(C) Notwithstanding any law to the contrary, the 64145

secondary school may require the student to return or pay for 65139  
any textbooks and materials it provided the student free of 65140

be charged to the subdivision. Where a special election is held 66353  
on the same day as a primary or general election in an even- 66354  
numbered year, the subdivision submitting the special election 66355

to the charges prorated to such subdivision for the election or 66361  
nomination of candidates in each precinct within the 66362

the voters of the state constitutional amendments proposed by 66374  
the general assembly, and a subdivision conducts a special 66375  
election on the same day, the entire cost of the special 66376  
election shall be divided proportionally between the state and 66377  
the subdivision based upon a ratio determined by the number of 66378  
issues placed on the ballot by each, except as otherwise 66379  
provided in division (G) of this section. Such proportional 66380  
division of cost shall be made only to the extent funds are 66381  
available for such purpose from amounts appropriated by the 66382  
general assembly to the secretary of state. If a primary 66383  
election is also being conducted in the subdivision, the costs 66384

(I) (1) (a) At the request of a majority of the members of the board of elections, the board of county commissioners may, by resolution, establish an elections revenue fund. Except as

otherwise provided in this division and in division (I) (2) of 66416  
this section, the purpose of the fund shall be to accumulate 66417  
revenue withheld by or paid to the county under this section for 66418  
the payment of any expense related to the duties of the board of 66419  
elections specified in section 3501.11 of the Revised Code, upon 66420  
approval of a majority of the members of the board of elections. 66421  
The fund shall not accumulate any revenue withheld by or paid to 66422  
the county under this section for the compensation of the 66423  
members of the board of elections or of the director, deputy 66424  
director, or other regular employees in the board's offices, 66425  
other than compensation for overtime worked. 66426

(b) Notwithstanding sections 5705.14, 5705.15, and 5705.16 66427  
of the Revised Code, the board of county commissioners may, by 66428  
resolution, transfer money to the elections revenue fund from 66429  
any other fund of the political subdivision from which such 66430  
payments lawfully may be made. Following an affirmative vote of 66431  
a majority of the members of the board of elections, the board 66432  
of county commissioners may, by resolution, rescind an elections 66433  
revenue fund established under this division. If an elections 66434  
revenue fund is rescinded, money that has accumulated in the 66435  
fund shall be transferred to the county general fund. 66436

(2) (a) The board of county commissioners of a county that 66437  
receives a payment from a political subdivision under division 66438  
(J) of this section shall, by resolution, establish a special 66439  
elections fund. The purpose of the fund shall be to accumulate 66440  
revenue paid to the county by political subdivisions under 66441  
division (J) of this section for the cost of preparing for and 66442  
conducting special elections. 66443

(b) If both of the following apply, the board of county 66444  
commissioners may, by resolution, rescind the special elections 66445

fund and transfer any remaining money in the fund to the county 66446  
general fund or to the elections revenue fund: 66447

(i) All notifications and payments required under division 66448  
(J) (3) of this section have been made. 66449

(ii) The county has not received any payments from 66450  
political subdivisions under division (J) (2) of this section for 66451  
a future special election. 66452

(J) (1) Not less than fifteen business days before the 66453  
deadline for submitting a question or issue for placement on the 66454  
ballot at a special election, the board of elections shall 66455  
prepare and file with the board of county commissioners and the 66456  
office of the secretary of state the estimated cost, based on 66457  
the factors enumerated in this section, for preparing for and 66458  
conducting an election on one question or issue, one nomination 66459  
for office, or one election to office in each precinct in the 66460  
county at that special election and shall divide that cost by 66461  
the number of registered voters in the county. 66462

(2) The board of elections shall provide to a political 66463  
subdivision seeking to submit a question or issue, a nomination 66464  
for office, or an election to office for placement on the ballot 66465  
at a special election with the estimated cost for preparing for 66466  
and conducting that election, which shall be calculated either 66467  
by multiplying the number of registered voters in the political 66468  
subdivision with the cost calculated under division (J) (1) of 66469  
this section or by multiplying the cost per precinct with the 66470  
number or precincts in the political subdivision. A political 66471  
subdivision submitting a question or issue, a nomination for 66472  
office, or an election to office for placement on the ballot at 66473  
that special election shall pay to the county special elections 66474  
fund sixty-five per cent of the estimated cost of the election 66475

not less than ten business days after the deadline for 66476  
submitting a question or issue for placement on the ballot for 66477  
that special election. 66478

(3) Not later than sixty days after the date of a special 66479  
election, the board of elections shall provide to each political 66480  
subdivision the true and accurate cost for the question or 66481  
issue, nomination for office, or election to office that the 66482  
subdivision submitted to the voters on the special election 66483  
ballots. If the board of elections determines that a subdivision 66484  
paid less for the cost of preparing and conducting a special 66485  
election under division (J) (2) of this section than the actual 66486  
cost calculated under this division, the subdivision shall remit 66487  
to the county special elections fund the difference between the 66488  
payment made under division (J) (2) of this section and the final 66489  
cost calculated under this division within thirty days after 66490  
being notified of the final cost. If the board of elections 66491  
determines that a subdivision paid more for the cost of 66492  
preparing and conducting a special election under division (J) 66493  
(2) of this section than the actual cost calculated under this 66494  
division, the board of elections promptly shall notify the board 66495  
of county commissioners of that difference. The board of county 66496  
commissioners shall remit from the county special elections fund 66497  
to the political subdivision the difference between the payment 66498  
made under division (J) (2) of this section and the final cost 66499  
calculated under this division within thirty days after 66500  
receiving that notification. 66501

Revised Code. 66782

The secretary of state shall not accept for filing the 66783  
declaration of candidacy of a candidate for party nomination to 66784

shows a joint candidate for the same party's nomination to the 66786

nomination to the office of governor, and shall not accept for 66791  
filing a declaration of candidacy that shows a candidate for 66792  
party nomination to the office of governor or lieutenant 66793

a vacancy under section 3513.30 of the Revised Code for any 66797  
other state office or any federal or county office. 66798

No person who seeks party nomination for an office or 66799  
position at a primary election by declaration of candidacy or by 66800  
declaration of intent to be a write-in candidate and no person 66801

**Sec. 3513.05.** Each person desiring to become a candidate 66815  
for a party nomination at a primary election or for election to 66816  
an office or position to be voted for at a primary election, 66817  
except persons desiring to become joint candidates for the 66818  
offices of governor and lieutenant governor and except as 66819  
otherwise provided in section 3513.051 of the Revised Code, 66820

day of the primary election, file a declaration of candidacy and 66822  
petition and pay the ~~fees~~ fee required under ~~divisions (A) and~~ 66823  
~~(B)~~ of section 3513.10 of the Revised Code. The declaration of 66824  
candidacy and all separate petition papers shall be filed at the 66825  
same time as one instrument. When the offices are to be voted 66826  
for at a primary election, persons desiring to become joint 66827  
candidates for the offices of governor and lieutenant governor 66828  
shall, not later than four p.m. of the ninetieth day before the 66829  
day of the primary election, comply with section 3513.04 of the 66830  
Revised Code. The prospective joint candidates' declaration of 66831  
candidacy and all separate petition papers of candidacies shall 66832  
be filed at the same time as one instrument. The secretary of 66833  
state or a board of elections shall not accept for filing a 66834  
declaration of candidacy and petition of a person seeking to 66835  
become a candidate if that person, for the same election, has 66836  
already filed a declaration of candidacy or a declaration of 66837

intent to be a write-in candidate, or has become a candidate by 66838  
the filling of a vacancy under section 3513.30 of the Revised 66839  
Code for any federal, state, or county office, if the 66840  
declaration of candidacy is for a state or county office, or for 66841  
any municipal or township office, if the declaration of 66842  
candidacy is for a municipal or township office. 66843

If the declaration of candidacy declares a candidacy which 66844  
is to be submitted to electors throughout the entire state, the 66845  
petition, including a petition for joint candidates for the 66846  
offices of governor and lieutenant governor, shall be signed by 66847  
at least one thousand qualified electors who are members of the 66848  
same political party as the candidate or joint candidates, and 66849  
the declaration of candidacy and petition shall be filed with 66850  
the secretary of state; provided that the secretary of state 66851  
shall not accept or file any such petition appearing on its face 66852  
to contain signatures of more than three thousand electors. 66853

Except as otherwise provided in this paragraph, if the 66854  
declaration of candidacy is of one that is to be submitted only 66855  
to electors within a district, political subdivision, or portion 66856  
thereof, the petition shall be signed by not less than fifty 66857  
qualified electors who are members of the same political party 66858  
as the political party of which the candidate is a member. If 66859  
the declaration of candidacy is for party nomination as a 66860  
candidate for member of the legislative authority of a municipal 66861  
corporation elected by ward, the petition shall be signed by not 66862  
less than twenty-five qualified electors who are members of the 66863  
political party of which the candidate is a member. 66864

No such petition, except the petition for a candidacy that 66865  
is to be submitted to electors throughout the entire state, 66866  
shall be accepted for filing if it appears to contain on its 66867

face signatures of more than three times the minimum number of 66868  
signatures. When a petition of a candidate has been accepted for 66869  
filing by a board of elections, the petition shall not be deemed 66870  
invalid if, upon verification of signatures contained in the 66871  
petition, the board of elections finds the number of signatures 66872  
accepted exceeds three times the minimum number of signatures 66873  
required. A board of elections may discontinue verifying 66874  
signatures on petitions when the number of verified signatures 66875  
equals the minimum required number of qualified signatures. 66876

If the declaration of candidacy declares a candidacy for 66877  
party nomination or for election as a candidate of a minor 66878  
party, the minimum number of signatures on such petition is one- 66879  
half the minimum number provided in this section, except that, 66880  
when the candidacy is one for election as a member of the state 66881  
central committee or the county central committee of a political 66882  
party, the minimum number shall be the same for a minor party as 66883  
for a major party. 66884

If a declaration of candidacy is one for election as a 66885  
member of the state central committee or the county central 66886  
committee of a political party, the petition shall be signed by 66887  
five qualified electors of the district, county, ward, township, 66888  
or precinct within which electors may vote for such candidate. 66889  
The electors signing such petition shall be members of the same 66890  
political party as the political party of which the candidate is 66891  
a member. 66892

For purposes of signing or circulating a petition of 66893  
candidacy for party nomination or election, an elector is 66894  
considered to be a member of a political party if the elector 66895  
voted in that party's primary election within the preceding two 66896  
calendar years, or if the elector did not vote in any other 66897

party's primary election within the preceding two calendar 66898  
years. 66899

If the declaration of candidacy is of one that is to be 66900  
submitted only to electors within a county, or within a district 66901  
or subdivision or part thereof smaller than a county, the 66902  
petition shall be filed with the board of elections of the 66903  
county. If the declaration of candidacy is of one that is to be 66904  
submitted only to electors of a district or subdivision or part 66905  
thereof that is situated in more than one county, the petition 66906  
shall be filed with the board of elections of the county within 66907  
which the major portion of the population thereof, as 66908  
ascertained by the next preceding federal census, is located. 66909

A petition shall consist of separate petition papers, each 66910  
of which shall contain signatures of electors of only one 66911  
county. Petitions or separate petition papers containing 66912  
signatures of electors of more than one county shall not thereby 66913  
be declared invalid. In case petitions or separate petition 66914  
papers containing signatures of electors of more than one county 66915  
are filed, the board shall determine the county from which the 66916  
majority of signatures came, and only signatures from such 66917  
county shall be counted. Signatures from any other county shall 66918  
be invalid. 66919

Each separate petition paper shall be circulated by one 66920  
person only, who shall be the candidate or a joint candidate or 66921  
a member of the same political party as the candidate or joint 66922  
candidates, and each separate petition paper shall be governed 66923  
by the rules set forth in section 3501.38 of the Revised Code. 66924

The secretary of state shall promptly transmit to each 66925  
board such separate petition papers of each petition 66926  
accompanying a declaration of candidacy filed with the secretary 66927

of state as purport to contain signatures of electors of the 66928  
county of such board. The board of the most populous county of a 66929  
district shall promptly transmit to each board within such 66930  
district such separate petition papers of each petition 66931  
accompanying a declaration of candidacy filed with it as purport 66932  
to contain signatures of electors of the county of each such 66933  
board. The board of a county within which the major portion of 66934  
the population of a subdivision, situated in more than one 66935  
county, is located, shall promptly transmit to the board of each 66936  
other county within which a portion of such subdivision is 66937  
located such separate petition papers of each petition 66938  
accompanying a declaration of candidacy filed with it as purport 66939  
to contain signatures of electors of the portion of such 66940  
subdivision in the county of each such board. 66941

All petition papers so transmitted to a board and all 66942  
petitions accompanying declarations of candidacy filed with a 66943  
board shall, under proper regulations, be open to public 66944  
inspection until four p.m. of the eightieth day before the day 66945  
of the next primary election. Each board shall, not later than 66946  
the seventy-eighth day before the day of that primary election, 66947  
examine and determine the validity or invalidity of the 66948  
signatures on the petition papers so transmitted to or filed 66949  
with it and shall return to the secretary of state all petition 66950  
papers transmitted to it by the secretary of state, together 66951

WHOEVER COMMITS ELECTION FALSIFICATION IS GUILTY OF A 67543

FELONY OF THE FIFTH DEGREE." 67544

The secretary of state shall prescribe a form of 67545

nominating petition for a group of candidates for the office of 67546

member of a board of education, township office, and offices of 67547  
municipal corporations of under two thousand population. 67548

The secretary of state shall prescribe a form of statement 67549  
of candidacy and nominating petition, which shall be 67550  
substantially similar to the form of statement of candidacy and 67551  
nominating petition set forth in this section, that will be 67552  
suitable for joint candidates for the offices of governor and 67553  
lieutenant governor. 67554

If such petition nominates a candidate whose election is 67555  
to be determined by the electors of a county or a district or 67556  
subdivision within the county, it shall be filed with the board 67557  
of such county. If the petition nominates a candidate whose 67558  
election is to be determined by the voters of a subdivision 67559  
located in more than one county, it shall be filed with the 67560  
board of the county in which the major portion of the population 67561  
of such subdivision is located. 67562

If the petition nominates a candidate whose election is to 67563  
be determined by the electors of a district comprised of more 67564  
than one county but less than all of the counties of the state, 67565  
it shall be filed with the board of elections of the most 67566  
populous county in such district. If the petition nominates a 67567  
candidate whose election is to be determined by the electors of 67568  
the state at large, it shall be filed with the secretary of 67569  
state. 67570

The secretary of state or a board of elections shall not 67571  
accept for filing a nominating petition of a person seeking to 67572  
become a candidate if that person, for the same election, has 67573  
already filed a declaration of candidacy, a declaration of 67574  
intent to be a write-in candidate, or a nominating petition, or 67575  
has become a candidate through party nomination at a primary 67576

election or by the filling of a vacancy under section 3513.30 or 67577  
3513.31 of the Revised Code for any federal, state, or county 67578  
office, if the nominating petition is for a state or county 67579  
office, or for any municipal or township office, for member of a 67580  
city, local, or exempted village board of education, or for 67581  
member of a governing board of an educational service center, if 67582  
the nominating petition is for a municipal or township office, 67583  
or for member of a city, local, or exempted village board of 67584  
education, or for member of a governing board of an educational 67585  
service center. 67586

**Sec. 3517.01.** (A) (1) A political party within the meaning 67587  
of Title XXXV of the Revised Code is any group of voters that 67588  
meets either of the following requirements: 67589

(a) Except as otherwise provided in this division, at the 67590  
most recent regular state election, the group polled for its 67591  
candidate for governor in the state or nominees for presidential 67592  
electors at least three per cent of the entire vote cast for 67593  
that office. A group that meets the requirements of this 67594  
division remains a political party for a period of four years 67595  
after meeting those requirements. 67596

(b) The group filed with the secretary of state, 67597  
subsequent to its failure to meet the requirements of division 67598  
(A) (1) (a) of this section, a party formation petition that meets 67599  
all of the following requirements: 67600

(i) The petition is signed by qualified electors equal in 67601  
number to at least one per cent of the total vote for governor 67602  
or nominees for presidential electors at the most recent 67603  
election for such office. 67604

(ii) The petition is signed by not fewer than five hundred 67605

qualified electors from each of at least a minimum of one-half 67606  
of the congressional districts in this state. If an odd number 67607  
of congressional districts exists in this state, the number of 67608  
districts that results from dividing the number of congressional 67609  
districts by two shall be rounded up to the next whole number. 67610

(iii) The petition declares the petitioners' intention of 67611  
organizing a political party, the name of which shall be stated 67612  
in the declaration, and of participating in the succeeding 67613  
general election, held in even-numbered years, that occurs more 67614  
than one hundred twenty-five days after the date of filing. 67615

(iv) The petition designates a committee of not less than 67616  
three nor more than five individuals of the petitioners, who 67617  
shall represent the petitioners in all matters relating to the 67618  
petition. Notice of all matters or proceedings pertaining to the 67619  
petition may be served on the committee, or any of them, either 67620  
personally or by registered mail, or by leaving such notice at 67621  
the usual place of residence of each of them. 67622

(2) No such group of electors shall assume a name or 67623  
designation that is similar, in the opinion of the secretary of 67624  
state, to that of an existing political party as to confuse or 67625  
mislead the voters at an election. 67626

(B) A campaign committee shall be legally liable for any 67627  
debts, contracts, or expenditures incurred or executed in its 67628  
name. 67629

candidate in the earlier election may file the statement 68169  
required by division (A) (1) of this section for the general 68170  
election instead of the statement required by division (A) (2) of 68171  
this section for the earlier election if the pregeneral election 68172  
statement reflects the status of contributions and expenditures 68173  
for the period twenty days before the earlier election to twenty 68174  
days before the general election. 68175

If a person becomes a candidate less than twenty days 68176  
before an election, the candidate's campaign committee is not 68177  
required to file the statement required by division (A) (1) of 68178  
this section. 68179

No statement under division (A) (3) of this section shall 68180  
be required for any year in which a campaign committee, 68181  
political action committee, legislative campaign fund, political 68182  
party, or political contributing entity is required to file a 68183  
postgeneral election statement under division (A) (2) of this 68184  
section. However, a statement under division (A) (3) of this 68185  
section may be filed, at the option of the campaign committee, 68186  
political action committee, legislative campaign fund, political 68187  
party, or political contributing entity. 68188

No campaign committee of a candidate for the office of 68189

chief justice or justice of the supreme court, and no campaign committee of a candidate for the office of judge of any court in this state, shall be required to file a statement under division (A) (4) of this section.

Except as otherwise provided in this paragraph and in the next paragraph of this section, the only campaign committees required to file a statement under division (A) (4) of this section are the campaign committee of a statewide candidate and the campaign committee of a candidate for county office. The campaign committee of a candidate for any other nonjudicial office is required to file a statement under division (A) (4) of this section if that campaign committee receives, during that period, contributions exceeding ten thousand dollars.

No statement under division (A) (4) of this section shall be required of a campaign committee, a political action committee, a legislative campaign fund, a political party, or a political contributing entity for any year in which the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postprimary election statement under division (A) (2) of this section. However, a statement under division (A) (4) of this section may be filed at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No statement under division (A) (3) or (4) of this section shall be required if the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity has no contributions that it has received and no expenditures that it has made since the last date reflected in its last previously filed statement. However,

the campaign committee, political action committee, legislative 68220  
campaign fund, political party, or political contributing entity 68221  
shall file a statement to that effect, on a form prescribed 68222  
under this section and made under penalty of election 68223  
falsification, on the date required in division (A) (3) or (4) of 68224  
this section, as applicable. 68225

The campaign committee of a statewide candidate shall file 68226  
a monthly statement of contributions received during each of the 68227  
months of July, August, and September in the year of the general 68228  
election in which the candidate seeks office. The campaign 68229  
committee of a statewide candidate shall file the monthly 68230  
statement not later than three business days after the last day 68231  
of the month covered by the statement. During the period 68232  
beginning on the nineteenth day before the general election in 68233  
which a statewide candidate seeks election to office and 68234  
extending through the day of that general election, each time 68235  
the campaign committee of the joint candidates for the offices 68236  
of governor and lieutenant governor or of a candidate for the 68237  
office of secretary of state, auditor of state, treasurer of 68238  
state, or attorney general receives a contribution from a 68239  
contributor that causes the aggregate amount of contributions 68240  
received from that contributor during that period to equal or 68241  
exceed ten thousand dollars and each time the campaign committee 68242  
of a candidate for the office of chief justice or justice of the 68243  
supreme court receives a contribution from a contributor that 68244  
causes the aggregate amount of contributions received from that 68245  
contributor during that period to exceed ten thousand dollars, 68246  
the campaign committee shall file a two-business-day statement 68247  
reflecting that contribution. Contributions reported on a two- 68248  
business-day statement required to be filed by a campaign 68249  
committee of a statewide candidate in a primary election shall 68250

also be included in the postprimary election statement required 68251  
to be filed by that campaign committee under division (A) (2) of 68252  
this section. A two-business-day statement required by this 68253  
paragraph shall be filed not later than two business days after 68254  
receipt of the contribution. The statements required by this 68255  
paragraph shall be filed in addition to any other statements 68256  
required by this section. 68257

Subject to the secretary of state having implemented, 68258  
tested, and verified the successful operation of any system the 68259  
secretary of state prescribes pursuant to divisions (C) (6) (b) 68260  
and (D) (6) of this section and division (F) (1) of section 68261  
3517.106 of the Revised Code for the filing of campaign finance 68262  
statements by electronic means of transmission, a campaign 68263  
committee of a statewide candidate shall file a two-business-day 68264  
statement under the preceding paragraph by electronic means of 68265  
transmission if the campaign committee is required to file a 68266  
pre-election, postelection, or monthly statement of 68267  
contributions and expenditures by electronic means of 68268  
transmission under this section or section 3517.106 of the 68269  
Revised Code. 68270

If a campaign committee or political action committee has 68271  
no balance on hand and no outstanding obligations and desires to 68272  
terminate itself, it shall file a statement to that effect, on a 68273  
form prescribed under this section and made under penalty of 68274  
election falsification, with the official with whom it files a 68275  
statement under division (A) of this section after filing a 68276  
final statement of contributions and a final statement of 68277  
expenditures, if contributions have been received or 68278  
expenditures made since the period reflected in its last 68279  
previously filed statement. 68280

(B) Except as otherwise provided in division (C) (7) of 68281  
this section, each statement required by division (A) of this 68282  
section shall contain the following information: 68283

to the political action committee under division (D) (1) of this 68303  
section. The requirement of filing the full address does not 68304  
apply to any statement filed by a state or local committee of a 68305  
political party, to a finance committee of such committee, or to 68306  
a committee recognized by a state or local committee as its 68307  
fund-raising auxiliary. Notwithstanding division (F) of this 68308  
section, the requirement of filing the full address shall be 68309

considered as being met if the address filed is the same address 68310  
the contributor provided under division (E) (1) of this section. 68311

(ii) If a political action committee, political 68312

one hundred dollars during any one filing period under division 68327  
(A) (1), (2), (3), or (4) of this section, the full name of the 68328

contributions from each social or fund-raising activity shall 68343  
include a description of and the value of each in-kind 68344  
contribution received at that activity from any person who made 68345  
one or more such contributions whose aggregate value exceeded 68346  
two hundred fifty dollars and shall be listed separately, 68347

for all other income itemized. As used in this paragraph, "other 68365

(f) In the case of a campaign committee of a state elected 68367  
officer, if a person doing business with the state elected 68368  
officer in the officer's official capacity makes a contribution 68369

to the campaign committee of that officer, the information 68370  
required under division (B) (4) of this section in regard to that 68371  
contribution, which shall be filed together with and considered 68372  
a part of the committee's statement of contributions as required 68373  
under division (A) of this section but shall be filed on a 68374  
separate form provided by the secretary of state. As used in 68375

political action committee under division (D) (1) of this 68392  
section; 68393

(c) The object or purpose for which the expenditure was 68394  
made; 68395

(d) The amount of each expenditure. 68396

(C) (1) The statement of contributions and expenditures 68397

shall be signed by the person completing the form. If a 68398  
statement of contributions and expenditures is filed by 68399  
electronic means of transmission pursuant to this section or 68400  
section 3517.106 of the Revised Code, the electronic signature 68401  
of the person who executes the statement and transmits the 68402  
statement by electronic means of transmission, as provided in 68403  
division (F) of section 3517.106 of the Revised Code, shall be 68404  
attached to or associated with the statement and shall be 68405  
binding on all persons and for all purposes under the campaign 68406  
finance reporting law as if the signature had been handwritten 68407  
in ink on a printed form. 68408

(2) The person filing the statement, under penalty of 68409  
election falsification, shall include with it a list of each 68410  
anonymous contribution, the circumstances under which it was 68411  
received, and the reason it cannot be attributed to a specific 68412  
donor. 68413

(3) Each statement of a campaign committee of a candidate 68414  
who holds public office shall contain a designation of each 68415  
contributor who is an employee in any unit or department under 68416  
the candidate's direct supervision and control. In a space 68417  
provided in the statement, the person filing the statement shall 68418  
affirm that each such contribution was voluntarily made. 68419

(4) A campaign committee that did not receive 68420  
contributions or make expenditures in connection with the 68421  
nomination or election of its candidate shall file a statement 68422  
to that effect, on a form prescribed under this section and made 68423  
under penalty of election falsification, on the date required in 68424  
division (A) (2) of this section. 68425

(5) The campaign committee of any person who attempts to 68426  
become a candidate and who, for any reason, does not become 68427

certified in accordance with Title XXXV of the Revised Code for 68428  
placement on the official ballot of a primary, general, or 68429  
special election to be held in this state, and who, at any time 68430  
prior to or after an election, receives contributions or makes 68431

an election to the offices of member of a county or state 68438  
central committee, presidential elector, or delegate to a 68439  
national convention or conference of a political party. 68440

(6) (a) The statements required to be filed under this 68441  
section shall specify the balance in the hands of the campaign 68442  
committee, political action committee, legislative campaign 68443  
fund, political party, or political contributing entity and the 68444  
disposition intended to be made of that balance. 68445

(b) The secretary of state shall prescribe the form for 68446  
all statements required to be filed under this section and shall 68447  
furnish the forms to the boards of elections in the several 68448  
counties. The boards of elections shall supply printed copies of 68449  
those forms without charge. The secretary of state shall 68450  
prescribe the appropriate methodology, protocol, and data file 68451  
structure for statements required or permitted to be filed by 68452  
electronic means of transmission to the secretary of state or a 68453  
board of elections under division (A) of this section, division 68454  
(E) of section 3517.106, division (D) of section 3517.1011, 68455  
division (B) of section 3517.1012, division (C) of section 68456  
3517.1013, and divisions (D) and (I) of section 3517.1014 of the 68457  
Revised Code. Subject to division (A) of this section, division 68458

(E) of section 3517.106, division (D) of section 3517.1011, 68459  
division (B) of section 3517.1012, division (C) of section 68460  
3517.1013, and divisions (D) and (I) of section 3517.1014 of the 68461  
Revised Code, the statements required to be stored on computer 68462  
by the secretary of state under division (B) of section 3517.106 68463  
of the Revised Code shall be filed in whatever format the 68464  
secretary of state considers necessary to enable the secretary 68465  
of state to store the information contained in the statements on 68466  
computer. Any such format shall be of a type and nature that is 68467  
readily available to whoever is required to file the statements 68468  
in that format. 68469

(c) The secretary of state shall assess the need for 68470  
training regarding the filing of campaign finance statements by 68471  
electronic means of transmission and regarding associated 68472  
technologies for candidates, campaign committees, political 68473  
action committees, legislative campaign funds, political 68474  
parties, or political contributing entities, for individuals, 68475  
partnerships, or other entities, for persons making 68476  
disbursements to pay the direct costs of producing or airing 68477  
electioneering communications, or for treasurers of transition 68478  
funds, required or permitted to file statements by electronic 68479  
means of transmission under this section or section 3517.105, 68480  
3517.106, 3517.1011, 3517.1012, 3517.1013, or 3517.1014 of the 68481  
Revised Code. If, in the opinion of the secretary of state, 68482  
training in these areas is necessary, the secretary of state 68483  
shall arrange for the provision of voluntary training programs 68484  
for candidates, campaign committees, political action 68485  
committees, legislative campaign funds, political parties, or 68486  
political contributing entities, for individuals, partnerships, 68487  
and other entities, for persons making disbursements to pay the 68488  
direct costs of producing or airing electioneering 68489

communications, or for treasurers of transition funds, as 68490  
appropriate. 68491

(7) Each monthly statement and each two-business-day 68492  
statement required by division (A) of this section shall contain 68493  
the information required by divisions (B) (1) to (4), (C) (2), 68494  
and, if appropriate, (C) (3) of this section. Each statement 68495  
shall be signed as required by division (C) (1) of this section. 68496

(D) (1) (a) Prior to receiving a contribution or making an 68497  
expenditure, every campaign committee, political action 68498  
committee, legislative campaign fund, political party, or 68499  
political contributing entity shall appoint a treasurer and 68500  
shall file, on a form prescribed by the secretary of state, a 68501  
designation of that appointment, including the full name and 68502  
address of the treasurer and of the campaign committee, 68503  
political action committee, legislative campaign fund, political 68504  
party, or political contributing entity. That designation shall 68505  
be filed with the official with whom the campaign committee, 68506  
political action committee, legislative campaign fund, political 68507  
party, or political contributing entity is required to file 68508  
statements under section 3517.11 of the Revised Code. The name 68509  
of a campaign committee shall include at least the last name of 68510  
the campaign committee's candidate. If two or more candidates 68511  
are the beneficiaries of a single campaign committee under 68512  
division (B) of section 3517.081 of the Revised Code, the name 68513  
of the campaign committee shall include at least the last name 68514  
of each candidate who is a beneficiary of that campaign 68515  
committee. The secretary of state shall assign a registration 68516  
number to each political action committee that files a 68517  
designation of the appointment of a treasurer under this 68518  
division if the political action committee is required by 68519  
division (A) (1) of section 3517.11 of the Revised Code to file 68520

the statements prescribed by this section with the secretary of 68521  
state. 68522

(b) The secretary of state shall not accept for filing a 68523  
designation of treasurer of a political action committee or 68524  
political contributing entity if, in the opinion of the 68525  
secretary of state, the name of the political action committee 68526  
or political contributing entity would lead a reasonable person 68527  
to believe that the political action committee or political 68528  
contributing entity acts on behalf of or represents a county 68529  
political party, unless the designation is accompanied by a 68530  
written statement, signed by the chairperson of the county 68531  
political party's executive committee, granting the political 68532  
action committee or political contributing entity permission to 68533  
act on behalf of or represent the county political party. 68534

(2) The treasurer appointed under division (D) (1) of this 68535  
section shall keep a strict account of all contributions, from 68536  
whom received and the purpose for which they were disbursed. 68537

(3) (a) Except as otherwise provided in section 3517.108 of 68538  
the Revised Code, a campaign committee shall deposit all 68539  
monetary contributions received by the committee into an account 68540  
separate from a personal or business account of the candidate or 68541  
campaign committee. 68542

(b) A political action committee shall deposit all 68543  
monetary contributions received by the committee into an account 68544  
separate from all other funds. 68545

(c) A state or county political party may establish a 68546  
state candidate fund that is separate from all other funds. A 68547  
state or county political party may deposit into its state 68548  
candidate fund any amounts of monetary contributions that are 68549

made to or accepted by the political party subject to the 68550  
applicable limitations, if any, prescribed in section 3517.102 68551  
of the Revised Code. A state or county political party shall 68552  
deposit all other monetary contributions received by the party 68553  
into one or more accounts that are separate from its state 68554  
candidate fund. 68555

(d) Each state political party shall have only one 68556  
legislative campaign fund for each house of the general 68557  
assembly. Each such fund shall be separate from any other funds 68558  
or accounts of that state party. A legislative campaign fund is 68559  
authorized to receive contributions and make expenditures for 68560  
the primary purpose of furthering the election of candidates who 68561  
are members of that political party to the house of the general 68562  
assembly with which that legislative campaign fund is 68563  
associated. Each legislative campaign fund shall be administered 68564  
and controlled in a manner designated by the caucus. As used in 68565  
this division, "caucus" has the same meaning as in section 68566  
3517.01 of the Revised Code and includes, as an ex officio 68567

applying for or subject to a Title V permit and if one of the 72157  
following applies: 72158

(a) The facilities employ more than two hundred fifty 72159  
individuals or have gross annual sales or expenditures exceeding 72160  
twenty-five million dollars, in second quarter 1980 dollars; 72161

(b) The delegation of authority to the representative is 72162  
approved in advance by the director. 72163

(2) For a partnership or sole proprietorship: a general 72164  
partner or the proprietor, respectively. 72165

(3) For the federal government or any agency thereof, the 72166  
state or any agency thereof, a political subdivision or any 72167  
agency thereof, or any other public agency, either a principal 72168  
executive officer or authorized elected official. For the 72169  
purposes of this division, a principal executive officer of a 72170  
federal agency includes the chief executive officer having 72171  
responsibility for the overall operation of a principal 72172  
geographic unit of the agency. 72173

(4) For affected sources, both of the following: 72174

(a) The designated representative insofar as actions, 72175  
standards, requirements, or prohibitions under Title IV of the 72176  
federal Clean Air Act or regulations adopted under it are 72177  
concerned; 72178

(b) The designated representative for any other purposes 72179  
under 40 C.F.R. part 70. 72180

~~(R)~~(T) "Small business stationary source" means any 72181  
building, structure, facility, or installation that emits any 72182  
federally regulated air pollutant and is owned or operated by a 72183

person who employs one hundred or fewer individuals; is a small 72184  
business concern as defined in the "Small Business Act," 72 72185  
Stat. 384 (1958), 15 U.S.C.A. 632, as amended; is not a major 72186  
stationary source as defined in section 302(j) of the federal 72187  
Clean Air Act; does not emit fifty tons or more per year of any 72188  
federally regulated air pollutant or any hazardous air 72189  
pollutant; and emits less than seventy-five tons per year of all 72190  
federally regulated air pollutants. 72191

~~(S)~~(U) "Title V permit" means an operating permit required 72192  
to be issued by the state under section 502 of the federal Clean 72193  
Air Act and issued under section 3704.036 of the Revised Code 72194  
and rules adopted under it. 72195

~~(T)~~(V) For the purposes of the Title V permit program 72196  
established under this chapter and rules adopted under it, all 72197  
terms defined in 40 C.F.R. part 70 have the same meaning as in 72198  
that part. 72199

**Sec. 3704.011.** (A) In addition to any other exemption 72200  
provided in this chapter or rules adopted under it, an air 72201  
contaminant source is exempt from this chapter and rules adopted 72202  
under it if the emissions of particulate matter, nitrogen 72203  
oxides, organic compounds, sulfur dioxide, carbon monoxide, 72204  
lead, or any other air contaminant from that source do not 72205  
exceed ten pounds per day, as verified in accordance with 72206  
division (C) of this section, provided that the exemption does 72207  
not apply to any air contaminant source if any of the following 72208  
applies: 72209

(1) A requirement established under the federal Clean Air 72210  
Act or regulations adopted under it limits the emissions from 72211  
the source to less than ten pounds per day of an air contaminant 72212  
or restricts the operation of the source in a manner equivalent 72213

to an emission limit of less than ten pounds per day; 72214

(2) An emission limit adopted by the director of 72215  
environmental protection to achieve and maintain the national 72216  
ambient air quality standards or a rule adopted by the director 72217  
to protect public health and welfare limits the emissions from 72218  
the source to less than ten pounds per day of an air contaminant 72219  
or restricts the operation of the source in a manner equivalent 72220  
to an emission limit of less than ten pounds per day; 72221

(3) The source emits radionuclides; 72222

(4) The source, alone or in combination with similar air 72223  
contaminant sources at the same facility, would result in 72224  
potential emissions of any air contaminant in excess of twenty- 72225  
five tons per year; 72226

(5) The source emits more than one ton per year of 72227  
hazardous air pollutants. 72228

(B) (1) Nothing in this section prohibits the director from 72229  
adopting rules establishing emission limits or permit 72230  
requirements, or requiring the submission of information for the 72231  
purpose of developing those rules, for source categories 72232  
described in divisions (A) (1) to (5) of this section. 72233

(2) Nothing in this section affects the determination of 72234  
whether a stationary source is a major source for purposes of 72235  
the applicability of the Title V permit program to the source 72236  
under section 3704.036 of the Revised Code or any requirement to 72237  
list insignificant activities and emissions levels in a Title V 72238  
permit application. 72239

(3) Nothing in this section restricts the director's 72240  
authority to require the submission of information as necessary 72241  
to comply with the requirements of the federal Clean Air Act. 72242

(C) If the potential to emit of an air contaminant source exceeds ten pounds per day of any type of air contaminant, the exemption provided in this section does not apply unless the owner or operator of the source maintains records that are adequate to demonstrate that actual emissions have not exceeded ten pounds per day. If the source emits hazardous air pollutants, the exemption provided in this section does not apply unless the owner or operator of the source maintains records that are adequate to demonstrate that actual emissions of hazardous air pollutants have not exceeded one ton per year.

Records required under this division shall be maintained on and after October 29, 1993, preserved for a period of two years, and made available upon request to the director. The director may adopt, amend, and rescind rules to provide further specificity with regard to recordkeeping requirements under this division.

(D) (1) As used in this division, "synthetic minor facility" has the same meaning as in section 3745.11 of the Revised Code.

(2) Notwithstanding any other provision of law or rules to the contrary, the director shall not require a single Title V permit for adjacent Title V facilities owned and operated by the same person or a single operating permit for adjacent synthetic minor facilities owned and operated by the same person if both of the following apply:

(a) At least one of the adjacent facilities is involved in aerospace manufacturing or rework that is subject to emission standards set forth in rule 3745-21-19 of the Ohio administrative code;

(b) The adjacent facilities are or will be located in a 72272  
county with a population between three hundred ninety thousand 72273  
and three hundred ninety-five thousand according to the most 72274  
recent federal decennial census published by the United States 72275  
census bureau. 72276

The director shall issue a variance from any law, rule, or 72277  
policy requiring such adjacent facilities to operate under a 72278  
single Title V permit or single operating permit. 72279

**Sec. 3704.03.** The director of environmental protection may 72280  
do any of the following: 72281

(A) Develop programs for the prevention, control, and 72282  
abatement of air pollution; 72283

(B) Advise, consult, contract, and cooperate with any 72284  
governmental or private agency in the furtherance of the 72285  
purposes of this chapter; 72286

(C) Encourage, participate in, or conduct studies, 72287  
investigations, and research relating to air pollution, collect 72288  
and disseminate information, and conduct education and training 72289  
programs relating to the causes, prevention, control, and 72290  
abatement of air pollution; 72291

(D) Adopt, modify, and rescind rules prescribing ambient 72292  
air quality standards for the state as a whole or for various 72293  
areas of the state that are consistent with and no more 72294  
stringent than the national ambient air quality standards in 72295  
effect under the federal Clean Air Act; 72296

(E) Adopt, modify, suspend, and rescind rules for the 72297  
prevention, control, and abatement of air pollution, including 72298  
rules prescribing for the state as a whole or for various areas 72299  
of the state emission standards for air contaminants, and other 72300

necessary rules for the purpose of achieving and maintaining 72301  
compliance with ambient air quality standards in all areas 72302  
within the state as expeditiously as practicable, but not later 72303  
than any deadlines applicable under the federal Clean Air Act; 72304  
rules for the prevention or control of the emission of hazardous 72305  
or toxic air contaminants; rules prescribing fugitive dust 72306  
limitations and standards that are related, on an areawide 72307  
basis, to attainment and maintenance of ambient air quality 72308  
standards; rules prescribing shade, density, or opacity 72309  
limitations and standards for emissions, provided that with 72310  
regard to air contaminant sources for which there are 72311  
particulate matter emission standards in addition to a shade, 72312  
density, or opacity rule, upon demonstration by such a source of 72313  
compliance with those other standards, the shade, density, or 72314  
opacity rule shall provide for establishment of a shade, 72315  
density, or opacity limitation for that source that does not 72316  
require the source to reduce emissions below the level specified 72317  
by those other standards; rules for the prevention or control of 72318  
odors and air pollution nuisances; rules that prevent 72319  
significant deterioration of air quality to the extent required 72320  
by the federal Clean Air Act; rules for the protection of 72321  
visibility as required by the federal Clean Air Act; and rules 72322  
prescribing open burning limitations and standards. In adopting, 72323  
modifying, suspending, or rescinding any such rules, the 72324  
director, to the extent consistent with the federal Clean Air 72325  
Act, shall hear and give consideration to evidence relating to 72326  
all of the following: 72327

(1) Conditions calculated to result from compliance with 72328  
the rules, the overall cost within this state of compliance with 72329  
the rules, and their relation to benefits to the people of the 72330  
state to be derived from that compliance; 72331

(2) The quantity and characteristics of air contaminants, 72332  
the frequency and duration of their presence in the ambient air, 72333  
and the dispersion and dilution of those contaminants; 72334

(3) Topography, prevailing wind directions and velocities, 72335  
physical conditions, and other factors that may or may combine 72336  
to affect air pollution. 72337

Consistent with division (K) of section 3704.036 of the 72338  
Revised Code, the director shall consider alternative emission 72339  
limits proposed by the owner or operator of an air contaminant 72340  
source that is subject to an emission limit established in rules 72341  
adopted under this division and shall accept those alternative 72342  
emission limits that the director determines to be equivalent to 72343  
emission limits established in rules adopted under this 72344  
division. 72345

(F)(1) Adopt, modify, suspend, and rescind rules 72346  
consistent with the purposes of this chapter prohibiting the 72347  
location, installation, construction, or modification of any air 72348  
contaminant source or any machine, equipment, device, apparatus, 72349  
or physical facility intended primarily to prevent or control 72350  
the emission of air contaminants unless an installation permit 72351  
therefor has been obtained from the director or the director's 72352  
authorized representative. 72353

(2)(a) Applications for installation permits shall be 72354  
accompanied by plans, specifications, construction schedules, 72355  
and such other pertinent information and data, including data on 72356  
ambient air quality impact and a demonstration of best available 72357  
technology, as the director may require. Installation permits 72358  
shall be issued for a period specified by the director and are 72359  
transferable. The director shall specify in each permit the 72360  
applicable emission standards and that the permit is conditioned 72361

upon payment of the applicable fees as required by section 72362  
3745.11 of the Revised Code and upon the right of the director's 72363  
authorized representatives to enter upon the premises of the 72364  
person to whom the permit has been issued, at any reasonable 72365  
time and subject to safety requirements of the person in control 72366  
of the premises, for the purpose of determining compliance with 72367  
such standards, this chapter, the rules adopted thereunder, and 72368  
the conditions of any permit, variance, or order issued 72369  
thereunder. Each proposed new or modified air contaminant source 72370  
shall provide such notice of its proposed installation or 72371  
modification to other states as is required under the federal 72372  
Clean Air Act. Installation permits shall include the 72373  
authorization to operate sources installed and operated in 72374  
accordance with terms and conditions of the installation permits 72375  
for a period not to exceed one year from commencement of 72376  
operation, which authorization shall constitute an operating 72377  
permit under division (G) of this section and rules adopted 72378  
under it. 72379

No installation permit shall be required for activities 72380  
that are subject to and in compliance with a plant-wide 72381  
applicability limit issued by the director in accordance with 72382  
rules adopted under this section. 72383

No installation permit shall be issued except in 72384  
accordance with all requirements of this chapter and rules 72385  
adopted thereunder. No application shall be denied or permit 72386  
revoked or modified without a written order stating the findings 72387  
upon which denial, revocation, or modification is based. A copy 72388  
of the order shall be sent to the applicant or permit holder by 72389  
certified mail. 72390

(b) An air contaminant source that is the subject of an 72391

installation permit shall be installed or modified in accordance 72392  
with the permit not later than eighteen months after the 72393  
permit's effective date at which point the permit shall 72394  
terminate unless one of the following applies: 72395

(i) The owner or operator has undertaken a continuing 72396  
program of installation or modification during the eighteen- 72397  
month period. 72398

(ii) The owner or operator has entered into a binding 72399  
contractual obligation to undertake and complete within a 72400  
reasonable period of time a continuing program of installation 72401  
or modification of the air contaminant source during the 72402  
eighteen-month period. 72403

(iii) The director has extended the date by which the air 72404  
contaminant source that is the subject of the installation 72405  
permit must be installed or modified. 72406

(iv) The installation permit is the subject of an appeal 72407  
by a party other than the owner or operator of the air 72408  
contaminant source that is the subject of the installation 72409  
permit, in which case the date of termination of the permit is 72410  
not later than eighteen months after the effective date of the 72411  
permit plus the number of days between the date in which the 72412  
permit was appealed and the date on which all appeals concerning 72413  
the permit have been resolved. 72414

(v) The installation permit has been superseded by a 72415  
subsequent installation permit, in which case the original 72416  
installation permit terminates on the effective date of the 72417  
superseding installation permit. 72418

Division (F) (2) (b) of this section applies to an 72419  
installation permit that has not terminated as of October 16, 72420

2009. 72421

The director may adopt rules in accordance with Chapter 72422  
119. of the Revised Code for the purpose of establishing 72423  
additional requirements that are necessary for the 72424  
implementation of division (F) (2) (b) of this section. 72425

(3) Not later than two years after August 3, 2006, the 72426  
director shall adopt a rule in accordance with Chapter 119. of 72427  
the Revised Code specifying that a permit to install is required 72428  
only for new or modified air contaminant sources that emit any 72429  
of the following air contaminants: 72430

(a) An air contaminant or precursor of an air contaminant 72431  
for which a national ambient air quality standard has been 72432  
adopted under the federal Clean Air Act; 72433

(b) An air contaminant for which the air contaminant 72434  
source is regulated under the federal Clean Air Act; 72435

(c) An air contaminant that presents, or may present, 72436  
through inhalation or other routes of exposure, a threat of 72437  
adverse human health effects, including, but not limited to, 72438  
substances that are known to be, or may reasonably be 72439  
anticipated to be, carcinogenic, mutagenic, teratogenic, or 72440  
neurotoxic, that cause reproductive dysfunction, or that are 72441  
acutely or chronically toxic, or a threat of adverse 72442  
environmental effects whether through ambient concentrations, 72443  
bioaccumulation, deposition, or otherwise, and that is 72444  
identified in the rule by chemical name and chemical abstract 72445  
service number. 72446

The director may modify the rule adopted under division 72447  
(F) (3) (c) of this section for the purpose of adding or deleting 72448  
air contaminants. For each air contaminant that is contained in 72449

or deleted from the rule adopted under division (F) (3) (c) of 72450  
this section, the director shall include in a notice 72451  
accompanying any proposed or final rule an explanation of the 72452  
director's determination that the air contaminant meets the 72453  
criteria established in that division and should be added to, or 72454  
no longer meets the criteria and should be deleted from, the 72455  
list of air contaminants. The explanation shall include an 72456  
identification of the scientific evidence on which the director 72457  
relied in making the determination. Until adoption of the rule 72458  
under division (F) (3) (c) of this section, nothing shall affect 72459  
the director's authority to issue, deny, modify, or revoke 72460  
permits to install under this chapter and rules adopted under 72461  
it. 72462

(4) (a) Applications for permits to install new or modified 72463  
air contaminant sources shall contain sufficient information 72464  
regarding air contaminants for which the director may require a 72465  
permit to install to determine conformity with the environmental 72466  
protection agency's document entitled "Review of New Sources of 72467  
Air Toxics Emissions, Option A," dated May 1986, which the 72468  
director shall use to evaluate toxic emissions from new or 72469  
modified air contaminant sources. The director shall make copies 72470  
of the document available to the public upon request at no cost 72471  
and post the document on the environmental protection agency's 72472  
web site. Any inconsistency between the document and division 72473  
(F) (4) of this section shall be resolved in favor of division 72474  
(F) (4) of this section. 72475

(b) The maximum acceptable ground level concentration of 72476  
an air contaminant shall be calculated in accordance with the 72477  
document entitled "Review of New Sources of Air Toxics 72478  
Emissions, Option A." Modeling shall be conducted to determine 72479  
the increase in the ground level concentration of an air 72480

contaminant beyond the facility's boundary caused by the 72481  
emissions from a new or modified source that is the subject of 72482  
an application for a permit to install. Modeling shall be based 72483  
on the maximum hourly rate of emissions from the source using 72484  
information including, but not limited to, any emission control 72485  
devices or methods, operational restrictions, stack parameters, 72486  
and emission dispersion devices or methods that may affect 72487  
ground level concentrations, either individually or in 72488  
combination. The director shall determine whether the activities 72489  
for which a permit to install is sought will cause an increase 72490  
in the ground level concentration of one or more relevant air 72491  
contaminants beyond the facility's boundary by an amount in 72492  
excess of the maximum acceptable ground level concentration. In 72493  
making the determination as to whether the maximum acceptable 72494  
ground level concentration will be exceeded, the director shall 72495  
give consideration to the modeling conducted under division (F) 72496  
(4) (b) of this section and other relevant information submitted 72497  
by the applicant. 72498

(c) If the modeling conducted under division (F) (4) (b) of 72499  
this section with respect to an application for a permit to 72500  
install demonstrates that the maximum ground level concentration 72501  
from a new or modified source will be greater than or equal to 72502  
eighty per cent, but less than one hundred per cent of the 72503  
maximum acceptable ground level concentration for an air 72504  
contaminant, the director may establish terms and conditions in 72505  
the permit to install for the air contaminant source that will 72506  
require the owner or operator of the air contaminant source to 72507  
maintain emissions of that air contaminant commensurate with the 72508  
modeled level, which shall be expressed as allowable emissions 72509  
per day. In order to calculate the allowable emissions per day, 72510  
the director shall multiply the hourly emission rate modeled 72511

under division (F) (4) (b) of this section to determine the ground 72512  
level concentration by the operating schedule that has been 72513  
identified in the permit to install application. Terms and 72514  
conditions imposed under division (F) (4) (c) of this section are 72515  
not federally enforceable requirements and, if included in a 72516  
Title V permit, shall be placed in the portion of the permit 72517  
that is only enforceable by the state. 72518

(d) If the modeling conducted under division (F) (4) (b) of 72519  
this section with respect to an application for a permit to 72520  
install demonstrates that the maximum ground level concentration 72521  
from a new or modified source will be less than eighty per cent 72522  
of the maximum acceptable ground level concentration, the owner 72523  
or operator of the source annually shall report to the director, 72524  
on a form prescribed by the director, whether operations of the 72525  
source are consistent with the information regarding the 72526  
operations that was used to conduct the modeling with regard to 72527  
the permit to install application. The annual report to the 72528  
director shall be in lieu of an emission limit or other permit 72529  
terms and conditions imposed pursuant to division (F) (4) of this 72530  
section. The director may consider any significant departure 72531  
from the operations of the source described in the permit to 72532  
install application that results in greater emissions than the 72533  
emissions rate modeled to determine the ground level 72534  
concentration as a modification and require the owner or 72535  
operator to submit a permit to install application for the 72536  
increased emissions. The requirements established in division 72537  
(F) (4) (d) of this section are not federally enforceable 72538  
requirements and, if included in a Title V permit, shall be 72539  
placed in the portion of the permit that is only enforceable by 72540  
the state. 72541

(e) Division (F) (4) of this section and the document 72542

entitled "Review of New Sources of Air Toxics Emissions, Option A" shall not be included in the state implementation plan under section 110 of the federal Clean Air Act and do not apply to an air contaminant source that is subject to a maximum achievable control technology standard or residual risk standard under section 112 of the federal Clean Air Act, to a particular air contaminant identified under 40 C.F.R. 51.166, division (b) (23), for which the director has determined that the owner or operator of the source is required to install best available control technology for that particular air contaminant, or to a particular air contaminant for which the director has determined that the source is required to meet the lowest achievable emission rate, as defined in 40 C.F.R. part 51, Appendix S, for that particular air contaminant.

(f) (i) Division (F) (4) of this section and the document entitled "Review of New Sources of Air Toxics Emissions, Option A" do not apply to parking lots, storage piles, storage tanks, transfer operations, grain silos, grain dryers, emergency generators, gasoline dispensing operations, air contaminant sources that emit air contaminants solely from the combustion of fossil fuels, or the emission of wood dust, sand, glass dust, coal dust, silica, and grain dust.

(ii) Notwithstanding division (F) (4) (f) (i) of this section, the director may require an individual air contaminant source that is within one of the source categories identified in division (F) (4) (f) (i) of this section to submit information in an application for a permit to install a new or modified source in order to determine the source's conformity to the document if the director has information to conclude that the particular new or modified source will potentially cause an increase in ground level concentration beyond the facility's boundary that exceeds

the maximum acceptable ground level concentration as set forth 72574  
in the document. 72575

(iii) The director may adopt rules in accordance with 72576  
Chapter 119. of the Revised Code that are consistent with the 72577  
purposes of this chapter and that add to or delete from the 72578  
source category exemptions established in division (F)(4)(f)(i) 72579  
of this section. 72580

(5) Not later than one year after August 3, 2006, the 72581  
director shall adopt rules in accordance with Chapter 119. of 72582  
the Revised Code specifying activities that do not, by 72583  
themselves, constitute beginning actual construction activities 72584  
related to the installation or modification of an air 72585  
contaminant source for which a permit to install is required 72586  
such as the grading and clearing of land, on-site storage of 72587  
portable parts and equipment, and the construction of 72588  
foundations or buildings that do not themselves emit air 72589  
contaminants. The rules also shall allow specified initial 72590  
activities that are part of the installation or modification of 72591  
an air contaminant source, such as the installation of 72592  
electrical and other utilities for the source, prior to issuance 72593  
of a permit to install, provided that the owner or operator of 72594  
the source has filed a complete application for a permit to 72595  
install, the director or the director's designee has determined 72596  
that the application is complete, and the owner or operator of 72597  
the source has notified the director that this activity will be 72598  
undertaken prior to the issuance of a permit to install. Any 72599  
activity that is undertaken by the source under those rules 72600  
shall be at the risk of the owner or operator. The rules shall 72601  
not apply to activities that are precluded prior to permit 72602  
issuance under section 111, section 112, Part C of Title I, and 72603  
Part D of Title I of the federal Clean Air Act. 72604

(G) Adopt, modify, suspend, and rescind rules prohibiting 72605  
the operation or other use of any new, modified, or existing air 72606  
contaminant source unless an operating permit has been obtained 72607  
from the director or the director's authorized representative, 72608  
or the air contaminant source is being operated in compliance 72609  
with the conditions of a variance issued pursuant to division 72610  
(H) of this section. Applications for operating permits shall be 72611  
accompanied by such plans, specifications, and other pertinent 72612  
information as the director may require. Operating permits may 72613  
be issued for a period determined by the director not to exceed 72614  
ten years, are renewable, and are transferable. The director 72615  
shall specify in each operating permit that the permit is 72616  
conditioned upon payment of the applicable fees as required by 72617  
section 3745.11 of the Revised Code and upon the right of the 72618  
director's authorized representatives to enter upon the premises 72619  
of the person to whom the permit has been issued, at any 72620  
reasonable time and subject to safety requirements of the person 72621  
in control of the premises, for the purpose of determining 72622  
compliance with this chapter, the rules adopted thereunder, and 72623  
the conditions of any permit, variance, or order issued 72624  
thereunder. Operating permits may be denied or revoked for 72625  
failure to comply with this chapter or the rules adopted 72626  
thereunder. An operating permit shall be issued only upon a 72627  
showing satisfactory to the director or the director's 72628  
representative that the air contaminant source is being operated 72629  
in compliance with applicable emission standards and other rules 72630  
or upon submission of a schedule of compliance satisfactory to 72631  
the director for a source that is not in compliance with all 72632  
applicable requirements at the time of permit issuance, provided 72633  
that the compliance schedule shall be consistent with and at 72634  
least as stringent as that contained in any judicial consent 72635  
decree or administrative order to which the air contaminant 72636

source is subject. The rules shall provide for the issuance of 72637  
conditional operating permits for such reasonable periods as the 72638  
director may determine to allow the holder of an installation 72639  
permit, who has constructed, installed, located, or modified a 72640  
new air contaminant source in accordance with the provisions of 72641  
an installation permit, to make adjustments or modifications 72642  
necessary to enable the new air contaminant source to comply 72643  
with applicable emission standards and other rules. Terms and 72644  
conditions of operating permits issued pursuant to this division 72645  
shall be federally enforceable for the purpose of establishing 72646  
the potential to emit of a stationary source and shall be 72647  
expressly designated as federally enforceable. Any such 72648  
federally enforceable restrictions on a source's potential to 72649  
emit shall include both an annual limit and a short-term limit 72650  
of not more than thirty days for each pollutant to be restricted 72651  
together with adequate methods for establishing compliance with 72652  
the restrictions. In other respects, operating permits issued 72653  
pursuant to this division are enforceable as state law only. No 72654  
application shall be denied or permit revoked or modified 72655  
without a written order stating the findings upon which denial, 72656  
revocation, or modification is based. A copy of the order shall 72657  
be sent to the applicant or permit holder by certified mail. 72658

(H) Adopt, modify, and rescind rules governing the 72659  
issuance, revocation, modification, or denial of variances that 72660  
authorize emissions in excess of the applicable emission 72661  
standards. 72662

No variance shall be issued except pursuant to those 72663  
rules. The rules shall prescribe conditions and criteria in 72664  
furtherance of the purposes of this chapter and consistent with 72665  
the federal Clean Air Act governing eligibility for issuance of 72666  
variances, which shall include all of the following: 72667

(1) Provisions requiring consistency of emissions 72668  
authorized by a variance with timely attainment and maintenance 72669  
of ambient air quality standards; 72670

(2) Provisions prescribing the classes and categories of 72671  
air contaminants and air contaminant sources for which variances 72672  
may be issued; 72673

(3) Provisions defining the circumstances under which an 72674  
applicant shall demonstrate that compliance with applicable 72675  
emission standards is technically infeasible, economically 72676  
unreasonable, or impossible because of conditions beyond the 72677  
control of the applicant; 72678

(4) Other provisions prescribed in furtherance of the 72679  
goals of this chapter. 72680

The rules shall prohibit the issuance of variances from 72681  
any emission limitation that was applicable to a source pursuant 72682  
to an installation permit and shall prohibit issuance of 72683  
variances that conflict with the federal Clean Air Act. 72684

Applications for variances shall be accompanied by such 72685  
information as the director may require. In issuing variances, 72686  
the director may order the person to whom a variance is issued 72687  
to furnish plans and specifications and such other information 72688  
and data, including interim reports, as the director may require 72689  
and to proceed to take such action within such time as the 72690  
director may determine to be appropriate and reasonable to 72691  
prevent, control, or abate the person's existing emissions of 72692  
air contaminants. The director shall specify in each variance 72693  
that the variance is conditioned upon payment of the applicable 72694  
fees as required by section 3745.11 of the Revised Code and upon 72695  
the right of the director's authorized representatives to enter 72696

upon the premises of the person to whom the variance has been 72697  
issued, at any reasonable time and subject to safety 72698  
requirements of the person in control of the premises, for the 72699  
purpose of determining compliance with this chapter, the rules 72700  
adopted thereunder, and the conditions of any permit, variance, 72701  
or order issued thereunder. 72702

The director may hold a public hearing on an application 72703  
for a variance or renewal thereof at a location in the county 72704  
where the variance is sought. The director shall give not less 72705  
than twenty days' notice of the hearing to the applicant by 72706  
certified mail or another type of mail accompanied by a receipt. 72707  
The director also shall cause at least one publication of notice 72708  
in a newspaper with general circulation in the county where the 72709  
variance is sought or may instead provide public notice by 72710  
publication on the environmental protection agency's web site. 72711  
The director shall keep available for public inspection at the 72712  
principal office of the environmental protection agency a 72713  
current schedule of pending applications for variances and a 72714  
current schedule of pending variance hearings. The director 72715  
shall make a complete stenographic record or electronic record 72716  
of testimony and other evidence submitted at the hearing. The 72717  
director shall make a written determination to issue, renew, or 72718  
deny the variance and shall enter the determination and the 72719  
basis therefor into the record of the hearing. The director 72720  
shall issue, renew, or deny an application for a variance or 72721  
renewal thereof, or issue a proposed action upon the application 72722  
pursuant to section 3745.07 of the Revised Code, within six 72723  
months of the date upon which the director receives a complete 72724  
application with all pertinent information and data required by 72725  
the director. 72726

Any variance granted pursuant to rules adopted under this 72727

division shall be for a period specified by the director, not to exceed three years, and may be renewed from time to time on such terms and for such periods, not to exceed three years each, as the director determines to be appropriate. A variance may be revoked, or renewal denied, for failure to comply with conditions specified in the variance. No variance shall be issued, denied, revoked, or modified without a written order stating the findings upon which the issuance, denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or variance holder by certified mail.

(I) Require the owner or operator of an air contaminant source to install, employ, maintain, and operate such emissions, ambient air quality, meteorological, or other monitoring devices or methods as the director shall prescribe; to sample those emissions at such locations, at such intervals, and in such manner as the director prescribes; to maintain records and file periodic reports with the director containing information as to location, size, and height of emission outlets, rate, duration, and composition of emissions, and any other pertinent information the director prescribes; and to provide such written notice to other states as the director shall prescribe. In requiring monitoring devices, records, and reports, the director, to the extent consistent with the federal Clean Air Act, shall give consideration to technical feasibility and economic reasonableness and allow reasonable time for compliance. For sources where a specific monitoring, record-keeping, or reporting requirement is specified for a particular air contaminant from a particular air contaminant source in an applicable regulation adopted by the United States environmental protection agency under the federal Clean Air Act or in an applicable rule adopted by the director, the director shall not

impose an additional requirement in a permit that is a different 72759  
monitoring, record-keeping, or reporting requirement other than 72760  
the requirement specified in the applicable regulation or rule 72761  
for that air contaminant except as otherwise agreed to by the 72762  
owner or operator of the air contaminant source and the 72763  
director. For sources where no specific monitoring requirement 72764  
is specified for a particular air contaminant from a particular 72765  
air contaminant source in an applicable regulation adopted by 72766  
the United States environmental protection agency under the 72767  
federal Clean Air Act or in an applicable rule adopted by the 72768  
director, the director shall not impose a monitoring requirement 72769  
in a permit that requires community air monitoring, except as 72770  
otherwise agreed to by the owner or air operator of the air 72771  
contaminant source and the director. If two or more regulations 72772  
or rules impose different monitoring, record-keeping, or 72773  
reporting requirements for the same air contaminant from the 72774  
same air contaminant source, the director may impose permit 72775  
terms and conditions that consolidate or streamline the 72776  
monitoring, record-keeping, or reporting requirements in a 72777  
manner that conforms with each applicable requirement. To the 72778  
extent consistent with the federal Clean Air Act and except as 72779  
otherwise agreed to by the owner or operator of an air 72780  
contaminant source and the director, the director shall not 72781  
require an operating restriction that has the practical effect 72782  
of increasing the stringency of an existing applicable emission 72783  
limitation or standard. 72784

(J) Establish, operate, and maintain monitoring stations 72785  
and other devices designed to measure air pollution and enter 72786  
into contracts with any public or private agency for the 72787  
establishment, operation, or maintenance of such stations and 72788  
devices, except for community air monitoring where the intended 72789

use of the data produced by such monitoring stations and other 72790  
devices would violate divisions (B) or (C) of section 3704.09 of 72791  
the Revised Code; 72792

(K) By rule adopt procedures for giving reasonable public 72793  
notice and conducting public hearings on any plans for the 72794  
prevention, control, and abatement of air pollution that the 72795  
director is required to submit to the federal government; 72796

(L) Through any employee, agent, or authorized 72797  
representative of the director or the environmental protection 72798  
agency, enter upon private or public property, including 72799  
improvements thereon, at any reasonable time, to make 72800  
inspections, take samples, conduct tests, and examine records or 72801  
reports pertaining to any emission of air contaminants and any 72802  
monitoring equipment or methods and to determine if there are 72803  
any actual or potential emissions from such premises and, if so, 72804  
to determine the sources, amounts, contents, and extent of those 72805  
emissions, or to ascertain whether there is compliance with this 72806  
chapter, any orders issued or rules adopted thereunder, or any 72807  
other determination of the director. The director, at reasonable 72808  
times, may have access to and copy any such records. If entry or 72809  
inspection authorized by this division is refused, hindered, or 72810  
thwarted, the director or the director's authorized 72811  
representative may by affidavit apply for, and any judge of a 72812  
court of record may issue, an appropriate inspection warrant 72813  
necessary to achieve the purposes of this chapter within the 72814  
court's territorial jurisdiction. 72815

(M) Accept and administer gifts or grants from the federal 72816  
government and from any other source, public or private, for 72817  
carrying out any of the functions under this chapter; 72818

(N) Obtain necessary scientific, technical, and laboratory 72819

services; 72820

(O) Establish advisory boards in accordance with section 72821  
121.13 of the Revised Code; 72822

(P) Delegate to any city or general health district or 72823  
political subdivision of the state any of the director's 72824  
enforcement and monitoring powers and duties, other than rule- 72825  
making powers, as the director elects to delegate, and in 72826  
addition employ, compensate, and prescribe the powers and duties 72827  
of such officers, employees, and consultants as are necessary to 72828  
enable the director to exercise the authority and perform duties 72829  
imposed upon the director by law. Technical and other services 72830  
shall be performed, insofar as practical, by personnel of the 72831  
environmental protection agency. 72832

(Q) Certify to the government of the United States or any 72833  
agency thereof that an industrial air pollution facility is in 72834  
conformity with the state program or requirements for control of 72835  
air pollution whenever such certificate is required for a 72836  
taxpayer pursuant to any federal law or requirements; 72837

(R) Issue, modify, or revoke orders requiring abatement of 72838  
or prohibiting emissions that violate applicable emission 72839  
standards or other requirements of this chapter and rules 72840  
adopted thereunder, or requiring emission control devices or 72841  
measures in order to comply with applicable emission standards 72842  
or other requirements of this chapter and rules adopted 72843  
thereunder. Any such order shall require compliance with 72844  
applicable emission standards by a specified date and shall not 72845  
conflict with any requirement of the federal Clean Air Act. In 72846  
the making of such orders, the director, to the extent 72847  
consistent with the federal Clean Air Act, shall give 72848  
consideration to, and base the determination on, evidence 72849

relating to the technical feasibility and economic 72850  
reasonableness of compliance with such orders and their relation 72851  
to benefits to the people of the state to be derived from such 72852  
compliance. If, under the federal Clean Air Act, any such order 72853  
shall provide for the posting of a bond or surety to secure 72854  
compliance with the order as a condition of issuance of the 72855  
order, the order shall so provide, but only to the extent 72856  
required by the federal Clean Air Act. 72857

(S) To the extent provided by the federal Clean Air Act, 72858  
adopt, modify, and rescind rules providing for the 72859  
administrative assessment and collection of monetary penalties, 72860  
not in excess of those required pursuant to the federal Clean 72861  
Air Act, for failure to comply with any emission limitation or 72862  
standard, compliance schedule, or other requirement of any rule, 72863  
order, permit, or variance issued or adopted under this chapter 72864  
or required under the applicable implementation plan whether or 72865  
not the source is subject to a federal or state consent decree. 72866  
The director may require the submission of compliance schedules, 72867  
calculations of penalties for noncompliance, and related 72868  
information. Any orders, payments, sanctions, or other 72869  
requirements imposed pursuant to rules adopted under this 72870  
division shall be in addition to any other permits, orders, 72871  
payments, sanctions, or other requirements established under 72872  
this chapter and shall not affect any civil or criminal 72873  
enforcement proceedings brought under any provision of this 72874  
chapter or any other provision of state or local law. This 72875  
division does not apply to any requirement of this chapter 72876  
regarding the prevention or abatement of odors. 72877

(T) Require new or modified air contaminant sources to 72878  
install best available technology, but only in accordance with 72879  
this division. With respect to permits issued pursuant to 72880

division (F) of this section beginning three years after August 3, 2006, best available technology for air contaminant sources and air contaminants emitted by those sources that are subject to standards adopted under section 112, Part C of Title I, and Part D of Title I of the federal Clean Air Act shall be equivalent to and no more stringent than those standards. For an air contaminant or precursor of an air contaminant for which a national ambient air quality standard has been adopted under the federal Clean Air Act, best available technology only shall be required to the extent required by rules adopted under Chapter 119. of the Revised Code for permit to install applications filed three or more years after August 3, 2006.

Best available technology requirements established in rules adopted under this division shall be expressed only in one of the following ways that is most appropriate for the applicable source or source categories:

- (1) Work practices;
- (2) Source design characteristics or design efficiency of applicable air contaminant control devices;
- (3) Raw material specifications or throughput limitations averaged over a twelve-month rolling period;
- (4) Monthly allowable emissions averaged over a twelve-month rolling period.

Best available technology requirements shall not apply to an air contaminant source that has the potential to emit, taking into account air pollution controls installed on the source, less than ten tons per year of emissions of an air contaminant or precursor of an air contaminant for which a national ambient air quality standard has been adopted under the federal Clean

Air Act. In addition, best available technology requirements 72910  
established in rules adopted under this division shall not apply 72911  
to any existing, new, or modified air contaminant source that is 72912  
subject to a plant-wide applicability limit that has been 72913  
approved by the director. Further, best available technology 72914  
requirements established in rules adopted under this division 72915  
shall not apply to general permits issued prior to January 1, 72916  
2006, under rules adopted under this chapter. 72917

For permits to install issued three or more years after 72918  
August 3, 2006, any new or modified air contaminant source that 72919  
has the potential to emit, taking into account air pollution 72920  
controls installed on the source, ten or more tons per year of 72921  
volatile organic compounds or nitrogen oxides shall meet, at a 72922  
minimum, the requirements of any applicable reasonably available 72923  
control technology rule in effect as of January 1, 2006, 72924  
regardless of the location of the source. 72925

(U) Consistent with section 507 of the federal Clean Air 72926  
Act, adopt, modify, suspend, and rescind rules for the 72927  
establishment of a small business stationary source technical 72928  
and environmental compliance assistance program as provided in 72929  
section 3704.18 of the Revised Code; 72930

(V) Provide for emissions trading, marketable permits, 72931  
auctions of emission rights, and economic incentives that would 72932  
reduce the cost or increase the efficiency of achieving a 72933  
specified level of environmental protection; 72934

(W) Provide for the construction of an air contaminant 72935  
source prior to obtaining a permit to install pursuant to 72936  
division (F) of this section if the applicant demonstrates that 72937  
the source will be installed to comply with all applicable 72938  
emission limits and will not adversely affect public health or 72939

safety or the environment and if the director determines that 72940  
such an action will avoid an unreasonable hardship on the owner 72941  
or operator of the source. Any such determination shall be 72942  
consistent with the federal Clean Air Act. 72943

(X) Exercise all incidental powers, including adoption of 72944  
rules, required to carry out this chapter. 72945

The environmental protection agency shall develop a plan 72946  
to control air pollution resulting from state-operated 72947  
facilities and property. 72948

**Sec. 3704.031.** ~~Prior~~ (A) Except as provided in division 72949  
(B) of this section, prior to issuance or renewal of a permit or 72950  
a variance under division (F), (G), or (H) of section 3704.03 of 72951  
the Revised Code, the director of environmental protection may 72952  
require the applicant to install such equipment and conduct such 72953  
tests and analyses as the director finds reasonable and 72954  
necessary to determine adequately the amount and content of any 72955  
emissions from such sources, the ambient air quality at the 72956  
proposed site and in areas that may be affected by emissions 72957  
from such sources, and any violation or potential violation of 72958  
Chapter 3704. of the Revised Code, or the regulations or orders 72959  
promulgated thereunder. 72960

(B) The director shall not require an applicant to conduct 72961  
community air monitoring other than any analysis or measurement 72962  
of an air pollutant in the ambient air pursuant to a federal 72963  
reference method or federal equivalent method. 72964

**Sec. 3704.09.** (A) Determinations made by the director of 72965  
environmental protection or other persons acting under sections 72966  
3704.03 and 3704.04 of the Revised Code shall not be used as 72967  
evidence in civil actions nor create any presumption of law or 72968

finding of fact which shall inure to or be for the benefit of 72969  
any person other than the state, and sections 3704.01 to 3704.07 72970  
of the Revised Code do not create, enlarge, or abrogate existing 72971  
private rights. Nothing in Chapter 3704. of the Revised Code 72972  
shall be construed to abridge, limit, or otherwise impair the 72973  
right of any person to damages or other relief on account of 72974  
injury to persons or property and to maintain any action or 72975  
other appropriate proceedings therefor. 72976

(B) Data produced from community air monitoring shall not 72977  
be used as evidence, or disclosed or disseminated by the 72978  
environmental protection agency, a local air pollution control 72979  
authority, or any person, to support either of the following: 72980

(1) A fine, penalty, or notice of violation against any 72981  
person for violations of or noncompliance with the federal Clean 72982  
Air Act, this chapter, the rules adopted thereunder, or any 72983  
other applicable law, rule, or regulation for which the state 72984  
has primary enforcement authority; 72985

(2) An administrative, regulatory, or judicial enforcement 72986  
action, lawsuit, or proceeding for violations of or 72987  
noncompliance with the federal Clean Air Act, this chapter, the 72988  
rules adopted thereunder, or any other applicable law, rule, or 72989  
regulation for which the state has primary enforcement 72990  
authority. 72991

(C) Data produced from community air monitoring shall not 72992  
be considered or relied upon by the environmental protection 72993  
agency or a local air pollution control authority in any 72994  
rulemaking action or in any action relating to the issuance of 72995  
an installation permit or operating permit unless such 72996  
consideration or reliance is requested by the owner or operator 72997  
of the air contaminant source requesting the permit. 72998

**Sec. 3704.111.** (A) Not later than October 1, 1993, the 72999  
director of environmental protection shall enter into a 73000  
delegation agreement with each local air pollution control 73001  
authority listed in divisions ~~(N) (1) (a) to (h)~~ (P) (1) of section 73002  
3704.01 of the Revised Code under which the local air pollution 73003  
control authority agrees to perform on behalf of the 73004  
environmental protection agency air pollution control regulatory 73005  
services within the political subdivision represented by the 73006  
local air pollution control authority. The director may enter 73007  
into such a delegation agreement with a local air pollution 73008  
control authority established on or after the effective date of 73009  
this section, subject to the condition established in division 73010  
(B) of this section. Each delegation agreement shall be self- 73011  
renewing on an annual basis on the first day of October of each 73012  
year. The terms of each such delegation agreement shall remain 73013  
unchanged from year to year unless they are amended by mutual 73014  
agreement of the director and the local air pollution control 73015  
authority. 73016

(B) The director may conduct a periodic performance 73017  
evaluation of the air pollution control program operated by each 73018  
local air pollution control authority. Based upon the findings 73019  
of such a performance evaluation, the director may terminate or 73020  
refuse to renew the delegation agreement with a local air 73021  
pollution control authority if the director determines that the 73022  
local air pollution control authority is not adequately 73023  
performing its obligations under the agreement. 73024

(C) The director may enter into contracts for payments to 73025  
local air pollution control authorities from moneys credited to 73026  
the clean air fund created in section 3704.035 of the Revised 73027  
Code, subject to the limitation specified in that section, and 73028  
any other moneys appropriated by the general assembly for that 73029

purpose. The director shall distribute the moneys available for 73030  
making payments to the local air pollution control authorities 73031  
pursuant to such contracts equitably among the local air 73032  
pollution control authorities based upon the amount of local 73033  
funding and the workload of each local air pollution control 73034  
authority, including, without limitation, population served, 73035  
number of air permits issued for both new and existing sources, 73036  
land area, and number of air contaminant sources. The director 73037  
biennially shall review the workload of each local air pollution 73038  
control authority and shall determine the percentage of the 73039  
moneys available for the purpose of making payments under the 73040  
contracts. In determining the percentage of those moneys that is 73041  
to be so distributed, the director shall consider the 73042  
recommendations of the local air pollution control authorities. 73043

(D) The director may modify a contract between the 73044  
director and a local air pollution control authority to 73045  
authorize the local air pollution control authority to perform 73046  
air pollution control activities outside the geographic 73047  
boundaries of that local air pollution control authority. 73048

**Sec. 3704.112.** For the purpose of fulfilling the duties 73049  
and obligations imposed pursuant to a delegation agreement 73050  
entered into under section 3704.111 of the Revised Code, a local 73051  
air pollution control authority, in the name of the 73052  
environmental protection agency, may do all of the following 73053  
within the political subdivisions that it represents: 73054

(A) Establish, maintain, and operate air quality 73055  
monitoring stations and other devices designed to measure air 73056  
pollution or ambient air quality, except for community air 73057

ascertain compliance with this chapter and any rules, orders, 73065  
terms or conditions of permits or variances, or other 73066  
determinations made or issued under it. If the entry or 73067  
inspection authorized under this division is refused, hindered, 73068  
or thwarted, an authorized representative of the local air 73069  
pollution control authority may apply for, and any judge of a 73070  
court of record may issue, an administrative inspection warrant 73071  
under division (F) of section 2933.21 of the Revised Code, or 73072  
other appropriate search warrant, to achieve the purposes of 73073  
this chapter within the court's territorial jurisdiction. 73074

government and any other source, public or private, for the 73091  
purpose of carrying out any function under this chapter. 73092

**Sec. 3704.14.** (A) (1) If the director of environmental 73093  
protection determines that implementation of a motor vehicle 73094  
inspection and maintenance program is necessary for the state to 73095  
effectively comply with the federal Clean Air Act after June 30, 73096  
~~2023~~2025, the director may provide for the implementation of the 73097  
program in those counties in this state in which such a program 73098  
is federally mandated. Upon making such a determination, the 73099  
director of environmental protection may request the director of 73100  
administrative services to extend the terms of the contract that 73101  
was entered into under the authority of ~~Am. Sub. H.B. 64-33~~ of 73102

section. The contract shall be extended for a period of up to 73106  
twenty-four months with the contractor who conducted the motor 73107  
vehicle inspection and maintenance program under that contract. 73108

(2) Prior to the expiration of the contract extension that 73109  
~~is~~ was authorized by division (A) (1) of this section under the 73110

administrative services to enter into a contract with a vendor 73113  
to operate a decentralized motor vehicle inspection and 73114  
maintenance program in each county in this state in which such a 73115  
program is federally mandated through June 30, 2027, ~~with an~~ 73116  
~~option for the state to renew the contract for a period of up to~~ 73117  
~~twenty-four months through June 30, 2029~~. The contract shall 73118  
ensure that the decentralized motor vehicle inspection and 73119  
maintenance program achieves ~~at least the same~~ an equivalent 73120

amount of emission reductions as achieved by the program 73121  
operated under the authority of the contract that was extended 73122  
under division (A) (1) of this section under the authority of 73123  
H.B. 33 of the 135th general assembly. The director of 73124

decentralized motor vehicle inspection and maintenance program 73131  
in this state incorporates the following, which shall be 73132  
included in the contract: 73133

locations for consumer convenience, a requirement that the 73135  
vendor utilize established local businesses, auto repair 73136  
facilities, or leased properties to operate state-approved 73137  
inspection and maintenance testing facilities; 73138

(b) A requirement that the vendor selected to operate the 73139  
program provide notification of the program's requirements to 73140  
each owner of a motor vehicle that is required to be inspected 73141  
under the program. The contract shall require the notification 73142  
to be provided not later than sixty days prior to the date by 73143  
which the owner of the motor vehicle is required to have the 73144  
motor vehicle inspected. The director of environmental 73145  
protection and the vendor shall jointly agree on the content of 73146  
the notice. However, the notice shall include at a minimum the 73147

Sub. H.B. 66 of the 126th general assembly,

provided that the rules do not conflict with this section. 73180

(2) The director of environmental protection shall issue 73181  
an inspection certificate provided for under division (B) (2) of 73182  
this section in accordance with Chapter 4796. of the Revised 73183

the dealer when that individual resides in a county that is 73204  
subject to the motor vehicle inspection and maintenance program; 73205

(2) To provide payment for more than one free passing 73206  
emissions inspection or a total of three emissions inspections 73207  
for a motor vehicle in any three-hundred-sixty-five-day period. 73208

The owner or lessee of a motor vehicle is responsible for 73209  
inspection fees that are related to emissions inspections beyond 73210  
one free passing emissions inspection or three total emissions 73211  
inspections in any three-hundred-sixty-five-day period. 73212  
Inspection fees that are charged by a contractor conducting 73213  
emissions inspections under a motor vehicle inspection and 73214  
maintenance program shall be approved by the director of 73215

all contracts entered into under this section and shall not be 73219  
implemented beyond the final date on which termination occurs. 73220

(F) If the United States environmental protection agency 73221  
determines that the motor vehicle inspection and maintenance 73222  
program implemented in accordance with this section is not 73223  
necessary for the state or any area of the state to comply with 73224  
the federal Clean Air Act, the director shall immediately 73225  
discontinue the program and take any actions necessary to 73226  
effectuate the termination of the program. 73227

real estate and professional licensing for the use of the 73315  
division and the Ohio cemetery dispute resolution commission, if 73316  
the director determines that the total amount of funds the fee 73317  
is generating at the amount required by this section exceeds the 73318  
amount of funds the division of real estate and professional 73319  
licensing and the commission need to carry out their powers and 73320

(2) "Small egg producer" means any person that is engaged 73626  
in the operation of egg production and annually maintains five 73627

(B) The director of agriculture shall adopt rules in 73629  
accordance with Chapter 119. of the Revised Code that establish, 73630  
when otherwise not established by the Revised Code, standards 73631  
and good manufacturing practices for food processing 73632  
establishments, including the facilities of food processing 73633  
establishments and their sanitation. The rules shall conform 73634  
with or be equivalent to the standards for foods established by 73635  
the United States food and drug administration in Title 21 of 73636  
the Code of Federal Regulations. 73637

A business or that portion of a business that is regulated 73638  
by the department of agriculture under Chapter 917. or 918. of 73639  
the Revised Code is not subject to regulation under this section 73640  
as a food processing establishment. 73641

**Sec. 3718.02.** (A) The director of health, in accordance 73642  
with Chapter 119. of the Revised Code, shall adopt, and 73643  
subsequently may amend and rescind, rules of general application 73644  
throughout the state to administer this chapter. Rules adopted 73645  
under division (A) of this section shall do at least all of the 73646  
following: 73647

(1) Require that the appropriate board of health approve 73648  
or disapprove the installation, operation, and alteration of a 73649  
sewage treatment system if it is not connected to a sanitary 73650  
sewerage system; 73651

(2) Require a board of health, or other person as 73652  
established by rule, to conduct a site evaluation for any 73653  
proposed installation of a sewage treatment system; 73654

(3) Prescribe standards for the siting, design, 73655  
installation, operation, monitoring, maintenance, and 73656  
abandonment of sewage treatment systems that may be used in this 73657  
state and for the progressive or incremental alteration or 73658  
repair of an existing sewage treatment system or the progressive 73659  
or incremental installation of a new system to replace an 73660  
existing sewage treatment system. The rules shall be adopted so 73661  
as to establish a preference for the repair of an existing 73662  
sewage treatment system, when technically and economically 73663  
feasible, rather than its replacement with a new system. The 73664  
standards shall include at a minimum all of the following: 73665

(a) Soil absorption specifications and vertical separation 73666  
distances. 73667

(i) Soil absorption specifications established in rules 73668  
shall include standards regarding the sizing of sewage treatment 73669  
systems in use in the state. 73670

(ii) In establishing soil absorption specifications and 73671  
vertical separation distances, the rules shall identify those 73672  
soil conditions that present a low or moderate risk of 73673  
inadequate treatment or dispersal of sewage from sewage 73674  
treatment systems. For low and moderate risk conditions, the 73675  
required vertical separation distance shall not exceed eighteen 73676  
inches except as authorized pursuant to rules adopted under 73677  
divisions (A) (3) (a) (iii) and (iv) of this section. 73678

In addition, the rules shall identify those soil 73679  
conditions that present a high risk of inadequate treatment or 73680  
dispersal of sewage. For such high risk conditions, the vertical 73681  
separation distance shall be set at a depth from twenty-four to 73682  
thirty-six inches and shall not be lowered unless a reduction of 73683  
vertical separation is granted in accordance with rules adopted 73684

under division (A) (3) (a) (iii) of this section. 73685

(iii) The rules shall establish options to be utilized by 73686  
a board of health when approving the reductions of or compliance 73687  
with vertical separation distances that are established in rules 73688  
adopted under division (A) (3) (a) (ii) of this section. The 73689  
options for a board of health in providing such approval shall 73690  
include, but not be limited to: the use where deemed appropriate 73691  
for a particular site of subsurface interceptor drains, 73692  
perimeter drains, or engineered drainage; pretreatment of 73693  
sewage; or soil elevation. 73694

(iv) The rules shall provide that a board of health may 73695  
petition the director to increase the vertical separation 73696  
distances required for sewage treatment systems in the 73697  
applicable health district or a portion of the district when 73698  
conditions present a high risk of inadequate treatment or 73699  
dispersal of sewage. The rules also shall provide that the 73700  
director may approve such a request upon a demonstration by the 73701  
board of health that unusual or unique local conditions relating 73702  
to terrain, bedrock, water table, soil fragments, or soil 73703  
textures require the establishment of greater vertical 73704  
separation distances within the jurisdiction of the board of 73705  
health or a portion thereof. If, under the rules, the director 73706  
of health approves a greater vertical separation distance, a 73707  
board of health still may approve a reduction of that vertical 73708  
separation distance for an individual sewage treatment system 73709  
pursuant to rules adopted under division (A) (3) (a) (iii) of this 73710  
section. Further, if, under the rules, the director approves a 73711  
greater vertical separation distance, a person who is denied 73712  
permission by a board of health to install or replace a sewage 73713  
treatment system as a result of the director's approval may 73714  
request a hearing in accordance with section 3718.11 of the 73715

Revised Code. 73716

(b) Specifications for the quality of treated sewage 73717  
effluent from household sewage treatment systems that is applied 73718  
to soil on the property where a household sewage treatment 73719  
system is located. The specifications established in the rules 73720  
for the quality of effluent from discharging systems shall 73721  
comply with discharge requirements imposed by the national 73722  
pollutant discharge elimination system permit program 73723  
established under section 6111.03 of the Revised Code and rules 73724  
adopted under it. 73725

(c) Requirements for the reasonable maintenance of a 73726  
system according to maintenance requirements approved by the 73727  
director of health as recommended by the sewage treatment system 73728  
technical advisory committee or according to accepted standards 73729  
and practices established in rules, as applicable. The 73730  
requirements may include standards for service contracts or 73731  
other arrangements that assure regular maintenance and upkeep of 73732  
the system. In determining the reasonableness of a maintenance 73733  
requirement, the director shall consider a manufacturer's 73734  
maintenance requirements as well as all other maintenance 73735  
alternatives. 73736

(4) Prescribe procedures for notification to boards of 73737  
health of the approval of a sewage treatment system or 73738  
components of a system by the director of health under section 73739  
3718.04 of the Revised Code; 73740

(5) Prescribe criteria and procedures under which boards 73741  
of health shall issue installation permits, operation permits, 73742  
and alteration permits for sewage treatment systems. The rules 73743  
shall require as a condition of an installation permit that the 73744  
installer of a system must warrant that the system was installed 73745

in accordance with all applicable rules and design requirements. 73746  
In addition, the rules shall require a board of health, not 73747  
later than sixty days after the issuance of an installation, 73748  
operation, or alteration permit, to notify the director that the 73749  
permit was issued. The rules shall require the notification to 73750  
be in a format prescribed by the director and to include 73751  
information related to the issuance of the permit. With the 73752  
assistance of the department of health, a board of health, to 73753  
the extent practicable, shall computerize the process of the 73754  
issuance of permits for sewage treatment systems. 73755

(6) Require a board of health to inspect a sewage 73756  
treatment system not later than twelve months after its 73757  
installation to ensure that the system is operating properly. 73758  
The rules shall require a board of health, not later than sixty 73759  
days after the inspection, to certify to the director on a form 73760  
provided by the director that the inspection was performed. 73761

(7) Require each board of health to develop a program for 73762  
the administration of maintenance requirements established in 73763  
rules adopted under division (A) (3) (c) of this section. The 73764  
rules shall include requirements and procedures under which a 73765  
person may demonstrate the required maintenance of a system in 73766  
lieu of having an inspection conducted when an inspection 73767  
otherwise is required. The rules shall require a board of health 73768  
to provide written notice to a person that is demonstrating 73769  
maintenance of a system in lieu of an inspection that if proof 73770  
of the required maintenance of the system is not provided as 73771  
required by rules, the system is subject to inspection by the 73772  
board and the reasonable cost of the inspection must be paid by 73773  
the person. The rules shall authorize a board of health to 73774  
inspect any sewage treatment system if there is a good-faith 73775  
complaint regarding the system, there is probable cause for the 73776

inspection, or proof of the required maintenance of the system 73777  
has not been provided as required by rules. In addition, the 73778  
rules shall authorize a board of health to inspect a sewage 73779  
treatment system without prior notice in any instance in which 73780  
the board has probable cause to believe that the system is 73781  
endangering or threatening to endanger public health. The rules 73782  
shall require that the reasonable costs for sewage effluent 73783  
testing or evaluation be paid by the owner of a sewage treatment 73784  
system that is being investigated. Further, the rules shall 73785  
establish a methodology for determining the reasonable costs of 73786  
an inspection in accordance with section 3709.09 of the Revised 73787  
Code. The rules shall allow, but shall not require, a board of 73788  
health to continue an inspection program that was established by 73789  
the board prior to the effective date of the rules, provided 73790  
that the program authorizes a person to demonstrate the required 73791  
maintenance of a system in lieu of an inspection. 73792

(8) Require a board of health to register installers, 73793  
service providers, and septage haulers that perform work within 73794  
the health district; prescribe criteria and procedures for the 73795  
registration; and prescribe criteria for a demonstration of 73796  
competency as a part of the registration. The rules shall 73797  
establish uniform statewide bonding requirements or other 73798  
financial security requirements for installers, service 73799  
providers, and septage haulers as a condition of registration 73800  
within any health district. The rules shall establish a 73801  
methodology by which the required amount of a bond or other 73802  
security may be calculated for each installer, service provider, 73803  
and septage hauler. The methodology, at a minimum, shall 73804  
consider the number of systems installed or serviced and the 73805  
type of system installed or serviced by an installer, service 73806  
provider, or septage hauler on an annual basis. The rules shall 73807

infectious wastes consisting of blood, blood products, body 74612  
fluids, and excreta into a disposal system, as defined in 74613

Chapter 6111. of the Revised Code; 74617

(vi) May transport or cause to be transported infectious 74618

(6) and (7) of this section, no person shall operate or maintain 74755  
a solid waste facility without a license issued under this 74756  
division by the board of health of the health district in which 74757  
the facility is located or by the director of environmental 74758  
protection when the health district in which the facility is 74759  
located is not on the approved list under section 3734.08 of the 74760  
Revised Code. 74761

During the month of December, but before the first day of 74762  
January of the next year, every person proposing to continue to 74763  
operate an existing solid waste facility shall procure a license 74764  
under this division to operate the facility for that year from 74765  
the board of health of the health district in which the facility 74766  
is located or, if the health district is not on the approved 74767  
list under section 3734.08 of the Revised Code, from the 74768  
director. The application for such a license shall be submitted 74769  
to the board of health or to the director, as appropriate, on or 74770  
before the last day of September of the year preceding that for 74771

prescribed in division (A) (2) of this section, a person who 74773  
submits an application after that date shall pay an additional 74774  
ten per cent of the amount of the application fee for each week 74775  
that the application is late. Late payment fees accompanying an 74776  
application submitted to the board of health shall be credited 74777  
to the special fund of the health district created in division 74778  
(B) of section 3734.06 of the Revised Code, and late payment 74779  
fees accompanying an application submitted to the director shall 74780  
be credited to the general revenue fund. A person who has 74781  
received a license, upon sale or disposition of a solid waste 74782  
facility, and upon consent of the board of health and the 74783

director, may have the license transferred to another person. 74784  
The board of health or the director may include such terms and 74785  
conditions in a license or revision to a license as are 74786  
appropriate to ensure compliance with this chapter and rules 74787  
adopted under it. The terms and conditions may establish the 74788  
authorized maximum daily waste receipts for the facility. 74789  
Limitations on maximum daily waste receipts shall be specified 74790  
in cubic yards of volume for the purpose of regulating the 74791  
design, construction, and operation of solid waste facilities. 74792  
Terms and conditions included in a license or revision to a 74793  
license by a board of health shall be consistent with, and 74794  
pertain only to the subjects addressed in, the rules adopted 74795  
under division (A) of section 3734.02 and division (D) of 74796  
section 3734.12 of the Revised Code. 74797

(2) (a) Except as provided in divisions (A) (2) (b), (6), and 74798  
(7) of this section, each person proposing to open a new solid 74799  
waste facility or to modify an existing solid waste facility 74800  
shall submit an application for a permit with accompanying 74801  
detail plans and specifications to the environmental protection 74802  
agency for required approval under the rules adopted by the 74803  
director pursuant to division (A) of section 3734.02 of the 74804  
Revised Code and applicable rules adopted under division (D) of 74805  
section 3734.12 of the Revised Code at least two hundred seventy 74806

concurrently make application for the issuance of a license 74808  
under division (A) (1) of this section with the board of health 74809  
of the health district in which the proposed facility is to be 74810  
located. 74811

(b) On and after the effective date of the rules adopted 74812  
under division (A) of section 3734.02 of the Revised Code and 74813  
division (D) of section 3734.12 of the Revised Code governing 74814

solid waste transfer facilities, each person proposing to open a 74815  
new solid waste transfer facility or to modify an existing solid 74816  
waste transfer facility shall submit an application for a permit 74817  
with accompanying engineering detail plans, specifications, and 74818  
information regarding the facility and its method of operation 74819  
to the environmental protection agency for required approval 74820  
under those rules at least two hundred seventy days before 74821

of the Revised Code, the application fee shall be credited to 74834  
the special fund of the health district created in division (B) 74835  
of section 3734.06 of the Revised Code. If the application for 74836  
an annual license is submitted to the director, the application 74837  
fee shall be credited to the general revenue fund. If a permit 74838  
or license is issued, the amount of the application fee paid 74839

county. If the application is for a permit to open a new solid 74900  
waste facility, the director shall hold the hearing not less 74901  
than fourteen days after the information session. If the 74902  
application is for a permit to modify an existing solid waste 74903  
facility, the director may hold both the information session and 74904

the hearing on the same day unless any individual affected by 74905  
the application requests in writing that the information session 74906

session, an officer or employee of the environmental protection 74922  
agency shall describe the status of the permit application and 74923  
be available to respond to comments or questions concerning the 74924  
application. At the public hearing, any person may submit 74925

of the facility, shall attend the information session and public 74929  
hearing to respond to comments or questions concerning the 74930  
facility directed to the applicant or representative by the 74931  
officer or employee of the environmental protection agency 74932  
presiding at the information session and hearing. 74933

(f) The solid waste management policy committee of a 74934  
county or joint solid waste management district may adopt a 74935

resolution requesting expeditious consideration of a specific 74936  
application submitted under division (A) (2) (a) of this section 74937  
for a permit to modify an existing solid waste facility within 74938  
the district. The resolution shall make the finding that 74939  
expedited consideration of the application without the public 74940  
information session and public hearing under division (A) (2) (e) 74941  
of this section is in the public interest and will not endanger 74942  
human health, as determined by the director by rules adopted in 74943  
accordance with Chapter 119. of the Revised Code. Upon receiving 74944  
such a resolution, the director, at the director's discretion, 74945  
may issue a final action upon the application without holding a 74946  
public information session or public hearing pursuant to 74947  
division (A) (2) (e) of this section. 74948

(3) The director may issue an order in accordance with 74949  
Chapter 3745. of the Revised Code to the owner or operator of a 74950  
solid waste facility requiring the person to submit to the 74951  
director updated engineering detail plans, specifications, and 74952  
information regarding the facility and its method of operation 74953  
for approval under rules adopted under division (A) of section 74954  
3734.02 of the Revised Code and applicable rules adopted under 74955  
division (D) of section 3734.12 of the Revised Code if, in the 74956  
director's judgment, conditions at the facility constitute a 74957  
substantial threat to public health or safety or are causing or 74958  
contributing to or threatening to cause or contribute to air or 74959  
water pollution or soil contamination. Any person who receives 74960  
such an order shall submit the updated engineering detail plans, 74961  
specifications, and information to the director within one 74962  
hundred eighty days after the effective date of the order. 74963

(4) The director shall act upon any updated engineering 74964  
plans, specifications, and information submitted under division 74965  
(A) (3) of this section within one hundred eighty days after 74966

receiving them. If the director issues an order disapproving the plans, specifications, and information submitted under division (A) (3) of this section, the order shall include all of the following requirements:

(a) That the owner or operator submit a plan for closure and post-closure care of the facility to the director for approval within six months after issuance of the order;

(b) That the owner or operator cease accepting solid wastes for disposal or transfer at the facility; and

(c) The owner or operator commence closure of the facility not later than one year after issuance of the order.

If the director determines that closure of the facility within that one-year period would result in the unavailability of sufficient solid waste management facility capacity within the county or joint solid waste management district in which the facility is located to dispose of or transfer the solid waste generated within the district, the director in the order of disapproval may postpone commencement of closure of the facility for such period of time as the director finds necessary for the board of county commissioners or directors of the district to secure access to or for there to be constructed within the district sufficient solid waste management facility capacity to meet the needs of the district, provided that the director shall certify in the director's order that postponing the date for commencement of closure will not endanger ground water or any property surrounding the facility, allow methane gas migration to occur, or cause or contribute to any other type of environmental damage.

If an emergency need for disposal capacity that may affect

public health and safety exists as a result of closure of a 74996  
facility under division (A) (4) of this section, the director may 74997  
issue an order designating another solid waste facility to 74998  
accept the wastes that would have been disposed of at the 74999  
facility to be closed. 75000

(5) If the director determines that standards more 75001  
stringent than those applicable in rules adopted under division 75002  
(A) of section 3734.02 of the Revised Code and division (D) of 75003  
section 3734.12 of the Revised Code, or standards pertaining to 75004  
subjects not specifically addressed by those rules, are 75005  
necessary to ensure that a solid waste facility constructed at 75006  
the proposed location will not cause a nuisance, cause or 75007  
contribute to water pollution, or endanger public health or 75008  
safety, the director may issue a permit for the facility with 75009  
such terms and conditions as the director finds necessary to 75010  
protect public health and safety and the environment. If a 75011  
permit is issued, the director shall state in the order issuing 75012  
it the specific findings supporting each such term or condition. 75013

(6) Divisions (A) (1) and (2) (a) of this section do not 75014  
apply to a solid waste compost facility that accepts exclusively 75015  
source separated yard wastes and that is registered under 75016  
division (C) of section 3734.02 of the Revised Code or, unless 75017  
otherwise provided in rules adopted under division (N) (3) of 75018  
section 3734.02 of the Revised Code, to a solid waste compost 75019  
facility if the director has adopted rules establishing an 75020  
alternative system for authorizing the establishment, operation, 75021  
or modification of a solid waste compost facility under that 75022  
division. 75023

(7) Divisions (A) (1) to (5) of this section do not apply 75024  
to scrap tire collection, storage, monocell, monofill, and 75025

recovery facilities. The approval of plans and specifications, 75026  
as applicable, and the issuance of registration certificates, 75027  
permits, and licenses for those facilities are subject to 75028  
sections 3734.75 to 3734.78 of the Revised Code, as applicable, 75029  
and section 3734.81 of the Revised Code. 75030

(B) (1) No person shall operate or maintain an infectious 75031  
waste treatment facility without a license issued by the board 75032  
of health of the health district in which the facility is 75033  
located or by the director when the health district in which the 75034  
facility is located is not on the approved list under section 75035  
3734.08 of the Revised Code. 75036

(2) (a) During the month of December, but before the first 75037  
day of January of the next year, every person proposing to 75038  
continue to operate an existing infectious waste treatment 75039  
facility shall procure a license to operate the facility for 75040  
that year from the board of health of the health district in 75041  
which the facility is located or, if the health district is not 75042  
on the approved list under section 3734.08 of the Revised Code, 75043  
from the director. The application for such a license shall be 75044  
submitted to the board of health or to the director, as 75045  
appropriate, on or before the last day of September of the year 75046  
preceding that for which the license is sought. In addition to 75047  
the application fee prescribed in division (B) (2) (c) of this 75048  
section, a person who submits an application after that date 75049  
shall pay an additional ten per cent of the amount of the 75050  
application fee for each week that the application is late. Late 75051  
payment fees accompanying an application submitted to the board 75052  
of health shall be credited to the special infectious waste fund 75053  
of the health district created in division (C) of section 75054  
3734.06 of the Revised Code, and late payment fees accompanying 75055  
an application submitted to the director shall be credited to 75056

the general revenue fund. A person who has received a license, 75057  
upon sale or disposition of an infectious waste treatment 75058  
facility and upon consent of the board of health and the 75059  
director, may have the license transferred to another person. 75060  
The board of health or the director may include such terms and 75061  
conditions in a license or revision to a license as are 75062  
appropriate to ensure compliance with the infectious waste 75063  
provisions of this chapter and rules adopted under them. 75064

(b) Each person proposing to open a new infectious waste 75065  
treatment facility or to modify an existing infectious waste 75066  
treatment facility shall submit an application for a permit with 75067  
accompanying detail plans and specifications to the 75068  
environmental protection agency for required approval under the 75069  
rules adopted by the director pursuant to section 3734.021 of 75070  
the Revised Code two hundred seventy days before proposed 75071  
operation of the facility and concurrently shall make 75072  
application for a license with the board of health of the health 75073  
district in which the facility is or is proposed to be located. 75074  
Not later than ninety days after receiving a complete 75075  
application under division (B) (2) (b) of this section for a 75076  
permit to open a new infectious waste treatment facility or 75077  
modify an existing infectious waste treatment facility to expand 75078  
its treatment capacity, or receiving a complete application 75079  
under division (A) (2) (a) of this section for a permit to open a 75080  
new solid waste incineration facility, or modify an existing 75081  
solid waste incineration facility to also treat infectious 75082  
wastes or to increase its infectious waste treatment capacity, 75083  
that pertains to a facility for which a notation authorizing 75084  
infectious waste treatment is included or proposed to be 75085  
included in the solid waste incineration facility's license 75086  
pursuant to division (B) (3) of this section, the director shall 75087

hold a public hearing on the application within the county in 75088  
which the new or modified infectious waste or solid waste 75089  
facility is or is proposed to be located or within a contiguous 75090  
county. Not less than thirty days before holding the public 75091  
hearing on the application, the director shall publish notice of 75092  
the hearing in each newspaper that has general circulation and 75093  
that is published in the county in which the facility is or is 75094  
proposed to be located. ~~If there is no newspaper that has-~~ 75095  
~~general circulation and that is published in the county, the-~~ 75096  
~~director shall publish the notice in a newspaper of general-~~ 75097  
~~circulation in the county~~ or by publication on the environmental 75098  
protection agency's official web site. The notice shall contain 75099  
the date, time, and location of the public hearing and a general 75100  
description of the proposed new or modified facility. At the 75101  
public hearing, any person may submit written or oral comments 75102  
on or objections to the approval or disapproval of the 75103  
application. The applicant, or a representative of the applicant 75104  
who has knowledge of the location, construction, and operation 75105  
of the facility, shall attend the public hearing to respond to 75106  
comments or questions concerning the facility directed to the 75107  
applicant or representative by the officer or employee of the 75108  
environmental protection agency presiding at the hearing. 75109

(c) Each application for a permit under division (B) (2) (b) 75110  
of this section shall be accompanied by a nonrefundable 75111  
application fee of four hundred dollars that shall be credited 75112  
to the general revenue fund. Each application for an annual 75113  
license under division (B) (2) (a) of this section shall be 75114  
accompanied by a nonrefundable application fee of one hundred 75115  
dollars. If the application for an annual license is submitted 75116  
to a board of health on the approved list under section 3734.08 75117  
of the Revised Code, the application fee shall be credited to 75118

the special infectious waste fund of the health district created 75119  
in division (C) of section 3734.06 of the Revised Code. If the 75120  
application for an annual license is submitted to the director, 75121  
the application fee shall be credited to the general revenue 75122  
fund. If a permit or license is issued, the amount of the 75123  
application fee paid shall be deducted from the amount of the 75124  
permit fee due under division ~~(Q)~~(P) of section 3745.11 of the 75125  
Revised Code or the amount of the license fee due under division 75126  
(C) of section 3734.06 of the Revised Code. 75127

(d) The director may issue an order in accordance with 75128  
Chapter 3745. of the Revised Code to the owner or operator of an 75129  
infectious waste treatment facility requiring the person to 75130  
submit to the director updated engineering detail plans, 75131  
specifications, and information regarding the facility and its 75132  
method of operation for approval under rules adopted under 75133  
section 3734.021 of the Revised Code if, in the director's 75134  
judgment, conditions at the facility constitute a substantial 75135  
threat to public health or safety or are causing or contributing 75136  
to or threatening to cause or contribute to air or water 75137  
pollution or soil contamination. Any person who receives such an 75138  
order shall submit the updated engineering detail plans, 75139  
specifications, and information to the director within one 75140  
hundred eighty days after the effective date of the order. 75141

(e) The director shall act on any updated engineering 75142  
plans, specifications, and information submitted under division 75143  
(B) (2) (d) of this section within one hundred eighty days after 75144  
receiving them. If the director disapproves any such updated 75145  
engineering plans, specifications, and information, the director 75146  
shall include in the order disapproving the plans the 75147  
requirement that the owner or operator cease accepting 75148  
infectious wastes for treatment at the facility. 75149

(3) Division (B) of this section does not apply to a generator of infectious wastes that meets any of the following conditions:

(a) Treats, by methods, techniques, and practices established by rules adopted under division (B) (2) (a) of section 3734.021 of the Revised Code, any of the following wastes:

(i) Infectious wastes that are generated on any premises that are owned or operated by the generator;

(ii) Infectious wastes that are generated by a generator who has staff privileges at a hospital as defined in section 3727.01 of the Revised Code;

(iii) Infectious wastes that are generated in providing care to a patient by an emergency medical services organization as defined in section 4765.01 of the Revised Code.

(b) Holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717. and a permit issued under Chapter 3704. of the Revised Code;

(c) Treats or disposes of dead animals or parts thereof, or the blood of animals, and is subject to any of the following:

(i) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended;

(ii) Chapter 918. of the Revised Code;

(iii) Chapter 953. of the Revised Code.

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to

obtain a license under division (B) of this section as an 75177  
infectious waste treatment facility. However, the solid waste 75178  
facility license for the facility shall include the notation 75179  
that the facility also treats infectious wastes. 75180

The director shall not issue a permit to open a new solid 75181  
waste incineration facility unless the proposed facility 75182  
complies with the requirements for the location of new 75183  
infectious waste incineration facilities established in rules 75184  
adopted under division (B) (2) (b) of section 3734.021 of the 75185  
Revised Code. 75186

(C) Except for a facility or activity described in 75187  
division (E) (3) of section 3734.02 of the Revised Code, a person 75188  
who proposes to establish or operate a hazardous waste facility 75189  
shall submit a complete application for a hazardous waste 75190  
facility installation and operation permit and accompanying 75191  
detail plans, specifications, and such information as the 75192  
director may require to the environmental protection agency at 75193  
least one hundred eighty days before the proposed beginning of 75194  
operation of the facility. The applicant shall notify by 75195  
certified mail the legislative authority of each municipal 75196  
corporation, township, and county in which the facility is 75197  
proposed to be located of the submission of the application 75198  
within ten days after the submission or at such earlier time as 75199  
the director may establish by rule. If the application is for a 75200  
proposed new hazardous waste disposal or thermal treatment 75201  
facility, the applicant also shall give actual notice of the 75202  
general design and purpose of the facility to the legislative 75203  
authority of each municipal corporation, township, and county in 75204  
which the facility is proposed to be located at least ninety 75205  
days before the permit application is submitted to the 75206  
environmental protection agency. 75207

In accordance with rules adopted under section 3734.12 of the Revised Code, prior to the submission of a complete application for a hazardous waste facility installation and operation permit, the applicant shall hold at least one meeting in the township or municipal corporation in which the facility is proposed to be located, whichever is geographically closer to the proposed location of the facility. The meeting shall be open to the public and shall be held to inform the community of the proposed hazardous waste management activities and to solicit questions from the community concerning the activities.

(D) (1) Except as provided in section 3734.123 of the Revised Code, upon receipt of a complete application for a hazardous waste facility installation and operation permit under division (C) of this section, the director shall consider the application and accompanying information to determine whether the application complies with agency rules and the requirements of division (D) (2) of this section. After making a determination, the director shall issue either a draft permit or a notice of intent to deny the permit. The director, in accordance with rules adopted under section 3734.12 of the Revised Code or with rules adopted to implement Chapter 3745. of the Revised Code, shall provide public notice of the application and the draft permit or the notice of intent to deny the permit, provide an opportunity for public comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I) (3) of this

section unless the director finds and determines as follows: 75239

(a) The nature and volume of the waste to be treated, 75240  
stored, or disposed of at the facility; 75241

(b) That the facility complies with the director's 75242  
hazardous waste standards adopted pursuant to section 3734.12 of 75243  
the Revised Code; 75244

(c) That the facility represents the minimum adverse 75245  
environmental impact, considering the state of available 75246  
technology and the nature and economics of various alternatives, 75247  
and other pertinent considerations; 75248

(d) That the facility represents the minimum risk of all 75249  
of the following: 75250

(i) Fires or explosions from treatment, storage, or 75251  
disposal methods; 75252

(ii) Release of hazardous waste during transportation of 75253  
hazardous waste to or from the facility; 75254

(iii) Adverse impact on the public health and safety. 75255

(e) That the facility will comply with this chapter and 75256  
Chapters 3704. and 6111. of the Revised Code and all rules and 75257  
standards adopted under them; 75258

(f) That if the owner of the facility, the operator of the 75259  
facility, or any other person in a position with the facility 75260  
from which the person may influence the installation and 75261  
operation of the facility has been involved in any prior 75262  
activity involving transportation, treatment, storage, or 75263  
disposal of hazardous waste, that person has a history of 75264  
compliance with this chapter and Chapters 3704. and 6111. of the 75265  
Revised Code and all rules and standards adopted under them, the 75266

"Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 75267  
42 U.S.C.A. 6921, as amended, and all regulations adopted under 75268  
it, and similar laws and rules of other states if any such prior 75269  
operation was located in another state that demonstrates 75270  
sufficient reliability, expertise, and competency to operate a 75271  
hazardous waste facility under the applicable provisions of this 75272  
chapter and Chapters 3704. and 6111. of the Revised Code, the 75273  
applicable rules and standards adopted under them, and terms and 75274  
conditions of a hazardous waste facility installation and 75275  
operation permit, given the potential for harm to the public 75276  
health and safety and the environment that could result from the 75277  
irresponsible operation of the facility. For off-site 75278  
facilities, as defined in section 3734.41 of the Revised Code, 75279  
the director may use the investigative reports of the attorney 75280  
general prepared pursuant to section 3734.42 of the Revised Code 75281  
as a basis for making a finding and determination under division 75282  
(D) (2) (f) of this section. 75283

(g) That the active areas within a new hazardous waste 75284  
facility where acute hazardous waste as listed in 40 C.F.R. 75285  
261.33 (e), as amended, or organic waste that is toxic and is 75286  
listed under 40 C.F.R. 261, as amended, is being stored, 75287  
treated, or disposed of and where the aggregate of the storage 75288  
design capacity and the disposal design capacity of all 75289  
hazardous waste in those areas is greater than two hundred fifty 75290  
thousand gallons, are not located or operated within any of the 75291  
following: 75292

(i) Two thousand feet of any residence, school, hospital, 75293  
jail, or prison; 75294

(ii) Any naturally occurring wetland; 75295

(iii) Any flood hazard area if the applicant cannot show 75296

that the facility will be designed, constructed, operated, and 75297  
maintained to prevent washout by a one-hundred-year flood. 75298

Division (D) (2) (g) of this section does not apply to the 75299  
facility of any applicant who demonstrates to the director that 75300  
the limitations specified in that division are not necessary 75301  
because of the nature or volume of the waste and the manner of 75302  
management applied, the facility will impose no substantial 75303  
danger to the health and safety of persons occupying the 75304  
structures listed in division (D) (2) (g) (i) of this section, and 75305  
the facility is to be located or operated in an area where the 75306  
proposed hazardous waste activities will not be incompatible 75307  
with existing land uses in the area. 75308

(h) That the facility will not be located within the 75309  
boundaries of a state park established or dedicated under 75310  
Chapter 1546. of the Revised Code, a state park purchase area 75311  
established under section 1546.06 of the Revised Code, any unit 75312  
of the national park system, or any property that lies within 75313  
the boundaries of a national park or recreation area, but that 75314  
has not been acquired or is not administered by the secretary of 75315  
the United States department of the interior, located in this 75316  
state, or any candidate area located in this state identified 75317  
for potential inclusion in the national park system in the 75318  
edition of the "national park system plan" submitted under 75319  
paragraph (b) of section 8 of "The Act of August 18, 1970," 84 75320  
Stat. 825, 16 U.S.C.A. 1a-5, as amended, current at the time of 75321  
filing of the application for the permit, unless the facility 75322  
will be used exclusively for the storage of hazardous waste 75323  
generated within the park or recreation area in conjunction with 75324  
the operation of the park or recreation area. Division (D) (2) (h) 75325  
of this section does not apply to the facility of any applicant 75326  
for modification of a permit unless the modification application 75327

proposes to increase the land area included in the facility or 75328  
to increase the quantity of hazardous waste that will be 75329  
treated, stored, or disposed of at the facility. 75330

(3) Not later than one hundred eighty days after the end 75331  
of the public comment period, the director, without prior 75332  
hearing, shall issue or deny the permit in accordance with 75333  
Chapter 3745. of the Revised Code. If the director approves an 75334  
application for a hazardous waste facility installation and 75335  
operation permit, the director shall issue the permit, upon such 75336  
terms and conditions as the director finds are necessary to 75337  
ensure the construction and operation of the hazardous waste 75338  
facility in accordance with the standards of this section. 75339

(E) No political subdivision of this state shall require 75340  
any additional zoning or other approval, consent, permit, 75341  
certificate, or condition for the construction or operation of a 75342  
hazardous waste facility authorized by a hazardous waste 75343  
facility installation and operation permit issued pursuant to 75344  
this chapter, nor shall any political subdivision adopt or 75345  
enforce any law, ordinance, or rule that in any way alters, 75346  
impairs, or limits the authority granted in the permit. 75347

(F) The director may issue a single hazardous waste 75348  
facility installation and operation permit to a person who 75349  
operates two or more adjoining facilities where hazardous waste 75350  
is stored, treated, or disposed of if the application includes 75351  
detail plans, specifications, and information on all facilities. 75352  
For the purposes of this section, "adjoining" means sharing a 75353  
common boundary, separated only by a public road, or in such 75354  
proximity that the director determines that the issuance of a 75355  
single permit will not create a hazard to the public health or 75356  
safety or the environment. 75357

(G) No person shall falsify or fail to keep or submit any plans, specifications, data, reports, records, manifests, or other information required to be kept or submitted to the director by this chapter or the rules adopted under it.

(H) (1) Each person who holds an installation and operation permit issued under this section and who wishes to obtain a permit renewal shall submit a completed application for an installation and operation permit renewal and any necessary accompanying general plans, detail plans, specifications, and such information as the director may require to the director no later than one hundred eighty days prior to the expiration date of the existing permit or upon a later date prior to the expiration of the existing permit if the permittee can demonstrate good cause for the late submittal. The director shall consider the application and accompanying information, inspection reports of the facility, results of performance tests, a report regarding the facility's compliance or noncompliance with the terms and conditions of its permit and rules adopted by the director under this chapter, and such other information as is relevant to the operation of the facility and shall issue a draft renewal permit or a notice of intent to deny the renewal permit. The director, in accordance with rules adopted under this section or with rules adopted to implement Chapter 3745. of the Revised Code, shall give public notice of the application and draft renewal permit or notice of intent to deny the renewal permit, provide for the opportunity for public comments within a specified time period, schedule a public meeting in the county in which the facility is located if significant interest is shown, and give public notice of the public meeting.

(2) Within sixty days after the public meeting or close of

the public comment period, the director, without prior hearing, 75389  
shall issue or deny the renewal permit in accordance with 75390  
Chapter 3745. of the Revised Code. The director shall not issue 75391  
a renewal permit unless the director determines that the 75392  
facility under the existing permit has a history of compliance 75393  
with this chapter, rules adopted under it, the existing permit, 75394  
or orders entered to enforce such requirements that demonstrates 75395  
sufficient reliability, expertise, and competency to operate the 75396  
facility henceforth under this chapter, rules adopted under it, 75397  
and the renewal permit. If the director approves an application 75398  
for a renewal permit, the director shall issue the permit 75399  
subject to the payment of the annual permit fee required under 75400  
division (E) of section 3734.02 of the Revised Code and upon 75401  
such terms and conditions as the director finds are reasonable 75402  
to ensure that continued operation, maintenance, closure, and 75403  
post-closure care of the hazardous waste facility are in 75404  
accordance with the rules adopted under section 3734.12 of the 75405  
Revised Code. 75406

(3) An installation and operation permit renewal 75407  
application submitted to the director that also contains or 75408  
would constitute an application for a modification shall be 75409  
acted upon by the director in accordance with division (I) of 75410  
this section in the same manner as an application for a 75411  
modification. In approving or disapproving the renewal portion 75412  
of a permit renewal application containing an application for a 75413  
modification, the director shall apply the criteria established 75414  
under division (H) (2) of this section. 75415

(4) An application for renewal or modification of a permit 75416  
that does not contain an application for a modification as 75417  
described in divisions (I) (3) (a) to (d) of this section shall 75418  
not be subject to division (D) (2) of this section. 75419

(I) (1) As used in this section, "modification" means a 75420  
change or alteration to a hazardous waste facility or its 75421  
operations that is inconsistent with or not authorized by its 75422  
existing permit or authorization to operate. Modifications shall 75423  
be classified as Class 1, 2, or 3 modifications in accordance 75424  
with rules adopted under division (K) of this section. 75425  
Modifications classified as Class 3 modifications, in accordance 75426  
with rules adopted under that division, shall be further 75427  
classified by the director as either Class 3 modifications that 75428  
are to be approved or disapproved by the director under 75429  
divisions (I) (3) (a) to (d) of this section or as Class 3 75430  
modifications that are to be approved or disapproved by the 75431  
director under division (I) (5) of this section. Not later than 75432  
thirty days after receiving a request for a modification under 75433  
division (I) (4) of this section that is not listed in Appendix I 75434  
to 40 C.F.R. 270.42 or in rules adopted under division (K) of 75435  
this section, the director shall classify the modification and 75436  
shall notify the owner or operator of the facility requesting 75437  
the modification of the classification. Notwithstanding any 75438  
other law to the contrary, a modification that involves the 75439  
transfer of a hazardous waste facility installation and 75440  
operation permit to a new owner or operator for any off-site 75441  
facility as defined in section 3734.41 of the Revised Code shall 75442  
be classified as a Class 3 modification. The transfer of a 75443  
hazardous waste facility installation and operation permit to a 75444  
new owner or operator for a facility that is not an off-site 75445  
facility shall be classified as a Class 1 modification requiring 75446  
prior approval of the director. 75447

(2) Except as provided in section 3734.123 of the Revised 75448  
Code, a hazardous waste facility installation and operation 75449  
permit may be modified at the request of the director or upon 75450

the written request of the permittee only if any of the 75451  
following applies: 75452

(a) The permittee desires to accomplish alterations, 75453  
additions, or deletions to the permitted facility or to 75454  
undertake alterations, additions, deletions, or activities that 75455  
are inconsistent with or not authorized by the existing permit; 75456

(b) New information or data justify permit conditions in 75457  
addition to or different from those in the existing permit; 75458

(c) The standards, criteria, or rules upon which the 75459  
existing permit is based have been changed by new, amended, or 75460  
rescinded standards, criteria, or rules, or by judicial decision 75461  
after the existing permit was issued, and the change justifies 75462  
permit conditions in addition to or different from those in the 75463  
existing permit; 75464

(d) The permittee proposes to transfer the permit to 75465  
another person. 75466

(3) The director shall approve or disapprove an 75467  
application for a modification in accordance with division (D) 75468  
(2) of this section and rules adopted under division (K) of this 75469  
section for all of the following categories of Class 3 75470  
modifications: 75471

(a) Authority to conduct treatment, storage, or disposal 75472  
at a site, location, or tract of land that has not been 75473  
authorized for the proposed category of treatment, storage, or 75474  
disposal activity by the facility's permit; 75475

(b) Modification or addition of a hazardous waste 75476  
management unit, as defined in rules adopted under section 75477  
3734.12 of the Revised Code, that results in an increase in a 75478  
facility's storage capacity of more than twenty-five per cent 75479

over the capacity authorized by the facility's permit, an 75480  
increase in a facility's treatment rate of more than twenty-five 75481  
per cent over the rate so authorized, or an increase in a 75482  
facility's disposal capacity over the capacity so authorized. 75483  
The authorized disposal capacity for a facility shall be 75484  
calculated from the approved design plans for the disposal units 75485  
at that facility. In no case during a five-year period shall a 75486  
facility's storage capacity or treatment rate be modified to 75487  
increase by more than twenty-five per cent in the aggregate 75488  
without the director's approval in accordance with division (D) 75489  
(2) of this section. Notwithstanding any provision of division 75490  
(I) of this section to the contrary, a request for modification 75491  
of a facility's annual total waste receipt limit shall be 75492  
classified and approved or disapproved by the director under 75493  
division (I) (5) of this section. 75494

(c) Authority to add any of the following categories of 75495  
regulated activities not previously authorized at a facility by 75496  
the facility's permit: storage at a facility not previously 75497  
authorized to store hazardous waste, treatment at a facility not 75498  
previously authorized to treat hazardous waste, or disposal at a 75499  
facility not previously authorized to dispose of hazardous 75500  
waste; or authority to add a category of hazardous waste 75501  
management unit not previously authorized at the facility by the 75502  
facility's permit. Notwithstanding any provision of division (I) 75503  
of this section to the contrary, a request for authority to add 75504  
or to modify an activity or a hazardous waste management unit 75505  
for the purposes of performing a corrective action shall be 75506  
classified and approved or disapproved by the director under 75507  
division (I) (5) of this section. 75508

(d) Authority to treat, store, or dispose of waste types 75509  
listed or characterized as reactive or explosive, in rules 75510

adopted under section 3734.12 of the Revised Code, or any acute hazardous waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not previously authorized to treat, store, or dispose of those types of wastes by the facility's permit unless the requested authority is limited to wastes that no longer exhibit characteristics meeting the criteria for listing or characterization as reactive or explosive wastes, or for listing as acute hazardous waste, but still are required to carry those waste codes as established in rules adopted under section 3734.12 of the Revised Code because of the requirements established in 40 C.F.R. 261(a) and (e), as amended, that is, the "mixture," "derived-from," or "contained-in" regulations.

(4) A written request for a modification from the permittee shall be submitted to the director and shall contain such information as is necessary to support the request. Requests for modifications shall be acted upon by the director in accordance with this section and rules adopted under it.

(5) Class 1 modification applications that require prior approval of the director, as provided in division (I)(1) of this section or as determined in accordance with rules adopted under division (K) of this section, Class 2 modification applications, and Class 3 modification applications that are not described in divisions (I)(3)(a) to (d) of this section shall be approved or disapproved by the director in accordance with rules adopted under division (K) of this section. The board of county commissioners of the county, the board of township trustees of the township, and the city manager or mayor of the municipal corporation in which a hazardous waste facility is located shall receive notification of any application for a modification for that facility and shall be considered as interested persons with respect to the director's consideration of the application.

As used in division (I) of this section: 75542

(a) "Owner" means the person who owns a majority or 75543  
controlling interest in a facility. 75544

(b) "Operator" means the person who is responsible for the 75545  
overall operation of a facility. 75546

The director shall approve or disapprove an application 75547  
for a Class 1 modification that requires the director's approval 75548  
within sixty days after receiving the request for modification. 75549  
The director shall approve or disapprove an application for a 75550  
Class 2 modification within three hundred days after receiving 75551  
the request for modification. The director shall approve or 75552  
disapprove an application for a Class 3 modification within 75553  
three hundred sixty-five days after receiving the request for 75554  
modification. 75555

(6) The approval or disapproval by the director of a Class 75556  
1 modification application is not a final action that is 75557  
appealable under Chapter 3745. of the Revised Code. The approval 75558  
or disapproval by the director of a Class 2 modification or a 75559  
Class 3 modification is a final action that is appealable under 75560  
that chapter. In approving or disapproving a request for a 75561  
modification, the director shall consider all comments 75562  
pertaining to the request that are received during the public 75563  
comment period and the public meetings. The administrative 75564  
record for appeal of a final action by the director in approving 75565  
or disapproving a request for a modification shall include all 75566  
comments received during the public comment period relating to 75567  
the request for modification, written materials submitted at the 75568  
public meetings relating to the request, and any other documents 75569  
related to the director's action. 75570

(7) Notwithstanding any other provision of law to the contrary, a change or alteration to a hazardous waste facility described in division (E) (3) (a) or (b) of section 3734.02 of the Revised Code, or its operations, is a modification for the purposes of this section. An application for a modification at such a facility shall be submitted, classified, and approved or disapproved in accordance with divisions (I) (1) to (6) of this section in the same manner as a modification to a hazardous waste facility installation and operation permit.

(J) (1) Except as provided in division (J) (2) of this section, an owner or operator of a hazardous waste facility that is operating in accordance with a permit by rule under rules adopted by the director under division (E) (3) (b) of section 3734.02 of the Revised Code shall submit either a hazardous waste facility installation and operation permit application for the facility or a modification application, whichever is required under division (J) (1) (a) or (b) of this section, within one hundred eighty days after the director has requested the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal.

(a) If the owner or operator does not have a hazardous waste facility installation and operation permit for any hazardous waste treatment, storage, or disposal activities at the facility, the owner or operator shall submit an application for such a permit to the director for the activities authorized by the permit by rule. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the application for the permit in accordance with the procedures governing the approval or disapproval of permit renewals under division (H) of this section.

(b) If the owner or operator has a hazardous waste facility installation and operation permit for hazardous waste treatment, storage, or disposal activities at the facility other than those authorized by the permit by rule, the owner or operator shall submit to the director a request for modification in accordance with division (I) of this section. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the modification application in accordance with division (I)(5) of this section.

(2) The owner or operator of a boiler or industrial furnace that is conducting thermal treatment activities in accordance with a permit by rule under rules adopted by the director under division (E)(3)(b) of section 3734.02 of the Revised Code shall submit a hazardous waste facility installation and operation permit application if the owner or operator does not have such a permit for any hazardous waste treatment, storage, or disposal activities at the facility or, if the owner or operator has such a permit for hazardous waste treatment, storage, or disposal activities at the facility other than thermal treatment activities authorized by the permit by rule, a modification application to add those activities authorized by the permit by rule, whichever is applicable, within one hundred eighty days after the director has requested the submission of the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal. The application shall be accompanied by information necessary to support the request. The director shall approve or disapprove an application for a hazardous waste facility installation and operation permit in accordance with division (D) of this section and approve or disapprove an application for a modification in accordance with division (I)

(3) of this section, except that the director shall not 75632  
disapprove an application for the thermal treatment activities 75633  
on the basis of the criteria set forth in division (D) (2) (g) or 75634  
(h) of this section. 75635

(3) As used in division (J) of this section: 75636

(a) "Modification application" means a request for a 75637  
modification submitted in accordance with division (I) of this 75638  
section. 75639

(b) "Thermal treatment," "boiler," and "industrial 75640  
furnace" have the same meanings as in rules adopted under 75641  
section 3734.12 of the Revised Code. 75642

(K) The director shall adopt, and may amend, suspend, or 75643  
rescind, rules in accordance with Chapter 119. of the Revised 75644  
Code in order to implement divisions (H) and (I) of this 75645  
section. Except when in actual conflict with this section, rules 75646  
governing the classification of and procedures for the 75647  
modification of hazardous waste facility installation and 75648  
operation permits shall be substantively and procedurally 75649  
identical to the regulations governing hazardous waste facility 75650  
permitting and permit modifications adopted under the "Resource 75651  
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 75652  
U.S.C.A. 6921, as amended. 75653

75679  
75680

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this division shall be collected by the owner or operator of the transfer facility as a trustee for the state. The amount of fees required to be collected under this division at such a transfer facility shall equal the total tonnage of solid wastes received at the facility multiplied by the fees levied under 75681  
75682  
75683  
75684  
75685  
75686  
75687  
75688  
75689

this division. In the case of solid wastes that are not taken to 75690  
a solid waste transfer facility located in this state prior to 75691  
being transported to a solid waste disposal facility, the fees 75692  
shall be collected by the owner or operator of the solid waste 75693  
disposal facility as a trustee for the state. The amount of fees 75694  
required to be collected under this division at such a disposal 75695  
facility shall equal the total tonnage of solid wastes received 75696  
at the facility that was not previously taken to a solid waste 75697  
transfer facility located in this state multiplied by the fees 75698  
levied under this division. Fees levied under this division do 75699  
not apply to materials separated from a mixed waste stream for 75700  
recycling by a generator or materials removed from the solid 75701  
waste stream through recycling, as "recycling" is defined in 75702  
rules adopted under section 3734.02 of the Revised Code. 75703

The owner or operator of a solid waste transfer facility 75704  
or disposal facility, as applicable, shall prepare and file with 75705  
the director of environmental protection each month a return 75706  
indicating the total tonnage of solid wastes received at the 75707  
facility during that month and the total amount of the fees 75708  
required to be collected under this division during that month. 75709  
In addition, the owner or operator of a solid waste disposal 75710  
facility shall indicate on the return the total tonnage of solid 75711  
wastes received from transfer facilities located in this state 75712  
during that month for which the fees were required to be 75713  
collected by the transfer facilities. The monthly returns shall 75714  
be filed on a form prescribed by the director. Not later than 75715  
thirty days after the last day of the month to which a return 75716  
applies, the owner or operator shall mail to the director the 75717  
return for that month together with the fees required to be 75718  
collected under this division during that month as indicated on 75719  
the return or may submit the return and fees electronically in a 75720

manner approved by the director. If the return is filed and the amount of the fees due is paid in a timely manner as required in this division, the owner or operator may retain a discount of three-fourths of one per cent of the total amount of the fees that are required to be paid as indicated on the return.

The owner or operator may request an extension of not more than thirty days for filing the return and remitting the fees, provided that the owner or operator has submitted such a request in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within thirty days after the last day of the month to which the return applies or are not remitted by the last day of an extension approved by the director, the owner or operator shall not retain the three-fourths of one per cent discount and shall pay an additional ten per cent of the amount of the fees for each month that they are late. For purposes of calculating the late fee, the first month in which fees are late begins on the first day after the deadline has passed for timely submitting the return and fees, and one additional month shall be counted every thirty days thereafter.

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A

Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted 75752  
under it. Prior to making a request for a refund or credit, an 75753  
owner or operator shall make reasonable efforts to collect the 75754  
applicable fees. A request for a refund or credit shall not 75755  
include any costs resulting from those efforts to collect unpaid 75756  
fees. 75757

A request for a refund or credit of fees shall be made in 75758  
writing, on a form prescribed by the director, and shall be 75759  
supported by evidence that may be required in rules adopted by 75760  
the director under this chapter. After reviewing the request, 75761  
and if the request and evidence submitted with the request 75762  
indicate that a refund or credit is warranted, the director 75763  
shall grant a refund to the owner or operator or shall permit a 75764  
credit to be taken by the owner or operator on a subsequent 75765  
monthly return submitted by the owner or operator. The amount of 75766  
a refund or credit shall not exceed an amount that is equal to 75767  
ninety days' worth of fees owed to an owner or operator by a 75768  
particular debtor of the owner or operator. A refund or credit 75769  
shall not be granted by the director to an owner or operator 75770  
more than once in any twelve-month period for fees owed to the 75771  
owner or operator by a particular debtor. 75772

If, after receiving a refund or credit from the director, 75773  
an owner or operator receives payment of all or part of the 75774  
fees, the owner or operator shall remit the fees with the next 75775  
monthly return submitted to the director together with a written 75776  
explanation of the reason for the submittal. 75777

For purposes of computing the fees levied under this 75778  
division or division (B) of this section, any solid waste 75779  
transfer or disposal facility that does not use scales as a 75780  
means of determining gate receipts shall use a conversion factor 75781

of three cubic yards per ton of solid waste or one cubic yard 75782  
per ton for baled waste, as applicable. 75783

The fees levied under this division and divisions (B) and 75784  
(C) of this section are in addition to all other applicable fees 75785  
and taxes and shall be paid by the customer or a political 75786  
subdivision to the owner or operator of a solid waste transfer 75787  
or disposal facility. In the alternative, the fees shall be paid 75788  
by a customer or political subdivision to a transporter of waste 75789  
who subsequently transfers the fees to the owner or operator of 75790  
such a facility. The fees shall be paid notwithstanding the 75791  
existence of any provision in a contract that the customer or a 75792  
political subdivision may have with the owner or operator or 75793  
with a transporter of waste to the facility that would not 75794  
require or allow such payment regardless of whether the contract 75795  
was entered prior to or after October 16, 2009. For those 75796  
purposes, "customer" means a person who contracts with, or 75797  
utilizes the solid waste services of, the owner or operator of a 75798  
solid waste transfer or disposal facility or a transporter of 75799  
solid waste to such a facility. 75800

(B) For the purposes specified in division (G) of this 75801  
section, the solid waste management policy committee of a county 75802  
or joint solid waste management district may levy fees upon the 75803  
following activities: 75804

(1) The disposal at a solid waste disposal facility 75805  
located in the district of solid wastes generated within the 75806  
district; 75807

(2) The disposal at a solid waste disposal facility within 75808  
the district of solid wastes generated outside the boundaries of 75809  
the district, but inside this state; 75810

(3) The disposal at a solid waste disposal facility within 75811  
the district of solid wastes generated outside the boundaries of 75812  
this state. 75813

The solid waste management plan of the county or joint 75814  
district approved under section 3734.521 or 3734.55 of the 75815  
Revised Code and any amendments to it, or the resolution adopted 75816  
under this division, as appropriate, shall establish the rates 75817  
of the fees levied under divisions (B) (1), (2), and (3) of this 75818  
section, if any, and shall specify whether the fees are levied 75819  
on the basis of tons or cubic yards as the unit of measurement. 75820  
A solid waste management district that levies fees under this 75821  
division on the basis of cubic yards shall do so in accordance 75822  
with division (A) of this section. 75823

The fee levied under division (B) (1) of this section shall 75824  
be not less than one dollar per ton nor more than two dollars 75825  
per ton, the fee levied under division (B) (2) of this section 75826  
shall be not less than two dollars per ton nor more than four 75827  
dollars per ton, and the fee levied under division (B) (3) of 75828  
this section shall be not more than the fee levied under 75829  
division (B) (1) of this section. 75830

Prior to the approval of the solid waste management plan 75831  
of a district under section 3734.55 of the Revised Code, the 75832  
solid waste management policy committee of a district may levy 75833  
fees under this division by adopting a resolution establishing 75834  
the proposed amount of the fees. Upon adopting the resolution, 75835  
the committee shall deliver a copy of the resolution to the 75836  
board of county commissioners of each county forming the 75837  
district and to the legislative authority of each municipal 75838  
corporation and township under the jurisdiction of the district 75839  
and shall prepare and publish the resolution and a notice of the 75840

time and location where a public hearing on the fees will be 75841  
held. Upon adopting the resolution, the committee shall deliver 75842  
written notice of the adoption of the resolution; of the amount 75843  
of the proposed fees; and of the date, time, and location of the 75844  
public hearing to the director and to the fifty industrial, 75845  
commercial, or institutional generators of solid wastes within 75846  
the district that generate the largest quantities of solid 75847  
wastes, as determined by the committee, and to their local trade 75848  
associations. The committee shall make good faith efforts to 75849  
identify those generators within the district and their local 75850  
trade associations, but the nonprovision of notice under this 75851  
division to a particular generator or local trade association 75852  
does not invalidate the proceedings under this division. The 75853  
publication shall occur at least thirty days before the hearing. 75854  
After the hearing, the committee may make such revisions to the 75855  
proposed fees as it considers appropriate and thereafter, by 75856  
resolution, shall adopt the revised fee schedule. Upon adopting 75857  
the revised fee schedule, the committee shall deliver a copy of 75858  
the resolution doing so to the board of county commissioners of 75859  
each county forming the district and to the legislative 75860  
authority of each municipal corporation and township under the 75861  
jurisdiction of the district. Within sixty days after the 75862  
delivery of a copy of the resolution adopting the proposed 75863  
revised fees by the policy committee, each such board and 75864  
legislative authority, by ordinance or resolution, shall approve 75865  
or disapprove the revised fees and deliver a copy of the 75866  
ordinance or resolution to the committee. If any such board or 75867  
legislative authority fails to adopt and deliver to the policy 75868  
committee an ordinance or resolution approving or disapproving 75869  
the revised fees within sixty days after the policy committee 75870  
delivered its resolution adopting the proposed revised fees, it 75871  
shall be conclusively presumed that the board or legislative 75872

authority has approved the proposed revised fees. The committee 75873  
shall determine if the resolution has been ratified in the same 75874  
manner in which it determines if a draft solid waste management 75875  
plan has been ratified under division (B) of section 3734.55 of 75876  
the Revised Code. 75877

The committee may amend the schedule of fees levied 75878  
pursuant to a resolution adopted and ratified under this 75879  
division by adopting a resolution establishing the proposed 75880  
amount of the amended fees. The committee may repeal the fees 75881  
levied pursuant to such a resolution by adopting a resolution 75882  
proposing to repeal them. Upon adopting such a resolution, the 75883  
committee shall proceed to obtain ratification of the resolution 75884  
in accordance with this division. 75885

Not later than fourteen days after declaring the new fees 75886  
to be ratified or the fees to be repealed under this division, 75887  
the committee shall notify by certified mail the owner or 75888  
operator of each solid waste disposal facility that is required 75889  
to collect the fees of the ratification and the amount of the 75890  
fees or of the repeal of the fees. Collection of any fees shall 75891  
commence or collection of repealed fees shall cease on the first 75892  
day of the second month following the month in which 75893  
notification is sent to the owner or operator. 75894

Fees levied under this division also may be established, 75895  
amended, or repealed by a solid waste management policy 75896  
committee through the adoption of a new district solid waste 75897  
management plan, the adoption of an amended plan, or the 75898  
amendment of the plan or amended plan in accordance with 75899  
sections 3734.55 and 3734.56 of the Revised Code or the adoption 75900  
or amendment of a district plan in connection with a change in 75901  
district composition under section 3734.521 of the Revised Code. 75902

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid

waste disposal facility that is required to collect the 75934  
district's fees that the change is to take effect on the first 75935  
day of January immediately following the issuance of the notice 75936  
and of the amount of the fees or amended fees levied under 75937  
divisions (B) (1) to (3) of this section pursuant to the 75938  
district's initial or amended plan as so approved or, if 75939  
appropriate, the repeal of the district's fees by that initial 75940  
or amended plan. Collection of any fees set forth in such a plan 75941  
or amended plan shall commence on the first day of January 75942  
immediately following the issuance of the notice. If such an 75943  
initial or amended plan repeals a schedule of fees, collection 75944  
of the fees shall cease on that first day of January. 75945

If, in the case of a change in district composition 75946  
involving the withdrawal of a county from a joint district, the 75947  
director completes the actions required under division (G) (1) or 75948  
(3) of section 3734.521 of the Revised Code, as appropriate, 75949  
less than forty-five days before the beginning of a calendar 75950  
year, the director, on behalf of each of the districts resulting 75951  
from the change that obtained the director's approval of an 75952  
initial or amended plan in connection with the change 75953  
proceedings, shall notify by certified mail the owner or 75954  
operator of each solid waste disposal facility that is required 75955  
to collect the district's fees that the change is to take effect 75956  
on the first day of January immediately following the mailing of 75957  
the notice and of the amount of the fees or amended fees levied 75958  
under divisions (B) (1) to (3) of this section pursuant to the 75959  
district's initial or amended plan as so approved or, if 75960  
appropriate, the repeal of the district's fees by that initial 75961  
or amended plan. Collection of any fees set forth in such a plan 75962  
or amended plan shall commence on the first day of the second 75963  
month following the month in which notification is sent to the 75964

owner or operator. If such an initial or amended plan repeals a  
schedule of fees, collection of the fees shall cease on the  
first day of the second month following the month in which  
notification is sent to the owner or operator.

If the schedule of fees that a solid waste management  
district is levying under divisions (B) (1) to (3) of this  
section is amended or repealed, the fees in effect immediately  
prior to the amendment or repeal shall continue to be collected  
until collection of the amended fees commences or collection of  
the repealed fees ceases, as applicable, as specified in this  
division. In the case of a change in district composition, money  
so received from the collection of the fees of the former  
districts shall be divided among the resulting districts in  
accordance with division (B) of section 343.012 of the Revised  
Code and the agreements entered into under division (B) of  
section 343.01 of the Revised Code to establish the former and  
resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this  
section establishing the times when newly established or amended  
fees levied by a district are required to commence and the  
collection of fees that have been amended or repealed is  
required to cease, "fees" or "schedule of fees" includes, in  
addition to fees levied under divisions (B) (1) to (3) of this  
section, those levied under section 3734.573 or 3734.574 of the  
Revised Code.

(C) For the purposes of defraying the added costs to a  
municipal corporation or township of maintaining roads and other  
public facilities and of providing emergency and other public  
services, and compensating a municipal corporation or township  
for reductions in real property tax revenues due to reductions

in real property valuations resulting from the location and 75995  
operation of a solid waste disposal facility within the 75996  
municipal corporation or township, a municipal corporation or 75997  
township in which such a solid waste disposal facility is 75998  
located may levy a fee of not more than twenty-five cents per 75999  
ton on the disposal of solid wastes at a solid waste disposal 76000  
facility located within the boundaries of the municipal 76001  
corporation or township regardless of where the wastes were 76002  
generated. 76003

The legislative authority of a municipal corporation or 76004  
township may levy fees under this division by enacting an 76005  
ordinance or adopting a resolution establishing the amount of 76006  
the fees. Upon so doing the legislative authority shall mail a 76007  
certified copy of the ordinance or resolution to the board of 76008  
county commissioners or directors of the county or joint solid 76009  
waste management district in which the municipal corporation or 76010  
township is located or, if a regional solid waste management 76011  
authority has been formed under section 343.011 of the Revised 76012  
Code, to the board of trustees of that regional authority, the 76013  
owner or operator of each solid waste disposal facility in the 76014  
municipal corporation or township that is required to collect 76015  
the fee by the ordinance or resolution, and the director of 76016  
environmental protection. Although the fees levied under this 76017  
division are levied on the basis of tons as the unit of 76018  
measurement, the legislative authority, in its ordinance or 76019  
resolution levying the fees under this division, may direct that 76020  
the fees be levied on the basis of cubic yards as the unit of 76021  
measurement based upon a conversion factor of three cubic yards 76022  
per ton generally or one cubic yard per ton for baled wastes. 76023

Not later than five days after enacting an ordinance or 76024  
adopting a resolution under this division, the legislative 76025

authority shall so notify by certified mail the owner or 76026  
operator of each solid waste disposal facility that is required 76027  
to collect the fee. Collection of any fee levied on or after 76028  
March 24, 1992, shall commence on the first day of the second 76029  
month following the month in which notification is sent to the 76030  
owner or operator. 76031

(D) (1) The fees levied under divisions (A), (B), and (C) 76032  
of this section do not apply to the disposal of solid wastes 76033  
that: 76034

(a) Are disposed of at a facility owned by the generator 76035  
of the wastes when the solid waste facility exclusively disposes 76036  
of solid wastes generated at one or more premises owned by the 76037  
generator regardless of whether the facility is located on a 76038  
premises where the wastes are generated; 76039

(b) Are generated from the combustion of coal, or from the 76040  
combustion of primarily coal, regardless of whether the disposal 76041  
facility is located on the premises where the wastes are 76042  
generated; 76043

(c) Are asbestos or asbestos-containing materials or 76044  
products disposed of at a construction and demolition debris 76045  
facility that is licensed under Chapter 3714. of the Revised 76046  
Code or at a solid waste facility that is licensed under this 76047  
chapter. 76048

(2) Except as provided in section 3734.571 of the Revised 76049  
Code, any fees levied under division (B) (1) of this section 76050  
apply to solid wastes originating outside the boundaries of a 76051  
county or joint district that are covered by an agreement for 76052  
the joint use of solid waste facilities entered into under 76053  
section 343.02 of the Revised Code by the board of county 76054

commissioners or board of directors of the county or joint 76055  
district where the wastes are generated and disposed of. 76056

(3) When solid wastes, other than solid wastes that 76057  
consist of scrap tires, are burned in a disposal facility that 76058  
is an incinerator or energy recovery facility, the fees levied 76059  
under divisions (A), (B), and (C) of this section shall be 76060  
levied upon the disposal of the fly ash and bottom ash remaining 76061  
after burning of the solid wastes and shall be collected by the 76062  
owner or operator of the sanitary landfill where the ash is 76063  
disposed of. 76064

(4) When solid wastes are delivered to a solid waste 76065  
transfer facility, the fees levied under divisions (B) and (C) 76066  
of this section shall be levied upon the disposal of solid 76067  
wastes transported off the premises of the transfer facility for 76068  
disposal and shall be collected by the owner or operator of the 76069  
solid waste disposal facility where the wastes are disposed of. 76070

(5) The fees levied under divisions (A), (B), and (C) of 76071  
this section do not apply to sewage sludge that is generated by 76072  
a waste water treatment facility holding a national pollutant 76073  
discharge elimination system permit and that is disposed of 76074  
through incineration, land application, or composting or at 76075  
another resource recovery or disposal facility that is not a 76076  
landfill. 76077

(6) The fees levied under divisions (A), (B), and (C) of 76078  
this section do not apply to solid wastes delivered to a solid 76079  
waste composting facility for processing. When any unprocessed 76080  
solid waste or compost product is transported off the premises 76081  
of a composting facility and disposed of at a landfill, the fees 76082  
levied under divisions (A), (B), and (C) of this section shall 76083  
be collected by the owner or operator of the landfill where the 76084

unprocessed waste or compost product is disposed of. 76085

(7) When solid wastes that consist of scrap tires are 76086  
processed at a scrap tire recovery facility, the fees levied 76087  
under divisions (A), (B), and (C) of this section shall be 76088  
levied upon the disposal of the fly ash and bottom ash or other 76089  
solid wastes remaining after the processing of the scrap tires 76090  
and shall be collected by the owner or operator of the solid 76091  
waste disposal facility where the ash or other solid wastes are 76092  
disposed of. 76093

(8) The director of environmental protection may issue an 76094  
order exempting from the fees levied under this section solid 76095  
wastes, including, but not limited to, scrap tires, that are 76096  
generated, transferred, or disposed of as a result of a contract 76097  
providing for the expenditure of public funds entered into by 76098  
the administrator or regional administrator of the United States 76099  
environmental protection agency, the director of environmental 76100  
protection, or the director of administrative services on behalf 76101  
of the director of environmental protection for the purpose of 76102  
remediating conditions at a hazardous waste facility, solid 76103  
waste facility, or other location at which the administrator or 76104  
regional administrator or the director of environmental 76105  
protection has reason to believe that there is a substantial 76106  
threat to public health or safety or the environment or that the 76107  
conditions are causing or contributing to air or water pollution 76108  
or soil contamination. An order issued by the director of 76109  
environmental protection under division (D) (8) of this section 76110  
shall include a determination that the amount of the fees not 76111  
received by a solid waste management district as a result of the 76112  
order will not adversely impact the implementation and financing 76113  
of the district's approved solid waste management plan and any 76114  
approved amendments to the plan. Such an order is a final action 76115

of the director of environmental protection. 76116

(E) The fees levied under divisions (B) and (C) of this 76117  
section shall be collected by the owner or operator of the solid 76118  
waste disposal facility where the wastes are disposed of as a 76119  
trustee for the county or joint district and municipal 76120  
corporation or township where the wastes are disposed of. Moneys 76121  
from the fees levied under division (B) of this section shall be 76122  
forwarded to the board of county commissioners or board of 76123  
directors of the district in accordance with rules adopted under 76124  
division (H) of this section. Moneys from the fees levied under 76125  
division (C) of this section shall be forwarded to the treasurer 76126  
or such other officer of the municipal corporation as, by virtue 76127  
of the charter, has the duties of the treasurer or to the fiscal 76128  
officer of the township, as appropriate, in accordance with 76129  
those rules. 76130

(F) Moneys received by the treasurer or other officer of 76131  
the municipal corporation under division (E) of this section 76132  
shall be paid into the general fund of the municipal 76133  
corporation. Moneys received by the fiscal officer of the 76134  
township under that division shall be paid into the general fund 76135  
of the township. The treasurer or other officer of the municipal 76136  
corporation or the township fiscal officer, as appropriate, 76137  
shall maintain separate records of the moneys received from the 76138  
fees levied under division (C) of this section. 76139

(G) Moneys received by the board of county commissioners 76140  
or board of directors under division (E) of this section or 76141  
section 3734.571, 3734.572, 3734.573, or 3734.574 of the Revised 76142  
Code shall be paid to the county treasurer, or other official 76143  
acting in a similar capacity under a county charter, in a county 76144  
district or to the county treasurer or other official designated 76145

by the board of directors in a joint district and kept in a 76146  
separate and distinct fund to the credit of the district. If a 76147  
regional solid waste management authority has been formed under 76148  
section 343.011 of the Revised Code, moneys received by the 76149  
board of trustees of that regional authority under division (E) 76150  
of this section shall be kept by the board in a separate and 76151  
distinct fund to the credit of the district. Moneys in the 76152  
special fund of the county or joint district arising from the 76153  
fees levied under division (B) of this section and the fee 76154  
levied under division (A) of section 3734.573 of the Revised 76155  
Code shall be expended by the board of county commissioners or 76156  
directors of the district in accordance with the district's 76157  
solid waste management plan or amended plan approved under 76158  
section 3734.521, 3734.55, or 3734.56 of the Revised Code 76159  
exclusively for the following purposes: 76160

(1) Preparation of the solid waste management plan of the 76161  
district under section 3734.54 of the Revised Code, monitoring 76162  
implementation of the plan, and conducting the periodic review 76163  
and amendment of the plan required by section 3734.56 of the 76164  
Revised Code by the solid waste management policy committee; 76165

(2) Implementation of the approved solid waste management 76166  
plan or amended plan of the district, including, without 76167  
limitation, the development and implementation of solid waste 76168  
recycling or reduction programs; 76169

(3) Providing financial assistance to boards of health 76170  
within the district, if solid waste facilities are located 76171  
within the district, for enforcement of this chapter and rules, 76172  
orders, and terms and conditions of permits, licenses, and 76173  
variances adopted or issued under it, other than the hazardous 76174  
waste provisions of this chapter and rules adopted and orders 76175

and terms and conditions of permits issued under those 76176  
provisions; 76177

(4) Providing financial assistance to each county within 76178  
the district to defray the added costs of maintaining roads and 76179  
other public facilities and of providing emergency and other 76180  
public services resulting from the location and operation of a 76181  
solid waste facility within the county under the district's 76182  
approved solid waste management plan or amended plan; 76183

(5) Pursuant to contracts entered into with boards of 76184  
health within the district, if solid waste facilities contained 76185  
in the district's approved plan or amended plan are located 76186  
within the district, for paying the costs incurred by those 76187  
boards of health for collecting and analyzing samples from 76188  
public or private water wells on lands adjacent to those 76189  
facilities; 76190

(6) Developing and implementing a program for the 76191  
inspection of solid wastes generated outside the boundaries of 76192  
this state that are disposed of at solid waste facilities 76193  
included in the district's approved solid waste management plan 76194  
or amended plan; 76195

(7) Providing financial assistance to boards of health 76196  
within the district for the enforcement of section 3734.03 of 76197  
the Revised Code or to local law enforcement agencies having 76198  
jurisdiction within the district for enforcing anti-littering 76199  
laws and ordinances; 76200

(8) Providing financial assistance to boards of health of 76201  
health districts within the district that are on the approved 76202  
list under section 3734.08 of the Revised Code to defray the 76203  
costs to the health districts for the participation of their 76204

employees responsible for enforcement of the solid waste 76205  
provisions of this chapter and rules adopted and orders and 76206  
terms and conditions of permits, licenses, and variances issued 76207  
under those provisions in the training and certification program 76208  
as required by rules adopted under division (L) of section 76209  
3734.02 of the Revised Code; 76210

(9) Providing financial assistance to individual municipal 76211  
corporations and townships within the district to defray their 76212  
added costs of maintaining roads and other public facilities and 76213  
of providing emergency and other public services resulting from 76214  
the location and operation within their boundaries of a 76215  
composting, energy or resource recovery, incineration, or 76216  
recycling facility that either is owned by the district or is 76217  
furnishing solid waste management facility or recycling services 76218  
to the district pursuant to a contract or agreement with the 76219  
board of county commissioners or directors of the district; 76220

(10) Payment of any expenses that are agreed to, awarded, 76221  
or ordered to be paid under section 3734.35 of the Revised Code 76222  
and of any administrative costs incurred pursuant to that 76223  
section. In the case of a joint solid waste management district, 76224  
if the board of county commissioners of one of the counties in 76225  
the district is negotiating on behalf of affected communities, 76226  
as defined in that section, in that county, the board shall 76227  
obtain the approval of the board of directors of the district in 76228  
order to expend moneys for administrative costs incurred. 76229

Prior to the approval of the district's solid waste 76230  
management plan under section 3734.55 of the Revised Code, 76231  
moneys in the special fund of the district arising from the fees 76232  
shall be expended for those purposes in the manner prescribed by 76233  
the solid waste management policy committee by resolution. 76234

Notwithstanding division (G) (6) of this section as it 76235  
existed prior to October 29, 1993, or any provision in a 76236  
district's solid waste management plan prepared in accordance 76237  
with division (B) (2) (e) of section 3734.53 of the Revised Code 76238  
as it existed prior to that date, any moneys arising from the 76239  
fees levied under division (B) (3) of this section prior to 76240  
January 1, 1994, may be expended for any of the purposes 76241  
authorized in divisions (G) (1) to (10) of this section. 76242

(H) The director shall adopt rules in accordance with 76243  
Chapter 119. of the Revised Code prescribing procedures for 76244  
collecting and forwarding the fees levied under divisions (B) 76245  
and (C) of this section to the boards of county commissioners or 76246  
directors of county or joint solid waste management districts 76247  
and to the treasurers or other officers of municipal 76248  
corporations and the fiscal officers of townships. The rules 76249  
also shall prescribe the dates for forwarding the fees to the 76250  
boards and officials and may prescribe any other requirements 76251  
the director considers necessary or appropriate to implement and 76252  
administer divisions (A), (B), and (C) of this section. 76253

**Sec. 3734.79.** (A) Except as provided in division (B) of 76254  
this section, each application for a permit submitted under 76255  
sections 3734.76 to 3734.78 of the Revised Code shall be 76256  
accompanied by a nonrefundable application fee of four hundred 76257  
dollars that shall be credited to the scrap tire management fund 76258  
created in section 3734.82 of the Revised Code. If a permit is 76259  
issued, the amount of the application fee paid shall be deducted 76260  
from the amount of the applicable permit fee due under division 76261  
~~(R)~~(Q) of section 3745.11 of the Revised Code. 76262

(B) Division (A) of this section does not apply to an 76263  
application for a permit for a scrap tire storage facility 76264

submitted under section 3734.76 of the Revised Code if the owner 76265  
or operator of the facility or proposed facility is a motor 76266  
vehicle salvage dealer licensed under Chapter 4738. of the 76267  
Revised Code. 76268

**Sec. 3734.901.** (A) (1) For the purpose of providing revenue 76269  
to defray the cost of administering and enforcing the scrap tire 76270  
provisions of this chapter, rules adopted under those 76271  
provisions, and terms and conditions of orders, variances, and 76272  
licenses issued under those provisions; to abate accumulations 76273  
of scrap tires; to make grants supporting market development 76274  
activities for scrap tires and synthetic rubber from tire 76275  
manufacturing processes and tire recycling processes and to 76276  
support scrap tire amnesty and cleanup events; to make loans to 76277  
promote the recycling or recovery of energy from scrap tires; 76278  
and to defray the costs of administering and enforcing sections 76279  
3734.90 to 3734.9014 of the Revised Code, a fee of fifty cents 76280  
per tire is hereby levied on the sale of tires. The proceeds of 76281  
the fee shall be deposited in the state treasury to the credit 76282  
of the scrap tire management fund created in section 3734.82 of 76283  
the Revised Code. The fee is levied from the first day of the 76284  
calendar month that begins next after thirty days from October 76285  
29, 1993, through June 30, ~~2026~~2028. 76286

(2) Beginning on July 1, 2011, and ending on June 30, 76287  
~~2026~~2041, there is hereby levied an additional fee of fifty 76288  
cents per tire on the sale of tires the proceeds of which shall 76289  
be deposited in the state treasury to the credit of the soil and 76290  
water conservation district assistance fund created in section 76291  
940.15 of the Revised Code. 76292

(B) Only one sale of the same article shall be used in 76293  
computing the amount of the fee due. 76294

**Sec. 3734.904.** (A) By the twentieth day of each month, 76295  
each person required to pay the fee imposed by section 3734.901 76296  
of the Revised Code shall file with the tax commissioner a 76297  
return as prescribed by the tax commissioner and shall make 76298  
payment of the full amount of the fee due for the preceding 76299  
~~month after deduction of any discount provided for under~~ 76300  
~~division (E) of this section.~~ The return shall be signed by the 76301  
person required to file it, or an authorized employee, officer, 76302  
or agent. The return shall be deemed filed when received by the 76303  
tax commissioner. 76304

(B) Any person required by this section to file a return 76305  
who fails to file such a return within the period prescribed may 76306  
be required to pay an additional charge of fifty dollars or ten 76307  
per cent of the fee required to be paid for the reporting 76308  
period, whichever is greater. The commissioner may collect the 76309  
additional charge by assessment pursuant to section 3734.907 of 76310  
the Revised Code. ~~The commissioner may remit all or a portion of~~ 76311  
~~the additional charge and may adopt rules relating thereto.~~ 76312

(C) If any fee due is not paid timely in accordance with 76313  
this section, the person liable for the fee shall pay interest, 76314  
calculated at the rate per annum as prescribed by section 76315  
5703.47 of the Revised Code, from the date the fee payment was 76316  
due to the date of payment or to the date an assessment is 76317  
issued, whichever occurs first. Interest shall be paid in the 76318  
same manner as the fee, and the commissioner may collect the 76319  
interest by assessment pursuant to section 3734.907 of the 76320  
Revised Code. 76321

(D) If, in the estimation of the tax commissioner, the 76322  
average liability of the person liable for the fee is such as 76323  
not to merit monthly filing, the commissioner may authorize the 76324

person to file and pay at less frequent intervals. Returns are 76325  
due by the twentieth day of the month following the close of the 76326  
applicable reporting period authorized under this division. 76327

~~(E) If a return is filed and the amount of the fee shown 76328  
to be due on the return is paid on or before the date that the 76329  
return is required to be filed under division (A) of this 76330  
section or pursuant to division (D) of this section, whichever 76331  
is applicable, the person liable for the fee is entitled to a 76332  
discount of four per cent of the amount shown to be due on the 76333  
return. 76334~~

~~(F) All money collected by the tax commissioner under this 76335  
section shall be paid to the treasurer of state as revenue 76336  
arising from the fee imposed by section 3734.901 of the Revised 76337  
Code. 76338~~

**Sec. 3734.907.** (A) Any person required to pay the fee 76339  
imposed by section 3734.901 of the Revised Code is personally 76340  
liable for the fee. The tax commissioner may make an assessment, 76341  
based upon any information in the commissioner's possession, 76342  
against any person who fails to file a return or pay any fee, 76343  
interest, or additional charge as required by sections 3734.90 76344  
to 3734.9014 of the Revised Code. The commissioner shall give 76345  
the person assessed written notice of the assessment in the 76346  
manner provided in section 5703.37 of the Revised Code. With the 76347  
notice, the commissioner shall provide instructions on how to 76348  
petition for reassessment and request a hearing on the petition. 76349

(B) When the information in the possession of the tax 76350  
commissioner indicates that a person liable for the fee imposed 76351  
by section 3734.901 of the Revised Code has not paid the full 76352  
amount of fee due, the commissioner may audit a representative 76353  
sample of the person's business and may issue an assessment 76354

based on the audit. 76355

(C) A penalty of up to fifteen per cent may be added to 76356  
all amounts assessed under this section. ~~The commissioner may~~ 76357  
~~adopt rules providing for the imposition and remission of the~~ 76358  
~~penalties.~~ 76359

(D) Unless the person assessed files with the tax 76360  
commissioner within sixty days after service of the notice of 76361  
assessment, ~~either personally or by certified mail,~~ a written 76362  
petition for reassessment signed by the person assessed or that 76363  
person's authorized agent having knowledge of the facts, the 76364  
assessment becomes final and the amount of the assessment is due 76365  
and payable from the person assessed to the treasurer of state. 76366  
The petition shall indicate the objections of the person 76367  
assessed, but additional objections may be raised in writing if 76368  
received by the commissioner prior to the date shown on the 76369  
final determination. If the petition has been properly filed, 76370  
the commissioner shall proceed under section 5703.60 of the 76371  
Revised Code. 76372

(E) After an assessment becomes final, if any portion of 76373  
the assessment, including accrued interest, remains unpaid, a 76374  
certified copy of the tax commissioner's entry making the 76375  
assessment final may be filed in the office of the clerk of the 76376  
court of common pleas in the county in which the person assessed 76377  
resides or in which the person's business is conducted. If the 76378  
person assessed maintains no place of business in this state and 76379  
is not a resident of this state, the certified copy of the entry 76380  
may be filed in the office of the clerk of the court of common 76381  
pleas of Franklin county. 76382

Immediately upon the filing of the entry, the clerk shall 76383  
enter a judgment for the state against the person assessed in 76384

the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state tire fee," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of the fee due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the day the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the fee and may be collected by the issuance of an assessment under this section.

(F) If the tax commissioner believes that collection of the fee will be jeopardized unless proceedings to collect or secure collection of the fee are instituted without delay, the commissioner may issue a jeopardy assessment against the person liable for the fee. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (E) of this section. Notice of the jeopardy assessment shall be served on the person assessed or the person's legal representative, as provided in section 5703.37 of

the Revised Code, within five days of the filing of the entry 76416  
with the clerk. The total amount assessed is immediately due and 76417  
payable, unless the person assessed files a petition for 76418  
reassessment in accordance with division (D) of this section and 76419  
provides security in a form satisfactory to the commissioner and 76420  
in an amount sufficient to satisfy the unpaid balance of the 76421  
assessment. Full or partial payment of the assessment does not 76422  
prejudice the commissioner's consideration of the petition for 76423  
reassessment. 76424

(G) All money collected by the tax commissioner under this 76425  
section shall be paid to the treasurer of state as revenue 76426  
arising from the fee imposed by section 3734.901 of the Revised 76427  
Code. 76428

**Sec. 3735.67.** (A) The owner of real property located in a 76429  
community reinvestment area and eligible for exemption from 76430  
taxation under a resolution adopted pursuant to section 3735.66 76431  
of the Revised Code may file an application for an exemption 76432  
from real property taxation of a percentage of the assessed 76433  
valuation of a new structure, or of the increased assessed 76434  
valuation of an existing structure after remodeling began, if 76435  
the new structure or remodeling is completed after the effective 76436  
date of the resolution adopted pursuant to section 3735.66 of 76437  
the Revised Code. The application shall be filed with the 76438  
housing officer designated for the community reinvestment area 76439  
in which the property is located. If any part of the new 76440  
structure or remodeled structure that would be exempted is of 76441  
real property to be used for commercial or industrial purposes, 76442  
the legislative authority and the owner of the property shall 76443  
enter into a written agreement pursuant to section 3735.671 of 76444  
the Revised Code prior to commencement of construction or 76445  
remodeling; if such an agreement is subject to approval by the 76446

board of education of the school district within the territory 76447  
of which the property is or will be located, the agreement shall 76448  
not be formally approved by the legislative authority until the 76449  
board of education approves the agreement in the manner 76450  
prescribed by that section. If a structure is already subject to 76451  
a written agreement pursuant to section 3735.671 of the Revised 76452  
Code, is on the site of a proposed megaproject, and is expected 76453  
to be owned or occupied by a megaproject operator as defined in 76454  
division (A) (12) of section 122.17 of the Revised Code, or is 76455  
not situated on the site of a proposed megaproject but is 76456  
expected to be owned or occupied by a megaproject supplier that 76457  
meets the requirements described in division (A) (13) (b) of 76458  
section 122.17 of the Revised Code, the legislative authority 76459  
may amend the agreement to cause the exemption for the structure 76460  
to continue for a maximum amended term not exceeding thirty 76461  
years by following the process for approving an agreement 76462  
described in section 3735.671 of the Revised Code. 76463

(B) The housing officer shall verify the construction of 76464  
the new structure or the cost of the remodeling of the existing 76465  
structure and the facts asserted in the application. The housing 76466  
officer shall determine whether the construction or remodeling 76467  
meets the requirements for an exemption under this section. In 76468  
cases involving a structure of historical or architectural 76469  
significance, the housing officer shall not determine whether 76470  
the remodeling meets the requirements for a tax exemption unless 76471  
the appropriateness of the remodeling has been certified, in 76472  
writing, by the society, association, agency, or legislative 76473  
authority that has designated the structure or by any 76474  
organization or person authorized, in writing, by such society, 76475  
association, agency, or legislative authority to certify the 76476  
appropriateness of the remodeling. 76477

(C) If the construction or remodeling meets the requirements for exemption, the housing officer shall forward the application to the county auditor with a certification as to the division of this section under which the exemption is granted, and the period and percentage of the exemption as determined by the legislative authority pursuant to that division. If the construction or remodeling is of commercial or industrial property and the legislative authority is not required to certify a copy of a resolution under section 3735.671 of the Revised Code, the housing officer shall comply with the notice requirements prescribed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(D) Except as provided in division (F) of this section, the tax exemption shall first apply in the year the construction or remodeling would first be taxable but for this section. In the case of remodeling that qualifies for exemption, a percentage, not to exceed one hundred per cent, of the increased assessed valuation of an existing structure after remodeling began shall be exempted from real property taxation. In the case of construction of a structure that qualifies for exemption, a percentage, not to exceed one hundred per cent, of the assessed value of the structure shall be exempted from real property taxation. In either case, the percentage shall be the percentage set forth in the agreement if the structure or remodeling is to be used for commercial or industrial purposes, or the percentage set forth in the resolution describing the community reinvestment area if the structure or remodeling is to be used for residential purposes.

The construction of new structures and the remodeling of existing structures are hereby declared to be a public purpose

for which exemptions from real property taxation may be granted 76509  
for the following periods: 76510

(1) For every dwelling and commercial or industrial 76511  
properties, located within the same community reinvestment area, 76512  
upon which the cost of remodeling is at least two thousand five 76513  
hundred dollars in the case of a dwelling containing not more 76514  
than two family units or at least five thousand dollars in the 76515  
case of all other property, a period to be determined by the 76516  
legislative authority adopting the resolution, but not exceeding 76517  
fifteen years. The period of exemption for a dwelling described 76518  
in division (D) (1) of this section may be extended by a 76519  
legislative authority for up to an additional ten years if the 76520  
dwelling is a structure of historical or architectural 76521  
significance, is a certified historic structure that has been 76522  
subject to federal tax treatment under 26 U.S.C. 47 and 170 (h), 76523  
and units within the structure have been leased to individual 76524  
tenants for five consecutive years; 76525

(2) Except as provided in division (F) of this section, 76526  
for construction of every dwelling, and commercial or industrial 76527  
structure located within the same community reinvestment area, a 76528  
period to be determined by the legislative authority adopting 76529  
the resolution, but not exceeding one of the following: 76530

(a) Thirty years, if the commercial or industrial 76531  
structure is situated on the site of a megaproject and is owned 76532  
~~and or~~ occupied by a megaproject operator as defined in division 76533  
(A) (12) of section 122.17 of the Revised Code, or is not 76534  
situated on the site of a megaproject but is owned ~~and or~~ 76535  
occupied by a megaproject supplier that meets the requirements 76536  
described in division (A) (13) (b) of section 122.17 of the 76537  
Revised Code; 76538

(b) Fifteen years, for any other dwelling or commercial or industrial structure. 76539  
76540

(E) Any person, board, or officer authorized by section 76541  
5715.19 of the Revised Code to file complaints with the county 76542  
board of revision may file a complaint with the housing officer 76543  
challenging the continued exemption of any property granted an 76544  
exemption under this section. A complaint against exemption 76545  
shall be filed prior to the thirty-first day of December of the 76546  
tax year for which taxation of the property is requested. The 76547  
housing officer shall determine whether the property continues 76548  
to meet the requirements for exemption and shall certify the 76549  
housing officer's findings to the complainant. If the housing 76550  
officer determines that the property does not meet the 76551  
requirements for exemption, the housing officer shall notify the 76552  
county auditor, who shall correct the tax list and duplicate 76553  
accordingly. 76554

(F) The owner of a dwelling constructed in a community 76555  
reinvestment area may file an application for an exemption after 76556  
the year the construction first became subject to taxation. The 76557  
application shall be processed in accordance with the procedures 76558  
prescribed under this section and shall be granted if the 76559  
construction that is the subject of the application otherwise 76560  
meets the requirements for an exemption under this section. If 76561  
approved, the exemption sought in the application first applies 76562  
in the year the application is filed. An exemption approved 76563  
pursuant to this division continues only for those years 76564  
remaining in the period described in division (D) (2) of this 76565  
section. No exemption may be claimed for any year in that period 76566  
that precedes the year in which the application is filed. 76567

**Sec. 3735.671.** (A) If construction or remodeling of 76568

commercial or industrial property is to be exempted from 76569  
taxation pursuant to section 3735.67 of the Revised Code, the 76570  
legislative authority and the owner of the property, prior to 76571  
the commencement of construction or remodeling, shall enter into 76572  
a written agreement, binding on both parties for a period of 76573  
time that does not end prior to the end of the period of the 76574  
exemption, that includes all of the information and statements 76575  
described in divisions (B) (1) to (8) of this section. Agreements 76576  
may include terms not described in those divisions or otherwise 76577  
prescribed by the model agreement adopted by the director of 76578  
development under division (B) of this section, but such terms 76579  
shall in no way derogate from the information and statements 76580  
described in divisions (B) (1) to (8) of this section. 76581

(1) Except as otherwise provided in division (A) (2) or (3) 76582  
of this section, an agreement entered into under this section 76583  
shall not be approved by the legislative authority unless the 76584  
board of education of the city, local, or exempted village 76585  
school district within the territory of which the property is or 76586  
will be located approves the agreement. For the purpose of 76587  
obtaining such approval, the legislative authority shall certify 76588  
a copy of the agreement to the board of education not later than 76589  
forty-five days prior to approving the agreement, excluding 76590  
Saturday, Sunday, and a legal holiday as defined in section 1.14 76591  
of the Revised Code. The board of education, by resolution 76592  
adopted by a majority of the board, shall approve or disapprove 76593  
the agreement and certify a copy of the resolution to the 76594  
legislative authority not later than fourteen days prior to the 76595  
date stipulated by the legislative authority as the date upon 76596  
which approval of the agreement is to be formally considered by 76597  
the legislative authority. The board of education may include in 76598  
the resolution conditions under which the board would approve 76599

the agreement. The legislative authority may approve an 76600  
agreement at any time after the board of education certifies its 76601  
resolution approving the agreement to the legislative authority, 76602  
or, if the board approves the agreement conditionally, at any 76603  
time after the conditions are agreed to by the board and the 76604  
legislative authority. 76605

(2) Approval of an agreement by the board of education is 76606  
not required under division (A)(1) of this section if, for each 76607  
tax year the real property is exempted from taxation, the sum of 76608  
the following quantities, as estimated at or prior to the time 76609  
the agreement is formally approved by the legislative authority, 76610  
equals or exceeds twenty-five per cent of the amount of taxes, 76611  
as estimated at or prior to that time, that would have been 76612  
charged and payable that year upon the real property had that 76613  
property not been exempted from taxation: 76614

(a) The amount of taxes charged and payable on any portion 76615  
of the assessed valuation of the new structure or of the 76616  
increased assessed valuation of an existing structure after 76617  
remodeling began that will not be exempted from taxation under 76618  
the agreement; 76619

(b) The amount of taxes charged and payable on tangible 76620  
personal property located on the premises of the new structure 76621  
or of the structure to be remodeled under the agreement, whether 76622  
payable by the owner of the structure or by a related member, as 76623  
defined in section 5733.042 of the Revised Code without regard 76624  
to division (B) of that section. 76625

(c) The amount of any cash payment by the owner of the new 76626  
structure or structure to be remodeled to the school district, 76627  
the dollar value, as mutually agreed to by the owner and the 76628  
board of education, of any property or services provided by the 76629

owner of the property to the school district, whether by gift, 76630  
loan, or otherwise, and any payment by the legislative authority 76631  
to the school district pursuant to section 5709.82 of the 76632  
Revised Code. 76633

The estimates of quantities used for purposes of division 76634  
(A) (2) of this section shall be estimated by the legislative 76635  
authority. The legislative authority shall certify to the board 76636  
of education that the estimates have been made in good faith. 76637  
Departures of the actual quantities from the estimates 76638  
subsequent to approval of the agreement by the board of 76639  
education do not invalidate the agreement. 76640

(3) If a board of education has adopted a resolution 76641  
waiving its right to approve agreements and the resolution 76642  
remains in effect, approval of an agreement by the board is not 76643  
required under division (A) (1) of this section. If a board of 76644  
education has adopted a resolution allowing a legislative 76645  
authority to deliver the notice required under this division 76646  
fewer than forty-five business days prior to the legislative 76647  
authority's execution of the agreement, the legislative 76648  
authority shall deliver the notice to the board not later than 76649  
the number of days prior to such execution as prescribed by the 76650  
board in its resolution. If a board of education adopts a 76651  
resolution waiving its right to approve agreements or shortening 76652  
the notification period, the board shall certify a copy of the 76653  
resolution to the legislative authority. If the board of 76654  
education rescinds such a resolution, it shall certify notice of 76655  
the rescission to the legislative authority. 76656

(4) If the owner of the property or the legislative 76657  
authority agree to make any payment to the school district as 76658  
described in division (A) (2) (c) of this section, the owner or 76659

legislative authority shall agree to make payments to the joint vocational school district within which the property is located at the same rate or amount and under the same terms received by the city, local, or exempted village school district.

(B) The director of development shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing the form of a model agreement that a legislative authority may, in its discretion, use as the basis for an agreement to be executed under this section. The model agreement may include any term necessary for the administration and enforcement of such agreements by the director and legislative authority, but must include all of the following:

(1) A space to include the description of real property to be exempted from taxation under the agreement and to identify the property's owners;

(2) A space to denote the percentage of the assessed valuation of real property exempted from taxation and the period for which the exemption is granted;

(3) A statement requiring the owner to pay real property taxes not exempted under the agreement, as required by law, and requiring rescission of the agreement if the owner fails to pay those taxes beginning in and after the year any such taxes are charged;

(4) A statement that the owner certifies, at the time the agreement is executed, that the owner does not owe any delinquent property taxes or taxes for which the owner is liable under Chapter 5735., 5739., 5741., 5743., 5747., or 5753. of the Revised Code, or, if such delinquent taxes are owed, that the owner is paying the delinquent taxes pursuant to an undertaking

the United States department of labor as of the close of the 78115  
twelve-month period ending on the thirty-first day of August of 78116

that year. 78117

(b) If the 1989 consumer price index is revised, the 78118  
 director shall use the revision of the consumer price index that 78119  
 is most consistent with that for calendar year 1989. 78120

(F) Each person who is issued a permit to install pursuant 78121  
 to rules adopted under division (F) of section 3704.03 of the 78122  
 Revised Code on or after July 1, 2003, shall pay the fees 78123

to defray the costs of administering and enforcing provisions in 78910  
Chapter 6111. of the Revised Code and rules adopted under it 78911  
that govern the use, storage, treatment, or disposal of sewage 78912

protected. 79334

(ii) The original copies of information submitted to the 79335  
commission or committee shall not be removed from the custody 79336  
and control of the commission or committee. 79337

(iii) A person who, either in person or by mail, requests 79338  
to obtain a copy of a material safety data sheet submitted under 79339  
this chapter by a facility owner or operator shall submit a 79340  
separate application for each facility for which a material 79341  
safety data sheet is being requested. 79342

(iv) A person who requests to receive by mail a copy of 79343  
information submitted under this chapter by a facility owner or 79344

operator shall submit a separate application for each facility 79345  
for which information is being requested and shall specify both 79346  
the facility for which information is being requested and the 79347  
particular types of documents requested. 79348

(v) Only employees of the commission or committee shall 79349  
copy information in the files of the commission or committee. 79350

(vi) The commission or committee may require any person 79351  
who requests to review or obtain a copy of information in its 79352  
files to schedule an appointment for that purpose with the 79353  
information coordinator of the commission or committee at least 79354  
twenty-four hours before arriving at the office of the 79355  
commission or committee for the review or copy. 79356

(vii) Any person who seeks access to information in the 79357  
files of the commission or a local emergency planning committee 79358  
shall submit a written application, either in person or by mail, 79359  
to the information coordinator on a form provided by the 79360  
commission or committee. The person also shall provide the 79361  
person's name and current mailing address on the application and 79362  
may be requested by the commission or committee to provide basic 79363  
demographic information on the form to assist in the evaluation 79364  
of the information access provisions of this chapter and rules 79365  
adopted under it. Application forms may be obtained by mail or 79366  
in person or by request by telephone at the office of the 79367  
commission or committee during regular business hours. Upon 79368  
receipt of a request for an application by telephone or mail, 79369  
the information coordinator shall promptly mail an application 79370  
to the person who requested it. 79371

(viii) The application form shall provide the applicant 79372  
with a means of indicating that the applicant's name and address 79373  
are to be kept confidential. If the applicant so indicates, that 79374

information is not a public record under section 149.43 of the Revised Code and shall not be disclosed to any person who is not a member or employee of the commission or committee or an employee of the environmental protection agency. When a name and address are to be kept confidential, they also shall be deleted from the copy of the application required to be placed in the file of the facility under division (B)(2)(c)(xii) of this section and shall be withheld from any log of information requests kept by the commission or committee pursuant to that division.

(ix) Neither the commission nor a local emergency planning committee shall charge any fee for access to review information in its files when no copies or computer searches of that information are requested.

(x) An applicant shall be informed of the cost of copying, mailing, or conducting a computer search of information on file with the commission or committee before such a copy or search is made, and the commission or committee shall collect the appropriate fees as established under section 3750.13 of the Revised Code. Each applicant shall acknowledge on the application form that the applicant is aware that the applicant will be charged for copies and computer searches of that information the applicant requests and for the costs of mailing copies of the information to the applicant.

(xi) The commission or committee may require a person requesting copies of information on file with it to take delivery of them in the office of the commission or committee whenever it considers the volume of the information to be large enough to make mailing or delivery by a parcel or package delivery service impractical.

(xii) When the commission or committee receives a request 79405  
for access to review or obtain copies of information in its 79406  
files, it shall not routinely notify the owner or operator of 79407  
the facility involved, but instead shall either keep a log or 79408  
file of requests for the information or shall place a copy of 79409  
each completed application form in the file for the facility to 79410  
which the application pertains. Such a log or file shall be 79411  
available for review by the public and by the owners and 79412  
operators of facilities required to submit information to the 79413  
commission or committee under this chapter and rules adopted 79414  
under it. 79415

(d) Require that claims for the protection, as a trade 79416  
secret, of information obtained under this chapter regarding 79417  
extremely hazardous substances identified or listed in rules 79418  
adopted under division (B) (1) (a) of this section and hazardous 79419  
chemicals identified or listed in rules adopted under division 79420  
(B) (1) (b) of this section be submitted to the administrator of 79421  
the United States environmental protection agency for 79422  
determination under section 322 of the the "Emergency Planning 79423  
and Community Right-To-Know Act of 1986," 100 Stat. 1747, 42 79424  
U.S.C.A. 11042, and regulations adopted under that section; 79425

(e) Establish criteria and procedures for the issuance of 79426  
variances under divisions (B) and (C) of section 3750.11 of the 79427  
Revised Code. The rules shall require that, before approval of 79428  
an application for a variance, the commission or committee find 79429  
by a preponderance of the scientific evidence based upon 79430  
generally accepted scientific principles or laboratory tests 79431  
that the extremely hazardous substances, hazardous chemicals, or 79432  
hazardous substances that would be subject to the reporting 79433  
requirement pose a substantial risk of catastrophic injury to 79434  
public health or safety or to the environment, or pose an 79435

extraordinary risk of injury to emergency management personnel 79436  
responding to a release of the chemicals or substances, when the 79437  
substances or chemicals are present at a facility in an amount 79438  
equal to or exceeding the quantity for which reporting would be 79439  
required under the reporting requirement for which the variance 79440  
is sought. The rules shall also require that before approval of 79441  
an application for a variance, the commission or committee find 79442  
by a preponderance of the evidence that the development and 79443  
implementation of a local emergency response plan for releases 79444  
of the substances or chemicals covered by the reporting 79445  
requirement will reduce the risk of catastrophic injury to 79446  
public health or safety or to the environment, or will reduce 79447  
the extraordinary risk of injury to responding emergency 79448  
management personnel, in the event of a release of the 79449  
substances or chemicals and find by a preponderance of the 79450  
evidence that the reporting requirement is necessary for the 79451  
development of such a local emergency response plan. The rules 79452  
shall require that when determining whether the substances or 79453  
chemicals that would be subject to the reporting requirement 79454  
pose a substantial risk of catastrophic injury to public health 79455  
or safety or to the environment, or pose an extraordinary risk 79456  
of injury to emergency management personnel responding to a 79457  
release of the substance or chemical, the commission or 79458  
committee consider all of the following factors: 79459

(i) The specific characteristics and degree and nature of 79460  
the hazards posed by a release of the extremely hazardous 79461  
substances, hazardous chemicals, or hazardous substances; 79462

(ii) The proximity of the facilities that would be subject 79463  
to the reporting requirement to residential areas, to areas 79464  
where significantly large numbers of people are employed or 79465  
otherwise congregate, and to environmental resources that are 79466

subject to injury; 79467

(iii) The quantities of the extremely hazardous 79468  
substances, hazardous chemicals, or hazardous substances that 79469  
are routinely present at facilities that would be subject to the 79470  
reporting requirement; 79471

(iv) The frequency with which the extremely hazardous 79472  
substances, hazardous chemicals, or hazardous substances are 79473  
present at the facilities that would be subject to the reporting 79474  
requirement in quantities for which reporting would be required 79475  
thereunder. 79476

(f) Establish criteria and procedures for the issuance of 79477  
orders under division (D) of section 3750.11 of the Revised Code 79478  
requiring the placement of emergency response lock box units. 79479  
The rules shall require that before approval of an application 79480  
for issuance of such an order, the commission or committee find 79481  
by a preponderance of the scientific evidence based upon 79482  
generally accepted scientific principles or laboratory tests 79483  
that the presence of the extremely hazardous substances, 79484  
hazardous chemicals, or hazardous substances in the quantities 79485  
in which they are routinely or intermittently present at the 79486  
facility for which the order is sought pose a substantial risk 79487  
of catastrophic injury to public health or safety or to the 79488  
environment, or pose an extraordinary risk of injury to 79489  
responding emergency management personnel, in the event of a 79490  
release of any of those substances or chemicals from the 79491  
facility. The rules shall require that before approval of an 79492  
application for issuance of such an order, the commission or 79493  
committee also find by a preponderance of the evidence that the 79494  
placement of an emergency response lock box unit at the facility 79495  
is necessary to protect against the substantial risk of 79496

catastrophic injury to public health or safety or the 79497  
environment, or to protect against an extraordinary risk of 79498  
injury to responding emergency management personnel, in the 79499  
event of a release of any of the extremely hazardous substances, 79500  
hazardous chemicals, or hazardous substances routinely or 79501  
intermittently present at the facility. The rules shall require 79502  
that when determining whether the extremely hazardous 79503  
substances, hazardous chemicals, or hazardous substances present 79504  
at the facility pose a substantial risk of catastrophic injury 79505  
to public health or safety or to the environment, or pose an 79506  
extraordinary risk of injury to responding emergency management 79507  
personnel, in the event of a release of any of those substances 79508  
or chemicals from the facility, the commission or committee 79509  
consider all of the following factors: 79510

(i) The specific characteristics and the degree and nature 79511  
of the hazards posed by a release of the extremely hazardous 79512  
substances, hazardous chemicals, or hazardous substances present 79513  
at the facility; 79514

(ii) The proximity of the facility to residential areas, 79515  
to areas where significantly large numbers of people are 79516  
employed or otherwise congregate, and to environmental resources 79517  
that are subject to injury; 79518

(iii) The quantities of the extremely hazardous 79519  
substances, hazardous chemicals, or hazardous substances that 79520  
are routinely present at the facility; 79521

(iv) The frequency with which the extremely hazardous 79522  
substances, hazardous chemicals, or hazardous substances are 79523  
present at the facility. 79524

(g) Establish procedures to be followed by the commission 79525

and the executive committee of the commission for the issuance 79526  
of orders under this chapter. 79527

(3) In accordance with Chapter 119. of the Revised Code 79528  
adopt rules establishing reportable quantities for releases of 79529  
oil that are consistent with and equivalent in scope, content, 79530  
and coverage to section 311 of the "Federal Water Pollution 79531  
Control Act Amendments of 1972," 86 Stat. 862, 33 U.S.C.A. 1321, 79532  
as amended, and applicable regulations adopted under it; 79533

(4) Adopt rules in accordance with Chapter 119. of the 79534  
Revised Code establishing criteria and procedures for 79535  
identifying or listing extremely hazardous substances in 79536  
addition to those identified or listed in rules adopted under 79537  
division (B)(1)(a) of this section and for establishing 79538  
threshold planning quantities and reportable quantities for the 79539  
added extremely hazardous substances; for identifying or listing 79540  
hazardous chemicals in addition to those identified or listed in 79541  
rules adopted under division (B)(1)(b) of this section and for 79542  
establishing threshold quantities and categories of health and 79543  
physical hazards for the added hazardous chemicals; and for 79544  
identifying or listing hazardous substances in addition to those 79545  
identified or listed in rules adopted under division (B)(1)(c) 79546  
of this section and for establishing reportable quantities for 79547  
the added hazardous substances. The criteria for identifying or 79548  
listing additional extremely hazardous substances and 79549  
establishing threshold planning quantities and reportable 79550  
quantities therefor and for identifying or listing additional 79551  
hazardous chemicals and establishing threshold quantities and 79552  
categories of health and physical hazards for the added 79553  
hazardous chemicals shall be consistent with and equivalent to 79554  
applicable criteria therefor under the "Emergency Planning and 79555  
Community Right-To-Know Act of 1986," 100 Stat. 1729, 42 79556

U.S.C.A. 11001, and regulations adopted under it. The criteria 79557  
for identifying additional hazardous substances and for 79558  
establishing reportable quantities of the added hazardous 79559  
substances shall be consistent with and equivalent to the 79560  
applicable criteria for identifying or listing hazardous 79561  
substances and establishing reportable quantities therefor under 79562  
the "Comprehensive Environmental Response, Compensation, and 79563  
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 79564  
amended, and regulations adopted under it. 79565

The rules shall require that, before identifying or 79566  
listing any such additional extremely hazardous substance, 79567  
hazardous chemical, or hazardous substance and establishing a 79568  
threshold planning quantity, threshold quantity, or reportable 79569  
quantity therefor, the commission find by a preponderance of the 79570  
scientific evidence based on generally accepted scientific 79571  
principles or laboratory tests that the substance or chemical 79572  
poses a substantial risk of catastrophic injury to public health 79573  
or safety or to the environment, or poses an extraordinary risk 79574  
of injury to emergency management personnel responding to a 79575  
release of the chemical or substance, when the chemical or 79576  
substance is present at a facility in an amount equal to the 79577  
proposed threshold planning quantity or threshold quantity or, 79578  
in the instance of a proposed additional extremely hazardous 79579  
substance or hazardous substance, poses a substantial risk of 79580  
catastrophic injury to public health or safety or to the 79581  
environment if a release of the proposed reportable quantity of 79582  
the substance occurs. The rules shall further require that, 79583  
before so identifying or listing a substance or chemical, the 79584  
commission find by a preponderance of the evidence that the 79585  
development and implementation of state or local emergency 79586  
response plans for releases of the substance or chemical will 79587

reduce the risk of a catastrophic injury to public health or 79588  
safety or to the environment, or will reduce the extraordinary 79589  
risk of injury to responding emergency response personnel, in 79590  
the event of a release of the substance or chemical and find by 79591  
a preponderance of the evidence that the identification or 79592  
listing of the substance or chemical is necessary for the 79593  
development of state or local emergency response plans for 79594  
releases of the substance or chemical. The rules shall require 79595  
that the commission consider the toxicity of the substance or 79596  
chemical in terms of both the short-term and long-term health 79597  
effects resulting from exposure to it and its reactivity, 79598  
volatility, dispersibility, combustibility, and flammability 79599  
when determining the risks posed by a release of the substance 79600  
or chemical and, as appropriate, when establishing a threshold 79601  
planning quantity, threshold quantity, reportable quantity, or 79602  
category of health or physical hazard for it. 79603

(5) Adopt rules in accordance with Chapter 119. of the 79604  
Revised Code establishing criteria and procedures for receiving 79605  
and deciding claims for protection of information as a trade 79606  
secret that are applicable only to extremely hazardous 79607  
substances and hazardous chemicals identified or listed in rules 79608  
adopted under division (C) (5) of this section. The rules shall 79609  
be equivalent in scope, content, and coverage to section 322 of 79610  
the "Emergency Planning and Community Right-To-Know Act of 79611  
1986," 100 Stat. 1747, 42 U.S.C.A. 11042, and regulations 79612  
adopted under it. 79613

(6) (a) After consultation with the fire marshal, adopt 79614  
rules in accordance with Chapter 119. of the Revised Code 79615  
establishing standards for the construction, placement, and use 79616  
of emergency response lock box units at facilities that are 79617  
subject to this chapter. The rules shall establish all of the 79618

following: 79619

(i) Specific standards of construction for lock box units; 79620

(ii) The specific types of information that shall be 79621  
placed in the lock box units required to be placed at a facility 79622  
by an order issued under division (D) of section 3750.11 of the 79623  
Revised Code, which shall include the location of on-site 79624  
emergency fire-fighting and spill cleanup equipment; a diagram 79625  
of the public and private water supply and sewage systems 79626  
serving the facility that are known to the owner or operator of 79627  
the facility; a copy of the emergency and hazardous chemical 79628  
inventory form for the facility most recently required to be 79629  
submitted under section 3750.08 of the Revised Code from which 79630  
the owner or operator may withhold information claimed or 79631  
determined to be trade secret information pursuant to rules 79632  
adopted under division (B) (2) (d) of this section, or pursuant to 79633  
division (B) (14) of this section and rules adopted under 79634  
division (B) (5) of this section, and confidential business 79635  
information identified in rules adopted under division (B) (1) (h) 79636  
of this section; a copy of the local fire department's and 79637  
facility's emergency management plans for the facility, if any; 79638  
a current list of the names, positions, addresses, and telephone 79639  
numbers of all key facility personnel knowledgeable in facility 79640  
safety procedures and the locations at the facility where 79641  
extremely hazardous substances, hazardous chemicals, and 79642  
hazardous substances are produced, used, or stored. The rules 79643  
shall stipulate that, in the instance of lock box units placed 79644  
voluntarily at facilities by the owners or operators of the 79645  
facilities, such information shall be maintained in them as is 79646  
prescribed by agreement by the owner or operator and the fire 79647  
department having jurisdiction over the facility. 79648

(iii) The conditions that shall be met in order to provide safe and expedient access to a lock box unit during a release or threatened release of an extremely hazardous substance, hazardous chemical, or hazardous substance.

(b) Unless the owner or operator of a facility is issued an order under division (D) of section 3750.11 of the Revised Code requiring the owner or operator to place a lock box unit at the facility, the owner or operator may place a lock box unit at the facility at the owner's or operator's discretion. If the owner or operator chooses to place a lock box unit at the facility, the responsibility to deposit information in the lock box unit is in addition to any other obligations established in this chapter.

(c) Any costs associated with the purchase, construction, or placement of a lock box unit shall be paid by the owner or operator of the facility.

(7) In accordance with Chapter 119. of the Revised Code, adopt rules governing the application for and awarding of grants under division (C) of section 3750.14 and division (B) of section 3750.15 of the Revised Code;

(8) Adopt rules in accordance with Chapter 119. of the Revised Code establishing reasonable maximum fees that may be charged by the commission and local emergency planning committees for copying information in the commission's or committee's files to fulfill requests from the public for that information;

(9) Adopt internal management rules governing the operations of the commission. The internal management rules shall establish an executive committee of the commission

consisting of the director of environmental protection or the 79678  
director's designee, the director of public safety or the 79679  
director's designee, the attorney general or the attorney 79680  
general's designee, one of the appointed members of the 79681  
commission representing industries subject to this chapter to be 79682  
appointed by the commission, one of the appointed members of the 79683  
commission representing the interests of environmental advocacy 79684  
organizations to be appointed by the commission, and one other 79685  
appointed member or member ex officio of the commission to be 79686  
appointed by the commission. The executive committee has 79687  
exclusive authority to issue enforcement orders under section 79688  
3750.18 of the Revised Code and to request the attorney general 79689  
to bring a civil action, civil penalty action, or criminal 79690  
action under section 3750.20 of the Revised Code in the name of 79691  
the commission regarding violations of this chapter, rules 79692  
adopted under it, or orders issued under it. The internal 79693  
management rules may set forth the other specific powers and 79694  
duties of the commission that the executive committee may 79695  
exercise and carry out and the conditions under which the 79696  
executive committee may do so. The internal management rules 79697  
shall not authorize the executive committee to issue variances 79698  
under division (B) or (C) of section 3750.11 of the Revised Code 79699  
or orders under division (D) of that section. 79700

(10) Oversee and coordinate the implementation and 79701  
enforcement of this chapter and make such recommendations to the 79702  
director of environmental protection and the director of public 79703  
safety as it considers necessary or appropriate to improve the 79704  
implementation and enforcement of this chapter; 79705

(11) Make allocations of moneys under division (B) of 79706  
section 3750.14 of the Revised Code and make grants under 79707  
division (C) of section 3750.14 and division (B) of section 79708

3750.15 of the Revised Code; 79709

(12) Designate an officer of the environmental protection 79710  
agency to serve as the commission's information coordinator 79711  
under this chapter; 79712

(13) Not later than December 14, 1989, develop and 79713  
distribute a state emergency response plan that defines the 79714  
emergency response roles and responsibilities of the state 79715  
agencies that are represented on the commission and that 79716  
provides appropriate coordination with the national contingency 79717  
plan and the regional contingency plan required by section 105 79718  
of the "Comprehensive Environmental Response, Compensation, and 79719  
Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as 79720  
amended. The plan shall ensure a well-coordinated response by 79721  
state agencies that may be involved in assisting local emergency 79722  
responders during a major release of oil or a major sudden and 79723  
accidental release of a hazardous substance or extremely 79724  
hazardous substance. The plan may incorporate existing state 79725  
emergency response plans by reference. At least annually, the 79726  
commission and the state agencies that are represented on it 79727  
shall jointly exercise the state plan in conjunction with the 79728  
exercise of a local emergency response plan by a local emergency 79729  
planning committee under section 3750.04 of the Revised Code. 79730  
After any such exercise, the commission shall review the state 79731  
plan and make such revisions in it as the commission considers 79732  
necessary or appropriate. 79733

(14) Receive and decide claims for the protection of 79734  
information as a trade secret that pertain only to extremely 79735  
hazardous substances and hazardous chemicals identified or 79736  
listed by rules adopted under division (C)(5) of this section. 79737  
If the commission determines that the claim meets the criteria 79738

established in rules adopted under division (B) (5) of this 79739  
section, it shall issue an order to that effect in accordance 79740  
with section 3750.18 of the Revised Code. If the commission 79741  
determines that the claim does not meet the criteria established 79742  
in those rules, it shall issue an order to that effect in 79743  
accordance with section 3750.18 of the Revised Code. 79744

(15) Annually compile, make available to the public, and 79745  
submit to the president of the senate and the speaker of the 79746  
house of representatives a summary report on the number of 79747  
facilities estimated to be subject to regulation under sections 79748  
3750.05, 3750.07, and 3750.08 of the Revised Code, the number of 79749  
facilities reporting to the commission, an estimate of the 79750  
percentage of facilities in compliance with those sections, and 79751  
recommendations regarding the types of activities the commission 79752  
considers necessary to improve such compliance. The commission 79753  
shall base its estimate of the number of facilities that are 79754  
subject to regulation under those sections on the current 79755  
estimates provided by the local emergency planning committees 79756  
under division (D) (6) of section 3750.03 of the Revised Code. 79757

(C) The commission may: 79758

(1) Procure by contract the temporary or intermittent 79759  
services of experts or consultants when those services are to be 79760  
performed on a part-time or fee-for-service basis and do not 79761  
involve the performance of administrative duties; 79762

(2) Enter into contracts or agreements with political 79763  
subdivisions or emergency planning districts for the purposes of 79764  
this chapter; 79765

(3) Accept on behalf of the state any gift, grant, or 79766  
contribution from any governmental or private source for the 79767

purposes of this chapter; 79768

(4) Enter into contracts, agreements, or memoranda of 79769  
understanding with any state department, agency, board, 79770  
commission, or institution to obtain the services of personnel 79771

chapter. Employees of a state department, agency, board, 79773  
commission, or institution providing services to the commission 79774  
under any such contract, agreement, or memorandum shall perform 79775  
only those functions and provide only the services provided for 79776  
in the contract, agreement, or memorandum. 79777

(5) Identify or list extremely hazardous substances in 79778  
addition to those identified or listed in rules adopted under 79779  
division (B)(1)(a) of this section and establish threshold 79780  
planning quantities and reportable quantities for the additional 79781  
extremely hazardous substances, identify or list hazardous 79782  
chemicals in addition to those identified or listed in rules 79783  
adopted under division (B)(1)(b) of this section and establish 79784  
threshold quantities and categories or health and physical 79785  
hazards for the added chemicals, and identify or list hazardous 79786  
substances in addition to those identified or listed in rules 79787  
adopted under division (B)(1)(c) of this section and establish 79788  
reportable quantities for the added hazardous substances. The 79789  
commission may establish threshold planning quantities for the 79790  
additional extremely hazardous substances based upon classes of 79791  
those substances or categories of facilities at which they are 79792  
present and may establish threshold quantities for the 79793  
additional hazardous chemicals based upon classes of those 79794  
chemicals or categories of facilities where they are present. 79795  
The commission shall identify or list such additional substances 79796  
or chemicals and establish threshold planning quantities, 79797  
threshold quantities, reportable quantities, and hazard 79798

categories therefor in accordance with the criteria and 79799  
procedures established in rules adopted under division (B) (4) of 79800  
this section and, after compliance with those criteria and 79801  
procedures, by the adoption of rules in accordance with Chapter 79802  
119. of the Revised Code. The commission shall not adopt rules 79803  
under division (C) (5) of this section modifying any threshold 79804  
planning quantity established in rules adopted under division 79805  
(B) (1) (a) of this section, any threshold quantity established in 79806  
rules adopted under division (B) (1) (b) of this section, or any 79807  
reportable quantity established in rules adopted under division 79808  
(B) (1) (c) of this section. 79809

If, after the commission has adopted rules under division 79810  
(C) (5) of this section identifying or listing an extremely 79811  
hazardous substance, hazardous chemical, or hazardous substance, 79812  
the administrator of the United States environmental protection 79813  
agency identifies or lists the substance or chemical as an 79814  
extremely hazardous substance or hazardous chemical under the 79815  
"Emergency Planning and Community Right-To-Know Act of 1986," 79816  
100 Stat. 1729, 42 U.S.C.A. 11001, or identifies or lists a 79817  
substance as a hazardous substance under the "Comprehensive 79818  
Environmental Response, Compensation, and Liability Act of 79819  
1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as amended, the 79820  
commission shall rescind its rules adopted under division (C) (5) 79821  
of this section pertaining to the substance or chemical and 79822  
adopt the appropriate rules under division (B) (1) (a), (b), or 79823  
(c) of this section. 79824

(6) From time to time, request the director of 79825  
environmental protection and the executive director of the 79826  
emergency management agency to review implementation, 79827  
administration, and enforcement of the chemical emergency 79828  
response planning and reporting programs created by this chapter 79829

and rules adopted under it regarding their effectiveness in 79830  
preparing for response to releases of extremely hazardous 79831  
substances, hazardous chemicals, and hazardous substances. After 79832  
completion of any such review, the director of environmental 79833  
protection and the director of public safety shall report their 79834  
findings to the commission. Upon receipt of their findings, the 79835  
commission may make such recommendations for legislative and 79836  
administrative action as the commission finds necessary or 79837  
appropriate to promote achievement of the purposes of this 79838  
chapter. 79839

(D) Except as provided in section 3750.06 of the Revised 79840  
Code, nothing in this chapter applies to the transportation, 79841  
including the storage incident to transportation, of any 79842  
substance or chemical subject to the requirements of this 79843  
chapter, including the transportation and distribution of 79844  
natural gas. 79845

(E) This chapter authorizes the state, through the 79846  
emergency response commission, the department of public safety, 79847  
and the environmental protection agency, to establish and 79848  
maintain chemical emergency response planning and preparedness, 79849  
community right-to-know, and hazardous substance and extremely 79850  
hazardous substance release reporting programs that are 79851  
consistent with and equivalent in scope, coverage, and content 79852  
to the "Emergency Planning and Community Right-To-Know Act of 79853  
1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and regulations 79854  
adopted under it, except as otherwise specifically required or 79855  
authorized in this chapter. The commission, department, and 79856  
agencies may do all things necessary, incidental, or appropriate 79857  
to implement, administer, and enforce this chapter and to 79858  
perform the duties and exercise the powers of the state 79859  
emergency response commission under that act and regulations 79860

adopted under it and under this chapter. 79861

**Sec. 3769.088.** (A) (1) If any permit holder required by 79862  
this chapter to pay the taxes levied by sections 3769.08, 79863  
3769.087, 3769.26, and 3769.28 of the Revised Code fails to pay 79864  
the taxes as required, the tax commissioner may make an 79865  
assessment against the permit holder based upon any information 79866  
in the commissioner's possession. 79867

(2) If a permit holder required to remit taxes or file a 79868  
report electronically in the manner prescribed under section 79869  
3769.103 of the Revised Code fails to do so, the tax 79870  
commissioner may impose an additional penalty of fifty dollars 79871  
or ten per cent of the tax due as shown on the report, whichever 79872  
is greater. 79873

(3) A penalty of up to fifteen per cent may be added to 79874  
the amount of every assessment made under this section. 79875

~~(4) The commissioner may adopt rules providing for the 79876  
imposition and remission of penalties added to assessments made 79877  
under this section. 79878~~

~~(5) The commissioner shall give the party assessed written 79879  
notice of the assessment in the manner provided in section 79880  
5703.37 of the Revised Code. With the notice, the commissioner 79881  
shall provide instructions on how to petition for reassessment 79882  
and request a hearing on the petition. 79883~~

(B) Unless the party assessed files with the tax 79884  
commissioner within sixty days after service of the notice of 79885  
assessment, ~~either personally or by certified mail,~~ a written 79886  
petition for reassessment signed by the party assessed or that 79887  
party's authorized agent having knowledge of the facts, the 79888  
assessment becomes final and the amount of the assessment is due 79889

and payable from the party assessed to the commissioner. The 79890  
petition shall indicate the objections of the party assessed, 79891  
but additional objections may be raised in writing if received 79892  
by the commissioner prior to the date shown on the final 79893  
determination. If the petition has been properly filed, the 79894  
commissioner shall proceed under section 5703.60 of the Revised 79895  
Code. 79896

(C) After an assessment becomes final, if any portion of 79897  
the assessment remains unpaid, including accrued interest, a 79898  
certified copy of the tax commissioner's entry making the 79899  
assessment final may be filed in the office of the clerk of the 79900  
court of common pleas in the county in which the place, track, 79901  
or enclosure for which the permit was issued is located or the 79902  
county in which the party assessed resides or has its principal 79903  
place of business. If the party assessed maintains no place of 79904  
business in this state and is not a resident of this state, the 79905  
certified copy of the entry may be filed in the office of the 79906  
clerk of the court of common pleas of Franklin county. 79907

Immediately upon the filing of the entry, the clerk shall 79908  
enter a judgment for the state against the party assessed in the 79909  
amount shown on the entry. The judgment may be filed by the 79910  
clerk in a loose-leaf book entitled "special judgments for state 79911  
horse racing tax," and shall have the same effect as other 79912  
judgments. Execution shall issue upon the judgment upon the 79913  
request of the tax commissioner, and all laws applicable to 79914  
sales on execution shall apply to sales made under the judgment. 79915

If the assessment is not paid in its entirety within sixty 79916  
days after the day the assessment was issued, the portion of the 79917  
assessment consisting of tax due shall bear interest at the rate 79918  
per annum prescribed by section 5703.47 of the Revised Code from 79919

the day the tax commissioner issues the assessment until the day 79920  
the assessment is paid or until it is certified to the attorney 79921  
general for collection under section 131.02 of the Revised Code, 79922  
whichever comes first. If the unpaid portion of the assessment 79923  
is certified to the attorney general for collection, the entire 79924  
unpaid portion of the assessment shall bear interest at the rate 79925  
per annum prescribed by section 5703.47 of the Revised Code from 79926  
the date of certification until the date it is paid in its 79927  
entirety. Interest shall be paid in the same manner as the tax 79928  
and may be collected by the issuance of an assessment under this 79929  
section. 79930

(D) All money collected by the tax commissioner under this 79931  
section shall be treated as revenue arising from the taxes 79932  
imposed by sections 3769.08, 3769.087, 3769.26, and 3769.28 of 79933  
the Revised Code. 79934

**Sec. 3770.071.** (A) As used in this section, "lottery prize 79935  
award" does not include a prize award from a video lottery 79936  
terminal and does not include winnings from lottery sports 79937  
gaming, except that "lottery prize award" includes winnings from 79938  
lottery sports gaming wagers placed through a terminal described 79939  
in division (B) (3) of section 3770.24 of the Revised Code. 79940

(B) If the amount of the prize money or the cost of goods 79941  
or services awarded as a lottery prize award meets or exceeds 79942  
the reportable winnings amounts set by 26 U.S.C. 6041, or a 79943  
subsequent analogous section of the Internal Revenue Code, the 79944  
director of the state lottery commission or the director's 79945  
designee shall consult the data match program established under 79946  
section 3123.89 of the Revised Code to determine whether the 79947  
person is subject to a final and enforceable determination of 79948  
default made under sections 3123.01 to 3123.07 of the Revised 79949

Code. If so, the director or the director's designee shall 79950  
withhold an amount from the prize award in accordance with 79951  
section 3123.89 of the Revised Code. 79952

**Sec. 3770.072.** (A) As used in this section, "prize 79953  
winner," and "transferee," and ~~"transferor"~~ have the same 79954  
meanings as in section 3770.10 of the Revised Code. 79955

(B) The state lottery commission shall deduct amounts from 79956  
lottery prize awards and file returns in accordance with 79957  
~~sections~~ section 5747.062 and 5747.064 of the Revised Code and 79958  
any rules adopted by the tax commissioner pursuant to ~~those~~ 79959  
~~sections~~ that section. This division also applies to lottery 79960  
prize award payments the commission remits to transferees. 79961

~~(C) (1) (a)~~ (C) (1) Each transferee shall deduct and withhold 79962  
from each gross amount payable to each prize winner four per 79963  
cent of the gross amount payable prior to making any other 79964  
reduction required by this chapter. 79965

~~(b) Subject to division (C) (1) (c) of this section, each~~ 79966  
~~transferee, including any transferee that is a related member,~~ 79967  
~~as defined in section 5733.042 of the Revised Code, to the~~ 79968  
~~transferor, shall deduct and withhold from each amount payable~~ 79969  
~~to a transferor that is not a prize winner four per cent of the~~ 79970  
~~portion of the payment representing gain or income the~~ 79971  
~~transferor will recognize in connection with the payment.~~ 79972

~~(c) For purposes of division (C) (1) (b) of this section,~~ 79973  
~~the portion of any payment representing gain or income~~ 79974  
~~recognized by the transferor shall be computed in accordance~~ 79975  
~~with the Internal Revenue Code. The transferor shall prepare a~~ 79976  
~~written statement setting forth that amount and sign the~~ 79977  
~~statement under penalty of perjury. Within five days before the~~ 79978

~~date on which the payment is to be made, the transferor shall 79979  
deliver the written statement to the transferee and deliver a 79980  
copy of the written statement to the tax commissioner. If the 79981  
transferee does not receive the written statement by the time 79982  
the payment is made, the transferee shall withhold four per cent 79983  
of the entire amount of the payment. If the tax commissioner 79984  
notifies the transferee that the transferor has erroneously 79985  
computed the amount of gain or income recognized, the transferee 79986  
shall withhold four per cent of the entire amount of each 79987  
payment to be made after the transferee receives the notice. 79988~~

~~(d) The tax commissioner may impose a penalty of up to one 79989  
thousand dollars for any person failing to timely deliver to the 79990  
tax commissioner the copy of the written statement as required 79991  
by division (C) (1) (c) of this section. Proceeds from the 79992  
imposition of the penalty shall be considered as revenue arising 79993  
from the tax imposed under section 5733.06 or 5747.02 of the 79994  
Revised Code, as applicable. 79995~~

(2) With respect to amounts deducted and withheld pursuant 79996  
to division (C) (1) of this section, each transferee shall comply 79997  
with divisions (A) (2) to (4) of section 5747.062 of the Revised 79998  
Code. 79999

(3) An employee of a corporation, limited liability 80000  
company, or business trust having control or supervision of or 80001  
charged with the responsibility of filing the report and making 80002  
the payment required by division (C) of this section and section 80003  
5747.062 of the Revised Code, or an officer, member, manager, or 80004  
trustee of a corporation, limited liability company, or business 80005  
trust who is responsible for the execution of the corporation's, 80006  
limited liability company's, or business trust's fiscal 80007  
responsibilities, shall be personally liable for failure to file 80008

the report or pay the amount due as required by division (C) of 80009  
this section and section 5747.062 of the Revised Code. The 80010  
dissolution, termination, or bankruptcy of a corporation, 80011  
limited liability company, or business trust does not discharge 80012  
a responsible officer's, member's, manager's, employee's, or 80013  
trustee's liability for a failure of the corporation, limited 80014  
liability company, or business trust to file returns or pay the 80015  
amount due. 80016

(4) (a) The tax commissioner may make an assessment against 80017  
any person listed in division (C) (1) or (3) of this section for 80018  
any deficiency for any period. Section 5747.13 of the Revised 80019  
Code shall apply with respect to issuing assessments, filing 80020  
petitions for reassessments, conducting hearings, issuing final 80021  
determinations, making the assessment final, and filing the 80022  
entry that makes the assessment final. Section 5717.02 of the 80023  
Revised Code shall apply to appeals of the commissioner's final 80024  
decision in connection with assessments issued pursuant to 80025  
division (C) (4) of this section. 80026

(b) An assessment issued against any person listed in 80027  
division (C) (1) or (3) of this section shall not be considered 80028  
an election of remedies or a bar to an assessment against any 80029  
other person for the failure to comply with division (C) (1) of 80030  
this section. No assessment shall be issued against any person 80031  
who is so listed if the amount required to be withheld has been 80032  
paid by another. 80033

(c) The assessment shall include interest at the rate per 80034  
annum prescribed by section 5703.47 of the Revised Code on 80035  
liability from the time the payment is due until the date of 80036  
assessment. Interest shall continue to accrue from the date of 80037  
assessment until the date the assessment is paid in full. Any 80038

interest accruing subsequent to the date of the issuance of the 80039  
assessment shall be considered to be an additional deficiency 80040  
for which the tax commissioner may issue subsequent assessments. 80041  
The initial assessment and any subsequent assessments may 80042  
include a penalty in an amount not to exceed twice the 80043  
applicable interest charged under this division. 80044

**Sec. 3770.073.** (A) As used in this section, "lottery prize 80045  
award" does not include a prize award from a video lottery 80046  
terminal and does not include winnings from lottery sports 80047  
gaming, except that "lottery prize award" includes winnings from 80048  
lottery sports gaming wagers placed through a terminal described 80049  
in division (B) (3) of section 3770.24 of the Revised Code. 80050

(B) The attorney general shall provide the state lottery 80051  
commission or its designee with access to the real time data 80052  
match program described in sections 3772.37 and 3775.16 of the 80053  
Revised Code for the purpose of identifying prize winners who 80054  
owe amounts to the state or a political subdivision. 80055

(C) If a person is entitled to a lottery prize award and 80056  
is indebted to the state for the payment of any tax, workers' 80057  
compensation premium, unemployment contribution, payment in lieu 80058  
of unemployment contribution, or certified claim under section 80059  
131.02 or 131.021 of the Revised Code, ~~or~~ is indebted to a 80060  
political subdivision that has a certified claim under section 80061  
131.02 of the Revised Code, owes lottery sales receipts held in 80062  
trust on behalf of the state lottery commission as described in 80063  
division (H) (4) of section 3770.05 of the Revised Code, or owes 80064  
any charge, penalty, or interest arising from ~~these~~ any of those 80065  
debts and if the amount of the prize money or the cost of goods 80066  
or services awarded as a lottery prize award meets or exceeds 80067  
the reportable winnings amount set by 26 U.S.C. 6041, the 80068

director of the state lottery commission, or the director's 80069  
designee, shall do either of the following: 80070

(1) If the prize award will be paid in a lump sum, deduct 80071  
from the prize award and pay to the attorney general an amount 80072  
in satisfaction of the debt and pay any remainder to that 80073  
person. If the amount of the prize award is less than the amount 80074  
of the debt, the entire amount of the prize award shall be 80075  
deducted and paid in partial satisfaction of the debt. 80076

(2) If the prize award will be paid in annual 80077  
installments, on the date the initial installment payment is 80078  
due, deduct from that installment and pay to the attorney 80079  
general an amount in satisfaction of the debt and, if necessary 80080  
to collect the full amount of the debt, do the same for any 80081  
subsequent annual installments, at the time the installments 80082  
become due and owing to the person, until the debt is fully 80083  
satisfied. 80084

~~(B)~~ (D) If a person entitled to a lottery prize award owes 80085  
more than one debt, any debt owed to the state shall be 80086  
satisfied first, subject to both section 5739.33 and division 80087  
(G) of section 5747.07 of the Revised Code having first 80088  
priority, and subject to division ~~(C)~~ (E) of this section. 80089

~~(C)~~ (E) Any debt owed under section 3770.071 of the 80090  
Revised Code shall be satisfied with first priority over debts 80091  
owed under this section. 80092

~~(D)~~ (F) Except as provided in section 131.021 of the 80093  
Revised Code, this section applies only to debts that have 80094  
become final. 80095

Sec. 3770.074. If the amount of a prize award from a video 80096  
lottery terminal meets or exceeds the reportable winnings amount 80097

set by 26 U.S.C. 6041, the video lottery sales agent shall 80098  
consult the data match program established under section 3123.89 80099  
of the Revised Code to determine whether the person is subject 80100  
to a final and enforceable determination of default made under 80101  
sections 3123.01 to 3123.07 of the Revised Code. If so, the 80102  
video lottery sales agent shall withhold an amount from the 80103  
prize award in accordance with section 3123.89 of the Revised 80104  
Code. 80105

**Sec. 3770.075.** (A) The attorney general shall provide each 80106

Revised Code for the purpose of identifying prize winners who 80109  
owe amounts to the state or a political subdivision. 80110

(B) If a person is entitled to a prize award from a video 80111  
lottery terminal that meets or exceeds the reportable winnings 80112  
amount set by 26 U.S.C. 6041 and the person is indebted to the 80113  
state for the payment of any tax, workers' compensation premium, 80114  
unemployment contribution, payment in lieu of unemployment 80115

employer to: 82639

(1) Determine matters of inherent managerial policy which 82640  
include, but are not limited to, areas of discretion or policy 82641  
such as the functions and programs of the public employer, 82642  
standards of services, its overall budget, utilization of 82643  
technology, and organizational structure; 82644

(2) Direct, supervise, evaluate, or hire employees; 82645

(3) Maintain and improve the efficiency and effectiveness 82646  
of governmental operations; 82647

**Sec. 4117.10.** (A) An agreement between a public employer 82667  
and an exclusive representative entered into pursuant to this 82668  
chapter governs the wages, hours, and terms and conditions of 82669  
public employment covered by the agreement. If the agreement 82670  
provides for a final and binding arbitration of grievances, 82671  
public employers, employees, and employee organizations are 82672  
subject solely to that grievance procedure and the state 82673  
personnel board of review or civil service commissions have no 82674  
jurisdiction to receive and determine any appeals relating to 82675  
matters that were the subject of a final and binding grievance 82676  
procedure. Where no agreement exists or where an agreement makes 82677  
no specification about a matter, the public employer and public 82678  
employees are subject to all applicable state or local laws or 82679  
ordinances pertaining to the wages, hours, and terms and 82680  
conditions of employment for public employees. All of the 82681  
following prevail over conflicting provisions of agreements 82682  
between employee organizations and public employers: 82683

(1) Laws pertaining to any of the following subjects:	82684
(a) Civil rights;	82685
(b) Affirmative action;	82686
(c) Unemployment compensation;	82687
(d) Workers' compensation;	82688
(e) The retirement of public employees;	82689
(f) Residency requirements;	82690
(g) The minimum educational requirements contained in the Revised Code pertaining to public education including the requirement of a certificate by the fiscal officer of a school district pursuant to section 5705.41 of the Revised Code;	82691 82692 82693 82694
(h) The provisions of division (A) of section 124.34 of the Revised Code governing the disciplining of officers and employees who have been convicted of a felony;	82695 82696 82697
(i) The minimum standards promulgated by the director of education and workforce pursuant to division (D) of section 3301.07 of the Revised Code.	82698 82699 82700
(2) The law pertaining to the leave of absence and compensation provided under section 5923.05 of the Revised Code, if the terms of the agreement contain benefits which are less than those contained in that section or the agreement contains no such terms and the public authority is the state or any agency, authority, commission, or board of the state or if the public authority is another entity listed in division (B) of section 4117.01 of the Revised Code that elects to provide leave of absence and compensation as provided in section 5923.05 of the Revised Code;	82701 82702 82703 82704 82705 82706 82707 82708 82709 82710

(3) The law pertaining to the leave established under 82711  
section 5906.02 of the Revised Code, if the terms of the 82712  
agreement contain benefits that are less than those contained in 82713  
section 5906.02 of the Revised Code; 82714

(4) The law pertaining to excess benefits prohibited under 82715  
section 3345.311 of the Revised Code with respect to an 82716  
agreement between an employee organization and a public employer 82717  
entered into on or after September 29, 2015; 82718

(5) The law pertaining to state employee work location 82719  
policies under section 124.184 of the Revised Code with respect 82720  
to an agreement between an employee organization and a public 82721  
employer entered into on or after the effective date of this 82722  
amendment. 82723

Except for sections 306.08, 306.12, 306.35, and 4981.22 of 82724  
the Revised Code and arrangements entered into thereunder, and 82725  
section 4981.21 of the Revised Code as necessary to comply with 82726  
section 13(c) of the "Urban Mass Transportation Act of 1964," 87 82727  
Stat. 295, 49 U.S.C.A. 1609(c), as amended, and arrangements 82728  
entered into thereunder, this chapter prevails over any and all 82729  
other conflicting laws, resolutions, provisions, present or 82730  
future, except as otherwise specified in this chapter or as 82731  
otherwise specified by the general assembly. Nothing in this 82732  
section prohibits or shall be construed to invalidate the 82733  
provisions of an agreement establishing supplemental workers' 82734  
compensation or unemployment compensation benefits or exceeding 82735  
minimum requirements contained in the Revised Code pertaining to 82736  
public education or the minimum standards promulgated by the 82737  
director of education and workforce pursuant to division (D) of 82738  
section 3301.07 of the Revised Code. 82739

(B) The public employer shall submit a request for funds 82740

necessary to implement an agreement and for approval of any 82741  
other matter requiring the approval of the appropriate 82742  
legislative body to the legislative body within fourteen days of 82743  
the date on which the parties finalize the agreement, unless 82744  
otherwise specified, but if the appropriate legislative body is 82745  
not in session at the time, then within fourteen days after it 82746  
convenes. The legislative body must approve or reject the 82747  
submission as a whole, and the submission is deemed approved if 82748  
the legislative body fails to act within thirty days after the 82749  
public employer submits the agreement. The parties may specify 82750  
that those provisions of the agreement not requiring action by a 82751  
legislative body are effective and operative in accordance with 82752  
the terms of the agreement, provided there has been compliance 82753  
with division (C) of this section. If the legislative body 82754  
rejects the submission of the public employer, either party may 82755  
reopen all or part of the entire agreement. 82756

As used in this section, "legislative body" includes the 82757  
governing board of a municipal corporation, school district, 82758  
college or university, village, township, or board of county 82759  
commissioners or any other body that has authority to approve 82760  
the budget of their public jurisdiction and, with regard to the 82761  
state, "legislative body" means the controlling board. 82762

(C) The chief executive officer, or the chief executive 82763  
officer's representative, of each municipal corporation, the 82764  
designated representative of the board of education of each 82765  
school district, college or university, or any other body that 82766  
has authority to approve the budget of their public 82767  
jurisdiction, the designated representative of the board of 82768  
county commissioners and of each elected officeholder of the 82769  
county whose employees are covered by the collective 82770  
negotiations, and the designated representative of the village 82771

or the board of township trustees of each township is 82772  
responsible for negotiations in the collective bargaining 82773  
process; except that the legislative body may accept or reject a 82774  
proposed collective bargaining agreement. When the matters about 82775  
which there is agreement are reduced to writing and approved by 82776  
the employee organization and the legislative body, the 82777  
agreement is binding upon the legislative body, the employer, 82778  
and the employee organization and employees covered by the 82779  
agreement. 82780

(D) There is hereby established an office of collective 82781  
bargaining in the department of administrative services for the 82782  
purpose of negotiating with and entering into written agreements 82783  
between state agencies, departments, boards, and commissions and 82784  
the exclusive representative on matters of wages, hours, terms 82785  
and other conditions of employment and the continuation, 82786  
modification, or deletion of an existing provision of a 82787  
collective bargaining agreement. Nothing in any provision of law 82788  
to the contrary shall be interpreted as excluding the bureau of 82789  
workers' compensation and the industrial commission from the 82790  
preceding sentence. This office shall not negotiate on behalf of 82791  
other statewide elected officials or boards of trustees of state 82792  
institutions of higher education who shall be considered as 82793  
separate public employers for the purposes of this chapter; 82794  
however, the office may negotiate on behalf of these officials 82795  
or trustees where authorized by the officials or trustees. The 82796  
staff of the office of collective bargaining are in the 82797  
unclassified service. The director of administrative services 82798  
shall fix the compensation of the staff. 82799

The office of collective bargaining shall: 82800

philosophy for public collective bargaining as well as planning	82802
bargaining strategies;	82803
(2) Conduct negotiations with the exclusive	82804

if the services performed during more than one half of any such 83431  
pay period by an employee for the person employing that employee 83432  
do not constitute employment, then none of the services of such 83433

Remuneration in excess of such amounts shall be deemed wages subject to contribution to the same extent that such remuneration is defined as wages under the "Federal Unemployment Tax Act," 84 Stat. 714 (1970), 26 U.S.C.A. 3301 to 3311, as amended. The remuneration paid an employee by an employer with respect to employment in another state, upon which contributions were required and paid by such employer under the unemployment

part of remuneration in computing the amount specified in this 83473  
division. 83474

accounted for by such individual to the individual's employer 83482  
are taxable wages. 83483

The reasonable cash value of compensation paid in any 83484  
medium other than cash shall be estimated and determined in 83485  
accordance with rules prescribed by the director, provided that 83486  
"remuneration" does not include: 83487

(a) Payments as provided in divisions (b) (2) to (b) (20) of 83488  
section 3306 of the "Federal Unemployment Tax Act," 84 Stat. 83489

(b) The payment by an employer, without deduction from the 83491  
remuneration of the individual in the employer's employ, of the 83492

respect to services performed after October 1, 1941. 83495

(2) "Cash remuneration" means all remuneration paid in 83496

(I) "Interested party" means the director and any party to 83499  
whom notice of a determination of an application for benefit 83500

section 4141.28 of the Revised Code. 83502

(J) "Annual payroll" means the total amount of wages 83503

(K) "Average annual payroll" means the average of the last 83507  
three annual payrolls of an employer, provided that if, as of 83508  
any computation date, the employer has had less than three 83509  
annual payrolls in such three-year period, such average shall be 83510  
based on the annual payrolls which the employer has had as of 83511  
such date. 83512

(L) (1) "Contributions" means the money payments to the 83513  
state unemployment compensation fund required of employers by 83514  
section 4141.25 of the Revised Code and of the state and any of 83515

contributions shall be described as "contributory employers." 83518

(2) "Payments in lieu of contributions" means the money 83519  
payments to the state unemployment compensation fund required of 83520  
reimbursing employers under sections 4141.241 and 4141.242 of 83521  
the Revised Code. 83522

(M) An individual is "totally unemployed" in any week 83523  
during which the individual performs no services and with 83524  
respect to such week no remuneration is payable to the 83525  
individual. 83526

(N) An individual is "partially unemployed" in any week 83527  
if, due to involuntary loss of work, the total remuneration 83528  
payable to the individual for such week is less than the 83529

individual's weekly benefit amount. 83530

(O) "Week" means the calendar week ending at midnight 83531  
Saturday unless an equivalent week of seven consecutive calendar 83532  
days is prescribed by the director. 83533

(1) "Qualifying week" means any calendar week in an 83534  
individual's base period with respect to which the individual 83535  
earns or is paid remuneration in employment subject to this 83536  
chapter. A calendar week with respect to which an individual 83537  
earns remuneration but for which payment was not made within the 83538  
base period, when necessary to qualify for benefit rights, may 83539  
be considered to be a qualifying week. The number of qualifying 83540  
weeks which may be established in a calendar quarter shall not 83541  
exceed the number of calendar weeks in the quarter. 83542

(2) "Average weekly wage" means the amount obtained by 83543  
dividing an individual's total remuneration for all qualifying 83544  
weeks during the base period by the number of such qualifying 83545  
weeks, provided that if the computation results in an amount 83546  
that is not a multiple of one dollar, such amount shall be 83547  
rounded to the next lower multiple of one dollar. 83548

(P) "Weekly benefit amount" means the amount of benefits 83549  
an individual would be entitled to receive for one week of total 83550

(Q) (1) "Base period" means the first four of the last five 83552  
completed calendar quarters immediately preceding the first day 83553  
of an individual's benefit year, except as provided in division 83554  
(Q) (2) of this section. 83555

(2) If an individual does not have sufficient qualifying 83556  
weeks and wages in the base period to qualify for benefit 83557  
rights, the individual's base period shall be the four most 83558

recently completed calendar quarters preceding the first day of 83559  
the individual's benefit year. Such base period shall be known 83560  
as the "alternate base period." If information as to weeks and 83561  
wages for the most recent quarter of the alternate base period 83562  
is not available to the director from the regular quarterly 83563  
reports of wage information, which are systematically 83564  
accessible, the director may, consistent with the provisions of 83565  
section 4141.28 of the Revised Code, base the determination of 83566  
eligibility for benefits on the affidavit of the claimant with 83567  
respect to weeks and wages for that calendar quarter. The 83568  
claimant shall furnish payroll documentation, where available, 83569  
in support of the affidavit. The determination based upon the 83570  
alternate base period as it relates to the claimant's benefit 83571  
rights, shall be amended when the quarterly report of wage 83572  
information from the employer is timely received and that 83573  
information causes a change in the determination. As provided in 83574  
division (B) of section 4141.28 of the Revised Code, any 83575  
benefits paid and charged to an employer's account, based upon a 83576  
claimant's affidavit, shall be adjusted effective as of the 83577  
beginning of the claimant's benefit year. No calendar quarter in 83578  
a base period or alternate base period shall be used to 83579  
establish a subsequent benefit year. 83580

(3) The "base period" of a combined wage claim, as 83581  
described in division (H) of section 4141.43 of the Revised 83582  
Code, shall be the base period prescribed by the law of the 83583  
state in which the claim is allowed. 83584

(4) For purposes of determining the weeks that comprise a 83585  
completed calendar quarter under this division, only those weeks 83586  
ending at midnight Saturday within the calendar quarter shall be 83587  
utilized. 83588

(R) (1) "Benefit year" with respect to an individual means 83589  
the fifty-two week period beginning with the first day of that 83590  
week with respect to which the individual first files a valid 83591  
application for determination of benefit rights, and thereafter 83592  
the fifty-two week period beginning with the first day of that 83593  
week with respect to which the individual next files a valid 83594  
application for determination of benefit rights after the 83595  
termination of the individual's last preceding benefit year, 83596  
except that the application shall not be considered valid unless 83597  
the individual has had employment in six weeks that is subject 83598  
to this chapter or the unemployment compensation act of another 83599  
state, or the United States, and has, since the beginning of the 83600  
individual's previous benefit year, in the employment earned 83601  
three times the average weekly wage determined for the previous 83602  
benefit year. The "benefit year" of a combined wage claim, as 83603  
described in division (H) of section 4141.43 of the Revised 83604  
Code, shall be the benefit year prescribed by the law of the 83605  
state in which the claim is allowed. Any application for 83606  
determination of benefit rights made in accordance with section 83607  
4141.28 of the Revised Code is valid if the individual filing 83608  
such application is unemployed, has been employed by an employer 83609  
or employers subject to this chapter in at least twenty 83610  
qualifying weeks within the individual's base period, and has 83611  
earned or been paid remuneration at an average weekly wage of 83612  
not less than twenty-seven and one-half per cent of the 83613  
statewide average weekly wage for such weeks. For purposes of 83614  
determining whether an individual has had sufficient employment 83615  
since the beginning of the individual's previous benefit year to 83616  
file a valid application, "employment" means the performance of 83617  
services for which remuneration is payable. 83618

(2) Effective for benefit years beginning on and after 83619

December 26, 2004, but before July 1, 2022, any application for 83620  
determination of benefit rights made in accordance with section 83621  
4141.28 of the Revised Code is valid if the individual satisfies 83622  
the criteria described in division (R) (1) of this section, and 83623  
if the reason for the individual's separation from employment is 83624  
not disqualifying pursuant to division (D) (2) of section 4141.29 83625  
or section 4141.291 of the Revised Code. A disqualification 83626  
imposed pursuant to division (D) (2) of section 4141.29 or 83627  
section 4141.291 of the Revised Code must be removed as provided 83628  
in those sections as a requirement of establishing a valid 83629  
application for benefit years beginning on and after December 83630  
26, 2004, but before July 1, 2022. Effective for benefit years 83631  
beginning on and after July 1, 2022, any application for 83632  
determination of benefit rights made in accordance with section 83633  
4141.28 of the Revised Code is valid if the individual satisfies 83634  
the criteria described in division (R) (1) of this section. A 83635  
disqualification imposed pursuant to division (D) (2) of section 83636  
4141.29 or section 4141.291 of the Revised Code does not affect 83637  
the validity of an application. 83638

(3) The statewide average weekly wage shall be calculated 83639  
by the director once a year based on the twelve-month period 83640  
ending the thirtieth day of June, as set forth in division (B) 83641  
(3) of section 4141.30 of the Revised Code, rounded down to the 83642  
nearest dollar. Increases or decreases in the amount of 83643  
remuneration required to have been earned or paid in order for 83644  
individuals to have filed valid applications shall become 83645  
effective on Sunday of the calendar week in which the first day 83646  
of January occurs that follows the twelve-month period ending 83647  
the thirtieth day of June upon which the calculation of the 83648  
statewide average weekly wage was based. 83649

(4) As used in this division, an individual is 83650

payable by each employer for each calendar year or other period 84030  
as prescribed by this chapter. Such contributions become due and 84031  
shall be paid by each employer to the director of job and family 84032

with such regulations as the director prescribes, and shall not 84034  
be deducted, in whole or in part, from the remuneration of 84035  
individuals in the employer's employ. 84036

In the payment of any contributions, a fractional part of 84037  
a dollar may be disregarded unless it amounts to fifty cents or 84038  
more, in which case it may be increased to the next higher 84039  
dollar. 84040

~~(B) (1) Any contribution or payment in lieu of 84041  
contribution, due from an employer on or before December 31, 84042

ten per cent per annum. In such computation any fraction of a 84044  
month shall be considered as a full month. 84045~~

~~(2) Any contribution, payment in lieu of contribution, 84046  
interest, forfeiture, or fine due from an employer on or after 84047  
January 1, 1993 before December 31, 2025, shall, if not paid when 84048  
due, bear interest at the annual rate of fourteen per cent 84049  
compounded monthly on the aggregate receivable balance due. In 84050  
such computation any fraction of a month shall be considered as 84051  
a full month. 84052~~

(2) Any contribution, payment in lieu of contribution, 84053  
interest, forfeiture, or fine due from an employer on or after 84054  
January 1, 2026, shall, if not paid when due, bear interest at 84055  
the interest rate established by the state tax commissioner 84056

pursuant to section 5703.47 of the Revised Code, not exceeding 84057  
fifteen per cent. In such computation any fraction of a month 84058  
shall be considered as a full month. 84059

(C) The director may waive the interest assessed under 84060  
division ~~(B)(2)~~(B) of this section if the employer meets all of 84061  
the following conditions within thirty days after the date the 84062  
director mails or delivers the notice of assessment of interest: 84063

(1) Provides to the director a written request for a 84064  
waiver of interest clearly demonstrating that the employer's 84065  
failure to timely pay contributions, payments in lieu of 84066  
contributions, interest, forfeiture, and fines was a result of 84067  
circumstances beyond the control of the employer or the 84068  
employer's agent, except that negligence on the part of the 84069  
employer or the employer's agent shall not be considered beyond 84070  
the control of the employer or the employer's agent; 84071

contributions, interest, forfeiture, and fines for each quarter 84075  
for which such payments are due. 84076

The director shall deny an employer's request for a waiver 84077  
of interest after finding that the employer's failure to timely 84078  
furnish reports or make payments as required under this chapter 84079  
was due to an attempt to evade payment. 84080

(D) Any contribution, interest, forfeiture, or fine 84081  
required to be paid under this chapter by any employer shall, if 84082  
not paid when due, become a lien upon the real and personal 84083  
property of such employer. Upon failure of such employer to pay 84084  
the contributions, interest, forfeiture, or fine required to be 84085

paid under this chapter, the director shall file notice of such 84086  
lien, for which there shall be no charge, in the office of the 84087  
county recorder of the county in which it is ascertained that 84088  
such employer owns real estate or personal property. The 84089  
director shall notify the employer by mail of the lien. The 84090  
absence of proof that the notice was sent does not affect the 84091  
validity of the lien. Such lien shall not be valid as against 84092  
the claim of any mortgagee, pledgee, purchaser, judgment 84093  
creditor, or other lienholder of record at the time such notice 84094  
is filed. 84095

If the employer acquires real or personal property after 84096  
notice of lien is filed, such lien shall not be valid as against 84097  
the claim of any mortgagee, pledgee, subsequent bona fide 84098  
purchaser for value, judgment creditor, or other lienholder of 84099  
record to such after-acquired property, unless the notice of 84100  
lien is refiled after such property was acquired by the employer 84101  
and before the competing lien attached to such after-acquired 84102  
property or before the conveyance to such subsequent bona fide 84103  
purchaser for value. 84104

Such a notice shall be recorded in the county recorder's 84105  
official records and indexed in the direct and reverse indexes 84106  
under the name of the employer. When such unpaid contributions, 84107  
interest, forfeiture, or fines have been paid, the employer may 84108  
record with the county recorder of the county in which such 84109  
notice of lien has been filed and recorded, notice of such 84110  
payment, and the notice of payment shall be recorded in the 84111  
county recorder's official records and indexed in the direct and 84112  
reverse indexes. For recording the notice of payment, the county 84113  
recorder shall charge and receive from the employer a base fee 84114  
of two dollars for services and a housing trust fund fee of two 84115  
dollars pursuant to section 317.36 of the Revised Code. 84116

(E) Notwithstanding other provisions in this section, the 84117  
director may reduce, in whole or in part, the amount of 84118  
interest, forfeiture, or fines required to be paid under this 84119  
chapter if the director determines that the reduction is in the 84120  
best interest of the unemployment compensation fund. 84121

(F) Assessment of contributions shall not be made after 84122  
four years from the date on which such contributions became 84123  
payable, and no action in court for the collection of 84124  
contributions without assessment of such contributions shall be 84125  
begun after the expiration of five years from the date such 84126  
contributions became payable. In case of a false or fraudulent 84127  
report or of a willful attempt in any manner to evade 84128  
contributions, such contributions may be assessed or a 84129  
proceeding in court for the collection of such contributions may 84130  
be begun without assessment at any time. When the assessment of 84131  
contributions has been made within such four-year period 84132  
provided, action in court to collect such contributions may be 84133  
begun within, but not later than, six years after such 84134  
assessment. 84135

(G) In the event of a distribution of an employer's 84136  
assets, pursuant to an order of any court under the law of this 84137  
state, including any receivership, assignment for benefit of 84138  
creditors, adjudicated insolvency, or similar proceedings, 84139  
contributions, interest, forfeiture, or fine then or thereafter 84140  
due have the same priority as provided by law for the payment of 84141  
taxes due the state and shall be paid out of the trust fund in 84142  
the same manner as provided for other claims for unpaid taxes 84143  
due the state. 84144

(H) If the attorney general finds after investigation that 84145  
any claim for delinquent contributions, interest, forfeitures, 84146

or fines owing to the director is uncollectible, in whole or in part, the attorney general shall recommend to the director the cancellation of such claim or any part thereof. The director may thereupon effect such cancellation.

Within twenty-one days after receipt of the appeal, the director of job and family services shall issue a redetermination or transfer the appeal to the unemployment compensation review commission. A redetermination under this section is appealable in the same manner as an initial determination by the director.

(C) REVIEW COMMISSION

(1) JURISDICTION

The commission shall provide an opportunity for a fair hearing to the interested parties of appeals over which the commission has jurisdiction. The commission has jurisdiction over an appeal on transfer or on direct appeal to the commission. If the commission concludes that a pending appeal does not warrant a hearing, the commission may remand the appeal to the director for redetermination. The commission retains jurisdiction until the appeal is remanded to the director or a

final decision is issued and appealed to court, or the time to 84175  
request a review or to appeal a decision of a hearing officer or 84176

hearing officer level by hearing officers appointed by the 84183  
commission. Hearings at the review level are conducted by 84184  
hearing officers appointed by the commission, by members of the 84185  
commission acting either individually or collectively, and by 84186  
members of the commission and hearing officers acting jointly. 84187  
In all hearings conducted at the review level, the commission 84188  
shall designate the hearing officer or officers who are to 84189  
conduct the hearing. When the term "hearing officer" is used in 84190  
reference to hearings conducted at the review level, the term 84191  
includes members of the commission. All decisions issued at the 84192  
review level are issued by the commission. 84193

Provisions contained in the remainder of this paragraph 84194  
apply to hearings at both the hearing officer level and the 84195  
review level. The principles of due process in administrative 84196  
hearings shall be applied to all hearings conducted under the 84197  
authority of the commission. In conducting hearings, all hearing 84198  
officers shall control the conduct of the hearing, exclude 84199  
irrelevant or cumulative evidence, and give weight to the kind 84200  
of evidence on which reasonably prudent persons are accustomed 84201  
to rely in the conduct of serious affairs. Hearing officers have 84202  
an affirmative duty to question parties and witnesses in order 84203  
to ascertain the relevant facts and to fully and fairly develop 84204

the record. Hearing officers are not bound by common law or 84205  
statutory rules of evidence or by technical or formal rules of 84206  
procedure. No person shall impose upon the claimant or the 84207  
employer any burden of proof as is required in a court of law. 84208  
The proceedings at hearings shall be recorded by mechanical 84209  
means or otherwise as may be prescribed by the commission. In 84210  
the absence of further proceedings, the record need not be 84211  
transcribed. After considering all of the evidence, a hearing 84212  
officer shall issue a written decision that sets forth the facts 84213  
as the hearing officer finds them to be, cites the applicable 84214  
law, and gives the reasoning for the decision. 84215

(3) HEARING OFFICER LEVEL 84216

When an appeal is transferred to the commission by the 84217  
director, the commission shall notify all interested parties of 84218  
the time and place of the hearing and assign the appeal for a 84219  
hearing by a hearing officer. The hearings shall be de novo, 84220  
except that the director's file pertaining to a case shall be 84221  
included in the record to be considered. 84222

Following a hearing, the hearing officer shall affirm, 84223  
modify, or reverse the determination of the director in the 84224  
manner that appears just and proper. The hearing officer's 84225  
written decision shall be sent to all interested parties. The 84226  
decision shall state the right of an interested party to request 84227  
a review by the commission. 84228

A request for review shall be filed within twenty-one days 84229  
after the decision was sent to the party, or within an extended 84230  
period as provided under division (D) (9) of this section. The 84231  
hearing officer's decision shall become final unless a request 84232  
for review is filed and allowed or the commission removes the 84233  
appeal to itself within twenty-one days after the hearing 84234

officer's decision is sent. 84235

(4) REVIEW LEVEL 84236

At the review level, the commission may affirm, modify, or 84237  
reverse previous determinations by the director or at the 84238  
hearing officer level. At the review level, the commission may 84239  
affirm, modify, or reverse a hearing officer's decision or 84240  
remand the decision to the hearing officer level for further 84241  
hearing. The commission shall consider an appeal at the review 84242  
level under the following circumstances: when an appeal is 84243  
required to be heard initially at the review level under this 84244  
chapter; when the commission on its own motion removes an appeal 84245  
to itself within twenty-one days after the hearing officer's 84246  
decision is sent; when the assigned hearing officer refers an 84247  
appeal to the commission before the hearing officer's decision 84248  
is sent; or when an interested party files a request for review 84249  
with the commission within twenty-one days after the hearing 84250  
officer's decision is sent. 84251

(5) COMMISSION EXAMINATION 84252

The commission shall consider a request for review by an 84253  
interested party, including the reasons for the request. The 84254  
commission may adopt rules prescribing the methods for 84255  
requesting a review. The commission may allow or disallow the 84256  
request for review. The disallowance of a request for review 84257  
constitutes a final decision by the commission. 84258

(6) REVIEW PROCEDURE 84259

If the commission allows a request for review, the 84260  
commission shall notify all interested parties of that fact and 84261  
provide a reasonable period of time, as the commission defines 84262  
by rule, in which interested parties may file a response. After 84263

that period of time, the commission, based on the record before 84264  
it, may do one of the following: affirm the decision of the 84265  
hearing officer; provide for the appeal to be heard or reheard 84266  
at the hearing officer or review level; provide for the appeal 84267  
to be heard at the review level as a potential precedential 84268  
decision; or provide for the decision to be rewritten without 84269  
further hearing at the review level. When a further hearing is 84270  
provided or the decision is rewritten, the commission may 84271  
affirm, modify, or reverse the previous decision. 84272

If a member of the commission is unable or unavailable to 84273  
consider an appeal allowed by the commission, the other members 84274  
of the commission may appoint a hearing officer as a temporary 84275  
commissioner to fulfill the unable or unavailable commissioner's 84276  
duties with respect to the appeal. The members of the commission 84277  
may not appoint the hearing officer who decided the appeal at 84278  
the hearing officer level. 84279

(7) NOTICES 84280

The commission shall send written notice to all interested 84281  
parties when it orders an appeal to be heard or reheard. The 84282  
notice shall include the reasons for the hearing or rehearing. 84283

(8) PRECEDENTIAL 84284

An appeal the commission identifies as potentially 84285  
precedential shall be heard at the review level. In the notice 84286  
for that type of hearing, the commission shall notify the 84287  
director, all interested parties, and any other parties, as the 84288  
commission determines appropriate, that the appeal is designated 84289  
as potentially precedential. After the hearing, parties shall be 84290  
given the opportunity to submit briefs on the issue or issues 84291  
involved. The commission may designate a decision as 84292

precedential after issuing the decision or at any point in the 84293  
appeal process, even if the commission does not initially 84294  
identify the appeal as potentially precedential. 84295

(9) MASS APPEALS 84296

When the commission determines that it has five appeals 84297  
pending that have common facts or common issues, the commission 84298  
may transfer the appeals to the review level on its own motion 84299  
to be heard as a mass appeal, including appeals from claimants 84300  
separated due to a labor dispute, on the condition that there 84301  
are fewer than twenty-five claimants involved. 84302

To facilitate a mass hearing, the commission may allow an 84303  
authorized agent to accept notice of hearing on behalf of 84304  
claimants. An authorized agent may waive this notice of hearing 84305  
and also the sending of decisions to individual claimants 84306  
represented by the agent. 84307

(D) SPECIAL PROVISIONS 84308

(1) TIMELINESS OF APPEALS 84309

The date of the mailing provided by the director or the 84310  
commission is sufficient evidence upon which to conclude that a 84311  
determination, redetermination, or decision was sent to the 84312  
party on that date. Appeals may be filed with the director, 84313  
commission, with an employee of another state or federal agency 84314  
charged with the duty of accepting claims, or with the 84315  
unemployment insurance commission of Canada. Any timely written 84316  
notice by an interested party indicating a desire to appeal 84317  
shall be accepted. 84318

The director, commission, or authorized agent must receive 84319  
the appeal within the specified appeal period in order for the 84320  
appeal to be deemed timely filed, except that: if the United 84321

States postal service is used as the means of delivery, the 84322  
enclosing envelope must have a postmark date or postal meter 84323  
postmark that is on or before the last day of the specified 84324  
appeal period; and where the postmark is illegible or missing, 84325  
the appeal is timely filed if received not later than the end of 84326  
the fifth calendar day following the last day of the specified 84327  
appeal period. 84328

The director and the commission may adopt rules pertaining 84329  
to alternate methods of filing appeals under this section. 84330

(2) WAIVER 84331

Interested parties may waive, in writing, a hearing at 84332  
either the hearing officer or review level. If the parties waive 84333  
a hearing, the hearing officer shall issue a decision based on 84334  
the evidence of record. 84335

(3) TELEPHONE HEARINGS 84336

Hearing officers may conduct hearings at either the 84337  
hearing officer or review level in person or by telephone or 84338  
interactive video conference. The commission shall adopt rules 84339  
that designate the circumstances under which hearing officers 84340  
may conduct a hearing by telephone or interactive video 84341  
conference or grant a party to the hearing the opportunity to 84342  
object to a hearing by telephone or interactive video 84343  
conference. An interested party whose hearing would be by 84344  
telephone or interactive video conference may elect to have an 84345  
in-person hearing, provided that the party agrees to have the 84346  
hearing at the time and place the commission determines pursuant 84347  
to rule. 84348

(4) EVENING HEARINGS 84349

Unless the commission grants a request for an evening 84350

telephone or interactive video conference hearing, hearing 84351  
officers shall conduct hearings at the hearing officer and 84352  
review level during normal business hours. An interested party 84353  
who is regularly employed throughout those hours may request to 84354  
have a hearing by telephone or interactive video conference 84355  
during the evening. The commission shall grant or deny a request 84356  
for an evening telephone or interactive video conference 84357  
hearing. If a conflict concerning a request for an evening 84358  
hearing and an in-person hearing arises, the commission shall 84359  
schedule the hearing by telephone or interactive video 84360  
conference during evening hours. 84361

(5) NO APPEARANCE -- APPELLANT 84362

For hearings at either the hearing officer or review 84363  
level, if the appealing party fails to appear at the hearing, 84364  
the hearing officer shall dismiss the appeal. The commission 84365  
shall vacate the dismissal upon a showing that written notice of 84366  
the hearing was not sent to that party's last known address, or 84367  
good cause for the appellant's failure to appear is shown to the 84368  
commission within fourteen days after the hearing date. 84369

If the commission finds that the appealing party's reason 84370  
for failing to appear does not constitute good cause for failing 84371  
to appear, the commission shall send written notice of that 84372  
finding, and the appealing party may request a hearing to 84373  
present testimony on the issue of good cause for failing to 84374  
appear. The appealing party shall file a request for a hearing 84375  
on the issue of good cause for failing to appear within ten days 84376  
after the commission sends written notice indicating a finding 84377  
of no good cause for failing to appear. 84378

(6) NO APPEARANCE -- APPELLEE 84379

For hearings at either the hearing officer or review 84380  
level, if the appellee fails to appear at the hearing, the 84381  
hearing officer shall proceed with the hearing and shall issue a 84382  
decision based on the evidence of record. The commission shall 84383  
vacate the decision upon a showing that written notice of the 84384  
hearing was not sent to the appellee's last known address, or 84385  
good cause for the appellee's failure to appear is shown to the 84386  
commission within fourteen days after the hearing date. 84387

(7) AGENT 84388

Any appeal or request for review may be executed on behalf 84389  
of any party or any group of claimants by an agent. 84390

(8) COLLATERAL ESTOPPEL 84391

No finding of fact or law, decision, or order of the 84392  
director, hearing officer, the commission, or a reviewing court 84393  
under this section or section 4141.28 of the Revised Code shall 84394  
be given collateral estoppel or res judicata effect in any 84395  
separate or subsequent judicial, administrative, or arbitration 84396  
proceeding, other than a proceeding arising under this chapter. 84397

(9) EXTENSION OF APPEAL PERIODS 84398

The time for filing an appeal or a request for review 84399  
under this section or a court appeal under section 4141.282 of 84400  
the Revised Code shall be extended in the manner described in 84401  
the following four sentences. When the last day of an appeal 84402  
period is a Saturday, Sunday, or legal holiday, the appeal 84403  
period is extended to the next work day after the Saturday, 84404  
Sunday, or legal holiday. When an interested party provides 84405  
certified medical evidence stating that the interested party's 84406  
physical condition or mental capacity prevented the interested 84407  
party from filing an appeal or request for review under this 84408

section within the appropriate twenty-one-day period, the appeal 84409  
period is extended to twenty-one days after the end of the 84410  
physical or mental condition, and the appeal or request for 84411  
review is considered timely filed if filed within that extended 84412  
period. When an interested party provides evidence, which 84413  
evidence may consist of testimony from the interested party, 84414  
that is sufficient to establish that the party did not actually 84415  
receive the determination or decision within the applicable 84416  
appeal period under this section, and the director or the 84417  
commission finds that the interested party did not actually 84418  
receive the determination or decision within the applicable 84419  
appeal period, then the appeal period is extended to twenty-one 84420  
days after the interested party actually receives the 84421  
determination or decision. When an interested party provides 84422  
evidence, which evidence may consist of testimony from the 84423  
interested party, that is sufficient to establish that the party 84424  
did not actually receive a decision within the thirty-day appeal 84425  
period provided in section 4141.282 of the Revised Code, and a 84426  
court of common pleas finds that the interested party did not 84427  
actually receive the decision within that thirty-day appeal 84428  
period, then the appeal period is extended to thirty days after 84429  
the interested party actually receives the decision. 84430

**Sec. 4141.29.** Each eligible individual shall receive 84431  
benefits as compensation for loss of remuneration due to 84432  
involuntary total or partial unemployment in the amounts and 84433  
subject to the conditions stipulated in this chapter. 84434

(A) No individual is entitled to a waiting period or 84435  
benefits for any week unless the individual: 84436

(1) Has filed a valid application for determination of 84437  
benefit rights in accordance with section 4141.28 of the Revised 84438

Code;	84439
(2) Has made a claim for benefits in accordance with section 4141.28 of the Revised Code;	84440 84441
(3) (a) Has registered for work and thereafter continues to report to an employment office or other registration place maintained or designated by the director of job and family services. Registration shall be made in accordance with the time limits, frequency, and manner prescribed by the director.	84442 84443 84444 84445 84446
(b) For purposes of division (A) (3) of this section, an individual has "registered" upon doing any of the following:	84447 84448
(i) Filing an application for benefit rights;	84449
(ii) Making a weekly claim for benefits;	84450
(iii) Reopening an existing claim following a period of employment or nonreporting.	84451 84452
(c) After an applicant is registered, that registration continues for a period of three calendar weeks, including the week during which the applicant registered. However, an individual is not registered for purposes of division (A) (3) of this section during any period in which the individual fails to report, as instructed by the director, or fails to reopen an existing claim following a period of employment.	84453 84454 84455 84456 84457 84458 84459
(d) The director may, for good cause, extend the period of registration.	84460 84461
(e) For purposes of this section, "report" means contact by phone, access electronically, or be present for an in-person appointment, as designated by the director.	84462 84463 84464
(4) (a) (i) Is able to work and available for suitable work	84465

and, except as provided in division (A) (4) (a) (ii) or (iii) of 84466  
this section, is actively seeking suitable work either in a 84467  
locality in which the individual has earned wages subject to 84468  
this chapter during the individual's base period, or if the 84469  
individual leaves that locality, then in a locality where 84470  
suitable work normally is performed. 84471

(ii) The director may waive the requirement that a 84472  
claimant be actively seeking work when the director finds that 84473  
the individual has been laid off and the employer who laid the 84474  
individual off has notified the director within ten days after 84475  
the layoff, that work is expected to be available for the 84476  
individual within a specified number of days not to exceed 84477  
forty-five calendar days following the last day the individual 84478  
worked. In the event the individual is not recalled within the 84479  
specified period, this waiver shall cease to be operative with 84480  
respect to that layoff. 84481

(iii) The director may waive the requirement that a 84482  
claimant be actively seeking work if the director determines 84483  
that the individual has been laid off and the employer who laid 84484  
the individual off has notified the director in accordance with 84485  
division (C) of section 4141.28 of the Revised Code that the 84486  
employer has closed the employer's entire plant or part of the 84487  
employer's plant for a purpose other than inventory or vacation 84488  
that will cause unemployment for a definite period not exceeding 84489  
twenty-six weeks beginning on the date the employer notifies the 84490  
director, for the period of the specific shutdown, if all of the 84491  
following apply: 84492

(I) The employer and the individuals affected by the 84493  
layoff who are claiming benefits under this chapter jointly 84494  
request the exemption. 84495

(II) The employer provides that the affected individuals 84496  
shall return to work for the employer within twenty-six weeks 84497  
after the date the employer notifies the director. 84498

(III) The director determines that the waiver of the 84499  
active search for work requirement will promote productivity and 84500  
economic stability within the state. 84501

(iv) Division (A) (4) (a) (iii) of this section does not 84502  
exempt an individual from meeting the other requirements 84503  
specified in division (A) (4) (a) (i) of this section to be able to 84504  
work and otherwise fully be available for work. An exemption 84505  
granted under division (A) (4) (a) (iii) of this section may be 84506  
granted only with respect to a specific plant closing. 84507

(b) (i) The individual shall be instructed as to the 84508  
efforts that the individual must make in the search for suitable 84509  
work, including that, within six months after October 11, 2013, 84510  
the individual shall register with the OhioMeansJobs web site, 84511  
except in any of the following circumstances: 84512

(I) The individual is an individual described in division 84513  
(A) (4) (b) (iii) of this section; 84514

(II) Where the active search for work requirement has been 84515  
waived under division (A) (4) (a) of this section; 84516

(III) Where the active search for work requirement is 84517  
considered to be met under division (A) (4) (c), (d), or (e) of 84518  
this section. 84519

(ii) An individual who is registered with the 84520  
OhioMeansJobs web site shall receive a weekly listing of 84521  
available jobs based on information provided by the individual 84522  
at the time of registration. For each week that the individual 84523  
claims benefits, the individual shall keep a record of the 84524

individual's work search efforts and shall produce that record 84525  
in the manner and means prescribed by the director. 84526

(iii) No individual shall be required to register with the 84527  
OhioMeansJobs web site if the individual is legally prohibited 84528  
from using a computer, has a physical or visual impairment that 84529  
makes the individual unable to use a computer, or has a limited 84530  
ability to read, write, speak, or understand a language in which 84531  
the OhioMeansJobs web site is available. 84532

(iv) As used in division (A) (4) (b) of this section: 84533

(I) "OhioMeansJobs web site" has the same meaning as in 84534  
section 6301.01 of the Revised Code. 84535

(II) "Registration" includes the creation, electronic 84536  
posting, and maintenance of an active, searchable resume. 84537

(c) An individual who is attending a training course 84538  
approved by the director meets the requirement of this division, 84539  
if attendance was recommended by the director and the individual 84540  
is regularly attending the course and is making satisfactory 84541  
progress. An individual also meets the requirements of this 84542  
division if the individual is participating and advancing in a 84543  
training program, as defined in division (P) of section 5709.61 84544  
of the Revised Code, and if an enterprise, defined in division 84545  
(B) of section 5709.61 of the Revised Code, is paying all or 84546  
part of the cost of the individual's participation in the 84547  
training program with the intention of hiring the individual for 84548  
employment as a new employee, as defined in division (L) of 84549  
section 5709.61 of the Revised Code, for at least ninety days 84550  
after the individual's completion of the training program. 84551

(d) An individual who becomes unemployed while attending a 84552  
regularly established school and whose base period qualifying 84553

weeks were earned in whole or in part while attending that 84554  
school, meets the availability and active search for work 84555  
requirements of division (A) (4) (a) of this section if the 84556  
individual regularly attends the school during weeks with 84557  
respect to which the individual claims unemployment benefits and 84558  
makes self available on any shift of hours for suitable 84559  
employment with the individual's most recent employer or any 84560  
other employer in the individual's base period, or for any other 84561  
suitable employment to which the individual is directed, under 84562  
this chapter. 84563

(e) An individual who is a member in good standing with a 84564  
labor organization that refers individuals to jobs meets the 84565  
active search for work requirement specified in division (A) (4) 84566  
(a) of this section if the individual provides documentation 84567  
that the individual is eligible for a referral or placement upon 84568  
request and in a manner prescribed by the director. 84569

(f) Notwithstanding any other provisions of this section, 84570  
no otherwise eligible individual shall be denied benefits for 84571  
any week because the individual is in training approved under 84572  
section 236(a) (1) of the "Trade Act of 1974," 88 Stat. 1978, 19 84573  
U.S.C.A. 2296, nor shall that individual be denied benefits by 84574  
reason of leaving work to enter such training, provided the work 84575  
left is not suitable employment, or because of the application 84576  
to any week in training of provisions in this chapter, or any 84577  
applicable federal unemployment compensation law, relating to 84578  
availability for work, active search for work, or refusal to 84579  
accept work. 84580

For the purposes of division (A) (4) (f) of this section, 84581  
"suitable employment" means with respect to an individual, work 84582  
of a substantially equal or higher skill level than the 84583

individual's past adversely affected employment, as defined for 84584  
the purposes of the "Trade Act of 1974," 88 Stat. 1978, 19 84585  
U.S.C.A. 2101, and wages for such work at not less than eighty 84586  
per cent of the individual's average weekly wage as determined 84587  
for the purposes of that federal act. 84588

(5) Is unable to obtain suitable work. ~~An individual who 84589  
is provided temporary work assignments by the individual's 84590  
employer under agreed terms and conditions of employment, and 84591

(b) There is justifiable cause for the claimant's failure 84607  
to participate in such services. 84608

Ineligibility for failure to participate in reemployment 84609  
services as described in division (A) (6) of this section shall 84610

benefit year in order to establish the individual's eligibility 84644  
for total or partial unemployment benefits. 84645

(C) The waiting period for total or partial unemployment 84646  
shall commence on the first day of the first week with respect 84647  
to which the individual first files a claim for benefits at an 84648  
employment office or other place of registration maintained or 84649  
designated by the director or on the first day of the first week 84650

(D) Notwithstanding division (A) of this section, no 84655  
individual may serve a waiting period or be paid benefits under 84656  
the following conditions: 84657

(1) For any week with respect to which the director finds 84658  
that: 84659

(a) The individual's unemployment was due to a labor 84660  
dispute other than a lockout at any factory, establishment, or 84661  
other premises located in this or any other state and owned or 84662  
operated by the employer by which the individual is or was last 84663  
employed; and for so long as the individual's unemployment is 84664

under this provision if either of the following applies: 84666

(i) The individual's employment was with such employer at 84667  
any factory, establishment, or premises located in this state, 84668  
owned or operated by such employer, other than the factory, 84669  
establishment, or premises at which the labor dispute exists, if 84670

it is shown that the individual is not financing, participating 84671  
in, or directly interested in such labor dispute; 84672

(ii) The individual's employment was with an employer not 84673  
involved in the labor dispute but whose place of business was 84674  
located within the same premises as the employer engaged in the 84675  
dispute, unless the individual's employer is a wholly owned 84676  
subsidiary of the employer engaged in the dispute, or unless the 84677  
individual actively participates in or voluntarily stops work 84678  
because of such dispute. If it is established that the claimant 84679  
was laid off for an indefinite period and not recalled to work 84680  
prior to the dispute, or was separated by the employer prior to 84681  
the dispute for reasons other than the labor dispute, or that 84682  
the individual obtained a bona fide job with another employer 84683  
while the dispute was still in progress, such labor dispute 84684  
shall not render the employee ineligible for benefits. 84685

(b) The individual has been given a disciplinary layoff 84686  
for misconduct in connection with the individual's work. 84687

(2) For the duration of the individual's unemployment if 84688  
the director finds that: 84689

(a) The individual quit work without just cause or has 84690  
been discharged for just cause in connection with the 84691  
individual's work, provided division (D)(2) of this section does 84692  
not apply to the separation of a person under any of the 84693  
following circumstances: 84694

(i) Separation from employment for the purpose of entering 84695  
the armed forces of the United States if the individual is 84696  
inducted into the armed forces within one of the following 84697  
periods: 84698

(I) Thirty days after separation; 84699

(II) One hundred eighty days after separation if the 84700  
individual's date of induction is delayed solely at the 84701  
discretion of the armed forces. 84702

(ii) Separation from employment pursuant to a labor- 84703  
management contract or agreement, or pursuant to an established 84704  
employer plan, program, or policy, which permits the employee, 84705  
because of lack of work, to accept a separation from employment; 84706

(iii) The individual has left employment to accept a 84707  
recall from a prior employer or, except as provided in division 84708  
(D) (2) (a) (iv) of this section, to accept other employment as 84709

the time of the most recent separation or within six weeks prior 84712  
to the most recent separation where the remuneration, hours, or 84713  
other conditions of such concurrent employment were 84714  
substantially less favorable than the individual's most recent 84715  
employment and where such employment, if offered as new work, 84716  
would be considered not suitable under the provisions of 84717  
divisions (E) and (F) of this section. Any benefits that would 84718  
otherwise be chargeable to the account of the employer from whom 84719  
an individual has left employment or was separated from 84720  
employment that was concurrent employment under conditions 84721  
described in division (D) (2) (a) (iii) of this section, shall 84722  
instead be charged to the mutualized account created by division 84723  
(B) of section 4141.25 of the Revised Code, except that any 84724  
benefits chargeable to the account of a reimbursing employer 84725  
under division (D) (2) (a) (iii) of this section shall be charged 84726  
to the account of the reimbursing employer and not to the 84727  
mutualized account, except as provided in division (D) (2) of 84728  
section 4141.24 of the Revised Code. 84729

(iv) When an individual has been issued a definite layoff date by the individual's employer and before the layoff date, the individual quits to accept other employment, the provisions of division (D) (2) (a) (iii) of this section apply and no disqualification shall be imposed under division (D) of this section. However, if the individual fails to meet the employment and earnings requirements of division (A) (2) of section 4141.291 of the Revised Code, then the individual, pursuant to division (A) (5) of this section, shall be ineligible for benefits for any week of unemployment that occurs prior to the layoff date.

(v) The individual's spouse is a member of the armed forces of the United States who is on active duty or a member of the commissioned corps of the national oceanic and atmospheric administration or public health service, the spouse is the subject of a transfer, the individual left employment to accompany the individual's spouse to a location from which it is impractical to commute to the individual's place of employment, and upon arrival at the new place of residence, the individual is in all respects able and available for suitable work. For-~~purpose~~ purposes of division (D) (2) (a) (v) of this section, "active duty" and "armed forces" have the same meanings as in 10 U.S.C. 101.

(b) The individual has refused without good cause to accept an offer of suitable work when made by an employer either in person or to the individual's last known address, or has refused or failed to investigate a referral to suitable work when directed to do so by a local employment office of this state or another state, provided that this division shall not cause a disqualification for a waiting week or benefits under the following circumstances:

(i) When work is offered by the individual's employer and 84760  
the individual is not required to accept the offer pursuant to 84761  
the terms of the labor-management contract or agreement; or 84762

(ii) When the individual is attending a training course 84763  
pursuant to division (A)(4) of this section except, in the event 84764  
of a refusal to accept an offer of suitable work or a refusal or 84765  
failure to investigate a referral, benefits thereafter paid to 84766  
such individual shall not be charged to the account of any 84767  
employer and, except as provided in division (B)(1)(b) of 84768  
section 4141.241 of the Revised Code, shall be charged to the 84769  
mutualized account as provided in division (B) of section 84770  
4141.25 of the Revised Code. 84771

(c) Such individual quit work to marry or because of 84772  
marital, parental, filial, or other domestic obligations. 84773

(d) The individual became unemployed by reason of 84774  
commitment to any correctional institution. 84775

(e) The individual became unemployed because of dishonesty 84776  
in connection with the individual's most recent or any base 84777  
period work. Remuneration earned in such work shall be excluded 84778  
from the individual's total base period remuneration and 84779  
qualifying weeks that otherwise would be credited to the 84780  
individual for such work in the individual's base period shall 84781  
not be credited for the purpose of determining the total 84782  
benefits to which the individual is eligible and the weekly 84783  
benefit amount to be paid under section 4141.30 of the Revised 84784  
Code. Such excluded remuneration and noncredited qualifying 84785  
weeks shall be excluded from the calculation of the maximum 84786  
amount to be charged, under division (D) of section 4141.24 and 84787  
section 4141.33 of the Revised Code, against the accounts of the 84788  
individual's base period employers. In addition, no benefits 84789

shall thereafter be paid to the individual based upon such 84790  
excluded remuneration or noncredited qualifying weeks. 84791

For purposes of division (D) (2) (e) of this section, 84792  
"dishonesty" means the commission of substantive theft, fraud, 84793  
or deceitful acts. 84794

(3) For purposes of division (D) (2) (a) of this section, an 84795  
individual shall be considered to have quit work without just 84796  
cause if all of the following apply: 84797

conditions to inquire with the individual's employer for 84802  
available work assignments upon the conclusion of each work 84803  
assignment. 84804

(c) Suitable work assignments are available with the 84805  
employer, but the individual fails to contact the employer to 84806  
inquire about work assignments. 84807

(E) No individual otherwise qualified to receive benefits 84808  
shall lose the right to benefits by reason of a refusal to 84809  
accept new work if: 84810

(1) As a condition of being so employed the individual 84811  
would be required to join a company union, or to resign from or 84812  
refrain from joining any bona fide labor organization, or would 84813  
be denied the right to retain membership in and observe the 84814  
lawful rules of any such organization. 84815

(2) The position offered is vacant due directly to a 84816  
strike, lockout, or other labor dispute. 84817

(3) The work is at an unreasonable distance from the individual's residence, having regard to the character of the work the individual has been accustomed to do, and travel to the place of work involves expenses substantially greater than that required for the individual's former work, unless the expense is provided for.

(4) The remuneration, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality.

(F) Subject to the special exceptions contained in division (A) (4) (f) of this section and section 4141.301 of the Revised Code, in determining whether any work is suitable for a claimant in the administration of this chapter, the director, in addition to the determination required under division (E) of this section, shall consider the degree of risk to the claimant's health, safety, and morals, the individual's physical fitness for the work, the individual's prior training and experience, the length of the individual's unemployment, the distance of the available work from the individual's residence, and the individual's prospects for obtaining local work.

(G) The "duration of unemployment" as used in this section means the full period of unemployment next ensuing after a separation from any base period or subsequent work and until an individual has become reemployed in employment subject to this chapter, or the unemployment compensation act of another state, or of the United States, and until such individual has worked six weeks and for those weeks has earned or been paid remuneration equal to six times an average weekly wage of not less than: eighty-five dollars and ten cents per week beginning on June 26, 1990; and beginning on and after January 1, 1992,

twenty-seven and one-half per cent of the statewide average 84848  
weekly wage as computed each first day of January under division 84849  
(B) (3) of section 4141.30 of the Revised Code, rounded down to 84850  
the nearest dollar, except for purposes of division (D) (2) (c) of 84851  
this section, such term means the full period of unemployment 84852  
next ensuing after a separation from such work and until such 84853  
individual has become reemployed subject to the terms set forth 84854  
above, and has earned wages equal to one-half of the 84855  
individual's average weekly wage or sixty dollars, whichever is 84856  
less. 84857

(H) If a claimant is disqualified under division (D) (2) 84858  
(a), (c), or (d) of this section or found to be qualified under 84859  
the exceptions provided in division (D) (2) (a) (i), (iii), (iv), 84860  
or (v) of this section or division (A) (2) of section 4141.291 of 84861  
the Revised Code, then benefits that may become payable to such 84862  
claimant, which are chargeable to the account of the employer 84863  
from whom the individual was separated under such conditions, 84864  
shall be charged to the mutualized account provided in section 84865  
4141.25 of the Revised Code, provided that no charge shall be 84866  
made to the mutualized account for benefits chargeable to a 84867  
reimbursing employer, except as provided in division (D) (2) of 84868  
section 4141.24 of the Revised Code. In the case of a 84869  
reimbursing employer, the director shall refund or credit to the 84870  
account of the reimbursing employer any over-paid benefits that 84871  
are recovered under division (B) of section 4141.35 of the 84872  
Revised Code. Amounts chargeable to other states, the United 84873  
States, or Canada that are subject to agreements and 84874  
arrangements that are established pursuant to section 4141.43 of 84875  
the Revised Code shall be credited or reimbursed according to 84876  
the agreements and arrangements to which the chargeable amounts 84877  
are subject. 84878

(I) (1) Benefits based on service in employment as provided 84879  
in divisions (B) (2) (a) and (b) of section 4141.01 of the Revised 84880  
Code shall be payable in the same amount, on the same terms, and 84881  
subject to the same conditions as benefits payable on the basis 84882  
of other service subject to this chapter; except that after 84883  
December 31, 1977: 84884

(a) Benefits based on service in an instructional, 84885  
research, or principal administrative capacity in an institution 84886  
of higher education, as defined in division (Y) of section 84887  
4141.01 of the Revised Code; or for an educational institution 84888  
as defined in division (CC) of section 4141.01 of the Revised 84889  
Code, shall not be paid to any individual for any week of 84890  
unemployment that begins during the period between two 84891  
successive academic years or terms, or during a similar period 84892  
between two regular but not successive terms or during a period 84893  
of paid sabbatical leave provided for in the individual's 84894  
contract, if the individual performs such services in the first 84895  
of those academic years or terms and has a contract or a 84896  
reasonable assurance that the individual will perform services 84897  
in any such capacity for any such institution in the second of 84898  
those academic years or terms. 84899

(b) Benefits based on service for an educational 84900  
institution or an institution of higher education in other than 84901  
an instructional, research, or principal administrative 84902  
capacity, shall not be paid to any individual for any week of 84903  
unemployment which begins during the period between two 84904  
successive academic years or terms of the employing educational 84905  
institution or institution of higher education, provided the 84906  
individual performed those services for the educational 84907  
institution or institution of higher education during the first 84908  
such academic year or term and, there is a reasonable assurance 84909

that such individual will perform those services for any 84910  
educational institution or institution of higher education in 84911  
the second of such academic years or terms. 84912

If compensation is denied to any individual for any week 84913  
under division (I)(1)(b) of this section and the individual was 84914  
not offered an opportunity to perform those services for an 84915  
institution of higher education or for an educational 84916  
institution for the second of such academic years or terms, the 84917  
individual is entitled to a retroactive payment of compensation 84918  
for each week for which the individual timely filed a claim for 84919  
compensation and for which compensation was denied solely by 84920  
reason of division (I)(1)(b) of this section. An application for 84921  
retroactive benefits shall be timely filed if received by the 84922  
director or the director's deputy within or prior to the end of 84923  
the fourth full calendar week after the end of the period for 84924  
which benefits were denied because of reasonable assurance of 84925  
employment. The provision for the payment of retroactive 84926  
benefits under division (I)(1)(b) of this section is applicable 84927  
to weeks of unemployment beginning on and after November 18, 84928  
1983. The provisions under division (I)(1)(b) of this section 84929  
shall be retroactive to September 5, 1982, only if, as a 84930  
condition for full tax credit against the tax imposed by the 84931  
"Federal Unemployment Tax Act," 53 Stat. 183 (1939), 26 U.S.C.A. 84932  
3301 to 3311, the United States secretary of labor determines 84933  
that retroactivity is required by federal law. 84934

(c) With respect to weeks of unemployment beginning after 84935  
December 31, 1977, benefits shall be denied to any individual 84936  
for any week which commences during an established and customary 84937  
vacation period or holiday recess, if the individual performs 84938  
any services described in divisions (I)(1)(a) and (b) of this 84939  
section in the period immediately before the vacation period or 84940

holiday recess, and there is a reasonable assurance that the individual will perform any such services in the period immediately following the vacation period or holiday recess.

(d) With respect to any services described in division (I) (1) (a), (b), or (c) of this section, benefits payable on the basis of services in any such capacity shall be denied as specified in division (I) (1) (a), (b), or (c) of this section to any individual who performs such services in an educational institution or institution of higher education while in the employ of an educational service agency. For this purpose, the term "educational service agency" means a governmental agency or governmental entity that is established and operated exclusively for the purpose of providing services to one or more educational institutions or one or more institutions of higher education.

(2) No disqualification will be imposed, between academic years or terms or during a vacation period or holiday recess under this division, unless the director or the director's deputy has received a statement in writing from the educational institution or institution of higher education that the claimant has a contract for, or a reasonable assurance of, reemployment for the ensuing academic year or term.

(3) If an individual has employment with an educational institution or an institution of higher education and employment with a noneducational employer, during the base period of the individual's benefit year, then the individual may become eligible for benefits during the between-term, or vacation or holiday recess, disqualification period, based on employment performed for the noneducational employer, provided that the employment is sufficient to qualify the individual for benefit rights separately from the benefit rights based on school employment. The weekly benefit amount and maximum benefits payable during a disqualification period shall be computed based solely on the nonschool employment.

(J) Benefits shall not be paid on the basis of employment performed by an alien, unless the alien had been lawfully admitted to the United States for permanent residence at the time the services were performed, was lawfully present for purposes of performing the services, or was otherwise permanently residing in the United States under color of law at the time the services were performed, under section 212(d) (5) of the "Immigration and Nationality Act," 66 Stat. 163, 8 U.S.C.A. 1101:

(1) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

services received by such claimants and the employment outcomes 85011  
for such claimant's subsequent to receiving such services and 85012  
utilizes such information in making identifications pursuant to 85013  
division (K) (1) of this section; and 85014

(4) Meets such other requirements as the United States 85015  
secretary of labor determines are appropriate. 85016

(L) Except as otherwise provided in division (A) (6) of 85017  
this section, ineligibility pursuant to division (A) of this 85018  
section shall begin on the first day of the week in which the 85019  
claimant becomes ineligible for benefits and shall end on the 85020  
last day of the week preceding the week in which the claimant 85021  
satisfies the eligibility requirements. 85022

(M) The director may adopt rules that the director 85023  
considers necessary for the administration of division (A) of 85024  
this section. 85025

later of the seasonal periods. The director shall adopt rules 85095  
for the implementation of this division. 85096

permit is issued if the A-2 or A-2f or the A-1-A permit of that 85817  
A-2 or A-2f permit holder is under suspension. 85818

(3) The division may refuse to issue an F-4 permit to an 85819

the same premises for which another class of permit is issued, 85870  
that permit holder's privileges are suspended in that portion of 85871  
the premises in which the F-11 permit is in effect. 85872

addition to that required by this section and that is necessary 85892  
for the administration of this section. 85893

(H) (1) An F-11 permit holder is responsible, and is 85894  
subject to penalties, for any violations of this chapter or 85895  
Chapter 4301. of the Revised Code that occur during the event. 85896

(2) An F-11 permit holder shall not allow an A-1 or A-1c 85897  
permit holder to participate in the event if the A-1 or A-1c 85898

(b) The violation occurred within the two years preceding 85907  
the filing of the new F-11 permit application. 85908

(I) Notwithstanding any provision of section 4301.24 of the Revised Code or any rule adopted by the liquor control commission to the contrary, employees of an A-1 or A-1c permit holder or B-1 permit holder, or employees or agents of a B-1 permit holder may assist an F-11 permit holder in serving beer at an event for which an F-11 permit is issued.

(2) An S-2 permit holder may sell wine to a personal consumer by receiving and filling orders that the personal consumer submits to the permit holder. The permit holder shall sell only wine that the permit holder has manufactured to a personal consumer. An S-2 permit holder may use a fulfillment warehouse registered under section 4303.234 of the Revised Code to send a shipment of wine to a personal consumer. A fulfillment warehouse is an agent of an S-2 permit holder and an S-2 permit holder is liable for violations of this chapter and Chapter

warehouse regarding wine shipped on behalf of the S-2 permit 85940

(D) (1) An S-2 permit holder shall send a shipment of wine 85946

driver's or commercial driver's license or identification card 85959  
issued under sections 4507.50 to 4507.52 of the Revised Code. 85960

(3) An S-2 permit holder shall keep a record of each 85961  
shipment of wine that the permit holder sends to a personal 85962

this section and any other information required by the tax commissioner. 85968  
85969

(b) To provide annually in electronic format by electronic means a report to the division. The report shall include the name and address of each personal consumer that purchased wine from the S-2 permit holder in accordance with this section, the quantity of wine purchased by each personal consumer, and any other information requested by the division. If the S-2 permit holder uses a fulfillment warehouse registered under section 4303.234 of the Revised Code to send a shipment of wine on behalf of the S-2 permit holder, the S-2 permit holder need not include the personal consumer information for that shipment in the report. The division shall prescribe and provide an electronic form for the report and shall determine the specific electronic means that the S-2 permit holder must use to submit the report. 85970

85994

(2) The division may refuse to renew an S-2 permit for any of the reasons specified in section 4303.292 of the Revised Code 85995

permit holder, liable for tax under Chapter 4301., 4305., or 86008  
4307. of the Revised Code, is about to depart from the state, 86009  
remove the permit holder's property from the state, conceal the 86010  
permit holder's self or property, or do any other act tending to 86011  
prejudice, obstruct, or render wholly or partially ineffectual 86012  
proceedings to collect the tax, unless the proceedings are 86013  
commenced without delay, or if the commissioner believes that 86014  
the collection of the amount due from any permit holder will be 86015  
jeopardized by delay, the commissioner may issue a jeopardy 86016  
assessment against the permit holder for the amount of the tax, 86017  
plus a penalty of up to thirty per cent. Upon issuance of a 86018  
jeopardy assessment under this division, the total amount 86019  
assessed shall immediately be due and payable unless security is 86020  
provided pursuant to division (C) of this section. Any 86021  
assessment issued under this section shall bear interest as 86022  
prescribed by section 4305.131 of the Revised Code. 86023

(B) The commissioner immediately shall file an entry with 86024  
the clerk of the court of common pleas in the same manner and 86025

with the same effect as provided in section 4305.131 of the Revised Code. Notice of the jeopardy assessment shall be served on the permit holder assessed or the permit holder's legal representative, as provided in section 5703.37 of the Revised Code, within five days of the filing of the entry. The permit holder assessed may petition for reassessment within sixty days of receipt of the notice of jeopardy assessment in the same manner as provided in section 4305.131 of the Revised Code. Full or partial payment of the assessment shall not prejudice the commissioner's consideration of the merits of the assessment as contested by the petition for reassessment. Upon notification of the existence of the judgment filed pursuant to this division, any public official having control or custody of any funds or property of the person assessed immediately shall pay or deliver the funds or property to the commissioner as full or partial satisfaction of the jeopardy assessment. However, funds or property needed as evidence in criminal proceedings or that is expected to be forfeited pursuant to Chapter 2981. of the Revised Code need not be relinquished by the public official. Upon disposition of criminal and forfeiture proceedings, funds and property not needed as evidence and not forfeited shall be delivered to the commissioner.

(C) If the permit holder subject to a jeopardy assessment files a petition for reassessment and posts security satisfactory to the commissioner in an amount sufficient to satisfy the unpaid balance of the assessment, execution on the judgment shall be stayed pending disposition of the petition for reassessment and all appeals resulting from the petition. If the security is sufficient to satisfy the full amount of the assessment, the commissioner shall return any funds or property of the permit holder previously seized. Upon satisfaction of the

assessment the commissioner shall order the security released 86057  
and the judgment vacated. 86058

~~(D) The commissioner may adopt rules providing for the 86059  
imposition and remission of penalties added to assessments under 86060

**Sec. 4305.131.** (A) If any permit holder fails to pay the 86062  
taxes levied by section 4301.42, 4301.43, 4301.432, or 4305.01 86063  
of the Revised Code in the manner prescribed by section 4303.33 86064  
of the Revised Code, or by section 4301.421 or 4301.424 of the 86065  
Revised Code in the manner prescribed in section 4301.422 of the 86066  
Revised Code, and by the rules of the tax commissioner, the 86067  
commissioner may make an assessment against the permit holder 86068  
based upon any information in the commissioner's possession. 86069

No assessment shall be made against any permit holder for 86070  
any taxes imposed by section 4301.42, 4301.421, 4301.424, 86071  
4301.43, 4301.432, or 4305.01 of the Revised Code more than 86072  
three years after the last day of the calendar month in which 86073  
the sale was made or more than three years after the return for 86074  
that period is filed, whichever is later. This section does not 86075  
bar an assessment against any permit holder or registrant as 86076  
provided in section 4303.331 of the Revised Code who fails to 86077  
file a return as required by section 4301.422 or 4303.33 of the 86078  
Revised Code, or who files a fraudulent return. 86079

A penalty of up to thirty per cent may be added to the 86080  
amount of every assessment made under this section. ~~The 86081  
commissioner may adopt rules providing for the imposition and 86082  
remission of penalties added to assessments made under this 86083  
section. 86084~~

The commissioner shall give the party assessed written 86085

notice of the assessment in the manner provided in section 86086  
5703.37 of the Revised Code. With the notice, the commissioner 86087  
shall provide instructions on how to petition for reassessment 86088  
and request a hearing on the petition. 86089

(B) Unless the party assessed files with the tax 86090  
commissioner within sixty days after service of the notice of 86091  
assessment, ~~either personally or by certified mail,~~ a written 86092  
petition for reassessment, signed by the party assessed or that 86093  
party's authorized agent having knowledge of the facts, the 86094  
assessment becomes final and the amount of the assessment is due 86095  
and payable from the party assessed to the treasurer of state. 86096  
The petition shall indicate the objections of the party 86097  
assessed, but additional objections may be raised in writing if 86098  
received by the commissioner prior to the date shown on the 86099  
final determination. If the petition has been properly filed, 86100  
the commissioner shall proceed under section 5703.60 of the 86101  
Revised Code. 86102

(C) After an assessment becomes final, if any portion of 86103  
the assessment remains unpaid, including accrued interest, a 86104  
certified copy of the tax commissioner's entry making the 86105  
assessment final may be filed in the office of the clerk of the 86106  
court of common pleas in the county in which the permit holder's 86107  
place of business is located or the county in which the party 86108  
assessed resides. If the party assessed maintains no place of 86109  
business in this state and is not a resident of this state, the 86110  
certified copy of the entry may be filed in the office of the 86111  
clerk of the court of common pleas of Franklin county. 86112

Immediately upon the filing of the entry, the clerk shall 86113  
enter a judgment for the state against the party assessed in the 86114  
amount shown on the entry. The judgment may be filed by the 86115

clerk in a loose-leaf book entitled "special judgments for state 86116  
beer and liquor sales taxes," and shall have the same effect as 86117  
other judgments. Execution shall issue upon the judgment upon 86118  
the request of the commissioner, and all laws applicable to 86119  
sales on execution shall apply to sales made under the judgment, 86120  
except as otherwise provided in this chapter and Chapters 4301. 86121  
and 4307. of the Revised Code. 86122

If the assessment is not paid in its entirety within sixty 86123  
days after the day the assessment was issued, the portion of the 86124  
assessment consisting of tax due shall bear interest at the rate 86125  
per annum prescribed by section 5703.47 of the Revised Code from 86126  
the day the commissioner issues the assessment until it is paid 86127  
or until it is certified to the attorney general for collection 86128  
under section 131.02 of the Revised Code, whichever comes first. 86129  
If the unpaid portion of the assessment is certified to the 86130  
attorney general for collection, the entire unpaid portion of 86131  
the assessment shall bear interest at the rate per annum 86132  
prescribed by section 5703.47 of the Revised Code from the date 86133  
of certification until the date it is paid in its entirety. 86134  
Interest shall be paid in the same manner as the tax and may be 86135  
collected by the issuance of an assessment under this section. 86136

(D) All money collected under this section shall be 86137  
considered as revenue arising from the taxes imposed by sections 86138  
4301.42, 4301.421, 4301.424, 4301.43, 4301.432, and 4305.01 of 86139  
the Revised Code. 86140

registrar also may accept electronically any documents required 86146  
to accompany such service or transaction or any documents 86147  
approved by the registrar for electronic or online submission 86148  
and acceptance. 86149

(B) The registrar or deputy registrar shall charge the 86150

adequate funding for future repairs, maintenance, and upgrades 86234  
of MARCS statewide. 86235

(d) The county auditor has placed the home on the real 86268  
property tax list and delivered the certificate of title to the 86269  
clerk of the court of common pleas that issued it and the clerk 86270  
has inactivated the certificate. 86271

(C) (1) Any mobile or manufactured home that is not taxed 86272  
as real property as provided in division (B) of this section is 86273  
subject to an annual manufactured home tax, payable by the 86274  
owner, for locating the home in this state. The tax as levied in 86275  
this section is for the purpose of supplementing the general 86276  
revenue funds of the local subdivisions in which the home has 86277  
its situs pursuant to this section. 86278

(2) The year for which the manufactured home tax is levied 86279  
commences on the first day of January and ends on the following 86280  
thirty-first day of December. The state shall have the first 86281  
lien on any manufactured or mobile home on the list for the 86282  
amount of taxes, penalties, and interest charged against the 86283  
owner of the home under this section. The lien of the state for 86284  
the tax for a year shall attach on the first day of January to a 86285  
home that has acquired situs on that date. The lien for a home 86286  
that has not acquired situs on the first day of January, but 86287

including any penalty or interest, is paid. 86290

(3) (a) The situs of a manufactured or mobile home located 86291  
in this state on the first day of January is the local taxing 86292  
district in which the home is located on that date. 86293

(b) The situs of a manufactured or mobile home not located 86294  
in this state on the first day of January, but located in this 86295  
state subsequent to that date, is the local taxing district in 86296  
which the home is located thirty days after it is acquired or 86297  
first enters this state. 86298

(4) The tax is collected by and paid to the county 86299  
treasurer of the county containing the taxing district in which 86300  
the home has its situs. 86301

(D) The manufactured home tax shall be computed and 86302  
assessed by the county auditor of the county containing the 86303  
taxing district in which the home has its situs as follows: 86304

(1) On a home that acquired situs in this state prior to 86305  
January 1, 2000: 86306

(a) By multiplying the assessable value of the home by the 86307  
tax rate of the taxing district in which the home has its situs, 86308  
and deducting from the product thus obtained any reduction 86309  
authorized under section 4503.065 of the Revised Code. The tax 86310  
levied under this formula shall not be less than thirty-six 86311  
dollars, unless the home qualifies for a reduction in assessable 86312  
value under section 4503.065 of the Revised Code, in which case 86313  
there shall be no minimum tax and the tax shall be the amount 86314  
calculated under this division. 86315

(b) The assessable value of the home shall be forty per 86316  
cent of the amount arrived at by the following computation: 86317

(i) If the cost to the owner, or market value at time of purchase, whichever is greater, of the home includes the furnishings and equipment, such cost or market value shall be multiplied according to the following schedule:

	1	2	3
A	For the first calendar year in which the home is owned by the current owner	x	80%
B	2nd calendar year	x	75%
C	3rd "	x	70%
D	4th "	x	65%
E	5th "	x	60%
F	6th "	x	55%
G	7th "	x	50%
H	8th "	x	45%
I	9th "	x	40%
J	10th and each year thereafter	x	35%

The first calendar year means any period between the first day of January and the thirty-first day of December of the first year.

(ii) If the cost to the owner, or market value at the time of purchase, whichever is greater, of the home does not include the furnishings and equipment, such cost or market value shall

be multiplied according to the following schedule: 86329

F	6th "	x	70%
G	7th "	x	65%
H	8th "	x	60%
I	9th "	x	55%
J	10th and each year thereafter	x	50%

The first calendar year means any period between the first day of January and the thirty-first day of December of the first year. 86331  
86332  
86333

(2) On a home in which ownership was transferred or that first acquired situs in this state on or after January 1, 2000: 86334  
86335

(a) By multiplying the assessable value of the home by the effective tax rate, as defined in section 323.08 of the Revised Code, for residential real property of the taxing district in which the home has its situs, and deducting from the product 86336  
86337  
86338  
86339

thus obtained the reductions required or authorized under 86340  
section 319.302, division (B) of section 323.152, or section 86341  
4503.065 of the Revised Code. 86342

(b) The assessable value of the home shall be thirty-five 86343  
per cent of its true value as determined under division (L) of 86344  
this section. 86345

(3) On or before the fifteenth day of January each year, 86346  
the county auditor shall record the assessable value and the 86347  
amount of tax on the manufactured or mobile home on the tax list 86348  
and deliver a duplicate of the list to the county treasurer. In 86349  
the case of an emergency as defined in section 323.17 of the 86350  
Revised Code, the tax commissioner, by journal entry, may extend 86351  
the times for delivery of the duplicate for an additional 86352  
fifteen days upon receiving a written application from the 86353  
county auditor regarding an extension for the delivery of the 86354  
duplicate, or from the county treasurer regarding an extension 86355  
of the time for the billing and collection of taxes. The 86356  
application shall contain a statement describing the emergency 86357  
that will cause the unavoidable delay and must be received by 86358  
the tax commissioner on or before the last day of the month 86359  
preceding the day delivery of the duplicate is otherwise 86360  
required. When an extension is granted for delivery of the 86361  
duplicate, the time period for payment of taxes shall be 86362  
extended for a like period of time. When a delay in the closing 86363  
of a tax collection period becomes unavoidable, the tax 86364  
commissioner, upon application by the county auditor and county 86365  
treasurer, may order the time for payment of taxes to be 86366  
extended if the tax commissioner determines that penalties have 86367  
accrued or would otherwise accrue for reasons beyond the control 86368  
of the taxpayers of the county. The order shall prescribe the 86369  
final extended date for payment of taxes for that collection 86370

period. 86371

(4) After January 1, 1999, the owner of a manufactured or 86372  
mobile home taxed pursuant to division (D)(1) of this section 86373  
may elect to have the home taxed pursuant to division (D)(2) of 86374  
this section by filing a written request with the county auditor 86375  
of the taxing district in which the home is located on or before 86376  
the first day of December of any year. Upon the filing of the 86377  
request, the county auditor shall determine whether all taxes 86378  
levied under division (D)(1) of this section have been paid, and 86379  
if those taxes have been paid, the county auditor shall tax the 86380  
manufactured or mobile home pursuant to division (D)(2) of this 86381  
section commencing in the next tax year. 86382

(5) A manufactured or mobile home that acquired situs in 86383  
this state prior to January 1, 2000, shall be taxed pursuant to 86384  
division (D)(2) of this section if no manufactured home tax had 86385  
been paid for the home and the home was not exempted from 86386  
taxation pursuant to division (E) of this section for the year 86387  
for which the taxes were not paid. 86388

(6) (a) Immediately upon receipt of any manufactured home 86389  
tax duplicate from the county auditor, but not less than twenty 86390  
days prior to the last date on which the first one-half taxes 86391  
may be paid without penalty as prescribed in division (F) of 86392  
this section, the county treasurer shall cause to be prepared 86393  
and mailed or delivered to each person charged on that duplicate 86394  
with taxes, or to an agent designated by such person, the tax 86395  
bill prescribed by the tax commissioner under division (D)(7) of 86396  
this section. When taxes are paid by installments, the county 86397  
treasurer shall mail or deliver to each person charged on such 86398  
duplicate or the agent designated by that person a second tax 86399  
bill showing the amount due at the time of the second tax 86400

collection. The second half tax bill shall be mailed or 86401  
delivered at least twenty days prior to the close of the second 86402  
half tax collection period. A change in the mailing address, 86403  
electronic mail address, or telephone number of any tax bill 86404  
shall be made in writing to the county treasurer. Failure to 86405  
receive a bill required by this section does not excuse failure 86406  
or delay to pay any taxes shown on the bill or, except as 86407  
provided in division (B) (1) of section 5715.39 of the Revised 86408  
Code, avoid any penalty, interest, or charge for such delay. 86409

A policy adopted by a county treasurer under division (A) 86410  
(2) of section 323.13 of the Revised Code shall also allow any 86411  
person required to receive a tax bill under division (D) (6) (a) 86412  
of this section to request electronic delivery of that tax bill 86413  
in the same manner. A person may rescind such a request in the 86414  
same manner as a request made under division (A) (2) of section 86415  
323.13 of the Revised Code. The request shall terminate upon a 86416  
change in the name of the person charged with the taxes pursuant 86417  
to section 4503.061 of the Revised Code. 86418

(b) After delivery of the copy of the delinquent 86419  
manufactured home tax list under division (H) of this section, 86420  
the county treasurer may prepare and mail to each person in 86421  
whose name a home is listed an additional tax bill showing the 86422  
total amount of delinquent taxes charged against the home as 86423  
shown on the list. The tax bill shall include a notice that the 86424  
interest charge prescribed by division (G) of this section has 86425  
begun to accrue. 86426

(7) Each tax bill prepared and mailed or delivered under 86427  
division (D) (6) of this section shall be in the form and contain 86428  
the information required by the tax commissioner. The 86429  
commissioner may prescribe different forms for each county and 86430

may authorize the county auditor to make up tax bills and tax receipts to be used by the county treasurer. The tax bill shall not contain or be mailed or delivered with any information or material that is not required by this section or that is not authorized by section 321.45 of the Revised Code or by the tax commissioner. In addition to the information required by the commissioner, each tax bill shall contain the following information:

(a) The taxes levied and the taxes charged and payable against the manufactured or mobile home;

(b) The following notice: "Notice: If the taxes are not paid within sixty days after the county auditor delivers the delinquent manufactured home tax list to the county treasurer, you and your home may be subject to collection proceedings for tax delinquency." Failure to provide such notice has no effect upon the validity of any tax judgment to which a home may be subjected.

(c) In the case of manufactured or mobile homes taxed under division (D)(2) of this section, the following additional information:

(i) The effective tax rate. The words "effective tax rate" shall appear in boldface type.

(ii) The following notice: "Notice: If the taxes charged against this home have been reduced by the 2-1/2 per cent tax reduction for residences occupied by the owner but the home is not a residence occupied by the owner, the owner must notify the county auditor's office not later than March 31 of the year for which the taxes are due. Failure to do so may result in the owner being convicted of a fourth degree misdemeanor, which is

punishable by imprisonment up to 30 days, a fine up to \$250, or 86460  
both, and in the owner having to repay the amount by which the 86461  
taxes were erroneously or illegally reduced, plus any interest 86462  
that may apply. 86463

If the taxes charged against this home have not been 86464  
reduced by the 2-1/2 per cent tax reduction and the home is a 86465  
residence occupied by the owner, the home may qualify for the 86466  
tax reduction. To obtain an application for the tax reduction or 86467  
further information, the owner may contact the county auditor's 86468  
office at \_\_\_\_\_ (insert the address and telephone number of 86469  
the county auditor's office)."

(d) For a manufactured or mobile home, the tax liability 86471  
of which has been reduced under section 5705.316 of the Revised 86472  
Code for the current tax year, the following notice: "Notice: 86473  
The school district taxes shown due on this bill are reduced 86474  
only for the current year due to the school district's excess 86475  
carry-over balance." 86476

(E) (1) A manufactured or mobile home is not subject to 86477  
this section when any of the following applies: 86478

(a) It is taxable as personal property pursuant to section 86479  
5709.01 of the Revised Code. Any manufactured or mobile home 86480  
that is used as a residence shall be subject to this section and 86481  
shall not be taxable as personal property pursuant to section 86482  
5709.01 of the Revised Code. 86483

(b) It bears a license plate issued by any state other 86484  
than this state unless the home is in this state in excess of an 86485  
accumulative period of thirty days in any calendar year. 86486

(c) The annual tax has been paid on the home in this state 86487  
for the current year. 86488

(d) The tax commissioner has determined, pursuant to 86489  
section 5715.27 of the Revised Code, that the property is exempt 86490  
from taxation, or would be exempt from taxation under Chapter 86491  
5709. of the Revised Code if it were classified as real 86492  
property. 86493

(2) A travel trailer or park trailer, as these terms are 86494  
defined in section 4501.01 of the Revised Code, is not subject 86495  
to this section if it is unused or unoccupied and stored at the 86496  
owner's normal place of residence or at a recognized storage 86497  
facility. 86498

(3) A travel trailer or park trailer, as these terms are 86499  
defined in section 4501.01 of the Revised Code, is subject to 86500  
this section and shall be taxed as a manufactured or mobile home 86501  
if it has a situs longer than thirty days in one location and is 86502  
connected to existing utilities, unless either of the following 86503  
applies: 86504

(a) The situs is in a state facility or a camping or park 86505  
area as defined in division (C), (Q), (S), or (V) of section 86506  
3729.01 of the Revised Code. 86507

(b) The situs is in a camping or park area that is a tract 86508  
of land that has been limited to recreational use by deed or 86509  
zoning restrictions and subdivided for sale of five or more 86510  
individual lots for the express or implied purpose of occupancy 86511  
by either self-contained recreational vehicles as defined in 86512  
division (T) of section 3729.01 of the Revised Code or by 86513  
dependent recreational vehicles as defined in division (D) of 86514  
section 3729.01 of the Revised Code. 86515

(F) Except as provided in division (D) (3) of this section, 86516  
the manufactured home tax is due and payable as follows: 86517

(1) When a manufactured or mobile home has a situs in this state, as provided in this section, on the first day of January, one-half of the amount of the tax is due and payable on or before the first day of March and the balance is due and payable on or before the thirty-first day of July. At the option of the owner of the home, the tax for the entire year may be paid in full on the first day of March.

(2) When a manufactured or mobile home first acquires a situs in this state after the first day of January, no tax is due and payable for that year.

(G) (1) (a) Except as otherwise provided in division (G) (1) (b) of this section, if one-half of the current taxes charged under this section against a manufactured or mobile home, together with the full amount of any delinquent taxes, are not paid on or before the first day of March in that year, or on or before the last day for such payment as extended pursuant to section 4503.063 of the Revised Code, a penalty of ten per cent shall be charged against the unpaid balance of such half of the current taxes. If the total amount of all such taxes is not paid on or before the thirty-first day of July, next thereafter, or on or before the last day for payment as extended pursuant to section 4503.063 of the Revised Code, a like penalty shall be charged on the balance of the total amount of the unpaid current taxes.

(b) After a valid delinquent tax contract that includes unpaid current taxes from a first-half collection period described in division (F) of this section has been entered into under section 323.31 of the Revised Code, no ten per cent penalty shall be charged against such taxes after the second-half collection period while the delinquent tax contract remains

in effect. On the day a delinquent tax contract becomes void, 86548  
the ten per cent penalty shall be charged against such taxes and 86549  
shall equal the amount of penalty that would have been charged 86550  
against unpaid current taxes outstanding on the date on which 86551  
the second-half penalty would have been charged thereon under 86552  
division (G) (1) (a) of this section if the contract had not been 86553  
in effect. 86554

(2) (a) On the first day of the month following the last 86555  
day the second installment of taxes may be paid without penalty 86556  
beginning in 2000, interest shall be charged against and 86557  
computed on all delinquent taxes other than the current taxes 86558  
that became delinquent taxes at the close of the last day such 86559  
second installment could be paid without penalty. The charge 86560  
shall be for interest that accrued during the period that began 86561  
on the preceding first day of December and ended on the last day 86562  
of the month that included the last date such second installment 86563  
could be paid without penalty. The interest shall be computed at 86564  
the rate per annum prescribed by section 5703.47 of the Revised 86565  
Code and shall be entered as a separate item on the delinquent 86566  
manufactured home tax list compiled under division (H) of this 86567  
section. 86568

(b) On the first day of December beginning in 2000, the 86569  
interest shall be charged against and computed on all delinquent 86570  
taxes. The charge shall be for interest that accrued during the 86571  
period that began on the first day of the month following the 86572  
last date prescribed for the payment of the second installment 86573  
of taxes in the current year and ended on the immediately 86574  
preceding last day of November. The interest shall be computed 86575  
at the rate per annum prescribed by section 5703.47 of the 86576  
Revised Code and shall be entered as a separate item on the 86577  
delinquent manufactured home tax list. 86578

(c) After a valid undertaking has been entered into for the payment of any delinquent taxes, no interest shall be charged against such delinquent taxes while the undertaking remains in effect in compliance with section 323.31 of the Revised Code. If a valid undertaking becomes void, interest shall be charged against the delinquent taxes for the periods that interest was not permitted to be charged while the undertaking was in effect. The interest shall be charged on the day the undertaking becomes void and shall equal the amount of interest that would have been charged against the unpaid delinquent taxes outstanding on the dates on which interest would have been charged thereon under divisions (G) (1) and (2) of this section had the undertaking not been in effect.

(3) If the full amount of the taxes due at either of the times prescribed by division (F) of this section is paid within ten days after such time, the county treasurer shall waive the collection of and the county auditor shall remit one-half of the penalty provided for in this division for failure to make that payment by the prescribed time.

(4) The treasurer shall compile and deliver to the county auditor a list of all tax payments the treasurer has received as provided in division (G) (3) of this section. The list shall include any information required by the auditor for the remission of the penalties waived by the treasurer. The taxes so collected shall be included in the settlement next succeeding the settlement then in process.

(H) (1) The county auditor shall compile annually a "delinquent manufactured home tax list" consisting of homes the county treasurer's records indicate have taxes that were not paid within the time prescribed by divisions (D) (3) and (F) of

this section, have taxes that remain unpaid from prior years, or 86609  
have unpaid tax penalties or interest that have been assessed. 86610

(2) Within thirty days after the settlement under division 86611  
(H) (2) of section 321.24 of the Revised Code, the county auditor 86612  
shall deliver a copy of the delinquent manufactured home tax 86613  
list to the county treasurer. The auditor shall update and 86614  
publish the delinquent manufactured home tax list annually in 86615  
the same manner as delinquent real property tax lists are 86616  
published. The county auditor may apportion the cost of 86617  
publishing the list among taxing districts in proportion to the 86618  
amount of delinquent manufactured home taxes so published that 86619  
each taxing district is entitled to receive upon collection of 86620  
those taxes, or the county auditor may charge the owner of a 86621  
home on the list a flat fee established under section 319.54 of 86622  
the Revised Code for the cost of publishing the list and, if the 86623  
fee is not paid, may place the fee upon the delinquent 86624  
manufactured home tax list as a lien on the listed home, to be 86625  
collected as other manufactured home taxes. 86626

(3) When taxes, penalties, or interest are charged against 86627  
a person on the delinquent manufactured home tax list and are 86628  
not paid within sixty days after the list is delivered to the 86629  
county treasurer, the county treasurer shall, in addition to any 86630  
other remedy provided by law for the collection of taxes, 86631  
penalties, and interest, enforce collection of such taxes, 86632  
penalties, and interest by civil action in the name of the 86633  
treasurer against the owner for the recovery of the unpaid taxes 86634  
following the procedures for the recovery of delinquent real 86635  
property taxes in sections 323.25 to 323.28 of the Revised Code. 86636  
The action may be brought in municipal or county court, provided 86637  
the amount charged does not exceed the monetary limitations for 86638  
original jurisdiction for civil actions in those courts. 86639

It is sufficient, having made proper parties to the suit, 86640  
for the county treasurer to allege in the treasurer's bill of 86641  
particulars or petition that the taxes stand chargeable on the 86642  
books of the county treasurer against such person, that they are 86643  
due and unpaid, and that such person is indebted in the amount 86644  
of taxes appearing to be due the county. The treasurer need not 86645  
set forth any other matter relating thereto. If it is found on 86646  
the trial of the action that the person is indebted to the 86647  
state, judgment shall be rendered in favor of the county 86648  
treasurer prosecuting the action. The judgment debtor is not 86649  
entitled to the benefit of any law for stay of execution or 86650  
exemption of property from levy or sale on execution in the 86651  
enforcement of the judgment. 86652

Upon the filing of an entry of confirmation of sale or an 86653  
order of forfeiture in a proceeding brought under this division, 86654  
title to the manufactured or mobile home shall be in the 86655  
purchaser. The clerk of courts shall issue a certificate of 86656  
title to the purchaser upon presentation of proof of filing of 86657  
the entry of confirmation or order and, in the case of a 86658  
forfeiture, presentation of the county auditor's certificate of 86659  
sale. 86660

(I) The total amount of taxes collected shall be 86661  
distributed in the following manner: four per cent shall be 86662  
allowed as compensation to the county auditor for the county 86663  
auditor's service in assessing the taxes; two per cent shall be 86664  
allowed as compensation to the county treasurer for the services 86665  
the county treasurer renders as a result of the tax levied by 86666  
this section. Such amounts shall be paid into the county 86667  
treasury, to the credit of the county general revenue fund, on 86668  
the warrant of the county auditor. Fees to be paid to the credit 86669  
of the real estate assessment fund shall be collected pursuant 86670

to division (C) of section 319.54 of the Revised Code and paid 86671  
into the county treasury, on the warrant of the county auditor. 86672  
The balance of the taxes collected shall be distributed among 86673  
the taxing subdivisions of the county in which the taxes are 86674  
collected and paid in the same proportions that the amount of 86675  
manufactured home tax levied by each taxing subdivision of the 86676  
county in the current tax year bears to the amount of such tax 86677  
levied by all such subdivisions in the county in the current tax 86678  
year. The taxes levied and revenues collected under this section 86679  
shall be in lieu of any general property tax and any tax levied 86680  
with respect to the privilege of using or occupying a 86681  
manufactured or mobile home in this state except as provided in 86682  
sections 4503.04 and 5741.02 of the Revised Code. 86683

(J) An agreement to purchase or a bill of sale for a 86684  
manufactured home shall show whether or not the furnishings and 86685  
equipment are included in the purchase price. 86686

(K) If the county treasurer and the county prosecuting 86687  
attorney agree that an item charged on the delinquent 86688  
manufactured home tax list is uncollectible, they shall certify 86689  
that determination and the reasons to the county board of 86690  
revision. If the board determines the amount is uncollectible, 86691  
it shall certify its determination to the county auditor, who 86692  
shall strike the item from the list. 86693

(L) (1) The county auditor shall appraise at its true value 86694  
any manufactured or mobile home in which ownership is 86695  
transferred or which first acquires situs in this state on or 86696  
after January 1, 2000, and any manufactured or mobile home the 86697  
owner of which has elected, under division (D) (4) of this 86698  
section, to have the home taxed under division (D) (2) of this 86699  
section. The true value shall include the value of the home, any 86700

additions, and any fixtures, but not any furnishings in the 86701  
home. In determining the true value of a manufactured or mobile 86702  
home, the auditor shall consider all facts and circumstances 86703  
relating to the value of the home, including its age, its 86704  
capacity to function as a residence, any obsolete 86705  
characteristics, and other factors that may tend to prove its 86706  
true value. 86707

(2) (a) If a manufactured or mobile home has been the 86708  
subject of an arm's length sale between a willing seller and a 86709  
willing buyer within a reasonable length of time prior to the 86710  
determination of true value, the county auditor shall consider 86711  
the sale price of the home to be the true value for taxation 86712  
purposes. 86713

(b) The sale price in an arm's length transaction between 86714  
a willing seller and a willing buyer shall not be considered the 86715  
true value of the home if either of the following occurred after 86716  
the sale: 86717

(i) The home has lost value due to a casualty. 86718

(ii) An addition or fixture has been added to the home. 86719

(3) The county auditor shall have each home viewed and 86720  
appraised at least once in each six-year period in the same year 86721  
in which real property in the county is appraised pursuant to 86722  
Chapter 5713. of the Revised Code, and shall update the 86723  
appraised values in the third calendar year following the 86724  
appraisal. The person viewing or appraising a home may enter the 86725  
home to determine by actual view any additions or fixtures that 86726  
have been added since the last appraisal. In conducting the 86727  
appraisals and establishing the true value, the auditor shall 86728  
follow the procedures set forth for appraising real property in 86729

sections 5713.01 and 5713.03 of the Revised Code. 86730

(4) The county auditor shall place the true value of each 86731  
home on the manufactured home tax list upon completion of an 86732  
appraisal. 86733

(5) (a) If the county auditor changes the true value of a 86734  
home, the auditor shall notify the owner of the home in writing, 86735  
delivered by mail or in person. The notice shall be given at 86736  
least thirty days prior to the issuance of any tax bill that 86737  
reflects the change. Failure to receive the notice does not 86738  
invalidate any proceeding under this section. 86739

(b) Any owner of a home or any other person or party that 86740  
would be authorized to file a complaint under division (A) of 86741  
section 5715.19 of the Revised Code if the home was real 86742  
property may file a complaint against the true value of the home 86743  
as appraised under this section. The complaint shall be filed 86744  
with the county auditor on or before the thirty-first day of 86745  
March of the current tax year or the date of closing of the 86746  
collection for the first half of manufactured home taxes for the 86747  
current tax year, whichever is later. The auditor shall present 86748  
to the county board of revision all complaints filed with the 86749  
auditor under this section. The board shall hear and investigate 86750  
the complaint and may take action on it as provided under 86751  
sections 5715.11 to 5715.19 of the Revised Code. 86752

(c) If the county board of revision determines, pursuant 86753  
to a complaint against the valuation of a manufactured or mobile 86754  
home filed under this section, that the amount of taxes, 86755  
assessments, or other charges paid was in excess of the amount 86756  
due based on the valuation as finally determined, then the 86757  
overpayment shall be refunded in the manner prescribed in 86758  
section 5715.22 of the Revised Code. 86759

(d) Payment of all or part of a tax under this section for 86760  
any year for which a complaint is pending before the county 86761  
board of revision does not abate the complaint or in any way 86762  
affect the hearing and determination thereof. 86763

(M) If the county auditor determines that any tax or other 86764  
charge or any part thereof has been erroneously charged as a 86765  
result of a clerical error as defined in section 319.35 of the 86766  
Revised Code, the county auditor shall call the attention of the 86767  
county board of revision to the erroneous charges. If the board 86768  
finds that the taxes or other charges have been erroneously 86769  
charged or collected, it shall certify the finding to the 86770  
auditor. Upon receipt of the certification, the auditor shall 86771  
remove the erroneous charges on the manufactured home tax list 86772  
or delinquent manufactured home tax list in the same manner as 86773  
is prescribed in section 319.35 of the Revised Code for 86774  
erroneous charges against real property, and refund any 86775  
erroneous charges that have been collected, with interest, in 86776  
the same manner as is prescribed in section 319.36 of the 86777  
Revised Code for erroneous charges against real property. 86778

(N) As used in this section and section 4503.061 of the 86779  
Revised Code: 86780

(1) "Manufactured home taxes" includes taxes, penalties, 86781  
and interest charged under division (C) or (G) of this section 86782  
and any penalties charged under division (G) or (H) (5) of 86783  
section 4503.061 of the Revised Code. 86784

(2) "Current taxes" means all manufactured home taxes 86785  
charged against a manufactured or mobile home that have not 86786  
appeared on the manufactured home tax list for any prior year. 86787  
Current taxes become delinquent taxes if they remain unpaid 86788  
after the last day prescribed for payment of the second 86789

installment of current taxes without penalty, whether or not 86790  
they have been certified delinquent. 86791

(3) "Delinquent taxes" means: 86792

(a) Any manufactured home taxes that were charged against 86793  
a manufactured or mobile home for a prior year, including any 86794  
penalties or interest charged for a prior year and the costs of 86795  
publication under division (H) (2) of this section, and that 86796  
remain unpaid; 86797

(b) Any current manufactured home taxes charged against a 86798  
manufactured or mobile home that remain unpaid after the last 86799  
day prescribed for payment of the second installment of current 86800  
taxes without penalty, whether or not they have been certified 86801  
delinquent, including any penalties or interest and the costs of 86802  
publication under division (H) (2) of this section. 86803

**Sec. 4503.0611.** Whenever it is made to appear to the 86804  
county auditor, based on inspection by the county auditor or 86805  
based on notice provided to the county auditor, on a form 86806  
prescribed by the department of taxation, by an owner of the 86807  
manufactured home or two disinterested persons who are residents 86808  
of the township or municipal corporation in which the 86809  
manufactured home is or was situated, that the home is subject 86810  
to taxation for the current year under section 4503.06 of the 86811  
Revised Code and has been destroyed or injured after the first 86812  
day of January of the current year, the county auditor shall 86813  
investigate the matter, and shall refund or waive the payment of 86814  
the current year's taxes on such home as prescribed by divisions 86815  
(A) and (B) of this section. Such notice may also be provided by 86816  
the manufactured home park operator, as defined in section 86817  
4781.01 of the Revised Code, if applicable, provided the notice 86818  
is accompanied by photographic evidence. If a form has not been 86819

filed with the county auditor by ~~either~~ an owner, manufactured 86820  
home park operator, or two disinterested persons but it appears 86821  
to the county auditor, based on an inspection and investigation, 86822  
that the owner's manufactured home is subject to taxation for 86823  
the current year under section 4503.06 of the Revised Code and 86824  
has been destroyed or injured after the first day of January of 86825  
the current year, the auditor may complete the form on behalf of 86826  
an owner. 86827

To obtain a deduction under this section, an owner,  86828  
manufactured home park operator, or two disinterested persons 86829  
shall file the form with the county auditor, or the county 86830  
auditor shall complete the form on behalf of an owner, not later 86831  
than the thirty-first day of January of the year after the year 86832  
in which the manufactured home was injured or destroyed. 86833

(A) If the auditor determines the injury or destruction 86834  
occurred during the first half of the calendar year, the auditor 86835  
shall deduct from the taxes payable on the manufactured home for 86836  
the current year an amount that, in the county auditor's 86837  
judgment, bears the same ratio to those taxes as the extent of 86838  
the injury or destruction bears to the cost or market value of 86839  
the manufactured home. The auditor shall draw a warrant on the 86840  
county treasurer to refund that amount. If the taxes have not 86841  
been paid at the time of the auditor's determination, the 86842  
auditor may waive the payment of the portion of the tax that 86843  
would otherwise be refunded under this division. 86844

(B) If the auditor determines the injury or destruction 86845  
occurred during the second half of the calendar year, the 86846  
auditor shall deduct from the taxes payable on the manufactured 86847  
home for the current year one-half of the amount that, in the 86848  
county auditor's judgment, bears the same ratio to those taxes 86849

as the extent of the injury or destruction bears to the cost or 86850  
market value of the manufactured home. The auditor shall draw a 86851  
warrant on the county treasurer to refund that amount. If the 86852  
taxes have not been paid at the time of the auditor's 86853  
determination, the auditor may waive the payment of the portion 86854  
of the tax that would otherwise be refunded under this division. 86855

(C) Taxes refunded under this section shall be paid from 86856  
the county undivided general property tax fund. 86857

(D) Notwithstanding divisions (A) and (B) of this section, 86858  
if the county auditor determines the destruction of a 86859  
manufactured home or mobile home occurred within one calendar 86860  
year after the title of the home being transferred to a park 86861  
operator pursuant to sections 1923.12, 1923.13, and 1923.14 of 86862  
the Revised Code and the current owner providing the oath to the 86863  
auditor is the same park operator, then the auditor shall waive 86864  
all unpaid manufactured home taxes charged against the home, 86865  
including taxes for which a lien has attached, but that are not 86866  
yet due and payable. 86867

(E) Upon the destruction of a manufactured home or mobile 86868  
home, the owner of the home shall dispose of the certificate of 86869  
title to the home in the same manner as described in section 86870  
4505.11 of the Revised Code. 86871

an application for registration under section 4519.03 of the 86875  
Revised Code. The owner of a motor vehicle, other than a 86876

4503.103 and 4503.107 of the Revised Code, every owner of every 86885  
other motor vehicle not previously described in this section and 86886

In a manner prescribed by the registrar, the clerk of courts shall provide the registrar with the identity of any person who fails to submit proof of the

mailing of notification. The registrar also shall notify the 89302  
person that the person must present the registrar with proof of 89303  
financial responsibility in accordance with this section, 89304  
surrender to the registrar the person's license, or submit a 89305  
statement subject to section 2921.13 of the Revised Code that 89306  
the person did not operate or permit the operation of the motor 89307

writing and shall be sent to the person at the person's last 89309  
known address as shown on the records of the bureau of motor 89310  
vehicles. The person, within forty-five days after the date of 89311  
the mailing of notification, shall present proof of financial 89312  
responsibility, surrender the license to the registrar in a 89313  
manner set forth in division (A) (4) of this section, or submit 89314  
the statement required under this section together with other 89315

forty-five-day period, proof of financial responsibility, the 89322  
registrar shall terminate the order of suspension and shall send 89323  
written notification to the person, at the person's last known 89324  
address as shown on the records of the bureau. 89325

registrar under division (D) (5) (a) or (b) of this section, 89327  
within ~~ten~~fifteen days after the issuance of the order, may 89328  
request an administrative hearing before the registrar, who 89329  
shall provide the person with an opportunity for a hearing in 89330  
accordance with this paragraph. A request for a hearing does not 89331  
operate as a suspension of the order. The scope of the hearing 89332  
shall be limited to whether, at the time of the hearing, the 89333  
person presents proof of financial responsibility covering the 89334  
vehicle and whether the person is eligible for an exemption in 89335  
accordance with this section or any rule adopted under it. The 89336  
registrar shall determine the date, time, and place of any 89337  
hearing; provided, that the hearing shall be held, and an order 89338  
issued or findings made, within thirty days after the registrar 89339  
receives a request for a hearing. If requested by the person, 89340  
the hearing may be held remotely by electronic means. If 89341  
requested by the person in writing, the registrar may designate 89342  
as the place of hearing the county seat of the county in which 89343  
the person resides or a place within fifty miles of the person's 89344

division (D) (5) (a) or (b) of this section is upheld. 89347

any duty required or authorized by this section. 89355

(8) As used in this section, "peace officer" has the 89356  
meaning set forth in section 2935.01 of the Revised Code. 89357

of each six-hundred-dollar reinstatement fee into the state 89375  
treasury to the credit of the indigent defense support fund 89376  
created by section 120.08 of the Revised Code. 89377

(c) Whenever it is determined by a final judgment in a 89448  
judicial proceeding that an insurer or surety, which has been 89449

motor vehicle at the time of an accident or offense, is not 89453  
liable to pay a judgment for injuries or damages resulting from 89454  
such operation, the registrar, notwithstanding any previous 89455  
contrary finding, shall forthwith suspend the operating 89456

document or words or images shall state the name of the insured 89464

or obligor, the name of the insurer or surety company, and the 89465  
effective and expiration dates of the financial responsibility, 89466  
and designate by explicit description or by appropriate 89467  
reference all motor vehicles covered which may include a 89468  
reference to fleet insurance coverage. 89469

(I) For purposes of this section, "owner" does not include 89470  
a licensed motor vehicle leasing dealer as defined in section 89471  
4517.01 of the Revised Code, but does include a motor vehicle 89472  
renting dealer as defined in section 4549.65 of the Revised 89473  
Code. Nothing in this section or in section 4509.51 of the 89474  
Revised Code shall be construed to prohibit a motor vehicle 89475  
renting dealer from entering into a contractual agreement with a 89476  
person whereby the person renting the motor vehicle agrees to be 89477  
solely responsible for maintaining proof of financial 89478  
responsibility, in accordance with this section, with respect to 89479  
the operation, maintenance, or use of the motor vehicle during 89480  
the period of the motor vehicle's rental. 89481

(J) The purpose of this section is to require the 89482  
maintenance of proof of financial responsibility with respect to 89483  
the operation of motor vehicles on the highways of this state, 89484  
so as to minimize those situations in which persons are not 89485  
compensated for injuries and damages sustained in motor vehicle 89486  
accidents. The general assembly finds that this section contains 89487  
reasonable civil penalties and procedures for achieving this 89488  
purpose. 89489

(K) Nothing in this section shall be construed to be 89490  
subject to section 4509.78 of the Revised Code. 89491

(L) (1) The registrar may terminate any suspension imposed 89492  
under this section and not require the owner to comply with 89493  
division (A) (5) of this section if the registrar with or without 89494

a hearing determines that the owner of the vehicle has 89495  
established by clear and convincing evidence that all of the 89496  
following apply: 89497

(a) The owner customarily maintains proof of financial 89498  
responsibility. 89499

(b) Proof of financial responsibility was not in effect 89500  
for the vehicle on the date in question for one of the following 89501  
reasons: 89502

(i) The vehicle was inoperable. 89503

(ii) The vehicle is operated only seasonally, and the date 89504  
in question was outside the season of operation. 89505

(iii) A person other than the vehicle owner or driver was 89506  
at fault for the lapse of proof of financial responsibility 89507  
through no fault of the owner or driver. 89508

(iv) The lapse of proof of financial responsibility was 89509  
caused by excusable neglect under circumstances that are not 89510  
likely to recur and do not suggest a purpose to evade the 89511  
requirements of this chapter. 89512

(2) The registrar may grant an owner or driver relief for 89513  
a reason specified in division (L)(1)(b)(iii) or (iv) of this 89514  
section only if the owner or driver has not previously been 89515  
granted relief under division (L)(1)(b)(iii) or (iv) of this 89516  
section. 89517

(M) The registrar shall adopt rules in accordance with 89518  
Chapter 119. of the Revised Code that are necessary to 89519  
administer and enforce this section. The rules shall include 89520  
provisions relating to acceptable forms of proof of financial 89521  
responsibility, the use of an electronic wireless communications 89522

device to present proof of financial responsibility, and 89523  
verification of the existence of financial responsibility during 89524  
the period of registration. 89525

(N) (1) When a person utilizes an electronic wireless 89526  
communications device to present proof of financial 89527  
responsibility, only the evidence of financial responsibility 89528  
displayed on the device shall be viewed by the registrar, peace 89529  
officer, employee or official of the traffic violations bureau, 89530  
or the court. No other content of the device shall be viewed for 89531  
purposes of obtaining proof of financial responsibility. 89532

(2) When a person provides an electronic wireless 89533  
communications device to the registrar, a peace officer, an 89534  
employee or official of a traffic violations bureau, or the 89535  
court, the person assumes the risk of any resulting damage to 89536  
the device unless the registrar, peace officer, employee, or 89537  
official, or court personnel purposely, knowingly, or recklessly 89538  
commits an action that results in damage to the device. 89539

**Sec. 4511.78.** (A) As used in this section: 89540

(1) "Mass transit system" means any county transit system, 89541  
regional transit authority, regional transit commission, 89542  
municipally owned transportation system, mass transit company 89543  
operating exclusively within the territorial limits of a 89544  
municipal corporation, or within such limits and the territorial 89545  
limits of municipal corporations immediately contiguous to such 89546  
municipal corporation, and any common passenger carrier, that 89547  
provides transportation for children to or from a school session 89548  
or a school function. 89549

(2) "Bus" means every motor vehicle designed for carrying 89550  
more than nine passengers and used for the transportation of 89551

persons, but does not mean any school bus as defined in section 89552  
4511.01 of the Revised Code. 89553

(B) Whenever a mass transit system transports children to 89554  
or from a school session or school function, the mass transit 89555  
system shall provide for: 89556

(1) Periodic safety inspections of all buses used to 89557  
provide transportation service. The inspections shall be based 89558  
on rules adopted by the public utilities commission under 89559  
Chapters 4921. and 4923. of the Revised Code to ensure the 89560  
safety of operation of motor carriers. 89561

(2) The safety training of all drivers operating buses 89562  
used to provide transportation service; 89563

(3) The equipping of every bus with outside rear-view 89564  
mirrors meeting the motor carrier regulations for bus equipment 89565  
adopted by the federal highway administration. No exclusions 89566  
from this requirement granted under the federal regulations 89567  
shall be considered exclusions for the purposes of this 89568  
division. 89569

(C) Whenever a mass transit system regularly transports 89570  
children to or from a school session, the mass transit system 89571  
shall provide routes that ensure that such children either will 89572  
not need to transfer between different buses or that the 89573  
children will only need to make one transfer at a location that 89574  
is not the central transfer hub for the mass transit system. 89575  
This division applies only to a mass transit system with a 89576  
central transfer hub located in a county that is ranked as one 89577  
of the eight most populous counties in this state according to 89578  
the most recent decennial census. 89579

(D) Except as otherwise provided in this division, whoever 89580

violates this section is guilty of a minor misdemeanor. If, 89581  
within one year of the offense, the offender previously has been 89582  
convicted of or pleaded guilty to one predicate motor vehicle or 89583  
traffic offense, whoever violates this section is guilty of a 89584  
misdemeanor of the fourth degree. If, within one year of the 89585  
offense, the offender previously has been convicted of two or 89586  
more predicate motor vehicle or traffic offenses, whoever 89587  
violates this section is guilty of a misdemeanor of the third 89588  
degree. 89589

**Sec. 4513.60.** (A) (1) The sheriff of a county or chief of a 89590  
law enforcement agency of a municipal corporation, township, 89591  
port authority, conservancy district, or township or joint 89592  
police district, within the sheriff's or chief's respective 89593  
territorial jurisdiction, upon complaint of any person adversely 89594  
affected, may order into storage any motor vehicle, other than 89595  
an abandoned junk motor vehicle as defined in section 4513.63 of 89596  
the Revised Code, that has been left on private residential or 89597  
private agricultural property for at least four hours without 89598  
the permission of the person having the right to the possession 89599  
of the property. The sheriff or chief, upon complaint of a 89600  
repair garage or place of storage, may order into storage any 89601  
motor vehicle, other than an abandoned junk motor vehicle, that 89602  
has been left at the garage or place of storage for a longer 89603  
period than that agreed upon. When ordering a motor vehicle into 89604  
storage pursuant to this division, a sheriff or chief may 89605  
arrange for the removal of the motor vehicle by a towing service 89606  
and shall designate a storage facility. 89607

(2) A towing service towing a motor vehicle under division 89608  
(A) (1) of this section shall remove the motor vehicle in 89609  
accordance with that division. The towing service shall deliver 89610  
the motor vehicle to the location designated by the sheriff or 89611

chief not more than two hours after the time it is removed from 89612  
the private property, unless the towing service is unable to 89613  
deliver the motor vehicle within two hours due to an 89614  
uncontrollable force, natural disaster, or other event that is 89615  
not within the power of the towing service. 89616

(3) Subject to division (B) of this section, the owner of 89617  
a motor vehicle that has been removed pursuant to this division 89618  
may recover the vehicle only in accordance with division (D) of 89619  
this section. 89620

(4) As used in this section, "private residential 89621  
property" means private property on which is located one or more 89622  
structures that are used as a home, residence, or sleeping place 89623  
by one or more persons, if no more than three separate 89624  
households are maintained in the structure or structures. 89625  
"Private residential property" does not include any private 89626  
property on which is located one or more structures that are 89627  
used as a home, residence, or sleeping place by two or more 89628  
persons, if more than three separate households are maintained 89629  
in the structure or structures. 89630

(B) If the owner or operator of a motor vehicle that has 89631  
been ordered into storage pursuant to division (A) (1) of this 89632  
section arrives after the motor vehicle has been prepared for 89633  
removal, but prior to its actual removal from the property, the 89634  
towing service shall give the owner or operator oral or written 89635  
notification at the time of such arrival that the vehicle owner 89636  
or operator may pay a fee of not more than one-half of the fee 89637  
for the removal of the motor vehicle established by the public 89638  
utilities commission in rules adopted under section 4921.25 of 89639  
the Revised Code, in order to obtain release of the motor 89640  
vehicle. However, if the vehicle is within a municipal 89641

corporation and the municipal corporation has established a 89642  
vehicle removal fee, the towing service shall give the owner or 89643  
operator oral or written notification that the owner or operator 89644  
may pay not more than one-half of that fee to obtain release of 89645  
the motor vehicle. That fee may be paid by use of a major credit 89646  
card unless the towing service uses a mobile credit card 89647  
processor and mobile service is not available at the time of the 89648  
transaction. 89649

Upon payment of the applicable fee, the towing service 89650  
shall give the vehicle owner or operator a receipt showing both 89651  
the full amount normally assessed and the actual amount received 89652  
and shall release the motor vehicle to the owner or operator. 89653  
Upon its release, the owner or operator immediately shall move 89654  
it so that it is not on the private residential or private 89655  
agricultural property without the permission of the person 89656  
having the right to possession of the property, or is not at the 89657  
garage or place of storage without the permission of the owner, 89658  
whichever is applicable. 89659

(C) (1) Each county sheriff and each chief of a law 89660  
enforcement agency of a municipal corporation, township, port 89661  
authority, conservancy district, or township or joint police 89662  
district shall maintain a record of motor vehicles that the 89663  
sheriff or chief orders into storage pursuant to division (A) (1) 89664  
of this section. The record shall include an entry for each such 89665  
motor vehicle that identifies the motor vehicle's license 89666  
number, make, model, and color, the location from which it was 89667  
removed, the date and time of its removal, the telephone number 89668  
of the person from whom it may be recovered, and the address of 89669  
the place to which it has been taken and from which it may be 89670  
recovered. A sheriff or chief shall provide any information in 89671  
the record that pertains to a particular motor vehicle to any 89672

person who, either in person or pursuant to a telephone call, 89673  
identifies self as the owner or operator of the motor vehicle 89674  
and requests information pertaining to its location. 89675

(2) Any person who registers a complaint that is the basis 89676  
of a sheriff's or chief's order for the removal and storage of a 89677  
motor vehicle under division (A) (1) of this section shall 89678  
provide the identity of the law enforcement agency with which 89679  
the complaint was registered to any person who identifies self 89680  
as the owner or operator of the motor vehicle and requests 89681  
information pertaining to its location. 89682

(D) (1) The owner or lienholder of a motor vehicle that is 89683  
ordered into storage pursuant to division (A) (1) of this section 89684  
may reclaim it upon both of the following: 89685

(a) Payment of all applicable fees established by the 89686  
public utilities commission in rules adopted under section 89687  
4921.25 of the Revised Code or, if the vehicle was towed within 89688  
a municipal corporation that has established fees for vehicle 89689  
removal and storage, payment of all applicable fees established 89690  
by the municipal corporation. Section 2930.11 of the Revised 89691  
Code does not apply with regard to the payment of fees for motor 89692  
vehicle removal and storage under this section. 89693

(b) Presentation of proof of ownership, which may be 89694  
evidenced by a certificate of title to the motor vehicle, a 89695  
certificate of registration for the motor vehicle, or a lease 89696  
agreement. 89697

When the owner of a vehicle towed under this section 89698  
retrieves the vehicle, the towing service or storage facility in 89699  
possession of the vehicle shall give the owner written notice 89700  
that if the owner disputes that the motor vehicle was lawfully 89701

towed, the owner may be able to file a civil action under 89702  
section 4513.611 of the Revised Code. 89703

(2) Upon presentation of proof of ownership as required 89704  
under division (D)(1)(b) of this section, the owner of a motor 89705  
vehicle that is ordered into storage under division (A)(1) of 89706  
this section may retrieve any personal items from the motor 89707  
vehicle without retrieving the vehicle and without paying any 89708  
fee. However, a towing service or storage facility may charge an 89709  
after-hours retrieval fee established by the public utilities 89710  
commission in rules adopted under section 4921.25 of the Revised 89711  
Code if the owner retrieves the personal items after hours, 89712  
unless the towing service or storage facility fails to provide 89713  
the notice required under division (B)(3) of section 4513.69 of 89714  
the Revised Code, if applicable. The owner of a motor vehicle 89715  
shall not do either of the following: 89716

(a) Retrieve any personal item that has been determined by 89717  
the sheriff or chief, as applicable, to be necessary to a 89718  
criminal investigation; 89719

(b) Retrieve any personal item from a vehicle if it would 89720  
endanger the safety of the owner, unless the owner agrees to 89721  
sign a waiver of liability. 89722

For purposes of division (D)(2) of this section, "personal 89723  
items" do not include any items that are attached to the motor 89724  
vehicle. 89725

(3) If a motor vehicle that is ordered into storage 89726  
pursuant to division (A)(1) of this section remains unclaimed by 89727  
the owner for thirty days, the procedures established by 89728  
sections 4513.61 and 4513.62 of the Revised Code apply. 89729

(E)(1) No person shall remove, or cause the removal of, 89730

any motor vehicle from any private residential or private 89731  
agricultural property other than in accordance with division (A) 89732  
(1) of this section or sections 4513.61 to 4513.65 of the 89733  
Revised Code. 89734

(2) No towing service or storage facility shall fail to 89735  
comply with the requirements of this section. 89736

(F) This section does not apply to any private residential 89737  
or private agricultural property that is established as a 89738  
private tow-away zone in accordance with section 4513.601 of the 89739  
Revised Code. 89740

(G) Whoever violates division (E) of this section is 89741  
guilty of a minor misdemeanor. 89742

**Sec. 4513.61.** (A) The sheriff of a county or chief of a 89743  
law enforcement agency of a municipal corporation, township, 89744  
port authority, conservancy district, university campus police 89745  
department, park district police force, or township or joint 89746  
police district, within the sheriff's or chief's respective 89747  
territorial jurisdiction, or a state highway patrol trooper, 89748  
natural resources officer, or wildlife officer, upon 89749  
notification to the sheriff, chief, or department of natural 89750  
resources, as applicable, of such action and of the location of 89751  
the place of storage, may order into storage any motor vehicle, 89752  
including an abandoned junk motor vehicle as defined in section 89753  
4513.63 of the Revised Code, that: 89754

(1) Has come into the possession of the sheriff, chief, 89755  
state highway patrol trooper, or officer as a result of the 89756  
performance of the sheriff's, chief's, trooper's, or officer's 89757  
duties; or 89758

(2) Has been left on a public street or other property 89759

open to the public for purposes of vehicular travel, or upon or 89760  
within the right-of-way of any road or highway, for forty-eight 89761  
hours or longer without notification to the sheriff, chief, or 89762  
department of the reasons for leaving the motor vehicle in such 89763  
place. However, when such a motor vehicle constitutes an 89764  
obstruction to traffic it may be ordered into storage 89765  
immediately unless either of the following applies: 89766

(a) The vehicle was involved in an accident and is subject 89767  
to section 4513.66 of the Revised Code; 89768

(b) The vehicle is a commercial motor vehicle. If the 89769  
vehicle is a commercial motor vehicle, the sheriff, chief, 89770  
trooper, or officer shall allow the owner or operator of the 89771  
vehicle the opportunity to arrange for the removal of the motor 89772  
vehicle within a period of time specified by the sheriff, chief, 89773  
trooper, or officer. If the sheriff, chief, trooper, or officer 89774  
determines that the vehicle cannot be removed within the 89775  
specified period of time, the sheriff, chief, trooper, or 89776  
officer shall order the removal of the vehicle. 89777

Subject to division (C) of this section, the sheriff, 89778  
chief, or department shall designate the place of storage of any 89779  
motor vehicle so ordered removed. 89780

in accordance with section 119.07 of the Revised Code, the board 91050  
is not required to hold a hearing, but may adopt, by a vote of a 91051  
quorum, a final order that contains the board's findings. In the 91052  
final order, the board may order any of the sanctions listed in 91053  
division (A) or (B) of this section. 91054

(E) If a criminal action is brought against a registered 91055  
nurse, licensed practical nurse, or dialysis technician for an 91056  
act or crime described in divisions (B) (3) to (7) of this 91057  
section and the action is dismissed by the trial court other 91058  
than on the merits, the board shall conduct an adjudication to 91059  
determine whether the registered nurse, licensed practical 91060  
nurse, or dialysis technician committed the act on which the 91061  
action was based. If the board determines on the basis of the 91062

adjudication that the registered nurse, licensed practical 91063  
nurse, or dialysis technician committed the act, or if the 91064  
registered nurse, licensed practical nurse, or dialysis 91065  
technician fails to participate in the adjudication, the board 91066  
may take action as though the registered nurse, licensed 91067

exhaustion of the appeal process, petition the board for 91074  
reconsideration of its action. On receipt of the petition and 91075  
supporting court documents, the board shall temporarily rescind 91076  
its action. If the board determines that the decision on appeal 91077  
was a decision on the merits, it shall permanently rescind its 91078  
action. If the board determines that the decision on appeal was 91079  
not a decision on the merits, it shall conduct an adjudication 91080  
to determine whether the registered nurse, licensed practical 91081  
nurse, or dialysis technician committed the act on which the 91082  
original conviction, plea, or judicial finding was based. If the 91083  
board determines on the basis of the adjudication that the 91084  
registered nurse, licensed practical nurse, or dialysis 91085  
technician committed such act, or if the registered nurse, 91086  
licensed practical nurse, or dialysis technician does not 91087  
request an adjudication, the board shall reinstate its action; 91088  
otherwise, the board shall permanently rescind its action. 91089

in the case shall be deemed not to have occurred, sealing or 91094  
expungement of the following records on which the board has 91095  
based an action under this section shall have no effect on the 91096  
board's action or any sanction imposed by the board under this 91097  
section: records of any conviction, guilty plea, judicial 91098  
finding of guilt resulting from a plea of no contest, or a 91099  
judicial finding of eligibility for a pretrial diversion program 91100

The board shall not be required to seal, destroy, redact, 91102

or expungement of conviction records. 91104

(F) The board may investigate an individual's criminal 91105  
background in performing its duties under this section. As part 91106

Failure of any individual to submit to a mental or 91126  
physical examination when directed constitutes an admission of 91127  
the allegations, unless the failure is due to circumstances 91128  
beyond the individual's control, and a default and final order 91129  
may be entered without the taking of testimony or presentation 91130  
of evidence. 91131

If the board finds that an individual is impaired, the 91132  
board shall require the individual to submit to care, 91133

(H) The board shall investigate evidence that appears to 91148  
show that any person has violated any provision of this chapter 91149  
or any rule of the board. Any person may report to the board any 91150
