of the Revised Code. The guidelines shall 60820  
address the following situations: 60821

facilities are adequate to meet the needs of the school district 60823  
even though the facilities do not comply with the specifications 60824  
adopted under section 3318.311 of the Revised Code; 60825

(2) Under what circumstances, if any, particular classroom 60826  
facilities will be renovated or repaired rather than replaced by 60827  
construction of new facilities. 60828

**Sec. 3319.088.** As used in this section, "educational 60829  
assistant" means any nonteaching employee in a school district 60830  
who directly assists a teacher as defined in section 3319.09 of 60831  
the Revised Code, by performing duties for which a license 60832  
issued pursuant to sections 3319.22 to 3319.30 of the Revised 60833  
Code is not required. 60834

(A) Except as provided in division (G) of this section, 60835  
the state board of education shall issue educational aide 60836  
permits and educational paraprofessional licenses for 60837  
educational assistants and shall adopt rules for the issuance 60838  
and renewal of such permits and licenses which shall be 60839  
consistent with the provisions of this section. Educational aide 60840  
permits and educational paraprofessional licenses may be of 60841  
several types and the rules shall prescribe the minimum 60842  
qualifications of education and health for the service to be 60843  
authorized under each type. The prescribed minimum 60844  
qualifications may require special training or educational 60845  
courses designed to qualify a person to perform effectively the 60846  
duties authorized under an educational aide permit or 60847  
educational paraprofessional license. 60848

(B) (1) Except as provided in division (G) of this section, 60849  
any application for a permit or license, or a renewal or 60850  
duplicate of a permit or license, under this section shall be 60851  
accompanied by the payment of a fee in the amount established 60852

under division ~~(A)~~(B) of section 3319.51 of the Revised Code. 60853  
Any fees received under this division shall be paid into the 60854  
state treasury to the credit of the ~~state board of education~~ 60855  
~~licensure fund established under division (B) of section 3319.51~~ 60856  
occupational licensing and regulatory fund established in 60857  
section 4743.05 of the Revised Code. 60858

(2) Any person applying for or holding a permit or license 60859  
pursuant to this section is subject to sections 3123.41 to 60860  
3123.50 of the Revised Code and any applicable rules adopted 60861  
under section 3123.63 of the Revised Code and sections 3319.31 60862  
and 3319.311 of the Revised Code. 60863

(C) Educational assistants shall at all times while in the 60864  
performance of their duties be under the supervision and 60865  
direction of a teacher as defined in section 3319.09 of the 60866  
Revised Code. Educational assistants may assist a teacher to 60867  
whom assigned in the supervision of pupils, in assisting with 60868  
instructional tasks, and in the performance of duties which, in 60869  
the judgment of the teacher to whom the assistant is assigned, 60870  
may be performed by a person not licensed pursuant to sections 60871  
3319.22 to 3319.30 of the Revised Code and for which a teaching 60872  
license, issued pursuant to sections 3319.22 to 3319.30 of the 60873  
Revised Code is not required. The duties of an educational 60874  
assistant shall not include the assignment of grades to pupils. 60875  
The duties of an educational assistant need not be performed in 60876  
the physical presence of the teacher to whom assigned, but the 60877  
activity of an educational assistant shall at all times be under 60878  
the direction of the teacher to whom assigned. The assignment of 60879  
an educational assistant need not be limited to assisting a 60880  
single teacher. In the event an educational assistant is 60881  
assigned to assist more than one teacher the assignments shall 60882  
be clearly delineated and so arranged that the educational 60883

assistant shall never be subject to simultaneous supervision or 60884  
direction by more than one teacher. 60885

Educational assistants assigned to supervise children 60886  
shall, when the teacher to whom assigned is not physically 60887  
present, maintain the degree of control and discipline that 60888  
would be maintained by the teacher. 60889

Educational assistants may not be used in place of 60890  
classroom teachers or other employees and any payment of 60891  
compensation by boards of education to educational assistants 60892  
for such services is prohibited. The ratio between the number of 60893  
licensed teachers and the pupils in a school district may not be 60894  
decreased by utilization of educational assistants and no 60895  
grouping, or other organization of pupils, for utilization of 60896  
educational assistants shall be established which is 60897  
inconsistent with sound educational practices and procedures. A 60898  
school district may employ up to one full time equivalent 60899  
educational assistant for each six full time equivalent licensed 60900  
employees of the district. Educational assistants shall not be 60901  
counted as licensed employees for purposes of state support in 60902  
the school foundation program and no grouping or regrouping of 60903  
pupils with educational assistants may be counted as a class or 60904  
unit for school foundation program purposes. Neither special 60905  
courses required by the regulations of the state board of 60906  
education, prescribing minimum qualifications of education for 60907  
an educational assistant, nor years of service as an educational 60908  
assistant shall be counted in any way toward qualifying for a 60909  
teacher license, for a teacher contract of any type, or for 60910  
determining placement on a salary schedule in a school district 60911  
as a teacher. 60912

(D) Educational assistants employed by a board of 60913

education shall have all rights, benefits, and legal protection 60914  
available to other nonteaching employees in the school district, 60915  
except that provisions of Chapter 124. of the Revised Code shall 60916  
not apply to any person employed as an educational assistant, 60917  
and shall be members of the school employees retirement system. 60918  
Educational assistants shall be compensated according to a 60919  
salary plan adopted annually by the board. 60920

Except as provided in this section nonteaching employees 60921  
shall not serve as educational assistants without first 60922  
obtaining an appropriate educational aide permit or educational 60923  
paraprofessional license from the state board of education. A 60924  
nonteaching employee who is the holder of a valid educational 60925  
aide permit or educational paraprofessional license shall 60926  
neither render nor be required to render services inconsistent 60927  
with the type of services authorized by the permit or license 60928  
held. No person shall receive compensation from a board of 60929  
education for services rendered as an educational assistant in 60930  
violation of this provision. 60931

Nonteaching employees whose functions are solely 60932  
secretarial-clerical and who do not perform any other duties as 60933  
educational assistants, even though they assist a teacher and 60934  
work under the direction of a teacher shall not be required to 60935  
hold a permit or license issued pursuant to this section. 60936

Following the determination of the assignment and general 60937  
job description of an educational assistant and subject to 60938  
supervision by the teacher's immediate administrative officer, a 60939  
teacher to whom an educational assistant is assigned shall make 60940  
all final determinations of the duties to be assigned to such 60941  
assistant. Teachers shall not be required to hold a license 60942  
designated for being a supervisor or administrator in order to 60943

perform the necessary supervision of educational assistants. 60944

(E) No person who is, or who has been employed as an 60945  
educational assistant shall divulge, except to the teacher to 60946  
whom assigned, or the administrator of the school in the absence 60947  
of the teacher to whom assigned, or when required to testify in 60948  
a court or proceedings, any personal information concerning any 60949  
pupil in the school district which was obtained or obtainable by 60950  
the educational assistant while so employed. Violation of this 60951  
provision is grounds for disciplinary action or dismissal, or 60952  
both. 60953

(F) Notwithstanding anything to the contrary in this 60954  
section, the superintendent of a school district may allow an 60955  
employee who does not hold a permit or license issued under this 60956  
section to work as a substitute for an educational assistant who 60957  
is absent on account of illness or on a leave of absence, or to 60958  
fill a temporary position created by an emergency, provided that 60959  
the superintendent believes the employee's application materials 60960  
indicate that the employee is qualified to obtain a permit or 60961  
license under this section. 60962

An employee shall begin work as a substitute under this 60963  
division not earlier than on the date on which the employee 60964  
files an application with the state board for a permit or 60965  
license under this section. An employee shall cease working as a 60966  
substitute under this division on the earliest of the following: 60967

(1) The date on which the employee files a valid permit or 60968  
license issued under this section with the superintendent; 60969

(2) The date on which the employee is denied a permit or 60970  
license under this section; 60971

(3) Sixty days following the date on which the employee 60972

began work as a substitute under this division. 60973

The superintendent shall ensure that an employee assigned 60974  
to work as a substitute under division (F) of this section has 60975  
undergone a criminal records check in accordance with section 60976  
3319.391 of the Revised Code. 60977

(G) The state board shall issue an educational aide permit 60978  
or educational paraprofessional license in accordance with 60979  
Chapter 4796. of the Revised Code to an applicant if either of 60980  
the following applies: 60981

(1) The applicant holds a permit or license in another 60982  
state. 60983

(2) The applicant has satisfactory work experience, a 60984  
government certification, or a private certification as 60985  
described in that chapter as an educational aide or educational 60986  
paraprofessional in a state that does not issue that permit or 60987  
license or both. 60988

**Sec. 3319.111.** Notwithstanding section 3319.09 of the 60989  
Revised Code, this section applies to any person who is employed 60990  
under a teacher license issued under this chapter, or under a 60991  
professional or permanent teacher's certificate issued under 60992  
former section 3319.222 of the Revised Code, and who spends at 60993  
least fifty per cent of the time employed providing student 60994  
instruction. However, this section does not apply to any person 60995  
who is employed as a substitute teacher or as an instructor of 60996  
adult education. 60997

(A) The board of education of each school district, in 60998  
consultation with teachers employed by the board, shall update 60999  
its standards-based teacher evaluation policy to conform with 61000  
either the framework for evaluation of teachers adopted under 61001

section 3319.112 of the Revised Code or a framework created or 61002  
adopted by the board. The policy shall become operative at the 61003  
expiration of any collective bargaining agreement covering 61004  
teachers employed by the board that is in effect on November 2, 61005  
2018, and shall be included in any renewal or extension of such 61006  
an agreement. 61007

(B) When using measures of student performance as evidence 61008  
in a teacher's evaluation, those measures shall be high-quality 61009  
student data. The board of education of each school district may 61010  
use data from the assessments on the list developed under 61011  
division (B) (2) of section 3319.112 of the Revised Code as high- 61012  
quality student data. 61013

(C) (1) The board shall conduct an evaluation of each 61014  
teacher employed by the board at least once each school year, 61015  
except as provided in division (C) (2) of this section. The 61016  
evaluation shall be completed by the first day of May and the 61017  
teacher shall receive a written report of the results of the 61018  
evaluation by the tenth day of May. 61019

(2) (a) The board may evaluate each teacher who received a 61020  
rating of accomplished on the teacher's most recent evaluation 61021  
conducted under this section once every three school years, so 61022  
long as the teacher submits a self-directed professional growth 61023  
plan to the evaluator that focuses on specific areas identified 61024  
in the observations and evaluation and the evaluator determines 61025  
that the teacher is making progress on that plan. 61026

(b) The board may evaluate each teacher who received a 61027  
rating of skilled on the teacher's most recent evaluation 61028  
conducted under this section once every two years, so long as 61029  
the teacher and evaluator jointly develop a professional growth 61030  
plan for the teacher that focuses on specific areas identified 61031

in the observations and evaluation and the evaluator determines 61032  
that the teacher is making progress on that plan. 61033

(c) For each teacher who is evaluated pursuant to division 61034  
(C) (2) of this section, the evaluation shall be completed by the 61035  
first day of May of the applicable school year, and the teacher 61036  
shall receive a written report of the results of the evaluation 61037  
by the tenth day of May of that school year. 61038

teacher who meets one of the following requirements: 61040

fifty per cent or more of the school year, as calculated by the 61042

year during which that teacher takes, for the first time, at 61051  
least half of the performance-based assessment prescribed by the 61052  
state board of education for resident educators. 61053~~

(3) In any year that a teacher is not formally evaluated 61054  
pursuant to division (C) of this section as a result of 61055  
receiving a rating of accomplished or skilled on the teacher's 61056  
most recent evaluation, an individual qualified to evaluate a 61057  
teacher under division (D) of this section shall conduct at 61058

**Sec. 3320.04.** Each school district board of education 61573  
shall adopt a policy that reasonably accommodates the sincerely 61574  
held religious beliefs and practices of individual students with 61575  
regard to all examinations or other academic requirements and 61576  
absences for reasons of faith or religious or spiritual belief 61577  
system. The policy shall satisfy all of the following 61578  
conditions: 61579

(A) The policy shall permit a student in any of grades 61580  
kindergarten through twelve to be absent for up to three 61581  
religious expression days each school year to take holidays for 61582  
reasons of faith or religious or spiritual belief system or 61583  
participate in organized activities conducted under the auspices 61584  
of a religious denomination, church, or other religious or 61585  
spiritual organization. The district shall not impose an 61586  
academic penalty as a result of a student being absent as 61587  
permitted in the policy. The policy shall also permit students 61588  
to participate in interscholastic athletics or other 61589  
extracurricular activities on days in which the student was 61590  
otherwise absent for a religious expression day. 61591

(B) (1) The policy shall require that students be provided 61592  
with alternative accommodations with regard to examinations and 61593

other academic requirements missed due to an absence described 61594  
in division (A) of this section if not later than fourteen 61595  
school days after the first day of school, or fourteen school 61596  
days after the date of enrollment for a student who transfers to 61597  
or enrolls in the district after the first day of school, the 61598  
parent or guardian of a student provides the school principal 61599  
with written notice of up to three specific dates for which 61600  
alternative accommodations are requested, if an absence approved 61601  
under division (B) (2) of this section conflicts with an 61602  
examination or other academic requirement on that date. 61603

(2) The school principal shall approve not more than three 61604  
written requests per school year from a student's parent or 61605  
guardian for an excused absence under division (A) of this 61606  
section. The school principal shall approve such requests 61607  
without inquiry into the sincerity of a student's religious or 61608  
spiritual belief system. However, the school principal may 61609  
verify a request received under division (A) of this section by 61610  
contacting the parent or guardian whose signature appears on the 61611  
request. If a parent or guardian disputes having signed such a 61612  
request, the school principal may deny the request. Upon 61613  
approval of a request that satisfies division (B) (1) of this 61614  
section, a school principal shall require the appropriate 61615  
classroom teacher or teachers to schedule a time and date for an 61616  
alternative examination or other academic requirement if the 61617  
approved student absence creates a conflict, which may be before 61618  
or after the time and date the examination or other academic 61619  
requirement was originally scheduled. 61620

(C) The policy shall require the district board to post 61621  
both of the following in a prominent location on the district's 61622  
web site: 61623

(1) A copy of the policy adopted under this section, which 61624  
shall include the contact information of an individual who can 61625  
provide further information about the policy; 61626

(2) A nonexhaustive list of major religious holidays, 61627  
festivals, and religious observations, which may include, Eid, 61628  
Good Friday, Rosh Hashanah, Yom Kippur, and Passover, for which 61629  
an excused absence under this section shall not be unreasonably 61630  
withheld or denied. 61631

The director of education and workforce shall provide each 61632  
district with a nonexhaustive list of major religious holidays 61633  
or festivals for the next two school years, including Eid, Good 61634  
Friday, Rosh Hashanah, Yom Kippur, and Passover, at the 61635  
beginning of each school year. Each district may adopt the 61636  
director's list in its entirety or choose which holidays to 61637  
include on its list. 61638

Each time a district's policy is posted, printed, or 61639  
published, including as described in divisions (C) and (D) of 61640  
this section, the district shall include a statement that the 61641  
list is nonexhaustive, and the list may not be used to deny 61642  
accommodation to a student for a holiday or festival of the 61643  
student's faith or religious or spiritual belief system that 61644  
does not appear on the list. 61645

Nothing in this section, and no inclusion or exclusion of 61646  
a religious holiday or festival on the list posted by a 61647  
district, shall preclude a student from full and reasonable 61648  
accommodations for any sincerely held religious beliefs and 61649  
practices with regard to all examinations or other academic 61650  
requirements and absences for reasons of faith or religious or 61651  
spiritual belief system provided under this section. 61652

(D) The policy shall require school districts annually to convey to parents and guardians the policy adopted under this section, including a description of the general procedure for requesting accommodations. The manner in which the school district conveys the information shall be determined at the discretion of the district.

(E) The policy shall include a procedure under which a student, parent, or guardian may notify the district of any grievance with regard to the implementation of the policy required under this section.

(F) Any days excused under this section shall not be considered in determining absence hours for the purposes of parental notification under ~~division (C) (1) of~~ section 3321.191 of the Revised Code.

**Sec. 3321.043.** (A) As used in this section, "driver education course" means a private driver training course approved by the director of public safety in accordance with Chapter 4508. of the Revised Code.

(B) If a high school student enrolled in a school district is absent from school for the sole purpose of attending a driver education course, the district shall count that absence as an excused absence, up to a maximum of eight hours for that student. The student shall only be absent for up to two hours per day for not more than four days in meeting the maximum eight hours authorized by this section. The days may be nonconsecutive.

(C) The district shall require any student absent from school in accordance with this section to complete any classroom assignments that the student misses because of the absence.
