address as shown on the retail installment contract, the policy 31775  
of insurance, or in lieu thereof a certificate of insurance, or 31776  
the retail buyer is not liable on the retail buyer's retail 31777  
installment contract until the policy, or certificate of 31778  
insurance, is received, or full refund is made of the insurance 31779  
premium. 31780

If the premium for insurance of like kind and amount, as 31781  
fixed in the published manual of a recognized standard rating 31782  
bureau designated by the retail seller, is less than the amount 31783  
charged the retail buyer as fixed in the written instrument in 31784  
compliance with division (D) of section 1317.04 of the Revised 31785  
Code, the retail buyer may deduct an amount equal to three times 31786  
the difference from the amount owed the retail seller, or the 31787  
retail seller's successor in interest. Sections 1317.01 to 31788  
1317.11 of the Revised Code do not impair the authority of the 31789  
superintendent of insurance to grant, renew, or revoke licenses, 31790  
nor do said sections authorize anyone other than a licensee of 31791  
the division of insurance to directly or indirectly receive any 31792  
part of the amount charged for insurance in connection with any 31793  
retail installment sale. 31794

(B) As used in this division, "debt cancellation or debt 31795  
suspension product" means a contractual agreement in which a 31796  
retail seller, or its assignee, agrees for a separate charge to 31797  
cancel or waive all or a part of amounts due on a retail buyer's 31798  
retail installment contract in the event of a total physical 31799  
damage loss or unrecovered theft of the motor vehicle that is 31800  
the subject of the contract. "Debt cancellation or debt 31801  
suspension product" includes a guaranteed asset protection 31802  
waiver, guaranteed auto protection waiver, or other similarly 31803  
named agreement. A "debt cancellation or debt suspension 31804  
product" may also provide, with or without a separate charge, a 31805

benefit that waives an amount, or provides a borrower with a 31806  
credit, towards the purchase of a replacement motor vehicle. 31807

A debt cancellation or debt suspension product, and an 31808  
addendum to a retail installment contract containing a debt 31809  
cancellation or debt suspension product, shall be considered a 31810  
part of the retail installment contract and shall remain a part 31811  
of that contract upon the assignment, sale, or transfer of that 31812  
contract. The charge for any optional debt cancellation or debt 31813  
suspension product shall be listed as a specific good and shall 31814  
not be considered a finance charge or interest. The purchase 31815  
price and the terms of the debt cancellation or debt suspension 31816  
product shall be disclosed in writing to the buyer. The 31817  
extension of credit, terms of the credit, or the terms of the 31818  
related motor vehicle sale or lease shall not be conditioned on 31819  
the purchase of the debt cancellation or debt suspension 31820  
product. Notwithstanding any other provision of law, a debt 31821  
cancellation or debt suspension product shall not be considered 31822  
insurance. 31823

(C) Single interest insurance shall be listed as a 31824  
specific good in a retail installment contract. 31825

(D) As used in this section, "single interest insurance" 31826  
means insurance that covers only the interest of the holder of 31827  
the retail installment contract. 31828

**Sec. 1317.06.** (A) A retail seller at the time of making 31829  
any retail installment sale may charge and contract for the 31830

fifty dollar unit or fraction thereof, of the principal balance 31843  
for each month of the term of the installment contract; and an 31844  
additional service charge of twenty-five cents per month for 31845  
each of the next five fifty dollar units or fraction thereof, of 31846  
the principal balance for each month of the term of the 31847  
installment contract. This paragraph applies only to retail 31848  
installment contracts with a principal balance of seven hundred 31849  
dollars or less. 31850

(2) A pre-computed base finance charge not in excess of 31851  
the amount obtained by applying the rate of one and one-half per 31852  
cent per month to the unpaid portion of the unpaid principal 31853  
balance determined to be outstanding from time to time according 31854  
to the terms and schedule of payments of the retail installment 31855  
contract executed in connection with such retail installment 31856  
sale. 31857

Such base finance charge and service charges may be 31858  
computed on a basis of a full month for any fractional period in 31859  
excess of ten days. For a fractional period of a month not in 31860

retail installment sale, contract for the payment by the retail 31867  
buyer of lawful delinquent charges as follows: 31868

than ten days late. 31870

(2) Five cents for each dollar for a delinquent payment 31871  
that is more than ten days late may be charged, but in no event 31872  
shall a delinquent charge for any one installment exceed three 31873  
dollars. 31874

A provision for the payment of interest on any installment 31875  
not paid in full on or before its scheduled due date at a rate 31876  
not to exceed one and one-half per cent interest per month is 31877  
not a delinquent charge and is expressly authorized. 31878

~~(C)~~ (C) (1) No retail installment contract arising out of a 31879  
consumer transaction and requiring the payment of the charges 31880  
authorized by this section shall be executed unless the combined 31881  
total of the cash price and all finance charges and service 31882  
charges is required to be paid according to a one of the 31883  
following: 31884

(a) A schedule of substantially equal consecutive 31885  
installments, except where the contract contains a provision 31886  
allowing the buyer to refinance the contract under terms no less 31887

owner of a well or a board of township trustees of a township 32152  
that is an owner of a well may elect to satisfy the liability 32153

who has obtained insurance as required under this section and 32175  
who is not under a notice of material and substantial violation 32176  
or under a suspension order. The owner shall provide proof of 32177

owner to provide that proof when requested, the chief may order 32180  
the suspension of any outstanding permits and operations of the 32181  
owner until the owner provides proof of the required insurance 32182  
coverage. 32183

(B)(1) Except as otherwise provided in this section, an 32184  
owner of any well, before being issued a permit under section 32185

plugging requirements of section 1509.12, the permit provisions 32190  
of section 1509.13 of the Revised Code, and all rules and orders 32191  
of the chief relating thereto, in an amount set by rule of the 32192  
chief. 32193

(2) The owner may deposit with the chief, instead of a 32194  
surety bond, cash in an amount equal to the surety bond as 32195

letters of credit with the chief, the chief shall hold them in 32212  
trust for the purposes for which they have been deposited. 32213

(3) Instead of a surety bond, the chief may accept proof 32214  
of financial responsibility consisting of a sworn financial 32215  
statement showing a net financial worth within this state equal 32216  
to twice the amount of the bond for which it substitutes and, as 32217  
may be required by the chief, a list of producing properties of 32218  
the owner within this state or other evidence showing ability 32219  
and intent to comply with the law and rules concerning 32220  
restoration and plugging that may be required by rule of the 32221  
chief. The owner of an exempt Mississippian well is not required 32222  
to file scheduled updates of the financial documents, but shall 32223  
file updates of those documents if requested to do so by the 32224

chief. The owner of a nonexempt Mississippian well shall file 32225  
updates of the financial documents in accordance with a schedule 32226  
established by rule of the chief. The chief, upon determining 32227

If the order is not complied with, all wells of the owner that 32234  
are specified in the order and for which no bond is filed or 32235  
cash, certificates of deposit, or letters of credit are 32236

unplugged thereafter constitutes a separate offense. 32239

(4) The surety bond provided for in this section shall be 32240  
executed by a surety company authorized to do business in this 32241  
state. 32242

The chief shall not approve any bond until it is 32243  
personally signed and acknowledged by both principal and surety, 32244  
or as to either by the principal's or surety's attorney in fact, 32245  
with a certified copy of the power of attorney attached thereto. 32246

certificate of the superintendent of insurance that the company 32248  
is authorized to transact a fidelity and surety business in this 32249  
state. 32250

All bonds shall be given in a form to be prescribed by the 32251  
chief and shall run to the state as obligee. 32252

Revised Code. 32260

(C) An owner, operator, producer, or other person shall 32261  
not operate a well or produce from a well at any time if the 32262  
owner, operator, producer, or other person has not satisfied the 32263  
requirements established in this section. 32264

**Sec. 1509.071.** (A) When the chief of the division of oil 32265  
and gas resources management finds that an owner has failed to 32266  
comply with a final nonappealable order issued or compliance 32267  
agreement entered into under section 1509.04, the restoration 32268  
requirements of section 1509.072, plugging requirements of 32269  
section 1509.12, or permit provisions of section 1509.13 of the 32270  
Revised Code, or rules and orders relating thereto, the chief 32271  
shall make a finding of that fact and declare any surety bond 32272  
filed to ensure compliance with those sections and rules 32273

bonds as provided in this section shall be deposited in the 32287  
state treasury to the credit of the oil and gas well fund 32288  
created in section 1509.02 of the Revised Code. 32289

~~The director of budget and management, in consultation~~ 32314  
~~with the chief, shall establish an accounting code for purposes~~ 32315  
~~of tracking expenditures made as required under this division.~~ 32316

(C) (1) If a landowner discovers a well on the landowner's 32317  
real property and the landowner is not the owner of the well, 32318  
the landowner may report the existence of the well in writing to 32319  
the chief. 32320

(2) If the chief receives a written report from a 32321  
landowner of the discovery of a well previously unknown to the 32322  
division, the chief shall inspect the well not later than thirty 32323  
days after the date of receipt of the landowner's report. 32324

(3) The chief shall establish a scoring matrix for use in 32325

surfaces at orphaned well sites for purposes of this section. 32327  
The matrix shall include a classification system that 32328  
categorizes orphaned wells as high priority, medium priority, 32329  
and low priority. 32330

(4) The chief shall use the matrix developed under 32331

(d) Publish notice in a newspaper of general circulation 32357  
in the county where the well is located that the well is to be 32358  
plugged or post the notice on the department of natural 32359

(2) If the current address of a person identified in 32361

notice provided by mail to a person under division (D) (1) (b) of 32363  
this section is returned undeliverable, the notice published 32364  
under division (D) (1) (d) of this section constitutes sufficient 32365  
notice to the person. 32366

(3) If none of the persons described in division (D) (1) (a) 32367  
of this section removes equipment from the well within thirty 32368  
days after the mailing of the notice or publication or posting 32369  
of notice described in division (D) (1) (d) of this section, 32370  
whichever is later, all equipment appurtenant to the well is 32371

to locate, analyze, stabilize, design, plug, remediate, or 32406  
restore a well may enter upon any land, public or private, on 32407  
which the well is located, or on adjacent parcels needed for 32408  
access, for the purpose of performing the work. Prior to such 32409  
entry, the chief shall give to the following persons written 32410  
notice of the existence of a contract to locate, analyze, 32411  
stabilize, design, plug, remediate, or restore a well, the names 32412  
of the persons with whom the contract is made, and the date that 32413  
the project will commence: the owner of the well, the owner of 32414  
the land upon which the well is located, the owner of the land 32415

orphaned well under section 1509.151 of the Revised Code. 32424

(2) (a) The owner of the land on which at least one 32425  
orphaned well is located who has received notice under division 32426  
(D) (1) (b) of this section may plug any such orphaned well and be 32427  
reimbursed by the division of oil and gas resources management 32428  
for the reasonable cost of plugging such wells. In order to plug 32429  
the orphaned wells, the landowner shall submit an application to 32430  
the chief on a form prescribed by the chief and approved by the 32431  
technical advisory council on oil and gas created in section 32432  
1509.38 of the Revised Code. The application, at a minimum, 32433

shall require the landowner to provide the same information as 32434  
is required to be included in the application for a permit to 32435  
plug and abandon under section 1509.13 of the Revised Code. 32436

The application shall be accompanied by a copy of a 32437  
proposed contract to plug and abandon the orphaned wells 32438

plugging oil and gas wells. The proposed contract shall require 32440  
the contractor to furnish all of the materials, equipment, work, 32441  
and labor necessary to plug the orphaned wells properly and 32442  
restore the site including the removal of all associated 32443  
equipment and shall specify the price for doing the work. The 32444  
contractor shall be insured. 32445

Expenditures made under division (E) (2) (a) of this section 32446  
shall be consistent with the expenditures for activities 32447  
described in division (E) (1) of this section. In addition, 32448  
expenditures made under division (E) (2) of this section are not 32449  
subject to section 127.16 of the Revised Code. The application 32450  
constitutes an application for a permit to plug the well for the 32451  
purposes of section 1509.13 of the Revised Code ~~and the~~ 32452  
~~applicant is not required to submit the fee otherwise required~~ 32453  
~~under that section.~~ 32454

(b) Within thirty days after receiving an application and 32455  
accompanying proposed contract under division (E) (2) (a) of this 32456  
section, the chief shall determine whether the plugging would 32457  
comply with the applicable requirements of this chapter and 32458  
applicable rules adopted and orders issued under it and whether 32459  
the cost of the plugging under the proposed contract is 32460  
reasonable. If the chief determines that the proposed plugging 32461  
would comply with those requirements and that the proposed cost 32462  
of the plugging is reasonable, the chief shall notify the 32463

landowner of that determination and issue to the landowner a 32464  
permit to plug the well under section 1509.13 of the Revised 32465  
Code. The chief may disapprove an application submitted under 32466  
division (E) (2) (a) of this section if the chief determines that 32467  
the proposed plugging would not comply with the applicable 32468  
requirements of this chapter and applicable rules adopted and 32469  
orders issued under it, that the cost of the plugging under the 32470  
proposed contract is unreasonable, or that the proposed contract 32471  
is not a bona fide, arm's length contract. 32472

(c) After receiving the chief's notice of the approval of 32473  
the application and permit to plug and abandon a well under 32474  
division (E) (2) (b) of this section, the landowner may enter into 32475  
the proposed contract to plug the well. 32476

(d) Upon determining that the plugging has been completed 32477  
in compliance with the applicable requirements of this chapter 32478  
and applicable rules adopted and orders issued under it, the 32479  
chief shall pay the contractor for the cost of the plugging and 32480  
restoration as set forth in the proposed contract approved by 32481  
the chief and changes or costs approved by the chief. The 32482  
payment shall be paid from the oil and gas well fund or the oil 32483  
and gas resolution and remediation fund. The chief shall only 32484  
make payments for purposes of division (E) (2) of this section 32485  
pursuant to a proper invoice as defined under section 125.01 of 32486  
the Revised Code. 32487

(e) If the chief determines that the plugging was not 32488  
completed in accordance with the applicable requirements, the 32489  
chief shall not pay the contractor or landowner for the cost of 32490  
the plugging. 32491

(f) If any equipment was removed from the well during the 32492  
plugging and sold, the chief shall deduct the sale amount of the 32493

equipment from the payment to the contractor. 32494

(g) Changes made to a contract executed under division (E) 32495  
(2) of this section due to unanticipated conditions may be 32496  
presented to the chief in the form of a written request for 32497  
approval of the additional costs prior to completion of the 32498  
work. The chief shall determine if the changes are necessary to 32499  
comply with this chapter and rules adopted and orders issued 32500  
under it and if the cost of the changes are reasonable. The 32501  
chief shall provide to the contractor a written decision 32502  
regarding the proposed changes. If the chief determines that the 32503  
changes are not necessary or that the costs are not reasonable, 32504  
the chief may either deny the request or establish the amount of 32505  
the cost that the chief approves. Work completed prior to 32506  
receipt of written approval from the chief is not eligible for 32507  
payment, unless waived by the chief. 32508

(3) The chief may establish an annual limit on the number 32509  
of wells that may be plugged under division (E) (2) of this 32510  
section or an annual limit on the expenditures to be made under 32511  
that division. The chief may reject an application submitted 32512  
under division (E) (2) of this section if the chief determines 32513  
that the plugging of other wells take priority. 32514

(4) As used in division (E) (2) of this section, "plug" and 32515  
"plugging" include the plugging of the well, replugging of a 32516  
previously plugged orphaned well or a well for which final 32517

of receipt of approval from the oil and gas resources inspector. 32661

(4) A permit holder plugging a well pursuant to division 32662  
(A) (2) (b) of this section shall plug the well immediately after 32663  
determining that the well is a lost hole or dry hole in 32664  
accordance with rules adopted under this chapter. 32665

(B) The application for a permit to plug and abandon shall 32666  
be filed as many days in advance as will be necessary for an oil 32667  
and gas resources inspector or, if the well is located in a coal 32668

bearing township, both a deputy mine inspector and an oil and 32669

an oil and gas resources inspector at least twenty-four hours 32689  
prior to the commencement of the plugging of a well. No well 32690

give written notice at the same time to the owner of the land 32694  
upon which the well is located and to all lessors that receive 32695

notice to the owner or lessee of that mine of the intention to 32699  
abandon the well and of the time when the owner of the well will 32700  
be prepared to commence plugging it. 32701

(D) An applicant may file a request with the chief for 32702  
expedited review of an application for a permit to plug and 32703  
abandon a well. The chief may refuse to accept a request for 32704

request will prevent the issuance, within twenty-one days of 32706  
filing, of permits for which applications filed under section 32707  
1509.06 of the Revised Code are pending. In addition to a 32708

this section ~~and the permit fee prescribed by this section, if~~ 32710  
~~applicable~~, a request for expedited review shall be accompanied 32711  
by a nonrefundable filing fee of five hundred dollars unless the 32712  
chief has ordered the applicant to plug and abandon the well. 32713  
When a request for expedited review is filed, the chief shall 32714  
immediately begin to process the application and shall issue a 32715  
permit within seven days of the filing of the request unless the 32716  
chief, by order, denies the application. 32717

(E) (1) Except as otherwise provided in division (E) (2) of 32718  
this section, any person undertaking the plugging of a well for 32719  
which a permit has been issued under this section shall obtain 32720  
insurance for bodily injury coverage and property damage 32721  
coverage in the amount established under section 1509.07 of the 32722  
Revised Code to pay for damages or injury to property or person, 32723  
including damages caused by the plugging of the well. The person 32724  
shall electronically submit proof of insurance to the chief upon 32725  
the chief's request. 32726

(2) Division (E) (1) of this section does not apply to a 32727  
person already required to maintain an insurance policy under 32728  
section 1509.07 of the Revised Code. 32729

(F) This section does not apply to a well plugged or 32730  
abandoned in compliance with section 1571.05 of the Revised 32731  
Code. 32732

**Sec. 1509.36.** Any person adversely affected by an order by 32733  
the chief of the division of oil and gas resources management 32734  
may appeal to the oil and gas commission for an order vacating 32735  
or modifying the order. 32736

The person so appealing to the commission shall be known 32737  
as appellant and the chief shall be known as appellee. Appellant 32738  
and appellee shall be deemed to be parties to the appeal. 32739

The appeal shall be in writing and shall set forth the 32740  
order complained of and the grounds upon which the appeal is 32741  
based. The appeal shall be filed with the commission within 32742  
thirty days after the date upon which the person to whom the 32743  
order was issued received the order and, for all other persons 32744  
adversely affected by the order, within thirty days after the 32745  
date of the order complained of. Notice of the filing of the 32746  
appeal shall be filed with the chief within three days after the 32747  
appeal is filed with the commission. 32748

Upon the filing of the appeal, the commission may decide 32749  
the appeal, in whole or in part, without a hearing when, in its 32750  
judgment, it is appropriate to do so. If the commission decides 32751  
to hold a hearing, the commission promptly shall fix the time 32752  
and place at which the hearing on the appeal will be held, and 32753  
shall give the appellant and the chief at least ten days' 32754  
written notice thereof by mail. The commission may postpone or 32755

continue any hearing upon its own motion or upon application of 32756  
the appellant or of the chief. 32757

The filing of an appeal provided for in this section does 32758  
not automatically suspend or stay execution of the order 32759  
appealed from, but upon application by the appellant the 32760  
commission may suspend or stay the execution pending 32761  
determination of the appeal upon such terms as the commission 32762  
considers proper. 32763

Either party to the appeal or any interested person who, 32764  
pursuant to commission rules has been granted permission to 32765  
appear, may submit such evidence as the commission considers 32766  
admissible. 32767

For the purpose of conducting a hearing on an appeal, the 32768  
commission may require the attendance of witnesses and the 32769  
production of books, records, and papers, and it may, and at the 32770  
request of any party it shall, issue subpoenas for witnesses or 32771  
subpoenas duces tecum to compel the production of any books, 32772  
records, or papers, directed to the sheriffs of the counties 32773  
where the witnesses are found. The subpoenas shall be served and 32774  
returned in the same manner as subpoenas in criminal cases are 32775  
served and returned. The fees of sheriffs shall be the same as 32776  
those allowed by the court of common pleas in criminal cases. 32777  
Witnesses shall be paid the fees and mileage provided for under 32778  
section 119.094 of the Revised Code. Such fees and mileage 32779  
expenses incurred at the request of appellant shall be paid in 32780  
advance by the appellant, and the remainder of those expenses 32781  
shall be paid out of funds appropriated for the expenses of the 32782  
division of oil and gas resources management. 32783

In case of disobedience or neglect of any subpoena served 32784  
on any person, or the refusal of any witness to testify to any 32785

matter regarding which the witness may be lawfully interrogated, 32786  
the court of common pleas of the county in which the 32787  
disobedience, neglect, or refusal occurs, or any judge thereof, 32788  
on application of the commission or any member thereof, shall 32789  
compel obedience by attachment proceedings for contempt as in 32790  
the case of disobedience of the requirements of a subpoena 32791  
issued from that court or a refusal to testify therein. 32792  
Witnesses at such hearings shall testify under oath, and any 32793  
member of the commission may administer oaths or affirmations to 32794  
persons who so testify. 32795

~~At~~ If a hearing occurs and at the request of any party to 32796  
the appeal, a record of the testimony and other evidence 32797  
submitted shall be taken by an official court reporter at the 32798  
expense of the party making the request for the record. The 32799  
record shall include all of the testimony and other evidence and 32800  
the rulings on the admissibility thereof presented at the 32801  
hearing. The commission shall pass upon the admissibility of 32802  
evidence, but any party may at the time object to the admission 32803  
of any evidence and except to the rulings of the commission 32804  
thereon, and if the commission refuses to admit evidence the 32805  
party offering same may make a proffer thereof, and such proffer 32806  
shall be made a part of the record of the hearing. 32807

~~If upon completion of the hearing~~ the commission finds 32808  
that the order appealed from was lawful and reasonable, it shall 32809  
make a written order affirming the order appealed from; if the 32810  
commission finds that the order was unreasonable or unlawful, it 32811  
shall make a written order vacating the order appealed from and 32812  
making the order that it finds the chief should have made. Every 32813  
order made by the commission shall contain a written finding by 32814  
the commission of the facts upon which the order is based. 32815

Notice of the making of the order shall be given forthwith 32816  
to each party to the appeal by mailing a certified copy thereof 32817  
to each such party by certified mail. 32818

The order of the commission is final unless vacated by the 32819  
court of common pleas of Franklin county in an appeal as 32820  
provided for in section 1509.37 of the Revised Code. Sections 32821  
1509.01 to 1509.37 of the Revised Code, providing for appeals 32822  
relating to orders by the chief or by the commission, or 32823  
relating to rules adopted by the chief, do not constitute the 32824  
exclusive procedure that any person who believes the person's 32825  
rights to be unlawfully affected by those sections or any 32826  
official action taken thereunder must pursue in order to protect 32827  
and preserve those rights, nor do those sections constitute a 32828  
procedure that that person must pursue before that person may 32829  
lawfully appeal to the courts to protect and preserve those 32830  
rights. 32831

**Sec. 1509.38.** (A) There is hereby created in the division 32832

section 1509.075 of the Revised Code, the council shall vote to 32891  
approve or deny that expenditure. The council shall notify the 32892  
director in writing of the approval or denial. 32893

(H) The council, upon receiving a request from the 32894

hunting license. A resident of any other state who owns real 33320  
property in this state, and the spouse and children living with 33321

allows residents of this state owning real property in that 33324  
state, and the spouse and children living with the property 33325  
owner, to hunt without a license. If the owner of land in this 33326  
state is a limited liability company or a limited liability 33327

small game hunting license expiring three days from the 33343  
effective date of the license to a nonresident of the state, the 33344

the small game hunting license or the apprentice nonresident  
hunting license, a wetlands habitat stamp as provided in section  
1533.112 of the Revised Code. A small game hunting license or an

obtained, in addition to the hunting license required by this  
section, a deer or wild turkey permit as provided in section  
1533.11 of the Revised Code or the taking and possessing of  
ducks, geese, or brant without first having obtained, in  
addition to the hunting license required by this section, a  
wetlands habitat stamp as provided in section 1533.112 of the  
Revised Code.

1533.17 of the Revised Code and the penalty for its violation, 33385  
including a description of terms of imprisonment and fines that 33386  
may be imposed. 33387

(2) No hunting license, other than an apprentice hunting 33388

or evidence of it. 33398

(3) No person shall issue a hunting license, except an 33399

license, without presenting to the issuing agent the evidence 33403  
required by this section. Issuance of a hunting license in 33404  
violation of the requirements of this section is an offense by 33405  
both the purchaser of the illegally obtained hunting license and 33406  
the clerk or agent who issued the hunting license. Any hunting 33407  
license issued in violation of this section is void. 33408

imposed, and other law relating to hunting. Authorized personnel 33419  
of the division or volunteer instructors approved by the chief 33420  
shall conduct such courses with such frequency and at such 33421  
locations throughout the state as to reasonably meet the needs 33422  
of license applicants. The chief shall issue a certificate of 33423  
completion to each person who successfully completes the course 33424  
and passes an examination prescribed by the chief. 33425

permit. Except as provided in this section, no person shall hunt 33429

(4) Every person, while hunting deer or wild turkey on 33450

additional rules the chief considers necessary to carry out this 33456  
section and section 1533.10 of the Revised Code. 33457

district was established may be converted under the procedures 33839  
provided in this section into a park district to be operated and 33840  
maintained as provided for in this chapter, provided that there 33841  
is no existing park district created under section 1545.04 of 33842

the Revised Code in the county in which the township park 33843

district named in the resolution. 33870

(C) Upon adoption of the resolution provided for in 33871

division (B) of this section, the board of park commissioners of 33872  
the township park district seeking conversion under this section 33873

qualified to vote at the next primary or general election who 33887  
reside in the territory of the proposed park district. The 33888  
question shall provide for a tax levy if such a levy is 33889  
specified in the resolution. 33890

(D) The ballot submitted to the electors as provided in 33891  
division (C) of this section shall contain the following 33892

be extended, the existing levy shall not be extended on the tax 33974  
list for that last year unless the question of the renewal, 33975  
increase, or decrease is not approved by a majority of electors 33976  
voting on the question, in which case the existing levy shall be 33977  
extended on the tax list for that last year. 33978

Except as otherwise prescribed in division (B) of this 33979

~~auditor, in addition to the information the auditor is required~~ 33998

for the watercraft or outboard motor, the application for a 34400  
certificate of title also shall be accompanied by the 34401  
certificate of title duly assigned unless otherwise provided in 34402  
this chapter. If a certificate of title previously has not been 34403  
issued for the watercraft or outboard motor in this state, the 34404  
application, unless otherwise provided in this chapter, shall be 34405  
accompanied by a manufacturer's or importer's certificate; by a 34406  
sworn statement of ownership if the watercraft or outboard motor 34407  
was purchased by the applicant on or before October 9, 1963, or 34408  
if the watercraft is less than fourteen feet long with a 34409  
permanently affixed mechanical means of propulsion and was 34410  
purchased by the applicant on or before January 1, 2000; or by a 34411  
certificate of title, bill of sale, or other evidence of 34412  
ownership required by the law of another state from which the 34413  
watercraft or outboard motor was brought into this state. 34414  
Evidence of ownership of a watercraft or outboard motor for 34415  
which an Ohio certificate of title previously has not been 34416  
issued and which watercraft or outboard motor does not have 34417  
permanently affixed to it a manufacturer's serial number shall 34418  
be accompanied by the certificate of assignment of a hull 34419  
identification number assigned by the chief as provided in 34420  
section 1548.07 of the Revised Code. 34421

(3) The clerk shall retain the evidence of title presented 34422  
by the applicant and on which the certificate of title is 34423  
issued, except that, if an application for a certificate of 34424  
title is filed electronically, by a vendor on behalf of a 34425  
purchaser of a watercraft or outboard motor, the clerk shall 34426  
retain the completed electronic record to which the vendor 34427  
converted the certificate of title application and other 34428

required documents. The chief, after consultation with the 34429  
attorney general, shall adopt rules that govern the location at 34430  
which, and the manner in which, are stored the actual 34431  
application and all other documents relating to the sale of a 34432  
watercraft or outboard motor when a vendor files the application 34433  
for a certificate of title electronically on behalf of a 34434  
purchaser. 34435

(B) The clerk shall use reasonable diligence in 34436  
ascertaining whether the facts in the application are true by 34437  
checking the application and documents accompanying it or the 34438  
electronic record to which a vendor converted the application 34439  
and accompanying documents with the records of watercraft and 34440  
outboard motors in the clerk's office. If the clerk is satisfied 34441  
that the applicant is the owner of the watercraft or outboard 34442  
motor and that the application is in the proper form, the clerk 34443  
shall issue a physical certificate of title over the clerk's 34444  
signature and sealed with the clerk's seal unless the applicant 34445  
specifically requests the clerk not to issue a physical 34446  
certificate of title and instead to issue an electronic 34447  
certificate of title. However, if the evidence indicates and an 34448  
investigation shows that one or more Ohio titles already exist 34449  
for the watercraft or outboard motor, the chief may cause the 34450  
redundant title or titles to be canceled. 34451

(C) In the case of the sale of a watercraft or outboard 34452  
motor by a vendor to a general purchaser or user, the 34453  
certificate of title shall be obtained in the name of the 34454  
purchaser by the vendor upon application signed by the 34455  
purchaser. In all other cases, the certificate shall be obtained 34456  
by the purchaser. In all cases of transfer of watercraft or 34457  
outboard motors, the application for certificate of title shall 34458  
be filed within thirty days after the later of the date of 34459

purchase or assignment of ownership of the watercraft or 34460  
outboard motor. If the application for certificate of title is 34461  
not filed within thirty days after the later of the date of 34462  
purchase or assignment of ownership of the watercraft or 34463  
outboard motor, the clerk shall charge a late penalty fee of 34464  
five dollars in addition to the fee prescribed by section 34465  
1548.10 of the Revised Code. The clerk shall retain the entire 34466  
amount of each late penalty fee. 34467

(D) The clerk shall refuse to accept an application for 34468  
certificate of title unless the applicant either tenders with 34469  
the application payment of all taxes levied by or pursuant to 34470  
Chapter 5739. or 5741. of the Revised Code based on the 34471  
applicant's county of residence less, in the case of a sale by a 34472  
vendor, any discount to which the vendor is entitled under 34473  
section 5739.12 of the Revised Code, or submits any of the 34474  
following: 34475

(1) A receipt issued by the tax commissioner or a clerk of 34476  
courts showing payment of the tax; 34477

(2) A copy of the unit certificate of exemption completed 34478  
by the purchaser at the time of sale as provided in section 34479  
5739.03 of the Revised Code; 34480

(3) An exemption certificate, in a form prescribed by the 34481  
tax commissioner, that specifies why the purchase is not subject 34482  
to the tax imposed by Chapter 5739. or 5741. of the Revised 34483  
Code. 34484

Payment of the tax shall be in accordance with rules 34485  
issued by the tax commissioner, and the clerk shall issue a 34486  
receipt in the form prescribed by the tax commissioner to any 34487  
applicant who tenders payment of the tax with the application 34488

for the certificate of title. 34489

(E) (1) For receiving and disbursing the taxes paid to the 34490  
clerk by a resident of the clerk's county, the clerk may retain 34491  
a poundage fee of one and one one-hundredth per cent of the 34492  
taxes collected, which shall be paid into the certificate of 34493  
title administration fund created by section 325.33 of the 34494  
Revised Code. The clerk shall not retain a poundage fee from 34495  
payments of taxes by persons who do not reside in the clerk's 34496  
county. 34497

(2) A clerk, however, may retain from the taxes paid to 34498  
the clerk an amount equal to the poundage fees associated with 34499  
certificates of title issued by other clerks of courts of common 34500  
pleas to applicants who reside in the first clerk's county. The 34501  
chief of the division of parks and watercraft, in consultation 34502  
with the tax commissioner and the clerks of the courts of common 34503  
pleas, shall develop a report from the automated title 34504  
processing system that informs each clerk of the amount of the 34505  
poundage fees that the clerk is permitted to retain from those 34506  
taxes because of certificates of title issued by the clerks of 34507  
other counties to applicants who reside in the first clerk's 34508  
county. 34509

(F) In the case of casual sales of watercraft or outboard 34510  
motors that are subject to the tax imposed by Chapter 5739. or 34511  
5741. of the Revised Code, the purchase price for the purpose of 34512  
determining the tax shall be the purchase price on an affidavit 34513  
executed and filed with the clerk by the vendor on a form to be 34514  
prescribed by the chief, which shall be prima-facie evidence of 34515  
the price for the determination of the tax. In addition to the 34516  
information required by section 1548.08 of the Revised Code, 34517  
each certificate of title shall contain in bold lettering the 34518

following notification and statements: "WARNING TO TRANSFEROR 34519  
AND TRANSFEREE (SELLER AND BUYER). You are required by law to 34520  
state the true selling price. A false statement is a violation 34521  
of section 2921.13 of the Revised Code and is punishable by six 34522  
months imprisonment or a fine of up to one thousand dollars, or 34523  
both. All transfers are audited by the department of taxation. 34524  
The seller and buyer must provide any information requested by 34525  
the department of taxation. The buyer may be assessed any 34526  
additional tax found to be due." 34527

(G) Each county clerk of courts shall forward to the ~~tax-~~ 34528  
~~commissioner-registrar~~ of motor vehicles, in a manner prescribed 34529  
by the tax commissioner, all sales and use tax collections 34530  
resulting from sales of titled watercraft and outboard motors 34531  
during a calendar week on or before the Friday following the 34532  
close of that week. If, on any Friday, the offices of the clerk 34533  
of courts or the state are not open for business, the tax shall 34534  
be forwarded to the ~~commissioner-registrar~~ on or before the next 34535  
day on which the offices are open. Every remittance of tax under 34536  
this division shall be accompanied by a remittance report in 34537  
such form as the commissioner, in consultation with the director 34538  
of public safety, prescribes. If the tax due for any week is not 34539  
remitted by a clerk of courts as required under this division, 34540  
the clerk shall forfeit the poundage fees for the sales made 34541  
during that week. The commissioner may require the clerks of 34542  
courts to transmit tax collections and remittance reports 34543  
electronically. 34544

(H) For purposes of a transfer of a certificate of title, 34545  
if the clerk is satisfied that a secured party has discharged a 34546  
lien but has not canceled the lien notation with a clerk, the 34547  
clerk may cancel the lien notation on the automated title 34548  
processing system and notify the clerk of the county of origin. 34549

(I) Every clerk shall have the capability to transact by 34550  
electronic means all procedures and transactions relating to the 34551  
issuance of watercraft or outboard motor certificates of title 34552  
that are described in the Revised Code as being accomplished by 34553  
electronic means. 34554

**Sec. 1701.04.** (A) Any person, singly or jointly with 34555  
others, and without regard to residence, domicile, or state of 34556

forth all of the following: 34559

the corporation is to be located; 34564

(7) A provision eliminating the right of every shareholder 34596

(8) Any additional provision permitted by this chapter. 34598

(C) A written appointment of a statutory agent for the 34599  
purposes set forth in section 1701.07 of the Revised Code shall 34600  
be filed with the articles, unless the corporation belongs to 34601  
one of the classes mentioned in division ~~(O)~~ (N) of that section. 34602

(D) The legal existence of the corporation begins upon the 34603  
filing of the articles or on a later date specified in the 34604  
articles that is not more than ninety days after filing, and, 34605  
unless the articles otherwise provide, its period of existence 34606

shall be perpetual. 34607

**Sec. 1701.07.** (A) Every corporation shall have and 34608  
maintain an agent, sometimes referred to as the "statutory 34609  
agent," upon whom any process, notice, or demand required or 34610  
permitted by statute to be served upon a corporation may be 34611  
served. The agent shall be one of the following: 34612

(1) A natural person who is a resident of this state; 34613

(2) A domestic or foreign corporation, nonprofit 34614  
corporation, limited liability company, partnership, limited 34615

corporation, the agent shall meet the requirements of Title XVII 34620  
of the Revised Code for an entity of the agent's type to 34621  
transact business or exercise privileges in this state. 34622

(B) The secretary of state shall not accept original 34623  
articles for filing unless there is filed with the articles a 34624  
written appointment of an agent that is signed by the 34625  
incorporators of the corporation or a majority of them and a 34626  
written acceptance of the appointment that is signed by the 34627  
agent. In all other cases, the corporation shall appoint the 34628  
agent and shall file in the office of the secretary of state a 34629  
written appointment of the agent that is signed by any 34630  
authorized officer of the corporation and a written acceptance 34631  
of the appointment that is either the original acceptance signed 34632  
by the agent or a photocopy, facsimile, or similar reproduction 34633  
of the original acceptance signed by the agent. 34634

(C) (1) The written appointment of an agent shall set forth 34635

the name and address in this state of the agent, including the 34636  
street and number of the agent's primary residence in this state 34637  
or, if the agent is not a natural person, the agent's usual 34638  
place of business in this state, and shall otherwise be in such 34639  
form as the secretary of state prescribes. The secretary of 34640  
state shall keep a record of the names of corporations, and the 34641  
names and addresses of their respective agents. 34642

(2) As used in division (C)(1) of this section, "usual 34643  
place of business" means a place in this state that is 34644  
customarily open during normal business hours and where an 34645  
individual is generally present who is authorized to perform the 34646  
services of a registered agent, including accepting service of 34647  
process and other notifications for the person serving as a 34648  
statutory agent. "Usual place of business" does not include a 34649  
post office box, regardless of whether that post office box has 34650  
an associated street address. 34651

(D) If any agent dies, removes from the state, or resigns, 34652  
the corporation shall forthwith appoint another agent and file 34653  
with the secretary of state, on a form prescribed by the 34654  
secretary of state, a written appointment of the agent. 34655

(E) If the agent changes the agent's address from that 34656  
appearing upon the record in the office of the secretary of 34657  
state, the corporation or the agent shall forthwith file with 34658  
the secretary of state, on a form prescribed by the secretary of 34659  
state, a written statement setting forth the new address. 34660

(F) An agent may resign by filing with the secretary of 34661  
state, on a form prescribed by the secretary of state, a written 34662  
notice to that effect that is signed by the agent and by sending 34663  
a copy of the notice to the corporation at the current or last 34664  
known address of its principal office on or prior to the date 34665

the notice is filed with the secretary of state. The notice 34666  
shall set forth the name of the corporation, the name and 34667  
current address of the agent, the current or last known address, 34668  
including the street and number or other particular description, 34669

agent, and a statement that a copy of the notice has been sent 34671  
to the corporation within the time and in the manner prescribed 34672  
by this division. Upon the expiration of thirty days after the 34673  
filing, the authority of the agent shall terminate. 34674

(G) A corporation may revoke the appointment of an agent 34675  
by filing with the secretary of state, on a form prescribed by 34676  
the secretary of state, a written appointment of another agent 34677  
and a statement that the appointment of the former agent is 34678  
revoked. 34679

(H) Any process, notice, or demand required or permitted 34680  
by statute to be served upon a corporation may be served upon 34681  
the corporation by delivering a copy of it to its agent, if a 34682  
natural person, or by delivering a copy of it at the address of 34683  
its agent in this state, as the address appears upon the record 34684  
in the office of the secretary of state. If (1) the agent cannot 34685  
be found, or (2) the agent no longer has that address, or (3) 34686  
the corporation has failed to maintain an agent as required by 34687  
this section, and if in any such case the party desiring that 34688  
the process, notice, or demand be served, or the agent or 34689  
representative of the party, shall have filed with the secretary 34690  
of state an affidavit stating that one of the foregoing 34691  
conditions exists and stating the most recent address of the 34692  
corporation that the party after diligent search has been able 34693  
to ascertain, then service of process, notice, or demand upon 34694  
the secretary of state, as the agent of the corporation, may be 34695  
initiated by delivering to the secretary of state or at the 34696

secretary of state's office quadruplicate copies of such 34697  
process, notice, or demand and by paying to the secretary of 34698  
state a fee of five dollars. The secretary of state shall 34699  
forthwith give notice of the delivery to the corporation at its 34700  
principal office as shown upon the record in the secretary of 34701  
state's office and at any different address shown on its last 34702  
franchise tax report filed in this state, or to the corporation 34703  
at any different address set forth in the above mentioned 34704  
affidavit, and shall forward to the corporation at said 34705  
addresses, by certified mail, with request for return receipt, a 34706  
copy of the process, notice, or demand; and thereupon service 34707  
upon the corporation shall be deemed to have been made. 34708

(I) The secretary of state shall keep a record of each 34709  
process, notice, and demand delivered to the secretary of state 34710  
or at the secretary of state's office under this section or any 34711  
other law of this state that authorizes service upon the 34712  
secretary of state, and shall record the time of the delivery 34713  
and the action thereafter with respect thereto. 34714

(J) This section does not limit or affect the right to 34715  
serve any process, notice, or demand upon a corporation in any 34716  
other manner permitted by law. 34717

(K) ~~Every corporation shall state in each annual report~~ 34718  
~~filed by it with the department of taxation the name and address~~ 34719  
~~of its statutory agent.~~ 34720

~~(L)~~ Except when an original appointment of an agent is 34721  
filed with the original articles, a written appointment of an 34722  
agent or a written statement filed by a corporation with the 34723  
secretary of state shall be signed by any authorized officer of 34724  
the corporation or by the incorporators of the corporation or a 34725  
majority of them if no directors have been elected. 34726

~~(M)~~—(L) For filing a written appointment of an agent other 34727  
than one filed with original articles, and for filing a 34728  
statement of change of address of an agent, the secretary of 34729  
state shall charge and collect the fee specified in division (R) 34730  
of section 111.16 of the Revised Code. 34731

~~(N)~~—(M) Upon the failure of a corporation to appoint 34732  
another agent or to file a statement of change of address of an 34733  
agent, the secretary of state shall give notice thereof by 34734  
ordinary or electronic mail to the corporation at the electronic 34735  
mail address provided to the secretary of state, or at the 34736  
address set forth in the notice of resignation or on the last 34737  
franchise tax return filed in this state by the corporation. 34738  
Unless the default is cured within thirty days after the mailing 34739  
by the secretary of state of the notice or within any further 34740  
period of time that the secretary of state grants, upon the 34741  
expiration of that period of time from the date of the mailing, 34742  
the articles of the corporation shall be canceled without 34743  
further notice or action by the secretary of state. The 34744  
secretary of state shall make a notation of the cancellation on 34745  
the secretary of state's records. 34746

A corporation whose articles have been canceled may be 34747  
reinstated by filing, within two years of the cancellation, on a 34748  
form prescribed by the secretary of state, an application for 34749  
reinstatement and the required appointment of agent or required 34750  
statement, and by paying the filing fee specified in division 34751  
(Q) of section 111.16 of the Revised Code. The rights, 34752  
privileges, and franchises of a corporation whose articles have 34753  
been reinstated are subject to section 1701.922 of the Revised 34754  
Code. The secretary of state shall furnish the tax commissioner 34755  
a monthly list of all corporations canceled and reinstated under 34756  
this division. 34757

~~(O)~~—(N) This section does not apply to banks, trust 34758  
companies, insurance companies, or any corporation defined under 34759  
the laws of this state as a public utility for taxation 34760  
purposes. 34761

**Sec. 1703.041.** (A) Every foreign corporation for profit 34762  
that is licensed to transact business in this state, and every 34763  
foreign nonprofit corporation that is licensed to exercise its 34764  
privileges in this state, shall have and maintain an agent, 34765  
sometimes referred to as the "designated agent," upon whom 34766  
process against the corporation may be served within this state. 34767  
The agent shall be one of the following: 34768

corporation, the agent shall meet the requirements of Title XVII 34776  
of the Revised Code for an entity of the agent's type to 34777  
transact business or exercise privileges in this state. 34778

(B) (1) The written appointment of a designated agent shall 34779

The chancellor shall adopt a rule under Chapter 119. of  
the Revised Code establishing fees to pay the cost of reviewing

**Sec. 1901.26.** (A) Subject to division (E) of this section, 35801

costs in a municipal court shall be fixed and taxed as follows: 35802

(1) (a) The municipal court shall require an advance 35803  
deposit for the filing of any new civil action or proceeding 35804  
when required by division (C) of this section, subject to its 35805  
waiver pursuant to that division, and in all other cases, by 35806  
rule, shall establish a schedule of fees and costs to be taxed 35807  
in any civil or criminal action or proceeding. 35808

(b) (i) The legislative authority of a municipal 35809  
corporation may by ordinance establish a schedule of fees to be 35810  
taxed as costs in any civil, criminal, or traffic action or 35811  
proceeding in a municipal court for the performance by officers 35812  
or other employees of the municipal corporation's police 35813  
department or marshal's office of any of the services specified 35814  
in sections 311.17 and 509.15 of the Revised Code. No fee in the 35815  
schedule shall be higher than the fee specified in section 35816  
311.17 of the Revised Code for the performance of the same 35817  
service by the sheriff. If a fee established in the schedule 35818  
conflicts with a fee for the same service established in another 35819  
section of the Revised Code or a rule of court, the fee 35820  
established in the other section of the Revised Code or the rule 35821  
of court shall apply. 35822

(ii) When an officer or employee of a municipal police 35823  
department or marshal's office performs in a civil, criminal, or 35824  
traffic action or proceeding in a municipal court a service 35825  
specified in section 311.17 or 509.15 of the Revised Code for 35826  
which a taxable fee has been established under this or any other 35827  
section of the Revised Code, the applicable legal fees and any 35828  
other extraordinary expenses, including overtime, provided for 35829  
the service shall be taxed as costs in the case. The clerk of 35830  
the court shall pay those legal fees and other expenses, when 35831

collected, into the general fund of the municipal corporation 35832  
that employs the officer or employee. 35833

(iii) If a bailiff of a municipal court performs in a 35834  
civil, criminal, or traffic action or proceeding in that court a 35835  
service specified in section 311.17 or 509.15 of the Revised 35836  
Code for which a taxable fee has been established under this 35837  
section or any other section of the Revised Code, the fee for 35838  
the service is the same and is taxable to the same extent as if 35839  
the service had been performed by an officer or employee of the 35840  
police department or marshal's office of the municipal 35841  
corporation in which the court is located. The clerk of that 35842  
court shall pay the fee, when collected, into the general fund 35843  
of the entity or entities that fund the bailiff's salary, in the 35844  
same prorated amount as the salary is funded. 35845

(iv) Division (A) (1) (b) of this section does not authorize 35846  
or require any officer or employee of a police department or 35847  
marshal's office of a municipal corporation or any bailiff of a 35848  
municipal court to perform any service not otherwise authorized 35849  
by law. 35850

(2) The municipal court, by rule, may require an advance 35851  
deposit for the filing of any civil action or proceeding and 35852  
publication fees as provided in section 2701.09 of the Revised 35853  
Code. The court shall waive the requirement for advance deposit 35854  
for a party that the court determines qualifies as an indigent 35855  
litigant as set forth in section 2323.311 of the Revised Code. 35856

(3) When a jury trial is demanded in any civil action or 35857  
proceeding, the party making the demand may be required to make 35858  
an advance deposit as fixed by rule of court, unless the court 35859  
determines that the party qualifies as an indigent litigant as 35860  
set forth in section 2323.311 of the Revised Code. If a jury is 35861

called, the fees of a jury shall be taxed as costs. 35862

(4) In any civil or criminal action or proceeding, each 35863  
witness shall receive twelve dollars for each full day's 35864  
attendance and six dollars for each half day's attendance. Each 35865  
witness in a municipal court that is not a county-operated 35866  
municipal court also shall receive fifty and one-half cents for 35867  
each mile necessarily traveled to and from the witness's place 35868  
of residence to the action or proceeding. 35869

(5) A reasonable charge for driving, towing, carting, 35870  
storing, keeping, and preserving motor vehicles and other 35871  
personal property recovered or seized in any proceeding may be 35872  
taxed as part of the costs in a trial of the cause, in an amount 35873  
that shall be fixed by rule of court. 35874

(6) Chattel property seized under any writ or process 35875  
issued by the court shall be preserved pending final disposition 35876  
for the benefit of all persons interested and may be placed in 35877  
storage when necessary or proper for that preservation. The 35878  
custodian of any chattel property so stored shall not be 35879  
required to part with the possession of the property until a 35880  
reasonable charge, to be fixed by the court, is paid. 35881

(7) The municipal court, as it determines, may refund all 35882  
deposits and advance payments of fees and costs, including those 35883  
for jurors and summoning jurors, when they have been paid by the 35884  
losing party. 35885

(8) Charges for the publication of legal notices required 35886  
by statute or order of court may be taxed as part of the costs, 35887  
as provided by section 7.13 of the Revised Code. 35888

(B) (1) (a) The municipal court may determine that, for the 35889  
efficient operation of the court, additional funds are necessary 35890

to acquire and pay for special projects of the court including, 35891  
but not limited to, the acquisition of additional facilities or 35892  
the rehabilitation of existing facilities, the acquisition of 35893  
equipment, the hiring and training of staff, community service 35894  
programs, mediation or dispute resolution services, the 35895  
employment of magistrates, the training and education of judges, 35896  
acting judges, and magistrates, and other related services. Upon 35897  
that determination, the court by rule may charge a fee, in 35898  
addition to all other court costs, on the filing of each 35899  
criminal cause, civil action or proceeding, or judgment by 35900  
confession. Fees collected by a court for special projects of 35901  
the court under this division shall not be used for training or 35902  
education that takes place outside of the state. 35903

(b) If the municipal court offers a special program or 35904  
service in cases of a specific type, the municipal court by rule 35905  
may assess an additional charge in a case of that type, over and 35906  
above court costs, to cover the special program or service. The 35907  
municipal court shall adjust the special assessment 35908  
periodically, but not retroactively, so that the amount assessed 35909  
in those cases does not exceed the actual cost of providing the 35910  
service or program. 35911

(c) Any fee or charge assessed under division (B) (1) (a) or 35912  
(b) of this section on the filing of a civil action or 35913  
proceeding shall be waived if the court determines that the 35914  
person on whom the fee or charge is assessed qualifies as an 35915  
indigent litigant as set forth in section 2323.311 of the 35916  
Revised Code. 35917

(d) All moneys collected under division (B) of this 35918  
section shall be paid to the county treasurer if the court is a 35919  
county-operated municipal court or to the city treasurer if the 35920

court is not a county-operated municipal court for deposit into 35921  
either a general special projects fund or a fund established for 35922  
a specific special project. Moneys from a fund of that nature 35923  
shall be disbursed upon an order of the court in an amount no 35924  
greater than the actual cost to the court of a project. If a 35925  
specific fund is terminated because of the discontinuance of a 35926  
program or service established under division (B) of this 35927  
section, the municipal court may order that moneys remaining in 35928  
the fund be transferred to an account established under this 35929  
division for a similar purpose. 35930

(2) As used in division (B) of this section: 35931

(a) "Criminal cause" means a charge alleging the violation 35932  
of a statute or ordinance, or subsection of a statute or 35933  
ordinance, that requires a separate finding of fact or a 35934  
separate plea before disposition and of which the defendant may 35935  
be found guilty, whether filed as part of a multiple charge on a 35936  
single summons, citation, or complaint or as a separate charge 35937  
on a single summons, citation, or complaint. "Criminal cause" 35938  
does not include separate violations of the same statute or 35939  
ordinance, or subsection of the same statute or ordinance, 35940  
unless each charge is filed on a separate summons, citation, or 35941  
complaint. 35942

(b) "Civil action or proceeding" means any civil 35943  
litigation that must be determined by judgment entry. 35944

(C) The municipal court shall collect in all its divisions 35945  
except the small claims division the sum of twenty-six dollars 35946  
as additional filing fees in each new civil action or proceeding 35947  
for the charitable public purpose of providing financial 35948  
assistance to legal aid societies that operate within the state 35949  
and to support the office of the state public defender. The 35950

municipal court shall collect in its small claims division the 35951  
sum of eleven dollars as additional filing fees in each new 35952  
civil action or proceeding for the charitable public purpose of 35953  
providing financial assistance to legal aid societies that 35954  
operate within the state and to support the office of the state 35955  
public defender. This division does not apply to any execution 35956  
on a judgment, proceeding in aid of execution, or other post- 35957  
judgment proceeding arising out of a civil action. The filing 35958  
fees required to be collected under this division shall be in 35959  
addition to any other court costs imposed in the action or 35960  
proceeding and shall be collected at the time of the filing of 35961  
the action or proceeding. The court shall not waive the payment 35962  
of the additional filing fees in a new civil action or 35963  
proceeding unless the court waives the advanced payment of all 35964  
filing fees in the action or proceeding for the party that the 35965

but not retroactively, so that the amount assessed in those 36662  
cases does not exceed the actual cost of providing the service 36663

either a general special projects fund or a fund established for 36673  
a specific special project. Moneys from a fund of that nature 36674

specific fund is terminated because of the discontinuance of a 36677  
program or service established under division (B) of this 36678  
section, the county court may order that moneys remaining in the 36679

be found guilty, whether filed as part of a multiple charge on a 36687

civil action or proceeding for the charitable public purpose of 36705

providing financial assistance to legal aid societies that 36706  
operate within the state and to support the office of the state 36707  
public defender. This division does not apply to any execution 36708  
on a judgment, proceeding in aid of execution, or other post- 36709  
judgment proceeding arising out of a civil action. The filing 36710  
fees required to be collected under this division shall be in 36711  
addition to any other court costs imposed in the action or 36712  
proceeding and shall be collected at the time of the filing of 36713  
the action or proceeding. The court shall not waive the payment 36714  
of the additional filing fees in a new civil action or 36715  
proceeding unless the court waives the advanced payment of all 36716  
filing fees in the action or proceeding for the party that the 36717  
court determines is qualified as an indigent litigant as set 36718  
forth in section 2323.311 of the Revised Code. All such moneys 36719  
collected during a month except for an amount equal to up to one 36720  
per cent of those moneys retained to cover administrative costs 36721  
shall be transmitted on or before the twentieth day of the 36722  
following month by the clerk of the court to the treasurer of 36723  
state in a manner prescribed by the treasurer of state or by the 36724  
Ohio access to justice foundation. The treasurer of state shall 36725  
deposit four per cent of the funds collected under this division 36726  
to the credit of the civil case filing fee fund established 36727  
under section 120.07 of the Revised Code and ninety-six per cent 36728  
of the funds collected under this division to the credit of the 36729  
legal aid fund established under section 120.52 of the Revised 36730  
Code. 36731

The court may retain up to one per cent of the moneys it 36732  
collects under this division to cover administrative costs, 36733  
including the hiring of any additional personnel necessary to 36734  
implement this division. If the court fails to transmit to the 36735  
treasurer of state the moneys the court collects under this 36736

division in a manner prescribed by the treasurer of state or by 36737  
the Ohio access to justice foundation, the court shall forfeit 36738  
the moneys the court retains under this division to cover 36739  
administrative costs, including the hiring of any additional 36740  
personnel necessary to implement this division, and shall 36741  
transmit to the treasurer of state all moneys collected under 36742  
this division, including the forfeited amount retained for 36743  
administrative costs, for deposit in the legal aid fund. 36744

(D) The county court shall establish by rule a schedule of 36745  
fees for miscellaneous services performed by the county court or 36746  
any of its judges in accordance with law. If judges of the court 36747  
of common pleas perform similar services, the fees prescribed in 36748  
the schedule shall not exceed the fees for those services 36749  
prescribed by the court of common pleas. 36750

(E) Under the circumstances described in sections 2969.21 36751  
to 2969.27 of the Revised Code, the clerk of the county court 36752  
shall charge the fees and perform the other duties specified in 36753  
those sections. 36754

**Sec. 2101.11.** ~~(A)(1)~~ (A)(1)(a) The probate judge shall have 36755  
the care and custody of the files, papers, books, and records 36756  
belonging to the probate court. The probate judge is authorized 36757  
to perform the duties of clerk of the judge's court. The probate 36758  
judge may appoint deputy clerks, court reporters, a bailiff, and 36759  
any other necessary employees, each of whom shall take an oath 36760  
of office before entering upon the duties of the employee's 36761  
appointment and, when so qualified, may perform the duties 36762  
appertaining to the office of clerk of the court. 36763

(b) Not later than eighteen months after the effective 36764  
date of this amendment, the general docket of the probate court 36765  
shall be available online on the clerk of court's web site for 36766

remote access and printing by the public of the information in 36767  
that docket, including all individual documents in each case 36768  
file, pertaining to probate cases filed on or after the 36769  
effective date of this amendment. Nothing in this division shall 36770  
be construed as making available online any of the following: 36771

(i) Internal documents such as notes, electronic mails, 36772  
drafts, recommendations, advice, or research of judicial 36773  
officers and court staff; 36774

(ii) Any document or any information in a case file the 36775  
public access to which the court has ordered restricted under 36776  
the Rules of Superintendence for the Courts of Ohio. 36777

(2) (a) The probate judge shall provide for one or more 36778  
probate court investigators to perform the duties that are 36779  
established for a probate court investigator by the Revised Code 36780  
or the probate judge. The probate judge may provide for an 36781  
investigator in any of the following manners, as the court 36782  
determines is appropriate: 36783

(i) By appointing a person as a full-time or part-time 36784  
employee of the probate court to serve as investigator, or by 36785  
designating a current full-time or part-time employee of the 36786  
probate court to serve as investigator; 36787

(ii) By contracting with a person to serve and be 36788  
compensated as investigator only when needed by the probate 36789  
court, as determined by the court, and by designating that 36790  
person as a probate court investigator during the times when the 36791  
person is performing the duties of an investigator for the 36792  
court; 36793

(iii) By entering into an agreement with another 36794  
department or agency of the county, including, but not limited 36795

to, the sheriff's department or the county department of job and 36796  
family services, pursuant to which an employee of the other 36797  
department or agency will serve and perform the duties of 36798  
investigator for the court, upon request of the probate judge, 36799  
and designating that employee as a probate court investigator 36800  
during the times when the person is performing the duties of an 36801  
investigator for the court. 36802

(b) Each person appointed or otherwise designated as a 36803  
probate court investigator shall take an oath of office before 36804  
entering upon the duties of the person's appointment. When so 36805  
qualified, an investigator may perform the duties that are 36806  
established for a probate court investigator by the Revised Code 36807  
or the probate judge. 36808

(c) Except as otherwise provided in this division, a 36809  
probate court investigator shall hold at least a bachelor's 36810  
degree in social work, psychology, education, special education, 36811  
or a related human services field. A probate judge may waive the 36812  
education requirement of this division for a person the judge 36813  
appoints or otherwise designates as a probate court investigator 36814  
if the judge determines that the person has experience in family 36815  
services work that is equivalent to the required education. 36816

(d) Within one year after appointment or designation, a 36817  
probate court investigator shall attend an orientation course of 36818  
at least six hours, and each calendar year after the calendar 36819  
year of appointment or designation, a probate court investigator 36820  
shall satisfactorily complete at least six hours of continuing 36821  
education. 36822

(e) For purposes of divisions (A) (4), (B), and (C) of this 36823  
section, a person designated as a probate court investigator 36824  
under division (A) (2) (a) (ii) or (iii) of this section shall be 36825

considered an appointee of the probate court at any time that 36826  
the person is performing the duties established under the 36827  
Revised Code or by the probate judge for a probate court 36828  
investigator. 36829

(3) (a) The probate judge may provide for one or more 36830  
persons to perform the duties of an assessor under sections 36831  
3107.031, 3107.032, 3107.082, 3107.09, 3107.101, and 3107.12 of 36832  
the Revised Code or may enter into agreements with public 36833  
children services agencies, private child placing agencies, or 36834  
private noncustodial agencies under which the agency provides 36835  
for one or more persons to perform the duties of an assessor. A 36836  
probate judge who provides for an assessor shall do so in either 36837  
of the following manners, as the judge considers appropriate: 36838

(i) By appointing a person as a full-time or part-time 36839  
employee of the probate court to serve as assessor, or by 36840  
designating a current full-time or part-time employee of the 36841  
probate court to serve as assessor; 36842

(ii) By contracting with a person to serve and be 36843  
compensated as assessor only when needed by the probate court, 36844  
as determined by the court, and by designating that person as an 36845  
assessor during the times when the person is performing the 36846  
duties of an assessor for the court. 36847

(b) Each person appointed or designated as a probate court 36848  
assessor shall take an oath of office before entering on the 36849  
duties of the person's appointment. 36850

(c) A probate court assessor must meet the qualifications 36851  
for an assessor established by section 3107.014 of the Revised 36852  
Code. 36853

(d) A probate court assessor shall perform additional 36854

duties, including duties of an investigator under division (A) 36855  
(2) of this section, when the probate judge assigns additional 36856  
duties to the assessor. 36857

(e) For purposes of divisions (A) (4), (B), and (C) of this 36858  
section, a person designated as a probate court assessor shall 36859  
be considered an appointee of the probate court at any time that 36860  
the person is performing assessor duties. 36861

(4) Each appointee of the probate judge may administer 36862  
oaths in all cases when necessary, in the discharge of official 36863  
duties. 36864

(B) (1) (a) Subject to the appropriation made by the board 36865  
of county commissioners pursuant to this division, each 36866  
appointee of a probate judge under division (A) of this section 36867  
shall receive such compensation and expenses as the judge 36868  
determines and shall serve during the pleasure of the judge. The 36869  
compensation of each appointee shall be paid in semimonthly 36870  
installments by the county treasurer from the county treasury, 36871  
upon the warrants of the county auditor, certified to by the 36872  
judge. 36873

(b) Except as otherwise provided in the Revised Code, the 36874  
total compensation paid to all appointees of the probate judge 36875  
in any calendar year shall not exceed the total fees earned by 36876  
the probate court during the preceding calendar year, unless the 36877  
board of county commissioners approves otherwise. 36878

(2) The probate judge annually shall submit a written 36879  
request for an appropriation to the board of county 36880  
commissioners that shall set forth estimated administrative 36881  
expenses of the court, including the salaries of appointees as 36882  
determined by the judge and any other costs, fees, and expenses, 36883

including, but not limited to, those enumerated in section 36884  
5123.96 of the Revised Code, that the judge considers reasonably 36885  
necessary for the operation of the court. The board shall 36886  
conduct a public hearing with respect to the written request 36887  
submitted by the judge and shall appropriate such sum of money 36888  
each year as it determines, after conducting the public hearing 36889  
and considering the written request of the judge, is reasonably 36890  
necessary to meet all the administrative expenses of the court, 36891  
including the salaries of appointees as determined by the judge 36892  
and any other costs, fees, and expenses, including, but not 36893  
limited to, the costs, fees, and expenses enumerated in section 36894  
5123.96 of the Revised Code. 36895

If the judge considers the appropriation made by the board 36896  
pursuant to this division insufficient to meet all the 36897  
administrative expenses of the court, the judge shall commence 36898  
an action under Chapter 2731. of the Revised Code in the court 36899  
of appeals for the judicial district for a determination of the 36900  
duty of the board of county commissioners to appropriate the 36901  
amount of money in dispute. The court of appeals shall give 36902  
priority to the action filed by the probate judge over all cases 36903  
pending on its docket. The burden shall be on the probate judge 36904  
to prove that the appropriation requested is reasonably 36905  
necessary to meet all administrative expenses of the court. If, 36906  
prior to the filing of an action under Chapter 2731. of the 36907  
Revised Code or during the pendency of the action, the judge 36908  
exercises the judge's contempt power in order to obtain the sum 36909  
of money in dispute, the judge shall not order the imprisonment 36910  
of any member of the board of county commissioners 36911  
notwithstanding sections 2705.02 to 2705.06 of the Revised Code. 36912

(C) The probate judge may require any of the judge's 36913  
appointees to give bond in the sum of not less than one thousand 36914

dollars, conditioned for the honest and faithful performance of 36915  
the appointee's duties. The sureties on the bonds shall be 36916  
approved in the manner provided in section 2101.03 of the 36917  
Revised Code. 36918

The judge shall not be personally liable for the default, 36919  
malfeasance, or nonfeasance of any appointee. 36920

All bonds required to be given in the probate court, on 36921  
being accepted and approved by the probate judge, shall be filed 36922  
in the judge's office. 36923

**Sec. 2101.16.** (A) Except as provided in section 2101.164 36924  
of the Revised Code, the fees enumerated in this division shall 36925  
be charged and collected, if possible, by the probate judge and 36926  
shall be in full for all services rendered in the respective 36927  
proceedings: 36928

applicable, to have occurred or of the threat of injury, abuse, 37603

with respect to such siblings or other children. The results of 37641

concerning the possible abuse or neglect of a child or the 37658  
possible threat of abuse or neglect of a child. 37659

(c) Unless an arrest is made at the time of the report 37676  
that results in the appropriate law enforcement agency being 37677  
contacted concerning the possible abuse or neglect of a child or 37678  
the possible threat of abuse or neglect of a child, and in 37679  
accordance with requirements specified under division (B) (6) of 37680

children services agency, unless, in the judgment of the 37692  
officer, and, if the report was made by a physician or advanced 37693  
practice registered nurse, the physician or nurse, immediate 37694  
removal is considered essential to protect the child from 37695  
further abuse or neglect. The agency that must be consulted 37696  
shall be the agency conducting the investigation of the report 37697  
as determined pursuant to section 2151.422 of the Revised Code. 37698

(G) (1) Except as provided in section 2151.422 of the 37699  
Revised Code or in an interagency agreement entered into under 37700  
section 2151.428 of the Revised Code that applies to the 37701  
particular report, the public children services agency shall 37702  
investigate, within twenty-four hours, each report of child 37703  
abuse or child neglect that is known or reasonably suspected or 37704  
believed to have occurred and of a threat of child abuse or 37705  
child neglect that is known or reasonably suspected or believed 37706  
to exist that is referred to it under this section to determine 37707  
the circumstances surrounding the injuries, abuse, or neglect or 37708  
the threat of injury, abuse, or neglect, the cause of the 37709  
injuries, abuse, neglect, or threat, and the person or persons 37710  
responsible. The investigation shall be made in cooperation with 37711  
the law enforcement agency and in accordance with the memorandum 37712  
of understanding prepared under sections 2151.4220 to 2151.4234 37713

services agency shall, at the time of initial contact with the 37715  
person subject to the investigation, inform the person of the 37716  
specific complaints or allegations made against the person. The 37717  
information shall be given in a manner that is consistent with 37718  
division (I)(1) of this section and protects the rights of the 37719  
person making the report under this section. 37720

A failure to make the investigation in accordance with the 37721  
memorandum is not grounds for, and shall not result in, the 37722  
dismissal of any charges or complaint arising from the report or 37723  
the suppression of any evidence obtained as a result of the 37724  
report and does not give, and shall not be construed as giving, 37725  
any rights or any grounds for appeal or post-conviction relief 37726  
to any person. The public children services agency shall report 37727  
each case to the uniform statewide automated child welfare 37728

determination, may include such a computerization fee in the 38495  
schedule of fees and costs. 38496

(2) Subject to division (B)(3) of this section, all moneys 38497

to the county treasurer to be disbursed, subject to an 38499  
appropriation made by the board of county commissioners, in an 38500  
amount no greater than the actual cost to the court of procuring 38501  
and maintaining technology and computer systems for the office 38502  
of the clerk of the court of common pleas. 38503

(3) If the court or the clerk of the court of common pleas 38504  
of a county makes the determination described in division (B)(1) 38505  
(a) of this section, the board of county commissioners of that 38506  
county may issue one or more general obligation bonds for the 38507  
purpose of procuring and maintaining the technology and computer 38508  
systems for the office of the clerk of the court of common 38509  
pleas. In addition to the purposes stated in division (B)(1)(a) 38510  
of this section for which the moneys collected under that 38511  
division may be expended, the moneys additionally may be 38512

expended to pay debt charges on and financing costs related to 38513

of this section as they become due. General obligation bonds 38515  
issued pursuant to division (B) (3) of this section are Chapter 38516

(C) The court of common pleas shall collect the sum of 38518  
twenty-six dollars as additional filing fees in each new civil 38519  
action or proceeding for the charitable public purpose of 38520  
providing financial assistance to legal aid societies that 38521  
operate within the state and to support the office of the state 38522  
public defender. This division does not apply to a juvenile 38523  
division of a court of common pleas, except that an additional 38524  
filing fee of fifteen dollars shall apply to custody, 38525  
visitation, and parentage actions; to a probate division of a 38526  
court of common pleas, except that the additional filing fees 38527  
shall apply to name change, guardianship, adoption, and 38528

addition to any other filing fees imposed in the action or 38533  
proceeding and shall be collected at the time of the filing of 38534  
the action or proceeding. The court shall not waive the payment 38535  
of the additional filing fees in a new civil action or 38536  
proceeding unless the court waives the advanced payment of all 38537  
filing fees in the action or proceeding. All such moneys 38538  
collected during a month except for an amount equal to up to one 38539  
per cent of those moneys retained to cover administrative costs 38540  
shall be transmitted on or before the twentieth day of the 38541  
following month by the clerk of the court to the treasurer of 38542  
state in a manner prescribed by the treasurer of state or by the 38543

Ohio access to justice foundation. The treasurer of state shall 38544  
deposit four per cent of the funds collected under this division 38545  
to the credit of the civil case filing fee fund established 38546  
under section 120.07 of the Revised Code and ninety-six per cent 38547  
of the funds collected under this division to the credit of the 38548  
legal aid fund established under section 120.52 of the Revised 38549  
Code. 38550

The court may retain up to one per cent of the moneys it 38551  
collects under this division to cover administrative costs, 38552  
including the hiring of any additional personnel necessary to 38553  
implement this division. If the court fails to transmit to the 38554  
treasurer of state the moneys the court collects under this 38555  
division in a manner prescribed by the treasurer of state or by 38556  
the Ohio access to justice foundation, the court shall forfeit 38557  
the moneys the court retains under this division to cover 38558  
administrative costs, including the hiring of any additional 38559  
personnel necessary to implement this division, and shall 38560  
transmit to the treasurer of state all moneys collected under 38561  
this division, including the forfeited amount retained for 38562  
administrative costs, for deposit in the legal aid fund. 38563

(D) On and after the thirtieth day after December 9, 1994, 38564  
the court of common pleas shall collect the sum of thirty-two 38565  
dollars as additional filing fees in each new action or 38566  
proceeding for annulment, divorce, or dissolution of marriage 38567  
for the purpose of funding shelters for victims of domestic 38568  
violence pursuant to sections 3113.35 to 3113.39 of the Revised 38569  
Code. The filing fees required to be collected under this 38570  
division shall be in addition to any other filing fees imposed 38571  
in the action or proceeding and shall be collected at the time 38572  
of the filing of the action or proceeding. The court shall not 38573  
waive the payment of the additional filing fees in a new action 38574

or proceeding for annulment, divorce, or dissolution of marriage 38575  
unless the court waives the advanced payment of all filing fees 38576  
in the action or proceeding. On or before the twentieth day of 38577  
each month, all moneys collected during the immediately 38578  
preceding month pursuant to this division shall be deposited by 38579  
the clerk of the court into the county treasury in the special 38580  
fund used for deposit of additional marriage license fees as 38581  
described in section 3113.34 of the Revised Code. Upon their 38582  
deposit into the fund, the moneys shall be retained in the fund 38583  
and expended only as described in section 3113.34 of the Revised 38584  
Code. 38585

(E) (1) The court of common pleas may determine that, for 38586  
the efficient operation of the court, additional funds are 38587  
necessary to acquire and pay for special projects of the court, 38588  
including, but not limited to, the acquisition of additional 38589  
facilities or the rehabilitation of existing facilities, the 38590  
acquisition of equipment, the hiring and training of staff, 38591  
community service programs, mediation or dispute resolution 38592  
services, the employment of magistrates, the training and 38593  
education of judges, acting judges, and magistrates, and other 38594  
related services. Upon that determination, the court by rule may 38595  
charge a fee, in addition to all other court costs, on the 38596  
filing of each criminal cause, civil action or proceeding, or 38597  
judgment by confession. Fees collected by a court for special 38598  
projects of the court under this division shall not be used for 38599  
training or education that takes place outside of the state. 38600

If the court of common pleas offers or requires a special 38601  
program or additional services in cases of a specific type, the 38602  
court by rule may assess an additional charge in a case of that 38603  
type, over and above court costs, to cover the special program 38604  
or service. The court shall adjust the special assessment 38605

periodically, but not retroactively, so that the amount assessed 38606  
in those cases does not exceed the actual cost of providing the 38607  
service or program. 38608

All moneys collected under division (E) of this section 38609  
shall be paid to the county treasurer for deposit into either a 38610  
general special projects fund or a fund established for a 38611  
specific special project. Moneys from a fund of that nature 38612  
shall be disbursed upon an order of the court, subject to an 38613  
appropriation by the board of county commissioners, in an amount 38614  
no greater than the actual cost to the court of a project. If a 38615  
specific fund is terminated because of the discontinuance of a 38616  
program or service established under division (E) of this 38617  
section, the court may order, subject to an appropriation by the 38618  
board of county commissioners, that moneys remaining in the fund 38619  
be transferred to an account established under this division for 38620  
a similar purpose. 38621

(2) As used in division (E) of this section: 38622

(a) "Criminal cause" means a charge alleging the violation 38623  
of a statute or ordinance, or subsection of a statute or 38624

be found guilty, whether filed as part of a multiple charge on a 38627  
single summons, citation, or complaint or as a separate charge 38628  
on a single summons, citation, or complaint. "Criminal cause" 38629  
does not include separate violations of the same statute or 38630  
ordinance, or subsection of the same statute or ordinance, 38631

complaint. 38633

(b) "Civil action or proceeding" means any civil 38634

performance of official duties the clerk shall be under the 38639  
direction of the court. The clerk shall not restrict, prohibit, 38640  
or otherwise modify the rights of parties to seek service on 38641  
party defendants allowed by the Rules of Civil Procedure, either 38642  
singularly or concurrently. 38643

In furtherance of the performance of the duties enjoined 38644  
upon the clerk by statute, common law, and the Rules of 38645  
Superintendence for the Courts of Ohio, the clerk of the court 38646  
of common pleas shall be responsible for determining the best 38647  
means and methods for storing, maintaining, and retrieving all 38648  
papers delivered to the clerk, whether delivered in writing or 38649  
in electronic form, in compliance with Rule 26 of the Rules of 38650  
Superintendence for the Courts of Ohio. Once determined by the 38651  
clerk of court of common pleas, the clerk shall be responsible 38652  
for implementing the means and methods for storage, maintenance, 38653  
and retrieval. 38654

magistrates, the training and education of judges, acting 39040  
judges, and magistrates, community service programs, and other 39041  
related services. Upon that determination, the court by rule may 39042  
charge a fee, in addition to all other court costs, on the 39043

education that takes place outside of the state. 39047

If the court of appeals offers a special program or 39048  
service in cases of a specific type, the court by rule may 39049  
assess an additional charge in a case of that type, over and 39050  
above court costs, to cover the special program or service. The 39051  
court shall adjust the special assessment periodically, but not 39052  
retroactively, so that the amount assessed in those cases does 39053  
not exceed the actual cost of providing the service or program. 39054

All moneys collected under division (B) of this section 39055  
shall be paid to the county treasurer of the county selected as 39056  
the principal seat of that court of appeals for deposit into 39057  
either a general special projects fund or a fund established for 39058  
a specific special project. Moneys from a fund of that nature 39059  
shall be disbursed upon an order of the court in an amount no 39060  
greater than the actual cost to the court of a project. If a 39061  
specific fund is terminated because of the discontinuance of a 39062  
program or service established under division (B) of this 39063  
section, the court may order that moneys remaining in the fund 39064  
be transferred to an account established under this division for 39065  
a similar purpose. 39066

**Sec. 2743.03.** (A) (1) There is hereby created a court of 39067  
claims. Except as provided under section 107.43 of the Revised 39068  
Code, the court of claims is a court of record and has 39069  
exclusive, original jurisdiction of all civil actions against 39070  
the state permitted by the waiver of immunity contained in 39071  
section 2743.02 of the Revised Code and exclusive jurisdiction 39072  
of the causes of action of all parties in civil actions that are 39073  
removed to the court of claims. The court shall have full equity 39074

powers in all actions within its jurisdiction and may entertain 39075  
and determine all counterclaims, cross-claims, and third-party 39076  
claims. 39077

(2) If the claimant in a civil action as described in 39078  
division (A)(1) of this section also files a claim for a 39079  
declaratory judgment, injunctive relief, or other equitable 39080  
relief against the state that arises out of the same 39081  
circumstances that gave rise to the civil action described in 39082  
division (A)(1) of this section, the court of claims has 39083  
exclusive, original jurisdiction to hear and determine that 39084  
claim in that civil action. This division does not affect, and 39085  
shall not be construed as affecting, the original jurisdiction 39086  
of another court of this state to hear and determine a civil 39087  
action in which the sole relief that the claimant seeks against 39088  
the state is a declaratory judgment, injunctive relief, or other 39089  
equitable relief. 39090

(3) In addition to its exclusive, original jurisdiction as 39091  
conferred by divisions (A)(1) and (2) of this section, the court 39092  
of claims has exclusive, original jurisdiction as follows: 39093

(a) As described in division (F) of section 2743.02, 39094  
division (B) of section 3335.03, and division (C) of section 39095  
5903.02 of the Revised Code; 39096

(b) Under section 2743.75 of the Revised Code to hear 39097  
complaints alleging a denial of access to public records in 39098  
violation of division (B) of section 149.43 of the Revised Code, 39099  
regardless of whether the public office or person responsible 39100  
for public records is an office or employee of the state or of a 39101  
political subdivision; 39102

(c) Under section 118.29 of the Revised Code to appoint a 39103

receiver. 39104

(B) The court of claims shall sit in Franklin county, its 39105  
hearings shall be public, and it shall consist of incumbent 39106  
justices or judges of the supreme court, courts of appeals, or 39107  
courts of common pleas, or retired justices or judges eligible 39108  
for active duty pursuant to division (C) of Section 6 of Article 39109  
IV, Ohio Constitution, sitting by temporary assignment of the 39110  
chief justice of the supreme court. The chief justice may direct 39111  
the court to sit in any county for cases on removal upon a 39112  
showing of substantial hardship and whenever justice dictates. 39113

(C) (1) A civil action against the state shall be heard and 39114  
determined by a single judge. Upon application by the claimant 39115  
or the state, the chief justice of the supreme court may assign 39116  
a panel of three judges to hear and determine a civil action 39117  
presenting novel or complex issues of law or fact. Concurrence 39118  
of two members of the panel is necessary for any judgment or 39119  
order. 39120

(2) Whenever the chief justice of the supreme court 39121  
believes an equitable resolution of a case will be expedited, 39122  
the chief justice may appoint magistrates in accordance with 39123  
Civil Rule 53 to hear the case. 39124

(3) When any dispute under division (B) of section 153.12 39125  
of the Revised Code is brought to the court of claims, upon 39126  
request of either party to the dispute, the chief justice of the 39127  
supreme court shall appoint a single referee or a panel of three 39128  
referees. The referees need not be attorneys, but shall be 39129  
persons knowledgeable about construction contract law, a member 39130  
of the construction industry panel of the American arbitration 39131  
association, or an individual or individuals deemed qualified by 39132  
the chief justice to serve. No person shall serve as a referee 39133

if that person has been employed by an affected state agency or 39134  
a contractor or subcontractor involved in the dispute at any 39135  
time in the preceding five years. Proceedings governing referees 39136  
shall be in accordance with Civil Rule 53, except as modified by 39137  
this division. The referee or panel of referees shall submit its 39138  
report, which shall include a recommendation and finding of 39139  
fact, to the judge assigned to the case by the chief justice, 39140  
within thirty days of the conclusion of the hearings. Referees 39141  
appointed pursuant to this division shall be compensated on a 39142  
per diem basis at the same rate as is paid to judges of the 39143  
court and also shall be paid their expenses. If a single referee 39144  
is appointed or a panel of three referees is appointed, then, 39145  
with respect to one referee of the panel, the compensation and 39146  
expenses of the referee shall not be taxed as part of the costs 39147  
in the case but shall be included in the budget of the court. If 39148  
a panel of three referees is appointed, the compensation and 39149  
expenses of the two remaining referees shall be taxed as costs 39150  
of the case. 39151

All costs of a case shall be apportioned among the 39152  
parties. The court may not require that any party deposit with 39153  
the court cash, bonds, or other security in excess of two 39154  
hundred dollars to guarantee payment of costs without the prior 39155  
approval in each case of the chief justice. 39156

(4) An appeal from a decision of the attorney general 39157  
pursuant to sections 2743.51 to 2743.72 of the Revised Code 39158  
shall be heard and determined by the court of claims. 39159

(D) The Rules of Civil Procedure shall govern practice and 39160  
procedure in all actions in the court of claims, except insofar 39161  
as inconsistent with this chapter. The supreme court may 39162  
promulgate rules governing practice and procedure in actions in 39163

the court as provided in Section 5 of Article IV, Ohio 39164  
Constitution. 39165

(E) (1) A party who files a counterclaim against the state 39166  
or makes the state a third-party defendant in an action 39167  
commenced in any court, other than the court of claims, shall 39168  
file a petition for removal in the court of claims. The petition 39169  
shall state the basis for removal, be accompanied by a copy of 39170  
all process, pleadings, and other papers served upon the 39171  
petitioner, and shall be signed in accordance with Civil Rule 39172  
11. A petition for removal based on a counterclaim shall be 39173  
filed within twenty-eight days after service of the counterclaim 39174  
of the petitioner. A petition for removal based on third-party 39175  
practice shall be filed within twenty-eight days after the 39176  
filing of the third-party complaint of the petitioner. 39177

(2) Within seven days after filing a petition for removal, 39178  
the petitioner shall give written notice to the parties, and 39179  
shall file a copy of the petition with the clerk of the court in 39180  
which the action was brought originally. The filing effects the 39181  
removal of the action to the court of claims, and the clerk of 39182  
the court where the action was brought shall forward all papers 39183  
in the case to the court of claims. The court of claims shall 39184  
adjudicate all civil actions removed. The court may remand a 39185  
civil action to the court in which it originated upon a finding 39186  
that the removal petition does not justify removal, or upon a 39187  
finding that the state is no longer a party. 39188

(3) Bonds, undertakings, or security and injunctions, 39189  
attachments, sequestrations, or other orders issued prior to 39190  
removal remain in effect until dissolved or modified by the 39191

the applicant. The temporary permit does not affect the validity 40464  
of the applicant's application and does not grant any rights to 40465

the applicant except those rights specifically granted in 40466  
section 119.06 of the Revised Code. The issuance of a temporary 40467  
permit by the attorney general pursuant to this division does 40468  
not prohibit the attorney general from rejecting the applicant's 40469  
application because of acts that the applicant committed, or 40470  
actions that the applicant failed to take, before or after the 40471  
issuance of the temporary permit. 40472

application and notify the applicant regarding any deficiencies. 40476  
Once an application is deemed complete, or beginning on the 40477

attorney general shall have an additional sixty days to conduct 40480  
an investigation and either grant, grant with limits, 40481  
restrictions, or probationary conditions, or deny the 40482  
application based on findings established and communicated in 40483  
accordance with divisions (F) and (I) of this section. As an 40484  
option to granting, granting with limits, restrictions, or 40485  
probationary conditions, or denying an initial license 40486  
application, the attorney general may grant a temporary license 40487  
and request additional time to conduct the investigation if the 40488  
attorney general has cause to believe that additional time is 40489  
necessary to complete the investigation and has notified the 40490  
applicant in writing about the specific concerns raised during 40491  
the investigation. 40492

(F) (1) The attorney general shall adopt rules to enforce 40493  
sections 2915.01, 2915.02, and 2915.07 to 2915.15 of the Revised 40494  
Code to ensure that bingo is conducted in accordance with those 40495  
sections and to maintain proper control over the conduct of 40496

bingo. Except as otherwise provided in this section, the rules 40497  
shall be adopted pursuant to Chapter 119. of the Revised Code. 40498  
The attorney general shall license charitable organizations to 40499  
conduct bingo in conformance with this chapter and with the 40500  
licensing provisions of Chapter 119. of the Revised Code. 40501

(2) If any of the following applies to an organization, 40502  
the attorney general may refuse to grant a license to the 40503  
organization, may revoke or suspend the organization's license, 40504  
or may place limits, restrictions, or probationary conditions on 40505  
the organization's license for a limited or indefinite period, 40506  
as determined by the attorney general: 40507

(a) The organization fails or has failed at any time to 40508  
meet any requirement of section 109.26, 109.31, or 1716.02, or 40509  
sections 2915.07 to 2915.15 of the Revised Code, or violates or 40510  
has violated any provision of sections 2915.02 or 2915.07 to 40511  
2915.13 of the Revised Code or any rule adopted by the attorney 40512  
general pursuant to this chapter. 40513

(b) The organization makes or has made an incorrect or 40514  
false statement that is material to the granting of the license 40515  
in an application filed under this section. 40516

(c) The organization submits or has submitted any 40517  
incorrect or false information relating to an application if the 40518  
information is material to the granting of the license. 40519

(d) The organization maintains or has maintained any 40520  
incorrect or false information that is material to the granting 40521  
of the license in the records required to be kept pursuant to 40522  
section 2915.10 of the Revised Code, if applicable. 40523

(e) The attorney general has good cause to believe that 40524  
the organization will not conduct bingo in accordance with 40525

sections 2915.07 to 2915.15 of the Revised Code or with any rule 40526  
adopted by the attorney general pursuant to this chapter. 40527

(3) If the attorney general has good cause to believe that 40528  
any director or officer of the organization has breached the 40529  
director's or officer's fiduciary duty to, or committed theft or 40530  
any other type of misconduct related to, the organization or any 40531  
other charitable organization that has been issued a bingo 40532  
license under this chapter, the attorney general may refuse to 40533  
grant a license to the organization, may impose limits, 40534  
restrictions, or probationary conditions on the license, or may 40535  
revoke or suspend the organization's license for a period not to 40536  
exceed five years. 40537

(4) The attorney general may impose a civil fine on an 40538  
organization licensed or permitted under this chapter for 40539  
failure to comply with any restrictions, limits, or probationary 40540  
conditions on its license, and for failure to comply with this 40541  
chapter or any rule adopted under this chapter, according to a 40542  
schedule of fines that the attorney general shall adopt in 40543  
accordance with Chapter 119. of the Revised Code. 40544

(5) For the purposes of division (F) of this section, any 40545  
action of an officer, trustee, agent, representative, or bingo 40546  
game operator of an organization is an action of the 40547  
organization. 40548

(G) The attorney general may grant licenses to charitable 40549  
organizations that are branches, lodges, or chapters of national 40550  
charitable organizations. 40551

(H) The attorney general shall send notice of any of the 40552  
following actions in writing to the prosecuting attorney and 40553  
sheriff of the county in which the charitable organization is 40554

located and to any other law enforcement agency in that county 40555  
that so requests, of all of the following: 40556

(1) The issuance of a license under this section; 40557

(2) The issuance of an amended license under this section; 40558

(3) The rejection of an application for and refusal to 40559  
grant a license under this section; 40560

(4) The revocation of any license previously issued under 40561  
this section; 40562

(5) The suspension of any license previously issued under 40563  
this section; 40564

(6) The placing of any limits, restrictions, or 40565

section shall set forth the information contained on the 40569  
application of the charitable organization that the attorney 40570  
general determines is relevant, including, but not limited to, 40571  
the location at which the organization will conduct bingo, 40572  
whether the license is a type I, type II, or type III license, 40573  
and the days of the week and the times on each of those days 40574  
when bingo will be conducted. If the attorney general refuses to 40575  
grant, places limits, restrictions, or probationary conditions 40576  
on, or revokes or suspends a license, the attorney general shall 40577  
notify the applicant in writing and specifically identify the 40578  
reason for the refusal, revocation, limit, restriction, 40579  
probationary condition, or suspension in narrative form and, if 40580  
applicable, by identifying the section of the Revised Code 40581

written notice of the reasons for the refusal, revocation, 40583

limit, restriction, probationary condition, or suspension or a 40584  
mistake in the written notice does not affect the validity of 40585  
the attorney general's refusal to grant, or the revocation or 40586  
suspension of, or limit, restriction, probationary condition on, 40587  
a license. If the attorney general fails to give the written 40588  
notice or if there is a mistake in the written notice, the 40589  
applicant may bring an action to compel the attorney general to 40590  
comply with this division or to correct the mistake, but the 40591  
attorney general's order refusing to grant, or placing a limit, 40592  
restriction, or probationary condition on, or revoking or 40593  
suspending, a license shall not be enjoined during the pendency 40594  
of the action. 40595

the Revised Code. This division applies with respect to all 41858  
prison terms of a type described in this division, including a 41859  
term of any such type that is a risk reduction sentence. Section 41860  
2929.191 of the Revised Code applies if, prior to July 11, 2006, 41861  
a court imposed a sentence including a prison term of a type 41862  
described in this division and failed to notify the offender 41863  
pursuant to division (B) (2) (e) of section 2929.19 of the Revised 41864  
Code regarding post-release control or to include in the 41865

Code a statement regarding post-release control. Pursuant to an 41868  
agreement entered into under section 2967.29 of the Revised 41869  
Code, a court of common pleas or parole board may impose 41870  
sanctions or conditions on an offender who is placed on post- 41871  
release control under this division. 41872

(D) (1) Before the prisoner is released from imprisonment, 41873  
the parole board or, pursuant to an agreement under section 41874  
2967.29 of the Revised Code, the court shall impose on a 41875  
prisoner described in division (B) of this section, shall impose 41876  
on a prisoner described in division (C) of this section who is 41877

to be released before the expiration of the prisoner's stated 41878  
prison term under a risk reduction sentence, may impose on a 41879  
prisoner described in division (C) of this section who is not to 41880  
be released before the expiration of the prisoner's stated 41881  
prison term under a risk reduction sentence, and shall impose on 41882  
a prisoner described in division (B) (2) (b) of section 5120.031 41883  
or in division (B) (1) of section 5120.032 of the Revised Code, 41884  
one or more post-release control sanctions to apply during the 41885  
prisoner's period of post-release control. Whenever the board or 41886  
court imposes one or more post-release control sanctions on a 41887  
prisoner, the board or court, in addition to imposing the 41888  
sanctions, also shall include as a condition of the post-release 41889  
control that the offender not leave the state without permission 41890  
of the court or the offender's parole or probation officer and 41891  
that the offender abide by the law. The board or court may 41892  
impose any other conditions of release under a post-release 41893  
control sanction that the board or court considers appropriate, 41894  
and the conditions of release may include any community 41895  
residential sanction, community nonresidential sanction, or 41896  
financial sanction that the sentencing court was authorized to 41897  
impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the 41898  
Revised Code. Prior to the release of a prisoner for whom it 41899  
will impose one or more post-release control sanctions under 41900  
this division, the parole board or court shall review the 41901  
prisoner's criminal history, results from the single validated 41902  
risk assessment tool, and the record of the prisoner's conduct 41903  
while imprisoned. The parole board or court shall consider any 41904  
recommendation regarding post-release control sanctions for the 41905  
prisoner made by the office of victims' services. After 41906  
considering those materials, the board or court shall determine, 41907  
for a prisoner described in division (B) of this section, 41908  
division (B) (2) (b) of section 5120.031, or division (B) (1) of 41909

section 5120.032 of the Revised Code and for a prisoner 41910  
described in division (C) of this section who is to be released 41911  
before the expiration of the prisoner's stated prison term under 41912  
a risk reduction sentence, which post-release control sanction 41913  
or combination of post-release control sanctions is reasonable 41914  
under the circumstances or, for a prisoner described in division 41915  
(C) of this section who is not to be released before the 41916  
expiration of the prisoner's stated prison term under a risk 41917  
reduction sentence, whether a post-release control sanction is 41918  
necessary and, if so, which post-release control sanction or 41919  
combination of post-release control sanctions is reasonable 41920  
under the circumstances. In the case of a prisoner convicted of 41921  
a felony of the fourth or fifth degree other than a felony sex 41922  
offense, the board or court shall presume that monitored time is 41923  
the appropriate post-release control sanction unless the board 41924  
or court determines that a more restrictive sanction is 41925  
warranted. A post-release control sanction imposed under this 41926  
division takes effect upon the prisoner's release from 41927  
imprisonment. 41928

Regardless of whether the prisoner was sentenced to the 41929  
prison term prior to, on, or after July 11, 2006, prior to the 41930  
release of a prisoner for whom it will impose one or more post- 41931  
release control sanctions under this division, the parole board 41932  
shall notify the prisoner that, if the prisoner violates any 41933  
sanction so imposed or any condition of post-release control 41934  
described in division (B) of section 2967.131 of the Revised 41935  
Code that is imposed on the prisoner, the parole board may 41936  
impose a prison term of up to one-half of the stated prison term 41937  
originally imposed on the prisoner. 41938

At least thirty days before the prisoner is released from 41939  
imprisonment under post-release control, except as otherwise 41940

provided in this paragraph, the department of rehabilitation and 41941  
correction shall notify the victim and the victim's immediate 41942  
family of the date on which the prisoner will be released, the 41943  
period for which the prisoner will be under post-release control 41944  
supervision, and the terms and conditions of the prisoner's 41945  
post-release control regardless of whether the victim or 41946  
victim's immediate family has requested the notification. The 41947  
notice described in this paragraph shall not be given to a 41948  
victim or victim's immediate family if the victim or the 41949  
victim's immediate family has requested pursuant to division (B) 41950  
(2) of section 2930.03 of the Revised Code that the notice not 41951  
be provided to the victim or the victim's immediate family. At 41952  
least thirty days before the prisoner is released from 41953  
imprisonment and regardless of whether the victim or victim's 41954  
immediate family has requested that the notice described in this 41955  
paragraph be provided or not be provided to the victim or the 41956  
victim's immediate family, the department also shall provide 41957  
notice of that nature to the prosecuting attorney in the case 41958  
and the law enforcement agency that arrested the prisoner if any 41959  
officer of that agency was a victim of the offense. 41960

If the notice given under the preceding paragraph to the 41961  
victim or the victim's immediate family is based on an offense 41962  
committed prior to March 22, 2013, and if the department of 41963  
rehabilitation and correction has not previously successfully 41964  
provided any notice to the victim or the victim's immediate 41965  
family under division (B), (C), or (D) of section 2930.16 of the 41966  
Revised Code with respect to that offense and the offender who 41967  
committed it, the notice also shall inform the victim or the 41968  
victim's immediate family that the victim or the victim's 41969  
immediate family may request that the victim or the victim's 41970  
immediate family not be provided any further notices with 41971

respect to that offense and the offender who committed it and 41972  
shall describe the procedure for making that request. The 41973  
department may give the notices to which the preceding paragraph 41974  
applies by any reasonable means, including regular mail, 41975  
telephone, and electronic mail. If the department attempts to 41976  
provide notice to any specified person under the preceding 41977  
paragraph but the attempt is unsuccessful because the department 41978  
is unable to locate the specified person, is unable to provide 41979  
the notice by its chosen method because it cannot determine the 41980  
mailing address, electronic mail address, or telephone number at 41981  
which to provide the notice, or, if the notice is sent by mail, 41982  
the notice is returned, the department shall make another 41983  
attempt to provide the notice to the specified person. If the 41984  
second attempt is unsuccessful, the department shall make at 41985  
least one more attempt to provide the notice. If the notice is 41986  
based on an offense committed prior to March 22, 2013, in each 41987  
attempt to provide the notice to the victim or victim's 41988  
immediate family, the notice shall include the opt-out 41989  
information described in this paragraph. The department, in the 41990  
manner described in division (D)(2) of section 2930.16 of the 41991  
Revised Code, shall keep a record of all attempts to provide the 41992  
notice, and of all notices provided, under this paragraph and 41993  
the preceding paragraph. The record shall be considered as if it 41994  
was kept under division (D)(2) of section 2930.16 of the Revised 41995  
Code. This paragraph, the preceding paragraph, and the notice- 41996  
related provisions of divisions (E)(2) and (K) of section 41997  
2929.20, division (D)(1) of section 2930.16, division (H) of 41998  
section 2967.12, division (E)(1)(b) of section 2967.19 as it 41999  
existed prior to ~~the effective date of this amendment~~ April 4, 42000  
2023, division (A)(3)(b) of section 2967.26, and division (A)(2) 42001  
of section 5149.101 of the Revised Code enacted in the act in 42002  
which this paragraph and the preceding paragraph were enacted, 42003

shall be known as "Roberta's Law." 42004

(2) If a prisoner who is placed on post-release control 42005  
under this section is released before the expiration of the 42006  
definite term that is the prisoner's stated prison term or the 42007  
expiration of the minimum term that is part of the prisoner's 42008  
indefinite prison term imposed under a non-life felony 42009  
indefinite prison term by reason of credit earned under section 42010  
2967.193 or 2967.194 or a reduction under division (F) of 42011  
section 2967.271 of the Revised Code and if the prisoner earned 42012  
sixty or more days of credit, the adult parole authority may 42013  
supervise the offender with an active global positioning system 42014  
device for the first fourteen days after the offender's release 42015  
from imprisonment. This division does not prohibit or limit the 42016  
imposition of any post-release control sanction otherwise 42017  
authorized by this section. 42018

(3) After a prisoner is released from imprisonment and 42019  
during the period of post-release control applicable to the 42020  
releasee, the adult parole authority or, pursuant to an 42021  
agreement under section 2967.29 of the Revised Code, the court 42022  
may review the releasee's behavior under the post-release 42023  
control sanctions imposed upon the releasee under this section. 42024  
The authority or court may determine, based upon the review and 42025  
in accordance with the standards established under division (E) 42026  
of this section, that the releasee has satisfactorily complied 42027  
with the sanctions imposed, and if such a determination is made, 42028  
the authority may recommend a less restrictive sanction, reduce 42029  
the period of post-release control, or, no sooner than the 42030  
minimum period of time required under section 2967.16 of the 42031  
Revised Code, recommend that the parole board or court terminate 42032  
the duration of the period of post-release control. In no case 42033  
shall the board or court reduce the duration of the period of 42034

control imposed for a felony sex offense described in division 42035  
(B) (1) of this section. 42036

(4) The department of rehabilitation and correction shall 42037  
develop factors that the parole board or court shall consider in 42038  
determining under division (D) (3) of this section whether to 42039  
terminate the period of control imposed on a releasee. 42040

(E) The department of rehabilitation and correction, in 42041  
accordance with Chapter 119. of the Revised Code, shall adopt 42042  
rules that do all of the following: 42043

(1) Establish standards for the imposition by the parole 42044  
board of post-release control sanctions under this section that 42045  
are consistent with the overriding purposes and sentencing 42046  
principles set forth in section 2929.11 of the Revised Code and 42047  
that are appropriate to the needs of releasees; 42048

(2) Establish standards that provide for a period of post- 42049  
release control of up to two years for all prisoners described 42050  
in division (C) of this section who are to be released before 42051  
the expiration of their stated prison term under a risk 42052  
reduction sentence and standards by which the parole board can 42053  
determine which prisoners described in division (C) of this 42054  
section who are not to be released before the expiration of 42055  
their stated prison term under a risk reduction sentence should 42056  
be placed under a period of post-release control; 42057

(3) Establish standards to be used by the parole board in 42058  
reducing or terminating the duration of the period of post- 42059  
release control imposed by the court when authorized under 42060  
division (D) of this section, in imposing a more restrictive 42061  
post-release control sanction than monitored time on a prisoner 42062  
convicted of a felony of the fourth or fifth degree other than a 42063

felony sex offense, or in imposing a less restrictive control 42064  
sanction on a releasee based on results from the single 42065  
validated risk assessment tool and on the releasee's activities 42066  
including, but not limited to, remaining free from criminal 42067  
activity and from the abuse of alcohol or other drugs, 42068  
successfully participating in approved rehabilitation programs, 42069  
maintaining employment, and paying restitution to the victim or 42070  
meeting the terms of other financial sanctions; 42071

(4) Establish standards to be used by the adult parole 42072  
authority in modifying a releasee's post-release control 42073  
sanctions pursuant to division (D) (2) of this section; 42074

(5) Establish standards to be used by the adult parole 42075  
authority or parole board in imposing further sanctions under 42076  
division (F) of this section on releasees who violate post- 42077  
release control sanctions, including standards that do the 42078  
following: 42079

(a) Classify violations according to the degree of 42080  
seriousness; 42081

(b) Define the circumstances under which formal action by 42082  
the parole board is warranted; 42083

(c) Govern the use of evidence at violation hearings; 42084

(d) Ensure procedural due process to an alleged violator; 42085

(e) Prescribe nonresidential community control sanctions 42086  
for most misdemeanor and technical violations; 42087

(f) Provide procedures for the return of a releasee to 42088  
imprisonment for violations of post-release control. 42089

(F) (1) Whenever the parole board imposes one or more post- 42090  
release control sanctions on an offender under this section, the 42091

offender upon release from imprisonment shall be under the 42092  
general jurisdiction of the adult parole authority and generally 42093  
shall be supervised by the field services section through its 42094  
staff of parole and field officers as described in section 42095  
5149.04 of the Revised Code, as if the offender had been placed 42096  
on parole. If the offender upon release from imprisonment 42097  
violates the post-release control sanction or any conditions 42098  
described in division (A) of section 2967.131 of the Revised 42099  
Code that are imposed on the offender, the public or private 42100  
person or entity that operates or administers the sanction or 42101  
the program or activity that comprises the sanction shall report 42102  
the violation directly to the adult parole authority or to the 42103  
officer of the authority who supervises the offender. The 42104  
authority's officers may treat the offender as if the offender 42105  
were on parole and in violation of the parole, and otherwise 42106  
shall comply with this section. 42107

(2) If the adult parole authority or, pursuant to an 42108  
agreement under section 2967.29 of the Revised Code, the court 42109  
determines that a releasee has violated a post-release control 42110  
sanction or any conditions described in division (A) of section 42111  
2967.131 of the Revised Code imposed on the releasee and that a 42112  
more restrictive sanction is appropriate, the authority or court 42113  
may impose a more restrictive sanction on the releasee, in 42114  
accordance with the standards established under division (E) of 42115  
this section or in accordance with the agreement made under 42116  
section 2967.29 of the Revised Code, or may report the violation 42117  
to the parole board for a hearing pursuant to division (F) (3) of 42118  
this section. The authority or court may not, pursuant to this 42119  
division, increase the duration of the releasee's post-release 42120  
control or impose as a post-release control sanction a 42121  
residential sanction that includes a prison term, but the 42122

authority or court may impose on the releasee any other 42123  
residential sanction, nonresidential sanction, or financial 42124  
sanction that the sentencing court was authorized to impose 42125  
pursuant to sections 2929.16, 2929.17, and 2929.18 of the 42126  
Revised Code. 42127

(3) The parole board or, pursuant to an agreement under 42128  
section 2967.29 of the Revised Code, the court may hold a 42129  
hearing on any alleged violation by a releasee of a post-release 42130  
control sanction or any conditions described in division (A) of 42131  
section 2967.131 of the Revised Code that are imposed upon the 42132  
releasee. Except as otherwise provided in this division, if 42133  
after the hearing the board or court finds that the releasee 42134  
violated the sanction or condition, the board or court may 42135  
increase the duration of the releasee's post-release control up 42136  
to the maximum duration authorized by division (B) or (C) of 42137  
this section or impose a more restrictive post-release control 42138  
sanction. If a releasee was acting pursuant to division (B) (2) 42139  
(b) of section 2925.11 or a related provision of section 42140  
2925.12, 2925.14, or 2925.141 of the Revised Code and in so 42141  
doing violated the conditions of a post-release control sanction 42142  
based on a minor drug possession offense, as defined in that 42143  
section, or violated section 2925.12, division (C) (1) of section 42144  
2925.14, or section 2925.141 of the Revised Code, the board or 42145  
the court shall not impose any of the penalties described in 42146  
this division based on the violation. When appropriate, the 42147  
board or court may impose as a post-release control sanction a 42148  
residential sanction that includes a prison term. The board or 42149  
court shall consider a prison term as a post-release control 42150  
sanction imposed for a violation of post-release control when 42151  
the violation involves a deadly weapon or dangerous ordnance, 42152  
physical harm or attempted serious physical harm to a person, or 42153

sexual misconduct. Unless a releasee's stated prison term was 42154  
reduced pursuant to section 5120.032 of the Revised Code, the 42155  
period of a prison term that is imposed as a post-release 42156  
control sanction under this division shall not exceed nine 42157  
months, and the maximum cumulative prison term for all 42158  
violations under this division shall not exceed one-half of the 42159  
definite prison term that was the stated prison term originally 42160  
imposed on the offender as part of this sentence or, with 42161  
respect to a stated non-life felony indefinite prison term, one- 42162  
half of the minimum prison term that was imposed as part of that 42163  
stated prison term originally imposed on the offender. If a 42164  
releasee's stated prison term was reduced pursuant to section 42165  
5120.032 of the Revised Code, the period of a prison term that 42166  
is imposed as a post-release control sanction under this 42167  
division and the maximum cumulative prison term for all 42168  
violations under this division shall not exceed the period of 42169  
time not served in prison under the sentence imposed by the 42170  
court. The period of a prison term that is imposed as a post- 42171  
release control sanction under this division shall not count as, 42172  
or be credited toward, the remaining period of post-release 42173  
control. If, during the period of the releasee's post-release 42174  
control, the releasee serves as a post-release control sanction 42175  
the maximum prison time available as a sanction, the post- 42176  
release control shall terminate. 42177

If an offender is imprisoned for a felony committed while 42178  
under post-release control supervision and is again released on 42179  
post-release control for a period of time, the maximum 42180  
cumulative prison term for all violations under this division 42181  
shall not exceed one-half of the total stated prison terms of 42182  
the earlier felony, reduced by any prison term administratively 42183  
imposed by the parole board or court, plus one-half of the total 42184

stated prison term of the new felony. 42185

(G) (1) If an offender is simultaneously subject to a 42186  
period of parole under an indefinite or life sentence and a 42187  
period of post-release control, or is simultaneously subject to 42188  
two periods of post-release control, the period of supervision 42189  
that expires last shall determine the length and form of 42190  
supervision for all the periods and the related sentences. 42191

(2) An offender shall receive credit for post-release 42192  
control supervision during the period of parole, and shall not 42193  
be eligible for final release under section 2967.16 of the 42194  
Revised Code until the post-release control period otherwise 42195  
would have ended. 42196

(3) If the period of parole ends prior to the end of the 42197  
period of post-release control, the requirements of parole 42198  
supervision shall be satisfied during the post-release control 42199  
period. 42200

(H) (1) A period of post-release control shall not be 42201  
imposed consecutively to any other post-release control period. 42202

(2) The period of post-release control for a releasee who 42203  
commits a felony while under post-release control for an earlier 42204  
felony shall be the longer of the period of post-release control 42205  
specified for the new felony under division (B) or (C) of this 42206  
section or the time remaining under the period of post-release 42207  
control imposed for the earlier felony as determined by the 42208  
parole board or court. 42209

**Sec. 2969.13.** All moneys that are collected pursuant to 42210  
section 2929.32 of the Revised Code and required to be deposited 42211  
in the crime victims recovery fund shall be credited ~~by the~~ 42212  
~~treasurer of state~~ to the fund. Any interest earned on the money 42213

in the fund shall be credited to the fund. 42214

**Sec. 3101.08.** An ordained or licensed minister of any 42215  
religious society or congregation within this state who is 42216  
licensed to solemnize marriages, the governor or a former 42217

with section 1907.18 of the Revised Code, a judge of a municipal 42219

Code, the mayor of a municipal corporation anywhere within this 42222  
state, the superintendent of Ohio deaf and blind education 42223

property of any type does not destroy the identity of the 42312  
separate property as separate property, except when the separate 42313  
property is not traceable. 42314

(B) In divorce proceedings, the court shall, and in legal 42315  
separation proceedings upon the request of either spouse, the 42316  
court may, determine what constitutes marital property and what 42317  
constitutes separate property. In either case, upon making such 42318  
a determination, the court shall divide the marital and separate 42319  
property equitably between the spouses, in accordance with this 42320  
section. For purposes of this section, the court has 42321  
jurisdiction over all property, excluding the social security 42322  
benefits of a spouse other than as set forth in division (F) (9) 42323  
of this section, in which one or both spouses have an interest. 42324

(C) (1) Except as provided in this division or division (E) 42325  
of this section, the division of marital property shall be 42326  
equal. If an equal division of marital property would be 42327  
inequitable, the court shall not divide the marital property 42328

equally but instead shall divide it between the spouses in the 42329  
manner the court determines equitable. In making a division of 42330  
marital property, the court shall consider all relevant factors, 42331  
including those set forth in division (F) of this section. 42332

(2) Each spouse shall be considered to have contributed 42333  
equally to the production and acquisition of marital property. 42334

(3) The court shall provide for an equitable division of 42335  
marital property under this section prior to making any award of 42336  
spousal support to either spouse under section 3105.18 of the 42337  
Revised Code and without regard to any spousal support so 42338  
awarded. 42339

(4) If the marital property includes a participant 42340  
account, as defined in section 148.01 of the Revised Code, the 42341  
court shall not order the division or disbursement of the moneys 42342  
and income described in division (A)(3)(a)(iv) of this section 42343  
to occur in a manner that is inconsistent with the law, rules, 42344  
or plan governing the deferred compensation program involved or 42345  
prior to the time that the spouse in whose name the participant 42346  
account is maintained commences receipt of the moneys and income 42347  
credited to the account in accordance with that law, rules, and 42348  
plan. 42349

(D) Except as otherwise provided in division (E) of this 42350  
section or by another provision of this section, the court shall 42351  
disburse a spouse's separate property to that spouse. If a court 42352  
does not disburse a spouse's separate property to that spouse, 42353  
the court shall make written findings of fact that explain the 42354  
factors that it considered in making its determination that the 42355  
spouse's separate property should not be disbursed to that 42356  
spouse. 42357

(E) (1) The court may make a distributive award to 42358  
facilitate, effectuate, or supplement a division of marital 42359  
property. The court may require any distributive award to be 42360  
secured by a lien on the payor's specific marital property or 42361  
separate property. 42362

(2) The court may make a distributive award in lieu of a 42363  
division of marital property in order to achieve equity between 42364  
the spouses, if the court determines that a division of the 42365  
marital property in kind or in money would be impractical or 42366  
burdensome. 42367

(3) The court shall require each spouse to disclose in a 42368  
full and complete manner all marital property, separate 42369  
property, and other assets, debts, income, and expenses of the 42370  
spouse. 42371

(4) If a spouse has engaged in financial misconduct, 42372  
including, but not limited to, the dissipation, destruction, 42373  
concealment, nondisclosure, or fraudulent disposition of assets, 42374  
the court may compensate the offended spouse with a distributive 42375  
award or with a greater award of marital property. 42376

(5) If a spouse has substantially and willfully failed to 42377  
disclose marital property, separate property, or other assets, 42378  
debts, income, or expenses as required under division (E) (3) of 42379  
this section, the court may compensate the offended spouse with 42380  
a distributive award or with a greater award of marital property 42381  
not to exceed three times the value of the marital property, 42382  
separate property, or other assets, debts, income, or expenses 42383  
that are not disclosed by the other spouse. 42384

(F) In making a division of marital property and in 42385  
determining whether to make and the amount of any distributive 42386

award under this section, the court shall consider all of the	42387
following factors:	42388
(1) The duration of the marriage;	42389
(2) The assets and liabilities of the spouses;	42390
(3) The desirability of awarding the family home, or the	42391
right to reside in the family home for reasonable periods of	42392
time, to the spouse with custody of the children of the	42393
marriage;	42394
(4) The liquidity of the property to be distributed;	42395
(5) The economic desirability of retaining intact an asset	42396
or an interest in an asset;	42397
(6) The tax consequences of the property division upon the	42398
respective awards to be made to each spouse;	42399
(7) The costs of sale, if it is necessary that an asset be	42400
sold to effectuate an equitable distribution of property;	42401
(8) Any division or disbursement of property made in a	42402
separation agreement that was voluntarily entered into by the	42403
spouses;	42404
(9) Any retirement benefits of the spouses, excluding the	42405
social security benefits of a spouse except as may be relevant	42406
for purposes of dividing a public pension;	42407
(10) Any other factor that the court expressly finds to be	42408
relevant and equitable.	42409
(G) In any order for the division or disbursement of	42410
property or a distributive award made pursuant to this section,	42411
the court shall make written findings of fact that support the	42412
determination that the marital property has been equitably	42413

divided and shall specify the dates it used in determining the 42414  
meaning of "during the marriage." 42415

(H) Except as otherwise provided in this section, the 42416  
holding of title to property by one spouse individually or by 42417  
both spouses in a form of co-ownership does not determine 42418  
whether the property is marital property or separate property. 42419

(I) A division or disbursement of property or a 42420  
distributive award made under this section is not subject to 42421  
future modification by the court except upon the express written 42422  
consent or agreement to the modification by both spouses. 42423

(J) The court may issue any orders under this section that 42424  
it determines equitable, including, but not limited to, either 42425  
of the following types of orders: 42426

(1) An order granting a spouse the right to use the 42427  
marital dwelling or any other marital property or separate 42428  
property for any reasonable period of time; 42429

(2) An order requiring the sale or encumbrancing of any 42430  
real or personal property, with the proceeds from the sale and 42431  
the funds from any loan secured by the encumbrance to be applied 42432  
as determined by the court. 42433

**Sec. 3105.63.** (A) (1) A petition for dissolution of 42434  
marriage shall be signed by both spouses and shall have attached 42435  
and incorporated a separation agreement agreed to by both 42436  
spouses. The separation agreement shall provide for a division 42437  
of all property; spousal support; if there are minor children of 42438

minor children of the marriage, the spouses may address the 42446  
allocation of the parental rights and responsibilities for the 42447  
care of the minor children by including in the separation 42448  
agreement a plan under which both parents will have shared 42449

The spouses shall file the plan with the petition for 42451  
dissolution of marriage and shall include in the plan the 42452  
provisions described in division (G) of section 3109.04 of the 42453  
Revised Code. 42454

shall include any participant account, as defined in section 42456

during the marriage; 42464

(b) The moneys that have been deferred by an officer or 42465

from the investment of those moneys during the marriage; 42470

governing board, as defined in that section, during the marriage 42474  
and any income that is derived from the investment of those 42475

the division or disbursement of the moneys and income described 42478  
in division (A) (2) of this section to occur in a manner that is 42479  
inconsistent with the law, rules, or plan governing the deferred 42480  
compensation program involved or prior to the time that the 42481  
spouse in whose name the participant account is maintained 42482  
commences receipt of the moneys and income credited to the 42483  
account in accordance with that law, rules, and plan. 42484

**Sec. 3301.079.** (A) (1) The department of education and 43890

workforce periodically shall adopt statewide academic standards 43891  
with emphasis on coherence, focus, and essential knowledge and 43892  
that are more challenging and demanding when compared to 43893  
international standards for each of grades kindergarten through 43894  
twelve in English language arts, mathematics, science, and 43895  
social studies. 43896

(a) The department shall ensure that the standards do all 43897  
of the following: 43898

(i) Include the essential academic content and skills that 43899  
students are expected to know and be able to do at each grade 43900  
level that will allow each student to be prepared for 43901  
postsecondary instruction and the workplace for success in the 43902  
twenty-first century; 43903

(ii) Include the development of skill sets that promote 43904  
information, media, and technological literacy; 43905

(iii) Include interdisciplinary, project-based, real-world 43906  
learning opportunities; 43907

(iv) Instill life-long learning by providing essential 43908  
knowledge and skills based in the liberal arts tradition, as 43909  
well as science, technology, engineering, mathematics, and 43910  
career-technical education; 43911

(v) Be clearly written, transparent, and understandable by 43912  
parents, educators, and the general public. 43913

(b) The department shall incorporate into the social 43914  
studies standards for grades four to twelve academic content 43915  
regarding the original texts of the Declaration of Independence, 43916  
the Northwest Ordinance, the Constitution of the United States 43917  
and its amendments, with emphasis on the Bill of Rights, and the 43918  
Ohio Constitution, and their original context. The department 43919

shall revise the model curricula and achievement assessments 43920  
adopted under divisions (B) and (C) of this section as necessary 43921  
to reflect the additional American history and American 43922  
government content. The department shall make available a list 43923  
of suggested grade-appropriate supplemental readings that place 43924  
the documents prescribed by this division in their historical 43925  
context, which teachers may use as a resource to assist students 43926  
in reading the documents within that context. 43927

(c) When the department adopts or revises academic content 43928  
standards in social studies, American history, American 43929  
government, or science under division (A)(1) of this section, it 43930  
shall develop such standards independently and not as part of a 43931  
multistate consortium. 43932

(2)(a) After completing the standards required by division 43933  
(A)(1) of this section, the department shall adopt standards and 43934  
model curricula for instruction in technology, financial 43935  
literacy and entrepreneurship, fine arts, and foreign language 43936  
for grades kindergarten through twelve. The standards shall meet 43937  
the same requirements prescribed in division (A)(1)(a) of this 43938  
section. 43939

(b) The department shall incorporate into the standards 43940  
and model curriculum for financial literacy and entrepreneurship 43941  
for grades nine through twelve academic content regarding free 43942  
market capitalism. The academic content shall include all of the 43943  
following concepts related to free market capitalism: 43944

(i) Raw materials, labor, and capital, the three classical 43945  
factors of economic production, are privately owned. 43946

(ii) Individuals control their own ability to work, earn 43947  
wages, and obtain skills to earn and increase wages. 43948

(iii) Private ownership of capital may include a sole 43949  
proprietorship, a family business, a publicly traded 43950  
corporation, a group of private investors, or a bank. 43951

(iv) Markets aggregate the exchange of goods and services 43952  
throughout the world. Market prices are the only way to convey 43953  
so much constantly changing information about the supply of 43954  
goods and services, and the demand for them, for consumers and 43955  
producers to make informed economic decisions for themselves. 43956

(v) Wealth is created by providing goods and services that 43957  
people value at a profit, and both sellers and buyers seek to 43958  
profit in some way in a free market transaction. Thus, profit 43959  
earned through transactions can be consumed, saved, reinvested 43960  
in the business, or dispersed to shareholders. 43961

(vi) Wealth creation involves asset value appreciation and 43962  
depreciation, voluntary exchange of equity ownership, and open 43963  
and closed markets. 43964

(vii) The free market is driven by, and tends to produce, 43965  
entrepreneurship and innovation. 43966

(viii) The free market can include side effects and market 43967  
failures where at least part of the cost of the transaction, 43968  
including producing, transporting, selling, or buying, is born 43969  
by others outside of the transaction. 43970

(ix) The political features of the free market, including 43971  
legally protected property rights, legally enforceable 43972  
contracts, patent protections, and the mitigation of side 43973  
effects and market failures; 43974

(x) Societies that embrace the free market often embrace 43975  
political and personal freedom as well. 43976

(3) The department shall adopt the most recent standards 43977  
developed by the national association for sport and physical 43978  
education for physical education in grades kindergarten through 43979  
twelve or shall adopt its own standards for physical education 43980  
in those grades and revise and update them periodically. 43981

The department shall employ a full-time physical education 43982  
coordinator to provide guidance and technical assistance to 43983  
districts, community schools, and STEM schools in implementing 43984  
the physical education standards adopted under this division. 43985  
The director of education and workforce shall determine that the 43986  
person employed as coordinator is qualified for the position, as 43987  
demonstrated by possessing an adequate combination of education, 43988  
license, and experience. 43989

(4) The department shall update the standards and model 43990  
curriculum for instruction in computer science in grades 43991  
kindergarten through twelve, which shall include standards for 43992  
introductory and advanced computer science courses in grades 43993  
nine through twelve. When developing the standards and 43994  
curriculum, the department shall consider recommendations from 43995  
computer science education stakeholder groups, including 43996  
teachers and representatives from higher education, industry, 43997  
computer science organizations in Ohio, and national computer 43998  
science organizations. 43999

Any district or school may utilize the computer science 44000  
standards or model curriculum or any part thereof adopted 44001  
pursuant to division (A) (4) of this section. However, no 44002  
district or school shall be required to utilize all or any part 44003  
of the standards or curriculum. 44004

(5) When academic standards have been completed for any 44005  
subject area required by this section, the department shall 44006

inform all school districts, all community schools established 44007  
under Chapter 3314. of the Revised Code, all STEM schools 44008  
established under Chapter 3326. of the Revised Code, and all 44009  
nonpublic schools required to administer the assessments 44010  
prescribed by sections 3301.0710 and 3301.0712 of the Revised 44011  
Code of the content of those standards. Additionally, upon 44012  
completion of any academic standards under this section, the 44013  
department shall post those standards on the department's web 44014  
site. 44015

(B) (1) The department shall adopt a model curriculum for 44016  
instruction in each subject area for which updated academic 44017  
standards are required by division (A) (1) of this section and 44018  
for each of grades kindergarten through twelve that is 44019  
sufficient to meet the needs of students in every community. The 44020  
model curriculum shall be aligned with the standards, to ensure 44021  
that the academic content and skills specified for each grade 44022  
level are taught to students, and shall demonstrate vertical 44023  
articulation and emphasize coherence, focus, and rigor. When any 44024  
model curriculum has been completed, the department shall inform 44025  
all school districts, community schools, and STEM schools of the 44026  
content of that model curriculum. 44027

(2) The department, in consultation with the governor's 44028  
office of workforce transformation, shall adopt model curricula 44029  
for grades kindergarten through twelve that embed career 44030  
connection learning strategies into regular classroom 44031  
instruction. 44032

(3) All school districts, community schools, and STEM 44033  
schools may utilize the state standards and the model curriculum 44034  
established by the department, together with other relevant 44035  
resources, examples, or models to ensure that students have the 44036

opportunity to attain the academic standards. Upon request, the 44037  
department shall provide technical assistance to any district, 44038  
community school, or STEM school in implementing the model 44039  
curriculum. 44040

Nothing in this section requires any school district to 44041  
utilize all or any part of a model curriculum developed under 44042  
this section. 44043

(C) The department shall develop achievement assessments 44044  
aligned with the academic standards and model curriculum for 44045  
each of the subject areas and grade levels required by divisions 44046  
(A) (1) and (B) (1) of section 3301.0710 of the Revised Code. 44047

When any achievement assessment has been completed, the 44048  
department shall inform all school districts, community schools, 44049  
STEM schools, and nonpublic schools required to administer the 44050  
assessment of its completion, and the department shall make the 44051  
achievement assessment available to the districts and schools. 44052

unless no reasonable accommodation can be made to enable the 44275  
student to take the assessment. No board shall prohibit a 44276  
student who is not required to take an assessment under division 44277  
(C) (1) of this section from taking the assessment. 44278

(b) Any alternate assessment approved by the department 44279  
for a student under this division shall produce measurable 44280  
results comparable to those produced by the assessment it 44281  
replaces in order to allow for the student's results to be 44282  
included in the data compiled for a school district or building 44283  
under section 3302.03 of the Revised Code. 44284

(c) (i) Any student enrolled in a chartered nonpublic 44285  
school who has been identified, based on an evaluation conducted 44286  
in accordance with section 3323.03 of the Revised Code or 44287  
section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 44288  
29 U.S.C.A. 794, as amended, as a child with a disability shall 44289  
be excused from taking any particular assessment required to be 44290  
administered under this section if either of the following 44291  
apply: 44292

(I) A plan developed for the student pursuant to rules 44293  
adopted by the department excuses the student from taking that 44294  
assessment. 44295

(II) The chartered nonpublic school develops a written 44296  
plan in which the school, in consultation with the student's 44297  
parents, determines that an assessment or alternative assessment 44298  
with accommodations does not accurately assess the student's 44299

academic performance. The plan shall include an academic profile 44300  
of the student's academic performance and shall be reviewed 44301  
annually to determine if the student's needs continue to require 44302  
excusal from taking the assessment. 44303

(ii) A student with significant cognitive disabilities to 44304  
whom an alternate assessment is administered in accordance with 44305  
division (C) (1) of this section and a student determined to have 44306  
a disability that includes an intellectual disability as 44307  
outlined in guidance issued by the department shall not be 44308  
required to take the assessment prescribed under division (B) (1) 44309  
of section 3301.0712 of the Revised Code. 44310

(iii) In the case of any student so excused from taking an 44311  
assessment under division (C) (1) (c) of this section, the 44312  
chartered nonpublic school shall not prohibit the student from 44313  
taking the assessment. 44314

(2) A district board may, for medical reasons or other 44315  
good cause, excuse a student from taking an assessment 44316  
administered under this section on the date scheduled, but that 44317  
assessment shall be administered to the excused student not 44318  
later than nine days following the scheduled date. The district 44319  
board shall annually report the number of students who have not 44320  
taken one or more of the assessments required by this section to 44321  
the department not later than the thirtieth day of June. 44322

(3) No school district board shall excuse any English 44323  
learner from taking any particular assessment required to be 44324  
administered under this section, except that any English learner 44325  
who has been enrolled in United States schools for less than two 44326  
years and for whom no appropriate accommodations are available 44327  
based on guidance issued by the department shall not be required 44328  
to take the assessment prescribed under division (B) (1) of 44329

section 3301.0712 of the Revised Code. 44330

However, no board shall prohibit an English learner who is 44331  
not required to take that assessment from taking the assessment. 44332

A board may permit any English learner to take an 44333  
assessment required to be administered under this section with 44334  
appropriate accommodations, as determined by the department. 44335

For each English learner, each school district shall 44336  
annually assess that student's progress in learning English, in 44337  
accordance with procedures approved by the department. 44338

The guidance and procedures issued by the department for 44339  
the purposes of division (C) (3) of this section shall comply 44340  
with the rules adopted under section 3301.0731 of the Revised 44341  
Code. 44342

(4) (a) The governing authority of a chartered nonpublic 44343  
school may excuse an English learner from taking any assessment 44344  
administered under this section. 44345

(b) No governing authority shall require an English 44346  
learner who has been enrolled in United States schools for less 44347  
than two years and for whom no appropriate accommodations are 44348  
available based on guidance issued by the department to take the 44349  
assessment prescribed under division (B) (1) of section 3301.0712 44350  
of the Revised Code. 44351

(c) No governing authority shall prohibit an English 44352  
learner from taking an assessment from which the student was 44353  
excused under division (C) (4) of this section. 44354

(D) (1) In the school year next succeeding the school year 44355  
in which the assessments prescribed by division (A) (1) or (B) (1) 44356  
of section 3301.0710 of the Revised Code or former division (A) 44357

(1), (A) (2), or (B) of section 3301.0710 of the Revised Code as 44358  
it existed prior to September 11, 2001, are administered to any 44359  
student, the board of education of any school district in which 44360  
the student is enrolled in that year shall provide to the 44361  
student intervention services commensurate with the student's 44362  
performance, including any intensive intervention required under 44363  
section 3313.608 of the Revised Code, in any skill in which the 44364  
student failed to demonstrate at least a score at the proficient 44365  
level on the assessment. 44366

(2) Following any administration of the assessments 44367  
prescribed by division (D) of section 3301.0710 of the Revised 44368  
Code to ninth grade students, each school district that has a 44369  
three-year average graduation rate of not more than seventy-five 44370  
per cent shall determine for each high school in the district 44371  
whether the school shall be required to provide intervention 44372  
services to any students who took the assessments. In 44373  
determining which high schools shall provide intervention 44374  
services based on the resources available, the district shall 44375  
consider each school's graduation rate and scores on the 44376  
practice assessments. The district also shall consider the 44377  
scores received by ninth grade students on the English language 44378  
arts and mathematics assessments prescribed under division (A) 44379  
(1) (f) of section 3301.0710 of the Revised Code in the eighth 44380  
grade in determining which high schools shall provide 44381  
intervention services. 44382

Each high school selected to provide intervention services 44383  
under this division shall provide intervention services to any 44384  
student whose results indicate that the student is failing to 44385  
make satisfactory progress toward being able to attain scores at 44386  
the proficient level on the Ohio graduation tests. Intervention 44387  
services shall be provided in any skill in which a student 44388

demonstrates unsatisfactory progress and shall be commensurate 44389  
with the student's performance. Schools shall provide the 44390  
intervention services prior to the end of the school year, 44391  
during the summer following the ninth grade, in the next 44392  
succeeding school year, or at any combination of those times. 44393

(E) Except as provided in section 3313.608 of the Revised 44394  
Code and division (N) of this section, no school district board 44395  
of education shall utilize any student's failure to attain a 44396  
specified score on an assessment administered under this section 44397  
as a factor in any decision to deny the student promotion to a 44398  
higher grade level. However, a district board may choose not to 44399  
promote to the next grade level any student who does not take an 44400  
assessment administered under this section or make up an 44401  
assessment as provided by division (C) (2) of this section and 44402  
who is not exempt from the requirement to take the assessment 44403  
under division (C) (3) of this section. 44404

(F) No person shall be charged a fee for taking any 44405  
assessment administered under this section. 44406

(G) (1) Each school district board shall designate one 44407  
location for the collection of assessments administered in the 44408  
spring under division (B) (1) of this section and those 44409  
administered under divisions (B) (2) to (7) of this section. Each 44410  
district board shall submit the assessments to the entity with 44411  
which the department contracts for the scoring of the 44412  
assessments as follows: 44413

(a) If the district's total enrollment in grades 44414  
kindergarten through twelve during the first full school week of 44415  
October was less than two thousand five hundred, not later than 44416  
the Friday after all of the assessments have been administered; 44417

(b) If the district's total enrollment in grades 44418  
kindergarten through twelve during the first full school week of 44419  
October was two thousand five hundred or more, but less than 44420  
seven thousand, not later than the Monday after all of the 44421  
assessments have been administered; 44422

(c) If the district's total enrollment in grades 44423  
kindergarten through twelve during the first full school week of 44424  
October was seven thousand or more, not later than the Tuesday 44425  
after all of the assessments have been administered. 44426

However, any assessment that a student takes during the 44427  
make-up period described in division (C) (2) of this section 44428  
shall be submitted not later than the Friday following the day 44429  
the student takes the assessment. 44430

(2) The department or an entity with which the department 44431  
contracts for the scoring of the assessment shall send to each 44432  
school district board a list of the individual scores of all 44433  
persons taking a state achievement assessment as follows: 44434

(a) Except as provided in division (G) (2) (b) or (c) of 44435  
this section, within forty-five days after the administration of 44436  
the assessments prescribed by sections 3301.0710 and 3301.0712 44437  
of the Revised Code, but in no case shall the scores be returned 44438  
later than the thirtieth day of June following the 44439  
administration; 44440

(b) In the case of the third-grade English language arts 44441  
assessment, within forty-five days after the administration of 44442  
that assessment, but in no case shall the scores be returned 44443  
later than the fifteenth day of June following the 44444  
administration; 44445

(c) In the case of the writing component of an assessment 44446

or end-of-course examination in the area of English language 44447  
arts, except for the third-grade English language arts 44448  
assessment, the results may be sent after forty-five days of the 44449  
administration of the writing component, but in no case shall 44450  
the scores be returned later than the thirtieth day of June 44451  
following the administration. 44452

(3) For assessments administered under this section by a 44453  
joint vocational school district, the department or entity shall 44454  
also send to each city, local, or exempted village school 44455  
district a list of the individual scores of any students of such 44456  
city, local, or exempted village school district who are 44457  
attending school in the joint vocational school district. 44458

(4) Beginning with the 2019-2020 school year, a school 44459  
district, other public school, or chartered nonpublic school may 44460  
administer the third-grade English language arts or mathematics 44461  
assessment, or both, in a paper format in any school year for 44462  
which the district board of education or school governing body 44463  
adopts a resolution indicating that the district or school 44464  
chooses to administer the assessment in a paper format. The 44465  
board or governing body shall submit a copy of the resolution to 44466  
the department of education and workforce not later than the 44467  
first day of May prior to the school year for which it will 44468  
apply. If the resolution is submitted, the district or school 44469  
shall administer the assessment in a paper format to all 44470  
students in the third grade, except that any student whose 44471  
individualized education program or plan developed under section 44472  
504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 44473  
794, as amended, specifies that taking the assessment in an 44474  
online format is an appropriate accommodation for the student 44475  
may take the assessment in an online format. 44476

(5) A classical school may administer all assessments 44477  
administered under this section in a paper format, except that 44478  
any student whose individualized education program or plan 44479  
developed under section 504 of the "Rehabilitation Act of 1973," 44480  
29 U.S.C. 794 specifies that taking the assessment in an online 44481  
format is an appropriate accommodation for the student may take 44482  
the assessment in an online format. 44483

(H) Individual scores on any assessments administered 44484  
under this section shall be released by a district board only in 44485  
accordance with section 3319.321 of the Revised Code and the 44486  
rules adopted under division (A) of this section. No district 44487  
board or its employees shall utilize individual or aggregate 44488  
results in any manner that conflicts with rules for the ethical 44489  
use of assessments adopted pursuant to division (A) of this 44490  
section. 44491

(I) Except as provided in division (G) of this section, 44492  
the department or an entity with which the department contracts 44493  
for the scoring of the assessment shall not release any 44494  
individual scores on any assessment administered under this 44495  
section. The department shall adopt rules to ensure the 44496  
protection of student confidentiality at all times. The rules 44497  
may require the use of the data verification codes assigned to 44498  
students pursuant to division (D) (2) of section 3301.0714 of the 44499  
Revised Code to protect the confidentiality of student scores. 44500

(J) Notwithstanding division (D) of section 3311.52 of the 44501  
Revised Code, this section does not apply to the board of 44502  
education of any cooperative education school district except as 44503  
provided under rules adopted pursuant to this division. 44504

(1) In accordance with rules that the department shall 44505  
adopt, the board of education of any city, exempted village, or 44506

local school district with territory in a cooperative education 44507  
school district established pursuant to divisions (A) to (C) of 44508  
section 3311.52 of the Revised Code may enter into an agreement 44509  
with the board of education of the cooperative education school 44510  
district for administering any assessment prescribed under this 44511  
section to students of the city, exempted village, or local 44512  
school district who are attending school in the cooperative 44513  
education school district. 44514

(2) In accordance with rules that the department shall 44515  
adopt, the board of education of any city, exempted village, or 44516  
local school district with territory in a cooperative education 44517  
school district established pursuant to section 3311.521 of the 44518  
Revised Code shall enter into an agreement with the cooperative 44519  
district that provides for the administration of any assessment 44520  
prescribed under this section to both of the following: 44521

(a) Students who are attending school in the cooperative 44522  
district and who, if the cooperative district were not 44523  
established, would be entitled to attend school in the city, 44524  
local, or exempted village school district pursuant to section 44525  
3313.64 or 3313.65 of the Revised Code; 44526

(b) Persons described in division (B) (8) (b) of this 44527  
section. 44528

Any assessment of students pursuant to such an agreement 44529  
shall be in lieu of any assessment of such students or persons 44530  
pursuant to this section. 44531

(K) (1) (a) Except as otherwise provided in division (K) (1) 44532  
or (2) of this section, each chartered nonpublic school for 44533  
which at least sixty-five per cent of its total enrollment is 44534  
made up of students who are participating in state scholarship 44535

programs shall administer the assessments prescribed by division 44536  
(A) of section 3301.0710 of the Revised Code or an alternative 44537  
standardized assessment determined by the department. In 44538  
accordance with procedures and deadlines prescribed by the 44539  
department, the parent or guardian of a student enrolled in the 44540  
school who is not participating in a state scholarship program 44541  
may submit notice to the chief administrative officer of the 44542  
school that the parent or guardian does not wish to have the 44543  
student take the assessments prescribed for the student's grade 44544  
level under division (A) of section 3301.0710 of the Revised 44545  
Code. If a parent or guardian submits an opt-out notice, the 44546  
school shall not administer the assessments to that student. 44547  
This option does not apply to any assessment required for a high 44548  
school diploma under section 3313.612 of the Revised Code. 44549

(b) Any chartered nonpublic school that enrolls students 44550  
who are participating in state scholarship programs may 44551  
administer an alternative standardized assessment determined by 44552  
the department instead of the assessments prescribed by division 44553  
(A) of section 3301.0710 of the Revised Code. 44554

Each chartered nonpublic school subject to division (K) (1) 44555  
(a) or (b) of this section shall report the results of each 44556  
assessment administered under those divisions to the department. 44557

(2) A chartered nonpublic school may submit to the 44558  
director of education and workforce a request for a waiver from 44559  
administering the elementary assessments prescribed by division 44560  
(A) of section 3301.0710 of the Revised Code. The director shall 44561  
approve or disapprove a request for a waiver submitted under 44562  
division (K) (2) of this section. 44563

To be eligible to submit a request for a waiver, a 44564  
chartered nonpublic school shall meet the following conditions: 44565

(a) At least ninety-five per cent of the students enrolled 44566  
in the school are children with disabilities, as defined under 44567  
section 3323.01 of the Revised Code, or have received a 44568  
diagnosis by a school district or from a physician, including a 44569  
neuropsychiatrist or psychiatrist, or a psychologist who is 44570  
authorized to practice in this or another state as having a 44571  
condition that impairs academic performance, such as dyslexia, 44572  
dyscalculia, attention deficit hyperactivity disorder, or 44573  
Asperger's syndrome. 44574

(b) The school has solely served a student population 44575  
described in division (K) (1) (a) of this section for at least ten 44576  
years. 44577

(c) The school provides to the department at least five 44578  
years of records of internal testing conducted by the school 44579  
that affords the department data required for accountability 44580  
purposes, including diagnostic assessments and nationally 44581  
standardized norm-referenced achievement assessments that 44582  
measure reading and math skills. 44583

(3) Any chartered nonpublic school that is not subject to 44584  
division (K) (1) of this section may participate in the 44585  
assessment program by administering any of the assessments 44586  
prescribed by division (A) of section 3301.0710 of the Revised 44587  
Code. The chief administrator of the school shall specify which 44588  
assessments the school will administer. Such specification shall 44589  
be made in writing to the director prior to the first day of 44590  
August of any school year in which assessments are administered 44591  
and shall include a pledge that the nonpublic school will 44592  
administer the specified assessments in the same manner as 44593  
public schools are required to do under this section and rules 44594  
adopted by the department. 44595

(4) The department shall furnish the assessments 44596  
prescribed by section 3301.0710 of the Revised Code to each 44597  
chartered nonpublic school that is subject to division (K) (1) of 44598  
this section or participates under division (K) (3) of this 44599  
section. 44600

(L) If a chartered nonpublic school is educating students 44601  
in grades nine through twelve, the following shall apply: 44602

(1) Except as provided in division (L) (4) of this section, 44603  
for a student who is enrolled in a chartered nonpublic school 44604  
that is accredited through the independent schools association 44605  
of the central states and who is attending the school under a 44606  
state scholarship program, the student shall either take all of 44607  
the assessments prescribed by division (B) of section 3301.0712 44608  
of the Revised Code or take an alternative assessment approved 44609  
by the department under section 3313.619 of the Revised Code. 44610  
However, a student who is excused from taking an assessment 44611  
under division (C) of this section or has presented evidence to 44612  
the chartered nonpublic school of having satisfied the condition 44613  
prescribed by division (A) (1) of section 3313.618 of the Revised 44614  
Code to qualify for a high school diploma prior to the date of 44615  
the administration of the assessment prescribed under division 44616  
(B) (1) of section 3301.0712 of the Revised Code shall not be 44617  
required to take that assessment. No governing authority of a 44618  
chartered nonpublic school shall prohibit a student who is not 44619  
required to take such assessment from taking the assessment. 44620

(2) For a student who is enrolled in a chartered nonpublic 44621  
school that is accredited through the independent schools 44622  
association of the central states, and who is not attending the 44623  
school under a state scholarship program, the student shall not 44624  
be required to take any assessment prescribed under section 44625

3301.0712 or 3313.619 of the Revised Code. 44626

(3) (a) Except as provided in divisions (L) (3) (b) and (4) 44627  
of this section, for a student who is enrolled in a chartered 44628  
nonpublic school that is not accredited through the independent 44629  
schools association of the central states, regardless of whether 44630  
the student is attending or is not attending the school under a 44631  
state scholarship program, the student shall do one of the 44632  
following: 44633

(i) Take all of the assessments prescribed by division (B) 44634  
of section 3301.0712 of the Revised Code; 44635

(ii) Take only the assessment prescribed by division (B) 44636  
(1) of section 3301.0712 of the Revised Code, provided that the 44637  
student's school publishes the results of that assessment for 44638  
each graduating class. The published results of that assessment 44639  
shall include the overall composite scores, mean scores, twenty- 44640  
fifth percentile scores, and seventy-fifth percentile scores for 44641  
each subject area of the assessment. 44642

(iii) Take an alternative assessment approved by the 44643  
department under section 3313.619 of the Revised Code. 44644

(b) A student who is excused from taking an assessment 44645  
under division (C) of this section or has presented evidence to 44646  
the chartered nonpublic school of having satisfied the condition 44647  
prescribed by division (A) (1) of section 3313.618 of the Revised 44648  
Code to qualify for a high school diploma prior to the date of 44649  
the administration of the assessment prescribed under division 44650  
(B) (1) of section 3301.0712 of the Revised Code shall not be 44651  
required to take that assessment. No governing authority of a 44652  
chartered nonpublic school shall prohibit a student who is not 44653  
required to take such assessment from taking the assessment. 44654

(4) The assessments prescribed by sections 3301.0712 and 3313.619 of the Revised Code shall not be administered to any student attending the school, if the school meets all of the following conditions:

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychologist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome.

(b) The school has solely served a student population described in division (L) (4) (a) of this section for at least ten years.

(c) The school makes available to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including growth in student achievement in reading or mathematics, or both, as measured by nationally norm-referenced assessments that have developed appropriate standards for students.

Division (L) (4) of this section applies to any student attending such school regardless of whether the student receives special education or related services and regardless of whether the student is attending the school under a state scholarship program.

(M) (1) The superintendent of Ohio deaf and blind education

services shall administer the assessments described by sections 44684  
3301.0710 and 3301.0712 of the Revised Code for the state school 44685  
for the blind and the state school for the deaf. The 44686  
superintendent of Ohio deaf and blind education services shall 44687  
administer the assessments in the same manner as district boards 44688  
are required to do under this section and rules adopted by the 44689  
department and in conformity with division (C)(1)(a) of this 44690  
section. 44691

(2) The department shall furnish the assessments described 44692  
by sections 3301.0710 and 3301.0712 of the Revised Code to the 44693  
superintendent of Ohio deaf and blind education services. 44694

(N) Notwithstanding division (E) of this section, a school 44695  
district may use a student's failure to attain a score in at 44696  
least the proficient range on the mathematics assessment 44697  
described by division (A)(1)(a) of section 3301.0710 of the 44698  
Revised Code or on an assessment described by division (A)(1) 44699  
(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised 44700  
Code as a factor in retaining that student in the current grade 44701  
level. 44702

(O)(1) In the manner specified in divisions (O)(3)~~7~~ and 44703  
(4)~~7~~, ~~(6)~~, and ~~(7)~~ of this section, the assessments required by 44704  
division (A)(1) of section 3301.0710 of the Revised Code shall 44705  
become public records pursuant to section 149.43 of the Revised 44706  
Code on the thirty-first day of July following the school year 44707  
that the assessments were administered. 44708

(2) The department may field test proposed questions with 44709  
samples of students to determine the validity, reliability, or 44710  
appropriateness of questions for possible inclusion in a future 44711  
year's assessment. The department also may use anchor questions 44712  
on assessments to ensure that different versions of the same 44713

assessment are of comparable difficulty.

44714

Field test questions and anchor questions shall not be considered in computing scores for individual students. Field test questions and anchor questions may be included as part of the administration of any assessment required by division (A) (1) or (B) of section 3301.0710 and division (B) of section 3301.0712 of the Revised Code.

(P) As used in this section: 44796

(1) "Three-year average" means the average of the most 44797  
recent consecutive three school years of data. 44798

(2) "Dropout" means a student who withdraws from school 44799

before completing course requirements for graduation and who is 44800  
not enrolled in an education program approved by the department 44801  
or an education program outside the state. "Dropout" does not 44802  
include a student who has departed the country. 44803

(3) "Graduation rate" means the ratio of students 44804  
receiving a diploma to the number of students who entered ninth 44805  
grade four years earlier. Students who transfer into the 44806  
district are added to the calculation. Students who transfer out 44807  
of the district for reasons other than dropout are subtracted 44808  
from the calculation. If a student who was a dropout in any 44809  
previous year returns to the same school district, that student 44810  
shall be entered into the calculation as if the student had 44811  
entered ninth grade four years before the graduation year of the 44812  
graduating class that the student joins. 44813

(4) "State scholarship programs" means the educational 44814  
choice scholarship pilot program established under sections 44815  
3310.01 to 3310.17 of the Revised Code, the autism scholarship 44816  
program established under section 3310.41 of the Revised Code, 44817  
the Jon Peterson special needs scholarship program established 44818  
under sections 3310.51 to 3310.64 of the Revised Code, and the 44819  
pilot project scholarship program established under sections 44820  
3313.974 to 3313.979 of the Revised Code. 44821

(5) "Other public school" means a community school 44822  
established under Chapter 3314., a STEM school established under 44823  
Chapter 3326., or a college-preparatory boarding school 44824  
established under Chapter 3328. of the Revised Code. 44825

(6) "English learner" has the same meaning as in section 44826  
3301.0731 of the Revised Code. 44827

(7) "Classical school" means a community school 44828

established under Chapter 3314. of the Revised Code that is a 44829  
member of the Ohio classical school association, or its 44830  
successor organization, and uses a curriculum substantially 44831  
similar to that of a nationally recognized classical school 44832  
network. 44833

**Sec. 3301.0712.** (A) The department of education and 44834  
workforce and the chancellor of higher education shall develop a 44835  
system of college and work ready assessments as described in 44836  
division (B) of this section to assess whether each student upon 44837  
graduating from high school is ready to enter college or the 44838  
workforce. Beginning with students who enter the ninth grade for 44839  
the first time on or after July 1, 2014, the system shall 44840  
replace the Ohio graduation tests prescribed in division (B)(1) 44841  
of section 3301.0710 of the Revised Code as a measure of student 44842  
academic performance and one determinant of eligibility for a 44843  
high school diploma in the manner prescribed by rule adopted 44844  
under division (D) of this section. 44845

(B) The college and work ready assessment system shall 44846  
consist of the following: 44847

(1) (a) Except as provided in division (B)(1)(b) of this 44848  
section, nationally standardized assessments that measure 44849  
college and career readiness and are used for college admission. 44850  
The assessments shall be selected jointly by the department and 44851  
the chancellor, and one of which shall be selected by each 44852  
school district or school to administer to its students. The 44853  
assessments prescribed under division (B)(1) of this section 44854  
shall be administered to all eleventh-grade students in the 44855  
spring of the school year. 44856

(b) Beginning with students who enter the ninth grade for 44857  
the first time on or after July 1, 2022, the parent or guardian 44858

of a student may elect not to have a nationally standardized 44859  
assessment administered to that student. In that event, the 44860  
student's school district or school shall not administer the 44861  
nationally standardized assessment to that student. 44862

(2) (a) Except as provided in division (B) (2) (b) of this 44863  
section, seven end-of-course examinations, one in each of the 44864  
areas of English language arts I, English language arts II, 44865  
science, Algebra I, geometry, American history, and American 44866  
government. The end-of-course examinations shall be selected 44867  
jointly by the department and the chancellor in consultation 44868  
with faculty in the appropriate subject areas at institutions of 44869  
higher education of the university system of Ohio. Advanced 44870  
placement examinations and international baccalaureate 44871  
examinations, as prescribed under section 3313.6013 of the 44872  
Revised Code, in the areas of science, American history, and 44873  
American government may be used as end-of-course examinations in 44874  
accordance with division (B) (4) (a) (i) of this section. Final 44875  
course grades for courses taken under any other advanced 44876  
standing program, as prescribed under section 3313.6013 of the 44877  
Revised Code, in the areas of science, American history, and 44878  
American government may be used in lieu of end-of-course 44879  
examinations in accordance with division (B) (4) (a) (ii) of this 44880  
section. 44881

(b) Beginning with students who enter ninth grade for the 44882  
first time on or after July 1, 2019, five end-of-course 44883  
examinations, one in each areas of English language arts II, 44884  
science, Algebra I, American history, and American government. 44885  
However, only the end-of-course examinations in English language 44886  
arts II and Algebra I shall be required for graduation. 44887

The department shall, as necessary to implement division 44888

(B) (2) (b) of this section, seek a waiver from the United States 44889  
secretary of education for testing requirements prescribed under 44890  
federal law to allow for the use and implementation of Algebra I 44891  
as the primary assessment of high school mathematics. If the 44892  
department does not receive a waiver under this division, the 44893  
end-of-course examinations for students described in division 44894  
(B) (2) (b) of this section also shall include an end-of-course 44895  
examination in the area of geometry. However, the geometry end- 44896  
of-course examination shall not be required for graduation. 44897

(3) The end-of-course examinations in American history and 44898  
American government shall require demonstration of mastery of 44899  
the American history and American government content for social 44900  
studies standards adopted under division (A) (1) (b) of section 44901  
3301.079 of the Revised Code and the topics required under 44902  
division (M) of section 3313.603 of the Revised Code. 44903

At least twenty per cent of the end-of-course examination 44904  
in American government shall address the topics on American 44905  
history and American government described in division (M) of 44906  
section 3313.603 of the Revised Code. 44907

(4) (a) Notwithstanding anything to the contrary in this 44908  
section, both of the following shall apply: 44909

(i) If a student is enrolled in an appropriate advanced 44910  
placement or international baccalaureate course, that student 44911  
shall take the advanced placement or international baccalaureate 44912  
examination in lieu of the science, American history, or 44913  
American government end-of-course examinations prescribed under 44914  
division (B) (2) of this section. The department shall specify 44915  
the score levels for each advanced placement examination and 44916  
international baccalaureate examination for purposes of 44917  
calculating the minimum cumulative performance score that 44918

demonstrates the level of academic achievement necessary to earn 44919  
a high school diploma. 44920

(ii) If a student is enrolled in an appropriate course 44921  
under any other advanced standing program, as described in 44922  
section 3313.6013 of the Revised Code, that student shall not be 44923  
required to take the science, American history, or American 44924  
government end-of-course examination, whichever is applicable, 44925  
prescribed under division (B) (2) of this section. Instead, that 44926  
student's final course grade shall be used in lieu of the 44927  
applicable end-of-course examination prescribed under that 44928  
section. The department, in consultation with the chancellor, 44929  
shall adopt guidelines for purposes of calculating the 44930  
corresponding final course grades that demonstrate the level of 44931  
academic achievement necessary to earn a high school diploma. 44932

Division (B) (4) (a) (ii) of this section shall apply only to 44933  
courses for which students receive transcribed credit, as 44934  
defined in section 3365.01 of the Revised Code. It shall not 44935  
apply to remedial or developmental courses. 44936

(b) No student shall take a substitute examination or 44937  
examination prescribed under division (B) (4) (a) of this section 44938  
in place of the end-of-course examinations in English language 44939  
arts I, English language arts II, Algebra I, or geometry 44940  
prescribed under division (B) (2) of this section. 44941

(c) The department shall consider additional assessments 44942  
that may be used as substitute examinations in lieu of the end- 44943  
of-course examinations prescribed under division (B) (2) of this 44944  
section. 44945

(5) The department shall do all of the following: 44946

(a) Determine and designate at least five ranges of scores 44947

on each of the end-of-course examinations prescribed under 44948  
division (B) (2) of this section, and substitute examinations 44949  
prescribed under division (B) (4) of this section. Not later than 44950  
sixty days after the designation of ranges of scores, the 44951  
director of education and workforce shall conduct a public 44952  
presentation before the standing committees of the house of 44953  
representatives and the senate that consider primary and 44954  
secondary education legislation regarding the designated range 44955  
of scores. Each range of scores shall be considered to 44956  
demonstrate a level of achievement so that any student attaining 44957  
a score within such range has achieved one of the following: 44958

(i) An advanced level of skill; 44959

(ii) An accomplished level of skill; 44960

(iii) A proficient level of skill; 44961

(iv) A basic level of skill; 44962

(v) A limited level of skill. 44963

(b) Determine a method by which to calculate a cumulative 44964  
performance score based on the results of a student's end-of- 44965  
course examinations or substitute examinations; 44966

(c) Determine the minimum cumulative performance score 44967  
that demonstrates the level of academic achievement necessary to 44968  
earn a high school diploma under division (A) (2) of section 44969  
3313.618 of the Revised Code. However, no new minimum cumulative 44970  
performance score shall be determined after October 17, 2019. 44971

(d) Develop a table of corresponding score equivalents for 44972  
the end-of-course examinations and substitute examinations in 44973  
order to calculate student performance consistently across the 44974  
different examinations. 44975

A score of two on an advanced placement examination or a 44976  
score of two or three on an international baccalaureate 44977  
examination shall be considered equivalent to a proficient level 44978  
of skill as specified under division (B) (5) (a) (iii) of this 44979  
section. 44980

(6) (a) A student who meets both of the following 44981  
conditions shall not be required to take an end-of-course 44982  
examination: 44983

(i) The student received high school credit prior to July 44984  
1, 2015, for a course for which the end-of-course examination is 44985  
prescribed. 44986

(ii) The examination was not available for administration 44987  
prior to July 1, 2015. 44988

Receipt of credit for the course described in division (B) 44989  
(6) (a) (i) of this section shall satisfy the requirement to take 44990  
the end-of-course examination. A student exempted under division 44991  
(B) (6) (a) of this section may take the applicable end-of-course 44992  
examination at a later date. 44993

(b) For purposes of determining whether a student who is 44994  
exempt from taking an end-of-course examination under division 44995  
(B) (6) (a) of this section has attained the cumulative score 44996  
prescribed by division (B) (5) (c) of this section, such student 44997  
shall select either of the following: 44998

(i) The student is considered to have attained a 44999  
proficient score on the end-of-course examination from which the 45000  
student is exempt; 45001

(ii) The student's final course grade shall be used in 45002  
lieu of a score on the end-of-course examination from which the 45003  
student is exempt. 45004

The department, in consultation with the chancellor, shall  
adopt guidelines for purposes of calculating the corresponding  
final course grades and the minimum cumulative performance score  
that demonstrates the level of academic achievement necessary to  
earn a high school diploma.

(7) (a) Notwithstanding anything to the contrary in this  
section, the department may replace the algebra I end-of-course  
examination prescribed under division (B) (2) of this section  
with an algebra II end-of-course examination, beginning with the  
2016-2017 school year for students who enter ninth grade on or  
after July 1, 2016.

(b) If the department replaces the algebra I end-of-course  
examination with an algebra II end-of-course examination as  
authorized under division (B) (7) (a) of this section, both of the  
following shall apply:

(i) A student who is enrolled in an advanced placement or  
international baccalaureate course in algebra II shall take the  
advanced placement or international baccalaureate examination in  
lieu of the algebra II end-of-course examination.

(ii) A student who is enrolled in an algebra II course  
under any other advanced standing program, as described in  
section 3313.6013 of the Revised Code, shall not be required to  
take the algebra II end-of-course examination. Instead, that  
student's final course grade shall be used in lieu of the  
examination.

(c) If a school district or school utilizes an integrated  
approach to mathematics instruction, the district or school may  
do either or both of the following:

(i) Administer an integrated mathematics I end-of-course

examination in lieu of the prescribed algebra I end-of-course examination; 45034  
45035

(ii) Administer an integrated mathematics II end-of-course examination in lieu of the prescribed geometry end-of-course examination. 45036  
45037  
45038

(8) (a) For students entering the ninth grade for the first time on or after July 1, 2014, but prior to July 1, 2015, the assessment in the area of science shall be physical science or biology. For students entering the ninth grade for the first time on or after July 1, 2015, the assessment in the area of science shall be biology. 45039

data as required by this section, the district shall bear the 45594  
full cost of conducting the hearing and of issuing any revised 45595  
report card. 45596

excess state funds in any fiscal year, the district shall 45599  
reimburse the department an amount equal to the excess funds, in 45600  
accordance with a payment schedule determined by the department. 45601

sections 3319.31 and 3319.311 of the Revised Code, may suspend 45621

conduct a public presentation before the standing committees of 46625  
the house of representatives and the senate that consider 46626  
education legislation describing such methods, including 46627  
performance benchmarks. 46628

(4) There shall not be an overall letter grade for a 46629  
school district or building for the 2013-2014, 2014-2015, 2015- 46630  
2016, and 2016-2017 school years. 46631

(C) (1) For the 2014-2015, 2015-2016, 2016-2017, 2017-2018, 46632  
2018-2019, 2019-2020, and 2020-2021 school years, the department 46633  
shall issue grades as described in division (F) of this section 46634  
for each of the performance measures prescribed in division (C) 46635  
(1) of this section. The graded measures are as follows: 46636

(a) Annual measurable objectives. For the 2017-2018 school 46637  
year, the department shall not include any subgroup data in the 46638  
annual measurable objectives that includes data from fewer than 46639  
twenty-five students. For the 2018-2019 school year, the 46640

department shall not include any subgroup data in the annual 46641  
measurable objectives that includes data from fewer than twenty 46642  
students. Beginning with the 2019-2020 school year, the 46643  
department shall not include any subgroup data in the annual 46644  
measurable objectives that includes data from fewer than fifteen 46645  
students. 46646

(b) Performance index score for a school district or 46647  
building. Grades shall be awarded as a percentage of the total 46648  
possible points on the performance index system as created by 46649  
the department. In adopting benchmarks for assigning letter 46650  
grades under division (C) (1) (b) of this section, the department 46651  
shall designate ninety per cent or higher for an "A," at least 46652  
seventy per cent but not more than eighty per cent for a "C," 46653  
and less than fifty per cent for an "F." 46654

(c) The extent to which the school district or building 46655  
meets each of the applicable performance indicators established 46656  
by the department under section 3302.03 of the Revised Code and 46657  
the percentage of applicable performance indicators that have 46658  
been achieved. In adopting benchmarks for assigning letter 46659  
grades under division (C) (1) (c) of this section, the department 46660  
shall designate ninety per cent or higher for an "A." 46661

adopted by the department, of a school district or building, for 46666  
which the department shall use up to three years of value-added 46667  
data as available. 46668

In adopting benchmarks for assigning letter grades for 46669

overall score on value-added progress dimension under division 46670  
(C) (1) (e) of this section, the department shall prohibit the 46671  
assigning of a grade of "A" for that measure unless the 46672  
district's or building's grade assigned for value-added progress 46673  
dimension for all subgroups under division (C) (1) (f) of this 46674  
section is a "C" or higher. 46675

For the metric prescribed by division (C) (1) (e) of this 46676  
section, the department may adopt a student academic progress 46677  
measure to be used instead of the value-added progress 46678  
dimension. If the department adopts such a measure, it also 46679  
shall prescribe a method for assigning letter grades for the new 46680  
measure that is comparable to the method prescribed in division 46681  
(A) (1) (e) of this section. 46682

(f) The value-added progress dimension score of a school 46683  
district or building disaggregated for each of the following 46684  
subgroups: students identified as gifted in superior cognitive 46685  
ability and specific academic ability fields under Chapter 3324. 46686  
of the Revised Code, students with disabilities, and students 46687  
whose performance places them in the lowest quintile for 46688  
achievement on a statewide basis, as determined by a method 46689  
prescribed by the department. Each subgroup shall be a separate 46690  
graded measure. 46691

The department may adopt student academic progress 46692  
measures to be used instead of the value-added progress 46693  
dimension. If the department adopts such measures, it also shall 46694  
prescribe a method for assigning letter grades for the new 46695  
measures that is comparable to the method prescribed in division 46696  
(A) (1) (e) of this section. 46697

(g) Whether a school district or building is making 46698  
progress in improving literacy in grades kindergarten through 46699

three, as determined using a method prescribed by the 46700  
department. The department shall adopt rules to prescribe 46701  
benchmarks and standards for assigning grades to a district or 46702  
building for purposes of division (C) (1) (g) of this section. The 46703  
department shall designate for a "C" grade a value that is not 46704  
lower than the statewide average value for this measure. No 46705  
grade shall be issued under division (C) (1) (g) of this section 46706  
for a district or building in which less than five per cent of 46707  
students have scored below grade level on the kindergarten 46708  
diagnostic assessment under division (B) (1) of section 3313.608 46709  
of the Revised Code. 46710

(h) For a high mobility school district or building, an 46711  
additional value-added progress dimension score. For this 46712  
measure, the department shall use value-added data from the most 46713  
recent school year available and shall use assessment scores for 46714  
only those students to whom the district or building has 46715  
administered the assessments prescribed by section 3301.0710 of 46716  
the Revised Code for each of the two most recent consecutive 46717  
school years. 46718

As used in this division, "high mobility school district 46719  
or building" means a school district or building where at least 46720  
twenty-five per cent of its total enrollment is made up of 46721  
students who have attended that school district or building for 46722  
less than one year. 46723

(2) In addition to the graded measures in division (C) (1) 46724  
of this section, the department shall include on a school 46725  
district's or building's report card all of the following 46726  
without an assigned letter grade: 46727

(a) The percentage of students enrolled in a district or 46728  
building who have taken a national standardized test used for 46729

college admission determinations and the percentage of those 46730  
students who are determined to be remediation-free in accordance 46731  
with the standards adopted under division (F) of section 46732  
3345.061 of the Revised Code; 46733

(b) The percentage of students enrolled in a district or 46734  
building participating in advanced placement classes and the 46735  
percentage of those students who received a score of three or 46736  
better on advanced placement examinations; 46737

(c) The percentage of a district's or building's students 46738  
who have earned at least three college credits through advanced 46739  
standing programs, such as the college credit plus program under 46740  
Chapter 3365. of the Revised Code and state-approved career- 46741  
technical courses offered through dual enrollment or statewide 46742  
articulation, that appear on a student's college transcript 46743  
issued by the institution of higher education from which the 46744  
student earned the college credit. The credits earned that are 46745  
reported under divisions (B) (2) (b) and (C) (2) (c) of this section 46746  
shall not include any that are remedial or developmental and 46747  
shall include those that count toward the curriculum 46748  
requirements established for completion of a degree. 46749

(d) The percentage of the district's or building's 46750  
students who receive an honor's diploma under division (B) of 46751  
section 3313.61 of the Revised Code; 46752

under section 3313.6113 of the Revised Code; 46755

(f) The percentage of students enrolled in a district or 46756  
building who are participating in an international baccalaureate 46757  
program and the percentage of those students who receive a score 46758

of four or better on the international baccalaureate 46759  
examinations; 46760

(g) The results of the college and career-ready 46761  
assessments administered under division (B)(1) of section 46762  
3301.0712 of the Revised Code; 46763

(h) Whether the school district or building has 46764  
implemented a positive behavior intervention and supports 46765  
framework in compliance with the requirements of section 3319.46 46766  
of the Revised Code, notated as a "yes" or "no" answer. 46767

(3) The department shall adopt rules pursuant to Chapter 46768  
119. of the Revised Code that establish a method to assign an 46769  
overall grade for a school district or school building for the 46770  
2017-2018 school year and each school year thereafter. The rules 46771  
shall group the performance measures in divisions (C)(1) and (2) 46772  
of this section into the following components: 46773

(a) Gap closing, which shall include the performance 46774  
measure in division (C)(1)(a) of this section; 46775

(b) Achievement, which shall include the performance 46776  
measures in divisions (C)(1)(b) and (c) of this section; 46777

(c) Progress, which shall include the performance measures 46778  
in divisions (C)(1)(e) and (f) of this section; 46779

(d) Graduation, which shall include the performance 46780  
measure in division (C)(1)(d) of this section; 46781

(e) Kindergarten through third-grade literacy, which shall 46782  
include the performance measure in division (C)(1)(g) of this 46783  
section; 46784

(f) Prepared for success, which shall include the 46785  
performance measures in divisions (C)(2)(a), (b), (c), (d), (e), 46786

and (f) of this section. The department shall develop a method 46787  
to determine a grade for the component in division (C)(3)(f) of 46788  
this section using the performance measures in divisions (C)(2) 46789  
(a), (b), (c), (d), (e), and (f) of this section. When 46790  
available, the department may incorporate the performance 46791  
measure under division (C)(2)(g) of this section into the 46792  
component under division (C)(3)(f) of this section. When 46793  
determining the overall grade for the prepared for success 46794  
component prescribed by division (C)(3)(f) of this section, no 46795  
individual student shall be counted in more than one performance 46796  
measure. However, if a student qualifies for more than one 46797  
performance measure in the component, the department may, in its 46798  
method to determine a grade for the component, specify an 46799  
additional weight for such a student that is not greater than or 46800  
equal to 1.0. In determining the overall score under division 46801  
(C)(3)(f) of this section, the department shall ensure that the 46802  
pool of students included in the performance measures aggregated 46803  
under that division are all of the students included in the 46804  
four- and five-year adjusted graduation cohort. 46805

In the rules adopted under division (C)(3) of this 46806  
section, the department shall adopt a method for determining a 46807  
grade for each component in divisions (C)(3)(a) to (f) of this 46808  
section. The department also shall establish a method to assign 46809  
an overall grade of "A," "B," "C," "D," or "F" using the grades 46810  
assigned for each component. The method the department adopts 46811  
for assigning an overall grade shall give equal weight to the 46812  
components in divisions (C)(3)(b) and (c) of this section. 46813

At least forty-five days prior to the department's 46814  
adoption of rules to prescribe the methods for calculating the 46815  
overall grade for the report card, as required by this division, 46816  
the department shall conduct a public presentation before the 46817

standing committees of the house of representatives and the 46818  
senate that consider education legislation describing the format 46819  
for the report card, weights that will be assigned to the 46820  
components of the overall grade, and the method for calculating 46821  
the overall grade. 46822

(D) For the 2021-2022 school year and each school year 46823  
thereafter, all of the following apply: 46824

(1) The department shall include on a school district's or 46825  
building's report card all of the following performance measures 46826  
without an assigned performance rating: 46827

(a) Whether the district or building meets the gifted 46828  
performance indicator under division (A) (2) of section 3302.02 46829  
of the Revised Code and the extent to which the district or 46830  
building meets gifted indicator performance benchmarks; 46831

(b) The extent to which the district or building meets the 46832  
chronic absenteeism indicator under division (A) (3) of section 46833  
3302.02 of the Revised Code; 46834

(c) Performance index score percentage for a district or 46835  
building, which shall be calculated by dividing the district's 46836  
or building's performance index score according to the 46837  
performance index system created by the department by the 46838  
maximum performance index score for a district or building. The 46839  
maximum performance index score shall be as follows: 46840

(i) For a building, the average of the highest two per 46841  
cent of performance index scores achieved by a building for the 46842  
school year for which a report card is issued; 46843

(ii) For a district, the average of the highest two per 46844  
cent of performance index scores achieved by a district for the 46845  
school year for which a report card is issued. 46846

(d) The overall score under the value-added progress 46847  
dimension of a district or building, for which the department 46848  
shall use three consecutive years of value-added data. In using 46849  
three years of value-added data to calculate the measure 46850  
prescribed under division (D)(1)(d) of this section, the 46851  
department shall assign a weight of fifty per cent to the most 46852  
recent year's data and a weight of twenty-five per cent to the 46853  
data of each of the other years. However, if three consecutive 46854  
years of value-added data is not available, the department shall 46855  
use prior years of value-added data to calculate the measure, as 46856  
follows: 46857

(i) If two consecutive years of value-added data is not 46858  
available, the department shall use one year of value-added data 46859  
to calculate the measure. 46860

(ii) If two consecutive years of value-added data is 46861  
available, the department shall use two consecutive years of 46862  
value-added data to calculate the measure. In using two years of 46863  
value-added data to calculate the measure, the department shall 46864  
assign a weight of sixty-seven per cent to the most recent 46865  
year's data and a weight of thirty-three per cent to the data of 46866  
the other year. 46867

(e) The four-year adjusted cohort graduation rate. 46868

(f) The five-year adjusted cohort graduation rate. 46869

(g) The percentage of students in the district or building 46870  
who score proficient or higher on the reading segment of the 46871  
third grade English language arts assessment under section 46872  
3301.0710 of the Revised Code. 46873

To the extent possible, the department shall include the 46874  
results of the summer administration of the third grade reading 46875

assessment under section 3301.0710 of the Revised Code in the 46876  
performance measures prescribed under divisions (D) (1) (g) and 46877  
(h) of this section. 46878

(h) Whether a district or building is making progress in 46879  
improving literacy in grades kindergarten through three, as 46880  
determined using a method prescribed by the department. The 46881  
method shall determine progress made based on the reduction in 46882  
the total percentage of students scoring below grade level, or 46883  
below proficient, compared from year to year on the reading 46884  
segments of the diagnostic assessments administered under\_ 46885  
division (A) (1) of section 3301.0715 of the Revised Code, 46886  
~~including the kindergarten readiness assessment,~~ and the third 46887  
grade English language arts assessment under section 3301.0710 46888  
of the Revised Code, as applicable. The method shall not include 46889  
a deduction for students who did not pass the third grade 46890  
English language arts assessment under section 3301.0710 of the 46891  
Revised Code and were not on a reading improvement and 46892  
monitoring plan. 46893

The performance measure prescribed under division (D) (1) 46894  
(h) of this section shall not be included on the report card of 46895  
a district or building in which less than ten per cent of 46896  
students have scored below grade level on the diagnostic 46897  
assessment administered to students in kindergarten under 46898  
division (B) (1) of section 3313.608 of the Revised Code. 46899

(i) The percentage of students in a district or building 46900  
who are promoted to the fourth grade ~~and not subject to~~ 46901  
~~retention under division (A) (2) of section 3313.608 of the~~ 46902  
~~Revised Code~~ based on the student's score on the third grade 46903  
English language arts assessment under division (A) (3) of 46904  
section 3301.0710 of the Revised Code or demonstrate competency 46905

on an alternative assessment under division (A) (2) (c) of section 46906  
3313.608 of the Revised Code; 46907

(j) A post-secondary readiness measure. This measure shall 46908  
be calculated by dividing the number of students included in the 46909  
four-year adjusted graduation rate cohort who demonstrate post- 46910  
secondary readiness by the total number of students included in 46911  
the denominator of the four-year adjusted graduation rate 46912  
cohort. Demonstration of post-secondary readiness shall include 46913  
a student doing any of the following: 46914

(i) Attaining a remediation-free score, in accordance with 46915  
standards adopted under division (F) of section 3345.061 of the 46916  
Revised Code, on a nationally standardized assessment prescribed 46917  
under division (B) (1) of section 3301.0712 of the Revised Code; 46918

(ii) Attaining required scores on three or more advanced 46919  
placement, college-level examination program, or international 46920  
baccalaureate examinations. The required score for an advanced 46921  
placement examination shall be a three or better. The required 46922  
score for a college-level examination program examination shall 46923  
be a passing score, as determined by the department. The 46924  
required score for an international baccalaureate examination 46925  
shall be a four or better. A student may satisfy this condition 46926  
with any combination of advanced placement, college-level 46927  
examination program, or international baccalaureate 46928  
examinations. 46929

(iii) Earning at least twelve college credits through 46930  
advanced standing programs, such as the college credit plus 46931  
program under Chapter 3365. of the Revised Code, an early 46932  
college high school program under section 3313.6013 of the 46933  
Revised Code, and state-approved career-technical courses 46934  
offered through dual enrollment or statewide articulation, that 46935

appear on a student's college transcript issued by the 46936  
institution of higher education from which the student earned 46937  
the college credit. Earned credits reported under division (D) 46938  
(1)(j)(iii) of this section shall include credits that count 46939  
toward the curriculum requirements established for completion of 46940  
a degree, but shall not include any remedial or developmental 46941

(vi) Satisfying any of the following conditions: 46949

section 5910.01 of the Revised Code. 46973

A student who satisfies more than one of the conditions 46974

offered prior to the fourth grade in the district or building. 47134

(3) Except as provided in division (D) (3) (f) of this 47135  
section, the department shall use the method prescribed under 47136  
rules adopted under division (D) (4) of this section to assign 47137  
performance ratings of "one star," "two stars," "three stars," 47138  
"four stars," or "five stars," as described in division (F) of 47139  
this section, for a district or building for the individual 47140  
components prescribed under division (D) (3) of this section. The 47141  
department also shall assign an overall performance rating for a 47142  
district or building in accordance with division (D) (3) (g) of 47143  
this section. The method shall use the performance measures 47144  
prescribed under division (D) (1) of this section to calculate 47145  
performance ratings for components. The method may report data 47146  
under division (D) (2) of this section with corresponding 47147  
components, but shall not use the data to calculate performance 47148  
ratings for that component. The performance measures and 47149  
reported data shall be grouped together into components as 47150  
follows: 47151

(a) Gap closing. In addition to other criteria determined 47152  
appropriate by the department, performance ratings for the gap 47153  
closing component shall reflect whether each of the following 47154  
performance measures are met or not met: 47155

(i) The gifted performance indicator as described in 47156  
division (D) (1) (a) of this section; 47157

(ii) The chronic absenteeism indicator as described in 47158  
division (D) (1) (b) of this section; 47159

(iii) For English learners, an English language 47160

proficiency improvement indicator established by the department; 47161

(iv) The subgroup graduation targets; 47162

(v) The subgroup achievement targets in both mathematics 47163  
and English language arts; 47164

(vi) The subgroup progress targets in both mathematics and 47165  
English language arts. 47166

Achievement and progress targets under division (D) (3) (a) 47167  
of this section shall be calculated individually, and districts 47168  
and buildings shall receive a status of met or not met on each 47169  
measure. The department shall not require a subgroup of a 47170  
district or building to meet both the achievement and progress 47171  
targets at the same time to receive a status of met. 47172

The department shall not include any subgroup data in this 47173  
measure that includes data from fewer than fifteen students. Any 47174  
penalty for failing to meet the required assessment 47175  
participation rate must be partially in proportion to how close 47176  
the district or building was to meeting the rate requirement. 47177

(b) Achievement, which shall include the performance 47178  
measure in division (D) (1) (c) of this section and the reported 47179  
data in division (D) (2) (a) of this section. Performance ratings 47180  
for the achievement component shall be awarded as a percentage 47181  
of the maximum performance index score described in division (D) 47182  
(1) (c) of this section. 47183

(c) Progress, which shall include the performance measure 47184  
in division (D) (1) (d) of this section and the reported data in 47185  
divisions (D) (2) (b) and (c) of this section; 47186

(d) Graduation, which shall include the performance 47187  
measures in divisions (D) (1) (e) and (f) of this section and the 47188

reported data in divisions (D) (2) (d) and (j) of this section. 47189  
The four-year adjusted cohort graduation rate shall be assigned 47190  
a weight of sixty per cent and the five-year adjusted cohort 47191  
graduation rate shall be assigned a weight of forty per cent~~+~~. 47192

(e) Early literacy, which shall include the performance 47193  
measures in divisions (D) (1) (g), (h), and (i) of this section 47194  
and the reported data in ~~divisions (D) (2) (e) and (1)~~ division (D) 47195  
(2) (k) of this section. 47196

If the measure prescribed under division (D) (1) (h) of this 47197  
section is included in a report card, performance ratings for 47198  
the early literacy component shall give a weight of forty per 47199  
cent to the measure prescribed under division (D) (1) (g) of this 47200  
section, a weight of thirty-five per cent to the measure 47201  
prescribed under division (D) (1) (i) of this section, and a 47202  
weight of twenty-five per cent to the measure prescribed under 47203  
division (D) (1) (h) of this section. 47204

If the measure prescribed under division (D) (1) (h) of this 47205  
section is not included in a report card of a district or 47206  
building, performance ratings for the early literacy component 47207  
shall give a weight of sixty per cent to the measure prescribed 47208  
under division (D) (1) (g) of this section and a weight of forty 47209  
per cent to the measure prescribed under division (D) (1) (i) of 47210  
this section. 47211

(f) College, career, workforce, and military readiness, 47212  
which shall include the performance measure in division (D) (1) 47213  
(j) of this section and the reported data in division ~~(D) (2) (f)~~ 47214  
(D) (2) (e) of this section. 47215

For the 2021-2022, 2022-2023, and 2023-2024 school years, 47216  
the department only shall report the data for, and not assign a 47217

performance rating to, the college, career, workforce, and 47218  
military readiness component. The reported data shall include 47219  
the percentage of students who demonstrate post-secondary 47220  
readiness using any of the options described in division (D) (1) 47221  
(j) of this section. 47222

The department shall analyze the data included in the 47223  
performance measure prescribed in division (D) (1) (j) of this 47224  
section for the 2021-2022, 2022-2023, and 2023-2024 school 47225  
years. Using that data, the department shall develop and propose 47226  
rules for a method to assign a performance rating to the 47227  
college, career, workforce, and military readiness component 47228  
based on that measure. The method to assign a performance rating 47229  
shall not include a tiered structure or per student bonuses. The 47230  
rules shall specify that a district or building shall not 47231  
receive lower than a performance rating of three stars for the 47232  
component if the district's or building's performance on the 47233  
component meets or exceeds a level of improvement set by the 47234  
department. Notwithstanding division (D) (4) (b) of this section, 47235  
more than half of the total districts and buildings may earn a 47236  
performance rating of three stars on this component to account 47237  
for the districts and buildings that earned a performance rating 47238  
of three stars because they met or exceeded the level of 47239  
improvement set by the department. 47240

The department shall submit the rules to the joint 47241  
committee on agency rule review. The committee shall conduct at 47242  
least one public hearing on the proposed rules and approve or 47243  
disapprove the rules. If the committee approves the rules, the 47244  
department shall adopt the rules in accordance with Chapter 119. 47245  
of the Revised Code. If the rules are adopted, the department 47246  
shall assign a performance rating to the college, career, 47247  
workforce, and military readiness component under the rules 47248

beginning with the 2024-2025 school year, and for each school 47249  
year thereafter. If the committee disapproves the rules, the 47250  
component shall be included in the report card only as reported 47251  
data for the 2024-2025 school year, and each school year 47252  
thereafter. 47253

(g) (i) Except as provided for in division (D) (3) (g) (ii) of 47254  
this section, beginning with the 2022-2023 school year, under 47255  
the method prescribed under rules adopted in division (D) (4) of 47256  
this section, the department shall use the performance ratings 47257  
assigned for the components prescribed in divisions (D) (3) (a) to 47258  
(e) of this section to determine and assign an overall 47259  
performance rating of "one star," "one and one-half stars," "two 47260  
stars," "two and one-half stars," "three stars," "three and one- 47261  
half stars," "four stars," "four and one-half stars," or "five 47262  
stars" for a district or building. The method shall give equal 47263  
weight to the components in divisions (D) (3) (b) and (c) of this 47264  
section. The method shall give equal weight to the components in 47265  
divisions (D) (3) (a), (d), and (e) of this section. The 47266  
individual weights of each of the components prescribed in 47267  
divisions (D) (3) (a), (d), and (e) of this section shall be equal 47268  
to one-half of the weight given to the component prescribed in 47269  
division (D) (3) (b) of this section. 47270

(ii) If the joint committee on agency rule review approves 47271  
the department's rules regarding the college, career, workforce, 47272  
and military readiness component as described in division (D) (3) 47273  
(f) of this section, for the 2024-2025 school year, and each 47274  
school year thereafter, the department's method shall use the 47275  
components in divisions (D) (3) (a), (b), (c), (d), (e), and (f) 47276  
of this section to calculate the overall performance rating. The 47277  
method shall give equal weight to the components in divisions 47278  
(D) (3) (b) and (c) of this section. The method shall give equal 47279

weight to the components prescribed in divisions (D) (3) (a), (d), 47280  
(e), and (f) of this section. The individual weights of each of 47281  
the components prescribed in divisions (D) (3) (a), (d), (e), and 47282  
(f) of this section shall be equal to one-half the weight given 47283  
to the component prescribed in division (D) (3) (b) of this 47284  
section. 47285

If the joint committee on agency rule review disapproves 47286  
the department's rules regarding the college, career, workforce, 47287  
and military readiness component as described in division (D) (3) 47288  
(f) of this section, division (D) (3) (g) (ii) of this section does 47289  
not apply. 47290

(4) (a) The department shall adopt rules in accordance with 47291  
Chapter 119. of the Revised Code to establish the performance 47292  
criteria, benchmarks, and rating system necessary to implement 47293  
divisions (D) and (F) of this section, including the method for 47294  
the department to assign performance ratings under division (D) 47295  
(3) of this section. 47296

(b) In establishing the performance criteria, benchmarks, 47297  
and rating system, the department shall consult with stakeholder 47298  
groups and advocates that represent parents, community members, 47299  
students, business leaders, and educators from different school 47300  
typology regions. The department shall use data from prior 47301  
school years and simulations to ensure that there is meaningful 47302  
differentiation among districts and buildings across all 47303  
performance ratings and that, except as permitted in division 47304  
(D) (3) (f) of this section, more than half of all districts or 47305  
buildings do not earn the same performance rating in any 47306  
component or overall performance rating. 47307

(c) The department shall adopt the rules prescribed by 47308  
division (D) (4) of this section not later than March 31, 2022. 47309

However, the department shall notify districts and buildings of 47310  
the changes to the report card prescribed in law not later than 47311  
one week after September 30, 2021. 47312

(d) Prior to adopting or updating rules under division (D) 47313  
(4) of this section, the director of education and workforce and 47314  
the department shall conduct a public presentation before the 47315  
standing committees of the house of representatives and the 47316  
senate that consider primary and secondary education legislation 47317  
describing the format for the report card and the performance 47318  
criteria, benchmarks, and rating system, including the method to 47319  
assign performance ratings under division (D) (3) of this 47320  
section. 47321

(E) The department may develop a measure of student 47322  
academic progress for high school students using only data from 47323  
assessments in English language arts and mathematics. If the 47324  
department develops this measure, each school district and 47325  
applicable school building shall be assigned a separate letter 47326  
grade for it not sooner than the 2017-2018 school year. The 47327  
district's or building's grade for that measure shall not be 47328  
included in determining the district's or building's overall 47329  
letter grade. 47330

(F) (1) The letter grades assigned to a school district or 47331  
building under this section shall be as follows: 47332

(a) "A" for a district or school making excellent 47333  
progress; 47334

(b) "B" for a district or school making above average 47335  
progress; 47336

(c) "C" for a district or school making average progress; 47337

(d) "D" for a district or school making below average 47338

progress; 47339

(e) "F" for a district or school failing to meet minimum 47340  
progress. 47341

(2) For the overall performance rating under division (D) 47342  
(3) of this section, the department shall include a descriptor 47343  
for each performance rating as follows: 47344

(a) "Significantly exceeds state standards" for a 47345  
performance rating of five stars; 47346

(b) "Exceeds state standards" for a performance rating of 47347  
four stars or four and one-half stars; 47348

(c) "Meets state standards" for a performance rating of 47349  
three stars or three and one-half stars; 47350

(d) "Needs support to meet state standards" for a 47351  
performance rating of two stars or two and one-half stars; 47352

(e) "Needs significant support to meet state standards" 47353  
for a performance rating of one star or one and one-half stars. 47354

(3) For performance ratings for each component under 47355  
divisions (D) (3) (a) to (f) of this section, the department shall 47356  
include a description of each component and performance rating. 47357  
The description shall include component-specific context to each 47358  
performance rating earned, estimated comparisons to other school 47359  
districts and buildings if appropriate, and any other 47360  
information determined by the department. The descriptions shall 47361  
be not longer than twenty-five words in length when possible. In 47362  
addition to such descriptions, the department shall include the 47363  
descriptors in division (F) (2) of this section for component 47364  
performance ratings. 47365

(4) Each report card issued under this section shall 47366

include all of the following: 47367

(a) A graphic that depicts the performance ratings of a 47368  
district or school on a color scale. The color associated with a 47369  
performance rating of three stars shall be green and the color 47370  
associated with a performance rating of one star shall be red. 47371

(b) An arrow graphic that shows data trends for 47372  
performance ratings for school districts or buildings. The 47373  
department shall determine the data to be used for this graphic, 47374  
which shall include at least the three most recent years of 47375  
data. 47376

(c) A description regarding the weights that are assigned 47377  
to each component and used to determine an overall performance 47378  
rating, as prescribed under division (D) (3) (g) of this section, 47379  
which shall be included in the presentation of the overall 47380  
performance rating on each report card. 47381

(G) When reporting data on student achievement and 47382  
progress, the department shall disaggregate that data according 47383  
to the following categories: 47384

(1) Performance of students by grade-level; 47385

(7) Document the career advising provided to each student 50627  
for review by the student, the student's parent, guardian, or 50628  
custodian, and future schools that the student may attend. A 50629  
district shall not otherwise release this information without 50630

the written consent of the student, if the student is at least 50633  
eighteen years old. 50634

(8) Prepare students for their transition from high school 50635  
to their post-secondary destinations, including any special 50636  
interventions that are necessary for students in need of 50637

informational materials that illustrate cost saving estimates 50655  
for each of the options listed under division (B) (10) of this 50656  
section. The chancellor shall develop a list of individual 50657  
college courses that are transferable under section 3333.16 of 50658  
the Revised Code. 50659

(C) (1) Beginning in the 2015-2016 school year, each 50660  
district shall identify students who are at risk of dropping out 50661  
of school using a method that is both research-based and 50662  
locally-based and that is developed with input from the 50663  
district's classroom teachers and guidance counselors. If a 50664  
student is identified as at risk of dropping out of school, the 50665  
district shall develop a student success plan that addresses the 50666  
student's academic pathway to a successful graduation and the 50667  
role of career-technical education, competency-based education, 50668  
and experiential learning, as appropriate, in that pathway. 50669

(2) Prior to developing a student success plan for a 50670  
student, the district shall invite the student's parent, 50671

student's parent, guardian, or custodian does not participate in 50673  
the development of the plan, the district shall provide to the 50674  
parent, guardian, or custodian a copy of the student's success 50675  
plan and a statement of the importance of a high school diploma 50676  
and the academic pathways available to the student in order to 50677  
successfully graduate. 50678

(3) Following the development of a student success plan 50679  
for a student, the district shall provide career advising to the 50680  
student that is aligned with the plan and, beginning in the 50681  
2015-2016 school year, the district's plan to provide career 50682  
advising created under division (B) (2) of this section. 50683

research related to proven practices for policies on career 50688  
advising and student success plans that districts may access 50689  
when fulfilling the requirements of this section. 50690

(3) The department shall develop and make available 50691  
informational materials for students in grades seven and eight 50692

graduation conditions under section 3313.618 of the Revised 50696  
Code. 50697

(4) The department, in consultation with the governor's 50698  
office of workforce transformation, shall develop a career 50699  
pathways resource for students. Each school district shall 50700  
distribute the resource, at least annually and in the manner 50701  
prescribed by the department, to all students in grades six to 50702  
twelve. 50703

**Sec. 3313.6022.** (A) As used in this section, "released 50704  
time" means a period of time during which a student is excused 50705  
from school to attend a course in religious instruction 50706  
conducted by a private entity off school district property. 50707

(B) A school district board of education shall adopt a 50708  
policy that authorizes a student to be excused from school to 50709  
attend a released time course in religious instruction for at 50710  
least thirty-three periods per school year, provided that each 50711  
of the following applies: 50712

(1) The student's parent or guardian gives written 50713  
consent. 50714

(2) The sponsoring entity maintains attendance records and 50715  
makes them available to the school district the student attends. 50716

(3) Transportation to and from the place of instruction, 50717  
including transportation for students with disabilities, is the 50718  
complete responsibility of the sponsoring entity, parent, 50719  
guardian, or student. 50720

(4) The sponsoring entity makes provisions for and assumes 50721  
liability for the student. 50722

(5) No public funds are expended and no public school 50723  
personnel are involved in providing the religious instruction. 50724

(6) The student assumes responsibility for any missed 50725  
schoolwork. 50726

While in attendance in a released time course in religious 50727  
instruction, a student shall not be considered absent from 50728  
school. No student may be released from a core curriculum 50729  
subject course to attend a religious instruction course. 50730

(C) A school district board of education shall collaborate 50731  
with a sponsoring entity of a released time course in religious 50732  
instruction to identify a time to offer the course during the 50733  
school day. 50734

(D) A policy adopted under division (B) of this section 50735  
shall not prohibit students from bringing external educational 50736  
and program materials into school. 50737

(E) A policy adopted under division (B) of this section 50738  
may authorize high school students to earn up to two units of 50739  
high school credit for the completion of a released time course 50740

in religious instruction. In determining whether to award credit 50741  
for completion of such a course, the board shall evaluate the 50742  
course based on purely secular criteria that are substantially 50743  
the same criteria used to evaluate similar nonpublic high school 50744  
courses for purposes of determining whether to award credit for 50745  
such courses to a student transferring from a nonpublic high 50746  
school to a public high school. However, there shall be no 50747  
criteria requiring that released time courses be completed only 50748  
at a nonpublic school. The decision to award credit for a 50749  
released time course of religious instruction shall be neutral 50750  
to, and shall not involve any test for, religious content or 50751  
denominational affiliation. 50752

For purposes of this division, secular criteria may 50753  
include, but are not limited to, the following: 50754

- (1) The number of hours of classroom instruction time; 50755
- (2) A review of the course syllabus that reflects course 50756  
requirements and materials used; 50757
- (3) The methods of assessment used in the course; 50758
- (4) The qualifications of the course instructor, which 50759  
shall be similar to the qualifications of other teachers within 50760  
the district. 50761

Notwithstanding division (C) (8) of section 3313.603 of the 50762  
Revised Code, high school credit awarded to a student for a 50763  
released time course in religious instruction may substitute for 50764  
the same amount of credit in subjects listed in that division. 50765

~~(E)~~ (F) A school district, member of a school district 50766  
board of education, or school district employee is not liable in 50767  
damages in a civil action for injury allegedly arising during a 50768  
student's transportation to or from a place of instruction when 50769

private transportation is used under a released time policy 50770  
adopted under this section. This division does not eliminate, 50771  
limit, or reduce any other immunity or defense that a school 50772  
district, member of a school district board of education, or 50773  
school district employee may be entitled to under Chapter 2744. 50774  
or any other provision of the Revised Code or under the common 50775  
law of this state. 50776

**Sec. 3313.6024.** (A) Annually each school district and 50777

and skills to engage in healthy behaviors and decision-making 50783  
and to increase their awareness of the dangers and consequences 50784

resides; 51847

(b) If the child's parent is not a resident of this state, 51848  
the home in which the child resides. 51849

(4) Division (C) (4) of this section applies to any child 51850  
who is admitted to a school district under division (B) (2) of 51851  
this section, resides in a home that is not a foster home, a 51852  
home maintained by the department of youth services, a detention 51853  
facility established under section 2152.41 of the Revised Code, 51854  
or a juvenile facility established under section 2151.65 of the 51855  
Revised Code, and receives educational services at the home or 51856  
facility in which the child resides pursuant to a contract 51857  
between the home or facility and the school district providing 51858  
those services. 51859

If a child to whom division (C) (4) of this section applies 51860  
is a special education student, a district may choose whether to 51861  
receive a tuition payment for that child under division (C) (4) 51862  
of this section or to receive a payment for that child under 51863  
section 3323.14 of the Revised Code. If a district chooses to 51864  
receive a payment for that child under section 3323.14 of the 51865  
Revised Code, it shall not receive a tuition payment for that 51866  
child under division (C) (4) of this section. 51867

If a child to whom division (C) (4) of this section applies 51868  
is not a special education student, a district shall receive a 51869  
tuition payment for that child under division (C) (4) of this 51870  
section. 51871

In the case of a child to which division (C) (4) of this 51872

section applies, the total educational cost to be paid for the 51873  
child shall be determined by a formula approved by the 51874  
department of education and workforce, which formula shall be 51875  
designed to calculate a per diem cost for the educational 51876  
services provided to the child for each day the child is served 51877  
and shall reflect the total actual cost incurred in providing 51878  
those services. The department shall certify the total 51879  
educational cost to be paid for the child to both the school 51880  
district providing the educational services and, if different, 51881  
the school district that is responsible to pay tuition for the 51882  
child. The department shall deduct the certified amount from the 51883  
state basic aid funds payable under Chapter 3317. of the Revised 51884  
Code to the district responsible to pay tuition and shall pay 51885  
that amount to the district providing the educational services 51886  
to the child. 51887

(5) In the case of a child to whom division (B) (4) of this 51888  
section applies, and except as otherwise provided in division 51889  
(C) (5) (f) of this section, tuition shall be paid to the home or 51890  
facility for educational services provided to the child by the 51891  
school district in which the child's parent resides according to 51892  
the following: 51893

(a) The total educational cost to be paid for the child 51894  
shall be determined by a formula approved by the department of 51895  
education and workforce. The department shall design the formula 51896  
to calculate a per diem cost for the educational services 51897  
provided to the child for each day the child is served and shall 51898  
reflect the total actual cost incurred in providing those 51899  
services. The department shall certify the total educational 51900  
cost to be paid for the child to both the home or facility 51901  
providing the educational services and the district that is 51902  
responsible to pay the tuition for the child. The department 51903

shall deduct the certified amount from the state basic aid funds 51904  
payable under Chapter 3317. of the Revised Code to the district 51905  
responsible to pay tuition and shall pay that amount to the home 51906  
or facility providing the educational services to the child. 51907

(b) The district responsible to pay tuition shall continue 51908  
to report the child in its enrollment for purposes of section 51909  
3317.03 of the Revised Code. 51910

(c) If the parent's residence changes to a different 51911  
school district while the child resides in the home or facility, 51912  
the department of education and workforce may re-determine the 51913  
school district responsible for tuition based on evidence 51914  
provided by the district currently responsible for tuition. 51915

(d) Upon a child's discharge from the home or facility, 51916  
the home or facility shall immediately notify the district where 51917  
the child's parent resides and the department of education and 51918  
workforce. The notification shall include a certified transcript 51919  
of all coursework completed by the child while residing in the 51920  
home or facility. The district where the child's parent resides 51921  
shall accept all coursework completed by the child while in the 51922  
home or facility and shall award credit for that coursework in 51923  
accordance with district policy. 51924

(e) Following discharge from the home or facility and 51925  
return to the parent's residence, high school students shall 51926  
meet requirements under section 3313.618 of the Revised Code in 51927  
order to qualify for a high school diploma that are no more 51928  
stringent than those that apply to students who enroll into an 51929  
Ohio public or chartered nonpublic high school after receiving a 51930  
home education under section 3321.042 of the Revised Code. 51931

(f) If the child is provided educational services by a 51932

chartered nonpublic school while residing in a home and the 51933  
child has been awarded a scholarship under a state scholarship 51934  
program, as defined in section 3301.0711 of the Revised Code, no 51935  
school district shall be responsible for paying tuition under 51936  
division (C) (5) of this section. 51937

(D) Tuition required to be paid under divisions (C) (2) and 51938  
(3) (a) of this section shall be computed in accordance with 51939  
section 3317.08 of the Revised Code. Tuition required to be paid 51940  
under division (C) (3) (b) of this section shall be computed in 51941  
accordance with section 3317.081 of the Revised Code. If a home 51942  
fails to pay the tuition required by division (C) (3) (b) of this 51943  
section, the board of education providing the education may 51944  
recover in a civil action the tuition and the expenses incurred 51945  
in prosecuting the action, including court costs and reasonable 51946  
attorney's fees. If the prosecuting attorney or city director of 51947  
law represents the board in such action, costs and reasonable 51948  
attorney's fees awarded by the court, based upon the prosecuting 51949  
attorney's, director's, or one of their designee's time spent 51950  
preparing and presenting the case, shall be deposited in the 51951  
county or city general fund. 51952

(E) A board of education may enroll a child free of any 51953  
tuition obligation for a period not to exceed sixty days, on the 51954  
sworn statement of an adult resident of the district that the 51955  
resident has initiated legal proceedings for custody of the 51956  
child. 51957

(F) In the case of any individual entitled to attend 51958  
school under this division, no tuition shall be charged by the 51959  
school district of attendance and no other school district shall 51960  
be required to pay tuition for the individual's attendance. 51961  
Notwithstanding division (B), (C), or (E) of this section: 51962

(1) All persons at least eighteen but under twenty-two 51963  
years of age who live apart from their parents, support 51964  
themselves by their own labor, and have not successfully 51965  
completed the high school curriculum or the individualized 51966  
education program developed for the person by the high school 51967  
pursuant to section 3323.08 of the Revised Code, are entitled to 51968  
attend school in the district in which they reside. 51969

(2) Any child under eighteen years of age who is married 51970  
is entitled to attend school in the child's district of 51971  
residence. 51972

(3) A child is entitled to attend school in the district 51973  
in which either of the child's parents is employed if the child 51974  
has a medical condition that may require emergency medical 51975  
attention. The parent of a child entitled to attend school under 51976  
division (F) (3) of this section shall submit to the board of 51977  
education of the district in which the parent is employed a 51978  
statement from the child's physician, certified nurse-midwife, 51979  
clinical nurse specialist, or certified nurse practitioner 51980  
certifying that the child's medical condition may require 51981  
emergency medical attention. The statement shall be supported by 51982  
such other evidence as the board may require. 51983

(4) Any child residing with a person other than the 51984  
child's parent is entitled, for a period not to exceed twelve 51985  
months, to attend school in the district in which that person 51986  
resides if the child's parent files an affidavit with the 51987  
superintendent of the district in which the person with whom the 51988  
child is living resides stating all of the following: 51989

(a) That the parent is serving outside of the state in the 51990  
armed services of the United States; 51991

(b) That the parent intends to reside in the district upon	51992
returning to this state;	51993
(c) The name and address of the person with whom the child	51994
is living while the parent is outside the state.	51995
(5) Any child under the age of twenty-two years who, after	51996
the death of a parent, resides in a school district other than	51997
the district in which the child attended school at the time of	51998
the parent's death is entitled to continue to attend school in	51999
the district in which the child attended school at the time of	52000
the parent's death for the remainder of the school year, subject	52001
to approval of that district board.	52002
(6) A child under the age of twenty-two years who resides	52003
with a parent who is having a new house built in a school	52004
district outside the district where the parent is residing is	52005
entitled to attend school for a period of time in the district	52006
where the new house is being built. In order to be entitled to	52007
such attendance, the parent shall provide the district	52008
superintendent with the following:	52009
(a) A sworn statement explaining the situation, revealing	52010
the location of the house being built, and stating the parent's	52011
intention to reside there upon its completion;	52012
(b) A statement from the builder confirming that a new	52013
house is being built for the parent and that the house is at the	52014
location indicated in the parent's statement.	52015
(7) A child under the age of twenty-two years residing	52016
with a parent who has a contract to purchase a house in a school	52017
district outside the district where the parent is residing and	52018
who is waiting upon the date of closing of the mortgage loan for	52019
the purchase of such house is entitled to attend school for a	52020

period of time in the district where the house is being 52021  
purchased. In order to be entitled to such attendance, the 52022  
parent shall provide the district superintendent with the 52023  
following: 52024

(a) A sworn statement explaining the situation, revealing 52025  
the location of the house being purchased, and stating the 52026  
parent's intent to reside there; 52027

(b) A statement from a real estate broker or bank officer 52028  
confirming that the parent has a contract to purchase the house, 52029  
that the parent is waiting upon the date of closing of the 52030  
mortgage loan, and that the house is at the location indicated 52031  
in the parent's statement. 52032

The district superintendent shall establish a period of 52033  
time not to exceed ninety days during which the child entitled 52034  
to attend school under division (F) (6) or (7) of this section 52035  
may attend without tuition obligation. A student attending a 52036  
school under division (F) (6) or (7) of this section shall be 52037  
eligible to participate in interscholastic athletics under the 52038  
auspices of that school, provided the board of education of the 52039  
school district where the student's parent resides, by a formal 52040  
action, releases the student to participate in interscholastic 52041  
athletics at the school where the student is attending, and 52042  
provided the student receives any authorization required by a 52043  
public agency or private organization of which the school 52044  
district is a member exercising authority over interscholastic 52045  
sports. 52046

(8) A child whose parent is a full-time employee of a 52047  
city, local, or exempted village school district, or of an 52048  
educational service center, may be admitted to the schools of 52049  
the district where the child's parent is employed, or in the 52050

case of a child whose parent is employed by an educational 52051  
service center, in the district that serves the location where 52052  
the parent's job is primarily located, provided the district 52053  
board of education establishes such an admission policy by 52054  
resolution adopted by a majority of its members. Any such policy 52055  
shall take effect on the first day of the school year and the 52056  
effective date of any amendment or repeal may not be prior to 52057  
the first day of the subsequent school year. The policy shall be 52058  
uniformly applied to all such children and shall provide for the 52059  
admission of any such child upon request of the parent. No child 52060  
may be admitted under this policy after the first day of classes 52061  
of any school year. 52062

(9) A child who is with the child's parent under the care 52063  
of a shelter for victims of domestic violence, as defined in 52064  
section 3113.33 of the Revised Code, is entitled to attend 52065  
school free in the district in which the child is with the 52066  
child's parent, and no other school district shall be required 52067  
to pay tuition for the child's attendance in that school 52068  
district. 52069

The enrollment of a child in a school district under this 52070  
division shall not be denied due to a delay in the school 52071  
district's receipt of any records required under section 52072  
3313.672 of the Revised Code or any other records required for 52073  
enrollment. Any days of attendance and any credits earned by a 52074  
child while enrolled in a school district under this division 52075  
shall be transferred to and accepted by any school district in 52076  
which the child subsequently enrolls. The department of 52077  
education and workforce shall adopt rules to ensure compliance 52078  
with this division. 52079

(10) Any child under the age of twenty-two years whose 52080

parent has moved out of the school district after the 52081  
commencement of classes in the child's senior year of high 52082  
school is entitled, subject to the approval of that district 52083  
board, to attend school in the district in which the child 52084  
attended school at the time of the parental move for the 52085  
remainder of the school year and for one additional semester or 52086  
equivalent term. A district board may also adopt a policy 52087  
specifying extenuating circumstances under which a student may 52088  
continue to attend school under division (F)(10) of this section 52089  
for an additional period of time in order to successfully 52090  
complete the high school curriculum for the individualized 52091  
education program developed for the student by the high school 52092  
pursuant to section 3323.08 of the Revised Code. 52093

(11) As used in this division, "grandparent" means a 52094  
parent of a parent of a child. A child under the age of twenty- 52095  
two years who is in the custody of the child's parent, resides 52096  
with a grandparent, and does not require special education is 52097  
entitled to attend the schools of the district in which the 52098  
child's grandparent resides, provided that, prior to such 52099  
attendance in any school year, the board of education of the 52100  
school district in which the child's grandparent resides and the 52101  
board of education of the school district in which the child's 52102  
parent resides enter into a written agreement specifying that 52103  
good cause exists for such attendance, describing the nature of 52104  
this good cause, and consenting to such attendance. 52105

In lieu of a consent form signed by a parent, a board of 52106  
education may request the grandparent of a child attending 52107  
school in the district in which the grandparent resides pursuant 52108  
to division (F)(11) of this section to complete any consent form 52109  
required by the district, including any authorization required 52110  
by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the 52111

Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F) (11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(a) The superintendent of the district in which the child is entitled to attend school under division (B), (C), or (E) of this section contacts the superintendent of another district for purposes of this division;

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of

the Revised Code, the board of education of neither school 52141  
district involved in the agreement is required to provide 52142  
transportation for the student to and from the school where the 52143  
student attends. 52144

A student attending a school of a district pursuant to 52145  
this division shall be allowed to participate in all student 52146  
activities, including interscholastic athletics, at the school 52147  
where the student is attending on the same basis as any student 52148  
who has always attended the schools of that district while of 52149  
compulsory school age. 52150

(13) All school districts shall comply with the "McKinney- 52151  
Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for 52152  
the education of homeless children. Each city, local, and 52153  
exempted village school district shall comply with the 52154  
requirements of that act governing the provision of a free, 52155  
appropriate public education, including public preschool, to 52156  
each homeless child. 52157

When a child loses permanent housing and becomes a 52158  
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 52159  
child who is such a homeless person changes temporary living 52160  
arrangements, the child's parent or guardian shall have the 52161  
option of enrolling the child in either of the following: 52162

(a) The child's school of origin, as defined in 42 52163  
U.S.C.A. 11432(g) (3) (C); 52164

(b) The school that is operated by the school district in 52165  
which the shelter where the child currently resides is located 52166  
and that serves the geographic area in which the shelter is 52167  
located. 52168

(14) A child under the age of twenty-two years who resides 52169

with a person other than the child's parent is entitled to 52170  
attend school in the school district in which that person 52171  
resides if both of the following apply: 52172

(a) That person has been appointed, through a military 52173  
power of attorney executed under section 574(a) of the "National 52174  
Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 52175  
(1993), 10 U.S.C. 1044b, or through a comparable document 52176  
necessary to complete a family care plan, as the parent's agent 52177  
for the care, custody, and control of the child while the parent 52178  
is on active duty as a member of the national guard or a reserve 52179  
unit of the armed forces of the United States or because the 52180  
parent is a member of the armed forces of the United States and 52181  
is on a duty assignment away from the parent's residence. 52182

(b) The military power of attorney or comparable document 52183  
includes at least the authority to enroll the child in school. 52184

The entitlement to attend school in the district in which 52185  
the parent's agent under the military power of attorney or 52186  
comparable document resides applies until the end of the school 52187  
year in which the military power of attorney or comparable 52188  
document expires. 52189

(G) A board of education, after approving admission, may 52190  
waive tuition for students who will temporarily reside in the 52191  
district and who are either of the following: 52192

(1) Residents or domiciliaries of a foreign nation who 52193  
request admission as foreign exchange students; 52194

(2) Residents or domiciliaries of the United States but 52195  
not of Ohio who request admission as participants in an exchange 52196  
program operated by a student exchange organization. 52197

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 52198

3323.04, 3327.04, and 3327.06 of the Revised Code, a child may 52199  
attend school or participate in a special education program in a 52200  
school district other than in the district where the child is 52201  
entitled to attend school under division (B) of this section. 52202

(I) (1) Notwithstanding anything to the contrary in this 52203  
section or section 3313.65 of the Revised Code, a child under 52204  
twenty-two years of age may attend school in the school district 52205  
in which the child, at the end of the first full week of October 52206  
of the school year, was entitled to attend school as otherwise 52207  
provided under this section or section 3313.65 of the Revised 52208  
Code, if at that time the child was enrolled in the schools of 52209  
the district but since that time the child or the child's parent 52210  
has relocated to a new address located outside of that school 52211  
district and within the same county as the child's or parent's 52212  
address immediately prior to the relocation. The child may 52213  
continue to attend school in the district, and at the school to 52214  
which the child was assigned at the end of the first full week 52215  
of October of the current school year, for the balance of the 52216  
school year. Division (I) (1) of this section applies only if 52217  
both of the following conditions are satisfied: 52218

(a) The board of education of the school district in which 52219  
the child was entitled to attend school at the end of the first 52220  
full week in October and of the district to which the child or 52221  
child's parent has relocated each has adopted a policy to enroll 52222  
children described in division (I) (1) of this section. 52223

(b) The child's parent provides written notification of 52224  
the relocation outside of the school district to the 52225  
superintendent of each of the two school districts. 52226

(2) At the beginning of the school year following the 52227  
school year in which the child or the child's parent relocated 52228

outside of the school district as described in division (I) (1) 52229  
of this section, the child is not entitled to attend school in 52230  
the school district under that division. 52231

(3) Any person or entity owing tuition to the school 52232  
district on behalf of the child at the end of the first full 52233  
week in October, as provided in division (C) of this section, 52234  
shall continue to owe such tuition to the district for the 52235  
child's attendance under division (I) (1) of this section for the 52236  
lesser of the balance of the school year or the balance of the 52237

(D) (1) The governing authority of a community school may 52619  
adopt a resolution waiving the requirement that the governing 52620  
authority is the party responsible to employ or contract with 52621  
the designated fiscal officer, as prescribed by division (A) of 52622  
this section, so long as the school's sponsor also approves the 52623  
resolution. The resolution shall be valid for one year. A new 52624  
resolution shall be adopted for each year that the governing 52625  
authority wishes to waive this requirement, so long as the 52626  
school's sponsor also approves the resolution. 52627

No resolution adopted pursuant to this division may waive 52628  
the requirement for a community school to have a designated 52629  
fiscal officer. 52630

(2) If the governing authority adopts a resolution 52631  
pursuant to division (D) (1) of this section, the school's 52632  
designated fiscal officer annually shall meet with the governing 52633  
authority to review the school's financial status. 52634

(3) The governing authority shall submit to the department 52635

of education and workforce a copy of each resolution adopted 52636  
pursuant to division (D)(1) of this section. 52637

**Sec. 3314.013.** (A) Until May 22, 2013, no internet- or 52638  
computer-based community school shall operate unless the school 52639  
was open for instruction as of May 1, 2005. No entity described 52640  
in division (C)(1) of section 3314.02 of the Revised Code shall 52641  
enter into a contract to sponsor an internet- or computer-based 52642  
community school, including a conversion school, between May 1, 52643  
2005, and May 22, 2013, except as follows: 52644

(1) The entity may renew a contract that the entity 52645  
entered into with an internet- or computer-based community 52646  
school prior to May 1, 2005, if the school was open for 52647  
operation as of that date. 52648

(2) The entity may assume sponsorship of an existing 52649  
internet- or computer-based community school that was formerly 52650  
sponsored by another entity and may enter into a contract with 52651  
that community school in accordance with section 3314.03 of the 52652  
Revised Code. 52653

If a sponsor entered into a contract with an internet- or 52654  
computer-based community school, including a conversion school, 52655  
but the school was not open for operation as of May 1, 2005, the 52656  
contract shall be void and the entity shall not enter into 52657  
another contract with the school until May 22, 2013. 52658

(B)(1) Beginning on July 1, 2013, up to five new internet- 52659  
or computer-based community schools may open each year, subject 52660  
to approval of the director of education and workforce under 52661  
division (B)(2) of this section. 52662

(2) The director shall approve applications for new 52663  
internet- or computer-based community schools from only those 52664

applicants demonstrating experience and quality. 52665

The department of education and workforce shall adopt 52666  
rules prescribing measures to determine experience and quality 52667  
of applicants in accordance with Chapter 119. of the Revised 52668  
Code. The measures shall include, but not be limited to, the 52669  
following considerations: 52670

(a) The sponsor's experience with online schools; 52671

(b) The operator's experience with online schools; 52672

(c) The sponsor's and operator's previous record for 52673  
student performance; 52674

(d) A preference for operators with previous experience in 52675  
Ohio. 52676

(3) The department shall notify any new internet- or 52677  
computer-based community school governed by division (B) of this 52678  
section of whether the director has approved or disapproved the 52679  
school's application to open for the 2013-2014 school year not 52680  
later than July 1, 2013. Notwithstanding the dates prescribed 52681  
for adoption and signing on sponsor contracts in division (D) of 52682  
section 3314.02 of the Revised Code, or the date for opening a 52683  
school for instruction required by division (A) (25) of section 52684  
3314.03 of the Revised Code, a new internet- or computer-based 52685  
community school approved for opening for the 2013-2014 school 52686  
year under division (B) of this section may open and operate in 52687  
that school year regardless of whether it has complied with 52688  
those contract and opening dates. For each school year 52689  
thereafter, the school shall comply with all applicable 52690  
provisions of this chapter. 52691

(4) Notwithstanding divisions (B) (1) and (2) of this 52692  
section, a sponsor rated "exemplary" on its most recent 52693

evaluation conducted under section 3314.016 of the Revised Code 52694  
is permitted to open up to two new internet- or computer-based 52695  
community schools that ~~will primarily serve students enrolled in~~ 52696  
~~a~~ are dropout prevention and recovery ~~program~~ community schools 52697  
each year, not to exceed six new schools in a five-year period. 52698

(C) Nothing in division (A) or (B) of this section 52699  
prohibits an internet- or computer-based community school from 52700  
increasing the number of grade levels it offers. 52701

**Sec. 3314.015.** (A) The department of education and 52702  
workforce shall be responsible for the oversight of any and all 52703  
sponsors of the community schools established under this chapter 52704  
and shall provide technical assistance to schools and sponsors 52705  
in their compliance with applicable laws and the terms of the 52706  
contracts entered into under section 3314.03 of the Revised Code 52707  
and in the development and start-up activities of those schools. 52708  
In carrying out its duties under this section, the department 52709  
shall do all of the following: 52710

(1) In providing technical assistance to proposing 52711  
parties, governing authorities, and sponsors, conduct training 52712  
sessions and distribute informational materials; 52713

(2) Approve entities to be sponsors of community schools; 52714

(3) Monitor and evaluate, as required under section 52715  
3314.016 of the Revised Code, the effectiveness of any and all 52716  
sponsors in their oversight of the schools with which they have 52717  
contracted; 52718

(4) By December thirty-first of each year, issue a report 52719  
to the governor, the speaker of the house of representatives, 52720  
the president of the senate, and the chairpersons of the house 52721  
and senate committees principally responsible for education 52722

matters regarding the effectiveness of academic programs, 52723  
operations, and legal compliance and of the financial condition 52724  
of all community schools established under this chapter and on 52725  
the performance of community school sponsors; 52726

(5) From time to time, make legislative recommendations to 52727  
the general assembly designed to enhance the operation and 52728  
performance of community schools. 52729

(B) (1) Except as provided in sections 3314.021 and 52730  
3314.027 of the Revised Code, no entity shall enter into a 52731  
preliminary agreement under division (C) (2) of section 3314.02 52732  
of the Revised Code or renew an existing contract to sponsor a 52733  
community school until it has received approval from the 52734  
department to sponsor community schools under this chapter and 52735  
has entered into a written agreement with the department 52736  
regarding the manner in which the entity will conduct such 52737  
sponsorship. 52738

On and after July 1, 2017, each entity that sponsors a 52739  
community school in this state, except for an entity described 52740  
in sections 3314.021 and 3314.027 of the Revised Code, shall 52741  
attain approval from the department in order to continue 52742  
sponsoring schools regardless of whether that entity intends to 52743  
enter into a preliminary agreement or renew an existing 52744  
contract. 52745

All new and renewed agreements between the department and 52746  
a sponsor shall contain specific language addressing the 52747  
parameters under which the department can intervene and 52748  
potentially revoke sponsorship authority in the event that the 52749  
sponsor is unwilling or unable to fulfill its obligations. 52750  
Additionally, each agreement shall set forth any territorial 52751  
restrictions and limits on the number of schools that entity may 52752

sponsor, provide for an annual evaluation process, and include a 52753  
stipulation permitting the department to modify the agreement 52754  
under the following circumstances: 52755

(a) Poor fiscal management; 52756

(b) Lack of academic progress. 52757

(2) The initial term of a sponsor's agreement with the 52758  
department shall be for up to five years. 52759

(a) An agreement entered into with the department pursuant 52760  
to this section may be renewed for a term of up to ten years 52761  
using the following criteria: 52762

(i) The academic performance of students enrolled in each 52763  
community school the entity sponsors, as determined by the 52764  
department pursuant to division (B) (1) (a) of section 3314.016 of 52765  
the Revised Code; 52766

(ii) The sponsor's adherence to quality practices, as 52767  
determined by the department pursuant to division (B) (1) (b) of 52768  
section 3314.016 of the Revised Code; 52769

(iii) The sponsor's compliance with all applicable laws 52770  
and administrative rules. 52771

(b) Each agreement between the department and a sponsor 52772  
shall specify that entities with an overall rating of 52773  
"exemplary" for at least two consecutive years shall not be 52774  
subject to the limit on the number of community schools the 52775  
entity may sponsor or any territorial restrictions on 52776  
sponsorship, for so long as that entity continues to be rated 52777  
"exemplary." 52778

(c) The department shall adopt in accordance with Chapter 52779  
119. of the Revised Code rules containing criteria, procedures, 52780

and deadlines for processing applications for approval of 52781  
sponsors, for oversight of sponsors, for notifying a sponsor of 52782  
noncompliance with applicable laws and administrative rules 52783  
under division (F) of this section, for revocation of the 52784  
approval of sponsors under division (C) of this section, and for 52785  
entering into written agreements with sponsors. The rules shall 52786  
require an entity to submit evidence of the entity's ability and 52787  
willingness to comply with the provisions of division ~~(D)~~(C) of 52788  
section 3314.03 of the Revised Code. The rules also shall 52789  
require all entities approved as sponsors to demonstrate a 52790  
record of financial responsibility and successful implementation 52791  
of educational programs. If an entity seeking approval to 52792  
sponsor community schools in this state sponsors or operates 52793  
schools in another state, at least one of the schools sponsored 52794  
or operated by the entity must be comparable to or better than 52795  
the performance of Ohio schools in need of continuous 52796  
improvement under section 3302.03 of the Revised Code, as 52797  
determined by the department. 52798

Subject to section 3314.016 of the Revised Code, an entity 52799  
that sponsors community schools may enter into preliminary 52800  
agreements and sponsor up to one hundred schools, provided each 52801  
school and the contract for sponsorship meets the requirements 52802  
of this chapter. A sponsor that was rated "exemplary" on its 52803  
most recent rating under section 3314.016 of the Revised Code 52804  
may sponsor up to two hundred such schools. 52805

(3) The department shall determine, pursuant to criteria 52806  
specified in rules adopted in accordance with Chapter 119. of 52807  
the Revised Code, whether the mission proposed to be specified 52808  
in the contract of a community school to be sponsored by a state 52809  
university board of trustees or the board's designee under 52810  
division (C) (1) (e) of section 3314.02 of the Revised Code 52811

complies with the requirements of that division. Such 52812  
determination of the department is final. 52813

(4) The department shall determine, pursuant to criteria 52814  
specified in rules adopted in accordance with Chapter 119. of 52815  
the Revised Code, if any tax-exempt entity under section 501(c) 52816  
(3) of the Internal Revenue Code that is proposed to be a 52817  
sponsor of a community school is an education-oriented entity 52818  
for purpose of satisfying the condition prescribed in division 52819  
(C) (1) (f) (iii) of section 3314.02 of the Revised Code. Such 52820  
determination of the department is final. 52821

(C) If at any time the department finds that a sponsor is 52822  
not in compliance or is no longer willing to comply with its 52823  
contract with any community school or with the department's 52824  
rules for sponsorship, the department shall conduct a hearing in 52825  
accordance with Chapter 119. of the Revised Code on that matter. 52826  
If after the hearing, the department has confirmed the original 52827  
finding, it may revoke the sponsor's approval to sponsor 52828  
community schools. In that case, the department's office of Ohio 52829  
school sponsorship, established under section 3314.029 of the 52830  
Revised Code, may assume the sponsorship of any schools with 52831  
which the sponsor has contracted until the earlier of the 52832  
expiration of two school years or until a new sponsor as 52833  
described in division (C) (1) of section 3314.02 of the Revised 52834  
Code is secured by the school's governing authority. The office 52835  
of Ohio school sponsorship may extend the term of the contract 52836  
in the case of a school for which it has assumed sponsorship 52837  
under this division as necessary to accommodate the term of the 52838  
department's authorization to sponsor the school specified in 52839  
this division. Community schools sponsored under this division 52840  
shall not apply to the limit on directly authorized community 52841  
schools under division (A) (3) of section 3314.029 of the Revised 52842

Code. However, nothing in this division shall preclude a 52843  
community school affected by this division from applying for 52844  
sponsorship under that section. 52845

(D) The decision of the department to disapprove an entity 52846  
for sponsorship of a community school or to revoke approval for 52847  
such sponsorship under division (C) of this section, may be 52848  
appealed by the entity in accordance with section 119.12 of the 52849  
Revised Code. 52850

(E) The department shall adopt procedures for use by a 52851  
community school governing authority and sponsor when the school 52852  
permanently closes and ceases operation, which shall include at 52853  
least procedures for data reporting to the department, handling 52854  
of student records, distribution of assets in accordance with 52855  
section 3314.074 of the Revised Code, and other matters related 52856  
to ceasing operation of the school. 52857

(F) (1) In lieu of revoking a sponsor's authority to 52858  
sponsor community schools under division (C) of this section, if 52859  
the department finds that a sponsor is not in compliance with 52860  
applicable laws and administrative rules, the department shall 52861  
declare in a written notice to the sponsor the specific laws or 52862  
rules, or both, for which the sponsor is noncompliant. A sponsor 52863  
notified under division (F) (1) of this section shall respond to 52864  
the department not later than fourteen days after the 52865  
notification with a proposed plan to remedy the conditions for 52866  
which the sponsor was found to be noncompliant. The department 52867  
shall approve or disapprove the plan not later than fourteen 52868  
days after receiving it. If the plan is disapproved, the sponsor 52869  
may submit a revised plan to the department not later than 52870  
fourteen days after receiving notification of disapproval from 52871  
the department or not later than sixty days after the date the 52872

sponsor received notification of noncompliance from the 52873  
department, whichever is earlier. The department shall approve 52874  
or disapprove the revised plan not later than fourteen days 52875  
after receiving it or not later than sixty days after the date 52876  
the sponsor received notification of noncompliance from the 52877  
department, whichever is earlier. A sponsor may continue to make 52878  
revisions by the deadlines prescribed in division (F)(1) of this 52879  
section to any revised plan that is disapproved by the 52880  
department until the sixtieth day after the date the sponsor 52881  
received notification of noncompliance from the department. 52882

If a plan or a revised plan is approved, the sponsor shall 52883  
implement it not later than sixty days after the date the 52884  
sponsor received notification of noncompliance from the 52885  
department or not later than thirty days after the plan is 52886  
approved, whichever is later. If a sponsor does not respond to 52887  
the department or implement an approved compliance plan by the 52888  
deadlines prescribed by division (F)(1) of this section, or if a 52889  
sponsor does not receive approval of a compliance plan on or 52890  
before the sixtieth day after the date the sponsor received 52891  
notification of noncompliance from the department, the 52892  
department shall declare in written notice to the sponsor that 52893  
the sponsor is in probationary status, and may limit the 52894  
sponsor's ability to sponsor additional schools. 52895

(2) A sponsor that has been placed on probationary status 52896  
under division (F)(1) of this section may apply to the 52897  
department for its probationary status to be lifted. The 52898  
application for a sponsor's probationary status to be lifted 52899  
shall include evidence, occurring after the initial notification 52900  
of noncompliance, of the sponsor's compliance with applicable 52901  
laws and administrative rules. Not later than fourteen days 52902  
after receiving an application from the sponsor, the department 52903

shall decide whether or not to remove the sponsor's probationary status. 52904  
52905

(G) In carrying out its duties under this chapter, the 52906  
department shall not impose requirements on community schools or 52907  
their sponsors that are not permitted by law or duly adopted 52908  
rules. 52909

(H) This section applies to entities that sponsor 52910  
conversion community schools and new start-up schools. 52911

(I) Nothing in divisions (C) to (F) of this section 52912  
prohibits the department from taking any action permitted or 52913  
required under the written agreement between the department and 52914  
a sponsoring entity without a hearing on the matter, in the 52915  
event that the sponsor is unwilling or unable to fulfill its 52916  
obligations. 52917

**Sec. 3314.016.** This section applies to any entity that 52918  
sponsors a community school, regardless of whether section 52919  
3314.021 or 3314.027 of the Revised Code exempts the entity from 52920  
the requirement to be approved for sponsorship under divisions 52921  
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 52922  
office of Ohio school sponsorship established under section 52923  
3314.029 of the Revised Code shall be rated under division (B) 52924  
of this section, but divisions (A) and (C) of this section do 52925  
not apply to the office. 52926

(A) An entity that sponsors a community school shall be 52927  
permitted to enter into contracts under section 3314.03 of the 52928  
Revised Code to sponsor additional community schools only if the 52929  
entity meets all of the following criteria: 52930

(1) The entity is in compliance with all provisions of 52931  
this chapter requiring sponsors of community schools to report 52932

data or information to the department of education and 52933  
workforce. 52934

(2) The entity is not rated as "ineffective" under 52935  
division (B)(6) of this section. 52936

(3) Except as set forth in sections 3314.021 and 3314.027 52937  
of the Revised Code, the entity has received approval from and 52938  
entered into an agreement with the department pursuant to 52939  
section 3314.015 of the Revised Code. 52940

(B)(1) The department shall develop and implement an 52941  
evaluation system that annually rates and assigns an overall 52942  
rating to each entity that sponsors a community school. The 52943  
department, not later than the first day of February of each 52944  
year, shall post on the department's web site the framework for 52945  
the evaluation system, including technical documentation that 52946  
the department intends to use to rate sponsors for the next 52947  
school year. The department shall solicit public comment on the 52948  
evaluation system for thirty consecutive days. Not later than 52949  
the first day of April of each year, the department shall 52950  
compile and post on the department's web site all public 52951  
comments that were received during the public comment period. 52952  
The evaluation system shall be posted on the department's web 52953  
site by the fifteenth day of July of each school year. Any 52954  
changes to the evaluation system after that date shall take 52955  
effect the following year. The evaluation system shall be based 52956  
on the following components: 52957

(a) Academic performance of students enrolled in community 52958  
schools sponsored by the same entity. The academic performance 52959  
component shall be derived from the performance measures 52960  
prescribed for the state report cards under section 3302.03 or 52961  
3314.017 of the Revised Code, and shall be based on the 52962

performance of the schools for the school year for which the 52963  
evaluation is conducted. In addition to the academic performance 52964  
for a specific school year, the academic performance component 52965  
shall also include year-to-year changes in the overall sponsor 52966  
portfolio. For a community school for which no graded 52967  
performance measures are applicable or available, the department 52968  
shall use nonreport card performance measures specified in the 52969  
contract between the community school and the sponsor under 52970  
division (A) (4) of section 3314.03 of the Revised Code. 52971

(b) Adherence by a sponsor to the quality practices 52972  
prescribed by the department under division (B) (3) of this 52973  
section. For a sponsor that was rated "effective" or "exemplary" 52974  
on its most recent rating, the department may evaluate that 52975  
sponsor's adherence to quality practices once over a period of 52976  
three years. If the department elects to evaluate a sponsor once 52977  
over a period of three years, the most recent rating for a 52978  
sponsor's adherence to quality practices shall be used when 52979  
determining an annual overall rating conducted under this 52980  
section. 52981

(c) Compliance with all applicable laws and administrative 52982  
rules by an entity that sponsors a community school. 52983

Under the evaluation system prescribed under division (B) 52984  
(1) of this section, the department shall not assign an overall 52985  
rating of "ineffective" or lower to an entity that sponsors a 52986  
community school solely because that entity received no points 52987  
on one of the components prescribed under that division. 52988

(2) In calculating an academic performance component, the 52989  
department shall exclude all community schools that have been in 52990  
operation for not more than two full school years and all 52991  
community schools described in division (B) (2) of section 52992

3314.35 of the Revised Code. However, the academic performance 52993  
of the community schools described in division (B) (2) of section 52994  
3314.35 of the Revised Code shall be reported, but shall not be 52995  
used as a factor when determining a sponsoring entity's rating 52996  
under this section. 52997

(3) The department, in consultation with entities that 52998  
sponsor community schools, shall prescribe quality practices for 52999  
community school sponsors and develop an instrument to measure 53000  
adherence to those quality practices. The quality practices 53001  
shall be based on standards developed by the national 53002  
association of charter school authorizers or any other 53003  
nationally organized community school organization. 53004

(4) (a) The department may permit peer review of a 53005  
sponsor's adherence to the quality practices prescribed under 53006  
division (B) (3) of this section. Peer reviewers shall be limited 53007  
to individuals employed by sponsors rated "effective" or 53008  
"exemplary" on the most recent ratings conducted under this 53009  
section. 53010

(b) The department shall require individuals participating 53011  
in peer review under division (B) (4) (a) of this section to 53012  
complete training approved or established by the department. 53013

(c) The department may enter into an agreement with 53014  
another entity to provide training to individuals conducting 53015  
peer review of sponsors. Prior to entering into an agreement 53016  
with an entity, the department shall review and approve of the 53017  
entity's training program. 53018

(5) The director of education and workforce shall adopt 53019  
rules in accordance with Chapter 119. of the Revised Code 53020  
prescribing standards for measuring compliance with applicable 53021

laws and rules under division (B) (1) (c) of this section. 53022

(6) The department annually shall rate all entities that 53023  
sponsor community schools as either "exemplary," "effective," 53024  
"ineffective," or "poor," based on the components prescribed by 53025  
division (B) of this section, where each component is weighted 53026  
equally. A separate rating shall be given by the department for 53027  
each component of the evaluation system. 53028

The department shall publish the ratings between the first 53029  
day of October and the fifteenth day of November. 53030

Prior to the publication of the final ratings, the 53031  
department shall designate and provide notice of a period of at 53032  
least ten business days during which each sponsor may review the 53033  
information used by the department to determine the sponsor's 53034  
rating on the components prescribed by division (B) (1) of this 53035  
section. If the sponsor believes there is an error in the 53036  
department's evaluation, the sponsor may request adjustments to 53037  
the rating of any of those components based on documentation 53038  
previously submitted as part of an evaluation. The sponsor shall 53039  
provide to the department any necessary evidence or information 53040  
to support the requested adjustments. The department shall 53041  
review the evidence and information, determine whether an 53042  
adjustment is valid, and promptly notify the sponsor of its 53043  
determination and reasons. If any adjustments to the data could 53044  
result in a change to the rating on the applicable component or 53045  
to the overall rating, the department shall recalculate the 53046  
ratings prior to publication. 53047

The department shall provide training on an annual basis 53048  
regarding the evaluation system prescribed under this section. 53049  
The training shall, at a minimum, describe methodology, 53050  
timelines, and data required for the evaluation system. The 53051

first training session shall occur not later than March 2, 2016. 53052  
Beginning in 2018, the training shall be made available to each 53053  
entity that sponsors a community school by the fifteenth day of 53054  
July of each year and shall include guidance on any changes made 53055  
to the evaluation system. 53056

(7) (a) Entities with an overall rating of "exemplary" for 53057  
the two most recent years in which the entity was evaluated may 53058  
take advantage of the following incentives: 53059

(i) Renewal of the written agreement with the department, 53060  
not to exceed ten years, provided that the entity consents to 53061  
continued evaluation of adherence to quality practices as 53062  
described in division (B) (1) (b) of this section; 53063

(ii) The ability to extend the term of the contract 53064  
between the sponsoring entity and the community school beyond 53065  
the term described in the written agreement with the department; 53066

(iii) An exemption from the preliminary agreement and 53067  
contract adoption and execution deadline requirements prescribed 53068  
in division (D) of section 3314.02 of the Revised Code; 53069

(iv) An exemption from the automatic contract expiration 53070  
requirement, should a new community school fail to open by the 53071  
thirtieth day of September of the calendar year in which the 53072  
community school contract is executed; 53073

(v) No limit on the number of community schools the entity 53074  
may sponsor; 53075

(vi) No territorial restrictions on sponsorship. 53076

An entity may continue to sponsor any community schools 53077  
with which it entered into agreements under division (B) (7) (a) 53078  
(v) or (vi) of this section while rated "exemplary," 53079

notwithstanding the fact that the entity later receives a lower overall rating. 53080  
53081

(b) Entities with an overall rating of "exemplary" or 53082  
"effective" for the three most recent years in which the entity 53083  
was evaluated shall be evaluated by the department once every 53084  
three years. 53085

(c) (i) Entities that receive an overall rating of 53086  
"ineffective" shall be prohibited from sponsoring any new or 53087  
additional community schools during the time in which the 53088  
sponsor is rated as "ineffective" and shall be subject to a 53089  
quality improvement plan based on correcting the deficiencies 53090  
that led to the "ineffective" rating, with timelines and 53091  
benchmarks that have been established by the department. 53092

(ii) Entities that receive an overall rating of 53093  
"ineffective" on their three most recent ratings shall have all 53094  
sponsorship authority revoked. Within thirty days after 53095  
receiving its third rating of "ineffective," the entity may 53096  
appeal the revocation of its sponsorship authority to the 53097  
director, who shall appoint an independent hearing officer to 53098  
conduct a hearing in accordance with Chapter 119. of the Revised 53099  
Code. The hearing shall be conducted within thirty days after 53100  
receipt of the notice of appeal. Within forty-five days after 53101  
the hearing is completed, the director shall determine whether 53102  
the revocation is appropriate based on the hearing conducted by 53103  
the independent hearing officer, and if determined appropriate, 53104  
the revocation shall be confirmed. 53105

(d) Entities that receive an overall rating of "poor" 53106  
shall have all sponsorship authority revoked. Within thirty days 53107  
after receiving a rating of "poor," the entity may appeal the 53108  
revocation of its sponsorship authority to the director, who 53109

shall appoint an independent hearing officer to conduct a 53110  
hearing in accordance with Chapter 119. of the Revised Code. The 53111  
hearing shall be conducted within thirty days after receipt of 53112  
the notice of appeal. Within forty-five days after the hearing 53113  
is completed, the director shall determine whether the 53114  
revocation is appropriate based on the hearing conducted by the 53115  
independent hearing officer, and if determined appropriate, the 53116  
revocation shall be confirmed. 53117

(8) For the 2014-2015 school year and each school year 53118  
thereafter, student academic performance prescribed under 53119  
division (B)(1)(a) of this section shall include student 53120  
academic performance data from dropout prevention and recovery 53121  
~~community schools that primarily serve students enrolled in a~~ 53122  
~~dropout prevention and recovery program.~~ 53123

(C) If the governing authority of a community school 53124  
enters into a contract with a sponsor prior to the date on which 53125  
the sponsor is prohibited from sponsoring additional schools 53126  
under division (A) of this section and the school has not opened 53127  
for operation as of that date, that contract shall be void and 53128  
the school shall not open until the governing authority secures 53129  
a new sponsor by entering into a contract with the new sponsor 53130  
under section 3314.03 of the Revised Code. However, the 53131  
department's office of Ohio school sponsorship, established 53132  
under section 3314.029 of the Revised Code, may assume the 53133  
sponsorship of the school until the earlier of the expiration of 53134  
two school years or until a new sponsor is secured by the 53135  
school's governing authority. A community school sponsored by 53136  
the department under this division shall not be included when 53137  
calculating the maximum number of directly authorized community 53138  
schools permitted under division (A)(3) of section 3314.029 of 53139  
the Revised Code. 53140

(D) When an entity's authority to sponsor schools is 53141  
revoked pursuant to division (B) (7) (c) or (d) of this section, 53142  
the office of Ohio school sponsorship shall assume sponsorship 53143  
of any schools with which the original sponsor has contracted 53144  
for the remainder of that school year. The office may continue 53145  
sponsoring those schools until the earlier of: 53146

(1) The expiration of two school years from the time that 53147  
sponsorship is revoked; 53148

(2) When a new sponsor is secured by the governing 53149  
authority pursuant to division (C) (1) of section 3314.02 of the 53150  
Revised Code. 53151

Any community school sponsored under this division shall 53152  
not be counted for purposes of directly authorized community 53153  
schools under division (A) (3) of section 3314.029 of the Revised 53154  
Code. 53155

(E) The department shall recalculate the rating for the 53156  
2017-2018 school year for each sponsor of a community school 53157  
that receives recalculated ratings pursuant to division (I) of 53158  
section 3314.017 of the Revised Code. 53159

section for dropout prevention and recovery community schools 53164  
~~that primarily serve students enrolled in dropout prevention and~~ 53165  
~~recovery programs as described in division (B) (1) of section~~ 53166

(B) Nothing in this section shall at any time relieve a 53172  
school from its obligations under the "No Child Left Behind Act 53173  
of 2001" to make "adequate yearly progress," as both that act 53174  
and that term are defined in section 3302.01 of the Revised 53175  
Code, or a school's amenability to the provisions of section 53176  
3302.04 or 3302.041 of the Revised Code. The department shall 53177  
continue to report each school's performance as required by the 53178

cohorts: 53185

programs, adopted or approved by the department. 53222

(D) (1) The department's rules shall prescribe the expected 53223

(E) A community school may not levy taxes or issue bonds 54662  
secured by tax revenues. 54663

(F) No community school shall charge tuition for the 54664  
enrollment of any student who is a resident of this state. A 54665  
community school may charge tuition for the enrollment of any 54666  
student who is not a resident of this state. 54667

(G) (1) (a) A community school may borrow money to pay any 54668  
necessary and actual expenses of the school in anticipation of 54669  
the receipt of any portion of the payments to be received by the 54670  
school pursuant to section 3317.022 of the Revised Code. The 54671  
school may issue notes to evidence such borrowing. The proceeds 54672  
of the notes shall be used only for the purposes for which the 54673

anticipated receipts may be lawfully expended by the school. 54674

(b) A school may also borrow money for a term not to 54675

(2) The state is not liable for debt incurred by the 54677  
governing authority of a community school. 54678

(H) The department shall adjust the amounts paid under 54679  
section 3317.022 of the Revised Code to reflect any enrollment 54680  
of students in community schools for less than the equivalent of 54681  
a full school year. The department shall adopt in accordance 54682  
with Chapter 119. of the Revised Code rules governing the 54683  
payments to community schools under section 3317.022 of the 54684  
Revised Code including initial payments in a school year and 54685  
adjustments and reductions made in subsequent periodic payments 54686  
to community schools as provided under section 3317.022 of the 54687  
Revised Code. For purposes of this division: 54688

(1) A student shall be considered enrolled in the 54689  
community school for any portion of the school year the student 54690  
is participating at a college under Chapter 3365. of the Revised 54691  
Code. 54692

(2) A student shall be considered to be enrolled in a 54693  
community school for the period of time beginning on the later 54694  
of the date on which the school both has received documentation 54695  
of the student's enrollment from a parent and the student has 54696  
commenced participation in learning opportunities as defined in 54697  
the contract with the sponsor, or thirty days prior to the date 54698  
on which the student is entered into the education management 54699  
information system established under section 3301.0714 of the 54700  
Revised Code. For purposes of applying this division and 54701  
divisions (H) (3) and (4) of this section to a community school 54702

student, "learning opportunities" shall be defined in the 54703  
contract, which shall describe both classroom-based and non- 54704  
classroom-based learning opportunities and shall be in 54705  
compliance with criteria and documentation requirements for 54706  
student participation which shall be established by the 54707  
department. Any student's instruction time in non-classroom- 54708  
based learning opportunities shall be certified by an employee 54709  
of the community school. A student's enrollment shall be 54710  
considered to cease on the date on which any of the following 54711  
occur: 54712

(a) The community school receives documentation from a 54713  
parent terminating enrollment of the student. 54714

(b) The community school is provided documentation of a 54715  
student's enrollment in another public or private school. 54716

(c) The community school ceases to offer learning 54717  
opportunities to the student pursuant to the terms of the 54718  
contract with the sponsor or the operation of any provision of 54719  
this chapter. 54720

Except as otherwise specified in this paragraph, beginning 54721  
in the 2011-2012 school year, any student who completed the 54722  
prior school year in an internet- or computer-based community 54723  
school shall be considered to be enrolled in the same school in 54724  
the subsequent school year until the student's enrollment has 54725  
ceased as specified in division (H)(2) of this section. The 54726  
department shall continue paying amounts for the student under 54727  
section 3317.022 of the Revised Code without interruption at the 54728  
start of the subsequent school year. However, if the student 54729  
without a legitimate excuse fails to participate in the first 54730  
seventy-two consecutive hours of learning opportunities offered 54731  
to the student in that subsequent school year, the student shall 54732

be considered not to have re-enrolled in the school for that 54733  
school year and the department shall recalculate the payments to 54734  
the school for that school year to account for the fact that the 54735  
student is not enrolled. 54736

(3) The department shall determine each community school 54737  
student's percentage of full-time equivalency based on the 54738  
percentage of learning opportunities offered by the community 54739  
school to that student, reported either as number of hours or 54740  
number of days, is of the total learning opportunities offered 54741  
by the community school to a student who attends for the 54742  
school's entire school year. However, no internet- or computer- 54743  
based community school shall be credited for any time a student 54744  
spends participating in learning opportunities beyond ten hours 54745  
within any period of twenty-four consecutive hours. Whether it 54746  
reports hours or days of learning opportunities, each community 54747  
school shall offer not less than nine hundred twenty hours of 54748  
learning opportunities during the school year. 54749

(4) With respect to the calculation of full-time 54750  
equivalency under division (H) (3) of this section, the 54751  
department shall waive the number of hours or days of learning 54752  
opportunities not offered to a student because the community 54753  
school was closed during the school year due to disease 54754  
epidemic, hazardous weather conditions, law enforcement 54755  
emergencies, inoperability of school buses or other equipment 54756  
necessary to the school's operation, damage to a school 54757  
building, or other temporary circumstances due to utility 54758  
failure rendering the school building unfit for school use, so 54759  
long as the school was actually open for instruction with 54760  
students in attendance during that school year for not less than 54761  
the minimum number of hours required by this chapter. The 54762  
department shall treat the school as if it were open for 54763

instruction with students in attendance during the hours or days 54764  
waived under this division. 54765

(I) The department of education and workforce shall reduce 54766  
the amounts paid under section 3317.022 of the Revised Code to 54767  
reflect payments made to colleges under section 3365.07 of the 54768  
Revised Code. 54769

(J) (1) No student shall be considered enrolled in any 54770  
internet- or computer-based community school or, if applicable 54771  
to the student, in any community school that is required to 54772  
provide the student with a computer pursuant to division (C) of 54773  
section 3314.22 of the Revised Code, unless both of the 54774  
following conditions are satisfied: 54775

(a) The student possesses or has been provided with all 54776  
required hardware and software materials and all such materials 54777  
are operational so that the student is capable of fully 54778  
participating in the learning opportunities specified in the 54779  
contract between the school and the school's sponsor as required 54780  
by division (A) (23) of section 3314.03 of the Revised Code; 54781

(b) The school is in compliance with division (A) of 54782  
section 3314.22 of the Revised Code, relative to such student. 54783

(2) In accordance with policies adopted by the department 54784  
of education and workforce, in consultation with the auditor of 54785  
state, the department shall reduce the amounts otherwise payable 54786  
under section 3317.022 of the Revised Code to any community 54787  
school that includes in its program the provision of computer 54788  
hardware and software materials to any student, if such hardware 54789  
and software materials have not been delivered, installed, and 54790  
activated for each such student in a timely manner or other 54791  
educational materials or services have not been provided 54792

according to the contract between the individual community 54793  
school and its sponsor. 54794

The director and the auditor of state shall jointly 54795  
establish a method for auditing any community school to which 54796  
this division pertains to ensure compliance with this section. 54797

The director, auditor of state, and the governor shall 54798  
jointly make recommendations to the general assembly for 54799  
legislative changes that may be required to assure fiscal and 54800  
academic accountability for such schools. 54801

(K) (1) If the department determines that a review of a 54802  
community school's enrollment is necessary, such review shall be 54803  
completed and written notice of the findings shall be provided 54804  
to the governing authority of the community school and its 54805  
sponsor within ninety days of the end of the community school's 54806  
fiscal year, unless extended for a period not to exceed thirty 54807  
additional days for one of the following reasons: 54808

(a) The department and the community school mutually agree 54809  
to the extension. 54810

(b) Delays in data submission caused by either a community 54811  
school or its sponsor. 54812

(2) If the review results in a finding that additional 54813  
funding is owed to the school, such payment shall be made within 54814  
thirty days of the written notice. If the review results in a 54815  
finding that the community school owes moneys to the state, the 54816  
following procedure shall apply: 54817

(a) Within ten business days of the receipt of the notice 54818  
of findings, the community school may appeal the department's 54819  
determination to the director. 54820

(b) The director shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) Any decision made by the director under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the director.

(L) The department shall not pay to a community school under section 3317.022 of the Revised Code any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one or more of the assessments required by that section and was not excused pursuant to division (C)(1) or (3) of that section, unless the director grants the student a waiver from the requirement to take the assessment and a parent is not paying tuition for the student pursuant to section 3314.26 of the Revised Code. The director may grant a waiver only for good cause in accordance with rules adopted by the department.

(4) Any student who has attained the age of twenty-two years, except for veterans of the armed services whose attendance was interrupted before completing the recognized

twelve-year course of the public schools by reason of induction 54850  
or enlistment in the armed forces and who apply for enrollment 54851  
in a community school not later than four years after 54852  
termination of war or their honorable discharge. If, however, 54853  
any such veteran elects to enroll in special courses organized 54854  
for veterans for whom tuition is paid under federal law, or 54855  
otherwise, the department shall not pay to a community school 54856  
under section 3317.022 of the Revised Code any amount for that 54857  
veteran. 54858

Sec. 3314.093. (A) The governing authorities of two or 54859  
more community schools may enter into an agreement to establish 54860  
a consortium to provide or arrange transportation to and from 54861  
school for students enrolled in participating schools. A 54862  
consortium shall act on behalf of each participating school with 54863  
regard to student transportation and shall comply with any law 54864

(3) Seven individuals with experience in dropout 55354  
prevention and recovery community schools, their operators, and 55355

of enrollment, programs, learning models, and methods of 55358  
instruction. 55359

~~(D)~~ (C) The advisory council shall, in collaboration with 55360  
the director, review all existing rules and guidance previously 55361  
developed or adopted by the department pursuant to division ~~(D)~~ 55362  
(C) of section 3314.382 of the Revised Code. 55363

**Sec. 3314.382.** (A) ~~As used in this section, "dropout~~ 55364  
~~recovery community school" has the same meaning as in section~~ 55365  
~~3319.301 of the Revised Code.~~ 55366

~~(B)~~ Notwithstanding anything to the contrary in the 55367  
Revised Code, the department of education and workforce shall 55368  
only adopt rules in accordance with Chapter 119. of the Revised 55369  
Code for any requirement to be imposed on a dropout prevention 55370  
and recovery community school. The department shall not develop 55371  
guidelines that impose requirements on the general and uniform 55372  
operation of a dropout prevention and recovery community school. 55373

~~(C)~~ (B) Pursuant to section 119.035 of the Revised Code, 55374

this section. 55378

~~(D)~~ (C) Any guidance document previously developed by the 55379  
department that establishes general and uniform operations 55380  
regarding a dropout recovery community school in effect on ~~the~~ 55381

that date. 55383

**Sec. 3315.063.** No board of education of any school 55384  
district shall expend more than fifteen per cent of the board's 55385  
annual operating budget on administrative salaries and benefits 55386  
and other costs associated with the district's administrative 55387  
offices. 55388

**Sec. 3315.18.** (A) The board of education of each city, 55389  
exempted village, local, and joint vocational school district 55390  
shall establish a capital and maintenance fund. Each board 55391  
annually shall deposit into that fund an amount derived from 55392  
revenues received by the district that would otherwise have been 55393  
deposited in the general fund that is equal to three per cent of 55394  
the statewide average base cost per pupil for the preceding 55395  
fiscal year, as defined in section 3317.02 of the Revised Code, 55396

~~or another percentage if established by the auditor of state~~ 55397  
~~under division (B) of this section,~~ multiplied by the district's 55398  
student population for the preceding fiscal year, except that 55399  
money received from a permanent improvement levy authorized by 55400  
section 5705.21 of the Revised Code may replace general revenue 55401  
moneys in meeting the requirements of this section. Money in the 55402  
fund shall be used solely for acquisition, replacement, 55403  
enhancement, maintenance, or repair of permanent improvements, 55404  
as that term is defined in section 5705.01 of the Revised Code. 55405  
Any money in the fund that is not used in any fiscal year shall 55406  
carry forward to the next fiscal year. 55407

(B) The director of education and workforce and the 55408  
auditor of state jointly shall adopt rules in accordance with 55409  
Chapter 119. of the Revised Code defining what constitutes 55410  
expenditures permitted by division (A) of this section. ~~The~~ 55411  
~~auditor of state may designate a percentage, other than three~~ 55412  
~~per cent, of the statewide average base cost per pupil~~ 55413  
~~multiplied by the district's student population that must be~~ 55414  
~~deposited into the fund.~~ 55415

(C) Within its capital and maintenance fund, a school 55416  
district board of education may establish a separate account 55417  
solely for the purpose of depositing funds transferred from the 55418  
district's reserve balance account established under former 55419  
division (H) of section 5705.29 of the Revised Code. After April 55420  
10, 2001, a board may deposit all or part of the funds formerly 55421  
included in such reserve balance account in the separate account 55422  
established under this section. Funds deposited in this separate 55423  
account and interest on such funds shall be utilized solely for 55424  
the purpose of providing the district's portion of the basic 55425  
project costs of any project undertaken in accordance with 55426  
Chapter 3318. of the Revised Code. 55427

(D) (1) Notwithstanding division (A) of this section, in 55428  
any year a district is in fiscal emergency status as declared 55429  
pursuant to section 3316.03 of the Revised Code, the district 55430  
may deposit an amount less than required by division (A) of this 55431  
section, or make no deposit, into the district capital and 55432  
maintenance fund for that year. 55433

(2) Notwithstanding division (A) of this section, in any 55434  
fiscal year that a school district is either in fiscal watch 55435  
status, as declared pursuant to section 3316.03 of the Revised 55436  
Code, or in fiscal caution status, as declared pursuant to 55437  
section 3316.031 of the Revised Code, the district may apply to 55438  
the director of education and workforce for a waiver from the 55439  
requirements of division (A) of this section, under which the 55440  
district may be permitted to deposit an amount less than 55441  
required by that division or permitted to make no deposit into 55442  
the district capital and maintenance fund for that year. The 55443  
director may grant a waiver under division (D) (2) of this 55444  
section if the district demonstrates to the satisfaction of the 55445  
director that compliance with division (A) of this section that 55446  
year will create an undue financial hardship on the district. 55447

(3) Notwithstanding division (A) of this section, not more 55448  
often than one fiscal year in every three consecutive fiscal 55449  
years, any school district that does not satisfy the conditions 55450  
for the exemption described in division (D) (1) of this section 55451  
or the conditions to apply for the waiver described in division 55452  
(D) (2) of this section may apply to the director for a waiver 55453  
from the requirements of division (A) of this section, under 55454  
which the district may be permitted to deposit an amount less 55455  
than required by that division or permitted to make no deposit 55456  
into the district capital and maintenance fund for that year. 55457  
The director may grant a waiver under division (D) (3) of this 55458

section if the district demonstrates to the satisfaction of the 55459  
director that compliance with division (A) of this section that 55460  
year will necessitate the reduction or elimination of a program 55461  
currently offered by the district that is critical to the 55462  
academic success of students of the district and that no 55463  
reasonable alternatives exist for spending reductions in other 55464  
areas of operation within the district that negate the necessity 55465  
of the reduction or elimination of that program. 55466

(E) Notwithstanding any provision to the contrary in 55467  
Chapter 4117. of the Revised Code, the requirements of this 55468  
section prevail over any conflicting provisions of agreements 55469  
between employee organizations and public employers entered into 55470  
after November 21, 1997. 55471

(F) As used in this section, "student population" means 55472  
the average, daily, full-time equivalent number of students in 55473  
kindergarten through twelfth grade receiving any educational 55474  
services from the school district during the first full school 55475  
week in October, excluding students enrolled in adult education 55476  
classes, but including all of the following: 55477

(1) Adjacent or other district students enrolled in the 55478  
district under an open enrollment policy pursuant to section 55479  
3313.98 of the Revised Code; 55480

(2) Students receiving services in the district pursuant 55481  
to a compact, cooperative education agreement, or a contract, 55482  
but who are entitled to attend school in another district 55483  
pursuant to section 3313.64 or 3313.65 of the Revised Code; 55484

(3) Students for whom tuition is payable pursuant to 55485  
sections 3317.081 and 3323.141 of the Revised Code. 55486

The department of education and workforce shall determine 55487

a district's student population using data reported to it under 55488  
section 3317.03 of the Revised Code for the applicable fiscal 55489  
year. 55490

**Sec. 3315.181.** As used in this section, "securities" has 55491  
the same meaning as in section 133.01 of the Revised Code. 55492

Notwithstanding division (A) of section 3315.18 of the 55493  
Revised Code, the board of education of a city, exempted 55494  
village, local, or joint vocational school district, in meeting 55495  
the amount required by that division to be deposited in the 55496  
district's capital and maintenance fund, may replace general 55497  
fund revenues with proceeds received from a permanent 55498  
improvement levy authorized by section 5705.21 of the Revised 55499  
Code only to the extent the proceeds are available to be used 55500  
for the acquisition, replacement, enhancement, maintenance, or 55501  
repair of permanent improvements as defined in section 5705.01 55502  
of the Revised Code. In addition, the board may replace general 55503  
fund revenues with proceeds received from any of the following 55504  
sources in meeting the amount required by that division to be 55505  
deposited in the fund: 55506

(A) Proceeds received from any securities whose use is 55507  
limited to the acquisition, replacement, enhancement, 55508  
maintenance, or repair of permanent improvements; 55509

(B) Insurance proceeds received as a result of the damage 55510  
to or theft or destruction of a permanent improvement to the 55511  
extent a board of education places the proceeds in a separate 55512  
fund for the acquisition, replacement, enhancement, maintenance, 55513  
or repair of permanent improvements; 55514

(C) Proceeds received from the sale of a permanent 55515  
improvement to the extent the proceeds are paid into a separate 55516

fund for the construction or acquisition of permanent 55517  
improvements; 55518

(D) Proceeds received from a tax levy authorized by 55519  
section 3318.06 of the Revised Code to the extent the proceeds 55520  
are available to be used for the maintenance of capital 55521  
facilities; 55522

(E) Proceeds of certificates of participation issued as 55523  
part of a lease-purchase agreement entered into under section 55524  
3313.375 of the Revised Code; 55525

(F) Proceeds of any school district income tax levied 55526  
under Chapter 5748. of the Revised Code for permanent 55527  
improvements, to the extent the proceeds are available for the 55528  
acquisition, replacement, enhancement, maintenance, or repair of 55529  
permanent improvements;— 55530

~~(G) Any other revenue source identified by the auditor of~~ 55531  
~~state, in consultation with the department of education and~~ 55532  
~~workforce, in rules adopted by the auditor of state.~~ 55533

**Sec. 3316.031.** (A) The director of education and 55534  
workforce, in consultation with the auditor of state, shall 55535  
develop guidelines for identifying fiscal practices and 55536  
budgetary conditions that, if uncorrected, could result in a 55537  
future declaration of a fiscal watch or fiscal emergency within 55538  
a school district. 55539

The guidelines shall not include a requirement that a 55540  
school district submit financial statements according to 55541  
generally accepted accounting principles. 55542

(B) (1) If the director determines from a school district's 55543  
~~five-year current budget information and three-year forecast~~ 55544  
submitted under section 5705.391 of the Revised Code that a 55545

district is engaging in any of those practices or that any of 55546  
those conditions exist within the district, after consulting 55547  
with the district board of education concerning the practices or 55548  
conditions, the director may declare the district to be under a 55549  
fiscal caution. 55550

(2) If the auditor of state finds that a district is 55551  
engaging in any of those practices or that any of those 55552  
conditions exist within the district, the auditor of state shall 55553  
report that finding to the director and, after consulting with 55554  
the district board of education concerning the practices or 55555  
conditions, the director may declare the district to be under a 55556  
fiscal caution. 55557

(3) Unless the auditor of state has elected to declare a 55558  
state of fiscal watch under division (A) (4) of section 3316.03 55559  
of the Revised Code, the director shall declare a school 55560  
district to be under a fiscal caution if the conditions 55561  
described in divisions (A) (4) (a) and (b) of that section are 55562  
both satisfied with respect to the school district. 55563

(C) When the director declares a district to be under 55564  
fiscal caution, the director shall promptly notify the district 55565  
board of education of that declaration and shall request the 55566  
board to provide written proposals for discontinuing or 55567  
correcting the fiscal practices or budgetary conditions that 55568  
prompted the declaration and for preventing the district from 55569  
experiencing further fiscal difficulties that could result in 55570  
the district being declared to be in a state of fiscal watch or 55571  
fiscal emergency. 55572

(D) The director, or a designee, may visit and inspect any 55573  
district that is declared to be under a fiscal caution. The 55574  
department of education and workforce shall provide technical 55575

assistance to the district board in implementing proposals to 55576  
eliminate the practices or budgetary conditions that prompted 55577  
the declaration of fiscal caution and may make recommendations 55578  
concerning the board's proposals. 55579

(E) If the director finds that a school district declared 55580  
to be under a fiscal caution has not made reasonable proposals 55581  
or otherwise taken action to discontinue or correct the fiscal 55582  
practices or budgetary conditions that prompted the declaration 55583  
of fiscal caution, and if the director considers it necessary to 55584  
prevent further fiscal decline, the director may determine that 55585  
the district should be in a state of fiscal watch. As provided 55586  
in division (A) (3) of section 3316.03 of the Revised Code, the 55587  
auditor of state shall declare the district to be in a state of 55588  
fiscal watch if the auditor of state finds the director's 55589  
determination to be reasonable. 55590

**Sec. 3316.041.** (A) Notwithstanding any provision of 55591  
Chapter 133. or sections 3313.483 to 3313.4810 of the Revised 55592  
Code, and subject to the approval of the director of education 55593  
and workforce, a school district that is in a state of fiscal 55594  
watch declared under section 3316.03 of the Revised Code may 55595  
restructure or refinance loans obtained or in the process of 55596  
being obtained under section 3313.483 of the Revised Code if all 55597  
of the following requirements are met: 55598

(1) The operating deficit certified for the school 55599  
district for the current or preceding fiscal year under section 55600  
3313.483 of the Revised Code exceeds fifteen per cent of the 55601  
district's general revenue fund for the fiscal year preceding 55602  
the year for which the certification of the operating deficit is 55603  
made. 55604

(2) The school district voters have, during the period of 55605

the fiscal watch, approved the levy of a tax under section 55606  
718.09, 718.10, 5705.194, 5705.21, 5748.02, or 5748.09 of the 55607  
Revised Code that is not a renewal ~~or replacement~~ levy, or a 55608  
levy under section 5705.199 of the Revised Code, and that will 55609  
provide new operating revenue. 55610

(3) The board of education of the school district has 55611  
adopted or amended the financial plan required by section 55612  
3316.04 of the Revised Code to reflect the restructured or 55613  
refinanced loans, and sets forth the means by which the district 55614  
will bring projected operating revenues and expenditures, and 55615  
projected debt service obligations, into balance for the life of 55616  
any such loan. 55617

(B) Subject to the approval of the director, the school 55618  
district may issue securities to evidence the restructuring or 55619  
refinancing authorized by this section. Such securities may 55620  
extend the original period for repayment not to exceed ten 55621  
years, and may alter the frequency and amount of repayments, 55622  
interest or other financing charges, and other terms or 55623  
agreements under which the loans were originally contracted, 55624  
provided the loans received under sections 3313.483 of the 55625  
Revised Code are repaid from funds the district would otherwise 55626  
receive under Chapter 3317. of the Revised Code, as required 55627  
under division (E) (3) of section 3313.483 of the Revised Code. 55628  
Securities issued for the purpose of restructuring or 55629  
refinancing under this section shall be repaid in equal payments 55630  
and at equal intervals over the term of the debt and are not 55631  
eligible to be included in any subsequent proposal to 55632  
restructure or refinance. 55633

(C) Unless the district is declared to be in a state of 55634  
fiscal emergency under division (D) of section 3316.04 of the 55635

Revised Code, a school district shall remain in a state of 55636  
fiscal watch for the duration of the repayment period of any 55637  
loan restructured or refinanced under this section. 55638

**Sec. 3316.043.** Upon the approval by the director of 55639  
education and workforce of an initial financial plan under 55640  
section 3316.04 of the Revised Code or a financial recovery plan 55641  
under section 3316.06 of the Revised Code, the board of 55642  
education of the school district for which the plan was approved 55643  
shall revise the district's five-year-current budget information 55644  
and three-year projection of revenues and expenditures in 55645  
accordance with rules adopted under section 5705.391 of the 55646  
Revised Code so that the five-year-current budget information and 55647  
three-year projection ~~is-are~~ consistent with the financial plan 55648  
or financial recovery plan. In the case of a school district 55649  
declared to be in a state of fiscal emergency, the ~~five-~~ 55650  
~~year-current budget information and -three-year~~ projection shall 55651  
be revised by the financial planning and supervision commission 55652  
for that district. 55653

**Sec. 3316.06.** (A) Within one hundred twenty days after the 55654  
first meeting of a school district financial planning and 55655  
supervision commission, the commission shall adopt a financial 55656  
recovery plan regarding the school district for which the 55657  
commission was created. During the formulation of the plan, the 55658  
commission shall seek appropriate input from the school district 55659  
board and from the community. This plan shall contain the 55660  
following: 55661

(1) Actions to be taken to: 55662

(a) Eliminate all fiscal emergency conditions declared to 55663  
exist pursuant to division (B) of section 3316.03 of the Revised 55664  
Code; 55665

(b) Satisfy any judgments, past-due accounts payable, and 55666  
all past-due and payable payroll and fringe benefits; 55667

(c) Eliminate the deficits in all deficit funds, except 55668  
that any prior year deficits in the capital and maintenance fund 55669  
established pursuant to section 3315.18 of the Revised Code 55670  
shall be forgiven; 55671

(d) Restore to special funds any moneys from such funds 55672  
that were used for purposes not within the purposes of such 55673  
funds, or borrowed from such funds by the purchase of debt 55674  
obligations of the school district with the moneys of such 55675  
funds, or missing from the special funds and not accounted for, 55676  
if any; 55677

(e) Balance the budget, avoid future deficits in any 55678  
funds, and maintain on a current basis payments of payroll, 55679  
fringe benefits, and all accounts; 55680

(f) Avoid any fiscal emergency condition in the future; 55681

(g) Restore the ability of the school district to market 55682  
long-term general obligation bonds under provisions of law 55683  
applicable to school districts generally. 55684

(2) The management structure that will enable the school 55685  
district to take the actions enumerated in division (A) (1) of 55686  
this section. The plan shall specify the level of fiscal and 55687  
management control that the commission will exercise within the 55688  
school district during the period of fiscal emergency, and shall 55689  
enumerate respectively, the powers and duties of the commission 55690  
and the powers and duties of the school board during that 55691  
period. The commission may elect to assume any of the powers and 55692  
duties of the school board it considers necessary, including all 55693  
powers related to personnel, curriculum, and legal issues in 55694

order to successfully implement the actions described in 55695  
division (A) (1) of this section. 55696

(3) The target dates for the commencement, progress upon, 55697  
and completion of the actions enumerated in division (A) (1) of 55698  
this section and a reasonable period of time expected to be 55699  
required to implement the plan. The commission shall prepare a 55700  
reasonable time schedule for progress toward and achievement of 55701  
the requirements for the plan, and the plan shall be consistent 55702  
with that time schedule. 55703

(4) The amount and purpose of any issue of debt 55704  
obligations that will be issued, together with assurances that 55705  
any such debt obligations that will be issued will not exceed 55706  
debt limits supported by appropriate certifications by the 55707  
fiscal officer of the school district and the county auditor. If 55708  
the commission considers it necessary in order to maintain or 55709  
improve educational opportunities of pupils in the school 55710  
district, the plan may include a proposal to restructure or 55711  
refinance outstanding debt obligations incurred by the board 55712  
under section 3313.483 of the Revised Code contingent upon the 55713  
approval, during the period of the fiscal emergency, by district 55714  
voters of a tax levied under section 718.09, 718.10, 5705.194, 55715  
5705.21, 5748.02, 5748.08, or 5748.09 of the Revised Code that 55716  
is not a renewal ~~or replacement~~ levy, or a levy under section 55717  
5705.199 of the Revised Code, and that will provide new 55718  
operating revenue. Notwithstanding any provision of Chapter 133. 55719  
or sections 3313.483 to 3313.4810 of the Revised Code, following 55720  
the required approval of the district voters and with the 55721  
approval of the commission, the school district may issue 55722  
securities to evidence the restructuring or refinancing. Those 55723  
securities may extend the original period for repayment, not to 55724  
exceed ten years, and may alter the frequency and amount of 55725

repayments, interest or other financing charges, and other terms 55726  
of agreements under which the debt originally was contracted, at 55727

payment for the previous school year, the per pupil payment to 59097  
the community school shall be the following quotient: 59098

(i) The total amount calculated for the school district in 59099

(1) The district's or institution's category one special 59166  
education students who are preschool children with disabilities 59167  
X the multiple specified in division (A) of section 3317.013 of 59168  
the Revised Code X the statewide average base cost per pupil for 59169  
that fiscal year X the district's state share percentage X 0.50; 59170

(2) The district's or institution's category two special 59171

education students who are preschool children with disabilities 59177  
X the multiple specified in division (C) of section 3317.013 of 59178  
the Revised Code X the statewide average base cost per pupil for 59179  
that fiscal year X the district's state share percentage X 0.50; 59180

(4) The district's or institution's category four special 59181  
education students who are preschool children with disabilities 59182  
X the multiple specified in division (D) of section 3317.013 of 59183  
the Revised Code X the statewide average base cost per pupil for 59184  
that fiscal year X the district's state share percentage X 0.50; 59185

(5) The district's or institution's category five special 59186  
education students who are preschool children with disabilities 59187

The special education disability categories for preschool 59200  
children used in this section are the same categories prescribed 59201  
in section 3317.013 of the Revised Code. 59202

which the students are entitled to attend school, the department 59218  
shall deduct from the district's payment computed under division 59219  
(A) of this section the total amount of those funds that are 59220  
attributable to the students served by the county DD board and 59221  
pay that amount to that board. 59222

the district's capacity amount for that fiscal year shall be 59330  
equal to 0.05 X the amount computed under division (B) (4) (b) (i) 59331

of this section. 59332

(iii) If the district's enrolled ADM for that fiscal year 59333  
is greater than 400 and less than 600, the district's capacity 59334  
amount for that fiscal year shall be calculated in accordance 59335

calculated under division (B) (1) of this section/ (the 59349  
district's enrolled ADM for that fiscal year - the students 59350  
described in division (A) (1) (b) of section 3317.03 of the 59351  
Revised Code + the students described in division (A) (2) (d) of 59352

year by dividing the median weighted wealth per pupil of all 59357  
school districts in this state for that fiscal year by the 59358  
district's weighted wealth per pupil for that fiscal year; 59359

(4) Compute each district's wealth amount for that fiscal year, as follows:

(a) If the district's wealth index computed under division (C) (3) of this section for that fiscal year is less than 0.8, the district's wealth amount for that fiscal year shall be zero.

resolution described in division (A)(2)(a) of this section, if 60899  
required, shall be submitted to the electors of the school 60900  
district at the next general or primary election, if there be a 60901  
general or primary election not less than ninety and not more 60902

resolution or, if not, at a special election to be held at a 60904

levy shall be at the rate of not less than one-half mill for 60953  
each one dollar of taxable value for a period of twenty-three 60954  
years, and that the proceeds of the tax shall be used to pay the 60955  
cost of maintaining or upgrading the classroom facilities 60956

resolution by vote of ~~a majority~~ two-thirds of all of its 61085  
members to extend the term of that tax beyond the expiration of 61086  
that tax as originally approved under that section. The school 61087

an agreement under division (B) (2) of section 3318.04 of the 61093  
Revised Code or in the following year, as specified in the 61094  
resolution. Such a resolution may be adopted at any time before 61095  
such an agreement is entered into and before the tax levied 61096

pursuant to section 3318.06 of the Revised Code expires. If the 61097  
resolution is combined with a resolution to issue bonds to pay 61098  
the school district's portion of the basic project cost, it 61099  
shall conform with the requirements of divisions (A) (1), (2), 61100

resolution also shall state that the tax levy proposed in the 61102  
resolution is an extension of an existing tax levied under that 61103  
section. A resolution proposing an extension adopted under this 61104  
section does not take effect until it is approved by a majority 61105  
of electors voting in favor of the resolution at a general, 61106  
primary, or special election as provided in this section. 61107

A tax levy extended under this section is subject to the 61108  
same terms and limitations to which the original tax levied 61109  
under section 3318.06 of the Revised Code is subject under that 61110  
section, except the term of the extension shall be as specified 61111  
in this section. 61112

The school district board and the county auditor shall 61113

submitted to electors. The notice of the election shall conform 61120  
with the requirements of division (A) (3) of section 3318.06 of 61121  
the Revised Code, except that the notice also shall state that 61122

school district's portion of the basic project cost of the total 61382  
of the district's classroom facilities needs, as recalculated 61383  
under division (E) of this section, when the district becomes 61384  
eligible for state assistance under sections 3318.01 to 3318.20 61385  
or section 3318.364 of the Revised Code. 61386

Any school district that is reasonably expected to receive 61387  
assistance under sections 3318.01 to 3318.20 of the Revised Code 61388  
within two fiscal years from the date the school district adopts 61389  
its resolution under division (B) of this section shall not be 61390  
eligible to participate in the program established under this 61391  
section unless that school district divides its project under 61392  
those sections into segments as authorized by section 3318.034 61393  
of the Revised Code. In the case of a school district that has 61394  
segmented its project as authorized in section 3318.034 of the 61395  
Revised Code, the district shall select a discrete portion of 61396  
one or more future segments of its project, to which the 61397  
district may apply local resources under an agreement under this 61398  
section prior to further state assistance for those future 61399  
segments under sections 3318.01 to 3318.20 of the Revised Code. 61400

(2) To participate in the program, a school district board 61401  
shall first adopt a resolution, by a vote of two-thirds of all 61402  
of its members, certifying to the commission the board's intent 61403  
to participate in the program. 61404

The resolution shall specify the approximate date that the 61405  
board intends to seek elector approval of any bond or tax 61406  
measures or to apply other local resources to use to pay the 61407  
cost of classroom facilities to be constructed under this 61408  
section. The resolution may specify the application of local 61409  
resources or elector-approved bond or tax measures after the 61410  
resolution is adopted by the board, and in such case the board 61411

may proceed with a discrete portion of its project under this 61412  
section as soon as the commission and the controlling board have 61413  
approved the basic project cost of the district's classroom 61414  
facilities needs as specified in division (D) of this section. 61415  
The board shall submit its resolution to the commission not 61416  
later than ten days after the date the resolution is adopted by 61417  
the board. 61418

The commission shall not consider any resolution that is 61419  
submitted pursuant to division (B) (2) of this section, as 61420  
amended by this amendment, sooner than September 14, 2000. 61421

(3) For purposes of determining when a district that 61422  
enters into an agreement under this section becomes eligible for 61423  
assistance under sections 3318.01 to 3318.20 of the Revised Code 61424  
or priority for assistance under section 3318.364 of the Revised 61425  
Code, the commission shall use the district's percentile ranking 61426  
determined at the time the district entered into the agreement 61427  
under this section, as prescribed by division (A) (2) of this 61428  
section. 61429

(4) Any project under this section shall comply with 61430  
section 3318.03 of the Revised Code and with any specifications 61431  
for plans and materials for classroom facilities adopted by the 61432  
commission under section 3318.04 of the Revised Code. 61433

(5) If a school district that enters into an agreement 61434  
under this section has not begun a project applying local 61435  
resources as provided for under that agreement at the time the 61436  
district is notified by the commission that it is eligible to 61437  
receive state assistance for its project under sections 3318.01 61438  
to 3318.20 of the Revised Code or for a segment of its project, 61439  
if the district previously segmented its project as authorized 61440  
in section 3318.034 of the Revised Code, all assessment and 61441

agreement documents entered into under this section are void. 61442

(6) Only construction of or repairs to classroom 61443  
facilities that have been approved by the commission and have 61444  
been therefore included as part of a district's basic project 61445  
cost qualify for application of local resources under this 61446  
section. 61447

(C) Based on the results of on-site visits and assessment, 61448  
the commission shall determine the basic project cost of the 61449  
school district's classroom facilities needs. The commission 61450  
shall determine the school district's portion of such basic 61451  
project cost, which shall be the greater of: 61452

(1) The required percentage of the basic project costs, 61453  
determined based on the school district's percentile ranking; 61454

(2) An amount necessary to raise the school district's net 61455  
bonded indebtedness, as of the fiscal year the commission and 61456  
the school district enter into the agreement under division (B) 61457  
of this section, to within five thousand dollars of the required 61458  
level of indebtedness. 61459

(D) (1) When the commission determines the basic project 61460  
cost of the classroom facilities needs of a school district and 61461  
the school district's portion of that basic project cost under 61462  
division (C) of this section, the project shall be conditionally 61463  
approved. Such conditional approval shall be submitted to the 61464  
controlling board for approval thereof. The controlling board 61465  
shall forthwith approve or reject the commission's 61466  
determination, conditional approval, and the amount of the 61467  
state's portion of the basic project cost; however, no state 61468  
funds shall be encumbered under this section. Upon approval by 61469  
the controlling board, the school district board may identify a 61470

discrete part of its classroom facilities needs, which shall 61471  
include only new construction of or additions or major repairs 61472  
to a particular building, to address with local resources. Upon 61473  
identifying a part of the school district's basic project cost 61474  
to address with local resources, the school district board may 61475  
allocate any available school district moneys to pay the cost of 61476  
that identified part, including the proceeds of an issuance of 61477  
bonds if approved by the electors of the school district. 61478

All local resources utilized under this division shall 61479  
first be deposited in the project construction account required 61480  
under section 3318.08 of the Revised Code. 61481

(2) Unless the school district board exercises its option 61482  
under division (D)(3) of this section, for a school district to 61483  
qualify for participation in the program authorized under this 61484  
section, one of the following conditions shall be satisfied: 61485

(a) The electors of the school district by a majority vote 61486  
shall approve the levy of taxes outside the ten-mill limitation 61487  
for a period of twenty-three years at the rate of not less than 61488  
one-half mill for each dollar of valuation to be used to pay the 61489  
cost of maintaining or upgrading, if approved by the commission, 61490  
the classroom facilities included in the basic project cost as 61491  
determined by the commission. The form of the ballot to be used 61492  
to submit the question whether to approve the tax required under 61493  
this division to the electors of the school district shall be 61494  
the form for an additional levy of taxes prescribed in section 61495  
3318.361 of the Revised Code, which may be combined in a single 61496  
ballot question with the questions prescribed under section 61497  
5705.218 of the Revised Code. 61498

(b) As authorized under division (C) of section 3318.05 of 61499  
the Revised Code, the school district board shall earmark from 61500

the proceeds of a permanent improvement tax levied under section 61501  
5705.21 of the Revised Code, an amount equivalent to the 61502  
additional tax otherwise required under division (D) (2) (a) of 61503  
this section for the maintenance of the classroom facilities 61504  
included in the basic project cost as determined by the 61505  
commission. 61506

(c) As authorized under section 3318.051 of the Revised 61507  
Code, the school district board shall, if approved by the 61508  
commission, annually transfer into the maintenance fund required 61509  
under section 3318.05 of the Revised Code the amount prescribed 61510  
in section 3318.051 of the Revised Code in lieu of the tax 61511  
otherwise required under division (D) (2) (a) of this section for 61512  
the maintenance of the classroom facilities included in the 61513  
basic project cost as determined by the commission. 61514

(d) If the school district board has rescinded the 61515  
agreement to make transfers under section 3318.051 of the 61516  
Revised Code, as provided under division (F) of that section, 61517  
the electors of the school district, in accordance with section 61518  
3318.063 of the Revised Code, first shall approve the levy of 61519  
taxes outside the ten-mill limitation for the period specified 61520  
in that section at a rate of not less than one-half mill for 61521  
each dollar of valuation. 61522

(e) The school district board shall apply the proceeds of 61523  
a tax to leverage bonds as authorized under section 3318.052 of 61524  
the Revised Code or dedicate a local donated contribution in the 61525  
manner described in division (B) of section 3318.084 of the 61526  
Revised Code in an amount equivalent to the additional tax 61527  
otherwise required under division (D) (2) (a) of this section for 61528  
the maintenance of the classroom facilities included in the 61529  
basic project cost as determined by the commission. 61530

(3) A school district board may opt to delay taking any of 61531  
the actions described in division (D) (2) of this section until 61532  
the school district becomes eligible for state assistance under 61533  
sections 3318.01 to 3318.20 of the Revised Code. In order to 61534  
exercise this option, the board shall certify to the commission 61535  
a resolution indicating the board's intent to do so prior to 61536  
entering into an agreement under division (B) of this section. 61537

(4) If pursuant to division (D) (3) of this section a 61538  
district board opts to delay levying an additional tax until the 61539  
district becomes eligible for state assistance, it shall submit 61540  
the question of levying that tax to the district electors as 61541  
follows: 61542

(a) In accordance with section 3318.06 of the Revised Code 61543  
if it will also be necessary pursuant to division (E) of this 61544  
section to submit a proposal for approval of a bond issue; 61545

(b) In accordance with section 3318.361 of the Revised 61546  
Code if it is not necessary to also submit a proposal for 61547  
approval of a bond issue pursuant to division (E) of this 61548  
section. 61549

(5) No state assistance under sections 3318.01 to 3318.20 61550  
of the Revised Code shall be released until a school district 61551  
board that adopts and certifies a resolution under division (D) 61552  
of this section also demonstrates to the satisfaction of the 61553  
commission compliance with the provisions of division (D) (2) of 61554  
this section. 61555

Any amount required for maintenance under division (D) (2) 61556  
of this section shall be deposited into a separate fund as 61557  
specified in division (D) of section 3318.05 of the Revised 61558  
Code. 61559

(E) (1) If the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code for its entire project or for future segments, if the district previously segmented its project as authorized in section 3318.034 of the Revised Code, based on its percentile ranking under division (B) (3) of this section or is offered assistance under section 3318.364 of the Revised Code, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D) (1) of this section. The commission shall then recalculate the school district's portion of the new basic project cost, which shall be the percentage of the original basic project cost assigned to the school district as its portion under division (C) of this section. The commission shall deduct the expenditure of school district moneys made under division (D) (1) of this section from the school district's portion of the basic project cost as recalculated under this division. If the amount of school district resources applied by the school district board to the school district's portion of the basic project cost under this section is less than the total amount of such portion as recalculated under this division, the school district board by a majority vote of all of its members shall, if it desires to seek state assistance under sections 3318.01 to 3318.20 of the Revised Code, adopt a resolution as specified in section 3318.06 of the Revised Code to submit to the electors of the school district the question of approval of a bond issue in order to pay any additional amount of school district portion required for state assistance. Any tax levy approved under division (D) of this section satisfies the requirements to levy the

additional tax under section 3318.06 of the Revised Code. 61592

(2) If the amount of school district resources applied by 61593  
the school district board to the school district's portion of 61594  
the basic project cost under this section is more than the total 61595  
amount of such portion as recalculated under this division, 61596  
within two years after the school district's portion is 61597  
recalculated under division (E) (1) of this section the 61598  
commission may grant to the school district the difference 61599  
between the two calculated portions, but at no time shall the 61600  
commission expend any state funds on a project in an amount 61601  
greater than the state's portion of the basic project cost as 61602  
recalculated under this division. 61603

Any reimbursement under this division shall be only for 61604  
local resources the school district has applied toward 61605  
construction cost expenditures for the classroom facilities 61606  
approved by the commission, which shall not include any 61607  
financing costs associated with that construction. 61608

The school district board shall use any moneys reimbursed 61609  
to the district under this division to pay off any debt service 61610  
the district owes for classroom facilities constructed under its 61611  
project under this section before such moneys are applied to any 61612  
other purpose. However, the district board first may deposit 61613  
moneys reimbursed under this division into the district's 61614  
general fund or a permanent improvement fund to replace local 61615  
resources the district withdrew from those funds, as long as, 61616  
and to the extent that, those local resources were used by the 61617  
district for constructing classroom facilities included in the 61618  
district's basic project cost. 61619

**Sec. 3318.361.** A school district board opting to qualify 61620  
for state assistance pursuant to section 3318.36 of the Revised 61621

Code through levying the tax specified in division (D) (2) (a) or 61622  
(D) (4) of that section shall declare by resolution that the 61623  
question of a tax levy specified in division (D) (2) (a) or (4), 61624  
as applicable, of section 3318.36 of the Revised Code shall be 61625  
submitted to the electors of the school district at the next 61626  
general or primary election, if there be a general or primary 61627  
election not less than ninety and not more than one hundred ten 61628  
days after the day of the adoption of such resolution or, if 61629  
not, at a special election to be held at a time specified in the 61630  
resolution which shall be not less than ninety days after the 61631  
day of the adoption of the resolution and which shall be in 61632  
accordance with the requirements of section 3501.01 of the 61633  
Revised Code. Such resolution shall specify both of the 61634  
following: 61635

(A) That the rate which it is necessary to levy shall be 61636  
at the rate of not less than one-half mill for each one dollar 61637  
of taxable value, and that such tax shall be levied for a period 61638  
of twenty-three years; 61639

(B) That the proceeds of the tax shall be used to pay the 61640  
cost of maintaining the classroom facilities included in the 61641  
project or upgrading those facilities if approved by the Ohio 61642  
facilities construction commission. 61643

A copy of such resolution shall after its passage and not 61644  
less than ninety days prior to the date set therein for the 61645  
election be certified to the county board of elections. 61646

Notice of the election shall include the levy's estimated 61647  
annual collections, the fact that the tax levy shall be at the 61648  
rate of not less than one-half mill for each one dollar of 61649  
taxable value for a period of twenty-three years, and that the 61650  
proceeds of the tax shall be used to pay the cost of maintaining 61651

or upgrading the classroom facilities included in the project.  
The notice shall also express the rate in dollars for each one  
hundred thousand dollars of ~~the county auditor's appraised~~  
market value.

The form of the ballot to be used at such election shall  
be:

"Shall a levy of taxes be made for a period of twenty-  
three years to benefit the \_\_\_\_\_ (here insert name of  
school district) school district, the proceeds of which shall be  
used to pay the cost of maintaining (or upgrading if approved by  
the Ohio facilities construction commission) the classroom  
facilities included in the project, that the county auditor  
estimates will collect \$\_\_\_\_\_ annually, at the rate of  
\_\_\_\_\_ (here insert the number of mills, which shall not be  
less than one-half mill) mills for each \$1 of taxable value,  
which amounts to \$\_\_\_\_\_ for each \$100,000 of ~~the county~~

**Sec. 3318.40.** (A) (1) Sections 3318.40 to 3318.45 of the  
Revised Code apply only to joint vocational school districts.

(2) As used in sections 3318.40 to 3318.45 of the Revised  
Code:

(a) "Ohio facilities construction commission," "classroom  
facilities," "project," and "basic project cost" have the same  
meanings as in section 3318.01 of the Revised Code.

(b) "Acquisition of classroom facilities" means

constructing, reconstructing, repairing, or making additions to 61678  
classroom facilities. 61679

(B) There is hereby established the vocational school 61680  
facilities assistance program. Under the program, the Ohio 61681  
facilities construction commission shall provide assistance to 61682  
joint vocational school districts for the acquisition of 61683  
classroom facilities suitable to the vocational education 61684  
programs of the districts in accordance with sections 3318.40 to 61685  
3318.45 of the Revised Code. ~~For purposes of the program,~~ 61686  
~~beginning July 1, 2003, the~~ The commission annually may set 61687  
~~aside up to two per cent a portion~~ of the aggregate amount 61688  
appropriated to it for classroom facilities assistance projects 61689  
in the public school building fund, established under section 61690  
3318.15 of the Revised Code, and the school building program 61691  
assistance fund, established under section 3318.25 of the 61692  
Revised Code, to provide assistance to at least two joint 61693  
vocational school districts per biennium. The amount set aside 61694  
for this purpose shall be determined by the commission. 61695

(C) The commission shall not provide assistance for any 61696  
distinct part of a project under sections 3318.40 to 3318.45 of 61697  
the Revised Code that when completed will be used exclusively 61698  
for an adult education program or exclusively for operation of a 61699  
driver training school for instruction leading to the issuance 61700  
of a commercial driver's license under Chapter 4506. of the 61701  
Revised Code, except for life safety items and basic building 61702  
components necessary for complete and continuous construction or 61703  
renovation of a classroom facility as determined by the 61704  
commission. 61705

(D) The commission shall not provide assistance under 61706  
sections 3318.40 to 3318.45 of the Revised Code to acquire 61707

classroom facilities for vocational educational instruction at a 61708  
location under the control of a school district that is a member 61709  
of a joint vocational school district. Any assistance to acquire 61710  
classroom facilities for vocational educational instruction at 61711  
such location shall be provided to the school district that is a 61712  
member of the joint vocational school district through other 61713  
provisions of this chapter when that member school district is 61714  
eligible for assistance under those provisions. 61715

(E) By September 1, 2003, the commission shall assess the 61716  
classroom facilities needs of at least five joint vocational 61717  
school districts, according to the order of priority prescribed 61718  
in division (B) of section 3318.42 of the Revised Code, and 61719  
based on the results of those assessments shall determine the 61720  
extent to which amendments to the specifications adopted under 61721  
section 3318.311 of the Revised Code are warranted. The 61722  
commission, thereafter, may amend the specifications as provided 61723  
in that section. 61724

(F) After the commission has conducted the assessments 61725  
prescribed in division (E) of this section, the commission shall 61726  
establish, by rule adopted in accordance with section 111.15 of 61727  
the Revised Code, guidelines for the commission to use in 61728  
deciding whether to waive compliance with the design 61729  
specifications adopted under section 3318.311 of the Revised 61730  
Code when determining the number of facilities and the basic 61731  
project cost of projects as prescribed in division (A) (1) (a) of 61732  
section 3318.41 of the Revised Code. The guidelines shall 61733  
address the following situations: 61734

(1) Under what circumstances, if any, particular classroom 61735  
facilities are adequate to meet the needs of the school district 61736  
even though the facilities do not comply with the specifications 61737

adopted under section 3318.311 of the Revised Code; 61738

(2) Under what circumstances, if any, particular classroom 61739  
facilities will be renovated or repaired rather than replaced by 61740  
construction of new facilities. 61741

**Sec. 3318.45.** (A) Unless division (B) of section 3318.44 61742  
of the Revised Code applies, if a joint vocational school 61743  
district board of education proposes to issue securities to 61744  
generate all or part of the school district's portion of the 61745  
basic project cost of the school district's project under 61746  
sections 3318.40 to 3318.45 of the Revised Code, the school 61747  
district board shall adopt a resolution, by a vote of two-thirds 61748  
of all of its members, in accordance with Chapter 133. and 61749  
section 3311.20 of the Revised Code. Unless the school district 61750  
board seeks authority to issue securities in more than one 61751  
series, the school district board shall adopt the form of the 61752  
ballot prescribed in section 133.18 of the Revised Code. 61753

(B) If authority is sought to issue bonds in more than one 61754  
series, the form of the ballot shall be: 61755

"Shall bonds be issued by the \_\_\_\_\_ (here insert name 61756  
of joint vocational school district) joint vocational school 61757  
district to pay the local share of school construction under the 61758  
State of Ohio Joint Vocational School Facilities Assistance 61759  
Program in the total principal amount of \$\_\_\_\_\_ (total 61760  
principal amount of the bond issue), to be issued in \_\_\_\_\_ 61761  
(number of series) series, each series to be repaid annually 61762  
over not more than \_\_\_\_\_ (maximum number of years over which 61763  
the principal of each series may be paid) years, and an annual 61764  
levy of property taxes be made outside the ten-mill limitation 61765  
to pay the annual debt charges on the bonds and on any notes 61766  
issued in anticipation of the bonds, at a rate estimated by the 61767

county auditor to average over the repayment period of each 61768  
series as follows: \_\_\_\_\_ [insert the following for each 61769  
series: "the \_\_\_\_\_ series, in a principal amount of 61770

who directly assists a teacher as defined in section 3319.09 of 61984  
the Revised Code, by performing duties for which a license 61985  
issued pursuant to sections 3319.22 to 3319.30 of the Revised 61986  
Code is not required. 61987

(A) Except as provided in division (G) of this section, 61988  
the state board of education shall issue educational aide 61989

and renewal of such permits and licenses which shall be 61992  
consistent with the provisions of this section. Educational aide 61993  
permits and educational paraprofessional licenses may be of 61994  
several types and the rules shall prescribe the minimum 61995  
qualifications of education and health for the service to be 61996  
authorized under each type. The prescribed minimum 61997  
qualifications may require special training or educational 61998

duties authorized under an educational aide permit or 62000  
educational paraprofessional license. 62001

pursuant to this section is subject to sections 3123.41 to 62013  
3123.50 of the Revised Code and any applicable rules adopted 62014  
under section 3123.63 of the Revised Code and sections 3319.31 62015  
and 3319.311 of the Revised Code. 62016

(C) Educational assistants shall at all times while in the 62017  
performance of their duties be under the supervision and 62018  
direction of a teacher as defined in section 3319.09 of the 62019  
Revised Code. Educational assistants may assist a teacher to 62020  
whom assigned in the supervision of pupils, in assisting with 62021

the direction of the teacher to whom assigned. The assignment of 62032  
an educational assistant need not be limited to assisting a 62033  
single teacher. In the event an educational assistant is 62034

assigned to assist more than one teacher the assignments shall 62035  
be clearly delineated and so arranged that the educational 62036  
assistant shall never be subject to simultaneous supervision or 62037  
direction by more than one teacher. 62038

Educational assistants assigned to supervise children 62039  
shall, when the teacher to whom assigned is not physically 62040  
present, maintain the degree of control and discipline that 62041  
would be maintained by the teacher. 62042

Educational assistants may not be used in place of 62043  
classroom teachers or other employees and any payment of 62044  
compensation by boards of education to educational assistants 62045  
for such services is prohibited. The ratio between the number of 62046  
licensed teachers and the pupils in a school district may not be 62047  
decreased by utilization of educational assistants and no 62048

education, prescribing minimum qualifications of education for 62060  
an educational assistant, nor years of service as an educational 62061  
assistant shall be counted in any way toward qualifying for a 62062  
teacher license, for a teacher contract of any type, or for 62063  
determining placement on a salary schedule in a school district 62064  
as a teacher. 62065

(D) Educational assistants employed by a board of 62066  
education shall have all rights, benefits, and legal protection 62067  
available to other nonteaching employees in the school district, 62068  
except that provisions of Chapter 124. of the Revised Code shall 62069  
not apply to any person employed as an educational assistant, 62070  
and shall be members of the school employees retirement system. 62071  
Educational assistants shall be compensated according to a 62072  
salary plan adopted annually by the board. 62073

Except as provided in this section nonteaching employees 62074  
shall not serve as educational assistants without first 62075  
obtaining an appropriate educational aide permit or educational 62076  
paraprofessional license from the state board of education. A 62077  
nonteaching employee who is the holder of a valid educational 62078  
aide permit or educational paraprofessional license shall 62079  
neither render nor be required to render services inconsistent 62080  
with the type of services authorized by the permit or license 62081  
held. No person shall receive compensation from a board of 62082  
education for services rendered as an educational assistant in 62083  
violation of this provision. 62084

Nonteaching employees whose functions are solely 62085  
secretarial-clerical and who do not perform any other duties as 62086  
educational assistants, even though they assist a teacher and 62087  
work under the direction of a teacher shall not be required to 62088  
hold a permit or license issued pursuant to this section. 62089

Following the determination of the assignment and general 62090  
job description of an educational assistant and subject to 62091  
supervision by the teacher's immediate administrative officer, a 62092  
teacher to whom an educational assistant is assigned shall make 62093  
all final determinations of the duties to be assigned to such 62094  
assistant. Teachers shall not be required to hold a license 62095

designated for being a supervisor or administrator in order to 62096  
perform the necessary supervision of educational assistants. 62097

(E) No person who is, or who has been employed as an 62098  
educational assistant shall divulge, except to the teacher to 62099  
whom assigned, or the administrator of the school in the absence 62100  
of the teacher to whom assigned, or when required to testify in 62101  
a court or proceedings, any personal information concerning any 62102  
pupil in the school district which was obtained or obtainable by 62103  
the educational assistant while so employed. Violation of this 62104  
provision is grounds for disciplinary action or dismissal, or 62105  
both. 62106

(F) Notwithstanding anything to the contrary in this 62107  
section, the superintendent of a school district may allow an 62108  
employee who does not hold a permit or license issued under this 62109  
section to work as a substitute for an educational assistant who 62110  
is absent on account of illness or on a leave of absence, or to 62111  
fill a temporary position created by an emergency, provided that 62112  
the superintendent believes the employee's application materials 62113  
indicate that the employee is qualified to obtain a permit or 62114  
license under this section. 62115

An employee shall begin work as a substitute under this 62116  
division not earlier than on the date on which the employee 62117  
files an application with the state board for a permit or 62118  
license under this section. An employee shall cease working as a 62119

(1) The date on which the employee files a valid permit or 62121  
license issued under this section with the superintendent; 62122

license under this section; 62124

(3) Sixty days following the date on which the employee 62125  
began work as a substitute under this division. 62126

The superintendent shall ensure that an employee assigned 62127  
to work as a substitute under division (F) of this section has 62128  
undergone a criminal records check in accordance with section 62129  
3319.391 of the Revised Code. 62130

(G) The state board shall issue an educational aide permit 62131  
or educational paraprofessional license in accordance with 62132  
Chapter 4796. of the Revised Code to an applicant if either of 62133

**Sec. 3320.04.** Each school district board of education shall adopt a policy that reasonably accommodates the sincerely held religious beliefs and practices of individual students with regard to all examinations or other academic requirements and absences for reasons of faith or religious or spiritual belief system. The policy shall satisfy all of the following conditions:

(A) The policy shall permit a student in any of grades kindergarten through twelve to be absent for up to three religious expression days each school year to take holidays for reasons of faith or religious or spiritual belief system or participate in organized activities conducted under the auspices of a religious denomination, church, or other religious or spiritual organization. The district shall not impose an academic penalty as a result of a student being absent as

permitted in the policy. The policy shall also permit students 62718  
to participate in interscholastic athletics or other 62719  
extracurricular activities on days in which the student was 62720  
otherwise absent for a religious expression day. 62721

(B) (1) The policy shall require that students be provided 62722  
with alternative accommodations with regard to examinations and 62723  
other academic requirements missed due to an absence described 62724  
in division (A) of this section if not later than fourteen 62725  
school days after the first day of school, or fourteen school 62726  
days after the date of enrollment for a student who transfers to 62727  
or enrolls in the district after the first day of school, the 62728  
parent or guardian of a student provides the school principal 62729  
with written notice of up to three specific dates for which 62730  
alternative accommodations are requested, if an absence approved 62731  
under division (B) (2) of this section conflicts with an 62732  
examination or other academic requirement on that date. 62733

(2) The school principal shall approve not more than three 62734  
written requests per school year from a student's parent or 62735  
guardian for an excused absence under division (A) of this 62736  
section. The school principal shall approve such requests 62737  
without inquiry into the sincerity of a student's religious or 62738  
spiritual belief system. However, the school principal may 62739  
verify a request received under division (A) of this section by 62740  
contacting the parent or guardian whose signature appears on the 62741  
request. If a parent or guardian disputes having signed such a 62742  
request, the school principal may deny the request. Upon 62743  
approval of a request that satisfies division (B) (1) of this 62744  
section, a school principal shall require the appropriate 62745  
classroom teacher or teachers to schedule a time and date for an 62746  
alternative examination or other academic requirement if the 62747  
approved student absence creates a conflict, which may be before 62748

or after the time and date the examination or other academic 62749  
requirement was originally scheduled. 62750

(C) The policy shall require the district board to post 62751  
both of the following in a prominent location on the district's 62752  
web site: 62753

shall include the contact information of an individual who can 62755  
provide further information about the policy; 62756

(2) A nonexhaustive list of major religious holidays, 62757  
festivals, and religious observations, which may include, Eid, 62758  
Good Friday, Rosh Hashanah, Yom Kippur, and Passover, for which 62759  
an excused absence under this section shall not be unreasonably 62760  
withheld or denied. 62761

The director of education and workforce shall provide each 62762  
district with a nonexhaustive list of major religious holidays 62763  
or festivals for the next two school years, including Eid, Good 62764  
Friday, Rosh Hashanah, Yom Kippur, and Passover, at the 62765  
beginning of each school year. Each district may adopt the 62766  
director's list in its entirety or choose which holidays to 62767  
include on its list. 62768

Each time a district's policy is posted, printed, or 62769  
published, including as described in divisions (C) and (D) of 62770  
this section, the district shall include a statement that the 62771  
list is nonexhaustive, and the list may not be used to deny 62772  
accommodation to a student for a holiday or festival of the 62773  
student's faith or religious or spiritual belief system that 62774  
does not appear on the list. 62775

Nothing in this section, and no inclusion or exclusion of 62776  
a religious holiday or festival on the list posted by a 62777

district, shall preclude a student from full and reasonable accommodations for any sincerely held religious beliefs and practices with regard to all examinations or other academic requirements and absences for reasons of faith or religious or spiritual belief system provided under this section.

(D) The policy shall require school districts annually to convey to parents and guardians the policy adopted under this section, including a description of the general procedure for requesting accommodations. The manner in which the school district conveys the information shall be determined at the discretion of the district.

(E) The policy shall include a procedure under which a student, parent, or guardian may notify the district of any grievance with regard to the implementation of the policy required under this section.

(F) Any days excused under this section shall not be considered in determining absence hours for the purposes of parental notification under ~~division (C)(1) of~~ section 3321.191 of the Revised Code.

**Sec. 3321.16.** (A) An attendance officer or assistant provided for by section 3321.14 or 3321.15 of the Revised Code may investigate any case of nonattendance at school or part-time school of a child under eighteen years of age or supposed to be under eighteen years of age resident in the district for which such attendance officer or assistant is employed, or of any such child found in the district or enrolled in any school within the district and of any child above eighteen years of age if enrolled in any school within the district, and may take such action as the superintendent of schools directs or as such attendance officer or assistant deems proper in the absence of

If no determination of progress under division (B) (2) of this section is made, or if the student and the student's family cease to continue making progress in improving the student's attendance, the attendance officer shall file a complaint in the juvenile court against the student.

A complaint filed in the juvenile court under division (B) (3) of this section shall allege that the child is an unruly child for being a habitual truant and that the parent, guardian, or other person having care of the child has violated section 3321.38 of the Revised Code.

**Sec. 3321.19.** (A) As used in this section and section ~~3321.191~~ 3321.16 of the Revised Code, "habitual truant" has the same meaning as in section 2151.011 of the Revised Code.

at school, the board may require the parent, guardian, or other 62870  
person having care of the child pursuant to division (B) of this 62871  
section to attend an educational program established pursuant to 62872  
rules adopted by the department of education and workforce for 62873

child, if found truant, and the child's parent, guardian, or 62890

A complaint filed in the juvenile court under this division shall allege that the child is an unruly child for being an habitual truant and that the parent, guardian, or other person having care of the child has violated section 3321.38 of the Revised Code.~~

~~(E) A school district with a chronic absenteeism percentage that is less than five per cent, as displayed on the district's most recent report card issued under section 3302.03 of the Revised Code, and the school buildings within that district, shall be exempt from the requirement to assign habitually truant students to an absence intervention team for the following school year and shall instead take any appropriate action as an intervention strategy contained in the policy developed by the district board pursuant to divisions (A) and (B) of section 3321.191 of the Revised Code. In the event that those intervention strategies fail, within sixty-one days after their implementation, the attendance officer shall file a complaint, provided that the conditions described in division (B) of section 3321.16 of the Revised Code are satisfied.~~

(C) The policy adopted under division (B) of this section shall do all of the following:

(1) Acknowledge that student absences from school for any reason, whether excused or unexcused, take away from instructional time and have an adverse effect on student

learning; 62959

(2) Identify strategies to prevent students from becoming 62960  
chronically absent; 62961

(3) Include procedures for notifying a student's parent, 62962  
guardian, or custodian when the student has been absent from 62963  
school for a number of hours determined by the board, which 62964  
number shall not exceed five per cent of the minimum number of 62965
